

National Goodwill Week

The Goodwill Industries organizations throughout the country will observe Goodwill Week May 7-13. In Goodwill rehabilitation and training centers located all over the country, handicapped men and women are provided with work opportunities as well as training and job skills. Many people, after having been trained at Goodwill, are placed in similar type jobs in private industry and so become productive wage earners and taxpayers instead of being compelled to remain recipients of tax-supported welfare. The value of this change in status to the individuals concerned in terms of regained dignity and self-respect is incalculable.

Goodwill Industries needs the support of the community. Financial assistance will

provide for an ever wider range of services for the handicapped. Shopping in the Goodwill stores creates salaries for handicapped men and women and the contribution of repairable articles makes jobs for them. Goodwill Industries is another illustration of the type of citizen initiative that sets a free society forever apart from totalitarian systems.

Goodwill needs repairable things. "Repairable," that's the key word. Is Goodwill getting too good to take your unwanted items? Definitely not! But remember...the key word is "repairable." If it is beyond repair, Goodwill must dispose of it at a cost. Don't penalize the handicapped by giving things to Goodwill that cannot be repaired.

Letter To
The Editor

Dear Editor:

I have been watching the papers and the news media to see if there was any reports on Dr. McIntire and his party of ten people making a "Circuit" ride to 20 cities in 8 days showing DISAPPROVAL OF NIXON'S RED CHINA TRIP to sell out America to Red China.

Dr. McIntire and his 20th Century Reformation Hour followers who joined him with their Protest and Banners in all these big cities letting the American people and abroad know that there is disapproval of NIXON'S CHINA TRIP.

This is the only Religious group to show their opposition in this country against our President going to China. This group of Christians were in Detroit and Chicago in freezing weather in protest to the Trip. Did you know our Government paid Red China "Six Million" yes 6 MILLION AMERICAN (G) DOLLARS in cash ahead of Nixon's trip to Red China. Why should we build our Enemies up like that. They do not believe in GOD. There are no Churches there. Mao killed more Christians than Hitler killed Jews.

We can help strengthen America by joining the many Christians who have taken the stand to save America from becoming a Slave Country. Could you or I survive if this turns into a Slave Country?

Remember the American Freedom March, May 20, in Washington, D.C. Make every effort to attend.

Emilie Shiretz

The average salary of employees of the nation's 5,000 community hospitals increased by more than 80 per cent between 1960 and 1970. One reason: it takes more highly skilled people to bring advances in technical know-how to the patient's bedside.

Anna Elizabeth Lawhon

Anna Lawhon Graduates From College

Anna Elizabeth Lawhon, wife of Charles H. Lawhon, Sr., and known to friends in Avon Park as "Bettye," graduated from the Polk Community College of Nursing in Winter Haven on April 30, 1972.

While a student in the nursing program, Mrs. Lawhon has served in the Polk General Hospital, Bartow, Florida, the Lakeland General Hospital, Lakeland, Florida, and the Winter Haven Hospital, Winter Haven, Florida in the areas of medical nursing, surgical nursing, psychiatric nursing, obstetrical (obstetrical) nursing, pediatric nursing, and also spent special time in the intensive care units. She has also been active in the organization for student nurses in Florida, SNAP, and served in the past two years as secretary, (1970), First Vice-President, (1971), and President, (1972).

She has been an elected delegate to the state nursing convention each year, and is looking forward to assisting with the convention in October 1972 when it convenes at Disneyworld's Contemporary Hotel.

At the graduation Mrs. Lawhon was awarded the "Who's Who" presentation. This is an award given each year to "outstanding student leaders from colleges in the United States."

In selecting candidates, campus nominating committees are instructed to choose those students whose academic standing, service to the community, leadership in extracurricular activities, and future potential are decidedly above average." From Dr. William F. Taylor, Dean of Students at the Polk Community College came these remarks to Mrs. Lawhon: "This is a high honor for you since less than one per cent of the student body are chosen. On behalf of our faculty and staff, I extend to you our congratulations."

Mrs. Lawhon resides presently at 44 North Highlands Avenue, Avon Park, with her family. She is formerly from Lakeland, Florida and is the niece of Mrs. May McGee, Lakeland, with whom she made her home before her marriage to Charles H. Lawhon, Sr., son of Mr. and Mrs. R. H. Lawhon, East Winthrop Street, Avon Park, Florida.

The Lawhons returned to Avon Park in 1969 after serving ten years with the Foreign Mission Board, Southern Baptist Convention, in the Philippines. Mrs. Lawhon is presently affiliated with the Jacksonville Baptist Association and the Home Mission Board, Southern Baptist Convention, working with Filipinos and Internationals in Jacksonville, Florida. They expect to move to Jacksonville sometime in June 1972, but will continue to "call Avon Park home."

In listing her accomplishments for the publication of WHO'S WHO AMONG STUDENTS IN AMERICAN COLLEGES, Mrs. Lawhon stated that she felt that her most prized accomplishments were her children, and the establishment of a Christian home. She further asserted that "without the help and encouragement from my family, friends and neighbors could have never completed the nursing program. It is the accomplishment that I thank God for. He has provided this opportunity for me and supplied the strength for its accomplishment."

Know Your Hospital

by John McCellan
Administrator
Walker Memorial Hospital

There is no institution in the United States which has received more challenges to change than has the hospital. From the white House to the tenement, from the Indian Reservation to the urban apartment; from the rich to the poor; from the old to the young - have come voices that challenge us to change almost every aspect of health care. These voices have been far from unanimous what they want us to do. Some say cut costs and some increase service. Some claim we do not treat all who need hospitalization - and others that we hospitalize too many. We are asked to install the most costly of treatment facilities - and we are criticized for the expensive treatment. We are told we must help train more health professionals and that the cost of training cannot be borne by those whom we train.

That we are called upon by so many for so much is a compliment. As society becomes

Snokey Says:

Be extra careful with matches in the woods!

There are some critics who would choose to believe that we were unaware of these challenges, that they caught us by surprise. This is not so. I believe that hospitals have been amazingly responsive. We have not waited passively for others, but have ourselves invited those outside our walls to come and tell us what they feel we might be doing better.

Much will be asked of us in the coming years. We will be asked to meet new demands and expectations. I believe we can meet these challenges as we do our part in bringing quality health care at a reasonable cost for all the people in this area.

Eleanor Seaverns Rebekah Lodge No. 65 met at the Lions' Hall on Monday, May 1, with Noble Grand Lillian Seeger presiding.

As each member entered the hall, Noble Grand Lillian Seeger pinned them with a cute flower filled May basket corsage because it was May Basket Day.

Visitors from Sebring were

welcomed. The Charter was draped in memory of F.M. Hooftagle, P.G.M.

All members having donations of articles for the Ways and Means table at Assembly, were asked to get in touch with Representative, Lillian Seeger.

Lula Fisher was reported as not feeling too well. Noble Grand Lillian Seeger announced that the Lodge was honored by having two of its sisters as members of the official family. Bessie Decker has been appointed as Assistant Musician of State Assembly and Louise Clarke is serving as Page.

After the meeting a very nice Mother's Day program was put on with Ethel Harrison in charge. Ethel read some very appropriate poems and articles, among them, "Why God Made Mothers" and "My Mother's Prayer." Vicky Flowers entertained with a beautiful song on Mothers, accompanied at the piano by Lillian Seeger.

Beautiful Gardenia corsages were given by the Noble Grand to Cora Gray as the "Dearest Mother," and to Bessie Jewell Howard, as the "youngest Mother"; and to Virginia Carnegie as the mother with the most children; to Lucy Sykes, with the most Great-Grandchildren; and to Louise Clark as the mother-daughter combination, both being officers.

Delicious refreshments of dainty sandwiches, homemade lemon and coconut custard meringue pies, punch and coffee and a tray of pickles, olives, cheese, crackers and small ham rolls were served by Bessie Jewell Howard, Clara Campbell and Mildred Waddell. At the next meeting, there will be a Memorial Service, with V. G. Nancy Shay in charge. On the refreshment committee will be Pearl Spink, Gladys Hagan and Virginia Carnegie.

19 Accidents During April

The Avon Park Police Department was swarmed with accidents over the past week causing the April total to rise to 19.

Two occurred on April 25, with Patrolmen Prevatt and Braswell filling the reports.

Prevatt reported a 1968 Mercury operated by Romie Dick of Avon Park and Jean C. Cook, also of Avon Park, driving a 1965 Oldsmobile, were both traveling west on West Bell Street when Cook apparently slowed or stopped preparing to make a left turn on South Feagan. Dick apparently hit Cook in the rear. Dick's auto received an estimated \$125 worth of damage. There were no charges filed.

Patrolman Edward Braswell cited Julius Batson of Avon Park with driving while intoxicated which resulted in an accident on West Church Street. According to the report, Batson, operating a 1961 Chevrolet was traveling east on West Church Street and swerved across the street and struck a parked vehicle. \$150 damage was estimated to Batson's auto with \$300 to the parked vehicle.

On April 22 Cecilia Massaline of Sebring was traveling south on South Palmer Avenue and apparently ran the stop sign causing her to hit a 1962 Chevy operated by Clara Baker Nave of Valrico, Florida. Damage to the Ford was estimated at \$500 and \$300 to the Nave auto. Patrolman Braswell charged Massaline with disobeying a stop sign.

Finally on April 30, Billy K. Woods of Avon Park was coming off of West Cornell Street onto U.S. 27 and apparently pulled into the path of Alyce Thompson of Lake Wales. Campbell charged Woods with failure to use due care. Damage was estimated at \$25 to Woods auto and \$275 to Thompson's 1964 Plymouth.

Mr. and Mrs. James Eugene Landress

Patricia Furr - Gene Landress Wed In Double Ring Ceremony

Miss Patricia Anne Furr and James Eugene Landress were united in marriage at the Old Union Congregational Church on Friday evening, April 21, at eight o'clock.

The bride is the daughter of Mr. and Mrs. W. Rex Furr of Lake Borden, Avon Park, and the bridegroom is the son of Mr. and Mrs. James T. Landress, Oak Street, Avon Park.

The double ring ceremony, performed by the Rev. John E. Pickens, was enhanced by the candlelight and palm background. A bouquet of white carnations, gladioli, and statice graced the altar. A program of nuptial music was presented by Mrs. Clayton Rhodes.

The bride wore a gown of white tulle and lace, which had been made by her mother. A short illusion veil fell from a lily-of-the-valley corsage. Bridal Shower Honors Miss Mandy Maness Saturday

The home of the R. L. Padgett on Lake Lotela was the scene for a bridal luncheon given by Mrs. R. A. Riley of Frostproof, Mrs. Padgett and daughter Carol, on Saturday, April 29th.

The attractive bride-elect greeted her guests wearing a becoming aqua knit dress. Miss Maness seated at the coffee table, served her friends a delicious fruit punch as they arrived. The buffet luncheon was served on tables covered with white drawn linen cloths. Each guest's place was designated by a miniature cattleya orchid nosegay. The bride-elect's table was appointed with a pretty

arrangement of orchid lanterns and white confederate jasmine in an antique crystal "sweet-meat" dish. The serving table featured an arrangement of gladioli in the bride's chosen shade of orchid. A crystal epergne held a gorgeous arrangement of glads and babies breath.

Among the 20 guests attending were the bride-elect's mother, Mrs. Lee Maness and her fiancé's mother, Mrs. C. Elton Crews.

Couple Is Honored With Shower

Susan Gore and Roger Gurganus, who are to be married May 20, were honored with a kitchen gadget shower April 29, at the home of Mr. and Mrs. Ray Wells on Lake Lillian.

Upon arrival Susan presented a corsage of red carnations ornamented with miniature kitchen gadgets and Roger a red boutonniere. Miss Tammy Bass attended the bridesbush. The decorations carried out the theme of an old-fashioned ice cream parlor with the tables covered in red and white checked table cloths. Waitresses, dressed in red and white striped uniforms and straw sailor hats, served the four flavors of homemade ice cream and the variety of cakes.

Games were played and a skit portraying Roger and Susie during their courtship was presented, followed by a fake wedding, and finally Susie after a few years of marriage.

Seventy-five guests were there to share in the fun of opening the nice gifts, and to share in this lovely occasion. Assisting with the serving were Cindy Bass and Julie O'Steen. Hostesses for the evening were Jane Wells, Ophelia Rihner, Mary Bass, Dorothy Atkins, Peggy Wells and Sharon Dunn. They presented Susan and Roger with an electric fry pan.

County Has Another Youth Camp

Highlands County has another youth camp and a day camp with the opening of Camp Sun 'n Lake here on June 19.

Camp Sun 'n Lake will be open to day students as well as boarding students, according to John L. Sullivan, Executive Director of the camp. The youth camp is a subsidiary of Sun 'n Lake Estates of Lake Placid.

"We're opening Camp Sun 'n Lake to day students," Sullivan said "because many parents discussed the need 'with us for a professional day camp for youngsters." He said there would be no difference in facilities and instruction offered day students and boarding campers. The day students will come home at night and the boarding students will stay at the Lake Placid Holiday Inn.

The campers will take most of their meals in the Holiday Inn's dining room with some cook outs planned for June 19.

All campers will participate in a variety of activities that include horseback riding, skiing, boating, archery, and many others. An experienced staff of 13 will supervise and instruct the activities of the boys and girls.

The day camp and boarding camp will be open to both boys and girls ages 11 to 15 inclusive. Sullivan said transportation can be arranged for those day students who need it on daily basis for local youngsters.

MRS. DEMOS MANDIS lovingly holds her first great-grandchild, little Frances Dee Williams, daughter of Melli and Phyllis Williams, while celebrating her 81st birthday, April 27th. Photo by Sharpe.

Party Honors Mrs. Margaret Mandis On 81st Birthday

Mrs. Margaret Woodruff Boardman Mandis celebrated her 81st birthday and 50th year of residence in Avon Park, Thursday, April 27 with a dinner at the home of her son Phillip E. Boardman on Lake Isis.

Mrs. Mandis, along with her guests; Mrs. Jank, her grandson Robert Boardman, her grand-daughter Phyllis Williams and husband Melli, and Mr. and Mrs. P. E. Boardman; enjoyed a tremendous ham dinner with all the trimmings, topped off with a birthday cake!

Adding to the sweetness of the

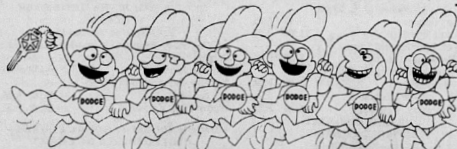

cake and to Mrs. Mandis' enjoyment was the presence of her first great-grand-daughter Frances Dee Williams, daughter of Phyllis and Melli, of Avon Park.

Mrs. Mandis' grandparents, Mr. and Mrs. Woodruff, came to Avon Park back in 1894, and established a set of firmly planted family roots. Demos Mandis brought Margaret, his new bride, to Avon Park in 1922, at the invitation of the Woodruffs, and began a dairy on two acres of land. The Avon Park Grammar School is now situated on the same land as the original dairy. Demos also began a grove care-taking industry, at one time he cared for 1000 acres of groves. After a length of time and investment, Demos moved his dairy to some property he purchased on Wauchula Road. This dairy is still in operation today.

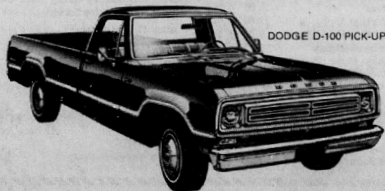

Mrs. Mandis now resides in a beautiful home at Manwood, situated on U.S. 17 South, between Avon Park and Sebring.

Lions Club News

By Milton Giddens

Chuck Smith, our regular public relations man, is on a leave of absence so the Lions president will fill in for him until his return.

At our last meeting, we were served a very fine meal, like all meals served at the Club. Since our guest for the evening came from Lakeland, we decided to let him give his program first.

Our program was brought to us by Lt. Jerry Knox of the Florida Fresh Water and Game Commission. Lt. Knox is in charge of information and education for the Commission. He showed slides of the hunting and regulating hunting programs in Florida. Some of the slides shown were trapping wild turkeys for re-stocking purposes throughout the state.

He also told of trapping hogs, deer, and other small game to be transported to other management areas in the state. Lt. Knox also told of how the Game Commission has imported fish and other game into Florida to see how well they adapt themselves in this country. Some species have done well and the others have proven fatal to Florida - such as the walking catfish.

The program was enjoyed by all and we thank the Fresh Water and Game Commission for their cooperation.

We are glad to have Al Yarborough, Jr. as a new member in our Club.

The Lions Club wants to remind all persons attending the American Legion meeting

that they are in store for a fine meal on Sunday, May 7. The meeting is being held at the Legion hall and the Lions building. For more information, contact your Legion officers.

Mr. and Mrs. Marvin Roenneberg left on Thursday morning for Freeport, Illinois, with his mother, Mrs. Ella Roenneberg accompanying them to their home. Ella will spend the summer visiting them and other members of the family. Most of her time, she plans to stay with her daughter and husband, Mr. and Mrs. Melvin Schlusser who live on a farm only 4 1/2 miles west of Freeport. We shall look forward to her return in the fall as Ella will be missed by all of us.

Monday morning found Mr. and Mrs. Glenn Long traveling north in a leisurely fashion as they plan to stop at Rainbow Springs and White Springs, the Stephen Foster Memorial on Monday. Tuesday they will stop at Okefenokee Swamp in Georgia and take the rest of the week to get home.

Friends and neighbors of Mr. and Mrs. Walter Douglas extend their sympathy at this time of sorrow, as Mrs. Douglas' son, Mr. Thomas Douglass, passed away at the Hospital in Harvey, Illinois, last Thursday.

Mr. and Mrs. Forrest Wiedeman arrived home on Friday afternoon after a good trip through rain and clouds. A pleasant surprise from their children awaited them in the form of a new color T.V., new cupboards, sink and carpeting in the kitchen, new built-in cabinets and lavatory, and walls in living room and dining area all newly painted off-white. They were delighted with

their darling 4 month old great granddaughter and her big brown eyes. We know their summer will be a happy one with such a thoughtful family. Susie and Joe Bacon are delaying the planting for awhile as they still had a lot of snow in Townsend, Wis., but Joe has probably done some ice fishing in his favorite, Chain Lake, which is nearby.

Mr. and Mrs. Rollie Hendrick report 36 degrees and rain in Broken Bow, Neb., last week and it is nice to be home with all their family. We were happy to have Mr. and Mrs. O. G. Cressy from Virginia for a vacation this past week, in the trailer on Court 41. Dinner guests at the Robinsons on Friday night were Mr. and Mrs. Alton Wetmore, Mr. and Mrs. Zeno Warner, Mrs. Alta Robinson, followed by an evening of games.

First Longacker, Edith Martensen and Bessie Trude had their Sunday dinner at a new eating place in Wauchula which is becoming a favorite with them. When La Rue returned home, her son and wife, Don and Martha Longacker stopped to visit with her for the evening and gave her a mobile of Sea Horses which is a clever attraction and subject of conversation. The Welcom Millers arrived home safely after a 540 mile trip the first day and the rest on the second day. They were tired but happy to be back in Bourbon, Ind.

Summer season has caught up with the dances too, so there was one square to dance on Friday evening. But it is always a lot of fun and they will try out all the records there is at the club.

Supper

With 25 present at the supper Saturday evening, they had a short but interesting program. Caroline Webber gave a reading "If The Shoe Fits," Arlene Lane a reading "Courtesy" by Edgar Guest. Also short stories were told by Elmer Thibben and Earl Ayling.

Lucille Thibben's birthday was honored by the group. Hosts for the evening were Mr. and Mrs. Earl Ayling, Caroline Webber and Arlene Lane. Next week's hosts will be the Elmer Thibbens and Mildred Able.

News of the week

Two new members were registered: Cross and Gladys Spann, now of Avon Park. The Otto Krogers arrived home in Martin, Wis. to find the weather quite chilly.

Avon Park's Little League season got underway with a parade and four games last Saturday afternoon. The parade was led by the Avon Park Junior high band, the chief of police, and the mayor. The eight teams and their coaches marched along the mall before gathering at the Little League Field for the opening ceremonies of the season.

Rev. A.D. Childress gave the invocation followed by a short address by Mayor Robert Barben. Little League head umpire, Tom Anderton, when called upon for a few words by master of ceremonies John Wright, gave the familiar call of "play ball." Mayor Barben tossed the first pitch in to Avon Citrus Bank catcher Wade Bush and the 1972 season was underway with the Bank team playing Kiwanis.

Avon Citrus Bank won the first game by a score of 12-5 over the Kiwanis boys as Ricky Anderton pitched a three hitter at the losers. Kiwanis had pitching trouble and gave up a total of 19 walks and a man on base with a hit pitch in the 4 1/2 innings of play in the game shortened because of the 1 1/2 hour time limit. Kiwanis shortstop and pitcher Jeffery Adams hit a double and first-sacker Brent Beumel rapped out two singles off Anderton for the only hits in the game.

In the second game Bagwell took a 9-1 victory from I. H. Ford in a six inning affair. Dale Sisemore tossed five innings for Bagwell allowing only one hit—a single to Ford pitcher Larry Pough. Joel Wright came on in the sixth to strike out the last three Ford batters. Bagwell slammed out three home runs and three doubles off Pough who went the distance for Ford. Bagwell second baseman Larry Jackson hit one over the fence with one on in the first inning and then lifted another over in the sixth inning with another

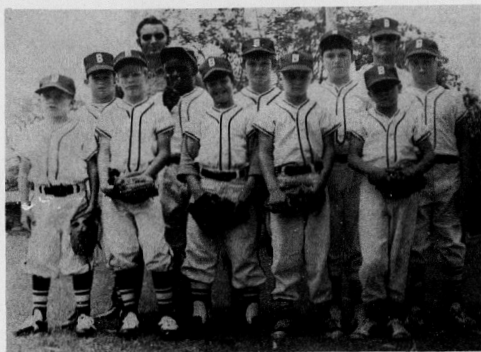

runner on. Dale Sisemore had a double and a single, catcher Jim Spurlock hit a homerun in the first with no one on, and James Wilburn and Joe Wright both boomed out doubles to help scored Bagwell's nine runs.

The third game was a close one with Lions winning 4-3 in the last inning over Leons. The Lions hit two homeruns off losing hurler Billy Young as both teams got a total of 5 hits. John McKunas, Lion pitcher, and Ricky Jones, the centerfielder, both had a homerun and a single to their credit and Ralph Hartt rapped out a single for the Lions. For Leons Billy Young, Johnnie Harrison, and Andy Lanzing all hit a double off McKunas and Craig Skipper and Steve Arnold both hit a single.

The last game of the evening was also a close one with First Baptist taking a 6-3 win from the Rotary club. Baptist pitcher Horace Moore held the Rotary batters hitless striking out 12 but also walking 11. The Baptist batters got 4 hits off two Rotary pitchers—Ronnie Brock and David Mellinger. Horace Moore hit a triple, Garry Farless and Billy Nalker both hit doubles, and John Barben got a single for the Baptists.

Tonight the Lions take on I.H. Ford in the 6:00 o'clock game and the Bank plays Rotary in the second game. Tomorrow night (Friday) Bagwell is scheduled to play Leons and First Baptist set to take on Kiwanis by the games will be postponed until Saturday night because the Red Devil varsity will be playing Ocoee here in a Class AA Region III tournament game on Friday night.

Next Monday night, May 8, Ford will play Bank in the first game and Rotary will play Bagwell in the second game. Next Tuesday it will be Leons against Baptist in the early game and Kiwanis against the Lions in the nightcap.

Legislative re-districting divides county in 3 parts

When election time rolls around next September, some Highlands county voters may be madly scurrying around trying to find the right place to vote. Because under the Florida house Legislative redistricting splitting the county into parts of six districts, many precinct boundaries are going to have to be changed. And in precinct changes, the local elections office has always found some who do not respond when notified of changes.

If the present re-districting plan is approved by the Florida

Supreme Court, voters in this county will find themselves in districts 75, 89, 49, 50, 51 and 52. Actually the last four districts have been lumped together - and voters in those districts will vote for four legislators instead of one.

Certain chaos

One thing only is certain at this point - there is bound to be a certain amount of chaos, no matter what. Supervisor of Elections James Whitehouse declared:

"I am very much concerned and upset with the problems

that are going to result from the split. I will be required to properly register the residents in their right precinct prior to the July 11 qualifying date.

"The first primary will be Sept. 12 and books close for that primary Aug. 12. We will have to notify the people whose precincts change but I am not prepared to say now just in what manner or when."

Whitehouse said it is impossible at this time to be able to tell when people who have their precincts changed will be notified - "we will notify them

as soon as possible."

He pointed out that "it is very important that this be handled in a proper legal manner to avoid future court cases involving the Supervisor of Elections, County Commissioners and candidates."

Commission districts

The touchy matter of changing the County Commission district boundaries may also be a problem at this time. Whitehouse said he is "inquiring now on whether the County Commission districts

must conform to precinct lines."

He said that he will go to Tallahassee for a few days and when he returns May 13, he hopes to have the answer. Effective Mar. 7, the old rule about changing precinct districts only in odd numbered years no longer holds true and Commissioners can re-district in a couple of months. These districts are supposedly organized to contain about the same number of people. In Highlands county, people vote on their Commissioners county-

wide but the Commissioners themselves must qualify by district.

In stating that Highlands county will have to change precinct boundaries, Whitehouse pointed out that "we may have to add new ones or we may be able to add to some and take away from others."

Three different ballots

Highlands county's elections office, he said, now will have three different ballots in an election.

"We may be required to find

new polling places because the precinct lines have excluded existing polling places in the probable new precinct."

Precincts 1 and 2 in Avon Park, he said, will not be changed. However, Precincts 3, 4, 5 and 6 are all split, some almost perfectly in half, by placing of Avon Park in House districts 49, 50, 51 and 52.

The immediate Sebring area, he said, will probably not be changed. However, the lines will change as close as the Sebring Shores area.

"The line comes down and apparently runs south to Fairmont drive and then back north and around Lake Sebring for those four northern districts."

Precinct 13 in Lake Placid must be split along with Precinct 12. The latter is the Florida to Brighton area. The district line will exclude Holiday Inn, Lake Grassie and Lake Huntley areas, for example, from the City of Lake Placid. What precinct they will fall in is not known.

Mountains of work

"We are facing mountains of work as a result of the split of

Highlands county," Whitehouse pointed out. "It will be impossible for my office staff to handle the mail out and precinct corrections without additional help. However, the plan has not been validated by the courts at this time. No definite plans can be made until we are notified that this plan has final approval of the courts."

If the present plan - described by some as a big job of gerrymandering - is not approved by the Supreme Court, the problems would be compounded.

Said Whitehouse: "It is my understanding that the Legislature would be called into special session and another plan proposed possibly involving the same lines in Highlands county but changed in other areas in the state to please the courts."

"Then we will again have to test the plan in the courts. If at that time the courts throw out the second legislative plan, I am told the courts will then create their own redistricting plan and this will probably be final. However, we would then be faced with a very short period of time in which to make our necessary changes."

Elections supervisor details new districts

Under the three-way state legislative district split in Highlands, these changes will be noted.

The shaded area represents the proposed new House District No. 75, which will require the splitting of Precincts 3, 4, 5 and 6 in the Sebring and Avon Park areas.

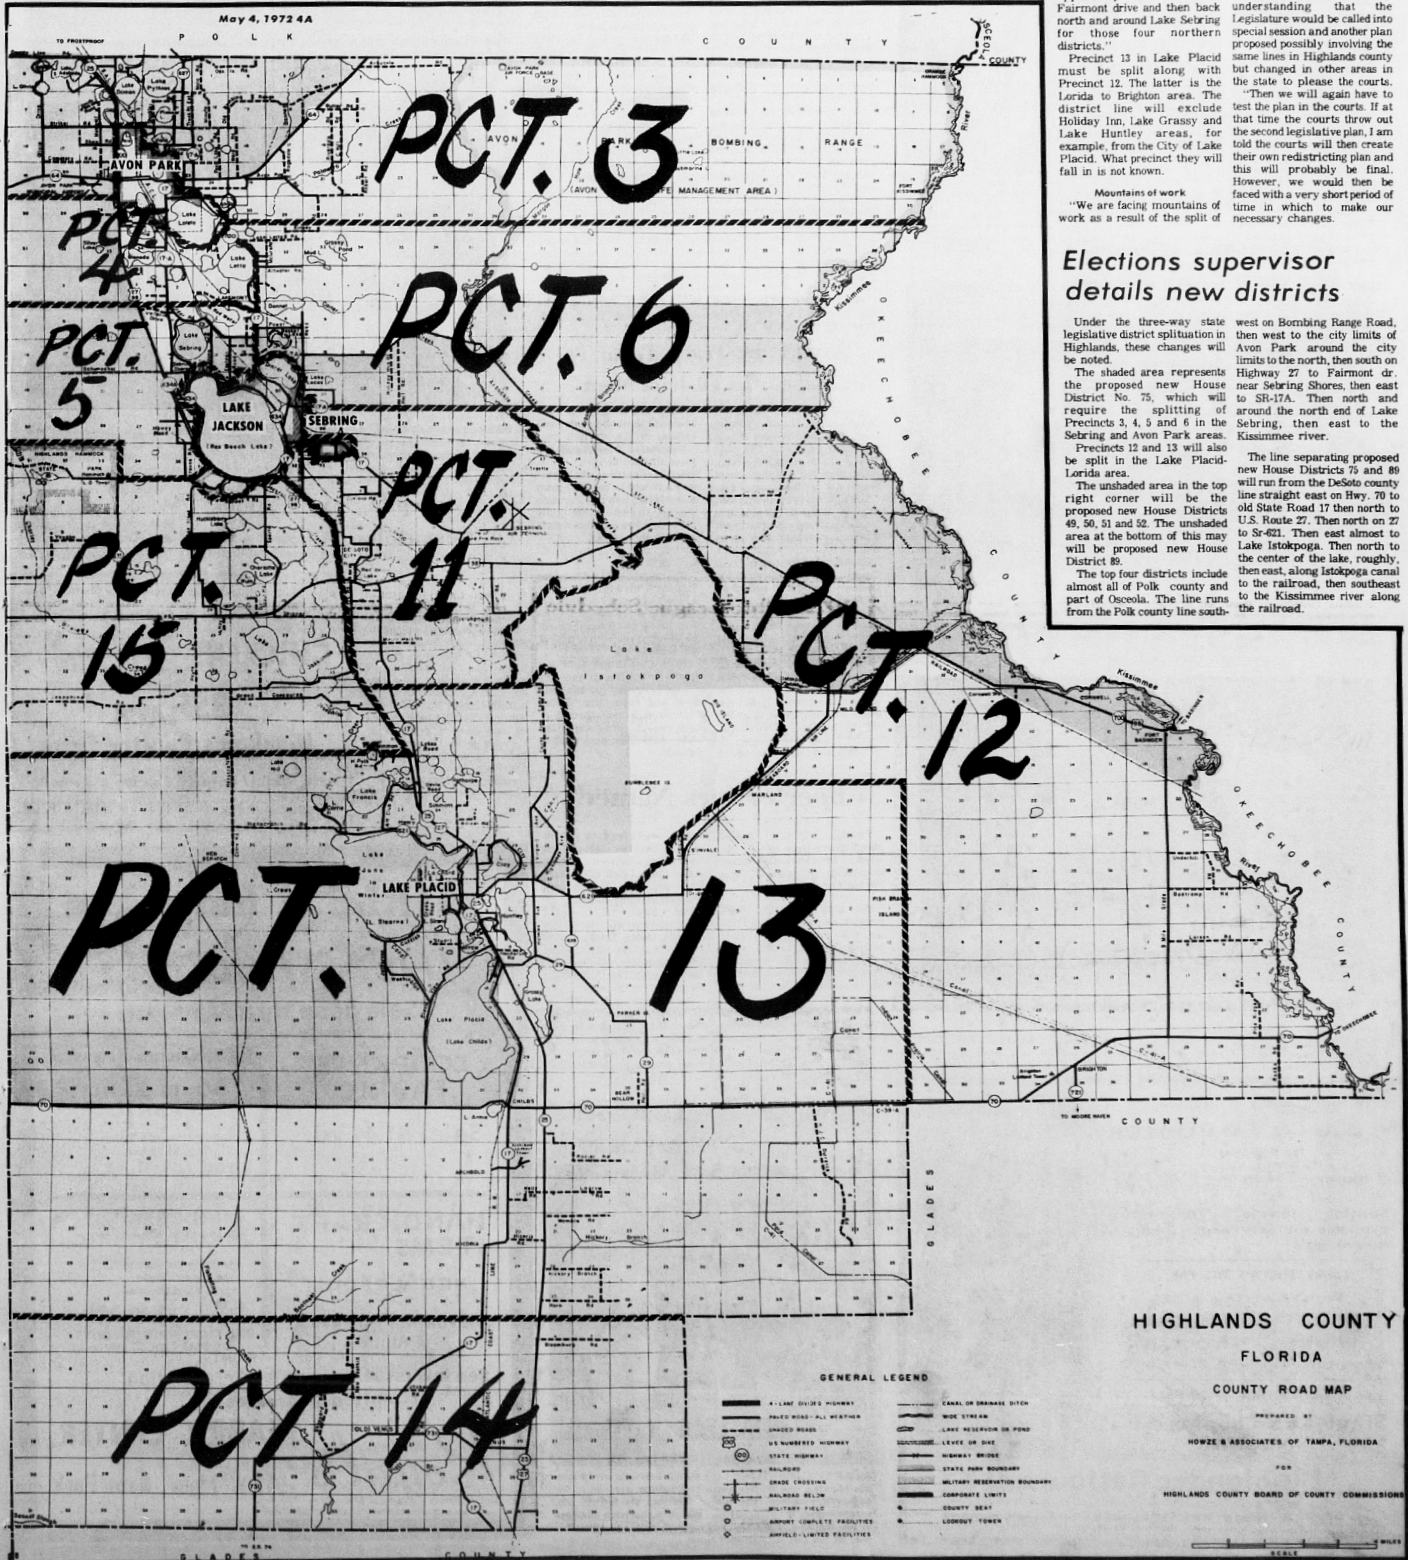

Precincts 12 and 13 will also be split in the Lake Placid-Lorida area.

The unshaded area in the top right corner will be the proposed new House Districts 49, 50, 51 and 52. The unshaded area at the bottom of this map will be proposed new House District 89.

The top four districts include almost all of Polk county and part of Ocoola. The line runs from the Polk county line south-

west on Bombing Range Road, then west to the city limits of Avon Park around the city limits to the north, then south on Highway 27 to Fairmont, near Sebring Shores, then east to SR-17A. Then north and around the north end of Lake Sebring, then east to the Kissimmee river.

The line separating proposed new House Districts 75 and 89 will run from the DeSoto county line straight east on Hwy. 70 to old State Road 17 then north to U.S. Route 27. Then north on 27 to SR-621. Then east almost to Lake Istokpoga. Then north to the center of the lake, roughly, then east, along Istokpoga canal to the railroad, then southeast to the Kissimmee river along the railroad.

THESE FIVE RED DEVIL baseball players were chosen for Lake Ridge Conference All-Star honors last week. From left to right are shortstop Leon McRae, pitcher first baseman Don Sisemore, rightfielder Howard Sizemore, second baseman Tim Underwood and cen-

terfielder Eddie Ezell. McRae and Underwood are juniors and the other three are seniors. The Red Devils will play Ocoee Friday night in the Class AA Region III one-game play-off here at Head Field.

TIM UNDERWOOD, AVON PARK rookie second baseman, slams out a hit against the Frostproof Bulldogs to aid the Devil's winning cause in the district tournament here last

week. Underwood is one of the leading batters in the Class AA District 6 championship team.

RED DEVIL FIRSTSACKER Del Murphy takes the throw from an Avon Park infielder to put out a Frostproof runner in the district play-off game held here last Thursday night. The Devils won 4-3 and went on to win the AA-6 district title.

Devils Wins Class AA Championship Last Week

The Avon Park Red Devil baseball team won the Class AA District 6 championship last week with 4-3 and 3-3 victories over the Frostproof Bulldogs. The Devils now move to the regional play-off game hoping for a shot at the state AA championship.

At Head Field last Thursday night the Red Devils had to come from behind to win by the 4-3 score. Frostproof jumped off to a 3-0 lead scoring two runs in the first frame on a hit an error and adding another in the third inning on a triple and a sacrifice fly.

But Avon Park came back to push over a run in the third as Leon McCrae drew a walk and Tim Underwood doubled him in. In the fourth the Devils tied the game up scoring two runs on singles by Nate Williams and McCrae after Keith Richards had drawn a base on balls.

The Devils won the game in the last of the seventh. With two men down, first baseman Del Murphy, waited out a walk off relief hurler Mark Wilson. Howard Sizemore singled and Murphy moved to third on the hard hit ball. Then with Keith Richards at the plate with a count of one ball and two strikes, a high fast pitch got away from the catcher and Murphy came home on the passed ball with the winning run.

Don Sisemore took the mound win for Avon Park holding the Frostproof batters to two hits

and fanning 7 batters. The Devils got eighth hits off starting hurler Freddie Elsmore and Wilson, who came on in the seventh. Tim Underwood and Don Sisemore both had a double and a single, Nate Williams had two singles and Leon McCrae and Howard Sizemore hit a single each.

In Frostproof last Friday afternoon the Red Devils kept pecking away at starter Charlie Walden scoring 2 runs in the second, 1 in the third, 3 in the fourth, 1 in the fifth and 2 more in the sixth for the 9 run total. The Devils managed 10 hits off Walden and Jim Hurst who came on in the fifth inning to finish out the seven inning game.

Frostproof scored its three runs on 6 hits off winning rightlander Artie Bass. The Bulldogs trailed all the way scoring one run in the third, sixth and seventh frames.

Don Sisemore led the Devils at the plate getting a double and two singles for four times at the plate. Leon McCrae and Keith Richards both had two singles, Tim Underwood boomed out a double, and Eddie Ezell and Johnny Todd both had single for the day.

After the game the Red Devils were presented a trophy for the AA-6 championship. Avon Park will now play Ocoee here at Head Field this Friday night at 7:30 with the winner of this Region III - Class AA game earning a berth in the state tournament.

Avon Park Track Team To Compete In District Meet

Avon Park's track team will compete in the Class AA district meet to be held in Fort Meade tomorrow (Friday). The Red Devils will be hoping to qualify some boys for the state meet which will be held next week.

Last Thursday the Devils took part in the big Fort Meade Invitational and came out with a record-breaking first place in the two-mile run. Avon Park's James Brown turned in his best time to break the Devil's Joe Dalton's invitational record of 10:57.4 minutes with a fast 10:20.7. Brown's new time is also a new Avon Park school record bettering his own old time of 10:44.1.

Eugene Sneed took third place in the two-mile run with a good time also. Sneed did the distance in a time of 10:45 even which was also better than the old Fort Meade Invitational record in that event.

Brown and Sneed also added

some points to the Red Devil total with third and sixth place finishes in the one-mile run. Brown had a time of 4:44 and Sneed finished in 4:54.

James Coleman set a new school record in the long jump with a 20'11" leap but managed only a fifth place finish in the meet. Coleman also had a sixth place finish in the 100-yard low hurdles with a time of 22 seconds flat.

The other points scorers for Avon Park were Richard Percy with a tie for sixth place in the high jump with a 5'6" effort and Earl Strong with a sixth place in the 440-yard run with a time of 58.5 seconds.

Cochet Chet Brojek feels that James Brown has an excellent chance to qualify for the state meet and hopes that James Coleman will come through in some event to earn a shot in the state competition next week in Orlando.

Cheerleaders Named

Varsity and "B" squad cheerleaders were elected last week at Avon Park High School according to sponsor Miss Phyllis Love.

The girls in grades eight through eleven, who tried out for the squads, were first screened by a faculty committee after a week of practice. Then the girls who qualified for the finals went before the high school student body last week to demonstrate their cheerleading skills. The student body voted for eight girls for each squad and one alternate each.

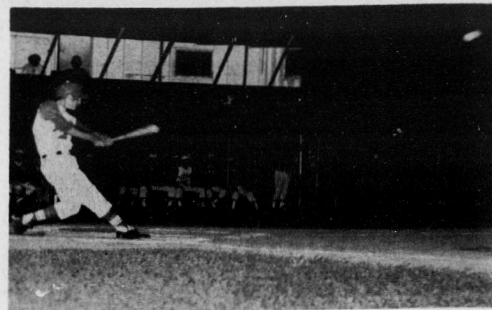

Those elected for the varsity

squad are: Sabrina Mont-deoca, Dee Dee Jahna, Sara Nunnallee, Sharon White, Conna Ford, Linda Hill, Susan Sisemore, Joni Morris, and alternate Cynthia Jones.

The new "B" squad cheerleaders will be: Julia Filippula, Joyce Smith, Laurie Peterson, Candis Jahna, Mary Linda Derkman, Nena DuPree, Tayana Lewis, Lisa Clifford and alternate Tara Young.

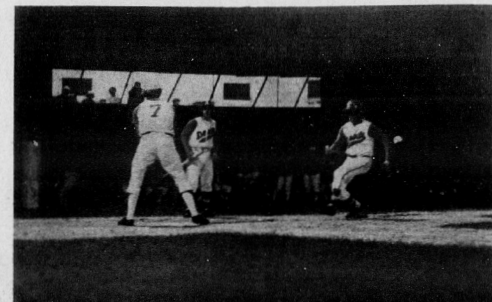

The eighteen girls will go to the American Spirit Association Cheerleading Camp to be held at Stetson University in DeLand June 9, 10, and 11 for instruction in all phases of cheerleading.

THE LEADING RED DEVIL batter, Don Sisemore, raps out a double in the first game against Frostproof in the sub-group play-off which the Avon Park team won 4-3 last week

here at Head Field. Sisemore is batting at a .480 clip for the twenty games and is hitting over .500 in tournament play.

DEVIL FIRSTBASEMAN DEL MURPHY crosses the plate with the gamewinning run against Frostproof in the first game of the Class AA District 6 play-off series which Avon Park won 4-3 last week. Frostproof pitcher,

Mark Wilson, awaits the throw from the catcher after a passed ball allowed Murphy to score as Devil Keith Richards backs out of the batter's box to watch the action.

RED DEVIL SHORTSTOP Leon McCrae connects with a low one showing how he has set a .448 batting average in 29 games this season. The junior shortstop started off the season behind the plate but was moved to shortstop midway in the season and has sparked the defensive and offensive play of the Devils since that time.

APCI Nursery "How We Grow Them"

by Jim Kiser, inmate

"Con-Tiki" might well describe our latest contribution here at the Nursery. More fitting would be to say, a very talented young man with wood chisel. Wayne Coombs, inmate, was assigned to us last week and told us that he is a wood carver. Now what do you do with a wood carver in a nursery? Anyone having visited the Nursery knows that we have an island that we are starting to plant for our own touch of Polynesia. Wayne started to carve on some dead palm stumps and as his 'tiki' developed, we were left with little doubt as to the quality of his talent. These 'tikis' will be the envy of our visitors and a delight to use with our tropical landscape. As Wayne learns the use of plants in conjunction with his carvings, he will be putting

polish to a very profitable future.

CHRYSANTHEMUMS: They can withstand careful transplanting at any stage of growth and will provide late color spots after early annuals begin to look drab. Rock garden, borders, edging, or containers are all ideal for the medium size plants. Root divisions or rooted cuttings from the neighboring gardens can be planted at once if soil is not too wet to work. Full sun and well-drained soil are essential, and pH should be between 6.0 and 6.5 for best results. At planting, allow about 20 inches between border plants and let the clumps that develop grow towards each other. Plant roots no deeper than 3/4 inch and firm soil carefully around them. Place a stake at the center of each clump, so that you can easily tie the top growth to them. Pinching is needed to increase flowering and prevent them from becoming leggy.

DISEASES: Try as you might, plants can develop problems. Chrysanthemums are threatened with many, but it can be overcome with a little knowhow. Among the diseases that accompany them are Botrytis (petal rot) creates soggy brown blossoms caused by spores with a gray and wooly appearance. Control with Zineb spray at first indications and continue treatments according to manufacturer's recommendations. Aphids can carry mosaic which produces stunted plants with deformed buds. By controlling these sucking insects, disease damage should be checked. Use Nicotine Sulphate, or Malathion. Remember that those parts of plants affected by diseases can never be cured. The most you can hope for is to prevent the spread of infection. Do keep damaged foliage removed so that any of the infections will not be spread. There is no reason to let this information scare you off Chrysanthemums as they have been grown successfully for many centuries and will continue to be among the garden favorites for as many more. The types and varieties available seem endless and can afford elaborate color schemes in your plantings.

Letter To The Editor

ATTENTION Members of the American Association of Retired Persons and Teachers and the future members of the AARP.

The President of the AARP, Mr. Fred Faassen, asked me as the Founder of the Chapter 222, and the selected Community leader to inform the member and the community in general, of the President Nixon's Proclamation at the conference on Aging at the White House, that from May, 1972, the month of May will be designated as National Senior Citizens Month, and asked me to get in touch with the Mayors and Councils and Chambers of Commerce to cooperate and proclaim May the National Senior Citizens Month.

The President's Motto is most appropriate since May marks the end of the first six-month period following the 1971 White House Conference on Aging. President Nixon has chosen "ACTION NOW," as the theme for the observance. At the Conference on Aging, President Nixon stated: We need a new national attitude toward older people in this country, and that attitude must be one which recognizes that America, whatever it does for its older citizens, fully appreciates what

is older citizens can do for America.

Senior Citizens Month offers us a wonderful opportunity to develop our community image to become participants in worthwhile civic activities and as the President has urged to take "ACTION NOW," I have a program what we can do for the community and also for the Senior Citizens.

Avon Park Grange Report The Avon Park Sun

1B - Avon Park, Florida, May 4, 1972

by LaVerne M. Fullmer
Avon Park Grange met Tuesday, March 22 with Master, Louise Clarke in the chair. The Secretary, Mary Haviland, read a letter from the Director of Youth Activities at National Grange Headquarters thanking Avon Park Grange for their donation, and enclosing a Gold Seal to be attached to the Certificate which is kept from year to year.

Edith Martensen of the Home Economics Committee reported several entries for the National Grange Needlework Contest. Grace Warner attended the Chamber of Commerce meeting concerning adding some color to the Mall. Plans were made to start this project this Fall.

In recognition of Earth Week, the program dealt with Agriculture. A Farm Front report was given by Loyd Slocum; an Article on Arbor Day by Gertrude Slocum, and How to Attract Hummingbirds to our Gardens by Louise Clarke.

Hobbies displayed were: eight pairs of knitted mittens by Louise Clarke and two crocheted doilies by Mary Haviland.

On the lighter side, the Lecturer presented "Who's Mixed Up?" and "Laugh Lines," and Elmer Fullmer told a true story and recited a complicated tongue-twister.

So many people are asking what good the Moon Shots are doing our Country, LaVerne Fullmer reviewed a Booklet, "For the Benefit of All Mankind" put out by General Electric. Many wonderful and useful inventions have already been completed from knowledge gained during these experiments.

Thought for the day - "We can't help wondering if some of the current motion pictures were released if it they escaped."

Refreshments of home-made bread chicken sandwiches were served by LaVerne and Elmer Fullmer as their hobby.

The next meeting will be held on May 9 at 8 p.m. in the Men's Bible Class Room of The First United Methodist Church.

Pomona Grange will be held at the Pioneer Park Community Hall at Zolpfo Springs on Saturday, May 6 at 8 p.m.

Crusade Against Drugs - One In A Series

DRUG ADDICTION HITS HOME

Drug addiction isn't somebody else's problem . . .

it's ours. Each of us is a loser when the addict, ravaged by physical and emotional damage, driven by growing dependence on his drug, turns his potential as a person and as a citizen into frantic scheming for ways to get his drug and pay for it. To support his habit, he almost certainly turns to crime. Most alarming — and of grave concern to parents — is the spread of drug addiction downward, into the classrooms of our high schools and even grade schools. There are no easy answers . . . but stopping drug addiction begins by honestly facing its problems.

We all share the responsibility to educate ourselves and our children about the dangers of drugs. We must: Learn the facts and fallacies about drugs. Set a good example. Don't misuse drugs . . . including alcohol and sleeping pills. Be prepared to understand and discuss drug problems.

Support community efforts to combat drug addiction. By mobilizing sound knowledge, we can help to end drug addiction and its problems.

KNOW YOUR ENEMY!

Hallucinogens: marijuana, hashish (reefers, joints, grass, pot), LSD (acid), mescaline; Depressants: barbiturates (downers, barbs, phenies), tranquilizers; Stimulants: amphetamines (pep pills, speed), diet pills; Narcotics: heroin (N, horse, junk, snow), codeine (schoolboy), cocaine (coke, speed balls), morphine — all threaten to hit right home.

Two Jets Collide Over Bombing Range Monday

THE ENGINE of one of the F4 jets that crashed Monday was the biggest part left of the aircraft.

Two Pilots Killed

Two Air Force pilots were killed and two injured when their F4-E phantom jets collided over the Avon Park Bombing Range Monday. The accident occurred at approximately 11 a.m. during routine strafe mission over Charlie Range in the Southeast corner of the bombing range.

Dead was Maj. Clayton E. Hotchkiss, 40, of Castle, N.Y., and Capt. William S. Yeager, 23, of Connellsville, Pa., both in the same plane. The other pilots ejected and were taken to MacDill Air Force Base by rescue helicopter. Both are listed in good condition.

The \$2.5 million planes were the latest modification of the F4 Phantom Fighter from the 31st Tactical Fighter Wing at Homestead Air Force Base.

An accident investigation team was dispatched from Homestead to determine cause of the crash. Several Air Force personnel in towers at the time saw the accident but would not reveal any information.

A pilot that was on the scene and recently back from Vietnam said the two jets were torn up the worst he had seen.

Both jets were headed east approaching the target when the two collided, scattering debris for three-quarters of a mile. The largest pieces were the engines, the rest of the planes were in small pieces.

Major Hotchkiss is survived by his widow, Beverly and three children, and Capt. Yeager is survived by his widow Donna all of Homestead.

Council To Ask County For Ambulance Subsidies

Ambulance Service was a topic under discussion of the Avon Park City Council at their last meeting held Monday at

City May Have To Run Library

The Avon Park Womens Club informed the City Council by letter, that they plan to relinquish all control of the Avon Park Library and turn it over to the city.

Coming as a surprise at the last regular meeting of the council, the letter was read by City Clerk Malcolm Crews as the council quietly listened. The ladies stated in their letter that "it was for the best interest of the Library and the Club that we relinquish our control over the operation of the Library, and that we ask the City of Avon Park to assume full responsibility of the Library." The letter went on to say, that even with the aid of the government, "it is not within the ability to operate a public library, and assume all expenses, salaries, etc."

The Womens Club asked the council to meet with a committee consisting of Mrs. T.H. Maxwell, Mrs. E.G. Todd, Mrs. W.C. Touchton, Mrs. Art S. Turner, Mrs. J.F. Wagner, and Mrs. Wm. Carlisle Smith, to discuss any additional plans.

Council President J.R. Duggan stated the city has only two alternatives. First the idea has to be put on a referendum for the people to vote on it, and secondly they could fund it through a millage, which the city is in no position to do.

Duggan also suggested that the only other way the city could possibly support a library would be to raise the present utilities tax from 5 per cent to 10 per cent.

Councilman Clarence King stated that if the idea were put on a referendum "you've got to let them know how much you're going to spend" for the operation of a library.

Councilman Herman Sizemore stated, "I really in truly I'd like them to do it over before we do anything."

The council, not able to decide on anything until after the meeting with the Womens Club decided to hold a special meeting Thursday, May 18 at 8 p.m. with the representatives of the club.

city hall.

The council noted that some ambulance runs dating back into January were yet unpaid. They decided to send the debtors stern letters asking for remittance. The council noted that the service was running very smoothly without a loss to the city, but decided to contact the county for possible subsidies for maintain back up service.

Crews reported to the council exterior repairs that will be needed made to the armory in preparation of the Avon Park Community Center. He stated the building needed roof, repair, window repair and a back fire escape. Concerning the fire escape, it was noted that the city hall does not have a fire escape either. Any action was tabled by the council for two weeks.

In other actions taken by the council, George Haynie was appointed to the Zoning Board to fill the unexpired term of John Giddens, Jr.

Mr. John Lowe and Mr. Charles Morgan of Dawkins and Associates appeared before the council and stated they had prepared plans for the sewer extension on North Lake Avenue and requested bids be

taken and in on May 30.

The council also decided to ask Ralph Clements to serve as municipal judge to try the case of John Simpson since Judge Lanier disqualified himself.

Bids were opened for a new police car. Wells Motor Company bid \$2,978.50 on a new Dodge, but J.H. Ford Motor Company underbided with a new Chevrolet at \$2,800.

A list of junk cars was submitted by the police department, owners of the property will be notified that the autos must be moved.

Finally, Councilman Durrah Martin asked the council to install one street light on South Delaney Avenue between Camphor and Canfield Streets, and one on East Circle Street on the north side of Lake Verona. The motion was carried unanimously.

John Koger Charged With Grand Larceny

Police Chief Ferland Cribb reported to the Avon Park Sun the arrest of John Koger, of Avon Park, on charge of grand larceny.

According to the report given by Cribb, Ed Touchton, Jr. came to the police station Monday, May 8 and reported that the drug store had lost a considerable sum of money over the past three or four days. Cribb and he decided to go and map out some sort of plan at the store to aid in the investigation.

They decided to place Touchton and Patrolman Ed Braswell in a small room in the rear of the store off the pharmacists counter. The two arrived at the drug store at 4:35 a.m. Tuesday morning, hoping to complete the case.

At 5:05 a.m. Clair Atkins, General manager of the Touchton Stores in Avon Park and Sebring, arrived to deposit some money into the pharmacists counter drawer. After he had done this and Touchton, Jr. and Braswell were sure he wasn't the culprit, they informed him that they were in the store.

At 5:15, John Koger, an employee of the drug store, arrived and went to the kitchen to prepare it for the days activities. Atkins had to leave the Avon Park store and did so at 5:25.

A few minutes later, at approximately 5:30, another employee arrived at the scene and also went into the kitchen to work.

A short length of time later Koger came from the kitchen and went to the pharmacists counter and opened the money drawer. He counted out some of the money, replaced the remainder, and wiped off the drawer with a towel.

At this time, Touchton and (Please turn to page 2)

The Avon Park Red Devil baseball won the Class AA Region III title last Friday night with a 3-0 shut-out over Ocoee here at Head Field in a real tight game that went scoreless until the bottom of the sixth inning.

The win earned the Devils a berth in the 3-A state tournament and then the tournament itself was awarded to Avon Park and will be played here today and tomorrow. The Red Devils will take on Century of northwest Florida tonight (Thursday) at 8:00 o'clock. Miami Pace and Alachua Santa Fe will meet in the first game of the tourney set for 2:00 o'clock this afternoon at Head Field. The finals will be played tomorrow (Friday) night starting at 8:00 o'clock.

home from third as the ball went all the way to the backstop and Underwood moved to third. Then Ezell bunted and was safe on an error by the pitcher as Underwood came home with the second run. Ezell moved to second on a steal, took third on another passed ball and finally scored on a passed ball. Howard Sizemore and Keith Richards both drew walks

by were left on second and third as the Ocoee pitcher finally struck out two Devil batters.

Sizemore came on in the top of the seventh with the three run lead. The first batter popped up foul behind the plate and Devil catcher Nate Williams made a one-handed catch for the first Underwood wrapped up the victory for Avon Park and gave the boys a shot at the state AA title.

EDDIE EZELL, Red Devil centerfielder, crosses homeplate with the final run last Friday night when Avon Park took a 3-0 victory from Ocoee in the Class AA Region III game played here at Head Field. Ezell scored on a passed ball as Devil catcher Nate

Williams backs out of the box and Ocoee relief hurler Darrell Turner comes in to cover the plate. Avon Park plays Century tonight at 8 p.m. here at Head Field in the Class AA state tourney.

Only 27% Pay Bill For Using Ambulance Service

About 27 per cent of the people who use the county's ambulance service won't pay for it, County Administrative Assistant Charles Cullens told County Commission May 9.

Basing his figures on the first three months of experience with the service, Cullens projected that over a year's time about 27 per cent of over 1,000 persons called for using the service will decline to pay or ignore the bills.

Cullens recommended that all uncollected accounts, 90 days old or more, be turned over to a commercial agency for collection. The agency would keep 40 per cent of the amount collected, Cullens said.

The county could resort to use of the small claims court, he claimed, but the return might be only slightly better than operating through the collection bureau.

The Commissioners agreed to authorize the use of a collection agency to close delinquent accounts but instructed Cullens to be certain that the third statement sent on open accounts contained a notice that a collection agency would be used to follow through on the unpaid account unless payment is received by the county.

In other business, the County Commissioners:

- Approved Judge Mervin Reiter's request that Mr. and Mrs. R. William Clements be hired immediately as houseparents at the Juvenile Home.
- Heard Mrs. Armenta Duke request that continued Commission attention be accorded drainage problems affecting Anderson Street in Highway Park.
- Agreed to appoint a committee to consider L. Preston Jones' request that ordinances be established to govern private utilities operating in the county and to set charges, on a front foot basis, for improving certain county property.
- Accepted deeds from C. M. Payne that provide rights of way along the west boundary of the county's line. With acceptance of the deeds, the county gained access to property on which it can build a road from W. Josephine Road, several miles southward, to within 33 feet of a Hardee County Rd.
- Approved Andrew T. Tyree's request to rezone his land north of Lake Placid along (Please turn to page 2.)

STANLEY WELLS, right, Chairman of the Chamber of Commerce Beautification Committee, and J. R. Elgin, local authority on plants and trees, were caught in action of step one, in the project of bringing beauty and color back into Avon Park's Mile Long Mall. They are shown here inspecting the magnolia tree that was donated by Mr. Elgin and planted between the Wishing Wells across from the City Hall. Members of the Avon Park Garden Clubs and Grange No. 203 have also volunteered to contribute in the leadership of this worthwhile project. Photo by Sharpe
