City Officials Seek Federal Grant For Ball Complex And Mini-Parks

MAYOR MARSHALL DAVIS, (center) welcomed Fire Fighting officials to Avon Park at the Fireman's State Headquarters on Highway 275 last Friday night. At the left is C. R. Robinson, Tallahassee, President of the Florida State Firemen's Association. Inc., while watching is Bob Chipley, Executive Director of Firefighters Standards Council and Acting Bureau Chief of Florida State Fire College, Ocala. (Photo by Miller)

New business taken up by the City Council at their regular Monday night meeting started with a report that HUD is holding a conference at Jacksonville University Campus, Thursday, Jan. 30 on discretionary funds. The sum of \$8 billion has been allotted to this program for the next three years. The council discussed the possibility of obtaining a grant to finance the construction of the ball park complex and neighborhood mini-parks, since other sources of funds apparently had dried up.

Council moved to send City Clerk Malcolm Crews and Ball Park Complex Chairman Durrah Martin to the HUD meeting in Jacksonville to explore the possibility of securing a grant. Complex Chairman Durrah Martin requested that the council add additional members to the committee and recommended that the following be appointed: David Johnson, Charlie Wells, Virgil Sizemore, Henry Dennis, Wendell Williams, Ronnie Jackson and

Malcolm Crews to act as secretary. Chairman Ophelia Rihner of the Avon Park Recreational Council recommended adoption of a suggested ordinance prepared by the recreation council. They also recommended that 10 members be appointed from a list they have prepared. The recreation council commended Dennis Guenther for his good work at the Recreation Center and recommended he be appointed as Recreational Director.

Councilman reported having received reports of trash and cans on the parking lot near the recreation building along with reports of drinking at the parking lot during the Saturday night dance. The discussion brought out that older youths come late, park, look, drink and don't attend the dance but leave their trash and cans. Chief of Police Grady Campbell said they had been called and picked up one boy

and had been severely criticized for leaving two others—but a man who had seen all that had happened between the three boys, didn't come forward. The Chief recommended that a way to control the misuse of the parking lot by older youths was to have an officer there during the dances. By Recreation Director Dennis Guenther and several young people. Several persons had

complained to councilmen about noise and lack of supervision at the Recreation Center. The discussion that followed pointed out that there are several centers of activity with volleyball or basketball on the second floor, games and sometimes a meeting in rooms on the first floor and sometimes volleyball in the court at the rear of the building, thus making it a bit difficult for the Recreation Director to be in several places at the same time.

Commissioners Interested In Controlling Water Outflow

Commissioners expressed interest Tuesday in supporting a proposal that would give them greater control over the flow of Highlands County water into adjacent counties.

However, when county attorney R. L. Dunty Jr. cautioned against moving too rapidly, commissioners asked him to review the matter and provide legal advice.

James Duane, executive director of the Regional Planning Council, of which Highlands County is a member, said the council had requested that the council add additional members to the committee and recommended that the following be appointed: David Johnson, Charlie Wells, Virgil Sizemore, Henry Dennis, Wendell Williams, Ronnie Jackson and

Alert Banker Foils Swindler

A bank official's careful adherence to rules saved Avon Citrus Bank from the antics of a swindler who has cheated many Florida banks—including one in Highlands County—out of thousands of dollars. Mrs. Mary Lee King, vice president of Avon Citrus, told a new depositor that he could not cash a check until the checks he had deposited had cleared. On Jan. 4 a man using the name James Allen had deposited \$100 in cash and \$15,344 in checks. On Jan. 17 he attempted to cash a check for \$8,000.

Avon Citrus not only refused the check, made out to cash,

but reported the incident to the Federal Reserve Bank's office as a possible swindle. At the same time the report was being made, however, Allen was busy cashing an \$8,500 check at another bank.

On Jan. 16 Allen had made a deposit in that bank — \$100 cash and \$18,725 in checks. Next day he made the big withdrawal. On Jan. 21 the bank learned checks deposited by James Allen for Central Manufacturing Co. were phony. But by Jan. 21, Allen was gone. Investigators L. Glenn Hartsfield and L. Richard

Cooper report Allen has worked the same swindle throughout Florida. "He ripped off two banks in Fort Myers, one in Jacksonville and his last about every town in Polk County," Lt. Hartsfield said. The investigators say Allen's method varies little from bank to bank, town to town. He visits a bank, introduces himself as manager for some — fictional company which is "planning to open a new branch." The firm names used in Highlands County were Southeast Distributors and Central Manufacturing Co. He makes a deposit — \$100 in

cash and a much larger amount in checks made out to the company he is supposed to represent. A few days later he returns to the bank, goes to a different teller, presents a large check made out to cash. Unless the teller checks records carefully enough to note that Allen's earlier deposits have not cleared, the bank loses. "He has even been known to go back and withdraw his cash, say \$80 of the \$100 real money," Lt. Hartsfield explained. "So far we do have \$200 of his money in this county and we hope he comes back for it," the deputy said.

THE AVON PARK Bi-Racial Committee held a special meeting at the Avon Park City Hall last Thursday night at which time Dr. John Crittenden (right center), principal of Avon Park High School, told the committee and an audience of approximately 25 people of the disturbances

at the high school and what had been done to alleviate the situation. (left to right) Johnnie McRae, Jerry Boone, Rev. H. D. Graetz, Mayor Marshall Davis, Crittenden, Thomas Brown, Rev. Ed. Tinspe and Rev. Aden Childress. (Photo-Miller)

High School Calm After Two Weeks Of Unrest

A fine and suspended jail sentence have been imposed in an assault case which triggered a series of racial incidents at Avon Park High School. James Elder, 18, of 200 N. Lake Ave. in Avon Park, pleaded guilty to the charge of assaulting a minor. Avon Park Municipal Judge David Lanier adjudged Elder guilty, fined him \$100, sentenced him to 15 days in jail. The jail sentence is to be suspended day to day for 30 months. The case disposition also provides that Elder pay the victim's hospital bill or spend an additional 10 days in jail. Judge Lanier said the bill is \$70.

Hearing in the case was held in municipal court on Jan. 23. Elder not a student. The incident involving Elder, who is not a student, and a 14-year-old APHS student had occurred during the Avon Park — Frostproof basketball game early in January. Elder is white, the younger boy is black. School officials later said tension from this affair spilled over into the high school. Elder's white girl friend was above the additional rental fee then the rental rate would be revised upward.

The Rev. Edward Tharpe, pastor of Florida Avenue Baptist Church, who had addressed the bi-racial committee last week, urging parents to adopt a calm approach to students' problems, said this week that emphasis must not be on past happenings but on ways of preventing new hurts in the future.

The other item of old business was an aviation easement for the airport. The threshold for measurements had been moved from the intersection of the taxiway and runway to the 300 more feet of useable runway which would require a change in the legal descriptions on the easements. City Attorney Jack Hancock reported that it would not matter in the easement from the Touchton property as they had included all of their land in that area in the easement. It might eliminate the need for an easement from the South Venice Corporation.

The rent per stall would be increased five dollars per month to cover the cost of electricity. If the electric bills were above the additional rental fee then the rental rate would be revised upward.

Massey Mobile Home Damaged By Fire

After a month of devastating fires, Florida Forest Service finally came up with a quiet week. However, blaze did sweep through a mobile home on Dressel Road, northeast of Avon Park, causing \$3,000 damages.

Jerry Massey reported that when he came home about 5 p.m. on Jan. 27 he turned on a light in the dining room and walked to the back of the mobile home. He noticed the drapes in the dining room were fire. He rubbed back to that area, pulled the drapes and curtains down but the fire had already started to spread into the living room. Using a hose, he was able to extinguish the fire before the whole home became

involved in the blaze. Florida Forest Service had been notified, but Massey called the service to report the fire out before equipment had made the run.

The forest service said it had received a few calls of that type during the week. At 3 a.m. on Jan. 28 the rangers made a run to Venus where a mobile home had been reported. A search of the neighborhood failed to turn up any signs of fire of any type.

Early last week a shallow muck fire threatened to smolder stubbornly in the baysheds to the west of Sun 'n Lake, Sebring. Heavy rains on Jan. 26 apparently drowned pockets of fire the forest service was working to keep under control.

City May Demolish Buildings

The City Council at its regular Monday night meeting Tuesday by Building Inspector C.W. Ellerbe on the status of three condemned buildings. Robert Oliver was notified by certified mail to take corrective action on a condemned building and promised to get a contractor to tear it down. City Clerk Malcolm Crews was advised to follow this action with a letter to Mr. Oliver.

Queen Ester Cowart owner of the fire struck old Els bakery building seemed to want the city to do the work and suggested that the city take bids to demolish the building. Ed Hipps had secured a demolition permit and demolished a condemned building himself, with the building being on the ground. A procedure for handling of condemned buildings was given by City Attorney Jack Hancock: A report of the condition of the condemned building should be made to the council. The Council could then order the owner to appear at the meeting to show cause, if any, why the building should not be demolished. Then a resolution is passed, bids are taken and the structure is demolished. The owner is then billed for the cost and if the bill is not paid it is assessed on tax rolls against the property.

A quotation for pest control services and termite inspections of city buildings was given to the Council by Hood Pest Control. It was moved to accept the agreement with Hood Pest Control for

quarterly pest control service at the City Hall, Fire and Police Stations and the Recreation Center at \$25 per quarter on each building and

for annual termite inspections on the Toilet Building and the Recreation Center at a cost of \$30 for each building. Residents of the Manors

Volunteers Need More Equipment

The fifth Annual Meeting of the Highland Lakes Volunteer Fire and Rescue Association, Inc. was held at the Highland Lakes Junior Academy on Jan. 23, 1975. President Ray Walker said in his opening remarks that in order to save time he had prepared a written report so that everyone could have a copy to take home with them along with a copy of the Treasurer's report. He did however comment on the following:

He stressed the need for more active participation by the residents of the area in the northern portion of Highlands County. He remarked about the growing demands being made upon the county commissioners for county-wide protection.

He expressed concern because the former president could not attend because of the continued contributions still being made by Robert Sanborn.

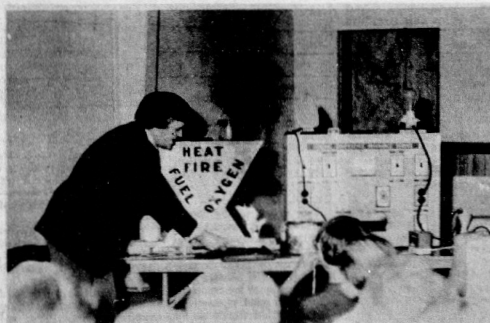

He commented about the lack of support being given our youthful fire fighters by some of the senior citizens in the area. Walker said that it is easy to say, "thank you

gentlemen for a job well done," but that doesn't provide them with the necessary equipment to serve us better. Chief Brenner was there with his group of Fire Fighters to display their three trucks. The

area again requested that the city install street lights. However it was pointed out that streets in that area are 20 feet wide — whereas the city

requires a 36 foot right-of-way and the city cannot legally erect lights on private property. of study conducted by a representative of the college on December 9 - 13, 1974. Chief Flowers also discussed the need for more support for

latest one being a G.M.C. 6 x 6 with a 1500 gallon tank. Chief Flowers of the Avon Park Fire Dept. awarded certificates issued by the State Fire College of Ocala to those who completed a course

It takes three things for a fire, stated Bob Collins of General Conference Insurance and Risk Management at the Highland Lakes Volunteer Fire and Rescue Association

meeting last Thursday. Collins cuts off the oxygen supply of blazing gasoline by placing a cover over the cast iron skillet. (Photo by Miller)

Heritage II

Gospel Singers

At Highlands

Academy

Heritage II, one of the newest voices in Gospel music, will be here in Avon Park on February 3 at the Highlands Lakes Junior Academy Gym, at 7:30 p.m. There is no admission charge.

Heritage II is one of the widest traveling full-time Gospel singing groups in the country today. Based in Placerville, California, this self-supporting group spends ten months of the year traveling.

This season they will present their program mainly in the Eastern and Southern parts of the United States, giving over 200 concerts in cities Denver, San Antonio, and Oklahoma City.

Their Director, Richard Lange, says that "the purpose of the 3 member group is summed up in John 12:32, to lift Christ up so that He will draw all men to Him." Heritage II hopes to help many see and understand Christ in a new way, and to encourage them in a closer walk with Jesus Christ.

Heritage II has recorded two new Gospel albums with full orchestras. These recordings will be on sale at the concert.

City Asks For

Six Police

Under Title 6

At its regular Monday night meeting the City Council heard a report from City Clerk Malcolm Crews and Police Chief Grady Campbell on a meeting they had attended in Bartow last week. A request had been made again for two walkie talkies. The City Clerk was later informed that Tallahassee had said the city failed to cooperate in the state communications plan and was not eligible. Both Chief Campbell and City Clerk Crews denied that the state had made any request of the city which had been refused.

It was suggested writing to the office in Tallahassee to see what could be done to comply with their requirements.

A discussion of additional Police personnel for the City revealed that Title 6 of the Manpower Act would only 16 personnel in Highlands County. Mr. Chabot of the County office has been contacted with a request for six policemen for Avon Park.

The Council heard the report of an accident involving a police car on Jan. 11. The police car was on East Main Street and a car driven by G. Green travelling in the same direction changed lanes striking the police car causing damages of \$196.15. The police car was not at fault.

Water Outflow

(Cont.)

member, had asked for commissioners' support of a proposal that would make the drilling and transporting of water across county borders a matter of regional concern.

Duane told commissioners that his office, which handles regional impact statements prepared by developers, now has no jurisdiction over the shipping of water out of the region.

He wants the planning council to exercise control over water drilling and transportation when quantities involve more than 3 million gallons per day.

Duane pointed out that the Florida legislature had already assigned control of water extraction to the flood control district. He objected to Duane's proposal on the basis that the county and the regional planning council were powerless to overturn water distribution decisions of the flood control district.

Duane called attention to the recent controversy surrounding a drawdown of Lake Istokpoga water levels. Interested citizens filled the room at the public hearing to protest the flood control district's proposals. Duane recalled, but the district did what it wanted to do anyway.

Commissioners asked that the county attorney provide his legal recommendations on Duane's proposal so that they might consider a response at their meeting next Tuesday.

Fire Talk

County

OK's County Wide Fire Study

Before a standing-room-only audience, county commissioners agreed Tuesday to pay consultant Robert C. Byrus \$2,500 to conduct an analytical survey leading to the development of a countywide fire protection plan. The survey is to be completed within 90 days.

Byrus, a resident of Sun City Center, recounted his extensive experience in conducting fire protection studies for other counties.

Since he joined the Palm Beach Fire Department in 1924, Byrus said he had spent six years at Iowa State University and 15 years at the University of Maryland as chief of those schools' fire services programs. He has also served as a fire protection consultant to a number of federal agencies.

Responding to a question from commissioner Norman J. Beston, Byrus said he planned full use of the fire protection plan prepared several months ago by a member of the Florida Division of Forestry.

That's a good basis for consideration," he said. "The (Division of Forestry) indicated they were reluctant to go into the field of structural fire protection." Byrus told commissioners, "Their area of specialty is the woods, grasslands and natural cover fuel-type fires. There, they are without peer."

Byrus said he would draw upon the expertise of city fire department, volunteer fire units, civil defense and the forestry service in preparing his plan.

Bill Conrad of the Division of Forestry reported that his organization has responded to four calls for assistance in fighting structural fires thus far in January.

In 1974, the forestry service responded to 181 fire calls, 16 of which were structural fires (buildings and automobiles), Conrad said.

Attorney James F. McCollum Jr. told commissioners that he represents a group of concerned citizens who had planned to petition for the establishment of special taxing districts to support a county firefighting capability.

McCollum supported commissioners' plan to proceed with the county wide survey.

Commissioner Ken Wilkinson told Byrus that he would expect recommendations to contain

several options, so that commissioners could choose the solution best suited to the county's financial, geographical, and political situation.

Byrus is to be paid \$750 immediately, \$750 more when the first draft of the study has been tendered and \$1000 when the final survey has been completed.

In other business, commissioners:

— Informed school superintendent George Douglas that they will have county engineer Gordon Hays Jr. estimate labor and material costs to have the road and bridge department construct a 30 car parking lot and access road at the new school administration complex.

— Authorized preparation of a resolution voicing their opposition to increasing from 73,000 to 80,000 pounds the maximum gross weight of trucks using state highways.

— Accepted a bid of \$1,044.85, submitted by Long's Air Conditioning, Inc., Avon Park, for supplying a cooling tower, at the courthouse annex.

— Instructed Hays to inform Laurel Baxter, Sebring Manor resident, that the county would be unable to install street signs on Granada Ave., Sunset Road and Highlands Road because those names duplicate those of other area streets. Commissioners suggested that other street names be selected to reduce possible confusion to postmen and forestry service firemen.

Authorized advertising a public hearing to be held 9 a.m. Feb. 11, commissioners' meeting room, concerning a Spring Lake subdivision proposal to vacate tracts 6 and 7.

Instructed county administrator Charles Cullen to give city and county agencies priority over state

Volunteer

Firemen

(Con't)

volunteer groups by the state, county and residents of all areas and the mutual aid agreement now existing between the City of Avon Park Fire Dept., the State Forestry Service and the Highlands Lakes Volunteer Fire and Rescue Association.

Edward Conrad Jr. of the Forestry Service spoke about the cooperation existing between their organization and the Highlands Lakes Volunteer Fire and Rescue Association and their willingness to assist in any way possible.

Bob Collins of the General Conference Insurance and Risk Management presented a very enlightening demonstration on the causes of fire, the prevention of fires and safety.

New Board Members elected to serve in place of those whose terms had expired, were: Edward Simons, Roy Orr, Kelly Phillips, Richard Crabtree, Edna Hodson, James Crabtree, George Hurst and Roy Simons.

A meeting will be held by the board of directors on Thursday night, Jan. 30 at the fire station to select their executive board for 1973.

CITY OFFICIALS AND State Fire officials were entertained at a steak fry and reception by Avon Park Firemen and their Auxiliary last Friday evening at the Florida Firefighters State Headquarters on Highway 22 South. The visiting officials spent the night at Avon Park and Saturday went on to the Firefighters State Meeting at Margate. (Left to right) Bob Chipley, Executive Director of Fire Fighters Standards Council, Ocala; Malcolm Crews, City Clerk; Jack Hancock, City Attorney; Wendell "Winkie" Williams, City Council President; Jim Bennett and C. R. Robinson, President, Florida State Firemen's Association, Inc. Tallahassee. (Photo-Miller).

DOT To Maintain

Highlands Hammock Road

County engineer Gordon Hays Jr. found himself the bearer of good news when he reported to county commissioners Tuesday.

Hays said he had just learned that the state Department of Transportation (DOT) would soon assume responsibility for maintaining SR-634 from U.S.

27 to Highlands Hammock State Park, and would also maintain SR-635 from SR-66 to the park entrance.

This welcome information came from a state publication entitled "Florida Primary Roads (1974) and Aerial System," published by the DOT.

Prevatt To Attend

Water Plant Operator

Short Course

In other action at its regular Monday night meeting the City Council moved to adopt the loan agreement with the Florida Department of Pollution Control to borrow construction money for the sewer program. This loan is to be repaid by long term financing from the Farmers Home Administration.

After discussion it was moved to send Hays Prevatt to a short course at Polk Community College and to the University of Florida for training as Water Plant Operator, as the city will need a water plant operator when the chlorinator equipment is in operation.

Prevatt has been with the Water department for seven years and had applied for the training.

The DOT report also said that the state would remove SR-621 and SR-731 from the primary road system and return both to Highlands County for maintenance under the secondary road program.

Before either road is returned to the county, however, DOT expects to resurface them, if necessary, to bring them up to standards.

Griffin Asks For Quit Claim Deed On Lots Purchased

At the regular Monday night meeting of the City Council they heard from Attorney David Lanier, representing Ben Hill Griffin, Inc., requesting that the city release a reverter clause, for industrial use, on lots sold by the city to Ben Hill Griffin, Inc. in 1949. The lots located between the railroads and between Circle and Windup Streets were zoned for industrial use when the city established a zoning code. The release of the reverter clause was requested inasmuch as it constitutes a cloud on the property title. It was so moved.

The Council was advised that a Pre-legislative conference will be held in Tallahassee on

Mar. 19-21 to which several councilmen indicated they might be interested in going.

A request by letter from D. R. Dubach, Vice-president of the Highlands County Bank of Avon Park that a street be built across the Mall just west of the Seaboard Railroad to serve a drive up window for the new bank building. A similar

request had been made in 1969 by Jahna Concrete for a street through the Mall.

Permission to build a one-way street would have to be secured from the Department of Transportation and the street should not interfere with the railroad. Council members were requested to look over the site before the next regular meeting.

Beane Asks For Civil Service Board And Council Meeting

In his report to the City Council at their regular Monday meeting Melvin Beane, Secretary of the Civil Service Board appeared and said his board is not getting much accomplished. He is sure the city officials

don't know all of the Civil Service regulations and is also sure the Civil Service Board members do not know all of the city regulations.

Beane mentioned test questions and grade levels as being part of the problem. He

had spent hours on a set of questions for police officers and these had been approved by the City Attorney but were thought to be too hard for the officers. Thus Beane would like the Council to review all Civil Service rules and then meet with the board.

City Council President Wendell Williams replied that he was certain the Council would cooperate in making the study and give it due consideration.

Beane said he had received notice of the creation of the assistant superintendent position in the street and sanitation department. He said he was not sure but thought the rules provided for the former occupant of this position to have first refusal of the position.

Council heard the minutes of the last meeting of the zoning Board of Adjustment. A report was given on Civil Rights as covered by the provisions of the law in connection with Reverend Sharkey.

A report on the Wage and Hour meeting attended by Mayor Marshall Davis and City Clerk Malcolm Crews in Orlando last week was given to the Council. Council President Wendell Williams requested the Council members to stop by City hall for briefing on the wage and hour subject.

In a discussion that evolved about adding \$300 to the budget for Avon Park High School Band Director Vic McKunas, Council Vice-president Milton Howard reported talking to officers of the Band Parents Association who said they sold lot of ads to the Band Concerts and the money was used to buy needed band supplies. Mr. McKunas was reported to have said he would not continue the band concerts after this year if the city did not pay the usual \$300. It was moved by councilman Howard and seconded by Councilman Larry Albritton to pay the \$300 to Band Director Vic McKunas for putting on the band concerts during the winter season.

After a lengthy discussion a motion was made by Councilman Howard to table action of the first motion. It was seconded by Councilman Albritton and passed unanimously.

AT MONDAY NIGHTS City Council meeting Civil Service Board Secretary, Melvin Beane told the Council he felt the board was not accomplishing as much as it should and requested a special meeting of the Council and the board to go over the Civil Service Rules. (Photo-Miller)

Aerosol sprays whether it be paint, insecticides or hair spray can be deadly as Bob Collins of General Conference Insurance and Risk Management demonstrated at the Highlands Lakes Volunteer Fire and Rescue Association meeting, with a can of hair spray across an open flame. Al Brady can obtain a blazing hair the same way with a lighted cigarette while spraying her hair-do. Photo-Miller.

Between The Bookends

I have added considerably the past few months to our Black History section of the Library. These are not new titles but are basic items which all public libraries want to have in their collections and which I want you to know are now available.

Bob Teague is the author of Letters To A Black Boy which reflects the racial unrest and problems of the Black American in the 1960's.

Growing Up Black was compiled by Jay David and the reader is given autobiographies of 19 Black Americans who grew up during the past two centuries.

The Negro Family In The United States by Franklin Frazier traces the social and economic conditions that have shaped the Black family from slavery through emancipation to the crisis of the Northern

cities. Negro Folk Music by Harold Courlander examines the origins, themes, and evolution of vocal and instrumental Negro folk music and its influence on popular music. We now have Martin Luther King's Stride Toward Freedom which is the story of the Montgomery civil rights struggle.

Phillip Drotin gives us a tribute to Black heroes who helped shape our nation in Black Heroes in Our Nation's History.

The American Negro Revolution: From Nonviolence To Black Power by Benjamin Mase traces the development of the civil rights struggle from the first nonviolent campaigns to the riots which erupted across the nation in 1967.

Black Like Me by John Griffin is a provocative account

of the author's experiences during his travels through the South in the guise of a Negro. A penetrating presentation of the experiences of James Baldwin in America and Europe can be found in his Notes Of A Native Son.

An American Black reports on the current mood of his people and defines the goals of their revolt in Louis Lomax's The Negro Revolt.

A sociological study of the Negro family as it has been influenced by continual contact and confrontation with the values of white American society is what author Andrew Billingsley brings to Black Families in White America.

Numerous other titles have been added to the collection including Black poetry, biographies of famous Blacks, and much of the excellent fiction now being published by Black Americans.

Stephenson-Smith of Avon Park in charge.

Nazarenes Take

Volley Ball

Tourney

The team taking the first place honors at the Men's Volleyball Tournament held last Tuesday and Thursday evenings (Jan. 21 and 22), never lost a game. They were the group of men who formed the Church of the Nazarene team. They played excellent ball, setting up beautifully for some fantastic spikes, by their big men on the front line.

The runner-up team, the Seventh Day Adventist squad, lost one contest, in the double-elimination tournament before being finally ousted in the finals. Both the Church of the Nazarenes and the Seventh Day Adventists were presented a handsome trophy for their fine efforts.

The tournament started at 7:30 p.m. Tuesday evening, with First Baptist going up against Wells Motor Company. The Wells Team came out on top in that contest. Next at 8:30, the Seventh Day Adventist lost a close one to the Church of the Nazarene squad. Then, the First Baptist and the Seventh Day Adventist played in the loser's bracket. The Baptist team was eliminated from the tournament with that loss. At 9:00, Wells Motor met the Church of the Nazarenes to determine who would go to the finals. The Church of the Nazarene team won easily. In the last game of the evening, the Seventh Day Adventist beat a weakened Wells Motor Co. squad.

In the finals on Thursday Evening, the Church of the Nazarene team slipped by the Seventh Day Adventist team, in a very close match to clinch the First Place trophy.

Smith Named

Interim

Prosecutor

Tenth judicial circuit State Attorney Glen Darty has named Allen R. Smith interim prosecutor for Highlands County. Smith will serve in the county pending appointment of a successor for Tom Wilson.

Wilson leaves the state attorney staff Jan. 31. He plans to enter private practice of law in St. Petersburg. Smith joined the state attorney staff in April, 1974, shortly after he had passed his Florida Bar examination. He has been handling traffic and misdemeanor cases for nine municipalities in Polk County and doing some miscellaneous assignments out of the Bartow office.

Smith will commute to Sebring from his home in Winter Haven. Smith is a native of Detroit but has lived in Florida for 22 years. He attended schools in Miami, is a graduate of University of South Florida. He received his degree in law from Florida State University, Tallahassee, in December 1973. He is married and has a son Ross, 16 months old.

Town Topics

Mr. and Mrs. John D. Turner had as their guest for a week their daughter and grand daughter Beverly Clarke and little Kellie L. Ane from Gainesville, Florida.

Donnell Brassell of Dunnellon, Fla. spent the weekend in Avon Park. Donnell was a former resident of Avon Park.

Mr. and Mrs. Albert Murphy of Merrieville, Georgia and Mrs. Helen White of Daytona Beach were house guests of Mr. and Mrs. George Murphy in Avon Park this past weekend.

Alma Doty and Nora Werner went to see the Guy Lombardo show at the Lakeland Civic Center.

Mr. and Mrs. Paul Myers of Haines City spent the day, Jan. 27, with Mr. and Mrs. Lewis Schenkel and Nora Werner of Golden Age Villas.

Jason Turner from Haines City was a guest of his grandparents, Mr. and Mrs. John D. Turner.

Mr. and Mrs. Jim Blacksten of Zephyrhills, Fla. spent the day last Friday in Avon Park. It was their first visit to Avon Park since Jim went to High School here in 1924 and 1925.

If you were in Lakeland last Monday you might have run into Mrs. John Turner and Kim Starr.

Courtney-Simon

Engagement Announced

Mr. and Mrs. Floyd S. Courtney of Canton, Ohio are proud to announce the engagement of their daughter, Terry to Ed Simon son of Mr. and Mrs. Edward C. Simon of Avon Park.

Terry is a graduate of Greenwood High School in Canton and is now attending Kent State University.

Ed is a 1973 graduate of Avon Park High School and attended Johnson Bible College in Knoxville, Tennessee. He is presently employed with Ben Hill Griffin, Inc.

Wedding plans are being made for August 2. The ceremony will be held in Canton.

Ridge Area Plans Annual Bike Hike

The quarterly Board of Directors meeting of the Ridge Area Association for Retarded Citizens was held on Monday, January 20, 1975, at the RAARC office in Sebring.

Executive Director Joe Stephenson gave a report on Workshop Center goals for the coming year.

Mr. Stephenson also reported the possibility that the Public Schools will take over the Developmental Training Program next year. It was the decision of the Board of Directors that the School Board be asked to take over this program next year.

The annual Fund Drive contributions to date are as follows: Avon Park \$3,309.00, Sebring \$1,559.50 and Lake Placid \$900.00. Contributions are still coming in at all locations.

Win-Some Class Met At King Home

The Win-Some Sunday School Class, from the First Baptist Church met last Tuesday evening, January 21, at the home of Mrs. Pat King on Lake Isle for a lovely party.

Ruth Thomas was in charge of games and Billie Smith gave the devotion.

A delicious congeal salad, saltines and coffee was served by the hostess.

There were 19 members and guests present.

Three Make Dean's List

Approximately 3,194 students at Florida State University made the Dean's list in the Fall quarter. The Dean's List is an honor roll of students whose grade point averages are "B" or "A" for all courses taken during the quarter.

Calendar Of Events

Local Baker
Salvages Half-Baked Rolls

One of our readers brought us a question and answer article she cut from the South Bend Tribune. We think some of our readers will be surprised.

Question: Partly baked rolls that you just put in the oven and brown always taste better than the raw, refrigerated kind. How did they come up with the idea that you could bake them then and they would still be good?

Answer: Like lots of inventions, that half-baked idea was an accident. A profitable one, too. Joe Greger was a small town baker in Avon Park, Florida. He was also a member of the volunteer fire department. One morning the alarm sounded when his rolls were only half done, so he pulled them out of the oven and rushed off to the fire station.

When Joe got back to the bakery he started to toast the soggy, half-cooked rolls. Just for the heck of it, though, he decided to put them back in the oven. And, to his surprise, they browned in minutes. An alert General Mills salesman heard about Joe's discovery and called it Brown 'n Serve.

Plans are being made for a summer wedding.

James is a 1973 graduate of Avon Park High School. He received his diploma in Auto Mechanics in 1974, from the South Florida Junior College, and is presently serving in the United States Army, stationed at Fort Carson in Colorado Springs, Colorado.

Julie will graduate in June 1975 from Avon Park High School.

Womans Club Plan

Fine Arts Festival

The Woman's Club of Avon Park will hold a Fine Arts Festival on Feb. 7 at the clubhouse beginning with a noon luncheon. Mrs. T. Hayes Maxwell will serve as luncheon chairman and is in charge of tickets to be sold in advance for a \$1.50 donation. No tickets are to be sold at the door.

There will be a fashion show during the luncheon and members entering the sewing competition will model their garments. Also anyone desiring to model their garment and not wishing to be in the competition may do so. Garments for the competition should be brought to the clubhouse by 1:00 p.m., Wednesday, Feb. 5. For further information contact Mrs. Earl Griffith, sewing chairman at 453-4415.

Members are invited to exhibit their art work for display and non-members may enter the exhibit by paying \$1.00 entry fee and if sold a 10 percent commission is to be paid to the Woman's Club.

Children of the Middle School and Ridge Area Day School will also display art work. All entries are to be brought in at 1:30 p.m., Thursday, Feb. 6. Please contact Mrs. Paul Olsen, 453-3414.

Crafts entries should be at the clubhouse by 10:30 a.m., Friday, Feb. 7. (limited to club members). Please contact Mrs. L. R. Nickoley, 453-4517. Mrs. Maurice Bush is co-ordinating chairman for the festival.

Crafts entries should be at the clubhouse by 10:30 a.m., Friday, Feb. 7. (limited to club members). Please contact Mrs. L. R. Nickoley, 453-4517. Mrs. Maurice Bush is co-ordinating chairman for the festival.

Crafts entries should be at the clubhouse by 10:30 a.m., Friday, Feb. 7. (limited to club members). Please contact Mrs. L. R. Nickoley, 453-4517. Mrs. Maurice Bush is co-ordinating chairman for the festival.

Crafts entries should be at the clubhouse by 10:30 a.m., Friday, Feb. 7. (limited to club members). Please contact Mrs. L. R. Nickoley, 453-4517. Mrs. Maurice Bush is co-ordinating chairman for the festival.

Crafts entries should be at the clubhouse by 10:30 a.m., Friday, Feb. 7. (limited to club members). Please contact Mrs. L. R. Nickoley, 453-4517. Mrs. Maurice Bush is co-ordinating chairman for the festival.

Pink Ladies Ruth Walker (1000 hours) and Pearl Robinson (500 hours) were presented pins for their volunteer service by John McClellan, Hospital Supervisor.

King And Roy Given

The Auxiliary of Walker Memorial Hospital, held their meeting Monday Jan. 20. Mrs. Helen Good called the meeting to order and called on Pearl Beach to lead the prayer.

The following committees were announced: Calling committee, Jane Wells, Frances Guenzel, Dorothy Gruber, and Edan Mendo. Scrappos committee, Lavinia Radcliffe, Cherry Chatter committee, Ruth Walker, Sewing and Flower room committee, Virginia Church.

Award pins were presented to Ruth Walker for 1000 hours and Pearl Robinson for 500 hours.

The meeting was adjourned with the Pink-Ladies Prayer. Any members who have not paid their dues are asked to do so at once.

Grenadier Band Plays In Opening Tomorrowland

Wednesday, Jan. 15, the Avon Park High School Grenadier Band went to Disney World to participate in the opening of the new Tomorrowland attractions.

The band members had to be at the high school building at 5:30 a.m. and the morning was extremely cold. As the sun came up, there was quite a bit of frost on the ground. The kids were well prepared with heavy coats, blankets and even hot coffee.

When the band arrived at Disney World they were parked with the buses of 16 other bands.

After leaving the buses and picking up their instruments the band broke down to sections and joined the mass band of about 1800 members. The mass band practiced until 11:30 with Jim Christianson, then broke up for lunch which was furnished by Disney World.

During the opening program there was the usual Disney pagentry along with guest stars Lyle Waggoner of the Carol Burnett Show, Lucy Arnez and Tommy Tunes past feature dancer on the Dean Martin Show.

Lacy Arnez actually touched the brass drum carried by Thom Dance, which of course, gave him a big thrill and was the talk of the day.

After the production, which ended in a huge fireworks display, the bands returned to their buses and changed their clothes to spend about three hours in the Magic Kingdom.

Each member of the mass band received a \$28 Golden Key book of attractions.

The band is now adding a drum and fife corp and Jayne Gant had been practicing diligently on hers. While in the Magic Kingdom, Jayne approached one of the Disney fliers and asked his permission to play his fife. He responded that it took quite a bit of practice, but Jayne was quite persistent that she wanted to "try".

Her cake was white trimmed in blue, pink and yellow. On top sat blue booties made of icing and a white baby carriage filled with mints. On each side of the cake sat two babies rattle and a pacifier.

Hostesses were Mrs. Fran Howard and Mrs. Barbara Cornell.

Burglary Discovered

Mrs. M. T. Lutz returned to her home on Avon Park route 2 to discover that her home had been burglarized. Two speakers and a radio, total value of \$200, had been stolen.

Mrs. Lutz told sheriff's investigators she had been gone from Dec. 24 until Jan. 14.

Members of Business Woman's Club met on Monday, January 20th, at 8:00 p.m. in the Woman's Club house. Esther Johnson, president, presided.

Special recognition was given Mary Lee King, past club president, recently elected president of Chamber of Commerce, and to Irene Roy, newly elected president of the Board of Realtors.

All retired teachers of the business meeting, the hostesses served delicious refreshments.

The ladies then enjoyed playing cards, and prizes were awarded to high scorer at each table.

Hostesses were Juanita Haddock, Kathleen Lee, Mildred Logan, and Elizabeth Nellis.

Teachers Invited To Legal Program

The Highland County Retired Teachers' Association will have a luncheon meeting at the United Methodist Church Social Hall, Lake Placid, 11:00 a.m., Thursday, Feb. 6.

All retired teachers of Florida and from other states are welcomed as prospective members or as visitors.

The program will be centered around legal and protective services for retired persons. Mrs. James E. Tompkins, an attorney in Lake Placid, will talk on legal matters and then serve as the consultant during a discussion. Mrs. Emma Bussard, the chairman for Legal and Protective Services, has prepared the Personal and Estate information sheets to be given to the members.

Mrs. Lena Suga, president, urges all members to consult with Mrs. Ruth Drawdy about rides to Lake Placid. Conservation dictates pooling of cars; several members have volunteered to drive their cars and they want them filled.

Dowling's Selected For "Yard Of The Month"

The corner yard of Park and Cornell Streets in the southwest section of Avon Park was chosen for the honor of the "Yard of the Month" according to Mrs. Mildred Head, chairman of the Federated Garden Club committee responsible for the selection.

The yard of Mr. and Mrs. Hugh Dowling of 602 Park St. appeared to the committee as outstanding in the area with its eye-catching overall appearance. It was nicely landscaped with a variety of green and colored shrubbery which enclosed the yard or yards for a feeling of privacy. The Dowlings acquired the property in 1960 and added space to the house as the needs of their family grew. Basic bushes were already in place and they added to citrus plantings and now have oranges, grapefruit, tangerines, lemons, limes, loquats, avocados, figs and mulberry.

The first view of the Dowling place is in one of cocus plumosa palms along the streets with a two rail white fence which was built about ten years ago. There are a variety of other plants planted around the front and back yards and included: Sago, travellers, ponytail, Phoenix robellini and some coccinifera growing in an alligator pit. Color shows up throughout their plantings. On a year

around basis the bunched plantings of red-leaved crotons along with green and varicolored white leaves stand out and in season camillias, gardenias, poinsettias, bouganvillea, hibiscus, ixora, crepe myrtle, jasmine and others add their beauty.

Annals like petunias add their dash of color while geraniums also have a place. There was still room for several tomato plants. A massive oak tree that had overhung the house roof was pruned back to keep its branches from scraping across the shingles during windy weather. In the front of the house were two more oaks each trimmed into an umbrella form.

What really impressed the committee was the back yard or living area. It was fully enclosed with a chain link fence hidden by a viburnum hedge which besides acting as a sight screen is also a noise barrier in muffling nearby traffic noises.

This shrubbery enclosed backyard area with its kidney-shaped pool gave the air of semi-tropical luxurious quietness and relaxation coupled with ample roominess and privacy. Next month's "Yard of the Month" will be selected from the Yards in the northwest quadrant of Avon Park.

A LIVING SCREEN OF BUSHES, palms and trees separates the Dowling's relaxing area in their backyard from the sights and noises of the streets. Their yard or yards were selected for the honor of "Yard of the Month" by the Federated Garden Club of Avon Park. (Photo-Miller).

Marijuana Trial Starts

The sole survivor of the crash of a marijuana-laden aircraft March 3, 1974, went on trial in circuit court Tuesday, Jan. 28. By noon Tuesday a jury had been seated and in the early afternoon began hearing testimony to support the possession of marijuana charge against Lee Noel Reed, 26. Judge Clifton Kelly said Tuesday he may schedule night sessions to keep the trial from dragging over several days. Robert Nettleton is representing the state attorney's office in the trial.

A WHITE BOARD fence and a row of cocus plumosa palms separates Mr. and Mrs. Hugh Dowling's "Yard of the Month" at 602 Park St. from the roadway. In the center is one of their oaks that has been pruned to an umbrella or mushroom shape. (Photo Miller).

Lake Bonnet Village News

By RAY TRAVIS Mr. and Mrs. Schenck Brooks spent Saturday in Bradenton where he was one of the contestants in a horse shoe tournament. Howard and Fanny Andrews who are winter campers in Port Meade were Saturday evening dinner guests of their friends the Bents and the Bares. Cliff and Verla Ewing spent Saturday at Winter Haven. Mr. and Mrs. P. D. Wells moved Wednesday from Lake

Bonnet Village to their Mobile home in Bonnie Brae Park in Avon Park. Ruby and Willie Ratliff formerly of the camp received word that their three year old grandson was hospitalized. Mr. and Mrs. Harry Haven and Mr. and Mrs. Harold Jones spent Sunday at Fort Myers and Sanibel Island. The two couples were Friday evening guests of Harold's sister in Sebring and were Tuesday shoppers in Lakeland. Mr. and Mrs. Glen Riffle from Madison, Ohio arrived in section C for a month's stay. Mr. and Mrs. Elmer Bent were overnighters at Venice where they visited her aunt and uncle, Mr. and Mrs. Robert Kohout and were breakfast guests of friends in Sarasota. Edith and George McDonald spent two days in Pine Island visiting friends and doing some fishing.

The Crossetts are enjoying frequent visits with her niece and husband Mr. and Mrs. Neal Mason in Sebring. Mr. and Mrs. Howard Clemence and two sons of Brandon visited her folks, Mr. and Mrs. Leon Woods Sunday. Edwin Burghardt of Miami visited Katrina Ragsdale. They spent the week end in the Sarasota and Clearwater area visiting points of interest. Anna Walden formerly of Lake Bonnet, Lulla Booth and Marian Priest, spent Tuesday and Wednesday at Ft. Myers, Sarasota, Cape Carol, and Bradenton. Martin Brennan and Lucille were called to Hampton Va. by the illness of his daughter. Marian Priest and Anna Walden were Winter Haven shoppers Wednesday. Hank and Dorothy Wonder winter guests of Ebb Tide camp in Ft. Myers Beach spent several days with their friends Hank and Dorothy Wulff. How's that about coincidence in names. Twelve people from camp bowled Friday at the Sebring Bowling Alley. The group consisted of 7 women and 5 men. A good time was had by all including the kinks on Saturday morning Joe and Eve Hermes performed first aid on a black bird who had become entangled in a fish line and hook on day the past week. They clipped the hook from the birds eyelid. Mr. and Mrs. John Garner of Frostproof were Friday visitors at the Ray Bossen trailer. Overnight guests of the Bossens were Mr. and Mrs. Bill Rawlins of Pompano Beach. Larry Pritchard of Leavenworth Indiana is hospitalized with Hepatitis. He was a recent visitor of his

parents Shorty and Zoah Pritchard.

Winter residence of Tampa the Charles Wilson's visited at Frank and Terry Wolak Friday. Frank and Charles worked together for 20 years. Mr. and Mrs. Jack Davis spent 2 days at Lake Bonnet. They are from Lake Gaston, North Carolina. Nondenominational Bible study group meets each Wednesday at 1:30 P.M. in the

Recreation Center everyone is invited. Mr. and Mrs. Herbert Tobey from Three Rivers, Michigan are spending a week at Lake Bonnet. They are friends of Mr. and Mrs. Ray Travis. Mrs. Tobey and Mrs. Travis have been friends since they were girls and both of them are retired school teachers.

THE BIBLE QUESTION BOX

For Bible Answer To Bible Questions Write To

Pastor A. W. Ortnor
Rt. 2 Box X405
Avon Park, Florida 32825

Question: On what basis is a sinner justified before God? Answer: Knowing that a man is not justified by the works of the law, but by the faith of Jesus Christ, even we have believed in Jesus Christ, that we might be justified by the faith of Christ, and not by the works of the law; for by the works of the law shall no man be justified; Galatians 2:16. The relationship of the law and grace are clearly described in God's word. The purpose of the law is to detect sin. Therefore by the deeds of the law shall no flesh be justified in his sight; for by the law is knowledge of sin; Romans 3:20. Sin is the transgression of the law; 1 John 3:4. If there is no law there can be no sin; Romans 4:15. In the word of God the law is compared to a mirror; James 1:23-25. The purpose of the mirror is to reflect our image. The mirror can not cleanse our face if it is dirty. Likewise the law of God reflects our spiritual and moral conditions, but it can not make us clean. To be cleansed of sin, we must come to Christ. If we confess our sins, He is faithful and just to forgive our sins, and cleanse us from all sin; 1 John 1:7. But if we walk in the light, as he is in the light, we have fellowship one with another, as he is in the light, we have fellowship one with another, and the blood of

Jesus Christ his Son cleanseth us from all sin; 1 John 1:7. The grace of God therefore is the basis of the sinner's justification. Those who are thus justified will have a glorious experience. Therefore being justified by faith, we have peace with God through our Lord Jesus Christ. By whom we have access by faith into this grace wherein we stand, and rejoice in hope of the glory of God; Romans 5:1-2.

AMMUNITION STOLEN
A large quantity of ammunition was stolen from a truck parked at the home of Bill Collier, Avon Park route 2. Collier set the value of the ammunition and three tapes that were taken at \$75. Deputy Clark Jackson reported two other trucks parked in the same neighborhood were broken into the same night, Jan. 24.

TRUCK BURGLARIZED
A pickup truck belonging to John Morgett of Avon Park Lakes was burglarized while the vehicle was parked at home early on Jan. 24. Morgett told sheriff's deputies that four cans of paint, a light were among the items stolen. He set value of the stolen goods at \$50.

Benefit Tennis Tourney Plans Finalized

The Highlands County Tennis Association tournament committee finalized plans for the benefit women and men's open doubles tennis tourney to be held at Sun 'n Lakes and Lake Placid City courts Saturday and Sunday afternoon, Feb. 8-9. The meet will be co-sponsored by the First Bank of Lake Placid and Sun 'n Lakes of Lake Placid and all benefits will go to the tennis teams of Lake Placid and Avon Park High Schools.

Entry deadline for teams is set for Thursday, Feb. 6. The entry fee of \$6.00 per team may be mailed to Eric Annett, P.O. Box 33, Sebring, Florida 33870 or turned in to Grant Stallard, Cheri Lee or Jeanne Cox in Avon Park.

Trophies will be awarded to the first place women and men's teams and to the second place winners. Consolation bracket trophies will also be awarded. Each team is assured of playing at least two matches.

BURGLAR INTERRUPTED
A burglar forced open a back door at the Watering Hole, a bar south of Sebring on U.S. 27, and stole \$100. Sheriff's investigators reported evidence of the burglar's having been interrupted before he completed his search of the bar. The burglary occurred the night of Jan. 21.

TELEVISION STOLEN
A television set was reported stolen from the home of Roy Bryant in Highway Park. The theft was discovered Jan. 19.

The Highlands County Tennis Association tournament committee finalized plans for the benefit women and men's open doubles tennis tourney to be held at Sun 'n Lakes and Lake Placid City courts Saturday and Sunday afternoon, Feb. 8-9. The meet will be co-sponsored by the First Bank of Lake Placid and Sun 'n Lakes of Lake Placid and all benefits will go to the tennis teams of Lake Placid and Avon Park High Schools.

All interested tennis players in the area are urged to enter this benefit tournament. Just find a partner and contact one of committee members to turn in the entry fee before Thursday, Feb. 6. All ages and players of any skill level are eligible to enter.

Avon Mobile Park News

By LORENA WYANT

New talent was presented at the Variety program Saturday evening, following the sing. Lewis Tripp entertained with his accordion, accompanied by Albert Stromberg at the piano. Mr. Tripp had arrived in the Park within the week. It was good to hear Ham and Nita sing again, their first appearance this year. And Bill Belcher played a tape recording made by Sallie and John Wright for the Indiana picnic last summer.

Boyd and Vera Dager have returned from Shreveport, Louisiana where they spent the holidays with their son and family. They report cold weather there and considerable snow, which was unusual for the area, but a delight to the children. Many snow men were built by the

young folks along the street. It was just a month from the day they went that their son flew them to the Avon Park Airport in a rented plane. He and his wife spent a day at the Ringling Brothers Museum in Sarasota, and other points of interest, before flying home. Mr. and Mrs. Roy Girtlen were in Bradenton last Thursday visiting Mr. William Felty and also in Sarasota where they visited Mr. and Mrs. Emil Volmer. The Volmers are folks who formerly lived in Cincinnati where Mr. Girtlen and Mr. Volmer were members of the Cincinnati Fire Department before retiring. A cousin of Claron Monroe, Loyal Kemmer of Hicksville, Ohio, spent Thursday and Friday with them. Sunday guests of Mr. and

Mrs. Edwin Feehan were his sister and husband Mr. and Mrs. Ernie Sager from Ohio. Grandchildren of Ruth and Ross VanPelt, Mr. and Mrs. Jon Sheets of Canton, Ohio, spent several days in the park this week. They will spend two spent several days in the park weeks visiting points of Mr. and Mrs. Henry Tensink of Allegan, Michigan, were here last Wednesday to visit Mr. and Mrs. Floyd Stevens. On Thursday Hilda Waanders of Allegan and Grace Richardson of Lake Placid visited them. John Evans and his brother spent two days here while closing up the mobile home. Due to illness of Mrs. Evans' mother they will not be here this winter.

Mr. and Mrs. Joseph Rell of Concord, New Hampshire, are visiting Mrs. Eleanor Anderson.

Thelma South, who recently returned from her trip to see the new grandson in Urbana, Ohio, was taken to the hospital Thursday, with a virus infection.

Mr. and Mrs. Jesse Putrell of Chicago and Sebring were dinner guests on Sunday of Mr. and Mrs. Roy Girtlen to help Roy celebrate his birthday. On Friday Mr. and Mrs. Alton Morgan with Mr. and Mrs. Henry Robert of Plainwell, Michigan, spent the afternoon with the Floyd Stevens.

Mr. and Mrs. Arno Haack of Townsend, Wisconsin and Ft. Myers, Florida spent the day recently with Mr. and Mrs. Joe Bacon.

Warren (Ham) and Nita Byrer, with Margaret and Bill Belcher and Lawrence and Ruth Robinson were invited to the home of Mr. and Mrs. Julius Converse at Fedhaver for dinner and good fellowship on Thursday. The weather cooperated for a pleasant stroll around the lake and a bit of shuffle for pleasure, after a most delectable meal prepared by Gadyas. The day ended with a fine ride home.

There were 36 at Billie Study Friday morning when the eighth chapter of the Book of John was the theme. It is hoped that the entire book will be covered this season.

Eight people enjoyed the pinocle party Monday night. Viola Andersen, with a score of 125 was high for the ladies and Chris Andersen held high for the men, with 126 points.

Scarboro New Pastor At Church

The Freedom Assembly Church starts the New Year with a new pastor and staff of good musicians, singers and workers.

The Rev. Johnny Scarboro is the new pastor having taken on the pastorate on Jan. 5, 1973. The Scarboro's are acquainted with Avon Park and the people of Florida, they come to us well qualified from Dublin, Ga.

The Freedom Assembly Church was begun in May 1970, out in the open on the property where the church now stands. The first building was occupied July 1, 1970, under the capable leadership of Rev. Thomas H.

Holmes, Sr., being the founder of the church and chairman of the corporation that was chartered on March 1, 1971.

The work has grown and we have our auditorium finished and occupied without any indebtedness. Also the first

building has been finished for a parsonage with the founder Holmes and wife occupying it.

There is not any membership, because this is a freedom work and the people are not under bondage in anyway. As of now we have

representatives in ten states. We invite everyone to come visit with us. If you are in search of freedom in the worship of God, here is the place, Freedom Assembly Inc. Church, corner of South Anoka and Center Streets, Avon Park.

Cub Pack 156 Sells Most Tickets For Scout-O-Rama

The regular monthly meeting of the Cub Scouts of Pack 156 was held on Tuesday, January 21 at the Avon Park Elementary Cafeteria. The program was opened with a flag ceremony by Den 3.

Assistant Cubmaster Bill Warner announced that the Cub Scouts of Avon Park sold the highest number of tickets in our district this year to the Scout-O-Rama in Plant City. Pack 156 also had the highest single ticket salesman, 8 year old, Robby Briscoe. Robby was presented with a 10-

speed bicycle.

Skills were performed by each den and awards for Scout achievements were presented by Jim Bennett, Treasurer, to the Cubs who had earned them.

Plans for the Annual Blue and Gold Banquet on February 18 were announced by Cubmaster Joe Johnston.

The Pack Meeting was closed with a prayer by Assistant Cubmaster Bill Bozeman.

Eight year old Robby Briscoe of Pack 156 was presented a 10-speed bicycle for being the highest single ticket salesman to

the Scout-O-Rama in Plant City. (Photo by Cornell).

Taxpayers To Get Substantial Tax Break

Florida intangible taxpayers will receive a substantial tax break this year, according to the Department of Revenue, and the 1973 intangible tax is due now.

Each person filing may claim a \$20,000 exemption. A husband and a wife filing jointly may claim \$40,000 even if only one of them actually owns the intangibles.

Only individuals are entitled to the exemption. Businesses and fiduciaries may not claim this exemption.

The Department has mailed returns to approximately

280,000 individual taxpayers. They are instructed to list and value their intangible property using December 31st stock market prices, then deduct the exemption. The tax is due at the rate of \$1.00 per \$1,000 on the remaining assets. No payment is required if the individual's tax computes to \$5.00 or less.

The exemption is effective with the 1975 tax. Additional "firsts" provided this year include peel and stick name labels and pre-addressed return mail envelopes.

Police Report

By GENE HANCOCK

Simon — Prevatt
No charges were filed as the result of a minor traffic accident that occurred in the high school parking lot Wednesday, afternoon. Investigating Officer LeRoy Prevatt, stated that Margaret Ann Simon, and Lawrence David Prevatt were backing from a parking space and both vehicles collided. Damage to the Simon vehicle, a '68 Buick was listed at \$75, with damage to Prevatt's Mercury put at \$15.

Sager — Clark
In a report filed by P. Gene Hancock, he stated that Kenneth Sager, operating a '64 Chevrolet, attempted to make a left turn onto E. Main St. and while doing so struck a '64 Ford, being driven by James Clark, who was proceeding west on Main St. Minor damage was received by both vehicles and no injuries were reported.

Robert Crews, 300 E. Cornell St. reported to Police that person (s) unknown had broken some windows on the unoccupied apartment located at 20 and 22 E. 8th St. Investigation by Police disclosed that someone used a "beer" bottle and a "coke" bottle and deliberately broke out 48 windows panes in the building.

The safety manuals provided by the National Child Safety Council have arrived and are being distributed to the Elementary and Hopewell schools. Additional manuals will be given to the Middle School when they are received by the Police Department. These safety manuals were provided as a public service by the contributions given this past year by the local merchants and businesses in cooperation with the Police Department and Chief Grady Campbell.

GUN STOLEN

James McClain has reported a gun was stolen from the glove compartment in his truck. He said the theft occurred while the truck was parked at his home on Avon Blvd. on Avon Park route 2, sometime between Jan. 12 and 14.

Harry Lee's Trailer Village

By MABEL STOCKER
Mr. and Mrs. Larry Pool of Klammie were recent visitors of her parents Mr. and Mrs. Cleatus Abraham. They celebrated Mrs. Pool's birthday.

The weekly craft and sewing meeting was held on Wednesday afternoon at the shelter with 16 present.

Mr. Charlie Roberts of Payne, Ohio and Mr. Jack T. Corn Jr. of Haviland, Ohio have arrived for a visit with Jack Jr.'s grandparents Mr. and Mrs. Russell Corn.

The following have arrived in the village: Mr. and Mrs. Alexander McBean of Sarnia Ontario, Mr. and Mrs. Fred Graper of Drayton Ontario, Mrs. Anna Herzberger and her sister-in-law Lillian Glen of Virginia, Illinois and Mrs. Helen Turner and her brother and wife Mr. and Mrs. Kent Gilbert of Youngstown, Ohio and Mr. and Mrs. Francis Young and daughter Mrs. Stacy Tomkins and children Richard and John of Cedar Rapids, Iowa.

Mrs. Ruth Curley and her family have returned to her home in Cherry Hill, New Jersey.

The Audu-Vin Social Club held a covered dish dinner on Monday, Jan. 20, at 12:00 noon. There were 33 members and guests present. Birthdays honored were: Clarabell Corn, Earl Whetstone, Elita Campbell, Jake Mulder, Tom Ayers and Harvey Howard. Eva Tribett and Mary Lucas were in charge of the dinner. The first annual meeting of the Audu-Vin Social Club was held on Monday, January 20, at 1:30 PM. The meeting was called to order by the president Earl Whetstone.

Mr. Whetstone told the members present that the charter and the articles of incorporation have been received and recorded. After conducting the yearly business, election of officers was held with the following officers being elected: President Earl Whetstone, Vice President Arthur Parker,

Secretary Lyda Glen, Treasurer Eva Tribett, Club Reporter Mabel Stocker.

Wainwright Speaks

Louie Wainwright, Director of Florida Division of Corrections, was the guest speaker at the quarterly meeting of Chapter 16 Florida Council on Crime and Delinquency (organization of criminal justice).

The meeting was held at the Holiday Inn in Lake Placid last Thursday night. There were 75

in attendance from different Florida Correctional Institutions, 15 were from A.P.C.I. Mr. Wainwright speaking on problems of corrections was Superintendent of Avon Park Correctional Institution from 1957 until 1962 when he became Director of Florida Division of Corrections.

Hood Pest Control Sold To Skipper

Mrs. Harry L. Hood announced this week the sale of Hood Pest Control Company to Cecil P. Skipper of Avon Park.

Hood Pest Control Co. was established by the late Harry L. Hood in 1967 upon his graduation from the University of Florida. He was a Graduate Entomologist. The Company was formed on a close personal company-customer relationship. It is the only locally owned and operated pest control company in the area, serving Highlands, Polk and Hardee Counties.

Skipper stated that he plans to continue the same quality service and policies on which the company was founded and operated. The company will continue to serve this area in all phases of pest control, and it will continue to operate as Hood Pest Control Co.

Skipper graduated from the University of Florida with a B.S.A. majoring in Entomology. While attending school, he worked with the Pest Control Division of the University.

We wish a "happy birthday" to the following people, who will be celebrating their birthdays this coming week:

January 31 - Steve Weber, Mary Nicholas, Tommy Phillips, Mary Bost.

February 1 - Sol Y. Moseley Sr., Sharon Little, Catherine Phillips.

February 2 - Imogene Kelsey, Betty W. Camp, Geraldine Steward, Keith Albritton, Willie Beatty.

February 3 - Ann Childress, Helen Burton, Callie Fisher, Clyde Trescott, Leslie Potashnick.

February 4 - Helen Tuten, Robbie Ward, Marge Nagelschmidt, Jessie J. Futrell, Phillip Lamb.

February 5 - Sol Y. Moseley Jr., Ronald Millard.

Belated birthday January 28, Kathy Lamb.

Are you or a friend having a birthday soon? If so let us know.

Spray Firm At Airport

A 450 STEARMAN (center) equipped for spraying and dry spreading an 1800 pound payload is the work horse of Archie Paschal Jr. & Co.'s complete aerial agricultural service with Archie (on ground) talking to pilot Don Barber. To the left is a Cessna 188 the ag-wagon of special design that can also handle wet or dry loads. In the right rear is a

converted Piper Super Biplane to handle row crops along with citrus and pasture land. It is especially valuable for small tracts of 10 or 20 acres or even five acres of citrus grove. All have the same low altitude working speeds of 90 to 120 miles per hour. (Photo Miller).

The Archie Paschal Jr. & Co., was founded 20 years ago by Archie Paschal Jr., president of the company, in Lamar, S.C. Since it's founding the company has continued to grow and progress with the addition of modern equipment and spraying techniques to meet the ever increasing problems of controlling plant insects, plant disease, and fungus control.

Paschal, stated that the reason they were expanding their operations to Highlands County, is the fact that aerial application has grown by leaps and bounds. More and more grove owners, and ranchers are turning to aerial application, and with Highlands County, being in the heart of the citrus belt, that is a real need for aerial application

exists. At the same time groves, and ranches are getting bigger and bigger, labor is becoming more and more scarce. The high investment required for the unpredictable market margins along with changing government regulations, puts the profit squeeze on the agri-business man.

The new operations will be based at the Avon Municipal airport, with Clete Dixon, Vice-

president, & General Manager in charge. The company presently has four airplanes based at the airport, and will be available seven days per week. Dixon invites any inquiry you may have regarding aerial application, no job is too small or too large. Dixon, stated that the company now has four employees, and predicated that in the near future he expects to employ 14 to 16 new employees, with as many as 10 being local people.

Sneed Completes Power Plant Course

Army Private Preston E. Sneed, son of Mr. and Mrs. Preston A. Sneed, 24 E. Orange St., Avon Park, completed a power plant course at the Army Engineer School, Ft.

Belvoir, Va. He was trained in the operation and maintenance of hand and power tools, gasoline and diesel engines and various electric generators.

Avon Park Golfers Second In Meet

The Avon Park high school golf team swung into action last Friday at the Placid Lakes course in Lake Placid against the DeSoto High Bulldogs, the Okeechobee Brahmins and the West Green Dragons. Lake Placid won the 18-hole jamboree with a team score of 333 and Avon Park came in second with a team total of 354 strokes. Okeechobee came in third and Arcadia of DeSoto finished fourth.

John DuPré led the Red Devils team with an 84 for the eighteen holes. Bill Tharp was second with an 88, Dale Sisemore finished with an 89 and Mark Palmer, freshman newcomer to the team, shot a 93 for fourth place for Avon Park. Billy King shot a 101 and Steve Ford turned in a 106 stroke card. Also out for the Devil team are Billy Boyer, John Barben, O. C. Stephens and Tom Dink.

The Red Devils are coached by Fred Sandlin who has scheduled 27 matches for this team this spring. Last Tuesday afternoon the Avon Park team traveled to Kathleen to play on the Carpenter's Home Course. Today (Thursday) the Red Devils will host the Haines City golfers at the Pinecrest Country Club course and next

Monday, Feb. 3, Avon Park will play Frostproof at the Pinecrest course.

Other teams the Red Devil golfers will play this season are Lake Wales, Kissimmee, Okeechobee, Mulberry, Sebring, Lake Brantley, Daytona, Father Lopez, Daytona, Hardee, and St. Cloud.

Fans are invited to come out to the Pinecrest course to watch the high school golfers play. The home matches will start at 3:35 p.m.

From about 20 feet out No. 20 (Craig Pressley) gets the ball away during last Friday night's game with Frostproof. It swished through the net to help make Pressley high scorer of the game with 27 points. Photo—Miller.

Arnett and Page Still One On Ladder

Eric Arnett and Bill Page defended their number one positions at the top of the men's "A" and "B" tennis ladders last week. Arnett defeated Eugene Bengston 6-4, 5-7, 6-0 on the "A" ladder and Page held off a challenge from third place Tim Hines on the "B" ladder with a 7-5, 7-6 victory.

In other action in the Highlands County Tennis Association ladder play Bill Baker moved up to the number four position below Ken Haysley with a 7-5, 6-1 win over Al Marrow. Bill Johnson remained in the number five spot on the "A" ladder on the rung below Baker and Marrow

dropped to number six. Victor Fernandez challenged Marrow from the number eight slot but Marrow held him off with a 6-2, 6-0 win. Charles Jordan moved from 15 to 14 with a 6-4, 6-0 victory over Jim Sabo.

There were five matches on the women's "A" ladder last week. Betty Carlisle challenged Elsin Baker from position number five but Elsin held on to the number three spot with an 8-1 win. Lucy Derkman remained at number six with an 8-3 victory over Pat James who challenged from seven position. Evelyn Jones held off Pat Lajona's challenge from position eleven with an 8-0

win to stay number ten. Cherri Lee defeated Trudy Wyatt 8-0. Cherri is number 15 and Trudy stayed at 17. Jeannie Cox held on to position 19 with an 8-3 victory over Nancy Bryant.

In the "B" ladders in singles Jean Ross moved from 15 to 14 with a close 8-7 win over Margaret Collins and Ricky Helms moved up to number five with a 6-0, 6-2 victory over Bob Baker who dropped to number seven with the loss.

B-Squad Meets

Sebring Friday

Losses to Mulberry and Frostproof last week dropped the Avon Park "B" squad basketball team's record to 5 wins and 5 losses. Mulberry won by a score of 78-60 on the Devil's home court and the Bulldog jayvees held off a last minute Devil charge for a 63-56 victory in Frostproof last Friday night.

Last Tuesday night the Red Devil "Bees" played the Red Devils Miners here in Avon Park. Tomorrow night (Friday) the Devil "B" squad will host Sebring starting at 6:30 p.m. at the high school gym. Next Tuesday night the Bradenton Southeast "B" team will come here for a game with the Devils.

Mulberry Game
Mulberry jumped off to a big 16-4 first quarter lead but the junior Devils narrowed that lead to 3 points as they went to the dressing room at halftime trailing 32-29. Mulberry had only a 2 point lead at the three quarters of play with a 47-45 score. But in the final period the Panthers scored 23 points while holding the Devils to 15 points to take the 74-60 win.

The Avon Park team hit only 8 of 21 shots from the free throw line. Anthony Comer scored 16, Freddy Williams had 15 and Reggie Baker hit for 11 points to pace the Devils. Dale Sisemore added 8 points, Mike Coleman had 6 and Charlie Pugh contributed 4 points as the Devils lost their fourth game.

Frostproof Game
A slow first quarter by Avon Park gave Frostproof a 10 point lead in the first quarter last Friday night in Frostproof when the quarter ended with the score 14-4. At halftime the Baby Bulldogs led 33-21 and by the end of the third period Frostproof was out front by 13 points with the score 48-35. But Avon Park got hot in the final period and almost pulled the game out of the fire. The Bulldogs finished with the five point lead only because the Devils had to foul to try to win.

Avon Park's scoring was well balanced with Anthony Comer getting 11 points, Reggie Baker scoring 10, Edward Dorsey hitting for 9 and Dale Sisemore and Freddy Moore making 8 points each. Charlie Pugh got 6, Mike Coleman scored 4 and Freddy Williams had 2 points for the Devils. Comer led the rebounding both games with 12 against Frostproof and 11 against Mulberry. Freddy Moore had 8 rebounds in the Frostproof game.

Devils Host Sebring Cagers Friday

An 84-47 win over the Mulberry Panthers and a 80-79 loss to Frostproof last week gave the Avon Park Red Devil varsity basketball team a 7-4 record for the season but showed Devil fans that the big Red team is ready to play ball again. The Devils had dropped back to back losses to Frostproof and Arcadia after the Christmas Holidays but turned around and won a squeaker over Lake Placid and then clobbered Mulberry before losing the heartbreaker to Frostproof last Friday night.

Last Tuesday night the Devils were scheduled to play the Fort Meade Miners here at home and tomorrow night, Friday, Jan. 31, the Red Devils will be at home to the Sebring Blue Streaks. Next Tuesday night Avon Park will be home against the Bradenton Southeast team. The Red Devils are favored to take all three of those home games.

Mulberry Game
A tough half court press led by Reggie Tolbert and James Ross set the pace for Avon Park's 84-67 triumph over Mulberry here at Avon Park's gym last week. The Devils had a 17 point halftime lead because of the good defense and the hot shooting of the Avon Park players.

Mulberry was 9-3 coming into the game with the Devils but were completely out-played as the Avon Park five put it all together for a good night.

Craig Pressley hit the nets for 27 points and pulled down 20 rebounds as he seemed to be at the right place at the right time all during the game. Melvin Collins had a good night with 14 points and 12 rebounds and Mickey Clait hit for 12 points and yanked down nine rebounds. James Ross sank 10 points, Reggie Tolbert hit for

nine counters, Terry Hicks scored three points and Ricky Clait added one point for the winning five.

Frostproof Game
Most basketball fans who saw the Avon Park vs Frostproof game in Frostproof last Friday night agree that it was one of the most exciting, well-played high school games they had seen. The players on both teams were hot-handed, hitting fantastic shots all evening. The defense was tough and the officiating was good.

But the Red Devils came out on the short end of the score after a nip and tuck scoring battle the entire game. Devils held a six point lead near the end of the game but Frostproof overcame that and took the victory with a shot after a long, fullcourt pass from under the Devils basket. Cornell Hamilton sank the winning shot after the Devils had apparently won the game on a lay-up to go ahead by one point. The Frostproof player grabbed the ball, threw down court to Hamilton who hit a lay-up as time ran out. The Devils called for time-out but the clock ran out to give Frostproof the 60-79 victory.

Craig Pressley, with 27 points, was high scorer for the game. Frostproof's Leonard Lewis hit for 24 points. The win set Frostproof's record at 11-3 for the season and Avon Park stayed just above 500 with a 7-4 record.

Melvin Collins scored 28 points for the Devils, Mickey Clait had 10 points, and James Ross scored 11 counters as he pressed from his guard position. Reggie Tolbert added nine for Avon Park and Ricky Clait drove in to score four points. At the end of the first quarter the score was 23-19 Frostproof. It was 41-41 at halftime and after three

quarters the score stood 64-60 Avon Park. In the final period Frostproof hit for 20 points while the Devils managed only 15 points. Avon Park hit nine of 20 free shots and Frostproof made only two of eight from the line. The Devils had 13 fouls called on them. The Bulldogs fouled 20 times.

Avon Park Basketball Schedule

- February 18, Pahokee, 7:30, Home.
- February 21, Wauchula, 4:00, Away.
- February 22, Cypress Lake, 2:00, Away.

- April 19, Bayshore (Bradenton), 2:00, Away.

Carrota Catches Ten lb. Cat On Line

Joe Carrota went down to his bait with his bait pail in his hand to go fishing for the first time this year at Lake Bonnet. He got into his boat, started his motor and took off for the other side of the lake.

When he arrived at the spot that he thought might be a good place to fish, he looked for his pole but to his dismay found he had left it back on shore. Just for the heck of it he decided to throw out a line without a pole. Soon the line started to take off so Joe started pulling it in. Long and behold a large ten pound catfish was on the other end. Later back Joe came for his pole, picked it up and back he went across the lake. He caught just one little fish. The truth of the story is Joe is a better fisherman without a pole than he is with one.

AVON PARK REC. DEPT. WEEKLY SCHEDULE JAN. 10 FEB. 5

Mike Wise

SFJC Introduces Panthers

Bob Pierwinanzi returns for his second year as a member of the SFJC baseball team. Bob, 2'11", 185 lb. Sophomore, played shortstop last year. This year he is battling for the third base position. He came to SFJC last year from Queens, New York. He batted .350 for the Delanthy High School baseball team and also played football and basketball. His college major is business.

Kim Prevatt returns for his second year as a member of the South Florida Junior College baseball team. Kim, 5'8", 115 lbs. was a catcher for most of last season. This fall he was shifted to second base where he has performed well in leading the Panthers to 3 wins in the last 4 games.

At Temple Heights High School, Tampa, Kim batted .283 and was captain of his team. He also played football and basketball. Kim is active in student affairs on campus and is President of the Student Government Association. He plans a career in business.

Charles Head Field in Avon Park is the site of the Panthers home opener on February 17. They will meet Central Florida Community College in Ocala. The Panthers are looking forward to a winning season this spring.

Mike Wise, a 1974 graduate of Lake Placid High School, is in his second semester at South Florida Junior College. Mike, 5'10", 175 lb. catcher showed great improvement behind the plate this fall and will be battling for the team's catching position this spring. At Lake Placid High School, Mike batted .250 for the Green Dragons and also played football. He was active in Key Club, FFA, and Letterman's Club. He also played summer baseball for Sebring Post No. 74 and upped his batting average to .360. Mike has shown improvements at the plate and is swinging a quicker bat this spring.

The Panthers begin their drive for a winning season on February 17 against Central Florida Community College of Ocala. The game will be at Charles Head Field in Avon Park.

Church
Dedication
Set For
Sunday

The First Missionary Baptist
Church on State Road 64 West
of Avon Park will hold their
dedication services Sunday,
Feb. 2 at 2:30 p.m.

Rev. Richard Bacon, pastor
of the church said the building
was started in January 1974
and recently completed.

There will be special music,
inspirational singing and old
fashioned bible messages.
Also planned is for dinner after
the morning service.

Special guest speakers
include Dr. Albert Garner and
Dr. Hugh Harris of Lakeland
and Mayor Marshall Davis of
Avon Park.

Henry Block has
17 reasons why you
should come to us
for income tax help.

Reason 14. We're human, and once
in a great while we make a mistake.
But if our error means you must pay
additional tax, you pay only the tax.
We pay any interest or penalty.
We stand behind our work.

Avon Park Camp Meeting Will Open 36th Encampment Thursday

The thirty-sixth encampment of Avon Park Camp Meeting will open with the Evangelistic Service at 7:30 p.m. Thursday, January 30, and will continue daily through Sunday, Feb. 9. All of the dormitory rooms and all the space of camper trailers have been reserved for the camp session, which means that there will be some hundreds of people coming from many parts of the nation and Canada.

Needed improvements to the Camp facilities have been made in recent weeks under the direction of the grounds committee. These include the creation of six additional rooms fully furnished and carpeted in the Shiltz dormitory and some new side walks.

Preaching services will be held each day at 10:30 a.m. and 2:30 and 7:30 p.m. at which the Evangelists will be Dr. Dennis Kinlaw, President of Asbury College at Wilmore, Ky., and Dr. Kenneth Geiger, Minister of the Missionary Church. Leading the inspirational song service will be Dr. Don Rawlings of Wilmore, Ky. Serving as accompanists will be Mrs. Jerome Shiltz at the organ and Mrs. Don Rawlings at the piano. Each day at 9:15 a.m. there will be a Bible Study period led by Dr. Roy S. Nicholson, who comes to us from Brooksville, Fla. Dr. Nicholson is an outstanding Biblical scholar. Each day activities begin with a period

of prayer at 7:00 a.m. Friday, Feb. 7, will be Missionary Day with missionary speakers at the 10:30 a.m. and 2:30 p.m. services.

Dr. Don A. Morris, retired United Methodist Minister of the Michigan Conference, and now resident of Lakeland, Fla., is President of the camp Association, and will preside at all services.

Avon Park Camp Meeting

was founded in 1939 by Dr. Henry Clay Morrison so that South-Central Florida might have an International Holiness Camp meeting. The original Tabernacle was located on N. Anoka Ave., and is now used in connection with the city athletic program at the ball park. The fine camp ground facing Route 27 North and along the shore of beautiful Lake Isis, consists of forty

acres of land which was donated to the camp by the late Rev. John A. Taylor, in whose memory the spacious Tabernacle is named. In addition to the Tabernacle and five dormitories there is a large dining hall at which meals are served daily during the camp, a book store, an administration building, a fellowship hall, and a goodly number of permanent residences owned by individual families. The Rev. Paul Steiner, who resides on the grounds is caretaker. A cordial welcome is extended to all residents in the Avon Park area and in Highlands County to attend these services.

Southland Court News

By MARION LEARNED

Friday Jan. 17th, action at the Shuffleboard Court, on the East court Breister and Engard won all three games over Condit & Wallace, Ross & Longdon and Tebo & Gifford. On the West court, it was Ross & Longdon winning two games out of three. Gifford & Tebo won one game.

Tuesday Jan. 21st. Coffee hour at 9:00 A.M. with 21 in attendance. At 2:00 in the afternoon 9 ladies met at the Rec. Hall for sewing and Crafts. Then in the evening at 7:15, 21 joined in for Aggravation.

Another record breaking attendance for bingo on Friday evening on Jan. 17th. Forty three were present. It was a real fun night for Mr. and Mrs. Paxton, Bessie won 2 games and Everett won 3, so keep up your good work. Other winners were Charles Learned, Gertrude Culver, Margarette Rody, Millie Joseph, Sylvia Carlson, Bernard Carr, Martha Long, Harriet Meissel, Marjorie Downey, Helen Joseph, Mildred Hinder, Mae Phillips, Charlie McNulty, Okah Gifford and Mae Phillips winning the cover-all.

Your reporter received a complimentary letter from Carl P. Wertbar, a former park resident. He is still having the Avon Park Sun mailed each week to his home at 11 Wedgewood Terrace, Springfield, Ill. 62702 and enjoys reading our park news. Carl mentioned several people still in the park he was well acquainted with and I know he would enjoy hearing from you.

Have you noticed the abundance of poinsettia and azaleas now blooming through out the park. Also the colorful marigolds and we might thank Leo Breister, who is partly responsible for this as he has given the park residents many slips from his plantings.

Congratulations to Goldia Daun who is celebrating her birthday on January 29th, we wish you many more happy birthdays.

All for this week. Good health and happiness to all.

Student Finance Available

The Florida Student Assistance Grant Program was established by the 1973 Florida Legislature to be awarded to qualified undergraduate students who have exceptional financial need for attendance at Florida institutions of higher learning.

The grants are awarded for one academic year and may be renewed from year to year. The maximum amount of a grant is \$1,200 per academic year and no award is made for less than \$200.

Persons interested in obtaining a student assistant grant (particularly high school seniors) should immediately contact their high school guidance counselor or the director of student personnel at South Florida Junior College, since the deadline for submitting applications for the 1975-76 school year is March 1.

School Menus

ELEMENTARY SCHOOL

Week of February 7

Monday - Beef-A-Roni, green beans, sliced peaches, French bread, milk.

Tuesday - Pork and dressing, gravy, English peas, jelly with fruit, rolls, milk.

Wednesday - Chicken and yellow rice, tossed salad, grapes, corn bread, milk.

Thursday - Tuna noodle casserole, mixed vegetable, pineapple pudding, cheese rolls, milk.

Friday - Corn dog, carrot and cabbage slaw, potato sticks, apple, milk.

HIGH, MIDDLE SCHOOLS

Week of February 3

Monday - Beef pot pie with biscuit crust, buttered green beans, red cabbage salad, peanut butter bars, milk, extra biscuits.

Tuesday - Meat loaf with brown gravy, mashed potatoes, buttered green peas, pickled cucumbers and onions, sugar cookie, corn meal yeast rolls, milk.

Wednesday - Pizza with meat and cheese, sauteed whole kernel corn, combination salad, chilled fruit cup, milk, extra pizza 20 cents.

Thursday - Pig in blanket - extra one 25 cents, baked beans, seasoned turnip greens, pineapple, milk.

Friday - Fish fillet with tartar sauce, cheese potatoes, steamed cabbage, tomato wedge, hot corn bread, choice deserts, extra hot buttered grits, milk.

Commission Rehires Vinson

On a split vote, county commissioners decided Tuesday to rehire Willie Paul Vinson to his former position with the Road and Bridge Dept., effective Jan. 27.

At last week's meeting, Commissioner Kelly Phillips asked the board to review circumstances surrounding Vinson's earlier dismissal.

Vinson, a backhoe operator, was charged by county engineer Gordon Hays with violating the county's sick leave policy, in that he called in sick and failed to report for work when he was not really ill. Hays told commissioners that Vinson's supervisor, Roy Bennett, had discovered the unauthorized use of sick leave when he called Vinson's home and learned that the employee was not there.

Phillips contended that the county's sick leave policy was being abused by many employees and charged that Vinson had been singled out by Bennett for punishment because of a clash of personalities.

A special meeting held Monday among Phillips, Hays, Vinson, Bennett and county administrator Charles Cullens

Vinson's dismissal was defeated by Phillips, Heston and Wise.

The same three upheld Phillips' motion to rehire Vinson; Wilkinson and Skipper voted against reemployment. Wise took advantage of Vinson's presence to lecture the youth - father-son style.

"I believe you realize you've caused this board a great deal of concern," Wise said.

"I'll say to you," he continued, "in view of the fact that the board has, on a split vote, voted to override your immediate superiors to put you back to work, it should behoove you to do the very best job you can for this county."

Then, in recognition of the

possible impact the vote split might have on others who work for the county, Wise continued, "I would say to you - and to all other employees - as far as I'm concerned, any future violations, such as abuse of sick leave or any other policies of this county, I would personally recommend that you be dismissed if this happens again."

CRAFTS

Jan. 23. Attendance 65. Projects, Ming trees, milk bottle baskets. Next week meat tray chrysanthemums, Indian corn dolls. Members bring own meat trays.

THURSDAY NIGHT

Jan. 23. 30 tables enjoyed various games. Prize for high scorer at each table was a box of strawberries. Everyone seemed to have a good time.

POTLUCK SUPPER

Jan. 25. Hosts-Mr. and Mrs. Mae McDougall, and Mr. and Mrs. Albert McCully, 79 present. Happy birthday was sung to Harriet Meissel. Program was by Mrs. Gunning.

MEMORIAL SERVICE

Jan. 26. Sunday afternoon a memorial service was held for 25 members who passed away in 1974. The musical program was a duet by Mildred Long and Helen Bason, 3 numbers by the Shufflers, and a solo by Helen Bason, our own Rev. Lee Roy Hankins gave a very appropriate sermon. His theme was "The Glory of Going On The Glory of Going Home."

New members: Mary Haule, Central Lake, Mich., Norman and Una Schultheiss, St. Johns, Mich. Recently returned: Ivah Baker, Stella Smith, Jackson, Mich., R. A. and Ida Knuth, Land O'Lakes, Wisc. Total members Jan. 25, 286.

ANNOUNCEMENT

Thursday night there will be a showing of Alaskan pictures by Ann Robbins.

County Citrus Committee To Meet Feb. 10

The Highlands County Citrus Advisory Committee will sponsor a citrus school Feb. 10 and 17 at 7:30 p.m. in the Ag Center, south of Sebring. The main topic of the school will be the new water use permit required by state law. An effort will be made to explain the theory, background, and purpose of the water use permit, and how to fill out a permit application. Other topics to be covered will include a new approach to citrus pest management and how to discourage theft and vandalism in citrus groves.

Any agricultural producer is encouraged to attend the school. Registration fee is \$5. For more information, contact Tim Hurner, 385-5158.

Peace River Pioneers

by Louise Frisbie
 128 pp. with 74 illustrations, clothbound, \$4.95
 Publication Date: January 31, 1975

The name "Peace River Valley" brings to mind thoughts of harmony, beauty, pleasant riverbanks, and a tranquil pace of life. In today's world, this is not a far-fetched description of the heartland, grass-roots area that Louise Frisbie is writing about in Peace River Pioneers, just published by E. A. Seemann Publishing, Inc., of Miami, Florida.

But it was not always so. Louise Frisbie's factual account, illustrated amply with authentic historic photos, shows the settlers' struggles with both Indians and climate, the lack of resources and of transportation. There was a turbulence that at times parallels the stories of the old Wild West. The citizens were not always solid, and the path of progress was not always smooth; in fact, as the tale threads around Zibe King, Jake Summerlin, Bone Mizell, and the rest of the colorful people of the Peace River country, the orderly, well-developed life existing there today seems remarkable.

Louise Frisbie, who is a long-time resident of Bartow, a journalist, and a historian, has made a unique contribution to the history of Florida and tells a tale well worth knowing.

Two Historical Books On Florida Published

Florida Sketches by Hampton Dunn
 157 pp. with 74 photographs, clothbound, \$4.95
 Publication Date: January 31, 1975

The most interesting sights of Florida are in out-of-the-way places or are unknown to the general public until someone like Hampton Dunn comes along to tell about them. In Florida Sketches, just published by E. A. Seemann Publishing, Inc. of Miami, Florida, they come into view with an amazing sparkle like the beautiful blue waters that surround the state.

In 74 vignettes, each with an accompanying picture, Hampton Dunn tells us of the places, as well as the events and the people, covering the time span from the prehistoric mammoth to today. William Jennings Bryan, General Grant, Frank Lloyd Wright, Al Capone, and the little-known builder to "unrequited love," Edward Leedskalnin, are some of the personalities included as the entire state is plucked of its unusual, often astounding, tales and associated landmarks, by a fascinating storyteller.

Hampton Dunn is a syndicated columnist and author of many historical books about Florida. His most recent books, in Seemann's Historical Cities Series, are pictorial histories of Tampa, St. Petersburg, Clearwater, and Tallahassee.

Highlands Art League members are in the process of planning for the Sebring Lakeland Symphony concert, which will be given at 4:15 p.m.

on Sunday, Feb. 16, at the Sebring Middle School auditorium. Tickets can be obtained at the Art Gallery in Sebring. From left are Carole

Cavender, and Diana Jacks of Lake Placid; overall chairman, Grace Marmon of Sebring; and Jean Hoke of Avon Park.

Aluminum Can Pick-Up Scheduled

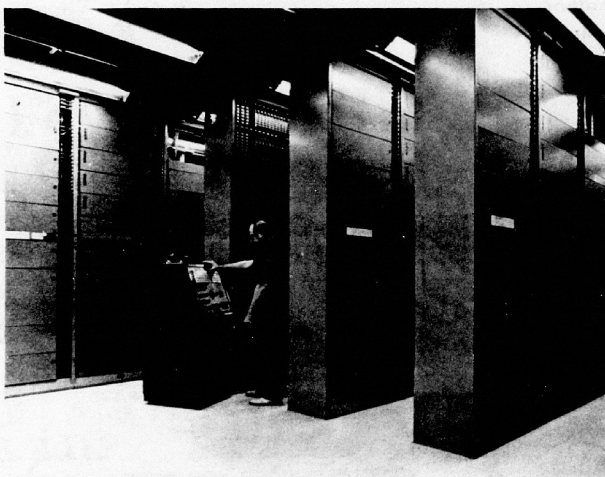

The February schedule for Reynolds mobile aluminum recycling unit has two stops planned for Sebring.

Citizens will receive 15 cents a pound for all-aluminum cans and scrap on Wednesdays, Feb. 12 & 26 from 11 a.m. to 1 p.m. at

St. Agnes Episcopal Church, 660 Lakeside Drive. A total of 199,686 all-aluminum cans were purchased last month in Sebring for \$1,302.30.

Reynolds is interested solely in aluminum scrap and all-aluminum cans. All-aluminum

cans are light, seamless, non-magnetic and can be crushed easily by hand. They carry the recyclable symbol stamped on the side. For information on what types of scrap are acceptable, call the statewide toll-free number, 1-800-282-7797.

Interior views of United Telephone's newest Naples switching center. Computer control console on right.

Why we can't stop building for You

If you, or anyone you know, have built a new home recently, you know that construction costs have increased substantially. As a result, many individuals and businessmen have deferred their building plans. But unlike most people, we can't stop building just because costs are rising. For if we do, our part of Florida won't have the telephone service it needs in the future. (You see, to keep up with the demand for communications, we must plan our expansion several years in advance.)

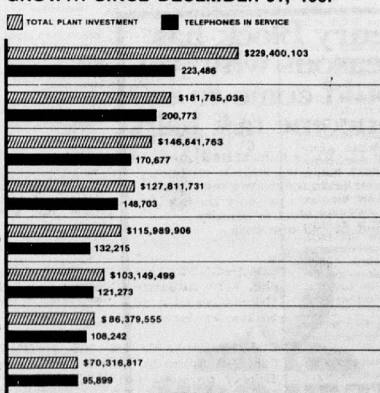

During the 1973-75 period alone, we will have added, or have under construction, seven new computer-controlled local switching facilities, and two completely electronic toll switching centers, plus many new or enlarged work centers, all this so we can provide you with ever-better service. In total, it will add up to \$145 million.

These facilities will enable us to handle your local calls more quickly, give you improved long distance service, and provide a variety of additional special services such as U-Touch calling, call forwarding, mobile telephones, radio paging and data transmission for business.

As you might guess, inflation is making this expansion more costly each year. For example, in 1974 our costs for new equipment and facilities averaged approximately \$2,000 for each telephone we gained. (For the year 1968 this cost averaged \$1,301 per telephone.)

Where does all this money come from? Well, only some of it will come from you, our customers. The largest part of the money we need for facilities and expansion must come from continuing borrowing... from the people who invest in our business. And, of course, the cost of borrowing money has been affected by inflation, too!

Board Gives GreenLightOn NewSchool In Lake Placid

While it is all systems GO! for a new high school in Lake Placid, discussions on proposed middle schools in Sebring and Avon Park took up a large portion of the school board special meeting Thursday.

Board members unanimously authorized Supt. George Douglass to select the names of three architects to design the Lake Placid school.

It was prelude to a schedule that calls for the architect being chosen by March 1, plans drawn by June 1 and the contract let in August. The school is expected to open its doors in September, 1976.

The \$2.5 million project will be without a previously-discussed overpass (or underpass) traversing a busy street near the school. That feature will have to be among improvements added later, it was indicated.

Not so easily decided was the remainder of the proposed \$7.5 million, five-year plan for capital improvements.

According to the calendar, funds for construction of the Sebring Middle School are allocated to the 1977-78 school year, while Avon Park's facility is placed in the 1978-79 school year bracket. Both schools are estimated to cost \$2,002,300.

Board member Steve Roberts Jr. asked the basis for placing the Sebring school first. Douglass told him that the need is more pressing in Sebring. According to the Florida Inventory School Housing (FISH) report, Avon Park is declining in population, whereas Sebring is gaining slowly.

He also pointed out that Sebring's middle school presently has grades 6-8, or one grade less than Avon Park's 5-8 grades. That status will change with a new school.

Board members had just completed a two-day tour of all county schools and Roberts asked if the "degree of dilapidation" of present middle schools had affected the decision. Douglass said both schools are in approximately the same state.

"Of course we don't know what will happen. Avon Park could very well shoot ahead. As of now we have to go with the FISH report," said Douglass.

Roberts inquired if students from the proposed Sun 'n Lakes of Sebring would eventually be assimilated into Avon Park schools and was told, "I imagine so."

Douglass went on to say that there is no hard and fast rule of when construction could begin. It might be feasible to build both middle schools at the same time and get a break on the contract, he said.

William VanBaalen, executive director of the Property Owners Association, suggested that the move up construction on the Sebring school by one year to take advantage of present lower construction costs.

Douglass replied that construction of the middle schools is being grouped as closely as possible. Roberts asked why both weren't moved up one year and the superintendent said that there would be a bigger deficit at the end of the schedule.

"We can move them up only if we receive adequate funds from Amendment L. The monies are there and we expect to receive some, but we don't know how much."

Board member Ruth Davis, who has advocated remodeling the present middle schools instead of new construction, called for a feasibility study on refurbishing the old buildings.

Douglass told her the plans should still be submitted so that there might be no delay when they have the funds to proceed. He recommended that the board immediately seek sites for the middle schools. He said that when the state tells them their bonding capacity in August they can go ahead. "Without the sale of SBE we can't move for another year."

"When Tallahassee says it's going to give you something, I hope the board looks into it closely," Supt. George Douglass told the school board Thursday.

The statement marked the opening gun in a fight against accepting state-owned relocatable classrooms for schools here. The viewpoint of the board will be set before the

Legislative Delegation when it holds a public meeting in the county courthouse, Feb. 17.

On the superintendent's recommendation the board will term relocatables "unsatisfactory housing", and refuse to accept them for use in Highlands.

According to Douglass, the classrooms which are somewhat similar to portables, do not represent the "wisest and best use of our tax dollar. They are not in the interests of the taxpayer."

He told board members that the state took \$23 million from its educational budget to go

into the relocatable business. The action cut back allocations to all school districts, costing Highlands County \$150,000 or 25 per cent of its expected funds. Further, the facilities cost \$40 per square foot, he said, with an average life of 20-30 years. Permanent quarters such as in the proposed construction program, amount to \$25-\$30 per square foot and have a life expectancy of 40-50 years.

Not only that, added Douglass, but the state will allow only 15 students per unit as against its insistence that present classrooms hold 30,

given and the capacity. "If they have used 'capacity' to generate state funds, then we are getting short-changed. That is not proper use of the tax dollar."

He went on to say that the state plans to place relocatables in various districts, or move them elsewhere if growth in other places require them.

Asked if the classrooms were to be rented from the state, Douglass replied that they were not. "They give them to us, but we paid \$25 million for them."

Now locked into a five-year school construction program in which state funds play a large part, the superintendent cautioned that if the board accepts relocatables they

might become permanent fixtures, expected to suffice instead of new classrooms and carrying with them a high price tag for maintenance. "But can we call them 'unsatisfactory housing'?" asked a board member.

"The state doesn't like that, but we will tell them we won't use them. No way!" replied Douglass.

UNLIKELY LOOT

If it were not for the \$50 damage to his auto Roger Holbrook might reason that the thief who broke into the car got what he deserved. Total loot for the break-in was several empty liquor boxes. Sheriff's investigators suggest the burglar may have been hoping to find some liquor in the boxes when he broke a window in the car while it was parked at Ridge Lounge the night of Jan. 19.

GUNS AND JEWELRY STOLEN

Approximately \$1,000 worth of property was stolen from Sonny Carlton in a break-in at Eves Fish Camp, Lake Placid route 5. Carlton told sheriff's investigators two pieces of jewelry - a man's ring and necklace - were taken along with four guns removed from an unlocked gun cabinet in Carlton's mobile home.

BILLY GRAHAM says about the new motion picture "Time to Run"...

I feel that thousands of people will see a part of themselves in the film. Hopefully, families seeing it will be brought closer together in real understanding and communication.

I urge you to take your children... or your parents... to see **TIME TO RUN** when it comes to your community. You may find it more of a mirror than a motion picture!

National news and economic trends may have caused some recent reluctance in home buying.

But, for a change, we have some good news... Highlands County builders and developers are still building new homes and there are some very fine values in pre-owned homes on the market today.

Also, and maybe most importantly, we have money available at reduced rates and we're anxious to help you move into the home you've been waiting to buy!

"Attend the church of your choice"

Putting forth a *Real* effort

A child's first attempts at printing require deep concentration and great effort. However, with patience and practice he becomes more adept and lettering is easier. Then he is ready for the next step, learning to write.

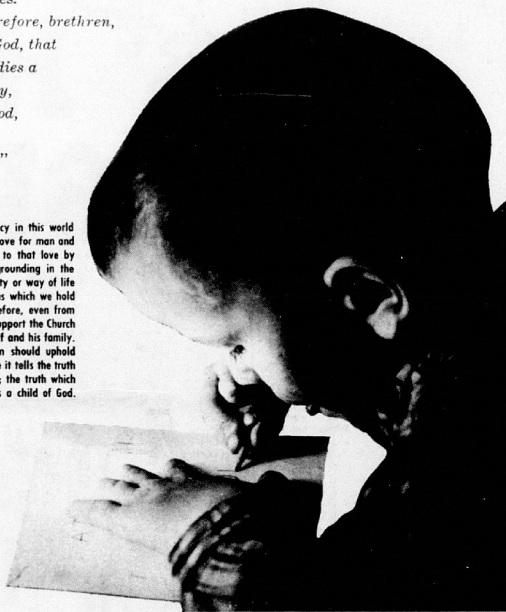

The Lord expects us to put forth an effort to improve ourselves.

"I beseech you therefore, brethren, by the mercies of God, that ye present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service."

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Coleman Adv. Serv.

1. Card of Thanks

The family of Rev. Carlton H. Heinlein wish to express appreciation and thanks to our many friends for all kindnesses shown in all past illnesses to our loved one, and in our recent bereavement. Also Rev. Richard Downs and Rev. Fred Schiltz wife, daughter Margaretta Myers son Carlton R. Heinlein Jr.

Our recent sad loss leaves us with grateful hearts toward neighbors and friends. These comforting expressions of sympathy and thoughtfulness will always be remembered. I wish to thank Rev. J. Benson for prayers, kindness, also hospital and doctors, in loss of my husband, Carl Emory Edstrom.

My sincere thanks and appreciation to all who assisted and helped with words of comfort and acts of love at the time of my great loss. A special "thank you" to the Sebring Police Dept., Forestry Service, Sebring Utilities, Sheriff's Dept., and United Telephone for their assistance and consideration. Sincerely, Frances Lipham and family.

SHOPPING FOR A HOME? DO IT THE EASY WAY! STOP BY OUR OFFICE.
Call 385-8942 or 385-1856
Many retirees are coming in our area seeking
homes, some of them looking for little homes at low
price for which they are prepared to pay all cash,
others seeking sumptuous waterfront residences and a
large mortgage.
The point I am making is that not all retirees are
alike in the type of home they are seeking, the type of
neighborhood they would like or the type of financing
they need. Yet our real estate office is particularly
well suited to serve them admirably.
We are sensitive and sympathetic people of real
understanding and we are prepared to "go all out" to
satisfy them.
Six mobile homes on rental lots or your own land up
to 2 acres from \$1700 to \$25,000. Some new — one
with three lots with a 1974 Skyline — 2BR, 1 1/2 B,
carpeted, furnished, fenced for \$12,800 — owner spent
over \$16,000 — had to leave on account of illness.
Lived in 1 1/2 months. Beautiful double wide, some
luxurious, see us for your choice.

SERIOUS BUYER?
You will be glad you called to see this outstanding
4BR owned by a serious seller! Excellent floor plan.
Can be bought with 2 1/2 - 3 or 10 acres with 66 Hwy.
Frontage 25 per cent down — owner will finance.

TOO GOOD TO BE TRUE
This CB, 2BR home newly painted inside and priced
at only \$16,000.

Ground Rod Hurlled At Police Cruiser

While on routine patrol at 2:04 a.m. Wednesday, Jan. 29, Patrolman Frank Weems was the next victim of an assailant hurling a "house-ground rod" like a spear through the police cruiser windshield with the blunt point of the rod glancing off one of Patrolman Weems' mid ribs.

By the time Patrolman Weems pulled the rod from his clothes the spear thrower had disappeared in the darkness along the railroad tracks between the 5th Ave. overpass and the Tulane Drive overpass. For Patrolman Weems riding alone it had started as a quiet night with a call at 10:18 p.m. Tuesday, from Hopewell School Custodian Alfred Jackson of a fire in a trash can. Jackson previously had received a telephone call from an unidentified male about the fire in the trash can. When Jackson arrived at the school he found ash in the can and thus called for an officer to investigate.

The police dispatcher called Weems by radio and he arrived at Hopewell at 10:26 p.m. and using the cruiser spotlight circled the school, seeing no one. A check of the trash can revealed only ash. He then called the police dispatcher and reported "no one around."

At 2 a.m. Wednesday, Patrolman Weems riding alone was at the cradle mill and proceeded toward Hopewell School, checking Laymon Money's grocery on the way. He turned south on Verona to check the portable classrooms at the rear of Hopewell School. At 5th Ave. he turned right to go under the railroad overpass.

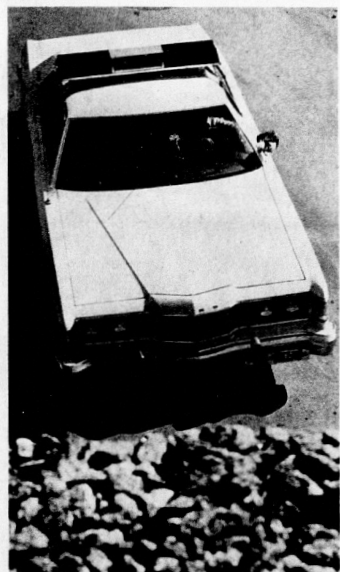

Traveling approximately five miles per hour he observed the movement of someone on top of the overpass out of the corner of his eye. Glancing up he saw an arm go back and he thought the man was going to throw a rock. In a coordinated movement Weems took his left hand off the spot light control and reached for the door handle to open the door and used his right foot to jam on the brake, at which time he heard the pop of the "house-ground rod" coming through the windshield and felt a burning sensation as the blunt rod point hit his rib cage.

The car was completely stopped. Weems first thought was "I've been punctured," as he saw the man, wearing a white shirt or T-shirt, running north along the tracks towards Castle Street.

His first reaction was a test pull on the rod which moved freely in his shirt. By the time he had the rod out of his shirt he had pulled out of the cruiser and made it to the top of the bridge the running man had disappeared and searching through the weeds along the tracks was fruitless.

Back at the police station at 3:31 a.m. Weems was taken to the Walker Memorial Hospital emergency room where after

examination Dr. Perera, told him that the rib had prevented the rod from piercing the skin and concluded, "You are damn lucky."

PATROLMAN FRANK WEEMS STOPPED HIS CRUISER ON 5th Ave. in the approximate position he had stopped early Wednesday morning (Jan. 29) after an assailant hurled a house ground rod at the cruiser pinning Weems to the seat by his clothes after the spearlike weapon burned across a rib. (Photo by Miller)

Target

School Board Discuss New Middle School Here

Going full steam into its five-year construction program, the Highlands County School Board will discuss proposed new middle schools in Sebring and Avon Park.

Permission to initiate measures expanding middle school sites, along with appraisals and initial contacts with owners for purchase, will be requested by the superintendent at Tuesday's meeting of the board.

At a recent special session board members approved the first step in the capital outlay program; securing the names of architects from which to choose for a new Lake Placid High School. A discussion concerning those architects is on the agenda for Tuesday night.

Still in the construction line, Supt. George Douglas will give the board information on Consolidated Tomoka property, proposed site for the Lake Placid High School.

Transportation will also be featured, with Douglas requesting an additional school bus route in Sebring area. He intends to ask permission to advertise the sale of several school buses; three 1966 passenger buses with 200,000 miles each and one 1966 work bus.

Among other items of business will be a request to seek bids on an access road and parking area at E. O. Douglas, site of the new administration building, and a request to employ Wicks and Wicks to audit the Race Track bond issue.

The board is slated to discuss the acquisition of additional insurance coverage and an update on the spring ecology trip of Sebring High School students.

Adoption of a resolution on the state's newly-established Administrative Procedures

Act will be given consideration, along with a request to borrow funds for final February payroll. The sum of \$100,000 has been recommended.

Approval will be asked for special school days at the Highlands County Fair. It has been proposed that Lake Placid and Avon Park areas be given Tuesday, Feb. 25 from 3:45-5:30 p.m. and Sebring area Wednesday, Feb. 26 for the same period.

Board members will hear a vandalism report and the

School Cleanance Sale Great Success

Highlands County schools' third annual cleanance sale was a great success, according to a report filed with Superintendent George F. Douglas. Pierre Posse, property records officer for county schools, reported that receipts from the Feb. 1 sale totaled \$1,171.50.

The sale was held 9 a.m. to 5 p.m. at the county fairgrounds. All items offered for sale had been officially declared surplus and of no further use to the schools. Two potato peelers and 16 small student desks are left and Superintendent Douglas has been authorized to dispose of these "to the best advantage of the schools." He could hold them for next year's sale, but staff said it is unlikely that he will choose that option.

The rod is normally used to ground the telephone line where it comes into a residence.

In the light of the incident and a previous shooting at a police cruiser several months earlier, Mayor Marshall Davis told Police Chief Grady Campbell to assign two

patrolmen to each patrol car at night fully equipped to handle any situation that arises with the admonition, "Don't be hard, but be firm."

Mayor Davis said it was necessary to protect the lives of our policemen and

(Please turn to page 2)

Condominiums Not Reassessed

Highlands County condominiums were not reassessed along with other improved properties on the 1974 tax roll. The fact has caused dissatisfaction among many county residents who have been unhappy over their own increased assessments. Complaints have been lodged in all quarters, including directly to the owners of condos.

Confronted with the complaint, Tax Assessor Billy Martin stated that because the state had forced his office to re-value county property on a "crash basis," it was inevitable that some errors were made.

"But this is not a mistake," he assured. Martin explained that residential property in the county was assessed on a square foot basis. Once the square footages were known, the figures were fed into a computer.

We could not use this same approach on condominiums, because they are not sold by the square foot, but rather on a unit basis, with location having some bearing," Martin explained.

"In addition," he continued, "the value of the land has a much different weight as far as condominium value is

concerned." He added that the previous assessment of condos was higher than other residential property, "almost near market value," and to apply the same formula as that on other properties, would have "thrown them over 100 per cent of market value."

Martin said other properties had been raised one and a half times on the regular base rate, a basis that would have put the condos "way over their fair share."

He added that because his office had such a difficult deadline to meet, it was simply not possible to re-value condominiums.

However, he reminded that the values of all property will be re-examined thoroughly this year for the 1975 tax roll, and the values of condos will be studied carefully to make sure they compare equitably with other property in the Highlands.

"They will probably be raised," Martin said.

Prison Clothing Abandoned

Sunday morning Mrs. Malcolm Crews found, to her surprise, a set of prison clothes in their backyard. The clothes were turned over to prison officials after the Sunday morning session.

According to Richard Hamm, Personnel Director at APCI, the clothes had been issued at the institution but due to a rapid change in the clothing issued they were unable to identify to whom the clothes had been issued.

However, Mr. Hamm was pleased to announce that they have had no escapes and no one was missing from the compound even though they were unable to say how the clothes had arrived in the Crews backyard.

Cross Miss

A HOUSE GROUND ROD from a nearby telephone company excavation, was hurled like a spear from the 5th Ave. overpass, at a Police cruiser driven by Patrolman Frank Weems at 2:04 a.m. last Wednesday morning (Jan. 29) pinning him, temporarily by his clothes to the seat.

Landfill Good Until 1978

County commissioners agree that a central, sanitary landfill is the answer to Highlands County's solid waste disposal problems.

Board Chairman C. J. "Bud" Wise observed: "The logical solution is to search for a site in the vicinity of the Desoto City landfill (on Skipper Road south of Sebring)."

We would like to have an option on 50 acres - purchase 10 acres outright and buy more as we need it," Wise said.

"The owner could continue to work the balance of his grove until such time as we need an additional ten acres."

Commissioner Robert Skipper concurs in the single landfill solution.

"The only way we can do it is by a central landfill," he said.

"Operate it like a landfill as the pollution control people require us to."

When Commissioner Norman "Jag" Heston refers to a "central landfill," he is

talking about a single site, not about being situated in the middle of the county.

"I think the only way to beat the landfill problem," Heston contended, "is to have one central landfill—whether it be centrally located or not."

Commissioners Ken Wilkinson and Kelly Phillips agree in the single site solution too.

But if the county selects a single landfill site, what happens to the one in Avon Park?

"I'm still in favor of using the one up in Avon Park," Phillips said.

"Since we've got the facility—and we don't have any green boxes—I think it would be less costly for the county to go ahead and use it than to close it completely."

Wise agreed. "If there's enough room up there and they can use it in a way that satisfies pollution control standards, I think we should let

them have their own landfill."

"I'm in favor of keeping it (Avon Park landfill) open," said Skipper, "as long as the land lasts."

Since neither Heston nor Wilkinson has objected to retaining the Avon Park site, at least until its present permit expires in 1978, it appears that the county's northernmost landfill will remain in operation for at least three more years.

A more difficult problem exists in the south end of the county.

"As I told the board last week," said Wise, "We're running out of space down there (Lake Placid)."

"If we're going in this direction (to a single landfill operation)," Wise continued, "then we need to immediately start making some kind of a plan to place green boxes in the

(Please turn to page 2)

Children's Hour Wednesday Afternoon's At Library

Mrs. R. D. Moore, City Librarian, has announced the dates for the Spring Pre-School

story hour sessions. Every Wednesday afternoon at 2:00 p.m. during the months of

March and April the City Library will conduct a story hour for pre-school children

ages 3, 4 and 5. Each session will consist of stories, songs, games, and finger-

plays with a surprise basket at the end of each program. Every child will have a story hour memento to take home each week so they can share with their families what they did during story time.

All that is necessary to register your child for the story hours is to call Mrs. Moore at the library at 453-4842 anytime between 9:30 a.m. and 4:00 p.m. All children must be registered at least one week before the session begins and in order to attend children must be registered. Registration is necessary because of space limitations, arrangements for name tags, etc. Parents may call the library anytime between today and February 26th to assure their children are included in this program.

Mothers are welcome to spend story hour time browsing in the adult collection at the library while their children are enjoying stories.

Pre-School story hours are an excellent way to introduce young children to the library and all mothers of pre-schoolers are urged to register their children for this program.

Story Hour

TAKING A QUICK look at some of the books they will be hearing about during the story hours at the Avon Park Library on Wednesday afternoons during March and

April are Heather and Kelly Jordan with Heather looking up to see if Mommy can read her book. (Photo by Miller)

County Guide Available At

Chamber Office

The Avon Park Chamber of Commerce has just received the new Highlands County Guide, attractive and informative, booklets that are distributed locally and mailed throughout the United States. If you are interested in getting your free copy kindly stop in the chamber office at your convenience.

The new city maps are also yours for the asking, and are much in demand by local citizens as well as visitors.

Something new has been added in the chamber office in the way of a coffee service. Chamber members and prospective members are invited to stop in the chamber building, have a cup of coffee and chat. This is a means to inspire a "round session" and brain pick for ideas of increasing chamber services.
