

Godmother Visits During Holidays

The beautiful Lake Lotela home of Mr. and Mrs. O. C. Stephens, Jr. was filled with the cheer of Christmas and the smell of Polish baking over the past three weeks, as their children's Moll and O. C. III, godmother Mrs. Louise Divoky, visited for the holiday season.

Louise, leaving three inches of snow behind her in Cleveland, O., flew to Tampa and was met by the Stephens family. She spent three weeks at their home, capping New

Year's by enjoying the Sebring Jaycees at their party at the Highlands Agricultural Center. Louise, who used to bake professionally, added pounds to the Stephens family with many of her delicious Polish pastries.

While visiting our city she said that it was very beautiful and "very quiet" compared to the sounds of a large city. She left Jan. 5 with temperatures here in the 70's to return to the north where five inches of snow awaited her arrival.

Shuffling

Since it was rainy and cold there was no tournament on Wednesday. On Saturday, however, in spite of the cold, there were nine courts of "B" players in the morning. Anna Manegold and Louis Hageman won over Edward Edwards and Jean Culver. Twyla Wurster and Theresa Bayes won in consolation with Guilio Vanzo and Karl Hart the runners-up.

In the afternoon there were 13 courts of "A" players. William Bayes and Alton Wetmore won in the main, with Ernie Rouget and Russell Smith coming in second. Consolation winners were Ellen Coombs and Ed Healy over Mabel Crocker and Earl Hazard.

Card Games

With 11 and 12 tables of players high scores in pinochle on Monday and Friday afternoons were won by Bill Benson 784, Ed Nadsady 757, Fanny Klenk 650, and Amazon Barnes 784.

Bridge had six tables of players of Tuesday afternoon. Joe Nickerson had the high score of 5990 and Alice Garcia 4500.

In duplicate bridge with eight tables in play north-south winners were Ethyl Harden and V. L. Morris and Sylvia Landisman. Joe Nickerson and Maurice Brevort. East-west winners were: Bertha Brush and Martha McBeth, Grace Krenyick and Inez Kinney, Marie Fulton and Alice Garcia.

Crafts

Participating in the crafts on Thursday morning were 65 ladies. They made pinecone work, pressed leaf stationery, Christmas card plaques, lace decorated boxes and macrame. Next week shell work and knitting will be added attractions.

Dances

Dances were very well attended on both Monday and Friday evenings. Everybody had a good time with the pattern, round and square dances. Even the new square dancers got into one square with quite good success.

The classes on Monday mornings are going very well. They also practice from 7 to 7:30 on dance nights.

Entertainment

Mr. O. G. Burgeson from Juneau Beach gave a most interesting talk on plant life, including medicinal plants. He says that every drug that we use today was put in the plants

of the earth to take care of every disease. His talk was illustrated with beautiful pictures of all plant life, trying to show folks how to identify the edible from the poisonous ones.

Fiftieth Wedding Anniversary Party

As usual the 50th wedding anniversary was a grand success with a fine program on Sunday afternoon, Jan. 14, at the Club House.

Albert Cushing, with Jerald Perkins at the piano, played several numbers on his violin, two of which were Chaconette by Overholt and Sicilienne by Paradis.

The Rev. J. J. Norred of the Union Congregational Church gave a very fine talk on the art of being a senior citizen.

The couples so honored whose 50th anniversary occurred in 1972 were Harry and Eva Brow, who were unable to be present due to illness; James and Eva Chamberlain; George and Ellen Coombs; Harry and Ota Gibson; Charles and Grace Romilly; Ira and Alice Shader; Floyd and Edith Stevens; Augustus and Irene Swyers; and John and Edna Wolf, also unable to be present.

Each one was introduced by Paul Swearingen with a short biography. Pictures were taken of each couple. Also introduced were John and Charlotte Dickson who celebrated their 65th anniversary last year. They are just as chipper as any on the stage.

The Shuffleaires sang several numbers under the leadership of Lloyd Wyant. Lillian Seeger accompanied them.

After this a receiving line was formed by the couples and they were greeted with good wishes by all who attended. Refreshments were served by Caroline Webber and her committee.

The ushers who officiated were Ray Johnson, Sylvan Baker, Lloyd Wyant and Glenn Long.

Just stop by our Florida Power office in your area.

And if you're interested in budgeting your electric bills each month, consider our Equal Payment Plan. It eliminates the inconvenience of higher seasonal bills by letting you pay the same amount each month, summer and winter.

If you're a year 'round residential customer, we add your electric bills for the past 12 months to determine what your total will be for the next 12 months.

Then, we divide by 12 and bill you for that amount each month.

At the end of the year, any difference between what you paid and what you actually used will be figured into your payments for the following year.

Southland Mobile Home Park News

by Bette Chapel

453-4218

Sunday brought pleasure and sudden sadness to the Longs with the arrival of Mrs. Long's brother, Clinton Snyder, and his wife and another brother, Ralph Snyder. The Snyders arrived at 4 p.m. and at 6 p.m. they had to admit Clinton to Walker Memorial Hospital with a stroke. As I write this column, however, a week has passed and it is reported that Mr. Snyder is doing better and able to talk with the family when they visit.

Monday Helen Erdi left for an over-night trip to visit a friend in Sanford. Later in the day W. Roman, B. Zargabe, E. Stroup and A. Sinclair went out gathering cane material. We will be expecting some real trophy pieces.

Tuesday proved to be a very busy day for many in the park. The coffee hour brought out 20 brave souls who found that a brisk walk to the rec hall and a hot cup of good coffee with a nice fresh pastry and the hum of friendly conversation proved as warming as that time spent cooped up in four walls with the heater humming. In the afternoon the "Cane Gang" enrolled another trooper, F. McEwen, and reaped another harvest of cane material. Goldia Daum was pleasantly surprised to have Kay and Mac MacFadden from Lakeland drop in for a visit. Perhaps some of you will remember them as at one time they were in an Air Stream just south of

the rec hall. Mr. and Mrs. Tebo left for an over-night stay on the east coast with friends there. Misfortune was in Louise Garrison's day as she again returned to Walker Memorial after a three day release from her previous stay there.

Wednesday found 10 ladies busy in the recreation hall for a sewing session and also for making plans for the hobby show which is scheduled for Feb. 28. Mark your calendars to be sure you won't miss the exhibits and for those who have entries - Get With It! Some of those games would be mighty fine if you have any questions of how or what to enter. See Mr. and Mrs. Wandover. In the evening there were two tables of 500 played at the hall. Mildred Hindley had the high score. Following the 500 games, a snappy game of pinocle was played. Everyone would enjoy having more people turn out for our card games.

Thursday afternoon Waldo Davidson and Loyal Conrad returned safe home again after a sudden call to Ohio to attend the funeral of Waldo's brother. We are sorry this trip was necessary and are all relieved to have Waldo and Loyal back safe as weather conditions this time of year are far from good. In the evening there were five games of aggregation played at four tables. Four tied for high score, Rosie Hall, Leo

Breister, Harriet Wandover and Hannah Tebo. Afterward everyone enjoyed refreshments furnished this week by Anna Barth. If you want to get in on the festivities next Thursday night, you better set aside that evening and plan on being there.

Friday the Rev. and Mrs. Hutchens were visited by their daughter Ruth Bopp and granddaughter Becky of Indiana. We have to apologize to Ruth. Twice now she has been here when we have had rather unpleasant weather. Ruth has been invited to come again, and let's all hope for our more typical Florida weather. Needless to say, shuffle for the day was called off due to the rainy weather we had. Elwood Stroup celebrated his birthday by driving to the Orlando Airport accompanied by Bill Zargabe to greet Elwood's friend Paul Reese. Paul is from Ohio and will be spending a few

days here. In the evening 28 came to the hall to play Bingo. Mrs. Paxton was the lucky prize winner of the evening. I hear several came very close, but I guess just close isn't good enough sometimes.

Saturday was another busy day around the old stomping grounds. Mary Hostetter, sister-in-law of Rebecca and Elizabeth Hostetter arrived from Lakeland for a few days' visit. Mr. and Mrs. James R. Gilbert of Port Huron, Mich., arrived for a winter's stay at Lot 127. We welcome, too, Mr. and Mrs. Glenn Cool to the park. They are from Oriderville, O., and now are the owners of one of the new homes at the south end of the park Lot 163. Sooooo, with the arrival of the Gilberts, the purchase made by the Cools, and just in case you haven't noticed, the pretty little home that was set up in the space in back of the office, Southland Court is filled.

Courtship, Marriage And The Family

by Herbert J. Miles, Ph.D.

HUSBAND VS. WIFE: TREMENDOUS TRIFLES
Q. My wife and I have been married a little over a year. We love each other, and in general this has been a happy year. But I have been disappointed in that we have developed a habit of fussing over little things. It seems so easy for us to argue over insignificant matters. For example, we both love baseball, and recently we had a big argument over who was the best baseball player, Willie Mays or Henry Aaron. I had not expected our marriage to be like this. Dr. Miles, do other couples have this problem? Do you think this can damage our marriage? M.A. (Mays-Aaron)

A. The answer to both of your questions is "yes". In courtship we all have a tendency to put our best foot forward and work hard to win our lover in marriage. After marriage it is so easy to relax, and our real personality traits come to the surface. Pushing a button called the wedding ceremony does not change human nature. Mr. M. A., do you remember how hard you worked to win your wife? Well, in order to have the happy marriage that you have dreamed about you must continue the same determined effort, but I suggest that you multiply it by two or three or four, maybe more. Both of you must work, and I mean WORK, at the job of achieving adjustment in marriage and thus achieving true happiness.

We are all creatures of habit, and it is so easy for young married couples to drift into the ugly habit of fussing over little things. Some sociologists have labeled them "tremendous trifles".

The following are similar examples of your "Mays-Aaron tremendous trifle".
"1. The husband is a lover of books. He has a good library. To him, books are sacred. His wife takes one of his books from the shelf and reads several pages. The telephone rings, and she lays the book down, turning the corner of the

page so she can begin where she left off. After the conversation the responsibilities of getting the noon meal comes her to forget about the book. When her husband comes home and sees his book open with the corner turned down, he "blows his top". "Don't you know that books are sacred? I don't want to ever catch you defacing one of my books again." Tremendous trifle!

2. The husband is in an easy chair reading, smoking a cigarette. In dropping the ashes to the ash tray he misses it, and the ashes fall on the gleaming table. His wife blows her stack. She shouts, "Don't you know that you are supposed to put the ashes in the ash trays?" (Husbands you should put the ashes in the ash tray. Wives, if she should miss it this is not sufficient reason for a divorce.) Tremendous trifles!

3. The wife has the meal ready. Lunch is always served at 12. Her husband is in the living room reading the paper. At 12 on the dot she announces the meal. The husband decides to quickly finish reading an interesting article. The wife watches the clock for one whole minute, after announcing the meal, and then goes into the living room and explodes, "Don't you know that the food is getting cold. I called you thirty minutes ago." Tremendous trifle!

4. Or, let us reverse this one. Lunch is supposed to be served at 12. Twelve o'clock arrives, and the wife has not announced the meal. The husband is in the living room, which is hand, pacing up and down, wondering if she is ever going to have the meal ready. At 12:01 he rushes into the kitchen and explodes, "Don't you know that we eat around here at 12? What have you been doing all day, anyhow?" Tremendous trifle!

"Husbands, a better approach might be to go into the kitchen plant a kiss on your busy wife's cheek, and say "Sweetheart, there is anything I can do to help finish the meal!"

5. I read of a man who was divorcing his wife. Part of the evidence he presented in court was that his wife was untidy in the bathroom. She would just throw the towels on the towel rack instead of tenderly folding them and hanging them up in parallel lines. Tremendous trifle!

6. An then, there was the couple who fussed over the (guessed it) whether one should squeeze the toothpaste in the

middle or the end. Tremendous trifle!

Why don't we all admit that it is childlike to fuss over such petty peanut problems? Unless we control our human nature with our minds, with guided intelligent tested moral and scientific principles, plus divine leadership, our emotional relationships with others will soon reach a very low boiling point. We must call a halt to such quarreling or our

emotional conflicts will snowball.

Mr. M. A., you have won one-half of the victory over your problem when you admit it to yourself and ask for some help. You are headed in the right direction. Good Luck!

Other tremendous trifle readers, are you listening? Shame! Shame! "A self-confident fool's mouth is his ruin, and his lips are a snare to himself."

SHINED AND READY

"And your feet shod with the preparation of the gospel of peace." Ephesians 6:15.

These shoes fairly shine and sparkle and are ready to take their owner proudly any place. Society dictates that we should be well turned out and that our feet be shod with well-groomed footwear. The Bible tells us that we should be clad in the whole armour of God, and that our feet should be shod with the preparation of the gospel of peace. The gospel is this: "There is therefore now no condemnation to them which are in Christ Jesus, who walk not after the flesh, but after the Spirit." Romans 8:1

St. Peter advises, "Be ready always to give an answer to every man that asketh you a reason of the hope that is in you with meekness and fear."

Come to church this week that you might learn of Him and that you might be prepared to give this good news of the gospel to others.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

\$105,249 In Excess Fees Turned In By Departments

Clerk of the Circuit and County Courts, Earl Rich, told the Board of County Commissioners Tuesday that \$105,249 in "excess fees" had been turned in by the county's elected department heads.

The \$105,249 represents fees and other monies collected by the Supervisor of Elections, Clerk of the Circuit Court, Tax Assessor, Tax Collector, and the County Judge, less expenses submitted by each department as follows: Supervisor of Elections - \$5,884; Clerk of the Circuit Court - \$29,167; Tax Assessor - \$4,884; Tax Collector - \$24,127; County Judge - \$41,167.

In addition to the above refunds, Rich reported that the Tax Collector turned over \$2,009 to the school board.

In other business conducted Tuesday, the Board of County Commissioners:

- Instructed its administrative assistant, Charles Cullen, to inform the College of Business Administration, University of Florida, that their population figures for Highlands county are incorrect. They told Cullen to provide County Building Department figures that show 188 certificates of occupancy issued during the past 18 months, a rate of about 100 new family dwellings per month.

The statistics are used to determine the distribution of state revenue sharing funds. Cullen explained and must be corrected to protect Highlands county's interests.

—Commended County Attorney Robert Dancy for the clarity of two resolutions he prepared, one dealing with the payment of \$4,000 annually to the Supervisor of Elections for handling the sale of tags in the county, and the other approving the Department of Transportation's proceeding with installation of a traffic signal at Kenilworth blvd and Highlands ave.

Red Devils To Play Ft. Meade Here Tuesday

Harry Smith with 22 points and Phil Harris with 18 points led the Red Devil varsity basketball team to its ninth win last Friday night with an 84-53 victory over the Zephyrhills Bulldogs in a Tri-County Conference game played here at the new high school gym.

The conference win gave Avon Park a 3-2 record.

Last Tuesday the Devils traveled to Mulberry for a game with the league-leading Panthers and tomorrow night (Friday, Jan. 26) the Avon Park cage team will travel to Frostproof for a return bout with the Bulldogs. The Red Devils won over Mulberry 55-

53 and Frostproof 61-50 in earlier games played here. A switch in game sites moved the Avon Park vs. Ft. Meade basketball game to Avon Park next Tuesday night. The Devils will then play the Miners in Ft. Meade on Feb. 16.

The Red Devils put the highest number of points this season on the board against the Zephyrhills Bulldogs as nine players got in to the scoring act before the game was over. Harry Smith sank 10 field goals and 2 free shots for his 22 points. Phil Harris was hot from the floor sinking 9 field goals.

Engineers Revive Hope For City Receiving Sewer, Water Grant

M. E. Dawkins and Dave Crowson of Dawkins and Associates appeared before the City Council Monday, January 22 during its regular meeting.

Dawkins addressed the board members concerning progress in the city's application for sewer and water grants.

Dawkins stated his office had filed, on the city's behalf, an application to the State Pollution Control Board under Public Law 660 for an approximate 75 percent funding on eligible items on the proposed sewage program.

This sewage proposal would serve approximately 94 percent of the residents of Avon Park.

The try for grants has been in the air for about three years now, with the federal red tape piling up continuously.

"Hopefully Avon Park will be in the money," Dawkins told the council. The state is presently redoing its priority lists and Avon Park could possibly be eligible for funds.

Dawkins said between now and March 1, the city has to submit an approved interim project to the state showing the sphere of influence of sewerage on the surrounding area. The state wishes to have one plan be the center for a wide area of coverage.

When asked how the city stands for a grant from HUD, Dawkins said the situation is "not encouraging." HUD does not have much money left in its grant funds, and only grants money on the bare construction items, excluding any street laterals. HUD also cut its grant level to cities, 300 to 350 thousand dollars. The entire project the city hopes to have is now set to cost three and one quarter million dollars. This includes sewage and water works.

Dawkins stated that the HUD program has brought "delays and frustrations," "paper work, red tape, and no engineering encumbrances."

However, Dawkins did try to brighten up the council with a little good news. He said Farmers Home Administration now serves cities with a population of up to ten thousand. According to an estimated population given to the city last Monday by the University of Florida, the city now has a population of 7120.

Maryland Couple's Death Brings Fatality To Four

A Maryland couple lost their lives in a crash at the Blair's Den on Route 27 shortly after noon Tuesday bringing this year's traffic fatality total in the county to four.

A 25 year old Lake Placid man became Fatality No. 2 early Jan. 20 when his car hit the 49th car of a moving Seaboard Coast Line train on SR70.

A tragic accident involving a man and his wife last Friday, Jan. 19 on Highway 27 North in front of Walker Memorial Hospital, caused many residents of Avon Park to be without electric power for more than an hour during the late hours.

The accident involved a GMC truck which was pulling a Great Dane trailer, heading south on 27. Apparently the driver, Lewis F. Rogers, was exceeding the stated speed limits and was operating the vehicle carelessly which caused him to lose control of the giant truck.

The vehicle ran to the right side of the road and hit the curb, traveled 12 feet knocking down two power poles, then traveled 74 feet, striking the Walker Memorial Hospital sign. After striking the sign, the vehicle traveled an additional 210 feet through landscaping, finally coming to rest after rolling over onto its left side.

The driver was pinned in his vehicle, taking much time for workers to cut him free. His wife, Marie, who was a passenger in the truck, was admitted to Walker Memorial Hospital immediately after the accident.

He was charged with failure to use due care and the damage to the rig, which he owned, was estimated at \$45,000. Property damage was estimated at \$3,200.

After Lewis was freed from the mangled wreck, he was rushed to Winter Haven Hospital where his condition was listed as "poor" last Tuesday evening.

Marie Rogers remained at Walker Memorial until Sunday when she was transferred to Winter Haven Hospital where

spokesmen listed her condition as "fair."

Investigating the accident for the highway patrol was Frank Williams. He charged Rogers with failure to use due care.

Delores Bellelo, 26, of Avon Park, fortunately suffered no injury when her compact car started to sway due to a right rear tire puncture, skidded sideways 40 feet and rolled onto its right side.

The accident happened at 1:45 p.m. Jan. 18, 4 miles south of Avon Park on US27.

The partially torn down structure. He quickly extinguished the fire, after only minor damage was done to the property. He immediately saw the fire was deliberately set and informed the fire department which in turn sent out investigation officers.

Flowers, David Farmer, Allan Ball and one volunteer, Latham Smith were on the scene most of the night.

"Flowers stated the fire was 'definitely arson.'" He reported the fire apparently was set by placing gasoline

Arson Suspected

into a plastic container and stuffing it with paper, lighting it and placing it into the closet. Evidence of melted plastic was found on the scene, also evidence of gasoline deposits were found in the soil below the closet where gas canisters apparently fell after the carton burst a hole through the floor.

The case is "presently under investigation by myself and Deputy State Fire Marshall Joe Ladika out of the Tampa office" Flowers told the SUN. Samples were taken at the scene and transported to their lab in Tallahassee for confirmation of the fluid used to start the fire.

This is the third time in less than a year the fire marshal has been called to Avon Park to investigate a fire. Flowers said this is normal procedure where arson is suspected. Sometimes, insurance companies request a fire marshal to investigate a blaze because they are "experts, highly trained and schooled for the job" as Flowers put it.

A \$500 cash reward has been offered by Fogle for information leading to the arrest and conviction of the person or persons responsible for setting his building on fire.

"Any person having any information, contact Avon Park Fire Chief Mack Flowers," Flowers said. "The Fogle property" was previously owned by Mrs. Watkins. The City Council condemned the house and ordered it torn down when Watkins owned it. With no other alternative, the city property to Fogle who requested Councilman Milton Howard to bring a new proposal before the council members, on December 11.

He proposed to save two rooms of the house and add four new ones with Miami awning windows in all the rooms.

At that time, Councilman Clarence King stated he had inspected the building and reported the remaining part of it was structurally sound. Then Council President, J. R. Duggan read sections of the Southern Standard Building Code which requires a house be brought to new construction standards if cost repairs is more than 50 percent of the

value of the property. The building inspector reported cost of repairs would be around 80 percent.

On December 28, at the council meeting, the question was brought up again whether to allow Fogle to repair the structure or be forced to tear it down as passed before.

The Mayor, Robert J. Barben stated that it would be wrong to allow one person to rebuild the house after forcing Watkins to move. He stressed at that time, Watkins had sold the property cheaply because the board had condemned it.

However, acting on advice from city attorney Jonathan Hancock, the council voted in favor of allowing Fogle to make the repairs. However, one day vote was cast, as one going council president Duggan stated the council was acting illegally by rescinding a previously passed act.

Before the fire Monday evening Fogle had appeared before the council which was meeting in regular session stating he had slowed down on remodeling the property as he was in the process of transferring the title to his daughter. Councilman Bob Woodruff strongly attacked the repair work being done on the property stating the structure should be completely torn down.

goals for 18 counters. Leroy Hicks and William Ayers both contributed 10 points each. Leon McRae scored 7 points in the first half, and Mearl Robinson made 3 field goals for six points. Nate Pickett and Tony Williams both scored 4 points and Bud Wester put 3 points on the board.

Two Zephyrus boys scored 16 points each in the losing effort. The Bulldogs were hot at the free throw line hitting 17 of 31 free shots. Avon Park hit 12 of 20 at the line.

Avon Park now sports a 9-4 record over-all, and has a 3-2 conference record.

Southland Mobile Home Park News

by Bette Chapel 453-4258

Hello friends. Another week has passed and with it came an assortment of events and happenings.

H. Meisel and H. Cook had callers at their home Saturday. Mr. and Mrs. Stanley Shilling of Sebring, Mr. and Mrs. Lloyd Smith of Sun Ray, Mrs. Mildred Jenkins of Lutz, and Mr. and Mrs. Walter Grubb of Sebring.

Sunday found several from our park at the Tourist Club celebrating with the others at the 50th Anniversary party. Congratulations to all of you. Mr. and Mrs. Paxton, upon their return from the party were pleased to find their daughter Virginia and husband Jim Hood of Ind. waiting for their return. H. Cook and H. Meisel had more guests, Mrs. Letha Walcott, Warsaw, N.Y., Mrs. Viola Hicks, Sun Ray, and Mrs. Walter Walcott, Lake Wales.

Monday brought Ohio guests to the Romans-nephew Jim Prayther and wife Rita. If you had a chance to talk to them you know they were glad to get some of this Florida sunshine. The Newcombs entertained guests from St. Pete. More Ohioans glad for some sunshine were Tom Batt, son of Helen Ernberger, and his wife Rena. The sunny sandy beach of Lake Verona was a real treat for them.

Tuesday brought a good number out for coffee hour. Donuts were served by H. Tebo, and coffee prepared by C. Engard. The Paxtons went to Lakeland to check on Bessie's eyes, and happily for them, a good report was received. The evening found the hall full of folks, food and fun. It was pot luck time and we must have the best cooks in Avon Park right here in Southland Court. Mmmmmmm! Good! Birthdays for the month of January were celebrated. A cake was made by Ann Condit with candles which were blown out by celebrators, the Rev. E. Hutchins (oldest at 88), Mr. and Mrs. Carlson, C. Overholt, E. Stroup and G. Dawn. Helpers for the dinner were G. Dawn, A. Condit, L. Davidson, H. Wandover, H. Tebo and M.

Friday Clinton Snyder was out for a walk. Newcombs daughter Nancy and husband Jim Dow came for a visit. A pleasant weather change of last Friday made shuffling a pleasure for first place winners in the main event, R. Long and F. McEwen. First place in consolation were R. Wandover and R. Snyder. 30 were at Bingo. Two grand prizes were won, one at half time and divided by four people, and the other by Helen Erdt.

Thursday Clinton Snyder was dismissed from Walker Memorial. We all hope for a speedy recovery for Clinton. The afternoon sewing session consisted of five ladies. Our sewing and crafts chairman, Mrs. Marvin Tebo, Helen Joseph and Hannah Tebo. Refreshments were served by Mildred Hindley and Ann Condit.

Shakelford's Two Junior High Basketball Teams See Lot Of Action

Coach Ken Shakelford's two junior high basketball teams have been in action since Christmas. The ninth grade team has set a 2-1 record and the eighth grade team is now 5-1.

The ninth grade team lost its first game to Lake Placid by a score of 38-21 but came back strong to win over Sebring 70-

43 and Hardee 56-40. Members of the ninth grade squad are Reggie Collins, Tim Massey, James Jackson, Thyrone Moss, Terry Hicks, David Canine, and Gary Pressley.

Against Hardee Reggie Tolbert led the fifth graders with a 21 point effort. James

Ross hit for 11, Terry Hicks scored 10, Donny Williams had 8, and Tim Massey scored 6 points.

The eighth grade team defeated Hardee's ninth grade team 50-25 in a game played before Christmas. Then on Jan. 3 the eighth graders won over Sebring's ninth grade team by a score of 42-32. The lone loss came from a ninth and eighth grade combination team from Lake Placid with the Dragons winning 51-45.

The eighth graders won over Okeechobee by a score of 73-55 as they got rolling after a slow first half. The score was tied up 14-14 at the end of the first quarter and then Okeechobee took a 32-26 halftime lead. But the Avon Park eighth graders came back and pumped in 22 points in the third quarter and 15 points in the fourth period to take the 73-55 victory.

Melvin Collins scored 26 points for the winners, followed by Sam King with 17, Tommy Lewis with 15, Reggie Baker with 9, Dale Sisemore with 5, and John McKunas with 1 point.

Last week the eighth graders won over Hardee again by a score of 64-28 with Dale Sisemore leading the Avon Park scoring. Last Monday night the eighth graders squeaked by Sebring 53-52 for the fifth win of the season.

Next Monday night the eighth graders will play Lake Placid here at the Middle School gym starting at 6:30 p.m. The following Monday night they will go to Okeechobee for a return game with the Baby Brahmins.

Lions To

Hold Barbecue

If you are ready to get out of the kitchen for a day and eat someone else's cooking, make it on Saturday, the 27 and hurry yourself and family to the Lions on W. Bell St. between the hours of 11:30 a.m. and 7 p.m. The Avon Park Lions will greet you with a full sized half barbecued chicken, baked beans, cole slaw or applesauce, roll and beverage for only \$1.75 a serving. You can elect to sit right down in the Den and enjoy your meal or, if you prefer you can be served in a carry out container and take yours home.

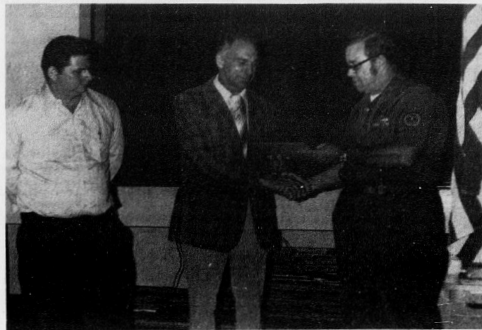

The BBQ is one of the methods used by the local Lions to raise funds for sight conservation programs and other civic welfare endeavors. Your participation in a good meal at a reasonable price will also serve as your participation in these worthwhile efforts.

They visited Mt. Irazu over 11,000 feet high, the volcano which was in eruption in 1962. From there both the Atlantic and Pacific Oceans can be seen. It was surprising to see the land tilted almost to the very top of the mountains, where they can grow anything from coffee to corn. They saw how coffee was prepared for market and visited a modern sugar factory, also the oxcart factory where all sizes are made, from the ones they use on the farms to small toys. Many other things are made, which make good souvenirs. The oxcart is the national symbol for they use oxen to do the work on the mountain sides where it is too steep for tractors.

They rode the narrow gauge railroad down to Puntarenas on the Pacific, where sometimes the brakeman in the baggage car could almost shake hands with the engineer, the curves were so sharp around the gorges. After lunch on the beach the return trip was by bus to San Jose. Each day there was a trip somewhere, like the Museum of Natural History and the National Theater Government buildings. The last day on the way to the airport they were shown the (Ojo De Agua) or "Eye of the Waters" which was beautiful with the water boiling out of the rock, over falls, and into three artistically designed swimming pools and a lake.

There will be a shuffle class, taught by Louise Bell, Friday, Jan. 26, at 1:30 p.m. in the recreation hall. This is an opportunity for new, and not so new, shuffle players who desire knowledge on proper procedure and how to improve their amateur skill.

Mr. and Mrs. Phelps Button and Mrs. Lois Dunkel from Avon Park, with seven others from Sebring, spent last week on a Ridgeway tour to Costa Rica. There they saw a very beautiful country and people, no crime, no begging. Some are very poor but always they have something to sell. From the Alpine mountains to the tropical coast lands any degree of temperature can be found. In the central plain, which is at 4,000 feet, the temperature varies little from 70 degrees the year around.

They visited Mt. Irazu over 11,000 feet high, the volcano which was in eruption in 1962. From there both the Atlantic and Pacific Oceans can be seen. It was surprising to see the land tilted almost to the very top of the mountains, where they can grow anything from coffee to corn. They saw how coffee was prepared for market and visited a modern sugar factory, also the oxcart factory where all sizes are made, from the ones they use on the farms to small toys. Many other things are made, which make good souvenirs. The oxcart is the national symbol for they use oxen to do the work on the mountain sides where it is too steep for tractors.

They rode the narrow gauge railroad down to Puntarenas on the Pacific, where sometimes the brakeman in the baggage car could almost shake hands with the engineer, the curves were so sharp around the gorges. After lunch on the beach the return trip was by bus to San Jose. Each day there was a trip somewhere, like the Museum of Natural History and the National Theater Government buildings. The last day on the way to the airport they were shown the (Ojo De Agua) or "Eye of the Waters" which was beautiful with the water boiling out of the rock, over falls, and into three artistically designed swimming pools and a lake.

There will be a shuffle class, taught by Louise Bell, Friday, Jan. 26, at 1:30 p.m. in the recreation hall. This is an opportunity for new, and not so new, shuffle players who desire knowledge on proper procedure and how to improve their amateur skill.

Following the Saturday night sing the 45 in attendance enjoyed a half hour violin concert by Albert Cushing. Piano accompaniment was recorded. There were 77 in attendance at the dinner last Thursday. Hostesses were Eula Miller, Marie Monroe and Thelma South. Master of Ceremonies Lawrence Robinson introduced Mildred Long and her ladies' chorus, who sang "Whisper a Prayer" following grace given by Harry Jordan. Guest of the William Belchers and LaRue Longenecker were introduced.

Mary Mishey read "Menu for Good Deeds for 1972" by John Turnipseed, and the ladies sang "Dear Hearts and Gentle People" which they dedicated to all the folks in the park. Sallie Wright was at the piano to accompany them. "Bless Be the Tie" was sung by all at the close of the program.

Last Tuesday Andrea Neer and Helen Smith, along with Hubert and Irene Johnson from Brentwood Mobile Home Park, followed to Disney World for a day's outing. All reported that they had a wonderful time but that the day came to an end too soon.

Guests in the William Belcher home were Mr. and Mrs. Wilbur Engart and daughter, Nelda, from Rochester, Ind. They also visited Mr. and Mrs. George Beasars and Mr. and Mrs. Ralph Held.

Mr. and Mrs. Pete Pulsifer of Fort Myers, formerly of Collins, Fla., Ind. called on Harold and Ruth Welcott Sunday.

Sallie Wright's brother and sister-in-law, Mr. and Mrs. John Miller from Lewisburg, W. Va., spent last Wednesday night with her and Emmette.

Mr. and Mrs. Floyd Stevens, Mr. and Mrs. Sylvan Baker, spent Friday visiting friends at Zephyrhills.

Mr. and Mrs. Clyde Trescott, with Stylr and Mary Mishey, enjoyed a day at Cypress Gardens.

Mr. and Mrs. Lew Becker and Mr. and Mrs. Hubert Smith called on Mr. and Mrs. Ralph Jenkins of Lake Bonnet Sunday afternoon.

Belcher's home church in Rochester, Ind., United Methodist Church.

Mr. and Mrs. Fred Young of Muir Michigan are spending the weekend in Avon Park, dividing their time with Floyd and Edith Stevens and Ernest and Mary Thomas of Highlands ave. They are touring the south in their mobile home.

Eachers winners were Rose Longenecker 116, and Doc Field 142.

Pinochle winners were Alva Derr and Mabel Crocker with 1084 and 1061 respectively.

into a plastic container and stuffing it with paper, lighting it and placing it into the closet. Evidence of melted plastic was found on the scene, also evidence of gasoline deposits were found in the soil below the closet where gasoline apparently fell after the carton burst a hole through the floor. The case is "presently under investigation by myself and Deputy State Fire Marshall Joe Ladika out of the Tampa office." Flowers told the SUN. Samples were taken at the scene and transported to their lab in Tallahassee for conformation of the fluid used to start the fire.

This is the third time in less than a year the fire marshal has been called to Avon Park to investigate a fire. Flowers said this is normal procedure where arson is suspected. Sometimes, insurance companies request a fire marshal to investigate a blaze because they are "experts" highly trained and schooled for the job" as Flowers put it.

A \$500 cash reward has been offered by Fogle for information leading to the arrest and conviction of the person of persons responsible for setting his building on fire.

Any person having any information, contact Avon Park Fire Chief Mack Flowers.

The Fogle property was previously owned by Mrs. Watkins. The City Council condemned the house and ordered it torn down when Watkins owned it. With no other alternative, she sold the property to Fogle who requested Councilman Milton Howard to bring a new proposal before the council members, on December 11.

He proposed to save the rooms of the house and add four new ones with Miami awning windows in all the house.

At that time, Councilman Clarence King stated he had inspected the building and reported the remaining part of it was structurally sound.

Then Council President, J. R. Dugan read sections of the Southern Standard Building Code which requires a house be brought to new construction standards if cost repairs is more than 50 percent of the

value of the property. The building inspector reported cost of repairs would be around 80 percent.

On December 28, at the council meeting, the question was brought up again whether to allow Fogle to repair the structure or be forced to tear it down as passed before. The Mayor, Robert J. Barben stated that it would be wrong to allow one person to rebuild the house after forcing Watkins to move. He stressed at that time, Watkins had sold the property cheaply because the board had condemned it.

However, acting on advice from city attorney Jonathan Hancock, the council voted in favor of allowing Fogle to make the repairs. However, one may vote was cast, as out going council president Dugan stated the council was acting illegally by rescinding a previously passed act.

Before the fire Monday morning, Fogle had appeared before the council which was meeting in regular session stating he had slowed down on remodeling the property as the property stating the structure should be completely torn down.

goals for 18 courtesies. Leroy Hicks and William Ayers both contributed 10 points each. Leon McRae scored 7 points in the first half, and Mearl Robinson made 3 field goals for six points. Nate Packer and Tony Williams both scored 4 points and Bud Wester put 3 points on the board.

Two Zephyrball boys scored 16 points each in the losing effort. The Bulldogs were hot at the free throw line hitting 17 of 31 free shots. Avon Park hit 12 of 20 at the line.

Avon Park now sports a 9-4 record overall, and has a 3-2 record more than 50 percent of the conference record.

Hello friends. Another week has passed and with it came an assortment of events and happenings.

H. Meissel and H. Cook had callers at their home Saturday. Mr. and Mrs. Stanley Shilling of Sebring, Mr. and Mrs. Lloyd Smith of Sun Ray, Mrs. Mildred Jenkins of Lutz, and Mr. and Mrs. Walter Grubb of Sebring.

Sunday found several from our park at the Tourist Club celebrating with the others at the 50th Anniversary party. Congratulations to all of you. Mr. and Mrs. Paxton, upon their return from the party were pleased to find their daughter Virginia and husband Jim Hood of Ind. waiting for their return. H. Cook and H. Meissel had more guests, Mrs. Letta Walcott, Warsaw, N.Y., Mrs. Viola Hicks, Sun Ray, and Mr. and Mrs. Walter Walcott, Lake Wales.

Monday brought Ohio guests to the Romans-nephew Jim Prayther and wife Rita. If you had a chance to talk to them you know they were glad to get some of this Florida sunshine. The Newcombs entertained guests from St. Pete. More Ohioans glad for some sunshine were Tom Batt, son of Helen Ernberger, and his wife Rena. The sunny sandy beach of Lake Verona was a real treat for them.

Tuesday brought a good number out for coffee hour. Donuts were served by H. Tebo, and coffee prepared by C. Engard. The Paxtons went to Lakeland to check on Bessie's eyes, and happily for them, a good report was received. The evening found the hall full of folks, food and fun. It was pot luck time and we must have the best cooks in Avon Park right here in Southland Court. Minimum! Good! Birthdays for the month of January were celebrated. A cake was made by Ann Condit with candles which were blown out by B. McEwen. First place in consolation was R. Wandover and R. Snyder. 30 were at Bains. Two grand prizes were won, one at half time and divided by four people, and the other by Helen Ernrd.

Thursday Clinton Snyder was dismissed from Walker Memorial. We all hope for a speedy recovery for Clinton. The afternoon sewing session consisted of five ladies. Our sewing and crafts chairman, E. Breister, would like a good turn out for this activity to prepare for the February hobby show. She is open for ideas and articles to make. Let's all support her with at least one contribution! There were four tables for aggregation in the evening. Three people tied for high: Marvin Tebo, Helen Joseph and Hannah Tebo. Refreshments were served by Mildred Hindley and Ann Condit.

Friday Clinton Snyder was out for a walk! Newcombs daughter Nancy and husband Jim Dow came for a visit. A pleasant weather change of last Friday made shuffling a pleasure for first place winners in the main event, R. Long and F. McEwen. First place in consolation was R. Wandover and R. Snyder. 30 were at Bains. Two grand prizes were won, one at half time and divided by four people, and the other by Helen Ernrd.

Times Buys Marco Island Newspaper

by Margaret W. Young

The New York Times Co. announced it has acquired the assets of the Marco Island Publishing Corp., which publishes the 3,200-circulation weekly Marco Island Eagle.

John R. Harrison, vice president of the New York Times Co., said the newspaper in Collier county on Florida's southwest Gulf coast was acquired from William R. Pampin and Raymond Benley, who founded it in March 1958.

Details of the acquisition agreement were not disclosed. Harrison said there will be no management changes. Pampin will continue as editor-publisher, and his wife, Jeanne, will remain as managing editor.

The Times Co. also owns, through the New York Times Media Newspapers Inc., daily newspapers in Lakeland, Gainesville, Ocala, Leesburg, Palatka and Lake City, and weekly newspapers in Sebring, Fernandina Beach and Avon Park.

Shakelford's Two Junior High Basketball Teams See Lot Of Action

Coach Ken Shakelford's two junior high basketball teams have been in action since Christmas. The ninth grade team has set a 2-1 record and the eighth grade team is now 5-1.

The ninth grade team lost its first game to Lake Placid by a score of 38-21 but came back strong to win over Sebring 70-

43 and Hardee 56-40. Members of the ninth grade squad are: Rev. Tim Massey, James Jackson, Coleman, James Jackson, Tyrone Moss, Terry Hicks, David Canine, and Gary Pressley.

Against Hardee Reggie Tolbert led the ninth graders with a 21 point effort. James

Ross hit for 11, Terry Hicks scored 10, Donny Williams had 8, and Tim Massey scored 6 points.

The eighth grade team defeated Hardee's ninth grade team 50-25 in a game played before Christmas. Then on Jan. 3 the eighth graders won over Sebring's ninth grade team by a score of 42-32. The lone loss came from a ninth and eighth grade combination team from Lake Placid with the Dragons winning 51-45.

The eighth graders won over Okeechobee by a score of 73-55 as they got rolling after a slow first half. The score was tied up 14-14 at the end of the first quarter and then Okeechobee took a 32-26 halftime lead. But the Avon Park eighth graders came back and pumped in 22 points in the third quarter and 15 points in the fourth period to take the 73-55 victory.

Melvin Collins scored 26 points for the winners, followed by Sam King with 17, Torrey Lewis with 15, Reggie Baker with 9, Dale Sisemore with 5, and John McKunas with 1 point.

Last week the eighth graders won over Hardee again by a score of 64-28 with Dale Sisemore leading the Avon Park scoring. Last Monday night the eighth graders squeaked by Sebring 53-52 for the fifth win of the season.

Next Monday night the eighth graders will play Lake Placid here at the Middle School gym starting at 6:30 p.m. The following Monday night they will go to Okeechobee for a return game with the Baby Brahms.

Lions To

Hold

Barbeque

If you are ready to get out of the kitchen for a day and eat someone else's cooking, make it on Saturday, the 27 and hurry yourself and family to the Lions Den on W. Bell St. between the hours of 11:30 a.m. and 7 p.m. The Avon Park Lions will greet you with a full sized half barbequed chicken, french fries, baked beans, coleslaw or applesauce, roll and beverage for only \$1.75 a serving. You can elect to sit right down in the Den and enjoy your meal or, if you prefer you can be served in a carry out container and take yours home.

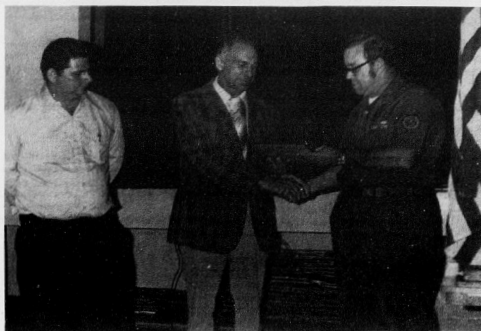

The barbeque is one of the methods used by the local Lions to raise funds for sight conservation programs and other civic welfare endeavors. Your participation in a good meal at a reasonable price will also serve as your participation in these worthwhile efforts.

They visited Mt. Irazu over 11,000 feet high, the volcano which was in eruption in 1962. From there both the Atlantic and Pacific Oceans can be seen. It was surprising to see the land tilted almost to the very top of the mountains, where they can grow anything from coffee to corn. They saw how coffee was prepared for market and visited a modern sugar factory, also the oxcart factory where all sizes are made, from the ones they use on the farms to small toys. Many other things are made, which make good souvenirs. The oxcart is the national symbol for the use of oxen to do the work on the mountain sides where it is too steep for tractors.

They rode the narrow gauge railroad down to Funitanas on the Pacific, where sometimes the brakeman in the baggage car could almost shake hands with the engineer, the curves were so sharp around the gorges. After lunch on the beach the return trip was by bus to San Jose. Each day there was a trip somewhere, like the Museum of Natural History and the National Theater Government buildings. The last day on the way to the airport they were shown the (Ojo De Agua) or "Eye of the Waters" which was beautiful with the water boiling out of the rock, over falls, and into three artistically designed swimming pools and a lake.

There will be a shuffle class, taught by Louise Bell, Friday, Jan. 26, at 1:30 p.m. in the recreation hall. This is an opportunity for new, and not so new, shuffleers who desire knowledge on proper procedure and how to improve their amateur skill.

Mr. and Mrs. Phelps Button and Mrs. Lois Dunkel from Avon Park, with seven others from Sebring, spent last week on a Ridgeway tour to Costa Rica. There they saw a very delightful country and people, no crime, no begging. Some are very poor but always they have something to sell. From the Alpine mountains to the tropical coast lands any degree of temperature can be found. In the central plain, which is at 4,000 feet, the temperature varies little from 70 degrees the year around.

They visited Mt. Irazu over 11,000 feet high, the volcano which was in eruption in 1962. From there both the Atlantic and Pacific Oceans can be seen. Guest of the William Belchers and LaRue Longenecker were introduced. Mary Miskey read "Ment for Good Deeds for 1973" by John Turnipseed, and the ladies sang "Dear Hearts and Gentle People" which they dedicated to all the folks in the park. Sallie Wright was at the piano to accompany them. "Bless Be the Tie" was sung by all at the close of the program.

Last Tuesday Andrea Neer and Helen Smith, along with Hubert and Irene Johnson from Brentwood Mobile Home Park, visited Mr. and Mrs. George Beasars and Mr. and Mrs. Ralph Helt.

Mr. and Mrs. Pete Pulsifer of Fort Myers, formerly of Hollings Prairie, Ind., called on Harold and Ruth Welcott Sunday.

Sallie Wright's brother and sister-in-law, Mr. and Mrs. John Miller from Lewisburg, W. Va., spent last Wednesday night with her and Emmette.

Courtship, Marriage And The Family

by Herbert J. Miles, Ph.D.

TO MARRY "BEAUTIFUL BETTY" OR "BALANCED BETTY?"
Q. Dr. Miles, not every girl is a beauty queen. I am one that is not, yet I think I have a right to say that I am not ugly. I am twenty-two years old and have drawn two few dates. Would you discuss the subject of physical beauty as it related to courtship and marriage?

A. All people enjoy the beautiful, a rainbow, a sunset, a violin solo, an honest life, or a beautiful young woman. This is good. It is part of human nature. Yet in the realm of courtship and marriage an overemphasis on the "beautiful woman" can be dangerous. The mass media, including Hollywood movies and the slick color magazines, tends to exaggerate the importance of female beauty. Young men, because of their intense sex drive, tend to seek in courtship and marriage the girl who is physically beautiful, or, stated another way, he seeks the young girl who appeals to him sexually. This is not an unworthy consideration. It should not be the first (it is sometimes the only) concern in selecting a marriage partner.

And so, what happens? Often the young man chases "Beautiful Betty" in courtship. The competition is keen and fierce. A dozen or two other males are after her. At long last, after continued determination and persistence, he wins the physical beauty queen, and they make a final social splash with a 13,000 wedding. Do they live happily ever after? Maybe! Sometimes! But too often, a few months later, the young husband wakes up from his unrealistic dream to realize that instead of having a happy marriage, he has been caught in a deadly trap. He is married to a selfish, lazy, discontented nag.

Why? Beauty can be vain. Physical beauty alone is phony, counterfeit. Too many compliments can be harmful. Since "Beautiful Betty" was a little child hundreds of people had given her flattering compliments until she became proud and self-centered. Her only ambition was to appear to be as the perfect beauty queen. Her parents promoted this. It is difficult to forget the young husband who was irked because his beautiful wife would always take two and one half hours getting ready to go anywhere in public. Thus for twenty years "Beautiful Betty" has basked in the halo of her physical beauty and failed to develop the other personality qualities necessary to happiness in life and marriage. It is not difficult to imagine the future of such a marriage.

Unfortunately, the boys who chase "Beautiful Betty" tend to by-pass and reject, as courtship prospects, many girls who might not take a Hollywood beauty contest but who have developed well balanced personality traits. These girls have such traits as plans for the future, concern for others, unselfishness, humility, sympathy, modesty, frugality, and the balanced spiritual, mental, moral and social graces and values. These are the building blocks that form a stable foundation for a happy life and marriage. They are far more precious than jewels. When a boy, through courtship processes, associates with "Balanced Betty" and learns the nature of her inner personality, he learns to appreciate and love her. Her physical appearance, that he had at first rejected as average, now becomes most attractive, the most beautiful he knows. You can probably recall one or more such experiences in which on first meeting someone, you were not impressed with them. But when you later associated with them as friends, becoming acquainted with the total person, you found him to be a "true blue" balanced individual.

But my reply to you, Miss N. L., must not be misunderstood. We must not discriminate against "beauty" as such. Our creator must have loved beauty since he created so much of it. Could we say that everything God has created is "good", "beautiful", including you, Miss N. L.? It is only human nature of beautiful things that becomes ugly. We must not discriminate against "beautiful" girls. If a girl is physically beautiful this ought to cause her to be thankful and humble and to use it in an unselfish life. A boy who is blessed with a sweetheart and wife who has balanced inner

personality traits plus external physical beauty is fortunate. He should strive to allow these qualities to bring out the best in both of them in a life of service. This will bring happiness. It will preserve and develop their fine qualities to become even finer through the years. Compliments, charm and grace can be deceptive. Physical beauty can be vain because it fades and is not lasting; but the woman who has strength of character that is steadfast in goodness and who follows the inner intelligent guidelines of the Creator shall be praised.

Lions Club News

A house of nearly forty members greeted Deputy District Governor Art Olsen at the second regular meeting of the Avon Park Lions. Lion Olsen of Sebring brought a message from headquarters asking for renewed effort in the association's drive for new members. Lion president Dick Thayer received an award for his leadership position in successfully attracting several new members to the Avon Park Club.

Other visitors were Joe Bell and Herman Motzer of Illinois brought in by Lion Ben Stewart.

Lion George Kelsey introduced the speaker for the evening, Patrolman Hancock of the Avon Park Police force. Patrolman Hancock demonstrated the new police equipment designed to record photographically and with sound. Your scribe couldn't deny not being active in the evening's sing-along, being caught bare faced so to speak, scribbling rather than singing. The sing-along, incidentally, was most creditably led by Lion Larry Albright who stepped into Lion Billy Martin's shoes on short notice.

Added attractions included a presentation by eight members of the cast of the Folies Bergere. Mrs. Danny Willis made the introductions. Business consisted mostly in actions geared to getting ready for the big barbecue on the 27th.

If you haven't found
the right house yet,
maybe you've been looking
in the wrong places.

Finding the right house isn't easy.
And trying to find that dream house in
a dream location is even harder.

The new community of Spring Lake, in Central Florida, is in an ideal location and has a wide selection of dream houses at prices everyone can afford. The Deltona Corporation has five handsome models on display, each on a half-acre. There are additional model homes on view by other highly qualified custom builders.

The community of Spring Lake is being developed by Coral Ridge Properties and Westinghouse through a subsidiary, Florida National Properties, Inc. The countryside surrounding Spring Lake is beautifully wooded. There are numerous lakes and creeks, including Arbuckle Creek with its age-old trees and graceful Spanish moss. Lake Istokpoga adjoins our community and it's one of the best fishing spots in the state.

And, although Spring Lake is away from the noise and congestion, it's close enough to major attractions to offer a diversified lifestyle. It's only 75 miles to Disney World and Orlando.

Take a drive out to Spring Lake with your family. We're just 8 miles from Sebring. See our model homes. Talk with the residents. Or, if you can't visit now, fill in and mail the coupon for additional information. Or, call collect, area code 813-385-6113 or 6114.

*If an owner maintains and services his vehicle in accordance with the Volkswagen maintenance schedule any factory part found to be defective in material or workmanship within 24 months or 24,000 miles, whichever comes first (except normal wear and tear and service items) will be repaired or replaced by any U.S. or Canadian Volkswagen Dealer. And this will be done free of charge. See your dealer for details. [Source: *71 U.S. Dept. of highways. Average miles driven per year, 10,121. ©Volkswagen of America, Inc.]

What other warranty runs for 24 months or 42,240,000 yards?

In case your pencil's broken, 42,240,000 yards comes out 24,000 miles.* Twice as long as any car warranty based on the average miles driven in a year, 10,121, with the exception of Rolls-Royce. Now how did we get up there in such heady company? By turning out one of the most carefully constructed and coddled automobiles on the road today. It's the only one, for instance, with a sealed steel bottom that leaves nothing exposed beneath it. Then there's the paint we put on places you don't see, like behind door panels, the dashboard, and along all seams and edges. The list goes on and on. Then, to top it off, every Volkswagen is paraded before over 1,000 inspectors who check out just about every part, some two or three times. And those are just some of the many reasons behind our extraordinary warranty.

Few things in life work as well as a Volkswagen.

HELP WANTED

Progressive Real Estate firm with established sales flow and liberal company policies seeking active sales personnel for Se

Ask any boy and he will tell you . . . IT'S A WONDERFUL FEELING

When winter is past and most of the spring rains have come and gone, what a joy it is for a boy to go barefoot and feel the warm moist earth oozing up between his toes and the hot sun on his back . . . It's a wonderful feeling — remember?

If it has been some time since you were in the warm company of like-minded Christians and basked in the warmth and love of God's glory and grace as manifested in His Church, attend this coming Sunday. It's a wonderful feeling to sense that you are in tune with God, your fellow man, and the universe.

*"I was glad when they said unto me, let us go into the House of the Lord."
Psalm 122:1.*

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Group Attends All-State Clinic In Gainesville

Four girls from the high school chorus, Joy McCullough, Elaine Woodard, Diane Cox and Tami Love, with Chorus Director Kenneth Eberle, attended the All-State Clinic at the University of Florida on Jan. 11-13 in Gainesville.

They sang in the Junior High Concert Chorus made up of 300 students from all over the state of Florida. The Chorus was under the direction of Dr. James McCray, chairman of the music department at St. Mary's College, Notre Dame, Ind. Dr. McCray was formerly on the staff at the University of South Florida.

The chorus, along with the Junior High Concert Band and Orchestra, presented their concert on Saturday afternoon before a large audience in the gym at the University of Florida, and received a standing ovation for the superior work they did.

Any student attending this event has received a great honor because all the groups are made up of the best students in voice, band, and orchestra in the state of Florida.

"B" Squad Wins 11th Straight Game Friday

The Avon Park "B" squad basketball team is beginning to look unbeatable after handing the Zephyrhills Bulldogs a 68-35 thrashing for the eleventh straight win of the season against no defeats. The Devil "B" team won its eleventh last Friday night here at the high school gym.

However, starting last Tuesday night the Avon Park junior varsity has three games on the road all with conference foes. Last Tuesday they were scheduled to play Mulberry on the Panthers home court. Then

tomorrow night (Friday) the Devil "Bees" will go to Frostproof for another game with the baby Bulldogs, and next Tuesday night the Avon Park jayvees will put their record up against the Fort Meade "B" team in Fort Meade. The Devil "B" team took Mulberry 37-46 here at home earlier, and also won over Frostproof 56-42 at home earlier but this will be the first meeting with the Ft. Meade squad.

Zephyrhills was never in the game as Avon Park jumped off to an 18-8 first quarter lead and then stayed out front to take the 68-35 victory.

Card Games

Ten and twelve tables of pinocle players played to win on Monday and Friday afternoons. High scores were won by Elmer Good 760, Alene Howard 757, Marge Masuch 718, and Dorothy Wright 680. They say they have some good games.

Tuesday afternoon saw six tables of bridge players. Lillian Brevoort had the high score of 5670 and Eva Nickerson 5020. Band Day Set For March 17

Saturday, March 17, is the big day set aside by the Band Parents Association for its annual Band Day. Marva Turner, chairman, suggests you mark your calendar now. Planned for the day is the annual auction, plus a drawing for prizes. There will also be barbecue and a hamburger stand, also a rummage sale and lots more. Phil Wooten, auction chairman, is scouting around for suitable space to store the donated articles that are to be auctioned. On Mar. 3 he plans to have trucks all over town looking for your donations. If you have anything, furniture, tools, books, appliances and the like that are still usable, but no longer needed by you, why not set them aside now for donation to the band?

Down Through The Years

THE CAST OF THE "Folies Berg'ere" pictured above, presented a hilarious evening of entertainment last Friday and Saturday nights, Jan. 19 and 20, at the Avon Park Middle school auditorium.

The 1973 Folies Berg'ere was presented by that gay man about town, Dr. William Stallard, and Mrs. Cindy Gross, both appropriately attired for the times.

The curtain opened on the seashore setting and a rollicking "By the Seashore" number. From there the setting moved to the "Days of Vaudeville" with Lyn MacNeil as Master of Ceremonies. This scene brought old time favorites with Al Jolson, played by Jim Reynolds, Sophie Tucker played by Vickie Flowers, and Eddie Cantor played by Lowell Hill.

The Ziegfeld Folies male chorus brought on many lovely ladies in beautiful wedding gowns from the different years over the past. The bride sang "His Love Makes Me Beautiful," she was Mrs. Beverly Mann.

The show next moved into the era of the Waltz. Ten couples were spot-lighted in a beautiful waltz number. Also featured was Mae West, played by Bessie Jewel Howard, and solo waltz number by Mr. and Mrs. Lyn MacNeil.

Pay Yeary lent a Touch of Paris with "C'est Magnifique".

World War I favorites returned to haunt the night with strains of "Goodbye Broadway", "Katy", "My Buddy", "Mademoiselle", "Yankee Doodle", and "Over There", and the inevitable Can Can girls and Rockettes.

Charlestonaires, the Flapper, and Tap Dancer brought a lot of gay excitement to the evening with their dancing and singing. The Depression is "elived" with "Brother Can You Spare A Dime" by Mike Chambers. Then it was Miss Apple and her Anniies by Vickie Flowers, and back to the Army again, the Canteen, and a brisk polka, The Andrews Sisters, Lois Sachsenmaier, Judy Mundt and Karen Boyer.

The Corner Soda Shop brought the days of bobby socks and the jitterbug, six couples made up this time in the days of old.

Ann McKunas went South of the Border to show Carmen Miranda and latin dancers. This was one of the most eye-catching scenes with beautiful colored costumes and the colors being brought to life with the use of black lights.

A highlight of the evening was the strippers coming on strong with surprises, featuring Miss Mazepa, Ann Thompson, and Miss Tessi Tura. Jimmy Garner, the part of Gypsy was played by Cindy Gross.

Tiny Tim was also present to sing, while his girls danced through the Tulips. Tiny Tim was played by Jim Reynolds. The March of Time moved on up to date with an aquarius setting, black lights, and a hippie number that will take its place on the annals of time and bring nostalgic reminder in years to come.

The Finale brought all cast members on to the stage with songs out of the past like "Oklahoma", "There's No Business Like Show Business", and "Broadway Here We Come".

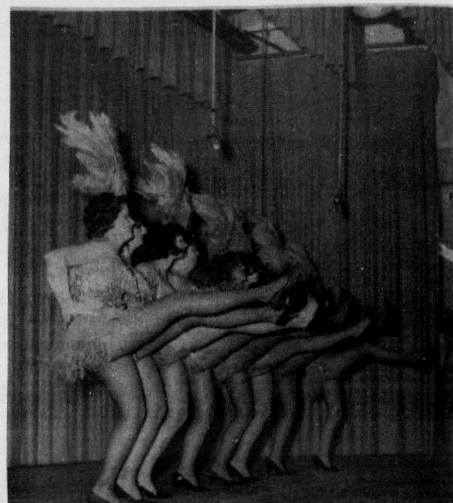

Supernumeraires features the Anyone Girl, played by Grace DeLaney and Mrs. Sanford Hart; Joggers, Milton Howard, Bob Barben and Ferland Cribb. Another highlight of the evening were the Ladies of the Corridor, played by Katie Reher, Marva Turner and Wilma Smith.

The show never could have gone on without the help of the band, Mrs. Evelyn Metcalfe on piano, Mrs. Chuck Metcalfe on drums, and Mr. Vic McKunas on trumpet.

The auditorium rocked with good old music, and just plain good time. Praises must be given to everyone involved for putting together an appealing show, popular with the public, and for the good of the community by and for the community.

General co-chairmen for the Folies Berg'ere were Mrs. Karen Boyer and Mrs. Eileen Martin.

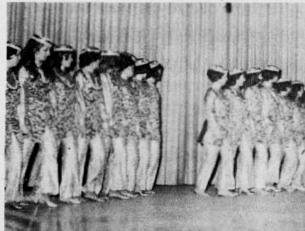

Enough wool is used yearly by American car manufacturers to make 20 dresses for every woman in U. S.

"OVER THERE ROCKETTES", "Gettin' em up there" - are pictured above.

EVEN "THE ANDREW SISTERS" were there. Lois Sachsenmaier, Judy Mundt and Karen Boyer.

THE "GOLDEN GIRLS DRILL TEAM" featured 16 cast members.

THE YANKEE DOODLE Rockette line was colorful in their red, white and blue costumes.

MRS. ANN MICKUNAS takes as "South of the Border" for a visit with Carmen Miranda.

THE MOST COLORFUL number of the show was the Spanish group "South of the Border".

STRIPPERS Fran Thompson, Ann McKunas and Jimmy Garner thrilled the crowd with their electrifying numbers.

"THE LADIES OF THE CORRIDOR" Wilma Smith, Katie Reher, and Marva Turner (left to right) enjoy a cup of tea.

THE AQUARIUS SINGERS, Beverly Mann, Warren Hanson, Ann McKunas, Jim Reynolds and Pam Yeary brought on the final number of the show.

SUMMER CAMP

Open House Ceremonies For Armory Will Be Sunday

THE NEW NATIONAL GUARD ARMORY which will be dedicated at Open House

ceremonies on Sunday, Feb. 4.

Open house ceremonies for the new National Guard armory in Avon Park will be held from 2 until 5 p.m. Sunday, Feb. 4.

The official ceremonies will begin at 3 p.m. and the public is invited. The armory is located approximately three miles south of Avon Park on Highway 27 near South Florida Junior College.

The armory was completed in April, 1972 at a cost of \$250,000. It will serve Battery "B" 2nd Howitzer Battalion 116 Artillery of the Florida National Guard. The armory was designed by Watson and Co. of Tampa and Orlando. The general contractor was Ellis Construction, Tampa.

Battery "B" is commanded by Capt. Ernest E. "Buck" Gilliland whose home is Sebring. Members of the unit are from Avon Park, Sebring, Lake

Placid, Wauchula, Bowling Green, Zolfo Springs, and Frostproof.

Master of ceremonies for the occasion will be Col. Donald E. Woods, Battalion Commander of the 2nd Howitzer Battalion 116th Artillery with headquarters in Lakeland. The Rev. Aden Childress, pastor of the First Baptist Church of Avon Park, will give the invocation.

The principal speaker will be the Rev. Frank Cleveland, minister of the Episcopal Church of Avon Park. The Rev. Cleveland is a combat veteran of the Vietnam war.

Among the honored guests will be Mrs. Powell Skipper, wife of Col. Powell H. Skipper, former Battery Commander of

the Avon Park unit. Col. Skipper died while in the service of his country and was a lifelong resident of Highlands county. He served with distinction during World War II as a flying officer, and during the Korean conflict as an anti-aircraft battery commander. Mrs. Skipper will be presented with a special award in memory of her husband.

Special invitations have been sent to all elected officials of Highlands and Hardee counties. Special invitations also have been sent to city officials of Avon Park, Sebring, Lake Placid, Wauchula, and Frostproof, and to state and federal officials. Included among these are Gov. Rubin Askew, Sen. Lawton Chiles,

and Sen. Ed Gurney.

The officers and men of Battery "B" will especially thank city officials of Avon Park, the Highlands County Board of County Commissioners and the state and federal officials who worked so hard to make a National Guard armory in Highlands county possible.

On display will be over 20 vehicles, 6-108 howitzer guns and small arms, and civil disturbance equipment. There will be conducted tours of the armory by the men of Battery "B".

The men of Battery "B" would like the people of Highlands, Hardee, and Polk counties to know about the mission of the National Guard and the role the Guard plays in the defense of this country. It is hoped that a large number of citizens will attend.

Man Apprehended After, Kidnap, Extortion Attempt

Cooperation between law enforcement agencies in and around Highlands County enabled officers to apprehend a kidnapper early Tuesday afternoon in Lake Placid after he held a bank president's wife for ransom.

The victim, Mrs. Eugene Griffin, apparently was held at gunpoint by a man who broke into her home. The man telephoned her husband and demanded \$80,000 for the first safe release.

Griffin, president of the First Bank of Lake Placid, immediately placed the money into a briefcase and took it to his home.

After Griffin turned over the money to the suspect, the suspect walked from the home for a distance of about two blocks and got into his orange Datsun sedan parked in a wooded area. Griffin and a neighbor, Billy Cannon, got in the Griffin car and started to search for him.

Mrs. Griffin headed for town and the comparative safety of the bank. En route she encountered one of the Sheriff's roadblocks and Chief of Operations Lem Brumley. She told them the story. It was decided to go back to the Griffin home and when Sheriff O. L. Raulerson Jr. arrived it became the central place for directing the capture operation.

Roadblocks were set up at all major roads in the area and all roads leaving the county. Glades and DeSoto county Sheriff's departments were alerted. A helicopter piloted by Charles Crowley was used with Deputy Sheriff Len Askeland accompanying Crowley. Four Federal Bureau of Investigation agents arrived from Ft. Pierce. A state-wide alert was sent out. Dogs from the Avon Park Correctional Institute were ready for use.

Just two hours later, a DeSoto county deputy Sheriff spotted the orange car crossing Route 27 at Main street about a mile from Mory's home. He was apparently returning home. The suspect was arrested and offered no resistance.

Sheriff Raulerson said \$8,500 was found in the trunk of the car, \$882 on Mory. The remainder of the money was in the briefcase which had been left on top of some boxes in a shed near the Mory home.

Mrs. Mory was at work in Lake Placid and knew nothing of the incident, Raulerson said. He said Mory is unemployed and has a heart condition.

Mory was released to the F. B. I. to be arraigned before the Federal Magistrate in Fort Pierce on charges of extortion.

It was reported Mory could be charged under the Hobbs Act, bank robbery by kidnapping. Conviction could lead to a life sentence.

New Exhibits To Be Seen At 37th County Fair

New exhibits, more competition are two of the distinctive features of the 1973 Highlands County Fair. The 37th fair is scheduled to open at 6 p.m. on Feb. 24 and run through Feb. 29 at the fairgrounds at the southern edge of Sebring.

Even before the fair board began its Jan. 31 meeting Bert Harris, County agriculture agent who serves as the fair's agriculture superintendent, could report that livestock entries are far ahead of any previous year and he has had to start a waiting list for education exhibits.

New Old Feature

An old county fair feature which will be new to the Highlands county fair this year is homecoming skills. Anyone and everyone who wishes to compete is being invited to enter exhibits in sewing, cooking, needle work, crafts, Mrs. Jo M. Townsend, extension home economics agent, said. "We hope many, many people will bring work to be judged."

"We are aiming to have an old-fashioned fair where the best cakes, pies, bread, jams, quilts, tatting, all those things we associate with fairs will be judged. Exhibitors do not have to belong to any organization or pay any fees to enter. This is just short of the 40,000 mark."

Highlands county, instead of growing at its usual 3-4 percent a year, has been growing at about 10 percent a year, just short of the 40,000 mark, the sheriff predicted.

"The paper work that is now needed to comply with the new law is immense," Raulerson said.

After the sheriff held the meeting room, the commissioners asked the Clerk of the Circuit and County Courts, Earl Rich, to inform Raulerson that they are prepared to call a special meeting to consider

the growth has been 9,830. And from these same sources, it would appear that total population as of Jan. 1 was 28,527.

And growing, growing! A population of 40,000 for Highlands county had been projected for 1980 - and this total should be reached by summer this year if the boomlet continues.

The growth is particularly apparent - and has been - in increased traffic and in crowded supermarkets. And building activity is apparent everywhere.

money to the suspect, the suspect walked from the home for a distance of about two blocks and got into his orange Datsun sedan parked in a wooded area. Griffin and a neighbor, Billy Cannon, got in the Griffin car and started to search for him.

Mrs. Griffin headed for town and the comparative safety of the bank. En route she encountered one of the Sheriff's roadblocks and Chief of Operations Lem Brumley. She told them the story. It was decided to go back to the Griffin home and when Sheriff O. L. Raulerson Jr. arrived it became the central place for directing the capture operation.

Roadblocks were set up at all major roads in the area and all roads leaving the county. Glades and DeSoto county Sheriff's departments were alerted. A helicopter piloted by Charles Crowley was used with Deputy Sheriff Len Askeland accompanying Crowley. Four Federal Bureau of Investigation agents arrived from Ft. Pierce. A state-wide alert was sent out. Dogs from the Avon Park Correctional Institute were ready for use.

Just two hours later, a DeSoto county deputy Sheriff spotted the orange car crossing Route 27 at Main street about a mile from Mory's home. He was apparently returning home. The suspect was arrested and offered no resistance.

Sheriff Raulerson said \$8,500 was found in the trunk of the car, \$882 on Mory. The remainder of the money was in the briefcase which had been left on top of some boxes in a shed near the Mory home.

Mrs. Mory was at work in Lake Placid and knew nothing of the incident, Raulerson said. He said Mory is unemployed and has a heart condition.

34th Annual Camp Meeting Will Open Here Today

The thirty fourth annual meeting of the Avon Park Camp Association Inc. begins Feb. 1, 7:30 p.m. with a newly elected President, Dr. Don A. Morris of Lakeland, presiding as platform manager. Dr. George E. Blanchard of Chattanooga, Tenn. who has served as President 1969-1972, retired at the conclusion of the 1972 camp meeting. Dr. Morris is a retired pastor and evangelist of the Detroit conference of the United Methodist Church, having retired from his last pastorate in Owosso, Mich. He is a graduate of Asbury College and Asbury Theological Seminary, Wilmore, Ky. The latter institution numbers Bro. Morris as one of its trustees, serving as Vice Chairman of the board of trustees.

The Camp has recently completed the construction and furnishing of a new dormitory which is virtually a twin in design and size to the Schoenhals Memorial dormitory which was dedicated five years ago. The new dormitory was well as the other six dormitories is fully reserved and must depend upon nearby motels and private homes to house the expected visitors to this year's camp meeting.

The daily program of the Camp meeting is scheduled as follows, rising bell 6:45, morning prayer 7 to 8 a.m., breakfast 8, Bible study 9-10, preaching services at 10:30, 2:30 and 7:30 the latter being preceded by a Vesper Prayer and Praise service at 6:30 p.m. Dr. James Lentz, missionary and evangelist, vice president of World Gospel Missions will be speaking at the Thursday evening service and will be alternating with the other evangelists in the 10:30, 2:30 and 7:30 convocations. Dr. Leon Chambers of Gadsden, Ala. is a professor in the Nazarene college in that city, and is the other scheduled evangelist of this camp meeting. Dr. Roy S. Nicholson of Brooksville, Fla. is an internationally known Bible expositor and will be presenting a Bible study each morning 9:15-10, Feb. 2-11. The Paul Davis family will be in charge of the music. Professor and Mrs. Davis served here as Song Evangelists two years ago in the 1971 Camp.

Plans for the opening, Feb. 12, of a new alcoholic rehabilitation center near here are nearly complete.

The Nu-Way Center, Inc., has negotiated a five-year lease with Mr. and Mrs. Mark Kilgus of DeSoto City for the Sunny Haven Boarding Home, formerly operated by the Klines for senior citizens. Directors of the rehabilitation unit will have an opening date of Monday, Feb. 12, when clients may be admitted to the program. The coming week will see the Center staff getting settled in the new facility.

Operating under a non-profit corporate charter, The Nu-Way Center will offer residential supportive care for alcoholics who may voluntarily seek help with problem drinking or who may be referred to the rehabilitation unit under provisions of Chapter 71-132, Florida Statutes, Comprehensive Alcoholism Prevention, Control and Treatment Act of 1971 (commonly referred to as The Myers Act).

The newest Central Florida alcoholic rehabilitation unit will provide services for 25 in residence alcoholics with project goals of offering rehabilitative services to a total of 150-200 problem drinkers in its first full year of operation.

Finalization of plans for the Nu-Way Center's services to alcoholics will be completed by the end of the year.

All interested adults are invited to attend this affair to show the boys and girls that they are appreciated by the citizens of Avon Park for the hours of practice and the efforts they expend at games and meets.

10,000 Added To County Population

Nearly 10,000 new residents have been added to Highlands county in the past three years, which puts county population just short of the 40,000 mark.

Highlands county, instead of growing at its usual 3-4 percent a year, has been growing at about 10 percent a year, just short of the 40,000 mark, the sheriff predicted.

"The paper work that is now needed to comply with the new law is immense," Raulerson said.

After the sheriff held the meeting room, the commissioners asked the Clerk of the Circuit and County Courts, Earl Rich, to inform Raulerson that they are prepared to call a special meeting to consider

the growth has been 9,830. And from these same sources, it would appear that total population as of Jan. 1 was 28,527.

And growing, growing! A population of 40,000 for Highlands county had been projected for 1980 - and this total should be reached by summer this year if the boomlet continues.

The growth is particularly apparent - and has been - in increased traffic and in crowded supermarkets. And building activity is apparent everywhere.

In the census taken during

March, 1970, final results gave Highlands county a much-disputed population figure of 28,867. Many persons thought it should be much higher.

County Administrative Assistant Charles Cullins started digging into figures last week when he received a request from the University of Florida economics and business research department. He thought their figures for this county were too low - and the figures would affect the money the county receives from the state. The bigger the population of a county in relation to other counties in the

state, the bigger the state checks.

Cullins discovered that during the 18 months from Jan. 1, 1971, to July 1, 1972, (which is the figure the state wanted at this time) that the county had issued 1,488 certificates of occupancy in the rural areas outside the cities.

During the last six months of 1972, an additional 602 certificates were issued. Since the county had no building department before Jan. 1, 1971, Cullins figured that during the nine months after the census was taken in 1970, 966 permits were issued, using the suc-

ceeding months' figures as a yardstick.

C. W. Ellerbee, Avon Park building inspector, estimated that 300 new home permits had been issued in Avon Park during the three year period.

And Thelma Edgemom, Lake Placid city clerk, said 19 had been issued during the three year period.

So for the three years since the census was taken in 1970, 4,163 new homes have been built or permits of occupancy issued for new homes or mobile homes.

The federal census disclosed that, according to the number

of dwelling units in Sebring as against the city's population, each unit contained 2.25 persons. Using this 2.25 yardstick, Cullens came up with his population figures.

It was pointed out that people move away - but it also was pointed out that new people move into the vacated places. And that occupancy is at an all-time high, rentals practically impossible here.

From the housing figures, it appears that the unincorporated county areas are growing the fastest. With the county accounting for 8,281 of the population gain.

Hard-Working Legislators

This county is lucky to have two very hard-working legislators representing them - Rep. Jim Tillman, (R) who has been our man for some years now, and Sen. Tom Gallen, (D), elected in November.

Tillman is making a mighty effort to keep the state police academy from going to out-of-way Quincy. This county tried mightily to get the academy. If it is not centrally located, why not keep the courses in the state's junior colleges? Quincy is a long way from the biggest crime area in the state - Greater Miami.

Gallen says he also will help in trying to get some minds changed about the Quincy

site. Gallen already has won one major battle for the county. The \$64,000 stop light at Highlands and Kenilworth now will cost the county only the \$14,000 budgeted. And the remaining \$50,000 will be handled by the Department of Transportation as a right of way expense.

Gallen's help was enlisted after County Commissioners were faced with paying for a \$64,000 traffic light for which they were only prepared to pay \$14,000. The additional cost came because DOT insisted on extra traffic lanes.

We in Highlands county are very lucky to have both of these gentlemen, one a Republican and one a Democrat, representing us.

The signing of a Truce to stop all fighting in South and North Vietnam, that took effect at 7 p.m. EST on Saturday, Jan. 28, ended America's longest armed conflict, which lasted officially for 12 years and 26 days.

This was the fourth most costly conflict in terms of battle deaths, (with 45,940), in the nine wars fought by the United States, less than one sixth of the 292,131 Americans killed in World War II, the U.S.'s most costly war in terms of lives lost.

We can only hope that those who gave their lives for this cause, will not have died in vain. We know that the heartache caused for Mothers, Fathers, Wives, Children, Brothers, Sisters, Relatives and friends of those 45,940 killed and those wounded, will still be felt and their Memory will last longer than the 12 years and 26 days we were involved in this conflict. We hope that those who fled to other countries to escape the conflict, and the residents of Vietnam, that these gave their lives for, or were wounded, will

Panthers

Began

Practice

South Florida Junior College's Panthers began practice last week for a very rugged 32 game baseball schedule. Included are 13 doubleheaders, most of which are twilight-night doubleheaders.

The Panthers, hoping to keep their record going of never having finished last in Division Three, must come up with some strong pitching and hitting to travel through 13 doubleheaders.

The Panthers began with four non-conference games, two against Division 4 Edison, and two against Division 3 Valencia.

The Panthers will play one of their top games in Sebring this year as they host Manatee in a 7:30 p.m. game on Monday, Mar. 26.

All other games will be played at Head Field in Avon Park.

SP4 Curtis E. Cochran, (9-8-67); Sgt. Lowell Ferguson Jr., (4-24-71); Sgt. James L. Green, (10-13-67); Sgt. Willie L. Kirkland, (5-20-69); S. Sgt. Nathan E. Peacock Jr., (4-9-67); Place of burial for all of these was Bogueville Cemetery, Avon Park, except Kirkland, who was buried in Lakeview Memorial Gardens.

Those from Sebring: Cpl. Edwin C. Hill, (1-14-67); Capt. John E. King, (1-24-64); Pfc. Bruce Simpson, (10-18-66); Capt. Dennis Smith, Jr., (11-30-69); Hill and Simpson were buried at Pinecrest Cemetery, Sebring, King buried in Bradenton; and Smith in Lakeside Cemetery, Sebring.

Those from Lake Placid: Sgt. Charles Jenkins, (3-19-68); Sgt. Robert Lee Walker, (7-24-67). Jenkins buried in Lakeview Memorial Gardens, Sebring; Pollard, Oak Hill Cemetery, Lake Placid; and Walker, Hyway Park, Lake Placid.

The Truce has been signed and the fighting supposedly stopped, but the hurt, heartache and memory of the dead and wounded will go on.

Letters To

The Editor

Editor Sun:

We should all be proud of our High School Band. It is so outstanding, thanks to Mr. Mickunas. I noticed that the Band is increased in size and improved in quality, plus this year we have a nice addition which will please the South and this is a good idea. Now the Band will please lovers of Opera, Classical and Jazz.

Only one thing I didn't like. I noticed that the stage is too small and the student musicians are very uncomfortable, they are like sardines in a can. Attend their concerts and you'll see the crowded conditions I have in mind. I'm sure our lumber companies and workmen could enlarge the stage, and it wouldn't cost much.

I also appreciated the composition of Mr. Norman Leyden. It possessed Harmony, Melody, Gayness and variation. I appreciate Mr. Mickunas' idea of promoting contemporary composers and young musicians. I'm impatiently waiting for the next concert.

Music Lover and Promoter of Young Talents,

Editor:

Last Friday night I had to call the Sheriff's Department for the service of their ambulance to take my mother to the hospital.

The two young deputies who came to help me were Chuck Campbell and Leonard Hardy. Had these two young men been my own sons and my mother's grandsons, we both could have never been treated kinder or with more sincerity than they treated us. They both stayed with me in the Emergency Room until they were assured everything was going to be all right. Their thoughtfulness, kindness and sincerity was something I shall never forget.

It is a wonderful thing to know that in these trying times, there are those who care. Thank you Chuck and Leonard.

Dear Editor:

I would like to express my thanks to the entire staff of the Avon Park Sun for their help in coverage of our high school Cross Country team this year. Without the help and assistance of Lucy Derkman, Eloise Sharpe and Ed Carter, I would have had a difficult time in stimulating the interest in Cross Country that helped lead the Red Devils to a state championship.

I have seldom worked with people as interested in the youth of our community as the Sun staff. My sincere thanks and appreciation for your efforts.

Respectfully,

"We want to become good citizens of Avon Park and Frostproof

...and help keep your air clean, too"

Dist. Supervisor Armin J. Longoria, Highlands Division, Florida Gas Company

Florida Gas Company, serving over 100 Florida communities, is now proud to bring natural gas to Avon Park and Frostproof.

This natural gas is delivered to you through our underground and out-of-sight mainline that begins more than 4,000 miles away...in the cactus country of south Texas. This clean energy pipeline to Florida has fingers reaching into the rich gas deposits of the Texas plains and the Louisiana bayous. Continuing eastward across the mighty Mississippi River and through that state into Alabama, this silent subway straddles the rich, recently-found oil and gas fields of Jay in the Florida panhandle. The pipeline ends just south of Miami. Everyday it

brings over 700 million cubic feet of clean natural gas to Florida. And we're glad that Avon Park and Frostproof are included.

Natural gas has become the ecology fuel. It's used in your home and business. Cleanly. The only by-products of natural gas are water vapor and harmless carbon dioxide (that's the fizz in soda pop). Carbon dioxide is also absorbed by trees and plants to help them grow. And trees and plants give off clean oxygen for us to breathe.

Yes...Florida Gas is proud of the role it plays in keeping "Florida clean...Florida beautiful and green."

Avon Mobile Home Park News

When rumors started floating around that a wedding would take place in the hall at Avon Mobile Home Park on Saturday night many were heard to say, "Who are they?" "Who is getting married here?" and "Is everyone invited?"

Certainly all were invited to stay after the singing to witness a presentation by an all male cast of "A Shot Gun Wedding". The charming bride was Floyd Stevens with a flowing net veil over a long white gown.

The groom, Harmon Heffner, was rounded up by the bride's father, Alva Derr, who kept his shot gun well aimed throughout the ceremony to prevent the groom from returning to his favorite fishing hole.

The bridesmaid was Lewis Becker, best man, Sponsor Limbaugh; ring bearer, Lawrence Robinson, a cute little fellow so nervous that he kept losing the ring; the darling flower girl, Joseph Bacon, dressed in flowery fashion and with hair in beautiful ringlets; mother of the groom, Glenn Long, father of the groom, Harold Faulkner; mother of the bride, Stylis Mishey, who wept in fear the groom would never show up.

William Bell performed the ceremony in his most gracious manner, and when he asked if anyone had an objection, Merrill Murphy in the audience

by Lorena P. Wyant

allowed her to do. This was overruled, and the ceremony continued, to qualify for the fee to be earned. And the couple was declared "hitched". Harold, Patton sang "On Promise Me" and Harold Wolcott was organist. The reception following allowed all who wished to kiss the bride and photographers to get lasting mementos of the stylish costumes and beautiful ladies in the wedding party.

The Thursday night movies last week were "The Invitation", a film about prevention of burglaries, "400 years of St. Augustine", and "Fishapalooza". Residents attending enjoyed these informative and interesting presentations.

The Bible study group, which meets Friday morning at 9:30 at the recreation hall, is gaining attendance. More interest has been in evidence by larger attendance at the Craft classes since ceramic painting has started.

Mrs. Florence Stark and Margaret Brown were dinner guests of Phelps and Josephine Button, and called on friends in the park on Friday.

Mr. and Mrs. Loy Nickler of Elkhardt, Ind., called on John and Edna Wolfe Friday, Florida to points in southern Florida.

Guests in the home of Mr. and Mrs. Glenn Long the past week were Glenn's niece and husband, Mr. and Mrs. Ted Teak of Elyria, O.

Mr. and Mrs. J. R. Rossman and son Daniel of Johnstown, N.Y., are spending two weeks with Mr. and Mrs. Maurice Fero, also Mr. and Mrs. Philip Rossman of Amsterdam, N.Y., who are residing on Lake Leta. Daniel is staying with his grandparents while his father and mother are visiting in interesting places in the state.

Mr. and Mrs. Gordon Hurst from Venice were Friday guests of Mr. and Mrs. Lewis Becker.

Mr. and Mrs. Ken Heimberger of Waterford, N.Y., are in Florida for a few months. They are former residents of the park and recent dinner guests at the home of Mr. and Mrs. Roy Gitten.

Recent visitors to the Lawrence Robinson home were Roy's uncle and aunt, Mr. and Mrs. Louis Weiss from Lake Worth, on their way to Tampa. On Saturday morning a friend of many years, Mr. William Sinclair stopped for a short time on his way to Fort Lauderdale from his home at Aldersburg, Kissimmee.

Mr. and Mrs. John Frederick of Townsend, Wis., and Mentone, Ind., were Sunday guests of Mr. and Mrs. Joe Bacon and also Mr. and Mrs. Claude Wade of East Circle Dr. The Fredericks spend the winter at their mobile home in Leesburg.

Mr. and Mrs. Roy Gitten visited Mr. and Mrs. William Fero's a day last week with Mr. and Mrs. Carl DeGoff at Ocala. All were neighbors in Kissimmee, N.Y.

Mr. and Mrs. John Frederick of Townsend, Wis., and Mentone, Ind., were Sunday guests of Mr. and Mrs. Joe Bacon and also Mr. and Mrs. Claude Wade of East Circle Dr. The Fredericks spend the winter at their mobile home in Leesburg.

Through the courtesy of Maj. (Ret.) Eugene Flint we would like to share with you an interesting news item from his hometown newspaper, The Times Record, in Doland, S.D.

It concerns the belongings of a dead Japanese sailor being returned to the family after it was in the possession of an American Red Cross worker for almost 30 years.

Several people were involved in the chain of events which led to the box of letters and clothing belonging to the Japanese sailor, who died in World War II, being sent from Doland to the family after it was in the possession of an American Red Cross worker for almost 30 years.

Frances Flint, (sister of Eugene here in Avon Park) and sister of Arnet Flint, a Doland school bus driver, was given the box by a U.S. Marine while she was working with the Red Cross during WWII in the South Pacific. Frances later left the box at the home of her brother, Arnet, and perhaps it was forgotten by everyone.

In September a year ago, Tomoo Wada, a Japanese teacher, stayed at the home of Mr. and Mrs. David Holmes in Doland for two weeks. Upon learning of the Japanese teacher in the area, Arnet remembered the package and asked the teacher to translate he letters found in the box.

After Tomoo returned to Japan, he contacted the dead sailor's relatives in Hyogo Prefecture (county), by using the identification from the return address on the sailor's letters. The family asked to have the box returned to them. Tomoo passed the request along to the Holmes family in America, with whom he had been corresponding. They asked Flint, who in turn asked his sister, Frances, who replied, "By all means, Arnet!"

The box, containing in addition to the letters, a complete change of clothing, cigarettes, a toothbrush, and a few other items, measured about 18 by 8 by 8 inches. The box was sent to Tomoo in Japan, who forwarded it to the dead sailor's family. Upon receiving the package four days later, the family phone Tomoo, telling him how grateful they were to receive the box.

500 Visit Spring

Lake's Open

House

Despite rainy weather over 500 persons turned out last weekend for the open house at Spring Lake where five model homes by the prestigious Deltona Corp. were unveiled.

Spring Lake, a development of Coral Ridge Properties, Inc. subsidiary of Westinghouse Electric Corp., is on Highway 96, a short distance east of Highway 27 and about eight miles south of Sebring.

Joe Taravella, president of Coral Ridge, in an address to a group of 300 prior to a special barbecue luncheon Saturday, emphasized that the development of Spring Lake would be "low key."

"The way to run it is to rush it," Taravella declared, adding that Spring Lake developers were complete agreement with the vast majority of Florida citizens "who are fed up with the low-down payment, rush real estate sale where the developers are after a fast buck and don't care whether you ever build or not."

Taravella compared the efforts at 5,000-acre Spring Lake to those of a fine orchestra. Developers, he said, are working in harmony with builders, banks, savings and loan associations and realtors.

"Our job is to work together to produce a good product. With continued good planning and good citizens meeting in, we will take a back seat to anyone."

Guests at Spring Lake may register through Sunday, Feb. 25, for the grand prize, a Westinghouse microwave oven. Other prizes will be awarded each Sunday prior to the major award.

Ireland Sanders, resident home sales manager for Spring Lake, was in charge of preparations for the open house.

Highlands Shrine Club Has Gala Party

On Saturday evening, Jan. 7, the Highlands Shrine Club held a banquet at the Holiday Inn at Lake Placid. Following the banquet installation of the new officers was held. The outgoing president, Henry Hartman, introduced visiting members and guests. He then thanked all members of the club for their labors in making his year so successful.

He then introduced Walter Kessler, the new Potentate of Egypt Temple, who in turn introduced his staff. A. C. Robinson, Assistant Rebab; Roger Michels, High Priest and Prophet; the Rev. Thomas Smyth, Chaplain; Claire Cornes, Chairman of Membership; C. Wesley Ward, Club Liaison Officer.

He then installed the new officers. Lowell Allen, president; Guy Adams, first vice-president; Rodney Durance, second vice-president; Chuck Burns, third vice-president, along with the ambassadors and directors for 1973. He then presented the new president with a beautiful gavel.

After a brief outline of the coming events to take place in the new Shrine in Tampa, he turned the event over to the new president, who in turn welcomed the members and guests.

Before festivities really started the place was thrown in darkness. An electric panel burned out. Electricity finally was restored, but not enough to run the central air conditioner for the rest of the evening.

Even with these setbacks the party was not spoiled. This was the largest party in our club history with 202 Shriners and wives registered. The Club is looking forward to a very successful year in 1973.

Putting forth a *Real* effort

A child's first attempts at printing require deep concentration and great effort. However, with patience and practice he becomes more adept and lettering is easier. Then he is ready for the next step, learning to write.

The Lord expects us to put forth an effort to improve ourselves.

"I beseech you therefore, brethren, by the mercies of God, that ye present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service."

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Congratulations are due Carl Overholt in his decision and acceptance of this decision to lapse his drivers license. We all must face this at some point in our lives and Carl has done it admirably. A long, red "3" wheelie now resides on the Overholts carport and the little car has been sold.

Mr. and Mrs. W. Dasek of Crawfordville, Ind., wintering in Palmetto, were weekend guests of the Paxtons. The Ferrells enjoyed the weekend having their daughter, Judy, and her family here from Miami. Mr. and Mrs. N. Trompies went to Miami Beach to visit friends—6 days of perfect weather.

Monday a dark cloud hung over Southland—everything happened. Colds developed. Tom Morrison was hospitalized and Caroline already had a bad cold. Nita Ritchie took a hard fall but with rest is doing fine. Herb Renaud took the flu bug but almost immediately passed on to Emily. However, Mrs. W. Hindley happily entertained over night guests from Bryon, Ohio, the McKays and the Perkins left for Naples to spend a few days with their son there.

Twelve braved the rain Tuesday morning for coffee. Clara Engard's good coffee and fresh rolls made everyone forget the gloom of the morning and glad they came. Helen Erdi's sister-in-law, Eva Russe, of Ohio came to spend 10 days. The ladies have already visited Disney World. The Wandover's took H. Cook and H. Miesel to Palmetto to visit friends. In the evening the Condis were hosts to the Tebo's. David's son, M. Hindley in the Condit's home for a fish fry, the fish caught by the men of the group.

Wednesday, the Gilberts took a trip to Kissimmee to visit their northern neighbors. The afternoon sewing session consisted of 5 ladies all busily working on holiday show items—here are needed! In the evening the Condit's invited the Romans in to view some of Loyals' fishing slides. From what I hear from Wilber now, I hope Loyall will give a showing to the whole park soon. Watch bulletin board for the notice!

Thursday, the Coos entertained the Rev. and Mrs. Wampler of Arcadia. Three tables of aggravation were played Thursday night. A Condit, H. Tebo, and L. Breuster tied. M. Hindley and H. Tebo brought candy to make the evening more enjoyable. Folks are having the flu in all degrees and those who do not are staying close to home to avoid the bug.

Friday, Byron Jeremy was hospitalized with the flu bug and Bessie is home doctoring a cold too. The Leorneds are both under the weather too. Harry for better news—Thanks to Mr. Carlson, Millie Joseph has wheels again. Her bicycle pedal broke but thanks to Carl, it is fine now. Also at the Carlson's can be seen the testimony of what final touches can do for a home: a lovely new white awning has been added. The afternoon shuffle was rather slim so no score was kept. The game was enjoyed by those who participated though. There were 26 out for Bingo Friday night. Golda Daun won the grand prize.

Saturday brought Tom Morrison home and departed the Long's company who have gone on to St. Pete for a few weeks. Not home yet are Louise Garrison and Harold Arms. They have both endured long sojourns at the hospital and a visit or friendly note would be a real shot in the arm. Louise's

move to the nursing home has been postponed.

There was a slightly different game of ring around the court Sunday afternoon. But the results are the Sinclair's on lot 131 are now in a brand new, larger home and are permanent winter residents of Southland Court. We all welcome them as residents and wish them well in their home.

Mr. and Mrs. Stiles Brown, former Avon Park residents now living at Mexico Beach, Fla., called on Marvin and Hannah Tebo and Carl Overholt recently. Drop in guests from Hammond, N.Y., became a regular thing at the Elthorpes this week and they enjoyed every minute of it.

Award of the week goes to Golda Daun for her Florence Nightingale interpretation as she faithfully tended Ann Antony and many others in the Court. Errand running and prescription filling was done with that typical Golda flair we all know so well. Get well wishes are sent to all of you who were downed by the bug.

The Adult 1 Sunday School Class of the Church of the Nazarene taught by the Rev. Paul Trissel had a very enjoyable and delicious progressive dinner last Saturday evening.

The festivities began at the new home of Bob and Yvonne

Germaine in Sebring. Their oval dining table held an array of salads. The group then came back to Avon Park to Clyde and Dorothy Hicks where they enjoyed baked potatoes, and to Russell Scott's where Jackie served vegetables. On to the Fellowship Hall, the group enjoyed baked pork chops and

dressing served by Trissels. Then good homemade ice cream (furnished by Trissels) accompanied the many goodies baked and served by Pauline and Denisy Jackson, at their new home.

To end an evening of fun, fellowship and food, the Germaines and Jacksons were presented gifts to help them know their Sunday School members are happy they have such beautiful new homes.
