COMPETENCY BOARD MEMBERS listen closely as Jim Heim (third from right) tells how the original intent of the Competency ordinance was one of minimum regulation. Board members (left-right): William "Bill" Heiring, Rick "Dick" Neils, Alvis "Bud" Cox Jr., Kenneth "Ken" Long, Chairman, C. W. Ellerbee secretary, James "Jim" Heim.

In Session

Competency Board

No Action On Contractors

Holding a roofing contractors registration card issued to him in March 1975 by Highlands County, James L. (Jim) McWilliams, Jr., told the Avon Park Competency Board on April 9 that he had been denied registration as a roofing contractor at the City Building Department by C. W. Ellerbee, Building Inspector of Avon Park.

The provision of Competency Ordinance No. 569 pertaining to the qualifications of an applicant to register were read by Inspector Ellerbee.

In the discussion that followed both the city competency ordinance and the state licensing law on roofing contractors were examined and it was stated that the Avon Park Competency Board had no authority to register Jim McWilliams or any other contractor who did not have the proper qualifications.

Board member Jim Heim stated that the original intent of the ordinance was one of minimum regulation and restriction. Close study, he said, revealed that it was an iron-clad minimum ordinance that left the competency board without power to register a contractor or give a contractor an examination. Under the ordinance all the board could do was recommend or slap a contractor's hand or revoke his license.

Competency Board President Ken Long recommended to the board that the ordinance be changed or that the appropriate tests be taken by contractors to qualify for registration.

City Council President Wendell Williams suggested that the board should study the competency ordinance further and see if they come up with any recommendations to the city council on any possible changes in the existing ordinance.

Under the State law effective July 1, 1973 contractors may qualify for registration by taking either state or H & H Block tests in their occupation. The contractors are qualified into the following classifications according to the law: A. General Building Contractor; B. Building Contractor (with limitations); C. Residential Contractor (with limitations). Sub-contractors are separate from other contractors and include: Plumbing, electrical, roofing, sheet-metal, swimming pools and air-conditioning.

The general building contractor can build any structure that is built and can do both roofing and swimming pools if they are part of the original plans or contracts. The only state certified general building contractor in Avon Park is Duane Kopta who passed his state general contractor tests on June 25,

1970 in Tampa. He is a member of the National Builders Association of the State of Florida.

The state occupational tests are given periodically throughout the year in various Florida cities.

The Avon Park application for Housing and Urban Development (HUD) funds was revised downward to \$186,300, Serafin Leal of Candeb, Flissing and Associates told city council members at their special meeting Thursday, April 10.

The number of cities applying for the limited amount of HUD funds caused the reduction in the application for federal funds from over

It was moved by the competency board that the business of registering contractors be held over to the next meeting with the following items to be studied: Roofing contractor, more flexibility in the gray area, fees for registration, State licensing law, authority of the board and notification.

A special meeting of the Competency Board with the City Council was called for Monday night, 7:30 p.m. Monday, April 21 at the city council meeting room.

\$300,000 to the \$186,300, which was viewed as being a realistic figure — not too small or too large.

The local priorities of the Community Development Program for Avon Park was revised to place a long range rehabilitation housing program at the top of the list with loans, normally \$4,000 to \$6,000 and grants up to \$5,000 to rehabilitate residential structures within the lower income group (total, \$45,000).

For the second item, streets, drainage, and sidewalks, \$65,000 would be requested in the application for paving, incidental drainage and sidewalk improvement in the lower income area. This would be coordinated with the sewer improvement program.

Parks and playgrounds (no. 3) was \$20,000 for the acquiring of sites or vacant land and developing two small playgrounds or mini-parks in the low income area. The land equipment would serve as a multi-purpose program.

Item four would be a special project for the elderly and handicapped. The \$7,000 for this portion of the program would be used to provide ramps, grip rails and benches for the elderly and handicapped in the main downtown area of the city to make it more accessible and safer.

Other funds were requested for relocation and assistance, \$2,000; planning and management development, \$15,000 to set up the complete package of rehabilitation to meet HUD standards and a schedule for implementing the program.

Administrative was listed for \$15,000 with the city perhaps hiring one person full time and

Parents of pre-schoolers (kindergarten and 1st grade) are urged to register their children this Friday.

Date — April 18th at Hopewell School cafeteria. Time — 8:30-11:15.

What — Registration of Kindergarten students and any first grade students that have not attended Kindergarten in Avon Park this year.

ELIGIBILITY Kindergarten — Any child that will be 5 on or before January 1, 1976.

First Grade — Any child that will be 6 on or before January 1, 1976.

What to bring — Birth Certificate and all records of shots.

Nurse There will be a Highlands County Health Dept. nurse available to give needed shots.

City Ready To Advertise For Bids On Sewer Project

"We are ready to advertise for bids on the sewerage improvement program," city councilmen were told by Tom Kelly, project engineer — a Bill Simpson, project administrator of Dawkins and Associates at their regular Monday night meeting.

In advertising for bids for three sewer projects Kelly told the council that some contractors do only pipe line work others do only plant work while some do all phases of construction. Thus the breakdown of the sewer improvement program into primary plant construction, sewage collection system for the west side and sewerage collection system for the east side of Avon Park.

Contractors can bid on one phase or all three as a single unit. Engineer Kelly recommended that the city advertise for bids on April 24. The cutoff date for release of plans and specifications to contractors would be May 28. Bids would be opened at 9:30 a.m. Tuesday, June 3. It is expected that 30 to 50 contractors may be interested in bidding because of inquiries from many areas. Dawkins and Associates would try to screen the contractors to avoid shoddy construction and workmanship and make their recommendations on June 5.

The contractor(s) would be required to post a performance bond. If there is damage to property the contractor is required to return it to a condition equal to that before construction, while 10 per cent of all payments due is held back until the job is satisfactorily completed.

After much discussion and many questions about contractor reliability and performance Kelly told the council that the big problems are in cities where the council does not pay attention to the work as it progresses. For the questions asked he did not see this type problem developing in the Avon Park sewer construction program.

A question about inspection of work as it progresses along with problems that arise, City Attorney Jack Hancock suggested keeping a referral system of complaints or a documented log work with — a copy of the complaint being retained by the city, a copy to the engineer and a copy to Dawkins and Associates home office, plus a response for action taken by the field engineer. This could be used to hold the contractor's fee to the fire if he didn't comply with corrective action on the problem.

Administrator Simpson stated that the Farm Home Administration (FHA) specifications called for the project engineers to be the mediator between the city and the contractor. While they represented the city they also had to be fair to the contractor. It was their belief that a city inspector would not be permitted to deal directly with the contractor. Their duty as engineers is to determine if the finished work conforms to the plans and specifications.

In regard to payment of outstanding invoices for engineering services Kelly stated that under FHA specifications the engineers can bill the city for 70 per cent of their fee at the time of submission of the final plans and specifications. They have billed at 56 per cent.

The city has paid over \$30,000 and the balance now due is approximately \$145,000. The Florida Department of Pollution Control has advanced most of this for interim financing. However, FHA has said that they must approve any bills before they could secure payment at the time of the permanent financing.

The FHA will not make any permanent loan if the project is

not built if the project is built all engineering fees are included. If the FHA did not finance the project it would not relieve the city of the liability for expenses incurred, including the engineering fees. The city was not billed for these fees until the plans and specifications were approved by FHA about two months ago.

The cost to the engineering firm to carry the Avon Park account is approximately \$1200 per month.

Attorney Hancock told the council that the city was liable to pay the engineering firm for services which had been contracted for.

The council moved to pay bills connected with the sewer

improvement program to date, including engineering and legal fees and other bills.

Mr. Kelly reported that water samples and pumping tests of the new well were satisfactory. The week of May 12 was set for the chlorination of city water and the flushing of water lines because of the chlorination process.

THE GRAND OPENING last Thursday of the first store in the Avon Shopping Square at the Eagle Family Discount Store was signalled by a member of vehicles in the parking area. Next to the Eagle Store are facilities for two satellite stores with part of the new Winn Dixie store showing (white overhang). Photo—Miller.

Eagle Store In Shopping Center Has Grand Opening

Although open for business for a week on a trial-run basis the Eagle Family Discount Store had its grand opening on Thursday, April 10. Larger in floor space than its sister store in Sebring the new facility attracted more patrons and did more business than District Manager Richard Mangle had anticipated.

Eagle Family Discount Stores are in their 27th year of business in Florida. They have grown from a single outlet dealing primarily in government surplus merchandise, to the state's fastest-growing family style discount stores.

The new store in the Avon Square Shopping Center on Highway 27 South in Avon Park is the 165th store in the chain. Quality merchandise will be offered at the lowest possible prices. Savings through the company's huge purchasing power are passed directly to the customer.

Customer satisfaction is guaranteed on a money-back basis, and a call back slip is issued on any advertised item the stores may temporarily be lacking.

"Eagle" has enlarged its lines of merchandise over the years to include over 10,000 different items ranging from foods to hardware, beauty aids to liniment and from automotive to paints.

Living at the Lotels Park Apartments with his family store manager, Tony Anderson came to Avon Park store after managing the Eagle Auburndale store. His assistant manager Brad Smith is a graduate of Avon Park High School and is currently taking courses at South Florida Junior College.

It is the policy of Eagle Family Discount Stores to staff each store with people from the local area and to have their employees become active members of the community.

Living at the Lotels Park Apartments with his family store manager, Tony Anderson came to Avon Park store after managing the Eagle Auburndale store. His assistant manager Brad Smith is a graduate of Avon Park High School and is currently taking courses at South Florida Junior College.

During last Thursday special meeting of the Avon Park City Council Serafin Leal (right) of Candeb, Flissing and Associates explained to the Council some of the thinking

involved with the application for funds from the Housing and Urban Development program. Photo—Miller.

Hue Nunnallee

Former City Attorney Hue Nunnallee representing Mr. and Mrs. Albert L. Carson of the Southland Trailer Park, requested that the council officially close a portion of West Church Street between N. Florida Ave. and N. DeSota Ave.

In making the request Attorney Nunnallee pointed out the area served to accommodate the overflow of people from Woodruff Heights during the World War II era. The street was not closed in 1945 but neither was it opened and it has been physically closed for 30 years by buildings and fences. The council moved to close that portion of W. Church Street between N. Florida Ave. and N. DeSota Ave.

Commissioners Approve Job List For Seniors

The Seniors At Work job list submitted by county administrator Charles Cullens received commissioners' approval Tuesday.

Commissioner Ken Wilkinson voted against acceptance of the list, however, to demonstrate his general opposition to federally funded, "make-work" projects.

Cullens' list contained 22 suggested jobs. Nine are in departments supervised by commissioners, seven in agencies run by other elected officials, four in city government offices and two in the Ridge Area Association for the Retarded.

Commissioners instructed Cullens to cut two positions from the list but did not specify where the cuts are to be made. Jobs on Cullens' list showed that openings will be available for administrative clerks, bookkeepers, typists, draftsmen, custodians, health aides, license inspectors, recreation aides and sanitarian aides.

To qualify for employment under the Seniors At Work program, applicants must be 55 years or older, be unemployed or underemployed for at least 30 days and be able to pass a job-related physical examination.

In other business, commissioners:

Instructed the county attorney to prepare a resolution for their inspection next Tuesday recommending that either five years of field experience or a master's degree be accepted, equally, as proof of qualification to perform the county extension service director's job.

Authorized the purchase of a bronze plaque to be mounted at the entrance of the Agri-

Civic Center, listing the names of all previous county agents. Heard administrator Charles Cullens report that the Division of Health, Jacksonville, has approved the county's request for \$50,000 in matching funds with which to purchase new ambulances required by state law.

Heard Cullens report that biologists of the Florida Game and Fresh Water Fish Commission will return to Sebring in mid-May to determine the alligator population in Lake Jackson and Dinner Lake.

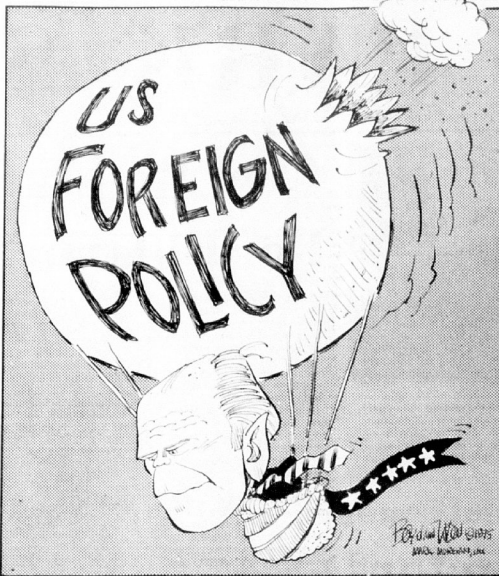

Passed resolutions: objecting to House Joint Resolution (HJR) 410 which proposed a constitutional amendment raising homestead exemptions from \$5,000 to \$10,000; opposing HJR 200 which would make cabinet officer positions appointive rather than elective; and objecting to HJR 485 which provides additional homestead exemptions for widows.

Passed a resolution endorsing Senator Tom Galen's Senate Bill 241 that exempts persons serving their communities without pay from the state's present financial disclosure law.

Approved changing the name of Sunset Drive, east of Sparta Road, to Schlosser Road.

Changed the names of Sebring Villages subdivision streets as follows: North Sunset Drive to be Queen Palm Drive; South Sunset Drive to be Date Palm Drive; Palmetto St. to be Sago Palm Drive; South Hibiscus Ave. to be Sabal Palm Ave.

Authorized the use of a county bulldozer to push weeds at Elko Beach, provided the City of Sebring obtains required permits.

Northbound Tourist Factor In Accidents

Rain and fog posed some driving problems in Highlands County in the past week, but Florida Highway Patrol did not list weather conditions as major factors in the rash of traffic accidents in the county.

Speed was listed as a contributing factor in some of the 16 accidents which injured 12 persons and killed one. Tickets for unlawful speed were issued to 91 drivers.

Three driving while intoxicated charges were filed, 36 other citations. Charges were filed against 21 truck drivers.

Heavy traffic from northbound tourists was cited as a factor in the high accident rate.

A FIGURE SKATER appears to be a statue all alone under the white spot during the ice show at the Lakeland Civic Center. Skaters and feet are obliterated by spectator heads. Photo—Miller.

Letters To The Editor

Dear Editor:

I guess everyone has his hang-ups. Some are more serious than others. These days apparently a lot of people—young people—are hung up on drugs. When you warn them against drugs such as marijuana, they are quick to point out that marijuana is no worse than alcohol, and alcohol is quite an accepted beverage in society. No questions asked. So you take a man who drinks; maybe he will point to the people who light one cigarette after another and pollute the air for everyone around them. That's his excuse—unless of course, he does both. Then, maybe he says at least he isn't using drugs.

The truth of the matter is that in all three cases these people are using drugs. And whether they will admit it or not, they are using crutches. The tobacco smoker smokes because he wants to be one with the crowd, and eventually he is hooked, so that is no longer the primary reason. The drinker has the same basic purpose for drinking—until he's hooked. And the one dabbling in drugs starts for the same reason—it's the in thing. And then he's hooked—psychologically if not physically, and far too often it ends up physically as well.

Some people explain that smoking this or that or drinking is their only pleasure. This is a sad commentary on the affluent American life. I happen to be a Seventh-day Adventist, and some people might wonder how I get my pleasure out of life because my church prohibits the use of anything like tobacco, alcohol, coffee, and other narcotics, besides recommending a lot of other restrictions for health reasons. But when these harmful elements are cleaned out of one's life, it's beautiful! And full of fascinating things to do and taste and see. I wish I could just tell all these blasé people about it. That's why I'm writing this letter—just to say, Try the bright, clean way without crutches. You'll like it.

Harry J. Bennett
Avon Park, Fla. 33825

Former Council member Durrah Martin, chairman of the ball park committee commented that the priority list is reversed of the original list and wondered how this would affect the ball park complex.

It was pointed out that the change in priorities would give the city a better chance to secure discretionary funds.

I was handed a religious pamphlet in downtown Avon Park that criticized Sunday worship and the Catholic Church. In fact, it called the Catholic Church the horny monster in Daniel's vision.

There was no church name, but I had scanned a pamphlet a few weeks earlier and it had the name Church of Christ on it.

It had a section about Catholics too and called our holy sacrament of Baptism just a mockery.

I couldn't believe that this is what is being taught in the churches here. That's just the seeds of hate being sown in the guise of Christianity. That's a crying shame.

Kathy Stone
U.S. 175, Avon Park

CHARGES DROPPED
Possession of marijuana charges against Larry E. Duke and Ronald C. Terry have been dropped by the prosecution. Circuit Judge Clifton Kelly granted a defense motion to suppress evidence gathered by Avon Park police in an arrest made last October.

Serafin Leal

Application For Funds

others part time for work on the program. Contingencies and or local option activities put another \$18,900 on the application. These funds could be used in other areas where the eligible projects being outlined.

In his explanation of the community development budget Leal cautioned the council that HUD may not have money for funding the city program. If the city's application is approved he stated "don't expect to be funded to this figure (\$186,300), as the average grant was approximately \$100,000. However, if HUD had funds left at the end of the fiscal year cities having projects usually received additional funds.

A member of the audience, Ernest Fleming asked if street lights would be included in the program. Councilman Robert Britt reported that he and Mayor Marshall Davis had ridden through the area the previous night and had found 16 lights out or broken. These were reported to Florida Power Corp. for replacement or repair. Mayor Davis requested that citizens report burnt out or broken lights to the electric utility for replacement.

Former Council member Durrah Martin, chairman of the ball park committee commented that the priority list is reversed of the original list and wondered how this would affect the ball park complex.

It was pointed out that the change in priorities would give the city a better chance to secure discretionary funds.

—Roy Switzer asked the council about selling of fruit and vegetables from trucks on the highway as lately there were many people selling from trucks along the highway. He was informed that the law could be checked on this matter and he would be contacted.

Pastor A. W. Orner
Rt. 2 Box 3405
Avon Park, Florida
33825

Question: Does science indicate that Noah's flood was real?

Answer: Yes there is ample evidence which attests the reality of the flood. There are many scientists that believe global flood as described in the book of Genesis actually took place.

Geology affirms that at one time the whole earth had a temperate climate. In other words the weather in Alaska was about the same as it is in Florida. Then a sudden change in weather took place. It is believed that the global flood brought about this change. In the Geological Magazine, Vol. 12, P. 531, a scientist reports that animal and vegetable remains found in the polar regions testify that the former times a warm climate prevailed over the whole globe.

Donald MacMillan, an art explorer, found a vein of coal thirty feet thick within six hundred miles of the North Pole. When this scientist studied this coal, it was discovered that it contained the remains of a giant sequoia tree, found now only in California.

The United States Geological Survey found a large deposit of fossil coral in the arctic lands. It is an established fact that coral will not grow in water colder than 70 degrees. In the arctic area are found the remains of great elephants, mammoths, mastodons, huge camels, and other strange gigantic creatures. All of these lived on the same tropical vegetation.

The evidence indicates that all of these creatures were destroyed suddenly. Only a great global catastrophe such as the flood could bring out such a sudden change in climate.

Hundreds of huge mammoths have been preserved in the frozen mud and gravel pits of Siberia. The tusks of these great animals have been a source of ivory trade for many decades. Some of these animals still had grass in their mouths. No grass

grows in this region today. It is obvious that these great mammals were suddenly overtaken by a great catastrophe which buried and froze them in banks of gravel.

In 1939, Professor Czejanow of the Soviet Academy of External Frost discovered frozen horses in the Altai Mountains of Siberia. After digging down fifty feet in the frozen earth, he suddenly broke into a cave, and saw these horses staring at him out of their glassy eyes. The were saddled and bridled, ready for a journey. Every hair was intact, blood was found in their veins and half-digested food in their stomachs. It is believed that these horses were suddenly frozen when the great climatic change occurred.

Various races of the earth have tradition of a global flood. Such traditions are found among the tribes of north and South American Indians. Evidently these traditions were passed on from generation to generation.

The coal which we use today comes from great forests which were buried by global tides. The imprints of ferns and other vegetation are found in the coal. Only a great catastrophe like the flood could bury these great forests hundreds of feet beneath the earth. Every coal mine therefore testifies to the reality of the flood.

Our petroleum products are derived from fossils. How did these great fossils of marine creatures become buried hundreds of feet under the surface of the earth? Only a global flood and its ensuing tidal waves could accomplish such a burial. Thus every automobile which travels our highways today is a testimony that Noah's flood actually took place.

Preserved in the frozen mud and gravel pits of Siberia. The tusks of these great animals have been a source of ivory trade for many decades. Some of these animals still had grass in their mouths. No grass

Dr. J. Milton Bell

Church Author To Speak At Church

Dr. J. Milton Bell will deliver the sermon on Sunday morning at eleven o'clock at the First Presbyterian Church in Avon Park. Dr. Bell will be accompanied to Avon Park by Mrs. Bell. They will attend the Memorial Service to the late Robert Gibb on Sunday afternoon at 3:30 p.m. at the First Presbyterian Church. Mr. Gibb was the father of Mrs. Bell and was a member of the church.

The Rev. Dr. J. Milton Bell is gift investment officer of the American Bible Society. In this capacity he is responsible for the supervision and development of the Society's annuity, life insurance and trust funds. He joined the staff on June 1, 1970 as assistant secretary in the Ways and Means Department. Previously he served for 10 years as senior minister of Central Brick Presbyterian Church, East Orange, N.J. Born in Grills, Ontario,

Canada, Dr. Bell became a naturalized citizen of the United States in 1954. In 1946 he was granted a B.

A. degree by Queens University, Kingston, Ontario, Canada, and in 1960 a B.D. degree by Queens Theological College, also in Kingston. He received ordination from a super-

United Church of Canada in 1950. Dr. Bell was awarded a Th.M. degree by Princeton Theological Seminary in 1951, and in 1955 earned an S.T.D. degree at Temple University's School of Theology.

In 1960 Dr. Bell was called as assistant pastor of St. Paul Presbyterian Church, Philadelphia, Pa. In 1962 he became minister of Christ West Hope Presbyterian Church in suburban Philadelphia, where he served until accepting his East Orange Pastorate in 1969.

During his service at the East Orange Church, Dr. Bell inaugurated programs which paid off the church's heavy debt, restored and refurbished the sanctuary, offices, Christian education building and social rooms. Membership was significantly increased through various parish evangelism programs. A

bequest program was initiated, and an endowment fund accumulated and invested.

In addition to his leadership in various evangelistic and preaching missions throughout the United States and abroad, Dr. Bell recorded two series of "sermonettes" for use on WNBC-TV, New York, and elsewhere. He is the author of "The Churchman's Almanac," "The Minister as Investor," and of numerous articles published in Church Administration, Monday Morning, The Golden Hour and Christian Herald magazines. Dr. Bell has developed and maintains broad and productive associations with leaders in legal, banking and financial circles.

Dr. Bell and his wife, Ellen Virginia, whom he married in 1953, reside in Verona, N.J.

Ross

Tells Women Evangelism Is "Following Jesus, A Ministry Of Love"

The Episcopal Church Women of Avon Park met for their regular monthly meeting on Wednesday April 9, in the Parish House of the Church of the Redeemer, after mid week Communion.

After a short "Coffee," the meeting was opened with prayer, by Father Cleveland.

Mrs. Earl Freeman presented the state of officers for 1975-76. President Alice Smith, Vice-President Ann Smith, Secretary Miriam Ross, Treasurer Bill Hise. Mrs. John Morris Program Chairman, presented Mrs. Carol Ross speaker for the day. Mrs. Ross is well known to Redeemer members and is always a welcome guest. Her subject this time was, "Evangelism," which being

interpreted is "Following Jesus, a ministry of love."

The first Evangelists were the Apostles, whom Jesus told to go into the world, and preach His Gospel. We too can follow their example right here in our home town. We can by our actions, show that Evangelism still lives.

Mrs. Ross also told the members that the Deane's meeting will be held at Gray Inn on Sunday, April 27. Starting at 3:30 p.m. it will be over in time for members to get home before dark. A supper will be served, at a cost of \$1.75. Members wishing to attend should contact Mrs. Hise for reservations and ride. Mrs. Earl Freeman expressed her appreciation to the hostesses, Mrs. Claire

Irwin and Mrs. Ruth Stoddard, for the delicious refreshments.

Next meeting will be Wednesday May 14. This will

Grange

Hears Foreign Students

By LAVERNE FULLMER

Avon Park Grange continued its Youth Night and a World Understanding Program Tuesday, April 8. Four foreign students from Webster College were guests at the potluck supper after which the program was in charge of Ralph Fullmer, Youth Chairman.

be the last meeting of the 1974-75 year, and will feature a

covered dish luncheon.

Grange

Twenty five members of the

High School Girls' Chorus favored us with six numbers before the talks and one afterward. Pam Love, the Director, told us they have been winning high ratings and the Grange members wished them success in their next contest.

The foreign students were Mr. and Mrs. Tony Lau of Hong Kong, Molly Mongkhalayon of Thailand and Maria Carrasco of Honduras. All are second year business students and will graduate on April 30. The couple from Hong Kong are specializing in Hotel and Motel Management because tourist trade is very good there. Tony was office boy in a bank where he completed with 300 other applicants to get that job. There are over 100,000 students in the University and when they graduate only the lucky ones find work. His wife read an ad in a magazine about Webster College, so they came here to train and will be going home soon to seek employment.

Hong Kong is an English Colony on two islands with a ferry between them. The population is so dense that there are no houses. The people live in "high rises." Everything is going up there as it is here, and it takes two thirds of a person's salary for housing alone. Many young people get no education and can find no work, so there is much violence. Hong Kong is ruled by an English Governor and other English Officials. They always fly two flags. 99 per cent of the population is Chinese, but all students are required to learn English.

Honduras has a population of one million and is under Military Rule. Because the elevation is high, the temperature averages between 40 and 70 degrees the year around. They raise bananas, red beans, rice, cotton and cattle and mine silver and gold. Much jewelry is manufactured. The National language is Spanish, but they must learn English.

A short business meeting was conducted by the Master, Miriam Debo. Two applications for membership were received. Donations were voted for the State Women's Activities Com. and for the National Grange Youth Foundation. Miriam Debo was nominated for Florida Granger of the Year.

The program for April 27 will be presented by Mrs. Charles Moseley, F. H. A. Instructor and some of her students who will make a slide presentation on school activities at Avon Park High School. Visitors will be welcome to attend the program which will follow a potluck supper at 6:30. Please bring own table service and a covered dish, and enter by the back door of the Woman's Club House.

The Avon Park Sun, Avon Park, Fla., Apr. 17, 1975 3A

Policeman's Lot

By Gene Hancock

Schroeder Reid

In a report filed by P.I. Robert Singletary, he stated that Rose Schroeder, Frostproof, was cited for "violation of right of way" as the result of a traffic accident Thursday afternoon.

Police said Schroeder was traveling south on Hwy 27 and while attempting to make a left turn onto W. Main Street turned in front of a vehicle that was proceeding north and being operated by Curtis Reid, Avon Park.

Damage to the Reid vehicle, a '72 Chevrolet, was listed at \$200.00 with approximately \$30.00 damage to the other car. No injuries were reported.

Taft Coleman

No charges were filed in a minor accident that occurred at approximately 2:30 p.m. Friday in front of City Hall.

Investigating Officer Don Singletary said in his report that Paul Taft, Avon Park, was attempting to back into a parking space and while doing so, his vehicle struck a '69 Ford owned by Charlie Coleman, Avon Park.

No damage was reported to the Taft vehicle and only minor damage to the front bumper of the Coleman vehicle.

Louis-Whitehead

Michael Louis, age 22, was cited for "Violation of right of way" and "No drivers license," as the result of a traffic accident Friday evening at approximately 8:45 p.m.

Cpt. Presley Selph stated that Louis was traveling north on S. Highlands Ave., and turned into the front of Frank Whitehead, Sebring, who was proceeding south on S. Highlands.

Damage to the Whitehead vehicle was listed at \$225.00 while damage to the Louis car was put at \$125.00.

Smith

At approximately 9:15 a.m. Monday, P.I. Gene Hancock, stated a delivery truck owned by Raymond D. Smith,

Lakeland struck a large overhanging limb on N. Prospect Ave., and caused approximately \$250.00 damage to the top of his truck.

Board To Pave

Some Sebring

Streets

At a public hearing Tuesday, commissioners authorized the county engineer to advertise for bids to resurface four streets in Sebring Manor subdivision.

Bids on the resurfacing job are scheduled to be opened May 13.

Under the leadership of Laurel Baxter, residents of Sebring Manor employed a seldom-used county ordinance that permits establishment of a special district through which lot owners will take themselves to pay for improvements made to their subdivision streets.

Portions of Royal Palm Ave., Granada Ave., Highlander Road and Sonnet Road are to be paved under the "Hays Act," the unofficial title given to the applicable county ordinance in recognition of the work done by county engineer Gordon Hays Jr. in preparing it.

At a second public hearing Tuesday, commissioners rezoned land belonging to Dennis Payne and Edward Snyder from unimproved acreage classification to single family residential and to general retail. The rezoned property is located on U.S. 27 near Surplus City.

At the request of petitioners' attorneys, commissioners postponed until next Tuesday their decision on Norman J. Michael's request to rezone his property on Sparta Road north of SR-66.

Career Day Speakers Announced

Career Day speakers will inform students about the training, qualifications, nature of the work, rewards of the work and much more in several different areas on Monday April 23, 1975.

Students in the tenth, eleventh and twelfth grades were surveyed about their career choices by Mr. Knecht, the Career Education Coordinator, at Avon Park High School. The students indicated an interest in many

areas. It was obvious we could not provide guest speakers for every area but we did try to provide speakers for areas where four or more students indicated an interest. The areas which will be covered and the guest speakers involved for the third period of the day on April 23, 1975 are as follows: Beef and Dairy Cattle, Tim Turner, Highlands County Agricultural Agent; Office Occupations, Sally Johnson, Lakeland College of Business and Fashion; Radio-Television, Broadcasting, Servicing etc., Chuck Shane of WAPR Radio Station; Equipment Operations Air, Electric Mechanical, Hydraulic, Gordon Hayes, Highlands County Engineer; Homemaking Education, Child Care, Virginia Hubbell; Homemaking Education, Housing Design, Interior Decorating, Patti Goff, Chuck

Tilley Interiors, Inc.; Modeling and Fashion Design, Sally Johnson, Lakeland College of Business and Fashion; Performing Arts Acting, Dancing, Singing, Evelyn Jones; Professional Sports, Buford Long, Wauchula, Fla.; (Long played football for the New York Giants); Marine Exploration, Dr. Harold Humm, Professor of Marine Science, University of South Florida, Bay Campus; Law Enforcement, Lt. Keith Albright, Highlands County Sheriff's Department; Teaching, James F. Smith, General Supervisor and Assistant Superintendent Highlands County Board of Public Instruction; Military-Air Force, Sgt. Guttler; Military-Army, Sgt. George Calder; Military-Navy, Petty Officer Thomas Tipples; Military-Marines, Sgt. Thomas A. Butner; Banking Industry,

Charles Hoke, President of Avon Citrus Bank. A question and answer period will immediately follow the speech. The students will be asked questions as, Do you like your occupation? Is there anything you do not like about your work? How much education is necessary to enter your career?

Progress Made

On Baire's Den

County Commission Chairman, C.J. "Buddy" Wain reported Tuesday, that during his recent trip to Tallahassee he made progress toward a solution to the Baire's Den accident rate problem.

Wise said he confronted J. W. Brown, director, Division of Road Operation, Florida Department of Transportation (DOT), with statistics that showed the intersection of SR 70 and U.S. 27 to be one of the most deadly in the state.

Brown estimated that five years might be required to request, approve, fund, bid and construct an overpass at the death trap intersection.

After discussing the current situation with one of his engineers, Brown suggested that Wise ask Highlands County commissioners to pass and send to him a resolution seeking a speed reduction for traffic on U.S. 27 along approaches to SR 70.

Brown suggested that commissioners seek to reduce the present 55 mile per hour (mph) speed limit on U.S. 27 to 25 mph for a distance of one-quarter mile both north and south of the SR 70 intersection.

Adequate blinking lights and warning signs would be posted, Brown promised.

Wise said he was assured that a traffic speed reduction on U.S. 27 would be ordered but the exact speed limit figure might be 35 mph instead of 25 mph.

DOT intersection engineers will have the final word on setting speed limits on U.S. 27 at Baire's Den.

Commissioners agreed unanimously to send the requested resolution to Brown as well as to the DOT district engineer in Bartow.

You are cordially invited to hear

Bonnie Norton
Engaged To
Dennis Johns

Billy R. Norton from Avon Park and Mrs. Janene Coker from Arcadia announces the engagement of their daughter, Miss Bonnie Suzanne Norton, to Dennis Leon Johns son of Mr. and Mrs. Howard Cobb, 109 S. Florida Ave.

The bride-elect is a junior at Avon Park High School and employed by Walker Memorial Hospital, Avon Park.

The prospective bridegroom will graduate this year from Avon Park High School and continue to work with his father.

Plans are being made for a June wedding at the Florida Avenue Baptist Church.

Viola Drawdy Celebrates 96th Birthday

Mrs. Viola Drawdy celebrated her 96th birthday Sunday, April 6, at her home 206 N. Hendry, Ft. Meade, Fla.

Mrs. Elton Pearson, a daughter who lives with Mrs. Drawdy had charge of all the plans that went beautifully.

The home was decorated with bouquets of red roses, carnations and mixed spring flower arrangements. The mixed flower arrangement was sent by Mrs. Elsie M. Hale from Woodbridge, Va. The red roses and carnations from a grandson Stanley J. Laddon and wife Helen from Panama City, Fla. and a potted plant from Lena Manley a daughter in Ft. Meade.

Eight of Mrs. Drawdy's children were present. Mrs. Oveda Bullard, Mrs. Marie Laddon and husband Eddie from Avon Park, Mrs. Leona Baldree and husband Marion of

Lakeland, Fla., Mrs. Dell Boivert and husband Lou, Mrs. Lena Manley, April 13, at the State Flower Show in West Palm Beach. Those attending were Mrs. E. W. Hartt, Miss Joni Lee Berkowitz, Mrs. Phillip Gourlie, Mrs. Robert Barben.

Founder's Circle Garden Club spent Sunday, April 13, at the State Flower Show in West Palm Beach. Those attending were Mrs. E. W. Hartt, Miss Joni Lee Berkowitz, Mrs. Phillip Gourlie, Mrs. Robert Barben.

MRS. LOUISE M. FARTHING celebrated her 90th birthday April 23. She is the mother of Mrs. C. H. Pensterman whom she resides with at Lake Verona Condominium and Thomas Wm. Farthing, Angola, N.Y. She has two grandsons both residents here, Thomas F. and Arthur E. Farthing and three grandchildren in Angola, N.Y. Mrs. Farthing has had the enjoyment of seeing the 5th generation of her family. Class Of '65 Holds Reunion At Club

The Class of 1965 of Avon Park High School held their tenth year Reunion at the Pinescrest Country Club Saturday, March 29 with over half of the class members, their wives and guest attending.

The evening started with a social hour during which old friendships were renewed and many new acquaintances were made.

During and following the dinner hour music for listening and dancing was played by the Avon Park High School Band under the direction of Vic Mickunas. The musical format was varied, featuring the best of the old and new.

Members Attend State Flower Show

Founder's Circle Garden Club spent Sunday, April 13, at the State Flower Show in West Palm Beach. Those attending were Mrs. E. W. Hartt, Miss Joni Lee Berkowitz, Mrs. Phillip Gourlie, Mrs. Robert Barben.

Lynn Henderson
To Marry
John Brown

Dr. and Mrs. Harold E. Henderson, Wauchula, Fla., announce the engagement of their daughter, Lynn Karen, to John Ernest Brown III, son of Mr. and Mrs. John E. (Jack) Brown Jr., Lake Providence, La.

Lynn and John are Senior students at Northeast Louisiana University, Monroe, Louisiana.

Lynn is the granddaughter of Mr. and Mrs. Mark Smith of Avon Park and Mr. Uel Henderson and the late Mrs. Henderson of Wauchula.

John is the grandson of Mr. and Mrs. J. E. (Doc) Brown of Lake Providence, La. and Mrs. Thomas H. Vinning of Monroe, La.

Plans are being made for a July 12th wedding.

Garden Club To Visit Sea World

The Hibiscus Garden Club met at the home of Mrs. L. D. McGiboney, 99 S. Highlands Avenue, Thursday, April 10, 2:30 p.m. Mrs. R. L. Adams was co-hostess. During the social hour, which followed the business meeting, Mrs. Adams and Mrs. McGiboney served assorted sandwiches and cookies, nuts, and fruit punch.

Mrs. P. C. Boney, president, presided at the first business meeting of the new term. She appointed Mrs. George Kelsey as chairman of the Horticulture Committee and Mrs. George Haynie as Historian.

The trip to W. Palm Beach to the State Flower Show on Sunday, April 13, was discussed.

It was announced that the group going to Sea World on Monday, April 28, will meet at the Baptist Church parking lot at 7:45 a.m. to pool their rides.

Mrs. Alice Morris was unanimously voted into the club. Mrs. Wilma Smith was welcomed to her first regular meeting. Mrs. Irene English, a former member out now living in Orange City, Fla. was a guest of the club.

Religious services will be held for Congregation Beth Israel tomorrow, April 18 at 8 p.m. at Leisure Lakes clubhouse. Cantor Max Kramer and Marshall Simon will conduct the Sabbath service. Open Shabbat will follow. Guests are welcome.

The South Florida Junior College Drama Department will present "A Night of Theatre" on April 18, at 8:00 p.m., in Lecture Room 101 on the campus. The presentation will include two one-act plays and one segment of Reader's Theatre.

The two one-act plays are, "The Denouement" and "Zoo Story." The Reader's Theatre segment is entitled, "Free Advice."

The public is invited to attend the performance with no admission being charged.

Harry Lee's Trailer Village

Trailerites Returning To Northern State Homes

Mrs. Opal Abraham who was a surgical patient at Walker Memorial Hospital is recuperating at home now.

The weekly craft and sewing meeting was held on Wednesday afternoon at the shelter. 11 members enjoyed refreshments furnished by Charlene Halled.

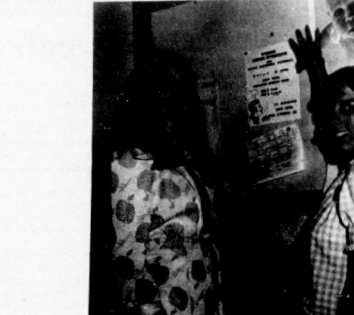

The following have returned to their homes in the North: Mr. and Mrs. Jake Mulder to Kalamazoo, Mich.; Mr. and Mrs. Harvey Howard to Indiana; Nancy Heingard by way of Chattanooga, Tennessee to visit her brother to Kalamazoo, Michigan; Mr. and Mrs. Arthur Parker to Corunna, Ontario; Mr. and Mrs. Norman Rott to Chambersburg, Penn.; and Mr. and Mrs. Don Kiltz to Penn.

June Killian fell and broke her wrist, but was able to leave for home.

The village extends their sympathy to Ruth Parnell in the passing of her husband Harry on Saturday.

The April dinner of the Audubon Social Club was held on Sunday, April 13, at the shelter. A potluck dinner was enjoyed at 1 p.m. by 36 members and friends. Later a shuffleboard tournament was held with Lydia Glens and Wayne Brown being high and Helen Wilcox and Roland Halled being low. Birthdays honored were: Doris Rodgers, Elmore Laman, Roy Adie, Vera Faulstich and May Graper. Committee were Myrtle Comfort, Ivey Roe and Eva Tribbett.

Mr. and Mrs. Fred Graper to spend a couple of weeks in their home in the village.

Bettye Hart, at left, and Cindy Turner, both members of the Avon Park Junior Woman's Club, put up a poster on the Highlands County Courthouse bulletin board to call attention to a benefit spaghetti supper the Juniors are giving for the Avon Park Recreation Center. The supper will be held from 5:7 p.m. on Saturday, April 19, at the Avon Park High School Cafeteria. The public is invited to attend. Donations are \$2 for adults, and \$1 for students.

The Avon Park Lakes Assoc. will hold a covered dish luncheon at the club house 6 p.m. Thursday, April 17. The Highlands Lake Junior Academy Band will entertain.

The Avon Park Lions Club will be sponsoring a Glaucoma screening clinic at the Lions Club on W. Bell Street Saturday April 18, 1975, from 10 a.m. to 2 p.m.

This clinic is free of charge and people over the age of 35 are urged to attend.

Business Womens Club will meet Monday, April 21, 8 p.m. at the Woman's Club House.

Leigh Chapter No. 85 I.E.S. was represented at the Florida Grand Chapter Session held in Curtis Hixon Hall on April 8 thru 11 in Tampa, Fla. by Elizabeth Lamb, Vera Kirkland, Patricia Lamb, Marion and Dick VonBurke, Ila and Ronald Williams, Margaret and Herbert Woolcott.

Mary Helen Kuhn received an appointment as District 31 Chairman to the EASTARL committee, which is an Eastern Star program to assist young men and women in education for Christian work in the ministerial or missionary field.

"TOPS" CLUB FORMED
A new chapter of TOPS (Take Off Pounds Sensibly) weight-control organization has been formed in Avon Park. You can meet with others who have similar problems at our meetings that are held each Tuesday at 8 p.m., 309 S. Anoka Ave., Avon Park, contact Florence Schram, 433-6387.

F.W.F. FISH FRY
Saturday, April 19th is the date set for another Avon Park, Veterans of Foreign Wars Fish-Fry-Picnic.

Open to the public from 11:00 a.m. till 6 p.m. this outing is to be held at Donaldson Park again. The same popular menu of a choice of catfish or mullet, cole slaw, baked beans and a roll is offered for a minimum donation of two dollars (\$2.00).

All V.F.W. members are reminded of the May 15th election of officers.

FOUNDERS CIRCLE MET
The Founders Circle of the Avon Park Garden Club met Thursday noon at the home of Mrs. Charles Baker. Each member brought a covered dish which was heartily enjoyed by everyone.

Mrs. Mary Ellen Ward spoke on "Zoning" and gave considerable information and ideas for the betterment of our community.

This was the last regular until fall as the field trip will be to Sea World in May.

DELANEY HEIGHTS NEWS.
The Delaney Heights residents birthday dinner was held April 19th at a covered dish dinner, having Mr. and Mrs. Marshall as host.

There were 36 present and four guests. Mrs. Moore had two visitors from Canada and Mrs. Cribb's daughter and husband from Calif. The new supervisor Mr. Peary and one new tenant Mrs. Farrell also attended.

Two birthdays were observed Mrs. Pickett and Mrs. Phillip. Mrs. Whitehurst baked a birthday cake.

Next months birthday covered dish dinner will be held May 14th. Hostesses will be Mrs. Hoffman and Mrs. Crichton.

Mr. and Mrs. Carl Johnson left Tuesday for a few weeks visit in Georgia.

Valentine Received
Masters Degree

Devorah Reddick Valentine daughter of Mr. and Mrs. R. D. Reddick of Avon Park received a Master of Education Degree in Guidance and counseling from Florida Technical University, Orlando, March 21.

She plans to work in elementary school guidance. She is employed by the Brevard County School Board currently in the Exceptional Education Department as a teacher of physically handicapped students.

Deborah and her husband Cliff and nine month old son Mathew reside in Titusville, Fla.

Recognition of the county's top high school scholars will be accorded Saturday, May 3, at a banquet in the Plantation Room of the Kenilworth Hotel. The annual event is sponsored by Scholarship Recognition, Inc., a county organization.

Any interested member of the community may become a member of the organization by payment of \$25 membership dues. The fee also entitles the member and spouse to attend the banquet, with part of the funds offsetting the cost of the dinner and a recognition pin for one of the students.

Interested countians may send their checks to the Secretary of the Superintendent of Schools, County Courthouse, Sebring.

Guest speaker at the May 3 dinner will be state Senator Robert Graham, chairman of the House Education Committee.

This year's selection of the county's top seniors include 38 from Sebring, 23 from Lake Placid and 23 from Avon Park.

Congregation Beth Israel

Religious services will be held for Congregation Beth Israel tomorrow, April 18 at 8 p.m. at Leisure Lakes clubhouse. Cantor Max Kramer and Marshall Simon will conduct the Sabbath service. Open Shabbat will follow. Guests are welcome.

Council To Hold Retreat At Lake Aurora

The Women's Council of the First Christian Church met in the Fellowship Hall of the church, Thursday evening, April 10.

The hostesses were Mrs. Mary Stutsman and Mrs. Hazel Freedland.

Mrs. Byron Harwood conducted the lesson study, using the last two chapters of the Book of Acts.

The nominating committee offered the names of the present officers to serve for the next year, and the council voted to accept these nominations.

Announcement was made of a Women's Retreat to be held at Lake Aurora in the near future.

A card was signed by all present and sent to the Minister, Clifford Dancy, who recently underwent surgery, also to Mrs. Rue Borden in the Winter Haven Hospital.

Elderly Asked To Join Council

An important meeting of the Highlands County Council on Aging will be held in the Sebring County Chambers, 368 S. Commerce Ave. at 2 p.m. Thursday, April 24.

All persons over the age of sixty are asked to join in forming this council.

There will be an election of officers at this installation.

Come and let us show what can be done for you and the programs available for the senior citizens.

Griffing Is Commander At Range

The Avon Park Sun, Avon Park, Fla., Apr. 17, 1975 5A

LT. COL. DONALD A. GRIFFING

Lieutenant Colonel Donald A. Griffing is currently assigned as Commander of the First Combat Support Squadron which operates and maintains the bombing, gunnery and electronic warfare ranges at Avon Park, Florida.

Lieutenant Colonel Griffing was born in Council Grove, Kansas on April 23, 1929. He graduated from Wichita High School East, Wichita, Kansas in 1947, attended Wichita University for one year, then entered the U. S. Naval Academy, Annapolis, Maryland, from which he graduated on June 6, 1952.

Upon graduation, he was commissioned as Second Lieutenant in the U. S. Air Force, attended pilot training and was awarded his pilot aeronautical rating on September 1, 1953. After attending Basic Instructor School at Craig AFB, Alabama, he instructed student pilots at Greenville AFB, Mississippi. In early 1957 he received tactical fighter weapons delivery training at Luke AFB, Arizona and Nellis AFB, Nevada, and was transferred to Itazuke AB, Japan to fly F-100 aircraft as a member of the 8th Tactical Fighter Wing. Upon his return to the CONUS, LTC Griffing joined the 354th Tactical Fighter Wing at Myrtle Beach AFB, SC, still flying F-100's.

While a member of that unit, he made five aerial refueling trans-Atlantic crossings in the F-100 during exercises of the wing's "Composite Air Strike Force" mission.

In October 1962, he was selected for interservice exchange duty with the Marine Corps at MCAS Cherry Point, NC, and joined VMA-553, an A-4 equipped attack squadron. After 18 months with the Marines, he was recalled to the Air Force for duty as Instructor Pilot in the F-4 aircraft with the 4453d Combat Crew Training Wing at Davis-Monthan AFB, Arizona. In March 1967, LTC Griffing was transferred to Cam Ranh Bay AB, Viet Nam where he flew 265 combat missions including 60 into the panhandle of North Viet Nam. Upon completion of his 12 month combat tour, he was sent to Hq 3rd Air Force near London, England and broadened his career by working in three staff agencies there. LTC Griffing left England in June 1972 and assumed command of the 1st Combat Support Sq at Avon Park in July of the same year.

LTC Griffing has been awarded the Distinguished Flying Cross, the Air Medal with 19 oak leaf clusters, and the Air Force Commendation Medal. He is a Command Pilot with over 4000 hours of flying

time. LTC Griffing is married to the former Beverly Thompson of Baltimore, Maryland. They have three children: Donald, Kathleen and Michael.

A FAREWELL PARTY was held at the Manors for Mr. and Mrs. R. K. Shelton (seated center) by Mr. and Mrs. William Manors. Photo—Cornell.

Farewell Party Honors Sheltons

A farewell party was held Wednesday April 9, for Mr. and Mrs. R. K. Shelton, at the W. R. Cleland home at 1408 The Manors.

A bountiful Pot Luck dinner was enjoyed by 25 persons.

\$7,000 Worth Of Bees Stolen In County

The Highlands County Sheriff's Department is confronted with a not-so-sweet mystery: what happened to almost \$7,000 worth of bees which have disappeared from southern Highlands County? Theft of bees and supers came to light April 10. Men working on a Consolidated-Turnoka crew near old State Road 8, south of Lake Placid, notified the sheriff that hives which had been off State Road 8, had disappeared.

Theodore Uzzell of Moore Haven, owner of the bees, said he checked on the hives April 8. He reported that 217 supers (top deck of hive with honeycombs) had vanished from the Highlands County location.

He set the value of his loss at \$3,340.

Later the same day, April 10, G. H. Smith of Wauchula reported theft of 11 hives and approximately 77 supers from a site six miles south of Lewis Truck Stop.

He valued his loss at \$1,540. Smith said he had last checked his hives in late March, approximately two weeks before discovering the theft.

Those attending were Mrs. and Mrs. R. K. Shelton, Mr. and Mrs. Louis Olesak, Mr. and Mrs. Pete Shelley, Mr. and Mrs. Frank Hinesy, Mr. and Mrs. Louis Van Ord, Mr. and Mrs. Henry Thotteliter, Mr. and Mrs. Bill Morse, Mr. and Mrs. Van Dusen, Mr. and Mrs. Delbert View, Mr. and Mrs. Rollie Henrick, Mary Foley, Carolyn Powers, Fred Travers, and Mrs. and Mrs. W. R. Cleland.

The new owners of the Shelton residence, 1407 The Manors are Mr. and Mrs. Maurice Eley of Argos, Ind.

The six month tour the Sheltons have planned will take them through North Fla., South Ga., Ala., Miss., Natchez Trace Parkway to Tenn., then Ky., Ohio, Ind., Mich., and on to Canada, then back to the U.S.A. to visit Mrs. Shelton's sons in New York State, returning to Avon Park the latter part of October.

Flying Over The Mall "A Thing Of Beauty Is A Joy Forever"

Fend Settled On Istokpoga Canal

A four-year feud was settled amicably Tuesday when county commissioners obtained assurances that Istokpoga Marsh landowners would cooperate in the maintenance of watershed canals.

A. M. Waggener of Lykes Bros., Inc., told commissioners that ranchers in the flood control project area do not want to hamper county efforts to keep water flowing in the canals.

During the past several years, county engineer Gordon Hays Jr. had reported to commissioners that his work crews were unable to maintain the canals properly because area cattlemen had been uncooperative.

Hays had complained of fences constructed on rights-of-way, obstructing access to canals by county dredging equipment.

Some canals had been blocked by locked gates constructed by ranchers, Hays reported.

Cattle had been permitted access to some portions of the watershed's system, Hays charged, causing canal banks to cave in and block water flow.

Frustrated by the apparent lack of cooperation they were receiving, commissioners decided March 4 to halt canal maintenance.

The county's threat to abandon the canal cleaning project brought a group of alarmed landowners, led by Edna Pearce Lockett, to the courthouse April 2 to seek commissioners' forbearance.

Discussion of the problem soon broke down, because information concerning specific instances of non-cooperation was lacking.

At Tuesday's meeting the county engineer came prepared with a detailed map showing that almost all watershed fencing encroached on county easements. The map indicated where such fences blocked access by county maintenance teams.

Both sides admitted that a degree of misunderstanding had hindered previous attempts to communicate.

Landowners agreed to provide sufficient unfenced space on both sides of watershed canals to permit access by county maintenance workers.

Commissioners announced that they will require the issuance of permits for all construction that takes place on county easement property.

County attorney R. P. Dunty Jr. recommended that such permits be presented for approval to the county engineer or to the Soil and Water Conservation officer.

Calvin's Column

BY CALVIN GIBBS

Hi Friends,

First, I would like to commend those who are going all out to improve our local physical and natural environment. Many have pledged to upgrade the upkeep of their homes and surrounding, to a standard worthy of recognition in the near future. I have the same confidence about mine. I am inviting everyone to join the party.

I think it very timely that Arbor Day, designated primarily for planting trees is observed on the 26th of this month. However, I suggest that we observe this period for the remainder of the month. Make sure that you plant a tree.

Trees
By Joyce Kilmer
I think that I shall never see
A poem lovelier than a tree.

A tree whose hungry mouth is pressed
Against the earth's sweet flowing breast;

A tree that looks at God all day
And lifts her leafy arms to pray;

A tree that may in summer wear
A nest of robins in her hair;

Upon whose bosom snow has lain;
Who intimately lives with rain.

Poems are made by fools like me,
But only God can make a tree.

Observation or Comments:

(This observation and comment is offered by Calvin Gibbs on the basis of current domestic affairs and foreign policy, especially in Southeast Asia.)

(Teacher, Guardian and Humanitarian)

There is no nation in the world which has done so much in support of, and in defense of other nations as the United States. I believe that the United States should and would continue its support toward hopeful, but not lost causes. What bewilders me most of all is that we average Americans don't know what to believe about many domestic developments, and our knowledge of foreign involvement is so obscure that whatever positions we take, or whatever statements we make, may invariably range from sublime to ridiculous.

We are the victims of so many conflicting reports and solutions that I stop to wonder, who is more confused? We or the experts, the President or the congress; The Democrats, or the Republican. Next, I stop to wonder if it is really confusion at the top level, or is it a continuous and deliberate effort to play politics with the American people, so that one can blame the other, always at the dismay of the electorate. Surely there must be more facts made available to our elected officials than to us, and along with their staffs, which are also salaried from public funds, should be able to reach more intelligent conclusions, render more accurate decisions and provide more reliable information to us, the voters.

One conclusion which I have reached is, there is no one for apathy. If our officials are inept or primarily concerned with selfish interest, we must make our voices heard. The polls seemingly more so now than ever before. (Be sure that you register to vote if you haven't) We must demonstrate to those elected that their often assumption that most of us are ignorant is a miscalculation of our intelligence and concern for America. It's an obligation to prove that the system does and will work. We must convince incumbents and future office holders that COUNTRY comes before PARTY and that our values placed on public trust will not be sold nor compromised.

If we neglect this responsibility, then our answer to the question, How well did we take advantage of our opportunity to keep America at its right course, to young and future generations will forthrightly be We blew it.

Story of the week:
A week ago, I met Robert Lee Perkins, an inmate at A.P.C.I. He told me that he reads the column which I write weekly and asked if I would consider one of his. During the week, I received the letter and article which appear below:

Dear Mr. Gibbs,

It was very nice talking with you yesterday, and I was happy to know that you would take time to read some of my writings.

Mr. Gibbs, the reason it is so important for me to publish my writing is because I feel that there is a message for someone in them. If my writings reach one person to the point where it will keep them from coming to a place of confinement, then I think I have served in a meaningful effort.

There are young men and young women, that may need just one key to unlock the doors to a better understanding of me in my writing I would like to relate to them. I would like to become their friend. I would like to be able to correspond with them. Maybe there are questions I may be able to answer.

So if you think there are those who would like to write me to talk over problems that are bugging them would you please let them know how to contact me. I will answer all letters.

Respectfully yours,
"Robert"

"Of Being A Man"
It takes a special breed of human being to be a man. A man will stand tall in everything he is a part of. He will not be perturbed by changing facts which come and go so often.

The only change will be one that is of a constructive manner, one that will be for the betterment of his own philosophy, to be of a nature that will advance him mentally, physically and spiritually. And this will inspire his ego to the changes of his everyday life. The change will include his love life, as well as his social life, in his home and community.

A man will not deny the chance of improvement in all fields of endeavor. He is always looking for better ways to achieve things that will help to add to his life and to the lives of his loved ones and all mankind as well.

He is not self-centered. He has love in his heart for his peers and he never misses the chance to do good for those unfortunate ones.

He never closes the door to the chance to take part in things that will help others, even if only one person benefits from this deed, he feels that his time was not spent in vain.

But to be realistic about life is the basics of a man. Phoeniss is as far away from him as the "East" is from the "West." The world will recognize him at once.

Some will try and put him down, but this persons is strong and hard to conquer and in no way will small defects or setbacks, halt this person's stride to perfection, his aims are always set on greater and better things that life holds for the "Taker."

He is the holder of what successes and failures that lie ahead. In no way will he blame his failure on others. When he does make a mistake in life he doesn't let this deter his concepts and his personal philosophy to the point where he believes that he is a complete failure.

What he does is use this mistake as a reminder for future experiences.

By: Robert Perkins
Inmate: A.P.C.I.

Know your Ministers
This caption begins a new series in which I shall present various ministers from week to week from throughout the community.

Robert H. Jordan
The late Robert H. Jordan spent most of his lifetime in Avon Park. Robert was a native of Monticello, Ga. Most of his work years were spent as an employee at the Jacarana Hotel. He worked there for forty-eight years. Early Sunday Morning April 13, death brought down the final curtains for Robert, who had been taken to Walker Memorial Hospital. Robert leaves in passing, a wife, Alice, a son John Thomas, (Germany), three daughters, Vivian (San Diego, Calif); Betty and Alice June, Avon Park and numerous grandchildren, other relatives and friends.

English Lesson for the week:
Wrong: A crowd of boys are on the corner.
Right: A crowd of boys is on the corner.
Explanation: The subject, "crowd," takes a singular verb.

Humor of the week:
If all of wrinkles are old smiles, I guess you can say I've been smiling a long time.

Citizens of the week:
This honor goes to Mr. and Mrs. John Hodges Jr. at 330 E. 1st Street. Congratulations upon your success in keeping your home and surroundings attractive. This is an asset to the community.
Hospitalized at press time:
Arleatha J. Sims; Willie Lewis and Lucille Jones.
Thought Conditioner for the week:
I find that the cause of much nervous trouble is frustration and I'm convinced that the answer to it is not in my cleverness, but in God's guidance and the belief that He will help. Trust in the Lord with all thine heart; and learn not unto thine own understanding; Proverbs 3:5.
Yours truly,
Calvin C. Gibbs

where we engaged in informal conversation. I think Elder Brown and I did more talking which is rather unusual when a lady is around. Sister Brown added grace to my brief visit with her charming smile, which we all know by now, and by adding a comment or so from time to time. It's startling to me to see how these two people have taken on such sound convictions, and Christianity and how dedicated they are to each other, family, humanity and religion. They live in a lovely home and are the proud parents of a son and a daughter.

The members of the Apostolic Church of Jesus, of which Elder Brown is pastor is conducting an Appreciation Ceremony in honor of their past and wife on April 18-20. The public is asked to attend. And even though this is an appreciation for Elder and Mrs. Brown, you still may get to hear a few words from Elder Brown and you still may get to hear Sister Brown sing.

Other Churches:
Sunday was Women's Day at Mount Olive.

Mrs. Essie M. Boone will be in charge of the third Sunday program at Saint Mark. You are urged to attend.

Special Appreciation:

Mrs. Doretha McRae and Mr. Johnnie McRae are especially grateful for the reception and support which they gave the Fairlane Spiritual Singers of Bogalusa, La., of which their son, Nathaniel Crummeby is a part, during their recent visit to this area. They wish to pay special recognition to all of those who came from Sebring, Lake Wales, Bartow and other places in this vicinity. Their tour was a tremendous success, morally and spiritually, in that four people were converted at the Church of God in Christ commencing with Nathaniel's singing "He Touched Me."

Necrology

Robert H. Jordan

The late Robert H. Jordan spent most of his lifetime in Avon Park. Robert was a native of Monticello, Ga. Most of his work years were spent as an employee at the Jacarana Hotel. He worked there for forty-eight years. Early Sunday Morning April 13, death brought down the final curtains for Robert, who had been taken to Walker Memorial Hospital. Robert leaves in passing, a wife, Alice, a son John Thomas, (Germany), three daughters, Vivian (San Diego, Calif); Betty and Alice June, Avon Park and numerous grandchildren, other relatives and friends.

Wednesday — Lima beans and ham, cabbage slaw with pineapple, apple crisp, corn bread, milk.

Thursday — Turkey pot pie, mixed vegetables, apple sauce, biscuit & jelly, milk.

Friday — School-made type A bag lunch, milk.

A CHARACTERISTIC WORKING position finds Gene Brenner, Art teacher, bending over the potter's wheel while "throwing a pot," fashioned from a two to three pound ball of stoneware clay. Gentle pressure of thumb and fingers shape the upper rim of the cooking casserole, barring accidents this takes about 15 to 20 minutes. The finished greenware pot takes a week to ten days to dry for the first firing which is followed by a second or glazing firing in a gas fired kiln. Total production time takes two to two and one half weeks. Between two pieces of greenware (center rear) is a canister jug that received the first place award in the crafts category at the Lake Wales Art Show. Photo—Miller.

Winter Guest Club

Members To Meet With Council

Appearing before the city council, chairman of the building committee of the Winter Guest Club, Lavern Staley, reported the club had a number of men capable of repairing, rebuilding and painting.

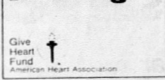

These members have been doing some painting at the club and are willing to do more work but feel that there should be an understanding between the city council and club members as to what the guest club members can do at the building.

Mr. Staley requested that city officials meet with the club members to arrive at some agreement. The time for the meeting was set for 1:00 p.m., Friday, April 19.

6A The Avon Park Sun, Avon Park, Fla., Apr. 17, 1975

Brenner Fashions Prize Pottery

Gene Brenner, local teacher and artist, has been recently exhibiting in area art shows. In the past three shows, he has earned 1st prize awards in both pottery and sculpture.

Brenner has studied at Newark School of Fine Art and the Philadelphia College of Art; he holds a Master's Degree in Art Education from Florida Atlantic University in Boca Raton. His works have been displayed at major southern museums including the Lowe Gallery in Miami; the Norton Gallery, West Palm Beach; and Jacksonville Museum in Jacksonville.

Working mostly in clay, Brenner favors the potter's wheel in constructing his pots

which are functional as well as decorative.

The Brenner work shop is fully equipped with everything necessary for transforming a mound of clay into a finished piece of pottery including raw glaze chemicals, potter's wheel and gas-fired kiln.

The next official display of his work will be in the Sunshine Art Festival at the Winter Haven Mall on April 18, 19, 20 and the South Lake Art Show in Clermont on April 27. A limited display of his works are on sale at the "Artium" a new craft and nursery shop in Sebring. Interested people may also see the pottery as well as the process at his home studio.

International Dinner To Help Meet Band Expense

The Highland Lakes Junior Academy Band will present an international dinner, April 20 at 5:30-8 p.m. in the Highland Lakes Junior Academy gym. Mrs. Grace Marmon, band instructor, of Sebring will be in charge of the entertainment.

There will be 11 countries represented, with a few of the favorite foods from each. The Chinese and Phillipian booths will feature egg rolls, noodles, and fried rice.

Exotic fruit salad and hupalia will be served at the Hawaiian table. Hot dogs and apple pie will be served at the American booth.

A treat from Germany is spetzle and sauer kraut. The Armenian booth will serve dolma, and sesame Tahini leaves. Other favorite foods that will be served include lasagna, French bread, salads, enchiladas, Spanish rice and beans, Danish pastries, and gallons of fresh fruit juice.

These band members wanted a band so badly they were willing to pay for their instructor, and buy their own

instruments. They receive no support other than the occasional benefits they hold. All bands from the Florida Conference of Seventh-Day Adventist schools will be playing at music festival April 24-27. The festival will be held at Forest Lake Academy.

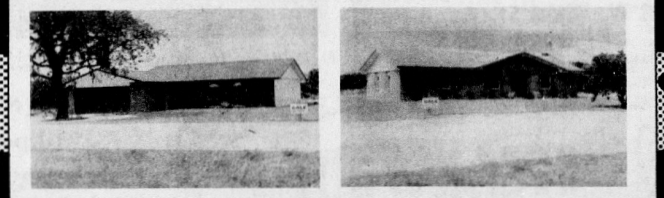

The proceeds from the dinner will help with the expenses of going to music festival.

Water transmits ultraviolet light. Therefore, before swimming, a sunscreen product should be applied and reapplied after coming out of the water.

Sirloin has returned to The Steakout. See our ad & stop by for dinner. We'll be looking for you. U. S. 27 At the spotlight.

Southland Mobile Court News

Coffee Hour And Bingo Attract Residents Of Park

By MARION LEARNED
Shuffleboard results, Friday April 18th. On the East Court it was Wandover and Breister as first game winners over Ross and Tebo 58 to 18. Second game it was Gifford and Wallace over Ross and Tebo 104 to 21. Final game was Condit and Trompicks over Ross and Tebo 104 to 52. On the West Court first game winners were Condit and Trompicks over Gifford and Wallace 29 to 13, second game was Wandover and Breister over Condit and Trompicks 53 to 17 and the final game winners were Wandover and Breister over Gifford and Wallace 16 to minus 10. Winning three games was the team of Wandover and Breister.

In the evening, there 28 present for Bingo. Winning two games each were Grace Stamp and Charles Learned. Other winners were Alice Thompson, Ben Erndt, Hannah Tebo, Shirley and Mary McNulty, Rebecca Hostetter, Esther Breister, Gertrude Culver, Alvia Trompicks and Florence Stephens.

On Tuesday, April 18th, twenty two were out bright and early for the coffee hour. This is always a good fellowship for

our park residents. In the evening eight met at the Rec. Hall for Aggravation. Seventeen park folks enjoyed another evening out on Wednesday, April 9th having dinner at the Steak Out Family Restaurant.

Runar and Clara Engard entertained Mrs. Engard's niece, Diane and Ed Anderson and the Christopher from Miami last week-end. On Sunday they took them to Cypress Gardens at Winter Haven.

Monday dinner guests at the home of Daniel and Charlotte Maher were their friends, Mr. and Mrs. Charles Weirman of Avon Park.

Lucy McKenzie, a park resident for approximately two years, passed away on Tuesday, April 8th. She will be missed by those of us that knew her.

Mrs. Caroline Morrison is still confined at Cottrell's Memorial Nursing Home in Sebring.

Mrs. Bea Jeremy has been confined to her bed all week. We hope she will regain her strength soon and be up and about.

All for this week. Good health and happiness to all.

Obituaries

Ethel Anderson

Mrs. Ethel M. Anderson, age 68, died Tuesday morning, April 15.

Born in Camden, New Jersey, she had been a resident of Avon Park for 21 years.

She was a homemaker and a member of the Baptist Church.

She is survived by her husband Francis (Andy) Anderson. One daughter Mrs. Francine "Marie" LaPlam of Avon Park and one son, Charles "Chuck" of Lakeland, 7 grandchildren and 3 great-grandchildren.

Services will be held Thursday afternoon at 2 p.m. in the Stephenson-Smith Chapel with Rev. Aden Childress officiating. Interment in Bougainville Cemetery.

Stephenson-Smith Funeral Home, Avon Park, in charge.

Mary Maddox

Mary C. Maddox age 79, died Monday morning in Avon Park.

Born in Sidney, Ohio, she had lived in Avon Park for 55 years.

She was a registered nurse, member of the Congregational Church, American Nurses Association, Florida Nurses Association and District Nurses Association. She was also a member of the American Legion and the Eastern Star.

She is survived by one son, Howard of Sebring and one brother.

Funeral services were held at Stephenson-Smith Chapel with the Rev. Joe Benson and the Rev. John L. Picketts officiating. Cremation followed.

Lucy MacKenzie

Mrs. Lucy Erma MacKenzie age 81 died April 8, 1975 after a short illness. She was born in Canada and came to Avon Park in 1961 from Cleveland Ohio. She was a member of the Resurrection Lutheran Church, Avon Park. She is survived by a nephew John V. Baker of Tampa, Fla.

Funeral services were held April 11, 1975 at Warren Funeral Home Chapel with Rev. Elmer J. Gregg officiating. Interment at Bougainville Cemetery.

Warren Funeral Home in charge of arrangements.

Harry Parnell

Harry E. Parnell, 66, a life resident of Highlands County, died April 12 at Walker Memorial Hospital. He was a retired plumber, a World War II veteran, and a member of V.F.W. Post 7672, Avon Park.

Survivors include his wife, Mrs. Ruth Parnell; a brother, C. W. Parnell Sr., of Avon Park; one step-son, Charles Brogee; one step-daughter, Mrs. Frances Clay; 8 grandchildren; and three great-grandchildren.

Funeral services were held April 16 at the Warren Funeral Home Chapel with Chaplain H. J. Bennett of Walker Memorial officiating. Interment was in Lima, Ohio.

James Maxcy

Funeral services for James "Jimmy" Guigard Maxcy, 53, will be held at First United Methodist Church Thursday, April 17, at 11 a.m.

The widely-known agribusinessman died Tuesday morning, after being stricken at his home, 1500 NE Lakeview Drive.

Maxcy was a member of one of Florida's best known families, which includes many agribusiness leaders. Ben Hill Griffin of Avon Park, recently a candidate for governor of Florida, is a first cousin.

Maxcy, the elder son of the late Mary Lewis and Guy Maxcy, was born in Johnson City, Tenn., in 1921. He became a permanent resident of Sebring in 1928. Before restoring large grove interests in this area, Maxcy operated fruit stands under the name of Maxcy Groves and was a fruit shipper.

He was active in a number of agribusiness concerns, such as Florida Citrus Mutual. He was a supervisor of Highlands County Soil and Water Conservation district.

Maxcy attended University of Florida where he earned a B. S. in agriculture. He was a member of the United Methodist Church, Rotary, Elks. He served in the U. S. Navy during World War II.

He is survived by his wife, Mrs. Louise Cope Maxcy; three sons, James Guigard, Robert Von Canon and Guy Maxcy, all of Sebring.

He also leaves a sister, Laura Elizabeth Maxcy of Sebring. He was preceded in death by his parents and a brother, Charles Von Canon Maxcy.

Officiating clergyman for the final rites will be the Rev. G. Odell Milley, pastor of First United Methodist Church. Soloist will be H. N. Webster and Mrs. Dot Overby will be organist.

Active pallbearers will be Elgin Bayless Jr., the Hart, Raab Skipper, Ford Heacock Jr., Donald Tauchen, Lyrion Davis, George Crist, Adrian Chapman.

Honorary pallbearers will be Smith Rudasill, Ken Grady, George Hensley, Sam Tauchen, Bob Mosier, Norman Heston, Joe Macbeth, Jack Ingle, Dr. Frank Handley, Woodrow Harshman, Roy Gilbert, Jim Laurie and Jack Hancock.

Burial will be in Pinecrest Cemetery.

There will be visitation at Stephenson Funeral Home chapel Wednesday until 9 p.m.

Services will be held Thursday afternoon at 2 p.m. in the Stephenson-Smith Chapel with Rev. Aden Childress officiating. Interment in Bougainville Cemetery.

Stephenson-Smith Funeral Home, Avon Park, in charge.

WORLD WIDE INTEREST

Many good organizations are working with our youngsters, developing an interest in other lands and the ones who dwell there. The church through God's word also teaches us about our neighbors and what our attitude should be toward them. *The earth is the Lord's and the fulness thereof; the world, and they that dwell therein.*

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Avon Mobile Home Park

Writer Signs Off Wishing All A Pleasant Summer

By: LORENA WYANT

Mr. and Mrs. Claron Monroe, in a letter to friends in the Park, said "Hi, from a cold and chilly Ohio". They were welcomed home by high, cold winds, but their house was cozy and warm. Snow on Easter made it seem more Christmas.

The sister-in-law of Mrs. Helen Andrews was three days getting to Rochester, New York by plane. Yes, she left the day that the big snow hit, so was stranded in Philadelphia until the airport was cleared of ten foot drifts that grounded all air flights.

Guests on Monday of Mr. and Mrs. Elliot Purvis were Mr. and Mrs. Marvin J. Disinger of Muncie, Indiana, who were touring Florida.

Mrs. Betty Steir of Fairfax, Virginia spent a few days last week with her parents Mr. and Mrs. Walter Douglas.

Forrest Wieman of Bourbon, Indiana left for home last Saturday. His son, who had spent a week here, accompanied him to drive on the trip.

Sam Polston

Vegetable Gardens Are In

Home vegetable gardens are suddenly the "in" thing in Florida.

"High food prices, shortages and economic conditions are prompting more interest in backyard gardens than has been seen since the Victory Gardens of World War II," said Sam Polston, district conservationist for the Soil Conservation Service in Highlands County.

"The seed packets usually say 'plant in well-drained, fertile soil with plenty of sunshine'. This is great advice, but many of us live in areas that do not have 'well-drained, fertile soil'."

"Some soils are cloddy and hard. Plants roots may have a tough time penetrating a clay soil. Sometimes in wet spells, roots will literally suffocate. Other soils are sandy and excessively drained. Plant food and water quickly pass through this kind of soil, leaving the lettuce or beans hungry and thirsty."

"Weeds are always trouble because they seem to thrive even when the soil has lost the nutrients so necessary for the growth of healthy peas and 'k' nallies."

"What is needed in most garden soils may be summed up in three words," according to Sam Polston, a soil scientist for the Soil Conservation Service, "More organic matter."

"A much of organic matter such as straw, leaves, grass and sawdust is best," McCollum said. "It protects from hard rains that wash away soil. It also keeps the wind from blowing the soil away. Organic matter added to a heavy soil can make it absorb water better, open up the pores for better root growth, and make more minerals

Glenda Raas, Juanita Dahl, Mary Shoval from Madison Wisconsin, spent a few days with their aunt Lula Maddrell. Bonnie Burgeson flew to California on Wednesday to attend the wedding of her granddaughter. She will also visit relatives for a couple weeks.

Mr. and Mrs. Lloyd Wyant accompanied Mrs. Keith Debo to a meeting of Manatee Grange at Oneco on Monday. As Deputy for the Florida State Grange Mrs. Debo was making her official visit. The Wyants knew the Master, who was a Deputy in New York State several years ago. They also saw others they had worked with.

More folks are heading north each day, in spite of reports of weather up there. Sounds like they are having winter now. Makes one wonder how the folks feel who kept writing that it was a nice winter. Well, if theirs was nice, ours here was superb. This writer is singing off until next fall and wishing everyone a pleasant summer, wherever you are.

Young People Take Places In District

Twenty-nine Highlands County young people took part in the District Eight Special Olympic games at the University of South Florida in Tampa last Saturday. Nineteen of the 22 track and field participants placed first in at

least one track and field event and all seven bowling participants placed in the top three positions.

Janet Moody, one of Highlands County's first State Olympians back in 1969, took top honors in the district

bowling were Celest Woods, Dennis Matthews, and Ricky Hill.

In the track and field events there were four Highlands County girls who placed first in all three events they entered. Avon Park's Rosalee Weatherapoon won in the standing long jump, the softball throw, and was on the midweight tug-of-war team that took first place.

Vivian Stevenson from Avon Park Middle School took first place in the 220-yard dash, the softball throw and was also on the midweight tug-of-war team that won. Vivian came from Avon Park attending E. O. Douglas Work Center came in first in her division in the 220-yard dash, the softball throw and was on the winning tug-of-war team. Gay McCullors from Fred Wild in Sebring was the fourth girl to win three firsts. She won the 50-yard dash, the softball throw and took place on the winning tug-of-war team.

Other Avon Park young people winning ribbons in the District Meet were Annie Boone with a first in the 50-yard dash and the tug-of-war and a second in the softball throw; Johnnie Wooden with a second place in the 220-yard dash, the softball throw and the 400-yard relay; Toby Godfrey with a second in the softball throw and thirds in the standing long jump and the tug-of-war; and Albert Jackson with a second in the 50-yard dash.

GLEN BASS

SEJC

Presents Glen

Bass Panther

Pitcher

Pitching for South Florida Junior College this spring is Glen Bass of Avon Park. Glen, 6'7", 215 lb. lefthander, was All-State at Avon Park High School in the early 60's and has taken advantage of a recent change in the NCAA eligibility regulations. Ordinarily, Glen would be ineligible for college competition since he signed a professional contract with the San Francisco Giants out of high school. However, new NCAA rule changes make players in Glen's situation eligible for competition.

Glen is working full time as a deputy sheriff for Highlands County and is a full time student at SEJC studying Criminology.

The presence of Glen on the Panther squad has given additional strength to a strong pitching staff.

Mary Wright and Louis Howard

Finds Week Of Congressional Intern Program Fantastic

In working with the Congressional Intern Program of the 10th Congressional District, Louis B. Howard told the council how the high school junior was selected for the program with the young people question government at all levels. But since her return from Washington her opinion of politics did a complete

backlash. To Miss Wright the intern program was a fantastic experience, the meetings with Congressman Bafalis and Stone, the committee meeting, especially those on illegal aliens, the congressional sessions and the sight-seeing of outstanding points of historic interest.

Mc. Howard requested that the city support the Congressional Intern

Program such as Lake Placid and Sebring were doing. The council unanimously voted to give \$200 from the advertising and dues budget to the high school student intern program.

Councilman Ed Touchton invited young people to attend council meetings to see city government in action while Council President Wendell Williams requested a report be made by next year's intern.

Burley Scores

In Seven

School Meet

The boys track team ran in a dual meet with the Hardee High Wildcats last Thursday afternoon on the Avon Park track. The girls track team hosted Hardee and Winter Haven girls at the same time. The next boys meet will be in Ft. Meade at the Ft. Meade Invitational on April 24.

The Red Devils finished in sixth place at the DeSoto High Bulldog Relays. Arcadia won the meet with 95 points, Prostoproof had 80, Palmetto 33, Moore Haven, 22, Hardee 30, Avon Park 24, and LaBelle 4.

Kenneth Burley brought home half of the Devil points with a first place jump of 5'10" in the high jump and a second place finish in the 120-yard high hurdles in 16.6 seconds. Alphonso Williams gained eight points with third place finishes in the mile (4:54.9) and the 800-yard run (2:12.8). Both times were personal bests for Williams.

The Red Devil 800-yard relay team of Mack Caldwell, Robert Davis, Robert Brown and Ernest Brown captured a fifth place finish. The sprint-medley relay team of Davis, Ernest Brown, Caldwell and Anthony Conners captured sixth place to round out the Devil scoring.

Panthers

Split Four Game Series With Polk Over Weekend

South Florida Junior College split a four-game series with Polk Community College of Winter Haven last Friday and Saturday to extend their season record to 15-16 Division III record to 8-12 good for 4th place.

Friday's games were at Winter Haven. Polk won the first game 7-2. SEJC scored first in the second inning on a hit to Keith McCarter and a walk and run play by Bob Piervinanzi which, the shortstop threw over first base and McCarter circled the bases. However, Polk scored all they needed in the second on a walk, two errors and a single which got by the SEJC right fielder and all four runs scored.

Polk got two more runs on home runs in the rainy and windy weather. The final score was 7-2 in favor of Polk as SEJC could manage only two hits.

The complete game of SEJC struck for 15 hits, including three by Robert Webb - one a triple, three by David Lind, and two each by Tom Ambrogio, Mack Jackson, Buddy DeWitt, and Keith McCarter. The game was halted after seven by the 10 run rule. The final score: SEJC 12, Polk 2. Glen Bass picked up his fifth win against four losses.

First Game 010 001 03-2-6 Polk 051 010 1-7-2 Short, Sizemore (4), and DeWitt; Ricketts and Lang. HR Hansen (P), Adair (P).

Second Game 024 015 12-15-0 Polk 000 110 0-2-2 Bass and DeWitt; Vinson, Whidden (3), Reynolds (7), and

Hansen. SEJC hosted Polk the next day at Head Field, losing the first game 4-1 and winning the second 4-1.

SEJC scored first in the third on a double by Keith McCarter and a single by Dave Lamons. Polk added two in the sixth and seventh to capture a 4-1 victory. Robert Webb pitched well enough to win but the Panthers could not get timely hitting as they left eight runners stranded, twice with runners on second and third and once with the bases loaded.

In the second game Polk scored first in the third and added three more runs in the fifth on some shoddy Panthers play to complete their scoring.

SEJC scored in the fourth to tie the 1-1 as Buddy DeWitt and Jones singled and Jones, running for DeWitt, scored by Polk. Robert Webb hit his fifth homer of the season in the fifth after Mike Miller had walked. The final score 4-3.

SEJC scored the tying and winning runs in the eighth when McCarter walked and Lamons tripled. Kim Prevatt executed a perfect squeeze bunt to score Lamons and the winning run. Mike McFall started and was relieved by Scott Sizemore in the fourth. Sizemore only allowed Polk one hit the rest of the way to pick up the win. The series split left SEJC (13-16 overall) in fourth place in Division III behind Brevard (16-4), Manatee (14-6), and Hillsborough (11-7). Polk occupies the cellar with a 5-13 record after a 5-15 overall.

First Game 000 002 2-4-3 SEJC 001 000 0-1-5-2

"B" Baseball Squad Ends Season Defeating Sebring

The Avon Park Red Devil "B" squad baseball team closed out the 1975 season last week with a 4 - 2 victory over Sebring to set a record of six wins and seven losses. The only opponent Avon Park never defeated was Lake Wales and both of the games with that Polk County school were close.

Prostoproof 10 Avon Park 5 The Devil "Bees" turned in a very poor performance against the Prostoproof jayvee squad in Prostoproof to take a 10 - 5 loss last week. Jimmy Massey and Terry Lanzing combined to pitch a five hitter but eleven errors by the infield provided the Prostoproof team with 10 runs for their first win of the season. Charles Luke provided three runs with a homerun with two men on in the third inning. Two more runs were added in the sixth inning for the final score of 10 - 5.

Lake Wales 6 Avon Park 3 Avon Park began the game with one run in the first frame, added two more in the second and threatened to score in every inning but couldn't push more men across leaving fourteen runners stranded on base. Steve Arnold allowed only six hits but Lake Wales bunched three of them in the third inning and Avon Park committed two errors to allow four runs. Two unearned runs were given up in the sixth inning for the final score 6-3.

Sebring 2 The final game of the season with Sebring was won by Avon Park 4-2. Mike Minard pitched a two-hitter but walked six batters. Avon Park scored in the first when Terry Lanzing walked, advanced to third on a hit by Eric Longshore and then scored on a hit by Steve Arnold. In the third inning Charles Luke hit a double, went to third on a single by Mike Minard and then scored on a single by Claude Dennis. Minard scored on a wild pitch and on the same play a hustling Claude Dennis advanced to third, went to a diving slide. Dennis then scored the fourth run on a hit by John Ferguson. This made the score 4 - 0.

Sebring scored its two runs in the fifth inning. The first run was the result of an error and a double. The second run scored on a questionable decision of whether time-out had been called. This fired up the Avon Park players so that there were no further threats by the Blue Strakes.

Charles Luke led the Devil "B" team batting averages with a .428 for the thirteen games. Steve Arnold was second with a .366. Horace Moore finished the season with a .336 and Terry Lanzing turned in a .250 average. John Ferguson had a .215. Mike Minard hit .207. Joe Gallimore had a .189 average, Eric Longshore was .177 for the season and Claude Dennis turned in a .156 effort. David Johns, Chris Bullock, Jimmy Massey and John Skipper were under .150 in batting but contributed greatly to the team effort in other ways according to Coach Joe Strickler.

Looters Steal Records And Equipment Phonograph records and recreational equipment were the principal loot from a break-in at the Frank Shaffer home on River Ridge. Shaffer told sheriff's investigators that 60 records, two rods and reels, half a box of shotgun shells and a camera - total value \$175 - had been taken.

Golf Team Travels To Lake Placid Today

The Avon Park Red Devil golf team, coached by Fred Sandlin, will travel to Lake Placid today, Thursday, to take on the Green Dragons for the third time this year.

Next Monday afternoon, April 21, the Red Devils will host the Haines City Hornets here at the Pinecrest course and next Thursday the Devils will host several teams here in the Avon Park High School Invitational starting at 9:00 o'clock in the morning.

The District 7 tournament is scheduled to be played on a Winter Haven Course on Thursday, May 1, with a possible 17 teams participating.

On Tuesday, April 8, the Red Devils took on the Sebring foursome and the Lake Wales team here at the Pinecrest

Course. Sebring came in first with a 170 total score, Avon Park was second with a 173 team total and Lake Wales finished third with a 181 team score. For Avon Park it was John DuPriest at the top with a 39, Dale Sizemore second with a 41, Billy Tharp with a 46 and Billy King coming in with a 47 for the team total of 173.

Last Thursday, April 10, the Red Devil golfers went to the Poinciana Course at St. Cloud and won over both St. Cloud and Eastis in a three team meet. The Devils shot a 180, Eastis had a 207 and St. Cloud finished with a 210 for third place. Billy Tharp led the Devils with a 37, Steven Ford was second with a 45 and John DuPriest and Paul Palmer both carded 49's.

Individual Excellence Through Individual Instruction
Howey Academy
HOWEY IN THE HILLS, FLORIDA
During the 7 week Summer Session students receive extensive credit with summer fun. They earn extra academic credit and credits on the regular work while participating in a full immersion program including water sports, beachside dining and golf. Summer sessions only is also offered on a full-time basis from 7 weeks.

Massey Pitches No-Hitter, Team Wins 3

Bike Hike May 3

The fourth annual Bike-Hike for the benefit of the Ridge Area Association for Retarded Children expects to have its largest field of bicyclists ever, when riders wheel away on a 20-mile hike to Avon Park and back Saturday, May 3.

John Haviland, general chairman, said recently that early indications point to at least 250 riders age seven to 70 taking part in the fund-raising event. Last year 129 riders entered, with Betty Carlside the grand prize winner for collecting \$227 in pledges. A total of \$4,902 was raised last year, more than three times as much as in 1973.

The first Bike-Hike was held in 1972 with only 16 riders taking part. Riders will start in both Avon Park and Sebring. Those

The Red Devil varsity baseball team put it all together last week and won three games to move to a 10-1 record as they go into the final week of regular season play. The Devils, edged by Frostproof 1-0, took a 3-2 victory from Bradenton Bayshore and then blasted Lake Placid 11-0 in a five inning no-hitter pitched by Timmy Massey.

Last Tuesday night the Devils were scheduled to play Sebring for the third time this season in a home game at Head Field. Tomorrow afternoon (Friday) at 4:00 o'clock the Devils will take on Mulberry in a return game on the Panthers home field and Saturday, April 19, Avon Park's nine will travel to Bradenton for a 2 p.m. game with the Bayshore Bruins to close out the regular season.

Next Thursday night Lake Placid will meet Arcadia here at Head Field in the opener of the sub-district tournament which Avon Park will host. The Devils will play the winner of the Thursday night game at 7:00 on Friday, April 25, and Bayshore will tangle with Fort Meade in a 9 p.m. game that Friday here. The finals will be played on Saturday, April 26, at 7:30 p.m.

Avon Park 1 Frostproof 0

On Tuesday night, April 8, the Avon Park Red Devils defeated the Frostproof Bulldogs 1-0 as Timmy Massey sailed a homerun over the leftfield fence in the last of the sixth inning. Massey also was the winning pitcher as he went the full seven innings on the mound striking out 10 Bulldogs and giving up only 3 scattered singles. The junior righthander walked only two batters and his teammates committed only one error.

Frostproof's Steve Hall also hurled a good game as he struck out 12 Red Devil batters and gave up only one walk. The Avon Park team also had only three singles in addition to the game-winning homerun by Massey. Mort Jackson, Mike Pool and Jimmy Dourley all singled in separate innings. Both Avon Park and Frostproof left only four men on base during the entire game as they played near perfect ball.

Avon Park 2 — Bradenton Bayshore 2
Last Thursday night the Red Devils had to come from behind to take a 3-2 win from the Bradenton Bayshore Bruins out at Head Field. The Bruins scored a run in the second and the third frames to jump off to a two run lead. Both

runs were sent home with perfect sacrifice bunts after reaching first on Devil errors. In the bottom of the third inning, Avon Park pushed a run across when Jamie Tomlinson drew a walk, was sent to second on a sacrifice bunt by Smokey Hill, took third on a fielders choice on a

grounder by Mort Jackson and came home on an error by the second baseman. The Devils scored two more runs in the last of the fifth to wrap up the win. Mort Jackson led off with a single, Brad Beumel was safe on an error. Jackson scored on a bunt single by Jimmy Dourley and Beumel came

home with the winning run on a perfect bunt down the third base line by pinch hitter James Jackson.

Jamie Tomlinson was the winning pitcher. He went the distance for Avon Park giving up four scattered singles and a triple to the Bruin batters. He walked only one batter and the Red Devils made only three errors behind him. Avon Park batters got only four hits off three Bradenton pitchers but all four came in the big fifth inning. Mort Jackson and Mike Pool lined out singles and Jimmy Dourley and James Jackson beat out bunts for a single each. Seven Devils reached first on walks.

Avon Park 1 Lake Placid 0
Timmy Massey faced only 17 Lake Placid batters last

Friday night on the Dragon's home field as he tossed a no-hitter to lead the Devils to an 11-0 lopsided shut-out of the Dragons. Massey also had a fine night at the plate as he rapped out a single in the fourth and then bourned a homerun over the leftfield fence in the fifth frame. It was Massey's second homerun of the week.

The 10-1 victory connected for 7 hits in all off two Green Dragon hurlers. Mike Pool had a double and Mort Jackson and Brad Beumel both had two singles in addition to Massey's two hits. Ten walks given up by the Lake Placid pitchers aided the Devil's rout. Avon Park made only one error while the Dragons were guilty of two misuses.

Devils To Host Sub-District Tournament

The Avon Park Red Devil baseball team will host a sub-district tournament here at Head Field starting Thursday, April 24. Arcadia and Lake Placid will meet each other in the tourney opener at 7:30 p.m. on that Thursday night.

The winner of this sub-group tourney will play the winner of a sub-group meet which will be played at St. Pete Catholic. The sub-district play-off for the district title and a berth at the regional tourney will be a one shot deal.

Brojek To Run In Mile Invitational

Coch (Chet Brojek) will run in an invitational mile at the Santa Fe Invitational to be held in Lakeland today, April 17. Brojek recently finished the mile in the Florida Relays in 4:50.2 in his first try at that distance in some ten years. Brojek is planning on hosting a four mile run on April 27 at 10:00 a.m. for members of his Highlands Runners' Club and

the Lakeland Runners' Club. The meet is open to all age groups and both men and women, girls and boys. Further details of this meet will be presented next week in the Avon Park Sun. Anyone wanting information may contact Coach Brojek at school (433-6604) or at home (385-4736).

SFJC Netters Defeated By Lake Sumter Team

After four hours of grueling competition, the South Florida Junior College netters suffered a 5-2 defeat at the hands of the Lake Sumter Junior College team. Winning for the SFJC team were Tod Thomas, who defeated Lake Sumter's No. 1 player, Harvey Witherspoon, 3-6, 6-3, 6-3; and Dennis Privara, who defeated the No. 2 player, Richard Jelama 6-2, 6-2.

Other match scores include Mike Long over SFJC's V. Marrow 1-6, 6-3, 6-4; Daryl Hicks over Paul Shoemaker 6-3, 8-6; Tom McNutt over Bill Rousseau 6-1, 6-1; Witherspoon and Hicks over Thomas and Marrow 1-6, 1-6, 6-4; and Long and Jelama over Privara and Shoemaker 6-3, 6-4.

South Florida Junior College Defeats First Place Brevard

The South Florida Junior College baseball team made it four wins in a row by beating first place Brevard Community College in Melbourne on April 4, by a score of 10-7. SFJC lost the second game, however, 5-7.

The surging Panthers fell behind quickly 6-0 after 3 innings. SFJC added a single run in the fourth, on four successive singles by DeWitt, Jackson, Lind and Jones. They erupted for six runs, sending 10 men to the plate, in the fifth. Miller led off with a walk, Webb flew out, but DeWitt doubled, Jackson reached first on an error, Lind and Jones singled. McCarter grounded to the pitcher, Piervinanzi and Ambrosi walked and Miller singled in two more runs. SFJC scored again in the sixth on a walk to Webb and a double by Lind. Two more runs were added in the seventh on a walk to McCarter, a single by Ambrosi, and a double by Webb.

All nine starters scored runs in the first game as the Panthers collected 15 hits off two Brevard pitchers. DeWitt

and Lind each had three hits in the 10-7 victory. Robert Webb picked up the win on the mound.

The second game was close all the way as SFJC fell 5-7. Miller singled and Lind doubled him to open the second game. In the third, Ambrosi doubled and scored on Webb's sacrifice fly. Two more runs were added in the seventh as some sloppy Brevard fielding put the Panthers ahead 4-3. However, Brevard came back after two were out to score three runs. SFJC scored once more in the ninth on a single by McCarter and a RBI single by Webb.

First Game
SFJC 0001612 10-3-0
Brevard 411100 7-0-6
Webb, Short (7), and DeWitt, Jones (3); Harper, Simons (5) and Bochy.

Second Game
SFJC 10100201 5-3-4
Brevard 0000033 7-0-2
DeWitt and Jones; Wag and Bochy.

Middle School

Girls Earn Physical Fitness Award

Sixty-six girls in the Avon Park Middle School will receive the Presidential Physical Fitness Award for demonstrating exceptional physical achievement. Those who score 85 percentile or above in all six items of the Youth Fitness Test are honored by the award, which was established by President

Lyndon Johnson in 1966. They must be students in good standing, recommended by their school principal.

Comparisons between scores of youngsters in other countries and those of American children showed that our boys and girls were not as physically fit as those of some other lands in the qualities

measured. Although our nutrition and health standards may be higher, our young people do not have the shoulder and upper arm strength or endurance revealed by young people of many other countries.

The displaying test results became an incentive to improve physical education

program around the country. The test itself became a technique for improving physical fitness as well as a stimulation for broadening and enriching the opportunities for physical activity in the schools.

More emphasis was placed on sports for fitness and motivation for fitness. The President's Council on Physical Fitness and Sports was set up by President Dwight Eisenhower in 1956 to give federal encouragement to programs aimed at increasing over-all fitness of American youth.

The tests require little or no equipment, can be administered to both boys and girls (with the exception of the pull-up), and could be given to the entire age range of grades of 5-12 and tests which measured different components of fitness. As an example, pull-ups is an indicator of arm and shoulder strength. The correlations among the test items are low.

The tests, developed in 1967 included: Flexed-arm hang for arm and shoulder strength; flexed leg sit-up — for judging efficiency of abdominal and hip flexor muscles; shuttle-run & for judging speed and change of direction; standing broad jump — for judging explosive muscle power of leg extensors; 50-yard dash — for judging speed; and 600-yard run-walk (with optional runs) for judging cardiovascular efficiency.

The 1965 norms indicated that boys and girls, age 10 to 17, were generally more fit as measured by the American Alliance for Health Physical Education and Recreation (AAPER) Youth Fitness Test, than they were when norms were first established. All but one of the mean scores for the 1964-65 data were higher than the 1957-58 mean; better performances were recorded for every test at every age level (see chart), except for the 17-year-old girls softball throw, now eliminated.

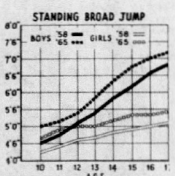

THE PRESIDENTIAL FITNESS Award program for girls at the Middle School is under the direction of Cheri Lee and Norma Hank and stresses the physical fitness of the individual. Most of the girls that pass the tests are seventh and eighth graders. Among the 44 passing are (left to right, first row) Patricia Rich, Doris Stokes, Wanda Shaffer, Debbie Chancery, Laurie Weismay, Brenda Brooker. (Second row) Shirley Rivers, Sally

Braithwaite, Brenda Taylor, Virginia Clark, Darlene Starr. (Third row) Jeaneffe Ishmael, Belinda Williams, Terri Helvey, Pam Todd, Penny Padelford, Ladawn Long. (Fourth row) Mary Jean Meadows, Georgiana Valdes, Kim Culp, Ethyl Mae Pough, Shari Fortner. (Fifth row) Anita Trescott, Barbara Dunkum, Sylvia English, Patricia Higgs, Kathy Wygins. Photo—Miller.

BETWEEN 240 AND 210 Middle School girls in the 5th to 8th grades took part in the Presidential Fitness Award program with 44 passing 85 percentile or more of the six tests. Students in this group are (left-right) First row, Gwen Hicks, Tori Griffin, Cindy DeWitt, Jenner Dyal, Mary Jane George, Bernice Taylor, Annette Blake. Second row — Gloria Williams, Debbie Williams, Tammy Welch, Maureen Murphy, Robyn Heckard, Nancy Williams, Robin Williams. Third row, Pearl

Nelson, Sheila Carter, Gayla Starling, Rhonda Landress, Tanya Andrew, Lori Chancery, Cathy Oliver. Fourth row — Delbra Loverson, Michele Branswell, Paula Maloy, Brenda Synder, Brenda White, Debbie Moun. Fifth row — Linda Rohe, Patricia Rick, Jackie Erving, Judy Bell, Ethyl Pough, Sharon Hicks, Doris Stokes. Sixth row — Katrina Comer, Della Bell. Photo—Cornell.

UNDER THE PRESIDENT'S Physical Fitness Program in the Nation's schools, the accomplishments of 11-17 teenagers has increased significantly as shown by the chart covering 1958 and 1965, showing the improvement made by both boys and girls in the standing broad jump.

High School Girls Tennis Teams Lose To Frostproof

The Avon Park High School girls tennis teams dropped to a 5-3 record when they lost to the Frostproof girls' Frostdropers last Thursday afternoon. Leaving the first five players at home, Coach Jeanie Cox took her reserves to Frostproof for the next to last match of the season and they almost pulled off the win losing by a 3-4 score.

Last Tuesday afternoon, the girls closed out the 1975 regular season in Fort Meade and will participate in the district tournament in Lakeland starting today (Thursday) and continuing through Saturday.

In Frostproof last week Melba Sims lost to Carol Jean Elmon 8-2 in the number one singles match and Chris Thompson was defeated by Karen Davis 8-3 in the number two singles set. Delorcia Cox won over Nancy Henderson 16-8. Darlene Jones lost to Peggy Nash 8-2, and Debra Cox won over Julie Johnson 12-10 in singles matches.

Melba Sims and Chris Thompson lost to Elmon and Davis in the number one doubles match by a score of 8-3 and Cox and Henderson lost to Sharon Jacques and Michele Beaver 9-7 in the number two doubles match.

The girls team drew some bad opponents for the first round play in the district tournament. Becky Crittenden has to play the number one seed in the tournament, Santa Fe's number one player, Lisa Clifford drew Lakeland's number two player who is seeded number 4 in the meet.

Dianne King will take on Haines City's number three player, Nancy Crittenden will have to play the number one player in the district tournament.

Nancy Crittenden will have to play the Bartow number four player who is seeded number 2 in the tournament. In her class, Jane Eberle will take on the number five Mulberry player.

Avon Park's number one doubles team of B. Crittenden

and Clifford will meet Mulberry's number one team and the Devil's number two doubles team of King and Eberle will go against the Zephyrills number two team. This is the first year Avon Park has taken part in the district meet.

Panthers Make Clean Sweep In Edison Games

SFJC made a perfect sweep of Edison Community College for 1975, winning at Edison earlier in the season and beating them again at Head Field on April 7 by the score of 10-8.

SFJC jumped off to an early 6-0 lead. Miller singled in the first and scored on Lind's single to center. Nine men went to bat in the second. A triple by DeWitt, followed by a single by McCarter, an error for Carson, and a three-run homer for Ambrogio, a walk to Miller and a double by Jackson brought in five Panther runs in the second.

Short pitched well for the Panthers but was pulled after five innings to save him for the weekend four game series with Polk. Bass relieved Short and Edison won the game on a couple of home runs and doubles.

Lind and DeWitt singled in the seventh, and meet sloppily play on Edison's part gave

SFJC two more runs. In the bottom of the eighth, with one out, Lind hit a two-run homer over the wall in left field for the final 10-8 victory.

Mike McCall relieved Bass to pick up his second victory of the season.

The Panthers have been on a hot streak of late, winning seven of their last ten games to put their record at 11-14 and fourth place in the conference. The bats have been hot as the Panthers have scored 32 runs and in their last seven games. They have collected 63 hits during this span. Webb is leading the team in hitting at 352 and 28 RBIs. He is fourth in the State in hitting. Lind moved his average up to .319.

SFJC 1500022x 101-13 Sharp, Shell (3) and Sorenson; Short, Bass (6), McCall (8), and DeWitt. HR - Nostin (E), Niebert (E), Ambrogio (SF), Lind (SF)

Young's In 1st Place

Young's Gulf Service jumped out to the lead in the Avon Park Minor League standings last week with three wins to move to an 8-1 record. Winn Dixie took over second place with a 7-1 record and Borden's finished the week in third place with a 7-2 mark.

In fourth place was Avon Park with a 6-3 record and three teams were tied for fifth place with 4-4 records — Borden's Service Station, One Hour Cleaners and Barnett Bank. Highlands Building Supply and Wells Motor Co. both had 4-5 records after last Friday's play and First Federal of Highlands County had a 5-6 mark. Maryland Fried Chicken was 6-8 and Bill Owens Ford was 0-9 with play ending up tonight (Thursday) for all twelve teams.

On Monday, April 7, Winn Dixie defeated Avon Park 7-5, Borden's Ford 7-5, Borden's Ford over One Hour Cleaners 15-13,

Borden's beat First Federal 9-5, and Highlands Building Supply swamped Bill Owens Ford 20-6.

Tuesday, it was Wells Motor or Maryland Fried Chicken that Borden's Service Station over Bill Owens Ford 15-2, Youngs beating Barnett 12-7 and Borden's beating Avon Auto Parts 8-2.

Last Thursday night Highlands Building Supply took a 16-4 win from Barnett Bank of Sebring. Young won over First Federal 20-2, One Hour Cleaners defeated Maryland Fried Chicken 20-14, and Winn Dixie took Wells Motor Co. 10-4.

On Friday, April 11, Avon Auto beat Highlands Building Supply 8-7, Young defeated Wells Motor 19-6, and Borden's won 17-11 over Bill Owens Ford. The game between Borden's and Barnett Bank was not played because of rain.

Tonight (Thursday) games will close out the Minor League season. Avon Auto Parts will

play Maryland Fried Chicken and Barnett will take on Winn Dixie in the two early games and Youngs will play One Hour Cleaners and First Federal of Highlands County will play Highlands Building Supply in the two late games.

The 1975 Little League draft will be held at the Florida Power Lounge at 7:30 tomorrow night, Friday, April 18. Players will be chosen from the rosters of the twelve Minor League teams to fill out the twelve-player rosters of the eight Little League teams.

Players who are picked for Little League will be notified by the coaches soon after the Friday night meeting.

The 1975 Little League season will begin Saturday. The first individual or relay will be played after a parade of all Little League and Senior League players. The parade will start at 1:00 o'clock and the meet will be scheduled for 2:00 p.m.

Devil Team Has 7-1 Record

The Red Devil boys tennis team moved to a 7-1 record with wins over Lake Placid and Frostproof last week. The Devil netters were rained out last Friday in a match with Sebring and were scheduled to close out the regular season last Tuesday against Ft. Meade here at the city courts.

Starting today (Thursday) the Red Devil tennis team will participate in the district tennis tournament being held in Lakeland. Pairings for the district are as follows: Grant Stallard (1) will play Kathleen's number one player, Brad Beumel (2) will take on the Lakeland number two man, Ronnie Brock will play Sebring's number three, Mike Chandler will go against Frostproof's number four player, and Kevin Murphy will play Frostproof's number five player in first round matches.

Avon Park's number one double team of Stallard and Beumel will meet Auburndale's number one team and the Devil's number two team of Brock and Chandler will go against the number two team from Zephyrills in first round play. This is the first year Avon Park has participated in the district tournament. There are fifteen teams in this district.

Against Lake Placid last week Grant Stallard won 8-0, Ronnie Brock won 9-7, Mike Chandler won 8-4, Kevin Murphy won 8-2 and Joel Wright won 8-1 in singles

matches. Brock and Chandler teamed up to win 8-1 in the number one doubles and Joel Wright and Mike Behal won the number two doubles by a score of 8-1.

The Frostproof match was played here at the city courts last Thursday afternoon. Grant Stallard won his match 8-5, Brock won 8-3, Chandler took 8-2, and Mike Behal took the number two doubles match by a score of 8-4.

The 1975 FIFTH MATCH was a DEFAULT WIN FOR THE DEVILS. In doubles Wright and Behal won 8-3 but Eddie Garner and David Epstein lost the number two doubles match by a score of 8-4.

Stallard won his match 8-5, Brock won 8-3, Chandler took 8-2 win from the number three player and Mike Behal won 8-1.

The 1975 FIFTH MATCH was a DEFAULT WIN FOR THE DEVILS. In doubles Wright and Behal won 8-3 but Eddie Garner and David Epstein lost the number two doubles match by a score of 8-4.

The 1975 FIFTH MATCH was a DEFAULT WIN FOR THE DEVILS. In doubles Wright and Behal won 8-3 but Eddie Garner and David Epstein lost the number two doubles match by a score of 8-4.
