

Between The Bookends

By Mrs. R. D. Moore, Librarian

How much do you know about your ancestors? Where can you go and how much would it cost you to learn about your family's history? Who were your ancestors, and where did they live and what did they do? How To Trace Your Family Tree published by the American Genealogical Research Institute Staff will tell you what kinds of information family members can give you and how to question them, what is available from local, state and federal government sources, what printed sources are most likely to aid you in your search. There are sections on heraldry and the various genealogical societies, should your interests carry you further. Everything you need to organize your findings and put together your family tree is here in this one comprehensive guide.

Fell's Official Guide To Prize Contests And How To Win Them by Allen Glasser has just arrived at the Library. Included are such items as: how to win in every major contest category - jingles, linericks, statements, names, captions and slogans; how entries are judged; how to keep informed of the latest prize offers; what errors to avoid in entry composition; how to achieve originality; plus scores of "inside tips" revealed by a long experienced contest expert.

Whether you are a newcomer to contests or a veteran of this popular pastime, you will find

this book the most reliable, timely and helpful guide you could follow on the road that could lead to rich rewards! After writing Don't Fall Off The Mountain, Shirley MacLaine turned to new adventures. Two of them - a high dive into the world of big-production television and a trip on the campaign trail with George McGovern - turned out to be, at best, mixed blessings.

The third, her trip to the People's Republic of China with a delegation of American women, was a profound experience that led to self-rediscovery and a new book You Can Get There From Here. In this book Miss MacLaine looks back over the past several years and tells the intimate tale of herself and the fascinating world in which she seems always to live.

Nearly four million copies of Dale Evans Rogers' books have been sold. Her new book is Where He Leads and details her journey to the Holy Land. The author reveals her deeply personal credo, her philosophy of life and living - her book is a statement of faith in today's world.

Tom Wicker is columnist and Associate Editor of The New York Times. He is the author of the best-selling novel Facing The Lions. This year he has written A Time To Live, a novel of gripping story of one of the most dramatic events of our time - the prison riot at Attica in September 1971.

The inmates demanded the

presence of a group of "observers" to act as mediators during that riot and Wicker was one of those summoned. At Attica he confronted what he had for years been too busy to see. And Tom Wicker faced himself, the white liberal who had supposedly shed the prejudices and provincialism of his upbringing.

As the story unfolds, Wicker tries to grasp the meaning of Attica and the book builds into a major statement on racism and the horrors of prison life. This book is receiving major critical acclaim and national attention and will be discussed in literary circles for many months to come.

Corrie Ten Boom is 81 years old. She served a long time in a German concentration camp during the World War II for hiding persecuted Jews and staid about this part of her life in her best-selling book The Hiding Place. Her brush with death lent a new meaning to her life and after her release from the concentration camp, Corrie Ten Boom set out to become what she calls a "tramp for the Lord." She traveled the world proclaiming the message of faith and she shares her experiences with readers of her new book Tramp For The Lord.

John Updike's seventh novel A Month of Sundays concerns a month of seven days, a month of enforced rest and recovery from the death of the Reverend Tom Marshfield, sent west from his Midwestern church in disgrace.

GROUND BREAKING CEREMONIES were held last Thursday for the Highlands County Bank of Avon Park on the lawn of the temporary building while workmen in the rear area were preparing the building site for construction. Bank Officials taking part were (left to right) with shovel of soil that was replaced: Bob Daubach, executive vice-

president and cashier and Ben Hill Griffin, Jr., chairman of the board and president. In the rear are: David Phillips, president of Advance Contractors, Inc., Lewis Stidham, vice-president; Charles Melcalfe, George W. Harris, Jr. and David F. Lanier, directors and Leslie Pickett, architect. Photo-Miller.

Ground Breaking Start Bank Building Construction

Ground breaking ceremonies for the Highlands County Bank of Avon Park's new banking facility was held at the site of the new building last Thursday morning at 9:30 a.m.

Ben Hill Griffin, Jr., Chairman of the Board and President of the Bank, expressed his appreciation to the bank's customers and citizens of Avon Park and the surrounding area for the confidence they have expressed toward the bank during the eleven months the bank has operated in the temporary facility. Mr. Griffin

assured those attending the ceremony that the new structure would be a banking facility that all citizens of Avon Park and Highlands County would be proud of.

Mr. Griffin introduced the Architect, Leslie G. Pickett, and the Contractor, David Phillips, President of Advance Contractors, Inc. Others in attendance at the Ground Breaking were Reverend Herbert N. Graetz, who opened the ceremony with prayer, Mayor Marshall Davis, City Commissioners, Larry

Albritton, Robert Britt, Wendell Williams, Chamber of Commerce President, Mary Lee King, bank directors, and many other citizens from the Avon Park Area.

Bob Daubach, Executive Vice President and Cashier of the bank, described the banking facility to those attending the Ground Breaking. He stated that the facility would be a two-story building of Spanish design; the exterior walls will be of a large landscaped area has been planned for the front of the building.

The bank lobby will have two entrances, one from Main Street and the other from the parking lot which will be located north of the building. Daubach stated that the building committee has worked for several months with the architect and he has designed a facility that will be convenient for customers with the most modern drive-in and other equipment available.

Mayor Marshall Davis and Chamber of Commerce President, Mary Lee King, during their comments expressed appreciation to the bank's board of directors for showing their confidence in the continued growth of Avon Park and the surrounding area by selecting Avon Park for the home of the Highlands County Bank.

Financial Disclosure

Housing Authority, have filed. Jonathan Hancock, Avon Park city attorney, has filed - in fact is the only board attorney in the county to make a report so far.

Hue E. Nunnallee is the only South Florida Junior College trustee who has filed. Mary Ellen Ward is the only Highlands County Planning and Zoning board member on record. Her husband, G. Franklin Ward has filed as a school board member.

School Superintendent George F. Douglas is in, and Garland Boggs, the purchasing agent, has filed. Robert A. Woodruff of Avon Park, board of adjustment member, has filed.

Lake Placid Mayor Lionel LaGrew has filed his report. Sebring Mayor Smith Rudasill Jr. had to make a report as part of qualifying as a candidate.

Kelley Phillips and Robert Skipper are the only county commissioners still to file. Elected county officers on record by April 25 were tax collector W. H. Prescott, supervisor of elections and tag agent Jimmy Whitehouse.

Officers who do not report are subject to removal from office. Deputy Clerk of Circuit Court Jim Pyle who handles dispensing and reporting of the financial disclosure forms says he is "not worried yet; they all came in at the last minute last year."

Beware of Valuables Left in Unlocked Car

While parked on East Pine St. Friday, April 26 some person or persons took from our car a leather knitting bag. The contents of the bag would be valued at more than \$25.00 and some of the contents would be difficult to replace. Apparently the bag did not contain what the party was looking for. Shortly after we missed it, the bag was located under some shrubs near where it was taken, contents intact. My thanks to a considerate Thief.

Letter To Senator Tom Gallen

Senator Tom Gallen
701 11th Street, West
Bradenton, Fla. 33505

Dear Senator: I appeal to you to consider Senate Bill 173 and see that it is not good for efficient democratic operation of a vital industry in our communities. First the administration of this act would increase the cost of operating our hospitals and their costs now are excessively high in comparison to other service organizations.

Second there are conditions that affect prices that work too rapidly to wait for long distance agency approval and to be considered by out of county personnel.

Third setting rates that control prices that hospitals must pay for material and personnel. Open books and publication of financial

conditions would be O.K. and this would reveal any improper pricing of rates, etc.

Fourth Most people are getting upset on Big bureaucratic agencies that control TOO many local institutions, Schools, Hospitals, Law Enforcement, Courts, municipalities, Auto Dealerships, Wages, Safety measures, pollution and no end to higher up controlling at long distances local operations that local people know much more about and could much easier control better for the best benefit of the public.

We are proud of our state government but help us restore more local control over things that can be best controlled locally.

Sincerely,
E. Ray Wells

Water And Drainage Disputed At Meeting

Do new state regulations on use of water resources apply to drainage plans?

The answer was not forthcoming when county commissioners faced the perennial south Highlands County water problem Tuesday.

Caladium grower George Richardson appeared at the commission meeting to ask for board action to alleviate water surplus problems which began to appear two weeks ago.

"I've had real problems with water," Richardson said, "and the four and a half inches of rain we had two weeks ago started me to worrying. Then we got three more inches Monday."

Richardson said land prepared for planting at a cost of \$500 per acre is being covered with water.

The commissioners looked at two possible solutions - clean out a drainage ditch along SR 70 or dig a new ditch northward from Richardson's toward SR 29.

The latter route would be shorter and probably cheaper, County engineer Gordon Hays told commissioners.

In response to a reporter's questions, Hays said he is not sure how the new state laws on water use apply to drainage, but all probability any new ditching would have to be studied by Central and Southern Florida Flood Control District (FCD), and possibly approved by that unit.

Rains Help Put Out Lightning Fires

Rain finally came to Highlands County and sent the Florida Forest Service rangers off on a fast round of firefighting. Lightning started fires which the rangers then had to battle in a downpour of rain.

At 9:30 p.m. Monday, April 28, lightning struck a pine tree and rangers had to work until 3 a.m. to extinguish the blaze which burned over 35 acres.

At 6 p.m. on April 28 a strike on Sparta Road started a fire across the tinder dry ground, but it burned over only 1 acre before heavy rain helped the rangers to make a quick put out.

Lightning hit on the West Davis pasture of U.S. 96, April 28, about 7 p.m. and burned over one acre. David's crew had the fire out by the time rangers arrived. Another lightning fire at Venus was naturally doused by the time rangers reached it.

A 500 to 600 acre muck fire, north of Avon Park, mostly on Ben Hill Griffin land, is finally extinguished. By April 29 the area had received enough rain to leave an inch of water on the mucky pockets which had burned for approximately a month.

In south Highlands County, off State Road 61, a muck fire began at 10 p.m. April 28 and was out by Tuesday night, April 29. Rain in that particular area was sparse and left the rangers with much hand work to do in fighting that fire.

A tractor in that area was damaged, but rangers were able to extinguish fire near it soon enough to save the big vehicle. Damages were set at \$3,000. The tractor is believed to be the property of the land's tenant, Griffin.

In a fire off Wormhole Road, south of Bair's Den, a tractor belonging to Jerry McKenzie sustained \$3,000 damages, but was saved.

West of Avon Park, on W. Pine street, a mobile home was demolished.

Parents Without Partners Receive Charter

The Highlands County chapter of Parents Without Partners has received official approval and been granted its charter. At the International PWP board of directors meeting April 26-27, the Highlands County unit was moved from provisional status to Chapter #3.

Representatives from the Highlands County chapter attending the board meeting, held at the International Hotel in Miami Beach, were Mrs. Natalie Patton, sons Jim and Bob; Mrs. Marian Cameron and daughter Lisa; Mrs. Virginia Moody.

Official unveiling of the charter will be part of the PWP installation banquet scheduled for Saturday, May 17.

A covered dish dinner will be held at 7 p.m. at First Christian Church fellowship hall. Adult members of the chapter have chosen to make the installation banquet and charter unveiling a family dinner with children attending. Mrs. Patton announced.

The PWP board meeting in Miami Beach was attended by representatives from Canada and Australia, as well as all parts of the United States. The board opened negotiations with chapters in Union of South Africa.

Mrs. Patton reports that one business item which caught the special attention of the Florida delegates was the annual by-law provisions introduced to cover emergencies which arise because of blizzards.

"Quick On The Draw" Have No Challengers

Winners of "Quick on the Draw" couldn't draw a challenger because of their four straight winning string of victories on Channel 3.

To accumulate these four victories, the sixth graders from the Avon Park Middle School met and defeated teams from Elsenhour Elementary, Curtis Elementary, Pinellas Park Junior High and Kennedy Junior High all from the Tampa-Pinellas County area.

As there were no other four winners in the Channel 3 viewing area the Middle School sixth grade chalk team remains unchallenged and undefeated this school year.

In playing "Quick on the Draw" the teams were given the general category of the blackboard was given the specific subject and gave clues to his teammates by making appropriate chalk drawings on the board. No letters or numbers could be used as part of the drawings made for teammates.

Spending many hours coaching and practicing with the team and alternates was Mrs. Doris Everett, Guidance Counselor at the Middle School. The school sponsor is William Borteman, Curriculum Counselor. Both student contestants, and faculty coach and sponsor were honored during a Middle School assembly period.

County Runners Club Have Four Mile Run

Highlands County Runners Club members dominated the four-mile age group run held on Fox Lake Road last Sunday, April 27. Jeff Smoker of Sebring came in first in the 13-18 age group and first overall with a 23:55 minute effort.

J. Garcia of Sebring placed first in the 19-29 age group and second overall. He ran the four miles in 24:09 minutes. Coach Chet Brojek of Avon Park finished first in the 30-39 age group and third overall with a 24:18 minute timing. Jim Montgomery of West Palm Beach took first place in the 40 and up age group and fourth overall in 24:36 minutes. Young Steve Palmer of Wauchula took top honors in the 13 and under age group and tenth overall with his 28:12 clocking. Alphonso Williams, a Red Devil distance runner, captured fifth place overall in 25:32.

"We had only fifteen show up for our first run," stated Coach Brojek, "but we hope to add more for next month." Plans are for a three-mile age group run and a special novice mile and a half for young boys and girls.

The next race will be held in June. Those wishing information about the club can contact Brojek at Avon Park High School (433-6604) or at (252-4738).

Pants To Boys Ranch

The owner-operator of two Highlands County clothing shops has contributed a large supply of boys' trousers to Florida Sheriff's Boys Ranch.

Doris Whitaker, who operates Fashion World in Sebring and Tower Fashions in Lake Placid, donated 229 pairs of boys' trousers.

A truck from this area took the pants and a number of other gifts — which included a stereo and a variety of sporting equipment — to the ranch at Live Oak.

Charles Snelgrove, chief deputy for Highlands County sheriff's department, announced the clothing gift last week and commended the citizens of the area "who never forget the continuing needs of the Boys Ranch and Girls Villa."

LaVonne Flint

To Have Open Heart Surgery

Mrs. Eugene Flint of Avon Park is in Texas scheduled to have open heart surgery on May 5.

Her address is: Mrs. LaVonne F. Flint, T-6 Rm. No. 12, Wilford Hall, U.S.A.F. Medical Center, Lackland A.F.B., Texas 78236.

We hope your prayers and thoughts will be with her during her surgery and recuperation.

Key Club Organizes Blood Check

Yesterday (Wednesday) the students at the Avon Park High School were screened for high blood pressure. Men from the Sheriff's Rescue Unit, qualified teachers, nurses and nurses aides were on hand to take the blood pressures.

Besides organizing the blood pressure check, the Key Clubbers were on hand filling out cards for each student. When a student did have high blood pressure a follow-up card was filled out and will be mailed to that person's doctor within the next two weeks.

Why was this done? Over the years, if not treated, a too high blood pressure can injure the heart, brain and kidneys. High blood pressure leads to more deaths than any other factor. The worst part is that over 23 million people have it and half of them do not know it. Of those that do, only half are receiving treatment. Lastly, only half of those (or 3 million people) are receiving adequate treatment.

A pamphlet was given to each student to take home telling more about high blood pressure. Make sure you don't have it!!! Go to the Kiwanis screening booths at the Chamber of Commerce office and the Florida Gas Company (Pantry Pride shopping center) on Friday and lengthen your life.

Nora Ann Carrero Weds

Johnnie Hall

On Saturday, April 26, at 2 p.m. Nora Ann (Bobbie Jo) Carrero and Johnnie Vance Hall were united in Holy matrimony at the Assembly of God Church with Rev. Dennis Postell officiating.

The bride is the daughter of Mrs. Jo Ann Prescott of Florida and Hello Carrero of Miami. The groom is the son of Mrs. Pauline Hall and the late Victor G. Hall of Avon Park. Bobbie Jo was given in marriage by her foster-father Curtis Batts of Sebring wearing a floor length gown of red and white double knit with a bolera jacket. She carried a bouquet of white daisies with red velvet ribbons.

Mrs. Darlene Muller of Sebring served as matron of honor wearing a sheer cotton print, empire gown with butterfly sleeves.

Mevin Smith of Avon Park served as best man. Dana Muller served as flower girl.

After the ceremony family and friends gathered at the home of the groom.

The cake, table was decorated in the brides colors of red and white. In the center of the table was the three tiered wedding cake topped with the traditional bride and groom.

Assisting in serving were Mary Talley, cousin of the groom and Mrs. B. G. (Diane) Crawford, sister of the groom.

The day was topped off for the young couple by a phone call from the grooms aunt Mrs. Maxine (Gillard) Barty in Gainesville, Ohio to wish them luck and happiness.

Bobbie Jo attended Sebring High School and is presently attending South Florida Junior College where she will graduate in June as a clerk typist.

John attended Avon Park High School and is presently employed by Black Industries of Avon Park.

Mr. and Mrs. Hall reside at 15 N. Prospect Ave.

Avon Park High School Teachers Present Program

By LAVERNE M. FULLMER
Avon Park Grange had a polk supper Tuesday, April 22, preceding the Youth Program. Mrs. Violet Moseley, Home Economist and Mrs. Virginia Crews, Media Specialist of Avon Park High School gave a slide-presentation of activities of the students. The speaker was Bill Knecht, Curriculum Coordinator.

It gives a good idea of the courses available for dedicated students to become self-supporting and to learn to become good family members. The girls studying child-care have real children to care for and the boys taking agriculture courses practice as they study. It is now required by law that the school follow the activities of the students after graduation until age 19.

The first school was organized in 1888, only two years after Avon Park was founded. During the past six years the number of students has increased nearly 3,000. Since 1973 pre-school children of migrant workers have been taken care of by the school.

Highlands County has a population of 43,000 and Avon Park and surrounding area has 15,000. It is listed as Agricultural because of the number of cattle raised and citrus grown.

The High School has many students taking agriculture courses, and these slides show many activities of these kids. It is a program every Avon Park citizen should see.

The High School welcomes visitors and will make

arrangements to show interested persons around.

The business meeting was in charge of Ralph Fullmer, Overseer. The Charter was drafted by John Steward, a valued member. Resolutions of Respect were read by the Secretary, Mary Haviland. Past-Master Donald Mason Obligated three candidates, Ernest and Ann Foss and Beatrice Smith.

The Women's Activities Committee reported that five garments were judged at the Style Show and Edith Martensen's formal will be modeled at the State Judging at Venice on May 24. Six children's outfits were made

for charity. Goodrich was nominated for Granger of the Year. A Resolution was presented and adopted which will go to Ridge Poma Grange No. 10 for discussion at the next meeting at Zolfo Springs on May 10 at 8 p.m. Lecturer, Evelyn Goodrich presented a short program.

Fern Woods is in the hospital and Claude Chase is improving at home.

The next meeting will be at the Woman's Club House on May 13 at 7:30. Each member please bring a May basket to be presented to the School for the Retarded.

Artists Of Month — Mr. And Mrs. Frank Humphries

Husband-Wife Team To Exhibit Art Work

Mr. and Mrs. Frank Humphries of 719 W. Palmetto in Avon Park will be the first husband and wife team to exhibit their art work at the City Library at 116 E. Main Street.

Frank and Dorothy moved to Avon Park two years ago after an unbelievable exciting and adventurous life living and traveling all over the world.

Both Mr. and Mrs. Humphries are R.N.'s — he is retired but she is currently the afternoon hospital co-ordinator at Walker Memorial Hospital.

Mr. Humphries was an anesthetist and for 15 years a self-supporting missionary in Panama. He has worked at a Leper Colony in the Panama Canal, was a professional singer (being the "Singing Welshman" on radio), taught voice at the college level, was a professional sailor — the list goes on and on — his life would make for a perfect exciting adventure book. He enjoys painting seascapes and landscapes in oil.

Mrs. Humphries has studied art with the Head of the Art Department at the University of Hawaii while the Humphries were serving the Hawaiian Islands as missionaries. It was here she

learned the technique of Chinese brush painting which she will exhibit at the Library as well as oil on canvas and oil on black velvet. Mrs. Humphries creates birds, flowers, and has developed her Chinese brush painting into something quite unique.

"We have both always been interested in art," said Mrs. Humphries. "I did line drawings as a child but only in the last 10 years or so have we become seriously involved."

The Avon Park City Library is open 9:30 a.m. until 5:30 p.m. Monday through Friday for you to come in and view this delightful exhibit. DON'T MISS IT.

Apr. 26 — Hosts for the evening were Mrs. Mildred Able and Mr. and Mrs. Earl Ayling. There were 28 present. Hallie Wetmore returned thanks. Happy Birthday was sung to Minnie Carlson. The program consisted of many stories told by Earl Ayling, Alton Wetmore and Irene Ayling. Several musical selections by Mrs. Mills completed the program. Irene Kleinhaus was the only visitor. There will still be Sat. night suppers with no host but each person acting as his own host or hostess.

ANNOUNCEMENTS
Our deepest sympathy is extended to Earl Dunavent in the death of Dolly last week. Mrs. Connie Kehoe is in Walker Memorial Hospital. She had surgery this week and is doing nicely.

Ralph Crocker is in a hospital in Buffalo, N.Y. We hope he will not be there very long. Allene and Burdette Howard spent some time last week in Ft. Pierce, with friends of long standing from New York.

Two Winter Guest Club Couples celebrated their Fifty-First Wedding Anniversaries Sat. April Twenty-Sixth.

The Glenn Longs spent their with cousins at Ormond Beach. From there they headed north to their home in Plantville, Conn., making another stop on the way to visit in Lancaster, Pa. The Longs hope that by the time they reach Connecticut about April 30, the weather there will be pleasant and mild.

They hope to return to Avon Park in October to see all their Florida friends.

The Clay Kulls were entertained at a dinner party at the Lake Placid Tower View

Restaurant, hosted by the Elzo Cornes. Other Winter Guest Club members in the party were Helen Dickinson and Olive Kerwin.

Senior Citizens To Receive Special Permit

Florida's senior hunters will soon be able to obtain a special senior citizen certificate, courtesy of the Game and Fresh Water Fish Commission and county tax collectors.

This special certificate will aid those resident hunters over 65 years of age in applying for the special wildlife management area quota permit which will be needed for the first time this fall for hunting on management areas during the opening part of the season.

In order to apply for the quota permit, hunters must use the number of their wildlife management area permit stamp on applications. Since these senior hunters have never been required to purchase a permit stamp, some identifying number had to be devised.

The senior citizen certificate will be available free at county tax collectors' offices and license agents on Monday, June 2, the same day applications for the quota permit may be obtained.

Those hunters who qualify need only bring proof of age and one year's continuous residency in the state to obtain the certificate. Senior hunters as well as persons under 15 years of age will be required to apply for a quota permit along with other hunters this fall.

Quota permits will be on a first-come, first-served basis, based on the date and time the application is received through the mails at the Tallahassee Commission office.

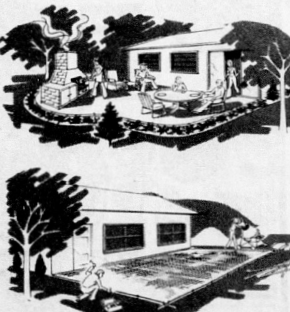

Hunters will be notified within 30 days of receipt of the application which wildlife management area they will be hunting on the first nine days of the season.

LONGING

To every child there comes a time
when they begin to wonder . . . Where
did I come from? Who made the
trees? Who made the mountains?

EVERYONE has a desire to
know their creator.

"O GOD, thou art my God;
early will I seek thee; my soul
thirsteth for thee..."

This longing for knowledge
of God should be satisfied
at an early age.

"Train up a child in the way
he should go; and when he is old,
he will not depart from it."

Plan NOW to attend church
with your family.

Season Open Saturday With Parade

This Saturday, May 3, at 1:00 o'clock, the Avon Park Little League and the Senior League baseball teams will have a season opening parade in downtown Avon Park. The parade will start at the

Recreation Center and go west along the mall to Butler Street and then turn and return east back to the Center. The Avon Park Middle School Band will lead the parade with city officials and

Avon Park Little League officials taking part along with all team members of the eight Little League squads and the four Senior League teams. Pictures of all twelve teams with their coaches will be taken

at the north end of Donaldson Park starting at 12:00 noon. All players should be at the park by noon in uniform. The first game of the 1975 Little League season is scheduled for 2:00 p.m. with

three other games following at the Little League Field at the corner of Anoka Ave. and LaGrande Street. Two Senior League games will be played Saturday starting at 6:00 and 8:00 p.m. A

Bar-B-Q pork dinner will be held at Head Field from 2:00 to 6:00 p.m. to benefit the Senior League. Tickets are \$2.00 per plate and Phil Eddings and his band will perform during the afternoon.

Massey Strikes Out 21 In 14 Inning Tournament

The Avon Park Red Devils and the DeSoto Hill Bulldogs played a fourteen inning, four-hour marathon baseball game last Friday night in the semi-finals of the Class AA District six tournament held here at Head Field and DeSoto came out on top 5-3 to advance to the finals. An apparent winning run by the Devils was nullified when the home plate umpire ruled the runner out because he didn't touch third base in the bottom of the eleventh. Smokey Hill had singled to tie the run home.

Acadia had advanced to the semi-finals with 3-1 victory over Lake Placid last Thursday night in the tourney opener. Bradenton Bayshore defeated Fort Meade 18-1 in a six inning game last Saturday afternoon to move into the sub-district finals against Acadia.

Then last Saturday night the Acadia DeSoto Bulldogs wrapped up the sub-district championship with a 9-2 win over Bradenton Bayshore in the finals. They will meet St. Pete Central Catholic this Friday night in the Class AA District playoff.

But the game of the tournament here last week-end was the fourteen inning affair between the Devils and the Bulldogs. Acadia used three pitchers but Avon Park went all the way with strong-armed Timmy Massey.

During his fourteen inning stint on the mound, Massey struck out 21 Bulldog batters and gave up only 9 singles, three of them in the last inning when Acadia pushed over two runs to take the win. And the amazing thing is that Massey issued... only one walk in the game.

Acadia scored first in the top of the fourth frame as the Devil infield committed three errors. The Bulldogs added another run in the top of the sixth inning to go ahead 2-0. Then the Devils scored a run in the bottom of the sixth when Massey walked, took second on an error and third when walks loaded the bases. Smokey put down a sacrifice bunt to push Massey home with the run. In the last of the seventh, the Devils tied the game up 2-2 with another squeeze bunt play. Jimmy Doublerley put down the bunt that sent Reggie Baker home.

Going into extra innings, Acadia scored first with a run in the top of the tenth but the Devils came right back and scored one in the bottom of the tenth. Smokey Hill scored as Acadia made two errors after issuing two walks. In the bottom of the eleventh inning it looked like Avon Park

had won the game when Jimmy Doublerley scampered home on Smokey Hill's single through the middle. But after the Bulldogs had left the field and fans had emptied the stands onto the field, the Acadia pitcher threw the ball to his third baseman and the umpire called Doublerley out to retire the side. The Devil coaching staff protested the legality of the call but it stood and the Bulldogs went on to win the game in the top of the fourteenth frame.

The Bayshore Bruins and the St. Meade Miners did not play the second game scheduled for the evening but rescheduled it for the following afternoon due to the time. The Red Devils got six hits off the three Acadia hurlers. Smokey Hill led the Devils with two singles. Reggie Baker singled in the first inning. Mort Jackson and Jimmy Doublerley beat out bunt singles in the seventh inning and Freddy Moore ran out a high bouncing infield hit for the six Avon Park hits. The Devils made nine errors in the double-length game.

Bar-B-Q To Benefit Senior League

The Senior League Baseball League of Avon Park will sponsor a Bar-B-Q dinner at Head Field at the corner of Anoka Street and Winderup Ave. on Saturday, May 3, from 2:00 to 6:00 o'clock. All proceeds will go to the Senior League to finance the 1975 program.

In addition to a meal of bar-b-q pork, slaw, pork and beans and roll, Phil Eddings and his band will be on hand to play during the afternoon. The price of each plate will be \$2.00 and tickets may be purchased from Coach Ronnie Jackson or

members of the senior league teams. Little League games will start at the Little League field at 2:00 p.m., and continue into the evening and Senior League games will start at 6:00 o'clock. All parents and fans of Little League baseball are urged to purchase several of these Bar-B-Q tickets to help out the baseball program. Parents should plan on supper at the baseball field this Saturday night after or before the youth play the first game of the season on one of the twelve teams.

Football Practice Set For Varsity

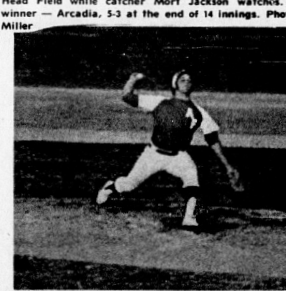

Red Devil varsity football coach Joe Strickler announced this week that Spring Football practice will start next Monday, May 5 and continue each week-day through May 23. Practice sessions will be from 5:45-6:15 on Mondays through Friday for the three weeks.

Coach Strickler says that all boys must practice this spring to play next fall. If there are conflicts with work or Senior League baseball, boys should contact Coach Strickler before next Monday afternoon to work out some arrangements.

The cooperation of local businessmen in helping boys who are working to adjust their schedules for these three weeks of practice will be appreciated by the Avon Park coaching staff. Boys should contact Coach Strickler about insurance and physical examinations before the first practice. The importance of spring practice has been increased this year by the fact that the Red Devils will open the 1975 season on September 12 in Mulberry. This is a week earlier than usual and Coach Strickler and his staff hope to get the team well on the way with this spring practice.

Badminton Offered During "A" Term

South Florida Junior College will offer a college credit course in badminton during the Summer "A" Term. The class will meet Monday through Friday from 9:40 to 10:50 a.m. May 5 - June 13. Badminton may be taken for one hour of college credit or for audit. Classes will be co-educational. Registration for the Summer "A" Term begins May 2 at the college. Late registration is May 5, 6 & 7. For information about badminton or any other course, contact the director of admissions at SJFC or call 433-5661 in Avon Park.

Tennis Association Meet

There will be a meeting of the Highlands County Tennis Association on Monday night, May 5, at the Middle School in Sebring in Portable 28 starting at 7:30 p.m., according to president Ken Haysley. All members are urged to attend this important meeting.

There were fifteen challenge matches reported last week from the play on the seven ladders sponsored by the association. Eugene Bengtson won two challenges on the Men's "A" ladder and moved from position five to three. Bengtson first defeated Bill Johnson 7-5, 2-6, 6-2 and then won over Al Marrow 7-5, 6-1. There was only one match played on the women's "A" ladder. Trudy Wyatt challenged Pat Lajoni from the number thirteen spot and won 8-6 to advance to position number eleven.

There were six matches played on the men's "B" ladder. Bruce Wyse defeated Billy Page 6-1, 6-2 to take over the number two spot after Page had challenged and lost to number one Ricky Helms. Wesley Mercer moved up to position thirteen with a forfeit win over Cliff Ables dropping Ables to fifteen. Mercer challenged Dale Siemore at spot twelve and lost 6-0, 6-1. Allan Dahm knocked off Chet Brojek 6-2, 6-3, to go to number eight. Then Dahm challenged Mike Chandler at position six and lost 6-2, 7-6. The women's "B" ladder was active with Janet McGee winning over Yetta Bengtson 8-1 to move up to the eighth spot from number ten. Margaret Collins won a forfeit match from Melba Sims to go up to the ninth rung but lost to Anna Vilkaitis 8-6 when she challenged for the number seven spot. Delora Cox won over Leslie Pollard by forfeit to go to number seventeen and

Ft. Meade Meet

The boys track team of Avon Park High School will take part in the District Track Championships to be held this Friday, May 2, in Fort Meade. Ten teams make up the district and St. Pete Catholic is favored to take team honors. The top two individuals or relays in each event advance to the state meet to be held in Winter Park on May 9.

Last week the Devils finished at the bottom of the heap in the Ft. Meade Invitational. St. Pete captured team honors with 99, Frostproof had 54, Fort Meade 50 1/2, Arcadia 44 1/2, Bradenton Bayshore 37, Mulberry 36 1/2, Santa Fe 14, Clearwater Catholic 14, Zephyrhills 11, St. Pete Admiral Farragut 9 1/2 and Avon Park 6.

Kenneth Burley captured third spot in the high jump with a leap of 6'0". Edward Dorsey and Alphonso Williams in the discus (119'3") and mile run (4:53.1) respectively gained the other two points for Avon Park. These three runners, along with Ricky Claitt, David Davis, James Hamilton and Jack Collins will make up the Devil squad in the district competition. Best shot at a state meet berth is given to Kenneth Burley by Coach Chet Brojek.

Education bills of interest, to parents with children in school and others, are now in the hands of Education Committees of both the House and the Senate in Tallahassee. Available money and the budget appear to be the big headache and as stated by Ralph Turlington, Education Commissioner, "It's going to be a lean budget, and school districts are going to have a tough time of it. I think they only have two choices — to reduce personnel or reduce salaries."

Some of the bills dealing with the education field are: A bill initiating a study of ways to finance elementary and secondary education by other than the present tax system; that education unit boards be allowed to levy impact fees on developers to pay for services needed by new development residents.

—That the required graduation course Americanism versus communism course be eliminated.

—The problem of school discipline brought the bill on Student Responsibilities and Rights Act of 1975. Guidelines would be set up for more uniform specific rules on school discipline. Other rules would deal with suspension, expulsion and due process

Bill Would Eliminate Student Punishment

procedures and corporal punishment. There would be a code of student responsibility and rights with copies going to the student and their parents.

—That school personnel not be allowed to use corporal punishment on students under any circumstances.

In hardship cases — a bill would allow children 14 and 15 years old to leave school and work with children 12 to 16 years being allowed to work after school and during vacation.

Another, that children may stop attending school at age 14 instead of 16. On personal safety a program to educate children of the dangers present in our society and train them in self-

defense. That textbook use be extended from four years to six years.

—That the state transport children who live within two miles of schools when parents petition that hazardous conditions exist where the child would have to walk.

—That full time students be appointed to memberships on the board of Regents and community college boards of trustees.

If you have any questions about these bills or wish to make any comments about them, the names and address of your State Senator and Representatives are listed below.

District Tourney

The Red devil golf team closed out the regular 1975 season with an 18-13 record and will participate in the District seven golf tournament to be held at Cypress Woods Golf Course near Dundee on Thursday, May 1.

The district tournament is for all class schools and sixteen teams will be participating. Only the winning team will advance to the state tourney along with the low individual scorer if he is from a team which does not win the meet.

Favored teams this year are Lakeland, Kaituma and Winter Haven, all Class AAAA schools. Lake Placid is given an outside shot at the title.

Last Thursday the Red Devils came in fourth in the Avon Park Invitational as four teams showed up to play the eighteen hole meet. Lake Placid was number one with a score of 338. Clewiston came in second with 347. Haines City was third with 347 and Avon Park carded a 348 to come in fourth. Only ten strokes separated the four teams.

Avon Park's John DuPriest led the Devils with an 83. Dale Sizemore shot an 86. Billy King had an 87. Billy Sharp shot a 90 and Mark Palmer had a 91. Stephen Ford finished with a 95 for the eighteen holes in the final regular match of the season.

Superstar Events Test Abilities Of 140 Girls

A Superstars competition for girls was held recently at Avon Park High School. 140 girls in Miss Jeanne Cox's physical education classes competed in the three week event. Although the winners did not win prize money as in the Superstars competition held in Rotunda, Florida, individual class winners received trophies for their efforts.

The idea for this event came to Miss Cox as she watched the professional athletes doing their thing in the various events on T.V. The competition for the high school girls included ten athlete events designed to test endurance, ability, strength, speed, coordination, and overall athletic ability.

The events were as follows: Archery, shooting a round of six arrows; tennis singles; standing long jump; chin ups; 50 yd. dash; golf drive for distance; football pass for distance; soccer dribble through an obstacle

course; long distance run and free throw shooting. All girls in each class were allowed to choose seven of the ten events in which they wanted to participate. Points were given for the first seven places in each event: first place - 7 points, second place - 6 points, etc.

Each girl competed against others in her class who had elected the same events. Points varied from 0 for the non-athletes to 37 which was the highest in all of Miss Cox's five physical education classes.

The individual winners

include: 1st period — Patricia Washington, 10th grade, 35 points; 3rd period — Carol Spurlock, 9th grade, 29 points; 4th period — Hattie Rich, 10th grade, 26 points; 5th period — Johnnie Mae McRae, 10th grade, 29 1/2 points; 6th period — Margie Taylor, 10th grade, 37 points. Margie Taylor received the trophy for best all-around girl athlete in addition to a class trophy.

Miss Cox states that she will do another Superstars Competition next year because of the good response this year.

College Offers Tennis During First Term

A college credit class in beginning tennis is being offered at South Florida College during the Summer "A" Term. The class will meet daily from 11:30 a.m. to 12:30 p.m. May 5 — June 13. The class may be taken for one hour of college credit or for audit. Classes will be co-educational. Registration for the Summer "A" Term begins May 2 at the college. Late registration is May 5, 6 & 7. For information about beginning tennis or any other course, contact the director of admissions at SFJC or call 450-6861 in Avon Park.

Girls Track Team To District Saturday

The Avon Park girls track team will compete in the District five championships in Lakeland on Saturday, May 3. Over twenty teams will take part in the meet with Orlando, Lake Brantley and Winter Haven set as early team favorites along with their Avon Park Red Devil team.

Team trophies will go to the top and runner-up schools with ribbons going to the top six individuals in each event. Top two girls in each event advance to state meet competition in Lake Brantley on May 10. This is the first year for a girls' state track meet in the State of Florida. All schools compete with no class divisions.

The Devilettes closed out their regular season on a winning note with a 61-33 victory over Clearwater Catholic in Clearwater last Tuesday a week ago, April 22. The Devils captured nine of the fourteen first place ribbons in gaining their victory.

In the shot put, Cathy McCook took first with a 29'1" effort and Arminia Collins took third with a 27' toss.

The discus, second position went to Johnnie Mae McRae (96'7") and Cathy McCook took third with an 85'8" toss. The Devils swept the softball toss with Mary Coleman at 173', Margie Taylor at 167' and Renee Crocker with a 153'9" throw.

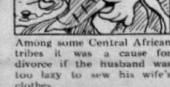

Other first place finishes went to Margie Taylor in the 110-yard low hurdles in 17.3 seconds, Renee Crocker in the 100-yard dash in 12.1 seconds, Sharon McRae in the 220-yard run in 28.5 seconds and the 880 and 440 relays of Hattie Rich, Linda McRae, Renee Crocker and Sharon McRae in 1:54.8 and 51.9 respectively.

New school records and first place spots went to Johnnie Mae McRae in the 440-yard run in 58.5 seconds and Margaret Miracle in the 880-yard run with a 2:40.2 minute effort.

Two second place finishes by Sue Chandler and Mary Coleman added points to the Devil team total. Chandler ran the 110-yard low hurdles in 17.9 seconds and Coleman jumped 4'6" to take the high jump event.

Finishing up the scoring for Avon Park with third place finishes were Renee Crocker with a 147" long jump and Linda McRae with a 12.4 second running of the 100-yard dash.

Public Hearing Set For Water Management

A public hearing for the purpose of receiving public comment and testimony on the designation of Section 208 Planning Area and a Planning Agency in order to provide for the development and implementation of an area wide water quality management plan for all or parts of Polk County will be held at 1:00 p.m., Tuesday May 8 at the council meeting room, 515 East Boulevard St. Bartow.

All interested persons are invited to attend and will be given the opportunity to be heard. These persons who are unable to attend the public hearing may submit written comments for the record to the Executive Director, Department of Pollution Control, Roger Executive Center Circle East, Tallahassee, Fla. 32301.

"BEAUTY IS AS Beauty does" — These three ladies, Mrs. Anna Belle Worden, Mrs. Mildred Head and Mrs. W. C. Touchton representing the Beautification Committee of the Chamber of Commerce appeared

before the city council with the C of C recommendations for the beautification of the Mall so it lives up to the brochures statement of the "beautiful mile long Mall." Photo—Miller.

Recommendations Made To Beautify Mall-City

The start of work on beautifying of the Mall was requested by Mrs. Anna Belle Worden, Mrs. Mildred Head and Mrs. W. C. Touchton of the Avon Park Chamber of Commerce Beautification Committee at the regular meeting of the Avon Park City Council Monday night.

They made the following recommendations: That Keith Debo be placed on the city payroll for six months of each year, as he had served three years without compensation to speak of.

—That 12 large palm trees which have been donated to the city by an interested citizen be moved to a location around the picnic tables in Donaldson Park.

—That the bank on the Main Street side of Lake Verona be cleaned of brush and weeds and beautified.

—That a sprinkler system be installed in each Mall section as funds permitted, starting with the business district.

—That dead trees and bushes be removed from the Mall.

When asked what compensation the three ladies had in mind for Mr. Debo, Mrs. Head stated he works from about October 1 until about May and thought about \$100 per month would be in order. She also stated that Mr. Debo raised plants at his Vickery, Ohio home which he brought to Avon Park for planting on the Mall.

Mayor Davis stated that Ralph Fulmer had done a lot of work on the Mall and had supervised the school boys all last summer in their work. The Mayor recommended that the city contribute to Mr. Fulmer for his previous summer's work.

Council President Wendell Williams thanked Mrs. Worden, Mrs. Head, Mrs. Touchton and others for their concern and help on the Mall and requested time for a study of these matters.

On the matter of grading and irrigation of a section of the Mall in front of city hall, Councilman Ed Touchton stated they were not proud of the condition of the Mall and wanted a good thorough job on what improvements were undertaken, even though it might be only a section at a time.

It was moved by the council to renovate and irrigate the section of the Mall in front of the city hall as an estimated cost of \$1026 for materials with city employees doing the work.

THE MIDDLE SCHOOL gym rang and reverberated to the cheers and encouragements of fifth graders last Friday as they and their classmates took part in the sack races relay in which each homeroom competed for top honors in the races. The weekly fifth grade relays include: Dashes,

sack races, basketball shooting and dribbling events, etc., under the direction of Norma Hawk, physical education instructor. Students in the sack race are (left to right): Trudy Ward, Deborah Hilton, Gayla Stirling and Vicky English. Photo—Miller.

Council Discuss The Purchase Of Property

Other old business to come before the City Council included: Purchase of a ditch digger, Winter Guest Club repairs, telephone work center, dead trees, street paving, competence ordinance and the closing of W. Church St.

The discussion of a ditch digger centered around the purchase of a new versus a used ditch digger (costing \$2800) and the advantages of each along with price considerations as compared with possible available funds in the city budget. The opinion of the council in regard to a new or used digger was divided. If a used machine is purchased the city will also require bids.

Council President Wendell "Winkie" Williams reported on the inspection of the Winter Guest Club building with members of the club building committee who wanted to help with the painting and repairs but did not wish to over step their authority. The building is in need of paint and other repairs.

City Clerk Malcolm Crews was requested to have a contractor check the building and list the needed repairs. The council approved the purchase of materials needed for painting and building.

Councilman Larry Albritton stated the city should not spend any large sum of money on the building if there are plans to replace the structure in the not to distant future. Councilman Milton Howard inquired about the possibility of securing Federal funds for the construction of a new community center to replace the present facility.

An in depth discussion of the United Telephone work center on Highway 27 S was held inasmuch, as the phone company wished to place the center up for sale on the open market if the city was not interested in purchasing the property.

Original interest in the property waned when it was not large enough to meet the

requirements of the Florida Department of Pollution Control when the sewer plant was to be expanded. The approximately two acres has 300 feet of frontage on Hwy 27 and at present has no value to the city except as a storage area.

Councilmen discussed a variety of alternatives, as the purchase of nearby larger tract of land and the long range view of city needs 10 or 20 years hence. City Clerk Crews was requested to check with engineers as to the city's needs before a commitment would be made to the phone company on the work center.

In his study of the state law relating contractors, City Attorney Jack Hancock reported that the state statute requires general contractors to sub-contract work. The city has adopted this law. However, the city could by home rule powers change the law to enable general contractors to become certified and licensed by the city to do this work. It was moved that the attorney's findings be relayed to the Competency Board for further action.

—Ordinance No. 585 was placed on first reading. This ordinance closes a portion of W. Church St. between N. Florida Ave. and N. DeSoto Ave.

—Ordinance No. 584, naming the Highlands County Animal Control Officer as the dog catcher for Avon Park along with other measures, was also placed on first reading.

Licensed Practical Nursing Program To Start At SFJC

The State Board of Nursing and the State Department of Education have approved a Licensed Practical Nursing Program for South Florida Junior College. The new program will begin with the fall semester. Applications are now being accepted for the charter class of 15 students.

Applicants must be at least 17 years of age, must be high school graduates or G.E.D. recipients, in good health, must be able to attend school on a full-time daily basis, and must provide their own transportation to the college and all clinical facilities.

Any interested person who meets the criteria may obtain an application from Gene Statler, director of vocational

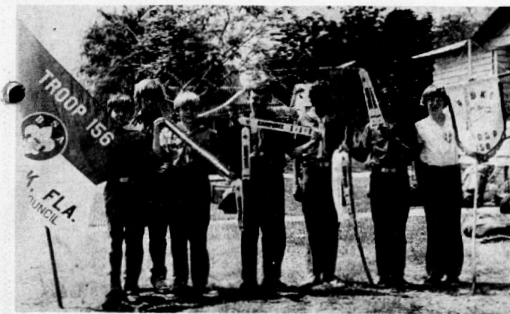

guidance, or Glen Cockerolt, registrar, at SFJC. June 1 is the deadline for receiving applications for the first LPN class.

The class will begin Sept. 2 and end one year later. The cost of the course has not yet been determined but will be in the range of \$250 for all but transportation expenses.

Applications are also being accepted for the position of LPN instructor. Applicants must be a Licensed Registered Nurse with a minimum of six years of experience or a Licensed Registered Nurse with at least a bachelor's degree and two years of experience. Anyone interested should contact Dean Donald

Farrans at the college.

Members of the SFJC Advisory Committee, whose untiring efforts brought about the approval of the LPN Program, are Mrs. Louise Egan, State Department of Education; Mrs. Joan Yodanis, Highlands County Health Department; Mrs. Barbara Kurtz, Highlands General Hospital; Mrs. Barbara Myers, Hardsee Memorial Hospital; Mrs. Louise Osborn, Walker Memorial Hospital; Mrs. Atha T. PATROL LEADERS OF Scout Troop 156 display awards received during the Calusa District Camporee at Pioneer Park, Zolfo Springs last weekend. The troop received the Presidents Camporee Award (held by Jeff Henly-third from left) for the best overall troop at the camp. The most awards were

received by the Elks Patrol with the Patrol Leader Mike Brantley holding (fourth from left). Other patrol leaders are (left to right) Mark Myers, Greg Baldwin, Henly, Brantley, Daniel Carroll, Fred Wheelan and Kenny McCleod. Photo-Miller.

Troop 156 Captures Honors At Camporee

Traillblazing Troop 156 of Avon Park walked off with the top honors last weekend at the Calusa District Camporee of the Boy Scouts of America, held at Pioneer Park in Zolfo Springs.

The Presidents Camporee Award was presented to Scoutmaster Larry Hooper at ceremonies held on Sunday morning, following competitions among the seven troops participating. A Camporee Award of Merit With Honor was also presented for scoring the highest number of points in the camp inspection, patrol participation and the scoutcraft displays.

Individual patrol competitions also netted a number of awards for the Avon Park scouts. In the compass course, Troop 156 placed first; string burning, second and third places; scavenger hunt, first, second and third and flag pole raising, third. Scouts also participated in the tug of war, but failed to place there.

Other awards presented to the troop included the National Camping Award, Presidents Unit Citation and an appreciation award for participating in the recent Goodwill Drive.

In conjunction with the weekend-long Camporee, a Troop picnic and Court of

Honor was held on Saturday evening. Some 80 persons enjoyed the covered dish supper in the peaceful setting of Pioneer Park.

In the Court of Honor, Scout Greg Batty was awarded the rank of First Class, along with Merit Badges in Model Design, First Aid, Electricity, Home Repairs and Auto Safety.

Other Merit Badges were presented to Mark Myers, Leatherwork; Henry Williams, Auto Safety; Kenny Shields, Home Repairs; Chuck Smith, Architecture; Gary Farless, Home Repairs; Marc Hooper, Citizenship in the Community; and James Simpkins, Sheep Farming.

In addition to Scoutmaster Hooper, adults attending the Camporee were Assistant Scoutmasters Jim Rice and Harry Fish, and Committee Chairman Carey Bennett.

Scouts attending were: Greg Baldwin, Billy Barben, Greg Batty, Todd Bennett, Mike Brantley, Daniel Carroll, Perry Carroll, Jeff Henly, John Hood, Gerald Jones, Andy Leach, Kenny McCleod, Mark Myers, Andy Parnell, Leroy Small, Chuck Smith, Jacques Thomas, Fred Wheelan, Henry Williams, Kenny Shields, Gary Farless, Dave Lewis, Joe Evans, Harry Fish, and Effrum Gibson.

Salesmanship

SCOUTERS FROM TROOP 156, Mike Brantley (center) and Jeff Henly practice their sales talk on Fred Henly (left) troop committee chairman, as the scout troop prepares to finance their summer camp trip and the Bicentennial celebration by selling replicas of the Bill of Rights, Gettysburg Address, Constitution and Declaration of Independence. Scouts in uniform will be taking orders for the set of four documents which are suitable for framing. Photo-Miller.

Avon Park Is On Florida Bicentennial Exhibit Tour

The Bicentennial Commission of Florida held a Regional Workshop at Rollins College, Winter Park on Saturday, April 26. Mrs. T. H. Maxwell and Lew Miller represented Avon Park. All County Chairmen and others who are interested in plans for the Bicentennial Celebration are invited to attend these workshops. Saturday's meeting was one of several Regional Workshops that are being held throughout Florida by the State Bicentennial Commission.

Don Pride, Executive Director of the Bicentennial Commission, Mike Montgomery and Miss Glenda Fulmer from the Tallahassee office and many other committee chairmen were present to explain the program and plans and to assist those who were present with their local problems and plans.

Mrs. Maxwell reports that she came back with much information as to what can be done on the local level for observing the 100th anniversary of our country.

She is pleased to report that through the efforts of the Old Settlers Historical Committee, Avon Park is one of the forty-five cities in the state on the schedule to be visited by the American Bicentennial Florida Exhibition which is now on the road. This exhibit is Florida-Past, Present, and Future.

The date for the Avon Park visit will be August 7-10. Avon Park will be proudly exhibiting the Bandstand on the Mall. This is the only known original and authentic bandstand in Florida. It was built in 1912, according to the memory of some of the old-timers, and has been the center of many social and civic affairs throughout the years.

Mr. Pride announced that the Freedom Train, which is now rolling, will be visiting all of the major cities in the country and will end its tour in Miami late in 1976. A Wagon Train is expected to leave Oregon sometime in the near future and will eventually reach Florida.

As a part of Saturday's entertainment, the Polk County Bicentennial Committee presented a short scene from their plans to put on the road a traveling medicine show of authentic nature. The Badcock Company has provided two semi-trucks to be converted into the wagon show. The Tropica Company will provide the sweet extract for the Hookup-Polk-sun medicine. The Lydia Pinkham Singers will provide music and many

local artists will take to the road with this show, which will be available without cost to any locality that can provide a crowd of 1500 people.

A film, "Florida On My Mind," is available from the state office, without charge for clubs and schools. This is a 16 MM, 1 minute film and anyone desiring to show this film should contact Mrs. Maxwell, Norma Hunter, representing the Greater Miami Area, and calling it The Third Century, told of their plans to make the 4th of July a big family day celebration with father-son games and other old fashioned

kinds of entertainment. Mrs. Hunter stated that at exactly five minutes to 6:00 p.m. everyone will be asked to ring bells and blow horns and sing patriotic songs.

Reports from many chairmen about plans for school essay contests and poster exhibits were most interesting.

Mr. Pride urged that all celebrations and observances should be of lasting values to communities and that any projects undertaken should be to benefit everyone, and that everyone in each community should become involved in the observances.

AN OLD TIME medicine wagon show was put on by the Polk County delegates to the Bicentennial workshop held at Rollins College last Saturday. This show is available 'for free' to any community, for their Bicentennial Celebration, that will guarantee an audience of 1500 people. Photo Miller

Graduation Exercises

May 5 At Junior College

South Florida Junior College graduation exercises will be held at 7 p.m. May 5, in the amphitheatre at the college. The public is invited to attend the ceremony.

Candidates for degrees from Sebring are George Thomas

Kennell, Rachel Marie Marquart, Judy A. Nugent, Dennis Dean Privara, Douglas Edward Stebbins, Deborah Jeanne Stevens, Richard Samuel Taylor and Deborah Carole Vollbracht.

SAM WAS COOLING IT in the shade of his masters truck (Brad Green) parked on Main St. after a hard night of hoo hunting. Sam is from Sarasota and was visiting in Avon Park for the day.

Citations Up Accidents Down In County

Traffic citations went up and accidents down in Highlands County last week.

In the week of April 21-27 Florida Highway Patrol troopers gave out 138 citations in the county: four for driving while intoxicated, 122 for speeding, 12 for other infractions, 20 tickets to truckers. This was a 24 per cent jump in traffic tickets.

During the week there were eight accidents which resulted in one death (to a pedestrian) and eight injuries.

In the week of April 14 through 20 there were 106 citations: three for driving while intoxicated, 89 for speeding, 13 for other violations, 18 tickets to truckers.

While the total number of charges was smaller, the number of accidents was larger — 33 per cent higher in the April 14-20 week.

The month of April was a poor one for traffic fatalities. For the last three weeks there was one fatality per week, all of them involving Lake Placid residents.
