Devils Bow To Ft. Meade; To Meet Wauchula Friday

A couple of very questionable pass interference calls, four lost fumbles, a pass intercepted, and a punt blocked into the end zone proved too much for the Avon Park Red Devils to overcome last Friday night in Fort Meade where they lost to the Miners by a score of 19-8. It was a night when nothing went right for the Devils after the first quarter when they drove on their first possession for a 58-yard sustained scoring march. The loss will send the Red Devils over to Wauchula tomorrow (Friday) night with a 2-1 record in the Tri-County Conference to take on the non-conference foe - the Hardee Wildcats. The Wildcats are 1-2 for the season with losses to Fort Meade and Venice and a win over Punta Gorda. The game looms as a hard-nosed battle as both teams badly need the win.

Avon Park will hope to have an improved punting game along with an offense that can hold on to the ball and move against the Hardee defense. A couple of changes are anticipated in the Devil lineup for this fourth game of the season.

Fort Meade Game
The important match-up between Avon Park and Fort Meade got off to a good start for the Red Devils on the battlefield last week as the Avon Park defense held the Miners on the first drive forcing a punt from the Fort Meade 28-yard line. The Devils took over at their own forty-two and then marched down the field for a quick score. Quarterback Danny Lewis carried on the option a

couple of times for eight yards and then passed to Wayne Todd in the drive for a nice pickup. Keith Richards and Leon McRae added some running yardage as did Josh King but the big play was an end-around pass from Wayne Todd to Keith Richards that put the ball on the one-yard line. Richards then went in for the TD and later ran the two-point conversion over to give Avon Park the 8-0 lead.

The Devils stopped the next Fort Meade drive also early in the second quarter as Avon Park pass defender Mearl Robinson picked off a Miner pass at the Devil 17-yard line and returned it to the thirty. Avon Park failed to make a first down on three running plays and Del Murphy punted out to the Miner thirty-five.

The Devils might just as well have gone home from that point on because things went from bad to worse. A Devil defender was called for pass interference on second down and long yardage needed for Fort Meade to give it a first down at the Miner 45-yard line. Two running plays netted the Miners minus yardage and then another pass interference call right in front of the Avon Park stands brought forth some disagreement from Avon Park coaches and fans and on top of the fifteen yards for the interference, the officials marked off fifteen more against the Devil staff to put the ball on the Devil 23-yard line. Again the Avon Park defense stopped a running play for the first gain. Then on second down, with the Devil defenders playing loose because of the questionable interference calls, reserve quarterback Darwin Peoples hit and Alonzo White with a pass that was tipped by a Devil back, and the big end went all the way for the Miner's first touchdown. The pass for the PAT was no good and Avon Park still led 8-6.

Again the Miners held the Devils on three running plays forcing a punt from the Avon Park 38-yard line. This time the ball was fumbled on the punt attempt and Fort Meade recovered on Avon Park's thirty. It took just one pass and three running plays for the Miners to strike again as fullback Arthur McKenzie raced in from the eight-yard line to put the Fort Meade team out from 12-8. The attempted kick for the extra point was blocked by the Devil line leaving the score at halftime 12-8 in favor of the Miners.

The entire third quarter was played in Avon Park territory as three fumbles by Avon Park backs stopped any drive from moving out. Late in the third period the Devils got another bad break as a Miner punt rolled out of the one-inch line and turned out of bounds at the one yard line. With new quarterback Buddy DeWitt calling the signals, the Devils picked up a quick five yards but then lost to the three. The third running play gained to the five.

Voters Turnout Elect Richardson Judge Bass, Skipper, Wise To Face Republicans In November

TWO WINNING NOMINEES for Democratic nomination to County Commission posts were Melville Bass, left, of Avon Park, District 1, high vote getter in the runoff election, and Robert Skipper, incumbent in District 5.

Highlands county voters in a "fantastic" 46 per cent turnout at Tuesday's runoff and judicial election chose Mark Richardson as their next county judge.

The vote against the incumbent of 16 years, Judge Mervin Rehner, of Avon Park, was decisive even before the absentee 136 ballots were counted. Richardson, without the absentee, had it won by a 252-vote margin as the vote counting ended 50 minutes after the polls closed at 7 p.m.

He carried 10 of the county's 19 precincts, rolling up his biggest edge in Sebring's Nos. 7, 8, 9 and 15 precincts.

In other local races, Democratic nominations to County Commission posts, the winners were incumbent Robert Skipper, District 5; C. J. "Buddy" Wise, a political newcomer, District 4, and Melville "Mel" Bass, District 1.

Just 50 Minutes
The counting was finished by 7:50 p.m., as about 75 candidates and friends milled about in the elections office and the corridor outside. Commission hopefuls present were Bass, Skipper, Wilkinson, Waldron, Bowen and Durranne.

Bass was the high vote getter in the election, rolling up a 1,000-plus lead over his opponent Wendell "Winkie" Williams. Bass will face Republican James Riner in the general election Nov. 7. It was a squeaker for Skipper with only a 54 vote edge over Willard Durranne, Tuesday

night, and 136 absentee votes yet to be counted the next morning. Skipper faces Republican James Dale in November.

Wise had a 317 vote edge over B. T. "Brad" Bowen, Jr., before the absentee were counted, so there was no doubt of the outcome of this race Tuesday night. Wise will face former county commissioner Jean Whitaker, a Republican, Nov. 7.

Congress
In the race for Congress, 10th district, Highlands county Democrats went along with the rest of the district to give the nod to Bill Sikes, of Clewiston, as their nominee. He will face L. A. Skip Balfaris in November. The final count (without absentee) showed Sikes victorious over Bruce Scott, 21,106-16,291.

Highlands county went along with the rest of the state to return Justice David L. McCain to his state supreme court seat over challenger Rivers Buford, Jr.

For judge of the District Court of Appeal, Highlands county preferred Edward F. Boardman, but the post apparently was won by Henry Esteva in a close count. Esteva had 86,958, Boardman 86,519 with 99 per cent of the votes in "Fantastic".

With only seven offices to be elected, there had been predictions by Elections Supervisor Jimmy Whitehouse that only about 5,000 of the 14,926 registered voters in the county would vote. But 7,058

cast ballots-a whopping 46 per cent to be counted the next morning. "I think we might have had the best turnout in the state," said a surprised and elated Whitehouse. "This turnout was fantastic, absolutely fantastic." The first primary brought out 53 per cent.

He said he needed newspaper and radio ads urging voters to cast their ballots were largely responsible. And two of the races, that for judge and for county commission in District 5, were unusually heated affairs.

Richardson
Highlands county's new judge, who will take over the \$25,000 a year post Jan. 1, 1973, has a law degree from LaSalle Institute but is not a member of the bar and has never practiced law in Florida.

Under state law, a candidate for county judge need not be a member of the bar to hold office in a county with less than 40,000 population. Highlands county had just under 30,000 population in the 1970 census.

Junior College To Offer Real Estate Course

South Florida Junior College will be offering an 11 week course in Real Estate Principles and Practices beginning Oct. 10 at the main campus in Avon Park.

This class will meet each Tuesday night for 11 weeks and on Monday night as well as Tuesday night the week of Dec. 19 for a total of 12 sessions.

Persons may register at the junior college admissions office on Oct. 5 from 9 a.m. until 4 p.m. and that evening from 7 p.m. until 9 p.m.

Registrations will be accepted after this date during regular office hours at the college until either the class begins or the program is closed due to maximum enrollment.

The cost of this program is \$40 plus books. Any persons desiring further information should contact South Florida Junior College Vocational-Technical office at 433-6661 in Avon Park.

City To Ask For Lease To Stay At \$200 Per Month

Representatives from the city of Avon Park are seeking to arrange a meeting with the Board of Directors of the First National Bank of Sebring in regards to the conflict arising around the Avon Park golf course.

Rex Bond, from the bank, said the original lease the city signed stated that the monthly rent on the course would raise from \$200 a month to \$500 after the first five years. The city signed the lease in 1967.

According to city officials, they went into agreement with Highlands Properties, the Highlands School for Girls. With that body, they had an oral agreement that the rent would raise only if the city was breaking even or profiting from operations at the golf course.

Although the monthly reports from the golf association are rising, they are far from breaking even in this operation.

Since the bank foreclosed on the Highlands School, city attorney Jonathan Hancock feels that the lease has become null and void. The city has no lease with the bank, therefore it has no right to increase the rent. Presently the city is actually

going on a month to month basis as far as occupancy on the course.

Mayor Robert J. Barben told the SUN that the city is asking for a meeting with the Board of Directors at the First National Bank in order to ask them to allow the city to continue operations of the golf course at \$200 a month. The mayor pointed out that the city has placed a lot of money into repairs to the course. At this time, no date has been set for such a meeting.

Martin To Seek 5th Term On City Council

With a little over one month left to qualify, Council Vice-President Durrah Martin threw his hat into the ring last Monday, Oct. 2, for re-election to his position.

Martin, with eight years of service to the city of Avon Park, stated at one council meeting, that all the men on the board whose seats were up for grabs should run again because they had too much in the "fire" right now.

J. R. Duggan, with six years behind him on the board, was the first to qualify two weeks ago.

The other seat open is that of Clarence King who hasn't stated whether he will run again or not.

To be eligible to run, one only must be a registered voter in the city of Avon Park. The registration books will be open until Oct. 7 at city hall.

Should one decide to run, he must place a \$25 fee with the city clerk before 5 p.m. on Nov. 3.

Home Juice
Tournament
October 14-15

The Avon Park Golf Association announced today that plans for another successful Florida Home Juice "Flo-Cal" Golf Tournament are well underway. The full quota of 160 entrants was reached in less than two weeks following the announcement of this year's tourney and the sending out of the invitations.

Pro Alex Ogilvie who is handling the registrations said that he has a commitment from last year's winner, Bill Leggett and a Championship flight of sixteen scratch to four handicappers. The tournament is set to get underway with a practice round on Friday, Oct. 13, to be followed by eighteen holes of play on Saturday and Sunday, Oct. 14 and 15.

Arrangements have been made for the local Lions Club to cater the Saturday evening dinner and the Sunday buffet.

Fire Destroys Home; One Fireman Seriously Injured

A tragic fire destroyed a home and seriously injured one volunteer fireman Friday, Sept. 29, in Avon Park Lakes. Injured was Dan Ledbetter while performing his duties.

According to Roy Kiker, Assistant Fire Chief of the Highlands Lakes Volunteer Fire and Rescue Department, he received the fire call at 3:30 p.m. at his place of employment, Albritton's Barber Shop. He immediately went to

the fire station located on Highway 27 North, took a fire truck and proceeded to the scene of the fire, on West Shore Dr. on the west side of Lake Adelaide.

When he arrived at the house, he found the family auto on fire and the house ablaze. He saw Moore lying on the ground with a group of people above him trying to give him some sort of aid.

The Highlands County Sheriff's Department was notified of Moore's condition and responded to the scene with an ambulance. Chuck Campbell and Leonard Hardy arrived and found Moore in a semi-conscious state. They placed him up, applied oxygen, and took him to Walker Memorial Hospital.

In the meantime, other firemen had arrived and began fighting the blaze. Kiker stated they first extinguished the fire in the auto then went to work on the house.

He said that the house was actually too far gone when they arrived to be able to save anything.

The second truck on the scene carried Brenner and Dan Ledbetter. They began to aid Kiker in fighting the fire. Kiker left at this time to fill the first truck with water. When he returned, he found Ledbetter on the ground with two men working on him near the burning house. He was apparently in a near state of shock and was severely burned on the head, arms and legs. Later it was learned that Ledbetter had suffered burns on over 70 per cent of his body.

Kiker told the SUN that a V.W. van was on hand and they immediately took Ledbetter to Walker Memorial Hospital.

Dr. Donald F. Jones began treatment on Ledbetter and notified Don Gossick at the Avon Park Flying Service that Ledbetter needed to be transported to the fire treatment center at University Hospital in Gainesville.

Gossick stated he has a twin engine Piper Cub that has seats which come out and a stretcher can easily be placed in for

Two other executives were also elevated to the posts of vice president. They are, John D. Pomfret, assistant to Sulzberger, and Charles B. Brakfield, president and general manager of WRNC-TV, the Times-owned station in Memphis, Tenn.

All three men will retain their present titles and assume their new posts immediately.

Harrison, 39, a Pulitzer Prize winner, heads the group of nine Florida newspapers owned by The Times.

From his headquarters in Lakeland, Harrison directs operations of the Gainesville Sun, Ocala Star-Banner, Leesburg Daily Commercial, Palatka Daily News, Avon Park Sun, Fernandina Beach News-Leader, Lake City Reporter and Sebring News.

Harrison was awarded the Pulitzer Prize in 1965, when he was publisher of The Gainesville Sun, for editorial writing on the problem of low-income housing. In 1970 he was awarded the Sigma Delta Chi Bronze Medal for editorial writing for his efforts to obtain health care for farm workers in

Polk County.

Harrison has been in charge of the Florida newspapers operations since April 1971 when Cowles Communications Inc., properties in Gainesville, Lakeland and Ocala were purchased by The Times.

A graduate of Harvard College in 1965, Harrison attended the Harvard Graduate School of Business Administration and began his newspaper career as a printer at the Fort Pierce News-Tribune.

Harrison is a member of the Spee Club and the Hasty Pudding Institute of 1970, and was a charter member of the Florida Council of 100.

In 1967 he was named one of Five Outstanding Young Men by the Lakeland Jaycees. He is presently a director of the University of Florida Foundation and WEDU Television, a trustee of the Ridge School in Bartow, and is on the President's Resources Council of Wellesley College, Wellesley, Mass.

Harrison has been vice president and director of the Greater Lakeland Chamber of Commerce, a director of the Lakeland YMCA, the Human Relations Council, Boys Club and the American Red Cross. He has also served as a trustee of the Robert H. Anderson Foundation to honor the outstanding lawyer in the state of Florida.

Harrison is married and has four children.

Secretary On Duty At New Firemen's Headquarters

Mrs. Bertha Ann Lauth Bryant has been employed office secretary at the new State Firemen's Building in Avon Park, since July of this year. Bert, as she likes to be called, was born Sept. 2, 1942, in Ft. Myers, Fla. She attended public schools in Miami and graduated from Ft. Myers High School in 1960.

Bert was married in June of 1962 to Morris Bryant from Dade City. At the present time, Morris is a cable splicer for United Telephone.

After graduating from high school, Bert worked for Dr. Marcus Snow and Robert Underberg, Optometrists and was assistant lab technician for four years. She was then employed for three years with the Honorable Thomas W. Shands, County Judge of Lee County.

Bert moved to Lemon Grove (of which Avon Park and Wauchula are suburbs) in October of 1968, while Morris was overseas in the Armed Forces. She was employed by Dr. Robert C. Gates, a pioneer in Orthokeratology, in Colorado Springs, Col., while Morris was stationed at Ft. Carson, Col.

They returned to Florida in May of 1971, at which time Bert was employed by the Avon Citrus Bank of Avon Park. In July of 1972, she was employed by the Board of Directors of the Florida State Firemen's Association as office secretary. She was highly recommended to the Association by the President of the Avon Citrus Bank.

In their spare and leisure time, Bert and Morris train and show horses. They are currently showing a quarter horse filly-Joe's Slog Ginger at halter and Bert is jumping the filly's dam, Dixie Red. While Morris was in service, Bert trained three quarter horse fillies to pay her way to Hawaii to meet Morris while he was on his R and R leave. The Bryants also like to water ski.

Bert is at the new Firemen's Headquarters Monday through Friday, and will be glad to show the new facility to the public.

emergency flights. Ledbetter, Gossick and Jones, left Avon Park at 6 p.m. Friday and arrived in Gainesville by 7 p.m. Kiker, after taking Ledbetter to the hospital, returned to the fire, with a third truck and began fighting the blaze once more, along with seven other volunteers.

He stated the fire was well under control by 6:30 so he left leaving four men at the scene. Later that evening, he and Fire Chief Clarence Merritt returned to the scene only to find it afire once more. They stayed and put it out once again.

The Avon Park Fire Department was requested to aid the volunteers during the height of the fire, at 4:35 they received the call. Fire Chief Mack Flowers along with approximately 500 gallons of water on the blaze, aiding the volunteers while they took their trucks to refill them with water. The fire fighters stayed on the scene for approximately one hour.

Apparently the fire began after Moore passed out in his automobile with his foot on the accelerator. Neighbors said they heard the motor racing for about 20 minutes. Kiker said the engine became hot, caught fire and spread to the house. Both the auto and house were completely destroyed.

At the time of this writing, Tuesday, the exact cause of the injuries suffered by Dan Ledbetter was yet to be determined. Kiker said investigations are still underway. Ledbetter's condition is still stated "critical" at the University Hospital in Gainesville.

Ledbetter is married and has a four year old son. He is a lab technician at Walker Memorial Hospital.

Board Hears Policy On Disclaiming Land

Charles Cullen, administrative assistant to the board of county commissioners, presented for board acceptance Tuesday a policy statement designed to govern the future disclaiming of public lands in Highlands County.

At the board's meeting Sept. 26, Commissioner Norman Heston had asked for the policy statement because of adverse public reaction to the board's earlier decision to close a public road in Istokpoga Shores subdivision.

Cullen's policy statement, adopted by the board, cited three conditions that had to be met before the board could act on any request to disclaim land already devoted to the county for general public use.

First, any petition requesting the board to disclaim title to public lands must be accompanied by a map or plat showing exactly the area referred to in the petition.

Second, those submitting a petition seeking the board to disclaim the public land must

Members of the Florida Hospital Association are conducting a statewide effort to promote safety in the home. About 27,000 Americans die each year as a result of accidents in the home. Accidental deaths in the home are second only to automobile accidents as the leading cause of accidental death in the country.

The highest number of disabling injuries, about four million, happen in the home each year.

The main causes of home accidents are falls, fires, suffocations, poisonings and firearms.

More males than females are killed in the home. However, one type of home accident-falls-is more common to women. The National Safety Council says that 57 per cent of the accidental deaths resulting from falls involved women.

The most frequent accident victims in the home are under four years and over 65 years old.

Accidents in the home may

involve some of the following hazardous conditions: slippery floors, smoking in bed, loose carpeting or objects left on stairs, makeshift ladders instead of steps, inadequate lighting in hallways and heavy traffic areas.

Accumulation of flammable materials in closets or garage, medicines within reach of children, household cleaners or pesticides within reach of children, showers and tubs without grab bars or non-skid mats.

Taking medicine in the dark or not following instructions, sliding glass doors not locked or without safety glass, too many appliances connected to one electrical outlet, worn out cords or plugs on lamps or appliances.

Radios and other appliances near the tub or shower, pot handles extending from stove in reach of children, access of children to unsupervised swimming pools, and matches left within reach of small children.

8,000 County Residents Receive Social Security Check Increase

Tuesday was a happy day for more than 8,000 people in Highlands County.

Social Security checks arrived that day with the 20 per cent increase added for the first time. At present there are 8,132 beneficiaries in Highlands county receiving \$1,027,000 per month.

"All people drawing benefits will receive the increase," said Frank Duerr, local field representative.

The increase will pour about \$26,400 more per month into the county.

Average monthly family benefits for a retired worker alone, no dependents, is \$129. This rises to \$136. A retired worker and aged wife, both receiving benefits, who have been getting \$224, will receive

\$271. Benefits for a disabled worker, wife and one or more children rise from \$296 to \$354. An aged widow alone, who has been receiving \$115, for instance, will get \$138. Duerr pointed out that these are average figures for only some of the people affected. Workers receiving higher checks will naturally receive more money than those whose checks are smaller, since the increase is a flat 20 per cent increase on what their present raw amounts is.

Board Hears 4-H Report At Meeting

Susan Harris and Mary appeared before the board of county commissioners Oct. 3 to present the 1972 4-H report for Highlands County.

Miss Harris is the 1st vice president of the Highlands County 4-H Council and Miss Mosier is the council's secretary.

The report stated that the county's 4-H clubs have 112 members. Of these, 49 are boys and 63 are girls. Surprisingly, 102 members reside in the county's towns and cities and only ten live on farms.

At the conclusion of the annual report presentation, the chairman of the board of county commissioners, signed a proclamation declaring the week of 1-7 October 1972 to be National 4-H Club Week in Highlands County.

Legalize Prostitution?

Should prostitution be legalized?

This is no longer a question which can be disregarded as obviously preposterous.

In Dayton, Ohio, the city commission recently voted 4 to 1 in favor of a resolution requesting the Ohio Legislature to give all cities in the state the right to license and regulate prostitution.

In New York City, nauseated by the evil evolution of the Times Square theater district, which at night is now peopled by prostitutes, 60 men and women of the theater, including Ruby Keeler and Joe Fickett, petitioned Mayor John V. Lindsay to set up an officially sanctioned red light district in the city, somewhere remote from Broadway.

Mayor Lindsay solemnly replied that the proposal might "deserve serious study" but was not "a feasible or workable suggestion at the present time."

Now Legal in Nevada. Licensed brothels are already legally permitted in some parts of Nevada, but are limited for the present to the smaller counties - perhaps with the intention of letting people get used to the idea before it is extended to the larger cities such as Las Vegas.

Former U.S. Supreme Court Justice Tom Clark has been quoted as saying, "Laws prohibiting prostitution should be repealed."

In ancient Rome, facing the same problem, the government legalized and regulated prostitution. In the days of de-

cline, some prostitutes acquired wealth and social position. But, of course, all that was lost when Rome fell.

Some have described prostitution as a victimless crime and have urged that it be legalized for this reason. Others have said that it cannot be stopped, so it should be legalized and regulated. But the vile business is not victimless. The unfortunate women who are engaged in it are, in many cases, its tragic victims.

Prostitution thrives on the destruction of women.

When social researcher Christina Milner interviewed in California a former pimp known as Iceberg Slim, he revealed to her his hatred of women. "That's where the thrill was," he said, "in the absolute violation, in the degradation."

Another pimp explained to her, "It's a brainwashing process. When you turn a chick out, you take away every set of values and morality that she previously had and create a different environment. Instead of bookkeepers or secretaries for friends, you give her professional love." (This last word is slang for whores.)

Great Leap Backward. The Bible speaks clearly about the consequences of prostitution: "My people are destroyed for lack of knowledge. . . . Whoredom and wine . . . take away the heart."

Prostitution is immoral, antisocial, and destructive. Legalizing it would be a great leap backward.

ACCIDENTS CAUSE PAIN - Shown above is Edgel Moore and Chuck Campbell of the Highlands County Ambulance Unit aiding John R. Johnson onto a stretcher last Monday. Johnson wrecked his 1967 Ford during an accident on Highway 17 South, 2 1/2 miles south of Avon Park. - Photo by Mel Williams

Florida Highway Patrolman Frank Williams investigated an accident approximately two and one half miles south of the city of Avon Park on Monday, Oct. 2.

According to the report filed by Williams, John R. Johnson of Sebring, was operating his 1967 Ford Bronco Truck on Highway 17 South.

He apparently had a metal ladder extended about 17 feet into the air and struck an overhead telephone line. This caused him to loose control of his vehicle, and traveled approximately 325 feet then turned over one and three quarter times.

A witness at the accident stated that Johnson had forced him off the road just before the accident.

Johnson was charged with operating a vehicle while under the influence of alcoholic beverages and operating an overweight vehicle.

Johnson was taken to the hospital by Highlands County Ambulance attendants, Edgel Moore and Chuck Campbell.

The Highlands County Chapter of the American Red Cross is now operating from its new home in the Civil Defense quarters on West Lakeview dr., according to Archie Wolfe, chairman. At the regular monthly meeting of the Board, which was held in the new quarters on Sept. 27, members inspected and approved the new location.

Selection of an executive secretary to succeed Mrs. Ann Griffin, interim secretary, was an important order of business. The Board decided to advertise for applicants for the position which is half-time. Mrs. Amanda Sharpe will serve as secretary until the post is filled. Mrs. Griffin reported that some areas of chapter work, such as Nursing and Health, have no chairman. She recommended that the Board act to fill these posts in order that the work of the chapter continue uninterrupted.

JUNE JUSTICE, Lake Wales, a member of the South Florida Junior College Cosmetology Clinic, poses as a model for Linda Whaley, Avon Park, in preparation for the clinic which will open to the public on Oct. 9. For additional information concerning the clinic, call 453-6661 Avon Park.

South Fla. Junior College Enters 3rd Year Of Cosmetology

The South Florida Junior College Cosmetology program has entered its third year of operation. This is a 10-month program whereby both men and women receive training to work as beauticians.

The present class of 19 students started its training on Aug. 28, 1972, and will finish up on June 1, 1973. At that time, these students will be prepared to take the State Board of Cosmetology Exam.

A very important phase of training, it was pointed out, is performed in the clinic. Therefore, when ladies from the community patronize the clinic, they will be providing a service to the students as well as to themselves. The clinic will open its doors to the public on Tuesday, Oct. 10, at 8:30 a.m.

Delta Kappa

Gamma Hold

Fall Workshop

Assistance to Delta Kappa Gamma members victimized by Hurricane Agnes in June was one of many topics discussed and approved at the Delta Kappa Gamma Fall Workshop held at the home of Mrs. F. G. Handley on Dinner Lake, Saturday, Sept. 30.

Under the leadership of Mrs. Ray Clark of Sebring, President of the Highlands County Society for key women educators, more than 35 members met in General Session and Committee Groups to make plans for implementing this year's program theme "Culture in Changing Times". Program Chairman, Mrs. Jamie Lee Edge, who serves as Librarian at Avon Park Elementary, explained that the 1972-73 theme is the second part of a three year National Program entitled "Changing Times: Challenge or Dilemma".

Following the noon luncheon which was hosted by the Executive Board, including Secretary Mrs. DeRheta Lanier, small group sessions were held under the direction of Committee Chairmen. Committee Chairmen from Avon Park who assisted were: Mrs. Rex Furr, Professional Affairs; Mrs. Charles Moseley, Scholarship; and Mrs. Fred Reddick, Research.

Also present and serving on committees were Mrs. Devon Reddick, Mrs. Floyd O. Youngs and Mrs. Leslie Burch.

APHIS Band

Performs At

Ft. Meade Game

The famous Avon Park High School Grenadier Band, under the field direction of Dennis Crews, performed for the fans at the Ft. Meade-Avon Park clash last Friday night.

After playing the official Olympic Fanfare, in a robust manner, the band marched into four company fronts, playing Goldman's "The Cherokees March". The band then performed an intricate drill, called the "Double Zipper", while the band played "Scotland The Brave".

The band then marched into a concert formation, with the trumpet section in a "V" formation playing the Mexican number "Marching Trumpets, O'le", while the majorettes did a glove routine for Avon Park fans. Then going to the Ft. Meade side, the band in the same formation played the patriotic favorite "America The Beautiful".

The band, in three company fronts, left the field playing the theme of the Budweiser commercial, "You've Said It All".

Planning And Zoning Outlined To Rotary

Speaking on "Planning and Zoning to Meet the Needs of the Community," Mary Ellen Ward, chairman of the Highlands County zoning board brought to the Avon Park Rotary Club another look at how the county zoning board is viewing the overall impact of tremendous growth changes that are taking place here and now in Highlands county.

With the help of a funding program using federal, state and county funds a study was made to determine population trends, housing conditions and to offer a final general development plan.

The urban areas in the county are expanding rapidly which raised a question by Mary Ellen as to which areas are the most desirable for home and other building purposes. The direct clean cut answer was the grove area or ridge running north and south through the county.

The ridge area is the most buildable area because the natural internal drainage of the

soils will support a high density population. The numerous lakes and natural color also offer strong attractions for building. Thus, the zoning board recommended that urban development be centered on the ridge while off the ridge building be discouraged until the ecological impact is determined.

At the present time there are 55,000 acres of land that developers have plotted with only five per cent being developed. Normally August is a slow month for building permits but this August permits were issued for 118 units giving housing for about 295 people which in a years time would mean about 3345 new people with demands for services, utilities, schools, etc.

Highlands county population is now over 30,000 but economic population studies indicate a 1980 growth to between 45,000 and 60,000 people while in 1990 we may have between 75,000 and 150,000 people, and zoning regulations and controls that

bring about a guided area development versus a widely scattered development will help to keep down the costs of services, utilities, roads, schools, etc. that will be needed.

Overall it was a thought provoking program given by Mary Ellen. Visualize if you will a Highlands county megalopolis stretching from beyond the Placid county line to south of Lake Placid with U.S. 27, long a major north south traffic artery cluttered by slow local business traffic and numerous traffic lights.

Couple Announce Their Engagement

Mr. and Mrs. Willie James Claitt of Avon Park, announce the forthcoming marriage of their daughter, Patricia Ann to Mr. Neil Caswell III, son of Mrs. Thelma Smith and Mr. Neil Caswell, Jr., of Avon Park. Permits for building and noble homes in Highlands county during September totaled \$1,251,765, according to building Official W. G. Young. There was a slight drop from previous month. Building destruction for September was \$2,580 compared to \$287,128. Noble homes permits totaled \$6,185 compared to \$549,658 in August.

Permits were issued for 39 single family residences for a total amount of \$700,680. There are 101 permits for additions and alterations totaling \$41,900. Permits were issued for 55 noble homes valued at approximately \$409,185.

There is an invitation sufficient to cover our greatest need, when claimed by the least of his children. "With God all things are possible."

A social hour was enjoyed preceding the meeting and refreshments were served.

Moratorium On Sewer Hookups
An Oct. 1 moratorium on new sewer hookups state-wide will have no effect on Highlands county. Burning Official Bill Young said this week.

Young pointed out that the City of Sebring clears up 90 per cent of the effluent from its plant, that Lake Placid has septic tanks and that Avon Park has a fairly new sewer system.

The hookup ban affected all cities which are not providing 90 per cent treatment of sewage. This involves a majority of cities in populous southeast Florida, where sewage is often dumped into the ocean raw or with little treatment.

Association for Retarded Children

Registration will begin at 8 a.m., and institute hours are from 9 a.m. to 4:30 p.m. Persons interested in attending should contact Mrs. Betty A. Busbee, Community Representative, at Sunland, Ft. Myers, telephone 694-2151, extension 320.

Parade will start promptly at 3 p.m. again this year. No letters of invitation will be mailed out this year asking for floats. Anyone interested in putting a float in the parade can contact Mrs. Janet Willis, P.O. Box 512 or phone 453-6732.

Don't worry about supper for the parade, just plan to get your advance tickets for the famous Lions Club Chicken Barbecue. There will also be hot and cold "sandwiches" served at other booths, in case you don't like chicken.

County To Get \$581,900 In Federal Funds

Federal Funds

Highlands county will get a whopping \$581,900 in federal revenue sharing funds, according to a special bulletin from the office of Sen. Ed Gurney.

Of this sum, it appeared \$316,100 is earmarked for the county government, \$126,200 for Sebring, \$217,600 for Avon Park and none for Lake Placid.

Final figures are expected shortly, Gurney's office said, noting the figures released are "unofficial and very rough estimates."

The Senate-House conference committee compromised the Senate Revenue Sharing formula and the House Revenue Sharing formula by making the payment for each state the higher of either Senate or House formula allocation.

It is hoped that the first payments will be made some time this month, retroactive to Jan. 1, 1972.

Biggest beneficiary of the federal windfall is financially-pressed Dade county (Miami) which will receive \$29,715,490. Hillsborough is second with \$10,192,800. Duval third with \$7,451,300. Pinellas fourth with \$7,263,590 and Broward fifth with \$4,764,400.

The money can be spent as the cities and counties see fit, but the public must be "prioritized as to how it will be spent."

The Senate sharing formula, Gurney pointed out, did not penalize states which have no state personal income tax as did the House formula.

The House formula also removed the strings on how local governments may spend the funds and the bias against rural local governments which were in the House formula.

RAARC Recieves Award For Program

Ridge Area Association for Retarded Children has received an award as one of the six top units in the United States and Canada working on behalf of retarded children.

The award, from Civitan International, was presented on Oct. 1 at a meeting in Montreal, Canada, where the fifth international Congress on Mental Retardation is in progress.

Dr. Jack May of Tallahassee, president of Florida Association for Retarded Children, received the award, an Honorable Mention, on behalf of the Ridge Area group.

Dr. May has announced plans to attend the Ridge Area Association's Awards Night to present the award to the association. The Awards Night is scheduled for 8 p.m., Oct. 18, in Fred Wild Cafeteria.

Mrs. Mary Ellen Ward, president of RA-ARC, said the Civitan awards—a first, second, third place and three honorable mentions—are presented annually to the units which show growth in services and creativity in devising new programs for the retarded.

Rather than citing a specific program sponsored by RA-ARC, the Civitan award lauds the association for "consistently expanding its services to the retarded each year since the association's founding in 1957."

Mention is made of the high frequency with which RA-ARC is selected as the unit to conduct a pilot program and this area has been chosen for testing of much new curriculum for education of the mentally retarded.

Civitan also mentioned the success of RA-ARC in involving many segments of the community in work on behalf of the retarded.

Prior to learning about the Civitan award, RA-ARC had scheduled the Awards Night to present awards of its own to the organizations and individuals who have made significant contributions to the education, employment and understanding of the mentally handicapped.

Mrs. Ward said the Awards Nights is open to the public.

Trophy Winners

PUNT, PASS, AND KICK. Pictured above is one of the many young athletes taking part in the Bill Owens' Ford sponsored Punt, Pass and Kick contest held Monday, Oct. 2, at Memorial Field.

Boys Win Punt, Pass, Kick Trophies

Eighteen Avon Park boys took home Punt, Pass and Kick trophies last Monday night from Memorial Field where Bill Owens Ford sponsored the annual Punt, Pass and Kick competition.

There were three trophies given in each of six age divisions as over 100 boys from age 8 through 13 took a shot at punting, passing and place kicking for accuracy and distance in the national contest.

The first place winners in each of the six divisions will go to Leesburg for the zone competition this Saturday morning, Oct. 7. The boys are to meet at Bill Owens Ford at 7 a.m. Saturday to leave for the zone competition. These boys who will be representing Avon Park are: 8-year old Dwayne P. Council, 9-year old Charlton Weathers, 10-year old Jeffery Adams, 11-year old Dennis Tondoe, 12-year old Keith Cobb, and 13-year old Michael Coleman. Jeffery Adams will be trying for his second time in zone competition.

Other winners were: second place - 8-year old Jeffery Brock; 9-year old Ronnie Barnes, 10-year old Dennis Barefield, 11-year old James Skinner, 12-year old Larry Jackson, and 13-year old Mike Owens.

The Avon Park junior high (eighth and ninth) grade football team will play its first home game next Tuesday night, Oct. 10, here at Memorial Field hosting the Okeechobee Baby Brahmas.

Coach Ken Shackelford and assistant coach Marvin Herndon have some 40 boys out for the team which will play a six game schedule. The Devil team played in Lake Placid last Tuesday night with results to late for this week's papers.

Only four of the members of the team are ninth graders so most of the boys have had no previous game experience. The offense will use Dennis Hulon, Sam King, Melvin Collins and Milton Thomas at ends; John DuPriest, Jesse Johnson, John Marsh and Ricky Lee at tackles; Mike Cobb, Mark Gaines, James Anderson, and Steve Roberts at guard; and Louis Lee and Keith Bagwell at center with Tommy Lewis, Smokey Hill and Terry Lansing at quarterback. At halfback will be Kenny Burley, Reggie Baker, Bill Tharpe, Edward Dorney, Mort Jackson and Dale Sisemore and fullbacks will be either John McKunas, Melvin Britt or Joe Gallimore.

Brown Leads Devils To Victory

Red Devil harrier James Brown led the Avon Park cross-country team to an impressive victory over Sebring and Ft. Meade last Thursday at the three-team meet held in Sebring. Brown set a new Sebring course record with a time of 15:14 to take first place with Eugene Sneed, Reid Wall, and Curtis Foster coming in second, third and fourth to give Avon Park the big win.

Avon Park finished out with a total of 20 points, Sebring had 43 points, and Ft. Meade finished third with 47 points. Low score wins in cross-country scoring.

Other Avon Park finishers in the meet were Bruce Trescott, Doug Fletcher, Raleigh Turnbull, Frank Anderson, LeRoy Hicks, Jackie Roberts, Scotty Thompson, Noel Bratthewait, Roger Barnes, Walter Newton and Eric Simpson.

This afternoon (Thursday) the Red Devils will host another meet starting at 6:15 p.m. Fans wishing to be on hand for the 2 1/2 mile running event should be at the new high school parking lot by 6:15 p.m.

Next week the Devils will run in Sebring again and then on Oct. 19, Chet Brojek says the team will go to either Palmetto or Mulberry for a meet.

James Brown is undefeated in two meets now and is running well with the other top three Devils finishing close behind him. These 20 boys are working hard as they run each afternoon to be ready for the Thursday meets. Come out and give them a little encouragement this afternoon.

Junior Varsity Defeats Arcadia 18-0 Thursday

After a scoreless first half the Red Devil junior varsity put its offense together and scored three times in the second half to record an 18-0 victory over visiting Arcadia. Coach Dewayne Lemler commented that the win was a total team effort. He said, "We do not depend on one or two boys to be the work horse but rather expect 11 boys to help each other."

Visiting Arcadia Coach Lemler commented that the win was a total team effort. He said, "We do not depend on one or two boys to be the work horse but rather expect 11 boys to help each other."

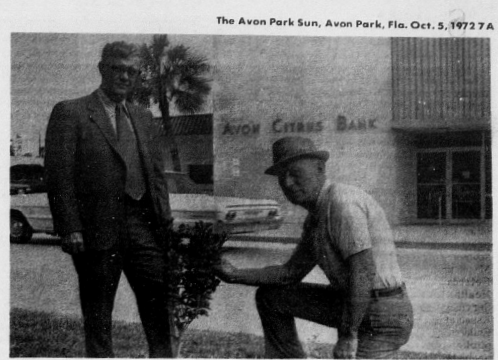

The junior Devils seemed to control the game but could not get on the score board until late in the third quarter. The play setting up the first touchdown was a screen pass from Jerry Robinson to Lawrence McRae on the opponent's 10 yard line. The officials claimed that McRae stepped out of bounds on the two yard line. On a play later the Devils scored on a play up the middle with McRae carrying the ball. The extra point attempt was no good when McRae dropped a pass from Robinson.

The offensive line which opened the holes for McRae and halfback Mickey Claitt, was made up of the following: Jamie Tomlinson, center; Mark Lewis and Ricky Runner, guards; Mike Poole and Roger Kilburn, tackles; and ends Tommy Wester, James Ross and Edward Jones. This line also gave quarterback Jerry Robinson fine pass protection throughout the game. Of the ten passes Robinson attempted, only one time did the defense get to the quarterback. With this good position, Robinson was doing a fine job hitting the ends and flankers.

The second touchdown came late in the fourth quarter with fullback Mark Howard following the good blocking of the line and then dragging three men the last two yards to score from the five yard line. Howard's run for the two point conversion was stopped short of the goal line but the Devils had a 12-0 lead.

The third touchdown came when Arcadia tried a flat pass and linebacker Lawrence (Pancho) McRae intercepted the ball on the Arcadia 40 yard line and ran it all the way back for the final touchdown. Again the try for the extra points failed.

The "B" squad defense also turned defense also turned in a fine job and helped the offense to obtain good field position throughout the game. Leading

Workshop On Child Care Set

"Don't put that in your mouth." "Don't open the kitchen cabinet." "Get your hands out of the dirt."

All day long the tottler has heard a string of commands to refrain from this action or that. By nightfall the mother is exhausted, and the tottler has had one more day of learning that his attempts to learn about his world produce a great deal of anger in mother. In adult words, it is best to avoid involvement, be apathetic!

Highlands Association for Children under Six (HACUS) is an organization which is interested in taking advantage of those early attempts to learn and by directing them, capturing for the child's whole life an excitement about discovery and learning.

In a day-long workshop, HACUS will present guest leaders who will help teachers, parents, babysitters, grandparents, anyone interested in working with pre-school children.

The workshop will feature a keynote speaker and resource sessions. The theme for the seminar is "Needs of the Pre-School Child". It is being held Saturday, Oct. 7, from 8:30 a.m. to 2 p.m., at Layton Hall of the First United Methodist Church in Sebring.

Keynote speaker for the workshop will be Mrs. Mary Ann Saadeh, and she will be speaking on "Nutrition". The resource sessions included in

the defensive line were ends Edward Jones, Tommy Wester and Harry Stokes; tackles Mike Poole and John Lumsford; and nose man Jamie Tomlinson. Mike Poole was alert and recovered two fumbles which helped give the offense an added boost. Linebackers were McRae, Lewis and Marvin Williams and halfbacks on defense were Claitt, Ross and Robinson.

The kicking game was handled by Mark Howard and Mark Lewis. Howard kicks off while Lewis does the punting.

Tonight (Thursday) the Devil "B" squad is home again hosting the Sebring junior varsity here at Memorial Stadium starting at 7:30 p.m.

Emily Biggs Surprised By Visitors

During the early part of the summer, Mrs. Emily Biggs was surprised by a visit from her daughter, Carolyn Smith, her son-in-law, Capt. J. F. Smith and their 3-year-old son, Todd and 16-month-old son, Scott, who live in Taipei, Taiwan. While Carolyn, Jack, Todd and Scott were in Avon Park, Miss Sandy Biggs came down from Jacksonville and Miss Susie Biggs, from Gainesville to visit them.

After their visit, Mrs. Biggs joined the Smith family later, where they were visiting in Kansas City, Mo., and accompanied them to their home in Taipei, where Capt. Smith is employed by Air Asia Company. Carolyn and Jack have lived in the Orient more than 6 years and they "love" it. Todd, their older son, was born in Saigon, South Vietnam, and Scott, now 16-months old, was born in Chiangmai, Thailand.

Mrs. Biggs had an exciting and educational trip during the month she spent in the Orient. It gave her a real respect for the people of that part of the world and their culture and customs. Carolyn and Jack accompanied her to Bangkok, Thailand and to Hong Kong.

Among the many places they visited in Taipei were the National Palace Museum, the Grand Hotel, owned by Madame Chiang Kai-shek, the Confucian Temple, and Taipei American School. They flew down to Hualien and went on a tour of Toroko Gorge, one of the seven wonders of Asia. The green mountains and hills of Taiwan were beautiful.

In Bangkok, Thailand, "Land of the Free and Home of the Smile," they saw the many beautiful Buddhist Temples and the easy-going way of life of these gentle mannered people. Also they went on the Floating Market Tour and several other tours, which gave an insight into the real Thailand, its people, culture and traditions.

In Hong Kong, British Crown Colony, they saw the fascinating mixture of quarters' huts, air-conditioned skyscrapers, open-air markets on the sidewalks, glittering jewelry shops, custom tailoring shops for all clothing and shoes, fabrics of many kinds and colors, narrow crowded streets festooned with signs in red and gold, and rice fields worked by farmers who live in their ancestral dirt centuries ago. The harbor, with its many yachts, junks, sampans and ships, was beautiful when seen from Victoria Peak on Hong Kong Island or from Kowloon on the mainland of China.

On her return trip, Mrs. Biggs spent several days visiting with her brother and sister-in-law, Col. and Mrs. David C. Barrow in Vista, Calif. They drove over a part of the lower coast of California and went to Tijuana, Mexico, before she returned to Avon Park.

Battle Against Screwworms

An all-out battle against the dreaded screwworm began this past weekend after larvae were found north of Sebring.

The larvae were found Friday in the tail of a cow on the O. B. Cantrell ranch three miles north and west of Sebring. A horse bit the cow on the tail, causing the wound which attracted the flies.

By Saturday afternoon, top men from state and federal agriculture departments and screwworm eradication programs had arrived here to launch the battle from the state Department of Agriculture screwworm eradication offices at Sebring Airport.

Twenty inspectors from throughout the state began pouring into Sebring Saturday to begin a thorough search for larvae in the area.

To augment this force, attempts are being made to hire 30 additional persons locally to inspect cattle herds. Although no more larvae have been found in Highlands county, larvae have been found in Dade, Ala., apparently brought in from Texas. This find, although many miles away, intensified the eradication effort here.

About 30 larvae were found in the Cantrell cow's tail, although a single fly will lay about 300 eggs in an egg mass then die. The cow is recovering.

At 4 p.m. Saturday, 1,600,000 sterilized flies had been flown from Mission, Tex., and aerially dropped in a miles wide area around the ranch to mate with local flies. Another 4,000,000 will be dropped next Monday; another 4,000,000 of the succeeding two Mondays.

Although only one larvae mass was found here, presence of the larvae poses a possible threat to livestock throughout the state. The pest, before an all-out program launched at Sebring in 1967-1969, caused \$10 million a year damage to Florida livestock.

All livestock owners have been urged to check their herds for any infested wounds and report any suspicious cases to the screwworm eradication

department of the Florida Department of Agriculture at Sebring Airport. Owners of pets also are asked to check them. The insect attacks warm blooded animals, laying its eggs and causing death in a few days.

Dr. Clarence Campbell, director of Florida's division of animal industry, Tallahassee, said the fight will be conducted in three zones reaching out from the Cantrell farm to a 41-mile radius. It even includes checking and spraying pets in Sebring and Avon Park.

Bert Harris, Jr., county agent, praised the speed with which state and federal men swung into action and their all-out effort, commenting "they really are on top of it."

Harris was busy Monday getting out letters to cattlemen in the area and to county agents in neighboring counties urging their cooperation.

The battle began in earnest at 4 p.m. Saturday when Dr. M. E. Meadows, director of screwworm eradication in Texas, flew in from Mission, Tex., with pilot Bill Davis. In the C-45 they brought with them 1,600,000 sterilized flies which were dropped from the air that afternoon. They will return to Texas for more insects.

Inspectors are fanning out this week in the first zone, which is a radius of 11 miles from the Cantrell farm and includes Sebring and Avon Park. All livestock in this zone will be inspected and sprayed, if necessary, sprayed.

In Zone 2, which extends from the perimeter of the first zone for an additional 15 mile radius, livestock will be inspected but not sprayed. Pets will not be involved so far as routine inspection is concerned.

Zone 3 is the outer circle with a radius of 15 miles from the perimeter of Zone 2. In this area, owners are being contacted to observe their animals very closely. They are urged to report to the screwworm people any wounds that might possibly harbor any screwworm larvae. This area includes Wauchula and Glades, Ona, Arcadia, the edge of Manatee, south into beyond, close to Brevard and deep into Polk.

"We will be doing some inspections in Zone 3," said Campbell. "This will be random samplings, not inspection of all livestock in that area."

Besides Campbell and Meadows, other officials who hurried to the area included Dr. Guy Jones, chief of the bureau

of contagious and infectious diseases - division of animal industry, Tallahassee; Dr. Carey Thornton, assistant veterinary in charge of the USDA veterinary services, Jacksonville; his assistant, Dr. John Healy, Jacksonville; and Dr. Don Williams, chief staff officer screwworm eradication, Hyattsville, Md. Working with them is Allen Altwater, who has been locally in charge of screwworm eradication.

Dr. Williams and Dr. Jones are directing the eradication effort. It is expected the battle will go on at least three more weeks, perhaps more, until no more larvae are found. Dr. Williams incidentally, headed up the program locally for the state in 1967-68.

It was then that the first all-out assault against the screwworm began. Sebring, being a central point, was set up as headquarters. Flies were sterilized by cobalt, then turned loose to mate with other flies. This eventually got rid of the pests when larvae failed to hatch.

Cattlemen were known to ride for days looking for new-born calves, prime targets for the flies which attacked the calves' navels. Altwater pointed out the pest attacks all warm blooded animals, including pets and of course wild life.

A medication was developed which kills screwworm when it is found. Once attached, a calf lived only about three days. Animals which had been dehorned were susceptible.

In colder climates, the pests are killed off, but the lower part of Florida often does not get enough cold weather to do the job.

The local case is Florida's first reported infestation since 1961. Dr. Campbell said the flies moved into Texas from Mexico during the past mild winter and since have spread into Arizona, Oklahoma, Louisiana, California, Arkansas, Colorado and Iowa. Officials are investigating to determine if the screwworm flies that caused the Sebring case have been transported by trucks or other vehicles hauling livestock.

Red Devil Continued

yard line forcing another Devil punt. This time the Fort Meade line broke through to block the punt into the end zone where Lindsay Aycock fell on it for a Fort Meade touchdown. This time Greg King's kick for the extra point was good putting the Miners ahead 19-4 with almost two minutes left in the third period.

Danny Lewis gave the Devils a good runback of the kickoff, going from the end zone to the 25-yard marker and a good drive directed by Buddy DeWitt looked underway as the junior quarterback hit Bud Wester with a fifteen yard pass to the Avon Park forty. But a couple of running plays later a Devil back lost the ball after making a good gain and Fort Meade took over at their own forty-five.

In the fourth quarter the Avon Park defense stopped three Fort Meade drives allowing only one first down in the quarter. But Avon Park's first try for a score ended after a twenty-five yard march to the Miners forty, with a pass interception by Greg King. The second Devil try to get back in the game gained only a couple of yards and Keith Richards came in to punt. With seconds left, the Devils got the ball one more time but the attempted pass was incomplete and Fort Meade had the important conference and district win on the board 19-4.

It was a disappointing evening for both the Devil team and the Avon Park fans. The game was fairly even in yardage gained as Avon Park picked up 76 yards on the ground and 54 in the air for a total of 130 yards while Fort Meade had 84 yards of rushing and 37 through the air on only two completed passes for a total of 121 yards. But Fort Meade punted four times for an average of 35 yards per punt while Avon Park got away only two of four attempted and had only a 15 yard average for that. The Devils lost the ball four times with fumbles while Fort Meade didn't lose the ball but once - on a pass interception. The Miners drew 115 yards in penalties with 100 yards of that coming in the fourth period when they were ahead. The Devils drew 80 yards in penalties with 45 yards coming on the first Miners scoring drive.

The errors the Devils made were costly for sure but never once did an Avon Park player try to get all the breaks seemed to go against the visitors. The Devils' defense appeared strong against the very fast Miners back holding them under 85 yards on the ground. But for the fumbled punt attempt and the blocked punt, The Devils held the Miners well giving up the only other score when the Miners went 68 yards with 45 of them compliments of the field.

Again Keith Richards, senior halfback, played one of his better games as he ran 39 yards and caught a pass for a 16-yard gain. He scored the only Devil points and was tough on defense as a defensive halfback.

Danny Lewis gained 30 yards as he moved to a halfback slot in the third quarter when DeWitt came in as quarterback. Jarvis Walker, Alcus Snell, James Walker, Del Murphy, Andy Prescott, and Nate

Avon Mobile Home News

There is nothing so relaxing as writing letters and "News" on a rainy Sunday afternoon, especially when your vacation is over and the job of "settling in" and cleaning is over and done. Lawrence and I are contented and thankful to have a home in sunny, central Florida. Our appreciation to all who sent their letters and cards of cheer while Lawrence was convalescing. He is fine now and we are both enjoying the shuffling each evening in our friendly, clean and beautiful Mobile Home Park, as our neighbors gather for fun and fellowship.

Joining us again this past week were Florence and Herman Young, from Swan Lake, Michigan after a cool summer; Ruby and Ora Myers who had a busy and active time, returning home to rest and enjoy their friends and park activities, especially shuffle.

We were sorry to hear from Bonnie that Emory Burgess is back in the hospital and needing our prayers.

Floyd and Edith Stevens are hoping to be back here by the end of October. They spent an enjoyable day last week visiting friends in Indiana, Hazel and Alva Thompson, dinner with Bill and Margaret Belcher in their new home; then a visit to Mercedes and George Berra and Ruby and Vernard Goodman. The Stevens are feeling good and are planning a visit with their daughter and family in Mobile, Ala. on their way back to Avon Park.

Maude Ninkirk writes that the ole but "Homiesickness" has got her, and she will be heading home soon.

Happy safe traveling to Pearl and John Evans who are leaving Tuesday morning for a long trip West for about a month. They will visit John's brother, Dwight Evans in Phoenix, Arizona, a cousin, Dorothy Fisher in Tucson, a friend of Pearl's in Yucapca, Calif., and San Diego, Calif., where friends of 30 years honor John with a picnic.

Jim Culpepper Surprised On 71st Birthday

On Friday night, Sept. 29, Mr. Jim Culpepper was taken by complete surprise with a birthday party and family reunion in his honor at the home of Mr. and Mrs. Frank Watford, at 507 E. Canfield St.

A delicious barbecue supper was served in the brightly lighted yard. After Mr. Culpepper opened his many gifts and cards, the beautiful birthday cake was cut and served with ice cream. The cake was baked and decorated by a son-in-law, Fred Gold.

The grandchildren and great grandchildren sang "Happy Birthday to Daddy Jim," when he blew out the seven blue and one white candle on his cake, representing his 71st birthday.

Out-of-town guests included Mr. and Mrs. Bob Ashurst and children, Bonnie, Suzie and Sammy of Del Rio, Tex.; Mr. and Mrs. Fred Gold of Orlando; Mr. and Mrs. Bryan Kempton and children, Lisa and Jon of Orlando; and Frazier C. Watford and son, Alan, of Lake County, Fla.

ATKINSON NAMED. Florida Chairman of the Committee for the Re-election of the President, L. E. "Tommy" Thomas, announced the appointment of Col. W. J. Atkinson, Sebring, as chairman for the re-election committee of Highlands county.

Claude Elliott

Claude W. Elliott, age 63, passed away Monday, Sept. 25, at Walker Memorial Hospital. Mr. Elliott was born at Ocella, Ga., coming to Avon Park in 1929.

He is survived by his wife, Doris Grace Elliott, Avon Park; five daughters: Anna Jean Prescott, Pauline Jackson and Carolyn McLeod, of Avon Park; Raymond of Avon Park; Jessie of Grandchild; and Vance of Ruskin, Fla.; two sisters, Ruby McClelland, Lake Placid; and Sadie Whitehurst, Avon Park; and one uncle, Joe Smoot of Tifton, Ga.

Funeral services were held Wednesday, Sept. 27, at 3 p.m. in the Church of God, Avon Park, with Rev. Alex Day officiating. He was laid to rest in Boguaville Cemetery.

Ira West

Mr. Ira W. West, age 96, of 1501 South Highlands Ave., passed away at his residence Sunday, Oct. 1.

Mr. West was born at Oberlin, Ohio and came to Avon Park from there 15 years ago. He was a retired plumber, and a member of the Avon Park Winter Guest Club.

He is survived by a niece and nephew in Ohio. Graveyard services were held in Boguaville Cemetery, Tuesday, Oct. 3 at 11 a.m., with the Rev. Herbert D. Graetz officiating.

Minette Funeral Home was in charge of arrangements.

R. Dickinson

Richard D. N. Dickinson, age 71, passed away Tuesday, Sept. 19.

Born in Northfield, Mass., he came to Avon Park from Belchertown, Mass. about 10 years ago. He was a Congregationalist and a Deacon. He was in the Construction business.

He is survived by his wife, Helen, Avon Park; four daughters, Judith Laborsky, Springfield, Mass.; Ester Sevigine, Springfield, Mass.; Judy Boock, S. Hadley, Mass.; Mavis Knox, Suffolk, Conn.; three sons, Richard D. N. Dickinson, Jr., Indianapolis, Ind.; William N. Dickinson, Longmeadow, Mass.; George L. Dickinson, N.Y., N.Y.; 27 grandchildren and 8 great-grandchildren.

Visitation was Thursday, Sept. 21 between the hours of 2-5 p.m., and 7-9 p.m. Funeral services were held Friday, Sept. 22, at 11 a.m., in the Stephenson-Smith Funeral Home, with the Rev. Jimmy J. Nured officiating. Cremation followed with memorial service to be held up north at a later date with burial in Quabbin Cemetery, Wear, Mass.

C. E. Noblitt

Charles Everett Noblitt, age 86, passed away Saturday, Sept. 23. He was a resident of Highlands County since 1960, coming here from Chimley Rock, N.C.

He is survived by a daughter, Mrs. John W. Hilcock, Savannah, Ga.; two sons, Ruben Noblitt of Baltimore, Md.; Ransome Noblitt, Register, Ga.; and four grandchildren. Funeral services were held Monday, Sept. 25 at 10 a.m. in the Stephenson-Smith Chapel, with Rev. Alex Day officiating. He was laid to rest in Boguaville Cemetery, Avon Park.

Stephenson-Smith Funeral Home was in charge of arrangements.

Ellis Thomas

Abolition of the death penalty in Florida has changed the death sentence of Ellis Thomas, Jr., former Avon Park negro, convicted of the 1962 rape of a prominent Avon Park woman. Thomas, only Highlands county man on death row, was returned here Aug. 23 from Raiford for re-sentencing. He went before Judge Clifton Kelly Sept. 18 and was given life imprisonment. Kelly recommended that the approximately nine years he has been on death row not be given as credit for time served on the new sentence.

Re-Sentenced To Life In Prison

After Thomas has been in state prison for 10 years he will be eligible to go before the state pardon board for hearing on commutation of sentence.

"How We Grow Them"

by Jim Kiser, inmate

The sharp drop in the humidity is a welcome change. It seems as though it has been an exceptionally long summer, but my first taste of these cooler days brings renewed spirits.

It is near time to prepare frost-tender plants for the cold. Begin conditioning these frost-tender plants before it is too late. Apply enough water to keep soil moist but reduce the amount by at least half to help "harden" the growth. Hold back any inorganic fertilizers till frost danger is past. Forced growth at this time can result in severe tip damage to the tender tips. If you have pots or containers that are exposed, it is time to place them where they will receive protection from lower temperatures and winds that come with the fall weather. You may place these under trees or where the eaves of the roof offer shelter. Some must be taken indoors, or to an enclosed porch.

ROSES: Spend some time on your roses this month and November will reward you with flowers. Remove all dead buds or flowers, eliminate all suckers at the base of plants and remove all dead wood that you can get at easily. Apply a complete rose fertilizer, and water thoroughly after applying. Keep the soil moist while weather remains warm.

CLEAN-UP: It seems that I emphasize clean-up lately, but only because of the importance to control of insects and diseases. Remove yellowed fronds on ferns and palms, and dead leaves of yuccas and bananas. Clean out the accumulation of dead growth. Cut off the dead growth at the base or along the trunks of standard type trees and shrubs. Top growth will be retarded if sucker growth is allowed to grow unchecked. I have spotted quite a few snails and slugs in the past two weeks. These pests can cause much damage to your garden. They are right at home in dark protected areas, especially under dead leaves. Begin controlling snails and slugs before you begin planning for fall and winter annuals. Young annuals and perennials are attractive to both of these pests. Prevent trouble by applying baits near new plantings and by scattering around the area. Check ties and stakes on any trees you planted this last year. Do inspect trees throughout your yard. Look for excessive growth that might get damaged in a heavy windstorm. If you do any cutting back of large limbs

and branches, or branches are broken due to wind, seal these cuts and breaks with tree paint for protection.

With October comes the start of the new year for the Winter Guests. You can expect to see Clay Kull around with his little pad of cards.

The shuffling group is growing with nine courts on Wednesday and ten on Saturday evening.

On Wednesday evening Doc Fields and Paul Mangold won over Eva Chamberlain and John Wolfe.

Elizabeth Clarke

In consolation Twyla Wurster and Grace Warner won with Jim Chamberlain and Ota Gibson coming in second.

Saturday evenings winners were Ruth Jordan and Elizabeth Clarke. Ralph Crocker and Martha McBeth came in second. Geraldine Long and Bob McBeth were the consolation winners with Twyla Wurster and Frieda Steen the

runners-up. In pinch on Monday and Friday afternoons there were three and four tables in play with the high scores going to Theresa Jank 604, Sarah Spindler 506, Bill Klenk 718 and Loretta Simpson 700.

The first pot luck supper of the season will be Saturday evening at 5:30 Arlene Lane will be in charge and she will be

expecting members to come. Herman and Florence Young have returned from their summer in Allegan, Mich. Also seen at the Club Saturday evening was Juanita Carr. She spends her summer in Lansing, Mich. Grace and Levern Staley are spending some time in Honolulu, Hawaii, seeing the sights and having a wonderful

The most interesting thing was the Polynesian Cultural Center. They expect to see three other islands, including Pearl Harbor, and a catamaran dinner sail. Soon after they return home in Nelliston, N.Y., they will be preparing to return to Avon Park for the winter. Many will remember Fra

West, even though he has not been seen at the Club lately. He lived to be almost 97 years of age. This past week he passed away. In the past he participated in many of the Club's activities. Hallie and Alton Wetmore have returned from their home in Kent, Ohio to their home here in Avon Park.

Kinsey Threatens To Sue City Over Lease

The city fathers were informed Monday night by their attorney Jonathan H. Hancock, that guaranteeing the mortgage of Critchfield Marine would be illegal without a referendum.

When the deal was made, stated Hancock, there was no requirement to put the property out on bids, therefore, the lease is valid. However, "the city can not guarantee anybody's debt without a referendum."

Mayor Robert J. Barben stated the city would be buying the buildings not guaranteeing the mortgage. He said the insurance company, while selling the lease, would be in effect selling the buildings.

Hancock said he felt that "if it came to buying the buildings, I'm under the opinion they would have to be something of use to the city."

Barben answered by reminding everyone that the city airport is directly next to Critchfield.

"If it came to a suit," continued Hancock, "we could throw in some technicalities but I don't think it would come to any effect."

On the advice of the attorney, the city council decided not to guarantee the \$187,000 mortgage of Critchfield Marine; "just sit tight," it was noted

that Al Barnett, president of Critchfield had been notified of the action.

Barben then notified the council that he had been contacted by Joe Kinsey, sr., that he was filing suit against the city as to the Critchfield Marine lease and also as to the lease on the golf course for an unnamed client.

Barben said he and city clerk Malcolm Crews had met with the Board of Directors of the First National Bank last Thursday, and explained the city's stand.

He told the council that the board was informed as the expenditures the city has made on the golf course and its in-

come. He proposed that the city would continue the lease at \$200 per month and asked that in case the lease be changed the city would receive the balance of the paid month plus one additional month.

The council decided to allow the Golf Association to continue to operate as in the past, collect the dues, with the city guaranteeing a pro-rata share of the membership refund in case the lease is terminated.

In other matters brought before the city council for consideration, a discussion was held concerning city restrictions on issuance of beverage licenses. Hancock said the city ordinance was 250 feet from the

establishment to a church of school. It was stated that the state law is 2,500 feet from entrance to entrance. Hancock was asked to check into other cities laws to see how they measure the distance.

Mr. Charles Lanier requested the clearing of street right-of-way between his home and the home of Charles Hoke. The council voted unanimously to grant the request.

The council decided to table the purchase of an accounting machine until the next meeting. Two bids were submitted, one from Horry for \$20,119.75 and one from National Cash Register for \$23,050. The council tabled any action hoping some

of the members would be able to investigate the machines capabilities.

Mrs. T. C. Capell requested the city help in leveling some land that was torn up adjacent to her property by some sewer contractor. The council assured her of help as soon as the work is completed.

The ordinance placing a public library in Avon Park was read into the minutes during the meeting. It was noted that it could possibly take two years before any state funds could be awarded to the city.

In other matters, the city decided to buy \$5,000 in city bonds at a cost of 75c on the dollar from First Equity Cor-

poration. Crews reported that under the Federal Revenue Sharing program, our city would be scheduled to receive \$127,600 during the first twelve months. This figure had erroneously been reported as \$317,600 in other newspapers, not the SUN.

Councilman Hermon Sizemore reported that Stephenson-Smith Funeral Home had agreed to trade an ambulance they owned for the present city ambulance. Their vehicle would be more satisfactory for city use and has been checked out by Sizemore and Fire Chief Mack Flowers. The council decided to trade even with the funeral home.

Red Devils Squealed By Wildcats 14-13

The Avon Park Red Devil varsity squealed by the Hardee High Wildcats last Friday night in Wauchula by a score of 14-13 to post its third victory of the season against one loss. The margin of difference in the game was the two point conversion scored by Devil Leon McFarlane following a touchdown by Keith Richards midway in the first period.

This week the Red Devils will go up to Frostproof for a battle with the neighboring Bulldogs in a conference affair. After going their separate ways for several years after the break-up of the old Ridge Conference, Avon Park and Frostproof are now together again in the new Tri-County Conference. Avon Park is 2-1 in conference play while Frostproof has lost its only conference game played to date. The Bulldogs lost to Ft. Meade by a score of 28-15 for their only loss and the Red Devils also bowed to the Miners by a score of 18-0 for their lone defeat. The Bulldogs are known as a throwing team and that just might hurt Avon Park badly as both Tony Williams and Mearl Robinson had intercepted three passes before he was injured after the Ft. Meade game and Williams broke his shoulder returning a pass interception in the Wauchula game.

But the Devils defense has been working all week in hopes of stopping the Frostproof passing game with Nathaniel Packer moving back with Danny Lewis and Keith Richards to cover the receivers and the Devil line planning to give the passer a good rush.

The Avon Park offense will also hope to put some more scoring drives on the book. Last week the Devil offense rolled up 266 yards of rushing but managed to score only two touchdowns.

Junior Buddy DeWitt moved into the quarterback slot last week and Danny Lewis moved over to halfback to give the Devils some added rushing punch. Both boys looked impressive in the new positions. Keith Richards again was the leading ground gainer for Avon Park, however, as he picked up 110 yards with 15 carries for a 7.3 average per carry. Keith also took over the punting chores and got away two punts for a 31 yard average.

The game tomorrow (Friday) night with Frostproof is a must win for the Devils if they hope to stay in contention for the conference title and a shot at the district championship.

Wauchula Game Last Friday night in Wauchula the Hardee High Wildcats roared out on offense after Avon Park kick off to start the game. The Cats moved quickly to the Avon Park 25-yard line from their own 32 before the Devil defense could pull itself together and stop the drive at the 27.

From the Devil 27-yard marker, Avon Park put together its best drive of the game moving down for the touchdown on eight plays and a 15-yarder against the Bulldogs. Keith Richards opened the Devil offense with a 25-yard burst off right tackle. Three running plays left the Devils short by three yards of the touchdown at the final hearing before the county planning and zoning board.

But the board declined to send the plan back to committee for more consideration. It now goes

County's Development Plan Runs Into Opposition

Highlands county's new general development plan ran into heated opposition as well as considerable encouragement Tuesday at the final hearing before the county planning and zoning board.

But the board declined to send the plan back to committee for more consideration. It now goes

before the Highlands County commission. The protests came from Bob Brooks, speaking for mobile home owners, and Wes Ward, owner-manager of WJCM who protested that there is not enough commercial zoning on Route 27.

The board got encouragement from the Avon Park Chamber of Commerce and Highlands County Property Owners assn. Annabelle Warden of the Avon chamber presented a resolution favoring the plan and Forrest

Lloyd, secretary, presented an endorsement from HCPD. "Olin Mason, president of Sebring Chamber, said he felt the mood of his group was favorable and that "personally I hope they will go ahead with the plan as is. I have confidence in the integrity of the board to receive requests for variances and amend the plan as needed as the community grows."

Brooks took heated exception to wording in the plan which says "mobile homes should be located close to emergency fire

service such as fire stations because of the lower construction and electrical standards that make fire more probable and dangerous." The board agreed to reward this material used for the "legal assistance necessary" to keep board chairman Mary Ellen Ward and board member Ted Shoemaker from making disparaging remarks about mobile homes.

He objected, he said, to a reference of Mrs. Ward's to trailer homes as "shoebuses." He quoted Shoemaker as saying he would not do plumbing work on the mobile homes because they are a problem. Shoemaker said that the material used for the plumbing in the mobiles is "different than we can carry for houses." He said he does not repair work on some mobile homes.

Brooks told Mason that if he could endorse a plan "that affects my living I no longer will support the Chamber and will write a letter to the Florida Mobile Home assn. that we no longer support the chamber."

Shoemaker said he felt that the board had been considering the plan for five months—he felt this sufficient and that it is now up to the county commission. Del Preston Jones asked Brooks if he would be interested in joining him in organizing a voluntary mobile home fire department in the county. Brooks said he was not prepared at this time to give him an answer.

Commission Pays Attorney \$7,500

The Board of County Commissioners voted Tuesday to pay Attorney Jack Johnson of Lakeland \$7,500 to supplement his budget as 10th Circuit public defender.

Under recent court rulings defendants in misdemeanor cases who might be subject to jail sentences, if found guilty, must be represented by an attorney at public expense, if necessary.

During their Oct. 3 meeting, the commissioners had suggested that Attorney Johnson, who is slated to take office in January, be requested to begin serving as Highlands county's public defender immediately.

Police Department Recover Stolen Car

The Avon Park Police Department was kept busy over the past week with many minor incidents but with auto thefts and armed robberies also.

On Oct. 3, the police department was notified that two white males in an auto with Alabama license plates were hot rodding around the high school. Officers Leroy Prevatt and Archie Hancock were sent out to investigate. When they arrived they found a 1972 Dodge parked in the high school lot with no one around.

The department sent a teletype to Alabama and was notified by the Sheriff of Wilcox County that the auto was stolen. The police stalked out the auto in the hopes of catching the thieves.

The following morning a call was received from Phillips Grocery that two boys were loitering at the store. Officers answered the call and arrested William F. Thompson, Jr. age 17, and another youth 16 years of age, both of Little Rock, Ark., and charged them with auto theft. The two are now being held for authorities from Alabama.

Oct. 8, Sunday morning at 3:30 was the time for a daring armed robbery at the Hess Station on US 27.

According to the report filed by Officer Gene Hancock, the police received a call at 3:38 a.m. from Michael Daugherty. He stated that three white males in a green Cadillac pulled into the station and purchased \$8.15 worth of gas. Two of the men got out of the auto and when they returned they pushed Daugherty up against the car and placed a knife in his side while demanding all his money.

He gave them over \$100, then they threatened to take him behind the station and kill him. He somehow managed to get free from them and began to run. The men got into their auto and attempted to run over him. The car proceeded north on US 27. The police agencies north of Avon Park were immediately notified of the robbery. The subjects were spotted by Trooper Higgins of the Florida Highway Patrol at the Ridge Plaza Motel in Haines City. They were apprehended and returned to Avon Park by Hancock.

Sheppard Pays Dues

The Avon Park Chamber of Commerce has a most loyal booster, James A. Sheppard, owner-operator of The Cottages, located on the Wauchula highway, is so enthusiastic about the good work the local Chamber of Commerce is doing that he has jumped the gun and paid his 1973 dues long before they are due.

Robert E. Lee, Chamber director and membership chairman, stated this is the kind of support that is unusual but inspiring.

Tournament Scheduled

THE AVON PARK LADIES GOLF ASSOCIATION has scheduled an Invitational Golf Tournament for Oct. 19. The event will be 18 holes with a Shotgun start at 9 a.m., followed by a luncheon at the Avon Park Golf course.

Invitations have been extended to the Sebring, Sun 'n Lake, Placid Lakes, River Greens, and Lake Wales Ladies Golf Associations. Door prizes for the event have been donated by local Avon Park merchants and businessmen.

MISS MARIAN HEIRING, reigning "Miss Flame" of Avon Park, sits on the bow of the boat, while viewing 7 of the 20 contestants who will be vying for the crown on Tuesday, Oct. 24, at 7:30 p.m. in the old armory on North Verona Ave. The Miss Flame contest will be followed by The Tommy Cash

representation. Oujevick said he received about \$30 from the county for representing each of these 25 accused persons. He stated that he expected Judge Reiter to appoint him to continue through the remainder of 1972 to serve as legal counsel for indigents.

Attorney Johnson told the commissioners that until Jan. 1, 1973, a public defender could not assist those accused of misdemeanors. He speculated that the Florida Legislature might amend the law to make such representation possible if they decide to meet in special session during November to enact laws dealing with capital punishment.

The board directed Earl Rich, clerk of Circuit court, to seek Johnson's services on a fixed fee basis from the present until Jan. 1, 1973, to represent county citizens who are unable to pay for legal services required by the court. They authorized Rich to provide Johnson with an office, office equipment, supplies and a telephone.

In other actions taken

Tuesday, the board: --Agreed to use county heavy equipment to replace an old dam on the canal that connects Lake Clay and Lake Ashpole. Elton Austin will pay for all other costs associated with the dam replacement project and will grant the county an easement for purposes of maintaining the canal and dam.

--Authorized the administrative assistant, county engineer, planning and zoning director, welfare director and county attorney to attend the meeting of the State Association of County Commissioners which will be held in St. Petersburg Nov. 12-15.

--Assumed maintenance responsibility for the following roads in Lake Sebring Estates: Lake Sebring drive, Lake Sebring blvd., and South Canal blvd.

--Declined to accept for county maintenance Richfield ave., located in Leisure Lakes, Section 14.

--Authorized the county engineer to advertise for a paint stripping machine.

--Approved John Gercken's attendance at a Traffic Engineers Safety Seminar to be held in Tampa Nov. 13-16.

REMEMBERING THE PAST is the key to the future - Shown above is Mack Flowers, Fire Chief of Avon Park, positioning his men

to fight the blaze at the old Ben Hill Griffin Packing House. This fire ran the city's fire loss figure to \$47,300.

This Is Fire Prevention Week

The nation's most concerted drive to prevent fires from happening is being observed this week, Oct. 8-14.

The purpose of fire prevention week is to remind everyone to be careful with fire, and to indicate in bolding down the tragic toll taken in lives and property destroyed by fires.

Even with safety people working around the clock to prevent fires, there were 12,000 lives lost last year, and 1000's

more were injured. Daily 33 lives are lost, 1488 homes are damaged or destroyed, 215 apartment buildings, 30 schools, 10 churches, 116 farm buildings, 207 stores, offices and restaurants, and 142 industrial plants are destroyed or damaged by fires throughout our nation.

2,512,000 fires struck our country last year, with property loss estimated at 2.845 billion dollars.

Without fire prevention efforts, however, annual losses might be three times this figure.

The Avon Park Fire Department, under the direction of Fire Chief Mack Flowers has already initiated a stronger and worthwhile fire prevention program. Literature has been distributed in all public schools, posters have been placed throughout the city and members of the fire department will be making various public appearances this week.

Flowers also pointed out that various things could be done and fire hazards could be corrected, but there is no way to correct human carelessness except by public education.

Fire protection is everybody's business, because fire is no respecter of persons. Our American society is dependent upon the blessings of fire, yet it can be a horrible and devastating enemy. "If one life is saved, or one home, school or public building is made safe because of the sharing of the knowledge of fire prevention efforts, then our efforts will not have been in vain," Flowers stated.

Over this past year, Avon Park suffered \$47,300 worth of fire damage, the worst being the old packing house in downtown Avon Park.

Flowers asks everyone to check your home and property for fire hazards and if you are in doubt about anything, call the fire department and they will be more than happy to assist you in any way possible.

Fire Chief Flowers emphasizes that he and his department sincerely appreciate the cooperation and interest the public has shown during the previous fire prevention programs and urges continuing support and help in making this a fire-safe community, not only during fire prevention week, but throughout the entire year.

Red Devil Junior Varsity Defeats Blue Streaks

Streaks early in the march. Again the extra point attempt failed but Avon Park led 12-7.

In the fourth quarter Mickey Claitt scored Avon Park's last touchdown as he broke a play up the middle and went 30 yards into the end zone. Mark Howard kicked off into the Sebring end zone to put the Streaks in the hole and Sebring had finally punted out to only its own 35. Claitt's burst for the long running score gave Avon Park an 18-7 lead and then Robinson hit McRae in the end zone for the two pointer making the score Avon Park 20 - Sebring 7.

The Streaks were unable to generate another scoring drive and the Devils had a 2-0 record for the young season.

The Devil defense, which gave up its first TD in three games, was led by ends Edward Jones, Harry Stokes and Tommy Wester, tackles Mike Poole, John Lunsford, and George Heatherly; noseman Jamie Tomlinson; linebackers Mark Lewis, Marvin Williams and Lawrence McRae; and halfbacks Jerry Robinson, Mickey Claitt, James Ross and Rickey Runner.

This week the Devil "B" team will travel to Lake Placid for a game with the Green Dragons. Lake Placid's "B" team beat Sebring week before last so this game shapes up as a good one for Coach Lemler's Devil squad.

Eighth Grade

Racks Up 14th Win

The Avon Park eighth grade football team ran wild last Tuesday night against the Okeechobee junior high team scoring a 42-12 victory over the Baby Brahmins. It was the 14th consecutive win for the young Red Devils coached by Coach Ken Shackelford.

All the members of the squad, except the ninth graders who were not to play against the Okeechobee team, got into the action including the team's mighty mite, Ronald Carney. Carney is a 4' 4" pounder who plays fullback and quarterback on selected plays to the delight of the fans.

Again it was Reggie Baker scoring most of the Devil touchdowns on end sweeps but Kenneth Burley had a long run that ended in a touchdown also.

The junior high Red Devils will play in Sebring next Tuesday night at 7:30. Be on hand for a real thriller.

A person's joy over the cheapness of an article usually depends on how long he has used it.

Know Your Hospital

by John McClellan
Administrator
Walker Memorial Hospital

Proper Exercise

"Ask not what your muscles can do for you—ask what you can do for your muscles!" is part of a program to promote proper exercise to stay healthy.

A LIFE Magazine survey of physicians rated "not enough exercise" as a major detriment to good health. Doctors were asked to list the major ways that their patients damage their own health. Included, along with "not enough exercise" were "smoke too much, eat too much, drink too much, work too hard, generally neglect their health, take home remedies, suffer from over anxiety, didn't eat properly and relied too much on pills and drugs."

Before beginning a physical fitness program a check-up with a physician for a sensible exercise plan is recommended. Sudden strenuous exercise for someone who is out of shape could prove dangerous.

"If you take good care of your body with proper exercise, an adequate diet, and sufficient rest—chances are we won't have to take care of your body!" Many people become hospital patients, because they do not take care of themselves, even when they have all the

resources to do so. Unfortunately there is no way that doctors and hospitals can force people to take even minimum measures to take care of their health.

The American Medical Association reports that a study of life histories of those who maintain a relatively higher degree of fitness through the nature of their work or through other activities seems to indicate that they suffer less degenerative disease and probably live longer than those who follow a sedentary life.

People who get regular amounts of exercise have less risk of heart attacks, according to the American Heart Association. In addition, the individual who does exercise regularly has an edge over the sedentary individual when he does have a heart attack. The survival rate is higher for those who exercise.

Physical fitness is not merely having strong muscles and endurance. Rather, it is having the best possible health plus the capacity to perform everyday tasks and meet emergencies as they arise.

APCI Nursery

"How We Grow Them"

by Jim Kiser, inmate

Special projects continue to spotlight our activities here at the nursery. Last month, Mr. Williams directed five men on a landscape project at the Sebring High School.

The landscape was inmate-designed and gave these men the opportunity to gain the knowledge that is one step beyond classroom studies. Experiencing the results of landscape planning is vital to our training.

This month another landscape will be installed for the Department of Motor Vehicles in Winter Park. Our availability is limited and these projects are a coveted prize for the men participating in these vocational pursuits. Rehabilitation is indeed being stimulated through action.

Be on the lookout for thrips, army worms and red spider. I have spotted many of these insects to date and know that they will only increase without certain protective measures having been taken. This dry weather is ideal for applying dust to gain control over these insects.

All flowering shrubs can use an application of fertilizer this fall. Also avocado, citrus and mango will benefit from these feedings.

I have sown seeds of sweet pea this month. It only took a few days for them to show their

tips above the soil. There are many seeds to be sown in flats for an early start to a colorful season.

Team Wins Cross-Country Meet

The Red Devil cross-country team won its home meet against Mulberry, Sebring, Palmetto and Wauchula last Thursday afternoon. James Brown, Eugene Sneed, Curtis Foster and Reid Wall came in first, second, third and fourth respectively.

Hood

Mrs. Anna M. Hood, age 76, passed away Tuesday morning, Oct. 10, at Golden Shores Convalescence Center in Tampa.

A former resident of Avon Park, Mrs. Hood was known by her many friends here as Aunt Anna. She had made her home with her nephew, Rev. Otis C. Strickler and family for the last 22 years. She was a member of the Riverside Baptist Church in Tampa, and a former member of the First Baptist Church in Avon Park.

She is survived by her nephew, Otis C. Strickler; one niece and three other nephews. Funeral services will be held in Avon Park on Thursday (today), Oct. 12, at 2 p.m., at the First Baptist Church, with Rev. Aden D. Childress officiating, assisted by Rev. Bryce S. Martin.

The family will receive friends from 12 noon until 2 p.m. at the church, where the body will lie in state.

In lieu of flowers, the family suggests that gifts be made to the Memorial Fund of First Baptist Church in Avon Park, Tampa, and be in Kingsport, Tenn.

Card Of Thanks

We wish to thank all our friends for the prayers, flowers and food and many acts of kindness shown to us during the illness and death of our husband and father.

The Family of Claude Elliott

Mulberry boys came in fifth and sixth in the 2 1/2 mile run over the course which circles out east of the new high school. Sebring took seventh and eighth place and a Palmetto boy finished ninth.

James Brown remain undefeated in regular meet competition. He has finished first in four meets now. The Cypress Gardens Invitational is the only meet the Devils have run in that Brown has not finished in first place.

Next Thursday evening the Avon Park runners will go to Sebring again for a three team meet with Sebring and Wauchula. On Saturday, Oct. 14, the Red Devil harriers will take part in the Manatee Junior College Invitational.

Coach Chet Brojek has received word that Avon Park will be the host team for its district meet this fall.

Avon Park's junior high cross-country team won over Palmetto by a score of 15-40 last Thursday running along with the varsity boys. Ronald Hicks came in second, Walter Newton was third, Jackie Roberts was fourth, and Scott Smith finished fifth to shut out the junior high boys from Palmetto. Eddie Moses took sixth and Eric Simpson came in tenth for the Red Devils also.

COACH CHET BROJEK stands between his two top cross-country runners after the Red Devil team won a five-team meet held here last week. Eugene Sneed (left) is a junior co-captain of the team who's best time for the 2 1/2 mile course this season is a 12:45 clocking. Eugene was last year's district cross-country champion and has provided second place finishing support for Brown in the last two meets. James Brown, (right), is the team's leading runner this year and is also a co-captain. Brown is undefeated in dual meet competition and holds the school and course record with a 11:46 timing. Brown also holds the two mile record in track with a 10:29. Coach Brojek feels that James has a good shot at the individual state cross-country title this year. He puts in approximately 50 miles per week in his second year of competition. - Photo by Sharpe.

Club To Collect Old Papers

Old newspapers and magazines will be collected for recycling by the Woman's Club as a money making project for the building fund.

Mrs. T. H. Maxwell has volunteered as chairman of this project. She urges everyone to help. Each one should tie the newspapers or magazines in separate bundles to be easily handled. They may be left at Hopper's Coin Laundry, 29 N. Butler ave., for a weekly pickup, or taken to Maxwell Grove Service Garage at 607 E. Pleasant st.

Mrs. Hooper is accommodating the Woman's Club by giving this space for the collection, and Mrs. Maxwell asks that those who will leave papers or magazines, to please tie them in bundles, to make the pick up easier. They will be stored at the Maxwell Grove Service garage until a sufficient amount is collected to be delivered to the re-cycling place in Tampa.

The drive will end about the middle of December.

Living on a small income would not be so bad if you didn't have to work so hard to keep it a secret.

Mr. and Mrs. Eugene Couture Jr.

Couple Speaks Vows In First Assembly Of God

The First Assembly of God Church in Avon Park, was the scene of the wedding of Miss Linda Ann Whaley and Gordon Eugene Couture Jr., on Friday, Sept. 29, at 8 p.m.

Parents of the bride couple are Mr. and Mrs. Charles Edmond Whaley of River Ridge Avon Park; and Mr. and Mrs. Gordon Eugene Couture, Lake Viola, Avon Park, formerly of Miami.

Rev. E. B. Boykin performed the double-ring ceremony before a soft background of candlelight and palms with tall white wicker baskets of pink gladioli and white pompons accented with blue streamers completing the foreground.

Valinda Boykin, organist and Gail Stanford, vocalist, presented a program of nuptial music which included "I Love You Truly," "Each For The Other," while the bride couple stood at the altar and "Whither Thou Goest," as the bride and groom left the church.

The Bride Wears

Satin and lace. Given in marriage by her father, the bride was lovely in a formal gown of lace over satin with flowing train. The gown featured a scalloped neckline and leg-o-mutton sleeves. Her finger-tip veil of silk illusion was held by a cap of lace and beads. She carried a bridal bouquet of Jack Frost sweetheart roses, babies-breath and Shasta daisies.

Karen McCall of Frostproof was maid of honor. She wore a street-length dress of blue, flocked tulle, with a matching blue net chapel held in place by a bow. She carried a pink, blue and white flowered nosegay with blue streamers.

Bridesmaids were Miss Patricia Schaffer and Mrs. Lee Wilson, both of Avon Park. They wore ensembles same style as the honor attendant, one in pink, and carried pink, blue and white flowered nosegays with pink streamers.

Mr. Couture chose for his best man, William Schreffler of Miami. Ushers were James W. Cobb of Avon Park, and Glen Whaley, brother of the bride from Frostproof.

Mrs. Whaley chose for her daughter's wedding a pink knit dress with white accessories and a white orchid corsage.

Mrs. Couture chose a blue-knit sheen dress with white accessories and a white orchid corsage.

The bridegroom's grandfather, Mr. Ed T. Johnson, a pink double-knit dress with matching accessories and a white orchid corsage.

Reception

Immediately following the ceremony, Mr. and Mrs. Whaley entertained at a reception in the church social hall. Ila MacIntosh was in charge of the bride's guest book.

If any of you were watching "What's My Line" on Channel 8, Tuesday evening at 7 p.m., you saw Avon Park get a good boost, when Sandi Pierce of the "Flying Pierces" appeared on the program hosted by Larry Blyden. When Sandi appeared on the first part of the program, she started her name and said she was from Avon Park, Fla. (Thanks Sandi from all of us) They couldn't guess her oc-

cupation, and she won the \$50. Afterwards husband Walt appeared on the program with her, and film was shown of their act, with the plane flying with trailing smoke, upside down, and with Sandi standing on the wing. We were erroneously informed of her appearance on the program a few weeks back, so hope some of you saw the program this time.

Mr. and Mrs. John McClellan and children, John Jr., Judy and Joy, have returned home after attending a Medical Dental Congress Sept. 29, 30 and Oct. 1, in Gatlinburg, Tenn. They report the first "Frost on the Pumpkin," and apples in abundance this year in the mountains of East Tennessee and Western North Carolina. John Jr., has returned to Forest Lake Academy, after a visit with his parents.

Vicky Gore, Elsie Streeter, Mildren Gaster, Frances Beckham and Evelyn Snyder spent an enjoyable day at Disney World last Thursday, Oct. 5.

Anna Belle Worden, executive manager of the Avon Park Chamber of Commerce was the guest of Weeki-Wachee Springs Sunday and enjoyed the lovely undergrowth under the "Merrimack" and the interesting journey cruise. Mrs. Worden's daughter and family, Mr. and Mrs. John H. Wilson and sons, Tony, Ritchie, Timothy and Jerry of Orlando, joined her for the day.

Attends Granddaughter's Christening

Judge and Mrs. Mervin Rehner and daughter Laurie spent the weekend in Hollywood, Fla., visiting with their son and family, Mr. and Mrs. James C. Rehner. They went especially to attend the Christening of their three-month old grandson, Jamie Jr., who was Christened on Sunday at St. John's Lutheran Church in Hollywood. They also joined in the celebration for son, Jim on Saturday night, and a family party on Sunday after the Christening. Also there for both celebrations were Mr. and Mrs. Rene Davis and sons, Doug and Jeff of Titusville. Mrs. Davis is a sister of Jim.

Myrtice Green Elected Head Of DCT Program

Myrtice Green, senior student and part time employee at Tatum and Johnson, was elected president of the Avon Park High School D.C.T. Cooperative Training Club at an organization meeting.

Mr. Leslie Burch, D.C.T. Coordinator at the high school is the sponsor of the club.

The D.C.T. in the Avon Park High School is a cooperative program in which the school and local businesses and industries work together in providing the students vocational training in the occupation of their choice. The students' training will involve on-the-job instruction, which is provided by their employer and coordinated related instruction which is provided by the school.

Catherine Moreland, a senior, was elected vice president. She is a part time employee at the Higginest Nursing Home. Recording secretary, Cheryl Hamilton, is a senior and part time employee at the United Telephone Company. Gwen Clait, a senior and part time employee at the United Telephone Company, was elected corresponding secretary. The new treasurer of the D.C.T. group is Brenda Dorsey, who is a senior. Rebecca Marsh, senior and part time employee at the United Telephone Company, is the new historian of the D.C.T. club. There is a total of 16 members in the D.C.T. club, 15 seniors and one junior.

Conn., and relatives in Hamden, Conn. They also visited relatives and friends in Syracuse and Jamesville, N. Y. Then to Waverly, N. Y., to visit friends and Mrs. Cull's niece and Mrs. Stoddard's granddaughter and her husband, Mr. and Mrs. Wm. Gena, also their new arrival on Sept. 18, a little girl, Lena Christine. Mrs. Gena is the former Linda Field of Avon Park. While away they took many side trips, enjoying the beautiful fall foliage, and they also saw the terrible havoc caused by Hurricane Agnes. On the morning they left, the temperature was 30 degrees and their flight was delayed 2 1/2 hours by fog. They were very glad to return to their new mobile home in Sebring and the warm weather. Mrs. Stoddard's daughter, Mrs. Helen Field met them in Orlando.

Al and Betty Swirsky spent the day Wednesday, at Disney World.

Mr. and Mrs. Tom Chockley have returned to their home at Bonnie Brae, after a 10-week stay throughout Michigan. While away, they flew to Seattle, Wash., to visit Tom's brother, Mr. and Mrs. Frank J. Chockley. They went on sightseeing trips by boat from Seattle to Victoria, B. C., and by bus and boat to Vancouver, B. C. While in B. C., Mrs. Chockley picked up dolls for her large collection of dolls.

Cook-out And Pool Party

A cook-out and pool party was enjoyed by friends of Al and Betty Swirsky, last Saturday evening, Oct. 7, at their home on Wolf St. Guests attending were: Milton and Beattie Howard, Avon Park; Earl and Claire Simpson, Lake Wales; and Marvin and Rose Loucks, Avon Park. Hot dogs and burgers with all the trimmings were enjoyed by all.

Mr. and Mrs. George Harm returned to their home in Avon Park Monday, Oct. 9, after a pleasant summer in Grand Junction, Mich.

Four members of Avon Park Grange No. 203 attended Pomona meeting Saturday night at Pioneer Park in Zolfo Springs.

AMN Carol A. Field, formerly of Avon Park, has been visiting her mother, Mrs. Helen Field and family, now living in Sebring. AMN Field will leave for her new assignment at Maxwell AFB at Montgomery, Ala., Thursday morning (today), Oct. 12.

Mr. and Mrs. Jack Monk of Dauphin, Pa., surprised the Swirskys of W. St., with a visit on Sunday. The Monks are traveling through the South on a two-week vacation. The Swirskys were also surprised with a visit last Tuesday, from the Mr. and Mrs. Frank Wagner of West Haven, Conn.

Guests of Mr. and Mrs. Jim Cravey at their home on Lake Angelo, last Sunday were Mr. Cravey's sister and brother-in-law, Mr. and Mrs. B. J. Carter from Arcadia.

Couple Celebrates 60th Wedding Anniversary

Mr. and Mrs. William L. Ackerson celebrated their 60th Wedding Anniversary on Monday, Oct. 2 with a small neighborhood party. Their daughter and her husband, Mr. and Mrs. William Thonle, of Succasunna, N.J., have been visiting for the past two weeks and they came especially to help with the wedding anniversary celebration.

The Ackersons came to Avon Park from Succasunna 12 years ago and were among the first people building homes at Avon Park Lakes. They recently moved into a home at 2701 W. Pleasant St., to be nearer town because of Mr. Ackerson's failing health. Their many friends extend to them best wishes and congratulations.

The following announcements were made: Rummage and used goods sale for a big three-day sale will be Nov. 9, 10 and 11. Mrs. Mervin Rehner will be the chairman. Bake sale Jan. 13. Christmas Tea will be Dec. 1, with Mrs. W. C. Smith as chairman. The Tour of Homes will be in March.

The District meeting with several ladies from the Club attending will be Oct. 12. The committee for the day was Alma Smoot, Grace Garrison, Cynthia Calvert and Elizabeth Clarke.

Chuck Smith Presents

Ethiopia Banner To Club

Inter club visitation by individual Lion club members is encouraged by the Lions International organization. Such visits provide a cross filing of information on local projects dedicated to broad Lion goals. Local Lion C. H. Smith was privileged to attend a recent meeting of the Lions Club of Addis Ababa, Ethiopia. He was impressed with the business like way the meeting was conducted and with financial reports of the prior year activities. The Addis Ababa Club is a large club by its standards and maintains an attendance level of 75 or 80 in spite of a high rate of turn over due to its foreign contingent.

The Addis Ababa Club president, Steve Ch. Gerassimidis, courteously acknowledged the visit by Lion Smith and presented through him the banner of the Addis Ababa Club to the Avon Park Lions Club. Lion Smith, as is the custom, left a number of Florida Lion pins with

President Gerassimidis.

Be on the lookout for details on the first Lions chicken barbecue of the season scheduled for Saturday, Oct. 28, 1972. It will be held in connection with the City's annual Halloween festivities.

It's A Womans World

by Faye Gordon

"How about a cup of coffee?" can soon be "let's have perfect coffee" with the aid of your coffee maker and a few simple rules. Electric coffee makers are designed to assure consistently good coffee, quickly and automatically. Add a little coffee know-how, and you'll soon be famous for your perfect coffee!

Take a minute to clean your coffee maker thoroughly after each use, as coffee oils and residue left on the inside of your coffee maker can cause poor flavor and bitterness the next time you brew coffee.

Remove inside parts of coffee maker and wash these parts in hot, sudsy water. Rinse thoroughly and dry. Then, half-fill coffee maker with hot water, add a small amount of mild detergent, wash, rinse thoroughly, then dry.

If coffee maker is to be stored longer than a day or two, remove inside parts and lid and store separately to prevent development of a musty taste inside the coffee maker.

Try to buy only as much coffee as you will use in a week. Once the coffee can has been opened, seal it tightly and store in the refrigerator or freezer to retain freshness.

Fill your coffee maker with freshly drawn cold tap water. Hot water speeds the brewing process but does not permit proper extraction of full coffee flavor from the grounds.

Some electric coffee makers feature cup markings on the coffee maker itself to take the guesswork out of measuring water. Fill to the line for the number of cups you desire. For best results, use at least 1/4 of the coffee maker's capacity. Measure two level tablespoons regular or percolator grind coffee for each cup of coffee desired.

Accurate measuring is important—with electric coffee makers, there's no need to add

"one for the pot".

Electric coffee makers are designed to brew coffee automatically hold coffee at the proper serving temperature as long as the coffee maker is plugged in, but for best flavor and aroma, coffee should not be held longer than an hour.

To preserve flavor, remove the basket of grounds after perking is complete. If the grounds remain in the coffee maker, bitter oils may drip from the grounds into the brew, reducing the good coffee flavor.

Now that we have mastered the basic art of brewing coffee, let us look at some ways to glamorize coffee. Never underestimate the versatility of coffee!

French Cafe

As Lat
Pour equal amounts of hot coffee and hot milk into cups or glasses.

Frosted Viennese Coffee

Brew double strength coffee. Pour hot coffee over 4 cinnamon sticks, 8 allspice berries and 8 cloves. Let stand one hour. Strain and pour over ice in tall glasses. Top with whipped cream.

Mocha Punch

Combine 2 Box cups brewed coffee and 2 1/2 cup chocolate syrup in large bowl. Add 1 qt. cold milk and 1 cup vanilla ice cream (1/2 pint). Stir until blended. Chill. Just before serving, stir in 1 2-oz. bottle chilled club soda. Makes 3 qts.

Dessert Coffee

In 1 qt. saucepan, combine 1 cup firmly packed brown sugar and 1 1/4 cups hot coffee. Stir

over low heat until sugar melts. Blend 2 tablespoons cornstarch and 3 tablespoons cold coffee. Stir into hot mixture. Cook over low heat, stirring constantly until sauce boils and thickens. Remove from heat. Add 2 tablespoons butter and 2 teaspoons vanilla. Stir until butter dissolves. Serve warm over cake or ice cream. Yield: 1 1/4 cups.

Pat Hallam Begins Student Teaching

Miss Patricia Louise Hallam, daughter of Mr. and Mrs. T. B. Hallam, P.O. Box 104, Avon Park, will begin her observation and directed student teaching for Erskine College on Oct. 2.

Miss Hallam, senior elementary education major, will be teaching third grade at Marshall Elementary School, Belton. Her term will continue until Nov. 10. Mrs. Irene Sharpe is her adviser.

Miss Hallam is a member of Women's Council and Epistol Sigma Tau at Erskine. She is one of eight Erskine student teachers at the Belton school.

Rebekah President Visits Here

The regular meeting of Eleanor Seaverns Rebekah Lodge No. 65 was held on Monday, Oct. 2, with Noble Grand Lillian Seeger presiding.

Preceding the meeting a delicious roast beef banquet was held at Griffin's Restaurant in honor of the president Ellen Syfrett from Ft. Myers Lodge No. 68.

The tables were attractively decorated carrying out the president's colors and her theme—"The Rainbow". Seated at the head table and introduced were Bessie Decker, assistant assembly musician; Jesse Syfrett, past grand; Ellen Syfrett, president of the State of Florida Rebekah Assembly; Lillian Seeger, noble grand; Eva Alice Lamb, district deputy president from Arcadia; and Nancy Shay, vice grand and general chairman.

The program of entertainment was enjoyed by all. It consisted of piano selections by Dr. John G. Holt and vocal selections by Vickie Flowers.

At the meeting which followed, president Ellen Syfrett was welcomed and escorted to the Noble Grand's Station, also Eva Alice Lamb, D.D.P. All other distinguished

guests were presented from the floor to the president, who welcomed them and read an appropriate poem. Visitors were present from New York, Virginia, Ft. Myers, Sebring and Arcadia. A new member also joined the Lodge.

A short recess was called and a courtesy was given to president Ellen. She is now the first woman to have taken a trip to the moon and her seven sons and returned safely to find a gift waiting for her in the huge "pot of gold at the foot of the Rainbow", at the Noble Grand's station.

After the meeting a social hour was enjoyed. The Hall was decorated with rainbows, red roses and blue forget-me-nots. Refreshments of dainty sandwiches, cakes and fancy squares were served from a table that held the punch bowl and coffee and centered with a huge cake in the shape of a rainbow, with the four Rebekah Emblems on it and with a small pot of gold at the foot. Bessie Decker was in charge of refreshments.

Tuesday morning some of the members had breakfast with the president and her husband. At 9 a.m. a school of instruction

was held and those attending gleaned a lot of valuable information and facts.

The next meeting on Oct. 16, will be initiatory, with a practice for all officers to be held that morning from 10 to 11 a.m. All officers to wear long white gowns that night.

Old Settlers'

Annual Meeting

October 26

Rev. H. D. Graetz, president of the Old Settlers Association announces that the annual meeting will be held on Thursday, Oct. 26, in Wesley Hall of the First United Methodist Church. The usual picnic dinner will be served at noon. A committee has been appointed to contact several of the early settlers of this area to gather stories of interest which will be retold as a part of the program. Any person having lived in Avon Park for 30 years or longer is considered eligible to become an Old Settler and is invited to attend the meeting.

The Board will meet at the Chamber of Commerce on Thursday, Oct. 19, to make final plans for the meeting.

WE STARTED LOOKING AT MICHAEL AS A MAN 25 YEARS BEFORE HE WAS BORN.

It was back in 1966. That's when we started planning our new nuclear plant up at Crystal River. We knew Michael was coming. And more like him. More Michaels and Gregories and Susans than Florida's ever seen.

In fact we're growing so fast in this part of the world that by 1980, we'll be needing twice the electric power we need today.

That's why Crystal River, and other plants to follow, are so important. And why we just can't afford the delays and red tape, the unduly long time required for approvals, that we've experienced in the development of Crystal River.

Because when Michael, the boy, becomes Mike, the man, his family and thousands of others will be needing us.

FROM SONG WRITING TO REAL ESTATE is the course taken by Eddie Snyder, pictured above with his lovely wife, Jessie. Eddie is composer of many familiar tunes, and of the recently Number One Western across the country, "When The Snow Is On The Roses". Wife Jessie holds one of his hit tunes, "Strangers In The Night", which was

recorded by Frank Sinatra. Eddie holds the Bert Rogers Real Estate course, which prepared him for the Florida State Realtor Exams, which he recently passed. The Snyders just love Avon Park and have purchased a home here. Eddie will be associated with someone in Avon Park in the Real Estate business. - Photo by Sharpe.

Composer Settles Here

Among all the good things Avon Park has it now has a celebrity, Eddie Snyder, composer of some of the familiar tunes and of the recently Number One Western across the country, "When The Snow Is On The Roses". Eddie and his attractive wife, Jessie, have been residents of Avon Park for the last year, with his last three assignments being with the three major motion picture companies, Paramount, MGM and Columbia.

"Eddie has been in the entertainment field for the last 30 years, deciding in the summer of last year, (while having two top hits, "My Days of Loving You", sung by Perry Como, and "Pencil Marks On The Wall", sung by Nashville artist, Benson Cartwright) to step down and let his son, Richard Snyder, take over.

Born in New York, Eddie Snyder loved music from the cradle up-getting his musical background from his father. His wife, Jessie, was born in Illinois, moving to Miami at the age of 13 with her family.

Graduating from the Juillard Conservatory of Music in New York, Eddie was an entertainer in Miami Beach for 20 years. He was singing and playing piano at the McFadden Deauville Hotel in Miami Beach in 1947, and Jessie was singing professionally, appearing in the Palm Room at the Deauville when they met, fell in love, and were married five weeks later.

Traditionally, it being a miracle to have success from Miami, they moved up north in 1961, where Eddie wrote full time for 10 years. Eddie wrote his first piece after he and Jessie were married, she being his inspiration.

The Snyders have a son and daughter, Daughter Valerie, now Mrs. Jack Kane, Jr., lives in New Jersey, and son Richie, an entertainer, who sings and plays guitar and piano. He wrote music in New York, following in his Dad's footsteps. Daughter Vali, who was named after their friend, Rudy Vallee, was the inspiration, at the age of eight, for the hit tune, recorded by Perry Como, "The Girl With The Golden Braids".

While working in the publishing office for Roseville Music, Eddie was given the task of putting words to music of many of the hit tunes, because the publisher, Hal Fein, liked his style best and always asked for Eddie to do certain pieces.

His first big hit was in 1957 and Eddie was naturally thrilled when he heard it sung for the first time by Perry Como, one of the all-time greats.

When I asked Eddie which was the most difficult to write of all his pieces, he said, "Strangers In The Night", which incidentally they have in adorable little music boxes in various places in each room of their home. One of his favorite pieces, (which is the favorite for many, especially brides), is the "Love Theme From Romeo and Juliet". "A Time For Us", recorded by Roger Williams and chorus, from the movie, "Romeo and Juliet". I'll bet, when Avon Park brides have their weddings, they don't realize that the man responsible for it lives right here in Avon Park.

When I asked about their association with Stars, people in the entertainment field, they of course love Perry Como who recorded some of Eddie's top tunes, and spoke of their close association with Rudy Vallee; Frankie Lane recorded some of Eddie's songs, and still sends them tuna at Christmastime, which he catches and cans himself. They also told me about a party they went to at the home of Buddy Hackett, which he gave for Eddie Fisher, when he was engaged to Connie Stevens.

Some of his top hits are: "Strangers In The Night", "The Wheel of Hurt", and "Pencil Marks On The Wall".

Some of the movies Eddie has written songs for are: "More Than A Miracle", starring Omar Sharif and Sophia Loren, "Grand Prix", starring James Garner, "A Man Could Get Killed", featuring his song "Strangers In The Night", "The Train", starring David Niven; "A Time To Sing", starring Hank Williams, Jr.; "The Comic", and "Rosemary's Baby".

The Snyders always wanted to come back to Florida and the quiet life. Miami was too crowded for them. They were through Avon Park a time or two, liked everything about it, and decided last year to make our town their home.

New Appointments Announced

The Florida Brethren Homes, Inc., Board of Directors and Administrator, Olin J. Mason announced this week two new appointments to the Homes staff.

Mrs. Sarah Woodard Maas, owner of the Homes with a varied background of experience in Geriatric As House Supervisor her duties will include the care and well-being of the residents of Sebring Manor, tending to special physical needs as required of each individual and general supervisory housekeeping services. Mrs. Maas attended Florida State University and was formerly employed by the Polk County School Board. Prior to her appointment with the Homes she was employed as a teacher-aid at Woodlawn Elementary School.

Kermit Hansen, previously of Hobe Sound, Florida has been appointed as Manager of Florida Estates, and comes to the Homes with a degree in Industrial Administration. He

Nature Club Elects Elder L. F. Myers As President

The Walker Memorial Nature Club met Thursday for a varied program which included election of officers for the coming year. The evening began with a potluck dinner after which the members of the club held an election of officers. Elder L. F. Myers was elected president, Dr. D. C. Hartwell and Mrs. Ruth Nestell were elected vice presidents, and Mrs. Grace Myers was elected secretary-treasurer. Mrs. Leola

manage the development of Florida Estates, a retirement village being established by the Florida Brethren Homes, Inc. Mr. Mason stated that the addition of these two employees to the Supervisory staff of the Florida Brethren Homes operations brings added strength to the entire programming of the Homes for the elderly of the area.

The Walker Memorial Nature Club is a function of the Walker Memorial Seventy-day Adventist Church and meets each month. Friends and members are cordially invited to attend.

This little church, which was a bungalow type home when purchased, has now been renovated and made into an attractive church. It is located on Observation Ave. In the opening services, orchestra music was presented and directed by Mrs. Ronald Martin. M. Thomas Strickland, branch Sabbath School teacher, who has conducted and supervised most of this work and renovation, has a birthday

regularly at 3 p.m. Saturdays. Tommy says this is the happiest birthday he has ever had, in seeing this little church open and a building all its own. Hundreds of hours of tree volunteer labor has gone into the renovating of this building. Building materials needed, and miscellaneous items were graciously contributed by businessmen from Avon Park, Wauchula, Sebring and Lake Placid. Eighty-two guests registered from Tampa, Frostproof, Lake Wales, Avon Park, Sebring, and Lake Placid. Attendance, including children, was over 100.

MacNeill Will Preach At Sebring Church Sunday

A new Avon Park resident will preach for the Laymen's Sunday services at the First Christian Church, Sebring, Oct. 15, Lynn MacNeill, speech and drama teacher at South Florida Junior College, will preach at the Sebring church's 10:30 a.m. worship service.

Mr. MacNeill has entitled his sermon, "Play the Hand You've Been Dealt". Mr. MacNeill joined the junior college faculty in August, soon after receiving his Master's degree at Illinois State University. While studying at ISU he held a graduate assistantship. His Bachelor's degree was earned, with honors, at Northern State College in South Dakota. He has also studied at University of South Dakota and at University of California at Berkeley. In the late 1960's he served as a Peace Corps volunteer in India.

Mr. MacNeill, his wife and small son live at Avon Park. They are members of First Christian Church and active in its work.

New Church Opens In Lake Placid

Members of the Walker Memorial Seventh-Day Adventist Church in Avon Park met in Lake Placid in 1970 at the American Legion Hall and organized a branch Sabbath School, with worship services to follow, on Feb. 7, 1970. The Sabbath School opened with the following officers: Herbert Carthers, superintendent; Mrs. Gertrude Genton, secretary; and Thomas Strickland, Sabbath School teacher. Shortly thereafter, Mrs. Genton moved with her family to North Carolina and the present secretary is Mrs. Margaret Washington. Branch Sabbath School and

worship services have been held regularly at 3 p.m. Saturdays, until last Saturday, Oct. 7, when they met in their own little church.

This little church, which was a bungalow type home when purchased, has now been renovated and made into an attractive church. It is located on Observation Ave. In the opening services, orchestra music was presented and directed by Mrs. Ronald Martin. M. Thomas Strickland, branch Sabbath School teacher, who has conducted and supervised most of this work and renovation, has a birthday

this month, so all sang "Happy Birthday, dear Tommy". Tommy says this is the happiest birthday he has ever had, in seeing this little church open and a building all its own.

Hundreds of hours of tree volunteer labor has gone into the renovating of this building. Building materials needed, and miscellaneous items were graciously contributed by businessmen from Avon Park, Wauchula, Sebring and Lake Placid. High School Band Will Be Idle This Week

The famous Avon Park High School Grenadier Band will not perform at the Avon Park Frostproof game this Friday night due to the fact Frostproof will be having its Homecoming Festivities, but a "pep" band will be there.

The band will take the following weekend to prepare for five consecutive shows including District Marching Contest in Sarasota. The band will also be selling doughnuts every third Tuesday of the month (next selling date Oct. 17). In December the band will be selling "Betty Benson" pecan rolls. These will make ideal Christmas gifts.

The Junior and Senior Bands will march at the annual Halloween Parade, Oct. 28. The Grenadier Band will march in the Homecoming Parade during the week of Oct. 30-Nov. 3.

DAMAGE SUIT

Franklin Williams has filed suit in Circuit court against Government Employees Insurance Co. and Frank Aaron Hill asking damages in excess of \$5,000 as the result of an accident April 3, 1971.

THE CHEERLEADERS AT AVON PARK HIGH SCHOOL are sponsoring a "Spirit Drive" during football season. One of the projects was a "Spirit Door" contest for all homerooms. Each homeroom decorated their door to boost spirit among the student body. Other projects are planned for each pep rally held on Fridays. Pictured above is the first place winner, "Passing into The End Zone". Mrs. Vi Mosely's homeroom, second place winner was Cleve Henry's homeroom, and third place winner was Chef Brojcek's. Committee Chairmen Named At Band Parents Meeting

Monday evening the Band Parents Association held its second meeting for this school year.

The agenda for the meeting consisted mainly of reports for working committees - concession stand reports, doughnut sales reports, etc.

Mrs. Harriet King was named chairman of the Candy Sales that will be held in December. The Band will again sell pecan logs as one of its fund raising efforts.

Mr. O. C. Stephens, Jr., was

named chairman of the Food Booth that the Avon Park Band will run during the Highlands County Fair. The Food Booth is rotated between the three High School Bands in Highlands County each year.

Mrs. Betty Crews, chairman of the Band Hamburger Stand for the Halloween carnival, reported that enough workers had volunteered to help at the stand but she would be contacting others regarding the building of the stand and the donation of food articles which

will keep the expenses down and run the profits up.

Mr. Mickunas reported to the association that all of the new uniforms had arrived with the exception of a few busbys. The new blazers that were purchased had been paid for - as well as the bill for the music that was used for the summer program, Jr. Band and Football season. The Band Parents Association has also purchased four carrying cases for the sousaphones that they purchased last year.

Avon Mobile Home Park News

by Ruth E. Robinson

Destination-Avon Park was reached this past week by Mrs. Lula Maddrell on Monday. She enjoyed a wonderful summer in Shell Lake, Madison, Monroe and South Wayne, Wis. At Shell Lake she was with her sister Bess who would like to hear from her many friends. She will try to come to Florida again this winter, if she is able. Lula especially felt quite proud at the commencement exercises of her grandson who received his Bachelor degree in pharmacy from the University of Wisconsin. Another occasion which gave her pleasure, was the 50th reunion of her graduating class from Darlington High School. Twenty-one pupils were present and one teacher.

Mr. and Mrs. Walter Douglas returned from Hazelcrest, Ill., or Wednesday after a good trip back. They enjoyed a visit from Mrs. Francis Bleser with her son and his wife from the Punta Gorda area, on Sunday afternoon.

Mr. and Mrs. Elliott Purvis arrived on Saturday from Peru, Ind., in good spirits and glad to be back.

Mrs. Maude Niekirk arrived home on Sunday evening and is

pleased to be here.

We want to express our sympathy to Mr. and Mrs. Louis Shoemaker. The death of their son-in-law, Lewis Bruce, was brought to out attention recently. Mr. Bruce often spent some time with Lucille and Louie here in our park during the winter months.

Mr. and Mrs. Charles Brush entertained Mrs. Brush's grandson and his wife, Mr. and Mrs. Larry Ireland, and their two children from Venice, a week ago Sunday.

Mrs. Helen Hickey was happy to have her son Peter and daughter-in-law, Kathy, from Long Island, N.Y., visit with her last week. They visited Silver Springs and played golf while here, loving every minute.

Mr. and Mrs. Ralph Crocker took a trip to Ft. Myers beach for their annual fresh shrimp dinner and view of the sailing and shrimp boats on the waters of the Gulf, Sunday.

A trip to the Gulf Coast was taken last week by Gladys Gorb and Mr. and Mrs. Lewis Bigger including a visit to Lehigh Acres, Ft. Myers, and Bonita Springs for a visit with Mr. Robert Rusk.

Dinner guests on Sunday at the home of Mr. and Mrs. Robert Duthie were Mr. and Mrs. William Good from Brentwood Trailer Park.

John and Thelma Skuce visited the new Seventh Day Adventist Church in Lake Placid on Saturday. They were accompanied by their daughter and son-in-law, Mr. and Mrs. Earl Furbush and two granddaughters, Melodie and Melissa, on Saturday.

Bill Belcher writes that they have had the wettest summer in history and he wants to help his son, Mick, with the corn and beans before coming south. (Hope the rains stop long enough!)

The Warren Byers, Basil and Rosa Krontz and Margaret and Bill attended the Centerville

Fair, in Michigan a couple of weeks ago. The Robinsons remember one which they attended a few years ago with Ham and Nita, especially the races-so much fun!

Mr. and Mrs. Floyd Stevens also stopped to see the Belchers recently. We are expecting them down here very soon.

Mr. and Mrs. Roy Gärten traveled to New York state for a week's visit with Mr. and Mrs. Kenneth Heimberger and while there they all went to Vermont on a sight-seeing trip. From New York they went to Cincinnati, O., to visit their sons and families for a week. Next they visited old friends in New Albany, Ind.

Bessie and P. R. Rusk, who were their neighbors in Avon Mobile Park many years ago. Bristol, Ind. Welcome back to them now back in Hendersonville, N.C.

A letter from Claron and Marie Monroe says it is getting colder up in Hicksville, O., and unseasonably wet. They had a terrible rain two weeks ago which put Hicksville on the disaster map. It washed at least a thousand dollars worth of tomatoes right off the field onto the road and adjoining farms. The Monroes son is trying hard to finish the harvest by hand-picking. The Monroes have seen Mr. and Mrs. Edwin Feehan in Bowling Green, O., who say they may come to Florida very soon.

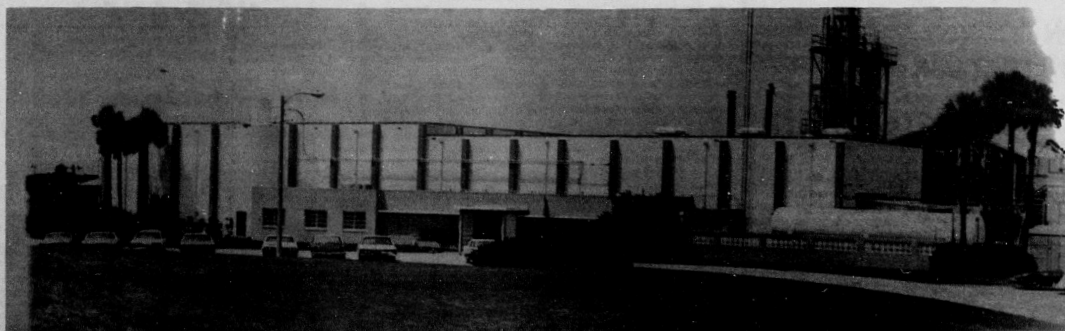

Mr. and Mrs. James Kietly arrived on Sunday evening after a visit in The Count Timbertook Mobile Home Park in Bristol, Ind. Welcome back to all our "snow birds".

THANK YOU!

I am so grateful to those who voted for me on Oct. 3 I shall make every effort in the coming weeks and months to thank as many of you as I can personally, for your support and encouragement. To all the voters of Highlands County, I promise to always strive to be a good and honorable judge.

Farm Bureau Recognizes 3 For Their Achievements

Three outstanding conservation farmers and ranchers were recognized Thursday, at the annual Farm Bureau meeting, for their achievements in planning and carrying out complete soil and water conservation plans on their land. They were James McRoy of Sebring, caladium grower; Joe M. Stiles of Sebring, citrus grower; and Bruce Blount, Lake Placid rancher.

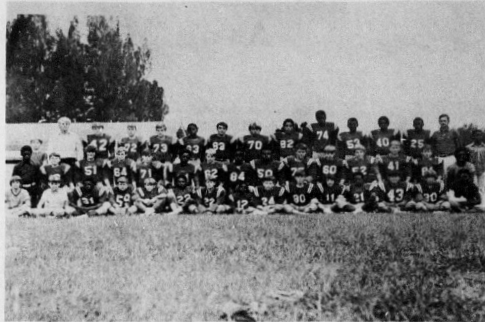

Roger Taylor, president of the First National Bank of Sebring, presented the awards on behalf of the Highlands Soil Conservation District and the Florida Bankers Assn.

Each of these men was selected in his field by a committee from the list of eligibles who have not previously received such recognition. This was started many years ago by the state association of Soil Conservation Districts and the Florida Bankers Assn.

Commissioner of Agriculture, Doyle Conner, who was the main speaker at the annual meeting, praised them for their initiative and leadership in the field of soil and water conservation and summed up his talk by saying that it was a sad day when people in the United States were criticizing farmers for high food prices while traveling abroad.

He said he had been asked many times by foreign agriculture ministers how the U.S. farmer could produce foods to feed our nation at less than 16 percent of the cost of their wages while in the rest of the world it was costing more than 50 percent of their usable income to eat.

Life is about 10 percent how you make it, and 90 percent how you take it.

THE 1972 eighth and ninth grade football team defeated Lake Placid 38-0 in the season opener last week. Seated from left to right: Eric Longshore, John Ferguson, Charles Anderson, Craig Landress, Steve Arnold, Lemaster Jones, Mort Jackson, Ronald Carney, Larry Richardson, Stephen Ford, Terry Lanzing, Melvin Britt, Smokey Hill, Joe Gallimore, and Robert Packer. Kneeling middle row from left to right: Greg Blake, Dale Sisemore, Keith Bagwell, Steve Roberts.

John Marsh, Marc Gaines, James Anderson, Freddy Moore, Louis Lee, Jessie Johnson, Mike Cobb, Billy Sharp, Dennis Hulon, Billy King, and Edward Dorsey. Standing from left: Manager Bill Williams, Coach Ken Shackelford, Tommy Lewis, Rickey Lee, Jim Lanier, Milton Thomas, John McKunas, John DuPriest, Sam King, Melvin Collins, Anthony Conner, Kenneth Burley, Reggie Baker, Asst. Coach Marvin Herndon, and James Jones, Mgr.

Eighth And Ninth Graders Out Classed Lake Placid 38-0

Coach Ken Shackelford's eighth and ninth grade football team completely out-classed the Lake Placid squad Tuesday night a week ago down in Lake Placid winning by a score of 38-0 for the thirteenth consecutive win for the Avon Park junior high team under Shackelford's direction going into the third

season. The first offensive and defensive units played very little as they racked up a 28-0 first half score on four touchdowns and one two point conversion by speedy right half-back Reggie Baker. Baker scored three times on long runs of 15 to 20 yards and then took a pass from quarterback Tommy Lewis and scored on a play that covered some 65 yards. He also ran the only extra points of the game on a quick pitch.

In the second half the second team offense took over the quarterback Smokey Hill scored two more touchdowns. The first one came in the third quarter on a three yard quarterback sneak and then Hill scored later from 10 yards out on the "Smokey Hill Special" play. The whole team sweeps out in front of Smokey on this play around right end knocking down the opposition.

But Coach Shackelford was especially proud of his third team defense which he said played most of the game finding up only one first down to the Lake Placid offense. The second

team defense also came in for praise.

The Devil backs intercepted three Lake Placid passes. Stephen Ford, Terry Lanzing, and Lemaster Jones all gathered in the interceptions to keep the Green Dragon junior high boys in the hole.

Playing offensive line for the first team were ends John McKunas and Sam King, tackles John DuPriest, and center Louis Lee. In the backfield behind quarterback Tommy Lewis were Kenneth Burley and Reggie Baker at halfback and Dennis Hulon at fullback.

The third string defense had Steve Arnold, Gregory Blake, Larry Richardson, Anthony Conner, Jim Lanier, Milton Thomas, Billy King, Charles Anderson, Craig Landress, Mort Jackson and Terry Lanzing.

The Devil junior high boys played here last Tuesday night against Oklawaha and will play in Sebring next Tuesday night, Oct. 17.

Red Devils

two point and Avon Park had an 8 point lead with three and a half minutes left in the first quarter.

That was almost enough time for Wauchula to score, however. The Bulldogs ran Nathaniel Packer's good kick back to the 41-yard line and then drove quickly to the Devil two as the first quarter ended. The Devils aided the Cat cause with a 15-yard penalty midway in the drive. On third down, from the one yard line, Wildcat back Clifford Smith slipped over for the touchdown but the pass attempt for the two point conversion was no good and the Devils still led 8-6.

The Red Devils had the ball on offense three times in the second period but couldn't put a score on the board. Midway in the period the Devils drove to the Hardie 20 before they lost the ball on a fumble. Then late in the quarter Avon Park drove to the 15 but a 15-yarder backed them up and killed the drive. On the last play of the first half, Devil defender Tony Williams intercepted a Wildcat pass on the Avon Park 30-yard line and returned it to the Devil 47-yard marker. On the tackle and pile-up, Tony received a broken shoulder and will probably be out for the rest of the season.

Avon Park took the second half kick-off and moved well to the Hardie 40 but bogged down there and found themselves with a fourth down and eight yards needed. A pass to Todd in the left flats was picked off by Larry Elrod who scampered some 70 yards for a touchdown that put Wauchula out front 12-4 early in the third quarter. For some reason, the Wauchula coaching staff decided to kick the extra point and Rod Prussell booted it through the bars for the point that gave Wauchula a 13-8 advantage.

Avon Park drove next all the way from their own 20 to the Hardie 24-yard line before they gave up the ball on downs. But

on the very first play from scrimmage, Hardie fumbled the ball and Avon Park recovered at the 24. Four running plays by the Devils picked up only six yards so Wauchula took over again on its own 18-yard line.

Again the Wildcat back fumbled on the first play and again Avon Park recovered the ball this time at the 21-yard line. That was all the Devils needed and they ran the ball in on five plays. Lewis got the first five yards, McRae added three and Richards got the first down at the 8-yard line with a five yard pick-up. Then McRae went to the three yard marker and Arnold Davis scooted in from there for the go-ahead touchdown. Bud Wester's kick for the extra point was wide but Avon Park had the needed points for the win-14-13.

There were still 8 minutes left in the game and the Devil defense rose to the occasion and held the Wildcats on two possessions, without allowing a first down, to preserve the victory. The Avon Park defense was so effective all night that Wauchula didn't move the ball for a single first down after the first quarter when they racked up six first downs on two long drives.

The score of the game was much closer than the statistics as Avon Park had 15 first downs to Wauchula's 6 and gained 266 yards rushing to Hardie's 55 yards on the ground. Avon Park passed for 14 yards and the Wildcats gained only 12 through the air. Both teams had one pass interception but Wauchula lost the two costly fumbles and Avon Park lost only one. The Devils punted twice for a 31 yard average while Hardie punted four times for a 33 yard average. Avon Park got penalized 80 yards and Wauchula was penalized only 30 yards.

Scout Executive Speaks To Rotary Wednesday

by Aaron Cravens

The program chairman, Franklyn Ward, introduced Robert "Skip" Rausch, District Scout Executive of the Calusa District. He reviewed his years of experience as a fiscal officer in the Marine Corps, and his experience as a Scout executive. Skip briefly traced Scouting from its beginning in 1910 and then explained the differences in emphasis e.g. advancement in degrees are no longer lockstep but optional.

He pointed out that today there are more Boy Scouts in Florida than in Great Britain, the birthplace of Scouting. There are 6½ million boys and adults in America connected with Scouting.

He reminded us of the advanced knowledge that boys have today contrasted with a few years ago. Cub Scouts today are taught the things 12 year olds were in the past. Scouting no longer implies good deed for the day - helping old ladies cross the street - but becoming a good citizen through understanding ones self, surroundings, and nation.

The fundamentals of Scouting haven't changed - learning, advancing, camping, cooking and knot tying - these make sense.

The counselors role has changed from a know all, tell and show to that of a counselor. There is a personal growth agreement between scout-

master and scout. He is still responsible but the older boys teach the younger to teach themselves.

Good citizenship has always been a strong basic in scouting. Now there must be evidence of growth. Doing things attract boys.

Skip emphasized that while the improved program is more flexible it is not a recreational program but an educational one.

Skip says and we are proud of him for saying, "we need more leaders who will on my honor I will...". Thanks Skip.

Shrine Club Installs Officers

After a delicious roast beef dinner at the Sebring Elks Club, the Sept. 27 meeting of the "Fezzettes" (Ladies of The Highlands Shrine Club Nobles), was opened with a rap of the beautiful engraved gavel, a gift from Mr. and Mrs. Adam Bair. Mrs. Bair is a member of the "Fezzettes".

Thirty-seven members and one guest witnessed the impressive installation of officers by Mrs. J. S. Burkett, Parliamentarian, who also wrote the memorable instruction.

Those officially installed were: Mrs. Henry Hartman of Sebring, president; Mrs. Mary Jean Adams of Avon Park, first vice president; Mrs. Betty Tompkins of Lake Placid, second vice president; Mrs. Jay Friedman of Sebring, secretary; Mrs. Polly Price of Sebring, chaplain; and Mrs. C. Edwin Bailey of Sebring, treasurer. The next "Fezzettes" dinner meeting will be held at the usual time of 6:30 p.m., Oct. 25, at the Sebring Elks Club. The "Fezzettes" will not meet during the months of November and December due to the Holiday activities.

Reservations for the Oct. 25 meeting may be made by contacting: Mrs. Harry Schwab 385-0200, Sebring; Mrs. Forrest Lloyd 466-4701, Lake Placid; Mrs. Paul Calvert 433-6332, Avon Park.

Maureen Collier Completes Basic Training, Gets Award

Maureen A. Collier, daughter of Mr. and Mrs. William T. Collier of Route 2, Avon Park Lakes, recently was promoted to Private Pay Grade E-2 and awarded a letter of commendation upon completion of basic training at the Women's Army Corps Center, Ft. McClellan, Ala.

She was promoted two months earlier than is customary under the army policy providing incentive for outstanding trainees. Her promotion was based on her military bearing, leadership potential and scores attained during the training.

The letter of commendation was presented in recognition of her academic standing in the course.

During the eight weeks of training, she received instruction in army history and traditions, administrative procedures, military justice, first aid and field training.

Pvt. Collier received the training with Company C, WAC Training Battalion. She is a 1970 graduate of Avon Park High School, and attended South Florida Junior College, Avon Park.

Bids Awarded For Addition To Jail

Contracts for construction of an addition to the Highlands county jail were awarded last week. Successful bidders were Hollenberg and Wolfe of Sebring, with \$163,733 for their part in the construction and Roanoke Iron and Bridge Works, Roanoke, Va., \$45,960 for their part.

Only other general contractor bidding was Sam Mac Const. of Ft. Meade, Texas and Kentucky firms also bid on the steel contract.

Our Service Representatives try to live up to their name... 3,000 times each day.

I'm a UNITED Service Representative... working for you!

When you contact a United Telephone business office you will, no doubt, talk with a service representative... like me, Susie Stone, at Naples. My fellow service representatives work up-front in our business, handling nearly all customer contacts. And, we are trained to your point of view, as we arrange details with various departments to give you satisfying service.

In the telephone industry, a typical service representative is responsible for the records of some 2,000 customers. But today's typical Florida "scene" presents an above-average variety of customer requirements.

Contributing to this situation are such factors as rapid, unpredictable residential growth, an expanding array of businesses, thousands of seasonal residents, technological advancements, mushrooming plant investment

and our changing life patterns. All together, they create a unique, unprecedented demand for our communications services.

It means that United's service representatives are handling more than 3,000 calls and visits to our business offices each working day. Sometimes... during peak activity... it can mean a delay in serving you; but we try hard to limit such inconveniences.

Even in this 'computerized' age, you will still find that our service representatives put the emphasis on personal attention. We like working with people... and what we enjoy most is a happy customer. So we work hard to please you.

There are 1,600 other employees at United of Florida who have this same goal. They believe that serving customers is the foundation of our business.

MARGARET LYNN MIRACLE (left) and Janet Filippa of Avon Park joined Sebring 4-H Club members for a trail ride last Saturday, Oct. 7, at Huckleberry Lake.

Group To Start A 4-H Chapter Here

Margaret Lynn Miracle and Janet Filippa joined a group of Sebring 4-H Club members for a trail ride last Saturday at Huckleberry Lake. These two girls were especially interested in the trail ride because they are anxious to get a group started in Avon Park for all the young people between the ages of 19-19, who have horses and would like some riding instruction and fun on the trail. As a result of this ride, Mrs. Sardina and Mrs. Simpler, who are 4-H Club leaders, were coming to Avon Park to meet with parents and young people who have horses and want to start a Horse Project. If you are an adult and are interested in helping or if you are a girl or boy with a horse and would like to come learn and have fun, please contact Mrs. Ken Filippa, or Mrs. Andy Miracle. Notice of the next meeting will be in the Sun.

Lemke Wins Home Juice Tournament Third Year

Bill Lemke, of Lakeland, retired the large trophy by winning three years running, in the Fifth Annual Home Juice Golf Tournament, on Sunday, Oct. 15, at the Avon Park Golf Course. Wayne Knowles, former Avon Park resident now of Lake Wales, made a run for the championship, coming from 5 shots off the pace, only to lose on the 37th hole to Lemke's birdie.

Fine weather was in order for the two days of play. Scoring was generally higher due to numerous out-of-bounds stakes that were added over previous years. All players commented on the overall improved condition of the course.

Championship Flight: "A" Division, Bill Lemke, 149-3;

Wayne Knowles, 148-4; "B" Division, Ed Touchton, Sr., 159; John Garzotto, 160.

Freight Train Derails Wednesday Near Lorida

A southbound 96-car Seaboard Coast Line freight train derailed shortly after 1 p.m. Wednesday at Lorida, plunging one car into a nearby house and sending wheels rolling to Elliott's Grocery.

Mrs. Marie Elliott said that some of the wheels had rolled to the back of their store which is near the tracks.

Photographer Chuck Burn rushed to the scene and

reported to the Sun that about 20-25 cars had buckled and derailed and some were up-ended and extended 50 feet in the air.

Burn said the freight

derailed across the street from Elliott's grocery. The track runs parallel to Route 98 and the derailment was on the north side of the highway.

"There seems to be lots of

lumber spilled out, and some chemical stuff," Burn said. "One car was full of single material and there seemed to be a lot of container cars, the type you put trailers on."

PHOTOGRAPHER Chuck Burn was at the site of the train wreck at Lorida Wednesday afternoon a few minutes after the derailment. Burn got this picture of some of the buckled freight cars. About 20-25 cars

of the 96-car southbound train were off the track. "It looked as if the wheels just came off," said Burn, who added that "wheels were scattered all along the tracks for about a half mile."

Chamber To Hold Special Meeting Nov. 2

The Avon Park Chamber of Commerce will hold a special membership meeting Nov. 2 at the high school cafeteria. This meeting is being called for the purpose of reviewing the past year's chamber activities and a forerunner for setting up a Program of Work for the coming year. The Chamber of Commerce is making every effort to see that the voice of the membership is heard. This promises to be an interesting and entertaining evening. 7:30 will be the kick off hour.

No School Friday

There will be no school in Highlands county Friday, Oct. 20. This is a work day for teachers, a holiday for students. Teachers will be attending area workshops. This is not a conference day for parents. Many of the teachers will be attending out-of-town workshops.

Post Office Will Be Closed

Veterans Day will be observed on Monday, Oct. 23, by all U.S. Post Offices. There will be no city or rural delivery service. Regular lock box service will be provided. Holiday schedules for the collection and dispatch of mails will be observed. Special delivery service will be provided.

Championship Boat Races To Be Held This Weekend

The Regional Championship boat race, sponsored by the Avon Park Fire Department, will get under way on Saturday, Oct. 21 at 12 noon.

The State Championship race, also sponsored by the Fire Dept., will continue the excitement the following day beginning at 1 p.m.

No admission will be charged to view either of these exciting

races which will be held on the west shore of Lake Tulane in downtown Avon Park.

Over 120 entries have been received for these races with drivers coming from throughout Florida and several of the Southern states.

Classes A, B, C & D running will be stock runabout, with Stock Hydro's in Class A, B, C & D also running. Finally Class

A, B, C, D & F the Outboard Hydro's will run. Some of these monsters will reach speeds as high as 110 m.p.h.

A concession stand will be set up for the convenience of the spectators serving hamburgers, hot dogs and cold drinks.

Veterans Day Celebration To Be Held In Avon Park

The annual celebration of Armistice day, now Veterans Day, will be held next Monday, with the parade in which the county's three cities take part, being held in Avon Park.

All organizations in the county are urged to unite in the observance. Taking part will be the World War I Barracks, Disabled American Veterans, Veterans of Foreign wars, American Legion and their auxiliaries, the Gold Star

Mothers, high school bands from Sebring, Avon Park and Lake Placid.

There will be units from the National Guard, a unit from MacDill Air Force base, and a unit from the Avon Park Correctional Institute. The parade will step off along the Avon Park mall beginning at 10:15 a. m. and the Veterans day ceremonies begin at 11 a. m.

Devils Meet Clewiston Friday Night

For the first time in over 25 years, the Frostoproof Bulldogs defeated the Avon Park Red Devils on the football field winning by a score of 24-0 before a capacity homecoming crowd in Frostoproof last Friday night. The Bulldogs scored a touchdown and kicked the extra point in each of the four quarters and held the Red Devils to a lone touchdown in the second quarter to take the big conference and district victory.

So Avon Park will take a 3-2 record down to Clewiston Friday night for a non-conference battle with the Tigers. Clewiston has won three and lost two also so far this year. The Tigers won over Pahokee, Lake Placid (23-6), and Labelle (38-12) and lost to St. Thomas Aquinas (18-0) and Immokalee (12-6). Last year Avon Park took a 40-18 homecoming win from the Tigers.

The Red Devils came out of the Frostoproof loss without any further injuries and had added Mike Archer to the line crew last week so should be in fairly good shape physically for the Clewiston game tomorrow night. The big question will be whether the Devils can pick themselves up after the loss to Frostoproof and get back in the win column before returning home for a four game stand.

Land Bank's Annual Stockholders Meeting To Be Held Oct. 27

The annual stockholders meeting of the Federal Land Bank Association of Wauchula will be held at the newly completed Highlands County Agricultural Center on Friday, Oct. 27.

The Center is located three miles south of Sebring, on Hwy. 27.

The meeting will convene at 12 noon with a charcoal steak luncheon. A program of music will be presented during the meal by Mrs. Dot Harrell of Sebring, at the organ.

Highlight of the meeting will be the presentation of a Land Bank Service Award for outstanding service to agriculture, to Lorin T. Bice, former member of the Farm Credit Board.

Making the presentation will

be a special guest, Robert A. Darr, president of The Federal

Land Bank of Columbia, and president of the Federal Intermediate Credit Bank, both in Columbia, S. C. Also on the agenda will be the election of a director and a report of the board of directors on important actions taken during the year.

At the close of the meeting, door prizes will be awarded to members and guests.

The Federal Land Bank Association of Wauchula is the largest Land Bank Association in the United States, with a loan volume of more than \$65,000,000 in loans outstanding to 650 farmers, growers and ranchers in the nine county area served. Countries served are Charlotte, DeSoto, Glades, Hardee, Hendry, Highlands, Lee, Manatee and Sarasota. The Association is entirely owned by the borrower-members it serves.

County To Advertise For 100 Acre Landfill Track

The County Commissioners decided Tuesday to advertise for a 100 acre tract to be used as a sanitary landfill area. The commissioners had learned from a film they viewed several months ago that a sanitary landfill differs considerably from a dump. At the landfill site, trash and garbage are covered with dirt immediately upon delivery to discourage burning, to avoid the production of disagreeable odors and to eliminate breeding places for flies and rats.

In addition to advertising for land, the commissioners agreed to advertise for a special piece of heavy equipment that has been designed specifically to move and cover waste materials delivered to the sanitary landfill.

According to Gordon Hays, county engineer, the special vehicle is a front end loader that moves about on four drums like wheels instead of tracks. Each of the drums is covered with sharp, steel blades

designed to chop into small pieces any refuse the loader passes over. Hays claimed that the landfill machine would pack the dirt spread over trash and garbage better than a bulldozer of equal weight could possibly do it.

Commissioner Cecil Skipper told the board that the waste disposal situation at Sebring and at Avon Park was nearing the critical stage and urged that immediate steps be taken to establish the landfill program which had already been budgeted for.

In his motion to advertise for bids, Skipper stipulated that land bought to serve the county's sanitary landfill needs should be approved by the state's pollution control board as well as the county's planning and zoning board.

Cecil Skipper further suggested that contracts with the county's three franchised garbage and trash collectors be made uniform and he volunteered to work with Charles Cullens, administrative assistant, to

prepare recommendations for such contract standardization. Bids for land purchase and for the special landfill machine are scheduled to be opened on Nov. 3, and will be reviewed by the Commissioners at their meeting Nov. 7.

Personnel Changes

Changes in instructional and non-instructional personnel in Highlands county schools were approved Thursday night at school board meeting.

Carole Dumbleton was assigned to the regional migrant program. Donna Marshall Keeler was assigned to Avon Park high school. Roxie Bentley was transferred from the Sebring area to Avon Park elementary school. Sandra Farley has resigned from Woodlawn elementary school effective Dec. 2.

Non-instructional personnel changes were as follows: Rebecca Travers, from Woodlawn to Fred Wild elementary school, criterion reading program; Joyce Ann Archart, teacher aide, preschool migrant, to Woodlawn; Sherill Matthews, teacher's assistant, Lake Placid elementary; Lottie Sue Brown, teacher's assistant, Lake Placid elementary.

More are: Michael Jackson, part-time custodian, Fred Wild, Sept. 5 through Sept. 22; Jack Watson, custodian, Fred Wild; James A. Barwick, custodian, Lake Placid high; Carrie M. Jerido, custodian, Lake Placid high; Dorothy Layport, regular bus driver; Daniel C. Durrance, substitute bus driver, Lake Placid area, Shirley Randall, bus driver, resigned, effective Oct. 5.

Ledbetter Dies After Suffering Burns

Dan Ledbetter, age 27, passed away Oct. 11 at University Hospital in Gainesville, after spending 13 days in its fire treatment center.

Ledbetter suffered burns over 70 per cent of his body on Sept. 29 while fighting a blaze at the residence of Paul Moore on Lake Adelade.

Roy Kiker, Assistant Fire Chief of the Highlands Lakes Volunteer Fire and Rescue Department, told the SUN that the exact occurrence leading up to Ledbetter's accident could not be determined. He stated there were no eye witnesses and no one was certain as to exactly what happened.

The fire began when Moore apparently went into a coma while in his automobile under the house car port. His foot apparently on the accelerator, caused the engine to grow hot and burst into flames, which later spread to the house. Moore was saved only by the fast actions of Donald D. Stokes of Sebring, who is employed by United Telephone. Stokes, who was on a routine service call in the area, noticed smoke and decided to investigate it. He pulled Moore from the auto before he was injured.

Ledbetter, after his accident, was taken to Walter Memorial Hospital where Dr. Donald F. Jones began treatment. He notified Don Gossick at the Avon Park Flying Service that Ledbetter needed to be transported to Gainesville.

Ledbetter, a Medical Technician at Walker Memorial, is survived by his wife and son, both parents, one sister and a brother.

Red Devils

against Arcadia, Lake Placid, Okeechobee and Sebring. Avon Park moved the ball for 200 yards of rushing against the Bulldogs last week but just couldn't put it in the end zone enough.

Frostproof Game

The best Avon Park offensive drive of the game came early in the game as the Devils received the kick-off and moved on the ground to the Bulldog 12-yard line without any trouble. There the Frostproof defense stiffened and three running plays netted only three yards so Avon Park tried an end-around pass that went incomplete and Frostproof took over on their own nine.

The Devils held for three downs but the Bulldog punter got off a 61-yard punt and Avon Park was deep in its own territory again. After three incomplete passes, the Devils punted out and Frostproof took over at its 36-yard line. Avon Park got a quick break when a pass receiver fumbled the ball on the first play and the Devils recovered at the Bulldog 45.

But the Devils returned the favor on the next offensive play and the Bulldogs recovered this time still at the 45. That set up the first scoring play for Frostproof as quarterback Randy Wilson dropped back and hit cousin Mark Wilson on about Avon Park's 30 and the speedy back went all the way for a 35-yard touchdown.

Rudolph Maloy kicked the point after to put the Bulldogs out front 7-0 midway in the first quarter. Avon Park had the ball two more times deep in its own territory in the first period but couldn't move far.

Then early in the second period, the Devils went for the yard needed on fourth down at the Avon Park 49-yard line and failed to make it. On the next play, the Bulldog fullback, John Lightsey, broke through the middle and went to the Avon Park three on a 46-yard gain. Randy Wilson took the ball in on a quarterback keeper on the next play and this time Paul Moore's kick for the extra point was perfect and the Bulldogs had 14 points on the board.

Avon Park had another good offensive drive midway in the second quarter that stalled at the Bulldog 23-yard line but three plays after losing the ball

on downs, the Devils got it back when Arnold Davis intercepted a pass at the 36 and ran it back to the 14. The Devils drove it in from there for the only Avon Park score. Danny Lewis picked up five yards on two carries and Keith Richards added another to the eight-yard line. Then on fourth down and four yards needed, Josh King took a pitch-out and scampered around left end for the eight yards and the touchdown. The Devils tried the same play for the two point and it was stopped but a penalty against Frostproof gave Avon Park another shot at the PAT. This time they tried a counter play that also failed so the score stood 14-0 at halftime.

The third period was mostly defense except for a touchdown that the Bulldogs scored after catching a punt just past the line of scrimmage and running it back to the Avon Park five. The punt came off low and went to the side and Maloy jumped up, pulled it in, and kicked to the five. Avon Park held the Bulldogs for three downs driving them back to the 11-yard line but on fourth down, Wilson rolled out and found Maloy in the corner of the end zone and fired a strike to him for the touchdown. Maloy again kicked the extra point and Frostproof was out front 21-0.

Avon Park never got out of its half of the field in the third period as the Frostproof kickers did an excellent job of keeping the Devils deep all night.

The statistics gave Avon Park 12 first downs to Frostproof 5. Avon Park had 200 yards of rushing to the Bulldogs' 70 yards but the winners passed for 66 yards while Avon Park completed only one pass and it gained no yardage. Wilson completed seven of 14 passes while Avon Park's passers tossed six times completing only the one. Frostproof punted six times for a 38 yard average while Avon Park booted the ball five times for a 27.6 yard average. Avon Park lost the ball twice on fumbles while the Bulldogs lost only one fumble. The Devils drew 45 yards of penalties and Frostproof drew 31+ yards. However, many penalties were refused by the Bulldogs holding down the penalty total on Avon Park.

71,592 Animals Inspected

A total of 71,592 animals in Highlands county have been inspected for screwworm since the fight against the insect began Sept. 29.

Carlton Langford, superintendent of the division of animal industry in Florida, who is directing the day-to-day operation from Sebring airport, said 41 inspectors now are continuing their work here. Through Monday they had made 2,439 contacts and inspections in Zone 1 and 2 and surrounding the area of discovery of the larvae, had sprayed 228 premises in the primary Zone 1, which includes Sebring and Avon Park, and sprayed 18,377 animals.

No more larvae have been found since a mass was found in the tail of a cow on a ranch north of Sebring Sept. 29.

A third air drop of sterile screwworm flies was made Friday over a 1,600 square mile area surrounding the area of discovery. There will be two or three more drops at weekly

intervals, Langford said.

The larvae found last month were the first in Florida since 1961. Sterile flies are flown in from Mission, Tex., where they are produced using cobalt 60 to irradiate the pupae. The screwworm cattle pest at one time cost livestock men about \$10,000,000 annually in this state.

Red Devil "B" Squad Win Third Straight Game Thursday Night

The Red Devil "B" squad football team won its third straight game and remained undefeated last Thursday night when they took a 14-0 victory from the Lake Placid Green Dragons in Lake Placid. The Devil jayvees are now 3-0-1 for the season.

They will host the Ft. Meade Miners "B" team here at Memorial Field tonight (Thursday) at 7:30 p.m. The Devils and the Miners played

to a scoreless tie in the first game over on the Miners' field in Ft. Meade.

Last week it was again a total team effort that gave the Avon Park boys the win over the Lake Placid squad. The offensive team which drove for two touchdowns had Jamie Tomlinson at center, Mark Lewis and Ricky Runner at guards, Bill Murphy and Mike Pool at tackles, and Tommy Wester, Perry Prescott, and

James Ross at ends. Prescott and Ross alternated at the end slot all evening. In the backfield were quarterback Jerry Robinson, halfbacks Tim Massey and Mickey Claitt, and fullback Mark Howard.

Mickey Claitt scored the first touchdown from the six inch line in the first quarter after the team had moved down on a nice sustained drive. The try for the extra points was no good.

Still \$1999*

A bargain is a bargain.

While you can see the Beetle is still at a nice low price, you really can't begin to see the value until you know what you're getting for your money.

A warranty, for instance, that's twice what you get with any other small car, 24 months or 24,000 miles.

But then, we wouldn't be offering it if it weren't for our incredibly finicky factory inspection: over 1100 inspectors poring over more than 5,000 parts. It sounds compulsive, but it's the best way to reach perfection.

And now, there's our new Volkswagen Computer Diagnosis system. Meaning literally

what it says, a brand new computer that's been installed, or soon will be, in our service area ready to be hooked up to your car. The most advanced service system in the world, it checks vital service parts, via sensors and probes built into critical areas and spells the result on a digital display.

Consider also our legendary resale value. When you compare it with other cars over three years, it makes our \$1999* sound absolutely amazing.

Everything adding up to one important point: there's a big difference between being cheap, and being a bargain.

Freeman

Sentenced

To Five Years

Varick Alton Freeman, Avon Park, was sentenced to five years in prison with credit for jail time served Oct. 9 by Judge Clifton M. Kelly.

Freeman was found guilty of burglary by breaking and entering, robbing the Powers grocery at Avon Park.

Other cases before the Judge that day pleading guilty to charges were: Ledell Rowe, Avon Park, aggravated assault; Jerry Cox and Ralph Bradley Inglett, Lake Placid, grand larceny; and Danny Shannon and Anthony Hampton, Sebring, burglary by breaking and entering. All were ordered to pre-sentence investigation.

James F. Gantt, Lake Placid, found guilty of aggravated assault, was not in court and was ordered arrested.

Bonds totaling \$7,000 were set on James Willis, accused of resisting arrest with violence and assault to murder. Willis was the young man captured when Sheriff O. L. Raulerson Jr., ransomed him to the floor in his DeSoto City home. Willis had threatened to kill his child with a knife.

Miss Braasch Promoted To 1st Lieutenant

Major General Dana L. Stewart announced today the appointment of 1st lieutenant

Patricia R. Braasch, WAC, as the Ohio Army National Guard's first woman officer.

"Lieutenant Braasch's first assignment," General Stewart stated, "will be to recruit more women into the guard."

The Ohio army guard is now authorized 114 spaces which can be filled by either men or women. "While all of these spaces are in the central Ohio area," Stewart said, "the individuals assigned can live anywhere within the state since the inter-state highway network makes commuting to Columbus fairly easy."

Lieutenant Braasch pointed out that there is a good future for women in the National Guard. "enlisted women can be promoted to Command Sergeant Major, the highest enlisted rank in the army, while women officers can presently be promoted to Lieutenant Colonel," she said.

A native of West Allis, Wisconsin, Lt. Braasch enlisted in the WAC in May 1969 while attending Wisconsin State University in LaCrosse, Wis. Upon graduation from WSU in 1970 she was appointed second lieutenant and entered the WAC officer training school at Fort McClellan, Alabama.

After completing her training, she was assigned as executive officer of the WAC company at Fort Knox, Kentucky. In November 1971 she was assigned to the U.S. Army Army Center, also at Fort Knox, as an education associate in physical education at Ohio State University.

Pat is the granddaughter of Mr. and Mrs. Eugene Cottrell, of Avon Park Lakes.

Cross Country Team End Meet With Perfect Score

The Red Devil cross-country team wrapped up another meet last Thursday evening winning over Sebring and Wauchula with a perfect score of 15 to Sebring's 42 and Wauchula's 42.

James Brown remained undefeated in dual competition coming in first with a time of 14:35 minutes which set a new Sebring course record breaking one he held down there of 15:14 minutes.

Eugene Sneed took second place with a time of 14:35 minutes which also broke the old Sebring course record as did third place finisher Curtis Foster with a time of 15:06 minutes. Coming in fourth was Reid Wall with a 15:33 time and shutting out the other two places by taking a fifth place for Avon Park was Bruce Trevis.

Scoring in cross-country is based on the combined scores of the top five finishers for each team with the number of the place he finishes being his points. So if a team takes the first five places the total is 15 and a perfect score for cross-country.

Others running well last week were Raleigh Turnbull, Roger Barnes, Doug Fletcher, Frank Anderson, Ronnie Hicks, and Jackie Roberts. Four boys will be added to eligibility who placed among the official finishers include Hezikiah and Melahiah Fogel and Lonnie McMillan and McArthur House.

The junior varsity players rapidly improving are Scot Smith, Walter Newton, Eddie Moses and Eric Simpson. At the meet at Manatee

Junior College last Saturday someone turned the signs around and most of the boys in the race got lost. Sneed finished 8th and Reid Wall came in 17th in spite of the problem. Brown was running second when told to take the wrong route and finished way back in the pack. It was a very poorly run meet.

Curtis Foster, "J-gk," the boys did their best and Coach Brojek feels they got the short end of the stick. He said the Devils had five in the top 15 before the keystone cup chase began.

This week the Devils go after win number four in a row in dual meets as they travel to Mulberry on Oct. 19 to run against Mulberry, Bartow, Lake Wales and Ft. Meade.

Then next week, Oct. 26, the Avon Park Rotary Club is sponsoring an invitational Cross-Country Meet here at the Avon Park course. A trophy will be awarded to the winning team and ribbons will be given to the top 30 finishers. Seven or eight teams will take part.

Pathfinders To Collect Cans Wednesday

Annual Halloween Parade Will Be Held Saturday Oct. 28

The Annual Halloween Parade sponsored by the Avon Park Junior Woman's Club will be held Saturday, Oct. 28. The ever popular parade starting at 3 p.m., with the Carnival sponsored by the Elementary P.T.A., starting immediately after the parade.

The children's parade line-up, headed by Mrs. Myrtis Guerdit, will be at Donaldson Park on the tennis court. Preschool through sixth graders will be judged with three categories in each grade. The divisions for the costumes are: "Most Like Halloween", "Most Original", and "Most Beautiful".

All entries on wheels or in groups will be in the Novelty Section, also on the tennis court. Judging will be from 2:30-2:45 p.m. No child will be judged unless he is on the tennis court at that time. Ribbons will be worn in the parade. Please remember these times so your child will not be left out.

The float section of the parade headed by Mrs. Janet Willis will form on South Verona Ave., from the Post Office to the Middle school. No letters of invitation will be mailed out this year, but you may send an entry form clipped from the paper to Mrs. Janet Willis, P.O. Box 512, Avon Park, Fla. 33825 or call 453-6732 after 3 p.m. You are asked to try to let Mrs. Willis know no later than Oct. 25, so the line-up can be made and each person entering a float or decorated car can be contacted by phone and a number in the parade line-up given to you. You will also be told to come east on either Camphor or Walnut, turning left onto Verona. This is to keep all floats moving in the same direction. There will be parade helpers at each corner to show you the proper side of the street. If everyone will follow these directions, it should stop some of the confusion that was had last year in the line-up.

Judging of floats and cars will be from 2:15 to 2:45 p.m. If you want to enter your float or car in the judging, please keep these times in mind. Plaques will be given to the winners before the parade starts at 3 p.m. Plaques will be given for the following:

1 - Most outstanding business float; 2 - Most outstanding business decorated car; 3 - Most outstanding club float; 4 - Most outstanding club decorated car. Fill out the entry form below, and help make this year's Halloween Parade the biggest and best one ever.

Return to: Mrs. Janet Willis, P.O. Box 512, Avon Park, Fla. 33825, or call 453-6732 after 3 p.m.

(Judging for floats and cars will be from 2:15 to 2:45 p.m., so that awards may be given before parade.)

Douglass Speaks To Junior Women On Better Schools

The Avon Park Junior Woman's Club held its monthly meeting on Tuesday, Oct. 3 in the Clubhouse. Mrs. Cheryl Dunning gave a very good devotion on "Living Each Day, as If It Were Your Last". Mrs. Janet Willis sang "Count Your Many Blessings", as a closing for the devotion. All members stood and joined in the Flag Salute.

Mrs. Lois Sachsenmaier, program chairman, introduced the guest speaker for the evening, George Douglass, Superintendent of Schools in Highlands County. Mr. Douglass spoke on Better Schools in and for Highlands County. At the close of his talk, members were asked to join in the question Mr. Douglass on any matter they wished. The Club fully enjoyed the visit of Mr. Douglass.

The business meeting was opened with the reading of the minutes and roll call, with 27 members and two visitors present.

Once again the Halloween Parade was discussed with several girls volunteering to help Myrtis Guerdit with the children's section and Janet Willis with the float section.

Lois Sachsenmaier passed out cake boxes to each member so they can be ready to make

cakes for the Club's Cake Walk.

The Senior Woman's Club has asked a member of the Junior Woman's Club to serve on the building committee for the new Club House. Mrs. Cindy Gross will serve on this board.

The Christmas party was discussed and a committee will

proclaim Saturday, Oct. 28, as Official Woman's Club and the Elementary P.T.A. is sponsoring a Halloween parade and Carnival on Saturday, Oct. 28, 1972 and—

WHEREAS, The children of Avon Park have always observed the night of the carnival, which is always the last Saturday in October, "Trick or Treat"—

I, Robert J. Barben, Mayor of the City of Avon Park, THEREFORE, proclaim Saturday night, Oct. 28, as official "Trick or Treat" night in Avon Park for all Ghosts and Goblins, ages 1 thru 12, beginning at 7:30 p.m. and all shall observe a 9 p.m. curfew.

Mrs Hancock Honored With Baby Shower

On Tuesday evening, Oct. 12 Mrs. Glenn Hancock was honored with a baby shower at the Florida Power Lounge.

Upon arrival at the shower everyone was presented with a pin in the shape of a stock with blue and pink ribbon. The mother-to-be was presented with a lovely white orchid corsage.

Refreshments for the occasion consisted of punch, cake, mints, and nuts. The cake was attractively decorated with tiny pink and blue "bodies".

Hostesses for the occasion were Velma Bond, Martha Helms, Mary Collingsworth, Ann Moody, Jennie Spurlock, and Donna Teal.

be set up so that plans can be made and announced at the November meeting. Mrs. Nell Roberts told the Club, The March of Dimes is getting near, and asked each club member to plan to help in the Mothers' March. The "Polies" were discussed and another folios meeting set for Oct. 31.

President Eileen Martin closed the meeting by having the "Goddie of the Month" drawing. Mrs. Janet Willis held the lucky number. Next month she will be responsible for providing the "goodie".

Hostess for the evening was Mrs. Grace DeLaney, who carried out a Halloween motif in decorations and refreshments.

Pioneer Residents Is Honored On Birthday

Effie Van Gorder celebrated her 90th birthday on Sunday, Oct. 15, at the home of her daughter, Mrs. W. A. Williams. "Aunt Effie" came to Avon Park in 1928. She has one older sister, age 92, one brother 88, and one 86. Her sister and brothers were not able to attend, but her four grandchildren and six great-grandchildren were all present to help her celebrate her day.

The family gathered for an old fashioned Sunday birthday dinner, with cake and punch served in the afternoon when Aunt Effie opened her gifts. Her beautiful yellow birthday cake, made by Mrs. James E. Bennett, featured a golden

coach carrying a bouquet of fresh fall flowers in shades of yellow and gold, with a number "90" prominently displayed. Nougats of fresh flowers were at each corner of the cake.

Those helping "Aunt Effie" celebrate her day were: Mr. and Mrs. Wendell (Winke) Williams and children, Pam, Jeff and Amy; Tim and Gayle Williams; Joan Altman; and children, Carrie, Tracy and John of Sarasota; Cindy Williams, Mr. and Mrs. Boyette Hayes, Blakely, Ga.; Mr. and Mrs. E. D. Williams, Mrs. Mattie Roberts, Mrs. Anita Renfro and Mrs. W. W. McFarland.

Literature On Being Distributed By Women

Mrs. W. Rex Furr, Legislative chairman of the League of Women Voters of Highlands County, is busy distributing information on the four proposed amendments and the referendum which will appear on the November ballot. "Any voter interested in the League of Women Voters of Highlands County, Inc. should contact Mrs. Furr at 453-6732 after 3 p.m. for a copy of the literature."

The State League thru its local branches endorses the amendments and the Bond Issue on Land Use, the Initiative Amendment and Bonds for Capital Outlay for Educational Institutions. The League takes no stand on the proposed amendment to the Homestead Exemption Article X.

Sharon Wicker Honored At Convocation

Sharon L. Wicker was among the 385 University of South Florida students who were recognized at the annual Honors Convocation for outstanding students Sunday, Oct. 8.

Students honored were those who have achieved a 3.5 or higher grade point average in 12 or more hours of undergraduate study in each of three of the preceding four quarters. Each received an honors certificate.

Dr. Cecil Mackey, University President, presided at the ceremonies and State University System Chancellor Robert Mautz was the convocation speaker.

We would like to thank all our friends and neighbors for the Prayers, flowers, food and many acts of kindness shown to us during the loss of our loved one.

Birthday Celebration At Todd Home

Mr. Edward G. Todd was honored with a birthday celebration at his home on Lake Lotela, on Sunday, Oct. 15.

Here to honor Mr. Todd were Mr. and Mrs. Herbert R. Todd and daughters, Sally and Judy of Lakeland; Mrs. Howard D. Todd, Lake Wales, Mr. and Mrs. Norman Todd and children, David and Patti, from Stuart; Mr. Todd's brother, Douglas from Orlando; Mrs. W. C. Touchton, of Avon Park; and Mrs. Todd.

Mrs. Sherman Francisco, Mrs. A. S. Paine and Mrs. Eugene C. Hise were in Orlando Tuesday and Wednesday of this week attending the Annual Diocesan Meeting of the Episcopal Church Women.

Attend Shriners Meeting in Tampa

Over 1,000 Shriners and their Ladies were guests at the birthday party which was held recently honoring the members of Egypt Temple who had birthdays within the last six months of this year. The affair was held in the new Egypt Temple, in Tampa. Following the dinner, pictures were shown of children who were patients in the Burna Hospitals.

The Shriners sponsor 19 Orphaned and three Burna Institutes. Awards went to the oldest Shriners present, being born in 1883, and to the youngest, born in 1957. Attending from Avon Park were: Mr. and Mrs. Ted Elthorne, Mr. and Mrs. Ernest Kirshak and Mr. and Mrs. Robert Duthie.

"Joy Moon" fills of Mrs. Mildred Murphy, who ran second to "Kool Moon", (which she owns) in the American Playland Futurity at Pompano Beach, won the Backyard Futurity, Sept. 30, in Columbus, Ohio. "Joy Moon" won the \$25,000 race of 350 yards on a track that was muddy; time - 18:01.

Family Reunion

Mr. and Mrs. L. R. Meeks, 96 West Center St., had as their guests last week their children, Mr. and Mrs. Claude Stevens, and James Meeks, all of Live Oak, Fla.; Mr. and Mrs. Charles Smith and family, Avon Park Lakes; and Paul Meeks from Alongop City, Philippines. It was a very happy surprise for the Meeks, the first time all the family had been together in 25 years, because of the sons being in service. All the family celebrated with a dinner and get-together on Thursday, Oct. 12.

Mrs. Grace Boney was in Orlando recently, accompanied by Mrs. Ethel Rutherford and her sister, Mrs. Iris Lassiter. Mrs. Boney spent the day with her sister, Mrs. Jet Park, having dinner at the Polynesian Village at Disney World. Mrs. Rutherford and Mrs. Lassiter spent the day visiting with the former's son, Mr. and Mrs. Edgar Rutherford in Orlando.

Mrs. C. T. Nolin returned home Friday from a visit in Brundridge, Ala., where she visited with her mother, Mrs. Laura Lee, who accompanied her home for a visit here, through Thanksgiving. While away, Mrs. Nolin also visited her sister, Mrs. Daniel Palmer in Canilla, Ga.

Card Of Thanks

We would like to thank all our friends and neighbors for the Prayers, flowers, food and many acts of kindness shown to us during the loss of our loved one.

Annie Mae Blake and children

Mr. and Mrs. Howe Crews and children, Laura and Regina spent the day at Disney World this past Sunday.

Accompanying them were Mr. Crews' nephew, Horace Crews and his wife Delra and son, Denny of Berea.

Mr. and Mrs. Roy Leighly left on flight from Tampa International Airport on Monday, Oct. 16 for their home in Oakville Ontario, Canada, after a visit here with their daughter and son-in-law, Mr. and Mrs. T. E. Shields.

Pie Social

The Ladies of the Congregational Church are planning a Bazaar and Pie Social, on Tuesday, Oct. 24, in Fellowship Hall. Homemade goodies, needlecraft articles and even a "white elephant" table. Delicious pie and coffee, only 35c.

Keep this date in mind, Oct. 24, from 1-3 p.m. The public is cordially invited, please come.

Mattie Roberts Celebrates 84th Birthday

Mrs. Mattie Roberts celebrated her 84th birthday on Wednesday, Oct. 11, at her home at 28 Byrd Ave., in Delaney Heights.

Her family and friends came by during the day to visit and were served cake and punch. The beautiful white cake trimmed with a bouquet of flowers was enjoyed by all who came to say "Happy Birthday" and reminisce with Mrs. Roberts.

Local Couple Celebrates 55th Anniversary

Mr. and Mrs. Frank Jann will celebrate their 55th wedding anniversary on Friday, Oct. 27.

Their daughters and sons-in-law, Mr. and Mrs. James (Laura) Kowalski of Pittsburgh, Pa. and Mr. and Mrs. Walter (Alberta) Morrison, of Avon Park, will honor them with open house, all day on Friday, Oct. 27 at their home, 31 East Pine St.

All their friends and neighbors are invited to drop by and help them celebrate this occasion.

PTA To Sponsor Gopher Race

The Avon Park P.T.A. would like your participation in a "Gopher Race" at Donaldson Park on Saturday, Oct. 28, immediately following the Halloween Carnival. Prizes will be awarded to the winners!

Parents are asked for their assistance in helping their child, first of all, to find a "Gopher", and then to obtain a sponsor (merchant or individual for his gopher. The cost of the sponsorship will be \$5, and the sponsor's name will appear on the gopher's back. The money contributed to this project will be used for needed equipment at the Avon Park Elementary School.

If you plan for your child to participate, please contact, Mrs. Betty Jo Frier, 453-5543 or Mrs. Sarah Houge, 453-5588, and they will collect your sponsor's entry fee and list your child's name as an entrant. Deadline for entries will be Oct. 26.

Church Class

Mrs. George Haynie entertained the Berean Sunday School Class of the First Baptist Church Tuesday night, Oct. 10, at 7:30 p.m. with a lovely party at her home on Lake Ave.

As the guests arrived, each one was given a pad and pencil by Mrs. Dan Rutman, teacher of the class, who suggested that a letter be written to the winter members of the class, who are out of the state for the summer. Everyone participated and enjoyed the event.

The devotional was given by Mrs. Jewell Dalton, after which several enjoyable games were played under the direction of Mrs. Flo Jones.

After the meeting, refreshments of dainty sandwiches, chips, dip, salad nuts and pound cake were served from a table that held the punch bowl and coffee.

Those enjoying this occasion were: Mesdames Ann Childress, Beulah Ernest, Iris Cook, Myrtle Steiner, Flo Jones, Lora McFarland, Florence Hooker, Jewell Dalton, Ellen Hynesworth, Myra Mills, Lou Baughan, Gertrude Pratt, Ned McWilliams, Mildred Gay, Margaret McWilliams, Laura Pearce, Rachel Johnson, Idealia Roman and the hostess, Eunice Haynie.

Welch has spent over 400 hours serving as clerk in the Resale Shop in Avon Park and has spent many more hours serving as baby sitter for families with a retarded child.

St. Agnes Church and the Rev. Robert Askren were recognized for work with Florida in staging the Summer Fun Camp for five summers.

The beer distributors award went to Jack West, Lou Fogassey, Lionel Lindsey and James Musso. For eight years the wholesale beer distributors have presented major gifts to retarded children's programs.

Highlands, Polk and Hardee counties in lieu of Christmas gifts to their customers.

Other community service awards went to Mr. and Mrs. A. B. White, for arranging volunteer staffing for the Resale Store for five and a half days each week.

To Mrs. L. R. Nickoley, for many years of Resale Store management and personally directing the store work on Saturdays.

To Ross Benschoter, South Florida Junior College student who gave his entire vacation to transport five retarded children to a summer camp in north Georgia and serve as their counselor.

To Miss Janie Brandt, student Mercer University, for her work with Ridge Area Youth Association for Retarded Children and especially for her work as co-author and director of a television documentary on the Work Center.

To RAARC organization for many personal services to the retarded and their families. The award was presented to the RAARC president, Miss Bobbi Newton.

To Cub Scouts and Scouts of the Calusa District for collecting materials for the Work Center and Resale Store.

To the Rev. R. A. Brandt, for serving as co-sponsor of RAARC and for his services to

the retarded especially in providing food and clothes to the retarded children who often turned up at special events without proper food or clothing for the day.

To Highlands Shrine Club and Shriner Clarence Thorpe, for providing circus trips for all the handicapped of Highlands County.

For unique services in RAARC fund-raising, Rotary Club of Avon Park, Rotary Club of Sebring, American Legion Posts Nos. 63, 74 and 25; Mr. and Mrs. Don Gossick of Avon Park Flying Service, The Flying Flyers, George Borden of Borden's Service Station were all honored.

Special Olympics Medals, ribbons and jackets were presented to athletes who participated in the Special Olympics.

Rena Moore of Lake Placid was a finalist in the 300-yard race in the National Special Olympics and Melvin Barber was a national finalist in the 25-yard back stroke.

Gravestone funeral services were held Wednesday, Oct. 18 at 3 p.m. in Lakewood Cemetery with Rev. Duane Zoller officiating. Cepher-Smith Funeral Home was in charge of arrangements.

Eureka Springs, Arkansas, has 63 mineral springs within the city limits.

Mrs Wagner Speaks To Church Women Wednesday

The Episcopal Church Women of Avon Park, met for their regular monthly meeting on Wednesday, Oct. 11, in the Parish House of the Church of the Redeemer, after the midweek Communion.

After a short "Coffee", Mrs. Eugene Hise, opened the meeting, with all members repeating the Church Women's Prayer. The Treasurer's and Secretary's reports were presented and approved.

Mrs. Sherman Francisco reported the recent rummage sale was an outstanding success. She thanked all the people who worked with her, and helped to make the event such a success.

Mr. Carl Swanson reported that the Ingathering for the United Thank Offering would be on Sunday, Oct. 29, and asked all members to bring their boxes on that day.

Mrs. Hise announced that Nov. 5 would be Loyalty Sunday and either a lunch or supper would be held in the Parish House. Mrs. Hise will contact the guest speaker and announce later the time of the meal.

Mrs. F. G. Todd, program chairman, introduced Mrs. J. F. Wagner, the speaker for the

day. Mrs. Wagner is well known in Avon Park for her interesting and humorous talks.

Church Council

Entertained

Thursday

Mrs. H. J. Rutherford, with Mrs. Anna Westberry as co-hostess, entertained the Women's Council of the First Christian Church on Thursday evening, Oct. 12, in the Fellowship Hall of the Church.

Mrs. Clifford Dance conducted the Bible Study with a further lesson from the Book of Acts. Reports were given and plans for future meetings discussed. Announcements were made of the Bazaar at the Christian Old People's Home in St. Louis. Members are asked to bring to the November meeting, articles which may be sent to the Bazaar.

Refreshments were served at the close of the meeting. The Halloween theme was carried out, with tables decorated with crochets and sprays of small vines.

Gospelaire Singers Will Sing Sunday

The Highland Gospelaire Singers will sing in the morning services at the First Missionary Baptist Mission of Avon Park, on Sunday, Oct. 22, with the morning services beginning at 10 a.m. These meetings are being held in the American Legion building at 1301 West Bell street.

There will also be a guest speaker in the evening services beginning at 7 p.m. Harold Williams, Dean of the Florida Baptist Schools in Lakeland, Fla., and he has

been on tours of the Holy Land and has recently returned from a trip called the "Apostle Paul's Journey". The Dean is also minister and teaches in the schools in Lakeland.

Reverend Williams will be showing slides of the places he has visited. The slides will be of Christ and the Apostle Paul. Reverend Richard Bacon, pastor of the church, invites all to come and hear these people sing and tell of the places where Christ and the Apostle Paul have been.

on a variety of subjects. Her talk was about her recent trip to Europe, describing the hotels, food and various means of travel. She took her audience with her through Holland and Germany and back to the "ever good U.S.A." She said Europe is fine for a holiday, but she is always glad to be back in her own land.

Mrs. Hise thanked the hostesses, Mrs. E. Brown and Mrs. J. Johnston, for the delicious refreshments. The meeting was closed by Mrs. Hise. The next meeting will be on Wednesday, Nov. 8, in the Parish House after the midweek Communion.

Old Settlers

Will Meet

October 26

The Old Settlers' Association of Avon Park will hold its annual meeting on Thursday, Oct. 26, at Wesley Hall in the First United Methodist Church.

The gala will get under way at noon with an old fashioned picnic. Young and old are invited to attend and are asked to bring only a covered dish.

After the eats, a panel of the "old timers" will be on hand to relate their experiences of the past and pioneer life in the early days of Avon Park.

A "sing-along" will follow this, led by Jerome Shiltz. Anyone who has been in the area for 20 years is reminded that he or she is eligible to join the "Old Settlers" and is cordially invited to join in on the days activities.

Remember, all ages are asked to come out and enjoy the fun with the "Old Settlers" Thursday, Oct. 26, at Wesley Hall in the First United Methodist Church.

Church Pays Boston \$1.5 Million

One of Boston's largest taxpayers, The First Church of Christ, Scientist, in Boston, has cooperated with the city by paying in advance more than \$1.5 million in property taxes.

The Church, which serves as the international headquarters for the Christian Science denomination, presented \$1,506,586 to the City on Sept. 29, more than \$300,000 above what it paid last year.

The City asked a few large taxpayers to pay their taxes in advance to alleviate a potential fiscal crisis caused by the freeze of school aid funds by the Mass. State Board of Education.

This was the second consecutive year that the Church has paid property taxes in September which were not due until Nov. 1.

For many years the Church has paid taxes on all property which is not used for actual worship purposes. This includes The Christian Science Publishing Society building, the Administration building and other property around the Christian Science Center. Donald G. Lannamann, acting for Church Treasurer Roy Garrett Watson, presented the advance payment to the City. Last year, the Church paid \$1,196,460 in taxes.

Some speakers drive home facts; others, the audience.

Introducing the 1973 Beetle:

Re-introducing the 1972 price:

With the price of our new Beetle still under \$2000, the Volkswagen Beetle is a bigger buy than ever before.

*More warranty, for instance, than you get with any other small car. Twice more, 24 months or 24,000 miles.**

*More attention to specific details than ever found in any other car. More than 1,000 inspectors meticulously scrutinizing more than 5,000 parts. Some two or three times. For us, it's not enough to get it right, we want it perfect.

*Volkswagen also has the most advanced automotive service system in the world. A brand new computer is, or soon will be, waiting in our service area. We simply plug it in to your V.W., and it checks, via sensors and probes, vital service parts and spells out the results in plain English. That's service.

Maybe all of this explains why V.W. owners have gotten more resale dollars after three or four years than the owners of any other comparable car.

*Obviously, it's not only the price of the 73 Beetle that reminds you of the good old days. It's also the quality.

Few things in life work as well as a Volkswagen.

*1973 Volkswagen Sedan II suggested retail price, P.O.E. local taxes and other dealer charges, if any, additional.
 **If an owner maintains and schedules his vehicle in accordance with the Volkswagen maintenance schedule any factory paint found to be defective in material or workmanship within 24 months or 24,000 miles, whichever comes first, except normal wear and tear, and service items will be repaired or replaced by any U.S. or Canadian Volkswagen Dealer. And this will be done free of charge. See your dealer for details.

The Young Highlanders

The Young Highlanders-Busy Group

"The Young Highlanders," from the voice studio of Evelyn Jones, Avon Park, Fla., are busy as bees—even busier than the bees in the music "Flight of the Bumble-Bee," if that is possible, and want to spread the sweet word of up-coming programs so that the public will know what this fine group of young people have been preparing for.

The group has been practicing all last summer and this fall with great loyalty, attendance, exuberance, not to mention music and they all enjoy it more and more. This group represents YOU, the people of Avon Park and Highlands county, and they are trying to spread good will where ever they perform.

If there are any young people interested in joining a group such as this, please call Mrs. Evelyn Jones, 433-5481, as she is always looking for talent and sometimes she has to replace singers that may graduate or leave this area. Substitutes can always be used also, so if you are interested, don't hesitate to

call or speak to one of the members.

"The Young Highlanders" most recent program was the performance of the rock opera "Jubilation" at Lake Byrd Lodge for a state meeting of the United Church of Christ's Women's organization.

This Saturday, Oct. 21, they sing at the Winter Haven Mall at 12 noon, and again at 2 p.m. This will be a 40 minute pop concert for the public. On Oct. 23, they will be at the Wauchula Music Club's Annual Banquet, with a pop concert. On Nov. 5, "Jubilation" concert for the young people of the United Church of Christ meeting in Eau Gallie, Fla.

Watch for later information on Nov. 27, on Avon Park Concert by "The Serenaders" and "The Young Highlanders." December means Christmas caroling and hot cider time. Then on Jan. 7, "The Young Highlanders" will have a performance of Jubilation for the young people of First United Methodist Church in Lakeland.

Former Mayor Lives In Avon Park

When Fred B. Hughes, former Clearfield borough councilman and prominent labor leader, and Mrs. Hughes retired a few years ago and moved to Florida, it didn't mean the end of traveling for them. A recent letter from the Hughes who now live at Avon Park, Fla., discloses that they have been very much on the go this summer.

The Hughes started this summer travels June 16 when they flew from Tampa, Fla., to Los Angeles, Calif., and then north to Eugene, Ore., to visit their son, Fred M. Hughes and his family. It was the first time they had seen the younger Hughes since the latter family had moved to Oregon in August of 1969.

Their grandson, Frederick Paul Hughes, has established an enviable record. Last February at the age of 17 he received Scout's highest award, the Eagle badge, at a Court of Honor held by Boy Scout Troop 27 sponsored by the Friends Church of Eugene. A senior at Churchill High School in Eugene, he was given an appointment to the United States Naval Academy at Annapolis at the high school's awards assembly in May, with a Navy Commander personally presenting the appointment.

He reported to the Naval Academy July 6 and is now a fourth classman there.

The Fred B. Hughes returned to Tampa and Avon Park July 18 and the next day started north to see their daughters and spend two days in Clearfield. At Rockville, Md., they visited their daughter and her husband, Mr. and Mrs. Patrick M. Archer, who have a son in his second year at the University of Richmond, Va., enroute to a medical degree, and a daughter who is a senior in high school. From Clearfield they went on to Kingston, N.Y., to visit their daughter Rebecca, now Mrs. Attilio Begatta, and her husband at their new home.

Back in Avon Park, the Hughes rested until last Sunday when they flew to Columbus, Ohio, to attend the annual convention of the United Irish and Clay Workers union.

Stacey Sharpe Honored On 14th Birthday

Miss Stacey Sharpe was honored on her 14th birthday on Saturday, Oct. 7, with a party together with friends at the Florida Power Clubhouse on Lake Lotela.

A color scheme of red and white was carried out in decorations. A long table covered with white was centered with her birthday cake with accents of green featuring a replica of a horse, "Summer Wine," in shades of brown. Two foot tall Disney characters stood on each end of the table. Red apples hung from the ceiling on thin strings, which were used in the games.

After a picnic supper of hot dogs and all the trimmings was enjoyed, the girls played games, with each winning a prize. After Stacey blew out the candles on her cake, it was served later in the evening with ice cream and drinks.

Stacey gave each of her friends materials to make large colorful "Love Flowers" which each made and took home with her. Helping Stacey to celebrate this important occasion were Kathy McKinnis, Penny Prevatt, Cindy Century, Janet Filippula, Margaret Miracle, Sharon Little, Helen Bush, and her cousin, Kellie Hill from Sebring. Mrs. Kellon Hill helped Mrs. and Mrs. Sharpe entertain the girls.

SOLICITING Solicitations now are being made in this area for the Florida Jaycee magazine. Local Jaycees are not involved in the project and proceeds go entirely to the state organization.

WHAT SEEMS TO BE THE PROBLEM HERE? These prospective students, Hazel Stevens from Sebring making the inspection and Mary Lou Barnes from Avon Park in the drivers seat, will find out when they enroll in the car care for women class to be offered at South Florida Junior College beginning Oct. 23.

PTA Plans Large Carnival

Get ready everybody, there's lots in store—the Avon Park Elementary P.T.A. has made plans to host the largest Halloween Carnival that has ever been held in Avon Park. Chairmen for this event are Mrs. Carol Owens, Mrs. Barbara Cribb and Mrs. Betty Pate. They have spent many hours planning this project and have received much cooperation from school officials, teachers, students, parents, local authorities and the many local organizations in Avon Park.

Among the activities and booths to be part of the festivities, along with their sponsors are: cake walk, Jr. Woman's Club, barbeque dinners, Lions Club, "snack stand" with hamburgers, hot dogs, french fries, Pepsi, The Band Parents Assn., candy apples and popcorn balls, Cub Scouts and Webelos.

Tire swing and throw water balloons, Catholic Youth Organization, money drop, Glee Club; basket throw, Keyettes; orange juice stand, Girl Scouts; old car bashing, P.T.A.

Popcorn, junior class; fish pond, Mrs. Brooker's second grade class; clown bean bag, Mrs. McClelland's first grade class; clown pick pocket, P.T.A.; ring toss, Mrs. Clark's third grade class.

Fortune telling, Mrs. Davidson's third grade class; apples on a string, Mrs. Higgs' third grade class; floating ducks, Mrs. Brenner's first grade class; wet sponge throw, Mrs. Felkner's first grade class; horse rides, Mrs. Rogers' third grade class.

Haunted house, Mrs. Watts' first grade class; miniature golf, Mrs. Jenkins' first grade class; pie walk, Mrs. Anderson's second grade class; gopher race, Mrs. Simons' second grade class; feed the elephant, Mrs. Brooks' second grade class.

Ballons, Mrs. Finch's second grade class; darts, ballons, Mrs. Waites' first grade class; grab bag, Mrs. Felt's first grade class; country store, fourth grade.

Mrs. Betty Johnson, in charge of the Cub Scout booth, invites everyone to stop by and put names in the fish bowl. At intervals, names will be drawn and awarded a free Halloween mask. They have lots of masks ready to give away, so be sure to stop by and sign up.

Mrs. Betty Crews, Chairman of the "Grenadier Band Snack Stand", invites everyone to stop by for a quick snack and help support the famous band.

The gala Halloween fun and frolics will be held at Donaldson Park on Saturday, Oct. 28, immediately following the Halloween Parade. Everyone is invited to attend, to help make this an overwhelming success.

Veterans Compensation Increased

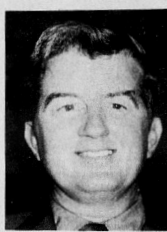

The Veterans Compensation and Relief Act of 1972, approved June 30, provides an increase of approximately 10 percent in disability compensation rates and dependency allowance. It also authorizes a clothing allowance of \$150 a year to each veteran who, because of compensable disabilities, wears or uses a prosthetic or orthopedic appliance or appliances, including a wheelchair, which the Veterans Administration determines tends to wear out or tear the clothing of such veteran.

Classes In Car Care To Be Offered By SFJC

An eight weeks class in car care for women will be offered by the Vocational and Technical Division of South Florida Junior College beginning on Monday night, Oct. 23, and meeting each Monday thereafter for eight weeks.

This course will be taught by Bill Hood and will include lectures on all phases of car care and will also involve several sessions of shop activities to give the women a "hands-on" view of what the automobile is about and how it runs. Cost for this course is \$10 which will include all shop and resource materials. Persons may register at the junior college any time including the evening that the class begins. For further information or details, please call the junior college.

LaVerne M. Fullmer

Avon Park Grange observed Community Night by inviting representatives of various organizations to an open meeting at the First United Methodist Church on Tues., Oct. 10.

The meeting was called to order by the Master, Louise Clarke, who welcomed the visitors and had charge of the opening exercises.

LaVerne Fullmer, the Lecturer, conducted the program which was very interesting and informative. The first number was a community song, "Home on the Range." Several members explained different projects of the Grange, and representatives of the other organizations explained their basic principles. The speakers were R. H. Thayer for the Lion's Club, Mattie Tompkins for Christmas Cheer, Inc., Bessie Decker for the Garden Club, Ethel Harrison for the Rebekah's, Mary Lee King for the Business Women's Club and Arthur Turner for the Chamber of Commerce. Some discussion was held about the beautification of the Mall and remarks were made about Fire Prevention. The speeches were interspersed by music, singing and fun. An appropriate poem, "Dependence," was read by Norman Darling.

Thought for the Day - "Because you have an occasional 'low spell' do not despair. The sun has a sinking spell every night, but it rises again, bright and cheerful the next morning."

Three Lake Placid Grange members were present and two non-members who asked for Applications to join Avon Park Grange.

The meeting adjourned after closing the Bible on the altar and retiring the flag. During the social hour refreshments were served and everyone entered into the spirit of the occasion. Among the remarks overheard were: "I learned a lot," "I have wondered for a long time what the Grange was. Now I know something about it," "I am glad I came," "If you ever have another meeting like this, I want to get in on it."

The next meeting will be held in the First United Methodist Church at 8 p.m. on Tuesday, Oct. 24. This will be election of officers.

IT'S KINDA tough for a foot tall Ronald Carney to see over 4'11" Melvin Collins but it's all a joke anyway as Coach Ken Shackelford's tallest and shortest ham it up on picture taking day. Melvin really plays end on the tough eighth and ninth grade Avon Park football team and Ronald is a frightening fullback with the courage of a lion as he faces the bigger opponents. Ronald weighs in at forty pounds and gets in the game a couple of times each week to the delight of the Avon Park fans. The junior high Devils play Lake Placid here at Memorial Field next Tuesday night at 7:30 o'clock.

Fourth Grade To Have Country Store At Carnival

The fourth grade of Avon Park Elementary School will have a Country Store at the P.T.A. sponsored Halloween Carnival this year.

The booth will contain old comic books, games, puzzles, patterns, toys, jewelry, figurines, pots and pans, a.m.

PATRICIA WILSON, from Avon Park, Cosmetology student at South Florida Junior College, welcomes Jo Townsend, Sebring, to the clinic. The Cosmetology Clinic is open to patrons Tuesday through Friday from 8:30 a.m. until 1:15 p.m.

"How We Grow Them"

By Jim Kiser, inmate

This is the time to sow rye grass seed over your present lawn to maintain a rich green throughout the winter. Many residents do this each fall as a part of their yearly lawn care schedule. The rye grass will die out when the warm weather resumes in late spring. If you have a soil that is in poor condition, fertilize and water well and wait for a couple of days before sowing the seed. The seeds must be kept moist while they germinate.

You can expect regular mowings and waterings to be a part of this green-look. The better things in life always demand more effort on our part. If you are satisfied with the winter appearance of your present lawn, then do adjust your mower so that it will not cut too close. You can cause your lawn much damage by cutting too close during a period it has a hard time reproducing new growth.

STAPELIA: Often heard called Zulu Starfish or carrion flower, they come from the driest regions of Africa. These succulent plants are usually found in cactus collections because of their cultural requirements. They are related to the Hoyas which loves moisture. I have found many

stapelias grown to serve as a ground cover in our area. They put out abundant ground when over-watered but to enjoy their summer blooms they must be maintained on the dry side. The flowers are very unusual; they make beautiful pot specimens and will look good hanging or standing. Because of needing little care, they become even more appealing. Propagate them by separating small stems and rooting them in sand or a sand-perlite blend. Water only to keep them from shriveling.

CAMELIA: Dis-bud camellia plants that are heavy with buds. Removing at least one-third or one-half of the buds will allow more strength and room for the remaining buds to develop into larger and more attractive flowers. Begin planting a new layer of ground bark or nitrogen-treated sawdust around the base of plants to help prevent blossom blight during the winter. Do not let the roots of your camellias become dry, nor must you overwater. Either of these conditions can cause flower buds to drop, which is a serious difficulty in growing camellias. The squirrels love these buds and get to many of ours here.

Eighth And Ninth Graders To Meet Lake Placid Tuesday

The eighth and ninth grade Red Devil football team played its third game of the season in Sebring last Tuesday night and will be back at home at Memorial Field next Tuesday night, Oct. 24, taking on the Lake Placid Green Dragon junior high squad in a return match. Game time is 7:30 p.m.

Last week the eighth graders took on Okeechobee all by themselves without the ninth graders and came out with a 42-12 win. Reggie Baker scored four touchdowns on runs of 35, 40, 62 and 30 yards. The four touchdowns brought his two game total point to 50. Kenneth Burley scored the other two Avon Park touchdowns against the Baby Brahman on a 45-yard pass from quarterback Tommy Lewis and a 47-yard quick pitch run around right end. Burley also scored a two-point conversion on an off-balance plunge. The total points for Burley are 14 now.

Melvin Collins caught two passes from Lewis for two-point conversions for a two game total of the Devil's scoring at 12 points against the Okeechobee boys.

Ladies Auxiliary To Make Plans For Christmas Party

The Ladies Auxiliary to Barracks No. 1150 W. W. 1 held its regular monthly meeting Oct. 10 at the Delaney Heights Social Center. The President, Lillian Kelley presided over the meeting. Welcomed into the Auxiliary were two new members and three by transfer Mrs. Aswin of San Ray was introduced as a guest.

The Department reminded the Auxiliary of the Mid-winter conference to be held at Daytona Beach Jan. 5, 6, 7. Headquarters at the Plaza Hotel. The Department outlined a full program for the Conference. A letter from the 4th District Commander announced the District meeting Nov. 1 at Nalcrest. The Barracks to hold their meeting in the Recreation building and the Auxiliaries in the Hobby Shop. Registration from 10 a. m. to 1 p. m. Meetings to start at one sharp. The Lagoon Restaurant will serve lunch. A 20 minute period of entertainment will be given by the U. S. Marine Corps.

Since the last meeting more lap robes were made and sent to the Bay Pines Hospital. The V. A. V. S. Chairman Mrs. Clara Teppert announced that 12 points for a two game total with him playing in only the first game.

Plans for the annual Christmas Party and Gift exchange will be formulated at the next Auxiliary meeting, Nov. 14. A carry-in dinner was enjoyed by the Barracks and Auxiliary following the meeting.

Women Voters Schedule The Candidates Meeting

The Provisional League of Women Voters of Highlands County has issued invitations to all candidates running for office on Nov. 7 to meet the voters in a session of questions and answers. The meeting will be held in the Sebring Municipal Building on Thursday, Oct. 26, from 8 to 10 p. m. It is open to all voters in Highlands county and to other interested persons.

This is an opportunity for voters to talk face-to-face with the 14 candidates and ask any questions regarding their qualifications and their stand on local and state issues. The League's purpose in conducting such a meeting, according to Mrs. James McConihe, president, is to increase the voters' knowledge so each may cast a more informed vote at the polls. The League never takes a stand for or against any candidate. Its function is solely to inform the voter.

It is anticipated that this meeting will also furnish information regarding the four proposed amendments and the referendum which will appear on the November ballot. Mrs. David Batty, vice president, said "While the League takes

no stand regarding candidates, it does sometimes support certain issues which appear on the ballot." In this election the League is supporting the Land Use, Capital Outlay for Educational Institutions, and the Initiative Amendments, and the referendum on Bond Issue, for environmentally endangered lands.

Candy Sale To Benefit Chorus

The chorus members at Avon Park High School started a campaign to sell 1,200 bars of WORLD'S FINEST Chocolate. The purpose of the campaign is to raise \$315 to purchase new music and festival trips. Each chorus member has been assigned a quota. The chocolate will be sold door to door, in shopping centers and the main part of town.

The chorus members are determined to complete the campaign in two weeks so they can have their new music in the near future.

The director of the campaign is Miss Debbie Minard, a Junior at Avon Park High School. She is the president of the chorus.

IN THE COUNTY JUDGE'S COURT IN AND FOR HIGHLANDS COUNTY, FLORIDA.

IN RE: Estate of JIMMIE O. KENDRICK, a.k.a. JIMMIE O'NEAL KENDRICK, deceased.

NOTICE TO CREDITORS: All creditors to JIMMIE O. KENDRICK, who died on 8th day of August, 1971, while a resident of Highlands County, Florida, are notified that they are required to file any claims or demands that they may have against his Estate in the Office of the Honorable Mervin Risher, County Judge of Highlands County, Florida, in the Courtroom at Sebring, Florida, within six (6) months from the date of the first publication of this Notice.

Each claim or demand must be in writing and filed in duplicate, and must state the place of residence and post-office address of the claimant and be sworn to by the claimant, his agent or his attorney, or it will become void according to law.

Dated September 28, 1972.

Lillian M. Martinale, Administratrix of the Estate of JIMMIE O. KENDRICK.

H. P. E. NUNALLE, Attorney-at-Law.

IN THE CIRCUIT COURT OF THE TENTH JUDICIAL CIRCUIT OF FLORIDA, IN AND FOR HIGHLANDS COUNTY, FLORIDA.

CIVIL ACTION CASE NO. 2349.

IN RE: THE MARRIAGE OF JAMES H. HOWARD CROOK, Husband, and

ONDRIA PHILLIPS CROOK, Wife.

NOTICE OF SUIT NO PROPERTY: TO: ONDRIA PHILLIPS CROOK, 1515 North 2nd Street, Birmingham, Alabama.

YOU ARE HEREBY NOTIFIED that an action for dissolution of marriage has been filed against you and you are required to serve a copy of your written defenses, if any, to it on the husband's attorney, whose name and address is: S. COLAQUITT PARDEE, Attorney-at-Law, P.O. Box 31, Avon Park, Florida, and file the original with the clerk of the above styled court on or before November 3, 1972; otherwise a judgment may be entered against you for the relief demanded in the complaint or petition.

WITNESS my hand and the seal of said Court on September 28, 1972.

EARL RICH (SEAL) As Clerk of said Circuit Court.

By: Robert W. Gormano, Deputy Clerk.

valeting after a traffic accident. She is doing well - latest report from Ruth. LaRue Longanecker and Bertha Brush visited the Brush's grandson, wife and granddaughter in Englewood, Fla. last Sunday.

The Wright's received a letter from Ham and Nita Byers. They say the weather is playing havoc with their

crops. Rain, wet ground has caused a lot of delay. In spite of all this, Ham lead the singing at a 10-day church meeting, held in their church in Bourbon, Ind. They always send interesting comments about their family, especially the grandchildren. Nita's father is not well. Our prayers are with you, dear folks.

The Andrews have had some illness. Dwight has been in the hospital three times and now their thoughts are of returning soon. Your friends are anxiously waiting your return. They say in New Hampshire the foliage is beautiful and many sight-seers line the roads for a look-see and to take pictures.

A letter from the Burnetts say they are fine and should be

in sometime around the middle of November. News from the Thompsons - Alva is in the hospital with pneumonia. It is understood he had improved and plans to be in the park for the winter. All in the park are praying for better health, Alva, and hope you will be with us soon.

The Thompsons praise Jonathan for the good writing

of the news last summer. I guess it is unanimous. Jonathan. Get good grades now! The way the weather is up north, the Millers are anxious to start south but dread the trip. Think how much better it will be when you get here? Welcome! They visited their daughter and family in Birmingham, Mich. for a week.

We wish to introduce the Helts, Ralph and Mildred. They live at Court No. 44 and are from Rochester, Ind. A big "Hello" and a hearty welcome to this new family.

Bob McElrath just dropped in to say Martha and he had a great time at Cape Coral visiting with Martha's brother and sister-in-law, Mr. and Mrs. C. F. Castanien.

Bea Tindler returned on Wednesday from a summer in the north with family and many old friends. But the weather was far from summer-like; wet and chilly with much fog and wind. So very happy to be back in Avon Park and sunshine.

Our park looks good - don't stay away too long, a safe and pleasant trip south!

DOJARS & GOOD SENSE

BY WILLIAM J. MARTIN
Special Consultant to
Real Estate Services

Most young couples, even if both are working, have a hard time at budgeting because their incomes are low and their needs seem to be so high.

There's so much they want to get for their new household, and the tendency of some is to buy it all at once, sometimes on credit.

Clothes and entertainment are two other items that tend to hit a young budget hard.

As I explained before, deduct your fixed expenses and savings plan from your total take-home income to determine how much you have to spend each month on optional expenses.

These expenses are the ones that are, or should be, the easiest to control, although, like diets, it takes a lot of will power sometimes.

Lunch hours can be killers, either from shopping around or too expensive eating. Hobbits are another way of spending a lot without realizing it.

Don't carry too much cash with you and keep track of your expenses in a notebook as you go along.
