## Mayor Vetoes Ordinance

committee even if only in an advisory capacity.

Mayor Davis in preparing to write his first veto letter said he was opposed to the ordinance creating a recreation board from the Avon Park area and thinks the board should be composed of residents of the City of Avon Park.

As the board can have ex-officio members in an advisory capacity then these members could be from the area and serve without voting privileges. The city would not then be having outsiders proposing ways of spending city money.

The Mayor pointed out that some of the wording of the ordinance was not clear or was in conflict, citing — Sec. 1, "from the Avon Park area." as compared to Sec. 4, reading, "a recreation department established for the city of Avon Park."

Another point Mayor Davis found disturbing was Sec. 5, no. 1, on the duties of the recreation director, "To administer, operate and maintain existing recreation areas and facilities and plan for the acquisition, development and operation of the proposed facilities in accordance with the policies approved by the Recreation Board and the City Council."

One long standing source of contention brought out at the last council meeting was that years ago some city residents won a court battle by which the city limits were relocated thereby relieving these citizens of paying city taxes. If there were any other submerged or hidden animosities they have not been brought to light during discussions at recent council meetings.

## County To Hire 20 People Age 55 And Older

Through its participation in the federally sponsored Seniors At Work program, Highlands County expects to receive funds sufficient to hire 20 people, age 55 years and older.

County commissioners decided to sponsor the program Tuesday, after hearing project director H. D. Anderson describe how successfully it has operated in Polk County.

According to Anderson, 150 senior citizens were hired during the first two months of 1975.

Openings for an additional 253 persons have been identified but have not yet been filled because of a lack of funds, he said.

To qualify for employment under Seniors At Work, applicants must be age 55 or older, living on a fixed income, unemployed for at least 30 days; and capable of passing a physical examination.

Those who are hired do not risk impairment of social security benefits, Anderson explained.

The maximum annual wage possible is $2,400 per year, which means that employes will work about 20 hours per week if they receive the minimum legal pay scale.

An attempt is made, Anderson said, to use qualified applicants in public service jobs that best suit their experience and talents.

Already, Polk County has acquired the services of accountants, administrators and other trained and skilled workers through the program, he said.

Commissioners asked their administrator, Charles Cullens, to describe next Tuesday how Seniors At Work might be established and operate in Highlands County.

In other business, commissioners:

— extended until May 9 the deadline date for submission of a countywide fire protection plan.

— Re-appointed C. J. "Buddy" Wise, Donald H. Farrens and Keith Kotch as Highlands County representatives to the Regional Manpower Planning Advisory Board.

Instructed county engineer Gordon Hays Jr. to inspect hyacinth blockage of Star Canal at Sunset Shores subdivision and recommend appropriate county action, if any, to clear the canal.

— Agreed to discuss with Edna Pearce Lockett next Tuesday, difficulties that county employes have experienced while attempting to maintain fences and canals in the Istokpoga marsh watershed area.

— Postponed until next week action on R. Chamberlain's request that a public boat ramp be constructed along a canal that adjoins Lake Grassy Homesites subdivision.

Asked Cullens to discuss with the sheriff the workload involved in petitioner's requests that Istokpoga Shores subdivision be designated as a bird sanctuary, to reduce illegal firearms incidents.

— Heard Nic Kotch, real estate agent, offer for sale at $5500 per acre, a 10-acre parcel adjoining the existing Lake Placid sanitary landfill. Koch also offered 54 acres located one-half mile south of Bair's Den at $4800 per acre. Both were suggested as landfill sites to serve the southern part of the county.

— Set DeSoto City landfill operating hours as follows: open - 8 a.m.; close - 6 p.m. (Previous hours were 7:30 a.m.-5:30 p.m.)

— Authorized two members of the Florida Department of Criminal Law Enforcement to use the county tag agent's previous office at the Agri-Civic Center complex.

— Passed a resolution stating the public need for a right-of-way to property on Jacks Creek, Leisure Lakes subdivision, and instructed the county attorney to institute condemnation proceedings to acquire the land.

— Agreed to hear, next Tuesday Dr. J. Bushy, dean of the Florida Cooperative Extension Service, who wishes to discuss his position on the appointment of a county agent to replace retired agent Bert Harris.

— Asked Cullens to determine why expected county receipts from state gasoline taxes is projected to be less than last year's total, when gasoline sales have surpassed those of a year ago.

— Heard commissioner Norman "Jug" Heston ask that commissioners attend the next meeting of the Emergency Medical Services Committee at 7:30 p.m. April 24. Establishment of a new county ambulance service will be discussed, Heston said.

## Revenue Sharing Program May End

Commissioner Ken Wilkinson is already worried that the five year federal revenue sharing program may not be renewed when it expires Dec. 31, 1976.

According to the county commissioners' published budget summaries, federal revenue sharing provided county government with $362,000 last year and $381,000 this year.

Wilkinson pointed out Tuesday that without those funds commissioners would have to raise county ad valorem tax rates by one mill—an unpleasant prospect at best.

County administrator Charles Cullens and deputy clerk James Pyle, said that participants at a recent meeting held in Atlanta to discuss the matter, were also concerned.

Cullens reported that Florida attendees were particularly worried about adverse comments on Federal Revenue Sharing attributed to Rep. Don Fuqua, (Dem., Florida Second District).

Fuqua, Cullens, said is a member of the powerful Government Operations Committee of the House which must pass on continuing the revenue sharing program.

If a federal revenue sharing program is adopted, Pyle predicted, it would probably be on a basis requiring renewal approval annually.

Wilkinson called on citizens who want to see the federal revenue sharing program continued to make their desires known to their elected representatives in Washington.

## Chiles Government Should Use Cost Saving Practices

Sen. Lawton Chiles (D-Fla.) introduced legislation which the General Accounting Office estimates would save taxpayers as much as $150 million by revamping the policies affecting governmemt business machine rentals.

Chiles, Chairman of the Government Operations Subcommittee on Federal Spending and Efficiency, said the legislation would allow federal agencies to enter into multi-year leasing of business machines, computers and the service contracts which go with the rentals.

The General Services Administration is now restricted to the more expensive short term rental and repair contracts which prevent the government from obtaining the same cost savings available to private business.

"It is time we began looking at the government like the business which it is and began employing some of the same cost-saving practices," Chiles said.

"This legislation," Chiles said, "would assure that the government would obtain goods and services at the lowest possible cost to the taxpayer."

Chiles introduced identical legislation last year. The bill passed the Senate but Congress adjourned before the House of Representatives could take action.

Co-sponsors of the legislation introduced today are Senators Lowell Weicker (R-Conn.), Sam Nunn (D-Ga.) and John Glenn (D-Ohio).

## Bill Filed Free Fishing For Disabled

State Rep. Fred Burrall, who represents a large portion of Highlands County, announced he will file two bills to provide free fishing for Florida's disabled persons.

"Currently fishing licenses are not required for senior citizens and children under 15. military personnel on leave and welfare recipients," Burrall said. "My bills will correct what I feel is an obvious inequity."

One bill provides that no person totally disabled as defined in Florida law shall be required to buy a fresh water fishing license.

# Taxpayers Can Get Help Call Internal Revenue

Help is not too far — but it is not very near either for those taxpayers still locked in combat with their federal income tax returns for 1974.

Internal Revenue Service provides help for individual taxpayers through IRS agents stationed in 19 Florida cities. For those citizens who cannot go to one of these cities, a toll free telephone consultation is available.

IRS stations most readily available to Highlands County residents are those in Lakeland, Sarasota, Fort Myers and Fort Pierce. The Lakeland office is located at 124 S. Tennessee Avenue. The Sarasota office is at 111 S. Orange.

Throughout the state the IRS offices are open 8:30 a.m. to 4:30 p.m. Monday through Friday.

Special Saturday hours have been set up for April 5 and 12. On these two days, the last Saturdays prior to the April 15 filing deadline, the IRS offices will be open from 10 a.m. to 2 p.m.

The telephone consultations are made by dialing 80-800-342-8300. An IRS spokesman suggested that Saturdays may be the best time for visits either in person or by telephone.

"We wish we did have agents who could come to Sebring to help taxpayers, but we just do not have the staff. We can help more people, more quickly and efficiently by asking the taxpayers to come to us, or, by answering questions telephoned to us," a spokesman with the area office in Jacksonville explained.

No individual appointments are made in any of the 19 offices or for telephone consultations. It is strictly first come-first served.

## Letter To Editor

Editor:

I would like to report on what some might term a small miracle which I observed while shopping at Winn Dixie recently, and which gave me a very warm feeling as I left the store.

A lady in front of me at the check-out discovered, when she was ready to pay for her order, that she had lost her billfold, and needless to say was very upset over it, as anyone would have been. One of the check-out girls suggested she ask at the office, and she was elated to find it had been turned in — by a colored man, according to someone in the store.

How many times do we hear people say there are no honest colored people? How easy it is to misjudge people just because of color or race.

## "Love The Lord" Basis Of Christian Missions

The United Methodist Women held their regular monthly meeting Tuesday morning, April 1, in Wesley Hall.

The meeting was called to order by the president, Mrs. Oscar Lave.

Mrs. Anthony Rutz, former missionary to Peru, was the speaker and her subject, "Mission Starts With People". She gave the definition of "pluralism" as "a state of society in which members of diverse, ethnic, racial, religious or social groups maintain an autonomous participation in and development of their traditional cultures within the confines of a common civilization." In other words, there is one world with many different social groups, each following its own customs and ways of doing things.

The speaker pointed out that the basis for all Christian mission are the two commandments, "Thou shalt love the Lord they God with thy heart, with all thy soul and with all thy mind," and "Thou shalt love thy neighbor as thyself." (Luke 10:27).

The United Methodist Church is involved in mission in Nepal where there are approximately 8 million Hindus, 3 million Buddhists and 500 Christians.

A social hour was enjoyed preceding the meeting and refreshments were served.

## First Graders Build Easter Tree

The boys and girls in Mrs. Loretta L. Ellis first grade room prepared for the Easter season by making an egg tree. The art subject took several days to finish.

The children blew the eggs at home and brought the blown egg shells to school. Next, they cut samples of materials into small pieces. Then the material pieces were collaged onto the shell by using paste brushes and acrylic polymer.

The last problem was hanging the eggs on the tree.

## Windsor Paintings On Display At Library

Mrs. Clarence Windsor, who lives at 900 Prairie in Avon Park, is the Artist of the Month for April at the Avon Park City Library. Mrs. Windsor is a native of St. Louis, Missouri but made Avon Park her home over 20 years ago. She has painted since childhood, studing art in high school and receiving instruction under Tanasco Milavich, Professor of Art at Washington University in St. Louis.

"I prefer to paint portraits," says Mrs. Windsor, "rather than landscapes or still life scenes and since it is so very difficult to get a subject who is willing or able to sit for the many hours it takes to do a portrait I soon moved to painting my portraits from photographs." Mrs. Windsor paints in watercolor, oil, pastel and in a medium which may sound unique to many, charcoal and lipstick!

Mrs. Windsor's paintings are housed in many different parts of the country since she raised five children and they each took some of her work with them to their nomes to enjoy.

The display of art work by Mrs. Windsor will be available for viewing by the community anytime during regular library hours. Monday through Friday 9:30 a.m. until 5:30 p.m.

# Devils 7-6-1 For Season- To Host Mulberry Tonight

After a 7-2 loss to Okeechobee and a rained-out game with Sebring last weekend, the Avon Park varsity baseball team will host the Mulberry Panthers here at Head Field tonight (Thursday) at 7:30 p.m. The Mulberry game was originally scheduled for Friday, Apr. 4, but was moved up to tonight at Mulberry's request.

This Saturday night the Red Devils will be home to Cypress Lake of Ft. Myers. Next Tuesday night Frostproof will come here to Head Field for a return game.

The Okeechobee Brahmans jumped off to a two run lead in the top of the first inning and added a run in the third, three in the fifth, and another in the sixth to take the 7-2 win.

Avon Park managed one run in the bottom of the first frame and another in the last of the fifth as Brahman pitcher Juan Rodriquez held the Devils to four hits during the seven inning game.

Jimmy Douberley and Charlie Pough teamed up for the pitching duties for Avon Park. Douberley went four full innings giving up six runs and five hits. He also walked six batters.

Pough came in with three runs in the fifth. He fanned the first man he faced and then after giving up a single, the side was retired with a double play.

Mike Pool hit a double and scored in the first inning for the Devils. Smokey Hill singled and scored in the fifth and Mort Jackson and Timmy Massey both got singles off Rodriquez for Avon Park's only hits.

The loss gave Avon Park a record of 7 wins, 6 losses and 1 tie for the season.

# B Squad Defeats Lake Placid

# Okeechobee Loses To Sebring

The Red Devil "B" squad baseball team won two and lost one last week to move to a 5-4 record for the season. The Devil jayvees defeated Lake Placid here at home 7-3 on Mar. 24, then won over Okeechobee 5-3, but lost to Sebring at Fireman's Field last Friday afternoon by a score of 7-5.

The "B" team was scheduled to travel to Wauchula for another game with the Hardee Wildcat "B" team last Tuesday during the holidays. They postponed a game with Lake Wales set for tonight (Thursday) until Wednesday, Apr. 9 here at home. On Apr. 8 the Devil "Bees" will be in Frostproof and on Apr. 10 they will close out the schedule in Sebring at 4:00 o'clock.

**Avon Park 7 Lake Placid 3**

Jimmy Massey and Terry Lanzing teamed up to pitch the Devil "B" squad to a victory over the Lake Placid Green Dragons here at Head Field last week. Massey gave up three runs and two singles and Lanzing allowed a double and a single but no runs. Lanzing struck out six batters during his four innings on the mound.

Avon Park got six hits off the Dragon hurler. Steve Arnold slammed out a triple and a single and John Ferguson, Joe Gallimore, Horace Moore and Terry Lanzing all hit one single each. The game was tied up 3-3 until the fifth inning when Avon Park scored four big runs on three hits.

**Avon Park 5 Okeechobee 3**

Mike Minard pitched the Avon Park "Bees" to the win over Okeechobee last Thursday afternoon. He gave up seven hits but struck out nine Brahmans as he went the full seven innings. Again it was Steve Arnold leading Avon Park at the plate with two doubles and a single. Horace Moore rapped out a double and a single and Charles Luke had a double. Joe Gallimore, Mike Minard and Claude Dennis added a single each to give the Avon Park boys a nine hit game.

**Sebring 7 Avon Park 5**

In Sebring last Friday the Red Devil "B" team came from four runs down to go ahead in the top of the fifth inning 5-4. But Sebring scored two runs in the bottom of the fifth and one in the last of the sixth to take the 7-5 win.

The Avon Park pitchers held the Blue Streak "Bees" to five singles but six errors in the first three innings hurt the Devils. Avon Park batters got 12 hits off two Sebring hurlers. John Ferguson rapped out three singles and Charles Luke, Steve Arnold, Horace Moore and Terry Lanzing all had two singles each. Claude Dennis also had one single in the losing effort.

After the nine games Charles Luke is leading the Avon Park team with a .429 batting average with nine hits for 21 at bats. Steve Arnold is hitting the ball at a .375 clip with nine hits for 24 at bats. Horace Moore has a .353 batting average and Victor Roberts and Don Bailey are .333 with one for three each. Mike Minard has a .313 average with five for 16 and John Ferguson and Eric Longshore are both batting .250. Claude and Terry Lanzing are both batting .222 and Joe Gallimore is hitting .228. The team batting average is .264.

# Tracksters Lose Meet-Go To Arcadia Next Week

The Frostproof Bulldogs scored 78 points to defeat Moore Haven and the Avon Park Red Devils in a three-team track meet held in Frostproof last Wednesday afternoon. Moore Haven came in second with 55½ points and Avon Park was third with a 47½ point total.

The Red Devils had four first place finishers in the meet, however. Kenneth Burley won the high jump with a 5'8" effort and also won the 120-yard high hurdles with a 16.7 second timing. Alphonso Williams took first place in the mile with a time of 5:10 minutes. Jack Collins finished first in the two-mile race with a time of 11:13.9 minutes.

Finishing in second place for Avon Park were Raliegh Turnbull in the mile, Ernest Brown in the 440-yard dash, Alphonso Williams in the 880-yard run and Charles Anderson in the 220-yard dash. Taking third place finishes were Darrell Davis in the shot put with a 42 foot toss, Charlie Glenn in the discus throw with a 106.8 foot heave, Darrell Davis in the 440-yard dash and James Hamilton in the 880-yard run. Hentnic came in fourth in the 440-yard dash to add another point to the Avon Park total.

The Red Devils will be idle until April 11 when they will go to Arcadia for a meet hosted by the DeSoto High Bulldogs.

# Teams Barred From Tennis Tourney

There will be a mixed-doubles tennis tournament held at Sun 'n Lakes Country Club on Saturday, April 12 and Sunday, April 13, for all area tennis enthusiasts.

The tourney will be sponsored by Sun 'n Lake in conjunction with the Highlands County Tennis Association.

The only restriction on entries is that husband and wife teams may not participate in this meet. Entry fee will be $6.00 per player and will include a buffet dinner at Sun 'n Lakes Country Club on Saturday night, April 12. Guests may attend the dinner for $3.00 per person.

H. C. T. A., president, Ken Haysley announced that the April meeting will be held at the Avon Park Middle School Library at 7:30 p.m. on April 7. Entries may be turned in at that meeting or to Don Dyer, manager of the Lake Placid Sun 'n Lakes Country Club. Entries may also be turned in to Eric Annett in Sebring or Jeannie Cox or Grant Stallard in Avon Park. All players must be signed up and have the entry fee paid by Thursday, April 10, at 4:00 p.m.

# Brojeck Places In State Meet

Red Devil Track Coach Chet Brojek placed 9th in the 30-39 age group section of the Master Mile in the Florida Relays at Gainesville last Friday with a time of 4:55.2.

Ken Burley, Devil hurdler and high jumper, was injured in the high jump while attempting to clear the 5'10" height. He was taken to the University hospital and had eight stitches placed in the cut on his ankle. Burley recently cleared the 6' barrier in practice. It is hoped he will return to action in time for the Devil's next track meet on April 11th at Arcadia.

Darrel Davis put the shot 42'6", but did not gain the finals in the Gainesville meet. Devil distance runner Raliegh Turnbull finished well back in the pack with a 5:16 effort in the Mile run.

# Lipizzans To Perform At Fireman's Field

One of the great adventure stories of all time, the rescue of the rare Lipizzan horses from the Russian army during World War II, will be recalled when the Royal Lipizzan Stallions of Austria perform Sunday, April 13, at 2:30 p.m., at Fireman's Field in Sebring, sponsored by the Sebring High School Chorus.

Tickets are on sale at Grant's in Sebring, Johnson's Sporting Goods in Avon Park, and Holiday Inn in Lake Placid. Reserve seats are $6 and $5, general admission $3, children $1 less. Due to a stadium tax, prices will be 25 per cent higher at the gate.

Star of the show is Colonel Ottomar Herrmann, who smuggled out a group of Lipizzans from under the noses of the Russians, riding at night and hiding by day. During the show he gives a short speech relating his experiences.

"We move out in the night with nothing," he remembers, "only a handful of horses." But the horses he saved, he declares, were more precious than jewels. He took his family with him, and his sons who today are part of the show, smeared the shining white coats of the horses with mud and shoe polish to disguise the fact they were Lipizzans.

About this time Colonel Alois Podhajsky took out the Spanish Riding School horses. Both sought, and received protection from the United States Army through General George Patton, himself a great horseman and an Olympic rider.

Walt Disney made a movie about how the rare breed was saved, called "Miracle Of The White Stallions."

The Hapsburg Austrian emperor, Ferdinand II, gave Lipizzans to one of Colonel Herrman's ancestors, the Knight Ritter von Schoebel as a mark of special favor.

Von Schoebel fought in the bitter Thirty Years War between 1618 and 1648. His magnificent Lipizzan stallions fought the enemy with their hooves and teeth, while he fought with a sword. Using the "airs above ground," which were originally battle maneuvers, the stallions did caprioles, courbettes and langsades, devastating the enemy.

Colonel Herrmann is considered the greatest trainer of "airs above ground" today. One of his stallions, Flying Falcon, leaps a hurdle on his hind legs, like a man, the only horse in the world that can do this. His rider is Harry Herrmann, one of the Colonel's sons.

Other of his Lipizzans do the famous triple capriole, the spectacular high capriole, the courbette, langsade, levade, and the whole repertoire of the almost lost art, the "airs above ground" of the middle ages.

# Open Horse Show To Benefit Of REACT

There will be an open horse show at Nutcracker Farm, on Skipper Road, Apr. 6, 1975, at 10 a.m. sharp. Classes will include halter, English, western, jumping, and time events. Nutcracker Farm is located 4 miles south of Sebring, west of Highway 27.

Trophies and ribbons will be awarded in all classes, with high point trophies to the winners in the English, western, jumping and time event divisions.

An overall high point trophy will be given to the horse and rider making high point score of the show.

The show is being given for the benefit of REACT (Radio Emergency Associated Citizens Team), a non-profit Citizens Band Radio Club of the local area, whose main objective is to assist in all forms of local emergencies by furnishing instant radio-telephone communications in cooperation with proper authorities and official agencies.

Admission will be free, and this show is open to the public. Refreshments will be available on the grounds.

Golf Team

# Defeats Okeechobee

The young Avon Park Golf team are beginning to live up to expectations. Last week they defeated Okeechobee 161-190 and Arcadia 178-197. The 161 shot on the back nine at Pinecrest was a new school record.

With these two wins the Devils brought their record to 12-12 for the year. However, 10 of those 12 losses were to 3A and 4A schools. Lake Placid is the only 2A school to beat the Devils this year and they have done it twice. Coach Sandlin set up what was perhaps the most ambitious schedule ever because the only way to up grade a program is to play the best.

Last week the experience begin to pay off with John Dupriest, and Billy Tharp each shooting 38's and Dale Sisemore 39 to pace the Devils lopsided record setting win over Okeechobee. Billy Kins rounded out the scores with a 46. Those four are all sophomores.

Then Thursday Dupriest shot 41, and Dale Sisemore 42 on the front side at Pinecrest to pace their victory over Arcadia.

The Devils are off this week but resume action next week with Sebring and Lake Wales here Tuesday and then travel to St. Cloud Thursday.

IT WAS FUN time for all when residents of the Avon Mobile Home Court put on a concert band and variety show with their all kitchen utensil band and the egg beater turned one way on the high notes and the opposite direction on the low notes. (or was it the other way)? Master of Ceremonies with the ruler baton is Mastro Bason. Photo—Miller.

## Kitchen Band Entertains Mobile Homers

Members of the Avon Mobile Home Park were entertained Saturday evening by an extravaganza, featuring a dutch kitchen band, directed by the famous entertainer Thomas Bason with accompanist Helen Bason.

Preceding the formal program all joined in singing several Easter songs, led by Lloyd Wyant, with Harold Wolcott at the piano. Band members, numbering 17, made their entrance to the tune of Dixie followed with Home on the Range.

Maharaja Baker, of India, the World s greatest snake charmer, held his audience spellbound until the snakes appeared when those on the front row headed for the exits. An international male quartet composed of Harry Lauder Patten of Scotland, John MacCormick Wyant of Ireland, Enrico Caruso Stevens of Italy and Chauncy Olcott VandePolder of Holland sang several selections.

Madame Moleski Campbell put on a death defying tight rope act. The Four Georgia Peaches,. Mesdames Fero, Bacon, Baker and Weldy, sweetly rendered three numbers. The band buzzed through Smiles and Strolling Through The Park. Champion whistler from the Hills of Kentucky, Mademoiselle Boyer warbled two selections, to the delight of the audience.

Maestro Bason led a group of the Mobile Home Dutch Players in their version of the favorite fun song of the Pennsylvania Dutch - Johnny Schmoker. Participants were: drum-Lorena Wyant, Fife-Margaret Campbell, Viol-Lloyd Wyant, Triangle-Doc Fields, Trombone-Roy VandePolder, Bagpipe-Helen Bason. The full band played as finale Put on Your Old Grey Bonnet and Old Gray Mare. There were 90 in attendance for this final talent program of the season.

KEITH DEBO, GRANGE member, works on flats of marigolds, zinnias, asters and other plants that he will transplant to flower beds on the Mall before he goes to Vickery, Ohio to visit his son and family for the summer. The post behind him does double duty in holding a rain gauge and several tomatoes. Photo—Miller.

## Legislator Jones Praises Grange For Work

By LaVERNE M. FULLMER

Avon Park Grange met March 25 with Master Miriam Debo in the chair. Florence Mason reported for the Women's Activities. Garments for the National Grange Sewing Contest will be judged on April 10 when a Style Show will be held at the Florida Lounge from 2 to 4 p.m. Keith Debo and Ralph Fullmer reported that 30 azalea plants were set on the north end of the Woman's Club House and evergreens in the back. They have 1,000 young plants almost ready to transplant to the Mall where some beds must be renewed.

Keith Debo also reported receiving a letter from Florida State Legislator, C. Fred Jones, commending Avon Park Grange for work done in the City and for winning the Certificate of Award from the Chamber of Commerce.

Leston Goodrich sold the aluminum which was on hand and turned the money over to the Secretary, Mary Haviland, to be sent to the Florida Grange Youth group. Norton Worster gave the Lesislative Report. Two resolutions were discussed and adopted. They will be presented to Ridge Pomona Grange No. 10 at the next meeting at Lake Placid on Saturday, April 12. The meeting will open at 8 p.m. and the Fifth Degree will be exemplified in full form by the Officers, directed by Lorena Wyant.

Go To Church Sunday will be held at the First Christian Church at 1011 West Walnut St. at 10:30 a.m. on April 6 when members of Avon Park Grange will attend in a body. Please meet in front of the Church at 10:15.

Claude Chase and Florence Wells were both reported improving satisfactorily following surgery. Lillian Seeger reported on the Jr. Grange achievement project.

Lecturer Evelyn Goodrich presented the program: Talk on Medic Alert; Prayer of a Housewife by Louise Clarke; Skit — Theater Time by Lloyd and Lorena Wyant; State Quiz; Song; I Believe in America by Grace Warner; In the Good Old Days by John Stenard.

Thought for the day — "Turning to look backward, we often miss something better ahead."

Quite a few hobbies were on display: pictures, needlepoint, pine-needle craft, hooked rugs; jewelry, crochet, embroidery, Family History and others.

Refreshments were served by Edith Martensen, Louise Clarke and Grace Warner when a decorated birthday cake was lighted and the members sang Happy Birthday to Chester Seeger.

The next meeting will be held at the Woman's Club on April 8. It will start with a pot-luck supper at 6:30 p.m. and the program will be put on by several foreign students and music by the Avon Park High School Girl's Chorus. Visitors are welcome

## Selective Service Requires Registration Of Youth

Peter P. Pierce, Jr., State Director of the Selective Service System in Florida, announced today that the recent lottery drawing held in Washington, D.C. was for the purpose of assigning random sequence numbers to registrants born in 1956.

Mr. Pierce states, "Men born in 1956 who are assigned a lottery number of 095 and below, can expect to be reclassified out of Class 1-H. Unless qualified for a lower classification, registrants will be placed in a class available for induction. If needed by the armed forces, they would be among the first called during calendar year 1976."

The State Director points out, however, that no one is being drafted at the present time. Being placed in an available class will have no impact on a young man's personal life unless there is a national emergency and the induction authority is restored by Congress.

The Military Selective Service Act still requires that young men register with the Selective Service System during the 60-day period beginning 30 days before their 18th birthday. Mr. Pierce advises that young men born in 1957, or earlier, who have not registered, can do so at any Selective Service office or at most high schools in the State.

BOYS AND GIRLS from the East Bell and State St. area turned up this specimen of a beautiful shiny black widow spider with the bright red (white in picture) hour-glass marking on the under side of its abdomen. After placing it in a glass jar they wondered if it could be photographed? The numbers are code markings on the glass jar. Photo—Miller.

## Melendreras To Give Graduation Recital At Lecture Center

On Friday, April 11, beginning at 8 p.m. in Room 102, South Florida Junior College, Avon Park, Pamela Jo Melendreras, from Wauchula, will present a graduation piano recital. The public is invited to attend.

Miss Melendreras is the daughter of Mrs. Dora Melendreras of Wauchula and has been attending the South Florida Junior College for the last two years. She is a graduate of the Hardee High School, where she was accompanist for the high school chorus. She has been active in music since grade school days, has performed for the Wauchula Wednesday Musicale, and has been pianist for the local Kiwanis Club and president of the Wauchula Treble Music Club.

Pamela Jo began the study of piano and theory at the age of seven with Mrs. Krehl Stringer. In South Florida Junior College, she studied piano with Mrs. Evelyn Metcalf, and for the last year and a half with Nevin W. Fisher of Sebring.

At her recital Miss Melendreras will play an Invention by Bach, a sonata by Mozart, an Etude, Nocturne and Waltz by Chopin, the Malaguena by Lucuona, and two original compositions of her own. The most important part of her program will be the piano concerto by Schumann in A Minor, in which she will be accompanied by Mr. Fisher at a second piano.

While in college Miss Melendreras majored in music education under professor Buford Jasper, and plans to teach piano after graduation, as a further step in her musical experience.

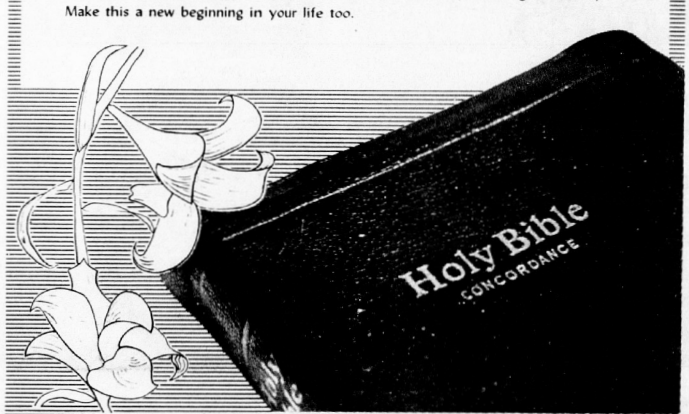
# EASTER

## DAY OF TRIUMPH

*"He is not here: for he is risen, as he said."*

Thus, on the third day our Lord rose and conquered death, fulfilling his promise. There are many other promises of wonderful things that our Lord has made to us. These are given to us in the Holy Bible. Enter his house this week, on the day set aside for celebrating his triumph, and hear the full story of this great victory. Make this a new beginning in your life too.



The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

# THE BIBLE QUESTION BOX

**Bible Questions**

Pastor A. W. Ortner
Rt. 2 Box X405
Avon Park, Florida

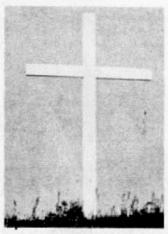
**Question:** What evidence do we have which proves the resurrection of Christ to be a reality?

**Answer:** To whom he also showed himself alive after his passion by many infallible proofs, being seen of them forty days, and speaking of things pertaining to the kingdom of God; Acts 1:3. The infallible proofs which attest that Jesus arose from the tomb are corroborated by authentic evidence.

There would be no christian church if Christ had not arisen. His disciples did not believe that Christ would be resurrected. They considered their cause to be defeated and hopeless. It was the resurrection of Christ which gave them new hope and inspired them to go forth and witness, despite the threat of imprisonment and death. The existence of the christian church is therefore one of the infallible proofs.



Christ's victory over death was witnessed by all of his disciples, and also over 500 other believers, and that he was seen of Cephas, then of the twelve. After that seen of above 500 hundred brethren at once; 1 Corinthians 15:5,6. We must remember that none of these witnesses believed that he would be resurrected until after it happened. This is another infallible proof.

Christ told his disciples and others that he would arise on the third day after his crucifixion. Despite all the efforts to prevent his resurrection, he came forth from the tomb on the third day exactly as he said he would. The guard of Roman soldiers who were charged to stand watch, were helpless when the resurrection occured.

The power of God was demonstrated to be superior to the power of evil. Him being delivered by the determinate counsel and fore-knowledge of God, ye have taken, and by wicked hands have crucified and slain; whom God hath raised up, having loosed the pains of death; because it was not possible that he should be holden of it; Acts 2:23,24.

The resurrection of Christ demonstrated that he is the master of death, and therefore is able to give unto those who believe in him, victory over death. Jesus said unto her, I am the resurrection, and the life; he that believeth on me, though he were dead, yet shall he live; John 11:25. I am he that liveth, and was dead; and, behold, I am alive forever more, Amen; and have the keys of hell and death; Revelation 1:18.

When Christ comes again, all those who have died in the blessed hope will be raised from their dusty graves. For this we say unto you by word of the Lord, that we which are alive and remain unto the coming of the Lord shall not prevent them which are asleep.

For the Lord himself shall descend from heaven with a shout, with the voice of the archangel, and with the trump of God; and the dead in Christ shall rise first; then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air; and so shall we ever be with the Lord. Wherefore comfort one another with these words; 1 Thessalonians 4:15-18.

Then will be fulfilled the hope of all saints. So when this corruptible shall have put on incorruption, and this mortal shall have put on immortality, then shall be brought to pass the saying that is written, Death is swallowed upo in victory; 1 Corinthians 15:54, 15:54.

## Ross Speaker For Episcopal Church Women

The Episcopal Church Women of Avon Park, will meet for their regular monthly meeting, in the Parish House of the Church of the Redeemer, on Wednesday, April 9, after midweek Communion. After a short coffee, business meeting will start at 10:25 a. m.

Mrs. John Morris, promises a very interesting program. Mrs. Carol Ross, Deanery Directress, will be the speaker. She will bring the members up to date on all that is being done in the Episcopal Church. There are some changes being discussed and Mrs. Ross will explain what they are and maybe reasons for some. It is always time well spent, when it is spent listening to Mrs. Ross. We hope all members will make a special effort to attend this meeting.

Mrs. Sherman Francisco is planning on a Spring Rummage Sale and is hoping that members will bring in the left overs, they have after spring cleaning. If enough is brought in the sale will be around the first week in June. So please turn out those closets.

Ann Landers says, "If you have not used it for a year, you don't need it, so give it to a worthy cause." In Avon Park, that would be the E.C.W. Rummage Sale.

In a report filed by Sgt. R. L. Oberther, he stated that Baily was traveling east on Castle St., and attempted to make a left turn onto Woodrow Ave., and while doing so turned too wide and struck a house causing approximately $600 to it.

Ruth Spivey of Eckerd's corporate offices counts some of the petitions signed by Floridians pledging their support in Jack Eckerd Corporation's fight to permit price advertising of prescription eyeglasses and the right to offer senior citizen discounts on eyeglasses. More than 75,000 signatures have been penned to the petitions, which continue to arrive daily at the company's offices in Clearwater.

# Calvin's Column

By CALVIN GIBBS

Hi Friends.

The Easter parade is over. Congratulations to the grand ladies and gentlemen, who helped to brighten the gay pageant of spring colors in Sunday's review of latest fashions.

April Fool's Day was an event of the week also, but remember, as one great writer once said and I quote, "No-one is really a fool until he becomes a know-it-all, and stops asking questions."

Happy holidays to local students, teachers and school personnel. I know you miss school, but take your time and don't run over each other in such a rush to get back. (Maybe, this should have been, Joke of the Week).

Call of the week:

Geraldine (Poochie) Adams, a hometown girl, who is now living and studying in San Diego, Calif. called to say how

Geraldine "Poochie" Adams

much she enjoys reading about people and places back home in this column. Gosh! What a pleasant surprise.

"Hello," and best wishes to you Poochie, and our other sons and daughters out there, from all the people back home.

Church News:

The Progressive and Educational Baptist State Convention of Florida held its annual meeting in Bartow March 18-23. Mrs. Irene Hinson of Saint Mark, and Mrs. Estelle Dickerson of Beulah were delegates. Both representatives were immensely impressed by the success and achievements of the convention.

Necrology:

Ronnie Williams

Ronnie Williams, a native of Avon Park and son of Lena Mae (Hinson) Williams was fatally injured in an automobile accident last Saturday enroute to Ohio from Fort Knox, Ky., where he was currently stationed.

Funeral services for Ronnie will be held on Saturday, April 5, at 2 p.m. at the Saint Mark Baptist Church, Avon Park.

Question of the week:

How do you feel about corporal punishment?

Mr. Henry Adams (Parent)

"I'm from the old school so I think, prayer and corporal punishment go nand in hand. If a teacher abuses the use of it, I think you should get rid of the teacher, not the punishment.

Mrs. Gwendolyn Hill: (Teacher and parent)

"I believe that corporal punishment should be handled discreetly and as a last resort. So often teachers are left to feel defenseless, conscious of the fact that both pupils and teachers are aware of existing policies.

Mrs. Virginia McRae (Office Aide and parent)

Pupils are individuals, and no set policy can be adequately applied to everyone. Corporal punishment may be the only language that some people understand. I believe, we should have teachers whose judgement we respect and therefore they should be able to apply the usage of it effectively. Some misconduct should be corrected whenever

Elder and Mrs. C. Black

and wherever it occurs. With some children, you can spare the rod and spoil the child." I certainly do not believe in child abuse and neither do I believe that corporal punishment should not be totally disbanded.

Visitations:

Mrs. Hannah Holmon, formerly of Avon Park, visited her sister, Mrs. Rosa Lee Burney and friends here for a few days following the convention in Bartow, where she served as a delegate of Mt. Calvary Baptist, Jacksonville.

Mrs. Coretha Bryant of Valdosta, Ga., was the house guest of her mother, Mrs. Florence Sanford on Carolina Ave. during the Easter season.

Among college students who returned home for Easter were: Lynda Bennett, Catherine Wilson, James Walker and Alcaz Snell; Diane McRae, Janice Hudson, Tony Williams and Clayton McNeil; Nathaniel Packer, Alice Hicks, Dave Hicks, and Thad Tate: Tonya Sanders, Leotis McNeil, Harry Powell and Robert Walton; Sandra Dorsey, Toni Ford and Cynthia Sims were home also. Toni will do her internship at Avon Park Middle School.

I will announce names of others whom I might have missed if it is brought to my attention that they were here.

Observations or Comments: (Mrs. Jewel Williams)

"As I read our column last week, I noticed the good suggestions by Shirley, Annie Doris, and Rosa Lee, which would improve the living conditions in Avon Park. Afterwards, I thought about what would help us here and all over the world — "Love."

Where love is, God is. Let us decide within ourselves to be the first to be friendly toward each other, the first to smile, and the first to forgive, and all of us would do this together, we would neutralize the hate of millions.

Humor of the week:

"I like work so well, that I can sit and look at it for hours."

Citizens of the week:

This honor goes to Mr. E. B. Hicks and family who live at 325 E. 4th St. These fine citizens, like those cited during previous weeks have joined in an effort to make our community a more attractive place in which to live. Their home and surroundings are reminiscent of scenes from Homes Beautiful.

English lesson for the week:

Wrong: I am taller than her.

Right: I am taller than she.

Explanation: I am taller than she (is tall).

From the Official scorebook — Hal McRae

Harold's potent bat and aggressive style of baseball during the 1974 season earned the outfielder - designated hitter Player - of - the - year honors.

Harold was a unanimous choice by the local writers.

Harold was the Royals' offensive leader throughout the season and ranked third in the final American League batting statistics among batters eligible for the title.

So consistent was McRae during the season that he maintained a .300 plus average nearly all season. He dropped once in April and rebounded to stay among the league leaders the rest of the season. Hal finished the season with 596 plate appearances, 167 hits, 260 total bases and 88 runs-batted-in.

Elder and Mrs. C. Black observed their fiftieth anniversary in a beautiful ceremony last Sunday at the Church of God by Faith in Avon Park, of which Elder Black is pastor. A well planned reception was staged at the Hopewell School as a culminating event to this special celebration.

Hospital

At press time, the following were patients at the Walker Memorial Hospital. Sis. Maggie Sims, Daisy Scott, and Mary Lloyd.

Thought Conditioner for the week:

Yes, the thoughts, strains and burdens of life, at times make us tired sometimes, in the muscles and sometimes in the mind. Remember: Come unto Me, all ye that labor and are heavy laden, and I will give you rest. Matthew 11: 28.

Yours truly,
Calvin C. Gibbs

AVON PARK HIGH School's 1975 Congressional Intern Mary Wright, talks with U.S. Rep. L. A. "Skip" Bafalis, R-Fla., whose annual intern program brings to Washington high school juniors from thoughout the 10th District for an intensive weeklong study of the federal government. Mary Wright, chosen for the honor by fellow students and a county selection committee, spent the week of March 15-21 in the nation's capital, talking with Congressmen and Senators, being briefed by White House, Pentagon and State Department officials and sitting in on committee meetings. In addition, the interns had a chance to visit many of the sites which have made Washington a tourist mecca. The intern program, now in its third year, is sponsored by a number of businesses, individuals and civic and fraternal organizations as "an investment in the future of our state and nation." Bafalis said. Sponsors this year included the Rotary Club of Avon Park.

# May 15 Is Deadline For Filing Forms

Many appointed members of the local Advisory Boards such as hospital, planning, soil conservation, etc., will be required to furnish certain financial information by May 15, 1975, under the new Financial Disclosure Law.

At the present time the information is not too inquisitive or cumbersome to report. However, bills have been prefiled in the legislature increasing the information which must be filed and the Governor has pledged the passage of such legislation as top priority for this session of the legislature.

In anticipation of such legislation, I have prefiled a bill to exempt all voluntary boards from compliance with the Financial Disclosure Law. I feel that it is enough to ask a citizen to contribute his time and talents to assisting our governmental officials without invading his privacy and seeking personal information about his financial affairs.

I have no quarrel with any law requiring elected public officials to file any and all financial information about their private affairs but I think the disclosure should be with an Ethics Committee and remain confidential.

The purpose of the Financial Disclosure Law is to determine whether a person is illegally profiting through his or her public office. A committee with a skilled staff, including accountants would be much more capable of making such a determination than the general public. No useful benefit would be served through publication of the information except to cause embarrassment and humiliation to the individual or possible gossip or information for his business competitors.

# Teenagers Selling Candy Are Not With RAARC

During the past week several teams of teen-age solicitors were busy in the Avon Park and Sebring area selling candy supposedly for the benefit of retarded children. The Sun was advised by Franklyn Ward, President of the Ridge Area Association for Retarded Citizens, that the solicitors had no connection in any way with the RAARC and the Association had no knowledge of plans to solicit.

Ward stated that after receiving several calls from Avon Park residents he was able to obtain one of the brochures carried by the solicitors and placed a call to the Future Leaders of Florida, in Dade County in whose name the solicitations were being made. The representative at Opa Locka claimed no knowledge of the solicitation and referred inquiries to Fund Raisers, Inc. of Orlando. Fund Raisers stated their only connection was as suppliers of candy to the Future Leaders of Florida.

Ward suggested that when future solicitations of similar nature are made, Avon Park citizens make inquiry of the uses to which the funds are made prior to making contributions. He stated that the fund drive for the Ridge Area Association is made by mail, and by roadblock operated by the American Legion, both of which are publicized well before taking place. The Association does not sell candies as a fund raising measure.

# Easter Dinner Served At Park

By Margie Wells

Our Easter dinner in the recreation hall on Sunday was again a great success. The committee in charge of the dinner was composed of Florence Boyer, Varina Asher, Faye Darling, Alice Pixley and Margie Wells. Tables were decorated in Easter colors and decor and the dessert table featured a lovely Easter egg tree which was made by Hilda Wagenschutz.

"Bugs Bunny" had made a stop at the Sheridan's home and Argus made a quick picture of him to hang on the wall.

Ham was furnished and the cost divided and ice cream was furnished by Dan Bohland.

Visitors were introduced and birthdays for March, July and September recognized. We are always glad to know that Ron Boyer's birthday is "July the 9th."

Joe Asher of Campbellsville, Kentucky, who describes himself as "a country lawyer," was introduced and told several amusing stories. He concluded with thoughts in a more serious vein on the theme "If you were to be tried for being a Christian, would there be enough evidence to convict you?".

It was announced at the Easter dinner that a general park meeting would be held on Monday afternoon for the purpose of sharing thoughts and ideas which may be useful in planning some of our activities for next year.

We would like to express our deepest sympathy to Mrs. Wesley Lockwood on the death of her husband last Saturday morning.

Mr. and Mrs. George Pfouts and Mike, Mark and Dana of Mount Vernon, Ohio, are visiting their grandparents, Mr. and Mrs. Forrest Kinney. On Friday, they were guests for a picnic dinner at the home of Mrs. Elva Bechtel and also celebrated the 12th birthday of Mark Pfouts.

Thelma Miller had a "going away" and Easter dinner for Ethel and Max Putnam and Roy Podewels. Those attending were Blanche Hance, Lee Hoffman, Ruth Smith, George Chalmers, Kathy Hanson and Bruce Cahill. Lee Hoffman presented Thelma with a lovely hostess gift from the group.

Guests of Margie and P. D. Wells on Wednesday were Mr. and Mrs. L. E. Roberts of Ashland, Kentucky. Mr. Roberts is Vice President and General Manager of Kentucky West Virginia Gas Company, the company for which Margie and P. D. worked before retiring to Bonnie Brae.

Mr. and Mrs. Warren Mobus of Warren, Vermont, were guests of his aunt, Carrie Jones, recently.

Mrs. Harry Toms of Fredericktown, Ohio, is spending a few days with her mother, Mrs. Elva Bechtel.

Roy Podewels and his grandson, Mike Krafjack, and Kathy Hanson and Bruce Cahill left last Monday and spent two days on the Keys. They returned on Wednesday afternoon. On Thursday, Mike, Kathy, and Bruce spent the day at Cape Canaveral. They had planned to leave on Monday for Janesville, Wisconsin, but Mike became ill on Saturday evening and was admitted to Walker Memorial Hospital, where at the present writing he is undergoing tests.

Over the Easter week-end, Mr. and Mrs. Orvie Jones and family of Tallahassee, Florida, visited his mother, Carrie Jones. As reported last week, Carrie has sold her mobile home to Mac and Jean McDougal but she is going back to her native Vermont to make her home and not to Indiana as previously stated.

P. D. Wells spent last week-end in Pompano Beach where he visited with his son and wife, Mr. and Mrs. Robert Wells, and his granddaughter, Kym Wells, who attends Ohio University at Athens, Ohio.

Varina and Joe Asher have as their guest, Virginia Chambers, of Middlesboro, Kentucky. Varian and Virginia are sisters.

Sallie and Steve Bohayckyk have their daughter and family, Jeanette and Paul Hoffmann, and son, Kevin, visiting them.

Hilda and Ralph Wagenschutz and Ellen Hunt spent Wednesday at Cypress Gardens.

The last "Saturday Night Card Game" of the season was played at Lee Hoffman's home this past week. Those attending were Ethel and Max Putnam, Roy Podewels, Blance Hance, Helen Dyce and Thelma Miller.

Easter Sunday guests of Mr. and Mrs. Forrest Kinney were Mr. and Mrs. George Pfouts, Mike, Mark and Dana of Mount Vernon, Ohio; Mr. and Mrs. George Wrey of Winter Haven, Florida; and Mrs. Elva Bechtel.

Rozzie and Lester Parkhurst spent last Wednesday in Tampa. Rozzie's sister, Mrs. Ethel Clark, left from there to return to her home in Indianapolis, Indiana, after spending several days with the Parkhursts.

Margie Wells and her parents, Rev. and Mrs. C. D. Harsh, who are visiting from Ashland, Kentucky, spent last Friday in Lake Wales where they were guests of Mr. and Mrs. Francis Steele of Deerfield, Ohio, who are staying at Saddlebag Lake.

Ford Griffin was 75 years "young" on March 28th. A few friends called on him in the evening and shared his birthday cake and ice cream with him.

Don't forget the slides on Friday evening on Nova Scotia and Niagara Falls which are to be shown by Marvin Draper.

# Marijuana Trial Of Four Men Set For May 5

A May 5 trial date has been set for four men charged in connection with possession of approximately 1500 pounds of marijuana.

Daryl "Buddy" Williams of Sebring, Ward Leitner and Sam Altman of Okeechobee, all arrested Jan. 5, had been booked for an April 14 trial.

Clarence E. Prevatt Jr. of Tampa, arrested in mid-March is the newest defendant in the case. In circuit court Monday his formal plea of not guilty was entered and the May 5 trial date set for him.

Other defendants in the case were arrested near Williams' Circle 5 Ranch, south of Sebring. Another defendant, Jose CarneJo, has entered a guilty plea.

# Over 75,000 Floridians Support Echerd's Fight

More than 75,000 Floridians have signed petitions pledging their support in Jack Eckerd Corporation's fight to permit price advertising of prescription eyeglasses in Florida and the right to offer senior citizen discounts on optical products. Florida law presently prohibits such advertising or discounts.

The petition forms were placed in Eckerd's 182 drug stores in Florida and in the company's 42 Eckerd Optical Centers in late February.

"The response of our customers, the news media and the general public to our efforts has been quite dramatic," according to Stewart Turley, corporation president. He said that in addition to the petitions, a number of Florida newspaper, radio and television editorials have been published or aired in support of his company's fight.

Turley said: "We were pleased to see that State Rep. Gene Campbell of West Palm Beach has pre-filed a bill in the Florida House of Representatives which would amend the Florida law to allow the price advertising of eyeglasses as well as discounts.

"If the state law permitted such advertising, the Florida consumer would find a lower price tag on prescription eyeglasses. Surveys show that prohibiting price advertising of eyeglasses usually promotes higher prices. This is not fair to the consumer."

At present, 36 states outlaw price advertising of eyeglasses, while 14 states permit it. A study by Dr. Lee Benham of Washington University in St. Louis found that the people who bought eyeglasses in states which outlaw advertising paid from 25 to 100 percent more than the people in the 14 states where advertising is permitted.

Benham says there is no evidence that the quality of eyeglasses is lower in states with advertising than in states without advertising.

# Marv And Hannah Tebo Honored At 50th Anniversary Celebration

Shuffleboard match, Friday March 21, results: East Court winners 1st game were Gifford and Briester over Condit and Longbons 117 to 82, 2nd game it was Condit and Longbons over Wandover and Long 83 to 47 and third game it was Gifford and Breister over Wandover and Long 108 to 61. On the West court, first game winners were Wallace and Trompics over Wandover and Long 77 to 27, second game it was Gifford and Breister over Wallace and Trompics 42 to 26 and the final game it was Wallace and Trompics over Condit and Longbons 31 to minus 34. Gifford and Breister were the only team that won three games, two on the East court and one on the West Court.

Bingo was held on Friday night March 21, with 31 present for fun and laughter. Winners were Goldia Daun, Leon Gifford, Esther Bresiter, Millie Joseph, Herb Renaud, Helen Joseph, Mildred Hindsley, Helen Joseph, Rosie Hall, Sylvia Carlson, Everett Paxton, Anna Barth, Marguerite Rody, Sylvia Carlson and three winners for the cover-all, Goldia Daun, Rebecca Hostetter and Florence Stephens.

On Sunday evening a party was held at the Recreation Hall honoring Marv and Hannah Tebo, who will be celebrating their 50th Wedding Anniversary on May 9th. Ann Condit made the lovely 3 tier wedding cake which was enjoyed by all. Other delicious cakes were furnished by Esther Breister, Goldia Daun, Mildred Hindlsey and Grace Romans. Coffee and punch was also served. The program consisted of Esther Breister playing I Love You Truly for the happy couple and other piano selections, poems were read by Goldia Daun and Sylvia Carlson. Fifty-eight were present for this special ocassion and a lovely time was had by all.

Coffee hour on Tuesday was held at 9 a.m. with 26 enjoying this fellowship. I am told several of the ladies have made delicious rolls at various times and this is always appreciated by the folks. In the evening nine joined in for Aggravation.

Wednesday, March 26, nineteen enjoyed their evening out, having dinner at the Steak Out family restaurant.

Residents of the park have been enjoying visits from their children and granchildren this past week. Its good to see the youngsters around and fortunately the bulk of the entertainment provided for them was the ever present shuffleboard courts that saw action nite and day. I'm sure they enjoyed their visit here with their Loved Ones and we certainly look forward to their return.

The Cornells and Learneds also were surprised by a visit this past week from their brother, John Ruggio and Family of Hartford, Michigan.

Byron Jeremy has been confined to the Sarasota hospital for a few days this week, however, we understand he has returned home. Also Charles McNulty is at Walker Memorial Hospital. We hope he will be home soon, and both will be up and about as quickly as possible.

And now, once again we start this process of elimination as our SNOWBIRDS head North for the Summer months. Already several families have left the park and more expected to leave by the first of April. We wish them a safe journey home and look forward to their return in the Winter.

All for this week. Good Health and Happiness to all.

Spirited COOKING

### Fondue & You

Are you fond of fondue? If your heart melts at the taste, but your mind wilts at the thought, cheer up, you don't have to spend a lot of bread on fancy equipment and cooking classes to have a fondue party. Fondue can easily be prepared in any heavy pan on the range. Set the pan over a candle warmer when serving. And you and your guests can then enjoy fondue's flavor, fun and friendliness.

GOLDEN CHEESE FONDUE
1 pound Cheddar cheese, shredded
1 tablespoon flour
1-1/2 ounce scotch, Bourbon, or blended whiskey
1 small bottle (7 ounces) club soda
1 teaspoon Worcestershire sauce
1/4 teaspoon dry mustard
1 tablespoon butter
1 egg, lightly beaten
French or Italian bread, cut in chunks, each with crust

Toss shredded cheese with flour. Combine scotch, Bourbon, or blended whiskey, club soda, seasonings and butter in a fondue pot or saucepan and bring to a simmer. Add cheese a handful at a time, stirring constantly, and allowing it to melt before adding more. Cook, stirring until cheese has melted and mixture thickened. Add a little of the hot cheese mixture to the beaten egg and then stir back into pan. Stir smooth. Serve with crusty chunks of bread for dipping. Makes 4 servings.

GREAT SCOT!
By Jack House, The Director Teacher's Scotch Information Centre

### One for the Road

The late great Harry Lauder used to sing —

Just a wee doch-an-doris,
Just a wee yin, that's a
Just a wee doch-an-doris
Before ye gang awa'.

And to this day many a man asking his friend what he'll have a glass of whisky will say, "Just a wee doch-an-doris".

Almost certainly he will be asking the question at the wrong time, and it's just as certain that he doesn't know he is using the old Scottish tongue, the Gaelic.

The only time to ask that question is at the very end of the evening. A "deoch an doruis" is the Gaelic for "the

drink at the door". It is a last drink to speed the parting guest.

Teacher's Scotch Information Centre would not want to spoil anyone's pleasure, so would counsel a host not to mention doch-an-doris (which is a reasonable enough approximation of the Gaelic pronunciation) early in the evening. If your guest knows its origin, he will think you are suggesting that he should be on his way.

In the Lowlands of Scotland they speak English (well, near enough!) and instead of using Gaelic, they ask the guest, "How about 'the swing of the door'?"

GOOD PSYCHOLOGY

SUPPOSE A FRIEND OF YOURS HAS BORROWED A BOOK FROM YOU WHICH HE HAS FORGOTTEN TO RETURN. AND YOU'RE NOT SURE WHETHER HE HAS FINISHED READING IT YET. RATHER THAN REQUEST DIRECTLY THAT HE RETURN IT, ASK THE BORROWER HOW HE IS ENJOYING THE VOLUME. HE'LL PROBABLY GET THE HINT.

POLITICAL DEBATES CAN GET OUT OF HAND WHEN THEY TAKE PLACE BETWEEN THE GUESTS AT A PARTY YOU'RE GIVING. YOU CAN CURE THE VISITORS TO COOL IT BY ELECTING TO SERVE THEM A DELICIOUS GLASS OF REFRESHING ICED TEA. YOU'LL GET ALL THEIR VOTES AS A THOUGHTFUL HOSTESS.
