Small Turn-Out Predicted In Tuesday's Run-Off

One of the most rough and tumble elections in recent years in Highlands county will head into the runoff next Tuesday with an estimated 5,000 of the county's 14,926 voters expected to go to the polls.

Elections supervisor Jimmy Whitehouse pointed out that although there are no Republican candidates in this run-off primary, Republicans and independent voters still can vote in the three non-partisan judicial races.

Democrats, in addition to judicial races, will be choosing party nominees for Congress, 10th district and county commission in three districts. All these nominees will face Republican competition in the Nov. 7 general election.

Tuesday's runoff will be the

final go-round for judicial candidates, including the bitterly contested race for county

judge. Incumbent of 16 years Mervin Rehner of Avon Park, high man in the primary, will

face Mark Richardson, Jr., of Sebring, who is expected to pick up quite a few votes from the defeated third candidate Joe D. Kinsey. Kinsey has endorsed Richardson.

Other judicial posts at stake are: supreme court, group 3, Rivers Buford, Jr., and David McCain; District Court of Appeals, second district, Edward F. Boardman and Henry Esteve. McCain and Boardman led their races by a wide margin in the first primary.

In the race for Congress, 10th district, Democrats Bruce Scott and Bill Sikes will run it off for a change at the GOP's L. A.

"Skip" Bafalis in the Nov. 7 general election. Scott and Bafalis were front-runners in the primaries.

Three county commission races are on the ballot. In District 1, Melville Bass, missed by only 129 votes of avoiding a runoff with Wendell "Winkie" Williams. The winner faces James Rimer, (R) Nov. 7.

In District 4, C. J. "Buddy" Wise, high man, will run it off with B. T. "Brad" Bowen, Jr. Their two defeated opponents, Charles Rucker and John Wirick III, have swung their support to Bowen. The winner

on Nov. 7 will face Jean Whitaker, former county commissioner, who won the

Republican primary Sept. 12 by defeating Bob Hjort. In District 2, Incumbent

Mel Bass

Wendell Williams

Robert Skipper, who was high man, will face Willard Durranse. The winner will, on

Nov. 7, meet Republican Jim Dale who has been campaigning via bicycle. This race generated considerable heat when anonymous persons attempted to call attention to past actions of the incumbent.

Elections Supervisor Whitehouse, in predicting about 5,000 voters will go to the polls Tuesday, said that "I predicted 7,500 for the first primary and 8,200 voted. I hope I'm surprised by a larger turnout."

Whitehouse said the approximately 54 percent turnout in the county for the first primary was "terrific, considering that state-wide the turnout was only 22 percent."

DEVIL QUARTERBACK Danny Lewis breaks a tackle for a nice gain against Mulberry in the game which the Devils won 7-0 last week. Lewis (11) has quarterbacked the

Avon Park eleven to two straight wins this season. Nathaniel Packer (88) is seen running to help the spunky quarterback turning the corner on the option play.

Devils Defeat Panthers Will Take On Miners Friday

A forty-nine yard scoring drive late in the first period capped off by a one yard plunge by Arnold Davis for the touchdown gave the Avon Park Red Devils a 7-0 win over the Mulberry Panthers last Friday night. It was the second straight Tri-County Conference win for Avon Park. The loss gave Mulberry a 1-1 over-all record and a 0-1 record in the newly formed conference.

The Red Devils, who have skinned by Santa Fe and Mulberry in the two season openers, will face a real conference test this Friday night when they travel to Ft. Meade to take on the tough Miners at Battle Field. The winner of this game looks at this early date to be the probable winner of the conference and perhaps the district champion. Ft. Meade is also undefeated thus far having edged by Hardee of Wauchula by a score of 13-6 and then beaten a supposedly high scoring Frostproof team 28-15 last week for the first conference win.

The Miners play a similar game to the Red Devils in that they depend on a strong defense and a strong running game for the wins. Whether Avon Park can put together an offense that can penetrate the Miner defense will be a big question mark this week. Last week the Devils played without fullback Greg Hartt and alternate quarterback Tony Williams who were both out with leg injuries. Williams and Hartt also play defense and were missed both ways. Also on the sidelines last week were Ricky Claitt, star of the Santa Fe win, and Hayward Batts, defensive lineman. Williams and Hartt are expected back this week but Claitt and Batts will miss several more games.

MULBERRY GAME
Again it was the Avon Park defense that saved the night for

the Devils as it picked off one pass interception and recovered three fumbles to keep the Panthers in the hole most of the evening. The defense also came through to hold Mulberry on four downs inside the ten yard line as the third period ended and the fourth period started. It was the only serious threat the Miners had all night except for a passing game that seemed joined for Mulberry from the beginning. When the Panther passer was on target, the Panther receivers were off the mark and when the receivers were open, the passer threw long or wide to help the Devils defense in the passing game. Keith Richards came up with a pass interception on the Avon Park eight-yard line in the second quarter. Alcus Snell, Jarvis Hartt and Nathaniel Packer all came up with fumble recoveries for the Devils.

Avon Park received the kickoff to open the game and Danny Lewis returned the kick from his own twelve to the forty-three. From there the Devils drove on the ground to the Mulberry 25-yard line before the drive was stopped on downs by the tough Panther line. A fifteen yarder against Mulberry aided the Devil drive. Mulberry held for three downs and punted out to their own forty-nine.

Bank Asks \$300 Month Increase In Lease Of Municipal Golf Course

The city council, at its regular meeting held Monday night at the city hall, heard new arguments against the city standing behind Critchfield Industries' \$185,000 mortgage.

Attorney Joe Kinsey, Jr., was on hand to question the city as to whether it had the right to enter into the mortgage. Kinsey stated he expressed the opinion that there was no consideration to the city in the mortgage, and he questioned the legality of the lease under the provisions of Article 7 of the State Constitution. He recommended the city sue to void the lease and mortgage. City Attorney Jonathan Hancock stated the matter would require a lot of careful study before he would want to say anything about the possibility of suing for the breaking of the lease and mortgage. He also reported that he and Mayor Bob Barben had been unable to arrange a meeting with Al Burnett of Critchfield due to Burnett's being out of the country for a month.

From the 49-yard line the Devils generated their only touchdown drive. Josh King picked up nine yards. Arnold Davis lost a couple and then Keith Richards bulled through for the first down on the Panther thirty-seven. King was stopped for no gain and Danny Lewis lost two yards making it third and twelve. Then on the

to a meeting of the Friends of the Library and requested them to submit to the council about 20 names of people who were qualified and willing to serve on the Library Board for staggered

terms. The council will select five from this list.

In other matters brought before the council, Max Edwards requested permission for tables and trash containers to

be placed on city property in front of his place of business, Youkon Ice Cream, on South Forest Ave. The request was denied by the council. Councilman Martin recom-

mended the city study the possibility of construction of a trash trailer to increase the hauling capacity. It was also noted that Sebring has recently passed a new ordinance requiring leaves and small branches to be placed by the curb in plastic sacks. The city clerk was asked to secure copies of this law with the view that enactment of similar legislation will be placed in Avon Park

Meeting Set On Beautification

This Thursday evening, Sept. 28 at 7:30 p.m., Norman Freel of Cypress Gardens, will be the featured speaker at the Florida Power Lounge. This meeting is sponsored by the Avon Park Chamber of Commerce and the public is invited to attend. Beautification of the Mall has been one of the top projects on the Chamber of Commerce Program of Work this year.

Mr. Freel, a noted horticulturist of national acclaim

will conduct a question and answer program pertaining to Florida plantings following his talk. Heads of civic

organizations and city officials are expected to attend and all interested citizens are urged to be present.

Two Juveniles Injured In Fight

Two black female juveniles were released to the custody of their parents after a fight that sent both of them to a doctor with injuries.

According to the report filed by the investigating officer, Police Chief Ferland Cribb, he was just leaving the Middle School, Thursday, Sept. 21 when he noticed a group of children gathering. He immediately went to the scene figuring there was either an auto accident or a child hit by a car. When he arrived on Verona and Bell the children began to run. He looked down the road where they were gathering again and went to the scene. There he found one child bending over with blood dripping from a razor slash across the forehead and two cuts on the neck. The other girl had been bitten on the forearm.

Cribb stated the two were treated by a doctor and released into the custody of their parents. In other news of the police department, juveniles were on

the loose this past two weeks. A pair was picked up by the police for three different crimes.

First, two male juveniles allegedly stole two autos from Wells Motor Company and one from Owens Ford during the Labor day weekend; the police apprehended the two and released them to their parents after referring them to the juvenile authorities.

Then on Sept. 13 thieves struck again, this time on the parking lot of the Super Dollar Store. Here they apparently broke into a parked auto and took six stereo tapes and a watch, with total value estimated at \$80. Assistant Police Chief Grady Campbell investigated the incident and on Sept. 20 the merchandise was recovered.

Finally, the same two juveniles, apparently struck again on Sept. 19 at Green's Surplus. According to police records it was reported at 8:30 p.m. that a breaking and en-

The Avon Park Chamber of Commerce passed a resolution at its regular Board of Directors meeting this past Thursday night endorsing the General Development Plan presented by the Highlands County Planning and Zoning Commission.

James A. Helm, Chamber Director and member of the Planning and Development Committee, stated that growth in Highlands County is inevitable and it will be necessary to have a constructive plan of growth in order to have healthy growth.

The Chamber of Commerce further advocated a moratorium on all subdivision processing to be declared until this plan is passed or rejected by the authorities.

had been made through the backside of the building. Sgt. Presley Selph began the investigation, with Patrolman Leroy Frevatt and Chief Cribb aiding. An estimated \$200 worth of valuables were said to be a-stray. The two boys were once again apprehended and released into the custody of their parents and are now awaiting trial before juvenile authorities. Cribb also reported an attempted breaking and entering at the Super Dollar Store but nothing was taken in this crime on Sept. 19.

ELECT A BUSINESSMAN TO THE COUNTY COMMISSION—DISTRICT 4

VOTE OCT. 3—RUN-OFF

B. T. "BRAD" BOWEN

- ★ A COLLEGE GRADUATE (a degree in agriculture)
- ★ 18 YRS. IN BUSINESS (14 in Highlands County)
- ★ COURAGE TO SPEAK OUT
- ★ ABILITY AND DESIRE TO SERVE
- ★ TIME TO DO THE JOB (I can leave my businesses in the hands of managers indefinitely)

- ★ CONSERVATIVE
- ★ SINCERE
- ★ QUALIFIED
- ★ DEMOCRAT

A BUSINESSMAN

The Highlands County Commission spends 4.4 million dollars a year of the taxpayers money... Don't You want a businessman to represent you?... a man who understands big business and small business too... a man who would apply the same successful and conservative business principles to the county's business as he does to his own... a man who would spend only what is necessary to provide the services the public needs... a man who has the ability and education to understand and comprehend what is being presented before the commission by attorneys... accountants... engineers... or representatives of bonding firms... and surveys...

B. T. "BRAD" BOWEN, JR.

.....is just such a man!

You're invited to compare qualifications of the two candidates for county commission in the Run-Off on October 3 for the Democratic Nomination in District No. 4... Brad Bowen is a highly successful businessman in the roofing contracting business in Central Florida... in the cattle business... owns a grove... and in the real estate business. These varied interests give him the background and interest to comprehend and map the future for his county...

You can vote for Brad Bowen regardless of where you live. John W. Wirick III and Charlie Rucker, losers in the first primary have endorsed Bowen—so has Bob Brooks, a mobile home dealer and loser in District 3 Commission race.

Junior High's 12 Game Winning Streak Goes On The Line Tuesday Against Green Dragons

Coach Ken Shackelford will put his 12 game winning streak on the line next Tuesday, Oct. 3, in Lake Placid when the eighth and ninth grade Avon Park football team takes to the field in the first game of the season against the Green Dragon junior high squad.

This year's team has only four boys from the ninth grade with all other members of the team coming from the eighth grade with no previous experience. So Coach Shackelford and assistant Coach Marvin Herndon have their work cut out for them trying to get the inexperienced boys ready for next Tuesday night.

The four ninth graders are tackles John Marsh and Ricky Lee, quarterback Smokey Hill and defensive linebacker Stephen Ford.

Eighth grader Tommy Lewis, brother of varsity quarterback Danny Lewis, looks like he'll get the nod for quarterbacking duties with the young squad. Offensive backs ready for action will be fullbacks John Mickunas, Melvin Britt, Joe Gallimore and possibly Dennis Hulon. Halfbacks available will be Kenny Burley, Reggie Baker, Billy Sharpe, Edward Dorsey, Mort Jackson and Dale Sismore.

Offensive linemen starters will be chosen from ends Dennis Hulon, Sam King, Melvin Collins and Milton Thomas; tackles John DuPriest, Jessie Johnson, John Marsh and Ricky Lee; guards Mike Cobb, Mark Gaines, James Anderson and Steve Roberts; and centers Louis Lee and Keith Bagwell. Smokey Hill and Terry Lansing are both working at the quarterback position along with Lewis.

Expected to see defensive action are cornerbacks Steve Arnold, Eric Longshore,

Remaster Jones and Charles Anderson; linebackers Stephen Ford and Craig Landreaux; ends Gregory Blake, Milton Thomas, John Ferguson and Freddy Moore; guards Larry Richardson and Jim Lanier and noseman Anthony Comer. Also on the squad are Billy King and Ronald Carney.

There are 46 boys out for the

junior high team with 36 of these coming from the eighth grade. The Devil junior high team will be at home on Tuesday night, Oct. 10, against Okeechobee. The rest of the schedule: Sebring, away, Oct. 17; Lake Placid, home, Oct. 24; Okeechobee, away, Oct. 31; and Sebring, home, Nov. 7.

AN OPEN LETTER

TO ALL FELLOW CITIZENS:

"VOTING SEASON" has a second ROUNDUP—October 3rd. As your chosen CANDIDATE to run for COUNTY COMMISSIONER—DISTRICT FIVE in opposition to the incumbent—representing ALL THE CITIZENS of Highlands County, I urge every ELIGIBLE CITIZEN to accept the privilege of VOTING in this COUNTY-WIDE SECOND PRIMARY.

ALL FELLOW CITIZENS are needed to promote the support of a CANDIDATE running because of HONESTY, INTEGRITY, and SOBERITY to deal with the "PROBLEMS OF PROGRESS" for the benefit of ALL THE PEOPLE.

Faith and Confidence shown by the support of your VOTE FOR ME in the First Primary - spurs me on to WIN and is greatly appreciated.

SHAME ON YOU — MARK RICHARDSON

Are you so lacking in your own qualifications that you have to stoop to gutter politics?

Shame on You - for using the name of the deity in a below the belt and futile disparagement attempt.

Shame on You - for receiving the backing of those whose only interest is personal vendetta for the punishment received for misdoings.

All you can offer is a very weak platform - Let us look at the platform in brief.

PLATFORM EXCERPTS

I will not ask for an increase in salary.

I will not employ relatives.

I will not ask a deposit in bad check cases.

Does he know the law?

It's time for a change

COMMENT

He can ask until he is blue in the face - the state sets the salary for all judges.

His ignorance of the law is appalling - the nepotism law, forbidding the hiring of relatives became effective January 1, 1972.

This affects very few people - the deposit is to insure the complainant will show up in court after the time and money of the court has been spent.

Is it a coincidence? One of the persons to benefit most from this is the candidate's largest contributor (other than himself) - can the law be adjusted to accommodate friends?

The law covering elections state that while money can be collected before filing, no money may be spent before the filing date - yet this candidate on March 4, 1972 spent \$306.80 for signs - almost four months before the proper filing date. (Taken from his own statement on file in County Clerk's Office).

For who? You worked two years for a loan company before coming here. You worked almost two years as Business Manager of the Highlands Hospital until December, 1969 when you were fired for inability to get along with supervisory personnel. You have been almost three years in your present job - maybe it is time for you to change again but not as a judge - in the eyes of 15 attorneys who voted in the poll 15 said you are not qualified and they ought to know.

AND ELECT THE ONLY QUALIFIED CANDIDATE MERVIN REHRER

Good citizens of Highlands County, if you do not vote on Oct. 3 you may elect an unqualified man to a most important position - Please don't let this happen - Pull LEVER 13C.

Track Team Grabbs 2nd Place Thursday

Coach Chet Brojek's Red Devils Cross-Country team grabbed the individual first place and the team second place in the big meet held here last Thursday evening. Haines City took first place with 29 points; the Devils came in second with 55; Kathleen was third with 69; Bartow was fourth with 99; Sebring came in fifth with 117; Ft. Meade finished sixth with 123 points and Mulberry was seventh with 170 counters.

But Avon Park's James Brown captured first place in the meet running the 2 1/2 mile course in a new school and course record time of 12:40. Brown has been running very well this fall and Coach Brojek is expecting the junior to lead the Devil squad to a very good season.

Other Devils running well were Curtis Foster who finished eighth, Reid Wall with a tenth place finish and Eugene Sneed who came in twelfth in spite of being ill with the flu. Bruce Trescott, Frank Anderson and Doug Fletcher also finished well. Good times were also turned in by Walter Newton, Ronald Hicks, Noel Braithwaite, Raleigh Turnbull and Robert Padelford. Roger Barnes turned in a good time in a practice meet along with Scott Smith and Eric Simpson.

This week (today) the Red Devils will be running in Sebring against the Blue Streaks and the Ft. Meade Miners. Coach Brojek is hoping Sneed will be able to run at full strength this week.

Last Saturday the Red Devils cross-country boys participated in the Cypress Gardens Invitational. Brown led the Devils with a finish in 27th place. Sneed missed the meet with the flu.

KENNY SMITH, 14-year-old son of Mr. and Mrs. John Smith, of Alt. 27 N. Sebring, will be the featured guest singer at the Florida Avenue Baptist Church on Thursday, Sept. 28. Kenny has cut a record, (45 rpm) with the Homecoming Records Co., and will have his records there for anyone who wishes to purchase them. Songs on the record are: "On My Way To Canaan Land", "Night Before Easter", "Put Your Hand In The Hand", and "The Lighthouse". Featured on Friday night will be the "Pac Makers Quartet" from the Church of God, Lake Placid, and on Saturday night, Beverly Mann, from the First United Methodist Church in Avon Park, will be the guest soloist.

Backing up Brown for Avon Park were Reid Wall, Curtis Foster, Bruce Trescott and Walter Newton.

Ken Wright and McArthur Rouse have joined the team and Lonnie McMillian is still practicing while waiting on his eligibility to be confirmed.

Next Thursday, Oct. 5, the Red Devils will host another meet which will start at 6:15 with Sebring, Mulberry, Palmetto and Wauchala running against the Avon Park boys. The Devil course is east of the high school on Canfield st. Come out next week and watch the start and finish of the race at the new high school. Give our Red Devils a cheering start and be there some twelve minutes later to welcome home the winner.

LET'S TELL THE TRUTH, MARK

The office of County Judge is one of respect and dignity. It deals directly with the lives of thousands of Highlands County citizens annually. We must believe and know that the County Judge is a man of the highest integrity and legal ability. We must know that he is not practicing deceit, artifice or a lie. Can we conduct an election campaign based upon lies, deceit and misrepresentations and then have the public believe that we are honest, truthful, and possessed of the legal ability they expect and deserve after we are elected?

In your advertisement concerning certain property, you forgot to tell the public that the property in question was sold by Mr. Art Becker, a very reputable realtor, on a sealed bid basis and not by the Court or Executor.

You forgot to tell the public that this transaction is a matter of record, as are all the duties of the County Judge, and they could be checked by anyone.

In another instance you infer that Mervin Rehrer has allowed excessive fees in a certain estate; you forgot to mention that all parties were well represented; that the Court heard sworn testimony of reputable probate lawyers (the testimony all being a matter of record) and that the fees actually allowed were less than that suggested by these experts. You also forgot to mention that the last time any of my decisions were appealed it was on not allowing enough as an attorney's fee. I note with interest, Mark, that you recognize the need for a lawyer in this very responsible position, and try to have the public believe that you are a lawyer. Let's not practice deceit, Mark, and misrepresent untrue statements or inferences to our good public. Tell them the truth; tell them you are not a lawyer and never have been.

The Judicial office is non-partisan. The law says it is, and the office we seek requires enforcing the law in fact and in spirit. Why, Mark, do you publicly claim benefit of the non-partisan aspect and then privately try to reap the benefit of partisan political favor?

Let's tell the truth, Mark. The citizens of Highlands County are not accustomed to misrepresentations or deceitful practices. Our lives during a campaign should be no different than in our normal, every day living and performance of such official duties as we may have. I respect your claim to being a Christian. True Christianity is something we live - not what we preach.

Let's Keep Good Judicial Government

LET'S RE-ELECT MERVIN REHRER, COUNTY JUDGE

Junior Women Plan Big Halloween Festival

Halloween is always a popular time in Avon Park with a parade, a carnival and a barbecue. This year the parade will be sponsored by the Avon Park Junior Women's Club, the carnival by the Elementary P.T.A. and there will be the famous Lions Club barbecue.

And of course the trick-or-treaters, with approximately all the city's young children running through their neighborhoods with little on their minds but the next treat.

In all the excitement, the children are not likely to be thinking of safety—so you, the motorist, will have to do the thinking for them. You should drive slowly, watch for children darting out from between parked cars, and be extremely cautious when backing out of driveways. Tap your horn occasionally on dimly-lighted streets.

League Of Women Voters Meet At Barnett Bank

The Provisional League of Women Voters of Highlands County held its opening meeting in the Board Room of the Barnett Bank on Thursday, Sept. 21.

The meeting marked the beginning of the year's program which will highlight activities relating to voter registration, support of the five amendments appearing on the Nov. ballot and other activities promoting political responsibility through informed and active participation in government.

Mrs. David Batty, vice president and environmental quality chairman, presented the program of the evening which was, "Air Pollution and the Environment". A film entitled, "The Run Around", relating to air pollution and a series of slides produced by a Pinellas

Parents are reminded to escort the smaller ones, and if your children are going as a group, give the oldest a flashlight, and dress the children in bright clothing or stick reflective tape on their costumes or trick-or-treat bags.

Remember, Saturday, Oct. 28, is Halloween night in Avon Park, so all go and enjoy the parade, carnival, barbecue, and if the children's Halloween Antics remind you that you were a kid once yourself, drive in a manner to insure that some child will grow old enough to say the same.

Any club, civic organization or business wishing to have a booth at the carnival may contact the carnival committee: Mrs. Betty Pate, 433-5196; Mrs. Barbara Cribb, 433-5385; Mrs. Carol Owens, 433-6766.

county architect, Allen Ginn, demonstrated how our Mid-Florida environment is subject to unnecessary pollution and ugliness and how this may be changed.

One of the League's early activities will be distribution of information on the five amendments to appear on the Nov. ballot. The League plans a county-wide distribution of this information under the direction of Mrs. Rex Furr, Legislative chairman.

The Oct. meeting of the League will be held on Oct. 19 and will feature a candidates' meeting at which voters may meet and discuss questions relating to their platform. This meeting will be open to the public, and time and place to be announced later.

**Smoot And Rutz
Attends WSCS
Meeting**

Mrs. Edgar Smoot and Mrs. Timothy Rutz attended a meeting of the Sarasota District of the W.S.C.S. in Wauchula, Sunday evening.

The purpose of this training was to learn about the changes in the Society. The name has been changed from Women's Society of Christian Service to United Methodist Women. There are other minor changes, but the work of the Society will go on about the same. Working for missions is the first goal, as it grew out of the old Missionary Societies of long ago.

The Society women will meet the first Tuesday of each month and the next meeting will be Oct. 3, in Wesley Hall. Mrs. Emma Bussard will be in charge of the program.

Mr. R. H. Sanborn will leave Sunday, Oct. 1 for Hershey, Pa., to attend an Antique Car meet, which is the largest in the world. Approximately 1500 antique cars in show room condition will be on display. Mr. Sanborn is going specifically to acquire necessary parts for his collection of antique cars at the Flea Market. The Market is made up of approximately 250 Antique Dealers, each with displays of antique parts covering a field of 20 acres.

Mrs Fisher To Speak At Woman's Club

The Woman's Club of Avon Park will open the fall season with a salad bar luncheon at noon on Friday, Oct. 6, at the club house on Verona ave.

Guest speaker for the occasion will be Mrs. Dale Fisher of Lake Wales.

Mrs. Fisher will present a program on Epilgon Sigma Omicron, generally referred to as ESO.

Epilgon Sigma Omicron Division of the Florida Federation of Women's Clubs is an honorary sorority for Florida clubwomen who desire to continue their education through reading. The sorority is non-social and non-secret with culture as its sole aim. It is cooperative venture in Adult Education and has represented the combined efforts of the General Federation of Women's Clubs, the Florida Federation of Women's Clubs, the Florida State Library and Florida State University. For the 1972-1974 administration, Florida State Library has become the cooperating agency.

Mrs. Fisher is a past president of the Woman's Club of Lake Wales, has been Polk county chairman for ESO and is currently serving her fourth term as District 9 chairman for ESO.

Table service and beverage will be provided by the hostesses committee, which is comprised of members of the executive board.

Avon Park Junior Women Plan Follies

The Follies Committee of the Junior Women's Club held a planning meeting at the home of Mrs. Karen Boyer, Tuesday, Sept. 19. The date has been set for the Follies; it will be presented two nights. The nights of Friday, Jan. 19 and Saturday, Jan. 20, 1973. This will be a way for the citizens of Highlands County to kick off the new year.

Thank You

I would like to thank everyone for the cards, flowers, prayers and thoughts of me while I was ill at Walker Memorial Hospital.

Amnie Collier

The Ad Chairmen, Cheryl Dunning and Myrtis Guerd, are already at work planning for the ads. They have tried to contact all business places in Highlands County. If you have not been contacted and would like to place an ad in the Follies Program, you may do so by contacting either Cheryl or Myrtis at P. O. Box 843, Avon Park. The ads are as follows: full page, \$50; one-half page, \$25; one-quarter page, \$15; one-eighth page, \$10; one-sixteenth page, \$5.

Over 100 letters were sent out and only 21 have been returned as of this date. Please won't you take an ad?

Keep your eyes open for the talent party. If you have ever had any desire to act, sing, do comedy or just help, this is your GOLDEN OPPORTUNITY.

The Committee will be looking for business men and women, school employees, and officials, City and County employees and officials; housewives or husbands, high school students and even the winter guests. If you are not included in one of the above categories, come anyway. All talent will be given a chance. Watch for the coming date on this.

Tickets are in the making and will go on sale sometime in the next month or two. Mark your calendar now for either Friday or Saturday, as tickets will state the date they are good. Patron names will appear in the program and they will also receive reserve tickets. These will be \$5.00 each.

REMEMBER TO RESERVE ONE OF THESE DATES, JAN. 19 OR 20, 1973.

Councilman Durrah Martin Asks Friends Of Library To Select Names For Committee

Friends of the Library met Thursday evening of last week in the Avon Park Library with a good attendance. President Paul Gentry called the meeting to order and Rev. H. D. Graetz offered an opening prayer. Dan Davis, secretary, read the minutes and Edgar P. Smoot, gave the treasurer's report.

Spaghetti Supper Set

The Highlands Lakes Volunteer Fire and Rescue Association will have a Spaghetti Supper on Tuesday, Oct. 3 from 5 until 8 p.m. at the Highlands Lake Junior Academy Gym.

The supper, benefit of the H.V.F.R. Association, will be \$1.50 for adults and \$.75 for children.

The Association has acquired an ambulance and received state approval on Sept. 14. The ambulance is now in operation to serve association members only.

Councilman, Durrah Martin was present to bring reports from the City Council on the future plans for the Library. There were expressions of appreciation from various ones present for the fact that the referendum was favorably accepted by the voters at the September Primary election.

Councilman Martin stated that it would be better for the Library to continue for a year in the present way of operation under the supervision of the Woman's Club until the City could complete plans for its operation. He asked The Friends to submit at least ten names of people who would be willing to serve on a permanent library board, and also The Woman's Club is to submit ten names and from this list of people, The City Council will appoint a Board of five people who will form the future Board of the Library affairs for the City. This Board is to be carried on a staggered basis

of from one to five years, according to state laws governing the operation of public libraries. The secretary was instructed to write a letter of thanks to Mrs. J. Welch Fisher and her Girl Scout Troop for their help in addressing the cards that we mailed to each voter for the election.

Other routine business was disposed of and the meeting adjourned.

NATO Intervenes

The National Association of Theatre Owners, expressing concern about the aliphoning of current movies to hotel pay TV, have intervened in a case now before the Federal Communications commission. The theatre owners lined up against a complaint and argument that that hotel pay TV should be prohibited in order to avoid adverse economic consequences to the cable industry.

Devil "B" Tie

Ft. Meade In

1st Game

A scoreless tie was all the Avon Park "B" team could come up with in its first game of the season played against the Miner jayvee squad in Fort Meade last Thursday night.

Tonight (Thursday, Sept. 28), the Devil "Bees" will be here at Memorial Field hosting the Arcadia junior varsity starting at 7:30 p.m. Coach Dewayne Lemler hopes the Red Devil junior varsity will be able to come up with some scoring plays to go with the tough defense the team showed last week in Fort Meade. The Arcadia "B" team is reported to be strong this year as always.

Avon Park outstrutted the Fort Meade team 105 yards to 9 yards on the ground last week and picked up 18 yards in the air while Fort Meade hit for 23 passing yards. However, the Devils never got closer than the Miner 14-yard line. Fort Meade had a touchdown called back on the last play of the game as an ineligible receiver downfield cancelled out a questionable TD. The pass receiver had been knocked out of bounds right at the goal line flag with Avon Park defenders claiming he was out of bounds before he crossed the goal and Fort Meade players screaming he went in for the score. The official on the spot ruled the TD good but another official caught the illegal Miner downfield and the score was nullified leaving the score 0-0 as time had run out.

Freshman halfback Timmy Massey was the workhorse for the Avon Park offense as he ground out 70 yards in 15 carries for a 4.7 yard average. Mickey Claitt, alternating at halfback and quarterback, picked up 31 yards in thirteen totes and Lawrence McRae gained 20 yards in seven carries. Mark Howard only carried two times picking up a total of 4 yards. Quarterback Jerry Robinson lost yardage four times attempting to pass or having to take the loss rather than lose the ball.

Offense linemen starting for Avon Park against the Miners were Tommy Wester and James Ross at ends, Mike Poole and Jimmy Lamb at tackles, Mark Lewis and Ricky Runner at guards and Jamie Tomlinson at center.

The Red Devil defense held the Miners to a net 9 yards of rushing. In the first half the Miners were held in their own territory and only moved into Devil land on two fumble recoveries in the second half. In the third period the Fort Meade team got the ball on the Avon Park 20-yard line on a fumble recovery and were held short of a first down at the fourteen by the Devil defense. Then in the final period the Miners again recovered a fumble deep in Avon Park territory - on the 26-yard line. The Devils tossed them for a loss back to the thirty-eight but a fifteen yard penalty gave the Miners one more play from the Avon Park 23-yard line. The Miner penalty on the apparent TD pass play closed out the game with the Devil defense preventing the loss.

Avon Park lost three fumbles but intercepted three Miner passes to even out the turnovers at three each for the two young teams. The Devils drew 50 yards in penalties while the Miners were penalized 65 yards. Avon Park had 10 first downs to Fort Meade's six first downs.

Stewardship Banquet Held At

First Baptist Church Sept. 21

The annual stewardship banquet was held at First Baptist Church in the social hall on Thursday evening, Sept. 21. The theme for the evening was "Baptists' Magic Kingdom, Adventures in Stewardship", and all the events of the evening were patterned after Disney's Magic Kingdom.

As the guests entered the social hall, they were greeted by Mickey and Minnie Mouse and given admission ticket books to several attractions.

The entire north side of the hall was decorated with Cinderella's Castle, Snow White and the Seven Dwarfs, Prince Charming and Tinker Bell, all highlighted with bright colors and black lighting, set in greenery.

Harold C. (Bud) Worden was toast-giver and master of ceremonies. Robert M. Gay gave the invocation before a delicious roast beef dinner was served by members of the Acteens.

This same group also sang a Hungarian folk song, "My God and I". The Church Pastor, the Rev. Aden D. Childress spoke on "Avon Park, The Beautiful" and introduced the inspirational speaker, the Rev. Charles Mack Hutson, pastor of the Lake Placid Baptist Church. The gates were closed to the one hundred eighty eight guests for this visit to Baptists' Magic Kingdom by E. Ray Wells leading the closing prayer.

Mrs. Ophelia Rihner was general chairman and serving with her as chairmen of various committees were: Sybil Jaton, program; Jane Wells, decorations; Lora McFarland, tables; Clarice Delaney, food; Carl McWilliams, reservations; and Mary Lucile Worden children's activities.

Youth Revival Tonight

The Rev. Clay Jennings, pastor of the Florida Avenue Baptist Church in Avon Park, announces that a special youth-led revival is to be held this week. The service will begin Thursday night, Sept. 28, at 7:30 p.m. and will continue through Sunday night, Oct. 1.

A special youth revival team from Stetson University will officiate. The team consists of Bernie Davis, preacher, Tom Owen, music director, and Eddie Smith in charge of fellowship. There will also be special music each night.

Homecoming Set

At Fellowship

Baptist Church

This Sunday Oct. 1, you are invited to an Old Fashion Homecoming at Fellowship Baptist Church. This is an annual event at Fellowship Baptist, a day set aside to that present and past members as well as friends of the Church may rejoice together at the goodness of God.

This Sunday the Gospelair Quartet of Lithia will be singing at the 11 a.m. worship service, during the Children's Worship service at 9:45 the Gospel Crusaders, a youth group, will sing. The morning message will be: THE WALLS OF JERICHO.

At 12 noon the Choir from Avon Park Correctional Institution, The Gospel Travelers and the Harmonizers will sing as preparation for lunch is being made. At 12:30 there will be an old fashion dinner on the grounds with each family bringing a covered dish and spreading together.

An afternoon sing featuring the Gospelair Quartet and having participation by the Gospel Crusaders, the Youth Choir of Athens Baptist Church,

The Choir from A.P.C.I., The Gospel Travelers, The Harmonizers and others will begin at 2 p.m. R. L. O'Quinn as pastor of the church, in behalf of the church, invites everyone to come and enjoy the fellowship of Christian people, the richness of the singing, the pleasure of a good meal but most important the presence of the Lord.

Fellowship Baptist Church is located at 1000 W. Thomas St. just north of the baseball field. Services begin at 9:45 this and every Sunday.

Free Bible-Reading Plan Offered

Bible In The Hand is an exciting, personal Bible reading program now being offered entirely without cost to the people of Florida.

Sponsored by the Florida Conference of the Seventh-day Adventists, this program is strictly nondenominational and is being offered for the sole purpose of encouraging more people to read and understand the Bible without regard to specific religious or beliefs.

This remarkable plan is designed to offer a completely new and simple concept of reading the Bible for personal or family participation. A beautiful white-bound, Red Letter Edition of the King James version of the Bible will be presented without charge to any person over 14 years of age, who wishes to participate in this program.

In addition to a complete Bible, (with every word Jesus spoke printed in red), this edition also

contains a Concordance, and an entire list of special helps on Biblical geography, plants, weights and measures and many

more subjects necessary to a clear understanding of the meaning of what is read.

GAIN IN SALES
The first new month of the fiscal year - July - continued to show steady growth in sales tax collections in Highlands county. Collections for the month were \$198,308.31 compared to \$186,756.73 for July, 1971, a 19.64 percent gain. Collections are the barometer of goods sold in the county.

Hot days and some heavy rains make gardening rather difficult in September. The chores should become easier with cooler weather approaching. If you have a clear conscience, then you finished the fall clean-up schedule and are ready to begin the start of another Florida Gardening Year.

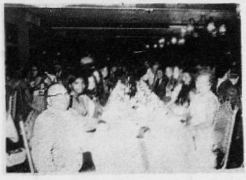

An important part of the fall planting season is trees. Trees not only flatter the appearance of your home and create shade, they do much more—reduce glare, deaden noise, lessen wind, and even filter your air. A different climate can be created through the careful planning of tree plantings.

Begin planting evergreens now, but delay planting deciduous trees until the winter dormancy. There are many fine evergreens to be found in containers at our local nurseries. Consider density of shade, cleanliness, height, width, roots, and color contrast. Many foundations and walks have been ruined by careless selection of trees. Ask about the root structure when considering any tree that will be planted in an area where damage may occur.

SWEET PEAS: If you begin now, you may be able to have some sweet peas ready for Christmas. I am going to try some sweet peas here at the Nursery, but can give no advance promises. Prepare a trench (18 to 18 inches) and add some steer manure to enrich the soil. You can also add an all-purpose fertilizer to the top six inches of soil. Pre-soak the seeds for an hour and plant them 1 to 2 inches apart. Cover the seeds with some sand, and firm them down. Be careful that they do not dry out. These are a cool-weather flower, so shade them from hot sun.

AZALEAS: Start a feeding schedule for your azaleas. They should be fed with a 0-10-10 or 2-12-12 fertilizer for their blooming season. If a high-nitrogen fertilizer is used, it will produce foliage, not flowers. The purpose of a regular feeding is to insure the best of

The name **MERVIN REHRER** in connection with Juvenile Court is one of national recognition because of the programs he has inaugurated and carried out for the Youth of Highlands County.

When Mervin Rehner became County and Juvenile Court Judge in 1957, the delinquent youth of Highlands County were detained in the County Jail with adult prisoners. Judge Rehner couldn't bear to see this, so in the absence of any other detention facility, he took many of the children to his home - some for as long as 3 months - and often as many as 3 children.

Many of the good people of Highlands County shared this concern with Judge Rehner and when he conceived the Youth Care, Inc., plan, hundreds of concerned citizens joined him in making this detention home dream a reality.

One young lady was heard to say: "Judge Rehner has done so much for the young people of Highlands County that we want to do something for him."

Work and concern is not without its rewards. When Judge Rehner was confronted with a re-election campaign this summer, some 20 young people, mostly high school and college youths, came to him to offer their services in the campaign.

The picture above was taken at the Holiday Inn, Lake Placid, when Judge and Mrs. Rehner and their daughter, Laurie, hosted some of these young friends from Avon Park, Sebring and Lake Placid, at the Johnny Puleo Harmonica Gang show.

Mervin Rehner has given service way beyond the call of duty, not only to the Youth of Highlands County, but to the County as a whole. Pd. Pol. Adv.

Daniel J. O'Keefe

Dear Friends,

Highlands County is a wonderful place in which to live. Hopefully, not too many voters will be persuaded by the questionable tactics of intemperate men in the race for County Judge. Unfortunately, Florida does not require that candidates for County Judge from smaller counties have the formal legal training that is required in our larger counties. It is possible, then, that a man totally ignorant of the judicial process will have the power to rule on matters of vital concern to you. It is a frightening possibility.

However, we HAVE an eminently qualified judge in **MERVIN REHRER**. In addition to his many years of impartial and honorable service to us, he has demonstrated a remarkable restraint in keeping his high office being used against him. Win or lose, Judge Rehner will stand tall for this.

Let's get out and vote for this honorable man!

ROTARY PROGRAM chairman, Charles Collins, presents a certificate of appreciation to Dr. William A. Stallard following his talk about the growth of South Florida Junior College.

Rotary Report

by Aaron Cravens

Program chairman, Charles Collins, introduced Dr. "Bill" Stallard, our often absent fellow Rotarian and part time resident of Tallahassee. Bill, in his usual light vein but very serious intent, launched into an informative discussion of education from the Junior College viewpoint. He traced the growth of the College from its organization in 1965 with an enrollment of 300 to the present time. He stated that the school year of 1971-72 had an enrollment figure of 1300 but that the present enrollment is down about ten percent.

He listed the easing of the draft on young men, work conditions, and general attitude towards higher education influenced by the news media as some reasons for this decrease. He stated that the decrease is not only in Florida but nationwide.

Bill reviewed the trends of under and over supply of teachers, a proof of overselling specialized education. We are now in over-supply. The decline in birthrate may further contribute to this.

He noted that registration in the vocational fields is up and that if the College had more facilities that it would have been up still more—especially in Auto mechanics. He has no desire to go overboard in either direction, preferring as he said to keep the supply balanced rather than over for a while than under. He called attention to the fact that all taxpayers suffer by contributing to the over supply and then supporting the unemployment.

Apparently we will have to forgive Bill for his absences because his trips to the Capitol have paid off in capital for the College. He told us that the Cabinet has approved funds for buildings that will house Home Economics and Nursing, Industrial Arts, and Air Conditioning and Refrigeration. The present Vocational buildings will then be used for the teaching of Building Trades such as Industrial Electricity and Masonry.

More good news is that SFJC is now debt free.

Auto Accident Friday

Florida Highway Patrolman Frank Williams investigated an accident Friday, Sept. 22 at the intersection of S.R. 17 A and U.S. 27.

According to the report filed by Williams, Louise Samuel of Sebring operating a 1963 Ford came to the yield sign and

started to enter directly into the traffic lane northbound. She apparently noticed northbound traffic and applied her brakes, and a 1970 Chevrolet, driven by D. W. Stephens of Avon Park, struck the rear end of the Samuel car.

Samuel's mother a passenger in her car, was taken to Walker Memorial Hospital, and Stephens was taken to her personal doctor.

Williams filed no charges against either driver.

Social Security Checks Will Be Up 20%

In the October Social Security checks due Oct. 3 there will be a 20 per cent increase in the amount received.

What does this increase mean to the 443 aged, blind and disabled in Highlands county who receive public assistance? Mrs. Sadie Salley, adult casework supervisor for the Division of Family Services in Highlands county, pointed out this is not a windfall for everyone, and it actually

penalizes some, despite the state's easing its standards.

"Ordinarily this increase in Social Security would have resulted in many of the individuals having too much income to be eligible for public assistance," said Mrs. Salley. "However, to prevent this the public assistance basic living standards were increased by the state. The difference between a 65 year old individual's income and these basic stand-

ards determines the amount of the public assistance grant, providing there are no excess resources. The basic living standard for one person over 65, living alone, is \$132, including purchased shelter."

"Some of these changes were due to the wide variation in the amount of present Social Security payments which made a difference in the actual amount of the 20 per cent increase," she concluded.

Know Your Hospital

by John McCellan
Administrator
Walker Memorial Hospital

"You've come a long way baby - From Adam's Rib to Women's Lib."

Women's Lib has been in the news often in recent months, however it is certainly nothing new to the hospital industry, for example at Walker Memorial Hospital 85 percent of all employees are women, and this is more or less typical of hospitals across the country.

Women have manned hospitals since they first opened their doors, being a service oriented institution. The hospital primary criterion for employment, is ability to do the job, not one's sex.

Perhaps for this reason, and perhaps simply because caring for the sick has traditionally been in the woman's role, the hospital offers many job opportunities for women of all ages, backgrounds and interest.

In some areas of the hospital the women even have the edge over men, the most obvious of these being nursing. Nursing is popular, because it offers responsibility, diversity, good salary, and benefits, and with the nation-wide shortage of nurses almost guaranteed employment. Depending upon the training, a woman can either be a Registered Nurse, Licensed Practical Nurse, or a Nurse Assistant, however the nursing staff comprises only about one-half the total employees in the hospital.

For the woman, who isn't interested in nursing, the hospital also offers a variety of other opportunities, which may be overlooked by job hunters. Hospitalized patients, eat three meals a day, and many women are employed in all phases of planning, cooking, and serving these meals.

The area of physical, occupational and recreational therapy offer unique rewards. Therapy gives the chance to work on a one to one basis with people disabled in a variety of

ways, and to play a significant role in their recovery.

Some other job sources in hospitals are laboratory, x-ray, and medical record departments. These areas require technicians with varying levels of training, thereby opening positions for the woman who is a recent high school graduate, as well as the one with a post college degree.

Professional jobs in non-medical areas are also numerous, such as social workers, and public relations individuals, etc.

For non-professional women, hospitals offer equal employment opportunities in addition to the satisfaction of helping people. Patients must recuperate in clean rooms on clean linens, and the housekeeping and laundry services of the hospital are always active, an essential part of the operation.

Clerical work also offers many jobs essential to the hospital. Admitting receptionist, ward clerks, secretaries, file clerks, insurance, secretaries, telephone operators, clerk typist, and many others keep the administrative wheel turning while patients get well.

Many hospitals jobs continue through three shifts seven days a week, some women may prefer to work at night, while others may choose to work while their children are in school.

Part time work is available at most hospitals.

Women, who find that they have some free time may wish to consider hospital volunteer work.

Today more and more men are demanding equal rights with women in the field such as nursing, therapy, and social work. There is certainly more than enough room for both male and female in every area of hospital employment. Health manpower, and womanpower is at a great premium.

WE STARTED LOOKING AT MICHAEL AS A MAN 2 YEARS BEFORE HE WAS BORN.

It was back in 1966. That's when we started planning our new nuclear plant up at Crystal River. We knew Michael was coming. And more like him. More Michaels and Gregorys and Susans than Florida's ever seen.

In fact we're growing so fast in this part of the world that by 1980, we'll be needing twice the electric power we need today.

That's why Crystal River, and other plants to follow, are so important.

And why we just can't afford the delays and red tape, the unduly long time required for approvals, that we've experienced in the development of Crystal River.

Because when Michael, the boy, becomes Mike, the man, his family and thousands of others will be needing us.

C. J. "BUDDY" WISE

THE PEOPLE'S CANDIDATE FOR
COUNTY COMMISSIONER - DISTRICT 4

As the campaign draws to a close, I want to review my stand on county government so that you may, with a clear mind and unbiased heart, make your decision at the polls on October 3.

I BELIEVE

1. I believe we must measure the worth of every dollar spent for the good of the entire county.
2. I believe in "beautification", but not at the expense of our necessities.
3. I believe in good sound and sensible planning and zoning.
4. I believe in holding the line on property taxes.
5. I believe the public must be informed.
6. I believe in the youth of our county because I have four teenage boys.

THEREFORE

1. Therefore, I will be against wasteful spending of tax dollars on programs that do not benefit the entire county.
2. Therefore, I will work for road maintenance and for cleaning drainage ditches in outlying areas.
3. Therefore, I will work for a zoning law that serves all the people without discrimination.
4. Therefore, I intend to work for more efficient use of the present tax dollar.
5. Therefore, I will insist that the people be allowed to vote on any major issues so that the wishes of the people are carried out and not just those of any special interest group.
6. Therefore, I will work for a county-side youth program.

I, C. J. "BUDDY" WISE, SERVE NO SPECIAL INTEREST GROUPS AND HAVE NO POLITICAL DEBTS TO SETTLE AFTER I AM ELECTED.

Be Sure to go to the Polls on October 3 and Vote to Elect

AT THE NEW CAR showing at I. H. Ford Motor Co., 309 W. Main st., Sept. 22, refreshments were served and there was a drawing for door prizes. Hubert Albritton, second from left, won first prize, which was a folding picnic table with benches attached. Mrs. Helen Kull, second from left, won the second prize, a beautiful Oster buffet-cooker-server. Third prize was a tool kit won by Mrs. C. H. Fensterman, left. Mr. J. C. Copeland, right, Sales Manager of I. H. Ford Motor Co., is shown presenting the prizes to the winners, who said this was the first time they had won any prize. - Photo by Sharpe

Post Office Now Dispatching Mail 3 Times A Day

Last month Avon Park began receiving and dispatching mail three times a day as part of phase one of Area Mail Processing.

The morning mail is now being received in Avon Park at 7 a.m. instead of 6:45 a.m. As a result of this time change - City and rural carriers are now leaving for their routes 15 minutes later in the morning. Mail for P. O. Boxes is being placed in the boxes a little later - at the present time all first-class and daily newspapers are usually in the boxes by 9:15 a.m.

Avon Park now is dispatching mail three times a day - instead of two. Mail should be in the Avon Park Post Office at the following times to make the next dispatch:

1:15 p.m., 3:45 p.m., 5:45 p.m.
Area mail processing is now in effect throughout the Lakeland Sectional Center Area. However, at the present time mail is still being postmarked "Avon Park" but in the near future all mail, except local mail, will be postmarked in Lakeland. The postmark will read "U.S. Postal Service 338".

The Postal Service is now installing high-speed equipment in the Sectional Centers to process the mail. This high-speed equipment depends on the use of correct addresses and the use of ZIP Code.

The volume of mail the Postal Service handles has grown from 49 billion pieces in 1962 to 89 billion pieces in 1972. With so much more mail to handle faster methods were needed just to keep the mail moving.

With a machine called the L5M, Postal Workers route letters by punching keys. They can sort over 30,000 letters an hour. The mail is being moved faster but the use of ZIP Code is necessary.

Wendell "Winkie" Williams

for
County
Commissioner
District 1

We should stick to the issues and elect the candidate who will do the most for the taxpayers.

He Believes:

1. In community development with proper, sensible zoning and building inspection laws.
2. A commissioner should maintain an office in Avon Park, open to the public for answers to their problems as well as suggestions and advice concerning new ones.
3. We should conserve our natural resources as much as possible.
4. We should improve and maintain County roads.
5. Help those who really need help.
6. Regardless of who wins, work together for the good of Highlands County.

I thank you for your consideration and support in the September primary and ask that you continue to support me in the October 3rd runoff.....Thank you,

Wendell "Winkie" Williams

Patrol Continue Crackdown On Speeders

The Florida Highway Patrol's crackdown on speeders is continuing and, according to Sgt. Danny Jackman, has cut down drastically on accidents in Highlands county.

Again last week, County Judge's court had a tremendous number of cases to handle - 130 - with 145 of them unlawful speed cases.

Most of the speeders were from out of county and most of them estrated their \$30 cash bonds.

There was one case of driving while intoxicated which involved a Sebring person. Mrs. Edith Sims Segars pleaded guilty to DWI, was fined \$200 or 60 days and had her license revoked for 90 days.

Other fines and forfeitures involving Highlands county persons at the Sept. 19 session of court were:

Jerry Lee Woodcock, Avon Park, unlawful speed, \$30; no valid drivers license, \$26, forfeited.

Theresa Claire Hendrie, Venus, unlawful speed, \$30, forfeited.

Richard Martin Pickover, Lake Placid, unlawful speed, \$30, forfeited.

Joseph A. Dionne, Lake Placid, improper backing, \$36, forfeited.

Dove Season Opens Next

Saturday

The Fall hunting season opens Saturday of next week with five public dove fields in South Florida, including Avon Park, ready to open.

The fields, operated by the Game and Fresh Water Fish Commission also include Croom at Brooksville; two O. J. Harvey fields near New Port Richey and Cecil Webb near Punta Gorda.

As usual this year, hunters will be advised on Fridays which, if any, fields are "hot" and worth the effort according to regional manager Major J. O. Brown.

In other words, if the doves are there, shooting will be scheduled, if not, forget it.

Hunters must check in and out of the fields at the check stations, and any vehicle may be searched for illegal game. No intoxicants will be allowed, all guns will be unloaded after legal hunting hours and littering will not be tolerated. The checking stations will be open from 11:30 a.m. to one-half hour after sunset during the days of activity.

Farm Bureau Membership Meeting Set

The annual membership meeting for the Highlands County Farm Bureau is scheduled for 7 p.m. Thursday, Oct. 5, according to Billy Cannon, president of the county's largest agricultural organization.

Doyle E. Conner, commissioner of agriculture, will be the main speaker according to Cannon.

Cannon said that more than 400 are expected to attend the annual affair and he issued an invitation for all members of the county organization to attend the meeting to be held at Camp Cloverleaf, Lake Placid.

With 601 members, the Highlands County Farm Bureau is one of the 64 counties which makes up the 50,000 family member Florida Farm Bureau Federation.

Cannon said, besides the speaker, a business meeting will be held along with discussion of policies to be submitted by the delegates to the annual Florida Farm Bureau Federation convention in November.

"As a grass roots organization, we want as many of our members as possible to become involved and to participate in this annual meeting so that we may develop policies designed to bring about legislation favorable to farmers," Cannon said.

Crews Appointed To Committee

Avon Park City Clerk Malcolm K. Crews has been appointed to the Committee on Community Affairs of the Florida League of Cities, Inc. The committee which is chaired by Dunedin Commissioner Vivien S. Rogers will meet during the 48th Annual Convention of the League at the Americana Hotel in Bal Harbour, Oct. 29-31.

Avon Mobile Home News

By Sallie Wright

We are happy to see our winter residents gradually returning to the park. John and Pearl Evans arrived safe and sound from West Va. They enjoyed the company of their son, Bob, as far as Chapel Hill, N.C., where he will be attending the University of North Carolina to work on his Master's Degree.

Ralph and Mabel Crocker arrived from Connecticut, Ohio, and are looking chipper. They didn't waste any time getting to the shuffle courts and it is good to see them there.

Mrs. LaRue Longanecker is back after a visit with her daughter, Mrs. Melvin Newman in Ind., who also drove her mother back and will be here for a few weeks. They visited Disney World Saturday, and then went on to Ocoee, Fla., to visit LaRue's son and family.

Ruth and Lawrence Robinson also returned last week and Ruth will be taking over this column in the next issue. They visited Stone Mountain in Atlanta, where they rode the ski lift and also saw the "Grand Old Opera" in Nashville, Tenn. Reports were favorable from Larry's eye report at Gainesville. They are so happy to be back home and want to thank all their friends for the get-well cards, letters, prayers and thoughtfulness during Larry's illness.

Mrs. Rosa Bennington is feeling much better these days since her stay in the hospital. Her niece and nephew, Mr. and Mrs. Harry Musser, from Roanoke, Va., are visiting her at this time.

Mr. and Mrs. Don Easley of

Lakeland were guests Friday at the home of Mr. and Mrs. Bob Duthie.

"HAPPY BIRTHDAY" to Ella Roenneburg, Sept. 23, and John Skuce on Sept. 25. John celebrated with a little party, given by his daughter and son-in-law, Mr. and Mrs. Furbish, and Charles Buckley and Mrs. Mae Dupuis.

We have had inquiries about Rosa and Basil Krontz. Word comes in that they are fine and in good health.

You have heard the saws

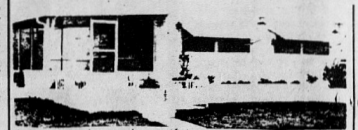

buzzing and hammers pounding this past week. That was Lew Becker with the hammer and saw adding a few shelves and what-nots in the kitchen of the rec hall. At the paint brush was John Wolf, and as you know, the paint is mostly green. Then, if you looked again, you would see Charles Buckley as Gardner-of-the-Year. They are all doing a tremendous job of helping our park look more beautiful every day. You will notice a great addition to the kitchen also - a large copper-tone refrigerator.

MISS FLORIDA TEENAGER

Young ladies of the Highlands county area are invited to enter the Miss Florida Teen-ager Pageant to be held at the Jacksonville Hilton Hotel, Jacksonville, Jan. 19, 20 and 21. The Miss Florida Teen-ager Pageant is the official state preliminary to the Miss National Teen-ager pageant to be held in Atlanta, Ga., Sept. 1. The reigning Miss Florida Teen-ager is Von Nell Wilkes of Lake City. There is no swim suit or talent competition.

Miss Joy Dance

Outstanding Young Woman Of America

Miss Joy Dance, youngest daughter of Rev. and Mrs. C. F. Dance of Avon Park, has been selected as one of the outstanding Young Women of America for 1972. Her name will appear in the annual biographical compilation. She, among others, is being considered for further state and national awards.

Miss Dance has received her recognition in the field of education. She is a graduate of Florida State University. She has taken her graduate work at the University of South Florida in Tampa and Georgia State University in Atlanta.

Miss Dance was for four years a teacher in Northeast High School, St. Petersburg, Florida, before being given a call to her present position as Dean of Women and faculty member of Women and faculty member of Atlanta Christian College in East Point, Georgia.

TIMES DO CHANGE: A minister of the Elizabethan period preached lengthy sermons against use of forks for eating, declaring them to be an insult to God—as he had given man fingers for that purpose.

Rummage Sale Slated By Church Women

by Elizabeth Clarke
Phone 3-6733

A three-day rummage sale, sponsored by the Episcopal Church Women of Avon Park will be held in the Parish House of the Church of the Redeemer, corner of N. Verona and E. Pleasant Streets, from Oct. 5 to Oct. 7.

The sale will start on Thursday, Oct. 5 at noon and continue until 5 p.m.; Friday, 8:30 a.m. until 5 p.m.; and Saturday, 8:30 a.m. until noon.

Winter Guest Club News

In shuffling on Wednesday evening the winners were: Clay Kull and Elizabeth Clarke, with Martha McBeth and Lillian Seeger coming in second. Consolation winners were: Judy Kerr and Howard Long over Bob McBeth and Jess Wilcox. Seven courts were in play.

On Saturday evening with nine courts in play, Mabel Crocker and John Wolfe won with Clay Kull and Elizabeth Clarke coming in second. Sarah Kerr and Geraldine Long won in consolation over Frieda Steen and Burdette Howard. Nine courts were in play. The evening was beautiful, and even sweaters were worn towards the last.

There were three and four tables in play in pinocle on Monday and Friday afternoons. Scores were as follows: C. A. Lawrence 822, William Benson 690, Sarah Kerr 805 and Sadie Benson 633.

Oliver Kerwin and Lillian Hayes left Saturday for a few days in New York City to shop and do some theatre going. They will meet Connie Kehoe later in the week, and drive back to Avon Park with her. Connie has taken one of the

Norris Apartments for the winter. Allene Howard flew to Jamestown, N.Y., to be with her daughter, Mrs. Marilyn Finemore and her sister Mrs. Neva Carlson, who will both be having surgery in the Cleveland Clinic, in Cleveland, Ohio.

Recently returned from their vacations in the north were: the Ralph Crockers of Cornett, Ohio, the Henry Barnetts of East Chicago, Ill. Both report the weather had been most uncomfortable all summer.

Also seen at the Club was Duke Christensen, who, with his wife, Aileen have returned from Moran, Mich. Maurice and Lillian Brevoort have also returned to Avon from their sojourn in Wake Forest, N. C.

Mayne Cornue is home from the hospital and doing quite well now.

We at the Club, extend to Helen Dickinson our sympathy for the death of her husband, Dick, who had been ill such a long time.

Gallen Victory Forecast In Florida Senate Race

TALLAHASSEE—Senate Candidate Tom Gallen's smashing victory in last Tuesday's Democratic Primary has political forecasters predicting he will continue his string of undefeated elections come November.

Gallen, who has been the State Representative from Manatee and Hardee Counties for the past six years, won all six of the counties in the newly formed 24th District of the Florida Senate. His opponent, an aspiring, well-financed and politically astute campaign, had Gallen still out-poll him by almost a two-to-one ratio.

As a Democrat with well-established credentials as a conservative, Gallen should not suffer from the predicted Nixon victory over George McGovern in the General Election. Gallen is anything but a "McGovern Democrat" and he is taking a strong position both publicly and privately against the McGovern philosophy.

One of the best indicators of Gallen's chances in November, the political analysts say, is Gallen's impressive ballot in Hardee County, where he took an amazing 72 per cent of the vote. Gallen is not a resident of Hardee, but has represented them in the Legislature for six years, and Hardee County residents apparently feel he has done a good job for them.

Their reasoning is that Hardee is identical to the other counties in the 24th District—rural, agricultural and conservative—and that the other counties in the district will not fail to read the message in Hardee's overwhelming support of Gallen.

Gallen regularly carries Manatee County by a 60-40 ratio or better in General Elections, and there is a growing list of Manatee County Republicans who are endorsing Gallen for the general election. Gallen will face Republican opposition from Lake Placid in November. Manatee Republicans are familiar with Gallen's record and with his vote-getting abilities, and declined to field a candidate of their own to oppose him.

Finally, Gallen's six-year record of experience in the House and his strong support by agricultural interests should give him all the edge he will need to overwhelm his opponent in the General Election.

Telethon Will Benefit Local Red Cross

The American Red Cross fund drive will be climaxed Sept. 30 with an all day telethon which will continue late into the evening and end with a square dance in Lorido.

Mrs. William Dunn, chairman of the fund drive committee and Chairman Archie Wolfe of Highlands county chapter ARC, said the telethon will be sponsored by WAPR and WSEB and begins at 7 a.m.

The fund goal is set at \$15,000 Wolfe said. He pointed out Red Cross has served this county continuously for 35 years. It is estimated 350 persons annually have received individual help under the service to military families alone. Among other services are water safety and first aid classes.

"Every man, woman and child a Red Cross supporter," is the slogan of the drive, according to Guy Adams, fund committee member. "If every one of the residents of the county will give at least 50 cents our goal will be reached."

The telethon in the Sebring Middle School gymnasium will operate from 7 a.m. until such time as all the prizes donated by county merchants have been given away.

Mrs. Dunn said there will be two barbecues during the day, one in Lorido from noon until 4 p.m., the other at the Army on Route 27 south of Avon Park from 4 to 7:30 p.m.

The square dance, beginning at 7:30 p.m., winds up the day's activities.

Highlands county has been without a paid worker in the Red Cross office since Mrs. Florence Peach resigned some months ago. Volunteers have been attempting to keep the office partially open.

YOU ARE URGED TO READ IN FULL That 9 p. m. inspection of a marl pit

Taken from The Sebring News, April 13, 1972 - 2A

Under an improbable agenda item that read "Marl pit inspection" policy recommendation, the County commissioners Apr. 11 disposed of one of the most embarrassing situations it has faced this session.

The topic appeared on the agenda as a direct consequence of a complaint registered at the Apr. 4 meeting by Daryl Williams who leases about six acres of his land on SR-66 to the county for marl digging purposes.

Last week Williams claimed that Robert Skipper, Commissioner for District 5, entered his property at 9 p.m. one night with two women, failed to notify him of his presence, was under the influence of alcohol and used abusive language when questioned about the purpose for his visit.

The county attorneys informed the commissioners that the

lease agreement between Williams and the county was made on questions of access rights and hours of reasonable entry.

To preclude a recurrence of such visits which might be viewed by the lessor as being unreasonable, Commissioner Chairman Andrew Jackson asked the county engineer to prepare a policy statement, covering visitation conditions to guide county officials if they were ever called upon to inspect a leased marl pit. Such a policy statement was presented for commission approval on Apr. 11.

Although Commissioner Skipper refused in the open meeting to respond to Williams' charges, he later told the NWS that Williams met him on a road leading to the marl pit as he entered Williams' property, that it was Williams who used

abusive language and was reminded that there were ladies present, that one of the two ladies in his car was his wife, and that he was not drunk as he claimed Williams had intimated.

Skipper stated that he had a duty to inspect the marl pit and had gone to Williams' place the night in question because a visit to nearby friends had placed him in the vicinity and had

made the trip to the pit convenient.

After the policy statement was read to the Commissioners by its author, Gordon Hays, Commissioner Skipper apologized for any inconvenience he might have caused anyone as a result of the incident and offered the motion to accept the recommended policy which was seconded and passed by the Commissioners.

Cost for Commissioners' Inspections of Roads Declines

Taken from The Sebring News, July 15, 1971

Under the law, a county commissioner can keep track of his mileage for three months, then ask for a resolution setting that amount. From then on he will draw one-third of that three month total each month without having to keep records of travel.

Commissioner Chairman Cecil Skipper of Avon Park on May 21, 1968, filed his resolution, which sets his monthly fee at \$160. This figures out at 28 miles per day seven days a week.

Using the same yardstick, Commissioner Ben McGee, whose resolution was filed May 15, 1968, and whose monthly travel mileage is \$110, has an average day's travel of 26.4 miles. Robert Skipper, whose resolution was filed May 6, 1969 for \$105, averages out to \$45.70 miles per day, less than \$10.70 in vouchers for three months.

figures out to \$6.57 per month or 2.6 miles of inspections per day.

Cecil Skipper pointed out that not only roads but drainage ditches and related items are inspected. Travel to and from commission meetings is not included in this mileage.

Asked if he is still traveling at about the rate stated in the resolution, he said "Yes, basically." He said he has no plans to change his requested amount.

Robert Skipper, who works at Disney World five days a week and has for three months, said he intends to continue drawing the same amount "for a short time." He said he arrives home at 4:30 p.m. and lots of times he stops in the North end of the county and "travels over it." He said he makes road inspections Saturday, Sunday and holidays. "When I'm off I always make

road inspections—but I imagine it would run less mileage than that right now," referring to the \$105 he draws monthly for inspections.

Robert Skipper said there "was a time I did do nothing but that," referring to road inspections. "I have a ranch and grove and hired help. I do not have to bother with these years I have been on the board I did not do anything but look around the county."

Asked if he felt the price of a mile was unrealistic with the increasing costs of driving a car he said he felt that it is. He said he had tried to turn in his resignation which established the resolution and succeeding mileage pay checks.

He said he has not felt it has been abused in any way.

It's 1973, and Chevrolet roofs are opening, seats are swiveling, bumpers are retracting, hatches are flipping up.

Did you ever have so much to talk about that you didn't know what to say first? We're happy to report that's us for 1973. But since everything must begin somewhere . . . stirred up about. One of our new bumpers, for example, is built around twin hydraulic cylinders. So on minor impact, the whole system retracts to cushion the shock. We've been thinking about your legs One of the few things people asked us to improve in our popular Chevelle was leg room in the back seat. Well, your knees will be pleased with the '73s. There's almost 3 1/2 more inches in the sedans.

So what else is new Naturally this is only a taste of what's new for '73. Among other things, we're introducing larger gas tanks for longer cruising range, a new Exhaust Gas Recirculation system, a hatchback for wagons, and a highly refined flow-through power ventilation system.

Plus a reading light for front seat passengers, improved suspension systems, engines that give you performance combined with gas economy, reclining seats and scores of dramatic styling changes. We invite you to see it all at your Chevrolet dealer's.
