Bonnie Brae Mobile News

BY MARGARET W. YOUNG

Mr. and Mrs. Floyd Bell of Key Biscayne surprised Neil and Ellen McGonagle Wednesday. The Bells were fellow fishermen at Big Pine Key for four winters. The same afternoon another from Big Pine Key, now a resident of New York state, arrived with his wife, Mr. and Mrs. Fred Carl. We had quite a busy afternoon.

Saturday afternoon, Mr. and Mrs. Forrest Skaggs of Nashville, Tenn. and former neighbors of the Parkhursts surprised Lester and Rozzie for the afternoon. With them were Dr. and Mrs. Ed Douglas and two children of Oklawaha.

Lester and Rozzie Parkhurst have had a host of company since Lester returned home from the hospital. Rozzie's sister, Mrs. Edna Clark is still with her; her brother, James Ray and his wife Mildred from Anderson, Ind. arrived (as a surprise) Tuesday evening leaving again on Saturday.

While here they had a room at Reed's Motel. They shopped in Winter Haven and visited points of interest. The night before they left, Rozzie gave a surprise gathering for her brother's birthday which was Saturday. The gathering included Bill and Lee Herline, Charles and Charlotte Dennis and Neil and Ellen McGonagle.

All seemed to enjoy the evening which included a birthday cake and ice cream.

Mrs. Kathryn Burke is again a patient at Walker Memorial Hospital. All her friends and neighbors wish her a speedy recovery.

The friends at Bonnie Brae extend their heartfelt sympathy to Mrs. Charles Daniels on the sudden death of her beloved husband. His body is being brought back here for burial.

Mr. and Mrs. Mearl Bishop entertained many of the residents of our Court Sunday evening after the dessert luncheon at the Rec Hall. They showed slides of the beautiful sights in our Northwest United States and the Canadian Rockies including Banff, Lake Louise, Emerald Lake, Jasper Park and scenes along the Trans Canadian Highway. The snow capped mountains, rushing rivers, glaciers, the ice fields, and last but by far not least were the lovely pictures of the flower gardens. Thanks again Bishops for a lovely evening.

The March Pot-Luck Supper of the Bonnie Brae Court will be held on Saturday, March 17,

at 6:30 p.m. The committee will be busy at work - so all come out and enjoy a good

evening together. Please bring in usable service and a covered dish to pass.

prayer of thanks and also gave several readings: Susan Bacon used as her readings: "When We Are Old" and "Our Mission". Raymond Fries read two poems: "Friendship's Arithmetic" and "Do It Now". A group of "Hans" sang some old songs and closed with "God Bless America".

Posters For Band Day

Have you noticed the posters all around town telling about Band Day? The first place senior poster is displayed in Touchton's. It is very beautifully done and reflects skill and imagination on the part of student Wanda Williams. She used the British Union Jack to get her point across.

While you shop, why not take time to look for these posters. You will find them varied and many are exceptionally well done.

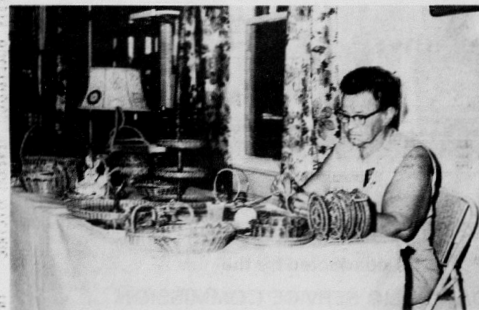

HOBBY SHOW

The A.A.R.P. hobby show will be held from 6 to 9 p.m. March 19 at City Pier. The public is welcome to attend.

MOUNTAIN TOP

"MOUNTAIN TOP EXPERIENCES" . . . It is not yet vacation time, however that time is approaching and we start remembering the wonderful feelings and experiences of our last trip to the mountains, and now we can start to plan new adventures.

That closeness, and the exciting feeling when worshipping the Lord is often referred to as a "MOUNTAIN TOP EXPERIENCE." We invite you to come worship the Lord in his house, and receive the joys of being close to God. Attend church this week.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Hope For Water Works Grant

THESE ARE City Councilmen and Clerk who met with government officials last week, trying to gain funds for city water and sewage improvements. Pictured, from left,

Avon Park city officials had their hopes raised last Wednesday, Mar. 14, as representatives from Farmers Home Administration, and the Department of Pollution Control, along with Dawkins and Associates, the city's engineers, met in special session concerning a grant for sewer and water works, only to have them depressed the following Friday.

City Clerk Malcolm Crews informed the members of the city council present that Dawkins and Associates would apply for funds with FHA at a cost of \$4,250.

Wallace McCormick, representing FHA, said they could offer to the city a \$3,000,000 loan to be stretched over a 40 year period for repayment with an interest rate of only five percent. The city would have to obtain temporary financing however for construction costs.

This loan would permit the city to skip any payment on the principal amount for the first two years, during this time only the interest would be paid.

However, FHA would require 10 percent to be put into a reserve account the first 10 years of the loan. They also require certain records to be kept and a monthly report made along with an annual audit.

McCormick informed the council that FHA's authority to make loans will expire on June

30 of this year so they must have the city's application for processing by Apr. 10.

McCormick is District Representative for Farmers Home Administration from Okeechobee. Along with him, representing FHA, was Robert Jones, district representative from Ft. Myers. Both men with their statements raised the spirits of the city councilmen.

Thomas B. Ard, from the Department of Pollution Control, heightened the city's spirits evermore as he said

money could be gotten from the state revolving fund to provide funds for construction. This money would have an interest rate of 2 1/2 percent for the first year and five percent the following two years. The money would have to be paid back in three years.

However, with hopes up for enabling the city to serve approximately 94 percent of the city's population, a telephone call came to Crews' office last Friday.

FHA men in Gainesville informed the city that all funds are "exhausted" and the city will have to look elsewhere for any type of grant.

"I'm exhausted looking for

grants," Crews told the SUN. "This has been going on now for over three years."

Dawkins had also raised hopes last January as he informed the city the state was planning to redo its priority lists and Avon Park could possibly be "in the money" as he put it.

However, this new list was scheduled to be released sometime in March and no sign of it has been seen as yet.

He also told the council that grants from HUD were not looking "encouraging". All HUD funds have been released except for small amounts only to cover the bare construction. The city's project is now

estimated to cost around three and one quarter million dollars.

All hope is not lost yet however. City officials planned to meet with the Avon Park Planning Board in a special session Wednesday, Mar. 21. The results of that meeting will appear in the SUN next week.

Red Devils Remain Undefeated

The Red Devil varsity baseball team remained undefeated last week with a 5-1 win over Frostproof up there and a 6-1 victory over Zephyrhills here at Head Field last Friday. The two wins gave the Devils a 7-0 over-all record and a 3-0 Tri-County Conference mark.

Last Tuesday night the Red Devils were set to host Fort Meade here at Head Field in another conference game. The game set to be played in Lakeland against Santa Fe tomorrow (Friday) night has been postponed until late in the season. But Avon Park will take on a tough Cardinal Money team from Sarasota here Saturday night, Mar. 24. Then next Tuesday night the Devils will be at home to conference foe Lake Placid. The Red Devil batters continued to knock the ball well in Frostproof last week as they rapped out eight hits off losing hurler Mike Nobles. Tim Underwood hit three singles for four at bats. Catcher Nate Williams lined a home run that hit the top of the left field fence and bounced on over. Leon McRae led off the game with a double and Tony Williams got a double in the seventh inning. Bud Wester continued to be tough at the plate with a single and Johnny Todd singled in the first frame.

Senior right-hander Tim Underwood raked up only the one run on three scattered singles. Underwood now has pitched 17 innings, allowed five hits, just one run, has struck out 23 batters and walked only four men. Tim is also hitting at a .333 clip with nine hits for 27 at bats.

Zephyrhills hurler Mark Coyne held Avon Park to only one run on three hits for 27 at bats.

Commission Rejects Subdivision Moratorium

By virtue of a tie vote, the county commissioners rejected Tuesday the recommendation of their Planning and Zoning Board that a one-year moratorium be placed on actions to rezone property in the county for use as mobile home subdivisions and mobile home parks.

Commissioners Norman Heston and Ken Wilkinson voted to accept the Planning and Zoning Board's recommendation. Commissioners Robert Skipper and Buddy Wise voted to reject the recommendation.

The decision was reached following a thorough discussion of the proposal and an assessment of its ramifications.

Each commissioner explained his position in detail

and citizens in attendance at the meeting were encouraged by Chairman Skipper to give the commissioners the benefit of their thoughts on the matter.

County Attorney Robert Dancy and Attorney George B. Oujewski advised the commissioners that they could not refuse to accept rezoning applications. The commissioners could not abdicate their legislative function both lawyers contended. In this case, they said, the commissioners were obligated to receive and to consider rezoning requests.

Russell Francis, President of the Highlands County Mobile Home and Recreational Vehicle Association, termed the proposal "discriminatory" and asked why the moratorium was not similarly directed against new conventional

homesites. He said that many long time residents of the county wanted to sell their farmland to mobile home subdivision developers and to realize the profits that such sales would yield.

Bill Stephenson, Planning and Zoning Director, reported that there are now more than 15,000 mobile home lots platted in the county.

Chairman Skipper said that a moratorium would preclude the board's approving needed mobile home parks such as the one that was approved last year in Avon Park to serve airmen at the Air Force Bombing Range.

Commissioner Wise objected to the proposed moratorium on the grounds that it singled out, for restriction, only efforts to expand mobile homes.

Commissioners Heston and Wilkinson said that they favored the moratorium concept but wanted to continue accepting rezoning applications. They would act on the applications only after the county's General Development Plan, Subdivision regulations, and revised building and mobile home codes had been approved and had become available to guide the county's growth.

Del Preston Jones, of DeSoto City, urged the commissioners to adopt the General Development Plan as soon as possible. "It's frightening to see what is happening to Highlands county," Jones said. The commissioners agreed to meet with representatives of the Highlands County Mobile Home and Recreational Vehicle Assn. at 2 p.m., Mar. 27, to discuss changes to the county ordinance dealing with mobile homes.

They then set Apr. 17 as the date they will hold a Public Hearing to consider accepting the proposed General Development Plan for Highlands county.

Ticket Sales Keeping Pace With Past Years

There has been an "incredible response" to pre-race ticket sales for the first of the new Sebring races next Saturday, forecasting a great crowd.

"It's amazing, the response all over the country," declared Mo Campbell, press officer, discussing the ticket sales and dispelling fears of a small turnout because of the prototypes and the big names are not racing Saturday.

"Pre-race sales are keeping pace with last year," said Campbell. "We started so late it is hard to compare, but they appear as good or better than last year."

Last year many fans were turned away - and some did not get in until mid-afternoon.

With entries still being accepted, 94 cars and drivers have been entered in Saturday's 12-hour and 43 in the Friday race for Formula Fords.

Campbell said the 55 fastest will automatically qualify for Saturday's race and the top 15 in the GT consolation race on Friday will complete the starting gate of 70. All of the Formula Fords "ready to go" will make the race, he said.

Campbell predicted that any of "20 or 30 cars" could take this race but race watchers will be keeping eyes and binoculars trained on Sam Posey and Harley Claxton in a Ferrari, Peter Gregg and Hurley Haywood in the Porsche in which they just won the 24 hours of Daytona and Tony DeLorenzo and Steve Darst co-driving a Corvette.

Posey won the GT class at Mans in 1972 and was the 1971 overall GT class winner. DeLorenzo has raced and placed well favorably at Sebring before, as has Gregg. In past years, the Sebring 12 hours of Endurance was usually 12 races in one. The new Sebring will be four races in one: Grand Touring over 2.5 litres; Grand Touring under 2.5 litres; Touring over 2.5 litres; and Touring under 2.5 litres. It is expected the overall winner taking the top money and the Kumquat victor's wealth will come from the Grand Touring class.

Again this year Sebring will be represented in the 12-hour, but this year the Orange Blossom Special Corvette has company - another Corvette and a Camaro.

Practice begins today (Thursday) at Sebring track and ticket selling at the gate also starts today. Concessions

open today and traffic and control men go to work. Fences, tents, and signs have been going up this past week. There has been re-painting. Safety barriers of earth have been thrown up at strategic spots.

The Formula Ford race runs at 3:30 p.m. Friday, the GT

consolation at 4:30 p.m. The big race gets the green flag at 11 a.m. Saturday, the checkered flag at 11 p.m. There will be an hour of pre-race activities in front of the Jag tower before the 11 a.m. race.

The annual awards brunch will be held Sunday at Harder Hall.

2,000 Turn Out For Air Show

More than 2,000 tots, teenagers and senior citizens of Highlands and neighboring counties watched the third annual benefit air show at Avon Park Airport Mar. 18.

Don Gossick, airport manager and Walt Pierce, of the Flying Pies, opened the air show in their World War II Stearman 450's, each performing a series of daring aerobatic maneuvers.

Sandi Pierce, in her clipped wing Taylorcraft, flew her own special aerial gymnastics and later with her husband, Walt, in his Stearman 450, rode the high wing through a whole course of maneuvers. New to

who live in the county's incorporated areas.

Called To Rest Harrison

Ganey

Funeral services were held Saturday, Mar. 10 at 2 p.m., at the Episcopal Church of the Advent in Tallahassee for little Del Ganey, the son of Mr. and Mrs. Michael Ganey and the grandson of Mr. and Mrs. Roy D. Taylor and Mrs. W. C. Connell, Avon Park, and Mr. and Mrs. Bernice C. Ganey of Tallahassee.

Del, passing away Mar. 7, only 10 days before his first birthday, had been fighting a battle for life over the past two years, as doctors performed six operations hoping for a miracle.

Suffering from "hydrocephalus," a medical term describing excessive fluids in the brain, he underwent his first operation in March of 1971. During this operation, doctors implanted a shunt which would enable these excess fluids to drain from the brain. Unfortunately, during the operation, doctors also found a tumor. Because of this, the next two years of Del's young life were spent undergoing one operation after another, five more in all, the last one taking place only last December. After this one, Del's parents knew it would only be a matter of time.

The Ganey family brought Del home from the hospital several weeks ago, to care for him, and near by to give him the love he knew they had for him. Del's three year old sister, Brittany, has been staying with her grandparents here in Avon Park.

Attending the funeral service in Tallahassee with burial at Mt. Pisgah Cemetery near the hospital along with Mr. and Mrs. Taylor and Mrs. Connell, were: Mr. and Mrs. Lamon Money (Sandy); Mr. and Mrs. Bill Croft (Judy) and their daughter, Lanie.

Leland F. Harrison, age 66, of 507 N. Delaney ave. passed away at Walker Memorial Hospital Wednesday, Mar. 14.

Mr. Harrison was born in Geneva County, Ala. and came to Avon Park from there in 1941. He was a former chief of police of Avon Park, serving on the force for a number of years. He was a member of The Church of Christ; Woodman of The World; and Florida Peace Officers Association.

He is survived by his wife, Pearl Harrison; two daughters, Mrs. Evelyn Lois Hall and Miss Eloise Harrison both of Avon Park; one son, Sgt. E. F. Harrison, Tokyo, Japan; seven sisters, Mrs. Versie Fleming, Mrs. Verdine Moore, Mrs. Annie Rose Moore, and Mrs. Georgia Weeks—all of Lowery, Ala.; Mrs. Vassie Hires, Siville, Fla.; Mrs. Bertha Clements, Baytown, Texas; and Mrs. Maude Carpenter of Sampson, Ala.; four brothers, L. V. Harrison, Avon Park; I. D. Harrison, Lockhart, Ala.; R. B. Harrison and Clayton Harrison of Lowery, Ala.; 31 grandchildren, one great grandson.

Viewing was at the Avon Park Chapel until 2 p.m. on Friday, Mar. 16. The remains were taken to Pittman Funeral Home, Geneva, Ala. on Friday for services on Sunday, Mar. 18, at 2 p.m. from the Church of Christ in Lowery, Ala.

Howe

Miss Frances E. Howe, age 45, passed away at her residence, Sunday, Mar. 18.

Miss Howe was born in Watauga County, N. C. and came to Avon Park in 1969.

She is survived by her parents, Mr. and Mrs. Clifford B. Howe, Avon Park; one brother, Irwin S. Howe, Chattanooga, Tenn.

Services and interment were held in Morganton, N. C., Tuesday, Mar. 20, at 10 a.m., with Sossamon Funeral Home in charge.

five hits last Friday night but the Red Devils took the 5-1 win fairly easily. Johnny Todd got an inside-the-park homerun as he hit the ball to the left-centerfield fence and just didn't stop running. Leon McRae drove in two runs with a single in the second frame and Bud Wester got an RBI in the fourth inning with a single.

Winning pitcher Buddy DeWitt scored two runs and slammed a double down the firstbase line in the fourth. Tony Williams closed out the Devil hitting with a single in the fifth frame.

DeWitt also posted his third win of the season as he gave up three hits and the lone run which came in the seventh inning on two fielding errors.

Buddy has now hurled 20 innings, given up seven hits and three runs, struck out 26 batters, walked eight, and hit two.

Tony Williams has credit for the other mound win. Tony has pitched seven innings, allowed five hits and five runs, fanned six strike outs, and walked nine batters.

After seven games Leon McRae, the Devil shortstop, is leading the Red Devils at the plate with an impressive .322 batting average. He has also 11 RBIs to his credit thus far. Bud Wester is second at the plate with a .421 average, Tim Underwood and Lawrence (Poncho) McRae are both hitting at a .383 clip and Tony Williams and Del Murphy are both hitting .316 for the seven games. Also batting over .300 is catcher Nate Williams with a .304.

The game against Cardinal Money shapes up as being one of the toughest for the Devils so far this season so fans are urged to come out and back up this hard working team of Coach Ronnie Jackson.

the show was "Hank" Burden flying his tiny Pitt Special, one of the most maneuverable of all stunt planes.

Of special interest was the performance by Gordon MacCalla, Sebring, and Bill Borie, Winter Haven, both members of the Imperial Polk County Radio Control Club, with their miniature radio control planes. Each pilot flew his plane singly, then joined in a tandem act and a pursuit demonstration.

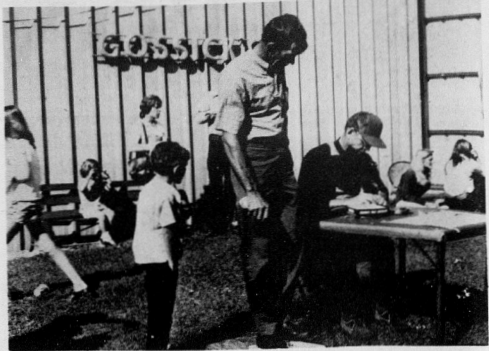

Tony Couch of Winter Haven, also an aerobatic pilot, announced the show to the spectators with first-hand knowledge of the intricacy of each maneuver. All phases of the show were contributed by the performers and the airport administration. Broadcasting from the show was Chuck Shane of station WAPF using his newly equipped mobile unit.

The show was sponsored by Avon Park Rotary Club for the benefit of their services to the handicapped, including the Ridge Area Association for Retarded Children. Don and Shirley Gossick gave the use of the field, Gossick arranged for the 11 aircraft and pilots who flew penny-a-pound rides and fueled each plane to the tune of some 200 gallons of gas.

Flying Service, Bill Thompson, George Forron, Dr. Samuel A. King, Bill Rackley, Jim Renfro, of Avon Park; Pat Gray, Lake Wales; Wilbert and Harshman and Howard Maddox, Sebring; and the Ridge Flying Club, carried over 360 passengers between 2:30 and 5:30 p.m. Commercial pilots who gave their services were Clifford Wells, John Marrs and Joe Sheppard of Lake Placid; Lamar Carlton, Sebring; Jim Sizemore, Chester Bennett, Bill Hackley and Jim Renfro, Avon Park; Billy Ellis, Frostproof; Pat Gray, Lake Wales and Henry Burden, New York City.

In accordance with federal regulations Don Gossick had cleared the use of the field for an air show with the Federal Aviation Agency and had a representative of FAA at the airport. Doctors Samuel A. King and Donald Jones were available for emergency service as were the Avon Park Fire Department and the County Sheriff's ambulance service, again, per federal aviation regulations.

Rick Jones, Harold Garrison, Clifton Wells and Pat Gray were on tap for handling aircraft maintenance problems.

while lineemen Chuck Gossick, Nick Fells and Hoagy Ostling kept the planes fueled and on the line. Members of the Ridge Flying Club served as plane loaders. The men who guided passengers on and off the waiting aircraft were Jim Morris, Steve Roberts, John Thorr, Paul Gentry, Rodney Lane and Keith Sanders, Avon Park; Chick McConahay, John McConahay, Bob Vickers, Carl Lindau of Sebring and Dave Robinson, Lake Placid. Special help in the office and on the intercom system was given by Shirley Gossick, Peggy Fells and Susan Green of Avon Park.

Members of Rotary manned the gates, parked cars, handled the food concessions, and weighed 366 passengers for rides.

Don Ferrans was general chairman of the event.

David Wyche, member of the South Florida Junior College staff, was on hand both Saturday and Sunday helping with arrangements as was Bill Pawadee from Ridge Area ARC's Work Center.

The Howard Thomas family, newly arrived from Richmond, Ind., helped all day Sunday as did Janie Brandt, Gayle Whitehead, Bob McSperrin, Debbie Ward and Susan James, members of the Ridge Area Youth ARC.

Cleanup services were provided by students of SFCJ and clients of Ridge Area ARC Work Center. Avon Park police and Highlands County Sheriff's deputies directed traffic to complete an air show without accident.

Avon Mobile Home Park News

By Lorena Wyatt

At the pot luck dinner on Thursday, attended by 81, prayer was given by George Bears, and Bill Belcher acted as master of ceremonies. He called attention to the Bible verse of Acts 12:4 where the word Easter appears. A special lenten message was given by the Rev. LeRoy Hankins who used, as his text verses from the fourth chapter of Matthew. A special welcome was given Harry Brown, who had been missing the get-togethers. It is good to see him walking around the Park again. Mrs. Margaret Belcher thanked the dinner committee - Susan Bacon, Mildred Long and Louise Bell, also all who helped on programs this year. Then a special vote of appreciation was given Mrs. Belcher for the interesting programs she had arranged all through the season. She was wearing an orchid corsage and when questioned concerning the occasion it was learned that she and Bill were celebrating their anniversary. Following some announcements all joined in singing "Bless Be The Tie".

with Sallie Wright at the piano. The Thursday night movies were, "Coast Guard Icebreakers" - showing operations in the Arctic and Antarctic; "The Fossil Story" - their importance and why scientists search for them; "Requiem for a Race Track", a film about the 12 hour races at Sebring.

Following the sing on Saturday night Mrs. Anthony Rutz, a former missionary in Cuba, told some of her experiences of living there before Castro gained power. She said that he could have made Cuba into a wonderful country with wealth divided, but under communism he made all kinds of promises which he never intended to fulfill. The poor people believed him, but never gained any benefits. She sighted, as an example, a reading course which was controlled so the children were told not to believe anything except what the teacher said. Mr. Rutz had lived on his farm for 55 years and had built it up.

but the Government seized it without warning. They returned from town one day, where they had tried to purchase supplies but were told to hold up a bit, and were met at their door by men with guns and told that their place was being taken over by the Government. It took a year of proceedings before they could get out of Cuba, then only through kindness of friends in the States who sent money, as they were not allowed a cent.

Following the 7 p.m. sing this Saturday Lloyd Wyatt will show slides of his trip to Mexico City last summer. He will also have some of the flood damage in his area of New York State and a few candid shots around the Park.

Mr. and Mrs. Basil Krantz were pleasantly surprised to have their daughter and family, Mr. and Mrs. Charles Armstrong and 3 children of Butler, Ind., spend a week with them.

DeWitt also posted his third win of the season as he gave up three hits and the lone run which came in the seventh inning on two fielding errors.

Buddy has now hurled 20 innings, given up seven hits and three runs, struck out 26 batters, walked eight, and hit two.

Tony Williams has credit for the other mound win. Tony has pitched seven innings, allowed five hits and five runs, fanned six strike outs, and walked nine batters.

After seven games Leon McRae, the Devil shortstop, is leading the Red Devils at the plate with an impressive .322 batting average. He has also 11 RBIs to his credit thus far. Bud Wester is second at the plate with a .421 average, Tim Underwood and Lawrence (Poncho) McRae are both hitting at a .383 clip and Tony Williams and Del Murphy are both hitting .316 for the seven games. Also batting over .300 is catcher Nate Williams with a .304.

The game against Cardinal Money shapes up as being one of the toughest for the Devils so far this season so fans are urged to come out and back up this hard working team of Coach Ronnie Jackson.

The 73 team will be "hard put" to better their record of '72 but all are working enthusiastically.

FFA Chapter Wins Soil Judging Contest Will Go To State March 30

The Tri-County land judging contest was held Mar. 14 at the Highlands County Agri-Civic Center. The Highlands Soil Conservation District sponsored the contest in which about 70 4-H and FFA boys from Hardee, DeSoto and

Highlands counties participated. Bruce Blount, Supervisor of the Highlands District, from Lake Placid, furnished pork; and Mrs. Katherine Waggaman, member of the District Board from Sebring, made the

arrangements for all the trimmings. All the participants were served a barbecue lunch at noon following two hours of instruction on scientific techniques of determining soil capabilities. The instruction was given by John Herbert, Extension Conservationist, Soils Department, University of Florida and Sam McCullum, Soil Scientist, Soil Conservation Service, from Lake Worth.

Golf Teams

Wins One,

Loses One

The Red Devil golf team won and lost last week to move to a 6-11 record for the season with three regular matches left on the schedule and the Tri-County Conference Meet still to be played. The conference meet has been moved up from Mar. 30 to Mar. 26, a Monday, due to a conflict at the playing site. The seven teams in the Tri-County will compete at the Lone Palms course in Lakeland for the conference championship.

Last Friday afternoon the Avon Park boys defeated Mulberry here at the Avon Park golf course by a score of 167 to 186 with Jarvis Hartt - pacing the Devils with a 38. Gary Bagwell came in with a 41, John Wright shot a 42, and Tommy Wester finished with a 45 for the total four man score for the nine holes.

But Tuesday afternoon a week ago, Sebring came up here to hand the Devils a 180-181 defeat as the Avon Park boys shot 45's and higher. Tommy Wester was the lowest Devil with a 45 followed by Jarvis and Greg Hartt and Greg Burch with 48's for the nine holes on the home course.

The match scheduled with Sebring down there for Mar. 27 will probably be changed to Mar. 28 due to the change of the conference meet date.

Last Tuesday the Red Devil golfers hosted Zephyrhills here and tomorrow, Mar. 23, Fort Meade will be here for a match. Fans are invited to come out to the Avon Park Golf course and watch the boys tee off around 3:30 p.m.

Suddenly it's **SPRING**

TOWN TOPICS

by Eloise Sharpe

453-4351 453-4355

After almost everyone had put their heating systems aside, we had another cold snap this past weekend. But we can say Spring officially started on Tuesday, Mar. 20, at 1:13 p.m.

Chip Carter had a big surprise waiting on him, upon his arrival in Ray City, Ga., this past weekend, when he accompanied his family, Ed and Ann Carter, Travis, Walt and Debra, to visit his grandmother, Mrs. Eva Carter. His grandmother had purchased a "Chestnut Stallion" for Chip, and had it waiting there for him, which he enjoyed over the weekend.

Mrs. T. Hayes Maxwell spent most of last week in Miami, visiting with her son and family, Mr. and Mrs. Thomas H. Maxwell and daughters, Beth and Kim. Grandmother kept the girls company, while their parents, Tom and Betty, made a trip to Chicago, to attend a seminar for Mr. Maxwell's company. While there, they also visited former neighbors in Forest Lake, Ill.

Mr. and Mrs. A. W. Chennault left the 15th of March to return to their home in Versailles, Ky., after visiting their daughter and family, Mr. and Mrs. Les Norris and daughters, Marcia and Karla.

Guests arriving to spend three weeks at the B. W. Walker home are Mrs. Walker's daughter and

granddaughter, Mrs. Doris Foster and Cindy of Artesia, N. M. They flew into McCoy Air Base this past Sunday, and was met by her mother and sister and brother-in-law, Hazel and Warren Stevens of Sebring.

Mrs. Rosena Wood has received word that her brother, Leo C. Wagner is in St. Joseph Hospital, Room 760, in Ann Arbor, Mich., 48103. The Wagners have been wintering in Avon Park for the past 17 years, but were unable to be here this winter. They miss their many friends and would appreciate hearing from them.

Whitehurst-Simpko To Wed In May

Mr. and Mrs. James E. Whitehurst, Avon Park, announce the engagement of their daughter, Deborah Lynn, to Gary E. Simpko, son of Mr. and Mrs. Albert E. Simpko, of Streator, Ill.

Deborah is a 1972 graduate of Avon Park High School. Gary

is a 1969 graduate of Streator High School and is now serving with the U. S. Air Force.

The couple will be wed May 5, at Our Lady of Grace Catholic Church, Avon Park, at 2 p.m. All Friends and relatives are invited to attend.

The Gospel Blimp Will Be Shown At First Baptist Church

THE GOSPEL BLIMP, a color film based on Joseph Bayly's book, is coming to First Baptist Church on Mar. 26, as the program feature at the monthly Baptist Men's meeting at 6:30 p.m.

The film tells the story of a group of enthusiastic but misguided church people who set out to take the Gospel to the people of their town through the use of a blimp.

There's many a laugh when they try to get responsible pilots; when their "firebombs" keep falling in all the wrong places; when their public-address system goes haywire. Later, when well-meaning evangelism begins to change to "what's-good-for-public-relations," and Christian principles start to fall by the wayside, there is a lesson to be learned.

THE GOSPEL BLIMP is not just an entertaining comedy, through it could stand on its own in that category. Through it all, there is a familiarity about the people and the feelings they have that makes one stop and wonder whether this couldn't really happen. The thoughtful message that persistently comes through, lingers long to challenge and inspire. Young and old alike will want to see this excellent picture. It is a delightful, witty comment on our mid-century willingness to substitute committee action for personal responsibility.

THE GOSPEL BLIMP was produced by Valley Forge Films and released through Gospel Films, Inc. of Muskegon, Mich.

Southland Mobile Home Park News

Bette Chapell

Mr. and Mrs. Pertl have headed home again. They left Sun, March 11. Also on the 11th, Rosie Hall went to the home of Viola Hicks to spend a few days and attend the New York Picnic held at Highlands Hammock. A nice representation of 285 were in attendance. Upon Rosie's return, well, you see, we have a wonderful thing here at Southland; its called you check on me and I'll check on you and that's what Rosie momentarily forgot to do. She forgot to tell her neighbor's she would be away for a few days. I don't think she will forget again though because when Rosie came home at first sight you would have sworn a mob of ransackers had visited (this was the plan) and, of course, no one knew Rosie was away so who were they to interfere with her private business. Anyway the ransackers were in real life Herb Renaud, and Harry Barth but Rosie learned her lesson and a good chuckle was enjoyed by all. So lives on the unwritten policy of Southland Court.

More traveling was done by Marie Stroobant and her sister Gertrude Whitmore as they went on a five day trip to Nassau and Freeport. The trip was reported very pleasant and much enjoyed by both ladies. Elwood Stroup and Bill Zurgable also took a four day trip to Ft. Myers. They had good fishing and could both pass for red snappers themselves. Oh, that marvelous Florida sun!

The Tues. coffee hour had 20 persons in attendance with Hannah Tebo assisting Clara Engard. Later in the morning, Myrtle Heffernan returned home from Walker Memorial. Al and Mary Dinniwel left to return to Canada for their Granddaughter's wedding.

The Wednesday Pot Luck was as usual, a feast to please the palate of the masters of the culinary arts. There were 51 gathered to share the pleasures. Also, the birthdays for March were celebrated and honored were Bessie Jeremy, Grace Barr and Bette Chapell. The beautiful cake was baked by our own faithful Ann Condit. Thank you Ann! Earlier in the day, the sewing and craft session was held with eleven ladies working together on their individual projects. Also on this day our newest members of the park, Mrs. Gertrude Culver and Arthur Loveland moved into the little home on lot 141. They will be permanent winter residents and we welcome them and leave an

open invitation to all of the park activities.

Gladia Daun was the lucky person at aggravation Thurs. evening. Won all 6 games - what do you think of that, Ann Condit and Harriet Wandover served candy.

Good weather Friday brought 9 persons out to shuffle. In the matches N. Trompica and M. Tebo tied for first place with R. Wandover and G. Helfrick each winning three games. Mrs. Helfrick and L. Brester won two games. At the evening Bingo game 32 were on board for the action. Herb Renaud substituted for Charles Learned. Edna and Emily Renaud and Anna and Harry Barth all joined to share their own little pot luck supper. The folks enjoyed themselves

and the management is always happy to see our folks using park facilities and enjoying them.

We have received word from two of our park people. One is Harold Arms who is now in a home in Conn. I have no address at this time but will let you know when I do get one. I also received a call from Doris Hutchins and she will be returning at the end of this month and asked me to give her regards to all of you here.

Another of our folks has entered the hospital at Winter Haven. Helen Erdt is there in room 151. She has received some upsetting news about her health and needs all of us to encourage her and help keep a smile on her face.

Panthers Win Double Header Here Monday

Last Monday night at Head Field in Avon Park, South Florida Junior College Panthers won a double header victory over Florida College's Falcons of Tampa. The double win left the Panthers with a 2-10 overall record and 2-6 in Division III.

Next Monday night at 7:30 p.m., at Firemen's Field in Sebring, the Panthers host Manatee in a single game. On Wednesday at 3 p.m., at Head Field in Avon Park, the same two teams square off.

Lamar Gillard pitched a neat three hitter at the Falcons and picked up the first win of the year for the Panthers. Guy Maxcy and Donnie Hansen led the Panther batting attack with Maxcy going three for four and Hansen two for three. Mike McGee, Dennis Dyal, Wayne Gill, and Miles Albritton also contributed a hit a piece to the attack.

In the nine inning night cap, Ted Crabtree went all the way to gather in the second win. Crabtree gave up 10 hits but was tough in the clutch. Crabtree aided his own cause with a three run homer to tie the game at 3-3 in the third inning. Guy Maxcy continued his hot batting, going two for four which gave him five hits for eight at bat in the two games. Don Hansen was right behind with one for two. Mike McGee, Dennis Dyal, and David Hines also contributed a hit a piece.

One of the outstanding plays of the game was when Guy Maxcy appeared to be a sure out at the plate; leaped over the catcher for a safe touch of home plate, and gave the Panthers a go ahead run at 5-4.

Mike McGee fulfilled his role as the number two batter by sacrificing four times in the game in four attempts. This has been one of the most glaring weaknesses of the Panthers prior to this.

"Needless to say, it was a good feeling for the Panthers. We have a lot of work to do to improve on our base running, our fielding, and our offense, but we still know what our needs are and can work on these."

Girl Scouts

Hold Annual Meeting

"It's a Small, Small World" was the theme of the program Friday evening when the Avon Park Girl Scout Assn. held its annual dinner meeting. Well over three hundred scouts, parents and leaders met at the new National Guard Armory and enjoyed a delightful buffet dinner.

Colorful costumes of many foreign countries were worn by scouts taking part in the International Festival under the direction of Mrs. Lewis Mundt, International Chairman.

Following the invocation by the Rev. R. A. Brant, of Sebring, Mrs. Welch Fisher, Area Chairman, welcomed the guests; she announced that Avon Park Area has received the coveted Membership Award from the Heart of Florida Council, which recognizes the area's growth to a registered membership of 256, with 12 troops operating at full strength. Mrs. Fisher also had the pleasure of announcing the award of a twenty-year service pin to Mrs. Lewis Mundt. The pin was presented to Mrs. Mundt by the Rev. W. D. Ragsdale, of Avon Park.

Sponsor Certificates were presented to representatives of sponsoring organizations by each troop leader. Thank-you certificates were presented Lee A. Corbin, Jr., Cleveland Heights, Jr., Don Serdynski, G. Franklin Ward, and John Townsend for their work on the Girl Scout Fund Drive.

G. Franklin Ward, acting as master of ceremonies, introduced the guest speaker, Mrs. Joe K. Hill, of Leesburg, who is the Publicity Chairman for the Heart of Florida Council.

A mind-stretching riddle, a poem and the story of a woman who realized a dream after 72 years, were the ingredients of Mrs. Hill's speech; its message, a promise of ever-expanding horizons for the girls of scouting.

The meeting closed with the crossed and clasped hands of the Scout's Friendship Circle and Taps.

Allwood Named To Membership In Fraternity

Charles W. Allwood, Navy interior communications electrician first class who is attending State Technical Institute at Memphis, Tenn., has been named to membership in Upsilon Delta Chapter of Phi Theta Kappa National Honorary Fraternity. He is a son of Mrs. Roberta Allwood of Avon Park, Fla.

First Class Allwood is a second-year student majoring in Instrumentation Technology. We have a lot of work to do to improve on our base running, our fielding, and our offense, but we still know what our needs are and can work on these."

There are about 200 Navy personnel on the State Tech campus under that service's Associate Degree Completion Program.

FINED ON DWI

Johnny Lee Byrd, of Avon Park, pleaded guilty to driving while intoxicated when he appeared Mar. 3 in County Traffic court and was fined \$251. His license to drive was revoked 90 days.

The Host Districts were 2-2a-2b with Committees who planned and carried out the business and work involved very efficiently.

Cella called the meetings to order at 9:30 a.m. - 10 a.m. both days and conducted them with speed and efficiency, meeting the allotted time for each important topic which was discussed.

A letter will be sent to all District Presidents regarding changes in By-laws, the Newspaper and computerized billing to handle the large amount of work involved with our 40,000 members. It is hoped that the potential of 400,000 members will be realized in the future. The investigation of the advantages of your federation which will be, and has been a realistic financial plan in the past; and through effective legislative support, protected the Mobile Home owners from being exploited. Until the present time, most of the laborers and officers were volunteer help except for a very low salary for the office help.

New financial remuneration is a must due to volume of work and the need for legal council as well as representation in the legislature. This is to keep us aware of our rights in new bills proposed and to protect our investment.

Mr. Charles Mann was elected Vice-pres. of legislation and Mr. Paul A. J. Tedesco, President. Consult your district president as to requirements and benefits at this time. Also for new suggestions to build the Blood Bank.

Large Crowd Turns Out On Band Day

Saturday was BAND DAY in Avon Park and what a day it was. Despite the unseasonably cold weather a large crowd gathered in Donaldson Park to help make this the most successful affair ever staged for the benefit of our outstanding Marching Grenadier Band. While the Majorettes were busy washing cars (and what a day for a car wash) there were clowns riding all over town - reminding shoppers that Band Day was in progress in the park. The stage band kept things lively with music while the rummage and toy booths were attracting their share of the crowd. The hamburger stand also proved to be a busy place.

Before the day was over a stunned, but happy, Betty Camp was declared winner of the color TV set from Bill Thompson TV and Viola Vorisek was awarded the Remington shotgun from Leon Delaney's Sporting Goods store. Judy Bateman was the lucky winner of the bike offered by Johnny Johnston and Jim Cravey of Hilltop Sales.

Many of the local merchants donated merchandise to be auctioned and

many articles were given the band by residents on pick up day. Television sets went fast, various household appliances, furniture and even a horse were among the items included in the auction. One man was observed passing through the crowd proudly showing off a piece of Hull pottery he had gotten at a real bargain price. The bar-b-que served at 5 went over so well that some folks that some folks regretfully had to be turned away.

Chairman, Marva Turner, expressed appreciation to the many people who worked so hard to make this such a success and to the merchants and various organizations for their great cooperation, also to all the fine people who braved the cold weather to support this event.

This was the first time Judy has won anything, and she said her four-year-old son, Roger, is looking forward to bike rides with his mother. Photo by Sharpe

Mackintosh Wins First Prize

Sherwin Mackintosh recently competed in the Phi Mu Alpha Sinfonian Award Auditions at the University of Florida and was awarded first place of \$100.

The contest was open to all students, who could enter either a musical composition, a performance, or musicology

research. The "Sinfonian Award", is awarded to one student who shows outstanding musical ability in any of the three areas. Sherwin gave the winning performance, playing the last movement from the Beethoven Piano Sonata, Op. 2, No. 1, in F Minor, "Prestissimo."

The contest is held each quarter. In the fall quarter, the award went to Mike Bradbury, also of Avon Park. Sherwin is studying under the instruction of Mark Zumbaro, at the University of Florida in Gainesville. He is the son of Mrs. Elizabeth MacKintosh of 1103 West Circle, Avon Park.

Mrs. Maxwell Speaks About New Building

The regular meeting of the Business Woman's Club was held at the Clubhouse Monday night, Mar. 19, with president, Mary Lee King, presiding. Reports from various committees were given, one concerning the library planter boxes. The chairman was quite concerned, as she has tried desperately to get azaleas planted there. Members commented on how pretty the mall looked with all the pretty blooming flowers, and expressed a special thank-you to the work done by Keith Debo, a member of the Avon Park Garage.

Mrs. T. Hayes Maxwell spoke briefly on the plans for the construction of a new Woman's Club Building.

After the meeting, delicious refreshments were served, with the tables decorated in a St. Patrick's Day motif. Bingo was played, with winners having a choice of edible prizes.

Hostesses for the evening were: Vickie Boutis, Lois Sizemore, Hazel Lassie, Anita Renfro and Elizabeth Mizelle.

Mr. and Mrs. Glenn Moulton of Wootter, O., spent Thursday afternoon with Bill and Marie Good. Mr. Moulton is the grandson of Glenn Moulton of Avon Park.

Mr. and Mrs. Hubert Johnson spent the week end camping in the Homosassa Springs area.

Mr. and Mrs. Russell Toner of Breckenridge, Mo., spent Sunday afternoon visiting with Mr. and Mrs. Emil Holaday. The Toners are spending the winter in Florida.

Mr. and Mrs. Matthew Cremer from Pawtucket, R. I., stayed in Friday to say "hello" to Vic and Ellen Nymah. Mrs. Cremer, the former Edna Minard, lived here in the Court several years ago. The Cremeres were on their way to Disney World.

A nephew and four friends were overnight guests of the Harry Tyson's one night last week. They arrived with four motorcycles and a truck coming from the Daytona Races. They proved that motorcycles can be quiet as none of us heard them arrive or leave.

Mr. and Mrs. Gale Race of Toledo, O., called at the Bill Good's on Friday.

The Potluck dinner on Thursday was well attended and enjoyed by all. This was probably the last Potluck of the

season when all of our residents are here as there are rumors that several of our number are "going back home" within the next couple of weeks.

Bill and Marie Good spent Sunday afternoon in Winter Haven.

1200 Attends Hobby Show

The Annual Hobby Show held at the Winter Guest Club, on Wednesday and Thursday, Mar. 7 and 8, was an outstanding success. Starting on Wednesday at 3 p.m. to 8 p.m., continuing on Thursday, 10 a.m. to 4 p.m., there was a steady flow of visitors. Well over twelve hundred people signed the register.

Inside the hall, was a veritable Fairyland. All decorations were handmade. Members have spent long hours designing and making them. Ovals predominated the scene in all colors and sizes. Workers were recognized by the "Oval Pins" they wore.

Members were demonstrating the various crafts taught during the session. Among the many shown were tote bags made from milk bottles; Christmas decorations from egg cartons; Christmas card plaques; pine needle baskets and quilting, an old craft now being revived. The most popular demonstration was pill bottle pendants. The demonstrators there were hidden all day by the crowd watching. The Pink Ladies from Walker Memorial Hospital had a table of their beautiful hand made gifts.

Mrs. Nora Werner, chairman, wishes to thank members, who worked so hard to put on the show. Without their cooperation and help, it would

have been impossible to hold the event at all.

Mrs. Hallie Wetmore thanks the members for the beautiful tote bag, and other gift of money and lovely corsage. Mrs. Wetmore says the classes will continue through March and after that, as long as there

is enough interest to make it worthwhile.

Thanks to all the visitors for coming to the show, and being so appreciative of the exhibits. Watch for the date and come again next year.

Nazarene

Church Holds Dinner

Last Wednesday evening at 6:30, the Fellowship Hall of the Nazarene Church was the scene of a "Round the World" dinner. This is an annual event the Missionary Society has sponsored and invite their Winter Guests, as well as their members to attend.

The menu was prepared by Mable Corwin, Nazarene World Missionary Society President, and the church ladies graciously cooperated in making the recipes. The large table was filled with Manzo (beef) and sausage, Pollo All Italian in Carlo Argento, (chicken) Lasagne Al Forno, Hungarian green beans, Mexican cole slaw, Roman apple cake, Guatemala salad, Pollo Alla Cacciato (chicken) Israeli Haman Taschen, Hungarian sweet and sour carrots, streusel coffee cake, and several of our American style foods.

The Haman Taschen are small filled pastries served at the Feast of Purim, commemorating Queen Esther's saving the Jewish people from destruction at the hands of the wicked Haman.

Following the dinner Mr. and Mrs. Kenneth Hall showed slides of home mission work in Wounded Knee South Dakota, where Mrs. Hall had visited before the present strike there. Three of the church boys posing as Indians, helped Mrs. Hall sing "Jesus Loves Me" in the Indian dialect.

Police Officer Presents Grange Program

by
LaVerne M. Fulmer

Several special visitors enjoyed the pot-luck supper served by members of Avon Park Grange on Tuesday evening, Mar. 13. The Florida State Grange Master, D. Vincent Andrews and the State Grange secretary, Madeline Andrews came from Sarasota, and Earl and Hazel Mosier, Pennsylvania State Grange officers were present. Avon Park Police Officer, Archie Hancock and wife were invited guests.

Officer Hancock showed slides and a film prepared by the Governor's Crime Prevention Committee especially to alert Florida citizens to common facts about residential burglary and what they can do to prevent it. Everyone should make a special effort to see these pictures as they are shown to various groups.

Patrolman Hancock also told about "Operation Identification", a method now being prepared by the Police Department to prevent theft of items around the home premises. This has been successfully used in other areas all over the United States where it has drastically cut the number of thefts when the residents cooperate with the police department.

Other numbers of the program were: a skit, "Two Old Prospectors" by Lloyd and Lorena Wyant and Maurice and Verna Faro; a chalk drawing by Lloyd Wyant; a "Prayer for the Flag" by the chaplain, Gertrude Slocum; a short Florida Number by the Lecturer and the thought for the day - "Locks with keys were used by the ancient Egyptians nearly 4,000 years ago."

A Golden Sheaf Certificate for 50 years continuous membership and a 50-year service pin were presented to Elmer Fullmer by the State Master. A Past Master's pin was presented to Louise Clarke.

Keith Debo, chairman of the beautification committee, announced that benches from the Mall would be hauled to the city barn the following morning for repair and painting. The State Master brought his brother and wife to take the Third and Fourth Degrees which were presented by the Degree Team under the direction of Edwin and Minnie Swanson.

Master, Miriam Debo, a member of the State Home Economics committee, is to attend a regional conference at Lake Como on Mar. 17 and one at Oneco Beach on Mar. 24.

The Wyants will be returning to their New York home before our next Grange meeting. They will be greatly missed. The next meeting will be held in the Men's Bible Class Room of the First United Methodist Church on Tuesday, Mar. 27, at 8 p.m.

Coulliette Celebrates 2nd Birthday

On Thursday evening, March 15, Jason Coulliette celebrated his second birthday at his home, near Horse Hammock, with a party given by his parents, Mr. and Mrs. Jerry Coulliette.

The guests were served birthday cake, ice cream and punch. The cake was baked and decorated with miniature dump trucks, bull-dozers, road graders, etc., by Mrs. Bill Sauls.

Those attending to help Jason celebrate were: Van and Karen Heberthal, Mrs. Jessie Lewis, Mr. Martin, Erie and Beverly Townsell, Trudy, Robyn, Stephanie and Robbie Young; Merle Coulliette, Jason's grandmother; and Judy, Jerry and John Coulliette.

Jason received many nice gifts and had a fun filled evening.

Lambeth Participates In NATO Training Exercise In Germany

Technical Sergeant Joel D. Lambeth, son of Mrs. Bennie L. Mathes of 1209 W. State St., Avon Park, Fla., is among U. S. Air Force personnel playing a support role in a two-month-long NATO training exercise taking place in West Germany. Sergeant Lambeth, an education and training technician with the 50th Tactical Fighter Wing at Hahn AB, Germany, is providing support for members of the Tactical Air Command's 49th Tactical Fighter Wing which deployed from Holloman AFB, to Hahn for the maneuvers. The exercise - dubbed "Crested Cap IV" - is the fourth in a series being held as part of the U. S. contributions to increased NATO readiness. The 49th's four squadrons of F-4 Phantom fighter-bombers are based at Holloman but still are committed to NATO.

The two-phase exercise began in early February with the movement of two of the wing's four squadrons to Hahn and Bitburg air bases - their home stations in Germany before their redeployment to the U. S. in 1968.

The second phase, involving the other two squadrons, is

scheduled to end in early April.

Sergeant Lambeth attended Frostproof High School. His wife is the former Morita Takako.

Band Will Not March

At a meeting of the Band Parents Assn. on the twelfth the decision was made against the band participating in the race parade in Sebring on the 22nd since the parade is scheduled the evening prior to district contests.

This was a very difficult decision for the Assn. to make in as much as we are always anxious to co-operate with the other cities in Highlands County when ever local activities are planned. It is hoped that next year's parade, should there be one, will be scheduled far enough in advance to avoid any possible conflict and enable us to participate.

It has always been a pleasure for our band to march there since Sebring does a superb job hosting racing events.

CUB SCOUT PHILLIP STATLER, Pack 156, received Cub Scouting's highest award, "The Arrow of Light" award for completing all of the Cub Scout requirements, making him eligible to work on the Boy Scout Tenderfoot requirements. In the tournament on Wednesday the "A's" and "B's" played separately as they had been doing. "B's" had 5½ courts in play and the winners were Spangler Limbaugh and Ivan Goldard over Hazel Colson and Karl Hart. Geraldine Long and Guilio Vanzo won in consolation with Frank Fread and Anna Masegold the runners-up.

The "A's" had 6½ courts in play. Don Mason and Ed Healy won over Phelps Button and Bob McBeth. Consolation winners were Grace Hildreth and Howard Long with Everett Paxton and George Coombs coming in second.

On Saturday, with all playing together, the winners were Louise Prellip and Ed Healey with Ellen Coombs and Tom Lavern Staley and Raymond Downey won in consolation over Henry Barnett and Ross Carlson.

Eight and nine tables in play in pinochle on Monday and Friday afternoons and highscores went to Evelyn Marsuch 769, Sarah Spindler

766, Evelyn Marsuch 823 and Elmer Good 798.

Chris Cabezas came in high 6930 in bridge on Tuesday afternoon with Joe Nickerson second 7060.

On Thursday afternoon duplicate bridge had 8 tables of players. North-south winners were: 1. Bertha Brush and Martha McBeth, 2. Emma and Ross Carlson, 3. Sylvia and Morris Landisman. East-west winners were: 1. Laura Glasston and Hazel Woods, 2. Genevieve Moran and Maurice Brevoort, 3. Mabel and Chris Cabezas. Jean Ludington, directing.

Thursday mornings are devoted to crafts. This past Thursday about 75 women attended, working on tile, pill bottle pins, rhinestone jewelry, kittens, and these will continue next week.

Those yarn kittens are the cutest things, you should see them.

On March 29 there will be Easter egg decorations. The ladies should bring their own styrofoam eggs, but decorations will be available in class.

Guests at the dance on Monday evening were Earl and Edna Black, who have been visiting the Sylvan Bakers. Edna is Catherine's sister and they live in St. Paris, O.

The dancing was fun as always.

Members enjoyed a rare musical treat last Thursday evening. Very fine vocal records were played while Caroline Webber, Myrtle Heinrich and Lois Johnson did a wonderful act of pantomiming. One would say "I didn't know she had such a fine voice!" Some of the shuffle-fearies in quartets also added their bit of pantomiming.

Mildred Long and Catherine Baker didn't need the aid of records as they sang so beautifully in a duet.

The shuffle-fearies sang and the audience sang the old songs under the leadership of Lloyd Wyant. Paul Swearingen outdid himself in arranging

such a fine program. All left with a smile.

Many are now talking of returning to their homes in the north, but we have two new members this week: Joe Karr, East St. Louis, Ill. and Elizabeth Steiner, Grabill, Ind.

The Oliver Golsons and the Russell Smiths hosted the 4th present at the supper on Saturday evening. Mrs. Howard Smith and Mr. Bason were honored with the birthday song. The group sang Irish songs led by Lloyd Wyant, and Eula Gunning at the piano. Russell Smith told a good anecdote.

Guests were: Mr. and Mrs. Norman Slater, Windsor, N. Y., John and Myrtle Purcell, Avon Park, Mrs. Floyd Stamp, Perry, N. Y., Mrs. O. F. Gibbc, Stroudsburg, Pa., and Mrs. Jesse B. Kulp, East Stroudsburg, Pa.

Biology Class

Wants Issues

Readers Digest

The Avon Park High School Biology Department wants past issues of Readers Digest magazines according to Andy Miracle, Biology Instructor. Issues with articles on plants or animals or the "I am Joe's" especially needed. Anyone wishing to donate Reader's Digest past issues may call Mr. Miracle at 433-4975 after school hours or call the high school at 433-6904 and someone will come by and pick the magazines up at your home if you wish.

Mrs. Virginia Crews of the Avon Park High School Media Center also requests old or past issues of any magazines so if you would like to donate your past magazines to a worthy cause call the school or drop them by out there for your good deed for the day!

Mrs. Ross Speaks To Women

On Changes In The Diocese

The Episcopal Church Women of Avon Park met for their regular monthly meeting on Wednesday, March 14, in the Parish House of the Church of the Redeemer, after the midweek Communion Service.

After a short "Coffee", Mrs. Eugene Hise, opened the meeting, with members repeating the Church Woman's Prayer in unison. The Secretary's and Treasurer's reports were read and approved.

Mrs. Ed Hall reported on the recent Pancake Day. She thanked all those who had worked so hard to make the day an outstanding success. She said many guests had spoken to her and praised the service they received.

Mrs. A. S. Paine and Mrs. E. G. Todd reported they had visited the Lake Byrd Bookstore and brought back an illustrated Children's Bible. This book is to be presented to the parents of newly baptised children, a gift of the E. C. W. Members examined the book and agreed to the purchase.

Mrs. E. G. Todd, program

chairman, introduced Mrs. Donald Ross, Deaneary Directress, speaker for the day. Mrs. Ross spoke on the changes in the Diocese and in the Womens place in the church. Women are taking a more active part in Church Affairs and are now being welcomed to all Committees. It is still the older women who do most of the work, as the younger are involved in home and child-raising, etc. She announced that the deaneary meeting at Bartow, to be held on May 9, would be held in the evening. Hopefully this will give the younger women a chance to attend. Registration will be at 5:30 p.m. Members are asked to take note of this change and plan accordingly. Mrs. Ross said it should be over by 8 or 8:30 p.m., giving members a chance to get home in daylight.

Mrs. Eugene Hise thanked the hostesses for their delicious refreshments.

Father Cleveland closed the meeting with prayer. The next meeting will be on Wednesday, April 11, after the midweek Communion.

Garden Clubs

To Install

The Avon Park Federation of Garden Clubs will meet on Thursday, March 29, at 10:30 a.m., in the social hall of the United Congregational Church on Forrest Avenue.

The Business meeting will be held, followed by the installation of officers for the coming year. Mrs. Raymond Glenn from the Sebring Garden Club will be installing officer.

Following the installation, a luncheon will be held at 12 noon, in the social hall of the church. Admission by ticket only.

AFTER THE PARTY IS OVER

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

©Coleman Adv. Ser.

Have you ever felt like this little girl after a big, exciting day at the Fair, or a party? You know how you feel — excited, exhausted; but you feel good, too. Sometimes you just want to lie down and think about it. But like the little one in this picture you, also, are too tired to remove your party hat or your shoes.

Sometimes it is delightful just to lie down and think of something good and wonderful and happy. It is good just to be still and sort of day-dream about what has happened.

There are other times in our lives when we need to achieve a sense of quietness and think of God. The Psalmist says, "Commune with your own heart upon your bed and be still." Psalm 4:4. God says in Psalms 46:10 "Be still and know that I am God."

We invite you to attend church and sense the still, quiet holiness that is God's presence in the midst of the congregation.
