

Track Team Members Qualified For Class AA

Seven members of the Red Devil track team qualified for competition in the state Class AA meet to be held at Shawnee Field in Winter Park tomorrow, Friday, May 11. These boys qualified by winning first or second place in one or more of the sixteen events at the Class AA District 7 meet held in Fort Meade last week.

The Avon Park team finished in third place in the meet behind Fort Meade, who won the district title, and Frostproof, who came in second. Fort Meade totaled 112 points, Frostproof had a total of 85, and Avon Park scored 76 points in the nine team affair. Santa Fe was fifth with 24, Zephyrhills came in sixth with 16 points, Admiral Farragut was seventh with 12, and Lake Placid was eighth with 7 points, and Arcadia finished last with 0 points.

Winning two first place finishes for Avon Park were James Brown in the mile and the two-mile runs. Winning the 440-yard Intermediate Hurdles, and Mike Hagan qualified in the 220-yard dash with a second place finish. The Red Devil mile relay team of Foster, Davis, Trescott, and Glen Gray also qualified with a second place finish in that event.

James Brown established a new district record in the two-mile with his 10:55.3 time. He broke the record set by Robert Blount of Clewiston in last year's district meet. Personal best of his 52.6 clocking in the 440. He became the fastest open 440 man that Coach Chet Brojek has coached. Curtis Foster also ran his personal best with his 53.6 time in the same race. Foster is only a sophomore.

Bruce Trescott really came through with his performance in the 330-yard hurdles. Bruce, one of the team's tri-captains, has been the team's second leading scorer all season behind James Brown. Mike Hagan, the team's top sprinter,

came through at district with a superb performance in the 220 to gain his state slot.

Trescott, Davis, and Hagan, team tri-captains, have provided not only points for this year's team but also excellent leadership. Coach Brojek complimented them this week saying, "It's been a real pleasure to have worked with these fine young men in the past four years."

Coach Brojek went on to say that these seven are the highest number Avon Park has qualified for state in his four years as head coach. He felt like the Devils got a few breaks at the meet but added, "My only real disappointment was that Eugene Sneed did not qualify in the two-mile."

The Devil mile relay team put on a super effort to gain their position in the state meet. The 3-34.8 clocking was the best time the team has run this year.

James Brown has been undefeated in the mile and the two-mile in regular season competition. Only in the Florida Relays has he finished less than first in the relays he was second in the mile and third in the two-mile. In both races, however, he was beaten by a boy from Alabama. The only Florida runner to defeat him was Robert Blount (the state defending two-mile champion) who nipped him at the wire in the Relays.

Reid Wall has finished right behind Brown in 7 of the 9 places this season giving Avon Park a solid one-two punch in the mile. Wall's 4:38.5 clocking ranks him fifth in the state and Brown's 4:31.6 record ranks him number one.

The state meet will be held at 7 o'clock in the evening for those fans who might like to see it in Winter Park at Shawnee Field.

The overall season record stands as a fine 30-10 as the boys showed surprising strength throughout the year.

Letter To The Editor

Editor Sun:

I like the vast majority of our Avon Park population would like to pay tribute to the free press of the United States of America, of which the Avon Park Sun is an affiliate. The Watergate case has proven to the people of America that as long as we have the free press, there is no one man or group of men that can destroy the laws of this great country.

Our one fault is the appointment of people by the President, the Governor of a state or the mayor of a city, to a position that has almost as much power as he has. These positions should have people in them that are also elected by the people. In city or town politics sometimes these appointed people survive term after term, and actually have more power than the officials that were elected by the people.

The Avon Park Sun is a fine paper and I believe it should have a voice of the people column, this will give residents of the town a chance to voice their opinion, it would also create interest for the readers of your paper. Long live the freedom of the American press.

46 Bikers Ride In Second Annual Bike-Hike Saturday

Forty-six bikers riding standard, three, five and 10 speed bikes as well as the latest in tricycle pedal carts, reported for the second annual BIKE-HIKE for the retarded of Highlands County, Avon Park Chief of Police F.E. Cribb started the cyclists on their 28-mile route, from the main parking lot of South Florida Junior College, on Saturday morning, May 5 at 9:15 a.m. Norris Brooks as parade marshal lined the bikers in starting formation while a committee of Ridge Area Association for Retarded Children prepared late forms, pinning identifying arm-bands to riders, stored surplus gear, gave route directions and set up check points and rest stations. The day was bright and beautiful with just the right amount of breeze to make riding a pleasure.

Of the 46 who pedaled away, all but two made the first two check points at Sebring Shores and the Burger Queen in Southeast Shopping Center. Although one biker had a flat tire one mile from the starting line and another had chain troubles, both made repairs and continued the BIKE-HIKE. Nineteen entered from Avon Park, 23 from Sebring and four from Lake Placid. The youngest were ten-year-old enthusiastic and speedy bikers. There were 29 bikers in the age range of 12 to 16 years but nine more were in the 20 to 31 age group. Dean of bikers was Mrs. Katherine Waggaman, 41, of Sebring who pedaled her 3-wheeled cart to every check point on the route. All but six completed the course, stopping at the Handley-Jones Animal Clinic for check point No. 3. The Avon Park Freeze Queen, No. 4 and circled the Mall to the railroad track before returning to South Florida Junior College.

First to complete the entire course of 28 miles was John Haviland, Sebring, employee at South Ridge Abstract and Title Company, who made the entire trip in two hours. He is a consistent biker rider and plays tennis to keep in shape for bicycling. Mike Kortepe, also of Sebring, came in 10 minutes after Haviland stating that was his best time for the distance. Mike is a student at Sebring High School. Both Haviland and Kortepe were using 28" wheeled 10-speed bicycles. Ronnie Jones, Sebring, riding a straight bike with 20" front wheel, made the full trip in two hours and twenty minutes. Ronnie who bikes to and from school and uses his bike for errands, was one of the few bikers who returned home on his own veloped. Betty Hart (Mrs. Howard Hart) of Avon Park and a secretary in the county courthouse, made the trip in 2:23 for fourth place. Willie Bell of Lake Placid was fifth, followed by John Mamas, Sebring, sixth; Vincent Hill, Lake Placid, seventh; Kenneth Wesley, Lake Placid, eighth; and actually the last to arrive together and agreed on their return placement; Joan Barrie and Susan Toepfer who arrived together for ninth and tenth places. Most bikers had returned by 2:10 p.m. but Mrs. Katherine Waggaman, Sebring, and her duo-biker (her vehicle had double sets of pedals) arrived at 4:30 p.m.

One of the most unusual events on the route occurred when Mrs. Waggaman was stopped by Avon Park police who protested that her vehicle could not be on the road without a license. When she demonstrated that it contained no fuel-driven motor and was wholly dependent upon the willpower and muscles of the peddlers, she and her companion driver, teen-ager David Batty, were permitted to

KATHERINE WAGGAMAN with passenger, David Batty of Sebring, took part in the Bike-Hike benefit program for Retarded Children of Highlands County on Saturday, May 5, which started and ended in the parking lot of South Florida Junior College, Avon Park. Mrs. Waggaman finished 23 of the 28 miles, with a pledge of \$15.33 per mile.

continue their trip to the final check-point at South Florida Junior College.

Only one accident was reported when the driver of a parked car on Avon Park Main street opened the driver's door and bumped a biker. The cyclist recovered without being hurt although both vehicles suffered some damage. The biker continued and was an early one on the returned list. The compact car driver is still regretting using the left-hand door at parade time on Avon Park's Main street.

Steve Marine, Sebring, served as general chairman of the project and was assisted by Mr. and Mrs. Howard Thomas, Mrs. Robert Hubbell, Mrs. Frank Bryant, Mr. and Mrs. G.F. Ward, Miss Betty Carlisle, Miss Pat Lazoni, Mr. A. B. Wilhite, Mr. Norris Brooks, Mrs. Joseph Johnston, the Rev. R.A. Brandt, Mrs. Lynn MacNeill, Mrs. Steve Marine, Mr. Gregory Gay, RAY-ARCS Gayle Whitehead, Bobbi, Neston, Susan James, Sgt. Bob McSparren, Mike Smith, Mary Lanning. Others serving on checkpoints were Connie Whaley, Becky Carr and Cheryl Freed. Local merchants and businessmen in addition to sponsoring bikers, donated soft drinks and supplies to assist the participants. Survivors include one son, William J. Becker, Manassas, Va.; and daughter-in-law, Mrs. Arthur T. Becker, Avon Park; and two Grandchildren, Coker Funeral Home of Wauchula, in charge of arrangements.

Steve Marine, President, Ridge Area Association for Retarded Children in reporting on the success and pleasure of the BIKE-HIKE expressed his appreciation to all who participated and who assisted bikers with their sponsorship to make Saturday's event both a safe and happy occasion.

Mission Work Week Held At First Baptist Church

The First Baptist Church, April 27, from 5 until 8 p.m. was the site for a mission gala, filled with beauty, inspiration, variety, fun, good food (a hamburger and a Coke for 20 cents), exotic foods, with a consistent theme of Missions, both at home and abroad.

The director, Mrs. Lena Suggs, summarized the event as follows: The mission booths could not be better; the cooperation among all groups and organizations was superb; the midway, complete with games, clowns, rock religious music, was the greatest fun; and most of all, the fellowship for hundreds of people was a salient feature.

So many people and groups participated that only chairmen and groups can be mentioned. Gerald Wicker, president and the Brotherhood, and R.A.'s were in charge of food and difficult construction. In the latter, Dan Rutman and Bobby Henderson were indispensable.

The chairmen of booths were as follows: Enlistment, Mrs. Helen Burton; Home and State Missions, Mrs. Myria Martin; Brazil, Mrs. Hazel Howell; Brazilian food attracted people there in addition to other features. Mexico, Jane Nelson and Peggy Wells. This booth was charming with everyone, including pre-schoolers in costume.

A Mission Compound, R.A.'s under Carol Hall; India, Mrs. G. Hoag and Mrs. M. Davis, G.A.'s (costumes); South Vietnam, Mrs. Janice Clemen and Acetone (costumes and food); Nigeria, Betty Lou Wells and G.A.'s; Switzerland, Mrs. Elina Collins and Acetone; West Germany, Mrs. Carrie Osteen and Acetone; Israel, Betty Sue Albritton and G.S.'s; The Bahamas, Sharon Dulin and Baptist Young Women; Japan, A Japanese garden plus display and authentic foods and costumes; Mrs. Jane

Wells, Mrs. Ophelia Rihner, Acetone, Beverly Wicker, Freda Long, B. Y.W.

Music, slides, food, costumes, authentic realia, posters, and much more were featured at all booths. Freda Long and Beverly Wicker were in charge of the "midway," with such expert help as Barbara Wicker, Cake Walk; Sharon Wicker, Fortune Telling; Kissing Booth, Becky Snider; Boat Toss, Mrs. Rutman; Golf Game, Dot Wright; Dart Game and Flag Map, Carol Hall; Dart Game Balloons, Sharron Duhm; "God Wants," Betty Creech; Ring Toss, Peggy Wells; and Giant Step, Jill Reeves.

All gifts emphasized some aspect of missions. A mission

picture on Thailand was shown three times. Scores of assistants were prominent in making this a success.

The guests were greeted in turns by Reverend and Mrs. Aden D. Childress, Miss Syble Watson, Reverend Willie Beatty and Mrs. Suggs.

Fellowship Baptist Church Starts

Special Services Sunday

Recognizing that the home is the backbone of the community, Fellowship Baptist Church will have a series of special messages beginning on May 13 (Mother's Day) and continuing each night at 7:30. If the home is to survive then each member must be brought into a personal relationship with God.

To this end the Rev. Joseph Boatwright of the Aloma Baptist Church in Orlando will bring messages with the aim of presenting the only way to God. As men, women, boys and girls respond to this message the home will be restored to its rightful place.

Some will say this is just another revival and perhaps it is but the signs of the times say unless our homes are revived then our society is doomed.

Everyone is invited to attend

these services and see for themselves if God can do something for their family. The Church is located at 1000 W. Thomas St; just across from the ball field. R.L. O'Quinn is pastor.

Marshall Davis Retires After 30 Years With Postal Service

Post Office were hosts at a dinner party at Clayton's Restaurant. The honored guests were Mr. and Mrs. J. Marshall Davis and the occasion was Mr. Davis' retirement from the United States Postal Service after more than 30 years of service.

In addition to many of the present employees, also honoring Mr. Davis were many former employees of the Avon Park Post Office who had worked with Mr. Davis during his long and distinguished period of service. Among these guests were Former Assistant Postmaster and Mrs. Raymond Dille, Mr. and Mrs. Fred Pope, Mr. and Mrs. Bill Bennett, Mr. and Mrs. T. Haines, Mrs. Gladys Smith and Mrs. Elizabeth Lamb.

After an enjoyable dinner, Postmaster Bob Young commended Mr. Davis on his dedicated service to the Postal Service and presented him

with a certificate of appreciation. Donald Cummings then presented Mr. Davis with a gift from all those present at the dinner. Francis LaFram delivered the desk name sign reading "J.M. Davis, Assistant Postmaster," and Fran Davenport made delivery on the brand new Datsun Station Wagon Mr. Davis had asked for, although she said that since it was the snap together kind he could spend some of his free time building his own.

Mr. Davis expressed his appreciation, noted that it was hard to believe that all that time had elapsed, and promised we would still be seeing him as he dropped by often. Mr. Davis began his career with the then Post Office Department on January 4, 1943, during the 2nd World War. After serving as both a Carrier and Clerk, on December 12, 1959, he was appointed to the position of Assistant Postmaster.

But all the fine defensive play by Avon Park was for naught as Turner also tightened up and kept the Devils under control with his blazing fast ball. Only three Red Devils reached base after the first inning. Tony Williams and Bud Wester drew walks in separate innings and Buddy DeWitt was safe when the catcher missed the ball on a third strike. Turner fanned 18 Avon Park batters in the seven inning game and gave up only the one hit-a double by Leon McRae.

The final totals gave Ocoee the 3 runs on 5 hits and 3 Avon Park errors while the Devils scored their 2 runs on 1 hit and 1 Cardinal error.

Three Red Devil players were selected for the non-class District 9 All-Star squad. Tim Underwood, Leon McRae, and Tony Williams will now have a chance to be chosen for the north all-star team which will take on a south all-star squad this summer in Lakeland. Coach Ronnie Jackson was nominated from District for coach of the north all-star team. Selections for this honor squad will be made by a committee later this spring. Congratulations to the Red Devils and Coach Ronnie Jackson for a great season which included an overall record of 21 wins and 4 losses and the Class AA District 6 championship trophy this season. The eight seniors on this years squad were Leon McRae, Tim Underwood, Johnny Todd, Tony Williams, Del Murphy, Bud Wester, Joe Murphy, and Donald Dorsey. Returning players from the 1973 team are Buddy DeWitt, Nate Williams, Lawrence (Poncho) McRae, Timmy Massey, Nate Packer, Mark Howard, Kenny Collingsworth, and Gary Helms. Helms moved up from the "B" squad after the junior varsity season ended and saw action as a pinch hitter in one game with the varsity.

Eleanor Seaverns Rebekah Lodge No. 65, met at the Lions Club Hall on E. Bell St. on Monday, May 7, with Noble Grand Nancy Shay presiding. A short business meeting was held with all officers wearing their nice new chain Regalia. The Noble Grand had all the Mothers form a semi-circle around the Altar. She read a very appropriate poem and then presented each one with a red carnation and fern, tied with a red bow. Each one told how many children, grandchildren, great-grandchildren and even great-great-grandchildren they had. The Noble Grand also presented the two men present with flowers, and said she thought they should have one too, because if it hadn't been for them, there wouldn't have been mothers. Lillian Seeger read a poem entitled "Mother." Bessie Decker read "Home Keeper" and Florence Richards read

"Mothers' Bread." Florence Wells V.G. thanked the Noble Grand for the flowers and the nice program. After the meeting delicious refreshments of sandwiches, cakes and punch were served by Bessie Howard, Clara Campbell and Elizabeth Swirsky.

Forecaster Charles McCormick (right) at bustling Port LaBelle development.

Our forecasters make good predictions despite uncertainties due to 'whether'...

According to some of baseball's armchair strategists, you "... win a few ... lose a few ... and some get rained out." The statement reflects a bit of philosophy, as well as a note on the uncertainty of weather.

At United Telephone, we might apply a similar phrase to describe the important job of forecasting future needs for telephone facilities ... except that our 'whether' factor involves more possible influences than a chance of rain.

Some population forecasters have generalized about Florida's growth with a fair degree of accuracy. However, our forecasters must seek some very specific answers. And, when you are trying to predict exactly what will happen ... at a definite future date ... in a particular location ... well, that's where some variables due to 'whether' can create a few problems.

For example, some developer's projects are highly successful. Others are not. The failures can usually be traced to adverse 'whether' factors ... considerations involving financing or marketing or ecology or a number of other factors.

Our forecasters have a complex job. They don't make 'ballpark' guesses. They do study ... search reports ... get out and talk to many people. They analyze a lot of different data before reaching conclusions.

Based upon these conclusions, plans for new or expanded telephone facilities are born. Next, detailed engineering work is done. Orders for material and equipment must then be placed with manufacturers ... months in advance of scheduled construction. Finally, the facilities are built and made ready for service.

Back again to our baseball comparison, we think our forecasters are truly big league material. Their batting average is outstanding ... they hit plenty of home runs ... and they never strike out.

Occasionally, some adverse conditions may cause a temporary delay in meeting our rapid growth schedule; but we're fully committed to winning every contest.

And, we're planning on 'clinching the pennant' ... whether or not.

Little League Season Off To Good Start - 8 Teams March In Parade

The Avon Park Little League season got off to a good start last Saturday as the eight teams marched in a parade through town at 1 o'clock led by the Avon Park Junior Band and then participated in four games at the Little League Field.

In the first game that started at 2 o'clock after opening ceremonies, Kiwanis defeated Avon Citrus Bank by a score of 15-2. Jeffery Adams and Gerald Jones teamed up to toss a three-hitter at the Bank while the Kiwanis batters rapped off 8 hits off starter James Brown and relief pitcher Anthony Carter. For Avon Citrus it was Tom Parry, Wade Bush, and Danny Luke getting singles to score Parry and Anthony Carter. Leading the hitting for Kiwanis was Gary Roberts with a double and a single and James Taylor with two singles. Hitting singles for Kiwanis were Gerald Jones, DeCaris Jones, Mark Kelley, and Jeffery Adams.

The second game got under way around 4 p.m. and Bagwell Lumber handed I.H. Ford an 18-1 defeat in five innings. Bagwell scored its 18 runs on 7 hits off starter Carl High and relief hurler Tim Minard for Ford. For Bagwell at the plate Jerry Jones had two singles, Bo Skinner and David Sisemore had a double each, and Charlie Elder and Alvin Conner both hit a single each. For I.H. Ford at the plate Jeff Williams, Carl High, Robbie Minard, and Tim Minard all had one single each off Bagwell pitchers Bo Skinner or David Sisemore.

Leon's defeated Lions 7-5 in the third game which got started around 6 p.m. Leon's scored its 7 runs on 5 hits off Lion hurler Jimmy Massey. Getting hits for Leon's were Wayne Lewis and Butch Helvey with 2 singles each and Chip Carter with one single. Mark Palmer was the winning pitcher for Leon's. He gave up 7 hits to Lion batters. Jimmy Massey hit 2 doubles and single for a perfect day at the plate. Tim Salter had two singles and Johnny Barnes and Fred Hartt both rapped out a double in the six inning game.

The last game of the day was the closest of all four as Rotary edged out First Baptist by a score of 11-10 in a four inning game. Timmy Cribb, John Starling, and Keith Cobb all pitched for Rotary and First Baptist used James Knight and Gary Farless on the mound. Rotary scored its 11 runs on 7 hits. Kenny Jones hit a double and a single, Arnold Wilson slammed out a double, and Timmy Cribb had 2 singles. Keith Cobb and John Starling both had a single also for Rotary. The First Baptist scored their 10 runs on only 2 hits — a homerun by Billy Nalker and a single by Frank Brown. Nalker's homer was the only one for the day.

Tonight (Thursday), the Lions will meet I.H. Ford at 6 o'clock and Avon Citrus Bank will play Rotary at 7:30 p.m. Tomorrow night (Friday) it will be Bagwell vs Leon's in the 6 o'clock game and Baptist against Kiwanis in the 7:30 p.m. game.

Next Monday night, May 14, I.H. Ford will play Avon Citrus Bank in the 6 o'clock game and Rotary will take on Bagwell in the 7:30 p.m. game.

On May 15, Tuesday night, it will be Leon's vs First Baptist in the first game and Kiwanis playing Lions in the 7:30 p.m. game.

Parents are urged to accept the responsibility of working in

the concession stand when called upon. Each team will be responsible for working four nights during the season so each parent will probably have to work at least two nights or maybe more if there are several sets of brothers on a team. Remember others are volunteering their services as coaches, managers, umpires, scorekeepers, and ground-keeping so please do your part if you have a son participating in the program.

Also remember to clip out and turn in Seals of Quality from Scott Paper Co. products so the local program may receive free bats and balls. These seals may be turned in to the concession stand, to coaches, or at Winn Dixie or Pantry Pride.

A note of appreciation to the excellent job by the umpiring staff from A.P.C.I. Behind the plate and on the bases were Mr. Powers, Mr. Fallis, Mr. Ridgle, and Mr. Bogg. Helping keep score was Mr. Urquhart.

Harris Speaks

To Lions On

Food Prices

The first May meeting of the Avon Park Lions was well attended. More than thirty five members and guests enjoyed a fine dinner of to-seed salad, chicken with golden rice, green peas, hot rolls, ginger cake and beverage, thanks to the Rebekahs. Billy Martin's song fest was so good that all were asked to sing a bonus number.

Lion President Dick Thayer held a brief business session in preparation for local participation in the State convention at Clearwater later this month. He also called for a meeting of the Board of Directors to plan for a combination of Ladies and Installation of Officers Night scheduled for June 5.

Lion George Kelsey introduced the evening's guest speaker, Bert Harris, Highlands County Agriculture Agent. Bert spoke on "Food Prices" in the context and with the purpose of giving them to be a bargain. He detailed prices of commodities from the field or production point to the consumer in an effort to show equity in costing practices of producers, transporters and distributors, that is, those who comprise the production and marketing system.

Mr. Harris' main theme on meat prices and beef in particular was the failure of the supply system to keep up with the worldwide demand for beef. An oversell of herds in some of the main beef producing countries has had a significant influence on current supplies, according to the speaker. He also brought out that even with planning for a catch up beginning today, it would take four to five years for the world's supply to meet the demand. In all candor, our Lions listened and learned, but had time permitted, Mr. Harris would have been faced with several willing debaters on a number of his interpretations of available data.

Womans Club

Meets In Lake Placid

Sixty ladies, members and friends of the Avon Park Woman's Club, had their last meeting of the season last Friday afternoon at the Holiday Inn in Lake Placid. It was a buffet luncheon meeting, and all enjoyed the fellowship.

Mrs. W. C. Smith, president, presided at the brief business meeting. Mrs. T. Hayes Maxwell gave a comprehensive report of the first year's results in working for a new club house. There is now \$11,000 in the Building Fund. Mrs. Maxwell appealed to all to open their hearts and purses to help with this worthy cause.

With all we be proud when a new, new, beautiful building, will sit on the corner of Pine and Verona?

Building Committee Report at Annual Meeting of Woman's Club

Mrs. T.H. Maxwell, chairman of the building committee, thanked the members of the committee. Mrs. Talmadge Sparks, Mrs. Edgar Smoot, Mrs. Mervin Rehner, Mrs. E. H. Partt, Mrs. John Grose, representative from the Junior Club, and Mrs. W. Carlisle Smith, president of the Woman's Club, for their fine cooperation in the meetings which have been held for discussion of plans for the future building of the club house.

Mrs. Maxwell reported that almost every member of the club had either given a cash contribution or participated in the money making project for the building fund and her committee is pleased with the results of these efforts. She also reminded the ladies to send their money to the treasurer, Mrs. Talmadge Sparks, if they haven't already contributed to the fund this year.

The club members were asked to share their ideas and suggestions with the committee as to the facilities needed in the new club house, including floor plans. The committee had agreed that the building should face Pine Street, be attractive, with possibly columns at the front, and a covered driveway for loading and unloading passengers. The interior should have a low ceiling, few windows, a nice kitchen, a president's office, seating capacity for at least 150 people, a stage, plenty of storage space and dressing rooms, a ladies lounge, and men's rest room and plenty of locker rooms for the other clubs that chose to participate in the building program.

The club has voted that any other organization that invests money in the new building will be allowed the use of the building free until their investment is used up. The rental fee for use of the new building will be determined by a representative committee from the various organizations that invest in the building. They are asked to name a person who will meet with the Building Committee to work out plans for the new building. The new building cannot be started until substantial sum of money is on hand, but Mrs. Maxwell said she was hoping for a miracle, in which case the building can be started in 1974.

Mrs. Edgar Smoot reported on plans for a big Holiday Bazaar to be held at the Club House on Nov. 16. An all day affair where pie and cake and coffee will be served. There will be a candy corner, tables of aprons, Christmas ornaments, potted plants, preserves and what-have-you all for sale. You name it-we have it!

A Prospective Membership Tea is planned for sometime in May. Mesdames H. Earl Bouis, Art S. Turner and John Morris served on the committee and are to be thanked for a fine meeting.

Albritton
Gregg Albritton, 19, of Avon Park, hit a washout in a dirt road four miles east of Avon Park at 7:45 p.m. May 5, lost control, ran off the road and rolled over a half time. He was injured and taken to Walker Memorial Hospital by Florida Highway Patrol Trooper F. D. Williams.

Oldest Diabetic Is Honored

By ELOISE SHARPE

Mrs. Jane Caroline Darling of Avon Park, was a child diabetic at the age of 13. Today, 57 years later, she is still a diabetic. Mrs. Darling is the first child diabetic to attain the age of 70, according to the Joslin Diabetes Clinic, Boston, Mass. At the dinner honoring her 70th birthday, held Saturday evening, April 28, at the Florida Pioneer Lounge, she received flowers and congratulations from her husband, Norman, as well as from Alexander Marble, MD., President of the Joslin Diabetes Foundation of Boston, and from Priscilla White, MD., of the Joslin Clinic, (Youth Home and Hospital Division).

Dr. Marble stated, "The fact that you have lived successfully with diabetes for over 56 years is certainly an outstanding achievement for which, serves as a source of great inspiration and encouragement for all persons with diabetes. We share with you pride in the fact that you are breaking record after record as regards diabetes."

Dr. White said, her success would encourage young people to live with diabetes. In February of 1917, Jane was taken ill and put in the hospital on Valentine's Day, in Pittsfield, Mass. with her illness being diagnosed as diabetes. She has taken insulin since November 1922, learning to inject herself. At the time when insulin was discovered, "child diabetics were traveling uncharted seas," with the average life of a child being one or two years. Before insulin, the diet was the only treatment.

In 1936, Dr. White of the Joslin Clinic stated there were only four others of Jane's diabetic age. The oldest one of these lived to be only 62 years of age.

Mrs. Darling has lived a full and happy life in spite of her illness. She was born April 28, 1903 in Pittsfield, Mass. She was employed with General Electric in Pittsfield in Simi-micro organic analysis during the war years. After the war she was a social worker for the Pittsfield Welfare Department, until her marriage to Norman W. Darling, May 3, 1961. They owned and operated Nestlewood Cottages in

Newfound Lake, Bristol, New Hampshire. After his retirement, they came to Florida in 1963 to spend the Winter, returning to N.H. in the Summer to raise flowers on their farm, Circleview, Danbury, selling flowers wholesale. They sold over 32,000 pansy plants each season. They changed from pansies to statice and mums, and because they didn't want to leave Florida each year early enough to take the straw off the mums, they finally sold the flower business, their pastime venture, so they could become full time residents of Avon Park.

When I asked Mrs. Darling what advice she would give to others, this is what she said, "When I first became ill, 'Pollyanna' was a very popular book and this inspired me too, to find many, many things to be glad for and enjoy, although I knew the doctors expected that I would die, young. I have always regretted that people thought 'Pollyanna's Glad Game' not realistic."

Those enjoying the delicious dinner and helping Jane celebrate this outstanding milestone in her life besides her husband Norman were: Mr. and Mrs. Ira Shader, Mr. and Mrs. Paul Swearingen, Mr. and Mrs. Seymour Brown, Mr. and Mrs. Eddie Schoonard, Mr. and Mrs. Ernie Kirback, Mr. and Mrs. Cedric Weirman, Mrs. Eugene C. Hise and William Horton.

In shuffling on Wednesday evening with nine courts in play Clay Kull and Alton Wetmore won over Henry Barnett and Paul Mangold; Helen Berlew and Chris Steen won in consolation; Al Ross and George Geisler were the runners-up.
On Saturday evening eight and one-half courts were in play. Alton Wetmore and Herman Wurster won over Henry Barnett and James Chamberlain. Consolation winners were Charles Buckley and Judy Kerr with George Geisler with Chris Steen coming in second.
Edward Edwards made the nicest chalk and eraser box for the club. It can be carried around and will be a big help.
There were five tables of pinocle players on both Monday and Friday afternoons in pinocle. High scores went to Sarah Spindler 500; Helen Good 608; William Benson 774; and Sarah Kerr 711.
George and Mildred Tissot were the hosts at the supper on Saturday evening, not many turned out, but they had a very good supper.
After the Pledge of Allegiance to the Flag, Mrs. Tissot read a poem, "The World Is Mine." Last stanza was "With legs to take me where I'd go, With eyes to see the sunset glow, With ears to hear what I would know, O God forgive me when I whine, for I'm blest indeed, The World is mine."

A Crown for Mother

You, as a Mother, are honored by your children on a special day — Mother's Day. How the little things they make for you with their own small hands please you and warm your heart.

It warms and quickens the heart of God when you honor Him on His special day. "Remember the Sabbath Day, to keep it holy." Exodus 20:8. Worship God on this next Sunday in the church of your choice. We should honor our loving Heavenly Father even as we expect our children to honor us.

Attend church on Mother's Day.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.
