Womans Club In Planning Session

The Woman's Club of Avon Park met on Friday at the clubhouse for a noon luncheon, followed by an enthusiastic and productive planning session.

Fund-raising projects for the immediate future were announced. On Saturday, October 22, a Soup Day will be held at the clubhouse. Home-made soup and pies will be featured, and the public may either lunch there, or take home these delicious products.

On Saturday, November 12, the women will hold a rummage sale at the club. There promises to be a wide range of good, used items for sale.

Proceeds from both of these activities will be placed in the Building Fund.

Mrs. T. Hayes Maxwell issued an invitation to all interested members to attend the annual meeting of the Old Settlers' Historical Society of Avon Park. This will be a covered dish supper at 6 o'clock on Thursday, October 27 and will be held at the Congregational Church.

The guest speaker will be Mimi Hardman, of Lake Wales, the moving spirit in the development of the Lake Wales City Museum.

Housekeeping Department Of Hillcrest Nursing Home Receives Special Recognation For Cleanliness

Mary C. Palmer R.N. New Director Of Hillcrest Home

The Hillcrest Nursing Home is pleased to announce Mrs. Mary C. Palmer, R.N., as their new director.

Mrs. Palmer was born in Zolfo Springs, Fla. she is a graduate of Hardee County High School and Gordon Keller School of Nursing, Tampa.

She was supervisor of Nurses and Asst. Director of Nurses at Hillcrest Nursing Home for six years.

She is replacing Mrs. Doris McClellan, R. N. who is resigning in order to have more time to spend with her family.

Recently, Ruth Kipp, Lonie Hay, Carrie Hutchinson, Martha Kipp, Judy Rayoer, Geerve Scott Alice Tucker, Lily Rayner, Braulio Vincent, and Helen Scott, head of the housekeeping Dept. received a certificate of special Recognition for maintaining a "Dutch Standard" of cleanliness at the nursing home.

The "Dutch Standard" is a cleanliness award which is internationally recognized among ships. This term came into being when ships were our main means of transportation. An organization was formed to inspect the ships for cleanliness, and the Dutch ships were the cleanest in the world, hence the name "Dutch Standard."

All information provided the bureau is confidential by law and can be published only as statistical totals in which no individual or household can be identified.

G.E.D. Test At SFJC

Gene Statler, director of Vocational and Adult Guidance at South Florida Junior College, has announced that the next series of tests for qualified adults to obtain a high school equivalency (G.E.D.) diploma is slated to be given Oct. 18, 19, 20 from 6:30 p.m. to 10:30 p.m. in classroom 121 at the junior college.

The diploma constitutes the legal equivalent of a

The diploma constitutes the legal equivalent of a high school diploma and can be accepted by employers and training agencies.

The examination consists of five separate comprehensive tests covering English expression, natural science, general mathematics, social studies, and literature. Each test takes approximately two hours and it usually requires 3 evenings to complete the five tests. The application forms must be completed and submitted to Statler before Tuesday, Oct. 18. The $10 testing fee is payable on the first night of testing.

Anyone desiring further information about the G.E.D. tests should contact Statler at SFJC or call 453-6661, extension 119, in Avon Park.

Locke Vice President Of Telephone Company

Claude E. Locke has been nominated to become vice president and general manager of the United Telephone Company of Florida on November 1.

Locke has held a similar position since last May with the Florida Telephone Corporation — also a United System affiliate — in Leesburg. A 31-year FTC employee, he served the company as vice president-operations for eight years prior to his appointment as vice president and general manager of that company in May of this year.

Locke will succeed David R. Kanagy who has been nominated vice president-service for the United Telephone System-Florida Group at Altamonte Springs, effective November 1.

E. P. Kittinger, Florida Group president, said Locke's broad knowledge of telephone operations and his experience in dealing with rapid customer growth around Disney World auger well for his assignment to southwest Florida.

Locke has served in many volunteer civic and trade capacities while in Leesburg. He is a 25-year member of Lions International, former district governor, and recipient of many Lions awards. A former president of the Winter Garden Chamber of Commerce, he is a director of the Leesburg Chamber and the greater Leesburg United Appeal. In 1970 and 1971, Locke served as president of the Florida Telephone Association.

Nominated to replace Locke at Florida Telephone Corporation is Joe P. Salyer, chief engineer of United's southeast group at Bristol, Tennessee.

All nominations are subject to appropriate action by the boards of directors of both Florida companies, Kittinger said.

Man Ordered To Pay Victim

An Avon Park man who pleaded guilty to an aggravated battery charge has been ordered to pay his victim $1,900.

Hayward Scott had been charged with using a shotgun barrel to beat Gordon Talbert. When arraigned in circuit court Scott pleaded guilty.

Judge Clifton M. Kelly directed that Scott be placed on probation for five years. He is to serve six months in county jail as a condition of probation.

High Speed Chase Results In Arrest

David Hugh Lanier, 18, of 310 Mat-Lo Ave., Sebring, was arrested early Saturday morning by Highlands County sheriff's deputies following a high speed, eight-mile chase that started in Avon Park and ended on Holmes Road in Sebring.

Officers report that Lanier and another motorcyclist were driving south on U.S. 27 in Avon Park. The pair of cyclists were passing each other within the right-hand southbound lane and were traveling at about 60 mph in a 45 mph zone.

When the deputy signaled the two to stop, the cyclists sped across an open field for about a quarter of a mile. Apparently the second cyclist eluded officers who gave chase to Lanier.

In his attempt to flee, Lanier traveled on SR 25, SR 17 A and Downing Road. Lanier also went in and out of groves along the chase route. At times speeds reached 100 mph.

Lanier was taken to county jail. He posted $774 bond and has been released.

Deputies were assisted in the pursuit by Avon Park police and Sebring police.

New Investigator For Public Defenders Office

DURING THE LIONS Club glaucoma check last Friday, Bernard Clayton came in after getting off work at Minute Maid to have his eyes checked by Dr. Ron Sevigney. Sunphoto by Lew Miller.

Lions Club Sponsors Glaucoma Clinic

In observance of the annual "World Lion's Service Day," the Avon Park Lions Club held open house with a free glaucoma check, at the Lions Den on West Bell Street, on Friday, Oct. 17, from 3 to 7 p.m.

Ninety-three persons took advantage of this service and a number of people signed "Eye Will" pledge cards, donating their eyes to the Florida Eye Bank. Contributing one's eyes to this worthwhile cause is a very humanitarian and noble act, enabling less fortunate people to be blessed with better vision, after the donor has passed on.

The glaucoma check was conducted by Dr. Ronald Sevigney with several club members assisting.

For the next two Tuesdays mornings, Oct. 18 and 25, Dr. Sevigny, with the help of several other Lions members will check children's eyes at the Hopewell school. This is also an annual event during the World Lion's Service month.

If any of the children require any visual correction or glasses their parents will be notified.

IN THE EARLY hours of the glaucoma clinic at the Lions Club many people had to wait for their turn. Over 90 people took advantage of the free check-up. Sunphoto by Lou Nickoley.

Highlands County's new public defender's office investigator has a background varied enough to relate to many of the people who come to his office for help.

Alfredo de la Torre, who has worked for the past two months as investigator, is experienced in jobs ranging from loading trucks to managing a chicken farm. There have been several other jobs he has handled since leaving Cuba in 1961.

De la Torre was an attorney in Cuba for 14 years before Fidel Castro came to power. Following Castro's rise each of de la Torre's three brothers and all but one of his five sisters came to the United States.

His siblings are now scattered throughout Florida and other states, but the de la Torre, family settled in Winter Haven 12 years ago.

The move to Winter Haven came when the company he worked with transferred operations there from Miami. He worked for Florida Rum Co., one of several employers he's had since coming to America.

In Miami he worked as a cook for Royal Castle. "I had never cooked before, but now I can flip hamburgers and eggs into the air," he said with a flourish of his arm.

The former attorney also killed rattlesnakes at an Everglades area sugar refinery and was a construction worker on a Miami factory.

He feels the move to Winter Haven was "a beautiful step to take," Like many other parents, de la Torre and his wife, Josefina were concerned about the stresses of urban life and its effects on their sons, Alfredo Jr. and twins, Carlos and Ernesto.

In Miami, like other large cities, "It's easy for bad things and hard for good things to happen to your kids." he said.

At Winter Haven his sons were active in various sports. They worked each summer in phosphate mines to raise the money for college expenses. Alfredo attends the University of Florida and the twins are students at the University of South Florida.

Like his sons, de la Torre is no stranger to hard work and is proud of the firm biceps labor has produced.

A few years ago Florida Rum Co. changed hands and de la Torre looked for other work. He went into real estate at about the time interest rates were soaring and the housing market began to slump.

After this job he managed an egg processing factory that went bankrupt and then tried running a massive chicken farm where there were 1,000,000 white Leghorns and 250,000 Rhode Island reds to tend.

"Whew, don't ever try that!" exclaimed.

Then came a period of about six months when he had no employment. "I was beginning to think I was a jinx."

This period ended when a friend suggested he try working in the public defenders' office in Winter Haven. His job there started about two years ago and lasted until he accepted the post with the 10th Judicial Circuit Court in Highlands and Hardee counties.

He divides his time between the two counties spending three days a week in Highlands County and two days in Hardee County.

"I like it here," he said of his new job.

One of the main differences he has found between American and Cuban law centers on the criminal legal system.

Latin law was aimed at being strong, while American law is varied with 50 different state systems and one federal system. There is inconsistency of penalties from one state to another for the same crime.

Although he passed examinations in English to qualify for legal work, he has not taken the necessary three semesters of work needed to become a practicing American lawyer. The time required for the college work would have meant leaving his regular job two days a week and driving to either Gainesville or Miami for classes.

The rapid talking de la Torre said he'll never learn to speak English well because, "I talk too much."

He has been an American citizen for several years but still has strong feelings for his native Cuba. His family's roots extend back to the early 1500s in Cuba.

"You can't find another country like America in all the world, but I still cry for Cuba."

His family was able to leave on a flight from the island nation before tight restrictions cut air service completely. He said, "It's funny to feel the fear the communists can put into you."

Despite his life's many hardships, de la Torre is opimistic. "I see miracles everybday. The sunrise is like gold coming. It's a beautiful life."

In addition to his legal work and family activities, he is a special minister of the Catholic Church. On Sunday he visits hospitals and goes into shut-ins' homes for holy communion.

His optimism seems to stem from an attitude toward life. "Life for me is always an adventure. If you live that way you have hope. You live a sane life and you're happy."

His outlook on life coupled with his varied work experiences are helpful in his work as an investigator. De la Torre said he has learned a great deal about people by watching them work.

"I'm happy here. I have a good life and good friends," he said. "I have what I want. My kids are in freedom."

October Designated As Lions Promotional Month

The month of October has been designated as "Lions Promotional Month" and Oct. 8 as "World Lions Service Day". Due to unavoidable circumstances, the special service day for the Avon Park Lions Club was held on Friday Oct. 7 with a glaucoma clinic at the Lions Den on West Bell Street.

Another project sponsored by the local Lions is an eye examination of the elementary school children at Hopewell School on the morning of Oct. 11, 18 and 25. Dr. Ron Sevigny will be in charge, assisted by other members of the Club.

Other upcoming events will be the Halloween barbecue at Donaldson Park on Oct. 29. Serving will be from 4 to 7 p.m.

And not long after that will be the annual Lions Auction on November 12th. We are looking forward to a big day. The Auction will be held in the parking lot of the Dollar Store, starting at 1 p.m. Don't forget the date, and also we wish to remind the people of Avon Park that any donations of usable merchandise will be greatly appreciated.

The proceeds of the auction is all spent on sight conservation and the purchase of glasses for the underprivileged. Any one having any articles that they would like to donate to this worthwhile cause, call Albritton's Barber Shop or any member of the local Lions Club and they will arrange to have picked up before Nov. 12.

We also want to mention that the containers for TV Stamps on the check out counters at the Thriftway Store, and the S. & H. Green Stamps at Wells Motor Co. are prodjucing very gratifying results. Thanks for your cooperation.

United Methodist Women Hold Annual Meet

The Lakeland District United Methodist Women will hold their annual district meeting on Oct. 20, 1977 at the First United Methodist Church, Bartow from 10 a.m. to 2 p.m.

Dependency Hearings Dominate Court Sessions

Dependency hearings have dominated recent sessions of Highlands County Juvenile Court. One case wound up on both the dependency and delinquency side of the court's work.

As Children and Youth Services (CYS) counselors explained, the youth had been placed in temporary custody as a dependent youth. Before the formal hearing in court, the youth was involved in an auto theft and when he came to court he was facing a delinquency count too.

Judge Clifton M. Kelly adjudicated the youth a delinquent and assigned custody to CYS.

In a delinquency hearing a youth charged with burglary and petit larceny was adjudicated delinquent, placed on probation, ordered to pay $83 restitution, ordered to study a criminal law booklet. Supervision of this case has been transferred to Missouri.

In one of the dependency hearings the children were continued in foster care and the mother was directed to enter an alcoholism treatment program within 60 days.

In another dependency case the children were placed in foster care with CYS to supervise.

In two other dependency hearings the children were returned to their homes, however, CYS is to supervise the homes.

Free Films For Retired Presented At City Library

"Films With Billie And Estelle" has been announced by the Avon Park City Library. Every Tuesday afternoon at 2 p.m. beginning November 1st, Mrs. Billie Hise and Mrs. Estelle Fischer will present free films for retired citizens of Avon Park. These presentations will be shown in the air-conditioned comfort of the new Dawson Room at the library and will include travel films, National Georgraphic specials, nature studies, etc.

The November 1st program will present The Danube — a color feature depicting the grandeur of the Black Forest, the panorama of the Alps and the quietude of Czech, Austrian and Hungarian lowlands as backdrops for the beautiful Danube. Also to be shown is The Blue Men of Morocco — The story of a nomadic desert tribe, almost unknown to the outside world — the life, religion, customs and strange way of life of these people whose skin becomes blue from the dye in their clothing.

These films presentations are Free and are the first in a series of programs planned by Mrs. R. D. Moore, City Librarian, to encourage retired citizens of Avon Park to use and enjoy their library. Put Tuesdays at 2 p.m. on your calendar to spend an hour at your City Library enjoying free education and entertainment.

Remember: Free films for retired citizens every Tuesday at 2 p.m. City Library — Dawson Room beginning November 1st.

Suspected Encephalitis Case Reported Here

Last week Mrs. Hugh (Wiitie) Cloud, Sebring, while at work at the Sun office told of having headaches, of being tired and sleepy. Being at home brought no improvement for her. Hospitalized at Walker Memorial Hospital, at the beginning of the week her condition worsen with intervals of coma or unconsciousness. Tuesday morning, her physician, Dr. Sam King, sent Mrs. Cloud to Watsons Clinic in Lakeland to be under the care of a Virologist. Shortly, thereafter, according to reports, she slipped off into another coma.

Along with other symptoms, Dr. King explained the physician needs paired blood sample speciamens to make a positive diagonis of encephalitis or sleeping sickness. The first blood sample is taken early in the case with the second sample taken five to seven days later. The blood samples are sent to a state laboratory. A virologist compares the blood titers against various viruses to determine which form of encephalitis the patient has.

Recently the St. Louis encephalitis virus was isolated from a mosquito pool on the edge of Ft. Myers and state health officials were urging residents in that area to take normal precautions to avoid mosquito bites, by using window and door screens and to avoid being outside during the hour before sunset and the hour after dawn when mosquitos are most active. Those who must be outside should use insect repellants.

Two weeks ago a Boynton Beach woman became ill with encephalitis while flying home from New York, she died 13 days later at a Lake Worth hospital. A mosquito control team has sprayed the area from the the air, with the Palm Beach County Health Department stating that the encephalitis-carrying mosquito does not tend to go into houses.

A possible case of St. Louis encephalitis in Osceola County was essentially confirmed, but the patient has since recovered. Investigations indicate the infection probably occurred in Polk County with trapping and testing being done at a site near Lake Wales. But no mosquitoes with virus have been found to date.

The St. Louis encephalitis, carried by the Culex nigripalpus mosquito, was named after there was an outbreak of it in St. Louis, Mo., in 1933. In 1975 there were 30 deaths after the disease appeared in several states. During the first major outbreak of it, in 1962, 43 persons died in Tampa, with the last reported cases in Florida being in 1969.

The elderly are particularly vulnerable to the disease, according to the health officials. Generally not fatal, St. Louis encephalitis is marked by acute symptoms of headache, nausea, and high fever. It can result in disorientation, stupor, convulsions and coma.

In discussing the virus, Dr. Glenn Hough, Administrator of the Highlands County Health Department, stated that at the present time there was no trapping and testing being done for virus-carrying mosquitoes in the county.

The disease cannot be spread from person to person, said Dr. Hough, but it is transmitted from virus-carrying birds to humans by the mosquito.

There are other types of encephalitis, continued Dr. Hough, that can be had from measles or other infections.

Bonnie Brae Mobile Home Park News

By MARGIE WELLS

Congratulations goes to Ella Drake who won $100 at Eckerd's Drug Store in their promotion sweepstakes. Needless to say, she was a very happy person.

Mrs. Carole Hart of Fort Lauderdale and Mrs. Phoebe Mayotte of Hollywood spent part of last week with Thelma Miller.

Leonard Harsh of Fort Myers was a weekend visitor at the home of his sister and brother-in-law, Margie and P. D. Wells.

The Bonnie Brae Mermaids had lunch at the Ranch Cafeteria on Friday. Those attending were Ann Lockwood, Emily Webster, Helen Dyce, Ella Drake and Thelma Miller.

We received a newspaper clipping and picture of our neighbor, John Lassee who has just grown a huge New Guinea Bean — a 55 pound, 36 inch bean, now that's a lot of bean.

Dorris and Roy Mizer arrived back last week. We're glad to have them with us again this year. A number of our residents are due to arrive within the next week or so.

3 Year Old Struck By Car

Three year old Demetrius Gray was struck by a car driven by Ella Clarington Gilbert, 36, on Monday, Oct. 10. The accident occured when Demetrius Gray of 310 East 2nd street, Avon Park, exitted from a parked car and proceeded to run across South Verona Avenue. Mrs. Gilbert of 204 East 4th Street, Avon Park, was traveling north on South Verona Avenue and struck the running child on his left side.

Although Demetrius was unconscious momentarily he suffered only minor bruises. The youth was taken to Walker Memorial Hospital by a Highlands County Emergency Medical Service ambulance for overnight observation. According to Avon Park Police Officer Ron Hartsfield, no charges were made due to the unavoidable circumstances of the accident.

Top Scientists Cited For Accomplishment

Two of Florida's top agricultural scientists were cited for their outstanding research accomplishments and contributions to Florida's fresh vegetable industry. At the 34th annual membership meeting of the Florida Fruit and Vegetable Association plaques and honorariums were given to Dr. Paul H. Everett of the Agricultural Reserach Center, Immokalee Florida and Dr. Victor L. Guzman of the Agricultural Research and Education Center, Belle Glade, Florida.

The annual awards are made to encourage and recognize research of value to Florida's agricultural industry. The recipients were honored guests of FFVA during the annual meeting.

Leon Miller, Chairman of the FFVA Research Committee, in presenting the awards, siad "The Florida Fruit and Vegetable Association has honored researchers in this manner since 1956. It is our hope that the valuable work of all researchers will in this manner be recognized and that all researchers will feel that their work is truly appreciated by all members of this Association."

City Council

James A. Heim, architect, to draw preliminary plans for making the first and basement floors of city hall more accessible to handicapped persons, thus conforming with existing laws. It was revealed that Jim Heim's father had drawn the plans for the city hall about 50 years ago.

A public hearing was held on Ordinance No. 824 changing the zoning of the Willina Wynant property from R-1 to R-2 to allow the construction of an apartment building with space for off-street parking of 12 cars. There were no objections. After a second and third reading, the council adopted the ordinance.

A public hearing was also held on the assessment of the costs of demolishing the burnt out Coca Cola bottling plant building owned by Robert D. Young. It was announced that Young had been notified by certified mail that the costs were $965.50. Young did not appear at the meeting to protest. City Attorney Jack Hancock stated that it was now in order to assess the clearing costs against the property; which the council did.

In a discussion of a joint application for planning grant funds with Highlands County, Sebring and Lake Placid, the council adopted a resolution to proceed on this basis as a joint application appears to have a better chance of receiving funds.

Economic Development

Sebring, and The Drive Inn, US 27, Sebring.

The board also approved a plat recording for Fairway Lakes.

Following a report from Gordon Hays, county engineer, the board agreed to provide road maintenance on Orange Road West, Placid Lakes, and rejected a similar request for maintenance on Apple Road, Placid Lakes, because it did not meet road standards.

Charles Cullens, administrative assistant, was directed to check costs on installing street lights at the DeSoto Road-U.S. 27 intersection. Commissioner Carl Arant Jr. said some "guiding" light is needed at the intersection to help motorists find the DeSoto Road turnoff.

The board agreed to pay $480 a year for maintenance of a crossing signal on Cemetery Road in exchange for additional state aid in erection of the railroad crossing light.

The board proclaimed Oct. 16-22 National Business Women's Week in Highlands County.

The Patrols are: Michael Antley, Michele Bass, Michelle Brooks, Angela Carter, Tim Cooper, Richard Daubach, Stephanie DeWitt, Stephen Ebersbach, Christina Wlodyga, Randy Farless, Thomas Gordon, Robin Harris, Kathy Hiens, Renee Helms, Curtis Ludden, Ronald Matthews, Kevin McMillian, Wendell Moore, Tammie Pride, Valeria Reeves, Jennifer Reynolds, Jimmie Rice, Sheila Roper, Troy Selph, Marty Stokes, Tammy Warner, Richard Weatherspoon, Anthony Wiggins, James Pough, Elizabeth Touchton, and Rod Nowell.

Highlands County School Board Studying Closing Kindergarten

"I was all for opening it and I'm all for keeping it open, but we have to keep in mind the taxpayers' money," Highlands County Schools Superintendent Dr. Dan Davis said of the possible closing of the Lorida kindergarten.

The situation is being studied to determine if the 13 students attending the school could be educated at less cost in other schools. There was brief discussion on the possible transfer of students during the school board's regular meeting Tuesday night.

Norma Stokes, a Lorida resident, said there had been a lot of blood, sweat and tears that went into repairing the building for school use. She also pointed out that if the board closes the building, it will lose the property.

Several Lorida civic organizations also use the building.

Davis explained that the proposal is only being studied. Surveys of possible future use of the school are to be taken.

The board gave tentative approval to an administrative reorganization plan presented by Davis, which was based on a state study of the system's administrative hierarchy.

Under the new plan, the post of public relations has been dropped, but Howard C. Thomas who formerly held the post has been assigned a spot as administrative assistant to the superintendent's office.

Davis said that under the new organization the bus supervisor's post has been changd to transportation officer and some other title changes were made.

There was no addition to personnel in the proposed plan. Davis said there are two vacancies that have not been filled in over a year. Under the new organization plan, the system will have the same number of administrators as there was two years ago.

Board member Kenneth Grady refused to approve Davis' suggestion that the organization plan be approved Tuesday and job descriptions would be written at a later date by Davis. Grady said that organizing the administration is one way the board can set school policy. "This is how we can dictate policy."

The board did give tentative approval to the new organizational plan but the final nod will not come until members have a chance to review job descriptions for the posts.

Another measure that was deferred was a set of educational specifications for the extensions of Avon Park Middle School and Sebring Middle School. The specifications are a series of guidelines that give the architect an idea of what types of activities and programs are now conducted in the buildings.

Board members felt that since they had just received the report Tuesday, they should have some time to review the specifications. A special meeting to consider the measure was set at 7:30 p.m. Tuesday, Oct. 18.

Joseph Macbeth spoke to the board concerning the need for an additional $7,000 to pay off costs for the Sebring High School swimming pool.

The board approved two change orders on the Lake Placid High School project, one for $135 for some property damage, and a second for $24,239 that comprised the school's share of a wage settlement reached between the contractor and workers.

A third change order request, $1,000 for installation of a 3-foot door in place of a 2-foot door, was tabled until the board could get a complete explanation of the expense.

Contracts for purchase of two maintenance vans for a total of $18,700 was awarded to I. H. Ford Motor Co.; one pickup truck for $4,531 to Jim Blackman Ford; four 125-pound cans of refrigerant for $390 and forty 50 pound cans of refrigerant to Graves Brothers Refrigeration of Lakeland.

The board also awarded Graves Brothers a contract for a walk-in freezer to be used at Avon Park Middle School to replace equipment that failed recently. The new unit, which cost $2,696, can be moved to the new cafeteria when it is built.

Although the Gideons have made copies of the New Testament available to Highlands County fifth graders annually, a new federal court ruling states that this practice is unconstitutional. The board acted on a recommendation from James McCollum, board attorney to decline the request from the Gideons.

A resolution praising the work of Floyd Clark, a science and math teacher in the schools for 26 years, was adopted. The board expressed regret at his death and sympathy for the Clark family.

In other action the board:

— Accepted the Annual Placement and Follow-up Report of seniors, outlining their placement in colleges and vocational schools.

— Adopted a resolution for participation in the federal program that provides financial assistance to schools having the children of military personnel as students.

— Approved the CETA (Comprehensive Employment Training Act) program for 1977-78.

— Supported Eric Annett, local charter bus operator, in his effort to obtain an extension of his current Interstate Commerce Commission license.

Some amendments to the annual budget were approved to reflect receipt of federal funds that were recently received.

Chairman Ruth Davis said the annual reorganization meeting is to be held at 7:30 p.m. Nov. 22. At this meeting the board is to choose new officers for the coming year.

Third School Patrol Recognized

The Avon Elementary School students gathered in their cafeteria Friday, October 7 at 1:30 p.m. to recognize the students who have been selected to serve as the Third School Patrol.

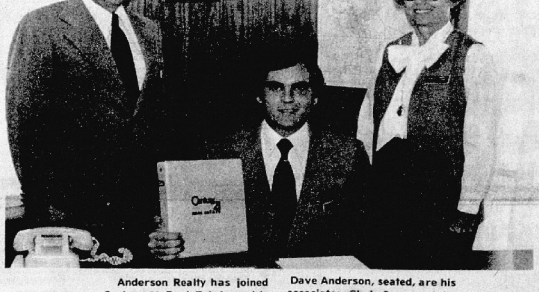

The Assembly opened with the singing of "My Country 'Tis of Thee", and followed by the Pledge of Allegiance to the Flag and singing the "Star Spangled Banner".

Mayor Davis gave greetings to the students. Installation of the Patrols was done by the Avon Park Police Department Chief Robert Brooks.

It will be the job of the Patrols to help boys and girls carry out safety rules they are learning in the classrooms, The boys and girls are being taught to be polite when the Patrols offer suggestions to them. They are asked by Mrs. Furr, to remember to do their part as the patrols encouraged everyone to practice safety on the buses, walkways and playgrounds. Quoteing a former United States President, Mrs. Furr said, "Nothing can give me more pleasure than to recognize the good work of the School Patrols. Your American President congratulates you and says thank you on behalf of a grateful nation."

Assistant Principal Leon Garner introduced the special guests: Mayor Marshall Davis, Mrs. C. Smith, Mr. Ernest Sims, Mr. George Kelsey; Police Chief Robert Brooks, and several parents.

After the assembly the Patrols had a short workshop conducted by Police Chief Brooks and Officer Crabtree.

Anderson Realty has joined Century 21 Real Estate and is now known as Century 21 Anderson Realty. With owner Dave Anderson, seated, are his associates, Clyde Spooner, left, and Virginia Zilaitis. Newsphoto by Moyer.

Poet Honored

W. B. Pabor was not only a fine citizen in the early days of Avon Park but also a writer and geniune poet. In due time his reputation as a gifted versifer earned for him the title of Poet Laureate of the National Editorial Association in Florida. The following is a few stanza's of one of his better poems—

"A Drop of Ink"

A drop of ink on a poet's pen
And the singing birds awaken then.
All the air is jubilant with song
As the dulcet echoes float along.

A drop of ink from a woman's pen,
A plea to stand on a plane with men
By rights not merged in a marriage ring,
But born of a common suffering.

A drop of ink on an editor's pen
Will reach the hearts of his fellowmen,
And the thought it traces leaps and springs
Till over the world its message rings.

A drop of ink from a mother's pen
Can reach her child in the vilest den,
For a mother's love can speed as far
As the light that leaps from star to star.

Anderson Joins Century 21

Effective Oct. 15, Anderson Realty will be associated with Century 21 Real Estate and will become known as Century 21 Anderson Realty.

Located in Colony Park at 2817 U.S. 27 N., Century 21 Anderson Realty opened a year ago under the direction of Dave Anderson.

Century 21 Anderson Realty is a member of the local Multiple Listing Service and Clyde Spooner and Virginia Zilaitis are associated with Anderson in his new venture.

"Century 21 is the largest real estate orcanization in the world, with over 4,500 offices, each independently owned and operated," Anderson said. "The franchise system has benefits for both buyers and sellers, like television advertising, professionally trained sales associates and an action warranty program which guarantees satisfaction in writing to the seller."

He added that there is also a referral ststem between all 4,500 offices in the United States and Canada.

Century 21 is only six years old and opens 200 new franchises nationwide each month.

Junior Devils Coast To 38-14 Win

JAYVEE HALFBACK GERALD Jones (40) points out a face mask penalty to the referee as a Wauchula Wildcat tackles Carl Wingate illegally during the game here last Thursday night. Avon Park won the game by a score of 38-14 for its third win of the year. Sunphoto by Tom Flemming.

Scoring four touchdowns in the first half, the Avon Park Red Devil junior varsity football team then coasted to a 38-14 victory over the Hardee High jayvee squad here at Memorial Field last Thursday night. It was third win for the Devil jayvees against one loss.

Tonight (Thursday) the Avon Park junior varsity will have an open date. The Lake Placid jayvees cancelled their schedule and combined with the varsity before the season got underway.

Next Thursday night, Oct. 20, the Avon Park "Bees" will take on the Mulberry Panther junior varsity here at Memorial Field. Due to the change in the junior varsity schedule, the Avon Park jayvees will be playing six of their eight games here at home.

Running back Carl Wingate scored four of Avon Park's five touchdowns last Thursday night and added three two point conversion runs to account for thirty of the Red Devil jayvees 38 points. The other touchdown was scored by halfback Dwayne Council on a twenty-five yard pass play. The final two point conversion was a pass from quarterback Charlton Weathers to tight end Chris Collins.

Wingate rushed for 215 yards behind the power I offense which features blocking by halfbacks Dwayne Council and Gerald Jones. The quick-footed Wingate carried the ball 25 times for an 8.6 average per carry against the Hardee High junior varsity.

In the first period the Devil "Bees" took the opening kick-off and drove 81 yards for the first touchdown. There was a fifteen yard penalty against Wauchula to aid the drive. Wingate scampered the last twenty-five yards around right end for the first of his four touchdowns. Wingate also powered through for the two point conversion.

Late in the first quarter, Devil quarterback Charlton Weathers hit his halfback, Dwayne Council, with a pass and the freshman runner slipped out of the grasp of two Wauchula defenders and scooted into the end zone on the twenty-five yard pass play. Again Wingate bulled through for the two points after the TD and Avon Park led 16-0 as the quarter ended.

Early in the second quarter, defensive linebacker Chris Collins fell on a Wauchula fumble at the Hardee 25-yard line to set up the third Devil touchdown. On the first play, Weathers was caught back for a twelve yard loss. Then Wingate picked up nine yards. On third down, with thirteen yards need for the first down. Weathers hit Wingate out in the flats with a pass, and the speedy back raced into the end zone untouched. A pass from Weathers to Collins for the extra points was no good but Avon Park led 22-0.

Wauchula put together a sixty-eight yard scoring drive midway in the second quarter. On fourth down, needing just a yard, the Wildcat quarterback tossed basketball pass across the middle of the line and his tight end grabbed it and raced fifty-three yards to score. Another pass was good for the two point conversion to set the score 22-8.

On the first play from scrimmage after the next kick-offs, Wingate broke through the line after almost being stopped at the line of scrimmage and raced sixty-one yards for his third TD of the evening. Wingate also ran the extra points. The Red Devils held on for the 30-8 halftime score.

At the beginning of the third quarter, Wauchula threatened again, driving down to the Devil 12-yard line before a back fumbled and Andy Leach recovered for Avon Park. Penalties marred the next Avon Park drive with the Devils drawing a fifteen yarder for personal fouls. Moving with short gains this time, Avon Park moved to the four yard line from the Devil fifteen. Wingate scooted in for the TD from the four, and Weathers hit Collins with the two point pass on the extra point try.

After the score moved to 38-8, the Avon Park coaches cleared the bench, getting in every member of the Devil "B" squad. Wauchula took advantage of the reserves to march sixty-seven yards in five running plays to score again. The pass for the extra points was no good setting the final score at 38-14.

After three close games, the squad of over thirty, ninth and tenth graders, finally all saw action on either offense or defense after the Devil offense finnally clicked to put the 38 points on the board.

All season the Avon Park offense has out-gained its opponents but has had trouble crossing the goal line. Last week, Avon Park put it all together and the blocking of the offensive line and the blocking backs, opened the holes for Wingate to saunter through for the 215 yards.

A TOUGH DEFENSE stopped the Wauchula running game last week here at Memorial Field as Avon Park's Middle School team won a 16-14 victory in two overtime periods. Here a Devil defender heads off big number 35 of Wauchula who scored both of the Wildcat TD's in the overtime periods. The regular game ended in a 0-0 tie but both teams scored in each of the two overtimes. Sunphoto by Tom Flemming.

Cross Country Team To Enter 14 School Invitational Meet

The Red Devil Cross Country team, coming off three straight victories, will be tested today (Thursday) at 4 p.m. in the Hardee Invitational to be run in Wauchula. Over fourteen schools are expected to take part in the run. The largest portion of the field comes from the Class 3A and 4A ranks. The young 8-2 Red Devils are Class 2A.

Next Tuesday, Oct. 18, the Devil varsity (top seven runners) will travel to Clewiston to try to avenge an early season loss. Alan Portis, Mark Myers, Jerry McKenzie, Mike Knight, Tim Cribb, Bill Porter, and Craig Skipper or Tim Salter will make up the Devil travel squad.

Last Tuesday a week ago, Oct. 4, the Red Devils, minus one of their top seven runners, pushed their season record to a fine 8-2. Avon Park posted 46 points to 49 for Sebring, 55 for Frostproof, and 95 for Hardee. Young Mike Conners of Hardee outdueled Devil Alan Portis for individual honors winning in 16:07. Portis came in second with a fine 16:32 effort. Bobby McCoy of Frostproof was just steps behind in third place with his 16:34 clocking.

Portis got solid team support from his Devil teammates. Jerry McKenzie ran well in finishing in 18:08. Sophomore sensation Mike Knight strode home in 19:02 for twelveth place honors.

Tim Cribb came in thirteenth in 19:14 and Bill Porter finished fourteenth in 19:20 to add to the Devil team depth. Craig Skipper and Tim Salter closed out the Devil varsity scoring placing seventeenth and nineteenth.

"We have been blessed with some great team efforts thus far this season," remarked Coach Chet Brojek. "When you consider that only Portis ran on the varsity last year among our top seven, it is just super that we are doing as well as we are. Just this week I received the State AA Cross Country rankings and Avon Park is ranked sixth. I feel that this is a credit to the hard work and determination of the Red Devil thinclads."

Middle School To Play Sebring

Next Tuesday, Oct. 18, the Avon Park Middle School football team will host the Sebring Blue Streak eighth graders here at Memorial Field at 7:30 p.m. The Devil Middle School squad was undefeated going into a game in Lake Placid last Tuesday night, but the Devils and the Streaks had tied 22-22 down in Sebring on Sept. 27.

The two Highlands County Middle School teams will be playing next Tuesday night to determine the Highlands County championship if Avon Park got by Lake Placid last Tuesday night.

Fans are reminded that Middle School football is trying to finance its own program so no passes are automatically good at these games. However, the action has been exciting and fans are urged to come out for this last home game of the Devil Middlers at 7:30 p.m., on Tuesday, Oct. 18 here at Memorial Field.

After playing Wauchula to a scoreless tie during the regulation game Tuesday night a week ago, the Avon Park squad came out on top in the second overtime period to win the game by a score of 16-14.

Avon Park won the toss at the beginning of the first overtime period and elected to go on offense at the Wauchula ten yard line. Ronnie Barnes carried twice setting the ball on the five. Then Warren Moreland slashed through the middle for the TD and Ronnie Barnes ran over the two point conversion.

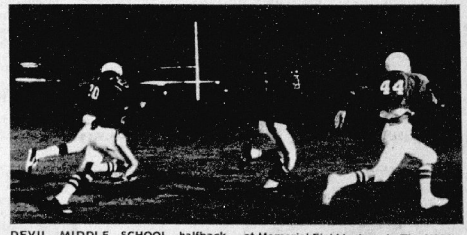

Wauchula then got its four downs from the ten yard line. On the first play, Ernest Robinson scooted around the end into the end zone for a TD and then ran the same play for the two point conversion to tie the game up 8-8.

Wauchula won the toss to start the second overtime period and chose to go on offense. Again Robinson scored on the first play. However, Ronnie Barnes tackled the Hardee quarterback just short of the goal line to prevent the two point conversion run from scoring.

Trailing 14-8, Avon Park got its shot at four downs from the ten yard line. Two running plays netted no gain, but a five yard penalty against Wauchula put the ball at the five. Moreland picked up three yards. Then on fourth down, Moreland broke through to tie the game up with a TD. Joe May followed Tony Thompson through the middle on a quarterback sneak to score the two point conversion and give Avon Park the hard-fought victory.

GETTING INSTRUCTIONS FROM Coach Cecil Walley, Joe May looks over the situation during the Avon Park Middle School football game against Wauchula Tuesday night a week ago at Memorial Field. May scored the winning two points for Avon Park as he took the ball into the end zone on a quarterback sneak in the second overtime period to give the Devils a 16-14 victory. Hunter-Durrance Score Wins In Golf Tourney

Arline Hunter of Sebring shot an 83 to win the Highlands County Women's Golf Association Tournament at the Golf Hammock Country Club last week.

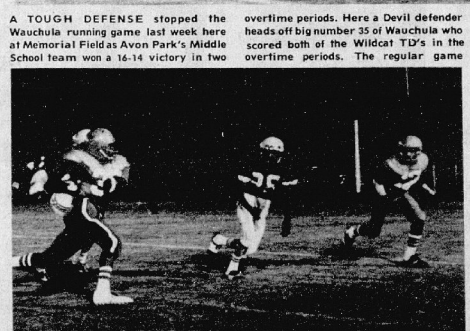

Myrtice Durrance of Placid Lakes had a low net score of 68. Other winners by flights were: A Flight; low gross; Arline Hunter; second, Birdie Dorman and third, Ouida McAulay. Low net, first Myrtice Durrance; second, Nell Red and third, Helen Griffith.

B Flight, low gross; First Ruth Stevenson; second, Jean Kurpick and third, Ruth Schilb. Low Net; first, Helen Mumma; second, Judy Waugaman and third, Gerry Young.

C Flight, low gross: Norma Walker; second, Margie McNamara and third, Margo Wood. Low net: First, Lena Wright; second, Myrtle Johnson and third, Clo Dumbaugh.

D Flight, low gross: Emily Aud; second, Mary Merilatt and third, Edith Godwin. Low net, first; Ethel Hough; second, Ester Olsen and third Lois Amerman.

The next Highlands County Women's Golf tourney will be at Placid Lakes Inn and Country Club, Nov. 11, with a shotgun start at 9 a.m.

AFTER TAKING A pass on the run, halfback Dwayne Council heads into two Wauchula defenders. The chunky Devil back eluded the would-be tacklers and scored on a twenty-five yard pass from quarterback Charlton Weathers during last week's junior varsity game here at Memorial Field. Final score: Avon Park 38, Wauchula 14. Sunphoto by Tom Flemming.

E. W. Nads Lead In Range Softball Play

In last Tuesday night's action, the E. W. Nad's down the Hq. Bombers 10-4. In the second game the S.P. Mad Dogs defeated the C. E. Bee's 4-2; and in the third game action, the S.P. Mad Dogs came out ahead over the C.E. Misfits for a score of 8-7. This is the first double hitter won by the Security Police team this season.

On Thursday, Oct. 6, the Hq Bombers beat the S. P. Mad Dogs 10-3. Second game action brought the E. W. Nads vs. Misfits. The Nads brought in 31 runs aganst the Misfits 15 to get their victory. In the third game the Hq. Bombers played the C. E. Bee's and took it for a score of 10-5.

The standing in the Fall Intermural Softball season is as follows:

E. W. Nads 7 wins — 0 lost; Hq. Bombers 5 wins — 2 lost; S. P. Mad Dogs 2 wins — 4 lost; C. E. Misfits 1 win — 5 lost; C. E. Bee's 1 win — 5 lost.

The base recreation services will sponsor a double elimination softball tournament on Sat. Oct. 15. The games will start at 9:00 a.m. and run continueously. First and Second place winners will receive trophies. Everyone is invited out to see the games and support their team.

LADIES SOFTBALL

It was decided at last Sunday's softball practice to postpone all future practice sessions until after the first of the year.

Clark-Redd Win In Golf Tourney

The first round of the Pinecrest Country Club Ladies Golf Association Handicap Tournament was held last Thursday, Oct. 6 with the tourney continuing for the next four weeks.

The play for the day was low net with the winners being Gertie Clark, having a 74 and Nell Redd shooting a 76.

Varsity Plays Frostproof

The Red Devil varsity will get into action this week after an open date last Friday night. Tomorrow night (Friday) it will be a battle between Avon Park with a 2-2 record and Frostproof with a 2-3 mark here at Memorial Field as the Devils come home for a four game stand. The game will be a district match-up, and although both teams have lost one district game, they are not out of the running yet.

Frostproof won over Springstead (49-0) and Immokalee (20-06 but lost to Clermont (21-0), Santa Fe (27-14), and Fort Meade (38-6). The Red Devils have wins over Lake Wales (25-16) and Lake Placid (39-0) but have lost to Arcadia (8-7) and Mulberry (21-8).

Avon Park Coach John Hunter may have to juggle his line-up this week. Senior center John Barben is a doubtful starter against the Bulldogs because of an injury. He did not practice last week. If Barben is unable to play, Hunter will move Claude Dennis over from outside tackle to center the ball. Jim Casey will then move into the outside tackle slot. Hunter also said early this week that defensive tackle James Wilburn is on the injured list and may have to be replaced. Robbie Dennis could get the call for that job this week.

David Jahna and Ricky Bivens are both expected to see offensive action at halfback against the Bulldogs along with fullback Rufus Wilson and halfbacks Jeff Adams and Anthony Carter. David Sisemore will take care of the quarterbacking. The Devils guards will be Victor Roberts and Gary Roberts and the tackles will be Mike Parker and either Jim Casey or Claude Dennis. Tight end will be Eric Wilson and at wide receiver Coach Hunter will alternate Jeff Williams, Decaris Jones, and Wyndell Frazier.

The Devil defense will have Terry Massey at noseman, Keith Porter and Victory Roberts at tackles, Keith Cobb and Wilburn or Dennis at end, Mike Parker and Craig Williams at linebacker, Jimmy Brown at monster, Decaris Jones and Mike Torrey at halfback and Jeff Adams at safety.

Middle School Girls Top Sebring For Second Softball Win

Avon Park's Middle School girls softball team racked up its second straight win last Thursday afternoon down in Sebring with an 11-7 victory over the Blue Streak eighth graders.

Today (Thursday) the Red Devil Middle School girls will travel to Lake Placid to take on the Green Dragon team in their third game of the fall season. The Lake Placid girls are also undefeated so today's game should be a real test of the Devil's slowpitch squad.

Last Thursday in Sebring, Avon Park scored first. Ruth Rowe scored in the third inning. She reached first on an error and scored when Vickie English singled. Avon Park scored four more runs in the top of the fourth frame. Sandra Warren, Linda Johnson, and Vickie English all hit singles with Charlotte Hart, Sandra Warren, Linda Johnson, and Ruth Rowe scoring the runs.

In the bottom of the fifth inning, Sebring scored four runs on four walks and an outfield error. There was no more scoring until the seventh inning when Avon Park broke loose to score six runs on a triple to Tracy Brown and singles by Charlotte Hart and Sandra Warren. The runs were scored by Princess Hayes, and Linda Johnson.

Sebring scored three more runs in the bottom of the seventh inning before Avon Park got the three outs leaving the bases loaded.

Also getting hits for Avon Park were Princese Hayes with a single in the first inning and Camille Culbreth with a double in the fifth inning. Sebring got three hits off Avon Park pitcher Vickie English while the Red Devils got a total of nine hits.

THE AVON PARK Middle School girls slowpitch softball team will take a 2-0 record to Lake Placid this afternoon (Thursday) when they meet the Green Dragon eighth grade girls at 4:15 p.m. From left, front row: Charlotte Hunt, Patricia Starks, Faye Martin, Michelle Braswell, Ruth Rowe, Princess Hayes, Vickie English, and Robbie Bass. Back row: Coach Norma Hawk, Nina Dennard, Linda Johnson, Tracy Brown, Linda Knight, Camille Culbreth, Sandra Warren, Vickie Knight, Gini Porter, Sherri Johnson and Coach John Russ. Eleven To Enter Lakeland Run

At least eleven local members of the Highlands Runners Club will compete in a 6.2 mile Lake to Lake Run in Lakeland this Saturday at 9 a.m. The 10,000 meter course will start at the Lake Mirror Civic Center and circle three lakes before returning to finish in front of the center once more.

The race, sponsored by the Lakeland Athletic Attic and the Lakeland Runners Club, will also feature world class runners such as Marty Liquori and Barry Brown of the Florida Track Club. Liquori is the early favorite to win the meet.

The Highlands Runners Club members going Saturday include: Coach Chet Brojek, Coach Joe Baker, Pep Hutchinson, Jack Collins, Raleigh Turnbull, and Red Devil Cross Country team members Alan Portis, Bill Porter, Tim Salter, Craig Skipper, Mike Knight, Mark Myers, and Jody Johnston.

The local runners will be joining some 200-300 runners seeking T-shirts, merchandise prizes and trophies. Pep Hutchinson will be using this race as a prep for the Rice Festival Marathon to be held in New Orleans on Oct. 22. The local long distance runner has been putting in between 10-15 miles per day in his preparation for the difficult 26.2 mile marathon distance.

Both Hutchinson and Chet Brojek are planning to run the Melbourne, Florida Marathon on Nov. 26. Hutchinson and Brojek are both shooting to break three hours for the 26.2 mile distance in order to qualify for the Boston Marathon in April. Both Pep and Chet ran Boston last year and they both want to be "official" when they compete this spring.

Kissimmee Boat-A-Cade

Kissimmee's 28th annual Boat-A-Cade will not depart from the shore of Lake Tohopekaliga as previously released, according to President, Bill Morse. Dates will remain Oct. 13 - 16.

This is the first time in the organization's history that boaters will not transverse the first four lakes of the Kissimmee River Chain as a part of their 300 mile aqueous adventure.

The starting point of the trip was changed from Kissimmee's Lakefront to River Ranch Acres on Lake Kissimmee due to a plug erected between Lakes Hatchineha and Kissimmee that could not be removed in time for the Boat-A-Cade.

The briefing that was scheduled in Kissimmee for Wednesday evening will be held instead at Okee-Tantee State Park, Thursday.

$5200 Budgeted For Recreation

Renovation of an old softball field and basketball court in Highway Park next to the old Carver School is to begin this month and lead to development of a new recreational facility for the area.

Highlands County Commissioners have budgeted $5,200 this year for the work and plans include a playground for small children.

Residents formed an Improvement Committee about a year ago to push for development of the park facility. According to Margaret (Mrs. Leroy) McGahee of the committee, there is discussion of starting a congregate meals program if enough interested persons are found for this second committee project.

Department To Host Pistol Match

Highlands County Sheriff's Department is hosting a Southwest Florida Combat Pistol Match at the pistol range on Sheriffs Tower Road at 1 p.m. Saturday.

Law enforcement officers from throughout the southwestern part of the state have been invited to participate in the match that is to test shooting skills at fixed targets. The public is invited to attend.

Trophies for outstanding performance are to be awarded.

In the National Combat Pistol Match held Oct. 3-4 in Jackson, Miss., the Highlands County Sheriff's Pistol Team placed in the top 500 shooters out of the 900 that participated.

Members of the Highlands team include Sgt. Doug Tuck, Deputy Bruce Bennett, Deputy Jerry Fennell, Jerry Traverse and Butch Snelgrove, both Sheriff's Auxiliary.

Racers Run For Competitive Sport, Comradeship Trophies And Points

Approximately 100 entries participated in the 10th annual running of the Avon Park Regatta on Lake Tulane, sponsored by the Avon Park Volunteer Firemen's Association and the Peace River Outboard Racing Association, this past Saturday and Sunday.

This last race of the 1977 season drew entries from as far away as New Jersey. However, there was a conflict with this race as the three-day World Championship races were being held at Alexandria, La. Some of the dedication of boat racers could be seen as Bill Billiter, raced at avon Park, while his son raced in Louisiana.

With two good days, weatherwise, for racing there were several flips. Steve DiNicolantonio, of Lakeland was flipped out of his 25SS runabout on the no. 3 turn Saturday afternoon. He was treated by the Highlands County Emergency Medical Technicians for a cut and bruises on his right leg. Sunday afternoon, he took a third place trophy in the 25SS hydro race.

On Sunday afternoon Bill Kuhn, Odessa was tossed into the Lake when his 24SS runabout flipped. In running for his sixth trophy of the regatta, Bunky Bowerman, Winter Haven, ended up in the water when his racer hit a wave at an angle on the no. 3 turn.

Top trophy winners of the ragatta were; W. T. Hutchins, Jr., Homestead, Fla. with four 1st place trophies and one 2nd place. Bunky Bowerman, Winter Haven, collected three 1st places and two 3rd place trophies and Bill Troyer, Lakeland picked up three 1st place trophies and a 2nd place trophy.

The racers were also running to earn points for their national point total with a first place counting 400 points; second place, 300 points and third place, 225 points.

When there are no money prizes at the races, why do these men keep on racing? A wife of one of the racers, answered briefly, "For the sport and the comradship they find at the races, as they don't make any money."

With the 1978 racing season starting on Nov. 1 many of them are looking ahead to the Grapefruit Racing Circuit during the month of February. with racing every weekend, starting at Lakeland followed by Avon Park, Orlando, Auburndale and Travares.

During the Grapefruit Circuit they will again see some of their racing competitors from the northern states. Many of these come for three weekends of racing, taking children out of school and bringing their families with them. Their boat trailers are travelling workshops. One such racer, Freddie Miller, from Michigan, on his trailer carries six boats, 20 motors, spare parts and a bathroom.

Hunters Need Permit For Hunt Areas

Sportsmen who haven't gotten their quota permit to hunt on a wildlife management area during the first nine days of the general hunting season have one last chance.

Fred Stanberry, director of the division of wildlife of the Game and Fresh Water Fish Commission, said about 20,000 permits are still available and will be issued on a first-come, first-served basis.

"Beginning Wednesday, Oct. 5, we will have four special telephones here in Tallahassee to handle the requests for the remaining permits," he said. "Those who can't call can come by or write requesting a permit."

The phones will be manned from 9 a.m. to 8 p.m. weekdays and from 9 a.m. to 6 p.m. on Saturdays through Nov. 4, Sanberry said. Sportsmen who call will need their 1977 - 78 wildlife management area stamp number.

"When a hunter calls, he will be told whether or not there are any openings in the area he wants and can select alternative locations," the division director said.

Those who write for a permit may use the application forms now at tax collectors and license agents. Any request must include the hunter's name, address, ZIP CODE, stamp number as well as choice of areas.

Letters should be addressed to: Division of Wildlife, Game and Fresh Water Fish Commission, 620 S. Meridian St., Tallahassee, Fla. 32304.

Telephone numbers to call for permits are: (904) 488-9311, (904) 488-9312, (904) 488-9313 and (904) 488-9314. COLLECT calls will not be accepted, Stanberry said.

Halloween Parade Set For Oct. 29

The place to have your child to line-up for being judged and or marching in the annual Halloween parade is in the fenced-in, paved area behind the Avon Park Recreation Center (Old Armory), accessible via E. Waycross Street.

Gates will be closed at 3:25 p.m. on Saturday, October 29, 1977, and judging will take place from 3:30 p.m., until 3:45 p.m., at which time the ribbons will be awarded and winners announced.

In order for your child's costume to be judged, please note that unless the child is in position by 3:25 p.m., they WILL NOT BE ELIGIBLE TO BE JUDGED.

Members of the PTO and judges will be on HAND AT 3:15 to start lining up the children. Look for a child holding a poster with your child's catagory on it, and place your child in the line forming for judging for that particular group. Remember, gates will be closed at 3:25 p.m. for judging, and judging will take place from 3:30 p.m. until 3:45 p.m., and the parade will begin at 4 p.m. It is suggested that if your child wishes to march in the parade but not be judged, that you bring that child to the gate at 3:45 p.m., and place the child in the correct line-up, that way, the child will not have so long to wait to march in the parade.

PLEASE NOTE, Parents having very young children in the parade may take their child out of the line-up in the vicinity of the Highlands Theater, so that the child may enjoy what comes after them; however, the PTO will be responsible for safety getting the children out of the parade line-up on North Verona avenue, between McCann & Sons Ford Inc. and the One Hour Cleaners, as that street is closed for the parade and carnival. JUST BE SURE TO TELL YOUR CHILD WHERE YOU WILL MEET HIM!

Range Closed On Weekend

The Avon Park Bombing Range Recreational Area will be closed the weekend of October 15 and 16 due to the utilization by 1st and 2nd BN 124th Infantry firing mortars

Anyone desiring additional information may call 453-3527 or 452-4195.

Rep. Ready Pre-Files Housing Bill

State Representative Gene Ready has pre-filed his housing bill which Gov. Askew vetoed during the special session of the 1977 Legislature. Rep. Ready's bill creating the "Florida Housing Finance Authority Law," authorizes the creation of a housing finance authority by ordinance; providing for the functioning of such authorities to alleviate a shortage of housing and capital for investment in housing. "The bill would only be used in a tight money economy, enabling construction to continue, keeping workers employed, and reducing the interest rate to the home buyer," Ready explained.

Rep. Ready further stated that, in a redraft of the Housing Act, "I have amended the bill to include a review by the Board of Administration and a designation that the housing be for moderate-, middle-, and low-income families. These two amendments are the answers to the major objections by the Governor. This is a much needed bill and, with the amendments I have included, the Governor should have no qualms about signing the bill."

During the 1977 Legislature, the bill passed the House, 111 to 6, and the Senate, 33 to 2.

Whispering Pines Apartments Planned For Senior Citizens

A new apartment building is being planned for the elderly in Avon Park. Whispering Pines will be a 28 unit Housing and Urban Development project with 26 living units, one office unit and one laundry-maintenance unit. HUD will help make available to the Senior Citizens of Avon Park these apartments by providing a portion of the building costs. This financial aide should make the rent more affordable.

The lot, which at one time was an avacado grove, has been cleared and excavations have been started by the developers, Prime Builders, S.E., Inc., of Lakeland.

Although a building permit has not yet been issued, C. W. Ellerbee, Avon Park Building Inspector, feels that an application for a building permit will be submitted soon.

The owner of Whispering Pines will be Avon Park, Ltd., and the construction will be done by D. S. Construction. The apartment building will be located at the corner of Florida Avenue and Hall Street.

HUGH WARD, astronomy teacher and media specialist at Avon Park High School, shows Jimmy Spurlock (left) and Darrell Kindrick how to use viewing materials to see the PROJECTED IMAGE of the partial eclipse of the Sun, at about 5:30 p.m., Wednesday, Oct. 12. Sunphoto by Lew Miller.

Safe Viewing Of Eclipse

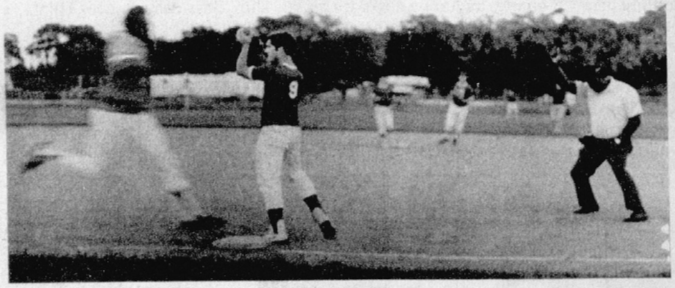

At approximately 5:30 p.m. Wednesday, Oct. 12 the moon partially eclipsed the sun, as seen from Highlands County.

Hugh Ward, astronomy teacher at Avon Park High School advises people to view the partial eclipse through thickly smoked glass or by pin-hole projection. This can be done by making a 1-16 inch pinhole in a three by five index card (or similar piece of stiff paper) and with your back to the sun, view the PROJECTED IMAGE on a second card, held two to three feet away in the shadow of the first card.

Another method is using a box approximately eight inches long, with a 1-16 inch hole at one side, with a larger hole at the other side of the same end for viewing the projected image inside of the box.

In discussing the eclipse of the sun, Ward advised against looking directly at the eclipse, because of the possibility of doing permanent damage to one's eyes.

The eclipse will be visible over the entire United States, however, only people living in a small area of land in Columbia, South America will be able to see the total eclipse.

PTO Plans For Carnival

The Avon Elementary School cafeteria was the meeting place for the discussion of and making plans for the PTO (Parent Teacher Organization) sponsored Halloween carnival, which will be held this year on Saturday, Oct. 29.

Mrs. Margret Collins and Mrs. Ellen Jordon, co-chairwomen of the annual event called the meeting of the homeroom mothers so that booths for the carnival could be chosen. These mothers, will in turn, call on mothers with children in the various classes for help with the carnival, their main fund-raiser.

Mrs. Collins proposed that money raised this year be used for the Hopewell Library. Last year, approximately $1500 net profit was raised at the carnival and the proceeds were used to purchase blackout shades for the Avon Elementary School cafeteria and individual classroom playground equipment at Hopewell School.

County Obtains Road Right-Of-Way

Records filed in circuit court indicate that Highlands County has obtained the right of way for a road at bargain prices. The county had filed suit to obtain a 20-foot right of way for ingress and egress to the old Darrance Cemetery, southwest of Sebring.

Documents filed with the suit listed the estimated value of the land at $500. The case has been settled without a trial and circuit court approved a joint motion for dismissal. A deed for the land has been recorded and stamps attached to the deed indicate that the purchase price was $100.

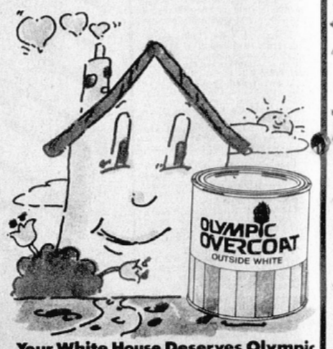

The county obtained the land from Lance and Betty Sullins of West Hollywood, Fla.

Stanley Vos -- Dulcimer Craftsman

When Stan Vos moved to this area, he brought a little bit of mountain craft and folklore with him. A skilled carpenter and craftsman, he has a rather unique and interesting hobby — making dulcimers.

Although the dulcimer is an old instrument, interest in the dulcimer renewed when folk fairs and folk music experienced a revival a few years ago, according to Mr. Vos.

The dulcimer has an interesting history enterwined with many theories about its origin. The term itself is a combination of the Greek word "dulce" meaning sweet and the Latin "melos," or song.

The dulcimer is actually a member of a class of instruments called the fretted zithers, which have been common to many cultures.

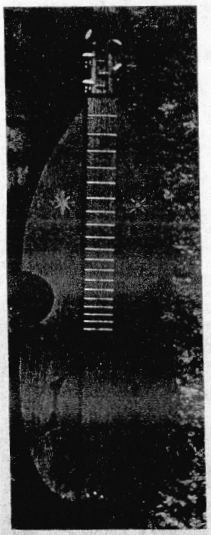

There are two types of dulcimers — the English hammered dulcimer, and the Appalachian dulcimer, the type hand-crafted by Mr. Vos.

It is believed that the hammered dulcimer dates back to ancient Greece and is frequently mentioned in the Bible. This dulcimer was shaped like a square, had a series of strings and was played with hammers.

Appalachian Dulcimer Probably Originated in Middle Ages

It is believed that the Appalachian dulcimer was named by the British settlers who dubbed the long, graceful native instrument a "dulcimer" since its tons closely resembled the hammered dulcimer that they were familiar with.

Even though the Appalachian dulcimer obtained its name from the English hammered dulcimer, the two have different historical origins. The Appalacian dulcimer's first tracable ancestor is an early 17th century German instrument, which probably originated from the medieval instruments of the Middle Ages.

Teardrop Dulcimer

In his study of the dulcimer, Stan notes that shapes and kinds of dulcimers have changed over the years. He has also found that there are currently five basic shapes with variations. One of the most familiar is the hourglass or traditional style, illustrated on this page.

Another style of dulcimer the double or courting style, which originally was named since it could be played by courting couples who did not need to be chaperoned as long as the dulcimer's soft music could be heard.

Stanley became interested in dulcimers last winter when his wife Sue bought him a copy of "Foxfire 3", which contained information the two previous books did not — how to make banjos and dulcimers. His first project was making a banjo, but then he switched to dulcimers.

While he is mastering the actual construction techniques of the dulcimer, Stan who does not even play a guitar is also learning how to play this rather unique instrument. Some musicians believe that this is one of the most easily learned instruments since the player has to pick out his own tunes and to create his own harmonies.

The easiest and most traditional way to playing the dulcimer is to strum this very-soft sounding instrument. The mountaineers used a quill for this purpose, but Stan has found that the quills do not always have a lasting strength, so he uses guitar or banjo picks

Dulcimers -- Inexpensive Hobby

Construction time on each of his dulcimers ranges between forty and eighty hours, according to Mr. Vos. The dulcimers are made inexpensively since he uses scrap wood that he has left over from his other construction projects.

Mr. Vos usually builds the actual sound box from left-over plywood. For the peg heads or peg box, as well as the finger or fret board, he has found that black walnut is the easiest wood to work. He has also tried using mahogany, which finishes nicely, but is too soft.

According to Mr. Vos, some dulcimer experts claim that the type of wood affects the tonal quality of the instrument. Thus far, he has found that the kind of wood makes no difference — "the first one that I constructed from oak and cherry plywood sounds as good as the one made from black walnut."

"Using different types of wood affects the aesthetic qualities of the instrument rather than the sound," he commented.

Although there are kits for making dulcimers, Mr. Vos does not use them. He has found though, that one of his major problems in constructing this instrument has been in obtaining parts and he has had to improvise.

For example, he has found that many music stores have never heard of dulcimer strings and he has had to substitute banjo and guitar strings.

Mr. Vos has also created some of the construction tools for making the dulcimer. He built wooden clamps, used to glue the large pieces of the dulcimer together. He indicates that one dulcimer would require approximately 20 of these hand-crafted clamps during construction. To purchase these clamps in metal, like those available in hardware stores could cost $100.

In putting a finish on the completed 26-30" long dulcimer, Stan has found that polyurethane gives a high gloss and sheen which adds to the attractiveness of the instrument. Varnish and shellac can also be used.

As final touches, Stan carves shapes and designs on the sound board. He has taken woodworking classes and hopes to even more effectively incorporate this technique into his dulcimer-making.

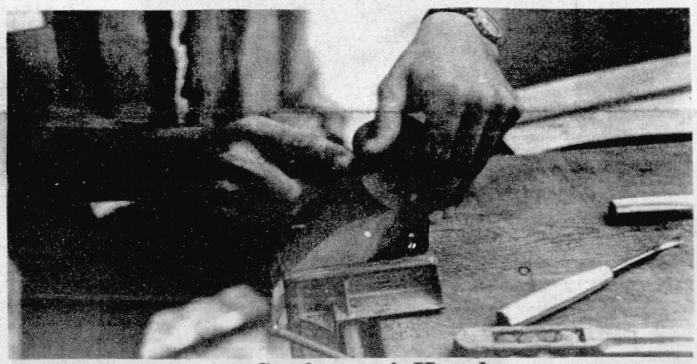

Stan, his wife Sue and eight year old son, Adam, moved to this area from Wisconsin over the summer. He is employed as the lead construction supervisor at South Florida Rural Housing in Sebring.

COOKING CORNER

Since Governor Reubin Askew has again proclaimed October as Florida Fish and Seafood Month, this week's recipe features fish fillets which, when combined with vegetables, makes a delicious, economical one-dish meal. Fish fillets, incidentally, are low in calories and saturated fats.

FISH AND VEGETABLE DINNER

1 pound mullet fillets or other fish fillets, fresh or frozen
1 cup chopped onion
3 tablespoons margarine or cooking oil
2 tablespoons flour
1 teaspoon salt
Dash of pepper
1 can (13 ounce) evaporated milk
2 cups sliced cooked pototoes
1 package (10 ounce) frozen peas and carrots, thawed
Paprika

Thaw fish if frozen; cut into 1-inch pieces. Cook onion in margarine or oil in saucepan until tender, but not brown. Stir in flour, salt and pepper. Add milk; cook, stirring constantly until thick. Add vegetables; heat until bubbly. Fold in fish. Pour into shallow 1½ quart casserole. Cover with aluminum foil, crimping it to edges of casserole. Bake in moderate ovem, 350 degrees F., about 30 minutes.

Uncover and continue cooking 5 to 10 minutes or until bubbly and fish flakes easily when tested with a fork. Sprinkle with paprika. Makes 4 servings.

Jobs For Older Workers Now Available

A score of jobs is waiting for applications from older workers. Calvin Miller, coordinator for the new employment program, said that 123 persons have been placed, but 20 could be located in full-time or part-time positions.

The employment program for persons over age 55 has opened an office in Sarasota under the auspices of the National Retired Teachers Association and The American Association of Retired Persons. The part-time positions are funded through the federal Department of Labor as a part of the Older Americans Act.

Eligibility criteria for these jobs are that the annual income for one person cannot exceed $2,970; for a two-person family, $3,930; for a three-person family, $4,890. Salary for positions involved in this program will not be paid less than the minimum wage. The head of the household in which the applicant resides must be at least 55 years of age.

The Highlands coordinator, Miller, said some of the positions available are for receptionist, clerical arts and crafts aides, cooks, home service aides, nutrition aides, clerks. Some of the jobs are with HOPE of Highlands County, the Highlands County Nutrition Program and in programs sponsored by the Florida Department of Health and Rehabilitative Services.

What to look for when shopping for Beef ...
first, look for the W.D. BRAND

W✓D "BRAND" GOVERNMENT GRADED U. S. CHOICE

The easiest way to choose the best beef is to shop Winn Dixie, where every cut of beef has earned the W.D. BRAND. All our beef is raised from heavy western grain-fed cattle, naturally-aged for tenderness, then skillfully trimmed for the best flavor and value. And it's always U.S. CHOICE! That's all you need to know. Now . . . treat yourself to a steak from the Beef People.

Association Supports Childrens Society

The meeting of the Avon Park Ministerial Association was called to order by Pres. William J. Ziegenfus. The members present were as follows; Calvin Vice, Aden Childress, William J. Ziegenfus, James S. click, Jr., Clifford F. Dance, D. B. Myers, Harry Bennett, W. O. Ragsdale and Paul J. Searcy.

Guests and new ministers were welcomed and introduced. Mrs. Stella Graff and Mrs. Helen Cunningham were vcistors from Children's Home Society of Florida. The new ministers are Rev. James S. Click, Jr., replacing the Rev. Clifford F. Dance, who is retiring of the First Christian Church, Avon Park. The Rev. Calvin Vice is the new Minister of Christian Education for the First Baptist Church, Avon Park.

New Business: Project Hope requested financial help from the Ministerial Association to assist them in their project. While discussing the request it was pointed out the uncertain future of prospective offerings which made it unadvisable to give a donation from the funds at this time.

Rev. Harry Bennett was asked and accepted the position of Program Chairman.

Mrs. Stella Graff and Mrs. Helen Cunningham presented a slide presentation to orientate the ministers regarding the Children's Home Society of Florida. It was an interesting and informative collection relating history of their beginning in 1927 to the present day operation, and which covers the care of over 4,000 children. Their services provide: Adoptions, Foster home care, preparation of families before and assisting in adopting a child; and legal adoption procedures are provided from the inquiry to the completion of the adoption.

If any minister is interested, or knows of any family interested in the services of this group, you may call the District Office of Children's Home Society of Fla. at Lakeland.

The next meeting will be held on Nov. 7, at 12:30 p.m., Walker Memorial Hospital Cafeteria. We urge all pastors and ministers to make a special effort to attend and get involved in this important Ministerial Function.

Musical "Messiah" To Be Held At First Presbyterian

The first rehearsal for the musical production "The Messiah" will be Sunday, from 3-4:30 p.m. at the First Presbyterian Church of Lake Placid. Singers from Avon Park, Sebring and Lake Placid are invited to attend.

The musical, which will be directed by Rebecca Vice, chorus director at Lake Placid High School, (LPHS) will be presented in the LPHS auditorium Dec. 4, according to the Rev. Bob DeWitt, pastor of First Presbyterian.

"We want this to be a countywide effort, not just Lake Placid. Anyone who wants to sing can, they don't have to be professionals by any means," Rev. DeWitt said. "

"We've always had a good number from Sebring participate, but this year, we'd like to see more from Avon Park take part, too."

Accompanist this year will be Mrs. John Smoak Jr. & TV concert is likely, Rev. DeWitt said.

"The Messiah" has become a tradition in Lake Placid, having been produced here for several years. For the last four years it was under the direction of former LPHS chorus director David Rinald. Rinald resigned from the high school earlier this year to accept a position in Mexico.

"This is quite an opportunity for the people of this area," Rev. DeWitt said. "Since we are holding it in the auditorium, we can handle a large crowd."

All rehearsals will be held at the Presbyterian Church. The next rehearsal will be Sunday, Oct. 23, from 3-4:30 p.m.

WMU Meets

The regular monthly meeting of the WMU of the Florida Avenue Baptist Church was held October 2. Plans for the coming year were discussed and the following officers were elected ; Director — Grace Pickett; President — Maddie Landress; Secretary — Mattie Fowler; and Treasurer — Martha Howze.

FAITH SEES THE LIFE-SUSTAINING BEAUTY OF AUTUMN

In our current misguided era where young is beautiful, the older segment of our population is largely relegated to the background of our society. There are many factors to blame for this tragic situation, including its wide range of acceptance which prematurely condemns the physically and mentally sound along with the infirm, and thereby attaches the stigma of outworn usefulness to all. When this is combined with the natural self-importance of today's youth, little respect or companionship exists between children and their grandparents, to the detriment of both. Your Church will teach you to appreciate the wisdom of the old, referred to throughout the Bible. Honor your grandparents and listen to them. You may even find them fascinating, if you give them a chance.

Bureau Of Census Conducts Annual Survey On Education

A sample of households in this area will take part in an annual survey on education to be taken the week of Oct. 17 - 22, 1977, by the Bureau of the Census.

Hubert Horwitz and Mrs. Elizabeth Swenson of Highlands County will visit homes to obtain information about the number of school years completed by household members. There will also be questions about current school enrollment at all levels from nursery school through college.

This information is used to measure current trends in education and to determine the need for additional or expanded educational facilities. The questions on education will be in addition to those asked regularly in the monthly survey on employment and unemployment conducted nationwide by the Bureau for the U.S. Department of Labor.

Results of the monthly employment survey provide data on conditions in the labor force, prime indicators of the economic health of the country. For example, in August the survey indicated that of the 97.7 million men and women in the civilian labor force, 90.8 million were employed. The nation's unemployment rate was 7.1 percent, up from 6.9 percent in July but substantially below the recession peak of 8.9 percent reached in the second quarter of 1975.

About 70,000 households across the country, scientifically selected to represent a cross section of American households, take part in this monthly survey. All information provided the bureau is confidential by law and can be published only as statistical totals in which no individual or household can be identified.

Academy Refuses Inspectors - Seeks Legal Advice

A reinspection of the Sebring Academy building was scheduled Tuesday afternoon, but school officials declined to allow health inspectors to enter the facility that is located in the former Pinecrest Country Club and Hotel near Avon Park. Legal advice is being sought on the next step. The most serious problem discovered was in the water supply. It was found to have an unsatisfactory bacteriological analysis. The health department recommends use of bottled water until the problem can be corrected.

Owners of the building, Pinecrest Properties have been providing bottled water as per request.

Although there is a golf shop and small restaurant in the building, it has been about nine months since a sample of water was provided for testing, Brooks said. Because there are generally fewer than 25 persons who use the restaurant, the establishment falls under a different set of state guidelines for water quality.

The state uses 25 consumers as a cutoff point. Because the school has 110 students, it must meet more stringent water safety requirements, Brooks said.

The state Department of Environmental Regulations is responsible for water quality. Local authorities asked for a state investigation of the water on Sept. 14.

The health department also said a milk cooler in the cafeteria should be cleaned and disinfected and steps should be taken to store student lunches at proper temperatures to prevent spoiling.

Several minor violations of regulations were listed in the report. These include screening of crawl space under the first floor, plaster and other debris around the building should be cleaned up, a stair hand rail should be securely fastened, holes in plaster, peeling paint on walls and ceiling should be repaired.

Lighting in the upper level and lower level rooms should be improved and lighting in corridors should be increased.

Ventilation and heating problems called for improvement of ventilation in some instructional areas, central heat must be provided in all instructional areas, mechanical ventilation is required in all restrooms and a fire marshal's inspection is required.

Restroom requirements to be met included separate facilities for female and male employees, toilet facilities for males above the fourth grade must have urinals, shower facilities should be provided for secondary physical education students, drinking fountains must be installed, holes in restroom walls must be repaired and all toilet seats should be of the open front type.

Thermometers must be provided in milk cooler and refrigerator the report said.

Following the inspection by health department officials, an inspection of the school was made Sept. 15 by Henry Eures, county building officer, and W. B. Tompkins, deputy state fire marshal.

Tompkins' report said the sprinkler system in the building must be certified. The system had apparently not been certified since the early 1960's.

The electrical system must meet Highlands County electrical code. Eures said there had been no permits issued for work done in the school and the work was apparently not done by qualified electricians.

The alarm system must be tied into the sprinkler system so that activation of the sprinkler would set off the alarm. The report also called for manual alarms to be installed.

Exit lights are to be installed. Smoke detectors should be placed in the two open stairways and no educational occupancy is to be permitted on the second floor.

The fire marshal's report also called

Hearing Set On Concealed Guns

A public hearing on a proposed ordinance concerning licenses for concealed guns has been set by Highlands County Commissioners for their regular meeting Nov. 15.

The new ordinance would not affect license procedures for hunting guns, but is aimed at giving commissioners more regulatory power over persons applying for concealed gun licenses.

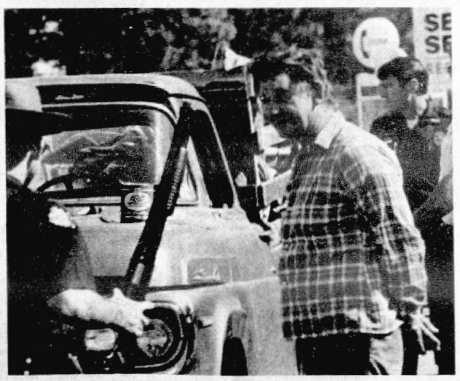

Robert P. Dunty Jr., the board's legal counsel, said the ordinance would include a character investigation, provide for a bond to be posted, require photograph and fingerprints of the applicant and five hours training by the sheriff's department in gun use. Applicants now must provide a character reference and post a $100 bond for the license.

Commissioner Robert Skipper said the board should find out if the sheriff's department would be willing to provide the training before it enacts the ordinance.

"I want to eliminate the thought that we're in gun control. I want to make it clear we're not," Commissioner C. J. "Buddy" Wise said.

A variety of zoning changes were approved unanimously by the board

Saturday Is Last Day To Register For City Election

Voters registration will be held at the Avon Park City Hall for the Dec. 6, City election for Mayor and two Councilmen. The deadline for this registration will be Saturday, Oct. 22. Office hours for City Hall are from 8 a.m. until 5 p.m., Monday thru Friday. In addition to these hours, on Thursday, Oct. 20, office hours will be extended until 8 p.m. Voters may also register at the Highlands County Courthouse Annex, Monday thru Friday from 9 a.m. to 5 p.m., on Saturday, Oct. 22.

All voters should be aware of the precinct changes made in Avon Park. Precinct One will now be on the northside of the Mall and Precinct Two on south side. The voting building for Precinct One will remain at the Winter Guest Club, while the voting building for Precinct Two will be moved to the new County Building across from the Middle School.

The reasons for changing the precinct boundaries were to make the boundaries more recognizable and to make the two precincts approximately the same size. As it works out the Mall almost bisects the voter population into two even sections, with Precinct One having only ten more voters than Precinct Two.

The only qualifications for registration are that the voter must live in Highlands County and must be 18 years or older. The registration is free. Voters need not re-register due to the change in precinct boundaries.

Local Businessman Files For Council Seat

Richard Nealis

Richard Nealis, 201 S. Highlands Ave., in qualifying for the Dec. 6, city election for councilman has lived in Avon Park for four and one half years. He stated, "He is interested in Avon Park, as the city has been good to me and I feel like doing what I can for the city."

A plumber for 33 years, Nealis lived in Silver Springs, Md. where he taught plumbing for several years in a Trade Union School.

He and his wife Winifred (Winnie) have four children and six grandchildren, all are living in Avon Park and Sebring. His shop, Nealis Plumbing is located on U.S. 27 South, where his two sons work with him in the plumbing business.

Nealis has also taught vocational plumbing courses at South Florida Junior College when there were enough students to form classes.

In running for the city council, Nealis stated he is interested in the building department and all other phases of the city. He is an original member of the Competency Board and has served on the board for three years.

One of his reasons for coming to live and work in Avon Park was because his wife's sister lives here.

Band Seating Appears Settled As Stadium Addition Planned

The age old ongoing feud between the Avon Park High School Band Parents Association and the Avon Park High School Athletic Boosters Association mushroomed from the local area to the Highlands County Superintendent level, when a dissident and vocal group of Band Parents went over the heads of local administrators and demanded that the Avon Park High School Grenadier Band be moved from temporary endzone seating to their former location in the concrete seating section.

According to Avon Park High School principal Les Watson, he and athletic director Joe Franza, analyzed the 1976 football season attendance and gate receipts, concluding that the attendance was rapidly approaching the seating capacity of Memorial Stadium. Due to a winning 1976 season even larger crowds were anticipated this year, (1977 football season).

The possibilities of expanding the home stands was discussed with key members of the board of directors of the Avon Park High School Athletic Boosters Association with a positive reaction and agreement that expansion would take place within the next two or three years.

With this in mind the band was temporarily assigned to the endzone seating at the football field in order to make more seats available for fans.

However, after the first home football game, this decision proved unaccpetable to some band members and some band parents for several reasons.

Different solutions for the problem were discussed by officers and directors of the Band Parents and the Athletic Boosters with Les Watson and Joe Franza at several meetings. At a meeting at 7 a.m., Monday, Oct. 10, drawings were presented for a three phase construction plan for additional seating that incorporated a permanent concrete seating area for the band if only phase I of the plan could be completed.

When reviewing the plans, band director John Whittemore was apparently impressed and felt the band students would be satisfied to know that plans were made to place them in sideline seating for the next football season. Those in opposition to the plans were reported to have nothing to say at this meeting. At a Lay Advisory meeting that evening most parents apparently were relieved and satisfied that a conclusion had been reached.

However, it was reported that School Superintendent Dr. Dan Davis, went to the Avon Park High School at about 10 a.m. Tuesday, Oct. 11 and ordered that the band be placed in the seats they had previously occupied, citing reasons he gave at the county school board meeting on Tuesday night, (Oct. 11). that "Revenue is not the most important thing. It's what best for the student."

Davis said the morale of some students was being adversely affected during the week of state exams for high school juniors because of the dispute. He also said the groups had not come to terms in three weeks and when parents of the band members asked if they could buy regular bleacher seats for the band, he, Davis, decided it was time to end the new seating program.

The Shoot-Out .....That Never Happened

A Bonnie and Clyde incident it wasn't, but for a short period of time Tuesday afternoon officers from Avon Park, Sebring, the Highlands County Sheriff's Department and the Florida Highway Patrol had an old fashioned chase on their hands.

The whole incident began at the Highway 27 Truck Stop near the Fort Meade Cutoff Road in Polk County. Milo Frances Sawyer, Winter Haven, was lying in the back of his pick-up truck as it cruised down U.S. 27, being driven by his son. Sawyer was on his way to Moore Haven to begin work at a dairy.

Not far behind the truck was a car driven by Hansel Oliver. His wife, Edith was seated next to him.

The Olivers told investigating officers that Sawyer allegedly kept pointing a rifle at them as they progressed down the highway. He pointed the rifle at them a number of times. Finally, Edith Oliver got on her CB radio and notified the Avon Park City Police that a man was pointing a rifle at her car. Avon Park then notified the Highlands County Sheriff's Department and the chase was on.

The pick up truck moved into Highlands County and was finally apprehended at the Farm Store on U.S. 27 , mid-way between Avon Park and Sebring.

When Sawyer was taken from the truck, it was discovered that he had a pellet and BB gun in his possession. He was handcuffed by police and later turned over to the Polk County Sheriff's Department. Charges are pending.

"I thought it was a sniper," Edith Oliver said. "It was a very harrowing experience."

Assisting in the arrest were Det. Len Askeland, Deputies Jack FCampbell and Jerry Fennel and Sgt. Bob Hopton, all of the Highlands County Sheriff's Department, Trooper Jim Vann of the Florida Highway Patrol and Ptl. Ron Nelson and Lt. Austin Hasler of the Sebring City Police.

Post Office Closed Monday

The Avon Post Office will be closed Oct. 24 in observance of Veteran's Day. Veteran's Day, which is actually on Friday, Nov. 11, was moved to the Monday date for all federal government offices due to an act of Congress.

Offices other than federal government will be closed Nov. 11, as scheduled. This includes City Hall, County offices, and local banks.

Bombing Range Team Travels To Eglin AFB

A 23 vehicle detachment from the Avon Park Bombing Range left Monday Oct. 17, for Eglin AFB at Fort Walton Beach, Florida to assist and support the Bold Eagle operation there. The unit, comanded by Lt. Col. Bachman, will assist in simulating combat radar situations for Air Force pilots to react to. The radar signals produced by the Bombing Range crew will represent enemy defenses, such as, gun and missile sites.

The truck convoy will carry radar equipment, generators, supplies and support equipment to the artificial combat area. The 43 men from Avon Park will be under field conditions with only tents and blankets to keep warm with for the 12 day mission.

Lt. Col Bachman, who is in charge of the Bombing Range's electronic warfare, will direct the nine station radar team through the course of the exercise. The pilots will be flying tactical aircraft, including F111's, F105's,, and F4's.

In December another exercise is planned for the Avon Park team for ten days, and again at the Eglin AFB. The pilots will be flying in from several Air Force Bases, from as close as MacDill to from California. Eglin AFB is one of the largest Air Force bases in the United States and provides ample room for testing the radar skills of the training pilot.

The Bombing Range, which sends an expedition to the Bold Eagle tactical exercises each October decided touse trucks to transport their equipment and troops this time instead of the customary rail transportation. It was found by the Air Force officials that the trucks were more efficient than the train was. This being one of the first trips made by motor vehicles instead of by rail, it will be one of the largest convoys sent out by the Bombing Range.

New Store To Open In Avon Shopping Center

Toy King opens at the Avon Square Shopping Center on Nov.3. This new business will add to the wide range of merchandise to be found at Avon Square. The birth of Avon Square Shopping Center was in March 1975, with the opening of Winn Dixie Supermarket. Now in the present shopping center is Winn Dixie, J.C. Penney, Eckerd's, Eagle Family Discount Store, Fabric King, and Heartland Federal Savings & Loan Association.

Toy King, a subsidiary of Rimes, Inc. of Orlando, plans an extravagant grand opening which will foster the new store's allegiance to youth; "Where kids (of all ages) rule". The Avon Park Toy King will deal with franchise directed products which will include many nationally advertised toys and games.

In addition to Toy King, LR Property Management of South Daytona plans to fill three more vacant stores within three months. The vacancies include 1450, 2500, and 4000 square foot stores. Some of the prospects for the shopping center are a carpet store, a Christian book store, a bootery, and a hardware store.

Condict Will Speak To Board Of Realtors

Lawrence R. Condict of Orlando, president of the 37,000-member Florida Association of Realtors, will be an honored guest and featured speaker for a meeting of the Avon Park Area Board of Realtors on Wed., Oct. 26, 12 noon at the Pinecrest Country Club.

A Florida native and graduate of the University of Florida, Condict entered the real estate business at Orlando in 1947. He joined his local Board two years later and today heads his own firm, Condict Realtor. He specializes in appraising and is a designated member of the Society of Real Estate Appraiser, American Society of Appraisers and American Right of Way Association.

Since 1958 Condict has been a director of the state association, was named state Realtor of the Year in 1963, is a past state state Realtor of the Year in 1963, is a past state district vice president and a former state association treasurer. Until his election as first vice vice and a former state association treasurer. Until his election as first vice president in 1975, he had served as secretary-treasurer of Florida's Real Estate Political Action Committee.

Condict has also been active on a national level, and except for one year has been a director of the National Association of Realtors since 1969. He is also a member of the Realtors National Marketing Institute, the International Real Estate Federation and Farm and Land Institute.

In his visit to Avon Park, Condict will be accompanied by his wife, Helen, herself a Realtor-Associate with the Condict firm.

Tax Increase To Hurt

Should Congress go ahead with plans to automatically increase the employer's tax rate for social security payments, a survey of Florida businesses conducted by the Florida Chamber of Commerce shows the state's economy would definitely be adversely affected with a slowdown in employment, inflation and a cutback in planned expansions.

Nearly eight percent of the Florida Chamber members polled on the question responded to the survey. Of these, 63 percent indicated they would increase their prices to meet the new tax demand; 33 percent would reduce employment; 54 percent would hold off in new hiring; 33 percent would delay expansion of facilities; 58 percent would hold down wages or benefits; and 36 percent would invest in labor saving equipment.

An overwhelming majority of the business people responding to the survey (86 percent) said they felt future increases in Social Security taxes should be borne by employers and employees on an equal basis. About 90 percent of the responses were against the use of general revenues to bail out the troubled social security system.

Responses to the statewide survey came from a broad range of industry groups including manufacturing, retail trade, mining, financial, insurance and real estate, agriculture, construction and services. Of the companies represented, 41 percent indicated they employed 100 or more workers.

Federal Pay Increase To Cost You $102

The average Florida family can expect to pay higher federal taxes because of a federal pay increase which went into effect Oct. 1, the Florida Chamber of Commerce reported today.

The United States Chamber of Commerce has recently issued a forecast that the 12 percent increase in compensation federal employees begin receiving this month will cost the average Florida family $102 each year in higher federal taxes and at least $2,000 to cover the existing deficit in federal retirement fund.

Said to be the largest federal pay increase in history, it became law because of the pay Comparability System which allows federal pay to increase without a vote being taken by Congress. Of the 12 percent increase, 7.05 percent is direct salary and the remainder went to retirement benefits. In comparison, the average Florida worker received only about a seven percent increase including retirement benefits.

Federal pay increase now puts national government workers 45 percent above all other sectors and is the major reason why many talented people are leaving state and local government.

Cutler Announces New Wilderness Approach

A new U. S. Department of Agriculture program of review and evaluation to establish a quality national wilderness system on a planned and controlled basis was outlined by M. Rupert Cutler, assistant secretary of agriculture for conservation, research and education.

Speaking before the Society of American Foresters, in Alberquerque, N. M., Dr. Cutler said the present "piecemeal" policy of designating National Forest wilderness areas is less satisfactory because it operates "out of context with sound comprehensive land management planning."

Two primary aims of the new program are:

— to determine which roadless and undeveloped areas are still needed to complete the Forest Service-administered share of a quality national wilderness preservation system; and

— to determine which areas should receive no further wilderness consideration but be devoted to other uses.

Dr. Cutler pointed out that the previous method of identifying potential National Forest wilderness areas, called the Roadless Areas Review and Evaluation (RARE), had some serious shortcomings.

For example, he said, the inventory standards were too general, often resulting in inconsistencies in the way areas were selected and in overlooked areas from region to region. The old method also failed to include eastern forests in the whole evaluation program.

Under the new program of wilderness review, call RARE II, "the public will be made a full partner in each step of the selection from the initial inventory through the final section of alternative recommendations to Congress at the end of the project," Dr. Cutler said.

Dr. Cutler said that an inventory list of roadless areas to be reviewed for wilderness potential will be announced later this month and the list will be published in the Federal Register for public comment.

Dr. Cutler stressed the need for decisions at an early date because procrastination today may mean that otherwise deserving areas will be irretrievably committed to uses that preclude them ever becoming wilderness areas."

Audubon Wildlife Film Scheduled

The seventeenth season of Audubon Wildlife films starts for Ridge Audubon Society in January with a series of five programs. They will be shown at the Lake Wales High School Auditorium at 8 p.m. Starting January 27, 1978 through Thursday March 23, 1978. Tickets bought early for the series will sell for $6. for regular tickets and $10. for patron tickets. After Jan. 1 the price increases to $8. and $12. respectively. Buying a patron ticket makes possible the showing of the programs in the public schools.

This year's chairman, Virginia McKinley, called attention to the fact that these tickets make suitable and enjoyable Christmas gifts. Tickets will be available at the Lake Wales Public Library and also at the Audubon Center in Babson Park. Hours at the Center are 2 to 5 p.m., each day except Monday. Checks may be made payable to Ridge Audubon Society.

On Friday January 27, Burdette White will show "Vanishing American Wildlife." Burdette White and his wife Violet are not new to Lake Wales, having been on the lecture tour before. They have filmed some of the endangered species and have invested much time and energy in producing this engrossing film.

Friday, Feb. 10, Allen King will show his "Song of the Northern Prairie." North Dakota is its principal locale, its wetlands are host to thousands of migrating birds.

Thursday, Feb. 16, Walter Berlet will show "East Side Story: Bahamas To Quebec." It includes spring to late summer with film of Kirtland's Warbler, Key Deer, the wild ponies of Virginia's Assateague Island and much more.

Feb 24, lecturer and photographer Norm Wakeman will present "Pacific Shores". This is a somewhat new area and covers shore birds, land and sea mammals and the underwater world.

Thursday, March 23, L. J. Haney will present "Florida's Endangered Wildlife" and will be of vital interest to us all. Ms. Haney has compiled a documentary saddening or at least uncomfortable in some places and most cheering in others. The presentation allows the hope that with the admission of mistakes will come rectification.

Burnsed To Visit Avon Park

Beverly B. Burnsed, State Representative, District 50 has announced her schedule of visits to communities within the district, including an Oct. 21 visit to Avon Park, Frostproof and Fort Meade.

Mrs. Burnsed will be at the respective city halls to meet and talk with interested citizens about their legislative priorities as well as particular concerns about state government.

"Committee meetings for the 1978 session have already started and bills are being pre-filed. For me to effectively represent those I serve, we need to communicate. Over 3000 bills will probably be introduced in the House alone covering a variety of subjects, so citizens input is vital as far as I am concerned," she said.

She will be at Avon Park in the Mayor's Office Oct. 21, from 9 a.m., to 10 a.m., Frostproof City Hall from 11 a.m. to 12 Noon; and Fort Meade City Hall Lobby from 2 p.m. to 3 p.m.

Question Of Where Band Sits At Football Games

Dear Editor:

The question of where the Avon Park High School Band sits has brought many issues out in the open. On one hand, we wanted to offer our support to Dr. Davis in keeping football games as activities for students rather than money-making ventures or entertainment for the public. However, looking closer, we believe that even if this is the result of his stand, it is only accidental. The power struggle he is engaged in will mean one thing for certain — the students will lose in the end. Our young people will learn far more by the examples we set than by anything we will ever tell them.

There will always be conflict and differing opinions and we see demonstrated in this case behavior which is seldom useful. Students who get in power struggles usually wind up in the office for discipline. If we gave state assessment tests on problem-solving and conflict resolution, the ability to co-exist in a society where differences are inevitable, how would our students measure up? And who would be held accountable?

The Superintendent is in a highly visible and influential position where he has the chance to teach by example the important skill of problem-solving by negotiation. We will always have conflicts of interest and opinion. We see the real issue being the behavior of Dr. Davis and the other adults involved. We are watching and many, many young people are watching, to see how this loaded situation is handled.

Sincerely,
Lois and Jim Robertson

Lack Of Participation - Ladies Lose Charter

Editor:

Due to a lack of patriotism and participation, the Ladies Auxiliary to the Veterans of Foreign Wars, Avon Park No. 7672, lost their charter on Oct. 10.

Though the 10 remaining women gave their best efforts and made several valiant efforts to continue working, it became apparent to the state organization it was a lost cause.

In the three years the auxiliary was in force, they held covered dish dinners, rummage sales, offered fish fries at Donaldson Park, distributed free Halloween candy, and participated on Poppy Days. However, the commnity failed to respond or receive the VFW Auxiliary.

The monies raised by this organization went to needy veterans, and-or families, to cancer aid and research, to veterans, hospitals, and to a children's home in Eaton Rapids, Mich.

The remaining members have been invited to transfer their membership to posts and auxiliaries in surrounding cities where their efforts will be properly appreciated.

It's really a great loss to Avon Park, but, apparently indicative of the attitude of that community.

Fadalia J. Ragland,
Past President

Working Man Loses In Labor Reform Act

Union and business interests lost sight of the American working man and woman in passage Thursday of the so-called labor law "reform" act, president Reed Larson of the National Right to Work Committee said.

"The debate became a contest between employer interests and union organizations," Larson said. "There was no attention given to the rights of the vast majority of employees who will be affected by the ultimate compulsory unionism imposed if this act is finally approved."

Major features of the "reform" bill would give union officials far greater leverage in pressing their demands for compulsory unionism.

"This legislation was designed to force employers to hand over their employees to union organizers through compulsory membership contracts," Larson said. "The Big Labor bosses got what they wanted in a serious confrontation with business interests. The House of Representatives lost sight of and interest in the working man and woman whose rights to free choice and individual liberty would be crushed."

From Where I See It

ALICE SMITH

Last spring Jack Anderson, the People's Washington Watchdog, touched base right here in Highlands County.

Remember the story about the clever gentleman who ripped off Florida Power for a million or two dollars during the Arab oil embargo? Remember the paper round-robin sales scheme and the oil that jumped from 22 to 54 cents a gallon without leaving home? Remember that those increased fuel costs were passed oin to you and me?

Sure you do. Now, a current Associated Press news story says the Federal Energy Administration has investigated dozens of such cases all over the country. The information is sitting in their files and the FEA has not mounted single prosecution in connection with these overcharges. It's sort of comforting to know we were not alone. If we have to wear the "easy mark" tag, it's nice to have lots of company.

Now for the good news. It seems that here in Florida we have an energetic public official who isn't about to let all that dirt pile up under the rug.

Paula Hawkins, chairman of the state Public Service Commission, has filed suits in U. S. District Court against FEA and the Dept. of Energy. She is trying to force FEA to supply documents concerning its investigations on oil price grouping in Florida. Two months ago she filed the first one, after the agency refused to release information on its probe involving Florida Pwer Corp.

Gov. Askew intervened in this instance and FEA agreed to release information involving Florida Power. However, in a letter to Energy Secretary James Schlesinger, Hawkins said, "the information amounted to several hundred pages of worthless paper." Her office was told that she should not expect to be provided with any meaningful information. In her letter, Hawkins asked Schlesinger to direct the FEA to release all information in both the Florida Power and Florida Power and Light investigations.

She also wrote, "I find it difficult to place into words my anger and frustration over this matter. Will the federal bureaucrats ever learn that their job is to serve and not to concentrate their energy on frustrating the legitimate rights of the public?"

Now there's a lady who sees her duty and does it. My first thought was that we should start boosting her right up the political ladder. But I had second ones. We need her out front in the consumer battle for survival.

Politicians on the top rungs are so busy keeping their balance up there, they frequently forget the small fry holding up the ladder.

Bills Would Help Veterans Buy Homes' Get Better Health Care

As the 1977 legislative session draws to a close, U. S. Sen. Richard Stone is introducing a series of bills to help veterans.

Three of the bills, co-introduced by Sen. Lawton Chiles, would establish additional VA hospitals and outpatient clinics in northwest Florida and Broward County, where veterans must now travel long distances in order to get medical care.

"Our nation has made a commitment to provide adequate health care and financial assistance to veterans who suffered service-connected injuries," said Sen. Stone, a member of the Senate Veterans' Affairs Committee.

"However, Florida has only nine Veterans' Administration (VA) hospitals and outpatient clinics to serve more than one million veterans who are state residents," he continued. "For many veterans, VA medical facilities are so far away that they are virtually inaccessible."

A fourth bill introduced by Stone would help give disabled veterans who wish to buy a home the financial security they need. It would establish a program of mortgage life insurance for severely disabled veterans who are unable to purchase commercial policies.

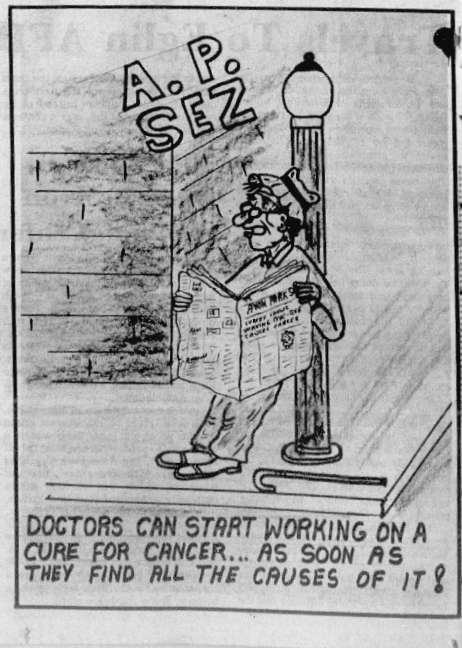

"This bill would make available to severely disabled veterans the same kind of financial backing available to other homeowners," said Sen. Stone. "Only a small number of veterans would be affected by the mortgage insurance program — but these veterans deserve the VA's every effort to bring them into the mainstream of American life."

Homebuyers may purchase mortgage life insurance to help their families pay off the mortgage in the event of their death. However, many disabled veterans cannot obtain these policies at any price from commercial insurance companies because they are considered health risks.

The Stone measure would authorize the VA to purchase group mortgage life insurance and make it available to severely disabled veterans. The VA already has a limited group mortgage life insurance program, but only veterans who lost the use of their arms or legs and need specially-adapted housing are eligible.

During recent visits to Florida, Sen. Stone was told by veterans of the need for additional and more accessible medical facilities.

House Of Fright Oct. 28-30

There was a committee meeting at the home of Betsy Smith, chairman of the event, last Wednesday night to discuss the final details of the opening of the House of Fright. "The House is just about ready to begin the final work," according to chairman Fred Henley. He also said the scouts were busy selling tickets to the event.

Mrs. Smith said that she would like to remind parents that little children or extra sensitive children should be placed in the nursery, located across the street at the Congregational Church, free of charge.

"We've had lots of adults come through and the elderly get a big kick out of it. This is not just for the teenagers its for adults to enjoy too ", said Mrs. Smith.

The "House of Fright" will open its doors on Friday Oct. 28 and will be opened until Sunday, Oct. 30, from 8 p.m., until 10:30 p.m.

Helping Betsy Smith, and Fred Henley with the House of Fright this year are Scout Master Larry Hooper, Cary Bennett, Mrs. Dee Fish, Mrs. June Elkhill, Mrs. Martha Scott, Mr. and Mrs. Bill Warner, Mr. Charles Goodwin, Mr. Juan Sanchez, Mr. and Mrs. Jim Rice, Mr. Dave Batty, Mr. Heal Andreae.

Tickets for this event may be purchased from a boy scout or you may call Fred Henly, ticket chairman. Tickets sell for fifty (.50) cents now, but when the House of Fright opens it doors, the price will go up to seventy-five (75) cents.

MARY WELLS, Avon Park Jr. Women Club, is caught putting finishing touches on Kelly Jordan's Gypsy face, in preparation for the P. T. O. booth at the Halloween Carnival.

THIS CREATURE will be lurking for you at the House of Fright, October 28-30.

Rec Center Sponsors Frog Jump

Approximately 24 business in Avon Park will donate five dollars ($5.00) to the Recreation Center in order to sponsor a boy or girl in a frog jumping contest at the P. T. O. Carnival.

The frog jumping contest will be located in the parking lot, beside the Recreation Center. "Frogs or toads will be furnished by the Rec. Center, but if you wish, feel free to bring your own," said Dennis Guenthier, Avon Park Recreation Director.

The object of the game is to get your frog, which is squirted with a water gun, to jump out of a circle, eight feet in diameter.

Boys and Girls may sign up for this event after the Halloween Parade, which will be held on Saturday, October 29 at 4 p.m.

TIRES TAKEN

Two fruit trailer tires, two inner tubes and two rims valued at $325 were stolen from Florida Home Juice of Avon Park. Highlands County sheriff's deputies are investigating the theft.

Mrs. Mattie Looks To 100th Birthday

Mrs. Mattie D. Roberts, was born Martha Delena Durrance on July 3, 1878 and will celebrate her 100th birthday this coming July. She was one of nine children and is the only one living. At an early age, she moved with her family to rural Fort Meade near the Willoughby Tillis place, where there had been an Indian skirmish, which is part of the Fort Mead history.

Mrs. Roberts taught in several elementary schools, teaching first through eighth grades in one-room schoolhouses.

On Feb. 16, 1902, she married Aldcman (Auley) Roberts, son of Robert and Elizabeth Roberts. "Auley" was a direct descendant of Lt. Alderman Carlton who lost his life along with several other pioneers, in an Indian uprising in the Fort Meade area. A monument stands in their honor in a Fort Meade park.

Mr. and Mrs. Roberts were the parents of seven children, two sons dying in infancy. Clarence, Byron, and Kelly are now deceased. Claude, is living in Punta Gorda, and the only daughter, Mrs. R. R. Rainey (Fran) is living in Sebring.

Mrs. Mattie, as she is known, became a widow around the age of forty. For a few years she lived on a farm near Ona, afterwards she moved into the town. While there, she held many different jobs ranging from fruit packer to store clerk. She finally became a postmaster and retired under Civil Service.

Mrs. Mattie lived alone for several years until Sadie and James Bond, her sister and brother-in-law came to live with her. Mr. Bond passed away and Sadie remained with her until Mrs. Roberts was 88 years old, at whhich time Mrs. Mattie came to live with her daughter and son-in-law in Sebring, and later with her other children.

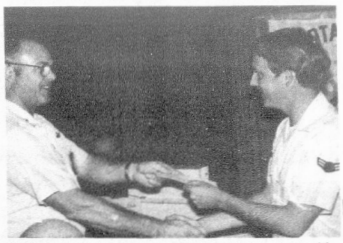

Mrs. Mattie fell in January of 1976 and is now a bed and wheelchair patient at Hillcrest Nursing Home.

She has seven grand-children, seven great-grand-children and numerous nieces and nephews.

Her great interest in reading her Bible, newspapers, and other worthwhile literature which has kept her mind alert throughout her lifetime.

In less than three years, she has lost three sons, a brother, and a sister, but she is holding up courageously.

She has been an inspiration to others by her staunch Christian belief and faith in God.

ROTARIAN DON GRIFFING, Commander of the Avon Park Bombing and Gunnery Range congratulates Airman 1st Classs Jerry Reed of New Albany Ind. for his accomplishments and presented him with check from the Rotary Club.

Student Speaks Rotarians

Robyn Sommerville from Australia, was introduced as the speaker, to the Avon Park Rotary Club last Wednesday by Stanley Wells, program chairman.

Robyn is a Rotary Exchange Student and is sponsored by Rotary District 743, which has 49 clubs and is located in Pennsylvania.

Her country is the same size as the United States, Robyn told the Rotarians, but only has 30 million people and she added three quarters of her country is desert.

She said their school system is similar to ours but they are allowed to leave school after the 10th grade. The last two years are optimal and therefore students who continue really want to go to school. This creates a different atmosphere. Like our new Florida system a student is given an exam, which must be passed in order to graduate. She said, "Either you pass or fail and this exam is a live or die situation."

If a student plans to attend college, one must have very high score on this exam.

Robyn said one of the biggest problems in her country ios unemployment, much worse than ours. She said their economy is also much worse than ours. She referred to America as the super state of the world.

Australia is still under the Queen of England and there is a big movement to become independent.

Robyn explained there are about 300 students involved in the Rotary exchange student program. She has enjoyed her speaking tour through the South but jokingly said, "We could keep our grits." In concluding her talk, Robyn challenged this Rotary Club to sponsor an exchange student.

ROBYN SOMMERVILLE AN Exchange Student from Australia told Avon Park Rotarians about some of the similarities and differences between our two countries.

One new member was inducted into the Avon Park Rotary Club last week, Major Scott Stovin of the United States Air Force, stationed at the Avon Park Bombing and Gunnery Range. This brings the club membership to a new all time high of 67 members.

In a short ceremony the club recognized and honored the Airman of the Quarter, Airman 1st Class Jerry K. Reed, stationed at the Bombing Range.

Highway Construction Costs Soar Up

Highway construction costs are now at their highest point in Florida during the past three years. According to the Florida Department of Transportation costs have more than doubled in the past decade by measurement on the highway construction cost index. It measures current costs against 1967 costs. The current Florida index at 202.2 means that $202.20 now is required to purchase what $100 would buy in highway construction in 1967.

Classes For Adult Drivers

The driver education course for adults will be offered by South Florida Junior College as part of the Community Instructional Services Program. The class will begin on Oct. 31, at 7 p.m., and will meet two nights a week at Avon Park High School in Room 203. In addition to thirty hours of classroom instruction, six hours of "behind the wheel" instruction will be arranged for each student.

The fee for the adult driver education class is $30. and persons wishing to enroll may register in the CIS Office at South Florida Junior College from Oct. 20-31. Persons may also register the first night of class.

The initial class will be limited to the first twenty persons who register; however, all persons interested in the program should contact Mrs. Adair at the college since additional classes will be offered if the demand is sufficient. The telephone number is 453-6661, extension 115, in Avon Park.

Our Appologies

Our appologies go to John F. McClellan! It seems that every time his name is used in the Sun, it is misspelled with a "d" on the end according to John Palsgrove. However, when his wife's name is used in an article it is spelled correctly and they are members of the same family.

Mrs. Evelyn Carlisle Enjoys 25 Years Of Mom's Mums

Mrs. Evelyn Carlisle, 204 S. Desota St., Avon Park, works with her Chrysanthemums while they're at their peak in color. "Their orchid daisy-like chrysanthemums will gradually fade to white in color. "Their blooms usually last four to five weeks," according to Mrs. Charlisle.

These mums came from cuttings Mrs. Charlisle's mother gave her approximately 25 years ago. "They've increased in their sentimental value, now that mother's gone," said Mrs. Carlisle.

Ferguson-Helms To Wed Oct. 22

Mary Elizabeth Ferguson and Ricky Glynn Helms will be united in marriage on Saturday, October 22, at 7 p.m. at the First United Methodist Church of Avon Park.

No formal invitations have been mailed. All friends and relatives are cordially invited to attend the ceremony and reception immediately following in Wesley Hall.

Hibiscus Circle Garden Club Holds Breakfast

The Hibiscus Circle Garden Club held their semi-annual breakfast at Wayside Park, Thursday, Oct. 13. It was a cool, windy morning, but ten ladies showed up for a delicious breakfast consisting of; grits smothered in butter, scrambled eggs with bacon bits, scrambled eggs with cheese, banana bread, fig candied in brandy, corned beef, beef sausage, doughnuts, coffee cake and steaming hot coffee.

The breakfast was followed by a very interesting business meeting, which was highlighted by the report of Sybil Laye, Chairman of Ways and Means Committee. She reported that the receipts from the Side-Walk Sale held on the Mall, Oct. 7-8, netted $239.

Chairman, Grace Boney of Civic Committee reported on the progress at Blue Star Marker, and the plans for beautification of plantings around the bandstand and flagpole.

Highlands County should be proud of the planned coming event of District IX Florida Federation of Garden Clubs which will meet on October 31, at the Agriculture Center in Sebring.

After some moments of relaxation, there were keen moments of interest when Carrie McGiboney won the door prize number. She was presented with a Flamingo Hibiscus plant.

Many beautiful plants were donated and bought by club members in the silent plant auction, after which Emma Bussard and Mildred Myers gave a colorful review of their travels in California and the Southwestern States.

The bus tour from June 24 through Aug. 26 left Tampa, went through the upper panhandle of Fla. through Louisana, Texas, New Mexico, Nevada, California, Utah, Colorada, Kansas, Mississippi, and Missouri.

The Peninsula Motor Club booked them for outstanding hotels. The Ceasar's Palace in Las Vagas, is one that you must see.

"The beauties and excitement of this bus tour were unbelievable, and we highly recommend this tour for others," said Mrs. Bussard and Mrs. Myers.

Garden Club Met Oct.13

The Founders Garden Club meet on October 13, at 2 p.m. in the home of Mrs. Chester Wollangh. The co-hostess for the event was Mrs. Lou Grose.

There was a panel discussion on flowering trees and plants. It was suggested that in beautifying your lawn and to create a woodland scene, flowering trees and shrubs be used.

Many different types of flowering trees and shrubs were discussed with most of the questions and answers centering on Azaleas.

"Fall is the time to plant and for pruning and shaping of trees and shrubs. The merit of this, is that it will remove the pull on the root system during the cold winter months," said a horticulture expert.

At the end of the discussion meeting, there was a plant drawing with Mrs. Jenny Herd being the lucky winner of a SanSeVeria, and Mrs. Keith Debco a lovely sweet potatoe plant.

Soup And Pie

Saturday, October 22, is "Soup and Pie" Day at the Woman's Club House, on the corner of Verona Ave. and Pine St., across from the Avon Park post-office.

From 11 a.m. members of the Woman's Club will be serving home-made soup and desserts, with beverages. The menu will include such favorites as vegetable, chicken, bean and split pea soups and a variety of pies, cakes and cheese cake.

For those who wish it, there will be a "takeout" service: soup may be purchased in containers.

This promises to be a pleasant affair and an opportunity for "luncheon down-town".

Anderson-Adkins To Wed Sat. Oct. 22

Beverly Grando Anderson and Quentin Wayne Atkins will take their vows on Saturday, October 22, at 6 p.m., at Highlands Hammock State Park, Sebring.

A reception will be held, immediately following the ceremony at the home of Mr. and Mrs. Allen Durkin. All friends and relatives are cordially invited to attend.

Pledges Sorority

Miss Sue Nunnallee, Daughter of Mr. and Mrs. Hue Nunnallee, 98 Lake Byrd Blvd., Avon Park, has recently pledged Alpha Eta chapter of Delta Delta Delta sorority at Florida State University, in Tallahassee.

PTO Met At Avon Elementary School

The PTO, Parent Teacher Organization , met on Thursday, Oct. 13, at the Avon Park Elementary School Cafeteria. Mrs. Margaret Collins, outgoing president, welcomed everyone by inviting them to bring a cake to the PTO Halloween Carnival on Sat. October 29, at Donaldson Park.

Mrs. Mary Ann Reddick gave the invocation and later introduced Mrs. Lyn Dannels, a VISTA worker. Mrs. Dannels explained the services, in the school, each person in the community can volunteer for. Volunteer help is very much needed. Anyone interested may call 385-4343 collect.

Margaret Collins introduced the new officers for the coming year; Jimmy Brooks President; Ellen Jordan, First Vice-President; Phylis Williams, Second Vice President; Edna Washington, Treasurer and Judy Coulliette, Secretary.

The meeting was then turned over to the new president, Jimmy Brooks. He introduced his father, Principal Norris Brook of the Avon Park Elementary School. Principal Brooks introduced a new teacher, Miss Janice Murphy and he also recognized temporary teachers. The meeting was dismissed and open house was held in the classrooms so the parents could visit with teachers, and see their childs work.

The new officers are all looking for a bigger and better Halloween Carnival, than ever before. In order to achieve this goal, each parent of Avon Park Elementary children, needs to contribute their time to this worthwhile project. If you have not been contacted as to the part you can play in the carnival, please contact Mrs. Margaret Collins, at 453-6218.

Highlanders Host Bridal Shower

A lovely bridal shower was given Beth Ferguson, bride-elect of Ricky Helms, on Oct. 10, by The Young Highlanders, of which Beth is assistant manager. The shower was held in the home of Evelyn G. Jones, Avon Park.

The event was planned by Diane Whitcomb, Sunshine Chairman. A lovely cake decorated with daisies, and punch with all the trimmings was served to all The Young Highlanders, Evelyn Jones, Don Meiser and special guest, Ricky Helms.

The evening was very nostalgic as Beth is the only present member, of The Young Highlanders, who was in the orignial group which was formed in 1972. Beth received lovely gifts from each member to help her start her new married life.

Hamm - Brock Wed In Candlelight Ceremony

Debra Kay Hamm and Steven D. Brock were married October 8, at 7 p.m., at the First United Methodist Church in Avon Park.

Debbie is the Daughter of Mr. and Mrs. C. R. Hamm and Steve is the son of Mr. and Mrs. Alfred Brock all of Avon Park.

The double ring ceremony was performed by the Rev. Ray Ragsdale.

A brass, arch shaped candelabra centered the nuptial platform. Two massed bouquets with white glads, yellow mums, pompoms and baby's breath, flanked each side and rich green wedding palms formed the background. White satin bows marked the family pews and completed the church decorations.

Richard Wedig was the pianist and organist for the ceremony.

Given in marriage by her father, the bride wore a white floor length gown. The Victorian bodice of chantilly lace featured dropped shoulders and a high Mandarin collar. Tiny white satin bows accented the center of the bodice. Full sleeves of white illusion, tapered into wide chantilly lace cuffs. Two lace panels off-set the center of the illusion skirt which fell loosely from an empire waistline. A Juliet cap covered with matching lace and accented by seed pearls and tiny yellow bows adorned the bride's head. A floor length net train fell from the headpiece. Chantilly lace surrounded the train with a finger-tip veil attached to the front of the cap.

The bride's bouquet featured yellow sweetheart roses, white daises, baby breath and was accented with lace streamers.

Cheryl Hamm was her sister's maid of honor. Tina Johnson was the bride's attendent. Both were attired in identical floor length dresses of yellow and white floral print. Their sleeveless gowns had a dropped, gathered yoke. A V-neckline gave prominance to the simple collar. A cumberband sash tied into a bow at the back of the gown.

The bride's attendents wore yellow satin ribbons in their hair. Their flowers were nosegays of yellow daisies and baby's breath, accented with yellow and white lace.

Chrisolene Mann of Avon Park and Carol Layport of Lake Placid, the flower girls, were attired similar to the attendents.

The bride's mother wore a floor-length yellow crepe with a caped neckline. Her corsage was a yellow sweetheart rose and verigated yellow carnations.

The groom's mother was gowned in an Ice-Blue long dress, trimmed with white lace under the Empire bust and around the cuff's and neck. Her corsage was yellow carnations surrounding a sweetheart rose.

The best man was Randy Rich. Groomsman was Craig Landress and ushers were Bobby Murphy and Joe Gillians.

The reception followed in Wesley Hall. Serving were Cathy Whitmire, Carol Spurlock, Paula Sheffield, Molly Shawver and Barbara Cornell.

For the wedding trip to Daytona Beach, the Bride chose a three piece pantsuit ensemble. Her striped matching sweater had a cowl neck-line and she wore a gold necklace. The couple will reside at 10 S. DeSota Ave., Avon Park.

Out of town guests for the wedding were: Mr. and Mrs. Otis Layport; Mr. and Mrs. Shelton Mullins; Christina and Cath Layport; Mrs. Geraldine Clifton; all from Lake Placid; Mr. and Mrs. Larry McCleland and children, Bowling Green; and Mrs. Julia Hamm, Lakeland.

Penney's Store First To Have Fashion Board

In a company first the local J. C. Penney Store formed a fashion board with ladies from five cities in the area, to help in picking fashions in the future, Earl Jackson, store manager told members of the press at a meeting last week.

Jackson told that this particular fashion board was another first for the Penney Company. They had fashion boards before but they consisted mostly of high school and college students who eventually ended up by working in the store, thus the boards were discontinued.

Eleven people were picked to serve on the board and included a wide-cross-section of ages to serve in this honorary position.

The following people agreed to serve on the board and from Avon Park included: Sue Mosely, Nell Roberts, Pam Williams and Anne Belle Worden. From Sebring the following agreed: Ruth Allen, Suzanne Arant, Verna Macbeth and Diana Taylor.

Mrs. John Roundtree accepted from Frostproof, with Lora Watson coming from Lake Placid and Ginger Gough from Wauchula to serve on the new fashion board.

Jackson reported that all of the ladies were well known in their communities and all were active in the affairs of their community.

Before the meeting the ladies had been asked to visit the store and jot down constructive criticism about the merchandise, what the store didn't have and what the store needed, along with advice on all areas of the store, particularly about fashions — women's, men's and children.

Owens Guest At First Baptist Church

A world Missions Conference is an occasion when we are able to examine what Baptists are doing to reach the world with the gospel of Jesus Christ. Missionaries from Africa, South America, New York and Florida will be telling of their work.

The special guest of First Baptist Church, Avon Park will be Mrs. Myrtice Owens. She will speak on Sunday morning at 11 a.m. Mrs. Owens works with her husband, Carlos, in Moshi, Tanzania. She is a registered nurse and operates a mobile nursing clinic in areas where her husband is preaching. A native of Florida, Mrs. Owens has served with the Foreign Mission Board since 1957.

Other speakers during the World Missions Conference include Sam Simpson from the inner-city work in Bronx,. New York and others from our state and around the world.

Fisher Seeks Volunteers

Mrs. Virginia Fisher will be guest speaker at the meeting of the Highlands County Council on Aging to be held at 2 p.m. Oct. 20 in the Sebring City Council Chamber, 368 S. Commerce Ave.

Mrs. Fisher is employed by Health and Rehabilitative Services (HRS) as Supervisor of Aging, Adult Specialized Family Services and Retardation in Highlands and Hardee Counties. Those services which may be summed up as aid and comfort to the elderly may be of interest to some of the 11,293 recipients of Social Security payments in Highlands County and to other elderly persons without such income.

Mrs. Fisher's presentation will have a double purpose — to acquaint the community with the services available, and to enlist volunteers to conduct interviews, give telephone reassurance and to provide transportation for needy cases.

The Highlands County Council on Aging is pleased to serve as broker in answering these needs, and the officers of the Council cordially invite all interested persons to attend.

WINDOWS BROKEN

Thomas Ellington of Avon Park said someone broke the left front window on his auto while it was parked at his home. Highlands County sheriff's deputies are investigating.

Ed Bailey Crowned "King Boss"

The Black Forest Restaurant of Sun'n Lakes was the scene of the Highlands County Credit Women Internationals installation of officers and "King Bosses" night, Monday, Oct. 10, 1977. with C. Edwin Bailey of Avon Citrus Bank crowned during the evening as the credit women's choice of "King Boss" for the current year.

Bailey as winner of the local club was considered on the state level at the Associated Credit Bureaus of Florida and Credit Women International of Florida convention held at the Don CeSar Beach Resort Hotel in St. Petersburg Beach, Oct. 14-16.

Living in Sebring, Bailey was supervisor for Household Finance and manager for General Finance Corporation, before coming to Avon Citrus Bank as assistant vice president in 1970.

A member of the First United Methodist Church in Sebring, he is a past president of the Avon Park Rotary Club and several other organizations, along with being past president and treasurer of Highlands Shrine Club and a member of various Masonic lodges. Currently he is president of the Florida Banker's Association, Installment Group VI, which covers 104 banks.

Bailey has seen the loan department double in personnel and watched the change from a manual system to a highly sophisticated computer system at the bank. He was discribed as a particular type of person, able to cope with the every day, change, pressures, deadlines, morale and customer satisfaction. As a born leader, he demanded perfection and encouraged membership in Credit Women International as they continue to further their education in the area of credit.

President of the Credit Women, Doris Whitt, was honored with "Credit Women of the Year" by Julie Reecer, State of Florida Credit Women of the year and a guest for the occassion, from the Lakeland Cub.

Doris Thrasher, a member of Lakeland CWI and Dixie Council president installed the following officers fort the 1977-78 year: Doris Whitt,president; Louise Willis, secretary and Rebecca Leaphart, treasurer.

It was pointed out by Mrs. Whitt that several outstanding speakers shared a variety of topics with CWI during the past year. After a brief review of the year's highlights a drawing was held, in which Hazel Arnold of Avon Park received the lovely floral arrangement which had been used as a center piece for the occasion.

Railroad Station Museum To Be Subject Of Meeting

A program on the Railroad Station Museum for Avon Park is set for Thursday evening, Oct. 27, at six o'clock in the Fellowship Hall of the Congregational Church, with a covered dish dinner.

This is the annual meeting date of the Old Settlers Historical Scociety. They have arranged the program and invited anyone who is interested in the museum to attend.

Mrs. Meme Hardman, who headed the project of the RR Station Museum in Lake Wales, will be the speaker. A Barbershop quartet will provide music for the occasion.

The annual business meeting of the Old Settlers Association will be held following the dinner, with recognition of the member's, having traveled the furtherest to attend the meeting; lived in Avon Park the longest and the couple having been married the longest.

Membership in the organization is open to anyone having lived in Avon Park, 20 years or longer. However, it was emphazied that the meeting is open to the public, or anyone interested in obtaining the railroad station as a museum for Avon Park.

Rev. H. D. Graetz, President of the Old Settlers Historical Society, said "bring a dish of food, your own table service and come," if you are an old timer, or if you are interested in the museum for Avon Park.

"Ghostly Warning"

It was requested by Mr. and Mrs. W. J. Day that this "Dear Abby" article be presented to the Avon Park youth in order to instill in them a sense of urgency towards safe driving. Mr. and Mrs. Day's son, Steve, 17, died Oct. 4 in a car accident.

DEAR ABBY: Last summer you wrote something that virtually saved my life — and maybe the lives of many others. I had just gotten my driver's license and that column really opened my eyes. I think about it every time I turn on the ignition in my car.

I am enclosing it. Please run it again. And run it every year for those kids who may have missed it.

LOVES LIFE AT 18

DEAR LOVES: Seldom has a column made such an impact as the one to which you refer. I shall repeat it with pleasure.

PLEASE GOD, I'M ONLY 17

The day I died was an ordinary school day. How I wish I had taken the bus! But I was too cool for the bus. I remember how I wheedled the car out of Mom. "Special favor," I pleaded, "All the kids drive." When the 2:50 bell rang, I threw all my books in the locker. I was free until 8:40 tomorrow morning! I ran to the parking lot, excited at the thought of driving a car and being my own boss. Free!

It doesn't matter how the accident happened. I was goofing off — going too fast. Taking crazy chances. But I was enjoying my freedom and having fun. The last thing I remember was passing an old lady who seemed to be going awfully slow. I heard the deafening crash and felt a terrific jolt. Glass and steel flew everywhere. My whole body seemed to be turning inside out. I heard myself scream.

Suddenly I awakened; it was very quiet. A police officer was standing over me. Then I saw a doctor. My body was mangled, I was saturated with blood. Pieces of jagged glass were sticking out all over. Strange that I couldn't feel anything.

Hey, don't pull that sheet over my head. I can't be dead. I'm only 17, I've got a date tonight. I am supposed to grow up and have a wonderful life. I haven't lived yet. I can't be dead.

Later I was placed in a drawer. My folks had to identify me. Why did they have to see me like this? Why did I have to look at Mom's eyes when she faced the most terrible ordeal of her life? Dad suddenly looked like an old man. He told the man in charge, "Yes, he is my son."

The funeral was a wierd experience. I saw all my relatives and friends walk toward the casket. They passed by, one by one, and looked at me with the saddest eyes I've ever seen. Some of my buddies were crying. A few of the girls touched my hand and sobbed as they walked away.

Please . . . somebody . . . wake me up! Get me out of here. I can't bear to see my Mom and Dad so broken up. My grandparents are so racked with grief they can barely walk. My brothers and sisters are like zombies. They move like robots. In a daze, everybody! No one can believe this. And I can't believe it, either.

Please don't bury me! I'm not dead! I have a lot of living to do! I want to laugh and run again. I want to sing and dance. Please don't put me in the ground. I promise if you give me just one more chance, God, I'll be the most careful driver in the whole world. All I want is one more chance.

Please, God, I'm only 17!

Sheppard Comments On 30 Day Sentences

A county jail sentence exceeding 30 days is counterproductive, Highlands County Sheriff Joe Sheppard believes.

At a meeting of the Highlands County Criminal Justice Forum the sheriff expressed some dismay about probationers whose sentences include several months in jail as a condition of probation.

"We have to babysit them and feed them while they sit around and learn how to become better criminals," Sheppard complained. To the idea that jail time is a kind of "shock treatment" Sheppard said, "Thirty days in that environment is a good taste."

He put in a plug for a work release program for county prisoners. "We don't have hardened criminals — except those awaiting trial — and that makes a better group for work release than a state prison," the sheriff said.

Probation supervisor Bill Kendall had some suggestions about sentencing too. "We are getting more probationers for six months to a year. It takes 18 months to two years to get to know a person," Kendall said. He noted that short probations are often in cases where pleas had been negotiated.

In the opening section of the Criminal Justice Forum meeting attention was turned to crime prevention. James Crabtree of the Avon Park Police Department presented a report on the Avon Park Crime Prevention Program.

"We don't want to live from lock to lock," Crabtree said, adding that the police are, however, helping citizens make security surveys. He said police had found most homes could be broken into "within 15 to 30 seconds."

He said improved locks, the help of interested and obervant neighbors and the permanent marking of valuables are ways that property security is being upgraded. He said the sheriff's department is working on personal security problems.

Crabtree said the Avon Park program emphasizes personal contacts, believing that individual interest is more effective than pamphlets in presenting information.

Circuit Court Clerk Earl Rich presented a report showing that 132 felony charges had been filed in the four-month interval from May through August. Guilty pleas were entered in 49 cases; four jury trials were held and all ended with convictions.

In the same period 248 misdemeanor charges were filed; 113 guilty or nolo contendere pleas were entered. One jury trial resulted in a not guilty decision. Three trials were held before the court (without a jury) and in three of these the defendant was convicted and one case was dismissed.

Ella Drake Wins In Eckerds Contest

Ella Drake of Bonnie Brae Trailer Park who came to Avon Park from Seneca Falls, N.Y., said she usually visited Eckerds Drug Store almost daily to make purchases.

She had acquired about 20 tickets, they were all the same, file 13 (wastebasket) material, but last week one as different.

Friday afternoon Herb Wise, store manager, for that difference, presented Mrs. Drake with a hundred dollar check as a winner in the store sweepstakes.

In the winners column, Wise reported the Avon Park store as having four $2 winners, five $5 winners and many winners of color film.

Future Farmers Elect Officers

By: Darryl Scott

The Avon Park chapter of The Future Farmers of America held elections for its 77-78 school year officers last month. Several Committes were also chosen for many different areas dealing in agriculture. And a homecoming queen candidate was chosen.

Craig Landress, last year's president, presided over the meeting until a new president was chosen. Greg Correl, the new president elect, took over and proceeded with the elections for filling the other vacant offices. Those elected included vice-president Keith Cobb; secretary, Darryl Scott, treasurer, David Sisemore ; sentinel, Bobby Murphy; reporter, Joey Crews and Chaplin, Bubba Starling. Then members were selected to head committees to carry out various projects for the upcoming year.

Claude Dennis was chosen to head the Homecoming Float Committee with Robbie Dennis, Billy Barben, Jeff Williams, David Jahna, and Terry Kelly picked as assistants.

The chairman for the Recreation and Entertainment Committee is Gary Whidden with Mark Backman, Laura Andrews, Steve Travers and Mitchell Crumb assisting.

The Public Relations Committee is headed by Joey Crews and assisted by Darwin Ford, Robert Selph, and Ricky Derkman.

Head of the Supervised Agricultural Occupational Committee is Nova McClelland, with Dennis Barefield, Marley Lawrance, Renee Friar and Steve Cooper helping out.

The Alumni Committee is headed by Robert Boardman, an alumni member, with Mark Kelly, Tim Sheffield, Gary Whidden and Steve Grice.

The Earnings, Savings, and Investments Committee is chaired by David Sisemore with Ed Doty, Steve Allen, and Lawren Ellis.

The Bar-B-Que Committee consists of Darryl Scott, David Jahna, Marley Lawrence, Joe Porter, and Bill Porter. Also at the meeting the members chose a nominee for the Homecoming queen with Cindy Murray receiving the honor of FFA Sweetheart. Last month there was also an initiation of new members were over 30 new greenhands were received into the club.

Lake Isis' Sewer Extension

During the opening of bids on the Lake Isis sewer extension at a special meeting of the Avon Park City Council Monday night, the Tri-Sure Corporation of Auburndale, Fla. was apparently low bidder with a price of $139,943.24 for the project.

Five construction companies bid on the project with LaGrow Irrigation, Inc., Lake Placid placing the second low bid of $160,026.20; while Sharp Construction Company of Mississippi had a high bid of $240,649.00. Other bids were received from Lanzo Construction, Bradenton and SL&L Constractors, Killarney, Fla. All contractors were required to have with their bid, a bid bond, certification of equal opportunity employer and a letter on the use of minority contractors.

Funds for this Economic Development Administration project amounted to a grant of $195,135.32. This amount is to include engineering and inspecton of the project work.

The bids were referred to Mike McWeeny of Dawkins and Associates for study and compliance. They will recommend the low bidder to the council with the city executing a contract with the contractor. This contract and other papers will be sent to the EDA regional offices in Atlanta for approval, following which the contract will be awarded.

Construction on the sewer project should start in less than 90 days after the EDA grant was awarded to the city. There are about 60 days left before construction must start on the project.

In a report on conversation with the EDA offices about the Fire Station bid, City Clerk Malcolm Crews had been informed that if all the papers were in order when reviewed the EDA would give a verbal OK to start construction of the Fire Station.

After considerable discussion of the charges for installing water lines outside of the city for developers it was moved by the council to do the work at the convenience of the city. The owner of the development to pay all charges with a markup of 40 percent to cover the overhead expenses on labor and materials, plus hourly cost of equipment. The work was to be negogiated on a one to one basis, if outside of the city. If the property is contiguous or bordering the city it would be required to be annexed into the city.

In other action the council suggested that City Attorney Jack Hancock prepare an ordinance regulating the requirement of platting developments within the city following a discussion of installing streets and utilities in these developments.

— Requested that the brush and trees on a blind corner at U. S. 27 and W. Camphor Street be cut.

— Moved to request that the Florida Department of Transportation remove the school lights on U. S. 27 North.

— Recommended H. P. Cobb of the Water Department be promoted from Grade Level III to Grade Level IV as he was only receiving laborer's pay for operating heavy equipment.

— Heard reports that paving work done at the sewer treatment plant was substandard and that MacAsphalt was informed of this.

Revised City Zoning Ordinance

At the public hearing of the Avon Park Planning and Zoning Commission, Thursday, Oct. 13, a revised zoning ordinance was considered. The newly proposed zoning ordinance is a result of a legislative mandate, the Comprehensive Planning Act of the State of Florida.

The deadline for approval and acceptance of the new zoning changes which are required is July 1, 1979 as set by the mandate The Commission's new ordinance, which has been four years in the making, has to be approved by state and federal agencies.

The new ordinance is completely different from the former plan. The zoning area categories, the physical boundries of the zoning maps, and the practices and terms of the zoning areas have been changed.

In the past, the zoning areas for commercial districts have been tagged as C-1 and C-2. Now according to the new plans there will be three categories for commercial areas; B-1, B-2, and I-1. B-1 will be a general business classification with B-2 and I-1 being subsidiaries with only minor changes.

B-2 areas will be for hotels and motels, lumber yards and garden nurseries, used car lots, trailer sales, automobile service stations, and all businesses included in the B-1 category. I-1 will be an agricultural version of B-1, with the addition of citrus harvesting, citrus caretaking yard, warehouses, and automobile repair.

Another new zone, MH-1, will be adopted for the use of mobile home parks. This new category will have the same type of regulations as the residential zones have except that it will be oriented solely toward trailer parks.

Physical boundaries of the zones have been changed to compensate for the growth of the city's boundaries. The terms and practices in zoning have been updated to regulate the internal expansion of the city more closely, and to correct some faults in the old charter.

Several people at the meeting questioned the provisions for agricultural vehicle parking. They were informed that this had been withdrawn from the proposed new zoning ordinance. A separate ordinance on this subject has been prepared by the city attorney and will be presented to the city council. Another significant matter discussed at the commission meeting was the modifications to the provisions for parking for hospitals and nursing homes. It was also requested that the City Attorney be asked to check on the continuity of the sign rules.

Members of the Avon Park Planning and Zoning Commission include Chairman Jack Duggan, Tom Tataris, Clarence King, Phillip May, Donald Cummins, Donald Ford, and Estelle Dickson. Also present at the Thursday night meeting were Mayor Marshall Davis, City Clerk Malcolm Crews, Building Official C. W. Ellerbe, Mrs. Mary Ellen Ward, Chairman of the Zoning Board of Adjustment; Ralph Fullmer, and Councilmen Robert Britt, Kelley Phillips, and David Barefield.

Rep. Ready Committee Head

Representative Thomas Hazouri, Chairman of the Retirement, Personnel and Collective Bargaining Committee, has appointed Representative Gene Ready as Chairman of the Personnel and Collective Bargaining Subcommittee of the House of Representatives.

Rep. Hazouri, in making the appointment, stated, "It is rare that a freshman legislator has the experience and knowledge to be a major influential factor in decisive legislation. Rep. Ready displayed those attributes which few freshmen possess and I am proud to have him serve and accept the awesome responsibility as chairman of this subcommittee."

Miss SFJC Contest To Be Held Saturday Oct. 22

The second annual Miss SFJC Contest will be held at the Sebring Civic Center on Saturday, Oct. 22, with 14 students from South Florida Junior College competing for the title.

Contestants, for the title, must be currently enrolled in the A.A. or the A.S. Degree program, have a grade point average of 2.0 or better, be single, and have a sponsor who has paid the entry fee.

The contestants entered from Avon Park are: Vickie DeWitt, who states that after graduating from SFJC in the spring she plans to go to FTU in Orlando to major in Elementary Education; Mary Elva Sherertz, states that after graduating from SFJC this year she plans to attend the University of South Florida, where she will be majoring in a social services field. "My main interest is to become a Dental Hygienist, which is a career I have long been interested in. I plan to apply as soon as applications are being taken for the new program next year," said Mary. Kathy Teal said her future plans will be majoring in the field of theater, acting and fine arts.

Beverly Hanush, Bowling Green, states that her future plans are to get her Bachelor of Science Degree in Health and Physical Education at Florida Southern University, in Lakeland; Bettina Polk, Bowling Green, future plans are to graduate from S.F.J.C. and then attend University of Florida or University of South Florida, majoring in Business Administration.

"After graduation from SFJC I'd like to work in a bank," states Nina Taylor, DeSoto City, whose future plans are to complete her AA Degree at SFJC in Fine Arts and later plans to attend Florida Technical University in Orlando and pursue her goal to become a commercial artist.

Phyllis Boone from Lake Placid states that she plans to continue her education at Brigham Young University in Utah. "I want to major in music and would one day like to have it performed or published, among my plans, that of wife and mother are foremost," said Phyllis.

From Sebring, Jenifer Fabian, plans to finish her AA degree in SFJC and transfer to a university to complete her B.S. degree in Nursing. Mary Gray, states that her future plans are after graduation, going to Florida Tech. University and major in business management; Arleen Johnson, future plans are to attend the University of Florida and Tammie Lynn Robinson, plans to get a B.A. in Education and eventually a Ph.D. in Theatrical Education or Psychology in Education.

Also from Sebring Luana Turner, states that her future plans are to graduate in the Spring with her A.A. Degree and hopes to transfer to Stetson University to continue her education in the field of law and Marcia Watson, plans to obtain her A.A. degree at SFJC, where her major interest lie in Physical Education and Drama. "I am also continuing to pursue a professional model career," said Marcia.

Ann Cherry, Wauchula, future plans are to work a few years before going on for her Bachelors Degree.

Lions Club Auction To Be Held Nov. 12

Have you noticed the colorful posters that are being displayed in the various business houses around town? They were designed and produced by members of the Art Class at South Florida Junior College during their free time to help promote the Lions Halloween Barbecue. The members of the Lions Club certain appreciate their assistance.

On the last two Tuesday mornings. Dr. Ronald Sevigny and Miss Fassler, the Highlands County School Nurse, with the assistance of several of the Lions, have been checking the eyes of children of the elementary grades at the Hopewell School. There will be one more period of examinations on Tuesday morning, Oct. 25. The parents of the children who have defective vision will be notified.

In a very few short weeks will be the day for the Lions Auction. Nov. 12, is the date. We can still use all merchandise available to make the auction a success. So if you have any, still serviceable items around your homes, that you no longer have any use for, the lions would gladly pick them up. Call or leave them at albritton's Barber Shop, Phone 453-4228.

No clothing, as the club cannot sell wearing apparel at the Auction. Any other items such as home appliances, furniture, garden tools, radios, etc., or what have you, will be appreciated. Let's make it a worthwhile project.

All proceeds acquired from any of the Lion's projects, are used for sight conservation or the Florida Eye Bank.

Avon Park Granges Meet

The Avon Park grange met Tuesday night October 11, at the Women's Clubhouse. Mrs. Heilig, of the Highlands County School System was the speaker for the evening. She is the speech and hearing therapist for the county.

She told us of the many different learning problems there are with the children, and what we are doing here, in Florida, and especially in Highland County. Slides made it even more interesting. She also said that volunteer aides are needed to help with this program.

It was brought to the attention of the members that they should save all aluminum and also ask their neighbors to do so. The aluminum must be clean, and then it can be sold. The money made this way is used to help with the State Grange Youth program.

Any citizens of Avon Park who have aluminum TV dinner trays, pie plates, or other can items may call Keith Debo at 453-5303 for pick-up, or bring it to his home. It must be clean!

Dorough Family Reunion

The Dorough Family Reunion was held in Lakeland, at the Wesley United Methodist Church on Saturday, Oct. 19.

There was over 100 relatives at the gathering with approximately 35 coming from Georgia.

Mrs. Evelyn Dorough Carlisle, from Avon Park, commented that this reunion was the highlight of her year.

Baptist World Mission Conference Oct. 27-30

The Orange Blossom Baptist Association, made up of 35 churches covering a five county area, Highlands, Hardee, Polk, Manatee, and DeSoto will hold a world mission conference October 27-30, 1977 in local churches. The World Mission conference features messages, reports, interviews, slides, etc., from missionaries from all over the world. They provide information such as:

Young people who are college graduates may serve two years as journeymen and U-2'ers in a choice of countries and a variety of interest.

— Missionary teachers and administrators serve in more than 500 Baptist Schools of all educational levels.

— Health care specialists witness as they minister in hospitals, clinics, and dispensaries.

— Physical and spiritual needs are met in good will centers and children homes.

— Evangelism and church development share the good news of salvation and help provide a place of worship.

— Missionaries in almost 1200 associations from 34 state Baptist conventions help reach out.

— The world wide minsitry to the whole of man becomes a reality as Baptist all over the co-operative program to the greatest and largest missionary force in all the world.

The Rev. Thomas Ellington, director of mission for the Orange Blossom Baptist Association states, "This is a once in a lifetime to learn about Christ's work at home, in the state, in the fifty states and islands around the world. This is the great commission forces coming home to tell about people reaching around the world for Christ with the Gospel."

There will be twenty-five foreign missionaries, home missionaries, state missionaries and associational missionaries in this area. They come from Africa, Argentina, Brazil, Indonesia, Japan, Nigeria, Panama, Rodesia, Thailand, the Bronx in New

York, Seminole Indians in Florida, Jacksonville, Baptist Convention building and from many of the Islands and states.

Each church will have a different missionary each night. Many messages, artifacts and worldwide wearing apparel will be shown and explained. The public is invited to the Southern Baptist churches during these days, services start at 7:30 p.m. Nurseries are provided for small children.

Some of the missionaries in the Avon Park area will be: the Rev. Leslie Payne from Rodesia; Dr. Robert Rowell, Florida Baptist convention; Brotherhood executive director; Mrs. Carlos Owens, Africa and Alex Garner, Panama.

It is the hope and prayer that all who can attend this world mission conference Oct. 27-30, 1977, will.

Cutbacks Made In School Constuction

Rising construction costs have forced cutbacks in some plans for new middle schools in Sebring and Avon Park, but The Highlands County School Board wants to study the possibility of salvaging existing auditoriums for school and community use.

During a special meeting Tuesday night, a motion was approved requesting Superintendent Dr. Dan Davis to discuss the feasibility of incorporating the existing auditoriums into plans for the new schools. If the school architect feels this can be done, he is to provide estimates on restoration.

The board felt the schools should provide the service of auditoriums for community groups.

Board Member Margaret L. Turnbull said the auditorium at South Florida Junior College is not that convenient to Avon Park and is located on US 27, which is a dangerous route.

Board Member Steven Roberts said the fees that may be charged at the new junior college auditorium may keep many groups from using the facility.

Dr. Ferrel Smith, who reviewed the specifications for educational use in the new schools, said the board might have trouble justifying the additional expense for the auditoriums to the state. Building costs are running at about $28 a square foot and the space required for an auditorium would add substantially to the schools' construction costs.

He estimated new auditoriums could cost $150,000 each.

Board Chairman Ruth Davis suggested the possibility of bringing the existing auditoriums up to fire standards and incorporating them into the new buildings.

If the auditoriums can be salvaged, the board may seek remodeling funds from various community and civic groups who use the facilities.

The educational specifications meet state requirements for space minimums for the number of students to use the buildings. Capacity of the schools is to be 1,200 students.

Another area to be reduced in size is the library. Some storage space for magazines is to be eliminated along with other "frill" type rooms.

"What I have here for you this evening is pretty much bare bones," Smith told the board.

Estimated cost of the new buildings is $1,900,000 for Avon Park and about $2,044,000 for Sebring.

The board delayed action on refinancing some $2,960,000 in bonds to obtain better interest rates. The rates the schools now pay on the bonds is 6.4 to 7 percent and the current bond buyer index at the end of September was 5.5 percent.

Mrs. Felicity Hyde, a municipal bonds specialist, discussed the detailed information regarding refinancing.

The board received a letter from Robert L. Wagner of Southeastern Municipal Bonds, Inc., suggesting the board wait until its Nov. 8 meeting to approve the matter. The letter did not state why the delay was needed and Mrs. Hyde didn't know the reasons.

The board approved a $1,000 structural change order at the new Lake Placid High School.

Prescott Appeals Malpractice Decision

An Avon Park man who lost in a malpractice suit against Walker Memorial Hospital has filed notice he will appeal the decision made in circuit court.

Joe Prescott had brought the suit against a physician and the hospital for permanent disabilities suffered allegedly from an infection which followed a testing procedure at the hospital.

A lengthy trial in May ended in a mistrial. Later Prescott and the physician reached an out-of-court settlement. The hospital continued its fight but the two opposing parties agreed to submit the case to a judge for a decision. Judge John H. Dewell dismissed the claims against the hospital, ruling it could not be held responsible for each decision made by each physician practicing within the institution.

The notice of appeal does not cite the grounds for seeking a higher court's ruling.

Investigation Results In Arrest

Robert Marshall Mason, 19, of 3581 Old Bombing Range Road, has been arrested and charged with possession of marijuana, resisting arrest and disorderly intoxication.

Highlands County Sheriff's deputies arrested Mason following an investigation of a possible drug overdose. Mason was in a parked vehicle and Deputy H. C. Godwin was called to investigate a possible drug overdose. When Mason was asked to get out of the car he became unruly and cursed the officer. What appeared to be a marijuana cigarette was spotted by the deputy on the console of the car.

The Sheriff's Department reports that Mason struck two employees when he was placed in the holding cell.

Mason has been released on bond totaling $1,624. Bond for disorderly intoxication was $112, resisting arrest, $1,012 and possession of marijuana (under five grams), $512.

Democrats Select Convention Delegates

Highlands County Democrats selected five veteran party leaders to serve as delegates to the state Democratic convention of Florida Democrats to be held in Orlando, Nov. 18-20.

Delegates elected at the county caucus on Oct. 15 are Charles Bryan, I.V. "Buddy" McKenzie, Hazel Scarborough, C.J. "Buddy" Wise and Helen Young.

Alternates elected were Ruth Ward, Kim O'Conner and Raab Skipper. Jim Pyle, chairman of the Highlands County Democratic executive committee; Wes Ward, state committeeman, and Marguerite Skipper, state committeewoman, are automatically members of the delegation.

The Highlands delegation held its first pre-convention meeting on Oct. 18.

Cub Scout Troop 156 Presented Flag

The Avon Park American Legion Post 60 had no provisions for supplying United States Flags for Cub Scouts, thus the local post made a special effort to obtain a flag for Den No. 1 of Troop 156.

The three by five foot American flag was presented by Kaye Rider, den mother, by Commander Ralph M. Carraway Sr. of the Legion Post, who stated that on behalf of the American Legion he was presenting the flag to the Cub Scouts and hoped it would give them service for many years.

Den Mother Rider stated that when the Cub Pack disbands for the summer the flag will be retired and restored to use with the reorganization of the pack, at the start of the school, in the fall.

COMMANDER RALPH M. Carraway Sr. of Avon Park American Legion Post 69 presented an American Flag to Den No. 1, Troop 156. Receiving the flag is Kaye Rider, Den Mother From the left: (rear) Billy Gerger, Mike Waggone and Charles Devlin. Front, Lee Davidson and Ricky Rider, Kaye, Commander Carraway, Robert Hart, Randy Dean, and Darren MacNeill. Rear, Rodney Rider, Den Chief and Randy Rider; absent Issac Lee.

Avon Citrus In Sebring

An Avon Park bank has taken first steps on a long journey toward establishment of a branch bank in Sebring.

Bank officials say that if procedure moves smoothly and on time Avon Citrus may open a branch in Southgate Shopping Center in the fall of 1978.

The Avon Citrus application has been accepted by the Federal Deposit Insurance Corp. and the corporation regional office in Atlanta is now receiving written comments on the application. Oct. 28 will be the deadline for the filing of any protests.

The application says the branch is proposed for Southgate, however, the office of Avon Citrus President Charles Hoke declined to reveal the specific location. The building is presently in use by another business and before the bank could move in, extensive remodeling would be done, Hoke's office said.

Building preparations plus the governmental procedures will require about a year of work prior to opening. Avon Citrus has other expansion plans before governmental agencies at this time, some of these begun prior to the filing of the branch bank request.

The Florida Legislature in its 1977 session approved a law permitting branch banking. In the wake of that legislation many Florida banks launched plans to open branches.

Avon Park Grads Join Faternity

Forty-eight men at Stetson University, Deland, pledged fraternities during the fall annual rush period, according to William Stenn, assistant dean of students.

Two graduates of the 1976 Class of Avon Park High School were among those that pledged to Sigma Nu fraternity and included: John M. Mickunas, now of St. Petersburg and William D. Tharp of Avon Park.

for installation of fire extinguishers to meet safety standards.

The golf club and restaurant were not checked by Tompkins because these are regulated by the state Hotel and Restaurant Commission.

In addition to health and safety problems, school officials failed to comply with health department requests to supply immunization records for students as is required by state statutes.

Joan Endicott, nursing supervisor, said the department has made several attempts to obtain the immunization records but was told by school officials the Sebring Academy is not a public institution. The school is a Christian school and the request is unconstitutional.

She said the regulations apply to private and public schools equally.

Gun Hearing

during Tuesday's meeting.

Bur Mar Corp. requested a change from single family residential to mobile home and residential for a tract on DeSoto Road north of DeSoto City. Only a few lots were involved in the change Bill Stephenson of the zoning department said.

DeRheta Alderman Lanier requested a change from agricultural and mobile home park to mobile home and residential for a 20-acre tract on Arbuckle Road, south of the Polk County line. The subdivision is to be known as Horseshoe Subdivision.

Sammie and Evelyn Sheppard requested a change from agricultural to Industrial for a slaughter house to be developed on the west side of Venus on Sheppard Road.

Whispering Pines Corp. requested a change from agricultural to general retail - wholesale on the west side of US 27 for a mobile home sales business across from Surplus City.

Melvin Hawthorne requested a change from public use to multiple family for an apartment to be built on a 2.5-acre tract in Highway Park between Bunche and Carver Sts.

Florida National Properties, Inc., requested a change in the plat of Spring Lake Village VII to provide for development of a golf course and enlargement of some lots.

Francis T. and Martha P. Morris requested a change from agricultural to general retail - wholesale for a tract on the west side of US 27, south of Lake Josephine Drive.

The board unanimously rejected a request from Linus and Virgin L. Gilbert, Jr. to change a tract on Lake June Road from single family residential to multiple family residential because there had been no plans submitted.

The board approved a $32,000 budget for herbicides and a resolution calling for use of the herbicides along the county's 56.2 miles of public waterways. These measures, unanimously approved, will enable the county to receive matching funds for herbicide purchase from the state Department of Natural Resources.

In other business the board:

Approved reappointment of Mary Ellen Ward to a new four-year term on the Zoning Board.

Approved a contract for tax collection with the Avon Park Special Benefit Fire District.

Authorized addition of $2,778 in interest earned on the county's share of anti-recession funds during the last fiscal year to be placed in the general fund.

Allocated $35,000 of the current quarter's $40,000 in anti-recession funds to the road and bridge fund.

Heard a suggestion from Del Preston Jones that regulations requiring driveways to have adequate culvert drainage be enforced for mobile homes as well as houses.

Accepted Vanguard Ave. in Placid Lakes for maintenance and denied a request for maintenance on Jupiter Ave. in Placid Lakes because it does not meet county road standards.

Red Devils Score On Breaks-Win

WHERE'S MY FLAG? The referee reaches for his pocket as a violation is committeed against the Red Devils during the Avon Park-Frostproof game here at Memorial Field last Friday night. The Devil ball carrier (white jersey) is about to be tackled by Frostproof's linebacker Ricky Land (15). Avon Park 27, Frostproof 6. Sunphoto by Tom Flemming.

The Frostproof Bulldogs gave up the football to Avon Park four times inside their own twenty-five yard line, and the Red Devils took advantage of the breaks to score a 27-6 win last Friday night here at Memorial Field. The victory gave Avon Park a 3-2 record overall and a 2-1 district mark.

This week the Red Devils will host the Clewiston Tigers here at Memorial Field starting at 8 p.m., tomorrow night. The Tigers won last week over Moore Haven and defeated Ft. Myers the previous week. Fort Meade handed the Clewiston eleven an opening season loss by a score of 14-3. Although the game is neither a Heartland Conference nor a district match-up for Avon Park, the Red Devils need a win this week to bolster the record before meeting Fort Meade, Hardee, Okeechobee, and Sebring in consecutive games.

Last Friday night the Frostproof Bulldogs threw a scare into Avon Park fans when Jonas Henderson broke through the Devil line on the opening play from scrimmage and raced 70 yards for a touchdown. The speedy back took the Devils by surprise and was in the open and gone before the defense knew what happened. A bad snap on the try for the extra point forced Ricky Land to try and run the ball into the Devil endzone for the two point conversion, but the Devils stopped the run short leaving the score 6-0.

Avon Park countered on the next drive. A 25-yard kick-off return by Devil Jeff Adams put the ball at the thirty-three. The Devil running game seemed to have problems, but quarterback David Sisemore hit tight end Eric Wilson for a ten yard gain for a first down.

A fifteen yard penalty moved the Devils back, however, and on third down the Devils needed long yardage. This time Sisemore dropped far back and heaved the ball to Freddie Williams who was running a fly pattern down the right sideline. A couple of defenders tipped the ball but it fell into Williams' hands as he outdistanced the secondary and raced into the end zone for a 62-yard scoring play. The kick for the extra point was no good but the score was tied 6-6 as the first quarter ended.

Late in the second quarter Avon Park went ahead on a fifteen yard fourth down pass from Sisemore to halfback Ricky Bivens. The TD was set up when linebacker Mike Parker recovered a Bulldog fumble on the Frostproof 17-yard line. Bivens caught the cut-in pass and charged through the Frostproof backs at full speed for the score. Jamie Dennis kicked the first of three extra points for Avon Park as Decaris Jones held the ball.

Avon Park had one more shot at scoring just before the half ended when Terry Massey recovered another Frostproof fumble on the 34-yard line of the Bulldogs. However, the Devils were unable to come up with a TD before the whistle blew to end the first half.

At the start of the second half, Avon Park had a holding penalty nullify a long gain by Rufus Wilson and then Bulldog Willie Harper intercepted a pass to stop the Devils. A bad snap from center on an attempted punt by Frostproof's Ricky Land lost yardage for the Bulldogs, and Avon Park got a golden opprotunity to score when they downed the back at the 17-yard line of the Buddlogs. Four plays only lost five yards for Avon Park's offense and the Bulldogs took over at the twenty midway in the third period. This time the Bulldogs punt out after one first down. The 43-yard punt went to the Devil twenty.

Rufus Wilson went to work for Avon Park after Anthony Carter advanced the ball to the thirty on two running plays. The big Devil fullback broke loose around left end and rambled fifty yards for his first long gain of the evening. He stiff-armed one defender and ran over another Bulldog before several backs pushed him out of bounds at the Bulldog twenty. It took Wilson six more runs to put the ball into the end zone for a TD as he bulled through from one foot out on fourth down. Again Dennis's kick was good and the Devils had opened the fourth quarter with seven points to take a 20-6 lead.

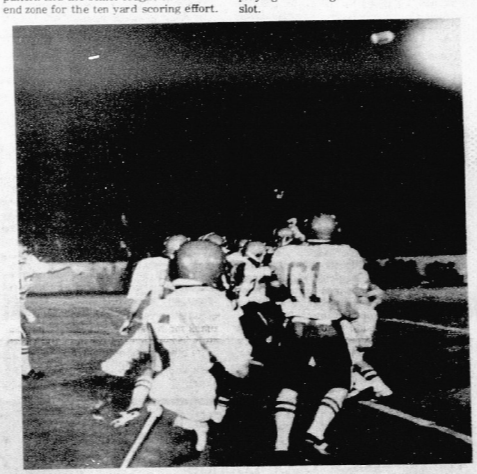

The last score of the game came quickly. Keith Porter fell on a Frostproof fumble at the Bulldog eighteen yard line after the Devil defense had driven the Bulldogs back for a fourteen yard loss on two consecutive plays. Rufus Wilson ran to the ten with two carries. Sisemore hit tight end Eric Wilson on a crossing pattern and the senior fought on into the end zone for the ten yard scoring effort. The kick by Jamie Dennis set the score at 27-6 which stood up for the final. As the game came to a close, Frostproof drove down the field only to loose the ball at the Devil 35-yard line on downs. A fumble by Avon Park gave the Buddlogs one more chance to score, but Freddie Williams intercepted a pass at the five to stop the threat.

Devil fullback Rufus Wilson picked up 134 yards with 25 carries against the Bulldogs to make it five straight games that he has gained over 100 yards per game. The senior running back now has 783 yards in the five games.

Sisemore completed six of sixteen passes for 112 yards through the air although he was intercepted three times. The Devils rushed for 154 yards as compared to the 93 net yards gained by Frostproof on the ground. Both teams had 7 first downs.

The Bulldogs had only 3 yards of passing yardage on one completion. Frostproof lost the ball four times with fumbles while Avon Park lost none. Sisemore punted once for 41 yards, the Bulldogs punted three times for a 36.3 average. Avon Park drew nine penalties for 105 yards while Frostproof was penalized 7 times for 75 yards.

Terry Massey was chosen the "player of the week" for his defensive play by the three Red Devil statisticians. Defensive end Keith Cobb also turned in a fine performance as did Robbie Dennis playing his first game at the other end slot.

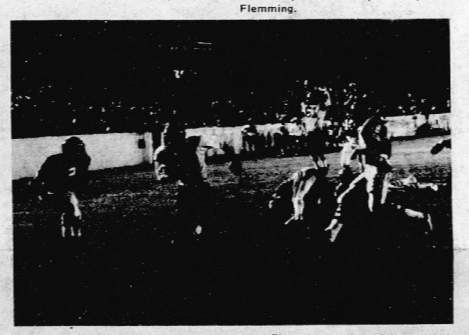

DAVID SISEMORE FIRES a 62-yard touchdown pass to Freddie Williams to bring the Red Devils back into the game last Friday night after Frostproof scored on the first play from scrimmage to take a 6-0 lead. Sisemore (12) threw three TD passes to lead the Devils to a 27-6 district victory over the Bulldogs. Sunphoto by Tom Flemming.

Jayvees To Host Mulberry Squad Tonight

Coaches Hoppy Rewis and Don Sisemore will put the Avon Park junior varsity's 3-1 record on the line here tonight when the Devil Jayvees host the Mulberry Panther "B" squad starting at 7:30 p.m. Avon Park has wins over Fort Meade, Frostproof, and Hardee but lost to Sebring by a close 14-12 score.

Next week, Thursday, Oct. 27, the Red Devil "Bees" will also be at home when they play a return game against the Frostproof bulldog jayvees. Avon Park slipped by the Frostproof team by a 6-0 score up in Frostproof in an overtime period.

After the Frostproof game next week, Avon Park will go to Sebring on Nov. 3, and then close out the season at home against Okeechobee on Nov. 10.

RED DEVIL HALFBACK Ricky Bivens sprints into the endzone for a TD after catching a pass from David Sisemore during the Avon Park-Frostproof game last Friday here at Memorial Field. It was Bivens' second touchdown of the season. Final score: Avon Park 27-Frostproof 6. Sunphoto by Tom Flemming.

Red Devil Cross Country Team To Run Against Frostproof Today

The Avon Park Cross Country team will host Frostproof today (Thursday) in a dual meet set to start at 4 p.m. The Devil lady runners will vie with Frostproof at 4:30 p.m.

Next Tuesday, Oct. 25, the Red Devils will travel to Ft. Meade to run against the Miners. Next Thursday, Oct. 27, the Devils will try to defend their Heartland Conference championship of the past two years from foes, Arcadia, Frostproof, Ft. Meade, Hardee, and Sebring. The conference contest will be held in Wauchula.

Last Thursday afternoon, the Red Devil team placed seventh in an eighteen team field in the Hardee Invitational. Although the Devils did not have a runner in the top twenty, their team depth brought them a very respectable finish.

Tampa Catholic won top team honors as they placed several runners in the top ten. Their 52 point team total edged last year's winner, Venice, which posted 64 points to take second place. Bradenton Bayshore was third with 66, Southeast fourth with 122, Bartow fifth with 135, Palmetto sixth with 178, and Avon Park seventh with a 199 point total.

Other teams and their totals included: Sarasota 209, Sebring 222, Auburndale 239, Frostproof 259, Hardee 271, Manatee 290, Lake Wales 295, Santa Fe 308, Cardinal Mooney, DeSoto, and Fort Meade with no team scores.

Alan Portis led his teammates with a fine 16:23 effort and his 22nd, place finish. Top Devil performance of the week, however, had to go to Jerry McKenzie who sped across the line in 16:27 good for a 25th place finish. McKenzie's time was a full minute improvement over his previous best time.

Sophomore Mark Myers also had a fine meet with a 17:31 clocking for the 3.0 mile course. Mike Knight, who ran 18:27 and Craig Skipper, who finished with an 18:35, closed out the Devil top five effort.

Tim Salter led his Devil jayvee teammates to a surprisingly strong fourth place finish among fifteen jayvee squads. Salter's 18:52 time earned him a place on the varsity squad that traveled to Clewiston last Tuesday. Bill Porter, Jacques Thomas, Jeff Henley, and Bill Barben were the top five jayvee performers for the Devils in the Hardee Invitational along with Salter.

Coach Chet Brojek won the open division race and junior varsity contest by zipping to a 16:40 effort. The coach's performance was a personal best for the three mile distance. Former Red Devil Jack Collins took top open honors in the 19-29 age grouping with his third place finish in 17:18. David Starr won a ribbon in the 14-17 age group with his 20:12 time.

"I felt the boys could have done somewhat better teamwise this past week, but we did have several outstanding efforts," Coach Brojek remarked after the meet. "Jerry McKenzie and Mark Myers really improved and will begin to give Alan Portis the support he needs. We are looking forward to a big break through from Knight, Skipper, Salter, and Cribb in the next several weeks. We must have these to win the conference this year."

I'VE GOT IT hollers Terry Massey as he comes up with one of Frostproof's four lost fumbles, during the Red Devil-Buldog game played here last Friday night. Massey gets congratulated by Keth Porter (75), who turned in a great defensive effort for Avon Park as the Devils took a 27-6 win from the Frostproof eleven. Sunphoto by Tom Flemming.

Middle School Girls Sport 3-0 Record

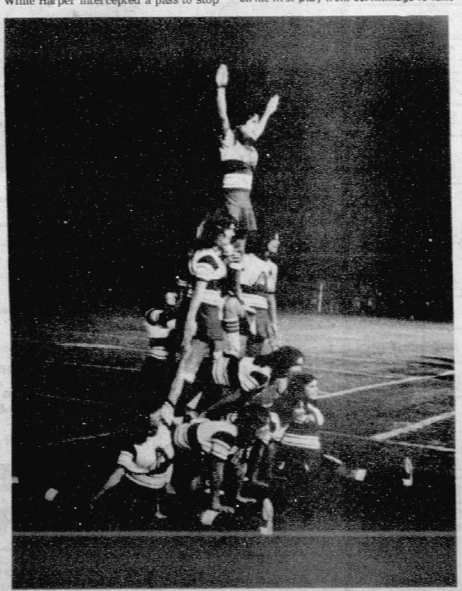

A 23-12 victory over Lake Placid last Thursday afternoon gave the Avon Park Middle School girls slowpitch softball team a 3-0 record at the halfway mark of the fall season. The Devil Middle School girls defeated Wauchula and Sebring in earlier games and will play all three teams one more time.

This afternoon (Thursday) the Avon Park girls will travel to Wauchula to take on the eighth grade Wauchula team in a return game at 4:15 p.m. Then on Oct. 27 the girls will host Sebring here at the Little League Field at 4:15 p.m. and will close out the season on Nov. 3, here against Lake Placid.

In Lake Placid Thursday, the Avon Park girls scored two runs in the top of the first but Lake Placid came back in the bottom of the first to score six runs. Avon Park had a big second inning scoring 12 runs when the Lake Placid pitchers walked ten Devil batters and made four errors.

Avon Park added two more runs in the third, one in the fifth, and finished out the seventh inning by scoring six more runs to set the 23-run total. Lake Placid scored two in the second, one in the third, and two in the sixth for a 12 run total.

Avon Park got only four hits. Camille Cubreth hit a single and a double, and Tracy Brown and Sandra Warren had a single each for the local girls in the seven inning game.

V FOR VICTORY is the formation of the Avon Park varsity cheerleaders during the Red Devil-Frostproof game last Friday night. Victory was the final result for Avon Park as the Devils took a 27-6 win from the Bulldogs. Sunphoto by Lew Miller.

Skeeters Take Placid Win

A 12-0 win over the Lake Placid skeeters gave the Avon Park Middle School football team a 3-0-1 record last week. The Red Devil Middle School team was undefeated going into last Tuesday night's battle here at Memorial Field against Sebring.

Next Tuesday, Oct. 25, the Avon Park Middle School team will close out the 1977 season in Wauchula against the Hardee Middle School team in an afternoon game that will start at 1:30 p.m. Avon Park defeated Wauchula by a score of 16-14 in a double overtime here.

In Lake Placid last week, Calvin Wingate scored the first Avon Park touchdown on a sweep around left end for about six yards out. The extra point attempt was no good, but the Devil Middlers had a 6-0 first quarter lead.

In the second quarter, Jeff Brock scored for the Devils on a pass thrown by halfback Ronnie Barnes. Again the points after were no good leaving the score 12-0.

The Avon Park defense gave up only three first downs to the Lake Placid offense. Avon Park quarterback Joe May had a good night passing, completing seven for almost 100 yards through the air.

Range Open This Weekend

The Avon Park Air Force Range will be open for hunting Saturday and Sunday, October 22 and 23. The recreational area will be open for camping Saturday night, October 22 only. The Range will close at 8 p.m., Sunday the 23rd.

In Lakeland Lake To Lake Run

Local Cross Country Coach Chet Brojek was the top finisher among local runners in the Lakeland Lake to Lake 10,000 meter run last Saturday. Brojek sped home in 35:42 which earned him seventeenth place among the 315 in the race. He finished fourth in his age group and won a new pair of Nike running shoes for his performance.

Devil Alan Portis took the twentieth spot in 36:15 to finish an excellent third in the 14-17 age grouping. Teammate Mark Myers placed 37th in 38:11 over the difficult 6.2 mile course which circled three Lakeland lakes. Middle School Coach Joe Baker came in 53rd with a time of 39:41 for a high finish among his 20-29 age grouping. Pep Hutchinson, a Highlands Runners Club veteran, used his 63rd place finish and 40:43 time as a tune-up for the Rice Festival Marathon he will run this Saturday at New Orleans.

Young Tim Salter placed 70th in 42:36 to indicate growing speed and endurance. Former Red Devil Jack Collins finished 75th despite a leg injury. Mike Knight placed 73rd in 41:53 to establish a personal best time for the 6.2 mile course.

Craig Skipper placed 84th in 42:41 and Bill Porter came in 94th in 43:21 as runners began to pour across the line. Jody Johnston finished out the Devil efforts as he came in 161st with a time of 48:45.

"I felt that this race really helped our runners club members and Devil cross country runners toward their season goals," commented Coach Brojek. "Pep (Hutchinson) will be running his marathon on Saturday and his time in the 6.2 mile indicates he is ready for a good showing."

The young coach continued, "I will be ready on Nov. 26 to run a sub three hours in the Melbourne Marathon."

"The Lake-to-Lake run was an excellently managed race with fine awards and treatment," complimented Brojek. "Everyone of the Highlands Runners Club participants got a T-Shirt, sweat band, and plenty to eat after the race. They also had the chance to listen to Steve Foster and Barry Brown, of the Florida Track Club, talk on training procedures and programs."

Coach Brojek says that the Red Devil runners are developing rapidly and that he hopes to pull off an upset in the Conference on Oct. 27.

Wright Wins Pinecrest Daily Golf Play

Last week the Pinecrest Women's Golf Association played the second series of their Ladies Handicap Club Championship 18 hole matches.

In the quarterfinals the following matches were to be played: Jenny Fisher vs Jean Crotty; Lena Wright vs the winner of the Nell Redd-Kay Giddens match.

It was Joyce Thompson vs the winner of the Mark Ostling-Helen Eppolitto game and Katie Utz vs Henrette Melear.

The winner of the daily play which was one half of the handicap on the odd holes, was Lena Wright.

Next week's play will be low net for each flight.

Basketball - Golf Teams Sponsoring Barbecue

On Oct. 28, the golf teams and the boys basketball team of Avon Park High School will sponsor a chicken bar-b-que supper at the Concession Stand at Memorial Field to benefit their programs. The supper will be served from 5 to 7 p.m., with home delivery available at 5 p.m. for those who have bought tickets in advance.

Coach Fred Sandlin announced that the tickets will sell for $2.50 per plate of a half bar-b-qued chicken, baked beans, cole slaw, rolls, and drink. Tickets may be purchased from any member of the girls or boys golf team or a member of the boys basketball team or may be bought at the stand on the night of the supper.

This will be the second annual pre-homecoming bar-b-que for the two sports teams and those who enjoyed the meal last year, will want to take part again Friday Oct. 28. Make plans now to eat at the Avon Park football field before the big homecoming game between Avon Park and Fort Meade between 5 and 7 p.m.

Pep To Run In Rice Festival

Local Highlands Runners Club member Pep Hutchinson will be running in the Rice Festival Marathon in New Orleans this Saturday morning starting at 8 a.m., CST. Pep has been a standout on the local running scene and won the March of Dimes 15 kilometer run last year. He also ran in the world famous Boston Marathon last April in his first attempt at the grueling 26.2 mile distance.

Pep is hoping to break three hours and officially qualify for the Boston race this year. He has run between 80 and 110 miles each of the last five weeks in a rapid buildup campaign. Just last Saturday he ran well in the Lake-to Lake Run in Lakeland. His 40:43 time for the 6.2 miles indicates he should have a good shot at a three hour marathon run this week.

This last week Hutchinson, who is 31, is doing plenty of speed work and tapering off on his distance. "Barry Brown, of the Florida Track Club, told me to begin the tapering off process," related Pep. "I'm just trying to get plenty of rest and keeping the weight down. I'm going to need all the advantages possible to get the job done."

Hutchinson and several of his running club teammates plan to run in the Nov. 26, Melbourne Marathon in Melbourne, Fla. Pep will pass on the Melbourne race, however, if and when he gets the magic three hour time in New Orleans.

The Preservation Of Tiger Creek

Just a stone's throw from Avon Park is the creation of a "gentle use" natural preserve area along the wandering path of Tiger Creek, contiguous to both Lake Wales and Babson Park.

Through the efforts of the Nature Conservancy, a national non-profit organization whose purpose is the preservation of wild land, approximately 3,000 acres will eventually be purchased for this preserve.

Approximately 1,750 acres have been purchased so far, according to Helen Morrison, Nature Conservancy volunteer.

Mrs. Morrison, an avid nature enthusiast, emphasizes that "the Conservancy is purchasing the acreage through individual and group contributions."

Mrs. Morrison has credited Florida's garden clubs with much of the success of this project thus far. This was one of the garden club's two-year Bicentennial projects.

Avon Park Hibiscus Circle Garden Club members, Jamie Sawyer and Fuscia Anderson, noted that their club has raised almost enough of the $260 tab to purchase one acre of land for the preserve.

According to the Conservancy, preserving Tiger Creek as a "Living museum" is a rare opportunity.

Through their current inventory of this area, the Conservancy has found that eight different plant communities exist within the preserve and that one-tenth of all plants and trees growing in Florida can be found here, said Mrs. Morrison.

"One of the most interesting areas is,' th"the canopy" — so named because the trees in the area form an overhead canopy effect.

According to Mrs. Morrison, this area "probably looks the way it did when the Seminole Indians camped here. We have talked to people from Avon Park and Frostproof, who know that this spot was once an outdoor chapel area."

"Some of the Indians paddled their canoes from Big Walk in Water Lake on their trek to Iron Mountain (where the Singing Tower is located) for ceremonial rites," she continued.

Because of the fragile nature of this preserve area, primitive camping is probably the only type of camping that will be permitted by the Conservancy.

Mrs. Morrison envisions signs posted through out the area, saying "hike at your heisure, take your time, take photographs but leave only your footprints."

From its headwaters, approximately eight miles south of Lake Wales, Tiger Creek meanders for approximately four miles. Occassionally along the creek and its banks are wood ducks, otters, alligators, scrub jays, wild turkeys, deer and bobcat. There is also an abundance of wildflowers, plants and other natural flora.

Mrs. Morrison believes that she has stumbled on an otter slide, which is smooth enough to indicate that it has been used regularly. Nearby, otters have been seen swimming in the late afternoons and early evenings.

The terrain of the land along the creek varies from scrub land to a high community — a cliff-like ridge area.

The creek itself varies — in some areas, it is calm and gentle; in other areas, more vigorous. Sue Boyd, another Conservancy volunteer, has found canoeing the creek both enjoyable and a challenge because of its narrow areas.

The Nature Conservancy studies an area in which they are involved to determine the degree of use that can be tolerated by that area. For instance, some areas can withstand only a scientific-visiting usage; others heavier usage; and still others must be completely closed off, so that the area is not completely endangered or destroyed.

The Conservancy has also been involved in the more heavily-used preserve areas also, but these areas are usually loaned to the State or State-sponsored institutions (universities, for example). The fragile areas remain with the Nature Conservancy.

Keeping the Tiger Creek area preserved as it was 50 years ago was originally the idea of Edward Bok, who built the Singing Tower. According to Mrs. Morrison, he was interested in purchasing 4,000 acres to donate to Polk County with the condition that no roads would be built throughout the area. The county indicated their willingness to accept this condition, but they could not make future guarantees and so the plan did not materialize, according to Mrs. Morrison.

The Nature Conservancy has been involved over the entire country with their land preservation programs. Another Florida effort, in conjunction with the Audubon Society, was the preservation of Corkscrew Swamp in the Everglades.

Another interested in contributing to the Tiger Creek Committee or in obtaining information about the Nature Conservancy should contact Ken Morrison, Tiger Creek Committee, P. O. Box 268, Lake Wales 33853.

QUESTION:

It looks like we may have another bad winter in Florida this year and heating bills aren't getting any cheaper. Got any suggestions?

ANSWER:

If you're one of those Floridians with a fireplace, you're in luck! It may very well be another cold Florida winter and a fireplace can help ease the discomfort of cold weather **AND** cut energy costs.

""If you're lucky enough to have a fireplace in home or apartment, but haven't needed to use it much in the past then here are some tips on getting free firewood, what's good for burning, what kind to buy.. and hints on fireplace safety.

You can get firewood from dumps and landfills. Sometimes as much as 30 percent of the debris in some town and city dumps consists of reusable wood fibers, including the logs, limbs, and tops of trees toppled by storms.

Firewood is also available at places such as sawmills and lumber companies. And, if you live near a National Forest, check with the Forest Ranger or county extension agent to see if there is firewood there for you.

If you have to buy logs for your fireplace, you'll find they're sold in different lenghts and thicknesses. What you buy depends, of course, on the size of your fireplace, and how long you want to take to get your fire going. Most wood won't burn if it's freshly cut, so purchase wood that is reasonably dry, or "seasoned." The surest way of having dry wood is to purchase it several months before you'll use it.

Choosing the kind of wood for your fireplace can be as individualistic as choosing a wine or cheese. Each kind of wood can give you something different in aroma or heat value.

Softwoods like pine, spruce, and fir, will catch fire easily and will burn rapidly with a hot flame. Since a fire made entirely of softwoods will burn out quickly, it requires frequent attention and replenishment. This is the kind of wood to use if you want a quick warming fire or a short fire that will burn out before you go to bed or before you step out for the evening.

For a long lasting fire it's best to use the hardwoods such as ash, beech, birch, maple, and oak. These burn less virgorously than softwoods and with a shorter flame. Oak gives the most uniform and shortest flames and will give you steady, glowing coals.

By mixing softwoods with hardwoods, you can achieve an easily lit and long lasting fire. Later, for fragrance, add some fruit or nut wood.

Before you light the fire, make sure the room is well ventilated, the damper open, and the flue unobstructed. Poor ventilation will cause the fire to smoke. Avoid burning wet or green wood. And always place screen in front of your grate to catch any sparks that fly.

The U. S. Department of Agriculture has a booklet with more information about fireplaces. For your copy of **Firewood For Your Fireplace**, send 35 cents to the Consumer Information Center, Department 130E, Pueblo, Colorado 81009.

COOKING CORNER

Time For ....

Halloween Pumpkin Cake

1 box spice cake mix
6 tablespoons frozen orange juice concentrate, thawed, undiluted

6 tablespoons water
1 15-ounce can applesauce
3 eggs
1 ½ cups raisins
1 cup chopped pecans

Combine all ingredients and mix till well blended with electric mixer. Pour into a Bundt cake pan that has been well greased and floured. Bake at 350 degree F for 45 minutes or until done.

Make your favorite white frosting. Reserve ½ cup and tint the remaining icing orange (using red and yellow food coloring). Frost cake completely with orange icing, making marks to resemble a pumpkin. Tint the reserved ½ cup icing green. Peel a banana and frost the banana with the green icing and place in center of cake for stem.

To hold the banana securely in place, insert toothpicks through cake into banana. Being sure to cover space between banana and cake, with remaining orange icing.

Bonnie Brae Mobile Home Park News

By Margie Wells

Residents of Bonnie Brae were saddened this week by the sudden death of Ed Drake. He had been in ill health for quite some time but his death was unexpected. We offer sincere sympathy to Ella and her son.

Thelma Miller left this week for a vacation in Hawaii. Margie Wells and Betty Sparks, from Avon Park drove Thelma to Lake Wales where she boarded a charter bus to go to the Orlando Airport. Betty and Margie then drove to Winter Haven where Betty did some shopping and Margie visited with her parents, Rev. and Mrs. C. D. Harsh. Thelma should be enjoying the beaches and other scenic beauties of Hawaii at this writing and promises to bring some pictures back for us "stay-at-homes."

We have received word that Roy Podewels is now a great grandfather. Michael Levi Krofjack, Jr., was born on October 10th weighing 8 pounds 3 ounces. This is Roy's first great grandson. Congratulations !!

Several of our residents arrived back in the park this week and we understand more are expected next week. Those arriving in the past few days are Anne and Ford Griffin, Chloe and Howard Mallinger, Lulu and Louis Potter, and Ellen and Lawrence Reichenbaugh. Welcome back- we missed you!

Helen Dyce's son, Tom Dyce from Howell, Michigan , and granddaughter, Deb, from Jackson, Michigan, were here for a visit this past week. They are taking Helen back with them as far as Knoxville, Tennessee, where she will visit with her daughter, Caroline.

Congratulations to Gert and Dan Bohland, our managers, who had an anniversary this past week. We wish them many more years of happiness together.

With so many of our people back, several of us think it would be a good idea to start our coffee hour again. How about it? It will be fun for all of us to get together again.

First Christian Church Womens' Council Meets

The Women's Council of the First Christian Church met Thursday evening, Oct. 13, in the church sanctuary.

Mrs. Johnnie Berry, gave a missionary study using, "Why Cookson Hills in Haiti", as her topic. Haiti, a very poor and diaadvantaged country, but with many people anxious to learn and better themselves and their children have established a Cookson Hills School.

A business session was held with officers report given, and a discussion was held on different subjects. A financial gift was voted upon and the money will go towards the work of the Haitian Missionaries.

A baby shower was held honor of Mrs. James Goodman, with gifts and a beautiful corsage presented. Mrs. Clifford Dance, Mrs. C. E. Hamilton, and Mrs. H. J. Rutherford, the hostess, served refreshments in the Fellowship hall. The table was decorated with sprays of fern and small pink flowers, tall pink candles and appropriate favors.

Once Upon A Time

Fred Somebody, Thomas Everybody, Peter Anybody and Joseph Nobody were neighbors, but they were not like you and me. They were odd people and most difficult to understand. The way they lived was a shame.

All four belonged to the same church, but you could not have enjoyed worshiping with them. EVERYBODY went fishing on Sunday or stayed home to visit friends. ANYBODY wanted to worship, but was afraid SOMEBODY wouldn't speak to him. NOBODY went to church.

Really, NOBODY was the only decent one of the four. NOBODY worked on the church building. NOBODY did visiting. Once they needed a church school teacher. EVERYBODY thought ANYBODY would do it, and SOMEBODY thought EVERYBODY should. Guess who finally did it? That's right, NOBODY.

It happened that a fifth neighbor, a stranger, came to live among them. EVERYBODY thought SOMEBODY should try to win him. ANYBODY thought SOMEBODY should make the overturn. ANYBODY could have at least made the effort, but guess who finally won him for Christ and the church? That's right . . . NOBODY!!!

Dare we say that NOBODY . . . is ANYBODY . . . and EVERYBODY's . . . SOMEBODY?

"Praise Makers" To Appear

On Saturday, October 22, at 7:30 p.m. "The Praise Makers", a singing group, will present a program at the Freedom Assembly Church, which is located on the corner of South Anoka and Center St. Everyone is invited to attend.

Epsicopal Church Women Meet

The Epsicopal Church Women of Avon Park, met for their regular monthly meeting on Wed., Oct. 12, in the Parish House of the Church of the Redeemer, after mid-week communion.

After a short "coffee" Mrs. Nelson Kluberg called the meeting to order. Members recited the Thanksgiving Prayer together. The minutes of the previous meeting and treasurer reports were approved.

Mrs. Sherman Francisco reported on the Rummage Sale, which was held previous week. She said it had been quite a success, in spite of the Sidewalk Sales, and another church sale. She thanked the members who helped set up, sell, and clear the Hall after the sale.

Plans for the Christmas Bonanza are under way. This event which will be held on Sat., Nov. 12 starting at 10 a.m. and run until 4 p.m., is most popular in Avon Park.

Handicrafts, needlework, and Christmas decorations will be featured. Attic treasures promises to be very popular this year. A bake sale booth will offer delicious homemade goodies.

The luncheon bar will be open at 10 a.m., ready to serve homemade soup, sandwiches and desserts. Hot coffee will be waiting for the early visitors and for all comers, all day.

Mark the date, Saturday, Nov. 12, 10 a.m. to 4 p.m. A hearty welcome to all who come.

Junior Highlanders Musical

The Junior Highlanders under the direction of Evelyn Jones will present a Halloween Musical called "The Witches Brew." The program will be given Saturday, Oct. 29, in the old Social Hall of the First Baptist Church.

The musical will be presented as part of the Halloween carnival. There will be four, 20 minute performances between the hours of 4:30 p.m. and 7 p.m.

Tickets may be purchased from any number of the Junior Highlanders or at the door for fifty (50) cents.

Birthday Luncheon

The October Birthday Lucheon was held at the Club House on October 12, with 11 people enjoying the delicious food.

Happy Birthday was sung for Mrs. Surrency, a guest, and Mrs. Esther Bovard.

Mrs. Daisy Burdette of Atlanta, Ga. visited Mrs. Sadie Whitehurst.

Mrs. Anna Westberry spent an enjoyable visit with her granddaughter and family in St. Petersburg.

Mr. and Mrs. Raymond Fink and daughters, of Goreville, Ill. spent a day recently with Mr. and Mrs. Charles Marshall.

FAITH BIDS US OBEY THE LAWS OF THE LAND

The citizens of a free society know that the laws they must live by are the very guardians of their freedom and the safeguards of their lives and property. These laws are kept to the irreducible minimum required to protect us from each other and from the conceivable abuses of government, while at the same time allowing us the widest possible margin of personal liberty. God's laws were set forth throughout the Bible for these very reasons, along with many admonitions to obey the laws of the land as well. It will be to your advantage to learn all about this, by your regular attendance at the Church of your choice.

"The law is good, if man use it lawfully." —I Timothy 1:8

Where laws end, tyranny begins. —William Pitt, Earl of Chatham

Queen To Be Named

Red Devil Homecoming Friday

The Avon Park-Fort Meade Football game has been designated as 1977 Homecoming for Avon Park students and fans, and activities have been underway all week at the high school. Each day has been set as a special day for students to dress in appropriate garb pointing to the big student body pep rally that will be held in the gym on Friday morning at 8:20 a.m.

This afternoon (Thursday) the 1977 Homecoming Parade will be held in downtown Avon Park starting at 3:30 p.m. The Avon Park bands, homecoming queen candidates, class and organization floats will be featured in the parade which will line up along Verona Ave. in front of the Post Office.

Last Tuesday morning homecoming queen candidates were presented to the student body, and yesterday (Wednesday) the students voted for the senior who will represent Avon Park as the 1977 Homecoming Queen.

Tomorrow night (Friday) the festivities at Memorial Field will start at 5 p.m. with the second annual A. P. H. S. sports Bar-B-Que for fans and students at $2.50 per plate. Tickets are on sale with cheerleaders, basketball boys, and boy and girl golfers.

The homecoming game between the Red Devils and the Miners will start at 8 p.m. After the game, the Avon Park Keyettes will sponsor a Homecoming Dance at the high school gym.

The Class of 1957 will hold its twentieth reunion this year. Members of the class and their spouses are invited to a get-together at the Florida Power Lounge immediately after the game.

The 1977-78 Avon Park High School Homecoming Queen will be crowned Friday night, Oct. 28, before the football game between the Red Devils and the Fort Meade Miners. The new Homecoming Queen will be crowned by last years Queen, Sherri Collier.

Loretta Barber, Band; Amy Bargar, Fellowship of Christian Athletes (F.C.A.), Donna Crews, Freshman Class; Janet Filppula, National Honor Society (N.H.S.); Brenda Fletcher, Annual Staff, Stephanie Harden, Sophomore Class; Ruth Hentnik, Latin Club; Phyllis Johnson, Girls Chorus; Carla Lunsford, Cheerleaders; Babs Maness, Flag & Rifle.

Margaret Miracle, Student Council (S.C.); Cindy Murray, Future Farmers of America (F.F.A.); Andrea Petrovich, Keyettes; Bridgette Randolph, Senior Class; Cheawanda Roberts, Junior Class; Paula Sheffield, Future Homemakers of America (F.H.A.); Romano Sheppard, Spanish Club; Lauri Wilbert, Devils Club; Pam Williams, Key Clubs; Kim Wynn, Diversified Career Training (D.C.T.).

Sixteen Year Old Receives Death Sentence For Stomping Woman

Frank A. Ross, 16, of DeSoto City, faces death in the electric chair for the slaying of Mrs. Helen Dixon, 64, of Avon Park, unless the Florida Supreme Court overturns a death penalty sentence issued by Circuit Judge Clifton Kelly Monday.

Judge Kelly issued the order in a brief and quiet sentencing Monday afternoon at Highlands County Courthouse. Ross gave no overt reaction to the judge's order.

Frank A. Ross.... Enters Courthouse

The case automatically goes to the supreme court for appeal and review and will also be subject to executive clemency.

Judge Kelly said he had no idea how long the review process would take.

In the meantime, Ross was committed to the Department of Offender Rehabilitation until the decision on the death penalty is reached.

Ross and another youth, James E. Wells, 17, of Avon Park, were arrested Nov. 20, 1976, and charged with the robbery and beating death of Mrs. Dixon.

Wells was sentenced to life in prison in August on a negotiated charge of second degree murder and robbery in exchange for his testimony at Ross's trial.

While Wells and Ross were co-perpetrators, Ross was the one who actually stomped the victim to death, Judge Kelly wrote in the order.

Ross pleaded innocent to the murder charge, but during his February trial he demonstrated how he stomped her to death.

According to Avon Park Police Chief Robert Brooks, Ross and Wells gained entry to the house to inquire about a car Mrs. Dixon had for sale in her carport. While they were in the house, they asked for a drink of water.

Judge Kelly writing in the death penalty order said, Ross then "... shoved her down and proceeded to stomp her to death. Just prior to the time she was attacked, he had his knife concealed in his hand behind his back and stated, 'I kill you.'"

The house was then ransacked for valuables and between $6 and $7 in cash was taken. Nothing else appeared to be missing, Chief Brooks said.

After ransacking the house, Ross again stomped Mrs. Dixon and ripped the phone out.

Two days later, following repeated phone calls to the Dixon home, her daughter and son-in-law reported the apparent problem to Avon Park Police.

Chief Brooks and Capt. Robert Singletary went into the house and found the body in the living room. The backdoor of the house was unlocked.

The jury deliberated less than an hour on the Ross case before finding him guilty of first degree murder and robbery and the jury took 17 minutes of deliberation in recommending the death penalty.

"At no time has he shown any remorse for his deed; however, such (an) attitude is not unusual for a killer," the death order stated.

In calling for the death penalty, Judge Kelly cited two Florida Supreme Court decisions that suggest following the jury's recommendation in imposing the sentence.

In one of the cases cited (Thompson vs. State, 1976) the court said "The advisory opinion of the jury must be given serious consideration ... there would be no reason for the legislature to have placed such a requirement in the statute."

Although Ross was enrolled as an 11th grade Special Education program student at Sebring High School at the time of the murder, he was able to tell right from wrong and was capable of handling life on a simple, concrete daily basis, said Dr. Brian T. Jordan of Sebring, who was appointed to make a psychological evaluation of the case. During interviews with Dr. Jordan, Ross said it would be wrong to hit his mother and held this opinion despite the presenting of different circumstances under which he might want to do this, the death order stated.

While Ross made no comment at Monday's hearing, Nicholas Schommer, a Public Defender's office attorney who worked on part of Ross's defense, read a letter from Ross's attorney, Kingswood

Henry Dennis

Qualifies For Council

After a lengthy period of consideration Henry A. Dennis of 601 S. Verona Ave. filled out his papers Friday Oct. 21 to qualify for the Avon Park City election on Tuesday, Dec. 6, in which he hopes to win one of the two council seats that will be open this year.

Henry has lived in Avon Park for nine years coming from Lakeland, where he graduated from Kathleen High School, playing football with the Red and White team of Kathleen and as he put it, "still with the Red and White of the Avon Park Red Devils."

Henry Dennis

Dennis has been in the grocery business for 21 years, starting with Winn Dixie in Lakeland, as a bagboy while attending high school. At present he is with Thriftway Food Store as grocery manager.

Henry and his wife Frances have seven children, five boys and two girls and one grandchild. Frances is assistant vice-president at the Barnett Bank in Sebring and also manager of the BankAmericard section.

Since coming to Avon Park, Henry has worked with Little League baseball for eight years and has been president of the league for the past four years.

In running for the office of city council, Henry stated, "It was because he has lived in Avon Park and plans to make it his home." "The people of Avon Park have been good to me for the past nine years," he said, "and I hope I can be of service to them now."

In discussing the workings of the city, Henry stated there was no particular department of the city work that he was especially interested in as he didn't know that much about it. He was more interested in learning the basic fundamentals of the city government.

Be Sure To Set Clocks Back

END OF DAYLIGHT TIME. Make a note that the country goes off daylight-saving time on Sunday, Oct. 30, at 2 a.m. Turn your clocks and watches back one hour on that date. Unaffected by the change are Arizona, Hawaii and most of Indiana — the part that is in the Eastern time zone. Those areas remain on standard time the entire year.

Avon Park Officials To Attend League Convention

The 51st annual convention of the Florida League of Cities will be held at Hyatt World at Kissimmee, on Oct. 27 through 29. Avon Park representatives at the convention will be Mayor J. Marshall Davis, City Clerk Malcolm Crews, City Attorney Jack Hancock, and Councilmen Robert Britt, Milton Howard, and David Barefield.

The convention will start Thursday, Oct. 27, with a complete day of conferences, seminars, and speakers. Educational workshops will be held on Friday and will start at 9 a.m. There will be special classes for city attorneys, city clerks, and mayors, while the councilmen will be split up in different classes which they feel would improve their performances as city officials.

Classes dealing with insurance, the Economic Development Administration, and other legal fields will be available for the councilmen. Saturday's agenda includes the convention's business meeting. Hyatt World is located on I-4 and U. S. 192 in Kissimmee.

Thieves Crack City Hall Safe·$475 Stolen

The Avon Park City Hall was broken into over the weekend, Oct. 21-23. The burglars entered through the basement doors of the brick building. They apparently walked up the stairs to the main floor and pried the city clerk's office door open, which gave them access to the mayor's office.

After thoroughly searching desk drawers for money, they proceeded across the hall to the Water Department's office. They jimmied the door and continued their search through desk drawers. Then the thiefs split the Water Department's walk-in vault door apart to gain entry to the safe.

The burglars took all the money that they could find in the safe, but left checks and other documents untouched. The amount of money stolen is believed to be in the neighoorhood of about $475. According to Mayor J. Marshall Davis, the robbers apparently used gloves during the break-in, because the police were unable to come up with any finger prints. The police did, however, find a good footprint on the chair mat behind the Mayor's desk.

There haven't been any breaks in the robbery as of yet and the case is still under investigation, according to Police Chief Bob Brooks. The major reason the thiefs made such a clean get away is the fact that City Hall has no alarm system at all.

The break-in was first reported by Police Officers Ray Ragsdale, Ron Hartsfield and Willie Chandler, all from the Avon Park Police Department. Investigating officers are Lieutenant Walt Bellenger of Avon Park, and Len Askeland and Bob Hopton of the Highlands County Sheriff's Department.

Council Battles With Problems

Whose responsibility is it to install and pay for utilities of streets, water lines and sewerage lines on land that was platted as long ago as 1926, as compared with land recently platted for development for sale as building sites, was a question that evoke considerable discussion as the Avon Park City Council inspected a revised plat of Del Mar Va Heights subdivision presented by Roy Taylor.

The revised plat had straighter streets and slightly larger building lots than the original plat, although there were about the same number of building lots. Taylor told the council he was out of the building business and was selling the lots, however, according to the council he was still considered a developer of the subdivision.

To Councilman David Barefield's question of how the installation of the utilities would be handled, City Attorney Jack Hancock said the developer would be responsible according to Chapter 19 of the city code. Since this was not new

Barricade Runner Given Ticket

Along with the problems that naturally go with street striping, the Avon Park Police Department and the Avon Park City Maintenance men have had trouble with the swift and crafty barricade runner. Not only do they run over the Maintenance Department's temporary obstacles, but they even have a habit of nearly running policemen over. This can be attested to by Avon Park Police Officer W. O. Ragsdale.

One evening last week it seems that one of Avon Park's mysterious marauders slipped up though. After the barricades had been run through three or four times, City Maintenance Supervisor Jack Elder called the police. When Officer Ragsdale arrived, he began to make the regular reports required for your average barricade buster incident. Then out of the dark mist of the cold night came that seldom seen bandit, the barricade runner.

With but a moments hestitation, Officer Ragsdale ordered the crafty intruder to halt. Of course you know, that running policemen over isn't quite the smartest thing to do, so the intrepid barricade buster yanked on the reins of his mighty horses to stop. The car's tires whined and screeched tearing at the asphalt, getting closer and closer to the police officer.The car came so close as to actually bump the officer. Then, as soon as the dust had settled, with lightening quick speed the policeman leaped around the car and apprehended the villian. Another triumph for Freedom and Justice.

The moral to this unusually common story is that whomever runs through the barricades set up to protect the Avon Park Maintenance men will be justly penalized. And according to Captain Frank Cratty of the Avon Park Police Department, the just punishment right now is a ticket.

County And State Lost When Gallen Was Moved

Highlands County and Florida lost when Sen. Tom Gallen of Bradenton was transferred from his chairmanship of the powerful Senate Rules Committee.

From a selfish position, Manatee County lost some influence over the flow of legislation when Gallen lost his post.

The entire state will also miss Gallen because he was one of the most evenhanded Rules Committee chairmen the committee has ever had. Bills proposed by the minority party were not summarily dumped.

Why was Gallen moved?

The charges that Gallen was weak and spent too much time playing handball were cheap shots propagated by sniping politicians and sloppy reporting.

That charge simply isn't true. Gallen was a capable chairman and probably spent a tenth the time playing handball than those who criticized him spent leaning on bars in Tallahassee.

It was politics that shoved Gallen from his post. Powerful people wanted and needed favors, and Gallen was moved to create a key committee chairmanship to be able to give to someone.

It's unfortunate for all of Florida that the evenhandedness Gallen displayed as chairman weren't taken as an example by the president of the Senate.

Prevention Better Than Cure Of Theft

Prevention seems to be better than the cure in law enforcement as well as in medicine, and preventing theft and vandalism of citrus equipment may be the best cure for crimes that threaten area growers.

"We're asking your help to help us protect our groves," Bob Gibson, Florida Citrus Mutual's (FCM) grower division director, said at the Highlands County Criminal Justice Forum Friday.

The forums are held monthly to bring representatives of all phases of the criminal justice system together to discuss mutual problems.

Gibson pointed out tht citrus groves cover some 800,000 acres in the state, an area larger than Delaware.

Due to the nature of grove operations, much expensive equipment, such as water pumps, wind machines, trucks and trailers are often left in the open, exposed to the dangers of theft and vandalism.

Tim Hurner, Highlands County extension director, presented a series of slides that showed examples of damages caused oy vandals and loss resulting from theft. Favorite targets for vandals are irrigation lines, while thieves aim for tires, engine parts and even helicopters.

"The criminal justice system should support us, but we have to support ourselves," Hurner said.

FCM has developed several ways the grower can protect himself. Efforts on the part of the association has resulted in stronger laws regarding trespassing and vandalism in groves. Parents of juveniles are now liable for $2,500 in damages caused to citrus groves and equipment.

A branding program has been started by FCM that incorporates the member's number into the marking his equipment. The number is registered at FCM and provides an easy check on ownership.

Grove owners can mark tires, trailers, motor equipment and other items with the brand.

The Farm Bureau is starting a similar program that would provide a number brand that could be used nationwide on farm equipment.

Another method to prevent loss in shipment is use of a trip ticket. A trip ticket is placed in the transport truck to give detailed information on where the shipment originated and its intended destination.

Gibson said the ticket is useful for police officers to help them provide identification of a shipment's owner. With rising prices for citrus this year, it is expected there will be more theft of fruit than in past years when prices were lower.

Hurner said that growers who may be stopped by law officers should not be angry with the police, since they are attempting to check the shipment's legality. He asked that officers report to thim if there are growers who make serious objections to being stopped for a trip ticket check.

FCM has created a pamphlet called Citrus Crime Computer that outlines the various laws regarding citrus grove protection. This gives law officers a clear guide of what laws are being violated and what charge to bring against the suspect.

Circuit Judge Clifton M. Kelly said it is important that each step of the criminal justice system be carefully fulfilled in order to assure successful prosecution of suspects . . . "We have to run these courts juat about perfect, or the case won't go."

Judge Kelly said he often hears that the courts let the criminal off, and this is not fair. Sometimes the prosecutor does not pursue the case, or the victims may not want to take the case through court.

Gibson said that some victims are afraid to prosecute the criminal for fear of reprisals.

Highlands County Sheriff Joe Sheppard said the department has started a program for citrus protection and recently placed Bruce Bennett as agricultural investigator. Bennett is responsible for helping enforce laws protecting cattlemen, farmers and citrus growers.

Deputies have been given the crime computers, Sheppard said.

Reform Should Mean Improvements

By Congressman Skip Bafalis

—"Reform" is a very popular word in politics today. It has a very positive connotation. Generally, reform is enthusiastically adopted by the public and advocated by their representatives.

According to traditional semanticists, reform means improvement in an existing situation. No wonder people are willing to embrace reform-we certainly could use a lot of improvement.

There are those in politics, however, who make the definition of reform a little more elastic-change, yes; improvement, not necessarily.

Tax reform and welfare reform and familiar refrains. Recently, the House of Representatives tangled with another type of reform-Congressional Reform.

Now there can be no question but that reforms and strong reforms are needed on Capitol Hill. Surely disclosures over the past few years have painfully pointed out the need.

Because of the revelations cited about the machinations of the Congress, a commission was appointed by the Speaker to draft a comprehensive Congressional reform package-one that would result in a more streamlined operation of the House; one that would prevent abuse of taxpayers' dollars; and one that would prevent the employment of personnel for improper purposes.

This Commission, chaired by Congressman Obey, studied these problems for almost a year and last week submitted its plan for consideration by the House. Reform was at hand-or was it?

Fortunately, the members of the House were not willing to hop on the "Reform" bandwagon blindly.

The Obey proposals did have some good points and did provide for some needed changes. However, there were some "Kickers" that caused quite a bit of furor among some House members.

For example, the bill created three new administrative offices without eliminating any present offices. It provided an additional $12,000 for each member to spend for computer services. It allocated one new staff position for each member that would cost taxpayers $35,000 a crack. And, it changed the allocation of clerk hire funds so as to allow members to increase staff at election time.

In otherwords, the year of study had resulted in more perquisites, higher allowances and more spending.

There were loud objections around the House to the proposal and the Obey Commission realized that the member wanted to make real reform changes in the final package by amendments offered on the Floor. So, in a blatant attempt to exclude the peoples, representatives from the legislative process, the Obey Commission asked for and received a "gag " rule on its proposal.

Every bill brought to the floor must have a rule. The rule governs how the bill is considered-an open rule allows for amendments from the floor, a closed rule allows no amendments, a modified rule allows some amendments.

The Obey package had a modified rule that would have only allowed five amendments from the floor. And believe me, there were more than five things that needed to be changed in order to have a good bill.

The modified rule would have precluded members from offering the following changes: public inspection of members' expense vouchers and office financial records; promulgation of guidelines to eliminate unnecessary and duplicative employment functions; adequate prior notification for consideration of legislation; and outside, independent audit of the books of the House or any reduction at all in the $16 million price tag carried by the resolution.

The rule literally tied the hands of the members of the House. We were being asked to reform the House under a blatantly anti-reform procedure.

Therefore, I was pleased to see the House defeat the rule for the Obey Commission report. This means that a new rule will have to be granted before the resolution can be brought before the House again.

Hopefully, an open rule-one which will give the members of the House the opportunity to improve the package with some of the amendments cited above-will result in true Congressional reform.

Its Still A Good Bet To Hire A Vet

William R. Blackwell, Director of the Florida St. Petersburg, Veterans Administration Regional Office, announced today that the VA here in Florida will again remind Florida industries and businesses that, while it is still a good bet to hire a vet, it is also a good bet, immediately and long-range, to create on-the-job training positions for Vietnam era veterans which will benefit the employer, the veteran and the community.

Specifically, VA is calling upon Florida private sector employers to establish 5000 on the job training slots for Vietnam era veterans during 1977. VA has set a national goal of 112,000 G.I. Bill on-the-job training slots for Vietnam era veterans this year Bickwell said.

He explained that a Vietnam era veteran with no dependents training full time is entitled to a G. I. Bill allowance from VA of $112 a month during his first six months on the job.

Things Out My Way

Alice Smith

On Monday the postman went fishing. This happy event came about because Congress, by special act moved Veteran's Day to Oct. 24 for all federal employees.

City Hall, County offices and banks will have a holiday on Friday, Nov. 11.

Whatever became of Armistice Day? William S. claimed a rose by another name smelled just as sweet, but I must be clinging to some of my most poignant childhood memories.

Ss a matter of fact, I happened to be on the scene for the very first Armistice Day. My small town had a lively, daily newspaper and the only extra they ever issued came out in the dead of night when WW 1 ended. While I shivered with excitment in my trundle bed, newsboys shouted in the dark street, "Extra! Extra! Read all about it! Armistice signed — war ends!"

No one in my family went to Europe to fight in that war but we waged a gallant battle on the home front. My father mixed oleo (horrible stuff) and a capsule of orange coloring in a dark brown crock; my mother baked cakes without sugar, eggs or anything else recognizable, which my father ate valiantly.

My contribution was strictly in the field of propaganda. My stylish grandmother took me to the city and outfitted me in a miniature officer's overcoat: it was made of khaki wool, belted and shoulder-flapped, with brass buttons and matching overseas cap.

Black patent Mary Janes were added, to my satisfaction. But the dear soul dragged me from store to store searching for red silk socks to complete the outfit. Not a child in my town wore socks, let alone red ones. Stockings were the order of the day. I was horrified but mute. Thanks to my early religious training, I prayed silently and fervently that the socks would not be found. They weren't and I was spared. This is probably the solid foundation of my belief in a Divine Being.

For some years after that first Armistice Day, on Nov. 11, at 11 a.m. whistles blew and bells rang. And people paused for a moment to remember the war dead and be grateful for enduring peace.

It seems that I have just answered my own question. Armistice Day turned out to be just that — and the peace considerably less than enduring. Veterans' Day, whatever date, will have to do us.

Concerned Over Up Keep

Dear Editor:

I wonder if Richard Peavy (Manager of Delaney Hts. Apts) has ever placed himself in the shoes of his tennants? I have both friends and relatives who rent in the project. If Mr. Peavy is considered manager, then shouldn't he have some responsibilities toward the tennants?

There are quite a few elderly people in the project who are shut ins. These people rely on visitors and television to get them from day to day. From my own observations I would say 85 percent of the apartments are in dire need of paint and decent heaters. There is one TV antenna for each row of apartments. This would be adequate, if it worked. Most of the antennas have such frayed wires that all programs consist of snow instead of a picture.

Recently a relative of one tennant offered to fix or repair the antenna on a row, free of charge. The repairman (who has his own TV repairshop) phoned Mr. Peavy for permission. Would Mr. Peavy give his permission? Did Mr. Peavy even take the time to see or talk to the repairman? No on both accounts. After a two hour wait and no satisfaction the repairman left the project.

I just wonder what Mr. Peavy does with the money allocated for the upkeep of the apartments? — He sure doesn't use it there!

Wisconsin Club To Meet

Dear Sirs:

Over a period of years you have cooperated with us in the publication of news concerning Wisconsin people who are visiting or living in Florida. A club known as the Ridge Wisconsin Club is composed of Wisconsinites located in the Ridge Area of Highlands County. Many read your paper.

Since the organization of the Ridge Wisconsin Club in 1974 we have had very successful seasons. The club's purpose is essentially social and the activities, informal.

The club, which has no fees or dues, is composed of Wisconsin people living in Avon Park, Lake Placid, Sebring, Frostproof, Lake Wales and surrounding areas.Each meeting program is planned by a new committee for the month. Six meeings are held each year during the winter.

Please help us by publishing the information provided on the enclosed announcement.

Sincerely,
The November Committee

Kenny Godwin Jr.

Joins Funeral Home Staff

It was announced by Chris Nelson of Stephenson-Nelson-Smith Funeral Home that Royce Kenneth "Kenny" Godwin Jr. had joined the present funeral home staff of Wilson W. Smith and Chris T. Nelson as an associate.

Godwin will be the resident manager at the funeral home as Wilson Smith has moved to his residence on Wolfe Street, however, Smith is still active in and will continue to be active in the business.

Kenny Godwin is the son of Mrs. Dorothy F. Godwin of Frostproof and Royce K. Godwin of Babson Park, he was born in 1948 in Lake Wales. He attended Frostproof schools and graduated from Florida Military School at Deland, Fla. While attending Polk Junior College, Winter Haven he majored in citrus culture.

In 1977, Kenny received his diploma and certificate from Gupton-Jones College of Mortuary Sciences, Atlanta, Ga. He has been a member of the Avon Park unit of the Florida National Guard for six years.

Married to Hope Stephanie Zukoskie of Ft. Walton Beach, Fla., they have a six year old son, Royce (the III), who is in the first grade. Kenny is a member of the Avon Park Rotary Club and the Peace River Outboard Racing Association. He likes boat racing (hydros), hunting and fishing for the satisfaction they bring.

How did Kenny Godwin decided to enter the mortuary service field? As he explained it, he was working as a volunteer with the Frostproof Ambulance Service, when he was 18 or 19 and was offered a job with the Marion Nelson Funeral Home in Frostproof.

During the four and one half years he worked at the funeral home he felt like he had accomplished something as he enjoyed working with people and the public. "I felt that this was the field that I was best qualified to work in," Kenny stated.

After securing his diploma from Gupton-Jones, he worked another six months with the funeral home in Frostproof before coming to Stephenson-Nelson-Smith Funeral Home in Avon Park. The hardest part of his job, to Kenny, is working with the parents and families of infants and young children.

Doris Whitt Attends State Conference

Doris Whitt, of the Avon Citrus Bank, as a delegate from the Highlands County Credit Women International attended the recent 40th Annual State Conference held at the Don CeSar, St. Petersburg Beach, Oct. 14.

Florida presently has 14 clubs. Present for the conference also were members of the Dixie Council which covers district three and four, and represents eight Southeastern states. Members of the Associated Credit Bureaus of Florida were also present.

Much work was accomplished through careful planning of the officers, as well as many fun filled hours, not to exclude the honors and awards given. State Queen Boss of the Year went to Helen Hardy, St. Petersburg. Mary Riley of the Platium Coast Club was chosen "Credit Woman of the Year". The 40th Annual Banquet featured Mollie Ann Copeland, Miss Tampa of 1977, who sang several numbers for the group.

It was announced that the State Convention for 1978 will be held in Pensacola, and in 1979 it will be held at the International Americano Hotel in Miami. The Hyatt House Orlando, will be the site for the coming Dixie Council Conference April 21-26, 1978.

An open invitation is extended to any one in the Highlands area employed in credit to join the local CWI club. Eligibility requirements are as follows: A prospective member must be employed in the credit department of a business firm, professional office or company whose firm is a member of the local Credit Bureau and-or International Consumer Credit Association, and be elected to membership by the local Credit Women International Club.

Credit Women International is a non-profit, educational organization of 14,000 members in over 450 clubs located in the United States and Canada.

The purposes of the association are to maintain a friendly relationship between credit departments of various firms and businesses represented by the members and local credit bureaus and to stimulate education in the practice and procedures of credit granting. W. I. offers continuing credit education through a yearly educational program.

The next regular meeting is Nov. 14, 1977 at the Howard Johnson, Sebring at 7:30 p.m. Featured speaker for the evening will be Ginger Edwards of the First Bank of Lake Placid who will speak on "Equal Credit Rights for Women".

Moss Charged With Burglary And Escape In Store Break-In

Phillips Corner Store, on East Main Street and South Delaney Avenue, was broken into at 4 a.m., Thursday, Oct. 20. A silent alarm at the grocery store gave Avon Park police enough time to arrive on the scene to spot the suspect actually inside the store and then fleeing. Officer Roy Ragsdale reported seeing a Black Male with a red stocking cap and a hammer inside the store. The robber then broke the rear exit door's window to make an escape down South Delaney Avenue.

Officer Ragsdale attempted to load his shotgun, but found that it was jammed. The officer leveled the unloaded gun at the running suspect and told him to 'freeze'. The man stopped running, turned to look at the policeman, and then proceeded to run. Officer Ragsdale saw the suspect run behind some apartment buildings on South Delaney Avenue, but lost him in the dark.

The suspect was believed to have cut himself at the store because of blood on the door sill. Dogs were brought to the store to track the fleeing man. The dogs lost the tracks just beyond the apartment building where the suspect had been last seen.

Lieutenant Walt Bellenger, later that morning received a report that Frankie Lee Moss, 21, of Avon Park, was seen heading toward Phillips Corner Store at about 3 a.m. Lieutenant Bellenger contacted Moss' mother, Lois Catlin, at Catlin's Bar and Restaurant. Moss was at the restaurant. Lieutenant Bellenger detained Moss for questioning. While the officer were taking Moss to the patrol car, he broke and ran.

At 4 p.m., Lieutenant Bellenger and Sergent Leroy Prevatt found Moss at the Goldbourne Apartments on Garrett Road. Lieutenant Bellenger brought Moss' mother to the apartment building to talk to Moss. Moss finally surrendered. Moss was charged with burglary and escape.

According to William Phillips, owner of Phillips Corner Store, apparently nothing was stolen. Moss entered the building through the west window behind the meat cooler.

Linda Canright's Receipe For Pumpkin Chiffon Cake

Pumpkin Chiffon Cake

2 cups sifted cake flour
1½ cups sugar
3 teaspoons baking powder
1 teaspoon salt
1 teaspoon ground cinnamon
½ teaspoon each of ground cloves and nutmeg
½ cup cooking oil
8 eggs (separate)
½ cup water
¾ cup canned or thick mashed cooked fresh pumpkin
½ cup egg whites(8)

Sift first seven ingredients into mixing bowl; make well in center. Add in order; cooking oil, egg yolks, water, pumpkin. Beat until satin smooth. In a separate bowl, add cream of tartar to egg whites; beat to very stiff peaks. Pour egg-yolk batter in thin stream over entire surface of whites, gently folding to blend. Bake in ungreased 10 inch tube pan in preheated slow oven (325 degrees F) and bake 10 minutes longer. Invert on rack; remove when cool. Frost with an orange-colored icing and decorate with flowers of whipped cream, cherries, and candied gingerroot, if desired.

GLAZE:

2 cup sifted confectioners sugar
4 drops yellow food color
2 drops red food color
3 tablespoons milk, add more if needed for glaze consistancy.

Mayor Marshall Davis Proclaims October 29 As "Day Of Goblins"

Time brings many changes but not to the Halloween celebration in Avon Park. For more than 40 years, Avon Park has celebrated the spooky season with its time honored customs to provide youngsters of all ages, a fun and safe way to celebrate Halloween.

A proclamation has been signed by Avon Park Mayor Marshall Davis proclaiming October 29 as a day of goblins, ghosts and witches and commands the young, and young at heart, to join the merriment and we're sure Mayor Davis will be taking his own advice and will be right in the middle of the festivities.

The Halloween Parade is set to begin at 4 p.m. followed by the fun-filled Halloween Carnival at 5 p.m.

Sponsored by the Avon Park Parent Teacher Organization (PTO) proceeds of the carnival are projected this year to go towards the Hopewell Library.

The mayor's proclamation putting the official sanction on the festivities said:

"Whereas, one of the largest annual events in merrymaking in Avon Park is the PTO Halloween Carnival to be held this year on Oct. 29, and

Whereas, festivities include a hugh parade of ghosts, goblins, witches, and assorted characters at 4 p.m. preceded by judging of the finest; a gigantic carnival from 4 p.m. to 7 p.m. followed by Trick or Treat until 9 p.m., which will provide fun for young and old, and

Whereas, the fire siren will blow at 9 p.m. signalling an end to the festivities,

Now therefore, be it resolved, that all citizens young and young at heart take an active part in this annual celebration, and that all parents be urged to cooperate with the leaders and authorities in the observance that our children may have a safe and pleasant day.

Even though the parade abounds with floats, decorated cars, lively bands, and pretty girls, the highlight of the yearly event is always the little ones in their costumes, parading along the mall. Excited children, in their "homemade garb" gather inside the fenced-in paved area behind the Avon Park Recreation Center (old Armory) accessible via E. Waycross St., from 3:15 p.m., to 3:25 p.m., so that judging may be done. DO NOT BE DISAPPOINTED, BE IN PLACE BEFORE 3:25 p.m., FOR JUDGING.

Judging will take place from 3:30 to 3:45 p.m. and the parade will begin at 4 p.m. Ribbons will be awarded for the costumes in the following catagories: funniest, cutest, most like Halloween, most beautiful, scarlest, and most orginal such as the three little kittens. The children will be judged against others in his or her own age group, ranging from pre-kindergarten through sixth grade. Each group will be awarded ribbons in all of the above categories.

Each parent is asked to look for a child holding a poster with their child's catetory on it, and place the child in the line forming for judging for that particular group.

It is suggested that if your child wishes to march in the parade, but not be judged that you bring the child to the gate at 3:45 p.m., and place the child in the correct line up, that way the child will not have so long to wait to march in the parade.

PLEASE NOTE, parents having very young children in the parade may take them out of the line-up in the vicinity of the Hilans Theater, so that the child may enjoy the rest of the parade. Parents are encouraged to "dress-up" and march along with their child, if desired. However, the P. T. O. will be responsible for safely getting the children out of the parade line-up on N. Verona Ave., between Bill Owens Ford and One Hour Cleaners, as the street will be closed for the parade and carnival.

JUST BE SURE TO TELL YOUR CHILD WHERE YOU WILL MEET HIM!!!!

PTO Halloween Poster Contest Winners Selected

The boys and girls in the 4th grade, at Avon Park Elementary School, last week, participated in the P. T. O. sponsored Halloween poster contest. The children worked very hard on their posters and did such a marvelous job, it was a difficult task for the judges to select the winners. There were three winners, finally chosen and they are; first place, Jeanne Wells, second place went to Steven Strenth, and third to Richard Daubach.

Boy Scout Troop 156, Den No. 5 will distribute all of the posters made by the 4th grade students, to businesses throughout the city of Avon Park for viewing by the public.

The first place poster will be on display at Avon Citrus Bank; Second, will be at Highlands County Bank, and Third will be located in the First Federal Savings and Loan.

Beth Ferguson And Ricky Helms

Ferguson—Helms Honored At Dinner

A rehearsal dinner to honor bride-elect Beth Ferguson and her future husand, Ricky Helms was served at the Ranch Buffet, Avon Park, on October 21, 1977. Host and hostess for the occasion were Mr. and Mrs. John Morris, E. Lake Lotela Drive, Avon Park.

Fruit punch was served prior to the guests being seated at tables decorated with traditional fall flowers. The decorations designed by Mrs. Morris, carried out the bride's chosen colors of brown, orange and gold.

Due to the unexpected absence of Mr. and Mrs. Morris, guests were welcomed by Chad and Joni Braniger (son-in-law and daughter), after which Rev. V. J. Ragsdale returned thanks.

A first course salad was served followed by roast beef, mashed potatoes and gravy, string beans, rolls and butter to the thirty guests present, including those from North Carolina and Virginia.

A chocolate groom's cake decorated with pink roses and yellow lattice trim was cut by Ricky and then enjoyed by all present.

Mrs. Robertson Guest Of Honor At Baby Shower

Mrs. Chesley (Ginger) Robertson, the daughter of Mr. and Mrs. G. S. Fortner, Avon Park Correctional Institution, was the guest of honor at a baby shower last Thursday evening at the staff training building.

The interior of building was decorated with greenery and a fountain, in front of which was placed the cake and punch tables, which were decorated with bouquets of flowers and baby dolls lying under miniature umbrellas.

After several games were played the 25 guests were served refreshments consisting of mints, nuts, pineapple punch and sheet cake decorated with blue icing, white and pink baby kimonos with a pair of matching booties.

The hostesses, Mrs. Jame Jamie Sawyer, Mrs. Fuscia Anderson, Mrs. Sara Reeves, Mrs. Mary Collinsworth and Mrs. Barbara Cornell presented Ginger with a baby blanket and matching pillow, which was handmade especially for her baby.

CHARLES SWAN MEMORIAL TOASTMASTERS CLUB

The public is invited to the Thursday, Oct. 27, meeting of the Charles Swan Memorial Toastmasters Club. Dinner begins at 6:30 p.m. at Howard Johnson's in Sebring, and the meeting starts promptly at 7 p.m.

Helms Celebrate Golden Anniversary

On Oct. 2, 1977, Mr. and Mrs. T. P. Helms celebrated their 50th wedding anniversary at a party given to them by their children and grandchildren, in the Florida Power Lounge.

Mr. and Mrs. Helms were married Oct. 2, 1927 at Louisville, Ala. They moved to Avon Park in 1952. They had seven children, Robert Earl, Orlando; Mary Caroline Kimble, Orlando; Jeannie Mae Drew, Miami; Donnis Pascel, Avon Park; Ricky Glynn, Avon Park the late Talmadge (Bud) Helms and a child that died in infancy. They have 15 grandchildren and two great-grandchildren.

Their anniversary cake was three tiers, white with gold trim, with three heart cakes surrounding the three-tiered cake. Coffee, punch nuts and mints were served.

Out of town guests were, Mr. and Mrs. Gary Helms, Larry Helms, and Mr. and Mrs. J. E. Ellenburg from Newton, Ala.

Cindy Murray FFA Sweetheart

The Avon Park Future Farmers of America has selected their 1977-78 Sweetheart, Cindy Murray, 17.

Cindy Murray

Cindy has lived in Avon Park all of her life and is an active participant at Avon Park High School. Cindy is also the FFA's 1977-78 Homecoming Queen nomination.

Cindy's escort for Friday night's Homecoming Queen crowning ceremony will be Greg Correll, of Avon Park.

Cindy is the daughter of George Murray of Long Beach, Calif. and Mrs. Jackie Roberts of Avon Park. Cindy enjoys horseback riding, motorcycle riding, and is an avid rodeo fan. Cindy is a senior at Avon Park High School and is a member in the school's agricultural class.

Wisconsin Club to Hold Meeting

The Ridge Wisconsin Club will hold their first meeting of the 1977-78 season at 12 noon, Tuesday, Nov. 8 at Highlands Hammock State Park, off of U. S. 27 North, Sebring.

All Wisconsinites and guests are invited to attend the pot-luck picnic meeting. Those attending are asked to bring a "dish to pass" and their own drinks and tableware.

Carnival Is Kid Oriented

The Avon Park carnival and parade is kid orientated and this year's event is projected to be bigger and better than ever. There will be trophies given for the best float entered by a civic organization and the best float by a group. Any organization may enter the parade. Please no horses are allowed in the parade, nor in the downtown area during the parade and carnival by the order of the Avon Park City Council.

The P. T. O. will be joined by various clubs from high school Band Boosters, Lions Club and the Boy and Girl Scout Clubs, with food and goodies. The Lions Club will be selling barbacue chicken dinners, Jr. Chamber of Commerce, will sell corn dogs and ice cream.; also pony rides, which will be located in the vacant lot across from Donaldson Park, the Girl Scouts will be selling doughnuts and apple cider.

A new drink item, **Diet Soda**, will be on sale at the "Coke" booth. "For those calorie conscience people who want to use up their calories elsewhere," said Mrs. Collins, carnival chairman.

If, during all these festivities, your feet get tired and weary, go to the Winter Guest Clubhouse. The Jr. Highlanders will be putting on a program called "Witches Brew". Each performance will last approximately 20 minutes, and the price of admission is .25. They will also have forsale a concoction called "Witches Brew" which will be served with a treat, all within a spooky patio atmosphere.

New activities this year include the Monkey Bridge sponsored by the Boy Scouts; and a make-up booth sponsored by the Jr. Women's Club, where you can be transformed into a green monster, gyspy, clown, ghost, or almost anything ghastly ghostly. The Band Boosters will sponsor a food booth, with hamburger, hot dogs, etc.

There will be simple games, for the younger children such as floating ducks, going fishing, bean bag throw, grab bag, and last but certainly not least, the balloon carrying pick-pocket clown. Each child that participates in these activities will receive a prize.

Middle school age children will enjoy participating in the basketball throw, dish toss, egg throw, and the frog hop which is sponsored by the Rec. Center. The High School students will enjoy the dunking machine which is sponsored by the Key Club.

No carnival would be complete without the old fashion cake walks, where old and young alike can join in the fun. This year's event will be located.

The P.T.O. is in need of donations for the cake walk, so if you would like to help, contact Margaret Collins at free boxes will be available to put the cake into.

Mothers if you have not been notified as to the role you can play in this money-making project for the elementary children, please call Mrs. Collins, carnival chairman. She can get you in touch with your child's room mother, who is in charge of his room's booth at the carnival.

Come on out, enjoy the parade and carnival; take the kids trick-or-treating, visit the Boy Scout's House of Fright, on N. Butler Street but most of all have a safe fun-filled Halloween.

Walker Memorial Offers Stop Smoking Clinic

For several years Walker Memorial Hospital has offered twice a year a Five-Day Stop Smoking Clinic as Public Health service to the people of Highlands County.

Another clinic will be held in the hospital cafeteria, Nov. 6-10. The classes will be in the evening from 7:30-9 p.m. for five consecutive evenings, Sunday through Thursday.

For further information, call 453-7511, 382-1105, or 465-004, between 8 a.m. and 5 p.m. Enrollment fee is $5, and a reservation for the class is requested.

Play It Safe For A Happy Halloween

Halloween can be a fun time for all but a few reminders can make it be a safe and happy time, too. Costumes should fit children well. Skirts, robes, and sashes should be short enough not to interfere with walking. Check masks for eyeholes which are large enough and spaced carefully.

Shoes too small or unfamiliar may cause blisters and sore feet; shoes too large may result in falls or sprains. Avoid anything too binding or constricting. Trick-or-Treating is safest in well-known, established neighborhoods.

An adult should accompany small children. Older children who do not go with a parent should have some supervision with specific routes and curfews.

At home, inspect all treats carefully. Discard all goodies which are unwrapped, are partially open, or which have been rewrapped. HAPPY HALLOWEEN!

Extension Homemakers held a membership tea Oct. 23 at the Agri-Civic Center to introduce Beki Brock, new Extension Home Economics agent. From left, Extension director Tim Hurner is shown with Extension Homemaker Council president, Trena Ray, and Beki Brock. photo by C. W. Burn.

Beki Brock Welcomed As New Extension Home Ec Agent

A tea held at the Agri-Civic Center Oct. 23 by County Extension Service Homemakers, welcomed Beki Brock as the new Extension Home Economics agent.

Miss Brock was introduced by Tim Hurner, County Extension director. Hurner also introduced Marcia Handley, home economics paraprofessional; Miguel E. Rubio, assistant county agent — livestock and 4-H coordinator; Carl E. Arant Jr., commissioner of Highlands County; Betty Bolin, Extension Homemakers state advisor; and members of the office staff — secretaries Amy Ellis and Linda Moody.

Door prizes of floral centerpieces were won by Tensie O'Leary and Cleo B. Ray. Mrs. Charles W. Casey, Mrs. Kenneth Black and Kay Ambrose each took home hand-crocheted sports hats. The floral arangements were donated by Hobby Hill, Kellie's and the Ridge Florist.

Handcrafted articles on exhibit were made by the Highlands County Homemakers. Punch and cookies were served.

Miss Brock stated she has plans for many interesting programs to come. One such program will be given on Tuesday, Nov. 8, and is titled "Seafoods for the Holidays." It will be given by Debra Sims, merchandising specialist of the Department of Natural Resources from Titusville.

There will be two sessions, one at 10 a.m. and the other at 7:30 p.m. for those who may not be able to attend the morning program.

The new Extension Home Economics Agent also announced there will be a special executive board meeting held at the Agri-Civic Center on Friday, Nov. at 10 a.m.

County Sales Tax Increase

Sales tax collections for August in Highlands County rose 7.58 percent above totals for the same month last year, figures released by the Florida Department of Revenue show.

The amount collected this year was $350,934 compared to August, 1974 collections of $326,213.

Collection totals for August were down slightly from the $379, 640 collected in July, 1977.

Amounts collected in neighboring counties for August, with August, 1976 figures in parenthesis are DeSoto, $112,692 ($107,081), Glades, $17,720 ($25,575). Hardee, $117,102 ($104,527).

Teachers Have Work Day To Build Student Skills

The students of Avon Elementary School will reap profit from the teacher workday Friday Oct. 21. Mrs. Emily Biggs and Mrs. Edith Clark conducted in-service sessions for teachers in their school at which time they shared information relating to effective teaching of basic skills in mathematics.

The Avon Elementary School has a large percentage of black, disadvantaged white and migrant students in comparison to the other schools in Highlands County. This necessitates a different type of approach to teaching the basic skills in the classroom. The enrollment at school at Hopewell School is 892 students and includes pre-school, kindergarten, and the grades one through four.

Mrs. Clark attended a workshop conducted in Highlands County during the summer. At this workshop the general objective was to discuss local math problems and to complete objectives for instruction at each grade level.

Mrs. Biggs attended a workshop at Brevard County's Inservice Teaching Center. It is a demonstration center for a special math program for kindergarten through sixth grade which is being used by schools in forty-nine states and six countries. The workshop was designed to enable teachers to improve the competencies needed to implement a sequential math curriculum while building student skills, attitudes, and self concepts in math.

Mrs. Biggs and Mrs. Clark had prepared materials for the teachers to take back to their classrooms and planned activities to involve the teachers in becoming acquainted with more effective ways of teaching young students to understand math concepts. Manipulative materials and games were available for the teachers to use and to copy.

Teachers from the Middle School attended the session designed for teachers of fourth and fifth graders. Frank Burns, coordinator of math and science in Highlands County, was present for some of the sessions which were planned and coordinated by Maryanne Reddick, Curriculum Coordinator for Avon Elementary School.

Church News:

The Saint Mark Missionary Baptist Church observed its Sixty-first Anniversary on Oct., 17-23.

FACTO-GRAPHS
OF
SAINT MARK
MISSIONARY BAPTIST
CHURCH

In 1916, St. Mark Missionary Baptist Church was organized by the Rev. G. W. Epps,. He was assisted by Rev. J Wilds of Lake Wales and Rev. Hillard, Missionary of the First Baptist Association of South Florida. Deacon Tom White and J. Jackson, the two deacons of St. Mark, were assisted by Deacons I. Johnson and E. Stafford of Lake Wales. There were only twelve members with a Sunday School of twenty-seven, no Women's Home Mission nor B.Y. P. U.

By 1918, the church membership had grown to 164, the Sunday School to 69. The Women's Home Mission had organized and grown to 36 members. The B. Y. P. U. was organized with an overflowing number in 1920. By 1930, the membership had reached 246 and all departments were functioning well.

By 1955 the physical structure of 1929 had begun to deteriorate while the spiritual leadership of the Church had begun to flourish. Rev. Daughtry, our Pastor, concevied a new idea-a New Church. "I Had a Dream" could have been an appropriate motto for that period, but the reality seemed so remote. It was upon this vision and the faith of all that Captain Daughtry launched his crew. Through hope, prayer and hard work, the church weathered the storms and there is no longer dream, but a reality. This entire complex (valued at $200,000) conceived in faith was dedicated February 24, 1974. Now it stands, with a cross extending towards the heavens-the source of our help in ages past, our hope for years to come.

There is a full week of services starting on Monday night with churches from Avon Park and other communities participating. Saturday night is devoted to a youth talent night with a full day of services and fellowship on Sunday. All are invited to take part in the devotional services.

A Message From Your Local N.AACP:

Theme — "Our New Day Began"

We are now making preparations for our First Annual NAACP Banquet, which will be held Friday Nov. 11, 1977 at 8 p.m., at Hopewell Elementary School Cafeteria.

The speaker for the occasion will be Dr. Norman Jackson, Executive Director of the Florida Human Relation Commission. Attorney Hazel Land, State Secratary of the NAACP will present the Branch Charter.

We are appealing to the community for your support, and co-operation in making this occasion the biggest affair in the city of Avon Park for this year.

The menu for that night will be as follows: Peach halves on lettuce plates with cottage cheese, turkey and dressing with all the trimminggs, baked ham, candied yams, green beans, rolls, tea, coffee, cake and pie.

We are still in need or some items for our menu, if you have not been contacted about giving a donation, please contact Ms. Christophine Blackman, Banquet chairman, at 453-5719 or Mrs. Martha Mitchell co-chairman at 453-5897.

The food committee would like to have all baked hams, and Turkeys, brought to the St. Mark Baptist Church annex, no later than noon Friday, Nov. 11, 1977.Please try and get all other items to us by Thursday, Nov. 10, so that the committee can get the food prepared.

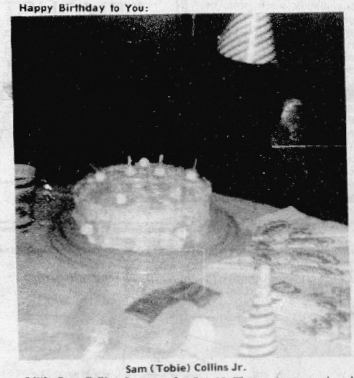

If anyone have questions, concerning delivery or pickup of food, please, contact Ms. Blackman or Mrs. Mitchell.

Tickets are now out and on sale. $3 single and $5 per couple. If you have not purchase your ticket, please do so early, because no one will want to miss this affair. There will be other NAACP State officials from all over the state.

Let us all put forth an extra effort for this affair, and make it a big, big, big, success.

O. L. Mitchell, Pres.
Christophine Blackman,
Chairman
Martha Mitchell,
Co-chairman

Happy Birthday to You:

"Elvis" Impersonator To Appear At Lake Placid

Ronnie McDowell never wanted to be a fireman, a football player, policeman or doctor like most young boys, A" he ever dreamed of in life was to be like Elvis Presley.

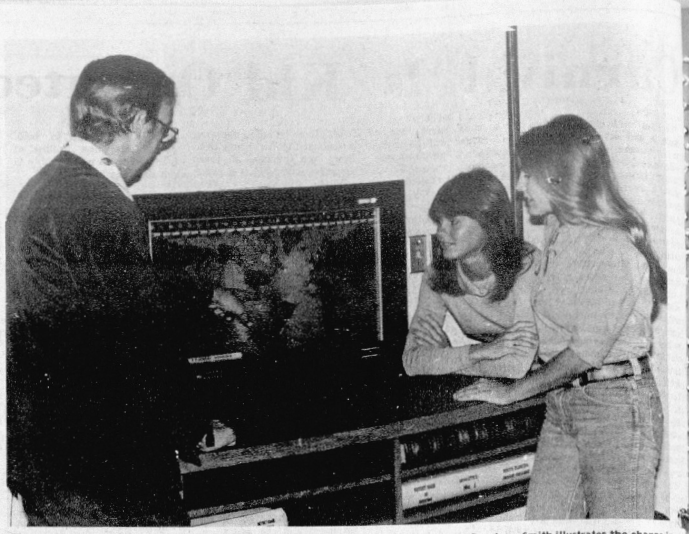

McDowell, a 27 year-old country boy from Portland, Tenn., is the performer with the smash single, "The King Is Gone." Within just two weeks after its release, it sold over two million copies.

On Nov. 1, McDowell will appear at the Lake Placid High School gym, with two shows, at 7 and 9 p.m.

McDowell was a nightclub and troop entertainer for four years in the Navy. He traveled around the world, entertaining millions of troops throughout Germany, Vietnam and Japan. His stardom came almost overnight with "The King Is Gone," written just after the death of Elvis Presley. The song went to the top of country and rock music charts.

On stage his appearance, mannersims and expecially his voice are almost identical to Presley's having studied the rock music superstar in great detail. He was only six years old when he first heard "Hound Dog," has every record Presley ever recorded and has seen all his movies (including "Blue Hawaii 12 times).

In answering critics who say he is exploiting Presley's death, McDowell responds that he composed "The King Is Gone" out of sincerity, with no idea that it would touch home with so many people.

Food For Thought

By Jane Nickerson

There's a time for pumpkin, a short time, and this is it.

Those of us who are happier because of ceremony, ritual and symbol in our lives welcome the most decorative of foods. It's a harvest sign, a Halloween tradition, deep-rooted in our childhood. We cannot regard it without nostalgia. We are back again in the fourth grade and a peer is reciting James Whitcomb Riley's reminder that "the frost is on the punkin."

The orange gourd, 5 to 30 pounds or more in weight, is not grown locally for commercial markets but rather derives from farther north in the South, paradoxical as that may sound, with many specimens this year from Tennessee. The pumpkin you buy, available for only a few weeks, is not the same variety that canners select. That explains why a pie prepared with the fresh vegetable tastes and looks differently from that made with the tinned product.

Jack-O-Lantern pumpkins, the handsome specimens that provide an appropriate centerpiece at this season, even without the plastic surgery that imparts those traditional features, is Cucurbita pepo, a sprawling family to which the so-called summer squashes belong. They are relatively thin-skinned, with high water content, counting zucchini and crooknecks, among their group. The Indians developed this type of pumpkin to its enormity.

Pie pumpkins, which the canners seek, less common in our markets, are smaller, with darker, more intensely flavored flesh, less moisture, thicker skins. They are Cucurbita maxima or moschata, cousins in the winter-squash classification to such kinds as banana, Hubbard and turban. In New England when I was growing up, I never heard of pumpkin pie; it was always squash, prepared from a huge Hubbard specimen that we ate as a vegetable as well as in pastry. My mother would put it on a chopping block in the cellar and crack it open with an ax. Yes, the skin was like an armor.

Helen Grumbach of Lakeland, Florida native, hospital dietitian and mother of three, calls the jack-o'-lantern pumpkin "highly talented." The other evening at a demonstration at a fine kitchen-ware shop in her area Helen put that vegetable into unexpected dishes. She reminded those in attendance that pumpkin need not be limited to dessert but rather used through a meal.

Helen whisked together a delicious dip with pumpkin puree, serving it with corn chips, and baked a sweet pumpkin bread that was almost like a simple cake. In passing she reminded us that pumpkin has been used often in soup in both Europe and Latin America.

But before such enticements are possible, you have to dissect a pumpkin, which may seem like more labor than it proves. Helen cut her specimen with a chef's knife, removed fibers and seeds, divided it into chunks and peeled each. Then in a few inches of boiling water in a heavy saucepan she piled pieces from a pumpkin that looked to be about eight pounds, and steamed them for about 30 minutes, until tender when pierced with a fork.

Meta Given, another central Floridian, author of a two-volume, "Encyclopedia of Cookery," advises a different method in her book. She suggests putting the cut-up vegetable, unpeeled, with seeds and fibers intact, on a baking sheet, flesh side down, and baking it uncovered at 400 degrees for an hour.

Using a 30-pound pumpkin, about 39 inches in diameter, I experimented with every method I could think of, and concluded anything goes. Helen's procedure works well, so does Meta's; you may peel first or afterwards, steam on top-stove or bake in the oven. I fancied pumpkin baked in its skin tasted a bit richer and was somewhat drier than that done on a surface burner, but the difference, if indeed there were one, was infinitesimal. Suit yourself.

Can you roast pumpkin seeds? Yes, but don't expect the same result as the enticing pepitas you may have munched with your favorite cocktail. Seeds from a fresh pumpkin are still in husks, and must be shelled to obtain the delicate morsels within. Spread on a baking sheet and put in a 400-degree oven, the seeds turn a deep golden in a few minutes. But you have to summon patience to crack and peel off the sheath encasing the nugget.

Cooked peeled pumpkin, baked or steamed, should be put into a colander and gently pressed to remove some of the moisture. To use it in Helen's recipes that follow, you should puree it in a food processor or blender. A pumpkin weighing five pounds gives two to three cups of puree.

My 30-pound mostrer yielded a gallon of the mashed vegetable, which would have expanded somewhat had I pureed it. Yes, because you may be wondering what I did with it, the cooked flesh does freeze well, and may be kept three months or more in frozen state.

So hail a striking symbol of harvest, a link with our past, a delight of the autumn. It was the Druids who first used pumpkins at this season; they were a part of their Sanhain, or farewell to summer, festivals. Who could mourn summer with

Helen Grumbach's pumpkin delicacies on their table?

HELEN'S PUMPKIN DIP

1 cup pureed pumpkin
1 tablespoon onion juice
1-3 cup mayonnaise
Few drops hot sauce
½ teaspoon salt
¼ teaspoon chili sauce
⅛ teaspoon mace
1 teaspoon meat glaze, see note

Combine all the ingredients. Chill, preferably overnight. Spoon into a bowl; garnish with chopped parsley. Surround bowl with corn chips.

Note: Meat glaze (Bovril) may be obtained in the gourmet sections of supermarkets.

Ross Sentenced

Sprott Jr. of Lakeland, that was written April 11, 1977 to the Florida Probation and Parole office.

In the letter Sprott said, ". . . this is a child. He naturally, has all of the deficiencies of judgment, maturity, intelligence (especially) that are the customary estate of children. I say this neither to justify nor excuse his act; rather to point out that it is too early in his existence to proclaim that he has, and always will have, no redeeming qualities that make him worthy of continued life.

"Those who believe that society is entitled to an act of revenge against this boy will urge his execution. Those who believe that a human life should not be taken when it has, or may have, redeeming qualities, will urge that life in prison is sufficient. For this boy, under this circumstance, I fall unequivocally into the latter group."

Ross's mother, Mrs. Cressie Belcher of DeSoto City, told The Sun after the hearing that she had never had problems with her son, until about a year ago when he began associating with older youths. He often did odd jobs for people and there was never any problem.

Ross is one of Mrs. Belcher's seven children. She has four other sons and two daughters. Ross's father, Frank Ross, lives in Gainesville.

With tears in her eyes she said, "I still don't understand."

City Council Action

land, but a replat, it was unknown if this would apply.

Councilman Larry Albritton raised the question of the expense to the city if the last lot on the block were sold and the city had to install water and sewer lines. Barefield added that he din't think the city taxpayers should pay for the development and installation of the utilities.

Taylor countered that the city had ways to recover the cost of the utilities, whereas, he had already set the price of the lots and sold two lots and had no way to recover the cost of utilities. Also that this was not a plat of a new subdivision but of an old subdivision.

In approving the revised plat of the subdivision, bounded by U. S. 27 North and State Route 17, it was pointed out that the city was not agreeing to bear the expenses of streets and utilities and that the purchasers of lots were to be informed that the city is not responsible for streets, water or sewer service. It was said to be a case of 'let the buyer beware.'

In a report on the location of travel trailers at the Bonnie Brae Mobile Estates, attorney Hancock told the council he thought they could permit the operator to relocate non-conforming travel trailers to a new location. After inspecting the site and the proposed location it was reported the new proposed location would be less desirable for mobile homes. It was reported that the DER had given an extension of time to relocate the 11 travel trailer sites. The matter was then referred back to the Zoning Board of Adjustment.

Bids Awarded

Upon the written recommendation of architect James A. Heim, the council awarded the bid of $257,235 to build the new fire station on E. Pine St. to Wayne Blackwell Construction of Miami. Construction is to start by Nov. 28.

The council passed Resolution No. 77-15 authorizing the borrowing of up to $66,000, at five percent interest, on the bid of Highlands County Bank of Avon Park. to build T-hangers on the Avon Park Airport. James T. Smith holds the contract to build the hangars. Rental fees from the old and new hangars are to be used to repay the loan.

The council accepted a low bid, of L. C. Crews, of 92 cents per square foot for construction of sidewalks under the Federal Revenue Sharing Budget and the Housing and Urban Development Adminstration.

The low bid of Davis Meter was accepted for a semi-truck load of PVC plastic water pipe of various sizes.

The council discussed the possible savings that might accrue through the purchase of needed chemicals by bids on yearly supplies of these chemicals. Department heads are to work with City Clerk Malcolm Crews in compiling lists and quantities of chemical materials needed.

Sewer Program

Mike McWeeny of Dawkins and Associates told the council that construction of the Lake Isis sewer extension should start in about a month, as bids and other paper work had been mailed to the Economic Development Administration in Atlanta for approval.

On the rehabilitation of the old sewer treatment plant several change orders were necessary following the cleaning up of the plant where the inner working parts could be seen. On the matter of the paving at the plant McWeeny had informed the contractor, Meadors, that the city was not satisfied. It was reported that it would be repaired.

The council was told of letter from DER complaining about the operation of the sewer treatment plant as not having received monthly reports, BOD count was not up to 90 percent, but may not have had time to build up since start of operations in July); the city did not have an operating permit for the plant as the construction permit ended in September and there was a high nitro and phosphate content in the monitering wells which could indicate seepage.

It was said that DER knew of the new plant and the shutdown of the old plant for repairs but they had completely ignored this in their letter. McWeeny was instructed to talk with the DER people about this. He stated it would take four to eight weeks to finish the work on the old plant before it could be placed in operation.

The final inspection of city sewers is set for Nov. 16 when all warrenty work should be completed. It was reported that, by and large, the contractor did good work, but some grass areas and a few driveways were not good.

It was reported that the warning system on the Lake Isis pump station indicated trouble at the station, however, Gator Utilities repair service man would not be here until Tuesday which councilmen thought was too long to wait for repairs.

Trouble is still continuing with the city's water pumps, in that the 150 horsepower Bell St. pump is out of balance with the other smaller pumps. New controls on the Bell St. pump are working but the pump will not keep the storage tanks full and if the controls of the other pumps are reset the elevated tanks run over.

McWeeny stated the problem was aggravated by many small water lines. This could be remedied by replacing with 12 inch lines which would be expensieve. Altitude valves could be placed in the water tanks at a cost of $800 each or a remote control could be installed at the Glenwood Ave. pump, as an emergency measure, at a cost of approximately $1200 and if necessary it could be tied in with the Summit St. pump. The council choose the remote control system to handle the pump problem.

Ordinances

City Clerk Malcolm Crews read part of a proposed ordinance which would allow citrus harvesting vehicles to be parked anywhere in the city. In the discussion this was expanded to possibly include reefers (refrigerated trucks) and other vehicles by which a man might derive his livelihood.

Criteria for obtaining a special exception permit from the Zoning Board of adjustment included: Esthetic effect on the neighborhood; all equipment must be in working condition, with repairs to be made in an appropriate zone; equipment must be neatly parked; equipment must be off the street right of way; it must not occupy space ordinarily required to which the property is devoted and before an exception hearing by the Zoning Board of Adjustment every neighbor within 200 feet of where the equipment is to be parked, must be advised, by regular mail, at least one week prior to the hearing.

Action was postponed until the next meeting for further study.

Ordinance No. 618 was placed on first reading. This ordinance regulates and restricts the height of structures objects or natural growth along with regulating the use of property in the vicinity of the Avon Park Municipal Airport by creating zones and establishing boundaries of zones.

The ordinance declares that the creation of an airport hazard is a public nuisance and an injury to the region served by the airport; it is necessary in the interest of the public health, safety and general welfare that the hazards be prevented and that the prevention of hazards be legally accomplished.

Ordinance No 618 was amended to provide water for irrigation in the city, to 40 cents per thousand gallons inside the city and to 50 cents per thousand gallons outside of the city. Compliants had been received from city residents because irrigators outside of the city were not paying a city tax on the water and were obtaining the water at a cheaper rate than city users.

Recreation

Recreation Committee chairman Jim McWilliams in his request for a meeting of the city council with the recreation committee, stated the recreation department was not legal because there was no city ordinance authorizing its existence.

Councilman Albritton stated the last discussion of the committee evolved around whether people living outside of the city limits could serve on city boards. Council president Robert Britt said that the council might be "opening a bag of worms" on the question of whether people living outside of the city limits could serve on the recreation committee.

At present Eileen Martin is the only member of the committee living outside of the city.

HIGHLANDS COUNTY CHAIRMAN of the Heart Fund, Buddy McKenzie (left) presents a certificate of appreciation to Steve Robets for the time and effort given to the Heart Fund work. Sunphoto by Lew Miller.

Steve Roberts Awarded Certificate Of Appreciation

A certificate of appreciation was presented to Steve Roberts last week, by Buddy McKenzie, chairman of the Highlands County Heart Association. "For Steve's untiring contributions in time and effort to the Highlands County Heart Association and for assisting McKenzie and the county committee personally in raising funds for the most needy and charitable organization the American Heart Association."

Both Buddy and Steve stated they enjoy working in community activities. Buddy, a deputy clerk in the clerk of courts office has been with the Heart Association for three years, two as co-chairman for Avon Park and the past year as county chairman. He has been active in Little League baseball, Lions Club, Jaycees, March of Dimes and the Avon Park Christmas parade.

Steve of Ridge Florists, has worked with the Heart Association for three years. A member of the Avon Park Rotary Club, he has worked with the Maarch of Dimes and with the Jaycees.

Askjed why he spends time working with these organizations, Steve, replied, "Each individual owes 'X' number of years to the community, the time varies with the individual. We owe time to our communities. I have been in 20 foreign countries and none of the people receive what we get for our taxes."

Buddy added, "In the U.S. we have the best justice system in the world, as some countries have professional juries, who do nothing but listen to trials." Both feel that Avon Park and the county have been good to them and voiced the opinion that if everybody served a little time with charitable and volunteer organizations there would be more understanding of the needs and problems faced by others.

Buddy reported that the money raised by the Heart Association was sent to Lakeland and distributed to population areas as needed for national research and help within the county and state to prevent heart diseases. He added that it takes time and money to complete the research that benefits people. Some of the research has resulted in the pacemaker, that regulates the heart beat; the heart-lung machine, used in open heart surgery and the replacement of heart valves.

Anyone wishing to contribute to the Heart Fund can see Buddy or mail their contributions to the fund in care of Frances Dennis, treasurer at the Barnett Bank in Sebring, P.O. Box 1947, Sebring, 33870.

Kelly Calls For Strong Action To Combat Crime

By MIKE LEACH

"We need a plan calling for strong positive action, rather than continuing to flounder in apathy and in a wilderness of thoughts about what should be done, while crime continues to flourish," Circuit Judge Clifton Kelly said in an 11-page footnote to his sentencing statement of Frank A. Ross, convicted murdered.

In the footnote, Judge Kelly outlines a program calling for extensive use of public schools in educating youths against criminal activities.

"Who knows, if defendant Ross had been taught and made to understand from the time he first entered school that stealing and robbing are against the law and that if he killed someone, he too could be killed by the state," Judge Kelly wrote.

The footnote on the sentencing decision is, like the decision, subject to Florida Supreme Court review and executive clemency proceedings.

Kelly said the lawmakers and legislature should make adequate provision that the schools not only educate students in understanding the law, but, "also develop a respect for other people and their property."

"It's time to realize that education can be an alternative, dynamic method to control and reduce crime," Judge Kelly said.

"I am not referring to a one-shot, instant success approach to the age-old problem of crime, but instead to a massive, determined long-range effort by the schools to reduce crime and protect all people and their property, with results to be measured in terms of years and not in weekly or monthly progress reports to the school boards and-or the press."

Judge Kelly pointed out that despite spending billions of federal and state dollars to combat crime, crimes committed by persons under 18 years of age continue to grow in number and seriousness.

"Money alone is not the answer in the fight to control and reduce crime," he said.

Television viewing of violent programs causes children to behave more aggressively scientific evidence shows. "One of the most compelling reasons for the public schools to teach and stress obedience to the law and respect for the law is to counteract the effect of violence shown on television," he wrote.

He also pointed out that it costs about one-fourth the amount of money to educate children as to jail inmates in Florida's correctional facilities. The annual cost for incarcerating and supervising an inmate is $4,745.

Judge Kelly said the legislature should require public school students to be knowledgeable in several areas in order to "build a foundation of obedience to the law and respect for the law."

Areas to be covered include understanding: state criminal laws and penalties; how laws are made and changed; why each particular criminal law is made and how it relates to the child and his home and family; how to report crimes and testify in court; that it's everyone's duty to obey all laws; and there is no reason or excuse for anyone to willfully violate the law regardless of his race, color, or creed or station in life.

Judge Kelly feels the schools should be responsible because they have the children to work with through compulsory school attendance; schools have the power to tax and spend for educational purposes; and there is the constitutional mandate to provide free public schools as the needs of the people may require.

"Being a parent, I am quick to point out that the true and best answer to crime prevention and control lies in the home; but there is no prescribed rule, regulation or law that requires parents to teach their children anything, to provide them with any particular type of training," he wrote.

The judge said that although church and Sunday school attendance is valuable training, in most cases the churches are not able to reach the children who are in need of proper parental guidance.

His findings are based on nearly 25 years of work in public service. He has been judge in Highlands County for 19 years and before that worked as a prosecuting attorney for six years.

Judge Kelly wrote, "I see no logical reason why the public schools in Florida should not teach our children to obey the law and respect people and their property."

At the Criminal Justice Forum Friday, School Superintendent Dr. Dan Davis said they have started a new program this year aimed at providing closer communications between homes and schools. Teachers visit in the students' homes to discuss strong points and weaknesses of the pupils.

If a student is causing vandalism in groves, he said the law enforcement authorities should report this to the students' principal.

Safety Educational Program For Employees Discussed By Committee

The Avon Park City Council's Safety Committee held a meeting Thursday, Oct. 20. Present at the meeting were Safety Committee Chairman David Barefield, City Clerk Malcolm Crews, Mayor J. Marshall Davis, Fire Chief Mack Flowers, City Maintenance Supervisor Jack Elder, Police Office James Crabtree, and Water and Sewer Representative Wayne Bass.

The meeting began with Malcolm Crews reading the minutes from the last meeting. The committee members discussed the possibility of supplying non-slip, steel-toed safety shoes for City employees that are required to ride on the back of trucks. It was mentioned that one sanitation worker was almost killed when he stepped down from his truck and slid underneath the bumper.

In the discussion of old business, it was reported that twelve new safety kits were bought for $40 and eight smaller kits we were purchased for $22. It was also mentioned that the Sanitation Department has received a number of good comments on the new rotating amber beacons installed on the garbage trucks.

When the floor was turned over to new business, members of the committee discussed the possibility of buying a half dozen ventilated safety vests. At that time, Wayne Bass mentioned that he has had seen some safety vests at the Police Department. It was agreed upon that Officer Crabtree would look into the Police Department's supply of vests and if none were found that Malcolm Crews would check on prices for new vests.

Still into new business, Chairman David Barefield introduced the possibility of creating a City manual for Administration of Safety Rules. This would be the first time that the safety rules which are supposed to be adhered to closely, would be put into writing.

The City's plan for safety rules would be very similar to the rules adopted by the Florida Power Corporation. There would be monthly vehicle checks, varied types of accident reports, and injury reports. The committee plans to use safety cones as the telephone trucks do. The reason for setting the cones behind the parked truck is so that the driver must look behind the vehicle before backing.

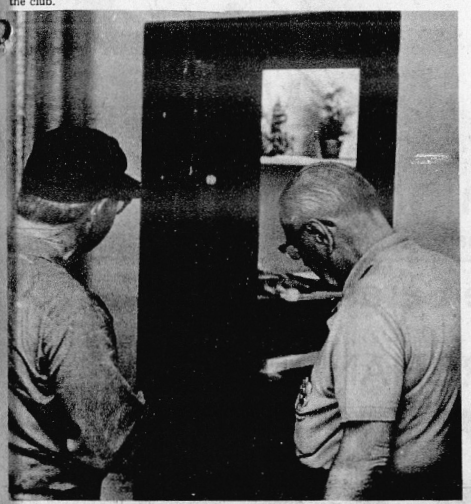

It was discussed that a rotating educational program should be set up for all City employees. There would be three month-long safety courses to be taken, with at least one completed every year. The courses would be repeated every third year for review. The course titles suggested were Defensive Driving and First Aid.

The production of the safety rules will be a long and complete process. The Committee has decided to construct and adopt two sections every meeting so as to do it thoroughly.

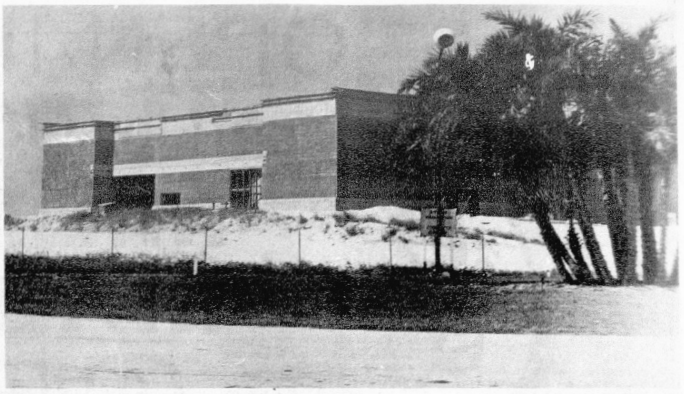

Juveniles Arrested

Highlands County sheriff's deputies have arrested two juveniles in connection with the theft of a battery, car tire, chrome wheel and a two-tire golf cart from Pinecrest Country Club on Oct. 18.

The items were taken from a barn at the club.

SFJC's Fine Arts Complex Is Shaping Up

The construction of South Florida Junior College's new Community Auditorium and Fine Arts Complex has begun to take shape. The $1.3 million performing arts building is on schedule and should be finished around the middle of July, 1978, according to S. F. J. C. President, Dr. W. A. Stallard. Dr. Stallard said that he hoped the community would use the facilities that would be available to them when the center was opened.

The college expects to buy up to $100,000 worth of equipment to facilitate plays, concerts, and large meetings. The auditorium will seat 1500 people. The builders are Ellis Construction Co., Inc., of Tampa and the architects are Watson & Co., of Tampa and Orlando.

Go-Ahead For Building Fire Station Received

The City of Avon Park received a approval for the construction of a new fire house, Wednesday, Oct. 19. The Economic Development Administration in Atlanta has given the City Council permission to award the bid for construction of the new building. It is anticipated that Wayne Blackwell of Miami with a bid of $257,235, will receive the contract, Monday night, Oct. 24, at the City Council meeting. The E. D. A. still has to make a final approval of the City's arrangements.

The architect for the fire house, James A. Heim of Avon Park, a member of the American Institute of Architects, feels that construction will begin in approximately two weeks. The project will take about nine months to complete and should be done sometime around August 1978. The new fire station will be located behind City Hall on South Delaney Avenue and East Pine Street.

Another project soon to be started is the the extension of the sewer system at Lake Isis. The city has received a $200,000 federal grant for the further development of the Avon Park sewer systems. The extension will include the north and east sides of the lake. Sewer were not installed originally because of the lack of development in the area.

Airport T-Hangars Underway

Construction has started on a new hanger setup at the Avon Park Municipal Airport. The city is building the storage space on the southeast side of the airport, between runways 22-4 and the now inactive 31-13. The prefabricated building will take only 30 days to erect.

Atlantic Building Systems, Inc., a subsidiary of Atlantic Steel Co., Atlanta, Ga., is building the "T" designed hangers. The T-hanger, as they are referred to, will provide more efficient space usage than do conventional hangers. The aircraft is to be backed into the hangers, which have areas to accomodate the plane's wingspan. The architects on this project are J. T. Smith and Son, of Winter Haven.

THE NEW T-HANGARS at the Avon Park Municipal Airport start to take shape as construction is well underway. Sunphoto by Mitch Banks.

The new hanger development was financed through the Highlands County Bank of Avon Park, by the city, for $66,000. The city plans to rent individual storage stalls to regain some of the initial costs and upkeep. The $66,000 price tag includes new taxi-ways up to the hanger, underground wiring, and the building.

The City had to revert to underground wiring because the hanger is between two runways. It would cost the city much more to run the wires by poles around the runways than to just run the wires underneath the pavement. The old runways, 31-13, will be used as a taxi-way for the new structure.

The new hanger will be an advantage to pilots and companies that keep their aircraft in Avon Park. Presently, the only means of aircraft storage at the Avon Park Municipal Airport is outdoor tie-downs at the Avon Park Flying Service.

SFJC Swimming Pool To Be Completed April '78

Construction will start on an outdoor Junior Olympic-sized swimming pool in the near future at South Florida Junior College. Preliminary drawings have been made by Murphy & Associates of Orlando. The pool, which has received funds of $100,000 from the State, should be finished by the end of April, 1978. The pool will have a 25 meter length and a diving board.

Swimming classes will be held at the new pool beginning with the next fall term. A swimming team is being considered by college officials. In order to get an approval for the team the Student Government Association, the Student Budget Activities Committee, and the Board of Trustees must agree to the plans. The pool will be located between the Physical Education building and the parking lot.

Library Addition and Gym

Wilford J. Beumel, South Florida Junior College Vice President, said that the college has made plans for a library addition and a gym. The proposed two-story library addition and a gym. The proposed two-story library addition will be a project set for by next year will be located between the Physical Education building and the Art building.

Red Devils To Face Miners In Homecoming Game

FRED MIXON (44) Clewiston, gets a soft landing on David Sisemore in the first quarter last Friday night. Mixon intercepted Sisemore's pass and after a runback of 10 yards he was tackled by Sisemore. Sunphoto by Tom Flemming.

The kicking toe of Clewiston's Danny Miller and a Tiger defense that held Avon Park's Flying T offense to 149 yards of rushing, combined to hand the Red Devils a 30-12 defeat here at Memorial Field last Friday night. Miller booted three field goals and three extra points to score as many points as Avon Park was able to put on the board.

It will be homecoming for Avon Park this week when the Fort Meade Miners invade Memorial Stadium looking for a Heartland Conference and a District 13 victory. All week the Red Devils have been involved in homecoming activities. The homecoming parade is set for this afternoon (Thursday) at 3:30 p.m. The queen crowning ceremonies will get underway at Memorial Field at 6:45 p.m. as the 1976 queen, Sherri Collier, crowns the 1977 senior girl chosen to reign over the evening's activities.

The game this week is a must for both teams. The Red Devils have lost one District 13 game to Mulberry, but the Miners and the Panthers have not yet played. A win by Avon Park would keep hopes alive for a tie for the district championship. However, the Fort Meade team has a 5-1 record losing only to Class AAA Bartow. Avon Park is now 3-3 having lost three of the last four games.

Two costly mistakes by the Red Devils set up a touchdown and a field goal for Clewiston in the first quarter of the non-conference game last Friday night. The Red Devils lost a fumble on their own 43-yard line midway in the first period and the Tigers took just five plays to score. A fifteen yarder against Avon Park aided the Tiger cause. The touchdown came on a 13-yard pass play from quarterback Rick Redish to end Fred Dunbar. The extra point was kicked by Danny Miller.

Three plays later, Tiger Fred Mixon intercepted a Devil pass at the Avon Park thirty and ran it back to the thirteen. The Devil defense held for three downs, but on fourth down, Miller kicked a 27-yard field goal to put Clewiston out front 10-0.

Avon Park bounced back in the second quarter to put 12 points on the scoreboard. The Devils drove eighty yards for their first TD. A twenty yard pass from David Sisemore to Freddie Williams kept the drive alive. On fourth down at the Tiger 35-yard line, Devil halfback Jeff Adams took a reverse hand-off and came around left end to scamper the distance into the end zone. Adams did some fine broken field running eluding several Tiger tacklers to score the TD. The kick for the extra point by Jamie Dennis, was just wide.

The second Avon Park TD was set up by a 34-yard pass play from Sisemore to Adams. Again Adams exhibited his ability to run in the secondary as he took a pass over the middle and cut through the Tiger defense to advance the ball to the Tiger five before he was pushed out of bounds. Rufus Wilson drove to the one and then was stopped cold. On third down, David Sisemore kept the ball and slid off a tackler to go in for the score. A fake kick and a pass attempt for the two point conversion was no good as Decaris Jones tried to hit a Devil in the end zone. The first half ended with Avon Park leading 12-10.

The second half belonged to Clewiston. The Tigers came out of the dressing room and marched sixty-four yards for a touchdown after a fifteen yard kick-off return by Jimmy Pittman. just five running plays were needed to put the six points on the board. Fred Mixon scored the TD on a 28-yard run and again Miller's kick was good for the seventh point.

The fired up Tiger defense, stopped the Devils cold on the next possession, driving them back for a six yard loss and forcing the short 25 yard punt to the Devil 39-yard line. Clewiston moved to the Devil seventeen before they were stopped and Miller booted a 34-yard field goal to put the Tigers out front 20-12.

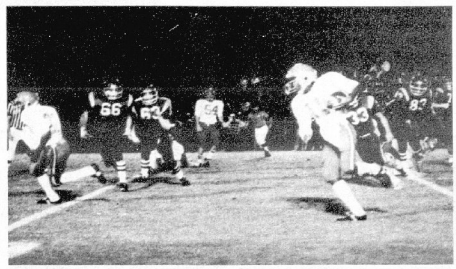

Late in the third period, Clewiston started another scoring drive from their own thirty-one. This time, stopped on third down at the sixteen, Danny Miller was called on to kick his third field goal. This last one was a 33-yard effort by the outstanding kicker.

Avon Park, trailing by 23-12, went to the air, leaving the ground game of fullback Rufus Wilson who had picked up 100 yards already, Nathaniel Ross picked off a Devil pass at the Avon Park twenty and raced untouched into the end zone for the third Clewiston touchdown. Of course, Miller's kick was good, so Clewiston had a 30-12 advantage.

The Red Devils never got past their own thirty yard line the remainder of the game as Clewiston defenders picked off two more passes. Wilson carried the ball only three times in the second half of the game in spite of the fact that he picked up 41 yards with those three totes. The hard running fullback gained over 100 yards for the sixth consecutive game of the season with just 17 carries.

Jeff Adams had his best offensive game of the season rushing for 45 yards with 4 carries and catching two passes for 57 yards. Adams was chosen the Red Devil player of the week by the Avon Park statisticians.

Both teams picked up 9 first downs but Clewiston rushed for 210 yards to Avon Park's 149 although the Devils got 86 yards through the air while the Tigers passed but had 4 intercepted. Clewiston completed 3 of 6 with none intercepted. Both teams lost one fumble. The Devils punted four times for a 21 yard average. The Tigers punted twice for a 34½ yard average. Avon Park drew 8 penalties for 73 yards and Clewiston was penalized 9 times for 75 yards.

SKIRTING LEFT END on his way to a 35-yard TD jaunt is Red Devil halfback Jeff Adams. The speedy Devil runner zig-zagged through the entire Clewiston secondary to score the first Avon Park touchdown last Friday night. Clewiston won the game, however, by a score of 30-12. Sunphoto by Lew Miller.

Jayvees Take Win For 4-1 Record

The Red Devil junior varsity football team outclassed the Mulberry jayvee squad last Thursday night here at Memorial Field to take a 30-14 victory and set a 4-1 record with three games left on the schedule.

Tonight (Thursday) the Avon Park "Bees", coached by Hoppy Rewis and Don Sisemore, will host the Frostproof Bulldog jayvees here at Memorial Field in a return game. Avon Park defeated the Bulldog "B" squad 6-0 in an overtime period last time the two teams met in Frostproof.

Last Thursday night the Red Devil junior varsity rushed for 198 yards and passed for 36 yards to dominate action in the game against the Mulberry jayvees. Tailback Carl Wingate carried the ball 25 times for 138 yards to average 5.5 yards per carry. The freshman back also scored a touchdown and an extra point.

In the first quarter, Avon Park drove down to the Mulberry nine yard line before being driven back and giving up the ball on downs. The Devils held on defense and had another shot at scoring from the thirty in the first period but couldn't get cranked up on offense.

The Panthers took over at their own thirty and marched down the field for an early second quarter score. A run around left end by a Mulberry back was good from 12 yards out and the Panthers led 6-0 as the run for the two point conversion was stopped short of the goal line.

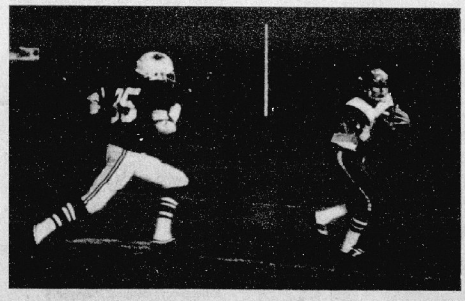

After an exchange of punts, the Red Devils got the ball on their 43-yard line. Halfback Gerald Jones picked up sixteen yards with two carries. Then on second down, from the 42-yard marker, quarterback Charlton Weathers dropped back and heaved a long bomb to tight end Ricky Derkman, who gathered the pass in and raced to the five yard line before the Panthers brought him down. Carl Wingate drove to the one, and then scooted through the middle of the line for the TD that tied the score at 6-6. David Hardy ran in the ball for the two point conversion and Avon Park took the lead 8-6.

The Red Devil "Bees' scored twice in the third period. They drove 52 yards for the first score with quarterback Charlton Weathers sweeping around right end for the last four yards and the TD. A pass from Weathers to tight end Chris Collins was good for the two points setting the score at 16-6.

A few minutes later, Chris Collins intercepted a Mulberry pass at the Panther 25-yard line and ran it to the twenty. Carl Wingate burst through for a twenty yard scoring run on the very first play from scrimmage and Avon Park was out front 22-6. A pass for the points after was intercepted.

The final Avon Park touchdown came late in the fourth quarter. Moving from the Panther 45-yard marker, Avon drove down the field on the ground with short gains until they reached the thirteen. Then Wingate shot through the line again and headed for the goal line. However, he fumbled the ball just before he crossed the line and the ball rolled into the end zone. Devil halfback Dwayne Council fell on the ball for the touchdown. Wingate ran it in for the two point conversion so the score moved to 30-6.

Rewis and Sisemore cleared the bench of reserves for the last Panther offensive drive. The Mulberry boys moved quickly down the field and scored on an eighteen yard pass play. The pass for the extra points was also good leaving the final score 30-14.

RED DEVIL TIGHT end Ricky Derkman caught this pass from Charlton Weathers and got to the five yard line before Mulberry's number 35 threw him out of bounds to set up the first junior varsity TD last Thursday night here at Memorial Field. The Devil "Bees" won by a score of 30-14 for their fourth victory of the season. Sunphoto by Tom Flemming.

ChampionshipOn Line In Thursday Meet

The Heartland Conference Cross Country Championship will be on the line today (Thursday) at 4 p.m., in Wauchula for the defending champion Avon Park Red Devils. The Red Devils have won the conference title the last two years.

The Arcadia Bulldogs enter today's contest as the favorites to dethrone Avon Park team. The Bulldogs have defeated the Devils by 34 and 8 points respectively in two previous outings this season. Fort Meade, Sebring and Hardee will also test the Devils in today's contest over the fast 3.0 mile Wauchula c..cuit.

The individual champion for the 1977 Heartland Cross Country Championship should come from among the following : Ed Gruber of Arcadia, Mike Conners of Hardee, Mike Harnage of Sebring, or Alan Portis of Avon Park. Former Red Devil Alphonso Williams captured top conference honors in both 1975 and 1976. Portis is expected to get help from Devil teammates Jerry McKenzie, Mark Myers, Tim Salter, Tim Cribb, Craig Skipper, and Mike Knight.

A week ago Tuesday, Oct. 18, the Red Devils lost a narrow 26-29 decision to the Clewiston Tigers. Red Devil captain Alan Portis finished behind winner Scott Sheffler to lead the Avon Park finishers. Jerry McKenzie came in third and Mark Myers crossed the line fifth to provide ample help for Portis, but Tim Cribb and Mike Knight finished ninth and tenth respectively to allow Clewiston to edge the Devils in team score.

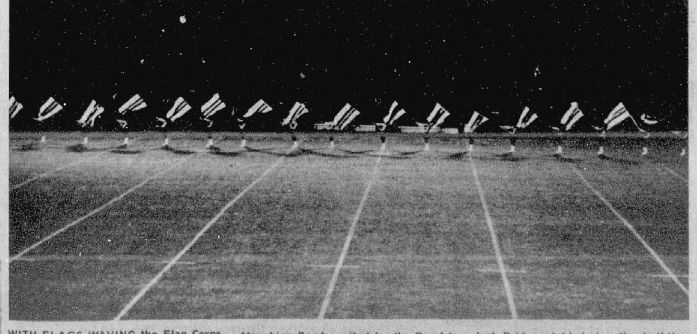

Last Thursday afternoon, the Devils cancelled their meet with Frostproof and took on the Arcadia Bulldogs instead. This proved to be another narrow loss for the Devils as they fell by a 23-32 total to a team that had whipped them by a large 34 point margin earlier in the season. Ed. Gruber of Arcadia won top honors in 16:03, but Devil Alan Portis showcased his rapidly improving talent just a step behind with a 16:04 timing. The fine performance by the Avon Park junior was a personal best for the hard working team captain.

Jerry McKenzie with a fifth place time of 17:30 and Mark Myers with a sixth place 17:37 gave their all in the Devil upset attempt. Tim Salter, who placed ninth in 18:49, got below the 19:00 minute mark for the first time this season. Tim Cribb's 19:08 effort earned him tenth place honors. Mike Knight and Bill Porter captured eleventh and twelveth places to close out the varsity performance.

"We were not able to out-do either of this week's opponents because of our fourth and fifth man's positions", moaned Coach Chet Brojek. "The conference championship means a heck of a lot to all of us, and you can bet that the Red Devils will give it their all today. If Arcadia does win, they will know they have been in a tough fight."

Sisemore Takes Golf Tourney

Avon Park High School Science teacher Don Sisemore won the October Educator's Golf Tourney at Sebring Sun'n Lakes last Saturday with a 74 gross and a 70 net score.

John DuPriest, Jr. and Joe Baker, both of Avon Park, tied for second place in the first flight behind Sisemore with 73 net scores. DuPriest shot a 76 gross and Baker finished with a gross 84.

The second flight was won by Fred J. Sandlin, driver education instructor at A. P. H. S. with an 84 gross and 67 net score. Avon Park retired teacher Jim Martindale took second place honors in the second flight with a 68 net, 95 gross score.

The next Educator's Golf Tournament will be held on Saturday, Nov. 19, at Harder Hall. Anyone connected with the school system may contact Fred Sandlin to enter the monthly meet.

Range Open For Muzzle Loaders

The Avon Park Air Force Range will be open for muzzle loading hunting Saturday and Sunday, Oct. 29 and 30 beginning at 5 a.m., Saturday and will close at 8 p.m., Sunday.

The recreational area will be open for camping Saturday night, Oct. 29 only.

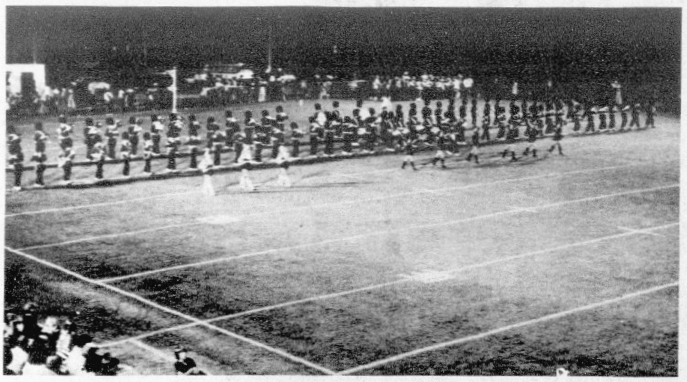

All parties are reminded to check in and out of the Florida Game and Fresh Water Fish Commission Check Point located at the Main Gate of the Air Force Range. Please confirm these times prior to arriving by calling 453-3527 or 452-4195.

Starting Wednesday or Thursday of this week, hunters, or anyone wishing to use the recreation areas may call 452-4225 at any time for the latest information as to when the Bombing Range will be open for recreation or hunting.

The 24-hour taped answering service, not only will have the opening and closing times at the range, but will include other pertinent information. However, the tape recording cannot be used to answer questions of the caller.

Hunters Bag

On the weekend of Oct. 22 and 23, 844 hunters attended the Muzzelloader Hunt at the Avon Park Bombing Range. The game taken included 22 deer, twelve hogs, five turkey, 22 squirrel, and one rabbit.

Middle School Girls Take Fourth Softball Win

The Avon Park Middle School girls slowpitch softball team won its fourth straight game last Thursday afternoon in Wauchula when it defeated the Hardee Middle School girls by a score of 16-15.

Hardee threatened to upset the Avon Park team when the Wildcat girls scored nine runs in the bottom of the seventh inning before three outs were finally made by the Red Devils.

Today (Thursday) the Avon Park team will play Sebring here at the Little League Field at 4:15 p.m. There is a possibility of a change in the starting hour or the game may have been played on Wednesday due to the Avon Park High School Homecoming Parade which is set for 3:30 p.m. today. Next Thursday afternoon the Avon Park Middle School girls will close out the six game schedule with a home game against Lake Placid.

Over in Wauchula last Thursday afternoon the Avon Park girls jumped off to a six run lead in the top of the first and held an 11-2 advantage after two innings of play. Wauchula scored three runs in the bottom of the third to close the gap to 11-5. Then the Middle School Red Devils added three runs in the fifth and two more in the sixth inning.

Wauchula scored one run in the bottom of the sixth and then the big seventh inning came along. The Wauchula girls, with two outs, took advantage of Avon Park errors and walks to score nine runs. Finally, a Wauchula runner tried to go from second to third with the ball being scrambled in the Avon Park infield. A Devil infielder tossed the ball to the thirdsacker, Linda Knight and she put the tag on the runner for the final out to preserve the victory and the Avon Park team remained undefeated.

Coach Norma Hawk and Coach John Russ had all the Avon Park players into the game with the exception of Nina Dennard who had played the previous week.

Coach Russ commented after the game, "In the seventh inning, we just went crazy with mistakes, but we got lucky and won the game anyway."

Hutchinson Finishes 26 Mile Rice Marathon

The Rice Festival Marathon proved to be a good test for local Highlands Runner Club member Pep Hutchinson last Saturday in New Orleans. Although Pep ran three hours and 54 minutes, he felt that the experience gained in his second marathon contest will help him in his quest to break three hours.

Hutchinson felt several factors led to his slower than expected time. For one, the weather was much warmer and more humid than expected with temperatures in the mid to upper 70's. Pep had hoped that 50 degree temperature would be available in New Orleans at this time of the year. The second factor probably was Pep's fast start. He ran his first five miles in 30 minutes and the first ten miles in 68 minutes. His time at the 22 mile mark was three hours and one minute. Once it was clear he could not break the magic three hour mark, it became simply a matter of finishing the contest.

"I felt much better after this race than I did after Boston last spring," related Pep by long distance from New Orleans. "The race had over 700 starters and Barry Brown, who ran the Lake to Lake in Lakeland, won the overall championship with an excellent 2:22 time."

"I'm going to continue with my training and run either Melbourne on Nov. 26 or the Orange Bowl Marathon on Dec. 26 in order to qualify for Boston 1978," Pep promised.

Volunteers Needed For Boys Flag Football By Rec Department

The Avon Park Recreation Department is looking for several volunteers to coach a boy's Flag-Football team. The season will be starting soon, and coaches will be assigned before the tryouts on Nov. 17. This league is made up of four teams of 9-12 year old boys. Anyone interested in coaching one of the teams, please call Dennis Guenter at the Recreation Center, anytime after 3 at 453-6881.

Last year the league had 42 boys involved in a sport which is not quite as competitive as tackle football, but is just as much fun. Hopefully, some of last year's standouts will be returning to add a little experience to the league.

There should be only a couple pratices per week before the season starts in December, then each team will play just once per week (Either on Tuesday or Thursday). The coaching responsibilities should not be that time consuming. All games will be played at 4 p.m.

Tryouts for the league will be Nov. 17. A special meeting of all coaches will be held at the Recreation Center on Tuesday, Nov. 15 at 7 p.m.

Sports Barbecue To Aid Teams

The second annual Avon Park High School Sports Bar-B-Que will be held at the concession stand in the southwest corner of Memorial Field tomorrow (Friday) night from 5 to 7 p.m. Tickets may be purchased from any cheerleader, boys basketball player, or boys and girls golf team members. A call to Avon Park High School office will even have tickets delivered to persons wishing to take advantage of the supper.

The meal of bar-b-qued chicken (a half), baked beans, cole slaw, roll, and drink will cost $2.50 per plate Those who cannot pick up the meal at the football field may be have it delivered around five o'clock if requested.

The Bar-B-Que will benefit the three A. P. H. S. sports groups. Since this week is homecoming for the Avon Park football team, festivities will start at 6:45 p.m. for the homecoming queen crowning. Fans and parents may eat at the field and enjoy the show before the Red Devil-Fort Meade game which will start at 8 p.m.

Coach Fred Sandlin announced that plates may be bought at the field tomorrow night if a ticket has not been purchased in advance.

Racquetball Classes Open For 8

Classes in beginning and intermediate RACQUETBALL for adults will be starting Nov. 7. The classes will be held at the Avon Park Recreation Department's four-wall courts directly behind the Center. They will be on each Monday, Wednesday and Thursday from 5:30-6:30 p.m. for three weeks.

The instructor, Dennis Guenther, says that the class will be open to any adult (17 or over) in the area, that wishes to learn to play racquetball or merely wants to improve on techniques and strategy. There will be a class limit of 8 participants, so register now.

Racquets and balls will be furnished by the Recreation Department, but a fee of $3 per person will pay for the balls used during the classes.

Please call 453-6881 after 3 p.m. to register for this class.

KIDS-YOU MAY ALSO SIGN UP NOW FOR CLASSES TO BE STARTED AT A LATER DATE!

Racquetball is an easy sport to learn and loads of good exercise, so sign-up now! — "JUST FOR THE FUN OF IT!"

Nagging or punishing a child who bites his nails never stops him for very long. It makes him more tense. It's better to try to relieve some of his anxieties.

Tennis Class To Start Nov. 7

There is still room left in the beginning and intermediate tennis classes to start Nov. 7. They will be held on Tuesdays and Thursdays from 5:30-6:30 p.m., at the Avon Park tennis courts. These group lessons will be instructed by Walt Reid.

Learn to play this fantastic sport. You'll be glad you did! Sign up by calling 453-6881 after 3 p.m. The fee is only $10. beginning and $12 intermediate, for 10 one hour lessons.

League To Start

The Avon Park Recreation Department's Men's Volleyball League will be starting next week. If you want to enter a six-man team in the league, call 453-6881 now.

The games will be played each Tuesday or Thursday at 7:30 p.m., with each team playing once per week. Entry fee for the league is $10. per team. There will be two trophies awarded to the top two teams.

Join in this fun Recreation Sport — "JUST FOR THE FUN OF IT!"

Board Meeting

There will be a luncheon meeting of the hospital Board of Commissioners on Thursday, Oct. 27, 1977. Lunch will be served to the board at 12:30 p.m., and the business session will begin at 1 p.m.

EMT Runs

Highlands County Emergency Medical Service reports there were 15 emergency runs, nine in-county transfers and four out-of-county transfers made in Sebring for the week of Oct. 16-22.

During the same period there were seven emergency runs and three in-county transfers in Avon Park, and six emergency runs in Lake Placid.

Pinecrest Golf Ladies In Semi-Final Matches

The semi-final golf matches of the Ladies Handicap Club Championship Tournament were played last week at Pinecrest Country Club. Ginny Fisher defeated Jean Crotty and will play the winner of the Mark Ostling vs Joyce Thompson match. Henretta McLear defeated Katie Utz and Kay Giddens defeated Lena Wright.

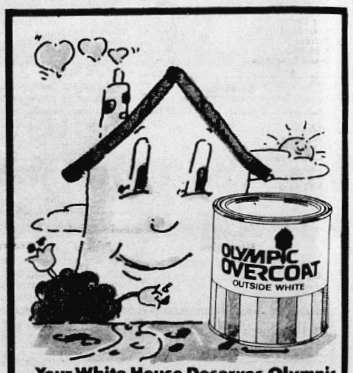

The daily play was low net in two flights. Nell Redd won the first flight with 75, and Edith Martin won the second flight with 73.

Girls Volleyball Begun At Howey Academy

Girls' volleyball at Howey Academy has begun with 25 girls from throughout Florida as well as other states and foreign countries vying for central Florida athletic honors.

Students in grades 7-12 make up two teams on varsity and junior varsity levels to represent co-educational college preparatory Howey in competition against other Florida high schools.

Girls sports are an important part of the Howey athletic program as evidenced by the numerous trophies brought in each season in volleyball, basketball, tennis, cross country, crew rowing and softball teams. In addition, girls are eligible to compete on any boy's team at Howey, and have already been successful in baseball, crew and soccer.

Montsdeoca Named StateChamberDirector

Fred Y. Montsdeoca, president of two companies in Ocala, recently was elected to the board of directors of The Florida Chamber of Commerce, Tallahassee.

Montsdeoca heads both Florida Lime and Dolomite and Florida Lime and Materials Corp.

Election to the board is the latest in a series of honors conferred upon Montsdeoca by the Florida Chamber. He was recently appointed co-chairman of the chamber's Agri-Business Division, specifically representing the agricultural suppliers segment of the agriculture industry. He has accepted an invitation to continue as chairman of the Members Relations Division, responsible for serving the Central Florida Region as chief contact for advise, counsel and support of local member relations activities.

Montsdeoca, who served as president of the Agribusiness Institute of Florida for two years, remains on the Institute's board of directors. He also is a member of both the board of directors and the executive committee of the National Limestone Institute, headquartered in Washington, D. C.

He is agricultural representative of the Energy Task Force of the state chamber, a member of the Regional Energy Committee of the State of Florida Department of Administration and a member of the SHARE Council of the University of Florida Institute of Food and Agricultural Sciences. He has been on the Agricultural Advisory Council for 12 years. Other memberships include the Fertilizer Technical Council and Florida Blue Key.

Born in Avon Park, Montsdeoca graduated from Avon Park High School and from the University of Florida. He coached both baseball and football at the Citadel in Charleston, S. C., and served as assistant coach at U. F.

The often-honored business leader still retains his interest in organized sports. He serves on both the board of directors and the executive committee of Gator Boosters. He also is a member of Tampa Bay Buccaneers' Advisory Board.

Montsdeoca resides in Ocala with his wife, the former Yvonne Head of Avon Park, and his daughter, Alice.

First Day Issue Stamp Offered At Tampa

Postmaster Robert D. Young announced today that Tampa will be the site of a "First Day of Issue" stamp on Nov. 4, 1977.

The coil version of the .10 stamp is the third in the Americana Series to highlight one of the four freedoms guaranteed in the Bill of Rights. It emphasizes "the right of the people to petition the government for redress of grievances".

Postmaster Young stated that the .10 denomination meets the proposed new postage rate for postal cards expected to be implemenmted in May of next year. The Postmaster said that orders for the first day cancellations should be addressed as follows: "Petition for Redress" Stamp, Postmaster, Tampa, Fla. 33602. The cost is 13 cents per cover, and the Postal Service will affix a "Francis Parkman" 3 cents stamp to meet the rate for first class postage.

All envelopes must be addressed and peelable, return labels are recommended for this purpose. Personal checks will be accepted as remittance for orders up to a limit of 200 covers. He recommended that you do not send cash. Orders for the stamp must be postmarked by Nov. 19, 1977.

Tom Gallen Appointed To Procedures Committee

Sen. Tom Gallen (D-Bradenton) today was appointed to the Joint Administrative Procedures Committee by Sen. President Lew Brantley.

"It is imperative," commented Senator Brantley in announcing the appointment, "that the Legislature aggressively address itself to the inherent problems of an executive bureaucracy which is misusing rule-making authority to establish law. This is the one committee which can best monitor the rule-making excesses and curb the blatant attempts to create substantive laws through rules.

"Senator Gallen is especially qualified for work on this joint committee both because of his legal knowledge and his prior experience on the committee.

"I am confident that the joint committee will continue to use a hard-line approach which has been established under the leadership of Sen. Phil Lewis and Rep. Robert Hector in dissuading the abuses of rule-mmaking authority."

Senator Brantley said that Gallen will take the place of Senator Lewis who recently was named by the Senate President as a member and upcoming chairman of the Joint Legislative Management Committee.

Three Attend 208 Water Quality Conference At Zolfo Springs

Highlands County was represented by John and Alice Johnston of Avon Park and David Batty of Sebring at the 208 Water Quality Management seminar at Pioneer Park, Zolfo Springs last Saturday and Sunday. Several hundred people representing counties from throughout the state of Florida also attended the weekend seminar.

The nickname of 208 comes from Section No. 208, which allowed funding for a clean water plan in this nation.

The overall plan designated an amount of over $10 million to promote and carry out a management plan for clean water in Florida.

The key word for the weekend gathering was to encourage public participation in planning the clean up of our lakes, rivers and streams to make them fit for the many uses by people.

County representatives gathered samples of water from Peace River (characteristic for its problems with severe pollution in the past) and tested the samples for such things as turbidity, phosphorus and nitrate content, all of which can affect the quality of water.

Noted federal and state environmental authorities addressed the group and explained the goals of the program, how it could be carried out at local levels and the techniques of gathering scientific facts about water and its quality.

Speakers included Jim Duane, executive director Central Florida Regional Planning Council; John A. Little, deputy regional administrator, Federal Environmental Protection Agency; Susan Vogt, public participation specialist, Environmental Protection Agency; John Bottcher, director, division of programs, Florida Department of Environmental Regulation and Charles Lee, vice-president, Florida Adubon Society.

Both Batty and the Johnstons are devoted to helping clean up the environment and making our state a better place to live in and enjoy. They have been active in many organizations, over the years, which are interested in the environment.

Johnny and Alice Johnston of Avon Park are credited with an action which kept one of this county's cleanest lakes from being polluted.

Dave Batty has extended an invitation to all interested groups or clubs in the Highlands area to contact him or the Johnstons for information and speaking engagements to explain the program for involvement of local citizens at this planning stage of the 208 Water Quality Management Program.

The Highlands County members of the Central Florida Regional Planning Council are, Carl P. Arant of the county board of commissioners; J. D. Watson, mayor of Lake Placid; Mary Ellen Ward, planning board and Bill Stephenson of the zoning board.

The Central Florida Regional Planning Council in working towards the goal of saving our water through the 208 Water Quality Management Program reminds citizens who see a water quality problem such as water pollution, discharge violations, and health or safety hazards in the open area's open waters to call "Water Line" at (813) 688-7208.

THE JOHNSTONS, Johnny and Alice discuss with David Batty some of the objectives, of the Central Florida Regional Planning Council, for the next two years. Sunphoto by Lew Miller.

House Of Fright Rated "F"

The "House of Fright" is a successful, frightful, fund raiser for Boy Scout Troop 156.

It all came about in 1973, when Scoutmaster Larry Hooper mentioned to his troop committee, that haunted houses were great fund raisers, and there wasn't one in the area. The Scouts have an old two-story house on N. Butler Ave., which the Congregational Church was letting them use, and would make a perfect haunted house.

The Scouts needed to raise money for new equipment and it was decided by the troop committee to give it a try. Sue and Charles Goodwin took over the responsibility and began work. The Haunted House was opened on one Saturday night and made over $200. Therefore, it was decided the project was worth a try again the next year.

In 1974, troop committee chairman, Gene Statler asked Betsy Smith to be the Haunted House chairman. Betsy decided upon the theme "The Mad Doctor's Haunted House"

The theme centered around the late Dr. Mad, who comes back to haunt the house and its vistors on Halloween. The Haunted House was a howling success and they more than doubled their profits.

In 1975, Mrs. Betsy Smith came up with the idea "House of Fright", and so the Haunted House was renamed.

Last year, Mrs. Smith announced that the "House of Fright" would be rated "F" for Frightful. "It is much too scarey for young children, babies, and impressionable teenagers or adults," said Mrs. Smith.

The Ladies set up a nursery, in the Congregational Church, across from the House of Fright so parents could leave little one's to be chaparoned-free of charge-while they toured the House. They will offer the same services again this year.

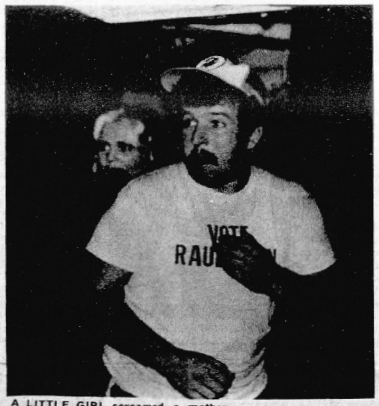

The House of Fright has such things as torture chambers, giant spiders lurking, Frankstein, Dracula in his coffin, a fun-filled maize, a dining room table with a live human head in the center, etc.

Advance tickets will be on sale for 50 cents, until the House of Fright opens its doors on Friday, Oct. 28, ay that time the admission charge will be 75 cents. The Boy Scouts are on the streets selling tickets now. If you can't find a scout, contact, Fred Henly, Ticket Chairman. This is the only event in which the scouts go to the townspeople for donations so please, help a scout, buy a ticket.

Money raised from this event has helped to buy needed scout equipment, such as canoes, backpacks and etc. The money will also help to send some of the boys to camp in Philmont, New Mexico, this summer. While there, the scouts will do lots of camping, backpacking, and mountain climbing in a true rugged atmosphere. Afterwards they will tour the Grand Canyon.

A LITTLE GIRL screamed, a mother chattered nervously, a teen-ager bellowed and a parent gasped in half audible excitement. A high school boy tried to joke away his own strange quivering.

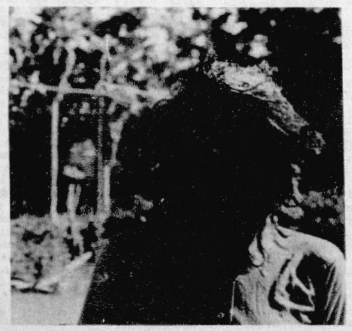

BETSY SMITH SHOWS us some of the heads that will be used throughout the House. She uses styrofoam heads and creates the tortured, burned and decayed effects in several ways. A lit candle to melt, melt, distort and shape the faces, using wax for the bloody effect, and makeup for the decayed look.

After the eyes have been burned out she uses a marble type ball for the eyes and installs lights so that in the dark they will really shine. For their teeth she uses Vampire teeth and sometimes real dog teeth. Mrs. Smith sticks pins, knives, etc. in the faces and for finishing touches, she adds wigs.

Photos And Text

By Betty Amburn And Lew Miller

MOST OF THE work that goes into this project is by talented hard working parents. Such is Dee Fish who works hard to create her monsters.

"It's scarey", "Beautiful", I,, love it", "I'm still shaking", "Get me to the hospital I'm all shook up", were just a few of the comments overheard at last year's opening.

LARRY HOOPER, SCOUTMASTER, Boy Scout troop 156, and their parents have discovered that ghost, vampires, and werewolves are outstanding fund raisers, and they promise to make this years their fifth, better than ever.

"We Dot Not Squirt People Or Put Their Hands In Anything, And Their Clothing Is Not Harmed," Said Betsy Smith

The Ghostly affair will run three nights, starting Friday, Oct. 28 through Sunday, Oct. 30, from 8 p.m. until 10:30 p.m. So if you like thrills and chills, come see us at the House of Fright — if you dare.

Bonnie Brae Mobile Park News

By Margie Wells

Forrest and Lillie Kinney arrived back in Bonnie Brae last week from their home in Fredericktown, Ohio. They were accompanied by their daughter-in-law, Alice, and grandson, Jamie, and also Lillie's sister, Mrs. Grace Spearman. Alce and Jamie have returned to their home, but Mrs. Spearman will remain for a longer visit.

Minnie and Maurice Jones also arrived this week, returning from their home in Springfield, Ohio. It won't be long until all of our friends and neighbors will be here and things will be in full swing again!

Evie and Tom Chockley were in Winter Haven on Wednesday and ate dinner at Duff's Restaurant. Tom says he had always heard how good the food is, and he really believes it after eating there. His appetite is returning, so we look forward to seeing him add a few much needed pounds in the near future.

Margie Wells spent last Wednesday in Winter Haven with her parents, Rev. and Mrs. C. Dennis Harsh. They had dinner at Duff's in celebration of Margie's birthday.

We are sorry to report that Louis Potter is in the hospital and we all wish him a speedy recovery. We are glad, however, to report that Lulu Detrick and Pauline Pelkey are home after being in the hospital and are feeling much better.

Ella Drake would like to thank everyone and express her appreciation for all the kindness shown here in the recent loss of her husband.

Recent callers in the home of Verda Miller were Mr. and Mrs. Carlton Knight of Zephyrhills, Florida.

We had a card from Thelma Miller this week who is vacationing in Hawaii and she said it was the closest place to Heaven that she had ever seen. We know she will be talking for weeks about this trip and we will be anxious to see her again.

Margie and P. D. Wells entertained their son and daughter-in-law, Bob and Carol Wells, from Pompano Beach for three days this past week. They all enjoyed golf at River Greens Golf Course and on Sunday visited Highlands Hammock State Park.

Our coffee hour will be starting Wednesday and we hope we have a good turn-out at 9:30. It's always so much fun getting together, so Ya'll Come!

Scouts Visit Weeki Wachee

Saturday, October 15, Den Troop 156 visited Weeki Wachee and received a Weeki Wachee patch.

The Cubs enjoyed "Birds of Prey', bird show; a boat ride; and most of all the Mermaids. They walked along the Natural Trail feeding deer, donkeys, and goats.

Enjoying the trip, along with the troop, were Den Leader Kaye Rider and Husband Dick, Mr. and Mrs. Lynn MacNeill, and Mrs. Floria Davidson.

Odd Fellows Start Bingo Games Nov. 5

Highlands Lodge No. 74. Independent order of Odd Fellowship of Avon Park, Fla. will start playing Bingo, Saturday Nov. 5, 1977, at 7:30 p.m., at the Recreation Hall across from the Tennis Courts.

We invite all to attend these games as all of the proceeds of these games go toward the helping of the Blind or near Blind and other worth while organizations in this comunity and this area.

There will be different Bingo games this year than what were played before, so there will be more winners per game and more winners every Saturday night. Come and join the Odd Fellows each Saturday night in playing Bingo and having good fellowship. Your attendance will be appreciated and will look forward to seeing all of you each Saturday night starting Nov. 5, 1977.

Publix is the only supermarket in Florida that gives you this choice when it comes to great beef.

Floridians have been enjoying Swift's Premium ProTen Beef from Publix for nearly 20 years. They like ProTen's consistent tenderness.

Swift's Premium ProTen is Heavy Western grain-fed beef that's pretendered with tiny amounts of papaya, a tropical fruit. ProTen has all the good, rich flavor and juiciness fine beef should — and from steaks to less expensive cuts you can count on ProTen to be consistently tender. Tenderness is released as you cook ProTen so it takes less cooking time.

Just try oven roasting a ProTen chuck roast. Tender? You bet.

You'll find Non-ProTen U.S.D.A. Choice Heavy Western Beef at Publix, too.

We're the Place for Beef, so if your choice is Non-ProTen Beef, you'll find it at our meat counter along with Swift's Premium ProTen.

Our U.S.D.A. Choice is Heavy Western, grain-fed beef, well-marbled to give it all the qualities fine choice beef steaks and roasts should have.

Have a favorite cut? If you don't see it, we'll cut it for you. Just ask us.

Whether you select ProTen or Non-ProTen, you'll be getting beef that's carefully trimmed to ensure juiciness without leaving excess fat or bone. And you'll be getting beef with the Publix guarantee. If you're ever disappointed in one of our roasts or steaks, tell us about it. We'll replace it or refund your money. As simple and cheerfully as that.

Just look for the label. At the Place for Beef, you'll now find all packages clearly labeled with the cut, weight and whether it's Swift's Premium "ProTen" or "Non-ProTen U.S.D.A. Choice." The choice is up to you. And Publix is the only supermarket in Florida that gives you this choice.

In Florida, Publix is the place for beef.

Family Doctor Attends Medical Meeting

LAS VEGAS — Dr. B. C. Ostling, M. D. of Avon Park, Fla., attended the 29th Annual Scientific Assembly of the American Academy of Family Physicians in Las Vegas. The medical meeting began October 10 and ran through October 13. More than 3,000 family doctors participated in this once-a-year continuing education conclave.

The local physician, who is a member of the Academy, heard nationally-known speakers discuss up-to-date health care topics. He also had an opportunity to attend clinical seminars on approximately 30 different subjects and visit some 100 scientific and 300 technical exhibits.

Subjects covered in this 4-day scientific session were of immediate interest to family doctors both in their everyday practices and in their continual endeavors to keep abreast of the latest advances in medicine. This year, topics include legal problems in medicine, high risk pregnancy, hypertension, breast and skin cancer, and sports medicine.

The Academy, headquartered in Kansas City, is the nation's second largest medical association. It was the pioneer among medical organizations in requiring its members to take continuing education. Its 38,000 members must complete 150 hours of mandatory continuing study every three years.

Pvt. John Johnston

Johnston Plans To Be Paratrooper

Pvt. J. Johnston, son of Mr. and Mrs. C. John Johnston, Avon Park, has recently enlisted in the United States Army. John, a 1975 graduate of Avon Park High School, entered the Army as a Photography Specialist.

According to Sergeant Persinger of the Sebring Recuiting Station, John received his basic training at Fort Leonard Wood, Missouri. He is now at Lowery A. F. B., Denver Colorado, receiving his advance training in photography. After completion he plans to become an Army paratrooper.

John was employed by Winn-Dixie prior to his enlistment.

Sp.4 James Johnston

James Johnston Recommended For OCS

Specialist 4 James (Tom) Johnston, son of Mrs. C. Johnny Johnston, Avon Park, has recently enlisted in the United States Army. Tom, who attended Avon Park High School, has entered the Army as a Specialist in Electronics.

Tom received his basic and advanced training at Fort Jackson, S. C., before going to his first duty station, according to Sergeant Persinger of the Sebring Recruiting Station. Tom graduated from Eectronics, first in his class. He also completed a course in Leadership and rated Expert in Rifle and Grenade.

Tom has been recommended for Officer Candidate School, although he currently has orders for Germany.

Local Civil Air Patrol Unit Attends Bivouc

Cadets from the local Civil Air Partol (CAP) unit Blue Max Composite Squadron attended a bivouc near Sarasota, Oct. 9-9, held by the Sarasota Composite Squadron.

This was a training bivouc with four(4) practice missions scheduled and completed. Training Classes in compass, map charting, communications and emergency first aid service were given by CAP Group 14 officers, and Sarasota Composite Sqd. Senior Officers. Sarasota's cadet officers were in charge of the bivouc and practice missions.

The Blue Max cadets placed first, second, and third in the mile run. They were first in tent inspection and the honor cadet of the bivouc, with only one demerit. Cadet Ringling is also the Blue Max honor cadet for October.

Other Blue Max cadets attending were Cadet Commander Tammy Doane, Wade Bond, Bill Badman, Keith Krekel from Sebring; Flight Leader Bruce Anderson, Flight Leader Alan Hawkins, Harry Maness all from Avon Park, and Flight Leader James Lineberger, from Spring Lake.

Cadets were accompanied by Senior Deputy Commander of Cadets, R. Doane.
