Fish Fry Before Home Game With Wauchula

A fish fry supper will precede the Avon Park vs Wauchula football game here at Memorial Field tomorrow night as the Red Devils come home for a five-game home stand after posting a 1-2 record on the road in the opening three games of the 1975 season.

The fish fry is sponsored by the Avon Park Boosters Club and will start at 5:30 and close at 7:30 p.m. at the concession stand at the football field. Everyone is urged to come out before the big game and boost the boosters with the purchase of a \$2.00 adult plate or a \$1.00 child's plate. Tickets may be purchased in advance at Delaney's Hardware, Beane's Sports Center or Touchdown Drug Store.

After a week off both Avon Park and Hardee High of Wauchula are expected to be in top shape for a Heartland Conference meeting between the two arch rival football teams. Hardee will come to Memorial Field sporting a 2-1 record with a 27-23 win over Okeechobee, a 19-0 victory over Fort Meade and a 12-6 loss to Sebring. Sebring reports on the Wildcats show that they are big and use a hard-running attack on offense.

The Red Devils have been working on several new wrinkles for the offense. Timmy Massey is expected to go full time at the fullback slot with Freddy Moore moving back to a halfback position. Anthony Gaines will move to flankerback and James Ross will stay at the other halfback position. Adding depth to the backfield will be Gerald Barfield who has just recovered from a broken leg. Other newcomers to the Devil varsity are Bill Tharp, John Dufriest and Victor Prescott. The only injury at the first of this week was Charles Anderson who is slowed considerably with a bad ankle.

The starting Devil offense will probably have Harry Stukes at end, Jim Stewart and Dennis Kelly at tackles, Mike Cobb and Mike Swindall at guards and Joe Gallimore at center with Mort Jackson at quarterback, Timmy Massey at fullback, James Ross at halfback and Anthony Gaines at flanker.

Halloween

Parade Set For October 25

A great Halloween Parade and Carnival sponsored by the Avon Park Elementary School Parent Teachers Organization (PTO) is slated for Saturday, Oct. 25 at 4 p.m.

There will be prizes for costumes and floats. To be eligible for competition in the costume contest, the child's costume must be homemade except for the mask.

Three ribbons will be awarded with the blue ribbon going to the child with the most Halloween oriented costume, the red ribbon to the most original costume and the white ribbon to the most beautiful costume.

The children will line up and march in the parade in the following order: pre-school, kindergarten, first, second, third, fourth, fifth and sixth grades and the novelty. An example of the novelty would be three children dressed as the three bears. Only one ribbon would be awarded to the group of bears.

Parents are invited to "dress up" and march with their children.

The parade chairman, Janet Willis, asked that anyone wishing to enter the parade contact her at 453-6752 after 5 p.m. Deadline for entry in the parade is Oct. 23.

Entries will be judged in the following categories: Best Club float, best business float, best decorated club car and best decorated business car. In order to be judged, participants must be in line by 3:30 p.m. with plaques being awarded at 3:45 p.m. The parade will begin at 4 p.m.

Following the parade the Halloween Carnival will be held in Donaldson Park from 5 to 7 p.m.

Milton Howard

City Is In Good

Financial Condition

Milton Howard will seek reelection to the Avon Park City Council in the city election on Tuesday, Dec. 2, 1975.

Howard states that since he became a councilman Avon Park has moved rapidly forward, having a full force police and fire department with new equipment. It has a good street and sanitation department with good equipment. The water department has installed new water lines, has a new well and also has new equipment.

A sewer improvement program is now in progress that will take in 95 percent of the city. Upon completion of this sewer program new street paving and sidewalk construction will follow. Avon Park has cheaper garbage and sewer costs than other cities.

Avon Park is in the best financial condition it has ever been in and Howard gives credit for this condition to the present city officials and to three former council members, Clarence King, Durrah Martin and Bob Woodruff.

If the people of Avon Park will reelect me, stated Milton Howard, I will continue to do good work for Avon Park and all of the people in the city.

I have been a resident of Avon Park for 25 years, stated Milton, and am married to Jessie Jewel Campbell. We have seven children and all have graduated from Avon Park High School.

Howard has been employed

by the Seaboard Coastline Railroad for 33 years. He is a Mayor Marshall Davis in running for reelection did not release a statement because of attending a meeting in Jacksonville and is expected to give a statement for next week's issue of the Sun.

member of the Florida Avenue Baptist Church, a Mason, belongs to the Odd Fellows Lodge and is a member of the Avon Park High School Athletic Boosters Association.

Suit Filed To Regain \$50,000

In a civil suit filed at Ocala this week, Irene Macey O'Mara says she attempted to buy her way out of prison.

The suit names as defendant Mrs. O'Mara's former attorney, Frank Hagano. Mrs. O'Mara is, via the civil procedure, seeking to regain \$50,000 she claims to have paid Hagano and asking the court to assess at least \$1 million punitive damages.

Robert Britt

Improved Race

Relations In City

Robert L. Britt, incumbent seeks a second term on the Avon Park City Council.

Britt is a native of Avon Park and is married to the former Helen Baker of Fernandina Beach, Florida. Robert and Helen are members of St. Mark Missionary Baptist Church. They have two sons, Bobby is enrolled at the Avon Park Middle School and Kerry at the Avon Elementary School.

Robert is ordained deacon at St. Mark; also the chairman of the finance committee and purchasing agent for the church.

Britt was educated in Highlands County School graduating from E. O. Douglas High School. He continued his education at Bethune Cookman College for three years, in Daytona Beach, Fla.

While attending college, he sang bass with the renowned Bethune Cookman Concert Choir. He also served as vice-president of the Student Government Association. His major studies were in mathematics and science.

Upon leaving college, Britt returned to Avon Park and assumed a position with the Federal Government Scurrow Eradication Program at Sebring. Presently he is employed as building and property engineer at the First Baptist Church on Lake Ave.

Britt served on the Avon Park Police Department for four years. He is a member of the local Elks, where he serves

as Exalted Ruler, member of the Knights of Pythias and a member of the Gulf Ridge Council of the Elks I.B.P.O.E. of No. 10.

"Being the first black on the council created problems for me," stated Britt. "The public had it's eye on me to see if I would stumble or make mistakes. I have been told that race relations have improved; due to the fact that a black is on the council. It's to the advantage of the city always to have a black on the council. We can provide input that no other could because we know black attitudes."

"I believe the local government has a responsibility to all of its people. I believe in maintaining a strong police and fire departments."

"Two years ago I stated the following beliefs and today I maintain the same: I believe in fairness, justice for all, progress and honesty in government. I believe that the taxpayers should know how their money is being spent."

"I am appreciative of the advice of all who ask me to seek re-election. If I am elected again, I will be a councilman for all the people of Avon Park as I have been in the past."

TIMBER STOLEN
Robert Crews has reported theft of bridge timbers from his property on Slaughter House Road. The larceny was reported Oct. 1. Value of the stolen timber is set at \$40.

Registration For City Election Deadline

With the many new residents in the area — Highlands County Supervisor of Election Jimmy Whitehouse urged them to register for the coming city election in Avon Park.

The city election in Avon Park will be on Tuesday, Dec. 2 to fill two city council seats and the office of mayor.

City residents may register to vote in the election at the Avon Park City Hall on East Main St. or go to the Supervisor of Election Office in Sebring. The deadline for voters registering at the city hall is 5 p.m. Friday, Oct. 17 and the voter registration books close at the supervisors office in Sebring at 5 p.m. Saturday, Oct. 18, 1975.

No one can register to vote in the city election after the books close on Oct. 18 even if they are otherwise qualified, stated Whitehouse.

Next year, added Whitehouse, there will be two primary elections and a presidential primary on Mar. 9, 1976 with the registrations books closing on Jan. 24, 1976.

Construction Begins

On \$500,000 Work Center

United Telephone broke ground Tuesday for construction of a new \$500,000 work center on a five-acre site on State Route 17 south of Avon Park.

Jack Booher, vice-president, operations, said at the ceremony that the new center will replace the company's

present U.S. 27 location which was recently sold to the City of Avon Park for a sewer facility expansion program.

Booher said the project is part of United's \$41 million construction program for 1975 which also includes a new \$3 million electronic tool center now nearing completion at Avon Park.

A 14,000 square foot one-story building at the State Route 17 location will have pre-cast concrete walls, according to Charles Bryan, district commercial manager. He said the entire site will be fenced in to provide a vehicle parking and equipment storage area. Bryan said when the facility is completed next spring, it will

accommodate all company operations now at the U.S. 27 complex as well as other engineering and plant personnel to be moved from downtown Avon Park.

Architect for the project is William R. Frizzell, Inc. of Fort Myers. General contractor is Don Leach, Inc. of Englewood.

Sentencing Judge Feels

Irene Bearing Unfair Share Of Punishment For Husband's Slaying

The judge who sentenced Irene Macey O'Mara to life in prison seen her as a woman "taken advantage of" and bearing an unfair share of punishment for the slaying of Charles W. Macey.

Alfonso Sepe, Miami attorney who was the presiding and sentencing judge in the perjury trial of the former Sebring woman, says he has written a letter which states he would "not be opposed" to Mrs. O'Mara receiving a parole.

Mrs. O'Mara was the key prosecution witness in two trials of John Sweet, charged with first degree murder in the slaying of Macey. Sweet's first trial ended with the jury unable to agree on a verdict, the second in a conviction but on appeal a new trial was ordered and never held.

Four perjury charges were leveled against Mrs. O'Mara in connection with testimony given at the second Sweet trial.

Judge Sepe, who pronounced sentence July 6, 1973, told The Sun this week that law, as it was in 1973,

Irene Macey O'Mara Taken Advantage Of

"required me to sentence her to life in prison." He pointed out that Sweet, who according to Mrs. O'Mara shared with her in planning the death of Macey (her third husband), has escaped any penalty.

A letter Sepe wrote says, "The Parole Commission may wish to correct this inequity."

Sepe, who resigned from the 11th circuit bench in June 30, said he received a request for a letter on behalf of Mrs. O'Mara. The request came "early in August" from Frank Hagano, who was chief defense counsel at the perjury trial.

Sepe sent the letter to Hagano in August, and in turn the letter went to Mrs. O'Mara's present attorney, Richard Langley of Clermont.

Langley has said he will file the former judge's letter along with his request for Florida Parole and Probation Commission to consider early parole for Mrs. O'Mara.

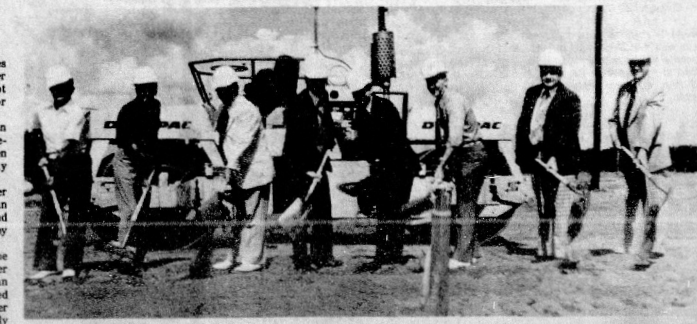

Sepe told The Sun he does not consider his letter as either "recommending" or "not recommending" parole for Mrs. O'Mara.

He said he had been informed that the once controversial woman has been a "model prisoner, totally rehabilitated."

Sepe added that the former Mrs. Macey is "from an illiterate background . . . and was taken advantage of by people around her."

Often in the news after the Oct. 3, 1964 death of her wealthy agribusinessman husband, Mrs. O'Mara dropped out of the limelight after her prison sentence began in July 1973.

She bounded back into headlines late in September when she was brought from the women's prison at Lowell to testify for a state grand jury sitting at Orlando. Announcement of the parole bid was made a few days later.

WITH A BACKGROUND of colorful fabrics, Edna Farmer, (left) manager and Martha King, assistant manager, paused for a brief moment during a busy day following the opening of Fabric King at the Avon Shopping Center.

Fabric King Opens At Shopping Center

Fabric King described by some as the fastest growing chain of textile outlets in Florida, opened its doors to the public at the Avon Shopping Center last Friday. Handling about 125 different types of materials from cotton and wool, to quiana, jersey, ultrasuede, the store at times last Friday had to lock its doors to allow customers room to shop. Besides the yards and yards of pre-cut, measured, tagged and priced materials the store also carries bolts of cloth which comes to the Avon Park store from the Tampa store and warehouse. There is a variety of cloth in colors and patterns. Synthetic fur often called fake fur can be used for a wide variety of decorative ideas and the store also carries materials for arts and crafts.

Their stock includes socks and hosiery, pillows, and sheets along with trim materials and wedding ornaments. There is a wide selection of buttons for almost any outfit and the sewing machine can be serviced with many of the items on display. Manager of the Avon Park Fabric King, Edna Farmer, has lived with her family on Lake Denton since January 1975, when her husband, Jerry, was promoted to Staff Manager and transferred to Avon Park from Harrison, Tenn. by Life of Harrison Insurance Company. Born in Harrison, Tenn., Edna Martin graduated from South Harrison High School. She is married to Jerry Farmer. Their two sons, Keith is 12 years old and is in the seventh grade, while Dwayne is 10 and in the sixth grade. The family attends the First Baptist Church.

For Martha it was also helping stock the new store on Friday and Saturday before the Friday opening day and spending two days of training at the Bartow Fabric King Stores.

Weekend Boat Races On Lake Tulane

The big race of the Eighth Annual Firemen's Regatta will be the racing duel between Hoz Compton of Lake Placid and a driver from Hope Mills, N.C. as they speed for national championship points in the A Outboard Hydro Classes in the Saturday and Sunday, Oct. 11 and 12 races on Lake Tulane, Avon Park.

Sponsored by the Avon Park Volunteer Firemen's Association, the races are under the jurisdiction of the Peace River Outboard Association and sanctioned by the American Power Boat Association. Race time Saturday is 12 noon and about 12:30 p.m. Sunday.

Race chairman is Norman Langston of Avon Park while Frank Hendry of Frostproof will serve as race referee and will not be racing in the regatta.

There are 12 races scheduled for each day with two or more heats for each class. Approximately 100 entries are expected to run. Trophies will be given at the end of each day's racing.

Florida drivers, besides Compton racing for high point championships are Freddie Townsend and Jeff Hutchins both of Miami, running in the A and B Stock Hydro and 2SSS hydro classes.

Paul Merrill of Sebring who had expected to run in the 2SSS hydro classes has been having difficulty in finding parts for his engine and may not be able to run. Tommy Wooten of Wanchula is again expected to run in all the sky classes with his outboard hydro.

According to race chairman Langston there will be additional parking area for interested spectators. The Firemen's Auxiliary will have a lunch tent for the benefit of both spectators and racers. A hot fry supper will be served at the race site on Lake Tulane Saturday after the close of the day's races with tickets for the fish fry being available at the races.

Keyettes Give Time For Service

Another school year opens, the Avon Park Keyettes start off another active year. The Keyettes is a club comprised of girls dedicated to the giving of their time and services to their school and community in which they live.

Already this year, several Keyettes have donated their services. Over the summer many of the girls served as hostesses at the Bicentennial Exposition, which was located in the Nease's parking lot. In September the club collected money for the Cystic Fibrosis fund, which helps with the treatment of a lung disease occurring in children.

The Keyettes have planned many activities for the year. Such as, having a game booth for the annual Halloween celebration held in October and the building of a float for the Homecoming parade. Another activity which had been planned is to read chapters from textbooks into tape-recorders at the newly developed curriculum lab at APHS, which is a program designed to help those students who have trouble reading and understanding their studies. There are also many more projects being planned for the year.

Each girl in Keyettes takes an active part in the club, either by serving the role of officer, serving on a special committee, or by performing a special duty within the club. There are a total of 26 girls this year. Under the advisory of Mrs. Betty Burch.

The following girls are members of the club: Linda Klein, president; Mary Wright, vice president; Sue Nunnelee, treasurer; and Brenda Cooper, secretary. The remainder of the members are: Mary Linda Derkman, Pam Wooten, Lisa Clifford, Mary Oliveri, Margaret Miracle, Susan Crow, Cindy Woodward, Angela Rushing, Tina Johnson, Janice Murphy, Kim Kempton, Kathy McKeon, Shelley Goulette, Sherri Collier, Phyllis Johnson, Donna Langston, Vicki DeWitt, Jane Upinsky, Celestine Nance, Pam Griffin, Tami Cason, Donna Crews, Pam Williams, and Cindy Bass.

Carol Boley Strives To Preserve County Water

So many times you hear "What can one person do?" in reaction to problems which develop in this country. A countywide organizational meeting for the protection of lakes and waterways in the Highlands County set for Monday at 7:30 p.m. in the Barnett Bahk board conference room in Sebring is an example of what one person can do when sufficiently motivated.

Carol Boley is a busy doctor's wife and the mother of young children, yet her concern for conservation of the lakes and waterways of the county has spurred her to action which is resulting in a countywide program of education which will be of great benefit in preserving this vital natural resource.

Mrs. Boley is co-chairman of the Dinner Lake Protection Association but she is undertaking this venture on an individual basis. "My interest in the lakes and waterways was awakened when I lived on Lake Istogoga 11 years ago," she said.

Mrs. Boley has attended several meetings and presentations gathering necessary information with an eye to the countywide organization of the many different local groups interested in preservation and restoration of one of the county's most valuable natural assets.

In August, Mrs. Boley traveled to Tavares to attend a presentation of the Lake Improvement Association of Lake County which is based in Leesburg. She said the presentation was a fantastic education developed 10 years ago.

C. E. Heppberger, president of the Lake County group, will be present at Monday's meeting and will assist Mrs. Boley in introducing the proposed educational program to Highlands County residents.

"With the several organizations concerned with lake improvement working together in a countywide association to give an educational program to the people, great progress can be made," Mrs. Boley said. She pointed out that if boaters and fishermen would just take a few minutes to clean spigets of water plants from their boats it could prevent the spread of undesirable water growth to other lakes. "Small

things that mean so much," she emphasized.

Mrs. Boley visualizes a non-profit Florida corporation of citizens united on a county wide basis in the interest of residents and visitors, with a goal of encouraging proper conservation, reclamation and restoration of the county's waters.

The organization would cooperate with municipal, county, state and federal agencies in protection of the county's lakes and waterways. Mrs. Boley has been in contact with various county officials who have given verbal support of her plan and she presented the plans to the Highlands County Board of Commissioners Tuesday.

Mrs. Boley's aim is to inform the people so that crisis situations don't have to happen.

While the white amur, or grass carp, has been highly touted to control undesirable

weed growth, a three-year study recently completed in Central Florida lakes indicates severe reduction of native gamefish populations in the lakes studied by the Department of Natural Resources, the Game and Fresh Water Fish Commission and the University of Florida.

While hydrilla, the main target of the white amur, water hyacinth, Eurasian watermilfoil, bladderwort, alligatorweed, cabomba or fanwort and filamentous algae are "bad guys" for waterways, chara, slender spikebush, and cattail absorb nutrients and pondweed, naiad, bulrush, coontail, widegrass and wild celery or tapegrass provides feed or habitat for fish and fowl.

Everyone in Highlands County is interested in preserving and improving the county's lakes and waterways is urged to attend Monday night's meeting.

CONCERNED WITH LAKE and waterway preservation and conservation in Highlands County, Carol Boley, busy wife and mother, has set out to organize groups and individuals with similar concerns on a countywide basis to educate the people on methods to save that precious resource. Photo—Gobbie.

Citrus Water Relations Course

Friday, Oct. 10 is the deadline for registration for the International Citrus Short course on "Water Relations" at the University of Florida, Gainesville, stated Tim Hurner acting Extension Director of Highlands County.

This second International Citrus Short Course will feature a detailed study of water relations in citrus and

will be held on the University of Florida campus. Three days of lectures and discussion led by world renowned scientists, will be followed by a two day tour of research plots and commercial plantings in central Florida.

The registration fee is \$50 plus \$60 if one wants to take the tour of Central Florida citrus plantings.

Toastmasters To Work On Charter Applications

The Charles S. Swan Memorial Toastmasters Club expects to work out details of their charter application to Toastmasters International at their meeting today (Thursday) at 6:30 p.m. at the Steak Out Restaurant on U.S. Highway 27 in Avon Park.

Everyone interested in the program or in learning more about the Toastmasters program is urged to attend. There is still time to become a charter member for those who indicate their intentions of joining the group at that time, Jim Prevatt, chairman of the steering committee, said.

Prevatt stressed there is no obligation and all visitors are welcome.

Area 13 Governor Lou Funk expects to present the charter application for the new club to District 47 Governor Shirley Dunn at the District 47 Toastmasters convention in Hollywood this weekend, which marks Toastmasters Founders

Month. Avon Park Mayor Marshall Davis has declared October Toastmasters International Month in Avon Park in observation of the educational organization's 51st anniversary.

Funk is a member of the new club, Norma Gobbie, secretary-treasurer, plans to attend the two-day convention Saturday and Sunday.

Tonight's program will include Lynn Ingraham as Toastmaster of the evening, Capt. Craig Aldridge will be Table Topics Master and Ralph Walden will be general evaluator.

Speakers for the evening will include County Judge Mark Richardson Jr., J. T. Gibbs, and Mrs. Natalie Patton. Individual evaluators will be James Richo, Larry Saucier and a guest from State Farm Toastmasters or Park Imperial Toastmasters.

Dr. Mohamed Ismail, chairman of the District 47 Extension committee, and Funk are expected to be present for the meeting as well as several new members and prospective members.

Setting The Record Straight

A few weeks ago, we published an article about an experience with a local general repair garage. In the article, it was stated that the garage owner charged \$236 for parts although he didn't have that much money in the cash drawer. We meant was the cost to him was much less.

It was also stated in the article that the local police have received complaints against him about taking things from cars. The police have not received formal complaints. The complaints were by telephone and that is what is referred to in the article.

The article stated the garage owner did not keep his word when he agreed to accept \$100 at the time the car repair was completed the next day and the balance later but when the repair was completed he wouldn't release it until the parts portion of \$236 was paid. Instead of getting the car back in one day, the reporter was without the car for another three days while raising the funds to pay the entire \$236, the total amount charged. The estimated was for an amount over \$200.

The SUN regrets any implication other than this.

Remove The Auto From The Victim

THE WORLD'S CHAMPION Citrus Budder, Lillian Nicholas, left and Arrether Byrd, bud wrapper, have recently returned to Avon Park from Belle Chasse, La. where they budded orange trees for Mr. and Mrs. C. J. Benzel and Hewitt Vecnel.

"Auto extrication," stated Elmo Cox of the Florida State Fire College, Ocala, "places the emphasis on the removal of the automobile from the victim, allowing the use of backboard and splints, without the unnecessary movement of the victim especially if there is a broken back, neck, pelvis or legs, where unnecessary movement may change a traffic accident victim into a fatality."

Cox, a Jacksonville fireman for 24 years and a Fire College instructor for 18 years pointed out ways that the wrecked automobile could be removed from around the victim, such as: popping the windshield out intact, in about a minute, avoids the danger of broken glass to both the victim and the rescuer. The steering column, when jammed against the victim can be pulled forward with a come-along and at the same time cutting the steering wheel, thereby releasing the victim.

Shearing of the seat by pulling it backwards with the come-along allows room for the use of a backboard or splints. When an auto has rolled over on its side the roof can be opened with an air chisel thus allowing room to care for the victim in place of pulling the victim out of the car.

To gain access to the victim, porta-power spreaders are used to force doors open, as all late model cars have locking pins to prevent the doors opening when the automobile rolls over. This locking pin prevents the victim from being thrown out of the auto and being crushed by the rolling car.

Instructor Cox stressed that rescuers are practically helpless without power tools. Crowbars in most cases are too long. A set of power tools costs about \$600. But they are a relatively minor cost when compared with the life of an individual.

On Jan. 1, 1975 a Florida law required all ambulance attendants to have Emergency Medical Technician (EMT) training while one person must hold a valid emergency operators license.

Part of the training includes nine hours of auto extrication which combines the specialist methods of extrication plus the fireman's knowledge. The need for the rescue and extrication course was pointed out by Dr. Nagel of Miami when he was at Miami Hospital, who stated that many times the victim suffered

additional injuries when removed from a wrecked auto. Someone was needed to keep the flicker of life going until the victim reached the hospital where the physician's expertise and hospital equipment could be used. This called for the teamwork of specialists with emphasis on careful driving to the hospital.

Dr. Nagel stressed that 95 per cent of the accident cases are not hurry cases, but the first few minutes are the most important in that the rescuer must stabilize the victim by checking breathing, heart action for cardiac arrest, stoppage of bleeding and the treatment for shock, which may start immediately.

The 40 hour Rescue and Extrication course was sponsored by South Florida Junior College and was attended by personnel from the Avon Park, Sebring and Wausatchia fire departments. Attending from Avon Park were fulltime firemen, Larry Butler, Jerry Snell, Terry Feickert and Jimmy Loughan.

REMOVE THE AUTO from around the victim is the emphasis of the rescue and extrication classes held at the State Firemen's Association headquarters last week. The firemen students popped the windshield out intact and cut out the metal roof with an air chisel. Holding the victim's head is Eddie DeLoach, playing the role of victim. Women Citrus Budders Return From Louisiana

Lillian Nicholas and Arrether Byrd, both of Avon Park, recently returned from Belle Chasse, La. where they budded orange trees for Mr. and Mrs. C. J. Benzel and Hewitt Vecnel.

Lillian is the world champion citrus budder holding a record of budding, 5,026 citrus trees in an eight-hour day. Although she has called for challengers to attempt breaking that record, no one has taken the challenge to date.

She said she only managed 3,891 in eight hours in Louisiana but they were set 12 inches apart and in this area they are only six inches apart. Arrether wraps buds. Lillian has been engaged in budding citrus 19 years and works on contract. She will begin a contract with Wards Nursery in about three weeks. It was at Wards nursery that she set her unchallenged record.

Her tremendous success in the field has been the subjects of articles in three citrus trade magazines and she was cover girl for Citrus Industry.

It was through trade magazine articles that the Benzels heard of her and subsequently awarded her a contract in Louisiana.

Lillian said she was not previously aware that citrus was grown in Louisiana. Upon arrival there, she was surprised to find a citrus belt almost as extensive as the one in Florida.

Most Louisiana citrus is confined to the south half of the state which has a climate and median temperature very much like Florida.

While in Louisiana, the Benzels took the two Floridians on a tour of Belle Chasse and to Fort Jackson on the Mississippi River. "It was a very enjoyable trip," Lillian said.

In Library

Mrs. Robert E. Rulison of Avon Park has placed a copy of her book *Nature Diary Through The Year at the City Library*. Mrs. Rulison was born in Rahway, New Jersey, received a degree at Newark State College and did graduate work at Columbia University. She is a free-lance naturalist and had served as director of the Trillium Museum in New Jersey. She has been a consultant to public and private schools in her career and has taught and lectured in New York, New Jersey, Indiana, and Illinois.

Mrs. Rulison's book is one to whet your interest in occurrences in plant and animal life that are to be found in your own back yard. She includes how-to-do chapters such as how to make a terrarium, how to put together a winter bouquet and how to prepare a Christmas tree for the birds.

Lee-Dick Exchange Vows In Evening Ceremonies

Miss Susan Faye Lee, daughter of Mr. and Mrs. Robert E. Lee and Rickey G. Dick, son of Mr. and Mrs. Robert G. Dick, all of Avon Park, were united in holy matrimony Saturday, September 20th, at 6 p.m. at the First Methodist Church in Avon Park.

The Rev. Bentley A. Williamson officiated at the double ring ceremony. A lighted cross formed the background for the arrangements of palms, palm balls, twin cathedral candelabra holding white tapers, above twin sets of golden branch candelabra filled with blue, white and pink floral arrangements. The altar held two single white tapered and the church cross flanked by two large baskets of white chrysanthemums. Candles and greenery decorated each of the stainer - glass windows in the church. The entrance planter was filled with greenery and white daisy flowers ending in a bouquet of multicolored roses.

Robert Wedig, organist, and soloist, Mrs. Susan Wedig, presented a program of musical music from Grieg and Bach with Malotte's Lord's Prayer sung during the ceremony.

The bride, given in marriage by her father, chose a formal length gown of white tulle silk organza. The bodice was overlaid with sculptured embroidered lace. The modified sweetheart neckline matched the lace cuffs on the full long sleeves and the hemline was trimmed with lace. The long flared train hung from the back of the bodice. The bride's multi-tiered finger tip silk illusion veil was held in place from the lace covered pipe cap. The lower veil was trimmed with matching lace.

The bride carried a traditional bouquet of large white rose buds, baby breath, white orchids and a white which was lifted for her going away corsage.

The bride chose her only sister, Mrs. Danny Timbrell of Avon Park, as her matron-of-honor. Mrs. Gary Nicholas of LaBelle and Miss Evelyn DeVane of Sebring were bridesmaids. The attendants wore identical gowns of cotton blue double-knit fashioned with V-neck and short flared sleeves partially covered by a soft cape collar.

The shirred high waist garters in front were graced by a matching blue fabric rose. The full skirt fell to the floor in graceful folds. In each attendant's hair was a floral band of star-bird chrysanthemums and stephanotis.

The matron-of-honor carried a nosegay of pink miniature carnations, white rose buds, baby breath, a touch of blue and white satin streamers. The bridesmaids nosegay was of opposite colors. A silver cross necklace, gift of the bride, accented each ensemble.

Karon Timlake, the flower girl, niece of the bride, wore a long full dress of white eyelid over blue tulle, with ruffled neck, short puffed sleeves with a band of white lace and blue rose buds around the fitted waist and around the top of the ruffle on the skirt. She wore a blue ribbon mingled with a star-bird chrysanthemum in her hair and carried a silver basket with rose petals.

The ring bearer, Ronnie Mosley, in a blue tuxedo carried the rings attached to a white satin miniature pillow made for the bride by her aunt, Julian Kendrick, formerly of Avon Park, served the groom as best man. Groomsman were Freddie Jahn and Joe Franz. Ushers were Danny Albritton and Steve Hart, all of Avon Park.

Mrs. Lee, mother of the bride wore a floor length pale peach double knit dress. The groom held a tailored bodice, long sleeves and gathered at the waist and a belt attached to the waistband softly tied in front. Her corsage was of salmon colored roses.

Mrs. Dick, mother of the groom, wore a floor length gown in an eggshell white shade. Her dress with matching jacket was accented with a lovely brown necklace. A corsage of American Beauty roses complimented her dress. For her wedding trip the bride wore a pink-lace tailored polyester gathered finished pant suit with matching floral blouse with beige accessories.

After a week's honeymoon near Gatlinburg, Tenn., the couple will live in Avon Park. Mrs. Allen Kindal presented guests to the receiving line in the social hall of the church. Mrs. Gladys Maness and Mrs. Josie McDowell were in charge of the reception.

Woman's Club Holds Fall Meet

The fall season for the Avon Park Women's Club got off to a timely start with Friday's prayer breakfast and a beginning devotional by Mrs. Elmer Gregg speaking on a topic of "What lies behind us and what lies before us are tiny matters compared to what lies within us."

Mrs. Maurice Bush, program chairman, introduced Mrs. Gregg and Mrs. Kenneth Hisey, the pianist who accompanied the group singing "The Bread of Life."

Coffee and cake was served by a committee of the Home Life Department. Mrs. Richard Hodson and Mrs. Art Turner served as co-chairmen. Tables were decorated in a Bicentennial theme and an arrangement of red roses graced the speaker's table.

Mr. J. F. Wagner, president, and Mrs. Gladys Smith, newly appointed secretary, were dressed in Bicentennial costumes. The business meeting was opened with the Lord's

was topped with two white doves over the arch of the bride and groom. The bride cake and groom cake were gifts of the groom's aunt. The serving table was covered with a white cloth adorned with a skirt of pink lace and bows. The table was artfully decorated with a three-branch candelabra entwined with fern and pink statice. White tapers flanked each side.

A matching cloth was used on the punch table. Also burning tapers in a small candelabra filled with flowers graced the table. Circling the punch was fern pink rose ring. Punch, nuts and white bells and pink rose mints were served.

Serving punch was Mrs. Mary Ann Welles and Miss Vickie Cini. Cutting cake was Mrs. Elaine Hoke and Mrs. Renee Bentley. The groom's cake was served by Mrs. Laura Franza and Miss Ann McDonald. Miss Darlene Dick and Miss Kay Lynn Timlake passed blue rice bags.

Miss Brenda Dick, sister of the groom presided at the guest book.

Out of town guests were Mrs. Fay Lee, Sanford, grandmother of the bride; Mr. and Mrs. Roy Kyle, of Lake Wales, grandparents of the groom; Mr. and Mrs. Leon Steinmeyer Sr., Mr. and Mrs. Peter Deiner, Miss Joy Steinmeyer, Mr. Carl Thompson, Mrs. J. G. Davis, Mr. Charles Smith, Mr. and Mrs. H. A. Steinmeyer, Mr. and Mrs. Kit Anderson, all of Sanford; Mr. and Mrs. W. J. Lent-Carper Vows Said In Melbourne

Susan Joy Lent and Larry LaRue Carper were united in marriage in double ring ceremonies September 27 at the Tabernacle Church in Melbourne with the Rev. Jamie Buckingham officiating.

The bride is the daughter of Mr. and Mrs. Arnold J. Lent of Melbourne and the groom is the son of Mr. and Mrs. Larry B. Carper, 1100 Lakeview Drive, Avon Park.

Following the ceremony by her father, the bride wore an empire style gown of white satin and formal lace fashioned with a sweetheart neckline and white satin train. Her floor-length veil was trimmed with lace and she carried a cascade of white daisies and carnations.

The bride's maid of honor was Miss Pat Malisewski of Melbourne. Mrs. Joann Lent Yirka and Miss Nancy Lent, sisters of the bride, were the bridesmaids. Tisa Marie Carper, nine-year-old sister of the groom, was the flower girl. She carried a basket of chrysanthemum petals. The bride's attendants all wore coordinating floor-length sheer floral organza gowns and large white hats. They carried identical multi-colored Colonial style daisy bouquets.

John Klueber of Avon Park served the groom as best man. The ushers were Charles Yirka and Joseph Lent, brother-in-law and brother of the bride. The bride's mother wore a floor length gown of orchid and blue chiffon and Mrs. Carper

chose a floor length gown and white ensemble for her son's wedding.

All members of both the bride and groom's families were presented white daisy and carnation corsages and white carnation boutonnieres.

The bride graduated from Eau Gallie High School and was employed at Disney World for two years. She then attended Santa Fe College in Gainesville.

The groom is a graduate of Avon Park High School. He attended South Florida Junior College and graduated from Santa Fe College, Gainesville. He is presently employed with Carper Oil Company in Avon Park.

Guests attending the wedding from Avon Park included the groom's great-grandmother, Mrs. Ethel Davidson; his grandparents, Mr. and Mrs. Bill White; and great-aunt, Mrs. Ida Russell.

Following the ceremony, a reception was held in the church which was beautifully decorated with white daisies and carnations. Refreshments were served by the attendants after the bride cut the hurried wedding cake.

On the evening before the wedding, the groom's parents entertained the members of the wedding party with a rehearsal dinner at the Ramada Inn in Melbourne.

Following a short honeymoon, the couple will be at home in Avon Park.

TEARS MINGLE WITH WATER as 18-month-old Anna Tataris lets the world know she doesn't like water as the Rev. Elias Kalaris, pastor of St. Nicholas Greek Orthodox Church in Tarpon Springs, starts the third immersion in the baptismal

recently. Assisting Father Kalaris is the godparent, Mrs. Tony Moushorts (partly hidden), and candlebearers, including Anna's brothers, Dennis and Danny, the two with the big proud smiles.

Little Anna Tataris Baptised In Ceremony

Little Anna Tataris, 18-month-old daughter of Mr. and Mrs. Thomas Tataris, 915 W. LaGrande, Avon Park, was baptized on Saturday, Sept. 27 at 2:30 p.m. at the St. Nicholas Greek Orthodox Church in Tarpon Springs, the church noted for the "Crying Icon."

Rev. Elias Kalaris, pastor of the church, baptized Little Anna with the assistance of Mrs. Tony (Linda) Moushorts, godparent from Tarpon Springs, with two chanters singing the traditional baptismal ceremony.

The reverential stillness of the magnificent church was broken only by the chanters, and Little Anna's cries, as her "nap-time" was interrupted. She also let everyone know it was "her day," as she broke the silence of the church with more cries, as she was anointed with holy oil for consecration before being baptized by Rev. Kalaris.

After being anointed, Anna was immersed three times in the golden baptismal font, the same one her brother Danny was baptized in five years ago, and the same one her older brother, Dennis, and parents were baptized in when they were babies. Each part of the baptism is done in "three's."

The Father, the Son, and the Holy Spirit; as the three immersions, the three clippings of Anna's hair, and the three blessings with the censer and incense.

After the baptism, Anna, dressed in her finery, her mother, Mrs. Sophie Tataris, took part in the blessing of the

service, along with Father Kalaris, the godparent, and the candlebearers, Dennis and Danny, Tony Moushorts, Jr. and Jimmy Theodore.

At the close of the liturgical, Little Anna was administered communion, and both parents were called forward and blessed. In observing the Orthodox tradition of the church, the "baptismal water" was emptied in the Anclote River.

Following the baptism, Mrs. Moushorts passed out pink baptismal rosette medallions, centered with a gold cross, to the large group of relatives and friends, which admitted them to the dinner held at the famous Pappas Restaurant, near the sponge docks in Tarpon Springs.

The baptismal rosettes were imprinted with the godparent's name, Anna's name and the date of her birth and date and place of baptism.

Greeting the guests upon arrival in the lobby at the Pappas Restaurant was: "Tataris Party in the Spartan Room," where Little Anna was the "Star Attraction." The dinner featured "Greek-American" food which was enjoyed by all, along with the friendly atmosphere.

Taking part in the festivities were Mrs. Dionisios Tataris, and Mr. and Mrs. Gus Danapas, grandparents of Little Anna.

Attending from Highlands County were Mr. and Mrs. Clarence Smith, Mrs. Edward Sharpe, Mrs. Kelton Hill, Mrs. Frank Camp Jr., and Mrs. J. L. Wells.

Area Marks National School Lunch Week

Reading the school menus for the week of Oct. 13-17, it's hard to tell if the youngsters are going to be forced to "walk the plank" Monday, take "30 Days Around the World" Tuesday, get that well-known "You Deserve a Break Today", Wednesday, go to a Bicentennial celebration or fight another revolution Thursday, or go to a circus Friday.

But, perhaps, they are going

to do all of the above.

Anyway the main idea is to mark a very important time for the students and working mothers — National School Lunch Week. It's one of the biggest bargains around in these days of inflation — the school lunch.

The National School Lunch Week is worthy of special observance and we should all support the program by taking advantage of it.

Edwards Home Destroyed By Fire

A mobile home at Midway Court, off State Road 17, was demolished by fire early the evening of Sept. 30.

Max W. Edwards, owner of the home, said he, and his wife and daughter left the home about 6:30 p.m. to drive the daughter to band practice. Mrs. Edwards ran back into the home to pick up a forgotten item. She detected the smell of smoke coming from a closet. The family tried to battle the blaze with buckets of water and

water from a garden hose, but the fire progressed rapidly. When the crew from the Florida Forest Service arrived the home was in ruins.

CHOOZY THIEF
A thief with specialized taste broke into the home of Mrs. Archie Clements on Wauchula Road. A window screen was removed to gain entry to the house. A single item was stolen, a handmade bedspread valued at \$75. Nothing else was disturbed.

Olivieri Tells Rotary About Project Hope

Mrs. Joyce Olivieri from Avon Park, spoke to the Rotary Club on Project HOPE and told the club about some of the different services offered to residents in this area. This program has been partially funded by the Federal Government but Mrs. Olivieri stated that this program would have to be funded, in the future, from local sources. She stated that many times when it looked like the program might not be able to carry out a specific project, because of insufficient funds, she never lost faith and the money was provided by local churches or other organizations.

The program has provided hot noon meals for the elderly and other services such as going into homes of older couples, unable to take care of

their needs, and giving baths and checking to see that these people were taking any medication according to prescribed instructions. Sometimes trips were made to homes, if for no other reason than, to visit and keep some of these people from feeling that no one cared.

Mrs. Olivieri and her volunteer workers are to be commended for the services being provided those who are unable to take care of themselves, especially the elderly.

If the program is to continue, additional funds will have to be provided by people in this community. Surely if people like Mrs. Olivieri and her volunteers, who give their time, the community ought to be able to provide the necessary funds.

ADVANCEMENT COMMITTEE CHAIRMAN, David Batty of the Scout Troop 156 Troop committee presents the Trail Blazing Award to Marc Hooper as the outstanding scout for the year of Trail Blazing Troop 156. Mark is the fourth recipient of the award. Photo—Miller.

Hooper Receives Tomahawk Award

Scout Marc Hooper was the recipient Wednesday night of the Golden Tomahawk Award, presented annually to the outstanding member of Scout Troop 156. Marc received the award at the Troop's fall Court of Honor held in Fellowship Hall of the Congregational Church.

Marc, 14, is the son of Mr. and Mrs. Larry Hooper. He holds the rank of Life Scout with twenty-two merit badges. He has been active in Troop 156 for three years, serving as a Den Chief, Patrol Leader, Assistant Senior Patrol Leader, and Senior Patrol Leader.

Marc has worked on summer camp staff at Camp Flaming Arrow during the summers of 1972, 1973, and 1975. He attended the Eighth National Scout Jamboree at Moraine State Park, Pa. in 1973, Troop Leader Development training in 1974, and was a member of the 1975 Philmont Expedition to Cimarron and Gallup N.M. Marc is a Brotherhood member in the Order of the Arrow, a freshman at Avon Park High School and a member of the Grenadier Marching Band.

In the Court of Honor Ceremonies, new Scouts Billy Adams and David Bennett were welcomed to the troop. The rank of Tenderfoot Scout was presented to Gary Farless, Mike Brantley, Kenny Shields, James Simpkins, and Todd Bennett, by Troop Committee Chairman Fred Henly. Scoutmaster Larry Hooper presented Second Class awards to Daniel Carroll, Jeff Henly, Jerry Kelley and Jody Johnston.

Merit Badges were presented to Perry Carroll, for Swimming; Greg Batty, for Fingerprinting; Gary Farless, for Computers; Kenny Shields, for Reading; James Simpkins, for Music.

Marc Hooper, for Music and Environmental science; Jerry Kelley, for Pioneering and Wilderness Survival.

Daniel Carroll, for Camping, First Aid, and Fingerprinting; Jody Johnston, for Music, Home Repairs, and Citizenship in the Community.

Old And Economical Recipes

By NORMA GOBBLE

During the past week, I dug out some old favorites from among my recipe collection and tried them again. They were so good and they are economical so I thought I would share them with our readers. If you like a recipe column, let us know, and more will follow. I have an almost inexhaustible supply of good recipes.

Here's one of the good ole down south favorites which is still good and pleasing to the food budget. If you have a pressure cooker, it sure speeds up the process. Cook at 35 minutes at 15 pounds pressure.

Hoppin' John 'N'

1 pound dried blackeye peas
Ham hocks or ham pieces
1 medium onion, diced
2 tsp. salt
1/2 tsp. pepper
2 cups uncooked rice
1 bunch green onions, trimmed and sliced.
Cook peas as usual with ham hocks, diced onion and seasonings. Cook rice separately according to label directions. Combine rice with peas in serving platter and sprinkle on sliced green onions.

Chicken Fricassee

1 stewing chicken, cut up
1/2 cup diced celery
1 large onion, sliced
2 carrots, pared and sliced
1 bay leaf
1/2 tsp. peppercorns or pepper
3 tsp. salt
Water

2 TB butter or margarine
1 can, 3 to 4 oz., sliced mushrooms (I used ends and pieces as they are more economical and just as good.)
1/2 cup flour

Place chicken in kettle or Dutch oven; add celery, onion, carrots, bay leaf, pepper, salt and water to cover. Heat to boiling; reduce heat; cover. Simmer two and a half hours or until chicken is tender. Remove chicken to heated deep serving dish; keep hot while making gravy. Strain broth into a large bowl; let stand until fat rises to top. Skim off fat, measure 3 TB back into kettle; reserve broth. Heat butter with chicken fat until melted. Blend in flour, cook, stirring constantly, just until bubbly. Stir in 4 cups of broth and mushrooms. Cook, stirring constantly, until gravy thickens and bubbles 1 minute. Pour over chicken. Serve over hot biscuits.

Junior Varsity Loses To Sebring

Final Results Punt Pass & Kick

As a result of the kick, pass and punt contest last Saturday, six Avon Park youngsters were qualified to compete in the zone competition in Lakeland at the Lakeland Boys Club at 9:30 a.m. Saturday, Oct. 11.

First place winners eligible to enter the Lakeland competition are: Dwight Hardy, 8 years; Greg Jackson, 9 years; Desmond Albritton, 10 years; Charles Dunn, 11 years; Carlton Weathers, 12 years and Jeffery Adams, 13 years.

Second place winners by age groups were: Randy Wright, Bobby Barnes, Darryl Williams, DeWayne Council, David Jackson and Larry Joe Jackson.

The Red Devil junior varsity football team lost to Sebring 20-0 last Thursday night at Memorial Field for its second straight loss of the year. Avon Park's "B" team is now 0-2 for the season with four games remaining on the schedule.

Tonight (Thursday, Oct. 9) the Devils "Bees" will have an open date. Next Thursday night, Oct. 16, they will travel to Lake Placid to take on the Green Dragon junior varsity at 7:30 p.m. at Scarborough Field.

Devil coaches Allen Duhm and Bruce Wyse felt the Avon Park team showed improvement over last week's play in Frostproof. Duhm singled out Anthony Carter and Johnny Harrison for special mention at offensive

quarterback and center. He also praised the efforts of running back Jimmy Brown, defensive lineman Fred Hart, defensive end Jim Casey and defensive halfback Ralph Hart.

Against the Blue Streak "Bees", the Devils held their own until late in the first half. Sebring got a good fifteen yard punt return to the Devil 41-yard line. Then the Streak's number 22 flashed through for a touchdown from the forty-one yard line. The extra point attempt failed but Sebring had a 4-0 lead at halftime.

In the third quarter Sebring had a TD called back by a penalty but neither managed to put points on the board. It was strictly a defensive period with

the Devils hold the Streak offense throughout the quarter.

Midway in the final quarter, Sebring scored again. Another long punt return gave the Streaks possession at Avon Park's 27-yard line. Three running plays resulted in the score and they ran for the two-point conversion.

Late in the game, the Streaks struck again. A Sebring defender picked a Devil fumble out of the air and raced forty yards to the Devil thirty-yard line. Then number twenty for Sebring broke loose and scored from thirty yards out on the very first play from scrimmage.

Seeing action for Avon Park were Decaris Jones, Brent Beumel, Ralph Hart, Craig

Williams, Anthony Carter, Ronnie Brock, Alvin Hinson, Terry Massey, Jimmy Brown, George Ross, Mike Maloy, Steve Gray, James Dennis, Wade Bush, and James Willburn.

Also getting in the game were James Willburn, Sylvester Curry, Ken Droze, Robbie Dennis, Johnny Harrison, Dennis Tondue, Jim Casey, Richard Clements, Jeff Williams, Jimmy Massey, Keith Porter, Victor Roberts, Billy Boyer, Jerry McKenzie, Fred Hart, Johnny Fortner, Otis Ford, Frank Brown and Gary Droze.

Beumel, Jimmy Massey, Ken Droze and Ronnie Brock have recently dropped down from the varsity to bolster the Devil "B" team.

WINNERS OF THE punt, pass, and kick contest in the 11 to 13 year age groups were, kneeling, left to right: 1st, Charles Dunn; 2nd, DeWayne Council; 3rd, Walton Touchton; 12 year olds, 1st, Carlton Weathers; 2nd, David Jackson; 3rd, Thomas McAfee. Standing, Lew Mundi; 13 year age group, 1st, Jeffery Adams; 2nd, Larry Joe Jackson and 3rd, Darryl Kendrick. Photo—Miller.

DOGS RECOVERED

Two dogs reported stolen from pens at Mitchell Spires property on Basket Lake have been recovered. This is the second time dogs have been stolen from Spires pens and recovered. The dogs, seven and nine months old, are valued at \$200. Sgt. E. T. Gordon of the sheriff's department found the dogs.

THE BOOSTERS CLUB put out the word that their fish fry is Friday night before the first home football game with Wauchula. It's at Memorial Field from 5:30 to 7:30 p.m. Photo—Miller.

Junior Hi Team Wins At Lake Placid

A 20-0 victory over the baby Green Dragons on a soggy field in the rain in Lake Placid last Tuesday night a week ago, gave the Avon Park Middle School football team a 2-0 record for the young season under Coach Higgy Revis. The game was held up for about a half hour due to a heavy

downpour just after the game got under way.

Next Tuesday, Oct. 14, the Red Devil Middle School team will host Sebring here at Memorial Field in a return game. Avon Park won over the young Streaks 12-0 in the season opener in Sebring.

In Lake Placid it was

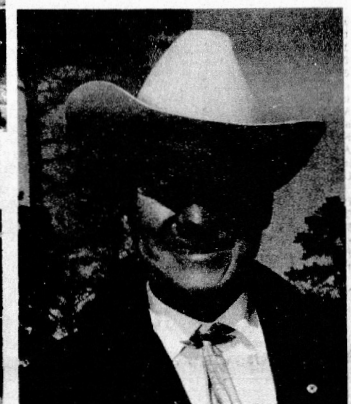

halfback Timmy Cribb who scored the first TD for Avon Park as he broke through the line and battled through the Dragon secondary for a ten yard dash into the end zone pulling some Dragons with him. The conversion was run by Jeff Adams with an end sweep for the two points to give Avon Park the 8-0 lead.

A 45-yd. pass play from quarterback David Sisemore to Jeff Adams gave the young Devils the second score. The try for the extra points was no good. Adams also scored the last two touchdowns. On one he ran a sweep around the end from about 50-yards out from the quarterback position as he bootlegged it to the weak side. The conversion was run by Jeff Adams with an end sweep for the two points to give Avon Park the 8-0 lead.

territory.

Standing out on defense for Avon Park again this week were David Sisemore and Greg Westbrook. The defensive starting team had Andy Leech and Tim Cribb at ends, Mark Steedly and Tim Salter at tackles, and Dennis Barefield and Raymond Lane at guards. Westbrook and Sisemore played linebacker and Bubba Stirling and Donald Cook were at defensive halfback. Jeff Adams was at the safety back position.

SKY KING, WHO FOR YEARS provided thrills on television with his fight against wrong doing with his airplane as a major weapon, will appear Nov. 2 and Nov. 9 with the Great American Air Show. Part of the proceeds will go to Kirby Grant's (Sky King) Youth Ranches of America.

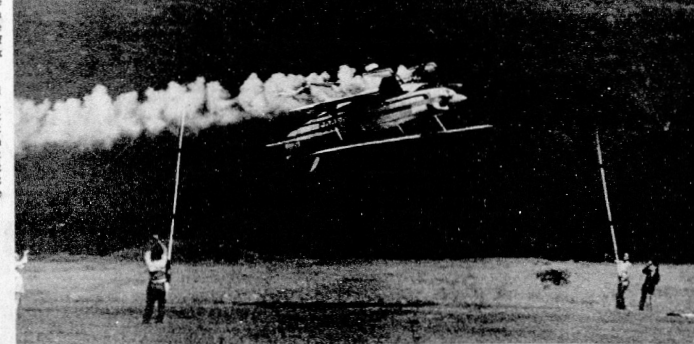

Track Team In Four-School Meet

The Red Devil Cross-Country team will host the Auburndale Bloodhounds the Lake Wales Highlanders and the Sebring Blue Streaks today (Thursday) at 4 p.m. at the high school course. A slight change of the course has extended it from 2.5 to 3.0 miles. The finish will still be in front of the high school office. All District, Regional and State Cross-Country meets this year will be at the 3.0 mile distance.

The girls cross-country team will also run this afternoon against Lakeland Santa Fe. The girls will run at 4 p.m. the boys junior varsity will start at 4:15 p.m. and the varsity race will start at 4:30 p.m.

Last Thursday the Devils raced to a fine victory over Hardee and Sebring. The Red Devils totaled 38 points to edge Hardee with 39 and top Sebring's 50 point effort. (Low score wins in cross-country meets.) It marked the third meet victory for Avon Park in four outings this season.

Alphonso Williams captured first place and led his teammates to the victory with a super 13:12 clocking for the 2.5 mile course. Jack Collins finished fifth in a season best for him, with 14:33 and James Hamilton took the seventh spot finish in 14:56.

FANTASTIC AERIAL STUNTS, such as this, will be the order of the day when the Great American Air Show makes its appearance at the Avon Park Airport Nov. 2 and Nov. 9. The show will also appear at the Sebring Airport Nov. 23 and Nov. 24.

Frank Anderson came in tenth in 15:10 and freshman sensation Anthony Stevenson broke into the top five on the varsity with his thirteenth place finish in a superb 15:38.

The victory was the first for the young Red Devil "B" team this season. Both the varsity and the junior varsity showed improvement on season times with their victory effort.

"I was very happy with the great efforts turned in this week," said Coach Brock. "Al ran an outstanding race and co-captain Jack Collins showed me the form he's capable of producing with his fifth place finish."

The enthusiastic coach continued, "The two ninth graders we moved to varsity really did an outstanding job and what is so great is that seven of the eight varsity runners are underclassmen. Right now I feel Al Williams will be one of the top finishers in state competition as he gets stronger and gains race savvy each week."

CROSS-COUNTRY track Brock (left) hands the first place ribbon to Alphonso Williams (center) for winning the 2.5 mile run in a meet with Sebring and Wauchula at the Avon Park High School course. Jack Collins takes a look at his ribbon for coming in fifth in the race. Photo—Miller.

American Air Show Premieres Here

Central Florida residents will have an opportunity to see four special "sneak previews" of the Great American Air Show at bargain prices when the show kicks off its new season with performances at the Avon Park Municipal Airport on Sunday, November 2 and Sunday, November 9 and at the Sebring Airport on Sunday, November 23 and Sunday, November 30.

The Great American Air Show is an aerial spectacular that will entertain large crowds in thirty U. S. cities and five foreign countries during

1976. It features veteran air show pilots and aircraft, as well as television's Sky King, Kirby Grant.

Spectators see solos, duos, dog fights, comedy, parachute jumping, wing-flying, inverted ribbon cuts and the first attempt ever to fly two aerobatics with both planes tied together during the show's two hours of non-stop action and excitement.

Walt and Sandi Pierce, the world's only husband-wife aerobatic team, also provide a daring wing-riding exhibition with Sandi perched atop the

wing of Walt's Stearman.

Jim Holland brings his tiny Pitts Special down to within fifteen feet of the ground and, while flying upside down, cuts a ribbon held by two members of the audience.

Tammy Doane, who recently became the World's Youngest Airplane builder will have her plane on display at the airport the day of the show.

Holland also teams with Lindsey Hess in an effort to become the first pilots to fly aerobatics with their planes tied together.

The Great American Air Show is produced and staged

by Capricorn Communications, Inc., an Altamonte Springs, Florida entertainment company. Kirby Grant's commentary is combined with background music and taped and live comments from the pilots and jumpers to give the audience close contact with all activities on the ground and in the air.

Showtime each Sunday is 2 p.m. sharp and admission is just \$1 per person. Spectators are invited to arrive early and stay late to meet the performers and inspect the aircraft.

Commissioners Honored By County 4-H'ers

Members of the Highlands County 4-H Club conferred honorary memberships on county commissioners Tuesday, as they presented their annual activities report. Mary Anne Handley read excerpts from the 4-H Club's 1974-75 report while Tina James handed copies of the publication to commissioners.

Certificates appointing each commissioner as an honorary member of the 4-H Club were presented by Mary Mosier. Miss Mosier also gave County Attorney Robert Dundy Jr., a certificate recognizing his efforts on behalf of 4-H, incorporating the Highlands County Club. She also presented Dundy with a plaque naming him a 4-H "booster."

According to its annual report, the Highlands County 4-H Club has 632 members, most of whom are in the 10-12 year age bracket. Only 16 members are listed as living on farms. Memberships are almost equally divided between boys and girls. Members were particularly active during the last county fair.

The Hoof Dusters Horse Club won a prize for the best exhibit and presented demonstrations on grooming and tacking-up horses. Twenty-four out of 33 steers entered in the Junior Livestock Show were owned by 4-H Club members. The steer that won the Grand Champion prize was owned by club member Robin Chaney of Avon Park. The Reserve Champion steer belonged to Andy O'Neal of Florida.

The sale of steers at the fair grossed \$41 Club members \$32,679. The sale of dairy heifers grossed them an additional \$790. Other events in which 4-H'ers participated during the year include: 4-H Achievement Events Day; District X Senior Events at Camp Cloverleaf; County Camp; 1975 Highlands County Horse Show; and the State 4-H Club Congress.

Adult advisors to the county 4-H Club are Mrs. Joy Murphy, Elijah Murphy, Ortilia Hill, Mrs. Genie Pearce, Kelsey Payne, Mrs. Joseph Bruener, Mrs. Peggy Smith, Mrs. Lois Thiele and Mrs. Aida Schumacher.

Runners To Go To Great Race

Several Highlands County Runners Club members will be traveling to Perry, Fla. for a 10,000 meter race Saturday at 9:00 a.m. The "Great Race" of 6.2 miles drew over 200 of the states top runners last year including Olympic candidates Marty Liquori and Doug Brown of the University of Tennessee. Neil Cassack of the New York Athletic Club was last year's individual winner edging Liquori in a fast finish.

Jesus Garcia, Joe Baker, Peg Hutchinson and Red Devil Cross-Country coach Chet Brojek plan to be among the expected 250 runners at Perry this week-end. "We know we'll find the competition

outstanding and even though we probably will not finish high, it's a chance to see some of the top men in our sport," stated Brojek. "I've found that six miles is about the right distance for slow old folks like me."

Runners Club members are pointing for a 131 mile triathlon in Lakeland soon and for a full marathon of 26.2 miles in Melbourne on Dec. 30. Those hoping for an official invitation to the 1976 Boston Marathon need an under 3 hours qualifying time in a previous marathon. "That's what we are all shooting for at Melbourne," commented Brojek.

Avon Park Gains Dentist

Dr. Thomas B. Siefert, DDS, has opened an office in the professional complex adjacent to Walker Memorial Hospital and will practice general dentistry.

Dr. Siefert, who has obtained his formal schooling completely from church-operated schools, is sold on the Christian school concept although he said he was a typical teenager in not thinking school was so great when he was younger.

The personable young dentist received his degree from Loma Linda University, Loma Linda, Calif., where he also earned a masters degree in microbiology.

He and his wife, Janice, have no children, Jennifer, 4, and Bradley, 2. They have established a home on Lake Olivia. The family are members of Walker Memorial Seventh-Day Adventist Church.

Bond Dismissed As Head Of First National Board

Rex E. Bond, chairman of the board of First National Bank of Sebring since it opened for business in July 1962, was dismissed as chairman and chief executive officer at a special meeting of the board of directors Oct. 2.

Bond will continue as a member of the bank's board of directors.

He is a former chairman of the board of Avon Citrus Bank of Avon Park, a former chairman of the Board of Trustees of South Florida Junior College, and a present member of the board of United Telephone Co.

Contacted this week, both Bond and Chad Wiltshire, president of the bank, agreed that the act on was taken as a result of major differences which had developed between Bond and the board over policies and philosophies of bank operations.

Bond stated he had been given three choices by the board: resign, retire or be fired. "I could not resign or retire since the bank, by board action, entered into a long-term employment contract with me in June of 1973," Bond said.

"When I was asked to break the contract, I refused," Bond continued, adding that the board then decided to take the

action dismissing him.

Total assets of the bank, under Bond's leadership, grew to \$30 million in 13 years.

In addition to Bond and Wiltshire, members of the First National Bank board include: Henry Bailey, Frank Bryant, Ken Grubb, Marvin Kahn, Carl McIntyre, Lawrence Nichols, Emil Riles and Fisher Sauls.

When asked about his plans for the future, Bond said he and his family intend to continue residing in Highlands County.

A native of Virginia, Bond has been in the banking business since 1948, moving to Florida in 1959.

He is a graduate of Blackstone High School, Smithfield-Massey College, Richmond, Va., and holds a certificate from the American Institute of Banking.

Bond has also served on the board of the Sebring Airport Authority, is a past master of Sebring Lodge 249 F & AM, past president of Sebring Lions Club and a member of First United Methodist Church here. Bond is married to the former Anne Dotter. Mrs. Bond was co-founder and is the present owner of Ridge Travel Agency.

The Bonds have two sons: Stephen, 22, who has an insurance agency here, and William, 19, a second year student at Santa Fe Junior College in Gainesville.

THE AVON PARK High School Marching Grenadier Bagpipe players heard a bit of sad news when James Huey, Dunedin, (third from left) told them that the kilts ordered in June would not be delivered in time for the first home game with Wauchula as the factory in Glasgow, Scotland was

shorthanded and swamped with orders. However, they did promise to rush them by airmail when ready. Left to right: Sherri Collier, Terri Thompson, Huey, Rhonda Thompson, O.C. Stephens and John McKinnon, Dunedin. Photo—Miller.

A.P.H.S. Journalism Class

Role Of The Student Council

Representing the student body of Avon Park High School is the job of the Student Council. It lets the students have some group they can go to in order to add their ideas to those of the administration. The Student Council members are arbitrators between the faculty and students working with each to solve problems which may arise. If a student or group of students have a complaint or suggestion, they take it to the Student Council; they think it over, and work

with the faculty to come to some sort of decision. The faculty has agreed to work closer with the Student Council this year because in previous years this was not stressed and problems such as tension at Homecoming and senior privileges were not worked out to the satisfaction of the students.

Members of the Student Council are chosen by the administration, students, and fellow members on the basis of leadership ability. In previous

years the Student Council officers got together and chose the members, but this year they are going to attempt to have a representative from each homeroom class. This year's present members are: Kim Kempton, president, John McKunas, vice-president, Judy Worth, secretary, Janice Murphy, treasurer, Celestine Nance, Angela Rushing, Dennis Burley, Debra Wiggins, Paul Hentnik, and Sylvia Hicks, who work with their sponsors Mr. Williams and Mrs. Wynn. They began this year's activities on September 24.

Some of the topics under discussion are this year's dress code, but no decision has yet been reached. Issues concerning the dress code which we think should be talked over will come out in a meeting of the faculty and the Student Council Tuesday afternoon.

The Student Council has also decided to have three Homecoming Queens instead of the usual one, to keep down tensions brought out in previous years. Settling issues like these are an important part of the Student Council.

Another plan is for council members to take with all members and clubs which they could be a part of.

Five council members attended a district meeting in Ft. Pierce Saturday October 4, along with their sponsor Mr. Harry Williams. They brought back some useful ideas and thoughts on how to better the school.

The Student Council will also be selling products door-to-door around the first of November. These products range from gift wrapping paper to napkin holders. They would appreciate your help in raising money.

Little Louie Bitten By Ground Rattler

Louie Valentine, age 10, was bitten by a pigmy (ground) rattler Tuesday evening while digging for fish bait near his home at APCI. He is the son of Louie Valentine, APCI employee.

Little Louie was rushed to the APCI Clinic where antivenom was administered. He was then transferred to Walker Memorial Hospital.

Although restless and nauseated Little Louie was considered out of acute danger Wednesday morning. His right hand and arm was badly swollen, his father said.

Young Louie saw what he thought was a red rat snake and picked it up. The approximately 14 inch long rattler bit him between the thumb and forefinger. Valentine has the snake, alive, in a jar at the family residence.

Lightsey-Howell Charged With Breaking, Entering

Two Okeechobee men, already charged with theft of an aircraft, have been booked for the break-in at Thunderbird Aircraft Inc.

Dewey Lightsey and Johnny Howell have each been charged with breaking and entering. The break-in at Thunderbird headquarters on U.S. 27, between Sebring and Avon Park, cost the company \$6,000 in aircraft parts, tools, a gun and a watchdog. Approximately \$1,000 worth of tools and the gun have been recovered.

Heidi, a nine-and-a-half year old dog, was beaten to death by the burglars who chiseled their way into the Thunderbird building in the early hours of Sept. 24.

On Sept. 27 Highlands County sheriff's deputies had arrested Lightsey and Howell and charged them with the theft of an aircraft belonging to DeSoto County Sheriff Frank Cline.

On Sept. 31 the aircraft was hauled, via trailer, into Highlands County, dumped in a grove a short distance from

Car Stopped, Calf In Back Seat

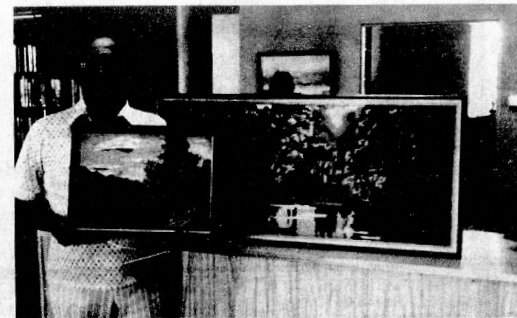

Not everyone drives around with a calf in the back seat, so Avon Park police decided someone should ask some questions.

Two juveniles, who identified themselves as being Frostproof residents, said they had found a calf wandering along the road. They tied the animal to an orange tree near the road and went on to the movies.

After the movie, when they were headed home, they decided to check on the calf — and there he was still tied to the tree near Danny Albritton's mobile home. The boys told investigators they just decided to take the little fellow home with them.

Avon Park police notified the sheriff's office about the unusual passenger they had observed. Deputies who investigated the calf talked with Albritton. He claimed

ownership and said the calf had been tied in the yard near his home. Division of Youth Services has taken over investigation of the case.

ARTIST OF THE MONTH at the Avon Park Library, Ralph Fulmer proudly holds one of his needlecraft nature scenes with his relaxing hobby. Photo—Miller.

Artist Of The Month Has Needlecraft Hobby

Ralph Fulmer started his needlecraft hobby for fun as his sister-in-law said needlecraft is good to relax with. Ralph found this to be true as he can watch TV and still work on the needlecraft.

His first attempt at needlecraft started with a tie at Christmas time. This was followed by the Forest Scene, a 19 by 42 inch masterpiece

tapestry using 18 different colors of thread. The basic colors were green, blue, yellow and brown. It took from February to July to complete.

For his next work Ralph chose another nature scene, smaller this time but it took only a month to complete. Both are framed for display and can be seen at the Avon Park City Library where Ralph has earned the title of the Artist of

The Month.

At present Ralph has found an 18 by 24 inch piece called "Deer in the Forest" having 15 colors with greens, browns, black, white and grays being the predominant colors. He doesn't know how long this will take as he has to find time for the needlecraft when he is not busy with Lions Club work, Grange, a city committee and his plantings and garden work.

County Commissioners Take

Grievances To Shevin

County Commissioners have decided to carry one of their grievances with the University of Florida Extension Service directly to Attorney General Robert L. Shevin for resolution.

At a special meeting Thursday evening, commissioners asked that the attorney general's opinion be sought concerning the Extension Service's right to reduce state contribution to the county extension agent's salary.

Several months ago commissioners increased the salary of their acting County Extension director, Tim Hurner, to compensate him for added responsibilities he has assumed since the former director, Bert Harris, retired.

Commissioners feel that Dr. Joe Busby, dean of the Florida Extension Service, might have acted illegally in reducing the state's

contribution towards Hurner's salary by the exact amount that Highlands County had raised his pay.

In seeking the Attorney General's ruling on Dr. Busby's edict, commissioners expect to point out that by cutting Hurner's salary, the University of Florida does not now contribute the amount required by Extension Service's own pay schedules. They will also claim that the pay cut was arbitrary, motivated by an intent to discipline the county for appointing Hurner as its acting director against Dr. Busby's wishes.

Before commissioners started to discuss their proposed course of action they were reminded by Hurner, who had been invited to attend the meeting, that Extension Service's rules prohibit employees from approaching commissioners to solicit their consideration in filling vacant

positions. "I'm here because you all wanted me to come down," Hurner said.

"You're here because we asked you," Board Chairman C.J. "Buddy" Wise acknowledged.

Wise explained that commissioners wanted Hurner's opinion on possible repercussions if they decided to carry their disagreement with Busby to court.

"We're not going to accomplish anything if we go up there and beat Busby—if it destroys you," Wise declared.

Hurner said he expected no acts of recrimination, directly or indirectly, from Dr. Busby.

"Dr. Busby told me that he had certain responsibilities to me—as an employee," Hurner said, explaining that Busby would honor the usual employer-employee relationship that makes him responsible for Hurner's welfare.

Hurner made it clear that he could not take sides in the controversy. He did, however, express hope that some resolution of the present uncomfortable position might soon be achieved.

Commissioner Robert Skipper apologized to Hurner. "We got you in the middle," he said.

It was Deputy Clerk James Pyle who suggested placing Hurner's pay-cut dilemma before the Florida Attorney General.

"I think that if the county attorney would write the

Attorney General and get an opinion, then the Board would have something to hang its hat on."

With respect to the Extension Service's requirement that the county extension director hold a masters degree, Hurner said he is not opposed to working toward the advanced degree. In fact, he now believes that if he is to receive any future increases in his pay scale he will have to obtain a masters degree.

"The question of your individual qualification to do the job has never been an issue," Wise assured Hurner. "You just don't have the title that he (Busby) requires for the job."

Hurner assured commissioners that he is willing to abide by any decision that they and the Extension Service might reach, even if that means continuing his duties as Extension Agent—Citrus, working under a new director.

Canoes Recovered Local Man Charged

Veteran Scoutmaster Larry Hooper has a keen eye for canoes so when two Scout canoes came up missing, Hooper had a pretty good idea where they could be found.

Following the leads Hooper supplied Sgt. Len Askeland and Deputy Howard Sizemore of Highlands County sheriff's department were able to recover the craft and arrest a suspect.

Dennis Ray Elder, 21, of Avon Park was charged with receiving and concealing stolen property.

The canoes, formerly the property of the Boy Scout Troop sponsored by Avon Park Rotary Club, had been stored by Franklyn Ward when he was Troop 157 Scoutmaster.

Recently the canoes had been given to Troop 153 which Hooper heads.

When Hooper tried to claim the gift, the canoes were missing. Ward, puzzled that the Scout canoes were the only item missing from the area, where other canoes were stored, was reluctant to believe a theft had occurred, but Hooper was certain he had seen the big 20-foot war canoe—re-painted but certainly the Scout canoe.

And he was right. Deputies recovered the war canoe from a man who said he bought it from Dennis Elder and that he was dickering for purchase of a 15-foot canoe from the same source. Both were identified as the Scout property.

Elder is in jail, bond set at \$5,000.

At the time of the canoe theft arrest, Elder was on bond on a narcotics charge. He had been arrested early in September and booked for possession of a narcotic for purpose of sale. Bond on that charge had been set at \$25,000 but later was reduced to \$2,500.

Elder posted that bond on Sept. 9. The new arrest was on Sept. 29.

Couple Completes Special Coronary Care Course

Two members of Walker Memorial Hospital staff were among the nine nurses completing a special coronary care course at DeSoto Memorial Hospital in Arcadia.

Ken Will and Alicia Alderman were in the course described as the first of its kind in Florida.

Instructor Dorothy Rule said the class given in the Arcadia hospital "is designed for the small, 7-bed or less, hospital. It took a year and a half to get approval for the course, but we could have gotten two more courses filled when word got around. Each group is limited to 10 persons."

Florida Heart Association assisted in setting up the class by providing specialized materials and equipment. Along with the Highlands Counties, other students were from Lee County, Hardee County Memorial Hospital and the host hospital.

Teenager Charged With DWI, Driving Tractor

It was hard to miss—both visually and physically—a tractor weaving down Hart Avenue, northwest of Avon Park. Deputy Sheriff Clark Jackson was on routine patrol when he met the heavy tractor, bulldozer blade mounted on the front, cruising down the highway, 10 o'clock at night.

Jackson—managed to persuade the driver to halt. The teenage driver "flunked" his breathalyzer test. He registered .22 when only .10 is

needed to sustain a charge of unlawful blood alcohol charge. At a hearing in juvenile court Monday, the driver entered a guilty to charges of driving while under the influence of intoxicants and unauthorized use of a vehicle.

Judge Clifton Kelly adjudged the youth delinquent, transferred the case to Okeechobee County (where the boy's mother lives) for final disposition.

STOLEN CABLE

Highlands County sheriff's department is investigating theft of cable from beside U.S. 27 in the neighborhood of Sun 'n Lake Estates of Sebring. Black Industries of Avon Park reported the theft, Oct. 3.

Hi Friends,
Now that we have cited famous people who were born in October, it might be interesting to note some important events of the month. It was October 1, 1860 when the first "model T" Ford was put on the market, and on October 5, 1947, President Harry S. Truman the first president telecast address from the White House. It was October 8, 1871 when the Chicago fire began and burned for about thirty hours. It was October 18, 1859, when John Brown and his men seized the United States arsenal at Harpers Ferry, Va., and it was October 12, 1492 when Columbus landed in America. It was October 19, 1971 when Cornwallis surrendered at Yorktown and it was October 21, 1797 when U. S. S. Constitution or "Old Ironsides" was launched. It was October 28, 1636 when Harvard was founded and on October 28, 1886 the Statue of Liberty was dedicated.

Right: Their getting married was a surprise.

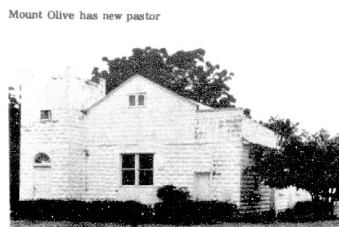

Explanation: "Getting" is a gerund. The subject of a gerund is always in the possessive case.
Thought Conditioner for the week:

This text is a formula for maintaining physical, mental, and spiritual energy. The tension and pressure of modern living draws heavily upon our energies. But here we have a renewal method. The text reminds us that God created us and that He can constantly and automatically recreate us. The secret is to maintain contact with God. This channels vitality and energy and constant replenishment into our being.

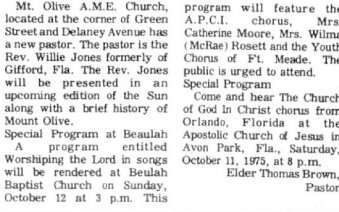

Every day, preferably about mid-afternoon when an energy lag usually comes, try repeating this text while visualizing yourself as "plugged" into the spiritual line. Affirm that God's recreative energy is restoring strength and power to every part of your body, your mind, and your soul.

In Him we live, and move, and have our being.

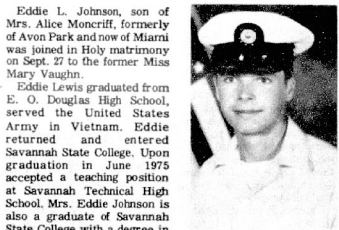

Acts 17:28
Yours truly,

Survey On Housing To Be Conducted Here

This month's survey in Highlands County conducted by the Bureau of Census will take the subject of housing. Mrs. Elizabeth Swenson and Hubert Horwitz will be taking a sample of households in the county, as part of the their nationwide survey conducted annually for the Department of Housing and Urban Development (HUD). The program is in response to a need for frequent up-to-date data on U.S. housing, considered a prime indicator of the Nation's economic health. For the 1975 survey a sample of 75,500 housing units out of the Nation's 77.5 million has been scientifically selected to represent a cross section of all housing. The sample was selected from 1970 census records and has been updated to include new construction. Previously, housing data have come only from the decennial census of housing.

Juveniles Plead Guilty To Breaking And Entering

Three young people who pleaded guilty to a series of charges emerging from a breaking and entering case, have been ordered to share in making restitution. One of the trio was booked for auto theft, breaking and entering with intent to commit a misdemeanor, malicious destruction of property and destruction of property.

Juvenile Court Judge Clifton M. Kelly placed the youth on probation and ordered him to make restitution equal to one-third of the total amount of damages.

The second youth had been charged with auto theft, breaking and entering with intent to commit a misdemeanor, malicious destruction of property. He too was placed on probation and ordered to pay one-third of the damages.

Adjudication was withheld on these two. The third youth, however, was adjudicated delinquent and committed to Division of Youth Services for assignment to a DYS facility. He was ordered to pay one-third of the damages. This youth had been formally charged with breaking and entering and grand larceny.

At the same session of juvenile court another youth charged with auto theft was adjudicated delinquent, placed on probation and ordered to make restitution for damages. A youth charged with attempted petty larceny was adjudicated delinquent, placed on probation and ordered to

pay half the amount of the damages.

A juvenile accused of lewd assault on a child was placed on probation.

In two cases children were formally declared dependent and places in temporary custody of Division of Family Services.

Ambulance

Service Changes

Agency

Ambulance service for Highlands County has made a smooth transition from sheriff's department into a new separate county agency.

Highlands County Emergency Medical Services came into being last week and began answering calls at 8 a.m. Oct. 1. By midnight Oct. 4 EMS had answered 19 calls: 13 emergencies and six transfers. EMS coordinator Wayne Harris said most of the emergency calls originated at homes; highway accidents were down last week.

Five of the emergency calls were made in Sebring, five in Lake Placid and three in Avon Park. The transfers (non-emergency calls such as transporting patients home from the hospital) were concentrated in Sebring; five in Sebring and one in Lake Placid.

AFTER THE PARTY IS OVER

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

©Coleman Adv. Ser.

Have you ever felt like this little girl after a big, exciting day at the Fair, or a party? You know how you feel — excited, exhausted; but you feel good, too. Sometimes you just want to lie down and think about it. But like the little one in this picture you, also, are too tired to remove your party hat or your shoes.

Sometimes it is delightful just to lie down and think of something good and wonderful and happy. It is good just to be still and sort of day-dream about what has happened.

There are other times in our lives when we need to achieve a sense of quietness and think of God. The Psalmist says, "Commune with your own heart upon your bed and be still." Psalm 4:4. God says in Psalms 46:10 "Be still and know that I am God."

We invite you to attend church and sense the still, quiet holiness that is God's presence in the midst of the congregation.
