Bicentennial Committee Lists School Activities

A Bicentennial Committee has been established at Avon Park High School, according to the principal Lester F. Watson. The committee is composed of Patricia Lee, Cloe Lookhoof, Holly Reddick, Bruce Wyse, Chester Brojeck, Nan Dressel, Tom and Jean Lund, Al Loveless, Betty and Les Burch, Jimmie Garner, Helen Britt, Virginia Crews, Bob Sylvia and William Knecht. The committee members have met several times to talk about and plan activities which would involve students in celebrating our nation's 200th birthday. The following activities have been planned or have already taken place at Avon Park High School.

Bicentennial Paintings

Each class at the Avon Park High School has agreed to paint a 4 x 8 ft. plaque using some appropriate theme. The Seniors, who really have the spirit of "76" are going to be followed in succession each month by the Juniors, Sophomores and Freshmen. These paintings will be attached to the building for all to see and will remain there for a time to be determined by the principal.

Humanities Class

The Humanities Class, taught by Jean Lund, will be writing a brief column for the Avon Park Sun about once a month, including pictures, about things in Avon Park years ago. Mrs. Lund would appreciate a call at the school from anyone who has a picture and a story to tell.

Liberty Trees

Each class and organization is being asked to plant a Liberty Tree on campus to rededicate the ideals of liberty and to improve the looks of our campus. Watson, Sylvia and Barden are working on this project with the classes and organizations.

Voice of Democracy

The students were encouraged to participate in the 29th Annual Broadcast Scriptwriting Scholarship Program sponsored by the Veterans of Foreign Wars. The theme of this contest was "What Our Bicentennial Heritage Means to Me." Scholarships totaling $22,500 are available.

Bicentennial Seniors

Seniors were invited to prepare a Bicentennial Minute. This program was sponsored by the Secondary School Principals and a grant from the Shell Oil Company.

Bicentennial Couriers

Students between the ages of 15-18 are encouraged to enter the Youth for Understanding contest. One Bicentennial Courier and an alternate will be chosen for every one million inhabitants in each of the fifty states. This is a chance for a student to go abroad free to live with a family from Mid-June through Mid-August in one of twenty-three countries in Europe, South America or the Far East. Students interested should see Tom Lund, Al Loveless or Mrs. Burch. The deadline is Jan. 23, 1976.

Door Decorating Contest

During the 1975-1976 school year the school plans to have a door decorating contest with Bicentennial themes being used.

Irene's Parole On "Hold"

Irene Maxcy O'Mara's bid for parole is on "hold" for at least a year. At its Dec. 10 meeting Florida Parole and Probation Commission refused to release the former Sebring resident, marking the request continued until December 1976.

Mrs. O'Mara is currently serving a life sentence for perjury. She was sentenced in July 1973, seven years after the murder of her wealthy husband, Charles Von Maxcy.

Her one-time lover John Sweet faced two murder trials for Maxcy's slaying. Mrs. O'Mara was a star witness for the prosecution. Her own trial for perjury was based on her testimony at the second trial.

Following her imprisonment at Lowell Correctional Institution, Mrs. O'Mara dropped from the news until October, 75. She shot back into the headlines with a charge that a former attorney had promised to arrange a parole within less than six months of her imprisonment.

In a civil suit she claims she conveyed $50,000 to Frank Ragano, a Tampa attorney, who was to buy a parole. No action has been taken on the civil suit since its formal filing in early October.

BICENTENNIAL COMMITTEE of Avon Park High School met briefly in the school Media Center last Thursday for a short discussion. From the left, seated: Holly Reddick, Mary Oliveri. Seniors students representative; Helen Britt, Virginia Crews and William Knecht. Standing: Jean Lund, Bob Sylvia, Pat Lee, Al Loveless, Betty Burch and Bruce Wyse. Absent, Martha Velazquez, Cloe Lookhoff, Chester Brojek, Nan Dressel, Tom Lund, Les Burch and Jimmie Garner. Photo — Miller.

Window Washing And Sweeping Carpets Big Job

Washing 50 windows every Monday and Friday is no small chore, but add to that 12 tile floors which have to be mopped daily and 28 carpets which have to be vacuumned, and you've got a job on your hands, a job capably handled by Virgil Still and his custodial staff at Avon Park High School.

However, the custodial staff is smaller this year than last year. According to Still, there are "four janitors doing six janitors work." This work includes keeping 26 acres of lawn mowed, no small task when you stop to consider the short time it takes grass to grow.

The custodial staff is being helped by the Earn and Learn Program headed by the vocational guidance counselor, Mrs. Wanda Wilson. Through this program, students work with the custodial staff during the day while they also attend classes.

The task of keeping the school grounds and classrooms in order can at times be staggering. For instance, have you ever stuck a piece of gum under a desk while you were in school? Your answer is probably "yes." But have you ever stopped to think about who has to remove that gum? That's right, Still and staff. One desk isn't bad, but 700 desks means a lot of work.

Emptying a pencil sharpener doesn't take a lot of time, but emptying 48 of them amounts to quite bit of time and energy. That's another job which falls to the custodial staff.

Chalk boards and school go together, but again chalk boards have to be washed daily. After some fast math, this reporter arrived at the figure of 9,024 square feet of chalk board which must be wiped and washed. This doesn't even include the number of erasers which must also be cleaned.

On top of these jobs and more, add 2,160 rolls of toilet paper which have to be ordered yearly, 235 file cabinets, 90 waste baskets, and 45 U. S. flags and you've got one huge headace. By the way, on holidays you can fined the custodians hard at work waxing the 12 floors or resurfacing the gym floor.

Being a custodian is n easy matter especially when a staff is short handed. Hang in there Mr. Still.

Local Service Man Killed In Auto Accident

Mrs. Mary Planeta Hendricks, of Jacksonville, received word on Nov. 23 that her son, William James McCullough, was killed in a car accident Nov. 2 in Kaiserslautern, Germany.

He served six years in the U. S. Army. Following his basic training he was sent to Germany for three years. While stationed in Germany, he met and married the former Renate Bar, of Wiensedel, Germany.

Following his discharge from the Army, he returned to Germany where he was employed in the Civil Service at an Army base at Kaiserslautern.

McCullough was born in Avon Park and attended schools here. He had a brother, Edward Eugene Cannon, who was killed in action in Vietnam March 30, 1967.

McCullough was buried in Krickenbachsfr, Germany on Nov. 6.

He is survived by his wife, Mrs. Renate McCullough and two sons, Kenneth William and Michael Albert, of Krickenbachsfr; his mother and step-father, Mary and Vane Hendricks, Jacksonville; his father, Monroe James McCullough, Samson, Ala.; three brothers, Michael Planeta, Jacksonville, Robert R. Cannon, Sebring, and Sp-5 Joseph R. McCullough, Fort Jackson, S.C.; and two sisters, Mrs. Janice Smith, Lakeland, and Mrs. Evelyn White, Opp, Ala.

Post Office Lists Holiday Hours

The Avon Park Post Office announced the following holiday hours: Christmas Eve, Dec. 24, the service lobby will be open from 8:30 a.m. to 12:00 noon. A call window for parcel pick up will be open from 12 noon to 5 p.m. On Dec. 31, New Years Eve, the service lobby will be open from 8:30 a.m. to 12 noon. There will be normal city and rural delivery services on both Dec. 24 and Dec. 31.

The post office will maintain normal business hours on Dec. 26 and Jan. 2.

Postmaster Young wishes to thank all the people of Avon Park for their fine cooperation. "The mail is flowing smoothly and we have very hope that everyone will receive their cards and parcels before Christmas." he said. Mr. Young said that every letter and parcel which arrives in the Avon Park Post Office by December 24 will be worked for delivery before Christmas.

Obituaries

Mrs. Matilda Roth

Mrs. Matilda Gatz Roth, resident of Avon Park Lakes for the past six years, died Wednesday, Dec. 10 , at the Walker Memorial Hospital and was buried on Saturday afternoon, Dec. 13, in Bougainvillea Cemetery.

Funeral services were conducted at the Walker Memorial Seventh-day Adventist Church by Pastor Henry Stoehr, long-time family friend of Sebring, assisted by H. G. Bennett, chaplain of the Walker Memorial Hospital, and Pastor Ronald Smith, pastor of the Walker Memorial Adventist Church.

Mrs. Roth, wife of Pastor Daniel F. Roth, was a member of the Walker Memorial Adventist Church for the past six years and was due to become a charter member of the new Sebring Adventist church on Saturday, Dec. 20. She passed away following a two-week hospitalization.

Mrs. Roth was born Dec. 24, 1893 in a little town in East Prussia, the section of Europe now known as Poland.

Mrs. Roth leaves to mourn her passing her husband, Daniel F. Roth, of Avon Park Lakes; her five children: Margaret Sauke, of Pomona, Calif.; Harold F., of Arlington, Tex.; Lillian Herferth, of Milwaukee, Wisc.; Dxn A., of Washington, D.C.; and Esther Marion, of Beirut, Lebanon; 14 grandchildren; and one great-grandchild.

Four of the five children were able to be present for the funeral. Only Esther Marion was not able to attend because of war in Lebanon. She was unable to leave the compound of the college where her husband, Ernest, is a member of the staff. The civil war in Lebanon has closed all streets and made it impossible for anyone to travel even to the airport.

Funeral services included a message of comfort for the bereaved by Pastor Stoehr; the obituary by Chaplain Bennett; scripture and prayer by Pastor Smith, Mrs. Roth's pastor; and a personal tribute by her son, Don, an associate secretary of the General Conference of Seventh-day Adventists, Washington, D. C.

In addition to relatives Mrs. Roth leaves to mourn her passing a host of friends in Florida as well as in other parts of the United States.

Red Devil Varsity 3—0 For Season With Win Over Sebring

LEADING REBOUNDER MELVIN Collins (40) goes high into the air to start the ball on its way to the basket during the Saturday night game at Sebring. Final score 64-51, Avon Park. Photo — Elam.

Senior guard James Ross pumped in 20 points and Melvin Collins pulled down 17 rebounds last Saturday night to lead the Avon Park Red Devils to a 64-51 win over the Sebring Blue Streaks in Sebring. It was the third straight win for the Red Devil varsity which was set to travel to Arcadia last Tuesday night for a re-match with the DeSoto High Bulldogs.

This weekend the Avon Park varsity will participate in the Arcadia Christmas Tournament taking on the tough Lake Placid Green Dragons in the opening game Friday night (tomorrow) at 7 p.m. DeSoto High will play Ft. Meade in the second game on Friday night and the finals will be held Saturday night, Dec. 20, with the consolation game starting early and the finals following.

The Red Devil varsity will also take part in the Ft. Myers Christmas Invitational Tournament starting next Monday night, Dec. 22, and running through Dec. 29 with no games set for Dec. 24 and 25.

Avon Park also drew Lake Placid as an opening opponent for that tourney. They will meet at 6 p.m. on Monday, Dec. 22. There are 16 teams in the Ft. Myers tournament.

It was the fine outside shooting of James Ross that kept the Avon Park team from going down in defeat to the Sebring Blue Streaks last Saturday night. Ross made 7 field goals and 6 of 7 free shots and also hauled in 7 rebounds to keep the Devils in the game against the greatly improved Blue Streaks.

Avon Park jumped off to a big 24 - 9 lead by the end of the first quarter but managed to make only four points in the second period while Sebring scored 14 points bringing the score to 28-23 at halftime. The Streaks gained another point in the third quarter scoring 14 points to Avon Park 13 giving the Red Devils a 41-37 lead at the end of the third period. Then the Streaks surged ahead by a couple of points twice in the final period before the Devils pulled themselves together and forged ahead to take the 64-51 victory.

Avon Park hit 70 per cent of its free shots making 14 of 20 while Sebring hit only 50 per cent making 11 of 11 from the line. Eighteen fouls were called on each team but a technical called on a Sebring player late in the fourth quarter gave Avon Park three points at the line and the ball at the center of the court to break the Blue Streaks' attack.

In addition to Ross' 20 points, Melvin Collins sank 12 points and led the Devil rebounding with 17. Kenneth Burley had 6 rebounds and scored 10 points. Clifford Coleman came in off the bench to score eight important points in the second half and Anthony Conner had eight rebounds and 8 points. Dale Sisemore hit two field goals and two free shots for six points.

Former Red Devil Sam King led the Blue Streaks scoring with 15 points and Billy Shannon scored 14 for Sebring. The win gave Avon Park a perfect 3-0 record while Sebring dropped to 1-2 for the year.

Sophomore Debra Cox Takes Top Of Ladder

Debra Cox, an Avon Park High School sophomore, took over the top spot on the Highlands County Tennis Association women's "B" singles ladder by defeating Mary Sherertz 8-6 recently. Debra then moved on up to the "A" singles ladder where she was defeated in her first challenge match by Cherri Lee 8-2.

Debra wants to tell all women ladder players that the new telephone number to call in challenge match scores is 453-5698. Her grandmother has been getting calls at the number just sent out in the club ladder and isn't too happy about it all. The Cox twins have taken over the women's "A", "B" and doubles ladders and will receive calls after school hours for scores.

Vi Marrow has regained the number one position on the women's "A" singles ladder with an 8-4 defeat of Evelyn Reeder and has warded off a challenge by Evelyn with another 8-4 victory. Pat Lagoni moved up to the number three rung with an 8-4 win over Trudy Wyatt but was knocked back down to the sixth position when Peggy Sisemore defeated her by an 8-2 score. Janet Magee took over the ninth rung with a forfeit win over Cherri Lee recently and Betty Carlisle held off a challenge by Magee with an 8-3 victory.

Richard Rucker tops the men's "B" singles ladder. He held off Ed Lynch's challenge recently with a hard fought 3-6, 6-4, 7-6 victory. Bobby Brooks defended his position with a 7-5, 6-2 win over Howard Teeple and then Brooks and Teeple teamed up and joined the men's doubles ladder.

Jerry Westberg defeated Charles Rafferty 6-4, 6-1 but Mike Page upset Westberg later with a 5-7, 6-2, 6-3 win. Page had also defeated Rafferty by a score of 6-3, 6-1. Rafferty dropped off the ladder. Ed Lynch held off a challenge by Frank Whitehead with a 6-4, 6-2 win and Jim Hayes challenged Mike Page and won 6-1, 6-1. Tom Reagan joined the men's "B" ladder at the bottom rung.

Eric Annett still holds on to the number one spot on the men's "A" singles ladder followed by Al Marrow, Eugene Bengston, Ken Haysley, and Kris Delaney. Last week Annett held off Marrow with a 6-4, 6-4 win and Bengston held off Delaney's challenge with a 6-0, 6-2 score. Kevin Roberts took over the sixth rung with a 6-2, 6-3 win over Read McLean recently and then held off a challenge by Tom Hines with a 5-7, 6-3, 7-5 victory. Bill Page took a forfeit win from Paul Gentry this month and then won over John Whitehead 6-0, 0-6, 7-6 last week. Page then challenged Bob Baker and lost 6-7, 6-3, 7-5.

On the men's doubles ladder Ken Haysley and Kevin Roberts held on to the number one position with a 6-2, 7-5 win over Bill Page and Larry Johnson. Eugene Bengtson and Eric Annett moved up to the fourth rung with a 6-0, 6-1 victory over Charles Jordan and Kris Delaney. Teeple and Brooks joined the ladder at the tenth rung on the bottom.

Betty Carlisle and Evelyn Reeder defended their number one spot on the women's doubles ladder with a 6-3, 6-1 victory over Cherri Lee and Jeannie Cox. Bruce Wyse and Jeannie Cox teams up to join the mixed doubles ladder and quickly moved up to the seventh rung with a 6-3, 7-5 victory over Read and Betsy McLean.

HCTA Tennis Play Gets Underway

Highlands County Tennis Association's team got underway last Saturday with Al Marrow's team taking a 25-20 win over Ken Haysley's team and Eric Annett's team holding a 15-13 advantage over Tom Hines' team when the match was postponed due to rain.

The team tennis rules state that the first player or team to win six games wins the set but the entire match is won by the team which wins the most games during the five set match. First played in a match is men's singles, then women's singles followed by men's doubles, women's doubles and mixed doubles.

The H. C. T. A. rules allow free substitution between any game but all members of a team must play in at least one game. No player may play in more than two different sets during the match. Each of the four teams has seven members, four men and three women.

The scoring in the Marrow vs. Haysley teams went as follows: Grant Stallard defeated Billy Page and substitute John Whitehead 6-2 in men's singles. Peggy Sisemore with substitutes Delories Cox and Cherri Lee won over Jeannie Cox and substitute Sandra Beck 6-5 in women's singles. Larry Johnson teams up with Grant Stallard to defeat Haysley and John Whitehead 6-2 with Al Marrow going in for Stallard during the set.

Cherri Lee and Peggy Sisemore won over Sandra Beck and Jeannie Cox 6-5 in women's doubles with Judy Rewis subbing for Cox in that set. The final mixed-doubles match was won by Judy Rewis and Bill Page over Read McLean and Delories Cox 6-1 but the Marrow team had the 25-20 win. Marrow's team was Stallard, Johnson, McLean, Lee, Sisemore and Delories Cox. Haysley has Page, Hayes, John Whitehead, Jeannie Cox, Judy Rewis and Beck on his team.

In the Annett vs. Hines team match Chip Whitehead trounced Bob Baker, Bobby Brooks and Tom Hines 6-2 in men's singles as Hines kept substituting hoping to win some games off the hot Whitehead. Then Vi Marrow picked up a game for Hines' team with a hard-fought 6-5 win over Evelyn Reeder in women's singles. Hines and Leon Thonus were ahead of Chip Whitehead and Eric Annett in men's doubles 5-4 when the set was rained out. Kevin Roberts started with Whitehead in the doubles set.

Hines' team consists of Bob Baker, Bobby Brooks, Leon Thonus, Vi Marrow, Lucy Derkman and Debra Cox. Annett has team members Chip Whitehead, Kevin Roberts, Wesley Mercer, Evelyn Reeder, Betty Carlisle and Pat James.

The rained-out match will be finished in January and the second round of the round-robin will be played on Saturday, Jan. 10, with all four teams meeting at the same site which will be selected next H. C. T. A. meeting to be held on Ja. 7 at the Sebring Middle School.

New Number For Tennis Calls

Attention women members of the Highlands County Tennis Association! The new number to call in challenge scores is now 453-5698. This is the number of Debra and Delories Cox and has just been changed since the club letter came out. Please make a note of the new number since the twin's grandmother is getting all the calls and is not too happy about it. Please try to call after school hours.

Devil Juniors Take Third Season Win From Sebring

The Avon Park Red Devil junior varsity basketball team chalked up its third straight win last Saturday night with a hard fought victory over the Sebring Blue Streaks by a score of 67-58. The Red Devil "Bees" were scheduled to take on the DeSoto High Bulldog junior varsity last Tuesday night in their last pre-holiday game on the schedule. The next game for Coach Allen Duhm's team is set for Jan. 6 at home against the Ft. Meade Miner jayvees.

The Avon Park squad continued the pattern of its first two games of the season by jumping off to a quick four point lead and then held on to that margin of difference for the entire first quarter. The Devil jayvees have yet to be behind in a game this year. In the second quarter the lead was increased to a 10 point bulge with the score standing at 35-25 when the half-time buzzer sounded.

In the second half, the Blue Streaks went to work on the Devils outscoring them 17-11 and closing the gap to four points again as the third quarter ended with the Devils leading only 46-42. The Devil "Bees" refused to go down, however, as they took command in the final period with a well-balanced 21-point outburst.

Leading the way for Avon Park were Freddie Williams with the team high 18 points, Larry Pugh with 9 points and 23 rebounds and Mike Coleman with 15 points. Others scoring for the Devils were Horace Moore with 10 points, David Williams and Charlie Pugh with 6 points each and Randy Burrough with 3 points. Others seeing action for Avon Park were George Loyd and Eric Wilson. The jayvee team took a perfect 3-0 record to Arcadia last Tuesday hoping to close out the 1975 part of the season with an undefeated 4-0 record.

Brojeck - Baker Place In Four Mile Run

Local track coach Chet Brojek won the 20-35 age group run in a four mile race sponsored by the Highlands Runners Club last last Sunday at the Avon Park High School. Brojek's 23::35 time was more than 30 seconds faster than he's ever completed a four mile course. His next major race is a 26.2 mile marathon run in Melbourne, Fla. on Dec. 27.

Middle school coach Joe Baker placed fourth in the 20-35 age group run as he posted a 25:32 mark. Young Mike Hatcher of Haines City was first in the 17-19 age grouping and first over-all with a time of 19:46, a superb time for a four mile distance. Even younger eleven year old Steve Palmer took top honors in the 12 and under grouping with a time of 27:40. Kurt Leverett of Plant City led the 13-16 group with a fine 22:27 mark. Jim Montgomery of Daytona Beach roared home for first place honors in the 36 and up age bracket.

Lions Club To Hold Turkey Shoot

The Lion's Club will hold a turkey shoot Saturday, Dec. 20 from 10 a.m. to 4 p.m. at the Avon Park Airport in an area just west of the City Barn.

The charge is $1 per shot. Purticipants may bring their own gun or one will be available. The Lion's Club will furnish shells. There is no age limit.

Heartland Federal Savings & Loan Association

Serving The Heartland Section of Florida

The membership of First Federal Savings and Loan Association of Hardee County voted on December 11, 1975 to officially change the name of the Association to HEARTLAND FEDERAL SAVINGS AND LOAN ASSOCIATION. Your Association, with its branch office in Highlands County, now serves the whole Heartland section of Florida. Since we are no longer just serving the needs of the people of Hardee County, the directors of the Association felt that it was time to make our home more meaningful. As you have noticed we have not only changed our name but we are changing our building in Wauchula so that we may better accommodate our many customers. Our growth has far exceeded our expectations and we are proud that we are able to serve an even larger area than we have in the past. Our name may have changed, but our friendly service remains the same.

New Law, Move Vehicle Out Of Traffic

An old traffic law—as familiar to most drivers as the need to turn on their lights at sundown—has gone by the boards.

It used to be that anyone involved in a traffic accident was required not to move their auto until a law enforcement official could make an investigation.

However, effective last July 1, the new law requires all drivers to move their vehicles out of the main flow of traffic immediately. The new regulation applies whether the automobile has been involved in an accident or has become disabled.

Furthermore, if the driver is unable to move the vehicle, it is his responsibility to solicit aid so it can be removed.

According to Sgt. Gregg Dodson of the Florida Highway Patrol, the law was made necessary because of the hazard presented by disabled vehicles which remain in the path of traffic.

Dodson told the Sebring Rotary Club Monday noon that with the increasing number of vehicles moving on highways, a stalled automobile blocking orderly flow of traffic is one of the most hazardous conditions on the road.

He said there are now 4.5 million passenger cars and 1.5 million motorcycles registered in the state. "When you add the trucks and out-of-state cars, you've got an awful lot of vehicles," Dodson said.

According to Dodson, 15 persons have been killed in traffic accidents in Highlands County so far this year.

"The main reason people are dying on the highways is because of speed," he pointed out, adding that the highway patrol now has several different sophisticated radar devices to more effectively locate speed limit violators.

He said one of the primary causes of traffic accidents is the fact that most people tend to pass along their personal feelings and frustrations when they get behind the wheel.

Musical Group To Appear At Church Service Sunday

Funeral Director Becomes Evangelist

Jim Hile and Manna will appear during the morning worship service at the First United Methodist Church, 200 S. Lake Ave., Avon Park, Sunday, Dec. 21 at 8:45 and 10:55 a.m.

Hile is a former funeral director who operated his own funeral home in Norwalk, Ohio for 15 years prior to moving to St. Petersburg in June of 1972. Jim attended a Men's Retreat in Leesburg, on Oct. 21, 1972.

While there he realized that he was not a Christian, but simply a church member. He came to know Jesus Christ that weekend, and II Corinthians 5:17 became a reality in his life. The old man passed away and all things became new.

Jim left funeral service six months later and is now president and director of the Jim Hile Ministries, Inc. and travels as a lay-evangelist with a group of young musicians he led to Christ known as "Manna".

"Manna" (Bread of Life) is a name chosen by the four young musicians who played in bars and nightclubs, entaining at colleges and lounges. These men became Christians early in 1974 at a Bible Study Jim Hile was teaching in the home of the drummers' parents.

They have undergone a complete change in attitude, appearance, sense of values, and style of music. They have gone from a life of dependence on drugs and alcohol, to a full time ministry of music with the Jim Hile Ministries. Thousands have responded to the claims of Christ as presented through testimonies and song in prisons, churches, colleges, schools, coffee houses, etc.

Their first LP album "Reach for the Light" has recently been released on the Herald label.

School Board To Apply For Funds From Projects

A possible financial shot-in-the-arm may be forthcoming with parent cooperation, said James Ferrel Smith, superintendent of schools for Highlands County.

During the past week survey cards have been sent home with students who the school believes will qualify for Federal Financial Aid. Parents are being asked to make sure the cards are returned quickly so the schools can make application for the federal funds.

Two major areas of eligibility are the housing authority at Avon Park and the Avon Park Bombing and Gunnery Range.

"This is the way it works," said Smith. "The federal government sets aside so much money to pay for the education of children connected with federal projects. These projects employ, house and bring people into the county, but pay no taxes in support of county schools. The schools are paid through their application for the funds set aside for this purpose by the federal government."

Parents of school-age children are asked to see that the cards reach their child's school. Anyone working on or in a federal project or living on federal land who has not received the survey card is asked to call either Superintendent Smith or Aubrey Morris, supervisor of federal programs, at 382-1121 in Sebring. In Avon Park call 453-7926 and in Lake Placid call 465-2682.

"We are in a tight financial period in the schools," stated Smith. "Where federal funds are available for student costs it is important that we apply. Our minimum requirement is to have three per cent of our attendance connected with federal projects. It is important to note that these funds are allocated and will go to qualifying school districts.

"We owe it to [illegible]lands County taxpayers to make every effort to have their federal taxes returned to the county to pay these costs and take the obligation off the shoulders of county taxes."

"This is important," Smith emphasized, "and we hope we will get the cooperation of every parent and citizen to see that every child qualified is represented in our application for funds."

Motorcyclist Files Suit For Damages

A motorcyclist involved in a traffic accident Nov. 8 has filed suit to recover damages for injuries he allegedly suffered. Richard Wayne Arnold, the cyclist, and his father Willie B. Arnold are plaintiffs in the case.

Arthor Lee Wiggins and State Farm Mutual Automobile Insurance Co. are defendants in the suit. Wiggins was driver of a van involved in the accident with Arnold's cycle.

The accident occurred at W. Main and Anoka Avenue in Avon Park.

Hughes, Noble Grand of Highlands Lodge No. 74 and Grand Chaplain of the Grand Lodge of Florida; James Harriman, District Deputy Grand Master of District 11 of Lakeland Lodge No. 2.

Odd Fellows Honor Grand Master Cole At Meeting

Highlands Lodge No. 74, Independent Order of Odd Fellowship held a dinner in honor of Grand Master George A. Cole, Grand Master of the Grand Lodge of the Jurisdiction of Florida, Friday evening at the Lion's Club building on West Bell St.

Some 50 persons were present for the dinner and the entertainment and introductions of visiting Odd Fellows and Rebekahs.

Entertainment was furnished by the One-in-the-Spirit Trio of Warner Southern College, Lake Wales, composed of Dennis and Linda Harasty, Terry Williams and Jesse McClain.

All had a good time and enjoyed the evening very much. Following the entertainment, the Grand Master delivered an address on Odd Fellowship and the many services that the organization renders to the people and the nation.

First Federal Of Hardee Changes Name To Heartland Federal

Heartland Federal Savings and Loan Association was the new name chosen by the members of the First Federal Savings and Loan Association of Hardee County at their Board of Directors meeting Dec. 11, 1975.

The association with a branch office in the Avon Square Shopping Center is now serving a larger area and more people than of the original Hardee County area.

The growth of the association's business has exceeded expectations, therefore, the board of directors felt that it was time to make their name more meaningful as to the area served.

Food Prices Changing Consumer Shopping Habits

Highlands County residents may not be eating as high on the hog as they did in more prosperous times but they are eating as plentifully, it appears.

The average family is going in for fewer steaks and other fancy cuts than normally but is not going hungry. It is substituting less expensive items, preparing less elaborate meals and doing less dining out.

In terms of quantity, local people continue to be stowing away edibles in considerable volume. On the basis of their purchases in food stores and restaurants, their weekly consumption figures out to about 29 pounds per capita.

In that respect, the change since 1972, locally and in most parts of the United States, has been small, despite the fact that the cost of food has gone up sharply.

The Bureau of Labor Statistics reports that the average American household of 2.9 persons spent $40.05 a week for food last year, as against $30.32 toward the end of 1972. This is exclusive of alcoholic beverages.

The figures on food consumption and on the amount of money used for the purpose come from the Department of Agriculture, the Labor Department and other sources.

During the past year, they show, the diet of the average American consisted of 188 pounds of meat, including 116 pounds of beef, approximately 65 pounds of fish and poultry, 285 eggs, 123 pounds of potatoes, 247 pounds of milk and cream, 107 pounds of wheat flour, and 52.5 pounds of fats and oils, not to mention fruits, vegetables, cereals and other products.

In Highlands County, the cost of eating on this average scale came to approximately $2,240 per household last year.

For families living on farms, the outlay was considerably lower than this, and for urban families, somewhat greater. Nationally it averaged $2,080 per household.

The surge of food prices at the consumer level has forced housewives to be more careful in their shopping. They are watching their pocketbooks more closely, seeking out the specials of the week, passing up the higher-priced convenience foods, cutting down on between-meal snacks and doing more cooking and baking at home.

Patrol Cracks Down On Truckers

Law enforcement agencies in Highlands County are continuing a crackdown on truckers, Florida Highway Patrol reported today.

An FHP spokesman said law officers are insisting that trucks observe safe driving techniques and posted speed limits, particularly in congested areas such as Southside.

FHP report for Dec. 8-14 shows nine truckers were ticketed for traffic infractions. No drivers were charged with driving while intoxicated; 67 were booked for speeding and 15 for other infractions.

Fourteen accidents were investigated. Three persons were injured.

Calvin's Column

By CALVIN GIBBS

Hi Friends,

Please call or write me if you have a Christmas birthday. Try to include a picture that I may give you special recognition next week. Exclusive of Christmas Day, other celebrities born in December were Eli Whitney, Joel Chandler Harris, William Lloyd Garison, Emily Dickinson, John Jay, James Doolittle, Ludwig Van Beethoven, Joseph Stalin, James Oglethorpe, Kit Caron, (Isaac Newton and Clara Barton on Christmas Day), Johannes Kepler, Louis Pasteur, Charles Goodyear and Rudyard Kipling.

Know Your Pupils

Alan Bennett

The following poem was written and illustrated by Alan Bennett, a fifth grade honor pupil at Avon Park Middle School:

I'm a little Christmas tree,
With decorations all over me,
Shining lights upon my branches,
Always waiting just for Santa.

English Lesson for the Week: (Capitalization).

Observation: The first word in every line of poetry is always capitalized.

Humor of the Week:

Always do your Christmas hinting early.

Citizen of Last Week:

Mrs. Rosa Lee Powell

Citizen of the Week:

Ethel

(daughter of Mr. and Mrs. Joe Argelee).

This special honor goes to Mr. and Mrs. Joe Argelee who live at 319 Booker Street for the upkeep of their home and surroundings which help make Eastside Park beautiful.

A Thought for Sunday:

WHOM ARE YOU SOFT-SOAPING?

Dve your life show a trend? Do you dreft along with the tide? Has joy departed? Have you lost the zest for living? All too many woodbury themselves in odd jobs on Sunday, trying to be handy-andy, forgetting the Lord's Day is for lestoil.

Vel now is the time to cheer up - wisk yourself out of bed every Sunday morning and dress, spic and span - dash out of the house like a comet and breeze to Church where Cares and Anxieties vanish and a dove never has to send out an S.O.S. Why not dial a friend to go along with you.

Give praise to God. It will be a wonderful cleanser for your soul !!!!!

Hospitalized at Press Time:

Pete Floyd, Edna Joyce Jackson, Ollie Godlon, Donnie Harris, Marvin Owens (child), Alton Miller and Mrs. Coleman.

Sick and Shut In :

Mrs. Maggie Sims.

Church News:

Bro. Frank N. McElveen

The Church of Christ at the corner of First Street and Carolina Avenue has just culminated a two week spiritual meeting with missionary minister Frank N. McElveen as guest speaker.

Regular church services will be held at other local churches. Please attend the one of your choice.

Civic News:

The Cemetery Association meets on the first Sunday in each month at 3 p.m. at one of the local churches. Please attend the meeting in January for the election of officers. Church will be announced later.

Observation and Comment

Each day as I read the newspaper and listen to news reports, I begin to wonder sometimes if a thing has to be bad in order to be publicized. To name a few topics: Inflation, Unemployment, Crime, C.I.A. Misconduct, F.B.I. Misconduct, Bankruptcy in New York City, Bussing in Boston, the President versus Congress, Detente Violations, War in Beirut, Conspiracy, Coverup and name it, we've had it or got it.

However, as we celebrate the Bicentennial of this great country with all of its weaknesses and fallacies, take time to count your blessings as I do mine, for these will afford the strength to survive and in light of the bad news and reflections, we can still find a ray of hope and faith which together will subdue bad news.

Signed Calvin C. Gibbs

Question of the Week:

Considering all of those who have announced their candidacy for the presidency and those whom you think may announce later, whom would you support with your vote for that office?

Tim Gibbs: Whoever wins the Democratic nomination.
John Moss: Maybe Gerald Ford but I really am not sure about whom I would want.
Delphiune Fleming: Ted Kennedy, Hubert Humphrey, Jimmy Carter or — Jackson, in that order.

Special Appeal:

Calvin's Column has been quite brief in recent weeks because very limited news and pictures have been submitted to me for publication and I have been occupied with other commitments that I have had little time to lok for the news. Please submit to me whatever you consider worthy of print, because remember, this column is yours, as well as mine, and therefore can be no greater than you help it to be.

(Signed) Calvin C. Gibbs

Thought Conditioner for the Week:

Possibly life has become difficult — even dismal. We may not be getting zest or thrill out of living.

The text for today will restore the old delight in life. It tell us that you have never seen, or heard, nor even imagined all the marvelous, amazingly fascinating things that God will do for those who love Him, trust Him, and put His principles into practice.

As we surrender Our lives to God, every experience of living will grow increasingly more wonderful.

Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love Him. I Corinthians 2:9

Yours Truly,
Calvin C. Gibbs

Between The Bookends

By Mrs. R. D. Moore, Librarian

A Seal Called Andre by Harry Goodridge is a warm and loving book - the true story of a unique human-animal relationship. This book is the tale of a fourteen year friendship between Harry Goodridge and Andre, a harbor seal who is as comfortable in the Goodridges' home as he is in Maine's Penobscot Bay. For Harry Goodridge, a tree surgeon and free-lance scuba diver, Andre represents the fulfillment of a long-held dream: an oceangoing companion to join him in deep water. This is a delightful story as well as an in depth study of one of the longest relationships between man and any wild marine animal. It is a very important piece of animal behavior.

Pay On The Way Out by John Murphy is a novel of intrigue and suspense dealing with the dangerous, complicated workings of the CIA. The central character is a young man named Hagen who is a CIA trainee. His knowledge of Spain brings him his first assignment: to investigate three apparently unconnected murders, each of them ingenious. Neophyte Hagen finds himself being drawn into a murky and perilous world involving experienced agents from other countries.

Thomas J. Fleming's **1776; Year of Illusions** is a controversial new book receiving a great attention. Fleming writes: "We have celebrated the heroic side of 1776 for a long time. Perhaps after two hundred years we are ready to look steadily at the dark side of the story as well. Perhaps by facing it, absorbing it, contemporary and future Americans will be spared the paroxysms of shock and and dismay, the cries of despair and predictions of imminent doom which emanate from so many mouths whenever some of these negative traits appear among our contemporary politicians or soldiers or plain citizens. Perhaps we can begin to accept such failings as part of our limited human natures and learn from the mistakes, without losing hope or faith in the future." Author Fleming feels his book contributed significantly to an understanding of America's development. He says the presentation of a realistic and mature view of the year 1776 can enable us to find a far deeper meaning for our own time and for the future.

I cannot say enough grand things about Isaac Basbevis Singer. He is truly one of our most gifted writers today. His short and humorous tales drawn from an old tradition celebrate the dignity, mystery, and unexpected joy of living with more art and fervor than any one I can think of. Each new work of his is greeted by waves of applause and admiration the world over and his latest **Passions** is no different.

Louisiana: a Pictorial History by Leonard Huber is a coffee table book for browsing and making acquaintance with more than three hundred years of Louisiana life in over eight hundred pictures. **Louisiana** is both a rich treat for the eye and stimulating fare for the mind. It provides a valuable and original contribution to the understanding of Louisiana's history, as an unequalled and richly documented source book of Louisiana life.

Southland Court News

By MARION LEARNED

Coffee hour on Tuesday : as a special treat of interest to the ladies, a Stanley Party was held, demonstrated by Annie Gilliard, dealer. Twenty-seven were present.

Tuesday afternoon ten ladies met in the Rec. Hall for Crafts and Sewing. Aggravation was held in the evening with twelve joining in for the fun.

Men's Shuffleboard results: Two game winners were Charlie Wallace. Reavoe Wandover, Ray Long and Gilbert Longbons.

Friday evening at bingo, the grand prize winner was Gilbert Longbons.

Despite a chilly afternoon Wednesday, the ladies shuffleboard matches were held. Alvia Trompics won three games and Clara Engard won two games.

Guests at the home of Nick and Alvia Trompics were friends Mr. and Mrs. Hugh Daly of Southfield, Mich.

On Sunday, Waldo and Louise Davidson and Marv and Hannah Tebo went to Bradenton for dinner.

On Wednesday, Goldia Daun, Mildred Hindsley and Hannah Tebo went to Lake Wales for an afternoon of shopping.

Have you all noticed, that Alvia Trompics is sporting a new bike?

The nominating committee has about completed their work and the new committee members will begin their work on January first.

Preparations are underway for our Annual Christmas Day dinner. All park residents are cordially invited.

All for this week. Good health and happiness to all.

Volunteers Attend Meet

March of Dimes volunteers from Highlands County met Tammy Patterson, 1976 National Poster Child for the voluntary health organization, at a regional meeting in Orlando, Nov. 13 and 14.

Donna Guenther, Nell Roberts, Susan Lenihan and Wanda Lackey heard of expanded programs in research, medical service, professional education, and volunteer activities. All are intended to further progress in prevention of birth defects and improve the quality of maternal-newborn health care.

Tammy, 6, of Mount Pleasant, Tenn., was born with multiple birth defects.

Send Medical Bills To Social Security Office

Doctor bills for October, November, and December may in some cases count toward the $60 annual deductible for both 1975 and 1976 under the "carryover" provision of Medicare medical insurance, according to Charlie H. Welch, Social Security Branch Manager in Sebring, Fla.

Medicare medical insurance doesn't pay for the first $60 in covered medical expenses in a calendar year. "But people who haven't had $60 in covered expenses before October should be sure to send in all the bills for covered services they receive in October, November, or December," Mr. Charlie H. Welch said.

"Any expenses you have during the last three months of the year that can be counted toward your deductible for that year can also be counted toward the deductible for the next year," he said.

The carryover rule helps people who might otherwise have to pay the $60 deductible twice in a short period of time—at the end of one year and at the beginning of the next year, Mr. Charlie H. Welch explained.

Bills for covered medical services should be attached to a filled-out Request for Medicare Payment form and sent to Blue Cross-Blue Shield in Tallahassee, Fla. Request for Medicare Payment forms are available at any Social Security office and at many doctors' offices.

Medicare medical insurance helps pay for doctor bills and many other medical expenses of people 65 and over, of disabled people under 65 who have been entitled to Social Security disability benefits for at least 24 consecutive months, and of many people with permanent kidney failure.

Medical insurance is the voluntary part of Medicare, funded by individual premiums and Federal general revenues. Medicare is administered by the Social Security Administration, an agency of the U. S. Department of Health, Education, and Welfare.

The Sebring, Fla. Social Security office is at 200 SE Lakeview Drive. The phone number is 385-1502.

"Thank you very much for your kindness and service. If you have any questions, please do not hesitate to call us."

Bonnie Brae News

By MARGIE WELLS

It's really beginning to look a lot like Christmas at Bonnie Brae. The mobile homes are all beautifully decorated and the residents should be proud of the way they made the park glow at night. We take a walk around the park every night with our friends from Kentucky, Ruth and Charles Riffe, and with all the Christmas lights and the full moon, they agree there could be no better place to have Christmas than right here in Florida!

Dan Bohland's brother, Rudy, and sister-in-law, Mary, left for home last Saturday after a visit with Gert and Dan. They returned to snow and ice after enjoying the nice weather here.

Margaret and Gene Brown are leaving this Wednesday for home to spend Christmas with their children and grandchildren. The Browns are "campers" now but used to live in Bonnie Brae.

We were all shocked and saddened at the sudden death of Blanche Hance this past week. Blanche had been active in the park and is going to be missed.

Mrs. Doris Clark returned to her home in Weymouth, Mass., on Saturday after staying with her sister-in-law, Thelma Miller. While here, she and Thelma visited Disney World and also visited her brother, John, in Sarasota and other friends at Lake Josephine.

Mrs. Stella Hukle of Tampa, and Mrs. Edythe Gray of Dunedin, visited their brother and his wife, Varina and Joe Asher, this past week.

Weekend guests of Margie and P. D. Wells, were their son, Robert, and his wife, Carol, from Pompano Beach.

Get set — our big Christmas dinner is scheduled for 1 p.m. on Thursday and it promises to be one of our best with much good food!

Avon Park Grange Report

By LAVERNE M. FULLMER

Some 43 Avon Park Grange Members and their friends held a pot-luck supper last Tuesday. The business meeting was under the direction of Master Ralph Fullmer. Two new members were Obligated, Nettie I. Peterson and Russel B. Smith. Three candidates were elected.

Miriam Debo, chairman of Women's activities, is getting a group together to make a Centennial Quilt after the first of the year. She asked the ladies to practice up on the coffee cake recipe for the State Grange contest and as many as possible submit entries for the session at Orlando Jan. 7 to 10.

After Christmas the women will be making stuffed toys for the Retarded School. Ralph Fullmer spoke of the Needlepoint Pin Cushion contest and the Wooden Tray Contest for men only to be judged at the state session.

Donald Mason, chairman of the Grange Float committee, reported on the Christmas Parade.

The members were all happy to see Evelyn Goodrich home from the hospital and taking her place as Lecturer. The following program was presented: Scripture reading by each one present; The Man Who Missed Christmas by Keith Debo; Keeping Christmas by Alfred Haviland; Singing by Bessie Trude and Gertrude Slocum-O, Come, All Ye Faithful and Silent Night; Let There Be Peace, by Florence Mason; The Past by Minnie Swanson and Song, the First Noel.

Thought for the day — "May the happiness and joy of the day be blest with the tidings of Christmas."

Members brought boys' underpants to be placed in the Christmas Cheer boxes. The meeting closed with a Christmas Gift exchange.

The next meeting will be held Tuesday, Jan. 13 at 7:30 p.m. in the Woman's Club Hall.

DANCE

Every week there are a few more dancers enjoying both square and pattern dances. We should all give Charlie Burroughs a big hand for his assistance and patience. Sponsler Limbaugh reminded us of the Christmas party Dec. 19.

CRAFTS

Dec. 11, forty-five ladies attended the work shop to finish their Christmas projects. A beautiful panel made by Hallie Wetmore, on white felt with Christmas scenes cut from Christmas cards, hangs in the clubhouse for all to enjoy. Classes for the next two meetings will be Dec. 16 and 23. Hallie asks all to make special effort to attend.

Entertainment

Thursday, Dec. 11

Paul Swearingen reports a good attendance to greet our new members. The program opened with several piano selections by Mrs. Gunning. The board members for this year were introduced. The Shuffliaires were directed by Ronald Williams who introduced each Shuffliaire. They were: Herbert Wooliscroft, Herbert Bieber, Sylvan Baker, Glenn Long, Henry Martin, Leslie Hildreth, W. Lehr Wilder, Ralph Gunning and Eula Gunning at the piano. Members who were not able to be present, were George Coombs who is in the hospital, Harry Gibson and Harry Wilde. They sang their "theme" song which was "Happy Days are Here Again". After the program, refreshments were served and all enjoyed a pleasant hour of visiting. Next week Dec. 18, all are reminded to bring a bag of groceries for the Cheer baskets. If you can't be present bring your bags and put them in the office. They will help make some one a little happier.

SATURDAY NIGHT DINNER

Hosts for the evening were Mr. and Mrs. Bruce Steele and Mr. and Mrs. William Bayes. There were 81 present. Anniversary honors to Mr. and Mrs. Leslie Stanley and Mr. and Mrs. Cleon Wells. DeLaney Heights News

The monthly birthday dinner was held Wednesday at the clubhouse. There were no birthdays but the good dinner and fellowship was enjoyed anyway.

Mrs. Diana Reynolds of Auburndale, who was visiting her mother, Mrs. Fred Mehaffey, was a guest. Mrs. Lillie Winegard was missed. She is recuperating from the flu at the home of her son.

There will be a Christmas dinner on Christmas Day at the clubhouse for residents not having other plans. The next birthday dinner will be Jan. 14.

Mrs. Opal Phlegar had Mrs. W. E. Weatherhead from Sebring as her guest last week.

Mr. and Mrs. George Wanko of Arcadia were visitors with Mrs. Bessie Trude Wednesday.

They were friends in Michigan.

Mrs. Bertha Lee has gone to Ft. Lauderdale to spend the holidays with her son, Earl.

Carl Johnson is recuperating nicely from cataract surgery on Dec. 4.

Mrs. Mary Brief was called home suddenly from her trip to Las Vegas by the death of her sister, Mrs. Nora Duke, of Bowling Green.

Mr. and Mrs. Raymond Wilson of Nokomis spent Thursday and Friday with Mrs. Brief and attended the funeral of Mrs. Duke Friday in Wauchula.

Mrs. Sara Griffin has been moved from Walker Memorial Hospital to Cottrell Nursing Home in Sebring.

Traffic Court

The following traffic cases were heard in county court December 5 and disposed of as follows.

Brett Orr Wallace, reckless driving — pleaded guilty, fined $310, sentenced to 10 days in county jail with sentence suspended, to attend driving while intoxicated school.

John Wayne Forner, driving while intoxicated—pleaded guilty, 60 days in county jail with sentence suspended — court probation, medication for alcoholism; driving without a valid license — pleaded guilty, suspended 60-day jail sentence.

Dwain Pitts, driving while intoxicated—pleaded guilty, driver's license suspended for three months, fined $310.

William Fredrick Heck, unlawful blood alcohol — pleaded guilty, driver's license suspended for one month, 10 days in county jail with credit for time served.

Donald Earl Teole, driving while intoxicated—pleaded guilty, driver's license suspended for three months, 11 days in county jail with credit for time served.

Deborah Jean McCoy, violation of right of way — sent to defensive driving school, assessed $2 court costs.

Thomas William Mackenzie Jr., violation of right of way — state Department of Highway Safety notified of Mackenzie's failure to respond to charge.

In Memoriam
BREEN, ARTHUR W. (Billy)

In memory of my dear husband, Billy Breen, who departed this life, one year ago today, December 18, 1975.

Some may think the wound is heated because they do not see me weep
But I shed my tears in the lonely hours of the night when others are fast asleep.

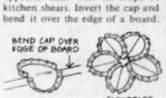
Pop Bottle Cap Christmas

Here are some striking decorations made from metal pop bottle caps with fluted edges. Each project requires about 100 caps.

To bend a cap, cut the rim on opposite sides with tin snips or kitchen shears. Invert the cap and bend it over the edge of a board.



Wreath

To make a ring for the base, use an 8" foam disc and cut out a 3" circle in the center. Cover this ring with seven flowerlets. To make a flowerlet, overlap, insert and glue five bent caps in a circle. Glue a bead in the center. Fill in openings between flowerlets with additional caps. Spray paint; add trim and a little figure in the center of the wreath.

Star

For the base, use an 18" square of corrugated cardboard. Divide it into eighths and glue a flowerlet in the center (see wreath).

On each horizontal and vertical line, glue caps in the following order, folded edges up: a single cap, three sets of three and then two single caps. On each diagonal line, glue as follows, folded edges down: four sets of two caps and two single caps. Spray paint the star; cut away the excess cardboard around the caps.

Table Tree

Use a 12" plastic foam cone for the base. Starting at the bottom, insert and glue a row of bent caps into the foam about 1" apart (insert cut points). For the second row, insert and glue caps between those in the first. Continue as above, until the tree is completely covered. Insert and glue a cap into the top of the tree. Add trims.

For over 70 ideas on how to turn ordinary pop bottles and caps into eye-catching and useful toys, gifts and novelties, send for "Make-It with Pop Bottles and Caps." To get your copy, send 75c, along with your name and address, for book No. 223 to:

Avon Mobile Home Park News

By MARGARET SCHROEDER

Mr. and Mrs. Lester Janery spent Thursday, Dec. 4, with Mr. and Mrs. Ralph Helt, Mr. Janery's sister. They are enroute to California for the winter.

Forty-three residents and guests attended the Saturday night hymn sing. Mr. Harold Wolcott accompanied the group. Margaret Schroeder and her daughter, Mrs. Barbara Stover, Omaha, Neb., played a piano duet selection from the musical, "My Fair Lady".

Recent arrivals in the Park include: Mr. and Mrs. Thomas Bason, Crown Point, N.Y.; Mrs. Verna Fero, Sloansville, N.Y.; Mr. and Mrs. Joe Bacon, Townsend, Wisc.; and Mr. and Mrs. Paul Thomas, Athens, Mich.

Thirteen persons participated in the pinochle games Monday night. Winners were Herman Young and Helen E. Smith.

Mrs. Ila Douglas returned home Tuesday after being hospitalized at Walker Memorial.

Mrs. Floyd Stevens is recovering satisfactorily from cataract surgery performed recently at Highlands General in Sebring. She returned home Dec. 5.

Ladies from the park who participated in the Christmas Mission program at the Methodist Church Dec. 11 were Mrs. Ula Miller, Mrs. Dorothy Baxter, Mrs. Ruth Robinson, Mrs. Nita Byrer and Mrs. Margaret Belcher.

Mr. and Mrs. Ralph Helt spent Wednesday, Dec. 10, in Sebring.

Game night has proven so popular in the Park that it was decided to meet every other Thursday evening, when possible. Twenty-three players met Thursday night for Rook, Aggravation and Pinochle. Because of conflict with Christmas, the next game night will be next week, Dec. 18.

The park looks particularly festive these days, as residents have their holiday decorations up. The Recreation Hall was beautifully adorned Thursday by Al and Dorothy Keyes, Catherine and Sylvan Baker, Bill and Margaret Belcher and Sons and Irene Limbaugh. My apologies to anyone else who helped, such as the ladder-holders, etc., whom I may have omitted.

Thursday Mrs. Thelma South and Mrs. Marjorie Faulkner, accompanied by Mrs. Alva Derr of the Cornell Apartments, attended the Garden Club Tea at the home of Mrs. Evelyn Jones.

Mrs. David Stover and son, Bradley, returned to Omaha, Neb. Monday via Eastern Airlines, after spending a week with her parents, Doc and Margaret Schroeder.

Mr. and Mrs. Lloyd Wyant arrived Friday for the season.

Mr. and Mrs. Herman Kohlhagen, Terra Village, Leesburg, were recent guests of her brother and wife, Mr. and Mrs. Howard Smith.

Thirty-six ladies of the Park were present at the December meeting of the Park Woman's Club Friday, president Susie Bacon presiding. After the business meeting, Dorothy Keyes, representing Third Avenue as hostesses, conducted a short quiz on December. Thelma South read a lovely Christmas poem, "The Christmas Guest." Dorothy then distributed two packages, asking each member to remove an item of wrapping as it was passed to her. After many removals of ribbon,

Christmas seal and paper, two ladies had a bar of personal size Ivory. A Clever little ice-breaker of a game that others may find enjoyable. The hostesses served a delicious lunch of cranberry salad, assorted crackers and coffee.

Residents are reminded of the annual Park Christmas party Saturday night, Dec. 20 at 7 p.m. Each person is to bring a gift or money to be donated to Christmas Cheer, Inc., in lieu of a gift exchange. More about the party next week.

At the Saturday night sing-along, seventy persons were entertained by Mr. Richard Thayer, brother-in-law of Mrs. Eleanor Anderson, who showed slides of his travels in Europe.

Sunday afternoon from 3 to 5, Mr. and Mrs. Bill Belcher entertained at an open house in their new mobile home on Fourth Avenue. Ninety-two guests came during the afternoon. The hostess served hot punch and cookies, assisted by Mrs. Nita Byrer. The Belchers say "Thanks for coming."

Phelps Button entered Walker Memorial Hospital Sunday afternoon for observation and tests.

Brentwood Mobile Court News

BY MARY RIMES

Merry Christmas to You, too!

Your reporter was pleasantly surprised to open "The Sun" last week and find a picture of herself and Santa. (No. 18).

Edith and Marion Walling and Edna Shoemaker of Fort Meade, former residents, visited in our Court last Thursday.

Mr. and Mrs. C. L. Thompson of Leesburg visited their daughter and family, the Dick Riders — Randy was a patient in Walker Memorial Hospital last week and Kaye is suffering from an ear infection. Our prayers and sincere wishes from all for a speedy recovery.

Mr. and Mrs. Paul France and Mr. and Mrs. Hubert Johnson attended a service at the Citrus Show Case in Winter Haven Sunday evening. The guest speaker was the Rev. Bob Harrington of Bourbon Street in New Orleans.

Tuesday evening the Johnsons attended an AARP meeting at Sebring.

We were real happy to see Flora and Warren Dayton of Alexander, N.Y. arrive last Thursday. After driving through snow and slush they were glad to be here.

Thursday evening Mr. and Mrs. Hubert Johnson and Mrs. Ruth Johnson attended the first travelog series at Sebring. A very interesting narrated picture on Iran was presented to a very large audience.

Mr. and Mrs. Kenneth Isackson of Parakeet Mobile Home Park were recent visitors of the Hubert Johnsons.

When the front page makes you happy

Tuesday Psalms 32:1-5
Wednesday Psalms 130:1-4
Thursday John 1:6-9
Friday Matthew 11:2-6
Saturday Philippians 4:4-7

He was a retired editor and a wise one. But he was a realist — as a newspaperman must be. One of his sayings became legendary in that busy pressroom:

When the front page makes you happy — it's been a great day!

I'm one who has noticed that the great days seem farther apart. Nor can I blame on my ulcer the headlines that don't make anyone happy. Someone else said: **men make the news; reporters only write it.**

It's time to give thought to the roots of happiness. After all, what happens every day is simply the fruit of a million vines. Down at the roots is where the fateful choices are made which inevitably bring forth their fruit.

This is a mighty fine newspaper whose service to the community is to tell us what news men have made today. We also have some mighty fine churches. Their service to the community is to mold the faith and character of the men who will make the news tomorrow.

Our churches are working at the roots of happiness!

With No Trailer Ordinance City Must Abide By State's

Avon Park must abide by county or state trailer regulations or have their own ordinance, the Avon Park City Council was told Monday night by City Attorney Jack Hancock According to state law it means that if Avon Park does not have provisions to regulate the parking of trailers within the city the state will enforce their own regulations.

City Building inspector C. W. Ellerbee told the council that the city has regulations for trailer parks but has no provision for regulating the individual trailer in the park, while Highlands County does have regulatory power over trailer parking.

The matter of having a trailer ordinance was referred to committee for further study.

In the matter of the application for Housing and Urban Development funds some changes were recommended, by Seraphin Leal via phone call, in the application for the HUD funds. The proposed downtown housing for elderly was eliminated and this was reduced to $17,500. The residential housing rehabilitation program was listed at $62,000 with street improvements set at $57,000. There were a few minor changes with the grand total of funds requested being $180,200.

Several councilmen expressed the thought that HUD's actions were benefitting only a few people, whereas other aspects of the city's program would be of help to a larger number of people. However, HUD places the highest priority on housing rehabilitative work that presently involves a small number of people.

In old business the city council was shown tentative plans for the press box and concession stand building at the ball park complex by Jim Heim, architect and Durrah Martin (former councilman and chairman) in the absence of Virgil Sizemore.

The building is designed with a minimum of outside exits to reduce the vandalism of doors such as had occurred at the Little League Field.

The committee and architect designed the building, with four separate press boxes on the second floor, in a manner that donated labor would be able to build the structure using block and short joists. The stairway will be on the inside of the building.

The council approved the tentative plans for work to start on the structure.

City Hall To Close Dec. 25-26

The business offices at the Avon Park City Hall will be closed Thursday and Friday, Dec. 25 - 26 for the Christmas Holidays.

The City Sanitation Department employes will make Thursday's trash and garbage pickups on Friday along with the regular Friday pickup.

In the event of any emergency with either water or sewer lines the Avon Park Police Department can be called at 453-6622.

Citrus Escapes Freeze

Highlands County citrus escaped a freeze this week, but the pastures received a good bit of frosting and suffered damage as a result.

As for the citrus industry locally, the weather was in its favor according to Tim Hurner, acting county agent. He said the chill air and lower temperatures had increased the sugar content, made the fruit easier to ship and to "hold up" better in the market.

Earlier this year there was trouble in getting the citrus to market. Continued warm weather made the oranges and grapefruit slightly mushy, shortened the time in which they could be held before selling, Hurner said.

While regarding the recent low-lying temperatures as a boon to citrusmen, the reverse is true for ranchers. With so much grassland destroyed and taking longer to grow, many who have overstocked cattle may have to sell off some of the herd.

Hurner said sales would be at a loss now, in an unfavorable market.

With all eyes on the holiday weather forecast, the county agent said that cloud cover is expected shortly. Another cold front is seen to be moving in on Christmas Day and it could be near freezing by Friday morning.

Fires Worry Officials

Wildfires on the Avon Park Wildlife Management Area have prompted concern from U. S. Air Force and Florida Game and Fresh Water Fish officials.

Commissioner of the South Florida Region's Manager, Major J. O. Brown, issued a warning to all sportsmen hunting on the Avon Park area to use extreme caution in building campfires and extinguishing smoking materials.

According to Air Force officials fires over the past weeks have claimed approximately 500 acres of slash pine plantations. If more fires occur over Christmas, Air Force officials plan to close the area to hunting for the duration of the season.

Brown reminded hunters that campfires are restricted to designated campsites only and should never be left unattended. Sportsmen are urged to report wildfires to the Game Commission or the Air Force authorities.

Anyone starting woods or forest fires are liable to prosecution.

Santa Visits

SFJC Child Day Care Center

The Child Day Care Center under the direction of Sue Brown at South Florida Junior College had their Christmas party last Friday with a visiting professor or Santa Claus pulling red tagged gifts for girls and green tagged gifts for boys from a bag. Actually they were gifts the children had brought with them for a gift exchange.

Santa talked to each child and they sang Jingle Bells and other Christmas songs but Santa had to leave after Refreshments.

The center is limited to 20 children with 19 enrolled at the present time. Theirs is a three day week from Wednesday through Friday, from 8 a.m. to 4 p.m. with some children being called for at noon.

According to Sue the children vary in the length of time they need to adapt to the routine of the center. Some were absent with the usual childhood diseases and a couple were "lap lovers". They sweetly wanted to sit on someone's lap, and did.

Normally the children bring a sack lunch or "brown bag it" with a supplement of fruit or soup and always milk. But on this special Christmas party day they were served a children's Christmas dinner. They would each receive a candy cane when they went home.

Aides help Sue with the program. Ann McDaniel is a college parallel and Vo-tech student. Lee Sizemore is a college parallel student and teacher's aide. While Linda Hicks is full-time child development aide.

DURING THEIR LAST day at the Child Care Center at South Florida Junior College, before the Christmas Holidays, pre-school children had a visit with Santa and a story time before the Christmas tree with Ann McDaniel (left) reading the picture story. Sunphoto — Miller.

Church Funds Will Be Used For UFW Medical Facility

The national headquarters of the United Methodist Church has awarded $14,500 to the Florida United Farm Workers of America (AFL—CIO) for a medical facility which will be located adjacent to the UFW state headquarters office in Avon Park, Mack Lyons, state director of UFW, said last week.

Lyons said he expects the medical facility to be a reality by late spring or early summer. "It depends on lining up doctors and nurses and other staff workers," Lyons said, noting that more funds will be needed to operate the facility.

Final plans for the medical facility, which would primarily be for farm workers, are not complete "but, we're thinking in terms of a double wide mobile home or building a building on the property," Lyons said.

Medical services offered would be available to poor people other than farm workers, Lyons said. "We won't be turning anyone away," he said.

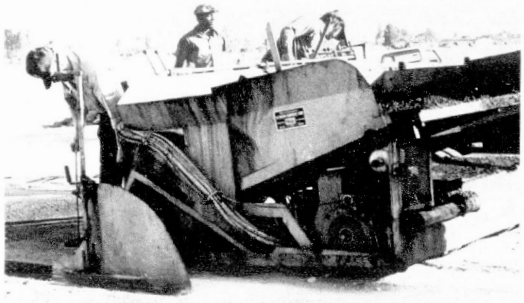
Staff for the facility would be on a volunteer basis much like the UFW staff, according to Lyons. Staff members do not receive a salary but merely a subsistence allowance from the union.

The union recently won important wage increases and increased benefits in a three-year contract with Minute Maid which will be renegotiated each year. The new contract involves some 300 farm workers in the Avon Park area and more than 1,200 throughout the state.

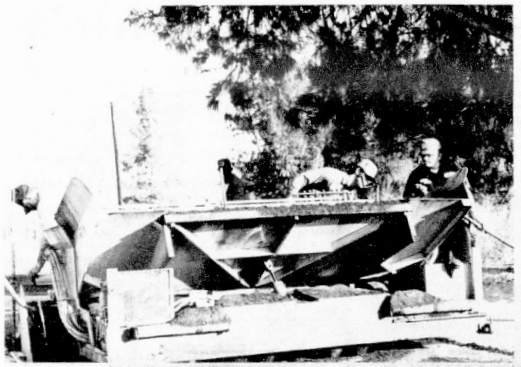
Realization of the medical facility will be one more important gain for the UFW, the union stated in California by Cesar Chevez. It has operated in Florida about four years.

The medical clinic preliminary plans have been approved by the City of Avon Park zoning board. Lyons said a number of people have expressed interest in working at the clinic. Medical care will "definitely be closer" for the farm workers, Lyons said.

Home Owners Complain Of Dust Caused From Sewer Project



WITH LAKE BOULEVARD paving completed workmen of Jones Contracting, Ft. Myers were getting ready to complete W. Edgewood St., last Thursday. Making depth adjustments on the spreader are Jerry Bush (left) and Ron Cochran, both of LaBelle with Sam Spates of Ft. Myers in the background. Sunphoto — Miller.



WORKMEN OF JONES Contracting Company, Ft. Myers, were paving West Edgewood St. last week. Operators adjust the spreader while waiting for another load of black-top. Men on foot make last minute alterations to the paved surfaces. Sunphoto — Miller.

FIRST IT'S COVERED, then you uncover it. Superintendent of Jones Contracting, Dean Warner, with shovel, Matlacha, Fla. and Lee Freeman, Ft. Myers, uncovered the manhole and grade the hot mix around it as the street was being paved. Sunphoto — Miller.

Repaving of city streets started Thursday but dusty streets where sewer lines have been laid meant extra cleaning chores for homemakers and more car washing.

Complaints about the dust dropped sharply at City Hall when contractors started wetting down the dry dusty street surfaces, a turn appreciated by city officials and contractors.

With a 28-29 per cent of the sewer lines in place, Inspector Chuck Hadley said the work on line Projects II and III was about 10-15 per cent ahead of schedule. But apparently that is little consolation for those who must drive over the patched streets and fight the dust.

According to Brant Donalson, president of Gator Utilities, prime contractor, and Hadley, there are requirements which must be met prior to paving the streets cut up by the sewer installation which means a 60 to 90 day time lag between laying the pipe and repaving the street.

After backfilling there must be sufficient time to permit normal traffic over the street to pack the soil. Time must also be allowed for compaction when the base material of lime rock or clay is laid.

In areas where curbs were taken out, curbs must be replaced. Four to six inches of base material is spread with the original street base determining whether clay or lime rock is used. State roads require six inches of lime rock.

Again there is a time lag to allow normal traffic to pack the base material. This compaction should provide the equivalent of 95 pounds per square inch or better. Compaction testing is done by an independent laboratory and paid for by the contractor.

The street is given a final grading in preparation for paving. This is followed by a primary coat of asphaltic material which serves as an adhesive to bind the blacktop mix to the base material.

Sand is spread over the primary coat to prevent vehicles being splattered with the tar-like substance. The sand is swept off before paving. Contract specifications call for one inch of blacktop paving.

The pipe line must be tested either with water at normal pressure or using three and a half pounds of air pressure to determine if there is seepage or leakage exfiltration before acceptance by the city.

The lines are also "lamped," a visual test with a light or television camera. With the camera, the contractor can determine the exact location of any abnormality or stoppage in the line.

Seeding of previously grassy areas will begin after settling and grading when soil and weather conditions are best suited for rapid seed germination and growth.

Landowners At Odds With Commissioners

A south Highlands County landowner frequently at odds with county government has asked circuit court to clarify ownership of a road used by "county commissioners, sheriff, zoning official."

Harry Blumberg and his wife claim the portion of Blumberg Road passing theough their land is a private road used in the care and harvesting of citrus from a 350-acre tract south of Lake Placid.

According to county road maps, Blumberg Road intersects U. S. 27 approximately half-way between Bair's Den and the Glades County lines. It extends eastward through sector 2, 3 and into 4.

Blumberg asserts he owns the portion in section 3, and has since mid-1954.

In the past two years Blumberg has been the target for a series of suits initiated by county zoning and health officials. In September he was in county court to answer two misdemeanor charges: maintaining a nuisance injurious to health, and unlawful accumulation or dumping of garbage, refuse or rubbage.

Through his attorney he filed a motion for dismissal on the grounds that the law involved is unconstitutional.

A ruling on the unlawful accumulation count was deferred, pending the ruling on the constitutionality of the county's rzoning law.

Blumberg's civil suit makes no mention of the criminal case.

Life Expectancy Longer In County

For children born in Highlands County this year, the chances of living through the first half of the next century are excellent. When that point is reached, in the year 2050, they will be 75.

Barring unforeseen holocausts, their survival to that age is well within current projections. It represents a life span that is only 3.1 years greater than that prevailing today.

The gap is expected to be closed in the intervening years by medical science, which has been making substantial progress in recent years in the fields of biology, nutrition and public health, as well as in reducing the mortality from heart disease and some forms of cancer.

Because of these gains, life expectancy in the United States reached a record high of 71.9 years in the past year, an increase of no less than six months over 1973.

The findings are based upon longevity studies made by the National Center for Health Statistics, the Institute of Life Insurance, and others.

Currently, in the local area, the figures show a total of 7,740 men and women at age 65 or over. They represent 21.1 per cent of the population.

For those who have just reached 65, their added life expectancy is greater than it ever was at that age — 13 years for men and 18½ for women.

The span of life has increased considerably from what it was in earlier years. Since the middle of the last century, each generation has had a better survivorship record that the one before it.

Compared with the present expectancy at birth of 71.9 years, it was 64.2 for those born in 1950 and 59.7 for those who arrived in 1930.

The likelihood of survival is greater for women than for men at every period of life. On the basis of the national findings, a young woman in Highlands County, just arried at age 22, has better than 90 chances out of 100 of living for the next 30 years, by which time there would be no more dependent children on hand.

For her husband, who was two years older when they got married, the chances are about 88 in 100 of his surviving the 30 years.

Vehicle Inspection Up In County

The upswing of traffic in Highlands County is reflected in the monthly report of the Highlands County Motor Vehicle Inspection program.

John Gercken, MVI director, reported a total of 2,126 inspection certificates sold in October. This was an increase of 51 over the number sold in October 1974 and a jump of 313 over the report in September 1975.

The inspection stations collected a total of $6,768 in October. The greatest amount of activity was in the Sebring station: 926 certificates sold for a total collection of $2,936.

Avon Park ranked second with 795 certificates and $2,522 collected.

Lake Placid sold 405 certificates, $1,309 collected. Only $8 of the total was for replacement fees. Delinquent fees accounted for $382 of the October total.

In addition to its vehicle inspections in October, the MVI stations also handled 39 orders in the sign shop operated for the county, 19 of these were for street name signs.

The Beginning Of Christmas In America

The Beginning — On December 25, 1492, the history of Christmas started in the New World, when Columbus' ship, the Santa Maria, was abandoned off the coast of Haiti.

In Virginia in the year 1613 a record by an expedition of Captain John Smith reads:

The extreame winde, rayne, frost and snow caused us to keepe Christmas among the salvages where we were never more merry, nor fed on more plenty of good Oysters, Fish, Flesh, Wilde fowl and good bread, nor never had better fires in Enuland.

Settlers in Virginia brought many customs from England, the burning of the Yule log, ringing bells, lavish dining, dancing, games and Christmas carols. Churches and homes were decorated colorfully, and parties and balls were memorable.

The Pilgrim Fathers arrived in Plymouth some 7 years later, bringing with them their strong distaste for Christmas. Thanksgiving day, with its feasting and neighborly celebrations with friendly Indians, was more like Christmas.

In 1659, the General Court of Massachusetts enacted the law by which "anyone who is found observing, by abstinence from labor, feasting, or any other way, any such days as Christmas day, shall pay for every such offense 5 shillings." However, the Puritans did not have their way for long and the anti-Christmas law was repealed in 1681.

Happier Christmases — The chief winter celebration of the jolly Dutch in New Amsterdam was on December 6, St. Nicholas' Day. Significantly enough, it was a figurehead of this very saint that graced their ship, the Goede Vrouw, that brought them to America in 1630.

On St. Nicholas feast day the Dutch carried his statue down the street, with children joining in . . . the promise of presents bright in their eyes.

Gradually, however the increasing number of English in this area brought about the adaptation of many of the old customs; with the arrival of the first German dissenters in 1700, we find a tremendous increase in the observance of Christmas. It is with the Germans that the universal customs of Kriss Kringle or Santa Claus, and the Christmas tree originate.

The rapid growth of our country brought about less religious antagonism. The intermingling of people of different religious and national backgrounds also helped.

One of the more important historical events that took place on Christmas was the crossing of the Delaware by George Washington and his troops, in 1776, when they defeated the Hessians at Trenton, New Jersey. The Americans routed the redcoats who were sleeping off the effects of the holiday!

Sunday Schools, which had their beginning in the first half of the nineteenth century, helped to promote the acceptance of many folk customs, most importantly, Santa Claus and the use of the Christmas tree. Charles Dickens, in his beautiful classics, did much to popularize this colorful holiday, but it was some time before Christmas came to be celebrated as we know it now.

The Holiday on The Moving Frontier — The advancing of the frontier westward took with it this welcome holiday. Turkey shoots, which provided fowl for the table, were very popular. Festivities were often wild and noisy.

Traditional Christmases were celebrated in the west, and in 1846, a German visitor to Texas writes about seeing a richly decorated and illuminated Christmas tree, in a territory held by Indians a short time before.

Firecrackers and the shooting of guns were a part of the southern Christmas that traveled as far north as southwest Pennsylvania. National groups who settled outside the thirteen colonies carried with them the old customs of their former homes. In New Orleans, the wanderings of the Three Kings was symbolized by the French reveillons, gifts were for New Year's day.

In the southwest, Christmas celebrations were greatly influenced by the Spanish. Los Pastores, an old miracle play, with the eternal struggle of Good and Evil as its theme, was staged and has been revived on and off, through more recent years.

Christmas was recognized legally, first in Alabama in 1836, and by 1890 all states and territories acknowledged it as well. Christmas is the only annual religious holiday to receive this secular and official sanction.

Enter Santa Claus — In America, Santa Claus is known by three names — St. Nicholas, Kriss Kringle, and Santa Claus. St. Nicholas first appeared in the first half of the fourth century in Asia Minor, as Bishop of Myra. Many miracles are attributed to him and there are many legends that attest to his generosity. He was the protector of sailors aboard Dutch ships, as well as the patron saint of young people. The first Dutch church build in New York City was named for him.

Sinterklaas, as he was known to the Dutch, eventually became Santa Claus . . . his original red and white vestments became our modern red and white Santa costume.

The Germans and Swiss who settled in Pennsylvania in the eighteenth century believed in the Christ child, who brought gifts to children on Christmas eve. English speaking settlers in neighboring areas transformed Christkindle into Kriss Kringle.

Poems and Pictures — Clement Clark Moore is credited with creating the current Santa Claus image and story in his poem "A Visit from St. Nicholas." The poem, originally written for his children in 1822, has been published an endless number of times and is one of the most popular American peoms.

The fat, rosy-cheeked Santa we recognize today evolved from a series of cartoons by Thomas Nast, nineteenth century artiest.

Florida Power Smokestack Toppled

In three-quarters of a century, Florida Power Corporation has grown from a company which supplied 30 lights to St. Petersburg to a corporation which serves 32 of Florida's 67 counties. Part of that growth included the acquisition of the Florida Public Service Company in 1944, which had built the first generating plant in Avon Park.

The first unit of the Avon Park plant was built in 1928 and furnished 12,000 kilowatts of electric power to the interconnected transmission system for Florida Power customers. The unit produced electricity for almost 50 years and was retired in April 1975.

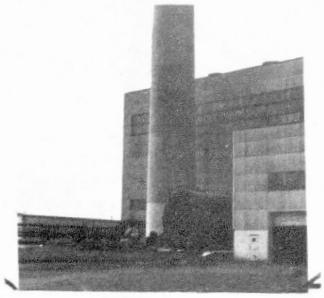
Due to the decreasing efficiency of burning fossil fuels, power plants have an average life span of 30 years. The reinforced concrete stack, which stands 148.5 feet above ground, was destructed on Saturday due to age cracks and faulty lines.

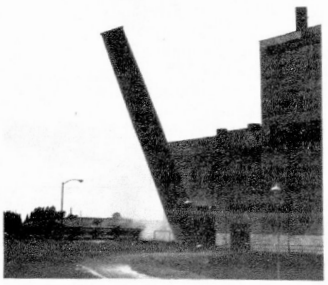
In 1952, an additional unit was brought into serice in Avon Park. The unit produces 42,000 kilowatts of electricity to Florida Power customers, and it will continue to be in operation. Peaking units producing 70,000 kilowatts were added in Avon Park in 1968.

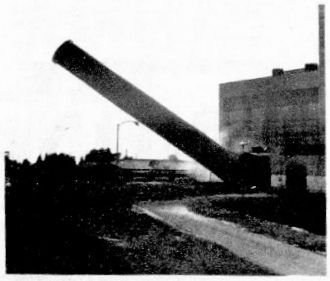
Moving with the times to furnish dependable, efficient, economical electricity is the goal of Florida Power Corporation and its employes.

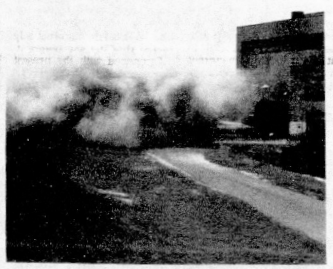
In 1976, the first nuclear unit will furnish 825,000 kilowatts of electricity and is located in Crystal River, Fla.

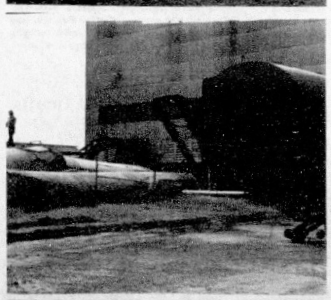
New technology and better methods will be studied continuously so that Florida Power customers will receive the most efficient power obtainable.

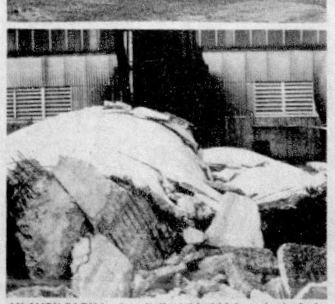












AN AVON PARK landmark, the 148 foot high smokestack of the Florida Power Corporation generating plant on S. Highlands Ave. was toppled at 12:43 p.m. Saturday Dec. 13, in seconds 48 years after being completed in May, 1927. With a 1000 or more smokestack blastings behind him an employee of Rust Engineering Company, who built the stack, placed three sticks of low grade dynamite against a timber prop that supported the side of the stack after a notch had been cut in the base. In approximately three seconds the towering obsolete stack lay crumpled on a predetermined line. The debris will be placed in a hole where soil had been removed at the time the plant was built. Florida Power Cited For Professional Management

Dun's Review, the prestigious monthly business publication of Dun & Bradstreet Inc., has selected Florida Power Corporation as one of the five best managed utilities in the nation.

In its December issue, the magazine said that selection was made based on a company's financial accomplishments during very trying times and added that "... for a truer assessment of performance, the companies were also rated on other essential factors — the professionalism of management, corporate planning, financial acument, and marketing strength among others." In all, 200 United States publicly owned companies were selected as "leading performers" by the magazine in 45 different categories that ranged from Aerospace to Utilities.

Commenting on the selection, the magazine pointed out that "Management professionalism counted heavily in regulated industries such as utilities, railroads, and airlines where financial results often reflect the uneven hand of state regulators or arbitrary decisions made in Washington."

Florida Power President, Andrew H. Hines Jr., expressed pleasure at the company's distinction and said, "This recognition is a tribute to the men and women of the company. They form a great team."

The other investor-owned utilities named with Florida Power were: Commonwealth Edison of Chicago, Northern States Power of Minneapolis, Public Service of Indiana, and Wisconsin Electric Power.

Bicentennial Committee Offers Awards For Student Work

Trophies will be presented to the student who participates in the contests offered throughout the Avon Park Schools. The Bicentennial Committee of Avon Park is offering first and second prizes for all entries in the various categories of art, writing and speaking contests. These will be presented on grade levels, stated Leoma Maxwell, Chairman of the Bicentennial Committee. There will also be awards for room prizes in the elementary grades where the students participate as a class in a patriotic project.

All of these awards will be presented at the Avon Park Community Bicentennial program which will be held Monday, March 1, in the Middle School auditorium. The work of the students will also be on display.

Winners in the various contests should be reported to the Bicentennial Committee as soon as possible, after Jan. 30, 1976, so the trophies can be ordered.

The Civic Clubs of the City have been invited to contribute towards this project, by a money donation to help pay for the trophies and to furnish judges for the contests if the teachers in the schools need them.

The Community program which is scheduled for March 1 will also include a patriotic musical program resented by Vic MicKunas and the band and Evelyn Jones The Young Highlanders.

Mrs. Maxwell states that the Bicentennial Committee has designated February as Avon Park' s Bicentennial month. She urges every one to make plans to show their patriotism in special ways during February and meet together on March 1 to celebrate.

Seniors Are Above State Average

Of the 83 Avon Park High School seniors who took the statewide 12th Grade Test, 44.5 per cent scored 330 or above. The minimum score necessary for admission to four-year state universities is 300.

The average score for Avon Park seniors was slightly above the statewide average.

The Statewide 12th Grade Testing Program is conducted in all Florida high schools each fall to provide comparable ability and achievement data on all seniors. The probram serves the needs of four groups: Students and Parents, in making plans beyond high school; high school authorities, in curriculum evaluation; guidance counselors, in assisting students to evaluate their strengths and weaknesses; and college admissions officers, in the selection of a well-qualified student body.

While the results of the Florida Statewide 12th Grade Testing Program play an important role in guidance and admission, their value should not be overstated.

School grades, teacher recommendations, and other factors must also be considered for sound educational planning and decision making.

Scores are reported in terms of percentile ranks based upon results for Florida high school seniors. This means that each student's performance is compared to that of other Florida high school seniors. The percentile rank indicates the percentage of students that earned scores equal to or less than a given raw score. For example, if a raw score of 29 has a percentile rank of 40, it means that 40 percent of the seniors tested scored at or below 29.

While percentile ranks indicate how a student compares with other students in Florida high schools, they do not provide any indication of how a student would perform in a given institution.

Various institutions in Florida establish entrance requirements based on past experience. The state universities generally require a specified composite score. The community colleges, operating under an "open door" policy, tend to accept students with a broad range of scores.

When score reports are distributed, there are some students who are dissatisfied with their performance, and wish to be retested. All requests for retesting must be submitted to the college or university to which the student is applying.

Generally, such a request is examined in the light of all available data such as high school record, recommendations from school authorities, other test scores, and similar information related to the likelihood of improvement upon retesting. If the request is granted, the retest will be administered by the college or university.

Honor Society Inducts New Members

On Friday, Dec. 19 the Avon Park Chapter of the National Honor Society held its induction for new members in the auditorium of the Avon Park High School.

The following students were inducted into the society: Mike Ballentine, Sherri Collier, Brenda Cooper, Pam Griffin, Linda Klein, Donna Langston, John Mickunas, Brian Murphy, Sue Nunnallee, Lisa Clifford, Vickie DeWitt, Rochelle Gourlie and Cindy Langston. Sixteen of the parents of the candidates were able to attend.

National Honor Society members must be outstanding in scholarship, character, leadership and service. Juniors and seniors are eligible to become candidates for membership in the National Honor Society if they have a "B" average for grades 10, 11 and 12. This scholastic eligibility is further qualified by stating that the student may not have a grade lower than a "B" for the semester and nine weeks preceding consideration for induction.

After at student meets the scholastic requirements, he is evaluated by six of his present and-or previous teachers on character, leadership and service. He must have an overall rating of above average.

Eleven Accidents Investigated By Patrol

Holiday traffic picked up in Highlands County in the past week, but the accident rate held steady. Florida Highway Patrol investigated a total of 11 accidents. One injury was reported.

Tickets for speeding were issued to 59 drivers. Seven other infractions were reported, and seven truckers were ticketed.

No fatalities and no driving while intoxicated cases were recorded.

The holiday period for Florida highways officially is 6 p.m. Wednesday, Dec. 24, through Sunday night, Dec. 28.

Weber Speaks On Drug Usage

Phil Weber, Director of Pharmacy at Walker Memorial Hospital, spoke on "Medical Equivalence and Apple Pie" to the Avon Park Rotary Club. Phil spoke on drug usage and evaluation of brand-name drugs as compared to generic copies. He pointed out that just because non-brand name companies produce drugs that, on paper, have the same list of ingredients, they do not necessarily produce the same results. Brand-name companies spend millions yearly in drug research to improve existing remedies.

Generic drugs provide no assurance of performance and copy the "fruits of labor" of the large research companies. As Phil pointed out, the Food and Drug Administration cannot individually test all drug brands. There are some very good generic houses and if a particular drug is not a 'critical' one (as Digitalis for heart patients), Walker Memorial does purchase some generic brands. To be assured of greater drug reliability, Phil suggests we stick to brand name drugs. At today's prices, that is sometimes difficult.

In some of the latest Rotary Club action, the Board of Directors voted to contribute toward the 10th Congressional District Intern program.

This week's outstanding Rotarian is President Charles Collins. His untiring efforts are the club's biggest asset. Charlie has been especially helpful to the new members and inspirational to long-time members. A truly outstanding president, citizen and Christian friend.

Just as one cannot be a one day a week Christian, nor should we be in the Christmas spirit but once a year. The Rotary Club wishes all a joyful, meaningful Christmas, with the hope that the special feelings of the season reflect in our daily actions the year around.

Southland Court News

By MARION LEARNED

Southland Court once again is alive with the Christmas spirit. Homes aglow with lights and beautifully decorated trees adorn the various areas.

Relatives and grandchildren are visiting throughout the park and always a pleasure to have the children around.

Starting our Christmas week of festivities, park residents will go caroling Sunday evening as in the past. Refreshments will be available in the Rec. Hall afterwards.

Christmas dinner will be served at noon with a good number attending as always.

Mens Shuffle Match, Dec. 12. Three game winners were Gilbert Longbons and Charles Gifford, two game winners were Reavoe Wandover and Marvin Tebo. Grand prize wiunner at Bingo in the evening was Marion Learned.

Dec. 16, coffee hour at 9 a.m. was held in the Rec. Hall with 26 enjoying the fellowship and conversation. Twelve ladies met for Crafts and Sewing in the afternoon and twelve played Aggravation in the evening.

Wednesday the ladies enjoyed a sunny afternoon for their Shuffle Match, two game winners were: Martha Long, Grace Romans, Harriet Wandover, Claire Ross, Alvia Trompics and Ann Condit.

We welcome R. J. and Bess Carter, and William and Dovie Liller into our park family. We are very happy to have these folks and we invite all to our park activities.

From our house to each of you, may you find Christmas joy and abiding peace through the new year.

Farm Worker Hospitalized For Christmas

This Christmas is a happy birthday for Edith Gainey, 51; she has received the gifts she most wanted — a hospital bed and medical attention.

The frail farmworker appeared at Highlands General Hospital at 11 p.m. on Dec. 17 — sick, tired and seven hours late for the medical examination arranged for her by a government agency in Orlando.

Miss Gainey lives in Gifford, near Vero Beach. The Bureau of Disability Determination, administratively linked with Division of Vocational Rehabilitation in the Florida Department of Health and Rehabilitative Services, had scheduled the examination as part of the procedure in determining eligibility for disability benefits under Social Security.

Puzzled staff members of Highlands General asked Miss Gainey why she had come to Sebring to see a doctor. Gifford is approximately 100 miles from Sebring; there are no direct routes. The trip by bus had taken all day and into the night.

Miss Gainey knew she was very late for her appointment. She had a round-trip bus ticket and a taxi voucher, but no personal funds. She had had no food since starting the trek.

Hospital personnel said Miss Gainey was trembling and barely able to walk when she arrived. The decision was made to examine her in the emergency room. The emergency room doctor concluded that she was very sick but the case was not an emergency so she could not be admitted without a physician's consent.

The hospital social services department made arrangements for a place in a private home for the night. Early on Dec. 18 Miss Gainey's examinations were begun. Physicians she was to have seen on the previous day juggled appointments to work her into their day.

At 12:15 p.m. on Dec. 18 she was admitted to Highlands General Hospital and placed in isolation — preliminary diagnosis: active, contagious tuberculosis.

By Saturday, Dec. 20, the diagnosis was conclusive. With the cooperation of the Indian River County welfare department, Highlands General Hospital social services director made arrangements for immediate admission to the state hospital for tuberculosis patients at Lantana.

She was transported, via Highlands County Emergency Medical Services ambulance on Monday.

A misunderstanding about the word Lantana may have contributed to Miss Gainey's troubles. She has been a patient at the treatment center several times. When she filed for disability, she said she had been treated "at Lantana" — but no one picked up the significance of that phrase.

Her application went from Vero Beach to Tallahassee, where final certification could have been made. Bob Melcher, a district supervisor with the Bureau of Disability Determination working in Orlando, said the decision about disability is usually made in Tallahassee.

In some cases, Melcher said, the state office may request more information and the area office — in the case of an Indian River resident that is an office in Orlando — is asked to arrange for an examination.

Melcher explained that under the federal confidentiality law which governs Social Security information, he cannot answer questions about Miss Gainey or her attempts to be certified as physically disabled.

He did, however, outline the routine used in handling disability determinations. He said when the state office sends back a request for physical examiniation his office seeks to set up physician appointments as quickly as possible and "to convenience the person as much as we can."

The Orlando office works within a 12-county district which includes both Indian River and Highlands counties. Melcher said, "In all areas we have physicians who will accept assignments, and some who won't."

He would not confirm a statement from another agency worker who said doctors in Indian River County are not willing to examine poor people; that they charge higher fees than the state is willing to pay, and that the nearest doctors willing to cooperate with the state program live in Sebring.

Melcher did say the state has a fee schedule for disability examinations and the Bureau of Disability Determination may not exceed the maximum payment to any physician. Neither is a bureau worker permitted to negotiate to make higher payments by transfering funds from other sections of the budget — for example adding to the fee the money which would have been spent on tranpsortation for a patient to a more distant doctor.

Melcher was told he could not reveal the fee schedule, that information would have to come directly from the bureau's medical consultant, Dr. A. E. Ogden in Tallahassee.

Melcher added that throughout the district some physicians are making the disability examination at fees under the maximum level.

A doctor in Vero Beach did see Miss Gainey last summer, when she became ill and was unable to continue work as a fruit picker. During the summer she began to vomit blood, her landlady reported, and was taken to see a doctor.

If that physicians was told that Miss Gainey had been a patient "at Lantana", the significance escaped him, for no follow-up examinations were ordered, Miss Gainey reports.

While Highlands General staff prepared Miss Gainey for the trip to Lantana they asked her how she felt about going back to the hospital.

She said she was glad. She's a spinster, parents, brothers and sisters are all dead; there is no one who will notice that she is not home for Christmas, which is also her 51st birthday.

SFJC Spring Registration To Begin Jan. 2

The 1976 spring semester registration for college credit classes at South Florida Junior College will begin Jan. 2. Persons planning to enroll in the college for the first time and who have not yet filed applications for admission are urged to do so immediately.

Freshmen and sophomore students will register by priority number from 8:30 a.m. until 2 p.m. Registrations for all other students will begin at 2 p.m.

Applications for admission and 1976 spring schedules are available at the admissions office at SFJC or by calling 453-6661 in Avon Park.

Voice And Piano Lessons Offered At SFJC

Private piano and voice lessons are a part of the South Florida Junior College curriculum. Persons who enroll receive one lesson each week during the semester at a time arranged for the convenience of the student and the instructor.

Buford Jasper, music instructor, gives all voice lessons but the college engages a part-time teacher to assist him with the private piano lessons. Lessons are given in both voice and piano at the beginning, intermediate, and advanced levels and are $54 for the semester for each.

Music courses offered at SFJC may be taken for college credit or for audit. Anyone planning to take private lessons during the spring semester must register at the college during the period Jan. 2 — 12.

Further information may be obtained from the admissions office at SFJC or by calling 453-6661 in Avon Park.

Real Estate Course Deadline Extended

Registration deadline for University of Florida's Court II: Real Estate Principles and Practices classes, opening at Sebring High School the week of Jan. 5, has been extended to Dec. 31.

The three-hour night class is conducted for 15 sessions. Prepared by the Florida Real Estate Commission's educational consultant, the course is designed to help prepare eligible real estate sales people who are applying for the state broker's examination.

A registered broker from this area has been appointed as University of Florida adjunct professor to instruct the course. Registration fees are $70. Textbooks and materials are furnished by the University of Florida at a cost of $42.

Registration forms may be obtained at realty boards or by writing the Course II Coordinator, University of Florida, Division of Continuing Education, 906 Seagle Bldg., Gainesville 32601. The office phone number is AC 900-392-1703.

Between The Book-ends By C. Moore

I, Victoria Strange is a Gothic suspense novel by Ruth Willock. Phyllis Whitney says this book is "truly delightful to read — a warm story which pulled me along in an exciting fashion." Young, intelligent, attractive to men, and an heiress-what more could life hold in store for Victoria Strange. But for six weeks, until she is twenty-one, she must be careful, for under the will of her father, just killed in an accident, a large part of her fortune does not come to her before her birthday, and her relatives who are the next heirs are strange, grasping intriguers.

An Affair of Doctors is a multi-faceted novel that, in the tradition of Not As A Stranger, Stranger, goes beyond the world of the hospital and brings the larger and dimension of life to its story and characters. Frances Rickett is the author and it will be one of the more popular medical novels.

Fire Department Make Run

The Avon Park Fire Department and volunteer firemen responded to the first fire alarm for the cool weather with a run to Fabric King at the Avon Square Shopping Center at about 7 p.m. Monday night.

Fire Chief Mack Flowers reported to the city council that damage was limited to a faulty thermostat.

Burrall Sponsors Bill On Imported Beef

State Rep. Fred Burrall who represents a large part of Highlands County has co-sponsored a bill to limit the purchase of imported beef in Florida.

Burrall has signed onto the bill (HB 2421) with Rep. Gene Hodges.

"Simply, the bill prohibits the purchase of beef or cattle from outside the United States by any public agency for consumption or distribution in Florida," Burrall said. "By public agencies we specifically mean any agency of the state or municipality, political subdivision, school district or special district."

He said the bill also provides that any person violating the amendment to Florida Statute 287 would be held personally liable for any funds spent.

"We know our own Florida cattlemen are having trouble," he said. "Yet we permit governmental agencies to use the cattleman's tax money to buy beef from his competitors in other countries. That's not fair and it just doesn't make sense."

Burrall, who recently completed his first year in Legislature, is a member of the Agriculture Committee.

Fellowship Women To Hear "Steward Of The Hand"

The Women's Fellowship of Union Congregational Church will hold a luncheon meeting Wednesday, Jan. 7 at 12:30 p.m. in the church social hall.

The program theme will be "Stewards of the Lands" by Dr. Celestine Raney and will include illustrations and narration by Mrs. Anne Robbins.

Devotions by Mrs. Miriam Debo will be "What Does the Lord Require of Me as a Person on the Planet Earth?"

Hostesses for the occasion are Mrs. Lorena Wyatt, chairman, Mrs. Sara Spindler, Mrs. Asia Clemmans, Mrs. Martha McBeth and Mrs. Helen Ginn.

ATTEND CHURCH

EARLY CHRISTMAS EXCITEMENT was everywhere during the past week especially in Avon Park schools where many celebrations and parties were evident just prior to Christmas vacation. Above third grade students in Mrs. Hendrickson's class at Avon Park Elementary School look on as she opens presents from the youngsters during their party Friday afternoon.

Middle School Students Enter Celebrate America Bicentennial Contest

Two seventh grade students at Avon Park Middle School have entered art work in the "Celebrate America" Children's Bicentennial Art Contest for youngsters ages 6-12.

Ralph Keiffer, 12, and Mary Carmichael, 12, students in Gene Gremmer's art class, are the local entrants.

The contest, sponsored by Beneficial Finance, carries a first prize nationwide of all-expense-paid trip for the child, parents and teacher, to the George Washington Headquarters at Morristown National Historical Park in Morristown, N. J. There the winner will be presented with a $1,000 U. S. Savings Bond, and observe and experience first hand a memorable chapter of our nation's history.

The second national prize is a $500 Savings Bond and the third prize is a $250 Savings Bond. The 15 regional winners will each be awarded a $100 Savings Bond.

A spokesman for the sponsoring firm said "At a time when America's heritage is coming to the forefront of people's interest, this is a fun and rewarding way for youngsters to express their feelings about our great nation's history."

The contest is designed to stimulate in national heritage througfh the medium of original oil paintings, drawings or graphic art. "It's an opportunity for children to peek into America' past in a personal way," the spokesman said.

All children entering the contest will receive a handsome certificate of recognition.

Brenner said the local students' entries are being delivered to the Winter Haven branch of Beneficial Finance. Each entry will be judged on the basis of creativity and merit of artistic expression in relation to the Bicentennial Celebration and the history of the United States. Regional and national judges will be independent art instructors and art critics appointed by the sponsor.

Jaycees Hold Childrens Christmas Party

Over 300 children from Sebring and Avon Park were treated with a luncheon and a visit from Santa Claus, when the Sebring Jaycees held their annual underprivileged children's Christmas party Dec. 20 at the Knights of Columbus building in Sebring.

Children were picked up at Hopewell and Avon Park Elementary and at Woodlawn and Free Wild Schools in Sebring, and were transported in school buses to the party. Highlands County School Board members, as their private contribution to the festivities, paid mileage costs.

The children attending the Jaycee party were recommended by local teachers and the Division of Youth Services.

The Jaycees spent around $4 on each child for a personalized gift. "Santa Claus", alias Victor Zilaitis, arrived via helicopter and distributed the gifts. The Jaycees received $2500 during a recent downtown Sebring radio day, that went towards cost of the party.

Lake Group To Show Movie

Two gatherings have been scheduled by the Highlands County Lake Protection Association.

Tuesday, the group will sponsor a movie on water pollution, to be shown at the Holiday Motel and Cafeteria on U.S. 27, Sebring, starting at 7:30 p.m.

Next Thursday, Dec. 18, the organization will meet in the board room of the Barnett Bank of Sebring, again at 7:30.

Interested members of the public are invited to both.

Peace River Outboard Racing Announces

PRO Bicentennial Challenge Series Races On Lake Tulane

The Peace River Outboard Racing Association, Inc. is pleased to announce the upcoming PRO Bicentennial Challenge Series with the middle races of the series being run on Lake Tulane, Saturday and Sunday, Jan. 10 and 11. Outboards of both the Stock and Professional racing categories will be competing on Frostproof's Lake Clinch on Jan. 3 and 4, 1976.

On the following weekend, the drivers and their pit crews will journey to Avon Park, Fla. for the second race of the series. Jan. 17 and 18, 1976 will bring the series back to Frostproof for the third and final weekend of racing.

Drivers and crews are expected to arrive in Frostproof on New Year's Day to select their pit locations on the shore of Lake Clinch near the public boat landing. Entries have been received for drivers from Oregon, Canada, and from the west coast. When racing begins at 9:30 a.m. Saturday, Jan. 3, drivers will be pushing their equipment to the limit on the one and two-thirds mile surveyed course in hopes of setting a new world 5-mile competition speed record.

It is the belief of some veteran drivers that the course at Frostproof is one of the fastest in the nation, providing the weather cooperates. Jan. 4 will bring a shorter course of only one and one quarter miles, which should increase the action as the drivers battle for that ever so important start.

Jan. 10 and 11 at Avon Park, the series will run the one and one quarter mile course on Lake Tulane. The lake is a small sheltered oval body of water and will make for some exciting racing despite the weather.

The final weekend of the series is compared to the final game of the World Series of baseball. Competition will be at its peak, the drivers and crews having ridded their equipment of all the "Winter Bugs" that attack them during the off season. With their engines tuned to our Florida climate, and the boats set up for the difference in water density, they will attack the record course once again.

After the race on Saturday, Jan. 17, an awards banquet will be held for the drivers and families to present awards for the driver accumulating the most points in each of sixteen classes to compete in the Series. In Dayton, Ohio this past August, interest was at an all time high, as drivers competing at the Stock Outboard National Championships planned their journey to the Land of Sunshine.

Frostproof's Band Boosters are beginning to refer to the lake front as their "home away from home" as they are putting together menus of various treats to satisfy the appetites of some 300 drivers expected. Jan. 3 will find them serving breakfast, lunch, and dinner to the early arrivals. The Bulldog Band Chow Wagon will be serving throughout both the first and final weekends of racing to the drivers and spectators alike.

Quoting Peace River Outboard's Commodore, Bill Parker of Lakeland, "This should be the greatest weekend of racing, with the toughest competition ever staged at Frostproof." Both Bill and Evelyn Parker, former residents of New Jersey, remember well the anticipation of the warm Florida sun and good old southern hospitality found in Frostproof. Vice-Commodore Frank Hendry invites you to "Come out to the races and enjoy a fine afternoon of entertainment, good food, and cheer your favorite driver to victory."

AVON PARK HIGH School Cross Country Coach Chet Brojeck brings news of his entry in the Melbourne 26 mile cross country run on Saturday Dec. 27. With the time he completes the race he hopes to enter the Boston Marathon in the spring. Sunphoto — Miller.

Local Coach To Run In Marathon

Local track and cross-country coach Chet Brojek will run in the Melbourne Marathon in Melbourne, Fla. at 8 a.m. on Saturday, Dec. 27, 1975. The 26.2 mile course starts in a park and when winds through the streets of Melbourne. This is the first marathon that Brojek has ever entered. He hopes to break three hours so he may qualify for the Boston Marathon which will be held this coming spring.

Brojek formed the Highlands Runners Club last year and has won races ranging in distance from three to eight miles. In order to prepare for the marathon, he has run over 300 miles in the past month and a half. John Sheldon, of Winter Haven, will go to Melbourne with Brojek and will represent the Lakeland Runners Club. Sheldon and Brojek teamed up to win the Sheldon and Brojek teamed up to win the Central Florida two-man 10-mile relay this fall in the 30-39 year age group. Both men have been active in running competition during the past year and a half.

"I'm hopeful that some of the work I've put in will pay off this Saturday," stated Brojek. "The goal of any distance runner is to compete in the marathon which was the start of distance running competition and the Olympic games. I'll be happy to finish and if I break three hours, I'll be on cloud nine."

Ben Hill Griffin Golf Tournament Coming

The Eighth annual Ben Hill Griffin Citrus Invitational golf tournament will be held Friday through Sunday, March 12-14.

The tournament is annually one of the biggest invitational events in Florida and Ben Hill Griffin Jr., in announcing the dates, said it will be played again at Lake Wales Golf & Country Club.

The course is now undergoing extensive work and according to club president, Ray D. Powell, will be in its best shape ever for the tournament.

It will be 54 holes medal play, flighted according to handicaps. The field will be limited to 208 players, with invitations to be mailed January 16.

The 1975 winner was Chris Young, former Lake Wales resident now living in Valdosta, Ga.

Teddy Phillips will again be tournament director.

Wildlife Management Has No Time, Money, Manpower To Waste

Wildlife management has never had any time, money or manpower to waste. And today, with rising pressures on the land and its resources, waste in wildlife management is even more intolerable.

But with certain anti-hunting "conservationists" getting into the act, some of the badly needed time and money that should be spent on wildlife is being squandered on unnecessary environmental impact statements and defenses to needless court action.

A prime example is the 1974 court injunction that was sought by a coalition of New Jersey anti-hunters who wished to halt migratory bird hunting. The case was settled out of court when the U. S. Fish and Wildlife Service agreed to develop an environmental impact statement on waterfowl hunting. The 900-page study cost at least $125,000 and thousands of man-hours that should have been spent on the land itself.

It was a threefold waste. For one thing, annual assessments of waterfowl production and harvest have been made for many years. These annual studies of hunter harvest, and breeding and wintering grounds of waterfowl, are essentially environmental impact statements in themselves.

Second, there was that actual cost of time and money. Plus that fact that some of the material contained in the environmental impact statement is providing layers of the anti-hunting coalition with biological facts that are being misused to continue court actions and publicity that are directed to one major goal: the discontinuance of sport hunting. In 1975, the U. S. Fish and Wildlife Service is again back in court in both New Jersey and the District of Columbia defending its right to regulate migratory bird seasons. Ironically, these court actions are wasting federal wildlife funds at the very time that the Senate Subcommittee on Environment is conducting hearings on the deplorable condition of our National Wildlife Refuge System.

Still, that waste is largely offset by actual productive wildlife management. The waste that's fomented by anti-hunters is not offset, even partially, by any positive production programs. On the contrary, action by anti-hunters is negative and nonproductive.

The efforts of dedicated wildlife professionals are being challenged by anti-hunters whose stock in trade is emotional recrimination — and who know nothing about either sport hunting or wildlife biology. They are having a field day in their attempts to discredit professional wildlife management as a means of ending hunting, and are avoiding the real need: the development of habitat to enhance and protect wildlife resources.

SEASON'S Greetings

Red Devil Cagers Lose First Game Of Season To DeSoto

The Avon Park Red Devils lost their first game of the season last week when they dropped at 65-54 decision to the DeSoto High Bulldogs in Arcadia a week ago Tuesday night. The loss gave Avon Park a 3-1 record for the regular pre-holiday season with all games played thus far being Heartland Conference games. The Red Devil junior varsity closed out its 1975 portion of the schedule with a 55-45 win to remain undefeated in four outings.

Against the Bulldogs last week the Red Devils just couldn't get an offense going although the score was all knotted up at 16 all after one quarter of play. During the second quarter the Devils managed to score only 6 points while DeSoto jumped out front with an 11 point effort.

The Devils stayed cold during the third quarter hitting only 12 points while the Bulldogs pumped in 17 to take a ten point lead. Avon Park scored 20 points in the final period but allowed Arcadia to hit for 21 so lost the game by a 11 point margin with the final score 65-54.

James Ross, senior guard for Avon Park, led the Red Devil scoring with 21 points followed by Melvin Collins who scored 12 points. Dale Sisemore, the other Devil guard, made 11 points for the losing Devils and Kenneth Burley added 9 points for the 54 point total.

Anthony Conner was the only Devil to foul out of the game as 14 fouls were called against the Avon Park five. Arcadia's Harold Wesley emerged the games leading scorer with 22 points. Avon Park made 10 of 16 free shots while Arcadia hit 15 of 23 at the line.

Avon Park was set to play Lake Placid last Monday night in the Ft. Myers Christmas tournament and if they won they will play again Friday night, Dec. 26, in Ft. Myers.

Hunting Schedules For Holiday Season

Hunting schedules for the Holiday Seasons at the Avon Park Wildlife Management Area have been announced by the Florida Game and Fresh Water Fish Commission.

During Christmas sportsmen may enter the area at 12 noon on Christmas day and continue hunting through Sunday, Dec. 28. Hunting will be permitted after 12 noon on Christmas Day.

During New Year's weekend hunters will be permitted to enter as soon as possible after the bombing exercises permit on Wednesday, Dec. 31. Sportsmen may remain on the hunt area until 8 p.m. Sunday Jan.4.

Hunters may enter the area either through the main gate, off Highway 64 or the Frostproof gate off State Road 630.

Sportsmen are reminded they must clear the area by 8:00 p.m. on both Dec. 28 and Jan. 4.

Game And Fish Commission Looking To Improve On Quota Permit System

With the first year of the quota permit system over, the Game and Fresh Water Fish Commission is already looking at ways to improve the procedure for the 1976-77 hunting season.

In a report to the five-member Commission meeting in Ocala, Fred Stanberry, chief of wildlife management, said the overall reaction to the system by hunters "was very favorable."

"The majority of complaints were related to errors or delays in the operation of the computer system," Stanberry said, "but we will have these problems pretty much straightened out by next year."

Despite the large amount of publicity on the program, 40 per cent of the permits were issued less than a month before the opening of hunting season through the regional offices.

"The offices were reported overloaded with calls and sportsmen trying to get their permit at the last minute, and I'm afraid some did not get theirs by opening day, although they did by the second or third day," he stated.

The quota permit system will be discussed at all the public meetings in February and March of next year to gain input from sportsmen on improvements on the system, Stanberry said.

"One of the recommendations we will be talking about is a final date after which no permit will be issued and no other applications will be accepted, even if the quotas are not filled," he said. "That will give us sufficient time to process all applications and insure the permit reaches the individual prior to or during the first nine days of the hunting season."

Varsity Basketball Team Place Third In Tourney

Avon Park's Red Devil basketball varsity lost to Lake Placid in the opening game of the DeSoto High Holiday Tournament held in Arcadia last weekend by a score of 61-58 but came back in the consolation game the next night to take third place in the four team tourney with a 53-48 victory over Arcadia. Arcadia had lost to Fort Meade on the opening night by a score of 54-56.

The Lake Placid Green Dragons defeated the Red Devils in the closely-fought game by coming from behind with just 6:50 minutes left in the game. Avon Park led all the way until the fourth quarter.

At the end of the first period Avon Park had a 16-11 lead and went to the dressing room at halftime with a 30-25 advantage. The game was nip and tuck during the third quarter but Avon Park had a 45-44 lead and went to after three periods of play. Then the Green Dragons forged ahead and took the victory in spite of a last minute Avon Park rally.

Again it was Avon Park's James Ross who led the Devils scoring as the senior guard hit nine field goals for 18 points. Melvin Collins had 16 points, Kenneth Burley scored 13 points and Anthony Conner hit for 10 points. Lake Placid's Bill Ross tied James Ross for high scoring honors for the game with 18 and the Green Dragon's Mike Calahan pumped in 16 to tie Collins for second place.

Against Arcadia last Saturday night in the consolation game, Kenneth Burley and Melvin Collins both threw in 14 points to lead Avon Park to the victory over the host DeSoto High Bulldogs. It marked the first victory for Avon Park in the Arcadia gym in years.

Avon Park started slowly, trailing 12-8 after the first period and behind at halftime, 22-21. But a 14-point outburst in the third quarter turned things around for the Devils and they went on to win by the 53-48 score. Dale Sisemore had nine points and Anthony Conner and James Ross both contributed eight points each for the Avon Park total. Harold Wesley led the Bulldog scoring with 18 points and Arcadia had 11 fouls called against them while Avon Park drew only 8 fouls.

Coach Tom Lund's Red Devil varsity is participating this week in the Fort Myers Christmas Tournament. The Devils were scheduled to paly Lake Placid last Monday night. If they won they will play again in the sixteen team meet tomorrow (Friday, Dec. 26) night.

The Avon Park teams will continue the regular season schedule on Tuesday, Jan. 6, with a home game against the Fort Meade Miners.

Club Sponsors Latin Week

By GREG WADE

Friends, Romans and countrymen, lend me your ears as well as your appetites.

This year, the Latin Club sponsored a Latin Week from Dec. 15 to 19. During this week, students became acquainted with Latin customs.

The week began on Monday when students heard Latin sayings on the loudspeaker once a day, such as "Summum eninv bonum nec infrigetur nec augetur; in suo modo permanet, uteurnque fortuna se gessit." (Indeed, the greatest good is neither lessened nor increased; it remains in its own way, in whatever manner fortune shows itself.)

"Iucundus Natalis Christi it Felix Novus Annus" (Merry Christmas and Happy New Year.)

On Tuesday, the Latin Club put on a class play in Latin. The play was "The Christmas Carol." Wednesday was mythology day, and members dressed as gods and goddesses and practiced carols. This made quite a sight in the hallways.

Thursday found club members singing carols in class and on their way to and from the office. Naturally, the carols were sung in Latin.

Latin Week was climaxed with the Saturnalia feast Friday with members exchanging Pandora boxes. In case you don't know, the word Saturnalis means a festival in honor of Saturn.

Food for the feast consisted of deviled eggs, fruits and cheeses, vegetables, grape juice, honey and bread, tuna fish, ambrosia, nuts and olives.

Not a bad menu for a hungry Roman!

Invitations were sent to Mr. Robertson, Mr. Watson, Coach Franza and Mr. Cravens.

'Tis the season to be jolly . . . have a merry Christmas!

HEAVENLY HOLIDAY TEA COOKIES

Angel Cookies will alight at your holiday tea table! They are truly dainty cookies, as delicate as cherub wings from a lacy sprinkling of confectioners sugar. Look inside for even more beauty—you'll find a taste surprise of jellied cranberry sauce. Totally heavenly! They take a little time, but they're worth it. The lemon y dough is rolled out and cut to from the triangles which enclose the filling. Rolled oats supply the "body" that makes the dough so easy to handle and give the pleasant nut-like flavor. Do make plenty of Angel Cookies—they soon take flight!

ANGEL COOKIES
Makes 64 cookies

1 cup butter or margarine, softened
½ cup sugar
1 teaspoon grated lemon rind
2½ cups sifted all-purpose flour
¼ cup water
1 cup quick or old fashioned oats, uncooked
Jellied cranberry sauce

Heat oven to moderate (350°F.). Beat butter or margarine and sugar until creamy. Stir in lemon rind. Add flour and water alternately, mixing after each addition. Stir in oats. (Dough will be quite stiff.)

Turn one half dough out on floured board or canvas. Roll out dough to form a 12-inch square. Cut into 3-inch squares; then cut each square diagonally into fourths to make triangles. Place half of the triangles on ungreased cookie sheet. Put about ¼ teaspoon cranberry sauce on center of these triangles. Top with remaining triangles pressing edges lightly to seal. Repeat for remaining half of dough. Bake in preheated oven (350°F.) 10 to 12 minutes. Cool on rack. Sprinkle with confectioners sugar, if desired.

Several Courses To Be Offered At Night

A number of courses will be offered during the evening at South Florida Junior College during the upcoming spring semester. All courses are applicable towards the associate of arts or the associate of science degree. However, the College welcomes those who are not seeking a degree but wish to take courses for audit or personal enrichment.

Courses that will be offered on Monday evenings are criminal justice and community relations, class guitar, business communications, and real estate law.

Tuesday evening courses are administration of correctional institutions, college algebra, and freshment English. General biology will also meet on Tuesday with the laboratory session on Thursday.

Wednesday evening courses are child psychology and reading acceleration.

On Thursday evenings criminal law, philosophy, physical sciences, and real estate principles and practices will be offered.

Registration will begin on Jan. 2 and continue through Jan. 12. Classes begin on Jan. 5.

Anyone desiring further information should contact the director of admissions at the college or call 453-6661 in Avon Park.

Christmas Celebrated In Fourth Century

By BEDROS M. SHARIAN

There is no historical evidence that the apostolic or the early apostolic church celebrated the birth of our Lord. The early Christian church was more concerned with the baptism or the spiritual appearance of the Lord than His appearance in the flesh. There was deep conviction in the early church that the baptism of Jesus was the occasion of His spiritual birth of His adoption as the Son of God. This conviction naturally caused His baptism to be held in prominence while His birth according to the flesh was not observed.

The feast of Epiphany, the baptism and the spiritual appearance of the Lord, was the first Christian festival in the early church. This festival was held on January 6. It was in the fourth century that Christmas was recognized by Rome and later by the Eastern church. An Armenian writer of the 11th century states that Christmas was instituted in Rome by a heretic, Artemon, and was first celebrated in Constantinople in 373 A. D. on December 25.

The early church of Jesus Christ tried to build a bulwark against the heretical ideas which ventured to deny the appearance of Christ according to the flesh, by adopting the festival of Christmas and fixing a date of the pysical appearance of our Lord.

The Armenian church, which had celebrated the feast of Epiphany, objected to the Christmas festival at first but later adopted it and observed it on January 6, together with that of baptism. Since that time the Armenian Christmas begins January 6 and is celebrated for three full days.

This prominent festival of the Christian church became very important in the life of this people. It transformed her spiritually and gave her a fresh impetus, a chance to proclaim to the Mohammedan world that she practices a different and higher type of religion and was willing to confess her Lord publicly. These three days of Christmas were days of jubilee, public worship, joy, peace and happiness. They were days of brotherhood, of love, days of friendship and reconciliation. During this period the poor were fed, prisoners visited, the sick cared for, orphans, widows and helpless were made happy.

They were great days for the boys between the ages of six and eighteen for having prepared paper lanterns lighted with candles they would carry them through the narrow, muddy streets of the village on the night before Christmas, from house to house, in groups, singing sweet songs of the birth of Jesus, saying, "Eyesore, Heesous Purgitch Zynav, Avedis," that is "Today Jesus, the savior, is born, good tidings."

Thus they followed the example of the heavenly hosts who long ago proclaimed the birth of the Master to the shepherds. Sometimes they continued their songs until 1 o'clock in the morning then they joyfully returned to their homes having their pockets and sacks filled with pennies, candies, oranges and other presents. There was something heroic in their zeal; there was something devotional and sublime in these activities.

At this time men and women in separate groups or companies visited each other telling the story of the Saviour's birth. Visitors who entered the house saluted the host saying, "Christos Zunav Yev Haidnetzav,"; what is "Christ is born and is revealed to the world." As a response to the salutation the host would say, "Tzezy Mezi Metz Avedis," meaning "To you and to us great tidings."

During the early hours of the festival mornings, the doorkeepers of the churches walked up and down the streets beating the rocks and stones with clubs while singing sweet melodies in order to awaken the sleeping believers and to invite them to the morning worship. Oftentimes bells accompanies their music as if to say, "Come, come, bring your lives as presents to the Babe of Fa:hlehem." This persecuted race has never shrunk from professing her faith in the midst of her enemies.

After the morning church services of Christmas day, the whole congregation, led by the priests and singers, a great solemn procession, marched to the neighboring creek or stream to celebrate the feast of Epiphany. The high priest who held a silver cross in his hand would cast it into the water. Many believed as a result of that ceremony, the water became holy or sanctified for a time and the believers drank of it with sincerity, in the manner of Gideon's soldiers. A venturesome young man would then leap into the ice cold water and rescue the baptized cross.

Christmas and all other Christian and Armenian festivals were destroyed or abolished because of the Armenian deportation in 1915. The whole Armenian population of the Ottoman Empire was uprooted by senseless, ungodly and chauvinistic young Turks and their leaders. They uprooted a useful, prolific, industrious people even to their own disadvantage. Turkey will suffer for centures financially and morally for having sinned against an innocent people and against God.

The message of Christmas is "Love and Forgiveness." It is a Christian's duty and privilege to love and pray for his enemies, to pray for their salvation from their wickedness and to pray for their acceptance of the Savior of the World, our Jesus Christ, our Lord. I forgive the Turks for their injustices, I pray for them. This I do because I love my Savior. God also will forgive them if they repent from their sins.

Editors Note:

Bedros M. Sharian was born, 82 or 83 years ago in the Biblical province of Cilicia, Hadjin, Turkey. In April 1915 he and his family were deported into the Arabic deserts — only about a million Armenians survived.

In 1917 Bedros was captured by the British Army on the Mt. of Olives and chose that day, Dec. 9, as his birthday. As an orphan Bedros was brought to the U. S. by Mennonite missionaries and attended Buffton College, Buffton, Ohio.

Bedros has lived permanently in Avon Park for six years, coming here from Decatur, Ga. where he had established a carpet cleaning business. In September, 1974 he published his book, "I Love America." He and Mrs. Sharian are members of the Seventh Day Adventist Church.

Camping Fees Raised By State

Beginning Jan. 1 campers using electricity in Florida's state parks will pay 50 cents more, or $1 a night, raising the total overnight fee to $4.50 (plus tax), Harmon Shields, executive director of the Department of Natural Resources, announced. Shields said the increase is necessary because of rising costs of utilities and park operations.

"Campers not using electricity will have a reduction in their fee, however. We are discontinuing our policy of charging for electricity whether it is used or not. Non-electricity users will be charged $3.50 (plus tax) a night."

The annual camping permits, sold only to Florida residents, also will be increased, from $50 (plus tax) to $75 (plus tax).

The permit allows Florida residents use of camping facilities in state parks during the year, with only the electricity fee charged.

Local Woman Charged With Child Abuse

An Avon Park woman charged with child abuse has voluntarily entered a mental hospital for evaluation and treatment.

Mrs. Myra Lee Ferguson, 37, checked into Winter Haven hospital's mental health unit last week, a short time after her stepdaughter, Paula Ferguson, 14, had been found severely beaten.

According to Highlands County sheriff's department report, the 14-year-old girl said she had run away from home. Her stepmother located her with friends in Zolfo Springs and went to the Hardee County community to pick her up, Dec. 14.

The girl said her stepmother stopped the car, forced her to remove virtually all her clothes, tied her hands behind her back. She said that while she was stretched over an old oil drum her stepmother used a tree limb to whip her.

The limb broke and while Mrs. Ferguson sought another, Paula said, she managed to run away. When she came to the edge of the Pinecrest golf course she saw people around the clubhouse and began crying out for help.

Paula was wearing only a pullover type blouse when she made her escape. Sheriff's deputies took her to Walker Memorial Hospital where she was admitted for treatment of cuts and bruises.

When released from the hospital she was placed in protective custody in Sebring. Investigators reported Paula's father had said he was at home, on S. Delaney St. in Avon Park, during the incident and had not known his wife was going to Hardee County to fetch Paula.

Protective services division of Department of Health and Rehabilitative Services, deputies Monica Sauls and Glenn R. Bass of the sheriff's department made investigations.

A warrant for the arrest of Mrs. Ferguson was issued Dec. 18, but it has not been served.

TEACHER OF THE YEAR — Chester Brojek, an Avon Park High School teacher, has been named Highlands County Teacher of the Year. A Florida State Teacher of the Year will be chosen at a later date. In addition to his regular teaching duties, he is track coach at the local high school. Photo — Gobble.

Brojeck Named Teacher Of Year

Chester Brojek was entered in the annual state competition for Teacher of the Year. His recognition as runner-up and Teacher of the Year for Highlands County was received from Commissioner Ralph Turlington's office and presented to Brojek by James Ferrel Smith, county superintendent of schools.

Brojek and his wife Christine reside at 3422 Grand Prix Drive, Sebring. He teaches English at Avon Park High School and is now in his eighth year of teaching in Highlands County. Brojek has also taught American History.

In addition to his academic responsibilities, he serves as track and cross country coach at Avon Park High. He was awarded Coach of the Year in 1972 by the Florida High School Athletics Association. In 1972 his track team captured state championship and was runner-up in 1973. During the past four years, an individual member of his team has won a state championship in each year's competition.

Brojek has also been active in the Special Olympics Program through his efforts with Ridge Area Association for Retarded Citizens.

Brojek obtained his BS degree from Edinboro State College, Pennsylvania, and has been returning there each summer in pursuit of a graduate degree in political science.

He is a member of the Highlands Runners Club, competing in the Master Division as an amateur. His next competition is the Melborne Marathon on Dec. 27.

Manpower Planning Council Named

Ushering in the new year at the Heartland Manpower Consortium is a newly appointed Manpower Planning Advisory Council, Commissioner Frank Smith announced. The council, composed of representatives from Polk, Highlands, Hardee, DeSoto, and Okeechobee counties, makes recommendations to the consortium on manpower programs to aid the unemployed and economically disadvantaged within the five-county area.

Highlands county representatives are Charles Cullens, Del Preston Jones and Bob Maxwell, citizen representatives.

"I'm very pleased with the interest shown by these community members in serving on this vital council", Smith said.

The new membership will take effect Jan. 1 and members will serve terms ranging from one to three years.

Several Named To Dean's List

Several residents of Highlands County were named to the Dean's list at Florida Technological University for the fall quarter. They are:

Julie Hyatt, 219 Spring Garden Road, Sebring.

Martha Ingle, 1807 NE Lakeview Drive, Sebring.

Gail Spaulding, Route 1, Sebring.

Linda Dance, Route a 2, Avon Park, and

Donald Sisemore, 29 W. Charles St., Avon Park.

Seminar On New Worthless Check Law Scheduled

A sminar on the new worthless check law may be offered in Highlands County early in 1976. At the Dec. 19 session of the Highlands County Criminal Justice Forum, Circuit Court Clerk Earl Rich suggested that the state attorney staff might consider meeting with businessmen.

Ron Schofield, executive secretary of the Sebring Chamber of Commerce, said his office has been receiving "some feedback" about the new law and particularly the relation between prosecution of worthless check cases and the law's requirements for detailed information about persons cashing checks.

Assistrant State Attorney David Langford outlined some court procedures on checks. He and his new colleague in the state attorney office in Highlands County, said they would meet with businessmen to explain these procedures and answers questions.,

Schofield later said his office will be accumulating questions about the check procedures as it works toward the seminars. Avon Park Chamber of Commerce has expressed an interest in participating in the educational sessions.

Emergencies Continue Upward Trend

Medical emergencies continued an upward trend in Highlands County in the past week. The ambulance service answered a total of 32 emergency calls: 15 in Sebring, nine in Lake Placid and eight in Avon Park.

In addition, Avon Park units handled three in-county transfers; Sebring handled six in-county transfers and five out-of-county.

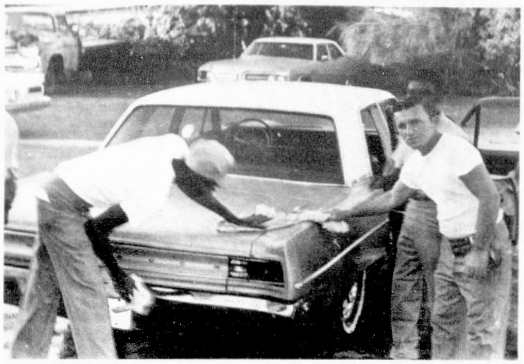
Jaycee Funds Go To Community



FINANCING VARIED CHARITABLE projects with car washes held on Saturdays, the APCI Jaycees contribute much for the benefit of children and senior citizens. The car washes are held at Border's Service Station, 200 W. Main St., Avon Park, and Quinter's Service, on A 17 North, Sebring. Louie Ballentine is sponsor of the APCI Jaycees. Photo-Gobble.

By NORMA GOBBLE

"I firmly believe the Jaycee creed, especially the last sentence, 'service to humanity is the best work of life,' " the newly elected president of the Avon Park Correctional Institution (APCI) Jaycees, George "Butch" Ballman, said in discussing Jaycees projects.

Ballman praised the cooperation given the APCI Jaycees by Superintendent Herbert C. Kelley in carrying out their service projects and Louie Ballentine, Jaycee sponsor, "who never fails to find time to whole-heartedly sponsor the Jaycees."

"From fund raising projects and on the heartbeats of each member it bounces and ricochets to heart warming charities of human need," Jaycee member, "Just Frankie," said.

Funds raised by car washes at Border's Service Station, 200 W. Marin St., Avon Park, and Quinter's Service, on A 17 North, Sebring, on Saturdays are contributed to such worthwhile charities as Cystic Fibrosis, the breath of life for our children; Muscular Dystrophy, United Funds, Red Cross, and Rodehaven Boys Home.

The Jaycees support three "adopted" children, Ellis, Cynthia and Emmanuela, through the Christian Childrens Fund. Many members donate their "earned" money to these youngsters.

The budget includes "Op-Con", which is a program to keep youthful offenders on probation and out of prison with "show and tell" of actual experiences that crime does not pay and help to make them useful citizens.

The Jaycees' Project HOPE is aimed at the senior citizen in convalescent homes. Each week, the Jaycees visit the patients and provide entertainment, music and companionship for the aged, bringing smiles to the faces of the shutins.

Each Christmas, the Jaycees "adopt" two needy families, one in Sebring and one in Avon Park, and bring unexpected Christmas joy. For the little ones they have toy projects.

The Jaycees also provide non-profit community organizations with aid in the form of labor.

The APCI Jaycees recently received recognition from the president of the United States and his wishes for continued success.

Between The Bookends

By Mrs. R. D. Moore, Librarian

Jess Stearn stands in the first rank of writers in the field of parapsychology and the occult. He spent more than a decade interviewing, researching, and investigating psychic phenomena and one of his most dramatic and provocative explorations of the hidden dimensions of man's mind surfaces in his book **The Search For A Soul: Taylor Caldwell's Psychic Lives.** His book delves into the psychic lives of best-selling novelist Taylor Caldwell. A skeptic about reincarnation, Miss Caldwell agreed to undergo hypnosis in the interests of setting the theory of reincarnation to rest. Yet according to Stearn once in a trance, Miss Caldwell lapsed into memories of other lives and places. Drawing on his years of research in parapsychology and the writing skill that has made him a best-selling author, Jess Stearn tells an absorbing story.

James Pope Hennessy's last book is being published posthumously. It is a masterful biography of Robert Louis Stevenson. Pope Hennessy, himself the victim of a murder as macabre as anything Stevenson could have imagined, has written a brilliant book which will not be readily superseded. The author tells the story of Stevenson's life with sympathy, perception and realism. His descriptions of the background are as vivid as those of Stevenson himself. This is a marvelous and luminous biography you should not miss. **Robert Louis Stevenson** is the title.

Elizabeth Seifert has written more than fifty novels about American doctors and their problems — professional, social, and domestic. She is adding yet another with **Four Doctors, Four Wives** destined to be as popular as all her others.

The Gargoyle Conspiracy by Marvin Albert is a political suspense novel about Arab terrorists played out against the background of Rome, Paris, London and the Riviera.

James Thurber was a great humorist. The word "Thurber" has become a part of our vernacular — the "Thurber woman", the "Thurber man" are all instantly and vividly recognizable. What sort of person created those creatures who bear his name? In an authorized, yet frank and uncensored biography Thurber Burton Bernstein reveals this artist as a complex, fascinating, and contradictory man. This book is based on private papers, letters, and exhaustive interviews with those who were closest to Thurber. The result is an insightful and entertaining view of the complete man.

Joan McNamara has written an accurate, up-to-date, specific informational book about adoption. It is a comprehensive reference manual providing guidelines to parents and professionals concerned with the subject. **The Adoption Adviser Is A Convenient Source of Information** on all aspects of adoption and an invaluable aid to everyone involved in this important process.

Elizabeth Peters is the author of an exciting romantic adventure story **Crocodile on The Sandbank.** This author is highly respected for her historical fiction and this new novel should prove popular.

Special Christmas Music Scheduled

Two special programs of Christmas music will be given at the Bok Singing Tower in the Mountain Lake Sanctuary at Lake Wales on Christmas Eve at 8 p.m. and on Christmas Day at 3 p.m.

The Christmas Eve program will once again feature John Hartley, narrator, who will read the Christmas story from the King James Bible. Alternating with these readings will be groups of fmiliar Christmas carols played by Sanctuary carillonneur, Milford Myhre, on the famolus 53-bell carillon made in England by the Taylor Bell Foundry. The program is patterened after England's traditional "Services of Nine Lessons and Carols," a yuletide event that originated at King's College, Cambridge, in the early part of this century. It has been featured at the Singing Tower since 1968.

On Christmas afternoon, Hartley and Myhre will present different readings and music of a seasonal nature in a program entitled, "In Time Or Place Afar."

Humane Society To Close For Holidays

The Humane Society Shelter on Airport Road in Sebring will be closed Christmas Eve, Christmas Day, New Year's Eve and New Year's Day.

Brentwood Mobile Court News

By MARY RIMES

"It's beginning to look a lot like Christmas" as everyone in the Court has decorated their homes and lawns so beautifully.

Mary and Howard Walker arrived Friday from St. Johns, Mich. Welcome back. Our circle is almost complete with the Didricks not planning to come until after the Holidays.

Our hall was almost filled to overflowing last Wednesday A.M. when 44 turned out for Coffee Hour. Marie Good and Lucy Holladay were hostesses and served donuts and sweet rolls. Our President, Warren Dayton, welcomed one and all - and we voted to have a cooperative dinner on Christmas Day. Flora Dayton was chosen Chairman, with Velma Leacox Co-Chairman for the event. Christmas cards, signed by all, were sent to the Orley Trues and Ilah Geisinger.

Doris and Larry Yallup and Glen and Ruby Pearson drove up to Bok Tower last Sunday and went to Cypress Gardens Wednesday, and they also visited the Wallings in Fort Meade.

The Gene Deubners had as guests last week, their nephew, Melvin Deubner and his mother, Mrs. Laraine Stevens of Detroit. They will return from Marco Island in time for them and the Deubners to spend Christmas Day with Mr. and Mrs. Howard Robertson in Golden Age Villas.

Sunday afternoon visitors of the Johnsons were Mr. and Mrs. Art Bailey of St. Cloud.

We wish to express our sympathy to Dorothy and Gerald Woods. We were sorry to hear his mother, Mrs. Ethel Wilford, age 85, of Elyria, Ohio, passed away Dec. 10. The Woods will be leaving us after Christmas as they have purchased a mobile home in Oak Gardens - south of Sebring. They were with us just a short time— living in a fifth-wheeler — so wish them much happiness in their new location.

Bill and Marie Good met their grandson, John Scobie at Tampa International Airport Monday. He flew down from Toledo to spend the holidays with his grandparents.

The Roudebushes have as holiday guests their daughter and husband, Mr. and Mrs. Wayne Elder of Canton, Ohio, a granddaughter, Sherry Geib, also of Canton, and counsins, Mr. and Mrs. George Michael of Carrollton, Ohio. Sunday callers were Mr. and Mrs. Carl Dager, Robertsville, Ohio and Mrs. Gladys Geib of Avon Mobile Park.

Hazel and Gene Deubner were shopping in Lakeland Tuesday and in Orlando Wednesday.

Sunday - allers of Bessie and Ward Bowers awere Mr. and Mrs. Ralph Dinzer of Hart Street.

Our sympathy also goes to Vera Dampier who attended the funeral of her last surviving aunt, Mrs. Caroline Sheffield, of Frostproof last Tuesday.

Recent visitors of Helen and Frank Straka were his sister and husband, Mr. and Mrs. Raymond Timms of Largo and Mr. and Mrs. Art Kullis of Fort Ogden.

Mr. and Mrs. Harold Jones of Petoskey, Mich., were Sunday guests of their cousins, the Cerfs.

Monday Mr. and Mrs. Wayne Duke and Mr. and Mrs. Wilfred Reed, Lake Bonnet, and Mr. and Mrs. Albert Keyes spent the day in Bradenton and St. Petersburg shopping and fishing.

Guests of Mr. and Mrs. Harry Burnett Sunday, Dec. 14 were Mr. and Mrs. Elmer Epsom and Mr. and Mrs. Ralph Krindler, Winter Haven.

Mr. and Mrs. Cloyce Hoffer, Lake Letta Estates, were Sunday visitors at the home of Mr. and Mrs. Delbert Husband.

Mr. and Mrs. Carl Walters, Adrian, Mich., called on Mr. and Mrs. Paul Thomas.

Mr. and Mrs. Harold Wolcott spent Sunday, Dec. 14, in Winter Haven.

Mr. and Mrs. John Evans left by plane Friday, Dec. 19, for the holiday in Alliance, Ohio.

Mrs. Bernice Tingler left Friday for a holiday visit with her son, William Tingler and family in Clearwater. She will be making the acquaintance of her first great-grandchild.

The Styrl Misheys were pleasantly surprised Sunday morning to meet at Church Mr. and Mrs. Leslie Wagner, Mr. and Mrs. Homer Woodward, and Mr. and Mrs. Carl Vollinger, all of Bellview, Ohio. The group had dinner together and enjoyed visiting.

Mr. and Mrs. Warren Byrer, Bourbon, Ind., and Mr. and Mrs. Bill Belcher, Rochester, Ind., left Wednesday, Dec. 17 for a 10-day visit with their families.

Mr. and Mrs. John Wiedeman, Bourbon, Ind., left Dec. 15 for a month's visit at home.

Mr. and Mrs. Basil Krontz left Tuesday, Dec. 23, by plane for Washington, D. C., where they will be met by members of their family. They will spend Christmas with their grandson and family, Dennis Armstrong, Lusby, Md., and return home Dec. 26.

The newest residents of the Park are Mr. and Mrs. Walter Stone, formerly of Manatee Park, Bradenton. They have purchased the former home of the Bill Belchers. The Stones are from St. Louis, Mich.

Allen Webb, Ft. Myers, son of Mrs. Louis Tripp, spent Friday with the Tripps.

Phelps Button submitted to surgery at Walker Memorial Hospital Wednesday, Dec. 17, and has been in intensive care.

Mrs. Thelma South, Mrs. Sponsler Limbaugh, Mrs. Bonnie Burgeson and Mrs. Albert Keyes spent Wednesday in Orlando.

Tom DerPlank and Mr. and Mrs. Ronald Bruce, Miami Beach, spent Wednesday and Thursday with Mrs. Bruce's grandparents, Mr. and Mrs. Ralph Helt.

Twenty-one residents met in the Rec. Hall Thursday night for Game Night. Pinochle, Aggravation, Dominoes, Crazy Eight and Ad-lib were enjoyed.

Bonnie Brae Mobile Park News

By MARGIE WELLS

The Christmas dinner which was held on Thursday at the Lions Hall was a big success. Approximately 80 persons attended and the food was both delicious and plentiful. Turkeys for the dinner were donated by Gert and Dan Bohland. Co-hostesses were Sally Bohaychyk and Ellen Hunt and they did a great job! Also, special thanks should be given to all the committees and many others who were so cooperative in making this party one of the best. Committee members were: Set-up: Hazel Jedrey, Luella Pinney, Ann Griffin, Olive Bechtel, Sylvia Fabiny, and Emily Webster; serving: Bernice Sheridan, Ann Griffin, Alice Pixley, Sylvia Fabiny, Gertrude Bohland, and Jean McDougall; decorations: Gertrude Bohland, Ruth Fleming, Margie Wells and Argus Sheridan; roasting turkeys: Bernice Sheridan, Alice Pixley and Art Smalley; Yankee swap: Ruth Smith, Emily Webster, Ruth Fleming and Lorene Campbell. A special gift was presented by the residents to Gert and Dan Bohland. After dinner, gifts were exchanged in a "Yankee Swap" and everyone joined in singing Christmas carols.

The Christmas party on Thursday was one we will all remember and this is a reminder that on Christmas day there will be another Christmas dinner for all those who will be in the park on that day. We extend sympathy to those who are on a diet!

Recent visitors of Lorene and Doug Campbell were their grandnephew, Richard Huelsman, from Fort Branch, Ind. and friends, Mr. and Mrs. Clarence Calwell from Fort Myers, Fla.

Mr. and Mrs. Harry H. Buhrow are flying from Orlando on Saturday to spend the holidays with their family in Edgerton, Wisc. It will be a busy and happy meeting at O'Hare field in Chicago where they will meet their grandsons who are flying in from Arizona State University and from Keesler A.F.B. in Missippi.

This reporter and all the residents of Bonnie Brae would like to wish each and everyone of you a Merry Christmas and it is our prayer that all will find peace and joy in the New Year.

Calvin's Column

By
CALVIN GIBBS

Hi Friends.

Christmas is the day on which Christians celebrate the birthday of Jesus Christ. No one knows exactly when Jesus was born, but most Christians observe Christmas on December 25. People take part in religious ceremonies, observing the season of "Peace on earth, good will toward men." Many exchange gifts and decorate their homes with holly, mistletoe, and Christmas trees. The word Christmas comes from the early English phrase Christes Masse, which means Christ's Mass.

Most of the Christmas story comes from the Bible (Luke 2 and Matthew 1-2). Luke tells a story of shepherds who were watching their flocks when an angel appeared to them and told them a Saviour had been born in Bethlehem. The shepherds went to Bethlehem to see Jesus. Today, thousands of pilgrims visit Bethlehem at Christmas time. Matthew tells how the wise men followed a star until it led them to Jesus. The wise men gave Jesus gifts of gold, frankincense, and myrrh.

The custom of exchanging Christmas gifts began in memory of the gifts the wise men brought the Christ Child. In some countries, children believe their gifts come from Saint Nicholas, a kindly bishop famous for giving suprise presents. In other countries, children believe the wise men or the Christ Child bring them gifts. But perhaps the most joyous symbol of gift-giving is Santa Claus. This jolly gentleman seems to set a mood of happiness and a good cheer at Christmas time.

Born on Christmas:

I've always felt special, yet cheated, being born on Christmas. It's quite amusing to hear people say "What," "You don't mean it," How does it feel?", and "You certainly messed up your mother's holiday." On the other hand, what isn't so amusing is the fact that people are so busy celebrating Christmas that they forget about your birthday and when they do remember, it's one gift instead of two or a card maybe for your Christmas birthday. However, if I could change it I wouldn't for any other day I know. Would you?

Mary Tate

Mrs. Mary L. Tate who lives on South Carolina Avenue will celebrate her birthday on December 25 also. Happy birthday, Mary.

Azzie Lee Walker and Henry Hinson Jr. (Manboy) will celebrate their birthdays on December 25 along with others in the area to whom I would like to extend best wishes for continuing health, happiness, a Merry Christmas and a prosperous new year.

Citizen for Christmas Week:

Willie M. Seigler

This special honor goes to Mrs. Willie M. Seigler who lives on First Street for the upkeep of her home and surroundings which help make Eastside Park beautiful.

Humor of the week:

The height of irony is to give father a billfold for Christmas.

English Lesson for the week:

Wrong: Will father be home for Christmas?

Right: Will Father be home for Christmas?

Explanation: Capitalize the common noun, "father" when treated as the name of a person. (Proper Noun)

A Thought for Christmas

Hold High The Torch!!

Hold high the torch of beauty,
truth and love!
You did not light its glow—
'Twas given you by other
hands, you know.
'Tis yours to keep it burning
bright,
Yours to pass on when you no
more need light;
For there are other feet that we
must guide,
And other forms go marching
by our side;
Their eyes are watching every
tear and smile,
And efforts which we think are
not worthwhile,
Are sometimes just the very
helps they need,
Actions to which their soul
would give most
heed; So that in turn they'll
hold it high,
and say, "I watched someone
else carry it
this way." If brighter paths
should beckon
you to choose, Would your
small gain compare
with all you'd lose? The day
our Maker said:
"Let there be light? "Ye are
the light of
the world." Go! . . . Shine for
me." RJWD;lwp

Hospitalized at press time:

Timothy Gibbs

Christmas time at Avon Park Middle School

The Highlanders and another special musical group of 5th and 6th graders under the direction of Mrs. Ann Mickunas rendered beautiful and entertaining songs of Christmas during assembly on Friday.

Necrology:

Funeral services for the late sister Alberta Livingston will be held Sunday, December 28 at 1 p.m. at the Hopewell auditorium. Elder C. Fogle, Church of God by Faith will deliver the eulogy.

All Night Service:

Watch night services will be held all night on Wednesday night December 31st at the Church of God by Faith where five ministers from Lake Wales will deliver their trial sermons. Free coffee and other refreshments will be on sale all night. Elder C. Fogle, pastor.

Another Christmas Birthday:

Mrs. George Collins on 3rd Street was also born on Christmas Day.

Thought conditioner for the week:

These few words remind us of a spring of cool water because of their renewing quality. The frequent use of today's text has an invigorating effect.

Sometimes after a busy day or even in the midst of exacting activities, stop and say these words over to yourself and note how they dissipate weariness and refresh the body, mind, and spirit.

The best method for using these words is to say them slowly, emphasizing their soft quiet melody. At the same time conceive of peace, rest, and renewal as coming to you.

This is the refreshing. Isaiah 28:12.

Yours truly,
Calvin C. Gibbs

Winter Guest Club News

By ILLEON KULL SHUFFLEBOARD

Our yearly District Amateur Tournament was held in Avon Park, Dec. 18 and 19. Rain delayed the start until nearly noon on the 18th. There were fifty-nine teams, from fifteen clubs, in the tournament which covers the Central District. Play continued until after dark on the first day so it could be completed on the second day.

In the main event, teams from Sebring, Nalcrest, Dinner Lake Haven, and Sebring won trophies for 1st, 2nd, 3rd and 4th places in that order. In the consolation, Helen Gaut and Henry Barnett, from Avon Park, won 1st place and a team from Haines City won 2nd place.

Dec. 17 — "A" - Main - 12 courts. 1st, Wm. Bayes and Ed Healy. 2nd, Ken Holsapple and Duke Christensen. Consolation - 1st, Everett Paxton and William Baxter; 2nd, Louise Bell and William Bell. "B" — 12 courts - Main - 1st, Oliver Colson and Curtis Townley; 2nd, Reuben Pritchard and Ross Carlson. Consolation - 1st, Martin Littlefield and Alice Holsapple; 2nd, Cecelia Healy and Raymond Downing.

CRAFTS

Dec. 16 — Thirty-five members attended and worked on Christmas decorations. A new project, "Jack in the Box", made from Pringle potato chip boxes was introduced. Bead angels, pine cone elves and new pine needle projects are being worked on. The next classes will be held on Dec. 23 and Dec. 30 on account of the holidays. Please keep these dates in mind., Three-dimensional tole plaques will be made for several weeks.

the Star

CHRISTMAS tree ornaments are made to resemble snow, unusual patterns of ice, and frost; however, the most beautiful ornament and symbol is the star for the top of the tree. This is to remind us of that wonderful day when the child Jesus was born in a manger and the star shown the way . . . "*for we have seen his star in the east, and are come to worship him.*" Let the star on the tree remind you to attend church and worship him too.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Scrap-Craft Fun
with Edna

Furnish the den or playroom in "Early Scrap-craft."

End Table

Use two 16" square pieces of plywood. Sand each piece well so it is nice and smooth. Stack and, using household cement, glue tin cans of the same size together for the legs. Glue the assembled legs to the base and let dry overnight. Cement the top in place and let it dry overnight. Paint the table in fun colors. If you mark off the top into 2" squares, eight squares each way, you can use it to play checkers too.

Pull-up Stools

Somehow extra seating room is always needed. Assemble the stools the same as the table, using two pieces of plywood, 12" to 15" square. Add the legs, which should be about 13" high.

If you want to upholster the top, do it before gluing on the legs. Cut fabric or leatherette large enough to cover top and sides of board, allowing excess for tacking to underside. You may pad the top lightly with foam rubber or an old pillow before tacking. When top is completed, glue on painted legs and base.

Bookcase

Functional, sturdy bookcases can be made in the same manner. For the shelves, use plywood ½" or more thick. The shelves can be as deep and as long as you want. The tin can spacers between the shelves should be approximately 12" high. If your bookcase is exceptionally long, add tin can spacers in the middle, too.

Would you like more ideas for tin cans? Send for "Tin Can Projects for Children." To get your copy, send 75c with your name and address for book No. 0572 to:
