Board Asked To Allocate Oil Use

The threatened fuel shortage moved closer to Highlands County Tuesday when commissioners were asked to exercise their authority to allocate oil use for heating homes.

The State Association of County Commissioners recommended that all county governments adopt ordinances to deal with anticipated home heating oil problems.

County Attorney Robert Dunty Jr. said that the ordinance proposed by the state association was aimed at helping the "underprivileged" residents of the county.

The major benefit occurring from passage of such an ordinance, Dunty explained, would be two-fold: 1) it would provide a local fuel allocations officer who would report to the state government whenever citizens could not purchase heating oil; 2) it would permit suppliers in the county to obtain extra fuel oil, above their present allocations, to meet local needs.

Jim Lawson, civil defense director, reported that there were six fuel oil suppliers in the county. Only one dealer said he would sell oil to all comers, Lawson said. The remainder stated that they had placed various restrictions on sales in order to have oil for their regular customers.

Through questions aimed at the county attorney, the commissioners assured themselves that the proposed ordinance would not obligate the county to pay for fuel oil used by local citizens. The ordinance, they learned, would merely make heating oil available to users on an equitable basis.

The commissioners agreed to hold a special meeting later in the week to discuss the proposed ordinance with the county's six heating oil distributors.

Miss Delta Burke

Miss Flame Wins Another Crown Recently

Pretty Delta Burke, who won the hearts of judges at the state "Miss Flame" pageant, held in Avon Park in May of this year, added another crown to her list of winnings, when she was crowned "Miss Orlando" last month. (Received a note from Delta's attractive mother, Jeanne Burke of Orlando, who had promised to keep us informed on Delta's busy schedule.)

The 17-year-old senior at Colonial High School in Orlando, is an aspiring young actress and has won many central Florida beauty pageants. She had the audience in the palm of her hand at the Edie Bandshell with her performance of Anne Boleyn's last hours in the Tower of London before she was beheaded, and brought a hush over the crowd, which was gathered for the pageant. With talent counting for half the points in the judging, her beauty and poise was more than enough to convince the judges she should represent Orlando for 1974.

The five foot, five-and-one-half-inch, blue-eyed beauty, first started thinking about a stage career as a student at Stonewall Jackson Junior High School, and started entering beauty pageants last year to overcome her shyness. The raven-haired 115 pound actress has won eight out of the nine pageants she has entered, and was first runner-up in the ninth.

Delta joined the Children's Civic Theater group to get training back-stage as well as on-stage experience. She had a three-week tour with a company this summer, which included stops from Canada to Denver. She won critical acclaim for her acting in "House of Blue Leaves", and also her second Civic Threatre role, "Cradle Song".

Mrs. Burke said Delta's busy schedule almost kept her from the state "Miss Flame" contest. Dress rehearsal for the Friday opening of "Cradle

Crisis May Force Four Day School Week Here

Because of the energy crunch, some Highlands County students, who live less than two miles from school, and have been picked up by school buses, may lose this transportation.

"The time may come when we are going to have to say they can not be picked up," George Douglass, superintendent of schools, said at Thursday night's meeting of the Highlands County School board." There will be no more standees permitted a year from now."

If the gasoline situation gets critical enough, he pointed out, some children who are eligible to ride the buses, but who have been transported by family or friends, may take to riding the buses, thus creating more need for bus transportation.

The problem of ordering new buses came up and will be taken up at the next meeting in January. Board Chairman Henry Bailey asked for a complete list of buses with their ages. Transportation Superintendent Garland Boggus agreed to furnish this. It was pointed out at the meeting that one 1966 bus has 200,000 miles on it and that there are some 1963 and 1964 buses in the fleet. A total of 42 buses serve 64 school runs.

Because of difficulty in obtaining new buses, the board is debating ordering 14 now or eight now and six later. Douglass pointed out:

"If you look down the road, you will save money by buying 14 now instead of eight now and six later."

Another problem facing the board is that more buses will be needed because of a new ruling which goes into effect Jan. 1, 1975—no more standees in school buses after that date.

If the crunch really comes it might mean a possible reduction in the number of miles being served by the school buses, Douglass mentioned.

Chick McConahey, who has been in touch with other counties in connection with the schools' transportation and bus problems, said other counties also have been unable to get any delivery dates from manufacturers who are being caught in a steel squeeze.

Douglass said some superintendents in some colleges may go to the four-day week.

"If we have to go to the four-day week, I can see where it would work if this thing (the energy crisis) continues."

Time change

There was discussion of how the time change Jan. 6, going back to daylight savings time, will affect the schools. The earliest bus pickups are at 6:20 a.m.—with sunup at 7:15 a.m. The advisability of changing this to what would amount to 5:20 a.m. pickups was questioned since children would be at bus stops two hours before sunup, in class earlier, and lights would have to be burned in classrooms for the earlier school start.

Arriving an hour earlier for bus stops "would be a difficult thing for some of the youngsters," Douglass said. "Parents would be worried about their waiting on the side of the road for the bus at that early hour."

County To Collect $150,000 In Mobile Home Tag Fees

About $150,000 in unpaid mobile home tag fees are waiting to be collected in Highlands County, and commissioners said Tuesday that they fully intend to collect them.

Jim McSwain, from the Florida Department of Motor Vehicles, told the commissioners that Polk County has already collected over $356,000 in back tag fees after mobile home owners were told that violators of the state's tag law would be prosecuted.

Tom Wingo, who inspects Highlands County mobile homes for compliance with the tag law is the one who estimated that $150,000 could be gained through local enforcement.

Jimmy Whitehouse, county tag agent, told the commissioners that after the state takes $1.50 from the tag fee, the county and local school board split the remainder 50-50.

Whitehouse said that, although he sells tags, his office is not sufficiently manned to enforce the tag purchase law. He said he felt that enforcement was a job for the sheriff's department.

Wingo pointed out that he inspected mobile home parks in several counties for compliance with the law. Generally, he reported, mobile home owners living in parks buy required tags. But mobile homes in outlying areas are not usually inspected so the incentive for owners to pay tag fees is lacking, he said.

Wingo said that since mid-September he has issued 825 citations—most of them in Highlands County.

McSwain told the commissioners that the law permits counties to collect back taxes and title fees. Polk County, he said, is requiring payment of fees on untagged trailers located in the county dating back to 1966.

Some of the commissioners were surprised to learn that campers that slide onto pickup trucks are required to have tags costing $10.75 per year—whether or not the campers are used.

Wingo said the law requires that a tag fee be paid on any vehicle that can be used to provide temporary or permanent living accommodations.

Mobile homes placed on lots purchased by an owner are required to have a tag costing one dollar. However, owners then pay real estate taxes on the property on which the mobile home is placed.

County Attorney Robert Dunty Jr. suggested that applicants for permits to install septic tanks serving mobile homes should be required to show evidence of tag fee payment before a permit is issued by the county.

Board chairman Norman "Jug" Heston appointed a committee to recommend a course of action. Committee members are: Commissioner Robert Skipper, County Administrator Charles Cullens and tag agent Jimmy Whitehouse.

Cold Snap Could Have Damaged County's Citrus

The cold snap early this week, which dropped thermometers to 26 and 27 degrees for about three hours in predawn Tuesday, may have damaged the county's citrus crop in some cold pockets.

Another severe cold wave is expected to hit full force Saturday, with some fuel supplies in the area starting to run a little short.

And another severe cold wave is expected to hit full force Saturday, with some fuel suppliers in the area starting to run a little short on heating fuels.

Tim Hurner, assistant county agent, citrus, said the cold of this week possibly damaged fruit in low pockets. And the cold of about a week ago, although not nearly so severe as this week's, did leaf damage to trees.

"There has been quite a bit of dropping," said Hurner.

A few wind machines were running in groves Monday night to fight frost, although "there was not much warm air at 40 feet."

There was little or no burning of grove heaters, Hurner said, as "most growers are being real conservative because of the scarcity of fuel."

This week's cold weather caused frost to start forming about 2 or 3 a.m. Tuesday And about 4 a.m., said Hurner, there was pretty general frost."

The cold wave which hit here this week was related to the big storm and cold weather in the New England area.

Joints as Lawrence McRae fed the ball to him time and time again on fast breaks. McRae himself pumped in 10 points but impressed Devil fans most with his passing off to teammates. Mearl Robinson hit for 20 counters; Phil Harris had 17 points; Melvin Collins put 16 points through the nets, and Nate Packer contributed nine points. Ricky and Mickey Claitt, the junior Devil twins, both scored eight points and Marvin Jackson put in six points in the big, high-scoring win.

Charlotte Game

Last Friday night the Charlotte High Tarpons from Punta Gorda came to town with an 0-4 record and left with an 0-5 mark as the Red Devils jumped on them for a 91-63 victory. Avon Park led all the way but several times the Tarpons drew close until the final half when the Devils got hot and scored 29 points in the third period and 26 in the fourth quarter to wrap the game up.

Filipde Harris, Devil senior forward, was high scorer with 29 points hitting 12 field goals and five of seven free shots. Nathaniel Packer hit 10 shots from the floor and two of six free shots for 22 points. Lawrence McRae came in in the second quarter and played a fine game, scoring 15 points. Melvin Collins and Mearl Robinson both hit for eight points each; Craig Pressley scored six points; Mickey Claitt had two counters and Ricky Claitt sparked the team in the first and second quarters with some aggressive defensive and offensive play although he scored only one point. The Devils hit 15 of 28 shots from the line as they continued to hit over 50 per cent since the first game when they made only one of 10 in losing to Arcadia.

Miss Flame

Song," was scheduled for Thursday night, the same night she was to be in Avon Park for the Miss Flame pageant. As winner of Orlando's "Miss Flame" contest, she had an obligation to represent the area in the state contest. At first the director of the play, said she couldn't go to Avon Park, until cast members heard of her dilemma, and convinced him to move dress rehearsal to Wednesday night, to make it possible for Delta to attend the pageant. Mrs. Burke said that was a busy week. On Wednesday, Delta had the dress rehearsal for "Cradle Song", then they dashed to Avon Park early Thursday for pageant rehearsals and the pageant. On Friday she had to be at Disney World to appear at the state underwriter's convention, since they are co-sponsors of the "Miss Flame" Contest. She had to skip the festivities that followed and was back at the Civic Theatre for the opening that night of "Cradle Song."

Holiday Hours For City Workers

Southland Mobile Home Park

By BETTE CHAPEL

It's Christmas time again and inspite of the energy crisis a few lights are going up to give that extra touch to the season's spirit.

The Paxtons received a Christmas greeting from Carl Wertzbar, whom many in the park will remember when he and Lila lived here. He is in Springfield, Ill., near several of his family now.

Myrtle Heffernan is home from Walker Memorial and we all hope she can enjoy a happy holiday season.

Friends have received word from Marie Stroobant and she will be arriving in Avon Park around the first of January. She says, "I really am homesick for Avon Park and all of my friends at Southland."

The Paxtons have received word of the arrival of their third great-grandchild, Jennifer Lynn Hood.

Mr. and Mrs. Tebo enjoyed having their son and his wife with them for a week's visit.

Goldia Daun, Mildred Hindsley and Mildred Abel enjoyed a shopping trip in Orlando with Southland Tours Saturday, Dec. 15. The stores were beautiful and the climax to the trip was a stop at Christmas World. It was out of this world!!!

Mr. and Mrs. Leo Pertl have sold their home and returned to Minnesota. The Rody's have purchased the Pertl's old residence at 109 and are all moved in.

The Paxtons, as residents of Southland, wish to join other residents in the park in publicly expressing appreciation for the many kindnesses shown, improvements made for our comfort, and hours spent in keeping the park a very attractive place to live. As each of us returned this fall we were greeted with a new hall. It had been extended, carpeted, new curtains put at the windows and new chairs and tables were added. We know the Chapels take a great pride in owning and operating Southland and as each improvement is accomplished they no doubt have a feeling of satisfaction. All of us—94 in number—express our thanks for making our home away from home so comfortable. And the two young Chapels keep us in touch while we are away from our homes.

Coffee was especially good Tuesday morning after a crisp walk to the hall. Twenty joined together for coffee with Mrs. Luella Pinney as guest.

In the spirit of friendship and good will that is Christmas . . . we thank our many customers for their continued patronage! To all, our sincere wishes for holiday joy!

Mrs. Jerome Shiltz of Avon Park entertained with her bells after the sing Saturday night—accompanied by Sallie Wright on the piano, she played Christmas carols to the delight of 76 in attendance.

The coffee hour Monday attracted many to the hall for a morning break and opportunity to meet and chat with the new as well as old residents. Sounded like it will be a regular feature and a good way to start the week.

A game night on Thursday found many participating in one of several games brought by residents.

Mrs. Edith Stevens had an enjoyable birthday celebration Saturday, Dec. 15. She and her twin brother, Ernest Thomas of Avon Park, and their families, had dinner together at a local restaurant and later all attended the hymn sing and entertainment. The group sang "Happy Birthday" to the "Twins".

A portion of a discarded orange tree, transformed into a beautiful Christmas tree with its coat of silver paint, glittering decorations and pine cones, adds a gay holiday setting for the shuffle court area.

A Christmas party with program will be held Saturday, Dec. 22, at 7:15 p.m.

The annual Park Christmas dinner will be Tuesday, the 25th, at 12:30 p.m.

Mildred Shearer and Gladys Geib left Monday by plane for Canton, Ohio, for the holidays.

Junior Red Devil running back Ricky Claitt also was chosen on the All-Conference team and was a first team choice on the All-Region team this season. Ricky averaged 98 yards per game for Avon Park and was the team's leading scorer.

Nathaniel Packer, senior Red Devil end, made the All-Region third team and Mearl Robinson, senior, was chosen for the All-Region third team as a defensive halfback.

The Red Devils finished the season with a 7-2 record losing only to Mulberry and Fort Meade, the state AA runner-up this year.

In Wauchula last week the Red Devil jayvees had big scoring second and third quarters to take the 53-32 win from the Hardee High junior varsity. The junior Devils dumped in 16 points in the second period and 20 in the third quarter to outclass the Wildcat jayvees. Sam King, Devil freshman, pumped in 18 points and pulled down 11 rebounds to lead the Avon Park squad. James Ross also had 11 rebounds for the Devils and scored 14 points. Last Friday night here at home the Devil "B" team made it four straight with a 61-48 win over the Charlotte High jayvee squad from Punta Gorda. It was a wild, rough game with Charlotte drawing 28 fouls and two players fouling out of the game. Avon Park led all the way scoring 16 points to Charlotte's 11 in the first quarter and then keeping the lead throughout the game.

Again it was Sam King with 25 points leading the Avon Park scoring. Sam also had nine rebounds. WOMEN'S SECTION

MRS. GARY E. BENNETT

Carol Lynn Douglass Weds Gary Bennett

In a double-ring ceremony Dec. 15 in the First Presbyterian Church of Sebring, Miss Carol Lynn Douglass became the bride of Gary Ellis Bennett.

The Rev. George C. Stalting officiated at the candlelight ceremony, and Mrs. Peggy Lee Maxcy at the organ provided the nuptial music. The decorations featured spiral and arch candlebra accenting the tiered baskets of burgandy and pink carnations with a background of palms.

Candelight gown

The bride, given in marriage by her father, George F. Douglass, wore a candelight gown of chantilly lace over satin. The bridal gown was in a princess style with a long train featuring satin trim at the neck and sleeves with covered satin buttons down the front of the gown and on the sleeve cuffs.

Mrs. Wesley Glenn Turner attended her sister as matron of honor. The bridesmaids included her sister Sharyn and Laurie Douglass, and Mrs. Robert Douglass Stone, sister of the bridegroom.

The attendants were gowned in identical attire of burgandy crepe accented with a pink ruffled collar and pink ruffles on the long sleeve weskit.

Robert Douglas Stone of Orlando, brother-in-law of the bridegroom, attended as best man, and groomsmen were Wesley Turner, Paul Beidell and Billy Thomas, cousin of the bridegroom.

Reception

Serving at the reception immediately following the ceremony were Mrs. A. C. Heacock, Miss Monica Sauls, Linda Glass, Barbara Travers, Patti Kisla and Leslie Marshall. Mrs. Chester Bennett attended the guest book, and Mrs. Ralph Eyman entertained at the piano.

Out-of-town guests included Mr. and Mrs. Harry H. Jones of Clearwater, Mrs. Carolyn Burham, grandparents and aunt from Michigan; Mrs. Faye Campbell, grandmother of the bridegroom; Mr. and Mrs. Cliff Thomas; Mr. and Mrs. Billy Cooper and family; and Jerry Casey—all of Avon Park; Mr. and Mrs. Robert Cooper of Winter Haven; Mr. and Mrs. Howard Hopper and Jim Ward of Ona, Fla.

When the couple left for a short wedding trip, the bride wore a wool plaid ensemble and a corsage of white rosebuds lifted from her bridal bouquet. Upon their return the couple will reside in Avon Park.

Mr. Bennett is employed by the Highlands County School system in the Exceptional Child program, and Mrs. Bennett will be teaching first grade at Hopewell School in Avon Park.

On Friday evening prior to the wedding a rehearsal dinner was held for the bridal party at Clayton's and was hosted by the parents of the bridegroom, Mr. and Mrs. William Bennett.

Joy To The World!

Singing our best wishes for a very Merry Christmas to all our friendly customers!

Old-Fashioned GREETINGS MAY YOU HAVE A VERY HAPPY HOLIDAY

TOWN TOPICS

by Eloise Sharpe

453-4355 453-4351

This Christmas should be an especially happy one—the first Christmas in many years that we haven't been at war. And while we are enjoying the holidays with family and friends, let's not forget the ones who gave their lives so that we might enjoy this freedom, and also the families who have loved ones missing from their holiday festivities. I also want to thank all of you who have made my job easier by sharing with us, the important happenings in your lives and families this past year. So—"May You Have The Gladness of Christmas"—which is hope; "The Spirit of Christmas,"—which is peace; and "The Heart of Christmas"—which is love.

Fifth And Sixth Grades Write

What Christmas Means To Me

The following papers were among many that were written by fifth and sixth graders in Mrs. Mickunas' music classes. The children were asked to write in their own words what Christmas meant to them. All the papers were excellent and it was difficult to choose which ones to include in the paper, but the following papers seem to express all the different aspects of Christmas the best.

What Christmas Means
By Darlene Starr
Fifth grade

Christmas means happiness
and it brings so much cheer,
Christmas means love
that rings throughout the year.

Christmas means stars
That twinkle above
Christmas means everything
That has to do with love.
Listen to the bells ring
They're ringing loud and clear.
They're ringing out happiness,
They're ringing out cheer.

The candles were lit,
So bright and Shiny,
He lies in a manger,
So sweet and tiny.

What Is Christmas?
By Marie Paliani
Sixth grade

I think Christmas means love.
And a time when people get together,
And a time for praying to Jesus and God.
And a time of happiness.
And a time for singing.
And a time for peace.
And a time to get presents.
And it's also a time to watch the Christmas tree light up.
And sometimes it is a time of sadness.
And it's a time to look and see what is in your Christmas stocking.
But out of all this, I think Christmas is a time for love.

What Christmas
Means to Me
By Tim Crib
Sixth grade

It means love to one another.
To thank Mary for having Jesus, our savior from sins.
And for the presents that we have and the food we have.
Thank you for loving us, Lord.

What Christmas
Means to Me
By Regina Collins
Sixth grade

Christmas is a time of joy. And Christmas is a time of toys. Everyone loves Christmas because it was the day when the Lord Jesus was born. And that's why I love Christmas so much. And on Christmas all the children look for presents under the Christmas tree. But no one can find a present like God gave us. And that is His son, Jesus. Because He gives another chance to live again. Sometimes I look for a bike and don't get it. Maybe because I don't need it. And so I get something else. These are the things that Christmas is to me.

What Christmas
Means to Me
By Enoch Charles Caldwell Jr.
Sixth grade

I like Christmas because it is the Lord Jesus' birthday. Christmas is a good day for some people.
Some people have a bad Christmas.
But Christmas is an enjoyment day.

Sometimes people get married on Christmas.
It's good to have a Christmas and a God and a mother and a daddy
and a brother and a sister. And this is the end.

Christmas
By Sam Goodwin
Fifth Grade

Christmas is happiness, a good time,
Presents, a Christmas tree with lights all over.
A good Christmas dinner, and a chance to be together with other people....
That's what Christmas is to me.

Episcopal Women Here Program On Yule Music

The Episcopal Church Women of Avon Park met for their regular meeting on Wednesday, Dec. 12. After attending midweek Communion in the Church of the Redeemer, members proceeded to the home of Mrs. Albert Wester Sr. for the meeting and Christmas Luncheon. She received guests in her decorated house. Christmas greens, a lovely Christmas tree and Yule decorations made one realize Christmas is almost here.

Mrs. Eugene Hise opened the meeting with a reading, "The Living Church." She thanked all members for their help at the recent "Christmas Bonanza". She gave a special vote of thanks to Mrs. Sanford Hartt, chairman of the event, who worked so hard arranging the show, working along with all her help to make it the success it proved to be.

The secretary's and treasurer's reports were presented and approved as read. Mrs. Hise announced that Mrs. Ed Hall, has accepted chairmanship of the annual "Pancake Day." This will be held on Shrove Tuesday, Feb. 26, in the Parish House of the Church of the Redeemer, and will feature the pancakes made from an old family recipe, which have been enjoyed for so many years. This is an event looked forward to from year to year by residents and winter guests alike.

As Mrs. E. G. Todd is hospitalized in Walker Memorial Hospital, it was thought there would be no program, but once more, Mrs. Todd came through with a special treat. David Flowers and Mike Eberle, members of the "Highlander" choral group, provided a program of Christmas carols and music. The "Finale" was a special treat. Mike Eberle gave a rendition of one of his own compositions, both lyrics and music—a Christmas special—"What Does Christmas Mean". Avon Park should be proud of these talented youngsters. Here's hoping to see and hear more of them in the future.

A social hour followed the lunch. Mrs. Hise thanked Mrs. Wester for being hostess to the group.

The next meeting will be on Wednesday, Jan. 9, in the Parish House of the Church of the Redeemer, after midweek Communion.

MRS. OTTIE V. BURCH (second from right) celebrated her 90 birthday on Wednesday, Dec. 12, and was honored with a luncheon at Walker Memorial Hospital. Mrs. Burch is shown above with a bouquet of flowers presented to her at a party in her room following the luncheon. Mrs Burch Honored On Birthday

Mrs. Ottie V. Burch was honored on her 90 birthday with a luncheon held in the Walker Memorial Hospital cafeteria on Wednesday, Dec. 12. Mrs. Bedros Sharian and Earl Furbish, food service director at the hospital, were in charge of the affair.

After the luncheon, open-house was held in Mrs. Burch's room from 1 until 3 p.m., with approximately 100 visitors calling to wish her "Happy Birthday". Birthday cake, cookies and punch were served to guests who called, which included John McClellan, administrator of the hospital, and nieces of Mrs. Burch, Mrs. Louise Kroh from Littlestown, Pa., and Mrs. Naomi Copland of DeSoto City.

Mrs. Burch was born Dec. 12, 1883, in Otter Dale Mills, Md. She was in the millinery business for 15 years in Hanover, Pa., and was married to Frank P. Burch on Sept. 5, 1923, in Hanover, after which they came to Florida. They lived in Avon Park for six months, then built a home in DeSoto City, where she was postmistress for 23 years, from 1931 until 1964. They also had a country store in connection with the postmistress job. Mrs. Burch has resided at Walker Memorial Hospital since Jan. 11, 1961.

Mrs. Burch received many gifts and wishes for happiness from those who visited and celebrated this special day with her.

Christmas Party Held At Church

Members and guests of the First Presbyterian Church of Avon Park gathered for their Christmas party on Wednesday, Dec. 12. A pot-luck supper was enjoyed—followed by the Christmas program—with the children celebrating the birthday of Jesus, around a lighted tree, complete with a birthday cake for Jesus, in the shape of a Bible.

Mrs. Judy Mundt led the congregation in the singing of Christmas carols and the children's chorus in singing "Birthday of the King", and "Infant so Gentle". Mrs. Betty Hart read "The True Story of Christmas", and Ann McDaniel read the story of the "Birthday of Jesus". All the children brought food and placed it in the cradle at the lighted tree—to be used for Christmas Cheer. The program was ended by the children singing "Happy Birthday to Jesus".

Walker Memorial Report About Christmas Float Accident

Two times each year Walker Memorial Hospital conducts disaster drills, one internal and one external. Fire drills are held monthly.

The following is a report of what happened at the hospital on Dec. 3, as it relates to the accident involving one of the Christmas floats on Highway 27.

At approximately 6:40 p.m. the hospital administrator was notified that one of the floats participating in the Christmas Parade had been struck by a truck on Highway 27 soon after leaving South Florida Junior College for the assembly area. It was estimated that approximetely 12 to 15 patients would be brought to the Emergency Room within the next few minutes. At this time the order was given to call all available personnel. In spite of the fact that most employes off duty were at the parade, several department heads of critical areas were notified and responded. All available doctors were notified of the disaster. Several nurses who were not on duty at the time were also called and responded immediately. By 6:50 p.m. nine patients had been brought to the hospital's Emergency Room. Of these patients two were critical, one of which was admitted directly to I.C.U., the other was sent to Winter Haven, two were treated for cuts and bruises in the Emergency Room and admitted to the hospital and five patients were treated for minor injuries and released.

Those participating were most of the nurses on duty in the hospital at time and several individuals who came in who were not on duty. Seven doctors responded to the call and were here functioning by 6:45 p.m. The hospital administrator was at the Emergency Room answering phone calls from the news media and others calling in regarding the victims.The physical therapy area was opened to give additional examination areas for the accident victims.

At least two recommendations can be made as we observe what happened. Individuals are urged not to call the hospital in case of disaster unless it is absolutely an emergency. This recommendation is made because of the heavy incoming traffic from the general public asking about relatives and friends at one time tied up all the hospital's incoming lines.

A pocket paging system would be most helpful in a disaster such as this, thus permitting the hospital to contact individuals who may not be home but might be reached in the general area.

The medical staff is commended for their quick response and efficiency in handling these patients.

A Christmas Thought

Today, may we all turn our thoughts back through time to that miraculous journey nearly two thousand years ago to the hills of Bethlehem where He was born to bring us joy and peace. And may we offer this Christmas prayer for another journey, the journey of our world on the path to peace. Let us pray that strength and courage be given to all who work for a world of reason and understanding. That men will no longer be divided by malice and avarice by good will and benevolence. That each day of the coming year may bring us closer along our journey to a final peace... when the true spirit of this Christmas Day... its joy, its hope and above all its abiding faith... may live forever among us all.

Ladies Night Dinner Held For Rotary Club Wives

The Avon Park Rotary Club entertained their Rotary-Anns (wives) and guests at a Ladies Night dinner held at the Lions Club, Avon Park, last Thursday evening.

Guests and members were greeted at the door where Rotary-Anns Long and Worden pinned Christmas corsages on the ladies attending. During the social period Rotary-Anns Brooks and Morris served a red and green Christmas punch of cranberry juice, lime sherbet and gingerale to members and guests.

During the dinner hour the following—with their Rotary-Anns—were seated at the head table, Rotary President Ed Bailey; Norris Brooks, program chairman; Don Farrens and John Morris. The evenings invocation was given by Clifford Dance and Club singing of selected songs—led by Charles Ginn. Special guests of the evening were Mrs. Edna Jackson, club pianist; and Mrs. Emmette Wright.

All enjoyed a dinner meal consisting of fruit cup, tossed salad, prime roast rib of beef, baked potato and sour cream, green beans, hot rolls with butter. The dessert served was Napoleon—a Danish pastry, plus coffee, tea or milk. There was Hawiian pineapple dream boat for those who preferred. The meal was prepared and served by Oscar Georga, manager, and his staff, at the Holiday Inn, Lake Placid.

Following the meal each Rotarian introduced his Rotary-Ann and guests. For the occasion, president Ed read the poem "Christmas" by Ogden Nash—as appropriately fitting the evening. Program chairman Don Farrens presented Evelyn Jones, director of the teen-age singing group "The Young Highlanders".

In their musical program announced by director Jones "The Young Highlanders" endeavored to have their audience sing along with them in "I Believe in Music". This gave way to a song about pollution, which in turn was followed by several Spiritual numbers. The highlight of the musical evening was a medley of old familiar, yet seemingly, new and fresh Christmas carols. As the final number of the evening, Evelyn Jones directed the combined chorus of "The Young Highlanders" and the audience in a moving "God Bless America".

Business Women Hold Yule Party

The Avon Park Business Woman's Club held its Annual Christmas party on Monday evening, Dec. 17, at the Jacaranda Hotel.

A welcome was given by the president, Mary Lee King, after which guests were introduced. Those attending enjoyed a Christmas dinner of turkey, ham and all the trimmings. After dinner, the club was favored by several Christmas selections by the Hand Bell Choir of the Congregational Church, directed by Mrs. Paul Zuck.

The tables were decorated with candles and a lighted Christmas tree at one end of the dining area where the gifts were placed. After an exchange of gifts and a Merry Christmas to all, the meeting adjourned. The social committee was in charge of arrangements, with 50 members and guests attending.

Tomlinson Appointed Mail Superintendent

Postmaster R. D. Young today announced that Regional Postmaster General, Carl C. Ulsaker, has approved the appointment of Mrs. Carolyn E. Tomlinson to the position of Superintendent of Mails at the Avon Park Post Office.

Mrs. Tomlinson was chosen for this position from a field of six applicants. Final recommendation for her appointment was made by the Advisory Promotion Board of the Tampa District, which is comprised of four postmasters and supervisors.

Mrs. Tomlinson joined the Postal Service in July, 1961, as a Distribution and Window Clerk. Upon the retirement of J. M. Davis in April 1973, she assumed his supervisory duties in an acting capacity until the appointment was was made permanent.

HOW TO BE READY . . .
FOR THE BIG HOLIDAY PHONE RUSH

On Christmas Day, people place about three times as many long distance calls as on an average day. Last Christmas, calls from our area totaled 175,000. This year, we expect more.

Here are some suggestions to help beat the rush:
1. CALL EARLY! . . . Exchange greetings a day or two before Christmas.
2. If you call on December 25, make it as early in the day as possible.
3. Dial direct! It's cheaper and usually faster than an operator-assisted call.
4. Prior to Christmas, obtain the correct numbers you plan to call. So you won't have to use long distance circuits for Directory Assistance calls on Christmas Day.

We'll have a full staff of operators working for you on Christmas, to help make it as merry as possible . . . in spite of the rush.

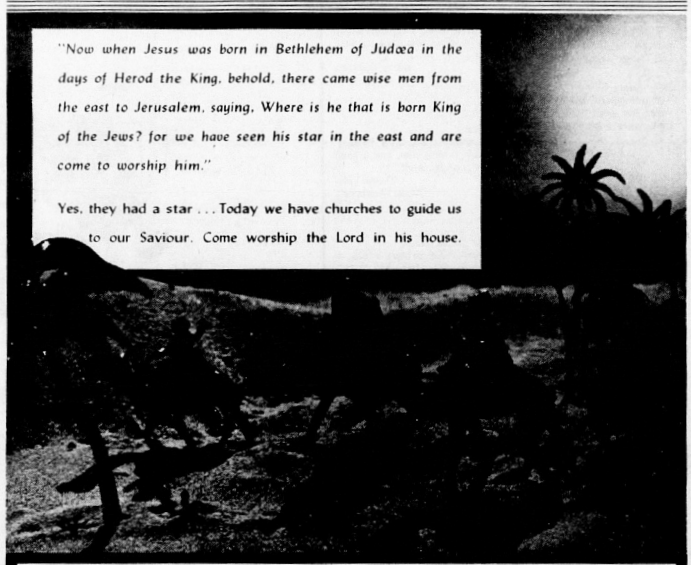
They had a STAR



"Now when Jesus was born in Bethlehem of Judæa in the days of Herod the King, behold, there came wise men from the east to Jerusalem, saying, Where is he that is born King of the Jews? for we have seen his star in the east and are come to worship him."

Yes, they had a star . . . Today we have churches to guide us to our Saviour. Come worship the Lord in his house.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

EVERYONE IN THE CHURCH... THE CHURCH IN EVERYONE

Missed last week in reporting those who won in the A and B Tournament played in Sebring, Raymond Downing and Fred Priebe of Sebring, who came in second.

The post-poned tournament of Dec. 6, played on Dec. 8 was won by Hazel Thompson and Paul Manegold over Georgina Wetmore and Alton Wetmore. Consolation winners: Louise Bell and Ernest Thomas with Kellie Larrew and Harold Wolcott coming in second. Ten courts of "As".

Nine courts of "Bs" with George Geisler and Charles Bidstrup winning over Robert Kirby and Merrill Murphy. Consolation winners were Edward Edwards and F. E. McEwen, first; Leroy Hankens and Alice Holsapple, second.

On Dec. 12 10 courts were in play in the "B" class. Anna Manegold and Ken Holsapple won over Henrietta Kroeger and F. E. McEwen. George Geisler and Earl Dunevent were consolation winners, with Nora Werner and Lloyd Lofland the runners-up. The "As" had 11½ courts in play with Helen Gaut and Estells Swyers winning over Henry Retter and Earl Hazard. Fred Frye and Hubert Smith won in consolation, Louise Bell and William Bayes were runners-up.

On Dec. 15 the courts were too wet for the "As" to play in the morning. So in the afternoon the "Bs" had 11½ courts in play. Winners were William Olson and Ken Holsapple, first; second, Charles Bidstrup and Ray Downing; third, Edward Edwards and Ivan Goddard; fourth, F. E. McEwen and Earl Dunevent.

In pinochle on Monday afternoon Maude Baker and Howard Robertson tied for first place with 666. Second was Myrtle Bynner 611. On Friday afternoon high score went to Elsie Tibbs 823 and Fred Hughes 770.

Bridge was played on Tuesday afternoon with Vi Lexa coming in first with 6080 and Eleanore Nickerson coming in second with 5800.

The Howell Movement was used in Duplicate Bridge on Thursday afternoon for four and one-half tables in play.

Ethyl Hardin and Vi Lexa was first. Billie Hise and Maurice Brevoort second, Alice Garcia and Claude Bynner third and fourth was Joe Nickerson and Herman Wurster.

The ladies in the craft class were all making the little Christmas trees, wreaths and Poinsettia pins in the quilling. On the 27th they will be making plaques and pins using the decolletage craft. Pine needle work will soon be started.

Don't forget the Christma party on Thursday evening a 7:30 that Lloyd Wyant and Pau Swearingen are putting on. Also don't forget to bring staple food to the amount of a dollar, for the baskets that will be distributed around Christmas time by the Cheer Association.

We can't seem to get more than three squares of dancers on the floor on Monday and Friday evenings, but if just one more couple had attended there would have been four squares. Even with the mistakes it is more fun. Refreshments were served Friday evening by the Joe Gauts and the Lloyd Wyants. Lena Vanzo was a guest.

Members now number 451.

New members are Dudley and Almina Bacon of Chocora, N. H.; Gertrude Bohland, Avon Park; Florence Dunevent, Leesburg, Ind.; Marian Harper, Kopperston, W. Va.; Lavina Radcliffe, Avon Park; and Clifford Fish, Plymouth, Ind.

Recently returned are Helmer and Ina Beck, Duluth, Minn.; Furman and Mildred Bellinger, Fonda, N. Y.; Raymond Beyler, LaPaz, Ind.; Wesley Bruce, Twining, Mich.; William and Audrey Cleland, Hicksville, Ohio; Thomas and Phyllis Hance, Castile, N. May this holiday season bring you happiness and laughter . . . the glow of candles and the scent of pine . . . the sounds of children and the joy of family.

1. Card of Thanks

WE SHOULD LIKE to express our appreciation to friends and relatives for food, flowers, cards, prayers and other acts of kindness during the recent loss of our loved one.

The Edna Love Family

I WISH TO thank all the nurses and aides on the second floor of each shift at Highlands General Hospital; also all nurses in the C.C.U. for the wonderful care I was given on my long stay—you were all so kind to me. And a big thanks to my neighbors and friends for their prayers, cards and gifts—this all helped in my recovery. Special thanks to Dr. Rengarts. Merry Christmas to you all.

Food Poisoning A Major Health Problem

By JO TOWNSEND
Highlands County Extension Home Economics Agent

Food-borne illnesses affect over two million Americans or one out of 100 Americans each year. The most common food-borne illness (commonly called food poisoning) is salmonellosis.

Salmonellosis is often mistaken for a 24-hour virus because of similar symptoms—headache, fever, stomach cramps, diarrhea and vomiting. The disease generally lasts from one to five days. Although it usually is not fatal, it can be dangerous to the very young, the very old and people already weakened by illness. The illness generally lasts from one to five days.

Food poisoning should be a major concern of residents of Florida the year around since warm humid weather provides an environment for the salmonella bacteria to reproduce rapidly. The bacteria are destroyed by high temperature in cooking.

The source of the salmonella bacteria may be a human being who had the disease or who is a carrier. The organisms may also come from a wide variety of animals, such as poultry, fish, eggs, and dairy products. It is present in all uncooked meats. Obviously you should avoid eating these products raw. Foods such as ducklings, chickens, and turtles may transmit the bacteria to children who play with them.

You can protect your family from food poisoning if you follow a few simple precautions when preparing and serving foods:

1. Wash hands, kitchen counter space, utensils, dishes and cutting boards after contact with raw meat. It is recommended that a different cutting board be used for preparing meats than the one used for cutting vegetables, cheese and other foods.
2. When defrosting meat in the refrigerator, keep it away from all other food. Blood from raw poultry and meat can be contaminated with salmonella and can, in turn, contaminate any foods with which it comes in contact.
3. After cooking, do not allow meat or poultry to stand a long time at room temperature.
4. A cracked egg is heavily contaminated because the outside shell of eggs is contaminated. Wash hands immediately after cracking eggs. (Persons who add raw eggs to beverages are living dangerously).
5. Do not wash pet dishes in the kitchen sink. If your pet is having stomach problems, keep children away from it.
6. Keep your hands out of food and do not taste with the cooking spoon or lick your fingers.
7. Refrigerate as soon as possible foods such as cream pies, custards, salads made with mayonnaise and all cooked and uncooked meats.
8. Keep hot foods hot and cold foods cold. Cover and refrigerate left over foods immediately.

For further information on how to avoid salmonellosis in the kitchen come by the Highlands County Extension Office on U.S. 27 south in Sebring.
