United Seeks \$8.1 Million Increase

Local Rates Will Double

The United Telephone Company of Florida has filed a petition with the Florida Public Service Commission, seeking authority to raise its rates and charges to yield \$8.1 million in additional annual revenues.

The new proposal requests permission to make substantial increases in connection charges, raise the cost of local coin telephone calls to 20 cents, and provide a 20-cent charge for directory assistance calls exceeding three per month.

In addition, present local telephone rates would be increased from 5 cents to \$1.80 per month for residential customers (depending on locality and type of service) and from \$3.85 to \$9.15 for businesses.

United has proposed a new seven "rate band" structure to replace the present six, which set forth local rates according to the number of other telephones within a community's toll-free dialing area.

Thus, a one-party residential subscriber in the company's lowest rate band (under 1,000 phones) would be increased from \$6.25 to \$6.65 per month and, in the highest rate band (more than 50,000 phones), from \$9.25 to \$11.05 per month, exclusive of taxes. Party line customers would receive proportionately smaller increases.

Business one-party rates would be increased from \$10.50 to \$14.85 per month in band one and from \$16.50 to \$25.45 per month in band seven.

The largest increase in United's proposal would be applied to new customer connections and to moves or changes, said the company, in an effort to recover the actual cost of such services.

The present maximum residential connection charge would go from \$10 to \$40.20. For business phones the charge would increase from \$16 to \$58.20. The new charges, according to the company, are less than similar charges now being sought by Southern Bell and General Telephone.

Edward P. Kittinger, United president, said the proposed increase would yield approximately \$4 million in taxes and permit the company to earn a rate of return of 10.5 per cent on its investment in telephone properties.

"As much as we would like to avoid an increase," said Kittinger, "our failure to act would have serious consequences on our ability to provide vitally needed communications services within our growing Florida territory."

Kittinger said that the proposed Directory Assistance charge plan was basically similar to those instituted in other states and currently being sought by Bell and General Telephone in Florida.

He said studies prove that most requested numbers are listed and available to directory holders. The studies indicated that a small percentage of subscribers generate the majority of DA calls, creating mounting costs that have been borne by all customers.

Under the new plan, said Kittinger, the first three DA requests each month would be without charge. Calls exceeding three would be charged 20 cents per request. He said that since most subscribers make three or fewer calls each month, their bills would not be affected. The charges would not apply to calls from coin phones, motel guest rooms, hospitals or from hand-carried persons.

The present 10-cent coin phone charge, said Kittinger, has not been changed in more than 20 years. During that time equipment and maintenance costs have gone up many

times. He said that a 20-cent coin charge would have only a limited effect on local people because they make most calls from their homes or businesses.

Kittinger said United's common share earnings of \$1.7 million for the first four months of 1973 were down 19.4 per cent from a year ago. One of the major reasons for the decline, he said, was a 37 per cent increase in interest charges compared to 1974.

"The company's total revenues were up 19.4 per cent for 1974," he said, "but higher costs caused the year's earnings to fall nearly 10 per cent compared to 1973."

"We invested \$100 million in new facilities during 1973 and 1974 alone," he said, "increasing our long-term debt by some \$50 million. This year we will pay more than \$90 million in interest charges... an increase of \$4.1 million in just two years."

"Due to our service area's makeup, our average facilities investment per telephone was \$1,026 at year-end 1974," said Kittinger. "This figure was 36 per cent above the \$750 per phone average for the nation's independent telephone industry."

Citing progress made by the company over the past 18 months, Kittinger said the company had reduced a list of more than 1,000 pending orders for private lines to approximately 106, while making other improvements. "Since 1973," said Kittinger, "we have completed or have underway nine electronic or electronically controlled toll or local switching facilities. During 1973-74 we will have provided some 1,700 miles of additional buried cable facilities to serve customers."

"We're now at the point, however, where we must seek a rate increase. This necessity has been created by inflation, high capital and construction costs, and an increasing demand for customer service. These are the basic facts of the matter."

SunCountry Jamboree

The SunCountry Jamboree, which drew large crowds in Frostproof, will make its debut in Avon Park Thursday, June 19 at the Highlands Theatre.

Center Serves Five Local Banks

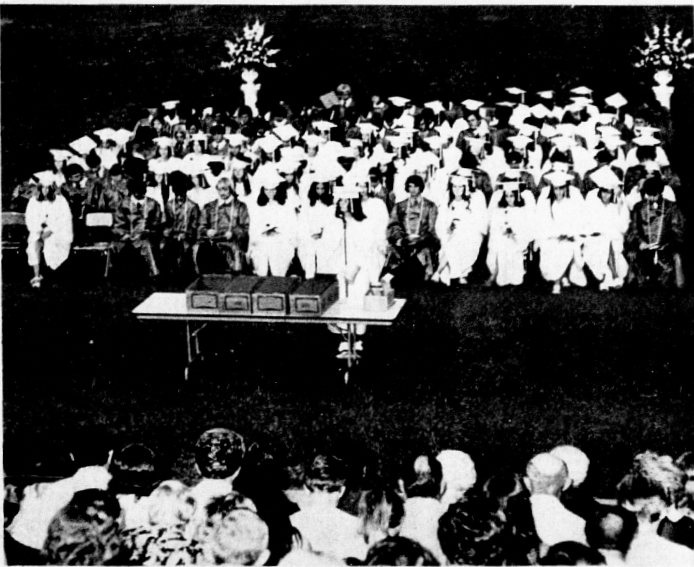

Bank Control, Computer Service Is Now Localized

Controlling interest of the Avon Citrus Bank is owned by Avon Securities, Inc., a registered one-bank holding company which was recently purchased by a group of local men.

C. Elton Crews, long time local citrus grower and cattleman, is president of Avon Securities. Thomas W. "Tommy" Bagwell, owner of Bagwell Lumber Company, and Charles H. Hoke, chairman of the board and president of Avon Citrus Bank, are vice presidents.

A vital part of today's bank operation is a computer service and the Highlands Computer Service located on U.S. 27 Highway 27 South is a wholly owned subsidiary of Avon Securities.

In addition to processing Avon Citrus Bank work on a long-time contract, Highlands Computer Service has long term contracts with the First National Bank of Stirling, First Bank of Lake Placid and First State Bank of Arcadia.

Graduation

WITH BOWED HEADS graduating seniors and audience listen as Tracey Sutherland gave the invocation during the

Commencement exercises at Memorial Field Monday night.

Seniors Receive Diplomas

An empty chair draped with a scarlet graduation robe, a diploma accepted by his brother Jerry in absentia may have been the last goodbye from many of his classmates for Orville Ralston Jackson, the victim of a tragic trailer fire.

The dignified solemnity of the presentation of diplomas Monday Evening at Memorial Stadium to 130 graduating seniors of Avon Park High School by Dr. John Crittenden, principal was cracked when relatives and friends applauded a graduate. When one graduated senior was the object of a long admiring whistle, graduating became a joyous and happy occasion that was unmarred by a light falling rain that speeded up the ceremonies but did not prevent the graduates from throwing their hats into the air.

To the procession music of Elgar's "Pomp and Circumstance," played by the Avon Park High School

Grenadier Band under the direction of Ken Eberle in the absence of Band Director Vic McKanas, the graduation seniors were escorted on to the field by Marshall Cynthia Langston and Frank Anderson.

It was a student dominated graduation program with Tracey Sutherland giving the invocation. Kim Charleville in her salutatory address stated

1st Combat

Support Squadron Renamed

The 1st Combat Support Squadron at Avon Park Bombing Range will be redesignated the 56th Combat Support Squadron effective July 1. Capt. Craig Aldredge, chief of electronic warfare operations, said.

The squadron is under the 1st Combat Support Group, 1st Tactical Fighter Wing, at McDill Air Force Base. The 1st

Electronic Warfare Wing will also be renamed.

The 1st Tactical Fighter Wing which will use the new highly advanced F15 Eagle fighters will be reactivated at Langley Air Force Base, Va.

The 1st Tactical Wing name carries a lot of prestige in the Air Force is always given to the organization using the latest in fighter planes,

saw the different ways to success as being endless but cautioned — soon are the roads to failure. He advocated the wise use of opportunities and materials given to us.

Bryan concluded, "Life is a great challenge, but with faith and trust in God, ourselves and our fellowman it will be a fulfilling life."

Valedictorian Bryan Davis

City Council Opens Bids On \$3.5 Million Sewer Program

In the packed city council meeting room the Avon Park City Council opened bids from 25 construction companies on the \$3,500,000 sewerage system improvement program. Most of the bids were relatively close to the engineer's cost estimates with no company bidding on the sewer project as a whole unit.

The sewer improvement program was divided into three projects to encourage bidding by a large number of construction firms. Project No. 1 was the water pollution control system which engineers estimated as costing \$823,200. Project No. 2,

Westerly Waste Water Collecting System, had an estimated cost of \$1,597,000, while Project No. 3, Easterly Waste Water Collecting System was estimated to cost \$1,447,200.

The city council, represented by all councilmen, city attorney and engineers, on opening of the bids told the construction company representatives that all bids would be considered and one bid would be accepted on June 30. This time interval gives the council and engineers time to examine details of the bids along with verifying contractor reliability.

Fourth Of July

Celebration To Kick Off Bicentennial Events

A Bicentennial Celebration kickoff on Friday the Fourth of July was outlined by the Avon Park Fourth of July Bicentennial Celebration committee in their last Friday meeting.

The theme for the Bicentennial Celebration kickoff is an Old-Fashioned Fourth of July picnic at Lonsdale Park from 12:00 noon until 2:00 p.m. with each family bringing their own picnic basket and having an old-fashioned country visit with friends and neighbors.

Celebration of the Bicentennial year of July 4, 1975 to July 4, 1976 will start off with the invocation at 12:00

noon, followed by the flag raising ceremony. Some time during the celebration with time local talent will present live entertainment.

A community sing will wind up the formal celebration with singing of patriotic songs ending promptly at 2:00 p.m. so families may take part in other activities they may have planned for the day.

The Bicentennial Celebration committee of Bob Deubach, Richard Hamm, Evelyn Jones and Francis LaFlan urges every one to plan on taking a part in the Fourth of July Old Fashioned picnic either with their families, friends or neighbors.

Solid Shield '75 Returns Home

The last of the some 45 men and equipment of the Avon Park Bombing Range who participated in Solid Shield '75 returned to home ground with the arrival late last night of the train convey.

Solid Shield '75 was an all-service war game which simulated invasion of a country to test the various aspects of military preparedness of the

Air Force, Army, Navy and Marines and was held in an area around Jacksonville, N.C.

"We accomplished essentially what we set out to do," Capt. Craig Aldredge, chief of electronic warfare operations, said. He said there were 40,000 or more troops and several million dollars worth of equipment involved in the annual maneuver.

Aldredge said the local detachment was augmented by Navy personnel from Hinesville, Navy Base near Ocala who worked in coordination with local personnel.

The local bombing range personnel provided signals to various aircraft of the Air Force and Navy simulating enemy guns and missiles. Aircraft flew inland from aircraft carriers off the east coast. Marines went through beach landings, helicopters performed air operations of Army personnel "fighting" under field conditions.

The maneuver included women personnel of the various branches of service living and operating under field conditions. The women "soldiers" received no preferential treatment, Aldredge said.

The object was to simulate war as realistically as possible without using live bullets to test the military effectiveness in repelling possible attack on the country.

MOUNTAINS OF PAPER representing checks and deposit slips for area banks including Avon Citrus Bank go through the computer at Highlands Computer Service each day. The different parts of the computer operation are connected through

connections which go under the floor of the building. Here, John Gross, vice president and general manager of Highlands Computer, and Joyce Underwood check the operation. Photo—Gobbie.

Letters To The Editor

Haynie

Lets Not Destroy Lake

I read in the Sun with interest where the Avon Park City Council has set aside \$75,000 for a new civic center and \$15,000 for rebuilding of the baseball park lights. I do not know what their goal is to build the civic center. Surely it must not be less than \$150,000.

Some of the city fathers speak of these projects in glowing terms and well they should. I am sure they will prove to be an asset to our city. I only mention these projects to see if some of us are not getting our values all mixed up.

I believe on an annual basis the civic center will serve approximately 500 people a month, using \$150,000 for total cost of the center and \$10,000 annually for janitor, insurance, maintenance and electric. The cost of this projected over a 50 year period is \$650,000. On the baseball park with a \$5,000 maintenance and electric light cost over 50 years is \$250,000.

On the north side of Avon Park Park we have a facility that for the last 50 years has serviced as many people as the above two projects and will cost to anyone. Now the usefulness of this facility is in jeopardy.

The city council at the urging of the sewer engineers proposing a sewage line station on the slopes of Lake Isis. The engineers say they are not sure but they think everything will work out just dandy. Since we cannot see into the future we have to get our reasoning from the past.

When the engineers started

to work on Kissimmee River they told us how good this would be for the public. The public did not agree but was unable to do anything about it. Now the engineers agree this was a \$28 million goof.

Another group of engineers told the good people on Inner Lake in Sebring they had nothing to worry about. This was correct for about a week, then they had a lake full of raw sewage.

Still another group of engineers at Lake Wales told the people that lived west of the lake that this lake was not having anything to worry about. They were only half right, they have nothing. They cannot live there and no one will buy. This is the way some of the residents in Lake Wales told it to me.

The engineers say to put the lift station anywhere else will increase the cost of the sewage system. How much I do not know, but let's take \$50,000. As an example, this debt will not be paid off in less than 50 years so this minus interest means \$1,000 a year. With two thousand tax payers it amounts to 50 cents per tax payer a year or eighteen times less than the civic center and baseball park.

If this civic center and the ball park are worthwhile projects, and I am sure they are, how much better a deal is it to assure the many people of all ages that enjoy the white sand and the clear not polluted water of Lake Isis that it will continue to be so. God gave us the lake, let's not destroy it.

George Haynie

Refugee Against Relations With Cuba

Dear Editor:

The so-called liberal factions in our government, encouraged by the recent advances of communist forces all over the world, is "pressing" the pressure in Washington to undermine us in our backyard, United States.

To this effect, a strong movement to open relations with Castro's Cuba and to give up our rights in the Panama Canal is under way.

This will be shattering blows directly to our most essential interests and the security of our Nation.

As a former Cuban who has suffered the communist takeover that island and know of the hunger and despair of the people who still live there as slaves of the communist dictatorship, and as an American who has traveled all over the continent and for the

last 15 years has dedicated every free moment and every extra penny to fight communism, I am writing today to you, asking to convey our words to your readers, and encourage them to send a letter or a post card to each of the members of the Florida delegation in Washington, and to the President of the U.S. making them aware of your feelings and opposition to any further concessions to the anti-American forces in the world and the need to strengthen our security and defenses, especially in this hemisphere.

It is my understanding that the National Organization has sent letters to this effect and expressing the same worries and concern. I hope this, our desperate and urgent plea doesn't fall on deaf ears for the good of America and the world.

Local Woman Named To Bankers' Council

Mrs. Mary Lee King, Avon Park, was named one of the executive councilmen for the upcoming year of the American Institute of Banking at the organization's annual spring banquet held recently. Others serving in that capacity include William H. Smith, Florida National Bank at Lakeland; Joyce B. Davis, Exchange National Bank of Winter Haven; Doris Spears, First National Bank of Winter Haven; Earl Barber, Sun First National Bank of Lake Wales; and Dave Hancock, American Bank of Lakeland.

Robert Hanchey, Wauchula State Bank, was elected treasurer of the organization. Other officers include Charles Hearn, Jr., The Hillsboro Bank, Plant City, president; E. J. Konoldi, Barnett Bank, Winter Haven, president elect; Richard Utz, Peoples Bank of Lakeland, vice president; and Frances Avsec, Barnett Bank of Winter Haven, permanent secretary.

THE AVON PARK Chamber of Commerce and Directors appointed Mary Lee King, Executive Manager of the Avon Park Chamber of Commerce, to fill the unexpired term of Steve Roberts. Looking on are Myrtle Willis.

Chamber Secretary: Anna Belle Worden. Executive Manager at the telephone: Fountain (looking over a copy of Avon Park History) to fill the unexpired term of Steve Roberts. Looking on are Myrtle Willis.

Appointed To Chamber Board

It was announced by Mary Lee King, President and Anna Belle Worden, Executive Manager of the Avon Park Chamber of Commerce, that Mary Lee King was appointed by the Chamber's Board of Directors to fill the unexpired term of Steve Roberts. Roberts, whose term expires in 1976, resigned because of

business pressures. Fountain is a native of Plant City and served in the Air Force. He graduated in 1964 from the Dallas Institute of Mortuary Science, Dallas, Tex. He was employed by the Stephenson Funeral Home in Avon Park, Sebring and Lake Wales, from 1964 to December

1967, then by the Stowers Funeral Home in Brandon. Returning to Avon Park in December 1973, he established the James Fountain Funeral Home. James is married to the former Cynthia Prescott. They will make their home in connection with the new Fountain Funeral Home at 507 Highway 27 N.

Municipal Court Abolition Date Remains Jan. 3, 1977

A Senate Joint Resolution to amend Article 5 sponsored by Sen. Tom Gallen ran into problems in the senate and house was returned to committee where it died at least for this year as the legislature adjourned Thursday.

The resolution which would have postponed abolition of municipal courts from a Jan. 3, 1977 deadline to Dec. 31, 1979. Avon Park is one of about 170 cities in the state which still have municipal courts in operation and local officials without exception are against the change which would place protection of all violations under a county court system.

Gallen is strongly for local option as to whether a city retains its own court system or turns prosecution of violation of local laws over to the county court. "It might be better for some of the smaller communities," he said of the change to the county court. The bill is expected to be prefiled between now and the next session of the legislature for consideration when the legislature reconvenes.

Rep. Ray Mattox opposed the reorganization of the court from the beginning. He said "The problems I knew we were going to encounter are now evident."

He said people at the local level are in a better position to enforce local laws and prosecute them. He said the county court system is far more costly to taxpayers.

Rep. Fred Jones said he was against Article 5 from the beginning. "I think it was a mistake and there's no reason to change position now," he said, pointing out that many cities who have already turned their courts over to the county are unhappy with the system.

Jones is a former mayor of Auburndale. He would support an optional approach to solution to the problem. Rep. Wendell Watson, a co-sponsor of the resolution to amend the law in the House, said he didn't believe they realized how much it would cost when they reorganized the courts.

Watson said he would support the setting up of municipal branches of the county court which would keep the court in the community but said even that solution would be more costly than the municipal court system which has previously been in effect. As it now stands, the 1976 Regular Session of the Legislature must legislatively create and fund the necessary county court judgeships to meet the needs arising from the automatic abolition of municipal courts on Jan. 3, 1977.

Early experiences of cities where municipal courts have been abolished have generally been unsatisfactory. From a fiscal, administrative and

functional standpoint, many municipal officials are unhappy about the change.

Avon Park City Clerk Malcolm Crews recently pointed out that the city presently pays the municipal judge \$2,700 per year. He said a county judge receives a salary of \$30,000 to \$35,000 per year. The change would require creation of another judgeship. "Right there you've cost the taxpayers a pile of money," Crews said.

He objects to moving the court away from the local people who have been charged with violation of city ordinances. "It also ties up policemen in court and takes

away police protection from the local people," Crews charged.

He also said the county court does not take city violations as seriously as the municipal court does.

Avon Park City Attorney Jack Hancock was present to clarify points for the board on an ordinance he drafted for their consideration. The main point of concern the board members had with the ordinance as written by Hancock was that it appeared incompatible with state law on some points.

Fees, deadlines for renewal of registration and other points were discussed.

LAKE 1515 RESIDENTS check a city map during a meeting at city hall last Thursday to determine where they will circulate petitions asking for the moving of pumping stations from the shores of Lakes Isis and Verona.

They also plan to include the moving of pumping stations from Lakes Lotela and Tofane to prevent pollution of the city's lakes. (Left to right): Jack Collins, Phil Wooten and Raymond Cook. Photo — Miller

Council Looks For Solution

At Tuesday night's Avon Park Council meeting the councilmen strove for the wisdom of Solomon in grappling with the problems of potential raw sewage polluting Lake Isis and other lakes versus the increased cost of possible relocation or if it is legally feasible to relocate these pump stations under the terms of the advertisement for bids on the sewer improvement program.

The questions were explored and discussed from a practical, legal and aesthetic viewpoint by the council, city attorney and audience. Due to the opening of bids on Wednesday morning no action was taken, although the council would continue to seek ways to

alleviate or solve the problem. However, the council pledged to Phil Wooten representing the Lake Isis residents, that all precautions possible would be taken to avoid any spillage of sewerage into the lake should the pumping station have to remain at the proposed location.

Several councilmen indicated that their families have used the Lake Isis beach for swimming purposes. Any major changes made in the sewerage lines or pump stations would have to secure approval of both the Farm Home Administration and the Florida Department of Pollution Control. These changes might well result in a higher cost of completion of the sewer system along with some delay in construction.

Even though the problems of the sewer system were not solved councilmen and Phil Wooten declared that any difference of opinion about the sewer system and its location should not interfere or mar the Dec. 27 death of Savage.

Firemen Reelect Flowers To Post

Avon Park Fire Chief Mack Flowers was reelected secretary-treasurer of the Florida State Firemen's Association at their 48th annual convention held June 4-7 in Ocala.

Firemen from all over the state attended the convention which is a joint effort of all fire departments toward learning and upgrading skills and service within the various departments.

Mrs. Mack Flowers attended the convention in her capacity as secretary of the Firemen's Auxiliary Death Benefit Fund. Debbie Flowers and Mrs. Morris Bryant attended as representatives of the State Firemen's Association's state headquarters office located on U. S. Highway 27 South, Avon Park.

Allen Ball and John Ziegler attended as delegates to the convention. Also attending were Mrs. Allen Ball and Morris Bryant.

Ordinance

Conflicts With State Law

Ben Strickland, a field investigator with the Florida Construction Industry Licensing Board's Winter Haven branch, was on hand Wednesday afternoon at a meeting of the Avon Park Competency Board to offer suggestions and answer board member's questions during discussion of a proposed city ordinance to govern licensing of contractors to operate in the city.

Avon Park City Attorney Jack Hancock was present to clarify points for the board on an ordinance he drafted for their consideration. The main point of concern the board members had with the ordinance as written by Hancock was that it appeared incompatible with state law on some points.

Fees, deadlines for renewal of registration and other points were discussed.

Turkey Talk

By NORMA GOBBLE

The past weekend was one of those I hope I don't have to go through again — moving. But I'm glad it's over — at least I got all the junk down here and feel I can breathe easier and do a better job with the SUN.

Guess I'm just getting old but how I hated that 50 mile a day drive commuting from Lake Wales.

And speaking of getting old brings up a nice surprise I got Friday when I arrived at the office. I thought someone had made a mess of my desk with newspapers piled on it. But, I didn't gripe and proceeded to move them.

Underneath was a birthday cake Barbara had made surrounded by flowers from Lew's yard. And I hadn't even thought about my birthday all morning. Thank you Barbara, Lew, Willie, Ronnie, Ed, Ann and Dedra.

Several asked me how old I was. Well, you know women may tell the truth about anything but their age. The happiest 10 years of my woman's age is between 29 and 30.

For a long time I got away with saying I was born on D-Day. Everyone assumed I was born on June 6, 1944. But a couple years ago my oldest son figured it out and said, "Yeah, Mom, 10 years before it happened."

Back to moving, it's really a hassle these days with rentals so high, utility deposits have gone up and it is really an expense. But several people in Avon Park have really helped make the pain out by their making it a little easier.

Most people with rentals require a damage deposit of at least \$100 or the first and last month's rent in advance. A kind nice lady let me have a

mobile home with me paying a half a month's rent one week and the other half the following week.

This just after she had had one woman move out of a mobile home leaving it in a filthy shambles. The woman also left piles of still good children's clothes. She was on fire and it just makes you wonder how badly some of these welfare recipients really need our tax dollars.

And some of these bad apples took for us all. Some won't rent to families with children and some won't rent to women without a husband. And I fall into both categories.

I can understand their thinking because for three years I had rental apartments. The only good purpose I can think of was I lost so much on them, it kept me from having to pay income tax those three years.

I always try to take care of places as though it were my own and I teach my children to take care of things. I hope to help restore the faith of the lady who did me a good turn in renters who are women alone with children.

I should have a telephone at home by this time next week and I hope that any of you who have news tips that can't wait until office hours will call me at home. I want to do my part to make the SUN one of the best newspapers anywhere.

I will not act as a public relations woman for any faction taking sides in a controversy. In any news article I write only facts will appear. In my column, I will put my opinion for what it is worth.

And I try to remember a little saying I once heard, "Be sure your brain is in gear before putting your mouth into motion."

Fourth Graders Graduate From Elementary School

The fourth graders of Avon Park Elementary celebrated their "graduation" from elementary school to middle school last Wednesday.

A special luncheon was held in their honor in the school cafeteria and the students and their teachers arrived dressed for the occasion.

The tables were covered in white and gaily decorated with red hibiscus. A beautiful red and white centerpiece, designed by Mrs. Becky Davidson, heralding "FUTURE FIFTH GRADERS" was enjoyed by the "graduates."

At each place setting was a special red and white program simulating a diploma. A special menu was served by the ladies of the lunchroom. A musical program by James

Eddings and his son, Skip, a fourth grader, was highlight of the occasion.

Special guests at the luncheon were Les Watson, Bill Bozeman and Mrs. Doris Everett, who represented the Middle School. They spoke briefly to the students to welcome them as fifth graders at the Middle School in the fall. Reading diplomas for students with the exceptional achievement in her classes were awarded by Mrs. Furr.

Norris Brooks, Leon Garner and Mrs. Maryanne Reddick bade them farewell as elementary school students. Teachers and students all felt the luncheon was a great success and plans are being made for it to be an annual affair.

Fuschia Anderson Retires After 46 Years Teaching

When school closed for the summer Friday Mrs. Fuschia Anderson ended her teaching career which spanned 46 years in elementary education. She taught for 36 years in her native Greenville, Tenn. and the past nine years she taught the second grade at Avon Park Elementary School.

She taught her first year in Florida at Lake Placid. Mrs. Anderson, whose love for children is evident as she talks of her years in the teaching profession, said she has seen many changes in education and schools, "some of them good, some of them not."

"But you're still teaching children regardless," she said. Mrs. Anderson earned her B.S. in education at East Tennessee State College at John City, Tenn.

A widow, her only son, Bill, is a correspondent in Washington for the Chicago Tribune. Mrs. Anderson plans to spend part of her time with him in the

nation's capital now that she is retired. She said she hopes to see the inauguration of the next president wherever he may be. Mrs. Anderson said she will miss teaching but plans to stay busy. "I had a wonderful group of children this year," she said.

for Best All Round. Back row l-r, David Sizemore and LaDawn Long for Top Scholastic. Photo-Cornell

Course In Drawing Offered

A course in beginning drawing will be offered on the South Florida Junior College campus during the summer "B" term. The class will be an introduction into the fundamentals of sketching and

rendering.

Various techniques, such as pencil, ink, charcoal, pastel and color wash will be presented. Each student will be instructed individually in

relation to his particular abilities. Beginning drawing will meet daily from 8 to 9:30 a.m. with instruction by Dean Talbert.

Registration for the summer "B" term will be June 16-18.

Eleanor Seaverns Rebekah Lodge Honors Nancy Shay

The members of the Eleanor Seaverns Rebekah Lodge No. 65 were hostesses at a covered dish dinner for the members and their wives of the Avon Park Order of the Odd Fellows, held at the Lions Club recently. Noble Grand Jacqueline Roberts welcomed the guests and introduced the two guests of honor. They were Nancy

Shay P.N.G. of Eleanor Seaverns Lodge, who was recently appointed Deputy District President by the State Assembly President and N. G. Fred Hughes of the Odd Fellows who was recently appointed Chaplain of the Grand Lodge of Florida. Both gave a brief account of their

days at the State Assembly and Grand Lodge which met recently in Orlando.

The table was attractively decorated with spring flowers and a special cake made by Peggy Simpson.

Following the dinner the Rebekahs held their regular meeting. N. G. Jacqueline Roberts, presiding. All officers reported present. Louise Clark was appointed and installed as the new Chaplain of the lodge, filling the office held by the late Lucy Sykes.

Secretary Lillian Seger then read the commission from the State Assembly President proclaiming Nancy Shay as District Deputy President for the next year. Nancy's District includes the Rebekah Lodges in Arcadia, Sebring, and her home lodge in Avon Park. Nancy was formally introduced to the Lodge and given full honors of her Degree.

Several visitors from Sebring and Lake Wales were welcomed by the Noble Grand. Past District Deputy President, Clara Strangland of Sebring, presented Nancy with her District Deputy President pin.

With the closing of the Lodge, Nancy was presented a beautiful gift from her home Lodge, and many personal gifts from all who were present. We all extend to Nancy the very best wishes for a successful year.

Hostesses for the evening refreshments were Beale Decker, Lillian Seger, Ethel Harrison, Gussie Massey, and Minnie Sisenmenger. A beautiful cake decorated in Nancy's color was baked by her mother Louise Clark.

MR. AND MRS. JOSEPH STEPHEN MURPHY, III

Couple United In Church Ceremony

A double-ring ceremony at the First United Methodist Church of Sebring united in marriage Miss Rachelle Marie Marquart and Joseph Stephen Murphy III.

The bride is the daughter of Mr. and Mrs. Joe G. Marquart of Sebring, and the bridegroom is the son of Mr. and Mrs. Joseph Stephen Murphy Jr. of Avon Park.

The rites were performed May 24 by the Rev. G. Odell Miley. Mrs. Jack Overly was organist and vocalist was Debbie Minard.

Organist gown When the bride was given in marriage by her father, she was wearing a white organza gown with long sleeves, empire waist and full length train appliqued with french lace and daisies.

Maid of honor was Miss Renee Marquart, sister of the bride. Bridesmaids were Miss Kay Smith of Sebring, Miss Debbie Cox Minard of Tampa, Mrs. Patti Wolfe Howerton of Sebring, and Miss Maureen

Murphy, sister of the bridegroom. They wore full length gowns of blue, pink, and green rose print in dotted swiss which featured a sweetheart neckline and empire waist.

Best man was Sean Murphy, brother of the bridegroom. Ushers were Tommy Beane of Avon Park, Rickard Minard of Tampa, Clinton Howerton of Sebring, Bill Phillips of Avon Park, and Kevin Murphy, brother of the bridegroom.

Reception The wedding reception was held at Layton Hall. Janet Foster of Bradenton, cousin of the bride, kept the bride's book. Servers were Beth Jackson of Tampa, Beverly and Betsy Stevens and Kay Vickers of Sebring, Rita Rich and Joni Morris of Avon Park.

The bride and bridegroom both graduated May 5 from South Florida Junior College and were members of Phi Theta Kappa. They are employed at Agri Chem Sales Co. of Avon Park.

Patti Honored With Morning Coffee

Patti Connors, bride-elect of Howard C. Godwin, was honored at a coffee at the Florida Power Lounge on Saturday morning, June 6.

The serving table, covered with a linen cloth edged in lace, was set with an arrangement of yellow roses and pompons. An assortment of tea sandwiches, cookies and mints were served to the guests attending.

Other arrangements of yellow flowers were used throughout the party room.

The hostesses presented Patti, her mother, Mrs. Murrell Prescott and the groom-elect's mother, Mrs. George Godwin, with corsages. Assisting in the hostilities were Bonnie Connor, Mrs. E.

A. Martin and Tony Accorsi. Among the many friends calling were aunts of the bride-elect Mrs. Judy Morris of Ft. Lauderdale and Mrs. Judy Ausgood of Arcadia, and the groom-elect's aunt, Mrs. E. R. Howard of Winston-Salem, N.C.

Hostess for the event were Mrs. William R. Tharp, Mrs. Charles Watson, Mrs. A. C. Wester, Mrs. Donald Ford and Mrs. John Giddens Jr. They presented Patti with a place setting of china in her chosen pattern, in appreciation Patti, in turn presented each of the hostesses with a set of handmade satin pillow cases in pastel colors.

Benefit Bridge Slated

A bridge part for the benefit of the American Cancer Society will be held Friday at 12:30 p.m. at Pinecrest Country Club. Mrs. Gary Dressel, service chairman for Avon Park has announced.

The event, sponsored by the Highlands County chapter of the Cancer Society, is open to all interested persons and is \$5 per person. For tickets call Mrs. Dressel at 453-5822 or Mrs. J. M. Adams III at 453-5846.

Highlanders To Perform On TV

Because of a time change "The Young Highlanders" will appear on John Wright's "Front Row Center" program at 10:30 p.m. Thursday evening June 12 with Mike Bradley as Master of Ceremonies.

The Young musicians will have another appearance on the "Front Row Center" program at 5:00 p.m. Sunday, June 25. "The Young Highlander's musical programs are under the direction of Evelyn Jones.

Junior Women Have New Member Party

THE JUNIOR WOMEN'S CLUB of Avon Park held a "Rush" Party for their prospective new members last Tuesday evening, June 3. Those attending the "Rush" Party were (l-r) seated: Jan Boatright, Debbie Hall, Renee Bentley, Jamie Sawyer,

Rita Rich. Standing (l-r) Mary Bennett, Ruth Miller, Pam Maness, Frankie Turner, Jan Howell, Laura Clark, Laurie Rehner, Debbie Flowers, Chrissy Jones and Beth Ferguson. — Photo Cornell

The Avon Park Junior Women's Club was the scene of a big "Rush" party for prospective new members on Tuesday evening, June 3rd, at the Women's Clubhouse on South Verona Avenue.

New members present were Mary Bennett, Renee Bentley, Jan Boatright, Laura Clark, Barbara Cornell, Beth Ferguson, Debbie Flowers, Chrissy Jones, Pam Maness, Ruth Miller, Laurie Rehner, Rita Rich, Jamie Sawyer, and Frankie Turner.

As each person arrived, she was issued a name tag. These will be kept at the clubhouse and used at all future meetings.

Fragrant bouquets of roses were placed throughout the clubhouse.

A short business meeting was opened with devotions by Doris Gentry.

The Club very regretfully accepted the resignation of Sharon Heard, President.

Arline Tanner, First Vice President, will move up to the

office of President and Sue Moseley will be first Vice President.

Letters of resignation were also read from Kathy Bowler and Janet Willis. Lynette Sheppard was appointed as Corresponding Secretary.

Plans and Committees for the upcoming Fall were discussed.

Sue Moseley, Membership Chairman, gave a short talk on the purpose and goals of the Avon Park Junior Women's Club for the benefit of the prospective new members.

Each new member was introduced and gave a few outstanding facts about herself.

Refreshments were served after the meeting by the Executive Board. The refreshment table was decorated in yellow and white with the Junior Women's Club official flower, yellow roses, decorated the cake and mints.

An arrangement of yellow roses adorned one end of the table along with the delicious yellow fruit punch.

KATHY MARSHALL, bride-elect of Henry Lanier was guest of honor at a Pool Party last Wednesday afternoon, June 4, at the home of Mrs. Markine Ostling with Mrs. Julie Johnson as co-hostess. The girls attending seated around the pool (l-r) Patti

Corner, Penny Prevatt, Nancy Nicholas, Kathy Collinsworth, bride-elect Kathy Marshall, Helen Bush, Laura Weber, Robin Hubard, Kathy Young, Bonnie Norton, Back row, Gloria Bennett, Julie Griffen, Kathy Turner, and Beth Marshall. Photo Cornell

Pool Party Honors Bride Elect Kathy Marshall

Kathy Marshall, bride-elect of Henry Lanier was guest of honor at a pool party, Wednesday, June 4th, at "Shorecrest" on Lake Lotela.

Couple To Wed This Saturday

Kathy Kim Marshall and Charles Henry Lanier will exchange marriage vows this Saturday evening, June 14, 1975 at 7:30 p.m. at the Florida Avenue Baptist Church located on South Florida Ave., Avon Park.

Reception immediately following at Pinecrest Country Club. All friends and relatives of the couple are invited to attend.

Friends of the bride gathered at 3:30 at the home of Mrs. B. C. Ostling where she and her co-hostess Mrs. J. A. Johnson, Jr. had an informal party.

The refreshment table at one end of the patio was beautifully decorated with magnolia blossoms.

Kathy's guests enjoyed party sandwiches, cakes, brides cake

and a variety of appetizers.

Everyone enjoyed the chance to cool off and relax by the pool. Conversations related to Kathy's June 14th wedding date, school closing and summer vacations.

The hostesses presented Kathy with a piece of her pottery.

Coffee Honors Kathy Marshall

Kathy Marshall bride-elect of Henry Lanier was honored with a coffee at the home of Mrs. John Morris, May 31, from 10-12 a.m.

John Morris and co-hostess Mrs. Sanford Hart

Roses were used throughout the rooms of the home and a coffee-punch was served to approximately 150 ladies who stopped by to honor Kathy.

Patrolman

Weds At Police Station

The Avon Park Police Station was the scene of a wedding last Wednesday at 4 p.m. when marriage vows were exchanged between Ethel Albritton of Frostproof and Frank Weems of Avon Park.

The double ring ceremony was performed by Avon Park Municipal Judge David F. Lanier. The attendants were the groom's daughter and son-in-law, Vicky and Bill Lamberis.

The groom is a patrolman with the Avon Park Police Department and the bride is employed at Hopson's Grocery in Frostproof.

The couple planned a short honeymoon trip to an undisclosed location and will make their home in Avon Park.

ETHEL ALBRITTON AND Frank Weems were united in marriage last Wednesday afternoon by Judge David Lanier in the Avon Park Police Station. Photo—Cornell.

VFW Installs Officers

Avon Park, Post 7672, Florida Fourth District Veterans of Foreign Wars Officers gathered May 31 for hosted a good turnout of the purpose of installing the

newly elected post officers.

Vacation Bible School Starts At Church

The vacation Bible school of the First Presbyterian Church will start Monday morning, June 18 at the church at 9 o'clock. It will continue each day through Friday until 11:30 o'clock. The theme of the school is "Jesus is Lord" and will involve children three years of age through the sixth grade. The closing exercises will be held on Friday night, June 20, with a potluck supper starting at 6:30 o'clock.

The pre-kindergarten, ages 3 and 4, will have as their theme: "The Lord Loves Me." This is designed for children who have not been to kindergarten. The purpose of the course is to help the child know the Lord loves him, and helps him, and wants his love and obedience; and respond in ways of love and obedience as expressions of his love for the Lord. The course offers young children opportunities to learn how the Lord's love relates to his daily life. Bible stories and verses,

songs, and prayer are within the child's understanding and interest.

The Bible stories include: "Jesus Loves a Family," "Jesus Loves Zacchaeus," "Jesus Loves the People," "Jesus Loves the Children," "Jesus Lives in Heaven."

The course for ages 5 and 6, kindergarten, will be "Traveling with Bible Friends." The purpose is to help the child know that the Lord loves him, and wants his love and obedience; and respond in ways of love and obedience as expressions of his love for the Lord. The course offers young children opportunities to learn how the Lord's love relates to his daily life. Bible stories and verses,

creative approach helps make each day's learning both meaningful and enjoyable. Readiness activities and a variety of creative responses help the children apply Bible truths to their lives.

The Bible lessons are: "What God Is Like," "Who Jesus Is," "Jesus Is God's Son," "Why Jesus Died and Came Back to Life," "What Jesus Is Doing Now."

The class for middle school, grades 5 and 6, offers a course on "Great Is the Lord." This course is to impress upon the students the greatness of our God, to show the wonders of His marvelous works and to help the student learn to respond to God in praise and worship. The Bible lessons are based on studies from the Psalms.

The lessons are: "God Is Eternal," "God Is Great and Good," "God Gives Us What

We Need," "God Forgives Sin," "God Is Always with Us."

The course for juniors, grades 5 and 6, is called: "Jesus Christ, My Guide for Life." These are Bible studies in the Gospel of John designed to challenge juniors with the adventure of living lives committed to Jesus Christ.

The Bible portions covered are: "Choosing a Leader" (Introduction to Jesus), "Starting Over" (Jesus tells Nicodemus about eternal life), "A Search for Water" (Jesus offers "Living water" to the woman of Samaria), "A Search for Food" (Jesus tells the 5,000 about the Bread of Life), and "Lost in Darkness" (Jesus walks on water).

The vacation Bible school has been in preparation for months. There is a cordial invitation for boys and girls to attend the school.

Thomas Bagwell, the community interest in the school, including annual growth.

He is a N.C. but, years, pr nearby P. veteran on with the L. The o. Lumber said it is for the b. because everybod their pro. better.

Bagwell, B.P.O. E. Sebring, Post No. 1, the Veter Post No. 1, is a Resur. Church. Bagwell have three assistan Lumber sophomom Florida a Avon Pa.

Hi Friends,
Sunday, June 15, is Father's Day. Father's Day is observed throughout the United States on the third Sunday in June each year. This custom was started in 1910, by Mrs. John Bruce Dodd of Spokane, Washington, and in 1936, a National Fathers Day Committee was organized, with headquarters in New York City.

From the Wall Street Journal:
It's the running expenses that keep father out of breath. Joke of the week.

"It's a wise father who knows as much as his own child."

To all fathers:
Best wishes to you, for health, happiness and peace of mind.

Where do you live?
It has been suggested by the Pacemakers Civic-Social Club that the entire area in Avon Park which lies south of Cornell Street be called Southside Park, and that within Southside Park that area which lies west of Antrak be called Westside Park and that area east of Antrak is Eastside Park.

We thank you:
The teachers who live in Southside Park wish to express a sincere "thank you" to Lonnie Hewings and Avon Park Community Chapel for an afternoon of delightful entertainment on Saturday June 7. The reception is over, but the memories linger on.

Citizen of the week:

Baker was married in 1971, to his wife, Mary who is also a graduate of the University of Nebraska, and teaches kindergarten at Hopewell.

Mr. Baker has coached eighth grade football at Avon Park Middle School for two years. He emphasizes fitness and good sportsmanship. He enjoys all sports and believes that a lot of teaching should be done by setting good examples of what he teaches.

Congratulations and best wishes, Joseph.

Happy Birthday to you:
The patients and personnel at Hillcrest Nursing Home have adopted a resolution to express publicly "Happy Birthday to all of those who fall in either of the two categories cited above during their birth month. And although, slightly belated for May, they want to express best wishes to those who had birthdays during that month. Catherine Collins — May 21; Willie B. Collins — May 17; Vivian Green — May 17; Geraldine Collins — May 17; Warren Moreland — May 24; Roy Lee Martz Jr. — May 28; Jessie Trice — May 23; Neville Fletcher — May 13; Alvenia Jones — May 24; Delbert White — May 26; Sophia Wyche — May 7; Rosetta Green — May 23; Maggie Mathis — May 20; Emma Jenkins — May 15; Essie Lee — May 12; Charles Collins — May 2 and Mary Weatherspoon — May 23.

Hospitalized at press time:
Agnes White, Cora Mathis and Willie C. Ervin (Dub).

Thought conditioner for the week:
"When trouble strike, what you want is comfort and protection. You want strength to stand up to it and meet it so frequently remind yourself that God is with you, you can count upon Him, and that He will never fail you. This will give you a sense of comfort. New hope will flood your mind. A new sense of power will be felt. As a result, you will rise above your trouble."

God is our refuge and strength, a very present help in trouble. Psalm 46:1.

Yours truly,
Calvin C. Gibbs

Bible Questions
Write To
Pastor A. W. Ormer
Rt. 2 Box X405
Avon Park, Florida
33823

Question: How can a person overcome selfishness?
Answer: Selfishness is a universal affliction. The great majority of human beings are living this kind of life. The best cure for selfishness is by keeping the great commandment which Christ has given us: Thou shalt love thy neighbor as thyself; Matthew 22:39.

Those who practise this commandment in spirit and in truth will overcome selfishness. Christ is the best example of this kind of life. He was so busy in serving others that there was no room in His life for self-centeredness.

Our world is in a terrible state because the majority of human beings follow the selfish life. Selfishness is the root of all sin. This sin destroys the virtues which are essential for the well being of society.

The symptoms of ego-idolatry are many indeed. A selfish person is greedy, and will violate the principles of righteousness to obtain his selfish desires. A selfish person is a covetous person. He desires that which belongs to others, and will engage in unethical practices to obtain that which he wants.

Selfish people love money or material things above all else. Most people are living material-centered lives, as a result the world situation becomes progressively worse, and the ultimate outcome of this deplorable fact, will be global chaos.

By precept and example Christ emphasized that the self-centered life is a failure.

Dr. Parkinson, who retired in 1971 from the faculty of Erskine College where he taught chemistry and physics, is a former missionary to Egypt. He will be installed in June, 1978 to succeed Dr. Randy Ruble as moderator, the highest elected post in the church's board of government.

The synod also formed a committee to acquire land in Greenville, S.C. to build permanent administrative offices. The central offices are presently located in that city in rented quarters.

The first issue of the church newspaper is slated for Jan. 1, 1978 with an anticipated subscription list of over 5,000.

Rev. Ragdale was one of 400 delegates representing 153 churches and 28,000 members in 12 states.

Next year's meeting of the synod will be held the first week in June at Bonclanck, the church's assembly grounds three miles south of Hendersonville, N.C.

And he said unto them, take heed, and beware of covetousness; for a man's life consisteth not in the abundance of the things which he possesses. Luke 12:15.

After making this statement, Jesus related the parable of the rich fool. This man's land brought forth plentifully. He had no room to store his abundant harvest. He decided to pull down the barns which were too small, and to build larger ones. And then he said; and I will say to my soul, Thou hast much goods laid up for many years; take thine ease, eat, drink, and be merry.

But God said unto him, Thou fool, this night thy soul shall be required of thee: then those shall these things be, which thou hast provided? So is he that layeth up treasures for himself, and is not rich toward God. Luke 12:19-21.

Materialism is the universal way of life. The possession of abundant things has become the way of life. Christ pointed out that real life does not consist in the possession of material things. The awful conditions which exist in the world today attest the truth of Christ's words.

True life consists of being rich toward God. By living a Christ-centered life, life finds real purpose and meaning. This is the kind of life which Christ came to emulate and to recommend to the human race. I am come that they might have life, and that they might have it more abundantly; John 10:10. Those who choose this way of life find that it is indeed the abundant life.

Melvin Beane

Renames Sports Center

Melvin Beane has purchased Johnson's Sports Center at 19 S. Lake Ave., Avon Park, and renamed it Beane's Sports Center.

Beane said he is making some changes in the store and will stock a complete line of sporting goods such as fishing tackle, skis and ski parts, tennis equipment, Little League equipment, weight lifting equipment, guns and ammunition, coolers, camping supplies, bows and arrows and golfing equipment, and electric

motors.

Beane, a 28-year resident of Avon Park, previously managed Phillips Corner and Bill's Corner for 15 years. His son, Tommy, is helping him with the sports shop.

Beane's Sports Center also carries Converse tennis and sports shoes and does lettering for uniforms and caps.

Breath Of Life

Chairman

Named For Avon

Park Lakes

Mrs. Maurice Bush has been named Chairman for the Avon Park Lakes Breath of Life fund drive sponsored by the Cystic Fibrosis Foundation.

Kick-off date for the drive is September 8.

Lung-damaging disease in children is a problem of major significance here in Avon Park Lakes and all across the U. S. according to Mrs. Maurice Bush.

"There are millions of American children fighting lung-damaging diseases like chronic bronchitis, bronchiectasis, severe asthma, persistent pneumonia and the most serious of all, cystic fibrosis," she said. "One of every 1,500 babies born this year will inherit cystic fibrosis, a birthright of suffering, sickness and shortened life. Cystic fibrosis damages lungs and affects digestion. It's incurable."

Changing those odds is what the Breath of Life fund drive is all about. Anyone interested in helping as a volunteer in the September drive can reach the City Chamber at the telephone number (813) 453-6776.

Let's Get Acquainted

Meet the Directors of the Avon Citrus Bank

Thomas W. "Tommy" Bagwell

Thomas W. "Tommy" Bagwell has been a resident of the community 10 years and his interest in the community is evident in his activities including, the sponsorship of an annual golf tournament for youth.

He is a native of Fletcher, N.C. but has lived in Florida 21 years, previously residing in nearby Frostproof. He is a veteran of four years service with the U.S. Navy.

The owner of Bagwell Lumber Company, Bagwell said it is better for Avon Park for the bank to be locally owned because "we know about everybody and understand their problems and situations better."

"We can help the community more than people who live and have their main business interests elsewhere," Bagwell said.

Bagwell is a member of the B.P.O.E. Lodge No. 1529, Sebring; the American Legion Post No. 69, Avon Park; and the Veterans of Foreign Wars Post No. 2420, Lake Wales. He is a member of the Resurrection Lutheran Church.

Bagwell and his wife, Lois, have three sons. One, Gary, is assistant manager of Bagwell Lumber Company. Mike is a sophomore at the University of Florida and Keith is a junior at Avon Park High School.

Robert O. Bargar

Robert O. Bargar, the only out-of-county resident who is a member of the board of directors of the bank, has had Avon Park as part of his territory in sales and installation of computers for a number of years and has many friends in the area.

Bargar is a representative of the National Cash Register Company in West Palm Beach and resides at 628 Nashua Drive, Lake Park. He has been a resident of that community for 11 years and is a native of Van, Pa.

"Although I'm not a resident of the immediate community, I feel my 14 years experience in banking and knowledge of the area as well as expertise in the sale and installation of computers will enable me to help serve the local people," Bargar said.

He said computers are essential to the future bank growth and "I am highly optimistic about the future of Avon Park and Highlands County."

Bargar is a member of the Masonic Blue Lodge, Franklin, Pa.; the Zema Shrine, Erie, Pa.; and the Scottish Rite Consistory, Lake Worth. He has taken various business courses at the University of Pennsylvania including financial management and accounting.

Bargar and his wife, Betty, have two married daughters, a son, Robert, Jr., 19, a student at Palm Beach Junior College, and a daughter, Amy, 14, a sophomore in high school.

Hue E. Nunnallee

Hue E. Nunnallee, local attorney, is a native of Holland, Tex., but has resided and practiced law here for 18 years. He holds B.A. and L.L.B. degrees and attended Baylor University, the University of Texas and Stetson University.

He is a member of the Highlands County Bar Association, the Florida Bar Association and the American Bar Association. He is a member of the Congregational Church.

Nunnallee is a director of the First Federal Savings and Loan Association of Sebring and a trustee on the board of South Florida Junior College.

Nunnallee said, "With local ownership the bank will concentrate lending ability more in the local area and make far fewer out-of-county loans. By keeping more resources in the local area the financial structure of the community is enhanced."

Nunnallee and his wife, Nancy, have six children, two sons and a daughter, married. Walter, 22, a senior at Florida State University, Sara, 20, in nursing school at Polk Community College, and Sue, 16, a junior in high school.

C. Wayne Taylor

C. Wayne Taylor lives in Sebring but his business, Wayne Taylor Distributor of Gulf Oil Products is in Avon Park and his business interests are an integral part of the community.

He is a lifelong resident of Highlands County and feels that "our being local people we are more aware and receptive to the community." He said local ownership of the bank would provide many benefits for the local community that outside ownership could not provide.

He is a member of the Southern Oil Distributors Association, Florida Petroleum Marketeer, the Lions Club and Masonic Lodge. He is a former commissioner of the Highlands General Hospital and a member of the First Baptist Church in Sebring where he teaches a Sunday School class.

Taylor and his wife, Dorothy, have four children, Sandi, Susan, Stephanie, and Charles.

G. Franklin Ward

G. Franklin Ward was born in the nation's capital but has lived in Florida 56 years and in Avon Park 27 years. He is a long time citrus grower and nursery man and is the owner of Ward Groves.

He is the incoming secretary and past president of the Avon Park Rotary, president of the Ridge Area Association for Retarded Citizens and its secretary-treasurer of the Highlands County School Board. He is also member of the Florida Citrus Nurserymen's Association, member of the Florida Nurserymen and Growers Association, and the Florida School Boards Association, and an associate member of the Avon Park Area Board of Realtors.

He is a member of the vestry of the Episcopal Church of the Redeemer. Ward also serves as a director of Waverly Growers Cooperative.

Ward is vitally concerned with the orderly growth of the community and feels local ownership of the bank will center the bank's interest on the immediate community. "There are multiple benefits for the people and the community in dealing with a bank operated by local men who know and understand the people and their business needs and problems," Ward said.

He and his wife, Mary Ellen, have one son at home, Robbie, 20, a newspaper salesman for the Avon Park Sun, and two daughters Deborah Hileman of Littleton, Col. and Marcia Ward, a graduate student of F.S.U.

Charles H. Hoke

Charles Hoke Is President And Chairman Of Board

Charles H. Hoke, president and chairman of the board of directors of the bank is a native of Pennsylvania but has lived in Florida for 30 years and in Avon Park for 10 years.

He has extensive experience in banking and a great interest in the local community.

He is a member of the Florida Bankers Association, the American Institute of Banking, the Florida Cattleman's Association, Aircraft Owners Pilots Association, and is a trustee of Walker Memorial Hospital, and serves on the board of supervisors of Sun 'n Lake Estates.

He is also a member of the Lutheran Church.

Hoke said "Being local people we know the people in the community and feel the people will be better served by this important financial institution."

Hoke noted also that the bank, being local in scope, would "take more interest and part in local activities."

Hoke and his wife, Jean, have three children, David, 22, employed with Youngcraft in Sebring, Shari, 14, a freshman in high school, and Mark, 12, a student in Middle School.

Winkie Williams

Wendell W. "Winkie" Williams was born in Avon Park and is a lifelong resident of the community. He is vice president of W. A. Williams Citrus Nursery and Service, Inc. and a cattleman.

He is president of the Avon Park City Council and a member of the board of directors of the Avon Park Chamber of Commerce. He is presently vice president of the Senior Little League and a member of the Rotary and Masonic Lodge. A member of Board of Directors of F.N.G.A.

Williams is state president of the Florida Citrus Nurserymen's Association and serves on the board of directors of the Highlands County Farm Bureau. He is also a member of the Florida Avenue Baptist Church.

Williams said local ownership of the bank was "in the best interests of the people. We are more aware of their needs and problems and can better relate to them."

He said he was optimistic and encouraged that the bank has the caliber of leadership represented in this slate of directors. "It's a challenge and a big job," he said. "Local ownership is a big factor and will serve the best interests of the community better."

Williams, and his wife, Martha, have three children, Pam, 15, a high school freshman, Jeff, 14, in Middle School, and Amy, 5, who will enter kindergarten this fall.

C. Elton Crews

C. Elton Crews is a native of Polk County and has lived in the Avon Park area 34 years. He is a long time citrus grower and cattleman and is the owner of Crews Groves.

He is a past director of the Avon Park Chamber of Commerce and is a member of Florida Citrus Mutual, the Florida Cattleman's Association, the Lions Club and is on the board of supervisors of the Highlands County Soil and Water Conservation District, and a director of Highlands County Property Owners Association. He is also a member of the First Baptist Church.

Crews and his wife, Norma, live on Lake Lotela. They have no children at home.

Crews has always worked for the good of the community and said a prerequisite to a good community is a good government. He feels local ownership of the bank will "contribute a lot to the betterment of the community" and agrees with other directors that their knowledge of local people and local problems will make the bank better able to serve the community.

Dr. Burton C. Ostling

Dr. Burton C. Ostling, M.D. is a native of Chicago but has lived in Avon Park for 20 years. He has practiced medicine here for several years after earning his degree at the University of Michigan.

He is a member of the Highlands County Medical Association, the Florida Medical Association, the American Medical Association, and is a Fellow in the American Academy of Family Physicians. He is a member of the Avon Park Chamber of Commerce, B.P.O.E., and the Pinecrest Country Club. He is also a member of the Episcopal Church.

Dr. Ostling said local ownership of the bank was "apt to be more compatible with other local business interests and knowing most of the local people would enable the bank directors to better serve their interests."

Dr. Ostling and his wife, Markine, have three children, Hoagy, 21, a junior at Clemson studying mechanical engineering, Dexter, 15, and Tammy, 14.

He and his wife, Shirley, live at 503 E. Bell St. A son, Charles, works with Gossick in Avon Park Flying Service.

Dr. Donald F. Jones

Donald F. Jones, M.D. is chief of staff of Walker Memorial Hospital and is associated with Drs. Watters and Sangally, P.A. in medical practice. He is a native of Winter Haven, Fla. and has lived in Avon Park five years. Dr. Jones studied pre-med at the University of Florida and earned his medical degree at Tulane University, New Orleans. He served his residency at Mobile General Hospital, Mobile, Ala.

He is a member of the Highlands County Medical Association, the Florida Medical Association, the American Medical Association, the Association of General Surgeons and is a Fellow in the American College of Surgeons. He holds a FAA pilot's license.

Dr. Jones said he feels that the bank "under local owners will better serve the community." He said the bank and community's interest were intertwined in mutual growth and benefits. "We know the bank will be more personally interested in their financial interests and problems and are optimistic about continued growth," he said.

Dr. Jones and his wife, Evelyn, have three children, Christine, 20, a sophomore at Stetson University, Darlene, 18, a Class of '75 graduate of Avon Park High School who will enter Polk Community College School of Nursing this fall, and Tim, 12, a Middle School student.

Donald W. Gossick

Donald W. Gossick has been a resident of this community for seven years and is president of Avon Park Flying Service, Inc. He is a native of Fairfield, Iowa, and attended the University of Illinois.

Gossick said reorganization of the bank was a "move in the right direction for more local control of financial resources."

He noted that local residents as directors of the bank would provide more personalized service to local businesses and individuals "because of the better understanding of local problems and situations."

Gossick is a member of Aircraft Owners Pilots Association, Florida Aviation Trades Association and Mid-Florida Pilots Association.

He and his wife, Shirley, live at 503 E. Bell St. A son, Charles, works with Gossick in Avon Park Flying Service.

Avon Citrus Bank

FDIC

Bagwell Leads League

After five weeks of play, Bagwell Lumber leads the Avon Park Little League baseball standings with a 9-2 record. I. H. Ford Motor is in second place with an 8-3 record and Rotary and Lions are tied for third place with 7-4 marks.

First Baptist holds down fifth place with a 5-4 record, Johnson's Sports Center and Kiwanis are tied for sixth place with 4 wins and 7 losses each.

No games were scheduled for last Monday night due to high school graduation. Last Tuesday night Rotary was to play Johnson's and Ford was to take on Kiwanis. Tonight (Thursday) it will be the Lions against the Bank at six o'clock and Bagwell playing First Baptist in the second game.

Tomorrow night (Friday) Bagwell will take on Rotary early and then Johnson's will play Ford.

Starting Saturday, June 14, one half of the District IV Little League tournament for nine and ten year olds will be played here at Avon Park's Little League Field.

Taking part in the tourney held here will be Frostproof, Lake Alfred, Auburndale, Lake Wales, Hardee and Avon Park. It will be a double elimination affair and will run through next week. Arrangements will have to be made concerning the final week of play in the Avon Park Little League. Some games may be cancelled if a winner can be established by this Friday night.

Rotary 24 Bank 0
Dwayne Council pitched a no-hitter against the Bank team last week as his team shut out A.C.B. 24-0. The Rotary batters got nine hits off two Bank pitchers including a homerun by Timmy Cribb who also had a double. Ben Casey and Ricky Oates both hit two singles. Dennis Barefield had a double and Dwayne Council and Jack Thomas both singled for the winning Rotary nine. The game went only three innings. Council struck out 9 of the 12 batters he faced in the three innings.

I. H. Ford Motor 6 Lions 5
Greg Kelley scored the

winning run in the bottom of the fifth inning last week to give Ford a 6-5 victory over Lions and move Ford into the second place in the league. Kelley singled and was walked in. The Ford batters got only three hits off two Lion hurlers. Jeff Caldwell hit a double and Desmond Albritton and Greg Kelley added the other two hits.

The Lions batters took two Ford pitchers for six hits. Sam Barnes, Lions third baseman, hit a homerun in the second inning. Craig Schomp had a double and a single and George Wyche, Ronnie Barnes and Donald Barker all had one single each for the losing Lions.

First Baptist 4 Kiwanis 1

First Baptist broke up a 1-1 tie game in the top of the sixth inning by scoring three runs to win 4-1 over Kiwanis last week. Baptist hurler Jim Matsumoto tossed a no hitter at the Kiwanis batters and the Baptist batters got only two hits off Tommy Hipps and Gerry Jones. Chris Collins doubled in the fourth and Walt Touchton singled in the third frame for the only two hits for Baptist. Walks and errors accounted for the three runs in the top of the sixth to give Baptist the win.

Bagwell Lumber 14 Johnson's Sports Center 4
David Jackson, Alvin Conner and Ricky Derkman shared mound duties as Bagwell Lumber took a 14-1 win from Johnson's last week. Conner was the winning pitcher going 2-3 innings striking out seven and allowing no hits. Jackson and Derkman gave up two hits off Ricky Derkman. Bagwell batters jumped on two Johnson pitchers for 14 hits. Ricky Derkman hit a double and two singles. Alvin Conner hit three singles and Gerry Jones had two doubles. Jeff Davis and James Simpkins hit two singles each and David Jackson and Tim Mossey both hit a single for the winners.

Bagwell Lumber 5 Rotary 4

In a close, well played game last Thursday, Bagwell Lumber edged by Rotary 5-4 to hold on to undisputed first place with a 9-2 record. Rotary dropped to third place with a 7-

TO THE MUSIC OF Handel's "Largo" graduating seniors filed out of the First Baptist Church Sunday evening while

parents and families proudly watched them leave.

4 mark.

Alvin Conner and Jerry Jones shared the mound for the Bagwell team. Conner went the first innings giving up three runs and two hits. Jerry Jones came on to finish the last three frames allowing one run and no hits. He struck out seven Rotary batters fanning the last three to assure the victory leaving the tying run stranded on third base. Dennis Barefield and Ricky Oates both hit a double for Rotary.

Bagwell's Jerry Jones hit two singles, Alvin Conner had a double and Ricky Derkman and David Jackson singled. Tim Cribb struck out 10 Bagwell batters as he took the mound loss for Rotary.

I. H. Ford Motor 15 Avon Citrus Bank 8

I. H. Ford Motor scored five runs in the top of the sixth inning last Thursday night to take a 15-4 win from Bank. Two Ford pitchers held Bank to four hits. Rich Macklin, Dennis Myers, Ricky Johnson and Greg McDonnell all hit one single each for Bank.

I. H. Ford Motor batters jumped on three Bank pitchers for seven hits. Bobby Williams hit a double and a single, Todd Bennett hit a double and Kevin Caldwell, Darwin Ford, Greg

Kelley and David Bennett all singled for the winners. The win put Ford in second place with an 8-3 record.

Lions 4 Kiwanis 3
The Lions pushed over a run in the last of the sixth inning as Craig Schomp singled and was driven in by a triple by Donald Barker to give them a 4-3 win over Kiwanis. George Wyche was the winning pitcher giving up a double to Tommy Hipps and a triple to Tommy Turnball and two singles to Randy Hudson in the six inning game.

The Lions got seven hits off Gerald Jones and Erdley Bent. Donald Barker had the triple and Stephen Andley, George Wyche, Ronnie Barnes, Sam Barnes, Roosevelt Wyche and Craig Schomp all hit one single each for the winners.

First Baptist 4 Johnson's 2

Chris Collins tossed a no-hitter against Johnson's Sport Center last Friday night to pave Baptist to the 4-2 victory. Darryl Watford scored both Johnson runs as he walked in the fourth and sixth frames. Chris Collins doubled in the fifth inning and Robbie Kopp, Kenny Houpe and Reggie Moore all singled for Baptist to help with the win.

Judge Richardson Attends Law Sessions

Judge Mark H. Richardson Jr., of Highlands County, is among 26 county judges participating in the County Judges Training Program at the University of Florida College of Law.

James R. Pierce, associate professor of law at the University of Florida and director of clinical programs, is administrator of the educational program.

In addition to participating in four-day sessions once a month in Gainesville, the jurists attend a one-month session each summer. The judges began the first of the three one-month sessions in 1974. They will return during the next two summers before completing the training. The program is also supplemented with at-home reading.

The participants, who are rich in judicial experience with from three to 29 years on the

bench, have been offered this opportunity as a continuation of their already extensive practical legal training. The program is also designed to allow cross-assignment of these judges into larger population areas.

The two-year program was initiated by the Florida Supreme Court and is supported by legislative appropriations.

Rev. Childress

Offers No Easy Life To Seniors

There was no offer of an easy way to life by Rev. Aden Childress Pastor of the First Baptist Church in his baccalaureate sermon for the graduating seniors of the Avon Park High School Sunday night. He presented the seniors the question, "What is my life and what can I do with it to obtain a rewarding and fulfilling life?"

The Senior Class escorted by Marshalls Frank Anderson and Cynthia Langston filed into the church to "Pomp and Circumstance" by Elgar as played by Miss Elaine Woodward.

After the Invocation by Rev. J. W. Daugherty the Avon Park High School Chorus under the direction of Student Director Tammi Love sang "Cherubim Song No. 7." Rev. Bentley Williamson read the Scriptures.

Rev. Childress in his sermon laid it on the line in his explanation why many people do not make the best and fullest use of their talents and abilities because of various excuses.

The measure of a person's life is the quality of their soul for the times demand strong courage to face the issues, to make decisions and a willingness to carry through with these decisions. The times also demand a faith in the future and a willingness to work to make dreams become a reality.

Rev. Childress pointed out many things people do to keep from realizing their full potential. There are those who run away from life, like Jonah, those that try the romantic way of movies, TV or the bottle, pill or syringe in an attempt to find an easy way out.

A third group become professionally ill and enjoy it as a way of escape from the facts of life. Another type of individual runs with life, driving along with the current, wanting to be accepted by a gang or group and catering to the demands of a mold, not being aware that God made each individual different and distinct. Thus a person's greatest achievement is to be what it is possible for them to be. The early Christians made their mark on the world because they were different.

The last group Rev. Childress spoke of were those who would say I run my life — they take the bull by the horns and grapple with the problems that come up. There is purposeful living. It requires discipline of mind and talents as stated by Paderewski, "before being a master, I was a slave." Dedication comes with a willingness to pay the price of discipline to achieve.

"You are more than a body and a mind — you have a spiritual quality through which you receive resources from God," stated Rev. Childress. And he asked the young men and women, "What is your life? What are you going to make of it?"

"The decision," he continued, "is one each person has to make — the answer is found within one's mind and heart. What will you make of it, under God?"

In a second number the girls chorus under student Director

ON THE MALL "Automotive Value Headquarters" AVON PARK

Bank Team Wins Over Wales

The Highlands County Bank of Avon Park big league baseball team won its second straight game of the season in Lake Wales last Saturday afternoon when it thumped Wales Cooling and Heating 10-3. The Avon Park team had defeated Auburndale in the season opener last week.

Jamie Tomlinson and Charlie Pugh teamed up to hurl a three-hitter at the Wales Cooling and Heating team. Tomlinson gave up one single and no runs in the first four innings. Pugh came on to start the fifth and allowed three runs on two singles during his three innings on the mound.

The Highlands County Bank of Avon Park nine got 11 hits off three Wales Cooling pitchers in the seven inning game. Freddy Moore, Avon Park first baseman, had a double and two singles to lead his team at the plate.

Terry Lanzing came in to play second base in the fifth inning and capped off two singles. Catcher Mort Jackson and centerfielder Brad Beumel both lined a double to the outfield. Reggie Baker, Mike Minard, Charlie Pugh, and Ray LaPlam all hit one single each to close out the Avon Park hitting attack.

The Highlands County Bank of Avon Park team is coached by Ronnie Jackson and Hoppy Rewis. The team is in its second year of play in the District IV league along with Frostproof, Wales Cooling and Heating, First National Bank of Lake Wales and Auburndale.

In the top of the first inning the Highlands County Bank team scored nine runs on six hits off starting hurler Lamb. Emmett came in to relieve and held the Avon Park team

Bombing Range Limited To 2000 Hunters

Avon Park Wildlife Management Area will be limited to 2,000 hunters the first two weekends of the general hunting season, according to Regional Wildlife Biologist, Frank Montalbano.

Part of the new quota system, Avon Park will differ from other management areas in that only 2,000 permitted individuals will be allowed through the gates.

According to Montalbano, the Air Force Wildlife Commission limited the quota to 2,000 people, but in order to be fair to hunters the Commission had established that the 2,000 entering Avon Park must be fully licensed hunters and permitted according to the quota system.

Sportsmen must realize, Montalbano said, if children and non-hunters accompany hunters, the permits will be counted as part of the 2,000 quota and could eliminate another hunter's opportunity to participate. To control this the Commission has suggested only hunters attend the first two weekends of the season.

Montalbano reminded sportsmen Wildlife Management Area Stamps and permit applications will be available at County Tax Collector's Offices and various sporting goods and tackle stores until September 23.

Registration for Vocational-Technical Division summer classes at South Florida Junior College will be held tomorrow, June 13, and Monday. Persons may register at the college from 9 a.m. until 4 p.m. on the 13th and 14th and from 8:30 to 9 p.m. on the 15th. There will be no registration Friday and Saturday. The summer session is six weeks in length and classes begin June 17.

Classes in automotive mechanics, air conditioning & refrigeration, and tractor & diesel mechanics will be offered from 8:30 a.m. until 3:00 p.m. Typing I & II will be offered daily from 8:30 until 11:30 a.m. Registration fee is \$10 per course.

Further information about vocational-technical courses may be obtained from the college or by calling 453-0661 in Avon Park, Extension 137.

UNDER THE WATCHFUL eyes of both baseball coach Tim Hill (right) and SFJC President William Stallard, Brad Beumel, versatile Avon Park High School player signs and will be playing with the Junior College team this fall. Brad is the son of Mr. and Mrs. Wilford Beumel. Photo—Miller.

Beumel Signs

Brad Beumel, 6'9", 155 lb., Avon Park High School Red Devil has signed a baseball scholarship with South Florida Junior College. Brad received the Most Valuable Player award this year and played centerfield for the Red Devils. He was also the team's second leading hitter. Brad is a versatile baseball player. As a junior, he played third base and shortstop as well as the outfield. SFJC coach, Tim Hill, is impressed with his speed, his bat control, and his versatility in being able to play more than one position.

Bagwell Tourney Opens Friday At River Greens

More than 35 entries have been received for the Bagwell Lumber Company Youth Golf Tournament on Friday, Saturday, and Sunday according to Tommy Bagwell, sponsor and Rodney Davis of River Greens Golf Course.

The number of entries compares favorably with last year's 38 or 39 competitors stated Rodney Davis as on Tuesday he expected more golfers to register for the tourney since a west coast golf tournament was completed last weekend. The River Greens Course and Tournament has the capabilities of handling up to 120 participants.

Thus far, the young golfers are coming from seven cities across Central Florida. Avon Park High School Golf Coach Sandlin stated that most of the high school golf squad have indicated they will take part in the tourney.

Sponsor of the tourney Tommy Bagwell stated there will be plenty of free parking and free admission for all spectators if they choose to follow their favorite young golfer around the course.

Besides the three rounds 54 holes of play on the new 18 hole course added features for the tournament golfers will be a "closest to the hole shot on the 17th hole and a longest drive contest on the 18th hole."

Tournament play starts at 10:00 a.m. on Friday and Saturday and at 12:00 noon on Sunday. At the end of tournament play on Sunday the flight winners will receive their trophies during a dinner for the golfers and officials.

Mel Bass Enters Not Guilty Plea

Deposed county commissioner Mel Bass has entered a written plea of not guilty to a driving while intoxicated charge.

The case was transferred from Avon Park municipal court into county court. An anticipated request for trial by jury was formally entered when Bass entered his not guilty plea.

County court will hold its next session of jury trials this week of July 8. Pre-trial hearings for that session are set for July 1.

Bass, elected as county commissioner from district 1, was suspended from office after a series of dwt arrests. He has served one jail term in connection with earlier convictions on dwt.

Slow Pitch Softball Tourney Starts Friday

The Avon Park Softball Association will sponsor a slow-pitch softball tournament here in Avon Park this week, ending with 11 teams participating. The action will start tomorrow, Friday, at 6:30 p.m. There will be five games at 8:00 and 9:30 Friday night. Saturday morning the games will start at 9:00 a.m. and continue through the day. On Sunday action will also start at 9:00 a.m. and continue until the winner is determined in the double-elimination tourney.

There will be five teams from Avon Park taking part in the meet — Jackson's Masonry, Coca Cola, Avon Paint and Body Shop, Highlands Building Supply and Jahna Concrete. Frostproof will enter a team as will Okeechobee. There will be two teams from Pahokee — Union and Pahokee Prodigies. Belle Glade will also enter two teams — Beelays and Campbell's.

Fans are invited out to the city softball field at the corner of North Anoka and Withrop St. across from Head Field to watch these softball teams in action.

A drivers meeting will be held at 9:30 a.m. on Saturday with the region championship racing to start about 10:30 a.m. on Sunday racing for cash prizes will start about 12:15 p.m.

Senior League Reds Have 10-0 Record

In Avon Park Senior League baseball action last week the Reds continued to win with a 2-1 victory over the Mets and a 5-4 win over the Braves. The two victories gave the Reds a 10-0 record with eight games left to be played.

The Senior League All-Star tourney for District IV is set to be played starting July 12 in Auburndale. Avon Park is the defending district champion.

The Braves lost to the Reds but won over the Cubs to hold on to second place in the local four-team league. The Braves are now 6-4. The Cubs also split last week winning over two walks, a fielders choice out 10 hits off winning hurler Jimmy Thurston. The Cubs are 3-6 now. The Mets started in fourth place with an 0-11 mark as they have yet to win a game this season. They lost both games last week by just one run.

Brojek First In 8 Mile Run

Avon Park's track coach, Chet Brojek, won first place in the 8-mile run held in Lakeland last Sunday, June 8. Brojek finished with a 52 minute 09 second time.

In the 20-29 year old age classification, Jesus Garcia and Joe Baker turned in times under an hour. Garcia came in with a 56:05 clocking and Baker finished in 58 minutes flat.

Brojek is planning to participate in a marathon run somewhere in Florida in the fall hoping to qualify for the Boston Marathon next year.

Steve Arnold pitched a one-hitter for the Reds striking out 14 batters. Only Jimmy Spruiell got a hit for the Mets. But the Reds connected for three singles in the fourth off started Andy Lanzing and then added another single in the sixth off relief hurler John McKunas. Allen Roberts got two hits and Horace Moore and John Barben picked up the other two singles for the Reds.

The Reds had another scare last Thursday when the Braves played a tough game only to lose 5-4 in the eighth inning. The Braves tied the game up 4-4 in the last of the seventh but the Reds pushed over a run in the top of the eighth and then held on for the close win. Dale Sizemore was the winning pitcher but the Braves got to him for five hits.

Dale Sizemore singled three times and Victor Roberts got two singles to pace the losers at bat. The Red batters connected for six hits off losing hurler Dale Sizemore. Allen Roberts again hit two singles and Keith Cobb, Steve Arnold, Horace Moore and Billy Young had a single each for the Reds. The winning run scored on three errors by the Red infield.

The order granting motion to dismiss proposed for Barbens to file an amended complaint if they wish, setting July 10 as deadline for such filing. The order was signed June 4.

Judge Dismisses Civil Suit

Circuit Judge John H. Dewell has granted a motion to dismiss a civil suit involving the intra-family disagreements of some of the county's best known agribusinessmen.

Judge Dewell ruled that Robert J. and Jane H. Barben had failed "to allege sufficient facts" to support their bid for the court to appoint a receivership to protect the assets of S. Y. Hart and Son, Inc.

The suit, filed by Barbens in January, had also asked the court to restrain Sanford Hart from actions detrimental to the corporation.

Barben and Hart both are vice-presidents and directors of S. Y. Hart and Son, Inc. Mrs. Barben — Jane Hart Barben — is secretary, treasurer and a director in the family corporation established in 1893.

Judge Dewell ruled the plaintiffs — the Barbens — had not alleged facts showing "gross abuse of discretion by the board of directors of the corporation."

The order granting motion to dismiss proposed for Barbens to file an amended complaint if they wish, setting July 10 as deadline for such filing. The order was signed June 4.

Appreciation Expressed By Jackson Family

Jerry Jackson, brother of Buckle Jackson who died recently from burns suffered when fire destroyed his trailer home called the SUN Tuesday and asked us to relay his family's sincere appreciation to all who helped him and the Buckle Jackson Medical Fund.

He said funds donated in Miami were to be forwarded to the Buckle Jackson Medical Fund established at the Highlands County Bank of Avon Park.

Funds donated locally amounted to \$1,068. Some of Buckle's medical expenses will be covered by Medicaid benefits but the family is not sure yet how much will be covered, Jerry said.

Should any funds be left in the account when all medical expenses are paid, the remainder will be donated to the Burn Center at Jackson Memorial Hospital, Miami, in Buckle's name, Jerry said.

least two games. The tournament will run through Thursday night of next week. Last year Avon Park's team went to the finals of this tournament.

Coaching Avon Park's All-Star nine and ten year old team will be coaches of the teams in contention for first or second place in the Avon Park eight-team Little League tournament.

Other Little League tournaments to be held in the coming weeks are: a 13-year old tournament for senior league players (Avon Park, June 27); a strong team tourney (Auburndale - June 28); All-Star Little League (Dade City, July 19); Senior League Invitational for 13 year olds (Auburndale - July 5); Senior League District All-Stars (Auburndale, July 12) and District IV Big League Tournament (Lake Wales - July 14).

Runners Club Chalks Up VI Victories

Results of the Highlands County Runner's Club three-mile run held in Avon Park last Saturday, June 7, were announced by Chet Brojek this week. Joe Franklin of Haines City came in first over-all with a time of 15:15 to capture the top prize and to win the men's 13 through 20 age group race. Henry Babers was second over-all and second in the 13 through 20 grouping. Avon Park's Chet Brojek came in third over-all with a time of 17:17 which was good enough to take first place in the men's 21 through 35 class.

Steve Palmer captured the boys 12 and under trophy with a time of 20:22 followed by Wendell King and Matt Butz. Following Franklin and Babers in the 13 through 20 age group were Sammy Pryce with a 17:47 clocking, Alphonso Williams with an 18:13 good for seventh overall and Johnnie Morris with a 20:06 timing.

Finishing right behind Chet Brojek in the men's 21 through 35 class was Jesus Garcia with a 17:29 clocking. Joe Baker with an 18:01 and Pep Hutchinson with a time of 19:24 minutes.

George Butz won the men's 36 and over age group race with an 18:28 minute timing and Ernest Palmer came in second in that classification clocked at 20:37 minutes.

The novice mile run was won by Jerry McKenzie with a time of 5:55. Mike Best came in second in 7 minutes 28 seconds and Wes Palmer was third with a 12:01 clocking.

Summer club plans will be set up next week and announced in the near future.

Little League Tournament Starts Saturday Night

Avon Park will host five teams in one half of the District IV Little League nine and ten year old tournament to be held here starting this Saturday night, June 14, at the Avon Park Little League Field. The other six teams in the district will play in Plant City and the finals will be a best of three game play-off between the winners of the two tourneys.

In the first game Saturday night at 6:30 here in Avon Park, Frostproof will meet Lake Alfred and at 7:30 Saturday night Auburndale will go against Lake Wales. On Monday, June 16, the All-Star nine and ten year olds will play the winner of the Frostproof vs Lake Alfred game at 5:30 p.m. Avon Park will play the winner of the Auburndale vs Lake Wales game at 7:30 on Monday.

The tournament will be done in elimination with all participating teams playing at

CAROL BARBER IS ARTIST OF THE MONTH

Carol Barber

Chosen As Artist Of The Month At City Library

Carol Barber has been chosen Artist of the Month at the Avon Park Library and viewing her oil paintings one would never guess she's only been seriously painting for about a year.

Carol has taken high school art classes and went to one diversified art class just before she began painting but has no formal training. Nevertheless she turns out some beautiful work.

Her husband, Don, gave her an oil paint set and brushes for her birthday about a year ago and since then she has done several scenes some of which are on display at the library throughout the month.

Her husband is an artist in his own right making lovely tables out of old cyprus logs. They have a collection of the tables in their home at 142 N. Lake Ave., Avon Park.

Don made most of the furniture that graces their lovely home. Decorated in a natural rustic manner, the cyprus tables fit perfectly but would blend with almost any decor. Don's tables as well as Carol's paintings are available for sale.

The Barbers have lived in Avon Park for about one and a half years. As a pilot in the U. S. Air Force, Don flew to the Avon Park Bombing Range in the line of duty and during times when he had to stay a few days, looked over Avon Park and decided it would be a nice place to settle and raise their family.

Avon Park is not far from home ground for Carol who is a native of Tampa. Don hails from Birmingham, Ala. They have three children, Pat, 11, Timmy, 9, and Stephanie, 6. Carol previously worked part time with Sun 'n Lakes Estates

but is now devoting all her time to her family and painting.

The library's Artist of the Month program was started several months ago and spotlights Avon Park area artists with a display of their work at the library.

Camper Owners Warned Of Deaths

The U.S. Department of Transportation's National Highway Traffic Safety Administration (NHTSA) issued a warning which equates owners of "slide-in" or "cap-type" truck-camper vehicles to inspect the exhaust system tail pipes and tail pipe connections.

The agency said it had received reports of four deaths from carbon monoxide exhaust poisoning, caused when camper occupants were resting inside with the engine running. A probable cause, NHTSA said, was the installation of "slide-in" campers, or the use of "cap" units (a cover or roof installed over the pickup body), without making sure that the vehicle exhaust pipe extended out from under the truck body and its overhanging camper unit. This can result, with any leakage in the flooring of camper or truck body, in a lethal flow of exhaust fumes.

NHTSA said owners should be sure that vehicle tail pipe length is adequate to bring the exhaust out from under both truck and camper; and that all exhaust system connections and parts are leak proof.

Camper's equipped with accessories such as air conditioners, heaters, fans,

etc. which require the vehicle engine to be running in order to work properly, should be altered so these accessories operate off a different power source. This is not only a safety precaution, NHTSA said, but a fuel-saving necessity as well.

Monday, Edward Carter, publisher of the SUN has announced.

Read, a five year resident of Avon Park is a native of Statesville, N.C. He obtained

PREPARED FOR MOST anything, a spare tire and wheel — a broom handle to chase dogs and rain gear just in case. Wonder if the bike rider knows it's a violation of the city

Doyle Conner

Study Of Water Use

Commissioner of Agriculture Doyle Conner called for serious study of more efficient utilization of Florida's water resources, much of which are wasted while the state undergoes recurrent drought conditions.

Conner said Florida's water problem is not that there is too little water but that it is not where the people are. He noted that sparsely-populated north Florida rivers pour 40.5 billion gallons of water per day into the Gulf of Mexico and the Atlantic Ocean, while more densely populated south Florida river flows are slightly more than one-tenth of that amount.

Conner said feasibility studies should be initiated into

the possibility of transporting water by aqueduct or other means from where it occurs to where it is needed in central and South Florida. He pointed out that the early Romans used aqueducts to bring water from the mountains down into the Italian boot, and California built aqueducts to move water from where it occurs in the northern part of the state to where it is needed in the southern part of the state.

In addition to major rivers, Florida has 17 springs of the first magnitude, meaning they gush out at least 100 cubic feet of water per second, about two acre-feet of water per day. Silver Springs discharges 500 million gallons of water per day. Rainbow Springs near

Dunellon discharges 450 million gallons, and other major springs are near enough to be tapped for municipal and agricultural use, Conner said. Florida's consumptive use of water at about eight billion gallons per day is increasing as the state's population rises, but

is not likely to exceed the amount of water available, Conner said. However, the water problem, particularly in Hillsborough, Pinellas and Polk counties, is likely to get worse before action is taken to alleviate it.

Florida should use the

expertise of the staffs of the regional water management districts and their taxing authority to study the feasibility of aqueducts or other means of putting the available water where the people need it, Conner said.

SFJC Offers GED Prep Course

A course to prepare persons for the GED examination (high school equivalency) is being offered by the Vocational-Technical Division of South Florida Junior College during the summer term. The six-week course will be taught Monday and Thursday evenings beginning June 17.

GED preparation prepares the student to take the test for the General Equivalency Diploma and is also for those who have previously taken the GED test and failed to pass. The test will be administered at the conclusion of the class. Registration for GED preparation is \$3 and persons

may register at the college on June 13 and 16 during the hours scheduled for Vocational-Technical Division registration.

Further information may be obtained at the college or by calling 453-6661, extension 137, in Avon Park.

Ronnie Reid Joins Sun Advertising Staff

Ronnie K. Reid has joined the advertising staff of the SUN and assumed his new duties

his first experience in advertising there with the Statesville Record and Landmark.

He has been employed as sales representative for Ross Backus Cadillac in Sebring and has previously been engaged in sub contracting on Scotty Homes with his brother, Curtis Reid.

Reid attended Statesville, N.C. schools and studied sales and advertising at Catawba Valley Technical Institute in Catawba Valley, N.C.

Reid and wife, Glenda, live at 26 W. Winthrop in Avon Park. They have two sons, Aaron, 6, and David, 1. He is the son of Mrs. Annie Reid, 1035 W. Townsend St., Avon Park, and Kirk Reid of Sebring. He has a brother, Ricky, 12, a student at Avon Park Middle School.

"HI DADDY"

"Hi Daddy! When are you coming home?"

How happy it would make our Heavenly Father if we responded to His voice in the same joyous manner that this little child has responded to his Daddy's voice.

Enthusiasm for God's Way would turn a greater number of people toward God and His love.

"I was glad when they said unto me, Let us go into the house of the Lord" (Psalms 122:1) would be a joyous response to God's command, "Forsake not the assembling of yourselves together." (Hebrews 10:25)

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

BILL McDANIEL WILL be featured in Who's Who in Baton Twirling.

McDaniel To Be Featured In Baton Twirling Edition

William (Bill) McDaniel will be featured in the twenty-fifth consecutive edition of Who's Who in Baton Twirling, a 624 page volume compiling biographies and pictures of the most prominent participants in the specialized art of twirling.

SFJC To Offer

Physical

Education Course

The National Baton Twirling Association in union with the editors of Drum Major Magazine have published the book as a sound biographical reference tool that can be used effectively in public and school libraries, offices and homes. In addition to heralding America's baton twirling champions, authorities in the field of pageantry have incorporated the highlight records and facts of the history of twirling in this book.

The art of baton twirling originated from the ceremonial dances and celebrations of the natives of Siam, Arabia and the Samoan Islands who would manipulate their knives and spears much as the majorettes of today.

Until the 1930's, baton twirling was practiced almost exclusively by men, today it is a field involving both men and women and ranking only second to "scouting" in youth participation.

A general interest physical education course in basic conditioning is being offered by South Florida Junior College during the Summer "B" term. The objectives are the attainment of a high degree of physical fitness and the improvement of the cardiovascular and respiratory systems. Persons completing the course will not only feel better physically but will look better as well.

Basic conditioning will meet five days a week for six weeks from 9:40 to 10:50 a.m. beginning June 17. The course may be taken for one hour of college credit or for audit. Registration is June 16-18 at the college.

Further information may be obtained from the admissions office or by calling 453-6661 in Avon Park.

SURPRISED PLEASURE registers on the face of Sun reporter-photographer Norma Gobbie as she removes what appeared to be a pile of newspapers from her desk to discover a birthday cake when she arrived for work Friday morning. The surprise was prepared by fellow Sun employees. Photo—Miller.

City Studying Sewer Bids

City councilmen and engineers are studying bids on the \$3.5 million sewer system planned for Avon Park and will accept a bid on June 30. Some 25 companies entered bids on one or more phases of the project and several variables will be considered before a bid is accepted.

Past performance of the bidders will be examined and it is conceivable that the low bidder would not be awarded the bid should it be found his work was not satisfactory in the past, Avon Park City Clerk Malcolm Crews said.

Bids were taken separately on three phases of the sewer system with Project 1 comprising the water pollution control system, Project 2 being the westerly waste water collection system and Project 3 being the easterly waste water collection system.

Engineers estimates are \$28,000 for Project 1, \$1,597,097 for Project 2 and \$1,447,258 for Project 3.

Companies bidding and the amount of their bid are: All-State Paving and Construction

Co., Orlando, Project 3, \$1,299,855.02; B. J. Construction Co., Orlando, Project 2, \$1,198,076.35, Project 3, \$1,097,426.60; Bryant Electric Co., Maitland, Project 2, \$1,334,363.48, Project 3, \$1,198,588.20; Bumby and Stimpson, Inc., Orlando,

Project 2, \$1,473,535.45, Project 3, \$1,366,600.95, with a \$26,500 combination reduction; C. F. W. Construction Co., Inc., Punta Gorda, Project 2, \$1,618,331.50, Project 3, \$1,406,416, with a \$40,000 combination reduction; Christopher Construction Co.,

Columbus, Ohio, Project 1, \$512,000, with additional alternates, \$656,125; Degnan Excavating Co., Inc., Lima, Ohio, Project 2, \$1,394,631.80, Project 3, \$1,222,055.90; Gator Utilities Service, Inc., Fort Myers, \$1,241,196.79, Project 3, \$1,094,026.45, combination

reduction, \$60,000; Giannetti and Lanzo Construction Co., Bradenton, Project 2, \$1,696,684.25, Project 3, \$1,563,964.75, combination reduction \$290,000; Grey Bull Contracting and Engineering Corp., Orlando, Project 2, \$1,670,692.10, Project 3,

\$1,357,455.20, combination reduction, \$50,000; Griffin Construction Co., Savannah Beach, Ga., Project 1, \$562,854, with additional alternates, \$171,861.50, Project 2, \$1,219,804.14, Project 3, \$1,043,595.82, combination

reduction Projects 1 and 2, \$10,000, Projects 1 and 3, \$10,000, Projects 2 and 3, \$10,000, all three, \$60,000; W. Jackson and Sons, Pompano Beach, Project 1, \$527,125, with additional alternates, \$607,344, Project 2, \$1,245,504.16, combination reduction, \$1,035;

Johnson Engineering Contractors, Inc., Lighthouse Point, Project 1, \$451,100, with additional alternates, \$562,375; LaGrow Irrigation, Inc., Lake Placid, Project 2, \$1,487,900, Project 3, \$1,369,518.45; Jack Laurence Contractor, Inc., Largo, Project 2, \$1,596,585.55, Project 3, \$1,396,330.50;

Macasphalt Corp., Winter Haven, Project 1, \$599,700 with additional alternates, \$706,210; McMahon Construction Co., Deland, Project 1, \$505,000, with additional alternates, \$670,425; M and L Contractors, Inc., Sarasota, Project 3, \$1,477,864.65; Omontario of Florida, Inc., Cocoa, Project 3, \$1,505,963.50; Polk Improvement Co., Lake Wales, Project 3, \$1,235,585.65;

Reserve Construction Co., Orlando, Project 1, \$679,701, with additional alternates, \$921,792; Scott Cole Utilities, Inc., Bradenton, Project 1, \$278,986, with additional alternates, \$724,935; Project 2, \$1,355,172, Project 3, \$1,290,784;

Carl Simone, Inc., Jacksonville, Project 2, \$1,465,999.45, Project 3, \$1,447,583.58, with a note that the company wanted only one contract awarded; Smith-Sweger, Inc., Largo, Project 3, \$1,609,218.60, Project 3, \$1,371,325.45; Guy Villa and Sons, Inc., Stuart, Project 2, \$1,477,777, Project 3,

\$1,295,583.10, with a combination reduction of \$23,919.10; Valcan Enterprises, Inc., Lakeland, Project 1, \$530,000, with additional alternates \$686,646; and Woodruff and Sons, Holmes Beach, Project 2, \$1,366,118.20, Project 3, \$1,246,905, with a combination reduction of \$25,000.

All this requires investment of borrowed money.

Inflation has hiked the cost of everything. The Consumer Price Index, a reliable barometer of the national economy, has risen 56 per cent since 1967. Food costs have gone up 62 per cent, medical care has increased 51 per cent and housing is up 51 per cent.

The five-year-old rates charged by United are based on the cost of doing business in 1967.

The company's union contract expires June 30 which means they will more than likely be forced to hike salaries which have already increased from \$6,000 to \$10,000 per employee since 1967.

Interest rates paid by the company in 1974 on long-term indebtedness amounted to \$8.4 million compared to \$1.7 million in 1967.

Not only is the telephone company a major taxpayer, it also serves as a collector for (Please turn to page 2)

MAYOR MARSHALL DAVIS and Leona Maxwell, Chairman of the Bicentennial Committee talk over the Mayor's Proclamation declaring the Fourth of July Old Fashioned Family Picnic as the Kickoff event for Avon Park's year of the Bicentennial Celebration. Photo—Miller

Couple Dresses In Old Time Costoms

People in the Bandstand area on the Mall last Saturday morning were privileged to see customs that were in style during the last century or the early part of this century as Mayor Marshall Davis presented Leona Maxwell a proclamation declaring the Fourth of July Old Fashioned Family Picnic as the Kickoff event for the year long Bicentennial Celebration ending on July 4, 1976.

Mayor Davis outfitted himself by borrowing a narrow brimmed black top hat from Mervin Hehrer. His 16-30 year old sharp looking dark suit also had another previous owner but his black bow tie was strictly modern. He purchased it Saturday morning in Avon Park.

In her costume Leona Maxwell might well have been the Belle of the Ball. Her fancy beige waist was hand made from raw silk and trimmed with round thread lace. It had a high collar with the neck band held erect by bone stays.

The black satin skirt had a full back and was of the bustle

type. The floor length skirt hid the fact that Leona was not wearing high button shoes as part of her costume.

Accessories included a modified skimmer black hat of the turn of the century design held in place with a foot long hat pin. Elbow length black lace mitts, without fingers, completed the outfit.

On her wrist Leona carried a folding parasol from England that had belonged to Mrs. Banbury who had built the Shockley home on Lake Pythias. The parasol was ornamented with a dog's head. In her other hand she carried a silver mesh bag that had belonged to a niece of Jesse James. This bag was loaned by Margo Maxwell.

The purpose of the Mayor's and the Bicentennial Committee Chairman's visit to the 63 year old Band Stand is to urge everyone to dig into those old trunks and boxes for costumes to wear at the Fourth of July Old Fashioned Family Picnic at Donaldson Park and during other Bicentennial activities.

Big July 4th Celebration Planned

The July 4th Bicentennial Kickoff Celebration in Avon Park will start promptly at 12 noon with the Flag Ceremony at the Band Stand on the Mall under the direction of the U.S. Air Force Color Guard.

Students from the Avon Park High School Glee Club, Band and "The Young Highlanders" will lead the audience in the singing of our Country's patriotic songs following which John Wright of WEDU-TV will give a patriotic reading. The invocation for the celebration will be rendered by the Rev. Bentley Williamson.

Immediately following the ceremony at the Band Stand the center of activity will shift to Donaldson Park for the Old Fashioned Family Fourth of July picnic and a fish dinner given by the City Recreation Department. Tickets are \$1 for children 12 years and under and \$2 for adults. A drawing will be held at 2 p.m. for a \$25 U.S. Savings Bond.

EXTRAS for the celebration event will be homemade ice cream and real lemonade. There will be live entertainment by local talent from 12:30 until 2 p.m.

The committee urges everyone to come and watch for the landing of a hot air balloon on the Lake Verona Beach. Bring your lawn chairs or a blanket and be comfortable.

THE PLATE — ARRIVED STONED — is almost what happened to the two occupants of this '67 Rambler last Friday night on the Bombing Range Road. Following the

accident they were taken to the county jail by Patrolman M. R. Dunn to have their alcohol content checked. Photo—Miller.

Bryan Tells Chamber Why Rate Increase Is Necessary

By NORMA GOBBLE

The \$8.1 million rate increase sought by United Telephone Company of Florida would amount to only five to 50 cents for residential telephones in Avon Park with business telephone rate increases ranging from \$4.25 to \$5, according to Charles Bryan, general commercial manager for United who explained the request and the need for it to the Avon Park Chamber of Commerce Board of directors Tuesday evening.

Charges for pay telephone calls would double and installation charges would be more than four times as much. Pay telephone calls would go from 10 to 20 cents.

Bryan pointed out that cost of maintaining this service is high and that vandalism of pay phones is common and very costly to the company. The charge for installation of residential phones would go from \$11 to \$49.30 representing

a return of what it costs the company to install a phone.

In a slide presentation entitled "Put Yourself in Our Shoes," the substantial communications progress made since United Telephone came to Florida in 1967 was noted along with the cost of maintaining the service to the company.

The company served 63,000 customers at that time and have added 90,000 with the total telephones now in service exceeding 225,000.

The company has tripled its total investment from \$70 million to \$230 million by the end of 1974, raising its average investment per telephone from \$733 to \$1,366.

However, last year the amount of investment per telephone gained was \$2,000 compared to \$1,300 in 1968 due to inflation which has hit every area, according to the slide presentation.

United serves a 13-county

area of Florida and is the third largest telephone in the nation.

Although they operate in a franchised service area, they must meet competition in the labor market for qualified personnel and the money market to attract new investors.

At the same time, rates charged customers are firmly regulated and while the company's cost go up their prices cannot be raised without consent of the Public Service Commission.

Should the requested rate hike be granted by the PSC, it would be several months before rate increases would take effect.

The presentation pointed out that the company has made substantial progress in meeting service and growth demands in the past few years, but must continue to improve the quality of service for existing customers and meet the needs of new customers.

The company has met inflation head on with economic moves of more efficient use of personnel and materials and the installation of newer, more efficient equipment.

Future equipment expansion requiring additional personnel and financing are in the long term plans of United. Increased demands for more customer service will require

substantial investment by the company.

United is well into a program of modernizing switching equipment at all its exchanges to improve handling of customer calls and is continually installing additional circuits to provide better long distance service.

All this requires investment of borrowed money.

Inflation has hiked the cost of everything. The Consumer Price Index, a reliable barometer of the national economy, has risen 56 per cent since 1967. Food costs have gone up 62 per cent, medical care has increased 51 per cent and housing is up 51 per cent.

The five-year-old rates charged by United are based on the cost of doing business in 1967.

The company's union contract expires June 30 which means they will more than likely be forced to hike salaries which have already increased from \$6,000 to \$10,000 per employee since 1967.

Interest rates paid by the company in 1974 on long-term indebtedness amounted to \$8.4 million compared to \$1.7 million in 1967.

Men Charged In Stolen Checks

CITY EMPLOYEES ARE preparing to cut off the bell end of a clay sewer pipe to complete the two lines from a catch basin in front of the Ford place. The intake end of the old line was too high while a second line crossing

Verona Ave. emptied into a four inch line. Left to right: Bill Revett Revels, D. L. Jackson, H. L. Cobb and Paul Backman. Photo—Miller

When lawmen had almost given up hope of solving a theft and a series of forgeries which has cost Coca-Cola \$17,000, a \$100 check appeared.

That check set off a new investigation which landed three Avon Park men behind bars.

Edward Tyrone West, Herbert Stukes and Jerry Simpson were jailed June 12, which was 11 days after a stolen Coca-Cola check was cashed at a Sebring supermarket.

According to sheriff's department Lt. Glenn Hartford, 50 checks had been stolen from Coke's foods division late in March. Soon after the theft checks began to appear and \$1,700 worth was cashed.

Suddenly the checks stopped and clues dried up. Then the one check appeared and the man who cashed it used his own identification, which included a driver's license.

The check was traced to Simpson and the whole Coca-Cola check caper linked to

Simpson, West and Stukes.

The trio said they had destroyed some checks and 21 were recovered. The one traced to Simpson had been put aside to be used "in case of hard times."

All three men were charged with forgery and bond on that charge was set at \$3,000. Simpson and West were also booked for uttering a forged instrument. Bond on those charges was set at \$3,000 for each man.

West is also facing a violation of probation charge. On June 9 West had been sentenced for breaking and entering and larceny of a firearm.

These charges had grown out of a break-in at the Crews home near Avon Park. West's companion in that case had been Lonnie McMillan.

McMillan was sent to prison for his share in the crime, but West had been placed on probation for two years and fined \$250.

Two days later his part in the March check theft emerged.

CONTRACTOR REPRESENTATIVES wait expectantly in the packed council room as the Avon Park City Council opens bids on the \$3.5 million city sewer project and road bid

amounts Wednesday of last week. Bids are being studied by councilmen and the low bid will be accepted June 30. Photo—Gobble

Letters To The Editor

Writer Lists Thoughts

Editor:

I believe the reason so few of us have answered your request for letters is that we don't feel our opinions are important. The following are some of the thoughts of many of us!

(1) Spend less money and give us, the taxpayers, a voice in how it is spent.

(2) Locate the United Nations in another country where the largest burden of its expense would be on our shoulders.

(3) If a nation is in need of help, let other nations give some assistance too, or else America give none at all. We have already wasted far too many men and resources fighting unresolved wars for the thankless nations.

(4) Sell, not give, food and machinery to other countries. These people should learn to develop and grow for themselves and would if we were not always there to give that helping hand.

(5) Persons with enough income to own a car should not receive aid and the entire relief system should be investigated so that the undeserving would be removed from the rolls and less money would find its way into the middleman's pocket.

(6) The government should support no more than two children of any unwed mother. Many couples are limiting the size of their families because it is difficult to provide them with

even the necessities, yet their tax money is being used to help support as many as 10 children in a fatherless home.

(7) Our elected representatives in Washington should be required to work as the "common" man does, with a specified amount of vacation time. The many, many days they are gone from their offices should be deducted from their salaries and the trips which they and their wives take out of the country should be at their own expense.

(8) Keep schools and public buildings repaired so that they will not have to be replaced and needed space can be added to existing structures.

(9) When it becomes necessary to build a school, omit the frills — carpeting, swimming pools, smoking rooms, etc. — and install windows so that air conditioning will not be an absolute necessity. Above all, in the schools first stress the teaching of the old-fashioned "Three R's" which will be necessary the rest of each person's life. No illiterate person should be allowed to graduate; such instances are a disgrace to any school system.

I realize this letter will probably be too long to publish, but in writing I am speaking for many. Should it be published, will you please omit my name?

Name withheld on request

Dog Owner Speaks Out

According to County Attorney R. P. Dunty Jr. and his courthouse friends and other irresponsible dog owners, us taxpayers county householders are very irresponsible by asking for a Leash Law that would help to prevent cats and dogs to defecate on our lawns, gardens and walks and keep our children from being attacked by marauding dogs.

There are only seven dogs in our immediate neighborhood using our lawn, flowers and walks as a repository for their excrement.

County Commissioner Skipper advises to call the sheriff and then sign a warrant against the owner of the dog who however would not likely be able to talk or submit to an examination of his license tag. The sheriff has more important things to do than ride herd on stray dogs. I, myself, keep a dog for protection like R. P. Dunty but confined within the perimeter of my dwelling.

Yours truly,
John Doe
Highlands County

Friday 13 Almost Blamed For Accidents

The demons of Friday the 13th rode the highways of Highlands County — at least that is one explanation exhausted Florida Highway Patrol troopers offered for the surge in accidents on the second Friday of June.

Not all the accidents could be charged to sheer bad luck. Two drivers wound up facing charges of willful and wanton reckless driving.

Doyle R. Roan of Avon Park was charged with willful and wanton reckless driving after he was driving collided with one driven by Clarence O. Jackson of Avon Park.

Trooper Dunn reported that Roan was westbound on State Road 64, two miles east of Avon Park, traveling at 65 miles per hour.

He was visiting with his passengers when "all at once" he saw a car turning ahead of him. When he hit his brakes, the brake for the left rear wheel locked and threw the car out of control, into the east-bound lane where it collided with Jackson's car.

Damage to Roan's car was set at \$500 and to Jackson's at \$300.

The Roan — Jackson accident, at 8:15 p.m., was the first of four that Trooper Dunn investigated the night of the 13th.

According to Trooper Dunn's report, Christine Rimes of DeSoto City argued with her husband at the Super Liquor Lounge in Lake Placid. An angry Mrs. Rimes hopped into the family station wagon, backed up, put the vehicle into drive and ran straight into the back of the lounge building.

Mrs. Rimes was not hurt; damages to the car were set at \$300, but injury to the building was listed at \$1,500.

In addition to the reckless driving charge, Mrs. Rimes was booked for driving without a valid license.

The day was only 30 minutes old when a car careened off Lake June Road, demolished a mailbox and a telephone cable box as it rolled over one and a half times.

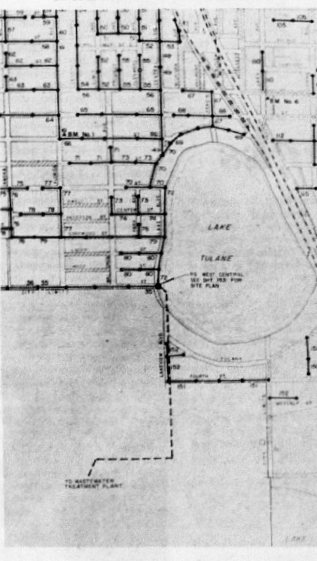

The car received \$1,800 damage but driver Artie Ralph Williams, received minor injuries and a citation for driving while intoxicated, issued by FHP Trooper C. J. Hart.

Crash and bang went on throughout the day with the final and most serious accident of the day occurring at 11:10 p.m.

YOUR EXPERIENCE CAN PAY YOU AN EXTRA \$1,200 A YEAR

Earn it one weekend a month. If you've had military service and you're interested, ask your local Army Reserve unit what grade you come in at.

THE ARMY RESERVE. IT PAYS TO GO TO MEETINGS.

IN ADDITION to pumping stations on Lakes Issis and Verona there are sewerage stations on Lakes Lefela and Tulane. Another pump station is to be located near Rainbow St. and S. Delaney Ave. The bold

Patrol Reports 13 Accidents 14 Injured

Summer vacation season was ushered into Highlands County with a rash of highway accidents.

Florida Highway Patrol reported 13 accidents for the week of June 9 through 15. One of the more costly accidents involved a former Sebring resident in town for a visit with her parents.

An automobile driven by Peggy Jardine Hart of Brigham, Ala., collided with a pick-up being driven by Marie Margaret Saseman of Avon Park. Mrs. Hart is a daughter of Mr. and Mrs. Robert J. Jardine.

Miss Saseman and the children accompanying Mrs. Hart were injured.

The accident, at 2:30 p.m. on June 11, occurred as Mrs. Hart pulled from Bayview Avenue into northbound traffic on U.S. 27, two miles north of Sebring. Damage to the Hart vehicle was estimated at \$2,000 and to the Saseman truck at \$1,800.

Miss Saseman underwent surgery at Highlands General Hospital on June 17. Marie and Karen Hart were released after being treated at the hospital.

Mrs. Hart was charged with violation of right of way. The

such items as federal and local excise taxes. Taxes paid by the company increased by 608 per cent from 1967 to 1974.

The cost of a telephone installation and repair van went from \$2,265 in 1967 to \$3,920 in 1974, an increase of 73 per cent while telephone cable costs increased 75 per cent.

United proposes a charge of 20 cents per call to directory service over three calls per month. This would be only on calls listed in the telephone directory and would not include new phone numbers.

The volume of calls to directory assistance has increased 170 per cent during the past seven years. Many times a customer could get the number

Turkey Talk

By NORMA GOBBLE

I love to write and sometimes think I have printer's ink for blood. In newspaper work, I guess my hobby is my work or my work is my hobby, whichever.

But people make the news. Without people, my job would be nothing. I enjoy meeting people, all kinds of people.

And in newspaper work, I meet all kinds of people and have experiences I probably would never have the opportunity for if I wasn't in newspaper work.

I've met famous people and interesting people and had experiences I wouldn't take a fortune for.

And one of those rare experiences occurred Saturday night when I attended the 7th Anniversary Dinner of the Wordmaster of Gavel Club 16 at the Avon Park Correctional Institution.

I have visited in two prisons before but in quite different situations.

One of those was Cummings Prison in Arkansas. Readers might recall a few years ago when national publicity brought to light bodies of inmates found buried on prison grounds. I don't believe the true story ever came to light but that's another story.

The occasion of my visit there was in December, 1969. In my capacity as secretary of the Arkansas Fiddlers' Association, I helped with a benefit Christmas show the association did for the inmates.

During the two hours spent there, an armed guard was near me every minute and even that didn't keep me from being nervous.

The other prison I visited was the Oklahoma State Prison at McAlester, Okla. I attended

the prison rodeo in which convicts were the performers. It was an exciting and enjoyable performance to an old rodeo fan like me.

But in those instances, I had no contact with inmates. They are maximum security facilities and I came away knowing no more about inmates than when I arrived.

At APCI Saturday night, mingling with inmates and visitors alike and chatting with them, it occurred to me that I could not have told the difference in inmates and visitors except for the blue garb worn by inmates.

I suppose what I really learned is that inmates are human too. They hurt and bleed, laugh and cry, dream and hope, know sorrow and pleasure just like the rest of us.

Many of us could honestly and prayerfully say "There, but for the grace of God, go I."

Many of the inmates are educated people and were successful in occupations and professions before the act that brought them to APCI. Have we ever been faced with the same circumstances? What would we do if we were? We don't know, if we haven't faced them.

It's easy to say "I would do this" or "I wouldn't do that." But, would we?

No, I wouldn't take a fortune for the experience of mingling with those inmates Saturday night. And I came away with a respect and understanding of them I never possessed before and more appreciation for institutions like APCI, or minimum security facilities.

I also came away with a new appreciation of freedom and all its benefits. In short, I came away, I think, a better person.

Continued From Page One

Telephone Rate Increase

from the telephone directory. United anticipates an investment of close to \$300 million during the next five years.

United Telephone represents the largest payroll in Highlands County. New computer direct dialing equipment is slated to be in operation by January.

Bryan said local telephone company officials would hold pre-construction meetings with the Avon Park City Council and contractors working on the city sewer project in an effort to avoid cut cables during the sewer construction.

Cut cables interrupted telephone service during sewer construction in Sebring, Bryan

said cables would be located by the telephone company for sewer workers and then if cables were cut United would get a court injunction against the construction company.

Increases in local telephone rates under the request would be: residential one-party would increase from \$4.85 to \$7.35, or 50 cents; two-party from \$5.95 to \$6.30, or 35 cents; four-party from \$5.30 to \$5.40, or 10 cents; five-party from \$5.80 to \$5.85, or five cents; business one-party from \$12.10 to \$16.60, or \$4.50; two-party from \$9.30 to \$14.40, or \$5.10; four-party from \$8.05 to \$12.30, or \$4.25; five-party from \$8.80 to \$13.80, or \$5; and rotary from \$12.10 to \$24.90, or \$12.80.

Air Force Opens Housing Units

Eight units of the new family housing at Avon Park Bombing Range have been released for occupancy following inspection by Air Force authorities and families began moving in last Thursday.

The other 42 units should be completed in about two months, Capt. Craig Aldredge, squadron additional duty information officer, said.

M. Sgt. John Williamson, first sergeant of 1st Combat

Support Squadron, and his wife, Fay, and their three children, were the first family to receive keys to their new quarters and moved in Thursday of last week.

Seven other families are moving in or have moved in since then.

The housing is the first family housing available at the local military facility since the Army occupied the base during World War II. Housing used then is part of Avon Park Correctional Institution now and is occupied by APCI employees and their families.

There are a few single houses and fourplexes but most are duplexes. The housing includes some two bedroom units, some three bedroom units and a few four bedroom units. Some have two complete baths.

All are kitchen equipped including dishwashers and garbage disposals and all have central heat and air conditioning. The have spacious closets and storage rooms with washer and dryer connections.

The base housing will save military families quite a bit each month depending on their rank and other factors. Each unit will cost the military family their quarters allowance which varies some with their rank regardless of size of the quarters.

In the case of the Williamson's whose quarters are the shackled to learn that the legislation approved and passed a budget that was \$33,400 less than the budget figure of \$1,171,282 recommended by Governor Askew and far below the budget request of the BAR of \$1,398,796.

The Bureau request of more than a million and a third during the 1975-76 fiscal year include funds for several new programs and expansion of others. The governor's recommendation was for funds sufficient to maintain the present program at the Alcoholics Rehabilitation Center at Avon Park.

The loss of dollars means more to the local treatment center than the loss of 18 positions for its means the loss of three functional areas of the BAR — that of public education, professional

THE END OF the research and evaluation work at the Avon Park Alcoholics Rehabilitation Center was signalled by a complete elimination of funds from the 1975-

76 budget. One of the finest collections of library books and research materials in the nation is packed and ready to be shipped — out! Photo—Miller

Budget Cuts Forces BAR To Close Three Units

Friends and employees of the Division of Mental Health Bureau of Alcoholics Rehabilitation (BAR) Avon Park were surprised and shocked to learn that the legislation approved and passed a budget that was \$33,400 less than the budget figure of \$1,171,282 recommended by Governor Askew and far below the budget request of the BAR of \$1,398,796.

The Bureau request of more than a million and a third during the 1975-76 fiscal year include funds for several new programs and expansion of others. The governor's recommendation was for funds sufficient to maintain the present program at the Alcoholics Rehabilitation Center at Avon Park.

The loss of dollars means more to the local treatment center than the loss of 18 positions for its means the loss of three functional areas of the BAR — that of public education, professional

training and research and evaluation. The Avon Park AR Center is left with the core area or with the treatment unit and its supporting administration function, according to LeRoy Joo, acting administrator, who stated that the loss of 18 positions will reduce personnel to 83 to care for the daily patient load of 34 or 600 patients per year.

Last year, the patient load of the local center had increased by 12 percent. The center is accredited by the Florida Hospital Association and the Joint Hospital Commission in Chicago.

All of the 18 positions whose work was abolished by the legislative cut will be offered similar type work somewhere in other of the states facilities and Joo, who normally is assistant to Dr. James A. Alford, Chief of the Bureau in Tallahassee.

Some difficulties are foreseen by Joo in the relocation of personnel to other facilities in the state when the spouse may be working in the treatment area of the center, along with the breaking of many family ties.

What kind of progress has the local center made in the treatment of alcoholic patients since its opening approximately 17 years ago? Dr. Helen Williams stated that at the beginning about one third of the patients showed substantial improvement, but today over two thirds of the patients show substantial improvement as evidenced by notably less drinking, steady job performance with increased earnings being more than enough to pay for the treatment and the family life of the patient showing much

improvement. Williams stated that studies have been made to see how children of alcoholics adjust to adult life. This research revealed that these children of patients as they grew up were high risks, they had many health problems, school problems, difficulties with the law and developed psychosomatic illnesses.

Some of the patients were referred to alcoholic anonymous and others received follow-up care. For the same follow-up care meant the difference between being sober or not sober.

The age span of patients ranged between 11 years of age and 72 years and includes men and women, blind, deaf, local people, out of state and all races and nationalities.

The local research and evaluation unit is one of the top alcoholism research facilities in the nation, stated Joo and it's library was one of the largest and best in the country. Joo left the impression that should a succeeding legislature restore the research unit, it might not regain its national stature because dedicated personnel might not want to return.

Overall the State Bureau of Mental Health was voted a budget of \$11,000,000 by the legislature which was \$1,500,000 more than last year's budget. Local employees of BAR stated they were told that it is unknown how or who engineered or placed the reduced figures in the budget that were to the state legislature which will result in the abolishment of the three functional units at the Avon Park treatment center.

Equipment Stolen From Sheriffs Car

Highlands County Sheriff O. L. Raulerson Jr. became the victim of crime last week. While conferring with an out-of-town detective, the sheriff's personal car was broken into and \$575 worth of equipment stolen.

In a report he filed himself, Sheriff Raulerson listed as stolen three weapons, a five cell flashlight and a revolving blue light.

Raulerson said he discovered the break-in and theft at 9:30

p.m. on June 12. He had had dinner at Clayton's restaurant south of Sebring, conferring with an investigator from another sheriff's department.

When Raulerson returned to his car he noticed that the glove compartment was open, and on further checking discovered the theft.

At mid-week Highlands investigators were still following up leads uncovered shortly after the break-in.

Sun Country Jamboree Comes To Avon Park

Lots of good country music will be on tap tonight when The Sun Country Jamboree comes to the Highlands Theatre in Avon Park along with the movie, "From Nashville With Music." Show time is 7:30 p.m.

Heading a great lineup of talent will be Don Smith and the Sun Countrymen with mostly local band members featuring three female guest vocalists who are Avon Park residents and a band from Auburndale.

"From Nashville With Music" features Charlie Pride, Marty Robbins, George Jones and Tammy Wynette and other Grand Ole Opry favorites.

Backing Don Smith, an Avon Park resident who is vocalist and rhythm guitar player, will be Frank Weems, lead guitarist; Doc Rewis, fiddle; Stan Gardner, bass; Judy Mauldin, steel guitar; and Don Smith, drums. Weems, Rewis, and Dan Smith are local residents.

Guest vocalists will include Carmen LaRave, Marilyn Furr, and Thelma Hatfield. Jerry Smith and the Country Raiders of Auburndale will also be on the show.

The Sun Country Jamboree has played to capacity crowds in Frostproof for 10 months every Saturday night.

The show here is an experimental special, Smith said, and if response is good will be a regular feature.

"We appreciate people supporting the show all this time," Smith said and pointed out that anyone wishing to contact him about talent or shows can write to him at 1104 W. Pleasant, Avon Park.

The Sun Country Jamboree is the only show of its kind in the state where local talent play for the entertainment of the community, Smith said.

HOSPITAL REPORT
Marvin Kuntz was admitted to Walker Memorial Hospital last Thursday. We all wish him a speedy recovery.

DEATH NOTICES
We regret having to report the deaths of two of our members. Charlotte Dickson died June 12 and was taken to St. Louis, Mo. for burial. Earl

Eldridge died June 12, in Stockton, N.Y.

NEWS OF MEMBERS
Connie Kehoe's guest, Mary Sommers, has returned to her home in Montgomery, Alabama.

Olive Kervin has gone to Detroit with her daughter Carolyn who spent last week in Avon Park. While Carolyn was here they were entertained at a luncheon party in Winter Haven, with Connie Kehoe and her guest; Sunday dinner at the Clay Kulls. Thursday Helen Floyd and Illean Kull drove them to St. Petersburg to attend the "Showboat Dinner Theater" and on Friday to Tampa Airport where they boarded a plane for Detroit.

A card from Duke and Aileen Christensen on Brevoort Lake, Moran, Mich., says that they are all well, the weather is cool and that they are contemplating a western trip later in the summer.

Miracle Appointed Alumni Director

William D. Miracle, son of Mrs. Andrew Miracle and the late Mr. Miracle of Avon Park has accepted a position with Newberry College, Newberry, S. C. as Alumni Director.

Bill is a 1965 graduate of Avon Park High School. He received his B.S. from Newberry in 1969, majoring in German. In 1970 he received his Masters degree from the University of Georgia, Athens, Ga., in guidance and counseling.

Bill has finished his class work for his doctorate in student personnel and is working on his dissertation which he hopes to complete shortly.

While at the University of Georgia Bill was a member of Greek K, International and the Rugby Club and was a student member of the Russell Hall Men's Council.

He was worked as an admissions counselor in the University's admissions office and as a graduate resident in the University's housing office.

For the past two years he has worked as an Alumni field representative for the University.

WILLIAM D. MIRACLE is the new Alumni Director at Newberry College in Newberry, S.C.

In 1972 Bill was married to the former Andrea Poyles of Holland, Mich. Their new address is College Park Apartments, Apt. D7, Newberry, S.C. 29106.

Zonning Board Grants Variance

The Avon Park Zoning Board of Adjustment granted an extension of a temporary variance to Robert Briscoe to live in a mobile home located on the Bill Briscoe Mobile Home Sales lot on West Main Street at their meeting Tuesday afternoon.

A temporary variance was granted on April 3, 1973 but was never renewed. The extension set the time to April 3, 1976 and Briscoe must comply 30 days before the deadline.

The board gave no assurance a variance will be granted at that time.

In a continued discussion of the proposed zoning codes, board dwelled on set backs from property lines and accessary buildings which would be stiffer requirements than present zoning codes.

Building Official C. W. Elberbee, who also acts as secretary to the board, noted that the city should look to "expanding outward instead of increasing density inside the city limits."

Extension Local Expands
County agents and home economists employed by USDA's extension service no longer focus their attention on rural areas only. They now work through offices located in all "very city in the nation, teaching urban horticulture, land use, sewing, nutrition, and other subjects.

It's Time To Say Happy BIRTHDAY

We wish a "Happy Birthday" to the following people who will be celebrating their birthdays this coming week:

June 19 — Mrs. Chester Seeger, Chuck Smith, Beth Lynn Snider, Hazel Morrill, Jerry McKenzie, Mrs. Carl Carrigan, Mrs. Hallie Haskin.

June 20 — Mrs. Paul Sheffield, Lil Williams, Bill McDaniel, Demetrius Williams.

June 21 — Laurie Peterson, Alicia Laurie, Mrs. Bryce Martin, Ernest Kopka, B. R. Quiller, Gloria Ann Clark.

June 22 — G. D. Godwin Jr., W. E. Willis, Kathleen Parker, Mrs. Joe Strickler, Kathy Whitecomb, Bob Barber.

June 23 — Miriam Filippa, Ophelia Rhiner, Daisey Raymond, Sheila Edwards, Frederick Burckel, Henry Williams.

June 24 — Hoagy Ostling, Eugene Flint, Mary Ellen Ward, Tiny Johnson, Mrs. Alice Brown.

June 25 — Ricky Derkman, Josie McDaniel, Gertrude Pitt, Mrs. Kenny Long.

This is your birthday list, we welcome additions to it. It is equally important that we be informed on a timely basis of any deletions which should be made because of death or other reasons. Your help in this will be greatly appreciated.

A KITCHEN SHOWER breakfast was given to honor Rebecca Bass, bride-elect of Steven Michael, last Saturday morning at the home

of Mrs. Jimmie Garner. Left to right, Mrs. Barbara Cribb, Becky, Mrs. Milton Bass and Mrs. Jimmie Garner.

Becky Bass Honored At Breakfast

Rebecca Bass, bride-elect of Steven Michael, was honored with a kitchen shower breakfast Saturday, June 14, at the home of Mrs. Jimmie Garner.

Becky and Mrs. Milton Bass, mother of the bride, were presented corsages of yellow mums accented with small kitchen utensils. Each guest shared their favorite recipe with Becky during the shower.

The hostess presented Becky with an old pine recipe box and a laundry basket. The living room and screened-in porch were decorated with arrangements of yellow mums. After a typical southern style breakfast, Becky enjoyed opening her many useful kitchen gifts. Tammy and Cindy

Laurie Rehner performed last Wednesday evening in "Hi-Lites of 75" "Salute to Disney" at Winter Haven. It was performed by the Taylor Studio of Dance Arts. Many of Laurie's students from Studio 1 were in attendance to see her perform. Photo — Cornell

TRACEY SUTHERLAND, who gave the invocation, receives her diploma from Dr. John Crittenden, principal during graduation exercises at Memorial Field.

DeLaneyHeightsNews

Mrs. Opal Phlegar, Mrs. James Robinson and Mrs. Charles Marshall were hosts at the June birthday dinner held Wednesday noon at the club house honoring the birthday of Mrs. Bessie Trude. Mrs. Sadie Whitehurst provided the beautiful birthday cake.

Mrs. and Mrs. Carl Johnson were welcomed home after spending nine weeks in North Carolina and Georgia. While there Mr. Johnson spent three weeks in St. Joseph Hospital in Asheville, N.C. having had major surgery.

A letter from Mrs. Irene Hudson, a former resident, was read. She has moved to Anderson, Ind. to be near her son and family.

After a delicious meal a couple hours was spent in just enjoying the fellowship with each other.

The July meeting will be July 8th at twelve noon. Mrs. Veda Mae Powell of Fayetteville, N.C. is visiting her sisters, Mrs. Jack Young and Mrs. Lola Vergona.

Mrs. Vivian Warren has returned home after a two month's visit with her daughter Mrs. Ted Beaulieu and family at Apopka.

Mrs. Kate Cribb has left for a visit with her sister near Albany, Ga.

Mr. and Mrs. Carl Johnson had guests from Thomson, Ga., Mrs. Frank Clark, Mrs. Thelma Edison and Joyce Edison. They spent Monday at Disney World and will visit

other points of interest before returning home.

Mrs. Mamie Armstead is home after a few days in Walker Memorial Hospital.

Mr. and Mrs. James Robinson spent the weekend in Miami with their daughter and family.

Mrs. Anna Westberry had as her guests Mrs. Linda Minard and daughter; having been living in Hawaii and on their way to their new home in Deming, N.M.

Mrs. Charles Henry Lanier

Marshall Weds Lanier In Candlelight Ceremony

A candle light ceremony at the Florida Avenue Baptist Church was the setting for the marriage of Kathi Kim Marshall daughter of Mr. and Mrs. Charles W. Marshall and Charles Henry Lanier son of Mr. and Mrs. Charles Vernon Lanier on Saturday, June 14.

The single ring ceremony was performed by Rev. Edwin Tharpe, assisted by Father Frank Cleveland, Church of the Redeemer.

Van Skipper of Sebring and Kay Green Bush combined talents on organ and piano. Vocalist was Frank Koe of Sebring.

Kathi was given in marriage by her father wearing a gown of dactron organa fashioned with empire bodice, high neckline and empire sleeves accented with beaded Venice lace. The softly fitted skirt flowed into a full chapel train. The bouffant veil of illusion was edged with Venice lace and held in place with a lace headpiece. The bridal bouquet was aerides odoratum orchids with a corsage of three cattaila intermedia alba nestled in the center.

Nancy Hart attended the bride as maid of honor. Her gown was a full length floral print of pink dactron organa and Venice lace. A-line with pinafore effect ruffles on the shoulders. She also wore a pink picture hat and carried a full spray of vanda orchids.

The bridesmaids, who wore similarly fashioned dresses in pastel shades included: Mrs. Brenda Roth of Apex, N.C., Beth Marshall, sisters of the bride; Claire Lanier, sister of the groom, Brenda Ladwig, Gloria Bennett, Laura Weber, Mrs. Brenda Richards, all of Avon Park and Cindy Taylor of Plant City. They carried sprays of different varieties of vanda orchids in shades complementing their dresses.

The flower girl, a perfect miniature of the bridesmaids, was Lissa Retherford.

Vernon Lanier served his son as best man. Groomsman were: Ricky Lanier, cousin of the groom, Sean Murphy, Allen Padelford, Dennis Hart, Keith Richards, Billy Richards, all of Avon Park; George Heathery of Daytona Beach and Mark Stewart, nephew of the groom, from Dallas, Tex.

Ringbearer was Danny Tataris of Avon Park.

The mother of the bride wore a full length mint green gown with set-in lace sleeves. Her corsage was a deep red throatied golden cattaila orchid.

The groom's mother wore a jacketed turquoise quana gown and a corsage of a royal purple cattaila orchid.

Reception Following the ceremony, guests were received at Pinecrest Country Club by Mrs. Milton Howard and Mrs. Lloyd Baucom, aunts of the bride; Walter N. Smith, sister of the groom and Mrs. Martha M. Ward.

Pink Royal Highness roses and Magnolias were used in decorating the rooms.

Assisting in serving were: Mrs. William Boseman, Julie Griffin, Patti Connors, Cathy Collinsworth, Bonnie Norton, Kathy Johnson, Kari Baucom.

Highlanders To Present Sacred Music Program

A concert of Sacred music will be presented by "The Young Highlanders" at the First Methodist Church in Sebring, at the 7:30 p.m. Sunday evening service June 22.

The following Sunday, June 29 the young singers will appear at the 10:30 a.m. morning church service at the Church of the Brethren in Lorida.

The public is invited to attend the churches where the programs will include the traditional sacred music, spirituals and other church music.

"The Young Highlanders" will be accompanied by Don Meiser and Chrissy Jones as assistant accompanist and Evelyn Jones will be directing the singing.

The Women's Council of the First Christian Church held a meeting in the Fellowship Hall of the church on Thursday evening, June 12.

Mrs. Hazel Freeland was in charge of the program and gave a review of the first two chapters of a book which the Council is studying.

A short business meeting was conducted by the president. Some plans were discussed concerning the vacation Bible school, which is to be held next week.

At the close of the meeting the hostesses Ethel and Clara Bartlett served refreshments.

APCI Wordmasters Mark 7th Anniversary, Present Awards

A formal speech contest, announcement of the Charles S. Swan Memorial Award and awards were the highlights of the Wordmasters of Gavel Club 16 Saturday evening in the staff training center at Avon Park Correctional Institution.

The Wordmasters Gavel Club No. 16 is the first Gavel Club formed by the Toastmasters International in cooperation with the Division of Corrections in correctional institutions and was started in 1968.

A hospitality tour and dinner preceded the program which lasted until 11 p.m. The menu included deep fried chicken, french fries, cream style corn, buttered peas, cole slaw, parker house rolls, relish trays, pineapple pie, coffee, tea, and punch.

Miss Hospitality, Robyn Heckard of Avon Park, presided at the punch bowl during the hospitality hour and was honored as official hostess.

In his opening remarks, Gavel Club president George W. Knickerbocker praised the program in the penal institution. "This Gavel Club program, strictly adhering to Toastmasters International policy works," he said.

"You recognize that it works in what we in prison call the 'Free World,'" Knickerbocker said. "Well, here the Gavel Club program is the best vehicle we as inmates have to help ourselves."

Knickerbocker pointed out that the Gavel Club program costs taxpayers nothing. "There hasn't been one red cent of tax money spent to support the Gavel Club or any of its activities," he said.

Knickerbocker spoke of the Impact Teams and their concern about rising crime rates. "Yes friends, we are at least concerned as you are over the rising rate of crime and particularly about the pitfalls that young people can fall into adhering to the drug culture," he said.

APCI Superintendent Herbert C. Kelley gave the address of welcome. "The 'Community Contact,' a cornerstone of the Gavel Program here at APCI, does much for the betterment of the individual members and also encompasses the good will and better understanding of the general public in the rehabilitative programs that are available to the inmates of the Florida Division of Corrections."

In reference to the heat in the dining hall, Kelly mentioned that bids for a \$450,000 permanent facility housing a dining room and kitchen with air conditioning would be opened Tuesday.

He also said \$4.7 million in construction of facilities is slated during the next 18 months.

M. C. "Mike" Burns, Jr., educational vice president of Gavel Club 16, read the resolution passed by the executive board of the APCI chapter instituting the Charles S. Swan Memorial Award, which will be awarded annually to the Toastmasters International Club in District

47 in recognition of the outstanding contributions to the state's institutions in the

formation and leadership in the Gavel Program. Charles S. Swan, a

prominent Sarasota contractor and engineer, who died May 16, was a member of Toast-

masters International and responsible for formation of numerous Gavel Clubs in the

penal system of several states and was founder and mentor of the Wordmaster Gavel Club 16 at APCI.

He was also active in Boy Scouts of America, Helping Hand and the Hearing Aid Society.

Toastmasters International Past President Frank Spangler of Lake Placid was introduced and made brief remarks about the value of the program to the gathering.

Inmate Lynn Ingraham was the evening's Table Topics Master and challenged several Toastmasters with questions which must be answered thoughtfully in two minutes.

Ingraham was also judged first in the speech competition later in the program.

Dr. Fred T. Lenesty, president of Polk Community College in Winter Haven, was the keynote speaker and spoke on "Prestige Hypnosis."

Competitors in the formal speech contest, in addition to first place winner Ingraham, were Fred Putney, Imperial Polk Toastmasters Club; Bill Beck, Orlando Toastmaster Club 1666; Elliott Barber, Winter Park Toastmaster Club 2867; and LeRoy Thomas, State Farm Toastmaster Club 1178.

General evaluator for the competition was Hugh Burgay, Winter Park Toastmaster Club 1178. Individual evaluators were Littleton Dotson, Gavel Club 16, for Putney; Al Daniels, State Farm 1178, for Beck; Van Johnson, Orlando 1066, for Barber; Bennie Baker, Gavel Club 16, for Thomas; and Frank Roegner, Imperial Polk 3131, for Ingraham. Wordmaster Joe Garcia was official timekeeper.

Bill Meeks was honored by the APCI club as correctional officer of the year. Assistant superintendent M. K. Sawyer gave the closing remarks.

PRaising the Gavel Club program as a means of self improvement for inmates in his address of welcome at the 7th Anniversary Dinner of the Wordmasters of Gavel Club 16 Saturday night, Avon Park Correctional Institution Superintendent Herbert C. Kelley offers his continued support and assistance and support of the ideals and programs of Toastmasters International, the parent organization. Photo — Gobbie

One Man Charged, One Sought In B&E

Frankie Lee Moss, 19, 935 S. Delaney Ave., Avon Park, was arrested Saturday and charged in the June 4 breaking and entering of the Charles Vasu residence at 37 Forrest Hill Ct., according to the police report filed by Patrolman Frank Weems.

One juvenile was implicated in the incident and Mike McGowan is being sought in connection with the breaking

and entering. Property stolen from the home included a television radio, antique clock and various items of jewelry with a total value of nearly \$3,000.

The arrest resulted from the combined efforts of Avon Park Police and the Highlands County Sheriff Department.

McGowan is also being sought in connection with the June 10 breaking and entering of the Ray J. Roy residence at 35 Forrest Hill Ct. in which a hand gun, check book and \$139 in cash was taken.

Police Log

Judge's Car Stolen

A car belonging to Avon Park Municipal Judge David F. Lanier was stolen from Avon Square, 1610 new shopping center on U.S. Highway 27 South about 11:30 p.m. Sebring. It was recovered a short time later by Highlands County deputies.

B & E, Larceny

Two hand guns, a .38 caliber and a .22 caliber, and three boxes of shells were stolen from the residence of Mildred Light on South DeSoto Ave. about 10:30 p.m. Saturday when someone broke into the house.

Auto Broken Into

Edwin L. Tharpe, 710 W. Bell St., reported to police that someone broke into his vehicle sometime Sunday night and stole a Krace cassette tape player and radio valued at \$80 along with an undetermined amount of gas.

Patrolman Gene Hancock said the left window was pried open to gain entrance.

Shoplifting

Robert Lee, manager of Eaton's Department Store called the Police Department about 3:30 p.m. Saturday to report a man had shoplifted a suit.

Freddie Washington was taken into custody a short time later and charged in the incident. The suit, along with three sheets and a shopping bag taken from Touchton Drugs and artificial worms taken from Western Auto, was recovered.

N.C. Fugitive

Arrested In

Sebring

A man who escaped from prison three and a half years ago in North Carolina was arrested Monday in Sebring by Sgt. Frank Cratty in cooperation with the Sebring Police Department.

Donald Russ, wanted in North Carolina on felony charges of prison escape eluded local police for two months after they received warrants for his arrest but finally was nabbed after several tries by Avon Park Police.

Russ was serving a one day to 10 year sentence for auto theft.

IN A VOICE HEAVY with emotion, M. S. "Mike" Burns Jr., educational vice president and community contact chairman of Wordmasters of Gavel Club 16 at Avon Park Correctional Institution, pays tribute to Charles S. Swan, founder and mentor of the APCI chapter. Burns, an inmate, spoke of the program at APCI, the first in the Florida Division of Corrections, and what it has meant to him as he announced the Charles S. Swan Memorial Award to be given annually to a chapter of Toastmasters International. Photo — Gobbie

TRIBUTE TO TOASTMASTERS in the "Free World," as inmates refer to the outside, was given for their aid in self improvement of inmates was given by Wordmasters of Gavel Club 16 President George W. Knickerbocker at Avon Park Correctional Institution Saturday night during the 7th Anniversary Dinner of the APCI chapter. To the guests, Knickerbocker said, "Thanks for reaching out a helping hand to help change the world of the inmate." Photo — Gobbie

Reds Lose But Still 11-1 For Season

The Reds finally lost a game in Avon Park Senior League play when the Cubs took advantage of eight walks to take a 9-7 win on Tuesday, June 10. The loss set the Reds record at 11-1 and left them still in the top spot in the standings.

The Braves won two games last week to move to an 8-4 record good for second place. The Cubs won and lost to set a 6-7 mark and the Mets remained winless with an 0-13 record.

Tonight (Thursday) the Braves will play the Mets and the Reds will take on the Cubs at Head Field. Next Tuesday night it will be the Cubs against the Braves at 6:00 o'clock and the Reds playing the Mets in the second game.

Cubs 9 Reds 7
In the upset of the season, the Cubs knocked off the Reds 9-7 behind the pitching of Jimmy Massey. Massey gave up seven scattered singles in the six inning game.

Steve Arnold and Billy Young shared hurling duties for the Reds with Young taking the loss as he came on in relief in the bottom of the fifth and gave up four runs on one hit and five walks.

The Cubs were trailing 7-5 going into the bottom of the fifth. Mark Kelley with a double in the third led the Cub batters. Ronnie Brock had a single in the first frame and Bubba Stirling singled in the fifth for the three Cub hits off Arnold and Young.

Steve Arnold and Horace Moore both hit two singles and Allen Roberts, Dennis Tondoe and Tim Minard all had one single each for the losing Reds.

Braves 8 Mets 4
Larry Jackson pitched the Braves to an 8-4 win over the Mets last week. Dale Sisemore

paced the Braves at the plate with four singles for four trips to the plate. Victor Roberts and Eric Wilson also had one single each for the winners off two Mets hurlers.

The Mets got four hits off Jackson. Andy Lanning hit a double and John McKunas, Wade Bush and Jeff Jackson had a single each.

Reds 8 Mets 7
Time ran out on the Mets last Thursday night as they put a scare into the league-leading Reds losing 8-7 in a five inning game. Both teams got four hits. Billy Young pitched all the way for the Reds and John McKunas and Andy Lanning both hurled for the Mets. Steve Arnold had the only extra base hit in the game with a triple in the fifth for the Reds. Matt Edmondson, Horace Moore and Allen Roberts added a single each for the winners.

For the Mets it was Jeff Jackson getting two singles and Wade Bush and Greg Correll hitting a single apiece. It was the fourth game of the season that the Mets have lost by only one run.

Braves 10 Cubs 0
Dale Sisemore pitched and hit three for the Braves last Thursday night. The lefthander struck out seven batters in four innings and gave up one single each inning to the Cubs.

Sisemore also paced the Braves at bat hitting two singles off Mark Palmer who was in the third for the Cubs in the second inning. Dan Cook rapped out a double and David Sisemore and Eric Wilson both singled for the Braves in the fourth inning game.

Getting the scattered singles for the Cubs were Ronnie Brock, Joel Wright, Ricky Bush and Mark Kelley.

Little League Hosts Tourney

The Avon Park Little League Association is hosting a Minor League double elimination tournament here this week.

The five entries in the District IV sponsored tournament are Avon Park, Lake Alfred, Auburndale, Lake Wales and Hardee. The members of the teams are nine and ten year olds picked for an all-star team from the different teams in each league.

Last Saturday night in the opening game of the tourney, Auburndale defeated Lake Wales and Hardee. The members of the team are nine and ten year olds picked for an all-star team from the different teams in each league.

Last Saturday night in the opening game of the tourney, Auburndale defeated Lake Wales by a score of 8-2 in the six inning game. Then last Monday night Lake Alfred dropped Hardee into the losers bracket with a 2-3 defeat. Avon Park also dropped into the loser's bracket when they lost to Auburndale 11-10 in a hard fought game late Monday night.

Last Tuesday night the Avon Park All-Stars were to play the Hardee team. On Wednesday night Lake Alfred was scheduled to take on Auburndale in the winner's bracket at 8 p.m. and Lake Wales was to meet the winner of the game vs Avon Park game at 8 p.m.

Tonight (Thursday) at 7:30 p.m. the winner of the Lake Alfred game will play the loser of the Lake Alfred vs Auburndale

game and the finals will be played on Friday (tomorrow). Avon Park could well come back strong in the winner's bracket and challenge the winner for the championship tomorrow night.

The Avon Park All-Stars are coached by Johnny Barnes, Earl Prewatt, Roger Gurganus and Clark Jackson. Members chosen for the honor squad are: Jeff Davis (Bagwell), Duane Young (Johnson), Edward Macklin (Bank), Greg Jackson (Bagwell), Curtis Taylor (Johnson), Eldrick Pressley (Baptist), Desmond Albritton (Ford), David Bennett (Ford), Kenneth Houpe (Baptist), David Hodge (Lions), James Crumb (Bagwell), Mike Prewatt (Ford), Larry King (Rotary) and Bobby Barnes (Lions).

Curtis Taylor pitched for Avon Park Monday night against Auburndale giving up seven hits, eleven runs and striking out twelve batters in the six inning game. Curtis also hit a double for Avon Park and scored a run.

Avon Park got five hits off two Auburndale pitchers. Desmond Albritton also hit a double and Greg Jackson, Eldrick Pressley and Kenneth Houpe hit a single each.

Avon Park scored seven runs in the bottom of the first inning, added two more in the second and three in the third to take a 10-7 lead. But Auburndale scored another run in the fourth and three in the fifth to go ahead 11-10 and Avon Park could not catch up.

THE FIRST PLACE championship trophy of the Avon Park Little League Softball Invitational tournament was presented to the Jackson Masonry team by League president Mack Flowers. The Jackson team won five of the six games. Players are, (left to right): Steve

Walker, Clark Jackson, Hoppy Rewis, Joe Baker, Larry Kelly, Flowers, Don Sisemore, Bud Wester, Mort Jackson, team sponsor; Howard Sisemore, Denby Jackson, team manager; Billy Jackson, Ken Lanier and Ronnie Jackson. Photo — Miller

Little League Teams Battle For Top Spots

The battle for the top spots in the Avon Park Little League softball tournament continued last week as the I. H. Ford Motor stayed in contention for the championship with wins over Kiwanis and Johnson's for a 10-3 record.

Bagwell Lumber won its first game to hold onto first place with a 10-2 mark and Rotary edged into third place with a one game advantage over Lions 9-4. The Lions with two games left on the schedule are currently 8-4 in fourth place.

First Baptist also has two games left to play with a 5-7 mark good at the present for fifth place. Johnson's and Kiwanis are tied for sixth place with 4-9 records and Avon Citrus Bank is still in last place with a 0-12 mark.

Plans for finishing the season which was interrupted by Avon Park hosting the district minor league tournament have still not been made. All players should check with their coaches concerning the last six games on the schedule.

Parents are reminded that all uniforms must be turned in after the season is completed so they can be checked out and uniforms ordered to replace any that are worn out.

President Henry Dennis also reminds the community that Little League boys are selling Little League candy (Peanut Crunch by Madison) and that this is one good way to help support the Avon Park program which provides baseball leagues for boys from age nine through eighteen years.

Rotary 5 Johnson's 4
Dennis Barefield doubled and scored the winning run in the last of the sixth inning on Tuesday last week to lead the Rotary nine to a 5-4 win over Johnson's. Barefield also had a single at the plate off Johnson pitcher Curtis Taylor. Timmy Cribb also hit a double and Jacques Thomas and Dwayne Council both hit one single for the winners.

Dennis Barefield doubled and scored the winning run in the last of the sixth inning on Tuesday last week to lead the Rotary nine to a 5-4 win over Johnson's. Barefield also had a single at the plate off Johnson pitcher Curtis Taylor. Timmy Cribb also hit a double and Jacques Thomas and Dwayne Council both hit one single for the winners.

Johnson's got three hits off winning pitcher Dwayne Council. Duane Young had two singles and Billy Briscoe slammed out a triple in the losing effort.

I. H. Ford Motor 11 Kiwanis 1
A homerun by Bobby Williams was the highlight of I. H. Ford Motor's win over Kiwanis by a score of 11-1 last week. Bobby boomed the ball over the fence in the bottom of the third inning.

Darwin Ford and Greg Kelley hold the Kiwanis batters to a lone double by Tommy Hips and Tommy scored the only run for the losers. Scott Edwards, Darwin Ford, Greg Kelley and Kevin Caldwell had a single each for Ford in the big win. Gerald Jones and Tommy Hips both pitched for Kiwanis.

Lions 11 Avon Citrus Bank 8
The Bank came close again but couldn't manage the win as

the Lions scored 11 runs and held the Bank to eight in a six inning game. Sam Barnes, Ronnie Barnes and George Wyche all did some pitching for Lions giving up a total of four hits. Rich Macklin, Sidney Smith, Ricky Johnson and Terry Portis had a single each for Bank.

The Lions batters got 8 hits off Ricky Johnson. George Wyche hit three singles. Roosevelt Wyche had a triple and Stephen Antley, Sam Barnes, Allen Laskey and David Hodge all hit one single for the Lions.

Bagwell 11 First Baptist 4
Ricky Derkman and Alvin Conner slammed out homers for Bagwell to lead them to an 11-4 win over First Baptist last Thursday night.

The Bagwell batters got eight hits off Jim Marcum and Chris Collins. Jeff Davis had two singles. Ricky Derkman had a double along with his homerun. Alvin Conner hit a single as well as his homer and Jerry Jones and David Jackson both added a single for the league-leading Bagwell team.

Although the Sebring woman had not received her commission by the time of her first board meeting Tuesday night, a prerequisite to taking active part, she attended the session at SFJC.

Dr. Lee Henderson of the Division of Junior Colleges, state Department of Education, told The News that her appointment was authorized Tuesday morning. She replaces Rex Bond who resigned recently.

Mrs. Harris is one of two new board members. The trustees are comprised of four from Hardee and five from Highlands counties. The other newcomer is Dr. William Howard of Wauchula, who is filling the vacancy left by Dr. Stanley Reeves.

As explained by Dr. Henderson in Tallahassee, Mrs. Harris' was one of several names submitted to Gov. Reubin Askew by the Highlands County Democratic Committee.

After he makes his selection, the Florida cabinet sitting as the Board of Education, then accepts or rejects the governor's choice. With that approval the Secretary of State prepares the commission.

Contacted at the junior college Dr. W. A. Stallard, president, said his only involvement was in being consulted on the final selection. He was asked if he saw any reason why the candidate should not be seated on the board.

fanned 12 Kiwanis players. Timmy Cribb struck out 10 Kiwanis batters in five innings on the mound. Gerald Jones fanned 13 Rotary batters in five innings of hurling.

I. H. Ford Motor 9 Johnson's 3
The I. H. Ford Motor team gave up three runs to Johnson's in the first inning and then shut them out for the remaining five frames to take a 9-3 victory.

Duane Young hit a double and a single for Johnson's off Ford batters.

New Board Members

Appointed At SFJC

Mrs. Wayne (Sandra) Harris has been appointed to a vacancy on the South Florida Junior College Board of Trustees.

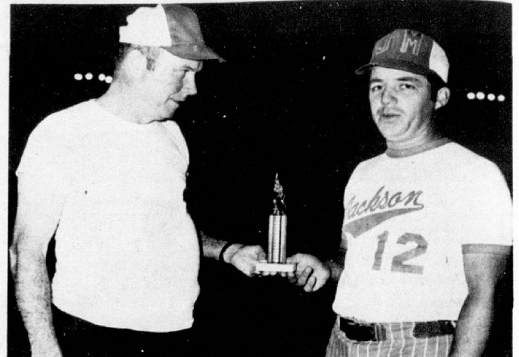

Her appointment was made official Tuesday, the same day on which her husband was named by Highlands County commissioners to head up the county's ambulance service.

Although the Sebring woman had not received her commission by the time of her first board meeting Tuesday night, a prerequisite to taking active part, she attended the session at SFJC.

SHARING HONORS for the most home runs, with seven, in the Avon Park Slow Pitch Softball Invitational Tournament, Friday through Sunday were Kenny Martin, PPI and Ken Lanier of Jackson Masonry. Jerry Curtis of Pahokee Produce, Inc. was absent. Photo — Miller

Jackson Wins Slow Pitch

Jackson's Masonry came from behind to defeat Pahokee Produce Inc. (PPI) 20-17 in the final game of the Avon

Park Invitational Slow-Pitch softball tournament held here last week-end.

The Jackson Masonry team won over Frostproof 31-12, Campbell's 15-10, Coca Cola 14-6, Union 76 7-3 to reach the finals undefeated. Then PPI

knocked them off 19-14 in the first game of the finals but the J. M. team came back to take the tag trophy on a grand slam homerun by Howard Sizemore in the second game against PPI.

It was an exciting week-end at the city softball field as eleven slow-pitch teams took part in a double-elimination tournament sponsored by the Avon Park Softball Association. Members of the eleven teams and their families camped out and visited under the trees beyond the outfield fence while twenty-one games were played mostly under the blazing sun.

Avon Park had five teams entered in the meet. Coca Cola won over Jahna 33-2 and PPI 12-10 but lost to Jackson's Masonry 14-6 and Okeechobee 10-9. Jahna lost its second game to Campbell's 26-4. Crews Equipment won over Avon Paint and Body 19-3 then lost to Union 76 12-4 and PPI 10-9. Avon Paint and Body lost their second game to the B-J's by a score of 12-2.

The most home runs trophy had to be shared by three players. Kenny Lanier of

Jackson's Masonry, Kenny Martin and Jerry Curtis of PPI all lifted seven homers over the fence.

Ronnie Jackson, Avon Park High School baseball coach, won the best batting average trophy with a .706 average and he also had six homeruns. Larry Kelly (Jackson's Masonry) had a .696 average. Ted Butler (PPI) hit .647, Keith Maynor (PPI) .636, Howard Sizemore (J.M.) .611, Jerry Curtis (PPI) .600, Larry LaFian (Coca Cola) .581, Clark Jackson (J.M.) .560, Kenny Lanier (J.M.) .555, D. Morris (Union 76) .545 and Kenny Martin (PPI) .525.

Avon Park's John Ziegler was head umpire and called all but a few of the games from behind the plate. Ken Tate relieved Ziegler a few games.

THE TROPHY WINNERS and sponsors of the Bagwell Lumber Company Youth Golf Tournament at River Greens Golf Course pause briefly before taking off for their homes after the tourney's end Sunday. Left to right, kneeling: Lois and Tommy Bagwell, sponsors and Rex Reese, Lakeland, winner of the Hugh Dowling Sportsmanship trophy. Standing: Earl Crutchfield, Sebring, third

flight runner-up; Ben Norris, Wauchula, second flight runner-up; Peter DuPriest, Avon Park, second flight winner; Jerry Stone, Lakeland, champion runner-up; Glenn Wilkinson, Sebring, 1975 champion; John Coleman, Ft. Pierce, first flight winner; David Voyles, Lakeland, first flight runner-up and Tim Calhoun, Lakeland, third flight winner. Photo — Miller

THE NINE AND ten year old All-Stars of the Avon Park Little League took time out for a team snapshot before their Monday night game with Auburndale. Kneeling, left to right: Greg Jackson, Rick Macklin, Eldrick "Redman" Pressley, Jeff Davis, Bobby Barnes and Duane Young. Standing: Jimmy

Prevatt, coach; David Hodge, Curtis Taylor, Desmond Albritton, David Bennett, Mike Prevatt, Kenneth Houpe, James Crumb and Johnny Barnes, manager. Absent: Roger Gurganus and Clark Jackson, coaches and Larry King, player. Photo-Miller

HCB Hosts Wales Team Friday

The Highlands County Bank of Avon Park Big League baseball team lost to Frostproof 10-5 and won over Lake Wales First National 6-2 last week to set a 3-1 record for the young season. The H.C.B. team had previously won over Auburndale and Wales Cooling and Heating.

Last Tuesday night the Highlands County Bank of Avon Park team was set to travel to Auburndale for a return game. This Friday night, June 20, the Avon Park team will host Wales Cooling and Heating here at Head Field.

Next Tuesday, June 24, Frostproof will come here to play the H.C.B. team and next Wednesday the Avon Park team will host Auburndale here at Head Field.

Frostproof 10-5
Highlands County Bank of A.P. 15
The Frostproof big league team jumped on Avon Park pitcher Jamie Tomlinson for six hits to take a 10-5 win last Tuesday night in Frostproof.

The H.C.B. team managed only one hit off the Frostproof pitchers. Mort Jackson singled in the first inning for Avon Park. Wright hit two singles for Frostproof and Sullivan, McCarter, Boyd and Hall all hit one single off Tomlinson, who fanned 19 batters. Thirteen Avon Park batters went down with strikeouts. The Avon Park team committed seven errors.

Avon Park 6
L. W. First Nat. 2
The Highlands County Bank of Avon Park team slugged out eight hits to take a 6-2 victory from the Lake Wales First National big league team in Lake Wales last Saturday night.

Freddy Moore, Avon Park firstsacker, hit two singles and Brad Beumel, Avon Park centerfielder, also rapped out

two singles. Hitting a single each for Avon Park were Reggie Baker, Mort Jackson, Charlie Pugh and Gerald Barfield.

Jamie Tomlinson and Mike

Harris Selected For Ambulance Service

Wayne Harris was selected by county commissioners Tuesday to become supervisor of the county's new ambulance service, effective July 1.

County administrator Charles Cullen reported that he had received only one written application (Harris) for the \$12,500 per year position. "He'll be responsible for day-to-day operations, schedules, men and communications equipment," Cullen said.

Diane Scott of Lake Placid questioned the qualifications enumerated by Cullen for the supervisor's position. "I understood — that the supervisor would be a working EMT (emergency medical technician)," Scott said.

"I don't know what Mr.

Minard both pitched for Avon Park giving up five hits to the losers. Davis hit singles and

Brown, Jones and Peacock had

a single each for Lake Wales.

Harris' qualifications are," Scott continued, "but I was not aware that he knew anything about the ambulance service."

"We need somebody to coordinate more than additional ambulance attendants," Cullen countered. Commissioner Norman "Jug" Heston said he would expect Harris to attend school eventually to qualify as a medical technician.

Cullen told commissioners that Harris has agreed to give up his business in Lake Placid and to resign his position on Sebring City Council to make himself available for full-time duty as ambulance service supervisor.

In other actions, commissioners:

— Agreed to accept maintenance of a traffic control signal (stoplight) that the Florida Department of Transportation intends installing at the intersection of U. S. 27 and SR-70 (Bair's Den). No date for installation was announced.

— Heard Van Murphy, Florida Division of Forestry, and Charles Bryan, United Telephone System, report that Public Service Commission engineers intend to check the reliability of toll-free line connections between Highlands County and Okeechobee — the lines used by county residents to report fires. Commissioner C. J. "Buddy" Wise told Murphy and Bryan that Highlands County will not be satisfied until its citizens can call for fire assistance using direct lines to the Deltona City office of the Forestry Service.

— Received a \$50,000 check from Bill Curry of the Florida Emergency Medical Service to be used by the county in a fund-matching arrangement to purchase new ambulances. The check was passed to the county through Mrs. Hazel Scarborough, administrative assistant to Senator Tom Galien.

— Approved a request by Gene Scheck that Elm Ave. in Highlands Towers subdivision be terminated in a cul-de-sac, in lieu of connecting it to Robin Court in Brunner's Mobile Court.

— Instructed Cullen to write a letter congratulating the Highlands County Extension Homemakers for winning statewide first place awards for "public information" and "cultural arts" and for receiving honorable mention in the "citizenship" category.

Bagwell Lumber Chosen For Strong Team Tourney

Because the Bagwell Lumber Company team has a 10-2 record and is currently in first place in the Avon Park Little League they have been chosen as the team to represent Avon Park in the District IV Strong Team tournament in Auburndale starting Saturday at 6:00 p.m. The team will be managed by Denby Jackson and coached by Clark Jackson.

Other teams entered in the tournament are Dade City, Dover, Lake Alfred, Lake Wales, Hardee, Zephyrhills, Frostproof, Pinecrest, Plant City National, Plant City American, and Auburndale. The games will be played two at a time starting Saturday and continuing through Saturday, June 28 if necessary.

Builders Served By New Services

Highlands County builders doing new home construction will be served by the newly-formed Builder Service Division of Maredo, Inc., parent company of McLean's of Sebring and Lake Placid. Highlands County's largest furniture retailers. The announcement was made by C. Read McLean Sr., president of Maredo, Inc.

Desired to provide a source for all a builder's requirements for kitchen and laundry appliances, carpeting and draperies, Builder Service Division will be the only such facility of its type in Florida.

"We have just received appointment as a builder distributor for General Electric appliances," McLean said, "completing a package of products that will make it easy for a qualified builder to obtain all his needs from one source, thus relieving him of the problems of multiple sources of supply and, most particularly, of the problem of service."

Builder Service Division is the franchised builder distributor for Barwick, Mohawk and Ozite carpets, and has recently received its certification as exclusive distributor for custom made draperies by Norman's of Salisbury.

McLean's of Sebring is the successor to the McClure and McHugh furniture companies, with continuous service to Highlands County residents since 1926. It maintains two stores. The original, McLean's of Sebring, is located just off the Circle at 137 S. Commerce St. The Lake Placid store is located north of Lake Placid on U.S. 27 at Lake Henry Drive.

Wilkinson And Stone Win Bagwell Youth Tourney

The champion golfer of the Bagwell Lumber Company's Fifth Annual Youth Tournament at River Greens Golf Course, Avon Park, Glenn Wilkinson, Sebring, shot a 229 to lead runner-up Jerry Stone, Lakeland by three strokes.

During the three days of play the 31 youthful golfers found the new nine hole addition of the 18 hole River Greens course more challenging than the previous year's nine hole course.

The fairways located in an orange grove setting were more demanding for accuracy than the wide open spaces that many of the young golfers from Sebring, finishing his swing. Watching are

playing. In the first flight John Coleman, Ft. Pierce, took the trophy with a 240 card by a one point lead over David Voyles, Lakeland, in a sudden death playoff on the first hole.

In the second flight play Peter DuPriest, Avon Park earned the first place trophy with a 245; while Ben Norris, Wauchula and Rex Reese tied at 249. Norris received the trophy on a sudden death win on the second hole playoff.

In third flight play Tim Calhoun, Lakeland, turned in a 260 card with Earl Crutchfield of Sebring shooting a 255. The Hugh Dowling Sportsmanship Trophy was awarded

to Rex Reese, Lakeland, for his composure throughout the match, particularly during a series of trying shots.

Youthful golfer Billy Myers of Kissimmee collected on both Friday and Sunday for his longest drives on the 360 yard 18th hole. While Andy Graham, Winter Haven, had the longest drive on Saturday. Length of drives were between 280 and 290 yards.

The closest to the pin contest on the 161 yard fifth hole found last year's defending champion John DuPriest, Avon Park, closest to the pin on Friday. Andy Graham, Winter Haven on Saturday and on Sunday Elgin Bayless of Sebring.

LEADERS OF THE Bagwell Youth Golf Tourney at River Greens Golf course, tee off the fourth green Sunday afternoon with Glenn Wilkinson, Sebring, champion of Sebring, finishing his swing. Watching are

Leon Delaney, tourney official; an unknown caddy friend, Billy Myers, Kissimmee and John DuPriest, Avon Park, defending champion.

HTCA Sponsors Men And Womens Summer Ladders

The Highlands County Tennis Association is sponsoring a summer singles ladder for both men and women starting this week and running through September 1. There are ten women signed up on the ladies ladder and ten men will be starting off the men's singles ladder.

Position on the two ladders was determined by draw this week. Results of all challenge matches should be called in to Lucy Derkman (453-4117) within one day if possible.

There will be open challenging on the summer ladders and the two week delay for re-challenging has been voided for the summer. If the player challenged cannot play within one week, that player must accept a forfeit loss. The ladders are set up strictly for fun. There will be no awards at the end of play. Anyone wishing to join either ladder may call Mrs. Derkman.

The opening standings on the women's ladder: Pam Rose, Pat James, Deloris Cox, Debra Cox, Peggy Sizemore, Betsy McClure, Evelyn Reeder, Judy Lewis, Jean Rosser and Lucy Derkman.

The men's ladder lines up as follows: Charles Jordan, Danny DuBose, Larry Johnson, Bill Page, Read McLean,

instead of just two above. Men will play a three set match and women will play a pro-set match — first player to win eight games is the winner.

MONEY FOR YOUTH recreation in the amount of \$6,827 collected from area people several years ago by the now defunct Avon Park Youth Department Association is presented to the city for financing of youth projects planned by the city council.

Mrs. Townsend, president of the inactive organization presents the check to City Clerk Malcolm Crews. Photo—Cobbie.

City Youth Program Gets \$6,827 Boost

City facilities and activities for youth got a shot in the arm Tuesday when money collected by the now defunct Avon Park Youth Department Association was channeled into the city funds to be spent for youth.

Two actions brought about the small windfall when the youth development organization which has been inactive for almost 10 years ended its existence formally and legally.

Mrs. John Townsend, founder and president of the Avon Park Youth Development Association, presented a check for \$6,827 to City Clerk Malcolm Crews Tuesday morning.

The amount represented a bank account the association has maintained since its formation.

Tuesday night during a meeting of the Avon Park Chamber of Commerce board of directors, the board legally ended the chamber's role in the youth development activities by approving a resolution turning over \$5,975.40 to the city.

This amount represents proceeds for the sale of property on South Lake and Highlands County. The chamber acted as the legal entity for the purpose of deed conveyance at the time the property was purchased by the youth development organization.

The purchase price of the property was \$6,000 but net proceeds amounted to \$5,975.40. A check for that amount will be given to the city by the chamber Tuesday.

The total amount of the two checks, \$6,827.90, represents money collected from Avon Park people by the Avon Park Youth Development

Association before the organization became inactive almost 10 years ago.

The property on South Lake, located across from the softball field was purchased by the organization for use as a youth center. The county will use it for service over to the city.

Then general interest in the project faded and the group became inactive and those left in the association agreed to service over to the city.

He is married, has four children — two sets of twins, ages 7 and 14.

Bentley Receives

Robe Of Office

Investiture ceremonies for Circuit Judge E. Randolph Bentley were held June 13 at the Hall of Justice in Bartow.

Those attending the ceremonies from Highlands County included Clifton Kelly, chief judge-elect for the 10th circuit, and County Judge Mark Richardson Jr.

The new judge, an honor graduate of University of Florida law school, has been engaged in the practice of civil law in Lakeland since his graduation in 1959.

Judge Bentley is past president and past board member of Polk County chapter of United Cerebral Palsy.

From 1960 to 1970 he was a member of Lakeland Rotary Club, from 1966 to 1974 a director of Polk Federal Savings and Loan Association of Lakeland, a member of various bar associations and a past vice president of the Lakeland Bar Association.

Judge Bentley is a member of the well known conservation group the Sierra Club. He is an avid sailing fan and a member of Lakeland Power-Square.

He is married, has four children — two sets of twins, ages 7 and 14.

Roy Claitt Completes Corrections Training

Correctional Officer Roy C. Claitt, a five month employee at Avon Park Correctional Institution recently graduated from a four-week course at the Correctional Training Institute at Hialeah.

The 160-hour resident course covers Florida Division of Corrections administration and operation and work in human relations. The course for all Division of Corrections employees is being taught to improve treatment control and rehabilitation of inmates by increasing effectiveness of employees.

Florida Parole and Probation Commissioner Charles Scriven, speaking at the graduation ceremony, said that the manner in which inmates are dealt with while incarcerated will greatly effect their attitude and adjustment when they return to the community.

As an example Scriven noted that a police officer who carries out his job of issuing a speeding ticket efficiently and professionally will only increase the respect of the speeding driver.

The police officer who, in issuing the ticket belittles the speeder, will only increase the citizen's hostility and negative attitude toward law enforcement.

"It is the same principle when working with inmates," he said. "If you do your job objectively with some un-

derstanding of the inmates, they will be more likely to develop positive attitudes

toward society and the law enforcement agencies which serve it."

Claitt is a two-year veteran of the U. S. Navy and resides at 442 W. 5th St., Avon Park. He is single.

Completion of the course earned him nine semester credits from Lake City Community College. The course included use of a computer assisted training program developed by the Division of Corrections and taught in conjunction with the college.

Continuing training for the graduates will include 160 more hours taught by regional instructors at the various correctional institutions across Florida.

ROY CLAITT

Question: Who are the two witnesses of Revelation 11:37?

Answer: The two witnesses which are referred to in this scripture are the old and new testaments, Christ and his fact in the scriptures. Search the scriptures for in them ye shall have eternal life; for they are they which testify of John 3:38. During his work on earth, Christ repeatedly referred to the events of his life as fulfilling the scriptures. And beginning at Moses and all the prophets, he expounded unto them all the scriptures the things concerning himself, Luke 24:27.

God's promised Messiah was clearly predicted in the Old Testament, many centuries before he came. He was the seed through whom salvation was promised. This plan of redemption was revealed to Adam and Eve after they sinned. And I will put enmity between thee and the woman, and between thy seed and her seed; it shall bruise thy head, and thou shalt bruise his heel; Genesis 3:15.

The plan of redemption was to "to effect as soon as man sinned. The old Testament is the record of how God was constantly trying to save the lost race.

This record was demonstrated in the experience of ancient Israel. God revealed his plan of redemption through the sacrificial system. The animals which were offered all pointed forward to Christ, the lamb of God which taketh away the sin of the world.

When an Israelite committed a sin, he was required to bring a lamb or a bullock to the sanctuary. There he laid his sin upon the head of the animal, and then he killed the animal. The slain animal was a type which was a symbol of Christ who would be slain for the sin of the world. Thus the Old Testament is a witness to the great plan of salvation.

The New Testament records the history of the life of Christ and the early church. The church was founded to proclaim the message of Christ to the world. Christ gave his disciples the commission to proclaim the gospel to all the world. Go ye therefore, and teach all nations, baptizing them in the name of the Father, and the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you, and lo, I am with you always, even unto the end of the world. Amen; Matthew 28:19, 20.

Thus the two witnesses

mentioned in Revelation 11:3, have been active in witnessing to the truth of salvation in Old Testament and New Testament times. God gave power to these two witnesses to do, their appointed work. Today the Bible is the world's best seller. No other book has had such a tremendous influence on the human race as the Bible. The word is a lamp unto my feet, and a light unto my path; Psalms 119:105.

Church To Change Sunday Hours

Beginning July 6th the time of the Sunday morning service of Christian Science Society of Avon Park, and also the Sunday School will be changed from 11 o'clock to 10:00 o'clock — one hour earlier.

This is announced by the Vice-president, Mr. Leonard B. Allen, in accordance with the action of the members at a recent meeting.

Mr. Allen also stated that it was decided at this meeting to discontinue the Wednesday afternoon testimony meetings for the summer. No Wednesday afternoon meetings will be held during the months of July, August and September.

The Reading Room will continue to be open every Friday afternoon to serve you from 1:30 to 3:00 o'clock. The members of Christian Science Society, located at Highlands and Avon Blvd., the Avon Park Lakes area, warmly invite all in the community to attend their services and make use of the Reading Room.

Remember, 10:00 o'clock is the new time for the Sunday morning service.

**Wire Stolen
Value Set
At \$478**

Theft of copper wire which plagued power companies in this area for a time has re-occurred. The last theft, reported by Florida Power Corp., was approximately a half-mile of wire from the Lake Lotela area at Avon Park. Value of the stolen wire was set at \$478.

AT 14 CAROLYN painted this cabin and snow covered mountain scene on yellow velvet cloth.

THE OLD WAGON WHEEL, leaning against a tree was painted when Carolyn was 19.

"Get Out There And Push" Urges Contest Winner

"Get out there and push" wrote National Teen Talent winner dark brown haired Carolyn Woodward in an article for "Lighted Pathway" a youth magazine published by the Church of God Publishing House.

As the national winner of the biennial Teen Talent award in the Graphic Arts division Carolyn's drawing of a bird's nest gourd attracted the attention of judges because of the quality of the drawing and the irregular shape of the matte mounted on poster board.

It took Carolyn four hours to complete the drawing using a crow quill pen with a hair line point and India drawing ink in the Art Department at Delta State University, Cleveland, Miss. She was encouraged to enter the drawing in the district contest, then the state and national contests and received the Teen Talent award in June, 1974.

In writing about the award Carolyn recalled how she had dedicated her hands to God's service, and while looking at the trophy remembering the awesome responsibility she had set for herself, the trophy appeared to become dull as she wondered if she was strong enough to carry out her promise.

Suddenly the sparkle returned to the trophy as Carolyn remembered that God didn't expect her to work alone. He had promised to be there — always helping.

When did Carolyn start to paint and draw? Almost as soon as she could walk, came the reply. She did her first serious painting at 13 — an almost life size crucifixion on plywood for a play at the Avon Park Church of God. It has also been used at the Frostproof Church of God attended by her parents, Mr. and Mrs. Harvey Woodward and family.

Carolyn attended Avon Park High School and transferred to Frostproof High in the tenth grade when her parents moved to Polk County. Under the early admissions program she attended Polk Community College, Winter Haven and graduated from Frostproof with honors in '73.

On transferring to Delta State University Carolyn was awarded an original scholarship for non-resident students and has been on the Dean's List every semester and recently on the President's List, which is a grade of 3.5 or over. She is president of Delta State Chapter of Phi Theta Kappa, the National Scholastic Honor Society.

A lifelong resident of Florida, Carolyn saw her first

snowfall at Delta State, where she and friends gathered the light snowfall in a wheelbarrow to make a snowman a foot and a half tall. She and a roommate live in a trailer in a nearby town where they have their own garden and do their own canning, freezing and cooking. Their trailer also serves as a studio for sign painting and lettering.

Majoring in commercial design Carolyn has a minor in

sculpture and expects to receive her Bachelor of Fine Arts Degree in a year.

Her dreams, hopes and plans for the future are to work in graphic arts, design, layout and printing. Upon graduation Carolyn would like to locate at Cleveland, Tenn., for two good reasons: Her brother lives there and she would like to work at the church publishing house.

AS HER FIRST serious work at 13 Carolyn Woodward painted the Crucifixion on plywood for a play at the Avon Park Church of God. Photo-Miller

Marriage Dissolutions

William Cunningham Jr., Sebring, Beatrice Mary Knuckmeyer, Cunningham, petitioner; married June 18, 1972.
George Larry, petitioner — Flora, George Larry, respondent; married 1942.
Robert Hatcock, Lake Wales, petitioner — Athena Hatcock, Lake Wales, respondent; married Jan. 16, 1968.

Donald Foster, St. Chalmers, Louisiana — Linda Foster, petitioner; married Nov. 28, 1973.
Henry Ray Roland, Avon Park — Hazel Elaine Roland, Avon Park, petitioner; married May 8, 1971.
Fouadine Linaree, Avon Park — Humana Linaree, Avon Park, petitioner; married Sept. 28, 1968.

Jerry Wayne Massey, Sebring — Donna Sue Massey, Avon Park, petitioner; married June 14, 1973.
Eugene L. Martin, petitioner — Miriam M. Martin, Sebring, petitioner; married Nov. 22, 1962.
John R. Sampson, St. Albans, W. Va. — Lela Marie Sampson, Sebring, petitioner; married Oct. 28, 1963.
William Joseph Overton, Highlands County, petitioner — Ann Kay Overton, married May 7, 1972.
Fidelle B. Bailey, Wauchula — Yvonne Roland Bailey, petitioner; married Dec. 31, 1971.
Jacquelyn Lou McCartney, Highlands County, petitioner; married March 17, 1973.
James Benjamin, Avon Park — Audrey Mae Benjamin, Avon Park, petitioner; married Nov. 4, 1968.

Sewer Pours Into Lake

Fail safe failed and Dinner Lake is polluted again.

Four alarm systems, touted as providing absolute guarantees against spills from a sewage lift station at the southern end of Dinner Lake, faltered, and a manhole overflowed about 400 feet north of Leta Avenue — the same site as a major sewage spill in January 25.

The spill was discovered a little before 7 a.m. Wednesday, but how long raw sewage had been gushing from the city's largest sewer line is not known. Neither has blame been assigned for simultaneous failure of all alarms.

David Parker, sewer plant supervisor, said the immediate cause was a malfunction in the pump control. "The high pressure switch in the lift station did not work and thus the alarm in the steam plant did not work. The alarm system has worked several times. We don't know why it didn't work this time, since the electrical is 100 per cent," Parker said.

The spill is from a manhole located behind the F. W. Trippensee home north of Leta Avenue between State Road 17 N. and Dinner Lake.

Trippensee said he awoke at 5 a.m. Wednesday. He remembers "smelling an awful odor" but he dropped off to sleep again. Almost two hours later Mrs. Trippensee discovered the spill.

She called the city sewer department immediately. Parker said he received the call just as he was coming to work. The control pump was not working and he has been unable to get it started.

Without waiting to coax the pump, he had a diesel started "to pull down" the level of discharge.

Trippensee said he arrived on the beach shortly after his wife told him of the overflow and he could see a large stream of raw sewage bubbling from the manhole.

"The manhole cover was boiling and shaking on top. I don't know what kept it from being carried away."

A few minutes later the stream stopped — apparently when the diesel pump took hold. The overflow had, however, gouged out several foot-deep gullies in the beach and funneled raw sewage into the lake.

Howard Short, sanitarian from the Highlands County Health Department, said the size of the spill, at first inspection appears to be "about the same as last time."

In the January spill the land and water for a 200-yard radius were polluted. Bacteria counts remained at an unsafe level for a period of six to eight weeks, Short said.

By 7:30 a.m. Wednesday Sebring Police Chief Craig Graybill was working along the Dinner Lake beach, posting warning signs.

The state department of pollution control was notified of the spill and must be kept informed about bacteria counts. The initial count from this week's spill will be determined on Thursday. Short explains that the count procedure takes 24 hours to complete.

Following the first spill three manholes along the lake have been raised to the same elevation. Work on this was completed in February. The spill on Wednesday was, however, from only one of the manholes.

Parker said he had checked the Dinner Lake manholes early this week. He said elevation of the manholes was not a problem this time. The spill this week was a different kind of problem, not at all related to the level of Dinner Lake.

Dinner Lake is about 12 inches lower system has been working. "People along Dinner Lake do not know how many times it has worked. The first of the week lightning hit in the system and the alarms all worked, no problems."

August 12, 1974, lightning knocked out power and caused spills in Dinner Lake and Lake Jackson.

"We've got four alarm systems and none of them went off this time. We're at our rope's end," Stroup mourned.

Parker optimistically believes one of his electricians may have a valid solution to the sort of problem encountered this week. "One of the men here suggested we take a float, equipped with a switch, hang it in the wet well to trigger an alarm. This would be better for it is a true alarm system."

City Clerk Jack Stroup is not so cheerful. He does point out that the alarm property owners' reactions were bitter.

Henry Childress, who lives near the Leta Avenue, is still angry at the prime contractor for the sewer's main in-

stallation. Allen's of Florida, he contends, failed to restore the beach area behind his home.

Early Wednesday he told Trippensee, "I will be glad to join you if you want to sue the city."

At the Sebring City Council meeting Tuesday night, City Clerk Jack Stroup had reported that the sewer contractor had finished his work list, and that as far as he knew no complaints had been made that had not been checked out.

Stroup said the contractor had filed a list of additional charges, and that he had studied the claim list and found that some \$1,200 of the claims might be justified.

Councilman Fred Fields said he knew of two complaints which needed to be checked out — the condition of beaches on Dinner Lake and possible foundation damage to a home on Crescent Drive.

These should be checked before we make final payment to the engineers," Fields advised.

Graduation Night

FOR COURAGE, LEADERSHIP, HONOR, SCHOLARSHIP, service and patriotism, John Lumsford Jr. was chosen by the faculty for the American Legion Award and receives it from assistant principal James Robertson.

DUANE "BUTCH" FARLESS was selected by the school to receive the Trustee Scholarship to South Florida Junior College from Steve Roberts, school board member.

CHOSEN BY THE faculty Candis Jahna received the American Legion Award for COURAGE, SCHOLARSHIP, LEADERSHIP, PATIOTISM, SERVICE and HONOR. Making the presentation is James Robertson, assistant principal.

VOTED AS THE MOST THOUGHTFUL of others by the lady faculty members and senior girls, Gail Colbertson received the Bailey Medal for Girls from Dr. Crittenden, principal.

SELECTED BY THE school Ronda Newsome received a First Federal Saving and Loan Association of Highlands County Scholarship to South Florida Junior College from board member Steve Roberts.

THE BUSINESS AND PROFESSIONAL Women's Club of Sebring presented Miss Chris Thompson (left) a check for \$250 as a Scholarship Grant with Mrs. Verdelle Medlin presenting the check.

VALEDICTORIAN Bryan Davis received an Award for the Highest Scholastic Average for three and one-half years at Avon Park High School from Dr. Crittenden, principal.

THE AVON PARK Junior Woman's Club has selected Miss Martha Velasquez (right) as recipient of a \$400 scholarship to South Florida Junior College with Mrs. Sue Moseley presenting the award on behalf of the Junior Woman's Club.

THE DIPLOMA OF Orville Ralston Jackson was presented in "absentia" to his brother Larry Jackson. Orville was fatally burned in a fire that destroyed their trailer home.

PARTIALLY HIDDEN, Sharon Dover was selected by the school to receive a Saving and Loan Association of Highlands County First Federal Scholarship to South Florida Junior College with board members making the presentation.

Summer Band Program To Start Monday

The Summer band program will begin Monday, June 23 - Friday, July 18, at the air-conditioned Avon Park High School bandroom.

McKunas urges parents to send their band students to free lessons, full band rehearsals, volleyball games, baton twirling, beach trips, hayride, watermelon feasts and bowling.

Last year's sixth grade band will meet from 9 to 10 a.m. then may go to the gym for free play.

Advanced band will be from 10 to 11 a.m. Volley ball games will be offered along with baton twirling from 11 to 12.

Students will eat lunch at home from 12 to 1 p.m.

Private lessons and bowling will be set up in the afternoon.

The band will make two beach trips which will be announced. A hayride will be planned to climax the summer program.

Bring your horn the first day Monday, June 23.

Commissioners Talk Waste Disposal Fees

County commissioners agreed Tuesday to negotiate with consultants Black, Crow and Eidness, Inc. of Gainesville for a study of Highlands County's solid waste disposal needs.

Dr. P. Ward Hill told commissioners that his firm is interested in establishing a multi-year consultant relationship with county governments, to provide short and long term assistance with waste management problems.

Since the duration of the initial study and the cost of preparing it depends on the magnitude of its objectives, commissioners consulted immediately with Dr. Hill and his colleague Dr. Robert Burns, to establish parameters for the scope of the study.

If the fee charged by Black, Crow and Eidness to perform the study is too high, commissioners can reduce or redefine the scope of work required, or can negotiate an acceptable study and fee schedule with Russell and Axon of Daytona or with Greenleaf Telesco Co. of Clearwater.

Commissioners Talk Waste Disposal Fees

Carmichael Receives Degree In Medicine

Patrick Reid Carmichael, son of Dr. and Mrs. Grant P. Carmichael of Avon Park, graduated from the University of South Florida College of Medicine on June 14.

Carmichael was one of 25 students in the College's second graduating class which included 22 men and three women.

The USF College of Medicine was the first medical school opened in Florida in 19 years. (The University of Florida and the University of Miami are the only other two institutions which have medical programs.)

USF students, who complete their medical training in three years instead of four, work at classroom and clinical studies on a 12-month basis. They take their medical science courses on campus, then go into affiliated hospitals in the community for most of their clinical work.

Carmichael Receives Degree In Medicine

Marriage Licenses

Hal Edwin Juetner II, 31, Avon Park and Susan Inez Moore Strickland, 26, Avon Park.

Raymond Wesley Pollard, 20, Lake Park and Betty Jo O'Brien, 16, Lake Park.

Charles Henry Janier, 18, Avon Park and Kathi Kim Marshall, 17, Avon Park.

Observations or Comments:

Please observe that I am not referring to the predominantly black area as colored quarters but instead, Southside Park. I am also referring to that section west of Amtrak as Westside Park and that section east of Amtrak as Eastside Park. (I suggest the immediate use of these labels by everyone although we may experience difficulty at the beginning. Sometimes it is abstruse to rid ourselves of traditional customs and habits, but one's intelligence is often measured by his ability to adjust to changes.

Unemployment:

Again, I am sounding off on the matter of unemployment and it's about time that everybody uses whatever influence he has to produce more job opportunities. I prefer becoming real concerned now than becoming real sorry later. It was recent that several youths came to me for assistance in securing jobs,

Volunteer.

It'll make you a better human being.

Calvin's Column

By CALVIN GIBBS

Hi Friends:

The summer weather is here, but the official summer season is still a few days away. Many air conditioners are seemingly in full blast and now that school is out, many swim areas are congested with those seeking an escape from the high temperatures and fun at the same time.

Please accept my best wishes for an enjoyable summer vacation, which I'm sure you've earned and therefore, deserve.

Church News:

Mrs. Queen E. Coward is directing the vacation Bible school which is now in progress at Saint Mark Baptist Church. You are cordially invited to attend the remaining sessions. Family night is scheduled for Friday. The vacation Bible school will culminate its program with a picnic on Sat. June 21 at Horse Hammock for all of the participants of the vacation Bible school.

Some of the teachers are Sis. Joan Gholston, Patricia Carter, Patricia Jones, Jacquelyn Jackson, Arletha Sims, Velma Jackson, Clara Boone, Shirley Ashe, Beatrice Peterson, Helen Britt and Toni Gibson. Sis. Altamase Williams and Patricia Lyons are the musicians.

Beulah Baptist Church held appreciation services for its pastor, the Rev. Columbus Carter, who has been with the church now over a period of four years.

Civic News:

The Cemetery Association is asking the pastors of all churches to go to a volunteer or appoint someone to serve as a district representative. This would provide total representation in the collection of fees. The association has already made collection forms to be distributed at the next meeting, first Sunday in July at the Apostolic Church on 4th St. Also a sketch of the entire Southside Park area has been produced and divided into districts. These will be assigned at the next meeting also. The public is urged to attend.

Necrology:

Funeral services for the late Esie Mae (Sophia) Lee, whose life expired on Wednesday, June 11, were held on Tuesday, June 17, at 10 a.m. at the Church of God in Christ on Caroline Avenue. Elder C. Black, pastor, Mrs. Lee was taken to her home in Callahan, Florida for interment in the Callahan Community Cemetery. She had lived in

because they had exhausted every effort with no success. Two of these were college students. The others were not, but were just as human. Now the situation may or may not be as bad as it was made to sound, but when I implied to one that he sounded desperate, he told me, that was putting it mild.

I appealed for help from some others in the community in finding jobs and they immediately pledged their support and one began making calls. That one was E. Sims and I hope he doesn't object to this exposure. My observation here is a need for jobs and my appeal is for an honest effort by those who can make or find jobs. This appeal poses a challenge, but not a threat, because I'm sure that most of our youths have enough will power, self control and respect for law and order that they would not resort to unlawful tactics in their pursuit of opportunities. I am concerned about all of them but it's the minority who are not quite so well self-disciplined that bothers me most. Honesty is often hard to digest on unemployed stomachs.

Avon Park for the past twenty years, Mrs. Lee was survived by one son Leroy Williams of Miami, one daughter, Gloria G. Bibbens of Jacksonville, three sisters, Maybel Cohens and Dora Jenkins of Jacksonville, and Irene Jenkins of Avon Park; three brothers, Herbert Crane of Lamar, Calif., Cleveland Crane of Jacksonville, and Rudolph Crane of Callahan, Florida, and a host of other relatives and friends.

The family wishes to express a sincere gratitude for courtesies extended to them during its bereavement.

Appreciation:

The family of the late Mother Ezella Williams wishes to express a sincere appreciation for flowers, condolences, food, phone calls and other courtesies rendered during its recent bereavement.

Special Recognition:

Dea. Ernest E. Sims was given special recognition on Sunday June 15, at Saint Mark Baptist Church for more than forty years of faithful service to that church.

Deacon Gray received a plaque for his seemingly unceasing support of Saint Mark Baptist Church and whose dedication won him the title "Father of the Year" of his church.

A brief memorial was paid to the late Sister Pearl Crosby. Citizens of the week:

Humor of the week: "Madness is often said by the bible."

English lesson of week: (a correction from last week: Wrong: When trouble strikes, we want comfort. Right: When trouble strikes, we want comfort. Explanation: "Trouble is the same as it, (3rd person singular) and requires the 's' form of the verb.

Further corrections:

Teachers wish, not teachers wishes. Also, words which refer to the Deity are always capitalized.

Hospitalized at press time:

Pete Floyd, Mattie Williams, Aldrich Hawk, Monnie Graham, Sarah Peterson, Tom Gerald, and Irene Brown.

Thought Considerer for the week:

"To live successfully, one must overcome blundering ineptness, the tendency to do and say the wrong thing. One must develop skills that make things turn out right. If you fail to use the right approach, what you need is wisdom."

He that handeth a manner wisely shall find good and whose trusteth in the Lord, happy is he. Proverbs 16:20.

Yours truly,

Calvin C. Gibbs

The special honor of Citizens of the week goes to Mr. and Mrs. John D. Lewis who live at 912 Carolina Ave., for excellence in the upkeep of their home and surroundings which help to make Eastside Park beautiful.

Diana McTae, class of '74, and daughter of Mr. and Mrs. Johnnie McTae of 215 W. 6th Street will be a sophomore next year at Bethune Cookman College (Daytona Beach) where she's studying for a degree in Elementary Education.

Senior Citizen:

This caption begins a series in which I shall acquaint you with some of the senior citizens of Southside Park.

Mrs. Peterson was among the black pioneers of Avon Park. She accompanied her husband, the late Cuellar Peterson, to Avon Park from Bainbridge, Ga. in 1917. To this couple was born Cuellar Peterson Jr. (first black born in Avon Park.) Mrs. Peterson, her son Cuellar Jr. and her daughter, Mrs. Christophine Blackman still make their home in Avon Park.

One man was the crimes pro Park Po during the according Grady Ca report.

Five can intoxication disturbing investigate larceny, marijuana, prowling, littering, firearm, eluding, forgery a property.

Agencies To Charge Fee For Bad Checks

After July 1, any county agency receiving a bad check in payment for goods or services rendered will be required to collect a \$5 service fee from the writer of the "dishonored" check.

County commissioners ordered the service charge collection instituted after Clerk of Courts Earl Rich informed them that Legislature had recently amended Chapter 215, Florida Statutes, to authorize state agencies to levy a similar service fee against writers of bogus checks.

"The service fee shall be in addition to other penalties imposed by law," Rich said.

The procedure will cover bad checks received in payment of fines, recording fees, tags, taxes, licenses, etc.

"These bad checks — do you usually collect them or are we just adding \$5 more to the bill we're not going to collect?" commissioner Robert Skipper asked.

"They'll pay," Rich replied. He explained that Tallahassee must be notified in writing whenever a traffic violation fine is paid with a check that "bounces."

"Tallahassee pulls their (drivers) license," Rich said. "That gets their attention —

real check."

When the bad check is replaced with a good one, Tallahassee must be re-notified, Rich said, noting that this represents duplicate paper work for which the person issuing the worthless check should pay.

The service fees received become income to county agencies making the collections, Rich said.

3 Violent Crimes Investigated Here

One murder and five assaults was the extent of violent crimes processed by the Avon Park Police Department during the month of May, according to Police Chief Grady Campbell's monthly report.

Five cases of disorderly intoxication and five cases of disturbing the peace were investigated one case each of larceny, possession of marijuana, drinking in public, prowling, indecent exposure, littering, discharging a firearm inside city limits, eluding a police officer, forgery and destroying city property.

In traffic, unlawful speed topped the list for the month with seven citations issued by the local department followed

by four citations for no valid driver's license and three instances of careless driving.

There was one citation each for improper parking, no valid inspection sticker, allowing unauthorized person to drive, operating unsafe vehicle, allowing load to drop, improper backing, no tag, improper tag, and improper equipment.

Cases for the month totaled 34. Total miscellaneous complaints investigated amounted to 860.

A total of 13,775 miles were put on all police cars and the total of fines levied on municipal violations amounted to \$2,444.45.

There were 264 meals served at the Avon Park Jail at a total cost of \$117.42 or 45 cents per meal.

Dr. Caso Attends Nuclear Clinic In Tennessee

Dr. Roberto A. Caso, pathologist at Walker Memorial and Highlands General Hospital, attended a special course in the clinical applications in nuclear medicine given for 75 members of medical institutions in 28 states by the Oak Ridge Associated Universities at Oak Ridge, Tenn. last week.

The course, the second in an annual series, is conducted by the ORAU special training division. Designed to provide an up-to-date review of nuclear medicine, the course is accredited by the American Medical Association, and is helpful in preparing participants for the American Board of Nuclear Medicine examination.

Outstanding lecturers in the field for the session included Richard J. Blair, Gopal Subramanian; F. Deaver Thomas, Upstate Medical Center, Syracuse, N.Y.; Frank V. Comas, University of Tennessee Memorial Research Center, Knoxville; John Keyes, Strong Memorial Hospital, Rochester, N.Y.; Dennis D. Patton, Vanderbilt University, Nashville, Tenn.; Dean S. Skelly, Texas Medical Center, Houston; W. Newton Tauxe, University of Alabama at Birmingham; Salvador Treves, Childrens Hospital, Boston, Mass.; Henry N. Wagner, Jr., Johns Hopkins Medical Institutions, Baltimore, Md.; and Henry N. Wellman, Indiana University Medical Center, Indianapolis.

Mayor Davis Warns Against Cigarette Sales

A warning to merchants and employees of businesses which have cigarettes for sale in Avon Park against the sale of cigarettes to minors has been issued by letter from Avon Park Mayor Marshall Davis.

It is a second degree misdemeanor as defined in the Florida Statutes to sell cigarettes to anyone under the age of 18.

Davis warned that anyone caught selling cigarettes to minors would be prosecuted. In issuing the warning, the

mayor said he would rather the police department would not have to arrest anyone and the warning was issued to prevent violation of the law.

Davis said that even if a child has a note from parents with the parents' authorization, it is still unlawful to make the sale. He noted that some youngsters have written the notes themselves and warned that arrests would result regardless of notes.

The youngster would not be held responsible, Davis said, but the one making the sale.

Post Office Box Rent Hike Slated

Post Office box rental rates will be hiked effective July 1, Postmaster Robert Young

Cigarette Blamed For Truck Fire

A discarded cigarette is blamed for setting a fire which damaged a truck and its cargo the afternoon of June 12.

J. W. Fortune of Memphis, Tenn., told sheriff's investigators that he was driving south of U.S. 27 when, in the Avon Park area, a passing motorist flagged him down.

Fortune discovered that a fire had broken out in the furniture he was hauling in the back of the pickup he was driving.

Damage to the furniture, owned by Ronald Melinger of Memphis, was set at \$350 and to the truck, owned by Dixie Rent Inc., of Memphis, was estimated at \$350.

Avon Park Lakes volunteer fire department assisted in extinguishing the fire.

Films For Children Set

Last Wednesday afternoon's film program at the City library was attended by 42 children. This was the 1st in a series of movies presented under the sponsorship of the Avon Park Friends of the Library which will continue every Wednesday at 2:00 p.m. throughout the summer.

The movie this week was a Walt Disney feature entitled "The Pigeon That Worked a Miracle" — a story of a young boy confined to a wheelchair because of an emotional block. This young man is deeply interested in raising racing pigeons and he develops a particular love for one of them who enters in a big race. His "Pidge" loses the race but works a miraculous cure for the boy.

Next week there will be two movies shown: both of them the ever popular Dr. Seuss — "The Lorax and The Cat in the Hat."

These movies are shown Free of Charge to all school-age children and refreshments are served after each showing. There is room for everyone and All Children Are Welcome.

THE CITY'S NEW trencher gets its first workout as Joe Willis, at the controls, watches it dig through street paving for an irrigation line on the Mall. Photo — Miller

\$1000 Prize Offered In Poetry Contest

A \$1000 grand prize will be awarded in the first annual Poetry Competition sponsored by the World of Poetry.

Poems of all styles and on any subject are eligible to compete for the grand prize or for 45 other cash or merchandise awards.

Joseph Mellon, contest director, said, "The best way to encourage poetic talent is to offer recognition as well as prizes." Each winning poem will be published in the World of Poetry Anthology — and given free to every entrant.

Mr. Mellon added that "the initial response is gratifying. Even poets who never publish are sending their work."

The contest is being offered in conjunction with the inaugural issue of World of Poetry, a monthly newsletter of interest to people concerned with poetry and poetics.

Rules and official entry forms are available by writing to World of Poetry, 801 Portola Drive, Dept. 211, San Francisco 94127.

Contest closes June 30, 1975.

Bennett Receives Masters

Marilyn F. Bennett, daughter of Chaplin and Mrs. H. J. Bennett of Avon Park, was awarded the Master's Degree in Public Health during the weekend of June 13-15, on the La Sierra campus of Loma Linda University.

Marilyn was among 869 graduates at the 70th annual commencement and was one of 96 degree candidates from the School of Health.

Loma Linda University has campuses in Riverside and Loma Linda, Calif. and is

composed of eight schools on these campuses.

The Bennetts are leaving June 11, to attend their daughter's graduation exercises. Chaplin Bennett serves at Walker Memorial Hospital.

IT WAS "WEDNESDAY Afternoon At The Movies" last week (June 11) at the Avon Park Library for these students. The "Summer Film Festival" has started and each Wednesday afternoon at 2 p.m. the

Library will show a different movie. The admission is free to all school children. For more information about the movies contact the library. Photo — Cornell

**FOR EVERY
PROBLEM,
THERE IS
A SOLUTION**

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Southern Beauty

Springtime means "Pilgrimage time" on the Mississippi Gulf Coast.

Lovely ladies attired in elegant dress are waiting to welcome you when nine Gulf Coast cities feature estate, garden and antebellum home tours during the Spring. Your imagination will take you back to a quieter era as you sip Southern tea amid a rainbow of colorful azaleas, camellias, roses, wisteria and proud magnolias. Then visit stately antebellum mansions preserved with original furnishings and rare antiques.

One of the special attractions in the beautiful "Boulevard"—last home of Jefferson Davis, President of the Confederacy. Located between Biloxi and Gulfport, Mississippi, this classic Southern mansion is now a State shrine filled with Davis family heirlooms and historic Confederate memorabilia. All of this charming, Southern

When competition is tough, and you want to tip the scales in your favor...

USE CLASSIFIED ADS

They carry a lot of weight. Classified Ads mean increased sales because they head straight for the best prospects any business has — the people who have already decided they want a product or service and are now trying to decide where to get it. These are the people who voluntarily seek out your ad in the Classified Columns. The audience you want for your "sales talk in print" is ready and waiting for you.

You need never miss a prospect as he comes into the market either — because, by taking advantage of Classified's low commercial rates, you can easily afford to advertise every day. Classified Ads are flexible, easily changed to meet new selling opportunities as they arise — and, teamed with your display advertising, they give a potent extra push to special promotions.

There's more... but why not do yourself and your business a favor... call the number below today for an experienced account representative who will help you plan the Classified Advertising program that makes it so easy for you to tip the profit scale in your favor.

Is A Sewer System More Important Than Lakes?

"How far can we afford to go from an economic standpoint?" Avon Park City Council President Wendell W. "Winkie" Williams asked in ending Monday night's discussion of the planned sewer improvement project and the possibility of pollution of Lake Isis.

"We won't want to do anything to jeopardize the lake but we can't guarantee it won't happen," Williams said. Dawkins and Associates engineers Tom Kelly and Ken Baill were at the council meeting and explained additional safeguards made possible by more money available due to bids being less than estimates.

Lake Isis resident Phil Wooten said of the altered plan and additional safeguards: "It's a lot better than what we had before. It's acceptable to me."

"If you think there's any chance of overflow into the lake, you have no choice but to vote against it," Wooten told the council.

But, the fact remains that no one can guarantee pollution of the lake cannot occur. Avon Park councilmen, engineers or state pollution control people will not venture to say it cannot happen.

Every safeguard lessens the chance of sewage polluting Lake Isis but the chance of it happening does remain.

Dawkins engineer Bill Simpson said by telephone Friday, "There is no way to be 100 per cent safe. We can be 99.99 per cent sure."

Kelly told the council the Farmers Home Administration is "well pleased that we are well within the money," funds allotted for the sewer project.

"We have what we think is a sufficient design," Kelly said to guard against the possibility of overflow into that lake.

Kelly listed additional safeguards as an extension of the sewer trunk up Lake Isis northeast and up along Central and we can show you there would be no overflow at the pump station into the lake," saying that the extension would put any possible overflow at another location.

He said the redesign would "preclude what happened down at Sebring," referring to the massive spill of raw sewage from a manhole into Dinner Lake early last Wednesday.

The redesign would have one main pump and motor with an identical pump beside it, Kelly explained. He said if, for any

reason, both those pumps failed there could be a standby generator to drive the pumps and an alarm system built in on line power and a battery powered alarm system in the event line power failed.

Kelly said the next line of defense, if lightning should strike the generator at the pumping station, there could be a portable pump with a

gasoline engine to drive it which is available for about \$6,000.

Kelly said if the line is moved over the ridge line far enough where it could not drain into the lake, FHA probably wouldn't approve it.

The plan would provide that all the manholes along Lake Isis Drive be sealed and that in the event of overflow, the

lowest point in the system would cause any backup into the orange grove, Kelly said.

"There's a big low area along 17A if six backups failed," Kelly continued.

He said FHA would probably approve extension of the sewer lines at a cost of \$12,000-\$15,000. At a cost of \$200,000-\$21,000

(Please turn to page 2)

Suit Would Stop Hospital Data Public Disclosure

The Joint Commission on Accreditation of Hospitals (JCAH) has filed suit in U.S. District Court against Casper Weinberger, secretary of the U.S. Department of Health, Education and Welfare (HEW) for a permanent injunction against further public disclosure of information gathered on hospitals for validation surveys conducted by HEW, John McClellan, Walker Memorial Hospital administrator, said Monday.

Accreditation of a hospital by the Joint Commission amounts to a seal of approval in patient care and safety procedures.

The Joint Commission is composed of the American Medical Association, the American Hospital Association, the American College of Surgeons and the American College of Physicians.

Title XVIII of the Social Security Act which started Medicare says that a hospital accredited by JCAH is in compliance with Medicare regulations.

A 1972 amendment to the law provides that state agencies in agreement with HEW conduct validation surveys of JCAH accreditation findings on a random sample basis.

JCAH has provided Weinberger with information from these surveys on a confidential basis with the hospitals' permission.

This information was released by Weinberger to the Consumer Commission on the Accreditation of Health Services Inc. of New York on April 24.

The suit, filed May 30, states that the information released contains outlines for improvement of the hospitals' operations. The suit contends that JCAH standards for accreditation of hospitals are so high that even hospitals ac-

credited for two years often

receive detailed criticisms of their operations.

John D. Porterfield, M.D., director of JCAH, in a May 4 written protest to Weinberger explained that "The experience of decades has demonstrated that, by assuring confidential treatment of survey information, the Joint Commission has gained the trust of the hospitals it surveys."

Porterfield said keeping the surveys confidential "enables a more comprehensive survey of the hospital with open sharing of problems promoting greater improvement in the quality of patient care."

Immediately topping the practice of giving the information to HEW pending resumption of confidential handling of data

supplied which JCAH sees as the original intent of Congress in adopting the law.

Porterfield said the action is "in the interest of the nation's patients."

The Joint Commission was started in 1918 under the auspices of the American College of Surgeons and incorporated in 1961 with the support of its present member organizations.

In addition to hospitals, the JCAH has programs for the accreditation of psychiatric facilities, long term care facilities and facilities for the mentally retarded, and is developing an accreditation program for ambulatory care.

JCAH is a non-governmental, non-profit organization.

May Building Permits Take Sharp Decrease

Total building permits in Avon Park took a sharp drop in May with a valuation of only \$62,731 as compared to \$643,065 in April, according to the monthly report released by C. W. Ellerbee, Avon Park building official.

The bulk of the permits were again commercial with three commercial additions totaling \$27,420 on the list. These were for a new furniture display room at Art Turner Furniture Company on West Main, and an addition to Danny's Drive-in on West Main and an addition to the Big T Tire Center, also on West Main.

Commercial building also accounted for most of the building permits in April which tripled March's total. The April permits included three major commercial buildings, the new Highlands County Bank of Avon Park, First Federal

Savings and Loan Association of Highlands County and Hilltop Sales and Service's new building.

May's permits included only one one-family residence valued at \$13,500 and one two-family residence valued at \$16,000. There were 19 additions and alterations for a total valuation of \$25,831.

For the month there was 24 building permits issued, 20 other building related permits and 77 inspections with total fees amounting to \$463.50.

These included electrical, five permits, 11 inspections, \$23.50 fees; plumbing, 10 permits, 17 inspections, \$54.50 fees; and air conditioning, four permits, seven inspections, \$22.50 fees. One building was demolished.

The information is a must for the Florida Division of Motor Vehicles to gear up for the birthmonth registration program next year. In case of joint ownership, date of birth of the person listed first on the registration application will determine the registration month.

Securing license tags in the birthmonth is expected to eliminate the long lines of buyers now experienced throughout the state during the 30-day renewal period that falls

(Please turn to page 2)

Water Sports

A LARGE CROWD of swimmers took advantage of the sunshine for a cooling dip in the cool clear water in Lake Isis before Saturday afternoon's rain. The person in the

dark clothing close to the shore was teaching their youngster how to swim. The Trimaran sailing boat with its triple hull is one of the safest sailing boats afloat. Photo—Miller.

July Fourth Picnic

First Bicentennial Event

A hot air balloon landing on the beach of Lake Verona will be one of the highlights of the Old Fashioned Fourth of July Family Picnic at the Donaldson Park Kick-off of the Avon Park Bicentennial year of Celebration.

The Fourth of July activities start with a group from the Avon Park High School Grenadier Band playing favorite tunes and patriotic songs before and after the 12:00 noon Flag Raising Ceremony, by the U. S. Air Force Color Guard from the Bombing Range Air Base, at the Band Stand on the Mall.

The invocation will be given by the Rev. Bentley Williams with John Wright of WEDU giving a patriotic reading. The Young Highlanders along with the band will lead the singing of the national anthem, "The Star Spangled Banner" and patriotic songs.

The center of the Fourth of July activities will shift from the Band Stand to Donaldson Park for the Old Fashioned Family Picnic and the Recreation Department's fish dinner at the Recreation Center.

From 12:30 to 2:00 p.m. there will be live entertainment by an APCI Band, a local instrumental group led by David Flowers along with other entertainers.

Adding to the old fashion picnic atmosphere are a home made ice cream bar manned by the Methodist Youth and a lemonade stand sponsored by

"The Young Highlanders." Holders of fish dinner ticket stubs will have a chance to win a \$25 bond during a 2:00 p.m. drawing.

The big event of the afternoon's picnic is the landing of a hot air balloon on the Lake Verona Beach. The balloon event is sponsored by the Avon Park Citrus Bank, First Federal Savings and Loan of Hardee Co., First Federal of Highlands Co. and Highlands County Bank of Avon Park.

The Recreation Department's fish dinner will include

hush puppies, grits and home cooked swamp cabbage. Proceeds from the fish dinner will be used for recreational equipment. Picnickers can either bring their own basket of goodies or avail themselves of a ready cooked fish dinner. Tickets are available at the Recreation Center or from committee members, at \$2.00 for adults and \$1.00 for children 12 and under.

The Bicentennial Committee

will be busy all year planning various programs, exhibits, and displays so if any group or person has any plans or ideas of the Patriotic Heritage of our Country, let the Committee know. Mrs. Leona Maxwell is chairman of the Avon Park Bicentennial Celebration Committee and many sub-committees will be formed to carry out plans. Won't you share just a couple hours on July 4th to start our year of July 4, 1975 to July 4, 1976 with a great boost????

Schools To Receive \$969,084

Highlands County schools will receive \$969,084 in state funds during the next fiscal year, to be used for capital outlay. They are the result of Amendment No. 1, which was given the nod by voters last November.

George Douglass, superintendent of schools, now the sum cannot be compared on the same basis as the \$502,000 received last year, as the state has changed its type of funding. He said legislature has done away with comprehensive school construction funds and has substituted the present system based on gross receipts.

When Floridians voted to include Kindergarten through 12 in funds formerly allotted to

junior colleges and universities, the state came up with a 60-40 formula; 60 per cent for K-12 and 40 per cent for schools of higher learning.

Douglass called the measure an indication that the state intends to take over full control of school building programs.

He noted that on July 8 the state holds a bond issue sale in which Highlands schools will participate. The local system expects to realize \$2,029,000 from the sale, to be used for construction of the Lake Placid High School.

An approximate balance of \$1,900,000 from old SBE accounts is earmarked for the construction of the Sebring and Avon Park middle schools.

With final plans for the Lake Placid school approved at a

special meeting Tuesday, bids will be accepted July 29 at 7:30 p.m. and, after study, let in mid-August.

In answer to recent comments about the lack of air conditioning in the SBE and Avon Park gyms, Douglass said that at the time the schools were built finances were tight and the school board had to economize where it could. He does not feel the project rates a top priority.

However, he said that 180 more students are projected for Sebring High School, calling for a 19,780 square foot addition to the building. At the time the work is done, the superintendent feels it would be logical to air condition the gym as an addendum to the project.

had left in a bank account. In February, 1972, the Chamber petitioned the Board of County Commissioners to act on the need for a county building in Avon Park for voter registration, health depart-

ment units, sale of license tags, driver's examinations and other county business.

A site committee composed of Anna Belle Worden, Malcolm Crews and John Morris submitted the youth center property for county approval. The property was offered to the county for \$6,000 approved by the county commission.

Mrs. Townsend has worked with the attorney to clear the property for sale and last week the proceeds with expense of sale deducted was delivered to the chamber.

The county appointed a building committee which is working on building plans to be presented for county approval. The committee members include Kelly Phillips, Gordon Hayes, Anna Belle Worden, Bob Dunty and Charles Cullen.

Mrs. King said this is just one example where the chamber works diligently on projects which takes considerable time to complete and improves the community.

A county building here in the community will be a great benefit to Avon Park residents," she said.

Youth Center Funds To Be Channeled Through The City

A check for \$5,975.40 representing proceeds from the sale of property on South Lake Avenue was formally turned over to the city by the Avon Park Chamber of Commerce.

The property was owned by the now defunct Avon Park Youth Development Association and was once intended to be a youth center for various youth activities.

Present at the chamber office for the exchange of the funds were Mrs. John Townsend, president of the inactive youth association, Mrs. Mary Lee King, president of the chamber, and Wendell W. "Winkie" Williams, president of the Avon Park City Council.

The funds will be used in the city's youth recreation activities by the city council.

Mrs. Townsend was the founder of the youth association which was formed to provide a youth center but general interest in the project waned and the association became inactive almost 10 years ago.

The property on South Lake was purchased with money collected from Avon Park

people but was deemed to be legal technicalities.

A check for \$852.50 was turned over to the city by Mrs. Townsend Tuesday which was the amount the organization

Main Street Traffic Lights On The Blink

Flashing yellow caution and red lights on the Main St. Lake Ave. intersection traffic signals are the result of the failure of a solid state module in the \$11,000 Department of Transportation traffic light installation at the downtown intersection in Avon Park.

The east-west lights for Main St. have the flashing yellow lights indicating the motorist should proceed through the intersection with caution. While the north-south lights on Lake Ave. flash red, warning

the driver to stop then drive with caution through the double intersection.

This situation will last about a week stated Fire Chief Mack Flowers who handles the repair and maintenance of the city's traffic light.

The solid state Crouse-Hinds control unit which costs about \$500 is the only one in the area and had to be returned to the factory in Jacksonville for repairs. The old traffic signals at this intersection cost about \$350 and could be repaired locally.

YOUTH RECREATION programs by the city gets a boost from proceeds from the sale of property located on South Lake to the Highlands County by the now defunct Avon Park Youth Center Development Association. Deed to the property was held by the Avon Park Chamber of Commerce. Winding up technicalities in transfer of the property and proceeds from the sale, Mrs.

John Townsend, president of the inactive youth center development group, left, and Mrs. Mary Lee King, chamber president, right, formally present a check for \$5,975.40 representing the proceeds, to the city. Accepting for the city is Wendell W. "Winkie" Williams, president of the Avon Park City Council. Photo—Gobbie.

Address Required For Tags

Something new has been added to the acquisition of license tags. When Highlands County residents renew their tags this summer they will be asked their sex, their date of birth and a residential address in lieu of a post office box number.

Jimmy Whitehouse, Highlands County tag agent, said the questions are the result of a recently-passed measure in state legislature.

The information is a must for the Florida Division of Motor Vehicles to gear up for the birthmonth registration program next year. In case of joint ownership, date of birth of the person listed first on the registration application will determine the registration month.

Securing license tags in the birthmonth is expected to eliminate the long lines of buyers now experienced throughout the state during the 30-day renewal period that falls

Letters To The Editor

Asks For Toastmaster Club

Dear Mr. Editor:

It is with appreciation that I have read the articles on the Wordmasters of Gavel Club No. 16, APCI, and I wish to congratulate your staff writer Mrs. Norma Gobble for her fine presentation of our Seventh Anniversary Banquet.

What I am really writing about, is an entirely different matter. I wish to ask the business men of Avon Park why they do not have a Toastmaster Club in Avon Park, and just why they, the business men do not form a Toastmaster Club for their own benefit.

A Toastmaster Club is needed in Avon Park. A Toastmaster Club would be an asset to each business man in that it would bring in a fellowship type of organization, as well as a learning organization in the art of public speaking, thinking and listening. Each of these arts are used by each business man each and every day of his life. The question I would like to ask, yet, I am afraid that it would seem like blowing our

own horn, is that, if, the Toastmaster Program does wonders for the inmates of APCI, just think how much more success it would be for the average business man of Avon Park.

In my capacity of Educational Vice President and Community Contact Chairman of the Gavel Program here at APCI, it would be my pleasure to sit down with the business men of Avon Park and plan how to start a Toastmaster Club in Avon Park, and I wish to invite any of the several business men of the area to join with us at APCI any Tuesday evening at 8:15 p.m. to see how our program works.

Once again, I wish to express our thanks for your fine cooperation in the reporting of our Anniversary, and invite your reporters to attend any of our functions as well as our lecture trips to nearby colleges and high schools.

Thanks for a job well done.

M.C. "Mike" Burns Jr.

WARNING: POLLUTION—This sign was erected last Wednesday around the shores of Dinner Lake in Sebring for the third time in a short span of time giving vent to speculation that it may become a familiar part of the landscape. Could it become a familiar sight around Lake Isis? Avon Park Councilmen and engineers cannot guarantee it will not as

they plan a lift station for the new sewer system below the high water mark on Lake Isis. Avon Park Councilman Ed Touchton, left, and Lake Isis resident Ross Biggie survey the trench cut by raw sewage gushing out of a manhole and pouring into Dinner Lake. Photo—Gobble.

Continued From Page One

Lower Than A Snake

Dear Editor:

I think it is low down when someone steals, but when they steal from the little house for the Ridge Area Association for the Retarded at Pantry Pride, that is getting as low down as a snake.

I saw this and I told the police. I would like to know what was done. As I see it, it doesn't do any good to tell the police as there was nothing done to the two women who got the clothes.

Then they took the clothes to the dump and dumped them.

Name Withheld

By Request

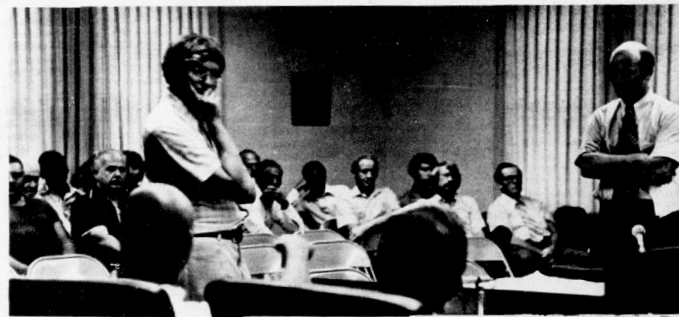

(EDITOR'S NOTE: We checked with Avon Park Police Grady Campbell and he said the complaint was checked out by his department and the women had another explanation about where they got the clothes. He said if complaint would sign a warrant and was prepared to prove the charges, the state's attorney's office would probably prosecute.)

Fire Department

Answers 21 Alarms

In an activity report Fire Chief Mack Flowers told the city council that the Avon Park Fire Department had handled the following alarms during May: Construction fires, five; grass or woods, nine;

automobile, five; rescue and ambulance, one and miscellaneous, one. Total alarms answered for the month were 21 with a fire loss of \$500 and a total fire loss for the year of \$18,750.

AVON PARK CITY councilmen have a question for Engineers Ken Baill (left) and Tom Kelly of Dawkins and Associates during Monday night's council meeting on the \$3.5

million sewer program which apparently will proceed after minor changes of plans are made near the lake pumping stations. Photo—Miller.

Sewer System

sewer lines could continue up the road instead of crossing behind houses and along the lake.

This would leave the lift station where it was originally planned. There is "a way to move it to another area but

there is no apparent advantage and a substantial increase in cost," Kelly said.

A lift station on Central would be about a \$25,000 increase and a forced main would be required for some 2,000 feet with deeper cuts required.

"It would cost roughly \$60,000 to \$50,000 more to get the lift station out of the lake depression," Kelly said. He repeated no sewage could flow out of the lift station.

He said the real problem is FHA's dim view of changes. "It's not easy to get these changes by them, he stated.

City Clerk Malcolm Crews pointed out, "We have had overflow at places in the present system."

Kelly emphasized that the system has "got to be done right, inspected and maintained. There is no foolproof sewer system."

Kelly also said he and representatives of the engineer firm would be back Monday

during Florida's hottest weather.

The staggered tag renewal program will not start until July 1, 1976, but the information must be secured this year for the state computer to preprint registration forms, Whitehouse explained.

Incidentally, for the next three years a vehicle owner will not receive a new license plate when he pays his renewal tax. Instead, he will be given a validation decal bearing the new year date. It is the responsibility of the vehicle operator to put this decal on the upper right corner of his current license plate.

Instructions come with the decal. The 1975 Legislature extended the life of the present tag from three to four years. Utilizing a plate for four years will save production cost of approximately \$500,000 annually.

It was emphasized that the new tag legislation also requires that registered

vehicle owners list a permanent street address if different from his mailing address.

This should help clear up problems encountered by law enforcement agencies seeking to locate suspected criminal violators.

For the first time in 13 years, tag and title service fees will be increased, going from 50 cents to \$1.

The new law also requires that first name, middle initial, last name, sex and date of birth be entered on title applications.

In other changes, the penalty for failing to file for a certificate of title upon transfer of a motor vehicle or trailer has been increased from \$1 to \$10. The legal transfer must be made within 10 days of purchase.

The Department of Motor Vehicles will not issue a certificate of title until the applicant has shown that all sales taxes due on the transfer have been paid, current motor

vehicle registration, and license plate number or alternative.

Registration for the 1976 tags runs from July 1 to Aug. 20. Whitehouse said the branch office in Lake Placid (The Creel Building) and Avon Park (Wells Motors) will be open for tag renewal only. Those seeking new tag purchases or title transfers must come to the main office in the Commerce Street annex, Sebring.

The county tag agent added that if possible residents should come in the middle of the 50-day period. Usually the first and last weeks are rushed resulting in long lines.

He added that people can avoid the lines entirely. "After the first week we will be happy to receive calls, give inquiries, exact amount owed and they can mail in their check for that sum."

With staggered registration starting next year, Whitehouse does not expect the great lineups of the past to be repeated.

You can't equate the value of Lake Isis with money. Is there a shadow of a doubt this great asset right here in Avon Park will never be polluted by raw sewage?

The lake is used and enjoyed by people all over Central Florida.

Those areas about with lakes. Yet the diving class comes to Lake Isis every year for diving. While, who has a masters degree in aquatic ecology from the University of Florida, said, "Lake Isis is the only lake in the entire Ridge Area suitable for diving."

"It is very clear with ideal diving conditions," he said. The Best Bottoms Diving Club which encompasses some 52 members from as far away as Arcadia and Palmdale regularly use Lake Isis.

Mrs. Dale Saceman, acting secretary of Best Bottoms, of Lake Placid, said, "Lake Isis is the clearest lake in Central Florida."

"It is the only lake we can have a checkout course anywhere near." The checkout course is required by the diving club for new members before they can dive with the club in such places as the Bahamas.

A "fail-safe" system in Sebring failed, whatever the reason, and spilled raw sewage into Dinner Lake and caused contamination from 25 to 25 times the ordinary dangerous bacteria level, Howard Short, state health department

sanitarian, said. Short said Dinner Lake would not be free of dangerous bacteria for some eight weeks. Meanwhile the lake is off limits for recreation.

"Once the damage has been done to the lake, there is no way of reversing it," Short said. "Although the bacteria count will drop through dilution over a lengthy period, the solid waste matter will remain on the lake bottom."

The matter will serve as a fertilizer encouraging the growth of hydrilla and other aquatic plants which choke many Central Florida lakes.

Becker

Promoted

By Eckerd

Clearwater, Fla., Robert N. (Bob) Becker, a 12-year Eckerd employee, today was appointed director of advertising, Jack Eckerd Drug Co.

In announcing Becker's promotion, Jack Eckerd Corp. president Stewart Turley said: "Bob has had a key role in our company's advertising and promotion programs since he joined Eckerd's in 1963 as a layout artist and copy writer. He's an example of an employee who has grown with the company as its operations spread from Florida into eight other states. His expertise will continue to be a valuable part of our company's commitment to growth."

Becker has been corporate advertising manager since 1971.

In his new post, Becker will direct the company's overall advertising program, coordinating it with merchandising, marketing and sales efforts.

Becker began a career in advertising when he joined the advertising department of the Tampa Tribune after college. Educated at Florida Southern College and the University of Florida, he is a native of Hyde Park, N.Y. He has lived in the Tampa Bay area most of his life and is a graduate of Hillsborough High School in Tampa.

Becker and his wife, the former Gaye Taylor of Tampa, reside in Clearwater with their son, Neil, and their two daughters, Kelly and Brooke.

Turkey

Talk

BY NORMA GOBBLE

A letter to the editor in this issue of the SUN challenges the business men of Avon Park to start a Toastmasters Club in Avon Park. Mike Burns, educational vice president and community contact chairman of Wordmasters Gavel Club 16 at Avon Park Correctional Institution has offered his assistance in getting such a club started.

Toastmasters is not simply a social club, although that is an important by product. A Toastmasters organization would be an asset to men and women in all vocations. It is a learning organization in the art of public speaking, thinking and listening and those who have learned so much from it recommend Toastmasters highly.

I, for one, would love to see a Toastmasters Club started in Avon Park and if anyone else is interested, I would do all I possibly could to help get such a program underway.

I have worked on programs in the past which were new to the community which are now successful ongoing organizations.

With articles on the subject, I roused the interest of a few people and we started the Sequoyah County Arts and Humanities Council in Sequoyah County, Okla. They have a great schedule of cultural activities going throughout the year with in-terests for all ages and a variety of art programs, music and many worthwhile projects.

One man saw the need for an Auxiliary Police unit and came

to me with the idea and a few of us got together and formed such a unit under the auspices of the Civil Defense. A completely voluntary organization, they are a great help in law enforcement, rescue operations and a very important part of many community affairs in Sequoyah County.

A Toastmasters Club could be started very easily with the interest of a few people. And if anyone is interested, call me at 433-4355, 433-4351 or 452-2305 and we'll get it going.

There are many Toastmasters Clubs and members who would help with a local project. It is an international organization and members moving to another area could join a chapter almost anywhere.

I spoke to Frank Spangler, past international president of Toastmasters International who lives in Lake Placid, and he said he would be happy to work with a local group.

The nearest Toastmasters chapter is in Winter Haven. In order to be chartered it would be necessary to have 20 original members. A chapter here could include residents of Sebring and Lake Placid. And we could easily have that many to start a chapter.

So how about it? Those of you who are interested, call me today. Let's get a Toastmasters Club started here. It would be an asset to the community as well as a great benefit to all participating individuals.

County School Board To Borrow \$270,000

A drop in state funds is driving the Highlands County School board to the money lenders. More than a quarter of a million dollars needed to patch the gap between anticipated receipts and actual expenditures Superintendent George F. Douglass said Tuesday.

In a special session Tuesday the county board gave authorization Douglass's recommendation to borrow up to \$270,000 for 5 months. Douglass told the board that the biggest chunk of the loan \$166,963 — will be needed to meet commitments for employment benefits such as Social Security and retirement fund contributions.

Employment insurance payments, payable July 1, total \$18,432.

The board has purchase orders for \$34,500 outstanding. These include food services bills. The state currently owes the county \$46,106 on a food service reimbursement, but that money will not come to the county prior to the closing of the fiscal year, Douglass said.

The county board is also due \$38,000 from state license taxes and driver education funds. The county's debts include a carry over amount of \$26,000 for several air conditioning projects and architects' fees still under construction. Highlands owes Okeechobee County \$24,000 for 32 county students attending Okeechobee schools.

Douglass said that state funds which will be forthcoming, could be added to an anticipated balance of \$74,250 to come up with overall deficit of \$146,356.

He said approaching the board's financial needs in this

way "would probably not be advisable at this time." The local school board finds itself in its present bind because state payments to Highlands schools have fallen below budgeted levels.

The 1974-75 budget had projected state payment at \$4,566,250. When the rate of enrollment growth was lower than anticipated, state payments were \$668,279 under the projection.

A part of the difference could be made up by higher-than-anticipated county income. The original estimate from county taxes had been \$2,682,238 and the bills actually came out \$370,109 more than that.

However, the income from excess receipts from county taxes is lagging. The board had budgeted \$150,000 from excess receipts (largely the penalties on late payment of county taxes).

County tax payments lagged this year, but collections of late payments and penalties have flown too, so it now appears that only \$60,000 will be income from this source.

As of June 24 the district school balance stood at \$702,625. Teacher payroll needs were listed at \$716,287. End of the month payrolls for all employees will need \$100,000.

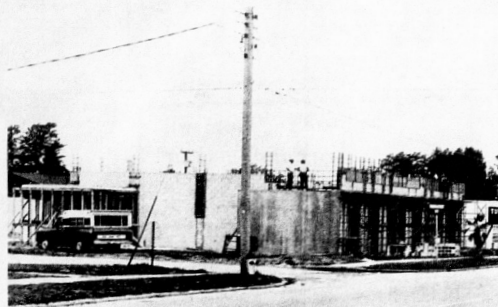

A certificate of deposit, due on June 25, would provide income of \$10,200; a federal reimbursement would bring in \$14,000, transfer from debt service, \$95,321.

Even if the tax collector's anticipated distribution of \$70,000 did not come through, the county school fund could wind up with a thin margin of a little more than \$4,000.

The problem area is the state receipts. The difference between the \$4.5 million anticipated and the \$3.8 paid cannot be made up by the higher county tax bills.

Delays in the 1974 tax roll collection resulted in the school board's having to borrow \$400,000. Interest on that loan amounted to \$2,416, Douglass reported.

(Loan to go for bid today — 6-23-75. Probably no information on interest before press time.)

Winners Of Special Olympics Announced

Highlands County participants won seven gold medals and the first banner trophy ever awarded at Florida Special Olympics' state competition in Gainesville, Saturday, June 21. Fifteen young people from Avon Park, Sebring and Lake Placid entered the track and field events and bowling contests.

Avon Park winners were Annie Boone, first-50 yard dash and second-tag o' war; Vivian Stevenson, first 220 yard and second-tag o' war; Johnnie Wooden, second 220 yard run; Toby Godfrey, third-softball throw and second-tag o' war; Debbie Gallimore, first-bowling. Participation medals were awarded Vivian Canine for softball throw and 220 yard run; Greg McCullers, third 440 yard run; Ina Sue Culberson, first and Janet Mood, second for bowling.

Lake Placid winners were Bobby Byrd, first-softball throw; Emmie Douglas, second-50 yard dash and tug o' war; Colleen Bean, par-

ticipation medal for softball throw and 50 yard dash.

A total of seven gold medals, eight silver, two bronze and three participation medals were won by the Highlands county delegation.

Special Olympics opening ceremonies for 2300 contestants from all but one Florida county took place at Florida Field with the traditional lighting of the Flame of the Olympics, recognition of the program by local, state and national dignitaries.

Three bands played as the participants paraded the field for the judging of banners made by local Junior Women's clubs as part of their sponsorship of Special Olympics. Highlands county banner designed and made by Sebring Junior Women was carried high by young contestants from Ridge Area ARC's Work Center, to win first place, in the first competition.

Avon Park and Lake Placid Junior Women were major sponsors of the entries having contributed registration fees for 22 of the 641 original 1975 county competitors.

Special activities for competitors, sponsors and chaperones were part of the

weekend schedule and included demonstrations and clinics in swimming, bowling, floor hockey, basketball, gymnastics, parachute play, cageball, scopolball and trampolines. A watermelon feed, variety show with magicians and ventriloquists entertained the students between contests. Special Olympics closed with a victory dance in the Florida gym.

Highlands county people made the trip by Ridge Area ARC bus and private car Friday. They were housed and fed in University of Florida dormitories and all events were held at University facilities. Accompanying the group were Mrs. Lorraine Howard, county coordinator, Miss Susan James, Miss Barbara Canfield, Mrs. G. F. Ward, James Daniels and Joe Stephenson, Executive Director, Ridge Area ARC.

Tax Rolls To Be Late

Highlands County tax roll will be late again this year, but the county officials are hoping for only a short delay this time.

J. W. "Billy" Martin, county appraiser (formerly known as tax assessor), returned from a conference with state Department of Revenue officials in Tallahassee, to report that he is seeking a 30-day extension for preparation of the 1975 tax roll.

Martin, contacted by The Sun, late Tuesday, said he would need to check plans with Bob Lucas, project supervisor for the reappraisal program now underway, however, it does appear that a 30-day

extension would be enough time to permit completion of the countywide project.

County taxing agencies are in the midst of budget preparations now. First deadline comes for the school board which operates on a July 1 — June 30 fiscal year.

School Superintendent George F. Douglass said he does not plan to submit a final budget until the tax roll work is complete. Earl Rich, clerk for the board of county commissioners, said he has asked the commission to proceed with its budget work, which includes a major work session on July 1. "We are still in the process of looking at requests for expenditures, studying budget needs," Rich said Wednesday.

He said the board has a lot of work to do on that side of the budget before it gets to receipts. The county's fiscal year begins on Oct. 1.

Highlands General Hospital board has already had major budget sessions and news that the tax roll may be late was greeted with cries of distress. Finance officer Juan Sanchez said he is proceeding on the assumption that income from the hospital tax district will be about the same as in the 1974-75 year. He has the machinery all lined up for advertising for a tax increase, just in case changes in the roll force a change in the levy.

Martin said that while in Tallahassee he had conferences about the budget he had submitted for the operation of the appraiser's office. He said the budget will be down from the current year "when we've had so much extra expense because of the reappraisal," Martin said.

He said the state had been critical of his conservative approach to the financing of his office. His next budget will reflect changes which had been recommended by state officials.

"We have some trained people on staff now that we hope to retain," Martin said.

Inspector Under Fire For Building Interpretation

Harangued by contractors who accused him of harassment and deserted by city councilmen Avon Park City Building Inspector E. W. Ellerbee stood alone at the Monday night city council meeting.

Standing alone near the center of the council chamber Ellerbee was the only person who stood between the Avon Park Public, protecting their interests, and the council members that ganged up with contractors in their accusations and trying to shake him from his going by the book or the city code in the issuing of permits.

The crux of the situation appeared to center around First Federal Savings and Loan Association of Hardee asking for a permit to finish construction of leased space in the Avon Square Shopping Center, but they do not hold a general contractors license to do such construction work.

First Federal expected to employ Bob Herman to finish the construction but Herman only holds a residential contractor's license and legally cannot work on a commercial building. Herman's contention was that he sells building materials, therefore, was legally entitled to finish the leased space using these materials.

Another interpretation of the law is that building materials are permanently attached to the structure and cannot be moved out in the same manner as an appliance such as a refrigerator or an electric range.

Letters were exchanged between attorneys for First Federal and Jack Hancock, City Attorney. However, somewhere along the line communications appeared to have broken down. One councilman stated he was not talking about bending the law, but just accommodating the public. But who is the public — one, two, a half dozen contractors or the citizens of Avon Park?

Council President Wendell Williams requested comments from Attorney Hancock who stated the proper method of appeal from action or inaction of the building official was to the Board of Adjustment, but council did not suggest this course of action to either First Federal representatives or contractors.

Councilman Robert Britt stated he thought Inspector Ellerbee was doing his job by following the book. Britt told of meetings with Council President Williams, the Competency Board and the State Building Department representative who told him Ellerbee was right in his interpretation of the law.

Ironically while Inspector Ellerbee was being accused by contractors of harassment, Ernest Waninger, general contractor who holds the contract for building the entire Avon Square Shopping Center stated that Ellerbee was right by the book. However, he (Waninger) agreed with Robert Palmer, electrician, about local feeling for getting the work done.

At no time during the warm discussion of building permits did anyone bother to ask Inspector Ellerbee if or any harassment had been directed at him in the fulfilling of his duties of protecting the interests of the citizens of Avon Park.

City Attorney Hancock pointed out that Inspector Ellerbee goes by the law. If the city council expects him to interpret the law and make adjustments in the individual contractors they are placing him and the city in an impossible legal position. In his (Hancock's) opinion the law prohibits shopping center owner or lessee from letting sub-contractors to do the construction work.

In a final statement Ernest Waninger said that as the general contractor of the Avon Square Shopping Center he is personally responsible for the finishing of the small stores in the shopping center.

It was suggested by Council President Williams that he, First Federal representatives and their contractor meet in Inspector Ellerbee's office between 8:00 and 8:30 a.m. Tuesday morning to iron out any difficulties about the issuing of permits.

Council President Williams and Councilman Robert Britt were at the office at 8:00 a.m. but because of other business they left about 8:45 a.m. when neither the First Federal representative or the contractor showed up.

It's Time To Say Happy BIRTHDAY

We wish a "Happy Birthday" to the following people who will be celebrating their birthdays this coming week:

June 26 - Mrs. W. C. Touchton, Florence Trescott, Doris Hadnot, O. C. Stephens Jr., Walter Sims Sr., Mrs. H. B. Meyers.

June 27 - Lu Anne Johnston, Rick Rich, Melinda Prevatt, Pauline Smith, Frank Foote, Mrs. Elsie Oen, Mrs. J. M. O'Hern, Beverly Townsel.

June 28 - Mrs. Larry Albright, Lawrence Gwyneth, Herbert Leslie Watson, Weslie Watson.

June 29 - Ed Carter, Donald Farrens, Henry T. Williams, Joan Barnes, Teresa Houder, Penny Prevatt, Larry McClellan.

June 30 - Sammy Henderson, Bruce Strenth, Audrey Hendricks, Julie Ann Schaefer, Fred Cantrill, Mrs. Rowena Charville.

July 1 - Mary Linda Derkman, Eleanor Trescott, Steve Strenth.

July 2 - Carol Palsgrove. This is your birthday list, it is equally important that we be informed on a timely basis of any deletions which should be made because of death or other reasons. Your help in this will be greatly appreciated.

Town Topics

Mr. and Mrs. B. F. Camp Jr. and daughters Laura and Lynn have just returned from their vacation. They toured New Orleans, La., then on to Mobile, Ala. They also stopped for a short visit in Panama City, on their way back to good old Avon Park they stopped in Tallahassee to see where and what apartments are available since Lynn will be attending Florida State University this year.

Mr. and Mrs. George Haynie spent eight days in Hartford, Ala. visiting with friends and relatives. They stated they had a wonderful time but the best thing of the whole trip was getting back home. Remember the old saying, "There's No Place Like Home".

Mr. and Mrs. Mervin Rehner and daughter Laurie attended the wedding of Dr. and Mrs. Richard P. Henrick's daughter Kristi this past weekend in Orange City. Dr. and Mrs. Henrick are former residents of Avon Park.

Registration now open for Studio 1 summer session in ballet and acrobatics. Classes began June 30-July 11, 453-4735.

Arthur Richter Receives 50th Year Mason Pin

Arthur R. Richter received his 50 year pin as a member of the Masonic Fraternity from Worshipful Brother Melvin Bean, Secretary and Past Master of Poinciana Lodge 227 last Monday evening, June 16. Brother Richter is the pianist for the Poinciana Lodge No. 227 of Avon Park and originally hails from Old Glory Lodge No. 647 in Brooklyn, N.Y.

American Legion

Legion Installation

Joint officers meeting of the American Legion and Auxiliary from Avon Park and Sebring will be held at the Legion Home on West Bell St. Saturday, June 28.

A covered dish supper will be served at 6:30 p.m. Installation of officers will follow.

Please bring covered dish and table service. Legion furnishes the meat.

The public is invited to attend.

WINDOW BROKEN
A window in the Western Auto store's gas storage, on S. Highlands Ave., was reported broken. The report was made on June 17.

A JOINT SHOWER was held last Tuesday evening, June 17, for Patti Turnbull, bride-elect of Clark Jackson, and Sarah McClure, bride-elect of Stephen Coltharp III. Photo-Cornell.

Joint Shower Honors Sarah McClure And Patti Turnbull

On June 17, Patti Turnbull, bride-elect of Clark Jackson, and Sarah McClure, bride-elect of Stephen Coltharp III, were honored in a joint linen shower at the home of Mrs. Betty Barber.

The living room was decorated with a variety of roses. The guests were served coffee, cakes, butter mints and individual chifon pies.

Patti and Sarah were presented blue carnation corsages.

The hostesses Mrs. Glenn Sizemore, Mrs. Roger Garganus, Mrs. Ronald Sizemore and Mrs. Gary Bennett presented the bride-elects with towel sets.

Bridesmaid Luncheon Honors Patti

A bridesmaid luncheon honoring Patti Turnbull, bride-elect of Clark Jackson, was held at the Steak Out Restaurant on June 21st at 11:30 a.m.

The tables arranged in a T were covered with white linen tablecloths with floral arrangements of spring flowers and candelabra. The bridesbook, on a table covered with a pink cloth and a lovely pink parasol centerpiece, was signed by the guests as they arrived.

After a delicious meal was served, Patti gave gifts to her bridesmaids.

The hostesses were Mrs. Joe Franza, Mrs. Kelly McClure, Mrs. Herbel Massey and Mrs. Vernon Lanier.

Guests attending were the bride's grandmother, Mrs. R. H. Lawson, her mother, Mrs. Jim Turnbull, the groom's mother, Mrs. D. L. Jackson, and bridesmaids Janice, Margaret, and Nancy Turnbull, Sheila Jackson, Susie Franza, and Sarah McClure.

Lions Slate

Banquet

William "Bill" VanDuser, district governor of the Lions Club, of Fort Myers Beach, will be the special guest at the Avon Park Lions Club's annual banquet Tuesday, July 1 at 7 p.m. at the Lions Clubhouse on Bell Street.

Highlights of the event will be installation of new officers and awards presentation.

LINDA VARNES, BRIDE-ELECT of Danny Sims, was honored with a shower June 10. Standing with the bride-to-be after she had

opened her many gifts is her mother Mrs. Alma Varnes (left) and the groom-elect's mother Mrs. Maurine Sims (right).

Linda Varnes Honored With Bridal Shower

Linda Gail Varnes, bride-elect of Danny Sims, was honored with a miscellaneous shower at the Florida Power Lounge, June 10.

The serving table was decorated with spring flowers and fern. The cake baked by Linda's aunt, Jo Reynolds, was decorated with white and purple icing and a dove adorned the top.

Hostesses Mrs. Jo Reynolds, Mrs. Leverage Patterson, Mrs. Frances Banton and Katie Baucum presented the bride-to-be with an iron.

Julie Filippula And James Gallimore Exchange Vows

The marriage of Julia Ann Filippula and James Paul Gallimore was solemnized at 7:30 p.m. Friday, June 13th in the Avon Park Church of the Nazarene. Julia is the daughter of Mr. and Mrs. Kenneth Filippula and James (Butch) is the son of Mr. and Mrs. Donald Gallimore.

The double-ring ceremony was performed by the Rev. Bryon Shortinghouse before a large varicolored floral arrangement and lighted candelabra, palms, ferns and kneeling bench.

The pre-nuptial music was furnished by the Young Highlanders. The Young Highlanders were under the direction of Mrs. Evelyn Jones and accompanied by Miss Chrissy Jones who also played the traditional processional and recessional for the bride party. A flute trio also was featured during the pre-nuptial music consisting of Tracy Southerland, Tami Cason, and Donna Langston.

Given in marriage by her father, Julia wore a floor length gown of white polyester organza over a fitted bodice and high neckline featuring French lace motifs with seed pearls. Her long sheer sleeves were banded with matching motifs, which were also placed on the gown skirt. The triple tiered veil, edged in lace, formed her chapel train which was held in place by a cup of French lace and motifs and seed pearls matching her gown.

Julia carried the white bride's Bible which her father had given her mother to carry for her wedding. On the Bible the bride carried, a cattail orchid, was encircled with daisies, stephanotis and ivy. She also carried two roses. One rose was presented to her mother during the processional and the other was presented to the groom's mother during the recessional. She also gave each mother a kiss.

For something old Julia wore a great-great grandmother Holmes' gold earrings which came from England over 150 years ago. She carried a handkerchief which had been hand crocheted by her late great-grandmother Wildblood. She had a lucky penny in her shoe and her garter was "something blue."

Mrs. Yvonne Germaine attended the bride as matron of honor. Her floor length gown of lemonade yellow quiana featured a very full skirt and cape sleeves. She wore a yellow picture hat and carried a nosegay of mixed color carnations and baby's breath.

The five bridesmaids wearing identically designed gowns in crystal mint green were: Susan Filippula, cousin of the bride of East Liverpool, Ohio; Janet Filippula, sister of the bride; Julie Gallimore, sister of the groom; Darlene Jones and Mrs. Jill Culpepper, all of Avon Park. They carried identical nosegay floral arrangements as that of the matron of honor.

The flower girls, dressed in

the same style and color as the bridesmaids and wearing picture hats, were Lisa Hicks and Charlotte Scott. They each carried miniature baskets of rose petals.

Nick Fells served as best man. Groomsman were: Kent Filippula, brother of the bride; Joe Gallimore, brother of the groom; Ray Culpepper, all of Avon Park; Jim Reed and Fred Jones of Sebring.

The ringbearer, Dale Reed, carried a heart shaped pillow holding both rings. Dean Filippula, younger brother of the bride, lighted the two candelabra holding the tapers.

The mother of the bride was attired in a full length quiana apricot floral print gown featuring the cape sleeves and collar. Her corsage was a white cymbidium orchid.

The groom's mother wore a full length quiana gown featuring the cape sleeves and collar. Her corsage was a white cymbidium orchid.

The bride's grandmother wore a floor length crepe gown of champagne with gold thread accented bodice. Her corsage was of pink carnations.

Immediately following the ceremony an open reception was held at the Florida Power Lounge. The bride's mother made the five tier wedding cake which featured a stairway with six miniature bridesmaids with their colors of green and yellow dresses ascending from the 5th to the 4th tier. The top ornament was a bride couple under an arch and sugar-coated bell. The cake was placed on a round table covered with a lace trimmed cloth and bridal bouquet, before a lattice with greenery.

The groom's cake, also made by the bride's mother, was a three layer chocolate heart shaped cake. It was decorated with two gold wedding bands and doves and was inscribed "Julie and Butch".

The bride made Mexican wedding cookies which were served with dainty sandwiches, nuts, mints, punch and coffee.

Overseeing the serving was Mrs. Doris Gentry, assisted by Mrs. Neil Roberts. The servers were: Selinda Todd, Beth Ferguson, Chris Thompson, Patti Conner, and Cindy Gentry.

India Kangatar was in charge of the guest book. Petite brides inscribed "Julie and Butch, June 13, 1975" holding pieces of wedding cake and doves and then invited guests to take home.

For traveling the bride wore a beige knee length skirt of calcutta cloth with multicolored brown lace blouse and wooden wigwam belt. She wore her bridal orchid. After a brief wedding trip to Daytona Beach, the bride and groom left for Colorado Springs, Colorado.

Butch is a PFC in the Infantry Division of the U.S. Army stationed at Ft. Carson. Their new home address will be: 1114 Forest Road, Colorado Springs, Colorado, 80906.

Julie is a 1973 graduate of Avon Park High School and received a nurse's aide certificate from South Florida Junior College Vocational School. Butch is a 1973

Robinson-Roth

Wedding July 6

Friends are invited to the wedding of Lydia Ann "Susie" Robinson to Tech. Sgt. James J. Roth, July 6 at 2 p.m. at the First United Methodist Church, and to the reception following at the Elks Club.

Susie is the daughter of Mrs. Chris Haeg of Sebring and Richard A. Robinson of Avon Park. Her fiancé is the son of Mr. and Mrs. Joseph J. Roth of Latrobe, Pa.

The couple plan a July wedding.

Leland's Honored At Party

The Leland's have made their home in Avon Park for the past year where he has been serving as the Minister of Education for the First Baptist Church. They will be leaving Avon Park on Thursday, June 26, on their way to Louisville, Ky. where he will be re-entering the Baptist Seminary to finish his degree in Religious Education.

As the guests arrived for the party, attired in their craziest costumes (of which they came prepared to get wet) a candid snapshot was taken to be placed in a memory album for the "Avon Park Memory Chest", a handcrafted mahogany chest made especially for the Leland's by Kenny Long.

Each couple also brought a small memento to be placed in the "memory chest" that would remind Tom and Sharon of each one.

A delicious "covered dish banquet" was enjoyed by the 42 guests sitting around on the floor "Ho Ho Ho" fashion. They then moved the party out to the pool area, some voluntary and some involuntary. A good wet time was had by all as they

were dunked and did the dunking.

The party then broke up shortly after 10 p.m. when Kenny Long and Joe Strickler, head coach of the Avon Park Red Devils both went into the pool involuntarily together.

Kenny's arm didn't quite clear the pool deck on the way down, so he and his wife Freda, assigned to Walker Memorial Hospital with their chauffeur Kenneth Wells, where Kenny ended up spending the night so his left arm could be put back in joint on Sunday morning.

As he was getting ready to be discharged Sunday afternoon, he was visited by Tom and Sharon Leland after Tom had just taken Sharon to the emergency room to have her foot X-rayed after what she thought was just a bruise the night before turned out to be a fractured foot from one of her unscheduled trips into the pool.

Even as Kenny and Sharon were seen about town, he in his arm sling, and she in her foot cast, they along with the other guests will enjoy what a fun time was had by all. One, respectively two of them will not soon forget.

Obituaries

Estelle Peek

Homer Pence

Estelle Emma Peek, age 84, died June 19, in Walker Memorial Hospital.

She was a native of Georgia and came to Avon Park 19 years ago from Moultrie, Ga. She was a member of the Baptist Church.

Survivors include one daughter, Mrs. Catherine Noble of Avon Park, one son, W. L. Peek of Avon Park and one brother, T. A. Pannell of Moultrie, Ga.

Services were held at Stephens-Smith Chapel on Saturday, June 21 at 2 p.m. with the Rev. Aden Childress officiating. Burial in Bougainville Cemetery.

Stephens-Smith Funeral Home in charge of arrangements.

Homer L. Pence, 73, died June 23 in Highlands General Hospital.

A native of Pennsylvania, he came to Highlands County in 1967 from Jackson, Mich., where he was a tool and die maker. He lived at 2451 SR 17, Avon Park.

Mr. Pence is survived by his wife Audrey, Avon Park, two daughters, three brothers, three grandchildren and one great grandchild.

Funeral services were held June 24 at the Warren Funeral Home, officiated by the Rev. Joe Benson of the Church of the Nazarene. Cremation followed.

Warren Funeral Home was in charge of arrangements.

Men In The Service

Gary Young

Sgt. J.T. Arnold

David Hamm

Richard Spurlock

A native of Avon Park has entered the Air Force's Delayed Enlistment Program (DEP).

Gary E. Young, son of Mr. and Mrs. Adaleen Young, of Route 1 will depart for active duty on Sept. 15. However, he has already begun accruing time in the military for pay purposes as a member of the DEP.

The local youth scored well on a series of tests which qualified him to enter the law enforcement field of training.

A 1973 graduate of Avon Park High School, he was enlisted in the Air Force by Sergeant Gutzler of the Sebring Recruiting Office located at 101 S. Circle.

Five Receive

Bride Bibles

A Recognition Service for all the youth mission organizations was held at the First Baptist Church last Sunday evening, June 22.

About 40 young people between First and Tenth grades were recognized for their work during the past year.

Also five Bride Bibles were presented to the young ladies of the church who are to be married this summer. They were: Rebecca Bass, Nedda Streeth, Gail Metheny, Sarah McClure and Patti Turnbull.

A reception was held immediately following the service in the social hall.

On display were posters, notebooks, clothes and toys which were made by the young people.

Chiles Requests

Hearing On

Social Security

Sen. Lawton Chiles criticized the Social Security Administration for allowing the medicare program in Florida to "sink to deplorable levels."

"When we say a quarter of a million people are late in getting their medicare checks we're not talking about some faceless statistic," Chiles said during Senate hearings this month.

"We're talking about real people. People who have a need to be reimbursed for medical payments and people who in many cases will go hungry until they receive that check."

Chiles made his comments after testimony before his Subcommittee on Federal Spending and Efficiency revealed that the error rate for claims processing by Blue Shield — the Florida medicare insurance carrier — was among the highest of all carriers (in the nation).

Chiles requested the hearings after he found medicare and social security complaints reaching his office had increased by more than 500 per cent since 1971.

The General Accounting Office (GAO) reported that Florida Blue Shield had a very high employee turnover rate, generally paid low wages to employees who process medicare claims, and, during 1974, took more than 60 days to process claims from 238,613 persons and 90 days to process claims from 103,766 persons.

"Those findings reflect that the Social Security Administration has been watching the situation as closely as it should and perhaps that Congress has been remiss in its responsibilities."

"I believe Blue Shield in Florida is making an effort to improve the situation but intend to watch it closely," Chiles said.

Marine Sergeant Jesse T. Arnold, son of Mr. and Mrs. Willie B. Arnold of 1114 W. Pleasant St., Avon Park, has reported for duty with the 3rd Marine Division on Okinawa.

A 1970 graduate of Hialeah High School, Hialeah, Fla., he joined the Marine Corps in March 1970.

Sgt. Arnold was promoted to Staff Sergeant in April. His wife, Sue and their two year old son Gary are living at the present time with her parents in Flint, Mich.

VEHICLE STOLEN

A motor vehicle belonging to Mel Thomas of Sebring was reported stolen June 15. The vehicle was parked at the bowling lanes, off U.S. 27, at the time of the theft.

A native of Avon Park has entered the Air Force's Delayed Enlistment Program (DEP).

David L. Hamm, son of Mr. and Mrs. Charles Hamm of 8 A.P.C.I., will depart for active duty on October 16. However, he has already begun accruing time in the military for pay purposes as a member of the DEP.

The local youth scored well on a series of aptitude tests and qualified for entry into the Air Crew Life Support field of training.

A 1973 graduate of Avon Park High School, he was a member of the cross country team.

Airman Hamm was enlisted into the Air Force by Sergeant Ray Gutzler of the Sebring Recruiting Office.

A native of Avon Park has entered the Air Force's Delayed Enlistment Program (DEP).

Richard Irwin Spurlock, son of Mr. and Mrs. Murry Spurlock, will depart for active duty on October 15. However, he has already begun accruing time in the military for pay purposes as a member of the DEP.

The local youth scored well on a series of aptitude tests and qualified for entry into the aircrew life support field of training.

A 1973 graduate of Avon Park High School, he was a member of the cross country team.

Airman Spurlock was enlisted into the Air Force by Sergeant Ray Gutzler of the Sebring Recruiting Office.

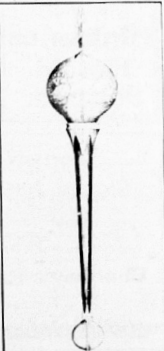

Carmichael Receives Degree

It was a proud and happy Carmichael family that watched Patrick Reid Carmichael of Avon Park receive his Doctor of Medicine Degree as a member of the class of 24 students graduating at 12 noon, June 14, 1975 from the College of Medicine, University of South Florida, Tampa.

The Honorable Sam Gibbons, United States Representative delivered the Commencement address.

Dr. Patrick R. Carmichael, at 24 years of age, joins his father Dr. Grant P. Carmichael Sr. and brother Dr. Grant P. Carmichael Jr. age 23 in the field of medicine. A brother Tom is a junior in Business Administration at the University of South Florida and his two sisters, Laura and Mary are enrolled in the Avon Park school system. His mother, Mrs. Carmichael needs only two quarters of electives to obtain her bachelor's degree in Business Administration.

As a new doctor Patrick will intern as a resident at the Alachua General Hospital on

the University of Florida Campus at Gainesville.

As a part of the Commencement exercises a Mace was used to symbolize authority. The idea for a suitable ceremonial Mace was developed by charter faculty members.

Prime requisites were the location and acquisition of a piece of wood of genuine significance in the history of medicine in Florida.

Logically, the search began at St. Augustine, where the Spanish, under Governor Gonzalo Mendez de Canzo, built the first hospital in North America in 1598.

A massive oak beam was procured, which could be traced from the period 1763-1784, when the English used old Spanish hospital buildings during recurring epidemics of yellow fever.

The rectangular beam measured five feet, four inches in length, nine inches in diameter, and weighed 157 pounds. When examined by two-dimensional X-ray, several thick, square, hand-forged iron nails, with heads rusted off, were found imbedded in the wood, and were removed. It was then sawed longitudinally into four parts, the best of which was reserved for the Mace.

The absolute clarity of the grain, and the nature and size of its iron and dottle fittings, led wood experts in Tampa to conclude that the beam originally had been a part of the keel or rib of a sailing ship.

The density and extreme hardness of the oak indicated it had been felled in latitudes far north of Florida, which for Spanish ship-building of the 16th century would have been in Europe.

The form of the Mace is derived from Man's traditional ritualistic ornamentation of objects, carried through in this instance in the silver, gold and wood, hand-wrought and forged.

There is no part of it which does not have or represent a functional purpose; its hammered surface reveals the process of fabrication. The nails are exactly what they are, nails or rivets. The rib's actual construction is reminiscent of buttresses (structural elements) which provided simple means for attaching four quarters to make a substantial sphere.

The traditional staff of Aesculapius, god of medicine, with its single-headed serpent, for centuries associated alike with medicine and wisdom, together with the seals of the university and of its College of Medicine, complete the symbolism specific to this institution.

Police Seek

Friend

A friend in need was no friend, Angus Collins of Avon Park has decided. Collins told sheriff's investigators he was in the hospital and unable to take his car to be inspected. A friend volunteered to take the vehicle to the inspection station.

Eight days later the auto was still gone, and Collins decided he should report the car stolen. So far the auto has not turned up, and Collins wonders whether it has valid inspection sticker on it.

Katie Willis

Katie M. Willis, age 71, died June 20, 1975 in Walker Memorial Hospital.

She was born in Manchester, Ala. and came to Avon Park seven years ago. She had been a cook in a Children's Home and a member of the Baptist Church.

Survivors include one daughter, Kay Young of Avon Park; three sons, Calvin of Park, William of Wildwood and Darrel of Sorento, Fla.; three sisters, Edith Hartin, Minnie Russell, of Nauvoo, Ala. and Estel Sproul of Jasper, Ala.

Services were held at Stephens-Smith Funeral Home on Saturday, June 21, at 5 p.m. with the Rev. R. L. O'Quinn officiating. Burial will be in Lakeview Memorial Gardens.

Stephens-Smith Funeral Home of Avon Park in charge of arrangements.

Charles Keyes

Charles O. Keyes, age 73, died June 24, in Walker Memorial Hospital.

He was born in Illinois and came to Avon Park 12 years ago. He was a member of the Congregational Church, the Elks Lodge and the Masonic Lodge. He had been in the lumber business.

He is survived by his widow Mrs. DeVona Keyes and two nieces.

Services will be held Thursday June 26, at 11 a.m. in Stephens-Smith Chapel with the Rev. H. D. Graetz officiating. Cremation will follow.

Arrangements by Stephens-Smith Funeral Home, Avon Park.

Lightning

Starts Fires

"Dry" storms are keeping Florida Forest Service rangers busy. Many afternoons recently lightning has struck, setting off fires in fields and forests. If rain follows the fire is out by the time the rangers arrive.

One time last week, however, the rain did not come soon enough and the rangers wound up battling a 15-acre blaze in a swampy area to the west of Sumner.

League 13 Year Old Tourney On June 27

Avon Park will host a double elimination baseball tournament for thirteen year old boys picked from the Senior League teams. The tournament will start Friday, June 27, with Auburndale playing Dover in the first game at 6:00 p.m. and Zephyrhills taking on Lake Wales at 8:00 p.m.

On Saturday, June 28, at 2:30 p.m., Pinecrest will play Dade City. At 4:30 p.m. Plant City National will meet Avon Park's thirteen year old all-stars. Only eight teams are participating in this new tournament in District IV. The tournament will continue until all teams have won two games except the champion.

Picked for Avon Park's All Star team were the following thirteen year old members of the Avon Park Senior League teams: Dennis Tondue, Johnny Barnes, Tim Minard, Greg

Coaches wanted.

The fish dinner includes: Swamp cabbage, hush puppies and grits. Tickets, at \$2.00 for adults and \$1.00 for children under 12, are available from recreation committee members: Gene Breener, Steve Maxwell, Carol Hall, James McWilliams, Mitchell Howard, Fred Conner, Earnest Sims, Dan Davis, Ophelia Rühner and Eileen Martin and at the Recreation Center. Photo—Miller.

Top Minor League Candy Salesmen Announced

Minor league baseball players sold an average of more than a case of Peanut Crunch candy per game to help purchase uniforms, hats, bats, balls, gloves and other needed equipment for the Little League baseball program in Avon Park.

The top three team candy salesmen were Kenny Riddle of Highlands Building Supply, who sold 104 cases of the Madison Candy Company peanut brittle. Mike Baldwin of Maryland Fried Chicken was close behind with sales of 82 cases while Rodney Rider of Borden's Dairy Products had sales of 48 cases of the peanut candy.

The top salesmen of other league teams were: James Clifford Avon Auto Parts; Skip Eddings, Border's Service Station; Danny Elder, One Hour Cleaners with Greg Kelley and Robert Daubach of Wells Motor Company tying for the top sales honor of their team.

Making the top sales for Young's Gulf Service was Perry Waldron Jr.; Gregory Kramer for First Federal of Highlands County; Timmy Tucker of Winn Dixie Food Stores; James Beck, Bill Owens Ford and Duane Young of the Barnett Bank of Sebring team.

Each of the top team candy salesmen will be awarded a bat and two baseballs for their sales work provided they have sold ten or more cases of the Peanut Crunch candy.

Coaches of the Minor League

team that sold the most peanut brittle candy also were on the awards list for their sales work. Again it was Mike Minard who drove in the run for Avon Park. But in the ninth, Frostoproof pushed over three runs on two singles and a home run. Both teams got seven hits.

Jamie Tomlinson went the distance for Avon Park taking the mound loss and Steve Hall was the winning pitcher. He fanned 17 Avon Park batters in the nine innings. Mort Jackson and Reggie Baker, Freddy Moore and Jamie Tomlinson had one single each for the losers.

Highlands County Bank 17 Avon Park's Big League team, the Highlands County Bank of Avon Park nine, swamped Auburndale 17-4 last week as Mort Jackson hit a grand-slam homerun and Reggie Baker added a home run each for Avon Park. Mike Minard and Charlie Pugh shared mound duties for the H. C. B. team. The two pitchers gave up seven singles to the home team.

The Highlands County Bank team connected for seventeen hits in all off two Auburndale hurlers. Charlie Pugh hit four singles along with his grand-slam and Freddy Moore and Reggie Baker both had a single as well as a homer. Mike Minard contributed a double and a single, Gerald Barefield hit a double and John

Big League Team Has 5-2 Record For Season

The Highlands County Bank of Avon Park's Big League baseball team dropped to a 5-2 record this week with a loss to Frostoproof and wins over Auburndale and Wales Cooling and Heating. The loss to Frostoproof was the second one this season by the Avon Park team but it took Frostoproof nine innings to take a 6-3 victory last Monday night at Head Field.

The H. C. B. team of Avon Park was scheduled to take on Auburndale for the third time in a game at Head Field. On June 28 the Highlands County Bank team will go to Lake Wales for the final game with Wales Cooling and Heating.

On July 1 the Avon Park team will play Lake Wales First National in Lake Wales and then close out the season on July 2 here at Head Field against Frostoproof.

The Avon Park H. C. B. squad will participate in the Big League District IV tournament to be held in Lake Wales July 19 through July 24.

Frostoproof 6 Highlands County Bank 3 Frostoproof broke a tight game wide open in the top of the ninth inning last Monday night to take a 6-3 win from the Highlands County Bank of Avon Park Big League team. Avon Park scored first in second and came home on Mike Minard's single to left field. Frostoproof tied it up 1-1 in the top of the fifth scoring on a fielder's choice and errors by Avon Park.

H. C. B. went ahead again in the bottom of the fifth as Reggie Baker beat out a bunt and scored on Freddy Moore's single after stealing second. Frostoproof came right back to tie the game up again 2-1 in the top of the sixth.

The score was still tied up after the seven regulation innings of play. Both teams scored a run in the eighth frame. Again it was Mike Minard who drove in the run for Avon Park. But in the ninth, Frostoproof pushed over three runs on two singles and a home run. Both teams got seven hits.

Jamie Tomlinson went the distance for Avon Park taking the mound loss and Steve Hall was the winning pitcher. He fanned 17 Avon Park batters in the nine innings. Mort Jackson and Reggie Baker, Freddy Moore and Jamie Tomlinson had one single each for the losers.

Ferguson, Ray LaFlam and Terry Lanzing all hit one single von Park went on a batting spree.

High County Bank 8 Wales Cooling 0 Last Friday night Avon Park's Senior League team chalked up its fifth win against one loss by shutting out Wales Cooling 8-0 in a rain-shortened game. Jamie Tomlinson held the Wales team to a lone hit in the four inning game.

The H. C. B. nine got six hits off the Lake Wales pitcher with Freddy Moore leading the

Avon Park team with a triple and a single. Mort Jackson, Brad Beumel, Mike Minard and Ray LaFlam all had a single each for the winning Highlands County Bank team. After six games, Mort Jackson was leading the Avon Park team with a .471 batting average. Charlie Pugh hit .438 through six games and Freddy Moore had a .409 average. Mike Minard hit .444. Gerald Barefield and Reggie Baker had a .333 average along with Terry Lanzing and Brad Beumel hit .313.

Senior League All-Star Tourney Starts July 12

Fifteen All-Stars and two alternates have been chosen from the four Avon Park Senior League teams to represent Avon Park at the 1975 Senior League All-Star tournament to be held in Auburndale starting July 12.

The Avon Park team will meet Dover in the opening game of the single elimination tournament which will determine the District IV champion. Avon Park is the defending district champion.

Jim Sismore, coach of the Braves, has been chosen to serve as manager of the Avon Park All-Stars with Luke Townsend assisting him as coach of the fifteen-player squad.

The Cubs put five boys on the all-star team — Ronnie Brock, Joel Wright, Jimmy Massey, Jeff Williams and Randy Williamson. The Reds have four members and one alternate — Steve Arnold, Horace Moore, Billy Young, Allen Roberts and alternate Matt Edmondson.

The Braves will have four players on the honor squad — Victor Roberts, Eric Wilson, Larry Jackson and Dale Sismore. The Mets placed two players and an alternate — David Jabna and John McKunas and alternate Tim

Auburndale 8 Avon Park 4 Auburndale's grand-slam homerun and Reggie Baker added a home run each for Avon Park. Mike Minard and Charlie Pugh shared mound duties for the H. C. B. team. The two pitchers gave up seven singles to the home team.

The Highlands County Bank team connected for seventeen hits in all off two Auburndale hurlers. Charlie Pugh hit four singles along with his grand-slam and Freddy Moore and Reggie Baker both had a single as well as a homer. Mike Minard contributed a double and a single, Gerald Barefield hit a double and John

9 And 10 Year Leaguers Lose To Auburndale

The Avon Park nine and ten year old Little League All-Stars lost out of Auburndale by a score of 2-0 to lose the District IV tournament held here last week.

The Avon Park team lost to the champion Auburndale team 11-10 in its first game of the double-elimination tourney on Monday of last week. The local team then dropped into the loser's bracket and won three consecutive games to move into the finals against undefeated Auburndale.

Last Tuesday night a week ago the Avon Park youngsters swamped Hardee's nine and tens by a score of 26-2 in three and a half innings. Eldrick Pressley pitched a one hitter for Avon Park striking out six batters in the four innings on the mound.

The Avon Park batters rapped out thirteen hits off two Hardee's pitchers. Desmond Allbritton hit four singles for four trips to the plate. Curtis Taylor had a double and two singles. Duane Young hit two

singles and Rich Macklin lined out a double. Jeff Davis, Eldrick Pressley and Larry King added a single each for the winning nine.

On Wednesday night of last week, Avon Park moved on through the loser's bracket with a 7-0 victory over Lake Wales in a game halted after three and a half innings due to rain.

Duane Young held the Lake Wales batters to one single as he pitched the game for Avon Park. Avon Park scored its seven runs on just three hits. Jeff Davis had two singles and Curtis Taylor hit a single for the local team.

Last Thursday night the Avon Park nine and tens won their third straight game with a close 6-4 victory over Lake Alfred. Greg Jackson pitched for Avon Park giving up five hits and striking out 11 of the Lake Alfred batters. The Avon Park team also got five hits. Jeff Davis, Curtis Taylor, Eldrick Pressley, Greg Jackson and David Bennett all

single for the winners. Last Friday night the Avon Park nine and tens were scheduled to take on the undefeated Auburndale team but rain caused a postponement. The game was rescheduled for Saturday morning at 10:30 a.m. Avon Park held off the Auburndale boys until the fourth inning when two runs were scored on two hits — a double and a single.

Curtis Taylor held the Auburndale batters to just four hits but the Avon Park batters were held hitless by Fredrick Davis. The Avon Park nine and ten year old all-stars were defeated last year by Auburndale in the finals of the tournament which was held in Lake Alfred.

"Swat" Invented

By Rec Center Visitor

The monthly Recreation Department report given to the Avon Park City Council showed that attendance at the Recreation Center varied between 315 to 355 weekly with an average daily attendance of 61 to 78 for the four week period with the largest number of people using the center during the week of May 19-24.

Recreation Director Dennis Guenther reported that organized special activities attracted between 36 and 110 persons weekly. These activities included: Ladies gymnastics, karate, bumper pool, Young Life, "Swat" contest and ping pong.

The game "Swat" was invented by one of the young people visiting the center with rules for play developed by Guenther.

In his report Guenther listed topics under consideration by the city's Recreation Committee as being: the summer recreation program inasmuch as the schools will not be having any such programs this summer.

Other items were the recreation ordinance, the fish dinner on July 4 and items purchased for the Rec Center which were: kitchen utensils, paint for the gym, a pool table and shrubs which were to be purchased for planting around the tennis courts.

Ice Skating

Dates released by the Lakeland Civic Center, concerning availabilities of the ice for public ice skating at the complex.

The dates are: June 21, July 4-22, July 26, August 2, 16 and 30.

Weaver Charged With Careless

Driving

A station wagon driven by Sarah Weaver of Sebring and a sedan driven by Kim Smith of Avon Park, collided on State Road 17 at DeSoto Road, 7:30 p.m. on June 21.

The Weaver wagon had three passengers. No one was injured in the accident. Damage to the station wagon was set at \$100 and to the Smith car at \$350.

Trooper Sheppard investigated the accident.

Weaver was charged with careless driving.

During the third week of June FHP troopers issued 38 speeding tickets in Highlands County, charged three drivers with driving while intoxicated, issued 16 other citations.

It'll make you a better human being.

Recreation Dates

Swimming Lessons

The Avon Park Recreation Department will be sponsoring beginners swimming lessons starting Monday, July 7. The classes will be taught by two American Red Cross qualified instructors. The lessons will be taught one hour per day for a two week session. There will be a 75 cent per lesson charge, or \$6.00 for the entire two weeks. You must register and pay before July 7. Fees may be paid at the Recreation Center on N. Verona Avenue after 12:00 noon any week day.

There is no minimum age requirement for the participants of the lessons, but there is a height requirement of 40 inches. This is so that all participants will be able to stand in the shallow end of the pool. The lessons will be taught in several different private pools around Avon Park. Please get exact addresses of the pools when you register.

The classes will be divided into age groups, with a maximum of 12 children in each class. The lessons will be given in the morning hours. Attention! If you are an adult non-swimmer and wish to take lessons, please contact the Recreation Center at 453-6881. If there is a big response, an adult class will be started.

ARTS AND CRAFTS CLASSES

The Avon Park Recreation Department is now signing up children 5-16 years old for Arts & Crafts classes to be held every Monday at 3:00 p.m. for the next six weeks. Two volunteer instructors, Mrs. Donna Guenther and Mrs. Arlene Tanner, will be leading simple crafts for the children. These classes are free to any child between the ages of 5-16. Most of the projects done can be finished and taken home. A sample of these projects are: tie-dying, dried bean mosaics, and other similar crafts. Sign-up now! Call between 12:00

noon and 5:00 p.m. each week day to register your child.

SPORTS CLINICS TO BEGIN SOON

The Recreation Department is now registering youngsters for three separate sports clinics coming up soon. Each sport clinic taught (baseball, basketball, football) will run for one week. The clinics will be from 9:00 a.m. until 10:00 a.m. each Monday through Friday starting July 7.

The basic fundamentals of the sport will be the main idea taught in each clinic. The clinics will be instructed by Ronnie Jackson. There will be no charge for these clinics, but volunteer help will be graciously accepted.

The first clinic taught will be

Heat Increases Volume Of Cans For Recycling

The hot summer months are bringing increased volumes of all-aluminum beverage cans to the Reynolds Aluminum Recycling Company's mobile unit in Sebring.

Volume totals received for last month showed 8,753 pounds of household aluminum recycled. The equivalent, 201,319 all-aluminum cans, meant \$1,312.95 paid by Reynolds to area residents.

Reynolds Aluminum Recycling Co.'s unit will be at St. Agnes Episcopal Church, 660 Lakeview Drive., on Wednesdays, July 2, 16 & 30 from 11 a.m. to 1 p.m. to pay 15 cents per pound for the all-aluminum cans and other clean, household aluminum.

baseball, July 7-July 11. Then basketball July 21-25 and last will be football August 1-8.

Mets Win Their First Game Of Season

It was a week of upsets in Avon Park Senior League play last week as the Mets won their first game of the season with a 9-4 victory over the Cubs and the Braves knocked off the Reds 10-3 to move closer to the first place team.

The week ended with the Reds at the top with a 12-2 record, the Braves in second place with a 10-4 mark, the Cubs dropping to a 6-9 record but holding on to third place and the Mets still in the cellar but with a 1-14 record.

Last Tuesday night the Cubs were to play the Braves and the Reds took on the Mets. Tonight, Thursday, the Braves and the Reds will tangle in the early game at six o'clock and the Cubs will meet the Mets in the second game. Next Tuesday the Cubs are scheduled to face the Reds and the Mets take on the Braves in the last games of the season except for a make-up game between the Reds and the Braves.

Mets 9 Cubs 4
John McKanas pitched five innings and two thirds innings and Andy Lanzing tossed to two batters last week as the Mets posted their first win of the season beating the Cubs 9-4. The Cubs got only three scattered singles off McKanas and none off Lanzing. Ronnie Brock, Joel Wright and Mark Kelly singled for the losers.

The Mets rapped out only four singles off two Cub pitchers but took advantage of several walks to score the nine runs. John McKanas had two singles and Andy Lanzing hit the other two to lead the Mets to the big win.

Braves 10 Reds 3
Dale Sisemore and Larry Jackson teamed up to pitch the Braves to a 10-3 victory over the Reds last week to hand the league leaders their second loss of the year. Steve Arnold, Allen Roberts and Keith Cobb all singled in the first inning and Billy Young had a single in the second inning and another in the fifth for the Reds five hits off the two Brave hurlers.

Eric Wilson led the Braves at the plate with a triple and a single and Charles Oliver also welded a big bat hitting a double and two singles. Dale Sisemore and J. D. Taylor added a single each for The Braves seven hits. Dale Sisemore took the mound win and Billy Young was the losing pitcher.

Braves 13 Mets 6
Last Thursday night the Braves continued to post victories as they outscored the Mets 13-6 for the tenth win of the season. The Mets got ten hits off winning pitcher Larry Jackson who went the full game for the Braves. Wayne Lewis had a double and a single

for the Mets and Andy Lanzing and Robbie Dennis both hit two singles each.

Jeff Jackson, John McKanas, Wade Bush and Tim Salter all contributed a single in the losing effort. Met hurlers Andy Lanzing, Wayne Lewis and Tim Salter gave up only five hits to the Braves but issued eleven walks to Brave batters. David Sisemore, Victor Roberts, Eric Wilson,

Larry Jackson and Donald Cook accounted for the five Braves singles.

Reds 6 Cubs 5
Horace Moore scored the winning run in the last of the seventh inning last Thursday night to give the Reds a 6-5 win over the Cubs. Moore singled, stole second and third and came home on an infield error on a grounder hit by Allen Roberts to break the 5-5 tie.

Moore also had another single off losing pitcher Jimmy Massey and Matt Edmondson, Allen Roberts and John Barben singled to account for the five Red hits.

Steve Arnold held the Cubs to a double by Massey and a single by Ronnie Brock and Ricky Bush and struck out ten Cubs batters to post the mount win.

Divorces-Highlands County

Above U.S. Average

What is Highlands County's record with respect to divorce? Do marital split-ups occur more often or less often locally than in other places?

As in most other parts of the country, there has been a great increase in recent years in the proportion of marriages that have ended in divorce.

Back in 1958, the Census Bureau's figures show, the number of divorces in the United States was at a low level — 368,000 for the year. Since then the trend has been sharply upward, reaching a high of 970,000 last year.

Related to the number of marriages that took place in 1974, estimated at 2,230,000 by the National Center for Health Statistics, it appears that there was one divorce for every 2.3 marriages.

The proportion was higher than usual, it is explained, due to the fact that there were fewer marriages than would normally have taken place. The recession caused many prospective couples to postpone their weddings.

In Highlands County, according to the latest survey by the Department of Commerce, the ratio of divorces and separations is somewhat greater than in most communities.

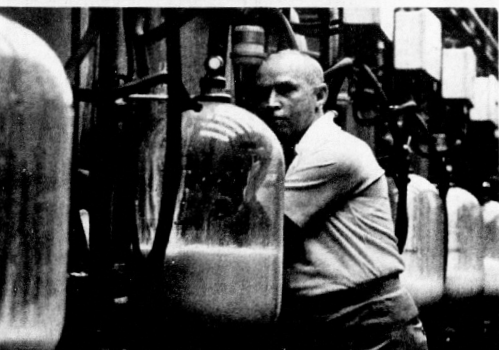

Its figures show that for every 1,000 men and women of marriageable age in the local area there are 29 who are divorced or separated.

For the United States as a whole, the rate is 53 per 1,000. In the South Atlantic States it is 54 per 1,000, and in the State of Florida, 65.

In actual numbers, the latest official tabulation shows 1,320 local residents to be divorced or separated. This does not include those who have remarried after having been divorced. There are an estimated 3,300 in that category.

The trend in many sections of the country is in the direction of easier divorces. A number of states have liberalized their divorce laws in the last few years.

In some states, for example, a couple may obtain a divorce if they signify before a judge that irreconcilable differences exist between them. In other areas dissolution of a marriage is permitted if a man and wife have been apart for a lengthy period.

Milk By The Gallon

MANAGER AND A PRINCIPAL in the V & W Farms partnership, Charles Williams and his employees like the ease of milking with the Model 200 milking system which promotes "contented cows," an important factor in good dairy production.

Salon 8-40 Elects Officers

Salon 8-40 met for the regular meeting to elect the new officers for the coming year.

Mrs. Dorothy Lane, Avon Park was elected as Chapeau. Other serving with her will be

Chapeau Preimer, Mrs. Margaret Stewart; Chapeau Duexume, Mrs. Myrtia

McLure; L'Amouner, Mrs. Ruth Allen; L'Conceirge, Mrs. Jean Hill; L'Archiviste, Mrs.

Ruby Heim, Secretaire-Caissiere, Mrs. Virginia Moody.

Those attending from Avon Park were Mrs. Lane, Mrs. Stewart, Mrs. Heim and Miss Verna Heim.

The July meeting will be in Lake Placid at the home of Mrs. Betty Ray Roberts.

THE NATIONAL SAFETY Council acknowledged two employees at the Avon Park Post Office last week. Phillip Boardman (left) a rural carrier received a 27 year

Safe Drivers Award and Charlie Marshall (right) city carrier received a 9 year Safe Drivers Award. Photo—Cornell.

V & W Farms Spotlited In News

A popular evaporated milk advertisement used to proclaim "Milk from contented cows," and dairy industry news organs stress the importance of "contented cows."

Contented cows is one of the listed benefits gained from the double-twelve herringbone milking parlor equipped with a De Laval Model 200 milking system built by V & W Farms in 1973.

V & W Farms, located off State Road 64 west of Avon Park, was spotlited in the Delavel Dairy Letter's May-June issue on their improved labor situation and increased efficiency due to the system which expanded the dairy operation to the present 721 cows milked twice a day.

The national publication which goes to about 50,000 dairymen across the nation is

published by Johnson Hill Press, Inc. in Fort Atkinson, Wis., and spotlites top dairy farmers and allows them to share their ideas and techniques for successful dairying.

"Besides less work and more pleasant milking for our employees, the main benefit of the Model 200 has been ease of cow handling," Charles Williams, manager and a principal in the V & W Farms partnership said.

"With controlled milk stimulation, gentle milking and automatic sensors to prevent overmilk, we can get the job done with less stress on the cows," Williams continued.

Williams has been very successful in attracting and keeping good employees for the dairy operation and one reason is a bonus wage system that rewards increased labor

productivity.

He acquired an interest in the dairy in 1956. At that time the operation included 300 cows. In 1964, V & W Farms moved from the Miami area to Avon Park and purchased 744 acres to provide pasture

exercise lots and hay fields for the steadily increasing herd. About 30,000 bales of hay are normally harvested for winter feeding.

Herdsmen Ted Fells has helped boost the average production per cow to five gallons milk per day.

Fells said the feeding program relies on a complete ration which includes citrus pulp, soybean meal and cottonseed hulls.

These feeds are purchased in bulk and Williams utilizes his training in dairy science at the University of Florida to formulate a balanced 14 percent protein ration. This is fed in the milking parlor and also in the flat barn after each milking.

"With free-choice feeding of all the milking herd, cows are culled according to production," explained Fells. "For 721 cows, we are averaging five gallons of milk per cow daily. Individual weigh racks allow monitoring each cow's production," he said.

"Two men are milking 721 cows in our double-12 parlor,

averaging 110 cows per hour, and they tell me they could easily milk 900 cows in this parlor during one shift and still do a good job of milking," Fells added.

Williams, a leader in the Florida dairy industry, is optimistic about the future of dairying.

And while helping sell his favorite product, Williams and V & W Farms continue to do an efficient job of producing milk.

A former Avon Park woman has written "The First Bicentennial Cook Book and Diary," and is giving part of the profits from the book to Sunland Training Center in Gainesville.

Ruby Pate Bodkin, the daughter of Mr. and Mrs. J. H. Pate, 26 S. Central Ave., Avon Park, is a native of Frostproof but grew up in Avon Park where she graduated from high school. She now lives in Jacksonville.

The cookbook-diary is Mrs. Bodkin's first publication and is available through retail outlets including Touchton Drugs in Avon Park and by direct mail. An advertisement

is included in this issue of the SUN.

Mrs. Bodkin's husband,

Larry, who is a certified gemologist with a large quality jewelry company in Jacksonville and has had several publications on the market.

Mrs. Bodkin teaches elementary school but in their spare time she and her husband operate their newly formed Bodkin Company, selling original cards, books, gifts, and other items including shark's teeth and turtle shell fossils.

Bodkin is a native of Winter Haven and holds U.S. patent on an open end wrench which fits

six sizes of nuts and a Bloc-A-Shoc, a plug which completely eliminates the possibility of electrical shock when using metal cased tools, electric hedge clippers on wet shrubs and lawn mowers and the like.

The Bodkins and their son, Lawrence Jr., live at 1833 Ryar Road in Jacksonville. Their married daughter, Karen Snead, lives with her husband in Washington, D.C. and is a recipient for the House Armed Services Committee at the Capitol. Their daughter, Linda La-Ru, 20, is a patient at Sunland Training Center since age five due to irreversible brain damage at birth.

admirable philosophy that one can make the most of life regardless of problems it brings.

She has earned a reputation as an outstanding educator and was honored by the Duval County school system for 21 years outstanding service last fall as a finalist in the Eve Awards presentation.

She earned her masters degree at the University of Florida.

Her 100-page cookbook "Accountable Cooking" contains many budgetwise and nutritious recipes and contains 50 blank pages for writing one's own favorite recipes, pasting Bicentennial clippings and other memorabilia.

V & W FARMS HERDSMAN Ted Fells cleans the double-12 herringbone De Laval 200 milking system which has enabled increased production in the dairy operation located west of Avon Park.

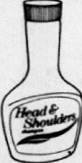

CONTENTED COWS would seem to describe these cows in the 721 cow milking herd at V & W Farms. The high-grade herd averages five gallons milk per cow daily attributed to the modern progressive milking system in use at the dairy.

A HAT WOULD BE SO MUCH COOLER!

She must go to the native market for her physical needs. The straw hat would be so much better than the old scarf tied and knotted about her head. Sweet, cool air could come through that straw and that would feel so wonderful in this heat!

Where does she go for her spiritual needs? Is there a church on the island? Does she know that she will be told about a great God there who will help her, guide her, and refresh her?

How fortunate we are in this country that there is a church in every community. Spiritual help, refreshment of soul, fellowship and love awaits all who enter her doors. We invite you to attend Church this week.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Touchton Home Yard Of The Month

A visitor turning on to Forest Hills Court would see a viburnum hedge to the right with a house roof above it and towering over the roof tall bushy oaks.

So effectively does the living hedge hide the house and yard that it isn't until the driver passes the hedge that one sees why the home of Ed and Annie Touchton and their children was chosen as the "Yard of the Month" by the Selection Committee of the Federated Garden Club.

Chairman of the Selection Committee, Mrs. Mildred Head described the Touchton yard as fine example of "extreme care" that had the children's interest along with the number and variety of plants used.

This spot in Avon Park was chosen for the Touchton home because of the eight big oaks on the property and because of the good neighbors in the area who took pride in their well kept

THE ED AND ANNIE Touchton family gather around the Garden Club's "Yard of the Month" sign. The children were especially proud of receiving the sign because they had helped with the yard work.

Kneeling, left to right: Elizabeth and her visitor Susan Heard. Standing, Annie and Ed with Ed holding Carol. Photo—Miller.

yards.

There was no formal landscaping plan for the new built home but as Annie said they planted what they liked. But just because a shrub or bush was planted did not mean it stayed in that location for some plants were transplanted five times because they did not always look right where they were planted. But it is a slow process stated Annie, and we are still working on getting the yard finished.

The landscaping wasn't a family project, Ed stated, he had nothing to do with it for it was Annie and the children that were doing all of the work. But there was a note of pride in his voice as he described how they planted and replanted.

On the other hand Annie revealed the care that Ed had taken in locating the garage and driveway to avoid moving or cutting down any of the shady oak trees.

Without any formal training or schooling with either plants or landscaping, Annie disclaimed having a green thumb, stating that working in the yard was more like a hobby because she enjoyed doing it. She told of how Walton had been helping more each year with the yard work and of his and the other children's pride in what they were doing about the yard. Which all adds up to TLC—"tender loving care!"

A first look at the yard shows a St. Augustine lawn, geranium blossoms blending their color with blooming ixora; dracenas and birds of paradise; moss rose, a variety of portulaca, in hanging baskets and the shady oaks. Amid all of the variety of plants, bushes and shrubs the house had a subdued appearance.

Hanging baskets were used very effectively around the house (all four sides) and in the oak trees to give a multi-storied garden appearance. There were sixty hanging baskets, some of wire, some metal, plastic, and some of cross-grain cut tree trunks hollowed out and varnished. They contained moss rose, spider plants, several varieties of fern, begonias, a few orchids and other plants.

There was a variegated philodendron in baskets and a ground bed—with philodendron selloum at the base of trees and near the house. A clump of coxos pumosa palms grew along the back hedge with other palms growing around the house. There were coleus and pyracantha; marigolds and bouganvillea; caladiums and hibiscus while a circular rose garden was almost hidden by many other plants.

With the living viburnum hedge muffling the noise of traffic on the nearby Bombing Range Road the shady yard with its beautiful yard with its beautiful trees and its great variety of plants blended together to form a setting for relaxation and meditation.

Funds Available For SFJC Students

A number of scholarships and loans are available to South Florida Junior College students through the generosity of individuals and organizations. These are granted on the basis of academic ability, special talent and financial need. South Florida Junior College also participates in state and federal grant programs, as well as the College Work Study program.

Types of aid available are: General Scholarships WHICH ARE AWARDED ON THE BASIS OF ACADEMIC ABILITY, SPECIAL TALENT AND FINANCIAL NEED.

Grants are awarded for financial need and do not require repayment. Available are Basic Educational Opportunity Grants and Florida Student Assistance Grants. Also available are Law Enforcement Education Grants for in-service law enforcement officers to upgrade their educational levels.

Employment - The College Work-Study Program is sponsored by the Federal government for students from moderate income families. It provides on-campus work opportunities for full-time students who qualify.

Loans - Several loan programs are available to students on a need basis. These programs feature delayed repayment and low interest rates.

Students desiring to apply for financial aid for the 1975-76 school year should consult with the Director of Counseling Services at the College as soon as possible.

Home Broken Into

The home of Dr. Charles Nicholas, Avon Park, was broken into while Dr. Nicholas was away for vacation. Sheriff's investigators found entry had been made by prying open a rear door. A vase was broken and a vacuum cleaner stolen. Total loss was set at \$310.

NEWS OF AVON PARK MEMBERS

Rev. and Mrs. Lee Roy Hankins have returned from an extended trip visiting many friends and relatives in several states. Their first stop was in Jacksonville, Florida where they visited son James H., who is Associate Pastor of the First Methodist Church, The First of Chattanooga, Tenn. and Ringold, Ga. visiting friends. In Huntington, W. Va. a stop was made to visit with Mrs. Hankins' brother and family. Then on to Bluefield, W. Va. for a visit with Rev. Hankins' sister.

In Pennsylvania, several family friends were visited. Then in New York state two sons were visited; son Robert, who is pastor of Buchanan Methodist Church and son John Paul, who is pastor of Stoneybrook Methodist Church on Long Island.

Wursters visit Iowa. Mr. and Mrs. Herman Wurster and daughter Twylla have returned from a very busy and exciting vacation in Iowa.

They were met in Kansas City by Howard and Dorothy Wurster and rushed to Graceland College at Lamoni, Iowa, to view grand daughter's Art Show. Rosann's show was on display for two weeks. She won two silver stars.

Rosann majored in English and has accepted a position to teach English at the Methodist Mission All Girls Junior College, thirty miles from Tokyo, Japan.

Her brother Gary graduated from Mt. Avers High School and plans to be a farmer. He is to be married Aug. 2, so Rosann can be in the wedding party.

Howard and Dorothy Wurster celebrated their 25th wedding anniversary June 2nd. They have another daughter Kathy, who is a pharmacist and teaches at Drake University, Des Moines, Iowa.

NOTICE OF CALL FOR SEALED BIDS - PAINTING & CLEANING. Sealed bids will be received by the District Board of Trustees for South Florida Junior College at the office of the President until 2:30 p.m. on Tuesday, July 22, 1975 at which time all bids will be publicly opened, for furnishing labor and materials and performing all work necessary and incidental to the Cleaning, Painting and Repair Work to the exterior of the existing buildings at South Florida Junior College at Avon Park, Florida. All work shall be done in accordance with the description of work and specifications prepared by the College.

Each bid must be accompanied by a Bid Bond in form satisfactory to said Board, Certified Check or Cashier's Check in an amount not less than five (5 per cent) per cent of the total amount of the Bid as a guarantee that the Bidder will, if awarded the Contract, enter into a written Contract with said Board satisfactory in form to said Board containing the penalty clause as required by Florida Law and requiring Workmen's Compensation and public liability insurance and approval of subcontractors by said Board, in accordance with the accepted Bid and will give a Performance and Payment Bond satisfactory in form to said Board in the full amount of the Contract price within ten (10) days after the meeting of said Board, at which said Contract is awarded.

Documents, including complete specifications, may be examined at the office of the President. Three sets of the same may be obtained by Prime Contractor upon a \$10.00 deposit (checks made payable to the College). This deposit will be refunded upon the return of the documents in full and condition to said office. Additional sets of documents may be obtained at a cost set by the College. Subcontractors may obtain documents by paying reproduction costs, which costs will not be refunded.

Bidder may withdraw his bid for a period of thirty (30) days after the date of bid opening. Said Board reserves the right to reject any and all bids received and to award the work to any firm it deems most desirable in all formalities in regard thereto.

LOVELY HOME JUST FOR YOU

Construction costs in South Florida are going up at rate of 10 per cent to 15 per cent a year, which means that the home you can buy today could cost more next year. Or about \$100 dollars a week while you are waiting. We have new homes which entitle you to the \$2,000 income tax credit. New homes begin at \$20,000 and good financing is available.

LAKEFRONT Lakefront homes on various lakes begin at \$18,900. We have all prices up to \$100,000.

BONANZA 630 ft. highway No. 27 North with a seven acre tract adjoining and approx. 500 ft. on Lake Jackson. This is a real bargain and will be financed by owner. Handymen Special. Mom will love you, Mr. Fix-it. If you buy her this large home only \$95,000.

When competition is tough,
and you want to tip the scales
in your favor...

USE CLASSIFIED ADS

They carry a lot of weight. Classified Ads mean increased sales because they head straight for the best prospects any business has — the people who have already decided they want a product or service and are now trying to decide where to get it. These are the people who voluntarily seek out your ad in the Classified columns. The audience you want for your "sales talk in print" is ready and waiting for you.

You need never miss a prospect as he comes into the market either — because, by taking advantage of Classified's low commercial rates, you can easily afford to advertise every day. Classified Ads are flexible, easily changed to meet new selling opportunities as they arise — and, teamed with your display advertising, they give a potent extra push to special promotions.

There's more... but why not do yourself and your business a favor... call the number below today for an experienced account representative who will help you plan the Classified Advertising program that makes it so easy for you to tip the profit scale in your favor.

Call today and place your
money making classified ad
