Smith Appointed Superintendent Of Highlands School Board

J. FERRELSMITH

James Ferrel Smith, Jr. has been appointed by Gov. Reubin Askew to the position of superintendent of Highlands County Schools. Assistant superintendent since last year, Smith now fills the post left vacant by the late George Douglas.

Smith has the full backing of school board members and was also first choice of the Highlands County Democratic Executive Committee. (Second choice was Norris Brooks, principal of Avon Park Elementary School; third was Billy Cason, principal of Sebring High School.)

The new superintendent, who has told the school board he will not seek election to the office next year, has been with

the county school system for approximately 21 years.

He started as a teacher of social studies, world and American history at Sebring High School, then was principal of the DeSoto City Fred Wild School until the new elementary school was constructed in Sebring.

In the fall of 1964 he was raised to the administrative level, as curriculum coordinator and, the first federal program director. He wrote the county's premiere Title I and migrant programs, along with ESAP measures which concerned desegregation.

In 1968 he took a sabbatical, achieving his EDS (Education specialist) degree at the

University of Florida. Returning to the Highlands he succeeded Homer Bible as supervisor. He remained in that position until Douglas recommended him as assistant, to take over in his absence.

Born on a farm in Alabama 49 years ago, James Ferrel Smith received his bachelors degree at Troy State and his masters degree at Auburn, Ala. This year he will earn the remainder of his doctorate at Nova University.

He served with the U.S. Army during World War II and in Korea, where he was variously commandant of POW Camp 3 and security for one of the inter-nation inspection teams. Following Korea he

dropped out of the Army Reserves.

He and his wife Kathryn have four children: Beth 23, Kay 19, a junior at Troy State; Al, 17 a senior at Sebring High School and Amy 11, in the sixth grade at Sebring Middle School.

Added duties in local education have curtailed his participation in civic organizations, although he has been a Lion, a Kiwanian and was past commander of the American Legion post here.

He is a Mason and a member of Kappa Delta Phi, honorary

over the papers he has to file. Deputy City Clerk Virginia Henderson waits for Eddie to sign on the line. Photo—Miller.

City's Juvenile Curfew Law Will Be Enforced

Avon Park's curfew law which makes it unlawful for a parent to allow youngsters 17 years old and younger to be out past 12 midnight without written permission will be strictly enforced effective immediately, Mayor Marshall Davis said.

The curfew law is aimed at the parent or guardian rather than the youngster and the parent will be held responsible, Davis said.

Bill Peebles, director of the

Bureau of Field Services, Division of Youth Services, said his agency will cooperate with the crackdown and encourages enforcement of the ordinance.

The crackdown on curfew violations is prompted by the high rate of breaking and entering, thefts and other offenses recently involving juveniles, according to city officials.

The curfew law states that "It shall be unlawful for any parent, guardian or other person having the legal care and custody of any child less than seventeen (17) years of age to allow or permit any such child, ward or other person under such age, while in such legal custody, to go or be in or upon any of the streets, alleys, parks or public places in the city after 12 at night, without the written consent of such parent or guardian or some adult authorized by such parent or guardian."

Mayor Davis said City Attorney Jack Hancock had rendered an opinion that the law is valid and enforceable even though state regulations regarding juveniles have changed in recent times. Peebles also voiced the opinion that the ordinance is not in conflict with any state law.

Theft Ring Broken

Avon Park Police this week broke up an apparent theft ring operating the past two months in Avon Park with the arrest of two adults and three juveniles. The investigation is continuing and more arrests are expected, according to Patrolman Donald Singletary who has spearheaded the investigation along with Patrolman Ray Rasdale.

Lodged in Highlands County Jail under \$10,000 is Mildred Segars Light, 34, 1119 W. Church St., charged with possession and concealment of stolen property and possession of a short-barreled shotgun. Possession of a shotgun with a barrel under 18 inches is a felony and in violation of the Federal Firearms Act.

Also in the county jail under \$12,000 bond on five counts of breaking and entering is Stanley Abrams, address not given. There could be other charges added when the investigation is completed, according to Singletary.

Possibly two breaking and entering had not been reported to the police department and were discovered during questioning of suspects.

Merchandise from some of the breaking and enterings have been recovered, some of it from the trunk of Mrs. Light's car. Diving operations Tuesday in Lake Tulane, where it was suspected some of the merchandise was dumped, failed to turn up anything. Diving operations was expected to be resumed Wednesday morning. Local police were aided in the water search by officers from the Sebring Police Department.

Some Officials Get Raise

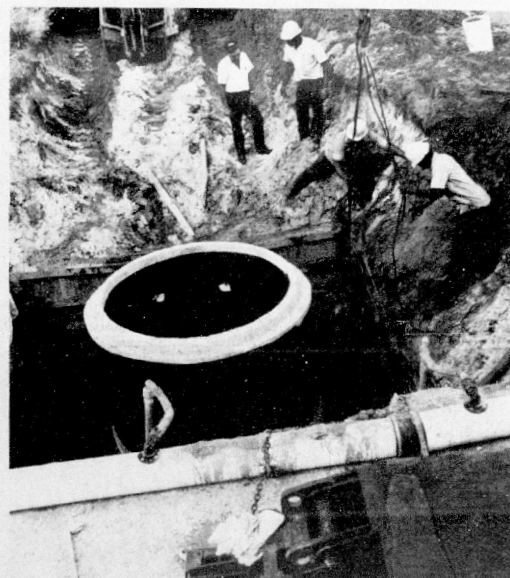

For the first time in several years the Avon Park City Council reviewed each city department individually and did not make a flat pay raise for all city employees in the 1975-76 budget.

A motion at a previous budget meeting to give pay raises of 10 per cent to firemen and policemen and six per cent to others was rescinded with the budget of each city department being voted on separately.

Positions that had previously been discussed were dropped, such as, field coordinator, parttime assistant at the recreation center and police lieutenant.

To ease the work load at city hall the council moved to assign departments to each councilman to coordinate the work load such as had been done by the past councils. The following appointments were made by Council President Wendell Williams: Street, Sanitation and Parks—Ed Touchton; Water and Sewer—Larry Albright; Library and Building—Robert Britt; Recreation and Fire—Milton Howard; Police—Mayor Marshall Davis; General Government—Malcolm Crews; Airport and all committees—Wendell Williams.

The previous council in

WITH TWO SECTIONS OF six foot inside diameter precast concrete pipe in place 17 feet deep workers prepare to attach cables to the cofferdam to remove it. The top section of concrete pipe weighs about 8000 pounds while the bottom section weighs

14,000 pounds. Watching the operation is Milford Locke (dark cap) Gator Utilities' vice-president and general superintendent of production and Willy White, one of Gator's top foremen. Photo—Miller.

shortening city employees work week from 43 hours to 40 hours left the amount of employee pay remain the same, consequently employees at the time received 43 hours pay for 40 hours work. A survey showed that the city paid 33 cents more per hour for labor than any of six large employers of labor in the area.

A ten per cent pay raise was budgeted for the fire and police department employees. Another survey showed that they were receiving less than the average pay of surrounding cities' fire and policemen. Thirty-one employees of about 60 are to receive a budgeted pay raise.

The salaries of the following department heads were raised effective Oct. 1, 1975: Chief of police and fire chief, \$12,248 each from \$10,500; librarian raised to \$8,915 from \$7,930 and recreation director hiked from \$8,820 to \$8,915 while the city clerk's pay was boosted from \$12,828 to \$13,500. The annual salaries do not include fringe benefits or longevity pay.

However, effective Oct. 1, 1975 the city will pay four per cent of employees (except police and firemen) pay into a retirement fund at no cost to the employee. Rumor had it that at their meeting Monday night, Sept. 29 the

council would raise the pay of all employees not covered by a pay raise.

The proposed 1975-76 budget adopted Monday night was \$914,763 or \$55,353 higher than the 1974-75 budget of \$859,410. There was \$25,491 in the 74-75 reserve account and \$55,090 in the 75-76 reserve account.

The operating millage rate had been set at 3.9846 mills to yield \$103,678 in taxes in Territory A and at \$3.6821 to yield \$80,132 in Territory B. Last year's millage was A—3.872; B—4.722 mills, yielding \$178,209.

All of the increase in assessed evaluation has come from new construction, stated City Clerk Malcolm Crews.

The proposed budget, or if the council desires a changed budget will be adopted at 7:30 p.m., Monday night, Sept. 29 at city hall as an emergency ordinance with three readings. All interested persons are urged to attend this council meeting.

Harvard Promoted

Marine Sergeant Gerald W. Harvard, son of Mrs. Velma L. Harvard of Route 1, Avon Park, has been promoted to his present rank while serving at the Marine Corps Air Station, New River, Jacksonville, N.C.

Eddie DeLaney First To Qualify For Council Race

Last Friday morning, Edgar C. DeLaney presented his qualifying papers at city hall for the office of city councilman. Eddie, as he is known to most, was born and raised in Avon Park. He attended Avon Park Elementary and High School, graduating in 1965.

Eddie attended the University of Florida, Gainesville, for two years before transferring to Florida Technological University in Orlando. He graduated in 1970 with a B. Sc. in Business Administration with finance being his main field of study. Since graduating from FTU, Eddie has been general manager of the DeLaney Hardware store on Main Street.

Eddie is the son of Mr. and Mrs. Jack DeLaney and the grandson of E. A. DeLaney Sr. who was the mayor of Avon Park for 20 years.

Active in civic organizations, Eddie is a director of the Avon Park Chamber of Commerce, a member of the Board of Directors of the Lion's Club and vice-president of the Avon Park High School Athletic Booster's Club. On the county level he is a member of the textbook committee of the Highlands County School Board.

Living at 91 E. Kindall Ave. Eddie is married to Grace Gillard DeLaney and they have two boys, Adam, age 4 and Brian 18 months.

When asked why he sought

public office Mr. DeLaney had this to say: "More and more the people of small towns and counties are losing control to the state and federal governments. If elected I will fight to keep city government in the hands of the elected local city officials."

"Also I feel the money that is spent by city government should be done in an

economical way. The sewer project is about to start and the city should make it as economical as is possible for the citizens to hook-up to the sewer without putting on any unjustified expense."

"I hope everyone will take an active part in this election and vote for the candidate of their choice on Tuesday, Dec. 2."

Council Signs Contract With City Planners

"The city has set a trend," Serafin Leal of Candeb, Fleissig and Associated told the Avon Park City Council at their regular Monday night meeting, "by making the second effort to secure Housing and Urban Development (HUD) funds." Leal also stated it would take about two months to get work started and the \$18,000 grant must be spent or committed within 12 months.

The Avon Park application for HUD funds was approved Sept. 3. In his remarks about the program Leal told the council that in enabling legislation Congress had set up the HUD program for three years with a possible extension of three more years.

The proposed contract with Leal's firm covered four items; the proposed cost of planning and assistance was not to exceed \$15,000; money

and evaluatory system of services; rehabilitation of city areas and a community development plan with a program of the most pressing needs.

Leal pointed out that all programs would need clearance or approval by environmental agencies. He also suggested that a citizens advisory group be established to make recommendations on a work program to the council. It was moved by the council to execute a contract for the services of Candeb, Fleissig and Associates in connection with the Community Development Block Grant for \$15,000 as proposed by Leal.

Leal also urged that city officials attend a HUD meeting in Jacksonville on Oct. 7 and 8 on Community Block Development procedures.

21 Complete Radiological Monitoring Course

When R₁ equals 200 r/hr dose rate at H + 1; T₁ equals 4 hours, stay time and T₂ equals H + 12 or entry time, what would be the dose if a monitor entered the area.

This was one of the problems the class on radiological monitoring learned to solve during the 16 hour course at the Florida State Fireman's Association Headquarters last week. Firemen, policemen and CB radio club members made up the 33 students starting the course with 21 finishing last Thursday by taking a final examination in radiological monitoring.

The course was set up by J. C. Murdoch, Disaster Preparedness Director of Highlands County, whose office is in the Emergency Operating center on W. Beach St., Sebring.

The monitoring class taught by Instructor Bill Collins of the Dept. of Disaster Preparedness at Barlow is a 16

hour course that combines the study of the theory of radiation with the practical use of monitoring instruments, dosimeter and detectors.

With 20 years service in the Air Force Collins retired after teaching the course for three or four years at McCord Air Force Base, Tacoma, Wash. He has taught the course in Florida for five years with most of the sessions being in smaller towns and counties. As Collins stated the course was designed for use in event of nuclear war but it was a great help in accidents where radiological isotopes leaked from steamers. There have been three such spills in Florida.

Four years ago there were 800,000 shipments of radiological isotopes in the U.S. with 50,000 being in Florida. It has been estimated that the number of shipments has

Radiation Monitoring

doubled by this time as increased quantities of material are being used by power plants, hospitals, etc., plus the disposal of spent fuel. Along with the theory and use of instruments there were problem solving sessions. There were no breaks during the four hour evening sessions

but students were free to smoke or refill their cups from the coffee pot. It had the appearance of a fun course as there was no pressure to make a grade. Everyone taking the final exam and completing the course received a certificate. The beginning problem restated reads: If the dose rate

at H + 1 was 200 r-hr, what would be the dose a monitor if he entered the area at H + 12 and stayed 4 hours: Students found that by using the five line 'Entry Time-Stay Time, Total Dose Nomogram' with a straight edge they could easily obtain the answer of 35 Roentgens.

Smith- Superintendent

educational fraternity.

Smith added that he hopes to implement some of the plans Douglas had "in the mill."

"I feel very good about the system in this county, although it is certainly not perfect. Changes will be made, but nothing radical. We will probably be working on things for the next few years.

"We have a tremendous staff, all hard workers, and the children in Highlands County are fantastic. Money will be tight for the next few years, but I feel we have made great progress in serving

students and the community." Smith said that he seldom gets upset, is always willing to listen, and considers his new responsibilities a challenge. He is particularly interested in promoting a consistently better educational system in Highlands County... "a nice place to live."

Letter To Editor

Causes Of High Insurance Premiums

Dear Editor:

In the last two months we have had an increase in our auto insurance premiums. I have been your agent for the last 22 years. May I give you my opinion why this happened. I now have no connections with any insurance company and what I have to say is my own opinion. Your auto insurance company can only spend 60 per cent of the premium you pay on claims and break even, 40 per cent goes for service, agents, adjusters, etc. In the last five years the cost of labor, auto parts, and medical expenses have about doubled. There is not too much we can do about this except to try to keep these rates from increasing.

comes from speeding or someone driving while under the influence of alcohol or drugs. These two traffic violations are the cause of approximately 30,000 deaths annually and 10,000 injuries. Many times the injuries will cost the insurance company more than a death. We should ask our law enforcement officers and judges to try to keep our speed at 60 miles per hour or less.

Drivers under the influence of alcohol or drugs, I believe are our third largest killers in the United States, but very little is being done to curb this problem. I believe if these drivers were allowed to drive only during daylight hours for long periods or time it would be helpful.

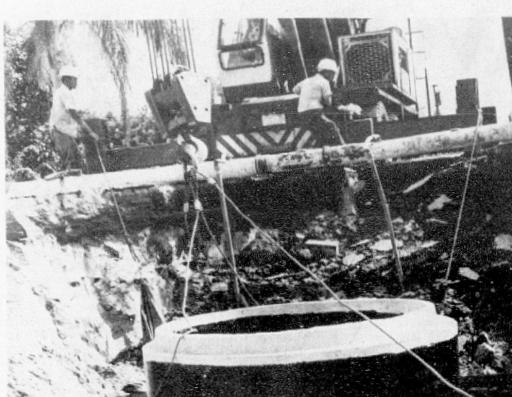

Then there is the court claims. Many sympathetic judges and juries give claimants far above and beyond what they are actually entitled to. Some feel they are giving the claimant money that belongs to the insurance company. This is not the case. They are giving the claimant their auto premium money. So rather than deciding how much of the insurance company's money we should give him we should decide how much of our money we should give him.

Then of course there is the fraudulent claims. I believe Mr. O'Malley is making a claim that falls in that category at the present time. He claims he had a heart attack brought on by having to run two miles to catch a plane in Atlanta, Ga. I doubt very much Mr. O'Malley could run two miles down a mountain side. Anyway he is filing for workmen's compensation so he can get all his doctors bills paid and a portion of his salary.

When we are on a jury and one of these weirdo claims comes up we should vote against them. If we could improve the loss in these categories I believe we could improve our insurance rates. If we don't then the premiums will continue to rise.

I wish to thank everyone who helped make it possible for me to retire after 50 years of work. I miss seeing all my good customers but enjoy being able to go and do as time and money will permit. I hope all of you will be fortunate as I.

George Haynie

Mayor And Mrs Davis To Be Special Guests

Avon Park Mayor and Mrs. Marshall Davis and Mr. and Mrs. Frank Spangler of Lake Placid will be special guests at the Charles S. Swan Memorial Toastmasters meeting today (Thursday) at 6:30 p.m. at the Steak Out Restaurant in Avon Park.

Spangler is a past international president of Toastmasters International and a lifetime member of the organization. Davis is expected to sign a proclamation declaring October as Toastmasters International Month in Avon Park in observance of the 51st anniversary of the organization and to note the efforts of the new chapter to add to the city's high quality of life and opportunities for its

citizens. Toastmasters International which now has some 3,000 chapters in 47 countries of the Free World was founded Oct. 24, 1924 and has helped millions of people in a program of self-improvement through improved communications. The Toastmaster of the evening will be Ralph Walden and J.T. Gibbs will be Table

Topics Master. Lynn Ingraham will be general evaluator of the meeting. Speakers will be Larry Saucier, James Richo and Capt. Craig Alldredge. Individual evaluations will be James Fountain, County Judge Mark Richardson, Jr. and Norma Gobbie. Words of the day are sharpie, shebang, sheen, sheepwalk and

shaw. Everyone interested in self improvement through learning better communications and developing leadership potential is invited to attend tonight's meeting to learn more about the Toastmasters educational program. There is no obligation. Among future plans of the Swan Memorial Toastmasters

is formation of a speaker's bureau, Speechcraft for young people and extension of travel clubs in penal institutions.

Angela Celebrates First Birthday

A small family party marked the first birthday of Little Miss Angela Kristen Callaway, daughter of Snitty and Judy Callaway, Trout Lake Drive, Avon Park, Friday.

She received her first long distance phone call, person-to-person to her, from her paternal grandparents, Mr. and Mrs. E.F. Callaway, Covington, Ga. She received many gifts.

The dining room was decorated with pink streamers and balloons. Her birthday cake, made by her mother, was shaped like a choo-choo train with pink candles for cargo and life savers for wheels. A single candle formed the engine's "smoke stack." The cake was white with white icing. It covered the entire dining table. Angela Kristen was a pink birthday hat.

Her maternal grandparents, Mr. and Mrs. Guy Adams, and her maternal great-grandmother, Mrs. Mary Scott, were present to help celebrate the event.

Catholic Women Plan Workshop

Mrs. Jackson Reed, president of Western Deanery, of Winter Haven, discussed deanery work of the women of Our Lady of Grace Church with the Catholic Church of Women Thursday in the church parish hall.

She also announced an all-day workshop will be held Tuesday in Lakeland. The workshop will include information on the workshop can call Father George Fraser at 453-4577. All Catholic women are welcome to attend.

Barbara Klemm, president of the local C.W., thanked all the members for their attendance, enthusiasm and the refreshments.

The next meeting will be Thursday, Oct. 16 at 1:30 p.m.

Christian Duo To Sing Sacred Music

A baritone and tenor duo will present a sacred musical program at the First Presbyterian Church of Avon Park on Tuesday night, September 30 at 7:30 p.m. The duo is composed of Joe Stuart and Terry Tyson.

Dr. D. James Kennedy, Senior Minister of the Coral Ridge Presbyterian Church, Fort Lauderdale, Fla. has said about this duo: "A thrilling tenor and rich baritone combine to make them an inspiration to audiences everywhere."

Joe Stuart received his college education at Otterbein University in Westerville, Ohio and at Ohio State University. He had intensive vocal training at the American Institute of Musical Studies at Graz, Austria. He has performed with the Cincinnati Opera Company and the Miami Opera Company.

Terry Tyson began his vocal training at the University of North Carolina at Chapel Hill. He received his vocal performance degree from Ohio State University in Columbus, Ohio. He has toured as an Austrian premier of Weill's Das Kleive Mahagonny.

There will be no charge for the sacred musical concert, but as an alternative to the extensive reading program visualized by the faculty, they have been able to hire Mrs.

Mrs. Dale Ragland was named Bicentennial chairman for the auxiliary. Plans were made for a Lite a Bike program next month. Refreshments were served by Mrs. Moody and Miss Linda Moody.

The V.F.W. Auxiliary held their monthly meeting Thursday with Virginia Moody, president, presiding. Mrs. Chris Hornsby, past 4th District president, made an inspection tour and gave the auxiliary to the auxiliary to Mrs. Treva Edwards.

The Good Sam Club held their monthly camp out last weekend at Goff's Oak Acres Camp Ground near Venus. Several Good Sam members attended.

The Episcopal Church of the Redeemer, North Verona and East Pleasant, Avon Park, Oct. 2, 3 and 4.

Hours of the sale will be noon to 5 p.m. Thursday, 9 a.m. to 5 p.m. Friday and 9 a.m. to noon Saturday.

Mrs. Sherman Francisco has a large quantity of material, all in good condition for lucky purchasers to go wild sewing. There is furniture, china and clothing, all marked at bargain prices. Come early to have first choice.

Any members having last minute donations, bring them to the parish house by Monday, Sept. 29.

The rummage sale will be the first event of the year according to plans laid out at a special board meeting called by Mrs. Alice Smith, president of the Episcopal Church Women.

The annual Bonanza is scheduled for Nov. 15 in the parish house. Mrs. Anne Touchton is in charge of the event and has called for helpers to carry out plans.

A workshop, which began Tuesday, will be held each Tuesday from 9:30 a.m. to 3 p.m. until Bonanza opens. Bring a sandwich for lunch, coffee will be provided. There will be a baby sitter for mothers of small children.

There will be a meeting of the E.C.W. Wed. Oct. 8 in the parish house following mid-week communion.

Carnival To Benefit Muscular Dystrophy

A neighborhood carnival to benefit muscular dystrophy will be held Saturday, and it's the idea of a six-year-old girl, Michele Annette Priest, daughter of Mr. and Mrs. Robert Priest, got the idea for staging the event from Ronald McDonald, who is promoting McDonald's restaurants on television and at local participating restaurants. Funds raised will be used for research and patient service program.

Acting as ringmaster, Michele and her friends; Holly Tuck, Kim and Tracy Macey, Lisa Dagg and Tammy Waggoner, will present their carnival at the Priest home, 1404 NE Lakeview Drive, (corner of Shontee), from 10-12 in the morning.

Among the many attractions being offered are a penny toss puppet show, baked goods sale, spook house, color-mo booth, fortune telling booth and much more.

All area children and their parents are invited to join the festivities in a good cause.

Melissa Celebrates Fifth Birthday

Melissa Ann Watford, daughter of Mr. and Mrs. Frazier C. Watford, celebrated her fifth birthday with a party in her honor. Her two brothers, Alan, 7 and Jason, 19 months helped celebrate the event being with her paternal grandparents, Mr. and Mrs. Tommy Parker and her paternal grandparents, Mr. and Mrs. Frazier Watford.

Sept. 19. Three tables - High scorer Sarah Spindler with 578 and second high was Fred Hughes with 519.

CRAFTS
Hallie Wetmore would like to have anyone interested in crafts, bring in as soon as possible the following articles: Detergent bottles which are used to make dolls and scraps of cotton cloth for the dolls' clothes. She also would like black walnuts, not to eat but to use in making owl plaques. The first regular craft class will be Nov. 6.

Wanderers Returned to Avon Park
The club welcomes back this week, Miriam and Keith Debo, Hallie and Alton Wetmore and

Martin and Kallopi Littlefield.
HOSPITAL REPORT
Charles Romilly is somewhat improved and is now in the Weeks' Nursing Home.

**Two Pledged
Guilty On
Charges**

Two girls pled guilty in Avon Park Municipal Court Thursday and two men pled not guilty and asked for trial by jury on misdemeanor marijuana possession charges arising out of an Aug. 9 arrest here.

Brenda Jane Landon, 21, and Patricia Outlaw, 18, both of Winter Haven entered pleas of guilty and were sentenced to pay fines of \$300 each with 60 days in jail which were suspended.

Roy L. Riggs, 22, Frostproof, and David Paul Weaver, 21, Auburndale, entered a plea of not guilty and petitioned for a jury trial. The case will be heard in Highlands County Court in Sebring. No date has been set.

WEARING HER 30 year service pin (right collar point) Helen M. Tuten stands beside her painting of the Florida Power Corporation generating plant. Helen started with Florida Power on Sept. 20, 1945. Photo—Miller

Helen Tuten Receives 30 Year Pin With Company

On Sept. 20, 1945, Helen M. Tuten started work at the Florida Power Corporation plant analyzing water for oxygen, sulphate and sulfates and other minerals which might build up inside the water tubes and reduce the efficiency of the steam generating plant.

Helen was born in Avon Park. When her mother Alice M. Tuten came to Avon Park in about 1894, there were only seven families living in the city. Helen has lived at 136 N. Butler Ave. since 1925. She graduated from Avon Park High School. During the war (WWII) Helen worked at the Ludwick Military Academy (now Walker Memorial Hospital) as a telephone operator. She also worked at the Bombing Range as a telephone operator. She has a brother, Jesse, living in Tallahassee with his family.

After doing water analysis for seven years, Helen took over the duties of station clerk and at present is Senior Clerk II, taking care of all the routine plant office paperwork, such as personnel, payroll, purchase orders, requisition, etc.

Helen enjoys working with her hands and for hobbies does handicrafts, painting, both oil

and acrylic, shell craft and egg art. The egg art is one of her specialties, working with all size eggs from quail to ostrich; but mostly with goose eggs because of their size and because they are now easier to obtain.

Her present undertaking is making Christmas ornaments in pink trimmed in gold.

With 30 years of service with the Florida Power Corporation Helen plans to keep working for the time being.

Citrus School

The Highlands County Extension Citrus Advisory Committee announced a Highlands County Fall Citrus Marketing School at 7:30 p.m. Tuesday nights, Sept. 30 and Oct. 7 at the Agri-Civic Center in Sebring.

The primary speaker for the two evening sessions is Dr. Jim Niles, Citrus Marketing Economist of IFAS, Gainesville.

Topics for discussion include: Citrus marketing alternatives Sept. 30 and factors influencing price of citrus fruit, Oct. 7. There is a \$3.00 registration fee.

THE WEDNESDAY NOON Rotary speaker District 695 Governor James Driver, Winter Park and Norris Brooks, Avon Park club treasurer compared Bicentennial notes with Jim wearing his Bicentennial tie. Photo—Miller.

ON BEHALF OF the Avon Park Rotary Club Norris Brooks, treasurer, presented a club banner to President Joe Mancini of the newly chartered Wauchula Rotary Club last Thursday night.

Police Report Shows Offenses Increased In August

All types of offenses showed a marked increase in Avon Park during August, according to a report released by Police

Chief Grady Campbell. Traffic violations took a jump with 52 citations issued in August compared to 35 in July.

Total offenses other than traffic were 23 compared to July's 18.

Total miles on police cars for August was 12,946, up 1,882 miles from July's 11,264. Total complaints answered and services rendered for the month were 615 compared to 387 the previous month.

The only item that went down in August was the grocery cost probably due to the lower jail population for the month but the cost per meal took a two-cent drop.

With 105 meals served at the jail, \$37.40 was spent for groceries with a per meal cost of 36 cents in August. There were 250 meals served at the jail in July with a total grocery cost of \$96.24 and a per meal cost of 38 cents.

Unlawful speed topped the list of traffic offenses with 15 followed by no valid driver license with nine citations. Driving while intoxicated (DWI) and careless driving tied for third place on the list of most committed offenses with five incidents of running stop signs. There were two citations for running a red light and one case each of following too closely, violation of right of way, willful and wanton reckless driving and no license tag.

In the non traffic offenses, petty larceny led the way with six cases followed closely by possession of marijuana with four cases. There were three cases each of disorderly intoxication, drinking in public and disturbing the peace. There was one case each of assault, illegal possession of a firearm, discharging a firearm inside the city limits and one failure to appear in court.

City Council Meeting

Walker Requests Sewer Extension

The request of Walker Memorial Hospital for extension of the city sewer service to that facility was referred to the engineers for study during the regular Monday night meeting of the Avon Park City Council. This extension would be 1.6 miles beyond the present proposed end of the sewer lines.

Council President Wendell Williams requested that Dawkins and Associates be represented at council

meetings along with sewer inspector to keep the council informed of progress on the sewer improvement program. The council voted to send Dennis Guenther Recreation Director to a Florida Parks and Recreation Department Legislative Conference in Gainesville on Sept. 24.

A progress report on the ball park complex revealed that about half of the irrigation system is in place and all fields are graded. The surveyor is to be called to stake the last

fields. A report was given on an injury to street department employee Jack Slate who has been disabled since April. He did not keep his doctor's appointment and has discontinued therapy. He is to see another doctor in Winter Haven on Sept. 30. Jack Hancock, City Attorney, suggested guidelines be formulated on supplement pay for anyone injured on the job. It was moved to pay Jack Slate only the amount of the benefits

under workmen's compensation. Insurance during the remaining period of inability to return to employment.

A request that had been made by Bonnie Brae Mobile Home Park for annexation to the city was reviewed. This would have to be done before the sewer system could be extended to the park. It was suggested that this be referred to the Planning and Zoning Board.

Eric Annet, Sebring, requested a notarized statement as to the city's need and possible use of a charter bus service. City Clerk Malcolm Crews was authorized to complete such a statement for Annett.

Major Marshall Davis and the city clerk were authorized to execute a quit claim deed for property owned by Robert L. and Leonora L. Woodard.

A letter from the Dept. of Transportation was to inform the railroad that everything was ready for the installation

of safety signals on Main St. It was moved by the council that the city purchase \$5,000 of the City of Avon Park refunding bonds, due in 1980 for \$250.

The council voted to permit the Avon Park Firemen to sponsor boat races on Lake Tulane on Oct. 11 and 12.

It was recommended by Mayor Davis that Davis Barefield be reappointed to the Housing Authority, his term to begin Oct. 10, was the council approving.

s the council.

SEVERAL PEOPLE, including Phil Eddings, second from left, who with his band, the Flaming Stars, furnished music at the Ridge Lounge, stood by helplessly while the building burned to the ground. The Highlands Lake Volunteer Fire Department responded to the call but the fire had made too much headway and quickly destroyed the building. Photo—Gobbie.

Muriel Prescott Is Unaware That Fire Destroyed Ridge

Muriel Prescott, owner of the establishment, is on a cruise and had not been reached Tuesday, Brenner said. So Prescott was still unaware of the fire then.

All the instruments and musical equipment, belonging to Phil Eddings and the Flaming Stars who entertained at the club was reportedly in the building and was a total loss. A large stock of liquor and other beverages, equipment and furnishings would put the toll up to a good-sized figure for the total loss.

According to Brenner, presently known facts fix the cause of the fire as a torch being used to repair plumbing in the back of the refrigeration. Heat from the torch apparently

started the fire between walls. The fire department received the call at 9:32 a.m. Identity of the workman using the torch was unknown to Brenner.

The Ridge was a popular night spot for people in three counties and the place was packed on Friday and Saturday nights with all available parking space taken up.

No estimate of loss on the fire which razed the Ridge Liquors and Lounge on U.S. Highway 27, north of Avon Park, last Wednesday has been made, according to Gene Brenner, fire chief of the Highlands Lakes Volunteer Fire Department which responded to the blaze.

Obituaries

Nancy Jones

Funeral services for Mrs. Nancy Ocala Jones, 77, who died Friday enroute to Highlands General Hospital, were held Monday at 11 a.m. in the Avon Park Church of God with the Rev. Alex Day and the Rev. Don Staten officiating.

Visitation was Saturday in Stephenson-Smith Chapel. She lay in state in the home at 1061 W. LaGrande from Sunday morning until Monday morning. Burial was in Douglassville Cemetery under the direction of Stephenson-Smith Funeral Home.

Active pallbearers were her grandsons, Fred Jones, Raymond Wells, Charles Lewis, Kenneth Jones, Charles Luke and Larry Moseley. Honorary pallbearers were Teddy Martin, Harold Wells, Audrey Wells, Tommy Wells, Danny Luke and Manuel Moseley.

She was born in Johnson County, Ga. She and her husband celebrated their 50th wedding anniversary on Aug. 1. She was a homemaker, mother and member of the Church of God.

Survivors include her husband, Owen F. Avon Park; 10 children, Mrs. Jim Kelly, Bradenton, Mrs. Richard Robinson, Avon Park, Mrs. Olan Moseley, Vidalia, Ga., A. G. Jones, Frostproof, Alton Jones, Avon Park, J.O. Jones, Polk City, Mazie Wells, Avon Park, Mrs. J.J. Cotton, Frostproof, Mrs. Rudolph Lewis, Avon Park, and Mrs. Henry Gross, Bradenton; three sisters, Mrs. Ruth Wynn, Avon Park, Mrs. Annie Beasley, Lyons, Ga., and Mrs. Julie Black, Soperton, Ga.; four brothers, Gratis Horton, Lyons, Ga., Parker Horton, Swainsborough, Ga., Thomas Horton, Bath, S.C. and Harold Horton, Collins, Ga.; 40 grandchildren, 11 step-grandchildren, 59 great-grandchildren, and 13 step-great-grandchildren.

Raymond Oberle

Funeral services for Raymond M. Oberle, 65, who died Wednesday night in Arcadia, were held at Stephenson-Smith Chapel Thursday night with the Rev. B.A. Williamson officiating. Burial was scheduled to be held in Marion County, Indiana with arrangement by Stephenson-Smith Funeral Home.

He was born in Indianapolis, Ind. and had resided in Sebring for 16 years. He had been in maintenance work, both electrical and plumbing. He had worked for McAfee Candy Co. He was a member of the Methodist Church and the Masonic Lodge 126 in Indianapolis for 31 years.

Survivors include his wife, Ernadell Oberle, Sebring; two daughters, Glenita Milburn, Mesa, Ariz., and Patricia Montgomery, Indianapolis; one son, Ronald R., Indianapolis; one brother, Roland, Avon Park, one sister Goldie Lee, Indianapolis; 11 grandchildren and one great-grandchild.

Roland Completes Course

Army Private William O. Roland, whose wife, Betty Ann, lives on Route 2, Avon Park, completed on Aug. 29 the seven-week basic field artillery (cannonner) course at the U.S. Army Field Artillery Training Center, Ft. Sill, Okla. During the course, he learned the duties of a howitzer or gun section crewman. He also received instruction in handling ammunition, setting fuses and preparing charges, communications and maintenance. Pvt. Roland completed basic training at Ft. Leonard Wood, Mo. He is the son of Mr. and Mrs. Carlton Roland, 5 North Summit Ave.

Gift ShopToOpen

Sue's Gift Shop will open its doors for business Friday, Sept. 26, at 9 a.m. Sue and Bill Benett invite everyone to come in and get acquainted with their many unusual gift offers and services. Red Devil Runners

To Race At Palmetto

The Red Devil harriers will be running in the Palmetto Invitational tomorrow (Friday) starting at 4 p.m. last year the Devils finished seventh out of a nine team field. Between nine and twelve teams are expected to be represented in this year's Palmetto Invitational. The host school has dropped down to Class AA this year and will be in the same district as Avon Park in Cross Country competition.

Last Tuesday the Red Devils scored their second and third straight victories as they outtraced Sebring and Wauchula in a three - team meet on the Blue Streaks home course. Team totals showed Avon Park with 36 points, Sebring had 37 and Wauchula scored 49. (Low score wins in cross - country events.)

Sebring had the overall individual winner with Howard Jones racing to a 13:24 time for the 2 1/2 mile course. Red Devil, Alphonso Williams placed second with his fine 13:28 mark. Teammates James Hamilton, Jack Collins, Frank Anderson and David Jahna placed fifth, seventh, ninth and

thirteenth respectively for the Devils winning total. Steve Anderson was fifteenth and an injured Dale Sisemore came in eighteenth. Sisemore, who injured his right leg, will miss a week or so. Dale will not run in Palmetto but is expected to return to action when the Devils host a home meet on Oct. 2.

Several newcomers neiped the Devil jayvees place second behind Sebring and ahead of Wauchula. Alan Knight placed second with a fine 15:36 effort on the 2 1/2 mile circuit. He received good support from Pete DuPriest, Jim Correll, Anthony Stephens, Richard Rich, James Goodwin, Rory Jackson and John Barben. Four others just out for the team include Charlie Elder, Ken Jackson, Ossie Rushing and Ernest Smith.

"We will be having a shirt race among the new team members to determine who will fill Sisemore's spot on the varsity for the Palmetto meet," said Brojek. "I was extremely pleased with the work of the varsity squad this past week. It's good to get off to a good start."

THE AVON PARK High School Cross-country team racked up wins over Sebring and Wauchula on the Blue Streak course last Thursday afternoon. Co-captain Jack Collins helped lead the team to its third win of the season. Photo—Miller.

Bohr Shoots

An 87

Molly Bohr fired an 87 and Kay Aldrich had a 91 to take first and second in the Championship Flight at a Ridge Women's Golf Association Tournament Monday at Pinecrest Country Club. Flight A. Terry Akin with an 88 was second. Flight B went to Barbara Lee with a 97. The next Ridge tournament will be Monday, Oct. 6, at Lake Wales.

Avon Park Breaks 8 Game Losing Streak With Lake Placid

The Red Devil varsity football team defeated Lake Placid 14-4 last Friday night to move to a 1-1 record for the young season and post its first Heartland Conference football win. The Avon Park win broke an eight game losing streak and was the first win for the Devils in twelve games.

This week the Devils will travel to Arcadia to take on the as-yet-winless DeSoto High Bulldogs. DeSoto has lost to Palmetto 27-12 and to Mulberry 12-7. Mulberry defeated Avon Park 35-6 in the season opener. In the penalty-riddled game in Lake Placid last Friday night, the Avon Park team pushed over two touchdowns and scored on two-point conversion in spite of being penalized 106 yards. The first Devil score came on Avon Park's second possession late in the first quarter. The Devils had taken over on their own 46-yard line after a sixteen yard punt return by Freddie Moore. But a fifteen yard penalty backed Avon Park up to their 31-yard line on the very first play. Then the Devils started driving with junior Mort Jackson at the quarterback slot. Timmy Massey picked up five and James Ross added five more for the first down. Then Jackson hit Ross for an eleven yard pass gain. Ross slashed through for eight more yards and then Moore picked up the first down at the Dragon thirty-five. Jackson kept for five yards and Ross and Massey drove on for another first down at the Dragon twenty-five. A three yard loss put the ball on the Lake Placid 28-yard line and from that point Jackson hit Marvin Williams in the end

zone for the first TD of the game. Jackson's run for the two-point conversion was stopped just short but the Devils led 6-0 as the first quarter ended. The seventy yard drive was the longest sustained drive the Devils had in the game. Lake Placid came back to tie the game up late in the second period. The Devils were forced to punt from their own 28-yard line and the ball got away from Avon Park's punter and was recovered by Lake Placid on the Devil sixteen yard line. From that point, on fourth down, Dragon quarterback Dean Stidham found flanker Phil Lucas in the end zone and passed to him for the six points. The Dragons scored on the first attempt for an extra point but a fifteen yard penalty on the play forced another attempt. Stidham got off a pass but the receiver was tackled way short of the goal line to hold the score at 6-6 as the half ended.

The entire third quarter was played in Lake Placid territory as the Devils kept the Dragons deep. Charlie Glenn recovered a fumble forced by Timmy Massey to stop one drive and the Dragons had to punt out from inside their ten other times in that period. Avon Park had an early third period drive stopped on the Dragon thirty with a pass interception.

Avon Park's winning touchdown came late in the third quarter. The Devils took possession at the Dragon thirty-nine yard line after a punt. Then Charles Anderson picked up 34 yards on run around the right end to put the ball on the Dragon five. Timmy Massey drove into the middle

of the line three times taking it in on the third attempt from about a foot out. After a penalty against the Dragons on the extra point attempt, Massey again went over from one and a half yards out for the two point conversion to put the Devils out front 14-6 as the third quarter closed.

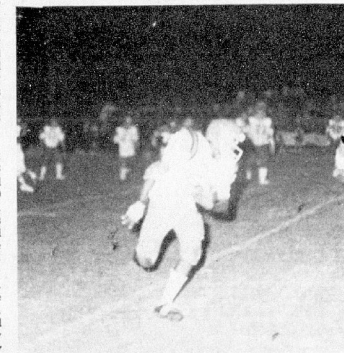

Early in the last period, the Devils threatened again driving to Lake Placid's thirteen yard line before James Ross lost the ball and a Dragon recovered. The Dragons then drove from their own ten to the Devil's forty-three before punting deep to the Avon Park third yard line. Avon Park was forced to fight in its own territory the remainder of the game to hold off two Dragon threats and take the win. On the final play of the game, Stidham's pass from the Devil 27-yard line was caught by a Dragon who was tackled just before he fell into the Avon Park end zone.

Statistics gave Avon Park the edge in rushing with 143 yards but the Dragons passed for 123 yards. The Devils had 9 first downs, Lake Placid had 6. Avon Park passed for 59 yards on five of ten completions and had one intercepted. Lake Placid completed 7 of 22 passes and had one intercepted. The Dragons were held to only 21 yards net rushing in the game by the improved Devil defense. Both teams lost one fumble and Avon Park fumbled away another attempt punt. Massey punted five times for the Devils for a poor 24.6 average. Stidham punted seven times for the Dragons for a 38.2 average. Both teams drew over 100 yards in penalties. The

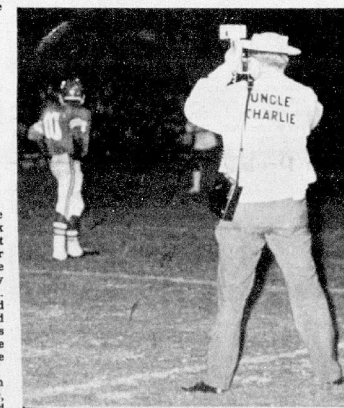

Devils drew 105 and the Dragons had 101 1/2 yards walked off against them.

Offensively the rushing was pretty evenly split up by four Devil backs. Ross gained 35 yards, Massey picked up 29 yards, Anderson had 34 yards and Moore rushed for 31 yards. Ross caught three passes for 27 yards and Williams hauled in the 28 yard TD pass and one yard gain as Mort Jackson improved on his passing

average hitting five of ten. Defensively Marvin Williams led the Devils with 5 tackles while Ross, Massey, Stokes and Stukes and Charlie Glenn had three unassisted tackles each. Stokes threw the quarterback for a loss on one play. Glenn recovered a fumble and Ross intercepted a pass deep in his own territory to stop a crucial Dragon drive in the fourth period.

JAMES ROSS SKIRTS wide around the end for crucial yardage against the Green Dragons in last Friday nights game, with Avon Park winning 14 to 6. Photo—Gobbie.

WHO IS UNCLE CHARLIE? He's the proud father of Green Dragon Quarterback No. 7. Charlie was using a 135 mm telephoto lens on a 35mm camera — he develops and prints his own color. Charles Stidham is a Lake Placid drugist and is Chairman of the Board of Trustees of South Florida Junior College. Photo—Miller.

Junior Varsity To Play Frostproof Tonight

Devil jaycee coach Alan Duham will make his debut as head coach tonight (Thursday) when he and rookie assistant Bruce Wyse take the Avon Park junior varsity to Frostproof to take on the Bulldogs "B" team. The thirty-four player squad is an unusually young team with mostly freshmen and the rest sophomores. There are no juniors on the team this season.

Last year the Devil "Jays" finished with a 4-4 record under head coach Ronnie Jackson assisted by Coach Duham. This year the Avon Park junior varsity will play six games with the first home game set for October 2 over Sebring's junior varsity.

Expected to start on offense

for Avon Park tonight will be DeCaris Jones at quarterback with Sylvester Curry at fullback and Anthony Carter and Terry Massey at the halfback slots. Johnny Harrison will center the ball. Ralph Hartt and Richard Clements will play the guard positions and Victor Roberts and Keith Porter will be the tackles. The ends will be Jamie Dennis and Otis Ford.

The Devil defensive team will probably have Porter, Hartt, Johnny Fortner and Clements on the front line with Jeff Williams, Alvin Hinson, Terry Massey and Ernest Brown at linebacker spots. Carter and Jerry McKenzie will be at the defensive halfback positions and Steve Gray will be the safety back.

HCR Runners To Race In "Great Race" At Perry

Two area runners placed second in their respective age groups in a 2.85 mile run in Lakeland last Sunday. Jesus Garcia was second in the 20-29 age group with a 17:47 effort and Chet Brojek was second in the 30-39 age group with his 17:45 clocking.

Brojek placed sixth overall while Garcia came in seventh. Dr. George Butz, who works at Walker Memorial and lives in Winter Haven, was first in the 40 and up age group run with a 17:43 time which placed him fifth overall. Mike Hatcher of Haines City was the overall winner among the forty or so runners competing in the race with a winning time of 15:22 minutes.

"Dr. Butz has really come on in his running with a first today and a second in our last Highlands Runners Club meet," commented Brojek. The next Highlands Runner's Club meet will be on Oct. 19 and will cover 6.2 miles. Brojek and Garcia also plan to run Oct. 11 in the "Great Race" to be held in Perry, Florida. The race will cover 10,000 meters or 6.2 miles.

PLAYING THEIR SEASON opening game at Sebring, the Junior High football squad won its opening game 12 to 6 last Tuesday night. Seated, left to right: Dwayne Council, Lawrin Ellis, Bill Porter, Eddie Roper, and James Barry. Kneeling: Jimmy Dean, Jeff Adams, Johnny Barnes, Bubba Stirling, Ferris Jahna, Mark Steedley, Chuck Smith, Alvin Comer, Billy Barben, Guy Westbrook. Standing: Coach Hoppy Rewis, Rickey Johnson, Mark Kelley, David

Sisemore, Andy Leach, Terry Kelley, Leroy Small, Tim Cribb, Tim Salter, Donald Cook, Dennis Barefield, Kenny Shields, Andy Parnell and Coach Joe Baker. Back Row: Enoch Caldwell, Raymond Lane, Reggie Caldwell, Raymond Lane, Reggie Moore, Wayne Simpson, Gerald Stiles, Randy Barba, Tim Minard, Richard Boyer, Richard Ward, Kelley Graham, Stanley Smith and Floyd Stokes. Entries Coming For SFJC Tennis Classic

A big month of tennis competition is anticipated when the South Florida Junior College Tennis Classic gets underway on October 3, 1975. Entries are now coming in from throughout the college district, and all interested players are urged to send in their entries prior to the announced deadline of 3 p.m., Oct. 2. Entry blanks may be obtained in the SFJC student center, from any member of the SFJC tennis team, from Coach Al Marrow, or by phoning 433-6661.

A NEW LOOK during the Avon Park-Lake Placid football game was Devil waterboy (watergirl) Debbie Hart who impressed people with her speed getting on and off the field with the juice bottles while Mitchell Arnold kept the bottles filled. Photo—Miller.

King Assigned To Accounting

Airman David M. King, son of Mrs. Paul Schroeder of Avon Park has been selected for technical training in the U.S. Air Force accounting and finance field at Sheppard AFB, Tex.

The airman recently completed basic training at Lackland AFB, Tex., where he studied the Air Force mission, organization and customs and received special instruction in human relations.

Airman King is a 1974 graduate of Avon Park High School.

Hair Dyeing Tips

QUESTION:

I am thinking about coloring my hair, but don't want a permanent dye. Can you explain what the different types of coloring are and how they affect your hair?

ANSWER:

According to the Food and Drug Administration, if you have healthy hair and scalp, generally good health, and follow directions precisely, you should be safe, and possibly happy, with coloring your hair. Before you decide to try something new, be sure to familiarize yourself with the safety precautions you need to take. Here are some of the terms you'll find when you shop for hair coloring:

Temporary colors are rinses. They can be used to try out a new color or to tide you over between permanent colorings. Rinses and highlighters and brighteners to natural color, improve shades of gray hair, and blend unevenly colored hair. But, they wear off light hair color. The disadvantage is that the color sometimes rubs off on pillows or clothes and may begin to run in water or perspiration.

If you want a deeper color effect, and don't want to bother with frequent reapplication, you might like a semi-permanent product. It will last through about four shampoos, but will wear off eventually. The dye is applied directly and worked in like a shampoo. Color penetrates each hair shaft. And although there's no rub-off, some loss of color occurs with each shampoo. Because no chemical reaction takes place during application as in permanent dyes, these colorings are usually milder and often chosen by people sensitive to permanent dyes.

IN A SALUTE to the Nation's 200th Bicentennial year the Avon Park High School Grenadier Marching Band included the 74 Bicentennial Flag in the Color Guard at the Lake Placid football game. Photo-Gobble

Bank Employee Aides In Arrest

An alert bank employee is credited with helping Sebring police arrest a suspect in a stolen money order case. Richard Ryan Hughes of Avon Park was arrested after he presented a stolen money order at First National Bank.

Rita Carr, the teller who was

waiting on Hughes, spotted the order as one listed as stolen. Mrs. Carr notified Sebring police. Lt. Austin Hasler and Detective John Ireland came to the bank and placed Hughes under arrest.

He was booked on four counts of forgery and two of uttering

a forged instrument. Hughes was later released without bond to enter a hospital where he was scheduled to undergo surgery this week.

The alert teller, Mrs. Carr, is wife of Sebring police Sgt. Mike Carr.

Between The Bookends

By Mrs. R. D. Moore, Librarian

Sally Quinn was a star reporter for THE WASHINGTON POST with a reputation for telling "all" about what was said and done when the capital's political and diplomatic luminaries got together at parties. So when CBS was looking for a woman to co-anchor their Morning News and compete with Barbara Walters of NBC they chose Sally to team up with veteran newscaster Hughes Rudd.

Quinn was thrown to the cameras without a word of advice or a moment of training and she proceeded to become the "laughing stock of television." "WE GOING TO MAKE YOU A STAR. ON Sally Quinn's hilarious, self-mocking, and blunt account of her rise and fall in the television industry.

EVONNE ON THE MOVE by Evonne Goolagong will be of interest to tennis fans. Discovered at the age of nine by Australia's leading tennis coach, Goolagong ten years later won the ultimate in tennis — Wimbledon — against her childhood idol, Margaret Court. This is Goolagong's story of a country girl adjusting to the city; the cheerful pro facing the rigors of practice and competition; the Aboriginal coping with the issue of race; the world of women's tennis.

Allstar MacLean's new novel has arrived at the Library. CIRCUS is vintage MacLean with a suspense that builds of equal parts action, espionage, and the razor-edged excitement of a circus atmosphere.

there — the ingenuity, the painless exposition, the scrupulous planting of clues, the snappy narrative and dialogue, the wit, the wisdom. HUMBOLDT'S GIFT by Saulk Bellow, prize-winning author of HERZOG is receiving wide critical acclaim. This is an exuberant, dazzling novel for all ages.

HOW CAN I FIND YOU, GOD? is Marjorie Holmes' new book. Mrs. Holmes is known to millions through her books of prayers and conversations with God. Her new book is the story of her own search for her personal spiritual life. She finds God through people, through the wonders of nature, through birth, through books, art, work, and prayer and the testing of pain and death. Mrs. Holmes offers her readers practical guidance on how they can live their lives more fully.

The rancher added that people cannot absorb more ad valorem taxes and Bill Gene Smith said he could not agree more. "The state is looking for ways to finance education without adding taxes," he said.

which have become ridiculous." The others agreed. Franklyn Ward told the audience, "This is a much more complex world that we live in. I used to play football in a sandspur field on the west side of Lake Jackson, with no bleachers, and people would come in their cars and watch." "Now the public wants bleachers, and school counselors, and a pool. The public demands more as the quality of life goes up. When the public says 'We'll live with what we've got' then maybe things will slow down a little."

"Maybe we have reached the point where the public is willing to settle for less."

The Master's Touch

God must love beauty, to use it so lavishly. The Master Artist dapples the soft green leaves with golden sunshine, turns the brook to flowing crystal, and puts a song into Spring itself.

There is beauty in us, too... because He put it there. In His sight, none of us are ugly, none of us are forsaken, none of us are "lost."

But sometimes, in the busy process of day-to-day living, we turn blind eyes upon the world's loveliness, and take for granted the gifts which should brighten the hours and years. We need a faith that gives us vision to find again the inner beauty He gave us in the beginning... a gift which He never takes away. Let us go, then, to His Church. Let us "enter into His gates with thanksgiving... for the Lord is good. His mercy is everlasting; and His Truth endureth forever."

Scriptures selected by The American Bible Society

W-D Brand Beef Is Always U.S. CHOICE

Not everyone is called The Beef People and that's because everyone doesn't take the pride and care we do. Only U.S. Choice Beef that's been carefully aged for juicy tenderness and skillfully trimmed for the best flavor and value will earn the W-D Brand. Sure, other stores can say their beef is U.S. Government inspected...All beef is Government inspected, it's required by law. Just look for the W-D Brand U.S. Choice shield to be sure you're getting your money's worth.

IS YOUR BUSINESS FOR SALE?

Why not let a business
 opportunity expert sell
 it for you. "Mac" Laine,
 who is associated with
 our office has had over
 24 yrs. experience
 selling business op-
 portunities throughout
 Florida.
 If you are planning to
 sell or lease your
 business, you might save
 time & money to talk to
 him. It costs nothing to
 find out.

HI THERE!!

We are Harvey and Dorothy Matlack
 from Malvern, Pa., now retired and living
 in our new "Criterion" home at
 HAMMOCK MOBILE ESTATES
 We're so proud of our new home, and happy to be
 living in this lovely new Village. The laundromat is
 finished, and soon the Recreation building and
 Shuffleboards will be completed. We have such lovely
 neighbors, and Village managers in Jack and Florence
 Hungerford.
 Why don't YOU come live at HAMMOCK MOBILE
 ESTATES too! There are several new homes completed
 including a lovely "Criterion" right next door to us.

FOLLOWING THE ADOPTING of the city budget by the Avon Park City Council employees stopped for a word with council members. James Wick leans over while talking with Milton Howard, Council vice-president while D. L. Jackson (right) chats with Councilman Ed Touchton (almost hidden). Photo—Miller

City Of Avon Park

Budget Increased To \$914,763

During a special called meeting the Avon Park City Council revised and approved an emergency measure a budget with expenditures totaling \$914,763 which is approximately \$56,000 over the 1974-75 budget.

The total revenue for 1975-76 is estimated at \$784,763 with a \$130,000 carryover from the 74-75 fiscal year. The largest revenue producing item is the revenue sharing with \$238,135. Taxes are expected to produce \$183,231, and utility tax

\$70,000, with Florida Power franchise tax yielding \$56,000. The largest items of expense are: Sanitation and street department \$219,400, police department \$214,867 and general government \$188,150 with the fire department at \$89,888 and \$50,000 reserved for contingencies.

The main budget items revised during this special meeting were salaries of some city employees that had not been raised during the budget session during the regular council meeting the previous

week. Salaries previously placed in the budget were 10 per cent for the fire and police

departments with a special raise of \$907 for the city librarian and the recreation

director was given a \$96 raise. City employees James Wick, Don Antley and Joe

Washington told how the cost of food, clothing and other essential items has continually gone up over the past year making it more difficult to live on their present wages which were unchanged even though the hours of work had been reduced without a reduction in pay.

After much discussion of rate of pay per hour versus take home pay of city employees and employees of business concerns, the council voted to give employees of the street and sanitation, park, water and sewer and general government departments a two per cent raise in pay and that clerks and dispatchers with the police department having the same civil service grade rating as general government employees also be given the two per cent raise in pay.

In their discussion of doing the right thing and being fair to all city employees the council overlooked or forgot to consider a two per cent pay raise for the building inspector. In lieu of a two per cent pay raise the recreation director's pay increase remained at about one per cent with \$50 being added to the recreation department budget for car expense.

It was also brought out at the council meeting that a question had been raised about the number of special meetings the council had been holding — but the matter was quietly and quickly dropped. During the council year there have been 18 called special meetings of the council.

Irene Seeking Parole, Serving Life Sentence

A parole is being sought for the only prisoner to whom Florida courts ever gave a life sentence for perjury — Irene Macey Wells O'Mara.

In July, 1973 Mrs. O'Mara began serving her life sentence and dropped from the news, where her name was (1966-73) frequently in headlines. She came back into the news Sept. 25 when she appeared before a state grand jury.

Subject of her testimony before the grand jury sitting in Orlando is not known, but Tom Powell, Orange-Osceola assistant state attorney, said no indictment was handed down on the subject of Mrs. O'Mara's testimony.

Richard Langley, Clermont attorney who is representing Mrs. O'Mara, said her testimony was not the basis for applying for a parole but was "something we needed to get out of the way."

The formal request for parole will be made in a letter to the Parole and Probation Commission. Langley told The Sun he hopes to get the letter into the mail "soon", perhaps within a week.

Langley said he has no idea what kind of time schedule may be involved in the parole bid, but in any event, "she will not be going back to Sebring."

Henry O'Mara, fifth husband of the widow of Charles Von Macey, lives in Boca Raton. The lower east side of his home has been home for Mrs. O'Mara most of the time after the trials resulting from the murder of Macey.

Macey was slain in his Sports Road home exactly nine years ago, Oct. 3, 1966. After months of investigation Mrs. O'Mara — then Mrs. Macey — was granted immunity in exchange for testimony which enabled the state to bring John Sweet to trial.

As a prosecution witness the Macey widow testified she had given Sweet, her lover, \$25,000 to arrange for the death of Macey.

Sweet's first trial ended in mistrial. In the second trial, a jury found Sweet guilty and Circuit Judge William K. Love sentenced Sweet to life in prison.

Sweet won a new trial, however, and State Attorney Glen Darty elected to bring his star witness to trial for perjury rather than go into a third murder trial for Sweet.

Eventually Sweet was freed under the Florida speedy trial rule. He had spent a short time in jail and prison processing system, but had been allowed out on appeal bond before he reached Balford.

The perjury charge against Irene Macey O'Mara stemmed from her testimony in the second Sweet trial.

Sweet's attorneys had won a change of venue from Sebring to Bartow. In turn, the perjury trial was changed from Bartow to Miami, where, on July 6, 1973, Mrs. O'Mara was sentenced to life in prison.

Judge Alfonso Sepe, who pronounced sentence, had commented, "Somehow justice

is being done." Judge Sepe, who quit the bench under fire June 30, was a witness before the grand jury last week. Langley, who now is legal counsel for Mrs. O'Mara, said he had known his client for "a couple of years and has officially represented her for the last couple of months."

Langley pointed out that Mrs. O'Mara was sentenced under an old law which permitted life sentence for perjury when the testimony

involved a life sentence crime. Langley told The Sun his research revealed that Florida judges never used that provision of the old law except in one case, Mrs. O'Mara's.

The maximum penalty now permitted is 10 years. Langley said since Mrs. O'Mara's incarceration at Florida Correctional Institution at Lowell, she has held several prison work

assignments — in the sewing room, records departments and others. He said she has an excellent work record and has achieved the top rating for prison trusties.

Even if Mrs. O'Mara is granted a parole, she will not also be free from courts and legal trappings. A complex civil proceeding involving the Macey estate is now before the Second District Court of Appeal.

Commissioners Back Hurner

Plan Court Action

County commissioners' high regard for their county agent Tim Hurner, caused them to

hesitate Tuesday before making a final commitment to carry their battle with the

University of Florida Extension Service into the courts.

Commissioner Ken Wilkinson introduced the ever-controversial subject by suggesting that the county reimburse Hurner \$2,400, the amount by which his annual salary has been cut by the Florida Extension Service.

Deputy Clerk James Pyle reminded commissioners that Hurner's salary is shared by the county and state. Any increase in the county's payment would be met by a corresponding decrease in the state's contribution, he said.

County Attorney Robert P. Darty Jr., agreed, pointing out that the University of Florida Board of Regents instituted a moratorium on pay raises.

"If you raise it (Hurner's salary), they'll lower it," he warned.

Commissioner Robert Skipper decided that the time for action had arrived.

"I want to take it to court, right now," he declared.

During a discussion of the motion, Wilkinson, who seconded it, expressed concern that a court case might have an adverse impact on Hurner.

"I'm playing with another man's life," he cautioned.

When asked what the chances are for winning such a court case, Darty replied, "I think this: The University of Florida is not going to turn over the right to appoint its faculty to the Board of County Commissioners."

"The law designates Mr. Hurner as a member of the faculty of the University," he continued. "They established the criteria."

Least commissioners get the impression that they had no case at all. Darty pointed to the weakness in the Extension Service's position.

I think they've used every subterfuge in the world. They represented to us that they had certain rules when they didn't have them. They deliberately misrepresented the facts."

Darty continued. "They realized that we were hostile enough and that we were investigating it thoroughly enough that they went under (Florida Statutes) Chapter 120, the Florida Administrative

(Please turn to page 2)

MUNICIPAL COURT CLERK Totie Fleming explains routine duties to Pat Strickland who will assume the duties of municipal court and police clerk during Mrs. Fleming's absence. Mrs. Fleming is taking a leave of absence from her duties with the City of Avon Park to accompany her husband, Tom, who is taking a leave of absence from his position of director of public works in South Bay. Mrs. Strickland's husband, J. W. Strickland, is supervisor of Black Industries. Mrs. Fleming has been with the City of Avon Park seven years and was formerly assistant city clerk and tax assessor before being appointed to her present post.

Commissioned Student - Frank Anderson is the only student at Avon Park High School to be named a Commended student in the Merit Program by the National Merit Scholarship Corp. and one of only 35,000 nationwide. A.P.H.S. Principal Lester Watson, left, presents the Commended student certificate to Frank with his congratulations. Photo - Gobbie.

Anderson Named A Commended Student

Frank Anderson, a senior at Avon Park High School, has been named a Commended student in the Merit Program by the National Merit Scholarship Corp. (NMSC) and has received a letter of Commendation from NMSC, according to an announcement this week by Lester Watson, principal at Avon Park High School.

Frank is the only student at the local high school and one of 35,000 Commended students named nationwide on the basis of high performance on the 1974 Preliminary Scholastic Aptitude Test and National Merit Scholarship Qualifying Test (PSAT NMSQT).

Less than two percent of students expected to graduate from high school in 1978 have attained Commended student status.

Edward C. Smith, president of NMSC, said, "The high standing of Commended students in the Merit Program shows their great promise, and their attainment in this nationwide competition deserves public recognition."

To increase their opportunities for college, NMSC reports the Commended students' names to the regionally accredited colleges they named as their first and second choices when they took the PSAT NMSQT in October, 1974.

"Commended students should be encouraged to

continue their education," Smith continued. "Both these students and our nation will benefit from their further educational and personal development," he said.

Frank is hopeful of an appointment to West Point.

Sheriff Sgt. Len Askeland and Deputy Lamar Harrison left Sebring early Wednesday, Oct. 2, to Grand Rapids to pick up the suspects.

Claitt won acclaim throughout the Ridge area for his abilities as an athlete, particularly in the Devil football team's backfield.

Claitt, Caldwell, Robinson are accused of robbing three motel guests — one the night of Aug. 21 and two the night of Sept. 2.

According to the sheriff's investigators' reports, the pattern of operations was similar: men forced their way into a guest room, tied up the occupants, grabbed cash and fled.

The Southern Motel is located on U.S. 27, just outside the Avon Park city limits.

Only One Has Qualified

The status of the race for the city council has remained unchanged as Edgar "Eddie" DeLaney is the only candidate to have filed his qualifying papers for the contest.

The present incumbents Robert Britt and Milton Howard, along with Mayor Marshall Davis have indicated they will file for reelection during the coming week.

The last day for residents of Avon Park to register to vote in the city election is Thursday, Oct. 16.

The last day for anyone to file their papers and qualify for election in the city council or the mayors office is Friday, Oct. 31.

The city election is on Tuesday, Dec. 2.

SO DEEP IN THE EARTH the morning sun didn't reach them, workmen of Gator Utilities signal to the backhoe operator how to move the bucket in digging a space for placing a sewer manhole at the intersection of Tulane Circle and Cornell St. The stake marks the end of the sewer pipe laid the day before. Photo—Miller.

Former Devil Star Arrested For Robbery

Three young men, one a former Avon Park basketball star, have been named as a trio of bandits which executed two robberies at the Southern Motel.

Mearl Robinson, 26, of Avon Park was arrested on a robbery charge last week. Warrants were issued for Mickey Claitt, 19 and Jimmy Caldwell, 19. Claitt and Caldwell are Avon Park men, but they were arrested in Michigan.

Sheriff Sgt. Len Askeland and Deputy Lamar Harrison left Sebring early Wednesday, Oct. 2, to Grand Rapids to pick up the suspects.

Claitt won acclaim throughout the Ridge area for his abilities as an athlete, particularly in the Devil football team's backfield.

Claitt, Caldwell, Robinson are accused of robbing three motel guests — one the night of Aug. 21 and two the night of Sept. 2.

Commissioners

Code held a public hearing and adopted the rules."

He disclosed obstacles the county had to overcome to obtain copies of the code that were to have been discussed at the public hearing. Copies of the code arrived in Highlands County after the hearing had been concluded, Dunty revealed.

"You might challenge the new rules they adopted under the code," he concluded.

"In all fairness to Tim — and this is what I'm mainly interested in — if we take it to court and lose the case, what could we do as far as his position goes?" Wilkinson asked.

"We could hire him as an agricultural consultant to the county and pay him anything we want. But you'd give up your matching funds," Dunty replied.

Pyle reminded commissioners that the Extension Service Chief, Dr. Joe N. Busby, had previously threatened to deny Highlands County all support by his organization if such a course were followed.

"That could be challenged," Commissioner Norman "Jug" Heston said, citing the fact that Busby's services are supported with tax dollars.

"I suggest, 'Dunty said, 'that you gentlemen sit down with Mr. Heston and be sure that this is what he wants you to do. You're playing with a man's career.'"

Skinner agreed and withdrew his motion to institute court proceedings at once.

Wilkinson then offered a motion to increase Hurner's

salary by \$2,400 per year. Fearing that the motion, if adopted, might be met by a like reduction in the state's share of Hurner's salary, commissioners defeated the motion.

Commissioner C.J. "Buddy" Wise announced that board members would discuss their proposed plan with Hurner and would be prepared at next Tuesday's meeting to consider the matter further.

In other business, commissioners:

— Agreed to post signs at both approaches to Josephine bridge on S-17 limiting vehicle weights to five tons until rotting structural timbers can be replaced.

— Announced that the Board of Tax Adjustment would convene at 1:30 p.m. Oct. 7, to begin reviewing 21 petitions.

— Rejected an Equitable Development Corp. request that county tax deposits on Highlands Park Estates property be waived.

— Heard Dunty recommend that the system used to collect ambulance fees be improved of 400 letters written requesting payment on overdue accounts, 110 were returned by the Postal Service marked "incorrect address."

— Revised policy to allow all employees, previously authorized to drive county automobiles to and from their homes, to resume that practice.

— Asked County Engineer Gordon Hays Jr. to investigate the possibility of removing trees along Highlands Ave. between Fred Wild School and Youth Care Lane, and installing a sidewalk.

— Accepted, with regret, the resignation of Eugene Hamlin, county purchasing agent, effective Oct. 10. Appointed Commissioner's Heaton and Skipper and County Administrator Charles Cullen to serve as a committee to consider placing the purchasing activity under the supervision of an existing county department head.

— Heard Commissioner Wise announce that a formal dedication ceremony will be held 2:30 p.m. Oct. 5 at the Chesley Allen Skipper Bridge on Skipper Road.

— Approved a resolution seeking reinstatement of a "secondary roads engineer" position in the Florida Department of Transportation for secondary roads.

— Asked the county engineer to prepare estimates comparing costs associated with spraying lostokopa watered canals using helicopters versus boats and land vehicles.

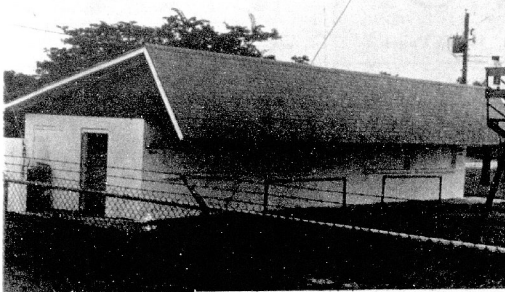

— Tabled action on an invitation submitted by planner Barry Cheder that would have Highlands County join the Central Florida Regional Planning Council in studying water quality management.

— Heard James Duane, director of Regional Planning, ask that commissioners submit comments on two regional programs that may be supported with federal funds. The two identified projects are being proposed by: (1) South Central Health Systems Council, Inc. and (2) the Health and Rehabilitative Services, Division of Aging.

— Accepted a bid of \$15,194.46, submitted by Ewell Pre-Stressed Concrete Corp., Lakeland, for supplying beams to be used in constructing Palmetto Creek bridge on Riverdale Road.

— Asked the county attorney to research a complaint regarding by realtor Virginia Rehman dealing with the tax collector's right to charge for an occupational license.

Neisner's To Hold Anniversary Sale

Neisner Brothers, Inc., parent company of both the Big N Discount Department Stores and Neisner Junior Department Stores, is celebrating its 64th Anniversary. One of the original 5 cents to \$1.00 chains founded in Rochester, New York by the brothers, Joseph and Abraham Neisner in 1911, Neisner's has grown to a National chain of 41 Big N Discount Department Stores and 94 Junior Department Stores.

Starting from a tiny store front operation, the Company expanded rapidly through the 1920's. By 1940, was a public company recognized throughout the country. After the War, the company concentrated on large metropolitan units in major cities and in 1951, became one of the first variety store chains to open a suburban shopping center store. During the 1950's, small stores were opened throughout the Northeast, Midwest, Florida and Texas. In October, 1962, the first Big N Discount Department store was opened in Pittsfield, Mass. This ushered in an era of rapid growth in a new, dynamic field for the company.

Today, Neisner's is embarking on a new, ambitious merchandising program. Our motto now is "If you haven't seen Neisner's lately, you haven't seen Neisner's." New merchandising techniques, new presentations, and new excitement is being instituted in our stores across the country. The emphasis is on one stop shopping convenience for the entire family.

After 64 years, we invite all of our friends and customers to see the new Big N and Neisner's.

Manager of the Avon Park Neisner's Store, Lewis C. DeWitt left the Air Corps because he didn't want to be moved around so much, but when he started with Neisner's in 1967 at St. Louis he was transferred nine times before reaching Avon Park. Born in Gary, Ind. Lewis graduated from high school at

Nebraska City, Neb. and attended St. Louis University for a time. In the U.S. Air Force, Lewis was stationed in Korea and Italy as a jet aircraft mechanic and crewchief. He left the air force and worked at MacDonald Aircraft in St. Louis for a year. He started working with Neisner's in 1957 in St. Louis, was transferred to Clayton, near St. Louis, then to Tallahassee, Miami, Key West and back to Tallahassee, on to Chicago, then to Tampa and has been at Avon Park for almost six years.

Married to Joyce Goudreau of Alexandria, La. They attend Our Lady of Grace Catholic Church with their five children, Buddy, attending SFJC; Vickie, a senior at Avon Park High School; Cindy, in the eighth grade; Stephen, second grade and Jason two years old.

MANAGER OF NEISNER'S Avon Park store, Lewis DeWitt gave up an Air Corps career because of being transferred from base to base — after joining Neisner's in 1957 he has moved nine times as he was transferred from store to store. Photo—Miller.

Turkey Talk

By NORMA GOBBLE

Strikes in this country have been in the news lately and continue to make headlines every day. Strikes often have far reaching effects. In fact, most strikes do. But, who would think about a strike among textile workers in Scotland affecting anyone in Avon Park?

The current price strike in Scotland will prevent the new Scottish Unit of the Avon Park High School Grenadier Band from making its debut Oct. 10 during the Red Devil-Wauchula game as planned by Band Director Vic Mickunas.

I was talking to Della Stephens, who spearheaded the drive to raise funds to equip and train the haggpipers, Saturday. She said it would probably be the later part of December before they even knew when the kilts were due to arrive.

Della is just sick with disappointment which is understandable. She worked so hard for two years to make the Scottish Unit a reality.

The conversation with Della was enlightening for me. I hadn't stopped to think about it but if I had, I would have thought plain was plain and only the colors were different. Not so.

Della explained to me that the kilts must be made in Scotland because each stripe in the plaids and each line is part of a pattern that tells a story of history. And they must be put together just so. Seven yards of material goes into one kilt. The sporrans, or pocket nutmangs in front, was used to carry things in the days when kilts were the main mode of dress in Scotland.

I hope the problem soon disappears and the band gets their kilts. So many people have been counting on activities during this football season.

I got to see my oldest son, Henry Hudson, play football Friday night. Henry has lived with his father in Jacksonville the past two years and attends Forrest High School. They were playing Deland at Deland and Scott, Randy and I drove up and got there just minutes before kickoff.

Forrest lost to Deland 19-0 but it was a thrill to get to see Henry play for the first time in two years. He's always been a football nut and drove me, the coach and principal nuts wanting to play football when he was in first grade.

But, he wasn't allowed to play until fourth grade and has

played every year since then. He's a good player and it's not just a proud mama saying so. His coaches have always said so and played him most of every game. He was in Friday night's game most of the time.

Henry was a good quarterback and running back but this year has switched to offensive linebacker. Even though Forrest lost the game, both teams played good. It was a punting game. The defense of both teams were so good they kept forcing each other to punt.

But the best part of the trip was hamburgers and cokes with my son, his teammates and other parents following the game. I was tired but happy when I got home at 2 a.m., Saturday morning.

Part of the happy feeling came from realizing after two years of doubt that I made the right decision when I decided to send Henry to his father. It was a hard decision to make and was made only after months of turmoil and trying to get a confused boy straight.

But, he's a son to be proud of. 5'9", 165 lbs. of solid muscle. His main interest is school, sports and work. He is looking forward to college football and plans to study to be a physical therapist.

Letter To Editor

Editor: In last week's Avon Park Sun, the Sept. 18 issue, you carried an article on Scholarship Recognition, Inc. In this article you stated that George Douglass started this organization twelve years ago. Scholarship Recognition was started twelve years ago but was the brain-child of and started by Andy Miracle while he was superintendent. This did take place twelve years ago with the first dinner for the students being held in May of 1963. This was two years before Mr. Douglass took office in January of 1965.

I do not wish to take anything from Mr. Douglass which he deserves but I do not want anything taken from Andy's accomplishments and want him to receive recognition for what he did while in office as superintendent. And certainly among these accomplishments was the organization of Scholarship Recognition and the obtaining of the Junior College for Avon Park.

Mrs. Andrew W. Miracle

Dodge pickups have the biggest payloads on the road. Up to 5,600 pounds. And recent EPA tests of 1975 Dodge pickups equipped with standard six-cylinder engines show Dodge pickups get better fuel economy than any conventional pickups tested. 26 mpg in the highway cycle and 18 mpg in the city cycle.

Get the 1975 Dodge Tradesman Vans.

Model for model. Tradesman vans have bigger payloads than any competitive vans. Their proven Electronic Ignition System gives you tune-up costs. And recent EPA tests show Tradesman gets 26 mpg in the highway cycle and 18 mpg in the city cycle.

NO.1 FOR THE MONEY IS DODGE.

WELLS MOTOR CO.
Avon Park

THE NEW OFFICERS of the Avon Elementary Parent Teachers Association look over the responsibilities of conducting the PTA's business for the coming year during last Thursday night's meeting at the elementary cafeteria. Left to right:

William Warner, treasurer; Betty Johnson, secretary; Naomi Lawson, first vice-president; Margaret Collins, president and Norris Brooks, second vice-president. Photo—Miller.

Practical Devotions

PARENT TEACHER DEVOTIONS??? Hardly the theme we are accustomed to hearing! But as Mary Anne Reddick, teacher and assistant curriculum supervisor, last Thursday night described a frog in terms that indicated the frog could be a child or even one's self and compared it with Grimm's Fairy Tale "The Princess and the Frog" a new meaning appeared. Perhaps when a child is acting like a frog — they may need a little extra love and understanding. Mary Anne left her silent attentive listeners with the question, "Would you kiss a frog?" Photo—Miller.

Discipline Biggest Problem

"Our biggest problem," stated Norris Brooks principal of Avon Elementary School, "is children who are not disciplined at home and their parents don't want them disciplined at school." One mother stated that no one, absolutely, no one was to touch her child except the child's father. But the mother didn't say if the child's father would come to the school to sit with the child.

Another problem area is the effect of broken homes on approximately 35 per cent of the young kindergarten members while the children of migrant parents have their own particular set of problems. During the 1973-74 year there were 133 children enrolled in the kindergarten classes at Hopewell School. 1974-75 enrollment was 151 but this year enrollment jumped to 187 with about 10 to 15 more youngsters expected. There are also about 25 children in private kindergarten classes. At Hopewell School which has both kindergarten and first grade there are six teachers with 25 kindergarten students each and one teacher with migrant children will have 20 in her group. If they are three years old the number cared for is 18.

Ninety per cent of the children enrolled in kindergarten were born in Avon Park. Any child who is five years old on or before January 1 is eligible to attend the kindergarten classes.

What effect does attending kindergarten classes for a year have on the youngster? It's a learning experience for the children and teachers easily notice the difference between youngsters who have attended kindergarten and those who have not, in that the former adjust faster not only to the first grade but to other grades and situations.

But the more than 30 increase in enrollment brought other problems since the budget was cut 40 per cent and the cost of supplies is up about 20 per cent which leaves the classes with an equipment hassle.

Thus Mary Anne Reddick, assistant curriculum

supervisor and Norris Brooks, principal appealed to the parents and teachers at the Parent-Teacher Association meeting last Thursday for outgrown clothing and shoes to fit 3 to 10 year olds, educational toys, games, puzzles, cooking sets, mini-stoves and other toys

More Data Due With New Bad Check Law

The vital statistics of check cashers are now an open book.

Starting yesterday, Oct. 1, Florida's new bad check law went into effect and much more than name, address and telephone number is required information. The check casher must also furnish home and business phone, place of employment, sex, date of birth, height and race.

The identification must be written on the check itself or, in the case where a cashing identification card has been issued, the information must be on record with the issuing agency. The new data has been made necessary because under Senate Bill 1030, which amends 832 of the Florida Statutes, such information is necessary in order to establish prima facie evidence to be accepted in court. It must be the accepted policy of the store and rigidly adhered to.

In addition, the check must be signed or endorsed in the presence of the person accepting the check and the clerk must initial the signature. Any departure from the law jeopardizes a court case.

The issuer of a worthless check will have 30 days in which to make good, after being notified of the fraudulency by certified or registered mail. The merchant is permitted to add a service charge of 5% or 8 per cent of the check, whichever is larger.

If restitution is not made within the allotted time prosecution is started through the state attorney's office and restitution does not constitute a

with which to set up learning centers of activity in the classrooms.

Anyone wishing to contribute such items may bring them to either Hopewell School or the Avon Elementary School offices.

defense or grounds for dismissal of charges.

To be considered a crime the check casher need not receive money, goods nor services through the fraudulent check, as long as it has been knowingly issued as worthless.

Florida law does not apply to post-dated checks and no crime is charged where the person accepting the check has been notified that insufficient funds exist.

The law also sets forth penalties upon conviction: Where nothing of value has been received, it is considered a second degree misdemeanor punishable by a term in prison up to 60 days or \$500.

If the check was under \$50 and goods or services, etc. were received, it is a first degree misdemeanor and merits imprisonment up to a year or \$1,000.

A fraudulent check over \$50 in return for goods, services, etc., nets its passer a third degree felony conviction, punishable by imprisonment for up to 5 years or \$5,000.

Senate Bill 1030 was sponsored by the Florida Retail Federation, which said bad checks have been costing residents a continuous rise in costs annually.

Using a driver's license for identification has ceased to be effective, the group said, because many licenses are neither current nor legitimate. In asserting the question on employment, unemployed wives will use their husband's employment data. Retired persons merely testify to that effect.

Wednesday Proclaimed Lions Service Day

Wednesday, Oct. 8, 1973 was designated World Lions Service Day in Avon Park by Mayor Marshall Davis in an official proclamation made during recent ceremonies at City Hall. On Oct. 8 more than one million Lion members all over the world will unite in a single purpose: To serve the needy and lonely. Twenty-seven thousand Lions Clubs will gather in their home communities to perform a special act of service to the citizens of their locality. In recognition of their dedication to the community of

the global service effort of Lionism the Avon Park Lion Club will seek donations of discarded, damaged or broken furniture, radios, TV's, appliances, etc. Donations of these articles may be taken to Larry Albritton's Barber Shop on South Lake Ave. As part of his official proclamation Mayor Davis has urged all local citizens to make this occasion a special observance in recognition of the numerous services provided by the Avon Park Lions Club to the community.

DURING LAST THURSDAY night's Parent Teachers Association meeting at the elementary school cafeteria, Norris Brooks, principal told the group that matching funds were available from the National Defense Education Act (NDEA) thus the PTA in sponsoring the Halloween Parade and Carnival hoped to raise enough funds to purchase audio-visual equipment, slide projectors, a water cooler and play ground equipment. Photo—Miller.

AVON PARK LION Club members, Robert MacDougall (left) president and Ralph Fuller, secretary, watch as Mayor Marshall Davis signs a proclamation declaring Wednesday, Oct. 8 at World Lions

Service Day in Avon Park during which time Lion Club members will ask for donations of broken, damaged or discarded furniture, electrical appliances, etc. Photo—Miller.

Lions' Service Day To Benefit Goodwill

Avon Park Lions will observe World Lions Service Day Wednesday. This year the Lions of our community have chosen Goodwill-Suncoast, St. Petersburg, as their community service project.

Donations of damaged or broken furniture, radios, televisions, appliances and other items are being sought from this community so they may be sent to the St. Petersburg workshop to be repaired, painted, and fixed up for sale in Goodwill stores throughout this section of Florida. By taking part in such a

project, the people of Avon Park will be helping individuals in the workshop achieve a state of physical, mental, and emotional health through treatment or training. This will help to provide the dignity, self-respect, and skills a person needs to carry on a productive and fulfilling life in everyday society.

Some 1.1 million Lions throughout the world are trying to demonstrate to the world the true humanitarian principles of Lionism. Wednesday provides Lions and all individuals in Avon Park an opportunity to help others.

Individuals in Goodwill workshops are seeking an opportunity to earn money instead of seeking welfare from taxpayers. They desire to work regardless of their handicap.

The Lion's Club of Avon Park asks that you bring your discarded, damaged or broken articles to Larry Albritton's barber shop, on South Lake Monday, Tuesday or Wednesday, Oct. 6, 7 and 8. If you do not have transportation to bring in your contribution, call 453-4228 Wednesday, Oct. 8. A Lion will be on duty there to receive your call.

Club Foundation To Promote 4-H Program

4A The Avon Park Sun, Avon Park, Fla., Oct. 2, 1975

The 4-H Program in Highlands County has been boosted by formation of the Highlands County 4-H Club Foundation.

The purpose of the foundation is to promote the educational objectives of the 4-H Program. The program is under the direction of the Florida Cooperative Extension Service of the University of Florida.

The 4-H Foundation is designed to help instill qualities of good citizenship, leadership and personal growth in youth. The Highlands County branch supports totally this philosophy and will work to help youth of the area attain these qualities.

The foundation will put its youth service program into operation through the cooperation of business, industry, individuals and service organizations. Funds supplied by these sources will make a diversified program possible.

Educational materials and aids will be supplied to 4-H leaders and members. The 4-H member will be encouraged by incentive and recognition through scholarships, tours, trophies and other awards. Former 4-Hers will be recognized also. Community-minded people are given an opportunity to help in the

training of future citizens. The Highlands County 4-H Club Foundation is made up of a board of directors, honorary members, donor members and sustaining members.

The foundation secures and utilizes private funds in 4-H programs, supplementing public funds provided by the cooperation of federal, state and county governments.

It is an educational non-profit institution incorporated to give assistance to local 4-H youth programs. Funds are received, maintained and expanded under the supervision of the board of directors.

Contributions to the foundation may be in the form of cash, materials or services. Contributions can be as a donor member, who enters into a contract with the foundation; or as a sustaining member who either annually or on a one-time basis contributes cash. Funds contributed may be unencumbered or may be designated for specific purposes.

All funds contributed go directly to the 4-H Foundation or are used in total to benefit 4-H members.

Anyone wanting more information on the Highlands County 4-H Club Foundation, may call Tim Hurner, 385-6136.

4-H LEADERS WHO met with interested youngsters at a 4-H Open House Thursday afternoon at Avon Park Elementary School talk over available projects and future meeting plans. Shown, left to right, is Pat Arnold, Pat

professional in home economics with the Highlands County Extension Office; Mrs. Helen Waggoner, 4-H leader; Mae Jeanne Peppers, para professional in 4-H; and Mrs. Linda Seigler, assistant 4-H leader. Photo—Gobbie.

Obituaries

Flora Noble

Funeral services were held Monday at 11 a.m. in the Fountain Funeral Home Chapel for Mrs. Flora Alkman Noble, 95, of Lake Denton Drive, Avon Park, who died Friday, Elder Ross J. Sype and Elder Henry G. Stoehr officiated. Burial followed in Bougainville Cemetery under the direction of Fountain Funeral Home.

A native of Nashville, Tenn., she had lived in this area since 1949, moving here from Miami. She was a registered nurse and was a member of the Walker Memorial Seventh-Day Adventist Church. Survivors include one daughter, Mrs. Minalee Vines, and one son, Gad R. Noble, both of Avon Park; four grandchildren and 10 great-grandchildren.

Charles Romilly

Funeral services were held Friday at 2 p.m. in the Fountain Funeral Home Chapel for Charles L. Romilly, 84, 122 E. Pine St., Avon Park, who died Wednesday. Father Frank Cleveland, rector of the Episcopal Church of the Redeemer officiated. Cremation followed under the direction of Fountain Funeral Home.

A native of London, England, he had lived in this area for 10 years coming here from Niagara Falls, N.Y. He was a retired printer's pressman and was a veteran of World War I. He was a member of the Episcopal Church. Survivors include his wife, Mrs. Grace M. Romilly, Avon Park; one daughter, Mrs. Rosalind Shepherd, St. Lambert, Quebec, Canada; one son, Frederick John Romilly, Warren, Mich.; five grandchildren and one great-grandchild.

Charity Cleghorn

Funeral services were held Thursday in Opp, Ala. for Mrs. Charity Cleghorn who died in Opp Tuesday following a lengthy illness. Arrangements were under the direction of Haimers Funeral Home in Opps.

Survivors include her husband, Dick Cleghorn, of Opps; one son, Robert D. Alsbrook, of Avon Park; four grandchildren and two great-grandchildren. Mr. and Mrs. Alsbrook and all the grandchildren and great-grandchildren attended the funeral services.

Reason Shivers

Word has been received here of the death of Reason "Pete" Shivers, 74, who came to Avon Park 50 years ago from Turner County, Ga. He and his first wife, Florence, was active in the Methodist Church and he worked in citrus in this area for 50 years.

After his first wife's death, he later married the former Mrs. Linda Brown of Avon Park. He then joined the Walker Memorial Seventh-Day Adventist Church.

He later moved to Ft. Meade and spent the summers in South Carolina, where he died Sept. 20 following a lengthy illness.

Funeral services and burial were held in Sylvestor, Ga. Survivors include his wife, Linda, and two sisters, Mrs. R. R. Pope and Mrs. A. Adams, of Georgia.

James Still

James J. Still, age 86, and known to many as Uncle Bob died late Tuesday night after a short illness. He was a former Police Chief of Avon Park. Funeral arrangements from the Fountain Funeral Home are incomplete at the present time.

Survivors include two daughters, Verlie Grantham and Vera Moore, both of Tampa and two sons, Virgil Still of Avon Park and J. C. Still of Jacksonville.

THE IRISH ONE BELIEVED THAT children and animals could be bewitched by a spirit. Gai would rhyme them to death.

Pink Ladies Honored

The Walker Memorial Pink Ladies at their meeting Hospital Auxiliary honored two last week in a capping

BEING PINNED AND CAPPED during ceremonies last week at a meeting of the Walker Memorial Hospital Auxiliary are Pink Ladies, Grace Myers, second from left, and Virginia Williams, second from right, an honor for 100 hours of vital volunteer work at the hospital. Also shown is Dorothy Shelton, left, vice president of the auxiliary, and Pauline Tondoe, director of volunteers.

ceremony. Those receiving awards of caps and pins for 100 hours of volunteer work at the hospital were Grace Myers and Virginia Williams.

The auxiliary banquet will be held Monday Nov. 17. Each Pink Lady will be expected to bring a gift for the gift shop.

Heleen Good adjourned the meeting with the Pink Ladies' Prayer.

Avon Park Library Will Be Open On Saturdays

"The Avon Park Library will be open Saturday afternoon from 12 noon to 4 p.m.," stated Mrs. R. D. Moore, Librarian, "and we want the library to be easily accessible to all residents." This Saturday afternoon opening will be in addition to the regularly scheduled Monday through Friday hours of 9:30 a.m. to 5:30 p.m.

The Saturday afternoon open hours were request by students, parents and members of the Avon Park City Council at their regular Monday night meeting.

In discussing the many qualities of the Avon Park Library, Dan Davis, chairman of the library committee stated that the \$5 fee imposed on Avon Park school students living outside the city limits had been dropped. Thus all students

attending Avon Park schools can now use the library without paying a registration fee.

In addition to building up one of the finest collection of children's books in this area the library also has added many new books on science, non-fiction and fiction.

With the approval and passage of the city's 1975-76 library budget many new magazines and periodicals will be purchased for the use of readers.

It was also announced at the city council meeting by Davis that Mrs. Moore and the library committee are working on plans for expansion of the present library facilities to provide more room for books, library activities and more space for readers, to read and browse through the book stacks.

"IF IT'S WORTH doing it's worth doing right the first time" is the philosophy of Ray Marshall of Sebring as he repaired a leaking patched area on the roof of the Avon Park High School last Saturday afternoon. His helper was Dave Moody of Lake Placid. Photo: Miller.

Heidi Brutally Killed In Line Of Duty

Heidi died in line of duty last week, but not before she had - for one last time - attempted to fulfill her responsibilities as a watch dog for Thunderbird Aircraft, Inc.

A break-in, made at Thunderbird headquarters on U.S. 27 between Sebring and Avon Park, cost the aircraft company at least \$6,400 in guns, tools and aircraft components. Time of the break-in has been set in pre-dawn hours of Sept. 24.

When Thunderbird executive William B. Love discovered the break-in, he estimated loss at \$1,800. More careful study showed that many aircraft parts had been taken, and the cost mounted.

Love said the death of the faithful company watch dog is one of the greatest losses. The nine-and-half-year old dog had been bludgeoned with a heavy board, but a large amount of

blood about the building indicates that Heidi scored at least one good bite before her attackers killed her.

Highlands County investigators pointed out that Heidi has never had rabies shots - information which might be disturbing to the burglars.

- COLD AVOCADO SOUP**
- 1 cup mashed avocado
 - 1 Few drops onion juice
 - 1 cup chicken consommé (canned)
 - 1/2 cup sour cream
 - 1/2 cup milk or light cream
 - Salt and pepper to taste
 - Combine ingredients in a blender; blend briefly. Chill. Serve with a garnish of paprika.
 - Yield: Four servings.
