The Oath

Albritton-Touchton-Williams

Take Oath Of Office

"This is the first time in a long time that we have had three Councilmen retire at the same time and their places taken by three new men," stated outgoing City Council President Clarence King at the special meeting of the Avon Park City Council at 9:00 a.m. Thursday, Jan. 2, 1975.

The special Council meeting was called to administer the oath of office of City Councilman to duly elected

Councilmen Larry Albritton, Ed Touchton, Jr., and Wendell "Winkie" Williams, neither of whom had ever ran for the office on any previous election. The oath of office was given by City Clerk Malcolm Crews. After the three new Councilmen had taken their oaths, Mayor Marshall Davis acting as chairman called for nominations for President of the Council. Wendell "Winkie" Williams was nominated and elected without opposition. In a short acceptance talk new

Council President Williams told of listening to outgoing Council President King speaking of the cooperation of the past Council, thus, he (Williams) was encouraged to hope for the same type of cooperation even though there would be differences of opinions and ideas and how he hoped to have the cooperation of all — the Mayor, City Attorney, City Clerk, City employees and the people of Avon Park.

As Council President

Williams called for nominations for Vice-President, Milton Howard, with one year to go on his term of office, was nominated and elected.

At the call for nominations for city attorney, Jack Hancock who last year had served in this capacity, arose and started to leave stating, "That the Council should be free to hold an open discussion about who they wanted for City Attorney." Hancock did not make it to the door before he was nominated for City Attorney by having done a good job in the past, he also received the recommendation from Mayor Davis and was re-elected as city attorney.

In being re-elected City Judge David Lanier was recommended by Mayor Davis who stated "The city was fortunate to have David Lanier for a city judge not only for his ability but also because of his availability." Upon his election Judge Lanier told the Council there had been many changes in the courts operation and there were many more to come, with the new traffic rules enacted, Police Chief Grady Campbell would be busy reeducating his department with these changes.

Judge Lanier invited the council, audience and the public to the city court to witness the court's operation. This will be Judge Lanier's last term as City Judge as under the judicial revision passed by the state legislature the operation of the city court will be taken over by County Courts.

A special meeting of the Avon Park City Council was called to order at 9:00 a.m., Thursday, Jan. 2, 1975 by Council President Clarence King with all Council members, City attorney Jack Hancock, City Clerk Malcolm Crews, City Judge David Lanier and City Department Heads present.

The purpose of the special meeting was to install newly elected Councilmen Larry Albritton, Ed Touchton, Jr. and Wendell "Winkie" Williams as members of the city council. However, a few items of old business were first taken under consideration. Melvin Beane Secretary of the civil service board requested a meeting of the new council with the board to discuss job classification and wage schedules.

A police car accident was reported in which a lady pulled out of a parking space on Main Street striking the side of a Police car as it made a right turn onto Lake Ave. The lady was reported at fault. This concluded the old business.

Outgoing Council President Clarence King made a closing statement on the condition of the City in which he stated, "I feel like the past council has

done a very good job. I feel the City of Avon Park is financially in the best condition it has been in many years."

Council President King continued that money from the revenue sharing program were allocated, for the next two or three years, to the water improvement program. There will be a final bill for \$265,000 which will be paid by the Revenue Sharing funds. The new council may have to borrow about \$75,000, until these funds come in to pay obligations on the water improvement program but there will be no property assessments.

In reference to the sewer program which was proceeding slowly because of elevation differences King told the new council members that the financing was taken care of, all they had to do was to administer the program. Water and sewerage charges would be \$9.50 per month per

individual household as compared to a nearby city with an \$8.50 sewerage charge per month. The sewer program would take in 96 per cent of the town whereas a former program that was under consideration would have taken in only a portion of the town. There will be no assessments or taxes to pay for the sewer program.

Before leaving his chair of office Council President King told the incoming council that they should find everything in order. There was only one difficulty — there would be no tax money at the present time and the council may have to borrow money to pay bills but this would be no problem as it could be paid back when the tax monies came in. He (King) thanked the council and everyone who had given assistance and said he was stepping down to let younger men take over the job of running the City.

Rash Of Accidents Plague City Police

Gene Hancock
Halley-Short

Traffic accidents in the Avon Park area continued to keep the police busy. P.D. Gene Hancock, reported that the occupants of two vehicles that were involved in a collision Monday, escaped serious injury. Police said that Charlie Haley, Avon Park, was traveling east on W. Bell St. and pulled into the path of James D. Short, Birmingham, Ala., who was proceeding north on Highway 27. Force of the impact spun Haley's vehicle completely around, leaving it facing the direction from which it had just come. Fortunately the three passengers in the Short's '71 Oldsmobile were not

Project Hope To Deliver Meals To Elderly People

Project Hope of Central Florida with the aid of Avon Park volunteers will be ready soon to deliver a hot meal Monday through Friday to people over sixty who have a need for this service. Through the grant given by the Federal Government through the Florida Department of the Aged in Tallahassee, Avon Park elderly will have twenty-five meals a day available to them.

The meal will consist of heated frozen dinner supplemented with two slices of enriched bread, one ounce of cheese, six ounces of fruit juice, and a 1/4 pint of milk. This meal will meet the nutritional standards set up by the Department of Aging. The donations to Hope for the meal will be the actual cost of the meal, about one dollar or slightly less. Those who cannot afford the actual cost will be able to donate on a sliding scale basis according to income. Need is the most important requirement whether it be elderly living alone unable to shop or cook for themselves or those just returning from hospitals or nursing homes will be given first priority.

The success of this program will depend on the support of the community in helping Hope find people who need the meals and on volunteers working with the Hope Project to implement this program. Hope will depend on the churches and the civic organizations of Avon Park for guidance, knowledge, and leadership. The community of Avon Park has shown its concern for the elderly in preparing for the meals program to start.

Hoods Dairy will store the frozen meals and permission has been given to heat and distribute them by the Delaney Housing community kitchen.

Mayor Davis, and Reverend Williamson of the First United Methodist Church are serving on the Highlands County

Advisory Committee. Reverend George Fraser of Our Lady of Grace Catholic Church is representing Hope in the Ministerial Association and other interested citizens have volunteered their services.

Rosemary Deck, area manager for Highlands County

will be contacting churches in Avon Park this week for names of people for these meals. If you would like a meal delivered or would like to volunteer to help this program, call Hope toll free office at this number 800-896-282-8097 for further information or contact any advisory board member.

Pioneer Family Members Face Marijuana Charges

Four men — two of them members of widely known south Florida pioneer families — are in Highlands County jail facing felony charges on possession of marijuana.

Darryl "Buddy" Williams, 28, was arrested by Sheriff O. L. Raulerson Jr., at Williams' Circle 5 Ranch, at 4:45 p.m. Tuesday. His was the fourth arrest in the case which broke at the Ranch Sunday night, Jan. 5.

Men arrested Sunday were Ward Leitner, 36; Sam Altman, 40, both of Okeechobee, and Jose Ramon Canajo of Miami. Bond for each of the four defendants was set at \$100,000.

Hayward Davis, defense counsel for Williams and Leitner and associated with David Davis, defense counsel for Altman, indicated they would ask the court for bonds to be reduced. A hearing on this proposal may be held before Circuit Judge John Dewell Wednesday afternoon.

Marijuana Seized The arrests Sunday night followed seizure of approximately 1,500 pounds of marijuana which had been off-

loaded from an airplane into a pickup camper and van truck. The plane had landed near a graded marl road which leads to a marl pit the county leases from Williams. The Williams home and the marl pit are southwest of Sebring, off Payne Road running south from State Road 66.

The cargo marijuana, which has a street value of approximately \$400,000, was loaded into two vehicles then a score of law enforcement officers moved in to seize men and marijuana. Both the loaded vehicles bore Okeechobee County license plates.

Sheriff Raulerson said there were other vehicles near the arrest site. He said he could not identify their home counties but added that these vehicles were not loaded with the contraband cargo.

Whether the men arrested included the plane's pilot is not clear at this time. One lay officer said the pilot had been captured, but later it was said a fourth man had escaped Sunday night and he may have been the pilot.

Observers said the plane appeared to be in excellent condition, equipped for long-distance flying. A wing and tail section were damaged in landing. Lawmen surmised that the craft bounced on the roadway but actually set down on rough terrain beyond the graded surface.

The arrests here are, Raulerson said, the culmination of eight weeks of investigation begun in the Dade County Department of Public Safety. Sgt. Robert McGavock of the Dade department's narcotics division said investigators from Miami are in Highlands County assisting but the work is now under the direction of Sheriff Raulerson.

Florida Department of Law Enforcement and U.S. Customs Service have been involved in the investigation and seizure. In Highlands County Sheriff's office Chief Deputy Charles Snelgrove, Lt. Keith Albritton and Lt. Mike Mercer have participated in the investigation and several other staff members were involved in the seizure Sunday night.

Pioneer Families Williams and the two Okeechobee men are well known in the south central portion of the state. The Williams Circle 5 Ranch has been in the family for many years. Older residents remember its being operated by Darryl Williams' grandfather Clifford Eiland then by his father, the late Odis Williams.

In addition to ranching Williams has other business interests in this area. Leitner's family pioneered the commercial fishing industry in the Buckhead Ridge section of southwest Florida. Leitner and other members of his family are active in airboat racing throughout the state.

Altman has been in heavy construction work, for some time.

Between The Bookends

We have added the excellent new Sports Illustrated series to our recreation collection. Each volume handles a different sport and I will mention just a few.

Skin Diving and Snorkeling by Barry Allen explains the basic skills, equipment, and techniques involved in these endeavors.

The rules and tactics of the game of badminton are explained for the novice in **Badminton** by Frank J. Devlin. The author offers detailed advice on improving stroke proficiency.

A basic course in the sport of sailing that might prove useful to the experienced yachtsman as well as the novice can be found in **Basic Sailing** by M. B. George.

First published as two separate works, you now have **Swimming and Diving** in one handbook that describes the movements of the crawl, backstroke, and breaststroke and the steps involved in performing dives ranging from the standing front jump to the forward high twist.

If you are interested in fly fishing you can learn the strategies, tackle, and techniques used in fishing with artificial flies in **Fly Fishing** by Vernon Hidy.

If you need advice on selecting, operating, and hauling small motorboats you should read Tony Gibbs' **Powerboating**. This author also covers all the basic safety rules.

The fundamentals and plays used in ice hockey and the tactics for playing offense and defense are discussed in Mark Mulvey's **Hockey**.

Volleyball has been a popular sport for many years. Bonnie Rubison explains the rules, tactics, and basic strategy of the game and provides drills for the experienced player in her book

Volleyball.

Soccer is an ever-growing international sport. Phil Woosnam has written the Sports Illustrated edition of **Soccer** in which he details the playing rules, ball-handling and body movement skills and game strategies.

Two new romantic suspense novels we have added this week are **Sarna** by Hilary Ford and **The Lancing Legacy** by Ann Hymen. These are written in the best tradition of romantic suspense — chilling, identifiable, it could happen to me — excitement — with story lines that turn and twist and constantly surprise.

Eugenia Price — author of the best selling **Simon** Trilogy — has added a new title to her work of Georgia history. **Don Juan McQueen** takes place in 1790 and is a powerful historical novel. It is a true story of a love that conquered danger, distance, temptation, and disgrace in an unforgettable way.

Evidently there is no such thing as having too many doctor stories in the public library. Novels centering around the lives of physicians and nurses are popular with all ages and to help us fill this need we have now added all of Elizabeth Seifert doctor stories that are currently in print. New titles added include: **Miss Doctor**, **Thurston Doctor**, **Old Doc**, **Take Three Doctors**, **Marriage for Three Doctors**, **At the Crossroads**, **The Doctor and Andrea Fields**, **Bright Banners**, **Geri Intern**, **Young Doctor**, **Gallahad**, **Surgeon Charge**, **Bright Scaple**, **A Call for Doctor Barton**, **The Bright Coin**, **Challenge for Dr. Mays**, **Homecoming**, **Hospital Zone**, **Dr. Galt**, **A Great Day**, and others.

Letter To The Editor

Editor:

Next to the railroads and the automobile traffic, the place of most danger to the public in Avon Park is right on Main Street at the Hillside Apartments, on the side adjacent to the parking lot, there is a five foot concrete sidewalk running along the outside of the building. Cars along the curb to the curb along the outside of this sidewalk.

The top of the concrete curb is eight inches above the parking lot. The sidewalk is eight inches below the top of the curb at Main St., gradually increasing to one foot eleven inches below the top of the curb at the back of the building.

At night the sidewalk is inadequately lit by a small household bulb above a service door near the rear of the theatre. This door is recessed a foot or so back of the building wall, making the light even more inadequate. If this light is not turned on this depressed sidewalk is not readily visible at night.

Last Friday night after parking her car, a woman not seeing that this sidewalk was depressed so deep, as the small light toward the rear of the building was not turned on, and assuming that the sidewalk would be at least the same level as the parking lot, stepped over the curb and down to this sidewalk "yell" and fell, striking her head on the side of the building, and sustaining a very painful injury.

Such a fall must have happened many times during the years this situation has existed. It is inconceivable that this danger could have been allowed to exist so long. It should be taken care of as before a real tragedy occurs. As even better lighting would not be dependable, I would suggest a substantial steel railing at the curb.

"If you want to waive restrictions on assessment and collection of deficiency in tax and acceptance of assessment — just fill out Form 870 AD, the one that replaced Form 870 AS. If you don't have a Form 870 AD just do a Form 2533 to order blank income tax forms. Your completed Form 2533 will then bring you a Form 4211, notice of payment due for shipping and handling charges."

Unfortunately, government and paperwork seem to go hand in hand and the situation has deteriorated until now the paperwork burden, whether measured in dollars and cents or frustration and irritation, has become an unbearable burden.

It is estimated that the staggering amount of paperwork on an annual basis costs the American public \$30 billion. The government spends \$15 billion a year in processing paper work and it annually costs the small business owner about \$18 billion to fill out the forms. In 1972 the Internal Revenue Service alone listed 64 separate tax forms and for the business man this means some 24 weeks a year just filling out Federal forms.

The paperwork trend must be reversed to help keep down Federal spending and to ease the economic burden on the individual and private enterprise.

I have co-sponsored legislation to create a temporary Federal Commission on Paperwork, charges with the mission of making a comprehensive examination of all Federal paperwork and to report its findings and recommendations to the Congress and President within two years.

with two years.

The objectives of the Commission include assuring the availability of necessary information, minimizing the paperwork burden on others; guaranteeing appropriate standards of confidentiality; reducing duplication of information-gathering by Federal, State and Local Government and reducing the costs of Federal paperwork. This legislation has received strong support from both the public and private sector, including various branches of government. I am pleased to report that this bill has recently been passed by the Congress, and I am optimistic there will be a significant improvement in the Federal paperwork problem.

Sincerely,

Lou Frey report

Rep. Lou Frey's Federal Noxious Weed Act soon to be signed into public law by the President will help save the consumers between \$5 billion and \$10 billion annually.

This bill, which Frey introduced in April, 1971, will ban the importation and interstate shipment of weeds which "interfere with the growth of useful plants, clog waterways and interfere with navigation, cause disease or have other adverse effects upon our environment."

It presently costs farmers more than \$2.5 billion to control the weeds which are injurious to their crops. Added to the annual crop loss over \$3.3 billion, these costs are passed on to the consumer in the way of higher food costs," the Florida Congressman said. Not only will Frey's bill govern the importation and interstate shipment of weeds but this Act will help curb the use of sometimes environmentally hazardous chemicals by farmers in a futile attempt to control the noxious weeds which ruin their crops.

Mrs. Altman at one time was a deputy clerk in an Okeechobee County office. David Davis, a Bunnell attorney associated with Altman family, was in Sebring Tuesday, seeking to work out bail for Altman.

Sheriff's office personnel said there are indications that Camejo will be represented by a Miami lawyer. A preliminary hearing for Altman, Camejo and Leitner had been scheduled for Friday morning, but on Tuesday John Darty, state attorney for the 10th circuit, came to Sebring to file direct information on these three and Williams. The direct information move the cases directly into circuit court without preliminary hearings. Assistant state attorney Robert Nettleton worked with Darty.

Rec. Department Offer Tennis Lessons

The Avon Park Recreation Department will be offering group tennis lessons soon. The lessons will be run similar to last spring's lessons.

The lessons will start on Tuesday, Jan. 21, and will be held each Tuesday and Thursday from 6:30 p.m. for a ten-week session. The younger age group (7-14) will be asked to come on Tuesdays for their lessons. The adults (15 and older) will meet every Thursday evening.

The lessons this year will be taught by Bill Johnson, a very competent tennis instructor. He previously was a tennis club manager in Jacksonville and is

currently the Avon Park High School Tennis Coach.

Cost for these group lessons will be \$6 for the entire 10 lessons or \$1 per lesson for any number less than 10 lessons. Each lesson will be a maximum of one hour.

Registration starts Jan. 13 and ends Jan. 20. You may bring your fees and register for the class any day from 3:45 p.m. or in the evenings from 7:10 p.m. at the recreation center on North Verona Avenue.

For more information call 333-6861. Persons taking lessons are asked to bring their own tennis racket.

Nurseryman Gives Tips On Flower Growing

The time has come to think about a new year says Florida Nurserymen and Growers Association (FNGA) members. Many nurserymen report that plants were in great favor as Christmas gifts. It's a gift that will long be remembered and will increase in value each year, and another thing it will always bring beauty to your home grounds to remind you of the giver.

Most of the shrubs, needle pines and cedars used as live Christmas trees will survive easily. Add some peat and a small handful of a mixed fertilizer to the planting site for your living Christmas tree. The tree should be watered well at least two or three times a week after setting it in the ground. The winter winds are dry and the warmth of the sun cause much water to be lost from the limited root system.

coming along excellently at this time says Florida Nurserymen and Growers Association (FNGA) members. Roses should be fed at least every two or three weeks even in the winter. Don't forget to maintain a good spray program with Fungicide to control black spot and mildew. New growth may on occasion have aphids says Florida Nurserymen and Growers Association (FNGA) members so watch for this insect. If not controlled buds will be deformed. Use Malathion as needed. Have a Happy New Year and a safe one.

Annett Wins Tennis Tourney

This time of year is somewhat slow in gardening except for your winter annuals. Most of you will be deriving a lot of satisfaction and enjoyment from petunias, pansies, salvia, and calendula. A note of caution, just because it is cool does not mean that bugs are not around. Keep in mind that you should spray your annual plants with a good fungicide such as Sevin at least once every ten days.

Another winter favorite that can brighten your outdoors or your dining table is the rose. Most nurserymen have plants

The finals of that meet had been delayed because of darkness the final day of the tourney. Annett, joined women's champion Pam Rose as the top singles player in the county with the victory last Sunday afternoon.

Red Cagers With 5-3 Record Host Frostproof Friday

The Red Devil varsity basketball team will start the 1975 season with a 5-3 record as they host the Frostproof Bulldogs here at the high school gym tomorrow (Friday) night. Avon Park has wins over Arcadia, St. Cloud, St. Pete Northside Christian, Sebring

and Bradenton Southeast and has lost to Palm Bay twice and Charlotte High of Punta Gorda once in pre-holiday play.

On Saturday night the two Red Devil teams will travel to Arcadia to take on the Desoto High Bulldogs in a second match. Both Avon Park teams

were victorious in the first meeting with the Desoto High varsity and junior varsity. The Devils will be idle next Tuesday night but will go to Lake Placid on January 17 (Friday) for games with the Green Dragons of south Highlands County.

Coach Tom Lund's Red Devil varsity has averaged 79.6 points per game for the eight games. Craig Presley is the leading scorer for Avon Park with a total of 227 points and a 28.3 average per game. Craig has hit 53 per cent of his free shots and has made 48 per cent of his shots from the floor. Melvin Collins is the team's leading rebounder with a total of 127 for the eight games. Melvin is also the number two scorer with 112 points for a 14.0 average per game.

Mickey Claitt, the team's second high rebounder with 103 for the first eight games, is third in scoring with a total of 94 points for an 11.7 average per game. Reggie Tolbert, the Devils starting guard, has scored 80 points and accounted for 15 rebounds. Presley is third high in rebounding with a 39 total.

James Ross, reserve guard, has scored a total of 34 points so far this season and has pulled down 15 rebounds. Others on the team in order of points scored are Ben Wright with 30 points and 44 rebounds, Clifford Coleman with 21 points and 19 rebounds, Ricky Claitt with 17 points and 13 rebounds, Kevin Smith with 13 points and 12 points and 15 rebounds and Jimmy Caldwell, who has

Knights Schedule Basketball Contest

The Sebring Knights of Columbus has scheduled dates for elimination rounds in their annual basketball free throw contest.

Saturday, Feb. 1, at the Sebring High School Gym. Trophies will be awarded all winners and those who finish first will then advance to a district tournament at a site and date to be announced later.

This Saturday (Jan. 11) eliminations will be held in Avon Park. Next Saturday (Jan. 18) they will take place in Sebring. The following Saturday (Jan. 25) Lake Placid will be the site of the eliminations.

Those wishing to participate may register at their respective schools, where the eliminations will be held. Bill Hale is serving as the tournament coordinator.

The Sebring Knights of Columbus would like to thank those in the Highlands County school system for their cooperation.

HCTA To Hold Benefit Tourney

The Highlands County Tennis Association will hold a benefit men and women's doubles tournament in Lake Placid on February 8 and 9. The tournament will be open to all doubles teams in the area. There will be a \$6.00 entry fee per team.

The proceeds from the tournament will be given to the newly formed tennis teams at Lake Placid and Avon Park high schools to be used for uniforms. Members of the association will be sent entry blanks for the tournament but anyone wishing to enter may send the entry fee to Eric Annett, P. O. Box 33, Sebring, Fla. before February 6.

Trophies will be awarded to the winners and runners-up in both the women's and men's brackets. Sponsors for the tournament will be announced soon.

Dance On Adventurous Canoe Trip

During this Christmas Holiday season Thom Dance of Avon Park went on an Adventurous Canoe Trip down the Peace River along with 12 other Florida youth and three sponsors canoeing the black waters that flows from the Green Swamp in Central Florida to the Gulf of Mexico. Some wild life was observed including alligators, cows, snakes, mosquitoes and fish. The five day, four night trip

from December 27 to December 31 covered approximately 100 miles.

The trip wasn't all fun, but it wasn't all work. The group was divided into four smaller groups of four, in which all the eating was done, after they had prepared it. Most of the food was powdered or small and light-weight. All of the supplies were carried with them in the seven canoes, including tents, food and personal gear. Some of the canoers fell out occasionally and some even took their canoe with them, but were soon back in action after gathering all the wet gear. There was always time to wash their hair, or swing from the ropes along the river and to go swimming with some going swimming when they didn't want to.

Everybody worked together with everything getting done. A dishwasher was invented, and every body was using it and it was also used as a clothes washer.

Sunday morning they had their own church service by the river. The canoers also had devotions after every meal and a campfire each night.

Those going on the trip were: Bill Redmon, co-ordinator and trip director and Buddy Farris, property manager of Lake Aurora Christian Assembly, Lake Wales; Mike Waers, Atlanta Christian College, Atlanta, Ga.; Thom Dance, Avon Park; Paul Barron and Dana Nollins, Lake Wales; Danny Thomas and Kent Stalker, Port Charlotte; Jeff Pitts, Clermont; Sylvie McDonald, Tampa; Paula Lewis and Becky Harper, Orlando; Carol Barcosky, Maitland; Tracy Ward, Merritt Island with Karen Nutting, and Debbie Juler coming from Vero Beach.

Marshall Charged In

County Truck Collision

A county-owned truck and a privately owned auto were involved in a collision on Sparta Road, just north of the intersection with State Road 66.

The county truck was driven by Henry Marshall of Avon Park and was accompanied by Roy Phayer of Sebring. Damage to the truck was set at \$25.

Damages were set at \$250 for the auto driven by Gary H. Meszaros of Lakewood, O. He was accompanied by Lane Meszaros of Lakewood and Dave Norris of Sebring.

No one was injured in the accident which occurred at 7:40 a.m. on Dec. 31. Florida Highway Patrol Trooper J. C. Sheppard said both vehicles were traveling at very low rates of speed, but the county truck traveled to the left of the

center line of the road. Marshall has been charged with careless driving.

Rehrer Speaks On

Child Advocacy

The United Methodist women held their regular monthly meeting Tuesday, January 7, in Wesley Hall. Mrs. Oscar Layne, president.

After a short business meeting Mrs. Hubert Bussard presented the speaker, former Juvenile Court Judge, Mervin Rehrer who used as his subject, "Child Advocacy."

He told of his experiences working with delinquent and dependent children and of the

court's rehabilitation program. An interesting point he made was that none of the children he counseled with attended Church or Sunday School. He said we could help by getting children in our area, who do not attend Church or Sunday School, to attend and thereby keep them out of Juvenile Courts.

A social hour was enjoyed preceding the meeting and refreshments were served.

Louise Farrell Is Bride

Of Robert Grice

Mrs. Louise Armstrong Farrell of Avon Park became the bride of Robert Grice of Lemon Grove December 28, at 3:30 p.m. on the patio at the home of the bride's daughter, Mrs. Wayne Gillard.

The double ring ceremony was officiated by Rev. Alex Day.

The patio was decorated with palms and two bouquets of white daisies.

The bride was escorted by her son, Pvt. Frank F. Farrell. She wore a floor length dress and coat ensemble of blue polyester knit with a white pattern and carried an orchid on a white belt.

Mrs. Inez A. Harmon of Pensacola, sister of the bride, served as matron of honor. She wore a floor length dress of pink knit with a pattern of white flowers and carried a basket of white orchids.

Melvin Green of Avon Park served as best man.

Mrs. Vera Best, mother of the groom, wore a long gown of

lavender with white accessories.

The reception was held immediately following the ceremony. The house was decorated throughout with the Christmas theme. Mrs. Juanita Day was in charge of the bride's book.

The bottom tier of the cake was square topped with a heart-shaped tier. A bouquet of pink roses, white daisies and blue forget-me-nots fell from a chub fountain crowning the heart-shaped tier and cascaded down the front. The groom's cake was an orange tree. Mrs. Alexis Hamlin and Mrs. Linda Gillard served the cake and punch.

The bride chose for her honeymoon trip a pink and white three piece suit consisting of matching pink plaid jacket and skirt with a white turtleneck sweater and black accessories.

After the honeymoon the couple will reside in Avon Park.

Bi-Centennial Flag To Fly

Leland Brooker, chairman of the Highlands County Action '76 Bicentennial Committee, asked county commissioners Tuesday to help celebrate the nation's 200th birthday by flying a special commemorative flag over the courthouse.

The flag which Brooker presented to commissioners was a replica of that flown by irregular U.S. troops at the Battle of Bennington on Aug. 16, 1777.

Commissioners ordered that the flag be flown above the courthouse, immediately beneath the U.S. 50 star standard, until July 4, 1976.

In other business, commissioners granted Emil Riles a variance from requirements imposed by county ordinance 733 permitting use of his 10 acre parcel in the Lake Josephine area as a private farm.

Asked the county engineer to acquire of other county governments how they handle eye sick leave accumulation, physical examinations as prerequisites to employment and mandatory retirement.

Authorized the county engineer, Gordon Hays Jr., to attend a board of directors meeting of the National Association of County Engineers to be held in Chicago, Jan. 15-18. Hays is southeast regional vice president of the national organization.

Received a notice from state Senator Tom Gallen advising that the state legislative delegation will conduct a public hearing at the courthouse, Sebring, 7:30 p.m., Feb. 17. The delegation solicits recommendations for topics to be considered during the 1975 legislative session.

Authorized the demolition of an unused dwelling on county property located off

S.R. -17 across the canal from the Shrine building. The delapidated house was characterized as a safety hazard.

THE FIRST MEETING of the new 1975 Avon Park City Council continued with Wendell Williams (left center behind microphone) elected as President and Milton Howard (second from left) elected Vice-president. In a characteristic listening attitude, as City clerk Malcolm Crews reads

a brochure, are (left to right): Councilman Robert Britt, Attorney Jack Hancock, Mayor Marshall Davis, Council President Williams, Clerk Crews, Councilman Larry Albritton, Council Vice-president Howard and Councilman Ed Touchton Jr.

Council Meeting

RETIRING COUNCILMEN Clarence King, Durrah Martin and Robert Woodruff (right side of room) had a vantage point during the council meeting in the role of

audience with department heads and Avon Park citizens with reappointed City Judge David Lanier on the far left.

New Council

Items of business undertaken by the new City Council at a special meeting at 9:00 a.m., Thursday, Jan. 2, 1975 included granting Fire Chief Flowers leave to attend the Fire Training Conference school at the Fire College in Ocala for four days.

The Council voted to send Mayor Marshall Davis and City Clerk Malcolm Crews to a workshop in Orlando, Jan. 16-17 on the Fair Labor Standards Act. The workshop will be sponsored by the College of Business and Public Administration and Continuing Education of the University. Under the Manpower Act as administered by Highlands County, Avon Park will have five men assigned to work in the City beginning Jan. 6. The men, residents of Avon Park will work, one in the Park department, one in the Water department and three in the street and sanitation department. It was stressed that no city employee will be laid off because of the men being assigned to work for the city.

The Council was asked by Councilman Ed Touchton to fill vacancies on the Zoning and Planning Commission with time taken to consider the qualifications of people before appointing them to various boards. City Clerk Malcolm Crews was asked to prepare a list of vacancies on the various boards and committees. City Attorney Jack Hancock was requested to check the city statutes for qualifications of those serving on the various boards.

Mayor Davis recommended that retired Councilman Clarence F. King be appointed to replace Wendell Williams on the planning and commission and Council moved to appoint King to the unexpired term of Williams, now city council president. Members of the zoning board of adjustments had requested Building Inspector C. W. Ellerbee to present the name of Ralph Fulmer to fill a vacancy on that board. Council members were told that Fulmer had supervised the cleaning and beautifying of the mall by high school students this past summer. Ex-councilman Vice-president Durrah Martin was also recommended for the Zoning Board of Adjustments but no action was taken by the Council pending a check of the statutes by City Attorney Hancock.

While on the floor Inspector Ellerbee spoke of receiving a call from Dan Davis about a nursery operation being started on a lot next to the Davis's lot in an area zoned R-1A. In the discussion that followed there seemed to be some confusion whether this nursery was for plants or children. It was then pointed out this was a citrus nursery on the last lot within the city limits.

The city code does not list prohibited uses or activities and there is nothing in the city zoning code on agricultural uses. City

Attorney Hancock stated that in his opinion this nursery would not conform to home occupations use but he wanted to research the question

further. The question may hinge on whether the nursery operation is a commercial enterprise or whether the citrus trees in cans setting on

tables will be used for resetting of personal groves. In bringing this first meeting of 1975 to a close Council President Williams thanked

the people (each one) for attending the meeting and encouraged the various City Department heads to come to all meeting barring unforeseen

circumstances. In the conversation following the end of the meeting, ex-councilmen Clarence King and Durrah Martin were

discussing their committee assignments when King asked Martin, "Does your job pay more than mine?" "If so let's trade."

KNIFING VICTIM
Jimmy Mitchell of Avon Park was treated at Walker Memorial Hospital in the early hours of Christmas Day for cuts he said he received from an unknown assailant. Mitchell told sheriff's investigators that he was jumped as he came out of a bar and the knife-wielding man jumped in a car and drove away.

FIRE TRUCK GAS STOLEN
Approximately \$25 worth of gasoline was stolen from the tanks of Highlands Lakes Volunteer Fire Department. The theft was discovered at 10:30 a.m. on Dec. 24.

THE FIRST LOAD of oranges to roll onto the 100,000 pound capacity scale at Highlands Citrus office has company owner Don

Serdynski chatting with Mike the driver about when to expect the next load of fruit at the N. Michigan location.

HEAVY HEAVY HANGS overhead. In this case golden colored honey tangerines (murrcoits) clustered so thickly their weight bent the branches towards the ground in this grove off the Lake Letta Road.

Serdynski Starts New Business

Grove owners may now dispose of their crops, small or large, for cash at current market value at Highlands Citrus, Inc., now open for business at North Michigan Ave. in Avon Park.

Don Serdynski, founder and owner of the new enterprise, expects that small grove owners will particularly welcome a marketing service keyed to their requirements. As far as is known no such service has hitherto been available in Highlands County.

In the past it has been economically disadvantageous or impractical for the small grove owner to market his crop due to trucking distances involved or a minimum load requirements imposed by processing plants. Now instead of letting the fruit fall to the ground to rot or giving most of it away to friends and neighbors the backyard citrus entrepreneur can bring his mini-crop, to Highlands Citrus and exchange it for instant cash.

The procedure simply requires that you drive your pick-up truck or other conveyance carrying the fruit on to the scale adjacent to the Highlands Citrus office where you will receive an automatically prepared copy of the gross weight of your vehicle. You then drive a few feet to the delivery ramp where your citrus is off-loaded. On your way out you again stop briefly on the scale to receive a copy of your off-loaded weight and cash equivalent to the difference.

Just one word of caution. All citrus sold in Florida must meet State maturity standards. Consequently those wishing to dispose of their crop should call the Highlands Citrus office so that Mr. Serdynski or one of his employees may assure that it meets these standards prior to delivery to the receiving scale.

Until last November Mr. Serdynski was vice-president and general manager of the Florida Home Juice Company. He and Mrs. Serdynski and their daughters Tracy and Casey have their home at Lake Letta.

Question: Is it possible for a person to be a son or daughter of God?

Answer: But as many as received him, (Christ) to them gave he power to become sons of God, even to them that believe on his name, John 1:12. Christ assures us that if we will accept him as our personal saviour, he will supply the power which is requisite for us to become sons and daughters of his. Christ came to restore lost man into the family of God. This will be accomplished when a person chooses to obey God. The Saviour declared that people who are willing to have their lives conformed to the principles which are listed in the sermon on the mount, will be children of the Father which is in heaven, Matthew 5:43. The power which enables a person to become a son or daughter of God is the Holy

Spirit, who is given to all those who obey him, Acts 5:32. For as many as are led by the Spirit of God, they are the sons of God, Romans 8:14. When this takes place, we become partakers of the divine nature, and thus as God's children we are in nature like him.

The resulting experience which follows when we receive the Spirit is described thus: Behold, what manner of love the Father hath bestowed upon us, that we should be called the sons of God; therefore the world knoweth us not, because it knew him not. Beloved, now we are the sons of God, and it doth not yet appear what we shall be; but we know that when he shall appear, we shall be like him; for we shall see him as he is. And every man that hath this hope in him purifieth himself, even as he is pure, 1 John 3:1-3.

Time To Run Coming To Avon Park

"Time To Run" is a full-length color dramatic film that has just been released by World Wide Pictures, the film ministry of the Billy Graham organization, and will be premiered in theaters across the state of Florida in the month of February.

There is no doubt that today we see the family unit being attacked from every side, torn

apart and fragmented. "Time To Run" is a motion picture about a family, about listening, about the silences between people, the unspoken moments, and the moments of anger that don't really accomplish anything. "Time To Run" openly offers the reality of Jesus Christ as an answer to the human dilemma.

Billy Graham feels that thousands of people will see a

part of themselves in the film. Hopefully, families seeing it will be brought closer together in real understanding and communication. It's a film of discovery, discovery that the condition of loneliness, despair, frustration, emptiness — is not an endless condition. But above all, "Time To Run" is a movie for people who love. People who more than see movies. People who laugh,

who cry, who live the things they see on the screen. People who allow themselves to be touched. It's a movie for you and possibly someone you love. It's an experience to be shared. Together.

Be sure and go see "Time To Run" when it comes to our community. You may find it more of a mirror than a motion picture!

Time-Temperature Service Sponsored By Bank

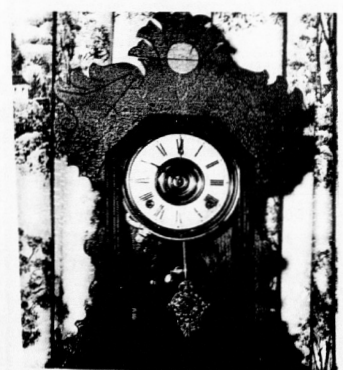

Now a unique Time-Temperature Service is available to the citizens of Avon Park. D. R. Daubach, Vice President and Cashier of the Highlands County Bank, announced today that his firm has entered into an agreement with United Telephone Company to provide this 24-hour, seven-day-a-week service for Avon Park. The new service, listed in the telephone directory under "Time-Temperature Service," gives a brief advertising message from Highlands County Bank followed by the correct time and current temperature...all simply by

dialing 452-8111. Equipment for the Telephone Time-Temperature Service is installed in the downtown equipment headquarters building of the telephone company. When the service is dialed, the equipment responds with an announcement of the time, accurate to the nearest minute, and the temperature, accurate to the nearest degree. The temperature announcement will cover a range from 40 degrees below to 120 degrees above zero.

The Audiotone Company of Atlanta, Georgia, has been installing this equipment for a number of years in cities across the United States. Our telephone company felt that the overwhelming acceptance of the service in other areas warranted making it available here. Representative statistics from some of those other communities indicated that 452-8111 will be the busiest number in town!

Each completed call to the Service is registered on meters by the machine. When 452-8111 is busy, a second call is automatically switched to a second "free" line. Several lines have been connected to enable simultaneous calls to be "answered" when the Time-Temperature Service number is dialed. In case of utility power failure, batteries will provide constant power flow to maintain continuous operation of the system. If there is a power interruption, just give 452-8111 a quick call to aid in

resetting your clocks to the correct time. A temperature-sensing device is mounted on an elevated tower to avoid heat radiation from buildings. A special cable runs from the tower to the equipment. Every announcement has been made to provide an accurate downtown temperature reading.

WITH TWO HOURS until "New Years," Jan. 1, 1975 this approximately 90 year old clock keeps chiming away the hours and half hours, lubricated by fumes from the tiny container of kerosene (coal oil) in the lower right corner. The original price sticker (left side under spring) though faded showed that Mrs. John E. Picken's grandparents paid \$1.50 for the clock — and no sales tax.

Our New Years Eve get together was held in the Rec. Hall at 7:00 p.m. Guests for the program was Betty and Connie Gough from Ontario, Can. They entertained on the piano, accordion and several vocal selections. Claire Ross gave a New Years Blessing reading which is a French custom in Canada. She also played her accordion accompanied by Harriet Wandover. Reave and Harriet Wandover played a lovely piano duet. There were readings by Goldia Daun, Esther Breister and Sylvia Carlson. As a finale, group singing was led by Barney Ross. Delicious refreshments, coffee and punch were served and an enjoyable evening was had by all 42 present. Our appreciation to all for their efforts in making this a most pleasant evening.

Shuffleboard match, Friday Dec. 27. We had just enough men out to fill both courts, with three games played on each court. Breister and Wandover won two games out of three on the East Court and Paxton and Gifford won all three games on the West Court.

Winners at Bingo were Helen Joseph, Marguerite Rody, Herb and Emily Renard, Millie Joseph, Goldia Daun, Mildred Hindsley, Bessie Paxton, Okah Gifford, and Ray Long. The cover-all was a split between Iris Mitten and Gertrude Culver.

Marvin Tebo has received a 50 year jewel from the State of Pennsylvania in honor of his 50 years of active service in the Old Fellows Lodge. We in the park wish to congratulate Mary on this distinguished recognition.

We have had many folks visiting in the park for the holidays. The Ross's daughter and son-in-law, Robert and Suzanne Winkieback from

Davie, Fla. visited for Christmas holiday. Then their son and daughter-in-law, Kenneth and Pam Ross from Titusville spent the past week-end with their folks.

The Carr's grand-children, Nola and Glen Carr from Prairie City, S. Dak. also were here this past week. Rebecca Hostetter has returned from the hospital and we are glad to see her up and about these days.

At this writing, Carolyn Morrison is still confined at Walker Memorial and it has been necessary for Byron Jeremy to return to Walker Memorial, however, we hope his stay there will be a short one. We are sorry that he will not be home to celebrate his birthday on Jan. 4, our best wishes to you Byron.

We are glad to have Mildred Able and Florence Stephens back from holiday visits with their families. Doug Mitten, Rachel, Bonnie and Pip have returned to their home in Canada after their holiday here. We will miss seeing them around the park and will look forward to their next visit.

Word has been received, Mrs. Myrtle Hederman passed away December 17 at Brookville, Can. She was a long time resident of Southland Court and our sympathy is extended to her family.

Further sadness occurred when Wilbur Romans suddenly passed away on New Year's Day. Burial was in Cincinnati, O. Our sincere sympathy to Grace and her family.

All for this week. Good Health and Happiness.

Evangelist Moody Adams To Speak At

Fellowship Baptist Church Jan. 13-14

Evangelist Moody Adams, who has challenged the major advocates of atheism, Witchcraft and drugs in his 17-year ministry, will be speaking at the Fellowship Baptist Church - 1000 W. Thomas A.P. on Jan. 13, 14th at 7 p.m.

Adams, who has 24 area-wide crusades scheduled for this year in addition to a crusade in Korea, has maintained a policy of recognizing and taking a stand on current issues. Such a policy has earned him the title, "America's Front-Line Evangelist."

He has witnessed on the streets of Haight-Ashbury when it was the hotbed for 25,000 hippies, and on the streets of Belfast, Ireland, during that country's religious war. Adams has debated atheists on network television in Canada, and in London's famous Hyde Park.

His front-line ministry has also taken him to the home of Anton LaVey, head of the Church of Satan, and to St. Charles, Mo., where John and Yvonne Gavin, warlock and witch respectively, prepared correspondence courses in Witchcraft.

Adams' approach of facing up to current problems and his refusal to believe that anybody is a "hopeless case" has produced amazing results. Last year a strong-arm man for organized crime and a 23-year old self-proclaimed witch were among the thousands making decisions for Christ at Adams' crusades.

Many others have heard Adams at civic clubs, on college and high school campuses and in penitentiaries. He had over 2,000 speaking engagements in the last two years. His sharp wit and candor also make him a frequent guest on television talk shows.

Despite being one of the nation's most prolific speakers, Adams had also written four books. His latest book, "New Signs of the Second Coming," relates Biblical prophecy to space travel, Women's Liberation, the Arab-Israeli War, the money crisis and population control.

Prayer For The Sick- Salvation-Healing-Deliverance

1. TESTIMONY - I had severe pain in my left leg, running the length of my leg and down into my foot. This pain had kept me awake at night for about a week. Rev. McClain prayed for me and I was healed immediately. Says Gladys Howard, Avon Park.

2. TESTIMONY of Mrs. Kerce about her 2 grandsons. Ricky Kerce, age 2 had very bad ear trouble all his life. He was

prayed for by Rev. McClain. God blessed and his ears have been healed. His brother, Eddie, had fever past 1 hundred. I asked Rev. McClain to come over to our home after the tent service to pray for Eddie. Rev. McClain laid his hands upon Eddie and God healed my son because the fever left and immediately Eddie's fever became cool. Praise God for his healing power.

Evan. Chuck McClain

SPORTS SHORTS

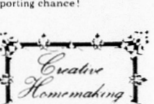

No matter what kind of sport you are, whether you're hooked on fishing, or tennis or your racket, whether you have a ball at foot or your real arena is a spectator sport, there's no point of letting yourself be lugged by insects, everywhere you try to enjoy yourself.

Your sport, you improve your sport, life three different ways, with three forms of tough new insect repellent designed with the outdoors person in mind, to put those pests in a flap!

No mere fly-blight in sport, it has been tested in the bad bug country in Maine and New Jersey, and it has proven effective against the black flies and mosquitoes that can drive you bugs during the warm months. It contains an unusually high percentage of active ingredients that make the little monsters flee fast, and comes in a compact five ounce spray, a 1 1/2 ounce liquid and a new two ounce cream with an unbreakable container that goes into a tackle box, backpack, or pocket as smooth as butter. This winged pestifer is called "Sport-Spray II" and is made by Union Carbide Corporation.

When it comes to keeping the bugs at bay, even the best sport shouldn't handicap himself by giving the beasts a sporting chance!

Outdoor Equipment Care

I guess almost every family in America is guilty of neglecting outdoor tools and equipment.

We expect them to last forever. For them to do the job they are intended to do, cleaning them at the end of each season should become a matter of course.

Rust and corrosion are common enemies of outdoor equipment. Here are some hints to follow for easy care:

Scrape the mud from hand tools. Fertilizers are corrosive and invite rust, so remove all traces of fertilizer

from your spreader and wash with full-strength Junior in a Drum. Rinse well with water.

Remove any rusty spots with steel wool and coat the metal with lubricating oil. Store the tools in a dry place.

Insecticides left in a spray can ruin it in one season. Wash thoroughly with your cleaner, rinse and dry.

A garden hose containing water can spring a leak in cold weather. Empty the hose of water and store on a reel or coiled on a flat surface.

WAYS OF FLYING

HIGHWAY TO PROFITS

More businessmen are traveling in light airplanes than ever. The surge in businessmen learning to fly and buying planes, the industrial parks being built next to airports, and an increase in most general aviation aircraft are the indicators, says Piper Aircraft Corporation.

General aircraft sales, for example, are up about one third over last year. And some air taxi and charter services

report business increases of up to 100 percent. About 70 percent of general aviation flying is for business.

It all revolves around the economics of business travel. For people constantly on the road, traveling in a light plane is a very cost-effective way to go. The 55-m.p.h. highway speed limit, reduced airline schedules, increased commercial air fares and general availability of general aviation travel have all contributed.

For information about learning to fly, write to A. Shantz, Piper Aircraft Corporation, Lock Haven, Pa.

Tired Of Pinching Pennies?

More than half of the three million people now engaged in home selling are women. These figures come from the Direct Selling Association (DSA), which represents over 100 firms that sell in the home. This trade group feels in-home selling, or personal selling, as they choose to call it, offers a valuable alternative to the penny-pinching of the last few months. And that's the reason why more and more women are entering this field.

In today's economy, many families need extra cash which their current income sources do not provide. Many find that they are the primary support of their households but have family obligations which make holding a fulltime job very difficult, if not impossible. Others simply have more leisure time today and are anxious to use it productively.

Personal selling offers an alternative to penny-pinching by providing a viable source of extra income. Women have found they can make extra money while enjoying a pleasant social activity, visiting homes of friends and neighbors and bringing with them new and exciting products.

According to DSA, you may devote your full-time to this new vocation or may decide to give it only a few of your leisure hours.

After receiving your copy of "Who's Who," simply contact those companies selling products which interest you. They'll show you how to avoid the penny-pinching.

1. Card of Thanks

We wish to express our heartfelt thanks to all who in many ways comforted us in our sorrow at the passing of our beloved mother, Florence Crews Stebbins. Our special appreciation to Rev. Alden Childress, Tom Leland, Rev. Mack Hudson, Chaplain Bennett, Dr. Alvin Ostling and nurses and staff of Walker Memorial Hospital for their help. Loving Crews, Bowers, C. Arthur Crews, Malcolm K. Crews.

I am sincerely grateful to friends and neighbors for their many kind acts of sympathy during my sad bereavement. Especially all residents of Dinmer Lake Haven, Cottrill Nursing Home, Highlands General Hospital, my brother Stanley and Nellie. My appreciation and love are adequately expressed. J. L. Wheeler.

Bell Charged

With Murder

An elderly Avon Park man has been bound over to circuit court on a murder charge. Alvin Bell, 66, 207 E. Hall St., is charged in the fatal shooting of his roommate Walter Savage. Savage's body was found at the Hall Street residence Dec. 28.

Investigators reported Bell said he and Savage had argued. Preliminary hearing on the slaying was held before County Judge Mark Richardson Jr. Jan. 2 and Bell was bound over to circuit court. He is being held in county jail without bond.

Assistant State Attorney Thomas Wilson said a decision has not been made on whether a grand jury will be called. Initial investigation in the case was made by Sgt. Robert Oether of Avon Park police, Lt. Glenn Hartford, Deputies William Wise and Clifford Singletary of Highlands County sheriff's department.

Some people believe that if you kill a crocodile, you become one.

YVETTE LAKEISHA (left) and VONNETTA DYSHUNETT in their pale pink suits don't seem to be worried about being the first babies born at Walker Memorial Hospital on New Year's Day. They arrived in time for breakfast at 7:50 and 7:51 a.m. to Mrs. Yvonne Powell, Sebring. Their father, Harry Powell of Avon Park is a student at Florida A and M University at Tallahassee.

Lake Bonnet News

By RAY TRAVIS

A New Years Eve Party got under way at 7 p.m. in the Recreation Hall with 120 attending.

Mr. and Mrs. John Wayt showed slides of their travels through the west and Canada and the North Eastern States. The slides were enjoyed by everyone.

Refreshments were served and dancing until 12 midnight. The committee, Mr. and Mrs. Richard Grose, Mr. and Mrs. Dane Archiball, Mr. and Mrs. John Wayt, Mr. and Mrs. Roscoe Jones and Mr. and Mrs. Hank Mates provided the refreshments.

Mrs. Julia Levienski arrived in camp last week but returned home to West Virginia on Saturday after selling her trailer to Mr. and Mrs. Beaman and Mrs. Thomas who have already moved in.

Mr. and Mrs. James Granning of Marcellus, Mich., visited her cousin Mr. and Mrs. Ray Travis last Tuesday afternoon.

Mr. and Mrs. Marvin Jensen from Kenney, Ill. visited her parents Willard Jensen on Saturday. They had been to Key West.

Sister DePaul, sister of Mr. Hermes visited at Lake Bonnet over the week end. Sister teaches at Fort Lauderdale.

Mr. and Mrs. Hermes celebrated their 3rd Wedding Anniversary on Dec. 26th.

Mr. Frank Gergen, owner of Lake Bonnet Village spent several days in camp.

Mr. Pritchard was suddenly taken to Highlands County Hospital in Sebring Saturday evening. His condition seems to be better, we hope he will be well soon.

Mr. and Mrs. Harry Moore of Holt, Mich. are visiting Mr. and Mrs. Leon Wood. They like it here at Lake Bonnet so well they are staying for two more weeks.

Mr. and Mrs. Harry Haven of Hawkeye, Iowa are living in Section C in their New Chiefain Winnebago. This is their first year of traveling.

Mr. and Mrs. Ernest Stokes spent the week before Christmas at their son's in Hollywood, while there they attended the Premiere of Interland Tower and also visited friends in Miami.

Mr. and Mrs. Ingerberg Soma and Mr. and Mrs. Everett Stokes spent a day in Sarasota, visiting the Ringling Brothers Museum and also visited friends in Bradenton.

Mr. and Mrs. Elmer Jones and family arrived here Dec. 28 from Springfield, Mo.

Mr. and Mrs. B. B. DeHaven and children of Covington, Tenn. spent a few days with her parents, Mr. and Mrs. John Kehler. While here they spent Thursday at Busch Gardens.

Don and Lucy MacDougall had New Years Eve guests from Denville, New Jersey, the Norman M. Lanes. Then a surprise when Sunday, Lucy's brother, Joe Matthews "Fisherman Joe from Flat Rock, Mich." arrived - he will be staying in Avon Park.

Twins First New Babies Arrivals In County

That Mrs. Yvonne Powell was going to have twins came as a surprise to her husband Harry Powell with Harry still being quite thrilled over the event.

The first newborn youngsters to arrive at Walker Memorial Hospital on New Year's Day were Yvonne Dyshunett and Yvette Lakeisha twin daughters of Mr. and Mrs. Harry Powell of Avon Park. The twin girls arrived very

close together at 7:50 and 7:51 a.m. Jan. 1, 1975. Attending physician Dr. J. W. Osborne had called for an X-ray to confirm the presence of twins.

The elated husband Harry will be returning to Florida A and M University at Tallahassee to continue his studies in the Marketing of Clothing and Textiles. For the present Mrs. Powell and two tiny girls will be going to

Sebring to live with her parents at Rt. 2, Box 154.

Two other new arrivals at Walker Memorial Hospital on

New Year's Day were a son born to Dr. and Mrs. (Dr.) I. P. Pantanogio and a daughter to Lynnette Collier.

63 Families Aided By Christmas Cheer

Christmas Cheer Inc., thanks everybody who helped with the program. Many churches, civic, fraternal and social organizations, as well as, good citizens contributed time, canned food, toys and money to help bring Christmas to needy families. A special thanks should be given to the Lions Club who gathered toys and packed the boxes, and the women who helped with the

toys. Rev. Herbert D. Graetz, President of Christmas Cheer, says that 63 families with more than 200 children were provided with the wholesome food and toys. What might have been a rather sad and empty Christmas for many parents and children was changed to a day of happiness and joy. Our Community may well be proud of this program.

Avon Park Mobile Home Park News

By LORENA WYANT

On New Years Eve 52 people gathered at the hall around ten o'clock to see the old year out and welcome in 1975. Starting with various card and table games, the tempo picked up as several recreational games were introduced, the most hilarious being a balloon busting. There was a jar of candy to guess the number of pieces in. Paper hats and noise makers were distributed then all joined in a grand march, directed by Lloyd Wyant, with march music by Lorena Wyant.

Refreshments were served by Maurice and Verna Pero, Edwin and Treva Feehan. All joined in singing favorite old time songs with Helen Bason at the piano. The evening program concluded with devotions by Virgil Welly and singing Auld Lang Syne before the New Year Greetings were exchanged, and thanks extended to the committee who planned the entertainment. They were Bill and Margaret Belcher, Margaret Campbell, Basil and Rosa Krontz.

New Year's Day guests of Mrs. Gladys Geib were: her sister Mrs. Stella Sherer of East Canton, O., her son and daughter-in-law Mr. and Mrs. Jack Geib, North Canton, O., Mrs. Lucille Shoemaker, Mr. and Mrs. M. S. Roubesh, Avon Park, Mr. and Mrs. Wayne Elder of North Canton, O. Mrs. Elder and Mrs. Jack Geib are daughters of Mr. and Mrs. Roubesh, who entertained the families New Year's Eve.

Sponsor and children Tom Limbaugh had their daughter Becky and husband Thomas Hopkins of Canandaigua, N. Y., with them for a week. Mr. and Mrs. Ernest Purvis

and three children of Peru, Ind. spent a week with their parents Mr. and Mrs. Elliot Purvis.

Holiday guests of Mr. and Mrs. Merrill Murphy were their son and wife with three children of Loganport, Ind. Bill and Margaret Belcher spent Christmas at Rochester, Ind. with their children, grandchildren and Bill's sister all to together. It certainly was a real Christmas with beautiful snow, loving family and warm friends.

Mr. and Mrs. J. R. Rober and family of Goshen, Ind. spent the Christmas holidays with her parents Virgil and Hazel Welly.

Mr. and Mrs. George Maddrell and daughters Barbara and Jennifer of Lodi, Wis., have been visiting with the mother Lala Maddrell. They spent time on Sausal Island and planned to see Disney World on their return trip.

The ladies on 4th Avenue will be hostesses for the Women's Club meeting Friday afternoon Jan. 10 at 1:30.

Pinochle winners last week were Herman Young with a score of 136 and Ruth Vanfelt with 1517.

Word has been received that Ham and Nita Byrner have a new grandchild. It's a bouncing eight pound boy, who arrived December 30. When they get their feet back on ground we expect to see them drive in for the rest of the season in Avon Park.

Mr. and Mrs. Arthur Overmyer and children Tom and JoElla of Argos, Ind., visited her parents Mr. and Mrs. Stephen Savage during the Christmas holidays. They all spent two days in Ft. Myers

visiting relatives and sightseeing.

Mr. and Mrs. Dwight Andrews spent ten days during the holidays with their daughter and family in St. Louis, Mo.

Bill and Margaret Belcher spent Christmas at Rochester, Ind. with their children, grandchildren and Bill's sister all to together. It certainly was a real Christmas with beautiful snow, loving family and warm friends.

Mr. and Mrs. J. R. Rober and family of Goshen, Ind. spent the Christmas holidays with her parents Virgil and Hazel Welly.

Nancy Heingardt of Kalamazoo Michigan is visiting her sister Mrs. Lee Cook. Mrs. Anna Bergman is also a guest in the Cook home.

Mr. and Mrs. Robert Glen and son Robert Jr. spent several days last week visiting Robert's mother Mrs. Lydia Glen. The senior Glens are from Iowa City and Robert Jr. is from Indianapolis, Ind.

Mr. and Mrs. George Walker of Coldwater Michigan and Mr. and Mrs. Charles Goodwin of Elora, Ontario have arrived to spend the winter in their homes in the village.

The Audu-Vin Social Club held a weiner roast and covered dish supper at the shelter on New Year's Eve. 28 members and guests were present. Later a shuffleboard tournament was held with winners being: first place were Harold Ayers and Jake Mulder and second place being won by Juanita Whetstone and Vincent Potts.

The first craft meeting of the year will be held on Wednesday January 8, at 2 p.m. and each Wednesday thereafter.

A business meeting and election of officers of the Audu-Vin Social Club will be held on Monday January 20 preceded by a covered dish dinner. All members are urged to attend.

The following have returned to their respective homes after visiting friends and relatives in the village: Mr. and Mrs. James Corn and son Dave to Ft. Couple To Present Sacred Music At Baptist Church

From their hometown of Yazoo City, Miss., evangelists R. L. and Beth Sigrest travel throughout the United States presenting sacred music in concerts and revival services. They will be at the First Baptist Church, Avon Park, Thursday, Jan. 23, at 8 p.m. Since 1960 the Sigrests have been engaged in a unique ministry of evangelism through preaching and sacred music. In addition to their concert and revival schedule, they appear on programs such as the Southern Baptist Evangelists conference, the Mississippi Baptist convention, Pastors conferences, and evangelism conferences.

An ordained minister, R. L. Sigrest served as a pastor for 8 years, before entering fulltime

evangelism. He has also served as a minister of music. He began his singing career when he was tenor soloist for the Mississippi College singers.

Beth Sigrest, a mezzo-soprano and pianist, began music training at the age of five, continuing at Mississippi College. She began playing the piano for revival meetings when she was eleven.

Their programs include selection of hymns, gospel music and spirituals. Singing contemporary Christian folk music, the Sigrests appear before many youth groups in churches and schools. Three albums of sacred music have been recorded by the Sigrests, the latest entitled "Happiness is the Lord."

Farmers Not To Blame For High Food Cost

The President of the Agribusiness Institute of Florida has taken issue with those who are blaming the farmer for higher food costs. Fred Y. Montsdeoca, Ocala agribusinessman and Institute head, said farm prices have increased in only 11 of the last 20 years while industrial prices have gone up in 16 of those 20 years and the price of wages and services has risen in each of the 20 years.

"Farm prices tend to fluctuate up and down," said Montsdeoca, "while other prices go up and stay up. Food producers and processors are trying to hold their prices down at the same time they must buy supplies and services of every kind whose price has gone up and stayed up."

Suggesting that increased output per man-hour could be a factor in stemming inflation, Montsdeoca quoted a United States Department of Agriculture study that found output per man-hour on farms is increasing twice as fast as in industry.

Montsdeoca's organization, The Agribusiness Institute of Florida, is a non-profit group

telling the story of the impact of agriculture on Florida's economy. Membership includes food producers, distributors and processors as well as agricultural service and supply organizations.

Students To Prevent Program At Local Church

A combined choir consisting of eighth graders through junior college-age adults from the First Baptist Church of Sarasota, Florida, will be coming to the First Baptist Church of Avon Park this Sunday evening.

The purpose of this choir tour is to present a folk musical entitled, "In Here, God's Here, Now We Can Start."

Like some folk musicals this one is designed as a worship experience, and it can be considered a "one hour musical experience in the presence of God."

This choir, under the direction of Jim Martin,

Minister of Music and Youth has some 40 young persons in it. The accompanists for this presentation are Ann Hildebrand at piano, Mike Kiser at guitar, and Harold O'Neal at bass guitar.

The choir will be bringing its own printed programs and sound equipment. In recent years Mr. Martin has taken his youth choirs on tours through Indiana, New York, and New Jersey.

Miss Sybil Watson, Minister of Music at First Baptist Church, Avon Park, extends an invitation to all for this worship experience which will begin at 7:45 p.m.

Dodge Coronet...
the practical alternative to driving a car that's either too big or too small.

- A V-6 engine that uses regular gas. All Coronets require only regular gasoline. And you'll notice the savings every time you pull away from a gas pump.
- Electronic Ignition System. It's standard on all Dodge Coronets. It eliminates the trouble-prone points and condenser. And it keeps the frequency and cost of ignition tune-ups low.
- Big 19-cubic-foot trunk. It works a man who needs a four-door car that seats six comfortably and has plenty of trunk space. Then, Mister Dodge Coronet is for you. Coronet's trunk will help take the "punch" out of your family vacation.

Take a Second Look

On your first look, you may think that this little girl is riding a rocking horse, but look again. It is not a rocking horse but a little donkey.

About animals now, and children. Donkeys were one of the first animals to be tamed by man, and are gentle animals when they are not practicing the quality of being stubborn.

The quality of gentleness somehow reminds us of our Saviour, the Wonderful One.

Parents, teach your children about Jesus, who admonished us to let the little children come unto Him. Our Lord would remind us that the little ones are precious to the Father. We invite you to take the children to church this week.
