First Federal Schedules Branch Office Opening

The Avon Park branch of the First Federal Savings and Loan Association of Highlands County will tentatively open for business in their new building on West Main St. on Monday, Dec. 22, 1975, stated Stanley H. Davis, President.

The first mobile office in Avon Park opened in June 1967 with a branch office opening July 12, 1973 at the Pantry Pride shopping center. Construction of the new building started last spring and will house a full service branch office with a safety deposit box section.

Before there were branch offices, First Federal Savings and Loan Association of Highlands County took service to the people via a mobile office.

First Federal "hit the road" June 12, 1967, with a vehicle looking much like an oversized motor home. One staff member—usually Mary Alice Martin, and sometimes Sara Holfield—would drive the big van to Lake Placid two days a week and to Avon Park two days.

In July 1970 permission was granted for the mobile unit to operate at Sebring's Southgate Shopping Center. Wednesday was the day at Southgate and rounded out a full week on the road.

Mondays and Tuesdays were the Lake Placid days, reported Davis.

Tools valued at \$650 were stolen in a break-in at Woody Brown garage in Avon Park. The break-in occurred the night of Dec. 3. A back window had been broken and the garage back door was open.

A check with persons living in the neighborhood turned up a man who said he had bought a large quantity of tools for \$7.

The tools L.E. Hart had purchased were identified as those stolen from Brown's garage.

After Brown had been identified as seller of the tools, the felony charge was placed against him and bond on that count set at \$1,000. On the disorderly intoxication charge he was fined \$50 or six days in jail.

Man Accused Of Stealing Garage Tools

An Avon Park man jailed for disorderly intoxication now faces charges of receiving stolen property. Billy Turner Brown, 36, was picked out of a line-up at the sheriff's department, identified as a man who sold some tools reported stolen.

Junior Women Need People For Follies

The December business meeting of the Avon Park Junior Woman's Club was held Tuesday at the Woman's Clubhouse on South Verona Avenue. Arline Tanner opened the short business meeting with the reading of an inspirational poem.

Each member brought a doll or \$1 for the Lion's Club Christmas baskets. The Executive Board suggested that each member purchase and wear, at all times, a small bi-centennial flag pin to commemorate our nation's 200th birthday. The club adopted this suggestion.

Mrs. Tanner reported that our Thanksgiving Basket was delivered and greatly appreciated. The upcoming January 'Folies Bergere' was discussed. The January meeting will be a 'Talent Party' on Jan. 6 to kick off practice for the follies. Everyone is urged to bring plenty of talent to this meeting. Anyone interested in participating in any way in the follies is urged to attend the Talent Party. It will be held in the National Guard Armory on U. S. 32 at 8 p.m.

Mandy Crews reported on the Cast Party to be held Saturday night Jan. 24 immediately following the

follies performance. It will be a dinner held at the Lion's Club building and catered by the Homestead Restaurant. Charge will be \$10 per couple to cover cost of the meal. Free babysitting will be provided during follies practice.

Final plans were made for the Christmas Progressive Dinner for club members and their guests. The dinner will be Saturday Dec. 13 and begin at the home of Arline Tanner for Hors d'Oeuvres. Salads will be served at Sue Mosley's, the main course at Doris Gentry's, and end with dessert at the home of Betty Hart.

Instead of a guest speaker or formal program, each member brought a Christmas Craft she had made and demonstrated how it was made. Everyone enjoyed this sharing of ideas! Delicious Christmas punch and cookies were served by Hostesses of the month, Linda H. Laye and Linda K. Laye.

Accused Kidnapper Charged With Murder

The man accused of kidnapping Mrs. Jessie Nelson started an Indian River court by stripping off his clothes when arraigned Monday. Jasper Mines was brought into 19th Judicial Circuit at Vero Beach to enter a plea on a first degree murder charge.

Mines is accused of slaying a 20-year-old Satellite Beach hitchhiker a short time before he captured Mrs. Nelson and held her hostage for 16 hours. Mrs. Nelson is the wife of former Sebring resident James Nelson and sister of Mrs. Jerry McKennie of Sebring.

After the long siege at a Lake Wales real estate office, Mines released Mrs. Nelson and surrendered. State Attorney Glen Darity said Mines may face kidnapping and aggravated assault charges in this circuit, but formal informations on these two counts have not been filed.

On the murder count Mines has entered a plea of not guilty by reason of insanity. During a hearing on motions, held Monday, Mines suddenly stripped off his clothes and spun around to face court spectators. Flinging his arms outward he cried, "Crucify me, crucify me, just like Christ."

Deputy sheriffs dressed Mines and Judge Poyce Lewis warned him against outbursts. However, minutes later, Mines began exclaiming, "I am the Lord Messiah. You have crucified me already."

Hi Friends,
Bill of Rights Day commemorates the acceptance of the Bill of Rights as amendments to the United States Constitution. Its purpose is to make Americans increasingly aware of their rights and responsibilities as citizens. President Franklin D. Roosevelt proclaimed December 15 as Bill of Rights Day in 1941, and it has been observed nationally since then. Some states, including California and New York, set aside an entire week of Bill of Rights Week. The Bill of Rights is contained in the first ten amendments.

The special honor of Citizen of the Week goes to Mrs. Rosa Lee Powell of 405 South Tulsa Drive for the superb upkeep of her home and surroundings which help make Westside Park beautiful.
Black History in the Making:
Sejourner Truth
Sejourner was born on Nov. 26, 1883. In 1927, she changed her name to Sejourner Truth as a result of a vision, went up and down land preaching freedom.
English Lesson for the week:
Right: The people of the world eat lots of fish.
Also right: The peoples of the world eat lots of fishes.
Explanation: The "i" on people and "es" on fishes are correct and therefore acceptable when one has reference to the races of people or peoples and the species of fish or fishes.
Thought Conditioner for the Week:
If you are not getting answers to your prayers, check yourself very thoroughly and honestly as to whether you have resentments in your mind.
Spiritual power cannot pass through a personality where resentment exists. Hate is a non-conductor of spiritual energy.
I suggest that every time you pray you add this phrase, "Lord take from my thought all ill will, grudges, hates, jealousies." Then practice casting these things from your thoughts.
When ye stand praying, forgive, if ye have ought against any.
Mark 11:25

parole by Christmas 1973 has hit a new snag in a long fight for freedom.
In Tallahassee Monday Florida Parole and Probation Commission Chairman Ray Howard said a parole examiner has recommended a delay in acting on parole for Mrs. O'Mara.
The examiner had interviewed Mrs. O'Mara at the Lowell Correctional Institution where she is serving a life sentence for perjury. The sentence was imposed in circuit court in Miami in July 1973. The perjury charge grew out of a murder trial for her one-time lover John Sweet.
Mrs. Macy had testified against Sweet in two trials. He was charged with plotting the death of Mrs. Macy's wealthy husband, Highlands agribusinessman Charles Von Macy.
In her perjury trial Mrs. O'Mara was defended by Tampa attorney Frank Ragano. In October of this year she filed a civil suit against Ragano, charging that she had paid him \$50,000 to "buy a parole" for her. She claims that he had promised to obtain that parole by Christmas of 1973.
Monday Parole Commission Chairman Howard said the parole examiner had suggested that a decision on an O'Mara parole be delayed until one of the seven parole and probation commissioners can personally meet Mrs. O'Mara.
Howard said this recommendation is unusual and is linked to the allegations about buying release.
No decision has been made as to whether a commissioner will make an interview Howard

said that decision will be made later this month.

The case could be assigned to another examiner or could be passed over for regular review next year.

Whatever the decision by the commission, Mrs. O'Mara seems headed for her third Christmas in prison.

Mrs. O'Mara's present defense attorney, Richard Langley of Clermont, said the parole request may not be acted on now until spring.

"It is an unusual case," he remarked. "We took a calculated risk when we brought this stuff about bribery out, but we felt it was better to make a full disclosure."

Langley said he has not taken action recently in the civil suit which asks for the \$50,000 to Ragano to return the \$50,000 to Mrs. O'Mara and an additional \$1 million. Ragano had threatened a countersuit but Langley said such a suit has not been entered.

Multiple charges of receiving, concealing, possession and selling stolen property and possession of a short-barreled shotgun against an Avon Park woman have been dropped, according to a spokesman in the state's attorney's office in Sebring.

All charges were dropped against Mildred Segars Light, 34, who had been arrested on the charges by the Avon Park Police Department.

Stanley Abrams, 18, arrested in connection with numerous break-ins, pled guilty on three counts of breaking and entering of automobiles and one count of breaking and entering of a building.

A pre-sentence investigation is being conducted and he is slated for sentencing Dec. 22.

Brentwood Mobile Court News

By MARY RIMES

Last Monday two more of our families returned in time for Thanksgiving Day with us - Ed and Emily Craig of New Hampshire and Larry and Doris Hallup of Michigan.

Our managers, the Richard Riders and their three sons, Rodney, Randy and Ricky were over Thanksgiving Day guests of her parents, the C.L. Thompsons in Leeburg.

With a great big, beautiful, brown roasted turkey, done to perfection as a centerpiece, and all the luscious trimmings, we sat down to a most bountiful pot luck dinner in our recreation hall, artistically decorated for the occasion.

A hearty welcome was given by our vice-president, Lucy Holaday who then invited Ruth Rogers to give the benediction. She gave thanks to God for our many blessings and watchful care over us - forgetting not those in the world less fortunate. We all agreed it was a very special and enjoyable day.

Bill and Marie Good entertained for dinner Thursday, Mrs. Mildred Strengthen, her daughter, Carolyn and her family, all of Avon Park and Joan Dowling of Toledo, Ohio, also their two sons, Bill Jr. and Gary and his daughter, Teresa.

The Davis Lewis and Frank Straka families were Thursday guests of friends, Mr. and Mrs. Fred Clark in Zephyrhills.

Vera Dampier was a Thursday dinner guest of Mr. and Mrs. Fred Montarosa of Lake Isis and in the afternoon visited her mother, Mrs. Gladys Vaughn and other relatives there in Frostproof.

The Ward Bowers were among the guests of their cousins, Mr. and Mrs. Keith Gebb of Highlands Avenue Thanksgiving Day.

Mr. and Mrs. Hubert Johnson spent Thanksgiving Day with the Iskers at Indian Lake Estates.

The Howard Leacoxes joined a group of friends at the Jack Johnsons in Char Lee Oaks, Sebring for dinner Thursday.

Last Monday the Hubert Johnsons enjoyed a trip to Sea World and Lake Buena Vista Shopping Village.

Ed and Emily Craig were Thanksgiving dinner guests at the home of Mr. and Mrs. Burness Sweet on East Bell St. The delicious dinner was served outdoors on the patio with eleven guests present.

Mrs. Gladys Geib of Avon Mobile Park was a caller of the Rousebush's Friday. Everyone is going to their house to view and take pictures of their beautiful double poinsettia bushes such gorgeous big blooms just a blaze of color and add much to the beauty of our court.

Your reporter and hubby celebrated their wedding anniversary Saturday by going to Disney World to see the Bicentennial parade. It contained well over 50 units and was headed by a gigantic bald eagle float, carrying Mickey Mouse, Donald Duck and Pluto. It depicted the highlights of our history from Columbus, the Pilgrims, Betty Ross and the gold rush, through inventions, transportation, communications and sports; even the lowly hot dog and five cent ice cream cone, showing the American Way of Life. It ended with Uncle Sam, and the Statue of Liberty and the singing in unison of "God Bless America." It was fantastic!

First Wildfire In County Reported

The first big wild fire of the winter season broke out Dec. 5 in the Henscratch area south of Josephine Road, Florida Forest Service reported Tuesday that the fire is still burning but is under control. So far 500 acres are involved.

The fire at Henscratch is the largest of four fires the forest service has battled in the past week. Two much fires broke out south of State Road 621 in the Lake Placid area. Each of these blazes destroyed approximately 1 acre before they were extinguished.

Dec. 7 a fire destroyed 1 acre, two miles south of Sebring behind Highway 109.

No causes have been determined for these fires. Phil Conrad, Florida Forest Service ranger supervisor, today issued a plea for caution in handling open burning.

"Things have really dried out," he said.

Bonnie Brae News

By MARGIE WELLS

The Christmas parade last Thursday night was one of the best that Avon Park has ever had. Everyone who entered floats to be congratulated for the work and beauty of each one. All of us in Bonnie Brae were particularly proud of our float and appreciate the many hours of work which the men gave. The float is at the entrance of our park and anyone who missed seeing it should drive by and see it.

It was a real pleasure to receive a letter this week from Mr. Carl Wertbar of Springfield, Ill. Mr. Wertbar is a stranger to me but he is a former resident of Bonnie Brae and is a subscriber to the "Avon Park Sun." He wrote to tell how much he enjoyed the paper and the mobile home news.

"Thanks, Mr. Wertbar, and we hope to hear from you again."

We would like to express our sincere sympathy to Bonnie Parkhurst on the sudden death of her sister, Mrs. Edna Clark of Indianapolis, Ind. Edna had visited our park many times and her most recent visit was approximately six weeks ago.

Mrs. Doris Clark of Weymouth, Mass. is visiting Swap."

her sister-in-law, Thelma Miller. She is also a sister of William Chalmers.

Dan Bohland's brother, Rudy, and his wife, Mary, from Hickory Hills, Ill. who are visiting here had dinner at the beautiful Kapok Tree Inn. They also visited the Highlands Hammock State Park.

Margaret and Gene Brown entertained Thelma Miller as their dinner guest on Friday evening.

Ray Jones has returned after a stay in the Winter Haven Hospital and we all wish him a speedy and complete recovery.

Ruth and Charles Riffe of Ashland, Ky., arrived on Saturday for a month's visit with Margie and P.D. Wells.

The Riffes are in a travel trailer on "The Strip" right next door to another Kentucky couple, Variana and Joe Asher of Pineville, Ky. It's good to see our travel trailer space filling up and we hope all of you will join in on all of our activities here in the park.

Christmas dinner will be held on Dec. 18. Please be sure to sign up for it and don't forget your gift for the "Yankee Swap."
