Devil Soap Scrimmage, Fish Fry Friday Night

The Avon Park Red Devils, fresh from a very successful showing in the pre-season football jamboree held in Wauchula last Thursday night, will give home fans a look tomorrow night at the annual soap scrimmage at Memorial Field starting about 7:15 p.m. after the Athletic Association's fish fry. The supper will be served from 5:30 til 7:30 at the field.

The Red Devils started off slowly against DeSota High's team in the second quarter of action in the jamboree last week but came back strong to win 6-0 on a long run by newly converted halfback Greg Hartt. Greg swept around right end and raced into the end zone from about 60 yards out. Several key downfield blocks opened the way for the determined sophomore back.

In the third quarter the Devils tangled with the Sebring Blue Streaks and came out on top 7-0. Two pass interceptions by Keith Richards sparked the defense and again it was Greg Hartt who ran the ball over for the score.

The Devils looked impressive considering the fact that it is an inexperienced team. The offensive backfield that saw the most action was Don Sisemore at quarterback, Jarvis Hartt at fullback, and Keith Richards and Greg Hartt at halfback. On the offensive line were Ted Long at center; James Walker and Charlie Johns at guards; Virgil McInvale and Randy Ward at tackles; and Wayne Todd and Nathaniel Packer at ends.

On defense Packer and Todd stayed at ends but switched sides of the line; Ward and McInvale were at tackle and Long and Willie Davis played in the middle of the line. At linebacker were Jarvis Hartt and Greg Hartt; Keith Richards and Danny Lewis played defensive halfbacks; Don Sisemore was in at safety back.

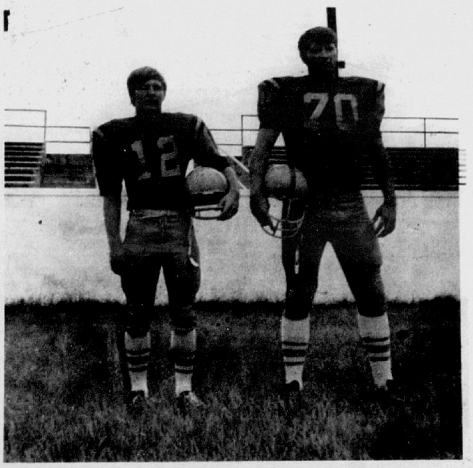

Other boys who saw action were Danny Lewis at quarterback and Eddie Ezell, Arnold Davis and Roy Lamb as backs; Bud Wester and Sam Dasher at ends; Nate Williams, Barry Tate, Haywood Batts, and Ray Culpepper on the line; and Ronnie Dick and Ezell at linebacker.

Back James Coleman was out with a broken toe and lineman Alcus Snell was waiting it out on his eligibility confirmation.

Sebring scored two touchdowns to beat Wauchula in the first quarter and Arcadia scored one to beat Wauchula in the final quarter of play in the jamboree.

Spirit and determination seem stronger than usual with the Red Devil squad this year and fans are hoping the young, inexperienced boys can put it all together for a great season. The Devils will host a tough Father Lopez team from Daytona Beach in the opening game on Friday, Sept. 17 here at Memorial Field.

Season tickets are on sale for the five home games for $8.00. Gate admission will be $2.00 per game.

DON SISEMORE, No. 12, quarterback, and Randy Ward, No. 70, tackle, both seniors, will be sparkplugs for the Red Devil team this football season. Sisemore will start his fourth season as quarterback and Ward is a veteran 230 pound tackle.

Athletic Association Elects Officers At Meeting Sept. 1

Robert Dick was re-elected president of the Avon Park Athletic Association last Wednesday night, Sept. 1, at the first meeting of the group. Ed Touchton, Jr., will again serve as vicepresident and George Kelsey was elected to the secretary-treasurer job to replace A. B. Wilhite who requested to be relieved after years of service in that position.

Directors for the association for this season will be Fred Jahna, J. T. Landress, Sanford Hartt, Hue Nunnallee and George Heatherly.

Two projects voted into action for this season will be the addition of a four foot chain link fence around the immediate football field to restrain fans and spectators from getting onto the field during a game and the purchase of a new public address system for Memorial Field. Both are badly needed and will be appreciated by Avon Park football fans.

It was also announced that the city will clay a privately owned lot at the north-east corner of Memorial Field for a parking lot on the visitor's side.

Dick reminded Avon Park fans that membership in the Avon Park Athletic Association at $3.00 per person will allow members to park in the reserved parking lot at home games. Membership cards may be purchased from any A.P.A.A. member.

Final plans for the annual soap scrimmage fish fry were made. Supper will be served at

THESE PRETTY A-squad cheerleaders are ready to cheer our Red Devils on to victory for the new season. Front row, left to right, Melody Heatherly, Laura DuBose, Laurie Burch and Patty Morris. Back row, left to right, Sebrina MontsDeOca, Donna Teal, Angla White and Dee Dee Jahna.

DON SERDYNSKI, general manager of Florida Home Juice, is shown with trophies that will be won in the fourth annual Home Juice Golf Tournament that will be played Saturday and Sunday at Pinecrest Golf Course.

Annual Home Juice Tournament Saturday

The Avon Park Golf Course was the scene of lots of activity over Labor Day weekend as local and out-of-town golfers worked to sharpen up their games for the up-coming Home Juice Invitational Golf Tournament.

This will be the fourth annual tournament sponsored by the Home Juice Company, and is shaping up to be bigger and better than ever.

Host Pro Alex Ogilvie predicts stiff competition in all flights as the overall field of 160 players is lower handicapped than in any previous years.

Tournament play will consist of 18 holes on both Saturday and Sunday, Sept. 11 and 12, with optional practice rounds on Friday, Sept. 10. Play will begin both Saturday and Sunday with shotguns starts at 9 a.m. and 2 p.m.

Golfers and non-golfers alike are encouraged to come out to the course and cheer for your favorite player or just enjoy watching some of the better amateur golfers in Central Florida in action.

Planning Grant Approved for County

Highlands County commissioners formally named the building and set Oct. 15 for opening bids on the county's proposed Civic and Agriculture Center. Final plans and specificiations for the center to be built south of Sebring on US 27 were okayed at the commission meeting Tuesday.

Architect Jim Heim said the bid includes many alternates to allow the board to make choices after prices are in. In addition to offices for such agriculture agencies as the county agent and soil conservation district, the building is to include a home demonstration kitchen, and auditorium "large enough for the farm city dinner", a stage.

The building is to set back from the highway, allowing for future expansion toward US 27, Heim said. He has planned the Civic and Agriculture Center for the southernedge of the 20 acre sit.

In response to questions from the audience Tuesday Commission Chairman Cecil Skipper said the board has "had in mind about $300,000 " for the er 'eu' 'But hopes it will be less ".

A voting machine warehouse has been constructed on the parcel of land the county bought for the CEnter, and the board is considering erection of other county buildings on the site.

To care for the whole complex, the board is planning a deep well,, and Tuesday advertising for bids for such a well was aaproved.

VENUS BUILDING

Also at Tuesday's meeting the board authorized re-advertising for bids on the Venus voting and recreation building. The board had allowed the time to run out on bids received earlier this summer. Those bids were considered too high. Tuesday Heim suggested bidding with many alternates and a citizen delegation present Tuesday volunteered to help select alternates if the bids are again higher than the commissioners will accept.

GRANT FUNDS

On of the longest debates of Tuesday's meeting was how the county might find $10,000 to put up for matching funds to obtain a state federal planning grant. The board has been approved for a federal grant to make a study of water and sewage systems and needs throughout the county.

A separate but coordinated study may be made to determine patterns of growth, possible needs for roads, sanitary landfills, public transportation needs. This second study requires that the county put up $10,000 and worry about that money led Commissioner Robert Skipper to move that the grant for the study be rejected. On a roll call vote Skipper stood alone.

When Ben McGee moved that the board accept the grant and put up the money Robert Skipper was the only commissioner to vote against the motion, Chairman Cecil Skipper said it now appears that the county's general fund will have "$10,000 to $12,000 more cash carryover than we had budgeted." (The fiscal year ends on Sept. 30). He pointed out the wage freeze will save the county "in excess of $2,000" and the reduction in the zoning director's salary will be $1,500—all of these possible sources for the $10,000 matching funds.

The studies must be completed by June 30, 1972.

PROPERTY OWNERS

The commissioners received a mild rebuke from the Property Owners Association who had instructed its executive Guy "Lucky" Campbell to register disapproval of the apparent by passing of the administrative assistant in road and bridge matters in favor of individual commissioners administrating therr respective district.

Cecil Skipper readily admitted the criticism is valid "a carry over from the old days when we had no administrator."

The property owners also registered disapproval of the board's failure to find replacement for Board Superintendent Jim Pearce who plans to retire in December. The boaeard promised to find a superintendent well before the late December retirement.

OTHER BUSINESS

In other business Tuesday the board:

Approved moving Parole and Probation officer to the first floor of the courthouse.

Approved changing names of streets in the Lake Lotela and Lotela Terrance sections of Avon Park where city mail delivery will be instituted soon.

Approved fall conference attendance for Building Official Bill Young and Motor Vehicle Insepction Director John Gercken.

Approved advertising fooor two way radios for the county building department.

Approved a beer sales license application for a place South of Lake Placid.

Waived septic tanks permits fees for Carver and E. O. Douglas Schools.

Received a report from Edna Pearce Lockett that fences along the right of way for the Istokpoga Marsh Watershed project will be in place soon.

Received a request for some maintenance work on roads in the Istokpoga Marsh project and a warning from the county attorney that easements and right of ways in the watershed projects are extremely complicated and far from uniform.

Official Tax Levy Is 5.550

It is official—the county tax levy for 1971-72 will be 5.550 for the county commission 145 for courthouse innerest and sinking fund and a .530 mills for the central and Southern Florida flood Control. Highlands County commissioners formally set these millages at their meeting Tuesday.

With the hospital millage holding steady, and the school board easing up ssightly, the county's taxpayers will have tax bills in November only sightly ahead of their 1970 bills.

LEWIS LLEWELLYN

Ping Pong Balls And Communism

Ping pong balls, in the hands of the Chinese, can be used for more than ping pong. This we know.

But did you know that ping pong balls have also been used as a means of getting out from behind the bamboo curtain?

The distance from the mainland of China to Hong Kong is only six miles across Deep Bay. During May of this year, it is reported, about 550 persons were detained by Hong Kong police for illegally entering the British crown colony of Hong Kong from Red China — more than half of them being swimmers who had made their way across the bay. This is 13 times as many as were detected entering Hong Kong from China during May of last year.

Thousands Flee

It is estimated that for every refugee who is caught by the Hong Kong police four more are undetected. Thousands of non-Communist Chinese have escaped this year.

But what about the ping pong balls? Well, a strong swimmer may make the six-mile swim without too much difficulty, but others may need some support in the water. They used to use tiner tubes, but the Red Chinese government has issued a regulation requiring all purchasers of inner tubes to be registered. So someone thought of buying ping pong balls and putting them into a bag so designed that he could wear it around his neck, to provide flotation for the hazardous six-mile swim to freedom.

One group of 13 freedom-swimmers — nine men and four women — used ping pong balls in this way on April 26 in a successful escape from the Red Chinese "worker's paradise."

Since Communists are known to be enemies of freedom and enemies of God, is it not surprising that some church leaders have been consistently advocating a policy of favoring Communist regimes?

The Associated Press recently reported, "The general secretary of the World Council of Churches views the Socialist experiment in Chile as a sign of encouragement and stimulus to many other countries. . . . Dr. Eugene Carson Blake, an American, expressed his views in a meeting with President Salvador Allende during a visit . . . to symbolize the interest of the churches in the Chilean experiment."

Allende, who is a Marxist, has pledged that he will transform Chile into a Socialist — that is, Communist — state.

Which Side?

When people who hold high positions in Christian organizations lend their power and influence to promote Communism, are they guilty of stupidity or duplicity?

Christianity and Communism are enemies. Communists have often proved their deadly hatred of Christians — by throwing some of them into prison and by killing many others.

You can't be on both sides. Which side are you on?

In the sermon on the mount Jesus said, "Not every one that saith unto Me, 'Lord, Lord' shall enter into the kingdom of heaven, but he that doeth the will of My Father which is in heaven. Many will say to Me in that day, 'Lord, Lord, have we not prophesied in Thy name . . . and in Thy name done many wonderful works?' And then will I profess unto them, 'I never knew you.' "

the association's concession stand at the ssuthwest corner of the field from 5:30 p.m. til 7:30 p.m. Each plate will cost $1.00 and will have mullet, baked beans, slaw, hush puppies and one drink of coffee or cola (additional drinks will cost extra).

Tickets for the fish fry may be bought this week from any association member or at Highlands Lumber, Leon's Sporting Goods, Albritton's Barber Shop or Stimson's station.

Don't forget—that's tomorrow (Sept. 10) night at Memorial Field from 5:30 til 7:30 p.m. for a delicious fish supper to benefit the Avon Park Athletic Association. And don't forget your bar of soap for admission to the soap scrimmage where you will see both the varsity and the "B" squad in scrimmage and practice action.

Alfred Golden Sentenced

A Sebring man who startled circuit court by a dramatic witness stand confession has been sentenced to three years in prison for burglary by breaking and entering. Algerome Carter, a prosecution witness in a mid-summer trial, has suddenly halted his testimony and stated that he had broken into Roberts Service Station.

He was sentenced in circuit court last week by Judge Clifton M. Kelly.

Alfred Golden of Avon Park was sentenced to two years in state prison. He had been appeared before the court in 1970 on an aggravated assult charge and last week was back for a violation of probation hearing.

Ennis Lee Brown of Sebring, charged with uttering a forged instrument, was placed on probation for three years.

Miss Young To Participate In Med. Program

Miss Doris Young, regional nutrition consultant, left Tuesday for Gainesville where she will be participating in a medical dietetics program.

Miss Young, who began her work for Florida's board of health two years ago, will be on educational leave from her office at the Highlands County courthouse annex.

Miss Young received her undergraduate education in nutrition and dietics at Iowa State University and earned her Master's degree at Cornell University in New York state prior to coming to Highlands County.

POLICE CHIEF Ferland Cribb and Assistant Fire Chief Mac Flowers stand beside the ambulance the city purchased from Ridge Ambulance Service, which went out of business. Members of the police and fire departments will man the ambulance that will be available 24 hours a day by calling 453-3757 or 453-3760. The area the city ambulance will cover include the city limits of Avon Park, SR 17 to Lakemont, U.S. 27 south to Fairmont Drive, U.S. 27 north to Polk County line, Hwy. 64 west to Hardee County line, east to the bombing range.

MRS. ANN ZUHLKE of Avon Park is all smiles above as she receives a check for one thousand dollars in the Kraft Toppings "Recipe Ideas" contest, from Cary Freeman, area manager.

Ann Zuhlke Wins $1,000 In Kraft Contest

Ann Zuhlke, Rt. 2, Avon Park, was a recent winner of a $1,000 prize in the Kraft Toppings "Recipe Ideas" contest. Twenty five prizes of $1,000 each were offered to persons for the best recipes using Kraft Toppings as ingredients in food dishes.

The recipes were judged by the Reuben H. Donnelley Corporation on the basis of the recipe quality, general popular appetite appeal, practicability, use of preparation and the contestant's creative originality with the recipe and use of Kraft Toppings.

A check for the $1,000 prize was awarded to Mrs. Zuhlke, August 18, by Gary Freeman, zone manager.

Clark Receives National Honor In Education

Highlands County school's mathematics and science coordinator Floyd H. Clark has been selected as a Leader of American Secondary Education for 1971.

Highlands School Superintendent George F. Douglass said today his office had been notified of Clark's selection "for this national honor." Clarkhad been nominated by school administrators earlier this year.

Dr. V. Gilbert Beers, director of the Leaders of American Secondary Education programs, explained, "The men and women chosen for this high honor have explored new paths, developed new insights, and effectively communicated their knowledge to their students and colleagues. They are the exceptional teachers."

Clark joined the Highlands County school system in 1951. As county coordinator he has pushed adoption of the "discovery" method of teaching science and math throughout the public schools of the county, emphasizing the students' learning "how to learn new things for themselves". This county was one of the first to adopt "new science and new math" for widespread use in the schools.

Clark is active in Sebring Kiwanis Club, is a member of the county Planning and Zoning Commission, is a member of First Presbyterian Church in Sebring. He is a member of several professional teaching and scientific groups.

A biographical sketch of Clark will be featured in the awards volume of Leaders of American Secondary Education.

Rotarians Hear How The Communist Took Over Cuba

By DON GOSSICK

Avon Park Rotary Club was most priviledged to have a program presented by Mrs. Guadalupe Fernandez on the Cuban situation, past and present. Mrs. Fernandez is teaching in the day care center at Sebring and will be teaching conversational spanish, Tuesday and Thursday evenings at South Florida Junior College, this term.

Mrs. Fernandez is United States citizen and has lived in Florida after coming to this country with her husband and children following the Castro take over of her native land. She was introduced to the Rotarians by Don Farrens in the absence of William Stallard.

Mrs. Fernandez presented in a very vivid and graphic description of the takeover of her homeland by what she described as "Dangers, lies and threats of communism". She described Cuba in the pre-Castro days with its seven million peeple having a strong economy and a per capita income second only to the United States in our hemisphere.

It was a Cuba with free press, free education, a high literacy percentage and five large universities. Contrary to Communist propaganda at this period in regard to the oppressed worker, Cuba had a strong labor movement with one out of every five persons a member of a union.

Her description of the political turmoil during the early 1950's and the eventual stront arm takeover by "Batista", with the population's apparent apathy should serve a warning to us at this period of our history.

On July 26, 1953 with a hundred men, Fidel Castro came upon the scene with an unsuccessful attempt at revolution. After many casualties and his capture, Castro was tried, eventually freed and fled to Mexico. The Cuban people were warned by the me dia during this period of the true intentions of Castro and his communist supporters.

On November 30, 1956, Castro returned to the mountains of Cuba with 82 men from Mexico. Early 1957, articles written in the New York Times had begun to compare Fidel Castro on the same plain as Abraham Lincoln.

Mrs. Fernandez contributes much of the support of the rebels by the Cuban people to the propaganda of the U.S. News Media. She herself ws convinced that the movement was the answer to Cuba's problems. Her interesting descriptions of the rebel leaders visiting and staying with them at their ranch was a good example of the misconceptions of the population. When in December of 1958 Batista fled Cuba, Castro and his army of liberations were given a hero's welcome.

In less than a month, the truth began to appear with police rule the army was disbanded, the free press was silenced, churches were supressed, schools were closed and the squeeze began on private enterprise. The much acclaimed agrarian reform soon became recognized not as land for the peasants, but as takeover by the governament.

The men of Rotary sat quietly and watched the tears come to the eyes of Mrs. Fernandez as she spoke of the regimentation of even little children. We express profound thanks to Bill Stallard for this interesting and enlightening program.

County Faces Pollution Problem

First air, now water and the central part of the county continues to face pollution control problems. At the Aug. 24 session the county's board of adjustment dealt a serious blow to plans for establishing a Sebring city-Highlands County sanitary landfill south and west of Sebring near the Sebring Airpark.

The board of adjustment ruled that seepage from the landfill could pollute Red Beach Lake, but on a motion by Jim Heim, the board voted to re-hear the request if the county commission can show that pollution will not happen.

The commission had contracted to buy a 70-acre site for a landfill from Robert Mitchell, provided that the board of adjustment would grant a special exception to the zoning in that area.

Property owners in the area near the Mitchell property turned up last week to protest the variance request. Del Preston Jones, who chaired the meeting, pointed out the Sebring area has serious problems since the state air and water pollution control officers had issued orders for the city to halt burning the dump, citing air pollution as the reason for the order.

With the burning prohibited the City officials claimed that the dump would soon be filled.

At Tuesday's county commission meeting the commission voted to request re-hearing on the Mitchell property proposals.

MADE HONOR LIST

W. Edward Nickoley of Brentwood Mobile Court, Avon Park has made the honor list for the summer session at the University of Missouri-Rolla.

CAPT. THOMAS HALLAM JR.

Capt. Hallam, Jr. Presented Air Medal Citation

Captain Thomas B. Hallam, Jr., son of Mr. and Mrs. Thomas B. Hallam, Sr., of 26 E. Thomas St., Avon Park was presented The Air Medal Citation for meritorious achievement while participating in sustained aerial flight, in support of combat ground forces in the Republic of Vietnam.

During the period of February 18, 1971 to April 6, 1971, he actively participated in more than 25 aerial missions over hostile territory in support of operations against communist aggression. During all of these flights he displayed the highest order of air discipline and acted in accordance with the best traditions of the service.

By his determination to accomplish his mission, in spite of the hazards inherent in repeated aerial flights over hostile territory, and by his outstanding degree of professionalism and devotion to duty, he has brought credit upon himself, his organization, and the United States Army.

He also received another Air Medal Citation with "V" for valor for a special day when they were under extreme fire in Laos-His helicopter was hit by gun fire.

Capt. Hallam is now stationed at Fort Leonard Wood, Mo.

32 Boys Trying Out For Junior Varsity Team

This year's junior varsity football team will be made up of a lot on new faces. Coach DeWayne Lemler reported that of the 32 boys now practicing, only five were on the team last year and not one of those five was a starter. Coach Lemler and Coach Ed Culbertson promised that if the fans will come out and support the "B" squad team, the boys will give them some games that they won't forget.

This years's team will will be built around a nucleus of boys who played on last years undefeated junior high team. These boys played exciting, explosive ball last season and the same can be expected of them this year.

Prospects for the team are as follows: quarterbacks-Buddy DeWitt, sophomore,Mikey Claitt and William Burley, freshman; halfbacks--Josh King, Ricky Claitt and Randy Cobb, freshman and Marvin Jackson, Joe Gillians, Bernard Jackson, and Edward Moses, sophomores; fullbacks--William Burley and Mark Howard, freshman, Frank Moss, sophomore and Derek Cobb, junior.

Ends-Rick Minard and Eddie Culbertson, juniors and Mearl Robinson and Tommy Wester, sophomores; tackles- Glen Gray, junior and Eddie Whitehurst, Sean Murphy and Dennis Johns, sophomores; guards- Jim Turnbull, Billy Sauls and Bill Farless, sophomores and Howard Dennis, George Heatherly and Ben Wright, freshmen; centers--Tim DuPree and Buddy Gordon, sophomores.

Others expected to report out this week as school starts are Butch Snelgrove and Allan Paddelford.

Avon Mobile Home Park News

RUTH ROBINSON

We are happy to hear that Mrs. Paul (Ginny) Roth is feeling some better, doing a little cooking and writing to her friends, sending greetings to all. She compliments Paul on his good cooking while she was convalescing and we say "keep up the good work, Ginny."

From the north we hear: The Harry Burnetts are fine and anticipating their return to their Florida Home.

Mildred and Glenn Long want to send word that they are hoping many of our park residents are here to greet them when they return. That will be after picking the last of the garden vegetables, cleaning and packing up; leaving the "fallish" weather behind them; probably the middle of October.

The Longs also wish Jonathon Wright a rewarding college life; also complimenting him on his reporting of the news this summer.

Mrs Charles Clemmons had surgery on her arm and was very ill; but is better now. We wish her a complete recovery-speedily; and will be glad to see her back in the sun.

Mrs. Orval Marshall has been with her husband every day while he was in the hospital for three weeks , very ill. He is now in the American Nursing Home, where they observed their 62nd wedding anniversary on Aug. 31. They send there regards to all of their friends.

Mr. and Mrs. Walter Douglas hoped to be here by now, but Ila has been to the Doctor for treatment, and now is improving. They may be here soon.

Mrs. Bea Tingler reports the weather damp, dark, and chilly in northern, Michigan where she will be until Sept. 11th. She sends her greeting to all her friends.

The Boyd Dagers wrote of a wonderful trip, being at the Indiana picnic with Gladys Geib, a visit to the Louis Shoemakers and expecting to leave for Louisiana by plane to stay with their son, John and children, possible until the first of the year. Hopefully, their plans are to come to Avon Park for the rest of the winter.

Mr. and Mrs. Roy Girtenare fine but won't be back for a few more months.

Mr. and Mrs. George Bearss are pretty well and with the cooler weather, are thinking about returning to us. We shall be glad to see them, anytime, now! They do enjoy the shuffle courts at Margaret and Bill Belchers, once in a while.

Mr. and Mrs. Floyd Stevens are both feeling good and keeping busy as usual. Grandma and Grandpa find it enjoyable to be with their grandchildren, daughter and family for a couple of weeks. Mr. and Mrs. Herman Young visited with the Stevens for an evening, last week; and Jonathan again received good words on his news reporting.

Mr. and Mrs Raymond Fries have had a busy summer, with Margaret, however, not feeling too well. They hope to return here about the first of November, but their son may be here earlier, as he hopes to move to Avon Park.

We are expecting Ruby and Ory Myers to return by the end of this week, after a really busy summer with their family and grandchildren in Indiana.

Jonathan write to Sallie and Emmette that he is meeting many interesting people and there is much opportunity for fun, which he doesn't let interfere with his school in the morning and study periods in the afternnon. Or is it viceversa? Good luck to him and we are wanting to hear of his activities and achievements as the year progresses.

Johnson- Weinzirl Wed Friday

On Friday, Sept. 3, Miss Margaret Elaine Johnson of Avon Park and Michael Steven Weinzirl of Clearwater were united in marriage at Florida Avenue Baptist church in a candlelight ceremony.

The bride is the daughter of Mr. and Mrs. Willard Johnson and the bridegroom's parents are Mr. and Mrs. Milton C. Howard, both of Avon Park.

Reverend Clay Jennings performed the double ring ceremony at 8 p.m. before a background of palms and candelabras each holding seven white tapers. The brass kneeling bench was accented with two permanent arrangements of daisies and stock. White satin bows marked the family pews.

A program of prenuptial music was rendered by organist, Mrs. Laverne Hill and soloist, Mrs. Glenda Roberts, aunt of the bride from Winter Haven, who sang, "True Love" and as the bridal couple knelt on the kneeling bench, she sang, "Whither Thou Goest".

BRIDE WEARS LACE

The bride given in marriage by her father, was lovely in a re-embroidered alencon lace gown over slipper satin, which was fashioned by the mother of the bride. The empire waist was accented with a satin band and fell into an A-line skirt. It featured a Mandarin neckline and Bishop sleeves fastened with satin coveredbuttons. The alencon lace train was attached at the shoulder. Her elbow length veil of illusion was held in place with a band of rose buds and seed pearls. She wore a cameo lace choker accented with blue ribbon. She carried a Victorian cluster of Stephanotis, ivy and white roses centered with a white orchid and accented with lavender satin loops and white streamers.

Serving as matron of honor was Mrs. Linda Prescott, sister of the bride. She wore a gown of pink dracon and cotton flocked with white velour, over pink. The sleeveless gown was accented at the empire waistline with pink fivet ribbon and featured mandarin collar. Her headpiece was a bow of white lace, from the bride's gown, and pink velvet, with velvet streamers to the shoulder. She wore long white gloves and carried a cluster of pink carnations, accented with white mum florets on a pearled lace doily.

Bridesmaid was Miss Linda Marshall. Her headpiece and gown was identical to that of the matron of honor and she carried a cluster of pink carnations and mum florets on a pearled lace doily.

Flower girl was Kinberly Roberts, cousin of the bride from Winter Haven. She wore an empire waist gown, the same as the honor attendant only baby blue and accented with baby blue velvet ribbon. Her headpiece was made from the lace of the bride's gown accented with blue velvet streamers falling to her shoulders. She carried a white wicker basket of rose petals which she scattered in the path of the bride.

Ring bearer was Timmy Prescott nephew of the bride.

Serving as best man was Robert M. Howard, brother of the bridegroom from Merritt Island, Florida.

Usher-groomsmen were Milton C. Howard, Jr., of Avon Park and Edwin Howard of Norcross, Ga., both brothers of the bridegroom.

Mrs. Johnson wore for her daughter's wedding a pink polyester knit dress with long white lace sleeves. Her accessories were white and she wore a white orchid corsage.

For her son' wedding, Mrs. Howard wore a powder blue polyester knit sleeveless dress with white accessories. Her corsage was a white orchid.

HONEYMOON TO OCALA

For their honeymoon to Ocala, the bride wore a pants suit of burgundy and green. Her accessories were white and she wore the orchid lifted from her bridal bouquet.

MR. AND MRS. STEVE WEINZIRL

After their wedding trip, the new Mr. and Mrs. Weinzirl will be at home at 507 Ohio Avenue in Crystal Beach, Florida, where Mr. Weinzirl is employed by Automatic Electric of Northlake, Illinois.

RECEPTION

Mr. and Mrs. Johnson entertained at a reception immediately following the ceremony at the Florida Avenue Baptist social hall.

Twin bouquets of pink and white flowers were at the front and rear of the social hall. The gift table was covered with an imported lace cloth from Japan, which was centered with three large wedding bells.

Mrs. Grace Pickett presented guests to the receiving line.

The bride's table was covered with a white lace trimmed linen cloth and held the three tier wedding cake accented with pink roses and green leaves. The botton layer of the cake was square and was adorned with a dainty floral arrangements of pink and white flowers. Separating the tiers were white swan colums, with the top tier holding a miniature bride and bridegroom. Flanking the cake on either side were tall silver candleholders each holding white candles.

The attendants and bride's bouquets completed the table decorations.

The punch table also covered with white linen, held the crystal punch bowl surrounded ith fern and white flowers. Twin silver candleholders were on either side of the punch bowl.

The bride's book, on a table covered with a white hand crocheted cloth over pink, was presided over by Miss Charlotte Selph. A white wedding bell and crystal and silver bud vase, holding a pink rosebud was on this table.

Assisting with the serving were Mrs. Shelley Marrs and Mrs. Ronnie Helvey, sisters of the bridegroom of Avon Park; Mrs. William D. Stone of Clearwater and Mrs. Grace Pickett of Avon Park.

First Presbyterian Church Of Avon Park To Hold Classes

Classes in "The A.B.C's of Christian Discipleship," will begin Sunday night at the First Presbyterian Church of Avon Park. The classes will continue each Sunday night at 7 o'clock for several weeks. The classes are open to those in the community who desire to attend.

Te classes will have the purpose of exploring Christian Discipleship for those who do not know the answers, but who are interested in coming to a better understanding of discipleship today. The classes will have different facets for different people. For some who have not made up their minds about Christian discipleship; it will be more like an "Inquirer Class" perhaps a first attempt to look at the Christian faith. For others, the classes will serve as a "Refresher Course".

For others, it may be the first opportunity to take a look at the basics of the Christian faith. There will be discussion, questions, lecture , and some film strips used in the classes. The atmosphere of the class will be informal, and the purpose is not to find out how much a person knows' or doesn't know about discipleship.

The classes in "The A.B.C.'s of Christian Discipleship" have grown out of the conviction that there is a good bit of "Haziness" in our thinking about discipleship. In the background of the planning for these classes, has been the consideration that even if one attended preparation classes before becoming a Communicant member of the church; there is need to consider discipleship in terms of where we are today.

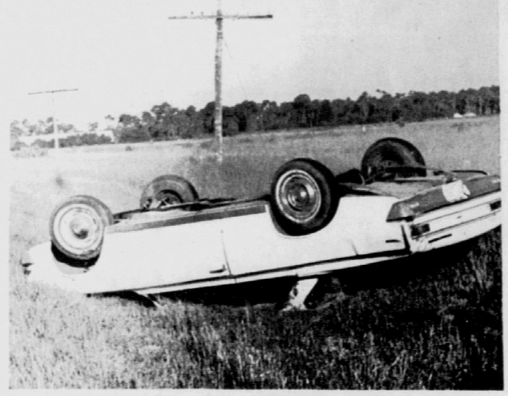

Those who attend may be members of the church or not members. Attendance of the class does not commit one to join any church.

Citrus Industry Day To Be Held October 6

Open Burning Regulations Begins Oct. 1

Because of widespread drought, regulation of open burning in Florida begins Oct. 1, when rules relating to agricultural and forestry burning operations became effective.

Specific rules concerning open burning and frost protection fires have been established by the Florida Department of Pollution Control. Some of these rules became effective July 1,

The division of Forestry, Florida Department of Agriculture and Consumer Services, will be responsible for authorizing agricultural and forestry fires.

"Obtaining permission to burn will not be a complicated procedure," said John M. Bethea, director of the Division of Forestry. "It will require only a telephone call to the local station of Forestry Office."

Bethea said that a representative of the Division of Forestry is located in every county.

"These regulations provide a positive response to the rising demand to reduce air pollution," said Vincent D. Patton, Director of the Florida Department of Pollution Control. "We feel that these regulations are reasonsble, and will not unduly hamper the normal operations of a landowner."

Open burning will routinely be allowed between 9 a.m. EST and one hour before sunset, providing that permission is first obtained from the Division of Forestry.

A complete copy of these regulations may be obtained by writing to the Florida Department of Pollution Control, Tallahassee. Information regarding agricultural and forestry burning may be obtained by contacting any Forestry office. There is one in Highlands county.

NOTICE OF PUBLIC HEARING

DAVE LLEWELLYN

For Whom The Bell Tolls

"Now this bell
Tolling softly for another,
Says to me,
'Thou must die.'

"Perchance he for whom this bell tolls may be so ill as that he knows not it tolls for him; and perchance I may think myself so much better than I am, as that they who are about me and see my state may have caused it to toll for me, and I know not that.

God's Hand in Every Translation

"The church is catholic, universal, so are all her actions; all that she does belongs to all. When she baptizes a child that action concerns me; for that child is thereby connected to that body which is my head, too, and engrafted into that body whereof I am a member. And when she buries a man, that action concerns me: all mankind is of one Author and is of one volume; when one man dies, one chapter is not torn out of the book, but translated into a better language; and every chapter must be so translated. God employs several translators; some pieces are translated by age, some by sickness, some by war, some by justice; but God's hand is in every translation, and His hand shall bind up all our scattered leaves again for the library where every book shall lie open to one another.

"As therefore the bell that rings to a sermon calls not upon the preacher only, but upon the congregation to come, so this bell calls us all; but how much more me, who am brought so near the door by this sickness.

"There was a contention as far as a lawsuit (in which piety and dignity, religion and estimation, were mingled) which of the religious orders should ring to prayers first in the morning; and it was determined that they should ring first that rose earliest. If we understand aright the dignity of this bell that tolls for our evening prayer, we should be glad to make it ours by rising early, in that application, that it might be ours as well as his whose indeed it is.

"The bell doth toll for him that thinks it doth; and though it intermit again, yet from that minute that that occasion wrought upon him, he is united to God. Who casts not up his eye to the sun when it rises? But who takes off his eye from a comet when that breaks out? Who bends not his ear to any bell which upon any occasion rings? But who can remove it from that bell which is passing a piece of himself out of this world?

It Tolls for Thee

"No man is an island, entire of itself; every man is a piece of a continent, a part of the main. If a clod be washed away by the sea, Europe is the less, as well as if a promontory were, as well as if a manor of thy friends or of thine own were.

"Any man's death diminishes me because I am involved in mankind, and therefore never send to know for whom the bell tolls; it tolls for thee."

— John Donne, 1624

"Be not afraid of them that kill the body, but are not able to kill the soul: but rather fear him who is able to destroy both soul and body in hell."

— Jesus, Matthew 10

Self-Insured Retention Plan Adopted By State Of Florida

Following a Cabinet meeting held recently in Tallahassee, State Treasurer and Insurance Commissioner Thomas D O'Malley announced the adoption of a new plan for self insured retention for the State of Florida, with paaticipating excess insurance coverage provided by an insurance company.

O'Malley said that the use of self insurance will extend to the State's motor vehicle fleet as well as to Workmen's Compensation. He further commented that, "It is anticipated that this plan will save the State a minimum of $250,000 on Workmen's Compensation alone through low operating costs."

As to savings on the fleet insurance,O'Malley said, "premiums in excess of $700,000 are now being paid annually, and the implementation of self-insurance for the fleet should result in a savings of at least $100,000 for the State of Florida."

The adoption of the plan is a realization of Phase II of a three part program adopted by the Cabinet in November of 1969. The three phases as they were then proposed are:

1. The consolidation of each State agency's present insurance coverage and recommendation of coverages to be bid as soon as possible.

2. The consolidation of similar lines of insurance into one statewide program wherever feasible.

3. Risk management phase and self-insuring the coverages which would be conductive to self insurance. This would include implementation of safety programs to reduce losses, review and coordination of all claims, and purchase of excess coverage to safeguard the assets set aside for payment of claims.

Through the joint efforts of O'Malley's office and the Department of General Services, Phase I has been completed, the present coverage on each State agency has been tabulated, and like coverages have been combined.

O'Malley stated that because of the necessity for certain legislation to create trust funds, there will be an interim period in which several policies now existing will expire. The creation of trust funds does not mean the legislature will have to fund these trust accounts with new money.

"According to the plan, those expiring policies will be combined with another policy having a later expiration date until the self-insured program can be effected. All policies which expire after the effective date of the self insurance will then be placed into the self insurance fund as they expire," O'Malley said.

Eight Bills Passed By Legislature Concerning Hunters & Fishermen

A total of 113 bills directly or indirectly relating to hunting, fishing and the Game and Fresh Water Fish Commission were introduced in the 1971 session of the Florida Legislature. Eight of these bills passed both houses of the Legislature and have, or will, become laws.

A summary of each of the bills that passed is as follows:

"H. B.360, provides that the Department of Natural Resources may import fresh water fish and game for the purpose of conducting experiments in aquatic weed control.

H. B. 438, regulates the size of striped bass and establishes a minimum size of 15 inches from tip of nose for fork of tail.

H. B. 513, 516 and 706 were combined as a committee substiture creating the Florida Litter Law of 1971 to become effective January 1, 1972. Provides for enforcement by all law enforcement officers, and prohibits littering on public lands and waters and on private property without permission of the landowner.

H. B. 703, provides that no fishing license shall be required of military service personnel who are Florida residents while they are home on military leave for a period of 30 days or less. Provides that leave papers may serve in lieu of fishing licenses.

H. B. 1210, requires a written permit from the Division of forestry before setting fires to any forest, grass, woods, wild lands or marshes, or building campfires or bonfires or burning trash during the drought conditions.

S.B. 518, provides that the DEpartment of Natural Resources through the Suwanee River Authority is authorized to promote the development and improvements of the Suwannee River Area; providdng expenditure of funds will be for a proper public purpose.

S. B. 569, provides that two per cent of all revenue collected under the first gasoline tax be used for controlling noxious aquatic vegetation. Funds not to exceed two million eight hundred thousand dollars.

S. B. 1241, removes caiman from the list of manufactured reptile products prohibited in the alligator protection law.

Entomological Society To Meet Sept. 8-10

The Fifty-Fourth Annual meeting of the Florida Entomological Society will be held September 8-10 at the Jacksonville Hilton Hotel.

The meeting w ill be presided over by Dr. L. C. Kuitert of the institure of Food and Agricultural Sciences, Department of Entomology, University of Florida. His presidential address:"Are we Going to the Bugs?" deals with the future of Florida agriculture since insecticides and miticides are at this stage of development a necessity for raising food and fiber.

Yet mounting political pressures could ban or severly curtail their use even before new answers were found to this age old problem.

How to find the proper balance is the goal of the Florida Entomological Society. They are ready and willing to move into unchartered territory hence their motto for the Fifty-fourth Annual Meeting is : "Entomology-The Past is Prologue."

At 1:40 on Thursday afternoon, R. Earl Dixon, Representative, 25th District, Florida House of Representatives will give his invitational paper on :"Developments in the 1972 legislative session, which may affect entomology."

There will be 29 papers presented among them one that will be welcomed by most Florida home owners: "Predators and parasites of the Southern Chinch bug."

McIntyre Transport Service Announced This Week In Sebring

McIntyre Spreader service this week announced the launching of a companion firm, McIntyre Transport Service.

Owner Ray McIntyre said the transport firm will haul bulk lime, dolomite, and fertilizer. The spreader service has acquired three tractors and six trailers and two more drivers will be employed. Five persons now are employed in the spreader service, which has been in the McIntyre family for 22 years.

"The new firm will help in the spreader operation," McIntyre pointed out. "We will be able to haul our own material."

Headquarters for both firms will be on Sparta road. McIntyre bought the spreader service four years ago from other members of the family.

Among the rolling stock is a new muck truck developed by McIntyre with a special frame and unusually large wheels. It will haul in mucky areas where the average truck cannot go.

The McIntyre operation now supplies farmers and ranchers in Highlands, Polk, Hardee and Okeechobee counties chiefly, but has customers in Okeechobee, Glades, Polk and Hardee counties.

Mr. and Mrs. McIntyre (she is the former Vivian Merritt) both graduated from Sebring high school in 1957. Theirs was a high school romance and they were king and queen of the senior prom. Mr. McIntyre played varsity football four years and she was active in chorus.

He is a member of the Highlands County Cattlemen's assn., Highlands County Farm Bureau, sponsors a Little League baseball team, owns citrus groves and is a former member of the Sheriff's rescue unit.

The family belongs to First Baptist church. Mrs. McIntyre is a member of the VFW auxiliary.

They have three children: Raymond, 12; Russell, 9, and Susan, 6.

MR. AND MRS. HOWARD W. HART

Couple Wed In First Baptist Church In Sebring August 21

Miss Bettye Louise Lipham, daughter of Mrs. Frances Lipham of Sebring, became the bride of Howard Wayne Hart, son of Mr. and Mrs. Ike C. Hart, Jr. of Avon Park.

The First Baptist Church of Sebring was the scene of the wedding that was held at 8:00 p.m. on August 21. The Rev. Robert Bateman officiated at the single-ring ceremony. During the ceremony the bridal couple lit a candle together to signify their unity.

Palms, candelabras, and two baskets of pink and white gladioli and carnations comprised the decorations in the church. Roy Cox, Jr. was organist for the wedding.

Wore mother's gown

Bettye wore her mother's gown of white taffeta, fashioned with a sweetheart neckline and leg-o'-mutton sleeves. Her handmade three tiered veil of illusion was held in place by a large satin bow. She wore a cameo necklace that belonged to her great grandmother, and Bettye carried a small white Bible, showered with tiny pink roses and long pink and white streamers. The Bible was her mother's.

Maid of honor was the bride's sister, Miss Carole S. Lipham. She wore a pink taffeta dress overlayed with chiffon. The cameo pin she wore at the neck of her dress was presented to her at the rehearsal dinner.

For her daughter's wedding, Mrs. Lipham wore a baby blue knit A-line dress with a corsage of blue-tipped carnations. She was presented with a rose from her daughter's bouquet as Bettye walked down the aisle.

Mrs. Hart, the bridegroom's mother, wore a pink and white dress with a corsage of pink-tipped carnations. She was presented a rose from the bride's corsage at the end of the ceremony.

Bestman was William H. McPhail, Jr. of Dundee. Ushers were Darcy Tatum, Ala.; Alvis Wales, Auburn, Ala.; William A. Watts,III, Birmingham, Ala.; Ronald James, Gainesville, Fla.

Reception at Fellowship Hall

Mrs. Frances Lipham entertained with a reception at the First Baptist Church Fellowship Hall. The bride's table was covered with a hand embroidered cloth that held the four tier wedding cake. Bettye's bouquet adorned the bride's table; while the maid of honor's bouquet was on the punch table. Bouquets of gladioli, roses and carnations were in arrangements about the room.

Mrs. Sandi McPhail of Winter Haven and Miss Sue Ayerst of Avon Park served the cake. Mrs. Yvonne James of Gainesville and Mrs. Fred T. Fields of Sebring served punch. Floating hostesses were Mrs. Nita Stewart, Mrs. Nancy Kohler, Miss Monica Sauls, and Miss Martha Kay Wild. Miss Kathleen Thiele kept the bride's book.

When the bridal couple left for a week long wedding trip to Crooked River State Park in Ga., the new Mrs. Hart was wearing a navy blue A-line long sleeved dress with a big, white collar. She wore the corsage from her bridal bouquet. The bride is a 1969 graduate of Sebring High, and she attended FSU in Tallahassee. She is presently employed by Fred T. Fields, O. D. in Sebring.

The bridegroom graduated from Sebring High in 1965 and from Auburn University in 1969. While at Auburn he was a member of Alpha Phi Omega Fraternity. He is presently employed by Hart Memorials.

Rehearsal dinner

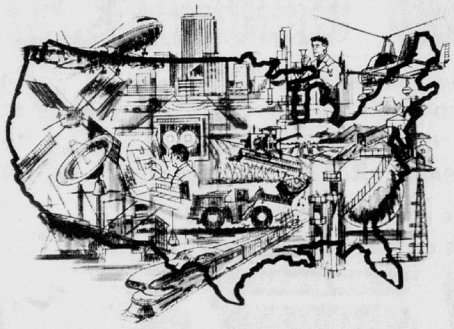

Mr. and Mrs. Ike C. Hart, Jr. were hosts for the rehearsal dinner which was held the night before the wedding at the home of Mrs. Doris H. Cronia, Dinner Lake.

Girls Relate Switzerland Trip to Avon Park Rotary Club

By AARON CRAVENS

FAther John Knapp introduced Miss Elizabeth King, a senior in Avon Park High School and Miss Meroe Henry, a freshman at South Florida Junior College who spent the summer in Zermatt, Switzerland.

The girls took turns in recounting their experiences and showing slides of the beautiful scenery of the Swiss Alpine country. They described the city of Zermatt as a beautiful city of 1500 population in summer, snuggled at the base of the renouned Matterhorn, yet 5300 feet in altitude. Visitors at times swell the population 15000 to 25000 people especially during the winter skiing season.

They described the Swiss people as relaxed, easy going people- not as competitive and interested in money makings as Americans. They are very compassionate and hospitable. They close shop for a couple of hours each afternoon for a siesta. Two policemen take care of the law enforcement. Their motto is "piano, piano", which means, slowly do everything and live a little.

Both girls said their first impressions were the same- "I don't believe". They were impressed with the beauty, the flowers, the cows everywhere, the lack of cars and the lack of pollution. They took skiing lessons- snow, not water. They hiked, played tennis, and went bicycling all at a leisurely pace. They visited Florence, Italy. They eejoyed the art treasures, the narrow streets, and especially the food but not the 107 degree heat.

The purpose of the trip was not-just a tour- but to "live" in Switzerland". They brought back many happy memories and a desire to revisit.

District Scout Executive Resigns

Don Brooks, 41, district Boy Scout executive for the past four years, resigned this week and will possibly go into real estate.

Mr. Brooks' resignation is effective Sept. 15. He plans to take the real estate course at South Florida Junior College. He and his family will remain in Sebring and he will be a volunteer scouter.

A replacement for Mr. Brooks has not been announced. Mr. Brooks said he resigned because he had reached the peak of his scouting ability and to continue in scouting he would have to leave Sebring. The family prefers to stay in Sebring.

A Message From . . . *Thrifty Maid*

WHEN LEUKEMIA STRIKES . . . EVERYTHING STOPS

EVERYTHING . . . the giant wheels of industry, the tiny wheels of a clock, the spoked wheels of a bicycle . . .
EVERYTHING STOPS . . . the businessman at the prime of life, the athlete at the peak of health . . . the child at the doorway to the future . . .
EVERYTHING STOPS . . . work, play, laughter . . . LIFE . . .
EVERYTHING STOPS . . . for the one American who will be stricken with the disease every 10 minutes . . . for the one person who will die from leukemia every 45 minutes . . . for the more than 70,000 Americans who will be affected each year.

Leukemia claims the lives of more children than any other disease. Leukemia is incurable, unstoppable, unpreventable but not invincible. Striking swiftly, silently, perniciously, leukemia is a destroyer of hopes and dreams — an enemy of the people, and, as any enemy of the people, must be joined in battle and conquered.

This battle must be waged by an army, a citizens army of people who are willing to pledge their minds and hearts towards fulfilling the American concept of security for all . . . an army that will provide **the power, the force, the will and the dollars** to establish a legacy of health and happiness for our children; we urge you to join the army . . . with your time and your **personal gift**.

Help us.

STRIKE BACK WHEN LEUKEMIA STRIKES. Contact your local LEUKEMIA SOCIETY CHAPTER, or write to: Leukemia Society, Inc., 211 East 43rd Street, New York, N. Y. 10017.

The Leukemia Society is the only National voluntary health agency concentrating all of its resources on the single problem of Leukemia and dedicated solely to eliminating this fatal disease.

SKILLET BARBECUED HAMBURGERS

1½ lbs. W-D Brand Ground Beef
1 Pinebreeze Egg
½ cup chopped Harvest Fresh onion
1 tsp. Astor salt
1/8 tsp. Astor pepper
¼ cup bread crumbs
2 tbsp. Astor cooking oil
1 cup Bar-B-Q sauce

Lightly mix first six ingredients. Shape into 6 king-size hamburgers. Brown on both sides in hot vegetable oil. Remove burgers from pan long enough to pour off oil, but keep in the browned bits. Place meat back in pan; pour barbecue sauce over top. Cover and simmer 15 to 20 minutes. Makes 6 servings.

Fashion, Toys, Autos For Nostalgia Lovers

The nostalgia fad which is sweeping the nation, sending people into bookstores for "new-old" reading matter, has hit again, this time with three books aimed directly at the fashions, playthings, and automobiles of the late 1800's and early 1900's. The publisher is Digest Books, Northfield, Ill.

Researched and edited precisely for nostalgia lovers, the new three volume Wonderful World collection includes *The Wonderful World of Ladies' Fashion, 1850-1920; The Wonderful World of Toys, Games and Dolls, 1860-1930; and The Wonderful World of Automobiles, 1895-1930.*

Each edition has been prepared from careful research and editing among rare old catalogues, periodicals, and books — some almost 75 years of age. Only the most fascinating, unique, and unusual illustrations, advertisements, and stories were selected for inclusion in the new books. According to the publisher, this was done to maximize their browsing and conversation value among nostalgia fans.

All Books is well-known for publishing the *1908 Sears, Roebuck and Co., Mail Order Catalogue* which has now sold more than 500,000 copies and is in its fifth printing.

The editor of the Sears catalogue and of the three new books is Joseph J.

Three priceless engravings reproduced from the new three volume Wonderful World nostalgia collection recently published by Digest Books, Northfield, Ill. Shown above are an 1896 "Visiting Costume", a 1906 Columbia touring sedan, and a child's pull toy from 1892.

Schroeder, Jr., a nostalgia buff himself.

The fashion book has hundreds of illustrations of what milady wore, from "toilettes" to bustles, hoop skirts, crinolines, union suits, and underpinnings. It also contains many pages of fashion advice, "snake oil remedy" advertisements, and recipes.

The book on playthings contains mechanical banks, steam powered boats, electric trains, dolls and doll houses, and parlor games and puzzles, many of which readers will recognize.

In the auto book, Digest features a complete catalogue

Clay Kulls Back Home From 22 Day Scandinavian Tour

The party of 27 flew from New York to Norway's western port, Bergen. Ir was 42 degrees that morning but soon warmed up and thereafter the weather was delightful.

The tour director was a young Norwegian from Oslo. He spoke excellent English. All children in Norway are required to study English from age 10.

The party traveled mostly by motor coach but some by boat, including one over night trip.

Some of the highlights of Bergen were the Hanseatic League Museum in the old quarter, the Fana Stave Church and the Trollhaugen home of Edvard Greig.

As is the custom in the hotels, all of the breakfasts and most of the luncheons in Norway and Sweden were served smorgasboard style. In Denmark more were served in the usual way.

They next headed for Atalheim, situated high overlooking a canyon far below. The next morning they motored slowly down 14 serpentine steep curves of 20 per cent grade to the lower road in the canyon to board a ferry on Sognefjord for a 2½ hour cruise. This is Norway's longest fjord. In mid stream the party changed to a second ferry and from it to a third one on their way to Balestrand. It is said that these beautiful fjords are as deep as the adjacent mountains are high.

The drive from Balestrand to Loen, where they remained two nights, is thru fjord, lake and mountain country, rushing streams and waterfalls, everything so green, a glacier high in the distance and many curves on narrow but good road. They were up to tree line level of 3000 ft.

At Lillehammer they visited an open air museum of the Sandvig Collections; showing the old Norwegian farm houses of rough hewn timber, sod roofs, from various regions. These show how the people lived as far back as 1100 and 1500, all the family and relatives in one primitive building. There were animal and storage buildings. In a storage loft there was an exhibit of hanging meat and cheese, 100 years old. It was very hard, having been preserved by salt and the dry air.

Another modern museum showed, with tools, the evolution of nearly every trade and profession. Lillehammer is one of many places where scenes were filmed for the "Song of Norway".

Now, in Sweden, in the town of Mora, at the Anders Zorn Museum, viewing a collection of his and other painters and old silver where they also visited a colorful wood horse factory.

Stockholm is called the 13 island Venice of the North. There the Swedish frigate, "Wasa", sank in 1628. In 1961, 333 years later, it was raised and restored. Fifty anchors of other ships hooked in the wreck were found but its own anchor could not be identified. Open museum to see much of the work of Carl Milles, the sculptor, some of which is in the extensive grounds outside.

Leaving Stockholm after three days they traveled west to Karlstad, stopping at Gripsholm Castle to see many painted portraits of Swedish Kings and other rulers of Europe.

Leaving Karlstad they stopped at a vast estate near Rottneros, terraced, gorgeous flowers, fountains, and bronze sculptures by Carl Milles and many other Swedish sculptors, a beautiful place.

Now back in Norway in its capital of Oslo, some of their highlights were: Vigeland Sculpture Park. Gustav Vigeland's bronze tree groups and granite groups around the fountain represent the epic of life from the cradle to the grave. The huge granite monolith contains 121 human figures struggling upwards; the reconstructed Viking ships and archeological finds; Kon-Tiki Raft and museum; and the Polar Ship "Fram", used by Amundsen to the South Pole, and by others before him.

On an overnight ship they crossed the Skagerrak from Oslo south to Denmark. In Odense they visited the museum of Hans Christian Andersen.

The last three days was at Copenhagen. They saw the Tivoli Gardens at night with its extensive illumination between the trees; the Crown Jewels in Rosenborg Castle; the Little Mermaid Grundtvig's Church; Kronborg Castle, at Helsingor, Hamlet's Elsinore.

At a one ring circus, among other things, they saw a game of hockey played by two dog teams, large bull dog breed, four dogs in red jackets, four dogs in blue, bumping a large clear plastic baloon with their noses.

It was a fast and furious game which they apparently enjoyed. Often the baloon broke. A small dog refereed.

From Copenhagen they returned to the U.S.A. by plane.

SHUFFLING

No shuffling on Wednesday evening because of rain.

But on Saturday evening there were six full courts of players. The winners were first, Frank Burnett and Al Ross, second, Clay Kull and Herb Shauger, third, Herman Wurster and Bernice Long, fourth Nancy Burnett and Judy Kerr. It was a beautiful evening to play.

CARD GAMES

Winners in this weeks pinochle games were Allene Howard 788, Bill Johnson 585, Helen Good, 545 and William Trapp 604.

SUPPER

To celebrate Labor Day, 20 folks came to the club to fellowship one with another by having a bountiful supper. Zeola Kellogg was honored with a birthday cake, a beautiful white one with five candles, one which she couldn't seem to blow out. Mrs. Kellogg brought the two bouguets of beautiful red roses that she grows in her yard. Next day they were taken out to the hospital for Gertrude Fensterman, who is doing very well now, and will be in her own home right shortly.

NEWS OF THE WEEK

Glenn and Mildred Long, hud a visit from Hurricane Dorea the 28th of August. Dorea left them without electricity, and telephone service for several days, by taking down a big hickory tree which fell across the wires. Their yard was simply full of debris, and their neighbors have been helping them get rid of as much as they could. This all happened in Plantsville, Conn., where the Longs live when they are not in Florida.

The Longs went up to York State to visit friends and while there they called on the Harry Browns and the Earl Baxters, both come to Avon Park in the winter.

Recent returnees from the north are the Toney Kerrs, from Detriot, Mich., the Zeno Warners, who vacationed in Clyde, Ohio, William Trapp from, Gary, Ind., Ethel Laubensheimer from Nauvoo, Ill, and the Ira Shaders from Royal Oak, Mich.

DANCE AT SFJC

There will be a dance Friday night 8:30 at South Florida Junior College in the amphitheatre. The Gladstone will play for the dance which lasts from 8:30 p.m. till 12:30 a.m. Admissions will be $1.00 per person. Students from all high schools as well as college students are invited. This dance is sponsored by the SFJC Young Rebublican Club.

Democrats Planning Big Rally October 2

Governor Rubin Askew and Lt. Governor Tom Adams will be in Highlands County Saturday, Oct. 2, to attend an all day Democratic rally and barbecue, according to C. Wesley Ward, chairman of the event.

The rally and barbecue is sponsored by the Highlands County Democratic Executive Committee and will be held at Ft. Bassinger. The event will get underway at 11 a.m. at the Old Ft. Bassinger school house on Hwy. 98 at the Kissimmee River.

"We're delighted to have the governor with us," stated Ward, We originally invited him but the opening of Disneyworld conflicted with our event here in Highlands County. However, a few days ago, the governor called to inform us that he too will be along with us with Lt. Governor Tom Adams."

Askew kicked his election campaign off here in Highlands County with Tom Adams the day after Adams was selected as his running mate. They attended a Democratic rally and barbecue at the W. A. Scarborough Ranch in south Highlands County.

Another big name was added to the list of VIPs expected to attend the big Democratic barbecue Oct. 2 at Ft. Basinger - Sen. Lawton Chiles.

Jon C. Moyle, chairman of the Florida Democratic Executive Committee, and State Senator Wilbur Boyd of Palmetto will also attend the rally.

Ward said it will be a day of activites and entertainment that the entire family will enjoy. Vince Caporale and the Holiday Inn Trio will be on hand to provide the music. The speeches will be short and informative with lots of good barbecue and refreshments.

Mrs. Edna Pearce Lockett, chairman of the Highlands County Democratic Executive Committee said the real purpose of the rally and barbecue is to bring Democrats from neighboring counties together. She said the counties in south central Florida should work together in view of legislative reapportionment and congressional redistricting in 1972 and the 1972 elections.

At the present time, the central counties are grouped in with the big counties on the coasts for legislative and congressional representation.

"We think we can provide an example by getting the Democrats together from the neighboring counties as we all have something in common with each other," stated Mrs. Lockett.

Red Devils To Open Season Against Strong Father Lopez

The Avon Park Red Devil football team will open its 1971 season tomorrow (Friday) night here at Memorial Field against the number two rated team in Florida Class AA or A Football.

The Father Lopez team of Daytona Beach went all the way to the semi-finals of the Class B play offs last season and are rated in the number two spot in smaller school competition this year. The Red Devils and Lopez are both Class AA schools this season after the state high school system was revamped.

Last year the Devils went to Daytona Beach and lost to Lopez by a score of 28-15 in the season opener. This year's Lopez team is scouted to be very strong defensively. The boys are well coached and execute the defense patterns excellently according to pre-season reports. The Father Lopez boys will also have a formidable offense. As local fans remember from last year, the boys from Daytona Beach can move the football on the ground and expecially through the air

But Avon Park's coaching staff is hoping to have the young, inexperienced Devil squad up for the game tomorrow. Last Friday night the Devils divided up into two squads and scrimmaged for a half for a record crowd of fans at the annual soap scrimmage and the boys looked very impressice at times. In any event, Avon Park fans can expect to see one of the top Class AA teams in the state in action here Friday night and if the Devils can hold their own against this type of competition, the season should look very bright for the home fans.

On the other hand, Father Lopez probably looms as the toughest team the Devils will meet all season, so a well-played game by the Devils should put the boys in good shape for next week's battle in Mulberry against the Panthers.

Last Friday night James Coleman scored the only touchdown of the evening for the varsity on a long end sweep. Coleman missed action in the jamboree competition due to a broken toe but seemed to be running good last week. These boys reported out for practice last week. Artie Bass, a sophomore, is working at a halfback slot and did some good running in scrimmage. Leon McRae looked sharp at linebacker for the red squad. Mike Archer has been out for practice but didn't dress out last Friday night.

So this year's team will have 10 seniors--backs Don Sisemore, Eddie Ezell, Earl Strong, and Roy Lamb and lineman Sam Dasher, Ted Long, Randy Ward, Lloyd Lee, Ray Culpepper and Willie Davis.

The 14 juniors out for the team are Virgil McInvale, James Coleman, Arnold Davis, Charles Johns, Ricky Lanier, Wayne Todd, Keith Richards, Andy Prescott, James Walker, Bud Wester, Jarvis Hartt, Barry Tate, Leon McRae, and Mike Archer.

The team will probably see plenty of action from some of the eight sophomores on the squad--Nathaniel Packer, Haywood Batts, Nate Williams, Gregg Hartt, Alcus Snell, Danny Lewis, Ronnie Dick and Artie Bass.

The starting Devil backfield tomorrow night will probably have Gregg Hartt and James Coleman at halfbacks with Jarvis Hartt or Keith Richards at fullback behind quarterback Don Sisemore. At ends will be Nathaniel Packer and Wayne Todd with McInvale and Ward at the tackle slots. James Walker and Charlie Johns may be at the guard positions with Ted Long over the ball at center. This past week's practice may bring some changes before the game however.

The athletic association had a good night last week at the annual fish fry selling out over 200 plates of the mullet to Devil fans. Bill Rowland reports over a thousand bars of soap were turned in at the gate to help keep the Avon Park boys clean this season.

A record crowd of fans was on hand to take a look at all three Avon Park football teams. After a half of scrimmage by the varsity, Coach Ken Shackelford's eighth and ninth grade team took to the field for one quarter of scrimmage and the Coach DeWayne Lemler and Coach Ed Culberton took their "B" squad out for a quarter of scrimmage. The boys on all three squads looks sharp and the hitting was hard on all levels.

Looks like an interesting season for Avon Park fans starting off tomorrow night here at Memorial Field with kick-off set for 8:00 o'clock with the Avon Park Red Devils taking on the Father Loppz Green Wave of Daytona Beach.

Election Books Are Open

Registration books for Avon Park city election to be held the first Tuesday in December, opened at the city hall on Tuesday, Sept. 7. Books will be open each business day from 8 a.m. until 5 p.m. through Friday Nov. 5.

During the first week only five new voters registered. Of this number only two were below the age of 21.

This year two city council posts and the mayor's office are to be filled. The terms of Councilmen Don Serdynski and Milton Howard expire as of the first business day of January, 1972. Mayor Bob Barben's seat will also be up for grabs.

Candidates this year will find much more red tape to the business of running for office. They are now required to designate campaign treasurer and depository before qualifying. A report of donations and expenditures is required each 15 days and special forms must be used for this purpose.

Qualifying fee remains the same, $25.

Modular Homes Gets Council Approval

At the regular Avon Park City Council meeting Monday night George Gold of Department of Community Affairs, Tallahassee, appeared in regards to the City of Avon Park obtaining a city planning grant under Federal 701 program.

He explained there were three parts, research, planning and implementation. Necessary steps to be taken included discussion, passing of a resolution and a meeting of their representative with city officials and a planning consultant to be selected by the city. He stated they had a list of planning consultants who were approved by their department.

Motion by Councilman Jack Duggan, seconded by Councilman Milton Howard to adopt resolution on planning. Motion carried unanimously.

Bob Griffin of Scotty's modular homes and Carl Weeks a building contractor from Wauchula appeared before the council in regards to installing their factory built homes in Avon Park.

They have submitted plans to the city building inspector, Earl Spurlock, and a letter from Spurlock was read to the councilmen stating that plans met all city codes as corrected. Spurlock, Mac Flowers, electrical inspector and Councilman Durrah Martin had visited the Scotty's modular home factory in Pembroke and were impressed by the quality of construction.

Weeks said his company had purchased several lots in KF subdivision for erection of these homes.

City Attorney Jack Hancock told the council that he had received a letter from Scotty's modular home officials indicating they would pay the expense of city officials to make inspections during construction at their plant.

Mayor Bob Barben said the city must reserve the right through inspections to maintain the quality of homes according to city codes.

Motion by Martin, seconded by Howard to permit erection of factory built homes within the city if they pass all city inspections. Motions carried unanimously.

A letter from the Department of Transportation in reference to the meeting held with city officials on August 31 was read by City Clerk Malcolm Crews. They have agreed to all city request. They asked a ban on parking on U.S. 27 within the city limits.

Motion by Duggan, seconded by Howard to approve the recommendations in letter from Department of Transportation with the exception of requesting traffic survey for a signal light at SR 64 and SR 17 (East Main and Highlands Ave.) be made immediately. Motion carried unanimously. It had been

Work On New High School Is Still Not Completed

It was literally be the first of the year before work is completed on the new Avon Park High School. At its September meeting Highlands County School Board agreed to to along with a recommendation that final installation of carpeting in the school library be scheduled during the school's Christmas vacation.

A representative of the school architect, Watson and Co., said several attempts to get an acceptable installation of matched carpeting have failed and now to avoid interferring with classes, the architect would recommend using the library with its mismatched carpeting. During the holiday vacation a final installation of new, matched carpeting would be made.

The archietect said work on Avon Park and Sebring High Schools is "for all practical purposes complete." He said painting in the gyms is due to be finished this week, and seats for the teaching auditoriums are scheduled for delivery this week.

The board formally requested an inspection by the State Department of Education for Thursday, Sept. 23. Superintendent George F. Douglass said the new additions at Lake Placid Elementary and Fred Wild Elementary in Sebring should be ready for inspection on that date too.

The architect said some workmen will be working at the two high school sites for about four weeks.

At its September meeting the school board awarded bids for $1,534 worth of new science equipment for two classrooms at AVon Park High. McAllister Scientific Co. won the bid.

SEEK GRANT

The school board authorized filing of an application for a $230,000 from the federal Emergency Assistance Act. Program. Last year Highlands County received $32,000 in ESAP funds and while the total grant sought this year may not be awarded, Douglass, explained, he had been assured that thegrant will be larger than last year's . ESAP grants are for special programs to smooth racial integration problems.

The board also voted to continue a contractural agreement with Winter Haven Community Mental Health Center. Under this agreement Highlands County schools receive staff assistance from Highlands Mental Health Center, a satellite of the Winter Haven Center

The board authorized an insurance study for the county schools. The Superintendent pointed out "the insurance picture is very dismal." He said companies are increaingly reluctant to insure public schools and are demanding high deductible provisions.

OTHER BUSINESS

In other business at its Sept. 9 meeting the school board--approved aid in lieu of transportation for W. R. Eaton, Jr., and Walter H. Waldron.

Approved a South Florida Junior College request for us of the Avon Park Middle School gym.

Approved a request for the Citizens Band Radio Club to use the old Lorida school building.

Approved a request for a Goodwill Industries drive, Nov. 1-9.

Requested the state Department of Education to release textbook funds (about $3,900) for purchase of text material not on the state approved textbook list.

Approved a $30 a month travel allowance for Garland Boggus, county transportation andpurchasing supervisor.

Authorized payment of $528 to J. M. Whitaker for additional paving at Lake Placid.

Approved a request from Avon Park Junior Womans Club to hold a Halloween Carnival on the Avon Park Middle School Grounds, Oct. 30, 3 to 6 p.m.

Avon Park Gets $8,610.13 Cig Tax For June

Either more people were smoking - or people in Highlands county were smoking more during June.

Figures just released show substantial increases in cigarette tax collections in all three cities in the county and in the rural areas.

The figures were: Avon Park $8,610.31 compared to $7,038.73 for June a year ago; $4,841.96 compared to $3,817.91 for Lake Placid; $12,219.42 compared to $11,439 in Sebring and $2,156.96 compared to $1,892.19 for the rural areas.

Some people go into debt to catch up with those who already are.

Prosperity may turn a corner, but it seldom squeals tires in so doing.

Local Teachers Selected Leaders American Elementary Education

Virginis Crews and Maryanne Reddick have been selected Leaders of American Elementary Education for 1971 according to Norris T. Brooks, principal at Avon Elementary School.

Nominated earlier this year by the school's administrators, these educators were selected for this national honor on the basis of their professional and civic achievements.

Leaders of American Elementary Education is an annual program honoring the men and women who have distinquished themselves by their service and leadership in the field of elementary education. Each year, the biographies of those honored are featured in the awards volume, Leaders of American Elementary Education.

In announcing the award winners to the school principal, Dr., V. Gilbert Beers , director of the Leaders of American Elementary Education program, cited them for their outstanding service.

"The men and women chosen for this high honor," Dr. Beers said, "have explored new paths, developed new insights, and effectively communicated their knowledge to their students and colleagues. They are the exceptional teachers."

Guidelines for selection include an educator's talents in the classroom, contributions to research, administrative abilities, and civic service and professional recognition.

Dr. Beers, in addition to directing the national educational awards program is a noted teacher, writer, and editor of educational publications. He holds a Ph. D from Northwestern University and additional degrees from Wheaton College and Northern Baptist Theological Seminary.

Mrs. Watterson announced that the Sunday is now back to normal procedure, coffee as well as juice will now be served.

Father Knapp presented an audio demonstration, a tape recording by Red. Barber, noted sports commentator, entitled "The Game of Life."

The antique flea market is scheduled for March 18th. Members are asked to start making plans to donate to the various booths.

Mrs. Hise thanked Mrs. John Gross for the delicious refreshments served to the group. The next meeting will be held Wednesday, Oct. 13th in the Parish House, after mid-week communion.

Letter To Editor

Dear Editor:

As a former Floridian, and an officer of the Citizens Committee for the Conquest of Cancer, I wish to call your attention to a bill being considered by Congressman Paul Rogers' Subcommittee on Health and Environment.

The bill in question has the endorsement of the American Cancer Society, the National Panel of Consultants (which includes most of the country's leading cancer experts) and the United States Senate (79 to 1 vote). This measure sets up a National Cancer Agency within NIH but directly responsible to the President, which would coordinate an all out check on this dread disease.

Congressman Rogers, as Chairman of this important House Subcommittee, will hold hearings on the bill on September 15 and I urge all in the 9th district in particular) to write him requesting that he vote favorably on this crucial step toward conquering cancer.

There has been a certain amount of obstruction taking place in Washington—some high level bureaucrats don't want to see their administrative power reduced—so be sure when you write to mentiont the bill endorsed by the above named groups.

Chevrolet adds distinctive appointments to

Luxurious 1972 Caprice Coupe

The 1972 regular Chevrolets have added distinction plus strong emphasis upon quality. There is a new squared-off look to the front with a lower grille and individualized headlights. This luxury Caprice has a special large grid grille, full length side moldings with a color insert plus exclusive interior appointments. All regular Chevrolets have stronger front and rear bumpers. Variable ratio power steering and power brakes with front discs are standard. Turbo Hydra-matic transmission is standard on regular V8 models. Introduction date for all 1972 Chevrolets will be Thursday, September 23.

New Chevrolets To Be On Display September 23

Quality is the keynote of the Chevrolet Motor Division's 1972 product program.

John Z. DeLorean, general manager, pledged that the 1972 models scheduled for public introduction Sept. 23 till be the best in Chevrolet's history.

You can see the new Chevrolet at I. H. Ford Motor Co. W. Main St., September 23.

"From the luxury Caprice to the economy Vega," DeLorean said, "we have limited the changes in our 1972 models to refinements and products improvements, while we concentrate on building each car better than ever before.

"Every one of our car lines is designed to meet the consumer emphasis on maximum value and quality in an automotive purchase.

"By providing with our 1972 models a better, more trouble free way to see America, we hope to stimulate new public awareness of the individual freedom for enjoyable family travel offered by the automible."

He said new manufacturing and assembly and quality audit procedures and motivational programs to stimulate added pride of workmanship among Chevrolet's 1000,000 employes are among steps toward improving quality.

DeLorean also said the division is implementing new programs to guide Chevrolet dealers in giving improved customer service.

The full sized Chevrolet for 1972 has new front and rear styling. It also has heavier, stronger bumpers that extend farther away from the body sheet metal as part of the improved bumper impact protection.

Chevelle, Monte Carlo and Camaro have front end styling refinements an all car lines including Station Wagons, Nova and Corvette have engine, chassis and durability improvements. An anti-theft warning system becomes standard on Corvette.

Chevrolet's newest car—the top selling Vega--keeps its promise of styling continuity. Improvements include addition of a glovebox and the availability during the model year of an optional Turbo Hydramatic three speed automatic transmission.

Chevrolet continues to offer the industry's widest assortment of station wagons in 1972. Big Chevrolet-styled wagons have the Glide-away disappearing tailgate; the mid-size Chevelle-styled wagons have dual action gates and the small Vega Kammback has a one piece rear window gate that swings up for easy accessibility.

All Chevrolet engines for 1972 have improved exhaust emission controls. As was the case in 1971, all engines have been designed to operate efficiently and with lower exhaust emissions on regular, low lead or no lead gasoline.

Chevrolet for 1972 publishes net or as installed horsepower ratings. The net test method follows the recommended procedure of the Society of Automotive Engineers and simulates actual performance as installed in an automobile.

Every 1972 Chevrolet has extensive safety features for occupant protection, accident prevention and anti theft protection .

Chevrolet offers 15 Magic Mirrow colors for 1972, of which 10 are new. There are six two-toned color combinations. New for 1972 are a "wet look" appearance of the five vinyl roof colors and a single, wider white stripe on optional whitewall tires.

The Window Washers' Friend

Guide tracks for the platforms used by window washers on high-rise buildings are often fabricated of nickel stainless steel for strength and resistance to atmospheric corrosion. Such guide tracks are used on the new World Trade Center in New York; the Mercantile Building in Baltimore; the First National Bank in Chicago, and the Albany, New York, South Mall.

reported that around 350 vehicles go through the busy intersection in one hour period in the morning and afternoon.

OTHER BUSINESS

George Haynie, representing the Chamber of Commerce and the Kiwanis Club, requested October to be declared "Clean up-Green Up" monthin the city of Avon Park. He suggested prohibition of posters on poles in the city, and suggested planting of rye grass during the month of November by citizens of Avon Park.

Mr. Haynie abourged more trash cans in the city. He told the council that he appreciated what the city had done about the junk cars. Duggan said the problem of junk cars were beginning to show up again and that the city would haul the junk cars of free by calling the city hall.

Motion by Howard, second by Martin to declare October as "Clean Up-Green Up" month. Motion carried unanimously.

The ambulance report showed 16 runs made since the city took over the ambulance service.

Mayor Barben recommended appointment of Jerry Boone and Elder Thomas Brown to fill vacancies on the Bi-Racial Committee. Motion carried.

Tony Chapell of Southland Trailer Park requested a reduction in rates for garbage and trash collection for his park. The action on this was tabled for further study.

Motion by Howard, seconded by Martin to place Ordinance No. 538 (1971-72 city budget) on first reading, Howard, Martin, Duggan and Don Serdynski voted "aye" Clarence King "nay".

Serdynski expressed appreciation for the city's help in making the Florida Home Juice Golf Tournament a success. He said they had several compliments about the condition of the course.

Aggravated Assault and Robbery Cases Again Avon Pair Postponed

Circuit court disposed its long September docket last week without a trial. Two counts of attempted robbery, aggravated assault and robbery against Dannie Lee Butler and Levi Cobb of Avon Park were continued to Dec. 6 for trial.

Robert Jenkins, of Sebring, charged with second degree murder and assault with intent to commit murder, second degree, pleaded guilty to the assault charge. On the murder charge he pleaded guilty to the lesser charge of manslaughter.

Prior to Jenkins's entering these pleas Judge Clifton M. Kellu had ruled Jenkins competent ot stand trial. Jenkins had been accused in the fatal shooting of Edward Clue at a Sebring house on May 23 and the wounding of Elizabeth Samuel in the same fight.

L. J. Rogers of Homestead, charged with larceny of automobile, pleaded guilty to a lesser charge of unauthorized use of an auto and was sentenced to dix months in the county jail with credit given for the jail time he has served since his arrest early June.

Edward Cannon, Avon Park charged with aggravated assault, pleaded guilty to thelesser offense of assault and battery. He was adjudged guilty and sentenced to the time he has already served–three months in county jail.

Willie Lawson of Sebring, charged with aggravated assault, pleaded guilty and was sentenced to six months in the county jaul with credit for jail time

L. B. Craton of Avon Prk pleaded guilty to carrying a concealed firearm and was sentenced to 90 days in the county jail. Gerald Everett Pierce of Auburndale, charged with grand larceny, entered a guilty to the lesser charge of petit larceny. On two counts of giving worthless checks he was adjudged guilty and sentenced to state prison for two years on each count, the sentences to run concurrently.

Paul Ward of Lake Placid, charged with possession of property stolen from Moretz Hardware in Lake Placid, pleaded guilty and a pre-sentence investigation was ordered.

Robert L. Crews, pleaded guilty to resisting arrest without force and violence and assault and battery. He had been charge with assaulting Deputy Sheriff Mike Mercer.

David A Leyden of Plant City pleaded guilty to two counts of issuing worthless checks and a pre-sentence investigation was ordered. Leyden had been charge with issuing checks of $2,600 and $2,700 to Sebring auto dealers in Oct. 1968 for the purchase of autos.

A carrying a concealed firearm charge against William Henry Allen of Sebring was nolle prosqued by the state.

Notes On Helping The Handicapped

Labor Day--the working mans' holiday-played havoc with our sense of time and we missed the deadline on news last week. We will not repeat the error. Our clients enjoyed their long weekend and are back to work, and all is functioning smoothly at the Work Center.

Steve Marine of Lake Placid and his fiancee, Miss Carole Lyham of Sebring, were visitors at the Work Center last week. Steve was an aide at the Ridge Area Day School last year. While attending college he is employed as a resident dormitory counsellor at Oak Glenn Hall which is facility operated by McDonald Training Center.

Steve is enthusiastic about his college work and states that his studies are all planned to eventually return him to Highlands County to work with the handicapped. He is finding his new job as dormitory counsellor both demanding and exciting and feels that the insights and experiences gained will be invaluable to him in developing his career.

The 1971 Annual Conference of Florida Association for Retarded Children met September 9th through 11 at the Palm Beach Towers, Palm Beach. Mrs. G. Franklyn Ward, president of the local Association and Mrs. Virginia Hubbel, regional representative of the Division of Retardation attended the three day convention.Charles Kempton, coordinator of our Ridge Area Association and A. B. Wilhite, delegate for the associationwere also in attendance. The annual conference is always a fast moving, informative no nonsense get together of dedicated people. Among the many topics explored were "Problems and Challenges in Education for the Mentally retarded" and Guardianship–Where Do we Go From here?"

The awards banquet keynote address was "Moving on- Now or Never" and was delivered by Dr. Donald J.Stedman, chairman, division of Human Development, school of Education, University of North Carolina.

The knowledge acquired and the inspiration received at this conference will be invaluable as it is translated into use in the local association.

For information on help for the handicapped call 453-5563 after 5 p.m.

Sebring JC's To Sponsor Dance Oct. 2

The Sebring Jaycees will sponsor the first community dance to be held in the new Tourist Center on October 2, with the contemporary band, "Paradise Lost", providing the music starting at 8 p.m.

"Pardise Lost is made up of four extremely talented young musicians, each with a unique talent and personality." says Don Thieme, dance chairman.

The band is comprised of two guitarists, an organist and a drummer with all four vocalizing. The band is managed by Southern Artists of Lakeland.

The theme of the dance is "The Sign of the Times" and the decorations will be handled by the Jayceettes. The dress is casual.

Tickets are $5 per couple and can be purchased by contacting Roe McAdams 385-8044 (day) or 385-6737 (night). Three transistor radios will be given out as door prizes during the night to the lucky ticket holders.

The city council voted unanimously on August 17 to allow the Jaycees the use of the Tourist Center for the community affair.

Okeechobee Man Pleaded No Defense In Cattle Rustling

A pre-sentence incestigation has been ordered for an Okeechobee man who last week pleaded no defense against charges of larceey of cattle.

Hugh "Buck" Walker had been accused pf stealing 42 cows and two yearlings from Lonnie Clay of Okeechobee. A larceney of cattle charge against Mrs. Walker was nolle prosqued by the state.

The Walkers had been scheduled for a jury trail in circuit court last week. On Sept. 9 Walker withdrew his earlier not guilty plea and entered the nolo contendere plea. The court withheld adjudication in the case, but ordered restitution be made to Clay.

Jr. High Team To Play Sebring

Next Tuesday night, Sept. 21, the Avon Park eighth and ninth grade football team will travel to Sebring to open its six game schedule with kick off set for 7:30 p.m. at Firemen's Field.

Navy Recruiting Station Opens In Sebring

A branch office of the U. S. Navy recruiting service which will serve five counties, has opened in Sebring at 2 S. Ridgewood drive.

Presently it is a one-man station but Petty Officer First Class Mel Nichols, who will be there week days from 8:30 a.m. to 4:30 p.m., said eventually it will be a two man office.

The area covered by the new station includes Highlands, Hardee, DeSoto, Glades and Okeechobee counties. Included in the area also are the cities of Fort Meade, Frostproof and Clewiston.

Nichols said in addition to office hours, he will make appointments outside of the normal working hours. He stressed that right now they have openings for some outstanding jobs in the navy in nuclear power and advanced electronics.

A man who qualifies, he said, can make up to $280 per month with full allowances. Men who qualify for this must be high school graduates and pass the armed forces qualifying tests.

Women as well as men are sought by the Navy, Nichols said and added there are several excellent programs in the Waves available for high school graduates.

WOMEN'S SECTION

MARILYN SMITH, left, bride-elect of Denny Monts De Oca, is at the punch table with her grandmother, Mrs. Mark Smith, Pine Crest and Mrs. Devon Reddick, one of the hostesses at the bathroom shower, first of parties for her Monday night, Sept. 13th at the home of Mr. and Mrs. David Stuckey of LaGrande Street.

Marilyn Smith Honored With Bathroom Shower

First of parties honoring Miss Marilyn Smith, bride-elect of Denny Monts de Oca, was a bathroom shower Monday night, Sept. 13th at the David Stuckey home on West Lagrande.

The lovely brunette bride elect was presented a corsage of dainty flowers with pink miniature soap rosebuds by the hostesses, Mrs. Gert Craft, Mrs. Mary Lea Kindel, Miss Evie Canup, Mrs Mary Jean Reddick and Mrs. Loca Stuckey. The party rooms were attractively decorated with appropriate articles pertaining to the bathroom. On the buffet was a gorgeous arrangement of flowers and fruit in rainbow colors.

The serving table was covered with a white lace cloth and centered with a crystal punch bowl which held iced cokes served with party sandwiches, cheese balls and cookies. Miniature soap rosebuds surrounded the punch bowl with pink decorative fish, made from soap, adorned the table.

Helping Marilyn with the opening her many gifts were her sister, Kim Smith, and Sabrinia Monts de Oca, sister of the bridegroom-elect and Linda Elder.

Guests enjoying the party were Marilyn's former neighbors. The hostess gift was a white clothes hamper.

Marilyn and Denny will wed on Saturday, Oct. 2nd.

Hibiscus Circle Opens '71-72 Season

The Hibiscus Circle of the Avon Park Garden Club opened their 1971-72 season with an interesting meeting at the home of Mrs. Alice Sherman, assisted by Mrs. H. L. Caffee.

Mrs. George Kelsey presided in the absense of the president, Mrs. I. H. Ford. At the beginning of the meeting, the chaplain, Mrs. Ted Ward conducted a memorial service for Mrs. D. R. Ormiston, using the beautiful poem, "Things Don't Just Happen To Those Who Love God."

The announcement included: The Federation meeting at Florida Power Lounge, Sept. 16 at 9:30 a.m.; The district Nine meeting, Oct., 18; the Christmas Bazaar on December 17th in front of Winn Dixie and the regular October 14th meeting at 8:30 a.m., which will be a covered dish breakfast at the wayside park, with Mrs. Peter Boney and Mrs. Stiles Brown, hostesses.

Mrs. Alice Sherman gave a vivid and interesting description of her summer vacation in Greece, saying "Every teacher of history should have a trip abroad," and that she would like to turn around and go right back.

Mrs. Oscar F. Laye and Mrs. Ben T. Stewart were voted into membership in Hibiscus Circle and the club welcomes these two new members.

Delicious punch and cookies were served by the hostesses and all present were catching up on summer vacation experiences.

Brunch For Marilyn Smith At Padgett Home

Among parties honoring Miss Marilyn Smith, popular bride elect of Denny Monts De Oca was a brunch on Tuesday morning, Sept. 14th at the Padgett home on Lake Lotela.

The tables were overlaid with white drawn work cloths and the brides table was centered with a brass fairy lampstand holding a nosegay of flowers in the brides chosen colors.

Arrangements of flowers in keeping with the brides chosen colors were at focal points in the lovely lake front home.

Mrs. R. L. Padgett and her mother, Mrs. L. D. McGiboney entertained at this lovely brunch for Marilyn and her friends.

ELEGANTLY STYLED — A new formal roof line on the 1972 Dodge Charger Special Edition (S.E.) gives this popular hardtop a dressed-up, sophisticated appearance. Hidden headlamps are standard on this model. Other Chargers offered include a 2-door Coupe and a 2-door hardtop.

1972 Dodges Are Now On Sale At Wells Motor

The 1972 Dodge intermediates continue a highly successful split marketing approach with a long list of product innovations and refinements.

The Charger an' Coronet entries pioneered the ... arate hardtop and sedan offerings last year with individual sheet metal and wheelbases for the two intermediates.

"I am sure this marketing approach was one of the main reasons for our success in a declining market segment," said E. Ray Wells of Wells Motor Co. "The Coronet and Charger started catching on in the first quarter of 1971 and we were up 4 percent. By spring we were showing a 26 percent gain while the industry showed a 7 percent decrease. The Dodge intermediates were the only ones on the plus side as we entered the spring sales period," he said. The new cars are now on display at Wells Motor Co.

NEW FEATURES

Product improvements and refinement are the key factors in the 1972 Dodge Coronet and Charger entries. The Charger will remain on a 115-inch hardtop wheelbase.

Both the Coronet and Charger models get new front and rear design changes for 1972, new side marker lights and front to rear side protection mouldings.

A new 400 cubic-inch engine is added to the Dodge intermediate line along with improve handling and brakes, better emission controls as well as consumer convenience and comfort items.

Exclusive roofline styling, distinguishing the Charger SE from the rest of the model line has been added. The 318 cubic inch engine is standard in the SE.

Charger will be available in the two door Sport Coupe and two door hard top versions for 1972 with 225 cubic inch Slant Six and 318 cubic inch eight cylinder engines standard. Engine options range through the 340 cubic inch 400 cubic inch, and 440 cubic inch two, four and six barrel versions.

The Coronet will be available in three series: a low cost Coronet, a middle of the line Coronet Custom and a premium Coronet Crestwood station wagon with two and three seat versions available.

The Coronet and Coronet Custom will have six and eight cylinder four door sedans with two and four barrel 400 cubic inch powerplants available. A two seat wagon will be offered in the low line series with a 318 cubic inch V-8 standard and 400 cubic inch two and four barrel options. Two and three seat wagons are offered in the Coronet Custom line with the 318 cubic inch V-8 standard and two and four barrel 400 engines optional.

An optional "Rallye Package" designed to allow the driving enthusiast to select the engine transmission combination best suited to his taste has been introduced for the Charger. The package consists of front and rear sway bars, Rallye instrument cluster, special hood and rear end tape and paint treatment, and wide oval tires. The base engine with this package is the 318 CID V-8.

Other new Improvements on the '72 Dodge intermediites include an optional electronic ignition system on some V-8 models, a quick disconnect, fusible link on the battery, stronger seat tracks, a three way proportioning valve to assure better stopping with disc brakes, and new emission control devices.

Old Settlers Association Hold Meeting Friday, Sept. 10

The board of the Avon Park Old Settler's Association met Friday, Sept. 10th at 9 30 a.m. in the board room of the Chamber of Commerce building.

The meeting was called to order by the president, Rev. Herbert D. Graetz, minutes were read by theSecretary, Leoma Maxwell and approved. Cliff Thomas reported on the balance in the bandstand fund, which is to be used for the completion of the inside museum. James A. Heim, local architect has agreed to give advice for designing the interior of the building for the display cases. It is hoped work can resume soon on the museum.

Grace Boney, treasurer, reported the delay in planting the shrubbery donated by Mr. and Mrs. Hugh Dowling, for the landscaping of the bandstand, is because the underground water system has not been installed by the city.

The annual meeting was discussed and plans were made for a tentative date of Saturday, Oct. 23, with a covered dish dinner at 12 noon, with a program to follow. Mel Bass will be general chairman for the event. Rev. Graetz and Mrs. Maxwell will be in charge of planning the program for the day, which promises to be interesting. Mrs. Boney and Mrs. Sharpe will be hostesses for the covered dish dinner.

Other business the board discussed was the presentation of certificates to old timers Plans were made to meet with the "Old Settlers Association" on Saturday, Oct. 23rd. Bring a covered dish and join in the fellowship and reminiscing.

The board plans to meet again before the "Annual Covered Dish Dinner", which is tentative set for Saturday, Oct. 23rd.

Tuesday Night "B" Squad To Open Season

The Avon Park "B" squad doesn't start action until next Thursday, Sept. 23, but they will start off the right game schedule here at home against Fort Meade on that night at 7:30 o'clock.

The junior varsity boys looks good in spots last Friday night at the Devil soap scrimmage but will have to smooth things out this week and the first of next week if they hope to start off with a win against the always strong Fort Meade jaycee squad.

Buddy DeWitt, a sophomore, quarterbacked one of the teams last Friday and his team scored once during the quarter played on a run by Josh King from right halfback. The other backs on the team were Derek Cobb at fullback and Bernard Jackson at the other halfback.

William Burley was the quarterback on the other team which moved the ball but didn't push a score over.

The six juniors on the "B" squad this year are fullback Derk Cobb, ends Rick Minard and Eddie Culbertson, tackles Glen Grey and Bruce Trescott, and defensive guard Moses Moore.

The squad is predominately made up of sophomores. The 10th graders playing in the backfield will be Buddy DeWitt, Marvin Jackson, Joe Gilliians, Bernard Jackssn, Edward Moses, and Frank Moss. At end will be Mearl Robinson and Tommy Wester. The sophomores tackles are Eddie Whitehurst, Sean Murphy and Joel Johnson and the guards are Jim Turnbull; Billy Sauls and Bill Farless. Playing center are Tim DuPree and Buddy Gordon.

Eight freshmen are on the jayvee squad--Mickey and Ricky Claitt, William Burley, Josh King, Mark Howard, Howard Dennis, George Heatherly and Dennis Johns.

Next week Coach Lemler will announce the starting offensive and defensive line-ups for the opening game against Fort Meade here at Memorial Field on Thursday Sept. 23.

Cross-Country Track Team To Participate

Avon Park High School cross country track team will participate in a 13 team meet to be held in Winter Haven this Saturday. The meet--called the Cypress Gardens Cross Country--will have junior highs, senior highs and college boys competing in the three level meet.

The Red Devils are coached by Chet Brojek and have been running for a couple of months to get in shape for the distance course. Running for Avon Park will be Joe Dalton, Scot and Gary Gust, Eugene Sneed, Jimmy Elder, Jakie Allen, Robert Lanzing, Jackie Roberts and Scott Campbell.

Baptists Set Associational Launching Night

THE REV. JOHN PELHAM, pastor of the First Baptist Church in Palatka, will be the featured speaker at the Orange Blossom Baptist Association's "Launching Night" to be held Monday, Sept. 20, at 7:30 p.m. in the First Baptist Church of Avon Park. Program department leaders in member churchers are urged to be present.

Monday, Sept. 20, has been set as the Associational Launching Night by the 32 Baptist churches making up the Orange Blossom Association. The meeting is slated to begin at 7:30 p.m. in the First Baptist Church of Avon Park.

Associational Lanching Night is geared to helping the churches to work together in a cooperative spirit to accomplish their own goals and progress.

The program will include 15 minutes of worshipful music under the direction of Mrs. F. D. McDaniel, Associational music director, and minister of music at First Baptist Church, a presentation of the major emphases and projects for 1971-72 among the Orange Clossom Association Baptists and a closing message by the Rev. John Pelham, pastor of the First Baptist Church in Palatka.

All member churches are urged to have their program department leaders present.

Women's Council Holds Meet Sept. 9th

Mrs. Wade Gowler and Mrs. Paul Lacey were hostesses to the Women's Council of the First Christian Church, which met in the church Thursday evening, Sept. 9th. Mrs. Donald Lee conducted the devotions.

The program consisted of an illustrated lecture on the Isle of Patmos and the Seven Churches of the Revelation.

The president, Mrs. H. J. Rutherford, presided at the business meeting. Report of the Sunshine Chairman was read and the library chairman reported some new books had been purchased. It was announced the young people of the church will be hosts to an Ava Youth Rally September 26th at the church. The ladies of the council will furnish the refreshments for this event.

The hostesses served refreshments in the fellowship hall of the church.

"Old Timey"—What's That?

The Ladies Aid Society of the Union Congregational Church held an exciting meeting at the home of the president, Mrs. C. R. Ginn, last Thursday.

And her's the reason for the excitment. Do you remember, "Way Back When?" Well, Tuesday afternoon, on October 26th, that's the last Tuesday in October, from 1-5 in the beautiful Fellowship Hall of the Congregational Church to be, "Way Back When" time. Yes, there's going to be an Old Fashioned, "Old Timey Pie Social", that afternoon.

"Old Timey", home made cakes and coffee, that we like to remember, "OldTimey" prices too, just 25 cents for pie or cake and coffee and conversation.

And then, an "Old Timey" Bazaar with tables loaded with needlecraft-home made goodies (that's a bake sale to you who are too young to remember), and a white elephant sale.

Wouldn't you like to spend a friendly "Old Timey" afternoon once again? Well you can, for every one is invited. That's Tuesday, October 26—from 1-5 p.m. at "OLD" Union Congregational Church for a real "Old Timey" good time. Y'all come! Hear?

Lutheran Women Hold First Meet

Wednesday afternoon at two o'clock marked the first fall meeting of the Lutheran Church Women of Resurrection Lutheran Church of Avon Park. Mrs. Lucile Hurst presided.

Devotions were read by Mrs. Mervin Rehrer. Regular business was transacted and a gift is being sent to the retiring president of the Florida Lutheran Women, Miss Alice Loest, who has served so faithfully the past four years.

Contributions are also being made toward the purchase of a minibus for the elderly at the Lutheran retiree center at DeLand.

A delightful lunch was served by Mrs. Lucile Hurst, with benediction by Reverend E. J. Gregg.

The next regular meeting will be October 13th at 2:00 p.m. at the home of Mrs. Emma Terp, 31 E. Wolf.

Avon Park Band Parents On The Move

The new band room was filled to capacity by concerned parents Monday night, Sept. 13th. The first meeting of the year for the Band Parents Association saw parents of both the Junior and the "Famous Avon Park Grenadier Band" looking forward to another big year.

Discussions at the meeting were lead by the Association's Presdient, Ed Sharpe, and Band Director, Vic MicKunas with committee heads outlining their plans of things to come.

Projects for the coming year were talked about including the food stand at the football games, band auction, trips for the band, the budget, winter concerts, candy sales and the much awaited donut sales.

Band parents dues were collected and many of the parents paid the semester uniform reental fees.

It was the first time many of the band parents had a chance to see the new High School and many commented that "School ain't like it used to be", as they sat in the cool comfort of air conditioning.

The large parent turnout certainly was evidence of the appreciation for the superb job being done by Vic MicKunas in consistently turning out one of the top bands of the nation—and for proof of that, just ask anyone who saw "The FAmous Avon Park Grenadier Band" perform in Washington D. C. last Spring.

Parents, students and town folks are all looking forward with much anticipation to Friday nights at the football games, when—the whistle blows—a hush comes over the crowd—and the announcer says "Ladies and Gentlemen, The Famous Avon Park Grenadier Band under the field direction of Drum Major Dennis Crews"—the roll of drums—the clash of cymbles—and shrill true notes of the herald trumpets—marks the start of another triumphant year for the band as well as the football team.

Rebekah Lodge No. 65 Hold First Meeting

The first fall meeting of Eleanor Seavern's Rebekah Lodge No. 65 was held Monday Sept. 13th at the Lions Club house.

In the absense of N. G. Louise Clarke, who is still vacationing in Massachusetts, Bertha Barker presided in the chair.

D.D.P. Leona Kemp from Sebring Rebekah Lodge No. 28 and four other members were welcomed.

Plans for the fall include the continuing of the Smorgasboard dinners preceding the meetings, beginning in November, the second and fourth Mondays of each month.

"Who Is Jesus Christ" Topic At Presbyterian Church Sunday Night

"Who is Jesus Christ" will be the topic at the second class in "The A.B.C.'s of Christian Discipleship" at the First Presbyterian Church on Sunday night at seven o'clock. The classes which started last Sunday night will continue for several weeks.

"Who is Jesus Christ?" is a question people have been asking since Jesus lived in Nazareth. It is a contemporary question as seen in accounts of the "Jesus Movement" in national magazines and on television. It has especially becomea live question for some young people scattered over the world with the release of the album of the Rock Opera, "Jesus Christ-Superstar." In the Class on Sunday night, it will be considered what "Superstar" means.

At the class on Sunday night, in addition to the questions, discussion, dialogue, lecture, there will be a filmstrip shown on "Jesus Christ." The classes are an attempt of some people to explore to the meaning of Christian Discipleship.

Those who are interested have a cordial invitation to attend the classes.

The classes in "The A.B.C.'s" of Christian Discipleship are for church members and non church members. They are for those who feel there is a lot more for them to learn. The classes are also for those who want to take a first look at "The A.B.C.'s" of Christian Discipleship".

Watch For Children!

TALLAHASSEE (FPR) -- The most priceless cargo on Florida's highways is carried in chrome-yellow vehicles labled "School Bus," reminded the Florida Highway Patrol today.

"Stopping for a school bus may cause drivers to lose a little time," said Colonel Reid Clifton, Director of the Florida Highway Patrol, "however, life is worth more than time. This rule is designed to protect the lives of our youngsters when travelling to and from school."

More than 400 traffic crashes involved school buses in Florida last year. One out of every four resulted in injury.

Florida's school buses have signal lights both front and rear to warn other drivers. Yellow flashing lights indicate slowing down and red flashing lights with the red arm extended from the bus is the signal for other vehicles to stop while the children load or unload.

When a school bus displays a stop signal loading or unloading, Florida law requires all drivers going in the same direction to stop. Traffic moving in the opposite direction must also stop unless the highway is divided with an unpaved space at least five feet wide or a physical barrier. School buses are required to stop at railroad crossings and motorists should use caution while following a bus when approaching crossings.

NWMS Enjoys American Food At Meeting

After being served foods from several foreign countries at the August meeting of the Nazarene World Missionary Society (NWMS) of Avon Park at the September meeting, they came back to the good old American food. This meeting was held Wednesday, Sept. 7 and led by Mrs. Mabel Corwin, president of the society.

Salads were served before the main meeting to the 25 attending, who came to have food and fellowship. There was quite a variety of salads, all good and everyone had plenty to eat.

Mrs. Pam Trissel began the meeting with a short devotional followed by Emmette Wright encouraging an increase in membership in the NWMS.

Rev. Paul Trissel closed the meeting with a talk on communications. Improved means of communication are needed by each one of us, if we are to effectively tell others of the saving love that Jesus Christ has for every person in this world, and especially our own city of Avon Park.

The monthly meeting of the Nazarene World Missionary Society of Avon Park is held the second Wednesday of each month in fellowship hall at the church of the Nazarene. The meeting starts at 7 p.m. with a covered dish supper before the meeting at 6:30 p.m. The public is cordially invited to attend for a time of food, fellowship and worship.

SHUFFLING

As usual it rained on Wednesday evening so no tournament. But Saturday was beautiful so six courts of folks played. Winners were Ruth Jordan and Blaine Kerr with Herbert Shauger and Chester Seeger the runners-up. In consolation Don Fields and Chris Cabezas won over Dorothy Gruber and Elizabeth Clarke.

CARD GAMES

Four tables were in play in pinochle on both Monday and Friday afternoons. High scores went to Fred Hughes 646, Allene Howard 638, Frieda Steen 632 and Elmer Good 610.

NEWS OF THE WEEK

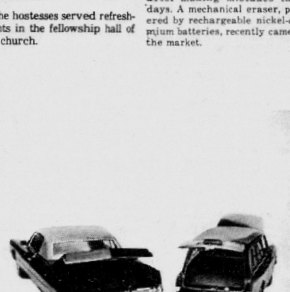

Sam Walton is now home again. Rosa has put up a pulley and a hospital bed, so he will be well taken care of, and no doubt, be a lot happier.

Ralph Wernham comes home from the hossital on week-ends, but still needs therapy and medication, so returns to the hospital during the week. Georgina says he is much improved, and hopes that they will be able to come to Avon Park this winter. She has been so grateful for all the cards from her Avon Park friends. says that the Sun must be going all over for so many to know of Ralph's illness. Thee are in Komoka, On. tario, 153 Main St.

The Harry Wildes should be on their waa to Avon Park by now. They stopped in Hicksville, Ohio to see her sister , who has been ill.

Mr. and Mrs. Floyd Heinrich who were married Sept. 10th in Elmira, New York, are here on their honeymoon looking for an apartment. They will return in November. Mrs. Heinrich is the former Mertie Edkin.

Things are seldom what they seem.

Big cars often pose as big cars, when they're really small cars.

For instance, notice how much bigger the big car seems than the Volkswagen Squareback Sedan.

Then count the number of suitcases it can take on: only 12.

Now, notice how small the Squareback seems to be.

Then count the number of suitcases it can take on: 16.

That's because the Squareback has 32.8 cubic feet of carrying space. Which is one and a half times as much as that of the largest sedan trunk.

Of course, if you really have a lot to carry you can always fold down the Squareback's rear seat. Then you'll have more than twice as much carrying space as the largest sedan trunk.

So which would you rather have—a sedan that looks like a big bully but really is a 12-suitcase weakling?

Or a little fella who's really a 16-suitcase giant?

DAVE LLEWELLYN

For Whom The Bell Tolls

"Now this bell
Tolling softly for another,
Says to me,
'Thou must die.'

"Perchance he for whom this bell tolls may be so ill as that he knows not it tolls for him, and perchance I may think myself so much better than I am, as that they who are about me and see my state may have caused it to toll for me, and I know not that.

God's Hand in Every Translation

"The church is catholic, universal, so are all her actions; all that she does belongs to all. When she baptizes a child that action concerns me; for that child is thereby connected to that body which is my head, too, and engrafted into that body whereof I am a member. And when she buries a man, that action concerns me: all mankind is of one Author and is of one volume; when one man dies, one chapter is not torn out of the book, but translated into a better language; and every chapter must be so translated. God employs several translators; some pieces are translated by age, some by sickness, some by war, some by justice; but God's hand is in every translation, and His hand shall bind up all our scattered leaves again for the library where every book shall lie open to one another.

"As therefore the bell that rings to a sermon calls not upon the preacher only, but upon the congregation to come, so this bell calls us all; but how much more me, who am brought so near the door by this sickness.

"There was a contention as far as a lawsuit (in which piety and dignity, religion and estimation, were mingled) which of the religious orders should ring to prayers first in the morning; and it was determined that they should ring first that rose earliest. If we understand aright the dignity of this bell that tolls for our evening prayer, we should be glad to make it ours by rising early, in that application, that it might be ours as well as his whose indeed it is.

"The bell doth toll for him that thinks it doth; and though it intermit again, yet from that minute that that occasion wrought upon him, he is united to God. Who casts not up his eye to the sun when it rises? But who takes off his eye from a comet when that breaks out? Who bends not his ear to any bell which upon any occasion rings? But who can remove it from that bell which is passing a piece of himself out of this world?

It Tolls for Thee

"No man is an island, entire of itself; every man is a piece of a continent, a part of the main. If a clod be washed away by the sea, Europe is the less, as well as if a promontory were, as well as if a manor of thy friends or of thine own were.

"Any man's death diminishes me because I am involved in mankind, and therefore never send to know for whom the bell tolls; it tolls for thee."

— John Donne, 1624

"Be not afraid of them that kill the body, but are not able to kill the soul: but rather fear him who is able to destroy both soul and body in hell."

— Jesus, Matthew 10

Avon Mobile Home Park News

RUTH ROBINSON

Mr. and Mrs. Ora Myers arrived home on Friday afternoon, pleased to be here after a busy and happy time with their children and grandchildren in Fort Wayne, Ind. An interesting day was spent with Rub's brother, Cliff Young and his wife in Ellwood, Ind. when they visited the Sinclair Glass Company to see the manufacture of many beautiful artistic glass item, which prove to be very useful and decorative.

Congratulations to Ruby on the beautiful landscape paintings which she has done over the years, her friends wanting to purchase them from her, if she would sell. We have much ta lent in our park, as evident in other artists as well as Ruby including: Paul Roth, Mrs. Florence Coady, Mrs. Bea Tingler and Doc Fields.

Mr. and Mrs. Walter Coady were glad to get back to Avon Park on Monday afternoon after a 5,000 mile trip to Texas, Illinois, and Minnesota. They enjoyed a wonderful stay with their children and grandchildren on this vacation, as well as numerous visits with friends on the way home.

Our best wishes for a speedy recovery to Mrs. Charles Johnson of Urbana, Ohio, daughter of Mr. and Mrs. Charles Brush, who recently was in an accident, receiving a broken neck and scalp wound. Mrs. Johnson's sons, Chuck and Lynn, also grandsons of Bertha and Charles, were honored to play in the band at the Ohio State Fair in Columbus.

Mrs. Brush also reports that her brother is feeling better and recovering from a recent stroke in Bradenton.

Mr. and Mrs. Donald Longanecker from Ocoee, visited with the Charles Brushes last Friday on the way to Okeechobee.

Mr. and Mrs. Sylvan Baker are looking forward to another enjoyable season in the sunny south, after another happy summer in the north. They took a trip of two weeks to Canada, New York State, Vermont and Pennsylvania, as well as other "spreee" of camping with their trailer. This is a worthwhile hobby, being healthy and educational as well,after visiting all the areas which they have covered. We expect them in October.

Sallie Wright tells us that her mother, Mrs. Miller is doing well and in good spirits at the Hillcrest Nursing Home.

Our Hobby 'Crafters and teaching during the winter season, Mr. and Mrs. Albert Keyes have had a nice but very busy summer. Albert has been molding ceramics, and Dorothy worked almost full time, at the County Medical Care facility most of the summer. She took off time to baby sit with No. 1 grandson, Johnny, then No. 2, grandchild came along on August 2nd; a 7 pound baby girl Cindy Sue. That was exactly what the doctor ordered, now making a perfect family; we congratulate those who participated.

Dorothy and Albert arenow on vacation, resting in the quiet and peaceful North woods of Michigan in a favorite hideaway, three miles off the road under the trees, with just the birds and animals, outside their tent and screened in room, to greet them. Cooking in the great outdoors is an experience conducive to relaxation and a new appreciation of food, eaten with zest and very good portions. Weight? Forget it! Dorothy's hobbies in the woods were crocheting, reading, and catching up on her letter writing. They say "Hello " to all, until November, when they will return.

Mr. and Mrs. Harold Faulkner have moved in their new home, after a good sale attended by a large crowd, at the farm. They are happy there, as the family is close by and grandchildren drop by often. Saturday, the 4th was the time for them to attend the Ohio State Fair, followed on Sunday by their family reunion. Margery is getting her newly built cupboards in ship shape condition, then all will be finished in the house. Best wishes for many years of happiness in your new home.

Mrs. LaRue Longnecker has been with her daughter in Laporte, Ind. this ssmmer, seeing friends there and in Rolling Prairie. She attended a play in Valparso with live actors, and found it "good fun", since it had been many years since she had seen one. Viewing a lake from her window, LaRue says, it is nice, But wonders if it holds any fish; she had never seen anyone catch any! LaRue hopes to return home by the middle of October, after traveling east and south through Pennsylvania, Maryland, and the mountains, for a change in scenery. We are anxious for her return, too, and miss her good nature and laughter.

Mr. and Mrs. Louis Shoemaker say "Hi" to all their friends, as they too; are getting ready and anxious toget back down south. They have just enough rain to make their tomatoes, squash, pickle vines, and strawberry plants and raspberries grow and yield more than they can use, or give away.

Dorothy and Earl Johnston are proud to announce the birth of a new five pound grandson, Earl Edward Johnston III, on Sept. 13th in Grayling, Michigan.

A FRESH front-end treatment highlighted by a new grille marks the 1972 Ford LTD. Composed of a one-piece center section flanked by separate outer sections, the grille emphasizes the long elegant look of the 1972 Fords. The new front bumper is designed with a center bar to protect the grille. The new Fords will go on sale Friday, Sept. 24 at Avon Park Motor Company.

'72 Ford To Offer Best Performing, Cars Ever

A completely redesigned Torino and Thunderbird, featuring major under the skin changes and increased interior room, highlight Ford Division's 1972 product story.

"For 1972, we will offer the most attractive, best performing, safest and cleanest cars in our history," said Bill Owens, Bill Owens Ford of Avon Park. "Pinto and Maverick should continue their growing appeal to small car buyers. Mustang's leadership in the sporty compact segment should remain firm."

"We think the Torino's new styling and engineering advancements will spur our intermediate sales in 1972 while the Big Ford should continue its steady climb on the sales charts," Owens said. "Thunderbird for 1972 creates a new elegance combined with an improved ride and increased interior seating room and luxury."

TORINO

Ford Division's most changed offering in 1972 is the Torino. The popular intermediate features new dimensions, sheet metal and chassis in its greatest change since it was introduced as the 1962 Fairlane.

Torino features body on frame construction, new front and rear suspensions and separate wheelbases for two and four door models. The interior features a new instrument panel and standard high back front bench seats. For added safety, front disc brakes and side impact protection are standard.

Torino will be available in nine models and three series-the Torino, Gran Torino and Fran Torino Sport. Included among the models for 1972 are three two door hardtops, three station wagons, two four door pillared hardtops and a SportsRoof. A unique grille will distinguish the Torino from the more luxurious Gran Torino models.

THUNDERBIRD

The 1972 Thunderbird, the division's other all new car, features new exterior styling and significantly increased interior room. The Thunderbird has a new front and a totally redesigned rear suspension system called "Posi-Ride." The car also will offer as standard equipment Michelin steel belted radially ply tires which, when coupled with the new suspension, give Thunderbird better handling and ride than ever before. A plush standard split bench seat upholstered with cloth and vinyl complemented by deep cut pile carpeting creates a standard trim level comparable to the deluxe optional trim packages of earlier years.

FORD

Front and rear styles are new for the 1972 Ford. All models feature egg crate design center and side grilles with a center protection bar, and a restyled rear deck lid. The LTD series has a distinctive grille and rear end treatment that sets it apart from the rest of the Ford line.

An electrically operated sun roof and an electric rear deck lid release are offered as options for the first time on the Ford line. Attractive rear bumper guards are standard on all LTD models except the Country Squire. Front and rear bumper guards will be available on all other models.

PINTO

In keeping with the announced policy that Pinto would not change for several years, the 1972 Pinto sedan is virtually unchanged but offers refinements to further owner enjoyment. The exterior difference is the rear window of the Runabout model which extends eifht inches lower than on the '71 version, improving rearward visibility and adding a sportier appearance.

Pinto features several interior improvements such as carpeting as standard equipment. The seat back latches and headlight dimmer switch have been relocated for easier accessibility.

Performance of the optional 2000 cc engine is upgraded and the rear springs and shock absorbers are modified for a better ride.

MAVERICK

Maverick's original style and easy to repair features are retained in 1972. With more than 700,000 sales to its credit, Maverick's changes include a new insulation package for quieter ride, new color combinations and the availability of steel belted radial ply tires.

MUSTANG

Mustang, America's first and most successful sporty compact, has refinements for 1972 that complement the major changes made last year. New for 1972 is the upgrading of the base car which includes as standard equipment wheel covers, raving mirrows, rocker and wheellip moldings and a deluxe two spoke steering wheel. The convertible has an upgraded standard interior and a new optional Exterior Decor Group is offered on all base hardtop and convertible models. Four engines are available. The Boss Mustang mael is discontinued in 1972.

All Ford Division car lines go on sale Friday Sept. 24.

Students Urged To Eat Lunch In Lunchroom

A. W. Cravens, principal of Avon Park High School, urged students to eat lunch at the school cafeteria. The students can have a good hot lunch for 40 cents.

The families who are not financially able to pay for the lunches may get free lunches or reduced price lunch for 20 cents by filling out an application form and returning it to the school. The application forms can be obtained at the school.

The children receiving free lunches will be treated the same as the other children and no one will know who is paying and who is not.

INVITATION TO BID

The City of Avon Park will accept bids for purchase and installation of one base station radio for Police use, minimum 35 watts complete with all Leads and antenna connections and one Mobile unit, minimum 30 watts installed. All equipment to be solid state. Bids will be received at City Hall until 5:00 p.m. Monday, September 27, 1971. The City reserves the right to accept or reject any or all bids.

helpful hint:
don't waste electricity while running your air conditioner

The lower the thermostat setting on your air conditioner, the more electricity you'll use. For economy, set the thermostat at the highest temperature you find comfortable (usually about 78°), and leave it there. You'll conserve electricity!

Jacaranda Neighborhood Scouts Hold First Association Meeting

Scouters of the Jacaranda Neighborhood, Girl Scouts, held their first association meeting Tuesday at the Union Congregational Church. The attendance was large and a lot of new faces were evident in the crowd. A lot of fun and activities are in store for members of all troops in the neighborhood. Service to mankind will be stressed with special emphasis on project Eco-Action.

Lil Maughn, field advisor, discussed activities in the Heart of Florida Council. Objective for 1972 is "To Improve the Quality of Life," Mrs. Maughan conducted a most interesting and informative orientation course for the new members.

All local girl scout troops will be meeting by the end of September and will welcome new girls. Any girl wishing to become a girl scout should contact the troop organizer, Mrs. R.J. Barben at 453-3805 or Mrs. James Turnbull at 453-3834. They will supply information on meeting times and places.

"There are still a few openings for adults in scouting," according to Mrs. J.W. Fisher, neighborhood chairman. Anyone wanting to do a worthwhile community service, that's more fun than work, can apply by phoning Mrs. Barben or Mrs. Turnbull.

Meeting times and places are: Brownie Troop 146-Ridge Area Day School, 2:30 p.m.-4p.m. Mondays; Brownie Troop 143-Ridge Area Day School 2:30 to 4p.m. Thursdays; Junior Troop 49 Union Congregational Church Mondays 3:30 to 5p.m. Junior Troop 305, Mondays 3:30 to 5p.m. 100 East Palmetto Street. Lillie Winegard Celebrates 85th Birthday Aug. 29

Mrs. Lillie Winegard (Grannie) as she is best know, celebrated her 85th birthday, which was August 26th with a celebration on Sunday August 29th at the home of her son and daughter in law Sammie and Viola Winegard in Hardee County.

Those enjoying the day with her were her children, grandchildren and great grandchildren. Also attending was her pastor and his wife, mother and sister from Athens Church. Others came from Fellowship Baptist, Florida Avenue, and First Baptist Churches of Avon Park; Primitive Baptist, Bereah and Church of God, Avon Park.

After a good noon meal, which was spread on two tables under shade trees on the lawn Grannie opened her gifts. Her reminiscing of the "Good old days" passed, was taped for later enjoyment. Also a gospel sing was enjoyed, with one of Grannie's favorite songs being sung and taped, "Jesus is coming Soon."

The 60 guests attending enjoyed the day and wished Grannie many more birthdays in the future.

SEPTEMBER IS . . . BETTER BREAKFAST MONTH

Many articles have been written about the importance of eating a good breakfast. With children returning to school, it is even more important that they begin the day with a nourishing breakfast. Also, after school snacks should not be just fillers. Snacks planned by Mother, rather than the child, should consist of nutritious food items for a continued balanced diet for after school activities.

A BREAKFAST HIT

Scrambled eggs are a real breakfast hit when accompanied by a grilled ground beef or sausage patty, buttered English muffin, and a hot cling peach half.

Administrator John F. McClellan Advanced In Hospital Society

John F. McClellan, Administrator of Walker Memorial Hospital was advanced to membership status in the American College of Hospital Administrators at Convocation Ceremonies held on Sunday afternoon, Aug. 22 in the Grand Ballroom of the Conrad Hilton Hotel in Chicago.

The announcement was made by Orville N. Booth, president of the ACHA. a professional society comprised of 9,500 of the leading hospital and health care administrative personnel in the United States and Canada. Mr. Booth, its executive vice-president of St. Francis Memorial Hospital, San Francisco, prisided at the ceremony.

The ceremony marked the opening of the society conferred Honorary Fellowship upon two distinguished persons for their exceptional contributions to the hospital and health service fields: Eleanor C. Lambertsen, Ed. D, Dean and professor at the Cornell University-New York Hospital School of Nursing, New York City and Harald M. Graning, M.D., Director of the Health Care Facilities Service, Department of health, Education, and Welfare, Public Health Service, Rockville, Md.

Highlands School Employees Will Get Pay Raises For 1971-72

It's official--Highlands County school employees will get the pay raises as promised for the 1971-72 year. At its September meeting Highlands County School Board learned that it may pay its personnel according to the contracts which becaame effective July 1.

At the board meeting Superintendent George F. Douglass recommended a number of personnel changes for the current school year. The board approved appointment of Karen Lee Vandigo to the Avon Park Middle SChool faculty and granding of an on call contract to Verona L. Halverson for Avon Elementary.

Other instructional appointments were Shireey W. Rardem and William J. Rarden, Sebring Middle School; Hazel Bailey Hill, Woodlawn; Jenann E. Dressel and July H. Dyer, on call contracts at Lake Placid, Doris Bergers, transfer from Woodlawn to Fred Wild.

Resignations were accepted from Jean Hawxwell, Lake Placid Elementary; Cleminjene Cato, Ruth Evans, Avon Elementary; Betty Jean Mason, maid, Ben Gurtner, Sebring Bus driver and W. F. Luscomb, Avon Park bus driver.

The non instructional personnel appointments approved were Betty Fountain, county office; Bill Perkins, Norris Brooks, Elbridge Holman, George Crist, substitute bus drivers.

Robert Gibson, William A. Dow, Marcelle Kopta, bus drivers; Rose L. B. Stevenson and Mary Alice MOrgan, maids; Clara Jo Pipkins, Bonnie Stulting, Edward C. Matthews, Josie McDaniel, Linda DeLaney, teacher aides; Tony Roth Beasey, David Ballard, Jeremiah Grady, Louis McGahee, custodial staff.

Vera Collier was named lunchroom manager at Lake Placid Elementary, Lorraine McFahee, assistant secretary. Mary Alice Castonia was granted medical leave and Dale Hamilton was suspended.

Just a Trim, Please

The hand-numbing task of trimming those stubborn blades of grass next to the side-walk is a thing of the past, thanks to electric grass shears now on the market. And there's not a worry about cutting the power cord, because the shears are powered by self-contained rechargeable nickel-cadmium batteries.

Love That Racket

Tennis-racket frames shrug off changes in humidity, impact and hard use when they are of nickel-chromium plated steel. The chromium provides a pleasing, bright finish while the nickel gives the coating durability and corrosion resistance.

Girl Scout Troop 21 Went Camping At Withlacoochee

Cadet Girl Scout Troop 21 of Avon Park climaxed a busy summer season with a return camping trip to Withlacoochee Forest, near Dade City.

The girls lived in tree houses and enjoyed canoeing and swimming in the Withlacoochee River. A woley grandfather racoon raided their supplies and made off with an entire meal sealed in airtight packages. He was forgiven, however, when he brought his clan, including four babies, to call, and allowed the cadets to feed the family. Gail Culbertson, Julie Filippula, Diana Edwards, Jane Eberle, Bobbie Newton, senior aide, Linda Andrews, Susie Crews, Kelly Hightower, Sue Allen and Leader Tim Fisher made up the group. The summer season for troop 21 included varied activities. Many of the girls worked in the County Day Camp for Retarded Children and one worked at the State Camp for Retarded Children at Camp Ocala. One troop member attended the Wilderness Encampment at Standing Indian in North Carolina; another, the Aquatic Event at Silver Springs.

This fall, Troop 21 will be meeting each Monday, from 3:30 to 5:30 p.m.at the Resurrection Lutheran Church in Avon Park. There are openings for new members and girls in 7th, 8th and 9th grades will be welcome.

The 1972 Oldsmobile TORONADO displays new front and rear appearances. A Brougham custom interior, including a 60/40 divided front seat with separate adjustment controls, continues as an option on the TORONADO.

An innovative spring steel bumper support system that greatly reduces low impact collision damage is being introduced on the 1972 Oldsmobile Delta 88's, 98's and the Custom Cruiser station wagon. Shown here is the DELTA 88 ROYALE HARDTOP SEDAN.

1972 Oldsmobile Have Several Major Engineering Advancements

Oldsomobile's beautifully restyled 1972 cars incorporate several major engineering advancements, including an innovative spring steel bumper support system designed to greatly reduce low impact collision damage.

The new system is being introduced initially as the front bumper on the 1972 Delta 99's, 98's and the Custom Cruiser station wagon. An Oldsmobile eclusive, the spring steel bumper support system permits these 1972 Oldsmobiles to strike a stationary object or another car at minor (parking lot) speed without damage to the bumper bar itself, the surrounding sheet metal or any other part of the car.

The spring steel supports yield upon impact and sping back togetheroriginal position.

In addition, both front and rear bumpers of the 88's and 98's, and the front bumper of the Toronado are equipped with protective rubber strips for better light impact performance.

In other areas of public concern, the 1972 Oldsmobiles are being built with an even more intensive quality control system. The company has expanded its reliability recheck program to cover 100 per cent of production at its main assembly plant in Lansing. All cars undergo hundreds of inspection checks during assembly , but, in addition, are now re inspected upon completion as they pass through a brand new 45,000 square foot facility. In the reinspection process, the car's electrical and mechanical operations are fully rechecked,as are the dial and gauge functions, lubricant levels, and the underhood, underbody and trunk areas.

A third area of public concern is the control of automotive emissions. Here, too, Oldsmobile engineers have more than met the increasingly stringent Federal and California exhaust emission requirements. All of Oldsmobile's 1972 engines are equipped with valve rotators on both intake and exhaust valves, a feature pioneered by Oldsmobile in 1970. Compared to uncontrolled engines, the 1972 Oldsmobile power plants emit less than one sixth the amounts of hydro-carbons and carbon monoxide.

In styling all 1972 Oldsmobiles have undergone substantial front and rear improvements with specific exterior appearance changes and bright new interiors.

The Turbo-Hydra-Matic 400 transmission is standard equipment in 1972 on all Oldsmobiles equipped with the 455 cubic inch engine. A modified version of the 400 is standard on those Delta 88's and Vista Cruisers ordered with the 350 cubic inch engine.

The Turbo Hydra-Matic 350 continues as an option on all Cutlass models. The standard engine in these cars is the 350 cubic inch V-8. The L-6 engine has been discontinued.

On all of the full size 1972 Oldsmobiles, the very successful "G" ride suspension system is continued, with tuning refinements to achieve even higher standards of ride, comfort and handling.

An example of a tuning change, on the Delta 88's, 98's and the Custom Cruiser, is the relocation of the righthand engine mount to correct the imbalance resulting from engine accessories not being evenly distributed about the engine centerline. The new mount location equalizes the forces transmitted through themounts into the frame and makes the care more pleasing from the standpoint of ride smoothness and quietness.

Other mechanical improvements found on the 1972 Oldsmobiles include more fade resistant drum brakes on the Cutlass models, the use of air outlets in the door pillars in the flow-throw ventilation system on all full size models, thus eliminating decklid air exhaust louvers.

Kissimmee Boat-a-Cade October 14-17

An exciting three day cruise is planned for the 22nd Annual World Famous Kissimee Boata-Cade, which will travel more than 300 miles through the fabulous Kissimmee Valley waterway, across Lake Okeechobee to Belle Glade, Florida and return to Kissimmee. Scheduled for Oct. 14-17, the Boat-a-Cade cruise is one of Florida major waterway thrills that each year attracts hundreds of boating enthusiasts.

The cruise will take the boaters through five lakes, along the Kissimmee River through miles of flood control locks to the first night stop at Indiantown. Here they will enjoy an evening of camping and cook outs.

The second day's cruise will take the Boat-a-Cade to Belle Glade Marina where the Chamber of Commerce will provide an evening of entertainment.

The Boat-a-Cade will depart Belle Glade on Saturday morning, Oct. 16, on the return trip and spend the evening at River Ranch Acres, where another evening of entertainment is planned. The cruise will depart River Ranch Acres Sunday, Oct. 17, and terminate in Kissimmee.

Registration and additional details may be obtained by contacting the Kissimmee Boat-a-Cade, Inc., P. O. Box 776, Kissimmee, Florida 32741.

FINED ON DWI

Steve Ferguson, of Avon Park, pleaded guilty to driving while intoxicated and was fined $200 or 90 days. His driving privileges were revoked for six months. He also was fined $30 or 10 days for having no valid driver's license.

ROTARY CLUB NEWS

Reported by DON JONES

Father John introduced John McClellan, the administractor of Walker Memorial Hospital.

John is a native of Texas. He graduated from Southern Missionary University in Tennessee. During his career, he has worked several positions in hospitals throughout the southeast. John is a Rotarian and is also a past treasurer of the Rotary.

John began his discussion of the construction of the new hospital by speaaing of the difficulties in financing the new addition. A portion of the funds were obtained from a bond issue. Unfortunately, the bonding company went into receivership last year. Because of the failure of the bond issue, the future of Walker Memorial Hospital was in serious jeopardy. After going through the receivership, the hospital was paid in bond issues of other organizations, instead of cash. Hill-Burton funds were also obtained after 2 or 3 years of negotiating with that organization. With the present funds the construction of the new building can be completed. However, there is at the present time not enough funds for immediate funding caused by the high percentage of Medicare patients, which at Walker Memorial Hospital is approximately 65 per cent as compared to other hospitals with only 25 percent.

Construction has begun on the new addition and should be completed within 14 months. The old building will also be torn down.

Eton Waters, of Lake Placid, accused of possession of marijuana, waived preliminary hearing Sept. 7 in county judge's court and was bound over to Circuit Court. Bond was set at $1,000.

Girl Scout Troop 21 Do Clean-Up Work

As a part of national Project Eco-Action, Cadet Girl Scout Troop 21 picked up trash on Alternate 27 Saturday morning.

The girls worked on both sides of Lotela Avenue, in Avon Park, to Angelo Lake Road. Using their troop trailer, which is affectionately dubbed "Charlie", they hauled an enormous amount of trash to the dump, salvaging aluminum cans for recycling. The work crew included Lynn Livingstone, Sue Allen, Pam Griffin, Kelly Hightower, Susie Crews, Karen Lamb, Margaret Turnbull, Jane Eberle, Gail Culbertson, Diana Edwards, Linda Andrews and leader Tim Fisher.

After school, on Monday, the entire troop visited the Rest Haven Home, located in the Lemon Grove Section, just off Wauchula Road. They took reading material and spent time visiting with the inmates. This is the first of regular visits, which will be made the third Monday of each month.

A very special event for Troop 21 will be a family night and court of awards to be held Monday Sept. 27 at 8 p.m. at Resurrection Lutheran Church. Not only families of troop members, but families of girls interested in becoming scouts are cordially invited to attend.

"B" Team

AVON PARK HIGH SCHOOL "B" squad football team, front row, left to right: Allen Padelford, George Heatherly, Joe Gillians, Bill FArless, Tom Wester, Jim Turnbull, Howard Dennis, Moses Moore, Edward Moses, Derek Cobb, second row: Tim Dupree, Mark Howard, Billy Sauls, Bruce Trescott, Rick Minard, Buddy DeWitt, Phillip Thomas, Merle Robinson, William Burley, Glen Gray, Dennis Johns. Third row: Coach Culbertson, Ricky Claitt, Bernald Jackson, Jean Murphy, Marvin Jackson, Joel Johnson, Eddie Whitehurst, Buddy Gordon, Eddie Culbertson, Micky Claitt, Josh King and Coach Lemler.

"B" Team To Open Season Here Tonight Against Fort Meade

Avon Park's "B" squad will open the 1971 season here at Memorial Field tonight (Thursday) against Fort Meade with the kick off set for 7:30 p.m. Football fans are urged to come out and watch the junior varsity team as it goes against the junior Miners from Polk County.

Coach DeWayne Lemler's offensive tarting line up will have Rick Minard at left end, Bruce Trescott at left tackle, Dennis Johns at left guard, Tim DuPree at center, Allen Padelford at right guardEddie Whitehurst at right tackle, and Mearl Robinson at right end. William Burley has gotten the nod for starting quarterback with Buddy DeWitt in reserve. At right halfback will be Josh King and the left halfback will be Ricky Claitt with Derek Cobb at fullback.

Coach Ed Culbertson's defense will start Bernard Jackson at left end, Sean Murphy at left guard, Gene Albritton on the nose, Joel Johnson at right guard and Eddie Culbertson at right end. At linebacker will be William Burley on the right, Derek Cobb in the middle and Ricky Claitt on the left. Defensive halfbacks will be Mikey Claitt at the left side, Marvin Jackson in the middle and Buddy DeWitt on the right.

The "B" squad kick off team will lineup from left to right with Culbertson, Cobb, Glen Gray, Tommy Wester, Edward Moses, Jim Turnbull, William Burley, Thomas, Moses Moore, and Rick Minard with Marvin Jackson kicking off. The receiving team will have Gray, Bill Farless, Billy Sauls, Joe Gillians, and Thomas up front with Bernard Jackson Cobb and Marvin Jackson behind and Burkey, King and Ricky Claitt deep for the returns.

Others who will see action are George Heatherly, Howard Dennis, and Mark Howard. The two "B" squad coaches try to use all the boys out for the team in each game. This years team is young and inexperienced in junior varsity play but several of the boys played on last years undefeated junior high team and have the ability to explode offensively so the season should be exciting for home fans. Fort Meade is always a strong team and is the only team that defeated Avon Park twice last year. The junior Miners shut out Avon Park 28-0 in the opening game last year and then took a 38-20 win later in the season. Avon Park finished with 5-3 record last year.

Avon Park Band Will March In Mulberry

The famous Avon Park Grenadier Band will travel to Mulberry this Friday night to help the fans cheer our football team to VICTORY.

The band played from the stands last week because the field wasn't lined off until one night before the game, and everyone knows it takes at least two times on the field to practice for a flawless half-time performance even for THE MicKunas Miracle Workers.

But come Friday night in Mulberry, the band will take the field to "The Tunes of Glory" march. The majorettes will do a quick change act into hillbilly garb and twirl their batons to the background strands of "That Good Ole Mountain Dew". Also during the half-time performance the Famous Grenadiers will form company fronts and do and strut off new versions of their precission drills that thrilled spectators all over the state and in the District of Columbia last year.

Children's Home Society Meeting Held

The quarterly meeting of the executive committee and division executives of the Children's Home Society of Florida is being held this week (Sept. 22, 23 and 24) in Lakeland, according to Charles M. Shinn, Jr., president of the board of directors for the Rose Keller division which serves Highlands, Polk, Hardee and DeSota counties.

The meeting is being held at Holiday Inn, south, with approximately 50 persons attending, including Ralph O. Johnson of Pahokee, president of the Children's Home Society of Florida and Anton J. Vicek, executive director.

TheChildrens Home Society was organized non-sectarian agency licensed by the State of Florida to provide adoption service on a statewide basis. It is a charter member of the Child Welfare League of America which is the national standard setting agency for child welfare services public and voluntary, throughout the United States.

NEWS OF THE WEEK

Floyd Stevens is in the hospital with a coronary in intensive care. Our best wishes go to you Floyd. The Stevens live in Allegan, Mich. R. 1, 49010.

The Russel Smiths of Tiro, Ohio, visited their sister in Urbana, Ohio who invited the Harold Faulkners, the Harman Heffners and the Hubert Smiths for dinner. They had a delightful time visiting about Avon Park.

Gertrude Fensterman is still in the hospital, but expects to go home soon.

Mary Wilmott entered the hospital a week ago, but is much better now.

Shella Wurster is again in the hospital, and is improving every day.

Robert and Martha McBeth celebrated their 14 wedding anniversary in August with a reception in the United Church of Christ in Upper Sandusky, Ohio. Over 150 guests wished them a happy anniversary.

Among the guest were Martha's five brothers and five sisters with their wives and husbands.

The room was beautifully decorated with flowers and a five tiered wedding cake.

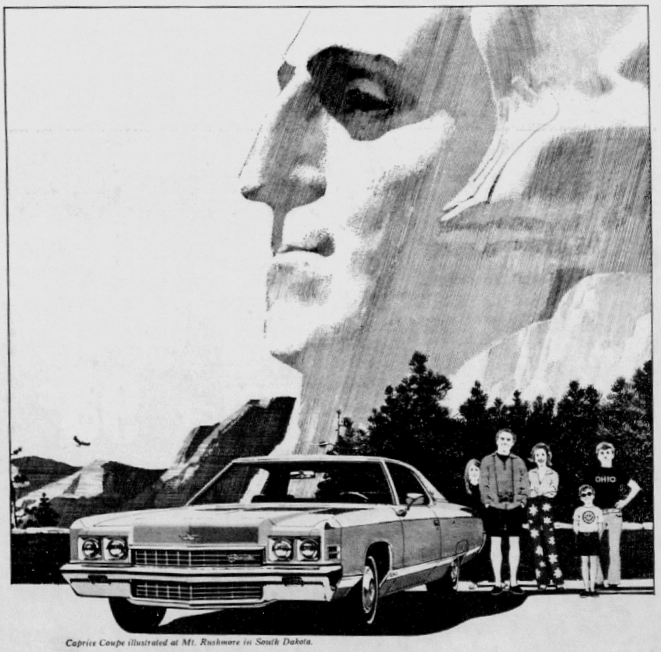

The McBeths have now arrived in Avon Park, tospend the winter, after five months in their home in Upper Sandusky. Paul and Ethel Swearinger are visiting their daughter and husband, Mr. and Mrs. George Sherman in Seattle, Wash. They are having a marvelous time visiting and sight-seeing. When this visit is over they will be returning to Avon Park for the winter.

DEPARTMENT OF TRANSPORTATION
SPECIAL TRAFFIC REGULATIONS
NOTICE IS HEREBY GIVEN:

That the Department of Transportation at its meeting of June 30, 1971 gave consideration, to the requests relating to special traffic regulations and in each case made a review of the traffic investigation report, along with the recommendations of the engineer at the location or locations described below:

County—Highlands; Road— 17; Location— Section 09040- At intersection with North Lake Avenue in Avon Park; Recommended Regulation — Full actuated Traffic Signal with Pedestrian Features.

County—Highlands; Road— 17; Location—Section 09630- In Avon Park and vicinity from SLD MP 3.910 to SLD MP 5.020, distance 1.110 mi.; REcommended Regulation— Reduce from Open Highway Speed to 45 MPH Speed Zone.

On motion duly made and seconded, the above traffic and speed regulations were determined to be reasonable and necessary upon the basis of the engineering and traffic investigations, and authority was therefore given for the establishment of same and the placing of the proper marking and signs as indicated; also, for the elimination of existing controls where this is indicated.

Highlands County Men Recognized For Conservation Farming

The Avon Citrus Bank in Cooperation with the Florida Bankers Association and the local Soil Conservation Districts together have been recognizing outstanding conservation farmers for many years. The Bankers and Soil Conservation Districts as well realize the importance of good conservation farming to the success of the bank, the community and the country.

The whole idea was started by Carlisle Rogers, of Leesburg, about 20 years ago when he was president of the Florida Bankers Association, a Soil Conservation District supervisor for Lake County, and an outstanding conservation farmer in his own right. He once said, "It's this kind of farmers that keeps our banks in business."

It is no easy task to single out the individuals most worthy of these considerations each year, but a special committee, through the local Highlands Soil Conservation District has narrowed it down to three who, it is felt, should be recognized at this time. Because of the diversified agriculture programs in the county, each year the committee selects an individual engaged primarily in ranching, one in citrus and one in farming (commercial flowers or vegetables).

These people have done a most outstanding job of carrying out a soil and water conservation program on their land which usually takes many years to accomplish. The three this year will join the ranks of the following outstanding conservationists who have recognized in past years for this accomplishment:

Victor Lander, Harold Young, Jim Andrews, George and John Richardson, Carlos Falla, Jr., Charles Schymacher, Chester Sullivan, Leonard Godwin, Ben Hill Griffin Citrus Production staff- R. L. Padgett and Norman Todd, Donald and Glen Tope, Harold Cline, John Smoak, John Wilson, Victor Fernandez, Donald Dittmar, James Alderman, Glen Murphy, L. L. Holmes, C. E. Crews, Gilford Tomlinson, Harold H. Smith, E. M. Waaker, Peter Zorn, Carl McIntyre, R. P. Dortch, R. P. Dortch, Jr., Talmade Watson, Jack Hutchinson.

L. E. Tisdale, R. B. Oxer, Herman Washington, R. J. Hargrove, Marvin Kahn, George Waggaman, Bert Harris, C. M. Payne, Ivey Futch, Von Maxcy, Cole Danely, Wes Davis, E. W. Hartt, Cleveland Boney, Jim Sellers, plus others we may have overlooked naming.

This year the specialty farmer who it is felt is most worthy of receiving this award is a caladium grower in the Lake Placid area and has demonstrated his ability to manage the land and produce outstanding crops in spite of the odds of nature, George Summerall. In the field of cattle production we have a man who has spent a lifetime at this but only a few years in Highlands County. He has demonstrated both technical and practical methods of land use and quality cattle production second to none in Highlands County. Even though his ranch is quite large, his grasp of the management problems of both and and cattle, including water control, is very outstanding. He has truly demonstrated the combination of all the qualities required to manage land and cattle to the utmost degree. He is Dan Childs of the Buck Island Ranch.

The recipient this year for citrus production is rather unique. Customarily this award is not repeated a second time but the recipient this year in the field of citrus production received the award some 15 years ago for outstanding work in developing and carrying out a conservation plan in the field of ranching on approximately 1,000 acres. For the past few years he has concentrated on the field of citrus production and his efforts in conservation farming are equally as outstanding as in ranching back then. He has both technical and preactical approach to soil selection, cultural practices.

Personnel To Be Increased At Range

LT. COL. J. W. HAERER

In change-over ceremonies to be held Friday, Oct. 1, the name of the squadron at Avon Park Bombing Range will be changed from Detachment One of the First Combat Squadron to First Combat Support Squadron of McDill Field, according to Lt. Col. J. W. Haerer of the Avon Park base.

Col. Haerer said the 80 men now stationed at Avon Park Bombing Range will be increased to 250-300, and building construction is in the plans to house the approximately 80 to 100 service families that will be moving here within the next two years.

"At the present time, aircraft utilizing the Avon Park Bombing Range are only delivering bombs and rockets and firing guns," Col. Haerer said, "in the future, under this new mission, we will attempt to simulate an enemy defensive environment similar to that recently encountered in Southeast Asia, so that our air crews can become experienced in evading enemy defensive measures while delivering their ordinance on the simulated ground targets we now operate," he said.

According to Col. Haerer, their plans now flying over Avon Park will be virtually the same with the exception of longer flying days and the planes will be flying at a higher altitude.

Col. Haerer, who has been in the air force for 21 years, was transferred to Avon Park Bombing Range from MacDill Air Force Base last February. His wife and three daughters are now living in Tampa and soon will be moving to Avon Park.

Traffic Lights For New High School Step Closer

The long sought traffic lights for the new high schools may be a step closer as a result of actions taken at county commission meeting Tuesday.

Clerk Earl Rich had, prior to this week's meeting, called Department of Transportation and learned that official requests for the lights and resolutions designating plans for paying for the lights were not in DOT's files.

At Rich's request County Attorney R. P. Dunty, Jr., had prepared the necessary resolutions which the commissioners readily adopted Tuesday. The lights will be paid for out of secondary road funds allocated to Highlands County. Regulations require that the county request a survey which must be completed by DOT before any traffic control device can be installed. The survey request resolutions adopted Tuesday designate the Kenilworth-Highlands Ave, intersection in Sebring, the State Road 64 Highlands Avenue intersection in Avon Park as "emergency situations."

A third resolution calls for a survey and possible installation of a flasher light at the State 64 State 17A intersection at AVon Park.

DON SISEMORE almost went all the way on this play against Father Lopez last Friday night. Other Red Devils in picture are Willie Davis, No. 73 and Ted Long, No. 51. Avon Park will travel to Mulberry Friday night to take on the tough Panthers.

Consultants Named To Direct County Planning Study

The professional consultants to direct the forthcoming Highlands County planning study were named at Tuesday's county commission meeting.

On the recommendation of the county Planning and Zoning Commission Candeub, Flessing and Associates of St. Petersburg was hired. The same firm has been engaged in planning studies for the city of Sebring. Frank Blandford will be the firm's representative directly in charge of the studies in this county. The study includes projections on county growth, need for water and sewage systems, plans for county roads and other facilities. At Tuesdays' meeting the commission was told that plans for immediate instigation of a landfill operation west of Sebring would probably result in court action against the county. The county had proposed purchase of a 70 acre tract but to date the board of adjustment has refused to grant a variance to permit use of the land for a dump. At Tuesday's meeting a property owner from the Red Beach Lake area threatened a suit if the county does attempt to use the tract for dumping.

Former Zoning Director Jack Short suggested that a tract of "50 to 70" acres might be obtained from Maxcy Securities for use of Avon Park-Sebring areas of the county. He said the tract is adjacent to an area now being used for unauthorized dumping. He is to check into availability and Zoning Director Bill Stephenson is to pursue studies on possible pollution from the 70 acrea near Red Beach.

OTHER BUSINESS

In other business Tuesday the board hired Short as consultant to the county zoning department for two weeks, to help the new director start his work. Bids on county financed life and health insurance were tabled pending a ruling on whether rates may be increased at this time.

Voted to purchase, at 13 cents each, the Arrive Alive signs for each county owned car. Instructed the Administrative Assistant to make sure that the county's slow moving vehicles be marked properly before they are taken onto the highways. Accepted the resignation of Susan Agar as part time juvenile counselor and named Mary Ruth Knight as her replacement.

Waived health card fees for students enrolled in South Florida Junior College's child care course. Received the county attorney's written opinion that maintenance work cannot be undertaken on roads along the Istokpoga Marsh Watershed canals. R. P. Dunty, Jr., wrote that these roads have limited access and are not legally public roads.

Received for study letters from 28 Sand Beach property owners requesting re-surfacing of Sand Beach Road at Lakemont and erection of street signs.

Avon Park Boy Wounded In Vietnam Aug. 14

Sp-4 James (Jimmy) Loughan, son of Mrs. M. G. Shea, Avon Park, was wounded August14 while on patrol with his outfit in Cam Ranh Bay Vietnam. Two were killed and others wounded along with Jimmy.

Mrs. Shea and Jimmy's sisters, Patty and Sally Loughan, have returned from visiting him in the hospital in Fort Gordon, Ga.

Jimmy graduated from Avon Park High School in 1969 and had been in Vietnam for the past nine months.

Avon Park Man Gets 10 Years For Forgery

An Avon Park man has been sentenced to 10 years in prison for forgery. Richard A. Paul, 34 had been charged with forging an endorsement on a $50 check. He was sentenced by Circuit Judge Clifton M. Kelly last week. At the same session Alvin Eugne Ellis of Lake Placid, charged on three counts of accessory after the fact, was sentenced to two years in prison on each count, the sentences to run concurrently. Three counts of burglary by breaking and entering which had been enered against Ellis earlier were dropped by the state.

John Francis Sullivan, Jr., of Boca Raton, charged with breaking and entering with intention of commiting a misdemeanor, was placed on probation for two years and fined, $250. Sullivan had been charged with breaking into the Thompson 66 Station south of Lake Placid. In circuit court Monday Judge Kelly placed James G. Shackelford of Lake Placid on probation for three years. Shackelford had been charged on two counts of grand larceny. Robert L. Crews, charged with resisting arrest without violence and assault and battery, was fined $251 or 60 days in jaal.

Devils Lose Opener, To Play Mulberry Friday

Several costly mistakes kept the Avon Park Red Devil varsity from upsetting the Father Lopez Green Wave eleven last Friday night here at Memorial Field in the 1971 season opener, and the Daytona Beach team took a 16-8 win from the scrappy Devil squad.

Tomorrow night (Friday) the Red Devils get down to busjness in their own area when they travel to Mulberry to take on the Panthers in the Phosphate Bowl. Mulberry also dropped its first game but by a surprising 28-20 showing against the Bartow Yellow Jackets. The Panthers showed our scouts a strong defensive eleven and a well executed kick off and punt return game as well as good passing. So the Red Devils will have their work cut out for them this week.

The loss of halfback Greg Hartt early in the game last week and halfback James Coleman sidelined with a foot injury for the whole game weakened the Devil offense. However young Danny Lewis came on for Hartt and did some fine running in spite of a confused offensive line that let Lopez defenders through all evening like they were going through a seive.

If Greg Hartt and Coleman are able to rejoin the lineup this week, the Devils will be in good shape to move into the win column and perhaps stay there providing the offensive line works out some of the kinks that bothered it last week. The Red Devil defense was the real bright spot in the game last week.

The young inexperienced boys held the Lopez offense to 91 total yards-81 on the ground and 10 through the air and forced the Green Waves to punt six times as well as recovering one Lopez fumble. The front defensive line had Nathaniel Packer and Arnold Davis at ends with Eddie Ezell spelling Davis a good bit; James Walker and Ted Long at guards; and Randy Ward and Virgil McInvale at tackles. At linebacker was Jarvis Hartt and Leon McRae with Keith Richards and Danny Lewis at Halfback and Don Sisemore at safety back. The front line charged hard and tackled well and drew heavy praise from Coach Eddie Lewis for the fine job they did all evening.

The first half of the Father Lopez game was scoreless but dominated by the Red Devils.Avon Park took the opening kick off and drove to the Lopez 32 yard line before a lost fumble stopped the drive. Then the Devil defense held the Wave to three downs with only a gain of four yards and forced a punt. This time the Avon Park offense bogged down and punted before a first down was made. Again Lopez was unable to move quickly to the Father Lopez 16 yard line before losing ground on four consecutive plays and giving up the ball on the 26.

So early in the second quarter Father Lopez finally moved to one first down but a 15 yard penalty helped slow down the drive and they punted out their own 34. The Devils drove for one first down but finally had to punt and Sisemore put it into the end zone. Three plays from their own 20 netted the Wave absolutely no yardage and when the punt went to Sisemore, he took it in at his own 45 and raced all the way to the Lopez 10 before he was brought down.

As time ran out in the first half, it looked like a sure touchdown for the Devils but on the seven with a second down play, a Devil back fumbled the ball and Jim Perrillo recovered for Lopez to stop the threat. The half ended with the score 0-0.

The second half started off with a bang as Lopez halfback Rocco Pagilarulo took in Nathaniel Packer's kick off on his 22 yard line and broke throughthe Devil team for a 75 yard run to the Avon Park three yard line to set up the first Lopez score. It took three plays for the Wave to punch it in from the three and halfback Eddie George was the boy carriedit in for the T.D. George than ran the same play to put two more points on the board and Father Lopez led 8-0 before all the fans had returned to their seats from the half.

Avon Park's offense couldn't get going or rather couldn't keep a sustained drive going in the second half as the offensive line weakened and allowed the Lopez boys to get through to Devil backs before they could get going. The remainder of the third quarter was a defensive battle but late in that period the Wave punted deep and put Avon Park at its own six yard line. As the fourth period began the Devils were in possession at their own 10 and on a second down with six needed, Eddie George intercepted a pass at the Devil 30 and returned it to the 15. Five plays later George plunged through from the two for the second TD of the game and quarterback Mike Metzger

James Strenth First To Qualify For Avon Park Council Seat

JAMES STRENTH

James Strenth, who was born and raised in Avon Park, was the first to qualify for a seat on the Avon Park City Council Monday.

City election will be held Tuesday, Dec. 7, with two council seats and the mayor's office to be filled.

Strenth said, "he was not running for a council seat against anyone, that he was running because there was a council seat to be filled." He said, "he has always been interested in politics and used to attend city council meetings regularly".

Strenth graduated from Avon Park High School in 1961, and is a car salesman for Ross Backus in Sebring.

He is 29 years old, and the son of Mr. and Mrs. W. M. Strenth of 308 N. Anoka Ave., Avon Park.

Kiwanis Club Installs 1971-72 Officers Tuesday

"Clean Up — Green Up" Month

Now that October has been declared "clean Up—Green Up" Month for the city of Avon Park, the Sun urge citizens of Avon Park to do their part in this project to beautify our city.

George Haanie, representing the Avon Park Chamber of Commerce and Kiwanis Club at the city council meeting September 13, requested and got approval from the council for "Clean Up—Green Up" Month.

Haynie suggested more trash cans in the city, prohibition of posters on poles, which he said is an eye-sore, and urged planting of rye grass during the month of November.

Anyone in the city having junk cars on their lots and no way of moving them, can call city hall and the city will haul them off.

Disney World, only 65 miles north of Avon Park, is scheduled to open October 1, and number of visitors of Disney World will be coming south through our city and we would like to impress them by having the cleanest and greenest city in the state.

Wounded In Vietnam

Sadness again came to Avon Park this weekas we received word of the wounding of a serviceman in Vietnam.

Sp-4 James (Jimmy) Loughan was wounded August 14th, while on patrol with his outfit in Cam Ranh Bay, Vietnam. Two were killed and others wounded a long with Jimmy.

Jimmy called his mother, Mrs. M. G. Shea from Vietnam and then again from Fort Gordon, Ga., where he is in the hospital, after arriving there. Mrs. Shea and Jimmy's sisters, Patty and Sally Loughan have just returned from visiting him at Fort Gordon.

Jimmy attended schools in Avon Park, graduating in 1969 from Avon Park High School. He had been in Vietnam for nine months when he was wounded.

Our hearts go out to Mrs. Shea, as it does to the other mothers and wives who have sons or husbands in Vietnam or have either had them wounded or killed.

Avon Park has had over its share of this kind of sadness.

MRS LOWELL V. FERGUSON SR., of 700 W. Winifred Street is shown above donating flags, one for the flag pole and one for the new gym to Principal Aaron W. Cravens, at the flag pole of the new Avon Park High School in honor of her son, Lowell Ferguson, Jr., who graduated from Avon Park High School in 1969 and who was killed in action in Vietnam, April 24, 1971.

Property Owners Filed Suits

Three property owners have filed suits asking Central and Southern Florida Flood Control District to condemn their land. The property owners—Gordon G. Fletcher, Mary E. Carle and Sara L. Deadwyler—claim their lands lying "between the natural course of the KIssimmee River and US 98" have been substantially damaged by the construction of a canal connecting with the Kissimmee River.

Each of the suits claims that the canal built by the flood control agency has short circuited the flow of water and has by lowering the level of water lowered the usefulness and value of their lands.

Fletcher, owner of the Riverview Fish Camp, said his boat basin has become dry and will remain dry. He says that "practical access to the main body of the river by boats usually used for fishing" is so impaired that his business has been destroyed.

Mrs. Deadwyler is seeking payment for damages to the business of the EEEE Fishing Camp. Only five acrea of the Deadwyler holdings near the Kissimmee River are listed in the suit.

Mrs. Carle claims that prior to the construction of the canal she had water access from her property to the river, and now she doesn't.

The plaintiffs claim that the flood control district has, in effect, reduced the value of their holdings without payment. Tax records show that the combined assessed value of the lands listed in the three suits is $68,470.

In 1968 Harry Lee, Mr. and Mrs. Bob Butts of Sebring, filed suit against the flood control district asking an injunction against Central and Southern Florida Flood Control District to halt maintenance and operation of the structures diverting the natural flow of the Kissimmee River. A second phase of the same suit asked that the flood control district condemn the Lee and Butts lands in the area.

Later the injunction phase of the suit was dropped, but in Sept., 1970, the flood control district reached an out of court settlement with the plaintiffs awarding them $25,000 for damages to their lands.

LAURA ANN TRESSEL, Dean Richardson and Susan Taylor are having a ball with the new playground equipment the City of Avon Park recently purchased. The new equipment cost approximately $400.

tossed a pass to Rocco Pagilarulo in the end zone for the two point conversion to put Father Lopez out front 16-0 early in the fourth quarter.

On the following kick off, Don Sisemore took the ball at full speed right out of the hands of waiting Keith Richards and returned it 20 yards to the Devil 40. From that point the Devils moved 60 yards for a touchdown with only two running plays used. First an incomplete pass, then a five yard pick up by Sisemore and then Bud Wester hit Danny Lewis on an end around pass for a 10 yard fain. An end around run by Packer netted only a yard gain so Sisemore went to the air again and tossed a T.D. pass to end Wayne Todd who took the ball in on the 15 and raced untouched into the end zone.

It was a beautiful reception as Todd got just a step on his defender and took the ball in over his right shoulder at full speed. A sisemore pass to end Bud Wester was good for the two pointer and the Devils looked like they were back in the ball game.

Leon McRae recovered a Lopez fumble on the next series of plays and game Avon Park possession on the Wave 37. A pass interference penalty against Lopez moved Avon Park to the 21 yard line but that's all the FAther Lopez defense would allow and the Devils were driven back to the 30 on incomplete passes or attempted passes. A screen pass on fourth down was complete but good for only one yard before Lopez took over the ball and used up the clock on the ground.

Letters To The Editor

Dear Editor:

As you see I received a ticket in your town for impr oper tag. I knew I was doing wrong but was trying to make it to Volusia County for an 8 tag instead of a Dade 1 tag.

Almost made it too, except old Hawk Eye and Eagle Eye spotted me. It's hard to believe but that was the only police car we saw on the road that night.

This letter isn't for the story, it's to compliment those two policemen, It's to bad there isn't more like them. Very courteous.

State Of Citrus

A FLORIDA CITRUS MUTUAL NEWSPAPER FEATURE

Florida's 1971-72 citrus season is officially underway and with it comes "The State of Citrus", a regular weekly feature prepared by Florida Citrus Mutual designed exlusively for weekly newspapers in the citrus belt.

"The State of Citrus" will be directed to a wide variety of subjects relating to Florida's billion dollar citrus industry and the people involved in that industry. This week's column focuses on the season's initial grapefruit harvest.

September 8 marked the first harvest of white Marsh seedless grapefruit, picked in the Palm Beach area—traditionally the leader in providing mature fruit for fresh markets. Harvesting will gradually increase in the next few weeks until full scale picking is attained in mid October.

Roy Hunter, Florida Citrus Mutual analyst, said grapefruit harvested at this early date will reach northern consumers this week, about the same time as last year. He pointed out the time lag between harvest and market is due to a period when fruit is placed in a coloring chamber and the necessary packing house procedures prior to shipment.

Explaining the term "mature fruit", Hunter said in laymen's language this indicates fruit has reached a stage of ripening while still on the tree which is considered acceptable for marketing and consumption. Fruit must pass a maturity code adopted by the Florida Department of Citrus before it can be shipped.

The initial harvest date of September 8 is about normal, Hunter said, but is about three weeks behind the modern day record set on August 21, 1969 when pink and red grapefruit were picked in LaBelle area on the southern shores of Lake Okeechobee. In ccntrast, 1968-69 harvesting took place on September 18.

Hunter indicated grapefruit processing operations will crank up within the next two weeks, with some plants turning out single strength juice, salads and sections as early as October 1.

Hunter said all indications point toward another crop of excellent quality, a repeat of last season when the variety was considered blue ribbon and sales responded accordingly. Prices are expected to be strong and firm.

Turning to orange harvesting, Hunter said testings indicate a few early maturing varieties, including some navels, may be ready to pick by the first week in October. Initially, oranges will be used primarily in chilled juice, with fresh shipments expected to start around the middle of the month.

Books Will Close

A little more than a week remains for voters to register for the general election in November. Supervisor of Elections Roland X. Driot said registration books are to close Oct. 2. At present residents of the city of Avon Park may register at the Avon Park City Hall. Residents of all other parts of the county may register at the supervisor's office in the HIghlands County courthouse annex at Sebring.

Red Cross Ditty Bags

APO Club Makes "Ditty Bags" For Servicemen

Christmas came early to Highlands County last week! The APO Military Wives and Mother's club met on September 14th, to prepare 15 "ditty bags" for the servicemen in Viet Nam.

Due to the cut back in troops in Vietnam, the Highlands County Red Cross Chapter is responsible for only 15 "ditty bags" this year, as compared to 50 bags in 1970. The APO's accepted this Red Cross project this year under the direction of Mrs. Florence Peach.

Each member contributed items such as tooth brushes and holders; soap dishes and washcloths; playing cards; waterproof pouches and envelopes, etc. These items along with contributions from business establishments in Avon Park and Sebring, made beautiful bags of more than 20 items per bag. The "ditty bags" are very colorful and each item is wrapped in Christmas paper.

Mrs. Peach announced that the Highland's County bags are to be distributed in Cam Ranh Bay, Vietnam.

Prior, to beginning the evening's work, the ladies enjoyed a delicious pot luck dinner. The buffet table was covered with a yellow cloth and centered with a bouquet of mixed roses.

Members present were Mrs. Sara Holifield, Mrs. Florence Holloway, Mrs. Doris Whitt, Mrs. Mary Kelley, Mrs. Naomi Young, Mrs. Anna Smith, and Mrs. Florence Peach, club sponsor.

The APO's express special thanks to the following business for their support in this project: Avon Citrus Bank, I. H. Ford Motor Company, Wells Motor Company, all of Avon Park; and Barnett National Bank, First National Bank and First Federal Savings and Loan Association, all of Sebring.

Christmas will be a little happier for some of our servicemen in Vietnam by the thoughtfulness of these club members and businesses.

HOMEMAKERS TO MEET

The Avon Park Homemakers Extension Club will meet Monday, Sept. 27, at Florida Power lounge at 10 a.m. The program will be on salads. The State Extension Council will meet Tuesday, Sept. 28 at Venus. All members are invited to attend.

WOMEN'S SECTION

LOVELY BRUNETTE Gwen Sharpe, is all smiles at the bridal shower honoring her Monday night, Sept. 20 at Florida Power Lounge. Looking on and recording the gift she is opening is Miss. Betty Padelford, one of Gwen's bridesmaids.

Miss Gwen Sharpe Honored With Miscellaneous Bridal Shower

Miss Gwen Sharpe, lovely brunette bride-elect of John Hafford,was honoree at a miscellaneous bridal shower Monday night, Sept. 20, at Florida Power Lounge.

Hostesses for this lovely party for Gwen were, Ophelia Rihner, Blanche Brantley, Betty Crews, Virginia Henderson, Catherine Mitchell and Ann MicKunas. They presented a corsage of white carnations and babys breath to Gwen, which accented the blue and white jersey dress she wore with white accessories.

Lori Yarbrough, one of Gwen's bridesmaids, kept the bride's book at a table just inside the Lounge, covered with a green satin cloth with a delicate bride doll greeting each guest as they signed. The gift tables covered with white were centered with an arrangement of colorful flowers and fruit. Miss Betty Padelford, also one of Gwen's bridesmaids, helped with the opening and recording of her gifts.

The attractive refreshment table was covered with green and overlaid with a sheer white lace trimmed cloth. The crystal punch bowl surrounded with green speckled crotons and double yellow hibiscus was accented with a silver candelabra holding an arrangement of yellow mums, leather leaf fern, babys breath and green candles. Nuts and mints were served from crystal bon-bon dishes along with the tasty punch, cookies and hors d'oeuvres to the seventy friends who wished Gwen happiness.

The hostesses presented Gwen with an electric coffee maker.

Business Women Hold First Meeting Monday

The Avon Park Business Womens Club held their first meeting of the new season Monday evening. President , Gladys Smith, called the meeting to order and extended her appreciation to the members for their efforts in making the past year such a successful one for the club. Mary Jean Adams lead the group in prayer and reports were given by Alverna Rutz, Secretary, Anita Renfro, Treasurer and the various committee chairmen.

Plans were laid for the coming year with emphasis on remembering the elderly of Avon Park who are so often forgotten people. Members are urged to suggest ways in which the club could help with the needs and comfort of these people. Claxton fruit cakes will also be sold again this year. The Business Women's Club is very active in helping Avon Park a better in which to live. They have assisted with such civic projects as Christmas Lights, the restoration of the Mall Bandstand, Christmas Cheer, and have provided many of the attractive benches you see located in the Mall.

The Club also has a student loan fund available to worthy students to assist them with their college education. Two students are currently taking advantage of this fund. When you purchase a Claxton fruit cake from a member, you, too, are assisting in this work. Violet Hollingsworth is in charge of the cakes, this year.

The Club voted favorably on the membership of Bennie Mathes as proposed by Irene Roy. A social hour followed the meeting and refreshments were served by Alverna Rutz, Bonnie Sherman, Anita Renfro, Ada Hallam and Gladys Smith.

DR. AND MRS. JOSEPH MITCHELL

Jeanne Price-Doctor J. Mitchell Wed In Episcopal Church, Sebring

Miss Jeanne Isabelle Price, daughter of Dr. and Mrs. Luther Lucian Price, Avon Park, became the bride of Joseph Alexander Mitchell, M. D. son of Mr. and Mrs. Thomas McKinnon Mitchell, Sebring, in a ceremony solemnized at St. Agnes Episcopal Church on Sept. 11 at 7 p.m.

The Rev. James Jackson Henry Price, only brother of the bride, performed the Presbyterian rites. The wedding service recital was played by Stephen P. Dunn of Bradenton; while Mrs. Ralph Eyman of Sebring played background music during the double-ring ceremony. Mrs. Stephen Dunn was the soloist.

Candelight gown

The bride was given in marriage by her father, Dr. Price. She wore a candelight gown of satin with a high neckline. The collar and yoke were trimmed in Venice lace. A Camelot veil fell into a long, formal train of pure silk illusion.

Matron of honor was Mrs. Billy Harris, sister of the bride from Shelby, N. C. Her gown was in orchid chiffon with a deep purple bodice. Miss Sophy Mae Mitchell, only sister of the bridegroom from Tallahassee was a bridesmaid. Junior bridesmaids were daughters of the bridegroom, Miss Diane Margaret Mitchell and Miss Karen Mae Mitchell. Their gowns were the same as the matron of honor.

Best man was Henry Chesterfield Mitchell, brother of the bridegroom from Jacksonville. Groomsmen were Thomas McKinnon Mitchell, Jr. of Long Beach, Calif. and Charles Robert Mitchell of Tampa, both brothers of the bridegroom.

Junior groomsmen were the bridegroom's sons, Richard Joseph Mitchell and John Alexander Mitchell.

Boorom Hall reception

The wedding reception was held immediately after the ceremony at Boorom Hall of St. Agnes Church. Mrs. Irene Henry Eggleton, aunt of the bride, kept the bride's book. Hostesses were Mrs. Ralph Eyman, Mrs. Howard G. Livingston, and Miss Lelia Sebring. Music for the reception was provided by Mrs. Verna Macbeth. Mrs. Floyd Clark and daughter Carolyn served at the punch bowl.

Mrs. Spencer Armistead and Mrs. John Knapp served the bride's cake; while Mrs. Henry Mitchell and Mrs. Robert Mitchell assisted with serving the bridegroom's cake.

The bridal couple took a brief wedding trip to South Fla. and will follow this in October by taking a trip through the mountains of N. C. and Va. along the Blue Ridge Parkway. The couple are residing at 641 N. W. 43rd Ave., Pompano Beach, Fla.

FIRST MEETING OF WOMAN'S CLUB

The Avon Park Woman's Club will have their first meeting of the year Friday, Oct. 1, at 12:00 o'cock at the clubhouse on South Berona Avenue, with a salad bar luncheon. Bring your own table service.

By FAYE GORDON

Here it is September and it's back to school again for our youngsters. Studying is one of the hardest jobs these young eyes will have to do, and most of us don't realize how important good light and goodposture are for studing. Children do their homework in "any old place" and in "any old light". But, when conditions aren't right for studying, fatigue sets in and attention wanders.

So, let's see how to make homework lighter for your youngster. First, let me say, the use of a high intensity lamp exclusively at a desk is not recommended. The small bright filament reflected on work surfaces is very annoying, especially on study books and papers. For prolonged studying, don't choose this lamp, or any lamp that directs all its light downward. This, of course, eliminates using the gooseneck lamp and pole lamp.

The lamp shade should be fairly dense, white on the inside to reflect as much light as possible, and open at least 8 inches at the top to provide upward light. The lower edge of the shade should be eye level with the person seated at the desk, or a 15 inch distance between the desk top and lower edge of the shade. A 200 watt bulb and a diffuser bowl, or white bulb to diffuse and soften the light, should be used in the lamp.

If, with all these suggestions, you are not sure what type of lamp to buy, look for a lamp that has a tag saying, "This is a Better Light Better Sight Bureau Study Lamp." This tag assures you that you are choosing a proper study lamp; for to earn this tag the lamp must pass tests for lighting performance, as well as mechanical stability and electrical safety.

Remember, It's a Woman's World, and it's up to us to look out for our youngsters' eyes.

Rowland-Wall Wedding To Be Held Saturday

The wedding of Miss Bonnie Sue Rowland and William Carey Wall will be solemnized this Saturday, Sept. 25th, at 7:00 o'clock at Florida Avenue Baptist Church.

Officiating will be the bridegroom's father, Reverend Warren B. Wall, assisted by Reverend Clay D. Jennings.

All friends and relatives are cordially invited to attend the ceremony and reception immediately following in the church social hall.

MR. AND MRS. LARRY ALFRED PARKER

Beth Johnson-Larry Parker United In Marriage Saturday

Miss Beth Johnson and Larry Alfred Parker were married in a beautiful ceremony at the First United Methodist Church on Saturday, Sept. 18th at 3:00 p.m.

The bride is the daughter of Mr. and Mrs. William C, Johnson, Wauchula Road and the bridegroom is the son of Mr. and Mrs. L. A. Parker of East Point, Georgia,

Reverend Duane Zoller officiated at the double ring ceremony. The altar was banked with baskets of yellow and white gladioli. Mrs. Laurinda DeShong, organist, played a medley of pre-nuptial music, including the score from "Love Story".

BRIDE WEARS SATIN AND LACE

Given in marriage by her father, the bride was radiant in a hoopskirted gown of bridal satin trimmed with seedpearls. Layers of Alencon lace skirted the gown. In back, lace cascaded from the waist and flowed into a train. Her veil of illusion was capped by a crown of seed pearls. She carried a bouquet of white daisies with just a touch of yellow.

Matron of honor was her sister, Susan Walters of Enterprise, Alabama. She wore an empire gown of blue nylon trimmed with white lace. The long full sleeves were held at the wrist with the same lace. She carried a nosegay of multi-colored carnations accented with blue streaming ribbons.

Tom Walters of Enterprise, Alabama served as best man. Ushers were Jan Louis Johnson, brother of the bride and Ricky Roan of Avon Park.

Mrs. Johnson wore for her daughter's wedding a yellow polyester sheath with white accessories and wore a corsage of yellow and white carnations.

HONEYMOON IN THE BAHAMAS

For her honeymoon to the Bahamas, Mrs. Parker wore a pant suit of red polyester with matching accessories. She wore a corsage of white carnations. After their wedding trip, Mr. and Mrs. Larry Parker will reside at 200 Emerald Avenue in Lake Wales.

Beth graduated from Avon Park High School in 1966 and from Florida Atlantic in 1970. She is employed as a social worker at Family Services, Sebring. Larry attended school in East Point, Georgia and is employed at Disney World in Orlando.

RECEPTION

A reception was held at Wesley Hall immediately following the ceremony.

The bride's table was covered with a white lace cloth and centered by a four-tiered wedding cake topped with yellow and white roses. A miniature bride and bridegroom were nestled between the third tier.

Mrs. Paul Jones served the cake and Mrs. Duane Zoller, Mrs. C. F. Johnston and Mrs. John Barbaree were at the punch table.

OUT OF TOWN GUEST

Out of town guests attending the wedding were: Mr. and Mrs. M. F. Poole, and Keith Brach, Miami, Mrs. G. R. Johnson and daughter Cheryl and Mrs. Eunice Therrien, Lakeland and Mr. and Mrs. Tom Walters and Little Tom Walters III of Enterprise, Alabama.

Notes On Helping The Handicapped

Every parent of a mentally or physically handicapped child or adult is confronted with the problem of what will happend to his child if the parent should die suddenly or be seriously incapacitated. All parents face this problem but the anxieties of the parents of the handicapped are for the lifetime of the child, may be more acute and more agonized, more marked with feelings of guilt and helplessness than in situations involving healthy children.

Improved health of people living in the twentieth century is evident in improved health of the handicapped. More handicapped children are surviving the rigors of infancy and early childhood so that more handicapped children grown to be young people. Today more handicapped persons survive the teen and maturing years than was the case 20 years ago and outlive their parents by almost as many years as do healthy offspring.

This improvement in general health has been accompanied by expanded opportunities for the education and training of handicapped children and adults. Special education classes, early sight and hearing screening, sheltered workshop for adults and preschool programs are services now provided in many communities.

To assist parents and society in general, in caring for handicapped children and adults, legislation as part of social security benefits has been in effect for a few years. The amount of assistance that can be allotted to a handicapped child or adult depends upon the age and disability of the handicapped person as well as the opportunities developed by his parent while a working member of the economy.

Veterans' benefits are available to the handicapped survivor similar to the benefits of a minor child whose parent had earned benefits of a minor child whose parent had earned benefits through military service.

District representatives of the social security administration and the veterans administration should be contacted for guidance and detailed information.

Insurance can be a very useful instrument for a parent in providing for continued care of a handicapped child. Careful planning for the distribution of such a resource is essential both to the future financial stability of the handicapped person and the peace of mind of the parent.

Insurance company representatives who know their company benefits or can contact within their organizations, specialists in financial planning, can help parents make sound arrangements for a handicapped child.

A will or the legal document referred to as "last will and testament" if thoughtfully structured with reliable legal advice, including plans for guardianship and trust, is an instrument used by parents in providing for the future of their children. The relationship of guardianship and trust may be for the lifetime of the handicapped but with improved opportunities for the retarded or handicapped to live and work in their home communities, the degree of control may be more flexible than has been possible in the past.

The National Association for Retarded Children, United Cerebral Palsey and other health agencies have been concerned with the problems of parents for their handicapped children. National, state and local committees of these organizations have studied the opportunities available and worked to expand them so that the handicaped might have services in keeping with their needs.

This is the first of a series of articles on Planning for the Handicapped

OFFICERS AND MEMBERS who participated in the first meeting of the Avon Park Federation of Garden Clubs, held Sept. 16 at Florida Power Lounge were, left to right, Mrs. Hubert Bussard, president; Mrs. J. F. Wagner, vice president; Mrs. J. M. Joines, treasurer, also one of the hostesses; and Mrs. Marian Dick and Mrs. Karl Swanson hostesses for the first meeting.

Federation Of Garden Clubs Hold Meeting

The Avon Park Federation of Garden Clubs held it's first meeting of the 1971-72 season September 16, at 9:30 a.m. in the Florida Power Lounge.

The meeting was called to order by the president Mrs. Hubert Bussard. Mrs. J. F. Wagner reported on the year books and the secretary, Mrs. Alice Sherman read an announcement of the District IX annual meeting to be held at the Holiday Inn in Lake Placid October 18 with registration beginning at 9:00 a.m.

Mrs. Bussard gave a report of the state and national conventions held in Miami, May 17-21.

The hostesses, Mrs. J. W. Joines, Mrs. Karl Swanson and Mrs. Marian Dick served coffee, orange juice, coffee cake and cookies to the members attending the meeting.

Mrs. Dick drew the door prize number, which was a lovely plant for her home.

MARRIAGE ANNOUNCED

Mrs. Maggie Stansberry of Avon Park announces the marriage of her daughter, Mary Merlene Chisholm to John Batts, son of Mary Alice Batts also of Avon Park. The ceremony was performed in Folkston, Georgia on September 15, 1971.

CHRYSLER MOTORS CORPORATION

Introducing the 1972 Chryslers. Built to stay new longer.

You'll notice a lot that's new on our '72 Chryslers. Like the styling, for instance. And some of the new options and interiors we're offering.

But what we think is more important is the fact that 9 out of 10 new Chryslers registered in the last ten years are still on the road. That should tell you something about how we build Chryslers.

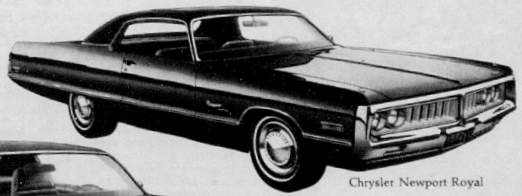

We build them to last.

You see, we believe that a car that lasts is the kind of car America wants. So we've dedicated ourselves to this commitment—build cars that will run better and last longer than any we've ever built before.

And whatever Chrysler you're interested in—from the affordable Royal to our most luxurious Imperial—you can be sure it was built with this commitment in mind.

PINK LADY Eleanor Dow is receiving her 500 hour pin from Waaker Memorial Hospital Administrator John McClellan at the Pink Ladies' regular meeting MOnday night.

Pink Ladies Hold Regular Meeting Monday

A loyal 15 "Pink Ladies" met in regular bi-monthly meeting on Monday night at the hospital north lobby.

In a short business meeting a nominating committee was named and a committee to look over the present by laws to learn whether they meet their needs. Jane Wells and Mildred Gay chair the first and Ann Robbins the second committee.

Members were reminded to bring to the November meeting a gift for the Auxiliary gift shop. The gift shop can use any of your cast off vases, bowls, and jars. Ask Director Tondee for details.

Administrator and Mrs. John McClellan were guests. He presented with clarity the financial problems facing the hospital, indeed any hospital. Current expenses when 65 percent of the patients are on Medicare is a real challenge. Add to that the load placed on Wa lker by it's new building program and you can know the hospital needs cooperation from employees, volunteers and community.

Eleanor Dow received her 500 hour pin.

RUTH ROBINSON

The shuffleboard courts are beginning to lure our folks back for playing on these balmy and very comfortable evenings. Newcomers this past week are welcomed by us all. They are: Mr. and Mrs. John Wilkerson, Mrs. Bertha Montgomery and her friend, Mrs. Maggie Glenn. They will be here until their new home is ready for occupancy. Mrs. Gladys Geib, Mr. and Mrs. Robert McBeth and Mr. and Mrs. Cecil Hale, all from Ohio, looking well and glad to be here. Some of them ran into very heavy rains on the way south and northern Florida.

Mrs. Maude Nieukirk is in Walker Memorial Hospital for surgery, which was performed on Monday morning. Remember her in your prayers, as well as Mrs. Thelma Skuse, who is in the hospital for treatment and tests.

Mrs. Paul Roth wrote a very nice letter in appreciation for the many (359) thoughful and beautiful cards which she and Paul received on their Birthdays, and 50th Wedding Anniversary, as well as the Get Well cards during her recent surgery and illness. They send their regards alss, to all their friends. We are still praying for your good health to return, Ginny, so you can come to the sunshine state for a rest and suntan! That roast goose dinner sounded very tempting, which your daughter in law prepared for you that is one meal you probably wouldn't get down here!

The Lawrence Robinsons had a surprise visit on Sunday evening, when Mr. and Mrs. Ray Reese of Aurora, Ohio visited them with Gladys and Julius Converse now living in Fedhaven, but former residents of Avon Mobile Home Park. We are looking forward to some good pies made from apples, which the Reeses brought from Ohio.

Mr. and Mrs. J. Geesor, sister of Sallie Wright and her husband, from Huntington, Virginia, are visiting the Wrights for a few days. They came to pay their mother, Mrs. Miller, a visit at the Hillcrest Nursing Home, also. On Monday, Emmette and Sallie took them to Tampa and St. Petersburg area sightseeing and dinner at the beautiful Kopok Tree Inn in Clearwater.

Mrs. Worley and Mrs. Lulu Maddrell wish to thank aal their friends and neighbors for the many cards, visits and letters during their recent illness. Mr. and Mrs. Louis Shoemaker enjoyed the Gleaners Conference in Columbus, Ohio last week; and they report that Louie is feeling like his old self again. Both of them can hardly wait to get back here.

Mr. and Mrs. Walter Coady are enjoying a visit with Walt's niece and her husband, Mr. and Mrs. Ulderic Lucier from Rutland, Vermont. They may be here a few days, as they are finished up their vacation, after being at Daytona BEach.

Please put your news in the black NEWS box at the end of our mailboxes on the south side of the park. Your reporter would appreciate the effort on your part, as it becomes more difficult to gather news as our population increases. Many thanks to you! You have always cooperated, nicely, in the past.

Can you find the Volkswagen hidden in this picture?

If you can, you'll make us very sad.

Because we've troubled ourselves no end to hide it from you.

Our quest for the invisible Volkswagen took us all the way to Turin, Italy.

Where we asked the famous Ghia Studios to design us a sporty Italian body.

They did.

Then we secretly prowled about Europe for the best coach builder we could find.

Success. To the Karmann Coachworks of Osnabruck we handed over Ghia's sketches with the injunction:

"Make it beautiful." (Or else.)

They did.

They welded. And burnished. And sculpted. And sanded. And painted.

Until they had shaped in steel what Ghia had shaped in pencil.

Smug in the knowledge that nobody could ever mistake this beautiful car for a Volkswagen, we concealed our air-cooled engine in back. (For better traction.)

And made it go about 26 miles on just one gallon.

Then we gave this Volkswagen its final disguise:

We named it the Karmann Ghia.

To Hold Workshop

On October 2, the Highlands Association on Children Under Six will hold a one day workshop in Layton Hall of the First United Methodist Church, Sebring. Anyone interested in children is invited to attend.

Resource sessions and noted speakers on pre-school education are some of the highlights of the workshop. registration $1.00 buffet luncheon $1.50.

The workshop begins at 8:30 a.m. and will close at 2 p.m.

The keynote speaker of the workshop will be Dr. Joseph Crescimbeni, Dean of Faculty at Edward Waters College in Jacksonville. His theme is "Change and Challenge of the Preschool", and the topic he will be discussing during the resource sessions will be "Behavioral Problems of Young Children".

Parents, day care, nursery, and kindergarten personnel that will be attending the workshop will have a choice of two out of three of the resource sessions after Dr. Crescimbeni's talk is heard by all.

Mrs. Doris McIntyre, past president of Fla. Association of Children Under Six, will lead her resource session on "Art and the Young Child". Mrs. Mary Ann Reddick, Avon Park and a teacher in the pilot program of engineered classrooms for special children, plans her resource session on "Motor Skill Programs for Early Childhood Years".

So help in better understanding children is being offered to anyone who cares to avail themselves of the opportunity.

Cathedral Choir Will Sing Here Sunday

The Junior section of the choir of St. Peter's Episcopal Cathedral in St. Petersburg, will sing with the choir of the Church of the Redeemer in our Episcopal Church in Avon Park next Sunday, Sept. 26th at the 10 a.m. service.

The music will be the traditional setting of the Eucharist and special anthem, "Sing unto the Lord a New Song" by David Johnson. The Cathedral choirs are under the direction of Robert Setzer, assisted by Randell Hehr. The regular Redeemer will be on hand under the direction of Mrs. Helen Field. The public is cordially invited.

AT PEABODY COLLEGE

Deborah Lynne Buchanan, daughter of Mr. and Mrs. G. L. White of Avon Park, is enrolled in the freshman class at George Peabody College for Teachers in Nashville, Tenn.

Mrs. Todd Presented Merit Awards

Mrs. Louise Todd, a teacher at Tuscaloosa, High School in Alabama, was presented a Distributive Education Merit award during the Alabama Vocational Association's Annual Conference held in Birmingham.

The outstanding service award presented by the Alabama Council of Retail Merchants was made to Mrs. Todd "for significant contributions to the retail industry" and was based on professional attitude and contributions of working with youth and adult continuing education.

Mrs. Todd, who has served as D E teacher co-ordinator at T.H.S. for five years, has served as vice president and secretary of the Alabama Distributive Education Teachers. She is currently serving as state secretary of the Alabama Vocational Association.

Mrs. Todd is the wife of E. Donald Todd, formerly of Avon Park and daughter in law of Mr. and Mrs. E. G. Todd of Lake Lotela.

Maybe the world IS getting worse, and maybe the news coverage is getting better.

Brentwood Mobile Home Court News

Now that our summer is almost at an end, after a very pleasant one, we will get Brentwood back in circulation. This week we welcomed back from the north, Mr. and Mrs. Leon Van Buskirk, Mr. and Mrs. Victor Nyman and Mr. and Mrs. Merle Roudebush. Glad they all had safe trips home.

Mr. and Mrs. Bill Good report a very pleasant six weeks with their families in Toledo, Ohio this summer.

Congratulations to Emil and Lucy Holaday on the wedding of their granddaughter, Cris Swisshelm in Sylvania, Ohio on Saturday. Mr. and Mrs. Bill Good entertained Mr. and Mrs. Glenn Moulton and Mr. and Mrs. Robert Duthie of Avon Park for dinner on Wednesday. Fishing for Emil Holaday and Bill Good has been pretty good lately. They have caught some nice bass.

Mr. and Mrs. Doug Stone spent the weekend with Mrs. Stones' parents Mr. and Mrs. William Bennett. Sunday afternoon callers of Mr. and Mrs. Frank Breif were, Mrs. Milford Cotton and her nephew, Robert Froenlkich of Bowling Green, also Mrs. Virginia Froehlich of St. Petersburg.

Mrs Violet Thompson has been visiting friends and relatives in Kansas and Missouri. At present she is visiting her nephew and wife in Jacksonville. She plans on returning home this week end.

Mr. and Mrs. Arthur Suring are visiting friends and relatives in Green Bay, Wis.

DAVE LLEWELLYN

What's It All About?

"God's in His heaven —
All's right with the world!"
— Robert Browning

Certainly God is good to all who are pure in heart. But for me, my feet had almost gone out from under me; my steps had nearly slipped.

Why? I was jealous of proud fools when I saw their prosperity and wickedness. They do not suffer or continually face death. They are strong and healthy. They are not plagued with problems like other people.

Consequently the wicked are proud and wear their pride like the golden chain of a ruler, while under their handsome clothing they are covered with violence. They are gluttons to eat up all the pleasures their hearts can conceive — and more! Their eyes puff out with greed.

Does God Know?

The prosperous wicked mock those who are under them and oppress their workers. They speak as authorities on matters beyond their understanding. Especially, they scoff at God and scorn spiritual truths, trying to grab for themselves control of as much of the world as possible.

Honest people say to themselves, "Does God know what's going on? Does the Creator take any notice of this world? Look how the dishonest people can take it easy and still get rich."

It seems I have made my life pure for nothing. My innocence has been vain. My reward has been to be goaded by oppression, day in and day out. This is how it seems, but I know better. I couldn't stand the thought that this might be true, so I talked to God about it, and He showed me what happens in the end to people who love evil.

It is not me, but the wicked who stand in slippery places. You, God, have made the edge to crumble under their step and have allowed them to slide to ruin. In an instant they are destroyed. They live in terror of death, and die only to face more horror.

Cruel and dishonest people see life falsely and imagine theirs is the best way to live. Death will wake them from their dream and God will despise their lives.

God, I was foolish to be jealous. Sometimes I have no more sense than an animal. Nevertheless, I am never outside of Your care. You have given strength to my actions; You will continue to guide me through the counsel of Your Word and the Holy Spirit. And at death You will accept me into Your presence with honor.

Whom else do I have in heaven? There is no one else, even on earth, whom I desire except You.

My strength and energy fail me. But my God is the rock of my life. He is sure and trustworthy, and He is all I need forever.

When I look, I see that all those who neglect God perish. God has destroyed all those who reject His values for false values of their own.

For me it is good to stay close to God. I have made Jeborvah, the Lord, my refuge. And I will tell the world all God's works.
— David, Psalm 73

To Whom Shall We Go?

Once many of Jesus' followers lost confidence in Him and left Him. Jesus then said to the twelve disciples, "You don't also want to leave, do you?" Peter replied, "Lord, to whom shall we go? You have words of eternal life, and we have believed and have come to know that You are the Holy One of God."

CYNTHIA T. CALVERT

Mr. and Mrs. Dwight Supernaw from Islamorado left Friday for their home after spending three days as guests of Mr. and Mrs. Walter Nierstheimer.

Earl Castine from Visalia, Calif. arrived in Tampa by plane last Friday and Mr. and Mrs. Orville Castine met him when he arrived. He will spend several weeks with his brother and sister in law.

Thirty five members and guests attended the pot luck dinner at the club house last Thursday night. Mrs. Elmer Hurst, Mrs. W. T. Haines and Mrs. Orville Castine were hostesses for the dinner.

Mr. and Mrs. Charles Balding returned home Monday from Cocoa Beach where they visited their daughter and family, Mrs. Bruce Riley for four days. Enroute home they stopped in Mt. Dora to visit Mr. and Mrs. Robert Albert, and Mrs. J. L. Balding in Kissimmee.

Mrs. Albert Richie returned home last Sunday from a two weeks stay in Hialeah with her son and daughter in law, Mr. and Mrs. Calvin Richie. Her grandson, Dallas Helm drove up and took her to Hialeah.

Mrs. Walter Meyer from Winter Haven and Mrs. M. McKee from Bloomington, Ill. visited Mr. and Mrs. W. T. Haines last Monday. Mrs. Meyer just returned from a trip to Illinois and Wisconsin.

The regular monthly salad bar luncheon will be held at the club house on Thursday Oct. 7th at 12:30 p.m.

Mr. and Mrs. Frank Haskin were visitors in Lakeland last Thursday.

Mr. and Mrs. W. L. Ackerson returned home last Thursday from a six weeks trip to Succasunna, N. J. where they were guests of their daughter and son in law, Mr. and Mrs. William A. Thonie. Mr. Thonie drove them home and left Saturday to return to his home. While in New Jersey, Mr. Ackerson celebrated his 85th birthday.

Mr. and Mrs. William Robbins returned to the Lakes last Tuesday and were away for two months. They spent two weeks with each of their three sons and families and Mr. Robbins sister. They were in Elks Mountain: Lenoxville, Pa., Wildwood, N. J., Lake Mahopak, N. J. and Princeton, W. Va.

Walter Nierstheimer was in Clearwater last Friday on business for the Highlands General Hospital.

Mr. and Mrs. Edwin Guenzel returned last Sunday from a trip of eight weeks, going to Long Island to visit his brother, her son in Newton, N. J. then to Lake Illif, N. J., Damerest, N. J. to visit her two sisters and friends. They spent three days in Hershey, Pa., and visited many places of interest in the area before returning home.

The residents of the lakes were shocked to hear of the death of Mr. John Bengel and the family Mrs. Bengel may be reached in care of Mrs. Thedore Kock, Rt. 1 Box 2748 Oak Ridge, N. J. 07438.

Mr. and Mrs. Morris Sattler returned Tuesday from a vacation trip of 10 weeks. They visited their son and family, Mr. and Mrs. Richard Sattler and friends Mr. and Mrs. Joseph Harvey in Pittsburgh, Pa., and a niece and family, Mrs. Regina Anthony in Butler, Pa., also attended a picnic with them. While in Pittsburgh they attended the wedding of their nephew, Robert Sattler.

Mr. and Mrs. Adam Weinraut and Mr. and Mrs. Paxton Hill drove to Belle Glade last Friday to look over the Belle Glade Recreation area, where the Highlands Campers will sponsor District 2 Campout Sept. 24, 25 and 26th. The District 2 consist of the Pelicans, Cocoa Area, Ft. Pierce, St. Lucie, Barefoot Mailman, Ft. Lauderdale Gaters Orlando, Lake Wales, Avon Park and Highlands Campers.

DISTRICT VIII high school Future Farmers of America gathered at South Florida Junior College during their "Youth With a Purpose" leadership training school held Saturday.

STATE FUTURE FARMERS of American Vice President Eugene Yancy, Myakka City, calls on James Goza, (right wearing striped tie) of the South Florida Junior College Agricultural Department staff for information during the "Youth With a PUrpose" District VIII leadership training school held at the Junior College lecture center.

RED DEVIL halfback Keith Richards is about to have a head on collision with a Father Lopez defender in the game played at Memorial Field last Friday night. Other Devils in picture are Virgil McInvale, No. 72 and James Walker, No. 71.

On The Move

Jr. High Devils Defeats Sebring 20-0 Tuesday

Avon Park's eighth and ninth grade football team won its opening game in Sebring last Tuesday night over the junior high Blue Streaks by a score of 20-0. Eighth grade halfback Tim Massey scored Avon Park's first T.D. with a 25 yard run off a double reverse. The try for the point after was no good. In the third period another eighth grader—Leonard Green—ran the ball in from 11 yards out for the second touchdown of the game and quarterback Jerry Robinson tossed a pass to Ronnie Hicks for the two point conversion to put Avon Park out front 14-0.

Then in the fourth quarter Robinson sneaked over from one yard out after Ronnie Hicks had taken a long pass and run it close to the Sebring goal line. Again the run for the PAT was no good but Avon Park had a 20-0 win for coach Ken Shackelford and Coach Harry Williams.

The eighth and ninth graders play Lake Placid here at Memorial Field next Tuesday night starting at 7:30 p.m. Come out and watch the exciting team in action.

Hunters Urged To Wear Orange

Hunters that once argued that a bright, flashy color , such as the fluorescent orange , would spook deer have discovered otherwise, and it is difficult to argue against the hunter safety record the flashy color has established.

Windham said, "Fluorescent orange hunting garments are available at most sporting good stores and a purchase prior to hunting season might prevent someone from becoming a statistic in the annual summary of hunting casualties, provided it is worn in the field."

Liquor Licenses Discussed By Commissioners

The fate of an ordinance to slow expansion of liquor traffic in Highlands County has been passed to the public.

Highlands County commissioners debated the proposed ordinance briefly Tuesday then decided to "let it go to the hearing and see what the public wants."

The commission has proposed that new liquor licenses would be issued for each 5,000 increase in the county's population. The state law provides a new liquor license for every 2,500 residents. At the meeting Tuesday Commissioner Robert Skipper challenged the tougher regulations for Highlands County. He protested that limiting the licenses ends to "make it a political football," and the chairman replied, "The more licenses you have the more of a political football it becomes."

He added that another ordinance proposes to extend the hours for selling liquor (establishing a uniform 2 a.m. closing all seven days a week) and that "gives the wets something" while the license limits "gives the dries something."

BID LIMITS LOWERED

The form of another ordinance was changed Tuesday when the commission agreed to set the bid limit for the county at $1,000. At an earlier meeting a $2,500 ceiling for non bid buying had been suggested. Chairman Skipper explained Tuesday that the higher level had been suggested to save time. At time, he said, projects had been started and then materials had run into the present $1,000 limit. The only choice was to stop work until advertising for bids could be printed and the bids received. The proposed ordinances, five in all, must be advertised at least 15 days prior to public hearing on them. With the revisions made Tuesday, advertising may be delayed and public hearings, at first suggested for early October, will go into the middle of October, at the earliest.

Other ordinances approved for advertising Tuesday set the County prosecutor's annual salary at $12,000, get a $10,000 ceiling on annual contributions for mental health and mental retardation projects.

ROTARY CLUB NEWS

Reported by: DAVID LANIER

Chaplain Frank Cook of the Florida Alcoholic Rehabilitation Center was the guest speaker at the Rotary meeting Wednesday, Sept. 15, Chaplain Cook, introduced by John Knapp, gave a talk on "Ministry to Troubled People." He has worked with many patients at the Center and spoke of his experiences in assisting them with their problems.

What is meant by a "troubled person" was the first question he presented and he made an interested observation that the troubled person often may not be the patient himself, or only the patient. Troubled persons may be the courts, law enforcement agencies or family, friends of the patient.

In connection with this, he remarked that there is another question, "Whose problem is it." Often, or perhaps in most cases, the problem of alcoholism may be with the person making a complaint about another who is an alcoholic, not the alcoholic himself as in many case, as far as he is concerned. he has no problem but by his actions, has created problems for others. In other cases, Chaplain Cook pointed out, some other person or thing may be the problem causing the patient to drink and become an alcoholic.

In any illness, he said., after the problem is defined, there is another matter to contend with, that being, overcoming the "secondary gain" of the illness, that is, the patient receiving some joy out of being sick. The patient will complain of his illness and receive sympathy or find someone who cares, such as his friends or family. In any major illness, the effect of this secondary gain must be reduced in order for the patient to get well.

In the case of alcohol, the patient may like the consequences of drinking; such as avoiding responsibilities or escaping from reality. The alcoholic or drug user is many time ministring to himself, writing his own prescriptions, which can be dangerous.

More must be done for him than to say that alcohol or drugs are bad, the secondary gain must be removed. This person cannot be effectively treated until it is determined in what ways his particular illness has been a help, or gain, to him, then change this.

Council Names Flowers Acting City Fire Chief

At Avon Park City Council meeting Monday night, Mack Flowers was appointed acting fire chief replacing Wilbur Giddens who is retiring today (Thursday) after 32 years with the Avon Park fire department.

Flowers, who has been assistant fire chief for the past 11 years, will be acting fire chief until January 1. The city council will then appoint a permanent fire chief.

Due to man shortage Giddens will work eight days a month for the fire department, and the department will use one man at night until vacancies can be filled. The fire department is three men short.

The council voted to sell city owned property to Florida Power Corp. for $9,000. Florida Power will use the land for a substation.

John Lowe, engineer with Dawkins and Associates, reported to the council that he had studied the proposed sewer extension to property on North Lake Avenue proposed for development. Bob Herman, of Avon Investment Co., Inc. said he needed to know as soon as possible if he could get sewers to the property so he could make plans for development. The council approved Dawkins and Associates to make a preliminary survey of proposed sewer extension on North Lake Avenue at a cost not to exceed $300 which will be paid by Avon Investment Co., Inc., if the sewer system is approved.

A letter was read to the council from Mrs. T. O. Martin complaining of sewer and garbage charges on her apartments. Toby Chapel of Southland Trailer Park, told the council that most of his trailers were occupied by one or two people and did not have much garbage. He said he had 50 spaces and only 30 garbage cans and pointed out that only one stop of the garbage truck was required.

MACK FLOWERS
. . . Acting Fire Chief

Mayor Bob Barben requested City Clerk Malcolm Crews to find out garbage and sewer charges on apartments and trailer parks of neighboring cities. Councilman Milton Howard said Avon Park was cheap on their charges compared to other cities and were not making any money on the service.

Crews reported letters had been mailed to all owners of vacant lots on north side of town and letters would be mailed this week to owners of vacant lots on the south side in connection with Clean Up-Green Up Month planned for the month of October.

City Ordinance No. 538 (city budget) and City Ordinance No. 539 (Levying and assessing taxes for and by the City of Avon Park) were read for the third and final time. All voted in favor of the ordinances except Councilman Clarence King.

City Clerk Malcolm Crews reported a check in amount of $1,765.96 from the State of Florida as Avon Park's share of eighth cent of gasoline tax.

Approval was given to Bob Frier of Highlands Cable TV to change their franchise from Highlands Cable TV to Cox Cable TV. The local outfit will still be called Highlands Cable TV, they will use Cox Cable TV only for bookkeeping purposes.

The council gave the bid to Long & Sensenig to air condition the mayor's office, city clerk's office and council room for $990.

The council gave the fire department approval to hold boat races on Lake Tulane, October 10. The ambulance report showed 19 runs, 17 hauls with nine paying.

AVON PARK CITY POLICEMEN Lenard Carlisle, Chief Ferland Cribb and Ray Newman are shown with merchandise that was stolen from Sides Auto Parts, U.S. 27 north, Monday morning. Carlisle drove by the building at 3:30 a.m. and noticed a window on the north side was broken (he had checked the building earlier, around 2 a.m. and the window was not broken then), he called in for help at 3:41 a.m. and through investigation Chief Cribb, Carlisle and Newman arrested two juveniles at 5:45 a.m. Blood was found on the floor of the building from a cut finger one of the juveniles received during the break in. Tools, stereos and tapes amounting to approximately $500 worth and $6.42 in cash were recovered.

Democratic Rally Saturday

More than 2,000 people are expected to hear Governor Rubin Askew speak at a Democratic Rally and barbecue saturday. The event is sponsored by the Highlands County Democratic Executive Committee and will be held at Ft. Bassinger. The rally will get underway at 11 a.m. and will include on the speakers platform, Lieutenant Governor Tom Adams, State Senator Wilbur Boyd and Jon C. Moyle, State Democratic Chairman.

There will be entertainment and a family type atmosphere for the program. Vince Caporale and the Holiday Inn Trio of Lake Placid will provide the music.

"Our committee has really been working on the rally," stated program chairman Wesley Ward. "Don Deadwyler is heading up a barbecue committee and they have 800 pounds of boneless beef that they will begin cooking Friday night.' Other committee members working on the project include Brad Bowen, Mel Bass and Judy Bowen, "Of course,' Ward said, "each of us have many volunteers to help with the project.'

Mrs. Edna Pearce Lockett, chairman of the Highlands Democrats said the real purpose of the rally and meeting is to create interest in the Democratic party and to prepare for the 1972 campaigns. She said she hopes to see the other counties adjacent to Highlands follow Highlands example. Officials and others from Hardee, DeSota, Hendry, Glades, and Okeechobee counties have been incited to the rally and barbecue.

Elected officials of Highlands County have been asked to work in the serving of food. The menu includes barbecued beef, baked beans and cole slaw along with bread and rolls.

"We also hope to impress upon our Governor and our State Senator,' stated Mrs. Lockett, "that we are sincerely interested in the reapportionment and how it may effect Highlands County. Senator Boyd, representing Highlands, Hardee and Manatee County is the chairman of the Senate Reapportionment and congressional redistricting committee.

The barbecue and rally will getunderway at 11 a.m. at the Ft. Bassinger school house, located on highway 98 and the Kissimmee River. This is part of the P-4 Ranch, owned by the Pearce family since the Civil War and now operated by Mrs. Lockett.

Anyone in the Avon Park area who would like to attend the event can get advance tickets from Mel Bass. With the large crowd expected to attend, Bass suggested anyone having folding chairs to bring them.

Devils Top Panthers 15-0, Play Ft. Meade Here Friday

Staying strickly on the ground, the Avon Park Red Devils rushed for 282 yards and scored two touchdowns to defeat the Mulberry Panthers on their home field last Friday night by a score of 15-0. The Red Devils defense held the Panther offense to just over 100 yards on the ground and 46 through the air as four Mulberry passes were intercepted by an alert Avon Park defensive backfield.

This Friday, October 1, the Red Devils will host the Fort Meade Miners here at Memorial Field and it should be a real interesting game. Fort Meade just barely eeked by Wauchula in the season opener, 8-7, and then were played to a 13-13 standstill by a fired up Frostproof eleven last Friday night in Fort Meade. The Miners are under new coach Blaine Turner after taking the district title last season with an 8-2 record. Avon Park dropped a 36 - 22 decision to Fort Meade last year on the Miners home field so will be out for revenge this season as the Devils are looking to a possible district championship themselves this year.

Again it was the Devils strong defense that stood out in the game against Mulberry last Friday night but this time the Avon Park team added a well balanced running attack that pushed the ball right down the Panthers throats for fifteen points. Three Devil backs ground out 75 yards each or

Dove Season Opens Here Saturday

Prospects look good for a successful harvest on the six public dove fields in this region reports Major Brown of the Game and Fresh Water Fish Commission.

The six fields are spread throughout the South Florida Region to give dove hunting opportunity to as many hunters as possible. Fields are located near the cities of Avon Park, Brooksville, Punta Gorda, New Port Richey and Zephyrhills.

Maps with specific locations of the fields and rules applying to hunting on the public fields are available from the Game and Fresh Water Fish Commission, 2202 Lakeland Hills Blvd., Lakeland, Fla. 33801.

Avon Park dove field will be open Saturdays only of each phase of dove season. The season opens October 2 and closes October 31; opens November 13 and closes November 28; opens December 18 and closes January 10. The Avon Park dove field is located at the bombing range.

RULES TO FOLLOW

Twelve doves daily bag limit. Use of retrievers permitted.

A daily $2 dove field permit in addition to a regular hunting license is required. Residents over 65 will be issued permits without charge.

Hunters must check in and out of the field when entering or leaving. Entrance to the field from any other point is prohibited. Intoxicated persons will not be allowed to hunt. All guns must be unloaded after legal hunting hours. Any vehicle or other transportation device may be searched for illegal game while in, entering or leaving the Avon Park dove field.

WOULD YOU BELIEVE DANIEL BOONE? Alesia McClelland is all ready for dove season which will open Saturday, Oct. 2, at 12 noon. A public dove field will be open at Avon Park Bombing Range. Alesia is the daughter of Mr. and Mrs. Richard McClelland of Avon Park.

Absolutely no littering will be tolerated. The checking station will be open from 11:30 a.m. to one-half hour after sunset. Permits will be sold at check station only.

The dove crop this year appears to be better than last and good harvest is anticipated during the first phase hunt, predicts Major Brown.

Remember-This is your hunting area, don't abuse it. This hunt made possible by the Game and Fresh Water Fish Commission and through cooperative efforts of the United States Air Force and the Avon Park Correctional Institute.

Lowell DuBose, Jr. Fund Started At Avon Citrus Bank

Lowell DuBose, Jr., son of Mr. and Mrs. Lowell DuBose, Sr., of 1110 Prairie St., Avon Park, is in Variety Childrens' Hospital in Miami where he was operated on recently.

Lowell, Jr., 16 year old Avon Park High School freshman, has a rare type of sickness which caused double curvature of the spine. He has already had three operations and the fourth (now pending) will be a very serious and expensive one.

The doctors believe they have done all they can for him in Miami and may send him to University Hospital in Minneapolis, Minn., for the fourth operation. Lowell, Jr., has either been in body cast or braces for nine years. He has had two metal rods in his back which were put in due to double curvature of the spine for approximately four years. At the time these rods were put in 13 vertebrates were fused together (which means bone was planted in vertabrates to make them solid).

Recently one of the two metal rods in his back broke due to strain on the rod because of increasing curvature which caused the rod to brake. And this most recent operation the rods had to be removed and it was also discovered that some of the bone was deteriorated and caused bone plant to fracture.

LOWELL DUBOSE, JR.

A fund has been set up at Avon Citrus Bank for young Lowell and anyone who would like to donate any amount of money will be appreciated. Checks can be made to Lowell DuBose, Jr. Fund, Avon Citrus Bank.

Lowell DuBose, Sr., who has been employed by Florida Power for the past 20 years, said the Bureau of Cripple Children is helping, but the expense is so great that he would appreciate all the help he can get. This is considered to be one of the most expensive operations.

Anyone who would like to send young Lowell, a letter or card can send them to his home address: 1110 W. Prairie St., Avon Park.

Lowell, Jr., is the youngest of five children (he has four sisters). He has a cheerful and wonderful personality and has never complained during all of his illness. His mother is with him at the Miami hospital.

LINCOLN'S PHILOSOPHY

You cannot bring about prosperity by discouraging thrift. You cannot strengthen the weak by weakening the strong. You cannot help the wage earner by pulling down the wage payer. You cannot further the brotherhood of man by encouraging class hatred. You cannot help the poor by discouraging the rich.

You cannot establish sound security on borrowed money. You cannot keep out of trouble by spending more than you earn. You cannot build character and courage by taking away man's initiative and independence.

You cannot help men permanently by doing for them what they could do for themselves. Above all you cannot be honest to yourself by being dishonest to your fellowman.

—Abraham Lincoln

Football—

(continued from page one)

better as Danny Lewis moved for 77 yards, Keith Richards carried the ball for 76 yards and Don Sisemore added 75 yards on quarterback keepers. A fourth back, Eddie Ezell, contributed 44 more yards in spite of an injured leg. So the four Devil backs, who averaged only 142 pounds each, slipped through the holes made by a revamped offensive line for 272 yards. And an improved offensive line it definitely was. Jarvis Hartt and Mike Archer moved in as starting guards along with Virgil McInvale and Randy Ward at tackles and Nathaniel Packer and Wayne Todd at ends. The switch of Hartt from fullback to offensive guard was evident from the very first offensive play.

Avon Park scored its first touchdown late in the first quarter after Bud Wester intercepted a Mulberry pass on the fifty yard line. From there Sisemore picked up nine yards, Keith Richards added six and Eddie Ezell went for two more. Then right halfback Danny Lewis scampered through for an eighteen yard gain on his first carry of the game. With Firstdown on the fifteen, Lewis took the ball again on his first carry of the game. With and moved to the two yard line on a thirteen yard quickie. On the next play Danny went in for the six pointer. A pass from Sisemore to Ezell drew a pass interference penalty against the Panthers so from a yard and a half out, Lewis took the ball in for the two point conversion slanting right through the Mulberry line.

In the second quarter Avon Park held Mulberry on four downs and took over on its own 43 yard line as the Panthers gambled on fourth down and didnt make it. The Devils moved quickly to the Panther thirty four but loss the ball on a fumble. Penalties kelp Mulberry deep in their own territory and they finally were forced to punt out from their own ten yard line. Avon Park marched down to the Panther two but was held by a stubborn Mulberry defense and the half ended as Mulberry punted out to the twenty five.

The Red Devils kicked off to the Panthers in the second half keeping the ball on the ground to prevent a long run back—one of Mulberry's specialties. The Panthers moved to Avon Parks thirty four on a long and sweep that picked up twenty five yards, but then the Devil defense held for four downs and took over the 34 yard line. It took only nine running plays to score again as Ezell had a twelve yard burst and Sisemore romped for 35 yards before he was tackled from behind as he slowed down to get a block. Then Keith Richards blasted through for a 16 yard pick up to the one yard line. On the next play Richards slid through for another touchdown and this time Sisemore booted the extra point to put the Devils out front 15-0.

Mulberry made its deepest penetration after the second Avon Park score as the Panthers marched to the Avon Park 18 yard line with the aid of a roughing the passer penalty. Then Keith Richards pulled in a Panther pass at the Devil twelve and moved it out to the twenty to stop the only Panther threat.

The Devils ground out more yardage as they moved slowly to the Mulberry 34 before the drive sputtered and Sisemore punted to the Panther ten. The next Mulberry drive was also stopped with a pass interception. This time Arnold Davis dropped back from his defensive end position and got one arm on the ball as a quick over the line pass went by him. Davis made a nice run back that was nullified with a chipping penalty.

A couple of plays later Avon Park lost the ball on its second fumble loss of the game and Mulberry went to the air again as time was running out and they failed by fifteen points. This time it was Don Sisemore who stole a pass deep in Avon Park territory. After one first down, the Devils were forced to punt and Mulberry got one more chance at their own twenty nine. A couple of passes were incomplete and time ran out giving the Devils the 15-0 win.

Avon Park threw only one pass in the game and that on an extra point attempt that drew pass interference but tried to toss two more as Sisemore was caught deep on one attempt and Bud Wester got caught behind the line of scrimmage trying and end around pass early in the first period. After that it was all ground work at the three plucky backs shot through the Mulberry line for good yardage.

With the exception of three long gains, runs of twenty five, twenty, and fifteen yards all on end sweeps, the Devil defense really bottled up the running game of the Panthers. A hard charging line also allowed only five pass completions and forced the four interceptions out of thirteen passes by the Panther quarterback. Defensive back Don Sisemore and linebacker Leon McRae led the Devils in tackles with seven each and Sisemore had 12 assist. Nate Williams had credit for six tackles and four assists and Keith Richards and Arnold Davis both pulled down five runners. Keith was in on six assists as was Virgil McInvale. Jarvis Hartt, Playing offensive and defensice line this week, had four tackles and four assists as the Devils remained strong on defense.

Too Many Got Too Much

Just a year ago, the Second District Court of Appeals ruled that too many got too much in fees in the estate of murdered millionaire Charles Von Maxcy.

And they reversed and sent the total back to Judge Mervin Rehrer for review. The requested fees totaled $139,000.

Judge Rehrer then turned to the attorneys involved and asked them to get together and whittle the fees down and that where things are now, the judge said. The attorneys have not gotten together. However, Attorney Owen Rice in Tampa, who filed the protest on the fees for Marivon and Charles Maxcy, children of the deceased, said there still remain three Internal Revenue cases to be litigated. With Internal Revenue involved, he indicated, it appears there will be more months- possibly years- of litigation and more fees.

ROTARY CLUB NEWS

Reported By: DALE LANDRESS

Father John Knapp, program chairman for September, introduced John Snook, who brought a most exciting and inspirational talk on "What Rotary really means to me.'

John is an active member of the Lakeland Rotary Club and holds the distinction of being a past District Governor. The theme of his talk centered around the idea that Rotary should encourge and foster the ideal of service above self in order to build a better community. "It is time', the speaker commented, "To pay the rent for the place and status which we have attained in our community.'

The speaker discussed several aspects of Rotary which have given meaning to his own life. He has always been impressed with the opportunity which Rotary offers for fellowship. This fellowship presents numerous opportunities for service with other people.

Another feature of Rotary which has meant a great deal to John, is the opportunity it provides to meet and learn from the younger Rotarians. The speaker was also proud of the work that Rotary does with young people. He expressed the idea that a "generation gap' does exist. It is merely a human gap that can be bridged by working closely with the youth of our country. In closing, John Admonised those in attendance to begin making plans to retire to something as opposed to retiring from something. He encouraged every Rotarian to become involved in community service today, so we can build outlets for service in the future.

CARD OF THANKS

I wish to express my sincere thanks to all my friends for the flowers, cards, and prayers, during my recent stay at Walker Memorial Hospital.

Well time is running short, our oldest daughter, Gwen, will be married tonight, (Thursday) Sept. 30th at First Baptist Church. Eventho we will be gaining a fine son, (which will make us three) I probably have tears at the wedding--not tears of sadness, even tho all weddings make people cry, but tears of gladness. I will be thinking of all the happiness she has brought us over the years, from the time Dr. Coleman delivered her and told us, we had a darling little girl, right on through the time she is walking down the church aisle. We attended a beautiful wedding Saturday night of one of Gwen's classmates, Bonnie Rowland to Bill Wall, and I know their parents must have felt the same way we feel. Yes, my heart will be bubbling over with joy of remining of all the happy times with her, and I know the bridegroom's family will be feeling the same way about "Our Son!

MR. AND MRS. WILLIAM CAREY WALL

Bonnie Sue Rowland And William Carey Wall Wedding Vows Exchanged Saturday, Sept. 25

The Florida Avenue Baptist Church was the scene of the beautiful wedding of Miss Bonnie Sue Rowland and William Carey Wall on Saturday, Sept. 25th at 7:00 o'clock in the evening.

The bride is the daughter of Mr. and Mrs. Charles E. Rowland of Avon Park and the bridegroom is a son of Chaplain and Mrs. Warren B. Wall, also of Avon Park.

FATHER OF GROOM PER-FORMS CEREMONY

Officiating at the double ring ceremony was the father of the bridegroom, Chaplain Warren B. Wall, assisted by Reverend Clay D. Jennings.

Mrs. Laverne Hill, Organist, rendered a program of prenuptial music before the ceremony, with soloist, Diane Lemler singing selections of "My Own True Love', "Because' and as Bonnie and Bill knelt at the satin profile kneeling bench, she sang the "Wedding Prayer'

Palms and twin brass candelabras, each holding seven white candles formed the background for the ceremony. On each side of the chancel were twin columns holding large baskets of gladioli, daisies and chrysanthemums in fall shades of yellow, apricot and bronze which accented the kneeling bench. The family pews marked with clusters of lily of the valley with yellow streamers with each window of the church donning a single white candle enhanced with greenery.

BRIDE WEARS SATIN

The lovely petite bride, given in marriage by her father, Charles E. Rowland, chose a designers formal gown in white delustered satin and imported rose point lace. Dainty patterns of pearls added interest to the charming gown. The dimibodice, with its rich lace appliques was styled with a stand up neckline. The Bishop sleeves were full and cuffed snug to the wrist by miniature satin covered buttons. The slightly full A-line skirt featured paralell borders of identical lace. The total look was created by a full length chapel veil completly bordered in lace and held to position by a smart fabric Doir bow. The bride carried a cascade bouguet of yellow roses accented with dainty orange star flowers, English ivy, and baby's breath.

As the lovely blonde bride came in, she recognized her mother by giving her a single long stemmed yellow rose from her bouguet as she passed by her and did the same for the bridegroom's mother on her way out.

SOMETHING OLD

For "something old,' Bonnie wore the gold wedding band of her great grandmother, Mrs. Lucinda Sellers Morgan.

Miss Emily Rowland, sister of the bride of Avon Park and Gainesville, was maid of honor. She wore a gown of apricot satin with a high neckline and long puffy sleeves with a wide cuff set off by six pearl buttons on each sleeve. The slightly raised waistline featured a satin bow with streamers down the back. Her headpiece was a satin bow to match her gown with a circular viel.

She carried a natural wicker basket full of colorful fall flowers of yellow daisies, straw flowers and wheat.

Bridesmaids were Charlene Rowland, sister of the bride and Sarah Turnbull, of Avon Park and Macon, Georgia. Serving as Junior bridesmaid was Daphne Wall, sister of the bridegroom. They wore gowns and headpieces identical to the honor attendant only in yellow satin. They also carried baskets of fall flowers the same as the honor attendant.

Little Miss Patti Jenkins of Avon Park was flower girl. She wore an apricot satin floor length gown, with high neckline and long puffy sleeves. The empire waistline was accented in front with two satin bows. She carried a basket of petals which she scattered in the pathway of the bride.

Serving as ringbearer was Buddy Wall, nephew of the bridegroom of Dublin, Georgia.

Mr. Wall chose for his best man, his brother, Brooks Wall of Ft. Rucker, Alabama. Groomsmen were Gary Roberts, Avon Park, Warren B. Wall, Jr., Dublin, Ga., and Reid Wall, Avon Park, both brothers of the bridegroom.

Ushers were John Giddens, Avon Park, Marshall Norman, cousin of the bride from Okeechobee; Wayne Overstreet, cousin of the bridegroom from Dover, Florida and Donnie Singletary of Avon Park.

For her daughter's wedding, Mrs. Rowland wore a brown and beige knit dress with long sleeves. She wore beige accessories and a tailored champagne colored carnation corsage with white stephanotis.

Mrs. Wall wore an apricot knit dress with elbow length sleeves for her son's wedding. Her accessories were beige and she wore a tailored tangerine carnation and white stephanotis corsage.

HONEYMOON TO MAGGIE VALLEY

For her wedding trip to Maggie Valley, North Carolina, the bride, wore a white knit dress with empire waistline and short puff sleeves of a lacy knit. She wore a corsage of yellow roses lifted from her bridal bouguet.

After their wedding trip to Maggie Valley, the new Mr. and Mrs. Wall will live in Savannah, Georgia, where the bridegroom is stationed.

RECEPTION

Mr. and Mrs. Charles E. Rowland ennertained at a reception immediately following the ceremony in the Florida Avenue Baptist Social Hall.

Mrs. L. S. Pickett and Mrs. T. E. Capell were hostesses for the reception. Susan Howze presided at the brides book just inside the social hall, with a crystal bud vase holding a yellow and apricot carnation.

The brides table was covered with yellow and overlaid with white lace and was centered with the three tierred wedding cake topped with two wedding bells and adorned with yellow and apricot roses with green leaves. Accenting the cakewere silver candelabras holding three yellow candles. On either side of the brides table were white columns, each holding large baskets of fall flowers in the brides chosen colors of yellow and apricot. Dainty Napkins were engraved in silver with "Bonnie and Bill' The brides bouguet lay in front of the wedding cake.

The punch table covered with a white lace trimmed cloth held the crystal punch bowl with yellow punch and apricot ice'. Yellow and white daisies and greenery surrounded the bowl. Silver bon bon dishes held nuts and mints. The punch bowl was accented with a beautiful arrangement of yellow roses. Back of the punch table a candelabra held five yellow candles with an arrangement of ivy, and yellow and white daisies.

The gift table was covered with a white lace trimmed cloth and held a centerpiece of a bride and groom under large wedding bells, accented with ivy. The attendants bouguets decorated this table. The brides chosen colors of yellow and apricot was carried throughout the social hall. Yellow and apricot rice bags were passed out on a silver tray to the guests to shower on "Bonnie and Bill"to wish them good luch as they left on their honeymoon by Nancy Wall, Debbie and Sandy Norman and Marcia Bennett.

Assisting with the serving were Hedi Wall, Lynn Douglas, Diane Murphy, Julie Kangeter, Julie Butts, Mary Carter, Susan Waldron, and Cindy Bennett.

REHERSAL DINNER

A rehersal dinner for the Rowland-Wall wedding was held at APCI Staff Training Building, Avon Park, Friday night, Sept. 24.

Hosted by the bridegroom's parents, Chaplain and Mrs. Warren B. Wall of Avon Park. The hall took on a festive mood, as the honored couple, wedding party, and parents gathered for the buffet dinner. Mrs. Gary Roberts assisted Mrs. Wall.

The couple presented gifts to their attendants.

Bridesmaid Luncheon Saturday At Yarbrough Home at Avon Lakes

Miss Gwen Sharpe, bride-elect of John Hafford, was honored with a bridesmaid luncheon on Saturday, Sept. 25th at the Yarbrough home at Avon Lakes.

Hostesses for this lovely affair from 12-2 were Gwen's bridesmaids, Beverly Mann, Betty Padelford and Lori Yarbrough.

Upon arrival Gwen, her mother, Mrs. Edward Sharpe, Sr., and her grandmother, Mrs. Audrey Carraway Hill, were presented with corsages of white carnations tipped with green and little happies accented with green ribbon.

In the living room of the beautiful lakefront home was an arrangement of gorgeous roses from the garden of Mr. and Mrs. J. C. Murphy.

The table where the guests were seated was covered with a white cloth and centered with a bride and bridegroom under a flower covered archway. On either side of archway were crystal holders with green candles. Vases of roses added to the beauty of the table. The napkins and accessories were in the bride-elect's chosen color of green.

The delicious luncheon of ham garnished with pineapple, broccoli, potato salad relish trays, fruit salad, rolls and ice tea was topped off with lime sherbert and assorted cakes.

The group reminised of old times and Gwen's flower girl, little Lisa Dixon gave her a gift.

Those enjoying this happy occasion with Gwen besides the hostess bridesmaids were her mother, grandmother, sister, Stacey Sharpe and Lisa and her mother, Mrs. Edith Dixon.

Not able to attend the luncheon were Kelly Hill a cousin of the bride elect from Sebring, who will be a junior bridesmaid and Mary Hafford, sister of the bridegroom, who will arrive from New York for the wedding.

Notes On Helping The Handicapped

In planning long range and short range care for the handicapped, parents and guardians of the mentally retarded have access to the Sunland Training Centers in Florida. These are located in Gainesville, Ft. Myers, Orlando, Miami, Tallahassee and Marianna. Regional Centers to serve short term needs are being developed at St. Petersburg and Jacksonville. Application to a Sunland Tranining Center can be initiated with the Division of Retardation's Regional Representative, Mrs. Virginia Hubbell who is available in Sebring to counsel with parents. Legal proceedures for a commitment to an institution are eventually handled through County Judge's office with the aid of the Mental Health representative.

Cooperation of Training Center personnel has permitted short term respite care for some local families and in unusual cases, professional assistance for an extreme health problem has been rendered.

Parents of a retarded child or adult may apply for future care, process their application and ask that it be held in abeyance to be used only for emergencies. By applying for Training Center placement prior to need, parents during their lifetime, establish the Training Center as their choice of custody for the future years of the handicapped offspring, if and when the need might arise. This is the second of a series of articles on Planning for the Handicapped and is submitted by the Ridge Area Association for Retarded Children.

The RAY-ARCS held their annual get together on September 23rd for all parents and children of Ridge Area Association at the Day School building on Charles Street in Avon Park. They introduced their new sponsor, Richard Perhla of Avon Park. A pleasant evening was enjoyed by all present.

Developmental Tranining Program--The title of this department is descriptive and self explanatory. We at the Center are all interested in every developmental process tried with our young children. When a success is scored it is often slow and progress is measured by the yardstick of what he can do now that he could not do last month, three months ago or a year ago. We set goals and work toward those goals.

There was general rejoicing by all personnel at the Center last week when we scored a relatively quick and dramatic break through in one area of training for our youngest child. He is five years old and though quite active had never learned to feed himself. We felt that he was able to do this and therefore made our five day plan to lead him to this achievement. With his doctor's approval and complete cooperation from his mother we worked, hoped and waited out the alloted time--at the evening meal on the fourth day our young man picked up his spoon and with some gentle encouragement began to feed himself for the first time in his young life! He has continue to feed himself. This is progress! This is success! We rejoice!

May I please explain the possible misinterpretation of portions the letter Mr. Esposito read on Radio Station WAPR at the usual sign on of "Mells train.' Since I feel my sons future was humiliated I must reveal to the public the contents of Mells letter of resignation to Mr. Esposito which was properly given to authorities of WAPR on September 26. To my understanding, Mell was told the station was up for sale, September 21, 1971 and employees could leave that time.

This letter is self explanatory of Mells integrety.

Mrs. O. C. Stephens, Jr.,

Charles A. Esposito
WAPR Radio
Avon Park, Fla. September 25, 1971

Because of internal conflict and the uncertainty of the radio stations stability, I find it absolutely necessary to resign immediately.

We were told we could leave at the time we were notified the station is up for sale, and now I believe bettwe opportunities have become available to me, and I believe it will be beneficial to my wife and myself if I study them carefully and choose. I regret this action must be taken, but I can not see any future in forty dollars a week, promises, and no visible signs of promptions.

I feel certain you can get in touch with one of the DJS that contacted WAPR from the newspaper ad you placed a few weeks ago, perhaps it was me you were planning on replacing even then.

To me there should be respect, harmony, and above all, honesty amongst fellow employees for them to put their best into their work, and this I have always tryed to do in the past and intend to do in the future. I owe this to myself, my public listeners, and my own peach of mind. These principles I have patternized my life on, and I cant find them at WAPR Radio.

Enclosed is a self addressed envelope you can maal my check in.

Jr. High Team Wins Their Second Game

Avon Park's eighth and ninth grade football team made it two in a row last Tuesday night here at Memorial Field with a 32 - 12 victory over the junior high Lake Placid team.

Next Tuesday night the youngest of the three Avon Park teams will travel to Okeechobee to take on the baby Brahmans in the the third game of the season.

Last Tuesday night Avon Park end Ronnie Hic ks scored the first T D on a thirty yard pass play with Devil quarterback Jerry Robinson doing the passing. The run for the PAT was no good. The T D came after a scoreless first quarter.

Avon Park halfback Leonard Green scored the second touchdown for the home team as he caught a pass from Robinson and went some 30 yards for the score. The extra point was a pass caught by Hicks. Perry Prescott also scored in the second quarter on a 25-yard pass play from his end position. Avon Park led at halftime 20 - 0.

In the third quarter Green ran the ball over for his second touchdown of the game to put the Devils out front 26 - 0 Then Lake Placid scored against the reserves on an 8-yard pass from the quarterback to the right end.

Smokey Hill scored the last touchdown for Avon Park on a 5 yard scamper but Lake Placid added a second six points to the score before the game ended on another pass play to set the final score at 32 - 12. Avon Park halfback Tim Massey was the leading ground gainer for the Avon Park offense and all the boys on the team saw action in the game.

Avon Park "Bees" Buzz By Fort Meade "Bees" 6-0

The Avon Park "B' squad football team had all kinds of offensive problems in its opening game with Fort Meade here at Memorial Field last Thursday night, but a strong defense held the Miners scoreless and gave the offense the ball deep in enemy territory enough times for the junior varsity Devils to take a lucky 6 - 0 victory.

This Thursday night, with one win tucked under their belts, the Devil "Bees' will again be at home with the Arcadia jayvee squad as their opponents. The kick off is set for 7:30 p.m. at Memorial Field and Coach Lemler and Coach Culbertson are hoping fans will give the boys one more chance and come out to cheer them on to another victory. The boys have worked on timing this week hoping to cut down on penalties and get the offense moving. Arcadia is said to have a strong "B'team this year so it should be a good game this week.

The lone TD of the game last week came on a pass from quarterback Buddy DeWitt to end Mearl Robinson from seven yards out late in the third period. The defense had recovered a fumble on Ft. Meade's seven yard marker but three running plays had not netted the Devils one inch. So on fourth down, DeWitt dropped back and tossed the winning pass to Robinson who was open in the end zone. The attempted pass for the two point conversion was no good but the six points were enough for the win. The entire first quarter was almost the reverse as the Ft. Meade team kept the ball deep in Avon Park territory but couldnt score against the Devil line of ends Bernard Jackson and Eddie Culbertson, guards Sean Murphy and Joel Johnson and nose man Gene Albritton. The defensive linebackers were also busy with Robinson, Phillip Thomas and Ricky Claitt helping out the line to stop the Miners. Micky Claitt, Marvin Jackson and Buddy DeWitt were the deep defensive backs.

The final quarter was highlighted with penalties as both teams drew two fifteen yarders each to stop drivers and Marvin Jackson intercepted a Miner pass midway in the period to help the Avon Park cause. Sean Murphy and Gene Albritton led the Avon Park defense in tackles as Murphy pulled down six runners and had five assists while Albritton tackled five boys and had three assists. Bernard Jackson also was in on several tackles as was Micky Claitt, Phillip Thomas and Mearl Robinson.

Mother Goose School of Play Open For Service

Sharon Heard announces the opening of MOTHER GOOSE SCHOOL OF PLAY, located at 114 E. Wolf Street and will be open from 7 a.m. till 6 p.m. Monday thru Friday. Care will be provided for children from infancy through 8 years old.

A teaching period for pre-kindergarten children is being planned for children of this age group. The school will be accepting children for working and shopping mothers by the hour, day or week. Hot lunches will be served as well as a snack in the morning and afternoon. Pick up service will be provided for mothers who need care for their children after kindergarten school.

The goal is happy, well cared for children, as well as satisfied parents.

For further information or to reserve a place for your child call: 453-5688 or 453-4000.

RAY-ARC Group Hold Meeting

Thursday, Sept. 23, at Ridge Area Day School, the RAY-ARC group held their annual get together for Ridge Area children and parents. The new RAY-ARC sponsors, Richard Perhla and Rev. R. A. Brandt, were introduced. Slides were shown of the Summer Day Camp held at St. Agnes Episcopal Church in Sebring.

The group sang songs and refreshments were served.

SFJC Cheerleaders

SITTING HIGH and with high hopes for the coming baseball and basketball games these South Florida Junior College lasses will lead the cheering of the SFJC teams to victory. Left to right are cheerleaders Patty Turnbull and Susan Franza, Avon Park; Barbara Travers, Sebring; and Karen Johnson, Avon Park.

Gamma Alpha Workshop Held Saturday

The newly organized Gamma Alpha Chapter of Delta Kappa Gamma International Society met Saturday, September 25 at the home of Mrs. Ruth Handley on Dinner Lake in Sebring.

Mrs. Dorothy Clark, president, presided during the business meeting. Plans were made for the year. Committees also met to plan their work for the year.

At 12:30 the 40 members enjoyed sandwiches, homemade pies and cakes, tea and coffee.

Members from Avon Park attending were Miss Sarah Sellers, Mrs. Shirley Furr, Mrs. Charlotte Smith, Mrs. Mary Anne Reddick, Mrs. DeRheta Lanier, and Mrs. Mary Jean Reddick.

This new chapter in Highlands County has 32 active members and 7 honorary members.

helpful hint:
repair leaky faucets
A dripping hot water faucet can be running up your electric bill. Check the hot water faucets in the house and be certain to properly turn them off after use. Repair any hot water faucet that needs it and you'll save both on water and the cost of the electricity to heat it.

Wear-Ever Cookware With Teflon II

WEAR-EVER BOUNTY IS FOR YOU

You'll enjoy cooking with utensils that are dependable, easy to handle and lovely to look at. Bounty cookware by Wear-Ever brings all three benefits to your kitchen.

BOUNTY is dependable. The Alcoa aluminum used in its construction provides even heat distribution and control. Teflon II coating inside and thick porcelain coating outside offers quick and easy clean-up.

BOUNTY is easy to handle. All pieces are designed and engineered to give precision balance. The handles are tapered to fit your fingers. Handles are heat-resistant, with wraparound flame guards and hang-up features.

BOUNTY is lovely to look at. Genuine porcelain coating on aluminum makes it as decorative as fine china. The colors blend beautifully with today's kitchen schemes. Ebony colored handles and knobs provide sharp accents.

Comes In 2 Beautiful Colors, Avocado And Poppy!

Girl Scout Workshop Held Monday

Some 70 Junior Girl Scouts from the Jacaranda Neighborhood attended a workshop on using the Patrol System Monday at the Union Congregational Church. Mrs. R. S. Maughan, Field Advisor for the Heart of Fla. Girl Scout Council conducted the workshop. The Patrol System is the representative form of government used by Scouts and Guides, boys and girls alike, in their troops all over the world. Girl Scout troops are divided into small groups called Patrols. Each Patrol has a leader, elected by the girls in her Patrol. The leader conducts regular meetings, learning what her Patrol wants to do by leading discussions and offering suggestions. She helps herself and others in the Patrol to learn or practice scouting skills, takes charge of special Patrol assignments, consults with troop leaders for special help or problems, and represents her Patrol at regular Court of Honor meetings by reporting on Patrol progress and activities.

The Court of Honor is the Executive body of the troop. Its members are: Patrol Leaders, and a Patrol First Public Relations Scribe, treasurer and Scribe. Family Night Held By Cadette Troop 21 Monday

On Monday evening, Sept. 27 Girl Scout Cadette Troop 21, of Avon Park, held a family night at Resurrection Lutheran Church. With a capacity audience in attendance, the meeting was opened with the flag ceremony. New members, Margaret Turnbull, Cathy Williams, Diana Edwards and Pam Griffin , were officially welcomed into the troop by Senior Program Aide Bobbie Newton and given troop crests.

The entire troop received year pins. Julie Filppula and Sue Allen were installed as patrol leaders by Susie Crews. Leader Tim Fisher presented badges to the following girls: Diana Edwards, Pioneer; Kelly Hightower, Explorer and Lifesaving; Jane Eberle, Diana Edwards, Julie Filppula, Margaret Turnbull, and Pam Griffin received First Aid Badges; Susie Crews, Challenge of Emergency Preparedness. Sue Allen, Florida Bennett, Jane Eberle, Diana Edwards, Julie Filppula, Keely Hightower, Karen Lamb, Lynn Livingston and Susie Crews received Aviation badges.

Following a brief talk on the future plans and aims of the troop by Mrs. Fisher, slides were shown covering troop activities of the past season. Refreshments, prepared by the troop members, were served from a table centered by a miniature camping scene. On display were airplane models created by the girls as part of their Aviation Badge work.

Scout Troop 156 Makes Bike Hike

Twenty members of Boy Scout Troop 156, along with two adults Scouters, made a bike hike of approximately 25 miles last week end, riding on Saturday from Avon Park to Highlands Hammock State Park, and returning on Sunday. Joe Sturgis and Tal Starr accompanied the boys, camping in the primitive area of the park on Saturday night. Several other Scouters joined the Troop on Saturday evening for supper and a campfire program. Skits were presented by the various Patrols, and the group enjoyed singing around the campfire.

On Sunday morning Scoutmaster Larry Hooper treated the boys to a pancake breakfast before starting their ride back to Avon Park.

EPISCOPAL VESTRY MEETS SUNDAY

There will be a short meeting of the Vestry of the Episcopal Church of the Redeemer at the Coffee Hour this Sunday, October 3rd. All members needed!

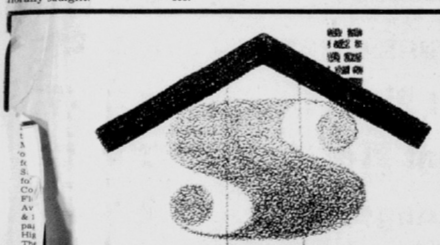

Senior Girl Scout Troop 45 held their first meeting of the year Tuesday, Sept. 21st, at the home of Mrs. Mervin Rehrer. Eight girls were present along with the senior advisor, Mrs. Milton Stokey, and assistant senior advisor, Mrs. Rehrer. The following were elected to office: Lani Newton, Treasurer and Chairman of Stay in Scouting Week; Lori Behal, Secretary; Laurie Rehrer, Chaplain; Lindy Barben and Juliet Low International Chairman and Janice Turnbull, Telephone chairman, Dues will be 15 cent per meeting. The next meeting was set for Tuesday Sept. 28th, and there after the meetings will be every other Tuesday.

DEFENSIVE BACK OF WEEK

Dean Lemler, former star athletic of Avon Park Red Devils, was selected defensive back of the week for the Wofford Terriers of Spartanburg, S. C., against Lenoir Rhyne last week. The Terriers defeated Lenoir Rhye 23-9.

Homecoming At Fellowship Baptist Sunday

Fellowship Baptist Church, 1000 West Thomas St., Avon Park, will observe Homecoming Sunday, Oct. 3. This event will mark the beginning of the church's ninth year of service to God and the community. For this once a year event the church invites all its many friends and former members to come and participate in the planned activities. The activities will begin at 9:45 with Sunday School and the Jenkins Boys Quartet of Fort Lauderdale singing in the general assembly.

This will be followed at 11 o'clock with morning worship services where the Jenkins Boys will again sing for the glory of God. R. L. OQuinn will then speak on The Great Homecoming.

Immediately after the morning worship an old fashion dinner on the grounds will be served to all those wishing to remain or arrive for the meal. Following this meal prepared by the ladies of the church, there will be a gospel sing in the sanctuary.

The sing, beginning at 1:30 and lasting until 3 p.m., will feature the singing of the Jenkins Boys, the Highlands Gospelaires Quartet and the Herndon Sisters Trio.

Mission Action Group Hold First Meeting of Year

The Mission Action Group of the Day Women's Missionary Society held their first meeting of the new year Thursday Sept. 23 from 9:30 - 1:00 at the home of Rachel McFarland, Mission Activity Leader. The group met at 9:30 a.m. for their meeting, followed by a luncheon at noon. The meeting was opened with prayer by Ruth Burton. Plans were made for the coming year, which included projects for the nursing home and shut-ins. Ruth Thomas, Mission Action Group Leader, led in the calendar prayer for foreign missionaries. Those attending this first meeting of the new year were: Hallie Huff, Lucille Lemler, Ruth Thomas, Ruth Burton, Geraldine Hoag, Viola Ohern and the hostess, Rachel McFarland.

Woman's Club To Hold Luncheon

The program for the Woman's Club Salad Bar Lunch at noon on Oct. 1, will be a hair styling show with music by Julie and Ken Filppula.

The Year books are ready to be distributed at the meeting. Dues are due and payable.

DAVE LLEWELLYN

Retaliation, Justice, Love

Mr. B. A. Goodman was driving along Main Street last week when a car suddenly swung out of its parking place and smashed into the side of his truck. While Mr. Goodman was walking over to check the damage, the driver of the car, Mr. A. T. Tack, grabbed him in a fury and hit him with an uppercut that broke off two of Mr. Goodman's teeth.

Before I tell you what happened next, I want you to decide what you think probably happened and select your answer from the following suggestions:

(1) Mr. Goodman called the police and had his assailant charged.

(2) Mr. Goodman stood there and did nothing.

(3) Mr. Goodman pulled out a pistol and shot his attacker.

(4) Mr. Goodman apologized for causing the accident and making Mr. Tack angry.

Actually, nothing happened—not even the accident. I told you the story to get you to decide about an important issue. How does the typical American respond to personal violence? And how should you respond?

Retaliation

If you chose (3) you have a low opinion of American morality. Retaliation is the manifestation of the "you should have seen the other guy" attitude. The desire to do to the other man worse than he did you has caused feuds and murders.

Justice

If you chose (1) you believe there is justice in our country, and the punishment should fit the crime. Justice uses the Old Testament idea of an eye for and eye and a tooth for a tooth.

A man who had been wronged in Old Testament times, had the right to require a just recompense, and the nation would force the guilty man to pay.

Love

An alternative to retaliation or justice was suggested by Jesus Christ: "You have heard that it was said, 'An eye for an eye and a tooth for a tooth.' But I say to you, do not resist him who is evil; but whoever slaps you on the right cheek, turn to him the other also. . . . I say to you, love your enemies." (Matthew 5)

If you chose (2) you chose the Christian response. Someone who knows God can trust Him to take care of the punishment God has made him free to be loving. The Christian's actions are not dictated by other people or circumstances, because a Christian doesn't need to defend his place in life by force or law. He knows that God transcends these forces. He is free to return good for evil, confident that eventually good will have the greater effect.

If you chose (4) you selected the response of a coward. Some people think Christians should be humble and passive and let other people run over them at will. God says Christians should stand firmly for truth and love, a position which, unfortunately, sometimes makes other people angry. Consequently, Paul said, "If possible, so far as it depends on you, be at peace with all men."

A man may respond to violence on one of three levels: primitive, civilized, or Christian. Which do you think is best?

FREE LISTENING DEVICE
WILL HELP YOU ENJOY YOUR FAVORITE RADIO-TV PROGRAMS

A new, easy to wear, hearing device is now being offered free of cost to you people with fading hearing by Professional Hearing Aid Service distributors of Miracle Ear® Hearing Aids. It will help greatly to reduce the strain of listening to your radio and TV programs. This marvelous little electronic device, while not a hearing aid, has proven to be a great blessing to those with impaired hearing, and helpful to all those around them.

Hardly a day goes by that we are not thanked for the amazing help derived from this tiny device. Do you have trouble hearing in church or when two or more people are present? Do you hear the sound but fail to understand the words? Are you bothered by so-called mumblers?

Just pick up the phone and dial 877-5891 (* operator on duty 24 hours a day. Don't delay . . . go to your phone and call now.) Or write Professional Hearing Aid Service, 4812 Gray St., Tampa, Fla. 33609.

It will cost you nothing to have this new electronic device sent to you without obligation. It may help you as it has helped so many others.

Please, for people with a hearing problem only — one to a person.

Devils To Meet Hardee Wildcats Here Friday

A fired up defensive Red Devil eleven came back from the halftime break and scored three quick touchdowns against the Fort Meade Miners last Friday night at Memorial Field to spank Avon Park to a 25-7 victory in an important Class AA football game. The win set Avon Park's record at 2-1 while the loss moved Fort Meade to a 1-1-1 mark for the 1971 season.

This week the Red Devils will host the Hardee High Wildcats from Wauchula. The game will be the second of four straight games the Devils will play here at Memorial Field. Hardee is winless this season having lost to Fort Meade 8-7, Charlotte High of Punta Gorda 26-0 and Venice, 20-6. Last year Avon Park slipped by Hardee 15-13 for its first win of the year.

Last weeks win over Fort Meade was decisive but pointed out the weakness of the Red Devil offense as the Miners held Avon Park to less than a hundred yards total offense. The Devil denfense had to take over and force the win as defen sive end Arnold Davis blocked two punts and Nathaniel Packer recovered two fumbles and also took a block punt in for a TD. Don Sisemore intercepted two Miner passes and ran one of them back some 25 yards for another touchdown.

In the final minutes of play the Avon Park offense did move 50 yards for a score aided by 25 yards of penalties against the Miners as they decided to fight instead of play football. In the first quarter of play, Avon Park never crossed the 50 yard marker as the Miners shot through the Devil offensive line to get at the backs repeatedly. Midway in the period, the Devils went to the air and were moving the ball but a fumble at the end of 13 yard pass play was recovered by a Miner to stop the only forward movement of the Devil offense in the first period.

Fort Meade's only score came late in the first quarter after a bad center on an attempted punt gave the Miners possession of the ball on the Devil 21 yard line. Miner halfback Greg King moved the ball to the Devil 10 and then a one yard pick up set it at the nine. From that point, Fort Meade's sophomore quarterback Darwin Peeples, dashed through on a keeper for the touchdown. Greg King kicked the point after and Fort Meade led 7-0.

Before the first quarter ended Don Sisemore, took the Miner kick off at his own five yard line and returned it 40 yards to the Devil 45 yard line. But three running plays netted only eight yards so Sisemore booted a 37 yard punt to the Miner 10.

Early in the second period Sisemore intercepted a Fort Meade pass at the Miner 40 to stop a drive and Avon Park moved to the 15 yard line before losing yardage on three con-

GOV. REUBIN ASKEW pleas for corporate income tax at the Democratic rally held Saturday at Ft. Bassinger.

Governor Pushes Tax Issue At Rally Saturday

It was one of Highlands County Democrats' greatest days Saturday when not only their governor but the U. S. Senator came to help them eat barbecue, shake hand and politic.

Anybody who wanted to could come up and shake hands and visit a little with blue-shirted, smiling young Gov. Reubin Askew and U. S. Sen. Lawton Chiles.

It was politics at its very finest at the barbecue and rally held in the yard of the old schoolhouse at Ft. Bassinger. The sun shone in 89 degree hot pants weather, the music blared, kids clustered around the Democratic donkey. Democrats sat around on orange crates and shook hands and greeted friends and kinfolk with a kiss and a hug.

Under way at 11 a.m.

Things got under way about 11 a.m and went on steadily until nearly 3 p. m. Mayors, county commissioners, county elected officials (who helped in the serving) the cooks (all politicians), members of the sponsoring Highlands county Democratic committee, and a lot of other people were introduced.

The biggest standing ovation was for Walkin' Lawton, who walked his way into the hearts of Florida Democrats a year ago and apparently is still there.

They made it real big and loud too for the handsome young governor here with his pretty brunette wife Donna Low. There was a spray of red carnations for her.

Lt. Gov. Tom Adams, State Senator Wilbur Boyd, and Cong. Paul Rogers' aide, Dan Michael were there.

The governor, as expected, made a plea for his corporate income tax, pointing out that 46 other states already have it, and that Floridians are getting cheated as a result.

"Take the tax burden from the little man's shoulder and put it on large corporations making millions of dollars out of Florida," he urged.

He cited the fact that General Motors paid $6,000,000 to California in 1969 through a corporate profits tax and only $1,500 to Florida in taxes.

Taxing their corporate profits in Florida, he pointed out, might raise the cost of a GM vehicle to Floridians about 25 or 30 cents per car, since the charge would be spread throughout the country. If Florida had to add another penny to the state sales tax this could raise the price of a $3,000 car here by $30.

Although GM gets the same amount of money from a car sold in Florida as in New York, they pay New York back millions in taxes.

Askew took time to deny that there is a rift between him and his lieutenant governor Tom Adams.

"He has made his department into one of the best departments of government in Florida," he said. "Tom and I are closer now than we have ever been and we plan to stay that way."

He also praised Chiles:

"I predict he will not just be a good senator—he will be an outstanding senator. He has intestinal fortitude."

Of Wilbur Boyd: "He has represented this area well.'

Of Hazel Scarborough: "You have never seen anybody to work harder for Highlands county. Some might say Hazel has been a secretary but she has had just about as much influence as any member of the Legislature I know.'

Of former Gov. Claude Kirk: "It took a Republican governor to remind us why we were Democrats.'

Chiles said he "has been rassling" the school lunch program and "everything stays so balled up and bureaucratically entwined. Still I think Washington is the greatest free city in the free world."

Ad valorem taxpayers will feel the bite if Congress does not appropriate enough money.

Then he went to Democparty prospects: "I think next year should be our year. The country needs it."

Adams implored: "Give Lawton something better in the White House than that warmed-over edition there now.

Senator Boyd declared "Reapportionment will be my goal. We are willing to try to do the finest job we can with a reapportionment plan that is one the Legislature wants rather than the courts having to do it later."

Highlands county Democratic chairman Edna Pearce Lockett said: "I want to impress on you we are interested in reapportionment in Highlands county. I hope we and the counties around us (who have interests similar to ours) can have a senator to represent us."

Although the crowd was far less than the expected 2,000 it was an enthusastic crowd of about 700 that showed up to eat barbecue which had been cooking all night.

The rally was sponsored by the Highlands county Democratic Executive committee. In addition to persons from Highlands county, there were visiting Democrats from Hardee, DeSoto, Glades, Hendry and Okeechobee counties.

Building Inspector Resigns

Total: 109 inspections, 55 permits. Total construction cost: $147,560.00

Total fees: $757.50.

Two More Qualify For City Council Seats Here

Two more candidates qualified for Avon Park City Council this past week. Milton Howard, seeking re-election, qualified last Friday, and Herman Sizemore qualified Monday. James Strenth was the first to qualify for one of two council seats that will be vacant. He qualified Monday, Sept. 20. The Mayor's seat will also be up for grabs when city election is held December 7.

Milton C. Howard has announced he will seek re election for city council. Since being councilman he feels that he had done all in his power for Avon Park and the people of Avon Park. He was the second to qualify for city council, qualifying last Friday. He has been a resident of Avon Park for 21 years, employed by SCL Railroad for 29 years, member of Florida Avenue Baptist Church and board of trustees, member Masonic Lodge No. 45, member Avon Park Athletic Association.

Married with seven children, which six graduated from Avon Park High School with one still enrolled, and one enrolled in South Florida Junior College.

Howard said he is against any new taxes.

For any assistance for our schools and college. For resurfacing more streets and sidewalks. For respectable "no hanky panking", police department. For good fire department and ambulance service. For remodeling armory for civic center.

For cleaning vacant lots, moving junk cars and beautifying city. For demolishing condemn buildings. For using all surplus funds available each year for sewer extention.

MILTON C. HOWARD

Wesley H. (Herman) Sizemore qualified Monday for a seat on the Avon Park City Council. He was the third to qualify.

HERMAN SIZEMORE

Sizemore, married to Lois Sizemore, have two children, has been employed by Florida Power Corporation for 15 years, is a member of First Baptist Church, member of Bi-racial committee (secretary) member of Civil Service Board.

In seeking this position Sizemore said, "I will serve the people of Avon Park to the best of my ability, and to help make Avon Park a better community."

"Avon Park has had a lot of opportunities to expand, but for some reason the opportunities didnt materalize," Sizemore said.

County Commissioners Approve Request For Mobile Home Parks

Without debate or dissent the Highlands County Commissioners Tuesday approved a request to extend the moratorium on mobile home parks and subdivision.

In the summer the board had imposed a moratorium on changes from other zoning classifications to the mobile home parks or subdivison. That freeze was due to expire in mid-October.

At the county commission meeting Tuesday Mrs. Franklyn Ward, chairman of the county planning and zoning commission, presented a commission resolution asking for an extension to January 15.

Mrs. Ward explained that the planning and zoning commission has begun studies, prepared reports, is working with the new county growth survey and would like to complete some of this work before be tossed back into the task of studying petitions for zoning changes.

Avon C of C To Meet Today

Mrs. Marjorie Worthington of Orlando, Area Supervisor of Welcome Wagon, will be the guest speaker at Thursday nights (tonight) meeting of the Avon Park Chamber of Commerce. The Board of Directors meeting, which is open to the public will begin at 8 p.m. in the Chamber office.

Mrs. Worthington will present a film which describes the Welcome Wagon role in the community. Last year almost 100,000 sponsors of some 200 different types of businesses were represented by over 6,500 hostesses, calling in person on over a million families in the United States, Canada, the United Kingdom and Australia.

Change Over Ceremonies Held At Range

Detachment 1, Combat Support Group of MacDill Field was redesignated to 1st Combat Support Squadron during ceremonies at Avon Park Bombing Range Friday, Oct. 1.

Lieutenant Colonel James Haerer of the Avon Park base received the new guideon and streamer from Colonel William J. Quinn, Vice Commander 1st Tactical Fighter Wing of MacDill Field, Tampa. The 589th Air Force Band performed at the 11 a.m. ceremonies.

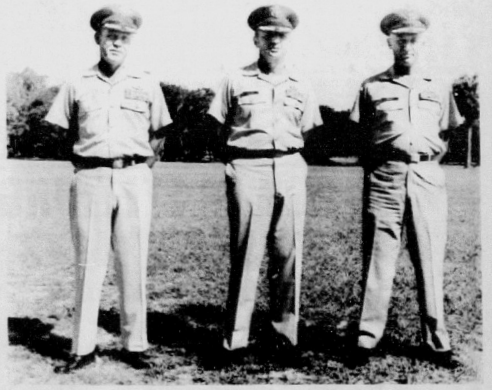

The Squadron mission will be to operate and maintain bombing and gunnery rang complex for aerial delivery of weapons by 9th Air Force units located throughout the southeastern United States.

Due to expierence gained in Southeast Asia it was found that training should include some simulation of enemy defense weaponry in order to familiarize crews with realistic situations. In turn, they will become more efficient in evasion tactics. There will be no increase in aerial activity.

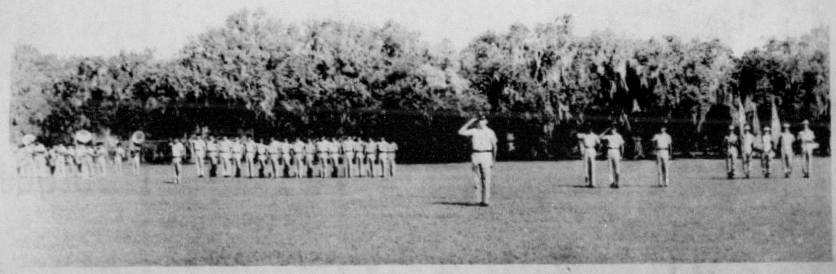

The unit strength will increase to approximately 250 personnel in the next 18 to 24 months. The first 30 new personnel are scheduled to arrive after January 1. The present manpower consists of 77 enlisted personnel and two officers. More housing and recreational facilities will have to be built to accomodate the increase in personnel.

The 1st Combat Support Squadron was first organized at Mitchel Field, in New York on September 1, 1940 as the Air Base Squadron of the 2nd Air Base Group (Reinforced). On January 17, 1941 it became the 1st Air Base Squadron. In November of that same year it was reassigned to the First Air Force Base Command. The unit was reassigned directly to the First Air Force in May of 1942 and became the 1st Base Headquarters and Air Base Squadron a month later. On April 10, 1944 it was disbanded.

The unit was reconstituted, activated and redesignated the 1st Air Base Squadron on December 28, 1960. It was organized at Selfridge Air Force Base, Michigan, on February 1, 1961 and assigned to the Air Defense Commands 1st Air Base Squadron was inactivated on July 1, 1964.

COLONEL WILLIAM J. QUINN, Vice Commander 1st Tactical Fighter Wing of MacDill Field; Lieutenant Colonel James Haerer of Avon Park Bombing Range, and Lieutenant Harold G. Grant of MacDill were three of the dignataries that participated in the change-over ceremonies last Friday at the Avon Park Bombing Range.

CHANGE-OVER CEREMONIES being held at Avon Park Bombing Range last Friday when Detachment 1, Combat Support Group of MacDill Field was changed to 1st Combat Support Squadron. Lieutenant Colonel James Haerer of the Avon Park base received the new guideon and streamer from Colonel William J. Quinn.

National Newspaper Week

There will be no brass bands and parades to signify the event. But, October 10-16 has been designated as National Newspaper Week. This year, the theme of the week will be "Newspapers—Growing with America."

During National Newspaper Week, editors must be forgiven if they blow their own horns a bit. For one week, they can offer rebuttal to the cynics who spend the other 51 weeks disagreeing and finding fault with the news or editorial views of the local newspaper. There are thousands of these newspapers in this country, and they stand as a symbol of the independence of our citizens. Beyond that, they are the one and only regularly printed record of the daily events in the life of a community. A community without a newspaper is little more than a name on a map or a collection of dry statistics in the archives of some courthouse. Newspapers are the breath of life.

While we are reminded, during National Newspaper Week, that these newspapers are "Growing With America," it is well also to recall that growth without freedom would mean little—and that newspapers are, in the final analysis, the voices of free men.

I Believe

I believe in the supreme worth of the individual and in his right to life, liberty, and the pursuit of happiness.

I believe that every right implies a responsibility; every opportunity, an obligation; every possession, a duty.

I believe that the law was made for man and not man for the law; that government is the servant of the people and not their master.

I believe in the dignity of labor, whether with head or hand; that the world owes no man a living but that it owes every man an opportunity to make a living.

I believe that thrift is essential to well ordered living and that economy is a prime requisite of a sound financial structure, whether in government, business or personal affairs.

I believe that truth and justice are fundamental to an enduring social order.

I believe in the sacredness of a promise, that a man's word should be as good as his bond; that character—not wealth or power or position—is of supreme worth.

I believe that the rendering of useful service is the common duty of mankind and that only in the purifying fire of sacrifice is the dross of selfishness consumed and the greatness of the human soul set free.

I believe in an all-wise and all-loving God, named by whatever name, and that the individual's highest fulfillment, greatest happiness, and widest usefulness are to be found in living in harmony with His will.

I believe that love is the greatest thing in the world; that it alone can overcome hate; that right can and will triumph over might.

—John D. Rockefeller, Jr.

Devils To Meet Hardee Wildcats Here Friday

(continued from page one)

secutive running plays and then trying a pass that was incomplete. In the next four minutes neither team could move the ball and the half ended with the Miners leading 7-0 after a disappointing two periods of play by both teams. The Red Devil offense had a minus yardage in the rushing column and only 25 yards gained through the air.

But the second half was a different story as the Red Devils came out of the field house fired up. Sisemore kicked off to Fort Meade and on the third play from scrimmage. Nathaniel Packer fell on a Miner fumble to give Avon Park the ball on the Miner 35. The Devils moved on the ground to the 17 but were forced to pass on fourth down and seven needed. Miner halfback Bernard Fulse intercepted on the seven and ran it all the way out to the 39 yard line. Two plays later, however, the Devil defense charged and Nathaniel Packer snatched a fumble out of the air when a Miner back was hit behind his own line. Packer rambled to the Miner two yard marker before the Miners brought him down.

Two running shots at the Miner line by halfback Danny Lewis gained only one yard but on third down, Sisemore kept the ball and sliced of the right guard for the TD. Then a pass from Sisemore to Danny Lewis was good for the two point conversion and Avon Park went out front 8-7.

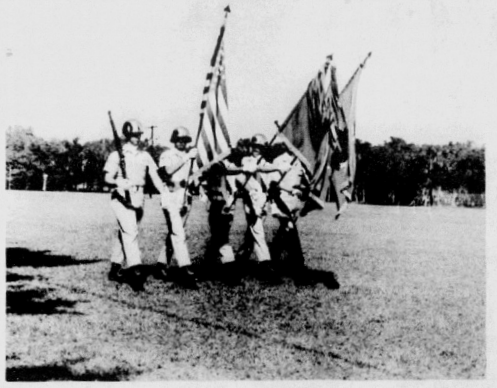

On the next Fort Meade offensive series, penalties pushed them back to their own 12. A long pass by Peeples was intercepted by safety back Don Sisemore and the senior Devil twisted and turned and and drove 25 yards for another defensive touchdown. This time Sisemore kicked the point after putting Avon Park ahead 15-7.

By now the Avon Park defense was really fired up and held on three plays on the next Miner possession forcing them to punt from deep in their own territory. Speedy Arnold Davis dashed in from his defensive end position and blocked the punt which Packer grabbed at the eight yard line and carried into the end zone for his first TD of the season. Again Sisemore kicked the extra point to move the score to 22-7.

As the fourth quarter began, Fort Meade was forced to punt again from their own eight. Sisemore took the kick in at the Miner 40 and moved to the 28-yard line. Four running plays gained only nine yards and the Miners took over on downs. But on the very first play the Miners fumbled and Randy Ward recovered for Avon Park at the Fort Meade 17-yard marker. Two plays later Avon Park lost the ball with a fumble however and the Miners tried again.

Another Avon Park possession at the Miner 35 died after four plays and a five yard penalty. Fort Meade went to the air and moved the ball over the 50 but finally gave up the ball on downs at the 50. From that point the Red Devil offense moved in for its only score of the game. A 15 yarder against the Miners set the ball at the 35. Then a five yarder against the Devils moved it back to the 40.

But at the point Keith Richards scampered through and racked up a 24 yard gain. A couple more half the distance to the goal penalties against the Miners set the ball at the three yard line and Sisemore sneaked it over for the final TD. A five yard penalty on the extra point attempt moved the ball back to the eight but Sisemore booted the point after anyway and the Red Devils took the 29-7 victory.

Police Officers Training Fund Blocked By County Judge

A plan for establishing a police officers training fund for Highlands County has been blocked by County Judge Mervin Rehrer.

At Highlands County commission meeting Tuesday Sheriff O.L. Raulerson, Jr., said Judge Rehrer has refused to add an extra dollar to each fine assesed in county judge's court. According to Raulerson "the Judge said he like to fine even money.'

As an alternative to the one dollar hike, Judge Rehrer had suggested that a dollar be set aside from each fine to establiah the training fund-an alternative the sheriff said he would oppose because "thats money we need in the fine and forfeiture budget.'

An additional obstacle to that plan arose when County Commission Attorney R.P. Dunty, Jr., advised the board that state law makes no provision for deductions form existing fines.'

STATE FUND

The Florida Legistature established a state fund for law enforcement training by directing that for each fine assesed in the state, one dollar be paid into the special state account.

Some courts made a one dollar addition to their fine schedule, when Curcuit Judge Clifton Kelly sets a fine he announces a given amount and specifies "plus one dollar to the state law enforcement fund.'

Judge Rehrer exhibited some resistence to this increase but he is now collecting that mandatory one dollar.

COUNTY FUND

State law now provides that counties may, if they wish, increase fines by one dollar with the special assesment being used exclusive for the training of police officers. Raulerson estimates that assesments from Judge Rehrer's court would bring in $4,000 per year.

He said he had not talked about the assesment with other judges. "Curcuit Court so rarely fines anyone that the increase would not add up very fast; it just would not be significant,' the Sheriff explained. "On the other hand, the county judge's court handles many cases that do involve fines.'

New Deputy For Sheriff's Department

Highlands County Sheriffs department has added a new deputy who will carry special responsibilities in the areas of administration and investigations. Deputy Lem Brumley, Jr., joined Sheriff O. L. Raulerson's staff on October 1.

He comes to Highlands County after four years with the Florida Law Enforcement Department. He had worked in the department offices in Orlando, Miami and just before coming here, in Tallahassee.

Deputy Brumley had spent a major portion of his time recently in narcotics detection and investigation, aiming at finding the suppliers, he explains. He has had extensive experience in investigations in the area of organized crime.

The new deputy held the rank of supervisor with the state law agency. He had visited in Highlands County over several years and frankly admits he was interested in coming to Highlands County to escape some of the crime in cities. He says he sees in Highlands County an opportunity to use his experience and interests in prevention of crime.

He is married and has four daughters, ages 16, 14, 11 and 6. Mrs. Brumley is active in Girl Scouts and the youth work of the Baptist Church. The Brumley family will be living in Sebring Shores.

Candace Reddick Awarded Letter Of Commendation

A letter of Commendation honoring her for her high performance on the 1971 National Merit Scholarship Qualifying Test (NMSQT) has been awarded to Candance Reddick a student at Avon Park High School Principal Aaron Cravens announced.

She is among 35,000 students in the United States who scored in the upper 2 percent of those who are expected to graduate from high school in 1972. The commended student ranks just below the 15,000 semifinalists announced in September by the National Merit Scholarship Corporation (NMSC).

Edward C. Smith, president of NMSC said: "Although Commended students advance no further in the Merit Scholarship competition, their standing in this nationwide program deserves public recognition. Their high performance on the NMSQT gives promise of continued success in college.

"The Commended students should be encouraged to pursue their education since their intellectual talent represents an important and much needed natural resource.

The Commended students' names are reported to certain scholarship granting agencies and to the colleges they named as their first and second choices when they took the NMSQT in February 1971. The reports include home addresses, test scores, and anticipated college major and career intentions of the Commended students. NMSC encourages these students to make every effort to

WOMEN'S SECTION

Gwen Sharpe - John Hafford United In Marriage September 30 at First Baptist Church

In an impressive candlelight ceremony on Thursday, Sept. 30, 1971 at half past six in the evening Miss Gwendolyn Kaye Sharpe became the bride of John Steven Hafford as they exchanged wedding vows in a ceremony uniting them in marriage. Reverend Aden D. Childress, pastor of First Baptist Church on Lake Avenue, Avon Park, performed the double ring ceremony.

The bride is a daughter of Mr. and Mrs. Edward E. Sharpe, Sr. of East State Street, Avon Park. The bridegroom is the son of the late Mr. and Mrs. John Lamar Hafford from Riverhead, Long Island, New York.

The bride is a granddaughter of Mrs. Audrey Caraway Hill of Avon Park and the bridegroom is the grandson of Mrs. Nettie Caren Hafford of Wyandotte, Michigan.

Twin beveled brass candelabras held fourty burning cathedral candles and four tree candelabras each holding nine white candles that cast a soft glow for the ceremony, with a background of palms and other greenery. Three large white Grecian urns on white pedestals held bouquets of white and pink gladioli, white and yellow mums, chrysthemums and greenery, accented with a white satin bow and clusters of lily of the valley and ivy. The family pews were marked with tall huricane lamps with burning candles on brass stands and white bows with lily of the valley and English ivy.

A table accented with the bride's memory candle surrounded with roses, chrysanthemums, lily of the valley and greenery held the guest book in the entry of the church, which Ophelia Rihner directed the guests to sign. Also on this table was a sterling framed bride and groom picture with "Gwen and John" and engraved with their wedding date, September 30, 1971.

Mr. Jerrold Perkins, organist, presented a program of pre-nuptial music, consisting of "Love Theme from Romeo and Juliette: "Theme from Love Story", "Somewhere my Love", "Because", "Love Is a Many Splendored Thing" and "Perfect Love".

Allen Dixon, one of the vocalist, sang "More" immediately after Tom Sharpe, a brother of the bride, escorted the bridegroom's grandmother, Mrs. Hafford to her pew. Mrs. Ann MicKunas, vocalist, sang "At Dawning" immediately after Tom escorted the bride's mother, Mrs. Sharpe to her pew.

After the lovely bride entered the church on the arm of her father and was given to John in marriage, by her mother and father, Mrs. MicKunas sang "Whither Thou Goest". After Reverend Childress performed the ceremony, and pronounced them man and wife, Gwen and John knelt on the profile kneeling bench as Mrs. MicKunas sang "One Hand one Heart".

The candles for the ceremony were lit by Jeffrey Stokey and Bob Emerson. Immediately preceeding the processional, Gary Mann and Al Yarbrough pulled the Aisle carpet.

BRIDE WEARS DESIGNER GOWN

The lovely brunette bride chose an elegant designer gown of ivory silk organza. The traditional gown featured a high rise bodice, overlaid with imported Peau d'Angee lace. The bouffant Juliet sleeves were of imported Peau d' Ange lace and ended with a wide, tightly fitted lace cuff, scalloped around the edges. The scalloped lace fell into a half moon over the bride's wrist and was held in place by tiny covered Priscilla buttons. The A-line skirt was accented with imported Peau d' Ange lace appliques and a wide Peau d' Ange lace border encircled the hem of the gown. The bottom of the lace border was gently scalloped, and also the high Victorian neckline. The matching detachable train was held in place by an ivory organza bow and featured a matching Peau d' Ange lace border, which swept into a full cathedral length. The bodice, sleeves, lace appliques and borders of the gown and train were exquisitely frosted with ivory bridal seed pearls and Aurora borealis crystals in a pattern fashioned by the bride. The three tier chapel length ivory silk illusion bridal veil fell gracefully from ivory Camelot Cap by Galina. The cap was also frosted with ivory bridal seed pearls, which matched the gown.

She carried a cascade bouquet of red roses, centered with three peace roses, and accented with babys breath, stephanotis and English Ivy, and long satin streamers of candlelight and red with white lace.

MR. AND MRS. JOHN HAFFORD

SOMETHING OLD

For something old, the bride wore a diamond pendant, a gift from the bridegroom. Something new, was a shiny sixpence wore in her shoe for good luck. Something borrowed, was the engagement ring that belonged to John's mother. And the something blue, was a bridal garter trimmed with white lace ruffles and accented in the center with a silver heart keepsake, engraved with "Gwen and John, 9-30-71.

Mrs. Beverly Mann of 21 East Pleasant St., Avon Park was matron of honor. She wore an emerald green satin gown with an empire bodice, which was gently gathered before falling into an A-line formal length skirt. The gown featured a high neckline, with a Mandarin collar. The long Juliet sleeves were held in place by wide, tight fitting cuffs fastened with satin covered Priscilla buttons. She wore a Juliet cap covered with emerald green satin that matched her gown. She carried a posy cluster of mixed roses with green Queen Ann's lace and accented with pink, green and ivory satin streamers and lace that flowed to the length of her gown.

Miss Stacey Sharpe, of Avon Park, sister of the bride, served as maid of honor. She wore a gown identical to that of the matron of honor. Her headpiece and bouquet were also the same as the matron of honor.

Serving as bridesmaids were Miss Mary Dale Hafford, a sister of the bridegroom from Melrose, New York; Mrs. Lorrie Yarbrough, and Miss Betty Padelford of Avon Park. Attending as Junior bridesmaid was Miss Kelly Hill, a cousin of the bride, from Sebring, Florida. All wore gowns and headpieces and carried posy clusters identical to those of the honor attendants.

FLOWER GIRL SCATTERS BLOSSOMS

Little Miss Lisa Dixon, daughter of Mr. and Mrs. Harvey Dixon, of Avon Park served as flower girl. She wore a gown of emerald green satin featuring an empire waistline. Her formal length gown was accented with an ivory velvet band around the waistline, which formed a bow and fell into floor length streamers. She wore an emerald green satin headpiece with ribbon and lace. She carried a white wicker basket trimmmd with lily of the valley, ivory and emerald green satin bows and streamers, which was filled with mixed flowers. She preceeded the bride down the aisle, scattering the blossoms along her path.

Master Travis Carter, son of Mr. and Mrs. Edward Carter of Avon Park served as ring bearer. He wore black trousers, a white dinner jacket with black bow tie and carried rings on a heart shaped white satin pillow accented with long white satin streamers, lily of the valley and lace ruffles around the edges.

William Marovich of Zolfo Springs, served John as best man. John and William were dressed in formal black tuxedos which were accented with black satin cumberbuns and black satin lapels. The formal white shirts featured french cuffs and lace ruffles down the front, which were edged in black. John wore a red rose bud and William a white carnation.

Attending as usher-groomsmen were, Tom Sharpe, a brother of the bride, Avon Park; Gary Mann, Al Yarbrough, Bob Emerson and Jeffrey Stokey, all of Avon Park. They wore Tuxedos identical to those of the bridegroom and best man, and a white carnation.

Mrs. Edward Sharpe chose for her daughter's wedding a pistache green knit crepe dress accented at the neckline with lace medallions. She wore a matching green lace coat, with scalloping down the front at the wrists and hemline. She wore pistache green accessories and a corsage of red roses with white setphanotis accented with candlelight and green ribbon.

Mrs Nettie Hafford chose for her grandson's wedding, a blue knit crepe dress with matching accesories. She wore a corsage of pink roses and white stephanotis accented with candlelight and green ribbon.

Mrs. Audrey Caraway Hill, grandmother of the bride wore a green sculptured knit long sleeve dress with white accesories for her granddaughter's wedding. She wore a corsage of pink roses.

RECEPTION

Following the ceremony, Mr. and Mrs. Sharpe entertained with a reception in the church social hall.

Miss Kathy MicKunas presided at the bride's book, which was on a table decorated with the bride's wedding memory candle, admist an arrangement of roses, chrysanthemums and baby's breath accented with fern. Mrs. Ophelia Rihner presented the guests to the receiving line.

The bride's table was covered with a white lace bordered cloth and centered with the four tier white wedding cake which featured ground nuts. The base of the cake consisted of heart shaped cakes, while the other teirs were round. The cake was adorned with white sugar roses and tiny red rosebuds with pale green leaves. The teirs were separated by white Grecian columns accented with cupids. The cake was topped by a towering one foot tall old fashioned elaborate and sentimental valentine of a cake top, just as a wedding should be, with two cupids cavorting round Grecian columns, surrounded by white satin blossoms and tulle ruffles and nosegays. The top layer, which the couple will save for their first wedding anniversary, was encircled with hearts.

On either side of the wedding cake were tall silver candelabras which held four white burning tapers with arrangements of yellow and white daisies, red roses, gladioli and greenery. The bride's bouquet lay in front of the cake. The bride's knife, which the bridal couple cut the first piece of wedding cake with, was inscribed with "Gwen and John", September 30, 1971 and adorned with a wedding band and lily of the valley and white bow. The white napkins were also inscribed with their names and wedding date in gold. The background of the bride's table consisted of a large white Grecian urn on a pedestal with a bouquet of large white mums, white and pink glads and yellow chrysanthemums. Also a three tiered fountain flowed with green water, the bride's chosen color, in a garden setting of palms and greenery, with white love birds perched in the trees.

Back of the punch table also covered with a white cloth bordered with lace were flower arrangements and palms and a sign, proclaiming "Gwen and John" just married, September 30, 1971.

Gwen and John drank a toast to each other from goblets engraved with their names and their wedding date.

The table was centered with a large silver punch bowl, which emerald green punch was served from. A wedding ring of ice with red and green cherries floated in the punch bowl. Silver compotes held nuts and heart shaped hand decorated mints. White cocktail napkins, imprinted in gold with "Gwen and John" , "September 30, 1971." were also on the beverage table. On either side of the punch bowl were white classic cherubs on a pedestal holding an elaborate five branch candelabrum with white candles and an arrangements of red roses and white and yellow chrysanthemums.

The groom's chocolate cake was centered on a round table, covered with an emerald green satin floor length cloth and was surrounded by silver vases of fruit. Two of the bridal attendants bouquets accented either side of this table.

Those assisting with the serving were: Mrs. Anna Dee Shaw and Mrs.Tom Sharpe, sister in law of the bride and Virginia Henderson at the wedding cake; Mrs. Blanche Brantley and Mrs. Silda Murphy , Gwen's third grade school teacher at the Groom's cake; Mrs. Dan Johnson of Sebring and Miss Diane Murphy at the punch service with Mrs. Betty Crews a floating hostess in charge of the punch. Others helping out with the hospdalities were, Ann Carter, Nell Roberts, Annie Collier and Dorothy Atkins.

Another table near the entrance of the social hall, held a silver tray with miniature wedding scrolls, imprinted in silver with a "Thank You" to the guests and the names of the bridal couple and their wedding date, which were rolled and held with silver wedding bands. Another tray held tiny white boxes containing a sample of the groom's cake and white sugared Jordan almonds for good luck. The boxes were imprinted in silver on the top with "Gwen and John", September 30, 1971. Also on this table were trays of petis' fours'. Tiny tulle bags containing tinted rice were on a silver tray. They were made of candlelight and emerald green tulle and fastened by white satin ribbon that held confetti cards which said "Thank you for making our day a happy one, Gwen and John, 9-30-71. The table was centered with a Williamsburg arrangement of roses, chrysanthemums and greenery. Miss Gini Beth Henderson presided at this table and reminded the guests to take their sample cake boxes and rice bags.

After John tossed the bride's garter, which was caught by the best man, William Marovich and Gwen tossed her bouquet, which was caught by Miss Kelly Hill, cousin of the bride, they left the reception in the traditional send-off, amidst a shower of rice and wishes of good luck.

Well, the wedding is over, and it was beautiful, like all weddings are. Its a shame they dont last longer, so much time is put into planning them.

In a setting of topiary trees and candlelight on Saturday, October 2, at 8 p.m. Miss Marilyn Sue Smith and James Dennis Monts De Oca were united in marriage at First Baptist Church.

The bride is the daughter of Mr. and Mrs. Wendell M. Smith of Lake Angelo, Avon Park and the bridegroom's parents are Mr. and Mrs. Dan Bennett of Lake Lotela, Avon Parr.

Reverend Aden D. Childress officiated at the double ring ceremony performed before a background of twin spiraling brass candelabras holding white candles, which illuminated the topiary trees and Grecian columns entwined with miniature boxwood, topped with queens fern. In the center of the background decorations stood a stately arch candelabra with 5 white burning tapers. On each side of the arch candelabra was a white Greecian pedestal and urn filled with Boston ferns. Centered on the platform was a beautiful brass profile kneeling bench. On each side of the kneeling bench was a pair of Colonial topiary trees covered in fresh leatherleaf and salal greenery. Two shades of pink carnations and yellow daisy pom pons completed the trees. Striking 9 branch candelabras stood on each end of the platform.

Family pews were marked with small topiary trees covered in fresh leatherleaf and salad greenery, pink carnations and yellow pom pons. On the bride's table in the northex was a miniture boxwood topiary covered in fresh leatherleaf and salad greenery and pink carnations and yellow pom poms.

Mr. Jerrold Perkins, organist, rendered a program of pre-nuptial music which included; "Liebestraum" "Angel Senerade," "April Love," "More," "No Greater Love," "Theme from Romeo and Julier", "Love STory", "Love is a Many Splendor Thing", and "Melody of Love."

BRIDE WEARS ORGANZA AND LACE

The lovely brunette bride, given in marriage by her father, Mr. Wendell M. Smith, chose a formal A-line gown of imported organza over bridal taffeta. Venice lace and satin ribbon, accented by tiny motifs of pink Venice Lace, trimmed the high neckline, modified Bishop sleeves and front of the gown. A tiny pill box held in place her chapel length veil of bridal illusion, which was edged in narrow Venice lace. She carried a crescent styled bouguet of pink sweetheart roses and white miniature carnations.

After giving the bride in marriage, the father placed a kiss upon her cheek

Mrs. John P. Elder of Avon Park was matron of honor. She wore a floor length gown of floral la parfait chiffon over yellow underdress and was styled with a Manadarin neckline. The empire waistline was circled with a gold velvet ribbon that came to abow with long streamers in the back. The full chiffon sleeves were gathered to a wide cuff at the wrist with tiny pearl buttons. Her shoes matched the yellow underdress. She carried a colonial style nosegay with shades of pink carnations and miniture ivy accented with long ribbon streamers.

Serving as bridesmaids were Miss Sebrina Monts De Oca, sister of the bridegroom, and Miss Kim Smith, sister of the bride, both of Avon Park. Each wore floor length floral chiffon gowns over a pink underdress made identical to the matron of honors dress. Their shoes were pink, to match the pink underdress. They carried colonial style nosegays with shades of yellow carnations and miniture ivy.

Little Miss Gina Wells, was flower girl, she wore a floor length floral chiffon gown over pink, identical to that of the bridesmaids, and wore a wrist corsage of pink miniture carnations. She carried a yellow basket with pink and yellow rose petals which she scattered in the path of the bride.

Serving as Ring bearer was Jimmy Bennett, brother of the bridegroom , Avon Park.

Mr. Monts De Oca chose for his best man, Billy Richards of Avon Park. Ushers were Harold McClelland, cousin of the bridegroom, and WinstonSmith, brother of the bride, both of Avon Park. They all wore pink rosebud boutonnieres. For her daughter's wedding, Mrs. Smith wore a mint green crepe dress with bracket length sleeves. The fitted waist and side pleats were outlined with scroll braid of the same color. She wore mint green shoes and a corsage of pink sweetheart roses accented with white statice. Mrs. Bennett wore for her son's wedding a turquoise crepe A-line dress with jeweled neckline and bracket length sleeves. She wore matching shoes and corsage of pink rosebuds.

HONEYMOON TO NASSAU

For her honeymoon to Nassau in the Bahama Islandss the bride wore a plum colored long sleeve dress with a dress length vest of the same matching color. Her accesories were of black patent and she wore a corsage of pink sweetheart roses and a single strand of pearls, a gift of the bridegroom.

After their wedding trip to Nassau the new Mr. and Mrs. Monts De Oca will temporary reside in the Lemon Grove Section of Hardee Couty, until November 23rd, when Denny will leave for Lackland, A.F.B. for training with the United States Air Force.

RECEPTION

Mr. and Mrs. Wendell Smith entertained guests at a reception immediately following the ceremony in the First Baptist Church Social Hall.

Mrs. Anna Dee Shaw was hostess for the reception. Miss Dale Jordan of St. Petersburg presided at the bride's book just inside the social hall. The table was covered with a white cloth trimmed with white lace and rose moffits. A cut glass bowl held a lovely arrangement of mixed roses.

The brides table was covered in white and overlaid with a sheer pink cloth. Centering the table was a traditional tiered bridal cake with accents of the bride's chosen color. Antique cut glass mint dishes contained heart shaped mints, which were scattered with miniature rose buds. Danity napkins were inscribed with "Marilyn and Denny", October 2, 1971". A seven branched silver candelabra completed the accessories of the bride's table.

The punch table was overlaid with an imported pink organdy cloth. Punch was served from a silver punch bowl at one end of the table. A lovely arrangement of roses in a cupid urn completed a perfect wedding party.

Assisting with the serving were: Mrs. Ophelia Rihner and Mrs. Nina Parnell, cousin of the bride, one the wedding cake; at the punch service, Miss Vickie Cini, Lynn and Becky Henderson of Wauchula Georgianne Rich of Sebring, all cousins of the bride. Floating hostesses were Miss Kim Corbett of Tallahassee, cousin of the groom, Lea Jean Andrews of Lorida, Tommy and Lee Ann Campbell of South Bay, cousins of the bride. Also assisting were Mrs. Leamon Kelly, Mrs. A. S. Turner, Mrs. Lew Miller, Mrs. Frank Camp and Mrs. Charles Shaw.

REHEARSAL DINNER

A rehearsal dinner honoring Marilyn Smith and Denny Monts De Oca was held Friday, Oct. 1st at Griffins Restaurant, hosted by Mr. and Mrs. Dan Bennett.

Arrangements of fresh roses accented the T-shaped tables covered with linen. The places of each guest were marked with bride and groom place cards. The banquet room took on a gala mood as the honored couple, wedding party, parents, grandparents of the couple, Reverend and Mrs. Aden Childress and several out of town guest enjoyed a roast beef dinner.

The groom presented gifts to his attendants.

Sharpe-Hafford Wedding

(continued from page four)

REHEARSAL DINNER

The rehearsal dinner for the Sharpe-Hafford wedding party was held Wednesday, Sept. 29th after rehearsal at the Florida Power Lounge. A crystal bud vase with one red rose, was on a table just inside the door, which held gifts.

As the wedding party and guests arrived they were served green punch, from a crystal bowl surrounded with greenery and hors d'oeuvres. A cake was on this table decorated to represent the white aisle carpet, with the wedding party down the center of the carpet. A bouquet of roses decorated this table.

The honored couple sat at the center of the head tables, which formed a T-shape. On either end of the head table were twin white ceramic cupid candelabras with four white burning candles, with a beautiful arrangement of roses and chrysanthemums. An elongated arrangement of greenery was down the center of the tables. Each guests place was designated by white place cards, embossed with gold wedding bells and imprinted with "Gwen and John, September 30, 1971". The white dinner napkins and scalloped coasters were also imprinted in gold with their names and wedding date. At each place was a white romantic "Lohengrin Swan," filled with white sugared Jordan almonds for good luck, wrapped in emerald green tulle, which was held in place with a silver wedding band trimmed with a sprig of lily of the valley.

The buffet tables were centered with a beautiful arrangement of roses and chrysanthemums. The dessert table was centered with a lighted pineapple surrounded with fruit.

The 45 guests attending besides the honored couple included the wedding party and their dates, the vocalists, the little flower girl, Lisa and her mother, Mrs. Edith Dixon, the little ring bearer Travis and parents, Mr. and Mrs. Edward Carter, the parents and grandmother of the bride, Mr. and Mrs. Sharpe, Mrs. Audrey Caraway Hill, and Benny, the bridegrooms' grandmother and aunt Mrs. Nettie Hafford from Michigan and Sophie Garrett from Arkansas; The sisters of the bridegroom, Mrs. Gayle Lawrence and Miss Mary Hafford of Melrose, N. Y. Aunt and Uncle of the bride, Mr. and Mrs. W. E. McCullough and son Dolton McCullough, cousin of the bride from Middletown, Ohio; Mr. and Mrs. Kelton Hill, and daughter Kelly, aunt and Uncle and cousin of the bride from Sebring; and Mr. and Mrs. Pete Marovich and son, William of Zolfo Springs, Florida.

The long buffet tables held an abundance of delicious food. Appropriate background music played throughout the evening. Gwen and John presented each other with their wedding gifts and then presented their attendants with their gifts.

BACHELOR AND BACHELORETTE PARTIES

After the rehearsal dinner, the Al Yarbrough home was the scene of the bachelor party given in honor of John. All enjoyed talking over old times with John on his last "free" night.

Mrs. Lorrie Yarbrough and Mrs. Beverly Mann were hostesses at a bachelorette party given in honor of Gwen at the Mann home. Those attending helped Gwen to celebrate her last "free" night by reminising about all the "good old times" and smoothing out last minute details of the wedding.

MRS MELLIE MELLER WILLIAMS, JR.

Phyllis Boardman - Mell Williams United In Marriage September 19

On Sunday, Sept. 19, 1971 at two o'clock in the evening Miss Phyllis Eugenia Boardman and Mellie Meller Williams, Jr., were united in marriage at the Church of the Nazarene in Avon Park.

The bride is the daughter of Mr. and Mrs. P. E. Boardman of North Lake Isis, Avon Park, and the bridegroom is the son of Mr. and Mrs. O. C. Stephens of Lake Lotela, AVon Park.

Reverend Paul J. Trissel officiated at the double ring ceremony before a background of palms and greenery. A large bouquet of lavender chrysanthemums and yellow gladis was flanked on either side by twin brass candelabras holding seven white candles. The white satin payaer bench was adorned with greenery and a white satin bow.

Bob Alexander, organist rendered a program of pre-nuptial music before the candlelight ceremony.

BRIDE WEARS SATIN AND LACE

Given in marriage by her father, Mr. P. E. Boardman, the bride was lovely in a floor length white satin gown, with fitted bodice and full tapered sleeves. The gown was covered with chantilly lace and adorned with seed pearls and sequins. It featured a Mandarin collar and the exquisite gown swept into a full train. Her elbow length bridal veil of illusion was held in place by a Camelot capadorned with flowers and seed pearls. She carried a bouquet of lavender and purple orchids accented with stephanotis and lavender and white streamers.

Miss Janet Hutchenson of Brandon, Florida, was maid of honor. She wore a yellow silk and taffeta gown with empire waistline. The bodice and long sleeves were of lace. She carried a yellow finger bouquet and wore yellow and orchid flowers in her hair to match the brides and her bouquet.

Serving as bridesmaids were: Miss Becky Ewell of Avon Park, who was gowned in a satin and velvet gown with empire waistline and short puff sleeves; and Miss Glenda Childers, AVon Park, gowned in lavender satin. They wore white gloves and shoes and carried finger bouquets.

Mellie chose for his best man, his father, O. C. Stephens of Avon Park. Ushers were Roger Holbrook of Moore Haven and Robert Cline Albritton, brother of the ride from Zolfo Springs.

For her daughter's Mrs. Boardman wore a beige street length crepe dress overlaid with beige lace. She wore red accessories and a red carnation corsage.

For her son's wedding Mrs. Stephens chose a lime green brocade dress with coat to match, and a lime green straw hat, with gold accessories. She wore a yellow carnation corsage with gold ribbon.

WEDDING TRIP TO DAYTONA

For her wedding trip to Daytona, the bride wore a lavender double breasted dress with a belted high waist. She wore white accessories and the orchid corsage lifted from her bridal bouguet.

After their wedding trip, the new Mr. and Mrs. Williams will reside in Avon Park.

Phyllis attended Avon Park High School and was a majorette in the band a member of the FTA.

Mellie attended and graduated from Lake Wales High School and was a member of the National Honor Society, science Club, F.T.A., student council, editor of the STudent Highlander and interact club. He is now a sophomore attending South Florida Junior College, majoring in law. He is a member of clubs and is very active at the school. He earned a seven year scholarship. He is now employed part time with W.G.T.O. at Cypress Gardens.

RECEPTION

Mr. and Mrs. P. E. Boardman entertained with a reception immediately following the ceremony at the Nazarene Church social hall. Mrs. Cline Albritton, sister in law of the bride was in charge of the guest book.

The brides table was covered with an exquisite hand embroidered cloth made by the brides grandmother, Mrs. Margaret Mandis. Palms and floral arrangements decorated the hall. The table was centered with the two tiered wedding cake adorned with lavender and purple flowers and green leaves. White swans was between the tiers and it was topped with a miniature bride and bridgroom.

At one end of the table was a cut glass punch bowl flanked on the other by a large arrangement of flowers accented with three white burning candles. Silver compotes held nuts and mints, and a silber tray held lemon tarts, made by the grandmother of the Bride, Mrs. Demos Mandis. Assisting with the serving were, Mrs. Cline Albritton, sister in law of the bride from Zolfo Springs and Mrs. Connie Ewell of Avon Park.

Jr. Woman's Club Making Plans For Annual Halloween Carnival

On Tuesday, Sept. 28, the first planning session for the Junior Womans Club annual Halloween parade and carnival was held at the home of Mrs Lois Sachsenmaier, chairman for this years festivities.

Many ideas were exchanged regarding the parade and the booths for the carnival. by the many members of the club that attended the meeting. This year the children in costume for the parade will be judged before the parade so that the public will be able to see who the winners are.

There will be new booths for the children this year and the spook house is guaranteed to be "spine-chilling."

Letters are being sent out this week to businesses and clubs interested in entering the parade or having a booth in the carnival. If you want to participate, but do not receive a letter, call Mrs. Sachsenmaier at 453-6414 or her co-chairman Karen Boyer at 453-6222.

Everyone is entitled to his favorite holiday, and the Junior Womans Club is "hung up' on Halloween. They picked the shortest holiday of the lot–any other holiday is good for at least a day, but Halloween is over before you can say BOO! That is why the Junior Women work so hard each year trying to make the parade and carnival a success.

This year the Halloween carnival has been scheduled for Saturday, Oct. 30, from 2 to 7:30 p.m. The parade will begin at 3 p.m. with the carnival to follow.

APHS Band Halftime Highlights

The first home showing of the Avon Park High School Grenadier band happened last Friday night during the Avon Park -Fort Meade football game. The show consisted of difficult maneuvers and novelty numbers that kept the crowd pleased throughout the half.

The famous band marched onto the field, led by Drum Major Dennis Crews, in four company fronts. The band played a three part fanfare as the majorettes and drum major were introdiced. Following the introduction, the band marched down the field to the British tune of "Rule Brittania', and then tunes of Glory as they meshed on the 50 yard line. The strains of "Colonel Bogey"filled the air as the band performed an intricate drill and riflemen Frank Anderson and Gary Singletary performed a "Manual of Arms"routine.

The band then formed into a straight line facing the Fort Meade fans and saluted the visitors with the Scottish melody "Tam-O-shanter"as the majorettes did a scottish dance sporting their new uniforms.

The superior rated band turned, facing the Avon Park side, and performed what is called a "Guillotine.' The drill consisted of every other person ducking down and the others turning in four directions with their horns out stretched.

Tuba players Steve Childress, Charles Klein, Bobby Strength, and Butch Snelgrove walked out in front of the band an played "Yes Sir, That's My Baby"which ended with a wave to the fans and an unexpected kiss from the majorettes. A hillbilly number called "Marching Mountain Dew", followed with the majorettes doing a hillbilly dance in "Daisy Mae" skirts and hats. The band then marched off to "The Pep Song."

Area Students Attend Workshop In Daytona Beach

Students Randy Jordan, Avon Park and Roger Smith from Lake Placid made the trip to DAytona Beach with local VICA advisor Larry Hooper. They arrived in DAytona late Friday afternoon just in time to register and have dinner before the opening session at 7 p.m.

The workshop began with all club officers and advisors together for the opening ceremony and general assembly. After a brief welcome to all delegates, the students, were divided into small groups where they were trained in club procedures by the state officers. The advisors met during this time with state VICA head Charles Hodgins. Friday evening meetings were adjourned at 10 p.m.

The workshop was resumed Saturday morning with the area clubs meeting toother to work out area activities for the coming year. We are in Area IV which is a nine county area bounded by Pasco to the north and Lee to the south. It was decided that Leto High School, Tampa, would host the area drive in, in March and plans were started for an area get together at Ft. DeSota Park in the Spring.

All delegates met together in a general meeting at 11:30 a.m. for the closing session of the workshop. The workshop was formally closed at 11:45 a.m.

The students would especially like to thank the Avon Park Rotary Club who made their participation in this workshop possible.

APJH Football Team To Play Sebring Tuesday

Next Tuesday night the Avon Park Junior High football team will play Sebring here at Memorial Field with all proceeds from the concession stand going to the Lowell DuBose Fund. The game is set for 7:30 and all football fans are urged to come out and watch this exciting team in a re match with the Sebring squad.

The Avon Park team coached by Ken Shackelford and Harry Williams won over SEbring 26-6 in Sebring three weeks ago and then defeated Lake Placid 32-12 the next week. Last Tuesday night the eighth graders played in Okeechobee with the ninth graders benched because Okeechobee's team is made up of seventh and eighth graders. The concession stand will be run by interested mothers trying to add to the Lowell DuBose Fund which is set up to help finance the expense of his mother and father accompanying him for further medical attention later this month. Lowell has always been an active Red Devil fan and has served as manager of teams over the past few years. The popular youngster is at home at present but will return to Miami next Tuesday for evaluation of his condition and a decision on when the operation will take place if necessary. The Red Devil eighth and ninth grade team has been capably quarterbacked so far this season by eighth grader Jerry Robinson and Dennis Avery running at fullback and Timmy Massey and Leonard Green at the halfback spots most of the time on offense. The offensive line has Harry Stukes and Perry Prescott at ends, Mike Pool and Bill Murphy at tackles, Ricky Runner and Mark Lewis, Allen Padelford or Watson Carter at guards and Jamie Tomlinson at center. The defense varies but in the Lake Placid game the two coaches cleared the bench as they played all the boys during the second half.

Come out and help out the concession stand and also watch these boys as they challenge the SEbring junior high team starting at 7:30 next Tuesday night, Oct. 12.

McKenzies Back From Vacation

Mr. and Mrs. Ivy (Buddy) V. McKenzie have returned to their home in Avon Park after a vacation in Tennessee and Washington, D. C. For their early autumn vacation Mr. and Mrs. McKenzie visited first at the home of Mr. and Mrs. Wally Spratlin and son at Nashville, Tenn. While in Nashville they visited many well known attractions--Printers Alley, President Andrew Jackson's home, the hermitage, Roger Miller's King of the Road Motel, Johnny Cash's home.

They concluded their visit with a trip to the famed Grand Ole Opry.

In Washington, D. C. the McKenzies were guests of Mr. McKenzie's brother in law and sister, Mr. and Mrs. Bob Pendarvis. The McKenzies visited many of the national capitals well known buildings and monumments. They were visiting the grace of President John F. Kennedy when the procession arrived for the burial of Supreme Court Justice Hugo Black at a burial plot near the late Presidents. Mr. McKenzie returned to his work as deputy in the clerk of the circuit court office Monday.

Mrs. Spessard Holland Chairman Of Christmas Seal Campaign

Ted J. Ward, president of Mid State Tuberculosis & Respiratory Disease Association announces the acceptance by Mrs. Spessard Holland of the Chairmanship of the Christmas Seal Campaign.

"Still in service for the people' This may well be said of Mrs. Spessard Holland more generally known as "Our Mary" to people all over Florida. She is especially dear to those claim her as "home folks" in this area.

Mary Holland has stood as a valiant soldier beside her Statesman husband for many years. For people of this calibar and deep concern, retirement will never be more than just a word. Already Mary Holland is involved in community interests and active in community endeavors.

Long a good friend and supporter of the Mid State TB & RD Association, she is now busily planning and working as the Area Christmas Seal Campaign Chairman. This responsibility is not new to her for in times past she served as the State Christmas Seal Campaign Chairman.

Her husband, Senator Spessard L. Holland is a charter member of the old Polk County Tuberculosis and Health Association organized 1935-36, and since has merged with other counties and upon broadening its scope of service is known as the Mid State Tuberculosis and Respiratory Disease Association. This position as area chairman will be no "token service" nor is it to be merely honorary for Mary

MRS. SPESSARD HOLLAND

Holland. She is offering not only name but much of herself. "As a wife and mother and a woman who has spent many years in a position to observed people everywhere, sense their needs and evalute many causes, I have become involved in this Christmas Seal Campaign. I believe that the Mid State Tuberculosis and Respiratory Disease Association is daily providing service of inestimable value to the people of our area," Mrs. Holland said.

Peculiar People

God is looking for peculiar people.

You might think He already has all the peculiar people He can handle. But not the kind He wants.

God has said, "If only you will now listen to Me, and keep My covenant, then out of all peoples you shall become My special possession; for the whole earth is Mine. You shall be My kingdom of priests, My holy nation." (Exodus 19, New English Bible)

"Special" sounds pleasant; it's a loving word, and the idea of God's personal concern for His people is what the quotation emphasizes. From an ordinary human point of view, however, the word "peculiar," which was used in the older translations, is more accurate.

God in Man

Anyone, these days, who "listens to God" and "keeps His covenant" is peculiar. He prays and reads the Bible to find out how to live. He believes God is not only watching his life but actually working things out every day to use his life in a planned way. He cooperates with God by not mistreating people — lying about them, stealing from them, being jealous of them. He controls his natural tendencies toward selfishness and instead respects people, not misusing anyone socially, sexually, or in any other way. In short, he tries to love other people just as much as he loves himself and to treat them just as well. All this is possible, he believes, not because he is a special person, rather, it is because the Spirit of God lives in his body.

If you know any God-lovers you know how peculiar they can be. They don't want to do their "own thing." They don't understand how to get ahead in life. They don't seem to realize the value of money. The oddest thing of all is that they think they're special. For example, they say, "Look how much God loves us, to allow us to become the sons of God." (I John 3)

The children of God, the peculiar people, say that the reason ordinary people can't understand them, and find them odd, is that they don't know God. People who only heard Jesus speak but never got to know Him thought He was peculiar, too.

That makes sense, doesn't it? What you know influences how you act. Veterinarians care about the treatment of animals. Businessmen think the handling of money is important. Fashion designers like to dress well. Your job and education have changed you, haven't they?

How Much Knowledge?

Look at it this way. Of all the truth that people know in the world, how much do you know? Ten per cent? Two per cent? Probably less? Then isn't it possible that among the things some other people know but you have not yet run into is God? If you know closely 3,000 people and you probably don't), for every person you know intimately there are in the world at least one million people you have never met. Isn't it possible that among the three billion people you don't know are millions who know God? Probably you have even met someone who knows God, but he never talked to you about Him. Ask around.

Why should people who know God think they're special when you think they're peculiar? They know Someone you don't.

Avon Mobile Home Park News

Mrs. Bland Nieukirk arrived home on Sunday afternoon from Walker Memorial Hospital and is now recuperating nicely from her surgery. Maude wishes to express her appreciation to the Sunshine Club at the Presbyterian Church for flowers and her many friends who sent beautiful cards and flowers while in the hospital. A very faithful friend, Mrs. Mildred Timberg took excellent care of Maude throughout this illness, and she is most appreciative for her loving care.

We are glad that Mr. Floyd Stevens is improving and eventually hope to return to Avon Park if they can get someone to drive them down, when he is able to travel. Floyd and Edith are very thankful for all the "Get Well' cards and letters which they received during this trying period of illness. Those returning to our midst recently were, Mr. and Mrs. Harry Jordan and Mr. and Mrs. Walter Douglas, who returned on Friday from Hazlekrestrn Ill.

Mr. and Mrs. Lewis Becker visited in Deland on Thursday and Friday with their daughter, Geraldine Nichols, granddaughter Patty Sherwood and great grandchildfen, Jeannie, Ricky and Robby. Mr. and Mrs. Robert Duthie spent Thursday in Lakeland with Mr. and Mrs. Donald Easley.

Emmette Wright had a busy week leaving here on Monday to fly toTulsa, Okla for a business trip and arriving home on Thursday evening, rather early Friday morning, after much strenuous studying and ready for a rest. When his son Jonsthon called home, he was very surprised to hear that his dad was in Oklahoma, but he didnt get to see him.

Ruby and Ora Myers with the Lawrence Robinsons enjoyed a trip to Winter Haven and Lakeland last Thursday. A fairly early start allowed all plenty of time for shopping. The Myers surprised the Robinsons with a delicious meal at Lakeland H. & D Cafeteria in celebration of Ruth's birthday on Friday. Good friends always remember to do nice things. Then a visit to Winter Haven Hospital to visit their friend Grace Warner, who had surgery on her ear; followed by a stop at the new shopping center in Winter Haven for a snack and some purchases. After a pleasant drive home, the evening was enjoyed at the Myers, ending with popcorn.

Red Devil "B" Team To Play Sebring Tonight

The Red Devil "B'team took its first loss of the season last Thursday night at Memorial Field when the DeSoto High jayvee squad of Arcadia outscored the home boys 23-6. Avon Park is now 1-1.

Tonight (Thursday) the Avon Park "B' team will travel to Sebring for a battle with the Blue Streak jaycees with kick off set for 7:30 p.m. at Firemen's Field.

Avon Park's touchdown came late in the final period with the Devils trailing 23-0. The TD was set up when Ricky Claitt faked a punt on fourth down and passed to end Mearl Robinson for a long gain deep into Arcadia territory. Then on fourth down with four yards needed for the score, Devil quarterback Buddy DeWitt hit Robinson in the end zone for the six pointer. The run up the middle for the extra point was stopped short.

All Arcadia's scoring was accomplished by one boy--Gene Holliman who wore number 44 jersey. Holliman scored first in the second quarter and also ran the extra point across to give Arcadia an 8-0 lead. Later in the second period Holliman took a pass from the DeSoto quarterback and scored on a 22 yard play. Again Holliman added the two point conversion putting Arcadia ahead 16-0 at halftime.

In the third period the big back ran about 55 yards for his third TD of the game and then kicked the point after to close out the DeSoto jayvee scoring with 23 points. Holliman was also outstanding on defense.

The Devil "Bees'looked better on offense and made fewer penalties than the week before but still need to polish up the offensive blocking. The Devil defense held well with the exception of the three big scoring plays. Arcadia defeated Sebring badly in the first game of the season so the "B'team is expected to be able to win over the Sebring jayvees in Sebring tonight, Oct. 7. Fans are urged to travel down to Sebring to Firemen's Field to support the Avon Park junior varsity.

LEGION BINGO

Bingo every Thursday night at the American Legion Hall on West Bell St., in Avon Park starting at 7:30. Free refreshments. Everyone is welcome. Frank Junn of Avon Park won a $25 jackpot last Thursday night.Another $25 jackpot is waiting to be won by some lucky person.

Save Papers Urged SFJC Committee

The Environmental Action Committee of South Florida Junior College is having a paper and aluminum recycling drive. In order to help clean up the environment this group is collecting aluminum and paper to be used again instead of littering up the landscape.

There is a bin out at the junior college where all the students any anyone else interested may throw all their empty aluminum cans.

October 16, a truck will be in Avon Park to pick up any papers you might have around your house. If you have any old paper they could pick up call 453-3206 or 453-3241 and give your address so they will be able to pick it up.

This is not only a clean up project for the group but also a money making project. The group intends to sell the paper to a recycling center. The Environmental Action Committee of SFJC as soon as it gets some money plans to have movies about our ecology and it's problems. These movies will be open to the public.

In-Service Workshops Held At Fred Wild

The first in a series of in service workshops in behavior modification began Sept. 29 at Fred Wild Wiementary School in Sebring. The workshops for Highlands County teachers are planned by the special education division of the county schools and are led by Dr. Brian Jordan, director of clinical services for Highlands Mental Health Center. Dr Jordan said several in service training programs will be offered to teachers during the school year. This is directed toward helping teachers meet common classroom behavior problems.

Christian Education Clinic To Be Held Friday At Local Church

A Christian Education Clinic will be held Friday, Saturday and Sunday at the First Presbyterian Church. Miss Florence Craig of Charlotte, N.C. will lead the Clinic. The idea of the Christian Education Clinic arose in theChristian Education Committee of theSession of theChurch. The Committee believed improvement could be made in the quality of the church Christian education program. The Clinic has been planned at the "grass roots level" of the church.

The Clinic will begin with a covered dish supper at the home of Mr. and Mrs. Leslie Burch on Friday at 5:30 p.m. All day Saturday Miss Craig will have appointments with Church School teachers at the church, in the classrooms where they are teaching.

On Sunday morning at 8 o'clock the senior highs will have breakfast at the church. After the breakfast the senior highs will meet with Miss Craig through the Church School hour.

At 11 o'clock Miss Craig will speak at morning Worship on the topic: "Quality Education in the Church".

The elders and deacons of the church will have a joint meeting with Miss Craig at the church sunday afternoon at 3:30 p.m. The young adult class will meet with Miss Craig at 7 o'clock Sunday night.

Miss Florence Craig was born and grew up in NewAlbany, Miss. She received her A.B. degree from Brenau College, Gainesville, Ga. She had done graduate study at Peabody, Nashville, Tenn; Ole Miss, Oxford, Miss; Duke University, Durham, N.C., and Princeton Theological Seminary, Princeton, N. J.

Miss Craig was a public school teacher in North Carolina and Mississippi for 16 years. She was Director of the Orange Grove Mission in Tampa. She served as director of Christian Education of the First Presbyterian Church in Lake Wales, and had been director of Christian Education of the General Synod of the Associate Reformed Presbyterian Church for 12 years.

THE BOGEYMAN LIVES.

He's you.
Busting your tibia water skiing.
For a six week lay-up.

He's your wife.
Having to fly home to her sick mother.
In Denver.

He's the basement.
Under six inches of water.
Needing a new furnace.

He's everything that can go wrong.
That can sicken, break, wear out, burst, blow down, fall off, or pop up.
And cost.

He's why family money management counselors say you should have three times your gross family income in your savings account. Do you?

If not, First Federal can help you save. We have all kinds of savings plans. For all kinds of savings needs. To help you absorb today's shocks. And be ready for tomorrow's surprises.

Stop in this week and start your First Federal Savings Account.

And scare the Bogeyman for a change.

SHUFFLING

There were seven courts in play at both tournaments on Wednesday and Saturday evenings. Winners on Wednesday were Bernice Long and Alton Wetmore with Howard Long and Charles Romilly were the runners up. John Wolfe and John Harp won third place with Al Ross and Allene Howard coming in fourth.

First place was won by Al Ross and John Harp on Saturday evening with Herbert Wooliscroft and Jim Chamberlain coming in second; third place went to Eva Chamberlain and Geraldine Long, and fourth to Harry and Dorothy Wilde.

CARD GAMES

With four tables in play in pinochle on Monday and Friday afternoons the high scores went to Annie Janke 654, William Trapp 642, Annie Janke 641 and Allene Howard 608.

NEWS OF THE WEEK

The regular pot luck suppers will begin this coming Saturday evening at 5:30 with Arlene Lane in charge. You all Come.

Clay Kull is again taking the membership dues, which are due October 1. He will have five folks helping him this year: Hallie Wetmore, Judy Kerr, Allene Howard, Grace Romilly and Elizabeth. As of Saturday 24 have signed up as members.

Alton and Hallie Wetmore have returned from their summer in the north to their home on North Highland Avenue.

Zeno and Grace Warner spent the summer in Clyde, Ohio, and have now settled into their home on East Main St.

Grace Warner spent four days in the Winter Haven Hospital having surgery on her ear and is doing just fine now.

Sam Walton is in the Walker Memorial Hospital having had a stroke.

Homer Kime is also in Walker Hospital for test.

Harry Wuensche, who came to the dances, suffered a heart attack and was buried this past week.

Mary Wilmot has been discharged from the hospital and is recovering at her home in the Golden Age Villas.

On Friday this past week, Hazel Higgs had a serious operation. We wish her fast recovery. She is in DeWitteville, N. Y.

The Joe Gauts write that they are gathering things together for their return to Avon Park the first of November. They have had a busy summer with their garden and also their antique business, which has been very good this summer.

Chester Seeger was in Lakeland Hospital for eye Surgery and he did so well he came home in three days.

Fred Bolton passed away Sept. 29th and was buried on Oct. 2nd in his home Northfield, Mass. He was ill in the hospital about two weeks.

Local Women Attending Bank Convention

Mrs. Mary F. Garrett, vice president and cashier and Mrs. Mary Lee King, vice president of Avon Citrus Bank are among the delegates attending the 49th Annual Convention of the National Association of Bank Women Inc. in New Orleans, Oct. 6-10.; More than 1,000 women bank officers are expected at the Fairmont Roosevelt Hotel in the Louisiana city for the event at which attention will be focused on the major issues facing the nation's financial community as well as on the official business of the 9,000 member organization.

Keynote speaker for the convention will be Mrs. Barbara Ann Hackman Franklin, President Nixon's staff assistant for executive manpower, whose job is to help recruit women for high level government positions. Mrs. Franklin is currently on leave of absense from her position as assistant vice president of the First National City Bank, New York City.

Viola Drawdy Enjoys First Plane Ride

Mrs. Viola Drawdy and son Mark and daughter, Elon, have just returned from a two week visit in Charlotte, N.C. where they visited another daughter, Marie Leddon.

Mrs. Drawdy, being 92 years young, took her first airplane ride, flying from Orlando to Charlotte by way of Atlanta, Ga. Mrs. Drawdy really got the red carpet treatment, by all the Delta Lines personnel. A wheel chair was available at every stop so she had no walking to do. She enjoyed flying so very much, she hopes to be able to go again next summer.

She spent one weekend in Maggy Valley, N. C., up in the great Smokies, and loved those big black mountains. She had plans to go to Boone, N.C., and see Daniel Boone's Movie World, but failed to get up there, maybe next time. She visited the Cherokee Indian Reservation and a lot of picture taking was going on.

THE AVON PARK Police Department's new IBM 2741 Communications Terminal is being operated by Police Chief Ferland Cribb. The new IBM machine is capable of sending and receiving information from crime information centers in Tallahassee, etc., within seconds. The machine, furnished by the State of Florida, is part of Gov. Askew's fight against crime campaign.

ROTARY CLUB NEWS

Reported By Steve Roberts

Miss Carol Beck was last weeks speaker on a subject dear to most of us—Ecology. Miss Beck is a naturalist, has written a number of books and was woman of the year. She stated that northern underground water comes as far south as Ocala, and that we here in central Florida get our wate from the rainfall we have each year, which averages approximately 52" a year.

She stated, to clean a lade edge is just as bad as to let it be taken over by weeds. Draining of our marshes kill the breeding ground of small animals which act as food for largjr animals and fish.

She also stated that we should leave as much foliage and trees on the ground as possible- it stops erosion, and holds water in the ground.

All of us that heard Miss Beck's talk should give it considerable thought.

TO HOLD MEET

Highlands Chapter 42 will hold its first Fall meeting Tuesday, Oct. 12 at 8 p.m. at the Masonic Temple on West Main Street, Avon Park.

Read Classified — Everybody Does

Before you look at their new ones, look at their old ones.

Now that new car time is upon us, gosh knows, we hate to be the ones to spoil all the fun.

After all, what's more exciting than taking the family down to see the shiny new models or to hear the fast-talking salesmen?

It's just that during all that hoopla, you may not want to pick up one of those exciting new cars.

For the unpleasant fact of the matter is that junkyards throughout the country are doing a thriving business on automobiles that seemingly just yesterday were showroom stars.

Which is why we suggest a trip to the junkyard before you decide to put a new car in your own yard.

And why we suggest that that new car be a Volkswagen.

For while we can't promise you how long one will last, we can tell you that over 13 million Volkswagens are still on the road.

And when one drops out, even then it's not always destined to be dropped in a pile. For old Volkswagens have a habit of becoming other things: Like new dune buggys.

All in all, we owe it all to a decision we made 24 years ago: To spend very little time making our little car look better. And a great deal of time making it work better.

So far, that one decision has kept us out of a lot of trouble.

Notes On Helping The Handicapped

Reporting to representatives of the Ridge Area Association for Retarded Children at the annual state conference of the Florida Association for Retarded Children, Dr. Allen Menefee, professor, School of Social Work, Florida State University, made recommendations to the membership to change the approach of guardianship of the handicapped. The Association has accepted the recommendations as a challenge for the coming year.

Historically the mentally retarded have been declared or determined incompetent and guardianship established either in the hands of an individual or a public institution. This process was handled through the office of the county judge. The new philosophy recommends that instead of guardianship being based on the negative aspects of incompetency, that the retarded person's competence be determined on the basis of his abilities and capabilities.

Eight recommendations for the development of a more useful and human approach to the needs of the retarded for guardianship are listed as follows: All mentally retarded be considered the same as other children for the purposes of guardianship. The focus of determination of competence be based on the personal abilities and capabilities. Competency evaluation be made by a multi professional evaluation team.

The county judge make his decision on the basis of this evaluation.

An advocacy program be developed through the Florida Association for Retarded Children. This would establish a corp of people capable of speaking for the retarded.

A program of public guardianship be established in the Division of Retardation for use where private or corporate guardianship is not available.

All guardianships be designed to meet the indivudualized needs of the retarded and to fully utilize the abilities and capabilities which they possess.

The APCI jaycees have offered to the Work Center their interest, their talents and their time to achieve some much needed improvements at the Work Center and the Resale store. A planning conference was held to explore possibilities for service to the Work Center. Final decision as to projects and priorities are still to e determined and we will be reporting on this matter again in the near future.

Avon Park Grange Met Tuesday

Avon Park Grange met Tuesday evening, September 28 with Louise Clarke, in the chair. Plans were discussed for the Ridge Pomona Grange meeting October 1 and Visitors Welcome Night on October 12.

The secretary, Mary Haviland, sent the Women's Activities Committee report for the year to the State Grange officer in charge. Three Needlework entries were sent to the Pomona Grange Chairman for judging.

The lecturer, LaVerne Fullmer, reported mailing one oil painting and two colored photograph entries to the State Grange lecturer's office for judging. It was reported that Grace Warner underwent ear surgery that day and that her condition was satisfactory.

An open meeting known as Visitors Welcome Night will be held in the Wesley Hall of the First United Methodist Church on October 12 at 8 p.m.

Cross Country Track Meet

Avon Park's Red Devil cross country track team coached by Chet Brojek has now participated in three meets and is steadily improving. Today the Devil distance runnerps will host a meet at 4 p.m. with Fort Meade, Clewiston, Lakeland, and Kathleen running. The two and a half mile course is layed out on Canfield Street going east from the new high school and then circling back and finishing at the high school parking lot. Eugene Snead is currently leading the Devil team. He finished fourth last week in Haines City with a time of 14:25, came in third here on September 23 with a time of 14:12, and came in 32nd, out of a field of 175 boys in the opening meet at Cypress Gardens. Others on the Devil team are Jimmy Elder, Scott, Gust, Jackie Roberts, Gary Gust, Robert Lansing, and team captain Joe Dalton. Dalton has yet to run in a meet due to illness.

In Haines City on October 30, the Avon Park finished third against Haines City first), Bartow (second), Lake Wales, and Sebring.Snead had the best time for Avon Park followed by Jimmy Elder who finished a 10th with a time of 15 minutes flat. Scott Gust was 15th with a 15:17 time, Jackie Roberts was 28th with a 17:25 time and Gary Gust was 58th out of a field of over 75 boys. Haines City again dominated the meet taking positions one, two three, five and six. Individual winner was Simkins of Haines City.

The September 23 meet here in Avon Park was a first for the Red Devil. Coach Brojek set up the 2½ mile track and six teams participated with Haines City taking first place with 18 points. Low score wins in cross country meets. Bartow was second 76 points, Fort Meade came in third with 79 points and Avon Park was fourth with 100 points. Sebring finished fifth and Lake Wales came in sixth. Haines City's Frazer was winner of the meet with Avon Park's Snead coming in third behind Frank Winget of Haines City. Scott Gust finished seventh, Jackie Roberts was 24th, Robert Lansing was 38th and Gary Gust was 44th. Jimmy Elder and Joe Dalton didnt run. The new course was initiated with a record of 13:17 set by first place winner Frazer.

In the first meet of the season, the Red Devil boys competed in the big Cypress Gardens Invitational. Over 24 teams were involved in the meet with Largo the team champion. The top finisher for Avon Park was freshman Jimmy Elder who covered the tough 2½ mile sand and dirt course in 16 minutes flat. Jimmy captured 37 the position out of a field of over 175 boys.

This exciting new sport is a little difficult to watch but Coacy Brojek thinks fans will enjoy watching the boys start off and then catching the finish at the parking lot as the runners come in from the route which takes them through grove and countryside and up and down hills Todays' meet (Thursday) will start about four oblock and as fans can see from the times set, it will start finishing some thirteen or fourteen minutes later.

The team will run in two away meets the week of October 11-15. On October 14 the boys will go to Sebring for a dual meet and on October 15 they will run in Bartow in another dual meet.

Your Electric Deposit Earns You 6% Interest Annually

Question:
Why does Florida Power require a deposit?
Answer:
Florida Power does not bill in advance for electric service. This means the bill you receive is for electricity that has already been used. The $25 deposit required of new residential customers serves as a payment guarantee for the company. A rate of 6% interest is paid annually on this deposit and is applied as a credit to the customer's bill in June of each year.

Question:
If you are in such a tight financial condition, why are you building a large new office building in St. Petersburg which does not even produce electricity?
Answer:
The new general headquarters complex in St. Petersburg is the result of a decision made over six years ago. Construction began in early 1970. Nearly 600 people will work in this new facility. Presently, there are 280 people in the 45-year-old headquarters building. Others will come from various leased and owned locations within the city. By bringing people together, we will be able to work more efficiently.

Question:
Do Florida Power employees receive a discount on their electric bills?
Answer:
No. Florida Power employees are billed at the same rates as all of the company's other customers.

Question:
Florida Power has been charged as having the highest rates in the nation. How can you ask for a rate increase under such circumstances?
Answer:
First of all, the charge is incorrect. We did have a high rate problem at one time. The most recent edition of the Federal Power Commission's Typical Electric Bill report shows the following rankings in the normal residential consumption ranges:
250 kilowatt hours . . 30th in the nation
500 kilowatt hours . . 14th in the nation
750 kilowatt hours . . 13th in the nation
1000 kilowatt hours . . 20th in the nation
As for needing a rate increase, the company has not sought rate relief since 1953.

Question:
What temperature setting do you recommend for electric heating?
Answer:
This depends on the individual's preference. For economy, set the thermostat at the lowest comfortable temperature for you (usually 72° – 75°).

If you have any questions concerning your electric service or our company in general, please write Mr. A. P. Perez, president, at our general headquarters, P. O. Box 14042, St. Petersburg, Florida 33733.

LOONEY LUNAR
BIRTHDAY PARTY

Moon Crater Sundaes, Flying Saucer Cookies and little green moon man favors cut from ReaLime plastic squeeze limes carry out the theme of this unique birthday party with appeal to children from toddlers to twelve-year-olds.

Complete directions for this party and seven others for all age groups are found in Parties Made Easy, yours for 25¢ to cover postage and handling sent to ReaLemon Foods, Party Book, 4814 West Armitage, Chicago, Illinois 60639.

Games suggested for the Looney Lunar Party include Moon Geography, spinning an astronaut cut from stick-backed paper to a moon map; and Flying Saucers (played with Frisbees decorated with space symbols).

Moon Crater Sundaes

2 cups sugar
½ cup light corn syrup
½ teaspoon salt
½ cup ReaLemon bottled lemon juice — heated
Vanilla ice cream scoops
Marshmallow creme topping
Candles

2 egg whites, stiffly beaten
1 teaspoon vanilla
1 cup shredded coconut
½ cup lemon drop candy, crushed

Dissolve sugar, corn syrup and salt in hot lemon juice. Cook, without stirring, to firm ball stage (248 degrees on candy thermometer). Rinse down crystals that form on edges of pan. Remove from heat. Gradually pour over stiffly beaten egg whites, beating constantly as you pour. Add vanilla, coconut and lemon candy; beat until mixture holds shape. Press into bottom and sides of well-buttered muffin pans to make candy shells. Cool and chill; remove from pan. Fill each with ice cream and top with marshmallow creme and birthday candle. Makes 4 to 6 desserts.

Flying Saucer Cookies. Buy or make large, flat sugar cookies. Let your children help decorate them with little stick figures made from green pipe cleaners attached with green frosting. You might provide colored sugar to sprinkle over the top. Depending upon the child's age, these may be quite elaborate or very simple.

Devils Win Over Hardee, Host Punta Gorda Friday

BY LUCY DERKMAN

The Avon Park Red Devils moved to a 3-1 record last Friday night with a 10-0 win over the Hardee High Wildcats of Wauchula here at Memorial Field on a soaking wet field. After a scoreless first half, the Devils took the kick off that opened the second half and moved to the lone touchdown of the game. Then on the opening play of the fourth quarter, Devil quarterback Don Sisemore kicked a field goal to ice the game down for the Devils.

Tomorrow night (Friday) the Red Devils will again be at home as they host the tough Charlotte High Tarpons of Punta Gorda. Charlotte has a record of three wins and one tie for the season with victories over Sebring (37-7) Wauchula (25-0), and Palmetto (18-0). The tie came in a game with Naples and finished up 6-6. Last year Charlotte took a 19-12 win from the Avon Park eleven after which the Red Devils finished with five straight wins.

HARDEE GAME

Against Hardee last week the Red Devils generated more offense griding out 221 yards on the ground but three lost fumbles thwarted scoring drives repeatedly. So again it was the fine defensive playing of the Devils that made the victory possible. This was the second ssut out for the season by the Devil defense led this week by Randy Ward with six tackles and seven assists. Leon McRae and Virgil McInvale both had five tackles to their credit while Jarvis Hartt and Don Sisemore took care of four tackles each and were both in on six assists. McRae recovered a Wauchula fumble late in the third period that set up the fourth quarter field goal.

In the first quarter Wauchula had its deeptest penetration on the opening series of the game as Gerald Harden broke loose on the first offense play of the game and romped for a 34 yard gain to the Avon Park 35 before he was caught. Hardee moved on to the Devil 27 yard line before losing the ball on downs and they never threatened seriosly again.

Avon Park managed to get to the Hardee High 13 yard line late in the first period but staaled after a 15 yard penalty against them slowed things down.

In the second quarter the Devils moved all the way to the Hardee 10 before the drive sputtered and died after four running plays that netted only seven yards. On the next offensive drive the Devils fumbled away the ball on the Wauchula 23 yard stripe. So the first half ended in a scoreless tie.

However, on the second half kick off, Don Sisemore returned the ball from his own 15 yard line to the Hardee 42 yard mark for a 43 yard dash. A 15 yarder moved the Devils back to their own 44 yard line and after three running plays, the Devils were forced to punt. Fort Meade was guilty of a clipping penalty on the punt play giving Avon Park new life at the Hardee 28. That was all the Devil offense needed and they moved quickly to the 17 on two good runs by halfback Arnold Davis. Then on kirst down at the 17 Sisemore dropped back and fired a pass to Nathaniel Packer who pulled it in and went to the two befor the Wildcats could pull him down. Danny Lewis drove to the one foot line and then Sisemore sneaked the ball over on a keeper for the six points. Sisemore then kicked the seventh point with Keith Richards holding the ball for the sucessful place kick.

Late in the third quarter, after Avon Park had punted to the Wildcat 12 yard line, the Hardee offense fumbled and Devil lineback Leon McRae pounced on the ball to give Avon Park possession on the Hardee 18 yard marker. Sisemore moved to the five yard line on a run when a pass wasn't possible. But three running plays lost yardage for Avon Park and the ball was on the seven with a fourth and goal situation facing the Devils. So in went the kicking tee and Richards put the ball down on the 14 for Sisemore to boot a 24 yard field goal and move the score to 10-0 on the first play of the fourth quarter.

Wauchula had one more scoring opportunity in the game as they recovered a fumble on the Red Devil 10 yard line. But the Avon Park defense rose to the occasion and drove the Wildcats back on four successive plays to give the Devil offense the ball on the 20 yard marker. From that point Avon Park drove to the Hardee 40 on the ground to use up the remainder of the clock and take the 10-0 victory.

The Devils completed three of 10 passes with Packer and Arnold Davis catching one ach for 15 yard gains and Danny Lewis pulling in the other for an eight yard gain. Sisemore was the leading ground gaaner picking up 72 yards in 12 carries for a six yard average per carry. Keith Richards and Arnold Davis both averaged 4.4 yards per carry and Danny Lewis had a 3.8 yard average for 15 carries. James Coleman saw some action for the first time this season carring the ball four times and picking up 26 yards.

THE LARGE CROWD at Memorial Field was thrilled once again Friday night as the fabulous Avon Park High School Grenidier Band, under the direction of Band Director Vic MicKunas and drum major Dennis Crews, performed at half time. The Band is pictured above in two single lines that crossed the field from visitors side to the home section, with the color guard in the center.

Avon Park Fire Department's Annual Report Shows Decrease

Annual report for the Avon Park Fire Department for the year beginning Oct. 1, 1970 and ending September 30, 1971:

Construction fires: 39.
Grass or woods: 67.
Automobiles: 11.
Trains: one.
False alarms: five.
Rescue (ambulance): 25.
Nutual aid: one. Total alarms answered for year: 148

Total fire loss for year: $12,225

Property involved: $823,500.

The per capital fire loss was $1.82.

This year's fire loss shows a decrease of $525 over last year's loss of $12,750, according to Acting Fire Chief Mack Flowers.

Crews Named Inspector

There were standing room only at the Avon Park City Council meeting Monday night with a full slate of business on the agenda.

Ed Johnson of Sunny Ridge Mobile Home Trailer Park and Toby Chapel of Southland Trailer Park appeared before the council in regards to trailer park garbage fees.

Johnson told the council his garbage fee for the month of September was $30 and most of his renters were up north. He said he didn't think this was fair and that something should be done. No action was taken on this matter.

The resignation of Earl Spurlock, building inspector, effective October 15, was read by City Clerk Malcolm Crews. The council voted to advertise for a building and electrical inspector combination. Crews will act as building inspector until one can be hired.

Jim Renfro was requested to appear before the council in connection with a flying regulation he had been charged with. Renfro told the council he had not violated any regulations, that he had turned his aircraft to avoid hitting a bird.

Council President Don Serdynski said a number of reports of Renfro's flying activities had caused them to request his appearance before the council. Mayor Bob Barben said he had witnessed the violation Renfro was charged with and said he was concerned about the safety of Renfro.

Shelly Marrs of Marrs Aircraft appeared before the Council requested and got a five year renewal of his easement at Avon Park Municipal Airport.

City Attorney Jack Hancock told the council that he was representing Arthur Turner in the purchase of property from Mrs. Victoria Porter. The property is behind Turner Furniture Co. Hancock said the city had formerly owned part of this property and a quite claim deed was needed to clear the title. Motion was carried to pass a resolution authorizing the mayor and city clerk to issue a quite claim deed to Mrs. Porter.

Hancock also told the council that the Yellow Cab Company of Lakeland, Inc. had applied for a permit to transport passengers and baggage from points in Highlands County to all points in the state. Hancock said he will represent local taxi owners at a hearing before the Public Service Commission.

Local taxi owners stated they furnished all services requested in Highlands County and that there is no need for additional taxis. Motion was carried by the council to adopt a resolution opposing the granting of a permit to operate in Highlands County to Yellow Cab Company.

OTHER BUSINESS

In other business the council approved permission for construction of a Christmas Card Lane in the Mall, and to sponsor construction of one double card by the city.

—To advertise for bids on a dump truck, a pickup truck, a park mower with 14 horsepower minimum and a police car.

—To accept the program of tagging trees and shruberry in the Mall as done by the Forestry Service.

—To table payment of tax bill for assessment and collection of taxes by the county.

—A letter was read from Councilman Jack Duggan resigning as a member of the Civil Service Board.

LOWELL DuBOSE, JR. was surprised and pleased with the "money tree" presented to him Monday, Oct. 11 by Helen Tuten on behalf of the employees at the Florida Power Corp. Plant. The employees have already given to the Lowell DuBose, Jr. Fund at the Avon Citrus Bank, but wanted to give this to Lowell for a personal gift before he left on Tuesday for Miami.

Lowell DuBose, Jr. Back In Hospital For Further Tests

Lowell Y. DuBose, Jr., left with his parents, Mr. and Mrs. Lowell DuBose, Sr., Tuesday, Oct. 12, to go to Miami for further tests and X-rays.

Young Lowell, 16, is the victim of a rare bone disease, which causes double curvature of the spine. He has already had three operations on his spine and the next operation is expected to be expensive. He has had operations or been in braces most of his life, but has kept his same cheerful and wonderful personality and never complaining during all of his illness. The employees from the plant of Florida Power Corporation on Highlands Avenue, where Lowell, Sr., works, have previously given to a fund for Lowell, Jr., but wanted to do something personal for him. They presented him with a "money tree" on Monday before he left on Tuesday for Miami.

The fund set up for young Lowell at the Avon Citrus Bank had $272.00 as of Friday, Oct. 8. Anyone who would like to contribute, may do so by money or check to the : Lowell Dubose, Jr., Fund, Avon Citrus Bank, Avon Park, Fla. 33825.

Lowell, Jr., and mother, Jerry, are scheduled to be in Minneapolis, Minnesota, Sunday, Oct. 17, for pending operation, at the University Hospital in Minneapolis. They will be joined by Lowell , Sr. before the operation.

Bedeviling The Honest Citizen

Judging by recent figures concerning the killing of policemen, sweeping gun control laws, aimed at depriving the law abiding of the right of gun ownership, would be about as effective as outlawing the rising of the sun. These figures show that of the arrested killers of policemen, 71 percent had been arrested previously and 57 percent had been convicted, mostly of crimes of violence. This means that it was already illegal for most of them to have guns under federal law and many state or local laws. Between 15 and 20 percent of the policemen murdered with handguns were killed with their own handguns, which their assailants snatched away from them. This could be the consequence of "Don't Shoot" orders given police in some cities. In the past three years, Black Panthers have murdered nine law officers and wounded 56 more with gunshots. Most of the guns traced to them were found to have been acquired by theft.

The simple fact, as pointed out in "The American Rifleman," is that, "Most police killings are committed by criminals with illegal guns. Rather than passing another law for them to ignore and break, the solution is to put them in jail. There are enough laws now under which that can be done without bedeviling the millions of honest citizens who own guns."

The right of gun ownership is one of the most fundamental and traditional of American freedoms. A gun is a companion of ranchers, farmers, trappers, woodsmen and sportsmen. Those who would strike down the right of gun ownership for these millions of responsible citizens in the name of curbing crime are committing the greatest disservice to the basic principles of our American philosophy of individual freedom.

LEWIS LLEWELLYN

Love Saved His Life

"Love your enemies," said a great Teacher, many years ago. Most people, even among those who consider themselves to be His followers, have ignored this saying as "idealistic, but not practical."

But in recent months an American in South America had an unexpected— and unwanted— opportunity to test the practicality of this teaching.

Claude L. Fly, a 65-year-old expert on soils, had gone to Uruguay at the request of the Uruguayan government, to help in that country's agricultural program. He had already done the same kind of work for 21 other nations.

Held as Hostage

Suddenly, in August, 1970, Fly was captured by the Tupamaros, a terrorist organization, and held in a secret hideout. The Tupamaros demanded that 150 "political prisoners" be released, threatening to kill Fly if their demands were not met.

Another American—Daniel A. Mitrione, an Indiana police expert—who had been captured by the same group, was found dead, in a bloodstained car. He had been shot through the head and back.

Fly's fate hung in the balance as the terrorists repeated their demand that the 150 be released. The Uruguayan government refused. So the American soils expert was kept a prisoner.

When Fly repeatedly asked for a Bible, his captors gave him a paperback copy of the New Testament. The American went through the Testament to find out what a Christian should do and what he should not do. He found about 90 things that a follower of Christ should do, and about 70 that he should not do.

One of the things he should do, he noted, was to heed the Master's teaching, "Love your enemies and pray for those who are cruel to you." He decided to do it, praying often, "Father, forgive these who have me in their power. Look upon their hearts, minds, and souls, and bless them as Thou knowest their needs."

Fly's testing of this command of Christ had a result that he could not have foreseen. One day, his captors told him, "We have no desire to kill you, and we would release you if the government would meet our demands." But the government would not.

Heart Attack

Perhaps because of the conditions under which he was being held, Fly suffered a heart attack. Surprisingly, the Tupamaros got two doctors and a nurse to care for him, giving him what he called "intensive care in wire cage."

When he grew progressively worse, the Tupamaros kidnapped a noted cardiologist who was attending a convention in Montevideo and took him, blindfolded, to the car in which they already had placed Fly, who had been carried to the car on a stretcher. With the blindfolded cardiologist listening to the blindfolded patient's heart action, the car sped to the British Hospital, where the Tupamaros left the two men in front of the building. The revolutionaries disappeared.

But before the incredible ride to the hospital, the leader of the guerrillas had shaken hands with Fly and told him, "Some of us believe in Christ as you do."

Perhaps the reason why many people think that Christ's words are not practical is that they are not practiced.

R. J. Rutherford Died Tuesday In Lakeland

Raymond J. Rutherford, 72 died in Lakeland General Hospital Tuesday morning, Oct. 12. Born in Altoona, Fla. he came to Avon Park from Eustis in 1922.

He was assistant superintendent at Florida Power Corp. plant (retired) and a member of the Union Congregational Church.

Survivors include his widow, Mrs. Ethel Rutherford, Avon Park; two sons, Edgar Rutherford of Orlando and William Rutherford of Plant City; one brother, J. C. Rutherford of Phoenix, Arizona.; two sisters, Mrs. H. V. Andrews and Bessie Mae Sparkman, both of Eustis; five grandchildren and one great grandchild.

Funeral services will be held Thursday (today) at 2 p.m. in Stephenson Smith Funeral Chapel, with Rev. Bruce Mosher officiating assisted by Rev. H. D. Graetz. Burial will be in Bougainvillea Cemetery.

Professional Society Honors H. D. Sanderford

The American Academy of Medical Administrators, a non-profit professional society, announced today that Howard D. Sanderford, assistant administrator at Walker Memorial Hospital, has been elected as a nominee. This honor is conferred upon those whose special qualifications in medical administration merit such recognition.

The Academy is an international professional society, and admission is limited to those persons engaged in the practice of medical administration at the executive or middle management levels. Some of the aims of the Academy are to encourage and foster a scientific approach to the practice of medical administration; provide a means of intercommunication; promote, conduct and foster educational courses in this specialty; establish and maintain a criterion of competency for those engaged in his profession; and to provide for recognition by means of fellowships, scholarships, and grants to those who are doing noteworthy service in this endeavor.

The Academy was founded in Boston, Massachusetts in October 1957. At this Annual Convocation, a formal ceremony, those who have completed advancement requirements and have been admitted to the Academy, received honors in the form of certificates and academic hoods.

State Of Citrus

A FLORIDA CITRUS MUTUAL NEWSPAPER FEATURE

Mechanical harvesting, now in its infant stages in Florida's citrus industry, was heralded today as one of the major factors necessary for continued industry prosperity.

Addressing the opening of the Florida Citrus Mutual sponsored Harvest Festival attended by over 300, Mutual's General Manager, Tom Osborne, said the makers of mechanical harvesting equipment and abscission chemicals hold the key to industry success.

"Attendance at the festival, originally expected to be about 100, is a definite indication," said Osborne, "of the extreme interest in mechanized harvesting of citrus as a factor in cutting growers costs."

Dr. Jim Griffiths, Mutual Special Projects Director and chairman of the festival, said it is apparent the industry is closer now than it has ever been to realizing major achievements in the field of mechanical fruit picking.

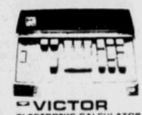

He pointed out that increasing labor costs to pick fruit is putting added pressure on growers who previously rejected the idea of allowing a mechanical harvester in their groves.

Griffiths added, "It's just a matter of time before we see a large scale move toward utilization of this equipment which is now in the final proving stages."

Griffiths also noted—and it was confirmed in speeches during the season—that several types of mechanical harvesting equipment are already in use in various sections of Florida with excellent results. He predicted that a rapid expansion will be forthcoming.

APHS Red Devil Cross-Country Team Victors

Avon Park's Red Devil cross-country team won its first victory of the season last Thursday afternoon here at the new course on East Canfield. The Red Devils turned in low score of 47 points to skim by Lakeland's team which came in second with a 68 total. Kathleen scored 71 to finish third, Lake Wales was fourth with 97 points. Fort Meade had 107 points for fifth place and Clewiston finished last with a total of 108 points.

Eugne Snead finished second in the individual standings with a new school record time of 13:41 and Jimmie Elder also broke the old school record for the 2½ mile course with a time of 13:55 which was good for third place.

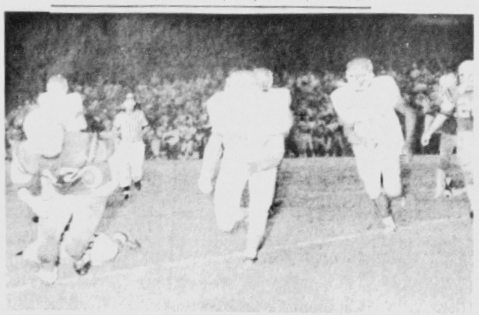

Scott Gust finished eighth with a time of 14:22, Jackie Roberts came in 25th with a time of 16:03, Gary Gust was 29th, with a 16:47 time and Robert Smith and David Metheny also placed for the Red Devils.

Individual winner of the meet was Jerome Sheppard of Lake Wales with a time of 13:40 as he nipped Snead right at the finish line.

Team Captain Joe Dalton began working out with the team again this week after being out with an illness all season.

Today (Thursday) the team will run in Sebring in a dual meet and next Thursday the boys will go to Auburndale for a meet.

Coach Brojeck said he was well pleased with the times and performances of the boys. The team had been working real hard and Coach Brojeck is looking for added power with Dalton back in meet competition after this week.

DEVIL QUARTERBACK Don Sisemore made considerable yardage on this run against the Wildcats from Hardee County last Friday night. In this game, played at Memorial Field, Sisemore scored all Avon Park's points with a touchdown, conversion and a field goal. He also played an outstanding defensive game in his safety position.

RED DEVIL Arnold Davis is met head on with a Wildcat from Wauchula in a game played at Memorial Field last Friday night. Other Devils in pitcher are Nate Packer, No. 80; Virgil McInvale, No. 72; Ted Long, No. 51, and Keith Richards, No. 20. The Devils defeated the Wildcats 10-0 for their third win of the season.

MR. AND MRS. J. J. PORTER

Mr. and Mrs. Porter Celebrates Golden Wedding Anniversary

Mr. and Mrs. J. J. Porter, who celebrated their 50th "Golden Wedding Anniversary" October 10th. This occasion brought together some of their friends and loved ones, who had not seen each other for years. This was a lovely time, even though there was rain instead of sunshine. There was 60 who signed the guest book.

The gold theme was carried out with the serving table, which was covered with white lace over green. Yellow tapers in crystal holders flanked the punch bowl, which was surrounded by fern and yellow daisies. Crystal dishes were used for the nuts and gaily colored mints.

The middle tier, of the four tier anniversary cake, which was separated by 5 inch pillars, held the gold 50 on a bed of yellow roses. Gold doves perched along the side of the second tier. Roses decorated the top tier and held a miniture bride (in gold) and groom under a brandy snifter. Yellow roses trailed down the sides of the cake.

Punch and cake were served in golden anniversary cups and plates with napkins inscribed with the names and date of marriage in gold. The lovely cake was a gift from Vernita Choban, neice of the couple, who made it and her mother, Eva Wemberly, sister of Mrs. Porter.

Mr. and Mrs. Porter were married Oct. 8 in Marianna, Fla., where both were born and grew up. They lived in 11 different town in Florida before coming to Avon Park. Mrs. Porter's health was so bad, until they'd keep trying new places that would agree with her. In 1943 they came to Avon Park and she became Dr. Chandlier's patient.

They have lived in Avon Park for the past 28 years. They have three daughters, six grandchildren and five great grandchildren. One daughter and son in law living in Avon Park, Ruth and Wally Raczkowski; Stella and Earnest Bennett, living in Sarasota and Joy and Edward Hunter in Waynesboro, Tennessee.

Out of town guests were Mrs. Maude Hutton, Sun City; Mr. and Mrs. Math Maddox, Ft. Myers; Mr. and Mrs. Paul Thomas and three children, Ft, Myers; Mr. and Mrs. W. R. Wimberly, Mrs. Vernita Choban and three daughters, Mr. and Mrs. Edward Maddox and son, and Mr. and Mrs. Roy Nelson all of Clewiston.

Mrs. Joy Hunter and Cindy of Waynesboro, Tenn.; Mr. and Mrs. Earnest Bennett, Judy and Lisa and Mr. and Mrs. R. E. Hardesty and son, all of Sarasota; Mr. and Mrs. R. E. Soward and family, Bradenton; and Mary and Trisha Raczkowski, Naples; and Don Raczkowski of Naples, who attended 11 years in school here.

MEMBERS OF THE "Old Settlers Association" met October 8 in the board room of the Chamber of Commerce. Pictured above making plans for the up coming annual dinner and meeting to be held at Fellowship Hall of the Union Congregational Church on Saturday Oct. 23, are left to right: Reverend Herbert D. Graetz, president; Grace Bonee, treasurer; Jack DeLaney, Vice president; Mel Bass, chairman of annual meeting; Cora Wray, Historian and taking the picture, Eloise Sharpe.

Old Settlers Hold Board Meeting

The executive board of the "Old Settlers Association" met Friday morning, Oct. 8 in the board room of the Chamber of Commerce building. President Herbert D. Graetz called the meeting to order, with six members present.

Among things discussed were: The steps to be taken to create a banstand museum; membership cards; with most of the meeting spent on finalization of plans for the up coming annual dinner and meeting to be held in Fellowship Hall of the Union Congregational Church on Saturday, Oct. 23, 12 noon.

At the annual meeting there will be a panel of old timers, on events and people in Avon Park 50 years ago. Mrs. Wray will have a display of old pictures of Avon Park people and places.

All citizens who have lived in Avon Park for twenty years, or more, are urged to make plans to attend the annual meeting and to enroll as members of the Old Settlers Association. Bring a covered dish and your own table service and join in the reminiscing.

Mrs. Maxwell will send cards to old timers living out of town, notifying them of the up coming celebration. All other are to be notified and invited by means of the "Avon Park Sun."

President Graetz appointed Grace Boney and Eloise Sharpe on the nominating committee.

Present at the meeting were: Reverend Herbert D. Graetz, Jack DeLaney, Mel Bass, Cora Wray, Grace Boney and Eloise Sharpe.

The eighth grade players on the eighth and ninth grade Avon Park football team took on the Okeechobee junior high team in Okeechobee last Tuesday night a week ago and came out on top by a score of 20-0 to remain undefeated.

The first AVon Park touchdown came in the first quarter when halfback Timmy Massey ran the ball over from about 25 yards. The try for the extra point was an attempted pass that quarterback Jerry Robinson never got off.

Later in the game Massey scored again on a run and then ran the extra point to put the little Red Devils out front 14-0. Massey is now the leading scorer with 20 points.

The last Avon Park score came on a long pass in on the 20 and outran the Okeechobee defense for the six pointer. It was the second TD for Hicks and his 16th point of the season.

Next Tuesday night the eighth and ninth grade boys will go to Lake Placid for a return match with the Baby Dragons.

Families Here To Take Part In Survey On School Enrollment

What is the school enrollment in the United States this fall? Thomas W. McWhirter, director of the Bureau of the Census Data Collection Center in Atlanta, announced today that a number of households in this area will help to provide the answer when they are interviewed by Census Bureau representatives, Mrs. Christine Oates and Mrs. Dorothy L. Lyon, during the week of October 18-22.

The questions on school enrollment and related subjects such as living arrangements of college students will be in addition to the usual ones asked in the monthly survey on employment and unemployment conducted nationwide by the Bureau for for the U.S. Department of Labor.

The October 1970 survey showed that 60.4 million persons from ages 3 to 34 years were going to school, from nursery school to college. This was 56 percent of the U.S. population of the 29.3 million in this age group not enrolled in school, 27 percent were high school graduates.

The monthly survey of the labor force provides a continuing measure of economic conditions in the country. The August survey found that both employment and unemployment had risen, as the labor force increased sharply. Unemployment, on a seasonally adjusted basis, edged up to 6.1 percent of the labor force, from 5.8 percent in July.

Information supplied by individuals participating in this survey is kept strickly confidential and results are used only to compile statistical totals.

Husband Of Former Resident Dies In Texas

H.B. McClung, Jr., 47, died Friday, Oct. 8, in Houston, Texas. Burial was in Houston on Oct. 9.

ROTARY CLUB NEWS

BY BOB GAY

John Morris talked to our club on "No Fault" insurance. WE find that some attorneys are not even aware of the implic[illegible]s, facts or the actual wording of the Statute. Franklyn Ward introduced John who gave us a very timely and interesting "Classification" talk.

Born and raised in Illinois, married with two daughters, and having been in the insurance for business for 20 years. Johns talk was followed by a question and answer session developing many interesting sidelights.

Some of the interesting features are: 1. The seriously injured collects promptly. 2. Minor injuries collect actual economic losses. 3. persons who share fault will now be paid. 4. automobile insurance is made more efficient and hopefully less costly by eliminating the cost of establishing fault. Applicable after January 1, 1972 the law applies to private passenger automobiles in business.

First all hospital , Doctor and dental bills are reimbursed as incurred, second loss of income is reimbursed, third, a funeral allowance is included for death cases.

During the question and answer session some interesting hypothetical questions were raised that posed complex and unanswerable situations that will need clarification as we proceed under the new law.

FOLLOWING HIS EXPLANATORY talk on the "No Fault Insurance" Bill recently passed by the Legislature, John Morris receives congratulations from Bob Gay and Hue Nunnallee. Photo by Lew Miller.

RUTH ROBINSON

Welcome back to our friends and neighbors, Mr. and Mrs. Rowe Weller (Lavina) from Oil City, Pa., with guests, Mrs. N. A. Faller and her son Raymond Faller also of Oil City. They arrived the 6th of October and will return to Pa. about the 25th of October. They stopped in Fayetteville, N. C. on the way down to call on a nephew, and are going to Disney World as well as other points of interest before going North. They will return for the winter season about the first of the year.

Mr. and Mrs. Herman Young arrived on Thursday afternoon from Swan Lake, near Allegan, Mich. and reported that Floyd Stevens is making good progress in health. Mr. and Mrs. Kellie Larrew also returned from Windsor, Ill. on Friday evening.

Mr. and Mrs. Orval Marshall will be unable to return to Florida, but they will always be in our hearts as wonderful warm friends and loved ones.

Last Tuesday evening, there were 19 park residents who participated in congenial but competetive "Party shuffle" with refreshments. The "Blacks" won with a total of 588 points to the 535 points rolled up by the "Yellows" and enjoyed their treat at half price. It was a toss up whether the shufflers or the rain clouds would finish the three games planned. Fortunately the rains came late two minutes to finish time. It was an enjoyable time for all.

There is a pot luck dinner also in the plans. Remember the third Thursday in October the 21st at 6 p.m. in the evening at the Recreation hall. Bring your own service, drink and covered dish, and make this a good turnout.

Mr. and Mrs. Robert Duthie, Mr. and Mrs. Louis Hacker, Mr. and Mrs. John Wolf and Mr. and Mrs. Ora Myers attended an Indiana picnic at noon on Sunday. It was held at the Campground Pavilion in Highlands Hammock State Part with 105 "Indianians" attending; mostly from Elkhart County. A congenial and interesting time was had by all in spite of the rain, knowing how badly it is needed.

Mrs. John Skuce expresses her sincere appreciation for the many cards, letters, flowers, visits and prayers of her dear friends during her recent illness. Mr. and Mrs. John Skuce, Mr. Buckley (John's Uncle), Mrs. Mae Dupuis (sister of Mr. Buckley) went to Winter Haven for a shopping trip and also had a delayed celebration of John's birthday with Mr. and Mrs. EarlFurbish, Melodie and Melissa.

Guests this week of Mr. and Mrs. Walter Coady were Flo's sister, Mrs. Doloria Lemoine and Mr. and Mrs. Rudy Courtemanche, all of Norwich, Conn. On Tuesday they all went to see Walt Disney World, taking a guided tour thru the Magic Kingdom, enjoying the beautiful and fascinating sights of the Haunted Mansion, Country Bear Jamboree, Tiki Bird House and It's a Small World, plus many other attractions included in the tour. They reported, that even on a very hot day it was well worth it; also that the 20,000 Leagues Under the Sea and the Polunesian Village will soon be added attractions.

Guests at the Arthur Fouty Home this past week were, Mr. and Mrs. Howard O'Leary and daughter, Miss Opal O'Leary from Hooker, Oklahoma; also Mrs. Cora Allen from Gravette, Ark.This was their first visit to Avon Park. They said they were very impressed at the friendliness of the people. Also the courtesy which they received from the sales ladies in our stores and the waitresses in our eating places. Miss O'Leary was the driver and she was also impressed with the courtesy that she received from our Florida drivers. Mrs. O'Leary and Mrs. Allen are younger sisters of Arthur, and the Foutys were very happy to have these folks with them and assured them that they are always welcome. May this loving and friendly spirit prevail in our hearts, always.

NITA AND JIM RITCHIE

New Tours Offered This Season

Residents and visitors in Avon Park and surrounding areas who like to get away for a "change of scene" for a day or longer, will have many opportunities to do so this Autumn-Winter Spring Season.

Nita and Jim Ritchie Tours of 102 Southland Trailer Court in Avon Park, an escorted group tour service of the Ridge Travel Agency in Sebring, will offer a one day motor coach tour twice a month starting in November to various points of interest in Florida including Everglades National Park, Rainbow Springs, Kennedy Space Center and of course Walt Disney World.

Longer tours include a two days Bus & Boat tour to the Florida Gold Coast, sightseeing Miami Beach and Ft. Lauderdale by boat; a five days Bahamas cruise visiting both Nassau and Freeport, and the feature tour of this season, a gala 13 days all jet tour to the four major islands of Hawaii.

This "Happy Hawaiian Holidays" tour departs from Avon Park, Feb. 10th. The return flight from Honolulu to Los Angeles will be aboard one of the new 747 Jumbo Jets. Hawaii is the one vacation area that just about everybody wants to visit during their lifetime, and those who have been there want to return.

Nita and Jim Ritchie started their personally escorted group tours from Avon Park two years ago (1969-70 season) with a total of 37 passengers booked on two cruises. Last year (1970-1971 season) they escorted a total of 268 group members on two cruises, five one day tours and a three days motor coach tour to Key West. This year (1971-1972 season) a total of twelve one day tours, one cruise, one motor coach tour of two days duration, and the Hawaiian Tour have been scheduled.

To date nearly 150 bookings have been received for this season's trips, resulting in an early sell out of two tours. They expect to entertain between 350 and 500 tour guests this season, and will schedule additional tours when necessary.

The personal touch is something everyone who travels for pleasure appreciates, and Nita and Jim have planned all their tours with this in mind. They personally escort each group, and have been to all the places visited on their trips. They have good friends at many of these places and their tour groups always receive red carpet treatment. Ladies traveling alone particularly appreciate this escort service, enabling them to enjoy travel with all details, baggage handling, etc., taken care of for them.

Walt Disney World is open and surely just about everybody will want to visit the "Magic Kingdom" at least once this season. One day package tours will be offered the fourth Tuesday of each month and include all the essentials for a wonderful day including special, chartered Greyhound tour coach with reserved seats, unlimited transportation within Disney World, admission and choice of seven rides or attractions. There are no driving, traffic or parking problems, either. Tours leave Avon Park at 9 a.m. and return about 5 p.m. Advance seat reservations are required as early as possible.

All ground transportation on Ritchie Tours is by Greyhound Scenicruiser tour coaches, air conditioned and rest room equipped, with experienced, courteous Greyhound drivers. Air transportation is by regular scheduled airlines. No air charters or supplemental air carriers are ever used. Overnight accomodations on motor coach tours are at Holiday Inns wherever possible. Tours in connection with ship or air travel will include special, chartered motor coaches from Avon Park direct to ship side at Miami, or Tampa International Airport and return.

This season all tours will start from the downtown terminal at the Jacaranda Motor Hotel, Main Street, Avon Park. Free off street parking is available nearby for one day tour patrons.

Please check the weekly ads in the Personal Column of the classified pages of this newspaper for dates of tours on which space is available. The number to call for free literature and full information is 453-5560.

Hunters Asked To Look Out For Sick Birds

Sportsmen are asked to be alert for signs of sick or freshly dead wild turkeys and to report all sightings of such birds to the Game and Fresh Water Fish Commission.

According to the Commission, late summer and early fall is the time of year that wild turkeys are most likely to show symptoms of several types of disease or heavy parasite infestations.

A sick or freshly dead bird may indicate the presence of a disease, and immediate action could help check a serious outbreak if discovered in time.

Commission wildlife biologists working with the Department of Veterinary Science at the University of Florida indicate that much more study is needed to understand the influence of disease on wild turkeys.

Information about sick or freshly dead turkeys should be provided to either the nearest wildlife officer or Commission office. The informations will, in turn, be forwarded to the wildlife research office at Gainesville.

Boomtime Tax Burden For County

Highlands County Commissioners, in an effort to slow the soaring cost of health insurance, are seeking new bids on employees' insurance.

In a special session Monday night the board reviewed bids received at the regular meeting on Sept. 21 and elected to ask new quotations on a modified package.

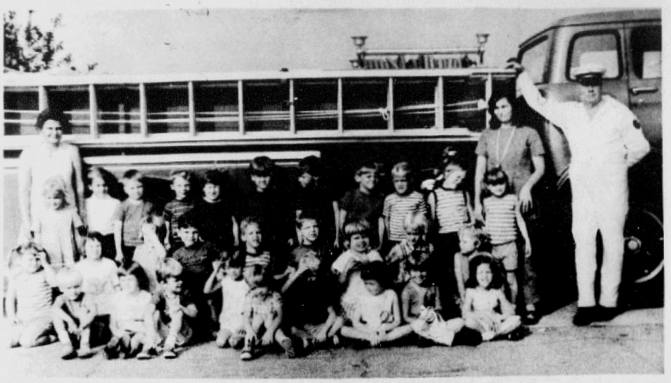

Major change contemplated is the provision for "front-end deductible' probably $25 per illness.

The commissioners pay 100 percent of the health insurance premium for county employees. If employees choose they may, at their own expense, purchase family coverage with the benefit of the group rate.

At the meeting last week freshman commissioner Norman "Jug"Heston observed, "The rates quoted went up 35 to 38 percent over last years. Is it like this every year?'

Deputy Clerk Jim Pyle explained that some type of group insurance has been available to county employees since 1965 "and the rate has increased every year.'

Agent present at the meeting observed that group insurance rates has been climbing "about 20 percent a year to meet rising medical cost.'

The Magic Door

The sign on the door said, "Speak your request and anything good that you ask for will be given to you."

The young man was skeptical and said nothing while he read the second sign: "Come inside and you will find what you are looking for."

He wondered, "How do they know what I want is behind that door?" But he read the final sign, which suggested, "Knock and the door will be opened to you."

"Probably a trick," he thought. "I'm not going to make a fool of myself." He left that magic door shut tight.

What would you have done? Do you think the messages on the door might be reliable? Would you trust them enough to try the door once?

The Arabian Nights tales tell of a door that opened to the call, "Open, Sesame," and revealed wealth inside. If you stood at that cave door, would you venture one shout of "Open, Sesame"? Perhaps you're too afraid of being tricked, and looking stupid, and getting teased.

Too bad. Because there is a "magic" door. But it opens only to those who think it will. It's not because they think it will that it opens. The door is prayer, access to God, and God opens it to those who decide to trust Him.

Try It

Many people have tried the door confidently and gone through it to God. Many more are afraid of looking foolish.

But be fair; if one of your friends who cannot drive tells you not to try to drive a car because it's too difficult, while another friend, who drives, says you can do it, whom will you believe? Doesn't the testimony of one experienced person who says that a plane will fly outweigh the words of thousands who have never flown who fear it won't?

Try the door. Ask God for something which is good, in His values. See what happens.

The inside of that door says, "Everyone who asks receives, and he who seeks finds: and to anyone who knocks it will be opened." (Matthew 7)

Trust the Lord

Here is the testimony of many believers:

"I will praise God always. His honor shall be continually in my conversation. My life shall declare its confidence in God, and humble people shall hear about this and be glad. Praise the Lord with me. Let's exalt His name together.

"I called to God and He heard me and delivered me from all my fears. Others also have looked to Him and were enlightened; their faces showed no shame. This poor man cried, and the Lord heard and rescued him out of all his troubles.

"The angel of the Lord builds a camp around those who trust Him, and he delivers them.

"Yes, taste and see that the Lord is good. Happy is the man who puts his confidence in Him.

"Yes, trust the Lord, you whom He has chosen. For there is no lack to them who trust Him.

"Young lions may lack food and suffer hunger, but they who call on the Lord God shall not be without anything that is good."

(Psalm 34)

Workmen's Compensation Law May Affect County Farmers

Significant changes in the Workmen's Compensation Law may affect some Highlands County farmers, according to Leon Tolar, service agent for the Highlands County Farm Bureau.

The changes, made by the 1971 Florida Legislature and the State Department of Commerce, will become effective the first of next year.

Tolar said it will now be necessary for a farmer to carry workmen's compensation insurance if he has more than nine regular employees on his payroll or if he uses more than 19 seasonal employees at one time in certain instances.

"Previously, farmers were exempt from carrying workmen's compensation unless they wished to do so voluntarily", said Tolar. He noted that Employer's Liability coverage, previously carried by many farmers, is no longer valid and that workmen's compensation will have to be substituted.

Tolar also pointed out that corporation officers or other farm personnel not classified as farm laborers can no longer sign waivers electing to not come under the Workmen's Compensation Act.

"Workmen's compensation will now be required if a farm corporation has more than two corporate officers, office personnel, truck drivers or other types of employees not classified as "agricultural labor" under the law," Tolar said.

"Farm Bureau has fought for 20 years successfully to keep the farmer exempt from workmen's compensation laws, and has literally saved the farmers of Florida hundreds of thousands of dollars over the years," Tolar said, "but this new law is one we think we can live with."

Tolar said he will be glad to try to answer any detailed questions on the subject if contacted at the Highlands County Farm Bureau office.

HOLIDAY

Oct. 15 will be a holiday for students and a work day for faculty.

COLLECTIONS UP

Sales tax collections in Highland county for August of 1971 took a 21.16 per cent jump over August of 1970. Collections totaled $161,870.78 this past August compared to $133,596.39 a year ago.

MISS RUTH CULLY

Bible Society Officer To Visit Here

Avon Park will be honored by the presence of a national officer of the American Bible Society on Monday, Oct. 18 at 10 a.m. in the Fellowship Hall of the Union Congregational Church, a meeting open to every interested person. Miss Ruth Cully, a personal friend of Mary Jean Adams (who runs the Horn of Plenty) is the Director of Distribution Projects, Women's Department of the American Bible Society. Miss Cully's office is in Philadelphia, allowing her to serve also as executive secretary of the Pennsylvania Bible Society.

Students of all ages and nations are a special interest of Miss Cully. Prior to joining the A.B.S. she was assistant to the director, office of international services at the University of Pennsylvania and a member of the National Association of Foreign Student Affairs.

Junuor high students were her concern as Miss Cully taught in Columbia, S. C. for two years; then she taught senior high students for a year in Norfolk, Va., before joining the teaching staff st the University of Pennsylvania. Her own academic background includes a B.A. at Wheaton College, Wheaton, Ill, in 1960 and advanced study at the University of Pennsylvania.

Miss Cully, a member of the United Presbyterian Church in the U.S. A. will be present both at the Congregational Church, where a "Coffee" will be served and a nursery provided-all to be over in time for lunch, and also at Lake Byrd Lodge during October 19-21 for the Florida Women's Fellowship annual meeting.

Most Christians are interested in the distribution of scripture to those who do not have a change to read it or wouldn't make the occasion to read scripture unless it were presented to them. This is an excellent opportunity to hear first hand what is being done in the distribution of Bibles and scriptures portions nationally and internationally. Spread the word that a dynamic young woman will be in Avon Park to share how you have a part in spreading the word.

Avon Park And Sebring B Teams Battle To 0-0 Tie

The Avon Park "B" team couldn't generate a scoring drive last Thursday night in Sebring and had to settle for a 0-0 tie with the Blue Streak jayvee squad to make the season record 1-1-1.

Tonight (Thursday) the Devil "Bees" will be at home again hosting the Lake Placid Green Dragon junior varsity with kcik off scheduled for 7:30 p.m. Coach DeWayne Lemler's boys hope to get back in the win column this week.

The second half of the game in Sebring was played in a heavy rain part of the time and the wet field and the slick ball kept both teams in trouble.

Jr. High Team Wins Game

The Avon Park eighth and ninth grade football team made it four straight last Tuesday night at Memorial Field when they handed the Sebring junior high team a 20 - 0 defeat.

Devil halfback Leonard Green scored Avon Park's first touchdown in the first period when he ran the ball in from about ten yards out. The try for the extra point was stopped short but the little Devils led six to nothing.

Quarterback Jerry Robinson scored the second T D running it into the end zone on a keeper play The final Avon Park score came on a run by halfback Timmy Massey and the hard running back also went in for the two point conversion to set the final score at 20 - 0. It was the third game out of four that the junior high boys have won by a 20 - 0 score.

Next Tuesday night the Devil eighth and ninth graders will go to Lake Placid for a return game with the Green Dragons. The following week they will close out the season here against Okeechobee.

OFFICERS OF THE Future Homemakers of America met Monday, Oct. 11, in the new home economics department for a planning meeting. Pictured above left to right, around table are: Bobbie Newton, vice pres., of work; Cindy O'steen, treasurer; Lani Newton, president; Joy Criner, advisor; Dee Dee Jahna, secretary; Susan Sisemore, parlimentarian; Conna Ford, vice president of public relations; Jeanine Haywood, vice pres of recreation: not pictured is Janice Turnbull, president elect.

THIS SEVENTH GRADE class from Avon Park Middle School has visited several locations around the city recently. This picture was taken last Thursday in front of Avon Citrus Bank. They have also visited the post office, city hall, the police and fire stations, and the telephone company. These class trips are taken as a part of the social studies and language arts classes. Front row, left to right: Darrell Cobb, Joe Carr, Ben Dukes, Antonio Walker, Algin Miller and Phil McCullough. Second row: Annie Nelson, Mary Fogle, Margie TAylor, Al Woodard, Terry Ellis and Ruby LaMay. Back row: Mrs. Barbara Richardson teacher, Linda Loyd, James LaMay, Shawanda Hicks, Robert Nelson, Tony Knight, Robert Crawford, Mrs. Andrea Albritton, class aide.

Criminals Better Be Aware In County Area

If during the first six months of this year, someone burgled your home or otherwise committed a crime against you, you were lucky if you lived in Highlands County.

For the chances of the guilty party or parties being arrested was better here than practically any other part of Florida. The six months report, January through June, showed Highlands County ranked eighth in their clearance rate, a whopping 47.7 percent of cases solved with arrests.

In Dade County, which has the worst crime rate in the country, the clearance rate was 18.2 percent. During the six months, 151 felonies were committed here and handled by the office of Sheriff O. L. Raulerson, Jr.,

SFJC Panther Basketball Team Begins Practice

South Florida Junior College Panthers basketball team have been working hard in an effort to be ready for the November 9 opening game against the Avon Park Bombers from the Avon Park Bombing Range.

Some 17 candidates reported and the squad is now down to 13. Returning from last years squad are:6'6" Kim Malcolm, 6'5" Robert Forte, 6'0" George Heine, 5'10", Mike Maddox and 6'3" Joe Battles. Battles will be considered a freshman with another year to go as he played in only two games last year and Walter Scott 6'1" and Jerry Austile 5'10".

Newcomers working for a starting position are: 6'3" John Stephenson, 6'5", Steve Bond, 6'4", Wilmon Edwards, 6'2" Mike Herbert, 6'2", Donald Simmons and 6'2" Joe Franza.

The Panthers will be back in Division III and will compete with the following schools for one of the two state berths from division III: Manatee Junior College, St. Petersburg Junior College, Florida College of Tampa, Hillsborough Junior College, Polk Junior College, Valencia Junior College of Orlando, Lake Sumter Junior College of Leesburg and Brevard Junior College of Cocoa.

Mrs. Shepherd In Accident

Mrs. Erna Lewis Shepherd of Lake Byrd, is in fair condition at Walker Memorial Hospital following a car truck accident which happened early Monday afternoon at W. Winthrop and Anoka Streets.

According to police reports Mrs. Shepherd ran the stop sign and was hit by a county truck, driven by Richard Luther Skinner.

HAL McRAE, who plays left field for the Cincinnati Reds major league baseball team, is pictured with his parents, Mr and Mrs. Willie J. McRae, 324 Castle St., Avon Park. Hal visited his parents last Friday and attended the football game between the Avon Park Red Devils and the Hardee County Wild Cats. His brother, Leon McRae, and nephew, James Walker, play on the Red Devil team. Hal, in his second season for the Cincinnati team, finished with a 264 batting average, hit nine home runs. 25 doubles, two triples and batted in 34 runs. He was an all around athlete for E. O. Douglas High School in Sebring. He picked the Baltimore Orioles to win the World Series in six games. Hal played against Baltimore last year in the World Series. Hal and his wife, Johncyna and son, Brian make their winter home in Bradenton.

Billy Cannon Elected Head Of Farm Bureau

The Highlands County Farm Bureau board of directors in their September meeting elected W.R. "Billy" Cannon of Lake Placid, as president for the year 1971-72.

Cannon, a life long resident of Highlands County, has been actively engaged in agriculture for many years, and presently is citrus production manager for Eugene Griffin Groves; agricultural business represent for First Bank of Lake Placid; manages his personal citrus groves, and grows and ships caladium bulbs. He is a member of the board of directors of Highlands County Farm Bureau, a Kiwanian, member of Highlands County Sheriff's Rescue Unit, member of Highlands County Zoning Board, director of Chamber of Commerce of Lake Placid, and a member of the Florida Bankers Association Citrus Advisory Committee.

Cannon's prime objective this year is to familiarize all of the Farm Bureau members with the services available to them and to urge them to utilize these services. "Farm Bureau belongs to the membership, and only when individual members utilize our commodity and legislative programs are they getting full advantage of what Farm Bureau means to them and agriculture." Cannon said.

The Highlands County Farm Bureau is the county's largest organization representing 586 agriculture families. Mr. Cannon is married and the father of three children.

SHUFFLING

On Wednesday evening with 7 courts in play they played one game, then it started to rain.

Thirty eight folks turned up to play on Saturday evening, so there were 9½ courts in play. Bernice Long and Eva Chamberlain won in the main with Henry Barnett and Charles Romilly the runners up. Howard Long and Doc Fields, after a long hard fought battle, won in consolation and Dorothy Wilde and Etha Larrew came in second.

CARD GAMES

High score winners on Monday and Friday afternoon were Fred Hughes 582, William Trapp582, Frieda Steen, 621 and Fred Hughes 617. This was in pinochle.

SATURDAY EVE SUPPER

Eleven folks 5 from New York, 2 from Ohio, 3 from Indiana and one from Alabama, sat down to a lovely supper on Saturday evening. Hallie Wetmore returned thanks. Everyone reminisced about their summer happenings.

Host and hostess for the supper on October 16 will be Mr. and Mrs. Foster McNeil.

NEWS OF THE WEEK

It has been learned that Ernest Hart of Greenville, Ohio died of a heart attack on October 8.

Lillian and Maurice Brevoort have returned to Avon Park for the winter, after a pleasant summer in Wake Forest, N. C.

Kellie and Etha Larrew spent the summer in Windsor, Ill, but is back in Avon Park for the Winter.

Clay Kull reports that 79 have signed up for membership in the Tourist Club.

Floyd Stevens has been released from the hospital, and is recouperating at his home at Allegan, Mich. They plan on flying south to spend the winter in Avon Park very soon now.

In a letter from Audra Cole in Cambridge, Ind., she says how much they miss their good friends of the Winter Guest Club, and how they would like to join us again. But she and Horace are unable to make the long trip, although they are both quite well now, after a bout this summer in the hospital, for both of them.

Horace has a shuffle court and they play on that and have fun. They enjoy the news of their friends in the SUN.

W. J. Mitchum To Be Featured Speaker at Stockholders Meeting

The annual stockholders meeting of the Federal Land Bank Association of Wauchula will be held Wednesdaa, Oct. 27, in Sebring at the Sebring Elks Club. The meeting will convene with lunch served proptly at 12 noon by the Elk's Club caterers, with the business session immediately following.

Featured speaker for the meeting will be W. J. "Red" Mitchum of Ocala. Other events include the annual report on association progress by Charles L. Shackelford, Manager, and the election of two directors.

Following the speaker, a drawing for door prizes will be held for all members and guests attending the meeting. The grand prize, a portable television, will be limited to stockholders only.

Directors of the Federal Land Bank Association of Wauchula are R. P. Dunty, Jr., Lake Placid, president Jack Cliett of Wauchula, Vice President; Irven Locklar of Bowling Green; Herman Burnett of Bradenton and Edgar Davis of Wauchula. The Association makes long term farm loans to farmers, growers and ranchers in a nine county area, with a loan volumn of over $44,000,000. The Association is entirely owned by its borrower members.

Notes On Helping The Handicapped

Friday, October the fifteenth will be a vacation day for the clients in the Work Center and the children in the Developmental Training Program will not be at the center. A staff Development Day is scheduled and staff members will be conferring on methods and means for improving their managements and services.

-0-

Two volunteers are now giving time at the Work Center. Mrs. John Ramsey has come in to help with upholstery and Mrs. Bertha Richardson has been helping with patch work pillows. Several of the volunteers at the Resale Store have been doing mending of sweaters. Our sincere appreciation to all who give to us of their time and energy.

-0-

Out motto of the month at the Work Center: First Things First-Quietly and quickly.

-0-

Personal Adjustment Training (PAA) is one of the most important phases of instruction and practice that each client experiences in his ealy weeks at the Work Center. In next weeks column we will elaborate in some detail on need for and the aims of this trainning

This week we want to tell you of a small success! We have instituted our version of Weight Watchers- several clients have need of this encouragement. At the end of our first two weeks one client weighed in at nine pounds less than the original weight registered. By little steps we learn to walk; Word by word we learn to talk; and pound by pound we lose our xcess weight.

Amazing Patented Discovery

(Not an Electronic Hearing Aid) Offers New Help for Some Cases of

Nerve Deafness

World's Only Tuning Fork Activated Hearing Device

US Patent No. 3394698
Send for 12 Page Illustrated Booklet

- No Increased Background Noise
- All in the Ear Cavity
- No Wires or Tubing
- 5 Year Warranty
- NoBatteries
- No Operating Expense, ever

Weighs Less Than 2 Aspirins

Less Expensive and more Comfortable to Wear than a Battery-type Hearing Aid

Here is news of vital importance to everyone who has any difficulty in understanding speech . . . such as in conversation, or in groups or while riding in a car, listening to TV, hearing in meetings, church, on the job etc.

The Hush-Tone "Speech Clarifier," a revolutionary, patented discovery, was developed especially for those who are not deaf, for those who do not need or cannot use an electronic aid and for some who were advised by their doctor that such an aid will not help.

Hush-Tone does not help everyone with a hearing problem — the important thing is — it may help you!

Especially helpful to those who have been exposed to NOISE — whether on the job or in service.

NEW DISCOVERY MAKES MILDEW DISAPPEAR...

"MILDEW" what a constant problem for Florida homeowners who take pride in the appearance of their homes.

Professional Formulas, a rapid growing chemical company in Tampa, has come up with another amazing, economical and work saving product.

Professional Formula Mildew Killer makes mildew covered areas come clean quickly and easily. The homeowner who has black mildew around the eaves of the house will be greatly surprised after he has sprayed on Professional Formula Mildew Killer. To his amazement he will find that once the treated area has dried, that the mildew has vanished.

Any kind of vinyl top will sparkle after being cleaned with Professional Formula Mildew Killer. Shower curtains and stalls will look great after being cleaned with this amazing product.

Professional Formulas puts out another amazing product called All Purpose Cleaner.

This is the most effective, economical and effortless cleaner a housewife has ever used and Professional Formulas can prove it.

Professional Formulas has been making this cleaner in drums for factories in the bay area for years. There hasn't been an industrial cleaner used by local factories yet that can out clean Professional Formula All Purpose Cleaner, so imagine Mrs. Housewife, the effort and time this amazing product will save you. Professional Formula All Purpose Cleaner will amaze you whether your problem is love bugs, greasy motor, soiled whitewalls and vinyl upholstery or stubborn dirt on terrazzo or tile floor or woodwork, ovens or whatever cleaning problem you may have. If you have drainage problems buy Professional Formula Drain Cleaner. This product is sold to local plumbers, restaurants, motels and other businesses with tough drain problems.

If you have stubborn stains in your toilet bowl or tile and grout try Professional Formula Bowl, Sink, Tile & Grout Cleaner. Rust stains will disappear almost instantly.

Do your pocketbook and your back a favor—try one of these true industrial strength products.

Halloween Parade-Carnival Discussed at Junior Woman's Club

The regular meeting of the Junior Woman's Club was held Tuesday, Oct. 5, at the clubhouse and called to order at 8 p.m. by the president, Eileen Martin.

Devotions and the "Pledge to the Flag" was led by Charlotte McDaniel. The program for the evening, was "The Trip Back", a film on Florrie Fisher's story (her wasted life while on drugs) was presented by Mrs. Frances Walton of United Telephone Company.

Sharon Heard was appointed to fill the remaining term of Parliementarian, which was previously held by Cheryl Guerndt Dunning.

Janet Willis gave a report on the club's sponsored patient at Sunland Training Center in Fort Myers.

Bobbie Wisdom, chairman for the "Mothers March of Dimes," announced that a group of girls from the county's three clubs had been invited to visit the Shane Teaching hospital in Gainesville.

Madie Landress presented dates that the gym would be available for the club's basketball game with the Lions Club.

The final business of the meeting was the discussion of the upcoming Halloween parade headed by Myrtis Guerndt and Janet Willis; and the carnival, headed by Lois Sachsenmaier and Karen Boyer. New booths this year by the club: Shaving the balloon; shooting out candles with water guns; the ever popular cake walk and presenting this year the spookiest spook house ever.

There will also be a prize of a stereo tape player, for guessing the correct number of beans in a jar. The Lions will have their barbecue chicken dinners; the "Band Parents Association" will have coffee, pronto pups and other good eats for the tummy and the popular "Dixie land band" will provide good entertainment. Lots of other concessions, games, etc. are being lined up by other school and civic organizations.

Any school or civic organizations that has not been notified, but are interested in putting a booth in the carnival, please contact Karen Boyer at 453-6232.

THESE WOMEN of the Junior Woman's club are displaying their handi work at their meeting Tuesday, Oct. 5. Each member made two posters to be placed in business establishments, telling of the upcoming Halloween Parade and Carnival on Saturday, Oct. 30, which is sponsored annually by the Junior Womans Club. Pictured above, left to right, Eileen Martin, president; Janet Willis and Sharon Heard.

THE AVONPARK Library received a treat, in the form of spooky reading this week when Sandy Mattox presented the book, Black Angels by Bruce Jay Friedman, to the librarian Estelle Fisher on behalf of the local Junior Womans Club. The book contains 16 stories, and provides comic as well as spooky reading. The spooky season is upon us; the Junior Women want to remind us and they hope you will attend the festivites on October 30, beginning with the annual parade at 3 p.m.

SELLING CANDY

The Avon Park High School is selling chocolate candy this week. The money will go toward buying blazers for the entire glee club.

Avon Park Lakes News

CYNTHIA T. CALVERT — Ph. 453-6532

Miss Pearl Reinheimer and Mr. William Reinheimer returned to the lakes Friday from a three weeks trip to Illinois and Missouri.

Mr. and Mrs. Alfred Behrman from West Hempstead, Long Island, New York arrived last Saturday to visit his brother and sister in law, Mr. and Mrs. Cyril Behrman. They plan to make their future home in Florida and have purchased a home in Sebring Country Estates and will move there soon. Mr. Dan Boedeker from Miami stopped for a visit with Mr. and Mrs. Frank Alley before leaving for a trip north. Mrs. Adrian Zuhkle entered Walker Memorial Hospital last week on Sunday and had to undergo surgery on Friday. She is reported as doing satisfactory.

Mr. and Mrs. Walter Niersteimer and Mr. Paul J. Calvert attended the Scottish Rite Dinner at Griffins Restaurant last Wednesday night.

Mr. and Mrs. Orville Castine returned home last Wednesday from a two weeks trip to Connecticut. Mr. Earl Castine accompanied them and the men went to New York for a visit.

The Patriot Chapter of the DAR met Monday at the Florida Power Lounge. Mrs. Charles Balding, Mrs. Elmer Hurst, Mrs. Albert Schutt and Mrs. Arline Lane were hostesses for the meeting.

Mr. and Mrs. Nate Gay from Sarasota were dinner guests of Mr. and Mrs. Wayne Welker last Sunday. Twenty six ladies and guests attended the regular monthly salad bar luncheon held at the club house last Thursday, Mrs. Walter Beach, Mrs. Thomas J. Moroney and Mrs. Leonard H. Porter were hostesses for the luncheon. The ladies of Avon Park Lakes will have a Flea Market in back of the club house on Thursday November 11th from 11 a.m. to 5 p.m.

Mr. and Mrs. Albert Schutt returned to their home at the lakes from a four months trip to Wisconsin and Illinois, last Saturday.

Mr. and Mrs. Scott W. Starr returned to their home last Sunday from a vacation trip to Carolinas, Virginia, Pennsylvania and New York. Enroute home they visited relatives in Ohio.

Mr.Earl Castine left last Monday for his home in Visalia, California after visiting his brother and wife for several weeks.

We are sorry that Mrs. Lynn Magill moved away from the lakes last week as we have been friends for many years, but hope she will be happy in her new home in Brentwood Mobile Home Park.

The regular monthly pot luck house on Thursday October 21, 1971 at 6 p.m. A program is planned later.

Mrs. Elizabeth Winkler accompanied Mrs John Kern from Kissimmee on a trip to Arlington, Virginia and to Astoria, Long Island, New York. She visited friends and relatives for four weeks and returned home last Monday. Mrs. Kern spent two days with her before leaving for her home in Kissimmee.

A dessert Halloween Party will be held at the club on Saturday, October 30th at 7 p.m.

Mr. Joseph J. Lynch returned home Sunday afternoon from a three weeks trip to Delaware, New York, Pennsylvania and Ohio where he visited friends and relatives. He arrived by plane in Tampa and was met by Mr. and Mrs. Paul J, Calvert.

A Tupperware party will be held at the club house on Thursday, November 4th at 2 p.m. after the regular monthly salad bar luncheon on November 4th.

We extend congratulations to Mr. and Mrs. George Burroughs who celebrated their wedding anniversary on Tuesday, October 12th.

Mr. and Mrs. Horace Hudson announce the birth of a 7 lb. 13 oz. baby girl on Friday October 8th.

Mrs. J. S. Carlisle returned home Thursday from Pittsburgh, Pennsylvania where she visited her family for several days.

CARD OF THANKS

We want to thank our many friends for the prayers, cards, food, flowers and expressions of kindness during the loss of our loved one. William E. (Ed) Albritton.

Mrs. Johnie Ruth Albritton and Family.

Scout Troop 160 To Go Camping This Weekend

Boy Scout Troop 160 met Monday evening with parents and adult leaders. The troop demonstrated some points in scouting, such as camping, patroling, knots, safety, activities and many other points of scouting.

They also discussed a fund raising campaign in order to raise money for supplies and camping equipment. They are looking forward to a weekend camporee at the Avon Park Bombing Range this Friday, Saturday and Sunday.
