

Federated Garden Club Plans Decorations For Annual Christmas Silver Tea

Christmas Silver Tea To Be Held At Ostling's Home

There was much activity at home of Dr. and Mrs. Burton Ostling, as the members of the Federated Garden Club of Avon Park gathered there Nov. 30, to plan decorations for the annual Christmas Silver Tea.

This lovely home on Lake Lotella lends itself perfectly for displaying floral decorations

for this season of the year. Every room will reflect the beautiful and colorful arrangements used during the Christmas season.

There will be a Plant Mart on the patio, selling plants which have been raised by the club members. The Avon Park Correctional Institute, have donated some plants.

The Boutique will have many handmade articles and homemade goodies to sell. These will make excellent Christmas presents.

Mrs. Daisy Wollangk, chairwoman for the Tea, and Mrs. Grace Boney, co-chairwoman predict that this will be a "better than ever" Christmas event.

The public is invited, and there will be no charge but a donation will be asked.

Plan to spend a very enjoyable afternoon, from 2:30-6:30 p.m. at the Christmas Silver Tea, on beautiful Lake Lotella, at the home of Dr. Mrs. Burton Ostling, on Dec. 9.

By Charles F. Marshall
Plans are being made for a combination birthday luncheon and a Christmas party at noon on Dec. 14, at the Club House. As usual each person attending may bring a covered dish and their own table service. Music and readings, in the spirit of the season, will be presented. Anyone who wishes to help with the decorations or program may feel free to do so.

Mrs. Opal Philaeger had a niece and her husband from Ohio as guests recently. Mr. and Mrs. John Crunick of Washington, Penn., visited with Mr. and Mrs. Charles Marshall and they were at Cypress Gardens and had dinner at Duffy's Smorgasbord during their stay in Avon Park. Mrs. Marian Cratty is a new resident, to our area.

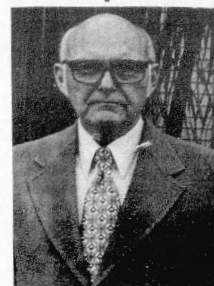

Webb Elected Vice-President Of Highlands County Bank

Ben Hill Griffin Jr., chairman of the board and president of the Highlands County Bank of Avon Park has announced that at the November board of directors meeting, L. Harden Webb was elected as a bank vice-president.

Webb is a native of Moultrie, Ga. where he attended Moultrie public schools and later attended the Emory University in Atlanta, Ga.

Involved in banking during the past 30 years, Webb comes to the Avon Park bank from Oviedo, Fla. During his career in banking he has been associated with several banks both in Georgia and Florida and brings to the local institution a broad experience in banking.

Webb and his family are members of the Methodist Church and have been actively involved in various civic activities in communities where they have lived.

Beth Johnson Speaks To Avon Park Rotarians

Program chairman, Dr. Ron Sevigny, introduced Mrs. Beth Johnson, former State Senator from Brevard County. Mrs. Johnson was a member of the Florida Senate from 1966-1972 and is now Development Representative for the Division of Economic Development and Bureau of Trade Development, Department of Commerce, Tallahassee. Her services are provided through the Winter Haven field office and cover several central Florida Counties, including Polk, Highlands and Hardee.

Mrs. Johnson provided insight into the many services that her agency provides to communities that are interested in economic development and outlined the steps that should be taken to draw the interest of large companies that are planning to relocate. Taxes, location of property and the availability of skilled labor are important factors that must be resolved.

Georgia Farmer States

Low Prices Bring Farmer Disaster

Charlie E. Carter, and wife, Lottie Lou, of Valdosta, Ga., visited over the Thanksgiving week-end with their son-in-law S. Sgt. Roy Amburn and family at the Avon Park Bombing Range.

Carter has farmed his own land in Georgia for 37 years. His principle crops during this time were tobacco, corn, sugar cane, sweet potatoes, watermelons, and cotton. He stopped producing cotton when his children were young, but in 1971 he stopped growing all his other crops except corn and table vegetables. The reason behind this was the high cost of labor, along with poor health.

"This past year is the last year I plan on planting a corn

crop," said Carter. He went on to say that "the low prices I received for my corn has brought about a disaster for me as well as other farmers in this area."

Carter stated, that he planted approximately 60 acres of corn this past year; 30 acres was non-productive, due to poor weather conditions; and the other 30 acres, he sold the corn and received approximately \$50 an acre and it cost almost \$70 per acre to produce; the total amount lost on this year's crop was approximately \$2700. "Many farmers in the area are having to borrow money to pay off their debts, and to start next year's crop," he said.

This is the plight of just one farmer among many in the United States. Farmers are scheduling a nationwide strike on all agriculture commodities beginning on Dec. 14. They are asking the government for 100 percent parity; raising the floor on farm prices to cover all cost plus a reasonable profit.

The dairies in this area will feel the results of this disaster, which has hit the farmers, as they purchase some of their corn from Georgia. The public will feel it as prices will go up for farm produce items on the grocery shelf, but the farmer is the one that is really caught in the crunch.

S.F.J.C. To Present Plays

The Acting and Oral Interpretation class at South Florida Junior College will be presenting two one-act plays on Friday evening at 7:30 Dec. 9 in the Lecture Center on campus. The first play is entitled, "A Certain Just Man", which is a religious commentary on the judgment day. The second play is a farce entitled, "Pinch Me". Both plays are acceptable for the entire family and will run approximately forty-five minutes.

Crafts
On Thursday Dec. 1st the hall was a hive of activity with fifty members present and working on about a half dozen projects. A major one was the making of Macrame Orbs, and this project will continue for several weeks. Angels made from Christmas cards, kept

another group busy. These cute little darlings make lovely nameplates for Christmas dinner table. Pixies are still being produced in felt and bumpy chenille. Pine needles projects are going strong and some beautiful articles are being made. A new project is being considered for next time, it will consist of garlands made from ribbon or fancy paper. These are quite complicated but lovely when finished.

Pinchle
On Monday Nov. 28, there were 12 tables for pinchle. First place went to Tom Chace with 715 and second to Mable Crocker with 714.

On Friday Dec. 2 there were again 12 tables with Howard Long taking first with 824 and Lena Vanzo was second with 819.

Bridge
There were 5 tables of contract bridge on Tuesday Nov. 29. John Shoen was high with 5220 and Jean McDougall was next with 4440.

Duplicate bridge had 8 tables on Thur. Dec. 1. North-South saw Margery Flesher and Carlo Scavella first with 90%, second Joe and Eleanor Nickerson with 70% and third Al and Ida Allen with 68%. East-West saw first place going to Bertha Brush and Gilbert Berane with 78%. Second was Ada Johnson and Ethel Harden with 72%, Third went to Clyde Getchel and Meredith Reany with 66%.

Saturday night at the potluck dinner there were 59 members present. Mrs. Hazel Carter, Mrs. Alma Doty and Mrs. Edith Martensen served as hostesses.

Mrs. Martensen gave reading from the book called "I Have to Have Someone To Talk To." A delicious meal was enjoyed by all.

Area's First Drive-In Church Worship Services

The first drive-in church service was held in theatre was termed a success by Dr. Calvin J. Vice, Sr., Minister of Education of the First Baptist Church, sponsors of the service.

Conducted along the lines of a regular church service the audience were invited to participate in the worship with singing and their prayers.

In delivering his message, through the drive-in's speakers, Rev. Aden Childress used as his text the Christmas Story from Luke, where the Angels gave the shepherds the message of good tidings of great joy to all people, for unto you is born this day a Savior, which is Christ the Lord.

Rev. Childress told his listeners that this message was

used only once a year and he felt it could be used more often. In his message Rev. Childress spoke of the first message sent over newly laid Atlantic cable from the United States to Europe, which was "Behold what God hath wrought." He compared this with the wonderful Birth of Christ. He continued that God in his plan, has been preparing for you and me, with the Birth of Christ.

Attending this first time drive-in service were people from Avon Park and Sebring with several vacationers from out-of-state.

Area Speeders Warned To "Watch It"

Area motorists are advised to start watching their car's speedometers on several highways County roads and streets that have newly-enacted speed limits.

Following recommendations made by Gordon Hays Jr., county engineer, speed limits were set on eight roadways by county commissioners at Tuesday's regular session.

Hays said the new speed limit signs will be installed in

two to three weeks. There were no records that speed limits had ever been set on the roadways.

Sgt. Robert Lamar of the sheriff's department, said that until signs are posted, there probably won't be enforcement of the new regulations, but he said deputies do stop motorists who are driving too fast.

Streets where limits were set include Kenilworth Blvd. from Lakeview Drive to Highlands

Ave. The limit is now 30 mph, due to additional traffic flow because of the new K-Mart store, Hays said.

Other speed limits are: Lancaster Road in Avon Park Lakes from Nautilus Drive to Byron Road, 35 mph; E. Lake Lotela Drive, from SR 17 to S. Lake Lotela Drive, 35 mph.

Queen Palm Drive in Sebring Villas, 25 mph, and Date Palm Drive, 35 mph; Highlands Blvd. in Sun 'n Lake Estates

Aces, 35 mph; Golfview Drive in Leisure Lakes, 35 mph, and on Peachtree Drive, 45 mph.

The new limits are based on traffic estimates made by the engineering department, Hays said.

A resolution approving a Department of Environmental Regulation report on the Bonnet Creek Bridge and on the project itself was adopted unanimously.

The report shows there will

be only short term disturbance to underwater growth and the bridge will improve the flow.

ADOT proposal for changing some maintenance responsibilities on several streets in Sebring and Avon Park was reviewed and approved.

DOT has suggested the county turn over maintenance responsibilities on the streets to the cities under new DOT guidelines.

Commissioners met with Jack Stroup, Sebring city clerk, and Malcolm Crews, Avon Park city clerk, to review the changes.

Under the guidelines, the county would no longer maintain a portion of Lakeview Drive, between Fairmount Drive and U.S. 27, since the road lies within city limits.

A section of one street in Avon Park, S. Highlands from Castle St. to SR 17 would be turned over to the city.

Southside Park Community News

By PARNELL GIBBS AND CALVIN GIBBS
Hi Friends,

Welcome to Southside Park Community News. Now that Thanksgiving is history for this year, everyone seems to be getting in the mood for Christmas. With the city decorations already radiating the spirit of Christmas, the Christmas parade, stores and shopping centers, and even some home have also added their merry glaze to the yuletide season and celebration.

I'm beginning to think that Christmas could be an extension of Thanksgiving. Thanks that we live in a country where the people set aside a special time in addition to its regular time to express gratitude for its blessings and to commemorate the birth of Christ, whom without the word

"blessing" itself may have not been a part of our Thanksgiving, Christmas and everyday vocabulary.

Congratulation The voters and citizens of Southside Park wish to extend their congratulations and best wishes to all of the winners in Tuesday's election.

CB Club Extends Invitation

The Southside Park Boss CB Club journeyed to Tampa to a state CB jamboree which they all enjoyed and learned things about communicating with other CB clubs, and how to use their CB's properly. There will be other jamborees which they plan to attend. The club members are extending an invitation to others to feel free and come and join.

Necrology:

Mrs. Brown moved to Avon Park in 1968 and resided there until her death. She leaves to mourn her passing, a loving mother, Mrs. Alther Levi. She also leaves seven children; four daughters, Louria Dean Robinson of Painesville, Miss., Miss Mary Lee Mitchell and Miss Eva Mae Weathers of Avon Park, and Mrs. Gloria J. Lewis of Sebring; 3 sons, Mr. James, Ernest L. and Johnny B. Brown of Avon Park. One son-in-law, Mr. Sandy Lewis of Sebring; 13 grandchildren; 3 great-grandchildren and a host of relatives and friends.

Funeralized

Mrs. Mary Nancy Miller
Mrs. Mary Nancy Miller departed this life on November 21 at Walker Memorial Hospital. She was born in Houston County, Georgia. She was the daughter of the late Sam and Camilla Colson. She was the youngest of ten children and all preceded her in death. She was converted at an early age and moved from Miami to Avon Park in 1937. She was joined in marriage to the late Sam Miller. Mrs. Miller became a member of Beulah Baptist Church, where she served until death. She leaves to mourn fifteen nieces, twelve nephews, numerous grand nieces, nephews, cousins and a host of friends.

Where would we be had there been no N.A.A.C.P.? If you're not an N.A.A.C.P. member — then what are you saying? If you're a member and haven't attended a meeting — then what are you saying? If you're benefitted from the hard work done by the N.A.A.C.P. and haven't bothered to work to improve conditions for your children — what will they say? If your children need the N.A.A.C.P. and it's no longer there — then what will you say and what will they do?

Opening a twenty game basketball schedule tomorrow night (Friday) in Sebring against the Blue Streak five will be Coach Tom Lund's Avon Park Red Devil varsity, the defending Class AA district champions from the area. The twelve-player Red Devil squad will have ten seniors, one junior and one sophomore on the roster for this 1977-78 season.

Returning from last year's championship team are Larry and Charlie Pugh, Freddie Williams, Horace Moore, and David Williams. Also out are seniors Mike Coleman, Wyndell Frazier, Edward Irvin, and Jayvee players from last season George Loyd, Casey Stokes, and Jeff Adams.

J. D. Taylor, the lone junior on the squad, did not play basketball last season but is the tallest member of the team at 6'3" and will be working to move into the starting line-up to give some height to the team along with 6'2" Larry Pugh and Freddie Williams.

After the opening game in Sebring tomorrow night, Friday, Dec. 9, the Red Devils will travel to Arcadia to play the DeSoto High Bulldogs on Tuesday, Dec. 13, and then will close out the pre-Christmas schedule in Sarasota against Brookridge High on Saturday, Dec. 17. All Varsity games are scheduled to start around 8 p.m.

Players And Cheerleaders To Be Honored Monday

The Avon Park Red Devil varsity and junior varsity football players and the two Avon Park cheerleaders squads will be honored with their coaches at a Bar-B-Que supper next Monday night, Dec. 12, at the Florida Power Clubhouse on Lake Lotela at 6:30 p.m. The Bar-B-Que is sponsored by the Highlands County Bank of Avon Park, Avon Citrus Bank and the Avon Park Athletic Boosters Association. Coach John Hunter will present individual awards to outstanding players on the varsity and the Heartland Conference. All Conference awards will also be presented at this time. The Devils varsity finished the season with a 4-6 record and the junior varsity turned in a 7-1 record for the season.

Parents and fans of the players may attend the Bar-B-Que supper by purchasing a ticket for \$3 for each plate. Tickets must be bought in advance at the high school or from a member of the Avon Park Athletic Boosters Association.

RED DEVIL SENIOR center Larry Pugh will anchor the Avon Park offense and defense Friday night in Sebring when the Red Devils open against the Blue Streaks in a Heartland Conference basketball game. The 6'11" center lettered last season on the Class AA District championship Avon Park squad. He joined the varsity late in his sophomore season coming up from the junior varsity to add some height and backboard strength to the team. Larry has played only basketball the past several years, but plans to go out on the track squad this spring. After graduation, Larry plans to join the Air Force.

Three Red Devils Place On All-Conference

The Avon Park Red Devils placed three players on the Heartland Conference All-conference football team and three Red Devils were named as honorable mention players at a Heartland Conference Meeting held in Arcadia on Nov. 21.

Senior Rufus Wilson and Victor Roberts and junior Keith Porter were honored with the All-Conference awards. Senior John Barben and juniors Keith Cobb and Terry Massey were chosen for honorable mention by the conference group.

Other members of the Heartland All-Conference squad were: David Carlton, Keith Shine, Johnny Lee, and Johnny Rembert of Arcadia; Jerry Baker, Timmy King, Anthony Office, and Bobby Shirley of Ft. Meade; Carlos Falla, Brian Rose, John Vickers, Danny Yarbrough of Sebring; Zeke Mowatt, Myron Refuara, and Lawrence Thompson of Hardee; Jessie Conrad and David Crawford of Okeechobee; and Bruce Lee and Harold Smith of Lake Placid.

Tri-champions for the 1977 Heartland Conference in football were Arcadia, Ft. Meade, and Sebring. The football coaches voted Richard Bowers of Arcadia as Football Coach-of-the-Year for 1977.

Devil "Bees" To Open Season In Sebring Friday

The Avon Park junior varsity basketball team will open the 1977-78 cager season in Sebring tomorrow (Friday) night starting at 6:30 p.m. The original opening game against Ft. Meade scheduled for last Tuesday night here at home has been moved to Jan. 19 since the Miners are involved in State football playoffs.

The Devil "Bees" are coached this year by Don Sismore, a former Red Devil letterman in football, basketball, and baseball. Sismore coached the seventh and eighth grade cage squads last season before moving to the high school this year. He takes over from former jayvee mentor Allan Duhm, who retired from teaching to go into business.

The Devil jayvee will be predominately a freshman squad this year. Only junior Pernel Gibbs and sophomore David Sismore represent the upper classes on the fourteen player squad. Gibbs, a 6'2" center, returned to the team along with David Sismore who lettered as a guard on last season's team.

Newcomers up from the eighth grade

will be forwards Charlton Weathers, Chris Collins, Henry Taylor, Ricky Johnson, and Eddie Loyd along with guards Alvin Comer, Donald Jones, Kevin Caldwell, DeWayne Council, Thomas McAfee, and Larry Jackson. Jeff Caldwell, a 6'11" center, will see action at the jumping slot along with Gibbs.

Alvin Comer, at an even six feet, adds the height along with Gibbs and Caldwell. Most of the other players average about 5'11" and according to Coach Sismore

Racquetball Tourney In Last Week Of Play

The Avon Park Recreation Department Racquetball Ladder Tournament is in the last week of play. The top three spots in all the divisions are as follows:

Women's singles "S" ladder-3rd-Peggy Sismore, 2nd-Judy Lewis, 3rd-Betty Amburn.

In the challenge match between Lewis and Amburn, Amburn retained

they are all still growing up.

The young coach says that fans can look for the Devil jayvees to use a pressing defense and hopefully an aggressive offense as the young, inexperienced players go against some tough competition this season.

The Avon Park junior varsity will play the same schedule as the varsity with the exception of the Heartland Conference Tournament to be held in the new Lake Placid gym Jan. 28-29.

her first place with a victory.

Women's singles "B" ladder-3rd-Patti Kelley, 2nd-Candi Payton, 1st-Coye Brenner. Brenner defeated Kelley 21-19 and 21-14 to take that No. 1 spot dropping Kelley to third place. Payton won over Guenther 21-19 to win her second spot.

Women's doubles-3rd-Brenner-Kelley, 2nd-Rewis-Sismore, 1st-Amburn-Wood.

Men's singles-3rd-Ronnie Jackson, 2nd-Curt Hardin, 1st-Dennis Guenther. Men's doubles-3rd-Guenther-Baker, 2nd-Wood-Marquez, 1st-Hardin-Godwin.

With only one more week left in the tournament, there should be several more challenges for the top spots in all divisions.

Devilettes Impressive In Jamboree

An impressive showing in the pre-season girls basketball jamboree by the Avon Park Red Devil girls team with a low-scoring 5-3 win over Hardee High in the first quarter and a 14-4 victory over Frostproof in the fourth period may indicate a vastly improved season for Coach Sherri Lee's Devilettes this season.

The Devil girls opened the 1977-78 season last Tuesday night here at the Avon Park High School gym in a lone game against Fort Meade after the two boys games were postponed due to the Miner's participation in the state football play-offs.

Tomorrow night, Friday, Dec. 9, the Devil girls will be at home to the Hardee High girls in a 7 p.m. start while the two boys team travel to Sebring to take on the Blue Streaks boys. Next Monday night, Dec. 12, the Devilettes will go to Sebring for a game with the Sebring Blue Streakettes in the final pre-Christmas game.

Coach Lee managed to play all of her eligible girls in the two quarters of the jamboree which was held here at the Avon Park gym with Lake Placid, Frostproof, Hardee, and Sebring taking part along with the Avon Park team. Avon Park met Hardee in the first quarter of play and came out on top of a low-scoring eight minutes 5-3 as Thelma Wessels, Katrina Comer, and Debra Cox all hit for one basket each.

Hardee turned around and won over Lake Placid in the second quarter of play, Sebring defeated Lake Placid in the

third period, Frostproof defeated Sebring in the fourth quarter, and then Avon Park held Frostproof scoreless for 7 of the 8 minutes of play the final quarter to take a 14-4 win. Meg Schuler, Delorice Cox, and Bernice Taylor all pumped in four points each for the Devilettes and Ellen Macklin and Laurie Welch added a free shot each for the 14 point effort.

Last Tuesday night against Ft. Meade, Coach Lee hoped to get as many

girls into the action as possible. The play of the girls in that game will determine the starting line-up against Hardee here tomorrow night. Coach Lee plans to use freshmen in line-ups with juniors and seniors with a year's experience to bring the squad along this year.

The defense of the Devilettes was perhaps the most impressive part of their game in jamboree play. Coach Lee says that they will play an aggressive zone

defense hoping to steal the ball and take advantage of the point player's speed for some fast break lay-ups.

Fans who were disappointed in the play of the area girls team last season may be in for a surprise this season as a year of experience and a more positive attitude is expected to produce some exciting, well played games in the Heartland Conference and this area.

BETHUNE-COOKMAN COLLEGE defensive tackle Alcius Snell made the All-Southern Intercollegiate Athletic Conference football team for his play this past season with the Wildcats who finished with an 8-4 over-all record. Alcius is a former Avon Park Red Devil athlete in his junior year at the Daytona Beach College.

Couple's Scramble At River Greens

A Couple's Scramble was held on Sunday, Dec. 4, with the team of Ken and Dot Wilson and Ken Ourant and Pat Yanai winning first place with a 63. There was a tie for second place between the team of Stan and Gert Fluker, Elmer and Louise Gregg; plus Bill McLaughlin and A. P. and Doris Yanai and Harold and Mary Ellen Kline Delaney with a 66. A covered dish dinner was held after play.

The regular Ladies Pro-Am Tournament was held Mon., Dec. 5, with 26 ladies participating. The team winners were Louise Pfeffer, Allen Williamsen, Ruth Dardin and Ellie Griffin. The A flight winner was Bea Hansel; B flight winner was Allen Williamsen; C flight was Halie Penney; and D flight was Dorothy Wilson.

Two holes-in-one have been scored recently. Aggie Dowling had a hole-in-one on the Par 3, No. 3 hole, and Jack Osborne holed out on the Par 3, No. 12 hole.

Three Ex-Red Devils End Bethume - Cookman Season

Three former Avon Park Red Devil athletes closed out the 1977 football season at Bethune-Cookman College in California last week as the Wildcats last out in the first round of the NCAA-Division 2 play-offs. The Daytona Beach College team finished with an 8-3 regular season record before traveling to California for the play-off match.

Playing his last game for Bethune-Cookman was Avon Park's Nate Packer who saw action as offensive tight end during his four years at the Daytona school. Packer was injured off and on during this season according to Coach Andy Hinson, and didn't get to play as much as had been expected of the big end.

Junior defensive tackle Alcius Snell had a really good year at B-C and was chosen all SIAC All-Conference. Coach Hinson said of Alcius this week, "We are expecting another All-Conference performance from this young man next season. He was outstanding for us at the defensive tackle slot this year."

Sophomore fullback Ricky Claitt was bothered by nagging injuries this season after having a super freshman year with the Wildcats. "He just never could get well enough to go full speed this year," commented Coach Hinson. "I'm not sure if he'll be back next season."

All three Avon Park players were seen recently on TV when the Wildcats played Morris Brown in Atlanta. Coach

Ronnie Jackson of Avon Park High School pointed out that Packer earned four letters in football, two or three years in basketball, and played two years of baseball for the Red Devils before he graduated in 1973.

Ricky Claitt was a 1974 graduate at A. P. H. S. and was an all-conference fullback his senior year. Ricky also played basketball and baseball his senior year.

Big Alcius Snell, 6'5", 275 pound lineman, was the subject of a Orlando Sentinel Star feature story recently. Staff writer Brian Schmitz wrote of the tubby, 350 pounder who reported to Bethune's campus at the end of his senior year in high school. Athletic Director Tank Johnson told Alcius to go home and drop off fifty pounds and he could try out in the fall for the Wildcat team.

Schmitz wrote that Johnson figured that was the last he had seen of the Avon Park youngster. But Alcius went home and ran and sweated and painfully fasted until he had lost 35 pounds. The determined tackle made not only the Wildcat team but also made the all-Southern Intercollegiate Athletic Conference team.

Snell was quoted in the Article as saying, "The thing that turns me on is the contact, punishing the other fellow. I'm not mean off the field. On the field it's my job."

Avon Park football fans who remember the years Alcius played for the Red Devils will vouch for the truth of that statement.

Devil Girls Take Opening Game With Ft. Meade

Coach Sherri Lee's Avon Park girls basketball team defeated the Fort Meade girls by a score of 41-21 last Tuesday night at the Avon Park High School gym in the opening game of the season.

After getting off to a slow start, the Devilettes gained confidence and finished strong. After one full quarter of play Avon Park led 3-2, but the Avon Park girls hit 13 points in the second quarter to hold a 16-8 advantage at halftime. In the third period, Avon Park surged ahead scoring 11 points while holding the Minorettes to just 4 points for a 27-12 score at the end of three periods.

Coach Lee substituted freely in the first period. Twelve different Devilettes scored in the 41 point effort.

A tight 1-3-1 zone defense by the Red Devil girls proved too much for the Ft. Meade team which was also playing its first game of the season. Thelma Wessels, Red Devil forward, led the scoring with 15 points on six field goals and four free shots. Also scoring for Avon Park were Meg Schuler (3), Kathy Wiggins (4), Ellen Macklin (1), Lauri Welch (2), Linda Rowe (1), Katrina Conner (4), Delories Cox (3), Tammy Ostling (3), Debra Cox (1), Annette Blake (2), and Bernice Taylor (2).

The Avon Park girls will host the Hardee High ladies here at the high school gym Friday night at 7 p.m. in a Heartland Conference game.

RELEASING A JUMPSHOT is Red Devil forward Linda Rowe (22) over a Hardee girl cager's head during the first period of play in the girls basketball pre-season jamboree held here last week. The Devils won the quarter of play by a low score of 6-3. Sunphoto by Tom Fleming.

KEITH ALBRITTON STRETCHES the wings of a 15 pound turkey shot last Wednesday afternoon west of U. S. 27 and north of the county lines. Sunphoto by Lew Miller.

Albritton Gets Lone Gobbler

Hunting since daybreak Keith Albritton and Doyle Roan both took a shot at a turkey gobbler about 3 p.m., last

Wednesday. Hunting on horseback they had seen little game until the turkey popped up, in the area north of the high

Highlands-Polk County line west of U. S. 27.

Keith estimated that the turkey weighed about 15 pounds. Having found some of his shot on the bird, Keith felt it was his shot that killed the gobbler, and he had the bird in his possession.

Bombing Range Open For Weekend Hunting

The Avon Park Bombing Range will be open for hunting on the weekend of December 10 and 11 to hunters possessing State Wildlife Management Area Permits.

The Florida Game and Fresh Water Fish Commission will have personnel on duty at the Main Gate and Frostproof

Gate Check Stations between 5 a.m., and 9 p.m. Saturday, December 10.

The Check Stations will be open between 5 a.m., and 8 p.m. Sunday, December 11. Confirmation of the above dates and times can be obtained by calling 813-452-4223.

Robyn Young, of Avon Park, shot an 11-point buck on Monday, Nov. 28. The deer was shot at 125 yards using a 6mm rifle. One shot was enough to down the big buck. Robyn dressed the carcass out and put all 140 lbs. in the cooler.

Robyn had been hunting with Buddy Price, Sam Elder, Johnny Elder, and Terry Elder on a private ranch for about

ten minutes when he bagged the deer. Robyn claims that he saw four other deer before deciding on the 11-pointer. One was said to have had four points.

This was the first large deer Robyn has taken since starting hunting 16 years ago. It was also his first deer for this season.

The Grasshoppers, an organization of women pilots met last Wed., Dec. 2, at the Avon Park Airport. They were met there by Anna Belle Wordan, as a representative of the Chamber of Commerce.

After a "coffee break", the ladies were bused to the Avon Park Bombing Range-Gunnery Range. "While there they observed two A-37's and some B-2's in operation, they were scheduled to observe F-4's but

operations were extremely limited because of low ceilings," stated Major Sovin, their guide and escort from the range.

They ate lunch in the famous Dunne's Diner, on base, and afterwards Col. Don Griffing gave a slide briefing of the Range, its facilities, and operations. The ladies were then escorted back to the Airport where some of them had flown in for this occasion.

College Offers Real Estate Course

South Florida Junior College will offer Real Estate Principles and Practices I in Lake Placid Wednesday evenings during the spring semester. Edgar Dickerson will be the instructor for the class, which will begin Jan. 4 and end April 26.

Real Estate I is a study of the accepted principles and practices in the real estate

field including all facets of the law. The course covers ownership, contracts, titles, deeds, costs, mortgage instruments and other areas important to the real estate salesperson. Successful completion qualifies the individual to take the salesman's examination. The course may be taken for three hours of college credit or for

audit. Anyone planning to take Real Estate Principles and Practices I must register at the college during spring

registration, Jan. 3-4. Further information about the class may be obtained from SFJC or by calling 453-6661, extension 123, in Avon Park.

Coin Club To Meet

The Ridge Coin Club will hold their next meeting, Mon. Dec. 12, at 7:30 p.m., at the upstairs meeting room of the Barnett Bank of Sebring.

There will be a guest speaker and auction. All visiting and local coin collectors are invited.

Devils Ch-a-a-t-t-e-e-r-r

By Joel Wright

Today's education has become more than just a regular classroom procedure. Students with special problems are provided with special instruction and classes. One of these classes is Learning Disabilities taught here at Avon Park High School by Mrs. Garner.

According to Mrs. Jimmie Garner, "The Learning Disabilities Classroom is operated at A. P. H. S. as a Curriculum Lab. Students qualifying for this program receive tutorial help as well as remedial assistance in reading and math skills."

"To qualify for the program, a student must take a battery of tests. These tests must then be reviewed by a group of teachers, guidance counselors, psychologists, and administrators before the student is officially placed in the program."

"The major requirements are that the student is of average intelligence and the student needs some help in reading, math, or study skills. A student stays in the Curriculum Lab until he feels he is ready to pass regular classes without any help or until the teacher or his parents request that he be removed."

"Some teachers allow students to take tests in the Curriculum Lab, and others send students to the Curriculum Lab for extra help during the regular class period. This helps the student by

giving him more individualized instructions, and it may help the teacher by reducing the class load during the period."

Mrs. Garner became interested in working with students experiencing difficulties when she was a reading teacher at the A. P. Middle School. "So many students seemed to have problems," began Mrs. Garner, "that are very difficult to correct in a group situation. In the Curriculum Lab, I'm able to deal directly with students on a one to one basis. This type of instruction is more rewarding!"

The help that Mrs. Garner gives in the Curriculum Lab to A. P. H. S. students help them to reach a better understanding of the importance of education.

Bret Atkins

This week's feature senior Bret Atkins came to school here in the tenth grade.

Since he has arrived, he has become corresponding secretary of the Key Club, editor of the Annual Staff, and treasurer of the Fellowship of Christian Athletes.

Bret was born in Ft. Pierce, Florida, and lived there for four years. He also lived in Oklawaha for ten years before arriving here his sophomore year.

After graduation from A. P. H. S., Bret plans to attend either the University of South Florida, or Florida State University where he will seek a major in mass communications.

He has already started out on the right foot towards his aspiration of being in the field of radio and television by being the afternoon voice on WAFB.

Speech Offered By S.F.J.C.

Introduction to Speech will be offered Thursday evenings during the upcoming spring semester at South Florida Junior College. This course will cover two basic areas. The first will be a study of the development of rhetoric from the Greeks to the present. The second will take a look at the process of verbal communication as it applies to contemporary society.

The basic elements of communication will each be analyzed resulting in preparation and delivery of various types of speeches. This course is required for anyone seeking either an associate of arts or associate of science degree. Introduction to Speech has not been offered on campus at night since 1975.

Registration for the spring term is Jan. 3-9. Classes begin Jan. 4. Anyone desiring further information about spring semester classes should contact the director of admissions at SFJC or call 453-6661, extension 135, in Avon Park.

Bret has enjoyed his last two years here mostly because of the atmosphere of the school. "I like the friendly atmosphere around here," he said. "My school in Ft. Pierce had more people in the freshman class than we have enrolled in our whole school. It really makes a difference."

Brojek Named To Educational Council

Chet Brojek, an Avon Park High School English teacher, has been named to the state Educational Professional Practices Council by Commissioner of Education Ralph Turlington this week. Brojek's three year term will run from January 1, 1978 to December 31, 1980. Chet was one of only two secondary educators throughout the state named to the council. The PPC monitors the professional activities of educators within the state.

Brojek is a graduate of Edinboro State College in Edinboro, Pennsylvania and has done graduate work at the same institution. He is currently President of the Highlands County Education Association. Besides the local association, he belongs to the Florida Teaching Professional-NEA and the National Education Association. He was named "Teacher of the Year" for Highlands County in 1976. He has served as the chief negotiator for the HCEA for the past two years in its bargaining with the Highlands County School Board.

Chet is, also, the track and cross-country coach at Avon Park High. He was named State "Coach of the Year" for 1973 for directing his team to a state Cross-Country Championship. As recently as 1976 and 1977 he has been named Heartland Conference "Coach of the Year" in both track and cross-country. His 1977 track team finished second in the class AA state meet.

Brojek is married and he and his wife Christine make their home at 342 Grand Prix Drive in Sebring. Christine teaches second grade at Fred Wood Elementary in Sebring, and has also taught in the Avon Park schools. Both the Brojek's have taught in the Highlands County Schools for ten years. Chet, also, taught one year in Pennsylvania for the Meadville, Pa., school district.

Brojek will be sworn in for the Professional Practices Council January 11, 1978 in Tallahassee, Florida. The local educator is looking forward to serving the state educational system through his service on the PPC.

Spring Term Enrollment Accepted Now

Applications for admission to the spring term are now being accepted at South Florida Junior College. Prospective first-time (full-time and part-time) students are urged to submit their applications now in order to save time when they come to register. Early filing permits admissions office personnel to prepare the student file prior to registration which greatly reduces the time it takes a student to register.

Anyone who has ever taken a college level course at SFJC has already filed an application for admission and does not have to do so again. Once a person files application for admission he may enroll at the college — either as a full-time or part-time student — for any term, even though he may never have attended SFJC or may not have attended for several years.

Beginning students should check at the admissions office before Jan. 3 to see if their files are in order.

Applications and spring semester schedules are available from the admissions office at SFJC or by calling 453-6661, extension 135, in Avon Park.

Bonnie Brae Mobile Park News

By Margie Wells

There was standing room only at coffee hour last week. Hostesses were Merle Carroll and Margie Wells. Guests and residents who had recently arrived were recognized. Rina Asher gave a reading which pointed out the little known facts which most people don't know. Ellen Hunt gave a report on the meeting of the Federation of Mobile Home Owners.

Dan Bohland received a big round of applause when he announced that he would furnish the turkeys for our Christmas dinner and also the fact that he was making a new spot, in our new section, for a picnic area and barbecue. However, he does need some help in pulling weeds!

Bonnie Brae was commended at the Federation of Mobile Home Owners for their large representation with 30 of our residents attending. Various reports were given by the outgoing President, followed by a question and answer session during which many issues were clarified. The Federation has done much to help mobile home owners and any of our residents who are not members should contact Ellen Hunt or Thelma

Miller if you would like to join. Roy Podelwels arrived this week from Janesville, Wis. His daughter-in-law, Betty (otherwise known as "Fred"), accompanied him and they made the trip in two days. That new car of Roy's really has the power! Betty returned to her home on Monday by plane.

Eather and Bud Leonard also arrived this week from their home in Michigan. They were delayed several hours and had to stay overnight in Berea, Ken, because of an ice storm. Eather said she hoped they would never have another trip like that one.

Mr. and Mrs. James Suydam and pet, Ripper, of Fort Lauderdale visited Thelma Miller on Saturday. They were en route to St. Petersburg for a few days. A delicious dinner was enjoyed at Pia Luigi's Restaurant followed by a game of "cut-throat" pinocchio. Incidentally, Thelma had dinner out four days straight last week and entertained Roy Podelwels and daughter-in-law "Fred" for dinner on the fifth night. Is that a new way to take inches off your waist line? Word has been received that Althyn Lee Hoffman, former resident of Bonnie

Brae, had to leave Hollywood, Fl., because of illness. She is now with her sister, Marie, in Rochester, N.Y.

Rozzie Parkhurst who has been ill for the past two weeks is improved but still isn't able to be out. We hope you will be completely well soon, Rozzie, and will be able to be with us again. We miss you.

Dorothy and Karl Hart have the most beautiful amaryllis. If

you haven't already seen it, please stop by their home. We're sure they would be more than happy to show their flower-sand also their tomatoes!

We have been asked to announce that shuffle board is played every day at 1 p.m., and anyone who would like to join this group is more than welcome.

Luminaries To Decorate First Presbyterian Church

The circle in the front of the First Presbyterian Church will be lit by luminaries on Wednesday, Dec. 14 at 7 p.m. The luminaries are being made by the Sunday School classes. They consist of a decorated paper bag filled with sand and a candle. When lit, these produce an orange glow.

The circle luminaries are in conjunction with the Sunday School Christmas program to be held the same night. The program is an annual event in the life of the church.

This year's program will be one of traditional Bible Christmas story readings, poems and Christmas carols. The highlight of the program will be the candlelight recessional by the boys and girls.

Obituaries

FRANK GERLOCK, Sr., 82, passed away Wednesday, Nov. 30 in the Winter Haven Hospital. He was born in Huntingdon, Penn., on September 14, 1895. He served in both World War I and World War II, holding the Rank of Major. He also served as the Commanding Officer of the Altona Induction Center and of the Harrisburg Induction Center in Pittsburgh. He was employed by Pennsylvania Railroad as a Car Inspector. He came to Avon Park in 1954. He is survived by three sons, Jim Gerlock of Wyckoff, N. J.; Donald Gerlock, of Valdosta, and Frank Gerlock, Jr., of Key Largo. He also leaves ten grandchildren and five great grandchildren.

Visitation was from 2 p.m. until 9 p.m. Thursday, Dec. 1, at the Stephenson-Nelson-Smith Funeral Home in Avon Park, with services held Saturday, Dec. 3, in the Avon Park Cemetery. Burial was in the Riverside Cemetery at Huntingdon, Penn. Stephenson-Nelson-Smith Funeral Home was in charge of local arrangements.

Ina Pearl Hart, Mrs. Ina Pearl Hart, age 86, of 157 N. Florida Ave., Avon Park, passed away Sunday morning, Dec. 4 at the Community Center and Health Center in Gainesville. She was preceded in death by her husband, George Riley Hart in 1966.

She is survived by four daughters, Mrs. Mildred Robertson of Gainesville, Mrs. Myrtle Downs of Sebring, Mrs. Jewell Lincoln of West Columbia, S. C., and Mrs. Edna Larsen of St. Petersburg. She also is survived by three sons, Ernie G. Hart of Avon Park, Harold Hart of Lake Wales, and Howard L. Hart of Gainesville. She also leaves 11 grandchildren and 9 great-grandchildren.

Funeral services were held Tuesday, December 6 at the Stephenson-Nelson-Smith Funeral Home at 2 p.m. with the Rev. Paul Searcy officiating. Burial followed in the Bowling Green Cemetery in Hardee County.

Arrangements by the Stephenson-Nelson-Smith Funeral Home in Avon Park.

MAURICE F. SPURLOCK, Maurice F. Spurlock, 74, of Okeechobee, formerly of Avon Park, died Wednesday, Nov. 30 in Avon Park. A native of TTY, Ga., he had lived in Okeechobee since 1954 and was a resident of Avon Park from the late 1920's to 1944. He was a member of the Church of the Nazarene.

He is survived by his wife, Ethel Spurlock, of Okeechobee; two sons, William E. Spurlock, Avon Park; and Paul E. Spurlock, of Royal Oak, Mich., ten grandchildren and five great-grandchildren; two brothers, Bill Spurlock, of Lake Wales; and James Spurlock, of Avon Park; three sisters, Jewell McCuller, Indiantown; Noel Durrance, of Lake Placid; and Inez Underhill, of Okeechobee.

Funeral services were held Friday, Dec. 2, at 2 p.m. at the Church of the Nazarene in Avon Park with Dr. Robert Spear, Rev. Joe Benton, Rev. Byron Schortinghouse and Rev. John Demby officiating. Interment followed in Bougainville Cemetery, Avon Park. Arrangements were made by Fountain Funeral Home, Avon Park.

After the program a table of Christmas goodies will be served to all those attending. This is the first year the luminaries on the circle in front of the First Presbyterian

Choosing The Right Christmas Tree.....

The custom of a home Christmas tree originated in Western Germany several hundred years ago. German settlers introduced the custom

Episcopal Women Meet Dec. 14

The Episcopal Church Women of Avon Park will hold their regular monthly meeting on Wed., Dec. 14, in the Parish House of the Church of the Redeemer, after mid-week Communion. For this week only the Communion Service will be held at 10 a.m. instead of the usual 10:30 a.m. Business meeting will start at 10:45 a.m. A very special musical Christmas program will follow and it is hoped that members will make a special effort to attend. This is the beginning of the joyous Christmas season, so come and enjoy the music, friendship, and food.

Lions Club To Assist Santa Claus

Some of the Avon Park Lions Club members have volunteered again to be Santa Claus helpers with the local Christmas cheer project. Lion's Chairman of the volunteers, Kelly Phillips, has procured a nice assortment of toys, but many more will be needed to pack with the baskets of food which will be given to the needy families of our community. Any one wishing to donate to this worthwhile cause, call George Kelsey at 453-4201. He will direct you where and when to leave your gifts, or someone will come by to pick up your Christmas contributions. Let us all try to make this a very merry and joyous Christmas for these needy families and children instead of just another day, Dec. 25.

Retired Persons To Meet Dec. 14

On Wednesday, Dec. 14, at 12 noon, the Highlands County Chapter 222 of the American Association of Retired Persons will be having a covered dish lunch. Members are urged to bring food and table services. The meeting will be at Gracey's No. 2, at 1 p.m. The meeting will consist of the installation of the new officers for 1978 and other pertinent business. After the business Lloyd Jones and Bill Thomas will lead the group in Songs of Welcome. Everyone is welcome and invited to attend.

4-H Club To Meet This Saturday

Highlands County's 4-H Livestock Club will meet at 9 a.m. Saturday at the Agri-Civic Center, U.S. 27 South, for a trip to the Buck Island Ranch, south of Lake Placid. Cattlemen's Association President Dan Childs will present a showmanship and grooming clinic for club members, who are reading beef steer entries for the February Highlands County Fair.

Funeral services were held Friday, Dec. 2, at 2 p.m. at the Church of the Nazarene in Avon Park with Dr. Robert Spear, Rev. Joe Benton, Rev. Byron Schortinghouse and Rev. John Demby officiating. Interment followed in Bougainville Cemetery, Avon Park. Arrangements were made by Fountain Funeral Home, Avon Park.

Church have been placed there. There is a cordial invitation to the Candlelight program and to viewing the luminaries on December 14.

Species of Christmas Trees

Balsam Fir — Excellent needle retention, twigs grow at right angles to each branch resembling a cross, good fragrance.

Douglas Fir — Excellent needle retention good fragrance, needles attach to the branch.

Blue Spruce — Poor needle retention, firm branches, fragrance not as good as the fir.

White Spruce — Poor needle retention, more fragrant than Blue Spruce.

Scotch Pine — Excellent needle retention, firm branches, not as fragrant as fir, large base.

White Pine — Large needles, excellent needle retention, branches are not firm, not as fragrant as fir.

Red cedar — Extremely short, dark blue-green, scale-like leaves, weak branches.

Determine where in the home the tree will be displayed. This will dictate the size of tree selected.

Choose a dealer where the trees are displayed well. Look for a fresh tree.

Good green color for species may be difficult to determine since many trees are artificially colored.

Look for a tree with full, bushy appearance and good shape.

Select a tree with sturdy branches.

Care of Christmas Tree

If you buy your tree several days before it will be set up, store it outside. Cut the butt of the tree at a diagonal 1 inch above the original cut and place it in a container of water in a shady cool place.

When you bring it in, saw the butt again, squaring off the diagonal.

Place the tree in a stand which contains water. Keep the reservoir filled (check daily).

Place the tree in the coolest part of the room away from the fireplace, radiator, airducts or TV sets which would tend to dry out the needles.

Open flames, such as candles, should never be used on or near the tree.

Check all Christmas tree lights for loose connections or worn wires.

Avoid overloading lighting circuits. Never leave your home with the tree lights on.

A prayer is intended to be a beautiful communion with the Almighty, but we sometimes turn it instead into a request for some material gain; often of doubtful benefit. To do so is to dishonor God by assuming that He is not already aware of your needs. So go to your Church this Sunday and pray for His guidance to help you become a better person. And, instead of attempting to give God information, just thank Him for what you already have and reaffirm your trust in His infinite wisdom in knowing what is really best for you.

Who rises from prayer a better man, his prayer is answered.

— George Meredith
