AVOCADO IN ASPIC WITH FRESH SHRIMP

2 envelopes gelatin
½ cup cold water
3 cups seasoned chicken broth
1 avocado (about a pound), halved
Fresh lime juice
1 to two teaspoons grated onion
1 cup diced, cooked shrimp or chicken, cucumber or celery, or a combination of these

1. Soften the gelatin in the cold water. Heat, stirring, till dissolved. Add broth and cool to room temperature.
2. Cover bottom of a six-cup ring mold with a layer of gelatin. Chill till firm. Meantime peel avocado. Cut about six thin slices. Chop the remainder coarsely. Sprinkle all the avocado with the lime juice.
3 Arrange the sliced fruit on the hardened gelatin. Cover with a layer of liquid gelatin. Chill again till form.
4. Combine rtemaining gelatin, remaining avocado, onion and shrimp. Add to the mold. Chill till firm. Unmold and serve with mayonnaise. Center may be filled, if desired, with additional shrimp, marinated cucumbers or grapefruit sections.

Yield: six servings.-

IT'S HISTORY!

In early America homes were not even well lit during the day. After g'ass for windows became read- available, the English levie tax on it. And so homes were built with oiled-paper windows, which did not let sufficient light pass through.

• • •

In the nineteenth century, people read or worked at night by oil lamps or gas lights. But in 1879, Thomas Edison invented the incandescent lamp and illuminated the future of lighting history.

Lighting caught on quickly because in 1892 the first night football game was played to the blaze of 20 electric lights in Mansfield, Pennsylvania.

Godwin Home Built In 1913 Yard Of The Month

When Helen W. Godwin came to Avon Park with her husband in 1912 the site of her present home at 324 W. Bell St. was surrounded by virgin pine. Her two story home was built in 1913 of heart pine and they moved into their new home on Jan. 18, 1914.

In talking about her home as the "Yard of the Month" Mrs. Godwin recalled that the bushes, shrubs, flowers and trees were not set out by the book. What they saw and liked they planted.

In growing over the years the bushes and shrubs have grown so closely as to give a look of solidarity and permanence with scattered blooms against a solid green background.

The larger palms along Bell St. are about 50 years old with a heavily foliaged cherry laurel tree to the left of the house. Fruit trees planted to the sides and rear of the house are: Avocado, guava, limes, grapefruit and oranges. Mrs. Godwin also has pineapples growing, which she believes many people could raise with little effort.

Most of the bushes are tropical by nature and include single and double hibiscus with pink and yellow blossoms, ixora, croton, pink and red azaleas, red, white and pink camelias, bouganvillea, red and yellow dwarf pionciana and gardenias.

There are roses, banana bushes, surinam cherries, aralia, dracena a lavender flowered vine plus other plants. On the porch Mrs. Godwin has a large potted fern and a Christmas Cactus.

In talking about her yard Mrs. Godwin recalled her early years of helping her mother with the farm at Wauchula, so taking care of her flowers and bushes was no problem. Although lately she has had to curtail some of her outside activity with the shrubbery.

Mrs. Godwin recalled the excitement when the first train pulled into Avon Park on July 4, 1912. She has a seedling grapefruit tree that came from a grapefruit tree frozen in the freeze of 1895 and killed to the ground in the February 1896 freeze.

Mrs. Godwin regrets that we no longer have some of the good things of the good old days that she and her husband G. D. Godwin used to enjoy, such as, when the men could go out at most anytime and bring back a deer, or turkey, quail or other game or a nice mess of fish.

Test Of Time — ABUNDANT SHRUBBERY, PALMS and trees surround the 1913 built home of Mrs. Helen W. Godwin on W. Bell St., which was chosen as the "Yard of the Month" by a committee of the Federated Garden Club of Avon Park. Photo—Miller

Odd Fellows To Hold Special Day

Highlands Lodge No. 74 of the Independent Order of Odd Fellowship will hold a special day for initiation and degree work Saturday, Nov. 15 at 9. a.m. at the Lion's Club building on West Bell Street.

The first will be the Iniatory Degree followed by the other three degrees. This will be for new members already accepted and any new ones who apply before that date.

Fred B. Hughes, Noble Grand, said the lodge is trying to have a class of 15 to 30 candidates. Lunch will be served for all those who attend.

Interested persons should contact any Odd Fellow Lodge member or Fred B. Hughes for information and application blanks. Odd Fellows meet on the second and fourth Monday of each month,.

Hughes said the cost of belonging to the Lodge is nominal considering the friendship and activities during the year.

Shower Honors Barbara Cornell

Mrs. Warren (Barbara) Cornell was honored with a baby shower at the Florida Power Lounge Thursday evening and received many gifts.

The serving table was covered with a white lace table cloth and decorated with two baby booties filled with pink and blue flowers. Around the punch bowl was fresh springeri, and pink and blue pom poms.

The gift table was also covered with white lace and was adorned with a shower umbrella with pink and blue flowers.

Mrs. Cornell was presented with a corsage of pink and blue carnations. The cake was in the shape of a baby carriage. Cake, punch, coffee and nuts were served to some 25 guests.

The hostess gift was a variety of diapers, bottles, crib protector and crib sheets. Hostesses were Mrs. Fran Howard, Mrs. Frankie Turner, Mrs. Bertha Warren, Mrs. Amy Dunne and Miss Janice Turnball.

Hooked---Need It Be Nicotine Or Caffeine?

I CHOOSE NOT TO SMOKE is the slogan of the Five-Day Stop Smoking Clinic ending tonight (Thursday) at Walker Memorial Hospital. Some 30 persons are attending the clinic. Arthur and Gail Farthing of Avon Park were optimistic. They were doing "pretty good so far. It shouldn't be too hard." Both smoked about 30 cigarettes a day each. Photo-Gobble.

SUFFERING FROM ENPHYSEMA, Dale Cole of Sebring just quit smoking. He was smoking 20 to 30 cigarettes a day. On the second night of the Five-Day Stop Smoking Clinic, Cole said he "got by on two" for the day. Mrs. Cole didn't smoke but attended with him to give him encouragement. Photo—Gobble.

By NORMA GOBBLE

When we started talking about the Five-Day Stop Smoking Clinic which ends tonight (Thursday), no doubt some of you leaned back, took another sip of your coffee or cola and smugly said, "I'm glad I never picked up that terrible unhealthy habit."

Well, take another sip of that coffee or cola. Stop and think. You are hooked on caffeine! You don't feel so smug now, do you?

You say caffeine is not as bad as nicotine? well, I've got news for you.

Oh, you don't waste as much money on coffee and cola as we nicotine addicts do on cigarettes? Count it up and you may be surprised.

American consumes $2 billion worth of coffee each year. The figure would probably run higher for cokes. The average coffee user drinks three cups daily. The average cola drinker will consume three a day. And tea, is just as bad.

Why is coffee so popular? Ask any coffee drinker, and he'll tell you: "Gives me a pickup. I can turn out more work. Let's me drive all night when I'd fall asleep without it. Quiets my nerves. Makes me more alert."

How does coffee do all these things, when without sugar and cream, it has practically no food value? How can it impart more energy?

Coffee contains the drug caffeine (timethyl xanthine). And that drug releases some of the energy the body stores in the blood, thus making it available for immediate fuel at the expense of future needs.

It's like buying on credit. You don't have the money now so you borrow from the future. You have the use of the purchased material but the bills come in and sometimes the merchandise is worn out!

So it is with the caffeine-induced energy release. The payment date arrives several hours after taking the drug. Undue fatigue with decreased efficiency and alertness takes its toll, with interest.

Caffeine blocks the normal shutoff mechanisms which ordinarily stop certain body activities at the proper point. A most important chemical, called cyclic AMP is released throughout the body by adrenalin and other hormones to act with the liver to put more sugar into the blood.

When the blood sugar is at the ideal level, another body chemical, phosphodiesterase, shuts off the cyclic AMP and thus regulates the release of sugar into the blood. But along comes caffeine. It knocks out the phosphodiesterase and sugar is released into the blood in damaging amounts.

No wonder there is more functional hypoglycemia among coffee, cola and tea drinkers, and that caffeine definetely aggrevates diabetes.

But caffeine is double trouble. It pulls a similar stunt with fats. Elevated fats and sugar in the blood significantly increases the risk of coronary heart attack.

Caffeine also jams the brakes in the brain and nervous system, where another essential body chemical, acetycholine, carries messages from some nerve cells to others. Caffeine prolongs and magnifies the nerve message thus causing tremors, agitation and, sometimes, even convulsions, with large amounts of the drug.

Another well-known effect on the brain is caffeine's sleep stealing. It would be interesting to compare the sense of well-being derived from regular sleep, exercise and good food, which build up the body, with the drugged feeling of well-being from caffeine.

Coffee, cola and tea makes many users so dependant on the stimulation of the drug effect that when deprived, they suffer such symptoms as mental craving, irritability, nervousness, and severe headache, all of which are relieved by a cup of coffee, tea or bottle of cola.

And it's bad news for the stomach. Caffeols joins with caffeine to prod the acid-producing cells of the stomach to make more hydrochloric acid. More acid means more ulcers.

Caffeine has great influence on the heart, blood vessels and even on the blood, and sometimes the different effects are conflicting. It stimulates the heart muscle directly, and by two opposing actions can either slow the rate or increase it. In some people caffeine usually causes palpitation.

Caffeine's action on the blood vessels is also conflicting. It tells those near the skin to dilate and at the same time orders the brain to have them constrict. And while it does cause the coronary arteries supplying the heart muscle to dilate, the heart muscle does not get any more oxygen because the heart has to work harder.

Caffeine constricts blood vessels in the brain and dilates those in the lungs and kidneys — which can decrease a vascular headache and increase urine formation. It also causes a drop in a special enzyme which removes fat from the blood, probably another reason for the quickening of blood clotting.

It has not been proved that caffeine causes heart attacks, just as it has not been proven that cigerattes cause lung cancer, but a study of heart patients show consistently that there is a definite connection.

Caffeine can cause chromosome damage in cells of human beings and damaged chromosomes cause birth defects.

So how much caffeine is in a cup of coffee? It depends on how it is prepared. Percolated coffee contains about 150 milligrams. A cup of instant has 80 to 90 milligrams and decaffeinated coffee, 15 to 25 milligrams. Cola drinks contain 60 to 90 milligrams per average serving and tea is slightly less than coffee.

Natives of Sudan chew kola nuts for a "high." Coffee and tea shows a faster rise of caffeine in blood plasma but cola leaves the caffeine effect for a longer period.

As we look at the whole picture, coffee, tea, cola drinks or cigerattes should have no part in your life if you want the very best health — which means the most ideal functioning of brain and body.

So caffeine inbibers, we're not just fighting the nicotine battle in the Five-Day Stop Smoking Clinic, we're trying to give up caffeine, too. Can you give up your caffeine?

More on the battle next week.

STARTING WITH A flat roofed structure on Highway 27S, Richard Nealis remodeled it to have this building for his sales and service center handling a complete line of plumbing supplies. Photo—Miller

Nealis Moves To New Location

After working 28 years for someone else Richard L. Nealis came to Avon Park and established his own business, the Richard Nealis Plumbing Co. on South Forest Ave. in 1973. Finding this location too small Richard (Dick) remodeled Whitey's place No. 1 on Highway 27S for a combination office, showroom, retail store and storage.

Dick was born in Gaithersburg, Md. During WWII he served his country as an aviation machinist with the Naval Air Transport Command. On Oct. 11, 1944, Winnie Proctor of Silver Springs, Md. and he were married in Washington, D. C.

Following the war Dick worked at Lodwick Airport as an aircraft mechanic but in 1947 the Nealis' returned to the Washington, D. C. area — wages were higher. But they have been visiting Avon Park ever since as Winnie's sister lives in Avon Park.

As a plumber in the Maryland suburbs of Washington, Dick has remodeled plumbing in the White House, The National Institute of Health and Bethesda Naval Hospital, both at Bethesda, Md., many restaurants and public buildings in the area.

For two years Dick taught principles and practices of plumbing in vocational schools in the Washington area and in 1974 taught the vocational plumbing course at South Florida Junior College. At present he is serving the citizens of Avon Park as a member of the Competency Board.

At their new location south of the Junior College on Highway 27 Dick and Winnie Nealis will celebrate the opening of their new facility with a 10 per cent off sale on all merchandise and on all orders placed during the sale. They handle a full line of plumbing supplies, including American Standard, Crane, Kohler, Eljer, etc. and can obtain other materials on short notice from suppliers in nearby towns.

Dick is a Third Degree Mason with the family being affiliated with the Methodist Church. Their daughter and three sons are all married and living in Avon Park.

For hobbies, Dick likes to play golf — but for fun and not worry about shooting for a low score. Winnie likes to paint-oils, pastels and etchings of whatever strikes her fancy but best of all, do portraits of their children.

Two Suspects Arrested

Sheriff Frank Cline of DeSoto County is out one airboat, but Highlands County sheriff's department has arrested two suspects in the larceny.

The airboat burned in the Lykes grove about 200 feet east of U.S. 27, two miles south of Josephine Creek. When Highlands deputies investigated the fire site, they determined that the boat motor and trailer had been removed and the craft set afire.

The fire was spotted at 7 a.m. on Sunday by Trooper M.R. Dunn.

The Highlands investigators traced the ownership to Sherrif Cline. They also determined that the vehicle pulling the boat trailer had come from the south and went back south.

Word went out to area lawmen to watch for a boat trailer hauling only a boat motor.

On Sept. 27 John Howell Sr. was arrested and later Dewey Lightsey was taken into custody. Both men are from Okeechobee. They are charged with conspiracy and larceny.

DeSoto County deputies, Trooper M.R. Dunn, officers from Florida Department of Law Enforcement joined with Highlands deputies in investigation of the case.

OCTOBER IS TOASTMASTERS International Month in Avon Park as declared by Avon Park Mayor Marshall Davis in honor of the 51st anniversary of Toastmasters International which was founded in October, 1924, and the new chapter, the Charles S. Swan Memorial Toastmasters, which will be chartered in October. Mayor Davis, seated, right, signs the proclamation during the Toastmasters meeting Thursday at the Steak Out Restaurant. Looking on is Frank Spangler, seated left, a past president of Toastmasters International of Lake Placid. Standing, left to right, is Jim Prevatt, chairman of the steering committee for the Charles S. Swan Memorial Toastmasters; Lou Funk, Toastmasters Area 13 governor of Winter Haven; and Dr. Mohamed Ismail, District 47 chairman of the Toastmasters Extension Committee of Lake Alfred. Photo—Gobble.

October Is Proclaimed Toastmasters Month

October has been designated Toastmasters International Month in Avon Park by a proclamation signed by Mayor Marshall Davis at a meeting of the Charles S. Swan Memorial Toastmasters Thursday at the Steak Out Restaurant where he and Mrs. Davis were special guests.

Other special guests were Mr. and Mrs. Frank Spangler of Lake Placid. Spangler is a past president of Toastmasters International serving in that capacity in 1962-63.

The proclamation designating October as Toastmasters International Month is in observance of the organization's 51st anniversary and the local chapter's beginning.

The proclamation, addressed to the citizens of Avon Park, says: "whereas, the abilities to speak effectively, listen carefully, and think critically are among the most valuable talents a person can develop; and

"Whereas, the development of leadership abilities in men and women is of great value to our democratic society and the free enterprise system; and

"Whereas, Toastmasters International, a non-profit, non-sectarian, educational organization, is dedicated to providing the opportunity for developing these talents; and

"Whereas, the Charles S. Swan Memorial Toastmasters Club and the Wordmaster Gavel Club 16, APCI, in the city of Avon Park, Florida make important contributions to the public good through their participation in community service and charitable programs;

"Now therefore, I, Marshall Davis, Mayor of the City of Avon Park, do hereby proclaim the month of October, 1975 as Toastmasters International Month."

Ralph Walden was Toastmaster of the evening and J. T. Gibbs was Table Topics Master.

Speakers were Larry Saucier with a speech entitled "Punishment or Rehabilitation?" James Richo speaking on "Caring," and Paul Spatz with an interesting view on Patty Hearst entitled "Can I Or Can You?"

Individual evaluators were Mohamed Ismail, Mark Richardson Jr. and Norma Gobble. The general evaluator was Lynn Ingraham.

James Richo was named best speaker by vote of those present. Mark Richardson was named best evaluator and Jim Prevatt gave the best Table Topics response.

The next meeting of the local Toastmasters is Thursday, Oct. 9 at 6:30 p.m. at the Steak Out Restaurant on U.S. Highway 27 in Avon Park. Everyone interested in learning more about the Toastmasters program is urged to attend.

The people have a right to petition, but not to use that right to cover calumniating insinuations.

Thieves Steal Safe From Chicken Shop

Burglars who struck the Kentucky Fried Chicken shop south of Sebring Saturday night really had to work to steal.

Highlands County sheriff's Investigators said entry was made through a window where a screen had been pushed out. Inside the store four inches of reinforced concrete were chipped away to enable the thieves to free and carry away a floorsafe.

Weight of the safe has been estimated at 200 to 250 pounds. Value of the safe's contents has not been determined.

The fried chicken shop is to the west of U.S. 27, a short distance south of Southgate Shopping Center.

Some people say that putting a letter in a friends left hand will end the friendship.

Red Devils Turn In Fine Game But Arcadia Takes Win 7-0

The DeSoto High Bulldogs broke loose for one 45-yard scoring dash early in the first period and then kicked the extra point to post a 7-0 victory over the Avon Park Red Devils last Friday night in Arcadia. It was Avon Park's first Heartland Conference loss and set the Devil's record at 1-2 over-all for the season. The Red Devils turned in perhaps their finest performance of the year but were unable to put any points on the board in the hard-fought game.

Tomorrow night the Avon Park eleven is idle with an open date and according to Coach Joe Strickler that open date comes at an opportune time. "We really need these next two weeks to work in some new boys we have out and to iron out the offensive problems we've had the first three games," said Strickler early this week.

On Friday, Olctober the tenth, the Red Devils will finally have a home game. They will host the tough Hardee High Wildcats from Wauchula who are 2-1 for the season losing to Sebring 12-6 last week without the services of top running back Tank Snelling. Snelling is expected to be back at full strength for the Devil's home opener. Hardee beat Okeechobee 27-23 and Fort Meade 19-0 in its first two games.

The DeSoto High Bulldogs scored last week on their opening drive of the game. The Red Devils had held for three downs at the Arcadia 29-yard line but drew a roughing-the-kicker penalty when the Bulldogs punted on fourth. That gave Arcadia a first down at the 44-yard marker and they moved to the Devil forty-five in two running plays. Then on first down, Bulldog quarterback Steve Rhoden faked to his fullback up the middle and handed off to flanker Morris Hollimon who shot around right end for the forty-five yards and an Arcadia touchdown. Bryant Peterson kicked the extra pointy to give the Bulldogs the 7-0 early lead.

Avon Park's first two drives were stopped by pass interceptions. On the first possession Avon Park had driven for two first downs to mid-field before an Arcadia back picked off a pass at the Bulldog thirty-three. The Devil defense held but took over deep on a long punt by the Arcadia punter. From the Avon Park ten yard line the Devils ran two plays for little gain and then a pass bounced off the hands of Reggie Tolbert and popped into a Bulldog's hands for the second interception of the game.

The Avon Park defense tightened up on the next DeSoto drive. The Bulldogs moved just outside the ten yard line on three running plays. Then Avon Park held at the three-yard line forcing an attempted field goal attempt. The ball was centered over the holder's hands and Avon Park took over at the twelve to stop the threat. The Devil defense held the Bulldogs to short yardage on three more possessions in the first half.

The deepest Avon Park penetration came late in the first half when the Devils took over at the Arcadia 36-yard line on a short punt and drove to the thirty-two. Then an intentional grounding penalty drove the Devils back to the mid-stripe and Timmy Massey got off a booming 45-yard punt down to the Arcadia six yard marker. Arcadia ran out the clock with the help of a fifteen yard penalty against the Devils.

The Avon Park offense started off the second half with a drive from its own forty to the Bulldog thirty before a fumble loss killed the best Devil drive of the game. Arcadia came right back and marched down the field to Avon Park's eleven but there the Devil defense stopped the drive just inches short of a first down. Again Avon Park started moving and marched from its own five, after a penalty, to the Devil forty. Then the third pass interception of the game chopped off the Avon Park offense.

Arcadia took over at their own forty and moved the ball well again down to the Devil fifteen where for the first time the Devil defense tightened and held for four downs pushing them back to the 22-yard line. Avon Park moved the ball quickly to its forty-five but then two motion penalties slowed the drive and the Devils were forced to punt. Avon Park had two more possessions as time ran out in the fourth quarter but was unable to score. As the clock ran down quarterback Mort Jackson connected with Reggie Tolbert for two pass gains but the game ended with the ball on the Bulldog thirty-five and the Devils still trying to get on the board.

Statistics: Avon Park 11 first downs, Arcadia 13; Devils 105 rushing, Arcadia 210; Devils 22 yards passing, Bulldogs 28 yards, Avon Park completed 2 of 12 passes with 3 intercepted, Arcadia completed 3 of 11 with none intercepted. The Devils lost one fumble and Arcadia lost two. Massey punted six times for a 32 yard average and DeSoto punted 4 times for a 33 yard average. The Devils drew 8 penalties for 60 yards and the Bulldog drew 11 penalties for 95 yards.

James Ross, offensive halfback, and Timmy Massey, defensive tackle, were again named back and lineman of the week by the Red Devil coaching staff. Ross gained 63 yards with 14 carries to lead the Devils rushing attack. Massey accounted for seven tackles, two assists and two quarterback sackings as he sparked the defense to its finest game of the year. Massey also carried the ball seven times from the fullback slot gaining 42 yards for a 6-yard average per carry.

Coach Joe Strickler praised the play of center Joe Gallimore. He said the junior center had improved tremendously the past two games. Also up for special mention were Jim Stewart and Mike Swindall who both played in spite of being sick at game time with a flu-like virus. Mike Cobb filled in well on offense, Strickler said, opening up holes for Massey and Ross. Strickler felt that the Arcadia players hit harder than any team the Devils have met to date. Obviously pleased with the improvement of the Red Devils, Strickler said they are hoping to get an offense going with the off week to open the five-game home stand which starts next Friday, October 10, when the Devils host the Hardee High Wildcats of Wauchula.

JAMES ROSS, SPEEDY Devil halfback, was again designated "back of the week" for the second time this year for his play in Arcadia last week. James gained 63 yards against the hard-hitting Bulldog defense. Photo-Miller.

Challenges Matches Start Tennis Ladder Action

Action has started on the Highlands County Tennis Association ladders and the up-to-date standings will be reported in next week's Sun. The second monthly meeting of the association was held last Wednesday night and the seven different ladders were to have been purged of members who have not paid the 1975-1976 membership dues. Members who have not played a challenge match during the month were to have been dropped to the bottom of the ladder.

Thus far in September eight matches have been reported on the women's "A" singles ladder and five women's "B" singles ladder challenge matches have been called in to chairperson Elsin Baker. Currently leading the women's singles "A" ladder is Pat Lagoni. Pat defeated Mary Jo Schubert 8-0 and then took over the number one position with a forefeit win from Nancy Bryant.

In other action on the women's "A" ladder Evelyn Reeder has moved to the number seven spot with an 8-1 win over Trudy Wyatt and an 8-1 victory over Karla Rettstatt.

Vi Marrow is moving up after the ladder was over-turned at the beginning of this season. Vi was at the top at the close of last year's play and must now work her way back up. She defeated Cherri Lee 8-1 and Betty Carlisle 8-1 to jump from eighteenth to twelfth. Trudy Wyatt won over Betty Carlisle 8-5 but lost when she challenged Marilyn Smith by a score of 8-7.

Janet Magee has moved from eleventh to third on the women's singles "B" ladder. Janet won over Yetta Bengston 8-5 and took forfeit wins from Margaret Haysley and Judy Mercer to jump up to the number three spot. In the other two matches Mary Shererz defended her position against Debra Cox with an 8-6 win and Anna Vilkaitis defended her slot against Betsy McLean with an 8-7 victory.

Other ladders sponsored by the H.C.T.A. are men's "A" and "B" singles, men's doubles, women's doubles and mixed doubles. Players must be a member of the association to participate in ladder play but may join at any time by contacting Betty Carlisle of Sebring.

AVON PARK HIGH School cross-country runner James Hamilton appears to have enough steam left to race a bit further as he crossed the finish line of the Avon Park cross-country course. The Red Devil cross-country team is host to the Sebring Squad tonight (Thursday). Photo-Miller

Red Devils To Host Sebring In Run

The Red Devil Harriers will host Sebring in a dual Cross-Country meet on their home course today (Thursday), at 4 p.m. Junior varsity race will be at 4 and the varsity run will start at 4:30. The Devils edged Sebring in an early season encounter by a single point. Red Devil Alphonso Williams and Blue Streak Howard Jones are expected to battle it out for top place honors.

Last Friday the Devils placed seventh in an eleven team field at the Palmetto Invitational. Team totals showed Venice with 31, Palmetto 85, Sarasota Riverview at 97, Manatee 131, Clearwater Central Catholic 153, Avon Park with 167, Southeast 168, Sarasota 172, Hartdee 204 and Lakeland Santa Fe last with 296.

Top Red Devil finisher was Alphonso Williams with a fourth place finish in 15:31 for the three-mile course. James Hamilton was twenty-eighth, Jack Collins finished fortieth, Frank Anderson came in forty-sixth and David Jahna was forty-ninth to round out the Devil top five runners. Williams got a ribbon and a Palmetto Invitational T-shirt for his fine effort.

The Red Devil junior varsity finished second behind Venice's 35 points with a 61 point total. Anthony Stevenson was fifth, Ernest Smith seventh and Dale Sisemore ninth to pace the junior varsity effort. Alan Knight, Richard Rich and Pete DuPriest closed out the Devil jayvee scoring.

"I was quite disappointed with our varsity effort. We simply allowed ourselves to fall behind too early in the race," stated Coach Chet Brojek. "Al did a great job, but our number two, three and four men were not close enough for a better team finish."

Brojeck continued, "The three top finishers in the junior varsity race did a great job. Dale Sisemore looks like he'll be completely recovered from his leg injury in a few days and back to top speed."

Fans may watch the finish of the Devil Cross-Country meet this Thursday by being at the Avon Park High School faculty parking lot shortly after 4 p.m. The Avon Park course starts away from the high school but the finish is always exciting as the runners come west on the Bombing Range Road and down into the front of the high school office to the tape.

Fish Fry To Kickoff Home Games

Tickets are now on sale for the big fish fry which the Avon Park Boosters Club will hold at Memorial Field before the opening home game for the Red Devil varsity football team. The Red Devils are idle this week but will take on the Hardee High Wildcats in a Heartland Conference game on Friday, October 10, in the first home game for Avon Park.

The fish fry will start off the big night for Avon Park's 1975 home opener. Serving will begin at 5:30 and continue until 7:30 at the Boosters' Concession Stand at the southwest corner of Memorial Field.

Tickets for the meal are on sale at Delaney's Hardware, Beane's Sports Center and Touchton's Drugs right now and football fans and fish eaters are urged to pick up tickets soon. Adult tickets are $2 and childrens plates are $1.

Lew Mundt, president of the Avon Park High School Athletic Booster's Club, said this is one way that all Avon Park citizens may help out the sports program at Avon Park High School and also enjoy a fine mullet supper. Put Friday, Oct. 10, on your calendar now for an evening out and buy your tickets this week for the big fish fry that will proceed the Devil-Wildcat football game that Friday night at Memorial Field.

The word ketchup (no different at all from catsup) came from the Chinese term ke-tsiap, meaning taste.

Mens Volleyball Starts Tuesday

The Avon Park Men's Volleyball League, directed by the Recreation Department, will be starting play Tuesday, Oct. 7. Each team will play twice per week; once on Tuesday and once on Thursday. The matches will begin at 7:30 and 8:30 p.m. both evenings. All games will be held either on the outdoor court at the Recreation Center or the First Baptist Court next door. A minimum age limit has been set at the 9th grade level. Any boys or men older may join a team to compete this year.

There is still room for more teams in the league. If you have a team, you are urged to contact the Recreation Department so that your team may be included in this seasons schedule. Schedules will be finalized Friday, Oct. 3 at 5 p.m. Also the Recreation Department is looking for referees for the contests. A $15 per team entrance fee, will be used to pay the referees, and furnished a first place and runner-up trophies. If you are interested in refereeing two matches on each evening of play, please call the Recreation Center at 453-6581 after 3 p.m.

After the season ends, there will be a post-season tournament made up of the top half finishers in regular league play. This tournament will be a double-elimination event with a trophy going to the winner.

The league has been going for several years. Each year the teams get better and the games are more exciting. If you know some men who would like to join the league and have fun playing 6-man volleyball, hurry and sign-up now.

Junior Varsity To Host Blue Streaks Tonight

The only home football game this week will be tonight (Thursday, Oct. 2) when the Avon Park junior varsity hosts the Sebring Blue Streaks here at Memorial Field starting at 7:30 p.m. The Red Devil varsity has an open date this week so football fans are urged to come out and take a look at the Devil "Bees" in action.

Last Thursday night the Avon Park jayvees lost the season-opener in Frostproof to the Bulldog junior varsity by a score of 20-0. The Devil "Bees" showed some first-game jitters as they were hurt repeatedly by penalties and gave up the ball three times on fumbles deep in their own territory.

The first Frostproof score came in the second quarter. Avon Park had been forced to punt from deep in its own territory and the Bulldogs took possession at the Avon Park 35-yard line. Three successful passes were good for the first TD and the Bulldog offense ran in the two-point conversion to take the 8-0 lead.

The Bulldogs next touchdown came in the second quarter also. The Bulldogs recovered an Avon Park fumble on the Devil ten-yard line and drove it quickly in for the TD. The try for the extra points was no good but at halftime the Frostproof team had a 14-0 advantage.

In the third quarter Frostproof scored its final touchdown after taking over on the Devil 5-yard line because of a bad snap from center that went over the head of the Devil punter. It took the Bulldogs all four downs to push the ball across the goal line for the TD from the five and Avon Park stopped the two-point conversion try. But the home team had a 20-0 lead which the Devils were unable to overcome.

Coach Alan Duhm said early this week that he felt his offense could move the ball but penalties and fumbles prevented a sustained touchdown drive last week. Jamie Dennis, Devil wide-receiver, caught four passes for good gains but two of them were called back by penalties. Victor Roberts picked up 40 yards on a broken punt play but it also was called back because of a Devil miscue. In all, some 125 yards of penalties were marked off against the Devils.

Coach Duhm also felt that the offensive and defensive lines played well in most cases. He said the Bulldogs were unable to move the ball successfully up the middle against defensive linemen Richard Clemments, Jim Casey, Fred Hartt, Johnny Harrison, Johnny Fortner, Keith Porter and Victor Roberts. He also singled out the play of Jeff Williams at outside linebacker, Alvin Hinson at linebacker and James Brown at safety and defensive halfback.

Also seeing action in the first game for the Devil "B" squad were: Ernest Brown, Steve Gray, Ralph Hartt, Jerry McKenzie, Anthony Carter, Gary Droze, Decarlo Jones, Robby Denis, Terry Massey and Butch Helvey.

Tomlinson On Hill's SFJC Pitching Staff

Jamie Tomlinson, a 1975 graduate of Avon Park High School, is playing baseball this fall for South Florida Junior College.

Jamie, 6'0", 190 lb. righthanded pitcher, played for Coach Jackson's Red Devils, leading them to the District play-offs. He also pitched The Highlands County Bank Team to a 2nd place finish in Big League competition this summer.

Coach Tim Hill states, "Jamie adds depth to a strong SFJC pitching staff. We've had a good recruiting year and our rebuilding process is right on schedule.

After finishing with the best ever baseball season at SFJC last year, the fifteen new additions to the baseball roster will help the Panthers challenge for the top position in the division.

THE RED DEVIL coaching staff voted Timmy Massey "lineman of the week" for the second straight week for his fine performance at defensive tackle in Arcadia last week. Timmy accounted for seven tackles, several assists and two crucial sacks of the Bulldog quarterback. Photo—Miller.

Junior High To Host Okeechobee

The first home game for the Avon Park junior high football team will be next Thursday night Oct. 7, at Memorial Field against the Okeechobee Brahman junior high team. Game time is set for 7:30 p.m. and fans who want to see some offensive football should be on hand for this game.

The Devil's youngest squad rolled up a total of 327 yards on the ground in its opening win over Sebring Tuesday night a week ago on the Blue Streaks home field. The 12-0 score did not show the complete domination of Avon Park over the Streaks as one Devil TD was called back.

Flanker back Jeff Adams ran for a total of 218 yards with 10 carries and scored both Avon Park touchdowns on long runs. The first score came in the first quarter. Adams stepped in to relieve David Sisemore at quarterback and bootlegged the ball some 63 yards around right end for the score. The speedy back just outran the Sebring defensive secondary. The run for the two points conversion was not good.

In the second quarter Adams had a 65 yard TD run called back by an offensive penalty and also had a 25-yard run cancelled out because of another penalty against the Devils. But with just 38 seconds left in the first half, Jeff took the ball from Sisemore on a flanker-reverse and scampered 81-yards for the other Avon Park touchdown. Again the try for the two-point conversion was no good but Avon Park took a 12-0 lead to the halftime break.

There was no score in the second half but Avon Park was on the Sebring 11-yard line as the final whistle blew. The Devil defense held the Streaks pretty well bottled up all evening with Greg Westbrook, David Sisemore, Tim Salter and Jeff Adams making some fine defensive tackles.

Tim Cribb was the workhorse in the Avon Park offensive backfield as he toted the ball 16 times and gained 80 yards from his halfback slot. Dennis Barefield, fullback for Avon Park, carried the ball five times and picked up 24 yards.

Coach Hoppy Rewis is hoping for a large crowd of Avon Park fans next Tuesday night when the Avon Park junior high team comes home for its first game in town against the Okeechobee Baby Brahmans.

Coach Award Player At SFJC

Mike Poole, a 1975 graduate of Avon Park High School, is playing baseball this fall for South Florida Junior College.

Mike played for Coach Jackson's Red Devil baseball team last year and received The Coach's Award for his achievements. The lefthanded outfielder played summer ball for Post 74 Legion Team.

Mike adds depth to the outfielding corps and his excellent attitude and competitiveness make him a valuable team member.

EXPECTING TO HAVE fun in the Pass, Kick and Punt contest on Saturday, Oct. 4, these youngsters have already signed up. Edwin Cooper seems to be getting a bit of practice while Christine Heard and David Houpe watch Teresa McKenzie go through the motions of signing with Lew Mundt committee chairman, looking on. Deadline for signing up is Friday. There will be three trophies given for each age group 8 to 13. The first place winners can go to the district contest in Lakeland. The national contest is at the Superbowl in Miami. P-Miller.

Florida's Hunting Season Calendar Is Announced

Florida's hunting calendar for the 1975-76 season as set by the Game and Fresh Water Fish Commission is as follows:

Oct. 4 — First phase dove season opens. Deer hound training season opens.

Oct. 26 — Deer hound training season closes.

Mrs. Maxwell Speaks To Local Rotary Club

The chairman of the Bicentennial Celebration, Mrs. Leoma Maxwell, stressed fundamental beliefs and basic principles on which our Nation was founded as we celebrate its 200th birthday, during the program at the Avon Park Rotary Club meeting last Wednesday.

Leoma pointed out that ours is thought of as a Christian nation throughout the world even though many of our citizens do not think or act like Christians. How closely interwoven was religious freedom and economic freedom? Belief in God was an integral part of the life of the new colonies and the right to worship God as one saw fit caused many people to immigrate to this country in the first place.

Will our nation survive another two hundred years - or even another twenty years - is a question we increasingly ask ourselves. The rugged individualism, the willingness to help one another, desire to tell the truth, fair dealing, ethics in general — seem to be eroding away as government increasingly takes a larger role in controling our lives.

Those who do not believe in the free enterprise system or freedom of the individual continually use this freedom to try and undermine it.

What we do know is that freedom is never paid for - we must continually fight for it. To fight for it, we must know what it is and we must believe in it.

Enemies of freedom infiltrate all our institutions to try and destroy faith in the basic fundamentals and principles this nation was founded on in the eyes of our youth. Whether or not we survive depends largely on how well we teach our youth to understand and defend liberty and freedom.

The forces at work to stamp out freedom have a game plan. First, do everything possible to destroy patriotism and moral values in the youth. Encourage the use of alcohol, drugs, permissiveness of all types. Once allegiance to God, country, home and friends has been destroyed then the county is ripe for revolution and takeover.

"Are such forces at work in America Today?" asked Leoma. We are farther down the road than most of us would like to admit. However, when the nation was only 100 years old we were a divided mixed up people and we rallied to go on to greater progress and unity. All we need do to remain a great nation is to keep our faith in our fundamental institutions and remain loyal to our free enterprise system, our country and our God.

Band Parents

The Band Parents will meet Monday at 7:30 p.m. in the band room at Avon Park High School. All parents of junior and senior band members are urged to attend.

Erskin College freshman Olatekoboh Pelumi (right), Lagos, Nigeria, and senior Jimmy Ogilvie, Avon Park, share their interest in soccer by looking over the 1975 Erskins soccer brochure. Pelumi is wearing the Nigerian national dress, the "agbada." His cap is known as a "fila," his shirt as a "buba" and his trousers as "sokoto." Erskin freshman this fall included students from Mexico and India. They join other foreign students from Holland, Iran, Brazil, Japan, and Mexico already in the student body. Jimmy is the son of Mr. and Mrs. Alexander W. Ogilvie, Sr., 505 E. Canfield St., Avon Park. He is a graduate of Avon Park High School and a history major at Erskine. At Erskine this year he is assisting in sports publicity and serving as president of the Euphemian Literary Society. Photo by Dick Haldeman.

A.P.H.S. Journalism Class Is School Spirit Dead

Is school spirit dead at Avon Park High ? Some members of the community may think so, but after interviewing Lester Watson, the high school principal, we find this is just not true.

"Pride in our team, coaches, ourselves, and the physical plant," was Watson's definition of school spirit.

Watson also stated that he was very happy with the school spirit exhibited so far this year.

What are the reasons for this" Pep rallies held during the school day have a strong effect on school spirit. Everyone is really interested in the team, and the team is being supported well this year.

The administration is doing everything to encourage school spirit, especially through the pep assemblies, and there is a possibility of lengthening the assemblies from 30 minutes to an hour due to the enthusiasm of the students.

If students attending South Florida Junior College wish to attend the pep rallies, they are permitted to do so as long as they clear it with their professor at the college.

One thing that can't be stressed enough is that it is easy to support a winning team, but real spirit is supporting the team when they are losing too. If everyone supports our team, we will have a good season.

During our interview with Watson, the Spirit Flag was another topic of discussion. The Spirit Flag is a flag awarded to the class, senior, junior, sophomore, or freshman who cheers the loudest. The winning class then displays the flag in their class sponsor's room until the next pep rally. A good point for the Spirit Flag is that it shows that everyone is really enthused about the upcoming game, and it also shows that they want to support their team.

Good school spirit makes coming to school more exciting. School becomes more than just books and studying; it becomes a place for having fun and a place for getting together with others.

Is school spirit dead at Avon Park High? Attend a game and judge for yourself.

V.F.W. Post Holds Their Annual Ice Cream Social

V.F.W. Post and Auxiliary 7672 held their ice cream social in Donaldson Park last Saturday. About 100 persons enjoyed the ice cream, homemade cakes, tea and coffee, but best of all was the music by the A.P.C.I. Country-Western band.

Saturday evening, a covered dish dinner was enjoyed by about 30 post and auxiliary members and their families.

This was in observance of the first anniversary of the auxiliary which was instituted on Sept. 22, 1974.

Post Office Attempts To Resolve Problems

A nationwide Consumer Service Program designed to improve and broaden the quality of mail service was announced today by Postmaster R.D. Young. Beginning Oct. 1, the U.S. Postal Service will introduce a program at the Avon Park Post Office and other offices across the nation to encourage mail users to register problems they may have with their mail service.

At the core of the program is a consumer service card, though which problems are identified and which postal managers attempt to expeditiously resolve. "Good service is a far broader concept than just fast mail handling, as important as that is," Postmaster General B.F. Bailar said. "It is also built on employee courtesy, our responsiveness to customer needs, the sympathy and understanding we bring to your own expectations of what good postal service is all about."

Postmaster Young urged customers in Avon Park to bring their inquiries and complaints to the attention of postal managers. And if people feel their problems have not been properly handled, the postmaster said, they should see him personally.

To make it easier for a customer to make a suggestion or complaint about postal service, the new consumer service card will be available from letter carriers and at post offices.

According to Postmaster Young, the card is two postal cards with a carbon paper between them. "One copy goes to me so work can begin on the problem" he said. "The other goes to Postal Service Headquarters in Washington for cataloging and analysis. The cards will help management spot problem areas and trends and take corrective action if necessary."

The Consumer Service Program was tested earlier this year in Illinois, Massachusetts, Arizona and Rhode Island. Postal Customers in the test found the cards easy to complete and most complaints were resolved to the customers satisfaction.

The card should take no more than two minutes to fill out. The postmaster also said he and his staff are willing to discuss any problems, including lack of courtesy, irregularities in deliveries or collections, collection box convenience and postal office hours.

"We want you to come to us with your problems" concluded Postmaster Young. "The whole point of this service program is to bring your problems out into the open where we can attempt to resolve them."

4-H Banquet Set For Monday Night

The 10th annual 4 - H Awards Banquet will be held Monday at the Agri - Civic Center beginning at 6:30 p.m.

Awards will be given to 4 - H'ers for their work on project books. Leadership awards and special club awards will be presented also. Members of the Highlands County 4 - H Club Foundation will be honored this year.

The banquet theme is "4-H 76 Spirit of Tomorrow".

Oct. 5 - 11 is National 4 - H Week and the banquet is part of the program to honor its members during this week.

All 4 - H members, their family and friends may attend.

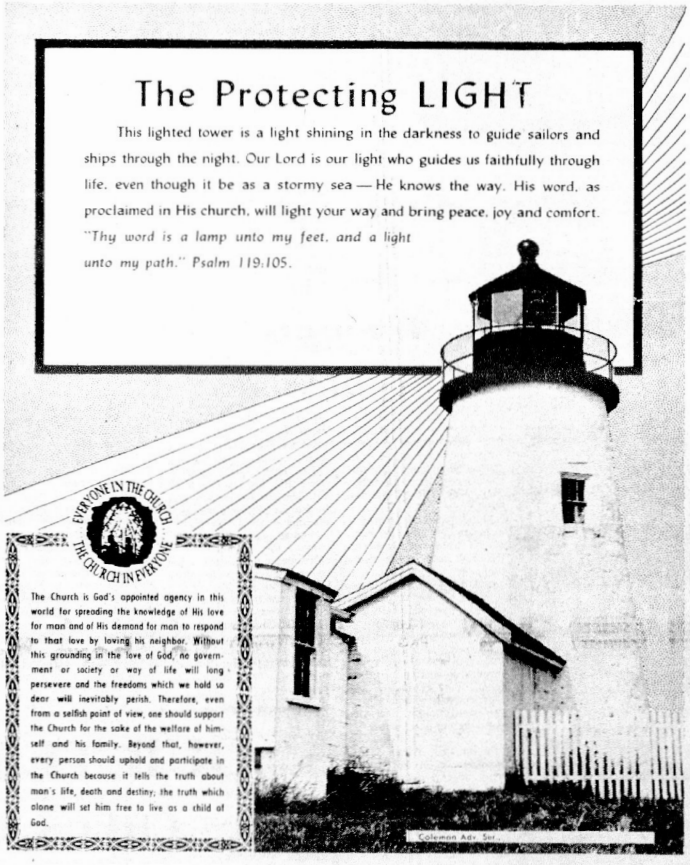
The Protecting LIGHT

This lighted tower is a light shining in the darkness to guide sailors and ships through the night. Our Lord is our light who guides us faithfully through life, even though it be as a stormy sea — He knows the way. His word, as proclaimed in His church, will light your way and bring peace, joy and comfort.

"Thy word is a lamp unto my feet, and a light unto my path." Psalm 119:105.



EVERYONE IN THE CHURCH
THE CHURCH IN EVERYONE

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

Avon Park Grange Report

By LAVERNE M. FULLMER

The Avon Park Grange met Tuesday, Sept. 23 with Master Miriam Debo in the chair. It was an open meeting with some of the high school teachers as guests. The grange endeavors to cooperate with the schools.

Kenneth Eberle, choral director, brought 20 members of the Girl's Chorus to furnish music for the meeting. They rendered several beautiful numbers which were enjoyed and greatly appreciated.

LaVerne Fullmer told about the founding of the grange, its national and international interests and some of its accomplishments.

William Knecht, curriculum director, gave an interesting talk on several new courses for 1975-76 and invited the public to visit the school.

W. J. Barden, agriculture leader, spoke of the increase in interest in the subject and about some of the improvements.

Miriam Debo explained the women's activities in the grange. Donations are made to the Ann Sullivan fund for the deaf. Ann Sullivan is the one who taught Helen Keller to speak. Money is also raised to send to CARE to train nurses in Honduras where doctors are scarce.

She invited the girls to enter the Grange Sewing Contest in the spring. A National Grange Patch-work Quilt contest is just now starting to continue until September, 1976. The National Grange has also compiled a Bicentennial Cook Book of tested recipes. Many are from noted people. After the meeting, Mrs. Debo conferred with Mrs. Andrew Miracle, home economist for the high school.

Kenneth Eberle liked the grange idea of having the whole family attend the meeting together.

Ralph Fullmer gave a history of the Flag. Thought for the day - "A person who treasures his friends is usually solid gold himself."

Ridge Pomona Grange No. 10 will meet at the Woman's Clubhouse on Saturday, Oct. 11 at 8 p.m.

Bessie Trude, Claude Chase and Elmer Fullmer were reported ill.

Refreshments were served by Elizabeth Mizelle and Ione and Ralph Fullmer.

Avon Park Grange will meet in the Woman's Clubhouse on Tuesday, Oct. 14 at 6:30 for a potluck supper. Bring a dish to pass and your own table service. This is a Bicentennial program with the public invited.

Seniors Should Look At Academies

BY REP. SKIP BAFALIS

Attention high school seniors!

Wondering what you'll be doing after graduation? Looking for a way to get a good college education but strapped for finances?

Stop and think about the nation's military academies — West Point, the Naval Academy at Annapolis, the Air Force Academy at Colorado Springs, the Merchant Marine Academy at Kings Point, N.Y.

All offer a solid education at no cost to you, except for a commitment to serve your country for a few years.

And, it's an opportunity open to every high school senior in the 10th Congressional District.

Selection is based entirely on grades, physical fitness and leadership ability.

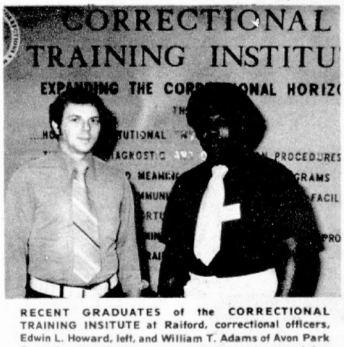
If you're interested, write to me at my Washington office, 408 Cannon House Office Building, Washington, D.C. 20515.

Deadline for compiling all the needed data is Dec. 1.

Among the documents applicants must file are a record of high school grades to date, a letter of accomplishments, three letters of reference, a photograph, and scores on the SAT test.

Since it takes time to compile all this data, anyone truly interested in a military academy appointment should contact my Washington office no later than Oct. 10.

Remember, the military academies are no longer strictly male territory. Under legislation recently adopted, girls are also being accepted for appointment to the military service academies.



RECENT GRADUATES of the CORRECTIONAL TRAINING INSITUTE at Raiford, correctional officers, Edwin L. Howard, left, and William T. Adams of Avon Park Correctional Institution, have completed 160 hours training to improve treatment, control and rehabilitation of inmates by increasing the effectiveness of employes.

Correctional Officers Complete DOR Training

Avon Park Correctional Institution employes William T. Adams and Edwin L. Howard have recently graduated from a four - week course taught at the Correctional Training Institute at Raiford, Florida.

The Institute has graduated more than 900 officers from its four - week resident program and has involved more than 2,000 employes in its Regional Training Program.

The scheduled speaker for the Sept. 12 graduation was superintendent of Florida Correctional Institution, W.E. Booth. However, he was called to an emergency meeting in Tallahassee dealing with the intense overcrowding problems confronting the Department of Offender Rehabilitation.

Dave Hemme, manager of the Correctional Training Institute, in speaking to the group commented that the acute problems of overcrowding make the correctional officer's need to effectively communicate with inmates even more necessary.

He continued that "overcrowding has created a dangerous situation in the institutions and the most useful tool a correctional officer has is his ability to develop good working relationships with the inmate population."

Adams, of 628 Lincoln Ave., Lake Wales, joined APCI three months ago. His future plans include becoming a prison inspector or supervisor.

Howard, a resident of Avon Park, has been with the division seven months and was previously engaged in public relations.

The 160 - hour resident course covers Florida Department of Offender Rehabilitation (DOR) administration and operation and work in human relations. The course, for all DOR employes, is being taught to improve treatment, control and rehabilitation of inmates by increasing the effectiveness of employes.

The fulltime course earned the graduates nine semester credits from Lake City Community College. The course work included use of a computer - assisted training program developed by DOR and taught in conjunction with the college.

The graduates will continue their training with 160 more hours taught by regional instructors at the various correctional institutions across Florida.

Hemme, who has been with the Institute since its inception in 1973, indicated the impetus and design of the program was spearheaded by L.L. Wainwright, secretary of DOR and T.P. Jones, chief, Bureau of Planning and Staff Developemnt.

Crenshaw To Serve Jail Term For Violation

Dennis Crenshaw, on probation for a sale of narcotics charge, has been convicted of probation violation and sent to prison.

He is to serve six months to three years in state prison. Crenshaw, a native of Sebring, has been living in the Avon Park area.

In mid-summer he was arrested on possession of marijuana, less than five grams.

28 MPG CITY
EPA RATING
That's with the standard 1.4-litre engine and 4-speed manual transmission. The mileage you get, of course, will be strongly influenced by how and where you drive.
- Chevette is international in design and heritage, incorporating engineering concepts proved around the world.
- Its wheelbase is about the same as a VW Rabbit's.
- It has more front-seat head room than a Datsun B-210, more front-seat leg room than a Toyota Corolla.
- Its turning circle is one of the shortest in the world.
- It can carry cargo up to four feet wide.
- It is well insulated against noise.
- It is protected by 17 anti-corrosion methods.
- It is basically a metric car.
- It comes with a clear, simple self-service booklet.
- It has a standard 1.4-litre engine. A 1.6-litre engine is available (except Scooter).

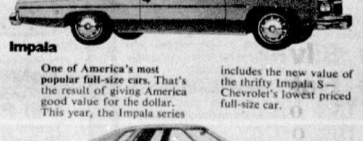
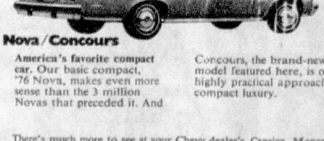
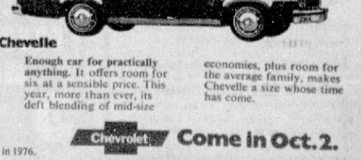
Manufacturer's Suggested Retail Prices including dealer new vehicle preparation charge. Destination charge, available equipment, state and local taxes are additional.
Other Chevrolet values for 1976.

Vega
Built to take it. Vega for 1976: An extensive anti-corrosion program. New hydraulic valve lifters, for quieter engine performance. A new torque-arm rear suspension. And Vega offers a tough Dura-Built 140-cu.-in. 4-cyl. engine guarantee.


Impala
One of America's most popular full-size cars. That's the result of giving America good value for the dollar. This year, the Impala series includes the new value of the thrifty Impala S — Chevrolet's lowest priced full-size car.


Nova/Concours
America's favorite compact car. Our basic compact, '76 Nova, makes even more sense than the 3 million Novas that preceded it. And Concours, the brand-new model featured here, is our highly practical approach to compact luxury.


Chevelle
Enough car for practically anything. It offers room for six at a sensible price. This year, more than ever, its deft blending of mid-size economies, plus room for the average family, makes Chevelle a size whose time has come.
There's much more to see at your Chevy dealer's. Caprice, Monza, Monte Carlo, Camaro, Corvette, Chevrolet wagons — something for everyone in 1976.

Local Firm's New Service Facilities Open Today

With the opening Thursday, Friday and Saturday of its new addition, Hilltop Sales and Service, now has the finest service facilities in Highlands County for mower and marine service. A 3,000 square foot concrete block building, housing two 900 square foot shops and a 1,200 square foot parts room gives ample space to render top service in repair as well as part sales.

The two mechanics in the small engine shop service all makes of mowers and small engines as well as chain saws, pumps, and other mechanical items. The two marine mechanics repair Mercury outboards and Mercruiser engines and outdrives and most other makes of outboards. Boat rigging and fiberglass repairs are also made at Hilltop.

Hilltop carries a full inventory of Marine accessories, fishing tackle, marine paint, seamless floor coating, garden supplies, fractional horsepower belts, oils and grease, small engines and parts, several top lines of mowers, Mercury outboards, aluminum and fiberglass boats, boat and utility trailers, chain saws and parts, garden tools, hand tools, citizen band radios, plus many other items.

They service all products they sell plus many other brands.

Hilltop has grown tremendously in the last four years and its growth is attributed to its versatility in merchandising, its continuous improvement in service and its policy of value pricing.

By far the largest business of its kind in Highlands County, Hilltop continues to expand its service to its customers and will bring more and better merchandise at lower pricies to its trade area.

Well known throughout central and southern Florida, Hilltop draws its customers from as far away as Okeechobee, Belle Glade, Ft. Myers, Sarasota, Winter Haven, Lake Wales, Tampa and intervening areas.

Along with its grand opening, Hilltop is offering over 30 items to be given away at a drawing Saturday evening including a chain saw, a fishing rod and reel, a lawn mower, and other prizes.

Free hotdogs, cokes and coffee will be available. The public is invited to visit during the grand opening and register for the drawings. No purchase is necessary.

New Service Facilities At Hilltop Sales.

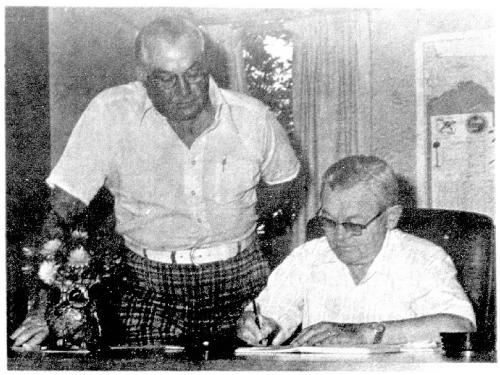
Rising Gas Prices Bring Out Siphons

With rising gasoline prices law enforcement agencies have seen an increase in gasoline theft cases. Two cases were reported to Highlands County sheriff's office last week.

C.R. Feasenhiser of DeSoto City told deputies about 15 gallons of gas were siphoned from a vehicle belonging to him. That theft was reported Sept. 25.

A little earlier in the week 15 gallons were siphoned from Whitaker equipment located at a construction site in Spring Lake Village II.

In a separate case, a severed belt on a front end loader, parked at Spring Lake Village II, was reported Sept. 22. Cost of the vandalism is set at $10.



WITH A LOOK of satisfaction Mayor Marshall Davis signs a proclamation declaring the month of October as National Hobby Month in Avon Park, citing the use of constructive hobbies in education, therapy, social services and indivdual activities as contributing to the general welfare of all people. Watching the signing is Guy Adams a member of the S.E. Hobby Association. Photo—Miller.

Get Yourself A Hobby

"Hobbyists will be delighted to know that Dinah Shore will serve as Honorary Chairperson for National Hobby Month, which is October," said Mary Jean Adams, of the Horn of Plenty Arts & Crafts Center.

"There couldn't be a better example of a hobbyist than Miss Shore," she added, pointing out that when Dinah isn't taping her TV series, she is active in sports, is an avid photographer, a talented painter, an acclaimed poetess, and, to be sure, a tout for hobbies.

In a recent interview with the Hobby Industry of America, sponsor of Hobby Month, Miss Shore remarked that "Hobbies are a part of living. They keep your life from falling into a narrow sphere of interest limited to your work or your home. I'd advise everyone to get a hobby. There is no reason to live life second-hand, being a spectator instead of a participant.

"More and more people are enjoying the outdoor hobbies of tennis, golf, and skiing; or flying radio controlled model planes, or sailing model yachts. Whatever your hobby, you enjoy a sense of pride and accomplishment. You occupy your mind and body gainfully. Most importantly, it extends your vista. Your alter-interest can broaden your horizons even on your job or within your home as well as in your relationship to family and friends.

"It is fitting also," she observed, "in this period of our Bicentennial that being involved in a hobby reflects in many ways the enthusiasm, spirit and vitality of our country's pioneers."

Mary Jean Adams agrees with Miss Shore that getting involved with a hobby - whether it be collecting stamps or miniature cars, making a piece of jewelry or home decoration, or building a model train empire - gives you more zest, makes you a more interesting person, gives you something unique to talk about.

"There is nothing as satisfying as the completion of a work of art," noted Mrs. Adams "and I can say this after seeing the delight in the faces of my customers when they come back to show me a completed wall hanging, or needlepoint, or decoration.

Another advocate of creative hobbies is Senator Jacob K. Javits, R., New York, who is responsible for S.R. 84, a bill recently passed in the U.S. Senate that stated:

"As the Nation approaches its Bicentennial celebration, it is especially appropriate to give recognition to the millions of hobbyists across the Nation whose model planes and ships remind us of the great events American History and whose creative expression through various arts and crafts recall for us the diversity and strength of our cultural heritage.

"Hobbies have contributed to the richness of American life both in terms of education and recreation . . . Some hobbies begun in childhood as a diversion, lead eventually to rewarding careers, and others, such as stamp and coin collecting, develop expertise and even financial gain. Most of all, in this era of high pressure and tension, hobbies provide valuable opportunities for the enjoyment of leisure time and creative expression.

The bill also cited hobbies as being beneficial to senior citizens, the sick and the handicapped and of particular interest to those in veterans' hospitals.

"Any person, even the most unskilled, can find a hobby that will be rewarding in most any hobby store," advises Mary Jean Adams.

Clubs, libraries, schools and hospitals interested in planning an activity during Hobby Month should contact her at The Horn of Plenty Arts and Crafts Center, 1133 Highway 27 North, Sebring.

OCTOBER IS NATIONAL Hobby Month. It's also a good time to plant a garden as Michael Janick of 912 Center searches the seed racks for yellow tomato seeds. Mike plants yellow tomatoes because they are less acid than the red varieties. He had been planting gardens for years in Milwaukee, Wis. before coming to Avon Park. Photo — Miller.

Calvin's Column

By CALVIN GIBBS

October is the tenth month of the year. On the second Monday in October, schools and various organizations celebrate Columbus Day. This holiday honors Christopher Columbus' arrival on Oct. 12, 1492. In Canada, Thanksgiving Day is celebrated on the second Monday of the month. In the United States, Veterans Day is celebrated on the fourth Monday of October. On the evening of Halloween, the last day of October, children disguise themselves with masks and costumes and go from door to door asking for a treat.

Some famous people who were born in the month of October were: James Lawrence, the American naval officer who cried "Don't give up the ship," born 1781.

Monhandas Gandhi, Indian political leader, born 1869.

Rutherford B. Hayes, 19th President of the United States, born at Delaware, Ohio, 1822.

Eleanor Roosevelt born 1884.

William Penn, founder of Pennsylvania, born 1644.

John Adams, second President of the United States, born in Braintree (now Quincy), Mass., 1735.

Two other famous people who were born in October are Dwight D. Eisenhower and last but not least — you.

Necrology:

Blond E. Jones

The late Mrs. Blond Eva Jones departed this life September 19, 1975 at Elmhurst General Hospital. She was the daughter of the late Milton and Juanita Austin. She graduated from Tuskegee Institute, class of 1949.

She attended the Mt. Olive A.M.E. Church of Avon Park, Florida. She later joined the Greater Trinity Baptist Church of Long Island City, New York. She married Mr. Frank C. Jones — afterwards three daughters and two sons were born to their marriage.

Left to mourn her departure are three daughters — Ella Jones, Egeria Smith and Juana Flood; two sons — Levonzo Jones and Frank Jones; two son-in-laws — David Smith and John Flood; five grandchildren; one brother Elston Roberts; a stepmother Julia Austin of Corona, N.Y.; one grandmother Cora Jones; aunts, uncles and a host of relatives and friends.

Expression of Appreciation

The family of the late Blond E. Jones wishes to express a sincere appreciation to Elder C. M. Fogle and members and friends of the Church of God by Faith for services rendered. The family expresses a sincere gratitude to Kerney-Wilson Mortuary for courtesies and consideration and to all of those who sent flowers, cards, food and other courtesies during its recent bereavement due to the loss of its loved-one, Blond E. Jones.

Church News:

Revival meeting still in progress at The Apostolic Church of Jesus, preaching the end of time gospel according to Saint Matthews 24:14, declaring the Mystery that Jesus is God. Repentance, water baptism in the name of Jesus revealing the oneness according to the scripture by Elder Jenkins of Cocoa, Fla., nightly 8 p.m. People of all races, creeds and colors are welcome.

Humor of the week:

"A woman's tongue is her sword and she never lets it rust."

English lesson for the week:

Question: Why is it incorrect to say, "I took an European tour?

Answer: It is correct to use the article "a" if the sound that follows is long "u" as in "uniform" or Europe.

Black history in the making

Marian Anderson

Marian Anderson is an American contralto who won acclaim in all parts of the world. Conductor Arturo Foscanini said, "A voice like hers comes once in a century."

Miss Anderson was born of poor parents in Philadelphia, and began singing in choirs at the age of eight. Her church concerts attracted attention, and groups raised money for her education. After several years of study and successful concerts in Europe, she returned to New York in 1935 to sing in Town Hall.

In 1939, she was awarded the Spingarn medal for highest achievement by a Negro during the preceeding year. She also received medals from several countries. In 1942, she establish the Marian Anderson Award, a scholarship of $1,000 awarded annually by competition to promising singers.

In 1955, she became the first Negro to sing with the Metropolitan Opera company of New York. Her autobiography, My Lord, What A Morning, was published in 1956. In 1958, she became a U.S. delegate to the United Nations. Miss Anderson received the Presidential Medal of Freedom in 1963. She ended formal concert work in 1965.

Thought conditioner for the week:

This is an antidote for every defeated feeling. If you feel downed by situations and the going is hard, this statement will remind you that you do not need to depend upon your own strength entirely, but that Christ is with you and is now giving you all the help you need.

Teach yourself to believe that through Christ's help, you will find yourself meeting problems with new mental force. You will carry heavy burdens with ease. Your new "lifting" power will amaze you.

I can do all things through Christ which strengtheneth me. Philippians 4:13.

Yours truly,
Calvin C. Gibbs

Injured In Accident

An Avon Park driver was injured and two vehicles damaged in an accident on SR 64, four miles out of Avon Park.

In the accident at 4:35 p.m. on Sept. 24, cars driven by Alan Beerbower of Avon Park and Renee Crocker, also of Avon Park, collided.

Crocker suffered minor injuries. Damages to her car were set at $1,000 and to Beerbower's at $600. Beerbower was not injured.
