County May Drop Support Of Avon Park Landfill

Planning for the county's central landfill operation took a new and surprising twist Tuesday.

The commissioner's landfill committee will recommend that county support of the Avon Park landfill be terminated whenever the DeSoto City site becomes fully activated.

Only last week commissioners had expressed support for keeping the Avon Park facility open until its license expired in 1978. However, that was before they realized that lack of funds would preclude their operating duplicate landfills.

Committee members said they saw no reason why the city of Avon Park could not continue to operate its landfill if it wished.

They made it quite clear though, that the heavy equipment needed to dig cells into which solid refuse is deposited would be required on a full time basis at DeSoto City and would therefore not be available for use at Avon Park.

Four of the county's five commissioners attended the committee meeeting.

Administrator Charles Cullens reported that the owner of land adjacent to the DeSoto City landfill had offered to sell a five-acre parcel to the [illegible] and may be willing to part with an additional five acre plot.

Commissioner C. J. "Buddy" Wise said he had recently visited the landfill in Lake Placid and predicted it "wouldn't last a month." Calling the Lake Placid situation critical, Wise pressed for a short-term solution.

County engineer Gordon Hays Jr. held no hope for a quick answer, stating that when the last cell has been filled, all of Lake Placid's solid waste will have to be hauled to DeSoto City.

Committee members then discussed problems associated with distributing throughout the county metal boxes, each capable of holding four cubic feet of trash, for use by residents.

They asked Cullens to have county commissioners briefed by individuals familiar with the use of such containers in other counties.

For planning purposes, the committee accepted the following guidelines for operating the central landfill:

— Dumping charges: $2 per ton to be paid by cities and commercial haulers. Initially, no charge for house hold trash delivered by individuals.

— Management of the site to be responsibility of the road and bridge department.

— Two heavy equipment operators, two scale operators and three part-time spotters (to point-out proper unloading area) to be employed to operate the facility seven days a week.

— A small building to be erected on site to house scale controls, wash facilities, fire extinguishers and bathrooms.

— Skipper Road between SR-17A and Twitty Road to be paved.

— About 2500 feet of protective fencing to be erected.

Officers Recover Loot Nab Three Suspects

Theft of 13.29 pounds of metal may not be the heaviest crime of the year, but handling recovered evidence gets tedious when the loot includes $19.34 in pennies.

Pennies were part of the goods recovered from a burglary at the Robert Crews home on Lake Lotela, southeast of Avon Park. All goods taken from the house — including some guns and a radio — have been recovered. Three suspected burglars have been arrested.

Crews, who works in the management of Crews groves, dropped by his home at 10:30 a.m. on Feb. 5. Some household goods were outside and two men were inside the house, in the play room.

Crews said the intruders ran from the house, in the scramble knocking four glass panes from a side door. He said the men ran through a grove and headed toward the railroad tracks.

A short time later Avon Park police saw the men running and picked up the chase. When the fleeing men saw police they cut back into scrub and lost their pursuers.

From the sheriff's department Lts. Richard Cooper and Keith Albritton, Deputies James Jones, Dean Ferguson, Earl Gordon had responded to the call about the break-in. Laroy Prevatt of the Avon Park Police Department joined the deputies.

When it appeared that the suspects had escaped, police and deputies returned to other duties leaving Lt. Albritton and Lt. Cooper to piece together evidence. Over the next 24 hours they rounded up stolen goods and suspects.

Two juveniles from the Avon Park area and Edward Tyrone West were taken into custody Feb. 6. Each of the suspects has been charged with breaking and entering and larceny of a firearm. At first appearance hearing for West, Judge Mark H. Richardson Jr. set bond at $1,000 on each charge. West remained in jail early this week.

The original burglary report listed a bank, which had been in the play room, as one of the missing items.

When the lawmen recovered a glass container full of coins, the money had to be transported to the sheriff's department, counted, held for evidence. The recovered coins weigh 13.29 pounds, and it took a long time to count them.

Deputy Annie Welch, who drew the counting assignment, commented, "It takes a long time to count $19.34 worth of pennies — or was it $19.46 worth — anyway, I remember it was all those pennies and one dime."

A committee of committeeheads met in the Avon Park High School Band Room to complete plans for Band Day on Saturday, Mar. 15. Band Day is sponsored by the Band Parents Association with an auction of new merchandise and donated used appliances, furniture, books, records and what not. This years auction will be held at Donaldson Park. Committee members are (left to right): Elsie Cushman, ticket sales; Alice Johnston, ways and means; June Culbertson, concession; Dot Sheffield, publicity; Marva Turner, general chairman and Wallace White, President of Band Parents Association, auction chairman.

Alcoholic Center Will Remain Here-Maybe

The proposed closing of the Florida Alcoholism Treatment and Research Center in Avon Park has been stayed temporarily. Senator Tom Gallen was informed that the Department of Health and Rehabilitative Services has decided not to close or "convert" the center for the present.

Rumors are heard almost every year the State Legislature meets of closing or changes in the status of the ARC, but this flock of rumors were to the effect that the ARC would be closed or converted into a prison.

At his informal meeting Senator Tom Gallen told the 60 or more people representing business, government, education, church, law, civic organizations, news and others that he had written to O. J. Keller, Secretary of the Department of Health and Rehabilitative Services (HRS), Tallahassee to admit or deny the rumors but had received no reply. He had also wired Dempsey Barron, President of the Florida Senate for his support in preventing closing or transfere of the ARC facility from this successful location.

Senator Gallen informed the serious group he intended to get behind the matter of the fate of the ARC full time in your behalf.

In speaking of the upcoming legislative session in April the State Senator pointed out that the last legislature had a $300 million surplus to work with while this years lawmakers will face a $150 million deficit in income. Gallen thinks this is a healthy situation for the legislature in which to learn that it can cut expenditures and to say "No".

Citing Dempsey Barron, President of the Senate as an example, Senator Gallen told how Barron had cut his staff and eliminated several departments in the Senate as an illustration of what can be done and he hopes the legislature carries on through with the cuts.

As for taxes, Senator Gallen, a member of the ways and means committee, foresaw no new taxes or repeal of old taxes because for every tax cut made a service must also be cut or a new tax imposed. That if the legislature cuts expenditures carefully there would be no difficulty in surviving the economic problem which is tied in with the national economy effect.

In speaking of possible cuts in funds for education SenatorGallen said if we have to cut in education he would prefer that cuts be made in the graduate level program with exception of the med-school program because of the shortage of physicans. And if the enrollment is limited that it not be on the Junior College level or the freshman and sophomore level in the four year colleges.

The Senator also felt that cuts should be made in the administrative positions of the education program, not only at the state level but also on the K thru 12 level. He believed it was more essential to get a basic education for our young people than to favor the graduate programs or the adult programs.

During the course of or following the morning meeting things started happening on the state level — Senator Jack Gordon related to Senator Gallen, O. J. Keller's (HRS) decision not to close or convert the Avon Park Alcoholic Rehabilitation Center at the present time.

Out at the Alcoholic Rehabilitation Center Monday afternoon Joesph C. Ziesenheim, superintendent relayed that Dr. Martin of the medical staff was informed at 4:00 p.m. Thursday that there would be no change at present in the status of ARC. While he, Ziesenheim heard about the decision at 8:00 p.m. thru HRS while at a meeting in Tallahassee. Efforts were made by both men to relieve the low state of employe moral.

Residents of the Manors on North Lake Avenue appeared before the Avon Park City Council and presented their case for lights in the area and obtained a promise that something would be done along with a welcome and a "thank you" for attending the meeting. Photo—Miller.

Residents Ask For Lights

Residents of the Manors filled all available seats at the regular meeting of the Avon Park City Council Monday night as they sought action on their request for lights in the Manors area.

They were welcomed to the meeting by Council President Wendell Williams who expressed the hope they would continue to take an active interest in the city's business.

Various speakers for the group told of prowlers, peeping toms and vandalism in the area because of lack of street lights. They wished to know why the project developer Bob Herman was allowed to build only 20 foot wide streets when the city ordinances called for 50 foot wide streets with the answer being that these streets were built as private streets and not dedicated to the city.

Suggestions were made by the audience as to how the problem could be handled such as running electrical cables through already installed sewer lines which were said to be too small. The installing of lights on a 30 inch easement but legal papers showing such an easement where not available.

It was asked if a street could be built on the west side of the project to which Mayor Marshall Davis replied that the developer Herman said he would dedicate a 60 foot street on the back side of the project. Residents also asked for two or three lights on N. Lake Ave. as this would help with the lighting problem until such a time as easements could be secured.

It was asked if the city would grant a variance and accept the 20 foot wide streets even though 50 foot wide streets were designated by city law. To which City Attorney Jack Hanock replied that street widths were set by ordinance and could be changed by the Council.

A. Woodruff Heights resident asked for lights on N. Florida Ave. and Mrs. Marlowe told the Council that she could not build a patio on her property because the meters for four other apartments were on her apartment wall. Council referred her to the Florida Power Corp. which places the house meters.

In discussion of the lighting problems Councilmen told the Manor's residents they would do all they could for them that it was legally possible to do. It was also pointed out there were other critical areas in the city such as a new development on S. Lake Ave. without a single light.

Council President Williams called for patience and understanding and told the Council that the lack of tax money normally available at this time may somewhat delay work progress. Williams also asked residents for project building plans and legal papers that would help in arriving at a decision as to the location of lights within the Manors project.

It was moved and passed by the Council to install two lights on N. Lake Ave., one on N. Florida Ave., two lights on S. Waldron Ave. and one light on Monroe St.

As the Manors residents were leaving Council President Williams thanked them for coming and urged them to come back again. To which one resident replied, "We will be down when something is hurting us."

Public Meeting

The Legislative Delegation will hold a public meeting Monday, 7:30 p.m. in the commissioners' chambers of the Highlands County Courthouse.

Members of the public are invited to attend, to advance suggestions or recommendations for issues they would like brought before this session of state legislature, which begins in April.

Lions Donate $2800 For Projects

The Avon Park Lions Club has donated over $2,800 to the Florida Eye Bank, The Florida Leader Dog Program, The Florida Foundation For The Blind, and other local projects including eye glasses and examinations for Avon Park residents.

There is a real need for used hearing aids. If you have any laying around just collecting dust, help another fellow out who needs one. Get them to Lion Secretary, Ralph Fullmer and he will send them on to the Lions Hearing Committee. Also, any old and unused glasses are being collected for the Sight Program. Get them to Ralph Fullmer or give to any Lion and he will be glad to bring them in.

Lions who attended the district Conference in Lakeland, Feb. 9 are Dick Thayer, Zone C Chairman; Robert MacDougall, 1st vice president, and Ralph Fullmer, Secretary.

C Of C Banquet Set For March 3

Morris Adams III Chairman of the Avon Park Chamber of Commerce Banquet Committee, announced that arrangements were being made for the annual banquet.

The banquet will be held at Pinecrest Country Club Monday evening, March 3. Festivities will begin at 7:30 p.m. Pinecrest Country Club is noted for "out of this world food" and is a beautiful setting.

Eddie DeLaney, chamber director, is assisting Chairman Adams and the program is being designed around an "Evening of Entertainment."

Tickets will be available at the chamber office and each of the nineteen directors will also have tickets for sale which will be priced at $8 per ticket. Do make your reservations early and don't miss this affair that promises to be the highlight of the year. Chamber members are urged to bring guests.

Hearing Set Today For 3 On Marijuana Charges

A missing taillight triggered an investigation which resulted in the arrest of three Avon Park youths on felony drug charges.

Sheriff's Deputies Clark Jackson and Howard Sizemore arrested Walker Hoyt Kempton, 20; Joel G. Johnson, 18, and Charles Henry Lanier, 19, Feb. 9 and charged with each of them with possession of marijuana and possession of paraphernalia. Kempton faces a thrid charge, possession of hashish.

At first appearance hearing the afternoon of Feb. 9 bonds were set at $10,000 for each of the accused. Preliminary hearing is to be held in county court the afternoon of Feb. 13.

According to the deputies' report, Deputy Jackson noticed a pick-up truck driving without taillights. He waived the truck over and one of the youths alighted and walked toward the patrol car.

Deputy Sizemore, who was riding with Jackson, said he observed movement within the truck which led him to believe its occupants might be trying to slide something down beside or under the seat. The deputies requested permission to search the vehicle.

They said their search turned up plastic bags and small packets of a substance they believed to be marijuana. They found what they believed to be hashish, some pills and other substances which they did not label but submitted to the state crime lab for analysis.

Lt. Glenn Hartsfield of the Highlands County sheriff's office is continuing investigation into the case.

"Evangelism" Is Topic Of Conference

The Orange Blossom Association will hold an Associational Evangelism Conference, Feb. 18 at the Florida Avenue Baptist Church in Avon Park at 7:30 p.m.

The guest speaker will be the Rev. Charles Roesel, pastor of the First Baptist Church of Zephyrhills, Zephyrhills. The Rev. Roesel received his training at the University of Florida, Stetson University and Southern Baptist Theological Seminary. He has been pastor of the First Baptist Church of Zephyrhills for eight years. The topic of his sermon for this conference will be "Evangelism."

The Rev. Travis Hudson, moderator of the Orange Blossom Association, and the Rev. Don Polston, chairman of evangelism, urges all churches of the Orange Blossom Association to participate in this Associational Evangelism Conference.

Episcopal Churchwomen held a rummage sale at their Parish Hall Feb. 6, 7, and 8. Mrs. Sherman Francisco was chairman of the semi annual event which turned out to be most successful (as you can see). They are grateful to so many wonderful people for all the fine donations. Photo by Cornell

Good Shepherd Clothing Room To Reopen

The First Baptist Church has reopened its **Good Shepherd Clothing Room** at its new location in the house just north of the sanctuary on Lake Avenue. The room has been renovated with plenty of rods for hanging clothes, a long counter, back of which are the shelves for the folded clothing. It is open each Wednesday (only), 9-12; 1:30 - 4:30 p.m.

The reception room is equipped with Bibles, tracts, comfortable chairs, etc. A counselor will listen to the needs of the people and try to help in a friendly way. A play space is provided for the children while the parents are being served by other helpful women with their clothing needs.

This clothing room is unlike the Resale Store. The clothing is free to needy people only. In order to see that it is distributed fairly and evenly, referral slips should be brought from the County Family Services, all churches, schools (teachers, principals, or office personnel), Salvation Army, or City Authorities.

Also, except recommendations of clothing room workers, people will not be served oftener than once a month.

Clothing should be fitted properly at the clothing room. The church wants the people to look and feel good in the clothing they get.

There is warm clothing available for the cool weather ahead.

Heritage II, one of the newest voices in gospel music, were in Avon Park to perform on Feb. 3 at the Highlands Lakes Jr. Academy gym. The group is based in Placeville, Calif. and spends ten months of the year traveling. Photo by Cornell.

"B" Teams Wins Exciting Game

The Avon Park "B" team came from 14 points behind with just under 3 minutes left to play to tie up the game and then win in and over - time over the Palmetto Jaycee squad last Friday night here at the high school gym. The final score was 81-78 with the Devil "Bees" avenging an earlier loss to the junior varsity Tigers from the west coast.

The Avon Park junior varsity had lost to Fort Meade on the Miners home court earlier last week by a score of 51-39. The Devil "Bees" were to take on Lake Placid here last Tuesday night and will close out the season in Mulberry tomorrow night (Friday).

Last Friday night was a big victory for the Devil junior varsity and Coach Alan Duhm. The Avon Park boys trailed all the way to the final seconds when they tied the game up at 70-70. Reggie Baker had come into the game again in the fourth period and scored all 10 points he made in that final quarter and the three minute over - time period. Anthony Conner and Kenneth Burley led the Devil scoring with 18 each. Freddie Moore pumped in 12 points and turned in a good final quarter defensive performance. Freddy Williams contributed 11 points, Reggie Baker had 10, Mike Coleman hit for 6 and Sisemore, Pugh and Dorsey all scored 2 points in the big (

It was a different story in Fort Meade earlier in the week. The Devils simply couldn't adjust to the short court and closed-in feeling of the small gym and scored only 39 points to lose 51-39. Dale Sisemore was high scorer with 12 points, Conner had 9, Coleman and Freddy Williams had 6 each, Kenneth Burley hit for 4 and Reggie Baker scored only 2 in the losing effort. The Devils trailed all the way.

Shoe Leather Express Set For March 8

"Sole power" will be taking over Highlands County on March 8, when the March of Dimes sponsors its Fourth Annual Walkathon. Participants will be walking on behalf of over 200,000 children born each year with birth defects.

"Residents who are unable to join the 'shoe leather express' can step forward to sponsor a walker," says Miss Mary Ruth Knight, chairman for the event. "As a Walkathon sponsor you pledge a contribution to the March of Dimes for every mile your hiker covers."

The 25 mile trek begins at the Sebring Airport by 8:30 a.m., with registration from 7:30 - 8:15 a.m. Goal of every walker will be to cross the finish line at the Highlands County Fairground at Firemen's Field.

"Last year thousands of energetic and generous people across the country raised $11 million through Walkathons," Miss Knight points out. "This money supports March of Dimes research and medical service programs, as well as health education projects in our schools and community service activities."

Highlands County has been number one in the entire United States for the past two years and with continued support, it can be number 1 again.

Congregational Lenten Services Sunday

At the Union Congregational Church special Lenten services begin this Sunday evening, Feb. 16, 7:30. The theme for the series is "Christian Faith and Life." The series begins with "The Meaning of Lent", when the Rev. Carl E. Backstrom will be the speaker. Rev. John E. Pickens will conduct the series arranged by the Diaconate committee.

Sunday, Feb. 23, the Rev. Harold Y. Simons of Daytona Beach, will conduct the morning worship as candidate for the pastorate. With his family he will be guest at the Church Family Supper at 6 p.m. The program for this session will be presented by The Crabtree Singers of the Seventh Day Adventist Church.

Sunday, Mar. 2, at 7:30 p.m. Dr. John L. Milligan will present an illustrated discussion on his work in Peru. The program for Sunday, Mar. 9, has not been completed but Sunday afternoon, Mar. 16th, 3 p.m. a special musical program will be presented by "The Young Highlanders," Evelyn Jones Directing.

Mar. 23, Palm Sunday, there will be a hymn sing at 7:30 when an exciting new film for Easter entitled "ALIVE" will be shown. The last meeting of the series will be held Maundy Thursday evening, March 27. The Sacrament of the Lord's Supper will observed, followed by the Office of Tennebrae held by members of the Diaconate.

One purpose of Lent is to prepare for the joyous celebration of Easter. We are hopeful this purpose will be served. All are welcome to this series of Lenten meetings.

Fellowship Birthday Party Collects For Scholarship

The February general meeting of the Women's Fellowship, Union Congregational, U.C.C. took the form of a birthday party for all in attendance. Mariam Debo, president, gave greetings and words of welcome. Hostesses who decorated the tables with appropriate symbols for each month were: Mesdames Beach, Radcliffe, Donaldson, Kull, Johnson, Castine, Ginn, Baker, Robbins, Dickinson and Dentler. Dessert was served at 1:30.

Program chairman, Helen Dickinson lead a candle lighting service in which each took part. A large white candle represented Christ's birthday. From it a large candle at each table was lighted and from these each woman lighted her small birthday candle. Thus is His light shed abroad. In gratitude for her many birthdays each woman gave a money gift. A substantial sum will be sent to Ryder Memorial Hospital, Humacao, Puerto Rico for their nurses scholarship fund.

The women then moved into the sanctuary to enjoy an hour of delightful piano pieces played by Evelyn Delk. The audience showed their pleasure by rapt attention and spontaneous applause. The March 5 meeting will be a Bible study led by Kathleen Whitcomb.

the summer. ARC is a fully licensed hospital with an annual payroll of $1,060,000 as compared to Walker Memorial Hospital's payroll of $970,000 a year or two ago. There are 58 beds, 54 of which were filled. The Center is in a theraputic setting which is best for treatment but it is the opposite of the security demanded by a prison system.

Mr. Ziesenheim continued that Florida under the Department of Health and Rehabilitative Services is divided into 23 mental health districts boards with Highlands County being in district 13. Each district has some type of facility for treatment of alcoholism. But the Alcoholic Rehabilitative Center at Avon Park is the backup treatment center for other facilities around the state because some patients do not respond to treatment in their local communities. Another advantage of treatment at ARC is the treatment in depth, going into the patients background and pointing out areas where changes have to be made.

Mr. Ziesenheim pointed out that ARC has tremendous value as a training center for workers from other areas as up to a 1000 trainees visit the center each year and return to their local facility. Some come in orientation groups for several days other stay a week observing and learning, while field placement employes participate in the program and consider the training grounds as a bonus.

About patients Mr. Ziesenheim stated most were from other areas — A patient can request treatment at the facility and he quickly referred by their family physican. However, sometimes a patient for whom they are holding a bed fails to showup.

The limiting factor at ARC is beds thus in this years budget to be submitted through the Department of Mental Healthand HRS, ARC is requesting a change in housing procedures for patients who have been taking treatments for three weeks.

The change will allow these patients to sleep at local motels, returning to ARC in the morning for meals and treatment and going back to the motel after the end of the evening program. This day patient program would allow the Center to handle a great many more patients during a year's time. This would also help the patient adjust to being out in the public when returning home.

In its request for a $1.4 million budget for next year, Mr. Ziesenheim said the Center would have to depend on what the State Legislature will do when it convenes in April.

In his response to O. J. Keller, secretary of the Health and Rehabilitative Services, Gallen asked that the matter of the Avon Park center be put to rest permanently, "in favor of no changes."

His reasons as outlined included the state's loss of experienced and trained personnel, an area conducive to rehabilitation, a feeling that patients would not like to be mixed with mental patients in Tampa, the economic advantage of the institution to the City of Avon Park.

Further, he said that converting the center into a penal institution would "destroy" the junior college on adjoining property.

He also pointed out that citizens of Avon Park had made a private donation of the land for the purpose of an alcoholic center, "clearly expressed and with a three-year reverter clause in the event the center were not constructed."

"The grantors did not envision that the use could be changed and destroy the intent. Even though the state might be successful if the clause were litigated, it would act as a future deterrent to donors' making gifts to the state."

Jerry Rice, 37 S. Central Ave., Avon Park, was cited for "Careless driving" and "No valid drivers license" following the completion of an accident report by Sgt. LeRoy Prevatt. The accident occurred at the railroad crossing on Main St. at approximately 12:15 p.m. Monday. Prevatt stated that Rice was operating a '64 Pontaic and was proceeding east on Main St. when the Ridge Area Day School bus stopped for the crossing and was struck from behind by the Rice vehicle. The bus driver was identified as Catherine Jackson. No injuries were received in the accident however the Pontiac was extensively damaged, while damage to the bus was set at $200.

Three Injured In Auto Accident

Three persons were seriously injured in an accident Feb. 1 on State Road 64, 1.7 miles west of Avon Park.

Walter Jones Jr. of Sebring, driver of the car in the one vehicle accident, was injured. He and his passengers--Ethel Tolliver and William Kimble, both of Avon Park--were taken to Walker Memorial Hospital.

According to the Florida Highway Patrol accident report, Jones was driving 70 to 75 miles per hour. The auto left the pavement and rolled over two and a half times, coming to rest on its top.

Trooper J. E. Vann charged Jones with reckless driving.

Letters To Editor

Editor:

Senator Thomas Gallen was the Avon Park Kiwanis speaker Feb. 6. He discussed the article in the Tampa Tribune in regards to moving the A.R.C. program from Avon Park to Tampa. He felt this move would be a mistake due to the many capable people that were employed here. Also that the loss would be very upsetting to our economy. All that heard him were impressed in the straight forward and candid way in which he spoke and answered questions.

When asked his thoughts on the state requiring towns like Avon Park to turn over the local police court to the county court; it was pointed out that this additional work load would probably require the appointing an additional judge, he would need a secretary and a two room office which would be a cost to the taxpayers of 40 to 50 thousand dollars.

At the present time it is being handled exceptional well by Judge David Lanier for approximately $2,700. He said he thought since this bill was pushed through by the urban areas, plus having the support of the Florida Supreme Court that we were stuck with it.

This is just one more way our State Government has gone about saving us money. I just wonder how much more money we can afford to save.

George Haynie

Dear Mr. Editor, all citizens and my neighbors of Avon Park.

I'm not writing in protest or with malice toward anyone or anything I'm writing instead to possibly enlighten our fine citizens about something Free!

On several occasions I have been priveledged to hear one of the finest musical groups in the state of Florida none other than the Avon Park High School Band.

Usually we associate a High School Band with football games and parade's or such. Rightfully so, after all the halftime show, performed well, is certainly beautiful and heart warming. To hear a band play a crisp march in a parade, see them march and watch the flag girls, majorette's, drum major, and honor guard will surely arouse almost anyone. My dear friends, if this the only time that you see the Avon Park Band you surely are missing half of the "Band Season".

I have attended two of the concerts presented by this extraordinary group and believe me everyone there, at the middle school, really enjoyed themselves. I heard music that Ive never dreamed I'd hear at the band concert. Rock, contempary, pop, just to mention a few types of music in their repatoire. Wouldn't surprise me if next Sunday I might hear country music there.

Their stage band, on some arrangmenets, would rival many well known bands.

To spend a pleasant Sunday afternoon, join us at the Middle School at 3:30 p.m. and support our fine band.

Our Band Master Mr. MicKunas is without peer and his work and untiring efforts are reflected in this, our band, a group of hard working youngsters that I'm proud of.

Well done ladies and gentlemen.

Winter resident here in our park, Al Thompson, noted "Canadian Building Contractor" has been busy this past week with numerous landscaping improvements, the latest being a superb brick laying job surrounding his beautiful lawn. Needless to say Al had plenty of sidewalk foremen present with comments and suggestions like you've never heard; but Al being the quiet reserve perfectionist that he is politely ignored the remarks and continued with his work — results a very attractive area.

Grange Met At Hardee Hall

Ridge Pomona Grange No. 10 convened at Hardee Grange Hall, February 8, with Overseer Ralph Fullmer presiding. Master, Louise Clarke is recuperating from the flu. Members were present from the three supporting Granges, Hardee, Lake Placid and Avon Park, and visitors were from Indiana, New York and Vermont.

When the meeting was about half over, everyone was surprised to hear an alarm at the door. It was the State Master, D. Vincent Andrews of Sarasota Grange, State Grange Secretary, Madelin Andrews, General Grange Deputy, Walter Wood of Venice Grange and State Grange Membership Director, Paula Wood. They were on their way home from a District meeting at Melbourne.

Mr. and Mrs. Andrews are scheduled to be in Avon Park on March 11 to show slides and give a description of their trip to Pakistan last year under the sponsorship of Farmers and World Affairs, an organization which is trying to promote peace through world understanding. This meeting will be open to the public.

An interesting program was presented by the Lecturer, Miriam Debo which consisted of patriotic numbers, valentine games and singing with violin music by Robert Mushrush.

The next Pomona Grange meeting will be held at Avon Park on March 8.

Artist of the month, Dorothy W. Lovell, explains why her husband chose this painting of the girl with the red skirt and the dog as his favorite canvas. This and other of Mrs. Lovell's paintings are on display at the Avon Park Library. Photo—Miller.

Homemakers To Have Play

The Future Homemakers of America have really been busy this year. Each month they have had a different project. So this month they are having "F.H.A. Week".

Their plans for March will be to put on a "Bicentennial Play" for the student body at Avon Park High School. April they will have a fashion show and in May they will elect their new officers and have the "Installment Banquet" for 1975-76 officers.

Their schedule for this week went as follows: Monday, "Home Makers Day", the girls dressed as Homemakers did back into the olden days. Tuesday was "Dooby Day," each girl picked a teacher and did something good for he or she. Wednesday was backwards day, each girl was required to wear her clothes backwards. Thursday's theme will be the "Roaring 20's", each girl dresses as they would have then. And Friday will be "Valentines Dress-up Day", all of the girls will dress nicely and in good taste.

Thats it for their big week and their months ahead.

Mr. and Mrs. W. D. McDaniel Jr.

Young- McDaniels Exchange Wedding Vows

Teresa Joan Young daughter of Mr. and Mrs. Robert D. Young, Avon Park became the bride of William Dawson McDaniel, Jr. son of Mr. and Mrs. William D. McDaniel, Sr. Lake Placid.

The couple exchanged vows in the First United Methodist Church, January 25, at 7:30 p.m. with Rev. Bentley Williamson officiating the double ring ceremony.

Van Skipper played the wedding march and accompanied the vocalist Lucky Dixon.

The church was decorated for the candle light ceremony with a background of palms, a brass 15 branch candelabra, two pair of 7 branch candelabras, and a pair of spiral candelabras. The alter railing was decorated with candles and a garland of greenery. The couple knelt on a profile kneeling bench. There were two wicker baskets of white gladiolus, carnations and daisies to complete the decor. The family pews were decorated with clusters of satin bows with ivy and aisle candelabras.

The bride given in marriage by her father entered through an arch of lily of the valley wearing a long formal gown of white organza. Peau D'ange lace encircled the neckline and adorned the bodice which enhanced the silk illusion yoke. Lace appliques adorned the long fitted sleeves. Satin and lace appliques encircled the skirt into a chapel length train. Her cathedral length veil was trimmed with Peau D'ange lace. She carried a traditional cascade of white miniature carnations, red and white roses, babys breath, natural English ivy softened with white wedding lace and tulle.

Joni's bridesmaids wore long formal gowns with an empire waist, the bodice was made of burgundy velvet and the skirt of light pink crepe. The cuffs and V-neck collar were trimmed in burgundy lace. Their headpiece was a small veil with a pink crepe bow, irredescent pearls followed by a flow of light pink tulle. They carried a stemmed nosegay of pink, white and rose miniature carnations with babys breath and leather leaf fern softened with wedding lace and pink tulle. Bridiesmaids were Frankie Turner, Kathy Kirkland both of Avon Park, Niki Eckles and Patricia McDaniel both of Lake Placid.

Debra Stevens, Avon Park, sister of the bride served as matron of honor wearing a long formal gown of emerald green velvet and mint green crepe, empire waist, velvet bodice and crepe skirt. Cuffs and V-neck collar were trimmed in mint green lace. Her veil was of green crepe bow with irredescent pearls followed by flow of mint green tulle. She carried a stemmed nosegay of pink, white and mint green miniature carnations with babys breath, leather leaf fern softened with wedding lace and mint green tulle.

Charity Stevens niece of the bride served as flower girl wearing a floor length mint green gown of satin chiffon with puff chiffon sleeves. She carried a traditional white wicker basket of rose petals trimmed with mint green tulle. She wore a delicate cluster of miniature carnations in her hair.

The brides mother Mrs. Young wore a yellow formal length satin empire waist gown with chiffon overlay. The bodice and cuffs were trimmed with silver beading. She wore a corsage of white miniature carnations and yellow rose buds.

Mrs. McDaniel mother of the groom, wore a formal length rose colored gown of silk acetate and a corsage of pink sweetheart roses and carnations.

Richard D. Tuck of Lake Placid served as Bill's best man. Groomsmen were Jack Mozely, Bob McDaniel both Lake Placid, Bob Young Jr., Avon Park and Jim Tant of Phoenix City, Ala.

Andy Tuck of Lake Placid served as ringbearer.

The reception immediately followed the ceremony at Pinecrest Country Club.

The cake and punch table was decorated with white lace tablecloths featuring pink satin rose clusters with a background of white lattice screens and palms. On the punch table was a bouquet of mixed pink and white flowers around a silver candelabra.

The entrance table for the Brides book held a crystal bud base of pink carnations and baby's breath. Judy Steverson, sister of the groom, was in charge of the brides book.

Joni wore as her travelino attire to Disney World (then to Tallahassee) a burgundy and white checked double knit street length dress, burgundy velvet shoes and purse.

The couple reside in Sun 'n Lake in Lake Placid.

Joni is a 1971 graduate of Avon Park High School, attended South Florida Junior College and graduated with A.S. Degree in Secretarial Science, and a member of Phi Theta Kappa Fraternity. She is presently an executive secretary.

Bill is a graduate of Homes County High, attended South Florida Junior College and Tallahassee Community College. He also served in the U. S. Navy. He is presently employed as a Deputy Sheriff in Highlands County.

Out of town relatives of the groom were Mr. and Mrs. William B. Adams, Mr. and Mrs. Paul Stevenson, Mrs. Heath C. Rigdon, Mrs. James Tant, Mr. Ricky Tant, Mr. and Mrs. Jim Tant, Mrs. Walter C. Blackman, Mrs. Thomas D. Hart and Mrs. James Cooper.

Out of town relatives of the bride were Mrs. James Bennett, Mrs. George Martin, Mr. and Mrs. C. D. Seale, Mr. and Mrs. Wayne Knowles and Greg.

Jr. Woman's Club Hears Report On Retarded

The February Junior Woman's Club held their regular monthly meeting on Tuesday, Feb. 4, at 8 p.m. in the Woman's Club Building.

Franklin Ward of the Ridge Area Association introduced Joe Stevenson who presented a very interesting and informative program on the Ridge Area Day School and the county program for the mentally retarded citizens.

Stevenson stated that 3 per cent of the world population is mentally retarded from slow learners down to the severly retarded.

In 1933, the first Mental Retarded Association in the United States was formed in Ohio.

Ridge Area Day School for retarded children was formed in 1957 for Highlands, Hardee, and DeSoto Counties. The first school was in Avon Park. The dental retarded program in Highlands County is geared to keeping these citizens, both children and adults, in the community and is located at the E.O. Douglas School in Sebring.

From the age of 3 years to 5 years, retarded children in Highlands County are enrolled in a developmental program which includes: self care, behavior training, physical coordination, pre-academic skills.

From five years to 18 years, E.M.R. and T.M.R. children are enrolled in special education classes within the public school system. E.M.R. or Educatable Mental Retarded is a term applied to retarded children who have an I.Q. below normal but above 50. These children can be educated to read and write and probably be self-supporting as adults. T.M.R. or Trainable Retarded is a term applied to retarded children who have an I.Q. of 50 to 20. They can be trained to care for themselves but cannot be taught to read and write or be self-supporting as adults. Below this group are the severly retarded.

For mentally retarded adults in Highlands County plus a small group from Hardee County, there is a program which consists of: a work training program which trains and places retarded citizens in jobs in the community, a sheltered workshop which provides the retarded citizens, who cannot be placed in jobs in the community a place to work, a day care center for the severly mentally retarded.

Transportation and a recreation program are also provided for the adult mentally retarded citizens.

Stevenson concluded his talk with a series of slides showing various activities of the program.

Doris Gentry gave a short devotion to begin the business portion of the meeting.

The president, Sharon Heard, asked for a Folies Ad chairman to start working on ads for our Folies which will be presented in January of 1976. No volunteers. The club voted to sponsor the Avon Park children from Ridge Area Day School in the Special Olympics. We hope to make this a county-wide project with the Junior Woman's Clubs from Sebring and Lake Placid sponsoring the children from their respective towns.

Eileen Martin told the club that she was membership chairman for the Ridge Area Association and asked the members to be thinking about individual memberships in this worth-while association.

Dee Fish reported to the club that a girl scout leader had been found for the troop that we sponsor.

Verita Bolton announced that there is a Parent Effectiveness Class at the South Florida Junior College which deals with individual problems in each family and the ability to cope with them. This class is held on Monday nights in the Child Care Center. Cost is $3 for the 10 week course.

The club has adopted the Avon Park Recreation Center as their Community Improvement Program project.

Last minute details were formulated for the Valentine's Dance on Friday, Feb. 14 at the Ag Center in Sebring.

Linda Laye announced that the Fine Arts Festival will be held in Lakeland on Feb. 26. Members brought various handcrafts to be entered in the festival.

Edie MacNeil gave a report on the Florida Girl's Hacienda at Melbourne that the State Woman's and Junior Woman's Clubs sponsor. The club voted to pledge $10 a month to the support of the Girl's Hacienda. We also sponsor a girl there with various gifts during the year.

The president urged everyone to attend the movie "Time To Run" which will be shown at the Hilands Theater on Friday, Feb. 7 and Saturday, Feb. 8.

Sharon also reminded the club of the joint meeting with the Senior Woman's Club on March 7. Dr. M. Weston will present a program on breast cancer.

The president announced a tri-city (county wide) Junior Woman's Club meeting on Tuesday, Feb. 18 at the Sebring Junior Woman's Club on Lake Jackson in Sebring at 8 p.m.

Delicious refreshments of punch and dainty cakes were served by the hostesses of the month, Karen Boyer, Eileen Martin, and Lois Sachsenmaier.

Lions Set March 1 For Bar-B-Que

March 1 is the date selected by the Avon Park Lions Club for the next Chicken Bar-B-Que. Serving time is from 11:00 a.m. to 7:00 p.m. Tickets are available from the Lion members.

Albert Carey was introduced to the club members. He has moved to Avon Park from Key West and transferred from the Key West Lions Club. He is an active Lion and served Key West as President.

Arthur Blair is also a new member, joining since he moved here from Boardman, Ohio.

Bud McKenzie has been tentatively named chairman of the Sight Conservation Committee upon the resignation of Billy Martin. Lion Martin has headed the committee for several years, but for business reasons, he felt that it was necessary to turn this chairmanship over to someone who could devote the necessary time. Lion Martin's resignation was accepted with regret.

Golfers To Play On Rollings Hills Course

Coach Fred Sandlin's Red Devil golf team took a 176-207 victory from the Frsotproof Bulldog golfers last week but lost to the Lake Wales Highlanders in Lake Wales by a score of 173-181 last Thuraday afternoon. The split gave Avon Park a record of 3-4 going into a match with Kissimee last Monday afternoon weather permitting.

Today the Devil golfers will travel to Lake Brantley for a match on the Rolling Hills Course and next Tuesday they will go to Okeechobee to take on the Brahamans.

John DuPriest continued to lead the Avon Park team shooting a 40 in Frostproof and a 41 in Lake Wales last week. Mark Palmer, the freshman rookie on the team, turned in a 42 in Frostproof and a 47 in Lake Wales. Billy King shot a 43 and a 47 for the two matches and Bill Tharp came in with a 51 against the Bulldogs but shot a 46 against the Highlanders last Thursday.

Coach Sandlin says his top four boys will have to work hard this week with Dale Sisemore finishing up with basketball and hoping to join the squad in a starting position soon. Sisemore will make the trip to Lake Brantley this week.

Fair To Feature Youth Horse Show

Next Tuesday night, Feb. 18, the Avon Park Red Devil varsity baseball team will open its 1975 season here at Head Field against the Pahokee Blue Devils. Game time is set for 7:30 p.m. Admission price is set at $1.50 for adults and $1.00 for students but season tickets for the 11 home games are on sale for $10.00 That represents a savings of $5.50 for adults and $1.00 for students who plan to attend all home games.

Coach Ronnie Jackson and Assistant Coach Hoppy Rewis have been working out with the 18 player squad the past weeks hoping for an outstanding season with nine returning lettermen on the team. This week Coach Jackson announced a tentative starting line-up for next Tuesday's game against Pahokee. He says Smokey Hill will start behind the plate in the catcher's gear. Jimmy Douberley will be at first base, Jim Johnson will start at second base, Jerry Robinson will be at third base, and Mort Jackson will handle the shortstop job. In the outfield Mike Pool will be in left, Brad Beumel will take care of center, and John MicKunas will be in right.

The starting pitcher for the first game is still a question mark according to Coach Jackson. He indicated this week that the nod will go to Jimmy Douberley. Jamie Tomlinson or Timmy Massey. If Douberley starts on the mound, either MicKunas or Tomlinson will be at first base.

After the opening game next Tuesday night, the Red Devil varsity will be away for the next four games returning home to Head Field on Mar. 4 to host North Fort Myers.

School Personnel Capture Tennis Tourney Trophies

Sebring high school tennis players Laurie Rudasill and Kim Paul captured the women's doubles championship and Sebring Middle School teachers Eric Annett and Eugene Bengtson battled to the men's doubles championship last week-end in the Sun 'n Lakes and First Bank of Lake Placid benefit tennis tournament held in Lake Placid. The open doubles tournament was directed by the Highlands County Tennis Association and all proceeds from the meet will go to the high school tennis teams of Lake Placid and Avon Park.

Lake Placid's Judy Dyer and Marilyn Brandenberg won the women's consolation first place trophies and Avon Park's Charles Jordan and Chris DeLaney captured the men's consolation trophies. Dyer and Brandenberg defeated Delores and Debra Cox of Avon Park 8-4 in the finals and Jordan and DeLaney tripped up John Graham and Larry Johnson of Sebring 8-5 to win the consolation title.

Miss Paul and Miss Rudasill defeated Peggy Sisemore and Lucy Derkman 8-3 in the finals after ousting Marilyn Smith and Elsin Baker in the semi-finals by a score of 8-6. Sisemore and Derkman took the second place trophies with a semi final victory over Pat James and Sandra Beck by a score of 8-0.

The finals of the men's doubles was a hard-fought battle between Annett and Bengtson and Bill Baker and Ken Haysley. The match was won by a score of 6-3, 6-7, and 6-4. The second set was won by Baker and Haysley with a tie-breaker after they came from behind to tie the set up at 6-6. Annett and Bengston knocked off Mike Fields and John Petro in the semi-finals by a score of 6-3, 6-2. Baker and Haysley advanced to the finals with a 6-3, 6-3 win over Al Marrow and Todd Thomas.

There were 47 matches played in the two-day tournament. The men played all matches through the quarter finals at the Lake Placid city tennis courts and the women played on Saturday at the Sun 'n Lakes Country Club tennis courts. Then on Sunday afternoon the men and women semi-finals, the finals of the consolation brackets for both men and women, and the finals of the championship bracket were all played at the Sun 'n Lakes courts in Lake Placid.

Jeannie Cox and Cherri Lee directed the tournament with help from Bill Page at the city courts on Saturday. They reported that 17 women teams and 18 men teams participated in the meet making a total of 70 players involved in the action.

Tentative plans for another beginners women and men or boys and girls tournament are now in the talking stages for March to be held at the South Florida Junior College Tennis Courts if possible.

THE HCTA OPEN doubles tennis tournament was held at the Lake Placid city courts and the Sun 'N Lakes courts last Saturday and Sunday. The tournament benefitting the tennis teams of the Avon Park and Lake Placid High Schools was sponsored by the First Bank of Lake Placid and Sun 'N Lakes Estates. Winner are, (front row): Kan Haysley and Bill Baker, 2nd place; Lucy Derkman and Peggy Sisemore, 2nd place and Marilyn Brandenburg and Judy Dyer, consolations winners. Standing, Laurie Rudasill and Kim Paul, women champions; Eugene Bengston and Eric Annett, men champions and Charles Jordon and Chris Delaney, consolation winners. Photo - Cherri Lee

SFJC Presents Panther Players

Pitching for South Florida Junior College this spring will be Rick Sizemore from Okeechobee. Rick had an outstanding fall season for the Panthers and has looked sharp in spring workouts. He is gaining the experience and maturity necessary to be a successful college pitcher. He has all the tools that are necessary to become a winning pitcher.

Rick played mostly in the outfield at Okeechobee High School and had a .300 batting average. He also participated in football, basketball, and track in high school, and is interested in becoming a coach or going into business.

Rick will see plenty of action on the mound in aiding South Florida Junior College to a successful program this spring.

Come see the Panthers home opener at Charles Head Field in Avon Park on Feb. 17. The opponent will be Central Florida Junior College of Ocala.

Buddy DeWitt, a standout performer for Coach Ron Jackson's Avon Park High School baseball team last year as a pitcher-outfielder, is trying to make the switch to catcher at South Florida Junior College. Buddy, 6' 1", 185 lbs., batted .366 last year at APHS and .425 for Sebring Post No. 74 during the summer. He was 12-5 as a pitcher for the Red Devils, captain of the baseball and football teams, won Best All-Around Athlete honors and was active in the Key Club, FCA and FFA.

Buddy has good size, a strong arm, a good attitude and the manuverability necessary to become a good college catcher. He would like to see the stand at Charles Head Field filled on Feb. 17 as the SFJC Panthers initiate a successful baseball program this spring. Their opponent will be Central Florida Community College of Ocala.

Keith McCarter has enrolled at South Florida Junior College this spring and will be playing baseball for the Panthers. Keith batted .372 for Frostproof High School last year and was named the Most Valuable Player of the team. He also participated in basketball at Frostproof. The 5' 11", 165 lb. first baseman played summer baseball for Frostproof in big league competition and batterd .4375.

Come see the Panthers home opener at Charles Head Field in Avon Park on Feb. 17. The opponent will be Central Florida Junior College of Ocala.

BREAK-IN AT STATION

Investigation is continuing into a break-in at Shamrock service station, south of Avon Park on U.S. 27. The break-in was discovered the morning of Feb. 6.

David Lamons has enrolled at South Florida Junior College this spring and will be playing baseball for the Panthers.

David graduated from Frostproof High School last June. His senior year he was named to the All-State baseball and football teams and also participated in basketball and track in high school.

David is 6' 0" and weighs 165 lbs. He played third base at Frostproof and batted .310. He batted .340 for Frostproof's team in the summer big league competition and participated in the State All-Star baseball game held last summer at Joker Marchant Stadium in Lakeland. David is the leading candidate for the third base position on the Panther team.

TRAILER TIRES STOLEN

Theft of tires from a fruit trailer has been reported to Highlands County sheriff's department by Robert Crews, Avon Park fruit grower. The theft was reported Feb. 6.

Players On Tennis Ladder Must Accept Challenges

Bill Baker knocked previously undefeated Eric Annett off the top of the H. C. T. A. men's "A" singles tennis ladder last week winning the challenge match by a score of 6-2, 4-6, 6-4. The loss dropped Annett to the number two position and gave Baker undisputed title to the number one rung.

In other action on the men's "A" singles ladder Brad Beumel defeated Al Miller 6-3, 7-5 to move from number 11 to number nine position. Al Marrow challenged Eugene Bengston for the number four rung from the sixth position but lost in a three-set match 2-6, 6-3, 7-5. Brad Beumel tried to take the number seven rung from Grant Stallard but was held off by Stallard in another three-set match which ended 1-6, 6-0, 7-6.

There was only one match on the women's "A" ladder with Karla Rettstatt defending her fourteenth spot against Mary Jo Schubert who challenged from the number 16 position. Miss Rettstatt won a close pro-set match by a score of 8-7.

Janet McGee moved from 16 to 15 on the women's "B" ladder with a forfeit win over Margaret Collins and Bruce Wyse took over the second rung on the men's "B" ladder with a very close 7-6, 7-6 victory over Larry Johnson. Both sets were won with tie-breakers by Bruce dropping Larry to the number four position.

At the Highlands County Tennis Association meeting held last week, a rule was adopted clarifying the forfeit rule on ladder play. The club voted to insist that a person challenged must accept within seven days and must play after a date and time has been set or forfeit that match regardless of circumstances except in case of a rained out match. If a rained out match cannot be played within the seven original day period, the match is cancelled but the challenger may challenge again within two days instead of the usual two weeks. The new rule states that the forfeit is not optional with the two players involved but must be accepted to keep action on the ladders moving and allow other players a chance to challenge. All members on ladder play are also reminded that the winner must report the match score to the proper authority within 24 hours whether the score causes a ladder change or not as players are dropped if they don't have at least one challenge match reported each month.

Cagers Lose Close Thriller To Palmetto

Two losses by the Avon Park Red Devil varsity basketball team last week dropped the record to 10-8 with just two regular season games left on the schedule. The Devils lost to Fort Meade 73-63 on the Miners court last week and then came within one basket of upsetting the Class AAA number-two ranked Palmetto Tigers here at home last Friday night. The Tigers won out 75-74 in a real thriller.

Last Tuesday night the Devils hosted the Lake Placid Green Dragons and tomorrow night (Friday, Feb. 14) the two Avon Park basketball teams will travel to Mulberry for the last regular season game.

The district tournament will be held on Feb. 20, 21 and 22 at the Fort Meade gym with five teams participating. Bradenton Bayshore, Arcadia, Lake Placid, Fort Meade and Avon Park will be trying to win the district title in Class AA in this area. Avon Park is the reigning champion of this district but the Ft. Meade Miners will have to have the advantage in this year's meet with the small gym with which they will host the event.

Fort Meade Game

Tuesday night a week ago the Red Devils traveled to Fort Meade and came out on the short end of the score by 10 points. The Miners led all the way and won the game by a score of 73-63 as the Devils had trouble hitting the basket. Three Miners hit in the double figures. Charles Lowe had 21, Willie Jackson hit for 20, and Clarence Wilcher had 18 to lead the home team to the victory.

Avon Park's Craig Pressley was high for Avon Park in spite of missing consistently in the first half. Pressley ended up with 25 points. Mickey Claitt hit for 17 counters, Melvin Collins had 8, James Ross scored 6, Reggie Tolbert hit for 3 and Ricky Claitt and Terry Hicks both scored 2 points for Avon Park. The Devils hit 7 of 12 free shots but the Miners hit 17 of 21 from the line to provide the 10 point difference in the final score.

Palmetto Game

The Devils had lost twice to Palmetto already when the Tigers came to the Avon Park gym last Friday night with a 21-1 record and ranked state-wide as the number two team in the Class AAA ratings. But the Red Devils fought hard and well and came within one basket of upsetting the well-balanced Tiger squad. The score was 14-11 Palmetto after one quarter, 32-29 Palmetto at halftime, 52-43 Palmetto after three periods and then 75-74 as the final whistle blew to give Palmetto the win.

Melvin Collins, Avon Park's 6'4" sophomore center, had his best game of the season scoring 27 points and pulling down 8 rebounds. The big Devil scored most of his points in the final quarter to edge the Avon Park team within one point. Craig Pressley scored 25 points and Mickey Claitt hit for 12 for Avon Park. Reggie Tolbert and James Ross, the two pressing Devil guards, scored 4 points each and Ricky Claitt hit for two points. The Devils made 16 of 22 free shots and Palmetto made 11 of 16 at the line.

Arts And Crafts Classes At Center

The Avon Park Recreation Department is now registering children ages 7-16 for an Arts and Crafts program which will start Feb. 24th and run for six weeks. The class will meet every Monday at 4:00 p.m. at the Recreation Center on N. Verona Avenue.

The projects which the children will make will be useful items which they can take home upon completion. Some of the projects made in the last class held were: antique Boxes (made of cigar boxes), Bean Mosaics (made from dry beans), Natural material wall plaques (made from leaves, pine needles, etc.), pencil holders and others. The moms of the chidren are welcome to come by the Center and view the projects on display.

The class will start Feb. 24, so please sign your child up now. They must be signed up to participate. There will be no charge for this program.

Panther Team Expects To Win Opening Game Monday

The South Florida Junior College baseball team has "The New Look" for the 1975 spring season. There is a new coach, eleven new players added to the spring roster, new uniforms, and a new outlook.

Coach Tim Hill joined the SFJC staff in August as instructor and baseball coach. He enjoyed a successful college baseball career at George Washington University and played professional baseball in the old Washington Senators organization. For six years prior to coming to South Florida Junior College, Coach Hill was mentor of the Yorktown High School, Arlington, Virginia, baseball team. The last five years of his six year tenure at Yorktown, he fielded championship teams for which he was twice awarded "Coach-of-the-Year" honors.

In spite of being hampered by limited funds for scholarships, Coach Hill has been tenacious in his recruiting. Eleven new players were added to the squad in January. They are: pitchers Mike McFall, Sebring; Glen Bass, Avon Park; and Mike Phillips, Tampa; Infielders Larry Berg, Tampa; Mike Miller, Fairfax, Virginia; David Lamons, Frostproof; Keith McCarter, Frostproof; and Kendall Carson, who transferred from George Mason University in Virginia; Outfielders Robert Webb, Tampa; and Tom Ambrogi, another transfer from George Mason University, and Catcher Mike Clipfell from Michigan.

Returning team members are: pitchers Rick Sizemore, Okeechobee; and Al Short, Falls Church, Virginia; Catchers, Theron Jones, Lake Placid, and Mike Wise, Lake Placid; Infielders Bob Piervinanzi, New York; and Kim Prevatt, Gibsonton; Catcher-Outfielders Buddy DeWitt, Avon Park; and Dave Lind, Sebring, and Infielder-Outfielder Mark Jackson from Tampa.

The Panthers played a 12-game fall exhibition schedule. Although their record was not spectacular (5-6-1), the Panthers showed tremendous improvement during this period and won three of their last four games. Valencia Community College of Orlando, one of the top-ranked teams in the State, was one of the teams to suffer defeat by the Panthers.

Coach Hill says that pitching looks promising, defense appears satisfactory, and hitting is coming around. All of the players come from winning teams, know how to win, and expect to win.

The Panthers begin the 1975 spring season with a doubleheader on Monday, Feb. 17, at Head Field in Avon Park. Their opponent will be Central Florida Community College of Ocala and the first game begins at 4:00 p.m. There is no admission charge.

Everyone is urged to come out and support their team.

Devil Sports Fans Urged To Attend Banquet

The Avon Park Athletic Boosters Association will hold its annual Fall Sports Banquet Saturday night, Feb. 15, at the A.P.C.I. dining room starting at 7:00 p.m. Honored by the association will be members of the Cross Country team, the varsity football team, the "B" squad football team, the eighth grade football team and the varsity and junior varsity cheerleaders.

All Red Devil fans and friends of the players are urged to attend the dinner. According to Avon Park Athletic Director Joe Franza, the dinner will be informal and those who attend are asked to dress informally.

Admission for all who attend except the athletes and cheerleaders will be $2.25 for the dinner. Tickets may be purchased at the high school or at Albritton's Barber Shop or Johnson's Sports Center.

Park Members Have Mess Beauty Contest

Members of Avon Mobile Home Park were entertained at their regular Saturday evening program this week, as they witnessed the choosing of the new Mess Avon Mobile Home Park 1975.

Margaret Derr, who planned the program with the help of the Activities Committee, introduced the Master of Ceremonies, Hamilton Bert Barks (Ham Byrers). He in turn presented the finalists in the various categories to the panel of judges-a popular pianist, Harold Liberace Wolcott; a famous organist, Lenny Dee Feehan; and a fashion designer and founder of a 5 & 10 cent store chain, Merrill G. C. Murphy.

First, last year's Queen, Mess Avon Mobile Home Park 1974, Mickey Fury (Richard Murray), was presented. She wore her red robe and sparkling crown and took the throne to witness the choosing of her successor.

The first contestant presented was the winner of the talent competition, Louise Flip (Lewis Tripp). After her walk down the aisle in her pretty yellow gown, flirting with the judges, etc., she presented the accordion solo that won her the title, Mess Talent.

The next contestant was Fanny Bearo)Maurice Fero) and one could tell why she won the Mess Evening Gown award. In her beautiful turquoise taffeta gown, she was a vision of beauty.

Next the winner of the Mess Dimples award was introduced. It could be none other than Belle Burp (Bill Belcher) with her big smile and flirty eyes. She especially had an eye for the M.C.

The next to be introduced was the winner of the Mess Mischief award. This was our own Bessie Klotz (Basil Krontz). It was either her flowing red hair or her measurements of 44-36-40 that made her attractive.

Then came Mess Congeniality, Penny Limberger (Sponsler Limbaugh). She was chosen to receive this coveted award by vote of all the contestants. Her long aqua gown and beautiful blond hair accented her height and size. She also received a trophy.

Last but not least, the winner of Mess Bathing Suit competition was presented, Alberta Pies (Albert Keyes). She wore a one piece suit of red, white, and blue and during her stroll down the aisle, found some quite interested persons in the audience.

While the judges made their decision, each contestant was interviwed by the M.C. concerning future plans, etc.

The judges admitted to having a difficult time arriving at a decision but finally agreed on the winner.

Mess Avon Mobile Home Park 1974 was then interviewed and told of her exciting experiences and some narrow escapes of the past year. She then made her final walk down the aisle while the M.C. sang "She Must Have Been a Beautiful Baby" accompanied by the organist, Mrs. David Boyers, who also furnished background music during the entire program.

The runners-up were each announced and presented with a small token. The last runner-up was named leaving a very excited winner, Mess Bathing Suit.

Mess Avon Mobile Home Park 1974 then presented her crown and robe to the new Queen and she was given a bouquet of flowers.

It was happy, smiling winner who strolled down the aisle to the tune of "There She Goes, Mess Avon Avon Mobile Home Park" played by the organist and sung by the M.C.

She was then seated in the throne to reign for the next year, but the memory of this entertaining evening will last long past one year.

Avon Mobile Home Park News

The talent program on Saturday night drew an audience of 86 for an outstanding musical presentation by Park residents, arranged by Mary Murray and introduced by Ham Byrer. Helen Bason played the organ and sang two religious selections. Harold Wolcott played 2 lively piano solos, Lewis Tripp entertained with two accordian numbers, Stumbling and Twelfth Street Rag. Mike Jayne sang two religious solos with guitar accompaniment. Edwin Feehan played a medley of popular songs on the organ. Margaret Campbell played a classical selection for piano solo. Lorena Wyant played a march number on the piano. Margaret Boyer gave two numbers on her organ. Albert Stromberg played a peppy piano solo. Ham and Nita Byrer sang two numbers, with Mary Murray at the piano. Tom Bason entertained with a couple Irish selections.

The shufflers, as well as others, found the answers to many queries about who was responsible for the variety of musical sounds which had been floating around the courts during the week. Some claimed it improved their technique.

Congratulations were extended to Edwin and Treva Feehan on their first anniversary Feb. 2nd.

Interest is continuing in the Bible study hour, as evidenced by an attendance of 32 last Friday morning. Ten chapters of the book of John have been covered, with Virgil Weldy as leader. Helen Bason played the organ for opening and closing songs, which were led by Ham Byrer. William Belcher gave the closing prayer. This week there will be a special guest speaker. Everyone in the Park is welcome to attend, and bring their guests, on Friday mornings at 9 o'clock.

Those from the Park who went to St. Petersburg February 2nd to see Liberace, were Beatrice Tingler, Lula Maddrell, Florence Young, Mabel Crocker and Audrey Near. Pauline Biggers from Margaurite Drive also joined the group. They had dinner after the show at the Kapok Tree Inn.

Mr. and Mrs. Carl Miller of Arcade, New York, called on Lloyd and Lorena Wyant recently. They are spending a few months near Venice Florida.

Mr. and Mrs. Lewis Tripp, with Mr. and Mrs. Oscar Albert from Ohio, went to the Kapok Tree Inn at Clearwater on Sunday.

Visitors at the Albert Strombergs on Wednesday were Mr. and Mrs. Harry Martens from their home town. The Martens winter at Fedhaven, Florida.

Mr. and Mrs. Fred Patterson of Shelbyville, Illinois, visited Lloyd and Euphama Lofland Wednesday morning.

Mr. and Mrs. Edgar Poyer, Berlin Heights, Ohio and Tarpon Springs, Florida; Mr. and Mrs. J. E. Poyer, John and James, of Orlando, brought picnic dinner and picnicked with the J. B. Witters in their home Sunday.

Mr. and Mrs. Ernest Harris of Allegan, Michigan, spent Thursday afternoon with Mr. and Mrs. Floyd Stevens.

Michigan guests on Wednesday at the home of Mr. and Mrs. Lewis Tripp were Mr. and Mrs. Jim Kimble of Grand Rapids, Mr. and Mrs. John Clothing of Muskegon.

Mr. and Mrs. Ross VanPelt, Mr. and Mrs. Boyd Dager, Gladys Geib, Mildred Shearer, also Mr. and Mrs. Gerald Swollen, spent Sunday at Anna Maria Island

Guests of Maurice and Verna Fero, Earl and Dorothy Baxter, who enjoyed a picnic at Highland Hammocks Wednesday with them were: Mr. and Mrs. Philip Zeh of Scoharie, New York, Mr. and Mrs. Caryl DeGroff of Warnersville, New York, Mr. and Mrs. Arthur Baxter of St. Cloud, Florida.

Rosa Bennington has as house guests, her brother Robert Pierce, a sister and husband Mary and George McAleese of Louisville, Kentucky, who are enjoying the Florida sunshine.

THE ALL MALE cast of the Avon Mobile Home Park Beauty Contest of 1975 ended their hilarious evening with Alberta Pies as Miss Bathing Suit (Albert Keyes, seated) as the 1975 Queen. Attending as Mess Bathing Suit's court were: (left to right) Louise Flip as Mess Tallent (Lewis Trip); Fanny Bearo as Mess Evening Gown (Maurice Fero); Bessie Klotz as Mess Mischief (Bas Krontz); Hamilton Bert Parks as the Maste of Ceremonies (Ham Byrers); Mickey Fur as Mess Avon Mobile Home Park, 197 (Richard Murray); Belle Burp as Mes Dimples (Bill Belcher and Penny Limberge as Mess Congeniality (Sponsle Limbaugh). Never A Dull Moment

Mrs. Maurice Rupp of Keystone Heights, Florida, spent the weekend with Virgil and Hazel Weldy and attended the Bible Study, where she saw others she was acquainted with.

Guests of Joe and Susie Bacon over the weekend were a nephew and wife Mr. and Mrs. Wayne Doolittle of Terre Haute, Indiana.

With only six out for pinochle Monday night the girls played the boys and won in scores of 1305 to 1261.

Appointed Director

John Clark has been appointed by the board to fill the vacancy on the Avon Park Chamber of Commerce Board of Directors. Clark is associated with the United Telephone Company. A past president of the local chamber and he has been active in civic and church affairs.

Review Of A.P.C.I. Objectives

This is the first of a series of articles on the Avon Park Correctional Institution to introduce and familiarize the community to the Institution's programs and objectives.

A lot of people do not know or understand what correctional institutions are doing to help the inmates adjust to the environment around them and how they prepare them to return to a free society as a contributing and useful citizen.

This article is about the history, philosophy and objectives of Avon Park Correctional Institution.

In April of 1957, the Avon Park Correctional Institution (A.P.C.I.), an institution operated by the Florida Division of Corrections, was established. The instution is located approximately ten miles east of Avon Park, on the Bombing Range, a U. S. Military Reservation.

During World War II the Avon Park Bombing Range, consisting of some one hundred and eight thousand (108,000) acres in Highlands and Polk Counties, Florida, was established and utilized as a B-17 and B-26 crew training base. During this period facilities were constructed to house, train and care for approximately 10,000 military personnel.

In the late 1940's this military installation was deactivated with the exception of a small detachment of military personnel who remained to maintain certain targets for the Strategic Air Command and to conduct survival training for SAC crews.

In 1960 the survival training was discontinued and in 1961 the range was transferred from the Strategic Air Command to the Tactical Air Command. These military personnel are responsible, generally, for maintaining three TAC targets and a radar unit. The 5400 feet runways which were constructed in the early 1940's are not long enough to handle modern jet aircraft, and are only used in emergency cases.

When this installation for all intents and purposes, was deactivated in the late 1940's the Federal Bureau of Prisons leased from the U. S. Air Force that portion of the reservation which is now being utilized by the Florida Division of Corrections for the A.P.C.I.

The Federal Bureau of Prisons utilized these facilities until 1953, and then, due to a decrease in their inmate population , they abandoned the facilities, though they did continue to maintain their lease on the property.

In April of 1957 the Florida Division of Corrections subleased these same facilities from the Federal Bureau of Prisons for the purpose of establishing a penal institution primarily to relieve the overcrowded conditions at the Florida State Prison in Raiford, Fla.

In 1961 the Federal Bureau of Prisons, having no further use for these facilities, abandoned their lease. At this time the Florida Division of Corrections negotiated a five year lease directly with the United States Air Force for these same facilities, which were already being utilized under the sublease from the Federal Bureau of Prisons.

This lease included approximately 800 acres of land and some one hundred buildings, which were originally constructed during World War II. Under the terms of this lease, the Florida Division of Corrections, in addition to maintaining the buildings and property mentioned above, was responsible for operation, repairing and maintaining all existing utility systems, except the telephone system on the military reservation, and is responsible for furnishing fire protection to the U.S.A.F. facilities.

In October of 1969 the Department of Health, Education and Welfare transferred the compound (everything inside the wire fence) to the State of Florida, and in 1971 the State of Florida purchased the outlaying area beyond the compound. Also in 1971 they obtained the title to the property about 550-600 acres.

Now in 1974-75 the State has approved planning and construction money ($500,000) for a new kitchen and dining room area. Also it has planning money for a 600 bed housing facility and multi treatment complex ($275,000).

The total operational budget of A.P.C.I. for the year 1974-75 is 2½ million dollars. Payroll for approximately 176 employees on a bi-weekly scale is 66-67000 dollars.

A.P.C.I. is a minimum security institution. The inmates assigned to this institution are convicted male felons, who have earned a minimum security classification on the basis of their attitude and behavior during a period of incarceration at one of the other institutions within the Division. These inmates must be able to satisfactorily adjust to an environment of absolute minimum security or they will not be allowed to remain at this institution.

The institutional philosophy or motto of A.P.C.I. is a very simple formular of guidance instead of guarding, understanding rather than condemnation, education in place of isolation, and freedom within the institution rather than locked cell doors.

The institutional program of rehabilitation is designed to prepare the individual inmate to return to free society as a contributing and useful citizen rather than as a menace.

In order to accomplish this, the staff of A.P.C.I. has directed its efforts toward an effective program of education and guidance through academic, vocational, religious, on-the-job training, drug abuse program, alcoholics anonymous, J.C.'s, and Gavel Club.

In conjunction with this training and guidance, many activities and privileges have been inserted into the program which are designed to create a free relationship within the population and to teach responsibility and individual action through participation as opposed to mass treatment and strict regimentation.

A.P.C.I.'s normal quota for inmates is 620, the crises quota is 720. Presently they house approximately 717 inmates due to the overcrowded situation in all institutions and jails throughout Florida.

Next weeks issue will be on horticulture at the A.P.C.I.

Rep. Fred Burrall

Co-sponsoring Bill To Open Hearings On Judges

State Rep. Fred Burrall has announced he is co-introducing amendments to the State Constitution to make Supreme Court hearings on the removal of judges open to the public.

Burrall also said he would co-introduce an amendment providing for impeachment proceedings in the Senate for any Supreme Court Justice recommended for removal from the bench by the judicial qualifications commission.

Burrall's move comes on the heels of what he called "a slap on the wrist" for justices Joe Boyd and Hal Dekle by the Supreme Court.

"The judicial qualifications commission recommended removal from the bench," Burrall said. "Instead the court itself ruled that its own members deserved only a reprimand.

"I find the entire procedure of judges having the final say in disciplining judges distasteful," he said. "I see no reason why judges should not be held responsible for their actions and I feel the public hearing and impeachment by Senate amendments will help correct this situation."

Burrall is co-introducing the two resolutions for amendments proposed by Representative Ed Blackburn Jr. of Temple Terrace. Burrall represents DeSoto County and parts of Charlotte, Sarasota and Highlands.

Currently an accused justice can determine for himself whether the hearing will be public and Burrall feels "this is contrary to our concept of open government. The people have a right to know what's going on in their courts."

Currently the Supreme Court sits in judgment of its own members and, as in the case of Dekle and Boyd, does not have to follow the recommendations of the commission.

Burrall said he was joining Blackburn in the resolutions in "a continuing effort to make government more responsive to the people of Florida."

Bigger And Better Jr. Livestock Show

The 1975 Junior Livestock Show will be bigger and better than ever this year says Tim Hurner, county 4-H coordinator.

A total of 64 animals are entered. Forty-four fat steers, five dairy heifers, one beef breeding bull, 10 swine, two rabbits and two poultry entries make up the show. Thirty-nine of the entries are in 4-H and 25 are in the FFA chapters of Highlands County. County.

The fat steer, dairy and swine shows will be held Wednesday, Feb. 26, at 3 p.m. Judges will be: B. O. Bass, Moore Haven, who will judge the fat steers; Rick Dressel, Avon Park will judge dairy heifers; and Ken Bryant, Gainesville, will judge the swine.

The junior livestock sale will be held Friday, Feb. 28, at 3 p.m., with Col. Bob Cooper as auctioneer. Buyers for the sale are made up of local businessmen who support the 4-H and FFA members by buying their animals.

The difference between the price the buyer pays and the market price of an animaal can be charged off for advertising.

"The steers and swine bought have been on a full-feed program and well cared for and are ready for the dairy herd."

This year 4-H clubs have held a weight-gain contest. All 4-H fat steers were weighed in August and will be weighed again Feb. 23 when they are admitted into the fair. The steer gaining the most weight per day will win. This is the first weight-gain contest ever held in conjunction with the fair.

Again this year, there will be a Best Herd Group award. The 4-H or FFA group that does the best job of keeping its area of the Show Barn clean and neat will win. The award, a rotating plaque, bears the names of all past winners.

Again this year the local Charolais breeders are presenting an award for the Charolais which places the highest in the show. Sponsors of the award are Mr. and Mrs. Jeril Clenney and Mr. and Mrs. G. N. Avery of Avon Park.

On Tuesday, Feb. 25, there will be a junior livestock judging contest at 4 p.m. Any 4-H or FFA member in Highlands County can enter.

4-H To Have Exhibit Booth

Highlands County 4-H will have an exhibit booth at the 1975 Fair, in the educational building.

Each club in the county will have an exhibit, planned for and constructed by 4-H members. There will be an award for the best exhibit.

Orange juice will be sold in the 4-H booth, for 15 cents a cup. Proceeds will go into the County Council treasury to benefit the Highlands County 4-H program for awards, etc. The orange juice concession will be maintained by a different club each day.

Grapefruit according to Hume is derived from Asiatic parentage on Ameriman soil with the name grapefruit originating in the West Indies, as one writer expressed it "fruit hanging in bunches like grapes" another writer stating "a variety known by the name grapefruit on account of its resemblance in flavor to the grape." Credit for the introduction of grapefruit to Florida is given to Count Odet Philippe, Chief Surgeon in Napoleon's Navy, who settled near Safety Harbor in 1823 and established a citrus grove (including grapefruit), securing seeds and seedling trees from the West Indies. The largest seedling tree known was 125 feet high with a 60 foot spread. (Photo-Miller).

"The Homemakers Creed" Theme Of Booth

"The Homemakers Creed" is this year's theme of the Extension Homemakers booth. The theme is exemplified in the various activities and projects carried on throughout the year.

Homemakers activities have included programs on first aid, safety, nutritional labeling, sewing with knits, the metric system, cooking with herbs and others.

The individual projects by Homemakers are displayed for judging and are included in Five Divisions: Household Textiles, Clothing, Food Preparation, Food Preservation and Creative Arts.

The 1975 Fair Committee members are Tensie O'Leary, Barbara McMillion and Helen Corley, County council president, all from Sebring Club.

From the Lake Placid Club are Nina Pennington and Eloise Benton, president, and from the Caladium Club, Lillian Nelson and Jackie Jenkins, secretary.

Horse Judging Featured At Fair

A new event will be featured at the Highlands County Fair this year. On March 1 at 1 p.m., there will be a horse judging contest.

Highlands County 4-H, Future Farmers of American and Future Homemakers of America are eligible to compete.

Only halter classes will be judged. Animals to be judged will be furnished by 4-H Members.

There will be a junior and senior division. Ages for junior are 8-12 years and for Seniors 13-19 years. A trophy will be awarded the first place contestant in each division. Ribbons will be awarded through 6th place.

Land Bank Serves Long Term Needs Of Farmers

"The Federal Land Bank Association of Wauchula continues to serve the sound, long-term credit needs of farmers in this area," according to Charles L. Shackelford, president.

"Continued modernization and enlargement of farms to become more efficient to meet the demand for farm products has resulted in larger capital investments and a greater demand for borrowed capital," he said.

"In completing another year, the Wauchula Association extended credit in the amount of $19,577,765 and had 907 loans to farmers, growers, ranchers and rural homeowners in the amount of $134,335,263."

The Wauchula Association serves farmers in Hardee, DeSoto, Manatee, and Sarasota counties from the office located in Wauchula. The branch office in Lake Placid serves Highlands County.

Officers and directors of the association include R. P. Dunty Jr. of Lake Placid, chairman of the board and Leonard C. Smith of Sebring, director.

Trial For Four Set On Pot Charges

A single trial will begin March 10 for four men charged with possession of 1,500 pounds of marijuana seized on Circle 5 Ranch, Jan. 5.

In a hearing Jan. 27 defense attorneys David R. Best and Hayward Davis objected to consolidating the cases against Daryl R. Williams, Sebring; Sam E. Altman and Ward W. Leitner, both of Okeechobee, and Jose CamoJo of Miami.

Judge Clifton M. Kelly refused to change the order for consolidation, but at a Feb. 3 hearing Judge Kelly did agree to postponing the trial for a month — from its original date on Feb. 10 to March 10.

Of the four defendants only CamoJo is in jail. Altman, Leitner and Williams are free on bonds of $50,000 each.

CamoJo, Altman, Leitner were arrested late on Jan. 5 and charged with possession of a large quantity of marijuana which had allegedly been off loaded from an airplane to vehicles on a dirt road near Williams' Circle 5 Ranch home southwest of Sebring.

Williams was arrested two days later.

Pat Hurley Tells "What Traiters Do To You"

By PATRICIA HURLEY

The subject of treasonous activities by certain Americans in commerce and government and how their policies affect the American taxpayers will be discussed by foreign policy expert Patricia Hurley on Monday, February 24, 1975 at the Kenilworth Lodge (Plantation Room) in Sebring, Florida. The talk entitled "What Traitors Do To You" will be presented under the sponsorship of the Highland County chapters of The John Birch Society as a part of its continuing program of focusing attention on matters of national concern. The public is invited to hear this important talk.

Patricia Hurley, daughter and confidant of former Secretary of War and and Ambassador to China, Patrick J. Hurley, believes that too many Americans are unaware that most of America's foreign policies and programs in the past decade have been deliberately conducted and arranged in order to destroy our country's prestige throughout the world and to help our enemies.

Miss Hurley recalls that at the end of World War II her father dismissed a number of career diplomats for aiding the Red Chinese and undermining U. S. policy. "However," she adds, "most of those diplomats were never disciplined and many of them are now back in policy-influencing positions with the State Department. "We are dealing," she continues, "with the same type of situation that my father confronted as Ambassador to China in 1945, this time the stakes being even higher."

Miss Hurley also charges that "because of extensive Communist infiltration into many departments of our government, we may very soon see formal recognition by the United States of Fidel Castro as the "legitimate" government of Cuba. When this happens we will see United States' money and prestige far more openly and effectively supporting Castro's subversive and revolutionary activities throughout all of Latin America.

Other topics Patricia Hurley will discuss include our government's present plans to give away our Panama Canal, aid and trade with Communist countries, the diplomatic recognition of Red China, and also, Red China's production of narcotics. Concerning this subject, Miss Hurley claims that the facts about Mao's opium trade have been deliberately concealed by the United States government so that current negotiations with the Communists would not be jeopardized by public outcry. She also adds that "between 65 per cent and 80 per cent of the high grade heroin sold on the international market comes from Red China. Premier Chou En-lai is the biggest drug pusher in the world!"

Patricia Hurley is in a unique position to understand the probelms in the Far East today. Step by step she has traced the American foreign policy decisions which led to our present predicament in Asia. Significantly, our present problems were accurately predicted by Ambassador Hurley more than a quarter of a century ago. Miss Hurley's access to her father's records, reports and correspondence has provided her with a vast wealth of knowledge.

Tickets for this engagement may be purchased for $6.50, which includes dinner at the Kenilworth Lodge in Sebring and which will be served promptly at 7:00 p.m. Tickets for those wishing to attend the speech only which will begin at 8:00 p.m., may purchase advance tickets for $1.50 or $2.00 at the door. Tickets are being sold at Compton's Printing, 209 North Main St. and Bob's Barber Shop, Interlake Blvd. both of Lake Placid, Florida; White's Auto Store, 242 South Ridgewood, Sebring, Florida and Albritton's Barber Shop, South Lake Ave., Avon Park, Florida. Also, Mrs. Joseph Bing, Lake Placid, Florida may be contacted by telephone. Phone: 465-4582.

Thieves Steal From Ost Home

A rifle and radios, valued at approximately $150, were stolen in a break-in at the home of Dr. Walter Ost, Avon Park route 2. Sheriff's investigators said a window had been broken to permit the burglar to reach inside and unlatch a door from the inside. The break-in occurred the night of Feb. 3.

HOUSEMOVING

EVERYONE IN THE CHURCH — THE CHURCH IN EVERYONE

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Coleman Adv. Ser.

This house was moved to make way for a new super freeway. A city in progress creates many changes. The owners, no doubt, hated to change their location, and dreaded pulling up life-long roots. St. Paul would help in situations like these when he said, "*For I have learned, in whatsoever state I am, therewith to be content.*" Phillipians 4:11. The Lord will help us in new situations and new surroundings. He has promised to be with us in all things.

After getting settled, it is good to find a church home with people of like faith. No new neighborhood seems lonely if you can be with people who have the love of God in their hearts.

"*Not forsaking the assembling of ourselves together,*" (Hebrews 10:25a) is a wise saying. We invite you to attend the church in your community this week.

Meatballs And Pears Make Savory Entree

Canned pear syrup, molasses and aromatic spices flavor a sweet and pungent sauce for a hearty entree of meatballs and canned Bartlett pears. The meatballs, a savory mixture of seasoned beef and pork, simmer briefly in the spicy sauce. The canned pear halves are added to gently heat through, and the entree is ready to serve over steaming hot rice.

Pacific Coast canned Bartlett pears are always an appealing addition to a meat platter, and are especially ideal for dressing up less-expensive cuts. Delicate and pleasing in flavor, they adapt easily to a wide range of exciting menu ideas.

Spiced Meatballs And Pears

1 (29 oz.) can Bartlett pear halves	½ cup chopped Sweet Spanish onion
¼ cup molasses	½ cup dry bread crumbs
¼ cup vinegar	½ cup milk
1 teaspoon whole cloves	1 egg
1 stick cinnamon	1½ teaspoons salt
¼ teaspoon salt	¼ teaspoon pepper
1 pound ground beef	⅛ teaspoon nutmeg
½ pound ground pork	1 tablespoon cornstarch

Drain pears, reserving syrup. Simmer pear syrup, molasses, vinegar, cloves, cinnamon and ¼ teaspoon salt for 10 minutes. Combine remaining ingredients except cornstarch. Shape into balls and fry in hot oil until browned on all sides and cooked through. Pour pear syrup mixture over meatballs and cook over low heat 5 minutes. Thicken liquid with cornstarch dissolved in 1 tablespoon cold water. Add canned pear halves and heat through. Serve over hot steamed rice. Makes 6 servings.

Computer Age Comes to Supermarket Shopping

Customers at supermarkets are pushing their shopping carts right into the computer age.

Instead of ringing up groceries the old-fashioned way, electronic scanners are being used at the checkout counters. Checkout cashiers merely pass packages over a small glass panel in the checkout stand, exposing a Universal Product Code (UPC) symbol to the scanning device. The checkout terminal gives a beep, the price is flashed on a display panel and the amount is added to the total.

It all takes place in a split second as the electronic scanner reads the Universal Product Code printed on the package.

The checkout cashier does not have to perform the sweep and tiring motions of punching the cash register. The items are simply moved over the scanner and into an open bag.

With the Universal Product Code, supermarket people foresee a faster, more efficient and lower-cost system of serving shoppers; a better way to control stocks of merchandise; and the ability to respond more accurately to public preferences.

Research at NCR shows that the automated checkstand improves the atmosphere at the checkout counter, which has not changed much since the beginning of self-service in the 1920's.

The tiring waits, the long lines, and the noise and tension induced by the constant jangling of the cash registers are becoming things of the past.

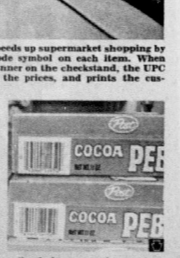
Checkout time is something like one-third faster, and more pleasant at that. Cashiers have more time for conversation with customers, and the soft beeps from the NCR terminals are unobtrusive.

Gone also are the uncertainties about the cashier entering the right prices. Customer receipts are accurate and items are fully described, because the information comes from the computer.

NCR retail terminal system speeds up supermarket shopping by scanning Universal Product Code symbol on each item. When products are moved over the scanner on the checkstand, the UPC activates the register, displays the prices, and prints the customer receipt.

Market research at NCR shows enthusiastic acceptance of "scanning" by shoppers. From the customer viewpoint, the new supermarket system reduces the time it takes to ring up purchases; improves accuracy; makes it easier for the customer to follow the transaction; provides a better receipt; and makes for speedier bagging.

Best of all, the system will help hold the line against rising food prices.



Symbols on packages are read by NCR system.

Breathtaking Bermuda

In 1515, Juan de Bermudez discovered a scenic chain of islands shaped like a fishhook. Bermuda, as this 22-mile long paradise in the Atlantic came to be known, has long been a tourists' delight because of its comfortable temperatures and evenly spread rainfall.

Despite its exotic reputation, Bermuda can actually prove to be an inexpensive vacationing spot for the whole family. Now you can purchase for only $15.00 an "Official Passport" that will let you enjoy $55.00 worth of Bermuda's most exciting attractions. There's the picturesque Sea Gardens Cruise, the Dolphin Show at the Blue

Grotto, Golf at the Belmont Course, the breathtaking Crystal Caves, Fort Saint Catherine's replica of the British crown jewels, and many other unforgettable sites. If you stay at the Bermudiana, the Harmony Hall, or the Belmont--three well-equipped but moderately priced hotels run by Trust Houses Forte--you'll be given a "Passport" to a truly great vacation.

Don't miss Bermuda's mild and healthful climate, its palm trees, flowering trees, and beautiful beaches. Take a tip about saving money--take a trip that both you and your budget will enjoy!

An accordionist is one chap who plays both ends against the middle.

1. Card of Thanks

The family of R.A. de Silva express their appreciation to their friends and neighbors for their many acts of kindness, food and prayers during their loss. In memory of Dee, money was contributed to many worthy causes. Special thanks is given to the doctor, nurses and Sheriff's Ambulance Service of Avon Park for their prompt and courteous service.

Among the many wonderful people who came to Kathy's aid the night of her attack, we'd especially like to thank the following: the Sebring Police, for their swift performance of duty, and for their continued concern for Kathy; Reverend and Mrs. Robert Askren, who held us together through the night; Dr. Baiohr, who saved her life; David and Dana Butler, who rushed her to the hospital, and TEEN member David Cope, who assisted the police. May God smile on you all. Kathleen Freeman, Kathy Freeman, Calli Rose Staral.

THE FAMILY of Mrs. Hilda M. Taylor would like to thank friends for cards and telephone calls; also our thanks to Doctors Ostling and Jones and nurses at Walker Memorial during illness and death of their loved one. S
