

Let's go see Bafalis

Congressman L. A. "Skip" Bafalis is coming to Highlands County for a big barbecue and meet-the-people event Saturday.

The doings is being spearheaded by the Young Republicans of the county, but the older folks should make a special attempt to go out to the event. Bring a covered dish and the GOP supplies the meat.

Why should the older folks try to make the Bafalis scene? Well, Bafalis probably is the best bet they as oldsters have had in a long time on the Washington scene and he's

OUR MAN, the Congressman from our district.

He is one of the members of a special 16-member Republican task force created to study and formulate policies on aging. It is the only official group in the House of Representatives focusing exclusively on the problems of older Americans.

One of the better things the young Congressman has done is come out flatly for an end to the amount of money a retiree can earn. The limit now is \$2,100 and a very unfair one in this land of continued inflation.

Masons Buy Hike Bike Will Benefit Retarded

Bicycle riders of Highlands County will join on May 3 in the nationwide Hike Bike sponsored by National Association for Retarded Children. In Highlands County, the hike, sponsored by Ridge Area Association for Retarded Children, will begin at 9 a.m. at South Florida Junior College.

The official Hike Bike route will cover a little more than 25 miles. Bikers will pedal south from the campus along SR-17A to Fairmont Drive, then along Fairmont to Lakeview Drive, along Lakeview to Southgate Shopping Center. Walker Burger Queen corner the bikers will take an access road to the old DeSoto road, thence to Highlands Ave. They will pedal along Highlands to South Commerce, to Ridgewood to North

Eucalyptus, to Home Ave. to SR-17, north on 17 to Avon Park, around the Mall and back to South Florida Junior College.

Steve Marine, president of the sponsoring RAARC, explains, "We have learned that a 25-mile hike is planned in other parts of the state so we changed our plans for a 40-mile hike, making the Highlands County hike similar to this event in other areas."

"As in the Walk-a-thon, we need participants and we need sponsors. Anyone who wishes to ride or wishes to pledge money for miles ridden may call the RAARC office at E. O. Douglas school 385-4628.

All funds collected in the Hike Bike projects will be used to further work with retarded children.

Personal income tax?

Some of our legislators are making noises about raising new state monies through a personal income tax to ease the burden on owners of real property.

We can think of nothing worse with which to saddle the taxpayers than the dread personal income tax. Once it is on, it never will go off. And property taxes historically do not go down. Our lawmakers will just think of something else for which to spend the money acquired. And lots of times that something else is something most of us could just as well do without.

The corporate income tax was put on at the last session, and brought in more money

than anybody thought it would as the state grew by leaps and bounds.

Comptroller Bud Dickinson reported this week the state's economy is building toward a huge year-end surplus of revenue. In the period July through March, taxes collected reflect a 22 per cent increase over the same period last year.

So why do we need a personal income tax?

We hope Gov. Reubin Askew sticks to his guns and prevents any more taxes being passed at this session of the legislature. With inflation flattening our pocketbooks, we don't need any help in flattening them further.

Changes not needed in Istokpoga

economically feasible justified plans for physical modifications of Lake Istokpoga under the C and S.F. project."

Brannen was joined by Colonel Everhart of the Jacksonville District of Army Corps of Engineers and Angelo Tabita Chief of Project Planning Branch in conducting the meeting which was designed to gauge public reaction to the C and S.F. conclusions. These conclusions were based on a study for flood

protection and water level control in the Lake Istokpoga area.

The meeting, held in the Highlands County Center, drew a crowd of over 300 people attending as individuals and agency representatives. Many spoke.

The structural alternatives that were considered but discounted in the study were enlargement of the lake outlet, reconstruction of the existing farm levee, and construction of a new levee on the South and

East shore.

Brannen explained the present considered regulation schedule which varies from 37.5' to 38.5' mean sea level and noted that their study indicated a more gradual descent in water level was needed with the low level being attained June 15 rather than the present June 1 projection.

Each individual and agency representative was given a chance to state an opinion for the record.

The first was William V. Streich, director of resources planning department of the flood control district who recommended farm levee reconstruction aimed at achieving a standard stage of 40 m.s.l.

He cited a \$30 acre-foot constant that was used in determining the benefit-cost ratio in a similar study involving Lake Okechobee. Irrigation gained from Istokpoga at its level, he said, would amount to 10,000 to 14,000 acre-feet per year.

Since there would be no flood threat this would be the least costly of structural courses considered and would prove to be an economically feasible course of action.

Fred Lohrer representing the environmental council of Highlands County oppose this view and supported the decision of no federal flood control structure. He also urged restriction of development in the flood plain of Lake Istokpoga and the lessening of water level controls so the lake would return to its natural seasonal fluctuations.

Bill Smith spoke for the Seminole people of the Brighton Indian Reservation and urged a compromise, if need be, to assure an adequate water level for irrigation purposes.

Norman Heston, county commissioner said: "Most of the people I have talked to feel 38.5 is as high as it should be and the majority of people think 37 is too low. I would say 38 would be a good level."

The consensus of other individuals speaking also seemed to be in accordance with Heston's preference.

Many people expressed the view that the lake was usually too low in the summer to take full advantage of its recreational potential and too high in the winter for safety.

The meeting's record is still officially open and anyone wishing to add comments may do so by submission in writing.

Services Held For Mrs. Correll

Mrs. Virginia L. (Mom) Correll, 76, died April 27 at Walker Memorial Hospital after a short illness. She was born in New York and came to Avon Park 52 years ago from Bedford, Ind. She was a member of the First Baptist Church in Sebring, and a member of World War I, Auxiliary 587 in Sebring.

Survivors include three sons, A. G. Correll of Collins, Miss. L. B. Correll of Alexandria, La.; and James C. Correll of Valrico; four daughters, Mrs. Jean C. Hill of Sebring; Mrs. Elsie Baucum of Avon Park; Mrs. Frances Leaphart of Woodbury, N.J.; and Mrs. Joe Hahn of Ketchikan, Alaska; one brother, Arthur Drumm of Brooklyn, N.Y.; 29 grandchildren; 19 great grandchildren.

Funeral services were held May 1 at the Warren Funeral home chapel with Dr. Charles Davis, pastor of the First Baptist Church, officiating. Interment was at Pinecrest Cemetery. Warren Funeral Home was in charge of arrangements.

Active pallbearers were Lloyd Baucum, Harold Paucum, Sgt. Steve Hill, Jody Hill, Johnnie Errol and Jas Jackson.

Honorary pallbearers include Jimmy, Billie, Charlie and Jamie B. Correll, Wayne and Carl Hurn, Phil, Eddie, and Ricky Burdette, Ernie Rollison, C. Thompson, Chris, Mike, and Glenn Baucum, Jimmy Jackson, and Steve Hill.

Maria Diaz

Dies April 26

Mrs. Maria C. Diaz, PH.D., age 65, who resided at 216 South Florida Ave., passed away Thursday, April 26.

Mrs. Diaz was born in Santiago De Cuba and came to Avon Park five years ago, from Massachusetts. She taught Spanish at the Highlands School for Girls, until she died.

She was member of the Association of Higher Level Educators and Pedagogos of Cuba; National Federation of School Teachers; National Association of Writers and Artists of Cuba; Modern Language Association of Massachusetts; and The American Association of Teachers of Spanish and Portuguese. Five books, both text and poetry written by her and published are: "Trozo Cubano"; "Surcos"; "Remanoso"; "Trinidad, Leyenda y Remanoso"; and "Lecturas Escogidas".

Diaz was involved in the field of education from 1926 to 1972.

Survivors are her husband, Mario M. Diaz, Sr., Avon Park; one daughter, Ileana M. Diaz, San Francisco, Calif.; one son, Ariel M. Diaz, Wayland, Mass.; one step-son, Mario M. Diaz, Jr., Sebring; one sister, Emma Escanavino, Santiago de Cuba; one brother, Luis Escanavino, Santiago de Cuba; and one grandson, Michael Christian Diaz, Wayland, Mass.

Funeral services were held Sunday, April 29, at 3 p.m., from the Avon Park Chapel, with the Rev. Aden D. Childers officiating. Cremation followed. Avon Park Chapel in charge of arrangements.

Underwood Pitches Devils To Wins Over Santa Fe For Championship

THE JUBILANT Red Devil baseball team is pictured carrying Coach Ronnie Jackson off the field after winning the Class AA District 6 championship last Saturday night in Lakeland with a 4-0 victory over Santa Fe in the third game of a play-off series.

TIM UNDERWOOD, Red Devil pitcher and second baseman, lines out a hit against Santa Fe in the second game of the AA-playoff series at Henley Field in Lakeland last Saturday afternoon. Underwood will pitch for the Devils in tomorrow's regional play-off game in Ocoee at 3:30 p.m. - Photo by Lew Miller

RED DEVIL centerfielder Bud Wester crosses the plate with a run for Avon Park in the second game of the district play-off series against Santa Fe at Henley Field in Lakeland last Saturday. The Devils lost that game but came back to win the series with a 4-0 win Saturday night.

Tim Underwood pitched the Avon Park Red Devils to two wins over the Santa Fe Crimson Hawks last week-end to put the Devils into the Class AA Region 3 one-game play-off to be played at Ocoee tomorrow (Friday, May 4) at 3:30 p.m.

The senior right-hander hurled a three-hitter against the Hawks here at Head Field last Friday night after the game was rained out on Thursday night. The Devils won that first game of the three-game series by a score of 12-3. Then last Saturday afternoon at Henley Field in Lakeland the Santa Fe team came from behind in the last of the seventh inning to win the second game of the series 5-6. But the Red Devils came back for the 7:30 p.m. final game of the series, also played at Henley Field, and shut-out the Santa Fe team 4-0 behind the 4-hit pitching of Underwood.

The Red Devils slammed out 10 hits off starting hurler Stuart Hicks and relief pitcher Charlie Delatorre to take the big 12-3 win last Friday night. Tim Underwood led off a first inning barrage with a double. Bud Wester was on when hit by a pitched ball and McRae forced Wester and stole second. Then Nate Williams hit hard to the third sacker who errored on the throw to allow Underwood and McRae to score. Williams later scored when the first baseman errored on a grounder by Del Murphy. Johnny Todd also singled that inning as Avon Park off to a 3-0 lead. The starter Hicks was pulled after the first inning and then the Devils had a blast at the plate against Delatorre. In the second inning Timmy Massey doubled in Lawrence McRae. Wester singled. Todd singled again and Lawrence McRae singled as he came to bat the second time in the second frame.

Santa Fe scored its three runs in the top of the fourth on a homerun by John Taylor and a walk and then a single by Greg Guice in addition to two errors by the Devils. Avon Park added another run in the last of the fourth on a walk and singles by Johnny Todd and Lawrence McRae. Todd went three for three at the plate Friday night.

In the fifth Avon Park closed out its scoring with two runs when Underwood was safe on an error and Bud Wester tripled him in. Wester scored later on a passed ball.

The two teams squared off against each other again last Saturday afternoon in Lakeland at Henley Field with Avon Park's Buddy DeWitt going against Santa Fe's Stuart Hicks on the mound. The Hawks went ahead with two runs scored in the bottom of the first frame on a single, a throwing error, and a walk although DeWitt struck out three batters.

In the top of the third frame Avon Park came alive at the plate and scored four runs to take the lead. DeWitt led off with a single followed by Tim Underwood who blasted out a triple. Bud Wester was safe on a fielding error and Underwood scored. Then Leon McRae singled. Wester scored on the catcher when Tony Williams rapped out on a grounder and the play went home trying to get Wester. McRae scored the fourth run on a wild pitch before the side was retired.

But Santa Fe came back in the last of the third and tied the game up by scoring two runs on two singles and one Avon Park error. The Red Devils grabbed the lead again in the top of the fourth. Lawrence McRae was safe on a throwing error and took second on the same error. Tim Buddy DeWitt rapped out his second of three hits to right field and McRae scored from second. The Devils then had a 5-4 lead which held up until the last of the seventh.

The Hawks led off with a pinch hitter in the seventh and he popped up to firstsacker Tony Williams. Then the Hawks' lead-off batter singled but was forced out by Bobby McQueen's grounder to Leon McRae. Underwood fired for the double play at first and it looked like the game was over but the bases umpire called McRae safe in spite of a superb play by Williams. Then Charlie Delatorre was safe when his pop up to short left field fell in on an error leaving men on second and third with two men down. Hawk shortstop John Taylor came to bat and singled into left field to score two runners and give Santa Fe the 6-5 win and force the Devils

Former Avon Park Resident Dies In Largo Tuesday

Friends of Mrs. Alice Sherman will be saddened to learn that Mrs. Betty Sullivan Wright, her only daughter, passed away Tuesday morning, May 1, at the hospital in Largo.

Betty leaves many friends in Avon Park and Clearwater, where she has lived since 1965.

She leaves one daughter, Mrs. Kenneth Angelo, of Clearwater, known to friends here as Beth; one son, Leonard Sullivan, also of Clearwater; one brother, Dr. Charles Sherman, of Rochester, N.Y.; and her husband, Fred J. Wright of 1994 Elliot Drive, Clearwater.

Viewing will be at Stephenson-Smith Funeral Home from 5 p.m. today (Thursday), with funeral services on Friday, May 4, at 2 p.m., at Stephenson-Smith Chapel, with the Rev. Aden D. Childress officiating. She will be laid to rest in Bougainvillea Cemetery, Avon Park.

Newman Graduates With Honors

Ray Newman, son of Mr. and Mrs. Francis X. Newman and grandson of Mrs. J. J. Brown, graduated MAGNA CUM LAUDE from Polk Community College in Winter Haven, on Sunday evening, April 29. Ray was associated with the Avon Park Police Department prior to going with the Winter Haven Police Department.

Ray, his wife Toni and son, Tony reside in Winter Haven. Ray will continue his education at Rollins College in Winter Park, Fla. He is presently working toward his Masters Degree in Criminal Law. The highlight of his graduation evening was the presentation of his honor braid to his grandmother, Mrs. J. J. Brown. He is also the nephew of Gladys Young and Louise Shows, both of Avon Park.

In track and field Larris Lewis of Avon Park took a first in the standing long jump and the softball throw.

Other first place winners were Sylviane Fogle of Avon Park, 50 yard dash; Roger Jenkins of Lake Placid, 50 yard dash; Alfie Peterson of Sebring, 50 yard dash; Arnold Kidd of Sebring, 300 yard run; Margaret Barnes of Sebring, standing long jump; Fore Scrivens of Sebring, standing long jump; Celeste Wood, Sebring, bowling.

Rene Moore of Lake Placid, who had represented Florida in the 300 yard run in the National Special Olympics last summer, took second in the 50 yard dash and 300 yard run.

In bowling, two Sebring girls Celeste Wood was first. Debbie Gallimore earned honorable mention.

Track and Field

Other winners in the 50 yard dash divisions were Annie Boone, Marg Carraway, Toby Godfrey, Yolanda Sowell, Henry

TOWN TOPICS

by Eloise Sharpe

453-4351

453-4355

With the homecoming of the POW's and other servicemen returning from all parts of the world, the poem "America For Me" by Henry Van Dyke seems most appropriate. "This fine to see the Old Worlds, and travel up and down - But now I think I've had enough of antiquated things - So it's home again, and home again, America For Me! My heart is turning home again, and there I long to be - In the land of youth and freedom beyond the ocean bars - Where the air is full of sunlight and the flag is full of stars."

Guests at the Dale Jordons home last week were, Mr. and Mrs. Tim Bowyer from West Frankfort, Ill. Betty and Tim are first cousins, and hadn't seen each other for 10 years. After Tim receives his PhD in Agriculture from the University of Illinois in September, the Jordons hope the Bowyers will locate somewhere in this area.

Mr. and Mrs. Walter J. Auburn of Dundee were afternoon guests with Mrs. Mabel J. Paine prior to the Friends of the Library meeting Thursday evening of last week. Mrs. Paine and Mr. Auburn had been in Library work together before they moved to Florida and retired.

Mrs. J. Lawler Wells returned home Monday night, after accompanying her daughter and family. Mr. and Mrs. Charles Locks and daughter, Lissa (who resides in Homestead, Fla.) to Pensacola to attend the graduation of the Locke's daughter, Patty Sue, who graduated with honors as a registered Dental Hygienist, from Pensacola Junior College. Patty Sue was a member of Phi Theta Kappa Scholastic Honor Society and vice president of her class.

Wendy Seibold of Tampa is visiting her grandparents, Mr. and Mrs. C. F. Lay, this week.

Mrs. Edward Sharpe Jr. (Lisbeth) and children, Carrie and Kenneth arrived today (Thursday) for a visit with her parents, Mr. and Mrs. Ed Brantley Jr. They were accompanied by her sister-in-law, Gwen Hafford, who had flown up to Ft. Knox last week for a few days visit, before moving back to Florida with them. After a short visit in Avon Park, Lisbeth and children will leave for Brandon to make their home, where Captain Sharpe will join them after his graduation at Ft. Knox.

Sharon Moseley Honored With Miscellaneous Shower

Among the parties continuing for Miss Sharon Moseley, who will be wed to Doug Bash of Sebring on June 8, was a miscellaneous bridal shower held at Wesley Hall of First United Methodist Church on Friday, April 27.

The bride-elect was presented a miniature colonial corsage of pink carnations, white baby mums and bridal wreath, which complimented her three-piece pink and white double knit ensemble.

The guest book, on a table covered with a cut-work cloth, and adorned with a miniature bridesmaid, was attended by Miss Donna Crews, Miss

Margaret Lynn Miracle, and Miss Bertie Ross of Sebring. The gift tables, centered with an arrangement of Easter lilies and English dogwood, featured a bridal umbrella, bride, rice, and flowers, carrying out the bride-elect's colors of aqua and pink. Helping Sharon with the opening and recording of her many gifts were Kay Stock of Sebring and Carla Conerly, her cousin, from Wauchula. Pink lace overlaid the refreshment table, centered with a bouquet of spring flowers. Crystal compotes held nuts and mints which the guests enjoyed along with a tasty punch served from a crystal bowl, and rosebud

adorned cake squares.

Helping greet the many guests, calling between the hours of 7:30 and 9:30, were the mother and grandmother of the bride-elect, Mrs. Charles Moseley and Mrs. S. D. Carlton and the mother of the future bridegroom, Mrs. Moyne Bash of Sebring.

Cordial hostesses honoring Sharon with this party were Mrs. Aaron Cravens, Mrs. Leslie Crews, Mrs. Richard Depina, Mrs. Charles Metcalfe, Mrs. John Gross, Mrs. M. L. Kindel, Mrs. Andrew Miracle, Mrs. O. F. Layne and Mrs. Willard Griffin. Their gift to the bride-elect was a toaster.

Mr. and Mrs. John Franklin Welch

Welchs Will Be Honored On Golden Wedding Anniversary

Mr. and Mrs. John Franklin Welch will be honored on Sunday, May 6, from 3:00 until

5:00 p.m., at their home, 17 E. Circle St., Avon Park, with open house in celebration of their 50th Wedding Anniversary. Hosting the event will be their six children: Mrs. Ernest Childers (Dorothy); Miss Mae Welch, Mrs. Helen Albright, Mr. Franklin Welch Jr., Mr. Glenn Welch, all of Avon Park; and Miss Claribel Welch from Spring Hill, Tenn.

Mr. and Mrs. Paul Lacey, who have resided in Avon Park for 15 years, will leave this week to make their home in Holly Hill, Fla., to be near their son and family, Mr. and Mrs. Kermit Lacey.

Mr. Welch came to Avon Park in 1918. In 1953 he started the Green's Fuel Gas Service with his brother, the late Ed. Welch.

All friends and relatives are invited to attend and help them celebrate this happy occasion.

Dr. Ferdinand Porsche, Germany; Donald Healy, England; and Count Giovanni Lurani, Italy. The Hall

Mrs. Carlisle Visits Friends Here Recently

Mrs. Viola Carlisle left from Tampa International Airport on Wednesday, April 16, after spending an enjoyable three weeks here in Avon Park, as house guest of Mr. and Mrs. John (Olga) Bridges. Accompanying her to the airport were Mrs. Bridges, Mrs. Solving Gerrard and Mrs. Callie Hall, who enjoyed lunch in Tampa before her plane left.

Mrs. Carlisle has been entertained extensively while in Avon Park, and wishes to thank everyone who has called or entertained her in anyway. She has enjoyed every minute of her stay and visits with her friends. On Thursday, April 12, Mrs. Bridges and Mrs. Carlisle spent the day in Lakeland, with Mrs. Bridges as guest of Mrs. Carlisle at the Red Lobster Restaurant.

The weekend of April 13, Mrs. Carlisle was guest of Mrs. Solving Gerrard, returning to the Bridges on Monday. On Monday, April 16, Mrs. Elizabeth Winkler of Avon Park Lakes entertained Mrs. Carlisle. Mrs. Bridges and Mrs. Gerrard at lunch in her home.

Others entertaining Mrs. Carlisle for lunch while here, were Mrs. Mildred Gaster, Mrs. Helen Tyson, Mrs. Ennis Bussard and Mrs. Maude Bedard.

recognizes automotive leaders throughout the world.

Mr. Hansen, chief executive officer of Mack Trucks, Inc., of Allentown, Pa., is an advocate of the plan of Sebring Automobile Hall of Fame to build a center here honoring living leaders of the automotive industry as well as those of the past. This is the only Automobile Hall of Fame in the world.

Layes Have New Daughter

Mr. and Mrs. Ronald A. Laye of Avon Park announce the arrival of a daughter on Friday, April 20, at Winer Haven Hospital.

The little lady has been named Allison Elizabeth and weighed 9 pounds and 6 ounces.

Proud grandparents are: maternal, Mr. and Mrs. Clay Williams, paternal, Mr. and Mrs. O. F. Laye, all of Avon Park.

MRS. RAY JOHNSON of the Avon Park Woman's Club, in her tawny beige double knit outfit of a print coat and plain dress, competed and won first place in the Sewing Contest at the Woman's Club State Convention at the Carillon Hotel, Miami Beach. She had previously won in her local club, then in the District 1 Convention in Lakeland. Mrs. Johnson received a certificate of merit

from Mrs. Carl King, president of the Florida Federation of Women's Clubs and from state chairman, Charlotte C. Heath, in recognition of her outstanding achievement in the sewing contest for 1973. She also received a cash award of \$25. Plans are now being made for her next showing at the National Convention in Baltimore in June. Photo by Sharpe

Johnson Places First In Contest

The Woman's Club of Avon Park was honored when one of its members, Mrs. Ray Johnson came in first with her outfit of a coat and dress of tawny beige double knit, in the sewing contest at the State Convention last week in Miami.

There were three categories, Senior, Junior and Spadea Pattern. There were 14 districts so 14 competed in the Senior and Junior contests. Avon Park also had an entrant in the Spadea Pattern Contest. Mrs. J. Wagner made and wore a light blue linen suit and she

looked lovely when she modeled it. There were eight contestants.

Besides Mrs. Johnson and Mrs. Wagner, Mrs. W. C. Smith, president, and Mrs. Thomas R. Clarke were delegates at the convention.

Mr. and Mrs. T. E. Mills

Couple Celebrates Golden Anniversary

Mr. and Mrs. T. E. Mills of Avon Park Lakes, celebrated their "50th Wedding Anniversary" on Sunday, April 22, at their home. The three daughters and two sons of the Mills, who hosted the party were: Mr. and Mrs. M. H. Rhodes of Tampa; Mr. and Mrs. C. B. Morris of Bloomingdale, Ga.; Mr. and Mrs. J. C. Timberlake, Hollywood; Mr. and Mrs. B. E. Mills, Hialeah; and Mr. and Mrs. C. G. Mills of Orlando.

Mr. and Mrs. Mills were married on April 22, 1923 in Tarrytown, Ga., coming to Avon Park from Hollywood, Fla.

A large arrangement of yellow - gold mums with two love birds perched beneath a gold 50th, decorated the party

rooms, where a family dinner was enjoyed at noon, followed by open house between the hours of 2 - 6 p.m.

A gold lace cloth covered the table from which punch was served along with the anniversary cake. The cake was three-tiered, white with gold accents, topped with a "50th" in gold.

The Mills received many gifts and flowers from their friends who called during the afternoon.

Included in the guest list were, 14 grandchildren, 9 great-grandchildren; Mrs. Mills' seven sisters and one brother; Mr. Mill's three sisters; several nieces and nephews, cousins and many friends.

Episcopal Women Will Meet May 9 After Communion

The Episcopal Church Women of Avon Park, will meet for their regular monthly meeting on Wednesday, May 9, Church, Mrs. E. Hise hopes all after the midweek Communion members will be present.

The Service will be at 10 a.m., instead of the usual 9:30 a.m. This will be the last meeting of the year, and will feature a "covered dish luncheon". Members are asked to bring a dish to pass and their own table service. Coffee will be provided.

Mrs. E. G. Todd, Program Chairman, has a most enjoyable musical program scheduled. Mrs. Todd's programs have been appreciated and thoroughly enjoyed during the winter. It is hoped all members will make an effort to attend this last program of the season.

Youth Choir To Sing

The public is invited to share an evening of song and worship at the First United Methodist Church, Avon Park, May 6, at 7:30 p.m.

Both the youth and child choirs will be singing special music, along with a duet by Beverly Mann and Clara Jo Pipko. Favorite hymn singing will be led by Evelyn Jones, with Callie Wright at the piano. Concluding the program will be a sermonette by the Rev. Duane R. Zoller.

HAPPY BIRTHDAY

We wish a "Happy Birthday" to the following people who will be celebrating their birthdays this coming week.

May 3 - Blanche Brantley, Steven Antley, Guy Crews, Glena Tomblin, Jackie Carroll.

May 4 - Richard Ferguson, Viola Carlisle, J. T. Landress, Elmer H. Fullmer, Terry Arnick.

May 5 - Laura Weber, Debbie Hebenthal, Stevie Peoples.

May 6 - Velma Rodding, Lucille Lemler, Cleve Winegard, Wilbur Selph.

May 7 - Earl Dunaev, Robert H. Barringer, J. B. Cummings.

May 8 - Margo E. Maxwell, Faye Gordon, Fred Wheelahan III, Lorna Elyea, Linda Andrews.

May 9 - Jeri Kay Cienney, Gordon Marshall.

We wish a belated "Happy Birthday" to Lillian Ashurst and Tim Massey who celebrated their birthdays on April 29 - and to Gena Bradberry who celebrated on May 1. Are you or a friend having a birthday soon? If so, let us know.

Mr. and Mrs. Maurice F. Spurlock

Mr. And Mrs. Maurice Spurlock Celebrate 50th Anniversary

Mr. and Mrs. Maurice F. Spurlock celebrated their 50th wedding anniversary on April 28, with open house for 60 of their friends and relatives attending.

The week-end began with a family dinner on Saturday afternoon. Those attending were Floyd L. Spurlock, their oldest son; Fannie and Peggy O'Bannon and their children, Charles and Barbara; Floyd L. Jr. and daughter Michele; Debbie Jenkins and son Brannon; Maxine Spurlock and children, Allen and Cynthia.

William E. Spurlock and Paul E. Spurlock were not able to attend. William having been hospitalized on Friday evening with a slight concussion, and Paul living in Royal Oak, Mich. and unable to make the trip at this time.

Maurice and Ethel were married in Wauchula in 1923 and came to Avon Park in 1924 where Mr. Spurlock worked as caretaker for Haupman Groves in 1944, they moved to Birmingham, Mich., where he was employed as a mechanic for Greyhound Bus lines.

In 1964, they returned to Florida making their home in Okechobee and working as a clerk for Robinson Feed Store until his retirement in 1965. Since that time he has kept active with a truck - garden.

On Sunday afternoon, Peggy O'Bannon and Debbie Jenkins served punch and homemade cookies, cake and coffee to those visiting. Living room furniture will be purchased from gifts placed on a money tree.

Tim Massey Has 15th Birthday

Tim Massey, son of Mr. and Mrs. Herchel Massey, celebrated his 15th birthday Sunday, April 29, with a party at the private beach of Mr. and Mrs. Ray Elkhill on Lake Viola.

The celebration, a combination wicker roast, skiing and swimming party was topped off with a white iced cake, inscribed in blue with "Happy Birthday Tim".

Friends enjoying the afternoon with Tim and helping him celebrate were: Lisa Clifford, Candi Jahna, Kim Smith, Mary Linda Derkman, Janice Murphy, Rene Cienney, Vicki DeWitt, Kim Kempton, Sue Nunnallee, Johnny Barker, Steve Brock, Mike Birt, Perry Prescott, Van Roan, Raleigh Turnbull, Bobby Young, Tony

King, Robert Padeleford, Tommy Lewis, Kenny Fletcher, Smokey Hill, Bobby Fulford, Mike May and his brother, Jimmy Massey.

Hosting the party were Tim's parents, Mr. and Mrs. Massey.

Dresses To Be Judged In Contest

By LAVERNE M. FULLMER
Avon Park Grange met Tuesday, April 24 with Louise Clarke presiding. Edith Martensen, chairman of the Home Economics Committee, reported that the dresses for the National Grange Sewing Contest was judged April 26 and taken to the Pomona Grange chairman for judging at the Fifth Degree level. Entries for the National Grange Needlework Contest are to be turned in by July.

The program was planned as a welcome to the members taken into the Grange since last August. A vocal solo, We Welcome Tonight Our New Members, by Edith Martensen; an explanation of Grange contests by LaVerne Fullmer; Ritualism by Florence Martensen; Florida Number, Lakeland, a Flashy Place, by Loyd Slocum; Patriotic Pride, a reading by Ralph Fulmer; Celebration of Easter, a reading by Louise Clarke; The Easter Lily by Caroline Webber; The Easter Egg by Mary Haviland and The Easter Rabbit by Leona Smith. Jones Fullmer's hat was judged prettiest in the Easter Parade by the judges, Claude and Phoebe Chase.

Thought for the day - "Your true religion is the life you live, not the Creed you profess."

During the social hour refreshments were served by Caroline Webber. Louise Clarke, chairman of the Youth Committee, has invited the members of Avon Park Rebel Riders - 4-H Club to be present at the next meeting and put on a demonstration. This will be held in the Men's Bible Class Room of the First United Methodist Church at 8 p.m., on Tuesday, May 8.

MRS. ASH WING is shown with her camel collection, a hobby she has pursued for 25 years. Her camels are in a variety of materials such as fabric, glass, driftwood.

olive wood, plastic, and parafin. They come from countries such as India, Italy, Israel, Mexico, and Japan. (Photo by Askren)

EACH YEAR the National Grange conducts a sewing contest sponsored by several companies who make threads, trims, materials, etc. All State Granges are given a quota to try to reach through their Subordinate Granges. In Florida each of these Granges are asked to try to get at least five entries. Avon Park Grange has six entries this year. Five of them are pictured above in their finished dresses. From left, Mrs. Donald Mason, Mrs. Keith Debo, Mrs. Edwin Swanson, Mrs. Edith Martensen and Mrs.

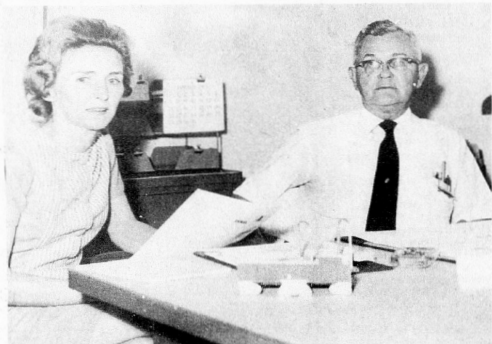

Alfred Haviland, Mrs. Lloyd Wyant was not present when the picture was taken. At this judging on Thursday, April 26, the following were winners: Mrs. Swanson, first place; Mrs. Mason, second; and Mrs. Haviland, third. These dresses will go on to the district or Pomona, as it is called in Grange. The winners then from the Pomona will go on to the State judging which will be May 25 in Fort Myers at the Tice Community Club. Photo by Sharpe

Twins Celebrate Birthday

Twin brothers A. Q. and Q. A. Moree of Avon Park, were honored with a dinner and family reunion in celebration of a combined 160 years, their "80th" birthdays, on Sunday, April 22.

The celebration was held at the home of Mr. and Mrs. Vic McGovern and Mr. and Mrs. Q. A. Moree, at 909 West Palmetto, Avon Park. After the dinner, punch was served with the large white iced birthday cake, adorned with pink rosebuds and inscribed with "Happy 80th Birthday". The twins have lived in Avon

Rewis Leads Team With Runs Batted In

Rance Rewis, senior from Avon Park, playing a steady game at shortstop, has been one of the reasons for the good season being enjoyed by the Mulierders of Southern State College, Magnolia, Ark. The Mulierders are in a tight race with Henderson State College for the top spot in the Arkansas Intercollegiate Conference, being one-half game behind the Reddies at the present.

Rewis spent part of his time as a junior on the mound but has played at shortstop this season.

In a season curtailed by bad weather, Rewis in 15 games has a fielding average of .289 and a batting average of .289. He is the leading Mulierder in extra base hitting and in runs batted in.

TUESDAY BINGO

Bingo every Tuesday at 7:30 p.m., at Our Lady of Grace Hall, 595 East Main St., across from the new High School. Refreshments served. Everyone welcome.

74 Students Take Nationwide Math Exam

Seventy four students from Avon Park High School recently took part in the Twenty Fourth Annual High School Mathematics Examination. This is a nationwide examination designed to challenge students with mathematical ability. It is sponsored jointly by the Mathematical Association of America, the Society of Actuaries, Mu Alpha Theta, National Council of Teachers of Mathematics, and the Casualty Actuarial Society.

State Chairman for Florida is Dr. D. R. Lichtenberg of the University of South Florida in Tampa. Students took part voluntarily from the mathematics classes of Mr. Sechrist and Mr. Lemler.

The top three students in a school constitute that school's team. The top three of Avon Park High School were (with their scores): Dan Davis (43.25), Mark Clifford (31.75), and Bryan Davis (29.50). A total of 10,489 Florida High School students took part. They represented 147 Florida

schools. Avon Park High School's team was in 35th position in the state. Top team for Florida was Clearwater High School.

Dan Davis will receive a Bronze Certificate of Achievement for placing first in Avon Park High School for the second consecutive year.

Ranking just below the top three for Avon Park were: Brad Beumel, Grant Stallard, Kent Akelsen, Noma DuPree, Laurie Rehner, Gay McAfee, Ken Collinsworth, Eddie Simon, Linda Dance, Conna Ford, Vicki DeWitt, Jean Carver, Terri Dillow, and Larry Bean.

LEGION BINGO

Come and enjoy an evening of Bingo at the American Legion Hall on West Bell St., Thursday, May 3, at 7:30 p.m. Two jack-pots going, free refreshments. Come and bring a friend.

Auburn Speaks

To Friends Of Library

The Friends of the Library, held their Annual Dinner Meeting last Thursday night, April 26, at the Jacaranda Hotel. The speaker was Mr. W. J. Auburn from Dundee, who was introduced by Mrs. T. Hayes Maxwell, vice president of the group, and chairman for the dinner.

Mr. Auburn shared with the group, some of the things that Friends of the Library are doing in Dundee, then went on to make some interesting remarks on fine libraries that he has seen. In his most interesting talk, Mr. Auburn stated, "With the population increase, the physical needs of the city become astronomical. It is understandable that the City Fathers are primarily concerned with increasing needs of sewage outlets, more water, streets, lighting, etc., but the cultural aspects of life such as the library services for the community, also increases in proportion to the population growth."

Friends of the Library are organized to help with this community service through the library. The program included a fine dinner followed by some good fellowship; then president Paul Gentry opened the meeting

PRESIDENT Paul F. Gentry and vice president Mrs. T. Hayes Maxwell, program chairman, with the guest speaker, Walter J. Auburn of Dundee, at the annual meeting of

the Friends of the Library held Thursday, April 26, at the Jacaranda Hotel. - Photo by Sharpe

with a welcome. Mayor Bob Barben, City Clerk Malcolm Crews and Councilman Milton Howard were present and were recognized as special guests. Members of the new Library Board recently appointed by the City Council were introduced. These are President, J. T. Landress; vice president, Mrs. Mae Langman; secretary, Paul Gentry; Mrs. Anna Belis, Worden and Mrs. Helen Britt. These in-

troductions were followed by a question-answer period concerning the future plans for the library. This part was led by Dan Davis, secretary of Friends of the Library.

President Gentry would like to remind everyone again that the immediate need is an inventory with which we need voluntary help. Anyone interested should contact Mrs. Helen Britt, librarian at Avon Park High School.

Conference On Child

Learning Set May 5

The first State conference of the Florida State Association for Children with Learning Disabilities will be held in Buena Vista, at the Dutch Inn on May 5, 1973, from 9 a.m. to 4 p.m. Buena Vista is just southwest of Orlando on Interstate 4, approximately five miles north of the entrance to Disney World.

This conference will be multi-disciplinary with several well-known speakers and workshops dealing with the medical aspects of learning disabilities, early identification and diagnosis, and classroom techniques. There will be special sessions for parents, teachers, medical personnel and other persons who deal with the learning of the disabled child.

Included in the program will be the keynote address by Doran Kneick of Toronto, Ontario, Canada, a well-known author and lecturer in this area of education, and an address by Dr. Landis Stetler on the present and future of learning disabilities in Florida.

Registration may be made by sending \$10 registration fee (which includes luncheon) to Mrs. James C. Rowan, Box 1555, Winter Haven, Fla. 33880.

Checks should be made payable to the Association for Children with Learning Disabilities.

Newmans

Honor Son

On Graduation

Ray Newman was guest of honor on Saturday evening, April 28, at Christy's Sundown Restaurant in Winter Haven. The dinner was hosted by his Mother and Father, Mr. and Mrs. Francis X. Newman of Avon Park.

He was presented with gifts and cards of congratulations from relatives and friends. His sister and brother-in-law, Sgt. and Mrs. Oscar Castellanos attended the celebration. It was an evening of fun-filled entertainment for all. Ray graduated on Sunday evening with Academic Honors from Polk Community College in Winter Haven.

Devils Track Team Wins Meet At Fort Meade

The Red Devil thin-clads took third place at the Fort Meade Invitational track meet held last Thursday and Friday afternoons. Fort Meade won the meet and Frostproof came in second in the eight team affair. The meet was scheduled for Thursday afternoon and Thursday night but was rained out after the preliminaries were completed in the afternoon session. So the finals were held on Friday afternoon. The Avon Park squad will compete tomorrow (Friday, May 4) in the district track meet which will also be held in Fort Meade with preliminaries set for 4:00 p.m. and finals scheduled for 6:00 o'clock that evening.

Couch Chet Brojek is expecting Arnold Davis to qualify in the 440-yard dash. Davis took first place in that event last week with his best time of the year—a 52.8 second running. Also expected to win a trip to the state track meet to be held at Showalter Field in Orlando next week is James Brown. Brown won first place in both the mile and the two-mile at the invitational last week. Eugene Sneed and Reid Wall should also qualify for state in the district meet tomorrow. First and second place finishers in each event qualify for the state meet. Couch Brojek also hopes Curtis Foster and Richard Percy will earn a chance at state competition. The mile relay team of Curtis Foster, Glen Ay, Bruce Trescott, and Arnold Davis has a good chance to place tomorrow and will be trying hard to edge out Santa Fe or Mulberry, the two teams who finished first and second last week.

Avon Park took first, second and third place in the two-mile last week as the Devil distance boys continue to burn up the track. Brown was first, Eugene Sneed second and Reid Wall third. The Devils took four places in the mile race with Brown first, Wall second, Sneed fourth, and Ralfeigh Turnbull sixth.

Curtis Foster finished just behind Portee of Lake Placid in the 440-yard run which Davis won. Foster had a 54.3 and Portee was 54.2 seconds. Other

third place finishers for Avon Park were Richard Percy in the high jump, Bruce Trescott in the intermediate hurdles, and the 380-yard relay team of Gray, Gust, Robinson, and Hagan. The mile relay team also came in third.

Taking fourth place finishes were Percy in the long jump, Trescott in the high hurdles, Hagan in the 100-yard dash, Trescott in the pole vault, and Hagan in the 220-yard dash.

Gary Gust came in fifth in the intermediate hurdles and the sprint-medley relay team of Doug Fletcher, Mearl Robinson, Edward Moses and Edward Jones also had a fifth place finish for 3 points.

Glen Gray came in sixth in the long jump and Larry Sneed took a sixth in the 880-yard run to close out the Avon Park scoring. James Brown paced the win with 14 points and Bruce Trescott contributed 11½ points to the total.

4 Salesmen Named To Exclusive Club

Four salesmen from Avon Park Motor Co., Avon Park, have been named members of Ford Division's exclusive 300-500 Club, a national organization of outstanding Ford salesmen.

Membership in the club was earned through individual sales success during the 1972 calendar year.

Club members will receive awards from A. G. Walker, Ford Division's Jacksonville district sales manager, at a banquet Saturday, April 28, at the Thunderbird Motel in Jacksonville.

The purpose of the 300-500 Club is to recognize outstanding salesmen and to highlight automotive sales positions as "valuable service to the national economy and the local community." Mr. Walker said.

The 300-500 Club was founded 23 years ago.

The four honored employees are Lee Tanner, William H. Sebring, Lewis Mundi, and Joe J. Marac.

May 16 Is Family Night At Methodist Church

The United Methodist Women held their regular monthly meeting Tuesday morning, May 1, in Wesley Hall. Mrs. Edgar Smoot, president, presided.

The meeting opened with a memorial to the late Mrs. Clara Farnell and Mrs. E. B. Garrison. A poem and a prayer were given by Mrs. Anthony Rutz. The devotions were given by Mrs. Solveig Gerrard, scripture reading I John 4:7-12.

Mrs. Arthur Carroll was in charge of the program. The topic: "God loves us - our response - living and acting in love". The following members

took part on the program: Mrs. John Williams, Mrs. Hubert Bussard, Mrs. Otto Frier, Mrs. Herbert Kelly, Mrs. Anthony Rutz and Mrs. Alton Wetmore.

It was announced that May 16 is Family Night supper at 6:30 in Wesley Hall. The speaker will be an instructor from the South Florida Junior College, who has been in the Peace Corps. He will speak on India.

The Mother - Daughter banquet will be held May 10 in Wesley Hall at 6:30 p.m. The June 5th meeting will be a box lunch and the program will be on India, the mission study for the year.

We learned installation and service from the people who invented air conditioning!

Carrier, the country's No. 1 air conditioning maker...and the first to make it...knows the unequalled value of efficient, expert installation and service. You have an important investment in your air conditioning system. Its ability to provide quiet, comfortable cooling...reliably and economically...has a marked bearing on the value of your property (and the efficiency of your business, too, if yours is a commercial establishment.) Certainly, any equipment this vital deserves the finest in maintenance and service. That's what we provide.

Whatever the type system, our personnel can give it the professional attention to keep it performing efficiently and smoothly. We have earned a reputation for quick, courteous service, and earned it the only way it counts: through honest trading practices. When you need air conditioning service, call your authorized Carrier dealer and get it done right. The first time.

Letters To The Editor

Editor Sun:
When I read in the Sun four of our Councilmen had voted to put a street through one of our parks, I thought for sure it must be an April Fools Joke. I find out it is for real. I can sort of see why two of our Councilmen would vote for such a thing, and maybe even a third, but what has happened to conservative Clarence King? Most of us thought he would give us a better deal for our money than this single interest project.

Many people have said since the Federal Government has given us money, the Council would find some ridiculous manner to dispose of it and it seems they are correct. There is still hope. The Council has to have permission from the State Road Department, also the S.A.L. Railroad, maybe one of these departments will come to our rescue.

I hope the local Garden Clubs, Business Women's Clubs, Chamber of Commerce, and Civic Clubs will take a stand on this, and let our Councilmen know their wishes. To Councilman Woodruff, and Mayor Barben, I say thanks. Maybe with a little persuasion, some of the other Councilmen will see the light. Let's hope so. Sincerely yours Sam Jones

The surrounding towns are known for one or more attractions. Sebring is known for their race and Highlands Hammock, Lake Wales for the Bok Tower and Spook Hill; Winter Haven for Cypress Gardens; Avon Park for our Park through the middle of town, and our poor mail service. Let's keep the former and try to improve on the latter.

Editors Note: The Council has since decided against putting the street across the Mall.

Editor Sun:

It is possible for any man in this fast age to do the best he can for himself, his family and his people and not be accused of leading a false or meaningless life?

Even a simple man can not afford to worry about the beats that life's rhythm miss. For every beat that is missed the single man's life is recreated. That same beatless adds years and wisdom to time and enables the often misunderstood and simple pattern of life to be eternal.

Brothers and Sisters the oldest working man in the world lives in Bartow, his name is Charles Smith. He has worked regularly for over 100 years. Can you imagine what can happen now that Brothers and Sisters are beginning to work together, not only here in Avon Park, but all over the world. Let us all do whatever we can do the best we can together in Truth, Peace, Love, Understanding and Brotherhood.

Broadway Chick
Education Test To Be Given At SFJC

The General Educational Development test (high school equivalency) will be given at South Florida Junior College May 22, 23, and 24. This test will be for individuals who have not completed their high school education but desire to have a high school equivalency diploma.

This diploma is recognized by most colleges and universities for admission purposes as well as most employers who require a high school diploma. The requirements which must be met before taking the test are: (1) at least 18 years old; (2) a resident of Florida; (3) have completed courses in American History and government or take an end-of-the-course test. This can be done by calling Gene Statler, Director of Vocational Counseling, 453-6661.

The deadline for applying to take this test is May 10. The cost is \$7.50. For any additional information, interested persons should call SFJC.

In shuffling on Wednesday evening the tournament winners were Bertha Brush and Leonard Porter with Alton Wetmore and Geraldine Long the runners-up. George Geisler and Dorothy Barnett won in consolation over Laverne Staley and Henry Barnett. Twelve courts were in play. On Saturday evening the winners were Chris Cabezas and Frank Fred with George Coombs and Paul Manegold coming in second. Third were Howard Long and Henry Barnett and fourth were Edward Edwards and George Geisler. Ten courts were in play.

Five tables of pinochle players competed for the high scores on both Monday and Friday afternoons. First - Frieda Steen 716; Sadie Benson 656; Elmer Good 691 and Bertha Brush 667.

Tuesday afternoon was the last game of bridge for the season. Juanita Carr came in with the high score of 9656 and Chris Cabezas 3600. Juanita Carr says "Thanks to everyone and see you in the fall."

Thursday was Duplicate bridge with Eleanor and Joe Nickerson high, second was Sarah Spindler and Bertha Brush, third, Sylvia and Morris Landisman. This was the last

duplicate till fall, and Jean Ladington says "Thanks and see you in the Fall."

The pot-luck supper was hosted by Paul Steiner with 19 present. The birthday song was sung to Minnie Eisenmenger. Five of these folks will be leaving for the north this week.

The Maynard McKinnons have been visiting their daughter, and family in Washington, Iowa, Mr. and Mrs. Arvin Newirth. Mrs. Newirth was just home from the hospital after serious surgery, from which she is recovering very nicely. Alta Robinson is in the hospital for tests

Health Survey Starts In Avon Park This Week

A survey to determine the state of health and health needs has begun in Highlands County, and will begin in Avon Park this week.

This survey is part of a tri-county study including Polk, Hardee and Highlands to determine the state of health of the area. It will assess the needs for programs to improve the health situation in the area of physical, mental, and family-group health.

Members of the household will be contacted in person by a trained interviewer and a date set for the interview. In Highlands county, Mrs. James Livingston will be in charge of the study. Assisting her in the interviewing will be Louise Schumacher, Mrs. Don Mitchell, and Mrs. Eric Johansen.

Directed by Dr. Roger Bell in Winter Haven, Southern Health and Family Life Studies is handling the project. The study is modeled after a similar project at the University of Florida, but is the largest health assessment ever undertaken in a clinical setting. When completed, this study may become a pilot project upon which studies all over the United States will be modeled. Covering an area of approximately 3,700 square miles, a master list of all the households in the three-county area had to be compiled. From this list, which numbered more than 100,000 households, 2,000 were chosen at random for the study. 230 of these are in Highlands county. Each of the residences will be sent a letter from Dr. Bell

explaining who and what Southern Health and Family Life is, why the study is being taken, and why it is important for each household contacted to cooperate in the study if possible. According to Dr. Bell, when an interviewer arrives he lists all the adults 18 years or older in the household. A special table is then designed to interview which adult he should interview in that home. The system is called the Kish system of Social Research. Dr. Bell said it was designed to provide a cross-section of all adults over 18.

Although some of the questions are of a personal nature, Dr. Bell assures complete confidentiality of the answers. "Although the people are individually involved, their answers are all put together and actually become group answers," Bell said. "This maintains total confidentiality."

Once the interviewing is completed Dr. Bell, who is a sociologist, will begin compiling all the data. He will write computer programs that will gather the information based on whatever criteria is desired, such as age and health. Health and family life problems of the retired, for instance, can be looked at separately from those of the young married with children or the disabled or the unemployed. These programs will be available for each county and eventually for each town.

With such information clearly tabulated, Dr. Bell will

make recommendations as to where health services are needed, or where health services need to be improved.

New programs can be designed, and existing programs can be evaluated.

"A follow up study is planned to determine whether our study has helped to improve conditions," Dr. Bell said.

Mrs. James (Pat) Livingston, who will be the Highlands county coordinator of the program, expressed her enthusiasm for the project. "It is exciting and gratifying to be working with a project sponsored by federal, state, and local funds to actually contact people personally and determine their feelings, needs, and opinions concerning such a vital matter as personal health

and family needs. Working in this way to improve available services that can help enhance the quality of life is an important thing. I hope the people chosen in the random sample will share this enthusiasm and realize how important the contribution of their interview will be in de-personalizing the administration of crucial services. I think it is well worth the time involved for each one in view of the good it can do for

Apprenticeship Program Underway

Young men in the 16-26 age bracket could spend the next four years learning a skilled trade such as bricklayer or tilesetter and, at the same time, average as much as \$10,000 a year in wages.

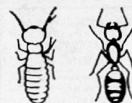

That is what is happening to thousands of young men throughout Florida who elected to enter one of the many skilled trades through an apprenticeship program.

The Florida Department of Commerce (FDC) Bureau of Apprenticeship plays an important role in promoting the many apprenticeship programs in Florida.

After a four-year apprenticeship is completed and the man's classified as a journeyman, he will be getting \$7 an hour or \$280 for a 40-hour work week.

Young persons with a high school diploma or its equivalent are urged to investigate the potentials of the apprenticeship program by visiting one of the FDC's Employment Service Offices. They are located throughout Florida. Or interested persons can write to: FDC Bureau of Apprenticeship, 201 Ashley Building, Tallahassee, 32301.

WORSHIP BEGINS IN THE HOME

Our home is more than just a pretty structure, of course it does provide comfort, but beyond that, it is a place where joy abounds... it is a place where love is abundant, it is a place of cooperation, and it is a place where the Lord is worshiped. From the home, our relationship with God is carried over into the church. It is there that my family is able to share worshiping the Lord with others. Ours would not be a full life, if we did not participate in worship at home and church. Attend church this week and join us in worshiping the Lord.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

1. Card of Thanks

WE WISH to thank the whole staff and nurses of the Highlands General Hospital for the good care they gave me. We also thank all our good friends and neighbors for the many flowers, gifts and all those beautiful cards I enjoyed reading with tears in my eyes. Our special thanks to Dr. Bailey and Dr. Sangany. Thanks again and God bless you all.
Conrad and Millie Klupp

WE SHOULD like to express our appreciation for the cards, flowers, food and other tributes of kindness during the recent loss of our loved one, Aaron Cassels.
Cassels and Staffords

CIVIL RIGHTS LAW NOTICE

THIS NEWSPAPER does not knowingly accept HELP WANTED ADS that indicate preference based on age from employers covered by the AGE DISCRIMINATION IN EMPLOYMENT ACT. More information may be obtained from the Wage Hour office at 400 West Bay Street, Jacksonville, Florida 32202.

Designations as to sex in our Help Wanted and Employment Agency columns are made only when an employer regards sex as a bona fide occupational qualification for employment which an employer regards as reasonably necessary to the normal operation of his business or enterprise, or (2) as a convenience to our readers to let them know which positions the advertiser believes would be of more interest to one sex than the other. Such designations shall not be taken to indicate that any advertiser intends or practices any unlawful preference.

NOW! for Shag Rug Cleaning...

Electrolux Introduces the AIR RAKE

1. Fluffs your shag and deep cleans down to the base of the rug.
2. High-velocity air suction power scoops up ground-in dirt, grit and hairs.
3. Guides easily forward and backward through deepest pile. No wear on fibers.
4. Combination surface cleaner snaps into action with a flick of the wrist. Surface soil disappears in a flash.

Invite your Electrolux "Show-Man" in the bright big blazer with the big golden "E" in to show you the AIR RAKE!

ELECTROLUX

PICTURED HERE WITH Congressman L. A. "Skip" Bafalis are, from left, high school students Wayne Burback of Lake Placid, Susan Sisemore of Avon Park and Kathy Freeland of Sebring. These three junior students were selected to visit Washington May 12 to 19 with their chaperones, to learn first hand how our federal government functions. - Photo by Sharpe

County Students Named For Intern Program

Colonel Sid Shenger of Lake Placid has been named chairman of the committee to investigate and work out the details for the first annual Student Intern Program, by the Sebring-Lake Placid Board of Realtors. He has also been appointed as coordinator for this project of L.A. "Skip" Bafalis, (U.S. Representative) in all of Highlands County for this year.

The three high schools in Highlands County, Avon Park, Sebring and Lake Placid are sending a junior student to Washington, chosen as an outstanding member of the junior class to spend a week in the nation's Capital learning first hand how our federal government functions.

The students selected to make the trip from May 12-19, are: Susan Sisemore, daughter of Avon Park, Kathy Freeland of Sebring, and Wayne Burback, of Lake Placid. The couples chosen to make the trip this year, who will spend every minute of the students while on the trip, are Mr. and Mrs. John Dale from Cape Coral and Mr. and Mrs. Mike Jeffries from Fort Pierce. They are responsible young couples who relate well with youth.

The cost of the trip is about \$350.00 per student, with a trust agreement prepared for this project and account opened at the Sun Bank of Fort Pierce. The trustees handle all monies - receiving contributions and paying bills. Any excess remaining in the account this year after paying all expenses will remain in the account and be used for next year's trip.

Bafalis stated, "It is my hope that we can find civic, business, and professional organizations that will agree to underwrite this program by sponsoring one or more students on a continuing basis. We are, of course, accepting contributions of any size and have already received a number of smaller checks from private citizens just interested in helping out this worthwhile effort." Checks should be made out to: Tenth Congressional District Intern Program Fund and mailed to: The Sun Bank, 700 Virginia Avenue, Fort Pierce, Fla. 34901 (Attn. Mr. Locklin); or to Colonel Sid Shenger, Box 131, Lake Placid, Fla. 33852.

A representative or an alternate student from each High School to participate in the Intern Program, is made by the school and the Intern Committee based on the following criteria: The student must be doing creditable work in all classes, the student must have demonstrated an interest and have been active in

government and political science courses and activities. The students also had to answer the following questions in 30 words or less: "Why do you think you should be considered for participation in this science courses and activities?" and "If you are selected, how would you perpetuate the program in your school, after you have returned from Washington?"

County Will Lose \$273,000 On Proposed School Bill

A bill to provide state monies for schools which has passed the Florida House and now is before the Senate could result in a \$273,000 reduction in state aid each year to Highlands County.

And the prospect of the county's having to come up with that extra money to continue the present programs in the schools or to drop many programs has local educators seriously worried.

George Douglass, superintendent of schools, said: "In applying the proposed legislation, the local district will be required to levy seven mills. It presently levies six mills to participate in the state funding program."

"This would require," Douglass pointed out (based upon the legislative estimate) "an additional \$352,000 at the county level for 1973-74. The county effort will increase and the net effect will be to receive \$273,000 less state aid than was available in 1972-73."

To soften the blow, Douglass said, the typical legislative "pat on the head" philosophy has been inserted in the bill which, effect, states that "no district will receive for 73-74 less money than was received in 72-73."

The real crunch would be felt in the 74-75 school year, the superintendent pointed out.

"Evidently, the one-year period of time is to make the transition more palatable to the local school district," he said. "This is called a 'fail safe' feature of the bill."

The superintendent also pointed out that this is a funding formula which will replace a funding arrangement in effect since 1947 and "should not have glaring inequities at the beginning."

The bill is designed to equalize state effort and is based upon a formula with a state allocation award for each full-time student in membership.

The bill proposes to recognize the cost-of-living differential existing in the various counties of the state. Dade County has the highest price level index of 110.38 and Highlands County the lowest, 84.47, according to the Legislative survey. Implementing this proposed law, the state dollar to Dade County would be worth 26 per cent more than the dollar allocated to Highlands County and approximately 19 per cent more to other small counties.

In the print-out showing each county's financial expectations the application of the cost-of-living factor would result in a \$770,000 yearly deduction of state aid from Highlands County, Douglass pointed out.

The Legislature, now dominated by the large county legislators, is in the process of developing a formula which, says Douglass, is restrictive on small and medium-size school districts.

The House of Representatives version of the new funding bill would make it virtually impossible to continue the breadth of service now operating in Highlands County. The minimum foundation program under which schools are presently allotted state monies and under which they have been allowed to develop their own programs has been in effect since 1947.

Dr. William Stallard, president of South Florida Junior College, said: "I join George Douglass in being concerned about how the proposed legislation will affect the kindergarten-12th grade program in this county."

Douglass said he has been in touch with Sen. Tom Gallen who indicated in a letter May 7, he does not favor the measure as passed by the House. Rep. Jim Tillman of this district voted against the measure.

Declared Douglass: "I do not think school money should be taken from the small counties to offset increased prices in the large counties. In my opinion this is unfair."

Council Gives Go Ahead To Board Planning City's Future

The Avon Park Planning Board was given the go ahead Tuesday May 1, by the unanimous vote of the city council, for work to continue in planning the future of Avon Park.

Meeting in special session, along with members of the Planning Board, the Zoning Board, citizens of the city, and Frank Blandford representing Candeb, Fleissig and Associates, the council heard various complaints from members of the various boards.

Council President Clarence King began the meeting. "We have met on this before, but the more we meet the more problems we run into."

The first complaint came when King noticed the parking lot of Phillips Grocery Store was slated to become R-3 in the new planning code.

"We're trying to put ourselves into the position of the land owners," stated James Heim, Chairman of the Zoning Board. "It's different from the existing ordinances." Heim continued, referring to the proposed new zoning codes, "I know that human nature isn't going any further than the C-1 classification. Let the citizens know it's different."

Heim felt that the regular "C" classification should be changed somehow to alert businessmen that the new codes are different than those adopted back in the 1940's. He suggested, possibly a "B" be used instead of the letter C.

"I think there's a tendency to over react," Blandford. "This will take some getting used to, however you can change it if you want, but I think you can over react."

King called to the attention of Blandford the classification of the small lots located in the south side of town. Some of these lots, he noted, are as narrow as thirty five feet. C.W. Ellerbe, Building Inspector of Avon Park, said that approximately 65 per cent of the building going on down there could be listed as non conforming in the new code, causing many requests for variances to be brought before the zoning board.

"You got to see that these are poor people," King said. "And we have to have an area for the poor. Some of these people have saved all of their lives to build a home and then can't after this."

"I think you're neglecting the fact that they can buy two lots," answered Mayor Robert J. Barber. "They're all not trying to build on one lot only."

"If we designate an area in the south as a special exception, couldn't someone from the north side come and ask us to do the same thing for them?" a member of the audience questioned the council.

Blandford explained to the council members that the new

codes are trying upgrade the area, however special considerations could be granted by the zoning board, yet he recommends the present proposed zoning be kept as it is.

King called Blandford's attention to other spots on the proposed zoning map that just don't conform to the present usage by residents in the city.

Heim also spoke of the need for definitions on citrus cultivation and citrus harvesting businesses. It was suggested by Mrs. Ward that Blandford inspect some of these businesses and make a special zoning for them.

After further discussion, the council voted unanimously to allow work to begin on the General plan with the corrections they asked for.

Devils Bow Out Of State Baseball Tournament With 24-4 Record

The Avon Park Red Devils bowed out of the state baseball competition last Friday afternoon in Ocoee when the Class AA District 5 Cardinals handed them a 3-2 defeat in the Class AA Region 3 play-off game.

The two district champions squared off for the regional title and a shot at the state championship last Friday afternoon under a blistering hot sun at Ocoee Field in the small central Florida town. The large crowd of Avon Park fans who traveled the eighty-five some odd miles to the game out-numbered the Ocoee fans.

The Red Devils came to bat in the first inning facing the number one Ocoee pitcher, Darrell Turner. The big right-hander started things off by striking the lead off Devil batter, Tim Underwood. Then centerfielder Bud Wester drew a walk and shortstop Leon McRae jumped on the first pitch to line a double out right-center field. There was no fence around the field so the ball rolled into the center fielder could catch up with it. Wester scored and McRae pulled up at second.

Nate Williams, the Devil catcher, came to bat. But Leon McRae took a signal from Coach Ronnie Jackson, and broke for third on a steal as Turner stood on the mound in his hold position. The startled pitcher finally turned and threw towards third as McRae

slid into the base. The ball went wild and McRae raced home with Devil's second run on a

throwing error by the hurler. That was the end of the Avon Park scoring however. Nate

Williams struck out. Tony Williams was hit with a pitched ball and went to second on a steal. Then Del Murphy drew a walk. But Johnny Todd went down swinging to retire the side as Turner struck out three batters, walked two, hit one, made an error, and gave up a double in that first inning.

Tim Underwood took the mound for Avon Park and walked the first Ocoee batter. Then the second batter singled to centerfield and the ball slipped through the fielder's legs and the runners advanced to second and third. The third batter singled to drive in the first two runs and went on to second on the throw home. Rodriguez, the runner on second, advanced to third on a passed ball and then scored on a wild pitch. So the winning run was scored with still no outs against the Cardinals. Turner came to bat and singled. Phil Roberts, the catcher, drew a walk and both runners advanced on the wild pitch that let the third run score. So with men on second and third and no outs, things looked rough for the Red Devils. But Devil shortstop Leon McRae put on one of his fantastic displays of fielding and threw out the next three batters while he held the runners on base to prevent any further scoring. First-sacker Tony Williams contributed to McRae's plays with some smooth catches at first.

And as one Avon Park fans said later: "We could have all left after that first inning cause that was the ball game!" But that wasn't the ball game - just the scoring. Because Ocoee's Darrell Turner and Avon Park's Buddy DeWitt, who came on in relief to start the second inning for the Devils when Underwood was forced off the mound with an arm injury, both proceeded to give an excellent pitching exhibition for the fans.

DeWitt, the junior Devil right-hander, completely shut-out the Cardinals for the remaining five innings they were at bat as he allowed only two singles and gave only two free passes to first - a walk and a hit batter. The Red Devil infield was sharp behind DeWitt throwing out five batters, catching four pop-ups, and getting a triple play in the fifth inning. The big triple play

by purchasers of parcels in Sun 'n Lake Estates of Sebring. Commissioner Wilkinson remained undecided and voted against approving a resolution supporting establishment of the improvement district.

The next step in the approval process requires that Sun 'n Lake Estates convince state legislators in Tallahassee to approve its plan to establish the improvement district.

Once again, Gibson reassured the commissioners that all costs for subdivision improvements would be borne

by the Board of County Commissioners. The Board of County Commissioners agreed Tuesday to send a resolution to Tallahassee supporting Sun 'n Lake Estates' request for authority to establish an improvement district for its 7,000-acre tract on Route 27 between Sebring and Avon Park.

Before agreeing to support the request, Commissioners Buddy Wise and Ken Wilkinson questioned Attorney Robin Gibson, representing Sun 'n Lake Estates of Sebring, about how the improvement district would operate, how it would be financed and who would manage it.

Commissioner Wilkinson expressed concern over the fact that the proposed improvement district would be supervised for years by the subdividers' representatives and not by residents of the subdivision.

Both Commissioners Wise and Wilkinson found objectionable a provision of the plan that made it unnecessary for the improvement district's supervisors to obtain competitive bids for construction of roads, sewage systems and water systems.

"How are you going to explain to the county's residents that you had an opportunity to eliminate the placing of 3,500 septic tanks in the subdivision and failed to take advantage of it?" Gibson asked. Do you want to put all that effluent into the ground?"

Gibson continued by ex-

plaining that the money that Sun 'n Lake Estates would raise through the sale of municipal bonds would be used to provide a central sewage system for the subdivision as well as to provide with a water system and road network that would meet county construction standards.

Once again, Gibson reassured the commissioners that all costs for subdivision improvements would be borne

by purchasers of parcels in Sun 'n Lake Estates of Sebring. Commissioner Wilkinson remained undecided and voted against approving a resolution supporting establishment of the improvement district.

The next step in the approval process requires that Sun 'n Lake Estates convince state legislators in Tallahassee to approve its plan to establish the improvement district.
