This is a plug for Volkswagen.

Volkswagen is the world's first plug-in car. No, we're not putting you on. We mean it. Every 1972 VW has a built-in system of sensor points spread throughout the car. They're in the critical areas, like the electrical system and the engine. And they all connect with a socket in the engine compartment of the car. When that socket is plugged into a computer, the computer automatically checks things like ignition, compression, wheel alignment. All without any chance of human error. When it's done—and it doesn't take very long—the results are printed out in plain English. Sixty vital service checks. You can read them and discuss them right on the spot with the mechanic. The world's first plug-in car comes into its own starting later this year when the computer comes on at your Volkswagen dealer's. If you buy one now, you'll be all set when it happens.

AVON PARK HIGH SCHOOL principal Aaron Cravens presents the Class AA state championship trophy to the senior members of the Avon Park Red Devil baseball team last Friday night at Head Field. From left: Cravens, Robert Lanzing, Eddie Ezell, Ray Culpepper, Howard Sisemore, and Don Sisemore.

Red Devils Capture Class AA Crown

The Avon Park Red Devils captured their fifth state high school baseball championship last week with a 6-3 victory over Alachua Santa Fe here at Head Field for the Class AA crown. It was an extra sweet victory for the Red Devils who had had an off and on season losing five games during the regular schedule before firming up and going through a seven straight tournament games without a loss.

The first game of the Class AA state tournament took place last Thursday afternoon here at Head Field between Alachua Santa Fe and Miami Pace with Santa Fe winning by a score of 3-0 behind the 2-hit pitching of

Wade Emerson. Then last Thursday night the Red Devils took on a tough team from Century and had to go nine innings before taking a 4-2 win. The Red Devils warring team in both state tourney games. Against the Century Blackcats, the Avon Park boys jumped off to a 2 run lead, scoring one in the second inning and another in the fourth. In the second frame, Devil third-sacker Johnny Todd led off with a single, moved to second and third as two Devils drew walks and then came home on a wild pitch before the final out was made. In the fourth inning it was Keith Richards who singled to lead things off. Richards took

second on a passed ball and then came home on a single by Leon McRae, the Devil shortstop who went three for four against the Blackcats including a triple to start off the game's action. But Century evened the score up 2-2 in the last of the seventh. The lead off batter was walked but was cut down on a fielders choice hit to McRae. Then the third man singled pitting men on first and second. Robert Hudson, the Century shortstop, slammed a double to left-center scoring both Showalter and Lambeth. Hudson came to third on an error on the throw home. So with only one out and a man on third in the last of the seventh

inning, the Devils seemed very vulnerable. But lefty Don Sisemore proved equal to the task and struck out the number five and six batters to retire the side and throw the game into extra innings. The Devils won the game in the ninth frame. The first Avon Park batter struck out. Then Don Sisemore drew a walk. Eddie Ezell put down a bunt and the Century catcher bobbled the pick-up to give Ezell time to reach first. Sisemore took second and then third as the third baseman remained in at the plate in the confusion of the error. With one out and men on first and third, Johnny Todd bunted again and Sisemore was

safe with a beautiful hook slide around the catcher on the suicide squeeze. Howard Sisemore also drew a walk after Eddie Ezell was out at the plate on another attempted suicide squeeze. Then Keith Richards beat out a single to drive Todd home for the final run of the game before Century retired the Devils. Sisemore and the Devils put down the Blackcats in the bottom of the ninth without allowing a run to move into the finals by the 4-2 score. Sisemore, the winning pitcher, gave up nine scattered hits to the Blackcats during the nine inning affair, walked only two batters, hit one, and struck out eight giving up only the two (Please turn to page five)

County Cannot Change Districts Until 1973

Highlands County cannot change its County Commission districts until next year, even though precinct lines are changed under the division of this county into three legislative districts.

Supervisor of Elections Jimmy Whitehouse said Tuesday from Tallahassee and said that the re-districting on the commission district level cannot be done until 1973, an odd-numbered year.

Whitehouse said a meeting is being planned by a committee appointed by Andrew Jackson, chairman of the Board of County Commission, to discuss the necessary changes in precinct boundaries. The meeting, Whitehouse said, will be held within the next week. Members of the committee

are Jackson, Whitehouse, Bill Stephenson, Charles Cullens, and Bob Dunty.

Whitehouse said it appears that six new election precincts will have to be created in the county. Setting up election machinery in the new precincts will mean considerable more expense for the county, Whitehouse said. Each additional precinct, by law, requiring at least one additional

voting machine and four people to man the polls in each election.

Whitehouse said he has to have the precinct lines redrawn. "The records changed in my office to show each registered voter, in the proper new precincts and these voters notified of their proper polling place by the first primary election Sept. 12."

The elections supervisor said

the ordered change in precincts was designed by the Legislature and just approved Friday by the Florida Supreme Court. It was not the idea of anybody in Highlands county, he said, yet "we are required by law to conform to the mandate. I hope the electors in Highlands county who are going to be required to change their precinct will understand this and give my office their fullest cooperation."

Mel Bass Seeks Seat On County Commission

Making his first bid for political office is Mel Bass, 38, a native of Avon Park, who this week announced he will be a candidate for County Commission, District 1.

The primary election is Sept. 12, second primary Oct. 3 and general election Nov. 7.

Bass, who will oppose incumbent Cecil Skipper, is the first to throw his hat into the County Commission ring. He has been general manager of Jahna Concrete in Avon Park for 16 years. Prior to that he managed Townsend Lumber Co. in Frostproof for two years. He attended the University of Florida and is a graduate of Avon Park High School, where he played varsity football. He was a member of Florida National Guard eight years.

He is a member of the county Democratic committee, Elks club, is vice president of Lake Placid Riding Club, a member of Old Settlers Association in Avon Park and a member of the Highlands County Historical society. His family came to Highlands county in 1918 when it still was old DeSoto county. He is the son of Mrs. Ruby Carlson

and the late Mel Bass, a well-known cattleman.

He is a former member of

Mel D. Bass

Frostproof Rotary and Lions Clubs and is a Baptist.

He is married to the former Patricia Parrish, a nurse, who is employed in Dr. Sanford Boley's office in Sebring. There are two children, Mel D., 10, and Melanie, 2.

Voter Registration Drive To Get Underway Here

Secretary of State Richard Stone, of Tallahassee, will pay his first visit to Highlands County next Wednesday, May 24, in an attempt to spearhead a comprehensive statewide voter registration.

The secretary will arrive at 9:30 a.m. at Sebring airport and be met by Supervisor of Elections James Whitehouse.

He will travel to Avon Park for voter registration. The local elections office will be registering voters in Lake Placid as well as Avon Park that day.

Avon Park registration will be in the Pantry Pride parking lot from 9:30 a.m. until 11:30 a.m. Registration at Lake Placid will be from 10 to 4 p.m. in the Creel building at Lake Placid.

Mr. Stone will attend the 12:15 p.m. meeting of Kiwanis club of Sebring in the Elks Club and will give a short address. Persons interested in attending the luncheon are advised to make reservations no later than Monday, May 22.

Interested residents who have lived in Highlands County over 60 days and otherwise qualified are urged to take advantage of the opportunity to register to vote at either of the Avon Park or Lake Placid registration booths.

Mr. Stone will visit both registration booths.

Bagwell, Lions Tied For First

After two weeks of play in Avon Park Little League action, the Bagwell Lumber team and the Lions squad remained all tied up for first place with identical 5-0 records. Tied for third place are the Ford and Leons with 2-2 records each and tied for fifth place are the Bank and Kiwanis teams with 1-3 records. First Baptist is in seventh place with a 1-4 mark and Rotary is still in the cellar with an 0-4 record.

The Thursday and Friday night games last week were postponed due to the statewide school tournament being held at Head field. The Thursday night games set for Kiwanis to play Ford and Leons to play Rotary will be played during the week between the first and second halves of the schedule. The Friday night games were played last Saturday night with Bagwell defeating First Baptist 14-5 and the Lions outscoring the Bank 4-1.

On Monday night, May 8, I.H. Ford trounced Avon Citrus Bank by a score of 31-1 in a three inning game. The Bank scored its one run the third on singles by Wade Bush, Mike Owens and Dart Edge off Ford hurler Larry Pough. The Ford batters collected for 7 hits off three Bank pitchers who had a little control problem walking a

total of 21 batters and putting 4 more on first by hitting them. In the second game on May 8, Bagwell shut out Rotary 11-0 behind the one hit pitching of Dale Sisemore. Rufus Wilson got the lone single for Rotary. David Mellinger went the distance for Rotary on the mound giving up 8 hits including two doubles by Joel Wright and one double by Bo Skinner. Hitting singles for Bagwell were Dale Sisemore, Larry Jackson, Jimmy Spulock, David Sisemore and Jeff Jackson.

On Tuesday night of last week Leons handed First Baptist an 11-1 defeat. Billy Young struck out ten Baptist batters and gave up only one hit, a single to Buzzy Roberts. Horace Moore was the pitcher for the Baptist and he gave up five hits including a homerun, a double and a single by Billy Young. Mark Palmer hit a double and Johnny Harrison got a single for the winning Leon team.

In the second game played on May 9, the Lions took a 12-1 win from Kiwanis. Jimmy Massey was the winning pitcher going 4 full innings. Massey gave up only one hit, a single by Brent Beumel. The Lion hitters got four hits off Eric Wilson and Jeffery Adams. Wilson gave up all four hits - two doubles by

John McKunas and singles by Ralph Hartt and Allan Roberts.

Last Saturday night, in make-up games, Bagwell won over First Baptist by a score of 14-5. Horace Moore and Billy Nalke hurled for Baptist giving up six hits to the winning batters, Joel Wright and two doubles, Dale

Sisemore, Larry Jackson, and James Wilburn had one double each, and David Sisemore had a single for the Bagwell team.

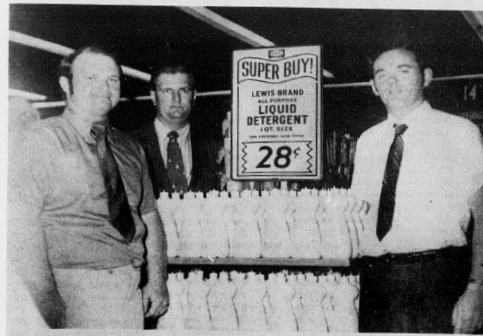

The Baptist batters got four hits off three Bagwell hurlers. Horace Moore had a homerun and a single and John Barben and Gary Farless had a single each. Joel Wright, Dale Sisemore and David Sisemore all pitched two innings for Bagwell.

In the second game last Saturday night, the Lions racked up their fifth straight win with the 4-1 win over the Avon Citrus Bank team. John McKunas and Allan Roberts struck out 12 Bank batters and allowed only a single to Ricky Anderson in the six inning game. Ricky Anderson went the distance for Bank also giving up only one hit but it happened to be a home run by John McKunas. Anderson struck out 13 Lion batters in spite of taking the loss.

This week's play had Ford and Leons playing last Monday night in the early game and Rotary meeting Kiwanis in the second game on Monday. Last Tuesday night the big game between the undefeated Lions and Bagwell was to have taken place at 6 o'clock with Baptist meeting Bank in the nightcap game.

Tonight Rotary plays Ford at 6 p.m. and then Kiwanis takes on Leons in the second game. Tomorrow night (Friday) the first game will have the Bank playing Bagwell and the Lions meeting the First Baptist in the second game.

The second half of the season will start up Monday, May 29, with Rotary and Baptist playing first and then Ford and Bagwell playing at 7:30 p.m.

Know Your Hospital

by John McClellan
Administrator
Walker Memorial Hospital

NURSING CARE

These "computers" in white! Push a button and they are everywhere; emergency room, intensive care, the patient's bedside, starting intravenous feedings, helping to change dressings, making "rounds" with the doctors, and so forth. This is a good time for us to pause and recognize the outstanding contributions the nursing profession has made toward better health care.

Nursing has come a long way from the days of Florence Nightingale, when patient care was pretty much confined to the binding of wounds and sympathetic word to the injured. Kindness and sympathy is still a vital part of nursing. The patient care today demands specialized nursing teams, no longer can one nurse meet all the demands, because of the changes in medical knowledge and technology, as well as changing patterns in the delivery of health care services. Many of the functions originally performed by one nurse have been passed on to other skilled personnel.

The profession has not gone without problems in adjusting

to the changing role of the nurse, and the use of ancillary nursing personnel. Perhaps the biggest obstacle has been in identifying the role to be performed by the Registered Nurse within the team. Technology has demanded specialization. Patient care responsibilities have increased in demand, and the short supply of available nurses has compounded the problem.

We can only be encouraged by the fact that the nursing profession is making the necessary adjustments, and that the results are even greater and more valuable contributions are being made to the delivery of competent, total health care in hospitals today. Ten years from now we may not recognize nursing as it is practiced today, but skilled nursing teams will still be found at the very center of health care delivery systems.

We want to spot light this tremendous group of people who are the back bone of this hospital and contribute so much to it's continuing success. A special thanks to our nursing personnel for an excellent job well done.

Accident

a 1970 Chevrolet truck operated by James E. Wynn. Estimated damage to the Wynn truck was placed at \$350 and \$325 to the Asel auto.

No charges were made in the mishap.

Campbell also investigated accident the next day, this one in the parking lot of Kirklands Market.

James Smith of Avon Park was preparing to leave the parking lot in his 1965 Ford and apparently allowed it to roll back into the right door of a 1970 Ford owned by Edna S. Conley

also of Avon Park. Damage was estimated at \$125.00 to the Conley auto.

Campbell charged Smith with failure to use due care.

Culbertson Thomas Culbertson, 20, of Avon Park, ran around a curve and off the pavement on Route 171.3 miles south of Avon Park at 1:30 p.m. May 11 and rolled over one complete time.

He complained of injury. Trooper J. E. Vann investigated and estimated damage to the car at \$1,000. There were no charges.

WWI Auxiliary Holds Last Meeting Of Season

The Ladies Auxiliary to W.W.I. Barracks No. 1150 held their last regular meeting for the season when they met Tuesday morning at the Delaney Heights Social Center. Due to the fact that so many of the members go North for the

summer, the next meeting will be held in September. Notices of meeting to be mailed to each member.

There was a splendid attendance at this meeting. The Auxiliary had their Annual inspection by the 4th Dist. Past President, Dorothy Morris. Also as a guest at the meeting was Mrs. Webb from out of the city.

It was announced that we would again resume the making of Lap robes for the veterans at Bay Pines Hospital. These robes are needed badly. Other articles needed will also be made and taken to Bay Pines.

A report was given on the recent District Meeting at Lakeland. Those attending was the newly installed President, Lillian Kelley, Clara Tepper, and retiring President, Florence Bishop.

It was announced that Past President, Marj Freeman, who has been in a critical condition at Lakeland General Hospital was improved. Since the meeting the members of the Barracks and Auxiliary were saddened by the death of Mr. Freeman, who was also injured in the accident. Our deepest sympathy to the Freeman family.

Following the meeting the Barracks and Auxiliary enjoyed a cry in dinner. The next regular meeting will be the 2nd Tues. in Sept. Notices will be mailed all members.

THE 1972 CLASS AA State baseball champion Red Devil squad poses with its new trophy immediately after winning the crown with a 6-3 victory over Alachua Santa Fe last Friday night here at Head Field.

Class AA Tourney

runs scored in the seventh on the single and double combination. The Red Devils got seven hits off Richard Hudson, the losing hurler. McRae got a triple and two singles, Richards hit two singles and Sizemore and Todd both singled once.

In the finals played last Friday night, Avon Park was again the visiting team as they took on the Santa Fe Raiders from Alachua. And again the Red Devils jumped off to a lead. In the first inning Leon McRae led off with a single. Tim Underwood sacrificed him to second and Don Sizemore, playing firstbase defensively, rapped out a double to drive McRae home. The next Devil struck out for the second out. Then Johnny Todd singled to drive Sizemore home with the second run of the inning.

In the top of the second, Avon Park batted around the lineup to score four more runs.

Howard Sizemore led off and was safe on a throwing error by the shortstop. He took second on overthrow. Then Devil catcher Nate Williams singled to score Sizemore. Artie Bass, the winning pitcher, put down a bunt to sacrifice Williams to second and the big sophomore catcher took third on a wild pitch. Leon McRae rapped out his second straight single to drive in Williams.

Underwood was safe on an infield error and Sizemore was safe on another error as McRae scored. Underwood came in with the fourth run of the inning on Eddie Eell's single. The Santa Fe pitcher finally put out the fire with two strike outs. The Devils were unable to score again during the seven inning game but the six runs held up for the win.

Santa Fe scored two runs in the second inning on two singles and an error by the Devil infield and then added a third run in the third inning on a double, a

ball and a sacrifice fly to left field.

Artie Bass went 5-13 in the seventh after giving up the three runs and five hits. Don Sizemore came on in the sixth with two men on and only one out. Sizemore picked a runner off secondbase with the aid of shortstop Leon McRae and then struck out the next batter to get the Devils out of trouble.

Sizemore retired the Raiders in the seventh after walking the first batter with two strike outs and a pop up to the third baseman. Don Sizemore and Leon McRae led the Avon Park team at the plate this year. McRae finished the 23 games with 35 hits for 73 at bats for a .478 average and Sizemore hit 40 times safely out of 87 at bats for a .464 average. Sizemore's mound record was 11-4 for the year with the big win coming last Thursday night over Century and the week before over Ocoee

Lowell DuBose Jr. Leaves For Minneapolis Hospital Monday

Lowell DuBose, Jr. left Monday, May 15, for Minneapolis, Minn., to be readmitted into the hospital for an undetermined length of time.

This will be Lowell's fourth stay in the hospital since September. He was in Variety Children's Hospital in Miami for three weeks, where doctors removed the steel rods he had in his back, after one of the rods had broken. Due to the severe curve in his spine, doctors in Florida could do nothing more for him. He was sent to Minneapolis to Dr. John Moe, world renowned orthopedic doctor, where he underwent two very dangerous and delicate operations. He was hospitalized for three and one-half months, coming home in February with a "Halo" type body cast on. He developed a pressure sore on the right hip and had to return April 8 for another 2 1/2 weeks stay.

Since Lowell has been home he hasn't gotten along well. The pins or screws in his skull have given him considerable trouble and his legs have not responded to treatment. There are signs of paralysis, especially in the right leg.

From careful study and review, Lowell's father was advised by Dr. Moe, to return Lowell to the hospital for further study and probably more spinal surgery.

Crusade Against Drugs - One In A Series

**This Is Not
A Fairy Tale!**

**IT'S THE TRUTH...
IT'S A TRAGEDY!**

DRUG ADDICTION HITS HOME

*Every one of the youngsters marching to
the tragic tune of narcotics is a tragedy...for
himself...for his family...for the community.*

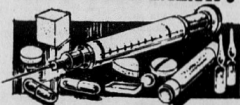

*Can you say with assurance that
yours is not one of these marching?*

**KNOW THE ENEMY! JOIN THE FIGHT!
RID THE COMMUNITY OF NARCOTICS!**

An old adage states, "A Word to the Wise is Sufficient". However, others need a longer narrative. Thus for the Highlands County citizen who is not convinced that drug and alcohol abuse is a community problem rather than an individual "hang up", here's a look at the local & national level. Sheriff O. L. Raulerson, Jr., says about 30-35 percent of Highlands county young people have tried drugs. About 25 have been arrested in the past few years, for possession or sale. Most of the traffic, the Sheriff said, has been in marijuana, although there have been instances involving heroin and LSD. Alcoholism cost U.S. business and industry nearly \$6.7 billion last year, and claimed 25,000 lives on our nation's highways.

Marijuana, hashish, LSD, mescaline; barbiturates, amphetamines; heroin, codeine, cocaine, morphine...they are your enemies in the criminal conspiracy.

KNOW YOUR ENEMY!

Ruth E. Robinson

We were glad to welcome home Jonathan Wright last week, from his first year of study at Bethany Nazarene College in Bethany, Oklahoma. He is busy visiting his friends and getting rested up, in preparation for his summer's activities and work.

Traveling north this week are Mr. and Mrs. Robert McBeth to Upper Sandusky, Ohio; Mr. and Mrs. Albert Keyes to Coldwater, Mich., and Mrs. Bess Raas with Mrs. Lul Madrell to Michigan.

Mrs. Roberta Allwood had her son and wife visit with her on Mother's Day and John sent her a beautiful vase of flowers to let her know she was in his heart.

Mr. and Mrs. Ora Myers and Mr. and Mrs. Lawrence Robinson had their Mother's Day dinner at Winter Haven followed by a time of browsing through the new shopping center.

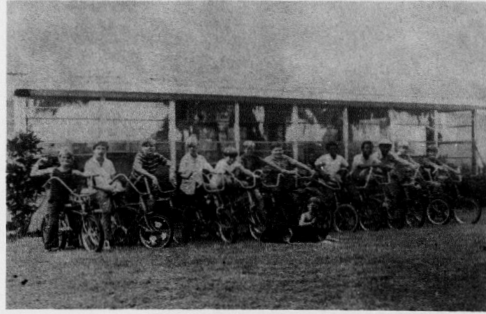

Mr. and Mrs. Roy Girten are now in Ohio after spending a month in Hendersonville, N.C., enjoying the spring season of beautiful flowers.

Mr. and Mrs. Verneer Goodman had a good trip home

and Ruby stood the trip very well. They have seen George and Mercedes Bears and Ham and Nita Byrer and enjoyed some good gospel music and singing with them. They send their regards to all their friends.

Mr. and Mrs. Glenn Long arrived home safely, but tired. They were pleased to see their granddaughter and two great granddaughters; their supper all ready and the house clean. What a good deed! They traveled through rain and fog but found the scenery very beautiful with a wide array of colors and favorite flowers of all varieties in bloom. Their trip and visit to Rainbow Springs and Stephen Foster Memorial was interesting and will be remembered for a long time. Now they are getting used to having the furnace on and anticipating some garden work as soon as the weather breaks. Remember them as they wish them a pleasant summer.

Mr. and Mrs. Welcome Miller are missing their friendly activities out of doors as the weather has been too wet to work outside, and letters would be appreciated.

Middle School Patrol

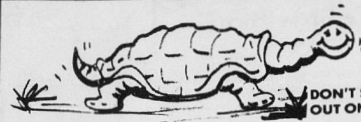

Middle School Patrol Takes Bike Hike

On Saturday, May 13, the Middle School Safety Patrol went on a bike hike and picnic. Their outstanding work in keeping the Middle School Campus and adjoining areas safe for the students has kept them from much of their leisure

time. So for an end of the school year treat, they went to the Ringling Circus Museum with the Sixth Grade Class on May 6. On the following Saturday, they rode their bicycles with Mrs. Nancy Larson to her home for a

dip in Lake Brentwood and games. The group then rode to Mr. Davis' home for a picnic lunch and fun.

The Middle School Safety Patrol was organized and activated through Mrs. Nancy Wiclaw Larson, with the assistance of Mr. Dan Davis.

Zeno Warner is in the Walker Hospital quite seriously ill. Our best wishes for a speedy recovery. Zeno's daughter and husband, Mr. and Mrs. Lauren Neberfall from Orlando are here to see him.

Walter and Estelle Swyers came home in Alden, N. Y. to a warm welcome by their family, who were so glad to see them. They miss Avon Park and friends, but as they say we can't have everything. They will return come November.

Grace and Levern Staley arrived home in Fairview, Pa. to find all the spring flowers in bloom, jonquils, narcissus and hyacinths. Such a lovely sight. They, too, will return come November.

These Telephone Specialists are Working For You (but not without problems)

Working for you at United Telephone of Florida is a dedicated team of 1,600 employees . . . like those pictured above . . . each one competent in his work . . . and getting better all the time. But, we're not without problems!

Throughout most of our 10,305 square miles of service area, we are experiencing "growing pains" . . . serving more and more people who are using their telephones more and more.

Connecting more telephones is not so simple as it sounds. Expensive, complex plant facilities must be ready. Miles of wire and cable . . . leading to a local switching center that connects to a network of other switching centers by cable or radio . . . make each telephone a virtual communications center in touch with the neighborhood and the world!

Growth means problems, to be sure. But, we're busy doing something about these problems. We're training people . . . planning new facilities . . . enlarging existing ones . . . and seeking to attract, at favorable interest rates, the millions of new dollars needed to expand and improve service.

We have a very big job to do. And, we're doing it! Our achievements outnumber our difficulties by a wide margin. But . . . we won't be satisfied until we are working for you with a whole lot fewer problems.
