

Morning Fire Destroys Apartment

An early Saturday morning fire partially destroyed a three apartment building owned by Rodney Lane at 211 S. DeSota Ave.

When firemen arrived flames were blazing through door and window openings and holes burned in the rear wall at ground floor levels and the attic height of the middle apartment occupied by Zemo Cockerhan who was not home at the time. Smoke and flames also had started to break through siding at the front of the building.

The middle apartment and its contents appeared to be a total loss because of the fire. The north apartment was unoccupied and sustained smoke, fire and water damage. The apartment of the south side of the building occupied by Johnnie Franklin was damaged mostly by smoke and water.

Two pumping units with four paid firemen and 12 volunteers responded to the alarm. A false or drop ceiling in the middle apartment hindered efforts to extinguish the fire by making it difficult to get water to some of the blazing areas. However, firemen had the fire out and left by 5:30 a.m.

In describing the burning building Fire Chief Mack Flowers stated that the burn pattern indicated that the fire had started in the back bedroom of the center

apartment and the degree of damage showed that the fire had been burning for some time before it was reported. The bed mattress was completely destroyed by fire with the bed springs falling into the hole burned in the floor. Fire had burned through the rear wall, the drop ceiling, the original ceiling and the rear attic wall. Another fact noted by Chief Flowers when he arrived immediately behind the first fire fighting unit was that most of the people watching the fire were fully

dressed and had their shoes tied. The building owner Rodney Lane was not called until the fire was almost extinguished. There have been no fires reported at this building prior to this time. The building had been used as a Nazarene Church and was moved about 18 - 20 years ago from the location of the present Nazarene Church.

Zemo Cockerhan, who occupied the middle apartment is a musician playing with local groups and is also employed at

Ridge Florist. He told Chief Flowers that he had left the apartment at 10:30 p.m. with everything in good order and when he returned at 4:00 a.m. to find his musical equipment destroyed he was quite upset as he had no insurance on it. Chief Flowers said there was no estimate on the damage loss as yet and investigation was still continuing. The loss of the building and apartment contents was only partially covered by insurance, while the loss of personal belongings was not covered by insurance.

Silenced Forever

NO LONGER WILL these Hi-Fi components be able to produce the raucous rumble of rock, the sweet refrains of the long-haired classics or the haunting loneliness of country ballads, while the guitar has played its last melody as the extremes of fire and water took their toll last Saturday's early morning fire at the Zemo Cockerhan apartment at 211 S. DeSota Ave. (Photo by Miller)

CAPTAIN ALAN BALL of the Avon Park Fire Department glances at the scorched iron skillet that was left on the stove at the Jimmy Barnes residence at 107 W. La Grande St. last Friday afternoon. Food was left cooking on the stove when the owner went out. Smoke damage to the residence was caused when the over-cooked food smoldered before bursting into flame. (Photo by Miller)

Clydesdales

Coming To

Shopping Center

The Budweiser Champion Clydesdale horses are coming to Southgate Shopping Center in Sebring, Feb. 7. Appearances have been scheduled for noon until 6 p.m., sponsored by the Southgate Merchants Association.

Sebring is one of the stops the eight-horse hitch will make this year as it travels the country. The Budweiser Clydesdales are probably the most widely traveled horses in the United States, covering some 40,000 miles a year as they appear in parades, state fairs, horse shows and other special events.

Although Clydesdales are of pure Scotch ancestry, they are now raised in the United States and Canada as well. Anheuser-Busch, Inc. established its own breeding operation several years ago to assure the continuity of the company's famous eight-horse hitch, with horses that meet rigid standards for proper color, size, weight and conformation.

Recently, August A. Busch Jr. offered for the first time the company's stallions for free stud service to members of the Clydesdale Breeders Association. Busch said the offer was made because of the company's interest and desire to help perpetuate the breed.

Scouts Hike Florida Trail

A large group of scouts and their leaders from Trailblazing Troop 198 hiked a 16-mile stretch of the Florida Trail during the weekend of Jan. 25-26.

Assembling at Alexander Springs in the Ocala National Forest the group camped overnight at Farles Prairie. The heavy showers which were part of a cold front moving through the area failed to even dampen the spirits of the scouts. When they arrived at their destination, Juniper Springs, on Sunday afternoon, they were still ready for a swim in the icy water.

Scouts making the hike were Billy Barben, Greg Baldwin, Todd Bennett, Greg Batty, Mike Brantley, Daniel Carroll, Joe Evans, Lawrin Ellis, Efrim Gibson, James Goodwin, Jeff Henly, Mark Hooper, Kenny McLeod, Mark Myers, Eddie Roper, Leroy Small, Chuck Smith, and James Simpkins. Leaders were Scoutmaster Larry Hooper, Asst. Scoutmaster Jim Rice, and Committeeman Dave Batty. Assisting with transportation were Robert Barben, Ed Brantley and Carey Bennett.

Bible Questions

Pastor A. W. Orner
Rt. 2 Box X405
Avon Park, Florida

Question: Do all people have a chance for eternal life?

Answer: There are three sources of spiritual and moral light. The conscience, creation, and the Bible. Man's salvation is determined on how he uses the light which comes to him or her. And this is the condemnation, that light is come into the world, and men loved darkness rather than light, because their deeds are evil. For every one that doeth evil hateth the light, neither cometh to the light, lest his deeds shall be reproved. But he that doeth truth cometh to the light, that his deeds may be made manifest, that they are wrought in God, John 3:19-21. A person therefore who conforms to the light which comes to him, will be saved. The fact that he is willing to walk in the light which comes into his life, indicates that he or she is in harmony with light,

and would therefore walk in greater light, if it should be given to him.

Christ assures mankind that if a person desires light and truth, that it shall be granted to him.

Blessed are they which do hunger and thirst after righteousness: for they shall be filled; Matthew 5:6.

There is of course only one source of salvation, and that is Christ. For there is none other name under heaven given among men, where we must be saved; Acts 4:12. All who are saved will be saved, through Christ's salvation. He is the source of all light, whether conscience light, creation light, or the Bible. This is true because he is the Creator, John 1:3. He is the light of the world; John 9:5. He pleads with him to walk in his light; John 12:35, 36.

Avon Mobile Park News

A trip to Nassau on the Emerald Seas boat was a real treat for Mrs. Gladys Geib, who with Mr. and Mrs. Gerald Swollen from Ohio, spending the winter in Avon Park, and Mrs. Dempsey Norris from Alhambra, South Carolina, formerly from Avon Park, drove to Miami to join the tour.

It was a first experience for all and they report a wonderful time and food out of this world. Mrs. Norris has been visiting friends in Avon Park for three weeks. Mrs. Geib entertained her at dinner on Wednesday.

Residents were saddened Sunday January 26 to hear of the sudden death of Dwight Andrews, who had entered the hospital early Saturday morning. Sympathy is extended to Mrs. Andrews and the family. Their daughter Mrs. Edith Grooms of St. Louis, Missouri arrived on Sunday and accompanied her mother to Tilton, New Hampshire where a prayer service was held. Mrs. Andrews returned to the Park on Wednesday.

Friday was moving day when George and Mercedes Bears left for College Park, near Lake Wales, where they will spend a couple months before returning to their home in Indiana. Albert and Elizabeth Stromberg, who purchased the mobile home from the Bears moved over from the apartment joining the office. Then Russell and Margaret Schroeder of Gilman, Ill. stepped around to that apartment, from the efficiency in back of the office.

We are happy to welcome them as new residents. Of course we'll miss the Bears, but expect they will be frequent visitors in the Park. There's something about home ties here, as many will agree.

Mr. and Mrs. James Allen and daughters Marni and Kristin of Granby, Connecticut, have been visiting. Her parents Mr. and Mrs. Sponsler Limbaugh.

Mr. and Mrs. Walter Douglas

and Bee Tingle spent Thursday and Friday with the Douglas daughter-in-law Mrs. Glen Cody from Lake Wales. Mr. and Mrs. Phelps Button, with Mr. and Mrs. Maurice Fero, spent Sunday Jan. 26 at the Tower in Lake Wales then called on Mr. and Mrs. Fred Lang and Mr. and Mrs. William Lang at Hillcrest, Florida.

It was a busy week for Sybil and Mary Missey, who were glad to have as callers from their hometown of Belleville, Ohio, Mr. and Mrs. Carl Ballinger. They enjoyed a day at Sea World with Glenn and Mildred Long, celebrating birthdays for Mildred and Mary. Another day was at Lake Wales and the Singing Tower with Mr. and Mrs. B.E. Snider from Stryker, Ohio, who are spending some time in this area.

Mr. and Mrs. Elliot Purvis, Mrs. Lucile Shoemaker and Mr. and Mrs. Harold Wolcott drove to Aldersgate Retirement Village at Kissimmee Wednesday to visit Mrs. Maude Nieuksirt, a former resident of our Park. Maude's health seemed to be much improved.

Mr. and Mrs. Maurice Fero, Mr. and Mrs. Phelps Button spent a day at Cypress Gardens last week. Mr. and Mrs. Kenneth Weldy have returned to their home in Wakarusa, Indiana, after a two week visit with his brother and wife Virgil and Hazel Weldy. Among places they visited were Cypress Gardens, Disney World and Key West.

Thelma South returned from the hospital Friday, and its good to see her around again. The Tuesday night Bingo games are popular and attract 35 to 40 each week.

Ten people enjoyed the pinocle party Monday evening. Ruth Wolcott was high for ladies with a score of 1382 and Chris Andersen led on the men's side with 1356.

Mr. and Mrs. Edmund Mosser, Mrs. Melba Dick, Stephen Dick, Mr. and Mrs.

Ward Bowers of Clyde, Ohio, were in the Tower on Tuesday where they dined at the Towerview Restaurant, in celebration of the Witter's 57th wedding anniversary.

Win two - Meet Palmetto Friday

The Red Devil basketball team improved its record with two wins last week to move to a 9-4 mark for the season. The Devils won over Fort Meade 79-71 on Tuesday and then handed Sebring an 81-66 defeat last Friday night. Both games were played here at the high school gym.

This week the Avon Park varsity played Southeast of Bradenton here on Tuesday, will go to Fort Meade tonight (Thursday) will be back at home tomorrow night (Friday) to host the highscoring Palmetto team from the west coast. Avon Park won over Bradenton Southeast in the Palmetto Christmas tournament and also defeated Fort Meade last week but Palmetto has defeated the Devils twice already this season and is considered one of the top teams in the state.

Craig Presley just couldn't miss the basket when the Devils played Fort Meade here last week and pumped in 40 points to lead his team to the 79-71 victory over the district team which will host the district meet later this month. Mickey Claitt added 9 counters and Ricky Claitt and James Ross contributed 2 points each to the total score. Avon Park led slightly until the end of the half when Ft. Meade moved out front 34-32. The Miners had a 56-50 lead at the end of three periods but the Red Devils pumped in 24 points to the

Miners' 15 in the last period to take the 79-71 victory. Avon Park hit only 9 of 19 free shots while Ft. Meade made 9 of 12 from the line.

Melvin (Rootman) Collins set a probable Avon Park High

School rebound record last Friday night against Sebring as he pulled down 33 off the boards to pace the Devils 81-66 victory over the Streaks. Collins, Avon Park's 6'4" sophomore center, also

pumped in 17 points as he turned in his best performance of the year.

Craig Presley scored high for the Devils with 22 points but Sebring's little guard Bill Sherron was high for the game with a total of 36 points. He scored 22 points in the first half as the Streaks stayed even with the Devils and even led for awhile in the second quarter. Mickey Claitt and Reggie Tolbert both scored 14 points for Avon Park. James Ross hit for 6, Terry Hicks scored 5 and Ricky Claitt put in 3 points for the Devils. Mickey Claitt added 13 rebounds to Collins' 33 and Presley pulled in 11 off the boards as the Devils dominated the rebounding. Again Avon Park was cold at the foul line hitting only 17 of 37 while Sebring made 16 of 22 free shots.

RED DEVIL GUARD, Reggie Tolbert (24) led the race to the basket for another two points for his total of 14, during the Avon Park (81) - Sebring (66) game last Friday night. James Ross (12) follows for back-up support. (Photo by Miller)

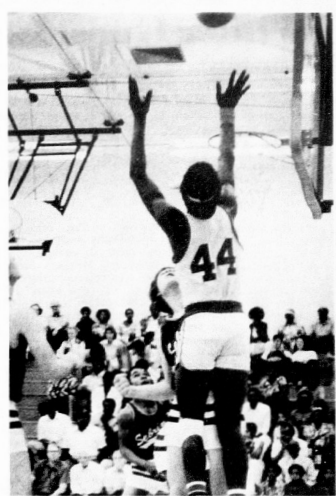

45 Girls Sign For Track Team

The Red Devil girls track team started practice this week in preparation for its season opening meet in Auburndale on Feb. 25. The girls are coached this year again by Chet Brojek and Harry Williams who report that over 45 girls have signed up for the sport. "I expect we'll lose a few," stated Brojek, "but we should end up with 30 to 35 girls running in the meets."

Last season the girls had an excellent 9-1 record. Team captains for this year are returning letterladies senior Renee Crocker and sophomore Linda Paye McRae and Sharon McRae. These three were top point gainers on last year's squad. Other letterladies include Rhodona Thompson, Tracy Jones, Della Kirkland, Hattie Rich, Mary Coleman, Margie Taylor, Johnnie Mae McRae, Denise Johnson, Kim Kempton and Kathy Green.

New events being run this season are the sprint-medley relay, shot put, discus, 440 yard dash, 800-yard dash run and the mile run. The ladies will also compete in the 100-yard dash, 440-yard relay, 800-yard relay, 110-yard low hurdles, long jump, high jump and the softball throw. Strong points of the team will be the sprints and field events according to the coaches. Brojek hopes the distance crew will develop as the season goes along and be strong at district time. A complete schedule of girls' meets will be published next week.

The Red Devil boys track team also started practice this week but will open its season a week later than the girls.

BESIDES SCORING 17 points in last Friday night's game with Sebring, Melvin Collins pulled down 33 rebounds for a possible Avon Park record. Final score was Avon Park 81, Sebring 66. (Photo by Miller)

B Squad At 7-5 Meets Tough Palmetto Here

Avon Park's "B" squad basketball team won over Fort Meade and Sebring last week to set a 7-5 record for the season with just four games left on the schedule after last Tuesday night's encounter with the Bradenton Southeast jayvees.

The junior Devils defeated the Miner jayvees by a score of 56-49 on Tuesday and then outscored Sebring's "B" team 66-39 last Friday night. Tonight (Thursday) the Devil "Bees" will travel to Fort Meade for a return match with the Miners and tomorrow night (Friday) they will be at home to the tough Palmetto "B" team. Next Tuesday night the Lake Placid Green Dragons will come here for a game and the following Friday the Devils will close out the season in Mulberry.

Against Fort Meade last week Anthony Conner and Reggie Baker both scored 12 points. Freddy Moore pumped in 10 points. Mike Coleman hit for 7, Freddy Williams had 6, Mike Ryan scored 4, Dale Sisemore and Kenneth Burley had 2 each and Edward Dorsey added 1 point to account for the 56-49 victory. Kenneth Burley had 14 rebounds and Conner had 8 against the Miners. Last Friday night against Sebring it was Anthony Conner with 14 points and 8 rebounds, Mike Coleman with 12 points and Kenneth Burley and Freddy Moore with 10 each. Burley had 13 rebounds. Also scoring for Avon Park were Dale Sisemore with 6, Reggie Baker, Freddy Williams and Edward Dorsey with 4 each and Edward Irvin with 2.

Baseball Team Opens With Pahokee

The Red Devil varsity baseball squad has been trimmed down to 18 players by Coach Ronnie Jackson and assistant coach Hoppy Rewis. The 1975 team will have nine returning lettermen available for duty when the season opens here at Head Field on Feb. 18 with Pahokee furnishing the opposition.

Returning seniors will be leftfielder Mike Pool, pitcher and firstsacker Jimmy Dourberley, and centerfielder Brad Beumel. Pool played first base last season, Beumel was a third sacker and shortstop, and Dourberley played in the outfield. Coach Jackson switched the three senior letterman around this year hoping to balance out the team.

Jerry Robinson, Smokey Hill and Timmy Massey are the three returning lettermen from the junior class. Robinson will pitch and play third base this year. Hill will be behind the plate taking care of the catching duties and Massey is scheduled to pitch and play

second base. Robinson played in the outfield last season.

Three sophomores return to the squad as lettermen. Mort Jackson will move to shortstop from second, John Mickunas will remain in the outfield and Reggie Baker is expected to play one of the outfield positions after basketball season closes.

Other members of the 1975 Red Devil team are seniors Allan Tarnan, Jamie Tomlinson and James Jackson. Tarnan will work at catcher and in right field, Tomlinson will pitch some and play right field, and Jackson is working on the mound and at shortstop. David Cantrell is the lone junior newcomer to the varsity. He is working with the seven-man mound staff trying to earn a starting pitching position.

Up from the "B" squad are sophomores Jim Johnson and Freddy Moore. Johnson will work out at second base and Moore will be available for play at first base. Also trying

to win the starting third basemen's job is sophomore Ray LaPlam. LaPlam also played junior varsity ball last year.

Two freshmen are on the squad. Larry Jackson will work out at catcher and at shortstop this season and Charlie Pugh will work as a pitcher and also as a second baseman.

All of the team members with the exception of Jamie Tomlinson and Allan Tarnan have participated in the summer senior and big league programs here in Avon Park. Last year's senior league All-Stars won the district and took part in the regional play-offs. The Red Devil varsity will have new uniforms this season and Coach Jackson plans to wear one set at home and the other for out-of-town games. Coach Hoppy Rewis has been working with the pitching staff in pre-season practice. Coach Rewis is a former Red Devil player in his first year as assistant coach with the Avon Park varsity.

Southland Court News

By MARION LEARNED

Friday Jan. 24th. Both shuffleboard courts saw action with 8 men out for the competition. On the West court, it was Tebo and Rose over Breister and Wallace 49 to 36. Second game it was Tebo and Rose over McGwen and Longhons 69 to 58. On the East court, it was McGwen and Longhons over Gifford and Condit 61 to 21 and the second game winners were Gifford and Condit over Breister and Wallace 47 to minus 3.

Thirty eight were present for bingo on Friday. Winning two games were Alice Thompson, Martha Ayres and Beasie Paxton. Other winners were Esther Breister, Gertrude Culver, Gilbert Longhons, Goldia Daun, Mary and Hannah Tebo, Ann Barth, Everett Paxton, Alvia Tromple. The big winner was Al Thompson winning the cover-all.

Tuesday Jan. 28th. Twenty four attended the coffee hour at 9:00 a.m. In the afternoon eleven ladies met at the Rec. Hall for Sewing and Crafts and in the evening at 7:00 thirteen played Aggravation.

Wednesday, Jan. 29th twenty three park residents enjoyed another lovely dinner at the Steak Out Family Restaurant. At this writing, Helen Erdt is still confined at Highlands General Hospital in Sebring. This item was missed last week and we are sorry about it. Also it has been necessary for Walker Morrison to return to Carroll Memorial. We hope both will be returning home soon and we send them best wishes from all park residents for a speedy recovery. I also understand that Emily Renaud has been back this past week, so we hope to see her up and about soon.

Goldia Daun and Mildred Hindsley spent a couple of days visiting friends in Jet Park at Palmetto. They also shopped at a beautiful mall and found some very nice places to eat there.

Mr. and Mrs. Omar Snyder have returned to Philadelphia, Pennsylvania after spending a week with his sister and brother-in-law, Ray and Martha Long. While here they visited Daney World, Busch Gardens, Master Piece Gardens and Bok Tower. We are glad their stay was so enjoyable and wish them, a safe trip home.

Our weather has been so lovely and our Winter Guests tell me they are enjoying our Florida sunshine. With the warmer evenings, the shuffle board courts are being put to good use. Many individual tournaments have been played by the husbands and wives, but the folks are not turning in the results. We want everyone to enjoy all the activities available in the park.

Park news is due at the Avon Park Sun on Fridays - so please keep this in mind, some events might be a little late.

Monday, February 3rd, we are planning a farewell get together for Marie Stroobant. Keep for details next week.

All for this week. Good health and happiness.

Bicentennial Medallions

Highlands Bank Offers Medallions

D. R. Daubach has announced that the Official Bicentennial Medallions commemorating Florida's historical contributions to the 200-year history of the United States are now available in Avon Park at Highlands County Bank.

The medallions, developed by the Florida Bicentennial Commission and the Lincoln Mint of Chicago, are part of a statewide program to help get private enterprise and citizens involved and to help finance Bicentennial programs and celebrations throughout the state.

Each year through 1976, a new medallion will be introduced with a total of three different medallions being offered. Each medallion's design will come from a statewide high school contest with \$2,500 in scholarships awarded annually for winning designs.

The first issue, designed by Karen Vnuk of Satellite Beach, concentrates on Florida's earliest history, with special attention to Spanish exploration and pre-1800 Indians. The reverse side reproduces the original Florida Territorial Seal.

Highlands County Bank of Avon Park is one of several financial institutions

throughout the state that have agreed to display and sell these commemorative medallions which are available in solid sterling silver (\$15.00) or antiqued bronze (\$4.00).

Environmental Council

Rejects Use Of Hammock As Nursery

Highlands Hammock State Park as a tree nursery for the Florida Forestry Department? The Environmental Council of Highlands County rejects the idea.

A Dec. 8 story in the Ft. Myers News Press alerted the local group to a Forestry Service proposal to uproot its Herren Nursery and transfer it to Highlands Hammock, after water intrusion in Punta Gorda's wells last spring wiped out 60 per cent of the nursery's stock.

The article went on to say that although Hammock had not been definitely decided upon, the forestry's use of 22 acres of the 3,900 park should "present no problem."

The reaction of the Environmental Council was immediate. Marsha Winegarner, president, sent off a letter to Ney Landrum, director of the state's Division of Recreation and Parks, protesting the proposal.

She said the council is concerned for two principal reasons: it poses a threat to natural areas which the park was intended to protect, and it would establish a "dangerous precedent" encouraging pressures for utilization of state parks other than their intended use.

Winegarner noted that the nursery would require wells, irrigation ditches, resident quarters, a packing shed, office, equipment sheds and

shops. "All of this would have considerable impact on the natural ecosystems of the park."

"We are also apprehensive about the effects of inevitable pest control on populations of insects, and vertebrates such as deer and squirrels. Further, once the Forestry Department

is established in the park, it would be difficult to prevent them from expanding the operation if they run out of space."

According to Winegarner, Highlands Hammock was purchased in 1930 by Margaret Shippen Roebeling for the local Tropical Florida Parks

Association. It was set up as a nature preserve in which nothing of an exotic nature would be introduced."

She concluded that the establishment of a nursery in which exotic trees are grown, "violates the basis on which the park was founded."

The council asked that the

Forestry Service seek another location for its transplanted tree nursery.

The newspaper story said that discussions had progressed to the point where nursery officials had said they hoped to make a move to the Hammock by March, but later amended that to late spring or early summer.

Landrum was quoted as saying "I don't see any major problems with the move. If there is any opposition to it, I don't know about it."

The Herren Nursery started looking inland for a new location when salt water destroyed 138,000 seedlings last year. Primarily the seedlings involved "exotic," fast-growing Eucalyptus trees. Eucalyptus production, primarily for wood pulp, was shifted to the state nursery at Chiefland. Still suffering from the infiltrated water at Punta Gorda are young golden shower trees, and red and gold maple shade trees.

Forest Service Sells Trees Out In 45 Minutes

Florida Forest Service's tree sale was so popular that all available young trees - 225 - had been sold within 45 minutes. Customers who turned up for the Jan. 21 sale at the Highlands County Agricultural Center were limited to

two trees each. Among the half-dozen varieties available at the bargain price of 25 cents each, most popular were royal poinciana and Jerusalem thorn trees.

It is no Secret...

One of the great joys that children have is in telling a secret. This is one way that secrets have of becoming known.

However IT IS NO SECRET what God can do for you. This was never intended to be a secret, for God wants all to know the good news.

Isaiah said: "The Lord hath anointed me to preach good tidings ... to proclaim the acceptable year of the Lord."

Attend church regularly and hear God's word preached.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

Around the World

Breathtaking Bermuda

In 1515, Juan de Bermudez discovered a scenic chain of islands shaped like a fishhook. Bermuda, as this 22-mile long paradise in the Atlantic came to be known, has long been a tourists' delight because of its comfortable temperatures and evenly spread rainfall.

Despite its exotic reputation, Bermuda can actually prove to be an inexpensive vacation spot for the whole family. Now you can purchase for only \$15.00 an "Official Passport" that will let you enjoy \$35.00 worth of Bermuda's most exciting attractions. There's the picturesque Sea Gardens Cruise, the Dolphin Show at the Blue

Grotto, Golf at the Belmont Course, the breathtaking Crystal Caves, Fort Saint Catherine's replica of the British crown jewels, and many other unforgettable sites. If you stay at the Bermudiana, the Harmony Hall, or the Belmont—three well-equipped but moderately priced hotels run by Trust Houses Forte—you'll be given a "Passport" to a truly great vacation.

Don't miss Bermuda's mild and beautiful climate, its palm trees, flowering trees, and beautiful beaches. Take a trip that both you and your budget will enjoy!

IT USED TO BE "HOW IN THE HELL CAN YOU GET TO THE ISLANDS?" BUT NOW YOU CAN BE IN THE AIRPORT LATER!
