Homecoming Ceremonies Set For Friday Night Here

There won't be a homecoming queen crowned tomorrow night at the Avon Park High School homecoming festivities. Instead three senior girls will be elected by popular student vote to become the new Red Devil Triangle. The three girls will be chosen from a field of nineteen senior candidates who have been nominated by classes or organizations at the high school.

The Red Devil Triangle ceremonies will start at Memorial Field at 6:45 p.m. tomorrow (Friday) night

before the Avon Park vs Fort Meade football game. The nineteen girls will each be presented to the fans in the south seating section and then the three Red Devil Triangle winners will be announced. The Avon Park High School Student Council is in charge of the pre-game ceremonies and will also sponsor a dance after the game.

Candidates for this year's homecoming are: Sue Allen (Devil's Tale) escorted by Charles Lake, Renee Clesney (Annex Staff) with escort Steve Arnold, Lisa Clifford

(Cheerleaders) with escort Mike Maloy, Debbie Collier (Future Homemakers of America) escorted by Butch Collier, Diane Cox (Glee Club) with escort John Barben, Sisie Greys (Band) with escort Bill Cravay, Mary Linda Dekman (Devil's Club) with escort Jimmy Massey, Vickie DeWitt (Key Club) with escort Stephen Ford, Sarah Ferguson (Senior Class) with escort Gerald Barfield, Geneva Hayes (Junior Class) escorted by Craig Presaley, Kim Kempton

Big Air Show Sunday

Highlands County residents get an opportunity to see a brand new thrill-packed air show at bargain prices when the Great American Air Show kicks off its 1976 season this Sunday at the Avon Park Municipal Airport.

The colorful aerial spectacular, which will travel to more than 30 major U.S. cities and six foreign countries during the Bicentennial year, is scheduled for Sunday appearances in Avon Park on Nov. 2 and 9 and at the Sebring Airport on Nov. 23 and 30.

Featuring biplanes, wingriders, parachute jumpers, inverted ribbon cuts, comedy, dog fights and the first attempt ever to fly duo aerobatics with

both planes tied together, the Great American Air Show contains two hours of non-stop thrills and entertainment backed by narration from television's "Sky King," Kirby Grant.

Jim Holland, Lindsey Hess, jumper Bill Wilkinson and the Flying Pierces provide the aerial action.

Admission for each show is just \$1 per person with plenty of free parking. Soft drinks and food will be available throughout the afternoon.

Pre-show activities, which include an opportunity to meet all of the performers, get underway at 1:30 p.m. and the aerial spectacular starts at 2 p.m.

Tammy Doane, Highlands County's own, the world's

youngest airplane builder, will be at the airport with her airplane on display. Visitors to

the air show will have the opportunity to talk to Tammy and see the plane she built.

A DARING SAMPLE of events in the Great American Air Show premiering in Avon Park Sunday is this upside-down maneuver which places the performer in an upside-down position on top of the plane which is also down. Activities get underway at 1:30 p.m. Sunday at the Avon Park airport.

Agencies Endorse Water Flourdation

A resolution endorsing flourdation of water as a public health measure was adopted by Highlands County Inter-agency Council at its October meeting.

The Council, which has members from both private and public groups working in health, education, social service and law enforcement

agencies adopted the resolution at the request of the

Council on Dental Health.

A letter on the Inter-agency position is to be sent to the city council in Avon Park and Sebring as well as Lake Placid where the council recently voted to begin a flourdation program.

Residents Ask For Tax Cut

More than 75 county residents attended Tuesday night's public hearing to deliver a single message to county commissioners: "Cut our tax burden."

The meeting was convened to comply with a Florida law which requires that citizens' comments be solicited whenever county governments raise ad valorem tax rates.

Board Chairman C. J. "Buddy" Wise explained that commissioners had tentatively adopted a budget for fiscal year 1975-1976 that would increase ad valorem tax millage 0.6274 above last year's figure of 4.7542 miles.

The increase was required to raise \$384,000 more than was required to operate the county's business last year.

Commissioner Ken Wilkinson pointed out that next year's budget exceeds last year's by about eight per cent, a modest increase in view of inflationary costs that have affected all county expenditures.

The vast majority of those addressing commissioners complained about the "unreasonable" increases they experienced in values recently assigned to their property by the appraiser, J. W. "Billy" Martin.

Others wanted to know why commissioners had to raise their millage assessment at a time when property valuations had risen 23.5 per cent.

County Attorney Robert P. Dunty Jr. explained that other income sources for county governmental operations had been reduced by the economic recession, making it necessary for commissioners to make up the difference by raising ad valorem taxes.

Dunty cited as examples of lower-than-anticipated county receipts, state revenue sharing funds, gasoline tax returns, building permits and other fees.

Lake Placid residents arrived at the meeting with a petition measuring more than ten feet in length.

Spokesman for the Lake Placid contingent, Edward Smoak, called for governmental "belt tightening."

Wise defended the current budget and blamed increased funding needs on state laws that require county compliance with the threat of severe financial penalties.

As an example, Wise cited the ambulances the county had to scrap to comply with state requirements for a sophisticated "emergency

medical service" program. The county had to replace \$5000 ambulances with newer models costing \$15,000 each, he said.

Bill VanBaalén, who

attended most of the budget review meetings held during July and August, told the assembly that Highlands County was fortunate to have such a group of dedicated,

intelligent Board of County Commissioners. Deputy Clerk James Pyle stated that, as of Sept. 20, there were only four counties in the state having taxes lower than

Highlands County. Several taxpayers urged commissioners to resist dictates handed down by (Please turn to page 2)

Firm Gives Guidelines For Community Development

There are no problems expected, Seaphim Leal of the HUD community development program has several requisites continued. The first being an environmental review to determine sensitive areas.

The HUD community development program has several requisites continued. The first being an environmental review to determine sensitive areas.

Avon Park has a completed file on the requirements. The second requirement is publishing of the findings on the improvement of the environment. After 15 working days the

city takes the third step of advertising for request of release of HUD funds. The certification of findings is sent to HUD which has 15 working days to release or deny the release of funds. In five states Leal told the council they didn't expect any problem as this was normally an administrative procedure.

Contingency funds will not be released at that time but be held until the city establishes the identity of what it is using the funds for.

Leal gave a brief outline to approaching the rehabilitation program—building side walks, streets and parks were simple things with rehabilitation of people being the most difficult as it meant dealing with people loans, grants, financing, etc., with the city starting up a system to handle the matter.

Several ways were suggested to handle the matter with local banks participating in the program. Leal suggested two alternatives. The city going by itself in dealing with residents on loans, grants, etc. The other, working with local banks which would handle the processing.

A sub-alternative method was also suggested by which (Please turn to page two)

Local Rotary Club Talent Show To Aid Handicapped Saturday Night

Local talent will put on a "A Family Night of Fun" talent night program at the Middle School Auditorium at 7:30 p.m., Saturday Nov. 1

Sponsored by the Avon Park Rotary Club all proceeds from the talent night performance will go to the handicapped persons fund to help those who are not able to help themselves, or who might benefit from some aid or special equipment they are not able to afford.

Door prizes donated by local merchants are to be given away between acts. Gifts were given for door prizes by the Avon Citrus Bank, Highlands County Bank of Avon Park, First Federal Savings and Loan Association of Highlands

County, First Federal Savings and Loan Association of Hardee County, Touchton Drug Store, Metcalfe Hardware and Bill Owens Ford.

The only requirement to win one of these valuable door prizes is to be present with your ticket stub. But win or not, your donation for a ticket will help some handicapped person make an easier adjustment to life. Included in the prizes are several \$25.00 saving accounts and savings bonds.

Acts tentatively scheduled include Jim and Judy Crabtree, folk music; David Flowers and Thom Lawrence, guitarist and vocalist; Virgil Still and brother, dancing; Cathy McKunas, vocalist;

Laurie Rehner and dancing students.

Others are: Lucky Dixon, vocalist; Evelyn Jones, vocalist with the Sweet Adeline Quartet; Daisy Wolanok on the bones; William Hunt, whistling and ball calls and John Wright, vocalist.

Ticket donations are \$1 for children through middle school age and \$2 for adults, high school age and up. Tickets may be secured from any Rotarian, the Avon Citrus Bank,

Highlands County Bank of Avon Park and the First Federal Savings and Loan Association of Highlands County. Tickets will also be available at the door.

The accompanist for the evening will be Don Meiser. Evelyn Jones Director of the Young Highlanders and Lynn MacNeill, speech and drama instructor at South Florida Junior College are technical advisor for the Rotary Talent night committee.

Council Told Sewer Project Progressing Satisfactorily

In his status report to the Avon Park City Council on the sewer improvement program Tom Kelly of Dawkins and Associates showed that sewer lines have been placed on 12 streets on the west side of Avon Park.

To the question of people as to when they could look on to the sewer line, Kelly replied, "In two or three months we will be better able to estimate that. It's too premature at this time."

Approximately three and one half miles or about 12½ percent of the sewer lines are completed. Federal Home Administration (FHA) officials have visited the work area and were satisfied with the progress.

Kelly presented Tom DeVane of Sebring as a choice for second inspector to work with inspector Charles Hadley on the sewer construction

project. DeVane has 11 years of miscellaneous construction experience and one year experience in sewer construction in Sebring. Kelly said DeVane had a background of knowledge of the technical requirements and was familiar with what was required on this sewer project.

Kelly recommended that DeVane work under Hadley on the line and lift station projects while Hadley would primarily work on the plant construction. The recommended salary was \$185 per week with 15 cents per mile for job related travel with his car. Any overtime was to be paid by the contractor. The council moved that Tom DeVane be hired.

In his report inspector Charles Hadley stated that cooperation with contractors was good. The contractors

County Commission

"Tallahassee bureaucrats, tight back," they urged.

When asked by Wise whether they were prepared to require fewer services from county agencies, most replied in the affirmative. Some, however, claimed that they were receiving few county services now and would hardly note any change by a cutback.

Wise became more explicit, asking if they were prepared to accept county road repairs once per year rather than once each six weeks, whether they were agreeable to wait several hours for a sheriff's deputy to respond to their calls for help or whether they were willing to wait a week, rather than a few minutes, for the county clerk to process legal papers. That, he explained, is what he meant when he referred to a reduction in county services.

Some wanted to know how much county commissioners were paid (\$8040 per year) and how much the county spent annually for welfare payments (\$200,000).

In response to the question: "What can we do to fight

control by state and federal governments?" Dundy replied: "Elect people who believe in home rule."

Make those who are seeking public office commit themselves to returning governmental controls to the local level, Dundy advised.

A huge pie chart, showing slices of the ad valorem tax dollar that various county agencies receive, stood at the front of the meeting room.

Many attendees noted that the school board received about 60 per cent of the county's tax dollar whereas the Board of County Commissioners received less than 37 per cent.

Some suggested that taxpayers should demand that austerity be practiced by the school board as well as by commissioners.

Wise announced that a public hearing has been scheduled for 9 a.m., Nov. 4, to accept the county government's ad valorem assessment, now set at 5.3816 mills.

Teachers Council Meeting Set

The first official meeting of the Tri-County Teacher Education Center Council has been announced by Chairman Eric Annett. The meeting will be held Monday, Nov. 3, at 3 p.m. at the Fred Wild Elementary School.

The formation of a Teacher Education Center was announced Oct. 21 by Dr. Dan A. Davis, coordinator for teacher education and staff development for Highlands County Schools, who made the presentation for the Center before the State Council for Teacher Education Centers in Tallahassee.

The Center Council consists of members representing Highlands, Hardee and Okeechobee Counties. Primarily composed of teachers, the Council also includes supervisory personnel, school board members and lay people from all three counties.

The council will be charged with the responsibility of providing and coordinating in-service and pre-service programs for teacher education in all three counties. An overall comprehensive plan will be formed, as well as a study of individual county needs in the interest of developing a broader, in-depth service to educators.

Supporting staffs including aides, food service personnel, and transportation and maintenance personnel are included in the program of the Center. Over 900 teachers in three counties will be served by the Center.

Deadlines Must Be Met For News

With the increased volume of news releases coming into the office, the SUN reminds readers that deadlines must be met in order to insure proper handling of your news.

The manner and style in which a news release is very important also. If possible, new releases should be typed and double spaced. This saves retyping. If you cannot type the news release, make certain it can be read. Many news items are left out because we can't read or understand it or pertinent information is left out.

Be sure full names are used as well as titles of the persons mentioned.

Request a photograph at least 12 hours in advance. The photographer cannot wait more than 15 minutes past the scheduled time.

Deadlines are: Subdivisions, religion-9 a.m. Monday; clubs-5 p.m. Friday; general news-1 p.m. Tuesday; Society-news Monday; sports-3 p.m. Tuesday, except for sports events of Tuesday nights; and page one stories of importance-10 a.m. Wednesday.

We ask your cooperation in helping us to serve you better.

Sewer Program

gave a list of the street areas where they expected to work during the week. They also listed a 30 day program which was subject to periodic review.

Bill and Jack Heiring appeared before the council with a request to relocate sewer lines in the Heiring Subdivision and Ash and Oak Streets, running the sewer line in an alley instead of a street. It was stated it would cost less because of less depth and less paving would be required.

The matter was referred to the engineers to prepare cost estimates for the best interests of the city and to take care of the needs of the sub-division. There was also a question of whether FPA would approve the change. Heiring also raised the question, "If we help pay for the sewer work what about tap fees (even two or three years in the future)?"

In regard to the Forest Hills sub-division a definite plan of housing location has not been received - thus engineer Ken Balle has not been able to give an exact estimated of the sewer costs in this area.

Senator Sims To Speak To Conservation Group

Central Florida State Senator Walter Sims (R-Orange and Lake Counties) will bring his efforts to revitalize and protect Florida's fresh water lakes and streams to Highlands County Monday night, Nov. 3, when he participates in the next meeting of the Highlands County Lake Protection Association.

The meeting is set for 7 p.m. at the Highlands County Agriculture Civic Center on U.S. 27 south of Sebring.

According to Mrs. Carol Jay Boley, president of the newly formed organization, upwards of 600 people are expected to attend this meeting. Others who will appear with Senator Sims on the program are Phil Edwards, Sub-District Manager for the Department of Environmental Regulation, Ft. Myers; Tom Drda, aquatic biologist for the Game and Fresh Water Fish Commission, Lakeland; and C.E. Heppberger, president of the Lake County Lake Improvement Association, Leesburg.

A panel of speakers will participate in a question and answer period with the audience. They are John Malloy, executive director of the Flood Control District; Tim Turner Jr., Highlands County extension agent; and Fred

Senator Sims

Loher, secretary of the Highlands County Environmental Association.

Larry Hooper, an instructor at South Florida Junior College and vice president of the Highlands County Environmental Association, will act as master of ceremonies.

Every resident interested in the preservation and conservation of the county's lakes and waterways are urged to attend this important informational and educational meeting, Mrs. Boley said.

Letters To The Editor

Congratulations To Lions Club

Dear Editor:

The Avon Park Lions Club is to be admired and be highly congratulated for its praiseworthy, thoughtful and unique action in protecting and preserving the health of its members.

The club members almost unanimously voted to prohibit smoking in the clubhouse during the regular and special meetings.

On the front door and on the walls of the assembly room are posted "No smoking" signs.

Chain and regular smokers glad and with brotherly love joined the non-smokers and made this a definite and unique rule for the club, mainly, for the benefit of the members who have breathing troubles.

Surely this noble move of the Avon Park Lions Club is the demonstration of the brotherly love, respect, courtesy, Lion-like nobility, self-control, courage power and real

Couple Wed In Double Ring Ceremony

Miss Tamara Johnson and Lyle W. M. Jagnisazak were united in holy matrimony in evening ceremony Saturday, Oct. 18 at 7 p.m. in the Union Congregational Church in Avon Park.

The bride is the daughter of Mr. and Mrs. Floyd Johnson of Avon Park and the groom is the son of Mr. and Mrs. Paul T. Jagnisazak of Dearborn, Mich. The Rev. William Ziegenfuss and the Rev. H.D. Graetz officiated in the double ring ceremony. Nuptial music was presented by Mrs. Evelyn Delk at the organ. Mrs. Helen Oliver, soloist, sang "Tammy's in Love," accompanied by Mrs. Delk.

The altar was flanked by seven branch candelabra and royal palms. The chancel flowers were white carnations, pom poms and gladioli.

The bride was escorted to the altar by her father and to the question, "Who gives this woman in marriage?" answered, "Her mother and I do."

The bride wore simple white polyester formal gown with an empire waistline and lace trim on the bodice and long sleeves. Her short silk illusion veil was held in place by a silk illusion flower. She carried a bouquet of white feathered carnations, stephanotis, baby's breath and English ivy.

Attending the bride as maid of honor was her sister, Miss Teresa Johnson of Avon Park. She wore a mint green floor length gown of polyester with long chiffon sleeves and a mandarin neckline. She carried a bouquet of multi-colored carnations, fusi mums, baby's breath and English ivy. The best man was Rocky Ladson and the usher was Richard Blondin. The groom and his attendants wore their U. S. Air Force uniforms.

For her daughter's wedding, Mrs. Johnson chose a floor length gown of polyester knit with a green skirt and a floral bodice with touches of pink and a matching floral jacket. Her corsage was of pink rosebuds accented with heart-shaped seed pearls.

The groom's mother wore a short sheath dress of light blue lace over taffeta with a matching lace coat. Her corsage was pink rosebuds with heart-shaped seed pearls. A reception was held immediately following the ceremony at the home of Mr. and Mrs. Raymond Dilly, 201 Verona Villas. Mrs. Dilly is the bride's aunt.

The three-tiered wedding cake was topped with a miniature bride and groom and formed the main focal point in the room. The table was covered with a white lace tablecloth and the cake was flanked by white candles. The punch table was also covered with a white cloth accented

Janet Lighty Honored At Early American Party

Miss Janet Lighty, bride-elect of Charlie Lowe, was honored with a miscellaneous shower Tuesday evening, Oct. 21, at the Nazarene Church Fellowship Hall.

The theme was early American with a red checked tablecloth on the gift table

highlighted with kerosene lamps. Adding to the decor was a scrub board, churn and three early American rocking chairs.

At Miss Lighty and her mother arrived, they were given a bonnet, apron and shawl to wear and were seated

in rocking chairs. The guests were served cake, mints and nuts with the choice of coffee or tea.

Hostesses were Pauline Jackson, Nancy Scott, Dorothy Hicks, Yvonne Germaine, Mrs. Corwin and Mrs. Batson.

Legion Auxiliary Collects Gifts For Bay Pines Veterans

The American Legion Auxiliary Unit 69 held its regular meeting Tuesday evening at the Legion Hall on West Bell Street with President Minnie Eisenmenger presiding.

It was announced that a joint meeting of units including Avon Park, Sebring, Lake Placid, and Arcadia would be held in Arcadia Dec. 10 at 7:30 p.m. for the official visit of Department of Florida President Mrs. Vance Banks, Panama City, and Eighth District President Mrs. Marie Emer, Englewood.

Mrs. Ruby Heim distributed copies of the National Convention report held in Minneapolis Aug. 15-21.

Gifts were collected for Christmas giving at Bay Pines Veterans Hospital.

The auxiliary will hold a spaghetti dinner at the Legion Hall immediately following the Veteran's Day Parade Nov. 11.

A new member, Mrs. Nettie Peterson, a transfer from Michigan, was welcomed by the auxiliary.

Open House Honors Schoen's On 60th Wedding Anniversary

On Oct. 27, 1915, Inis Jones and John Schoen were united in Holy Wedlock, in Sioux City, Iowa. And on Oct. 27, 1975 they were honored on their 60th wedding anniversary by friends and relatives at an open house celebration at their home at 2907 Woodruff Heights.

At the time of their marriage John was working for the American Express Co. delivering parcels with a one

horse express wagon. If he stayed a bit too long at the customer's place the horse

would head for the barn alone, when they came to Avon Park in 1927 John had worked

at the Sioux City Water Department for 42 years and retired as the general foreman of the water department.

Revival Services Being Conducted

According to Rev. Edwin Sharpe revival services are being prayed down at the Florida Avenue Baptist Church, Avon Park. Do you have a need to be close to God? He is expected to be in every service of this meeting beginning on Sunday, Nov. 2. Services will continue through Friday, Nov. 7 at 7:30 p.m., each evening. The members of the church are working and praying hard to insure the presence of God in each of these services. He will be there to assist you in your needs. Meet God at the corner of Florida Avenue and Canfield this week.

Ken Eberle, Avon Park High School choral director, will be in charge of worship services. Eberle will be in charge of all the music working with the choir and special groups to provide the very best possible music. God and you deserve the very best. So come.

Rev. Bob Sheffield of Prentiss, Miss., will be God's

spokesman for these nightly encounters with God. He truly is a great hero of God's Word

Rev. Sheffield

and will for you and your needs. Come hear what Rev. Sheffield has to say to you from God.

Hooper Appointed To Trails Council By Governor

At a recent meeting of the governor and his cabinet the Florida Recreation Trails Council was established and its initial members from the states congressional districts appointed, among them Larry Hooper, Avon Park, of the 12th congressional district.

In a letter received from Harmon Shields, executive director of the Department of Natural Resources, Larry was informed of his appointment for a two year term to the council at no pay. Larry is an electronics instructor at South Florida Junior college and holds memberships in the Florida Audubon Society, Environmental Council of Highlands County (vice-president), Florida Trail Association (board of directors) and is active in Boy Scout leadership work.

Shields said the council will serve as the coordinating body for the diverse trail users in Florida, including bicycling, horseback riding, canoeing and hiking.

"Formation of the state Trails Council will ensure orderly development and coordination of the trails system at the state and local level, Shields said, with the Department's Division of Recreation and Parks administering the recreation trails program.

Among the council's duties will be assistance in establishing local trail councils. Other responsibilities include coordinating with the Division of Recreation and Parks and other federal, state and local recreation agencies; developing clear-cut lines of authority and responsibility for trails among various government and private

interests and working actively with local public and private groups in trail planning.

In the 1960 report of the federally sponsored Outdoor Recreation Resources Review Commission it was pointed out that European countries have provided safe thoroughfares for their cyclists and hikers. "We are spending billions for our new highways; but few of them are being constructed or planned to make any provisions for safe walking and cycling", the report noted.

In working with the Environmental Council of Highlands County and the trails program, Larry stated that the council was discussing the preservation of Bumble Bee Island in Lake Istokopga as a natural bird rookery for egret, heron and other water birds. The rookery is being threatened by cattle being pastured on the island.

Farewell Dinner Honors Nutes

Wesley Hall, First United Methodist Church, was the scene of a farewell dinner, honoring Harold and Leslie Nute, after church Sunday morning Oct. 26.

The Nutes who have served the church in numerous positions over the past 28 years have moved to their new home, near Plant City. The hall was filled with friends who came to wish them happiness in their new home.

After a time of good food and

conversation, the Rev. Bentley S. Williamson gave a short talk on what the Nutes had meant to him in the short time he has known them.

Gifts were then presented to the Nutes by Olga Bridges, from United Methodist Women; Sara Harrison, from the J. O. Y. Sunday School Class, of which the Nutes were members; and from Methodist Church friends.

Teamates Honored By Nazarenes

The Nazarene softball team was honored with a best and pork barbecue Oct. 11 at the home of Noel and Nancy Scott. Softball, pool and the World Series were among the day's activities.

While at the barbecue, the team elected and presented trophies to the Most Valuable Player, Mike Johnson, Mr. Hustle, Bob Germaine; and the team member with the highest batting average, Buddy Whitlock.

Skeeters Still Undeclared, Play Last Game Tuesday

Next Tuesday night the Avon Park Middle School football will play its last game of the season. The Red Devil's youngest team will host the Wauchula junior high team here at Memorial Field, starting at 7:30 p.m. Fans are invited to attend the game to see the final game of the seven-game schedule. The Avon Park team defeated Wauchula 20-16 in Wauchula on October 21 and will be hoping to close out an undefeated season against the Baby Wildcats next Tuesday, November 4.

All three of Avon Park's scores came on pass play. The larger Wauchula players had stopped the Devil's running game fairly well so Coach Hoppy Lewis and Coach Joe Baker sent the team to the air with three different passers to out score the Wildcats.

The first Avon Park touchdown came on a ten yard pass from quarterback David

Sisemore to flanker Jeff Adams. The run for the two point conversion was good with Greg Westbrook diving over the middle of the line to give Avon Park an 8-0 lead. Wauchula tied the game up 8-8 in the third quarter on a long run by a Wildcat back.

The Middle School Devils came right back and took over the lead again on a twelve yard pass play from Jeff Adams to David Sisemore. The two Devils switched positions to confuse the defense and it was good for six points. However, the extra point run failed leaving the Devils ahead only 14-8. Wauchula scored again in the fourth quarter and also ran over the extra point to jump out ahead 16-14.

The Avon Park team marched down the field and finally scored on a halfback pass from Timmy Cribb to

flanker Jeff Adams from thirty yards out. The extra

points were again no good but the Devils had the 20-16 victory.

Coach Lewis singled out the defensive play of Johnny Wooden but also praised the entire team for the fine effort against the larger Wauchula team.

The Avon Park Middle School football team racked up its sixth consecutive win last Tuesday night in a rainstorm with a 30-0 score over the Lake Placid skeeter squad.

They scored TD's in every quarter. Donald Cook ran the opening kickoff back 75 yards for the first score and also added the two points after touchdown.

Other touchdowns were scored by Gerald Jones, Enoch Caldwell and David Sisemore on a pass from Jeff Adams. Also scoring extra points were Timmy Cribb and Gerald Jones. All players saw action on the rain swept field (Details next week).

executed well. The Devils will have a tough job against the always dangerous Ft. Meade Miners.

Against the Red Knights of N. Ft. Myers last week, the Red Devils ground out 418 yards of rushing with James Ross and Charles Anderson both gaining over 100 yards each. Ross picked up 151 yards with 30 carries and Anderson gained 132 yards with 15 carries. Timmy Massey carried the ball only 3 times in the second half but gained a total of 88 yards with 13 tocs and scored two touchdowns. Rufus Wilson set in some

running for the Devils picking up 24 yards with 5 carries and scoring one touchdown. Also running the ball for the Devils were Freddy Moore, Reggie Tolbert and Bill Tharp.

Early in the first quarter the Red Devils put together a 90 yard TD drive in sixteen plays to go ahead 8-0. Devil fullback Timmy Massey went in for the score from 4 yards but also cut off right tackle to run in the two-point conversion. Massey also had a 35-yard run early in the drive to help set up the touchdown.

The second Avon Park score came midway in the second period. This time the Devils

drove sixty-five yards on the ground in fourteen plays. Halfback Charles Anderson capped it all off when he broke loose around right end for a 34 yard romp into the end zone for the score. The rest of the point conversion was stopped short of the goal line.

Avon Park almost scored again before the half. The Devils drove down to the North Ft. Myers's one yard line but James Ross and Charles Anderson put it in for the TD. The score at halftime stood 14-0 in favor of the Red Devils.

Starting off the third quarter, the Red Devils drove sixty-five yards again for an apparent

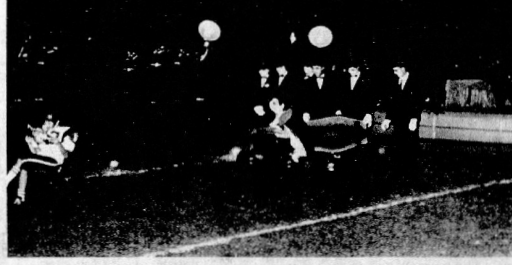

stand-out on defense all year for Avon Park, scored the final Devil touchdown. He ran the ball in from five yards out and then Charles Anderson went through the middle of the line for the two-point conversion and Avon Park had the 30-0 victory. Coach Joe Strickler cleared his bench during the final period giving the reserves some offensive and defensive action.

Perry Prescott recovered the only Red Knight fumble to set the final Devil score. Mabin Collins, James Ross and Rufus Wilson led Avon Park in tackles made with plenty assistance from Jim Stewart, Joe Gallimore and Mike Cobb.

Cross Country Team To Host Rotary Invitational Meet At 4 P.M. Friday

Coach Chet Brojek's Avon Park Red Devil Cross-Country team will host the annual Rotary Invitational Cross-Country Meet here at the Avon Park course tomorrow (Friday) starting at 4 p.m. There will be eight teams in the big run which will open with a girl's meet at 4 p.m. The junior varsity teams will start their run at 4:15 p.m. and the eight

varsity teams will get off at 4:35 p.m.

The girls will run a 1.5 mile course and the boys will all compete on the 3.0 mile course. The Avon Park Rotary Club will present trophies to the first and second place teams in the varsity run and a trophy to the individual winner of the varsity meet. Ribbons will be presented to the top twenty varsity finishers, the top

fifteen junior varsity finishers and the top ten girls finishers.

Schools entering teams in the meet will be favored Bartow, Palmetto, Sebring, Frostproof, Clewiston, Hardee High, Santa Fe and host Avon Park. Fans are invited to witness the finish of the runs at the finish line in front of the Administration Building at Avon Park High School.

Jayvees Looking For Win

The Avon Park junior varsity football team will be looking for its first win tonight (Thursday) when it takes on the Frostproof "B" squad here at Memorial Field at 7:30 p.m. in a return game. The Junior Bulldogs defeated Avon Park 20-0 in Frostproof last month in the season opener.

Last week the Red Devil jayvee squad lost to Mulberry by a score of 14-0 to remain

winless in four games. The Avon Park "B" team held the junior Panthers scoreless until the fourth quarter when the Polk County team pushed over two TDs.

Coach Allen Duhm praised the defensive line for holding the Mulberry offense but admitted the defensive backfield made a poor showing as passes led to the two Panther scores. The five Devil

defensive linemen were Keith Porter, Jimmy Massey, Johnny Fortner, Fred Hart and Victor Roberts.

Week before last the Devil "Bees" lost to Lake Placid by a score of 20-0. It was the third straight loss by the Devils with the identical 20-0 score. Last week the Devils broke the string and hope to hit the win column tonight with a victory over the Frostproof Bulldogs.

Rifle Safety Places

Before you take to the woods this fall, the Game and Fresh Water Fish Commission suggests you take a close look at your rifle. Does it still shoot where it is aimed? Guessing rather than knowing could cost you that one good shot of the season.

The Commission reminds hunters to sight-in their rifles before that first day of hunting season. A zeroing error of just one inch at 25 yards becomes a 4-inch error at 100 yards and an 8-inch error at 200 yards.

Correcting a zeroing error takes only about an hour's worth of time on a range, time well spent against the possibility of missing a good shot.

The ideal place is a 100-yard outdoor rifle range. If you don't have one already set up in your backyard or know of one, a call to the nearest Commission office may help solve the problem.

The Hunter and Firearm Safety Supervisors throughout the state can assist Florida sportsmen in locating a rifle range and assisting in getting a rifle back on target. They also can help sportsmen with any of other problems they might encounter while hunting.

Challenge Matches Change Ladder Places

There were eleven challenge matches played last week on the men's "A" and "B" singles ladders of the Highlands County Tennis Association. Al Marrow took over the number two position on the "A" ladder under number one player Eric Annett and Eugene Bengtson moved up to the number four rung with two wins.

Marrow knocked off Kris Delaney 6-0, 6-0. Bengtson defeated Robert Tuguel 6-0, 6-0 and also beat Kris Delaney 6-2, 6-0. Bob Baker moved up one rung with a forfeit win from Carroll Lloyd but lost when he challenged Tom Hines by a score of 6-4, 6-3. Eric Annett defended his top rung with a 6-3, 6-0 victory over challenger Read McLean.

In "B" men's action Wesley Mercer won over Danny Dubose 7-5, 6-4 to remain on the number two rung but lost when he challenged Billy Page for the top rung by a score of 6-4, 6-2. Dubose also lost to Bobby Brooks 6-3, 6-4 when he challenged for the fourth position. Brooks challenged Page but lost 6-0, 6-2. Two newcomers to the "B" ladder lost to Richard Rucker in two separate matches. First Jerry Stenberg lost 6-3, 6-4 and then Jim Hayes was defeated by Rucker 6-2, 6-1.

Ken Haysley and Kevin Roberts captured the number one spot on the men's doubles ladder with a 6-2, 6-1 victory over Billy Page and Larry Johnson. There were no matches reported on the women's doubles ladder or on the women's "A" singles ladder.

Debra Cox jumped from rung thirteen to rung seven on the women's "B" singles ladder with 8-1 victories over Yetta Bengtson and Melba Sims. Sharon Glison moved up a notch with a 6-3 win over Mary Knight. Diane King defended her number one position with a close win over Janet McGee.

Mary Jane Lloyd and Bob Baker moved up to the sixth rung with a forfeit win over Karla Rettstatt and Larry Johnson in the only match reported on that ladder.

Members of the Highlands County Tennis Association are reminded that the November meeting will be held on Nov. 5 at the Sebring Middle School in Portage 23 at 7:30 p.m. Persons not having played a challenge match this month will be dropped on the ladders at that meeting.

Adelines Plan Musical Program At Ag Center

The Avon Park Prospective Chapter of Sweet Adelines, Inc. held their regular rehearsal on Thursday night at the First Methodist Church in Avon Park.

Mrs. Phyllis Dean, director of the Pride of Pinellas Chapter, baritone in the Syndicated Sound Quartet, both of which were Nine Champions in 1974, was a visitor. She conducted the musical evaluation of the prospective chapter and thus completed another of the phases necessary toward chartering.

Mrs. Dean explained many of the activities of the chapters and spoke of her experiences in producing the chapter shows as well as chorus and quartet competition. She was accompanied on the visit by Cathie Beresford who sings lead the Syndicated Sound and is also a member of her chorus. Mrs. Dean is an enthusiastic member of Sweet Adelines and she is a very capable director.

Plans were discussed for the show which will be held at the Ag Center on Nov. 29 at 3 p.m. Music will be provided by the Capitol Chorus from Polk County and they sing "barbershop style" at its best. Several quartets from that chorus will be appearing on the program. The Prospective Chapter of Avon Park will also be singing a few numbers. Tickets will be available at the door or can be obtained by calling 453-5046.

Barbershop harmony is one of the few types of singing that

originated in this country so it is truly American. Sweet Adelines was organized over 25 years ago by a group of women that wanted to sing barbershop style and has grown to almost 30 thousand members all over the world.

If you are interested in learning more about becoming a member of this organization, call Shirley Gossick at the above number. Musical training is not necessary but you must be able to carry your part.

Peg Fells Is New Work Center Director

New Ridge Area Work Center director is Peg (Mrs. Edward) Fells of Avon Park. Before assuming her new duties in September, Mrs. Fells served for five years as a workshop supervisor for Ridge Area. The Ridge Area Work Center is located in Sebring at the E. O. Douglas site.

Mrs. Fells, a native of Great Britain, is a former Highlands Girls School employee. Her husband Edward is head manager of V and W Farms in Avon Park. The couple has two grown children, Nick and Susan.

Peg said her main hobby aside from her work is yard puttering. She mentioned that she finds green thumbing very relaxing.

handy hints

When applying a second coat over fast drying paints, it is often hard to know where you've painted and where you haven't. You can waste time and paint by going over the same spot, and if you miss a section, it shows up later.

To prevent this, simply draw a pencil line along the wall over the first coat. Then as you paint the second coat, it will cover up the line showing where you left off.

Committee Sets November Reading Program Report

24For FarmCity Banquet

Highlands County Farm City Committee has selected Monday, Nov. 24, was the date for the 1975 Farm City Banquet.

The dinner, slated for Monday of Thanksgiving week, will be held at the Agri-Civic Center, 7:30 p.m.

Senator Curtis Peterson of Lakeland, chairman of the agriculture committee of Florida Senate, will be guest speaker.

Master of ceremonies will be Marvin Kahn, widely known Highlands County agribusinessman who is currently serving on Florida Citrus Commission.

The Farm City affair traditionally draws wide support. Tickets may be obtained from members of

Rotary, Kiwanis and Lions Club members in Sebring, Avon Park and Lake Placid or by calling 385-3156. Cost of dinner tickets this year is \$8.50 per person.

Improved Service At Post Office

The U. S. Postal Service first-class mail service improvement program is now in effect at the Avon Park Post Office, Postmaster Robert D. Young said today. Under the program, first-class mail now receives service that is equal to or better than airmail.

The major new service step extends to all first-class mail weighing 13 ounces or less. "In practical terms, what this can also be used in various that domestic first-class postage now purchases the level of service that previously only airmail could buy," said

traced from the beginning of the Middle School to the present date.

In 1971-72, there was one reading teacher at Middle School. Fifth and sixth grade students received reading instruction in their language

Postmaster Young. "Under the new program, there is no longer an advantage in purchasing airmail postage for domestic delivery," he said. "However, priority mail (weight in excess of 13 ounces), which includes air parcel service.

arts classes, and there were no seventh and eighth grade reading classes.

The reading program at Avon Park Middle School has grown to provide a developmental reading program for every child. These classes are taught by qualified teachers, during a separate reading period. In addition to the developmental reading program, many students at Avon Park Middle School qualify for one of the three compensatory programs offered in reading. These include a SLD classroom, a Title I Reading Program, and the Migrant Tutorial Reading Program.

Property Owners Protest Tax Roll

A new protest to Highlands County property tax roll for 1975 was sounded in a letter directed to the State Department of Revenue director, J. Ed Straughan.

Robert J. Barben, president of Highlands County Property Owners Association, Inc., said copies of the protest had been sent to the Governor Reubin O. Askew, William Cave of the ad valorem tax division; Highlands County commissioners, County school board, Highlands General Hospital commissioners, State Senator Tom Gallen, Representatives Ray Mattox, John R. Clark, Wendell Watson, C. Fred Jones, Fred Burrall, Mary Elen Hawkins and to J. W. "Billy" Martin, tax appraiser.

Barben said the letter, which he signed on behalf of the property owners group, is not intended to be a criticism of local officials, but it is directed to the state system of arriving at tax valuations. The letter follows.

Dear Mr. Straughan: The Board of Directors of the Highlands County Property Owners Association was shocked by the announcement of a tax roll for our country which valued the county at \$544,354,000, according to an announcement by Mr. J. W. Martin, our tax appraiser, on Sept. 9, 1975.

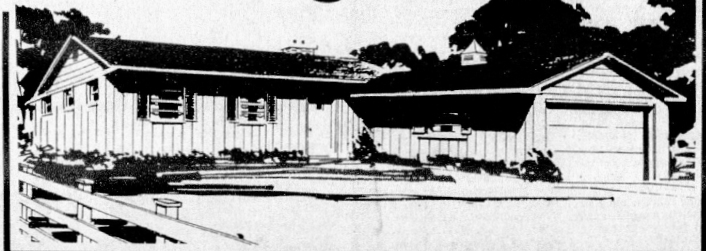

The valuation of \$432,589,991 in 1974, with only \$22,000,000 in new construction had jumped the valuation \$125,000,000 in comparison with the 1973 roll. Earlier this year the tax appraiser had advised us that the big jump had been made in 1974 and, with only \$14,000,000 in new construction he had predicted a tax roll for 1975 of approximately \$454,000,000.

We find it difficult to understand why Highlands County valuations are increasing so much faster than the State of Florida. Comparing 1975 against 1974, Florida valuations increased approximately 12 per cent, while Highlands County increased 25 per cent. Since 1973, the state valuations have risen approximately 49 per cent and Highlands County has jumped an incredible 84 per cent.

Our main concern, of course, is the increasing size of the county contribution to school board budgets and the decreasing amount of state aid. In the last two years it seems that the excessive valuations have caused the amount of state aid to our school operating costs to decrease nearly \$1,000,000, which is a very sizeable loss to a small county.

If these increases in property values were necessary for Highlands County to reach 100 per cent valuation, then it would seem that many other areas of the state have not attained similar levels. We would like to have your assurance that Highlands County will have no more such mammoth jumps in valuation — and that we can look forward to an increasing ratio of state aid in the future instead of the decreases which we have suffered in the past two years.

Teacher Education Center To Serve Three Counties

The formation of a Teacher Education Center (TEC) to be headquartered in Highlands County is now a reality, announced Dr. Dan A. Davis, coordinator of Teacher Education and Staff Development for Highlands County Schools.

Dr. Davis presented the proposal for the center Friday in Tallahassee before the State Council for Teacher Education Centers.

The center is to serve the 900-plus teachers in the counties of Highlands, Hardee and Okeechobee and support staffs in the schools including aides, food service, transportation and maintenance personnel.

It is intended to provide training and resources in all areas of school work and to provide courses and instruction that will maintain certification of teachers. For those wishing to advance their education courses will be provided for credit toward Bachelor, Master and Doctorate degrees.

With approved

establishment of the Center, the state has funded \$4,000 toward immediate programs for this year. One of the beginning programs was a workshop for reading, conducted in August. Other programs will be determined by Tri-County TEC Council at the next meeting, Monday, Nov. 3, at Fred Wild Elementary School.

The effort and direction of TEC is the responsibility of the council, which is composed of members of the administrative and teaching staffs of all three counties and members of their respective school boards. Most are classroom teachers.

Each county will contribute a portion of its income funds to finance the center's formation. The funds are provided by the state each year for inservice training and are allocated according to student count, which is the FTE funding figure used by the state and amounts to \$5 per student.

Dr. Davis advises that the main thrust of the first year of TEC will be organization and

needs assessment. All educational personnel in the Tri-County area will be

surveyed, their needs tabulated, ranked and assessed, and immediate

wheels set into motion to design programs to fulfill them.

At the same time, said Davis, there will be complete survey of existing talent within the three counties from which instructors and leaders can be chosen. Areas of needs which cannot be served to the best advantage from the Tri-County Center will be served by the University of South Florida at Tampa and Florida Atlantic University in Boca Raton.

Davis also stated that it is the consensus among the counties that the center will upgrade and broaden the inservice and Preservice programs of all three counties, which up to now have operated their programs separately.

The center will offer resource materials and help increase classroom efficiency, to maintain competence, to provide awareness of innovations, and to provide opportunities for advancement for teachers that could not otherwise be provided by the individual counties.

Ted Collier
.....clocks out at local post office

Ted Collier Named

Postmaster Of Nocatee

Ted Collier, a clerk at the Avon Park Post Office, has been promoted to Postmaster of Nocatee, Fla. effective October 25, 1975.

Collier began his Post Office career as a carrier in Deerfield Beach, Fla. in 1966 and

transferred to Avon Park in 1971. He was detailed to the Position of Delivery Foreman to examine and adjust city delivery routes in the Tampa Sectional Center Area.

Collier is married to the former Carol Weeks and they have three children. He is a native of Deerfield Beach, Fla. where his brother, Ray Collier, is Postmaster.

Two Elderly Women Bilked

Two elderly Avon Park women, both residents of the Delaney Heights Housing Authority, were apparently bilked of \$30.65 and \$39.70 by a man who described himself as a Medicare representative Tuesday.

In their reports to the sheriff's department, Mrs. Lily Winegard, 88, and Mrs. Newell L. Moore, 84, said the man was allowed to enter their separate homes by identifying himself as a Medicare representative.

He then attempted to sell them an insurance policy which he said would "make Medicare better." Though both first said they did not want the additional policy, both eventually gave him cash — Mrs. Moore, \$39.70 and Mrs. Winegard, \$30.65.

Deputies are searching for the man, described as white, middle-aged and driving an old black car. He gave the women receipts, barely legible, giving a Miami insurance address which proved to be a non-existent.

SFJC Schedules Police Training

An advanced training program for police supervisors will be held at South Florida Junior College beginning Monday, Nov. 3, and ending Friday, Nov. 21.

This 80 hour program is a part of the police standards incentive program for law enforcement officers throughout the State of Florida. The classes will be held at the campus of South Florida Junior College from 9:00 a.m. to 3:00 p.m. daily.

Among the areas to be covered will be principles of

organization and management, personnel selection and training techniques of working with people, planning and policy development, and project work in a local department basis.

Charles Schildecker,

HOPE Sets Meeting

Volunteers and friends of Project HOPE are urged to attend a covered dish luncheon Wednesday, Nov. 5 at 12:45 p.m. at the First United

Methodist Church. Bring a place setting and a covered dish to share. Beverages will be available at the church.

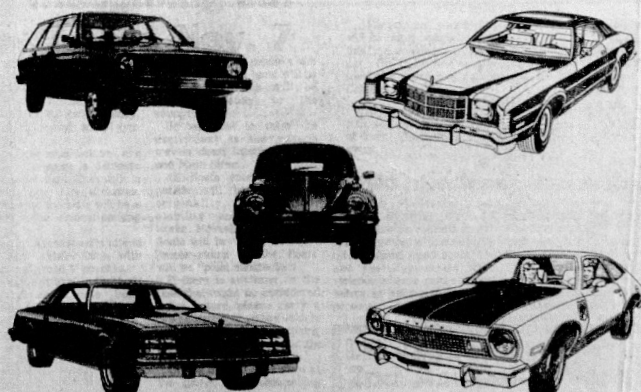

formerly head of the Miami Dade Junior College criminal justice program, will work with John Kaufman, criminal justice instructor at SFJC, in providing the instruction for the program.

Officers completing the supervision class will be eligible for a \$20.00 per month pay increment under the revenue sharing program. Only those officers who are presently supervisors and who have demonstrated potential in this area are eligible to participate.

Any person desiring further information about the class is invited to call the vocational office at South Florida Junior College. The telephone number is 453-6661 in Avon Park.

SURE HANDS OF THE SURGEON

A child walks... an arm is straightened... a growth is removed... these and many other things are the result of the fine work of the surgeon. This is an occupation and a labor worthy of appreciation.

A star... a new born baby... the world itself... these and many other things reveal God to us. "The heavens declare the glory of God; and the firmament sheweth his handywork."

Psalm 19, 1

God has wrought
a great work. Let
us show our love
and appreciation
by worshipping
him in Church

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about men's life, death and destiny, the truth which alone will set him free to live as a child of God.
