Great American Air Show Set For November 2

Be sure and be on hand early for the Great American Air Show performances on Sunday, November 2 and Sunday, November 9 in Avon Park and on Sunday, November 23 and Sunday, November 30 in Sebring.

Special static displays and opportunities to meet all the participants in the show have been added to the program for the aerial spectacular.

Avon Park's Tammy Doane who built her own airplane at age 14, the world's youngest airplane builder, will have the aircraft on display prior to all shows.

On Sunday, November 23 the public will have a change to see the huge Air Force C130 Hercules cargo carrier. The plane is being flown in from North Carolina for the show.

Pre-show activities get under way each Sunday at 1:30 p.m. with the Great American Air Show pilots and jumper on hand to discuss their aircraft and activites in the show.

Kirby Grant, television's Sky King, will also be present to sign autographs and talk with spectators.

Then at 2 p.m. the two-hour aerial spectacular gets under way with solos, duos, dog fights, comedy, parachute jumping, wing-riding, an inverted ribbon cut and the first attempt ever to fly duo aerobatics with both planes tied together.

Walt and Sandi Pierce, Jim Holland, Lindsey Hess and Bill Wilkinson are featured in the show, which is preparing for a tour that will cover thirty U.S. cities and six foreign countries during 1976.

Admission for each show is just $1 per person. There will be free parking for all cars.

The hangar airplanes are put in comes from the French word for farm shed, where early French aviation pioneers put their craft.

Odd Fellows To Hold Initiation Degree Work

Highlands Lodge No. 74 of the Independent Order of Odd Fellowship will hold a special day for initiation and Degree work Saturday Nov. 29, 1975 starting at 9 a.m. at the Lion's Club building on West Bell Street, Avon Park.

This date was originally set up for Nov. 15. The date had to be changed to Saturday, Nov. 29 because of other meetings. The initiation and degree work will start at 9 a.m.

First will be the Initiatory degree followed by the other three degrees. This will be for new members already accepted and any new members that apply before that date. The above will include Associate members and any one that was a former Odd Fellow member but for some reason doesn not belong to any Lodge at this time.

Fred B. Hughes, Noble Grand said the Lodge is trying to have a class of 15 to 30 candidates, for this occasion. Lunch will be served for all of those who attend.

Interested persons should contact any Odd Fellow Lodge member or Fred B. Hughes for information and application blanks. Odd Fellows meet at the Lion's Club on West Bell Street, on the second and fourth Monday of each month at 8 p.m.

Fred B. Hughes said the cost of belonging to the Lodge is nominal considering the Friendship and the activities the Lodge have during the year. All Odd Fellows are cordially invited to attend this Degree Day and watch the Degree team put on the Degrees.

Legion To Have Covered Dish Supper

The American Legion will hold a covered dish supper Thursday at 6:30 p.m. and every fourth Thursday of the month at the same time at the Post home on West Bell Street. Bring own table service and a covered dish.

The American Legion sponsors bingo every Thursday at 7:30 p.m. The public is cordially invited to participate.

Grange Hears Early History Of Avon Park

The Avon Park Grange met Tuesday for an open meeting and pot luck supper to celebrate the Bicentennial. Present were 25 members and 15 guests four of the guests will become members.

The new Official Grange Rug was presented to the Grange by Leston and Evelyn Goodrich.

The program was in charge of the lecturer, Evelyn Goodrich. The invocation was given by the Rev. Herbert Graetz, who later gave an interesting account of the early history of Avon Park. Cynthia Foss sang, "Heaven Came Down and Glory Filled My Soul." George Haynie, vice chairman of the Avon Park Bicentennial Committee, took up the history of Avon Park after 1925.

The early citizens really had some exciting experiences with horse racing, ball games and other out-of-the-ordinary activities. Once 5,000 fans came to see Babe Ruth play ball here.

Mrs. T. H. Maxwell, chairman of the Bicentennial Committee, told of plans for the coming year and asked the Grange to help finance the trophies to be presented to school children for essay and speaking contests.

State Grange Master D. Vincent Andrews, of Sarasota, spoke of the founding of The Grange. State secretary, Madelin Andrews said there were 150 active Granges in Florida between 1873 and 1900, but when "hard times" hit Florida they all folded and none were reorganized until in the early 1960s. Cynthia Foss and Edith Casey sang "The Battle Hymn Of The Republic."

Louise Clarke was escorted by Leston Goodrich and Grace Warner as she presented the American Flag to the Master, Miriam Debo for a dedication ceremony. The thought for the day was "God made the country - man made the city."

The next meeting of Avon Park Grange will be held in the Woman's Club Hall on Tuesday, Oct. 28 at 7:30 p.m. Officers will be elected.

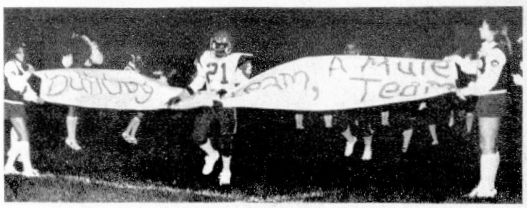
Varsity Has 1-4 Record At Midseason



CO-CAPTAIN JAMES ROSS breaks the Cheerleaders Banner as the team charges on to Memorial Field before the Friday night game with Frostproof., Ross went on to earn back of the week honors as he led in rushing and scored a T.D. Photo—Miller.

Bulldogs Put The Bite On Red Devils

The Red Devil varsity football squad will open the second half of the 1975 season with a dismal 1-4 record tomorrow (Friday) night here at Memorial Field against the North Fort Myers team. But the Devils will go into the game with a new spirit after coming within three points of upsetting the Frostproof Bulldogs here last week.

Coming off the best game they have played so far this year, Avon Park is looking for a new start against the west coast team. Following this week's game, the Devils will host Fort Meade next Friday in homecoming and will then take on Bartow here the following week. The last two games of the season will be in Okeechobee and in Sebring.

The final score of the Avon Park vs Frostproof game last week was 21-18 but the Bulldogs knew they had been in a ball game after an inspired Red Devil squad forced them to come from behind for the win.

Big defensive lineman Melvin Collins sparked the Red Devil squad early in the second quarter when he picked up a Frostproof fumble on the Devil 45-yard line and ran it in for a touchdown. Collins recovered two more fumbies, blocked a pass, sacked the quarterback and made nine unassisted tackles and aided in many others during the fame

Frostproof opened up the night scoring with a 43-yard pass play from quarterback Arthur Lewis to fullback Terry Williams. The pass was a perfectly executed screen up the middle on fourth down from the Avon Park forty-three yard line. Tony Maloy kicked the extra point to put the Bulldogs out from 7-0.

Late in the first period, the Bulldogs almost scored again but Charlie Glenn recovered a Frostproof fumble in the Avon Park end zone to stop the threat and give Avon Park possessionn out on the twenty. A forty yard pass from Lewis to James Hart had put the ball on the Devil five before the Bulldogs fumbled into the end zone.

Avon Park's big break came early in the second quarter. On fourth down at the Red Devil twenty, Lewis dropped back to pass and was rushed by the Red Devil line. He lost back to the forty and then fumbled. Collins ran by and picked the ball up at the forty-five and raced the fifty five yards into the end zone to score for Avon Park. James Ross was stopped short of the goal line attemping to score the two conversion points and the Devils trailed 7-6. The inability of the Devils to score extra points proved their undoing.

On the last play of the first half, Avon Park passed long from the Frostproof thirty trying to score again but a Bulldog defender intercepted to close out the half. Timmy Massey punted four times for Avon Park in the first half for a 38-yard average to keep the Bulldogs pushed back.

Early in the second half the Avon Park offense scored after Melvin Collins had recovered a Bulldog fumble at the fifty yard line. Devil halfback James Ross broke through the Frostproof line and scampered forty-two yards before he was brought down from behind at the eight yard marker. On fourth down from the three, Timmy Massey bulled through for the TD to put Avon Park out front 12-7. This time Avon Park tried a pass for the two-point conversion and it failed.

Frostproof came right back with a fifty-four yard drive after a thirty-five yard kick-off return to score again. Terry Williams was the big gun in the Bulldog drive. He returned the kick-off and then picked up thirty three of the yards needed for the TD. Williams went right through the Avon Park middle for the last twenty yards and the score. A fifteen yard pass interference penalty against Avon Park aided the Bulldog drive. The kick for the extra point was not good but Frostproof had a 13-12 lead.

Avon Park then drove down to the Bulldog eleven on the best drive of the night for the Devils. James Ross, Freddy Moore and Timmy Massey took turns grinding out the yardage as the Devil offensive line opened down. That didn't stop the Devils however as Melvin Collins picked the ball out of the hands of Terry Williams on the first Bulldog play and gave Avon Park possession at the eleven again. The Devils inched down to the one for a first down with Massey getting two, Ross gaining two more and Freddy Moore picking up two and Massey moving it inside the one. Then Ross sliced through for the TD and Avon Park led again 18-13. But the run for the two points failed for the third time and there was over eight minutes left in the game.

With just over six minutes left on the clock, Anthony Gaines intercepted a Bulldog pass at his own nine yard line and it looked like Avon Park had a big win. But a Devil back burst through for a ten year pick up only to fumble the ball at the twenty and Frostproof recovered. A controversial penalty on the Devils moved the ball to the fifteen and Avon Park came up with only ten men on the field. Williams swept around right end and jaunted into the end zone untouched for the winning Frostproof TD.

The Devils has been caught off guard after a long argument between the official and the coaches concerning the previous penalty. A fake kick and a pass from Mike Hurst to Arthur Lewis was good for two points and Frostproof had the 21-18 lead.

Avon Park drove out to its own thirty-five but punted on fourth down with 11 yards needed and Frostproof just ran out the clock to preserve the victory. The Bulldogs had won in spite of four fumble losses and one pass interception by the Devil defense.

James Ross had his best night running the ball for Avon Park. He gained 111 yards with 21 carries and caught the only pass for a ten yard gain. Timmy Massey was used sparingly carrying only ten times and gaining 33 yards.

Freddy Moore picked up 41 yards with 11 totes and Charles Anderson carried only once for no gain. Jackson completed one of five passes and had one intercepted.

The Devils drew only thirty yards in penalties but the big fifteen yarder for pass interference really hurt the Avon Park cause. Frostproor had only two penalties accepted for ten yards.

In first downs it was Avon Park 9, Frostproof 14. Avon Park outrushed the Bulldogs with 185 yards to 15 but. Frostproof picked up 86 yards through the air while Avon Park had only 10 yards of passing. Massey had his best night punting as he kicked five for a 37-yard average. Frostproof punted twice for a 36-yard average.

There was no question but that the Red Devils played better football than they had in the past. The offensive line, with newcomer John DuPriest leading the way, moved the Bulldog defensive line out better than in previous games. The Devil defense had inspired moments after big Melvin Collins fired the team up with his aggressive play.

John Mickunas had his best defensive night with at least eight tackles and several assists. James Ross was given credit for six tackles and four assists as he played an outstanding game both ways.

Rufus Wilson, the Devil linebacker, turned in a fine performance with six tackles credited, and three assists.

James Ross was voted back of the week for his efforts in the game last week and Melvin (Rootman) Collins won the lineman of the week.

Vi Marrow Upsets Ladder

Big upsets highlighted the action of the South Florida Junior College Tennis Ladder during the past three weeks. Moving to the top of the ladder as of Oct. 17 was Vi Marrow who, after losing to Matt Richardson (3-6, 6-4, 7-6) in a three hour marathon, came back to defeat Jim Taman (6-0, 6-0) and Grant Stallard (5-7, 6-2, 6-3). Stallard, who had earlier taken over the top position from Kevin Murphy with a (6-4, 7-6) victory, moved into the second position. The latest ladder standings in order are as follows: Vi Marrow, Grant Stallard, Kevin Murphy, Troy Hamlin, Jim Taman, Matt Richchardson, Rob Graddy, Tod Thomas, Pam Rose, Mike Able, Debbie Revell, Mike Wauhop, Ken Miller, David Collins, Dan Shepard, Joel Deriso and Keith Conroy.

The top four players on the ladder will have an opportunity of competing for the 1975-76 SFJC Tennis Scholarships. The scholarship playoffs are scheduled for December 6, 1975, at the SFJC tennis courts.

Red Devil Sets Course Record

Alphonso Williams set a new course record as he took individual honors at the Hardee Invitational last Friday afternoon with a record shattering 14:38 time for the 2.8 mile course. Previous record was 15:21 and was held by Ron Meeks of Bartow. Alphonso was able to outdeel Meeks in a classic finish in posting his most important victory to date. Williams is rated one of the top 2A runners in the state.

Despite Williams outstanding performance, the Devils finished a dismal seventh out of eight teams competing as Bartow won team honors. Co-captain Jack Collins missed the meet with a leg injury but hopeful will be back in full strength by the time the Devils travel to Sebring on October 28 for a meet against Sebring and Frostproof. The Devil runners will be idle this week.

"Other than Al's race, we simply did not run well," said Brojek. "Perhaps we have our bad race behind us now and if we get everyone healthy we should be able to send a team to state."

H. R. C. Final Pace

Jerold Mott of Wauchula won the Highlands Runners Club 5.2 mile run this past Sunday with a 31:30 time at the Avon Park High School. Second and third spots in the race went to Michael Conner and James Hamilton both of the 13-19 age group. Conner had a time of 31:43 and Hamilton ran it in 32:20.

Coach Chet Brojek captured the fourth spot in 32:27 and also took top honors in the 30-39 age grouping. Brojek was closely followed by Alphonso Williams in 32:28 and Jesus Garcia with a 32:29 time. Garcia won the troohy for the 20-29 age group.

Dr. George Butz placed eighth overall and first in the 40 and over category. His young son Matt took top honors in the 12 and under grouping. Coach Joe Baker in ninth with a 33:57 time and Pep Hutchinson in tenth with a 34:18 effort placed second and third respectively in the 20-29 age grouping.

Several club members will go to Lakeland this Saturday for a 2.9 mile run. Next month the Highalnds Runners Club race will cover an eight mile distance. Anyone desiring information concerning the Highlands County Runners Club may contact Chet Brojek at 453-6604 during the week. All ages are welcome.

Volleyball League Results

The Men's Volleyball league continued their scheduled games last week with the following results: Tuesday, Oct. 14, the only game played was on court no. 2 with the "Sebring Six" beating First Baptist Red by the scores of 21-2 and 21 to 9.

Thursday's action had the Seventh Day Adventist meeting Wells Motor Company on court no. 2 at 7:30. Seventh Day Adventist pulled out the match with two close wins, 21-14 and 24-22.

The second game on court no. 2 was won by, the undefeated First Baptist Blue team. The team members for that First Baptist Blue squad are; Lawler, Wells-captain, Jerry Wicker, Curtis Nelson, Ben Hitson, Tommy Bean and Virgil McInvale. The scores in that match with Firs Baptist Red were 21-5 and 21-10.

There is still room for another team in this league. They play every Tuesday and Thursday evening at 7:30 and 8:30 p.m. A winner's trophy and a runner's up trophy will be awarded to the top two teams. A Post-Season Tournament involving the top four teams will start one week after regular schedules games end.

H.C.T.A. Results

Vi Marrow regained the number one position on the Highlands County Tennis Association's women's "A" singles ladder last week with an 8-2 victory over Evelyn Reeder. Eric Annett held on to the top spot on the men's "A" singles ladder with a 6-2, 6-1 defense of his position over challenger Al Marrow.

The month-long South Florida Junior College Tennis Classic has kept members of the H.C.T.A. busy limiting play on the seven ladders. The most action came on the women's "A" singles ladder. Trudy Wyatt knocked off Jeannie Cox 8-5 to move to the number two position and then Wyatt defended against a challenge from Pat Lagoni with an 8-0 win. Susan Franza challenged Mary Jane Lloyd and lost 8-0 and Judy Rewis moved up to the eighth rung with an 8-5 win over Cherri Cox. Snady Beck joined the "A" singles ladder at position number thirteen.

Anna Vilkaitis won over Judy Mercer 8-1 to hold on to her fifth rung on the women's "B" singles ladder and Delories Cox defended her twelfth position with an 8-7 victory over Elsa Kahn.

Peggy Sisemore and Lucy Derkman held off a challenge from Jeannie Cox and Cherri Lee and remained number one on the women's doubles ladder with a 6-1, 6-2 win last Sunday afternoon. There was no action on the men's doubles ladder.

In addition to the Annett vs Marrow match on the men's "A" singles ladder, Eugene Bengtson defeated Bob Baker by a score of 6-3, 6-0 to stay on the tenth rung and Charles Jordan won over Bob Teugal 6-4, 6-0 to advance to the sixth position on that ladder.

Danny DuBose won a match over Larry Johnson by forfeit and then lost his challenge to Wesley Mercer by a score of 7-5, 6-4.

There will be a meeting of the Highalnds County Tennis Association on Wednesday, November 5 at 7:30 p.m. at Portable 23 at the Sebring Middle School.

In India, ape weddings are occasionally performed by the clergy.

Skeeters Sting Again For Their Fifth Straight Win

The Middle School sized Red Devils under Coaches Hoppy Rewis and Joe Baker made it five wins in a row when they tallied up a 20-16 win over the junior sized wildcats of Wauchula, Tuesday night.

All three touchdowns came by way of the aerial route. For the first TD, Jeff Adams sailed the ball to Timmy Cribb for the counters and he connected with David Sisemore for the second pack of six points. The third TD came when Timmy Cribb returned the favor with a pass to Jeff Adams for increased tally.

Greg Westbrook put the two extra points after touchdown with a run over the goalline.(See details next week)

Next Tuesday, October 28, the Red Devil Middle School team will come back home to Memorial Field to take on the Lake Placid Green Dragons in a return game. The Avon Park boys won over the Dragons 26-0 down there earlier this year.

Last week in the Sebring game played here at Memorial Field, The Devil Skeeters wrapped up their fourth straight victory with an 18-0 shut-out over the young Blue Streaks. Coach Hoppy Rewis and Coach Joe Baker both praised the plat of the offensive line. Rewis said he felt the tackles had one an especial fine job against the Sebring boys. The coaches also commented on the good job of blocking done by halfback Greg Westbrook which opened up holes for running backs Timmy Cribb and Jeffery Adams. Cribb toted the ball 15 times for 60 yards of rushing as he seemed to come into his own in the second half of play against the Streaks.

The first half ended with no score on the boards for either team. Then the Devils came out and took the lead with a touchdown scored from about six yards out by Jeffery Adams took a quick ptich from quarterback David Sisemore and raced around right end for the TD. The run for the extra points was no good.

Avon Park scored again in the third quarter when Adams slashed through off-tackle for a four yard touchdown run. Again the extra point attempt was stopped short but the Devils had a 12-0 lead going into the final quarter.

The final Avon Park touchdown was scored by Enoch Caldwell with a quick pitch run around right end from about five yards out. Tim Cribb had moved the ball close to the Sebring goal line with some good runs to set up the TD. The extra point try was stopped short again but Avon Park had an 18-0 lead and the Devil coaches cleared the bench with reserves for the remainder of the game. A Sebring TD against the reserves was was called back by a penalty and the fame ended with Avon Park on top 18-0.

Jeff Adams gained 93 yards with 16 carries and David Sisemore picked up 25 yards with 5 carries for a 5 yard average. Cribb ground out his 60 yards with 15 carries for a total of 178 yards against the Streaks.

Members of the Avon Park junior high team are mostly eighth graders with one ninth grader and about ten seventh graders. There are over forty boys on the young squad and most of them saw some action last week against the Sebring team.

Historical Society To Raise Funds For Crosby Grave Marker

"Florida has a greater variety of historical structures than other states," declared Hampton Dunn, editor, author, historian as he spoke to the Avon Park Historical Society at their annual dinner and business meeting last Friday noon. And he noted that Avon Park is further along than most cities in collecting historical memorbilia.

To know where we are going, Dunn told the group, we must know where we have been and old structures provide a part of that knowledge.

Historical pollution hides historical heritage, stressed historian Dunn and he cited the example of politicians trying to tear down the old capital building at Tallahassee and replace it with a high rise. He told of the ten year battle to have the cape's name changed back to Cape Canaveral.

The solution to this historical pollution is finding the answer to preserving the state's structures such as the ante bellum McDougal House and the Daughters of Confederacy fight to restore the Patton House at Ellington.

Dunn told his listeners you (the public) must decide when your land ceases to be your land and is subject to overall land planning which often destroys old structures to build high rises. He continued that the saving of old homes, county and state structures is like dragging a cat backwards through a briar patch.

Historical pollution is an indifference to the destruction of historical buildings and needless contempt for historical structures and the environment. Historical structures, Dunn said, provide the mind with alternate fellings. Some teachers kiss over history too lightly as many history books are written by northerners who do not include enough history of the South and Florida.

Tourist-wise Florida's beaches draw the largest numbers of tourist with historical structures and archiological sites ranking second. Nationally, historical buildings ranked first. Dunn cited examples of buildings from Key West to the Florida Panhandle that were in danger of being destroyed and told how the House of Refuge at Jensen Beach was the only one of ten along the east coast still standing. These houses were built to provide shelter for shipwrecked sailors.

Nature lovers and environmentalists are gaining some victories in the saving of historical buildings as they have advocated taking numerous photographs and measuring the structures inside and outside so our children can reconstruct what we have torn down.

In thanking Hampton Dunn for coming to Avon Park to speak to the society the Rev. H. D. Graetz, president, presented Dunn with a copy of the History of Avon Park and stated that the Congregational Church was the oldest church in continuous use on the lower Florida ridge. It was built by public subscription and was the only one in Avon Park for a number of years.

In speaking to the society Mayor Marshall Davis stressed the talent of the singers, Evelyn Jones, Beverly Mann and the pianist Evelyn Delk and stated that Evelyn Jones and The Young Highlanders did more to advertise Avon Park than anyone or any group.

In calling for the farthest town represented, Mr. and Mrs. Jack Stoll were from Tampa and Mr. and Mrs. Gustav Sparre from Winter Park. Miss Daisy Smith at 92 was the oldest person present. The oldest married couple were Milford and Bertha Dilley, married June, 2, 1924 on Merritt Island. They had met in school at Avon Park.

Tribute was paid to the deceased, "To keep memories bright always". The annual dinner and meeting was held last Friday which would have been the birthday of Cora Wray.

Tribute was also paid to Oliver M. Crosby, founder of Avon Park who, after the freeze destroyed the citrus groves, had only enough money to buy a ticket back to New York. Crosby spent the last years of his life in a county home in Largo. But he was humble enough to come to the Avon Park town council asking for permission to be buried in Bougainvillea cemetery which he had donated to the city.

It was moved and passed by the Historical Society to raise funds for a suitable monument on Oliver M. Crosby's grave. Parson Graetz told the group "As you leave drop some money in the dishpan at the door."

In the election of officers the following were reelected: the Rev. H. D. Graetz, president; Jack DeLaney, vice-president; Leoma Maxwell, secretary and Grace Boney, treasurer.

THE MALL, AVON PARK, FLA.

A COLORED PICTURE postcard, brought to Avon Park by John and June Barker from Sawley, England shows the Mall in 1923 or 24. George Haynie and several friends tentatively identified business places at that time. On the left: Avalon theatre lobby, having a sweets shop with offices on second floor; Western Union, Phil Abram's clothing store, First Trust and Savings Bank, Smith McGuinnis Hardware and the Palms Restaurant with the second floor being the offices of the Pittsburgh Florida Fruit Association. On the right, east of Lake Ave. the Brickell building housed the Landress Furniture Store, later taken over by Sappington; Davis 5 and 10 store, Ott's Clothing and the Avon and Carrol hotels. While West of Lake Ave. the Touchton Drug building housed the First National Bank, Touchton Drug store, Epperson Clothing, Jordan Jewelry, Correll Music Shop and Jarrett Barber shop. The Ford sales place on the Mall, back of the bandstand was torn down in 1925 and the Jacaranda Hotel was built in 1926.

Car Damaged By Fire

An auto belonging to Eugene Robert Gorman of Avon Park was damaged extensively in a fire Oct. 15. The blaze broke out in the rear end of the vehicle as Gorman was driving along State Road 17 between Sebring and Avon Park.

The Highlands Association on Children Under Six (HACUS) will hold its monthly meeting Monday, 7:30 p.m. in the home economics room at South Florida Junior College, Avon Park.

There will be a panel discussion and films will be shown. The theme is "Early Childhood Development," with a panel consisting of Mrs. Sue Brown, teacher of the early childhood course at SFJC; Mrs. Maryanne Reddick, teacher at Avon Park Elementary School and Mrs. Jacqueline Perry, supervisor of the migrant early educational program.

Refreshments will be served and the public is welcome.

Butler Named Forestry Investigator

James Butler has recently been appointed Forest Investigator with the Division of Forestry in Okeechobee according to Van Murphy, District Forester of the Okeechobee District.

Butler's primary duties will be in the investigation and prosecution of violations of Florida's fire laws as they relate to open burning. His previous experience in law enforcement includes six years with the Leon County Sheriff's office and two years with the Liberty County Sheriff's office. Butler also has a BS degree in criminology from Florida State University.

Mr. Butler's family includes his wife Janet, a son Harry 6 years of age, and a daughter Amy, 8 years old. Jim and his family are presently residing at Oak Lake apartments in Okeechobee.

District Forester Murphy stated that Butler's area of responsibility will be the entire Okeechobee District which includes Okeechobee, Highlands, Glades, Martin, St. Lucie, and Indian River Counties. In carrying out his duties, Butler will work closely with other law enforcement officers oe these counties.

Locker Losses Total $165

MIRACULOUSLY, THERE WERE no injuries when the vehicle above, driven by Mrs. Deana Mae McClelland of Lake Placid, ploughed through the brick wall at Hillcrest Nursing Home north of Avon Park, turned just short of hitting the building and stopped in the position above just a few feet from a patio where several wheelchair patients were sitting. Bricks from the wall flew up and landed on the windshield which didn't break. Photo—Gobble.

Auto Ploughs Thru Wall At Hillcrest

Miraculously, no one was injured when a 1974 Ford LTD ploughed through the double brick wall at the front of Hillcrest Nursing Home and traveled some 100 feet stopping just short of a patio where several wheelchair patients were sitting.

The car, operated by Mrs. Deana Mae McClelland of Lake Placid, traveled straight toward the building to within a few feet of the building then swerved to the right toward the patio.

Had it continued on the straight course, it would have hit the building at a point where two bedfast patients were just inside in front of a window.

Seconds before the mishap, Sammy Collins, who had been mowing the grass had shut off his mower and moved to another area. He had been working directly in the path the auto took. Kendrick Trim was working at the gate a very short distance from the point of impact with the fence.

Mrs. McClelland said she started to stop her car in the parking space and accidentally hit the accelerator instead of the brake pedal. The investigating bkicer, State Trooper W. R. Hough, was heard to remark, as he arrived and looked at the car's track, "Accelerating all the way." Deep tracks were left on the newly mowed grass.

Bricks from the fence landed against the windshield of the car and tore the chrome trim from the bottom of the windshield area and broken bricks lodged on the front bumper attachment next to the car body.

The windshield did not break and the only other apparent damage to the vehicle was the left rear fender which struck a small tree immediately after hitting the fence.

Mrs. Lillie Smith, of Lake Placid, a passenger in the auto, was also uninjured, although both women were shaken and upset.

Mrs. McClelland was issued a citation for reckless driving by Trooper Hough.

THE ABOVE SHOT SHOWS how close the car came to wheelchair patients before its operator, Mrs. Deana Mae McClelland managed to stop it, after it plowed through a double brick fence and traveled some 100 feet. Mrs. McClelland said she accidentally hit the accelerator instead of the brake pedal. Had the car gone straight into the building it would have hit a window where two bedfast patients lay just inside. Photo—Gobble

Newsome Celebrates 75th Birthday At His Home

Roger Newsome celebrated his 75th birthday with a party in his home at 1301 N. Central Ave. Sunday. Following a birthday supper and cake Newsome opened many gifts.

Newsome is still active in the position he has held for 50 years with Ben Hill Griffin Jr. fruit industry.

Those present to help celebrate the occasion included Mr. and Mrs. Will Lowlin, Mr. and Mrs. Ken Mallard, and daughter, Beth, Mr. and Mrs. Mac Linnin and daughters, all of Frostproof; Mr. and Mrs. Wayne Newsome, Leta and Kim, Mr. and Mrs. Wayne Slade, Toger and Keith, and Jim and Med Hill, all of Sebring; and Gladys Shank, Lucille Stone and David and Carolyn Ferguson, all of Avon Park.

SHADES OF THE founding fathers of the Halloween season how can those pioneer ladies (Carol Ann Owens (left), Tami Warner and Deena Tondee) stand there and calmly read Mayor Davis' proclamation that the Halloween Parade and Carnival will be on Oct. 25, while the poor skunk Edmond Swearingen tembles as frontiersman Kenny Warner, warns him not to come any closer. Grange Emphasized Bicentennial At Meeting

The Ridge Pomona Grange met with the Avon Park Grange as hosts Oct. 11. Master Louise Clarke presided at the meeting.

At the beginning of the lecture's program roll was called with the 20 members present and 1 visitor from Massachusettes answering as to what they think the business of the Grange is. The general opinion was that it is to make for better homes, communities and nations. To have good fellowship and do all they can to help others in need.

The emphasis of the program was based on the Bi-Centennial using a special informative program suggested by the National Lecturer Brother W. J. Brake. Why did we become a Nation?

Six members of the Grange told about some of these incidents which led to our becoming a nation.

For a little fun and to see how much we know about our own country all were asked to take the letters of their first name and tell of a city or state where they have been or would like to go and a little about it. It was informative and fun for we went all over the country and even decided to go to Europe and Hawaii.

The program closed with this thought: "If you have spells of despondency, don't let it worry you, the sun has a sinking spell every evening."

The next meeting will be with Lake Placid on Nov. 8 with a special program on "Blessings."

Land Bank Stockholders To Meet Stockholders

The annual stockholders meeting of the Federal Land Bank Association of Wauchula will be held at the Highlands County Agri-Civic Center Wednesday, Oct. 29. The meeting will convene with a charcoal steak luncheon served at noon.

Featured speaker will be Winston K. Pendleton, a nationally-known public speaker and writer. He is the author of the national best seller Pursuit Of Happiness.

Other activities will include a report on the association's progress during the past year, election of one director and nominating committee.

Directors of the Federal Land Bank Association of Wauchula are R. P. Dunty Jr. of Lake Placid, chairman of the board; Jack Cliett of Wauchula, vice chairman; Irven Locklar of Bowling Green; Edgar Davis of Wauchula and Leonard C. Smith of Sebring.

The association makes long-term loans to farmers, growers and ranchers in Charlotte, DeSoto, Glades, Hardee, Highlands, Hendry, Lee Manatee and Sarasota counties. Full service branch offices are located in LaBelle and Lake Placid. The association is entirely owned by the members it serves.

SPEECH PROFESSOR LYNN MacNeill of South Florida Junior College became president of the Ridge Association for Retarded Citizens upon the resignation of President Franklyn Ward. Photo — Ward.

MacNeill To Head Ridge Association

Lynn MacNeill, a professor at South Florida Junior College and resident of Avon Park Lakes, stepped into the presidency of the Ridge Area Association for Retarded Citizens last week, succeeding G. Franklyn Ward, Avon Park.

MacNeill had been elected to the RAARC Board of Directors in April and elected first vice president in September to replace Mrs. Joanne Powers, Sebring. Both MacNeill and his wife Edie have been long-time volunteers in programs for the retarded carried on by the association.

Ward, who served as president last year and as first president of the association when it was formed in 1957, resigned at the Executive Committee meeting Oct. 15. MacNeill requested Ward to serve as chairman of the countywide fund drive scheduled for November. Ward will continue to serve on the RAARC board.

Don Waldron of Lake Placid, area officer with the Florida Probation and Parole Commission, moved up from second vice-president to first vice president of the association. Other officers are Mrs. Tom Jones, secretary, of Sebring, and Pat Chambliss, Sebring, treasurer.

MacNeill is an instructor in Speech and Drama at SFJC. His wife is a kindergarten teacher at E. O. Douglas School. They have one son, Darren, known for his skill in Little League baseball.

APHS Journalism Class

New Curriculum Lab Introduced At School

A new curriculum lab has been introduced to Avon Park High School this year and is designed to provide the students placed in the class tutorial assistance and basic instruction in any areas in which they are having difficulty.

The primary objective of the curriculum lab is to develop a positive self concept within the student.

Mrs. Leon Garner, the Curriculum Lab instructor, and her aid Mrs. Wayne Cribb have both had training in self-enhancing education and in transactional analysis. These methods are used extensively in conferring with students concerning their learning problems and in classroom management.

The curriculum lab is open every period during Monday, Tuesday, Thursday, and Friday for identified students to return to when they need extra help. To be placed in the curriculum lab as a regular student, a student must complete a battery of tests, which are determined by the State Department of Education, to identify the students area of need. The testing is done on Wednesday and is administered by Mrs. Garner to those students who have been referred by other teachers and, or the guidance personnel.

The services are available to any student in school and include taped lessons from any textbook and conferences by appointment to work on academic problems. Many students are receiving clinical reading instruction.

The "taped lesson service" is made possible by Wyse's Speech and Drama class.

The regular students remain in the program until the need for additional support is no longer present. This decision is based on information from the student's regular classroom teachers, the curriculum lab personnel, the school administrator and the student himself.

One credit will be applied to each student's graduation as an elective.

Mrs. Garner is excited about the cooperation she is receiving from the academic teachers in the high school.

Mrs. Garner also feels that every student has the ability to improve in any area in which he desires improvement and spends much time helping students set priorities as to where they will spend their time and energy.

A varied reaction was received from the students of the curriculum lab. Some students were contented with the class, and said it was helping them. Otherrs seemed to disfavor the class because it involved too much work.

BROTHERS SENTENCED

Two brothers from Avon Park have been placed on probation for possession of Marijuana. Ronnie and Alfred Rickey Jackson were arrested March 9 after law officers found nine plastic bags of the illegal substance in the Jacksons' possession. The brothers are to be on probation for 18 months and pay fines of $150 each within six months.

Conservation Meeting Set

A slate of four knowledgable speakers will be on hand for a countywide educational and informational meeting on the preservation and restoration of Highlands County lakes and waterways at the Agriculture Civic Center Nov. 3 at 7 p.m. sponsored by the newly formed Highlands County Lakes Protection Association, Inc., Mrs. Carol Boley, interim president of the group, has announced.

The slate of speakers includes State Sen. Walter Sims; Phil Edwards, sub-district manager, Department of Environmental Regulation, Southwest Region, Fort Myers; Tom Drda, aquatic botanis, Florida Game and Fresh Water Fish Commission, Lakeland; and C. E. Hepperger, president, Lake Improvement Association, Inc., Lessburg.

There will be a panel of local officials to assist with a question and answer session which is scheduled following the speakers' presentations.

The purpose of the meeting is to present county residents with an informative, educational program and to encourage residents, organizations and officials to join together in a common interest.

The meeting will not solely be for membership purposes in the new organization which is designed to unite all residents in the goal of saving the county's lakes and waterways.

Local, county and state officials and all interestred persons are invited and urged to attend the meeting. Mrs. Boley said. Invitations are also being issued to the Cattlemen's Association and citrus industry people as well as businessmen and sportsmen. All are encouraged to attend.

Mrs. Boley, individually, started the move to form the countywide lake and waterway protection association which has resulted in initial steps to organize the association.

A group of interested citizens meeting in Sebring last week chose the name for the association and selected interim officers including Mrs. Boley as president. Chosen to serve with her was Mike Swain, vice president; Bob Terrell, secretary-treasurer; Mrs. Norma Gobble, publicity chairman; and Loren Issacson, assistant publicity chairman.

A board of directors will be chosen from various parts of the county, to insure proper representation of all areas of the county and to keep the association informed on developments in each area which might present a potential danger to the waters of the county.

A LAKE PROTECTION ASSOCIATION organization got underway with a meeting early last week in Sebring which will encompass all of Highlands County with emphasis on protection and restoration of all lakes and waterways in the county. A name for the group, the Highlands County Lake Protection Association, was chosen and interim officers were elected by those present. They are, left to right, Mike Swain, vice president; Bob Terrell, secretary-treasurer; Loren Issacson, assistant publicity chairman; and Mrs. Carol Boley, president. Straight as an Arrow

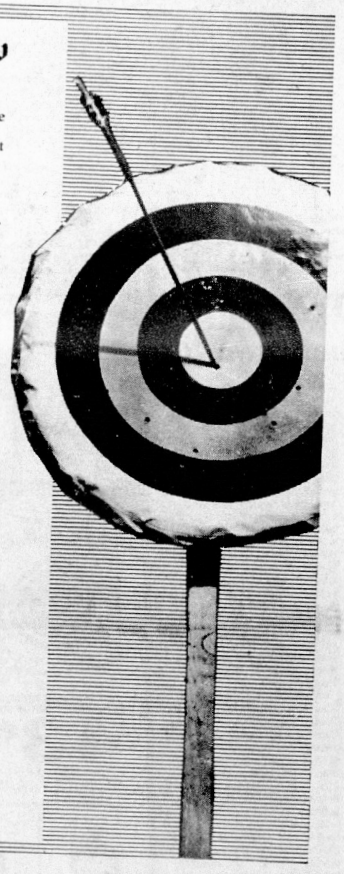
In Archery you score only when you hit the target. To score well, you must have straight arrows.

When you attend church, it makes it easier to stay on the straight path. The church wants to help you in all ways of life, but can only do so, if you stay within its circle. Attend church and know the joy of a good life.

"For God is not the author of confusion, but of peace, as in all churches of the saints."



EVERYONE IN THE CHURCH
THE CHURCH IN EVERYONE

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Damage Suit Settled

A damage suit growing out of the death of a volunteer fireman has been settled out of court.

The suit was filed in August 1974 by Linda Ledbetter Cambigue. Her husband, the late Daniel Bruce Ledbetter, of Avon Park died as a result of injuries and burns suffered when he fell while fighting a fire at the home of Paul Moore on West Shore Blvd., Avon Park, Sept. 29, 1972.

Moore and Horace Mann Insurance Co. were defendants in the suit. Moore died Jan. 24, 1975. Representatives of his estate joined with the plaintiff in filing a joint motion for dismissal of the damage suit.

Circuit Judge J.H. Dewell signed the order, dismissing the suit with prejudice to all parties and stipulating that each party would bear its own costs.

JOINT PUBLIC NOTICE

U. S. Environmental protection Agency Region IV, Water Enforcement Branch 1421 Peachtree Street, N.E. Atlanta, Georgia 30309. 404-536-5291,

In conjunction with

Florida Department of Environmental Regulation Commodore Building, Suite 101 3444 McCory Place Orlando, Florida 32803 305-894-6541

Public Notice No. 76FL0032. October 23, 1975

NOTICE OF PROPOSED ISSUANCE OF NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM PERMIT AND NOTICE OF CONSIDERATION FOR STATE CERTIFICATION

The U. S. Environmental Protection Agency proposes to issue a National Pollutant Discharge Elimination System (NPDES) permit to Florida Power Corporation, 3201 34th Street South, St. Petersburg, Florida 33711 for the Avon Park Plant, 1415 South Highland's Avenue, Avon Park, Florida 33825. NPDES Permit No., FL0035500. Applicant is engaged in the generation of electricity from oil-gas, SIC Code No. 4911 and describes one existing discharge to Lake Lotela from the plant site which is located on the west shore, (latitude 27 degrees 34'53" , longitude 81 degrees 19'28"). The receiving water is classified by the State of Florida as Class III, recreation, propagation and management of fish and wildlife.

The proposed NPDES permit contains limitations on the amounts of pollutants allowed to be discharged and was drafted in accordance with the provisions of the 1972 Amendments to the Federal Water Pollution Control Act (P.L. 92-500) and other lawful standards and regulations. The pollutant limitations and other permit conditions are tentative and open to comment from the public.

Persons wishing to comment upon or object to permit issuance or to the proposed permit limitations and conditions are invited to submit same in writing within thirty days of the date of this notice to the Enforcement Division, U.S. Environmental Protection Agency, 1421 Peachtree Street, NE, Atlanta, Georgia 30309, ATTN: Mona E. Ellison. The application number and/or NPDES number should be included in the first page of comments.

All comments received within the 30-day period will be considered in the formulation of final determinations regarding the permit. Where there is a significant degree of public interest in the proposed permit issuance, the EPA Regional Administrator will hold a public hearing.

After consideration of all written comments and of the requirements and policies in the ACT and appropriate regulations, the EPA Regional Administrator will make determinations regarding permit issuance. If the determinations are substantially unchanged from those announced by this notice, the EPA Regional Administrator will so notify all persons submitting written comments. If the determinations are substantially changed, the EPA Regional Administrator will issue a public notice indicating the revised determinations. Requests for adjudicatory hearings may be filed after the Regional Administrator makes the above-described determinations. Additional information regarding adjudicatory hearing is available in 39 F.R. 27001 or by contacting the Legal Support Branch at the address above or at 404-526-5268.

A fact sheet containing additional details about the application and the proposed determinations, a sketch showing the exact location of the discharge, and additional information on hearing procedure, is available by writing or calling EPA. A copy of the draft permit is also available from EPA. The application, comments received, and other information are available for review and copying at Room 305, 1421 Peachtree Street, Atlanta, Georgia, between the hours of 8:15 a.m. and 4:30 p.m., Monday through Friday. A copying machine is available for public use at a charge of 20 cents per page.

The Region IV Office of the EPA has requested the Florida Department of Environmental Regulation to certify that the above-named applicant(s) will comply with Sections 301, 302, 306, and 307 of the Federal Water Pollution Control Act, as amended. Comments on issuance of certification including a request for a public hearing, must be submitted to: Mr. John Jackson, NPDES Permit Section, Florida Department of Environmental Regulation, at the state agency address above, within thirty (30) days of the date of this public notice.

Please bring the foregoing to the attention of persons who you know will be interested in this matter.
