Let Us Give Thanks

We have a special day set aside this week—Thanksgiving Day—to sit down and count our blessings for the whole year.

But why just one day? Would it not brighten up our days if we tried each day to find something in that day for which to be thankful?

So you think you might not find something for which to be thankful? Well, can you walk? Some people cannot. Can you see? Some people cannot. Can

you hear? Some people cannot.

The things we take for granted like walking, seeing and hearing are things for which we might give thanks each day of our lives. They are very precious possessions.

May we remember to be thankful for what we have. We are alive, you who read this. We live in a wonderful country, in a wonderful city. How fortunate we are!

Tracy Serdynski. They were chaperoned by Mr. and Mrs. Kenneth Long, Mrs. Don Serdynski and John Serdynski of Alturas.

They returned to Sandy Toes for a campfire and cook-out on the beach where they were joined by Don Serdynski, Mrs. John Serdynski and Mr. and Mrs. Paul Gentry. The girls especially enjoyed cooking "S'Mores" for dessert over the campfire.

This was the first of several trail rides the girls have planned for the year, and they are hoping more of their friends will join them.

Andrew Hill Surprised With Birthday Party

Mrs. Audrey Carraway Hill was honored on her birthday on Wednesday, Nov. 14, with a surprise birthday celebration at the Sparta Circle home of her son and daughter-in-law, Kelton and Joann Hill, in Sebring. Mrs. Hill was 72 years old.

A birthday scroll pertaining to her loving accomplishments was prepared by grandson and wife, Dalton and Pam McCullough and read by son, Kelton, as tears of surprise and happiness streamed down Granny Hill's face.

A large birthday cake, made by granddaughter, Mrs. Gwen Hafford, was iced in white, green, yellow and pink, and wished a "Happy Birthday" to "Granny," and was centered with a large "72" in a circle of candles. After Granny opened her gifts, an assortment of refreshments were served along with the cake.

Those helping Mrs. Hill celebrate her 72nd birthday were: Mr. and Mrs. Kelton Hill, Kelle, Travis and guest from Sebring, Benny Hill, Mr. and Mrs. Bill McCullough, Mr. and Mrs. Dalton McCullough and son Todd; Mr. and Mrs. Ed Sharpe and Stacey; Mr. and Mrs. John Hafford, all from Avon Park; and Captain and Mrs. Eddie Sharpe and children, Carrie and Ken from Brandon.

Berean Class Meets To "Count Blessings"

Lieutenant and Mrs. James Burescia announce the arrival of a baby daughter, Kristin Stephanie on Nov. 8, at Mather Air Force Hospital in Sacramento, California. Birth weight was 7 pounds, and 2 ounces.

Proud maternal grandparents are Mr. and Mrs. Francis Wood of Avon Park.

Mr. and Mrs. Bobby Massey of Avon Park announce the arrival of a baby daughter, Amanda Carlene, on Nov. 2, at Bartow Memorial Hospital. Birth weight was 7 pounds, 10 ounces.

The Berean Sunday School Class of the First Baptist Church, met Tuesday evening, Nov. 13, at the home of Mrs. Walter Woods, Forrest Hill Drive.

For devotional, an opening prayer by Mrs. Idessia Rutman, was followed by verses in scripture pertaining to blessings received as well as being a blessing to others. Then all had a chance to share their blessings at different periods of life, which was most interesting.

After the period of "counting our blessings", the members had fun hearing authentic excuses received by school administrators, via notes from pupils' homes.

Delicious poppy seed torte, cup cakes, minis, nuts, coffee and tea were served by the hostess.

Those sharing in this enjoyable evening were Myrtle Stiner, Gertie Pruitt, Helen Burton, Eunice Haynie, Idessia Rutman, Rachel Johnson, Myralla Martin, Mary

Schoenhals, Lou Baughan, Faye Wicker, Marguerette McWilliams and the hostess, Fern Woods.

James Brown Captures First Place In State Class AA Cross Country Meet

James Brown, Red Devil distance ace, captured first place in the State Class AA Cross Country meet held in Titusville last Saturday, Nov. 17 with a 12:51 time. Brown led his Devil teammates to a third place team finish behind Mount Dora Bible School and St. Petersburg Catholic.

Brown, coming off a gun shot wound only 17 days earlier, outdistanced Earl Caruthers of St. Petersburg Catholic and Flash Bertot of Mount Dora for the individual crown.

Reid Wall finished sixth with an excellent 13:21 performance. Wall finished the season with consecutive second place team finishes. Eugene Sneed, the other Devil tri-captain, placed ninth to put three Avon Park runners in the top ten. Sneed's time was 13:28 for the 2 1/2-mile circuit. It marked the third year in a row that the Devil tri-captain had finished in the top ten Class AA runners in the state.

Other Avon Park finishers in the state contest were Matakiah Fogle in thirty-third place, Herakiah Fogle in fortieth place, Edward Jones seventh-second, and Raleigh Turnbull eighth. The team totals for the Class AA championship race showed Mount Dora Bible with 39 points, St. Petersburg Catholic 51, Avon Park 89, St. Andrews of Ft. Lauderdale 10, P.K. Yonge of Gainesville fifth with 143, Citrus sixth with 172, Melbourne Central Catholic seventh with 199, Sanford Navel Academy eighth with 209, Westminster ninth with 239, St. Thomas tenth with 299, Pensacola 286, Jesuit 299, and Jacksonville 357.

The team finished the season with seven individual meet wins, four seconds and two thirds. Dual meet record for the season was 65-7.

Coach Chet Brojek commented after the state meet, "I was extremely proud of the performance of my top three runners. I can't give enough credit to these young men for their efforts for our school and community. Next year I will have to learn to coach without Brown and the other senior members of the team."

Do you remember the Raleigh Cigarette Hour - a popular radio program starring Red Skelton? If you do then you probably also remember when a young man named Nelson and his wife joined this program and won millions of radio fans everywhere. This couple went on to their own radio show "The adventures of Ozzie and Harriet" which ran a total of 22 years on radio and television. I'm speaking, of course, of Ozzie Nelson - leader of one of the big bands of the 1930's - and established radio and TV personality for many years. Ozzie Nelson has written his autobiography and it is just as enjoyable as his radio shows always were. While discussing his success in the entertainment business, Ozzie gives us a family album of Harriet, David and Ricky and also a look at one of the most glamorous eras of show business of which the Nelsons were such a big part. The Nelsons worked with virtually every big name in entertainment from Bing Crosby

and Frank Sinatra to Tallulah Bankhead and Charles Laughton.

Kal Wagenheim, a former New York Times correspondent in Puerto Rico, has given us a biography of the baseball great Roberto Clemente that shows us much about the man as well as the game. "Clemente" tells of the life of this modern hero from his Puerto Rican childhood, through his stunning career with the Pittsburgh Pirates, to his death in a tragic plane crash in 1972. Clemente's family, friends, and teachers as well as coaches and fellow team members contribute to this book and offer an appealing portrait of a remarkable man.

Rex Stout, creator of Nero Wolfe and more than 60 detective stories, is one of America's most respected and loved mystery writers. A new Nero Wolfe mystery is here at last - after a gap of four years - and it is one that will be a delight to all Stout fans.

In April, 1972, two gifts arrived at the Washington National Zoo from the People's Republic of China in the form of two giant pandas named Ling-Ling and Hsing-Hsing. Their story has been written by the man who knows them best - Larry Collins - the panda's head keeper and by now probably the most knowledgeable authority on pandas in the U.S. The book, entitled "Ling-Ling and Hsing-Hsing, the year of the Pandas," abounds with photographs and should be a joy for readers of all ages.

CLOSED THANKSGIVING DAY

Thank Special

By ELOISE SHARPE
George Phelps, a 72-year-old, a hopeless case and a hopeless after being severely injured in an auto accident on Nov. 1972. (We carried this tragedy in our Avon Park Sun on July 12, of the year.) Since the story, many have asked about George's progress, so I thought I would visit him and give you a progress report.

When talking to his wife, Alice, she said she has so much to be thankful for. This Thanksgiving, though, George has a special treat. He is in the Hospital in Orlando, and the doctors had given him his condition. Mrs. Phelps well remembers the day Thanksgiving, last year a doctor called her and said there was really nothing for him, and he advised her to put him in a nursing home. In face of all this, she told him to hold on for him, and she said that time that she was nursing him around, she told him about the picture above tells the story. George has been in the Walker Memorial Hospital the past six months, shown slow but steady progress. He has been hospitalized months prior to his treatment. As you know, he was hit by a drunk driver returning from the Winter Haven where he was Manager of the new Winter Haven Mall.

Since the story broke, George has gained considerably in health, and his pain has improved so that he now supports his weight to help get himself into the chair. He is now sitting up in bed.

Thanksgiving Day Special For Phelps

By ELOISE SHARPE

On Thanksgiving one year ago, George Phelps lay in a coma and a hopeless condition after being severely injured in an auto accident on July 7, 1972. (We carried the story of this tragedy in our Avon Park Sun on July 12, of this year.) Since the story, many have asked about George and his progress, so I thought I would visit him and give our readers a progress report.

When talking to George's wife, Allene, she said, "We have so much to be thankful for this Thanksgiving, even though George has a long way to go." This time last year, George was in Florida Sands Hospital in Orlando, in a coma and the doctors had given up on him, his condition was so serious. Mrs. Phelps said she remembers the day before Thanksgiving, last year, when a doctor called her aside and said there was really no hope for him, and he advised her to place him in a nursing home to die. In face of all odds, his wife's courage told her to keep him on for him and hoping a due time that nature would ring him around, and the picture above tells the story. George has been a patient at Walker Memorial Hospital for the past six months, and has shown slow but gradual, hopeful progress while here. He had been hospitalized 10 months prior to coming here for treatment. As you recall, he was hit by a drunk driver while returning from McCro's in Winter Haven where he was Manager of the new store in the Winter Haven Mall.

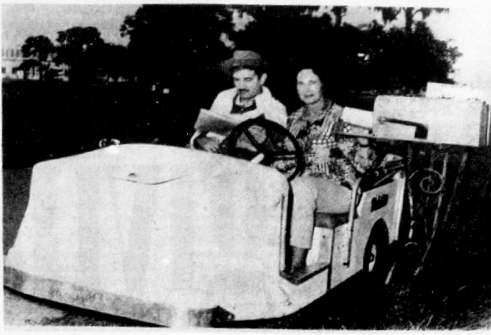

Since the story back in July, George has gained ground considerably in his general health, and his paralyzed leg has improved so that he can now support his weight enough to help get himself from bed into the chair. He can now

stand alone for 10 minutes and take two or three steps. His speech is returning slowly to his head was thrown to left side, injuring the speech area and control area severely) and he can put his bed light on and make his needs known to the Nurses' station. He is also feeding himself with the arm that was once completely paralyzed. He is having a little trouble writing with his right arm, but he is still trying.

This renowned patient at Walker Memorial Hospital is a familiar sight now as he is whisked around the grounds in his little electric car (purchased by his devoted wife, Allene) enjoying the nice Florida autumn weather and the beautiful sunsets across the lake from the hospital.

Mrs. Phelps credits his miraculous progress to the good nursing care and therapy which he has received at Walker Memorial Hospital, and to the many encouraging letters, visits and various gestures of good will from local people. George has received many letters of encouragement from well wishers from all over, and an extra surprise when he received 62 letters from the sixth grade class of Mrs. Stallons in Frostproof, urging him to keep on fighting to regain his health.

Mrs. Phelps said George enjoys young people and would welcome them to visit and work with him on learning to write again; also games, such as Scrabble, which would help with his speech and coordination.

A REASON FOR THANKSGIVING—"One picture is worth a thousand words" and the picture above illustrates clearly the reason for THANKSGIVING. George Phelps, Walker Memorial Hospital's renowned

patient, is on one of his afternoon strolls with wife, Allene, as they pick up some of George's many letters of encouragement from well-wishers. Photo by Sharpe.

Councilman Views Civil Service

Editor: Things you should know about Avon Park's Civil Service regulations. They became law in 1969. This is a seven member board, three elected by the city em-

ployees, one city councilman and three outsiders appointed by the council. It has been very hard to get outside members to There have been five meetings of the board scheduled or called since Dec. 7, 1972, to Nov. 1, 1973, that there was not a quorum showed up and a meeting could not be held.

There have been only three meetings of the board in the full seven members were present during the above dates according to the board minutes. There have been nine meetings when the employee members exceeded or equaled the attendance of the total of other members.

IN THE CIRCUIT COURT TENTH JUDICIAL CIRCUIT OF FLORIDA IN AND FOR HIGHLAND COUNTY.

IN PROBATE No. 72-666 IN RE: The Estate of HERMINE SCHOLZ, deceased TO ALL WHOM IT MAY CONCERN.

Notice is hereby given that Liselotte Baader filed her final report as executrix of the estate of Hermine Scholz, deceased; that she filed her petition for final discharge; and that she will apply to the Honorable Clifton M. Kelly, Circuit Judge of Highlands County, Florida, on the 17th day of December, 1973, for approval of same and for final discharge as executrix of the estate of Hermine Scholz, deceased on this 16th day of November, 1973.

When the civil service board was created there were two members of the council that are still councilmen and voted for the civil service board that has now voted to have the issue working for its defeat.

The council voted four to one for placing the issue on the ballot. There are two main reasons for asking for repeal of the Civil Service Board.

1. There are three employees and only one councilman.

2. The Civil Service Board has the right to set hours, working conditions and job classifications away from your duly elected councilmen.

If the voters are not satisfied with a councilman, they can vote him out. They have no control of the Civil Service board members.

When civil service was voted in by the voters in 1969, there were no pros and cons discussed for the benefit of the voters. They most likely did not know what the contents of the law would be.

It is possible many could have gotten Civil Service and retirement confused. Many could have voted 'yes' and thought they were voting for retirement.

NOTICE UNDER FICTITIOUS NAME LAW

Notice is hereby given that the undersigned, pursuant to the "Fictitious Name Statute", under section 865.09 of the Florida Statutes as amended, will register with the Clerk of Circuit Court, in and for Highlands County, Florida, upon receipt of proof of the publication of this notice the fictitious name to-wit: S. Wayne Whitmore Air Conditioning Service under which name I am engaged in business at 9 N. Florida Ave. in Avon Park, Florida, and that the owner of said business is: S. Wayne Whitmore.

Dated at Avon Park, Highlands County, Florida, this 16th day of November, A.D., 1973.

S. Wayne Whitmore
Nov. 22, 29, Dec. 6, 13, 1973

There is no connection with Civil Service and retirement. The employees have retirement benefits which the council wholeheartedly endorsed and will receive it when old enough. If an employee leaves city employment before retirement time, he will receive all that he has paid at once.

I, as a council member, have tried for three years to get the Civil Service Board to come up with job classification and as yet none has been forthcoming.

If Civil Service is voted out, I feel one of the first things the council will do is set up job classifications for each employee. This will give them the incentive for greater

production and followed by increased pay.

Every one of them will retire from the city. We have many long time employees that started long before Civil Service and they did not get fired then and they won't now. The longer they stay, the more valuable they are.

You elect your council members and expect them to get the most out of every tax dollar. Your council now has no contact with the employees other than supervision. I don't believe Avon Park is large enough for the above type of operations.

Please vote for the amendment.

Mausoleum

To Be Built At Lakeview

Lakeview Memorial Gardens located mid-way between Avon Park and Sebring, announced today that the board of directors has authorized the construction of a new mausoleum complex.

The contract for the first phase has been signed and construction will start around the first of the year. The entire complex as planned, when finished will have a value of \$1,780,000 and will provide 1400 crypts. It will have a chapel and will encompass a beautiful landscaped courtyard.

The chapel will be used for interment services, meditation, and for private services. The mausoleum will be trimmed in white Italian marble and be designed on a colonial style.

James Rimer, general manager, reported that the design is by Kenerson Studio of Ormond Beach, specializing in cemetery designs. The first phase of the complex will have 80 crypts, five tiers in height and will be built of steel reinforced concrete, with built-in drains and vents in each crypt. It will be constructed by Newton Mausoleums, Inc., of Winter Haven.

Great care was taken to assure that the best construction techniques and materials will be used, Rimer said. "We envisioned a garden setting, flowering plants, shrubs, well tended lawns," said Mr. Rimer. "Above ground burial is as old as civilization itself, as evidenced by the pyramids of Egypt, the Taj Mahal, Washington and Lincoln tombs. From this background has come the modern mausoleums of today, that are now within the financial reach of everyone", he said.

Postal Holiday

Thanksgiving Day will be observed by the Avon Park Post Office on Thursday, Nov. 22, 1973. There will be no window service provided. There will be no delivery of mail by city or rural carriers. Regular holiday lockbox service will be maintained in all post offices. Special delivery service will be provided and holiday schedules for the collection and dispatch of mail will be maintained.

A Look at the Cross on THANKSGIVING

"Surely he hath borne our griefs, and carried our sorrows: yet we did esteem him stricken, smitten of God, and afflicted."

"But he was wounded for our transgressions, he was bruised for our iniquities: the chastisement of our peace was upon him; and with his stripes we are healed."

"All we like sheep have gone astray: we have turned every one to his own way; and the Lord hath laid on him the iniquity of us all." Isaiah 53:4-6

Our prayer this Thanksgiving Season is that everyone will attend the house of God, giving thanks unto him for his great gift, which is eternal life through his son.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.
