Halloween Parade - Carnival Saturday

Ghosts, goblins, and various other supernatural creatures will invade the streets of Avon Park Saturday, Oct. 28, as the annual Halloween Parade sponsored by the Avon Park Women's Club gets under way. The ever popular parade,

beginning at 3 p.m., will include children in costumes, floats, decorated cars, and the Avon Park senior and junior bands.

At the conclusion of the parade, the Carnival will begin, sponsored by the

Elementary P.T.A.

The children's parade lineup, headed by Mrs. Myrtle Guerdnt, will be held at Donaldson Park on the tennis courts. Pre-school through sixth graders will be judged for the "Most Liked Halloween"

costume, the "Most Original" and the "Most Beautiful". Ribbons will be given to the children of each grade bracket to be worn in the parade. Judging will begin at 2:30 p.m. and conclude at 2:45 p.m. Parents are urged to

remember these times as no child can be judged unless he is on the tennis courts.

All entries on wheels or in groups will be in the Novelty Section this year. They will also meet on the tennis courts with judging held from 2:30 to 2:45 p.m.

The float section of the parade is headed up this year by Mrs. Janet Willis. The floats will form on South Verona Ave. from the Post Office to the Middle School. Judging will

begin at 2:15 and end at 2:45 p.m. Winners of the contest will receive plaques in the categories of "Most Outstanding Float", "Most Outstanding Business Decorated Car", "Most Outstanding Club Float", and "Most Outstanding Club Decorated Car".

As the day turns to dusk, the children will invade the streets in search for goodies, yelling "Trick or Treat", from 7:30 till

9 p.m. We hope that this will be a safe and fun Halloween for everyone. The National Safety Council offers some tips for parents which will aid in the

goad sought by all.

Have your children dress in light colored costumes decorated with reflecting tape.

Remind the children not to eat the goodies before they are inspected by the parents.

Have the youngsters visit only those homes where porch lights are on, and after dark,

allow the child to carry a flashlight which is very good protection.

Warn your children to take extra care in crossing streets, and drivers are urged to keep a watchful eye out for excited youngsters darting out into the streets.

We want all our children to have a safe and happy Halloween.

It is also asked that no one in the parade throw candy or fruit into the crowd because this has become very dangerous.

New
Miss Flame

AVON PARK'S NEW "Miss Flame" for 1973, pretty Mary Weeks is flanked by first runner-up, beautiful Donna Marsh (left) and second runner-up, lovely Linda Bennett. Mary is a 16 year old senior at Avon Park High School, daughter of Mr. and Mrs. Joseph W. Weeks, sponsored by DeLaney

Hardware of Avon Park. Donna, daughter of Mr. and Mrs. Frank Marsh, is a 16 year old junior at Avon Park High School, sponsored by Borders' Service Station. Linda, is the daughter of Mr. and Mrs. C. M. Bennett, and a 17 year old senior at Avon Park High School, sponsored by Touchton Druggs.

City Attorney Files Answers To Charges On Lease

Jonathan H. Hancock, attorney for the city of Avon Park, yesterday filed in court an answer to the charges of Joe Kinsey, sr.

According to Hancock, the city will deny that the statute law provides for the defendants to pay the plaintiff's attorney a fee if the plaintiff prevails, particularly in view of the fact that the plaintiff is serving in proper person. Also, he noted the city may wish to attack by motion to strike certain portions to the complaint filed by Kinsey because "it uses legal conclusions instead of material facts."

Hancock also stated the city could assert a positive defense in that the city, at the time, was authorized to sell land or lease land without advertising.

After Hancock reported the three mentioned possible replies to the complaint, the city council voted three to one to file the reply. Councilman Sizemore was absent, and Councilman King voted against the motion.

In other action, the city council discussed the proposed month to month lease of the Golf Course. Some changes were to be made on the lease, and the city attorney was asked to contact the First National Bank of Sebring about repairs to the pump which is now broken down.

Hancock also reported that state beverage laws varied on measurement of distance from churches or schools from places where alcoholic beverages were sold. In his opinion the city judge would be the proper one to interpret the city ordinance and then if the party inquiring did not agree he could appeal the decision.

In other matters brought before the city council, Rev. Collins Fogle appeared before them regarding his purchase and plans for the Watkins property. Council President J. R. Duggan requested that zoning be checked for possible use as a funeral home.

A Building Inspector Ben Love was present and said it was zoned commercial, class I. He

also said the cost of remodeling the building would be more than \$6 per sq. ft. and the Southern Standard Building Code provided that such a building should be demolished. A lengthy discussion was held and the council decided that the building had been condemned and should be demolished.

Bids were opened on the

purchase of a new police car. Low bid was submitted by Bill Owens Ford at \$3,994.67 and was accepted.

A request was heard from the Grange for use of a room in the Old Armory Building on a regular basis. The council decided that they would not commit the use of the building to anyone on a regular basis but only on an occasional use

basis as it is anticipated that the operation of a young people's center would be the main use on a regular basis.

Councilman Milton Howard requested that a tree on city property in front of the home of Leroy Love be cut down. Since the branches of this tree are in power lines, the Florida Power Corp. is to be contacted relative to cutting this tree.

Democrats Plan All Out Drive To Elect Candidates

Highlands county Democrats are putting on an all-out drive to get their candidates elected next week, when they hold a county-wide barbecue, dance and two huge motorcades.

Plans were made at Thursday's meeting of the county committee. Edna Pearce Lockett, chairman of the county committee, made the committee appointments and urged members to work hard to get out the vote.

"Even though Democrats outnumber Republicans three to one in the county, we are by no means going to take the election for granted," she declared.

Mrs. Lockett said precinct teams are organized and will be working, assuring that each voter gets to the polls Nov. 7 and votes. The committee is aiding the Democratic nominees financially in their advertising.

The giant barbecue and political rally will be held Nov. 4 at the National Guard armory on US 27 between Sebring and Avon Park. Mel Bass was named chairman for the event. Bass said he would prepare barbecued beef, baked beans and cold slaw, and plan on 1,000 people to eat it.

The rally will begin at 4 p.m. and will run through 7 p.m., to be followed by a dance at the

armory. All of the local candidates for county commission, Robert Skipper, Buddy Wise, Mel Bass and Woodrow Waldron have indicated they will be present.

Bill Sikes, the 10th District Congressional Democratic candidate from Clewiston will be here as will Tom Gallen, the Democratic nominee for State Senator from District 24.

Jerry Lewis, the only statewide candidate still in the race has been invited. He is the nominee for the public service commission.

The county-wide motorcades, are set for Nov. 3 and Nov. 6. The motorcades, expected to reach several hundred cars, will begin at the Fairgrounds in Sebring, and will take a route through the business and residential sections of Sebring, Avon Park and Lake Placid.

"The barbecue and motorcade will be open to anyone interested in helping the Democrats win on Nov. 7," Mrs. Lockett said. There will be no charge for the barbecue dinner, but contributions to the Democratic party will be accepted.

Lions Club Barbeque At Halloween Carnival

The local Lions club plans to celebrate Halloween by providing barbecued chicken dinners to paraders and parade watchers alike on Saturday. Four hundred dinners will be served on a first come first serve basis. Each dinner will supply the hungry customer with one-half a barbecued chicken, baked beans, cole slaw, rolls and iced tea for only \$1.75. Service will begin at 4:30 in Donaldson Park at 4 p.m. following the parade

sponsored by the Junior Women's Club. You don't have many chances to get a good meal and help your less fortunate neighbors at the same time. The Lions suggest this as a golden opportunity to do just that. They pledge every dollar earned at the barbecue to go to one of their sight conservation or community assistance projects. A sell out crowd is what they need and we hope they get it.

City And County Tax Bills Will Be Mailed Friday

A record number of city and county tax bills - 33,318 items - will be mailed out Friday.

And nearly everybody will have a bigger tax bill than last year because of increased millage.

The only folks who can expect a smaller bill are those over age 65 who benefit from the additional \$5,000 in homestead exemption approved this year by the Legislature. There are 1,812 persons affected in the county.

The amount Tax Collector W. H. Prescott is seeking to collect this year for the first time goes over the five million mark for a record \$5,060,607.

Prescott said he is putting bills in the mail to 36,171 individual owners of 33,318 items of real and personal property. The biggest bill will go to Consolidated Tomoka, \$170,538. The four other biggest taxpayers are Florida Power, \$166,746; Lykes brothers, \$159,410; Ben Hill Griffin, \$107,188, and Coca Cola, \$82,986.

County millage this year is 16.999, up about two mills from last year because of a state funding formula which caused the school levy to rise two mills here, although the school board held the line on local operating costs.

Sebring taxpayers will pay 27.093 mills. Avon Park District 1, 28.206. Avon Park District 2, 25.906 and Lake Placid, six mills.

For the first time this year, 1,812 persons in Highlands county are benefiting from the additional \$5,000 homestead exemption on the current school tax. This is in addition to the usual \$5,000 exemption on the entire county tax.

Tax Assessor J. W. "Billy" Martin said total additional exemptions amount to \$62,000 in taxes in the county. The county will be reimbursed in this amount from the state treasury.

For the first time, the collector is not sending out intangible tax bills. These taxes were collected by the state for 1972 the first of this year.

One of the big problems this year is addresses, but Prescott said the Sebring post office is cooperating to get the bills to the old addresses. Sebring renumbered this year.

"We do not have most of the new addresses in Sebring," Prescott said, "so we are mailing to the old addresses. However, we are sending out cards with the bills instructing the payers to fill them out with the new addresses listed."

He added that they do not anticipate any problems. He urged people who do not receive tax bills promptly to

get in touch with his office so that those who plan to pay early and get discounts can do so.

The Board of County Commissioners decided Tuesday to accept receipt of its planning

Chamber Sets Membership Meeting

The Avon Park Chamber of Commerce will hold a special Membership meeting on Thursday, Nov. 2, at 7:30 p.m. in the Avon Park High School cafeteria.

The purpose of the meeting will be to review work completed to date this year, and to get help for the members in forming a program of work for the coming year. The Chamber of Commerce is making every effort to see that the voice of the membership is heard. This promises to be an interesting and entertaining evening.

Hosts for the evening will be Mr. and Mrs. John Morris and Mr. and Mrs. Chuck Metcalfe.

and zoning commission's General Development Plan for Highlands county.

However, they declined to give the plan their approval, preferring that the question be aired fully by the new board that is due to be seated on Nov. 21.

Mrs. Ellen Ward, chairman of the planning and zoning commission, attended the meeting to present a resolution recommending that the commissioners hold a public hearing on the plan prior to their adopting it.

Mrs. Ward gave each commissioner a copy of the 127 page technical report entitled, "General Development Plan for Highlands County," which was prepared by Candeb, Flessig and Associates, a St. Petersburg consultant firm.

The plan contains general planning recommendations on county land use, transportation, community facilities and housing.

The commissioners sought

(Please turn to page 2)

the people to whom the bills are undeliverable will not be able to benefit from discounts unless they get in touch promptly with the tax collector's office, and "some of these wrong addresses are several years old."

Prescott said "at least 70 percent of the bills went outside Highlands county." He said he feels the number of out-of-county taxpayers is increasing because of the rapid sale of subdivision lots.

Taxes are due Nov. 1, next Wednesday - and if paid in full before Dec. 1 will be discounted four percent. If paid in December, the discount will be three percent; if in January, two percent; if in February, one percent. They become delinquent after April 1. The full bill must be paid by Mar. 31.

Last year's millage for everybody in the county was 14.715, by year before that, 14.124. Taxpayers in the flood control district pay an additional .53 mills. The flood control district includes all of the county except the west 12 miles of the north 18 square miles of the county.

City of Sebring millage is 16.167 compared to 16.154 last year; Avon Park District 1, 10, the same as last year; Avon Park Districts 3, 5, same as last year, and Lake Placid, 6, the same as last year.

The total real estate and personal property tax roll last year was \$4,433,675, the number of items, 49,548.

LEE GURGANUS, property records clerk for the local school district, adds one more desk-chair to the stack of those to be sold Nov. 2 and 3 from 6 to 7 p.m. at the Highlands County Fair commercial building here. Thousands of items will be offered to the public, including chairs, tables, desks, sewing machines, dishes and glasses.

typewriters, step ladders, heaters, musical instruments, pianos, music stands, duplicators, copying machines, electric fans, sinks, lavatories, wooden doors, saw horses, kitchen appliances, and even an intercom system. Each item has its price listed, according to Garland Boggs, purchasing officer.

Board Considers Public Meet On Plan

The advice of County Attorney Robert Duntz on how they might hold the plan for consideration by the new board.

Duntz advised acceptance of the report since the board was, as yet, under no legal obligation to abide by the study's conclusions or recommendations. He told the commissioners that they could neither accept nor reject the plan until it had been considered fully at a public hearing.

Commissioner Norman "Jue" Heston recommended

that the present board pass action on the development plan to the new board. Heston is the only present member assured of a seat on the board that will be selected by county voters during the Nov. 7 general election.

Other actions taken Tuesday by the commissioners include: —Accepting a petition from the Orange Blossom Country Club Community requiring the closing of a 25 foot square section of Orange Blossom blvd. and authorizing the publication of an advertisement calling for a Nov.

21 public hearing on the proposed closing. —Accepting the suggestion made by Betty Bolin that a formal dedication of the APT-Civic Center be scheduled. Charles Cullens, administrative assistant, will make arrangements.

—Accepting the bid of Hollenbeck and Wolfe, Inc. for construction of the Lake Placid motor vehicle station.

—Approving the rezoning of Paradise Cove (Section 2) from single family residential to mobile home and residential subdivision category.

—Accepting contracts from the Department of Transportation requiring the county to maintain railroad crossings along its secondary road system.

—Receiving a letter from the Highlands County Bar Assn. recommending that office space be found in the courthouse for Florida Probation and Parole department workers. County Attorney Jue Heston supported the recommendation stating that probation workers save money for the county's taxpayers.

Charles Cullens was directed to continue his search for the needed office space.

—Authorizing the Civil Defense Director to attend a Nov. 13 meeting of the State Civil Defense Council in St. Petersburg.

—Appointing to four year terms on the Planning and Zoning board, Ricky Dressell of Avon Park and L. C. (Gus) Smith of Sebring. The two appointees will replace Ted Shoemaker and Bob Barben whose terms of office expired Oct. 21, 1972.

—Agreeing to enter into a contract with Florida Power Corp. for providing electricity to lights located near the intersections of Route 27 and SE-70, Route 27 and Route 98, Route 27 and SR-621 and for lights installed along the Avon Park truck route, SR-17A. The annual cost of the five year contract will be \$6,622.

—Instructing Charles Cullens to ask the Florida National Guard unit in Avon Park to apply for state funds to provide a parking area for guardsmen. In the event that no state funds are available, the Guard unit should be asked to present its request for county assistance during next year's budget hearings.

Devils To Meet Arcadia Here

The Red Devil offense ground out 21 yards on the wet Arcadia field and the 20 points on the board while the Devil defense completely frustrated the Tiger offense to give Avon Park a 30-0 non-conference win last Friday night. The Devils moved to a 4-2 record for the season.

This week the Avon Park team returns home for a four game stand taking on the tough Arcadia Bulldogs tomorrow (Friday) night in another non-conference bout. The Arcadia team has a 5-1 record with wins over Naples, Bartow, Sebring, Venice, and Punta Gorda. The lone loss came from North Fort Myers. The Bulldogs seem strong at all points with veteran players on the line and in the back field. The Red Devils, on the other hand, have lost five players with injuries this year.

Hayward Batts and Mearl Robinson also are out with breaks and hope to be back before the season is over. Clevelston Game

A heavy pre-game rain turned into a misty drizzle during the first half of the game as Avon Park and Clevelston met on the Tiger's field last Friday night.

A strong wind also hampered play. But Avon Park's Arnold Davis ran three touchdowns over and also scored two two-point conversions to lead the Devils to the 30-0 win. Leon McRae turned in an outstanding performance on both offense and defense as he intercepted three Clevelston passes and picked up 39 yards on eight carries for a 7.3 yard average. End Wayne Todd also made some vital plays as he intercepted a Tiger pass and ran it back forty yards for a TD and also recovered a fumble for the Devils.

But in spite of the outstanding individual effort of these boys, it was definitely a team effort that put the win on the board. The Devil line played open the holes for the Tiger's almost to a stallion on offense during the game. The Clevelston backs were thrown for losses time and time again by Inermen Jarvis Haritt, Alcus Shell, James Walker, and Andy Prescott.

It took Avon Park three tries to get its first score. They were held without a first down after the opening kick-off which they got on their own forty-five.

Keith Richards punted deep to the Tiger seven though to put Clevelston in the hole early. A bad punt by the Tigers gave Avon Park a second shot at a TD on the Tiger 17-yard line but again the Devils couldn't push it in from the three. But on the next series Avon Park moved from its own 26-yard line in for the score. Davis picked up twelve yards to the fourteen and Josh King went to the ten. Then Keith Richards shot through to the one and from there Arnold Davis went in for his first of three touchdowns of the game. Davis also ran over the two-point conversion giving Avon Park the 8-0 lead in the first quarter.

The Devils scored again early in the second quarter after Leon McRae intercepted a Tiger pass at the Clevelston twenty-five and ran it back to the twelve. Davis streaked on the first play for the TD and then again wedged in the two-point conversion to give Avon Park a 16-0 advantage.

Clevelston had the ball three times in the second quarter and made two first downs. The first came on a fifteen yard penalty against the Devils and the second came on a 45-yard pass play from quarterback Jim Pennington to end Ben Cutshaw. That pass moved the ball to the Devil twenty-two but three plays later McRae intercepted another Tiger pass to stop Clevelston's deepest penetration in the first half.

In the second half, the Tigers got a break early when a Devil back fumbled after a ten yard gain and a Tiger back fell on the ball at the Avon Park forty. On the very next play Leon McRae made his third pass interception of the game to frustrate the Tigers again.

Neither team scored in the third quarter and most of the action was in Avon Park territory. Clevelston intercepted a Devil pass at their own forty-five and picked up its third first down as speedy James Brooks broke loose for a 33-yard run to the Devil twenty. That was as far as the Tigers could get as the Devil defense got tough and held for four downs.

Early in the fourth quarter Wayne Todd recovered a Tiger fumble at the Clevelston forty-seven. The Devils lost back to the fifty but then Leon McRae broke loose for a twenty yard jaunt to the thirty. William Burley added two yards and Richards picked up six. Then McRae took the ball again and scrambled down to the Tiger eight. A fifteen yarder backed the Devils up but they got going again with McRae picking up three and finally Buddy DeWitt

gaining eight yards on a keeper to the Tiger four. Then on fourth down with four needed, Arnold Davis went around left end on a pitch-out for the score. This time Bud Wester came in to kick the extra point. The ball was tipped by a defender but managed to skim over the bar for the point.

On the very next play from scrimmage, Wayne Todd intercepted 4 Tiger passes and picked off a Tiger pass in the flats and scampered forty yards into the Tiger end zone for the last Avon Park TD. Again Webster was called on to kick the extra point and this time it was a perfect end over end kick that gave Avon Park the 30 points.

Avon Park drove to the Tiger five in another drive after Andy Prescott recovered a fumble at the Clevelston forty. Leon McRae did some quarterbacking and big Alcus Shell carried the ball a couple of times to the delight of the Avon Park fans. Alcus picked up three yards on each of his two carries. Wayne Todd also ran from a back slot a few times as the coaching staff looks for some depth in the backfield.

McRae hit Bud Wester with a clutch fourth down pass to move toward the five but Clevelston pulled in a pass at the two to stop that last Avon Park threat. Time ran out with Clevelston moving toward the fifty.

All of the Devils got to play in the big win and in spite of the bad playing conditions no one was injured seriously. Josh King hurt his ankle a little and Keith Richards was out for awhile in the second quarter when he took a blow to his

middle but the team survived the game in pretty good shape. Statistics gave Avon Park 12 first downs to Clevelston's four; 211 rushing yards to the Tigers' 19; 5 passing yards to Clevelston's 35; and 42 yards of penalties to 52 for the Tigers. Avon Park completed 3 of 7 passes and Clevelston hit on only 2 of 15. Avon Park intercepted 4 Tiger passes and had two intercepted and lost 1 fumble while recovering 2 of the Tiger fumbles. The Devils

punted five times for a 23.8 average and Clevelston punted five times for a 25.4 average.

Old Settlers' Meeting October 26

The "Old Settlers' Association of Avon Park" will hold its 28th annual meeting this Thursday (today), Oct. 26 at Wesley Hall in the First United Methodist Church.

The gala will get under way at noon, with an old fashioned picnic dinner, followed by the program, consisting of a panel of "old timers" relating their experiences of the past and pioneer life in the early days of Avon Park. A "sing-along" and old pictures of the area will also be on display as part of the day's activities.

Anyone who has been in the area for 20 years is reminded that he or she is eligible to join the Association.

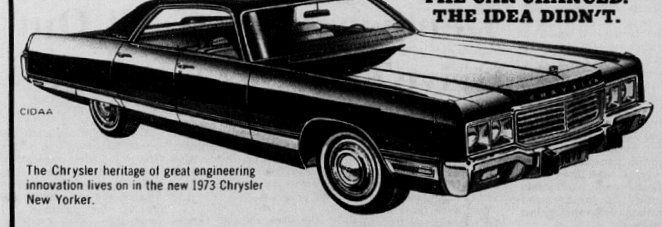

Reverend Herbert D. Graetz, President of the Old Settlers Association, urges all who are qualified for membership to come out and enjoy the day's festivities on Thursday, Oct. 26, in Wesley Hall, at First United Methodist Church.

Little League To Meet

There will be an important meeting of the Avon Park Little League Association at the Avon Elementary Cafeteria next Monday night, Oct. 30, at 7:30 p.m., according to secretary Marvin Willis.

Officers for the 1973 Little League season will be elected and there may be discussion on the addition of a senior league for next spring. All parents and friends interested in Little League should be at this meeting.

CHRYSLER NEW YORKER '73. THE CAR CHANGED. THE IDEA DIDN'T.

OPTIONS

A long list of options includes an Electronic Security Alarm System which locks in, lights up and sounds off to protect car occupants and discourage car thieves.

The system, working with power door locks, is armed by locking the front door with the door key. Whenever the passenger, trunk, or engine compartment is forced open the horn blows and the headlights, taillights, and sidemarkers lights begin flashing.

The system may also be activated by an occupant of the car by pushing an emergency button on the instrument panel which instantly locks all doors, blocks the hoodlatch and starts the horn and light signals.

Other options range from an electronic digital clock and steel-belted radial ply tires to vent windows and sun roof.

Dear Tom:

On behalf of the 55,000 member families of the Florida Farm Bureau Federation, I'd like to express our appreciation to you for your fine support of Farm Bureau policies during the recent Legislature, as well as the rest of the six years you have served in the House of Representatives. We are grateful for your support on the floor of the House of Representatives, but also in the committees on which you have served.

We were really concerned when the disapproval of the Florida Farm Bureau Federation, I'd like to express our appreciation to you for your fine support of Farm Bureau policies during the recent Legislature, as well as the rest of the six years you have served in the House of Representatives. We are grateful for your support on the floor of the House of Representatives, but also in the committees on which you have served.

We also appreciate your support of our fight to secure legislation and our changes in the Green Belt Law, which we believe will result in a much faster location of agricultural property and will eliminate those who are not bona fide agriculture operators.

Again, thank you for all of your cooperation and support and best of luck in your upcoming race for the Florida Senate.

Service Station Attendant Shot- State Wide Alert For Man In 20's

A state-wide alert is out for a white man in his early twenties who pumped four bullets into a 73-year-old service station attendant Monday and fled with the station's cash and the man's car.

Nelson Peters, 73, of Lake Francis, is in the intensive care unit of Highlands General Hospital, reportedly holding his own. He underwent surgery Monday to stop internal bleeding, but all four bullets still are lodged in his body. One severed the spinal cord, two are in his lungs, and one is in his waist.

Sheriff O. L. Raulerson, Jr., said his office was alerted by a man who did not identify himself, but who said he saw the suspect leaving the station in Peters' car. He said the man aimed his gun at him then drove off. The caller also saw Peters lying on the floor of the station and drove quickly to a nearby station to call the sheriff.

An ambulance rushed to the scene and road blocks were immediately set up to seal off all roads leading out of the county. Airplanes searched by air for five hours. But the blue 1960 Nova with its full tank of gas could not be located.

Peters was able to talk to the Sheriff about 5 p.m. Yesterday. He said the young white man in his early 20's approached him and had a blanket over his arm. The man demanded all his 10 and five dollar bills and Peters gave them to him. Then he demanded the car keys.

The Sheriff said apparently the man was a hitchhiker because several people saw a person of that description hitchhiking in the area at the time. The suspect was described as about five feet nine inches tall, with medium length brown hair and light-colored clothing.

The Sheriff estimated that the suspect got "less than \$100."

Telephone Co

Has Ups

And Downs

A typical telephone company has its "ups" and "downs" like any other business; but United Telephone of Florida states that a record high level of "ups" and "downs" has become a major performance factor within much of its 13 county operating area.

Thus far in 1972, the company said it has connected more than 41,000 telephones ("ins"). During the same nine-month period, another 28,000 phones were disconnected ("outs").

Derailment

Blamed On

Equipment

Equipment failure was blamed by railroad officials for the derailment of 25 cars of a southbound 95-car freight train at Lakeland last Wednesday.

Officials in Jacksonville said the derailment was caused by "mechanical failure of equipment, rather than track." They added the tracks along that particular stretch of road are in excellent condition.

The precise cause of the crash, whether it be axle, wheel, journal, etc., failure is still under investigation. Part of the delay in making the precise determination is caused by running gear on the derailed cars still being buried at the crash site. Some of the wheels ended up in the back yard of Elliott's Grocery. Two of the cars barely missed homes in which 14 children lived. There were no injuries.

The freight derailed about 1:20 p.m. last Wednesday but the tracks, on the main line of the Coast Line, were back in service at 9:40 a.m. the next day.

Repair crews worked through the night Wednesday to repair the tracks. First train over the restored railroad was a northbound freight.

Halloween Movies

Sat. At SFJC

The Student Government Association of South Florida Junior College, Avon Park, Fla., is featuring a collection of horror movies from the frightening past.

The "spook theater" begins at the early witching hour of 9 p.m. in lecture room 101, at the Junior College. Admission will be 50c, which covers the price of edible spook treats.

"From these 69,000 service orders, we have experienced a company-wide net gain of 12,000 telephones in service," said Charles Bryan, United's northern district commercial manager.

"This high level of activity stems from the fact that we have a very mobile population in much of our Florida service area," says Bryan. "In addition to large numbers of new residents, we have thousands of seasonal residents. Then, there is a greater tendency these days - especially among younger families - to move about as a result of new job opportunities." "Also," he said, "we have to keep up with the communications requirements of many new or expanding businesses and other institutions."

Bryan said the company's five-county northern district has experienced a net gain of 2,326 telephones this year, through September. Total telephones served by United in each county is as follows (1972) gain in parentheses:

Highlands - 16,764 (1,079)
DeSoto - 5,397 (448)
Hardee - 5,609 (501)
Okeechobee - 5,632 (501)
Polk - 2,344 (108)
(Fort Meade)
District Total 35,746 (2,526)

During the last quarter, an additional gain of 1,700 telephones is forecast by the company for the five counties. "Company-wide," said Bryan, "United of Florida was serving 100,021 telephones at the end of September and expects this figure to reach 100,750 by the end of this year."

Mrs Stebbins Entertains

At her spacious home on Walnut st., Mrs. Florence Stebbins entertained on Sunday afternoon, celebrating the birthdays of her son, Arthur and also hers.

The home was beautifully decorated with arrangements of multi-colored roses and sprigs of fern. There were many lovely gifts for the two honorees to open. The traditional birthday cake in colors of pink and green was enjoyed with other party fare. Those sharing in the occasion were George and Jeanine Bowers and daughters, of Lake Placid; Patricia and Silvia Bowers Marine and husband Rodney and their one-month old daughter, Olivia Lynn Marine; and Malcolm and Betty Crews and sons, Dennis and Keith. Lake callers were Tony and Catherine Mitchell.

This has been a very busy week in Avon Park—with boat races, Veterans Day Parade (with lots of marching bands and pretty girls), and the Annual "Miss Flame" Contest, sponsored by the Avon Park Firemen. If you were at the contest, you saw what a tough time the judges had in choosing the winners, there are so many pretty girls in the area. I'm afraid if I were a judge, there would be too many "Miss Flame's". On Tuesday the lovely Marian Heiring will have to give up the crown (she wore so well), to the new "Miss Flame" of 1973, pretty Mary Weeks.

Mr. and Mrs. Doyle Kelley and son, Pee-wee, were week end guests of the Dale Durdens, and played in the member-guest Tournament at River Greens Saturday. Mr. Kelley is head coach of football and basketball at Auburndale High School.

W. Earl Haynsworth's mother, Mrs. J. E. Haynsworth, who has lived in Avon Park the last 10 years, recently moved to Athens, Ga. She will now be near her other son, Harry J. Haynsworth and his family, as well as many other relatives in Georgia, but Mrs. Haynsworth says she misses all her friends in Avon Park, and especially "The First Baptist Church. Her new address is 156 Crestview Circle, Athens, Ga., 30601.

Guest of Mr. and Mrs. Otto Foster for two days last week, was Mrs. Foster's brother, W. L. Rawlings from Hurst, Tex.

Was sorry to hear that Orda Cotterell broke her wrist in a garden-accident last Friday. One step backward with a garden hose in the way and the result was a home-breaking fall. Unfortunately, it was the right wrist and with that in a cast, Orda is finding out how difficult it is to do even the little things that we normally do without thinking. Like taking the cap off a tube of toothpaste, opening a jar or a can. I am not only have to do it all left-handed, but with the right hand in a cast—what are you going to hold the things with? Happily the break is knitting nicely and before too long, Orda will be back to being a right-handed person with "two" hands!

Attends Celebration in Lake Placid
Mr. and Mrs. George Kelsey attended the 50th anniversary of the First Methodist Church of Lake Placid on Sunday, Oct. 22. Kelsey had a parton the program and was the only Charter member present. The Church was organized in 1922, with 18 members, which has increased to over 400 members.

Congratulations to Gwen and John Hafford, who recently celebrated their First Wedding anniversary in Curunda, Panama, Canal Zone.

"Out of the mouths of babes"—After the Veterans Day Parade had passed, American Legion Post Commander, Rodney Lane Jr's 4½ year old daughter, Elizabeth was asked which band she liked best. Her reply was, "I liked the red band, and I liked the blue band, and I liked the green band." Arthur J. Irwin, standing near by remarked, "A born politician!"

Roy and Mary Taylor returned Monday, after being called to Jasper, Ala., to attend the funeral of Roy's father, Willie R. Taylor, age 82, who passed away Friday, Oct. 20. Also attending the funeral were the Taylor's three daughters, Sandy Money, Avon Park; Judy Croff, Sebring; and Kay Gaine, Talahassee, and their three grandchildren.

Evelyn Jones' "Young Highlanders" performed for the Wauchula Music Club, Monday evening, Oct. 23. Approximately 90 people attended the Club's anniversary banquet, thoroughly enjoying the Young Highlanders' program.

Danny Catches 7 Foot Sail Fish
Danny J. Willis and Ross Backus Jr. of Avon Park, were guests of the Pontiac Division of General Motors for a day of fun in West Palm Beach at the Breakers Motel. Those attending could choose between golf, tennis or deep sea fishing. Danny and Ross went deep sea fishing, with Danny catching a seven foot sail fish. He said it was a beauty, but was sorry, not a person had a camera the whole bunch. Danny was presented a trophy for the largest fish at the steak banquet held that evening.

Many parents and friends were in Winter Haven on Saturday, Oct. 21, to attend the performance of the "Young Highlanders" at the Winter Haven Mall. Overheard: "The kids had a ball on the Mall!"

Mrs. Audrey Hill was in Plant City on Sunday to visit her sister, Mrs. Eva Dempsey, who is very ill at Baptist Hospital. Accompanying her were her son and family, Mr. and Mrs. Kelton Hill, Kellie and Travis of Sebring.

The "Serenaders", Evelyn Jones, Shirley Goetz and Evelyn Metcalfe, with their accompanist Don Neiser, sang for the State Convention of the Florida Laryngeal Innomer Association at the Holiday Inn Lake Placid on Saturday, Oct. 21. Approximately 150 people attended the banquet, on Saturday, with Tom Nason of Sebring, president of the State Association, heading up the week end convention.

Out of town guests and relatives attending the funeral services of Mrs. Ada C. Kinsey, widow of the late A. O. Kinsey, on Oct. 19, were: Mr. and Mrs. G. C. Mills, sister from Wauchula; Mrs. R. M. Lee, (niece of Mrs. Kinsey) and Dr. Lee and Bobby Lee. Mrs. Lee will be remembered as Janie May Quarles, who visited the Kinseys here many times years ago. Mr. and Mrs. C. M. Sauer Jr., Lynn, Gina and Larry of Jacksonville; Mrs. Vida B. Waters and Mrs. Kingman Prentiss, Alachua; Mrs. E. L. Roberts and Mr. M. M. Foster of St. Petersburg; Fred Foster, Orlando; Mrs. Ruth Atkins and Mr. and Mrs. T. G. Philman, Bell, Fla.; Mr. and Mrs. Gay, Satellite Beach; Mrs. Alvin Clemens, Mrs. Alvin Clemens, Jr., and Mrs. June Johnson of Arcadia; Mrs. Idell Clemens, Plant City, and Mrs. Willa Albert from Bradenton.

Gillards and Houpes Win Trip
Mr. and Mrs. Wayne Gillard and Mr. and Mrs. James Houpe of Bill Owens Ford Company, Avon Park, won an all expense paid trip to the Canary Islands, which was sponsored by Motorcraft. They left by plane Monday, Oct. 16, arriving in the Islands on Oct. 17. While in the Islands, they visited many beautiful sights, the most impressive to them, was the

Tejeda Cross, high in the mountains of Gran Canaria. Their home base was the hotel Cristina, in Las Palmas. This is a trip that will be long remembered by both couples.

A group of Avon Park Masons attended an oyster supper at the Frostproof F&M Lodge No. 229, on Tuesday night, Oct. 17.

Mr. and Mrs. Ernest J. Childers returned Sunday from a week spent in the mountains of North Carolina. Enroute home they visited with Mr. and Mrs. Joe Wright in Nashville, Tenn., with Mrs. Wright accompanying them home for a visit with her parents, Mr. and Mrs. E. E. Sheumaker, Mrs. Wright is the former Lucille Sheumaker, of Avon Park. Also returning with them was Mrs. Childers' sister, Caribel Welch of Springfield, Tenn., who will spend some time in Avon Park visiting with her parents, Mr. and Mrs. Frank Welch and other relatives.

Russell and Elizabeth Mizelle was in Lake Placid on Sunday, Oct. 22, to attend the Platt Reunion held at Breezy Point on Lake June.

Mr. and Mrs. Stanley Spurlock announce the arrival of a baby girl, on Tuesday, Oct. 17, at Lakeland General Hospital. The little lady has been named Adrienne Marie, and birth weight was 7 lbs., 1 oz.

Proud grandparents are: maternal, Mr. and Mrs. Alton LaPlam and paternal, Mr. and Mrs. T. E. Spurlock, all of Avon Park.

Friends from out of town attending the funeral services for W. Jack Head, Saturday at 10 a.m., at Old Union Congregational Church were: Mr. W. S. Badcock, Mr. Will S. Spakman, Mr. A. B. May Jr., and Mr. D. F. Blue, all from Mulberry; Mr. and Mrs. James W. Kynes, Tampa; Mr. and Mrs. Whit Palmer and Mrs. R. E. Nettles of Ocala; Mr. and Mrs. Fred MonteDeCea, Lorinda; Mr. and Mrs. Pat Wilson, Frostproof; Mr. and Mrs. Charles Foster, Mrs. Ruth Gooding and Mrs. Essie Adams, all of Sebring.

Children Will Trick And Treat For UNICEF

Halloween is pumpkins, witches, scarecrows, and UNICEF. A day of fun for youngsters... and a better future for the children in the developing countries of the world. Every year, Trick or Treaters send in over 3 million dollars to UNICEF. In recognition of these efforts, the President of the United States has proclaimed every Oct. 31 as National UNICEF Day.

Children and youth interested in collecting for UNICEF are asked to be at the First United Methodist Church on Saturday at 5:30 a.m. to receive their coin boxes and instructions. Refreshments will be served about 9 p.m.

Luck Dinner

Eleanor Seaverns Rebekah Lodge No. 45 held its regular meeting on Oct. 16, with Noble Grand Lillian Seeger presiding.

Visitors were welcomed from Sebring, Ft. Myers and Virginia. The Lodge was greatly honored once again by having Ellen Syfrett, president of the Rebekah Assembly of Florida present at the meeting.

The initiatory work was done on the Ellen Syfrett Class of Candidates. In the class was the daughter and granddaughter of the president.

A special Fashion Creation Show was held after the meeting with six people taking part. Delicious pot-luck refreshments were served by the appointed officers with Mildred Waddell as chairman.

The next meeting will be on Monday, Nov. 6, preceded by the first covered dish supper of the season being served at 6:30 p.m., to which the public is invited.

Halloween Party Planned

The Cosmetology students of South Florida Junior College are planning a Halloween party to take place in the clinic on Halloween Day, Thursday, Oct. 31, from 8:30 a.m. until 1:15 p.m.

Patrons of the clinic are invited to have their hair styled by the Cosmetology students who will be disguised as witches, ghosts, or goblins.

The costumes will be judged by a committee made up of faculty members to determine the most appropriately dressed student with a prize being awarded to the winner.

The public is invited to attend this party either as a patron receiving services or as a visitor to the clinic. Refreshments will be served throughout the morning with the winner being announced at 12 noon.

Farm City

Nov. 17-25

The annual Farm-City Week observance has been set for Nov. 17-25. The annual Farm-City dinner will be held Monday, Nov. 6, at Holiday Inn.

Sponsored by Kiwanis International, the Farm-City idea is designed to promote and enhance more effective interrelationships for farm and city.

Rotary Report

Program Chairman John Morris presented Skeet McLearn of NBC Modular Homes of Lake Placid. Skeet explained that NBC is a division of Lindsay Lumber Company and which is affiliated with the Lone Star Cement Company.

A Modular home is basically a square building. But before starting construction of the homes, Skeet and several other company officials visited other manufacturing plants and found many of them had too many unproductive workers on the payroll. For every three production workers on the buildings there were three supporting workers which appeared to be an indication that increased efficiency is needed in assembling materials for the productive workers to use.

Since a two bedroom modular home can cost between \$9,000 and \$18,000, depending on furnishings and accessories, it is state inspected at the plant by the Department of Community Affairs. If the home is sold in Dade County, it must pass the stiffest building codes in Florida. A home buyer may have the house placed on his own lot or may buy the lot, home, and furnishings from the company.

Skeet told the Rotarians that the company was able to start production in December by using the building formerly used by the Tropical Farms vegetable packing operation. At present, they have 33 to 35

employees building the square houses with labor being the prime factor.

The house built in two halves has a half interior framing that is pressed together with 40 tons pressure. Floor space of the different models varies between 750 and 1200 square feet with cost varying between \$11.00 and \$11.50 per square foot. The exterior masonry siding has a finish guaranteed to 15 years while the pressed wood carries 25 year guarantee.

The home buyer can watch his two section house being rolled onto trailers, hauled to the prepared foundations and then rolled from trailer to foundation. It is bolted to the foundation while U-clamps hold the trusses together on top. In four days time the home buyer can move into his sparkling new factory fresh home.

APHS Band

Officers

Selected

The Famous Avon Park High School Grenadier Band under the field direction of Dennis Crews, drum major, will perform this Friday night at the Avon Park-Arcadia football game at Memorial Field.

This starts the five consecutive half time shows which includes District Contest in Sarasota on Nov. 18. Homecoming game will be the following week in which the band will have a fireworks show to conclude the Homecoming week festivities.

The band's Homecoming Queen candidate is Lyndy Barben and the Majorettes is Lynn Camp who is head majorette.

The band's officers (which are elected by the students) are: Captain, Eddie Culbertson First Lieutenants, David Flowers, Janice Murphy, Thom Lawrence, Beth Ferguson and LuAnne Johnston; Second Lieutenants, Jane Barber, Mike Eberle, Charles Klien and Richard Ferguson; Sergeants, Buddy DeWitt, Bobby Strength, Butch Gallimore, Lyndy Barben, Cheryl Dukes, Laura Clark, Christy Jones, Barry Beunel, Vic Mickunas and Tim Clark; Corporals, Butch Farless, Larry Sneed, Hal Worden and Thomas Brown; Head Majorette, Lynn Camp; Assistant Head Majorette, Laura Rehner; Drum Major, Dennis Crews and Color Guard Head, John Mickunas.

The junior and senior bands will be marching in the annual Halloween Parade this Saturday.

Highlighting last week, Oct. 18, was Sgt. Butler of the Lakeland Branch Recruiting office for the Marine Corps. Films were shown to the band members on the Marines prepare for an inspection.

Woman's Club to Have "You Name It" Sale

BORN MORE THAN 40 YEARS ago the photographer was almost grass green with envy as Joe Nelson, tractor operator, on the Carlton Melear Dairy Farm, Wauchula Rd., activated controls that conveyed a stack of grass hay from the hay harvester to the ground. Members of the Animal Production Class of South Florida Junior College Juan Facholas, Santa Marta, Columbia; Calvin Roberts, Ona; Fentress Peacock, Wauchula; Brad Giddens, Avon Park; and John Kirkman, Belle Glade watch as the 80 bale

stack comes to rest on the ground yet without the long, hot, sweaty, dusty hours of muscle building and testing of putting up loose hay with a pitch fork, these students may never grasp the full significance of this almost comfortable one man hay making operation. Raymond Bush, manager of the Melear Dairies stated that they saw the hay harvester operating in Alabama and decided to try it here. With it they were able to harvest two crops of hay, one in July and the present cutting.

"How We Grow Them"

by Jim Kiser, inmate

October has been more to form than the previous two months. It has been a "honeymoon" month due to little rain. The caterpillars are happy and healthy. It seems that even dusting was agreeable to them. I know that I made some headway with them; but they can do so much damage overnight. It is an unhappy sight when you find

one of your favorite plants shredded. Red spider also required constant attention. The dry weather is ideal for these insects and it is necessary to keep them in check.

SCALE: Watch citrus for scale. This common pest can be controlled at this time of the year with Volk oil or a malathion spray. Volk oil acts

as a blanket to smother the scale and must be used thoroughly, but do not use this if the temperature rises. Malathion is a poison spray. Other plants subject to scale are oleander, gardenia, boxwood, pittosporum and holly.

YUCCA: Aloefolia, or Spanish-bayonet. This species grows 10 or more feet tall and may have multiple trunks, or only one trunk. Its 4 inch white flowers, tinged with purple, appear in 2-foot clusters all through the summer. This plant can be easily used to accent a dozen different styles of landscape. All through our area, it has been an eye-catcher when seen in bloom. It is easy to move, and the suckers appearing at the base can be removed for individual use in pots or landscape. Perhaps this is the most carefree plant in our area and one of the most versatile. It can tolerate full-shade or full-sun.

MINIMUM CARE GARDENS: There is no way to eliminate all garden work; yet, knowing a little about climate and soil and plants, you can decrease your 'green-thumb' duties. Many flowering shrubs, trees and vines are within this definition of minimum care. Abelia, hibiscus, spirea, crape myrtle and allamanda but a few of the many care-free flowering shrubs. Planning with 'minimum care' as your objective, you can get these plants in the ground now and be rewarded by some rapid spring growth. Ask your local nurseryman for recommendations for your particular situation.

Explorer Post Formed By Local Police

Police Chief Cribb announced today that a co-ed Explorer post has been authorized by his department. The group will be open to young men and women of High School age and above. Members must be 15 or in the ninth grade, or above.

The post will specialize in Law Enforcement. Subjects to be covered will be fingerprinting, radio procedure, crowd control in addition to related subjects.

If decided on by the members of the post, Emergency readiness training will be emphasized. This would entail First Aid training, rescue skill training and other skills. If desired by members of the post, efforts will be made to quality at least 50 percent as ambulance drivers. All activities will be available to both young men and women between the ages of 15 and 20. Fun events will be available also; trips, beach weekends, picnics, camp-outs and others. Long-range plans call for participation in the National Explorers Congress in Washington, D. C. in April; Explorer Space Seminar in July and the National Road Rally in October of next year.

Registration fee is \$3 for membership, with \$1 charge for the member designed emblem (available in December), and a \$1 charge for supplies and equipment issued to members in January. The total charge of \$5 is payable upon joining or may be spread over the above noted three month period.

Warren Hassom was appointed Captain of the post with Danny Bass serving as Sergeant. Other members are Debby Hendry, Tony Lewis, Kevin Murphy and Brad Beumel. Upon completion of the membership drive during November, other appointments and ranks will be made.

Post 167 will have an Open House on Nov. 1 at 7 p.m. at the Florida Power Lounge on the mall.

Rotary Club Sponsoring Cub Pack

The Avon Park Rotary Club is proud to announce that they are the parents of a brand new Cub Pack. Assisting at the birth were members of Pack 156, who aided with a skit and registration of Cubs and parents.

Avon Park Salutes Veterans Day

10A The Avon Park Sun, Avon Park, Fla. Oct. 26, 1972

IT WAS A FLAG Waving Day, even for the young. George Alan and Heather, children of Mr. and Mrs. Raymond Hall are shown during the ceremonies Monday in the Mall, downtown Avon Park.

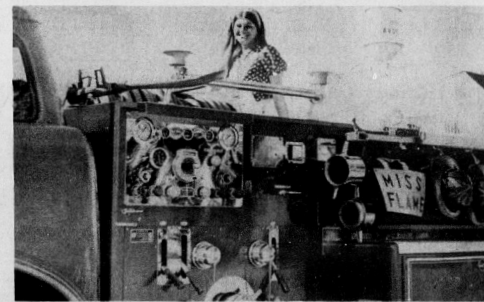

IT WAS ALSO A "Flag Waving, Politician Day" for these young ladies, left to right: Mrs. Lillian Baker, Miss Mattie Tompkins, Mrs. Ethel Redd, and Mrs. Raeburn Brown.

GOLD STAR MOTHERS, "Who have lost loved Ones" were honored, left to right: Mrs. Arthur Green, Mrs. Emma Herrin, Mrs. T. M. Weekley, Mrs. Cora Wray, and Mrs. Alice Sherman.

VIC MICKUNAS, JR., plays Taps, to honor all Veterans during the ceremonies Monday, Oct. 23, while Avon Park Police Officers stand at attention before the Memorial Honor Roll on the Mall.

LAST YEAR'S MISS FLAME, pretty Marian Weiring, rides atop the big red fire truck in the annual Highlands County Veterans Day Parade.

EVEN HORSES GOT into the act—as they pranced to the band music during Veteran's Day Parade.

THE LAKE PLACID American Legion Post Color Guard also participated in the Veterans Day Parade in Avon Park.

THE SEBRING AMERICAN Legion Post Color Guard followed by the Sebring High School Marching Band showed precision as they marched in the parade Monday.

Avon Mobile Home Park News

By Larry Robinson

Another week has moved into the past. News copy for another week is due again. Thanks to you who contribute items for the paper.

I guess I never gave much thought to how much a wife does around the house. She keeps the home clean, then there is dish-washing, preparing meals, washing and ironing, baking, mending, church work, entertaining, etc. It means a lot more. I couldn't think of God bless them and please don't get sick or go away visiting. We guys are in a mess if you do. Our daughter, Carol, is improving and the way looks clear for Ruth's early return.

home now and wishes to thank her friends who helped to make her sojourn in the hospital a bit more pleasant. Jack sure is glad that Marie is home. Our evenings are just beautiful for playing shuffle, bike riding, or just talking. Folks, you are missing a lot. Hurry down but do drive carefully and safely.

Roberta Alwood found time to visit her son, Bob and family, in Zephyrhills. Louise Eady from Sebring accompanied her.

Phelps Button's brother passed away at the age of 58. We are indeed sorry to hear of this and extend our sympathies to the Buttons.

Maude Neukirk surely has been busy this summer. She left here June 18 and flew to Port Alma, Ont., visited Mrs. Florence Stark of Cedar Springs, Ont. - a former resident. She visited Mr. and Mrs. Lenard Todd who drove her to Indiana where she saw Mrs. Lella Varner and family in Valparaiso. In La Porte she stopped to see Mr. & Mrs. Ralph Caper and then was able to have a chat with Paul Roth who is busy with his paintings. She also visited with the McIntyres in La Porte. Then to Bremen, Ind., to see her sister, Mrs. Edith Hanning. On Oct. 8 she flew into Tampa where, happy but glad she could make this trip. Home never looked so good.

Kelly and Etha Larrew arrived here from their home in Windsor, Ill. Louis and Lucille Shoemaker are in the park and very busy. Received a note from the Burnetts that they had flown to Honolulu. It's great to see our friends take such beautiful trips. We see the telephone and Florida Power & Light was wandering through our park. That tells us more of our friends will soon be returning. Marie Worley was in the hospital for a check-up. She is

STATE HOUSE of
REPRESENTATIVES
DISTRICT 52 - DEM.

"I have been fortunate to receive excellent experience during the past two years serving you in the House of Representatives."

"I sincerely appreciate your vote of confidence two years ago and ask for your support again so I can put my experience to work for you."

"I will continue to work hard for all the people of the 52nd District and ask for your advice and guidance in providing the best possible government."

Shuffling
Milton Higgs will be the shuffling director for the coming season. He announces that the point system and the division into "A" and "B" groups will be started on Wed. Nov. 1. The "A" tournaments will be Wednesday mornings at 9 a. m. and Saturday afternoons at 1 p. m. The "B" tournaments will be on Wednesday afternoons at 1 p. m. and Saturday mornings at 9 a. m. The last fun tournament will be held Oct. 28 at nine in the morning.

In the tournament on Wednesday evening the winners were Alton Wetmore and Geraldine Long over Chris Steen and Nancy Burnett. Frank Burnett and Henry Barnett won in consolation with Howard Long and Ray Johnson coming in second.

On Saturday evening Chris Cabezas and Steve Brown won over Henry Barnett and Ruby Myers. Alton Wetmore and Ota Gibson won in consolation. Art Jordan and John Smolen were the runners-up.

Breakfast Makes A Difference

A good breakfast does make a difference! Scientific studies at the University of Iowa proved that people of all ages who eat breakfast are more mentally alert, have faster reaction times and generally work more efficiently in the late morning hours than people who exclude breakfast. Do yourself a favor and get off to a good start each day. Take time, eat a better breakfast. September is Better Breakfast Month.

Card Games
Pinochle players had six tables in play on both Monday and Friday afternoons. Bill Klenk had 681, Ota Gibson 688, Fannie Klenk 782 and Herman Wurster 754.

Joe Nickerson had the high score in Bridge on Tuesday afternoon.

Duplicate bridge had 3 and 4 tables in play and the Howell Movement was used. Anna Rumpsa and Laura Glasson were first. Second team was Marion Todd and Harry Lyon, and third team was Sylvia and Morris Landisman. Jean Ludington, director.

Crafts
Crafts will start on Thursday morning at 9 a. m. on Nov. 2. Hallie Wetmore announces some interesting crafts.

Supper
Twenty-two turned out for the supper on Saturday evening. It was good to see so many of our old friends, and happy to have two new members, Mr. and Mrs. Dunnevent.

The salute to the flag was given, followed by the Club prayer. A fine assortment of food was enjoyed. Mr. Debo gave several readings, after which some stayed to play cards, while others joined the shufflers.

Membership
We now have a membership of 154. New members are Morris and Sylvia Landisman of Sebring, and Earl and Dolly Dunavent, who have been living in Avon Park for some time.

Recently returned Kellie and Etha Larrew of Windsor, Ill., Henry and Ella Phillips of Mishawaka, Ind., Caroline Webber of Mayville, N. Y., Milton Higgs of Dewittville, N. Y., Fern Beck of W. Jefferson, O., Marion and Hazel Prindle of Sherman, N. Y., and Allen and Minnie Carlson of Gerry, N. Y.

News of the Week
Jesse Hyatt of Mineerva, Ohio is getting along quite well now. He spent three days in intensive care after having surgery. They are looking forward to coming to Avon Park as soon as he is able.

Tom Wohwend, of Kent, O., grandson of Hallie and Alton Wetmore received his Eagle Scout Award this past week. This award represents a lot of hard work on the part of Tom. The family gave a reception in his honor after the award.

John and Charlotte Dickson celebrated their 65th wedding anniversary last Thursday. Your many friends celebrate with you in spirit. The club lost two long time members last week, Bill Trapp and Myrtle Shauger, which is always a sad event.

Shells Warster and John Floyd. We wish you both a speedy recovery.

Ghost Film To Be Shown

At SFJC

Miss Lisa Sellers, Wauchula, vice president of the Student Government Association, announces that the S.G.A. of South Florida Junior College will present its version of "Halloween Away From Home."

The night of horrors for S.F.J.C. students, their dates, and area high school students is Saturday, Oct. 28. Film features for the night will include the Mummy, the Mummy's Ghost, Frankenstein, and even a Mae West classic.

The evenings festivities will begin at the early evening hour of 9 o'clock and end when the last nervous breakdown is complete.

Admission is 50 cents per person which covers the price of various ghostly treats to eat.

Ostlings Return From Mediterranean Cruise

Dr. and Mrs. Burton C. Ostling returned recently from a two week Mediterranean Cruise. While aboard ship, Dr. Ostling attended Medical lectures, in reference to diseases of a sub-tropical nature, the climate in those areas being similar to Florida.

With 100 other Florida doctors and their wives including Dr. and Mrs. Harold F. Messina, a distance of about 60 miles. The elevated highways overlooking the bright blue waters gave them some of the most outstanding views of the entire trip. Taormina, a small city above the Mediterranean, was a half-way luncheon stop where the group found interesting gardens, colorful shops, archaeological diggings and their first meeting with the Italian language.

The "merme" continued on to Naples, Italy, passing the island of Capri. The travelers had a brief visit to the fascinating excavations of Pompeii, the city buried in ashes by an eruption of Vesuvius in 79 A.D.

From Naples to Nice, France and from there they cruised between the mainland of Italy and the islands of Corsica and Sardinia.

The "floating hotel" anchored in the bay at Villefranche, on the French Riviera, and small boats carried the passengers back and forth to the shore for shopping and excursions. They visited Monte Carlo, Monaco and Cap Ferret where many world famous people like Winston Churchill, Greta Garbo, Elizabeth Taylor, and others have had vacation homes.

Briefly they enjoyed a French holiday in the city of Nice. All the ship's personnel now feeling they were home again. The flight back to Tampa was from Nice by way of Shannon, Ireland where they had a one hour stop-over. At 11 m., it was 49 degrees and as green as you have always been old.

The success of the trip surely was indicated by the weary group as they departed the plane to have their luggage searched in customs. Quickly they were seen exchanging addresses for future reference and promising to exchange photographs.

It was indeed "The Trip of a Lifetime!"

Highlands County Salon 687 of the 6-40 net at the home of Mrs. Clara Teppart in Avon Park. Mrs. Hazel McConnell, Chapeau, presided over the business meeting.

Mrs. Ruth Heffelfinger was installed as LaConceger by Mrs. Lowell Allen. Dinner was served to 11 partners.

Those attending from Avon Park were: Mrs. Teppart, Mrs. Ruby Heim, Mrs. Dorothy Land and Miss Verna Heim. Lake Placid will be the hostess salon for the March in November.

When they reached the tiny island of Malta, independent from the British only since 1966, they visualized a harbor entirely made up of walls and fortresses constructed by the Knights of Malta. Militarily the harbor is very secure and the capital, Valletta very neat and pleasing to the eye. The hostess salon for the March in November.

ORDINANCE NO. 31
AN ORDINANCE ESTABLISHING A PUBLIC LIBRARY AND PROVIDING FOR A LIBRARY BOARD FOR THE CITY OF AVON PARK, FLORIDA

WHEREAS, the registered voters of the City of Avon Park, Florida, have voted in favor of establishing and maintaining a public library;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF AVON PARK, FLORIDA:

Section 1. The City Council shall elect a library board to consist of five directors, to be chosen from the citizens at large, of which board neither the mayor nor any member of the city council shall be a member. Such directors shall hold their office, one for the term of one year, one for the term of two years, one for the term of three years, one for the term of four years, and one for the term of five years, from the first day of July following their appointment, and one director shall be chosen annually thereafter for the term of five years; and in cases of vacancies by resignation, removal or otherwise, the council shall fill such vacancy for the unexpired term, and no director shall receive any pay or compensation for any service rendered as a member of such board, and such directors shall give such bond as the council may require. Such directors shall, immediately after their appointment, meet and organize by electing one of their number president, and such other officers as may be necessary.

Section 2. Three of such board shall be a quorum. They may make and adopt such bylaws, rules and regulations for their own guidance, and for the government of the library, and reading room of the city, and not inconsistent with the law. They shall have exclusive control of expenditures of all moneys collected or donated to the credit of the library fund, and of the renting or construction of any library building; and the supervision, care and custody of the grounds, rooms or buildings constructed, leased or set apart for the purpose.

Section 3. The library shall be established and maintained according to the provisions of Chapter 167, Florida Statutes, as amended from time to time.

Section 4. All ordinances or parts of ordinances in conflict herewith are to the extent of such conflict hereby repealed.

PASSED AND ADOPTED BY THE CITY COUNCIL OF THE CITY OF AVON PARK, FLORIDA, this 23rd day of October, A.D. 1972.

Grenadier Band Has Busy Week

Veteran's Day celebrated here Monday brought out the Avon Park High School's famous Marching Grenadier Band. Director, Vic Mickunas, was on hand as Drum Major Dennis Crews, led the band—over 100 members strong—as they paraded through the downtown business section. Lynn Camp, peppy Head Majorette and assistant, Laurie Rehner led the pretty high stepping Majorettes and added much to the impressive band. The Grenadiers were joined with bands from Sebring High School and Lake Placid High School in the playing of the Star Spangled Banner on the Mall. Vic Mickunas, Jr., played Tape as a special tribute to the War Dead.

On Friday, our band will put on a half time show during the Arcadia-Red Devils game. Saturday afternoon, the Grenadier Band will march again. This time the occasion will be the annual Halloween Parade in Avon Park. The junior band will also participate.

The Grenadier Marching Band enjoys a fine reputation throughout the state. Be sure to see the parade on Oct. 28 so that you can see this great band in action.

After you have enjoyed the band and the parade is over, why not join in the fun at Donaldson Park? The Band

Parents Association will have a food booth at the Carnival in the park where you can get

hamburgers, hot dogs, cold drinks and French fries. Proceeds from the booth go to maintaining this fine band and your support will be greatly appreciated.

APHS Homecoming Friday

The Red Devil varsity football team will host the Lake Placid Green Dragons here at Memorial Field tomorrow (Friday) night in a 7th-County Conference game that will be Homecoming for the Avon Park fans. Pre-game ceremonies will feature the queen candidates and the crowning of the new homecoming queen. A parade will be held in downtown Avon Park Thursday afternoon and the Devil students will have a big pep rally Friday afternoon to try to spur the Avon Park team on to its fifth victory of the season.

Avon Park lost its third game of the year last Friday night to Arcadia by a score of 13-8. The Devils played one of their best games of the year but came out on the short end of the score as the Bulldogs moved to a 5-1 record while the Avon Park team dropped to a 4-3 mark for the season.

But this week Avon Park is home again against the Dragons from the south end of the county. Lake Placid has won only one game thus far - a 20-0 win over Key West - and is immaculate. The Dragons have lost to Okeechobee 9-0, Clewiston 23-6, Immokalee 30-14, Sebring 26-0, and Santa Fe 23-11. But the Santa Fe coach said the Dragons are the toughest small squad he had played and by small he meant small in numbers not size. The Lake Placid team will be fired up to upset the Red Devil's homecoming and will probably play wide open ball while Avon Park boys may be underestimating the ability of the Dragons. Avon Park badly needs victories in the next three games against Lake Placid, Okeechobee and Sebring to finish with a respectable record.

and drove from its own 30 to the Arcadia 25 before a holding penalty slowed the march and forced a punt from the Bulldogs 45-yard line. Arcadia took over at its own 13 yard

marker and moved only to the 33 before they had to punt out. The Devils took over on the 30 yard line and started action in the second quarter and moved quickly down the

field as quarterback Buddy DeWitt hit Keith Richards for a 10 yard pass gain and later found Nathaniel Packer open.

Candidates Voice Opinions

As a public service to our readers, The Sun has interviewed the eight candidates for County Commission, asking their stand on four issues which have become important in the campaign. Here are the questions asked each candidate:

1. Would you be in favor of rescinding purchase of the Masonic Home at Avon Park and why?
2. Are you in favor of the new Highlands County General Development plan and why?
3. County road inspections pay County Commissioners 10 cents per mile. An outgoing commissioner, not up for reelection, has been collecting at the rate of 1,400 miles per month. How many miles of road do you expect to inspect per month?
4. Do you think developers should be made to put in roads comparable in quality to Route 27 and why?
5. Do you favor spending money to improve the boat ramps on the county's lakes so that people can put their boats in during low water times such as now and why?

The following are the candidates' answers, by districts,

in alphabetical order: DISTRICT I

Melville Bass (D)
I would be in favor of rescinding purchase of the Masonic Home at Avon Park. There is a severe parking problem. I have talked to people who use the building and they say it is also a maintenance problem. I am in favor of zoning, but I think the plan is premature and is too strict in some areas. I think the plan works a hardship by requiring permits be taken out for even the smallest addition or alteration.

I will do inspection of county roads only when I think it necessary, and will not waste the taxpayers money with needless inspection. I do not think developers should be made to put in roads comparable in quality to Route 27 because they do not get the heavy use Route 27 gets. I favor improving the boat ramps on the lakes because they were inadequate to start with and recreation is one of our biggest businesses.

James Rimer (R)
Yes, I would be in favor of rescinding purchase of the

Masonic Home. We have available the inspection station which can be enlarged for about \$15,000. The price of about \$70,000 for the Masonic Home and improvements is too much for that old building. I think we need an overall plan for the county but I believe that the present plan does not contain enough commercial zoning along Route 27. Nor does it allow enough acreage for industrial sites.

I will have to wait until I am in there to see what the malice comes to.

For residential use I see no reason for roads to be of the quality of Route 27. This is an unneeded expense to the developer.

I favor spending money to improve the boat ramps. I like to fish sometimes myself and it is difficult to get your boat in. I think many people face this problem.

DISTRICT 3

Woodrow Waldron (D)
I feel the present board has made the decision on the Masonic Home and I would let it stand.

Basically, I would be in favor

11,000 Voters Expected To Vote In Tuesday's Election

A record 11,000 of Highlands county's 15,841 registered voters is expected to go to the polls next Tuesday and help choose a new President of the United States.

Voters also will name their first Congressman for this new tenth Congressional district, name four county commissioners, a new Public Service commissioner and some state legislators. They also will vote for or against five amendments to the Constitution.

"We have got many more machines for this general election than we did for the general election four years ago," said Elections Supervisor James Whitehouse.

He added that over 10,000 voted four years ago, he expects 1,000 more this year and "we do not anticipate long lines or any problems requiring a voter to wait in line more than a few minutes."

This county went for Nixon four years ago and predictions are it will do so again. However, there is no such thing as pulling one lever and voting for all the candidates in one party with one pull. Voters who vote the straight party ticket will have to vote individually.

A total of 46 percent voted in the first primary in Highlands county and in predicting 11,000, Whitehouse indicated he is expecting a whopping 69 percent.

A total of 915 persons have registered to vote in Highlands county since the first primary.

"We were even registering people the day of the primary," Whitehouse said. Those who want to vote absentee can do so until 5 p. m. Monday, Nov. 6 at the elections office in the court house. A ballot can be returned to the office as late as 7 p. m. Nov. 7 but "it has to be in my hands by 7 p. m.," said Whitehouse, "either by mail or hand delivered."

He said the office had hundreds of requests for absentee ballots and "I figure we will send out about 800."

Whitehouse issued an appeal for voters to familiarize themselves with the ballot, a sample of which appears in this week's Sebring News. Familiarity will cut down on voting time and shorten the wait for other voters.

"There is one way you as local concerned voters can help make this an orderly election," he said. "Why not read the amendments on the sample ballot. Then if you have a question about one or two you will have time to understand the question and make a good choice. If you are for all except one or two, then remember the numbers and vote that way."

"They are in exactly the same order on the machine as they appear on the sample ballot. This should save at least three minutes of each voter's

time. That means one hour for each 20 voters."

He added that poll workers work a 14-hour day and "do their best to help you. Please be considerate of them. If they do not find your name in the book, they will make an effort to see if it is out of order. Remember if you went for a period of two years without voting and did not return the purge card sent to the last

address you gave us, you will not be registered to vote as required by Chapter 96.061, Florida Statutes."

Voters in doubt about being registered and who have not voted in the three elections this year can call the elections office, 385-6932 and check before the day of the election. "This does not apply to anyone who has been voting in the last two primaries," he

pointed out.

Controller Fred O. Dickinson, Jr., expressed fear that a light voter turnout could endanger the \$240 million environmental bond issue on the ballot.

"My fear is," he said, "that if a large number of voters stay home on election day, the bill can die from apathy."

Voters will find the following choices on their ballot: President and Vice President of the United States - George McGovern, Sargent Shriver (D); Richard Nixon, Spiro Agnew (R).

Congressional representative in the 10th Congressional district: Bill Sikes (D) L. A. "Skip" Bafalis (R).

State commissioner Florida Public Service commission: George "Jerry" Lewis (D) Paula F. Hawkins (R).

Legislative State Senator 24th senatorial district: Tom Gallen (D) Andrew H. Jackson (R). County Commissioner District No. 1 - Melville C. Bass (D); James Rimer (R); District 2 Woodrow Waldron (D) Ken Wilkinson (R) District 4 C. J. "Buddy" Wise (D) Jean Whitaker (R); District 5 Robert Skipper (D) James Dale (R).

Voters in precincts 3, 5, 6, 7, 8, 9, 10, 11, 12, and 13 will have no state representative to vote for since Jim Tillman (R) had no opposition as far back as the first primary.

However, voters in precincts 14, 15 and 19 will choose between James Lorenzo Walker (D) and Virginia F. Miller (R).

Voters in precincts 1, 2, 4, and 17 will choose between C. Fred Jones (D) and Glenn R. Anderson (R) for representative 52nd house district; and between Larry Libertore (D) and Lex Taylor (R) in the 51st house district.

The ballot also will list five Constitutional amendments on which voters will vote for or against and there is room for write-in candidates for President of the United States and Florida Public Service Commission.

King Is Third To Qualify For Council

With the city elections only one week away, the deadline for qualifying to run for one of the three City Council seats up for grabs is drawing to a close.

Friday, November 3 at 5 p. m. has been designated as qualifying deadline, at which time the books will be closed. So far, only the incumbents have thrown their hats in for re-election. They are Council President J. R. Duggan who has served for six previous years, and Council Vice-President Durrah Martin who has eight years of experience. The last to qualify was Clarence King, who decided to run last Friday.

King, who has been on the council for 11 of the past 13 years, stated he feels "happy for the part I played along with the help of other councilmen" in developing the city of Avon Park into one of the finest in the Ridge area.

In order to qualify, one must be a registered voter in the city

of Avon Park, and have a campaign fund opened at the local bank along with a

treasurer. The qualification fee must be drawn from the campaign fund and signed by the treasurer and presented to city hall before the deadline.

Five Directors To Be Elected To Chamber

The Avon Park Chamber of Commerce is mailing out ballots this week to the membership for the election of five directors to fill the terms of present Board members whose terms will be up the end of this year.

Election closes on Nov. 16. Serving on the Nominating Committee were Chuck Watson, chairman, Jim Heim and Glenn Welch.

Chamber Membership Meeting Tonight

The Chamber of Commerce is holding a membership meeting tonight (Thursday) for members and wives. The meeting will be held at the high school cafeteria at 7:30 p.m.

Democrats Plan Motocade Thru County

Highlands County Democrats plan a motocade Friday afternoon, Nov. 3 and again Monday afternoon throughout the county in their "get out and vote drive."

Chairman, Edna Pounce Lockett, of the Highlands County Democratic Executive committee said the motocade will form at 1 p. m. Friday and Monday at the Highlands Fairgrounds in Sebring. The motocade will include the 22 precinct committeemen and committeewomen, Democratic candidates, supporters and anyone else interested in joining the motocade.

"We're going to do everything we can to get people to get out and vote in Tuesday's election," stated Mrs. Lockett.

Mrs. Lockett said the turnout at elections is getting so bad and people are so uninterested that perhaps in the near future, election day should be a holiday with schools closing, stores and government offices closing, and a real push made to get people interested enough in their government to vote.

The motocade Friday will leave the fairgrounds at 1:30 p. m. and will go through the residential areas and then on to Avon Park. A stop is scheduled for 2:30 p. m. at the Pantry Ridge shopping center, at 3:30 p. m. at the Seaboard shopping center in Sebring and at 4:30 p. m. in Lake Placid. At each stop, the candidates will be available to answer questions and to talk to voters.
