

Red Devil Cagers Undeclared!

Will Travel To Sebring Saturday Nite

Coch Tom Lund's Avon Park cagers opened the 1975-76 basketball season with two wins last week. The Red Devils defeated DeSoto High by a score of 74-54 on Tuesday, Dec. 2, and then won over Okeechobee 66-44 last Friday night. Both were home games and both were Heartland Conference victories over Class AAA schools.

Tomorrow night (Friday) the Red Devils were scheduled to host the tough Palmetto High team but that game has been postponed. This Saturday night they will travel to Sebring to take on the Blue Streaks in another conference match. Next Tuesday Avon Park will close out the regular season with a home game against the Sebring team.

pre-holiday schedule in Arcadia with a re-match with the DeSoto High Bulldogs. Next weekend the Red Devils will participate in the Arcadia Christmas Tournament. Melvin Collins and Anthony Conner led the Red Devils to the 74-54 win over DeSoto High in the season opener last week. Collins scored 23 points with 18 field goals and three free shots and pulled down 21 rebounds. Conner added 16 points with seven field goals and two free throws. Conner also led the Devils on the boards with 22 rebounds.

Also seeing action for the Devils were James Ross with eight points, Dale Sizmore scoring seven points, Clifford

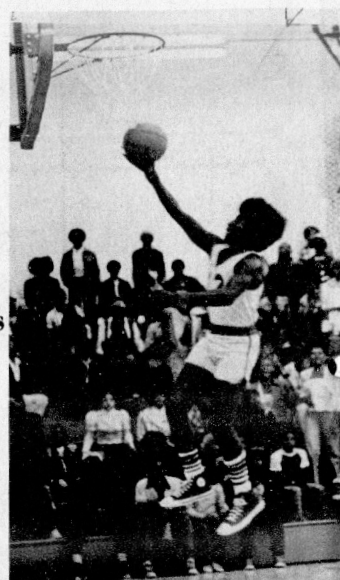

Coleman with six points, Reggie Tolbert and Mike Ryan with five points each, Kenneth Burley and Reggie Baker with two points apiece and Edward Dorsey.

The Avon Park team hit 73 per cent from the free throw line making 22 of 30 shots. There were too many Devil turnovers but the zone defense was effective against the inexperienced Arcadia five. Veteran Bulldog Randy Gambrell led Arcadia with 17 points.

Last Friday night the Red Devils won 66-44 over the Okeechobee Brahmanas. The Devils made only 50 per cent of their free shot hitting 18 of

36 attempted. Melvin Collins again was high scorer for Avon Park as he pumped in 19 points. Collins also led in rebounds as he grabbed 25 off the boards. Kenneth Burley made four field goals and four free shots for 12 points and pulled down 12 rebounds. James Ross hit four outside field goals and two free shots for 10 points. Reggie Tolbert scored nine counters and Dale Sizmore and Anthony Conner added four points each. Reggie Baker, Clifford Coleman and Mike Ryan also saw action in the conference game. The Red Devils led all the way but struggled in the second half came back strong trying to overcome the Avon Park advantage.

The Devil jayvee squad should be aided this week by the addition of Randy Burrough who was ineligible last week. Coach Duhm urges fans to come out early for the junior varsity game to see some real fast aggressive basketball.

'B' Team Cagers Open With Two Victories

The Red Devil junior varsity opened the 1975-76 basketball season on a good note last Tuesday a week ago with a convincing 69-20 victory over the Arcadia Bulldogs. The Avon Park 'B' team also knocked off Okeechobee by a score of 54-39 last Friday night to set a 2-0 record.

The Devil 'Bees' were scheduled to take on the Palmetto Tigers here at home tomorrow (Friday) night but due to the Palmetto football team being involved in the football state play-offs, that game has been rescheduled for later in the season.

The game with Arcadia appeared well in hand early as the Devil team jumped to a 15-0 lead at the end of the first quarter and went to the locker room at halftime with a 37-8 bulge. The Devil scoring punch was largely possible due to a tight, full-court press applied for the entire first half. The press caused several Arcadia miscues which the Devils turned into points. The second half was a continuation of the first half style of play with Coach Duhm emptying his bench allowing all boys to play.

Every boy on the squad contributed to the scoring effort which was topped by Horace Moore with 19 points. Charlie Pugh hit for 14 points and had nine rebounds and Larry Pugh scored 12 points and had 10 rebounds. Other players scoring were Freddie

Williams with eight points, Mike Coleman with six, David Williams with five points and seven rebounds, Casey Stokes and Eric Wilson with two points each and George Loyd with one point. Coach Duhm was pleased with this well-rounded scoring attack so early in the season.

The junior varsity continued its winning way on Friday night with another comfortable victory over the Brahmanas of Okeechobee. The final score was 64-39. The Brahmanas refused to go down early as the Avon Park squad had only a 27-19 lead at the half. The Devils overall speed and strength proved too much for the Brahmanas in the third period however as the Devil five outscored them 18-4. The Avon Park second string was able to hold Okeechobee even terms during the fourth

quarter outscoring their opponents 18-16. Again all players saw action.

The team was led by the 19 point-11 rebound effort by Larry Pugh. Other Devils in the double figures were Mike Coleman with 11 and David Williams with 10 points. Rounding out the scoring attack for Avon Park were Freddie Williams with 8, Charlie Pugh with 6, Horace Moore and George Loyd with 4 each and Casey Stokes with 3 points. Charlie Pugh and David Williams were tough on the boards with 11 and 10 rebounds respectively.

The Devil jayvee squad should be aided this week by the addition of Randy Burrough who was ineligible last week. Coach Duhm urges fans to come out early for the junior varsity game to see some real fast aggressive basketball.

Double Elimination Winners In Scholarship Tourney

Competition on the South Florida Junior College Tennis Ladder culminated this past week with a four day, double-elimination tournament for the top four players on the ladder. Heading the seventeen player ladder were Vi Morrow, Grant Stallard, Pam Rose, and Kevin Murphy.

In round four Grant Stallard took two games, 6-3, 6-2 from Vi

Morrow to win the SFJC Tennis Ladder Scholarship tournament.

Winners of the 1975 Tennis Scholarships determined by the tournament play were, Grant Stallard, Vi Morrow and Pam Rose.

Victors In H.C.T.A. Draw-Doubles Tournament

Bruce Wyse and Eric Annett captured the men's championship in the Highlands County Tennis Association's Draw-Doubles tournament last weekend at the Avon Park City Courts. Cherri Lee and Evelyn Reeder won the women's title in the first H. C. T. A. tourney of the year.

Wyse and Annett won their trophies with a 6-0, 6-1 victory over Wesley Mercer and Billy Page in the finals of the men's meet. Lee and Reeder defeated Peggy Sizmore and Delores Cox 6-3, 6-3 to cop the women's tourney.

In the consolation bracket Pat Lagoni and Betty Carlisle

came in first with a 6-4, 6-4 win over Anna Vilakitis and Sandra Beck. Susan Franza and Debra Cox were forced to drop out of the consolation bracket when Susan sprained her ankle. The Franza-Cox team was leading in the match they were forced to defeat. Jim Hayes and Larry Johnson won the men's consolation prize with a 6-1, 6-6, 6-2 win over Howard Teepie and Kris Delaney.

There were seven women's teams and five men's teams in the tournament which was managed by Jeanne Cox. Play started at 9 a.m. and finished up at 4 p.m. with eighteen matches being played.

Highlands Runners Club To Host Four Mile Run Sunday

The Highlands Runners Club will host a four-mile run this Sunday morning at 9 o'clock at the Avon Park High School. The age groups will be 12 and under, 13-15, 16-19, 20-35 and 36 and up. The entry fee will be \$1 for all runners.

Coach Chet Brojek won the 20-30 age group eight mile run which was held on Sunday, Nov. 30, at the Avon Park High School. Brojek's time of 52:12 minutes was a personal best for him over the eight mile course. Some fifteen runners took part in the meet which was sponsored by the Highlands Runners Club.

Mike Hatcher captured first place in the 16-19 age group and also won first place overall

with his fine 47:35 clocking. Kurt Leverett of Plant City took second place behind the Haines City distance star. Mike Conner of Wauchula took third place over-all and first place in the 13-15 age group in 51:20 minutes. Norman Strand of Lakeland won top honors in the 40 and up age grouping with his 66:27 minute performance. Strand, who is 46, just started running this past January.

Brojek plans a novice mile run for new joggers from the area in the near future. Anyone interested in joining the local runners club may contact Brojek at 433-6664 or at 385-4736 after school hours.

Tim Hill, Second Year Coach Lays Foundation For SFJC Successful Baseball Program

Tim Hill, now in his second year as baseball coach at South Florida Junior College, set a three-year timetable to develop a successful baseball program at SFJC. After all, only thirteen players were on hand for fall practice when Hill arrived a year ago last August. Between semesters of last year a few more players that had been previously neglected by other colleges arrived and the Panthers began to build a record - a fifth place conference finish and a 14-19 final record. Two of the players, Buddy DeWitt from Avon Park and Robert Webb from Tampa, were selected to play in the State Junior College All-Star game, also a first.

The foundation was laid last year for a successful baseball program at South Florida Junior College. Panther baseball developed respectability and this was the key factor in the recruiting process for Coach Hill last summer. Several good baseball players arrived this fall. Of the twenty-four who participated in the fall exhibition season, only six were from last year's team - Buddy DeWitt, Avon Park; David Lind, Sebring; Jack Jackson, Brandon; Keith Miller, Virginia; Keith McCarter, Frostproof; and Dave Lamons, Frostproof. However, all six were starters and have that valuable year of junior college baseball experience.

Eighteen new players became a part of the Panther baseball team this fall. With so many new players on hand, the first half of the fall schedule saw all players play and all pitchers (10 in number) pitch an inning or two each game. The second half of the season saw a definite infield determined and six pitchers were doing most of the pitching. The outfield was still being plied with much experimentation still taking place. The Panthers, at this point, won seven games in a row.

The Panthers concluded fall practice on Nov. 18 and then started their winter weight lifting and flexibility exercise program.

The outfield still remains unsettled with Dean Howard Plant City; Brad Beumel, Avon Park; David Lind, Sebring; Tom Gregory, Virginia; Phil Mattair, Plant City; Mike Poole, Avon Park; Andy Riley,

Sarasota; and Dave Lamons, Frostproof, all battling for a spot.

The infield appears set. Returning from last year's team is Mike Miller. Mike is from Vienna, Va., and played second base last year, but will start at third base this spring. He is an excellent defensive player with a good arm. Mike also excels at getting on base (last year his on-base average was two per game). The double-play combination was a weak point last year. The main recruiting objective was to locate the best shortstop and second baseman available.

The Panthers have done this by acquiring Dave Walstad and Larry Glass from Lakeland High School. Defensively, Dana and Larry both possess the range, arm, and agility necessary to excel at the shortstop and second base positions in junior college baseball. They have been together since Little League days and can effectively turn the double-play. Glass will hit for the .300 average and supply the extra base hit, while Walstad will hit to all fields, get on base, and hit in the clutch. Mark Jackson returns at first base and, "is the best defensive first baseman in the conference," according to Coach Hill. Jackson, at 6'7", provides an excellent target and the lefthander has a strong arm. Mark has been attacking the ball well at the plate this fall and is developing into a good junior college hitter. He is a real hustler and team man all the way and has been named captain for the spring season.

Junior College State All-Star Catcher Buddy DeWitt returns for his second year behind the plate. Buddy has the size, 6'11", 165 lbs., arm, speed, and he is probably the best all-around and complete player on the Panther squad. He is being scouted by the major league teams and by four-year college players and is expected to have an excellent spring. He will also play outfield as well as catch and may even see occasional action as a relief pitcher. His old high school position.

Larry Hatfield from Pahokee High School also improved greatly with his defensive skills behind the plate as well as with his bat. Larry's improvement will give the Panthers more maneuverability in the line-up and allow DeWitt to play

outfield at times. Another catcher-outfielder will be joining the Panthers this spring. Blaine McDonald from Alexandria, Va., will be transferring from a four-year school in January and will definitely add the Panthers in the hitting department.

The pitching corps had a good fall season. The entire staff had an earned run average of 2.39 while five members were under 1.00. Mike Phillips, 6'0", 165 lbs., a lefthander, returns from last year's team. Mike was injured most of last season and pitched sparingly. This year he has fully recovered from his injuries and has been very impressive in the fall and will be the number one lefthander. Jerry Heston, 6'0", 150 lbs., from Sebring High School, also a lefthander, had a good fall and will be pitching in the rotation and as a reliever. The Panthers' six right-handed pitchers were staff for the spring are Rick Harrison, Lakeland High School; Mike Vermillion, Arlington, Va.; Andy Riley, Sarasota University High School; and Phil Mattair, Plant City High School. They have all proven that they can pitch in junior college baseball. All had earned run averages below 1.00 while Mattair did not give up a run in 15 innings. Riley is a curveball, knuckleball specialist with good control. Harrison and Vermillion, both with good fastballs and excellent curveballs, will both be counted on as starters.

Jim Painter, 6'7", 150 lbs., a big right-hander from Stanley, Va., started the fall season slowly but made good improvement towards the end of the schedule. Jamie Tomlinson, 6'0", 150 lbs., from Avon Park High School, also experienced improvement this fall while developing his curveball and experimenting with the knuckleball.

With a capable pitching staff, backed up by one of the better defensive infields in the state, Coach Hill feels that the baseball rebuilding program at South Florida Junior College may be a year ahead of his three-year timetable. Hill is cautiously optimistic for the important spring season, however. "Providing no one gets injured and everyone makes their grades this semester, and the pitching staff and defense performs as it did this fall, we should be in

good shape for the spring. The addition of McDonald will definitely add another hitter to the line-up and we may be seeing one more player in January. We will be providing the college and community some fine baseball entertainment this spring. We expect attendance and community support to keep growing with the success of the team. The South Florida Junior College Baseball Bunker Club has been of great assistance in the development of our program and we are looking forward to the coming season with much enthusiasm in providing the Highlands County fans exciting baseball entertainment," said Coach Hill.

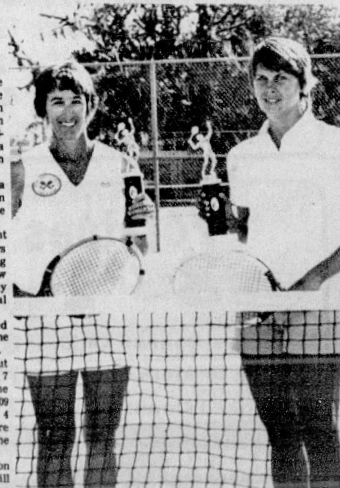

Bombing Range Hunting Results

The Avon Park Wildlife Management area on the Bombing Range will be open for hunters and sportsmen on Saturday and Sunday, Dec. 13-14 according to the Florida Game and Fresh Fish Commission.

Hunters can enter the area Friday only through the main gate on the Bombing Range Road, State Highway 1. Entrance to the hunt management area for hunters and campers will be for setting up camp only and will follow the ending of the Friday military aircraft tactical exercises.

Sportsmen are reminded that all persons must clear the hunt area by 8 p.m. Sunday. Hunters leaving the checkout gate last Sunday, Dec. 7 reported the following game take: deer, 3; 2 turkeys, 109 quail, 11 squirrel, 2 ducks, 4 dogs, and 2 snakes. There were 691 hunters making use of the hunt area.

As the small game season ends Jan. 4, 1976 there will normally be three more weekends of hunting in the Wildlife Management area. For further information the Bombing Range office of the Game Commission can be reached by calling 433-3327.

Smith Tells Lions Of Tight Budget

County school superintendent James Smith was the guest speaker at the regular meeting of the Lions Club Tuesday at the Lions Club House.

Smith explained how the administrative Highlands County staff is operating with a very tight budget. He mentioned various increased costs.

In the business meeting, plans were completed for the float to be entered in the Christmas Parade. A number of members of the Club will be helping with the sight-saving project when the kindergarten classes are screened Dec. 9 and 16 at Hopewell Elementary School.

It was reported that approximately \$1,000 has been given for saving the sight of a local citizen.

The next regular meeting is scheduled for Tuesday, Dec. 16.

Wilhite Assumes Command Texas District Recruiting

Lieutenant Colonel James A. Wilhite recently assumed command of the U.S. Army Houston District Recruiting Command in Houston, Texas. As commander of the recruiting district, he is responsible for Army recruiting in Southeast Texas. His current duties include liaison with Southeast Texas educators, public relations, advertising, vocational counseling and personnel management.

He arrived at Houston after a thirteen month tour where he commanded the 4th Armored Cavalry Squadron, 7th United States Cavalry, 2d Infantry Division, located just south of the Demilitarized Zone (DMZ) in the Republic of Korea. The Cavalry Squadron was composed of 42 officers, 33 warrant officers,

831 enlisted men and was equipped, in part, with 27 General Sheridan 152MM tanks, 28 M113A1 Armored Cavalry assault vehicles, nine 4.2 inch mortar carriers, 114 wheeled vehicles, and 27 helicopters, including nine

Cobra attack helicopters.

A native of Avon Park and graduate of Avon Park High School, Jim earned a Bachelor of Science in Education from the Citadel in 1966 and a Masters in Student Personnel Administration at Florida University in 1974. His military education includes the Army Officer Basic and Advanced Courses, Fixed Wing and Helicopter Flight School and the Command and General Staff College.

His service has included troop and staff assignments at Fort Stewart, Georgia; Augsburg, Germany; Fort

Devens, Massachusetts; Fort Knox, Kentucky; and the Republic of Vietnam. Also, Colonel Wilhite taught Military Science at Stetson University from 1965 to 1968, was a member of the staff and faculty at the Armor School, Fort Knox, and completed his tour at Fort Knox as the executive officer to the Commandant, Major General George S. Patton.

LTC Wilhite's military decorations include the Bronze Star Medal with V Device and two Oak Leaf Clusters; Air Medal; Meritorious Service Medal; Army Commendation Medal with two Oak Leaf Clusters; National Defense Service Medal; Vietnam Cross of Gallantry with Gold Star; Vietnam Cross of Gallantry with Bronze Star; Vietnam Cross of Gallantry with Palm; Vietnam Honor Medal; Republic of Vietnam Campaign Ribbon with 4 campaign stars, Vietnam Service Medal; Fouragere Color of Military Merit; Aviator Badge; Armor Badge and Combat Infantryman Badge.

LTC and Mrs. Wilhite reside at 1083 Dogwood, Katy, Texas with their two sons, Joel and Gregory. Mrs. Wilhite is the former Sandra Williams of Avon Park, who has been extremely active in providing services and assistance at various posts, and especially to the underprivileged and handicapped service children at Fort Leavenworth and Fort Knox. This past year, Mrs. Wilhite was employed by the Highlands County School Board.

Lt. Col. James Wilhite

Post Office Will Not Extend Window Hours

It has been the custom of the Avon Park Post Office to extend window service hours for the two Saturdays preceding Christmas. Because of economy measures being taken, our request for these extended Saturday hours for this year has been denied.

On Saturday, Dec. 13 and Saturday, Dec. 20, the Avon Park Post Office will be open for window service business only between the hours of 9:30 to 10:30 a.m.

We have no doubt that this will throw extremely heavy mailings on the two Mondays before Christmas. In order to keep our customers from

having to wait in unusually long lines for service, we are urging everyone who can possibly arrange it to bring in parcel post on Wednesday and Thursday as these two days are traditionally lighter than other days of the week.

We assure you that we will take all measures economically allowed us to give you the Christmas service which you expect. We regret the cancellation of the extended Saturday hours and our well-trained window staff hope to be able to give the extra effort needed to keep waiting lines to a minimum.

Mattox Will Seek Jim Haley's Seat

State Representative Ray Mattox announced last week that he will not seek reelection to the District 49 seat in the 1976 elections.

Although he will be serving in the legislative session scheduled to convene in April, Mattox said that "a sense of fairness to all taxpayers compels this public announcement at this time."

Mattox expressed his "deep appreciation to the citizens of my district for allowing me the opportunity to serve them." Mattox is presently serving his 10th term in the house and is presently chairman of the Select Committee on Military and Veterans Affairs and serves on the committees for Finance and Taxation, Rules and Calendar and Transportation.

In 1966, when Mattox was seeking the office he stated he was a Jeffersonian Democrat. He has said as long as he is serving in a public office he would follow that conservative

philosophy on which our system of government was founded.

"I feel I have consistently and without equivocation honored that commitment to the public," he said. "As I view the present economic problems of our state and nation, I am more dedicated to that philosophy today than ever before," he continued.

Mattox said he made the announcement with "deep concern for the survival of the free enterprise system," which he said is endangered by a process of slow strangulation caused by a growing mountain of red tape, spawned by an ever expanding bureaucracy. "I hope you who have honored me so many times in the past will give me the opportunity to serve you in some capacity in the future," he concluded.

It is rumored that Mattox will seek federal office and he admits it is a possibility but has not made any announcement to that effect yet.

Police Cruisers Collide In Chase

A pre-dawn chase left three patrol cars and a private vehicle damaged and a Sebring woman facing charges of driving while under the influence of alcohol.

The chase began at 4:40 a.m., Dec. 2, at the U.S. 27 and Lake Is. Ave. intersection at Avon Park and ended in the Sebring Shores section of Sebring.

A car driven by Linda Douglas of Sebring was, eventually, involved in collisions with two Avon Park police cruisers and a deputy sheriff's patrol car.

No one was hurt in the chain of collisions. Most seriously damaged of the vehicles was the Avon Park cruiser driven by Robert Lester Oberber. Damages were set at \$1,200.

Damages to a cruiser, driven by Charles Ragsdale, were set at \$200. The sheriff's car driven by Deputy Colin Harnage was the least damaged — \$50 worth.

The Douglas auto damages were set at \$800. Florida Highway Patrol Trooper L. D. Rittenour investigated the accidents.

Truck Avoids Ceycle Dumps Oranges

A load of oranges bound for Florida Home Juice plant at Avon Park wound up as orange juice on State Road 64, 2.8 miles west of Avon Park.

The oranges — \$200 worth — were dumped when a tractor-trailer unit, driven by Freeman Alley Jr. of Wauchula, overturned at 5:20 p.m., Dec. 2.

Alley was not hurt, but a passenger, Danny Yeoman of Zolfo Springs, suffered minor injuries.

According to witnesses, Alley was eastbound on 64. He veered to avoid a motorcycle and overturned. Damage to the tractor was estimated at \$2,200 and \$600 to the trailer.

Trooper C. J. Hart investigated for Florida Highway Patrol; no charges were filed.

Taft-Thornton An Avon Park man was charged in connection with a collision at the intersection of Garret Road and U. S. 27. According to the FHP report by Trooper Hart, Paul Taft of Avon Park was entering 27 just south of Avon Park, 4:30 p.m., Dec. 1.

A small car driven by Carl Thornton of Miami was northbound on 27. Damage to Taft's car was set at \$200 and to Thornton's, \$1,200. Taft was charged with violation of right of way entering a through highway.

Child Psychology To Be Offered At SFJC

A course in child psychology will be offered by South Florida Junior College during the spring semester. The class will meet Wednesday evenings from 7:30-9:00 beginning Jan. 7 and may be taken for three hours of college credit or for audit.

In the child psychology class, a study will be made of the developmental processes in childhood from conception through elementary school. Investigation is conducted in the areas of language, motor, personality, social and ethical development in the normal child. Dr. Donald McClure, psychologist for the DeSoto County Board of Public Instruction, will instruct.

Anyone planning to enroll must register at SFJC during the spring registration period, Jan. 7-12. It would be a good idea for persons who intend to take the course to contact the admissions office prior to Jan.

2 to be sure their files are in order.

Emergency Service Calls Less

The rate of medical emergencies in Highlands County slackened last week. Calls for Emergency Medical Services dropped from about 30 per week to 24 for the first week in December.

Avon Park led the list with nine emergency calls. Sebring had seven and Lake Placid eight. Sebring units handled five in-county transfers and three out-of-county. Avon Park had one in-county transfer. Lake Placid units had no transfers last week.

The emergency room traffic at Highlands General Hospital reflected the same downward trend. Only one highway accident victim was treated. Bruce Brawell, 38, of Sebring was treated and released the evening of Dec. 3.

Food Needed For Children

Christmas Cheer is at work in preparation for making Christmas a happy time for indigent families, sponsored by

various churches, social, civic and fraternal organizations. Last year 66 families with 200 children received food and gifts. It is expected that the demand this year will be just as great.

All participating organizations are asked to send names of needy families, the address, names, age and sex of the children to Mrs. Slover D. Coward, 1012 Lake Blvd. Dolls, usable toys, tricycles and bicycles are needed and can be left at Stinson's Service Station or at Albritton's Barber Shop. The Lion's Club will again be packing baskets.

If you can make one child happy, it will warm your heart and you can imagine how blessed you will be by joining others in bringing happiness to children at Christmas time, a spokesman for Christmas Cheer said.

Checks should be made payable to Christmas Cheer, Inc. and mailed to 3615 Mattie W. Tompkins, treasurer, P. O. Box 40, Avon Park.

Middle School Lists Honor Student Qualities

The Avon Park Middle School is proud of its students who, through hard work and good behavior have earned a place on the Honor Roll, for the first nine weeks grading period of the 1975 school year, stated Elmo Roberts, principal of the middle school.

To qualify for the Honor Roll a student must have grades of "B" or above in all studies and no unsatisfactory marks in work habits and conduct.

World famous clergyman Billy Graham has written a new book *Angels: God's Secret Agents* that underscores for readers today the biblical message that angels exist. Mr. Graham says the Bible mentions angels nearly 300 times yet until recently many doubted their existence. He continues that while today the idea of the supernatural is widely accepted as fact, the emphasis seems to be on the occult and the forces of evil. What about the forces of good, the angelic beings so often referred to in the Bible he asks? In his book Mr. Graham tells his readers that angels have a significance in our contemporary world and he explains the characteristics as well as the purpose of angels.

How To Make Doll Clothes by Emily Dow is a treasure house of fun and information for almost any age or degree of skill. Small beginners with needles will find it as fascinating and as helpful as well practiced experts of far more advanced years. Over 100 illustrations, most of which serve as actual patterns, are extremely simple to follow and filled with originality and interest. There are patterns for every size doll as well as for puppets or marionettes. In addition to individuals this book will be of real value to neighborhood or church groups with doll dressing projects, to kindergartens and to Girl Scout and Campfire Girl Groups.

Thalassa Cruso now does for vegetable gardening what she did for indoor gardening in her new book *Making Vegetables Grow*. Whether you are just starting to grow vegetables or have done it for years you will find *Making Vegetables Grow* brimming with supremely specific and practical information—step by step from planning through harvesting. With amusing candor and humor Lilli Palmer shares her deep personal memories of her life in her autobiography *Change Lovers and Dance*. From her teens when her promising acting career in Germany was cut by Hitler's rise to power, to her cabaret acts as a refugee in Paris, small parts in British films, marriage to Rex Harrison, Hollywood and Broadway stardom, scandal and divorce, remarriage and new career, Lilli Palmer's life has been a constant change with the necessity to pick up the pieces and begin again. With insight

and always with warmth and understanding, Miss Palmer tells about her colorful career and her fascinating life.

Fighting Back by Rocky Blaieier is the story of one of the great comebacks in sports history—told by a young man who, seriously wounded in Vietnam, was described by the army as 40 per cent disabled, but against the greatest odds fought his way back to pro football to play a winning game in the Super Bowl.

Complying with her father's dying wish, Sarah returns to the Elizabethan manor house of her childhood only to find she is not welcome in Valley of the Ravens by Nancy Buckingham.

Cicely Plantagenet, niece of the dead Richard III, conspires with her sister, Elizabeth, to protect John of Gloucester from the king's wrath in *The Queen's Sister*.

The assassination of a top presidential advisor leads to revelations about an illegal billion-dollar wheat deal in the new mystery *The Money Harvest* by Rex Thomas.

For the first time in one volume all of the martial or Asian fighting arts are explained and illustrated for the Western reader in William Logan's *Handbook of the Martial Arts and Self-Defense*. Whether you desire to learn the arts for self-defense, for inner peace, or simply for exercise this profusely illustrated volume will provide a clear and concise introduction. Author Logan describes each art—its history, its underlying philosophy, its application to daily life, and through the use of over four hundred photographs, its individual movements.

As always, the master of suspense, Alfred Hitchcock, can be counted on to provide delightful chills and spine-tugging terror, as he does in his latest of the biennial Hitchcock anthologies, *Stories to be Read*.

If you are not very pleased with the new fiction that is being written today and feel you could do much better try your hand by using *Hallie Burnett's Fiction Writer's Handbook*. She gives practical advice on every aspect of writing novels and short stories with illustrations from modern and past fiction writers. It is inspiring, instructive, and invaluable.

News Of Our Men In The Service

Dennis M. Rivera

Airman Dennis M. Rivera, son of U.S. Air Force Senior Master Sergeant Ramon Rivera, Avon Park Bomb Range, has been selected for technical training in the U.S. Air Force vehicle maintenance field at Chanute AFB, Ill. The airman recently completed basic training at Lackland AFB, Tex., where he studied the Air Force mission, organization and customs and received special instruction in human relations. Airman Rivera, whose mother is Mrs. Norma J. Rivera of 194 Mead St., North Tonawanda, N.Y., is a 1975 graduate of Niagara Wheatfield High School, Niagara, N.Y.

Gary E. Young

Airman Gary E. Young, son of Mrs. A. Young of Rt. 1, Avon Park, Fla., has completed Air Force "Basic Training" at Lackland AFB, Tex. During his six weeks training, he studied the Air Force mission, organization and customs and received special instruction in human relations. The airman is remaining at Lackland for specialized training in the security police field.

Airman Young is a 1975 graduate of Avon Park High School.

Sammy Rowe Completes Training

Army Private Sammy L. Rowe, 17, son of Mrs. Ledell B. Rowe, 1431 S. Delaney, Avon Park, completed the new "One Station Unit Training" (OSUT) program at Ft. Polk, La., Oct. 30. OSUT provides basic and advanced training with the same unit, on the same post. Private Rowe entered the Army last July.

Johnson Serving At Griffis AFB

Now serving at Griffis AFB, N.Y., is Air Force Sergeant Robin L. Johnson, son of Mr. and Mrs. Joseph Salters of Avon Park. Sergeant Johnson, a fire protection specialist, was previously assigned at Ching Chuan Kang AB, Taiwan. The sergeant is a 1972 graduate of Avon Park High School.

THREE HURT IN ACCIDENTS

Three persons were injured in nine traffic accidents investigated by Florida Highway Patrol, Dec. 1 through 7. The weekly report shows one driver was arrested for driving while intoxicated, 49 cited for speeding, eight for other infractions. Seven truckers were ticketed for traffic offenses.

Bradstreet Completes Basic

Among the recent graduates from the Marine Corps Recruit Depot at Parris Island, S.C., was Private Mark W. Bradstreet, son of Mr. and Mrs. Philip Bradstreet of 207 E. Hall St., Avon Park. During the Marines initial training, the emphasis is on physical conditioning, discipline and team effort. Recruits attend classes on history and organization of the Marine Corps, uniform regulations, first aid and military customs, and receive extensive instruction in close order drill.

Ronnie Dick Completes Defense Course

Army Private Ronnie E. Dick, 20, whose wife, Debbie, lives at 15 W. Thomas St., Avon Park, recently completed the data communications terminal specialist course for defense special security systems here. During the 15 weeks of training, he learned to work with a variety of data communications systems. He entered the Army in May and completed basic training at Ft. Jackson, S.C. The private, whose parents, Mr. and Mrs. Robert G. Dick, live in Avon Park, is a 1974 graduate of Avon Park High School and was employed by J and J Construction in Sebring, before entering the Army.

There may be times when your church seems to be growing slowly, when you become discouraged because your work seems to bear no fruit. Don't be discouraged. The Lord would say to you in Deut. 1:21, "Fear not, neither be discouraged," for I am with you.

During the very time you are discouraged, the Lord may have good news for you. This period of time may be more spring than winter. It is an open secret that God's arm is not shortened that he cannot save; neither is his ear heavy that He cannot hear.

Therefore, let us keep on working and praying that we may in our hearts possess the land of rest and comfort and peace with God. "The glory of the Lord shall be thy reward." He tells us in Isaiah 58:9, "Then thou shalt call, and the Lord shall answer; thou shalt cry, and He shall say, Here I Am."

We pray that the church and its fellowship will be your dearest treasure. May the church be the place where your "heart interest" lies. We invite you to attend services this week.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

Progress Report

the line as it had a high sulfur content.

Water turbidity or rust problems in the southeastern part of Avon Park are caused by iron bacteria in the water, according to tests. If this does not clear up, with the power plant well off the line, water sampling and testing will continue to isolate the problem areas with a high chlorination treatment and line flushing program to follow.

Other business acted upon by the council included: Mayor Marshall Davis recommended the city contribute \$1500 to the Services Over Sixty, most of it to be used for "Meals On Wheels." It was approved and to be paid at the rate of \$500 every two months.

Moved to purchase a triangular lot (lots 1 and 2 and lot 3 less road right of way, Block G, Marsh resub) from Elijah and Dorothy Oliver for \$2200.

Moved to purchase a 1976 Chevrolet for the bid price of \$4500 from I. H. Ford, for the Police Department. The other bid was from Bill Owens Ford for \$4,798.

Moved to approve employment of Pat Kinsley as a full time assistant at the Recreation Center.

Moved to set the Christmas Holidays as Dec. 25 and 26 with a \$20 bonus to each city employee.

Authorized a letter to the Tampa Tribune for their failure to report on the Avon Park Christmas Parade sponsored by the Chamber of Commerce.

Authorized extension of sidewalk on N. Lake Ave. and E. Thomas St. as an adjoining property owner must use a wheelchair.

Authorized a "No Left Turn" on the east bound side of Main St. at the Lake Ave. intersection.

Councilman Robert Britt requested that dirt and weeds be cleaned from existing sidewalks on S. Verona Ave. between Castle and Green Streets.

It was noted that the A-1 Taxi was out of business. The sign and curb markings to be removed on Lake Ave. and Main St.

WHEN A PERSON registers as unemployed it takes two weeks to become established which is followed by a two week period for

verification with the first check coming by mail. Subsequent checks must be picked up at the Avon Park City Hall. Photo — Jenkins.

Flood Insurance Available To Some Residences

The National Flood Insurance Association (NFIA) has announced that flood insurance has become available for residential and non-residential properties in 82 more areas of 31 states, including the unincorporated areas of Highlands County. Damage from flooding is not covered in standard property insurance policies.

Private insurance agents and brokers are authorized to offer flood insurance to interested owners of residential and non-residential properties. Coverage on contents also will be sold to owners and occupants of such buildings.

Highlands County will be served by Travelers Indemnity Co., Orlando.

The insurance industry is participating in this program through the National Flood Insurance Association, an organization representing about 125 insurance companies.

Participating companies act as the servicing organization on behalf of the association for the benefit of all agents, brokers and other companies.

The new flood coverage is being offered in accordance with requirements established by the U.S. Department of Housing and Urban Development (HUD) under the

terms of the Flood Disaster Protection Act of 1973. The government also participates in the flood program through premium equalization payments, so that subsidized cost will be in the range of the

average insured's pocketbook.

The federal act requires that communities interested in becoming eligible for flood insurance must take action to restrict unwise land use in

flood-prone areas. They must ask HUD to arrange for detailed studies of the flood hazard in the community so actuarial rate can be established.

The amount of flood insurance available at subsidized rates under the government's emergency program is limited to \$35,000 for single-family residences, with maximum of \$100,000 on all other types of residential and non-residential properties. Low-cost flood insurance for contents is limited to \$10,000 for all residential property and \$100,000 on non-residential properties. Tenants may insure contents separately.

The NFIA advises anyone who is interested in buying the flood coverage to contact his regular agent or broker for further assistance and information on rates, policy limits and conditions and other important details.

325 Test Performed At County Health Fair

The Health Fair was a success. The Florida Lung Association performed 325 pulmonary function tests and made a number of referrals for further evaluation.

The Highlands County Health Department tested 452 people for diabetes and made 39 referrals for elevated blood sugars.

The American Cancer Society mobile van did 104 pap smears and had many more requests but were unable to respond to them because of the time element.

The Polk County Eye Clinic assisted by the Lions Clubs tested 233 persons for glaucoma and referred five persons as suspects. The Kiwanis performed an estimated 800 blood pressure checks and referred 36.

South Florida Junior College LPN students were a colorful addition in their orange and white uniforms, and were found assisting in most areas of the fair. The Highlands County Homemakers assisted in registering for diabetic testing. There were a number of other volunteers making it all possible. Hopefully this will become an annual event.

Letters To Editor

Editor:

On behalf of the Wordmasters of Gavel Club 16, APCL, and on behalf of my fellow Toastmasters of District 47, State of Florida, I wish to take this opportunity to express our thanks for your helping hand in the great job of publicity you gave us and the other Toastmaster club of Winter Haven (eg: State Farm and Imperial Polk) and especially TM's Lou Funk and Mohamed Ismail, in the formation of the new Toastmasters club in Highlands County, the Charles S. Swan Memorial Toastmasters Club 2084.

As you are aware publicity is only as good as the reporter who writes the information. In this, I wish to commend your reporter and photographer, Mrs. Norma Goble, for her excellent and accurate coverage of the formation of this club.

Rest assured, the Avon Park Sun is upholding the finest tradition of good reporting. May you continue to have success as a voice of the people.

Sincerely,

Editor:

Here is a cure for America's ills.

Each state, all 50, holds its convention the same day for both parties and nominate to (2) U. S. senators and five (3) U. S. Congressmen from each state and each party.

This will give each state the same voting power and eliminate the electoral vote, and create one man, one vote, which will give each state its sovereign rights which should be.

No politician how holding office will be allowed in this election.

This can be done within 90 days in the year 1978 and we can start the 1978 Bicentennial Year off with a clean slate.

Hold both party elections the same time, this will eliminate all primaries and save millions of dollars which will reduce taxes.

I believe this is our only redemption in the eyes of God and man.

Yours truly,
Lake T. Sellers
1413 N. Lake Ave.

THE CITY WILL be securing more "no left turn" signs to be placed on the Main by the left lane on each side of Main Street at the Lake Ave. intersection. Saturday morning a

few drivers were still making a left turn at the intersection. Two other cars had made left turns ahead of this car. Photo — Miller.

Committees Named At Meeting

W. Robert Fyke was elected vice-president of the county chapter, National Association of Retired Federal Employees (NARFE), at the annual meeting Dec. 15. The other nominee for vice-president was Kermit Putnam. Seventy-seven attended the meeting in recreation hall, Grayce's Mobile Estates No. 2.

Jack Gumph took over the president's gavel from retiring President Russell Troutman, and he and officers who were elected or re-elected were installed by Past President George Darby. They include: Miss Florence Schroeder, secretary; Karl Lühring, treasurer; James Harter, sergeant-at-arms and the Rev. John Matthews, chaplain.

President Gumph announced these committees: Food,

Mrs. Harter and Mrs. Gumph; publicity, George Darby, Roy Marnon and Mrs. Isabelle Terrell; greeting, Henry and Fay Rutkowski; service, Lester Klandrud; and legislative, Edward Buckner.

There was holiday season singing by the group, Stanley Croson at the piano and Luverne Vaughan leader. Gifts were exchanged. Gumph announced an executive committee meeting for Jan. 8 in the recreation hall.

Christmas Concert To Be Presented By Church Choir

The Choir of Union Congregational Church, 195 North F. St. Ave., will present "A Christmas Concert" under the direction of choir director Mrs. Ann McKinnis. The concert is a collection of early American church Christmas music arranged by Rodger C. Wilson for the Lorenz Publishing Company.

The music and words of each selection are of early American origin, and were sung in the colonies before 1810.

The selections included in this early American "Christmas Concert" include "Blow Ye The Trumpet, Blow" by Lewis Edon (1748-1820) of Massachusetts; "Come, Thou Long Expected Jesus" of anonymous origin probably from Pennsylvania circa 1796; "A Virgin Most Blessed" based on an old world carol arranged in Maryland; "The Shepherds and The Angel" from New Hampshire; "There Came Three Kings" by Daniel Read (1737-1806) from Connecticut; and "Sing It Out!" from a traditional slave melody of Georgia.

Mrs. Clayton Rhoads, organist, will accompany the choir in the presentation.

This early American Christmas Concert will be presented Sunday, Dec. 21 at the 11 a.m. service at Union Congregational Church.

Christmas Program To Be Given Sunday Evening

The Union Congregational Church School Christmas program will be held Sunday evening beginning at 7:30. The Senior Young People's Class has the beautiful tree unusually well-trimmed and other decorations about the hall.

Old Testament Scriptures regarding God's plan which led to the Advent of the Christ will be read. The Junior High Class will present the Bethlehem story of the birth and the visit of shepherds following the proclamation by the angels.

Christmas songs, carols and hymns will be enjoyed by all.

Santa will arrive in due time, in fact he has already made a "dry run" to be sure he can find the chimney. He will have gifts for the children, but those attending are asked to bring gifts for the "Christmas Cheer" baskets in the community.

Refreshments will be ready for all to enjoy and young and old and in-between are invited to spend the evening with the church school.

Folies Bergere Tickets To Go On Sale

Folies tickets go on sale Jan. 6, 1976 for the bi-annual Junior Woman's Club "Folies Bergere".

Box time is 8 p.m. Jan. 23 and 24. Tickets can be purchased from any member of the Junior Woman's Club, adults \$2 and students \$1.

Don't forget the Talent Party Jan. 6 at 8 p.m. at the National Guard Armory on U.S. 27.

See YOU there!

Episcopal Church Women Have Program

The Episcopal Church Women of Avon Park held their Christmas luncheon and meeting Wednesday of last week in the parish house of the Church of the Redeemer following mid-week communion.

The meeting was opened with prayer. Following the secretary's and treasurer's reports, a delightful program was presented.

Entitled "What Is Christmas?" Mrs. Joyce Wagerman and Mrs. Joyce Adams read the beautiful story of Christ's birth, the visit of the shepherds and the Wise Men. Mrs. Georgia Stanton sang "Ave Maria," accompanied by Mrs. Barbara Klueger.

The covered dish luncheon followed a short social period. The tables were tastefully decorated by Mrs. Anne Touchton with Christmas greens and flowers.

The next meeting will be Wednesday, Jan. 7 following midweek communion.

ON THE THIRD Sunday of Advent the Shepherds Candle on the Advent Wreath was lighted by Sue Nunnallee at the Union Congregational Church. It typifies the act of sharing the good news of the birth of Jesus. Luke II, 18. And they came in haste, and found Mary, and Joseph and the babe lying in

a manger. And when they had seen, they made known abroad the saying which was told them concerning the Child. And all they that heard it wondered at those things which were told them by the shepherds. Photo — Miller.

Quartet Presents Program

Last week, the Avon Park Rotary Club was entertained by the Choral Ensemble Quartet from South Florida Junior College. The quartet sang songs of Christmas and those appropriate for this Bicentennial year.

Buford Jasper is really 'Mr. Music' in Highlands County and the singing was thoroughly enjoyed by the Club. Phil Weber, who is this month's Program Chairman, was obviously strained by his own

attempts to sing in this festive season.

There are still a few fruit cakes available from Rotarians but the supply is all but depleted. You had better hurry if you haven't already tried one.

This week's outstanding Rotarian is Ed Bailey who really did a job as Chairman of Rotary Ladies Night. The food and entertainment was superb. The Sweet Adelines, Jim and Judy Crabtree, and John Osborn really finished off a fine evening.

In this sometimes hectic time, remember the true meaning of Christmas. In spite of any external trials, one can remain joyful in spirit.

Fells To Receive Certificate

Nicholas M. Fells of Avon Park, will receive an Airframe Technology Certificate from Embry-Riddle Aeronautical University in commencement exercises at the University Center at 10 a.m. on Dec. 19. Nicholas is the son of Mr. and Mrs. Edward J. Fells of Avon Park.

Completion speaker for the 250 graduates from the main campus and residence centers will be Dr. Walter B. LaBerge, Assistant Secretary of the Air Force. He will receive an honorary Doctorate in Aeronautical Engineering.

The university also will give special recognition to Dr. Grover A. J. Noetzel, internationally known

economist, who will receive an honorary Doctorate in Aviation Education.

Embry-Riddle, an accredited university, is the world's acknowledged leader in higher aviation education and is located at Daytona Beach.

ARTIST OF THE MONTH—Chuck Smith, a 14-year-old eighth grader at Avon Park Middle School, is the Artist of the Month at the Avon Park City Library for December. He stands beside his pencil sketches which are on display at the library during the month. Photo — Gobbie.

Chuck Smith Artist Of Month

December's Artist of the Month at the Avon Park Library is a young man with a lot of talent. Chuck Smith is an eighth grader at Avon Park Middle School, 14 years old, and turns out some really nice pencil sketches.

Chuck has been interested in art since he was eight or nine. His drawings are on display at

the library during the month as part of the library's popular Artist of the Month program.

Chuck's parents, Clyde and Betty Smith, 198 E. Campbell St., is understandably proud of his talent. He has three sisters, Missi, 8, Staci, 5 and Cris, three months. He is the grandson of Mr. and Mrs. C. R. Ginn.

According to Chuck, Missi is "pretty good at drawing." Staci is interested in tap dancing and "for her age, she is pretty good at drawing."

Chuck hopes to go to art school and "maybe become an architect." He is active in the Avon Park Junior Band and skeeter squad football. He has no formal art training but said he does use art books and guides.

"We are very pleased to have a young student from the local school as our artist of the month," Mrs. Carolyn Moore, librarian, said. "We hope it will encourage other students to exhibit their work at the library," she continued.

Mrs. Moore would appreciate hearing from anyone who knows of an art talent or from the artists themselves, about displaying their art in the Artist of the Month program.

Manuel Foster Honored On 100th Birthday

Mr. and Mrs. Everett L. Roberts hosted the 100th birthday party of Mrs. Robert's father, Manuel M. Foster, in St. Petersburg, Fla., Saturday, Dec. 13. Mr. Foster and family will be remembered as formerly living in Avon Park.

Foster, died in 1945. Besides Mrs. Roberts, David L. Foster and family live in St. Petersburg.

Others attending were J. B. Foster and family of Crescent City, Raleigh Foster of Avon Park.

Charlotte, N.C., Marion Foster and family of Bradenton, the Fred Foster family of Orlando, Jack Foster family of Smyrna, Ga. and the Otto Foster family of Avon Park.

Mr. and Mrs. R. H. Lawton and Mr. and Mrs. Gerald Wicker attended from Avon Park. Mrs. Foster was the sister of Haleigh Lawton. Mr. Foster is in remarkably good health although hard of hearing and partially blind. He lives in the home of a private nurse in St. Petersburg, but is able to get out when he wishes and visit with the family.

1. CALL EARLY! Exchange greetings a day or two before Christmas.
2. If you call on December 25, make it as early in the day as possible.
3. Dial direct! It's cheaper and usually faster than an operator-assisted call.
4. Obtain the correct numbers you plan to call prior to Christmas so you won't use long distance circuits for Directory Assistance calls on Christmas Day.

LT. (g) AND MRS. LARRY A. KING

Couple Married In Naval Air Station Chapel

A traditional arch of swords was formed when Lt. (g) and Mrs. Larry Arlin King left the Lamore Naval Air Station Chapel following their marriage Saturday, Nov. 8.

The bride is the former Miss Leslie Breen of Sanford, Calif. The Rev. Charles D. Pitkins performed the double ring ceremony and Sandy Smith was soloist.

Given in marriage by her father, the bride chose a long white gown of quina featuring a sweetheart neckline accented with Venice lace and designed along empire lines with long sleeves and chapel train. A band of matching lace held her tiered veil of English netting. She carried a bouquet of baby white roses, white carnations, stephanotis and dianthus.

Jennifer Blackman was the bride's maid of honor. She wore a long gown of dusty blue quina fashioned with short cap sleeves. A band of matching fabric accented her natural straw picture hat. She carried fall flowers with wheat and a small bouquet adorned her hat.

Wearing matching gowns and hats were bridesmaids Karen Anderson, Sherri Estes, Lisa Sands, Sandy Wood, and Janet Mattos.

The bride is the daughter of Capt. (Ret.) and Mrs. Roy E. Breen Jr., of Sanford. She is a graduate of Sanford High School and attended Fresno State University and California Polytechnic University at San Luis Obispo.

Lt. King is the son of Mr. and Mrs. Arlin King of Avon Park. He is a 1968 graduate of Avon Park High School and is employed by the First National Bank of Sebring.

Wayne is a 1973 graduate of Avon Park High School and is employed by Lighthouse Electric Supply in Sebring.

The wedding will be held May 21 at 7:30 p.m. at the First Presbyterian Church in Sebring. All friends and relatives are invited to attend.

MR. AND MRS. RICHARD BLONDIN

Johnson-Blondin Exchange Wedding Vows

Teresa Johnson and Richard Blondin exchanged vows in ceremonies at Union Congregational Church Saturday, Dec. 6. The Rev. William Ziegenfuss and the Rev. Herbert Graetz officiated at the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Floyd M. Johnson, Jr., of Avon Park and the groom is the son of Mr. and Mrs. N. E. Blondin, Pequanook, N.J.

The altar was decorated with palms, white carnations and gladioli and potted palms. Twin seven branch candelabra accented the scene. Mrs. Clayton Rhoades, church organist, presented nuptial music preceding the ceremony.

Given in marriage by her father, the bride wore a white satin gown appliqued with Alencon lace featuring a long butterfly train appliqued with Alencon lace. Her veil was held in place with white satin bows accented with seed pearls and crystals. She carried a cascade bouquet of white feathered carnations, white pom poms with a touch of blue and Ponderosa pine.

Mrs. Tamara Jagniszak was her sister's maid of honor and her only attendant. She wore a floor length gown of teal blue polyester in an empire style. Her bouquet was of multi-colored spring flowers.

Her brother's best man, Lyle Jagniszak served as usher.

For her daughter's wedding, Mrs. Johnson chose a 6-foot length gown of candlelight beige polyester skirt with lace bodice. Her corsage was yellow rosebuds.

The groom's mother wore a pale blue floor length gown with a corsage of yellow rosebuds.

A reception followed at the home of M. and Mrs. Raymond Dilz, 201 Vernon Villas, Mrs. Dilley is a great aunt of the bride. The reception room was decorated with multi-colored roses with a spring flower centerpiece and three-tiered wedding cake as focal points.

Following the reception, the couple took a short wedding trip to Disney World staying at the Top of the World. For travel the bride chose a navy blue and green polyester three-piece pantsuit with navy accessories and the corsage from her bridal bouquet.

Mrs. Marie Bolin was chairman of the committee for the event assisted by Mrs. Audrie Clelland and Mrs. Mildred Genson.

Mrs. Bolin gave several readings on the meaning of Christmas and concluded the program with prayers.

The Resurrection Lutheran Church Women held a Christmas luncheon at the Lion's Club building on West Bell Street recently with 51 members and guests present. After lunch, the singing of carols was enjoyed by the group.

Children Should Participate In School Hours Programs

Extra charges that should not be called "fees" but are, due to lack of a more fitting name, will be part of the Highlands County school system, at least for this fiscal year.

The fees are those charged to students for enrichment materials over and beyond those furnished by the school board. They include such things as workbooks, non-required paperbacks and so forth.

At the meeting of the school board Superintendent J. Ferrel Smith allowed that "fees" is a misnomer, but along with the board members continued to so designate them.

He recommended that the board uphold collection of monies to provide enrichments for this year, but "there will be an intense study of the subject before the next budget."

Smith explained that if the school district cannot provide an equitable program for all children, it will not purchase additional materials now at the expense of the child who is paying for his own. Those who cannot pay are primarily in the

migrant program, he said. Earlier, at a special meeting, a related matter was introduced... that of paying to attend special programs at the schools. Again the problem concerned those who can and cannot pay.

"If we present a dog show or similar entertainment, we can't exclude those who cannot pay. If one student sees it, all should see it," said Smith. "We can't deny a child what's offered during the school day."

Steve Roberts agreed that "if we're to furnish an education... if the program is part of that education and takes place during school hours, we should pay so that all children can participate."

Smith suggested that in some instances they might solicit donations to help defray the cost of the show.

Billy Cason, principal of Sebring High School, said most elementary school principals agree that no one is turned back when entertainment is offered, but that high school is a different proposition. The secondary schools bring in outside entertainment for

which there is an admission charge and only those who pay should be able to attend, he felt.

Bill Gene Smith agreed that high school shows are different, but questioned whether students might not claim discrimination between elementary and high schools.

Cason suggested that the board write into the policy a loophole which would give the principal powers to use his own discretion in cases where the student cannot pay.

No action was taken on the recommendation, which will be given consideration.

Fullerton To Speak At Fellowship

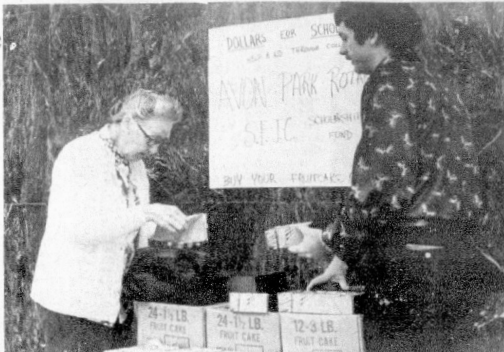

W. B. Fullerton of St. Stephens, Canada will be the speaker at Full Gospel Businessmen's Fellowship. Since Bro. Fullerton was filled with the Holy Spirit, he preached a two-week revival at Rockefeller Center downtown New York.

There will be special music and testimony. Come and experience that God is alive in the Here and Now. Holiday Cafeteria, Sebring, Saturday 7 p.m. to eat and 8 p.m. for the meeting.

The Full Gospel Businessmen's Fellowship is a result of "The Lord's Outpouring of His Spirit on all flesh in the last days" as prophesied by God in Joel 2. It is dedicated to sharing what Jesus Christ has done in the personal lives of Christians since their salvation.

In Loving Memory Of Our Beloved Sister

Patricia Basemore Backus

Who Departed

This Life

December 13, 1974

She lived her life and she sang her song. Her life and her deeds outshouted her words. We three marveled at this beautiful baby sister God gave to us and the very special job she brought into our lives. She brought sunshine into the rainiest of our days, captured our hearts, put up with our faults, and loved the best in us. She filled our cup with happiness, touched our lives with a flame of love, and gave meaning to living. She sang about Jesus and brought many lives to Christ as a teenager. We introduced her to a very wonderful, Christian young man whom she chose to marry. There are many who witnessed the blessings of this union. God blessed them with two lovely children. We believe that our mother, who is with Pat today, knew that Pat would be an inspiration to all who seek God, a cleansing for so many unbelievers, and a comfort to those who have suffered loss of loved ones. Pat had to sing so that all would know of Jesus; she had to sing for her loved ones gone before her; she had to sing for us she left behind. We thank God each day for the life of Pat and for the time He let us have with her. Pat will always be with us in love, and is a daily comfort to our lives. One who lives in the hearts of those she left behind will never die.
