Douglass Loses Battle With Cancer

George Douglass, 50, superintendent of Highlands County Schools, died Sunday night in Riverside Hospital, Jacksonville, where he had been undergoing treatment for cancer.

Two Charged With Marijuana Possession

Two men were charged with misdemeanor possession of marijuana after Patrolman Ricky Dick checked a car parked on Main Street and the railroad tracks while on routine patrol.

Surviving are his wife Jean; four daughters, Lynn (Mrs. Gary Bennett), Avon Park; Mary (Mrs. Wesley) Turner, Avon Park; Sharyn, Sebring and Laurie, Sebring; a stepson, Boone Moore, Lake Placid; his mother, Mrs. Ella A. Douglass; a brother, Richard, Detroit, Mich.

He was appointed superintendent in January, 1965 and had held the post since that time.

County won him recognition throughout the state as one of the outstanding men in the field of education. Locally there has been no doubt of the impact of his administration on achieving a better educational system.

Douglass had been president of the State Association of County Superintendents, chairman of the state Professional Practices Commission, and an honorary member of the Century Club, an honor accorded by the American Association of School Administrators.

Commissioners Plan To Meet Friday On Budget Board

County commissioners decided Tuesday that they need a better understanding of the latest countywide taxable property revaluation program before they can approve their fiscal year 1975-1976 budget.

The millage involved had been announced earlier by James Pyle, deputy clerk.

That millage would represent an increase of 6.825 mills over last year's commissioner's millage of 4.794, Pyle said.

Commissioner Ken Wilkinson said he believed a computer error had been responsible for driving property assessments upward.

Commissioners attempted to complete the budget hearing Tuesday by asking Martin (via a 10:15 a.m. telephone call) to attend the meeting to provide explanations.

Wise defended the commissioners' new budget, which increases last year's tax levy by roughly one-half mill.

They said they were perplexed to find that 1975 property values had risen more than 25 per cent over 1974 particularly since Martin had informed them just a few weeks ago that the increase would be about five per cent.

For a while, commissioners contemplated voting approval of their new budget Tuesday, reserving the Friday meeting exclusively for property appraisal discussions.

After Two Tries Cycle Is Stolen

Someone must have really wanted Henry Dennis' motorcycle since they tried to steal it twice within two months and this time succeeded. According to reports at the Avon Park Police Department, Dennis, 601 S. Verona reported the 1974 Yamaha 80 cycle stolen at 7:45 a.m. Monday.

Chorus Practices For "Hymn Of Praise"

The Young Highlanders, Inc. look upon the presentation of Mendelssohn's Hymn of Praise, on Oct. 19, 1975 as a wonderful opportunity to pay tribute to our great country with music during the Bicentennial year and are inviting all interested vocal musicians in the area to join them in the chorus.

Committee Plans Year's Bicentennial Activities

A four day Fourth of July 1975 weekend is a prospect for Avon Park residents if present plans of the Atlanta Regional office of the National Bicentennial Committee materialize, stated Avon Park's Bicentennial Committee Chairman, Leoma Maxwell.

Fourth of July 1976 would be celebrated nationally (Sunday or Monday) had temporarily stymied the Avon Park Bicentennial Committee in their last Thursday night meeting. With the dates suggested by the Regional Bicentennial office the Fireworks Committee of Francis LaPlam, Mack Flowers and Mayor Marshall Davis have started working on plans for a fireworks spectacular befitting our nation's 200th birthday along with means of paying for the fireworks.

Another project discussed by the committee was a community program book to be published prior to Jan. 1, 1976. This book would list all the Avon Park civic organizations, business groups, churches, schools and other organizations, giving their locations and weekly or monthly schedule of events.

Three special meetings, Sept. 4, 11 and 15 of the Avon Park City Council have been held to work on the city budget with a fourth budget session expected to follow the regular city council meeting on Monday night, Sept. 22.

A tentative budget for the year was suggested as \$914,000, which was approximately \$57,000 over last year's budget.

However, there were several items in the budget that were not final pending further study, such as salaries for some department heads and rates of pay for city employees with comparison to be made of wages paid by local businesses.

A discussion of wage scales for city employees followed 24 a 10 per cent increase in pay suggested for city firemen and police and six per cent for other employees with the city paying four per cent for retirement.

Police and firemen have a different retirement system. It was moved by Council Vice-president Milton Howard and seconded by Councilman Larry Albright to increase the salaries of fireman and policemen 10 per cent and of all other employees, including department heads by six per cent, effective Oct. 1, 1975.

Complaints Aired At Public Hearing

BY JANE LOU BUCK

Toll calls, inaccurate billings, crowded "private" lines, post-pay phone stations, obsolete equipment and poor service in general were complaints placed before the Public Service Commission Tuesday, when that august body held a public hearing to determine the feasibility of proposed rate increases by United Telephone.

The meeting in the Agriculture Center drew about 150 witnesses and spectators, and half that number of lawyers and representatives of various agencies.

Fifteen persons testified as to whether United Telephone of Florida deserves increases in base rates and the advisability of three rather novel proposals.

The 15 persons testified adversely, although they all agreed that employees of the company are most cooperative when it comes to crediting them with billed calls they never made.

Public Service Commissioners W. T. "Billy" May and Mrs. Paula Hawkins heard the witnesses, who were represented by Public Counsel and Henderson.

The hearing started with a statement by Edward

Kittinger, president of the company, who gave expansion, inflation and rising costs as the prime reasons for seeking raises which would produce \$7,863,430 in annual gross revenue.

Kittinger's statement had not given the public enough details. He particularly noted the lack of explanations covering what Mayo termed "rather drastic departures from what people have come to expect of a telephone company over the years."

Kittinger said the main changes are three-fold: substantial increases in installation fees, a charge for extensive directory assistance and a rise in pay station rates from 10 cents to 20 cents a call.

The last proposal elicited no objections. Mayo asked why increased installation charges were considered necessary.

"I know the reasons the telephone company has been giving, but I'm not prepared to say what the real reasons are," Kittinger told him the present residential charge of \$11 does not pay for workers to make the trip. "We have made studies and with today's

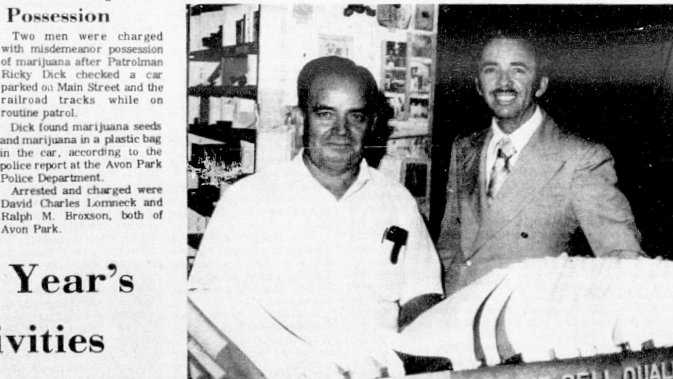

Mayor Marshall Davis, Council Vice-president Milton Howard and Councilman Robert Britt announced that they will qualify for election to another term of office on Tuesday, Oct. 7.

According to Virginia Henderson, city hall, no one is qualified for the office of mayor or for the two city council seats although rumors have it that several persons have shown some interest in the elected positions.

The qualification for the three city government posts close on Friday Oct. 31. Financial disclosure statements are required of all candidates 10 days after qualification close or on Monday, Nov. 10. The city election will be on Tuesday, Dec. 2, 1975.

According to state law registration for the city election must close 45 days before the city election thus voter registration will close in mid-October.

Hi Friends,

Constitution Day also called Citizenship Day commemorates the signing of the Constitution. In the United States, it falls on Sept. 17. On that day, in 1787, delegates from 12 states signed the document that established a new form of government for the nation. Constitution Day is not a national holiday.

The signing of the Constitution of the United States climaxed a four-month session that began on May 25. The convention proposed to ensure the rights that the Declaration of Independence had declared inalienable. The Constitution became one of the most important documents in history. It has served as a model for nearly every country that has adopted a constitutional form of government. These countries celebrate the adoption with their own Constitution.

Citizenship Day is celebrated in the United States each year on Sept. 17. The day honors native-born citizens who have reached voting age and naturalized foreign-born citizens. Citizenship Day ceremonies include pageantry, music, and speeches to impress Americans with the privileges and responsibilities of citizenship.

A movement to recognize new citizens began in 1909. William Randolph Hearst gave it national prominence through his chain of daily newspapers. In 1940, Congress passed a resolution designating the third Sunday in May as "I Am an American Day." It authorized the President to issue an annual proclamation on the day. On Feb. 29, 1952, President Harry S. Truman signed a bill establishing Sept. 17 as Citizenship Day. This act of Congress replaced "I Am an American Day" and moved the celebration to the date on which the United States Constitution was signed in 1787. Many cities continue to observe I Am an American Day in May.

Why not make every day Constitution Day and Citizenship Day?

Three little words you often see

Are articles A, An and The.

A Noun's the name of anything,

As school, or garden, hoop or swing.

Adjectives tell the kind of Noun

As Great, Small, Pretty, White or Brown.

Instead of Nouns, the Pronouns stand —

Her head, His face, Your arms, My hand.

Verbs tell of something being done —

To read, count, laugh, sing, jump, or run.

How things are done the Adverbs tell,

As slowly, Quickly, Ill or Well.

Conjunctions join the words together,

As men and women, wind or weather.

The Preposition stands before

A Noun, as In or Through a door,

The Interjection shows surprise,

As Oh! how pretty! Ah! how wise!

The preceding poem is recommended by me for elementary grades 1-6. It is memorized and that pupils understand the examples given in the poem according to content. However, I recognize the fact that many high school pupils and adults might benefit from a discussion and analysis of the poem. Some teachers could expand the poem to include verbs of being and other contents of basic grammar. Maybe I'm a traditional teacher.

Every now and then, deep unsatisfied longings well up in us. We may seem to have everything heart can desire and ought to be perfectly satisfied. But still these vague dissatisfactions annoy our happiness.

When you notice such feelings, try saying the following verse a few times. As you do, try to imagine how Jesus looked when he said these words, the kindness, the understanding, the peace on His face. Try picturing yourself as receiving from Him a cold drink of water — symbolic of the water of life that completely satisfies thirst so that one never thirsts again. Affirm that you receive from Him the ultimate in soul satisfaction. A deep inner peace will gradually grow upon you.

KICK THE HABIT — The above is a typical scene on the desk of reporter Norma during any working day at the Sun. Norma is going to attend the Five-Day Stop Smoking Clinic sponsored by Walker Memorial Hospital and will write articles on her experiences in the clinic. Photo — Miller.

Hospital Offers Smokers Plan To Kick Habit

Smokers who want to kick the habit will again have their chance Sept. 28 through Oct. 2, under another five-day plan to be conducted at Walker Memorial Hospital.

The plan consists of regular evening group therapy sessions, films, lectures and a daily personal control program for smokers. Each session will begin with a film, followed by discussion of the film, a short lecture by a doctor and presentation of daily personal control program.

Already held successfully in cities all across the United States and Canada, the five-day plan to stop smoking features such topics as the psychological and physical aspects of the habit, how craving can be lessened, how will-power can be strengthened, physical effects of smoking, organization of a buddy system and many other techniques designed to break the habit within a five-day period.

One feature will be the film "Countdown" depicting in full color a lung cancer operation. A new film, "I'm sorry, Baby" showing effects of smoking on the unborn child, will also be shown.

The sessions will be approximately an hour and a half in length and will begin at 7:30 p.m., Sunday through Thursday.

The only charge is a registration fee of \$3. Call 453-7511, extension 273 for reservations and for further information.

The program will work for those who work at it.

American Elizabeth Seton Declared Saint

By GEORGE FRASER

Elizabeth Ann Seton, born in New York in 1774 and declared a Saint of the Catholic Church, in Rome. She becomes the first native born American to achieve such an honor.

Elizabeth was raised in the Protestant tradition. Her father, Richard Bayley, was a colonial physician and New York's first health officer. Her mother, Catherine Charlton, was the daughter of the Episcopal Rector of New York City.

At the age of 20, Elizabeth married William Seton, the son of a wealthy New York merchant. Five children, two boys and three girls were born to the Setons from 1796 to 1802.

Her husband, William, died in Livorno, Italy in 1803, while on a business trip there with his family.

Elizabeth was received into the Catholic Church in New York in 1805. This caused some family animosity. Bishop John Carroll of Baltimore, whose brother was a signer of the Declaration of Independence, was a friend and correspondent. Through his interest and some French priests, in the U.S. because of the French Revolution, Elizabeth began a girls' school at Baltimore. From the sprang the Community of Sisters of Charity of St. Joseph formally established at Emmitsburg, Md. in 1809.

Elizabeth Seton was a hero to her country and her church. An interesting historical note is that Elizabeth's nephew, was Archbishop J. Roosevelt Bayley, first Bishop of Newark and later eighth Archbishop of Baltimore.

His father, Guy Carleton Bayley, son of Charlotte Barclay, second wife of Dr. Richard Bayley, and Elizabeth Seton's half-brother, married Grace Roosevelt, sister of Isaac Roosevelt. Isaac's son, James Roosevelt's son, James Roosevelt, was the father of Franklin Delano Roosevelt.

CB Club To Meet At Rec Center

There will be an organizational meeting for a new Citizens Band Radio Club at the Avon Park Recreation Center on North Verona Monday at 7:30 p.m. Anyone who owns a CB or plans to get one in the future is invited to attend.

Gun Club Sets Show

The Lakeland Rifle and Pistol Club has set September 20 and 21 as the dates for their 1975 Fall Central Florida Arms Show.

The Show will be held in the Lakeland Civic Center's Conference Hall. On Saturday, September 20, the show will go from 9 a.m. to 6 p.m.; Sunday, the 21st from 9 a.m. to 5 p.m.

According to James Dry, Lakeland Rifle and Pistol Club president, "this year's fall show will be the largest ever, with more than 250 exhibit tables in use. Past shows have had only 150 tables in use."

Exhibitors from all over the United States will be displaying new, used and antique guns, ammunition, reloading equipment and knives.

Dry said, "The Arms Show is open to the general public and there is no admission charge. We invite anyone interested to come out and see these magnificent displays."

School Board Names New Building After Douglass

Highlands County School Board met Monday morning in an emergency session resulting from the death of Superintendent George Douglass.

Resolved in the meeting was the dedication and naming of the new Administration Building at 426 School St., Sebring, in the name of George Douglass. It will be known as the George Douglass Administration Building of the Highlands County School Board.

The board also appointed James Ferrel Smith as acting superintendent. He has been further recommended to Gov. Reubin Askew to serve out Douglass' term of office. Smith will serve as superintendent until action and appointment is taken by the governor's office.

The board has submitted its wire of official notification of the death of Douglass, along with its recommendation of Smith.

It was further resolved that all school and county buildings be requested to fly their flags at half-mast from noon Monday until after the Memorial Service for Douglass.

Garden Club Plans Bicentennial Programs

The Hibiscus Circle of the Avon Park Garden Club met at the home of Mrs. H. Bussard, Thursday afternoon, September 11. Mrs. L. R. Fillmore was co-hostess. There were 24 members and one visitor, Mrs. Overstreet, present.

Plans for the year included setting up committees for the regular work of the Garden Club by the president, Mrs. P. C. Boney. Mrs. O. F. Laye reported the names of the chairmen of committees for the flower show, which will be in 1976.

The group attended the flower arranging demonstration by the internationally famous George Smith, Esq., of York, England, in Winter Haven Monday.

Mrs. Guy Decker, the federation president, described the Bicentennial yearbooks which will be ready for all Garden Clubbers in two weeks.

Mrs. Jamie Sawyer, sponsored by Mrs. Decker, was unanimously accepted as a new member.

All programs will be around the Bicentennial theme from September to July. The program chairman, Mrs. G. W. Neubauer, introduced the Sweet Adeline Quartette, Evelyn Jones, director of the group; Shirley Gossick, president; Maurine Welch; and Nancy Nunnalee. Their songs reflected the music of earlier times in America in a very pleasing and harmonious way. The entire group joined in singing some selections. The last number was a patriotic medley arranged by Cohan.

Renee Clenney Selected For Who's Who Book

Renee Clenney, daughter of Mr. and Mrs. Jerri L. Clenney, has been selected for Who's Who Among American High School Students. Renee is a senior at Avon Park High School. For the past four years she has been a member of the Highlands County 4-H Livestock Club and also a junior member of the American International Charolais Association.

Miss Clenney sings solo in the local musical group, The Young Highlanders, which is directed by Evelyn Jones. Renee is also very active in school activities. She is treasurer of the Future Homemakers of America, Assistant Editor of the Yearbook Staff, and last year represented her class on the Avon Miracle Memorial Patio Committee.

Luncheon Fetes

Susan Lee, bride-elect of Rickey Dick, was feted with a bridal luncheon at the Steak Out Restaurant Saturday.

Hostesses, Mrs. Kathy Johnson and Miss Brenda Dick, presented each of the ten guests with a corsage in the bride's chosen color.

The luncheon table was adorned with fern, candies and a lovely dried flower arrangement accented with pink and blue. The arrangement was presented to the bride-elect as part of the hostess gift.

An attractive and delicious salad plate and parfait was served.

Those attending were Mrs. Robert Dick, Brenda Dick, Mrs. Robert Lee, Paula Nicholas, Karon Timplake, Sharon Timplake and Eunice Kythe.

Miss Lee Honored

By Bridal Shower

The Florida Power Lounge was the scene of a miscellaneous bridal shower in honor of Miss Susan Lee, bride-elect of Rickey Dick, Saturday.

Hostesses were Renee Bentley, Elaine Hole, Laura Franz, Mary Ann Wells and Vickie Cini.

Each guest was given a blue ribbon upon arrival as part of a game enjoyed by all. Mrs. Velma Lee won the game and the prize.

Susan opened many lovely gifts as the guests enjoyed punch, petite sandwiches and cake decorated with Susan's bridal colors.

The hostesses presented the bride-elect with a self-cleaning iron.

Mr. and Mrs. Isaac Shiner

...70th Wedding Anniversary

Couple Attends 70th Wedding Anniversary

Mr. and Mrs. Lloyd Lloyd have returned from Jennings, Fla. where they attended the 70th wedding anniversary celebration of Mr. Wells' aunt and uncle, Mr. and Mrs. Isaac (Aunt Hattie and Uncle Ike) Shiner held at their home.

Also attending were Mr. and Mrs. J. K. Smith and daughter, Cindy, of Avon Park. Mrs. Smith is a great niece of the Shiners and Cindy is a great-niece.

Eleven children, eight daughters and three sons were born to the Shiners, all still living. They are Mildred Shiner, White Springs, Nellie Tyre, Crestview, Kenneth Shiner, Plattaka, Edith Johnson, Jennings, Christine Bogan, Pensacola; Helen Brand, Jacksonville; Annadris Burchett, Tampa; Ruth Lindauer, Valdosta, Ga.; John Shiner, Boston, Ga.; Isaac Shiner, Jr., Fernandina, Beach; and Marion Hudson, Lake City.

There are 36 grandchildren and 33 great-grandchildren. The bride was Hattie Irene Padgett, 20, and the groom was Isaac Shiner, 21, when he slipped the \$6 gold band on her finger 70 years ago in the Burnham Christian Church where they were pronounced man and wife by the Rev. A. B. Herring.

The bride wore a white silk multi dress that swept behind which she designed and made herself and she cooked the wedding supper to which their attendants and friends were invited.

All children were born at home with the assistance of a doctor and Aunt Ada, who always came. When the other children saw her coming with her black bag they knew there would soon be a new baby at their house.

Seventy years is a long time to remember but memories seemed to flow as they remarked they are not old, they have just been here a long time. Mrs. Shiner is a fragile looking woman never weighing over 100 pounds. Mr. Shiner said she was the prettiest girl he ever saw.

Her mother had taught her to

cook when she was very young and she had gone to school in Madison to earn a teacher's certificate. She taught in one and two room schools, fourth through eighth grades before and after her marriage.

Mr. Shiner has remarkably few wrinkles for his age and very few gray hairs in his abundant black hair. He has stooped shoulders, the result of a broken back years ago.

Life hasn't always been kind to them. Mrs. Shiner was in the hospital nine months at one time and he has been gravely ill several times, once while she was in the hospital.

To insure the physical safety of his children, Mr. Shiner drove the school bus for 15 years and he is sure they got a good education, he served on the Hamilton County Board of Education several terms.

The Shiners did not neglect the spiritual needs of their family. Burnham church services didn't begin until all 13 of the Shiners were there. "Papa," as his children called him, was Sunday School superintendent, teacher, deacon and elder.

Mrs. Shiner prepared the communion for many years, a weekly observance in the church. She not only made the communion bread and canned grape juice from her own grapes, but carried the communion cups home to wash and the white linen cloth to launder.

She is still active and cans pears, peaches and figs which she proudly displays. Mr. Shiner rides his tractor and farms a nice garden at the side of his farm behind their comfortable big house where they have lived some 50 years. He also frequently drives his car.

Both are interested in politics. A registered Democrat, Mr. Shiner says he votes for the man, not the party. couples about to be married. Mrs. Shiner said young people don't want advice and "it's too much galavanting" that brings on divorce.

"That and not really loving each other," said her bridegroom of 70 years.

Women's Council Holds First Meet

The Women's Council of the First Christian Church held the first meeting of the fall season Thursday in the church fellowship hall with Mrs. H. J. Rutherford as hostess.

Mrs. James Williams conducted the lesson study. After reports from officers there was discussion of business and committee appointed.

The hostess served delicious refreshments from a table beautifully decorated with sprays of greenery and autumn lilies.

Grange News

Avon Park Grange met Tuesday with Overseer Ralph Fulmer in the chair. The Community Service Report has been sent to the State Master.

Florida State Grange is sponsoring a bus trip to Columbus, Ohio for the 199th Annual Session of the National Grange. The bus will leave Orlando, Fla. at 6 a.m. on Wednesday, Nov. 12 and arrive back in Orlando at 7:30 p.m. on Monday, Nov. 17.

Reports of illness: Adelaide Homeyer was in intensive care at Walker Memorial Hospital. Helen Stenard and Grace Warner were reported ill.

LaVern Fulmer presented the program in the absence of the Lecturer. Song - The Plow, Spade and Hoe; The Seed by Ione Fulmer; The American Farmer by Ralph Fulmer; The Good Old Days by Alfred Haviland; The Flag by Loyd Slocum; Song by Bessie Trude - The Battle Hymn of the Republic; Design for Living by Phoebe Chase; Minute Skit on Marriage by Gertrude Slocum and Lillian Seep. Thought for the day - "The man who makes no mistakes, does not usually make anything."

The Lecturer, Evelyn Friedrich, is planning a Centennial program for the

October 14th meeting. This is to start with a pot-luck supper and will be open to the public. The next meeting will be held in the Woman's Club House on Sept. 23 at 7:30 p.m. The theme will be Education with Ralph Fulmer in charge.

Founders Council Meet At Hart Home

The Founders Council of the Avon Park Grange Club met Thursday afternoon at the home of Mrs. E. W. Hart with co-hostesses, Mrs. Philip James and Mrs. Phil Goullie, serving refreshments of punch, cake, nuts and mints.

Tim Turner, county extension agent, gave a talk on various plant needs and care with a question and answer period following. Mrs. A. J. Jarben conducted the meeting. Mrs. E. W. Hart read the minutes of the last meeting and Mrs. Phil Goullie gave the treasurer's report. Mrs. Philip James spoke on horticulture. Mrs. C. Delk held the plant drawing after which the meeting adjourned.

The next meeting will be Oct. 9 at the home of Mrs. E. G. Todd.

Nazarenes Seek Help To Free Missionaries

Rev. Byron Schortinghouse and the Avon Park Church of the Nazarene have issued a call to the residents of the Avon Park area to join with the congregation in seeking the release of three missionaries being held captive by the Mozambique government.

Rev. Schortinghouse received a telegram from Dr. B. Edgar Johnson, Nazarene general secretary, enlisting the aid of the local church in effecting the release of these missionaries who have been imprisoned on false charges by the new government of Mozambique, a country in South Central Africa.

Rev. Schortinghouse said he didn't know if the new

government is Communist or the exact political situation but that there are frequent changes in the governments. Complete names or the U.S. residences of the three missionaries are not available at this time but one is a Rev. Friberg and one is a Rev. Doll. Rev. Schortinghouse urged that everyone write a personal, handwritten letter to President Gerald Ford politely asking him to seek the release of these missionaries through the channels of the State Department.

Letters should be addressed to The Honorable Gerald Ford, President of the United States, The White House, Washington, D.C.

Muck Fire Still Burning On Griffin Property

"We can't believe it," amazed rangers said as they took off to fight a muck fire — a fire right back on the Ben Hill Griffin property where a fire had smoldered for weeks during the early summer.

Florida Forest Service rain gauge at DeSoto City had recorded more than four inches of rain over the weekend and reports indicated the heavy rain covered the county.

On Monday, Sept. 15, the forest service received the muck fire report. Some rangers believe a lightning strike may have kindled the fire north of Avon Park. Whatever the cause, rangers reported "We put out the fire and started to hope for more rain."

Local Nazarenes

Attend District Meeting

Six representatives from the Avon Park Church of the Nazarene attended a two-day Sunday School convention in Ft. Myers last week. Dr. Wally Beebe, noted for his books and programs for church outreach through bus ministry, was the guest speaker for the workshop convention.

Rev. and Mrs. Byron Schortinghouse, Mr. and Mrs. Charles Coffman, Mrs. Kenneth Filippa and Mrs. Clyde Hicks represented the local church at the convention which included 47 other Nazarene churches from the Southern Florida District.

Delegates were elected to the International Church

Convention slated to be held in Dallas, Tex., in June, 1976.

At a previous church assembly held in Ft. Lauderdale in June, Rev. Schortinghouse was elected to represent the Southern Florida District at its International Young People's Convention of which he is district treasurer.

Mrs. Schortinghouse was elected to represent the Missionary Society. Rev. and Mrs. Schortinghouse, Mr. and Mrs. Coffman and Mr. and Mrs. John Lighty attended an all-Florida banquet in Orlando Friday to emphasize the outreach programs of the Church of the Nazarene.

Organizational Meet For 4-H Is Slated

There will be an organizational meeting of the Avon Park 4-H Community Club at 3:30 p.m. on Thursday Sept. 25, at the Avon Park Elementary School.

The 4-H organization is a youth oriented program designed to develop skills in leadership, citizenship and

vocational abilities. All 4-H programs are open to all boys and girls between the ages of 8 and 18, regardless of race, color or national origin.

If you are interested in becoming a 4-H member please attend this meeting. For more information contact the County Extension Office at 385-5158.

Mr. and Mrs. Claude Bowen of Chicago flew their plane to Avon Park last week and spent several days visiting the Woolscrofts.

The sympathy of the club is extended to Herbert Woolscroft who lost two sisters from Alexander, Minn. in June.

Error Causes Accidents

A rash of traffic accidents occurred in Highlands County in the past week, but Florida Highway Patrol lists "driver error" rather than the wet roads and rain as principal cause.

During the Sept. 8 through 14 week, FHP investigated 13 accidents. Five injuries were reported. One driver was booked for driving while intoxicated, 68 for unlawful speed and 12 for other infractions.

Miles — Simmons
In one of the more serious accidents a car driven by Henry Miles of Avon Park collided with a truck driven by Hermon Joshua Simmons of Lakeland.

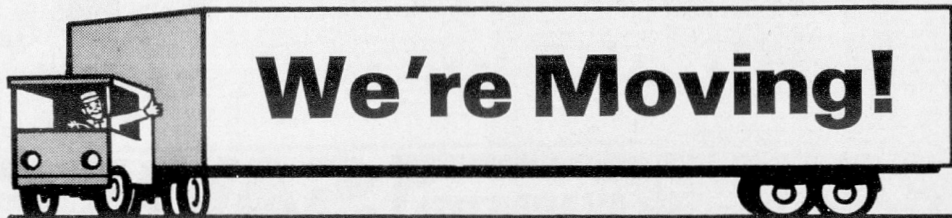

The accident occurred on U.S. 27 at 3:25 p.m. on Sept. 9. Near the intersection of 27 and Stratford Road, Miles pulled into the inside lane.

The truck and car collided in the highway median. FHP Trooper J. E. Varn, who investigated the accident, charged Miles with improper

change of lane.
Damage to the truck was set at \$1,000 and to the Miles car at \$1,000. Neither driver was injured.

Bryan Explains Need For Phone Rate Increase

Rotarians listened while Charles Bryan, United Telephone Company official, explained what was behind the request for a rate increase.

Citing tremendous increases in wages and equipment since the last rate increase was granted back in 1967, Charlie asked Rotarians to imagine for a while that they were managing the company.

Florida is growing much faster than the rest of the country. While there is a temporary lull right now in local growth this is not expected to continue much longer.

When the pace does pick back up there will be a need in the next five years, according to projections, to spend almost \$300 million on capital improvements.

Right now the company is switching over to a much needed and much improved dialing system. Because of the lull in the economy this has been done with a minimum of added help.

Should the economy dramatically improve, competition for skilled help to operate the system would shoot up.

Contrary to rumors the increase requested is only about 40 cents on a two party line. Commercial lines will go up more with the increase in growth in the area the value to a business has also gone up.

Customers expect good service and the only way to provide it is to have trained personnel along with modern equipment. The equipment investors expect a return on their investment in line with other investments. Inflation has increased the price of almost every item used by the phone company. Just as most of us have expected a pay raise over

the last five years and just as most of us are spending more for the same item here are some helpful hints supplied by Highlands County Property Appraiser J.W. "Billy" Martin.

In discussion which followed a question was asked about county wide service. Charlie explained that the phone company would be glad to provide this service any time the customers wanted it but that of necessity, it would cost more and it would cost a majority of present subscribers more than they now spend on out of town calls. A minority — those who make a lot of out of town calls — might benefit — but most come out better by direct dialing and paying the toll charge.

Highlands Salon Installs Officers

Mrs. Dorothy Lane was installed as Chapeau of the Highlands Salon 587 4-80 at a meeting recently held at Howard Johnsons in Sebring.

Departmental Chapeau, was the installing officer. Others installed were Mrs. Eloise Mount, Chapeau premier, Mrs. Margaret Stewart, Chapeau Debutante.

Mrs. Ruth Allen, La' Announer; Mrs. Ruby Heim, La' Aechiviste; Mrs. Virginia Moody, La' La' Secretaire; Cassiere; Mrs. Jean Hill, La' Concierge.

HELP Has Training Exercise

During Saturday's training exercise, the county's H.E.L.P. (Hometown Emergency Land Patrol) Club demonstrated its value as an essential element of Highlands County's Civil Defense program.

One-third of H.E.L.P.'s 60-member organization was assigned to designated bomb shelters located in Avon Park, Sebring and Lake Placid, where they used battery-powered citizen's band radio equipment to maintain contact with the county's emergency operations center, located on the northwest side of Lake Jackson, Sebring.

Arthur "Buck" McIntyre, president of H.E.L.P., and Robert D. Neal, director, Civil Defense, proclaimed the exercise a success.

Primary area net control stations were established at Walker Memorial Hospital, Avon Park, at Sebring's police station and at the Lake Placid Tower, where the emergency power would be available in case of an emergency.

Judy Mercer acted as Sebring's net control station manager and Tom Tippins handled communications duties at the county's emergency operations center.

The feasibility exercise showed that the citizens' band operators using radio equipment mounted in cars, pickups, campers, vans and trucks can, through organization, become an invaluable asset by providing reliable communications service when telephone and power lines are disabled.

CEFs from Sebring who participated in Saturday's exercise were Bill Clark, Robert Davis, F. D. Holton, Buck McIntyre, Judy Mercer, Mike Mercer, Jim Smith and Tom Tippins.

Avon Park participants were Gail Culberson, Gary Davenport, Harvey Dixon, Dale LaFlam, Louise McColl, Charles McCall, Bob Richards and Robert Streth.

Jay Clampi, Harry Kelly, Larry Kelly and Sharon Shepherd shared Lake Placid's emergency communications team.

Youths Charged In Break-In

Several breaking and entering cases in Avon Park were closed with the arrest and confession of two juveniles this week. Investigation by the Avon Police Department spearheaded by Patrolman Donald Singletary led to the arrests following a breaking and entering at Lotelia Park Apartments.

Also working on the investigation was Patrolman Ricky Dick and Sgt. Frank Cratty.

THE LARGEST UNIT in the Avon Shopping Square, Grant City, was originally supposed to open approximately a year ago — but its opening day is still in doubt as a local manager would only say, "It opening date is tentatively Oct. 30, 1975. Photo—Miller.

Figure Your Own Taxes

If you are wondering what to do when you receive your Change of Assessed Valuation card in today's mail, here are some helpful hints supplied by Highlands County Property Appraiser J.W. "Billy" Martin.

If you consider the assessed valuation figure that appears on your notice to be fair and equitable, do nothing. A tax bill, based on the valuation shown, will be sent you later by Tax Collector W. H. Prescott.

Note: If you do not receive a change notice from Martin, it means in all probability that the value of your property has been assessed downward or has not been changed since your property was appraised last year.

Let's suppose you feel your property valuation is either too high or too low. Martin recognizes that he, his staff, or his computer might have made an honest error that has not yet been discovered.

He also recognizes that your opinion might differ from his on the question of what represents fair and equitable valuation (a 100 per cent of market value) on your property.

If you wish to question the property appraiser's valuation estimates or to point out suspected calculation errors, Martin says he wants you to know he is anxious to discuss the matter with you.

He asks that you visit his office in the new courthouse annex on South Commerce Avenue, Sebring.

Bring your Notice of Change of Assessed Valuation card with you because it contains numbers that identify your property in Martin's record books. Failure to bring one card will slow down the property appraiser's review of your case.

Beginning Thursday morning, Martin's staff will be ready to accommodate your in-person inquiries.

Martin requests that you bring with you any valid evidence in your possession that might substantiate your claim that your property has been unfairly valued.

When you enter the property appraiser's office, you will be given an appointment number to insure that you will be accommodated on a first-come first-served basis.

A paper entitled "Property Review Form" will be handed to you with your appointment number. You will be asked to

fill in the right hand side of the form describing the property to be discussed, its location, legal description, market data (cost, mortgage amount, etc.), building data (description, year constructed, etc.) and land data (location, size, use, etc.).

When your appointment time arrives, you will have an opportunity to discuss your valuation considerations with a specialist handling your particular type of property; for example, residential, condominium, commercial, industrial or land.

Martin is confident that members of his office staff will be able to resolve almost all objections to his valuation estimates.

He was successful in doing so last year in all but one case, Martin said.

However, with regard to that rare case where he and the property owner cannot reach agreement on an equitable valuation figure, an appeal board review will be scheduled.

Appeals are heard by the Highlands County Board of Tax Adjusters.

Appeals are heard by the Highlands County Board of Tax Adjustment composed of three county commissioners and two members of the school board (the county's major taxing bodies) assisted by the clerk of courts and the county attorney.

Petitions for a hearing before the tax adjustment board must be filed with Clerk of Courts Earl Rich before Sept. 26, 1975, Oct. 7.

Those who ask to appear before the board will be notified of their scheduled appointment at least five days in advance.

In summary, if you feel that your land or structures have been unfairly valued, visit property appraiser Martin's office. Talk with you your Notice of Change of Assessed Valuation card and any valid evidence you may have that will substantiate your claim to a lower appraisal. If Martin and you cannot reach a settlement you consider to be fair, submit a petition requesting a hearing before the Board of Tax Adjustment.

Thermometer Testing

Citrus growers interested in having grower thermometers tested for accuracy should take them to the Highlands County Extension office at the Agri-Civic Center, Sebring, by Tuesday, Sept. 30, according to Tim Turner, Acting Extension Director.

The thermometers will be taken to the Lakeland Weather Bureau office for testing and the thermometers will be returned to the grower.

APHS Journalism Class

Teachers Attend Pre-School Analysis Course

The teachers of Avon Park High School became the students when they attended a weeklong course in Transactional Analysis during their pre-school planning. The course dealt with a new way to deal with student behavioral

patterns and was taught by Norma Randolph, consultant from California. The main concept of this program was how to teach a student to examine his relationship with teachers and with other students to better his social behavior.

In the workshop the teachers learned that everyone makes decisions from one of the three ego states: the parent, the adult, and the child. Hopefully, both teacher and student will be able to make decisions from the adult state rather than the other two. If a student acts in the state of a rebellious child a teacher will automatically react in the parent state to call the student down. T. A. has taught the teachers that when this situation arises the teacher should try to negotiate with the students within the predetermined limits or rules. In order for T.A. to work the student would have to react in the adult state also.

The class also taught the principle of positive and negative stroking, negative stroking being the discounting the family to attend, the energy used in discounting or "putting down" could otherwise be used in relating with others properly.

Transactional Analysis has been called permissive education by some of the community and teachers prior

News Of DeLaney Heights

Folks at DeLaney Heights gathered at the clubhouse last Wednesday noon for their birthday dinner. Didn't have any birthdays in September so we all pretended it was our birthday. Mrs. Trude and Mrs. Wetmore provided birthday cakes anyway. Mrs. Wetmore was unable to attend. Mrs. Trude said grace. We all really enjoyed the delicious food, the delightful fellowship and especially the divine feeling of being physically able and having the opportunity of being together a few hours.

Mrs. Weekley was the guest of Mrs. Moore for the day. Mrs. Bertha Lee was welcomed back. She is a former resident but has been living at Fort Lauderdale with her son for several months.

Next dinner is Oct. 8.

Mrs. Mildred Foster had a pleasant surprise Thursday when Mrs. Vickie Penkennis and her husband from Bushnell came to see her. Vickie and Mildred had been friends in

Hollywood several years ago. Mrs. F. J. Armstead and Mrs. A. M. Westbury recently were in the hospital for a few days. But glad to report they are home and doing alright. Mr. and Mrs. James Robinson returned Thursday from a two months trip which took them to Washington, Idaho, Wisconsin and Illinois. They went by plane to Spokane and were met there by their daughter who took them to St. Mary's, Id. where they became acquainted with a new grandchild.

They went to Baraboo, Wis. (Mrs. Robinson's former home) where they visited children, grandchildren and friends galore. They attended county fairs, reunions and renewed so many old friendships.

They came back to Tampa by plane, visited with a son and family. They had left their car there. Said they were glad to be home, tired but happy.

Lose To Mulberry In Opener

The Mulberry Panthers came to life in the second half Friday night in the Phosphate Bowl to swamp the Avon Park Red Devils 34-14 in the 1975 high school football season opener for both teams. The Devils managed only one touchdown which was scored by the defense on an intercepted pass.

Tomorrow night (Friday, Sept. 19) the Avon Park eleven will travel to Lake Placid for a Heartland Conference game against the Green Dragons. The Dragons also lost their opener by a score of 41-8 at Clewiston. Last year Lake Placid defeated Avon Park for the first time in the history of the school.

In Mulberry last week, the Red Devils had break after break in the first half as the Panthers gave up the ball on fumbles four times and were intercepted once but Avon Park could not capitalize on the breaks and generate a sustained drive even long enough to pick up a first down. The only Devil first down in the first half came on penalties against the Panthers who were charged with forty yards in that first half alone.

The only bright moment in the first half came when defensive halfback Freddy Moore intercepted a Panther pass on the Mulberry 26-yard line and ran it back through the entire Mulberry team to score. Moore dragged two Panthers into the end zone with him for the long Avon Park score. A plunge through the middle for the two point conversion by Timmy Massey was stopped short of the goal line.

The Devils were forced to punt five times in the first half and Timmy Massey came through with five field efforts as he averaged 33-yards per punt to keep the Panthers back. The only serious threat by Mulberry in the first half was thwarted at the four yard line when Jim Stewart recovered a Panther fumble after a sixty-two yard pass play had moved Mulberry to Avon Park's nine yard line.

But the second half was all Mulberry's. Avon Park had bogged down on its first offensive drive after the second half kickoff and punted short to the Panthers at the Avon Park thirty-three yard line. From there it took just seven plays for the Panthers to drive in for a touchdown as Mike Borders trotted in from six yards out. The pass for the two point conversion was intercepted by Reggie Tolbert and the score stood 6-0 minutes after the start of the second period.

The Panthers scored again on their next possession using the pass this time to eat up the yardage as the Devils had trouble containing the Mulberry quarterback who hit three consecutive passes to score. Flanker Derrin Randall caught the pass for the TD from thirteen yards out to put Mulberry ahead. Mike Borders again the extra points to give Mulberry the 14-0 advantage.

Avon Park's next drive, after a thirty-five yard return by Charles Anderson, died out on the Mulberry 37-yard line and the Panthers again drove in for a score. The sixty-three yard drive was highlighted by a 36-yard pass gain to the Devil eleven. The Panther quarterback, Kenny Ford took the ball in from the two on fourth down and then Ford kicked the extra point to give Mulberry the 21-0 lead early in the fourth quarter.

The next Mulberry TD was set up by an Avon Park fumble which the Panthers recovered on the Devil 43-yard line. It took just two passes for the Panthers to score again with split end Joe Jones grabbing a twenty-five yarder for the score. Again Ford's kick was good for the point after. Two plays later Panther defensive back Monty Davis intercepted an Avon Park pass on the Devil 19-yard line and scampered in for the final Mulberry touchdown. Ford's kick was good for the extra point and Mulberry had the 35-6 victory scoring all thirty-five points in the second half.

Statistics for the game showed Avon Park with just 6 first downs while Mulberry racked up 17 first downs. The Devils gained only 88 yards on the ground and picked up 5 in the air for a total of 93 yards. Mulberry had 113 ground rushing and 236 passing yards for a total of 349 for the evening.

The Devils completed one of ten passes and had two interceptions. The Panthers completed 11 of 21 and had one intercepted. The Devils lost two fumbles and Mulberry gave up four fumbles. Avon Park punted seven times for a 27 1/2 yard average and Mulberry punted three times averaging 30 yards per kick. The Devils drew only 2 1/4 yards of penalties and Mulberry had 89 yards walked off against them.

Dennis Kelly, a new senior lineman, suffered an injury to his left shoulder and will be out of action for some time. Several Devils came up with severe leg cramps during the game but are expected to be ready for the game tomorrow night in Lake Placid.

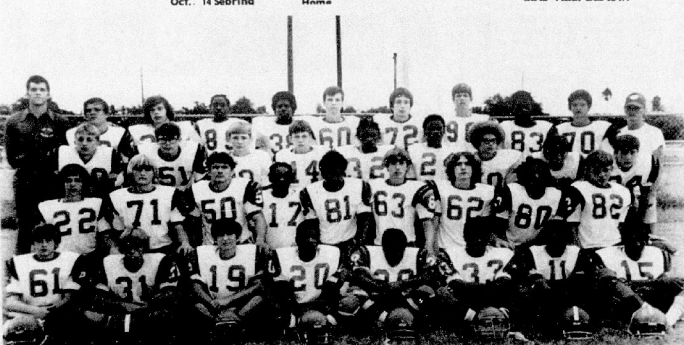

RED DEVIL FOOTBALL players scored their first touchdown of the season when Freddy Moore intercepted a Mulberry pass and ran it back 26 yards thru the Mulberry team for the score. The Devils scored first but the Panthers won 35-6. Photo — Miller.

Friday Last Day To Exchange Tickets

Avon Park reserved seat ticket holders will have until Friday, Sept. 19, (tomorrow) to exchange seats within the reserved seat section before all unclaimed tickets go on sale to persons on a waiting list next Monday, Sept. 22. These reserved seat tickets may be exchanged at the high school office this week.

Persons wishing to obtain reserved seat tickets must contact athletic director Joe Franz to have names placed on a waiting list for tickets when they become available. Tickets sell for \$3.00 per seat along with the purchase of a season ticket for each reserved seat ticket.

The Red Devil home football season will not open until Oct. 10 when the Hardee Wildcats from Wauchula come here for a Heartland Conference game. Then will follow four more home games in succession before the last two games of the season in Okeechobee and Sebring.

THE AVON PARK Red Devil Junior Varsity football team will open the 1975 season in Frostproof next Thursday, Sept. 25. Only ten of the thirty-five "B" squad prospects are sophomores and the remainder of the team are freshmen up from last year's eighth grade squad. Front row left to right: Bobba Stirling, Wade Bush, Alan Parris, Alvin Hinson, Steve Gray, Sylvester Curry, Decarion Jones and Jimmy Brown. Second row: Terry Massey, Ricky Bush, Johnny Harrison, Anthony Carter, Earnest Brown, Jeff Williams, Richard Clements, Jerry McKenzie and Fred Hartt. Third row: Jamie Dennis, Dennis Todd, Robby Dennis, Ralph Hart, Frank Brown, Craig Williams, Gary Dreze, Butch Helvey and Robert Hentrick. Back row: Coach Allen Duth, Johnny Wilburn, James Wilburn, Victor Roberts, Jim Casey, Bill Boyer, Tim Sheffield, Orlis Ford, Keith Porter and Coach Bruce Weyer. Photo — Miller.

Marge Clifford Heads Golfettes

The River Greens Golfettes elected new officers for the coming year at their monthly meeting Thursday at the clubhouse. They are Marge Clifford, president; Berta Lu Holly, vice president; Louise Wolman, secretary; and Louise Puffer, treasurer.

Morning golf got underway at 9 a.m. with 22 golfers. A nine hole tourney was played, the contest being low putting. Eleanor Tharp, Ruth Heiser and Ruth Durden tied with 15 putts each.

Luncheon was served with 29 members present followed by opening of the meeting by President Elaine Delaney. Connie Clifford announced a \$25 donation had been given by the association to the Sheriff's Girls Villa, Bartow.

Following the meeting, the members enjoyed bridge. The next meeting will be Tuesday, Oct. 7.

Athletic Association Plans Fish Fry

There will be a business meeting of the Avon Park High School Athletic Association at 7:30 p.m. Thursday, Sept. 18 at the Avon Park High School Auditorium.

The main topic of discussion during the business meeting, according to Lew Mundt will be making plans for the fish fry, Friday Oct. 10 before the first home football game with Wauchula.

Mundt urges all members and others to attend. The athletic association supports all of the Avon Park High School athletic activities. The \$2.00 membership fee includes free reserved football parking space at all home football games.

Mothers Win Softball Game In Rain

The "Mother-Daughter" softball game sponsored by the Avon Park Recreation Department, was played last Saturday night under a cloudy sky. The "Mothers" held off a seventh inning rally to take a win again this year, by the score of 12-7.

Even though it drizzled rain on and off all evening, both teams seemed to have a wonderful time, in an event that is hoped to be an established happening each year to come.

The "Mothers" only failed to score in one inning, while the "Daughters" were blanked in three innings. Phyllis Stinson led the "Mothers", hitting several long line drives, one of which bounced over the left-center fence. The "Daughters" were plagued by several critical errors on defense. The "Mothers" scored 12 runs on eight hits and only committed three errors, while the "Daughters" scored seven runs on seven hits and committed six errors.

In all, it was a fine assembly of women ball players, that in some exciting softball action for spectators to enjoy.

Nazarenos Come From Behind To Win Tournament

The post-season Church division tournament was completed last Thursday evening with a come-from-behind win by the Church of the Nazarene team. A first place trophy will be presented to them for their fine play.

The team that seemed to have the trophy in their grasp before the Nazarenos made their comeback, was the Seventh Day Adventist. They won their first two games of the double elimination tournament, one by a forfeit and the other over Nazarenos and needed only to win one of two of the final games to clinch the top honors.

But, the Nazarenos had different ideas, and with a show of confidence, beat the Seventh Day Adventist squad both of the last two games. The two teams were well-matched, as was seen by their regular season play, in which the Seventh Day Adventist took first place and the Nazarenos taking the runner-up spot. Only one run was the difference in each game of the finals.

The tournament started August 28 with the Seventh Day Adventist, Church of the Nazarenos, Church of Christ and the Episcopal vying for the trophy. The Episcopal came in to the tournament with a disadvantage of one loss by the league. It will be mandatory that your team have a representative attend this meeting if you would like to participate in this year's games.

Last year there were eight teams which competed in a 13 game season, playing twice per week. This year it is hoped to have better facilities for safer and more exciting play. For more information contact the Rec. Department between 3-6 p.m. and 7-10 p.m. any evening at 483-8811.

Men's Volleyball League To Organize

There will be an organizational meeting of the Men's Volleyball League next Tuesday evening at 7:30 at the Avon Park Recreation Center. The purpose of this meeting is to discuss rules, evenings of play, scheduling and officers of the league. It will be mandatory that your team have a representative attend this meeting if you would like to participate in this year's games.

Team Runs To Win Over Frostproof

The Cross-Country team of Avon Park High School opened its season with a victory over Frostproof by a 23-34 score last Thursday on the Avon Park course. Low score wins in cross country competition. Alphonso Williams paced the Devils to victory with a first place time of 14:20 for the 2 1/2 mile home course.

Williams received plenty of support from Jack Collins who took fourth in 15:12; James Hamilton who took fifth with a time of 15:37; Frank Anderson who came in sixth in 15:47; Dale Sienore winning seventh with a time of 16:09; Steve Anderson coming in ninth with a 16:27 effort and David Johns finishing twelfth in 16:53 minutes.

The Junior Varsity team, paced by John Barben with a seventh place finish in 16:38, fell to the Frostproof Jayvees by a 15-40 shut-out. Several new members will be added to the jayvees' squad this week according to Coach Brojek.

"I was especially pleased with the performances of the varsity squad," stated Brojek. "They really did an outstanding job and showed great potential."

The only two boys back on the varsity from last season are the co-captains Jack Collins and Frank Anderson. The cross country team was to have run in Sebring last Thursday, Sept. 16, against Hardee and the Blue Streaks. The next meet for the Devil harriers is Sept. 26 when they will travel to Palmetto for the Palmetto Invitational Meet.

CROSS COUNTRY RUNNERS, Alphonso Williams (left) clocked the course in 14:20 for first place, while Jack Collins took fourth in 15:12 to help the Avon Park High School Cross Country Varsity team win 23-34 over the Frostproof team last Thursday. Photo — Miller.

HITCHING A RIDE - Tammy Doane, 14-year-old Sebring girl, who has been certified as the world's youngest plane builder, hitches a ride on the plane she built as Shelly

Marrs taxis it down the runway at Avon Park Airport for a demonstration flight. Photo-Gobbie.

Tammy Officially World's Youngest Airplane Builder

By Norma Gobbie

While Avon Park and Highlands County celebrates the rich history of this nation, history is being made right here. And it has been a classical mixup, not the fact, but establishing the fact.

First, she was the youngest plane builder in the world, then she wasn't, then she was. Regardless of the mixup, misunderstanding or whatever — it's official — Tammy Doane is the world's youngest plane builder and she built the plane here in Avon Park.

Although a resident of Sebring, 14-year-old Tammy, has done most of the work on the plane at her father's business, Highlands Muffler Center, at the intersection of U. S. Highway 27 and West Main Street.

Tammy's plane has passed all Federal Aeronautics Administration testing and must be flown 75 hours before it can carry passengers, according to FAA rules. William Hammill, from the FAA in Miami, gave the plane the okay Thursday.

Tammy took the plane to the National Experimental Aircraft Association Convention in Oshkosh, Wis. the latter part of July. She and her father, Bill, transported the plane on a trailer.

A technically seemed to prevent Tammy's being certified as the world's youngest plane builder but The Smithsonian, the official publication of the Smithsonian Institute in Washington, and Plane and Pilot magazine recognized her as the world's youngest at the time. However,

she was not aware of that.

Articles on Tammy's accomplishment are due in those two publications as well as EAA's Sport Aviation Sports Illustrated, and Popular Mechanics. So our Highlands County first will be getting national publicity, along with the most deserving Tammy Doane, the world's youngest plane builder.

Tammy began construction of the airplane almost two years ago and has done 80 percent of the work herself including using the necessary power tools and painting the plane. The only work she has not done herself is converting the Volkswagen engine and

installing the engine and cables.

That portion of the work was done by Shelly Marrs of Marrs Aircraft who has also flown the plane for some test flights. Tammy's father has also done some of the testing.

Although Tammy built the plane, it will be almost two years before she can solo in it. When it has been flown the necessary 75 hours, she will be able to fly it with a licensed instructor with her.

She is proficient at flying and looking forward to the day she can solo. Her plans for the future include acrobatic flying and becoming an astronaut.

Senator Chiles Introduces Food Stamp Bill

Sen. Lawton Chiles (D-Fla.) will introduce legislation to revamp the nation's food stamp program and save an estimated \$250 million annually.

"This legislation will hopefully remove hundreds of thousands of undeserving persons from the food stamp rolls while giving the means to reach out and provide stamps to those who are really in need," Chiles said.

The Chiles plan would eliminate duplicative paperwork by allowing each household only one exemption — \$120 per month — instead of the multitude of exemptions now allowed.

The sole \$120 deduction (\$60 more for persons aged 60 or above) would eliminate about 650,000 households now receiving food stamps.

"This legislation aims the food stamp program at those who need it, by increasing outreach and educational efforts as funds for administration become available," Chiles explained.

The senator said the original intent of the food stamp program was to help provide nutritional meals for low income families, but somewhere along the line the intent and results have been distorted.

"Many people are concerned about the spiraling, undisciplined growth of this program, caused largely by an open-ended system that makes one out of every four Americans eligible for food stamps."

The legislation is an outgrowth of hearings before the Senate Federal Spending and Efficiency Subcommittee, of which Chiles is chairman.

Loud Muffler Attracts Attention To Cyclist

The loud muffler of Jeffrey Foy Grissett's motorcycle led him into prison for six months to two years.

Grissett, 35, a Fort Meade resident, was stopped on the state road between Sebring and Avon Park. The Florida Highway Patrol trooper was checking drivers' licenses said he had planned to warn the cyclist about his muffler, but he noticed an odor which turned his attention to other investigations.

Grissett was charged with possession of marijuana and possession of cocaine paraphernalia.

At the conclusion of the prison term Grissett is to be on probation for five years.

Avon Park, newly-elected president.

The board of directors, at a meeting Sept. 10, decided to conduct a membership drive

next January, and also voted to establish a special membership category for those businesses which give \$50 each year.

OFF ON ROMANTIC CRUISE — Mr. and Mrs. Howard S. Gilman of Avon Park are shown aboard the S. S. Rotterdam of Holland America Cruises just before sailing from New York on a cruise to Nassau and Bermuda.

Regular \$25 memberships will continue to be sought from individuals in the three communities.

The organization's board of directors includes three persons from each of the three communities, who serve staggered terms of three years each.

New directors elected

include Mervin Rehrer of Avon Park, Hosmer Compton of Lake Placid and Ford Heacock of Sebring, the latter two being re-elected.

Other directors include Fred Johns and Laurence of Avon Park; Charles Sudham and T. P. Clinead of Lake Placid; Ernest Breed and Gene Wells of Sebring.

Farm Bureau To Hold Barbecue

The annual meeting and barbecue of the Highlands County Farm Bureau will be held at 7 p.m. Tuesday, Sept. 23, 1975 at the Highlands County Agricultural and Civic Center.

During the general business meeting four directors will be elected for the coming year. The annual conservation award will also be presented at this time.

The program for the evening will be a slide spectacular "Stewards of the Soil" by Dave Crawford of the Stauffer Chemical Company.

The 600 family members of the Highlands County Farm Bureau are urged to attend and bring the family for the covered dish barbecue. The Highlands County Farm Bureau is supplying the meat, drink and bread.

Avon Park Band To Sell Christmas Cards Sept. 23, 24

Tuesday and Wednesday, Sept. 23 and 24 are the days selected by the Avon Park Bands to cover the town with their card sale. The members of the Junior and the Senior bands plan to cover the entire town taking orders for four different types of cards.

The first assortment, Christmas Cards, are beautifully embossed and bronzed with special thoughts for the holiday season.

The Special Occasion Cards are tastefully printed with lovely thoughts to remember birthdays, anniversaries, to offer sympathy, congratulations and get well wishes.

The Thinking of You cards are for the young and romantically inclined. Each box contains five different designs in romantic colors.

Last but not least, the Historical Note Cards are to

celebrate America's 200th birthday with three different etchings. Featured are: Independence Hall, the Liberty Bell, and a statue of "Ben Franklin". They have plenty space to write thank you notes, invitations and general correspondence.

The proceeds from this card sale will go to help pay for the bus transportation to ball games, district and state contests, additional uniforms, repair and purchase of new equipment and music for the Junior and the Senior band, and to help defray expense of the trip to the Bahamas that the band is planning in the spring.

We all need and use cards so let's buy one or two boxes of cards when the band members call next Tuesday and Wednesday.

NET

One of the definitions for a net is a trap or a snare. A net is used to catch a fish. There are times in every man's life when, like Job, he feels that God has trapped him in a net. Job 19:6 reads, "Know now that God hath overthrown me, and hath compassed me with his net."

But our troubles and afflictions are never caused by our God. Moreover, His Word says He is ever faithful to deliver His people. The Psalmist asserts: "Mine eyes are ever toward the Lord; for he shall pluck my feet out of the net."

How wonderful are His promises. These promises are proclaimed from the pulpit by your pastor each week for the blessing and edifying of God's people. Won't you attend church this week and partake of this blessing?

The Church is God's appointed agency in this world for spreading His knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

For 50 years Winn-Dixie has constantly strived to bring the best foods to your table for the lowest possible price. Recently, other stores have quietly stopped selling U.S. Choice Beef. They can afford to. It's just meat to them. But we're different. We've got to sell only U.S. Choice Beef, age it to natural tenderness & trim it for good value. We have to because you depend on us and that's why you call us THE BEEF PEOPLE.
