

McGee Decides Not To Seek Re-Election

Ben H. McGee, County Commissioner District 3, announced Tuesday to the Highlands County Board of Commissioners that he has withdrawn as a candidate for re-election as County Commissioner District 3, in the forthcoming election.

Mr. McGee read the following letter to the board—

Please accept this letter as my withdrawal as a candidate for re-election to the office of County Commissioner District 3, in the forthcoming election. This decision comes after much thought and careful consideration. I am completing my 12 year as a County Commissioner, and as the County has grown, so have the responsibilities of the Commissioners—to the point that the work load is just more than I am able to carry.

I have enjoyed serving my County and its citizens. I hope the County can be better served by a younger man with more time and energy to devote to this office.

Progress

During this time in office much growth has been experienced in Highlands County. He listed some of that progress:

All school bus routes have been paved—there are five new dairies located in District 3—renovation of the courthouse, the construction of the annex at the courthouse and the county office building in Lake Placid, unification of the county's road work, many miles of paved roads, the county's contribution toward establishment of South Florida Junior College, establishment of the engineering department, employment of a county administrator, construction of county building in Venus, construction of a voting machine warehouse on U.S. 27, building the new Agri-Civic complex on U.S. 27, zoning, establishment of building department, centralized purchasing and perpetual property records, construction of the motor vehicle inspection station, and considerable growth in the veterans service and county welfare offices.

Mr. McGee has been an active member of the State Association of County Commissioners for 12 years and has

served that Association on many committees. He is now serving as a director of the

Ben McGee

association and as deputy Sgt. at Arms.

Mr. McGee said voters and citizens of Highlands County have given him encouragement and support during the past 12 years, and hopes that his successor in office will have the same encouragement and support that he has had.

Mr. McGee stated that he and his wife are looking forward to their retirement.

Plant City Team Wins Tournament

The Plant City National Little League baseball team won the District 4 championship in the tournament played here in Avon Park last week. The Plant City team took the title and the chance to play in the state tournament in Tampa next week by defeating Frostproof 5-0, Dade City 4-3, and Pinecrest 14-0.

The Avon Park team won its first game over Lake Wales last Thursday night by a score of 7-5 but lost out of Pinecrest in the semi-finals on Friday night by a score of 9-6. Pinecrest had defeated Auburndale 7-4 in the quarter-finals to move into the semi-finals. Dade City earned the right to play the Plant City Nationals by defeating Plant City Americans 3-2.

Last Thursday night the Avon Park team had to come from behind to defeat the Lake Wales boys. The Avon Park team trailed 2-0 going into the fourth inning. Then Dale Sisemore singled, then Dale Sisemore drew a walk and Billy Young also was put on base on balls. Then Sisemore scored when Larry Jackson also walked. Then with the bases loaded and two outs, catcher Steve Arnold stepped up and lined a homerun over the centerfield fence for a grand slam homer to put Avon Park ahead 5-2.

But in the bottom of the fourth frame Lake Wales tied things up scoring three runs on a lone hit. In the top of the fifth inning Avon Park's right fielder, John McKinnis blasted a triple out to left field and then scored on Larry Jackson's single. Avon Park scored again in the top of the sixth when Steve Arnold was safe on an error, took second and third on passed balls and then scored on a single by Dale Sisemore.

Billy Young took the mound win for Avon Park after coming on in the second inning to relieve starter Larry Jackson. Last Friday night was another story for Avon Park however. The local boys held Pinecrest scoreless in the first inning and then pushed over two runs in the last half of the first.

The new districting plan puts the Avon Park area in a four-seat legislative district with most of Polk County and the Kissimmee area in Osceola County. Libertore stressed he will be willing to meet at any time with individuals from the Avon Park area, or any other area of the district, to discuss any problems they may have and help find solutions. "I want to stay advised of your particular problems and your thinking on matters before the legislature so that I can properly represent you in Tallahassee," Libertore told the Avon Park Rotarians.

Libertore noted that Avon Park and Polk County share many common interests such as tourism, private enterprise, agriculture and citrus, adding that he feels the needs and thinking of the people of Avon Park are similar to those of the people of Polk County.

Libertore said he expects to see a greater degree of cooperation between the leadership of the two houses of the Florida legislature during the next session.

The Lakeland Democrat also pointed out there will be a number of new faces in the legislature since many members are retiring or seeking new offices. He predicted that the members of the Polk-Highlands-Osceola House delegation should be in a position of leadership which would enable the delegation to accomplish more for this area.

The Avon Park fans can be proud of the way the tournament was handled at Avon Park Little League president George Heatherly serves as tournament director assisting District 4 Director Jake Rush with all the details involved in running a ten-team tournament according to Little League rules. Heatherly and his vice-president, Paul Sheffield, and secretary Marvin Willis are all to be complimented on the excellent way the tournament was handled and also all three are due much thanks from the community for the hours of volunteer service they gave during the Little League season. Few people know the time it takes to run a successful program which includes eight minor league teams with at least fourteen boys on each team and then eight Little League teams with twelve boys on each team.

All adult help with the Little League program is volunteer and the coaches, managers, scorekeepers, announcers, umpires, and workers in the concession stand both deserve our thanks for the fine job done this season. The city furnished the crew which took care of the lining of the field before each game and lots of help was given from A.P.C.I. in maintenance of the field.

All in all the past Little League season was a successful one from the viewpoint of the parents of the boys between the ages of eight and thirteen who were involved in the action. Thanks from the whole community to George Heatherly and his adult workers with youth.

Rehrer Named To Bar Committee

Highlands County Court Judge Mervin Rehrer was appointed this week to the Judicial Administration Committee of the Florida Bar Association.

In making the announcement, President Wm. Reece Smith, Jr., said we are looking forward to your service on this important committee. As you know, committee work is the heart of the service program of the Florida Bar and your committee service will benefit the bench, bar and the public of Florida.

Libertore Speaks To Rotary Club

State Representative Larry Libertore (D-Lakeland) said he expects a close working relationship between the people of Avon Park and the legislative delegation representing Avon Park and surrounding area.

Speaking before the Avon Park Rotary Club recently, Libertore said he favored redistricting plans which would have laced all of Highlands County in one legislative district. He said the present apportionment plan seriously fragments the voice of the people of Highlands County.

The state is reapportioned into legislative districts following each federal census. The new districting plan puts the Avon Park area in a four-seat legislative district with most of Polk County and the Kissimmee area in Osceola County.

Libertore stressed he will be willing to meet at any time with individuals from the Avon Park area, or any other area of the district, to discuss any problems they may have and help find solutions.

"I want to stay advised of your particular problems and your thinking on matters before the legislature so that I can properly represent you in Tallahassee," Libertore told the Avon Park Rotarians.

Libertore noted that Avon Park and Polk County share many common interests such as tourism, private enterprise, agriculture and citrus, adding that he feels the needs and thinking of the people of Avon Park are similar to those of the people of Polk County.

Libertore said he expects to see a greater degree of cooperation between the leadership of the two houses of the Florida legislature during the next session.

The Lakeland Democrat also pointed out there will be a number of new faces in the legislature since many members are retiring or seeking new offices. He predicted that the members of the Polk-Highlands-Osceola House delegation should be in a position of leadership which would enable the delegation to accomplish more for this area.

This is Mr. Durrance's first try for political office. He is a Democrat. He retired from the postoffice June 23 after serving as a carrier for 39 years.

Mr. Durrance still lives where he was born - off Route 66 on Durrance road, 10 miles south of Sebring. His parents were the late George W. Durrance, well known rancher and farmer, and Mrs. Durrance.

Mr. Durrance served in the U.S. Air Corps 40 months, 20 of this in the Alaskan theater, emerging as a technical sergeant. He graduated from Sebring High School in 1933.

He is married to the former Mary Lee Collier of Lake Placid. They have two sons, Gene, 29, of Miami, and Stanley, 21, of Sebring.

Know Your Hospital

by John Mc Clellan
Administrator
Walker Memorial Hospital

There are many complex issues facing hospitals today, none has angered administrators and financial managers quite as much in recent years as has the Hill-Burton 5 per cent issue. It was announced in April by Secretary Richardson of the Department of Health, Education and Welfare that hospitals which have received Hill-Burton grants over the last 25 years must provide a reasonable volume of free care. What is reasonable seems to be a big question in a lot of minds. The proposed guidelines suggest 5 per cent of gross income or 25 per cent of net income.

Some administrators say their hospitals will go bankrupt. Others say they will close their doors in a couple of years. Still others say they will pass the cost on their paying patients, while others say they will appeal and fight Secretary Richardson's rulings in the courts.

With Phase II wage and price controls, it has been a hard year for this hospital. We see this recent extension of the long arm of federal jurisdiction in other ways also—retroactive denials, crumbling Medicaid programs, and pressures from government at every level, and consumers of every kind for hospitals to deliver more and more high quality services in more ways at less cost. Simultaneously all employees want more money, and in the background all the talk about debate and national health insurance.

No one questioned whether the requirement was being met until two very similar class action civil suits were filed July 24, 1970. One in New Orleans and the other in Greeley, Colorado by attorneys representing Economic Opportunity. In the case filed in New Orleans the attorneys acted in behalf of eight women and their 42 dependent children. The suit claims that the plaintiffs were denied care at several New Orleans hospitals on economic grounds and that the hospitals had all received grants under Hill-Burton.

longer involved in the suit, because it withdrew from participation in the Hill-Burton program, and recently returned the grant to H.E.W.

Executive director Robert E. Adams of the Research Hospital and Medical Center in Kansas City, Missouri, was very vocal in his reaction. "H.E.W.'s mandate makes me hot under the collar. Why drop this regulation on us so quickly? Why at this time? Why was it announced only when published in the Federal Register? Our building program has cost \$40 million to date, of which \$670,000.00 has been Hill-Burton grants. We put out that much a year in charity care. It's the paying patients who are going to suffer."

Any increase in free service must be paid for by those patients who pay their bills. This responsibility should be born by all the citizens of the community, and not just by those who happen to get sick, at any one given time.

Girl Scout Troop Reorganizes

Avon Park's Senior Girl Scout Troop met here recently for the purpose of reorganization. The troop is now Trailblazer No. 45 and is sponsored by the Rotary Club.

Officers elected are Cindy Bennett, treasurer, Susie Crews, scribe, Jane Eberle, Juliette Low Fund chairman, and Scrapbookkeeper, Janice Turnbull.

The Trailblazers are divided into two patrols, the Horse Patrol, headed by Leader Janice Turnbull, with Cindy Bennett as assistant, and the Worn Patrol, with Leader Bobbi Newton and assistant Karen Lamb.

An exciting and varied calendar of activities was set up for the year, opening with a four-day camping trip at Alexander Spring, July 22 to 25.

In September, the troop will attend an open meeting of the Senior Planning Board at Camp Wildwood and a week-end campout in tree houses at Withalacoochee Forest is scheduled for October.

The girls will spend the Thanksgiving holidays on a canoe trip in the Everglades and will attend Aide Bar Training at Camp Wildwood in December.

In January, a back-packing trip is planned on either section 12 or section 18 of the Florida Trail, followed by a canoe trip on Peace River the month of February and a camp-out at Oleno State Park in March.

Senior Conference and All-State Senior Encampment at Camp Wildwood will take place in April; Florida Folk Festival and the Folk Festival of the Smokies will highlight May and June, respectively.

At a second meeting, the girls made final plans for the trip to Alexander Springs. They brushed up their knot-tying skills, made kaper charts and planned menus.

The troop voted to work on July 28 for the Ridge Area

Association. They will help to sort and ready items for sale in the resale store.

DuBose Has

Major Spinal Surgery

Friday, July 14, Lowell DuBose Jr. underwent major spinal surgery in Minneapolis, Minn. hospital. This was the fourth time since September that Lowell has undergone major surgery and the second time since January that doctors have performed the delicate and dangerous operation through the chest to work on the back.

Because Lowell was on the verge of becoming paralyzed from the waist down, the doctors had to perform a "decompression" type surgery, as well as plant more bone to fuse the spine solid. They cut away and removed approximately six inches of vertebrae next to the spinal cord in hopes this would keep the cord from pinching off, due to the severe curve in Lowell's back. It will take time to determine just how successful the operation was.

If all goes well, Lowell will still have another operation scheduled for Aug. 2, on the back side of the spine to fuse it stronger. This will be the fifth time since he was four years old that doctors have operated on his spine from the back side. Lowell is doing fairly well at this time and has already asked the doctor to go ahead with the surgery so he can come home. He hasn't walked since last October and has spent seven months in the hospital. His mother, Jerry, remains with him while he is in the hospital.

1200 Youths

Attend Camp At Lake Byrd

Lake Byrd Lodge Summer Conference Programs have been a great success this year with over 1200 young people attending between June 9 and July 25. The program at Lake Byrd Lodge is set up to help the child achieve creative, Christian living through awareness of himself and his relationship with others. The Lodge admittedly cannot compete with private camps when it comes to plush facilities, a horse for every child who rides, archery lessons every day, etc., but the program is geared to help the child decide what his needs are at this moment in life and endeavoring to help the child meet those needs.

Swimming and boating in the beautiful lake, quiet conversations "after hours" hikes around the lake, laughter and camp songs around the table are all important and necessary to the daily schedule. Extra time is always given for the Christian interpretation of a person's behavior, goals and purposes. Bible study is a fully required.

Through the help of the Avon Park Municipal Association over 30 young people from the area participated in the camp program this year. Most of these young people were in the Junior or Junior High age group.

The Camp and Conference Program at Lake Byrd Lodge is under the supervision of the Florida Conference of the United Church of Christ and the Rev. T. Albert Lawrence of Ocala is the Director of all programs.

Winter Guest Club News

Wednesday it rained so there was no shuffling that evening. But the weather was nice on Saturday and twenty folks turned out for the tournament.

Winners were: in the main, Ruth Jordan and Clay Kull with Geraldine and Howard Long coming in second. Consolation winners were: Elizabeth Clarke and Twyler Wurster over Charles Backley and Burdette Howard.

Along with all the other activities the pinhole group has dwindled down to one and two tables on Monday and Friday afternoons. On Monday the winners were Mrs. Amazon Sarnes and Sadie Benson. On Friday Bill Benson and Loretta Simpson.

Ethyl Hardin had put a good display of toastnuts, turtles and a small snake in Hallie Wetmore's glass box on the Club House porch. Ethyl made them from a dough made of bread and Elmers Glue. Maybe some of us can learn to make them? Watch for what she puts in next month.

Paul Swearingin writes that he misses us in Avon Park, and that they are just visiting in Royal Oak and home is Avon Park.

He also writes that the Palmyra, Michigan picnic will be held for Avon Park Winter Guests on the 13 of August at noon. Everyone is invited to the Community Building, and please bring own table service with covered dish, and coffee will be provided. You all go.

Mr. and Mrs. Arlyl Hays of the Dallas Center, Iowa, Miss Verla Pookin of Lenox, Iowa and Mrs. Betha Ledgerswood of Corning, Iowa, visited their sister and family, Mr. and Mrs. Herman Wurster and Twyla from Sunday July 15 till Friday, July 21. It has been several years since they were all together. A brother spends several months in Florida during the winter months.

Mr. and Mrs. Jarvis Finmore and daughters, Deborah and Diane, are visiting Mrs. Finmore's parents, the Burdette Howards. They are from Jamestown, N.Y.

Visitors in the home of the Howard Longs this past week have been a niece of Mrs. Long, Mrs. Doris Jimmitt and her two children, Kurt and Sherri. They drove here from California.

Merrill Wainot entered the Highlands General Hospital on Sunday to have surgery on Tuesday morning.

The Elzo Cornes have been entertaining their son, Walter Cornue, and his daughter, Laurie, from Chicago, Ill. They spent two weeks here.

Former Winter Guest Club members of Avon Park, the George Laomis, celebrated their 60th wedding anniversary in Dewittville, N.Y. A reception was given by their children in their honor. A sister of Mrs. Laomis was also a guest at the reception along with many grandchildren, and many out of town guests.

Everything happened to the Harry Wildes on their two-week trip to Land O' Lakes, Wis. They drove through torrential rains just ahead of Hurricane Agnes on their way to Hicksville, Ohio to visit their son, Jim. They were also delayed by a wreck just ahead of them and drove bumper to bumper for over an hour. From Hicksville they went on to their son, Dicks, in Columbus, Ohio just in time to receive word of the death of Dorothy's sister in California. They attended the funeral in Ft. Wayne, Ind.

After they started out for Land O' Lakes, stopping on the way in LaPorte, Ind. to visit Bernice Dorsey, who spent last winter in Avon Park. They were home in Land O' Lakes just four days when Harry became ill and went into the hospital for surgery. He is fine now. Dorothy writes.

The Keith Debos write that the weather has been pretty bad around Clyde, Ohio, since they have been back in their mobile home there. About a month ago they went visiting the Edwin Swansons in Door County, Wis. While there they attended a Grange meeting. They called on Kate and Bill Rutz in Union Mills, and the Clea Meadows in Laporte, Ind. The Debos plan to attend the Avon Park Picnic in Palmyra, Mich. on Aug. 13, where they will meet the Swansons, who will return to Clyde, Ohio to visit the Debos.

Karen Lamb

To Serve On

Planning Board

Karen Lamb, daughter of Mr. James Doyle Lamb, has been elected to serve a two-year term as a member of the Senior Planning Board of the Heart of Florida Girl Scout Council. She will be representing Trailblazer Troop 45.

The planning board is made up of representatives from each Senior Troop in the Council. The board acts as a clearinghouse for suggestions for intertroop activities and events; it then plans and helps carry them out. The Senior Planning Board opens the door to the variety of activities sponsored by the council, sometimes working in cooperation with the council board committees on special projects. It serves as liaison between troops and council, relaying suggestions, troop reaction to plans, and requests for service aid projects to the council.

The scout chosen to represent her troop on the planning board must be able to talk easily and clearly, be dependable in meeting attendance, able to work well with both girls and adults. She must remember that she represents her troop, not herself alone, and continue to participate fully in her own troop activities.

Bobbi Newton, serving the second year of a two-year term, is the other planning board representative.

Avon Mobile Home Park News

Jonathan Wright

The annual Avon Mobile Home Park News will be held at the noon hour on Wednesday, August 9, at the City Park in Bourbon, Ind. A good crowd is expected, and all residents are urged to attend this exciting event which is looked forward to each year by many of our winter residents.

Things here in the park brightened this week with the arrival of two couples who had been spending a few weeks in the north recently. Walt and Flo Coady and John and Edna Wolf are now back with us to enjoy the rest of the summer here in the sunny south. Both couples have had a terrific time visiting their many friends and relatives during their vacations, and the Lord has blessed them with safe journeys and good driving conditions. Good to have you back, folks!

The highlight of the Wolf's two-month trip, of course, was their Golden Wedding Anniversary celebration held in Lapaz, Ind. They have brought back quite a collection of souvenirs from this celebration including a beautiful family tree plaque presented to them by their children. John and Edna left St. Louis, Mo., Friday morning, and arrived in Avon Park Sunday afternoon. Their travels during the past two months have covered nearly 4,000 miles.

Mr. and Mrs. Walter Coady returned Sunday from a six-week trip in the northeastern part of the country. The highlight of their vacation was the celebration of Flo's mother's 100th birthday. Mrs. Eliza LaCroix was born July 10, 1872, in Quebec, Canada, and lived in Baltic, Conn., from 1899

to 1966, where she and her husband operated a dairy farm. She is the mother of seven children - Leo LaCroix, of Baltic, Conn.; Romeo LaCroix, of East Hampton, Conn.; Alme LaCroix, of High Springs, Fla.; Mrs. Dolonia Lemoine of Norwich, Conn.; Mrs. Fleurdina Coady, of Avon Park, and George and Gilbert LaCroix, deceased. She also has eleven grandchildren, fifteen great-grandchildren, and five great-great-grandchildren. Mrs. Coady and John are still quite active and now makes her home with a granddaughter, Mrs. Estelle Sexton, of East Lyme, Conn. Also present at the celebration was Mrs. LaCroix's 96-year old sister, Mrs. Rose Jodoin, of Danielson, Conn. After visiting in Conn., Flo and Walt visited Walt's brother in Rutland, Vt., and Flo's 85-year old uncle in St. Albans, Vt., where Flo was surprised to also see a cousin she hadn't seen in forty years. They also visited Agnes and Ken Heinberger in Albany, N.Y., Mr. and Mrs. John Fortin in Murray, N.Y., and John and Pearl Evans, who paid the Coady's a surprise visit back in Conn.

Bob and Lucille Duthie recently traveled to Jacksonville to visit Lucille's sister, Mrs. Blanch Dunlap, at Jude's Rest Home there. Later in the week they visited Bob's sister and brother-in-law, Mr. and Mrs. Don Easley of Lakeland.

LaRue Longenecker and Bertha Brush took a trip to Bradenton last Sunday afternoon to visit Bertha's brother and sister-in-law, Mr. and Mrs. Fred Longenecker. Afterwards, LaRue and Bertha visited

Hoosier friends in Venice. LaRue left on this Wednesday, July 26, to travel to LaPorte, Ind., to visit her daughter, Mrs. Melvin Newman. She hopes to also make it to the Bourbon picnic on Aug. 9.

The Wolf's tell us that Alva Thompson is doing much better now, and walking without the aid of either crutches or cane. It is certainly good to hear this, and we wish him continued recovery to good health. Alva is from Argos, you guessed it - Indiana.

Our sympathy is extended to Lavine Weller at the death of her husband, Mr. Rowe Weller, who passed away July 10 after an extended illness in Oil City, Pa. Our prayers go with Mrs. Weller, who has gone through quite an ordeal during the past month and a half.

Our sympathy and prayers are also extended to Thelma Skeece at the death of her mother last week, Mrs. Stilian Clark, of Providence, R.I. Ella Roenneburg seems to be having a good time in Freeport, Ill., with her daughter and son-in-law, Melvin and Geraldine Schaefer. It sounds like they have been having some pretty rough weather around those parts - Ella writes to us about a heavy cloudburst and tornado which left two inches of rain in thirty minutes.

Larry and Ruth Robinson writes to us that they are having a great time on their vacation, visiting many children, grandchildren, and great-grandchild, and other friends. They had also planned to attend the Billy Graham Crusade in Cleveland, which began July 17. We hope to hear more about this, and to find out whether or not they could find a seat.

Now for a little "story of woe" as Smith Webb terms it. During a recent fishing trip with a group of youngsters, Smith fell onto some boulders and tore the ligaments in and around both ankles and instep. In addition, he broke the fibula bone of his right lower leg, and now has his leg in a large cast. He seems to be in good spirits, though, and hopes to get back the use of his leg by the last of September.

Mr. and Mrs. Glenn M. Mimbs

Jill Neel And Glenn Mimbs Wed In Twilight Ceremony

In a twilight ceremony July 14 Miss Jill Diane Neel became the bride of Glenn M. Mimbs. The bride is the younger daughter of Mr. and Mrs. Nelson Neel, 403 South Commerce; the bridegroom is the youngest son of Mrs. Evelyn Carlisle of Avon Park.

The Rev. Tom W. Jones officiated for the double ring ceremony in the candle lighted sanctuary of First Christian Church. A tall urn filled with summer flowers and accented by pink and yellow blossoms highlighted the decorations in the chancel of the church. For the communion service, which climaxed the wedding ceremony, the bride and bridegroom chose to use a crystal goblet and a dinner plate from their own service.

The bride, given in marriage by her father, wore a floor length gown of polyester dimity. Rows of lace accented with seed pearls outlined the square neckline and edged each tier of the bell skirt and the bell-shaped sleeves.

The bridal attendants wore floor length gowns of poly willow with empire waistline and puffed sleeves ending with a self-ruffle over the wrists.

The maid of honor, Miss Betty Akers, wore a lemon yellow gown. Bridesmaid Miss Terri Pyle wore a lime colored gown, and bridesmaid Miss Laura Camp was in raspberry.

James Byron Mimbs of Melbourne attended his brother as best man. Groomsmen were Gary Neel, brother of the bride, and Mike Bradberry.

Lawrence Freude, organist, chose for the bridal procession the "St. Anthony Chorale" by Brahms; the recessional was the traditional "Wedding March" by Mendelssohn.

Reception Following the wedding the bridal couple was honored at a reception in the church's fellowship hall. Mrs. Tony Gray was in charge of the guest book.

Two Brides Honored With Shower

Two brides in the Neel family were honored at a joint shower held at the fellowship hall of First Christian Church. Miss Sue Lester, who has become Mrs. Gary Neel, and Miss Jill Neel, who has become Mrs. Glenn Mimbs, were honored at the party given by Mrs. Robert Hubbell and Mrs. Cy Nicholson.

For the party, which had approximately 75 guests, the church's hall was decorated in yellow, pink, and blue—the colors chosen by the brides for their early summer weddings. Each guest brought two favorite recipes for each of the brides and the hostesses gave the honorees decorated recipe files. Each of the brides also received a book of the favorite bits of advice and observations from the "Love Is..." series of cartoons.

Mrs. William Murphy assisted the hostesses in serving cake, punch and mints which echoed the pastel color scheme of the party. Assisting the honorees in the opening of their gifts were Misses Terri Pyle and Laura Camp.

THE POWER CRUNCH:

- Why it exists
- How you can help

This summer almost every power company in the country has felt the "crunch." Many, including Florida Power, have come to their customers for help. Under such circumstances, you have a right to ask: How did this situation come to be?

Most people aren't aware of it, but power companies have to plan years and years ahead for future power needs. This is because it takes such a long time to build new generating plants and get permits to operate them. (When our first nuclear plant at Crystal River starts up in 1974-eight years will have passed since our first plans were made!)

Every power plant and power line we have today was planned for many years ago. We projected future customer usage and population trends to determine what had to be built to assure a reliable supply of electricity. What we were not able to anticipate were the frequent changes in laws and regulations. New environmental programs, new government agencies, and delays in

governmental approval of licenses and permits have resulted in new plants falling far behind planned completion dates. So we find ourselves in a classic "power crunch," and all the while, Florida Power Corporation is averaging over 100 new customers every day—365 days a year! Delays in construction of new plants throughout the state mean there is no relief in sight for the remainder of this summer. Therefore, we need your help.

WHAT CAN YOU DO?
Between the weekday hours of 4 and 8 p.m., we ask that you set your air conditioners at 80 degrees and delay the use of dishwashers and clothes washers and dryers. This will also reduce the use of electric water heaters over the peak period when everybody is using lots of power. By following this simple procedure this summer, you can play a big part in helping to assure that demand for electricity does not exceed supply.

Working together, we can help ease the "power crunch."

Grand Prix Race Will Move To Atlanta

America's greatest road race, the 12-hour Grand Prix of Endurance, will move from Sebring to the Atlanta, Ga., area.

The famed race really is gone. After 22 years, Edward Ullmann, vice president of the sponsoring Automobile Racing Club of Florida, said that an agreement has been reached "in principle" with the Road Atlanta Circuit and although not quite concluded, "we currently are shooting for a race on the Mar. 31-Apr. 1 weekend."

Mr. and Mrs. Alex Ullmann and Edward Ullmann will be actively involved at Atlanta, he said.

Three local race drivers have competed on the 2 1/2 mile Atlanta Circuit, located near Gainesville, Ga., 25 miles northeast of Atlanta. And one of them, Terry Keller, described it as a "killer course; you can't make a mistake without demolishing your car."

Ullmann, however, said the Atlanta course, finished in 1970 at a cost of more than \$2,000,000, is "considered the finest in the country from the point of spectator viewing."

The decision to move the race was not a personal choice, Ullmann emphasized. "It was a matter of business."

"How We Grow Them"

by Jim Kiser, inmate

Not that July has been cool, yet we know from experience, August will be even hotter. We

have had a busy month here and it will be the same pace in August, but these are easier tasks, paced to the season. This is ideal time for rooting some cuttings. I have placed a mound of rich soil under a large tree and keep sticking six-inch to eight-inch cuttings of Ficus elastica (Rubber plant) into this. They have been rooting in about four weeks. There are many plants that will do in this manner and August is perfect for multiplying many plants. Try a few inserted into pots and set a goal for Christmas. These gifts will be greatly appreciated, especially if you have some unusual plants in your garden. Poinsettia cuttings with four to six nodes (where the leaf attaches) can be planted into the ground. Make a hole with a stick that is near the same diameter, and insert your cuttings a little over half-way into the soil. You can do the same with pots, too! Remember to do your cuttings right above one of the nodes and the new growth will probably burst forth, doubling you double the blooms. I never over-water these cuttings, just keep them moist.
