

Rebekahs Nominate Next Year Officers

Eleanor Seavern's Rebekah Lodge No. 65 of Avon Park has been very busy for the past two weeks. After the school of instruction on Wednesday, Oct. 31, the lodge entertained the state assembly president, Margaret D. Land, on Friday, Nov. 2.

A dinner in her honor was served by the ladies auxiliary of the Church of God, and attended by 43 guests and members. Following the dinner, a special meeting was held in the lodge hall.

Dignitaries from lodges in Lakeland, Winter Haven, Lynn Haven, Panama City, Fort Myers, Sebring and Falls Church, Va., were present. They were welcomed by N. G. Nancy Shay and given the honors of their office.

The state president of the Rebekah Assembly was presented with a monetary gift at the conclusion of a courtesy. A "fun courtesy" was given in which each lodge represented took part in a "fan dance." This really brought down the house, as the dancers manipulated a large palmetto fan. The gentlemen were judges and presented first prize to Bessie J. Howard; second prize to Nancy Shay and third prize to the assembly State President Margaret Land.

The president spoke briefly on the subjects titled "About a Minute," and "How to Kill a Lodge."

Lovely Susan Howze entertained the group with several sacred songs, accompanied by Mrs. Pat Starling at the piano, bringing the evening to a wonderful close.

A table of assorted sandwiches, punch, coffee, and a president's cake in the shape of a fan was enjoyed by the 50 guests and members.

Then came the Lodge's regular meeting, the very next Monday, Nov. 5. Eighteen tired but enthusiastic members were present.

Nominations for next year's officers were conducted. Plans for increasing the yearly dues is underway, and plans for a baked food sale, Friday, Nov. 9, were finalized. Several members who have

not been attending regularly were given a special welcome and urged to become faithful in their attendance. As with all lodges, each member is needed to be present at a every meeting.

Volleyball Action

In the Avon Park Recreation Department Men's volleyball league action this week, three exciting games were played.

On Tuesday night, First Baptist No. 1 came out on top in a best two out of three matches against the fine play of the Avon Park Correctional Institute team. The scores were 21-1, 20-22 and 21-6.

Thursday night's games saw a match up between the top two teams—South Florida Junior College and First Baptist No. 2. Both teams were undefeated before the contest. The First Baptist team continued in their winning ways with scores of 22-20 and 21-6.

Other action Thursday night had Avon Park Correctional Institute No. 2 winning over the Church of the Nazarene team by the scores of 21-17, 2-21 and 21-16.

Dance Friday

The Avon Park Recreation Department will sponsor a dance this Friday night at the Recreation Center. A live band from Tampa, "Amanda Jones" will be featured.

The dance will be held from 9-12 midnight, for young people between the ages of 14-18. Tickets will be sold in advance at the Avon Park High School and at the door for \$1.50 per person.

THE STATE REBEKAH president's motto is "Fan the Flames, to burn the Mortgage" on the Odd Fellow's Home in St. Petersburg. A "fun courtesy" was given at the Nov. 2 meeting in which each lodge represented took part in a "fan dance". Dancers above, from left, Bessie J. Howard, first place

Intern Program Gives Students 'Crash Course' In Government

Again this year, Rep. L. A. "Skip" Bafalis will sponsor his high school intern program which he now hopes to make an annual affair.

Dr. Louis B. Howard of Sebring will serve as the Highlands County chairman of the program. Last year high school juniors, three of them

from this county, representing public and private schools in the 10th congressional district, had a crash course in how federal government operates, spending eight days on a planned trip to Washington.

They attended committee meetings; were briefed by the state department; visited and talked to congressmen and senators of both political parties—then they returned to report to their respective schools.

Applications are available from guidance counselors and principals in each of the county's high schools. The program is for members of the junior class. Those interested are urged to obtain applications and fill them out as soon as possible.

Fellow students will vote on who will make the trip; the top four from each school will be interviewed by a local screening committee and from those four will come the intern and an alternate from that school.

It is hoped final selections can be made before the end of the year.

The intern program was carried on with the financial support of business people, civic and fraternal clubs. Dr. Howard said it is hoped they will help out again this year.

Membership Stressed By Women Voters

November is Membership Emphasis Month for the League of Women Voters of Highlands County, states Kay Latorre, local membership chairman.

The purpose of the League is to encourage people to take an active interest in government and to demonstrate that the informed citizen can influence what happens in government. Government in the Sunshine works only when there are informed citizens present at public meetings willing to voice an opinion.

League membership is open to all women citizens 18 years of age or older and men and non-citizens may become associate members.

Scouts Hold Campout, Take Wilderness Hike

This past weekend Scouts from Trailblazing Troop 156 camped at Indian Lake Campground near Silver Springs and were conducted on a 5 mile wilderness hike by internationally known herpetologist Ross Allen.

The weekend campout was conceived three months ago when Scoutmaster Larry Hooper met Ross Allen at the National Scout Jamboree in Pennsylvania. Ross, an Eagle Scout, is very interested in, and devotes much of his time to the Scouting program. In 1962 he led 10 scouts on a thirteen day survival trek across the state from Daytona Beach to Yankeetown.

Excitement ran high as the Scouts assembled late Friday afternoon into the cars and trucks for the impending journey. With all present and accounted for the Troop was underway at last. The group stopped in Clermont for a break and a brief visit with

former Avon Park resident, Mrs. Duane Zoller and Darryl, Mrs. Zoller had fixed a cool drink for the Scouts and provided a place for them to eat their picnic supper. The Scouts arrived at the campsite shortly after 9 p.m., quickly set up their tents, and turned in, eagerly anticipating the coming days activities.

Ross Allen joined the group after breakfast on Saturday morning and started the day's activities with a demonstration on how to make a snakeproof wilderness bed. With wilderness survival the theme, the Scouts then followed Mr. Allen on an adventurous five mile hike. The boys hiked through several different types of habitats and plant communities with Ross pointing out the various plants and animals that could be eaten in an emergency. Demonstrations were given on how to cut and prepare swamp cabbage, how to make fire with flint and steel, and how rope may be

made from Bear Grass, a native plant.

While on the hike, the Scouts visited Ross's Indian Prairie Farm where he raises both wild and domestic animals, a pioneer cemetery dating back to 1831, and an Indian Burial Mound. The hike was climaxed by a visit to a movie location site where "Blindfold" was filmed and a trip through a swamp where the Scouts had to wade for a considerable distance in water over their knees.

After supper the Scouts were treated to a campfire program by Ross Allen and "Red" Turner. Ross entertained the Scouts with animal language, mimicking the sounds of wild animals and telling the boys how to interpret the calls. Mr. Turner, a specialist in wild plant foods, presented a very informative session on edible plants and how to improvise utensils from native materials.

Sunday morning the Troop

was up early for breakfast and church. Gene Stadler, committee chairman, led the Scouts in an outdoor worship service. After church, the Scouts toured the Ross Allen Reptile Institute at Silver Springs, and took the Jungle Cruise down the Silver River. Following lunch, camp was broken and the tired but happy scouts returned home.

Attending the campout were Scouts Blake Otto, Jacque Thomas, Jeff Smith, Mike Brantly, Kelly Graham, Bobby

Batson, Kenny McLeod, Chris Lake, Billy Barben, Greg Batty, Billy Sharp, Frank Batson, Marc Hopper, Fred Wheelahan, Bert Otto, Lawrin Ellis, Phillip and Deane Stadler, David Batty, James Goodwin, Decaris Jones, Danny Luke, Chuck Smith, Greg Baldwin, James Goza, and Steve Gries. Adults attending were Scoutmaster Larry Hooper, Jimmie Rice, Ralph Quintana, Gene Stadler, David Batty, and Charis Goodwin.

The Marvels of God's Creations

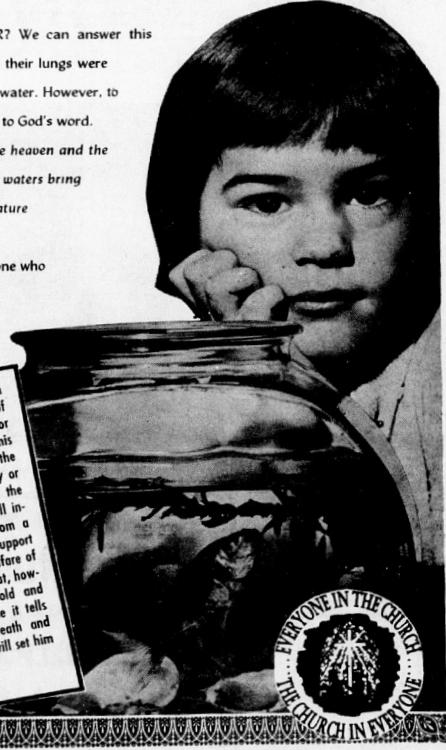

WHY DO FISH LIVE IN WATER? We can answer this question partially by saying: that their lungs were created to draw oxygen from the water. However, to know how and why, we must look to God's word.

"In the beginning God created the heaven and the earth. . . . "And God said, let the waters bring forth abundantly the moving creature that hath life. . . ."

Attend Church and worship the one who created these marvels.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, the sake of the welfare of the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Mary Parker Celebrates 92nd Birthday Nov. 9

Mrs. Mary M. Parker

Mrs. Mary M. Parker, a resident of Avon Park for the past six months, now residing under nursing care in the home of Miss Kay Dunnaway, celebrated her ninety-second birthday Nov. 9.

Mrs. Parker was born in Cullman County, Alabama, and at the early age of six years, moved with her parents to Florida. She received her education in Lakeland public schools, and higher education at the University of Florida.

She was married to John W. Parker of Bowling Green, in 1902 and spent 37 years teaching in public schools in Polk, Hardee and DeSoto Counties. She is Baptist, and after retiring from public life, spent much of her time in active duties of the church in Fort Meade, where she was then residing. She served in the capacity as Sunday School Superintendent, Training Union Director, Sunday School Teacher, church clerk, librarian, and church

secretary and treasurer. She has always been interested in civic affairs and current events. A great lover of nature's beauty and for many years, active in garden club activities, having won a number of awards for plant and flower specimens.

The above mentioned activities and backgrounds is perhaps one of the reasons why at the age of 92, she has such a keen and alert mind and her outlook on life is so unusual. Her abiding faith in God has been a strong anchor throughout her life, and her christian witness has left no doubt in anyone's mind as to the depth of her love for God and her fellow man.

THE FOURTH GRADE reading classes at Avon Elementary School made a lot of Mulligan Stew last week. All enjoyed the project of collecting the ingredients, preparing and cooking the stew, with all saying "the most fun of all was the eating". Teachers helping with the project are shown

above, from left, Mrs. Olivia Hood, Mrs. Lois Smith and Mrs. Mary Ann Reddick, curriculum assistant, as they enjoy the stew with the students. The boy at the right of Mrs. Reddick shows the sentiments of the group as he said, "It was good to be the last drop." - Photo by Sharpe

Classes Cook Stew For Enrichment Program

Two reading classes at Avon Elementary School enjoyed the experience of cooking Mulligan Stew last week. The idea came from an enrichment activity suggested from an article read by the children in their Weekly Readers.

Mrs. Smith and Mrs. Hood decided this would be a meaningful learning experience for the children. The first day all ingredients were collected—each child contributing something. The next day the vegetables were cut and prepared by various groups of children. The food was then cooked by the children in accordance with the recipe directions.

The most enjoyable day arrived on Friday when the two classes were able to enjoy eating their Mulligan Stew. Along with the Mulligan Stew,

the children had Kool-Aid and bread.

With the wonderful help and cooperation of the cafeteria staff and Mrs. Mary Ann Reddick, the "Mulligan Stew" project was a success.

Mrs. Naomi Black now owns and lives in the home formerly owned by the Rothys.

Hazel and Gene Duebner from Greenville, Ohio, have moved into the home formerly owned by the Rhodes. They arrived this past week.

Most of our residents spent the summer in the North, visiting family and friends "back home". The Dick Enoch visited their son in Toledo, Ohio, also visited relatives in West Virginia.

Orley and Ruth True spent the summer in their summer home near Warsaw, Ind. Gus and Mary LaPorte also summered in their Indiana home.

The Holaday's, Emil and Lucy, spent a couple of months visiting their children and grandchildren in Ohio.

On the return trip they took the White Pass and Yukon (narrow gauge) Railroad from White Horse to Skagway, then by ferry via the inner passage to Victoria, B.C., then on for several days sightseeing in Seattle. They flew back to the Chicago area to pick up their car and then on home.
