County Commissioner

County Fire Protection Plan Unveiled

Details of a proposed countywide fire protection program were unveiled by Commissioner Ken Wilkinson Tuesday.

As visualized by Wilkinson and his committee, the fire departments of Avon Park, Sebring, Lake Placid and all volunteer fire departments operating in the county would be placed under a single supervisor who would coordinate their efforts to obtain maximum fire protection.

Under the proposed plan, new stations would be constructed in Avon Park, Sebring and Lake Placid to obtain the required degree of coverage. In addition, each of the city fire departments would receive new fire trucks with which to respond to calls in the county.

All three cities would have to expand their fire fighting departments, Wilkinson explained. Manpower and operating costs to support the existing and the upgraded capability would be about \$622,000 per year.

Capitals outlays for the package proposed by Wilkinson totaled \$706,000.

If 20-year bonds were sold at a seven per cent interest rate to provide needed capital outlays, the 20-year cost of the proposed program would be \$1,694,000, Wilkinson claimed. That equates to an annual \$84,000 outlay for buildings and equipment.

When the county's yearly \$84,000 share of expenditures for buildings and equipment are added to anticipated operating and personnel costs of \$622,000, the total program cost per year would be \$706,000.

To raise that amount of money each year, Wilkinson proposed that a special tax be levied on all property owners, but only on the condition that voters express their willingness to bear such an additional tax burden through a referendum to be scheduled for March 1976.

Wilkinson recommended that voters be asked to declare their willingness to support a special tax levy of 1.5 mills maximum, funds to be used exclusively for the countywide fire service.

At that rate, a taxpayer

owning a house assessed at \$15,000 would pay a maximum of \$22.50 per year for fire service.

Wilkinson emphasized that the 1.5 mill (\$1.50 for each \$1,000 of assessed property value) to be voted on would be

a "cap." If the millage needed to support the fire service should ever exceed the 1.5 mill upper limit, a new referendum would be required.

County maps displayed by Wilkinson showed that volunteer fire departments

must be organized in Venus and in the eastern section of Highlands County in order to provide reasonably complete countywide protection.

While the city fire departments will be upgraded

in capability if the Wilkinson Plan is adopted, success of the program will fall heavily on the county's volunteer fire departments. They will be expected to respond immediately to local calls for assistance and control the fire

until heavier equipment from one of the three city departments arrives.

Under the plan, city fire departments would submit their budgets to the county for approval.

Tax levies to support the county fire service would be applied uniformly to all residents, city and county alike. Special city taxes now assessed for fire protection would be dropped.

Wilkinson claimed, under his proposal, that Sebring property owners, who now pay 2.2 mills for fire protection, would pay less tax money (1.5 mill maximum) and would obtain better service than they now receive.

City fire departments would support one another as well as volunteer fire departments, Wilkinson declared.

The county budget would include funds needed to train and equip volunteer fire departments.

If all went well, in the system as proposed could be in operation about one year after voters approved the 1.5 mill cap and authorized the \$706,000 bond issue, Wilkinson said.

He expressed disappointment in learning that home insurance premiums would not be reduced significantly when the fire protection plan becomes operational.

"Inter-local" agreements must be negotiated between the county and Avon Park, Sebring and Lake Placid councilmen, Wilkinson said. These agreements would stipulate the conditions under which city and county fire departments would cooperate to insure that each receives adequate protection.

Commissioners took no action to schedule a referendum until city officials in the three communities have been briefed and have agreed to participate in the proposed program.

City Hall To Close For Veteran's Day

On Tuesday, Nov. 11, the Avon Park City Hall will be closed, stated City Clerk Malcolm Crews. The garbage pickup normally scheduled for Tuesday will be picked up on Wednesday.

The city's financial institutions will also be closed.

Residents To Celebrate Veterans Day In Avon Park

In Highlands County Veterans' Day will be observed on its old fashioned date, Nov. 11. The countywide festivities which traditionally rotate among the county's three towns, will be in Avon Park this year.

A parade will be held the Length of City Mall beginning 10:30 a.m. Tuesday. Ceremonies at the City bandstand are set for 11 a.m. The parade forms at the Pantry Pride parking lot at 10 a.m. Tuesday.

George Ratzmann — commander of Avon Park's Highlands Post No. 69, American Legion, is chairman of the committee making arrangements for the county celebration.

He announced that George Howell of Avon Park is to be grand marshal for the parade. Howell, a U. S. Army veteran, served in the armed forces during World War II.

The marching bands from Avon Park, Sebring and Lake Placid High Schools are to participate in the parade. All veterans organizations in all three communities and Air Force staff at Avon Park Bombing Range have accepted invitations to have units in the parade.

The National Guard will have a unit. Florida Forest Service said Smokeo Bear will be a participant.

Nov. 11 is an official holiday for state and county employees. Highlands County commissioners have cancelled their regular meeting for the morning of Nov. 11, however, the commissioners do plan to participate in the parade at Avon Park.

Mayors of Lake Placid, Sebring and Avon Park; city councilmen from all three towns; police chiefs, Sheriff O. L. Raulerson Jr. and a representative from Florida Highway Patrol are slated for the line of march.

The planning committee has been working on contacts with Gold Star Mothers. About a

dozen mothers have accepted invitations to be in the parade, however, the committee-men believe many more Gold Star Mothers reside in the area. Additional names should be given to Howell (at Avon Park, 453-7929).

Working with Ratzmann on the parade and ceremonies committee, in addition to Howell, are Cecil Pinyan and Rodney Lane, all of Avon Park American Legion post, and Avon Park Ministerial Association.

The committee-men said contacts have been made with some youth organizations, however, since Nov. 11 is not a school holiday it is difficult to

arrange for youth participation. The pattern of observance of Veterans Day has been uneven this year. The Postal Service and some other federal offices observed Oct. 27. County, city and state offices will close Nov. 11.

Financial institutions in the area are observing the Nov. 11 date and will be closed all day. Other businesses will, for most part, be open on their usual schedule.

Immediately following the ceremonies, there will be a spaghetti dinner at the Legion Hall on West Bell Street. It is open to the public and is \$1.50 per person.

Hunting Season Opens

With Nov. 8, start of hunting season right around the corner, the Game and Fresh Water Fish Commission reminds sportsmen who have applied for quota hunt permits to be sure they understand the rules of the game.

Fred Stanberry, chief of wildlife management, said there has been some confusion over permit requirements on the Avon Park Wildlife Management Area. Stanberry said that anyone, whether

hunter or helper, must have a quota hunt permit to enter the area the weekends of Nov. 8-9 and 15-16. This requirement only applies to the first two weekends and after that the 2,000 person limit imposed by the Air Force takes over with non-hunters able to purchase recreational permits.

Even though there will be training flights over the Avon Park Bombing Range until about 10 p.m. Friday night, Nov. 7, the Florida Game and

Fresh Water Fish Commission will allow hunters to enter the Avon Park Bombing Range at 3:30 p.m. Friday to go to two camping areas at the Morgans Holes and the Frostproof area.

For safety reasons no one will be allowed to go to the River until the flying has ended for the night, stated an Air Corps spokesman at the Bombing Range.

In speaking of the number of people entering the Avon Park Bombing Range hunting area

this weekend the Game and Fresh Water Fish Commission pointed out that a whole family cannot enter the hunt area on one quota permit. All persons, even small children, have to have a quota permit.

A commission spokesman also stated that "no rifles" would be allowed in the hunting area. For further information hunters can reach the commission's Bombing Range office by calling 453-3227.

As of Oct. 26, quotas on Avon Park, Lykes, Brother's Fishing Creek and Croon Wildlife Management Areas have been filled and permits for the Nov. 8 hunt on the Green Swamp Area are no longer available.

Unfilled quotas at the remaining South Florida Regional management areas are as follows: Green Swamp (Nov. 10-12 hunt), Green Swamp (Nov. 13-16 hunt) and the C. M. Webb area.

Sportsmen are urged to contact the Lakeland Regional office at 2202 Lakeland Hills Boulevard, Lakeland, Fla. 33801 or call 800-282-8802 for spot vacancies before the Nov. 8 opening of the general hunting season.

Three Qualify For Council Seats Mayor Unopposed

The 5 p.m. deadline for filing for the office of mayor or one of the two seats on the Avon Park City Council, went by without any one else announcing their intentions to run for either office.

According to City Clerk Malcolm Crews only the names of the three candidates for the two city council seats will appear on the Dec. 2 ballot. These are the incumbents, Robert Britt, seeking his second term and Council vice-president Milton Howard going after a fifth term on the council. For Eddie Delaney this is his first time in seeking an elective public office.

Mayor Marshall Davis' name will not appear on the ballot as there is no provision for a write-in on the ballot. For those who expect to be out of town on election day, Tuesday Dec. 2, 1975, absentee ballots will be available after Nov. 17 for voting or applications may be filled out and notarized and ballots mailed directly to the voter. The voting will be from 7 a.m. to 7 p.m. Tuesday, Dec. 2. Precinct No. 1 voters will do their voting at the Tourist Club building while precinct No. 2 voters will go to the county voting building on South Delaney Ave.

Builder Doubts Grant City To Open At Center

With almost daily announcements that the W. T. Grant Co. has further retrenched by closing additional stores it appears doubtful to Ernest H. Waninger, manager of construction of Intercoast Southeast Equities, Ltd., East Point, Ga. that the Grant City store in the Avon Shopping Square Center on Highway 27 will be opened for business.

However, Waninger, said that his company would make

no commitments until they know what the Grant company plans to do with the Grant City store. Intercoast has been talking with two or three other chain store groups and have received several offers for the 32,000 square foot of store space.

Seven other store spaces, referred to as satellite stores ranging in size from 1200 to 200 square feet are available through brokers. Waninger

said the 150 foot square northeast corner of the shopping center is for sale for either service station, eating facility or like use.

The approximately 33,000 square foot of space for the Winn Dixie grocery store is in the process of being set up for the chain grocery outlet. It is expected that WD will make their move to the new location in the early part of December, 1975.

Speakers Agree People Must Stop Pollution

A large number of concerned citizens turned out Monday evening to hear several knowledgeable speakers discuss problems of deteriorating lakes and waterways in Highlands County and to air their views and concerns in a meeting at the Agricultural Building in Sebring sponsored by the newly formed Highlands County Lake Protection Association.

Sen. Walter Sims headed the list of speakers and summed up the problem when he said, "Florida has clean clear lakes and streams and then the

people came." He summed up his efforts to revitalize and protect Florida's fresh water lakes and streams.

The idea was restated by Richard Cantrell, biologist with the State Department of Environmental Regulation who said "People are pollution."

All the speakers seemed to agree on one point: "People start pollution and it's up to people to stop it," although they failed to agree on some points.

Also on the program was David Russell, environmental

specialist with the Department of Environmental Regulation; Tom Duda, plant biologist with the Game and Fresh Water Commission, of Lakeland; C. H. Heppberger, president of the Lake County Protection Association of Leesburg; and Tim Turner Jr., Highlands County Extension Agent, Larry Hooper, vice president, of the Highlands County Environmental Association, served as master of ceremonies.

"The problems can be solved," Heppberger said.

Law enforcement officers in Highlands, Lake and Orange counties continue a virtual news blackout on investigation of a string of violent robberies in the three counties.

Highlands Sheriff O. L. Raulerson Jr. states a robbery at the Leslie Smith home east of Avon Park does appear linked to a hold-up at Lake Placid Oct. 22.

Investigation of the two Highlands County crimes is being coordinated with efforts in other counties, principally Lake and Orange, but information from officers in all three counties is skimpy.

Sheriff Raulerson said the

Smith robbery occurred the night of Oct. 28. Mr. and Mrs. Smith were in the yard of a home at the intersection of E. Canfield and the Avon Park truck road, a sparsely settled area east of town.

The Smiths said they were watching Air Force planes that were making practice runs at the bombing range, drop flares.

A man approached them, ordered them into their house. Inside they found two other intruders with all three of the Smith children — ages 13 to 9. The trio of masked men tied up adults and children, ransacked the house and left with a total

of \$17 worth of Smith belongings.

Smith was beaten with a rod, inflicting wounds, numerous but not serious.

As in the Lake Placid robbery, the bandits were disguised. In a robbery-beating at the home of Mr. and Mrs. William H. Sowers, two men wearing ski masks invaded the Lake Henry home, tied up the couple, ransacked the house, taking about \$100 worth of goods and cash.

Sowers suffered head cuts when he was hit with barrel of a sawed-off shotgun.

At the Avon Park robbery, two of the men wore ski masks

but one had his head wrapped in a sheet — "sort of mummy style," Highlands investigators said.

Within 10 to 15 minutes after the robbers had left, Smith was able to free himself and call the sheriff's office.

Raulerson said a deputy was in the Avon Park area and arrived at the scene within "very few minutes."

The report on the Avon Park robbery brought inquiries from many central and south Florida counties. Some reported similar crimes in their areas, but some links to

the Smith robbery were not made.

Sportsmen are urged to contact the Lakeland Regional office at 2202 Lakeland Hills Boulevard, Lakeland, Fla. 33801 or call 800-282-8802 for spot vacancies before the Nov. 8 opening of the general hunting season.

Those wishing to hunt on a wildlife management area the first few days of the season

Continued From Page One

Robbers In County

other crimes were so thin that Sheriff Raulerson tends to discount them.

One attempt to tie the masked robbers to the unsolved Whitwood murder case falls into the latter category, the Highlands sheriff feels.

Hunting Season

must possess an assigned quota hunt permit.

Stanberry also reminded sportsmen that the Avon Park area, historically, has been open only to hunters on weekends. Although the permit may indicate hunting is allowed the first nine days, the

"At this time we can't see any connection," Raulerson said when asked about links between the mid-August kidnapping-murder and the two robberies.

He also turned aside any bid to join the earlier robberies to the hold-up at an Avon Park

area will only be open for hunters two weekends during that period.

No fall turk hunting will be allowed on Fishbearing Creek Wildlife Management Area, Stanberry said. The decision was made by the Commission earlier this year but the word

convenience store near noon Saturday, Nov. 1.

At this time Sgt. Len Brown and Deputy Elmer Smith are working with Sheriff Raulerson in coordinating investigations with other counties.

apparently has not reached all the hunters concerned.

He also said that because of a last minute administrative determination by the landowner, there will be no hunting on the Hillsborough Wildlife Management Area this fall.

Water Meeting

but we need to look back over our shoulders," Sims told the gathering. "We had too much water" he said in reference to past flood problems. "We had to get rid of water so we lowered the water table," he said.

"We can have growth and keep water quality," Sims declared. "The question, 'What can we do?' Sims said one possible help is water manipulation noting that it is the most effective remedy but also the most difficult with the locks between lakes.

He spoke of residents on lakefront building a terrace between yards and lakes creating a barrier to fertilizers washing into lakes and having a prettier yard at the same time.

Sims said to remedy runoff of roads into lakes that pipe could be set back 100 yards or so from lake with provisions to absorb oils before it reaches lakes or in the alternative chicken wire fence in the water around the pipe with tropical plants.

"People rely so much on government that they won't do anything for themselves," Sims said in listing a number of things individuals or small groups could do to improve water conditions.

He said a certain amount of vegetation is good and lakes are maintained, but here they are out of balance.

Sims is a believer in the white armor, the aquatic weed eater, for control of unwanted weeds and plants. He said it is a battle between the Department of Natural Resources and the Game and Fresh Water Commission noting that of three original testing lakes in Orange County one where due caution was taken is the best lake in that county after three years with white armor.

Referring to the dispute between the two agencies, Sims commented that "the problem with weeds is nothing compared to the problems with agencies in Tallahassee."

Sims sponsored legislation to get the Game and Fish

Commission out of aquatic weed control which passed the legislature but was later ruled unconstitutional by the courts. Sims said the Game and Fish Commission should stick to bag limits and enforcement of laws and leave the aquatic weed control to the Natural Resources.

Sims spoke of efforts to restore Lake Apopka, a "dead lake." He said you could run your hand through the water and come up with a handful of particles. Efforts are to draw the water down in the shallow areas which exceeds 30,000 acres and let the sun bake the bottom forming a real hard bottom.

This is the tune of a quarter million dollars proponents hope to get from the federal government. Lake Apopka is headwater for an entire chain of lakes.

Sims does not foresee restoration of the Kissimmee River to its natural state saying it would just flood out again. He said it would not be the quality of the water saying "you cannot manipulate the water is the problem."

Russell told how the environmental group monitors lakes semi-annually, once in the dry season and once in the rainy season. The lake survey is conducted twice a year in 13 lakes in Highlands County. His presentation was illustrated with slides.

Cantrell explained the biological tests which keep data on hard bottom and water quality. He said samples are taken semi-annually on most of the 13 lakes but quarterly and sometimes more often on Lake Istokopka.

Cantrell said littoral zones were vital to the health of a lake noting that urbanizing lakes and beautifying homes were detrimental to lakes.

There's a limit to what lakes can carry," he said. Cantrell said a setback line with a zone of natural vegetation should be set around the shoreline of a lake. "There's no such thing as

worthless swampland," he said, noting that the natural function of wetlands is to fluctuate water levels and protect water quality.

Noting the high level of development at Arbutus Creek caused by cattle and channelization "the water ends up in Lake Istokopka, the most endangered lake in Highlands County," Muck farming doesn't help either, he said.

"The shallow nature is the only thing saving the lake," Cantrell said. Winds blowing and churning the water allows oxygen to mix into the water, he said.

"Oxygen is the most important factor," he declared. "If it wasn't for water, Florida would be a desert," Cantrell told the audience. "We've had deficient rainfall year after year and the water level decreases. We cannot continue to waste water," he warned.

With the Game and Fish Commission vice president in his remarks, Drda said the water level decrease. We cannot continue to waste water," he warned.

With the Game and Fish Commission vice president in his remarks, Drda said the water level decrease. We cannot continue to waste water," he warned.

Drda said mechanical control is not effective on a large scale and costs some \$1,200 per acre. Spray chemicals cost \$14 per acre but could do more harm than good.

The next meeting of the Lake Protection Association is set Monday, Nov. 17 at 7:30 p.m. in the conference room of Barnett Bank in Sebring.

Mrs. Carol Boley, president of the lake protection group, said the meeting would be devoted to setting goals and further organizational work such as electing a board of directors.

Man Drowns In Lake Lotela

Winds whipped up waves and buffeted boaters who venture out on Highlands County lakes last weekend. At Avon Park a Sunday fishing trip ended tragically for one boater.

According to Charles Snelgrove, chief deputy for Highlands County sheriff's department, Mark Robinson and a companion had taken a 10-foot jon boat out on Lake Lotela.

The small boat overturned on the rough lake. Robinson's companion clung to the boat and was rescued.

Robinson tried to swim to shore but disappeared in the

choppy waters.

Wind and rough water hampered rescue efforts by Avon Park Fire Department, Avon Park Police Department, sheriff's deputies, Sheriff's Rescue Unit, Emergency Medical Services staff.

Five members of the Bent Bottom Diving Club joined the search for Robinson's body. The body was recovered, at 12:32 p.m. Saturday, by Charles "Butch" Snelgrove Jr., of EMS staff and diving club member.

Robinson, who was 38 years old, was a citrus worker. He resided at 911 S. Delaney Ave.

City Council Action

Refers Trailer Question To Zoning Board

More time was requested by Council President Wendell Williams at their regular Monday meeting to study the Highlands County Health Department's request to issue permits on mobile home installations with the Avon Park building department to issue the permits and inspect plumbing and electrical connections.

City Building Inspector C. W. Ellerbee stated the city presently has no control over trailers coming into parks and making connections to sewer, water and electrical facilities. These are not covered under the zoning ordinances. Trailers are covered under a separate chapter of the code.

Jim Brooks and Mr. Wolfe representing the county health department told of state regulations governing trailer parks, but the city has no regulations. The state law places a limit on the number of trailers in a park, but in some cases two trailers were squeezed on one lot.

Drda stated it was a good set of rules but hard to enforce if trailers were already in the parks and they want to prevent the problem before it happens. It was suggested that the matter be referred to the Zoning Board of Adjustment.

Council President Williams reported that due to an oversight while working on the city budget fulltime employee City Building Inspector C. W. Ellerbee did not receive a pay raise along with other city employees. It was moved that the building inspector receive the two per cent pay increase retroactive Oct. 1, 1975.

The Chairman of the Board of Adjustment, Kenneth Long, told the council that the building department was an important part of the city government in that it was responsible for the order and process of building construction.

In other city council action—Agreed to initiate study for the city to obtain 100 per cent financing of up-grading street sign program.

—Hear report of hearing on grove firing at Lakeland Nov. 19.

—To study Sebring City Council resolution calling on federal government to refuse aid to New York City.

—Report on petition of Fred Cook for unemployment compensation at Wauchula.

—Moved to install two streets lights on Dixie St.

—Hear report for fire and police protection at the air show at the airport. The city will furnish a fire truck with two men and two off-duty police officers to be paid by air

show promoters. Council vice-president Milton Howard told of abandonment of the Seaboard Coast Line RR station, with shipper service to be continued from Auburndale. Mayor Davis stated the Historical Society wished to obtain the station for museum purposes. No action.

—Agreed to have engineers to prepare work order for installation of an alarm system on the present main pumping station of S. Lake Ave. as requested by Bob Winn.

Moved that Keith Debo and Fuller be paid \$300 for their hard work on beautifying the Mall last year as recommended by the Chamber of Commerce. This was not to establish a policy.

—Councilman Larry Albritton requested wheelchair ramps in the business district. The Community Development

Goldwater Gives Advice To Pilots

Aviation enthusiasts such as those belonging to the Florida Pilots Association, are going to have to become politically active and stay involved if small aircraft owners and operators are to have fair treatment.

This was the advice and warning sounded by California Congressman Barry Goldwater, Jr., in an address made Nov. 1.

Goldwater was the principal speaker for a dinner meeting of the Florida Pilots Association. Close to 200 guests turned out for the meeting which marked the changeover from Mid-Florida Pilots Association to the Florida Pilots Association. The Congressman—who looks and sounds a little like his famous father, senator from Arizona and former Presidential candidate—shares with his father a passion for flying. Representative Goldwater owns his own plane and has logged more than 3,000 hours as a pilot.

He is a member of the House committee which has jurisdiction over aviation. He pointed out to pilots here that he authored an amendment to last year's emergency energy bill providing for pilots of small aircraft (general aviation) to have access to gasoline.

He said one of the mistaken notions many people hold is that general aviation is "a rich man's plaything." He contends that it is an important part of the whole field of aviation, an area of business and economics "uniquely American."

He pointed out that United States has in the past and present held the number one spot in aviation. He added that \$2.5 billion in aviation orders placed by Arab countries will help American balance of payments.

The Congressman drew his most enthusiastic response Saturday when he touched on one of his own pet peeves—the inclusion of Federal Aviation Authority Administrator within the Department of Transportation.

The audience applauded when Goldwater scolded, "Aviation will suffer and air

craft will suffer so long as FAA is under the thumb of DOT people who don't know the difference between an airplane and a carrier pigeon."

He continued, "DOT constantly interferes with FAA morale is at an all time low—initiative has collapsed. The Department of Transportation secretary is so concerned with railroad problems, trucking and traffic that supervision is delegated to an undersecretary who has no knowledge or ideas of aviation's problems."

Goldwater has introduced a bill to pull FAA out of the Department of Transportation and restore it to the independent agency status it once held.

Goldwater was introduced the pilots association president, John Davis. Davis sketched the history of the organization, reporting that it has grown from 15 members at the time of its birth in January to its present level, 83 members.

He said the association has sponsored two fly-ins and a series of educational meetings. Davis reported that the emphasis on education makes the Florida Pilot Association a unique group.

GARAGE BURNS—Lightning is blamed for starting the fire which demolished a garage on the old Coleman property on Lake Lotela, near Avon Park. The property is now owned by R. B. Wiggins. Florida Forest Service rangers who responded to the call Oct. 28 estimated the loss at \$15,000.

Furnished Apartments—Avon Park Upper & lower 2BR apts. \$140.00 lower, \$135.00 upper. Water, sewer, & garbage, incl. Air cond., gas heat, clean incl. in fee or monthly.

Merchants Gift Check Program Closes

The Deleagued Merchants Gift Check program has cancelled its Highlands County operations and closed its offices.

James McCollum, Sebring attorney who represents the gift check promoter Mutual Advertising Agency, said the decision was made late Monday to close the Highlands County program.

Throughout its stormy career here, the agency had promoted sale of gift coupons contributed by Highlands County merchants proposing that a portion of the profits would be given to Cystic Fibrosis Foundation.

Merchants had given coupons worth about \$300 in goods and services. Each coupon book had sold for \$15.95.

McCullum said local officers of the cystic fibrosis fund drive were notified Tuesday that Mutual Advertising Agency representatives would return to Highlands County to make formal presentation of money.

He said between \$400 and \$500 would be given to the local CF drive.

The Merchants Gift Check program encountered many claims there, including a claim that the program was operating illegally.

The charges are made as part of a civil suit between Mrs. Irma McCollough of The

Family Store and Mutual Advertising Agency. Mutual Advertising executives had asked the court to intervene in a dispute over terms of a \$5 Family Store coupon included in each of the Merchants Gift Check books.

In a motion to dismiss, filed by Mrs. McCollough's attorney George B. Oujevick, primary attention is given to a list of alleged violations of state law and violation of Florida courts' rules.

Oujevick said the agency has not met requirements for registering a fictitious name.

Oujevick contends that since the agency is "ostensibly soliciting for cystic fibrosis" it would be required to register with the Florida Secretary of State as a professional solicitor.

Oujevick said neither the agency nor its executives—Charles, Steve, Sherwood Malinda and Stan Lynds Jr.—are to be registered. Registration would require payment of a \$500 fee for each of the solicitors and \$10 for each individual employee.

The agency has failed to obtain state and county occupational licenses. McCollum said a hearing on the civil suit is scheduled for 2:45 p.m. Nov. 12, in circuit court. The presiding judge has not been assigned.

Nursing Home Greet Witches And Goblins

The patients of Hillcrest Nursing Home greeted witches, goblins, black cats and other Halloween folk, with a party last Thursday evening.

The table service was of the Halloween motif and the refreshments for everyone reflected the spirit of the evening.

The patients and personnel of the Hillcrest Nursing Home were most appreciative of the generosity of two local Avon Park merchants—C.L. DeWitt of Neisner Dept., Store and Ed Touchton of Touchton Drugs, who very graciously provided the Halloween decorations, table service, refreshments and prizes for the Halloween event.

Activity directors, Annette Smith and Cleo Benton led the group singing and the playing of games and were assisted by director of nursing Mrs. Mary Kenneth Trim and assistant director of nursing Mrs. Mary Lanning and other personnel. The majority of the latter attending

the party during their "off duty hours." Prizes were awarded during the games with everyone enjoying the social adventure.

The table service was of the Halloween motif and the refreshments for everyone reflected the spirit of the evening.

The patients and personnel of the Hillcrest Nursing Home were most appreciative of the generosity of two local Avon Park merchants—C.L. DeWitt of Neisner Dept., Store and Ed Touchton of Touchton Drugs, who very graciously provided the Halloween decorations, table service, refreshments and prizes for the Halloween event.

Some people believe that if you can be tickled and not laugh, you'll get into heaven.

241 E. Camphor Avon Park

To Be Medium And Close Security Complex

With construction on new facilities at the Avon Park Correctional Institution (APCI) well underway, APCI Superintendent Herbert Kelley said that the new portion of the local facility will be changed from minimum to maximum security.

Speaking to the Avon Park Rotary Wednesday at noon, Kelley said the present facilities would remain in operation in the present minimum security capacity but that the new portion of APCI would be used for medium and close security confinement of inmates.

Under construction at the present time is a kitchen-dining room complex which is due for completion in March, 1976. The kitchen-dining room phase of the building program, originally planned with complete air conditioning and slated to cost \$500,000, was listed as costing \$500,000 by Kelley.

In an economy move, the state has asked for a change in the contract to delete air conditioning except for the officer's mess which would reduce the cost to the \$500,000 figure. Don Loftis, superintendent of Charter Builders of Orlando, the prime contractor, said last week.

Loftis said the change is only in the "talking stage" and is not yet official.

There will definitely be no air conditioning in the three inmate dormitories scheduled for the next phase of the construction. Bids on that project were taken minus the air conditioning which was originally in the plans. Great Southwest Corp. of Clearwater was the apparent successful low bidder on that project. Long's Air Conditioning, Inc. of Avon Park has the electrical sub-contract.

The master plan for the new prison facilities was made in 1970, Kelley said, but changes have been necessary due to overcrowded condition in all the state's correctional facilities.

For instance, the three new inmate dorms which will be built were originally planned to house 101 inmates each but under changed plans, they will house 200 men per dorm.

Kelley said that as of May 13, 1975, the state had 13 major institutions, 25 community correctional institutions, five vocational training facilities and eight road prisons designed to house 12,000 inmates with 15,500 inmates confined.

The normal capacity of APCI is 620 men but the institution presently has a population of 763 inmates, the maximum capacity of the local facility.

Kelley said the trend in courts now is toward less probation and there are no more emergency releases on early parole or early expiration of sentence which has resulted in the necessity of increased capacity.

There is one new correctional institution north of Cocoa almost completed with

four more under construction, Kelley said. There are three more slated to be built. Of the three, one is a 150-man unit which will be located in

Polk County north of Lakeland, Kelley said. "There will be no maximum security at APCI," Kelley said. "There is only one maximum security facility in the state of

Florida," he said. Kelley added that the only difference between maximum and close security is "a door or bars," explaining that in

maximum security inmates are in rooms with bars and in close security they are in rooms with doors.

The new portion of the institution which will be located in an area immediately north of the present compound will be double fenced with a security system of lights, control tower and patrol roads. Inmates housed here will be maintained within the confines of the fence, Kelley said.

He said there was no cause for concern to the local community and that any problems created would be internal problems in management of the increased number of inmates.

There are presently 181 authorized staff positions at the institution. The additional facilities will create 175-180 positions, Kelley estimated making an eventual total of close to 375 positions.

The entire building project will amount to more than \$4.7 million at the local facility. A central control unit will soon be started and bids should be let in December on a multi-treatment facility. Bids will be let in January or February for a vocational-academic educational facility with final completion of all phases of the building slated for December, 1976, or January, 1977.

The multi-treatment facility will include medical, dental, psychological and social services.

Since January 1, population of all Department of Offender Rehabilitation facilities in the state has grown at the rate of 100 inmates per week. This trend has been caused by a decrease of probationers by the courts coupled by a drop in paroles.

During questioning, Kelley said the average age of inmates at the local facility is 42 to 45. He also noted that APCI has the most superior staff in the Division of Corrections.

Talent Night Performances Benefit Handicapped

Approximately 350 interested people came to the Middle School Auditorium, Saturday night to see the "Family Night of Fun" talent program sponsored by the Avon Park Rotary Club for the benefit of the handicapped.

Master of ceremonies for the evening entertainment was Don Farrens who had the assistance of youngsters in the audience in selecting door prize winners.

The acts performed during the evening were dance students from Studio One and Laurie Rehner, instructor, Jim and Judy Crabtree and John Osborne, David Flowers and Thom Lawrence, Lucky Dixon accompanied by Gail Dixon.

The Sweet Adelines quartet was accompanied by Don Mieser, Daisy and Mr. Wolanank were accompanied by David Flowers, Virgil Still accompanied by Mrs. Floyd Hayes, William Hunt and John Wright with the entire group of

performers and audience singing America the Beautiful and giving the pledge of allegiance.

Door prizes given away between acts were donated by local merchants including the Avon Citrus Bank, Highlands County Bank of Avon Park, First Federal Savings and Loan Association of Hardee County, First Federal Savings and Loan Association of Highlands County, Touchton Drug Store, Metcalfe Hardware and Bill Owens Ford.

During the program Charles Collins, Rotary Club president presented a check to Lynn MacNeill, president of the Ridge Association for Retarded Citizens.

In summing up the evening, Charles Collins, president of the Rotary Club stated that the folks who enjoyed the show had a double benefit of seeing the show and helping the handicapped.

NEW APCI FACILITY. With the concrete foundation in, building of the new kitchen-dining room facility at APCI in well underway. The 8,000 square foot complex was originally slated to cost \$500,000 but the state has requested a change order eliminating the air conditioning which is under discussion with the contractor and

would bring the cost of the project down to about \$300,000. Don Loftis, left, superintendent for Charter Builders and Lynn Ingraham, accountant, checks progress of the work which is presently two weeks behind schedule due to rain. Photo—Gobbie.

SITE WORK CONTINUES at the location of the new APCI kitchen-dining room facility with Charter Builders superintendent Don Loftis checking work progress along the road adjacent to the building site. In the

background toward the trees is the site of three inmate dormitories which will be constructed soon that will house a total of 600 inmates. Photo—Gobbie.

Mary King Tells Kiwanis Of Chamber's Progress

Mrs. Mary Lee King, president of the Avon Park Chamber of Commerce was the guest speaker at the Avon Park Kiwanis Club noon meeting Thursday, Oct. 30. She gave a most interesting talk starting with the chamber's beginning and bringing it's progress right up to date.

Mary Lee said the purpose of the chamber is to make Avon Park a better place for all of us to live in and enjoy. Some of their goals are to improve the Mall, promote a "Clean up-Green up" month, try to improve the freight service and also to encourage people to shop in Avon Park.

Then for our enjoyment the Christmas Parade that has

been so successful for the past few years.

July 4th the chamber hosted the Mackle Antique Car tour. While in Avon Park they were met by Mrs. King and Mayor Marshall Davis and were given an orange juice break. The chamber is trying to make this an annual event. Avon Park received much good publicity as the antique car tour in Avon Park was shown twice on Channel 11, Ft. Myers.

Mary Lee King to the surprise of many Kiwanians said she did not believe that her being the first woman Chamber of Commerce president placed in competition with the men. Mary Lee said she enjoyed

being a woman and being treated like a lady. Some of the men were heard to say amen! The Kiwanis Club wishes to thank Mrs. King for the fine job she has done as president and for her informative program.

SOME OF THE UNITED Telephone employees carried out the Bicen-tennial theme in their Halloween costumes and these ladies looked great in their Colonial dresses

and bonnets. They are, standing, left to right: Velma Tomlinson, Betty Roark and Dorothy Simpson. Seated is Betty Heckard. Photo—Gobbie.

RETIRED EMPLOYEES of United Telephone returned to join the fun of the annual Halloween costume day Friday and enjoy the delicious food brought covered dish style by employees. Here three retired employees pause while chaffing in the luncheon during the lunch hours. They are, left to right, Claudia Hettie, Estelle Jones and Bertha Warren. Photo—Gobbie.

Sweet Adelines Sponsor Quartets At Ag Center

The Avon Park Prospective Chapter of Sweet Adelines, Inc. will host the Park County Chapter of the S.P.E.B.Q.S. A, The Citrus Capitol Chorus for an afternoon of barbershop singing Sunday at 3:30 p.m. at the Agricultural Center on U.S. Highway 27 South of Sebring.

Appearing with the chorus will be three quartets, The Sunshine Association, The New Editions and The Regionaires. The Citrus Capitol Chorus was state champion last year and several of the quartets have placed in the top winners in the quartet competition.

The Avon Park group will also appear on the program. The local chorus is directed by Evelyn Jones and the assistant

director is Evelyn Delk.

Tickets may be purchased by calling 453-4056 or will be available at the door. Tickets are \$2 for adults and \$1 for children.

River Greens Golfettes
The River Greens Golfettes will hold their regular monthly meeting Tuesday, Nov. 11 postponed one week because of conflicting activities at River Greens Golf and Country Club.

Hibiscus Garden Club
The Hibiscus Garden Club will meet at the home of Miss Mildred Myers on Circle Terrace Thursday, Nov. 13 at 2:30 p.m. Mrs. Mildred Logan is co-hostess.

We wish a "Happy Birthday" to the following people who will be celebrating their birthdays this coming week:

Nov. 7—Keith Crews, Dr. Burton C. Ostling, Cheryl Dunning, Butch Collier, Roxie Enoch, Author Lee Hilton, Jr.
Nov. 8—Emice Haynie, Margaret Turnbull, Johnny Todd, William G. Benson, Tami Woodruff, Nelda Streth.
Nov. 9—Brenda Fletcher, Barbara Gordon, Mrs. Florence Barr.
Nov. 10—Jim Wood, Louise Edmondson, Charlie Burton, Evelyn Bengel, Marjorie Border, Tina McHenry, Lucy Holiday, Pauline Hightower.
Nov. 11—Chip Carter, Ann Carter, Olga Bridges, Eloise Sharpe.
Nov. 12—Robert L. Fletcher, Buddy Parnell, Beth Ormond, John Jones, Mrs. W. C. Baxter, Chester Lyons.
Nov. 13—Judy Sharpe, Steve Travers, Sheila Jackson.

This is your birthday list. We welcome additions to it. It is equally important that we be informed on a timely basis of any deletions which should be made because of death or other reasons. Your help in this will be greatly appreciated.

Founders Circle
The Founders Circle of the Avon Park Garden Club will meet Thursday, Nov. 13 at 2 p.m. at the home of Mrs. Chester Wallack with Mrs. Lou Grose as co-hostess. Mrs. Robert Rulison will speak and show slides on "Nature of Natural Science."

Calendar Of Events

Women's Club
The Women's Club will hold a rummage sale at their clubhouse on South Verona Friday and Saturday, Nov. 14 and 15.
The Women's Club is sponsoring a Bicen-tennial speech and art contest which includes all students of the public schools March 1, a community wide project.

Scout Show Set For Dec. 6

Boy Scouts and Cub Scouts in Avon Park will be selling tickets to the 1975 Scout Show for Dec. 6 from 1 to 7 p.m. in Tigertown Joker Merchant Stadium during the next three weeks.

The Scouts will be earning merit badges and raising funds for scouting activities and for their Bicen-tennial project.
The top three Boy Scout Troops and the top three Cub Scout Packs in the Gulf Ridge Council in ticket sales will receive a 3 x 5 foot Bennington flag. The top cub scout in the district which sells the most tickets will win a 10-speed bike.

Theme of this year's show is "Yesterday, Today and Tomorrow." Tickets are \$1 each and admit the entire family.

Of the first 10 tickets each scout sells, 50 cents goes to the Pack of Troop and 50 cents goes to the Scout Council in Tampa. The money from tickets number 11 and 12 that each scout sells will go to the Avon Park Historical Society to help purchase a monument for Avon Park founder John M. Crosby.

Each scout that sells 12 tickets will earn his Bicen-tennial patch.
Promote scouting and buy tickets for the Scout Show and see the good scouting does for boys.

Cradle Roll

Mr. and Mrs. Eddie Howard Wright, Lake Placid, are parents of a son, Eddie Howard Wright, Jr., born Oct. 28 at 9:09 p.m. in Walker Memorial Hospital, weighing 6 lbs.

Mr. and Mrs. Eddie Manning, Jr., Avon Park, are parents of a son, Jamie Joseph Manning, born Oct. 28 at 2:21 p.m. in Walker Memorial Hospital, weighing 6 lbs. 5 oz.

Mr. and Mrs. Walter Eldridge Jackson, Jr., Avon Park, are parents of a son, Bobby Dwayne Jackson, born Oct. 29 at 8:21 a.m. in Walker Memorial Hospital, weighing 6 lbs. 14 oz.

Town Topics

Mrs. H. L. Caffee, Mrs. Alice Sherman and Mrs. Mildred Logan went to Miami Friday, Mrs. Caffee and Mrs. Logan visited Mrs. Helen Harris, formerly of Avon Park, Mrs. Sherman visited her niece and husband, Mr. and Mrs. Frank Morris, and her sister, Mrs. Olive Seagraves.

They returned to Avon Park Monday afternoon after a very pleasant weekend.

Mrs. Harry Hunt, Mrs. Edith Spuck, Mrs. Edgar Smoot and Mrs. Oscar Laye attended the annual District meeting of the United Methodist Women held at the College Heights United Methodist Church in Lakeland Oct. 25.

Mrs. Smoot was elected district membership chairman during the meeting.
Mrs. Hubert Bussard was recently honored by receiving a pin and an honorary membership from the Sarasota District of the United Society of Christian Services and United Methodist Women.

Mr. and Mrs. Frank Waddell visited her brother, Frederick Ellis Wray, and his wife, Love, in Montgomery, Ala. They also visited Mrs. Waddell's nephew, Frederick Earl Wray, and family in Auburn, Ala.

While there, they also went to the Wray's lake cottage on Lake Mitchell near Clanton, Ala.

LPN's To Meet Monday

The Licensed Practical Nurses' Association of Florida, Inc., Division 33, will meet at Cottrell Memorial Nursing Home in Sebring Monday at 7:30 p.m.

The meeting is vital if LPN's in Highlands County need Division 33 to continue. All LPN's and student PN's are urged to attend this meeting or to notify the Division if they are interested not later than Monday at 3:50-7:00, according to Mrs. Ray L. Savage.

Methodist To Hold Rummage Sale

The United Methodist Women will hold a rummage sale Friday and Saturday in the church nursery. The sale begins at 9 a.m. Friday, continuing all day and until noon Saturday.

A wide selection of men's, women's and children's clothes will be available as well as many other items.

The UMW will have a special Ladies Day Sunday morning Nov. 23 entitled "Fruits of Harvest." The Rev. Elizabeth Kircher will deliver the message at the 10:30 a.m. service. Mrs. E. Smoot is chairman of the program.

At their regular monthly meeting in Wesley Hall Tuesday morning the UMW discussed Thanksgiving dinners for the needy. Mrs. Clifford Smith was appointed chairman. The meals will be prepared in the church kitchen.

Mr And Mrs Holger Findling

Loy-Findling Exchange Vows In Ceremony

Miss Linda Loy, daughter of Mrs. Edith Loy of Avon Park, exchanged marriage vows with Holger Findling in a double ring ceremony Tuesday, Oct. 16 at 4 p.m. The groom is the son of Mr. and Mrs. Karl Findling, of Long Island, N.Y.

The groom is in the U.S. Air Force and is stationed at Avon Park Bombing Range.

The couple honeymooned in Ocala and are now at home on West Durand Street in Avon Park.

Mr. And Mrs. J. Loughan

Cofield-Loughan Wed At United Telephone Office

In a brief simple ceremony Deborah Ann Cofield and James Gordon Loughan were united in marriage in the offices of the United Telephone Co., Avon Park at 12 noon Friday, Oct. 24, 1975.

The bride is the daughter of Mr. and Mrs. J. B. Cofield of Wausau, Wis., and the groom is the son of Mrs. Mildred Shea of Avon Park and C. W. "Pete" Loughan of Venice, Fla.

The double ring ceremony was performed by John Clark, Notary Public, in the presence of the families and close friends. The office was decorated with gold candelabra with yellow roses and having yellow candles.

For the wedding ceremony the bride wore a white crepe back satin dress with red and fuchsia flowers. It had short butterfly sleeves. The street length dress had a fitted waist and back tie. The bride carried a bouquet of red and white carnations, fuchsia mums and baby's breath with gold ribbon tied in bows.

Attending the bride as maid of honor was Miss Charoese Cobb of Avon Park. She wore a matching light green skirt with a long sleeved white silk shirt and a short sleeved vest with a self tie belt and burgundy accessories.

The groom's only attendant as best man was Rainey Prevatt of Avon Park.

For her daughter's wedding, Mrs. Cofield chose a mint green pantsuit with white accessories.

The groom's mother, Mrs. Shea wore a long sleeved fuchsia street length dress with self tie belt and black accessories.

The double-tiered wedding cake with a square base and heart shaped top layer was trimmed with white and pink roses and was placed on a white covered table with candles.

A covered dish luncheon was served to guest and friends. This was followed by a wedding shower given by fellow telephone employees of the bride.

The bride's guest book was kept by Ben Carter of Wausau. Assisting in receiving and serving were Dottie Sheffield, Carolyn Gray, and Paula Sheffield of Avon Park and Ellene Weed of Sebring.

The bride is a 1972 graduate of Hardee High School and was a member of the National Honor Society, captain of the Junior varsity cheerleaders, varsity cheerleader, French Club and vice-president of the Vocational Industrial Clubs of America and has been employed at the United Telephone Company for three years.

A 1969 graduate of Avon Park High School, the groom served in the U.S. Army from June of 1970 to June of 1972 with nine months service in Vietnam. He has worked for the Wells Mole Company and the Sebring Vanguard Inc. Presently he is with the Avon Park Fire Department.

Out-of-town relatives attending the wedding were Mr. and Mrs. C. W. "Pete" Loughan of Venice, Fla., Donna, Kathy and Betsy Cofield of Wausau, Pa., Patty Loughan of Orlando, Fla., Sally Ann Loughan and Mrs. Helen Melzer of Venice, Fla.

Following the reception and shower the couple left for a weekend wedding trip and honeymoon to Lakeland. Their new home is at 505 W. Walnut Street, Avon Park.

CHRISTMAS BONANZA—Gutting all kinds of pretty things ready for their annual Christmas Bonanza slated for Nov. 15, women of the Episcopal Church of the Redeemer have been holding workshops each Tuesday under the direction of Mrs. Annie Touchton. Shown with some of their creations

are, left to right, seated: Jane Betz, Vio Kenyon, Mary Hill, Jenny Freeman, Miriam Francisco, Betty Rice, Billie Rice and Alice Smith. Standing: Elsie Hull, Claire Irvine and Mrs. Touchton. Photo—Gobbie.

Rowles of Valparaiso, Ind. and Joseph and Doris Perry of Avon Park, and Harry and Frieda Strimons of Minerva, Ohio. Total members as of Nov. 1, 183.

DEATH NOTICE
All club members were shocked and saddened at the sudden death of Mary Wilmet, Saturday afternoon Nov. 1.

Armed Bandits Hold

Up Shop & Go

A pair of armed bandits held up the cashier of an Avon Park convenience store at mid-day Saturday and escaped, without customers in the crowded store knowing a robbery was in progress.

According to a report filed by sheriff's department investigator Lt. Glenn Hartsfield, the two men entered the Shop & Go store about 11:30 a.m. They picked up a six-pack of beer and at the check-out counter asked for a package of cigarettes.

The clerk said she stooped to look for the cigarettes under the counter. When she

straightened up, a long barrel pistol was pointing at her and the men told her, "Give me your money."

She said she scooped out the bills in the cash drawer—a total of about \$60. The robbers, whose ages the clerk set at 18 to 20 years, walked out the front entrance.

Deputies tracked the men from the store at Lake and Monroe streets, through orange groves and back onto streets, a distance of about two and a half miles. The trail disappeared on Avon Park's East Pleasant Street.

The money was discovered missing. Two suspects were stopped in Lake Placid about 5:30 p.m. and charged with the theft. Released under bond was Al Deliano, Miami, and an unidentified female, believed to be a juvenile.

A court appearance for the two is set for today (Thursday).

Cheerleaders Robbed During Carwash

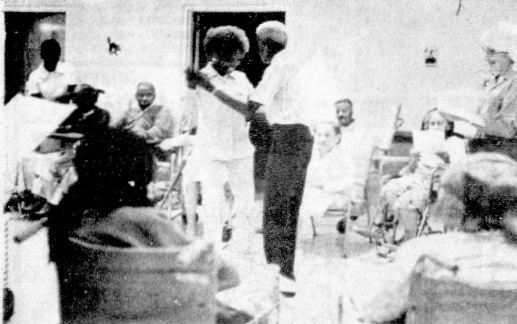

According to Avon Park Police reports, \$50 was stolen from the women's restroom at Border's Service Station Saturday afternoon at 4:45 p.m. from a group of Avon Park High School cheerleaders who were holding a car wash.

According to the report, the cheerleaders had \$50 in cash in the women's restroom when two females asked to use the restroom. When they left,

the money was discovered missing.

Two suspects were stopped in Lake Placid about 5:30 p.m. and charged with the theft. Released under bond was Al Deliano, Miami, and an unidentified female, believed to be a juvenile.

A court appearance for the two is set for today (Thursday).

Finds Clubs Lose Money

Are dances dead at Avon Park High? It would seem that they are at least dying if the first dance of this year is any indication. Coach Jackson, sponsor of the Devil's Club, which held the dance Friday, October 10, after the Avon Park vs. Wauchula game, said that the dance was a financial flop. Even though the band was good, the student turnout was poor.

The name of the band that played at the dance was "Dizzy Ramblers", which was from Auburndale. Most of the students thought the band was good even though it was the first time the band had played for a high school dance, due to the fact that they had only been playing together for two months.

When the question was asked as to why students didn't attend dances, a few students said that they didn't go to dances, and one of many

remarks was that that "you can walk outside, and nine chances out of ten you'll walk right into a fight." Another reason that was given was that the students just don't know how to dance.

Aside from student turn out, another reason for the demise of dances is that the price of a band keeps going up and the price of admission is not enough to cover the cost. Usually a club has to pay \$300 to \$400 for a band, and the price of admission to school dances is only \$1.50. Therefore, the club does not break even, but actually ends up losing money. The Devil's Club lost over \$100, and last year the Future Homebreakers of America lost \$168.31. When clubs keep losing money, they are going to be afraid to sponsor dances. So if the students don't come, there is a risk that no dances whatsoever will be held at the high school due to the lack of a sponsor.

Dances provide a chance for students to get together with their friends and have an honest-to-goodness good time. Victory dances, even when we lost, seem to add to the school spirit.

Coach Jackson would like to give credit to the chaperones who did a fine job controlling the dance on October 10th. The chaperones were Mr. and Mrs. Bruce Wyse, Mr. and Mrs. Milton Howard, Mr. and Mrs. Dennis Gauthier, and Mr. and Mrs. Ronnie Jackson.

Coach Jackson thanks the people who did turn out and when asked if he would sponsor another dance, he said, "It's up to the Devil's Club, but the way the last one turned out financially, I don't know if the club would want to or not."

There will be more dances scheduled this year, so all you students who have not been going to past ones, come on out and shake a leg!

HISTORICAL SOCIETY PRESIDENT the Rev. H. D. Graetz presents two books on Florida History to the Avon Park Library with Mrs. Eugene Hise accepting the books for the library. Photo—Miller.

places he has visited along with well known places. There are 75 vignettes and photographs of people and places from the time of the historic mammoth to the modern day. The book is informative and entertaining as he describes Grant's House in Longwood that Grant didn't build.

In the second book "Rediscover Florida," Dunn states Florida has so much to offer with its historical and colorful background. That while Florida is the oldest discovered and explored area the Mayflower receive all of the publicity.

Such embellished places as Silver Springs, Cypress

Gardens, Seauquarium and others are so engaging that people overlook the old landmarks and historical sites. Dunn suggests avoiding the superhighways and taking the side roads to find the antebellum houses and other historical landmarks. Rediscover Florida only scratches the surface of what Florida is all about.

The books were presented to the library by Rev. H. D. Graetz, president, on behalf of the Historical Society and were accepted by Mrs. Eugene Hise for the library in the absence of Mrs. Carolyn Moore, librarian.

In "Florida Sketches" Hampton Dunn wrote about some of the out of the way

places he has visited along with well known places. There are 75 vignettes and photographs of people and places from the time of the historic mammoth to the modern day. The book is informative and entertaining as he describes Grant's House in Longwood that Grant didn't build.

Named To Bank Association

Mrs. Frances J. Dennis, Avon Park, assistant vice-president and assistant cashier at the Barnett Bank of Sebring, has been installed as second vice-chairman of the Central Group of the National Association of Bank Women, Inc.

Born at Foley, Fla., a whistle-stop sawmill town near Perry, Frances went to school and graduated from Belle Glade High School Almost 21

Lakeland-Plant City area. Frances has been with the Barnett Bank at Sebring for

married and living in Avon Park. There are three children in high school and two in middle school. Three boys play football and two children are in the junior band. All of the boys and their youngest daughter played little league baseball. Frances is secretary-treasurer of the Little League Baseball Association and Henry is President — Then there is Band Parents and the Parent Teachers Association meetings to attend.

Frances has been a member of the Central Group of the National Association of Bank Women, Inc. for two years. She has been elected to serve as treasurer, secretary and this year as second vice-chairman. The installation ceremony took place at a meeting of the membership at the Grenele Country Club on Lake Marion, Haines City.

seven years and her promotions and advancements have been earned the hard way without the benefit of special schools and short courses given for bank employees and officers. Frances said she was too busy to attend any of them — because she had to take time off to have their children and with two girls and five boys there was not much time for anything else after work. The Dennis children range in age from 11 to 22 years. Their oldest daughter is

THE BEAUTIFULLY ILLUSTRATED volume of "FLAGS-Through the Ages and Across the World" was presented to the Avon Park Library by George Gillette, manager of the Avon Park branch of the First Federal Savings and Loan Association of Hardee County. Mrs. Estelle Fischer accepted the book for the library. Photo — Miller.

Library Receives Volume On Flags

Beautifully illustrated and well written "FLAGS-Through the Ages and Across the World" was presented to the Avon Park Library by George Gillette, Manager of the Avon Park Branch of the First Federal Savings and Loan Association of Hardee County. The large size volume was accepted for the library by Mrs. Estelle Fischer in the absence of Mrs. Carolyn Moore, Librarian.

FLAGS stream gallantly through history — The flag always stood at the center of man's ideas, his aspirations and achievements, his aspirations and continues with the conquering Roman Legionaries, the early Christians, and their descendants the Crusaders and the great leaders.

Where do you look to define a Flag? A Standard? A banner, a gofalon, an oriflamme, a vexillum, a tugh, a Blue Peter? "FLAGS-Through the Ages and Across the World" is the first comprehensive reference book on flags.

FLAGS is the most complete source in existence for official flags, coats of arms and their symbols of the world's 183 nations, subdivisions and dependencies.

The author Dr. Whitney Smith, is executive director of the Flag Research Center in Winchester, Mass. established to meet the need for flag research on a world wide scale.

Men Die In Plane Crash Sunday

Three businessmen who had participated in a weekend conference at Avon Park died while en route to their homes in Orlando.

A light plane, piloted by Marvin Ross of Winter Park, and his two passengers, James Monroe Miller of Casselberry and James S. Kelly of Orlando, went down near Lake Hatchineha in Polk County.

The three, all active in Alcoholics Anonymous, had attended a conference at the Alcoholic Rehabilitation Center in Avon Park.

Early Monday the Center's staff had asked the Highlands County sheriff's department to make inquiries about the men who had left Avon Park about 8:30 Sunday night.

The wrecked plane and three bodies were found in a citrus grove near Haines City, the middle of Monday morning.

The Marvels of God's Creations

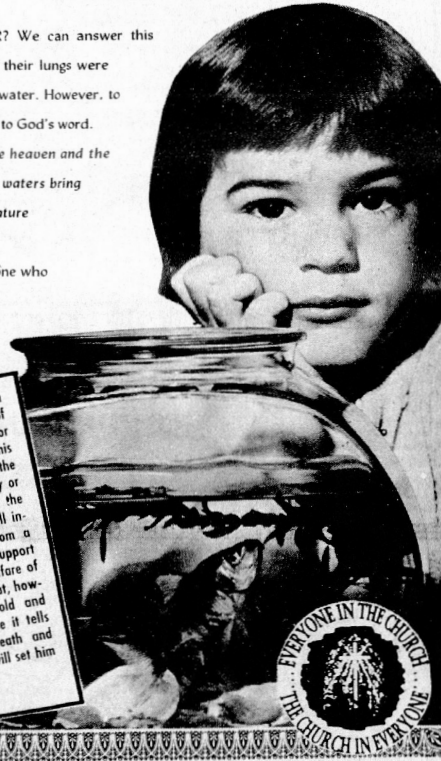

WHY DO FISH LIVE IN WATER? We can answer this question partially by saying: that their lungs were created to draw oxygen from the water. However, to know how and why, we must look to God's word.

"In the beginning God created the heaven and the earth..." "And God said, let the waters bring forth abundantly the moving creature that hath life..."

Attend Church and worship the one who created these marvels.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Mary Bell

Funeral services were held Saturday at 11 a.m. in the Stephenson-Smith Chapel with Rev. B. A. Williamson officiating for Mary Fay Reddick Bell, 70, who died Wednesday in Winter Haven Hospital. Burial followed in Bougainville Cemetery under the direction of Stephenson-Smith Funeral Home.

She was born in Randolph, Ga. had lived in Tampa for 15 years and in Winter Haven 10 years. She was a bookkeeper. She had been a member of the First Methodist Church of Tampa.

Survivors include three brothers, Devon and Fred Reddick, Avon Park, and Dr. Marvin Reddick, Lake Wales; and five sisters, Grace Weir, Coral Gables, Virginia Sementa, Winter Haven, Hilda Toward, Bradenton, Hazel Tillis, St. Petersburg, and Doris Hiller, Columbus, Ohio.

Active pallbearers were Earl Rich, George Kelsey, Parnell O'Steen, Bill Laye, Virgel Still and Jack DeLaney.

Habel Cobun

Funeral services were held Friday at 10 a.m. in the Stephenson-Smith Chapel with the Rev. B. A. Williamson officiating for Habel C. Cobun, 81, who died Tuesday in Walker Memorial Hospital.

Burial followed in Bougainville Cemetery with Stephenson-Smith Funeral Home in charge of arrangements.

Survivors include her husband, Ray Cobun, Avon Park; one grandson, Ralph Knotts, Scottsdale, Ariz.; and one great-grandchild.

Walter Steward

Funeral services were held Monday at 11 a.m. in the Stephenson-Smith Chapel for Walter Roy Steward, 90, who died Saturday in Walker Memorial Hospital. Pastor Ron B. Rodgers officiated assisted by Elden Myers.

He was a bookbinder and printer for 40 years. He had lived in Florida 20 years and was a member of the Seventh Day Adventist Church.

Survivors include a daughter, Mrs. Calvin Rodgers, Sebring, and a grandson, Pastor Ron B. Rodgers, Collegedale, Tenn.

Patrol Gives 100 Tickets

Florida Highway Patrol in Highlands County investigated seven accidents involving four injuries the week of Oct. 27-Nov. 2.

During the same week 81 speeding infractions were booked, four driving while intoxicated, 10 other traffic violations ticketed. Five of the traffic cases were against trucks.

Ridge League Against Aid To New York

At the roll call of cities by acting secretary Mayor Marshall Davis at the Ridge League of Municipalities meeting last Thursday Oct. 30, Avon Park was represented by Mayor and Mrs. Marshall Davis, Councilman and Mrs. Larry Albritton, Councilman Robert Britt, Council vice-president and Mrs. Milton Howard and City Clerk and League President and Mrs. Malcolm Crews.

Following the league dinner the business meeting was called to order by president Crews who presented a plaque of appreciation to past president Joe McD. Mitchell.

The main business of the evening was a resolution presented by Dr. Fred Fields of Sebring. The resolution stated the Ridge League was 100 percent against the giving of

Federal aid to New York City. The resolution was adopted and copies are to be sent to the proper officials in Washington. It was announced that a seminar for newly elected city officials will be held Feb. 12, 1976 with Bob Youkey and Burt Michaels as leaders.

The speaker for the evening was Judge Oliver Green — who told the group of the sad situation in Polk County where jurors have no room of their own but are moved from room to room during court sessions. Green also told the audience that he would continue to send to prison those who are found guilty of offense instead of placing them on probation. He stated that Florida needs to build more prisons for these offenders to serve their time.

Phone Calls For Fire Will Be Free In County

Beginning Dec. 1, the Florida Division of Forestry will accept fire reporting telephone calls, collect, from Highlands County residents.

The reverse-charge number to call to report a fire is (813) 763-2191.

Forestry Division Ranger Van Murphy announced the collect-call service that is being offered to county residents during Tuesday's meeting of the Board of County Commissioners.

Murphy stated that the toll-free WATS line (800-285-6566) will continue to be available for reporting fires.

However, that line is not as reliable as he would prefer, Murphy said.

The telephone company has been tabulating calls entering the Forestry Division's fire assistance dispatching office in Okeechobee and found that 85

per cent of calls placed on the toll-free WATS line are completed, Murphy said.

New switching equipment being installed by the telephone company in its Avon Park office might improve the WATS line efficiency, he reported.

Until the new equipment is installed and is operating properly, the Division of Forestry plans to accept collect fire reporting calls over regular telephone toll lines.

A DARING SAMPLE of events in the Great American Air Show premiering in Avon Park Sunday is this upside-down maneuver which places the performer in an upside-down position on top of the plane which is also down. Activities get underway at 1:30 p.m. Sunday at the Avon Park airport.

ADMIRING THE CHINA lamp she won as first prize in the Grand Opening drawing at Sue's Gift Shop is Mrs. Wynol Simpson of Avon Park. Other winners included second prize, Poppy Trail dinnerware, Mrs. Clifton B. Smith, Sebring; third prize, silver tray, Mrs. George Crawshaw, Avon Park; fourth, ice bucket, Susie Gurganus, Avon Park; and fifth, candle holder and candle, Mrs. R. Sisman. Photo—Goble.

Bike Safety Program

Norman Darling

Funeral services will be held today (Thursday) at 10:30 a.m. in the Stephenson-Smith Chapel for Norman W. Darling, 75, who died Monday at his home at 118 N. Prospect Ave. The Rev. William Ziegler will officiate. Burial will follow in Lakeview Memorial Gardens under the direction of Stephenson-Smith Funeral Home.

He was a native of Malden, Mass. He had spent the winters in Avon Park for 10 years and his summer home was in Danbury, N.H.

Survivors include his wife, Mrs. Jane C. Darling, and two nieces.

TOTALLED OUT—This 1969 Ford was a total loss after the driver, Ruben Molla Palacio, collided twice with another vehicle and a telephone pole. He was injured but not seriously. Photo—Gobble.

Charged In Failing To Stop

Ruben Molla Palacio, 26, 1119 W. Church St., Avon Park, was cited for violation of right-of-way and no drivers licence by Avon Park Police Sgt. Leroy Prevatt after he failed to stop for a stop sign at SR 64 and Hart Avenue last Wednesday and struck another vehicle twice and a telephone once.

Palacio was traveling north on South Hart Street and failed to stop when he reached the intersection of SR 64. A 1974 Lincoln driven by Richard C. Dasher, 36, of Wauchula, was traveling west on SR 64 and collided with the right side of the Ford.

Palacio lost control of the vehicle which made a complete circle striking the Dasher vehicle a second time in the right rear, bounced off and hit a telephone head on, according to the police report.

The Palacio vehicle was listed as a total loss with damages to the Dasher vehicle estimated at \$800. Michelle Dasher, 24, and Randolph

Dasher, 11 months, passengers in the Dasher auto, apparently were unhurt. A passenger in the Palacio car, Raymond

Forales, was slightly injured.

Palacio was traveling north on South Hart Street and failed to stop when he reached the intersection of SR 64. A 1974 Lincoln driven by Richard C. Dasher, 36, of Wauchula, was traveling west on SR 64 and collided with the right side of the Ford.

Palacio lost control of the vehicle which made a complete circle striking the Dasher vehicle a second time in the right rear, bounced off and hit a telephone head on, according to the police report.

Skeeters Trounce Lake Placid For Sixth Win

Four different backs scored for the Avon Park Middle School last Tuesday night a week ago as the youngest Red Devil football team racked up its sixth straight win to remain undefeated. The Avon Park team trounced Lake Placid 30-0 in a pouring rain that drenched players, coaches and a few loyal fans.

The first touchdown was quick in coming as Devil back Donald Cook took the opening Lake Placid kick-off and returned it 75 yards for six points. The tall, lanky back just outran the Dragon defenders after he broke through the main line of tacklers. After the TD Cook was called on for the two point conversion run and he took the ball in again for two more points to stun Lake Placid 6-0 with just seconds gone in the first period.

In the second quarter, seventh grade running back Gerald Jones scored from four yards out and then halfback Timmy Cribb slashed

through for the two point conversion to give Avon Park a 16-0 halftime lead.

Enoch Caldwell scampered 14 yards for another Avon Park touchdown in the third quarter to climax a drive by the Red Devil offense. This time the try for two extra points failed but Avon Park had a 22-0 advantage.

The final touchdown was scored by David Sizemore. Jeff Adams stepped in as quarterback and Sizemore switched to flanker. Adams found Sizemore in the end zone and flipped him a pass for the fourth Avon Park score. Gerald Jones ran in the two-point conversion and the Middle School Red Devils had a 30-0 victory and a perfect 6-0 record.

The Avon Park Middle School Skeeter squad finished their seven game season undefeated by taking a 30-0 win over the Wasatcha Skeeters last Tuesday night at Memorial Field. (Further details next week).

IN A CLOSE FINISH in the Rotary Invitational Cross country meet last Friday at the Avon Park High School, James Hamilton was the first

Red Devil runner to cross the finish line as he edged out Alfonso Williams who was running with an injury. Photo—Miller.

The Bartow Yellow Jackets, coached by former Avon Park junior high coach Ken Shackelford will bring a 24 record to Memorial Field tomorrow night to take on the Avon Park Red Devils who have a 2-5 record for the season. Shackelford's team has a 20-8 win over Fort Meade and a 7-6 victory over Lake Wales for its two lone wins this year. The Yellow Jackets have lost to Kathleen, Sebring, Sarasota, Tampa Bay Tech, Haines City and Lakeland High School so far this season.

Last week the Red Devils had their homecoming spirits dampened by a 28-14 defeat at the hands of the Fort Meade Miners. Avon Park jumped off to a 6-0 lead in the second period. The Devils had held off a Ft. Meade threat in the first quarter when a 28-yard field goal attempt was no good for the Miners.

Early in the second quarter, Devil defensive back Freddy

Moore intercepted a Miner pass at his own twenty-yard line and returned it to the Miner fifteen before he was brought down from behind. That was not to result in an Avon Park score however as the Miners held on four downs giving up only a five yard advance to the ten yard line.

Ft. Meade took over deep in their own territory and after advancing for one first down, a Miner back fumbled the ball and Rufus Wilson fell on it to give Avon Park another shot at scoring from the Ft. Meade 30-yard line. Fullback Timmy Massey ground out twelve yards and Freddy Moore picked up two yards to put the ball on the Miner sixteen yard line. Then Freddy Moore broke through off right tackle and scooted into the end zone standing up for the first TD of the game. Massey's try for the two-point conversion was just short of the goal line.

The Devils held on the next Miner possession but had a disastrous offensive series which lost ground from the Devil 45-yard line back to the Devil 28-yard line. Forced to punt, the Devils attempted to get one away but it was blocked and rolled into the Avon Park end zone where Miner tackle Terrence Robinson fell on it for a Ft. Meade touchdown. Then Billy Cary kicked the first of four extra points to put the Miners ahead 7-6. The Devils drove for two first downs before time ran out in the first half.

The best thing that happened to Avon Park after that was an excellent halftime show by Vic Mickunas' Marching Grenadier band including some superb fireworks. Fort Meade came back from the halftime rest to completely dominate the third quarter. Avon Park never got out of its own territory as the

Miners throttled the Devil offense. Ft. Meade scored two TD's in that period. Recovering an Avon Park fumble on the Devil eight yard line, the Miners ran it in just two plays with Greg Felson scoring four yards for the touchdown. Cary's kick for the extra point was good in spite of a five yard penalty on the conversion play.

The third Miner touchdown came late in the third period. Keith Palmer broke loose for a 31-yard scoring run to climax a 63-yard drive by Ft. Meade. Again Cary's kick was good and the Miners closed out the third quarter with a 24-6 lead.

A fumble on the following kick-off return by a Devil back gave Ft. Meade excellent field position again just before the final period began. The Miners drove the 31 yards in just six running plays with Chris Aycock going in for the score from one yard out. The Devils Cary was good and Ft. Meade

quickly had a lead of 28-6 in the opening minutes of the fourth quarter.

Avon Park's second touchdown came midway in the final period. Reggie Tolbert recovered a Miner fumble on the Ft. Meade 44-yard line. On the first play from scrimmage, Freddy Moore burst through off tackle again and raced the forty-four yards into the end zone for the TD.

Mort Jackson tossed Freddy Moore a pass for the extra points to close the score to 14-18 but that was all the Devils could get and the game ended with that score.

Statistics gave Ft. Meade and Avon Park both 10 first downs each. The Miners rushed for 242 yards while the Devils picked up only 131 yards. Ft. Meade passed 11 times, completed two and had two intercepted gaining 19 yards through the air. Avon Park threw five passes, completed one for a six yard

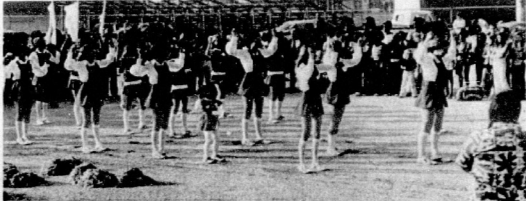

gain and had none intercepted. The Devils lost two costly fumbles and the Miners lost three. Avon Park had one punt blocked, another never gotten off because of a bad snap from center and kicked four more times for only a 23-yard average. The Miners punted twice for a 42-yard average. The Devils drew only one fifteen yard penalty while the Miners had eight penalties for a total of 70 yards.

Rufus Wilson led the Devils in tackles with 10 and three assists. Wilson also recovered one fumble and intercepted a pass for Avon Park. Melvin Collins was in on twelve tackles with credit given for seven tackles and five assists. Mike Cobb brought down six Miners runners with tackles.

Freddy Moore was the leading ground gainer for Avon Park with 69 yards in nine carries. Moore also had the 65-yard interception return and scored all 14 points for the Devils against the Miners.

DURING THE FOURTH quarter action in last week's Homecoming game with Ft. Meade, team physician Don Jones comes off the field with Perry Prescott (14) with a slight injury to his right shoulder. Other players are: Jim Stewart (71), John Mickunas (5), Eric Simpson (45), Keith Cobb (85) and Rufus Wilson (37). Photo—Miller.

AFTER THE HOMEcoming parade Friday afternoon the Junior and varsity cheerleaders combined forces to lead a pep rally in the parking lot at Memorial Field for the Homecoming game with the Ft. Meade Miners. Photo—Miller.

Jayvees Travel To Sebring-Tonight

The Red Devil junior varsity football squad will travel down to Sebring tonight (Thursday) to play a return game against the Blue Streak "B" squad, starting at 8:30 p.m. The Red Devils lost to Sebring by a score of 20-0 here at Memorial Field earlier in the season. The Devils are currently 0-5 and Sebring is undefeated. Avon Park will close out the 1975 season next Thursday here at Memorial Field against the Okeechobee junior varsity squad.

Last week against the Prosthodontic "B" team, Avon Park finally scored a touchdown. The Red Devils jumped ahead in the second quarter 6-0 before going on to lose the game by a score of 28-

6. Avon Park's lone touchdown of the season came on a 30-yard reverse run by flanker Jeff Williams early in the second quarter. The run for the extra points was stopped short.

Just before the first half ended Prosthodontic broke an 80-yard pass play to tie the game up 6-6. The Avon Park defense held the Bulldogs well until that bomb with just two and a half minutes left on the clock in the first half.

But the Prosthodontic team came back and scored three touchdowns in the second half to make it 26-6 as the game ended. The Bulldogs had defeated Avon Park 20-0 in the season opener last month in Frostproof.

In spite of the five

consecutive losses, the Avon Park "B" team has 20 boys working out this week for the Sebring game. Jamie Dennis, Ed Desario, Jones share the quarterback duties; Ralph Hart, Anthony Carter, Mike Maloy, Steve Arnold, Terry Massey, Jimmy Brown, Sylvester, Curry, Frank Brown, Craig Williams, Steve Gray and Alvin Hinson are backs; and Otis Ford, Jerry McKenzie, Jeff Droze, Tim Sheffield and Butch Helvey along with Jeff Williams play the end slots. On the line are Victor Roberts, Fred Hart, Johnny Harrison, Johnny Fortner, Keith Davis, James Wilburn, Jimmy Massey, Robert Hentnik, Ken Droze, Robby Dennis and Jim Casey.

Marrow and Hines Dominate SFJC Tennis Classic Finals

Seven matches were held last Saturday in the finals of the South Florida Junior College Tennis Classic. The matches were the culmination of four weeks of competition that brought together 91 players from throughout the AFJC district.

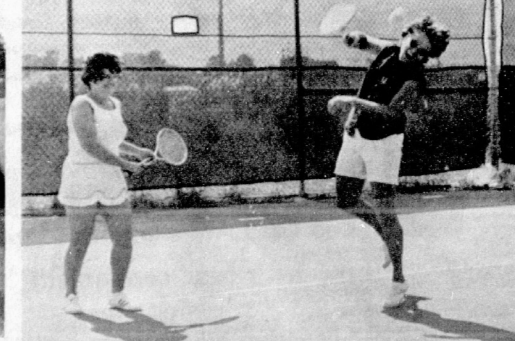

Dominating the finals were Vi Marrow and Tom Hines. Marrow played three successive matches, winning the ladies' singles division 2-4, 6-2, and 6-3 over Pam Rose; with Pam Rose over Lucy Derkman and Peggy Sizemore 6-1, 6-4; and teaming up with Ken Haysley to defeat Brad Beumel and Pam Rose in a close 7-4, 7-6 victory. Hines

played two exciting matches in which he won a decisive 6-1, 6-2 victory over Jack Hancock and then teamed up with Leon Thomas to outscore Grant Stallard and Brad Beumel 6-2, 6-2. Other matches included an exciting 6-2, 6-3 victory for Eugene Bengtson over Aubrey Whitaker of Frostproof and a three-hour marathon in which Margaret Collins of Avon Park outlasted Mary Richardson of Sebring 6-4, 4-6, and 7-4.

A large assortment of prizes were presented to the finalists following the morning's competition. All prizes for the tournament were donated to the college by various local contributors. Recognized

contributors include Smith's Men Store, Wilson's Shoes, Sebring's Italian Restaurant of Spring Lake, Wolfe's Sporting Goods, Ace Hardware, Spring Lake Racquet Club, Sun 'n Lakes Country Club, Greene's Department Store, Accent on Sports, Eaton's Department Store, Highlands County Bank of Avon Park, First Federal Savings and Loan Association of Highlands County, Weszrn Auto of Avon Park, Pizza Hut of Sebring, and Touchton's of Highlands County.

Proceeds from the tournament will be used to provide scholarships and equipment for the South Florida Junior College Tennis Team for this coming season.

Goza Builds Rig To Control Dogs During Hunting And Field Trials

Why did hunter Jim Goza, Avon Park, build what a few people referred to as an outlaw rig for the front of his 4-wheel drive Chevrolet pickup truck? Jim driving behind the wheel of his new pickup found that many times he couldn't see where his dogs were working in the brush and palmetto. But worst of all he couldn't communicate with his dogs, with only the small driver window open on the drivers side.

From a cushion seat above the engine hood Jim while driving the truck can watch the dogs working in a better and a 180 degree arc. Outside in the open, Jim found that communications with his dogs was no problem as they responded quickly to signals.

Another plus that Jim found was there were very few repairs for the underside of the pickup because from his up front high seat he saw the stumps, logs and holes he might have missed from the drivers seat in the cab.

A point that Jim stressed was an up front seat rig like this does not necessarily make a hunter an outlaw because 60 to 80 percent of the work with dogs is not to see how many birds one can kill but is time

used to point the dog. When birds are found a pistol is fired into the air and the dog training continues.

The time Jim spends training the dogs not only pays off in hunting for birds but also in the dog shows and field dog shows and field trials in which he entered his dogs. These field trials are from Punta Gorda where the Associated Field Trial Clubs of Florida have eight field trials per year in the Cecil Webb Hunt area to the national competition at the Continental Championship Field Trials at Quinlan, Ga.

At the Northeast Florida Hunt Club Field Trials at Lake City, Fla. this past weekend, Jim had a puppy place 3rd in a field of 15. In the amateur puppy class, with 20 dogs running in the amateur derby class, Jim's entry placed first. With another field trial coming up on the weekend of Nov. 15-16, Jim may have a problem in finding time to hunt birds.

From a safety standpoint along with sportsmanlike conduct Jim never shoots from the up front truck seat. If there is a rider they dismount for the shot or shots. From the ground

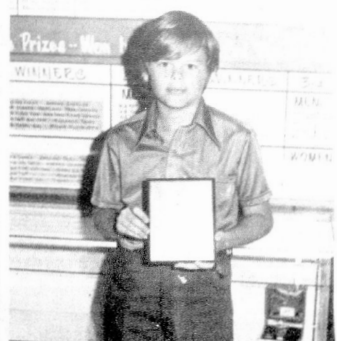

is less danger of shooting or killing a valuable hunting dog when firing at a low flying bird. Jim, a tractor and farm implement instructor at South Florida Junior College, built up front driving mechanism in 1971 and in four seasons of use has had no repair problems. The platform frame is bolted to the truck frame for removal and replacement. The power steering, power brakes and the standard gear shifting mechanisms are all connected with the truck's systems so the truck can be driven from up front or from the cab.

The weight of the platform and its equipment is about 380 pounds and meant the front springs had to be beefed up with helper springs. It takes about 20 minutes to unbolt and remove the rig. Placing it back on the pickup takes between 45 minutes to an hour to make the hookups and adjustments.

There are four other rigs like his said Jim, one that he built and one in Bradenton, one in Ocala and one at Jacksonville. Many have asked about the driving platform but when they inquire about the price of this hand made and custom built mechanism they lose interest.

First Place Honors Are Shared By Two Teams

The Men's Volleyball league has had two weeks of fine games played since its last report. There is a tie now for first place honors. The teams sharing that spot are First Baptist-Blue with a 5-1 record and the Air Force Recruiting team with an identical record. The losses by those teams were suffered when they split their matches against each other.

All games are played either at 7:30 or 8:30 p.m. at the First Baptist courts or the Recreation Center courts. There are approximately 40 men participating in league play. The public is invited to attend all matches each Tuesday and Thursday nights.

The results from the last two weeks play is as follows: Tuesday, Oct. 21 had First Baptist-Blue defeating Wells Motor Company 21-19 and 21-12. Also, that night the Air Force Recruiting trounced the Seventh Day Adventist 21-1 and 21-12.

Thursday, Oct. 23, the Air Force Recruiting again won 22-20 and 21-13 over First Baptist-Blue to hand the First Baptist squad their first loss. In the 8:30 p.m. matchup it was First Baptist-Red defeating Wells Motor Company 21-14, 19-21 and 21-14. This last week, Oct. 28, the Air Force Recruiting team slipped by Wells Motor Company 21-15 and 21-18. Thursday, Oct. 30 had First Baptist-Blue easily winning over First Baptist-Red 21-6 and 21-15.

The team members for the First Baptist-Red are: Larry Pata (captain), Ken Light, Ken Miller, Kris Delaney, Arlo Fulmer, Grant Stallard, Mike MacDonald, and Joel Deriso.

November Hunting Schedule

Florida's hunting calendar for November of the 1973-74 season as set by the Game and Fresh Water Fish Commission is as follows:

November 8 — Deer, Turkey, wild hog, quail, squirrel and snipe season opens. No open fall season on turkey in northwest Florida except in Leon and Jefferson counties. Bear hunting in Baker and Columbia counties and special designated wildlife management areas only. Wild hog hunting in specified counties and in designated wildlife management areas.

November 9 — Rail and gallinule season closes.

November 15 — Second phase dove season opens.

November 26 — Duck and coot season opens.

November 30 — Second phase dove season closes.

Shooting hours for all resident game are from one-half hour before sunrise to one-half hour after sunset. Shooting hours for migratory bird other than dove are from one-half hour before sunrise to sunset. For dove, shooting hours are from 12 noon to sunset. Sportsmen should check their summary of hunting rules and regulations for bag limits, special regulations and local exceptions.

Jayvees Place Second At Rotary Invitational

The Jayvee cross-country team placed second in a five team field in the Avon Park Rotary Invitational last Friday afternoon at A.P.H.S. Palmetto took top honors, Avon Park third, Clewiston captured fourth and Bartow ended fifth. In open competition Jay Garcia of Highlands Runners Club finished with a fine time of 16:55 for the three mile

distance and received the first place ribbon. The meet is sponsored by the Avon Park Rotary Club each year. Charles Collins, President of the Rotary Club, was present to present awards to the top teams and individuals. "We are especially happy with the fine support the Avon Park Rotary Club gives us each year," stated Chet Brojek.

THIS LOCAL BOWLING team placed in statewide bowling competition recently winning seventh place in team competition in Class F. They bowl on Saturdays at Ridge Bowling Alley. They are, left to right, Kenneth Houpe, David Houpe, Steve Traverser and Edwin "Skeeter" Cooper. Photo—Gobbie.

Church Women Plan

Christmas Bonanza

It's not too early to think about Christmas and the women of the Episcopal Church of the Redeemer has been thinking about it for several weeks and making lovely gift items in weekly workshops for their annual Christmas Bonanza Saturday, Nov. 15 from 10 a.m. to 5 p.m.

Under the direction of Mrs. Annie Touchton workshops are being held each Tuesday with many lovely handmade articles being produced for the event.

Touchton's direction but it is the first year workshops have been held at the church. Among the unique and decorative creations which will be available are pill bottle ornaments, flower pots covered with gingham and calico, pin cushions, bibs, clothes pin dolls, door stops, some with Bicentennial themes, Annie's gold madonnas, felt ornaments, candy cane advent calendars and many other varied articles.

An added line this year will be coddies of decorative plants on the patio. There will be a separate bakery in the Sunday School rooms with a large variety of delicious homemade cakes, pies, cookies, pickles, salad dressings.

The Episcopal Women will hold their regular monthly with a complete snack bar. Another feature of the Bonanza will be homemade tables and attic treasures and junk.

Trial Postponed Pending Decision

The trial of Clarence Prevatt Jr., charged with possession of marijuana, has been postponed pending a decision on his case by Florida Supreme Court.

Prevatt, son of a former Hillsborough County commissioner, was arrested at his Tampa home in March. He was the last defendant arrested in a case which saw four widely known Central Florida men

tried for possession of approximately 1,500 pounds of marijuana. In a trial held in Sebring June 23-July 3, Prevatt's co-defendants—Daryl Williams of Sebring, Sam Altman and Ward Leiner of Okechobee—were found guilty of possession of marijuana.

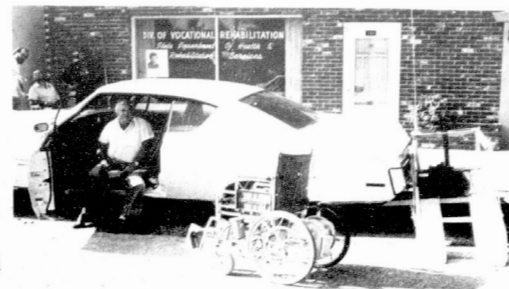

Prevatt had gone on trial with the others, protesting that his defense was incompatible with the entrapment defense being presented for the other defendants.

On July 2, Judge John H. Dewart granted a defense motion which removed Prevatt from the trial.

Since that time Prevatt's attorney, Anthony Gonzalez of Tampa, has sought to block further prosecution on the grounds that a new trial would constitute double jeopardy. Second district court of appeal refused to grant a motion in support of that contention and that ruling has been appealed to Florida Supreme Court.

Prevatt had been scheduled for trial in court here beginning Nov. 3. A spokesman for the state attorney's office in Sebring said no new trial date is projected at this time.

Williams, Altman and Leiner, who have not yet been sentenced, are free on bond.

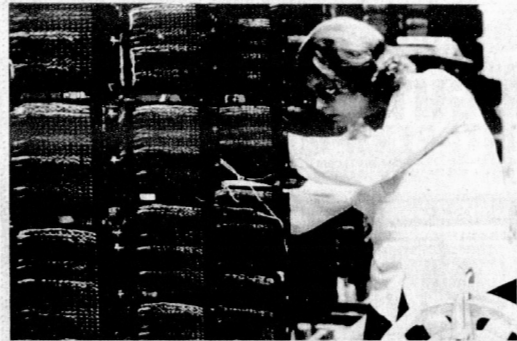

John Childerswith his remote-control unit ready too load wheelchair on platform at rear of car.

Childers Is Independent With Electric Wheelchair

The ability to get into your automobile and go to work or to the grocery store is a luxury most of us take for granted. John Childers, of Avon Park, has been confined to a wheelchair for the past three years with Muscular Dystrophy. Although physically restricted, he has not given up on life and has the same desire as each of us to carry out his daily activities independent from the help of others.

From inside the car, Childers raises the ramp electronically, closes his door, starts his engine and is on his way—all unassisted. His own ingenuity, plus help from family, friends, and the Office of Vocational Rehabilitation, have allowed him to explore new ways of improving his independence and mobility.

Childers is proud of his accomplishments, but states he is not finished as he still has some refinements to make. He is willing to demonstrate how his system works to interested individuals. For further information, write John Childers care of Office of Vocational Rehabilitation, 131 S. Commerce Ave., Sebring, 33870.

Bonnie Baucum, switchman at United Telephone's new toll center in Avon Park, makes one of several million wire connections to call-handling equipment. Now in latter stages of construction, the electronic-controlled facility is scheduled for service in 1976.

DON'T IGNORE IT

Listen to your nose

If you smell gas in your home, don't ignore it. First let your nose tell you how strong the odor is. Then, if the odor is only slight, check to make sure all your pilot lights are lit and that all stove burners are turned off. If the odor persists or becomes very strong, go directly to your neighbor's house and call your natural gas utility right away.

No matter where you are, your nose is the best detector of escaping natural gas. Make sure you listen to it.

Calvin's Column

By
CALVIN GIBBS

28 The Avon Park Sun, Avon Park, Fla., Nov. 6, 1973

Hi Friends,
November is the eleventh month of the year. November comes between autumn and winter. In the North Temperate regions during November, the trees are bare, and the dead leaves on the earth have lost the brilliant color they had in October. Soft snow seldom hides the bareness of the fields, but the grays and browns of the landscapes are sometimes relieved by delightful days of hazy sunshine.

English Lesson for the Week:
Wrong: Give it to whoever comes for it.
Right: Give it to whoever comes for it.
Explanation: "Whoever" is the subject of the verb comes; "Whoever comes for it" is the object of the preposition to. Humer of the Week: Snow seldom hides the bareness of the fields, but the grays and browns of the landscapes are sometimes relieved by delightful days of hazy sunshine.

Black History in the Making:

Carl Rowan

—First Negro to serve on the National Security Council.

—Was Deputy Assistant Secretary of State for Public Affairs (1961-63).

—Ambassador to Finland (1963-64).

—Director of the United States Information Agency (1964-65).

—Now a newspaper, radio, and television commentator.

Thought Conditioner for the Week:

This beautiful sentence describes the greatest experience that can ever happen to you. It is called spiritual experience. You get it by completely surrendering yourself to God, and experiencing His presence. Then the heavy weights of your life drop away and you are lifted to exultant levels of freedom and power.

But no one can permanently

live in such exalted emotional heights. Nevertheless the power stays with you so that you can move through life with a speed and strength you never had before. You can "run and not be weary." Then even when you get up against day by day situations that used to be difficult and monotonous, this power is so great that it keeps you going without depletion of strength. Spiritual experience begins by lifting you to new high levels after which it helps you to keep going with continuous power.

They that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk and not faint.

Isaiah 40:31

Community Concerts

Highlands Community Concert Association members will be treated to a program ranging from classics to jazz, when Ronnie Brown appears at the Sebring Middle School Auditorium on Sunday, Nov. 9 at 3 p.m.

The Ronnie Brown Trio features Brown at the piano with string bass and percussion rounding out the group.

Trained in the classics at Boston's New England Conservatory of Music, Brown has become one of the nation's favorite nightclub performers. This season marks his debut on the concert stage with three tours taking a total of 17 weeks and covering the entire United States.

The musician appeared on "The Merv Griffin Show," "The Lawrence Welk Show," NBC's "Today Show," and others.

Ronnie has arranged,

Classic Jazz With Ronnie Brown

composed, accompanied, and conducted. He calls on this strong and varied background in this programming which spans the musical world successfully offering selections by Chopin and Beethoven alongside contemporary works as "Slaughter on 10th Avenue," or "Warsaw Concerto."

A native New Englander, Ronnie was born in Rhode Island. He began his Broadway show tunes, and his own compositions.

A native New Englander, Ronnie was born in Rhode Island. He began his Broadway show tunes, and his own compositions.

The musician appeared on "The Merv Griffin Show," "The Lawrence Welk Show," NBC's "Today Show," and others.

Masters Degrees. His advanced studies include Television and Radio Production at Boston University, and Shakespeare Theatre at Harvard.

Dave Troncoso, bassist, recently joined the Ronnie Brown Trio after four years of touring, recording, and club dates with Peter Nero. Dave appeared on television on the "Tonight Show," the shows of Mike Douglas, David Frost, Dinah Shore, Art Linkletter, and Pat Boone, Peter Nero's "Evening with the Pops" performances with Arthur Fiedler, conductor, included Dave as the country's leading symphony orchestras.

Highlands Concert membership cards were mailed during the past week. New residents of Highlands County since the annual membership drive was held last March, may obtain season

memberships at the first concert on Nov. 9. For further information please telephone the 1975 membership chairman, Flori Krantz, Sebring 385-8222.

The association is offering four concerts to members this season, with Barbara Blegen pianist, appearing at the Avon Park Middle School on Thursday, Dec. 11 at 8 p.m. John Sander, well known tenor will be presented in March, and the Orpheus Trio, consisting of

flute, viola, and harp will be presented in April at the Sebring Middle School at 8 p.m. A Highlands Concert membership entitles persons to attend the three concerts given by the Lake Wales Association at the new Lake Wales high school this season. These will be given during January, March and April. They will include Bryan Minor, saxophonist, Lenus Carlson, baritone, and One Third Ninth—piano, violin and cello.

James Kiker Admitted To Hospital

October 29 was THE day for Highlands General Hospital emergency room. Five traffic accident victims, all that were seen for a whole week.

James Kiker, 61, Avon Park, was the most seriously injured. He was admitted to the hospital

but was able to return to his home Nov. 3.

Other traffic victims treated and released Oct. 29 were Billy Micco, 32, Okeechobee; Donna Smith, 15, Sebring; Charles Tonder, 33, Orlando; Richard Duncan, 34, Hialeah.

Congressmen Need Your Consent To Help You

From now on citizens who wish to get help from their Congressman are going to have to supply their representative with formal permission to try to help.

Last week Congressman for this district, L. A. "Skip" Bafalis, set about notifying his constituents that he'll need specific permission to ask questions on their behalf.

"This is a new procedure required by the Privacy Act of 1974," Bafalis said. "Unless you specifically authorize me to make an inquiry in your behalf, I cannot do so." "As the law states, these are your records and should be made available to others only upon your approval," he said. "Anything else would make a travesty of the individual's right to privacy."

Therefore, if you plan to ask for congressional assistance in dealing with a problem involving Social Security, Veterans' benefits, Medicare or any similar federal program, be sure to include in your letter specific language allowing the congressman to make the inquiry.

Bafalis emphasized, the authorization must come from the individual concerned. A wife cannot give me authorization to inquire about her husband's VA benefits, nor can a husband authorize my asking about his wife's Medicare benefits. I must have the individual's specific authorization; without without it, any inquiry will be denied."

Bafalis said this does not mean a wife cannot initiate an inquiry concerning her husband. But if she writes the letter, a specific statement of authorization from the husband must be attached, he said.

"While I realize this may present a problem for some constituents, I am hopeful the overall effect will be to insure every American's right to privacy is a little stronger," said Bafalis. "And, that is a goal worth a little inconvenience." Bafalis concluded.

Know Your Teachers:

Doris Everett

Doris is a native Floridian, was born near Estero, Florida and attended a rural one-room school with grades one through eight. She graduated from Slocumb High School.

She received a B.S. in Elem. Ed. from Florida Southern College in Lakeland, Fla.

Doris served in the U.S. Navy two years, 1944-46 in New York City and New Orleans, La.

In 1949 Doris was one of eighteen candidates chosen from the S. E. to receive a Master's Degree from a year's work in NDEA Institute in Elementary Counseling at Fla. State University in Tallahassee.

Doris likes to travel. She and her husband motored to the Arctic Circle in Alaska in 1960. They plan to spend one summer in Europe in the near future.

They live at 202 W. 1st St., Frostproof, Fla.

Citizens of the Week:

The special honor of Citizens of the Week goes to Mrs. Louise Strong and her daughter Latrelle for the superb upkeep of their beautiful new home which is located at 205 Tulane Drive and helps to make Westside Park beautiful.

Wallace Completes Tour Of Operation Deep Freeze

Chief Utilitiesman James W. Wallace, USNB, of 7 Gulfport Drive, North Kingstown, R.I., is one of the 47 United States Navy personnel who have completed a winter period of isolation at McMurdo Station, Antarctica. He has been serving with the "Winter-over" crew of the Navy's Operation DEEP FREEZE, the logistic support program for the United States' scientific research effort on the vast Antarctic continent.

While McMurdo Station he was assigned to the public works department, where he served as a public works department chief for the winter-over crew at McMurdo Station.

He is the son of Mr. and Mrs. Wayne Wallace of Youngstown, Ohio. (His wife is the former Miss Mildred E. Kerr of Avon Park.)

In October 1974, he arrived at McMurdo Station as part of the U.S. Naval Support Force,

Antarctica's Detachment ALFA, the winter crew. The men of Detachment ALFA spend from late February until early October in near complete isolation on the continent. They maintained McMurdo Station

James W. Wallace

facilities and supported several science projects which were continued during the winter months.

In early September they received their first physical contact from the outside world when a small group of men flew to the "ice" to assist with preparations at McMurdo Station for the forthcoming austral summer season. September is the earliest that the temperature reaches a point where they Navy's ski-equipped Hercules aircraft of Antarctic Development Squadron Six (VXF-6) can safely land in Antarctica.

The United States Navy has been tasked by the Department of Defense since 1955 to provide planning and logistical support for the United States Antarctic Research Program under the cognizance of the National Science Foundation, Washington, D.C. This support includes the

coordination of elements of the United States Coast Guard, United States Air Force, Ships of the Military Sealift Command and several elements of the United States Navy. It also involves managing life support systems; storage and issuance of supplies and materials; distillation of water; and the production of electric power. This allows the

scientists to devote their full attention to their research projects.

In October the winter crew departs from the Antarctic and returns to the U.S. Navy's Antarctic Staging Base at Christchurch, New Zealand where they are processed for their return to the United States for a brief vacation before being reassigned to their next duty station.

Harry Lee Mobile Park News

By Mabel Stocker
Elmore Laman and his sister Vera Fatula have returned after spending several days last week with friends in Miami.

The following have returned to their homes in the village after spending the summer in the north: Mr. and Mrs. Fred Grasper from Erayton Ontario, Mr. and Mrs. Charles Campbell from Manton

Michigan, Mr. and Mrs. Lavern Roe also from Michigan and Mrs. Lydia Glenn who spent the summer with her daughter on the farm in Iowa.

On Monday, Mr. and Mrs. Jake Mulder visited with her sister and husband, Mr. and Mrs. John Posthumus of West Palm Beach and on Saturday they visited with friends Mr. and Mrs. Earl Prough, at Lakeland.

NOTICE
Notice is hereby given that **SEALED BIDS** will be received by the Board of Trustees for South Florida Junior College at the office of the President up to 3:00 P.M., Tuesday, the 20 day of December, 1973.

AUTOMOBILE REPAIR SHOP
SOUTH FLORIDA JUNIOR COLLEGE
Plans and specifications may be examined at the office of the President at South Florida Junior College, and at the office of James A. Hein, A.L.A. Architect, 134 West Main Street, Avon Park, Florida. All work shall be done according to plans and specifications prepared by James A. Hein, A.L.A. Architect, 134 West Main Street, Avon Park, Fla.

Plans are on file and open to inspection in the office of the Architect and are also on file in the following Plan Rooms: F. W. Dodge Plan Rooms, Sarasota and Tampa, and Mutual Builders Exchange, Lakeland.

General Contractors may secure drawings and specifications from the office of the Architect, 134 West Main Street, Avon Park, Florida, upon deposit of \$25.00 per set with a limit of two (2) sets per Contractor. It is within ten (10) days of date set for opening of bids, said documents are turned to the office of the Architect, prepaid and in good condition, deposit will be refunded.

All subcontractors and suppliers may purchase a partial set of plans at \$10.00 per set for drawings and specifications for section of specifications non refundable. Checks made payable to the Architect.

Bidding Documents will be sent by Grayhound Package Express, collect, unless otherwise requested.

Each bid shall be accompanied by a certified check, cashier's check or bid bond in the amount of five (5) percent of the bid, payable to South Florida Junior College, as evidence of good faith and guaranteeing that the successful bidder will execute the contract and that he will not withdraw after the bids are opened, and furnish the Board a bond issued by a surety company licensed in Florida, for 100 per cent of the Contract Price, within ten (10) days after being awarded the contract, said bond guaranteeing the performance of said contract, the premium of said bond to be paid by the Contractor.

The Board reserves the right to reject any and all bids, and to waive any informality.

COMMUNITY DEVELOPMENT BOARD GRANT PROGRAM
NOTICE OF FINDING OF NO SIGNIFICANT EFFECT
Notice is hereby given that the City of Avon Park has prepared an environmental review report on the project hereinafter described and has determined that said project will have no significant effect on the quality of the human environment.

1. **Special Projects for the Elderly and Handicapped.**
Ramps, grip-pads and benches have been installed in the Development area to improve safety for local elderly and handicapped.
No adverse impacts are expected from a program of pedestrian ramps, guard rails and benches. Beneficial impacts to the safety and comfort of elderly residents are expected.

2. **Education Program.**
The city will implement a program of very short-term relocation in cases of substantial rehabilitation of dwelling units. Resident who are being extensively rehabilitated will benefit from this program.
No adverse impacts are expected from relocation program. Allowing a greater amount of rehabilitation to take place will have beneficial effects.

3. **Administration of Community Development Program.**
The City of Avon Park is requesting administrative funds in order to implement their Community Development Program.
The release of funds for the administration of the Community Development Program will have no effect on the environment.

4. **Rehabilitation Loan and Grant Program.**
Sector 1 (Area of the City south of U.S. No. 27A).
The City of Avon Park plans to establish a rehabilitation loan and grant program. This will provide eligible owners in the lower-income area (Sector 1) with the money needed to effect repairs. The first year goal is 15 projects having a total of \$50,000.

5. **Public Works.**
The City of Avon Park will initiate a program of street pavement and sidewalk improvements in the lower-income area (Sector 1). This program will also include work or drainage in this area. The activity will support the program of residential rehabilitation also planned under Community Development.
Additional public works to be carried out include the construction of play equipment in two neighborhood playgrounds. These will be developed in Sector 1, thus providing this area with needed recreation.

6. **Acquisition of Two Undeveloped Land Parcels.**
The City will purchase two undeveloped parcels of land in Sector 1 for use as playgrounds. These playgrounds will provide play areas for younger children in an area which has no such facilities.
The project will have no adverse effect on the environment. The proposed acquisition program will have only beneficial effects on the neighborhood environment, by increasing the comfort and safety of residents.

The environmental review record respecting said project is available at the Avon Park City Hall, between the hours of 8:00 A.M. and 5:00 P.M., where the same may be examined and copied. No further environmental review is proposed to be conducted on said project. Comments respecting the environmental impacts of the above described project may be submitted to the City of Avon Park, P.O. Box 1607, Avon Park, Florida 33823, no later than November 24, 1973.
(s) Malcolm R. Cross,
City Clerk
CITY OF AVON PARK
Oct. 30, Nov. 6, 13, 1973

With his accident case having been discussed by the Avon Park City Council, Jack Slater came forward to give his account of what happened.
Jack Slater and Jerry Fogle were riding on the rear platform of a city garbage truck, after loading garbage, as it was going on an alley off of S. Central Ave. the morning of Friday, April 18, 1973. The fall shook him up. Slater, after being driven by a new driver, hit a rough spot and the curb, bouncing several times and throwing Jack Slater away from the truck as it went around the corner. Slater landed on his hands and knees. The fall shook him up. Slater, and he reported it to department head, John Ziegler that afternoon. The following day (Saturday) he was sore all over and used heating pads and alcohol rubs to obtain relief.

Slater worked a week and a half and was feeling so miserable that trash truck

driver Henry Chandler took him home on Wednesday morning. The following day Thursday, Slater went to see Dr. B. C. Ostling, who after an examination gave him a shot and pills. He told me I probably would not be able to lift garbage cans, said Slater.
As there was no particular relief of the pain Slater went to see Dr. G. P. Carmichael a week or two later. After examining an x-ray film of the right shoulder, he told me the shoulder was jammed, said Slater, and told me to see Dr. Joon T. Kim, orthopedic specialist in Sebring.

Dr. Kim told me there was a tear in the shoulder in the vicinity of the shoulder joint, said Slater and he could operate but didn't want to, but it would take time for the tear to heal.

Slater was sent to Dr. B. C. Ostling, a neurologist surgeon in Orlando who gave Slater a shot in the arm and put the

would consent to an operation to which he, Slater, said he would if it wasn't too serious.
Jack Slater who lives at 150 E. Camphor St. with his wife, said he is a fruit picker by trade and has picked fruit for 20 years for many local citrus growers. He started working

Bush Gardens Will Feature Special Family Entertainment

The Streets of Morocco will pulsate with Latin rhythms when "Africa Goes Latino" at Bush Gardens Nov. 8 and 9. The Tampa family entertainment center will present singers, guitarists and flamenco dancers as Bush Gardens salutes Latin Americans.
The Carmen Morales Dancers of Tampa will present traditional dances including the Malagueña, a classic; the Fandango, a flamenco; the

for the City of Avon Park on the garbage pick-up truck in April 1974. He went back to picking fruit in October, 1974 but because there were so many extra fruit pickers he didn't do too well, thus he started back with the city in late February or early March 1973.

Torrero, a cape dance; and La Jota, a folk dance.
An adagio exhibition will be given by Mikki and Kenny McDowell of Tampa. The well-known Tampa Spanish Ensemble of Jose Vega is scheduled. The group includes two guitarists, a vocalist and a drummer.
A Spanish guitarist, Henry Valdez, performs in both Spanish and English, and does guitar and piano improvisations as well.

Real Estate Course To Be Offered At SFJC

Real estate sales personnel in this locality who are eligible for complete Course II: Real Estate Principles and Practices can register now for a winter term class to be held here in Sebring in January. By completing the 15-week non-credit course, licensed salespersons can fulfill a Florida Real Estate Commission educational requirement, enabling them to apply for the state broker's examination.
Application forms for Course II registration are available from the University of Florida's Division of Continuing Education, 905 Seagle Bldg., Gainesville 32608 or from the course coordinator at AC 398-392-1702.
The course is scheduled to be taught here Tuesdays, 7 to 10 p.m. at Sebring High School. Winter term registration opens November 28. Classes commence Tuesday, Jan. 8.

Four New Lawyers Take Office Oath

A new lawyer was sworn in here last week, a rare ceremony for Highlands County Courthouse. Clifton M. Kelly, chief judge for the 10th Judicial Circuit, administered the oath to David Langford.

Langford was one of four Highlands County Residents admitted to Florida Bar in late October. Steve D. Kackley and Dennis M. Cayton of Sebring, Martin John Campbell of Lake Placid were sworn in in the ceremonies held at District Court of Appeal on Oct. 23, Lakeland.

Two of the new lawyers are frequently opponents in Highlands' courtrooms. Langford, assistant state attorney, prosecutes some of the cases where Kackley, assistant public defender, serves as defense counsel.

IN THE CIRCUIT COURT TENTH JUDICIAL CIRCUIT OF FLORIDA IN AND FOR HIGHLANDS COUNTY

File No. 75-194
IN RE ESTATE OF
LEILA M. MCCONNELL

Decedent
NOTICE TO CREDITORS
To all creditors and all persons having claims or demands against said estate.

You, and each of you, are hereby notified and required to present any claims and demands which you, or either of you, may have against the estate of LEILA M. MCCONNELL, deceased, to the Judge of the said Court, Highlands County Courthouse, Highlands County, Florida, within four months from the date of the first publication of this notice.

Each claim or demand must be in writing and must state the place of residence and post-office address of the claimant and must be sworn to by the claimant, his agent, or his attorney, or it will become void according to law.

Each creditor shall deliver sufficient copies of his claim to enable the Court to mail one to each personal representative.
Dated October 31, A.D. 1975

1. Card of Thanks

I am sincerely grateful to friends and neighbors, also Sebring Mens Club and Sebring Hobby Club for their many kinds acts of sympathy during my sad bereavement. My appreciation cannot be adequately expressed. Lucyle Pawloski.

We wish to express our thanks and gratitude to our friends, neighbors, relatives, Mr. Everett Kirk III, Loyd Women Sunday School Class, and other members of the First Baptist Church for their expressions of sympathy, food and floral offerings in our bereavement. Also, Stephenson Funeral Home and the Rev. Lonnie Earnest have our deepest gratitude. The family of Mrs. A. I. Andreu.

I would like to thank all those who have remembered me with their prayers, cards, flowers and inquiries. Bill Schenck.

We extend our appreciation to the doctors, competent staff at Walker Memorial Hospital, Father Cleveland Pastor, W. O. Regulate, Elder Bennett, Elder Syde, friends and neighbors for their prayers and spiritual support. The family of Thomas William Barnino.

TO: ALL MEMBERS

October 30, 1975

There was a mix-up in an ad appearing in the October 30th edition of the Sebring News - the special edition "Your Home in the Highlands"

This was simply a case of the wrong list being used. Instead of our entire membership list, only the licensed contractor members who could participate in the NOW program was printed. The contractor building homes would be the one who would be supplying the 10 year warranty for his houses.

This omission is regretted for we do value the membership of our sub-contractors. We have been better acquainted with many since they joined our Association and feel that our relationship is proving to be of mutual benefit.

Again expressing our regrets for this omission, we are

Respectfully,

Marvin Wood

Pantry Pride

DISCOUNT FOODS

Thank you
for shopping your
Basic Bargain Store!

Pantry Pride Produce Named "Finest in Area"

There's nothing more beautiful than counters heaped high with the bounty of America—fruits and vegetables from every corner of the land.

Most shoppers know that Pantry Pride is best when it comes to produce. But did you know that even outside produce experts agree?

For example, in a recent issue of *Food Trade News*, an executive of a competing store wrote, "Pantry Pride handles the finest quality line of fruits and vegetables.

How did we get famous for fruits and vegetables? By being more persnickety. Growers know that we inspect every shipment and send back anything that isn't first rate. So they only ship us their best.

When you shop at Pantry Pride you can buy most fruits and vegetables both loose (so you can pick and choose exactly what you want) or cleanly prepackaged for your convenience.

Remember we're not just your supermarket. We're your friend.
