Don Sisemore Honored By Sportswriters

Avon Park Red Devil senior athlete Don Sisemore has been honored again by the Florida Sportswriters Association. He was chosen for the first team of the Class AA Region IV basketball honor squad. Don made the top team along wth Arcadia's Anthony Stroman, Fort Meade's Bernard Rulse, Lake Placid's Bill Byrd, and Immokalee's Robert Richet.

Sisemore set all kinds of records at Avon Park during his four years on the hardwood court. He set the single game scoring record with a 44 point effort. He scored 1,967 points in four years of play in 93 ball games and hit 80 percent of his free shots to grab the best free shot percentage and the most free shots scored. Don played guard on the Devil squad that finished with 17-7 record for the season this year.

Two other Avon Park players were given honorable mention on the Regional Honor Squad. Senior Robert Lanzing averaged over 16 points per game this year to make the team and sophomore center and forward Nathaniel Packer led the team in rebounds withover 260 for the season and also was third high scorer with over an 11 point average per game.

DUO-PIANIST, WHITTEMORE AND LOWE

Duo-Pianist Will Present Concert At Middle School

Many people think that classical music is rapidly declining, but duo-pianists Arthur Whittemore and Jack Lowe cite their 25th year in partnership as evidence to the contrary. Presently at the pinnacle of their career, they will appear at the Avon Park Middle School auditorium Sunday, March 19, at 3:30 p.m. under the sponsorship of the Highlands Concert Association.

Whittemore and Lowe met at the Eastman School of Music, Rochester, New York, where both were students. They performed some seventy-five concerts in the United States and Canada last year, and they say that they were the first duo-pianists to talk to the audience during the program, explaining the works they were playing. They believe that part of their job is to interest young people in classical music in order to assure its survival.

A measure of the high esteem in which these two gentlemen are held is the number of great symphony orchestras with which they appear as soloists. Next year the Columbia Artists Management, Inc. will present them as soloists in appearances of the Dallas Symphony Orchestra.

In honor of their 25th anniversary they were recently given a party in New York City by the Baldwin Piano Company. It was attended by such personalities as Robert Merrill, Ethel Merman, Eleanor Steber, and Morton Gould.

The duo-pianists bring their own pianos to their concerts, and as Whittemore said they have literally "dragged two pianos around the world."

Crews To Serve On League Of Cities Committee

Malcolm Crews, City Clerk, City of Avon Park, was recently appointed to serve as a member of the 1972 Committee on Community Affairs of the Florida League of Cities by League President Dick A. Greco, Jr., Mayor of Tampa.

The Committee on Community Affairs is one of seven standing committees which encompass more than 150 elected officials in Florida. Serving on the 1972 committee will be 25 members under the chairmanship of Mrs. Vivien S. Rogers, Commissioner of Dunedin.

The committee was established to study and discuss matters of local legislation affecting the cities of their area with their local legislative delegation. The committee is concerned with providing municipal services to urban areas adjacent to municipaal boundaries, consolidation of services, improved annexation procedures, municipal incorporation, double taxation and other matters pertaining to cities.

The first meeting of all 1972 League committee has been scheduled during the Eleventh Annual Conference for City Officials and City Attorneys to be held following the close of the 1972 Legislature.

Wallace Swamps Foes In County

As Florida went - so went Highlands county - with a tremendous endorsement for Gov. George Wallace in the state's first Presidential Primary Tuesday.

The Democratic Governor from Alabama carried all but two precincts in the county, losing only to (Sen. Hubert Humphrey in Avon Park and Sebring colored precincts.

Highlands county Democrats put Humphrey a far-back second, Sen. Henry Jackson third, Sen. Edmund Muskie fourth, Mayor John Lindsay fifth, Sen. George McGovern sixth, Rep. Shirley Chisholm seventh in the field of 10. Wilber Mills, Eugene McCarthy, Sam Yorty and Vance Hartke ran in the cellar in that order.

Highlands county voters went along all the way with the rest of the state on all issues and candidates. They voted for a constitutional amendment to revamp the judiciary and an amendment to set up machinery to make loans to students.

Along with the rest of the state they voted on the straw ballot to amend the U. S. Constitution to prohibit forced busing. They voted on the straw ballot for quality education and for allowing prayer in public schools, the latter, overwhelmingly.

The two colored precincts in the county were the only ones to vote against amending the Constitution on the busing issue, but they voted for quality education. Only the Lorida and Venus precincts voted against the student loan program.

State-wide, with a majority of precincts in, Wallace with 514,772 votes polled 42 per cent of the vote. Humphrey, with 231,430, took 18 per cent; Jackson, 167,539, 13 per cent; Muskie, 109,461, 9 per cent; Lindsay, 81,075, 7 per cent; McGovern, 74,832, 6 per cent; Chisholm, 44,770, 4 per cent.

Biggest indicator coming out of the Florida election appeared to be the bucket of cold water dashed on the hopes of Sen. Edmund Muskie to coast into the Presidential nomination. As one national elections analyst put it "You can't call 10 per cent a winner." Muskie had 9 per cent.

A stern-faced, disappointed Muskie declared over TV Wednesday morning that "Wallace is a demigogue of the worst possible kind."

A jubilant Humphrey declared he "felt good with the results. Now we (Wallace and I) will meet head-on in West Virginia for a real test of strength."

An unsmiling Senator Jackson declared it was "disturbing victory for Wallace and the Democratic party is going to have to look for alternatives."

President Richard M. Nixon coasted to a landslide 87 per cent victory on the Republican side, defeating John Ashbrook and Paul McCloskey.

As a result of the election, Wallace will have 75 delegates from Florida at the Democratic convention, Humphrey six.

Highlands county returns (with about 100 absentee ballots uncounted) were: Chisholm, 98; Hartke, 14; Humphrey, 937; Jackson 813; Lindsay 320; McCarthy 23; McGovern 139; Mills, 37; Muskie, 446; Wallace 3,052; Yorty, 18.

On the judiciary amendment, 3,814 for, 2,034 against; student loans, 3,470 for, 2,336 against; the busing amendment, 5,217, for, 1,594 against; quality education, 4,647 for, 1,232 against; prayer in schools, 5,544 for, 1,113 against.

Council Acts To Solve Problem Near Railroad

The Avon Park City Council Held its first meeting of March Monday night in the city hall..

The first matter discussed was concerning the long controversial subject of property rights along Church Avenue and the railroad. Letters to and from the Seaboard Coast Line Railroad in regards to the dust problem on Railroad Avenue, the blocking of the West Walnut Street crossing and demolition of the old Roscoe Skipper packing house were read by Malcolm Crews, City Clerk. The letter concerning the dust problem was sent to the railroad by city attorney Jack Hancock on March 6, and has received no reply.

Crews contacted the railroad company concerning the blockage of Walnut Ave. and the demolition of the packing house. He received a reply stating the cars would be moved from the crossing and they stated they hoped there would be no more trouble. No reply concerning the demolition as yet.

Crews reported that work is under way on the new roof at city hall. When the old roof was removed, it was found that the metal decking had rusted out in about one-half its area. It was necessary to use some extra materials in order to complete the job, which amounted to an additional $500.00

In other action taken by the city council. Five applications for the position of Building Official were presented. A special meeting was set for Tuesday, March 28th, to interview all applicants.

Crews also informed the council that repairs are now under way on the city's water tanks. Additional repairs were necessary on the 150,000 gallon tank as approved by the inspector, which amounted to $979.00. Possible maintenance contracts were discussed by the councilmen, none decided on as yet pending further study.

Slover Coward and Samuel Steward appeared again concerning the opening of streets in the Tulane Subdivision. They stated the county might help them if the city is unable to, but hoped the city would since the city platted the subdivision and streets back in 1925. Mayor Robert J. Barben was against the idea, fearing the city would be biting off more that it could chew. He fears the city would be responsible to anyone that requests the city to open streets in a new subdivision.

Sammy Stuart, the building contractor for the project told the council, "It would be a big help to me if the city would open the right of ways;" Councilman Clarence King, stating the city had accepted the responsibility a long time ago said, "I don't see why we have to tell these fellows they have to do the whole thing" King said the city would prosper from the subdivision through water and taxes.

"I remember when the street was opened" stated Durrah Martin, "I used it with a horse and wagon of course."

King made a motion, seconded by Milton Howard, for the city to open the streets if the city can get the cooperation from the county to use their equipment. The motion was carried unanimously.

A motion was carried almost unanimously to accept the bid from the Shell Wrecking Company of Lakeland to clear the old U.S.O. and Theatre lots owned by Mrs. W. T. Connell. The bid amounted to $1050.00 including lots of Lonnie Ward at $300.00. King obstained.

A motion was passed to have the owners clean lots at S. Lake Verona Blvd. and E. State St.

It was also reportred at the meeting that Ben Hill Griffin is seeking bids to clear and demolish the old packing house

Devils Host Okeechobee, Hardee Friday - Saturday

The Red Devil baseball team had to settle for a split in the two-game week-end losing to Santa Fe in Lakeland on Friday night by a score of 5-2 and then trouncing Fort Meade here at Head Field last Saturday night in a six inning game by the score of 12-2. The Devil varsity had a 2-1 record going into the game last Tuesday night in Sebring.

This week-end the Red Devils again play on both Friday and Saturday nights and both games are at home. Tomorrow night (Friday) the Avon Park nine will host Okeechobee and on Saturday night Hardee High of Wauchula will be here. Both games start at 7:30 p.m. Next Tuesday night the Devils will play in Lake Placid in another Lake-Ridge Conference game.

In Lakeland last Friday night the Devils gave up 7 hits to the Crimson Hawks and committed 4 costly errors to lose 5-2. Senior lefty Don Sisemore started for Avon Park on the mound and pitched five full innings giving up six singles while fanning three and walking one batter. Sophomore righthander Artie Bass came on to pitch the sixth frame and gave up one single before striking out the side.

Santa Fe scored two runs in the bottom of the first inning on a single and three errors. In the top of the fifth Avon Park closed the gap by pushing one run across on a single by Tim Underwood and a double by Eddie Ezell. But in the bottom of the fifth the Santa Fe batters got three hits to score three more runs and move out front 5-1. Avon Park was still in the ball game when they loaded the bases in the top of the seventh with no one out. However, a

RAY-ARCS' Bike-A-Thon Benefits

Last Saturday morning young people with their bicycles arrived at Avon Park's West Main street shopping center preparatory to peddling for the Ray-Arcs Bike-a-thon, in support of activities for the handicapped. By 8:15 a.m. 15 cyclists were ready with identifying flags flying and placards on their backs so that motorists would be aware of their purpose. Cyclists pedalled on US-27 from Avon Park to Josephine Creek and returned to the starting point for a total of 46 miles. Check points at intervals of approximately seven miles each were provided for the signing of charts, maintenance of bikes and refreshments. Eleven members of the team completed the entire trip. Only one dropped out early with mechanical difficulties and two others encounted bicycle problems on the last five miles of the trip. Enthusiasm was high for the entire ride.

In charge of arrangements were Miss Sandra Allen, Miss Susan James and Miss Debbie Ward of the Ray-Arcs. Rusty Johnson and Mark Smith worked with participants on their check points. Adult volunteers included Mrs. Wilson Smith, First Aid; Mrs. O. S. Rigdon, Special Transportation; Mr. R. A. Brandt and Mrs. Richard Perhla, Ray-Arc sponsors and marshalls for the route. Special assistance was given by Florida Power Company and Mr. Wallace White in making equipment available. The Avon Park and Sebring police, Highlands County Sheriff and the Florida Highway Patrol had alerted their staff members to provide roadway aid.

Bike riders entering the event were sponsored by friends, business organizations and merchants in the county. Sponsors have signed to contribute from 2 cents to $5.00 for each mile covered by individual cyclists. Participants include Janie Brandt and Gail Whitehead of Sebring; Kim Charleville, Sharon Dover, Lyn Greenway, Susan James, Jim Breukels, Tommy Breukels, Garry Burch, Joe Dalton, Walter Newton, Hoagie Ostling, Debbie Ward, Mike Breukels and Patty Mathews. Participants will be collecting from their sponsors during the coming week. All funds will be used by the Ray-Arcs in their programs to help the handicapped children of Highlands county.

Ray-Arcs provide many recreational services for the handicapped including two scholarships for residential camp, serving as counsellors for summer day camp, assisting with special olympics, as well as a Valentine's Dance, Christmas party and picnics at Highlands Hammock.

THESE RIDERS STOP for a rest at Burger King in Sebring, last Saturday, March 11th., in the Ray-Arcs Bike-A-Thon, in support of activities for the handicapped.

that was destroyed by fire last week.

A letter from HUD was read stating conditions the city would have to follow in order to receive a grant from the federal government to help the city remodel the armory building. The council decided that such conditions would delay the restoration of the building and decided to foot the cost by themselves.

A motion was made by Martin to send a letter of appreciation to Sebring Mayor Gene Sauls, thanking them for their aid in connection with the packing house fire.

Fire Chief Mack Flowers was on hand and started a discussion on the way the police department handled the crowds, and traffic at the scene. During the fire, three hoses were run over and broken by autos with the cost of repairs estimated at $300.

Howard stated the railroad supplied one man to direct traffic.

Flowers said he contacted the police department at 11:00 a.m. for help in controlling the people but his request was never answered.

It was mentioned that late in the afternoon Sgt. Presley Selph was on the scene for awhile.

Crews proposed the city pay one-half the cost of a new spiral slide at Donaldson Park, if the other half could be raised by donations. Many of the councilmen stated they had taken their children to the one in Lake Wales, which has been there for almost 20 years. Crews said he'd make it "a personal campaign" and contact the various service clubs in Avon Park for possible donations.

Two new lights will be put up in Avon Park by act of the Council. They will be placed at East Circle Street in front of the Presbyterian Church and one at West Walnut Street at the A.C.L. railroad crossing.

The Fire Department reported three construction fires, four grass or woods fires, three automobile fires, one false alarm, and 36 rescue and ambulance runs.

mixup in baserunning gave the Hawks a chance to pick off the two lead runners in run downs when all should have been safe on Tim Underwood's grounder to the thirdsacker. The Devils still managed to score one run as Underwood came in on another hit by Eddie Ezell.

The Red Devils got a total of six hits off Hawk pitcher C. DeLatorre as Ezell got the double and a single, Keith Richards got two singles, and Rick Minard and Tim Underwood both got a single.

On Saturday night in the first home game for Avon Park it was a different story as the Devils rapped out 9 hits off losing pitcher Ernie Conners of the Ft. Meade Miners. Eddie Ezell continued to lead Avon Park at the plate as he hit three singles and scored two doubles and also scored three runs. Tim Underwood, the Devil secondsacker, scored two runs and got one single and Howard Sizemore and Rick Minard both got one single.

Robert Lanzing started on the mound for Avon Park and struck out seven Ft. Meade batters before he got in trouble in the third inning and was relieved by Artie Bass. Lanzing gave up two runs and two hits but walked no batters. Bass finished out the six inning game allowing a double and a single while he also fanned seven batters. Bass walked two m o Miners.

The Fort Meade team made 9 errors during the game to aid the Devils on the bases. Avon Park scored three in the first one three hits and one error. Then in the fifth they pushed over four more on a single and 5 errors. They closed out the game with five runs in the last of the sixth on 4 hits and a fielding error. Avon Park committed 4 miscues.

Everyone is invited out to watch these handicapped youngsters participate in activities competing agianst their own age group and skill level. The meet will start at 9:00 and finish before noon so come on out and cheer them on in the local county meet that is the start of a possible trip to Los Angeles to the National Special Olympics in August.

All About BOOKS

by Wheelehan

We are gratified at the way you have been supporting our new group The Friends of the Library. If you have a friend who has not yet joined, urge them to do so right away. We would like to be able to boast of having the largest charter membership roll of any civic group in the county. Membership cards are available at the library.

This week's book is entitled THE EXORCIST and was written by William Blatty. Let me warn you right off...it's not for the kind of person who gets scared easily. This is a novel which deals with demonic possession or, in more understandable language, the taking over of a living human body by the devil. The last documented case of this happening in the United States occurred in Texas sometime around 1954. Some reviewers say that Mr. Blatty has patterned his book after this case and whether he has or not, it is a most interesting story he tells.

The story is about the 11-year-old daughter of a movie actress who becomes possessed by the devil. At first it is thought she is physically ill. When this proves incorrect she is sent to a psychiatrist. He fails also. Then a young Jesuit priest becomes interested in the girl's problem and correctly figures out that he is dealing with the devil at his best. The rest of the story deals with his efforts to exercise the devil from the young girl's body.

I want to caution you not to read the book on a dark evening when you're in the house by yourself. You may start hearing noises.....

I also caution you, in a more serious manner, about some of the language you will find in the book. Of course, when you are dealing with the devil, you can expect to hear "gutter language". If the words of the devil don't offend you, you should find THE EXORCIST very interesting and except for that one slight drawback, it is a well written and totally absorbing book.

You should be able to find it at the library.

ROTARY CLUB NEWS

Reported by John Townsend

Bob Barben should be commended for the outstanding Girl Scout program he secured for last week's Rotary meeting. Bob presented a two part program concerning the Heart of Florida Girl Scout Council. First, we heard Lindy Barben and Janis Turnbull, two of our local Girl Scouts, explain the purpose of Girl Scouting and the benefits they had received by participating in the Girl Scout program. These young girls did an outstanding job and both were well received by those in attendance.

Bob then introduced Mrs. George Costello, Executive Director, Heart of Florida Girl Scout Council, who presented us with news and plans for the summer Girl Scout Camps at Camp Wildwood.

Tremendous progress has been made at Camp Wildwood during the last few years, but unless funds are secured from outside sources the camp cannot be completed for thirty years.

The Girl Scouts have used their own financial resources to purchase over 400 acres of land at Camp Wildwood. This has been accomplished through the sale of Girl Scout cookies. Funds are desperately needed to construct the planned facilities on this site.

The Girl Scouts are presently conducting a three year fund raising drive so that the Campsite can be completed in the near future. Fellow rotarian, and Mayor Bob Barben heads this fund raising drive and Mrs. Costello assures us that progress is being made. However, she solicited the assistance of every citizen in this area to support the Girl Scout movement.

Mrs. Costello concluded her program by presenting an outstanding slide program on Camp Wildwood which described the benefits this camp can offer to the thousands of Girl Scouts in this area.

Know Your Hospital

by John McClellan
Administrator
Walker Memorial Hospital

Are you a perfect visitor? Visitors are usually a welcome sight by anyone who must be hospitalized. But long experience has taught hospitals that visitors can be much of a problem if they are visiting a patient at the wrong time. For the patient and the hospital staff, the busiest time of the day is from 7 a.m. until 1 p.m. During this time the patient is receiving, what we refer to as, a.m. care, including bath, making of beds and many other things that go along with caring for the patient. Also during these hours, the doctor normally makes his rounds, changing dressings, writing new orders and conferring with patients. Should a visitor be present during this time, it sometimes proves embarrassing to the patient as well as to the employee and annoying to the physician. Many patients are embarrassed because visitors come in the early hours of the morning when they are not prepared to receive them, but would not offend them by asking them to leave.

The hospital welcomes visitors after 2 p.m. until 4:30, and from 7 until 8:30 p.m. During these hours, the hospital and the patient, in most cases, are prepared to receive visitors. The visitor should not visit the patient too long because this can be tiring on the patient and detrimental to his physical well being. Also, other persons may be wanting to visit the patient and at no time should there be more than 2 visitors for any one patient.

For obvious reasons we ask that visitors not smoke in any part of the hospital. Many times visitors swarm into a room to see someone who has come to the hospital, whom perhaps they haven't seen in several months, not realizing that, really, the patient would be much better off if they sent a card or a few flowers and actually stayed away.

1450 Attends Winter Guest Hobby Show

Over 1450 folks registered at the Hobby Show at the Winter Guest Club House last Thursday, March the ninth. They were well rewarded by seeing the very fine articles on display. It is amazing how much talent there is, as shown by the articles exhibited.

The Hall was well decorated with birds of all colors, showing how much work was done to put on the Show. Hallie Wetmore says all her helpers spent hours, and were so cooperative. Like Alnora McNeil, who did such a fine job of advertising, for instance, the posters she made were beautiful. This was just to mention one worker, and all the others did just as much in their field of endeavor.

Some of the most popular demonstrations were the pill bottle pendants, (Many of the women bought one). The Christmas decorations made a beautiful table, and was most outstanding.

There was a nice display of hand bags, made of the plastic squares and decorated with swiss straw.

It was fascinating to watch Alberta Mitchell at her weaving loom. Her foot work on the pedals, and the shuttles flying back and forth made one think she was playing the organ. But she wasn't, as the lovely linen towels she turned out testified that she was really weaving.

Refreshments were served from a pretty table from 2 to 4.

How can you bring out the best in yourself?

Fire Still Under Investigation

The exact cause of the fire at the Ben Hill Griffin Packing house has yet to be determined. Extensive investigation is still underway by Avon Park Fire Chief Mack Flowers and Deputy Fire Marshall Larry Prior.

After sketchy early unofficial reports, some information concerning the fire has been released.

Flowers reported the fire department received the call at 8 a.m. Tuesday morning, Feb. 29

The assessed valuation of the property, according to the Tax Assessor's Office was set at $39,740.00.

One good point to mention, there were no injuries reported as a result of the fire.

L. Maxcy built the packing house during the 1928-29 fruit season. Griffin began his citrus career, which has made him a multimillionaire, with the purchase of the packing house in the early 50's.

The building was used until last March as a fresh fruit packing plant at which time Griffin enlarged his plant in Frostproof.

Since March of '71, the building has been used for storage with approximately 7,000 wooden citrus field crates reportedly inside the structure.

Egg Rolling Contest Slated

Fr. Cleveland announced plans for a very special event on Easter Sunday, April 2. There will be an egg rolling contest and a picnic at Camp Wingman. There will be prizes for children finding specially marked eggs. A program of games for young and old is being prepared. It is hoped parents will make a special effort to attend with their families.

An electronic Rock Mass will be held on Sunday, April 9 in the Parish House of the Church of the Redeemer. This is the first in Avon Park and Fr. Cleveland hopes it will be a success and the first of a series.

Mrs. Hise introduced the speaker, Mrs. Otto Krieger, who reviewed the most interesting book, "I Remember, I Remember," by Lagona Glenn. Lagona Glenn, born in 1863, wrote the book in the 93rd. year of her life. The daughter of an army surgeon, she wished to be a doctor but women did not go into the medical field in those days. Later she studied and became a missionary in Brazil and her experiences retold by Mrs. Krieger kept the audience breathless. It was a wonderful talk, about a wonderful woman.

Fr. Cleveland closed the meeting with prayer. Next meeting, Wednesday, April 12 at 2 p.m., in the Parish House, after the Deanery meeting in Sebring.

Assisting her is Mrs. Diane Murphy of Avon Park. Looking on are (L to R) Mrs. Thomas Magenheimer, Charles' mother and the bride-elect's mother, Mrs. Robert Bateman of Sebring. Sun photo by Sharpe.

Miss Mary Beth Bateman Honored With Shower

Miss Mary Beth Bateman of Sebring, bride-elect of Charles Thomas Magenheimer of Avon Park, was honored with a miscellaneous bridal shower on Thursday, March 9, at Florida Power Lounge, in Avon Park.

The lovely bride-elect in a beige polyester dress, with beige accessories, was presented with a white orchid corsage upon arrival by the hostesses. Her mother, Mrs. Robert Bateman and her fiance's mother, Mrs. Thomas Magenheimer were each presented with corsages of apricot miniature orchids, which complimented their ensembles.

Miss Margaret Magenheimer, sister of the bridegroom elect, was presented with a corsage of yellow rose buds, and kept the bride's book at a linen covered table, which held one white orchid in a vase.

The gift table, covered with a white lace trimmed cloth, held an arrangement of roses. Miss Diane Murphy assisted Mary Beth with the opening of her many gifts.

The punch table, also covered with a white lace trimmed cloth, was centered with a crystal punch bowl, surrounded with miniature orchids. Flanking the punch bowl on one end of table was a gorgeous arrangement of three dozen multicolored roses in a crystal and silver compote. On the opposite end was a silver candelabra, which held five yellow candles. Dainty assorted sandwiches and cookies were served along with nuts and mints from crystal appointments.

The hostesses, Mrs. Gresilda Murphy, Miss Diane Murphy, Mrs. Vivian Rich, Mrs. Sybil Laye, Mrs. Mildred Ferguson and Mrs. Anne Stevens, presented the bride-elect with a gift of a revolving spice rack.

The wedding of Mary Beth and Charles will be an event of Friday, March. 31.

Avon Park Flying Notes

By Eleanor Trescott TT

Chuck Gossick, son of Mr. and Mrs. Don Gossick, soloed both the Cessna 150 and the 172 on his 16th birthday, March 11. Chuck has been flying for the last two years but was not able to solo until his 16th birthday.

Walt and Sandi Pierce were in Bartow participating in an air show Sunday. Several local people attended.

Five airplanes flew in from Peoria, Ill. The crews are visiting the Avon Park area and reminiscing with the Gossicks' who were formerly of Peoria. They attended the air show at Bartow Sunday.

Willard Durrance of Wauchula and Lauren Albritton of Bowling Green have been recommended for and received their private pilot's license recently.

Two new solos took place last week, Mike Stephenson of Frostproof on March 4 and Bill Sorrell of Bowling Green on March 7.

Joyce and Bill Shriner the flying team from Lake Placid have been on some cross-country flights. Joyce made her second dual flight to Sarasota and Venice. Bill made two solo cross-country flights - Lakeland and Lake Wales and to Okeechobee and Charlotte County.

Jim Olson made a solo cross-country flight to Melbourne to visit his mother Sunday. Bruce Johnson of the Air Force Base made a solo flight to Clewiston and Pahokee.

Stan Trescott made two flights over Central Florida Sunday with Bob Gokey of Tampa, formerly of Hermon, N.Y. and Art Gerber, a beekeeper from Pembrook, N.Y. Don Gossick has started flight instruction with two new students, Kim Juchnath and Del Delaney.

There is a FAA Safety meeting tonight (Wednesday) at the South Florida Junior College at 7:30. All pilots and their friends are invited to attend.

Eastern Star To Install Officers

The new officers of Leigh Chapter No. 85, O.E.S. will be installed Saturday night, March 18 at 8 p.m.

Eastern Star members and their friends are invited. The installing officer will be R.S. Von Burske, assisted by Marion Von Burske as Marshall and Toy May Futch, as Chaplain. The new officers to be installed are:

Worthy Matron, Margaret Wooliscroft; Worthy Patron, Herbert Wooliscroft; Associate Matron, Gladys Hagen; Associate Patron, Bert Walton; Conductress, Patricia Lamb; Associate Conductress, Kylene Thompson; Secretary, Loca Stuckey; Treasurer, Bea Luscomb; Chaplain, Toy May Futch; Marshall, Marion Von Burske; Ada, Vivian Rich; Ruth, Ina Walton; Ester, Vera Kirkland; Martha, Elizabeth Lamb; Electa, Mary Helen Kuhn; Warder, Ila Williams; and Sentinel, Ronald Williams.

Devil Track Team Places Second

The Palmetto track team racked up 103 points last Thursday to take first place in the four-team meet held here at the high school track. Avon Park came in second just eight points behind with a 95 total. Wauchula was third scoring 31 points and Sebring came in fourth with 25 points.

Today (Thursday) the Red Devil thin-clads are in Lake Placid competing against the Green Dragons again in a duel meet. The Devils won over Lake Placid by a score of 89 - 69 in the first meet of the season.

The Avon Park 880-yard relay team of Glen Gray, Edward Moses, Harry Smith, and Mike Hagan picked up ten points with a first place finish. James Coleman took two first places for ten more points. Coleman won the long jump with an 18' 9" effort and then finished first in the 180-yard low hurdles with a time of 22.2 seconds. Eugene Sneed won the two mile run again this week cutting his time a little with an 11:16.5 minute effort. James Brown, another sophomore distance runner, won the mile run with a time of 4:57.4 minutes.

In the 120-yard high hurdles Gary Gust came in third and Bruce Trescott finished fourth. James Coleman tied a Palmetto boy for second place in the 100-yard dash and Mike Hagan finished fourth. Arnold Davis tied with a Hardee boy for fifth place picking up a half point for Avon Park.

The Devils didn't take a point in the shot put but Eugene Sneed came in fourth in the mile run for a couple of points. In the quarter mile run Arnold Davis grabbed second place and Scott Gust took fifth place. Edward Moses finished second behind Coleman in the long jump.

Richard Percy and Moses came in second and third in the high jump. Percy had a 5'0" top jump. In the discus throw event James Coleman took second place and James Walker won fifth place. James Brown took third place in the half mile run and Bruce Trescott finished fifth.

The Avon Park sprint-medley relay team of Curtis Foster, Edward Moses, Ricky Claitt, and Harry Smith came in second for 7 points. In the 220-yard dash Mike Hagan and Glen Gray came in third and fourth and Scott Gust took third place in the two-mile run. The Red Devil mile relay team finished out the scoring coming in second for 7 points behind Palmetto. Running for the Devils in the exciting meet-finishing event were Scott Gust, Bruce Trescott, Harry Smith, and Arnold Davis. Richard Percy and Bass were in a four way tie for third place in the pole vault event.

James Coleman again led the Devil team in points scored with sixteen but seventeen different boys contributed to the Avon Park total of 95 points.

PanthersToHost Florida College In Doubleheader

Monday afternoon, March 20, at Fireman's Field in Sebring, South Florida Junior College will host Florida College of Tampa in a doubleheader beginning at 4 p.m.

The second game of the doubleheader will begin 15 minutes after the conclusion of the first game. "We are appreciative of the help the Firemen have given us in our Athletic Program and would like nothing better than to present them a double win over Florida College" reported Coach Dunning Terrell.

Jack Miller will hurl the nightcap with Tony Argiz or Ken Martin slated to open the evening match. Friday, the Panthers will journey to Bradenton for a 1:30 p.m. meeting with Manatee Junior College.

The early time is because a tornado destroyed several light poles at the Manatee field. The Panthers are currently 0 and 9 for the season, however, these losses were against four of last year's Division champions - Polk runners up, Manatee - Division II champs, Seminole, Broward, and Edison.

The Panthers lost two starting pitchers from last year's fine club. Wilson transferred to a four-year school and Williams did not return to S.F.J.C. This left only one starter, Jack Miller. The Panther pitching has done a creditable job so far but hasn't produced a win.

We are hoping that the competition against the fine clubs we've played so far will sharpen us for the remainder of the season.

Local Youths To Attend Circus Here

Comical clowns, trumpeting elephants, pretty girls, trained dogs and ponies, and daring young girls on the flying trapeze will be here circus day in Avon Park on Thursday, March 30.

Tires Reported Slashed at SFJC And High School

Slashing of tires at Avon Park High School and South Florida Junior College was reported Thursday night to Highlands County School board by member E. Ray Wells.

Wells said despite the bright lights all around, tires had been slashed. And on some cars, all four tires and the spare had been slashed.

Superintendent of Schools George Douglass, however, reported that vandalism for the past month "was no more than last year. A few problems were reported at Carver, but it was young children playing."

He added that there is "less vandalism at Carver than in any other area."

Lake Placid Principal Aubrey Morris reported that last week the door at Carver had been forced, custodial supplies damaged and "maybe some missing."

Douglass reported that at E. O. Douglas school in Sebring, damage had been negligible. Board member Ted Cason quipped to general laughter: "Yeh, they've got all the windows out!"

John J. Brown Celebrates 91st Birthday

John J. Brown, who has been a patient at Bay Pines Hospital in St. Petersburg since October celebrated his 91st birthday on Thursday, March 9th.

Those sharing the occasion with him at the hospital were his wife, Mrs. J. J. Brown and daughters, Gladys Young, Betty Newman and Louise Shows. Others attending from Avon Park were: Myrtle Pollard and Eunice Haynie. Ed Jowers from Wauchula also attended.

A picnic lunch was enjoyed in the picnic area of the hospital by those attending and afterwards a beautifully decorated cake with "Happy Birthday Daddy".

Mr. Brown received many cards and birthday wishes from friends and relatives.

Pathfinders Camp At Arbuckle

Excitement runs high when the Avon Park Junior Pathfinder Club from Walker Memorial Seventh-day Adventist Church pack up for a weekend of camping, especially at the Polk County campground on Arbuckle Lake near Frostproof over the weekend.

Twenty-five youngsters and their dozen adult sponsors enjoyed their second seasonal campout under sunny skies and starry nights when the three large tents pitched separately for the girls and boys served as a weekend home, especially during a heavy rainstorm Sunday noon. No spirits were dampened, however, and the youngsters managed their five-mile nature hike to study birds, trees, and flowers. Many worked hard to win an archery honor, but most everyone likes the the evening campfire with songs and stories best, unless possibly the hearty meals deserve first place.

To permit these youngsters to share their enthusiasm, this Saturday is officially designated as "Pathfinder Day" at the Walker Memorial Church were the group will conduct the morning worship services at eleven o'clock and also the inspirational vesper program that evening at six.

Spring Gobbler Season Open Until March 19

The United States Air Force has authorized the Game and Fresh Water Fish Commission to open the Avon Park Bombing Range to Saturday and Sunday hunting during the 1972 Spring Gobbler Season, according to Major J.O. Brown.

Hunters will be allowed to enter the area at 4:00 a.m. and must be out of the range by 6:00 p.m. each day. No over night camping will be allowed during the Spring Gobbler Season (March 4 through March 19, 1972) at the Avon Park Game Management Area.

Hunters are reminded that only bearded male turkeys (gobblers) are legal game during the Spring Gobbler Season. Bearded hen turkeys are not legal game during the Spring Gobbler Season.

Litter laws will be strictly enforced at the Avon Park Game Management Area, cautions Major Brown.

Carrie Jones and Ruth Smith called on Mr. and Mrs. Harvey Warner of Lake Placid during the week.

Words are surely inadequate to express the pleasure brought by Marvin Draper and his wife Aura on Sunday evening, when they showed slides of some of the trips they have taken. He is an excellent photographer, and the color and detail in his pictures taken in Death Valley, and in Banff and Yoho National Parks, Lake Louise and Glacier National Park were beautiful. He says he will be happy to come again and show other slides of their travels, and we surely plan to see that he makes a return visit. A million thanks, Marvin and Aura.

Grace and Lee McFredrick and Flo and Jerry Brophy enjoyed the Rodeo at Arcadia on Sunday.

8-40 Club Meets at Florida Power Lounge

The Highlands Salon No. 687 of 8-40 held their March meeting at Florida Power Lounge in Lake Placid last Tuesday, March 7. The Lake Placid Partners, Myrtice McLure, Eileen Barnum and Betty Ray Roberts were hostesses.

A St. Patrick's Day party theme was used with each Partner being presented with a green Shamrock and served green punch, as they entered the Lounge. Green place mats, napkins and green plants were used on the tables, with a beautiful green plant with yellow jonquils, the focal point on the officers table.

Jean Hill, Child Welfare Chairman of Sebring, who had previously sent childrens clothes and toys to the National Jewish Children's Hospital in Denver, Colo., received a reply, stating they had received the items and thanked the Salon very much, as they were much needed.

The Salon also received a letter from Kay Robinson, Dept. Chapeau, of Sarasota, congratulating the Salon for being one of the six Salons, who are 100 per cent in membership.

The April meeting will be at the home of Jean Hill in Sebring. The Salon is composed of Partners from Sebring, Lake Placid and Avon Park.

Pledge Dance Will Be Held In Sebring

The Pledge dance scheduled to be held Saturday night, March 18, 1972 at the New National Guard Armory in Avon Park; will now be held at the Teen Town in Sebring. The Armory will not be completed. Charles Rogers has agreed to let the March of Dimes use the Teen Town this week.

The band this week will be a new group, "Pappy." They have previously played in the Chiocago area.

Trophies will be awarded at 10:00 p.m. to 15 of the walkers. Certificates will be given to all walkers.

March of Dimes officials will be on hand from 6:30 p.m. until . . . to take pledge money.

The admission fee will be free to those turning in 80 per cent of their pledges; 50 cents for those turning in less than 80 per cent and $1.25 for those who did not participate in the walk.

The dance will start a 8:00 p.m. and end at 11:00 p.m.

Lark Adams Completes Course

Miss Lark Emerson Adams of Avon Park, has completed an eight-week course in practice teaching at Furman University.

Lark, daughter of Mr. and Mrs. J. Morris Adams, Jr., of Lake Lotela, taught History at Tanglewood High School in Greenville, S.C.

In the practice teaching program, Furman seniors who plan to teach, gain practical experience in teaching their chosen grade levels before graduating. Under supervision of regular teachers, practice teachers assume all responsibilities normally required of experienced teachers.

Avon Mobile Home Park News

RUTH E. ROBINSON

Found in the News box was this note: To the members and friends of First Christian Church and to our Dear neighbors here in Avon Mobile Home Park, we want to thank you, for your prayers, flowers, visits and food; especially the youth of the church and Fifth Ave., the street on which we live. It was lovely of both these groups and we shall never forget it. Art joins me in being very thankful to all of you. May you always have health and God be very near to you. Sincerely, Jennie Fouty.

Mr. and Mrs. Basil Krontz are home from the hospital and their daughter, Mrs. Charles Armstrong (Delores) from Butler, Indiana arrived last Tuesday to be with them at this time; reluctantly, she had to leave for home on Monday from Tampa International Airport, as her family and job in the hospital needed her. Mr. and Mrs. John Evans drove her to the airport.

Mrs. Bernice Tingler had a nice visit with friends, Mr. and Mrs. Leo Hank from Upper Peninsula, Michigan. They live near Bea's son-in-law and his family in Goetzville and brought news of the Robert Traynors.

Mr. and Mrs. Verne Goodman are in the hospital; Walker Memorial, and let us keep them in our mind and prayers for their improving health.

Mr. and Mrs. R.R. Ghaster had as their guests the last few days, their daughter and husband from Plymouth, Michigan. They also spent Saturday at Bradenton and St. Petersburg visiting friends and relatives. Sunday they left for Palm Beach for several days.

Mr. and Mrs. Reynard Baldwin are visiting the Harry Burnett mobile home. They are traveling in a travel trailer, coming from Bellingham, Washington, a long distance away. Mrs. Baldwin is the Burnett's niece.

Mr. and Mrs. Welcome Miller visited friends, Mr. and Mrs. Emory Dill at Winter Haven, last Monday, and this past Sunday afternoon a time of fellowship and fun was enjoyed by them at the homes of Enos Metheny and Ross Metheny, on Lake Lotela, with Mr. and Mrs. Forrest Wiedeman, Mr. and Mrs. Harry Lemler, Mr. and Mrs. Warren Byrers.

Pinochle scores last Monday for the winners, Joe Bacon with 1025 and Susie Bacon with 1008. Congratulations to another husband and wife players.

Mr. and Mrs. Don Allen from Fort Mitchell, Kentucky and Mr. and Mrs. Guss Mehl from Middletown, Ohio are vacation guests of Mr. and Mrs. Cecil Hale.

Saturday night was the time that 90 curious faolks of our park, were amused and entertained by slides of past events of this winter season. Included were surprising candid shots of the activities of various groups and some individuals. What a wonderful way to spend your retirement years, bicycling through Highlands Hammock State Park followed by a hearty and delicious pot luck; amateur talent shows, working at favorite hobbies, Christmas programs, New Year's Eve parties, and of course—shuffling, the main activity of us all. Wh thank all those who are responsible for getting the programs under way and who follow through to see their completion. This was another "fun night" which we will remember thoughout the summer season. Preceding the slide pictures, "Ham" and Nita Byrer sang duets of spiritual songs which always lifts our hearts.

Mrs. Roberta Allwood's son John has left for a new job at Rayford Prison, and we wish him success in his new venture.

A former resident of this Mobile Home Park, Mrs. Vera Davidson is visiting with the Douglases.

Mr. and Mrs. George Bears visited at Bonita Springs with their brother and wife, Mr. and Mrs. Claude Boyd for several days last week. They spent some time fishing there. Another friend, and wife, from DeMott, Indiana, Mr. and Mrs. William Hamstra, at Clearwater were visited by Merceda and George, while gone last week.

The Bearss attended the Barbershop Quartet Meet at Branscomb Auditorium, Lakeland, on Saturday night. They especially enjoyed the "Sweet Adalines" and "Roaring Twenties" from Cincinatti.

Mr. and Mrs. R.G. Clark of Sun Ray visited with the Joe Bacons and took a trip to Miami Beach for two days.

Jonathon Wright sent a card home from Taos Pueblo, New Mexico, where he spent his spring vacation. There were ten in his group including the teacher, traveling on a bus and enjoying new and interesting scenery with types of landscapes he had never seen before, and adobe houses, everywhere. We will be looking forward to hearing more when he comes home, this summer.

Lutheran Women Plan Card Party

The monthly meeting of the women of Resurrection Lutheran Church was held Wednesday, March 8, at 2 p.m., at the home of Mrs. Mary Patten, Avon Park Mobile Court, with a good attendance. Bible study was led by Mrs. Ina Beck.

Prayer was offered by Pastor E. J. Gregg, followed by regular business. Plans were made to have a card party on April 12th at 1:30 p.m., at the Women's Club, with prizes and door prizes.

A farewell dinner for the Northern visitors, who attend the church, will be held on Sunday, March 19, at 1 p.m. at Highlands Hammock State Park.

A work shop will be on March 21 at the church, starting at 10 a.m., for all the women. Bring sack lunch, coffee furnished.

After the meeting closed with prayer, lunch was served by Mrs. Mary Patten, assisted by Mrs. Risa Plaag.

Col Williams Little To Lecture At Christian Science Church

How important is spiritual perception in learning to help others wisely and acceptable? Colonel William Little, a member of The Christian Science Board, of Washington, D.C., will share some insights on this question in a public lecture to be given in Avon Park on Sunday, March 19., with title, "We Have a Mutual Friend".

"Often we've tried to help others," he says, "and found our help rejected or ineffective. But this failure hasn't stifled the desire to help. It's a part of us - it's almost as important a part of us as breathing."

A member of the C.S.B. of Lecturership, Colonel Little has traveled widely. He will speak under the auspices of Christian Science Society in the church auditorium at 3 p.m. Mrs. Ruth Nickoley, First Reader, will intoduce him.

Wanting to help others and wanting to know more about the divine source of all good are both natural desires, according to Colonel Little.

"Wherever you go," he will state, "you can find out a lot about the people and their conduct by learning about their concepts of God. As their ideas of God have developed, so have their cultures.

"In my own travels, I've found that all peoples I've been in contact with have hungered to learn about God—from the African bush to Eastern Asia to the Middle East countries and the cities in the West. The approaches to this learning and the appreciation of their ideas have varied, but the desire to know God has been ever-present and consistent."

Colonel Little, a native of Memphis, Tennessee, is a graduate of the United States Military Academy at West Point and of the Graduate School of Business Administration of Harvard University. He withdrew from a successful career in the United States Army in 1956 to enter the healing ministry of Christian Science. He became a Christian Science teacher in 1964 and a Christian Science lecturer in 1969.

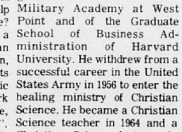
The title of his lecture is "We Have a Mutual Friend." The community is invited to attend without charge.

Young People Attends Passion Play

Twenty-three Methodist and Congregational Young People from Avon Park were in the audience Sunday night at the amphitheatre in Lake Wales for the performance of the Black Hills Passion Play. Nine adults accompanied the group.

The play, which continues to inspire and uplift vast audiences each year, will continue through April 16.

Performances are scheduled for Tuesdays, Thursdays and Saturdays at 7:30 p.m. and on Sundays at 8 p.m. There will be a special presentation on Good Friday, March 31.



Lee DuGoff

NASA Official Will Speak at Church

Mr. Lee DuGoff will speak on Sunday evening at the First United Methodist Church. His presentation will include film and artifacts from the space age. The program will begin at 7:00 p.m. He is Assistant Technology Utilization Officer at the Kennedy Space Center.

He is responsible for ensuring that new technology resulting from government and contractor research and development efforts are identified, reviewed, evaluated, and disseminated to the nation's industrial community, through the mechanics established under the NASA Technology Utilization Program.

Prior to assuming his present position, Mr. DuGoff was a Senior Staff Specialist on the KSC Executive Staff for a period of two years.

DuGoff joined NASA in July 1962, and was assigned to the Mercury and Gemini Programs. He participated in prelaunch preparations for Astronaut Walter M. Schirra, Jr.'s MA-8 Mercury flight, Gordon Coopers's MA-9 Mercury flight, the first two unmanned Gemini flights and GT-3 through GT-12 manned Gemini flights.

Before joining NASA, DuGoff was with the Western Electric Company for 11 years as a field engineer engaged in electronic research and development.

A native of Washington, D.C., DuGoff graduated from Capitol Radio Engineering Institute, Washington, D.C. He attended John Hopkins University in Baltimore, obtained a degree in electrical engineering from the Universtiy of Florida in 1951, and a master of science in management degree from Florida State University in 1969. The community is invited to attend.

Women's Council Holds Meeting

The Women's Council of the First Christian Church held a meeting in the Fellowship Hall of the church Thursday evening, March 9, with Mrs. Maurice Bush and Mrs. Edward Simon as the hostesses. Mrs. Byron Harwood conducted a lesson study on the third chapter of Acts.

During the business meeting, a number of reports were given by the officers. Several members are hospitalized and cards were signed to be sent to them.

The president appointed a nominating committee, to prepare a list of officers, which will be presented at the next meeting.

At the close of the meeting, the hostesses served refreshments, with table decorations carrying out a St. Patrick's Day theme.

Bonnie Fisher Candidate For BS Degree

The Office of Information Services, from Florida State University, Tallahassee, has issued more than 1,100 names of students, who will be awarded degrees at the end of the winter quarter on March 18.

Among those will be Miss Bonnie L. Fisher, daughter of Mr. and Mrs. Ken Fisher of Lake Denton, who will be a candidate for a BS degree in Elementary Education, on Saturday, March 18.

APCI Nursery

"How We Grow Them"

by Jim Kiser, inmate

Many people in the Avon Park area have been to the A.P.C.I. Nursery. It is located 10 miles east of Avon Park, on Hwy. 64. The Nursery is a part of the Florida Division of Corrections, and Nursery Horticulture is one of the many vocational training courses offered in the rehabilitative program of the Avon Park Correctional Institution.

Mr. Herbert C. Kelley is Superintendent at Avon Park Correctional Institution, and Mr. Haywood B. Williams, Jr. is Nursery Supervisor. These men are dedicated to the belief that "Men can grow through plants". I have been honored to assist Mr. Williams with the classroom instruction in Vocational Ornamental Horticulture, and in the daily routine of on-the-job training.

Florida State Prison, at Raiford, has the largest greenhouse and nursery complex within the division of corrections, and is where I received my Florida Certificate in Horticulture. After completing 1,000 hours in classroom studies, I had two years of on-the-job training. The courses were related to all the allied fields in horticulture. The same basic training program is used at the Avon Park Correctional Institution.

Our program was first introduced to The Division of Corrections by the Women's Federation of Garden Clubs of the State of Florida. It is through their continuing support, in cooperation with the Florida Nurserymen and Growers Association that we are able to achieve our goals. The goal is "A New Future Through Rehabilitation". We COULD NOT nor we CANNOT do without their generous support.

My purpose in presenting this weekly column to Avon Park is to share some of the valuable plant information and growing results that are so important to garden enthusiasts in this area. I will keep you informed of our seasonal planting projects. Some of you will be doing similar garden projects and I hope some of our experiences and methods will be of use. I will include plant care, news, suggestions, and our successes so that we might return some portion of the educational benefits we are receiving in this program.

At times it will be necessary to name certain products we are using, but it will serve only as a guide. Everything that we use is through donation and for this reason we have limited varieties of products available. I will not mention anything that we have not tried and found to our satisfaction.

All of us here at the A.P.C.I. Nursery hope that you will enjoy a more rewarding garden with this column.

See you next week!

Girl Scouts Celebrate 60th Anniversary Of Scouting

This week, March 12-18, is National Girl Scout Week. Sunday, the 12th, marked the 60th Anniversary of the founding of Girl Scouts in the United States. In a turbulent era of rapidly changing values, a 60th birthday may well give rise to the question – is Girl Scouting relevant?

Yes! , say more girls from ghettos, from rural areas, from suburbia, and from Indian reservations. As the largest voluntary organization for girls in this country, Girl Scouts of the U.S.A. has an unusually diverse membership, reflecting an unusually large variety of different life styles, ambitions and dreams.

That is why leaders today are working with Girl Scouts 7 through 17 to test new kinds of activities. Called "Try-Its", these experimental approaches are aimed at keeping events and projects relevant to the ambition and dreams of today's girls.

One of the new "try-Its" for Brownie Girl Scouts encourages these 7 and 8-year-old girls to share their own developing reading skills by helping younger children learn how to read.

Other Girl Scout "Try-Its" now being tested by Junior and Cadette Girl Scouts are geared to their age-level, interest and abilities.

Senior Girl Scouts, who are 14 through 17 years old, are launching a "Try-It" called PACE (Planning Ahead for Community Emergencies). This involves mobilizing Girl Scout resources for community service. PACE helps older teenage girls to assume more and more responsibility and leadership in real-life situations.

Its" are helping to keep the Girl Scout movement flexible to serve the needs of today's girls, both now and as they plan for the future.

Board Acts To Prevent Bomb Hoax

Action has been taken to discourage bomb hoax telephone calls at Highlands county schools and all telephones now are on a hold and trace basis.

Superintendent of Schools George Douglass told Highlands County School board members Thursday night that "the phone company feels strongly about this. We have placed phone clips on our phones".

He added that the FBI was notified in connection with the second bomb hoax, and the caller has not yet been apprehended.

The first bomb call was made "by a little fellow, 13 years old," Douglass said. The boy ran away with a 15 year old from the Youth Care home. Both were apprehended in South Carolina in a stolen car and returned here this week.

The 13-year-old youth, Douglass said, "had problems at home and was mixed up."

Douglass said "Hopefully we will solve this problem. It is almost a daily occurrence in larger schools in larger communities. The caller usually says a bomb will go off in 30 minutes or at 2 or 3 o'clock. Something like that.

In the interests of safety of the children we always go through the procedure of evacuating the school and searching for the bomb."

He added that "we hope to educate our people to the point that they know we will apprehend and prosecute.

In connection with the hold and trace basis on school phones, Douglass said in the area where they use pay phones the FBI will be called.
