

Red Cross To Reorganize

A county-wide reorganization meeting of the Highlands County Chapter of the American Red Cross was held at the Barnett Bank on Aug. 30 with 28 representatives from all areas of the county in attendance. Enthusiasm for the continuing work of the local chapter ran high and vigorous

action was taken on the problems which have beset the 36-year-old chapter in recent months. Reports of activity chairman, election of officers and plans for a fund drive were among the items of business dispatched at the meeting.

Reports from the following activity chairmen were presented: Archie Wolfe, Water Safety; Wayne Harris, Disaster Relief; George T. Haywood, First Aid; Jim Lawson, Civil Defense; and Mrs. Jesse Griffin, executive secretary. Officers elected for the coming year were Archie Wolfe, Sebring, chairman; Guy Adams, Avon Park, vice-chairman; Mrs. Wayne Harris, Livingston, Sebring, treasurer; Mrs. Marshall Pollard, Lake Placid, Mrs. Florence Peach, Avon Park, and Jim Lawson, Sebring, members-at-large. Work of the chapter will continue to be carried out by volunteers from the entire county under the supervision of the Executive Board and the activity chairmen.

A vigorous Fund Drive under the direction of the Finance Committee, Guy Adams, chairman, is scheduled for September. A radio Marathon, sponsored by WAPR, WJCM and WSEB will be among the fund-raising activities. Mr. Adams stated that the entire county will be thoroughly canvassed because the chapter's work covers the county as a whole.

Anyone wishing to volunteer services and/or funds may do so by contacting the chapter office in the Courthouse Annex or by calling 385-4143 Monday thru Friday 9 a.m. until noon. After Oct. 1 the chapter office will be housed in the Civil Defense Office.

\$500 Asked In Suit

A suit asking in excess of \$500 in damages was filed in Circuit Court this week by Deep South Electric as the result of an accident Aug. 5, 1970 in which their vehicle was damaged in a crash on Arbutus Creek Road. Defendants are J. W. Cobb, owner of the truck, Ralph Messenger, driver, and Florida Farm Bureau Mutual Insurance Co. which handled Cobb's insurance.

If we omit our power machinery and its associated enterprises, we find surprising little in our modern civilization that the Greeks of 2,500 years ago did not have or know about.

Dickinson To Campaign For Bond Issue

Comptroller Fred O. (Bud) Dickinson today pledged to "hit the campaign trail" to promote the \$240 million environmental bond issue on the November ballot.

Calling approval of the bond issue the most important conservation and recreational action for the state in this decade, Dickinson declared, "I plan to utilize every possible speaking occasion between now and the time of the vote as an opportunity to seek citizen approval."

"These two propositions that will lead the general election ballot offer Florida a priceless future. The first concerns a referendum on \$240 million in general revenue bonds, \$200 million to buy environmentally endangered lands and \$40 million to buy park lands. The second is a proposed constitutional amendment allowing the state to issue revenue bonds use. The rapid depletion of available beaches, woodlands and parks for all citizens to enjoy dictates that we take immediate and positive action."

The Same...Yesterday, Today & Tomorrow

What is there about some people who seek public office that transforms them from their real self to something totally different?

Mervin Rehner is the same today that he was yesterday and will be tomorrow. Mervin Rehner has rendered Judicial service to Highlands County for the past 16 years without fear or favor, and with equal justice for all as the circumstances of the case warrant.

Everything the County Judge does is a matter of public record. Never has Judge Rehner permitted any withholding from, or falsification of any public records. This involves decisions and rulings on more than 60,000 cases. Try as some people may, they cannot show any misfeasance, nonfeasance or malfeasance in office.

Mervin Rehner has been a member of the Florida Bar for 24 continuous years and has never been disbarred. He holds a Juris Doctor law degree from Stetson Law School.

Mervin Rehner practices wholesome, clean, Christian living; these practices and habits are the same whether in the midst of a political campaign, one year before or one year after. He cannot live a lie even for a short span of time.

MERVIN REHNER is the same yesterday, today and tomorrow. Paid Pol. Adv.

IN THE CIRCUIT COURT OF THE TENTH JUDICIAL CIRCUIT IN AND FOR HIGHLANDS COUNTY, FLORIDA.

Case No. 879

NOTICE TO CREDITORS Any creditors of PARK ACADEMY PRIVATE SCHOOL, INC., whose address is Post Office Box 683, Avon Park, Florida 33923 must file their claim for payment in the above styled court on or before September 11, 1972, or their claim will be barred because said corporation is applying for an Order of Dissolution.

DATED August 18, 1972. Earl Rich, Clerk Circuit Court By: Robert W. Germanus, Deputy Clerk

Aug. 24, 31, Sept. 7, 1972

AN OPEN LETTER:

TO ALL THE CITIZENS OF HIGHLANDS COUNTY

I, Willard Durrance, do hereby declare that I am a Candidate for Commissioner of District Five to represent ALL the Citizens of Highlands County - regardless of race, color and creed.

It has been said that I am against the Citizens who live in Trailers and Mobile Homes; and, have referred to them as being second class Citizens. This is a false and unjust statement.

I am acquainted with and claim the friendship of many, many honorable, fine citizens who occupy Trailers and Mobile Homes in the County.

For many years, I have been the Mail Carrier to our Citizens in Trailer Parks and elsewhere. Have cultivated the friendship and good will of all these people.

I have stated only that there is a need for some regulations, rules and restrictions on Trailers, Buildings and Everything constructed throughout the County. This is for the protection, safety, health and welfare for ALL THE PEOPLE.

I, therefore, promise to deal with each problem presented to the Commission on aforesaid statements, with HONESTY, INTEGRITY, and FOR THE GOOD OF ALL CONCERNED. Thank you.

Your vote is appreciated.

THERE IS NO SUBSTITUTE FOR EXPERIENCE

DEMOCRAT PAID POLITICAL AD-Pd. FOR BY TOM GALLEN CAMPAIGN TREASURER

Commissioners Approve Zoning Change For Park

River Shores from agricultural to camping use, private or public; request by Frank and Jean Goff to rezone land at the end of Goff Road in Venus from agricultural to camping use, private or public; request by the T.A.D. Corp. to rezone 20 acres of land on SR-17 north of Albritton Road in Avon Park from agricultural to mobile home park.

In other actions taken Tuesday, the commission: —Agreed to reconsider its previous denial of permission to change the name of Gould Road to Stock Road. The applicant, Walter H. Stock, claimed that he had initiated work on a road that is now named Gould Road and would, therefore, like it to bear his name. The commissioners agreed to discuss the matter with the county engineer and to give Mr. Stock an answer later.

—Agreed to consider Arthur Richie's request for assistance in beautifying Highlands Park Estates in Lake Placid by requesting the owner of several antique automobiles to do something with them to preclude their continuing to be considered an "eyesore" to members of the neighborhood.

—Promised to bring to the county engineer's attention a claim made by Arthur Richie that weeds along county roads in Highlands Park 1 states subdivision were not being cut.

—Informed Ben Anderson of Avon Park that Commissioner Robert Skipper had been successful in getting Raab Skipper to donate fill dirt needed to construct a road across a pond that separates her from her land. They promised to have the county engineer begin his work on the road as soon as he completes hauling fill dirt into land around the county's Agriculture Center.

—Approved a beverage license application by Annie V. Cuniff for the sale of beer and packaged goods at Cuniff's Corner on SR-17.

—Authorized the issuance of a duplicate tax certificate to delade Pommer.

—Authorized the Director of Motor Vehicle Inspections to attend a conference in Ocala, Sept. 14-16.

—Agreed to use the county bulldozer to "push the Avon Park dump" as often as possible without interfering with work now scheduled in the county.

—Asked Commissioner Cecil Skipper to investigate a request made by Avon Park for county assistance in resurfacing a parking lot adjacent to the Avon Park High School.

—Heard Administrative Assistant Cullens' report that there are, at present, no vacancies on either the Planning and Zoning commission or on the Board of Adjustment.

—Approved closing the last 100 feet of Cypress Drive located in Sunset Shores subdivision.

—Authorized the building director to advertise for the purchase of three compact automobiles.

—Approved hiring Mrs. Alice Kerr as a secretary, at pay grade 20, effective Sept. 14. Mrs. Kerr will work in the Road and Bridge Department.

—Authorized the transfer of five employees from the Emergency Unemployment Aid program, which is federally funded, to the county's payroll, effective Sept. 7.

—Approved the hiring of a temporary secretary for the Civil Defense director. The approval period runs from Sept. 8 through 29.

—Authorized the architect, James Heim, to prepare plans for a Road and Bridge complex to be located on property adjacent to the Agri-Civic center. The commissioners stipulated that architect's fees were to be limited to six percent and recommended that metal buildings be used wherever possible.

—Agreed to sign a contract with United Telephone Company which would result in the installation of new telephone equipment and incoming lines in the Sheriff's Dept.

—Renewed for five years with Heacock Insurance Agency, a contract that makes Heacock the "agent of record" for the board of county commissioners.

—Appointed Cecil Skipper, Robert Skipper, Ben McGee, Ted Mason and Franklin Ward as members of the tax board of adjustment and agreed to have this group meet immediately to sign a report that is required in Tallahassee.

At the request of Commissioner Norman Heston, —Directed that Jim Pyle, deputy clerk of the circuit court, review the commissioners' files to find out when the Department of Transportation had completed its last survey of traffic along Rte 98 in the vicinity of Lorida.

Highlands County Should

Reach \$38,000 By 1980

Highlands county should rank 34th in the state with a population of 38,000 by the end of this decade, according to an up-dated estimate by the University of Florida.

Projected population for the entire state in 1980 is 8,719,000. Leading the counties is Dade, with a projected 1,600,000.

Broward is second with 900,000. Pinellas third with 635,500. Duval fourth with 611,900 and Hillsborough fifth with 574,900.

Hardee county is ranked 42nd with 17,300. DeSoto 49th with 15,000. Okeechobee 51st with 13,700. Polk eighth with 285,100. Glades 65th with 4,300.

Local persons who have seen the projected figures say they feel the figure for this county is low. The Lake Placid area, in particular, is growing at a good rate. Half the student increase in the county's schools this year was in the Lake Placid schools.

The census count in 1970 gave Highlands county 29,507 residents. There was general feeling at that time that the count was too low.

The 1960 census showed a population of 21,338, which indicated the population by 1970 had increased 38.3 per cent.

Lowell DuBose, Jr. returned home from another three and a half month stay in a Minneapolis, Minn. hospital, where he again underwent spinal surgery for the fourth and fifth time since last September.

In the past year Lowell has been confined for better than nine months in the hospital, four months of this time was spent in halo traction. He is now in a body cast, which he will have to wear for one year. He will be checked and the cast changed in six months.

Lowell is extremely happy to be home again. His spirits are much lifted and he says, there is no comparison of hospital food and home cooking.

Lowell is unable to walk as yet. The doctors say he will be able to walk in about another month, he says he will do it in two weeks. With his determination, surely he will.

Crossings

Florida's 6,340 railroad grade crossings—approximately 4,700 of them without any warning device other than the required crossbuck—represent three percent of the nation's approximately 223,000. But the 67 fatalities in 1971 rail crossing collisions are 4.5 percent of the nation's annual total of 1,500 such fatalities and the state's more than 300 injuries are 4 percent of the nation's annual toll of 7,000.

"We are working closely with railroads to place top priority on the most hazardous crossings and will use a \$4.5 million federal grant for railroad crossing improvements in the next three years", stated Florida Secretary of Transportation Walter L. Revell.

Dear Neighbors:

If I could talk to each of you personally, here is what I would say:

My family and I have been residents of Highlands County for eight years. My husband is John McElhannon, whom many of you know personally. In addition to having taught full-time in Alabama schools, I have been an active manager and part-owner of a book store dealing largely in school textbooks, and several members of my family are teachers. Now I am employed in Sebring at the First National Bank.

My work, concern and association with school systems has been active and varied. The experience gained through working in other school systems, along with knowledge of our Highlands County school system, better qualifies me to represent you on our School Board.

JUST LIKE YOU I am a parent, a grandparent, a wage earner, a taxpayer, and a member of the silent majority whose voices are seldom raised in our own behalf.

JUST LIKE YOU I am interested and dedicated to providing the kind of quality education our children need to enable them to be useful citizens, properly equipped to earn a living in our highly competitive society.

JUST LIKE YOU I see a lack of contact between community and the school and the urgent need to open lines of communication between both groups.

JUST LIKE YOU I am also concerned over the shrinking value of our hard-earned dollars and firmly believe that public institutions must be operated economically.

JUST LIKE YOU I firmly believe every citizen and taxpayer should be actively represented in every phase of our local government. I do also firmly believe every elected official has a committed duty to listen to the wishes and opinions of his fellow citizens and act accordingly.

MY PLATFORM is committed to these principles. I am uncommitted to any group, person or ideal except to this Platform as outlined above. I am determined to live up to this platform when elected -- impartially, objectively, and with stability.

Sincerely,

APCI Nursery "How We Grow Them"

by Jim Kiser, inmate

Lady Luck seems to recognize us often. We have the final order of filigree on the way. This will replace the roof on our oldest greenhouse and the roof on our small glass propagating house. These replacements will prepare us for the coming winter season and allow us to grow, not swim. There will be little excuse for not being fully prepared with healthy plants for spring. Insects will bear close watching until the weather begins to cool. September can be one of the worst months for insects. Avoid fertilizing during this rainy month, and do finish any air-layers you have planned before the weather changes.

POINSETTIA: Cut them back for the last time for this year. They can begin blooming in November, and I'm sure that you desire the full blossom effect that can only be achieved with cutting-back.

PYRACANTHA. "Firethorn". One of the hardest shrubs to be found and a very decorative garden plant. These are fairly common in our area. September is the month that the fruit ripens into bright coral-red. It remains colorful for several months if the birds do not get to it. This is one of the few plants, with which I am familiar, that should be moved in the winter.

ALOE: There are ten or

twelve species of this plant that are familiar to the trade. They can be decorative in pots, or they can be placed out in poor, sandy soil. They are perfect for the rock garden. For centuries, these plants have been used for medicinal purposes. You can cut off a leaf and spread the juice over a burn. I have known people to chew the leaves and swallow the juice for an upset stomach, but I would never recommend doing this. An article that I recently read states that scientists now have found that this juice of the bitter aloe is one of the most effective ways to treat X-ray burns and also those caused by the rays of atomic bombs. If you keep a small pot of this plant in a kitchen window, you are bound to find it useful at sometime.

If the power company could store up energy, we could afford to go to sleep too.

One of the facts of life is that there is no way in the world we can store up large amounts of electricity. Someday maybe, but not yet.

So when it's time for you to start cooking, or turn on the air conditioning, it's time for us to start producing. To generate the power you need right then and there.

Now, it's another fact of life that Florida is growing. And that by 1980 our customers will be needing twice the electricity they're using today.

Which means we'll be needing twice the generating capacity. \$880 million worth of new plants, equipment, trucks and people over the next five years alone. We're planning for this and are working to provide it, right now.

It's a big job. That's why none of us, not Florida and not Florida Power, can afford to go to sleep on it.

Chapter No. 222.
AARP to Resume Meetings
The monthly meetings of Highlands Chapter No. 222 of the American Association of Retired Persons will resume on Tuesday evening, Sept. 12, at 7:30 p.m., at the Sebring Manor Hotel. Entertainment will follow the regular meeting.

American Legion
Bingo
After a nice vacation, the American Legion will again hold their bingo games at the Legion Home, 1301 West Bell Street. Two jackpots are going, come and enjoy a good evening of entertainment. Games start at 7:30 p.m. Will be looking forward to seeing all of the old friends.

W.W.I. Barracks 1150
Resumes Meetings Sept. 12
The Ladies Auxiliary to W.W.I. Barracks 1150, will resume their monthly meetings Sept. 12, at 10:30 a.m., at the Delaney Heights Social Center.

Grange to Meet
The Avon Park Grange will resume their regular monthly meetings, starting on Tuesday, Sept. 12. They will meet at 8 p.m. at the First United Methodist Church.

Lutheran Church Women to Meet
The September meeting of the Women of Resurrection Lutheran Church will meet at the home of Mrs. Emma Terp, 31 East Wolf St., on Wednesday, Sept. 13, at 12 noon, featuring a salad bar luncheon. All women of the church are invited.

Buy any new '72 Volkswagen from us and you won't have to pay a penny for service for 1 year/12,000 miles.

What the plan is all about: No manufacturer's warranty in the world covers normal maintenance work. But our service plan does.

With the service contract we're giving away you can get your engine tuned, your wheels aligned, and your brakes, fan belt and clutch adjusted whenever you need to, without spending a cent.

Lube jobs are free. Spark plugs are free. Points, condensers, wiper blades, fuses, hoses, even light bulbs are free.

We'll look for trouble, too. And you won't have to pay for the inspections, either.

Actually, for 12 months or 12,000 miles (depending on whichever comes first) you won't have to pay for any of the service you'd normally pay for, with a Volkswagen or any other car. Because, except for gas, tires and collision damage, your problems are our problems.

Now, what do we expect from you?

You have to buy a new '72 Beetle, Super Beetle, Station Wagon, Square-back, Type 3, Karmann Ghia, or 411 from us.

You have to bring it back where you bought it every 3 months or 3,000 miles so we can maintain it according to Volkswagen's maintenance schedule.

And you can't modify, abuse or torture it.

That's it.

Except for one last detail.

We can't make this offer indefinitely. So don't put off coming to see us.

Wouldn't you rather kick our tires than kick yourself?

TOM GALLEN STANDS FOR:

EQUAL REPRESENTATION: Tom Gallen has pledged to open a district office in the eastern portion of the 24th District, and to appoint a local man his legislative aide, to insure you quick access to your senator.

TOUGH DRUG LAWS: His opponent has advocated reduced penalties for possession of drugs. Gallen believes in strong laws to combat strong problems.

CAPITAL PUNISHMENT: Gallen has called for immediate action by the legislature to re-instate the capital punishment laws struck down by the Supreme Court.

SUPPORT FOR AGRICULTURE: Gallen has been cited by the Florida Farm Bureau for his support of Farm Bureau legislation during the last session of the legislature. He was responsible for the \$1 million appropriation to combat the fire ant in Florida.

LOWER REAL ESTATE TAXES: Gallen is a campaigner for tax reform. He fought for the Green Belt tax law for agriculture, and blocked attempts to include phosphate land under the law. Gallen supported the millage cap to keep counties and cities from increasing taxes.

BETTER ROADS: Gallen will work with County Commissioners to secure better state roads and more secondary road funds.

REDUCED STATE CONTROLS: Gallen has fought against encroaching state bureaucracies to prevent unneeded controls over business and agriculture.

EXPERIENCE: Gallen's six years in the House of Representatives has given him the experience needed to make an effective public servant.

RE-ELECT JESS
YARBROUGH
YOUR FLORIDA PUBLIC
SERVICE COMMISSIONER

Don't be misled! In spite of runaway inflation, Florida's utility rates are lower than the average throughout the nation. In regulating these rates, I have represented you responsibly, conservatively and prudently for four years.

To continue protecting your pocketbook, I need your vote and support.

SEPT. 12—RE-ELECT JESS
YARBROUGH
YOUR FLORIDA PUBLIC
SERVICE COMMISSIONER

ESTELLE JONES was honored with a luncheon on August 31, in the lounge at United Telephone in Avon Park. Mrs. Betty Smith (left above), Service Observer Supervisor

from Ft. Myers, is presenting Estelle with her 30-year service pin while Paul Whidden, General Traffic Supervisor of Ft. Myers, looks on. Photo by Sharpe

Estelle Jones Honored For 30 Years

On Thursday, Aug. 31, Estelle Jones, Service Observer at the Avon Park Telephone Co., was surprised with a Birthday Party

for her thirty years of service with United Telephone System. She was presented a corsage and gifts by fellow employees, and her 30 year service pin by Mrs. B. Smith, Service Observer Supervisor from Ft. Myers. Also attending were Paul Whidden, General Traffic Supervisor, H. P. West, General Traffic Manager, Mrs. J. Douglas and Mrs. Nancy Roberts, all of Ft. Myers.

A pot-luck luncheon was held by all the employees of UTS in the lounge on Thursday, with everyone enjoying the many delicious foods, and just having a good time helping Estelle celebrate her "Magic" date - Aug. 31.

The last day of August has always been a big factor in the life of Estelle, who completed 30 years of continuous service the 31st of August.

Estelle Green went to work with Inter-County Telephone in February 1926. After three years as an operator at the two-position Avon Park switchboard, she was married to Ellis Marvin Jones in 1929, and resigned on Aug. 31 of that year. She was away until 1942, at which time she returned to full-time work with Inter-County on Aug. 31.

Estelle vividly recalls the wartime priority handling of calls from the Avon Park Bombing Range. She also helped many young soldiers make calls to their families over the World War II years.

Later on her daughter Jeanette worked as an operator

at Avon Park for a year, then left to be married on Aug. 31. In 1970 her granddaughter Janice Gordon joined UTS's operator staff. You guessed it - Aug. 31. It must be some kind of record!

Estelle recalls many memories of her years in the telephone business. "We used to think that handling 150 toll calls was a big day - but now we handle between 8 and 10,000 calls on most days." Most vivid, she says, have been the many changes and accomplishments over the years. The "Good Old Days"? "I like it better now", she said.

Over the years Estelle has worked in Communications, as Service Assistant, Instructor, GCO (Group Chief Operator) and as Service Observer since 1965. With a rewarding career of service nearly behind her, Estelle is looking forward to her retirement years - beginning Aug. 31, 1974 - on her birthday, no less.

Family members attending "Estelle's Day", Aug. 31, were her son, William N. Jones and wife Joanne and daughters, Lori Ann and Karen Lynn of Miami; her daughter, Mrs. Jeanette Gordon and granddaughters, Janice and Ramona Gordon of Avon Park.

Winter Guest Club News

The rains made the courts too wet to play on Wednesday evening. But on Saturday the weather was perfect, having rained earlier in the day. Seven courts were in play, and winners were Clay Kull and Charles Buckley with Ethel Laubersheimer and John Wolfe coming in second. Charles Romilly and Toney Kerr won the consolation over Jess Elcox and Paul Mangold.

Four tables of pinochle players played both on Monday and Friday afternoons, with the following results: Sheila Wurster 618, William Benson 594, Fred Hughes 730, and Dorothy Beechiner 688. Howard and B. nice with their daughter, Geraldine, have returned to their home in Avon Park from a three-weeks vacation with their families in Akron, Ohio.

Dr. and Mrs. W. W. Kirkham, of Lafayette, Ind., and Dr. and Mrs. Lawrence Tyree and twin daughters, Kimberly and Tracy, of New Port Richey, helped Zeola Kellogg celebrate her birthday last Friday, bringing her a big cake.

Mr. and Mrs. Harold Layton of Whittier, Cal., and Mr. and Mrs. Cliff Wade of La Habra, Cal., spent four days with the

slater, Mrs. Loretta Simpson on Canfield St. They hadn't seen each other for quite some time.

Lloyd and Mina Young have returned home from a months vacation with their daughter in Tennessee. They also visited in northern Michigan.

The Walt Swyers attended two family reunions this summer - not many of the first cousins left - but many second and third ones were there. They also took several trips with their Senior Citizen group this summer to Niagara Falls, Watkins Glen, and looking forward to the color trip in October to the Grand Canyon in Penna. Also to some County Fairs, one where Arthur Godfrey performed on his beautiful palomino horse, "Goldie". That was the high light of the day.

On Sept. 17 the Gus Swyers will be celebrating their 50th Wedding Anniversary with a party given by their five children in Castle, N.Y. Happy Anniversary Gus and Irene.

Louise Prellip writes from Britton, Mich., that they have a park nearby where they have nine shuffleboard courts, so they can play all summer long. She played in one tournament - where she took second place.

NOTICE

City Election will be held Tuesday, December 5th - for the election of Three Councilmen.

Qualifying will begin September 5th and close at 5 p.m., Friday, November 3rd.

Registration Books will be open during the same period.

YOUR SHERIFF
PULL DOWN LEVER 14A

HIS PLEDGE: TO CONTINUE TO GIVE FULL TIME TO THE DUTIES OF HIGHLANDS COUNTY SHERIFF.

The Following FACTS Prove That Sheriff Raulerson Is A QUALIFIED Administrator And is QUALIFIED To CONTINUE As YOUR Sheriff.

1. THE HIGHLANDS COUNTY SHERIFF'S DEPARTMENT HAD THE BEST RECORD OF CRIMES SOLVED OF 31 SOUTH AND CENTRAL FLORIDA COUNTIES IN 1971.
2. IN 1971 THE SHERIFF'S DEPARTMENT SOLVED 44.0 PER CENT OF ALL CRIMES REPORTED COMPARED TO THE STATE AVERAGE OF 20.6 PER CENT.
3. THE FIRST THREE MONTHS OF 1972 THE SHERIFF'S DEPARTMENT SOLVED 51.3 PER CENT OF ALL CRIMES REPORTED.
4. WHEN HIGHLANDS COUNTY WAS FACED WITH THE PROBLEM OF HAVING NO EMERGENCY AMBULANCE SERVICE SHERIFF RAULERSON ACCEPTED THE RESPONSIBILITY AND WE NOW HAVE ONE OF THE BEST AMBULANCE SERVICES IN FLORIDA.

Pd. for by O. L. Raulerson Campaign fund.

VOTE TO KEEP O. L.

RAULERSON Jr.
YOUR SHERIFF

Dear Voters:

There are many of you that I will be unable to contact personally. Due to the many duties of the Sheriff's office, it would be a dis-service to the people of this county to leave the business behind and conduct a door to door campaign.

If you don't know me please ask your neighbor and friends about my qualifications and the way the Sheriff's office has been operated for the past four years. Any questions you might have about myself, or my qualifications I will be happy to answer with FACT, and NOT RUMORS.

I appreciate the support and the many offers that have come to me since I announced as a candidate to continue as your Sheriff. I need the help of each individual in the county. What really matters is that the people as individuals care enough to be concerned. Study the backgrounds of YOUR SHERIFF, O. L. RAULERSON, JR. and that of my opponent and decide which one you feel will serve you best as your Sheriff.

In a free society, good law enforcement is everybody's business. You can make it your business by becoming more than just a law abiding citizen. FOR CONTINUED GOOD LAW ENFORCEMENT, I ASK YOU TO SUPPORT AND VOTE FOR O. L. RAULERSON, JR. FOR SHERIFF OF HIGHLANDS COUNTY.

Your Sheriff,

O. L. Raulerson Jr.

Raulerson Re-Elected; Bass And Williams In Run-Off

Sheriff O. L. Raulerson, Jr., filling out the unexpired term of the late Sheriff J. C. Keene, was elected to a full four year term in Tuesday's primary balloting, rolling up a victory over former Chief Deputy Sheriff J. C. Murdock.

In one of the bitterest contests in years, County Judge Melville Rehner, of Avon Park, although polling a large vote, was forced into a run-off with Mark Richardson, Jr., of Sebring.

Mrs. Ruth Davis won the School Board District 2 seat in a close contest with Mrs. Valeria McElhannon.

There will be run-offs Oct. 3 in three County Commission Districts for the Democratic nomination. Melville Bass almost got the nod without a run-off, but will run it off with Wendell "Winkie" Williams in District 1.

C. J. "Buddy" Wise was high man in the District 4 race, with B. T. "Brad" Bowen second high. Incumbent Robert Skipper was high man in the

Judge Rehner And Richardson In Run-Off

District 5 race, but was followed closely by Willard Durrance, with whom he will have to run it off.

Winning their party's nominations for Commission seats were Woodrow Waldron, who defeated Allen Collier in District 3 for the Democratic nomination and Jean Whitaker, former county commissioner, who defeated H. R. "Bob" Hjort for the Republican nomination in District 4.

It was a long night at the elections headquarters in the courthouse annex. The crowd

started gathering about 7 p.m. when the polls closed and within a few minutes, Precinct 4, the Avon Park Shrine club, sent in its results. From then on, precincts came piling in and all phones were busy.

Shortly after 7 p.m. Precinct 11, in DeSoto City, phoned to say the machine had broken and a few people still were waiting to vote. Elections Supervisor Jimmy Whitehouse told the precinct worker to "bring them in TONIGHT, not tomorrow and I'll vote them absentee."

Then came a lull in the

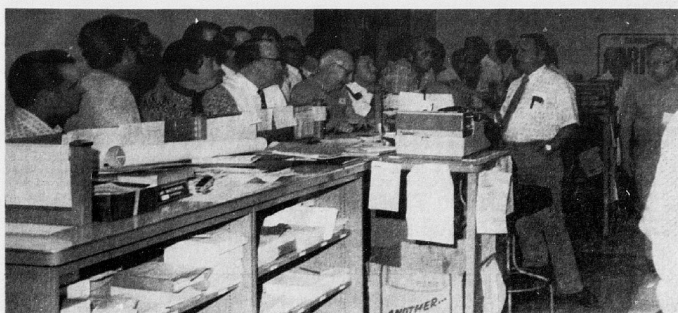

telephones and for more than an hour big precinct 1 in Avon Park, precincts 10, American Legion, Sebring, and 11, sat blank on the tally sheets. Precinct 1, which has no telephone, had somebody report at 7:50 p.m. that a key had broken off in a lock and things were at a standstill.

Shortly before 9 p.m., 11 finally came in. At just as 9 p.m., Precinct 1 reported. It was followed in less than a minute by Precinct 10, to wind up the voting.

Just before No. 1 reported, Whitehouse was getting ready to send somebody to try to get the machine fixed, and then the phone rang with a worker on the line with the report.

Whitehouse noted that he had 212 absentee ballots in addition to the 7,897 persons who voted at the precinct polling places.

Since the books closed he has had 400 persons register who will be able to vote in the Nov. 7 general election.

MORE THAN 100 persons jammed into the Court House annex and the elections supervisor's office to get returns first hand Tuesday night. The crowd spilled out into the hall, but was well-behaved. The roar of conversation went down to almost complete silence as the returns were being tallied.

Telephone in center of picture are Elections Supervisor Jimmy Whitehouse, with white shirt and tie, and at left center, on other side of counter, is Col. W. J. Atkinson, county Republican chairman, smoking pipe as he tallies returns.

Heatherly Elected Head Of Association

The Avon Park High School Athletic Association elected George Heatherly as president for the 1972-1973 year at a meeting held last week at the high school auditorium.

Heatherly takes over the reins of the organization from Robert Dick who served as president for three consecutive years.

David Johnson was elected vice-president of the group replacing Ed Touchton and George Kelsey was returned to the secretary-treasurer position for another term.

Directors of the organization are Fred Janna, Hue Nunnallee, J. T. Landess, Robert Dick, and Sanford Hart.

There was quite a bit of discussion concerning the reserved seat section of Memorial Stadium. Concern was expressed about the number of vacant seats in the section at each game although all seats are sold out each season. A suggestion that all reserved seat holders be forced to buy a season ticket in a package deal was tabled for further consideration. There was also discussion about adding some 100 reserved seats to the present section by addition construction in some manner. A committee of Jim Sismore, J. T. Landess, and Aaron Cravens was appointed to consider such construction.

Gallen Wins Florida Senate Seat

In the races for jobs in the Florida Legislature, Tom Gallen swept to an easy victory over Walter Talley for the Democratic nomination to state senate.

Gallen will face Highlands County's Andrew Jackson, Republican, in the general election Nov. 7. Gallen ran up a vote in Highlands County of 2,392 to Talley's 1,764.

For the Legislative seats, with 88 per cent of the vote in, it was the incumbents Ray Mattox, of Winter Haven, and John R. Clark, of Lakeland, assuring the pair of another House term since they have no Republican opposition.

In Highlands County, Mattox received 775 votes to Byron Hileman's 162 in District 48. In District 50, Clark ran behind challenger Bob Crawford, 364-392.

There was no contest in District 75, which encompasses Sebring. Republican Jim Tillman having had no opposition and in Districts 51 and 52 of which Avon Park is a part, the contest will come in the general election Nov. 7.

At that time Democrat Larry Libertore will face Republican Lex Taylor in District 51 and Democrat C. Fred Jones will face Republican Glenn R. Anderson in No. 52.

City Council In Row Over Guaranteeing Mortgage

The City council met Monday night to once again hash out the problem facing them concerning Critchfield Marine. Presently General American Life Insurance Company holds

a mortgage on the 35 acres of land and buildings, which amounts to \$187,000. It was stated at the council meeting, that through telephone contact with the firm, they orally

agreed to allow the city to take over the mortgage should Critchfield default on its \$3,500 a month payments. The insurance company reportedly told the city that they would

place the offer in writing to strengthen the city's stand if necessary. Councilman Hermon Sizemore stated that he would be in favor of the city taking over the mortgage if the principal on the mortgage could not be raised again at some time in the future. The mayor, Robert Barben, and city attorney, Jack Hancock, stated that this mortgage could not be borrowed on again, only if

Purchase of Masonic Temple Under Attack By Candidate

The approval last week by Highlands County Board of Commissioners to purchase the Avon Park Masonic Temple Assn. building for \$40,000 came under attack again at the board meeting Tuesday.

Jim Dale, Republican candidate for county commissioner, asked commissioners to delay the purchase until a committee could investigate the comparative costs involved in purchasing the Masonic home as opposed to renovating the county-owned building on SR-17A.

Dale said he believed the true cost of the Masonic building, once improvements are made, would be between \$75,000 and \$100,000, compared to \$15,000 to \$20,000 for renovating the building on SR-17A.

Norman "Jug" Heston, though he had voted last week against purchasing the Masonic building, questioned that total cost would run as much as \$75,000. Other commissioners also questioned this estimate.

Cecil Skipper, commissioner from the Avon Park area, said he had received many calls from Avon Park citizens complimenting the board on its action.

"I have no intention of changing my vote," he declared, adding, "I don't think Mr. Dale has any idea of how much study was done before our action last week."

Commissioner Robert Skipper said he also had received many calls expressing approval of the purchase. He said those opposing the purchase seemed to think that last week was the first time the proposal had ever been considered, but actually it had been under study for some time.

Commission Chairman Andrew Jackson said he doubted that the board's action last week could now be rescinded, but that the question of legality could be referred to County Attorney Robert Dunty.

"I'm not prepared now to give you an opinion," Dunty responded. "I'd have to research it." At the request of Heston, (Please turn to page 2)

Climaxing a bitterly fought primary, County Judge Mervin Rehner of Avon Park, running for re-election to the seat he has held for 16 years, was forced into a run-off with Sebring's Mark Richardson.

With 212 absentee votes yet to be counted - but not expected to influence the outcome-Rehner had 2,441 votes, Richardson 1,836 and former county and circuit judge Joe D. Kinsey, Sr., 956.

Apparently many voters did not vote in the non-partisan judicial races, pulling levers only for the candidates of their respective parties.

For instance, a total of 1,312 votes in big Precinct 1 at Avon Park were cast, yet the total of votes for the three county judge candidates was only 893. County wide, the vote for the three candidates totaled 5,233, yet a total of 7,897 persons cast votes in the race, a difference of 2,664.

Higher Courts. Richard Bronson, opposing Clifford J. Schott in the Circuit Judge Group 5 race, won in the circuit and in Highlands county. In this county he polled 2,096 votes to Schott's 948. For Circuit Judge Group 7, Marvin B. Woods defeated

Gordon MacCalla in the district and in Highlands County. Woods polled 1,942 votes in this county to MacCalla's 1,280.

David L. McCain nearly won the seat for justice of the Supreme Court without a runoff, state-wide, holding a commanding lead with 44 per cent of the vote in but apparently will run off with Rivers Buford, Jr. in Highlands County. He polled 1,336 to Buford's 962 and James Carter's 984.

It apparently will be a runoff for judge of the District Court of Appeal between Edward F. Boardman, who had a large lead, but not quite the 50 per cent plus one vote, and Henry Esteve, with most of the votes counted.

In Highlands county voters were Boardman, 324; Esteve 462; Mark Hawes 570; I. W. Williams, 1,056 and Harold Williams 579.

Williams, a Negro, garnered his huge local total in the two big colored precincts in the county. In Avon Park Precinct 2 he received 198 of 283 votes cast; in Precinct 9, Sebring, 182 of 244 votes cast.

Voters Approve Establishing City Library

Voters overwhelmingly approved the establishment of a city library in a special referendum on Tuesday's primary ballot. The unofficial (without absentee) count was 541-146.

In the past, the library had been run by the Woman's Club. However, the Woman's Club recently decided it was too great an expense and requested the city to assume responsibility for the library.

With approval of the referendum, the city, with matching funds from the federal government, hopes to expand the library with a total \$40,000 investment, without an increase in taxes, according to City Clerk Malcolm Crews.

Mayor Barben Speaks To Chamber

Mayor Robert J. Barben met with the Avon Park Chamber of Commerce Board of Directors this past week and complimented the Chamber on the work they had accomplished this year and expressed appreciation in behalf of the City on the new city maps just issued by the Chamber.

Mayor Barben spoke further on the City affairs and briefed the Chamber Board on the golf course, the Armory building, City Sewerage, and Air Port and the possibility of the City taking over the operation of the Library.

Following this report, the Chamber Board of Directors went on record as endorsing the City of Avon Park taking over the library.

Devils Will Kick Off Season With Santa Fe

The 1972 football season will open for the Avon Park Red Devils tomorrow (Friday) night when they travel to Bryant Stadium in Lakeland to take on the defending district champion Santa Fe Crimson Hawks.

Kickoff is set for 8 p.m. The Red Devils have their work cut out for them this week as they will have to face the tough Hawks without two senior linemen who have been dropped from the squad. Senior tackle Virgil McInvale and senior guard Mike Archer were dropped last week leaving a couple of big holes in the Devils' line.

However, at the "soap-scrimmage" last Thursday night it looked like the positions were going to be filled without too much trouble as Jarvis Hartt and James Walker will probably handle the tackle jobs with Nate Williams moving over from end to help Andy Prescott. Del Murphy, Barry Tate, and Alcus Snell take care of the guard slots. The four interior lineman slots are usually switched back and forth with the guards and tackles alternating where needed. There is a possibility that Ronnie Dick will move over from his center position to help out at guard or tackle if needed. Tony Dupree will handle the center job in that case. Also hoping to see action as interior linemen are Hayward Batts, William Burley, and Ricky Lanier.

It also looks like the Devil quarterback slot will be a question mark right up until the start of the game Friday. At the soap scrimmage last week, Tony Williams looked good directing the white offense. His team took the lead in the first quarter at play with fullback Clyde Hart scoring around left end for a 13 yard touchdown

run. Williams is a scrambling-type quarterback with lots of potential. He is a senior this year.

Junior Danny Lewis quarterbacked the red squad in the scrimmage last Thursday night and his team put six points on the board in the second period when halfback Ricky Clait ran 14 yards for a touchdown.

Coach Joe Franz said early this week that he wanted to get a look at Leon McKrae at quarterback this week in practice before he makes a decision on his starter against Santa Fe tomorrow night. Right now it looks like Lewis and Williams will do a lot of alternating in the first game.

(Please turn to page 2)

The Devil ends caught some passes in the soap scrimmage with Nathaniel Packer, Bud Wester, Wayne Todd and Glen Gray going on offense and tough senior Arnold Davis coming in on defense for some good plays. Running the ball for the red squad last Thursday were Leon McKrae at fullback and Josh King and Ricky Clait at halfback behind Danny Lewis at quarterback. The red offensive line had Bud Wester and Wayne Todd at ends, Andy Prescott and Barry Tate at guards, Jarvis Hartt and Hayward Batts at tackles and Ronnie Dick at center.

The white team went with

Charged With Murder

Jackie Smith, 20, has been charged with first degree murder following the fatal shooting of Jerrel Howard Estredge, 26, (brother-in-law) Friday morning, Sept. 8, at approximately 12:15.

Estredge, following a family argument, persuaded J. W. Hodge, Avon Park to drive him to Smith's residence at 113 S. Glenwood Ave. According to Police Chief Ferial Cribb, Smith shot Estredge with a 22 semi-automatic rifle belonging

to Ronnie Cobb, 18, also of Avon Park. After the shooting, Smith and Cobb drove off in Cobb's pickup truck and were apprehended on their way back to Avon Park after reporting the shooting to Smith's wife, in Lake Wales, Chief Cribb said.

Young Cobb was charged with accessory after the fact.

Avon Park patrolman Jeff Holland investigated the shooting and was assisted by States Attorney J. O. MacBeth. Cobb was released Tuesday under \$2,500 bond.

Estredge is survived by his wife Joyce, and two daughters, Cynthia and Gloria. He was put to rest by Stephenson-Smith Funeral Home Monday.

Planning Board Delays Action

After meeting for more than two hours Tuesday afternoon, the Highlands County Planning Commission recessed without taking action on its general development plan because of protests from the area's land developers.

It will meet again at 3 p.m. Oct. 10. Mary Ellen Ward, chairman, pointed out that to board the expense of another public meeting, which must be advertised, that the Oct. 10 meeting will be a continuation of this week's meeting.

The county commission room was overflowing for a meeting which at times became overheated and acrimonious. At one point there was a loud, finger pointing, eyeball to eyeball, confrontation between Avon Park Mayor Bob Barben, a commission member, and Mickey Miller, developer of Leisure Lakes, president of Highlands County Land Developers Association, and chairman of the board of the Highlands County Builders Association.

Miller asked for a 90 day delay in any action on the overall county land development plan. Mrs. Ward pointed out that his members had taken part in the discussions that led to the formulation of the general development plan under discussion.

At this point Barben stood and said, "Don't shake your finger at Mary Ellen Ward. We are members of this commission and you should address your

remarks to us as well."

Commission members Jack Fanciulli and Larry Davis quickly intervened to say they also took exception to Miller's remarks being addressed to Mrs. Ward.

Fanciulli then made a motion to reject Miller's request to postpone the hearing and the commission passed his motion.

Developer of Placid Lakes, August Tobler, stood to claim he had not heard of the development plan until he saw it in the newspaper. He said he does not like the attitude of the commission as represented by their refusal to grant Miller's request.

He claimed the land developers would be "cut to pieces" if the plan goes through. He pointed out he had paid \$100,000 in taxes so he felt he should have his say. Mrs. Ward told him that his son had attended several meetings so she felt he had been adequately informed.

Ward complained that in general notification of the planning and board's actions has been insufficient. He said he knew nothing in writing concerning the general plan until he read it in the newspaper.

Ward inquired about the cost of the plan to the taxpayers. Frank Blandford, representing the study agency, Candebau and Flessig, told him it was \$28,000, one third of which was to be paid by Highlands county, the rest by the Federal government.

Representatives of most of the area's large land developments were present and spoke, backing up Miller. There was a considerable number of people who identified themselves as private citizens and taxpayers who said they are in favor of the plan.

The next step in activating the overall plan is for the planning commission to approve the plan and forward it to the Highlands County Board of County Commissioners for further approval and a resolution of acceptance.

Commission

Dunty was directed to investigate and prepare an opinion for next week's meeting.

Last week Charles Cullens, the board's administrative assistant, informed commissioners that renovations needed for the Masonic building would cost an estimated \$10,330, including construction of 21 parking spaces.

Purchase of office and custodial equipment would add another \$5,300, Cullens said.

Heston then objected to spending county funds for another building in Avon Park, suggesting instead that the existing county-owned building near the Motor Vehicle Inspection station on SR-17A be renovated at an estimated cost of \$15,000.

He discounted Cecil Skipper's argument that the building on Main Street would be more accessible than the one on SR-17A, pointing out that the public would drive to either building by car, regardless of its location. Heston also noted that purchase of the Masonic building would remove a source of revenue from the county tax rolls.

The purchase was nevertheless approved by a 3-1 vote, with Commissioners Cecil Skipper, Robert Skipper and Ben McGee voting for and Heston voting no. Andrew Jackson, as chairman, only votes to break a tie.

The action was later condemned by the Executive Committee of the Highlands County Property Owners Assn., Inc., as a "dissipation of public funds" and a "waste of upward to \$40,000," and urged the action be voided.

City Council

another mortgage was taken out.

Council President Jack Duggan, stated that he is "trying to protect the city's interests."

"If I were asked to reject the whole thing," stated councilman Milton Howard. He stated he felt, because of the guarantee from the insurance company that the city could take over the mortgage payments without obligating themselves to a mortgage guarantee, that the city should take them up on the offer, and secondly if this mortgage was guaranteed by the city, it would be very "encouraging" to Critchfield to take out another one in the future.

The mayor stated that the legal title to the land and the present lease to Critchfield, stands partially in the way of Howard's idea.

Critchfield presently holds a fifty year lease on the 35 acres including the buildings for \$250 per month to the city. The city fathers apparently neglected to place in the lease some type of escape clause at that time, for the only way the present lease can be abolished is through default in the rent or abandonment of the property. At that time the city regains complete control of the land and all buildings therein.

If the city decided to guarantee the mortgage, the city then would have the right to terminate the lease should Critchfield ever default in a mortgage payment.

The mayor stated it would be a good idea to have Critchfield make out a quit claim deed and place it in escrow should they ever default, the city would regain the property automatically.

The city fathers, after rehearsing everything, decided to have Mayor Barben and city attorney Jack Hancock meet with Commissioners Cecil Skipper, Al Burnett and his attorney to try and work out some type of settlement.

In other business handled by the city bids were opened on financing for construction of a tee hangar at the city airport. Avon Citrus won the contest by offering the city a loan of up to \$35,000 at four and one half percent interest for a ten year period.

The council then decided to accept a building bid from Perifram Corporation for the purchase of the tee hangar, and a bid from Duane Kopka to construct the concrete floor and the tee hangar. Total cost of the project will reach approximately \$31,300. The city plans to rent the spaces to pay for the construction costs.

The council also decided to place a one way street across the mall just west of the Seaboard Railroad tracks. The motion was made by King and seconded by Sizemore. The council voted unanimously for the project, but mayor Barben stated, "I don't have a vote but I think it's a mistake."

The council also voted to contact the Department of Transportation and inform them that the city would install, maintain and furnish electricity for a stop light at the intersection of East Main with Highlands Ave. However, the city refuses to approve a pedestrian light at that location because there isn't enough pedestrian traffic to warrant such.

Red Devils

Tin DuPre at center, Del Murphy and Alcus Snell at guards, James Walker and Ricky Lanier at tackles, and Nathaniel Packer and Nate Williams at ends. Tony Williams ran the team with Greg Hart at fullback and Arnold Davis and Mearl Robinson at halfbacks.

The variety played two quarters and then came back for a third period after the junior varsity scrimmaged for a quarter.

Reports from Mulberry where five of the Tri-County Conference teams held their jamboree last Friday night point to a Santa Fe team that will go to the air against the Devils. The Hawks won both quarters of play winning over Lake Placid 15-0 and nipping Mulberry 8-6. Quarterback John Taylor appeared to be ready to step into the passing job for Santa Fe with no trouble and receiver Bobby McQueen was snatching the passes very effectively all evening. The Crimson Hawks also showed an improved defense over last year and the Devils will have to play all out in this first game to win over the high-flying Santa Fe eleven.

The Red Devils defense will probably have a strong linebacker group this year in seniors Jarvis Hart, Leon McRae, Andy Prescott and Del Murphy with juniors Nate Williams, and Ronnie Dick also seeing lots of action. The center line slots will use the big boys—James Walker, Alcus Snell, Hayward Batts, and William Burley with Arnold Davis, Nathaniel Packer, Bud Wester, Wayne Todd and Glen Gary taking turns at the end positions.

Defensive halfbacks will be Keith Richards, Danny Lewis, Tony Williams, Josh King, Ricky Claitt, and Marvin Jackson with reserves Buddy DeWitt, Tim Elder, Mearl Robinson and Jim Wood standing by to help out.

If the Red Devils could put it all together in their first game, they should be tough throughout the ten game schedule. So plan to drive over to Lakeland to Bryant Stadium tomorrow (Friday) night for the opening Avon Park game.

OPEN HOUSE

The Florida Citrus Chapter of the Florida Nurserymen and Growers Association will hold a huge open house and barbeque at the Adamus Citrus Nursery near Winter Haven on Sept. 29. For the first time, the Citrus Nursery industry will invite other segments of the ornamental horticulture industry to look into the citrus nursery operations on a state-wide basis.

ONE OF THESE five boys will start at quarterback for the Avon Park Red Devils when they go against Santa Fe at Bryant Stadium in Lakeland Friday night. But the big question is which one? Kneeling are junior Danny Lewis (11) and senior Leon McRae (13). Standing are junior Buddy DeWitt (27), senior Tony Williams (33), and junior Greg Harlt (10).

The Avon Park "B" squad football team looked a little ragged around the edges at the annual "soap" scrimmage last Thursday night but showed signs of being stronger than last season when it set a 5-21 record. With still another week to go before the opening game in Ft. Meade on Thursday, Sept. 21, the boys are working hard to iron out the kinks in the offense and defense.

The white team was quarterbacked by freshman Jerry Robinson with Tim Massey and Jerome Patterson at halfbacks and Watson Carver at fullback. The red team had Micky Claitt at the quarterback slot with Lawrence McRae and Moses Anderson at halfbacks and Mark Howard at fullback.

The white team won the two quarters of play by a score of 8-6 with freshman halfback Timmy Massey going about four yards on the ground for the touchdown in the second period and then running the two-point conversion over through the middle. The red team scored first when fullback Mark

Howard broke loose and ran in for the touchdown. The extra point attempt was no good.

On the line for the white offense were ends Edward Jones and James Ross, tackles Bill Murphy and Joe Lewis Smith, guards Roger Kilburn and Ricky Runner, and center Jamie Tomlinson. Linemen for the red team were ends Tommy Wester and Harry Stokes, tackles Doug Bennett and Mile Poole, guards Jim Lamb and Mark Lewis, and center Jim Stewart.

Others seeing action on one team or the other were Marvin Williams, David Canine, Watson Carter, Anthony Gaines, Tyrone Moss, Clifford Coleman, Ben Wright, Roy Jackson, Gary Young, Tommy Pralo, Sammy Rowe and John Lunsford. Still out for the squad but not seeing action last Thursday night are Billy King and Perry Prescott.

Next Thursday, remember, the Avon Park "B" team will play the Ft. Meade jayvee team in Ft. Meade starting at 7:30 p.m.

Letter To The Editor

Editor Sun:

I am a Girl Scout program consultant and have been a leader.

Some people may think I volunteer my time "to help others". That may be part of it but the really important thing about my Girl Scout work is that it has helped me, personally, to learn new things, to meet new people and to be active in important community projects.

When you work with today's girls, you quickly learn to be more receptive to the ideas of others who may have different beliefs and backgrounds. You learn to listen. You soon realize that a person does not have to be

over 30 to have good ideas or to take the lead in doing something about a community problem.

In Girl Scouting, I've made many friends and I've had many happy experiences but the opportunity that it gives me to increase my own personal effectiveness as a woman and citizen is my reason for being a Girl Scout.

I recommend it for any adult man or woman who is interested in learning and growing as well as helping others.

Sincerely,
Jean Hoke

WOMEN'S SECTION

4A The Avon Park Sun, Avon Park, Fla. Sept. 14, 1972

Pete and Vicki Dahmen have returned to their home in Dearborn, Mich., after spending a week in Avon Park as guests of Lou Shackley. They also renewed old acquaintances made while Pete was stationed at the Avon Park Bombing Range during World War II, and while Vicki worked at the City Hall.

Mrs. Anne Bennett returned home Aug. 29, after undergoing eye surgery at Winter Haven Hospital, on Aug. 22. We are pleased to hear the operation was a success and she is feeling fine, while convalescing at home.

Bob and Sibyl Padelford and children, Robert and Penny spent Labor Day weekend at Miami Beach. Johnny Barker accompanied the Padelfords on the holiday weekend.

Mr. and Mrs. Milton Stoeke Jr., of New Orleans, La., were in town this past week visiting Milton's parents, Mr. and Mrs. Milton Stoeke, for a few days.

Pat Morris, daughter of Mr. and Mrs. John Morris will leave Saturday, Sept. 16, for Macon, Ga., to attend Mercer University, where she will be a second-quarter freshman.

Mrs. T. H. Maxwell spent the weekend in Miami visiting her son, Thomas Maxwell and family.

Capt. and Mrs. Stephen E. Bird spent a few days recently with Mrs. C. W. Pabst, Mrs. Bird's grandmother. Mrs. Bird is the daughter of Mrs. Pabst's son, W. Earl Pabst, and wife, the former Gloria Hughes, who now live in Savannah, Ga. Both Earl and Gloria graduated from Avon Park High School in 1942. Capt. Bird has just returned from service in the Vietnam War Area. They will be living in Chicago, while Capt. Bird is attending school.

Mr. and Mrs. Norman McRae and daughter, Candi, of Jacksonville, have returned home after visiting her parents, Mr. and Mrs. Preston Hagan, for a few days. While here, Mrs. Hagan accompanied the McRaes to Sanibel Island out from Ft. Myers for four days.

On their return from Sanibel they came up the West Coast to Bradenton, where they visited Sarah and Tom Houpe and children, who have just moved into a new home there.

It's A Boy
The new Mr. and Mrs. William W. Surrency of Crystal River, announce the arrival of a son, born at Ocala General Hospital on July 23. The young man has been named Kevin Wayne and weighed 8 lbs., 1 oz. He joins a 10 mo. old sister, Kristy Ann, at home. Paternal grandmother is Mrs. Mary Ellen Surrency of Avon Park and maternal grandmother is Mrs. Elly Simmling of Regensburg, Germany.

Mrs. Surrency and Kristy and young Kevin are in town visiting her mother-in-law, Mary Ellen who will accompany her daughter-in-law and grandchildren on flight to Lynchburg, Va., on Saturday, Sept. 16. The Williams Surrency will live in Va. while he is attending a school for Florida Power.

Guests attending from out of town were: the bride's grandparents, Mr. and Mrs. Robert Dunmuck, Fairfield, Iowa; the bride's aunt and uncle, Dr. and Mrs. John Gifferty, Lakeland, Fla.; the bridegroom's grandfather, Mr. C. E. Teeter, Winter Haven; the bridegroom's aunt and uncle, Mr. and Mrs. Carroll Teeter and family, Winter Haven; the bridegroom's sister and brother-in-law, Mr. and Mrs. Johnny Parker, Castleberry, Fla.; and the bridegroom's aunt, Miss Luella Lawson, Decatur, Ill.

Card of Thanks
Mr. and Mrs. Albert Ross would like to thank their many friends for their prayers, visits, cards, and flowers during Al's illness. We also are very grateful to Walker Hospital staff for their kindness.

37 Children Attend Library Story Hour

A grand total of 37 local children attended the summer story hour at the Avon Park Library. We also had visitors from various parts of our state, and even had two from Georgia, ranging from 3 to 11½ years.

Not only did we introduce the youngsters to books, but also to the library itself, by giving some simple explanation each week of the workings of the library, how to make a book report, a contest of making book marks, dolls and stuffed toys; flannelboard; stereographic viewfinders and viewmasters; gave out things to make and to color and to examine (such as magnets, pins, nails); and even gave the children the opportunity to record their own poem, story, etc.

Books and stories were introduced to the children in many various forms. We used tapes and records, as well as puppet shows, a ballet performed by a four year old; a clown act by a four year old; posters of characters from books; and a contest of making book marks; dolls and stuffed toys; flannelboard; stereographic viewfinders and viewmasters; gave out things to make and to color and to examine (such as magnets, pins, nails); and even gave the children the opportunity to record their own poem, story, etc.

We had two very special story hours, based upon children going to the doctor, dentist, and hospital. Books were used, along with a picture tape and large diagrams from a local dentist; samples of children's vitamins and a pamphlet of going to the hospital, and a long tape of a child, all from around Avon Park. We also had a set of play teeth and showed the correct way to brush. A toy doctor kit and its accessories were also utilized to help familiarize the children with the real items. One of the little girls was dressed as a nurse for one story hour.

Not only did we have children dressed in various characters to help with the story hour from time to time, we also had many different characters at our summer's end party.

Tammy Warner was Little Miss Muffet, complete with her bowl of jelly, while her brother, James, was the Little Boy Blue. George Allan Hall delighted the group as Oscar, a Sesame Street regular, and his older sister, Florida, was disguised as a girl named Heidi. JoAnna Butler and Edmund Seane were dressed as cows. Little Lea Johnson came to the party dressed as Dorothy, from the Land of Oz. A toy replica of Toto completed the outfit. Abby Swearingen was cute as a button as a cowgirl, while older sister, Gigi, was a beautiful young gypsy girl. Nancy Turnbull and Mary Margaret Clark were in lovely long dresses.

Other children attending the party were: Phillip and Kathy Lank, Teresa Rafford, and Steve Jones; Steve and Sue Maxwell; Steve, Michelle, and David Travers; Erlene Cobb; Sheri Bobb; and Linda and Mary Ann Batts.

Librarians, Mrs. Hise and Mrs. Fischer, say that special thanks go to Mrs. E. E. Swearingen; Mrs. J. E. Johnson; Amy Beldier; Barbara Ewell; Larry Greene; Dr. Walter Price; Dr. John Palsgrove; Mrs. Edgar Smoot; Mrs. William Stallard; Mrs. T. Hayes Maxwell; and all the FRIENDS OF THE LIBRARY, as well as Franklin Ward; Ridge Florist; and Hilans Coca Cola Company.

Laura DuBose-Joseph Franza Weds In Church Of Christ, Frostproof August 26

On Saturday, Aug. 26, at 8 p.m., Miss Laura DuBose and Joseph Michael Franza were united in marriage at the Church of Christ in Frostproof.

Mr. and Mrs. Joseph Michael Franza

The bride is a daughter of Mr. and Mrs. Lowell Y. DuBose, 1110 W. Prairie St., Avon Park and the bridegroom is the son of Mr. and Mrs. Joseph A. Franza, Lake Side Heights, Avon Park.

The bride is a daughter of Mr. and Mrs. Lowell Y. DuBose, 1110 W. Prairie St., Avon Park and the bridegroom is the son of Mr. and Mrs. Joseph A. Franza, Lake Side Heights, Avon Park.

Brother Tom Butler of Lakeland performed the double ring ceremony, with palms and a garlanded brass arch forming the background. On either side of the arch, were bouquets of white glads and starburst pompons. A large standing altar cloth, and a white column in the center of the arch. On each side of the altar were two candelabras with 14 burning candles.

The family pews were marked with large satin bows with white streamers.

Nuptial music was presented by Singers composed of Mae Welch, Loretta Ellis, David Brooker, Mr. and Mrs. Franklin Welch, Mr. and Mrs. Glenn Welch, Marcus Piety and Dot Childers.

The Bride
Given in marriage by her father, the bride was lovely in a gown of deep de sole with an old fashioned high collar trimmed with lace and self-covered buttons. The long full sleeves were also trimmed with lace and buttons. Her gown was covered with an alencon lace pinafore with ruffles down each side of the bodice and skirt. Her elbow length veil of silk illusion was held in place by a halo of lace flowers and seed pearls accented with teardrop crystals. She carried a delicate cascade bouquet of white miniature carnations and ivy leaves. The bouquet was highlighted with white stephanotis and babies-breath, with a touch of satin lace streamers.

Matron of honor was Diane Anderson, sister of the bride from Frostproof. She wore a gown similar to that of the bride, of peach colored dacron with white flowers and a white shawl.

Mrs. DuBose wore for her daughter's wedding, a long gown of multi-colored cotton jersey with long sleeves. Her accessories were gold. Laura paused as she came down the aisle and presented her mother with a corsage of white roses and stephanotis.

For her son's wedding, Mrs. Franza wore a long formal ensemble with patterned skirt of brown and white with solid brown belt and a white shawl.

battiste with a tiny white flower pattern, covered by an ecru colored floor length pinafore.

Mrs. George Temple, grandmother of the bride, mother of Avon Park, Mrs. J. O. Witt, Avon Park, and Mrs. Earnest DuBose, Frostproof, both grandmothers of the bride, all wore corsages of white carnations with ribbon to match their ensembles.

Reception
Immediately after the ceremony, Mr. and Mrs. DuBose entertained some 120 guests at a reception at the Florida Power Lounge in Frostproof, with Mrs. Ernest Temple, aunt of the bride from Lakeland, as hostess.

Mrs. J. Euell DuBose, aunt of the bride from Lake Wales, invited guests to the bride's book, which was on a table draped with a white floor length cloth, heirloom silver bell, and bouquet of miniature roses.

A white embroidered Swiss cloth covered the bride's table, centered with a five tiered, all white wedding cake, exquisite with crystal grapes and wedding bells between the pillows. The cake was flanked by a pair of three-branched epergnes candelabras with white tapers and roses. Cutting and serving the cake were Mrs. Georgianne Murdock, sister of the bridegroom from Greenwood, S. C. and Mary Ann Stevens, Avon Park.

The round punch table featured an antique motif, covered with a hand made floor length lace cloth over cut-work embroidery. The antique punch bowl with heirloom silver ladle, centered the table and was accented with an arrangement of red roses. Serving the punch were: Laurie Burch and Vicki Cini, both of Avon Park.

Assisting were: Mrs. R. Wynne, Dundee; Mrs. W. Davis, Bartow; Mrs. Ernest Childers, Avon Park; Mrs. Fred Darrell, Mrs. Carline Nicholson, Mrs. Carl Phillips, and Miss Belinda DuBose, all of Frostproof; Janis Peck, Brandon; and Joy Hammon from Temple Terrace.

When the new Mr. and Mrs. Franza left on a honeymoon to Vero Beach, the bride was wearing a smock suit ensemble, with burgundy plaid dress and solid smock coat, with white accessories.

After their return, they will reside in Avon Park, where the bride is employed by Tatum and Johnson. The bridegroom is employed by Sebring Heating and Airconditioning.

Out-Of-Town Guests
Out-of-town guests attending the wedding were: Mr. and Mrs. Sam Martin, Hollywood, Fla.; Mr. and Mrs. Gayle Murdock, Greenwood, S. C.; Mr. and Mrs. David Ledford Jr., LaFayette, Ga.; and a host of other relatives and friends.

The Labor Day supper was a
good success with 36 present.
We had a good meal and fine
fellowship with one another. We
ended the evening with most of
us playing cards.

At the supper we recognized
two birthdays, Twyla Wurster

"How We Grow Them"

by Jim Kiser, inmate

September and October are the times to clean and work over the garden so that many pest problems can be avoided the following spring and summer. Most pests that cause trouble remain alive during the winter, or they overwinter in a dormant condition. If you know how and where this overwinter takes place, the pest cycle can be broken.

First of all, remove all the dead leaves and other debris that might provide shelter during the winter months. If you accumulate disease-carrying leaves and twigs, or use them as a mulch, you simply make it easier for damaging pests to survive the winter. All diseased, mildewed, or blighted leaves and twigs should be sent to the dump or burned. Any damaged or sick foliage can also be removed from plants and destroyed.

When you divide your perennials, look close. When you divide your perennials, look closely at their roots for disease or nematode damage. Any roots that show as discolored, rotted, or have swollen knots, should also be discarded.

This is the time to consider a winter spray program. If you have experienced a great deal of insect damage this year, then by all means plan a thorough cleaning and spraying schedule to prevent this from becoming worse next year.

Armymen, caterpillars, and grasshoppers have been plentiful this year here at the Nursery. Proper insecticides are beyond our financial means,

but a few donations have helped keep control. I plan one complete spraying in October. It will be an attempt to eradicate the main purpose is to get rid of the eggs and nests.

There are many handbooks that give pictures of both insects and their damage. No need to try and be the expert, but you can refer to the book when you spot a problem, and the book will also tell you the means of eliminating the problem. The University of Florida Agriculture Department also has this information; and booklets can be obtained from them for all situations in gardening. It is helpful to have a basic knowledge to protect the useful insects. We might be in real trouble if all the dragonflies were eliminated, as they eat mosquitoes; and contrary to popular belief, dragonflies neither bite nor sting humans!

AMONG THE CANDIDATES for State and National office, hosted by South Florida Junior College on September 6, for the purpose of presenting their viewpoint to the student body, were Democrat Bruce Scott of North Fort Myers (left) and Republican L. A. (Skip) Batistis of Palm Beach Gardens (right). Both are contenders for the new 10th District Congressional Seat.

Avon Mobile Home News

Sallie Wright

We have news in the form of a letter from Basil and Rosa Krontz. They have had a very busy summer, doing lots of "gadding", going to picnics, camping trips and working a little too. Some friends who have visited this summer are the Evans, Coadys, Byers, Belchers, Monroes and Keyes. They are already planning their trip back to Avon Mobile Home Park and expect to be here the latter part of October.

Verna and Maurice Fero write that they recently enjoyed a picnic with Avon Park friends. They were the Browns, Plasas, and Buttons. They plan to come to the park in November.

Rosa Benington arrived at her mobile home last Thursday but was ill and had to go immediately to the hospital. She was better on Sunday and we certainly hope for her a speedy recovery. She is in room No. 202 at Walker Memorial Hospital. We are glad to have Ella Rønnneburg back in the park. Emmette and Sallie Wright drove to Tampa Saturday to pick her up at the airport. Ella had been visiting with her daughter, Geraldine Schisler

and family of Freeport, Illinois, since the last of April. She enjoyed her visit very much except for the cold and damp weather, and is happy to be back in "sunny" Florida where she can thaw out.

Mrs. Jennie Fouty was driven by ambulance, accompanied by her daughter, to the hospital in Gainesville. She was examined by the doctors and they are of the opinion that they can help her.

Mr. and Mrs. Charles Brush recently had callers, Mr. and Mrs. Robert Norton, of Springfield, Ohio. Have a note from Jonathan Wright who is in college in Oklahoma. He says he is getting back into the swing of college life, meeting lots of new kids and is enjoying sharing his summer experiences with old friends. We really miss him around the park - especially his mom and dad. Congratulations to Mary and Harold Patten! On Friday, Sept. 8, they celebrated their Golden Wedding Anniversary. They drove to Tampa, shipped, then had dinner at the Kapoc Tree Inn. On Sunday, their daughter and son-in-law had

Mutual Seeks Extension

Florida Citrus Mutual had initiated a campaign, which if successful, would allow citrus growers a two-year extension for burning wood, rubber tires and other solid fuels for freeze protection. In an appeal to growers through its weekly publication, The Triangler, Mutual has requested growers with solid fuel on hand to petition the Florida Department of Pollution Control for a hearing and a variance of regulations which officially become effective on July 1.

A condominium at Sun 'n Lake Estates

Lake Placid, Florida helps pay for itself!

A delightful residence - and a wise growth opportunity.

Now you can own a luxury apartment building

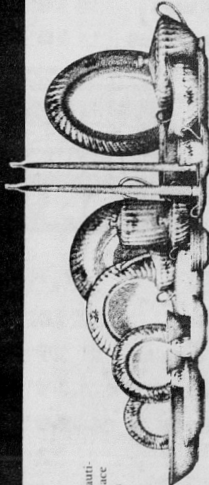

Is 39¢ a good price to start a 78 piece set of imported china?

It is when it's our "Night Blossom" imported china.

This beautiful translucent china 78-piece place setting—dinner plate, luncheon plate, bread and butter plate, and saucer—is a \$5.35 value. Pay only \$3.99 for the entire set. You own at great savings, and buy over a period of 15 weeks.

Start with this special: With every food purchase of \$3.00 or more this week, you can buy the feature piece of the week for 39¢. The first featured piece will be the large formal dinner plate. (If you buy a food purchase comes to \$12.00, for example, you can buy four dinner plates at only 39¢ each.)

Fifteen weeks of specials. Each week for the next 15 weeks, we will offer feature pieces of this lovely china at prices that will save you as much as one-half or more, so you can build an entire service for 6, 8 or more.

Week	Special	Price
1	Large Formal Dinner Plate	\$3.99
2, 7, 12	Small Dinner Plate	\$3.99
3, 8, 13	Bread & Butter Plate	\$3.99
4, 9, 14	Tea Cup	\$3.99
5, 10, 15	Tea Saucer	\$3.99

Out of an ancient tradition. The delicate translucent quality of "Night Blossom" china is created by craftsmen whose tradition and technique go back 400 years. A mixture of the finest powdered stone and rare snow-white minerals. A curing and firing of each piece four different times during a span of many days in fierce heat. The application of three separate glazes to create a glass-hard finish that is safe in any

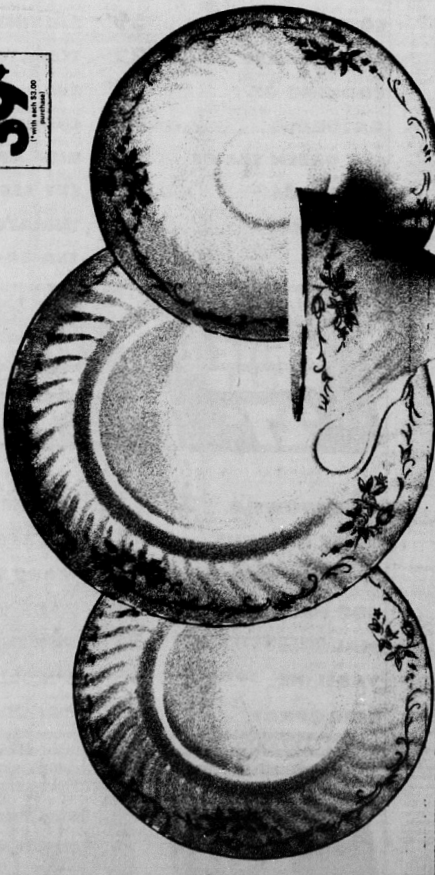

detergent, in any home dishwasher... whose lovely sheen will never stain. And, the method of hand application of the charming "Night Blossom" design is itself hundreds of years old.

Savings up to one-half on "completers." You can buy the "completers" pieces whenever you like. There is no limit on the numbers you can buy at once or no other purchase is necessary. But, by shopping regularly you can buy one or two at a time and have an entire set to serve dinner on without ever disturbing the family budget.

Look at it this way: this may be a discount price, but it certainly isn't a discount china. What more can we say?

Is 33¢ a good price to start a 52 piece set of stainless tableware?

until recently, such deep embossing was impossible on a metal as hard as stainless.

The jeweler's touch. Each piece is finished individually through repeated processes of rolling, pressing, polishing and buffing. Each bowl or blade has a mirrorlike polish, while the handle is softly shaded and burnished.

From a piece of "Night Blossom" over to the back—something you usually find only on the most expensive sterling—feel its satisfying weight. We may have put a discount price on "Night Blossom," but it sure isn't discount flatware. **Caring for stainless.** Stainless may be practically bomb-proof, but a few told you it was foolproof! "Night Blossom" is a carefully chosen pattern designed to enhance every table. Look at the richly textured design.

Completers will help keep it looking brand new. Salt left in contact with stainless may pit or (oh, yes) stain the metal. So might immersion in water for long periods. Wash, rinse and dry stainless as soon as possible after use. It's completely safe to use in the dishwasher, as your rinse cycle leaves the flatware completely dry.

How to collect. One item of the four-piece place setting will be featured each week for twelve weeks, beginning this week with the large formal dinner plate. With each \$3.00 purchase, and there's no limit.

Weeks 1, 5, 9 - Teaspoons 33¢
2, 6, 10 - Dinner Forks 33¢
3, 7, 11 - Dinner Knives 33¢

Furbish Attends Food Service Workshop

Earl Furbish, Assistant Food Service Director, Walker Memorial Hospital, recently returned after spending three days at Union College, Lincoln, Neb., for a Food Service Refresher Workshop sponsored by the college for members of the Association of Adventist Food Service Supervisors, A.A.F.S.S. The Workshop was under the direction of Bennett Chilson A.D.A., Food Service Director at the College, and Mrs. Dorothy Christensen A.D.A. of Spring City, Tenn., coordinator.

Many interesting lectures and food demonstrations were presented and will be in topics covering planning, preparation and service of quality meals. On Tuesday evening Aug. 22, a banquet was served by the class members and a business meeting followed at which Mr. Furbish was voted President Elect of the association. There are members in all areas of the U.S. and Canada. After the closing of these meetings, the group then left for Oklahoma City, Okla. for the National Convention of H.I.E.F.S.S., The Hospital, Institution and Educational Food Service Society and their 12th Annual business meeting, of which Mr. Furbish is also a member.

The opening night featured a Chuck Wagon Picnic and visit to the Cowboy Hall of Fame, the Oklahoma City, Highlights of these meetings was the opening meeting Wednesday afternoon by Col. (ret.) Katherine E. Manchester, President of the American Dietetic Association, speaking on the subjects "Controlled Food Production and Hospital Service of The Future." At Thursday's meetings the 680 members present were privileged to listen to Dr. Kendal Kotchevar, famous author, lecturer and presently Professor at University of Hawaii. Dr. Kotchevar spoke on the topic, "New Concepts in Food Service Management." The meetings came to a close on Friday afternoon when members returned to all parts of the United States and Canada, via plane and automobile.

Band Parents Lay Plans For School Year

A large number of interested band parents met at the new band room Monday evening to lay out plans for another very busy and exciting year. President Carolyn Tomlinson opened the meeting by introducing her committee chairmen asking each to explain briefly the responsibilities of their respective jobs. She also reviewed the activities of the previous year especially to acquaint new members with work of this organization.

Sandra Greenway, Secretary, read the minutes of the last meeting and of the Executive Board meeting of Aug. 13 and Vic Mickunas, Band Director and Treasurer, gave a satisfactory Treasurer's report.

The membership was told that because of the increased cost of music, instruments, repairs, uniforms and other expenses pertinent to the needs of the band, it has become necessary to increase the rental of bank uniforms. Money raising activities for the coming year will include selling Krispy Kreme doughnuts and candies. Concession stands will again be operated at the football games, Halloween parade and the Highlands County Fair. Betty Camp of Ways and Means told of the success of the concession stand at the Armory Wrestling Matches and it was suggested that the Association continue the concession as long as it is available. Four winter concerts have again been planned and Eileen Martin was pleased with the response for ads for the concert program, but did ask for help to contact those organizations who had not responded to her appeal. Mrs. Francis LaFlam announced that plastic bags had been purchased for the protection of the expensive Grenadier uniforms. They have been labeled with the name of the band and the student's name has been attached to each bag. It was reported that the pattern for the Junior Band vest was not available nor were the buttons and lining material. Each parent with a student no longer in the Junior Band was asked to bring the vest either to the school or to Mrs. Bill Owens who will see that it is available to a Junior Band member. Money collected from the membership fees plays a very important part in maintaining our fine band and each parent is urged to participate. Leila Behal is Membership Chairman.

Mr. Mickunas spoke of the events in which the band will take part this year, the big one being the Nassau trip on April 6 through 9. The band will give a concert aboard ship and another concert in Nassau. He spoke also of the addition of a stage band and a piano is needed to work with these students. Any one knowing of a piano that can be donated or had at a small cost is asked to contact the association. The piano should be in such condition that it can be tuned.

Mrs. Tomlinson then asked for help in filling the chairmanships that are vacant. The following have been filled, in addition to those mentioned above: Francis LaFlam and Mac Flowers, Transportation; Betty Crews, Halloween Concession; Eloise Sharpe, Football Concession; Carole Owens, Junior Band Party; Wilma Kangerter, Senior Band Party; Lorine Ladwig, Doughnut Sale; Mrs. John Clarke, Telephone and Attendance; and Alice Johnston, Publicity.

MRS. WESLEY GLENN TURNER

Mary Douglass-Wesley Turner Weds In Candlelight Ceremony

In a double ring ceremony at 8 p.m. Friday in the First Presbyterian Church of Sebring, Miss Mary Elaine Douglass became the bride of Wesley Glen Turner.

The Rev. George Stulting officiated at the candlelight ceremony. Mrs. Peggy Lee Macey was the organist and Jack Smith, soloist.

The church was decorated with tall white baskets of mixed pastel flowers, in the bride's chosen colors. The bride was given in marriage by her father, George P. Douglass. She wore a sheer white organza gown appliqued with petit point lace. Tiered layers of the tulle veil were fastened to a white velvet bow on a lace and seed pearl tiara.

She carried a nosegay arrangement of red and yellow roses, white carnations and spider mums. Carol Lynn Douglass attended her sister as maid of honor. The bridesmaids were Susan Eleanor Graddy, Melissa Ruth Kelly, Marian Leigh and Mary Catherine Turner, sisters of the bridegroom, and Sharyn Lorraine and Laurie Lane Douglass, sisters of the bride. The attendants were gowned alike. Their bridesmaids wore miniature nosegays from which fell tulle veils. The maid of honor's gown was a pale salmon and the bridesmaids wore yellow and lime green.

Each carried a fall bouquet of carnations and daisies. Arthur Sinclair Turner attended his son as best man and usher-groomsman were John Chestnutt, Roger Gurganus, John Peeples, Howard Godwin, Charles Hansen, and Emmitt Richards. Mrs. Douglass chose for her daughter's wedding a floor length chiffon floral print. Mrs. Turner wore pale pink full length silk. The bride's family entertained at a wedding reception in Fellowship Hall immediately following the ceremony.

Serving at the punch tables were Miss Lynn Dunn, Sebring, and Mrs. Roger Gurganus of Avon Park. Serving the wedding cake were Mrs. Carolyn Burnham, aunt of the bride, and Mrs. Ralph Eymann and Mrs. J. M. McDermis played alternately at the piano during the reception.

When the couple left for a wedding trip to Daytona the bride wore a blue double knit smoked pants suit. Upon their return they will live on West Canfield St., in Avon Park. Out-of-town guests included: Mr. and Mrs. Harry Jones and Mrs. Carolyn Burnham, of Clearwater, grandparents and aunt of the bride; Mr. and Mrs. Garland Roberts, Mr. and Mrs. Dan Roberts, Mr. and Mrs. Herbert Lord and son, Ft. Myers; Mr. and Mrs. George Lundquist, Miss Candy Weekly and Mr. and Mrs. Sam Ash of Arcadia.

On Thursday evening prior to the wedding a rehearsal dinner was held for the bridal party at Clayton's and was hosted by the parents of the bridegroom, Mr. and Mrs. Arthur Turner.

RAY-ARCS Hold Training Session Red Devils

All Sunday afternoon members of Ridge Area Youth Association for Retarded Children met for a training session on serving the needs of the retarded. Mr. and Mrs. G. F. Ward were hosts to the group and eight professionals from Highlands county served as resource personnel. The experience of the RAY-ARCS was drawn upon for many illustrations.

The Rev. R. J. Brandt, a RAY-ARCS sponsor, opened the seminar with a discussion of internal affairs. He was followed by Mrs. Virginia Hubbel, Regional Representative, Florida Division of Retardation whose subject was "The Retarded as People". Mrs. Cathleen Darley, director Developmental Training Program for young handicapped children discussed "The Pre-Schooler, his Needs and his Pleasures". Mr. Thomas R. Johnson, coordinator, Pupil Personnel Services, Highlands schools, provided a background of history of services to the handicapped and exceptional child in the county. Mrs. Jean Moore, coordinator, Exceptional Child Program for county schools, discussed the special programs for the mentally handicapped with suggestions of how school aged handicapped youngsters could benefit from the work of the RAY-ARCS. Miss Betty Carlisle, Florida Vocational

Rehabilitation Counselor and Mrs. Mary Elizabeth Kempton, director, Ridge Area ARC's Work Center, talked about services for the young adult, preparation for work and opportunities for employment for the handicapped. A chicken dinner including the celebration of two birthdays was included in the afternoon's activities. Discussion was not interrupted by food as participants and discussion leaders continued the forum around the dining table. The Rev. Tom Jones, First Christian Church, Sebring, was the final speaker as he talked about "Spiritual Needs of the Handicapped".

Children of Mr. Carnes are Katie (Mrs. James E.) Martin of South Bay; Nina (Mrs. J. D.) Phillips of Weirsdale; Wilma (Mrs. Wendell) Smith of Avon Park; Dorothy (Mrs. Neil) Rice and John Carnes of Sebring. Mr. Carnes has 12 grandchildren and 10 great grandchildren. Brothers and sisters of Mr. Carnes who attended are Mrs. Jerry O'Hern and Mrs. Jimmy Woodfield of Avon Park; Mrs. Lester Smith of Lake Wales, Mrs. Lois Smith, Charlie and Alex of Sebring.

A barbecue dinner was enjoyed by the 49 relatives and friends attending.

Two Honored

At Farewell

Party Saturday

The social hall of the First Assembly of God Church was the site of a farewell party last Saturday night for Martha Mosley, who will enter Emory University at Atlanta, Ga., and Sherwin MacKintosh, who will attend the University of Florida, Gainesville.

The social hall was elaborately decorated by Valinda Boykin in blue and gold, the C. A. (Christ Ambassadors) colors. The punch also matched the color scheme, starting with a soft blue at the top, going through an array of colors with gold at the bottom.

Mrs. Alice Boykin led guests in games, all pertaining to travel and "how to pack a suitcase in a hurry." All the games were amusing and kept the guests laughing all evening.

Later in the evening, the C.A.'s presented Martha and Sherwin each a photograph album with photos of C.A.'s and other church pictures, a book of "Bible Promises" resembling a white bible, also a card signed by all.

The guests were served banana splits and punch, and those in attendance thoroughly enjoyed themselves and helped to make this a memorable evening for Martha and Sherwin.

On the following Sunday, the First Assembly of God Church, presented Martha a pair of book ends, depicting "Christ Praying in Garden" and to Sherwin a pair of book ends, "Praying Hands" book ends for college, as a token of their deep appreciation for the work they have done in the church. These fine young people will be missed in church and the community.

REVEREND RICHARD A. BACON, Pastor of the First Missionary Baptist Church, located at the American Legion Building in Avon Park. He is shown with his wife, Jo, and son Tony and daughter Regina.

Rev. Richard A. Bacon Will

Pastor New Missionary Baptist

Rev. Richard A. Bacon is pastor of the new Missionary Baptist Mission, which meets at the American Legion Building, 1301 West Bell St., Avon Park. Rev. Bacon, his wife Jo, daughter Regina and son Tony, moved to Avon Park on June 20 of this year, from Lakeland, where he attended three years of school at the Florida Baptist School.

The school is part of the work of the American Baptist Association. "It is supported by our churches and efforts of the Institute, Seminary and College of Bible and Christian Leadership Training for ministers, Christian workers and laymen of all ages," stated Rev. Bacon.

Rev. Bacon further stated, "I am in the field full time as a missionary, the work being supported by our churches." He further stated, "We feel like this is where the Lord would have us to be, even though there are several other churches in the area. We want to preach the word of God and to help win the lost to the Lord Jesus Christ, the population is large. As Missionary Baptist, we believe in being old fashioned, Fundamental, Evangelical and Independent."

Mrs. Bacon is employed at Walker Memorial Hospital, and the children attend the Avon Park Middle School.

The schedule of the First Missionary Baptist Mission is: Sunday School—10 a.m.; Sunday Service—11 a.m.; Evening Service—7 p.m.; Wednesday Prayer Services in the homes—8 p.m.

FHP Crackdown On Speeders

The Avon Park Sun, Avon Park, Fla. Sept. 14, 1972-7A

The Florida Highway Patrol crackdown on speeders via radar and VASCAR landed a bigger fish than a speeder in the net Sept. 3.

The Patrol on Sept. 3, 12 miles south of Lake Placid on Route 27, stopped a car for speeding which investigation proved to be stolen.

In the car were two Miami teenagers, Ronnie Scott, 17, and a 16 year old boy. Sgt. Danny Jackman placed the driver

under arrest for having no driving license, auto theft and speeding.

The juvenile was placed in county jail charged with auto theft. Dade county authorities said the two are wanted for suspected attempted robbery in the county. The stolen car was the property of Evelyn Ramsey, of Miami.

During the radar check which netted the boys, the patrol made an additional 25 speed arrests. Sergeant Jackman said.

FOLLOWING LUNCHEON in the main lobby of the old hospital building, Walker Memorial Hospital Superintendent, John McClellan, tells Avon Park Rotary members about the scheduled completion date of the new building and demolition of the old building.

RAY LAFLAM, Billy Boyer, Brent Beumel and Jimmy Jackson (left to right) are enjoying canoeing on Lake Lotela while demonstrating to scouts, how a swamped canoe could be used to reach shore and safety. The demonstration was given at a recruiting party for Troop 157.

Rotary Report

The regular Wednesday Noon luncheon meeting of the Avon Park Rotary Club was held at Walker Memorial Hospital with John McClellan, hospital superintendent, giving a short report on the construction progress of the new hospital building.

Many questions were asked by Rotary members regarding the expected date of completion of the new building, which is about 60 per cent completed and when the old building would be torn down. According to the contractor's schedule, the old building is to be vacated of personnel and records in Feb. of 1973. The removal of fixtures, equipment is to be followed shortly thereafter by demolition of the old hotel building.

In regard to the new hospital structure, orders are now being placed for new equipment for the patient rooms. A tour through the new building was postponed until the Wednesday, Sept. 13, meeting time.

Chamber Sets Up Beautification Fund For Mall

The Avon Park Chamber of Commerce set up a Mall Beautification Fund in action taken at the Board of Directors meeting this past week. Stanley Wells, Director and Chairman of the Beautification Committee, in his report on the progress of work toward bringing color and beauty back into the Mile Long Mall, stated that money was needed to purchase rare trees and shrubs as well as material to care for these. This fund was created with the purpose that any individual wishing to contribute to this effort could do so by contacting Mr. Wells or the Chamber office.

NORMAN C. FREEL
TO SPEAK AT
COF MEETING

Norman C. Freel, Supervisor of Landscape Maintenance at Cypress Gardens, will be the feature speaker at a Clean-up Beautification meeting slated for Thursday evening, Sept. 28, held in the Florida Power Lounge at 7:30 p.m. This is sponsored by the Avon Park Chamber of Commerce and will be open to the general public.

All citizens are urged to attend the meeting which will be most interesting as well as informative. The Troop meets at 7 p.m. on Monday evenings at the Episcopal Parish House. Meetings adjourn between 8:15 and 8:30.

Future plans call for participation in the Highlands District Camporee at Camp Flaming Arrow in late October and a Peace River canoe trip later in the winter.

Davis Wins Seat On School Board

For the first time in many years, there will be a woman on the Highlands County school board.

Ruth Davis won the District 2 seat in a close contest with Valeria McElhannon, polling 2,737 votes to her opponent's 2,227. Both are from Sebring.

It was a great birthday present for Mrs. Davis, wife of the president of First Federal Savings and Loan Company president Stanley Davis. She celebrated her 48th birthday Wednesday.

However the evening before, her mother, Mrs. Sadie Kahn, invited supporters and close friends in for cake and coffee to celebrate both the victory and the birthday.

Mrs. Davis, born in Sebring, said she felt "numb" after the counting was all over - but that she was enjoying her first venture into politics.

"I was glad to know in talking to people door to door that they are not apathetic on what goes on in the schools."

Some years ago Mrs. Katherin Waggoner, an active supporter of Mrs. Davis, was a school board member.

Election Statement

By Joe D. Kinsey, Sr.

The people have spoken and I have no alibies or excuses. My loyal and loved friends who stayed with me, have my everlasting thanks and gratitude. For the other voters, I thank them for being courteous and graceful. Indeed they are good sports.

In the RUN OFF, my friends as always, will vote as THEY PLEASE, but I am going to join hands with the majority of the people who are tired of the present judge; and VOTE for MARK H. RICHARDSON in the run off election.

"The Divine Master works in strange ways", I, too, accept his decision and I am "Divinely Pleased" for my blessings.

With faith,
Joe Kinsey

Called To Rest

Ida Hill

Jerrel Estridge

Mrs. Ida (Lola) Hill of Lake Placid died Sept. 7 at Highlands General Hospital. She was born in Hillman, Tenn., July 11, 1907. She had been a resident of Highlands county since 1923. She lived in Avon Park before moving to Lake Placid in 1956. She was a member of the Church of Christ in both cities. At the time of her death, Mrs. Hill was residing temporarily at Red Beach Lake in Desoto City, due to the tragic loss of her home by fire five weeks before. Survivors include her husband, Ned W. Hill, Sr. of Lake Placid; four daughters, Mrs. Joan Massengale of Spokane, Wash.; Mrs. Mary Jo Thornton of Sebring; Mrs. Joyce Holden of Las Cruces, New Mex.; and Mrs. Jean Sowell of Lake Placid; and a son, Ned W. Hill, Jr.; three sisters, Mrs. Pauline Barwick of Orlando; Mrs. Lillian Greene of Fort Worth, Tex.; a brother, Charlie Bost of Orlando; her mother, Mrs. Mary Bost of Avon Park; and 15 grandchildren.

Funeral services for Jerrel Estridge, age 26, was held Monday, Sept. 11, at 2 p.m., in The Church of God, Avon Park, with the Rev. Alex Day of Highlands county officiating. He was laid to rest in Bougainvillea Cemetery, Avon Park.

He is survived by his wife, Joyce, and two children, Cynthia and Gloria, Avon Park; father, Howard Estridge and mother, Rosie Estridge, Wauchula; three sisters, Linda Douglas, Avon Park; Joan Shipman and Peggy Fivecats, both of Peru, Ind. Several aunts and uncles and cousins. Stephenson-Smith Funeral Home in charge of arrangements.

Postmaster Says Address Correction Project Success

Bob Young, Postmaster, reported today that the project that the Avon Park Post Office implemented to have local business firms secure correct mailing addresses on mail that they send to their customers was successful during the first month that it was in effect.

Local mail, mailed by Avon Park business firms, that did not have a correct mailing address, was returned to the firm to have it correct its records and the address. The letters were then remailed using the same postage stamp. The program will be continued in the future.

The project to correct mailing addresses was implemented at this office to cope with the growth of Avon Park and the increased mail volume. It is also one of the first steps necessary to prepare for the future when highly mechanized machinery will be installed and implemented in the mail handling program.

The entire staff of the Post Office joins with the Postmaster in thanking the local business firms for their cooperation and for the excellent job they are doing now to secure and use correct mailing addresses on their mail.

Everyone is urged to remember - use your correct

mailing address which, in many cases, is not the same as a home address.

Principal's Message

Aaron W. Cravens
It is my wish that every student in Avon Park High School will be proud of himself and his school during his stay here. By building upon this pride, each year we will have a better school and better citizens. I believe that those who contribute the most to the school and are the best informed about it will receive the most from it.

The individual student is the most important person in Avon Park High School. The entire school staff is working to help you receive the best educational experiences possible during your stay here. We want to have student suggestions in the development of an even better high school. Each right also carries responsibilities. The school provides opportunities, and the student must take advantage of them. If Avon Park High School is not, at least, a little better after you have been here, you have missed opportunities and responsibilities. We have a good school, and YOU can make it better.

TO THE MANY VOTERS OF HIGHLANDS COUNTY WHO DISPLAYED THEIR VOTE OF CONFIDENCE TO ME, I SINCERELY THANK YOU. I PLEDGE TO CONTINUE TO GIVE THE CITIZENS OF HIGHLANDS COUNTY PROGRESSIVE, EFFICIENT LAW ENFORCEMENT AND FULL TIME TO THE DUTIES OF THE OFFICE OF HIGHLANDS COUNTY SHERIFF
