

Libertore Will Seek Re-Election

State Representative Larry Libertore (D-Lakeland) said today he is running for re-election to the Florida House of Representatives in District 31. Libertore, elected to the House in 1970, said he appreciates the opportunity the people of this area have given him to serve in the legislature. "It has been a rewarding experience, and I would be honored to have the privilege of serving and working for the people once again," Libertore said.

The Lakeland Democrat said he is proud of his voting record and pointed out he did not miss a single day of voting during his two years in the legislature. "I made a conscientious effort to emulate the thinking of the people I represent," Libertore said, "and believe my voting record will reflect this. I feel the people of the Avon Park area share similar problems with the people of Polk County, and I look forward to representing them and work hard to see that their voice is heard. I will visit and be available at any time to help find solutions to any problems the people of Avon Park may have."

A Lakeland resident since 1963, Libertore pledged to continue to fight to see that government does not ignore the legitimate needs of the people.

"I believe the people of our area are concerned about the rising cost and steady growth of government, and I have made every effort possible to curtail the 'tax and spend' philosophy which is prevalent in our government," the Lakeland Realtor said. "I approached every piece of legislation before me in a business-like manner, recognizing there are many problems which need to be solved due to the rapid growth of Florida, but also considering the cost involved. I always kept in mind that there are many thousands of people in Florida living on fixed or limited incomes who struggle each week just to pay their taxes and meet living expenses."

"Since I became a member of the legislature, we have repealed in the neighborhood of \$50 million in consumer taxes," Libertore stated. "No other state in the nation can point to such a record it is one of which we can rightly be proud. In addition to the state tax repeal package of \$50 million is the \$12 million in relief granted to senior citizens by increasing homestead exemption up to \$10,000 for ad valorem school taxes."

Tax reform measures noted by Libertore include the repeal of the sales tax on household utilities and household fuels, and also closing of the Greenbelt tax loopholes.

Libertore stated he fought some so-called "tax reform" measures which he felt would have been detrimental to the business climate of Florida as well as being passed on to consumers in the form of higher prices for merchandise. He mentioned the proposed repeal of the allowance businesses receive to help defray the cost of collecting the sales tax for the state.

Libertore, 32, has been in the real estate business and active in community service in Lakeland since his graduation from the University of Florida.

Libertore said he will be able to work well with the incoming leadership of the House of Representatives, indicating he anticipates the House to adopt a more conservative and deliberate approach to finding solutions to the problems facing Florida.

Bagwell Team Is Champions

Kiwanis pitchers, Ronnie Brock hit a double and two singles and Timmy Cribb and Rufus Wilson both had a single.

A real pitchers duel took place in the second game last Thursday night as I. H. Ford's Franklin Batson pitched a no-hitter against Leon's but Ford lost by a score of 3-2. Billy Young, the Leon hurler, gave up only one hit - a single to Franklin Batson in the sixth frame. The winning run was scored by Butch Helvey who walked, went to second on a fielder's choice, took third on a fielding error, and scored on a passed ball.

Last Friday night Avon Citrus Bank won 13-9 over First Baptist in the first game. The Bank got 5 hits off Garry Farless and Billy Walker who shared hurling duties for Baptist. Lee Barbere had a double, O. C. Stephens had two singles, and Dennis Tondee and Wade Bush both had a single for Bank. Baptist batters got four hits off Mike Owens and Ricky Anderson. Grey Gray had two singles and Victory Roberts and Buzzy Roberts both singles for Baptist.

In the second game last Friday night Bagwell jumped

on the Lions for four quick runs in the first inning on a double by Dale Sisemore and singles by Joel Wright and David Sisemore to hold out for a 4-1 win. After the first inning Lion pitcher John McKunas settled down and held the Bagwell batters hitless and scoreless as he fanned 13 batters in the six inning game. Dale Sisemore and Larry Jackson teamed up for the Bagwell victory on the mound. Dale gave up singles to John McKunas and Terry Massey and Larry gave up a single to Jimmy Massey in the exciting game.

Last Saturday night a rainout session from the week before was made up. The Lions bounced back from their loss on Friday to come from behind in the third inning and take a 5-10 win from Kiwanis. The Lions got 14 hits off four Kiwanis pitchers. John McKunas had a double and three singles. Jimmy Massey and Fred Hartt both had a double, Ralph Hartt, Ricky Jones and Terry Massey all had two singles each, and Wayne Roberts and Allen Roberts both hit one single for the Lions. Kiwanis got four hits off three Lion hurlers. Decaris Jones and David Rimer both had a double and Eric Wilson

New Jersey Man Writes Thesis On Avon Park Resident

Fred Adelson, of South Orange, N.J., who received his Masters Degree from Columbia University, writing his thesis on Edward N. Griffith, an American Artist, and a pioneer resident of Avon Park, was here this past week doing further research on Mr. Griffith and his paintings, which are the possession of several Avon Park people. While here Mr. Adelson was a guest of Mr. and Mrs. T. Hayes Maxwell and Mrs. E. C. Hise. He went from here to Crystal River to visit the Floyd Wells family. Mrs. Wells, the former Claire Vandervend, was the sole heir of Mr. Griffith's estate and has in her possession a number of his paintings.

Mr. Griffith built the house at 200 N. Lotela Ave., where he lived until his death, Dec. 1958. Both Mr. Griffith and his wife are buried in the Bougainvillea Cemetery and his home is now owned by the Steve Maxwell family. The Maxwells recently renovated the house. The stairs attic rooms which Mr. Griffith used for his studio are now converted into bedrooms. The Floyd Wells family owned and lived in the house until Mr. Wells was transferred to Crystal River by his company a few years ago.

Mr. Griffith moved to Avon Park in October 1920 from Orange, N.J. at the age of 62, with his wife, Anna, and sister-in-law, Ida Dorems. Both Mrs. Griffith and the past away in the late twenties, after which Miss Esther Neely, who was a cousin of Mr. Griffith, brought her little niece, Claire Vandervend, to Avon Park to make their home with Mr. Griffith.

Mr. Griffith continued his painting until a few years before his death. Among his students were Mrs. E. Ray Wells, Mrs. J. Harmon Atkins and Mrs. Ivor Farnell of Tampa, while these ladies were still teenagers. They all were original and copies of Mr. Griffith's work. He also gave his picture to other friends and to the local library and churches. Rev. H.D. Grete, the Hays Maxwells, Mrs. June Cooper and Mr. and Mrs. John H.

Watson have Griffith's paintings. If other people in this area are in possession of any of Griffith's work they are urged to contact Mrs. T. Hayes Maxwell, who will send the information on to Mr. Adelson.

In his research, Mr. Adelson has located more than fifty pictures in the area of New Jersey where Mr. Griffith spent his early days and some in private collections in New York City and in several museums in the north.

After coming to Avon Park Mr. Griffith continued to paint and to exhibit his work at the Society of Independent Artists in New York City, where he sold many of them. It is interesting to learn that Mr. Griffith has been finally recognized by the art world and will, hopefully, receive the honor and fame long overdue to him.

Edward Norton Griffith was born in Belvedere, N.J. Feb. 26, 1858. As a child he lived in many towns in central N.J. where his father was a Methodist minister. In 1870 the Griffith family settled in Hilton (now Maplewood) N.J. because Rev. Griffith's health was quite poor. In 1890 Edward and his widowed mother moved to Irvington, N.J., a border town of Hilton. It is interesting to learn that Mr. Adelson located the name of Irvington, through seeing the name on an envelope which Mr. Griffith had painted in one of his pictures. Mr. Adelson took a long chance in checking the city register and finding the Griffith name which he followed. It was as if by an accident he learned he had moved to Avon Park, and he wrote to the City Clerk for information. His letter was answered by Malcolm Crews, who sent him much of the information he needed to begin his search here. Judge Marvin Rehner also sent him copies of recorded papers he needed for his records.

Mr. Adelson records the following facts: "The town of Irvington, N.J., was a most picturesque suburb, being the

last stop on the trolley line from cosmopolitan Newark. Of particular significance to Griffith's art career was the presence in Irvington of the Durand family. The Durands were one of the most prominent artistic families in America and Griffith was friendly with many of them. It was at this time (1892) that the earliest of his paintings found to date were executed. Although he was self taught, Ed Griffith was inspired and influenced by his friends, notably Elias Durand and Cyrus Durand Chapman. Griffith painted not only still lifes but many landscapes and seascapes. Many of his still life pictures display trompe l'oeil devices (passages so realistic that they tend to "fool the eye" in believing the depicted object was real rather than a painted image). These paintings placed Griffith within the mainstream of American art. Throughout his days in Irvington, Griffith painted these most beautiful still lifes. Since he loved to travel he would record many of the interesting sites which he saw by painting them. His great love for photography can be seen in the way he skillfully and realistically depicted images. His later works tended to be painted with bolder and more expressive brush strokes but were equally fascinating and pleasing as the earlier ones.

"Towards the end of the nineteenth century in America there developed a movement of still life painting. Almost all the pictures depicted common everyday objects set upon a table top. The artists who practiced this type of painting were completely ignored and soon forgotten by the art world. Only within the past twenty years have art historians and the art loving public taken notice and re-appraised the legacy which these artists have left to the history of American art."

In his search for information about Mr. Griffith, Mr. Adelson

Boatwright In Auto Accident

Jim Boatwright of Avon Park was involved in a bizarre mishap last Thursday morning on East State Street.

According to the report filed by Officer Leroy Prevatt of the Avon Park Police Department, Boatwright was headed east on E. State street in his 1956 Chevrolet. Adjacent to State on a vacant lot, an unidentified horse was grazing. He was apparently spooked by something and broke loose and ran onto East State and into Boatwright's vehicle. Damages occurred to the right front door of the Chevy, and broke the windshield.

According to reports, a man from the County Humane Society, was called in to aid in capturing the runaway horse. Incidentally, no charges were filed against the horse.

In 1816, 1,100 people were in prison in New York City for debt, no one of whom was white. In Virginia, before the Civil War, a man could be hanged for theft of \$1.25 worth of merchandise. Anybody want to go back??

has spent two years and written many letters to people in N.J., Calif., Mass., Md., Ohio, Conn., N.Y. and Florida to complete his thesis for his Masters Degree. This trip to Florida was a travel grant from Columbia University, N.Y. City, to further his research. He will teach the history of art at a University this fall. His wife is a music teacher in elementary school in South Orange, N.J. He has promised to send his future publications concerning Mr. Griffith to the local librarian, Mrs. Hise. Anyone having pictures or further information about Mr. Griffith is urged to contact Mrs. Maxwell.

In Error

The Vital Statistics appearing in this week's issue of The Sebring News and Avon Park Sun report a record number of marriage dissolutions.

But erroneously, The sub-head designating marriage license applications somehow was lost - and names of those applying for licenses to wed are listed in the dissolutions. On the dissolutions, no dates are given. The items listing couples applying for licenses also note the date of the application.

Vital Statistics appear on Page 1-C of the Sebring News, page 1-B of The Avon Park Sun.

Shuffling

On Wednesday evening 12 folks turned out for the tournament, not enough to bother to get the chips out, so they all paired up and played by themselves.

On Saturday evening 20 folks were in the line-up, making 3 courts in play. The third game was being played when along came the rain, so "no names are in the paper".

Card Games

Three and four tables of pinocle were played on Monday and Friday afternoons. High scores went to Blanche Hance 740, Frieda Steen 596, Fanny Klink 894 and Blanche Hance 656.

Supper

Again six ladies came to the Club House for the regular Saturday evening supper. After the Club Grace all enjoyed the varied meal and the talk.

News of the Week

Mrs. Mary Banbury, of Danville, Ohio, has been a house guest of Mrs. Raymond Ehrke, Hagaman, N. Y. They have taken several interesting trips, including a trip through the Catskill Mts. and the Adirondack Mts. and Lake George. They are

They are planning on a trip to Quebec, Canada, in the near future.

At this writing both Merrill and Mary Wilnot are in the hospital. Hope they will soon be home again.

Burdette and Allene Howard drove to Kissimmee Sunday to meet their son, Wayne and family, and had dinner with them. Found quite a bit of rain on their way home, their grandson, Jon, returned with

them for a short visit.

We have two new members this past week: Helen H. Dyce from Michigan, who lives at Bonnie Brae and Paul Mangold of Illinois, who also lives at Bonnie Brae, with his wife.

Paul Gentry To Head Library

was made by the Key Club of APHS in memory of the late John Phillips.

All persons who are interested in the library are invited to become a member of Friends by making a contribution of \$1.00 or more. The annual membership drive will be made each year in April.

All monies collected by The Friends of the Library of Avon Park will be used for the benefit of the local library.

Mrs. E. C. Hise, Librarian, thanked the Friends for the new tape recorder and cassettes which will be used with the children's summer reading program. She stated that Mrs. James E. Johnson and Mrs. Eugene E. Swearingen will conduct the story hour each Wednesday morning, beginning this week. All children from kindergarten thru 6th grade are invited to attend. These ladies will need some assistance from other adults for the program to be entirely successful. Mrs. Hise reported that she has recently acquired some new and interesting books for the children's section.

Mrs. A. S. Paine, requested the Friends to purchase a new typewriter for the librarian's use in the office. The request was granted and Mrs. Paine was named to help with selecting the new typewriter.

Rev. Graetz and Mr. Gentry were appointed to contact the City Officials and report back at the July meeting as to what The Friends can do if the City can get this matter on the September ballot for a vote from the people.

Mrs. Smoot, Maxwell and Hise reported on the meeting which was held with the Woman's Club committee and the City Council relative to the Woman's Club relinquishing control of the library and the City taking over same. They read paragraphs from Florida Statutes affecting libraries, which state that the City shall call an election for the registered voters to decide if the City shall maintain a public library.

The newly elected president, Paul Gentry, announced that the next meeting will be held July 20th, in the Library. Anyone who is interested in the library is invited to attend.

Joe Kinsey Withdraws From Race

Joe D. Kinsey, of Avon Park, former Highlands County circuit judge, withdrew this week as a candidate for State Representative, District 32, which includes Avon Park. His statement of withdrawal said:

"My reasons are that our State Supreme Court, in its reapportionment decision, put all legislative candidates on notice that the rug could at any time be pulled from under them.

"Such uncertainty, to me, makes it unwise to undergo the expense and strain of a campaign.

"The present apportionment permits some candidates to be elected from a population area of only 56,500 and others must run in population areas up to more than 339,500.

"It does not seem very equal. It is my view that Highlands county is fortunate in that at least a portion of it will be represented by four representatives from the area adjoining us and has similar problems to ours, that is, if not changed by court order.

"Many fine people have encouraged me to run but I feel it necessary to withdraw. I commend the news media for their fight for more equal representation and I sincerely hope their fight will continue until they are victorious."

Carol Acheson

No charges were filed as the result of an accident at 3:30 p.m. Saturday on Nautia rd., Avon Park. Carol Acheson, 28, of Avon Park, ran off the left side of the road, skidded to the right side and struck the car of F. D. Williams. Williams filed no charges.

Double-Ring Ceremony Unites Couple In Marriage June 10

Carol Victoria Murray and Gregory Sapp were joined in marriage in a double-ring ceremony held June 10 at the home of the bride in Avon Park. The bride is the daughter of Mr. and Mrs. Horace Stewart of Avon Park, and the bridegroom is the son of Mr. and Mrs. Reavis Sapp of Live Oak, Fla.

The honorable Judge Mervin Rehner officiated at the rites. The bride given in marriage by her step-father, was lovely in a gown of blue brocade with lace bodice. The gown featured a high neckline with long sheer sleeves, with ruffles accentuating the neckline and

bodice. She carried a bouquet of white chrysanthemums, stephanotis and babies breath, adorned with satin ribbon and lace.

Miss Maurven Collier was bridesmaid and wore a soft pink gown which featured floral rings around the neckline and sleeves and also around the high waist line. Mr. William M. Kent, a student at Harvard University, was best man.

Reception was held after the ceremony featuring the traditional tiered cake. Soon afterwards the couple left on their honeymoon to north Florida. They will make their home in Live Oak, Florida.

TOWN TOPICS

by Eloise Sharpe

453-4351 453-4355

It has been dreary here for the last few days, with all the rain from "hurricane Agnes", we can really use the rain, if the wind just wouldn't blow too hard. Even the with all the dismal weather, I have been real happy, our son, Edward and wife, Lisbeth and grand-daughter, Carrie, called after landing in New Jersey. Sure is wonderful to know they are back in the good 'ole U.S.A., after being away for three years. My "hubby" Ed was also thrilled on Father's Day, (I was too) by a call from our daughter and son-in-law, Gwen and John Hafford, who are living in the Panama Canal Zone.

Lots of new faces or I should say former faces were in town over the week-end, the occasion being the 10th anniversary of the class of '62', who had a reunion on Saturday, June 17 at Griffin's Restaurant. I was privileged to attend lots of class parties with this group of find young men and women some 10 years ago, and was so happy to see all of them doing so well.

Captain and Mrs. Ray Schulstad and daughters, Donna and Kathy are visitors at the home of Mrs. Florence Stebbins. Captain Schulstad, a Nuclear Engineer from California is being transferred to Ohio, where he will work on

his Doctorate, for the next two years. Mrs. Schulstad is the daughter of the late Mary Lydia Boreman.

Grandson

Mr. and Mrs. Archibald Caleb Lineberger III of Belmont, North Carolina announce the birth of a son on June 15. He has been named Abel Caleb. Mrs. Lineberger is the daughter of Mr. and Mrs. James A. Johnson, Jr., of Avon Park.

Mrs. Helen B. Pardee will be visiting her brother, Grayson Baden for the summer months in Brandywine, Maryland.

Mrs. Cecyle Stephen and Mrs. Lela Gent of Tulsa, Okla., have been houseguest of Mrs. Florence Stebbins this week. Mrs. Gent is a sister of the late Mrs. W. F. Lindley, who was very well known in Avon Park. Mrs. E. C. Hise and Mrs. T. Hayes Maxwell and grand-daughter, Shellie Maxwell, accompanied Fred Adelson to Sarasota on Thursday to visit the Ringling Art Museum.

Mike Bradberry is home from the University of Florida, Gainesville, to be with his parents, Mr. and Mrs. J. H. Bradberry of Avon Park. Mike is enrolled in the College of Architecture and Fine Arts at the University and working tuning pianos for the institution. He will continue this work in this vicinity while preparing for a recital in September.

Guests last week at the home of Mrs. Callie Hall were her niece and husband, Mr. and Mrs. W. A. Brower from Lakeland. Visitors this week are her sister and husband, Mr. and Mrs. A. C. Brower from St. Petersburg.

Mrs. L. E. Morgan and her daughter, Mrs. Bonnie Smith spent a couple of weeks in Jacksonville with their son and brothers, Mr. George Johns and Mr. Edward Johns and families, returning home this past Sunday.

Guests this week and next, at the home of Mrs. Raeburn Brown are her daughter, Mrs. B. J. Gusefski and children, Stephen, Thomas and Elizabeth, and friends, Mrs. James Moulthrop and children, Kim, Pam and Jay, all from Gainesville, Ga. Mr. Gusefski will join his family Friday evening, the remainder of their vacation. Lori Yarbrough surprised her friends, Gwen and John Hafford with a telephone call to them on their birthdays, to the Panama Canal Zone.

Mr. and Mrs. Joe Mazac returned Tuesday from an enjoyable four day trip to San Juan Puerto Rico.

Mrs. Jamie W. Edge and her sister, Mrs. Helen Weinel have returned after a week's vacation in Highlands, N.C. Guests spending the week with them were Mrs. Charlotte McDaniel and Mrs. Phyllis Steiner of Sebring.

Mrs. W. D. Dorniney is home for the summer from Emory University in Atlanta.

Mrs. Emma Lewis, Mrs. Elizabeth Smith and grandson, Paul Smith visited Mrs. Lewis' daughter-in-law, Mrs. Betty Lewis in Plant City last week.

Guests at the Paul Gentry home on Lakewood Drive this past week were Mrs. Gentry's mother, Mrs. Alex McGill, of Maxton, N.C. and also her sister and family, Mr. and Mrs. Ray Sams and young son, Alex of Oak Ridge, N.C. Mr. Sams is a commandant at Oak Ridge Military Academy. Out of town guests in the home of Mrs. John J. Brown, Lake Lillian, this past week who came for the funeral services of

Miss Sarah Turnbull has completed her two years of study at Wesleyan College, Macon, Ga. and is spending her summer vacation with her parents, Mr. and Mrs. Jim Turnbull and family on Lake Lotela.

Fred Adelson from South Orange, New Jersey was in town last week to photograph and study paintings executed by Edward N. Griffith, deceased Avon Park resident, relative of Mr. Floyd Wells (Claire), former resident now living in Crystal River. He will visit Mr. and Mrs. Wells enroute home to New Jersey. Mr. Adelson is preparing material for eventual publication.

M-Sgt. and Mrs. William McKinney and children Angela, David and Mark, have been transferred to Cheyenne, Wyoming, to make their home for the next two years. M-Sgt. McKinney has just recently returned from Vietnam.

Junior Women Hold Party At Boyers

Members of the Avon Park Junior Woman's Club and their husbands and dates, enjoyed a delicious feast on Saturday, June 3, at the home of Bill and Karen Boyer.

Guests relaxed and enjoyed themselves outside on the beach until the sprinkle of rain came them inside for awhile. When the hungry appetites could wait no longer, the many foods were served. Each member had brought two covered dishes and there was a delicious variety, as was witnessed on everyone's plates.

Included in the party were friends of the Boyer's here for the weekend from Miami. A marvelous time was had by all.

Celia Elder Feted With Pool-Side Lingerie Shower June 13

Tuesday night, June 13, Miss Celia Gail Elder, bride-elect of Leon Watson was entertained with a pool-side lingerie shower at the lovely home of Mrs. Bob Young.

A Hawaiian theme was carried out with lighted candle raft floats and flowers in the pool, with sheafiera trees in the background. Large brightly colored bouquets in clay pots were around the pool and on the gift table, with Hawaiian music playing in the background. The bride's table and punch table were decorated with large fresh fruit baskets.

Celia attired in a lovely floral colored floor length dress was presented with a lovely corsage of miniature peppermint colored carnations. The bride-elect's mother, Mrs. Edley Elder, was also given a miniature carnation corsage. Upon arrival each guest was presented with different colored Hawaiian leis by Miss Rita Drawdy. After Celia opened her many lovely gifts the guest enjoyed cake, punch, nuts, fresh fruit and hors d'oeuvres.

Hostess for this lovely occasion were Miss Joni Young and Miss Frankie Prescott.

Miss Jeanne Summerson Entertained With Shower At The Home Of Mrs. E. Ray Wells

Miss Jeanne Summerson, bride-elect of David McFarland, was honored with a miscellaneous shower at the home of Mrs. E. Ray Wells, Lake Lillian, on Friday evening, June 16. Guests called from 7 to 9 p.m. and were greeted at the door by Mrs. Wells, Mrs. Paul McFarland, mother of the groom-to-be, and Mrs. Jean Cossin, mother of the bride-elect.

Mrs. Aden D. Childress presided over the bride's book, and Mrs. Lou Baughman and Miss Ginebeth Henderson who assisted for her aunt, Mrs. Flo Joines, had charge of the gifts. As Jeanne opened the gifts they were displayed in a nearby room for all to admire. The hostess gift was a quilted bedspread.

Guests were invited into the spacious dining room to choose from a variety of sweets and sandwiches, and after being served many moved to the patio and Florida room to visit. Presiding at the punch bowl were Mrs. Ophelia Rihner and Mrs. Earl Hayworth. Other dining room hostesses were Mrs. Robert Gay and Mrs. Harmon Atkins.

A profusion of roses were used for decoration throughout the lovely home. Of particular interest were the twin arrangements on the living

room mantle, red roses in giant glass hurricane lamps.

Miss Summerson wore, for this occasion, a red and white summer dress with white accessories and was presented a carnation corsage by the hostesses, Mrs. McFarland and Mrs. Cossin also were given corsages.

The Summerson-McFarland wedding will be solemnized at First Presbyterian Church in Clermont, Florida on Saturday afternoon, June 24, at 3:30 in the afternoon.

Mrs. Derbata A. Lanier and Mrs. Maryanne D. Reddick completed their Masters Degree requirements at the University of South Florida, Tampa, and received their diplomas during commencement exercises at Tampa's Curtis Hixon Convention Center on Sunday, June 11.

Florida, taking in Cocoa and Daytona Beach, and also Disney World in Orlando.

After their wedding trip, the bridal couple will reside at 704 Lakeview Drive, N. E. in Sebring.

Out-Of-Town-Guests
Out of town guests included: Miss Jalinda Davis, and Jane Ellen Davis, Jacksonville; Mrs. Alma Poff, Lakeland; Mr. and Mrs. R. P. Glatz and daughters, Kathy, Kristy and Karol Ann, Stone Mountain, Ga.; and Mr. and Mrs. B. H. Neal of Bunker Hill, Ill.

Rehearsal Party
The wedding party of Jan DeShong and Ron Boatwright gathered June 8 at the home of the bride, 213 Stenewahnee, Sebring, for pre-wedding plans and rehearsal for wedding held on June 9 at the Church of Christ.

The bride's colors of pink and white were used throughout in decorations. The table was decorated with white wedding bells and small figurines depicting the wedding party. The bride-elect presented her attendants with gifts.

Hoping to see were Wayne Thomas, sister of the bride and the bride's cousins from Jacksonville, Jalinda and Jane Ellen Davis.

Jill Neel Honored With Gadget Shower

On Friday evening, June 16, Miss Jill Neel, bride-elect of Glenn Mimbs was honored with a gadget shower at the Florida Power Lounge.

Upon arriving, the bride-elect was presented with a lovely corsage of flowers in colors corresponding with the theme to be used in wedding.

Several games were enjoyed by Jill and Glenn and their guests, before they opened their gifts. The gift table was covered with a white cutwork cloth, with a floral arrangement of large colorful paper flowers.

Honored guests at this couples party for Jill and Glenn were their mothers, Mrs. Nelson Neel of Sebring and Mrs. Evelyn Carlisle, Avon Park.

The guests were served punch with cheese and chocolate fondue by the hostesses, Miss Laura Camp, Betty Akers and Merce Henry.

Miss Barbara Flowers Feted With Showers

The Florida Power Lounge was the scene of a kitchen shower honoring Barbara Flowers on Tuesday, June 13. Many friends shared this happy occasion with Barbara, as she opened her practical gifts.

Icy punch made of crushed pineapple and lemonade was served from a crystal punch bowl surrounded by fern with yellow arrangements. The homemade white cake was frosted with pale yellow icing and trimmed with white flowers. The refreshment table was overlaid with lavender net, and the cake table was overlaid with yellow net. Two quick kitchen games were played and prizes were won by Gini Beth Henderson and Barbara Dressel.

Hostesses for this lovely shower were Julie Kangeter and Sherri Ellerbe, their gift to Barbara was an electric bun warmer.

A lingerie shower given for Barbara Flowers was held on Wednesday, June 14, at the Women's Club building.

Many friends watch with delight as Barbara opened the beautiful variety of gifts. Prizes for one game were won by Pam Dellelo and the groom's mother, Sarah Walker.

Refreshments of punch and cake squares decorated with lavender and yellow flowers were served to the guests.

Hostesses for this party were Linda Todd and Deborah Crumby. Their gift to Barbara was a beige short nylon nightgown and robe trimmed with wide beige lace.

A bridal supper honoring Barbara Flowers and her bridesmaids was given on

Patricia Ann Dowling Receives Degree From Rollins College

The B.A. degree in Art was conferred upon Patricia Ann Dowling, daughter of Mr. and Mrs. Hugh Dowling, by Rollins College, Winter Park, Florida, May 28 in the Enyart Alumni Field House. Commencement speaker for the class of 1972 was Dr. Roger W. Heyns, President of the American Council on Education.

At Rollins, Pat was a member of Gamma Phi Beta Society.

Trail Ride Planned By Coach Franza

Four big "specials" have been scheduled by the Avon Park High School division of the school summer enrichment program according to Mr. Leon Garner. On Wednesday, June 28, a trip to Vero Beach for all students in grades seven through twelve is set. There will also be trips to Vero Beach on July 12 and July 19. Boys and girls interested in going should sign up at the high school gym before the day of the trip.

Then on Thursday, June 29, and Friday, June 30, all boys and girls with horses are invited to take part in an over-night trail ride. Those participating will need a horse, lunch for the first day, \$3.00 for food for other meals, and sleeping equipment. If interested students should contact Coach Joe Franza or Mary Linda Derkman or Candis Jahna no later than Tuesday, June 27. Money must be turned in by Tuesday so food may be purchased. Details of the ride will be given when students sign up.

The high school gym is open each week-day from 8:30 till noon and from 1:00 to 4:00 p.m. and on Monday Thursday nights from 7:00 until 9:30 p.m. for basketball, ping pong, weight lifting, and other activities. If students are interested in tennis or golf they may contact Coach Franza or Hill at the high school gym.

The summer band program is underway under the direction of Mr. Vic McKunas and details may be obtained from him as to practice sessions.

The summer swimming program will start on July 9 at Lake Lotela Beach. If the beach there is still not useable, further plans will be available at that beach. Schedule for swimming instruction is as follows: 8:30 to 9:30 a.m. - six and seven year olds; 9:30 to 10:30 a.m. - eight and nine year olds; 10:30 to noon - age 10 and up; 1:00 to 3:00 p.m. - junior lifesaving and boyscout life-saving and swimming; and 3:00 to 4:30 p.m. - senior lifesaving.

TRIPLE LINK MEETS

MONDAY

Mrs. Ronald Craig Boatwright

Jan DeShong-Ronald Boatwright Wed In Church Of Christ

On Friday, June 9, at 8 p.m., Miss Janell Coleen DeShong and Ronald Craig Boatwright were united in marriage at the Church of Christ in Sebring.

The bride is the daughter of Mrs. Marcus Piety of Sebring and the bridegroom is the son of Mrs. Doris Boatwright and Mr. Boyd Boatwright of Paintsville, Ky.

Pastor Frank Parker read their marriage vows before the altar accented with palms, greenery and baskets of gladioli and chrysanthemums. The candles were lit by Jan DeShong, brother of the bride from Ft. Myers, and Steve Seims of Avon Park. Guests were seated while the Welch Singers and Company provided wedding songs.

The lovely bride given in marriage by her step-father, Marcus Piety, wore a traditional gown of white broadened satin with ruffles and lace outlining the bodice, neckline, wrists and repeated at the hemline. A self-bow was attached at the back of the empire waistline. Her three-tiered veil of silk illusion was held by a dot bow. She carried a bridal bouquet of white daisies and stephanotis.

Maid of honor was Linda Tubbs of Sebring. She wore a gown of pink similar to the bride's with self ruffles at the neckline, wrists and hem. She wore a shoulder-length matching headpiece of tulle, with matching bow at the crown, and carried one long-stem pale pink rose with pink ribbon streamers.

Bridesmaid was Becky Burch of Sebring, who wore an orchid gown designed along the same lines as the bride, with self

ruffles at the waist, neckline and hem. She wore a matching headpiece of tulle, held in place with a bow, and carried one long-stem rose, with ribbon streamers.

Best man was Bruce Hunt of Sebring. Attendants were Jay DeShong and Steve Seims. Mrs. Piety, chose for her daughter's wedding a blue brocade A-line dress with white accessories. She wore a pink carnation corsage.

Mrs. Sandra Greenway, sister of the bride of Avon Park, was director for the wedding.

Reception
Immediately following the wedding, Mr. and Mrs. Piety entertained at a reception at their home, 213 Stenewahnee, Sebring. The rooms were decorated with wedding bells and flowers in the bride's chosen colors of pink and white.

The focal point was the beautiful three-tiered wedding cake with square base accented with white wedding bells and pink and white roses. Topping the cake was a miniature bride and bridegroom beneath a trellis with lighted wedding bell over their heads.

Assisting with serving were: Gaylin Thomas, sister of the bride; Laurinda De Shong, sister-in-law of the bride and the bride's book was Lynne Greenway. Passing out pink and white rice balls to the guests was little Jackie DeShong, niece of the bride from Ft. Myers.

Mr. and Mrs. Frank Alley returned home Friday afternoon from a three days trip to Miami where they visited Mr. and Mrs. Dan Boedeker and Mr. and Mrs. John Kennedy.

Mr. and Mrs. Wesley Starkey from Belleair Bluff near Largo arrived Tuesday to spend several days with Mr. and Mrs. Charles Keys.

Thirty-seven members attended the pot luck dinner at the club house last week. Hostesses for the dinner were Mrs. Harry Taylor, Mrs. Wayne Welker and Mrs. Charles Keys.

Mr. and Mrs. Edwin Guenzel were visitors in Winter Haven last Thursday.

Mr. and Mrs. Archie Leigh returned home on Friday from a seventeen days trip to Pennsylvania, Maryland and Virginia where they visited friends and relatives.

Mrs. Albert Ritchie visited her daughter, Mrs. Robert Clark in enough to get Maude on the plane and she was on her way to Detroit where Mr. and Mrs. Leonard Tolle was to meet her and take her home with them to Port Alma, Ontario, Canada.

Following her stay there, she will visit her sister, Mrs. Edith Hannig and daughter, LaVerne Bremen at 227 Roberta Lane, Chicago Heights, Illinois. While there she will also see her cousins, Dr. Alfred and Miss Bessie Anderson. Maude plans to go to visit her many friends in Indiana during this summer vacation with a tentative return date in October.

Sunday afternoon, Mrs. Maude Niekrich was driven to Tampa International Airport by Mr. and Mrs. Thomas Reynolds of Avon Park, who said the torrential rains and wind that they experienced were the worst they had ever seen. However, the rain stopped soon.

Talley Will Seek Senate Seat

WALTER R. TALLEY, member of the Law Firm of Talley, Matthews & Mulock of the City and Public Defender of the Twelfth Judicial Circuit, today announced his candidacy for the Florida State Senate District 24, the seat now held by Senator Wilbur Boyd of Palmetto. Senatorial District 24 encompasses Manatee, DeSoto, Hardee, Highlands, Glades and Okechobee Counties.

Talley, a Manatee County attorney for the past 19 years served as Manatee County Prosecutor from 1956 to 1960. In July of 1963 Talley was appointed by former Governor Farris Bryant to the position of Public Defender of the Twelfth Judicial Circuit and was re-elected to that post in the years 1964 and 1968. Talley has served as Judge of the City Court for the cities of Anna Maria, Bradenton Beach and Holmes Beach and has also served as City Attorney for both Anna

Maria and Bradenton Beach. Talley is a former Chairman of the Manatee County Democratic Executive Committee and has served as President of the Manatee County Bar Association and is an active member of the Florida and American Trial Lawyers Association. He has been active in local and state civic and professional affairs and as a Director of the Manatee County Boys Club and as a Director of the Bradenton Kiwanis Club. He is Past President of the State Public Defenders Association and has served on the State Judicial Administration Commission. Talley was recently honored by Governor Askey by being appointed a member of the Governor's Council on Criminal Justice. He is also a member of the Manatee County Chamber of Commerce and Hernando DeSoto Historical Society, having portrayed Hernando deSoto in 1958 and served on the Board and as President of that organization in 1960. He is presently President of the Past DeSoto organization.

Talley graduated from local schools, gained his undergraduate degree at the University of North Carolina and a Doctor of Jurisprudence degree from the University of Florida, College of Law. Talley spent four years in the United States Marine Corps in World War II in the Marine Infantry and was also recalled to active duty during the Korean Conflict, being discharged with the rank of Major.

The Candidate stated, "that is my intention when elected to go to Tallahassee with the aim in mind of representing all of the people of this senatorial district and to make certain that the people of this district receive their fair share of State monies and projects." He also said, "the other two gentlemen who are announced candidates for this office are fine young men and able lawyers and I have nothing personal against them. I merely seek to represent the people of this district as their Senator."

Talley is a lifetime resident of Manatee County and is the son of Ruth Talley, a retired teacher of the Manatee County School System. He and his family are members of Christ Episcopal Church and reside at 810 47th St. West, Bradenton.

Mrs. Paul J. Calvert spent several days in week in St. Petersburg.

Miss Linda Ann Whaley

Linda Whaley-Gordon Couture Announces Their Engagement

Mr. and Mrs. C. E. Whaley of River Ridge Ranches, Avon Park, announce the engagement of their daughter, Linda Ann to Gordon Eugene Gordon, Jr., son of Mr. and Mrs. Gordon Eugene Gordon of Lake Wales, Fla. Linda is a 1970 graduate of Naples High School, Naples, Florida, and is employed at McCarty's Dept. Store in Lake Wales.

Couple Entertains

Mr. and Mrs. Claude T. Spiker entertained their son, Mike Spiker and his fiancée, Sandy Weaver and their wedding party at a dinner on Thursday evening, June 8, held at the House of Bamboo on Highway 27. The 24 guests attending were served punch from a table covered with white lace, with two candelabras accenting the punch bowl. An arrangement of lace fern and roses adorned the table. Dinner was served by candlelight, with one rose in a bud vase centering each table. Dinner music accompanied the lovely affair, with the guests having a choice of a delicious menu.

Agents Attend Conference

Four agents of Lakeland, Florida District of Life and Casualty Insurance Company of Tennessee attended a Regional Leaders' Conference June 11-13 in St. Petersburg, Florida. Agents W. M. Bowen, Jr., Dade City; C. W. Browder, Wauchula; L. D. Money, Avon Park; and M. D. Sampson, Lakeland, were honored for their service to policyowners and sales accomplishments during the past year.

One way you can tell the difference between an apothecary's shop and a drug store is in the markup on the toothpaste.

Mrs. Susan Hickman

Susan Hickman Seeks 10th District Seat

Susan Hickman, who has recently announced her candidacy for the newly-established 10th Congressional District, is a resident of Fort Pierce, a housewife and mother who has been active in politics in Florida and before that, in Virginia. She is President of the Community Action Organization, the Library Board, and a credit union. As Secretary of the Drug Abuse Board, she has been instrumental in obtaining government funds to carry on this work. She was also President of the League of Women Voters before resigning to run for Congress.

In Mrs. Hickman's opinion, there are five issues with which the voters feel intensely concerned: The war, the economy, taxes, busing, and the credibility of our government, the labor leaders, and the politicians of both parties, and even the news media. "The people feel betrayed," says Mrs. Hickman; "1972 is certainly the winter of the American voter's discontent."

THE WAR: American influence in the Far East is nonexistent. Asia cannot be changed by guns and armaments. The French told us that when they were forced out of Indochina and we should have listened.

THE ECONOMY: A very substantial number of the people of Florida are attempting to live on fixed incomes. Inflation is an economic cancer which has become extremely painful and even critical. Absolutely rigid and complete controls are necessary.

TAXES: There is a need for tax reforms. But I believe the voters would have to make substantial changes in both House of Congress to affect much change against the entrenched positions.

BUSING: I believe most parents, both black and white, do not want their children bused. This country is supposed to be run by majority rule. If the majority of the people in this country do not want their children bused, well then, that's that.

CRIME: There is little known, but a desperate need for prison reform. Criminal skills are taught in prison, violent homosexual crimes are a common occurrence, criminal tendencies strengthened, the use of drugs and their traffic is taught and encouraged. I would advocate a penal system where first offenders are placed in an entirely separate institution.

PICTURED ABOVE is the famous Avon Park High School Grenadier Band as it was being honored and lauded for appearance in a Patriotic Salute on Channel 3. The band can be seen and heard on Friday, June 30 at 7:30 p.m. and on Sunday, July 1, at 5:30 p.m. Mrs. Ann McKunas and Mr. John Wright will be the guest soloists, with the band. Photo by Sharpe.

Land Bank Can Make Loans On Credit

The provisions of the Farm Credit Act of 1971 have now been implemented in Florida following final approval of regulations by the Federal Farm Credit Board. An announcement was made in Wauchula today by Charles L. Shackelford, Executive Vice President and Manager of the Federal Land Bank Association of Wauchula. The Association is a member of the Farm Credit Service family which currently provides nearly \$2,000,000,000 in agricultural credit in Florida, and the three neighboring states.

Mr. Shackelford pointed out that flexibility is provided for the Land Bank Association to make loans now based on credit factors, instead of solely on appraised value of land. While the law permits loans of larger percentages, the maximum loan will be a credit decision based upon the amount which can be repaid.

Now, rural residence loans can be made to non-farmers up to 30 years. These must be for moderately priced, single family homes in rural areas and areas of towns of less than 2,500 population.

Loans can also be made to farm-related businesses for on-the-farm services directly related to the on-farm operating needs of the farmer, including custom operators.

Also, financially-related services such as credit life insurance and electronic farm record keeping can be offered borrowers.

Strange Receives Award

Donald C. Strange, son of Mr. and Mrs. John Jeremiah Strange, recipient of a gold cup awarded him by the Florida A & M University Chapter of Alpha Kappa Mu. Honor Society. The cup was awarded to Donald for maintaining a better than 3.0 average for two straight quarters. Donald was a "69" graduate of Avon Park High School and received an Associate in Arts degree from South Florida Junior College in "71". Donald is majoring in Business Administration.

APCI Nursery "How We Grow Them"

by Jim Kiser, inmate

This has been a month of flowers for the Nursery. We have had blossoms for some time, but it seems that everything decided to double on production. Gallardias are stunning. As fast as I pick, they renew themselves. The forte of the marigold seems to be quantity with quality. I had purposely withheld fondling, but to one of our large Gardenia Jasminoides "Fortunata" to make a test comparison with those I did feed. It produced about two-thirds of the foliage and about one-half of the blossoms as did those that were fed. The only sad note to all of these flowers is how limited we are with their use. Men learn by doing, and there is little inspiration when having to place cut flowers in a tin can. If any of you have an old vase that seems useless to you, it would be received here at the Nursery with much gratitude.

CHENILLE PLANT: Acalypha hispida is magic to see and presents a showy array of red-hot cat tails cascading to a length of 18 inches. I have heard of this plant being grown in our area, but I imagine that it must have been with a mild winter. They can take our summer with proper watering. This plant reaches an average height of 3 1/2 feet, has mint green leaves, and the crimson bracts are an absolute knockout. I have two of these in our greenhouse and a third under propagation. I am getting ready to plant one of these in a well protected area outside to get the full growing results in our area. I do recommend your trying one of these as a pot specimen that can be brought in during the winter when they have a semi-dormant period.

CROWN OF THORNS: Euphorbia Splendens is a native of Madagascar and is quite simple to grow. You can find these plants in large white containers in the downtown park in Sebring, an example of how these easy-to-care-for plants can be used. Another arrangement that is very attractive and will show off their vivid color is to plant them in a mass-in a large circle, square, or rectangle. Grouped in this manner, they will add a bright spot to your landscape that will require almost no care. We have them growing in full sun and in the shade, both with success. You can increase your number of plants by removing a 1-inch or

1-inch tip and inserting it into the ground. They take (thorns) but there is no need to get near them—just look and enjoy. SWORD FERN: Nephrolepis exaltata is a native from Florida to Brazil. This is the time of year when they are starting to look their best in our gardens. It is also the perfect time to divide a few sections for pot specimens for the winter. They do very well as a house-plant and with three or four pots on hand you can rotate them for constant winter pleasure. The roots must fill out the pot and this will take a couple of months, then they are ready for use in indoors. I use a soil mix that is 50 per cent peat moss; and it is the same mix that I use on my African violets and Begonias. They also make a lovely hanging basket that can be enjoyed outside all year around. If in a basket, keep in a protected area with half-day sun.

Enjoy your air conditioning but use it wisely

Here are some helpful hints for economical operation of your air conditioning this summer.

They'll save you money!

- TEMPERATURE SETTING: Don't use more electricity than necessary by setting the thermostat too low. For the most economical operation, set the thermostat for the highest comfortable temperature - usually around 78°.
- FAN SETTING: Operate for your individual comfort. "Auto" gives better humidity control and economy. "On" gives more uniform air motion, sound level and temperature.
- AWAY FROM HOME: Set unit at 5° to 10° above normal setting with fan on "Auto" for mild protection and quick comfort when you return.
- FILTERS: Replace frequently. Clogged filters make unit work harder.
- OUTDOOR SETTING: Keep clear of plants and obstructions - anything that interferes with air flow increases operating costs.
- RETURN AIR GRILL: Don't block air flow with furniture or drapes - anything that interferes with delivery or return of air will not allow unit to cool properly.
- WINDOWS AND DOORS: Shut out heat from the sun with drapes or outside shading.
- INSULATION: Adequate insulation and proper attic ventilation will result in lower operating costs.

FOR ECONOMY, SET YOUR AIR CONDITIONING THERMOSTAT AT THE HIGHEST COMFORTABLE TEMPERATURE FOR YOU.

THERMOSTAT SETTINGS	NORMAL SETTING	YOU USE
78°	At 78°	8% more
77°	At 77°	18% more
76°	At 76°	28% more
75°	At 75°	38% more
74°	At 74°	50% more
73°	At 73°	63% more
72°	At 72°	80% more

RESIDENTIAL CUSTOMERS... have you joined our equal payment plan?

Now you can eliminate the inconvenience of seasonal electric bills... pay the same amount each month, summer and winter. At the end of twelve months, any difference will be figured into your payments for the following year. Just contact our office to find out what your monthly payments would be.

NOTICE OF PROPOSED ORDINANCE

Notice is hereby given that the City Council of the City of Avon Park has proposed an Ordinance amending Chapter 12 of the City of Avon Park Code of Ordinances concerning the issuance of occupational licenses. This proposed ordinance was placed on first reading at the meeting of June 12, 1972. Its intention is to amend the city ordinance to comply with State of Florida regulations. All fees will be the same as present city ordinance schedule, copies of which are posted for public inspection at the City Hall and Police Station. Said schedule is the same as was in effect October 1, 1971. A public hearing will be held at the regular meeting of the City Council on July 10, 1972 on the proposed ordinance. At that time all interested citizens will be heard who desire to speak for or against said ordinance.

Avon Park Grange Report

by LaVerne M. Fullmer
Avon Park Grange met Tuesday, June 13 with Master Louise Clarke in the chair. The Charter was draped for Zeno Warner, Chester Seeger was elected Gatekeeper and installed by Harriet Higgs.
The lecturer, LaVerne M. Fullmer, is selling home-made bread to raise money for the Student Loan Fund.
Edith Martensen of the Home Economics Committee requested all entries for the National Grange Needlework Contest to be turned in to her soon for judging.
The Chaplain, Gertrude Slocum, had charge of the Memorial Service. The remainder of the program was presented by the lecturer. The Hobby of Clarence Higgs is wood-working. He made a beautiful Cross to be used in special Grange services. Lloyd Slocum and Chester Seeger think story-telling is their hobby, so each told a story. A skit about over-exposure to the sun was given by LaVerne Fullmer, Mary Haviland, Harriet Higgs, Louise Clarke and Chester Seeger. Two definitions were read by Lillian Seeger. How to judge the velocity of the wind was explained by Alfred Haviland.

Louise Clarke read a child's version of "old style" Memorial Services. The Safety number was Please Leave the Burndest things in unlocked cars. In part—"The unlocked cars outnumber the locked ones two-to-one." "There is nothing we can do about it," detectives say, "our hands are tied. Unless we catch someone in the act, or find merchandise in their cars or on them, then we cannot catch them." The game was Comical Quiz Questions. Thought for the day—"When a young man marries, he loses his Bachelor Degree without gaining his Masters."

During the social hour, refreshments were served by Harriet and Clarence Higgs. The next meeting will be held in the Men's Bible Class Room of the First United Methodist Church on June 27 at 8 P.M.

Social Security Questions And Answers

Q. Could I reapply for disability payments if I should become disabled a second time?
A. Yes, if you become disabled within five years after your benefits were stopped because you recovered or returned to work, your payments can begin with the first full month you are disabled. You would not have a six month waiting period. If you become disabled after five years, the six month waiting period then applies.

Q. I have just come to the United States. I am 66 years old and do not draw social security. Can I qualify for the Medicare Insurance?
A. No, if you do not receive monthly social security benefits, you must have been admitted to the United States as a permanent resident and must have resided here for five continuous years before you can become eligible for Medicare.

Q. Recently I had a stroke. I was not hospitalized. My doctor says I need physical therapy and has arranged for the Visiting Nurses Association to give me this therapy. Will Medicare pay for these visits?
A. Yes, if you are enrolled in Part B of the program (supplemental medical insurance). Home Health visits are covered under Part B without prior hospitalization.

Q. I recently had an operation. My doctor tells me I can change the surgical dressings myself. Will Medicare pay for this?
A. If the surgical dressings are obtained on a physician's order from a supplier (usually a drug store), the purchase is covered. Dressings for purposes other than surgery are not covered.

Q. During the last year I had only \$45 in doctor's bills. Can I receive any reimbursement on this amount?

A. No, your medical expenses must total over \$50 in a year before any reimbursement can be made. However, persons who do not incur \$50 in expenses prior to October 1 of any year should save all bills incurred between October 1 and December 31. These expenses can apply toward the following year's \$50 deductible.

Q. My mother had a heart attack. Her doctor requested she be brought immediately to his office as he could treat her there. She was taken by ambulance to the doctor's office. Medicare did not pay the ambulance bill. Is this correct?

A. Yes, regulations provide that an individual must be transported to the nearest hospital with appropriate facilities. Therefore, transportation to a doctor's office is not covered under the program.

Q. Recently I was hospitalized. The hospital charged me for two pints of blood I received; is this correct?

A. Yes, Medicare does not pay for the first three pints of blood furnished a patient. The patient must either pay for this blood or arrange replacement.

Q. My doctor accepts his payment direct from Medicare. Recently, Medicare denied part of the claim. Can he bill me for the portion Medicare did not pay?

A. No, when a physician accepts payment direct from the Medicare carrier, he has agreed to accept the charge allowed as his full charge. He may bill you for the \$50 deductible or the 20 percent coinsurance; he may not bill you for the dis-allowed charges.

Local Man Receives Dental Degree

An Avon Park man received the Doctor of Dental Surgery degree from Loma Linda University on Sunday, June 11, according to Dr. Jackson Klooster, dean of the School of Dentistry.

Paul Lee Richardson son of Mr. and Mrs. Paul Richardson was one of 49 School of Dentistry seniors who participated in the university's commencement ceremonies on the university mall.

More than 650 baccalaureate and advanced degrees were conferred by the university. The graduates completed programs in health sciences such as medicine, nursing, dental hygiene, physical therapy, and other paramedical fields, as well as a variety of academic fields at the baccalaureate and graduate level.

It's A Woman's World

It's that time again, vacation time that is. Here are some tips for you to check before you leave on that trip.

Notify the post office to hold or forward your mail until you return, or have a neighbor collect it for you.

Discontinue milk and newspaper delivery.

Arrange for garden, lawn, and pet care.

Get automatic switches to turn indoor and outdoor lights on and off at night so your house will look occupied. Don't pull shades all the way down. This indicates an empty house.

Make arrangements for all utilities. If you will be out of town when your electric bill comes due, call your local office and make the necessary arrangements for your account

to eliminate any inconvenience. If you are billed on the Equal Payment Plan you know how much your bill will be—just drop your payment in the mail.

Leave a key (as well as your destination address and telephone number) with a neighbor—a good idea in case of emergency or if, in spite of this list, you have forgotten something.

Leaving your air conditioner running will help protect your home and furnishings against moisture damage and mildew. Set the thermostat five to ten degrees above your normal summer setting with the fan on "auto".

Hope you have a good trip. Remember, It's A Woman's World!

Shirley Gossick, Evelyn Metcalfe and Evelyn Jones - The Serenaders

They're The Serenaders

Avon Park has a Professional Women's Trio, called The Serenaders, which have been making musical notes all around. Comprised of Shirley Gossick, Evelyn Metcalfe, and Evelyn Jones with Don Meiser as Accompanist.

The Serenaders originated in Avon Park, in October 1971, due to the interest of the group, for entertaining, performing and continuing the musicianship of the professional group, who are the present members. The Serenaders have a varied program of music from Bach to Bacharach, which will be capable of pleasing all audiences both young and old. There are solos, duets, trios and even piano solos available for programs.

These programs are available for conventions, banquets, school programs, concerts or whatever the need may be, anywhere in or out of the state of Florida.

Evelyn Jones (Mrs. Donald F. Jones) Originator of the group and director, is a professional soloist, voice teacher and choral director, having received her BM Degree at Stetson University School of Music and further study at Tulane University of New Orleans, Louisiana. She has done extensive professional solo work

in Oratorio, concerts, guest soloist with several Symphony Orchestras, Musical Comedy, TV, Radio, Church Choirs, as director and soloist, and small ensembles, most of which have been her own groups for entertaining.

Evelyn Metcalfe (Mrs. Charles Metcalfe, Jr.) received her BM Degree at Salem College and her MM Degree at Boston University in piano. She has directed children's choirs in North Carolina and was Music Instructor at Highlands Girls School for 5 years in Avon Park. She has taught private piano for the past 7 years and has done solo and small ensemble work through her college years, as well as church choir work.

Mrs. Metcalfe is an excellent pianist and has done extensive performing as such.

Shirley Gossick (Mrs. Don Gossick) has done work in small ensembles through out Illinois and especially programming with the Sweet Adelines for 6 years. She was featured in a quartet called the "Melody Mrs.", which performed 350 programs during this time.

Mr. Don Meiser, Accompanist, is a piano teacher in Sebring, as well as a choir director at the First United

Methodist Church, Sebring. He received his BA Degree and MFA Degree from Carnegie Mellon University in Pittsburgh, Pa. He has had many years of Professional experience in Pennsylvania and Florida.

This varied musical group has been singing several programs a month in this area, as well as out of town. These programs are available by contacting Mrs. Evelyn Jones, Route 1, Box 571, Avon Park, Fla., or telephoning, (813) 453-5481.

Cancer Facts You Should Know

There will be about 1,000,000 people under medical care for cancer in the U.S. in 1972. This is roughly how many people live in Pinellas and Hillsborough Counties! 345,000 people will die in the U.S. of cancer in 1972. This is roughly the population of Orange County.

59,000 Americans will die needlessly of cancer in 1972. This is more people than live in Highlands, Hardee and DeSoto. 13,900 Floridians will die of cancer in 1972. This is 38 people a day and over 1 an hour that are dying right here in Florida of this dread disease.

65 people will die of cancer in Highlands County in 1972, and 11 will die needlessly! Four times as many people die annually in Florida of cancer as die in automobile accidents.

Half the people dying of cancer in Florida and the U.S. are over 65 years of age. One out of 6 deaths in the U.S.A. is cancer.

Cancer strikes one out of every four people in their lifetime.

Cancer strikes two out of three families in their lifetime. Cancer kills more children under 15 years of age than any other disease.

If you develop cancer, the chances of your living are one out of two, if you find it early. But if you wait and think it will go away, your chances are one

out of three. Two out of every three cancer patients will die this year, but one out of two should live if the patient heeds the 7 warning signals of cancer as published by the American Cancer Society

and goes to the doctor in time. \$225,000,000 has been spent on cancer research by the American Cancer Society since 1945. \$565,000 was spent on cancer research in Florida in 1971.

Local Residents Cite Council For Loss Of Personal Property

The city council was cited as responsible for the loss of personal property by Kathryn Mercer of Avon Park at its regular meeting held Monday night at City Hall.

The city gave Mercer advanced warning of demolition of her garage apartment because of numerous complaints from her neighbors. According to the city, the structure was condemned last October and Mercer was given the opportunity of cleaning up the property. However she did not comply with the city, so bids were taken for its destruction as well as the Council property.

Mercer stated she did not object to the contractors tearing down the garage apartment, but the contractors apparently, according to Mercer, took a dryer, sewing machine, dish washer, tope up her concrete, and burst some water pipes.

"I think the city brought them in, and they should contact them," stated Mercer, concerning the possibility of regaining her personal property.

"I don't think this board, or any other board is trying to impose a hardship on you," stated Council president J. R. Duggan. "There was various complaints from the neighbors, and as a representative body we had to do something," he concluded.

Mercer then stated she had contacted an attorney in Bartow and he felt she could regain her property, if necessary, through legal means.

Councilman Durrah Martin made a motion, which was seconded by Councilman Milton Howard, to have the city attorney contact the Shell Wrecking Company, who were the contractors for the job, about the personal property supposedly removed from Mercer's property. The motion passed unanimously.

Cornell stated she would have been happy to give the city the old U.S.O. building for them to make a recreation place for the blacks, but the building was in no condition for occupancy.

The council decided they were "technically and legally" unable to reduce the price.

In other actions taken by the city council at their meeting Monday night, they decided to have the city police department compile another list of junk cars. The previous list of 44 cars has been seen to, with four warrants pending owners of automobiles that are eyesores.

Mrs. DeCoursey and others from the Golden Age Villas appeared before the city fathers

and requested a street light be erected between the first and second rows of apartments on North Desoto Avenue. The request was carried unanimously by the council.

The city council decided to table a motion to purchase a mosquito fogger. After much debate over a system, the council decided to put it off for a little longer. Duggan was the only one against waiting to purchase it.

City Clerk Crews and Councilman Martin inspected the new spraying machine and found it to be very acceptable. The apparatus puts out a very fine mist that can be seen or felt. The spray is put with the

wind, and can kill insects two miles away. Disney World uses this type of machine, and reports it to be wonderful. Duggan apparently feels that the city should not put off the inevitable. For the past few years the city has not had to spray because of the great job the federal government did, but some complaints of mosquitoes are beginning to come in.

Bids were opened to begin work on the Army building, the site of Avon Park's coming recreation hall. C & M Roofing submitted the lowest bid of \$270 which includes repairing the gutters, railings and re-roof the entire structure.

A request was submitted by Leon Garner to hold school swimming programs again this year at Lake Verona. The city stated the beach is closed and you simply "swim at your own risk."

A new sick leave program was proposed by the Civil Service Board and was discussed thoroughly by the council. It seemed to go over quite well, but the city clerk was instructed to get copies of other cities programs on this matter and compare.

Finally, Councilman Hermion Sizemore reported a case of an attempted shooting where the person whose house it occurred in called the police and were informed they would need a warrant before any actions could be taken by the police. This was referred to the Mayor for investigation, who said the caller was misinformed by the police dispatcher.

Owners Can Improve Streets At Own Expense

The Board of County Commissioners passed Ordinance No. 72-2 on June 27 making it possible for property owners to have their unimproved streets paved at their own expense over the opposition of their neighboring property owners.

The ordinance, prepared by County Attorney Bob Dunty and County Engineer Gordon Hays, provides that 75 percent of the lot owners on a street, representing at least 75 percent of the front footage of such lots, can petition the County Commissioners and force any unwilling property owners to pay their proportionate share of the paving project cost.

Under terms of the ordinance, the property owners would pay for the work involved in paving their streets. They could pay their share upon completion of the paving project or could pay in three equal payments spread over a three year period.

The county tax collector would bill lot owners the amount assessed and could enforce payment by foreclosure action in a manner similar to that used to recoup unpaid taxes.

There was no public opposition to the ordinance. In other actions, the Commissioners:

In other actions, the Commissioners: Disclaimed any interest by the county in a park located in Pine Crest Lakes subdivision. Directed the County Engineer to inspect the intersection of DeSoto Road and Landsford Road and erect

appropriate traffic control signs.

Adopted a resolution that would provide an incentive program for Sheriff's deputies by paying salary increases for law enforcement training completed. Payments under the plan would amount to about \$6000 during the next year.

However, revenue sharing legislation passed during the last meeting of the State Legislature in Tallahassee, permits the county to obtain \$175,000 in return for their approving the police incentive plan.

Possibility was seen here this week that millage for schools in Highlands county might go up in the wake of a state auditor's report.

The report stated that property in Highlands county is assessed at 87 per cent instead of 100 per cent of valuation, and counties not at 100 per cent are penalized by cuts in state funds they receive.

Superintendent of Schools George Douglass said he is preparing a budget now to be presented tonight (Thursday) at the Highlands County school board meeting.

Board chairman Henry Bailey said, however, he is hopeful of keeping the millage down because of the overall increase in the county tax rolls, caused by new properties going on the rolls. There has been considerable building and development in the county the past year.

"We hope to hold the line," Bailey said. "We will have to take a long hard look at this thing before we can act."

Douglass pointed out that the general trend in legislative thinking indicates that counties will lose minimum foundation funds if the assessment for schools is not at the 100 per cent ceiling. Last year in Highlands county the assessment was 7.7 mills.

This county last year received in excess of \$2,000,000 in state minimum foundation funds. Under the new funding

formula, this county would have to provide tax monies of about \$500,000. Last year the county provided \$193,000. Douglass said that under the new formula, Highlands county will receive more money from the state but the county millage will have to provide an added \$500,000. The increase, he said, probably will be necessary to carry on the same program in the schools as last year.

In addition, he pointed out, school costs go up each year with the salary schedule alone, which he estimated at about \$50,000. Most teachers get an automatic \$100 per year increase in pay.

If the millage is not increased, the superintendent said, services would have to be reduced. Douglass pointed out that the school board had the county been at 100 per cent of valuation the schools here would have received \$180,000 more in general operating funds this coming year.

He said the school board at its meeting tonight "will look at the figures and from then prepare the annual budget for tentative approval on July 13 and schedule a public hearing for the proposed budget July 27."

Required millage to participate in the minimum foundation program last year was 4 1/2 mills. This was raised by the Legislature to six mills.

This has created a budget problem for the superintendent and the board," Douglass said.

Court Says County Must Re-District By July 20

"I don't think that the fact you (County Commission) failed to do it last year makes it unnecessary to do it at all. The fact is you should have redistricted in 1971. I don't think you can be excused from performing your duties."

Circuit Court Judge J. H. Willson made the above statement Thursday, June 22, and ruled Tuesday that the Highlands County Commissioners must have new district lines not later than July 20.

The ruling came as a result of a suit filed by attorney Joe Kinsey of Avon Park who challenged the Commission for failure to redistrict the county according to the provisions of the Florida Constitution.

Tuesday, a special committee presented a plan to the Commission for new boundary lines based on Judge Willson's ruling. The Commission approved the plan.

Members of the committee are: County Attorney Bob Dunty; Board Chairman Andrew Jackson; Administrative Assistant Charles Cullen; Supervisor of Elections Jimmy Whitehouse and Planning and Zoning Director Bill Stephenson.

Based on preliminary data compiled from a variety of sources, the Commission recognized the population of Highlands County to be 34,978 and changed the district lines to their present districts and also did not exclude announced Commission candidates from running against the incumbent commissioners.

Five residents have announced their intentions to seek the three commission posts which will be open this year. State law requires that candidates must reside in the district from which they are elected.

Prior to the ruling by Judge Willson, Dunty had contended that the Board had received no instructions from state and federal officials that the 1970 census had been official. He also argued that re-districting could only be done in odd-numbered years.

Dunty also contended that information available indicated "there had not been major shifts in the population of Highlands County. This re-districting would cost more than it's worth." Prior to the action by Judge Willson, Commission districts ranged in size from 4,382 registered voters to a low of 1,442 voters.

Kinsey maintained in his suit that the Commission's failure to act was "little more than an invitation to partisan gerrymandering and that the election would be void unless the Commission decided to change the lines in the county."

Earlier this year individual formula, this county would have to provide tax monies of about \$500,000. Last year the county provided \$193,000. Douglass said that under the new formula, Highlands county will receive more money from the state but the county millage will have to provide an added \$500,000. The increase, he said, probably will be necessary to carry on the same program in the schools as last year.

In addition, he pointed out, school costs go up each year with the salary schedule alone, which he estimated at about \$50,000. Most teachers get an automatic \$100 per year increase in pay.

If the millage is not increased, the superintendent said, services would have to be reduced. Douglass pointed out that the school board had the county been at 100 per cent of valuation the schools here would have received \$180,000 more in general operating funds this coming year.

He said the school board at its meeting tonight "will look at the figures and from then prepare the annual budget for tentative approval on July 13 and schedule a public hearing for the proposed budget July 27."

Required millage to participate in the minimum foundation program last year was 4 1/2 mills. This was raised by the Legislature to six mills.

This has created a budget problem for the superintendent and the board," Douglass said.

commissioners acknowledged that "they may have made a mistake," but would make no formal commitment on a possible date for implementation of a new plan.

During the court hearing last Thursday, Dunty told Judge Willson, "we acknowledge and admit that we failed to re-

district. We also feel that the constitution is specific on this question. But, we allege that it would be impossible to re-district this year. There has not been physically enough time for us to re-district intelligently."

Tuesday, five days later, the Commission received and approved the plan drawn by the

special committee on re-districting.

Charles Bryan Appointed District Manager By United Telephone

CHARLES L. BRYAN

GORDON SMITH

Charles L. Bryan has been appointed commercial manager for United Telephone's northern district, succeeding Gordon Smith who was named district plant manager on June 1. Smith replaced Gary Guttridge who led the company to return to family business interests in Indiana.

Bryan, formerly local manager of United's Wauchula office, will be responsible for business office operations in six cities as well as customer and public relations activity. A 21-year resident of Hardee county, he served on that county's School Board from 1967-70. He has been employed by the telephone company since 1955.

Smith was also the company's Wauchula manager prior to assuming the position of district commercial manager here in September of 1970. He joined the company in 1964. As district plant manager, he will be responsible for technical facilities in 10 locations including switching centers, wire and cable plant, and service operations.

United Telephone's northern district, with 270 employees, is comprised of Highlands Hardee, DeSoto and Okeechobee counties plus part of Polk and St. Lucie counties. The company serves some 35,000 telephones within the district.

Sanderford Elected To Academy

The American Academy of Medical Administrators have announced that Mr. Howard D. Sanderford, Assistant Administrator of Walker Memorial Hospital, Avon Park, has been elected as a member. This honor is conferred upon those whose special qualifications in medical administration merit such recognition.

The Academy is an international professional society whose aims of which are to encourage and foster a scientific approach to the practice of medical administration; provide a means of intercommunication; to promote, conduct, and foster educational courses in this specialty; establish and maintain a criterion of competency for those engaged in this profession; and to provide for recognition by means of fellowships, scholarships, and grants to those who are doing noteworthy service in this endeavor.

Mr. Sanderford has been employed by Walker Memorial Hospital for the past four years. Prior to coming to Walker Memorial Hospital he was employed by Rex Hospital, Raleigh, N.C., as an Administrative Assistant. Mr. Sanderford is married to Mrs. Marie Winders of Fremont, N.C. They have two sons, Richard and Ronnie.

July 4 Flag Tournament At Local Golf Course

The Avon Park Golf Association has announced its plans are complete for another Fourth of July Flag Tournament at Pine Crest, the City leased course. This a repeat annual event providing

separate competition for lady and men golfers. The days' play will be followed by a covered dish supper with the Association furnishing barbecued ribs \$3.00 per couple. All area golfers are invited and welcome to participate in all events of the day.

Be sure to make your reservations early with Pro Alex Ogilvie at the Pro Shop.

The Association also announced that its annual Junior Membership Championship will be held July 25 through 28, 1972.

Pro Ogilvie plans to place the youngsters in flights according to their abilities and ages. All Junior Members and children of regular members, who are under 18 years of age are eligible for the competition. Registration will close on July 21 at 9:30 a.m. at which time Pro Ogilvie will meet with all entrants for a review of tournament rules.

Because of the newly instituted 3-day week end holidays, there is some confusion. However, it should be remembered that Independence Day was not one of those which will be observed on a Monday, but will continue to be observed on July 4.

Your Post office will be opened for business as usual on Monday, July 3, and all routes will be serviced.

The Avon Park Little League Association will host the District Four "All Star" Tournament which includes the towns of Frostproof, Lake Wales, Zephyrhills, Pinecrest, two leagues from Plant City, Wauchula, Auburndale, Dade City, and Avon Park.

George Heatherly, president of the Little League Assoc., has announced that the "All Star" Tournament will begin July 17 and the championship game will be played on July 22 at 7:30 p.m. All these games will be played at our little league field.

The Avon Park Little League Association is now selling ads for the programs which will be given out during these games. The proceeds from these ads will be used for little league equipment and other expenses involved in having the tournament here.

The Avon Park Little League "All Star" team will be coached by Mr. Jim Sizemore who led the Bagwell Lumber Company Team to first place during the season.

Independence Day

This July 4th marks 196 years since the initial Independence Day of 1776 when our fore-fathers adopted the Declaration of Independence and launched the United States of America as a free and independent nation. This is not long in the history of nations. Yet, many of us seem already to have forgotten some of the basic tenets upon which our country is based.

We hear those who demand their rights without bothering to exercise responsibility and

ask for the fruits of labor without working and honor without perseverance and a willingness to stand on principle. It is time that a respectful salute to a passing U.S. Flag came back in style.

Let July 4, 1972, serve as a reminder to each of us that the ideals of freedom, liberty and justice, upon which this nation was founded, are not to be taken lightly. They remain now, as always, the pillars of our strength. But, they are only as strong as they are secure in our hearts.

City Gets Inquiries About Sewer Extension

Dear Mr. Carter:

Recent news stories about the extension of city sewer line on North Lake Avenue have caused inquiries from several citizens about the details of this improvement. I would like to answer the questions some may have through the medium of your newspaper.

As your readers know, the City of Avon Park has been working for several years on a program which would bring sewers to about 90 percent of the town. We have just been advised that our request for Federal Funds for planning has been granted effective July 1st. This involves a program of \$15,500 of which 23 of the cost will be paid by the Federal and State governments. It is a requirement of HUD before any grants can be made for sewer construction. Recent changes in the law will be most beneficial as the extent of the Federal and State participation will be increased considerably.

The particular area on North Lake Avenue where the city plans to extend the sewer line

was not included in the master plan. It was deemed to be too sparsely settled to justify the cost of building lines and installing the necessary pumping station.

It has been the policy for many years for the city to install sewer lines for short distances where the property owners to be served paid the cost of the materials with city furnishing the labor. Many short extensions have been made during the past years. The most recent example was on West Circle Street off North Central Avenue which was completed about 3 months ago.

The need for sewers on North Lake Avenue arose with the proposal of Avon Investment Company to build 100 condominium apartments in this area. The low bidder on this project was Lionel LaGrone of Lake Placid with a bid of \$15,300.40 including the pumping station. The city agreed to pay the difference between \$10,000.00 to be paid by Avon Investment and the low bid price, namely \$5,300.40. This is

to be paid in lieu of the city furnishing the labor for the project. The city is not equipped to install a pumping station.

With the construction of 100 apartments the city anticipates an annual revenue from this development amounting to \$15,500.00. These revenues would be derived from city taxes (\$81.00 per unit), water service (\$30.00 annually per unit), Sanitation service (\$24.00 per unit), sewer service (\$36.00 per unit), and utility taxes (\$18.00 per unit) for a total of \$189.00 per unit annually, less allowance for those apartment owners claiming homestead exemption. The proposal to extend this sewer service on North Lake Avenue was unanimously approved by city officials. It is in keeping with past policy on sewer extensions and is good business for the City.

If any of your readers have further inquiries I would be glad to answer them personally. Sincerely yours, J.R. Duggan, Jr., President, City Council

Shrine Club Barbecue July 1

The Highlands Shrine Club will sponsor a barbecue on July 1, at their club facilities, for all Shriner, Masons and others who want to attend.

This is going to be an old fashioned barbecue," said Hank Hartman, club president, "we want to make it a family affair and everyone will enjoy it." Hartman said there would be barbecued chicken and beef, hamburgers and hot dogs too for the youngsters who might not want chicken or beef.

Hartman said he expected several hundred people from Highlands, Hardee, Polk and DeSoto Counties. He also said there would be several of the officers from Egypt Temple in Tampa.

The program will begin at 1 p.m. at the Highlands Shrine Club building and property located on State Road 17 between Sebring and Avon Park.

"We will have several short programs to acquaint the public with the programs of the Egypt Temple and the North American Shrine," said Hartman, "however, almost all of our charity work is concerned with the crippled children hospitals and burn centers the Shriner operate."

He said some people think the Shriner are just a fun outfit and do not realize they own and operate the 22 hospitals and other charity work all Shrine Temples are involved in.

Tickets are available from all members of the Highlands Shrine Club and will be available at the barbecue.

Know Your Hospital

by John McClellan
Administrator
Walker Memorial Hospital

IT ALL DEPENDS ON YOU

What do people in our community think of our hospital? Do they picture kind hearted people taking a personal interest in patients? Do they see courteous, friendly people willing to extend themselves far beyond the line of duty? Do they consider us true humanitarians in every sense of the word?

Everyday and everywhere people talk about our services and evaluate the quality of our care. When they talk about our services, they are talking about the work and attitudes of each of us. What they are saying is important.

Recently a newspaper carried this quote from a night worker, "every night on my way home I look up at the hospital and say to myself thank God for all those wonderful people up there, who are always willing and ready to do their best." That is the way we want people to think of our hospital, it's up to you and each of us.

If the timetable for action agreed upon by the commissioners is met, the date for completion of the redistricting will be July 18.

APCI Nursery

"How We Grow Them"

by Jim Kiser, inmate

The early part of June left me with some doubts that we would have our usual fair-fall. The hose was getting all the work-out. The Nursery is a rather hot area when it comes to manual watering, and only nature can relieve this tedious chore. I feel secure that we will have sufficient rain, so that I can continue to move more palms. It is still early enough for many large tropicals that are relocated, provided that they are not coming into bloom. Cuttings have been troublesome. I was forced to spray with Chlorane to keep them in control.

I imagine that I am as impatient as anyone when relocating. I always find it hard to wait for growth. When I had my own yard, I was one of those that would buy a plant according to the size I wanted for a finished-look. I realize now how much pleasure I was missing. It isn't so much the money saved, as it is the self-satisfaction we receive from saying "I grew".

TIBOUCHINA: Semidecandra, "Glory Bush". These tender evergreens from the wilds of Brazil are robust shrubs here at the Nursery. They are once more setting bud to come into full bloom. The blossoms are 3 inches to 4 inches in diameter and the color is a pale to deep purple. We have had some scattered blooms through this last winter, but then it has been very mild. From now to late October they will stay full of blooms. They do well in sun or shade and a slight

ted color at the edge of the leaf is an indication of their coming into bloom. We have them in a rich peat soil and some are in a sandy soil, both soils give good results. A severe winter could set them back, but I doubt if it will kill them; the ones we have are over five years old. They can be tubbed if desired.

SHELL GINGER: Alpina speciosa is a hardy and decorative ginger that comes from India, China, and the East Indies. I have never found it to be fragrant, as it is supposed to be, but I do find it one of the most decorative of plants for that true tropical-exotic look.

Two months ago I divided a clump into four sections and relocated them. Then a severe wind-storm hit, and broke all the stems; so I cut them back to the ground. They are coming back now with twice as many stems and it will be only a short while now until they reach a showy height again. I'm amazed at their recovery, and I do recommend using this exotic blooming plant as a focal point in a shaded area of your yard. It likes a rich soil, and must be kept moist during the summer months. I have used the flower spikes for long-lasting arrangements indoors and they have brought many favorable comments. I never use more than three, as they are too unusual to spoil with quantity. Even one is enough with some foliage added. Try placing a small piece of driftwood in when arranging; it does give your efforts that added spark.

MRS. WILLIAM DAWSON WALKER

Barbara Flowers-William Walker Weds In Impressive Ceremony

The First United Methodist Church was the scene of a beautiful and impressive candlelight double ring wedding ceremony between Barbara Susan Flowers, daughter of Mr. and Mrs. H. M. (Mack) Flowers and William Dawson Walker, son of Mr. and Mrs. Dawson Walker of Lake Wales, on Saturday, June 17, 1972 at 6 p.m.

Yellow gladioli and lavender mums were in antique white baskets against a background of palms beneath a lighted wall cross. White trellises with yellow flowers, lavender net and fern were at the far ends of the altar. The altar rail was filled with greenery, white, yellow and lavender flowers. White candles burned in candelabra on each side of the altar and kneeling bench. The kneeling bench was covered with white satin and trimmed with white satin ribbon and streamers. Pew markers were made of lavender net fans with lily of the valley and daisies. The church was beautifully decorated by Mr. Robert Henderson.

A beautiful medley was played by Roy Cox Jr., organist from Sebring and included: 'My Love is Like a Rose, Traumeri, Oh, Promise Me, Lord's Prayer, My Own True Love, O Perfect Love, Love, Sweetest Story Ever Told, and If Ever I Should Leave You. The soloist was Mrs. Virginia Henderson and the selections were: One Hand, One Heart. She sang Because after the bride's mother was seated. David Flowers and Dusty Taylor lit the tall white candles.

As the bride and her father walked down the aisle to the traditional wedding march, the paused momentarily by the bride's mother and the bride gave her mother a yellow rose. After they reached the altar, Mrs. Henderson sang the Wedding Prayer. The bride and groom paused momentarily by

Debra Dennis -Jerry Kendrick Announce Their Engagement

Mr. and Mrs. Henry Alvin Dennis of Avon Park announce the engagement and approaching marriage of their daughter Debra Sue Dennis. Miss Dennis will be married to Jerry O'Neal Kendrick of Avon Park.

The marriage will take place Aug. 19 at First Baptist Church of Avon Park. Miss Dennis is a graduate of

Avon Park High School, class of 1972. She is employed by Winn Dixie in Avon Park.

Mr. Kendrick, son of Mr. and Mrs. James Martindale, Avon Park, is a graduate of Avon Park High School, class of 1970. He has just completed service in the US Marine Corps, serving in Japan. He is employed at Winn Dixie and is attending South Florida Junior College.

sheer ruffled sleeves. A belt made of lavender ribbon with lace medallions applied to the front with the ribbon hanging to the floor. A headpiece of the lavender chiffon over satin bow with matching lavender tulle veil completed the attire. Her bouquet was of lavender and yellow mums with yellow ribbon.

Bridesmaids were Miss Sherri Ellerbe, cousin of the bride, Miss Sue Ferguson and Mrs. Deborah Crumby. Their gowns were of the same style as the Maid of Honor with their color being pale yellow chiffon over pale yellow satin peau de soie. Their headpieces were the same bow and tulle veil and their bouquets were the same except with lavender ribbon.

Flower girl was Miss Robin Taylor, cousin of the bride from Coral Gables. Her gown matched the other attendants and was made of lavender chiffon and satin peau de soie. Her white flower baskets were tied with yellow velvet ribbon and lily of the valley.

Ring bearer was Sammy Henderson, son of Mr. and Mrs. Robert Henderson. He wore a white coat and black pants.

The best man was Mr. Jerrel Crumby, cousin of the groom from Frostproof. Ushers were David Flowers, brother of the bride, Ricky Green, cousin of the groom and Dusty Taylor of Lake Wales.

The bride's mother wore a pale blue sleeveless crepe dress with a matching pale blue long sleeved lace coat. A V-shaped panel of lace outlined with crystal beads trimmed the neckline of the dress and aurora borealis crystal necklace and earrings were worn. Pale blue accessories and gloves and a white orchid corsage completed the ensemble.

The groom's mother wore a pale green knit A-line short sleeved dress with green and crystal bead trim around the jewel neckline. Matching pale green shoes, white gloves and a white orchid corsage were worn.

The maternal grandmother of the bride, Mrs. Helen Harris, pale green shoes, white gloves applied with pink lace and she wore a matching pink lace coat. She wore matching pink accessories and a white carnation corsage.

The paternal grandmother of the bride, Mrs. Nora Giddens, wore a light blue three piece suit trimmed in white. She wore white accessories and a white carnation corsage.

The paternal grandmother of the groom, Mrs. Mabel Woods, wore a pink knit coat dress and white accessories with a white carnation corsage.

Immediately after the ceremony, a reception was held at the First United Methodist Church. A beautiful centerpiece of yellow and lavender mums was on one table. A large bouquet of yellow mums was placed on the table where the bride's book was. Miss Julie Kangeter, cousin of the bride presided over the bride's book.

A beautiful four tier white wedding cake decorated with lavender and yellow roses with columns separating two tiers topped with bride and groom and heart was on the table overlaid with silk tablecloth and trimmed with ruffled white net hanging to the floor and trimmed with white wedding bells, lavender, candles in crystal candle-holders were placed on the table as well crystal nut and mint dishes. White napkins with golden doves holding twin wedding rings and printed with "Barbara and Bill" and June 17, 1972. Mrs. Ophelia Rieber cut the bride's cake with Miss Holly Murphy and Miss Teri Taylor from Coral Gables, cousin of the bride, serving.

A beautiful crystal punch bowl centered another net ruffled table decorated with white wedding bells and lavender net fans. The punch recipe was of the same punch that the bride's mother and father used when they were married, a jello based ice cream and ginger ale concoction. Miss Barbara Dressed of Lake Placid and Miss Sue Taylor of Sebring served the punch.

The groom's cake table was decorated with silver candleholders and slim white candles and fern around the cake which was placed in bags for guests to take home. Miss Kay Green, cousin of the groom and Mrs. Linda Todd served from the groom's table.

Lavender and yellow tulle rice bags with dyed lavender and yellow rice was passed off to the guests by Susan and Sharon Giddens, twins, from Lakeland and Connie Blacklock and Angel Taylor from Coral Gables, all cousins of the bride.

Miss India Kangeter, cousin of the bride, and Miss Gini Beth Henderson were Floating Hostesses and picked up cups, and helped in many other ways. The bride wore a navy blue pants suit trimmed in white and navy blue accessories and a yellow rose corsage as a going away ensemble for a trip to Daytona Beach.

They have moved into their own mobile home in Lake Wales and friends may visit them there.

The Church of God, Avon Park was the scene on Sunday, June 11, of the wedding of Alexis Day, daughter of Eugene William Hamlin, Sebring.

The bride is the daughter of Rev. and Mrs. Alex Day, Avon Park, and the bridegroom is the son of Mr. Joe Hewett of Sebring.

Uncle Performs Ceremony

Reverend Robert A. Day, Uncle of the Bride performed the double ring ceremony at 3:30 in the afternoon. The bride couple spoke their vows before a white ornate arch covered with leather-leaf greenery,

accented with lavender asters. Centering the arch was a white cupid container filled with lavender glads, asters, daisy pompoms and babies breath. Brass stands holding baskets of mixed flowers in the bride's chosen colors, flanked the kneeling bench on each side, with arched palms completing the background setting. The elegance of white baskets filled with orange blossoms, lavender asters and daisy pompoms, marked the family sections and completed the church decorations.

Mrs. Lillian Johnson, organist, and Miss Melissa Toms, vocalist of Wauscha rendered a program of nuptial music.

Bride Wears Satin and Lace

Given in marriage by her father, the bride was elegant in a candlelight gown of crepe satin, with empire bodice and elbow length sleeves enhanced with chantilly lace. Her cathedral train of silk illusion was held by a queen's crown of pearls, and was edged with chantilly lace and matching appliques. She carried a traditional style bouquet of happiness white roses, lily of the valley, and babies breath, outlined in madras hair fern.

Matron of honor was Mrs. Gayle Linkous, sister of the bride from Lufkin, Texas. She wore a floor length gown of lavender crepe knit with empire styling. She wore a headpiece of organza and pearl flowerettes, and carried a colonial style bouquet of mixed pink, white and lavender carnations and pompoms, with antique lace. Bridesmaid was Miss Marilynne Tilley, Lake Worth, who was gownned same as the honor attendant, only in apple green, with matching headpiece and bouquet.

Junior Bridesmaid was Miss Almerie Day, gownned in lavender the same as the honor attendant with matching headpiece and bouquet.

Flower girl was Linda Johnson, Avon Park, gownned in apple green, similar to the bride's gown.

Ringbearer was Kenneth Barefield of Avon Park.

Serving as best man was Quimon Hamlin of Ft. Walton Beach. Ushers were Donald Hamlin, Sebring and Nathaniel Hamlin of Ft. Pierce.

Groomsmen was Paul Day, brother of the bride, Avon Park, with Jimmy Hummel of Sebring, serving as Junior groomsman.

Mrs. Day wore for her daughter's wedding a yellow brocade street length dress with matching jacket. She wore black peau de soie accessories and a yellow sweetheart rose corsage.

For her son's wedding, Mrs. Hewett chose a street length pink knit dress with white accessories. She wore a corsage of pink sweetheart roses.

A reception was held in the church social hall immediately following the ceremony. Assisting in receiving and serving were: Mrs. Charles Lee, Mrs. Roy Smith, Debby Scott, Betty Creech and Mrs. James Johnson.

The hall was decorated with bouquets in spring colors of lavender, green, pink and yellow. The bride's book was kept on a table covered with white linen and adorned with a spring bouquet of flowers.

The bride's table was covered with white linen and lace and centered with the square three-tier wedding cake. Twin double candelabras with burning tapers flanked the cake on either side, with the bride's and attendant's bouquets enhancing the table.

A trellis entwined with greenery formed the background for the table setting, with palm fronds and various greenery depicting a garden scene with apple green punch flowing from a fountain.

Honeymoon Niagara Falls
When the new Mr. and Mrs. Hamlin left for a honeymoon through the Smoky Mountains, Maggie Valley and up to Niagara Falls, the bride was wearing a lavender knit with designer original with beige accessories and a corsage of yellow sweetheart roses.

To Live in Avon Park
Upon return, the newlyweds will reside at 407 Tellico Street in Avon Park.

Avon Mobile Home Park News

Ruth E. Robinson

We welcome home Mr. Robert Gibb on Sunday a.m. from Walker Memorial Hospital and a warm welcome to his daughter, Mrs. Milton Gibb Bell (Ellen) from Verona, New Jersey. Ellen arrived here on Saturday evening after a flight into Orlando, she was met by Reverend Ragsdale who drove her to her father's home, where she will remain until the doctor agrees that Bob can once more get along by himself and that will be soon, we hope. Mrs. Bell expressed appreciation to all the neighbors and friends in the park and the Presbyterian Church for their many kindnesses to her Mother and Dad, in the past. May Ellen feel very much at home, here, with us, and join our family now, and in the future after she returns to her home, fondly remember Avon Park.

The time has again come to bid a friend "Good traveling" as Mr. and Mrs. Ora Myers leave us this week for Fort Wayne, Indiana, Bluffton, Indiana and Lake George, Ind. to visit their children until September.

Mr. and Mrs. Charles Brush have returned to their home in Avon Mobile Home Park, safely. They spent 4 days with his daughter and son at Columbus, Ohio and the rest of the time near Urbana, Ohio. They enjoyed fresh strawberries out of Heffner's farm for supper on Tuesday and Wednesday evening at the Derrs, Monday they visited the Harold Faulkners for some nice pinocchle games. Thursday was spent at Mrs. Brush's son's home, Mr. Marvin Ireland and family, Mr. and Mrs. Edwin Ireland at Torre Haute, Ohio and every other day was for visiting with Mrs. Brush's great grandson, 7 years old. He has had 4 operations in 7 weeks for he had 3 bladders. He lost one kidney during the last operation but is doing fine now. The last 2 days they visited the Hubert Smiths and Mr. and Mrs. Conrad, finding her in bed most of the time. Bertha and Charles were glad to get back to the warm weather as it was 40 degrees most of the time.

Jonathan Wright recently traveled to Miami Beach with two of his college friends, Joyce Mincks of Avon Park and Steve Zumalt from Oklahoma City, Oklahoma. They attended two Sunday services with Jonathan terms as "two of the most tremendous gatherings for Christ I have ever experienced." The services were in connection with the quadrennial General Assembly of the Church of the Nazarene, attended by over 30,000 people from around the world at the Miami Beach Convention Center.

Church To
Hold Ground
Breaking

St. Mark Baptist Church invites you to attend their Ground Breaking Ceremony Saturday, the 8 of July at 4 p.m. at the new church site. Guest speaker will be Dr. C. H. Bolton. If you would like to make a contribution and cannot attend, please call the Boones, 653-4112, the Cowards, 33747 or the Hills at 35307.

Deacon M. J. Robinson is chairman of the Property Committee. The Pastor is Reverend J. W. Daughtry; with Clara Brown, Director.

other couples from Avon Park, including Mr. and Mrs. Louise Shoemaker, Mr. and Mrs. Heimberger, Mr. and Mrs. Albert Keyes, Mr. and Mrs. Hubert Smith, Mr. and Mrs. Herman Young, Mr. and Mrs. Charles Clemmons and the Warren Byrers. It was a happy reunion, too.

Mr. and Mrs. Charles Clemmons said the Floyd Stevens looked very happy and healthy, with everyone enjoying the fellowship very much. Charlie is still catching fish, between his garden chores, 21 blue gills, the last we heard.

Mr. Rowe Weller is seriously ill at the Oil City Hospital, Oil City, Pa. and we hope that he is much better, at the reading of this news.

Mrs. Ella Roenneburg keeps busy at the farm of Melvin Schissler in Freeport, Ill. where she was picking strawberries last week, stopping to rest between boxes and with only dogs and ducks for company all day, there isn't any competition! However hard the picking is, she enjoys the delicious taste of the berries on ice cream at the day's end. So far, Ella hasn't had any colds, but her arthritis is bad in her shoulders, so she is "sun baking" it out. Her daughter, Gerry, husband Melvin and son Pete, with Dorothy are going on a vacation to Phoenix, Arizona.

Mr. and Mrs. William Belcher are taking pleasure in seeing their new home progress as a large carport and utility room are added at the rear of their Mobile Home in Rochester, Indiana. They are moving things into it gradually. The Warren Byrers visited them last Sunday and reported Nita was also sick in the spring with Flu and poison, but now she and Ham are both feeling pretty good. Margaret and Bill attended the 50th Wedding Anniversary of Mr. and Mrs. Floyd Stevens, as well as six or eight

picnic in Bourbon, Indiana, which is the second Wednesday in August. We do hope they have a real good turnout!

This reporter is once again turning over her job to Jonathan Wright for July, August, and part of September, until he returns to college, and we return from our vacation in Ohio and points north. May God be with us all.

Psst!

Six ways to get cheap air conditioning!

1 Buy a no-name make that nobody ever heard of. You can usually get a discount on it.

2 Make sure it's an "assembled" product, made up of parts from many different factories. This will knock a few bucks off.

3 Have it installed by a firm that doesn't employ experienced refrigeration men—they usually work a little cheaper.

4 Be sure to get your technical service from Mr. Whattismame. He doesn't spend anything on those frills like a complete parts stock, good equipment, factory training, and so on.

5 Why bother with insurance, bonds, and well-trained service and installation people, with well-identified trucks and uniforms? (Unless you're interested in the safety of your home and family.)

6 Be sure to cut corners in equipment size and installation methods.

Now, if you're a good gambler, and everything works out, you might possibly "save" ten or fifteen percent—to start with. But if you're the kind of person who likes to buy with confidence, you'd better call your Carrier Dealer. We're an expert in one field—and we service what we sell.

Miss Andrea Poletis

Andrea Poletis-Bill Miracle Engaged, To Wed August 26

Mr. and Mrs. Gustave Poletis of Holland, Michigan, have announced the engagement of their daughter, Andrea, to William D. Miracle, son of Mr. and Mrs. Andrew W. Miracle and grandson of Mr. and Mrs. Earl Dunavent, all of Avon Park.

The bride-elect is a 1970 graduate of Wayne Central High School, Ontario, N.Y., and is now a Junior in Home Economics in Nutrition and Dietetics Program at the

University of Georgia.

Mr. Miracle, a 1965 graduate of Avon Park High School, received his B.A. Degree at Newberry College, Newberry, S.C., his Masters at the University of Georgia, and is presently working on Doctoral Degree in Counseling, at the University of Georgia.

The wedding is being planned for August 26, at 5 p.m. in the Beech Haven Baptist Church, Athens, Georgia.

Couple Wed In United Methodist Church Sunday

Sylvia Lynelle Ladrie of Melbourne and Robert Ray O'Hern of Miami Springs were united in marriage on Sunday, June 11, at 2:30 in the afternoon, at First United Methodist Church, Avon Park.

The bride is the daughter of Mr. and Mrs. Willard Griffin, Avon Park, and the bridegroom is the son of Mrs. Lorna Woodfield and the late Cleveland O'Hern, Avon Park.

Reverend Duane R. Zoller performed the double ring ceremony before a candle lit altar, accentuated with arrangements of spring flowers and palms.

Mrs. Beverly Mann rendered a program of nuptial music.

The bride's only attendant was her sister, Mrs. Reese Parrish of Parrish, Fla.

Best Man was Mr. Doyle Griffin, brother of the bride, from Ft. Myers.

Immediately following the

ceremony, a reception was held at the home of the bride's parents, 602 N. Verona. Those assisting with serving were: Mrs. Charles McCormick, Mrs. Virgil Tonde, Sr. and Mrs. Doyle Griffin.

After a wedding trip to points of interest in Florida, Mr. and Mrs. O'Hern will reside in Miami Springs.

Out-Of-Town Guests

Out of town guests attending the wedding were: Mrs. W. M. Dollar (Gladys) sister of the bridegroom from Miami Springs; Mrs. Kenneth Hansen (Betty) bridegroom's sister and daughters Garon and Lisa and son from Cleveland; Dayne and Debra Ladrie, Melbourne; Mr. and Mrs. Doyle Griffin, Bride's brother, Ft. Myers; Mr. and Mrs. Reese Parrish, Bride's sister, Parrish, Fla.; Mr. and Mrs. Alex Carnes and Mrs. Art Johnson, Sebring; Mr. and Mrs. General Sanderson and Mrs. Webb Rice, Winter Haven; Mrs. Lynelle Wilcox, Bartow; Mr. and Mrs. Rodney McKibben and Mrs. Jim Meeks and son, Charlie, all of Melbourne.

Thornal Speaks To Rotary

Southern leadership should quit shadow boxing and squarely face the issue of Federal encroachment on local governments, Burton Thornal, an announced candidate for Congress, said in a speech to the Rotary Club here today.

"The peril we face is not only that Federal legislation has emasculated local government, but more seriously, the states have been by-passed and disregarded," the Arcadia businessman and rancher said. Thornal is seeking the Democratic nomination in the new 10 Congressional District.

"We can no longer afford to disdainfully ignore the spread of centralization. We must demand that Congress insist on the remodeling of Federal programs in our image."

Thornal said there are hordes of technicians along Pennsylvania Avenue pouring over progress reports on Florida projects. "There are experts there setting up grants for them controlled by them for our benefit. We can do without Federal paternalism, but so long as we persist in bling ourselves to the real issues, we'll continue to spout blanks and they'll continue to rule us by default," Thornal asserted.

Many of the Federal programs designed to assist at the community level begin in a swirl of publicity and then disintegrate as the elaborate measures to coordinate the innumerable target areas begin to collide, he said. "Who is better equipped to plan and implement programs involving Florida than Floridians?" he asked.

If it could be truthfully said that Washington possesses the wisdom and skill that are lacking at home, I would forego my natural loyalty to state. But where sits the man who cannot point to oppression and waste emanating from Federal programs?

"Going it alone, the Federal government has shown desire and little else. Many of the programs get bogged down by excessive goals and top-heavy administration," Thornal added.

"Why can't programs be created in the likeness of the communities in which they function rather than conceived in some sterile, neutral vacuum in far-off Washington? Must local people be forced to react to a Federal agency as if it were a foreign invader?"

More and more we are

costly and discriminatory scheme are now in the forefront of the movement to correct this gross injustice," Thornal said.

"We didn't find them making any move to get this unpleasant burden off our backs until they got the message...expressed by a southern leader who demonstrated in the Presidential primary, along with the people of Florida, the courage of his own convictions by creating a dialogue of the people and for the people...with the people."

"For too many years southern leadership has maintained a dialogue with the Federal government which has been staid when calmness was needed and submissive when firmness was required. "It is time for southern

leadership to quit pummeling shadows and realistically appraise the issue as it exists today."

"America needs a renaissance of local responsibility. A return to the ethic of work. We need fresh ideals and ideas in the community that will answer problems and take care of human needs before Federal programs become necessary."

"Democracy is a bi-partisan creature that will respond at the level demanded. It has grave problems that require a competence that does not thrive on mediocrity. They require a competence that transcends party lines," Thornal concluded.

This switchman is working for you...

Customers of United Telephone of Florida are served by 34 switching centers located throughout a service area covering 10,305 square miles. At these locations, skilled switchmen on duty continually inspect and test a vast array of complex equipment which must perform millions of interconnections with great accuracy and dependability.

To meet the need for telephone service in our exceptional growth area, we will activate five new switching centers during 1972-73. However, this expensive equipment is only part of what exists 'behind' your telephone. There are also miles of conduit and cable, operator consoles, long distance ticketing equipment and much more... adding up to a required investment exceeding \$1,000 for each new telephone installed.

And, we are installing hundreds of new phones each week... replacing out-grown facilities... working to reduce a backlog of orders. Simultaneously, we must make plans for the needs of tomorrow's customers.

Sound difficult? You can be sure of it. We are experiencing problems. But, we know where we're going... and we know how to get there.

We have 1,600 people on our team and they are working for you.
