

ATTENTION

City water users

Effective Monday, May 12th, 1975, Chlorination of city water will begin. It is expected that the chemical reaction will cause accumulated mineral deposits in the water pipes to break loose. This will cause dirty water for several days. City crews will be flushing water mains to relieve this condition.

However, it is recommended that users of city water secure enough drinking water for 3 or 4 days in advance.

Those using city water in aquariums or similar applications are cautioned to observe proper precautions. Ice makers should be turned off. Hot water heaters may need flushing afterwards.

Chlorination of city water is by order of the Florida Department of Health. We ask your patience and understanding until the problems can be corrected.

Benefits Of Direct Deposit Social Security Checks

The two banks and two savings and loan companies report favorable response to the direct deposit of Social Security checks instituted April 1 by the U. S. Treasury Department and the Social Security Administration.

The program in Florida is the second part of a three phase pilot project aimed at an electronic fund transfer expected to be exclusively in use by the federal government by the end of 1976.

The electronic fund transfer system will eliminate issuance of checks and various banks and savings and loan institutions will receive computer printout lists with Social Security recipients' names and amounts of their checks.

The bank will then mail the recipient a receipt for his or

her automatic direct deposit. Bob Daubach, executive vice president and cashier of Highlands County Bank of Avon Park, said he doesn't think the public realizes the advantages of the direct deposit plan.

While all banks and savings and loan firms have been advertising the service and response has been good, Daubach feels many persons have failed to understand the service.

The Social Security Administration mailed information sheets to all Social Security recipients with their checks April 1.

Mrs. Jo Ann Brettell, assistant cashier at Avon Citrus Bank, said that bank had received roughly 200 applications for the service since its beginning April 1.

Mrs. Brettell listed

elimination of waiting in line at the bank and possibility of theft of checks from mail boxes as the major advantages of the program for customers.

As for advantages to the bank she pointed out that the bank makes no money due to the plan and must mail out receipts. However, the banks do hope to gain new accounts as a result of the convenience

to customers.

Application forms for the direct deposit plan are available at any bank or savings and loan institution. Daubach pointed out it would be helpful for an applicant to bring a Social Security check with them when making application. However, needed information can also be obtained from Medicare cards,

he said.

Both banks have had a similar service available before now for the direct deposit of military pay, retirement plans and other type of regular checks. The financial institutions can furnish necessary application forms for any government check if the check is retirement income from a

private company or union, the customer must request the direct deposit directly from the source of the check, Mrs. Brettell said.

She said it takes about two months from the time of application to get the direct deposit system started.

Dubach said the advantages of the new plan to customers are many. "If a customer is out

of town or ill, the check goes directly to the bank making the funds immediately available."

He also pointed out as a benefit to the bank the decreased traffic in the lobby and driven windows.

The plan is optional to the Social Security recipients at the present time. The plan was first instituted in Georgia and now in Florida as the second

phase of putting the plan into effect throughout the nation. There are 14 million Social Security recipients in the state and the electronic fund transfer could mean a lot of advantages to these recipients and a lot less handling of the monthly checks.

Banking institutions offers the direct deposit service free of charge.

Against Municipal Court End

THE SKILL OF THE SURGEON IS ENHANCED BY THE EQUIPMENT AVAILABLE. Dr. Chen in performing corneal transplants at Walker Memorial Hospital used micro-point needles and 10-0 Ethilon black monofilament nylon suture (upper pair of needles). The size of the suture and needles is indicated when compared to the 20 suture and needle used to close a flesh wound. (Magnification approximately four times). Photo—Miller.

Woman Able To See After Corneal Transplant

After 20 years of blindness in her right eye, a 64-year-old woman is able to see from it again following a corneal transplant at Walker Memorial Hospital.

The surgery was performed last Wednesday by Dr. Tony Y. T. Chen of Avon Park, an ophthalmologist who serves both Walker Memorial and Highlands General hospitals. The patient, a resident of Zolfo Springs, had undergone glaucoma surgery some years ago. Since then her cornea had become opaque, causing blindness. During the operation Dr. Chen also removed a cataract from the eye.

The next morning the patient

was pointing out various objects and colors to the hospital staff.

Eyes used in the operation was donated by a 34-year-old victim of an auto accident.

They were transported from Miami to Avon Park by MAST (Military Assistance to Safety and Traffic) helicopter crew from Homestead Air Force Base, a one-hour flight.

Coordination of the eye donation was provided by the Florida Lions Eye Bank, Inc., at the University of Miami School of Medicine, the Bascom Palmer Eye Institute. The corneal transplant was the second performed by Dr. Chen at Walker Memorial during the past weeks.

The Florida Municipal Judges Association is urging retention of the city court system and stressed its advantages to participants at the 20th Annual Traffic Court Conference this past week. Totale Hayward, Avon Park Police and Court clerk, who attended the three day session Thursday through Saturday said.

The annual conference is conducted by the College of Business and Public Administration and the Division of Continuing Education of Florida Atlantic University at Boca Raton for the Florida Judges Association and was held at the Holiday Inn South in Daytona Beach.

The state legislature passed the law abolishing municipal courts effective January 3, 1977, in 1968. Less than half of the state's cities have enacted resolutions ending the municipal courts. Under the new law, all law violations are prosecuted before a county judge.

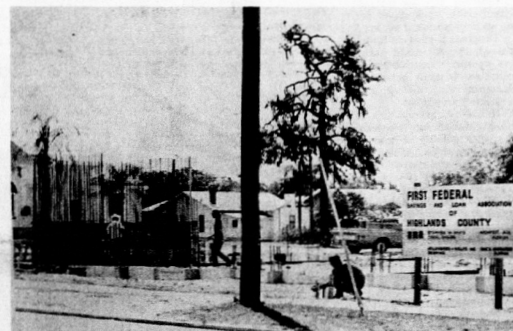

Avon Park is one of the cities retaining a municipal court and authorities here are strongly against switching to

the county court system. Local authorities cite a much higher cost to the taxpayers of the county court system as the main argument against the change as well as reduced

police protection due to policemen's appearance in county court.

Avon Park City Clerk Malcolm Crews pointed out that the city presently pays the

municipal judge \$2,700 per year. He said a county judge receives a salary of \$20,000 to \$35,000 per year. The change would require creation of another county judgeship.

BRACING FOR THE VAULT In the new modern branch facility of First Federal Savings and Loan Association of Highlands County is set in place as construction progresses on the spacious one-story building on West Main Street. The new facility will feature large safe deposit boxes not available elsewhere in the city, according to Stanley Davis, president of First Federal. Photo—Miller

"Right there, you've cost the taxpayers a pile of money," Crews said.

"Besides being extremely expensive, it moves the court away from the local people who have been charged with violation of city ordinances," Crews continued. "It also ties up policemen in court and takes away police protection from the local people," the city clerk said.

Crews charged that the county court does not take city violations as seriously as the municipal court does and this creates a drop in court revenue to the city, although he was quick to note that the city does not use the police department as a revenue source.

Crews pointed out that juvenile cases, now handled entirely by the county, are a problem in that many offenders are merely "talked to" and are back on the street or in school the following day. Many are repeaters, as a result, he said.

Crews said he anticipates the same problems with adult offenders when the city is forced to relinquish court system.

During the traffic court conversion, information was given by officials of cities that have done away with their municipal courts, Mrs. Hayward said.

Sanford City Manager Warren E. Knowles, pointing out that city abolished its municipal court on January 1, 1973, said in a letter to Senate President Dempsey J. Barron, "It was a mistake."

Knowles said during the last year of the municipal system, the monthly cost to the taxpayers was \$867 including salaries of the judge, prosecutor and clerk plus office supplies with the heat, light and maintenance of the courtroom itself.

"During the first year of county operation, the clerical costs alone were averaging \$1,400," Knowles said.

He pointed out that under the municipal system with two sessions a week a case went to court within three to four days.

"Under the existing county systems, it can mean at least 10

days and up to a month."

Knowles pointed out that the reluctance of people to become involved due to the delay and loss of contact with their complaints and lowered moral in law enforcement with resulting "permissiveness," as major problems with the county court system. "It is this centralizing of governmental activities, functions and services further removed from the people that is eroding the base of democratic government," Knowles said.

Avon Park Municipal Judge David F. Lanier agreed. "It's just one more step toward centralization of government," Lanier said. "I see no advantage whatsoever," he said of the change to county court.

Lanier said he sees the greatest problem as that of the policemen who would be required to appear in court a great distance away taking them from local law enforcement duties.

He said the municipal court

(Please turn to page 2)

Attempted

Robbery

Reported

A would be robber was scared off by his victim about 5:30 p.m. Saturday in the lobby of the Avon Park Post Office when she screamed attracting the attention of post office employees.

Mrs. Elton Lawrence was accosted by a black male about 13 years old who grabbed her purse and threw her to the floor. Mrs. Lawrence held onto the purse and screamed. Marvin Willis, postal employee, heard the screams and came to aid the woman. He saw the assailant run out the front door.

The incident is under investigation by the Avon Park Police Department, according to Patrolman Gene Hancock.

Construction Underway For First Federal Building

Construction is well underway on First Federal Savings and Loan Association of Highlands County's new branch facility on West Main Street in Avon Park. The one-story building will house a full service facility

featuring large safe deposit boxes not available elsewhere in the city, according to Stanley Davis, president of First Federal.

Among the added features of the new building will be a convenient drive-in window

Davis said.

There will be three employees at the new facility. Davis said more employees will be added when the economy picks up and as business volume at the new branch warrants.

Hollenberg-Wolfe, Inc. of Sebring is building the facility.

Seniors Feted At Banquet

Eighty-four graduating seniors from Sebring, Lake Placid and Avon Park were honored for outstanding scholarship achievement at the 13th Annual Scholarship Recognition Dinner at the Homestead Restaurant Saturday.

The seniors — 38 from Sebring and 23 from both Lake Placid and Avon Park — earned B averages or better. In addition, \$50 checks were presented to the three valedictorians: George Ronald Baker of Lake Placid with a 4.0 grade average; Bryan Allen Davis of Avon Park with a 3.975 average; Katherine Ann Butts of Sebring with a 3.92 average.

Sen. D. Robert Graham of DeSoto County, chairman of the Florida Senate Education Committee, congratulated the students on their academic achievement.

He said it is a popular misconception that young people can work just hard enough to get through high school and then really begin to apply themselves after graduation.

"In point of fact," Graham

emphasized, "it seldom works that way. What students are today is what they will be tomorrow. Lethargic students now seldom become dynamic leaders later."

According to Graham, "Some of the saddest people are those who spend their whole lives waiting for the big breakthrough to happen, only to learn too late they have lived unrewarding and dissatisfied lives."

Graham called 1975 "a serious turning point for education in Florida." The current recession, he said, has made a particularly severe impact on education, and public schools face a decline of \$30-\$40 per student in state revenues.

All of this comes at a time when we are trying to meet the needs of educating the exceptional child and providing needed emphasis on vocational education, he added.

The annual banquet is sponsored by Scholarship Recognition, Inc., a non-profit organization whose purpose is

to promote and recognize scholarship achievement.

VALEDICTORIANS

Water Chlorination To Start Monday In Avon Park

Chlorine will be added to the city water supply starting at approximately 9:30 a.m. Monday, May 12, stated City Clerk Malcolm Crews. It is required by law that chlorine be added to all public water supplies in the state of Florida.

Since the chlorination process of the city's water supply will cause the mineral buildup on the interior of the pipe lines to loosen and slough off into the water, flushing of the water lines will start on Tuesday with two water department crews working on the project.

Priority of flushing of the water lines will be given to the

lines serving the school lunch programs, restaurants and the downtown business area. It is expected that the line flushing will be completed in three to four days. Should conditions warrant lines will be flushed again.

For those people who may forget or do not wish to save water for drinking and cooking purposes clean water will be available at the elevated water tank on Windthrop Street close to the Avon Park Elementary School. The tank will be pumped full and out-off the water lines until the chlorinated water comes through the water system in a

clean condition. This water for drinking and cooking purposes will be free to anyone coming for it.

Representatives of Dawkins & Associates, Inc., consulting engineering firm for the city's water and sewer improvement program will be on hand to check the chlorination process. The firm of Wallace-Tierman Co., manufacturers and installers of the chlorination equipment will have men checking and testing the equipment and water to assure the proper amount of chlorine

(Please turn to page 2)

Continued From Page One Court System

system here can dispose of a case within two weeks where a much longer delay is met within the county court system. "Local control is much better," he said.

Senator Tom Gallen is sponsoring a Senate Joint Resolution to amend the law which would postpone the Jan. 3, 1977 automatic abolition date and provide a framework of a viable alternative to the existing system municipal courts and their ultimate abolition.

The 1973 Legislature must decide whether the abolition of municipal courts should be postponed. If passed by the

legislature, the question will go to the state's voters on March 9, 1976 when the Florida presidential primary is scheduled.

Three out of four of the local legislative delegation is reportedly in favor of postponement of the present abolition date. These include Representatives Wendell Watson of Lakeland, John Clark of Lakeland, and Ray Mattos of Winter Haven. Representative Fred Jones of Auburndale has not been specific in his views. His home town is one of those cities which has abolished its municipal court.

Chlorination To Start

is being added to the water supply.

For those concerned with the effect chlorine in the water may have on their lawn grass, it will not harm it because of the low concentration of approximately one part of chlorine per million parts of water.

Owners of fish ponds and aquariums may need to take special precautions to safeguard their pet fish by using chemicals that inactivate the chlorine or allow water to stand long enough to allow the

chlorine to escape from the water before adding to an aquarium.

Electrical appliances such as ice-makers and others with water control valves may wish to turn off the units to keep the dirty water from fouling shut-off valves.

City employees stated there would be no need for city residents calling city hall or the water department about dirty water because they too will be experiencing the dirty water in their homes and at city hall.

County Commissioners

Object To Immigration

President Gerald Ford will be getting a letter from Highlands County Commissioners shortly, expressing their disapproval of lifting immigration quotas for unlimited Vietnam refugees.

County Atty. Robert Dunty Jr. was instructed to prepare the document, which will be sent to Senators Lawton Chiles and Richard Stone as well as to Rep. L. A. "Skip" Befalls.

Commissioner Robert Skipper, who asked for the resolution, found unanimous agreement for his proposal among Highlands County commissioners.

Skipper's chief concern stemmed from a report he had heard to the effect that Vietnamese refugees were to be given full status under the Social Security program after completing only two years of work.

"I'm very much opposed to these people coming here — paying for two years — and drawing the full amount from our elderly people in the country needing protection," Commissioner Kelly Phillips stated his concern that the refugees would add to the country's unemployment problems.

Skipper said he feared that health and education services would have to be provided to Vietnamese who might settle in Highlands County.

Dunty charged that the President had no legal basis for admitting the refugees to U.S. shores.

Deputy clerk James Pyle called commissioners' attention to the refugees who emigrated from Cuba as being similar to those of Vietnam and observed that forefathers of all U.S. citizens were, at one time, immigrants.

After approving preparation of the resolution, Chairman C. J. "Buddy" Wise called on members in the audience to express their opinions on the issue by a show of hands.

The audience sided four-to-one with the commissioners' viewpoint.

In other action, commissioners:

— Heard deputy clerk James Pyle announce that May 15 was the deadline for submission of financial disclosure statements. Pyle stated that commissioner Robert Skipper's disclosure statement for 1974 has been filed.

— Denied George Richardson's request that a drainage ditch along SR-29 be extended.

— Invited Dixie Scott, Lake Placid, to attend the next meeting of the Emergency Medical Services Committee to be held at 7:30 p.m. May 12, county courthouse, to present his ideas for improving the county's ambulance service.

— Approved issuance of an alcoholic beverage license to Shop & Go, Inc., 1849 Highway 17, Sebring.

— Approved J. R. Travers' request that 15 acres near Airport Road be rezoned from industrial use, heavy equipment, to agricultural.

— Accepted for recording, a plat for Sun 'n' Lakes Estates Holiday Country Club, Section 2.

— Agreed to assist efforts of the Lake Josephine Volunteer Fire Company, Inc. to obtain firefighting equipment through Civil Defense and forestry division contracts.

— Informed Robert Rose of Spring Lakes, that the results of a countywide fire protection survey will be revealed at their meeting next Tuesday.

Instructed county engineer Gordon Hays to investigate possible use of a county dragline to clear 4-H club land adjacent to Lake Francis.

In Prussia, they say that if you cannot catch a thief, beat a piece of his clothing with a hazel switch, and he will fall ill.

The audience sided four-to-one with the commissioners' viewpoint.

Board Opposes Transportation Commission

County commissioners are unilaterally opposed to the creation of a Public Transportation Commission in Highlands County and voted unanimously Tuesday to support a resolution voicing their disapproval.

Commissioners learned of state legislature's interest in establishing mass transit plans in each county from school superintendent George Douglass, who had returned recently from Tallahassee. Douglass read excerpts from Florida SB 943 which, he said, was being considered by the Senate Education Committee.

"Beginning July 1, 1976," the bill read, "all funds allocated in the districts for school transportation shall be administered in each county by a Public Transportation Commission consisting of two members appointed by the district school board and three members appointed by the Board of County Commissioners."

"This commission," the bill continued, "shall be responsible for developing a mass transit plan in each county which shall provide for the coordinated use of buses and other available transportation equipment for public conveyance, so that such equipment may not only be used for the transportation of students but also for the elderly, the handicapped and all other segments of society."

Douglass pointed out that, if passed, the bill would assign yet another responsibility to counties without providing accompanying money with which to carry it out.

If the transportation of school children were to become the responsibility of such a commission, Douglass said it is likely that students who live within two miles of a school might have to walk.

"We'd find kids strung up and down Highway 17 walking back and forth to school in the most dangerous situations," Douglass said.

Such an unsafe situation would not occur so long as the school system controlled its transportation policy, he contended.

"I don't know where the need is for mass transit in Highlands County," Commissioner Robert Skipper said, as he called for adoption of a resolution opposing SB 943.

Copies of the resolution are to be sent to members of the county's legislative delegation in Tallahassee and to the State Association of County Commissioners.

The annual fund raising, Hike-Bike for the Ridge Area Association for Retarded Children, was held Saturday, May 5 with 25 riders from Avon Park.

Approximately \$3,000 was generated by Saturday's Hike-Bike for the Ridge Area Association for Retarded Children.

A spokesman said the figure is an estimate because all of the returns are not in from the Avon Park leg of the annual event.

He said that of 101 persons taking part there were only two dropouts, no injuries, no trouble and the route proved to be one that will be followed in the future. After much searching it was selected this year because of safety factors.

The youngest rider on the 20 mile route was eight year old Jeffery Mope of Avon Park. Bryon Oliver, 11 years old, was

the fastest rider of the round trip Hike-Bike. He finished the 20 miles in one hour and 50 minutes.

All boys and girls who entered the Hike-Bike should turn in their pledges to the principal of their school so the winners of the boys' and girls' bicycle can be announced within the next two weeks.

A youngster walked most of the 20-mile route to Avon Park and back, but was given a bicycle towards the last when one became available.

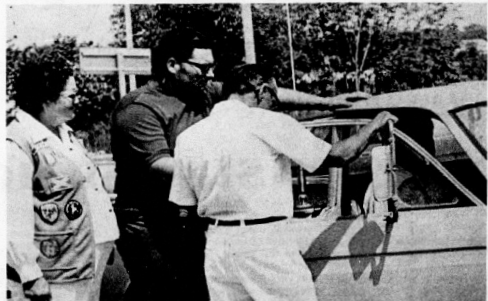

The spokesman said that 568 Cokes were consumed at the rest stops along the way and explained ruefully that it was, after all, a very hot day.

He had nothing but praise for the C.B. Radio group, who monitored the hike, kept tabs on its participants and directed the traffic flow. "I don't think

MOST OF THE Avon Hike-Bike riders are mounted and ready to spin off for the Sebring check point at the police station during last

Saturday's bike marathon with Lynn McNeill (center front) pointing the way. Photo — Miller

THE C.B.'ers COORDINATED the Hike-Bike between the Avon Park and Sebring check points. At the moment they are listening to a mobile unit trying to locate a bicyclist on the route who was reported to have flat tire.

They found the rider. Listening are (left to right): Mrs. Charles McCall, Bob Richards, Charles McCall with Rob Ward in the cab following his round bike trip. Photo — Miller

THE FIRST FINISHERS of the Hike-Bike ride from Avon Park to Sebring and return last Saturday were Bryan Oliver (left), James Hicks, and Tony Thompson — This

retake for the finish shows Tony as last but he finished first with a time of one hour and 50 minutes for the ride. Marathon official, Lynn McNeill waves them on. Photo — Miller.

Hike-Bike Raises \$3000 For Association

Norma Gobble Joins Sun

Mrs. Norma Gobble has joined the staff of the Avon Park Sun and assumed duties Monday, Edward Carter, publisher announced today.

Norma Gobble

She presently lives in Lake Wales and will commute to Avon Park until school is out in June when she will establish residence here.

Mrs. Gobble will divide her time between the news and advertising departments, covering general news and calling on advertisers.

She has a varied background in the news media and public relations. She previously worked as a reporter and photographer for the Lake Wales News.

Before coming to Florida two years ago, Mrs. Gobble was public relations director of Northeastern Oklahoma Community Development Corp., a federal Office of Economic Opportunity financed project which started businesses over an eight-

county area for job training and employment of the underprivileged.

She served two years as news editor of the Sequoyah County Times in Sallisaw, Okla. and was associated with KRBB Radio in Sallisaw. She has also served as correspondent to the Tulsa World in Tulsa, Okla.

Mrs. Gobble was active in community and civic activities there and was instrumental in forming the Sequoyah County Arts and Humanities Council which brings a variety of cultural activities to the community and the Sequoyah County Auxiliary Police under the auspices of Civil Defense. She is the first woman to ever become an Auxiliary Policeman in Oklahoma.

She served as publicity director of Canadian Pioneer Town built on the site of an early Indian Territory settlement designed as a tourist attraction and movie ranch. She also served on the Governor's Council on Arts and Tourism.

Having been a military wife for a number of years, Mrs. Gobble has traveled extensively. She has previously worked with the Stafford County Press in Dumfries, Va.; The Potomac News in Woodbridge, Va.; The Plainsman in Zachary, La. and the El Paso Times in El Paso, Texas. She has also written articles for several major newspapers and national publications.

Mrs. Gobble has three sons, Henry Hudson, 16, who resides in Jacksonville; Scott Hudson, 14, and Randy Gobble, 8.

SENT TO PRISON

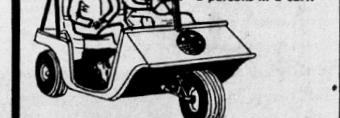

A Tampa man has been sentenced to prison for two years for theft of 26 pumps belonging to LaGrow Irrigation. Donald Clarence Hannun Jr., 26, a former LaGrow employee was adjudged guilty of grand larceny. Value of the stolen property was set at \$1,500. Five of the stolen pumps were recovered.

PLACED ON PROBATION

James L. Wilmoth, 19, Sebring has been placed on probation for one year. Wilmoth had been arrested by Sebring police on July 28, 1974, and charged with possession of marijuana. Police set the amount of marijuana at 56 grams. At sentencing Wilmoth was ordered to pay \$250 fine within eight months.

Two B & E's Reported

Avon Park Police are investigating two breakings and enterings involving over \$1,000 in loot, according to Patrolman Gene Hancock.

Mrs. Edward Jackson, 115 Center St., lost \$786 in cash and a coin collection valued at \$400 when someone entered her home and broke the lock on a front door.

Entry was made through the front door between 8:30 and 10:30 p.m. Sunday.

Speech And Drama Classes

The 4th and 5th period speech and drama classes taught by Bruce Wyse put on two plays for the student body, Thursday, May 1.

Mr. Wyse's 4th period speech and drama class put on "Hold Back the Red Skins." The setting for this play was the 1880's, back in the cowboy and Indian days.

Director for the play Renee Clemey, Producer Debbie Collier, Lighting Ricky Runner.

In true melodrama style the audience was invited to cheer the heroes and boo the villains.

The 5th period speech and drama class put on a dramatic play "Sorry Wrong Number". Setting for this play was modern day.

The play centered around an invalid woman who overheard a murder plot on the phone only to later find out she is the intended victim.

Director for the play Tony Underwood, Special Effects Scott Thompson and Charles Lake, Lighting Ricky Runner.

These were the first plays to be presented at Avon Park High School in five years. Mr. Wyse hopes that next year his speech and drama classes will also put on some plays for the student body and the community.

They charged 25 cents per student for admission and the proceeds from the play will be donated to the Junior and Senior Prom. The proceeds totaled approximately \$70.00.

SPEECH AND DRAMA Class taught by Bruce Wyse directed and produced "Hold Back the Red Skins" last Thursday, May 1, for the study body at Avon Park High School. Standing behind the fearless scout Kit Borestone (Lester Hadnott) is four of the Indian "Braves" (7) Running Water (Sylvia Blake), Hot Water (Pat Cooke), Cold Water (Kim Smith) and Leaky Fawcett (Melba Sims). Woman Held In Slaying

An Avon Park woman is being held in county jail, charged with the shotgun slaying of her husband, Shirley Ann Simmons, 29, of 1315 Tulane Avenue, was arrested Saturday night, May 3, a short time after a shooting had been reported at Lakeside Park.

Avon Park police found James Edward Simmons at the park, with massive wounds in his upper left chest. Simmons was moved by sheriff's ambulance to Lakeland where the medical examiner pronounced the shooting victim dead.

Investigators said the wound had been inflicted by a 12-gauge shotgun. Capt. Presley Selph of the Avon Park police department called sheriff's department for assistance in investigating the shooting.

Lawmen working on the case Saturday were Capt. Selph, Patrolmen Chuck Campbell and Leroy Rinson of Avon Park police; Lt. Richard Cooper, Deputies Bruce Bennett and Clark Jackson of the sheriff's department.

Mrs. Simmons appeared in court Sunday and at that time the public defender was appointed to represent her. Bond was set at \$25,000.

NEBUCHADNEZZAR, THE KING (Chuck Smith, front left center) storms and rages. "Tell me what I dreamed!!!!!! — Then tell me what it means!!!!!!" Daniel (Lawrin Ellis) almost falls backward before the King's

outburst of anger as "The Junior Highlanders" practice for the musical "It's Cool in the Furnace" to be given at the Middle School, Sunday May 18. Photo—Miller.

Junior Highlanders To Present Musical

"It's Cool in the Furnace" will be presented by "The Junior Highlanders" at the Avon Park Middle School Auditorium at 3:00 p.m. Sunday, May 18.

Real Estate Market Improving

When it comes to real estate and construction it is still a buyer's market, but that status is in the process of changing. Now is the time to build or buy, according to Marvin Wood, president of the Highlands County Builders' Association. Wood confirmed that the construction picture has been much brighter during the past few weeks and agreed, cautiously, that predictions for an upturn in the general economy might have some basis in fact.

Certainly the reports in the Highlands have been encouraging, he said, adding that many realtors have expressed the same feeling.

"The upward trend started a few weeks ago," said Wood. "I think the tax credit has helped to a large extent, at least on existing houses. People in construction and real estate have told me that things are starting to move."

Wood said there are still people who are hesitant, wondering which way the economy will jump, but more are deciding to take advantage of present prices on materials, and are using the tax credit to help in purchasing homes extant.

He feels that another boost to construction will be the Homeowners' Warranty program, which was sponsored by the National Homebuilders' Association and will be handed down to state and local levels within the next few weeks.

He explained it as an insurance policy that will benefit home owners. Participating builders pay the cost, at a rate of \$2 per thousand of the house valuation. It outlines more specifically the rights of the owner and sends a panel of experts to check into problem areas.

Wood expects the warranty to be effective in the next month and sees it as giving new homeowners added assurance. Although the association president does not forecast any rapid swing of the economic pendulum, he has noted that it is inching upward.

"Before it goes too far, this would be the time to buy. Prices are good on existing homes and materials can still be had for the lowest prices in years."

With more "surplus" houses being taken off the market, newcomers to Highlands County will have to build if they want to remain here.

This fast moving musical was written by Beryl Red and Grace Hawthorne and will be of interest to the entire family as "The Junior Highlanders" unfold the story of Daniel in the fiery furnace along with King Nebuchadnezzar, Shadrach, Meshack and Abednego. Directing "The Junior Highlanders" in this Biblical

musical is Mrs. Ann McKunas with Mrs. Evelyn Deik as accompanist.

The family musical program is open to the public with tickets being available from members of the group for 50 cents donations for children to 12 years of age and adults, \$1.00.

May 2, Five tables. High-Sarah Spindler-648, second-Pred Hughes-491.

Saturday Night Pot

May 3, Hosts for the evening were Alton and Hallie Wetmore. There were fourteen members present. Alton Wetmore read familiar quotations from famous poems. Mrs. Peterson read a poem "When I Was A Boy."

Four of those present will be leaving for home this week. There will be no more regular suppers until this fall. News From Our Northern Friends

Maynard and Josephine McKimmon write that they had a very enjoyable trip making a couple stops to visit friends on the way to Michigan. Juanita and Wesley Bruce write that they have not seen the sun yet but the trees are just about to bud and that their crocuses and tulips are in bud. The temperature was sixty degrees

as their letter was written.

News of Avon Park Members

Gertrude Pritt has her daughter and granddaughter visiting her while son-in-law, who is in Germany, is locating a home for them there. They will join them soon.

Grace Romilly had a guest, Myrtle Williams from Daytona Beach, formerly from Niagara Falls, N.Y.

Blaine and Judy Kerr have their daughter Natalie and her husband David Nolder from Youngstown, Ohio for a few days this week.

Tuesday, April 29, Louie Reister, a former member of our club for many years, who was visiting her daughter in Ozona, Fla., and wanted a bridge game with some of her old card playing friends. It was good to see her again and all enjoyed the game.

The members of the Club who attended the Union Congregational Church Sunday were our own Rev. Lee Roy Hankins preach the sermon. We are really fortunate to have him as a member. He shuffles as well as he preaches as you all see his name often in the list of winners.

Connie Kehoe is still in Walker Hospital. Her two sons and daughter-in-law were here for a few days last week and her daughter will come to be with her when she returns home.

Junior Woman's Club Holds Membership Drive

The purpose of the Avon Park Junior Woman's Club is to serve our community in the areas needed help that, the Club, decides is needed.

The Junior Woman's Club has given much physical help as well as donated money to many different groups.

They sponsor a Girl Scout Troop, have donated to the Ridge Area Association for Related Citizens, sponsor a girl at the Hacienda Girls Ranch, give a full year scholarship to the South Florida Junior College to a local student, donate to the Highlands County Nursing Advisory Dental Program, donate dolls to the Lions at Christmas, organize and get markers for the annual Mother's March of Dimes.

They also donate money to our local Kindergarten at Hopewell School, make up Thanksgiving Baskets for the needy, money to the Andy Miracle Memorial Patio Fund, donated money and are supporting the Avon Park Recreation Center, donated money to the Middle School for black-out curtains in the auditorium, and much, much, much more.

The Club raises the bulk of their money with the bi-annual Follies every even year. Other monies are raised through smaller projects.

Most of the members serve our community outside the Club by serving with different committees and organizations such as: Lay Advisory (at all grade levels), Ridge Area Association, Band Parents Association, Recreation Center Committee, Girl Scouts, P.T.O., and many other community-minded groups.

This may sound like a lot of work, but there is a great deal of satisfaction knowing that by being a member of the Junior Woman's Club, each member is helping make our community a better place.

WANTED..... ENERGETIC, COMMUNITY-MINDED YOUNG WOMEN FROM 18 to 40, MRS. OR MS.!!!

If you meet these qualifications and are interested in joining the Avon Park Junior Woman's Club, please contact Sharon Heard, ph. 453-4005. Sue Moseley ph. 453-3510, Eileen Martin, ph. 453-4905, or fill out the form below and mail to the

Town Topics

Annabelle Worden spent the weekend at the beach home of Mr. and Mrs. Charles O'Hair on Flagler Beach.

Mr. and Mrs. Charles Sproat were guests of Mr. Sproat's brother Mr. and Mrs. Edward Sproat of Indianial Beach, Fla. Other guests were Lt. Col. and Mrs. David Becker of Myrtle Beach, S.C.

Mrs. Myrtle Williams of Daytona Beach visited for two days with the Romillys of E. Pine St. Mrs. Williams is a long time friend from Niagara Falls, New York.

She was surprised at all the improvements that have been made in Avon Park since her last visit two years ago.

We who live here don't realize how much has been improved in the last few years. She always thought the Mall was lovely, now she said, "Oh! its beautiful."

Episcopal Women To Meet May 14

The Episcopal Church Women of Avon Park will meet for their regular monthly meeting on Wednesday, May 14, in the Parish House of the Church of the Redeemer, after the mid week Communion.

For this week only the Service will be at 10 a.m. instead of usual 9:30 a.m.

This will be the last meeting of the season, and will feature a covered dish luncheon. Members bring a dish to pass and own table service. Coffee will be provided.

Remembering our "Bonanza" held in November, Mrs. Ann Touchton, will show some articles, and give instruction on making them. It is hoped that during the summer members will keep busy, producing many of these to be shown and hopefully sold at the Christmas Bonanza.

This promises to be an interesting meeting it is hoped all members will make an effort to attend. It is the last chance to meet all together until October. Please come.

We wish a "Happy Birthday" to the following people who will be celebrating their birthdays this coming week:

May 8 — Margo E. Maxwell, Jeff Heiring, Charles Marshall, John Cloud, James Richard Skinner Jr.

May 9 — Jen Kay Clemency, Gordon Marshall.

May 10 — Lisa Dixon, Audrey McKim, Mrs. Hallie Huff, Jerry Robinson.

May 11 — Mattie Tompkins, John Talley, George Talley, Elma M. Lasse.

May 14 — Mrs. Neva Atherton, J. T. Landress.

This is your birthday list, we welcome additions to it. It is equally important that we be informed on a timely basis of any deletions which should be made because of death or other reasons. Your help in this will be greatly appreciated.

Fla. Family Campers Hold State Meet

Members of the Highlands Campers Association attended the Florida Family Campers Association Annual State meeting held at Holiday Inn Trav-I-Park, Leesburg, Florida on May 2, 3, 4, 1975.

Those attending from Avon Park and Sebring were Evelyn Bengel, Emma Russard, Mr. and Mrs. Clyde Carrington, Mr. and Mrs. Nelson Crafts, Mr. and Mrs. Carl Damon and grandson, Carl Robert Brown, Mr. and Mrs. Dick Enoch, Mr. and Mrs. J. Paxton Hill, Mr. and Mrs. Penn Hunter, Mr. and Mrs. Claude Newgent, and Mr. and Mrs. Orley True.

Calvin's Column

By
CALVIN GIBBS

Hi Friends,

Sunday will be Mother's Day. Many will wear red flowers and many of us will wear white, but whether red or white, I would like to dedicate the poems which follow to all mothers in behalf of all of those who feel as I do.

"Mother of Mine, I Think of You"
"Mother, I think of you each morning,
When the sun begins to rise,
Mother I think of you this time
For your tender loving smile,
Mother, I think of you at midday
When the sun is o'er my head,
Mother, I think of you this time
For kind words, which you have said,
Mother, I think of you at nightfall,
When the sky is no longer blue
For love and care, my whole life thru,
Mother of mine, I think of you.

Mother's Day Program:
With the episode of events which climaxed and ended a thirty year war in Southeast Asia, I am inclined to reassess Washington's Farewell Address to the Union when he warned us about political parties and our involvement in foreign affairs. Now after fifteen years in an undeclared war in which there were thousands of casualties (killed, wounded and still missing in action) and billions of dollars worth of vehicles, ammunition and equipment literally given to the communists, all we have done is made possible a united Vietnam, stronger than any other country in Southeast Asia due to our generosity and misleadings.

I do not advocate absolute isolation nor do I advocate or appreciate the use of propaganda by some of our own leaders in the disguise of protecting democracy to influence our thinking, when in the end, there may be other

Special Recognition:
I consider it most fitting and proper to salute those brave youths from Avon Park, who fought, suffered and died in Vietnam for what many of them consider now to have been a waste of life and limb to a lost cause. And whose comments range from reverence to (expletives deleted)

So proudly we HAIL:

Mother L. B. Fogle
(Church of God by Faith)

Mother L. B. Fogle wishes to announce that the Church of God by Faith is presenting a special mother's day program on Sunday, May 11, at 6 p.m. The program is scheduled at a time which will make it convenient for Elder Fogle to attend upon his return from the other churches which he pastors. Mother Q. Miller of The Church of God, Sebring, Florida will be the guest speaker for this occasion. The public is urged to attend.

Special Recognition:
There are so many Mothers, whom I would like to present as ideal as far as I understand what the term implies. However, since I cannot at this time, I would like to bestow special honors upon Mrs. Maggie Sims who was one among the early settlers in Avon Park. She was the founder of the citywide missionary campaign. Sister Maggie has served the Saint Mark Baptist Church for more than forty five years in numerous capacities. She is the proud mother of twelve children of which five sons have served in the armed forces, and one of the same sons, served in the local school system until retirement last year.

Please accept my congratulations and best wishes for a job well done.

Saying of the week:
"Older men declare war. But it is youth that must fight and die."

Herbert Hoover

Know your Ministers:
Rev. Daughtry has been the pastor of Saint Mark Missionary Baptist Church for the past eighteen years. Currently, he is the president of the local Ministerial Alliance, President of Congress No. 3, Treasurer of First South Florida

Association, Treasurer of Sunday School and B.T.U. Congress and Advisory for N.W.A. and Junior Women of South Florida. Mrs. Ethel Daughtry is his wife and they are the proud parents of a son, Earl.

Was it worth the Sacrifice?
Also, I do not oppose corporations but I know the difference between democracy and illegal contributions. I stop to wonder if we were there to protect democracy or political favors and the contributors there of at the expense of many who don't know the difference. One other thing I know is, until someone explains to me our half involvement in one sense and total involvement in another, I shall refer to it as The Big Blunder.

Also, do you suppose the war could have been used to perpetuate the economy? The business cycle shows wartime to promote prosperity and unemployment at a minimum. It controls the population to an extent also. I dislike entertaining negative thoughts as some expressed here are, but ignoring all possible doubts, I still come up with Big Blunder. Hope our foreign policy makers have learned an important lesson.

Special Tribute
I consider it most fitting and proper to salute those brave youths from Avon Park, who fought, suffered and died in Vietnam for what many of them consider now to have been a waste of life and limb to a lost cause. And whose comments range from reverence to (expletives deleted)

So proudly we HAIL:

Rev. and Mrs. J. W. Daughtry

THE KEY CLUB at Avon Park High School sponsored a blood pressure check last Wednesday, April 30. Out of 486 students checked only ten (or 2 per cent) were revealed having high blood pressure. Mrs.

Teresa Greene is checking Key Club President Frank Anderson while Key Club sponsor Robert Sylvia awaits his turn. Photo—Cornell.

Students Have Blood Pressure Checked

A blood pressure check of 486 students on Wednesday, April 30, at the Avon Park High School revealed only ten students with high blood pressure. This is barely two per cent.

A follow-up consisting of

informing those students, their parents and physicians that it is probable that they have high blood pressure and that their physical condition should be looked into.

The Key Club would like to extend their appreciation to all

those that helped. This includes Eddie Ezell, Bobby Strenth, Ray Culpepper, Darlene Jones, Julie Filippa, Mrs. Teresa Greene and Mrs. G. Holzcaw who gave their time to take the pressures.

To David Brooker, our

Kiwanis sponsor, who spent the entire day with us helping in any way possible. To Chaplain Harry Bennett and Dr. Jim Williams, who helped us to organize.

To Dr. Samuel King, Hillcrest Nursing Home, Dr. Helen Williams and Walker Memorial Hospital who helped us to organize.

Lastly, we would like to extend our appreciation to Dr. John Crittenden and the English department at the high school for their complete cooperation.

A single-engine airplane with four seats travels two to three times as fast as the family car yet gets 14 to 18 miles per gallon, reports Piper Aircraft Corporation.

A suit has been filed in circuit court asking damages for a passenger allegedly injured in an auto accident in Avon Park, March 29, 1975.

The suit was filed by Lamar Martin and names State Farm Mutual Automobile Insurance Co., Harold Hopsan, Emily Hopsan and Kenneth Hopsan as defendants.

According to the suit, Kenneth Hopsan was driving an auto owned by Emily Hopsan. On W. Main Street, west of N. Lake Ave., the car struck a power pole.

Chevrolet announces a new small car.

Monza Towne Coupe

34 MILES PER GALLON. Equipped with its available 5-speed transmission and 23-litre 2-barrel engine, the Monza Towne Coupe has been rated by the EPA as follows: 21 mpg in the city test, 34 mpg in the highway test... better than a lot of foreign cars.

FORMAL VINYL ROOF STANDARD. In your pick of nine colors. The lower body comes in thirteen colors.

SMALL AND DRESSY. There have always been dressy big Chevrolets. This is a dressy small one. It's fun to drive. It's comfortable inside. It comes with a very sensible price.

THREE ENGINES TO CHOOSE FROM. The standard engine is a thrifty 2.3-litre single-barrel Four. Available: a 2.3-litre double-barrel Four and a small 4.3-litre V8. Depending on engine selection, there are four transmissions available.

NEW FREEDOM BATTERY. The Towne Coupe is the first Chevrolet to have it. Standard. Needs no refill.

A WIDE SELECTION OF OPTIONS. Leather upholstery, forged aluminum wheels, AM/FM stereo—they're all available. And up to you.

A CHOICE OF RICH-LOOKING INTERIORS. Either vinyl or luxurious pattern cloth is standard.

AT YOUR CHEVROLET DEALER'S MAY 8. See it soon. We think you'll find it's both a sensibly priced car to start with, and a sensible little car to stow with.

Little League Winners

Kiwanis, Bagwell, Lions and Rotary

Kiwanis, Bagwell Lumber, Lions, and Rotary jumped to the lead of the Avon Park Little League standings with opening wins last Saturday as the 1975 season opened with the full cooperation of city officials, parents, volunteer workers, city businessmen and the Avon Park Junior Band.

After team pictures were taken by the Avon Park Sun staff, a parade of all members of the four Senior League and eight Little League teams was escorted through town by the Avon Park Police Dept., the Fire Dept., the city officials and the Avon Park Junior Band under the direction of Vic McKunas.

Immediately after the 1:00 p.m. parade, the eight Little League teams gathered at the Avon Park Little League Field for the 1975 opening ceremonies directed by John Wright. The players repeated the Little League pledge, Mayor Marshall Davis said a few words and threw out the first pitch and the invocation was given by Ronald Stone, Associate Pastor, First Assembly of God.

Kiwanis 28 Avon Citrus Bank 13 The first game of the new season started at 2:00 p.m. between Avon Citrus Bank and Kiwanis. The Kiwanis team jumped off to a big 12 run lead in the top of the first inning and then went on to win by a score of 28 to 13.

Shortstop Gerald Jones hit a homerun and a double to lead the winners at bat. Ricky Veils hit two doubles, Bill Porter had a double and a single, Tommy Turnbull had a double and Joey May and Erdley Bent both hit three singles.

Randy Hudson and Tommy

Hips added two singles each to the 17 hit total for Kiwanis over the two Bank pitchers.

The Avon Citrus Bank team scored its 13 runs on seven hits off winning pitcher Erdley Bent. Greg McDonnell hit a double and a single, Ricky Johnson and Bobby Smith both hit a double, Rich Macklin had two singles and Terry Portis also hit a single for A.C.B.

Bagwell won 15

I. H. Ford Mo. Co. 7

Defending champion

Bagwell Lumber started the

1975 season with a 15-7 win over an improved I. H. Ford Motor team. Alvin Connor, the winning pitcher, started for Bagwell and barked two frames before he was relieved by Jerry Jones. Jones tossed the third inning and then David Jackson came on in relief in the fourth to finish the five inning game for Bagwell.

The three Bagwell pitchers gave up five hits to the Ford Motor batters. Jeff Caldwell hit a double and a single and Scott Edwards, Kevin Caldwell and

Greg Kelley all hit a single each for the losing team. Bagwell's batters banged out 11 hits off three I. H. Ford Motor pitchers. Jerry Jones went three for four with a homerun and two doubles to lead Bagwell at the plate.

Ricky Derkman hit two singles and Jeff Davis, David Jackson, Tim Mossey, and James Crum all hit one single each. Alvin Connor and Gregg Jackson both slammed out a double for the winners.

Lions 4 Johnson's Sports Cen. 3

In the most exciting game of the day, the Lions came from behind to win over Johnson's 4-3 in an extra inning game. Johnson's scored a run in the second, fifth and sixth to take a 3-0 lead.

The Lions pushed over three runs in the last of the sixth to tie it up 3-3. Johnson's got runners on second base twice in the top of the seventh but couldn't score.

Craig Schomp, the Lion firststicker, led off for the Lions in the last of the seventh. Craig took the first pitch for a strike and then slammed the net pitch out over the leftfield fence for a game-winning homerun.

Curtis Taylor pitched the first six innings for Johnson's but had to be relieved by Darrell Watford in the seventh because of the rule limiting a Little League pitcher to six innings a week. So Watford took the mound last.

George Wyche started for the Lions on the mound. In addition to Schomp's homerun, Sam Barnes and Charlton Weathers both hit doubles in the big sixth inning and Ronnie Barnes and Allen Liskey had a single in that frame. Liskey also had a single in the second inning.

Bill Briscoe got the only extra base hit for Johnson's with a double. John Johnston and Darrell Watford both hit two singles and Duane Young hit a single in his first Little League game.

Rotary 9 First Baptist 3 In the fourth game last Saturday, the Rotary nine took a five-inning 9-3 win from the First Baptist team. The winners scored the nine runs on four hits. Dwayne Conner and Ricky Gates both hit a double and Alvin Hardy had two singles off three Baptist pitchers.

Reggie Moore, First Baptist centerfielder, got the homerun of the game with an over the fence slam with one man in the fourth inning. Moore also had a single for the only other hit. Tim Cribb and Dennis Barefield.

Cribb fanned eight batters during his three innings on the mound. Barefield struck out four in two innings. Tray Brown, Walton Touchton and Jim Marcum all pitched for Baptist. Marcum came on in the fourth and fanned four batters in two frames.

Bagwell Youth Tourney Slated June 13-15

The Sixth Annual Bagwell Youth Company Youth Golf Tournament slated for June 13, 14 and 15 at Green River Golf Course in Avon Park will be more than ever this year, according to Tommy Bagwell, owner of the sponsoring firm.

For the first time the tourney will be 14 holes consisting of three 19 hole rounds. It has previously been three 9 holes rounds. The field will be divided into four flights.

Starting time will begin at 10 a.m. on Friday and Saturday

and at 12 noon on Sunday. Starting time and foursomes will be made up and posted in the clubhouse the evening before each play by tournament officials.

The tourney is open to all area boys ages 12 through 17. Trophies will be awarded to winners and runner-up for each flight and will be presented at a dinner for all tournament golfers following Sunday's final round. Ties for first and second place will be played off with sudden death starting on the first hole.

Lucy Derkman's Comments

Many Contribute To Little League Program

As usual the volunteer workers with the Avon Park Little League program are too numerous to mention but some have contributed above and beyond the call of duty. Two such individuals last Saturday were umpires Steve Walker and Ed Touchton, Jr.

Steve and Ed, Jr. alternated behind the plate and on the bases for all four of the games as the 1975 season opened.

They turned in a fine performance in all four games in spite of the heat and the always present heckling from fans and coaches.

As usual Frances Dennis was running the concession stand during the season. Frances is secretary-treasurer of the Avon Park Little League Association and also is in her second year of manager of the stand. Incidentally, the association purchased an ice-making machine this year and also went into the popcorn popping business.

United Telephone Co. has again contributed to the program by setting up the phones from the press box to the dugouts and also has put a phone in the concession stand so players may call home after games. United employees have always donated time and talent to the program.

Avon Park Little League Association president Henry Dennis is again the guiding force behind the entire Little League program with the help of the eight managers and coaches. Henry says the League has the best staff in years this season.

Manager and coaches are: Bagwell, Denbury, Jackson, Clark Jackson, Kiwanis, Tataris and Bill Smith; Rotary, David Brooker and

Roger Gurganus; Lions, Johnny Barnes and Jim Prevatt; First Baptist, Clyde Smith and Lew Mundt; I. H. Ford Motor, Billy Hodge and John Spireas; Johnson's Sports Center, Don Arnold and Richard Lewis; and Avon Citrus Bank, Herman Dufosse and Wes Odum.

A special word of thanks is also due John Ziegler, and his grounds crew. They keep the field in top shape, lining it before each evening's games. Scorekeeping is being done this year by Donald and Clarice Ford, Betty Johnston, and Lucy Derkman. Anyone wishing to help out in the scorekeeping department should contact Mrs. Derkman to volunteer.

The final thanks due to a successful season goes to the parents of the players who keep the uniforms clean and get the boys to the games on time. The mothers who have to console the boys who get fussed at and doctor the many small

injuries during the season are the unsung helpers in the Avon Park Little League program.

HCTA Members

In Winter

Haven Matches

Seventeen members of the Highlands County Tennis Association took part in matches in Winter Haven last Saturday afternoon against members of the Winter Haven Adult Tennis Club. The H. C. T. A. defeated Winter Haven 13-7 in eighteen matches of singles, men's doubles, women's doubles and mixed doubles.

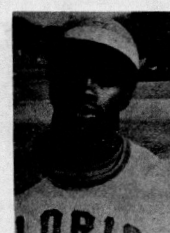

The Winter Haven Club has promised a return match to be played in Highlands County in the near future. Members of the Highlands County Tennis Association making the trip and taking part in the action were: Jeanne Cox, Cheri Lee, Vi Marrow, Peggy Sizemore, Jean Rosser, Kris Delaney, Charles Jordan, Ben Wynn, Al Marrow, Bill Page, Larry Johnson, Ken Haysley, Eugene Bengston, Grant Stallard, Eric Annett, Robert Tugel.

McRae Paces Rattlers' 19-3 Record

Shortstop Leon McRae continued to lead the Florida A & M attack batting a .413 as the Rattlers closed out the regular season conference play last weekend with a 19-3 record in the Southern Intercollegiate Athletic Conference.

The Rattlers won their three final games in Atlanta to set the season mark. McRae is a native of Avon Park and a 1973 graduate of Avon Park Senior High. He is the son of Willie James McRae and the younger brother of Hal McRae, a FAMU graduate currently playing with the Kansas City Royals.

The Rattlers, sporting a 24-5

Leon McRae

overall record, have proved to be consistent with the bats, batting .341 as a team. They have 13 batters with hits, including McRae, hitting over the 300 mark. Infielders Waymon Winton and Joseph Hicks have a batting average of .340 and .330, respectively.

Righthander Charles Grimsley continues to dominate the pitching department with a 7-0 record and 17.11 earned run average. Hurlers Clarence Gibby (.54) and Joseph Tolliver (.41) have also been impressive this season with ERAs of 3.52 and 3.47, while the team's earned run average is 3.923.

Rec Department

To Conduct Survey

The Avon Park Recreation Department will be conducting a mail-out Recreation Survey starting Monday, May 12. The purpose of this survey is to collect information about the present Recreation programs and facilities, while at the same time, give the citizens of the Avon Park Area an opportunity to voice their opinions as to future programs and facilities that the Recreation Department will have to offer.

The Avon Park Junior Women's Club will be assisting in getting this survey out to some 500 randomly selected participants. If you receive a survey form, your cooperation is asked to fill it out as completely as possible and use the stamped addressed return envelope to send in the results.

Please return the form as quickly as you are able, as the Department wishes to have a report on the information as soon as possible.

Place Racing; Billy Shields, 2nd Place Racing; Pepe Williams, 3rd Place Racing.
Webelos - Chester Dodd, 1st Place Racing; Fred Chandler, 2nd Place Racing; Juan Sanchez, 3rd Place Racing.
Trophy winners for the entire Pack were: Ben Johnston, 1st Place Design; Eric Ebersbach, 2nd Place Design; Juan Sanchez, 3rd Place Design; Kenny Warner, 1st Place Racing; Ben Johnston, 2nd Place Racing; Robby Briscoe, 3rd Place Racing.
Judges for the Derby were Ed Simon and Chester Poff both on the faculty of the Middle School.

Council Approves Items For Recreational Use

Recreation Director Dennis Guenther presented a request for items and work costing approximately \$5,000 to the Avon Park City Council at their Monday night meeting. The request was made since the city is to receive \$50,000 from Highlands County to use for recreational purposes. The items or proposals were for the recreation center and included: Pool table, utensils for the kitchen, backboards for the upstairs gym, practice courts for handball and warmup tennis,

painting the upstairs area and the planting of shrubs around the tennis courts for windbreaks and visibility shields.

It was recommended that immediate action be taken on all but the practice courts. The cost of the items would be approximately \$1,200 and was to come from the county appropriated recreation money. Further study was recommended for the practice courts as they carried a price tag of approximately \$6,500.

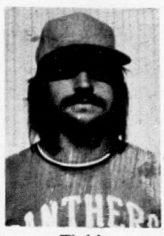

JIMMY PARKER (Center) of Lake City caught this 11 1/2 pounds large mouth bass in one of the 24 lakes surrounding Avon Park. Parker plans to enter the 28 inch long bass in the Old Charter Big Bass Hunt '75 contest. Among the prizes to be given away is a 14' Bass Cat Boat with a 85 HP Mercury Outboard. Entry forms may be picked up at Franklin's Inn, Avon Park. Shown left to right: Frazer Watford, Jimmy Parker and cousin Tommie Parker of Avon Park, former resident of Lake City. Staff Photo.

SEJC Players In All-Star Game

Two South Florida Junior College baseball players, catcher Buddy DeWitt of Avon Park and Robert Webb of Brandon, were selected by Division III Coach's vote to play in the JUCO All-Star Game at Joker Marchant Stadium in Lakeland, Florida, on May 1.

DeWitt and Webb played for the West All-Stars, consisting of players from Pensacola, St. Petersburg, St. Petersburg College, and, of course, South Florida Junior College. The East JC team was from Palm Beach, Miami-Dade, Broward, Florida JC, Central Florida, St. Johns River, and Edison.

DeWitt's and Webb's West team won 5-3. Robert Webb was the designated hitter and

Senior Little League

Arnold Pitches Four Hitter, MicKunas Gets Three

The opening day of the Avon Park Senior Baseball League saw the Reds winning over the Mets by a score of 10 to 6 behind the four hit pitching of winning hurler Steve Arnold - and the Braves taking a 7-4 win from the Cubs in a nine inning game.

All the action took place at Head Field last Saturday evening after an afternoon of benefit Bar-B-Q and music by Phil Eddings and his band.

All proceeds from the food and entertainment will go to finance the 1975 Senior League program. Ronnie Jackson was the driving force behind the fund raising project for the four team league.

Reds 10 Mets 6

Buddy DeWitt caught the last five innings and had one hit in two at bats. DeWitt's hit was a double, the only extra base hit of the game - and drove in two runs.

The SEJC duo were the stars of the All-Star Game. Together they had one-half of the West team's hits and drove in three of the five runs. Both players return to SEJC baseball team next fall.

A large turnout of baseball fans from Avon Park were on hand to cheer their baseball stars - DeWitt and Webb.

innings giving up only five scattered singles.

The Reds pitched over the 10 runs on seven hits off MicKunas and relief hurler Jeff Jackson.

Alan Roberts connected for three singles, Dennis Tondee got a double and Keith Cobb, Matt Edmondson, and John Barben all hit a single each for the winning Braves.

The Reds are coached by Luther Townsend and Larry LaFlam and the Mets are coached by Jimmy and Dennis Hart.

Braves 7 Cubs 4

Charles Oliver scored the winning run for the Braves in the ninth inning last Saturday night to give his team the 7-4 season opening win over the Cubs. Anthony Carter came on to pitch for the Braves in the eighth inning to take the mound win.

Larry Jackson hurled the first three innings. Then Dale and David Sismore tossed a few innings before Carter came on to take the win. The Cubs got only three hits off the four Brave hurlers. Ricky Jones got a triple, Joel Wright hit a double and Randy Williamson had a single.

The Braves got seven hits off losing pitcher Jimmy Massey

who went the whole nine innings for the Cubs. Massey struck out 12 Braves, gave up only 4 walks and no extra base hits.

Charles Oliver got three singles and Eric Wilson, Charles Edler, Anthony Carter, and Victor Roberts all hit a single each for the winning Braves.

Charles Oliver got three singles and Eric Wilson, Charles Edler, Anthony Carter, and Victor Roberts all hit a single each for the winning Braves.

The Braves are coached by Jim Sismore and Greg Albritton and the Cubs are coached by Johnny Elder and Warren Cornell.

Senior League games will be played at Head Field each Tuesday and Thursday evenings.

PLAYING FOR THE entertainment of those enjoying the Little League bar-b-que dinner last Saturday afternoon at Head Field, Phil Eddings (left) and the Flaming Stars had Stan Hitchcock, Nashville recording star as guest singer. Pro Bowler Jim Godman Will Take On Challengers Sunday

Professional bowler Jim Godman of Vero Beach will be at Ridge Lanes this Sunday (May 11) to challenge the top bowlers from this area.

It will be a Bowl-A-Pro Tournament with a special feature to see who will roll against Godman starting at 1 p.m. The winner will go against Godman at 3:30 p.m.

An entry fee of \$5.50 is being charged and the first place winner not only gets to bowl the pro, but will also receive a new

XL 5 Bowling Ball. Place money will be awarded the first 10 finishers.

Each bowler will roll four games, with the worst game being subtracted. There will be one practice ball per lane, all games will be scratch and ABC rules will prevail. All those who wish to enter must sign up by 12:45 p.m. Sunday.

Godman has won seven PBA titles and the ABC Masters. He has also rolled six sanctioned 300 games since turning pro in

1965. The year 1973 was by far Godman's best. First he won the prestigious \$120,000 Firestone Tournament of Champions and then wound up his year by taking the \$100,000 Brunswick World Open.

Godman, just 26, currently 2001 on the money winning list so far this year.

Jim Godman

APCI Moves Into Tie For First In Softball

First National Bank of Sebring swept its third straight double-header of the season Tuesday night topping Stump Construction, 5-0, and Peace River Real Estate, 8-3.

Wayne Connors no-hit Stump Construction, striking out 11. Ed Stephens led the winners' attack with a double.

A five-run sixth inning sent Peace River down to defeat. Don Bissett and Curt Brown each had two hits for First National and Bissett picked up the win, fanning nine.

Last Thursday night the

Avon Park Correctional Institution moved into a tie with First National for first place with a 2-1 victory over the bank team. Fowler homered and doubled for APCI, while Sonny Cobb homered for the losers. Ingle was the winning hurler and Bissett took the loss.

STANDINGS

APCI	6-1
First Nat'l	6-1
Stump	2-4
Peace River	2-2
Bowl of Fun	0-6

Finishes Tenth In District Tourney

The Avon Park High School golf season ended last Thursday as the Red Devils' tourney finished tenth in the seventeen team district tournament held at Cypresswood Country Club at Dundee. Winter Haven won the District seven meet and will go on to the state competition.

The Devil team, with four sophomores and one freshman playing in the top five spots, compiled an 18-13 record for the regular season playing the most difficult schedule ever.

John DuPriest led the team with a 40 stroke average for each nine holes he played. Another sophomore, Dale Sismore, was second with an 18 stroke average. Other regular season averages were

good for the tenth place finish. The final standings after the 4A schools were Lakeland (4) 33; Santa Fe (4) 33; Lake Wales (5) 33; Lake Placid (4) 33; Dade City (7) 32; Sebring (8) 33; Harder (9) 34; Avon Park 35; Bartow 36; Arcadia 36; Zephyrhills 37; Okechobee 372. Frostdproof 393, Auburndale 438, and Haines City had no team score.

Individual winner was Jet Thomas from Winter Haven with a 72. Kelly Tynes, the Lakeland High defending champion, shot a 78. The 82 shot by DuPriest was good for sixteenth place out of 68 golfers. Sismore finished

twenty-fourth with his 84.

Only the first place team advanced to the state finals. The finals begin today at Vero Beach with the sixteen district winners competing for the state title.

Coach Fred Sandlin, looking forward to next season, said, "Next year looks bright for the Devils with everyone back and the experience of this season. The Devils could be the first 2A school to make a serious challenge at the district title."

This year the Red Devil golfers were 11-3 in regular season play against 2A schools and 7-11 with 3A and 4A schools.

Girls' Track Team Soul Patrol Plus One Sets Relay Record

Sensational record setting performances marked the District five girls' track meet last Saturday in Lakeland as the Red Devils' 800 and 440 relay teams qualified for the state meet. Team finish found the Devils fifth out of the twenty team field. They were far and away the top 2A team and were topped only by three 4A squads and district winner Lake Brantley, a 3A powerhouse. The Devilettes scored a total of 33 points.

Six new school records were set in the district meet and another one was tied. The only first place finish for Avon Park came in the 800-yard relay where Battle Rich, Linda McRae, Renee Crocker and Sharon McRae roared to a record-shattering 1:48.7 minute time which broke their old mark by two full seconds. The same four, "The soul patrol plus one," teamed up to gain second place honors in the 440-yard relay in record 51.5 seconds.

Margaret Miracle nearly pulled off the upset of the day as she captured third place in the 800-yard run and missed a trip to state by a little over a second.

"Margaret's 2:36.3 school record was four full seconds better than her previous mark," commented Brojek. "She had only the twelfth best time going into district competition but she did a great job and is our most improved runner this year."

Sharon McRae captured fourth place in the 220-yard run with a new school record time of 27.0 seconds and Battle Rich sped home in fifth place with a fine 27.9 clocking. Rich had earlier established her personal best time of 27.7 time in the 220 during preliminaries. Cathy McCook took the fifth place ribbon while setting her new school record mark in the 400 at 27.5.

Linda McRae tied her school record in the 110-yard dash with an 11.7 second effort in the prelims but could only manage a 12.1 for seventh place in the

finals.

Margie Taylor set the last record of the day in the 110 hurdles with a 16.1 clocking in prelims but again a 16.8 time in the finals was good for only seventh place. Battle Rich scored the Devils last point with sixth place in the long jump with a leap of 15'5".

"Our kids did just great," said Brojek. "We rate our 800 relay as a good shot to score points in the state meet and if we can chop a second or so off our 440 relay time, they could place also." The Devil mentor went on to say, "Next year, if they have class breakdowns we only have to run against our own state school, we could cop a state title!"

Forty Report For Football Practice

Over forty boys reported out for Red Devil spring football practice last Monday according to head coach Joe Strickler.

The boys will practice from 3:45 to 5:15 each Monday through Thursday, until May 30 when they will take part in a spring football jamboree in Ft. Meade.

Assisting Strickler with spring practice this year are Dewayne Lemlar, Ronnie Jackson, Allen Duke, Bruce Wyse and Pete Kenaley. Coaching assignments for the 1975 season will not be made until next fall.

During spring practice the players will dress out in pads but will work only on fundamentals at first. Next week they will start contact in preparation for the May 30 jamboree. Also playing in the spring final will be Frostdproof, Mulberry, Santa Fe and Ft. Meade.

Pastor A. W. Oringer
Rt. 2 Box X403
Avon Park, Florida
33825

Question: Why is the plan of salvation so complicated?
Answer: The plan of salvation is not complicated, but simple. The traditions of man have made the plan of salvation complex. He that believeth on the Son shall not see life but the wrath of God abideth in him; John 3:36.

Salvation depends on centering our faith in Christ, and the salvation which he offers. For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life; John 3:16.

The simplicity of the plan of salvation is described by the Psalmist. Depart from evil, and do good; and dwell forevermore; Psalm 37:27.

Since evil, or sin is the cause of death, it follows that a person must turn from evil, otherwise he continues to abide in death.

Christ came to save his people from their sin. If we follow Christ, we are assured victory over sin. Sin caused the expulsion of Adam and Eve from their Eden home.

Let the wicked forsake his

way, and the unrighteous man his thoughts; and let him return unto the Lord, and he will have mercy upon him; and to our God, for he will abundantly pardon; Isaiah 55:7.

The second phase of salvation is to do good. God's people are to devote their lives in the accomplishment of that which is good. Even as Christ did, so are His followers to do. How God anointed Jesus of Nazareth with the Holy Ghost and with power; who went about doing good; Acts 10:38.

All true Christians will have a deep desire to do all they can to help others to find salvation. Because they love their fellowmen, they will be witnesses for Christ, and encourage others to accept Him as their Saviour. Such service for Christ will bring great satisfaction to those who engage in it.

The reward of a life which is characterized by departing from evil, and doing good will end in dwelling forevermore in the kingdom of heaven. By living this kind of life the divine nature will be developed, which assures the ultimate security.

My sheep hear my voice, and I know them, and they follow me, and I give unto them eternal life; and they shall never perish, neither shall any man pluck them out of my hand; John 10:27,28.

The Gospel Road Tells Old Story In New Way

The story is old, but the perspective is up-dated and brought into sharp focus by the film THE GOSPEL ROAD to be shown Sunday evening, May 11 at First Church of the Nazarene, 707 W. Main St., Avon Park. The showing will begin at 7:00 p.m.

THE GOSPEL ROAD, distributed by World Wide Pictures, was conceived and

JOHNNY CASH

produced by Johnny Cash and his wife, June Carter Cash, whose desire was to tell the story of Jesus Christ in a realistic and meaningful way. The film is a unique blend of scripture-based narrative, an abundant supply of specially written songs and a series of in-depth character portrayals,

with Israel itself as the mixing bowl. You are there, walking beside the Jordan and the Sea of Galilee; you are there, seeing Him in many human situations that establish a practical and personal rapport with every viewer.

You are there, being introduced to the disciples, and gaining insights into their varied personalities. You are there, experiencing the highly charged emotional impact of the trial before Pilate, and becoming so personally involved that you feel sympathetic pain when Robert Elstrom, in an outstanding portrayal of Christ, suffers the physical attack that precedes the Crucifixion.

Adding to the effectiveness of THE GOSPEL ROAD in its endeavor to convey reality for this day are the fascinating treatment of the Crucifixion, making this tragedy an event of significance that reaches from its own time across the years to take on meaning for all men of all ages; and the songs and background music of Johnny Cash and other outstanding musicians, whose contemporary style is not out of keeping with the story. . . . a story that reveals that His darkest day has become our brightest.

Baptist Enjoy Come As You Are Party

The Woman's Missionary Union of the Florida Avenue Baptist Church enjoyed an evening of fellowship May 1, at the Social Hall with a Come As You Are party.

Prizes were won by Mrs. Wavy Jones and Mrs. Grace Pickett for the funniest attire. Mrs. Elie Lewis conducted the games.

Those present were Martha Williams, Mattie Fowler, Madie Landress, Elie Lewis, Billie Mae Marshall, Jessie Dryden, Bertha Warren, Mrs. Wavy Jones, Elie Prevatt, Faye Woodham, Nellie Hodge, Nell Downey, Martha Hozze, Wilma Kangster, Grace Pickett, Pat Starling, Sandra Scott, Nancy Jackson, Gladys Rutledge, Mary Sue McGilvray, Irene Chappell.

World Friendship Festival

As a tribute to their founder, Juliette Lewis, The Girl Scouts of Avon Park celebrated the annual World Friendship Festival on Thursday, May 1, at the Avon Elementary Cafeteria.

Mrs. Margaret Goeringer, Field Advisor from Heart of

Florida Council, acted as announcer for the evening. The girls from Troop 249 under the leadership of Mrs. Elsie Hall, open the meeting with the flag ceremony.

As each troop presented its money gift to help Scouting around the world, a

representative from the troop told something about the country. Then the troop presented a dance, song or game from that country.

Mrs. Harry Fish, Area Chairman, presented the patches to the girls who had sold their quota and over, during the Cookie Sale.

Many of the parents and friends attended this Festival.

Little League Schedule

The Little Leagues moved into another week of competition with the following schedule, with the first game starting at 6:00 p.m.

Little League: Friday, May 9, Bagwell Lumber takes on Johnson's Sport Center followed by First Baptist playing Kiwanis Club.

Monday, May 12, its I. H. Ford going against non Citrus Bank with Rotary tangling with Bagwell Lumber in the second game.

Tuesday, May 13, Johnson's Sport Center competes with First Baptist while the service clubs Kiwanis meets the Lions.

Thursday, May 15, its Kiwanis versus I. H. Ford with Johnson's Sports Center meeting the Rotary Club in the nightcap.

The Senior Little League schedule for the coming week finds a first game schedule with the first game at 6:00 p.m. and the second game set for 8:00 p.m.

Wednesday, May 13, Cubs vs Braves

Thursday, May 15, Braves vs Reds

Cubs vs Mets

Williams And Burley To Go To State Meet

Red Devil track stars Alphonso Williams and Kenneth Burley qualified last Friday in district track competition for tomorrow's (Friday) state track meet at Shawnee Field in Winter Park at 7:00 p.m. Sophomore distance sensation Williams scored the upset of the meet as he sped home first in the mile in 4:39.4 minutes.

Williams' fine effort was a full 15 seconds off his previous best time set in the Fort Meade Invitational the week before when he captured only sixth place.

Alphonso has steadily improved all season and will be presented the most Improved Trackman trophy in award presentations at the season's end according to Coach Chet Brojek.

Kenneth Burley brought home second place honor in the high jump with his 6'9" leap. Kenneth concentrated on the jump in district competition. He was also the leading Devil point maker with 78 points for the season. He was tops in the 120 high hurdles, the long jump and the 300-yard intermediate hurdles as well as the high jump.

Three other sophomore competitors also turned in fine performances in district even though they did not qualify for state. Edward Dorsey threw the discus 124' 11 1/2", which was a bare 12" from the school record to win the sixth place ribbon at the district meet.

James Hamilton won the second heat of the 880-yard run with a fine 2:11.0 clocking — his personal best by a full four seconds.

Jack Collins, another Devil distance runner, ran the two-mile in 11:20 to close out a season of fine performances. Williams, Hamilton, Collins, Frank Anderson and Jerry Senseng are expected to head up the Devil hopes for another fine Cross-Country team next fall.

"I can't say enough about how happy I was with the performance of these young men," said Coach Chet Brojek. "Alphonso's time in the mile was just super and marked the third year in a row that a Devil has captured the district mile honors."

Alphonso Williams broke James Brown's sophomore mile record in the process of winning the district. Kenneth Burley has really improved in the high jump since changing to the "flop" style and it is only a matter of time before he breaks the school record of 6'4" according to Brojek. Dorsey, Hamilton and Collins are all talented youngsters and Brojek is expecting great things from them in the next couple of years.

Trees Available Through Forestry

For a little effort and a very small amount of cash, residents of this area may obtain trees well suited to urban living.

"Highlands County's response to our tree sales has been so good that we are wondering whether people know that Florida Forestry Service has an on-going tree seedling program," said Roy Hopke, district forester.

Hopke said 17 species of trees, including flowering varieties and quick growing shade trees, are available in this area. Orders blanks and brochures describing these trees are available at the Forest Service station at DeSoto City.

Delivery is made to the district station at Okeechobee, or buyers may go directly to the state nursery at Punta Gorda. Hopke advised buyers headed for Punta Gorda to call ahead and check on hours and availability of the desired plants.

The Punta Gorda nursery (the one the Division of Forestry hopes to move into Highlands County) has the telephone number 639-1755.

Okeechobee and DeSoto City stations are open Monday through Friday, 8 a.m. to 5

p.m. Because the DeSoto City rangers are on call for fire-fighting duties, Hopke advised calling that station prior to making the trip to pick up brochures, 385-0008.

When the trees are picked up at Okeechobee there is a shipping charge to be paid — 10 cents per tree — plus the price of the tree — 25 cents per tree plus 1 cent sales tax.

The trees are from eight to 18 inches tall when sold, but Punta Gorda specializes in trees which grow rapidly. Hopke said some grow as much as 15 feet in a year. Because of their growth pattern and summer is the ideal time for planting them, the forester said.

For the resident going in for heavier plantings, a visit to the nursery at Chiefland may be more to his liking. Just as Punta Gorda specializes in "urban trees", Chiefland offers in for root stock for timber trees. Live oak and slash pine, for example, are obtainable there.

Prices for the root stock are a bit different from the potted seedlings too. Slash pine, for example, is sold at the rate of \$8 per 1,000. Timber trees, for most part, should be planted during the winter, Hopke said.

\$1000 Reward Being Offered By Forestry

In an attempt to quell wild fires, Florida Forestry Service has posted rewards.

A reward of \$1,000 is offered for information leading to the arrest and conviction of anyone who causes a fire in Florida woods or grasslands.

Forest rangers, who are charged with responsibility for fighting the woods and grass fires, say that most of the fires are caused by carelessness. Under present dry conditions any open fire can quickly be

out of control, racing across and down into the ground.

A few arsonists are suspected of being at work, rangers say, but far more blazes are caused by youngsters playing with matches and experimenting with smoking.

Anyone with information about wild fires may call the Division of Forestry office at DeSoto City (385-0008) or the district office at Okeechobee, a toll free number (800-282-6366).

'75 DODGE PICKUPS.

For the man who'd rather drive a truck than a car.

Dodge
Unique Trucks
EXTRA CARE IN ENGINEERING
MAKES A DIFFERENCE.

Dodge understands you. A pickup is what you'd like to drive all the time. That's why we've styled our '75 Dodge pickups especially for you! And what a selection we have to show you! Great conventional cab Dodge pickups! (The trucks that pioneered dependable, easy starting, solid-state Electronic Ignition.) America's original Club Cab pickup (with extra inside room for passengers and valuable cargo). Our Club Cab can carry up to 1200 pounds more payload than a Ford Supercab, too! And we Dodge Boys are still the only guys around with a four-wheel-drive Club Cab.

We're proud so many of you (who'd rather drive a truck than a car) would rather drive a Dodge. We're ready whenever you are—with an eye-openin' Dodge pickup deal. See us soon!

J. Robert Martin D. D., President

Ball Park Complex

Mayor Marshall Davis

Cost Of Material
Approximately \$6000

It will cost approximately \$6,000 for materials with city employees doing the work to rig the ball park complex, City Clerk Malcolm Crews reported to the city council in their Monday night meeting.

In the ensuing discussion it was recommended that Sam Polston, Soil Conservation Specialist be contacted relative to drawing up plans and specifications for the irrigation system.

Councilmen asked how much of the county contributed \$50,000 recreation money would be used on the ball park complex. Council President Wendell Williams stated that the ball park committee had decided to undertake the ball park complex and use whatever money it took to complete it.

However, he had not intended to spend the entire \$6,000 for this purpose. Plans could be changed by the

Many persons are getting the most out of their lives. For a booklet titled "Is Life Passing You By?" send 25 cents to Room 220, International Lutheran Laymen's League, 2185 Hampton Ave., St. Louis, Missouri 63139.

"Something Can Be Done About Dogs"

"There is nothing we can do," Kathryn Kilgore stated she was told by city employees after a pack of three dogs killed two of her turkeys and six chickens, Monday night (April 28).

A fence was built across the back of the yard but the same three dogs came back again from the street side Monday night, May 5 and gained access to the four foot high fenced pen and mutilated four more white turkeys. One turkey was dragged across the street to an empty lot and stripped of almost all feathers (except wing feathers).

The three dog pack consists of a German shepherd, a spotted dachshund and a smaller spotted dog. Running at large they have also tore up a neighbors garden.

According to the Avon Park Code, Article II Dogs, Sec. 5-17 "Destructive Dogs, Keeping or maintaining prohibited." Reading — "No person shall harbor or maintain at any place within this city any dog, whether licensed or unlicensed, which shall be known to commit acts of destruction upon the property of any other person not the owner or keeper thereof."

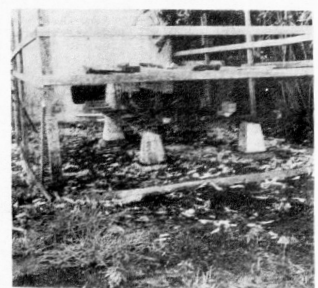

Sec. 5-18 "Running at large prohibited." Reading, "No owner or keeper of any dog, whether the dog be licensed or unlicensed, shall allow the same to run at large within the city; and any dog running at large in said city may be impounded by said city in the manner provided for in section 5-20, Code of Ordinances of Avon Park."

Sec. 5-20 "Impounding of dogs; etc." Reading, "Any dog

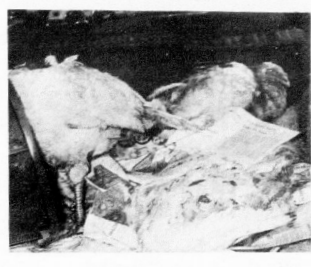

found running at large within the city may be taken up by any police officer or other persons designated by the city and the owner or keeper of such dog shall surrender it to such agent of the city upon demand; ..."

When asked about the destructive dogs and the lack of action by city employees, Mayor Marshall Davis said he had no knowledge of the poultry killing but promised to look into the matter the following morning (Wednesday) and there was he stated "something that could be done about it."

Mayor Davis has been active in promoting the animal control legislation in the city and at the last city council meeting (April 28) it was moved to place Ordinance No. 584 on first reading. This ordinance names the Highlands County Animal Control Officer as the dogcatcher for the City of Avon Park.

WHITE TURKEY FEATHERS both inside and outside of a four foot high fenced lot indicated that a dog or dogs had jumped into the pen and had harrassed and slashed four turkeys owned by Kathryn Kilgore, 421 E. 2nd St. on Monday night. One turkey was dragged across the street to an empty lot and further mutilated. Photo—Miller.

WITH THEIR EYES closed in the misery of pain and suffering these three of four white turkeys made no effort to move after being severely mauled and bitten by three dogs. Monday night, a week earlier the same dogs, a German shepherd, a spotted dachshund and a smaller spotted dog had killed two turkeys and four chickens for Kathryn Kilgore.

Obituaries

Henry Bauer

Henry William Bauer, age 74, died May 4. Born in Baltimore, Md., he had been a printer. He was a member of the Seventh Day Adventist Church. He is survived by his widow, Mrs. Margaretta Bauer, one daughter Mrs. Wayne Spangenberg of Silver Springs, Md.; two sons David H. of Berrien Springs, Mich. and Henry W. of Miami, Fla.; one sister, Mrs. Andrew Gleason of Miami and one brother Richard Bauer of Miami; five grandchildren and three great grandchildren.

Services were held at the Stephenson-Smith Funeral Chapel at 2 p.m. on Tuesday the 6th of May with Chaplain Jerry Bennett officiating. Burial will be in Flagler Memorial Park in Miami on May 7.

Stephenson-Smith Funeral Home Avon Park in charge of arrangements.

Fern Wood

Mrs. Fern Wood, age 85, died May 1, at Walker Memorial Hospital.

Born in Wisconsin she was a registered nurse and was a member of the First Baptist Church.

She is survived by four sisters, Isabelle Cook, Harriet Wage, Gladys Nielsen, all of Wisconsin and one daughter, Mrs. John Meyer, Orley Meyer and Lloyd Meyer, all of Wisconsin. Funeral services were held Monday, May 5, at 10 a.m. in the First Baptist Church with Rev. Aden Childress officiating. Interment in Lakewood Memorial Gardens, Lakewood, Wis.

Stephenson-Smith Funeral Home, Avon Park in charge of arrangements.

Filly Found

In Pen

Someone must have taken pity on some lonely little calves which had been taken away from their mother and put in on property located near U.S. 27 and State Street and figured they needed company.

When Jim Bennett and Winkie Williams went out the pen early one morning last week to feed the calves they found a young filly in the pen. Mrs. Jim Bennett said it was evident that someone had put the filly in the pen because it had a rope around its neck and the party had carefully roped the filly to prevent its getting out.

They have no idea why the pony was put in the pen but surmised someone found it nearby and figured it was a likely spot to keep a pony and assumed that is where it belonged.

Robert Maxcy

Electrocuted

In Grove

A grove accident April 30 cost the life of a young member of one of the area's best-known citrus industry families.

Robert VonCanon Maxcy, 23, died in the Lake Seneca Groves at Lake Placid as the result of electrocution.

M. Alfred Love of Sebring was seriously injured in the same area, but escaped injury. Stephens IV was working in the same area, but escaped injury. He had not been able to move the pipe and went on to other tasks.

As Maxcy and Love started to move the pipe it came into contact with a high voltage power line. Stevens said he heard a buzzing sound and turned to see Maxcy lying on the ground.

Love was thrown away from the pipe and ran about 100 yards before falling to the ground.

Both men were moved by sheriff's department ambulance to Highlands General Hospital, where Maxcy was pronounced dead. Love, admitted for treatment, was able to leave the hospital on May 5.

Young Maxcy was a son of the late James Maxcy, widely known agriculturalist who died on April 15.

Lucy Sikes

Mrs. Lucy H. Sikes, the daughter of M. D. Holt and Margaret Emma Patterson Holt, was born in Oliver, Georgia, April 17, 1886. In 1914 she moved to Avon Park with her husband, James Asa Sikes, who was then Principal of Avon Park High School.

Mrs. and Mr. Sikes remained in Avon Park with their five children: Ruth Emma, Mack Donald, William E., Gladys Jean, and Frances Alden, until 1926 when the family moved to Miami, Florida.

During World War II, Mrs. Sikes gave many hours of time to patients at Jackson Memorial Hospital in Miami, where she had received training as a Licensed Practical Nurse, a career for which she was especially gifted.

Later, Mrs. Sikes was made Supervisor of Nurses in the Obstetrics Unit at Jackson Memorial Hospital which was an honor not previously granted to an L.P.N.

Mrs. Sikes returned with her husband to Avon Park after retirement in 1956. Since that time she has been well known in this area for her loving care of many elderly patients who required nursing services.

Mrs. Sikes was a Charter member of the First Christian Church of Avon Park, and has been active in the Eleanor Seaverns Rebekah Lodge for many years.

Lucy Holt Sikes will be greatly missed by the people whom she loved and inspired. Her Rebekah sisters, neighbors, Christian Church friends and her devoted family.

She is survived by her husband, four children, sixteen grandchildren and seventeen great-grandchildren. Mrs. Sikes also has two surviving brothers Dr. John G. Holt and Alton Holt both of MacClenny, Florida.

The Reverend Clifford Dance, First Christian Church, Avon Park conducted graveside services with family and friends present at Bougainvillea Cemetery on Monday, May 5, at 3 p.m.

Four fellows were pallbearers and the Rebekahs attended in a body.

Maymie Fields

Maymie Louise Fields, age 76, died in San Francisco, Calif. on May 1.

Born in Alabama, she was a homemaker. She had worked as Secretary of the Ridge Gas Company and secretary at the Ration Board in Avon Park. She was a Methodist.

Survivors include one daughter, Ouida Salter of Palo Alto, Calif., two sons, Clayton and Doug both of Palo Alto, Calif. One sister, Mrs. Gertrude Wilson of Samson, Ala.; one nephew, Max Stevenson of Frostproof, six grandchildren and one great-grandchild.

Services were held at graveside on May 5, at 4 p.m. with Rev. B. A. Williamson officiating. Interment will be in Bougainvillea Cemetery.

Services arranged by Stephenson-Smith Funeral Home, Avon Park. Sun with picture.

Hugh Thomason

Funeral services were held Wednesday, May 7, for Hugh Dixon "Dick" Thomason, former Lake Placid resident who was killed in an industrial accident May 1.

The 32-year-old Thomason grew up in Lake Placid. Six years ago he moved to Jacksonville, then a year ago to Cameron, La. Thomason was at his work when he was fatally injured.

Thomason leaves his mother, Helen Thomason, operator of Crossroads Tavern in Lake Placid; a son Chris, and a sister Jane Thomason, also live in Lake Placid. He is survived by his father, John Hancel Thomason, who resides in Louisiana.

He leaves his wife Janice; a daughter, Jerry; a son Paul; three brothers, John, Robert and Timothy, of Cashmere.

He also leaves sisters; Shirley Boyd and Mary Prush. Mr. Thomason was a member of the Baptist Church.

Funeral services were conducted by the Rev. Ralph Hunt of Plant City. Burial was in Bougainvillea Cemetery on Monday, May 8, at 3 p.m.

MOTHER

It is so important that a child feel secure and loved the first weeks and months of its life. Our foremost authorities say that if a child's spiritual and emotional welfare is neglected in the early weeks of life, there is a great chance of permanent damage to its personality growth.

Therefore, on this day, we honor not only the beloved mothers of our adults and youth, but the very young mother who has both the tremendous responsibility and the precious opportunity to mold the life and character of the very young child. May she seek early God's help, who in the person of the Son, said, "Suffer the little children to come unto me."

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedom which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Coleman Adv. Ser.

State Park Camping Easier By Direct Dialing

Direct dialing to Florida State parks to make and confirm reservations has replaced the uncertainty of those made by mail and a computerized system.

Since February, the Department of Natural Resources has had the new telephone reservation system in effect at 20 state parks.

Starting June 1, four other parks will begin taking phone reservations.

Hours for receiving calls at the park are between 8 a.m. and 5 p.m. daily. Offsetting the cost of a telephone call is dropping the \$2.50 reservation fee charged.

The four-day minimum stay at parks has been dropped, allowing a stay of only one night, if desired.

Spur-of-the-moment campers who prefer not to make advance reservations now have a good chance of obtaining a site for the night.

At least 50 percent of the campsites are saved at all of the state parks for the drive-in trade. And 12 parks operate on a first-come, first-served basis at all times.

Park officials warn campers of possible disappointment at the more popular state parks, however. Parks in the Florida Keys are special favorites during the summer, and fill up early.

The following are other helpful regulations to know: Reservations will not be accepted more than 60 days in advance of the check-in date.

All Parks open at 8 a.m. and close at sundown.

All Campers must arrive before sundown.

Reservation will be held until 5 p.m. unless park is notified of late arrival, by phone, on check-in day.

Check-out time is 2 p.m.

Camping fee is 14¢ per day plus 4 per cent sales tax.

A campsite may be occupied by only one family or group. Total number not to exceed 10. Family or group is defined as one or more adults and those persons accompanying that designated adult. Adult is defined as 18 years of age or

older, or married person. Pets are not allowed. The Hammonck's number is 385-0011.

School

Lunches

THE AVON PARK HIGH SCHOOL Girls Chorus under the direction of Kenneth Eberle left last Friday morning for State Contest in Cocoa Beach and returned home Saturday afternoon with a "High Excellent" rating. Girls left-right, seated Tami Love, and Joy McCullough; Second row, Diane

Cox, Karen Sheffield, Debra Miller, Karen Lamb, Cindy Langston, Delores Cox; Back row, Phyllis Johnson, Nancy Cain, Andrea Petrovich, Elaine Woodard, Bonnie Norton, Brenda Johnson and Gail Davis. Not pictured Kathy Young, Sue Allen and Marie Delaney. Photo—Cornell.

High School Chorus Earn Honors At State Festival

Nineteen of the Avon Park High School Girls Chorus left early Friday morning, May 2, 1973, to attend the Florida Vocal State Festival at Brevard Junior College, Cocoa, Florida. The girls had an opportunity to relax and enjoy the sunshine and good weather. The Festival is made up of all schools from Daytona Beach south who make a superior at their district festivals to attend state contest.

There is a north and south festival.

We can thank Tami Love and Joy McCullough for the opportunity this year.

Both girls received superior ratings at our District VII festival in March. They did this by directing their own number, which they picked out by themselves, then work-up with the chorus. The director is allowed to give very little help. The girls really did 95 per cent of the work and we are really proud of them.

Their judge at State Festival was Dr. Dale Willoughby from the University of Miami. He really did a good job in judging the girls and their work.

Both young ladies received very high Excellent ratings and the girls chorus and director are very proud of them. This is a first for the girls chorus or mixed chorus of Avon Park High School.

The girls arrived home Saturday afternoon around 4:30. I believe this has been a great experience for these fine young ladies of Avon Park. Thanks for the good job you have done this year. The girls chorus will be having their final concert in a few weeks and we would like to invite the public to attend and support these fine young people.

The girls arrived home Saturday afternoon around 4:30. I believe this has been a great experience for these fine young ladies of Avon Park. Thanks for the good job you have done this year. "A STAIRWAY TO THE STARS!" It is not. The stairway is required by the Department of Business Regulation, Division of Hotels and Restaurants, Bureau of Elevator Inspections, for the yearly inspection of the topside elevator machinery. Built in 1953 on the outside of the original Walker Memorial Hospital building (formerly Highlands Lake Hotel) for \$28,000, that was raised by area citizens it would now cost approximately \$28,000 to remove the top and rework the elevator machinery to service the ground floor and basement level. John Skuce is finishing painting the stairs and elevator shaft white. Photo-Miller.

Ambulance Service Moves To Civil Defense

Emergency Medical Service, including ambulance operations, will move from the sheriff's department to the disaster preparedness office — if the Highlands County Emergency Medical Service Advisory Council's recommendation is adopted. The disaster preparedness office, formerly known as civil defense, is headed by J. C. Murdock. At the advisory council meeting April 24 Murdock cast the only negative vote on a motion to make the expanded ambulance operation a part of the disaster preparedness.

Sheriff O. L. Raulerson, Jr., whose department has had ambulance operations responsibilities since the county service began, was among those casting a vote for the move.

Sheriff Raulerson, who has consistently maintained that law enforcement and medical services are not readily combined, had told the advisory council that new regulations will force extensive revision of operations, further alienating the two operations.

County Commissioner Norman "Jug" Heston, who chairs the Emergency Medical Service Advisory Council, unveiled a package of recommendations and budget at the county commission meeting April 25.

Heston pointed out that information presented to the council indicated that "75 per cent of the county ambulance services are run through a countywide fire department. We could start with civil defense and could phase it out and go with the fire department later."

Commission Chairman Buddy Wise told the commissioners, "Let's study this, take the material home and study them and if necessary come back for a special meeting."

Heston announced that the Florida Division of Health has approved a grant of \$50,000 for capital expenditures. The proposed budget includes a recommendation for five ambulances; one unit each for Avon Park and Lake Placid, two units in Sebring and an additional unit in Sebring used as back up. Estimated cost of the ambulances is \$15,000 each. The total projected budget for equipment is \$150,726 with \$2,200 in matching funds available to cut the cost to \$148,526. The projected salary budget is for \$215,220 with \$4,676 in matching to reduce that cost. The projection is for 18 emergency medical technicians, six radio dispatchers, one clerk, one supervisor and one administrator. The advisory council

recommended a starting salary of \$8,100 for the technicians. The proposal includes the note that the salary structure for technicians "should correspond with that of other emergency services in the area in order to minimize rapid turnover and weakening of the system."

Heston reported that the administration of both Walker Memorial and Highlands County Memorial Hospitals had indicated they would be willing to consider permitting ambulances to be stationed at the hospitals for a part of each day — "provided it does not cost the hospital anything."

Selecting "some bases" in each of the three sections of the county raised some questions from the county commissioners this week, but the commissioners were willing to lay that discussion aside until the whole question of the Emergency Medical Service is resolved.

Burns Speaks At Convention

Featured at a convention of the Florida District of Toastmasters International at the Country Club Inn, Cape Coral, was a talk by "Mike" Burns, inmate of the Avon Park Correctional Institution. Serving a life sentence at APCI, Burns is a member of the Gavel Club, a speech, communication and leadership program sponsored by Toastmasters International for institutional inmates.

He spoke of the effectiveness of the Gavel Club program which is geared to rehabilitate inmates by helping them communicate better and boosting their self-confidence, attributes needed for success on the outside. Only a tiny percentage of the 500-plus inmate members of the Gavel Club who were paroled from APCI have ever been sent back to prison, he said.

Burns pleaded with 300 Toastmasters and guests to take an active interest in the plight of penal inmates. He urged the group to sponsor Gavel Clubs in the state's 14 correctional institutions in Florida, to give inmates a better chance to prepare themselves for society outside prison walls. Also in attendance was Frank I. Spangler of Lake Placid, a past international president of the Toastmaster organization.

ATTENTION

City water users

Effective Monday, May 12th, 1975, Chlorination of city water will begin. It is expected that the chemical reaction will cause accumulated mineral deposits in the water pipes to break loose. This will cause dirty water for several days. City crews will be flushing water mains to relieve this condition.

However, it is recommended that users of city water secure enough drinking water for 3 or 4 days in advance.

Those using city water in aquariums or similar applications are cautioned to observe proper precautions. Ice makers should be turned off. Hot water heaters may need flushing afterwards.

Chlorination of city water is by order of the Florida Department of Health. We ask your patience and understanding until the problems can be corrected.
