Telephone Cable System Goes Into Service Today

A new telephone cable and carrier system between Sebring and Avon Park will be completed and placed into service by United Telephone today, Nov. 16, the company announced.

"The system will replace outgrown facilities which presently connect Sebring subscribers with our long distance switching center at Avon Park," said Charles Bryan, district commercial manager. In addition, it is providing greater availability

of circuits, Bryan said the new system would provide a better quality of voice transmission.

According to Bryan, the cable will offer protection against moisture and water damage. Pressurized enclosures are being used for above-ground equipment at repeater points along the cable route. These enclosures have been neatly mounted on short poles so they will be more visible to work crews and less susceptible to damage.

Bryan stated, "The project has been under way several months and, upon completion, will have cost some \$245,000. All long distance calls made by Sebring subscribers initially go to United's toll switching center at Avon Park where they are routed to points throughout the world. Serving five counties in the company's northern district, the center completes in excess of 300,000 outgoing calls each month, with higher peaks during the winter season.

"I think this is as far as we can go tonight," stated councilman Durrah Martin, as a motion passed to repair the pump only.

Another interesting topic was placed before the councilmen, through a letter from Joe Kinsey, sr.

Kinsey sent a referendum to the city council asking them to adopt it and place it on the general election ballot this December.

The referendum stated: "Referendum on general city election ballot to change the form of City of Avon Park, Florida, City Charter, so that the City Charter shall provide for City Commission Government for Avon Park instead of the present cumbersome and outdated form of Mayor-council form of City Government. Whereas, the present City Charter of the City of Avon Park was adopted in the 'good old horse and buggy days' and, whereas, it has served its purpose well, over the many years, but is now beyond repair, and,

Whereas, it is the view of the city officials that it would be to the best interest of all citizens of Avon Park to update the City Charter to provide for a City Commission form of City Government.

Now therefore, be it resolved by the City Council of the City of Avon Park, Florida, in open meeting assembled, that the following question be submitted to the voters of the City of Avon Park, Florida, in the next general city election, to wit:

"Shall the City of Avon Park, Florida, City Charter be updated to provide for modern city commission form of City Government?"

The form submitted by Kinsey went on to outline in

brief the offices and duties of each commissioner to the board.

City clerk Malcolm Crews told the council members that the referendum as prepared by Kinsey was "far, far too inadequate" to be placed before the voters.

Councilman Sizemore stated that he was totally in favor of it and suggested the city turn to either a city management form or a city superintendent.

"What I'm after is a change," stated Sizemore, and mentioned that he had brought up the idea almost a year ago.

"We need someone who is thoroughly trained to run the

city," Sizemore continued.

"With the growth of Avon Park, we need someone with an engineering degree here. We wouldn't have to pay someone else" to do all the work.

"I definitely feel like we need a city superintendent, someone to look over the city's problems."

Sizemore noted that Crews is presently swamped with work and is actually doing the job of a city manager.

City attorney Jonathan Hancock advised the council members that it would take careful study before a definite form of government should be decided upon.

Sizemore, nevertheless, moved that the referendum be placed before the people at the coming election. However, council president J. R. Duggan did not recognize Sizemore's motion.

Discussions went further, and members noted that the election is very close and there isn't ample time to study the proposal.

Johanson was asked to investigate all types of city government and report back to the council. Martin moved that the question be tabled, it was recognized by Duggan, seconded by Howard, and passed with Martin, Howard, King, and Duggan voting YES and Sizemore voting NO, with his motion still in the air.

In other business brought before the council, representatives from National Cash Register and Burroughs, Corp., brought up their cases to try and convince the council to buy their computer.

N.C.R. presented a very lengthy presentation which consisted of slides and other visual materials.

Burroughs, represented by Dow Barry and Johnny Johnson spoke to the council also trying to convince them that their machine is the better of the two.

During the discussion, Barry presented a notebook around to the council members which consisted of some letters of recommendation from various computer users.

Among them was one from the City of Avon Park which actually gave the impression that the last machine purchased from Burroughs was a good one.

When Mayor Robert J. Barben saw it, he flew hot and literally blessed Barry out. He noted that the machine was purchased approximately five years ago at a cost of \$15,000 and during that time it has been in constant need of repairs. Barry recognized that the machine was indeed a lemon and, in front of the mayor and council members, removed the letter from their file and tore it up before the mayor.

He then offered the city the use of his new machine for 90 days at no cost to the city. If the machine fails to be any good, or live up to the wants of the city, he will take it back and the city will be free to purchase another machine. The council, still very leary of Burroughs, asked Barry if service would be better on this machine. He answered affirmatively. After further discussion with N.C.R., represented by a Mr. Torchia and Mr. Barkwell, and Burroughs presenting further arguments for their sides, the council voted four to one in favor of accepting the Burroughs offer. Durrah Martin was the only one with doubts still in mind, casting the negative vote.

Holiday Schedule Announced

The City Hall will observe the Thanksgiving holiday on Thursday and Friday, Nov. 23 and 24.

Thursdays garbage collection will be made on Friday; everyone is asked to put their garbage out early, as the schedule will be different from normal.

The City Hall will be closed on both days, and most of the County and State offices.

Thanksgiving Day will be observed by the Avon Park Post Office Thursday, Nov. 23. There will be no window service provided. There will be no delivery of mail by city or rural carriers. Regular holiday lock-box services will be maintained in all post offices. Special delivery service will be provided. Holiday schedules for the collection and dispatch of mail will be maintained.

Bombing Range

Has Record

4,983 Hunters

The Fall hunting season got off with a bang at Avon Park bombing range as a record 4,983 hunters harvested 1,426 birds of game.

A total of 71 deer was killed, an unusually large number for any weekend.

Other game harvested included 46 turkeys, 32 squirrels, 12 doves, 73 hoes, and 139 snipe.

Although there were more hunters about last weekend, this game was killed than on opening day a year ago when 4,481 hunters harvested 1,878 birds of game at the range.

The range will be open weekends through the hunting season.

13 Year Old Apprehended In Bomb Scare

The clip on school telephones led to a 13-year-old Avon Park boy after a bomb scare at Avon Park elementary school recently. Superintendent of Schools George Duggan told Highlands County School Board Thursday night.

"The bomb call came from a four-party line," said Duggan, three people were ruled out and in the fourth home was the boy "a 13-year-old middle school student, who could see the school from his bedroom window."

Duggan said that because of the telephone clips "we have been able to reduce bomb threats and we have fewer of these threats than most schools. The local telephone people here are most cooperative, more so than in other areas."

Sizemore To Serve On Ridge League

Councilman Herman Sizemore was elected to serve as a Director of the Ridge League of Municipalities last Thursday, Nov. 9.

Sizemore, with City Clerk Malcolm Crews, attended a meeting of the Ridge League that evening to discuss problems of the city.

The Ridge League is a subsidiary of the Florida League of Cities. The organization is composed of cities who meet monthly and discuss topics which concern all the cities.

The Ridge League is composed of approximately 25 cities who meet monthly and discuss topics which concern all the cities.

The President of the League is Mayor Bob Washington of Haines City. The vice president is the City Manager of Lake Wales, Carl Cheatham. Nettie Draughon, City Clerk of Plant City serves as the secretary-treasurer.

There are five directors on the board, of which Sizemore will serve for a term of one year.

The May meeting of the League will be held in Avon Park.

THE AVON PARK Kiwanis Club donated \$50 to the Chamber of Commerce Mall Beautification Fund. Pictured here is Mrs. Evelyn McCalfee, Chamber of Commerce Secretary looking on approving as Stanley Wells, Chamber Director and Chairman of the Beautification Committee, accepts the check from John Clark, Kiwanis President

and Chamber Director. To date 24 rare trees have been planted in the Mall as a result of the efforts of the Chamber Committee with the cooperation of Avon Park Grange, J. T. Gibbs, Robert Eigh, the Avon Park Correctional Institute and the Business Women's Club. - Photo by Sharpe

Council Asked For Referendum To Change City Government

The Avon Park City Councilmen held their hands full last Monday night as they met in regular session.

First on the agenda was the matter of much needed repairs on a water pump at the golf course.

In fairness to the soon to be new owners and in fairness to the dues paying members, we ought to repair this pump," stated council president J. R. Duggan. He went on to say that the Golf Assoc., had increased its memberships and also increased dues by \$15, which will be turned over to the city.

While making the request, Duggan also asked the council to approve an automatic shut off to be placed on the pump.

The members of the council, keeping the idea in mind that the course might pass through their hands in a couple months, suggested that councilman Herman Sizemore check into the cost of such a cut off, and ask the First National Bank in Sebring if they would purchase it.

Announcement was made today that Dr. William A. Stallard, president of South Florida Junior college, will serve as campaign chairman for the Highlands county observance of National Retarded Children's month.

Mrs. G. Franklyn Ward, president of Ridge Area Association for Retarded Children, said a goal of \$10,000 has been set for the annual fund drive. Across the nation, she said, 1500 member units of the National Association for Retarded Children are seeking funds this month.

with tax funds for services to the retarded, especially in the area of education.

At the present time 217 children in the Highlands county public schools are receiving special help because of some degree of mental retardation.

Mrs. Jean Moore, coordinator of special education for Highlands county schools, said 18 children who have marked disability in learning are enrolled in the Ridge Area Day schools (one unit at Avon Park and one unit in Lake Placid).

In addition to these, 199 mildly retarded children are in special education sections in the regular elementary, middle and high schools of the county.

Profoundly handicapped children may be enrolled in the Developmental Training program as a step to prepare them for participation in the day-scholar or special education classes.

Newest of the educational services for the retarded living in Highlands county is the Work Center. This center, like the Developmental Training

program, is located at E. O. Douglas school. It provides work training for young adults.

"Many studies have shown

Dr. Stallard Will Head Retarded Children's Drive

Dr. William A. Stallard, president of South Florida Junior college, will serve as campaign chairman for the Highlands county observance of National Retarded Children's month.

Mrs. G. Franklyn Ward, president of Ridge Area Association for Retarded Children, said a goal of \$10,000 has been set for the annual fund drive. Across the nation, she said, 1500 member units of the National Association for Retarded Children are seeking funds this month.

with tax funds for services to the retarded, especially in the area of education.

At the present time 217 children in the Highlands county public schools are receiving special help because of some degree of mental retardation.

Mrs. Jean Moore, coordinator of special education for Highlands county schools, said 18 children who have marked disability in learning are enrolled in the Ridge Area Day schools (one unit at Avon Park and one unit in Lake Placid).

In addition to these, 199 mildly retarded children are in special education sections in the regular elementary, middle and high schools of the county.

Profoundly handicapped children may be enrolled in the Developmental Training program as a step to prepare them for participation in the day-scholar or special education classes.

Newest of the educational services for the retarded living in Highlands county is the Work Center. This center, like the Developmental Training

program, is located at E. O. Douglas school. It provides work training for young adults.

"Many studies have shown

DR. WILLIAM A. STALLARD, who at least 75 percent of the retarded can become self-supporting, tax-paying citizens," Mrs. Ward says. "Many of the so-called hard core unemployed adults of today are persons who needed special help to learn marketable skills and good work habits," she observes.

World President Of Adventist Will Speak Here Saturday

Robert H. Pierson, president of the world work of Seventh-Day Adventists will speak at the Walker Memorial Seventh-Day Adventist Church this Saturday, Nov. 18, at the regular 11:00 worship hour.

more than two million Adventists throughout the world resides in Washington, D. C., the home of the General Conference of the denomination.

As world leader of the denomination, Elder Pierson's responsibilities include the

denomination's large educational system including over 4,000 elementary schools employing over 10,000 teachers, and over 437 high schools and colleges employing over 6,000 teachers. There are over 350,000 students enrolled in Seventh-Day Adventist denominational schools. He also oversees 143 hospitals and 162 clinics with a total over 1,000 Seventh-Day Adventist physicians.

Devils To Meet Streaks In Pre-Thanksgiving Game

The Red Devil defense intercepted four passes and recovered two fumbles to

spark the Avon Park team to a 41-7 win over the Okeechobee Brahmanas here at Memorial Stadium last Friday night. Devil end Nate Packer ran two interceptions back for touchdowns. It was the sixth win for Avon Park giving them a 6-3 record.

Thanksgiving Service

The annual community Thanksgiving service will be held at the Congregational Church, 105 N. Forest Ave., at 10 a.m. Thanksgiving Day. The community is urged to participate in a service of Thanksgiving.

The Rev. Aden Childress, pastor of the First Baptist Church, will be the preacher. Local pastors throughout the community will be participating in this service.

Santa Is Coming To Avon Park Here December 4

The Avon Park Chamber of Commerce Christmas Parade Committee announced today that Santa Claus will arrive in Avon Park via the Christmas Parade on Dec. 4. Steve Roberts, Chairman of the Parade Committee, Stanley Wells and J. T. Gibbs met Monday afternoon in the Chamber office to set the wheels in motion for pre-planning of the big, big event.

The Chamber of Commerce urges all business firms to make plans for their Host entry

early. All Churches and Civic organizations are also asked to participate in this event.

Officials Attend Conference On Revenue Sharing

City Councilman Clarence King, City Clerk Malcolm Crews, and City bookkeeper Virginia Henderson attended a conference sponsored by the Revenue Sharing Advisory Service at the Sheraton Jekyll Inn in Orlando, Monday, Nov. 13.

This conference was attended by approximately 30 city officials from central Florida and other areas of the state including some from other states.

The conference was led by R. E. "Dick" Thompson, who was formerly counsel for the National League of Cities and played an instrumental part in guiding this important revenue sharing legislation through the national congress.

The session lasted the entire day and included studies of "Why Revenue Sharing?", "State and Local Fiscal Assistance Act of 1972", "Description of Formulas and Data", "Discussion of Revenue Sharing Regulations", "The

Future of Revenue Sharing" and a question and answer session.

"It was most interesting to learn of the political implications in certain features of the bill as it was finally passed," stated city clerk Crews.

"The bill carries certain restrictions as to the use of the money and reports that must be made to the U.S. Treasury Department on how the money is spent as well as a copy of the report published in the local newspaper. A separate bank account must be maintained for these funds," also stated Crews.

Thompson said that previous releases of the amount of money each state, county and city would receive were all incorrect and that the actual amount would not be known until checks were received.

Crews informed the Sun that the government originally ignored towns with a population of less than 2500.

They also ignored Indian villages and Eskimo villages, who now will also receive funds from revenue sharing.

Payment for the first six months of 1972 is expected in December and payment of the remainder of the year is contemplated in January.

This is a five year program which increases in amount each year. The amount allotted to each unit of government is based on per capita income and tax effort primarily.

Councilman Clarence King stated that the seminar had been most helpful to him and he intends to attend more of this type of meetings in the future.

Tennis Clinic

Nov. 18 At

Harder Hall

The Sebring Tennis Association is reminding the ladies and public of Highlands county about the free clinic for beginning and intermediate players. The clinic will be held Saturday Nov. 18, at Harder Hall. Those interested should plan to be there 10 a.m. This clinic is for ladies only.

The association would also like to inform the public on some rules concerning the coming Thanksgiving Holiday tournament. The tournament will begin Friday Nov. 24 at 1 p.m. Contestants should be at the Harder Hall courts promptly if possible. The tournament will have two divisions: men's doubles and family doubles.

Each person entering the tournament is allowed to choose his own partner. In the family division any two people from the same immediate family are allowed to play together.

In each match two out of three sets will be played to determine a winner. The association reserves the right to change this rule if time becomes a factor. If possible competitors should have a \$2. entry fee per person and partner's name into Billy Page P.O. Box 602 Sebring, by Wednesday Nov. 22. If this is not possible players can come to the tournament on Friday, bringing entrance fee and the association will find a partner for those men who want to play.

Master Rocket

Wins Latonia

Championship

Master Rocket won the Latonia Blue Grass Championship and the right to go to California for the world championship.

Master Rocket owned by the Fred Nemann family of Cincinnati, Ohio, and trained by G. Wheeler Jr., of Avon Park, outran a great group of horses from all over the country including the 1971 and 1972 champion running horse of Florida, Rally Cool.

This win by Master Rocket and the long shot win of Sprintin Mister which paid \$66.60 for a \$2 win ticket by outrunning Joy Moon, who had won the 1972 Florida Futurity, keeps Mr. Wheeler leading trainer at Latonia.

Thanks A Million

I sincerely want to thank all my friends and supporters who had confidence in me - we put up a good fight - but we lost.

In my honest opinion, the people of Highlands County and the United States as a whole, made a very serious mistake

by not electing more candidates who would support the National ticket. You have put a good team in Washington and taken away their tools and tied one hand behind their backs and demand of them to do a job.

I will work with the elected officials to help them do the best job possible for Highlands County, the State of Florida and the United States when and if asked.

Jim Dale

Devils

Panthers beat Sebring 29-8 two games later. Avon Park defeated Okeechobee 41-7 last week while Sebring beat the Brahms 26-7 earlier. The Devils took Clewiston 30-0, Sebring beat the Tigers only 14-0. Lake Placid lost to the Strakes 26-0 and to Avon Park 23-0. The Devils squeaked by Wauchula 14-13 but Sebring beat the Wildcats 14-8 last week. So the two teams may be more closely matched up than fans from both towns realize.

Okeechobee Game

The Avon Park offense couldn't put it all together in the first quarter of the game last week against Okeechobee but Devil defensive back Nate Packer intercepted a Brahman pass on the twenty-yard line late in the first period and ran it in for six points. Bud Wester faked a kick for the ball across the goal line for the two-point conversion to give Avon Park an 8-0 lead.

The second quarter was a different matter. Avon Park put 27 points on the board in an offensive show. To open the quarter up, Okeechobee's superb punter, Carl Williams, punted to the Avon Park 22 yard line yard line from his own 28-yard marker. Williams averaged 46 yards per punt for five punts during the game. However, on the first play from scrimmage, Danny Lewis took a handoff from DeWitt, broke through the middle of the Okeechobee line, and outran the Brahman defense into the end zone for an apparent touchdown. It would have been a 78-yard TD scamper except a clipping penalty was called on Avon Park and the ball was brought back to the thirty-eight yard line. The kick for the extra point was not good but Avon Park had a 14-0 advantage.

Just minutes later Avon Park scored again. The Brahman quarterback passed from his thirty on the first running play after the kick-off. Leon McRae intercepted at the Brahman 65-yard line and ran it back to the twenty-two. Danny Lewis sliced through for a nineteen yard pickup to the three and then Keith Richards ran it in from there. A pass

from DeWitt to Lewis was good for the points after the TD and Avon Park was ahead 24-0. Okeechobee ran the next kick-off back to the thirty again and completed one pass for no gain before another pass was intercepted by an Avon Park back. This time it was William Burley who hauled in the Brahman pass at the thirty-five and ran it all the way to the Okeechobee five before he was brought down. Lewis picked up a yard and then Arnold Davis slashed through for the final four yards and the touchdown. Bud Wester's kick was good for the extra point giving Avon Park a 29-0 lead late in the second quarter.

Alus Snell was handling the kick-off chores for the Devils and he booted deeper and deeper. The Brahms were stopped at their own fifteen after the kick-off and couldn't move for a first down so punted out to the Avon Park 35 yard line. A fifteen yarder against the Brahms moved the ball just over into Okeechobee territory at the forty-seven. Again on the first play for Avon Park, Ricky Claitt burst through and eluded the Brahman secondary to go in for his fourth touchdown of the season.

The Red Devils took a 35-0 lead to the dressing room at halftime. The rest of the third quarter was played in the middle of the field and the Avon Park reserves taking over on both offense and defense. On the first play of the fourth quarter, when Okeechobee in possession on the Avon Park 37-yard line, quarterback Carl Williams passed out toward the sideline to J. Williams who caught the ball as he and the Devil defender both went for it, and ran all the way for a touchdown. R. Butler kicked the extra point to set the score at 41-7.

The two teams fought it out the rest of the fourth period without any score as running back Phil Thompson, Marvin Jackson, Leon McRae, and Wayne Todd made some nice runs behind a line which had Tim DePree at center, Jimmy Carter and Barry Tate at guard, Rick Lanier and Mike Archer at tackle and Glem Gray and Bud Wester at end. All twenty-six of the healthy Red Devils saw lots of action

INVITATION TO BID

The City of Avon Park will accept sealed bids for installation of following air conditioning and heating equipment at the old Army Building on N. Verona Avenue. Bids are to include all labor, materials and equipment. Bids to include sufficient ductwork, air unit as recommended by industry standards and diffusers shall be located near center of each room. Largest room shall have a minimum of two diffusers. All equipment shall carry a minimum of one full year guarantee and year warranty on the compressor. Equipment to be quoted on as follows:

One 1½ ton unit with 10 KW heat strip
One 1½ ton unit with 5 KW heat strip
One 7½ ton unit with 10 KW heat strip

5 12,000 BTU window units, reverse cycle
1 12,000 BTU window unit, reverse cycle
1 6,000 BTU window unit, reverse cycle

Bids shall include complete installation. Bids shall be submitted by 1:30 P.M. Monday, November 27, 1972, at City Hall.

The City reserves the right to accept or reject any or all bids.

Malcolm K. Crews
City Clerk

Nov. 16, 1972

INVITATION TO BID

The City of Avon Park will accept sealed bids for the purchase of one 1973 model 1 ton truck with 15 foot flatbed dump body, 7" double arm front and rear suspension, 318 cubic inch, approximately 300 hp. front engine and 11,000 lb. rear springs including helper springs, deluxe West Coast type mirrors, color green.

Bid price to be FOB Avon Park with no trade in.

Bids will be received until 7:30 P.M. Monday, November 27, 1972, at City Hall. The City reserves the right to accept or reject any or all bids.

Track Team Will Compete In State Meet Saturday

The Red Devil cross-country team placed six boys in the top ten finishers to win the Class AA District 6 meet held here at the high school last Saturday morning. James Brown took first place with a time of 13:04.

The Avon Park team will now go to the state meet in Lake Worth this Saturday, Nov. 18, to compete against other Class AA and A district winners for the state championship.

The following boys will be traveling to the state meet: James Brown, Eugene Sneed, Curtis Foster, Reid Wall, Matakiah Fogle, Herakiah Fogle, Lonnie McMillan, Bruce Trescott (alternate), Raleigh Turnbull, and Frank Anderson. The win last Saturday was the eighth straight for the Red Devils. Eugene Sneed finished second with a time of 13:08, Donald Stanford of Fort Meade was third with a 13:33, Mark Stewart of Mulberry was fourth in 13:37, and Matakiah Fogle in fifth with a time of 13:52. Lonnie McMillan, Reid Wall, and Herakiah Fogle finished seventh, eighth, and ninth for Avon Park. The

Devils had a total of 25 points. Mulberry took second with 49 points and Fort Meade came in third with 55 points. Stanford of Fort Meade and Stewart of Mulberry will be eligible for state competition along with Avon Park team.

Coach Brojek was a little disappointed in the team last week. Curtis Foster was unable to finish because he became ill, and Reid Wall had a slight soreness in his left knee and did not finish as high as usual. However, Lonnie McMillan and Matakiah Fogle both moved up to help fill the gap of their ill and injured teammates.

Coach Brojek felt the boys were "down" at the district meet after their two smashing wins the week before when they won conference and Lakeland Invitational meets. He feels the team will be ready for the important contest at Lake Worth this week. "We will have to run better than we did in the district if we hope to do well in the state meet," the young coach said.

The District 6, Class AAA

meet was also held here at the high school last Saturday immediately following the AA meet. Haines City won the team competition with 27 points. Lake Wales came in second with 46 points. Hernandez finished third with 75 points. Sebring was fourth with 83 and Wauchula ran but didn't have a team total because not enough boys ran.

Joe Franklin, of Haines City, was the top finisher for the Class AAA meet. He ran the course in just one second more than Avon Park's James Brown. Lake Wales also qualified three boys for the state meet as Jerome Shepard, Earnest Griggs, and Fred Harris finished in the top five.

Bennett Receives Bronze Star

Chester R. Bennett (Chet), son of Mr. and Mrs. Roy Bennett of Avon Park, has been awarded the Bronze Star Medal, for Meritorious Achievement in Air Operations against hostile forces, while serving with the First Aviation Brigade in the Republic of Vietnam.

Excerpt from citation: "Chief Warrant Officer Chester R. Bennett, distinguished himself by meritorious service in connection with air military operations against a hostile force in the Republic of Vietnam. He consistently demonstrated exemplary professionalism and initiative in obtaining outstanding results. His rapid assessment and solution of the problems inherent in a combat environment greatly enhanced the allied effectiveness against a determined and aggressive enemy. Energetically applying his sound judgment and extensive knowledge, he has contributed materially to the successful accomplishment of the United States mission in the Republic of Vietnam. His loyalty, diligence and devotion to duty were in keeping with the highest traditions of the military service and reflect great credit upon himself and the United States Army."

This Bronze Star is the 37th Citation received by Chet while he was serving in Vietnam. Chet is married to the former Kathleen Ann Tauchen of Sebring. They reside at the "Triangle T" Ranch, south of DeSoto City.

The Avon Park "B" team finished out the 1972 season with a big 30-0 win over Lake Placid here at Memorial Stadium last Thursday night to set a record of 6-1-1. The Jayvee Devils scored a total of 110 points in the eight games and gave up only 28. No team scored more than one touchdown on the Devil defense in any one game. Last season the Jayvees finished 5-2-1.

All 23 boys who finished the season for the "B" team saw action against the Lake Placid team last week. Halfback Tim Massey and fullback Mark Howard both scored two touchdowns each and Lawrence McRae also scored to account for the five touchdowns.

The Red Devils first touchdown came in the first quarter when Tim Massey broke through the middle of the line and raced about 64 yards for his first touchdown of the season. Then in the second quarter Massey scored again going into the end zone from about eight yards out.

Mark Howard got into the act also in the second quarter. He took a pass from quarterback Jerry Robinson and scored on a 30 yard play. The score at halftime was 18-0 as the Devils missed every extra point.

In the third quarter, Lawrence McRae scored on one of his famous back and forth runs. McRae started right but found too many Dragons there so circled back and finally turned the corner completely across the field and went in from about 15 yards out.

In the first of the fourth quarter Mark Howard finished out the scoring for Avon Park as he ran about 12 yards for a touchdown.

George Heatherly, Mike Poole, Ben Wright, and Gary Young at tackles; Jamie Tomlinson at noseman; Tim Massey, Mark Lewis, Lawrence McRae, Tyrone Moss, Moses Anderson, and Marvin Williams at linebacker; and Jerry Robinson, Ricky Runner, James Ross, and Watson Carter at defensive halfback.

The offensive team which put 30 points on the board were: Jerry Robinson at quarterback with Lawrence McRae going in there late in the game; McRae, Mark Howard, and Tim Massey at backs; Tom Wester and James Ross at ends; Mike Poole and George Heatherly at tackles; Mark Lewis, Ricky Runner, and Roger Kilburn at guards; and Jamie Tomlinson and Jim Stewart at center.

The Red Devil "B" team was coached by DeWayne Lemier, Harry Williams, and Ronnie Jackson. Congratulations to the team and the coaches for a very successful season!

WWI Veterans Meet At Nalcrest
The 4th District Meeting held for Veterans of W. W. I. Barracks, and the Auxiliaries, was held in Nalcrest, Nov. 4.

The local Auxiliary and Barracks were well represented. Prior to the meetings, Marine Sgt. Smith showed color films of the Marine Corps from its inception. The topic of the day was Americanism. The program was most interesting.

Members from Avon Park Auxiliary No. 1150 attending were: President Lillian Kelley, Sarah Spindler, Florence Bishop, Clara Tepper, Edith Staine, Bernice Brown and Lucille Duffie.

The next meeting of the 4th District will be held in Lakeland in January.

Mr. and Mrs. Tommy L. Thomas

Couple Weds In Garden Ceremony At Ranch

Miss Jo Angela Wenger became the bride of Tommy L. Thomas, on Sunday afternoon, Oct. 29, in a lovely outdoor garden wedding at the Thomas Shady Oaks Ranch on Bombing Range rd. The bride is the daughter of Mr. and Mrs. Clay Wenger of Avon Park, and the bridegroom is the son of Mr. and Mrs. W. C. Thomas of Bombing Range Rd., Avon Park.

The couple exchanged their vows in a double ring ceremony with the Rev. Herbert D. Graetz officiating. Mrs. Alexis Hamlin sang "Close to You," "Always," and "Whither Thou Goest," and during the ceremony, "The Wedding Prayer" was sung. Before giving the bride away, her father sang "More" to the bride from the groom. Mrs. Lil Johnson was pianist.

The Bride
Mr. Wenger gave his daughter in marriage. The bride wore a long pale blue gown of Peau de Soie styled with a high neckline and long puffed sleeves, with tight cuffs. Her forward four tier veil of pale blue silk illusion fell from a crown of seed pearls and sequins. She carried a white carnation bouquet centered with a white orchid. Jo Angela also wore a string of pearls which belonged to her grandmother.

Mrs. Peggy Stinson attended at Matron of Honor. Bridesmaids were Miss Dawn Wenger and Miss Amanda Wenger, sisters of the bride. Mrs. Stinson wore a floor-length gown of gold knit. The bridesmaids were matching dresses of cream color knits in A-line style. The empire bodice was accented with gold braid. Each carried a bouquet of rainbow colors.

Miss Amy Green, cousin of the bride, was flower girl, and wore a dress matching that of the Matron of Honor. She wore a short veil identical to that worn by the Matron of Honor and Bridesmaids, of cream silk attached to a white ribbon centered with a small gold circle accented by rhinestones. Master Alan Green, cousin of the bride, served as ringbearer. He wore a white tuxedo with a gold shirt. Mrs. Wenger chose for her daughter's wedding, a long green silk two piece gown with long puffed sleeves. She wore a green tinted carnation corsage. Mrs. Thomas chose for her son's wedding, a street length beige knit A-line dress, featuring a high neckline collar accented with sequins, and long sleeves. She wore a white carnation corsage.

The bride's daughter, Tonja Nicole, 16 months old, made an appearance at the reception wearing a red velvet dress trimmed in white lace, white leotards with high black buckle Polly Anna shoes. Tommy wore a black double-breasted tuxedo and white ruffled shirt matching that of the bride's father and the best man, Roger Stinson of Avon Park. Groomsmen were Lewis Weaver, Avon Park, and Jimmy Cravey of Bartow. During the ceremony Jo Angela presented each of the mothers with a long red rose. Mrs. Peggy Stinson directed the wedding.

Reception

The outdoor setting, which was so beautifully decorated for the wedding, was also the scene of the reception, which was sectioned off by palms and white ribbons. The bride's table was overlaid with a white full length lace cloth, centered with a high two piece flower arrangement. The wedding cake was made in the shape of two horseshoes, decorated with gold bells and small doves carrying gold wedding bands and fresh flowers. The miniature bride and groom, centered in a white lace shaped heart, were placed on a small cake set behind the horseshoe.

Mrs. Susan Walters was in charge of the bride's book. Presiding at the bride's table were Mrs. Bette Parnell, Mrs. Mary Lou Bueche, Mrs. Pat Green and Mrs. Pat Weaver. Also assisting with hostesses were Billy Thomas, the groom's brother and Chip Pattillo, the bride's brother.

Honeymoon to Sarasota

When the couple left for Sarasota, Fla., the bride changed to a floor length short sleeved cotton dress of a purple floral print and silver sandals, with matching accessories. She wore a green tinted carnation corsage presented to her by her mother, and carried the white orchid filled with her bridal bouquet.

After spending a week on the beaches they returned to get their daughter, Miss Tonja Nicole, who traveled with her new family to tour the northern Florida ranches.

Out Of Town Guests

Out-of-town guests included Mr. and Mrs. George Altman, sr., of Sarasota; Mr. and Mrs. Bobby Green, son Alan and daughter Amy of West Palm Beach; Lena Bowman of Lake Wales; Baba Martin, Sarasota; Jim Ward, Wauchula; Howard and Muri Hooper, Wauchula; Mr. and Mrs. Donald Kepple, sr., and daughter, Bobbet of Sarasota; Mr. and Mrs. Tyler Daigman of Lake Placid; and Miss Gail Stone, Orlando.

Thanksgiving Holidays make us move our deadline from Monday to Friday. Because next Thursday, Nov. 23, will be a Holiday for everybody, we must have all Mobile Home Park notes, Winter Guest Club notes, and other news items, in our office this week only—by FRIDAY, Nov. 17, instead of the customary Monday. Get 'em in early. Friday, NOT Monday.

Mr. and Mrs. Virgil Mills has returned from a visit with their daughter and son-in-law, Ray and Martha Oliver and granddaughter, Andrea, of San Juan, Puerto Rico, Ray is a teacher at the University of San Juan. They drove around all of the island and saw much beauty while there.

Dinner guests of Elizabeth Clarke last Sunday, were Mr. and Mrs. Oscar Lindt of Lake Wales, long time friends from Berrien Springs, Mich., and Roy and Lois Johnson of Avon Park.

Guests of Mr. and Mrs. James Pearce last weekend were their daughter and family, Mr. and Mrs. Anthony R. (Mary) Holbrook and son, Randy, of Miami. Also grandchildren, Jeff Pearce and Laura Kay Hill from Belle Glade, The Holbrooks stopped in Belle Glade and picked up Jeff and Laura Kay for the weekend visit in Avon Park, and dropped them off, enroute home.

Friends will be happy to know that Mrs. Edna Dixon is improving after suffering a stroke Oct. 20, in South Boston, Va. Plans are being made for her to have heart surgery in December at Duke University Hospital in North Carolina. Her address for those who wish to write to her: 401 Yates St., Merritt Hills, South Boston, Va. 24092. We all wish Edna a speedy recovery.

Mr. and Mrs. Harvey Dixon and daughter, Liana, have returned home after spending eight days in South Boston, Va. Billy Dixon, Avon Park, and daughter, Mrs. Kenneth (Sandra) Martin and daughter, Toni of Orlando, have also returned after being with their wife and mother, Edna Dixon, who suffered a stroke in South Boston.

Mr. and Mrs. E. H. Fullmer of 404 Oak St., were surprised by a visit of their daughter and son-in-law, Mr. and Mrs. A. W. Worcester of Ashland, Ohio, last Sunday, Oct. 29. On Monday they all motored to Boynton Beach to visit her brother and sister-in-law, Mr. and Mrs. Vernon Fullmer, who moved to Florida in June. Mr. and Mrs. Worcester left Wednesday morning to visit friends in Ft. Myers.

Duncan Palmer, of Tampa, was in Highlands county on Wednesday visiting friends and relatives. He visited with his daughter and family, Mr. and Mrs. Billy (Ann) Sebring in Sebring, and with his son, Robert, and family and other friends in Avon Park.

House guest of Mrs. Charles Sprout is Mary Hendrick, who is registered nurse with the Anita Bryant family in Miami Beach.

Mr. and Mrs. W. W. Jahamann arrived in Avon Park Friday noon from Wausau, Wis., and were guests over night of the John White and John Udick families.

They are now at home at 410 W. State st.

Mildred Murphy has been in Lakeland for the past two Sundays at the "Sunup Downs". On one Sunday she took four horses, and won three races and run a second, in training races. The other Sunday, she took three horses, won one race and two seconds.

It's A Girl!
Mr. and Mrs. James O. Reynolds announce the arrival of a baby girl on Monday, Oct. 30, at Winter Haven Hospital. The little lady has been named Julie Elizabeth, with birth weight 8 lbs. She joins a four-year old sister, Jennifer and two-year old brother, Chris at home. Maternal grandparents are Mr. and Mrs. S. E. Miller of Sebring and paternal grandmother is Mrs. Estelle Reynolds of Avon Park.

Guests of Mr. and Mrs. Andy Miracle, sr., last week were their son and daughter-in-law, Bill and Andrea Miracle from Athens, Ga. On Saturday, the Senior Miracles and daughter, Margaret Lynn, with Bill and Andrea went to Gainesville, to visit with Mr. and Mrs. Andy Miracle, Jr., with daughter, Rebekah. While there, Bill took part in a rugby game, with University of Georgia winning over University of Florida, 20 to 4.

Gladys Keiser, a long time winter guest here, fell and broke her hip. She is in the Bucyrus Community Hospital, Bucyrus, Ohio, 44820. She was scheduled for surgery on Monday, Nov. 13. Hopes for

recovery are good. She will appreciate any cards, her many friends here will send.

Mrs. Thomas Sharpe (Jude) was honored with a birthday steak dinner in Lakeland on Saturday, by family members.

Guests of Tom and Evelyn Chockley are Mr. and Mrs. Robert J. Furry of Grosse Pointe, Mich. On Monday they had lunch at Chalet Suzanne and visited with friends in Haines City.

Mr. and Mrs. Henry C. Yeggy have returned to Avon Park, after several months in Cedar Rapids, Iowa. They report lots of rain there this summer, with snow on the ground before they left for Avon Park.

Larry Byersmith of Toledo, Ohio, has been the guest in the home of Mr. and Mrs. F. J. Marleau, his aunt and uncle. He went to Miami for the Miami Dolphins and New England football game. After a trip to the Bahamas Islands and Key West, he will return to the home of the Marleaus. On Jan. 1, he will return to Marquette University, where he has been the past year.

Mr. and Mrs. Levern Staley have returned to their home in Avon Park, after six months at their home in Fairview, Pa.

Lawrence (Gator) Pate asks all 1963 graduates to get in touch with him, to help plan their "20th" year class reunion.

HOSTESSES Barbara Wicker and her daughter Beverly help Barbara Miller (center) briefly bride-elect of Joe Rice of Sebring, look at gifts received during a lingerie shower held for Barbara at the Wicker residence.

Lingerie Shower Honors Barbara Miller

On Thursday, Nov. 9, the Gerald Wicker home scene of a lingerie shower for Miss Barbara Miller, lovely bride-elect of Joe Rice of Sebring.

The hostesses, Miss Beverly Wicker and Mrs. Barbara Wicker, received the 20 guests after which they signed the rustic bride's book that was set up on the porch. The bride's book was attended by Miss Carol Wicker.

The living room and dining room were accented at focal points with bouquets of various colored roses and red carnations.

Upon arrival the guest of honor and her mother, Mrs. L. H. Miller, were presented with beautiful corsages of carnations.

After Barbara opened her many gorgeous gifts, the guest were served refreshments of heart-shaped pineapple cream cheese sandwiches, red velvet

miniature cakes, beautifully decorated with sprigs of holly. A delicious red punch was served from a crystal punch bowl surrounded by fern and red carnations.

Those attending from Chapmen Mrs. Hazel McConnell. All chairman reported. Gifts of clothing and toys will be given to the

children who are patients at the W. T. Edwards Hospital in Tampa.

Womans Club Happy Over Sales

A large number of Senior Woman's Club members turned out to help with the "You Name It Sale", held last week at the Clubhouse on Verona Ave.

This was the first big effort of the Club towards making money for the building fund, and according to president, Alice Smith, the proceeds were the largest ever taken in from any money making project of the Club.

It is generally agreed that a new Woman's Club building is greatly needed. The small building which sets on the corner of Pine and Verona, across from the post office, was one of the best dwellings

built in Avon Park. It was bought and renovated by the women in the early 30's and has been occupied by the three women's civic organizations. The Woman's Club, The Junior Woman's Club and The Business and Professional Woman's Club, and the Garden Club, when it was a department of the Woman's Club, during these years, as well as many other activities which have taken place there.

It has often been headquarters for a Girl Scout Troop.

The old building is a landmark of the city, but like many others, it is ready to make way for progress.

A new and modern building at this location will add greatly to the City's downtown appearance, and the women are urging the cooperation of everyone in their efforts to raise money to pay for their new clubhouse.

Their future plans for making money will include dinners, luncheons, card parties and food sales; and the Juniors' Follies.

It has often been headquarters for a Girl Scout Troop.

The old building is a landmark of the city, but like many others, it is ready to make way for progress.

Hebenthal Laye Wedding Set For Jan. 12

Wedding plans have been completed for the marriage of Miss Linda Hebenthal and Don Laye. The wedding will take place January 12, 1973 at 1 p.m., at the Fellowship Baptist Church. The ceremony will be performed by the Reverend R. L. O'Quinn.

All friends and relatives are cordially invited to attend the ceremony and the reception, immediately following at the Florida Power Lounge.

Things may come to the man who waits—but a lot more things will come to the feller who goes out and digs while he is waiting.

Wouldn't it be nice if you stopped by the library and checked out a book, and visited a shut-in and read to them one day this week? Or lend a little child by the hand into the library for a first visit to that treasure-trove of books! Or joined the newly organized "Friends of the Library"—either yourself, or as a surprise gift for a friend?

You can give few gifts which can never be taken away, which will always grow in value. The most precious gift of all (next to love itself) is a love of good reading material—and the Avon Park Library is well stocked. Whatever your child will be in later life, the books he reads NOW, during his formative years, will be a part of him always.

This is National Book Week for 1972. It began on Nov. 12 and will continue through Nov. 19.

The Avon Park Library staff urges you to visit the library anytime, but especially this week, when books are in the spotlight!

Junior Women Plan Work On Christmas Float

The Avon Park Junior Woman's Club held its Nov. 10 meeting on the 7th, in the Woman's Club Building, with 22 members present and four visitors.

The devotion was given by Mrs. Nancy Lawton. She read a poem she had written using a part of the Juniors Pledge. This poem will be sent to the Lake Hamilton Junior Woman's Club for their section of the altar.

The club was led in the flag salute by President Eileen Martin.

Program Chairman Lois Sachsemaier introduced Mrs. Adams from the Horn of Plenty as our guest speaker for the meeting. Mrs. Adams gave a very interesting program showing us many lovely items we could make for the coming holiday season.

The upcoming Christmas parade float was discussed, and a time and place has been set for club members to work on this float.

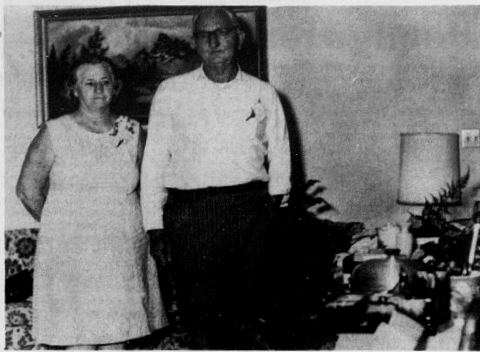

The Halloween carnival and parade were discussed and all those that helped were thanked. We feel both were a huge success, and feel the P.T.A. did a great job with the carnival.

The Christmas dinner party time was set and hostess were selected. A good time will be expected by all attending.

The junior's community project for the month of Nov. is to furnish Thanksgiving baskets for two needy families. Each member brought food to place in the basket.

We were sorry but pleased to hear that the Sunday school we have sponsored has found a home. We have received the name of another girl that will take her place.

Hostesses for the evening were Mrs. Sharon Heard and Mrs. Olivia Hood. A delicious punch, nuts and cookies were served.

FRIENDS AND NEIGHBORS honored Gussie and Leon Massey with a housewarming on Sunday, Nov. 12, at their new home on West Circle St. Gussie and Leon are pictured above looking over some of the many lovely gifts they received. - Photo by Sharpe

Over 100 Friends Attend Housewarming For Masseys

Over 100 friends and relatives attended the housewarming at the lovely new home of Leon and Gussie Massey, 410 West Circle St. Sunday Nov. 12.

It was a happy occasion for all as they browsed from room to room, viewing the home and the many beautiful gifts. Refreshments of punch and a variety of sandwiches, dip, nuts, mints, and cakes were served throughout the afternoon as friends from near and far came to wish Leon and Gussie well in their new home.

The hostess gift was a picture for the spacious living room wall.

Hostesses were Katie Davis, Lucille Lemler, Betty Chestnut, Ruth Nolin, Beulah Earnest, Ruth Thomas, Mildred Strength, Elizabeth Lemm and Rubie Rucker.

APCI Nursery "How We Grow Them"

by Jim Kiser, inmate

Soil is a term that covers many different medias in which you can grow plants. Florida soils have a large range of soil types and it is near impossible to guide each individual as to his soil requirements. Knowing your soil type is of prime importance when preparing the garden. Your soil may be sand, clay, loam, muck, and have a wide range between being organic or inorganic. Equally

important is drainage and acidity. Whatever your soil, it can be altered to afford you the requirements of a pleasant garden. If, however, you have drainage problems, these must be taken care of first.

Marl soils and shell sands are almost pure limestone and cannot be made acid. This only means that you should not attempt to grow acid loving plants in such soil. Marl, sand, clay, or loam will benefit from organic materials being added. This assures your plants the required elements needed for healthy growth. You can fertilize instead of improving your soil, but you will soon find that this is quite expensive. Fertilizing is very important and should be done on a scheduled basis, not every week because of poor soil. Heavy rains and high temperatures soon contribute to those required elements being leached from the soil.

Building your beds with compost or manures is the most practical approach. Adding sand to clay and peat to sand are also suggested, yet to obtain the desirable organic ingredients you should use some manure or compost too.

Testing to ascertain the pH of the soil is important. Soil pH may need to be adjusted for the plants you wish to grow. pH is the alkaline acid balance of your soil and many garden books will tell you what pH certain plants require for healthy growth. To lower the pH (acid) of your soil you can use: Sulfur, Aluminum Sulphate, or Iron Sulphate. To raise the pH (alkaline) you can use: Hydrated Lime, Dolomite, Ground Limestone, or Basic Slag. Most nurseries can assist you with these materials and direct you in their use. Adjusting the pH can cost much less than the fertilizer you would waste trying to grow plants in unsatisfactory soil.

Take a good look at the plants in your yard and then find their best pH level as listed in any garden book. This will give you the best free advice available. You will soon learn other plants that desire the same pH level and know where to plant them.

I have attempted to keep this information simple and intend it only as a basic guide. Most garden books will give you specifics for those that wish more. Soil condition and watering are vital to an attractive garden. I will discuss watering next week.

Gouliette

Completes

Course

Jerry Gouliette, a switchman for United Telephone Company of Florida, has completed an advanced course in the operation, testing, and maintenance of automatic toll ticketing telephone equipment.

The specialized course was conducted at GTE Automatic Electric's training center in Northlake, Illinois, a suburb of Chicago. The ticketing equipment helps to handle

customer direct-dialed long distance calls.

United's toll switching center here is continually being expanded by addition of equipment to handle an increasing volume of long distance traffic. Throughout the company, traffic is up 20 percent over last year.

Gouliette has been with United for seven years. He is a graduate of Avon Park High School, and served three years in the Air Force. He and his wife, Judy, have two children and live in Avon Park.

Tom Gallen Thanks You

Words are inadequate to express my deep appreciation to all of the people of both parties, who made my Senate Election possible.

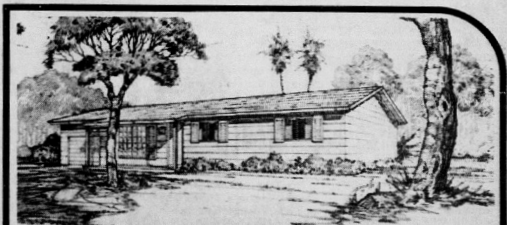

A special thanks to all my many workers and supporters who labored so diligently in my behalf.

To Andy Jackson, a fine gentleman, who I enjoyed getting to know in the Campaign and all his workers, I appreciate the clean Campaign you waged.

I pledge to all of the people of the 24th District to be available at all times and represent the total District to the best of my ability.

Very Sincerely Yours,

Tom Gallen

Brentwood Mobile Court

Bill and Marie Good had as their supper guests on Sunday evening, Mr. and Mrs. Robert Duthie of Avon Mobile Court and Glenn Moulton of Avon Park.

The Rothens, Gelsingers, Johnsons, Rogers and Rhoades returned this past week. It's great to have all of our friends coming back now.

Welcome to Mr. and Mrs. Harry Beacham who have just moved in. We look forward to becoming acquainted with them.

Our Thanksgiving Dinner will be held in the Club House as usual with Mr. and Mrs. Bennett hosting the affair and furnishing ham and turkey as usual. All those attending bring other goodies. We have some wonderful cooks in this Court.

Mr. and Mrs. Roy Benson of Brentwood Park called at the Goods on Sunday.

Mr. and Mrs. Louis Nickoley attended and "Afternoon of Music" on Sunday afternoon in Winter Park.

Mr. and Mrs. Dick Enoch and the Nickoleys attended a 60th Wedding Anniversary open house at the home of Mr. and Mrs. Ray Coburn.

ATTEND SEMINAR
Former Circuit Judge Joseph D. Kinney and his law clerk, Mrs. Susan Orr, attended a seminar of the Practising Law Institute at the Sheraton-Biltmore hotel, Atlanta, Ga., Nov. 10-12. The seminar dealt with defense of narcotics cases, entrapment, trial techniques, plea bargaining, discovery procedures, and other subjects.

CLARENCE F. KING
to the Avon Park City Council

I'm a strict business man. I have and will always handle the business of Avon Park with the same care about decisions as if it was my very own. Many very important business decisions will have to be made during next year. These decisions will have a great bearing on our future in Avon Park. Among the important decisions to be made is the financing and construction of the new additions to our water and sewer systems. The newly expansion program makes services available to most of Avon Park.

This program will be financed with grants from the various Federal and State Agencies. The grants will be somewhere around two-thirds of the cost. The City will finance the balance with sewer and water revenue bonds. We will be able to keep service charges for sewer and water at a very reasonable amount, because of the small amount the city will have to pay for the program. Many cities over the country have been ordered to stop new construction by the pollution and environmental control agencies. We certainly do not want this to happen to Avon Park.

A Library has been approved by the voters back in September. The mechanics of this is being worked up and construction should start within a reasonable time. The City has received title to the old Armory Building. This will be remodeled for a meeting place for various organizations and a place for youth programs.

I propose the upstairs be remodeled and used for revenue producing programs. I expect all our sidewalks needing repairs to receive them during the next year. This was budgeted for the fiscal year just passed. The shortage of labor forced a postponement. I'm retired from retail business after 25 years in Avon Park.

I own rental properties which I manage. I have been elected by my fellow councilmen three times to be president of the City Council.
My wife, Mary Lee and I, live at 211 S. Verona Ave. If you have any questions drop by or give me a ring.
Ed. Pol. Adv.
