

Avon Mobile Home Park News

By: LORENA WYANT

As residents return to the Park, after a few weeks or months in northern states, activities begin to get in motion. Bicycles are seen in increasing numbers and shufflers are practicing for the upcoming tournaments. The first movie was shown Thursday night.

The Woman's Club held the first meeting of the season on Friday afternoon with the ladies of Second Avenue as hostesses, and attendance of 22. Following the business Hazel Thompson and Ruth Wolcott presented a program for all to participate in, and refreshments were served.

There will be a Thanksgiving dinner Nov. 22 at 12:30 p.m. in the recreation hall. All residents of the park, and their holiday guests, are invited. Monitors will have further information.

Nov. residents this year are Howard and Helen Smith of Pike, N.Y., on Court 10 and Lloyd and Euphama Lofland of Shelbyville, Ill., on 41.

Word was received that Welcome Miller passed away Saturday, Nov. 10, in a hospital at Bourbon, Ind., following a long illness. Sympathy of the Park members is extended to the family.

Mrs. Forrest Wiedeman of Bourbon, Ind., is confined to a hospital there.

Mrs. Ila Douglas and Jennie Fouty are in Walker Memorial Hospital.

Mr. and Mrs. Leltoy Schabel of Lakeland were Sunday afternoon callers of Glenn and Mildred Long.

Guests of Mr. and Mrs. Alva Thompson at a family dinner party Saturday evening were Mr. and Mrs. Lester Kindig of Zolfo Springs; Mr. and Mrs. Dick Myers and Meade Wardsler of Elkhart, Ind.; Mrs. Jane Thacker and daughter Terry Jo of Fort Pierce; Mr. and Mrs. Vernard Goodman, Mr. and Mrs. James Keilly of the Park.

Mrs. Virginia Jones of Gettysburg, Pa., accompanied her parents Mr. and Mrs. Phelps Hutton on their trip from Sharon Springs, N.Y., and spent the weekend with them here.

Bonnie Burgeson returned Saturday from a visit with Mrs. Lillian Burgeson at Boynton Beach.

Lloyd and Euphama Lofland entertained their nephew and wife of Decatur, Ill., last Thursday and over night. They were married Nov. 10 and were spending their honeymoon in Florida.

Mr. and Mrs. Floyd Stevens are spending some time over Thanksgiving with their daughter and family in Oregon. Sympathy of the Park

residents is extended to the family of Mrs. Forrest Wiedeman who passed away in the hospital in Bourbon, Ind. Mr. and Mrs. Harold Wolcott were in Lakeland on business Thursday.

Bernice Tingler went to Clearwater Friday to visit her son and family over Thanksgiving.

Mr. and Mrs. Elliot Purvis visited their cousin Mr. and Mrs. Elmer Hann in Bradenton on Thursday.

The Lloyd Loflands will be spending Thanksgiving at St. Petersburg and will be guests of Mr. and Mrs. Carl Hensley. Bonnie Burgeson flew to California last week to visit her sons and families during Thanksgiving week.

Mr. and Mrs. Alva Derr, Mr. and Mrs. Harold Faulkner, Bertha Brush and Thelma South had Sunday dinner at Morrisons in Bradenton.

Thelma South took her friend Louise Curtiss to Tampa Airport on Saturday for her return trip to Urbana, Ohio. Lula Maddrell accompanied Thelma and they visited the new Kapok Tree Inn at Madeira Beach.

The man who claims he's sitting on top of the world seems to forget that it revolves every 24 hours.

Reeves Speaks To Avon

Kiwanis Club

Life at the State's largest university was the topic when the Kiwanis Club of Avon Park was host to Melissa Reeves Thursday, Nov. 8, at 12:05 p.m. at the Jacaranda Hotel.

Melissa Reeves, a member of Florida Blue Key Speakers' Bureau, is a fourth year in the University College of Journalism. She belongs to the Zeta Tau Alpha Sorority and Student Public Relations Society.

Miss Reeves is a daughter of Mr. and Mrs. Keith W. Reeves of Honolulu, Hawaii.

The Speakers' Bureau attempts to spread goodwill from the University of Florida and to improve communication between the University and the general public. Speakers are noted for maintaining good alumni relations. They travel throughout the State speaking on campus activities, scholastic achievements and even the Gators' latest triumphs or defeats.

Melissa spoke of how the University of Florida's 25,000 students feel and act today. There is a genuine attempt of the University to make what they are learning relevant to community life. In many areas students are helped to experience their subject matter.

Miss Reeves stated that many students attend the University only with help provided by others. She, for example, received a scholarship from a Civic Club. This enabled her to attend the university which best met her needs.

Annual Christmas Parade Monday Night

Monday, Dec. 3 is the date for Avon Park's biggest Christmas Parade ever! Already registered are four big bands and as time draws near more bands are expected to participate. There will be a special band concert held in the band stand and presented by the colorful 32-piece Navy Band out of Orlando. This has been scheduled for five o'clock Monday afternoon prior to the parade which has been set up to start rolling at 7 p.m. Monday evening. Parade Route will be formed on Anolia Avenue and continue down Main Street where Santa will hold court at the band stand following the parade. The Chamber of Commerce is urging all late entries to hurry and register at the Chamber office.

Only a few of the holiday decorations in Avon Park will be lighted for the Chamber of Commerce Christmas Parade, scheduled for Dec. 3.

Decorations immediately

around the bandstand on the mall will be lighted. Educational TV, Channel 3 will film the parade as it passes Lake Street on Main. The City Council voted to install temporary floodlights at the intersection to make the filming possible.

All you little girls and boys had better start making your list and be on your good behavior because Santa Clause is going to make a personal appearance in Avon Park. He will ride into Avon Park on the big shiny red Fire Truck via the Christmas Parade Monday, Dec. 3, and will give out Christmas candy at the bandstand after the big parade which starts at seven p.m.

Santa, as busy as he is this year, has consented to make his pre-Christmas visit to Avon Park. So mark your calendar and come to the parade.

Council Passes Curfew Hours For Juveniles

Persons under 17 years old may no longer stay out past midnight in Avon Park, unless they have obtained written consent from either a parent or legal guardian.

A city ordinance which changes the curfew hour for juveniles was passed by the City Council Monday night.

The ordinance reads in part: "It shall be unlawful for any child, ward, or other person under such age to be in or upon any of the streets, alleys, parks or public places in the city after 12 midnight. The Council decided to take action on a curfew ordinance after being advised by the city police that vandalism, breaking and entering and loitering had increased in the city during the early morning hours.

The new ordinance repealed an unenforced curfew dating back several years which required that all persons under 17 years, be home by 10 p.m. The council had decided that enforcing the older law would not be feasible and decided to replace it with a more liberal law which would be enforceable.

The ordinance will hold parents or legal guardians responsible for children caught in violation of the curfew.

The ordinance passed in a three to one vote. Robert Woodruff cast the only dissenting vote.

A report from Jonathan Hancock, city attorney, on the legal noise levels for vehicles operating in the city limit revealed that the state law dealing with the subject did give city police the authority to issue citations for excessive or unusual noise caused by a vehicle.

The council decided to have the city police check into complaints from citizens about loud vehicles in the city.

Alleged violations of the city building code by a fruit and vegetable stand on West Main Street were discussed by the council. City Clerk Malcolm Crews and a building official were appointed to contact the manager of the stand and notify him of the city code requirements.

Board Decides Not To Cooperate In Program

For the second time in as many weeks, Highlands County Commissioners decided Tuesday not to cooperate in a voluntary energy conservation program.

Commissioners Ken Wilkinson and C. J. "Buddy" Wise urged their colleagues to order county vehicles under their control to observe a 50 m.p.h. speed limit—to lower county building thermostat to 68 degrees and to take any other prudent actions to conserve energy.

Commissioner Robert Skipper said he saw no point in county government officials duplicating suggestions for conservation made at the national level.

Skipper said that when a vehicle speed limit of 50 m.p.h. becomes a national law, the county would have to go along. But, he said, he is opposed to trying to enforce a "suggested" speed limit on drivers of county vehicles.

Wise and Wilkinson contended that enforcement would not be a problem. Like any other policies set forth by the commissioners, enforcement would be left to county department heads, they said. Commission Chairman Norman "Jug" Heston pointed out that the heating and air conditioning system at the county courthouse would use more fuel, not less, if it were operated at 68 degrees in lieu of

its present temperature.

The motion to support a voluntary energy conservation program was voted down 3 to 2.

In a separate action, however, the commissioners

Voters To Elect Two Councilmen And Mayor In Tuesday's City Election

A light turnout is expected for Avon Park's city elections Tuesday, Dec. 4, as voters cast their choice for mayor, two councilmen, and a referendum question on civil service.

Incumbent Mayor Robert J. Barben will be seeking re-election for his third term. Barben first served the people of Avon Park as a councilman in 1963, serving two terms. He was elected mayor in 1969.

"I love politics," Barben told the SUN. "I'm basically interested in the city of Avon Park and its people," he continued, "and I feel there are quite a few challenges coming in the future."

Barben, a strict supporter of continued work on sewerage and water improvements, said that he's also interested in a "good police and fire department."

Barben has been resident of Avon Park for the past 24 years, married to the former Jane C. Hart, and they have seven children.

Trying to unseat Barben will be J. Marshall Davis, the first person to qualify for city elections back on September 7.

Davis has been a resident of the city since 1937. He is married to the former Katie Wickham Norris, and they have four children.

Davis is retired Assistant Postmaster of Avon Park, a job he held for 15 years.

Seeking the two office seats the city council will be incumbent Milton Howard,

Wilson Smith, Leslie R. Norris, and Robert L. Britt.

Howard, seeking his fourth term of office, has lived in Avon Park for 23 years, and been employed with the Southern Coastline Railroad for 31 years.

"In my opinion," Howard told the SUN, "sewers are Avon Park's main need, which we, the present council, are working on at now. We are working to improve our water system by removing all the small lines and replacing with larger pipes to improve the pressure."

Howard says he is against any new taxes in the city, but is for assisting the schools and college, resurfacing more streets and sidewalks, a good police force, fire department, and ambulance service, improvements for the community center and the library, and for removing junk cars, cleaning vacant lots, and generally beautifying the city.

Howard is married to the former Beanie Jewel Campbell and they have seven children.

Wilson Smith threw his hat into the ring on September 7. Smith has been a resident of Avon Park for the past 15 years.

"With my business experience and sound judgement, I believe I can benefit the community," Smith stated.

If elected, Smith said he plans to "take a good look at the city budget," and to determine just where the tax

money is going.

"I plan to work for the betterment of the community," he said.

Smith is married to the former June Purnell and they have one son.

Leslie R. Norris became a candidate during the fourth week of qualifying.

"As a young businessman here and having two young girls in the Avon Park School System, I truly have an interest in the city," Norris told the SUN.

"I feel that the people can be better represented by a young man who is aware of the problems of the city—that is interested in helping solve these problems and seeing Avon Park prosper."

Norris feels that one of the largest problems Avon Park is the "tax situation." "I feel that the people have a right to know exactly where their taxes are going. I propose that by the tenth of each month, the city publish a financial statement for the preceding month."

Norris is married to the former Leslie Censatt and they have two children.

The last to qualify was Robert L. Britt, a former policeman for the city, and a native of Avon Park. This is his first bid for political office.

"Specifically, I am one hundred per cent for Civil Service of all city employees," Britt said.

"Also, I would like to see improvements made with the

police and fire departments, by getting better qualified men. I believe taxpayers should know how their money is being spent. I would like to be a councilman for all the people in Avon Park."

Councilman Hermon Sizemore, with his seat up for grabs, told the SUN he would not seek re-election after serving for two terms.

Along with the decision of voting in a mayor and two councilmen, the people will once again voice their opinion on the Civil Service Law.

After voters approving it twice, Council President Clarence King, put the idea before the council saying he did not feel the law was a good one. Councilman Hermon Sizemore, on the other hand,

says that city employees are in favor of the law and so are the people. The measure will be decided with this referendum question on December 4.

Outlooks are again dim for a large voter turnout again this year. In last years election, a new low for the city took place, as only 30 per cent of the registered voters chose to turn out at the polls.

Coach Ralph Hill's Avon Park Red Devils took a satisfying 19-3 victory from the Sebring Blue Streaks Thanksgiving Eve at Freeman's Field in Sebring. The win gave Avon Park a 7-2 record for the year and also gave the Devils the Highlands County Championship.

The fine Avon Park team finished up in second place in the Peace River Valley Conference and also in the Class AA District 7 standings behind Fort Meade. It was Coach Ralph Hill's first year as head football coach of the Devil team and he was assisted by rookie line coach John Pitcher. The two coaches finished the year with six straight wins from a team that had only 23 boys on the roster for the last several games.

The big game last week between traditional rivals Avon Park and Sebring was nip and tuck for the first half before Avon Park broke it open in the third period with two touchdowns. Sebring scored first midway in the first quarter on a 20-yard field goal by Buddy Yarbrough after a 35-yard march by the Streaks. The Red Devils contributed twenty yards to the effort with penalties during the drive.

Then midway in the second quarter the Red Devils tied the game up 3-3 on a 20-yard field goal by Nathaniel Parker which climaxed a 45-yard drive by Avon Park. Sebring drove to Avon Park's 18 late in the first half only to lose the ball with a fumble. The first half ended with Avon Park at mid-field and the score all tied up 3-3.

Avon Park took the second half kick-off and marched slowly down the field from its own 30-yard line to score after holding on to the ball for almost 10 minutes. Devil quarterback Buddy DeWitt scored his first TD of the year as he plunged over on a keeper

play from one yard out. Ricky Clait carried the ball nine times on the drive for 41 yards. Nate Packer caught two passes from DeWitt for gains of 15 and 8 yards. William Burley crashed through for the two point conversion after the TD to give Avon Park an 11-3 lead.

The Red Devils added another touchdown quickly when they recovered a Sebring fumble on the Blue Streak 34-yard line and drove in for the second TD. There was another exchange of the ball in the 34-yard drive as the Devils lost the ball on a fumble at the twenty only to recover one from the Streaks on the next play at the fifteen for a five yard advance. Ricky Clait

took the ball over for the score from a yard out after his brother Mickey had moved it there with a five yard run. Ricky Clait's run for the two point conversion was stopped short but the Devils had a 1-3 advantage as the third quarter came to a close.

Early in the final period Avon recovered a Sebring fumble at the Streak nine yard line but couldn't push in for the score and tried a 27-yard field goal that was no good. Sebring then put the ball in the air and with the aid of two fifteen yarders against Avon Park moved to the Devil fifteen before they lost the ball for the seventh time on a fumble.

Former University of Miami coach Charlie Tate will be guest speaker at the banquet. Coach Tate now lives in Sebring and his son saw action against the Red Devils on Thanksgiving Eve.

APAA president David Johnson said that fans may come and buy tickets at the door tonight if necessary so let all come out and honor these fine Avon Park athletes, coaches and cheerleaders.

Devils Continued

Park's fine senior tackle and linebacker Nate Williams intercepted a pass and ran it back 41 yards to the Sebring nine. A series of penalties took place as the Devils tried to score again and another Park field goal attempt was erased with a Streak penalty. Finally Sebring took over on its own 2-yard line and gave up a safety to the Devil defense when a fumble was recovered by a Blue Streak behind the goal line. It looked like the Devils might recover the fumble for another TD but a Streak grabbed the ball to save four points. The game ended with Avon Park sacking the Blue Streak quarterback twice for big losses.

The nine Sebring turnovers, seven fumble losses and two pass interceptions, must have set a new record for an Avon Park vs Sebring game. The Red Devils on the other hand drew 120 yards of penalties during the game and lost the ball three times with fumbles. Again it was the Avon Park defense that set the pace for the Devils. The Devils held Sebring to 37 yards net rushing and 31 yards in the air. The Streaks starting quarterback was sidelined with an injury in the first half. Avon Park picked up 187 yards on the ground and 88 through the air with Ricky Clait gaining 10 yards to close out the year with a nine-game total of 671 yards—just 39 yards short of averaging 100 yards per game.

Not enough praise goes to the

Red Devil defensive team who gave up only seven TD's and one field goal to its opponents and scored seven touchdowns and three safeties along with the kick-off and punt return teams. The defense held the nine opponents to a total of 643 yards of rushing and 540 yards of passing during the nine games.

The 1973 season will go down as a great team effort by a small squad of determined Red Devil football players. Together with Coach Ralph Hill and Coach John Pilcher, the 23 boys came very close to the conference and district championship and certainly are champions in the hearts of all Red Devil fans.

The players on this 1973 team were: SENIORS: Buddy DeWitt, Mearl Robinson, Ronnie Dick, Tim DePree, Jimmy Carter, Bernard Jackson, Gregg Hart, Steve Myers, Sean Murphy, Nathaniel Packer, Nate Williams, and Marvin Jackson; JUNIORS: Ricky Clait, Moses Anderson, William Burley, Jamie Tomlinson, Dennis Avery, Mike Pool, Dennis Johns, Joe Smith, and Mickey Clait; and FRESHMANS: James Robinson, Timmy Massey, Dennis Johns missed much of the season with an injury and junior center Jamie Tomlinson was out of action the game due to a hunting accident. Senior center Tim DePree took over against the Streaks and did a fine job.

Basketball Season Opens Next Tuesday

Coach Fred Sandlin's Avon Park Red Devil varsity basketball team will open the 1973-1974 season next Tuesday night, December 4, at home against the DeSoto High Bulldogs of Arcadia. Coach Tom Lund's Red Devil junior varsity team will start the action next Tuesday with a game against the Arcadia Jayvee squad at 6:30 p.m. The varsity game will follow around 8 p.m.

The Red Devil varsity, which was 16-9 last year, is expected to be even better this year with two of its leading scorers returning. Back this year are Felipe Harris, a 5'9" senior, who averaged 15.0 points per game last season and Nate Packer, a 6'2" senior, who hit for 13.3 points per game last year.

Gone from last years team are Harry Smith, a 15.7 point average; Leroy Hicks, who averaged 5.0 points a game; and Leon McRae with a 4.5 game average; and Bud Wester who averaged 3.0 points each game. However, Coach Sandlin will have his pick from several top players of a fine junior varsity team to fill these spots. These boys include Lawrence (Poncho) McRae, a 5'9" junior, who is an outstanding ball-handler with speed; Mickey Clait, a 6'0" junior, who is a fine rebounder; Ricky Clait, a 5'9" junior, who has quickness and muscle; and Jimmy Caldwell, a 6'0" junior, with great rebounding ability.

Also added to this list of prospects are 5'4" Melvin (Rootman) Collins who could be the big man the Red Devils have been looking for and two outstanding lettermen off last years team—Craig Presley and Mearl Robinson. Presley, a 6'0" junior, could become one of the best shooting guards in the area. Robinson, a 6'0" senior, averaged 3.0 points a

game last year but has the ability to improve greatly this season. The Red Devils play a rugged 18 game schedule that includes Bradenton Southern and Palmetto, both AAAA powers. Also highlighting the schedule is the DeSoto Invitational, Tournament, to be played at Arcadia Dec. 12-13. The Devils will compete in that tournament with Arcadia, Fort Meade, Santa Fe, Frostproof, and Lake Placid.

The Avon Park schedule for the 1973-74 season is as follows: Dec. 4, DeSoto, home; Dec. 11, Harder, away; Dec. 14, Charlotte, home; Dec. 18-20, DeSoto-Tourney, Arcadia; Jan. 4, Sebring, home; Jan. 5, Lake Placid, away; Jan. 8, Fort Meade, home; Jan. 11, Frostproof, away; Jan. 15, OPEN; Jan. 18, Santa Fe, home; Jan. 22, Mulberry, away; Jan. 25, Frostproof, home; Jan. 29, Fort Meade, away; Feb. 1, Sebring, away; Feb. 5, Southeast of Bradenton, away; Feb. 8, Santa Fe, away; Feb. 12, Lake Placid, home; Feb. 15, Mulberry, home; and Feb. 18, Harder, home.

Fann Pallbearers
Pallbearers at the funeral of Thomas Griffin Fann, who passed away on Saturday, Nov. 17, were—active: Kenneth Cook, Avon Park; Michael Fann, Frostproof; James A. Fann, Frostproof; Joe Tom Strickland, Avon Park; and Thomas H. Marshall, Lake Wales.
Honorary: Metts Fordham, Benny Fordham, Van D. Robinson, Haywood Taylor, and Roy Taylor, all of Sebring.

The Police Docket

by Officer Gene Hancock

The Hess Oil Station, which has been the scene of numerous robberies over the past several months, was robbed again at approximately 11:15 p.m. Tuesday, Nov. 20. Station attendants, James Beck and James Tamm, told Patrolman Frank Cratty that two Negro males, believed to be in their early twenties, apparently walked up to the station and entered the office where they displayed a revolver and a knife. Attendants were forced to lay on the floor, while the two men took their wallets, money for a bank deposit and money from the cash box. At the time the report was filed, it was unknown just how much money had been taken.

During the evening hours of Wednesday, Nov. 21, person(s) unknown, drove the phone from the wall of the telephone booth located at the Texaco Service Station on Hwy. 27 S. After the phone was pryed loose, the coin box was taken and the phone was discarded. Assistant Chief Campbell is investigating. In a report filed by Patrolman Gene Hancock, he stated that while on patrol, Sgt. Presley Selph had discovered that person(s) unknown had preyed the door of a soft drink vending machine open and had taken an undetermined amount of money from the coin box. The machine was located at the James Paul Gulf Station, at Hwy. 27 and W. Bell St. in intersection. This incident occurred early Sunday morning, Nov. 18.

In a report filed by Sgt. Leroy Prevatt, he stated that Arthur S. Alspach, of Lebanon, Pa., was traveling east on West Main St. in a '71 Dodge and attempted to make a left hand turn from the right hand lane. In doing so, his vehicle struck a '68 Chrysler, being operated by Penelope Tomlinson, Avon Park.

Ralph Lohr, Age 65, Dies
Ralph William Lohr, age 65, passed away at his home, 354 Lake Bonny Drive, Lakeland, on Tuesday, Nov. 20, after a long illness.

He was a life long resident of Lakeland. He is survived by his widow, Lucy Lohr of Lakeland; one step-son, Tommy Drake, Lakeland; two brothers, Joe Lohr, Lakeland; and Ray Lohr '84 Jacksonville; and one sister, Mrs. J. L. (Zelma) Wells of Avon Park.

Funeral services were held on Friday, Nov. 23, at 2 p.m. at the Mortuary Funeral Home, Southside, Lakeland, with interment in Lakeland Memorial Gardens.

City Flowers Win Award

The City of Avon Park has another National recognition. The colorful annuals on the Mall last winter and spring placed "first in show" in the "Community More Beautiful" contest sponsored by the National Garden.

The members of Avon Park Garden were elected to learn that their beautification project placed first in the final judging held at the 1973 Annual National Garden Section at Lincoln, Neb., Nov. 12 to 20.

Letters To The Editor

Civil Service Protects Employees

Editor Sun:

Clarence King, in his letter to the editor of this newspaper last week, said that the city council had lost control of the city employees because the employees are presently under Civil Service. I feel that this is not an exact representation of the truth. Avon Park's present Civil Service Board is composed of seven individuals, three private individuals appointed by the city council, one city councilman, and three city employees. It is evident that the city council, and not the city employees, has the upper hand on this board, with four members being appointed by the council and only three members being city employees, therefore I question Mr. King's statement that the city has lost control. To further defend my opposition to Mr. King's statement, by the fact that the city department heads are not under civil service, therefore, if the council does not feel that an employee is performing his or her duties properly, he can inform the department head, who in turn can discuss this with the employees. After giving a proper adjustment

period to this employee and still feeling that this employee is not satisfactorily performing his or her duties, then the council would have adequate grounds to ask the Civil Service Board to terminate this person's employment.

Mr. King also stated that attendance at board meetings is inadequate to meet the needs of the Civil Service Board, but the absence is due to the appointees of the council and not due to apathy on the part of employees. If the council is concerned about the poor attendance, measures should be taken to replace present appointees with ones who are more concerned.

Civil Service, I feel, not only protects the city employees, but also protects the employers, the tax payers of Avon Park. Without Civil Service, the city council could hire and fire anyone they chose, without giving the employee the right of an appeal. This opens the door for the council to show favoritism to friends and relatives, with Civil Service, we, the taxpayers, are

guaranteed certain qualifications that our employees must meet, thereby insuring better city employees.

I would also like to say that I feel the manner in which this referendum was worded on the ballot was done purposely to confuse the voters. If we are in favor of keeping Civil Service then we must vote against the amendment.

Editor Sun:

I would like to take a moment to thank you and your staff—most notably Lucy DeKman and Elaine Sharpe—for your coverage and support of Red Devil Cross-Country. I know of no one in the town who works harder than these two to encourage and support the sports teams of our community. So for myself and the 22 young men I coach—thanks for making this another great season.

Palmer Electric And Maryland Fried Chicken Teams Headed For Showdown

With just two games left on the ten game schedule, Palmer Electric and Maryland Fried Chicken are headed for a showdown for the championship of the Avon Park Junior Basketball League. These two top teams will meet

next Thursday night, Dec. 6, at 8 p.m. at the high school gym. Palmer is undefeated with an 8-0 record but Maryland Fried Chicken is close behind with a 7-1 mark. Palmer defeated Maryland 33-24 in the first game of the season.

In action last Monday night Winn Dixie moved to a 4-4 record with a 31-22 win over Starling's City Market who dropped to fifth place with a 1-7 record. Palmer Electric outscored Touchton's Drug 38-25 to hold on to first place in the league. Touchton's dropped to a tie with Winn Dixie for third place. In the third game of the evening Maryland Fried Chicken defeated Franklin's Inn 32-28. Maryland stayed in second place and Franklin's

In remained winless with an 0-4 record. Next Thursday, Dec. 6, the first game at six will be between Touchton and Winn Dixie to break the third place tie. The second game at seven will be between Starling's Market and Franklin's Inn. The third game at eight will decide the league championship in all probability when Palmer's goes against Maryland Fried Chicken.

The final games will be played on Monday, Dec. 10. Franklin's Inn will take on Palmer Electric at six. Starling's will play Touchton's at seven and Winn Dixie will have a go at Maryland Fried Chicken in the last game at eight.

Mrs. Hise Gives Report On Episcopal Women's Convention Held In Orlando

The Episcopal Church Women of Avon Park, met on Wednesday for their regular monthly meeting, in the Parish House of the Church of the Redeemer. After a short "coffee" Mrs. Eugene Hise opened the meeting with a delightful poem entitled, "Prayer."

The secretary's and treasurer's reports were presented and accepted. Mrs. Eugene Hise announced that plans for the "Christmas Bonanza" were nearing

completion. This event will take place in the Parish House, on Thursday, Dec. 6, and members hope to make this the outstanding event of the season. The "Variety Booth" will display hand-made articles, many of which will be good for Christmas giving. Attic treasures, old, new and antique will be a most interesting display. The "snack bar" will be open all day, with a big variety of home-baked goodies. Plan to come for lunch, bring your friends for afternoon tea. Don't forget the date, Thursday, Dec. 6, from 10 a.m. until 5 p.m.

Mrs. E. G. Todd introduced Mrs. Adams, owner of The Horn of Plenty, speaker for the day. She gave a most interesting talk, and showed a number of hand-made articles, necklaces made of buttons and safety pins; knitted shawls and baby dresses, all of which she said, anyone could learn to make. Volunteers made, under her direction, napkin rings, and Christmas balls.

Mrs. Eugene Hise, asked for a vote of thanks be given Mrs. McKee for the beautiful Hymnals and prayer books, she recently donated to the church. They were really needed and will be greatly

appreciated. Mrs. E. G. Touchton Jr., asked that if possible, members should bring their donations to the Parish House on Sunday, Dec. 2, so they can plan their booths. There will be someone to accept them. She will also be at the Parish House all day Wednesday, Dec. 5, but hopes members will make an effort to let their donations meet at the home of Mrs. William Smith and Mrs. Sherman Francisco. She told of several changes in the Diocese, which will be discussed more fully at a later meeting.

After Mrs. Hise thanked the hostesses, Mrs. Karl Swanson and Mrs. C. Klen, for the delicious refreshments, the meeting was adjourned with prayer. The next meeting will be on Wednesday, Dec. 12, and will feature the Christmas luncheon. After the midweek Communion, members will meet at the home of Mrs. Albert Wester, for the meeting and luncheon. All members should make a special effort to attend.

Christmas Bonanza Set For Dec. 6 At Parish House

A reminder to all those who forgot to mark their calendars. Thursday, Dec. 6 is a big day for the Episcopal Church Women of Avon Park. This is the day of the Christmas Bonanza, to be held in the Parish House of the Church of the Redeemer, corner North Verona and E. Pleasant Streets, starting at 10 a.m., continuing to 5 p.m. All chairmen have been working hard to make this an outstanding event.

The "variety booth" features hand-made articles for Christmas, birthday, anniversary and just plain gift giving. Christmas decorations offer the most beautiful Christmas wreaths, tree door and home ornaments.

In "attic treasures", one is likely to find that cup and saucer, to match the one in grandmother's set that was broken in transit. Also some entirely new articles and some hopelessly antique.

Lovely handmade baby clothes, sweaters, dresses, and

mitten will be featured. Aprons for all occasions will be displayed. And last, but not least, the snack bar will be open all day serving the delicious homemade goodies, for which Redeemer members are noted. Come and bring your friends for a snack, a lunch, or afternoon tea. You will be glad you did.

Mrs. E. G. Touchton Jr., asks that members bring their donations to the Parish House on Sunday, Dec. 2. Please specify for which booth it is meant. She will also be at the parish House on Wednesday, Dec. 5, but hopes most articles will be brought in on Sunday.

LEGION BINGO AND SUPPER

A covered dish supper will precede Bingo on Thursday, Nov. 29, at 6:30 p.m., at the home 28 West Bell Street. Bingo will furnish the meat, guests bring the fixings. Regular Bingo will follow at 7:30 p.m. Two jackpots going, come and bring a friend.

MR. AND MRS. JOHN CARLTON

Deborah Carter Weds John Carlton, Nov. 8

The North Hillsborough Baptist Church in Arcadia, was the scene of the marriage of Miss Deborah Gail Carter and John Peter Carlton on Thursday, Nov. 8. The Rev. J. H. Hall performed the double ring ceremony at 2 p.m.

Parents of the bride couple are Mr. and Mrs. B. J. Carter, A.P.C.I., Avon Park, and Mr. and Mrs. Bruce Carlton, Parkview Road, Arcadia.

Mrs. Marjorie Huffman presented a program of nuptial music which included "I Love You Truly" and "Because." The bride couple knelt at the prayer bench, as the "Wedding Prayer" was played.

An arch candelabra amidst potted palms formed the background for the bride couple as they spoke their wedding vows. On either side were white pedestal urns of white mums and white and yellow chrysanthemums. The family pews were marked with satin ribbon and greenery.

The Bride
Given in marriage by her father, the bride was lovely in an original gown of silk organza. The bodice featured a mandarin neckline and was accented with tiny rosettes centered down the front of the bodice, which carried an overlay of imported re-emphasized Chantilly lace. Chantilly lace enhanced her long Bishop sleeves of silk organza, which ended in a wide cuff of the same imported lace. From her Empire waistline fell her bouffant skirt of silk organza, which also carried panels of Chantilly lace extending from her waistline to the hem of her skirt. BROWNIE TROOP

Brownie Troop Holds Investiture Ceremonies

Investiture ceremonies were held Nov. 8 for Girl Scout Brownie Troop No. 43.

The six girls who received one-year stars were Althea Howard, Jessica Lewis, Yolanda Ashe, Falcia Roth, Angelina (Pam) Manning, and Donna Permenter, who transferred to the Troop in September.

Eleven new Brownies were welcomed into the Troop. Each girl repeated the Magic Brownie rhyme, then all the girls joined in the Brownie Promise and Brownie Song.

Mrs. Shirley Furr, leader, gave each girl her Brownie pin and World Friendship pin. Donna Permenter showed how pins were to be worn and Mrs. Nina Farnell, assistant leader, helped each girl with her pinning.

A game time followed while refreshments were prepared by the hostess and her committee.

Girl Scout Brownie Troop Think Of Others

Girl Scout Brownie Troop met Thursday, Nov. 15 and made turkeys from pine cones. Eunice Williams was a visitor and will soon be a member of the Troop.

The girls made plans to walk

to the nearby housing project to call on Dr. Ruth Phillips, a retired college professor. The girls selected one of the turkeys to take to her. Dr. Phillips told them of some of her travels across the United

States and showed them some of her paintings and sketches she had done as a hobby in her retirement. The girls sang for her and promised to visit her again.

Upon returning to their meeting place, refreshments were served and a short game period was enjoyed. Plans for a cook-out for the Nov. 29 meeting were shared.

NOTICE TO VOTERS

from Wilson Smith

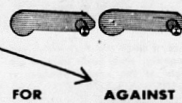

I am not a Politician, therefore, I cannot deceive the people as some individuals have in the past, and are trying to do at this time.

One of the biggest deceptions ever handed to the city, was convincing them to vote down the Sewer Plant Expansion, several years ago. Now cost of interest alone will be much more. Another was renting a piece of property worth half a million dollars for \$250 per month with a 50-year lease. The next deception of the people is to get you to vote for an amendment which will do away with Civil Service. Some want this for selfish, petty reasons. Civil Service is a system of employing city workers, and regulating their employment, which many cities have. More cities are turning to Civil Service instead of waiting until collective bargaining (Union Employed) is formed. Civil Service was passed to take politics out of the employment of city employees. However, when Civil Service is available, it is often possible, in various ways, to get rid of certain employees when there is a change of Administration. Civil Service does, however, give workers greater security. Under Civil Service, if fired, an employee has 10 days to apply for a hearing, and possible reinstatement. Under the Council, if three members agree to fire the employee, or not appoint him under a new administration, they are no longer employed by the city and have no recourse or right for appeal. It is said the City has no control over the city employees. This is wrong! The department heads are directly responsible to the Council, and Mayor. If a man isn't performing his job, he can be dealt with through the department head, who has the power to bring charges against any employee under his supervision.

I am running for city council to try to better the City of Avon Park, the Community and the employees of the City. The way the Amendment is stated on the ballot, you will need to vote against it, if you want the protection of Civil Service for city employees. It is unfair to have a city employee wait year in and year out, to see if he will continue to work and draw the retirement he has worked so hard and long for. To Vote against the Amendment is a step in the right direction.

Celebration Of Advent Will Begin Sunday At Presbyterian Church

The celebration of Advent will begin Sunday at the First Presbyterian Church and will continue through the Christmas Eve Communion Service. The Advent activities have been planned to encourage the members of the congregation and friends to have a vital preparation for the coming of the Son of God.

The Advent letter went out on last Monday to the members of the congregation giving the Advent schedule. One of the

main goals of Advent is to encourage public worship, and family devotions in the home each day during Advent.

During the Sunday morning worship at 11 a.m., there will be the lighting of the Advent candles, a dialogue between a child and the congregation as to why the candles are lighted, and the singing of the Advent hymn, "Community Christmas Cheer" will be received beginning with the first Sunday in Advent.

"A Christmas Festival" will be presented on Sunday afternoon, Dec. 2, at 3 p.m. by the "Young Highlanders" under the direction of Mrs. Evelyn Jones. The Woman's Society will sponsor a period of "Advent Fellowship" after the presentation of "A Christmas Festival" to which everyone is invited.

The Young Adults will have an Advent celebration on December 9 at the Manse. Mr. and Mrs. Walter Harshman of

Sebring will lead in the discussion of preparing for Christmas in a Christian way.

The decoration of the Christmas Tree will be sponsored by the Young Adults on Dec. 11 at 7 p.m. Preceding the decoration of the Tree, there will be the final practice for the church Christmas Tree program to be presented by the Children of the Church. The Senior Highs will furnish the refreshments.

The congregation and friends will gather for a Christmas meal at the church at 6:30 p.m., Dec. 12. After the meal there will be a Christmas program by the children of the church. The program will center around the birthday of Christ.

On Sunday, Dec. 16, the Young Adults and their families will meet at the church at 3 p.m. to go carolling. Stops will be made at various places and toward dusk they will assemble at the Fellowship Hall for the eating of a simple meal.

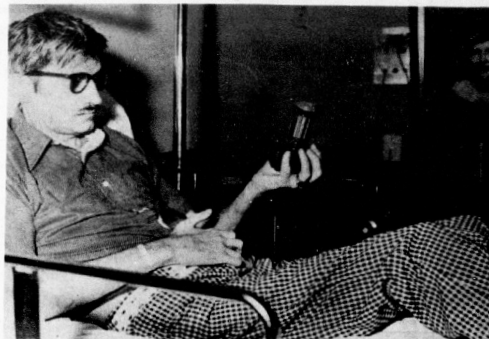

The Christmas Eve Communion Service will be held at the church Monday at 7 p.m. The fifth and last of the Advent Candles will be lighted. The Christ Child offering will go for the Correspondence Bible Course work in Pakistan.

Late Celebration

By Howard Family

The Milton Howard family celebrated a belated Thanksgiving get together Sunday, Nov. 25, at their home on Willow Avenue—with a family cook-out.

Those attending were Robert and Judy Howard and daughter, Gina from Merritt Island; Edwin and Fran Howard and daughter, Callie from West Palm Beach; Manja and Pat from Polk City; Cecilia and Shelly Marrs and daughters, Dedra and Ceina; and Annette and Ronnie Helvey and children, Butch, Terri and Darrin, all from Avon Park. Those present enjoyed lots of good food, visiting and picture taking.

Acuff Sends Gift To Phelps

A few months before George Phelps' auto accident, he was visiting his sister-in-law, Mrs. Ruby Pate in Nashville, Tenn., and decided to stroll down to the old Ryman Auditorium. While standing inside reminiscing, the curtain opened and out walked Roy Acuff. He and George spent several minutes in conversation about the "old times" in Country Music. George was a part time disc jockey at a small station on the East Coast of Florida (just as a hobby).

After George's severe accident, Roy Acuff learned of it through Betty Huffer of the Open Door Agency, a firm which promotes Country Music, and his comment was, that he would send George a yo-yo to encourage him to get that right hand going (his right hand and arm has been paralyzed due to injuries he received in the accident). He asked Mrs. Pate, who is in advertising, to mount it as a trophy and send "to a brave man" with his best wishes for a speedy recovery.

Miss Laurie Rehner Attends Dance Masters Convention

Laurie Rehner attended the 51st Annual convention of the Florida Dance Masters of America, Inc., over the Thanksgiving Holidays. It was held at the Fontainebleau Hotel in Miami Beach from Nov. 22-23.

She studied ballet with David Howard, who was born in England and a member of the Royal Academy of Dancing; and character dancing with Pirkko Lawler, a native of Finland. She also studied Discotheque from James Mitchell, New York ballroom teacher; and jazz from Gus Giordana, who has written two books on American Jazz Dance, and received two TV Emmy Awards.

Laurie also attended the Miami Ballet on Saturday night. The guest performers were from the Pennsylvania Ballet and the American Ballet Companies, along with members of the Miami Ballet Company. Sharon Sokolovsky, who teaches dancing in Avon Park, serves as secretary of the Dance Masters Association.

Bonnie Brae Mobile

Estates News

By MARGARET W. YOUNG

Sixty hungry people enjoyed Thanksgiving dinner together in the Recreation Hall and once again we think Bonnie Brae cooks are the greatest. Co-hostesses, Rozzie Parkhurst and Ellen Hunt, thank Lucille Smalley and Lena Sinatra for roasting turkeys; Ruth Smith and Hazel Jedrey for making the dressing, and Ann Griffin and Connie Gough for helping with table setting. About half the group came back at 7 p.m. to clean up the salads and desserts and to make turkey sandwiches. It was a really great Thanksgiving.

George and Betty Sullivan and Blance Hance left Wednesday to spend the holiday

with friends and relatives in Fort Lauderdale.

Steve and Sallie Bohaychuk spent Thanksgiving with relatives at Lake Placid.

Lester and Rozzie Parkhurst spent a delightful day at Disney World recently. We all really appreciate having the tables in the Recreation hall refinished and ready to use for another busy season. Thanks for the work goes to Everett Keister, Steve Bohaychuk and Harry Hunt with help also from Mickey Gasta and Art Smalley. The folks are enjoying Bingo at the recreation hall each week on Monday and Friday evenings—and the lovely finish on the tables adds to the pleasure.

Bill Miracles

Home For

Thanksgiving

Mr. and Mrs. Bill Miracle of Athens, Ga., were home for Thanksgiving, visiting with Bill's parents, Mr. and Mrs. Andy Miracle and his grandparents, Mr. and Mrs. Earl Dunavent. While here they attended the Avon Park Sebring football game, and with parents and friends, had a victory party at Miss Pat Lagoni's in Sebring.

Thanksgiving dinner was at the Miracle home with the parents, grandparents, and Mrs. Florence Dunavent, a great aunt of Bill's, who is spending the winter in Avon Park. On Saturday, the family got together for an exchange and opening of Christmas presents, because Bill and Andrea will be going to Holland, Mich., to spend Christmas with her parents, Mr. and Mrs. Gus Pokolis.

The returned to Athens on Sunday, where Andrea is working on her B.S., which she will receive in August, and Bill is working on his doctorate, and has a full time job with the Alumni Association.

Mrs. Jean Bailey from Lakeland and Mr. and Mrs. Karl Huter from Seminole were Thanksgiving Day dinner guests of Mr. and Mrs. George Burroughs.

Mrs. Paul Olsen and Mrs. Maurice Bush were visitors in Barlow last Friday.

The Election and General Meeting of the Avon Park Lakes Association will be held at the club house on Monday, Dec. 3 at 7:30 p.m.

Stanley Hodgson entered the Winter Haven Hospital several days ago for treatment.

The annual banquet was given at the hospital by the hospital Auxiliary for the Pink Ladies and Candy Strippers last Monday at 8 p.m. Those attending from the lakes were Mrs. William Robbins, Mrs. Edwin Guenzel, Mrs. Herbert Sloucum and Mrs. Lloyd Fillmore.

George Hodgson left Saturday for his home in California after spending ten days visiting his father, Stanley Hodgson.

Mrs. Orville Castine had as her guests for Thanksgiving Day dinner, Mr. and Mrs. Robert McCallum, Mrs. Gordon Phillips and her father, John Johnson.

Mr. and Mrs. George E. Hurst and Mr. and Mrs. Frank Bellew from Tampa, spent Thanksgiving Day at a picnic at Warm Mineral Springs, south of Venice, with "turkey and all the trimmings."

Bazaar Set

At Sun

Ray Church

Plan now to attend the Sun Ray United Methodist Church Bazaar, which will be held at the Sun Shine Club House on Thursday, Dec. 6, from 1 until 5 p.m.

Featured will be novelty items, baked food, homemade candy, a "White Elephant" table and many more items of interest. Dessert and beverage served. Public is invited to attend.

Your electric bill could be at least 50% higher next year. Here's why.

In spite of the fact that you are being asked to conserve energy, and thankfully many of you are, your electric bill is going to continue to go up each month in the year ahead.

The cost of oil to make the electricity you use has tripled this year alone.

It will continue to rise in 1974.

We pass along this increase through an adjustment on your monthly bill. None of this cost adjustment remains at Florida Power. Just as we collect utility

taxes for many cities and give the money to those cities, the money we collect for the continually increasing cost of oil passes on to foreign interests.

What we are saying is that in spite of all you do to conserve energy, you still could be getting a higher bill every month because of the skyrocketing cost of oil.

So, in the interest of the fuel shortage and your electric bill, please conserve wherever you can and as often as you can.

The governor reminisced on some of the highlights during his term of office. When he took office, the state had a \$2 million deficit, he said, which has now been increased to over \$3 million surplus.

"One of the biggest problems when I assumed office," he said, "was lack of proper management at the top. So I sent my heads back to school and found a new way to evaluate the effectiveness of state government."

An analysis of state government by state government "only proved to be a defense of what we were doing," he said so he authorized a management and efficiency study headed by 75 leading

Energy crisis
The governor discussed the energy crisis and said it was going to be more difficult than we realize.

"Good can come as we re-evaluate the use of natural resources," he declared. In touching on the national political situation the governor called for the end of the "domination" of large political contributions. He cited the importance of small con-

Two Local Churches Participate In World Mission Conferences

The First Baptist Church and Florida Avenue Baptist Church of Avon Park are cooperating with the Orange Blossom Association in the World Mission Conferences. Services will be held at each church on Thursday, Friday and Saturday nights at 7:30, as well as both services on Sunday—Nov. 28-Dec. 2.

There will be a different speaker at each service representing Foreign, Home

and State Missions. The Rev. Aden D. Childress of the First Baptist, and the Rev. Clay Jennings of the Florida Avenue Church, are cooperating in sharing these interesting speakers.

Plan now to attend all of these services and learn more about the missionary program. The Conference will begin the Week of Prayer for foreign missions, which is Dec. 2-9.

bridge on Tuesday afternoon high scores went to Joe Nickerson 4540, and John Schoen 3850. Juanita Carr has charge of bridge.

A goodly number of folks enjoyed the fellowship of having Thanksgiving dinner together on Thanksgiving Day. The tables were decorated with the motif of the day. Theresa and William Hayes and Leon and Edith Parcell were the hosts.

The dances have been very well attended with Sylvan Baker in charge, and George Mills running the record player. In order to refresh the dancers on the calls, they have been coming in a half hour early to walk through the dances. Even the old timers can forget on occasion.

There are two or three dances that all like so much, the "Hully Gully" and "Island in the Sun" are two of them. Some just like the round dances, the Ed Healey are one couple and they are good dancers.

Guests this past week, just to watch were Mr. and Mrs. Harriman of Maine, Rollie and Clea Hendricks from Broken Bow, Neb., and Lewis and Florence Nopper from Greenhurst, N. Y.

We now have 390 members this year. New members were Lewis and Florence Nopper, Greenhurst, N. Y. Recently returned are Charles and Alyse Bidstrup, Downers Grove, Ill.; Gertrude Broad, Ionia, Mich.; Frank and Maud Foote, Avon Park; Phyllis Gaeta, Jamestown, N. Y.; Ivan and Helen Goddard, Urbana, Ohio; Eileen Green, Sault Ste Marie, Mich.; Louis and Ann Hageman, Danville, Ill.; Joseph and Florence Kroll, Hercher, Ill.; Orren and Laurena Loar Blissfield, Mich.; John and Margaret Mack, Genesee, N. Southland Mobile Home Park

BETTE CHAPEL
453-4258

Well everyone is back and there is nothing dull about the days now in Southland Court. The scritch-scratch of lawn rakes, the swoosh of brooms tidying up driveways, the hum of lawnmowers and the rushing sound of water fills the park with an out door symphony of motion and activity.

We would like to welcome some new people to our family, the Rosses, Barry and Claire, from Miami are now occupying the Richies previous home and have added their own personal touches. We are very pleased to have them. Other changes include the new residence of Harry and Anna Barth now at 111 Southland Court. They too have made some changes and put a lot of hard work into their new home and it really looks beautiful. Hat Nelson and Het Cook are settled in now at 132 Southland Court and a lot of faithful scrubbing and organizing have put them in fine shape. The Engards are

happy at 105 now and the Romans are all ship shape at 118. A hearty welcome also to our rental guests, Bud and Trudy Livingood. Anyone who has talked with them already knows how pleasant they are and with a name like that how can they miss!!

Our beautiful new hall was warmly broken in and lovingly decorated on Thanksgiving Day with a Thanksgiving dinner. Ann Condit, Golda Daun, Doris Hutchins, Mildred Hindsley, Hannah Tebo, Martha Long, Grace Romans, Louise Davidson and Harriet Wandover did the decorating and serving. There were 65 in attendance with three plates taken out. Guests included the Rosses daughter and husband and friends of the Cools, Mr. and Mrs. P. Chase wintering in Bradenton. A birthday cake baked by Ann Condit with seven candles representing the seven months we were not all together to celebrate bir-

thdays. There were several who were honored. Michael and Melissa Chapel blew out the candles. Gifts were presented in honor of the new hall. A beautiful hand made checker board was given by Wilbur Romans and a much needed punch bowl set was given by Byron and Bee Jeremy. A lovely blessing was given for our dinner by Marvin Tebo.

Activities have begun. There were 27 out for coffee Tuesday morning. The folks welcomed back the Cools and Doris Hutchins from Canada, later in the week 30 gathered to play Aggravation. No scores were kept but everyone sure had fun. Afternoon sewing and crafts had six ladies present. They made wool flowers and are starting plans for Christmas articles to be crocheted. Five were out to shuffle. They played four games and tied the score two to two games. Players were Leo Puri, Leo Breister, Raymond Long, Runar Engard and Revoe Wadover. Twenty-five played bingo Friday night. Milly Joseph won grand prize and the cover all. Two or three times more than one won at the same time. This broke the bank and cut the evening shorter than usual.

The deer and lions in the park are all boasting beautiful new coats. Our thanks for these improvements goes to Marvin Tebo who painstakingly repainted all our little park creatures. The Teboes are with friends camping for the weekend in Highlands Hammock Park.

It takes a Good Eye...

TO THREAD A NEEDLE

Did you ever thread a needle?
... Most everyone has, it takes a good eye, for the opening is small. Did you ever try to thread one while someone else held the needle?
... This is almost impossible. All this brings us to the point that ... there are some things that we must do ourselves. We can not send someone else to church for us, we can not have someone else worship the Lord for us. These things are strictly on an individual basis.

ATTEND CHURCH

... YOU'LL BE GLAD THAT YOU DID.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.
