Avon Park Students Score Lowest In County

55% Of Students Pass Basic Math Test

By Mitch Banks

In a special press conference at the Highlands County School Board office on Tuesday, Dec. 13, Dr. Dan Davis, Highlands County School Superintendent, announced the results of the Functional Literacy Test which was taken by eleventh graders in Highlands

County. Of the three public high schools in Highlands County, Avon Park High School, Sebring High School, and Lake Placid High School, 65 percent of the students passed the math portion of the test, while 91 percent passed the communications (reading) part.

In a school-wide breakdown, Sebring

held the highest passing percentages in both categories, with a 74.3 percent in math and an outstanding 96.5 percent in communications. Avon Park High School was lowest in both standings with only 54.6 percent passing math and 86.1 percent passing communications. Lake Placid High School held the middle spots with 61.2 percent in math and 88.5 percent in communications.

Dr. Davis feels that the main reason for low over-all scores in the math portion, in relation to the higher communications scores, is the fact that the students are required to read the problems, think about the solution, and then apply learned skills.

Another reason for the low scores is that a large number of Educable Mentally Handicapped students, Learning Disability students and students whose native language is other than English. If these students are excluded from the failing percentages, the scores are raised to 67.6 percent passing in math and 94.5 percent passing in communications.

If the Educable Mentally Handicapped students, and the Learning Disability students were eliminated from the school-wide failing percentages the results would look like this: Avon Park High School with 13 excluded from 187 tested in math, 58.7 percent passed; while if 12 were excluded from 187 tested in communications, 92 percent passed. At Sebring High School, there were a 76.3 percent passing rate in math with seven excluded from 256 tested and a high 90.1 percent rate in communications with four excluded out of the 256 students tested. Lake Placid High School carried a 63 percent passing rate with four students excluded from 139 juniors tested, and a 91.1 passing rate in communications, again with four excluded from the 139 students tested.

These figures are not considered, however, because of state law requiring exceptional (Educable Mentally Handicapped and Learning Disability) children be included in the district and school totals to help estimate state funding and grants for remedial aides.

According to Dr. Davis remedial services are now offered to all those who did not pass the Functional Literacy Test. The county has been allotted \$575,000 this year for remediation purposes. A bill in congress has provided \$10 million in funds for remedial aides, so that students will benefit from their high school education.

Les Watson, Avon Park High School's principal, states that he feels strongly about letting the Educable Mentally Handicapped, Learning Disability, and foreign language students take the tests if the student and the student's parents feel that it would benefit the student. In some cases passing the test could help the individual both emotionally and physically, by overcoming disabilities.

As of June, 1978, which includes this year's junior class, in addition to other

state requirements each student must pass the Functional Literacy Test in order to receive a diploma. Those who do not pass the test but meet all the other requirements will receive a certificate of attendance. Each student will be given three opportunities to pass the test before their class graduates. A different type of test is being given to the third, fifth, and eighth grades for instructional measurements.

In earlier times, the main learning emphasis has been on reading, but now with today's modern math, more and more students are having problems with math. According to Dr. Davis, about 20 percent of the students can fully

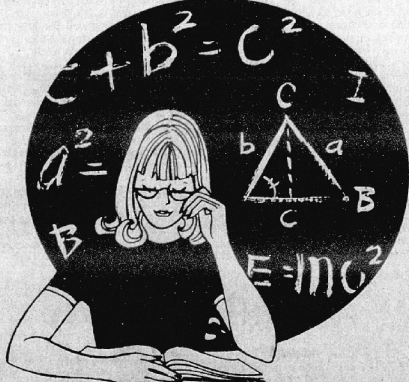

understand and do good in the new mathematical techniques, while the remaining 8 percent still have difficulties interpreting the abstract views and ideas.

Other states have had this kind of test in experimental series. These states, which include California, New York, Colorado, have found that the tests work well in planning for remedial aides for the students. They are now being used as regular scholastic requirements similar to those adopted by the Florida schools.

The tests are provided by an educational firm hired by the state's Department of Education. The Department of Education has contracted Westinghouse Learning Resources, of

Iowa City, Iowa, to analyze the results of the test. Since each student is allowed three tests while in high school, the exams are changed to some degree at each test date. According to Dr. Davis there is a 30 percent attrition rate in each test, which will give a completely new test every third date. The next two testing dates will be Oct. 1, 1978 and April 1979.

In summary, Dr. Davis said that he feels that this test has changed the student's and parents' attitude towards school. The high school students have begun "buckling down". This test has made the students aware that they must be able to apply these basic skills learned in high school to every day life.

City To Fight Law Suit Over Airport Lease

With three possible courses of action, the Avon Park City Council chose to fight the Highlands Aviation, Inc. (James Renfro) suit filed against the city and not run.

City Attorney Jack Hancock in explaining the action filed by the aviation company, said it was a suit for a

declaratory judgment and offered three avenues of dealing with the suit, namely: The city could pull in its neck and avoid further confrontation; the city could assert its position and offer to renegotiate the lease or to tell the judge the story and let him make up his mind.

On the matter of attorney fees asked for in the suit, Hancock told the council he is filing a motion to strike the request for attorney fees as this is only proper if the complaint is suing for damages. When Hancock asked the council how to handle the suit, Council President Robert Britt recommended that the council fight it all the way and not run. This appeared to be the opinion of the council members, with one councilman stating the council bent over backwards to help him get started and into his present position.

The suit against the city was filed to determine the validity of a lease entered into by the City of Avon Park and the Highlands Aviation, Inc., on Aug. 23, 1976. The suit by Highlands Aviation also asks for attorney fees and court costs.

Holiday Schedule

Due to the Post Office, banks, state and county offices being closed on the Mondays following Christmas and New Year's, the Avon Park Sun will also be closed. Deadlines for those two weeks have been shortened.

All advertising copy, whether display or classified, must be in by noon Friday, Dec. 23 and Dec. 30.

Social, religious, civic organizations, subdivision and mobile court news must be received here by noon Friday, Dec. 23 and Dec. 30.

"Hard news", will be accepted up until Tuesday noon.

Board Authorizes Change Of Administrative Offices

Using recommendations from two studies, Highlands County School Board has authorized reorganization of administrative office posts.

Final and unanimous approval on the changes, which have been under board review for over two months, came at

Tuesday night's regular meeting. The changes are based on studies made by the state department of education and a private consultant on how the administrative office should be organized.

Superintendent Dr. Dan Davis said he used both studies in compiling the organizational chart.

The new arrangement takes effect Jan. 1.

He said there is still room for improvement in the job descriptions and there will be continuing efforts to refine them. "They will be better, but they are a start."

Board Member Kenneth Grady said many of the descriptions tend to portray the persons now filling the posts rather than the actual jobs to be done.

Board Chairman Mrs. Ruth Davis said the purpose of the restructuring of the staff is to specify what jobs each of the administrators have (some hold more than one position) and make each accountable to the superintendent.

Davis said he would begin to look for applicants for the new posts of transportation officer and vocational education administrator.

The board did not take final action on a proposed agreement with the Avon Park Boosters Association for long term improvements at the football field at Avon Park High School.

A tentative agreement had been

drawn up by James McCollum, board attorney, based on discussions he had with a representative of the association.

The board agreed the association and the band should review the proposal before final board action.

Bids on construction of a new business wing at Sebring High School, new classrooms at Fred Wild Elementary

Police Department To Enforce Downtown Parking

The Avon Park Police Department would like to warn downtown shoppers of the one-hour parking limits which will be strictly enforced during this holiday season.

The purpose for the one-hour limit is to permit more Christmas shoppers access to the downtown shopping centers.

The area which will be watched the closest is from Waycross Street and North Lake Avenue to South Lake Avenue and Pine Street and from Butler Avenue and West Main Street to Verona Avenue and East Main Street, stated Police Chief Bob Brooks.

CITY COUNCIL ELECTION winners, congratulate each other with supervisor Robert Britt (left) and Henry Dennis of elections Jimmy Whitehouse watching. Sunphoto by Lew Miller.

Council Hopes To Change City Population Estimate

Hoping to stir up some corrective action on the University of Florida's population estimates for Avon Park, the city council in their regular Monday night meeting passed resolution 77-15, a copy of which is to be sent to all of the state senators and representatives serving the Avon Park area, the lieutenant-governor and others who might be in a position to investigate the university's procedural methods of arriving at the population figures for the city.

The population of Avon Park since 1972 to 1976 had grown from 7120 to 7,321, according to the economic studies by the University of Florida.

It was reported that in 1976 the formula for estimating population, was changed, with the result that Avon Park suddenly shrank by about 680 people to 7,242 people, to which several councilmen said, "Never." According to the university, in 1977, the city gained five whole people with a population of 7,247, which estimate was formerly rejected by the city.

According to councilmen and City Clerk Malcolm Crews, prime indicators of growth such as building permits, telephone and electric hook-ups, and water meters installed, Avon Park has had a consistent growth throughout this time period and they could see no way that the city had gone backwards in its head count.

Why the great concern over the population estimates? To the city of Avon Park it has meant the loss of approximately \$34,000 in federal and state money that was calculated on the number of people living in Avon Park. A census, similar to the normal 10 year census, would cost the city between \$3,000 and \$7,000, but several councilmen think this would be a reasonable cost to regain the lost grant money. However, the census can be corrected if the resolution fails to obtain corrective action.

Building Board of Appeals

In their discussion of a building board of appeals, the council tabled the matter until their regular meeting Jan. 9, 1978. It was pointed out that this board and the competency board would only meet on call for a complaint, this Councilman David Barefield suggested that it would be an advantage to have members of

other committees on the board as long as they were members of the building trades.

EDA Projects

There were no changes in the projected fire station construction thus no report was made to the council.

On the Lake Isis sewer extension project, Mike McWeeny of Dawkins and Associates told the council that the project had started on time and was about 30 percent completed. A survey problem, that overlapped 12 feet on an easement, was resolved by the two surveyors on the job.

McWeeny stated that the contractor has installed a wet well for the pump station along with 400 feet of gravity flow sewer line. He also said that there will be no tearing up of any paved streets until after the holidays. Chuck Hadley is to be the inspector of the project and will be working out of city hall, Mondays through Thursdays.

How to use the surplus grant money left over from the project brought the suggestions that it be used for a sewer line past an orange grove in the area, which was rejected; put a line along &

U.S. 27 or put a sewer line under the Seaboard railroad track to serve an industrial area.

However it was suggested that McWeeny talk with Roy Taylor about the possibility of cooperating on installing sewer lines in his subdivision.

Well Repairs

On the Winthrop Street well repair bids, McWeeny raised the question of repairing the old 10 inch well or drilling a larger well because of the additional water requirements in the 1980's along with additional storage capacities needed.

According to information from Cornwell well drillers Ltd. Irrigation the well was a half inch out of plumb at 200 feet, while normally a 10 inch pump would be used in a 10 inch casing, rust and corrosion in this case would indicate the use of an eight inch pump to try to replace the capacity of 600 gallons of water per minute. McWeeny stated there was a need to look at long range requirements in the future.

Please see page 7A

Defense Lawyer Illness Delays Murder Trial

A first degree murder trial scheduled to begin Dec. 12 in circuit court here was postponed because of the illness of the defense counsel.

Evelyn Graham 26, is charged with the fatal shooting of her husband, Bobby Graham, at the couple's mobile home on S. Hart Avenue in Avon Park. She was arrested at her mother's home on July 7, a short time after Graham's body was found in the Graham home. Police checking on smoke seen coming from the vent at the mobile home found the body.

An out-of-county lawyer Doug Smith represents Mrs. Graham.

Another felony trial scheduled for this week was cancelled when Ed Davis, charged with auto theft, pleaded nolo contendere.

Housing Survey Planned For City Under HAP

The Housing Assistance Plan Committee (HAP) of the City of Avon Park has announced that a survey of all housing within the city limits would be made during the next six months. A crew of six persons has been employed under a special CETA program to make the study.

The purpose of the survey is to revise and update the study which was made some five years ago. Many changes have been made in housing within the city during that period.

The HAP as it is known, is the basis for decisions of growth in housing to serve the citizens of the community. It is a requirement of the Department of Housing and Urban Development. Avon Park has received grant funds three successive years for the Community Development Block Grant program.

The actual survey will be conducted on a door to door basis by the ladies employed for the purpose. Questions about the structure, the facilities and the persons occupying the residence will be included in the brief questionnaire. All citizens are urged to cooperate in supplying the information as it will just take a few minutes of your time. All areas of the city will be surveyed.

The HAP Revision Committee which will supervise the work is composed of Ora Mitchell, Chairman, Richard Peavry, Vice Chairman, Malcolm K. Crews, Secretary, Tom Tataris and George Gholston. Ernest Sims also serves in an advisory capacity. Mitchell stressed the importance of the survey to future planning and urged everyone to cooperate to make it successful.

Panama Canal Controversy

BY REP. SKIP BAFALIS
President Carter is causing more and more consternation in the United States Senate these days.

As if the Panama Canal giveaway treaties weren't causing enough problems, the President has created another controversy — two United Nations conventions.

With little fanfare and practically no warning, the President signed both the U. N. Convention on Civil and Political Rights and the U. N. Convention on Economic, Social and Cultural Rights. Both jfy in the face of the American tradition.

When the framers of the U. S. Constitution drew up a document to steer a fledgling country through the tough formative years, they had the benefit of years of often-dictatorial rule by King George to guide them. They knew what rights they wanted to protect.

They'd seen colonial homes seized arbitrarily at the whims of a faraway government. And they wanted to prevent that from ever happening again in the U. S.

So our Constitution, in the Fifth Amendment, specifically guarantees, "No person shall be... deprived of life, liberty or property without due process of law; nor shall private property be taken for public use, without just compensation."

Then, just to make sure the states didn't try to go further, the 14th amendment was added.

However, the United Nations doesn't think this right is particularly important. It specifically excluded the right to own property and to be protected from arbitrary seizure without compensation from the list of basic human rights.

This omission was enough to keep six previous Presidents — Truman, Eisenhower, Kennedy, Johnson, Nixon and Ford from signing the conventions. Yet, President Carter signed it, even though the U. N. Convention on property rights in fact was a move to amend the conventions and add property rights, but it was voted down.

So now, the Senate must ratify the President's actions. Hopefully, however, the Senate will hold fast to our traditions and ignore the dictates of a third world-dominated forum.

It will be difficult. The ratification of the U. N. Conventions won't come up until after the debate on the Panama Canal treaties is concluded. There will be a natural reluctance on the part of many to battle the President twice over foreign affairs. But battle there must be.

An individual's right to own property and to keep it is just too important to be tossed away for fear of alienating a President. It's too vital to our way of life to be subjected to the slightest jeopardy. So let's hope the Senate will override the President's indiscretion and come out solidly for individual property rights. If we don't, Fidel Castro will have the last laugh.

After all, haven't we put off normalizing relations with communist Cuba because Castro confiscated U. S.-owned property and paid the owners nothing?

Forward Address For VA's Checks

If you have been receiving Veterans Administration checks and you are moving at the end of the semester, you should leave your forwarding address and notify VA. If you don't, you could miss getting your final check.

The return to post-payment of monthly educational allowances has added a new dimension to VA's ongoing efforts to maintain current mailing addresses of its beneficiaries.

VA checks for GI Bill students' final month of training, or partial month, will be issued on the first day of the following month. Unless the VA and the postal service have received a change of address, the check will be mailed to the address provided by the student during the school term.

The Veterans Education and Employment Assistance Act of 1976 eliminated prepayment of monthly VA allowances for VA trainees effective June, 1977. The last prepayment checks were mailed May 1.

City Awards

Contract For New Garbage Truck

Bids were opened for a new garbage packer body, a new truck and a used tractor during new business part of the regular Monday night Avon Park City Council meeting.

Transat Equipment Co. Orlando, was awarded the contract on a combination 30 yard packer body and truck (Ford LN800) bid for \$20,449 delivered to Avon Park, around July 15, 1978. A \$1200 trade-in allowance was given on a 22 year old city truck.

Other bids were: Industrial Refuse Sales with a bid of \$10,149 for the body with a \$500 trade-in allowance on the old truck and with freight amounting to \$369. International Harvester, Tampa had a truck bid of \$11,613 plus freight. A truck bid of \$12,178-42 plus freight.

The bid price of the garbage body-truck was about \$5000 more than budgeted, however the council stated there was one thing to do! Cut out something else, that was in the way of luxury, as the garbage truck would make money for the city.

The low bid on a used tractor was made by the Peace River Ford Tractor Company. They gave a bid of \$4000 for a used tractor, but gave the city \$2700 credit for 90 percent of the rental charges on tractor, the city was renting making the low bid of \$2700. Crews Equipment Company gave a bid of \$4000 on a Case tractor.

Airport Easement
The council authorized Mayor Marshall Davis and City Clerk Malcolm Crews to execute an easement on airport land for the Florida Power Corporation to install, at a cost of \$1475, an underground electric cable to supply power to the new T-nangers being constructed.

Reciprocal Insurance
City Attorney Jack Hancock reported to the council that he, Council President Robert Britt and City Clerk Malcolm Crews had heard Poe and Company, Inc. propose establishing a reciprocal insurance company for Central Florida cities as most of these had better experience rates than larger cities.

In reviewing the proposal and the instruments, Hancock said, it appeared to be as represented. He said the state's attorney general had given an

opinion that this is a proper function of a municipality.

Based on the 1970 census figures, a charge of \$5 per capita would be collected for a starting surplus of the company. With a 1970 population of 6,712, this would be an investment of \$33,560 of the city. When the city signs a subscription agreement a fee of \$1 per person is to be made. No funds are required at the present time and the city can withdraw later.

The council moved to send a letter of intent to Poe and Company on participation in the reciprocal insurance company.

Mosquito Spraying
It was reported that the city has not sprayed for mosquitoes for the past 8 or 10 years, partly because it was ineffective when the wind blew from mosquitoes into the city from areas like the Bombing Range and partly because of the complaints received about the spray.

Crews reported that the most effective mosquito control was obtained when federal employees came to the city and sprayed all cans, old tires and any thing that contained water.

This raised the question, "Does the city have the duty to spray for mosquito control?" Hancock told the council their action should depend on the advice they received from the state health department. It was suggested that Dr. Hough of the Highlands County Health Department be requested to attend the Jan. 9 meeting.

Recreation Employees
Good men were paid an hourly wage and it was not enough to hold them in the Recreation Department. Dennis Guenther, Recreation Director, told the city council. One went to Casselberry as recreation director. Guenther stated, as he asked that the assistant recreation director job be upgraded by the Civil Service Board.

In asking that the job be reclassified, Guenther stated that the people had college training and degrees and would not stay because of the low pay and the expanded responsibilities. The matter was referred to the Civil Service Board for study.

Vacations
A split vote was taken on the matter of putting in writing a policy that all vacation time must be taken in the calendar year earned. Councilman David Barefield dissented stating some companies permit an employee to carry over one week to give a longer vacation for some special need.

In the discussion that preceded the vote, Richard Peavy told the council that the Housing Authorities had a uniform policy of no carry over of vacation time. Fire Chief Mack Flowers reported that it now takes them all summer to get vacations completed and a week carry over to the next year would create hardships in the fire department.

Long New Year's Eve
Appearing before the city council, Mrs. Lena Wright and Mrs. Rosemary

Prescott requested that theirs and other establishments be permitted to stay open two hours longer on Saturday night because of New Year's Eve. This extended time was approved by the council for all establishments in the city.

Pleasant Street
The county had previously planned to help the city improve West Pleasant Street, however no priority had been placed on the work. Because of it's deteriorating condition, Councilman Kelly Phillips suggested that each councilman contact the district one county commissioner for help on repaving the street.

Police
Mayor Marshall Davis asked the council for authority to appoint extra policemen to work in the downtown business area during the winter months. The employment of a patrolman, using OPS funds for three months to work on traffic problems and shoplifting in the downtown area was approved.

Avon Park Police Department Christmas Card

The Avon Park Police Department would like to wish all a Merry Christmas and a very Happy New Year. We would like to remind the public to be extra safe this holiday season. The Avon Park Police Department will be adding additional patrols and also a special foot beat to provide for this safer holiday.

The downtown shopping area and the Avon Square streets will be watched closely to prevent shoplifting, purse snatching and to help Avon Park shoppers feel safer while Christmas shopping. Women are especially warned to use clutch-purses instead of long, low hanging pocket books to discourage purse snatchers.

Speed limits inside the city will be closely observed and any one caught speeding or driving while intoxicated will be dealt with severely. The Avon Park Police Department would like to serve you this holiday season by making it a very happy occasion and preventing any unnecessary accidents and deaths which seem to be so prevalent during holidays when people are traveling to visit loved ones. I would personally like to thank the citizens of Avon Park for their past cooperation in helping prevent crime in our city.

Sincerely,
Avon Park Police Chief
Robert Brooks

Things Out My Way

Alice Smith

On that hot, summer, Sunday morning, she was twelve years old and all was right with her world.

On Easter Sunday she had been baptized in the impressive rough stone baptistry and was now a full-fledged member of the richest church in town. She wore her best dress and sat quietly in the cc-dimness, waiting for the service to begin.

Cars were parked outside but a generous space had been left vacant for the General, which was proper, of course, since the General had at least a million dollars and paid most of the bills. He owned a limousine but came to church in an open carriage, drawn by a matched pair of chestnut horses. The driver, in plum-colored livery and top hat sat high in front.

By turning her head slightly, she could watch the General marching down the center aisle. He was very short and very fat, with a gleaming bald pate, but gorgeously attired Grey morning trousers, cut-away coat, high silk hat in one hand, gold-topped cane in the other. His new had velvet cushions.

The service began. The professional (and well-paid) quartet sang. The handsome and brilliant Dr. Robert Green began to speak. It was not the usual sermon. He leaned toward the

congregation and said that malicious rumors were being circulated locally regarding the funds raised for the World Wide Movement; rumors which could have been disproved by a man who spent much time in New York City and needed only to call at the national headquarters there for an audited account of these funds. This gentleman had not chosen to do so. There was much more of a confusing nature.

Suddenly, the General was standing in the aisle. His face was scarlet and he was shouting, "You, sir, are a liar — I will not sit and listen to you!" His cane thumped as he stomped to the doors.

Dr. Green pounded the lectern and shouted, "May God forgive you, General, for such conduct in his house!"

The sounds swirled and echoed and she made herself very small and was somewhat frightened. She thought perhaps lightning would strike through the roof.

One might think this was a traumatic experience for a twelve-year old, nurtured in the church since birth and taught great respect for the place of worship.

Not so. She was a practical child. She saw that people were just people whether they rode in carriages or stood in pulpits. She learned early on not to expect too much from anyone and the lesson proved of value all of her life.

Social Security

By Stacey Thompson

Q. This January I plan to go to France for six months. I'm getting Social Security retirement benefits and I'd like to know what I should do about my checks; can they be sent overseas?

A. You can probably have your checks mailed to your foreign address or have them deposited directly in a financial institution of your choice. Contact any social security office as soon as possible. Someone there will be glad to help you make the necessary arrangements for delivering your check while you're away.

Q. My father who's 74, lives with my wife and me because he has a very small income and can't afford to live alone. Would he be eligible for Supplemental Security Income payments even though he lives with us?

A. Your father may be able to get SSI payments, depending on his income and other resources. However, if he is eligible, his payments will be reduced because he lives with you. Just call or write any Social Security office for information on how to apply for SSI.

Q. I'm 17 and have been getting monthly Social Security survivors checks since my father died three years ago. Will these payments stop when I turn 18?

A. Yes, your Social Security checks will stop when you're 18 if you're not going to school full time. However, if you attend school full time and remain unmarried, your checks will continue until you're 22. Social Security will get in touch with you several months before your 18th birthday to find out what your plans are.

Q. I took both parts of Medicare when I started to get my monthly Social Security

retirement checks at 65, but after a short time I canceled the medical insurance part. Now, I've changed my mind and decided I really need it. Can I sign up for medical insurance again during open enrollment or is that just for people who never had medical insurance?

A. Yes, you can sign up for medical insurance, even if you had it once and canceled. The open enrollment period is the first three months of every year and is for people who didn't sign up for medical insurance when they became eligible, and for people like yourself who had medical insurance and canceled it. Just get in touch with any Social Security office during the open enrollment period which begins in January and goes through the end of March.

Human Life Vs. Expenses

Editor:
Is a shame, and no excuse that city officials can compare a human life to the expenses of the city. I am talking about Charles Elder, and encephalitis, excruciating pain and complaints are no reasons for not seeing that mosquito machine, if it needs repairing, repair it. It's like the man with the leaking roof when it's raining you can't fix it, and when it isn't raining you don't need to fix it.

Highlands County Wades Into Federal Flood Insurance

Highlands County has waded into the first phases of a federally supervised flood insurance program.

County commissioners and other officials met with Jim Smith of the Atlanta, Ga., office of the Federal Insurance Administration, Ron Hilton and Glenn Begue, both of the U.S. Army Corps of Engineers in Jacksonville, to discuss the preliminary work needed to draw a comprehensive flood map of the county.

The map, which will take about 18 months to complete, is to be used to set federally subsidized insurance rates throughout the county. The maps will show flood plains for the 10, 50, 100 and 500 year flood cycles.

Buildings located above the 100-year flood plain will be insured at very low rates, while those below the flood lines would have high rates.

The survey, which is to be

taken by the Corps, is to pay particular attention to areas in the county that can be expected to develop within the next few years.

Flooding problems to be explored in the survey include lakes, streams and areas with poor drainage.

Commissioner Chairman C.J. "Buddy" Wise appointed Charles Cullens, administrative assistant, Commissioner Robert Skipper, Gordon Hays Jr., county engineer, Sam Polston, soil and Water Conservation directors, and Jay Sargent, manager of operations for Coral Ridge Properties, to a committee to work with the Corps in preliminary survey work.

The board heard a report from Engineer Hays on the estimated costs of improving roads into the western end of Avon Park Industrial Park. Costs ranged from \$9,285 to \$14,545.

The work would include paving of access roads.

Dr. Ronald Seivigny, representing the industrial park, said the improvements are needed in order to get prospective developers into the area to view plant sites. He said grading of an existing roadway would be of help.

Wise said he didn't see any way the county could pave the road now and suggested the park consult with Avon Park City Council to see what amount they might consider sharing on the road improvement costs.

In another Avon Park road problem, the board heard, but did not take action on a

suggestion from Kelley Phillips Avon Park City Councilman that Pleasant St. be widened.

The street carries a lot of bicycle traffic in addition to a lot of vehicular traffic.

Commissioner Cecil Skipper said the street has been referred to the Florida Department of Transportation for inclusion in its collector roads program.

A letter from the Florida Highway Patrol has been received by the engineering department pointing out there is a safety hazard with autos parked at the Lions Club flea market on Palm Drive. Troopers asked that something be done.

The board agreed to have "no parking" signs posted in the area.

Sheriff Joe Sheppard suggested the signs be posted and persons warned before enforcement begins.

In other activity at Tuesday's regular meeting, the board unanimously agreed to:

— Approve upgrading of two positions in the engineering department.

— Close a portion of East Palm Circle Road in Lake Grassy Homesites to allow residents to beautify a portion of the roadway as an entrance gate to the development.

— Approve a proposed improvement bond for Horseshoe Subdivision.

— Approve a beverage license application for the Shop & Go on Bombing Range Road.

Secretaries Christmas Luncheon

The Highlands County Legal Secretaries held their Christmas Luncheon at the Victorian restaurant on Saturday, Dec. 10. The Victorian restaurant is located at Hendry Sales. The Christmas meeting consisted of exchanging gifts and wishing each other a Merry Christmas and a Happy New Year. Present at the luncheon were Gladys Taylor, Ida Dornan, Jan Howard, Helen Young, Pat Strickland, Rachel Romiraz, and Aurora Sanchez.

RECENTLY FORMED MRS. LOVELLESS fourth grade class at Avon Park Elementary School celebrated Indian Day and dressed for the occasion.

Livestock Producers Warned Beware Of Credit To Packers

Livestock producers should beware of signing a statement that would extend credit to a packer for payment of their products, Florida Farm Bureau President Walter J. Kautz warned Thursday (Dec. 8).

Kautz said some packers have developed a carefully worded statement, that if signed by the producer, would mean the producer was giving

credit to the packer for the cattle the packer buys.

Under the state's prompt pay law, and the recently amended Federal Packers and Stockyards Act, livestock will be paid for promptly and products purchased from the producer will be held in trust against the debt until the bill is paid, said Kautz. However, that trust is only triggered in cash sales of livestock.

If the livestock producer gives the packer credit, the producer forfeits his right to that trust, and if the packer goes broke the producer could have a difficult time collecting, said Kautz. Also, in a credit sale, the packer could take his time in paying the producer. "Often, it's the buyer beware. But in this case, it's the seller beware," said Kautz.

Tri-County Teacher Education Center Sponsors Workshop

The Tri-County Teacher Education Center, serving Hardee, Highlands and Okeechobee counties, sponsored a workshop Thursday for social studies teachers in the Tri-County area. The meeting was held at Sebring High School and the primary purpose was to organize a Tri-County Social Studies Council and determine what children should be taught in the area of social studies, with attention given to consumer-economics and law-related education.

Superintendent of Highlands County Schools, Dr. Dan Davis welcomed social studies teachers, curriculum coordinators and Bill Fine from (HRS) Division of Youth Services. Glenn Odham, social studies coordinator for Highlands County introduced Judge Clifton Kelly, circuit judge of the 10th Judicial District.

Judge Kelly encouraged teachers to teach children responsibility and the consequences of their actions. Children need to be made aware that certain acts may be subject to criminal law enforcement. Hopefully, this could result in a drastic reduction of crimes committed daily in the community.

Judge Kelly mentioned the highly publicized Ross murder case and emphasized a strong

belief that today's juvenile delinquent problems can be lessened by a K-12 educational program in our schools. He made available to the group correspondence received worldwide concerning the Ross murder case.

Wayne Duncan, director of the Tri-County Teacher Education Center, emphasized the need for educators and law enforcement personnel to work together in an effort to reduce crime. Duncan mentioned that there has been some effort in this area.

He said that educators are aware of Judge Kelly's position and commended the social studies teachers for their willingness to discuss ways to make it happen in the classroom. However, it was indicated that teachers may decide that additional training is needed, since educators are not trained lawyers.

In the area of consumer-economics, the consultants present were from the Center for Economic Education at the University of South Florida.

The workshop was conducted with small and large groups, lecture, and use of audio visual materials in the classroom. Topics included:

Development of a curriculum guide for consumer - economics;

teaching economics;

Energy Workshop Held By Tri-County Teachers

Using the resources of the Tri-County Teacher Education Center and its director, Wayne Duncan, the superintendents of schools from Hardee (John E. Terrall), Highlands (Dr. Dan A. Davis) and Okeechobee (Dr. William D. Gardner), sponsored last Wednesday an energy workshop for school board members, district school personnel, principals, food service and maintenance personnel.

Dr. Davis welcomed 65 school personnel to the George Douglass Administrative Bldg. and emphasized the impact of soaring energy costs on the school budget and the need for a conservation program to save tax dollars.

On hand to advise the group were: energy education coordinator from the state Energy Office Rosalyn B. Tillis; director of the Florida Office of Environmental Education C. Richard Tillis; utility manager for Palm Beach County schools Don Chernick; supervisor for maintenance of Broward County schools Leo Butch and utility utilization specialist for Dade County schools Ed Kenney.

Topics at the workshop included electric meter reading, energy management, food service energy tips, involving students in energy conservation, automatic thermostat controls and operations-utilities conservation for principals, administrators and custodians.

Dr. Davis indicated that many of the suggestions for conserving energy have become a reality since being elected superintendent. However, he recognized the need for all school personnel to take an active part in conserving energy. He said it might be a good idea to have an energy conservation committee in each school comprised of an administrator, custodian, food service manager, classroom teacher(s) and students. They could develop an energy conservation program unique to their school and monitor data to determine results.

Duncan said the next step will be to request that the State Department of Education conduct a plant management survey. The survey would provide an in-depth evaluation of effectiveness and efficiency of plant maintenance and operation, of safety and security programs, and the support given these functions. Duncan said he has been in contact with Dr. Rodney F. Allen and Dr. David E. Lahart, of the Environmental-Energy Education Project, Florida State University, about the possibility of teaching a course in the Tri-County area. This course would assist teachers in exploring the nature of energy "crisis", learning basic energy concepts and conservation techniques, and assessing extant energy education objectives.

The Spirit Of Christmas Reflected At Silver Tea

MISS MARY MARGARET Bueche serves mints to Mrs. (Mark) Ostling, at the Silver Christmas Tea, Dec. 9, at the Ted Ward and Mrs. Burton Ostlings' home.

In spite of a very rainy day, the Federated Garden Club of Avon Park had a very beautiful and successful Silver Christmas Tea, Dec. 9, at the home of Dr. and Mrs. Burton Ostling. The spirit of Christmas was reflected in every room of this lovely home on Lake Lotela.

A large Christmas tree, flocked with white, decorated with red satin balls and red lights, stood in the foyer of the home. Guests were greeted at the door by Mrs. Burton Ostling, Mrs. Robert Rulison, Mrs. M. Y. Logan, Miss Mildred Myers, Mrs. S. D. Carlton, and Mrs. T. J. Ward. Seated at a nearby table were Mrs. G. L. Smith and Mrs. H. L. Caffee who invited guests to sign their names in the Guest Book.

In the family room, Mrs. Willard Grace presided over the punch bowl. This room was beautifully decorated with colorful Christmas wreaths, all arranged by the decorating committee, headed by Mrs. O. F. Laye.

Pink roses and carnations were used by Mrs. E. W. Hart and Mrs. W. C. Tughton to enhance the beauty of one bedroom, carrying out the color scheme of that room. Another bedroom was beautifully decorated by Mrs. Grace Boney and she used red poinsettias to carry out the color scheme of this room.

In the dining room, the tea table was eye pleasing with its

silver service and yellow-flowered centerpiece. Mrs. Evelyn Delk, Mrs. Jamie Sawyer, Mrs. Lou Gruse, Mrs. Jane Barben, Mrs. Grace Boney and Mrs. L. R. Fillmore served refreshments at the tea table throughout the afternoon. The adjoining living room was beautifully decorated with brown pine cones, orange and gold arrangements.

There was a lot of activity on the patio where the Plant Mart and Boutique sold their wares. Mrs. Imogene Kelsey and her committee reported a successful plant sale. "The Boutique sold many handmade and homemade articles," said Mrs. G. W. Neubauer, chairman of the project.

Many thanks should go to Mrs. J. R. Heiring and her kitchen committee, as they arranged the platters of finger sandwiches and cookies, and all of these delicious food items were made by club members.

Mrs. Chester Wollack, chairman and Mrs. Peter Boney, co-chairman wish to thank each and every member who gave their time and donations to this event. The Garden Club also wishes to thank all their friends who joined them for this lovely afternoon.

The next Federation special event will be the annual Flower Show which is scheduled to be held February 23 and 24, 1978 at the Recreation Center. The public is invited to attend.

It's Time To Say Happy BIRTHDAY

We wish the following people celebrating their birthday's this week a big "Happy Birthday."

December 16-Gladys Shann, Ruth Clawe, Francis LaFlom, Grace Correll, Timothy Trescott.

December 17-Raleigh Turnbull, Bill Heiring, Mrs. Blanche Hance.

December 18-Sherri Wells, Tess Wooten, Holly Murphy.

December 19-Bonnie Watts, Zaranda Watford, J. C. Copeland.

December 20-Bill Rowland, Sharon Timline, Toni Cason, Pat Heiring, Mrs. Andy Mittle, Jr., Michael Reibauer.

December 21-Fred Reddick, Katie Lou Barryham, Allena Rutz, Kevin Ward, Olivia Smith, Mrs. Frederick Palm, L. D. Smith.

December 22-Roger Gurganus, Joan Holmberg, Myrtle M. Overholt, Leslie R. Norris, Shawn McKinney.

If you have a friend or loved one that will be celebrating a birthday soon, please call us so that we may add them to our birthday list.

"The Story Of Christmas" December 18

The First Christian Church of Avon Park will present "The Story of Christmas," a pageant arranged by Alice Norton Fort, on December 18 at 7 p.m. A moving program of tableau, Scripture and song, the pageant presents the true spirit of Christmas.

Also planned for the holiday season is a "Live Nativity" presented by the youth of the church, located at 1011 West Walnut Street, each evening of December 21, 22 and 23, from 7 to 9 p.m.

Cradle Roll

Mr. and Mrs. Esteban NMN Muro, of Frostproof, announce the birth of a daughter, Josephine Maria, born Dec. 3, at Walker Memorial Hospital, weighing 7 lbs. 1 1/2 oz.

Mr. and Mrs. Jose' Margueto G. Escobedo, of Zolfo Springs, announce the birth of a daughter, Maribel NMN, born Dec. 3, at Walker Memorial Hospital, weighing 7 lbs. 4 1/2 oz.

Mr. and Mrs. Kevin Francis Smith of Wauchula, announce the birth of a daughter, Amanda Marie, born Dec. 4, at Walker Memorial Hospital, weighing 6 lbs.

Mr. and Mrs. Archie LaVerne Wear, Jr., of Avon Park, announce the birth of a daughter, Jennifer Aneline, born Dec. 5, at Walker Memorial Hospital, weighing 7 lbs. 3 oz.

Mr. and Mrs. Kim Eugene Shaw, of Sebring, announce the birth of a son, Michael Dana, born Dec. 7, at Walker Memorial Hospital, weighing 7 lbs. 8 1/2 oz.

Mr. and Mrs. Duane Madison Furliss, of Avon Park, announce the birth of a son, Duane Madison, Jr., born Dec. 8, at Walker Memorial Hospital, weighing 8 lbs. 10 oz.

Mr. and Mrs. Roy Bernard Barnett, Jr., of Wauchula, announce the birth of a daughter, Amanda Nicole, born Dec. 8, at Walker Memorial Hospital, weighing 7 lbs. 12 oz.

Christmas Dinner At The Haynie's

A lovely Christmas dinner party was held at the home of George and Eunice Haynie on Lake Isis Drive, Thurs., Dec. 8. After a delicious dinner, the guests sang carols and enjoyed good fellowship.

Those attending were: Mr. and Mrs. Jack Delaney, Mr. and Mrs. Bob Gay, Mr. and Mrs. Jack Dalton, Rev. and Mrs. Paul Steiner, Rev. and Mrs. Aden Childress, Mr. and Mrs. Ray Wells, Mr. and Mrs. Harmon Atkins, Mr. and Mrs. Earl Haynesworth, Mr. and Mrs. Marshall Davis, Mr. and Mrs. Eaton Knight, Mr. and Mrs. Paul McFarland, Mr. and Mrs. Dan Ruttman.

FFA Christmas Trees On Sale

The Avon Park High School Chapter of the Future Farmers of America has received a shipment of 150, 3 to 6 ft. tall red cedar Christmas trees from Tennessee.

The trees will be sold each day until Christmas at the Agricultural Department, at the rear of the Avon Park High School from 8 a.m. to 3 p.m. They will also be sold at the Avon Square Shopping Plaza and at William Amoco Service Station both on U. S. 27, from 3 to 9 p.m.

The sale price of the trees is \$7.28. The money from the sale of the Christmas trees will be used to repair the tractor used by the Vocational-Agricultural classes and to improve the Voc Ag Department.

Bombing Range Wives Sponsor Parties

On Fri., Dec. 16, the Bombing Range Wives will sponsor a Teen Christmas Party and Dance, for dependents of military at Avon Park Correction Institute employees, ages 13 to 19. The Dance will be held at the old dining hall, starting at 6 p.m. until 11 p.m.

Refreshments will be served. Bring a date and your favorite records.

On Sunday, Dec. 18, at the old dining hall, there will be Christmas party for the children up to 13 years of age. Each parent is reminded to bring a two dollar gift for one of their children. Santa will be at the party to present the children with these gifts.

So please, make sure that your gift is tagged securely, so that there won't be any children disappointed. Refreshment will be served.

DAR Holds Monthly Meeting

Patriots Chapter Daughters of the American Revolution met at St. Catherine Parish Hall on Dec. 5. Mrs. Andrew G. Daigle, chapter regent presided. Mrs. J. W. Ingle chaplain led the devotions.

The summer vacationers several guests and Mrs. W. S. Vorous now residing in Sarasota were introduced and welcomed back.

Mrs. Ralph Koerber, national defense chairman presented a paper, based on an incident concerning the United Nations.

Mrs. James Haynes, program chairman presented the Christ as story.

Christmas music was conducted by Mrs. Mildred McGlone, organist for St. Catherine Church.

Lisa Clifford

Clifford-Davis To Wed January 13

Lisa Clifford and Rodney Davis will be joining their hands in marriage on January 13, at the First United Methodist Church in Avon Park.

Lisa is a 1976 graduate of Avon Park High School, and Rodney is a 1969 graduate of Ridgewood High School, in West Lafayette, Ohio.

The couple will be traveling to Venezuela, South America, after the wedding, as a honeymoon and business trip combined.

TOASTMASTERS MEET DEC. 15

Charles Swan Memorial Toastmasters will meet Thursday night Dec. 15 in the banquet room at Howard Johnsons Restaurant in Sebring. The meeting starts at 7 p.m. with dinner before the meeting. Toastmaster for the evening will be Natalie Patton and Dot Harrell will be the Table Topics Master.

Avon Park To Receive \$40,000 For City Airport

Meeting last Wednesday night, the Avon Park airport committee was informed by letter from United States Representative Skip Riffe that the city would receive a \$40,000 grant from the Federal Aeronautics Administration for the purchase of land for a cleared approach to the southwest end of Runway 4 at the city airport.

In their discussion of the grant it was revealed that the Florida Department of Transportation would allocate \$5000 towards the purchase, with the city contributing \$5000. It was also stated that an agreement to purchase the land had been worked out, with the land owner about two years ago.

The committee debated about the selection of a street off of U. S. 27 South to use as an access route to the new T-hangers being built on the southeast part of the airport. The street would also serve as the main airport entrance should a terminal building be constructed in accordance with the 20 year airport master plan.

West Canfield Street was ruled out as an access route to the airport because it would split a 10 acre tract of land the city owned, that could be used as an industrial site.

The committee turned a deaf ear to the Renfro's (Highland Aviation, Inc.) proposal that the access route be on State Street past his buildings and utilizing a taxiway to be built across his property. The basis for Renfro's proposal was that this route had the least amount of street paving to be done and would be relatively low cost.

West Bell Street was approved as the access route to the airport by the

committee as it did not involve going over private property and it already had clay on the unpaved portion. Traffic was not expected to be heavy over the street at the present time.

Other matters discussed by the committee were: Questioning of Renfro regarding his renting of aircraft, to which Renfro replied that he had notified City Clerk Malcolm Crews and had aircraft rental added to his license.

It was reported that Florida Power Corporation had given an estimate of \$1475 to install an electrical line underground to the new T-hangers.

A complaint was registered with the committee that when the taxiways, past the T-hangers at the north side of the airport were paved there was a drop-off of 2 to 6 inches from the taxiway to the approaches of the hangers.

Several committee members told City Councilman Larry Albright that the city council needed to keep the airport committee informed of what they were doing about the airport stating the only time the council calls on us is when the council is in a bind, get their tail in a crack and start hollering.

Traffic signs are to be placed, the committee decided, at the West Bell Street junction with the unused north-south taxiway and the approaches to the new T-hangers to keep drivers off of active taxiways and runways as a matter of safety.

The Airport Committee wrapped up their business by nominating and electing Gene Swearingin as chairman for the coming year to succeed Chairman Don Serdynak.

Teresa Johnson Walks Again

"It's Just Like Christmas Everyday!" beamed Ann Johnson as she told of the progress that Theresa Johnson had been making since returning home from the hospital, following an automobile accident on May 25.

In three hospitals, Theresa was confined at the Lakeland General Hospital for 82 days, with 22 days in the

intensive care unit. At present she returns to Walker Memorial Hospital for physical therapy three days a week and two days a week for speech therapy.

Coming home in a wheel chair, Theresa started to walking at home in October, progressing a little everyday, said her mother, who explained that as

new avenues of communication were opening in Theresa's brain the progress in walking, arm movement and speech became more pronounced.

Using a walker at first, Theresa was told by Dr. Martin to put it away and walk by herself and has reached the stage where she can walk two miles in an hour.

In January Theresa is scheduled to have her teeth repaired, which she does not look forward to. Speech is a little different as Theresa is having a bit of difficulty with numbers.

"It's just like Christmas everyday," repeated Ann Johnson as she told of

having the world turned upside down and then have a lot of people help get it straightened out and its just like Christmas everyday she said again.

At this time of year it is so much to be thankful for, because of the help of so many wonderful people and she named a few: Her co-workers at United Telephone for starting a fund to help Theresa; the Avon Park Jaycees, connecting the house line to the city sewer main; Anna D. Catanzaro, Highlands County State Rehabilitation Service for assistance and moral support; the CB's plus many, many more for their encouragement, their prayers and their cards.

LEARNING TO WALK again. This was Theresa Johnson's first trip downtown, walking from the car to the Sun office, since the auto accident in May. Sunphoto by Lew Miller.

Wauhup Enters Hospital

Michael George Wauhup of Lotela Park Apartments, Avon Park, was admitted to Walker Memorial Hospital early Tuesday morning following an attack outside Ridge Liquor on U. S. 27 north of Avon Park.

Highlands County sheriff's deputies said Wauhup, 21, was leaving the lounge when two men approached and apparently wanted to fight. One of the men struck Wauhup in the eye and nose and then pulled a knife.

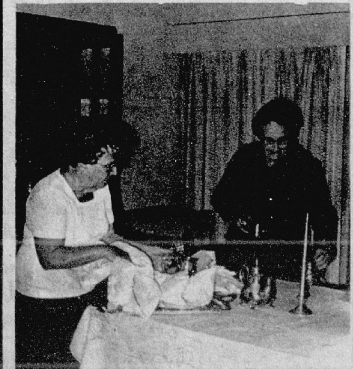

Deputies believe the suspects are from the Frostproof area and investigation into the incident continues.

American Cancer Society Sells Tree Ornaments

The American Cancer Society is sponsoring a fund raising project called "The One On". This year's theme supports the volunteer work selling Christmas tree ornaments to decorate the tree in the lobby of the Highlands County Bank of Avon Park. The beautiful Christmas tree ornaments can be purchased from the volunteers of the Cancer Society at the bank located at 310 W. Main Street. After buying one of the ornaments, you can then place it on the tree where ever you like.

South Florida Junior College Offers Real Estate Course

During the South Florida Junior College spring semester, Real Estate Principles & Practices I will be offered Thursday evenings and Real Estate Principles & Practices II will be offered on Tuesday evenings. Real Estate I is a study of the accepted principles and practices in the real estate field including all facets of the law. The course covers ownership, contracts, titles, deeds, costs, mortgage instruments and other areas important to the real estate salesperson. Successful completion qualifies the individual to take the salesperson's examination. The course may be taken for three hours of college credit or for audit.

Presbyterian Christmas Program To Be Dec. 18

The Annual Christmas Musical Program of the First Presbyterian Church will be held on Sunday, December 18 at 5 p.m. According to John Wright, Director of the Church Choir, the unusual hour was selected to afford members of other congregations the opportunity to enjoy the concert without interfering with their own evening worship services or special holiday programs.

This year's concert will feature not only the thirty voice adult choir, but special dramatics by the Children's Choir. One selection will feature the adult and children singing as two separate choirs. The adults will be singing the message of Advent as recorded in Luke 2 of the King James Version of the Holy Bible, and the children will sing the familiar Silent Night, Holy Night.

The feature presentation of this year's concert will consist of the adult choir, augmented by a brass ensemble from the Avon Park High School performing the Cantata, "LOVE TRANSCENDING" by John W. Peterson.

This musical work was inspired by a desire of publisher Alfred B. Smith to publish a Cantata for the Christmas season that would not only be a good testimony but would transcend the materialism which many associate with the birth of Christ, and bring to us the real meaning of Christmas. "Love Transcending", seems to have accomplished both of these desired qualifications. Musically, Mr. Peterson has done an inspiring piece of writing. Textually, the real meaning of Christmas has been dramatically, yet simply unfolded. At the time of publication of this work Mr. Peterson said, "Transcending love is the very heart of the Christmas story. It was God's great love for a sinful world that caused Him to conceive and then enact a Bethlehem and finally a Calvary. As we read in John 3:16 God so loved the world that he gave his only begotten Son that whosoever believeth in Him should not perish, but have everlasting life." As I

prayerfully considered this thrilling truth the music for the main theme began to form in my heart. Before long I was writing the notes down on paper, using the great John 1:14 passage as a backdrop to the actual story, and ending with the glad angelic announcement of "peace on earth and good will to men."

So once more this season we come to consider the manger and view the Babe lying there. May we fully realize that we are looking at God Himself... clothed in mortal flesh! And may our hearts as never before be gripped with the incomparable wonder of the incarnation and of the Love

Congregational Church Presents A Candlelight Christmas Cantata

The Choir of United Congregational Church, 105 North Forest Avenue, Avon Park invites the public to attend the presentation of the Christmas Cantata "Noel, Noel" on Sunday, December 18, at 7:30 p.m. The cantata presents the scriptural story of the birth of Jesus Christ in choral composition.

The reader for the service is Mrs. Keith Debo, the featured

Transcending back of it. This will be the twentieth year of presentation for this work, which has been dubbed the "note of the most beautiful ever written by Mr. Peterson. Soloists for the concert will include Grace Brown, Mary White, and Don Tibbitts. Pianist will be Mrs. Graydon Rion, and the organist Mrs. E. W. Albrecht.

A voluntary offering will be received for the children in Pakistan. If the literacy program is not expanded many Pakistanis will never be able to read.

The public is cordially invited to come and enjoy this seasonal event.

solist is Mrs. Evelyn Jones, Mrs. George Ratzmann in a recitative, the church Handbell Choir and Mrs. Clayton Rhoades as organist. The Cantata is under the direction of Mrs. C. Joseph Delk, church Choir Director.

The Congregational Church cordially invites you to attend this inspiring Christmas Cantata by Noble Cain.

United Methodist Women Held Monthly Meeting

The United Methodist women held their regular monthly meeting, Tuesday morning, December 13 in Wesley Hall.

Mrs. Harry Hunt, retiring president, presided. Mrs. Carl Wurdock gave the program and her topic was "Christmas at Poston".

She spoke of some of the experiences of the past. One in particular being the Attack on Pearl Harbor by the Japanese on December 7th, thirty six years ago.

She read an editorial from "Toward the Mark", which gave the story of the Japanese Commander who directed the attack, who later was converted to Christianity through the influence of the daughter of missionary parents who had been executed.

During the business meeting that followed Mrs. Hubert Bussard gave a report of the State Annual Meeting of the United Methodist Women which she attended at Ranscomb Auditorium in Lakeland on November 20th.

Drive-In Services Successful

Attendance has been good on the first two Sunday mornings at the Drive-In Worship Service at the Seven Drive-In on highway 17A. Located between Sebring and Avon Park, the theater is an enjoyable place to worship in the beauty of God's creation. The weather was cool this past week yet the spirit of the services warmed everyone present.

In his second Sunday Drive-In Service the Rev. Aden Childers used I Thess. 1:14 for his text, stressing the work of faith, the labor of love and the patience of hope in preparing for the Christmas tidings and messages.

First Christian Women Meet

The Women's council of the First Christian Church held a meeting Thursday evening, Dec. 8, in the church. A short business meeting was held, reports of officers given, and a special offering received for the work of the Haitian missionaries.

Mrs. Walter Stutsman was in charge of the Christmas program, which opened with prayer by Mrs. James Click and the singing of "Joy to the World," with Valda Hunt at the piano. Mrs. Clifford Dance gave the scripture reading, and Mrs. Click sang a solo, "Love Came Down At Christmas." Mrs. Stutsman gave a reading of the "Heart of Christmas" and a prayer by Helen Steiner Rice. All adjourned to the Fellowship Hall, which had been beautifully decorated for the occasion. The hostesses, Mrs. Guy Yeager and Mrs. Virginia Williams, served Christmas cookies, punch, and candy gifts were given and present, with the singing of carols following.

Michigan Club To Meet Dec. 21

The Michigan Club of Highlands County will meet Dec. 21st at the old Pier Building in Sebring at 1:30 p.m. Bring finger foods and a \$1 gift for each person for the Christmas gift exchange.

PARENTS WITHOUT PARTNERS

Highlands County Parents Without Partners will have a general meeting Tuesday night, Dec. 20 at First Home Federal Savings and Loan Bank just off the Circle in Sebring at 8 p.m. All single parents are invited to attend.

BRIGHTEN YOUR LIFE WITH THE GOLDEN RULE

Do unto others, the Bible has said.

As you'd have others do unto you:
And if you will follow this passage you've read,
You will find it is certainly true

That in business, your home life or simply with friends,

It is easier getting along

If you'll never be forced into making amends.

Just because you have done someone wrong.

So to learn more about this unflinching advice

That will frequently serve as a warning.

You should go to your Church, where it's only the price

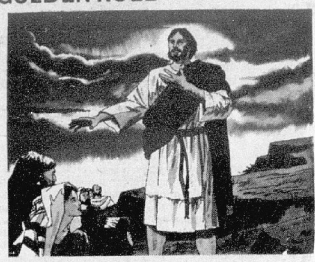

Of an hour on next Sunday morning.

— Gloria Nowak

Do as you would be done by, is the surest method of pleasing.

City Council

question of repairs for the well or drilling a larger well.

Councilman Kelley Phillips and Larry Albritton stated that for \$4000 (cost of repairs and pump) that were in favor of getting the well back in service, while another councilman suggested trying to get a federal grant for a new well. With that direction, McWeeny said he would have pump curves and other information ready for the Jan. 9 meeting.

On the South Glenwood Avenue pump controls, McWeeny suggested to the council that it would be cheaper for the city to purchase the controls and have LaGrow Irrigation install the controls. The council moved to purchase the controls.

Red Water Treatment

With continued reports of rusty or red water in some sections of the city since chlorine has been added to the city's water supply, Dawkins has contacted a number of cities in the Central Florida area concerning the treatment of the problem and the costs.

Two materials, dry soda ash and a liquid phosphate compound were used in several of these cities. McWeeny reported that the addition of chlorine to the water reduced the pH of the water with corrosion of the iron pipe resulting in rusty or red water at the tap. The two chemicals increased the pH of the water along with forming a coating on the interior of the metal pipes stopping the corrosion.

Sewer Plant Repair

The repairs to the old sewer treatment plant are 93 percent completed, McWeeny told the council. On a matter of a change order for \$1800 to repaint the 500,000 gallon treatment tank (new one) to match the color of the paint on the tank being repaired the council did not approve the repainting of the tank as someone noted the fresh paint would probably fade in a year's time.

McWeeny told the council that the DER wanted a floor drain installed in the contact chamber of the treatment plant, which the contractor had estimated to cost \$4,552. McWeeny stated he did not think the drain was needed as the plant had worked before, without one. He was asked to talk with the DER about having this addition rescinded. One of the council asked, "Why did the DER wait until now to say something about having the drain put in?"

In explaining Dawkins bill of \$9,556.55 for engineering services on the sewer plant rehabilitation, which amounted to about 20 percent on the final contract price, McWeeny told the council that the original work was bid at \$61,000 with several change order since that time.

School Board

School and covered physical education play areas at Fred Wild and Lake Placid Elementary schools were opened by the board.

Bids for all four projects ranged from a low of \$775,095 to \$881,000. Four bids were received.

The board directed the project architect, Joe Pavelchak, to canvass the bids.

Pavelchak received board approval to add approximately 2,000 square feet to each of the floor plans for the new Avon Park Middle School and Sebring Middle School. The area would be used for a stage in the planned commons areas.

Davis said a plan to move trailers at Carver School to Lake Placid will be delayed until summer at least, for several Highway Park parents objected to the move.

After receiving a memo from the state

department of education on use of school facilities by outside groups for prolonged periods, the board questioned use of Sebring High School library by Bible Fellowship Church. The church has been using the library for three years and eight months.

He told of the unknowns encountered in the design such as the inability to see the bottom of the tank and the equipment, along with the design of equipment not constructed because of the lack of money. The council approved the bill for payment.

While the board approved another year's use of the library by the church, Mrs. Davis asked for a progress report in three months from the church on its efforts to find a permanent location.

The board agreed to waive mileage fees on school buses used by Sebring Jaycees for the annual Christmas party for underprivileged children Dec. 17.

Board Member John Wirtz Jr. pointed out the fees have always been waived. Contracts for purchase of several pieces of audio visual equipment, gas and heating fuel oil, motor oil and gear lubricant, and a copy machine were awarded.

WeekAlcoholics Can Seek
Help In Many Ways

The speaker at last week's Avon Park Rotary Club meeting was Mrs. Pat Furnival, Director of Hardee-Highlands County Alcoholism program. She holds a Masters Degree From the University of Chicago and has worked with the Alcoholism Rehabilitation Center for the past two years.

She was also with the Tri-County Mental Health program.

Mrs. Furnival stated there are 2000 alcoholics in Highlands County and three to four thousand other people in the county that have some major difficulty in their life because of alcohol abuse.

"Pat reminded us that 1 out of 9 social drinkers will become alcoholics in the next 10 years. She stated that the problem is that they usually will not admit to themselves that they have a problem. Most people become an alcoholic from having been a social drinker from 5 to 10 years and they seem to think they can make life easier some way by drinking."

Mrs. Furnival stated that there is always help for the alcoholic and they can seek help in many ways. One of which is Alcoholics Anonymous and another way is through the Florida Alcoholism Treatment center in Avon Park, where they have a 28-day program.

During a question and answer period, Mrs. Furnival was asked the question: What did alcoholism cost the employers in the United States last year? Her answer: in the neighborhood of \$15 billion.

PAT FURNIVAL, Tri-county Director of Alcoholism Rehabilitation told Avon Park Rotarians that there were about 4000 potential alcoholics among Highlands County's social drinkers.

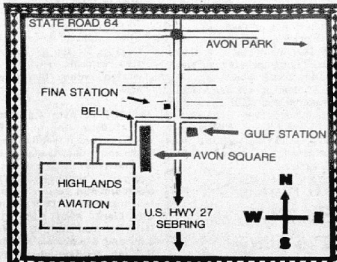

Drawing Classes Offered

Art instructor Dean Tallent will teach Drawing I Thursday evenings during the South Florida Junior College spring semester. In this basic class for beginners, students will be introduced to different styles of drawing. The class will concern itself with the pencil techniques, line quality, shading, toning, etc.; however, ink work, pastel chalks and course for credit are given preference over auditors.

Registration for spring term classes is Jan. 3-9. Further information may be obtained at the college or by calling 433-6661, extension 135, in Avon Park.

charcoal media may also be done. Each student will be given individual instruction.

Drawing I is a three credit college course but may be taken for audit. However, enrollment is limited to 20 students and those taking the

Junior College Offers Two Accounting Courses

NOTICE OF CANCELLATION OF REGULAR CITY COUNCIL MEETING

Notice is hereby given that the next regularly scheduled City Council Meeting of the City of Avon Park falling on December 26, 1977, a legal holiday, has been cancelled. The next meeting of the City Council will be the Reorganization Meeting Tuesday, January 3, 1978 at 9:00 A.M.

Malcolm Crews
City Clerk
Dec. 15, 1977

Principles of Accounting I and Principles of Accounting II will be offered at night at South Florida Junior College during the spring semester. Accounting I will meet Monday evenings beginning Jan. 9, and Accounting II will meet Wednesday evenings beginning Jan. 4.

Accounting I is a beginning course that does not require any previous bookkeeping courses or experience. Areas covered will be the complete accounting cycle (including journalizing, posting and preparing financial statements for a sole proprietorship).

receivables and payables, inventories and depreciation, accruals and deferrals, and payables. Subjects which will be emphasized in Accounting II are payrolls, voucher systems, partnerships, corporate liabilities (long-term), investments. Registration for the spring term is Jan. 3-9. Classes begin on Jan. 4. Anyone desiring further information about spring semester classes should contact the director of admissions at SFJC or call 453-6681, extension 138, in Avon Park.

Public Notices

PUBLICATION OF NOTICE

Notice is hereby given that on December 15, 1977, the City of Avon Park will submit to the U.S. Department of Housing and Urban Development a request and certification for the release of funds. The request and certification relate to the application of the City of Avon Park for a grant of funds under Title I of the Housing and Community Development Act of 1974 for the purpose of undertaking the projects hereinafter described.

1. Residential Rehabilitation Program and Incidental Relocation — to provide eligible owners in the designated target area with funds, through a program of loans and grants, to upgrade structures to meet local housing standards. The year's goal is to rehabilitate 15 units in the low income area of the City. A few temporary relocation cases may develop incidental to the rehabilitation program.
2. Street and Water System Improvements — a program of improvements including saving, incidental drainage, sidewalks, water lines and fire hydrants to support the residential rehabilitation program in the low income area of the City.
3. Neighborhood Center — a small neighborhood center with emphasis on day-care services for the low income area residents. It will be located within the target area.

The City of Avon Park has prepared an environmental review record respecting each of the above described projects for which the release of funds is being sought. The environmental review record is available at the Office of the City Clerk, Avon Park City Hall, between the hours of 8 a.m. and 5 p.m., on Monday through Friday when the same may be examined by the public and copies thereof obtained.

The applicant requesting release of funds for the above described projects is the City of Avon Park, P. O. Box 1467, Avon Park, Florida 33825. The City of Avon Park will undertake the projects described above with Block Grant funds from the U.S. Department of Housing and Urban Development (HUD) under Title I of the Housing and Community Development Act of 1974. The City of Avon Park is certifying to HUD that the City of Avon Park and Mr. Marshall Davis, in his official capacity as Mayor, consent to accept the jurisdiction of the Federal Courts if an action is brought to enforce responsibilities in relation to environmental reviews, decision-making, and action; and that these responsibilities have been satisfied. The legal effect of the certification is that upon its approval, the City of Avon Park may use the Block Grant funds, and HUD will have satisfied its responsibilities under the National Environmental Policy Act of 1969. HUD will accept an objection to its approval of the release of funds and acceptance of the certification only if it is on one of the following bases: (a) that the certification was not in fact executed by the chief executive officer of the applicant; or (b) that applicant's environmental review record for the project indicated omission on a required decision, finding, or step applicable to the project in the environmental review process. Objections must be prepared and submitted in accordance with the required procedure (24 CFR Part 58), and may be addressed to HUD Area Office, 641 Riverside Avenue, Jacksonville, Florida 32206. Objections to the release of funds on bases other than those stated above will not be considered by HUD. No objection received after Dec. 2, 1977 will be considered by HUD.

Girl Scouts Camp At Winding Creek

Eleven Girls of Girl Scout troop No. 249 cabin-camped at Camp Winding Creek last weekend of November 27th. They enjoyed the hayride and Tarzan jungle swing even though Sgt. Tietjen (while helping the girls) fell into the pool below the swing and got quite muddled. They also enjoyed skits around a campfire and games and craft in the unit house. But it was not all fun, as Girl Scouts must learn responsibility also. They took turns doing the cooking, serving, and cleaning up, and final clean-up at the end of the campout.

Girls attending were Tisa Carper, Lanie Croft, Charlotte Hamrick, Kathleen Lanning, Melody Schortinghouse, Tonya Simpkins, Melissa Smith, Tammy Smith, Kim Tietjen, Annette Hicks, and Annita Hicks. Adults accompanying them were Sgt. E. Hall.

Postmaster Urges Early Mailing

As the height of the 1977 holiday season approaches, Postmaster Bob Young urges all Avon Park residents to immediately begin depositing greetings and parcels in the mail stream.

Although mail volume will increase tremendously between now and mid-December, the Postal Service is committed to having all post offices clear of mail by Christmas Day.

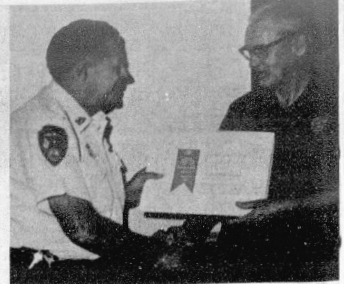

"In view of the excellent cooperation received from early mailers so far this year," Postmaster Young said, "We are confident that holiday mail deposited immediately will be delivered in time for Christmas."

"The employees of the Avon Park Post Office are doing an extraordinary job of processing and delivering the large holiday mail volume with dispatch and efficiency."

(s) Robert L. Britz,
Postmaster

OFFICER AND DISPATCHER ELTON Lawrence was honored at the Tuesday noon meeting of the Kiwanis Club with a Certificate of Appreciation, presented by Avon Park Police Chief Bob Brooks. Sunphoto by Lew Miller.

Kiwanis Club Honors Police Officer

Following their policy of honoring a law enforcement officer the Avon Park Kiwanis Club last Tuesday, Dec. 6, presented a certificate to Officer and Dispatcher Elton Lawrence for the 11 years of service and efficiency when responding to a call from the officers on duty.

In presenting the certificate, Avon Park Police Chief Bob Brooks stated that Officer Lawrence has shown professionalism in his job and has helped to apprehend violators by knowing his job and acting in a manner to protect the officers.

Our city, county and country, continued Chief Brooks, needs more dedicated personal such as Officer Lawrence. It is with great pride that the Avon Park Police Department.

Holiday Ranch News

By Barbara Ebmeyer

Nearly everyone in the park turned out for Saturday night's potluck dinner. These are very popular affairs with all the women bringing delicious food. There were 48 present and they appreciated the extra room provided by the expansion during the summer. Bob and Mildred Savage were in charge and Clair Reno asked the blessing.

The Savages and the Gordon Willows went shopping in Lakeland, Thursday, and stopped at Duffs in Winter Haven for dinner.

Others who went to Duffs this week were Willis and Wilma Lehman and Harley and Glay Kimerer. They also went to Lake Wales to visit Bok's Singing Tower and tour the Donald Duck Citrus plant.

Floyd and Violet O'Neal went to visit her cousin and his wife, Mr. and Mrs. Raymond Jarrett at Winter Haven, Thursday. On Tuesday, they had visited another cousin and her husband, the Mac Pierces, in Leesburg. Both families are from Alexandria, Ind. Floyd also celebrated his birthday Wednesday.

Max and Dora Crossett attended many of the special services being held at the chapel of the Sudan Interior Mission for retired missionaries in Sebring. There were services each morning and evening with Dr. Lehman Straus of California, the speaker.

Angie and Anna Tessmer had a wonderful time this week

entering their daughter and son-in-law, Wayne and Edna Schaumburg, and children, Karen, Sue, Mary Jo, and Jimmy. They arrived last Sunday from their home in St. Paul, Minn. and visited Cypress Gardens, the Singing Tower and Disney World. Then on Friday, they went to Bush Gardens in Tampa, and flew back home on Sunday.

Ray and Frances Robertson of Adrian, MI., returned to the Ranch Friday, and were entertained at dinner by Clair and Ila Reno. Sunday the Treno's visited her cousin Mrs. Ruby Linden at Lake Mary and Mr. and Mrs. David Logan at Apopka.

Other regulars returning this week were Woody and Marge Warner on Thursday after spending two weeks in Punta Gorda.

Mr. and Mrs. John Morrow of Punta Gorda and Mr. and Mrs. Charles Hutchinson of Brentwood were guests of Bob and Mary Walterhouse Tuesday. On Thursday, they visited the Virgil Weidys at Avon Mobile Park and during the week they were visited by Mr. and Mrs. Delmar Booker and Mr. and Mrs. Arthur Greib of Sebring.

The Ted Lees visited Mr. and Mrs. Ivan Goddard and Mr. and Mrs. Alva Duer of Avon Park this week. The Leslie Newkys of Arkansas came in on the third for an extended stay. Bill and Lamerle Saunders of New York state are visiting Al and Marian

Petteys. The Virgil buntings and Alan Hudleys of Golden Gate, Ill., are making their semi-annual stay in the park. Each fall and spring they stop to visit Harold and Dot Manges and winter at Crooked Hook at Clewiston.

The women's group are making plans for the coming holidays. There will be a dinner and Christmas program, with Marian Petteys, Dot Manges, Leona Clute, and Dora Crossett doing the planning.

Karl Walter, who went into Walker Memorial Hospital on Dec. 1, is improving and hopes to be home soon. At Monday morning's coffee, wagonmaster Bill Bergstrom announced that Bob Savage will show films Friday at 7 p.m. Bob Walterhouse was selected to succeed Mr. Bergstrom.

Humane Society Pet Show

Saturday, Jan. 14 — has been chosen as the date for a children's pet show. The Humane Society of Highlands County is sponsoring the show which will be held at Southgate Shopping Center.

Sally Gifford, president of the Humane Society, said children up to 16 years of age will be eligible to enter their pets for judging in a great variety of categories.

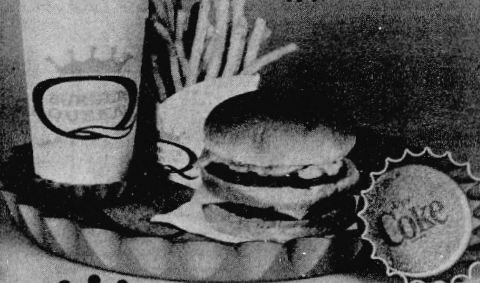

Serve on a bottle top.

Annual Christmas Parade In Review

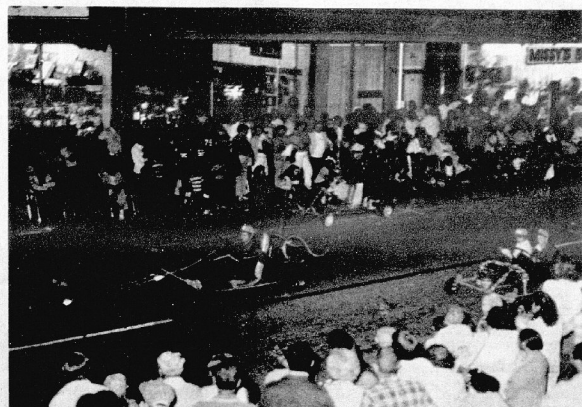

SANTA HANDED A Christmas package to a youngster who wasn't quite tall enough to reach it.

FLOAT BUILDERS Smith and Wells put the finishing touches on the Avon Park Chamber of Commerce Christmas float.

Main Street Christmas decorations.

THE LOW RIDERS Carting Club had their homemade

dragster rolling along in the parade.

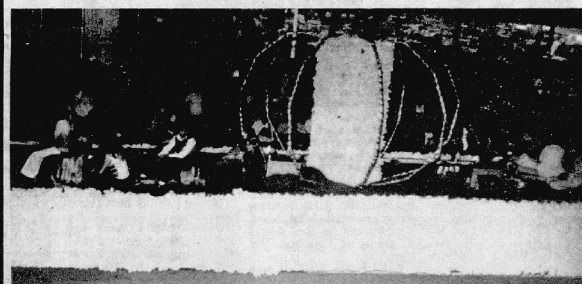

"THE SAME YESTERDAY, today and forever."

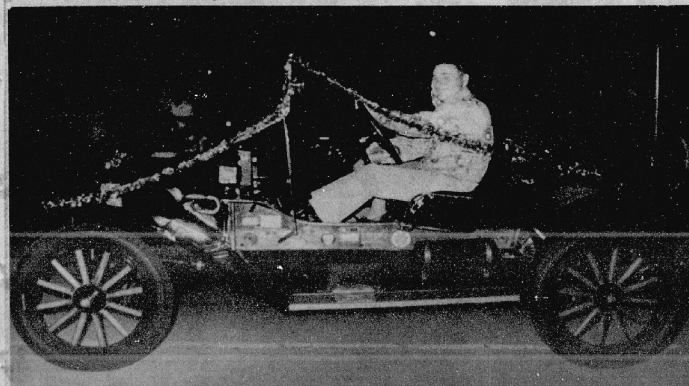

THE BUILDERS OF this float think of Christmas as all year long.

THE PTO had balloons for sale at the Christmas parade with Joyce DeWitt and Stephanie looking for customers.

WORLD WIDE — seems to be the meaning of the Air Force Bombing Range Float in the Christmas parade.

ONE OF THE early models helped make the Christmas parade a little more memorable.

THE APCI BAND made good use of the bandstand as they played before the parade.

ONE-WHEELED TRAFFIC was part of the Christmas parade.

Devils Ch-a-a-t-t-e-e-r-r

By Joel Wright

Lauri Wilbert

This week's featured senior Lauri Wilbert arrived here when she was in the 10th grade. She spent the 10th and 11th grades here, then she moved to Enterprise, Ala. It was about four weeks into the school year when Lauri asked her parents to bring her back to Avon Park for her senior year.

Lauri was born in Enterprise, Ala., and is the daughter of Mr. and Mrs. Harrel T. Wilbert. She now resides with Mr. and Mrs. A. E. Farthing.

Lauri, being the outdoors type, enjoys horseback riding, swimming, tennis, and water skiing. She also likes to listen to popular music while doing her homework.

Lauri was a cheerleader in the 11th grade, and this year she is a member of the Devil's Club and Future Homemakers of America. After graduation she plans to attend Huntington College in Montgomery, Ala., where she will study criminology.

Lauri said that she decided to come back to school here because her friends are here. "Most of the people here are nice," she said. "Even the people you don't know seem to be friendly."

English

It is of great importance for a student to receive a proper English background before entering college. Mrs. Pat Lee, the head of the English department at Avon Park High School, is one of the teachers responsible for helping a student to get this background.

"As head of the English department, I have three duties," Mrs. Lee said. "I have to act as a teacher's representative to the administration; I keep the department informed of any new developments in the area of English; and I order new books and materials for the department."

The English courses offered at our high school are: English I, English II, English for everyday living, speech and drama, journalism, English and American literature, and pre-college composition. There is also a reading lab for students in the ninth and tenth grades.

Students in the 9th and 10th grades take English I, English II, and English for everyday

living. The 11th and 12th graders take English and American literature, pre-college composition, journalism, and stagecraft.

"The teachers are very qualified and they really relate to the students," Mrs. Lee says. The teachers are apparently doing a good job

because the students taking the literacy test said that the English part was fairly easy. The other teachers in the English department besides Mrs. Lee are Mr. Bruce Wyse, Miss Holly Roelick, Mr. Chad Brojek, Mrs. Joyce Adams, Mrs. Nan Dressel, and Mrs. Cloe Lockhoff.

The literacy test covered all areas of English. Students had to do everything from constructing simple sentences to filling out applications and writing proper business letters. They had to infer ideas from paragraphs and tell the difference between fact and

opinion.

For the college bound student, Mrs. Lee suggested as many English courses as possible. "I would especially recommend English and American literature, pre-college composition, and speech and drama. Three English courses are required

for graduation but four would give a student a better English background. Some students take five and six English courses before graduation."

A brass and percussion ensemble from the Avon Park High School Band will join the church organ and piano at the

First Presbyterian Church Sunday, Dec. 18, at 5 p.m. to form the accompaniment to "Love Transcending".

The cantata is written by John W. Peterson and has been performed for the past 20 years.

Everyone is cordially invited to attend.

To All My Friends
A Sincere
THANK YOU
For Your
Vote Support.

Obituaries

Sara Ann Houpe
Sara Ann Houpe, age 32, of 313 E. Canfield, Avon Park, passed away in Gainesville after a brief illness.

She was born in Galesburg, Illinois, but has spent the past few years in the Bradenton and Avon Park area. She was a member of the Methodist Church, and a member of the Avon Park Junior Women's Club.

She is survived by her husband, David Thomas Houpe, and two daughters: Sherry Ann Houpe and Susan Katrina Houpe. She also leaves a half-sister, Peggy Booth of Ventura California. She was preceded in death by her parents, Orlo and Frances Sloan.

Funeral services were held at the Stephenson-Nelson-Smith Chapel, Monday at 3:30 p.m. with Rev. R. L. O'Quinn, Rev. W. O. Ragadale, and Rev. Kent Smith officiating. Burial followed in the Bougainvillea Cemetery.

Stephenson-Nelson-Smith Funeral Home in charge of arrangements.

Wilma D. Altman
Wilma D. Altman, age 66, of Sarasota, passed away Tuesday, Dec. 8, at Sarasota Memorial Hospital. Wilma was a native of Florida, having lived in Sarasota for the past 33 years.

She is survived by her husband, George H. Altman, Sr. of Sarasota; a son, George H. Altman, Jr. of Sarasota; a daughter, Mrs. Richard A. A. Martin, Jr. of Sarasota; a stepbrother, Sherman A. Drawdy; and six grandchildren.

Funeral services were held Friday, Dec. 9, at the Roberts Funeral Home in Sarasota. Burial followed at the Sarasota Memorial Park.

Gladys Elizabeth English
Mrs. Gladys Elizabeth English, age 89, of 712 W. Winfield in Avon Park, passed away Sunday, Dec. 11, at Walker Memorial Hospital. She has been a resident of Avon Park for 6 years, coming here from Reno, Pa.

She is survived by her husband, James R. English; one daughter, Mrs. Charlotte Francisco of Land of Lakes, Florida; and one son, George K. Bacon of Camillus, New York.

Eastern Star services were held Monday evening at the Stephenson-Nelson-Smith chapel with Rev. W. O. O'Quinn officiating. Burial will be in Syracuse, New York. Stephenson-Nelson-Smith Funeral Home in charge of local arrangements.

Friends who wish may give contributions to the Presbyterian Church Building Fund, of Avon Park.

Charles Wade Elder
Charles Wade Elder, age 17, of 1107 W. Pleasant St. in Avon Park, passed away Wednesday morning, Dec. 7th, in Gainesville Fla. after a short illness.

Charles was born in Avon Park, Nov. 24, 1960 and has spent his entire life in this area. He was a member of the Junior Class, a member of the FFA and the High School Band.

He is survived by his parents, Mr. and Mrs. C. E. Elder, two brothers, Jimmy and Randy of Avon Park, and three sisters, Mrs. Connie Bennett of Pump-and Beach, Mrs. Celia Watson of Sebring, and Mrs. Cathy Farrow of Avon Park. He also leaves his grandmother, Mrs. Lois Smith of Tavares Fla.

Funeral services were held Friday, Dec. 9th, at 3 p.m., at the Stephenson-Nelson-Smith Funeral Home in Avon Park, with Father Frank Cleveland officiating. Burial followed in the Bougainvillea Cemetery. Stephenson-Nelson-Smith Funeral Home in charge of arrangements.

Delila E. Drawdy

Mrs. Delila E. Drawdy, age 85, of 317 E. Cornell Street, Avon Park, passed away Monday evening Dec. 12, at Walker Memorial Hospital. She was born in Venus, Fla. and spent her entire life in this area.

She is survived by four daughters, Mrs. Gladys Thomas, of Okeechobee, Mrs. Christiana Johns of Avon Park, with Father Frank Cleveland officiating. Burial followed in the Bougainvillea Cemetery. Mrs. Jean Mann of Avon Park. She is also survived by a son, Shirley Drawdy of Avon Park; a brother, Jean Waldron of Ft. Meade; three sisters, Viola Drawdy of Ft. Meade, Bertha Lanier of Sebring, and Mary Mott of Avon Park. Mrs. Drawdy also leaves 12 grandchildren, 20 great grandchildren and 12 great-great grandchildren.

Visitation will be held on Wed. Dec. 14, from 9 a.m. until 9 p.m. at Stephenson-Nelson-Smith Funeral Home. On Thurs., Dec. 15, from 10 a.m. until 2 p.m. visitation will be at the Bassinger Baptist Church.

Services will be held Thurs. Dec. 15, at 2 p.m., at the Bassinger Baptist Church with the Rev. Mike Evans and Rev. Paul Seary officiating. Burial will follow in the Bassinger Cemetery.

Stephenson-Nelson-Smith Funeral Home in charge of arrangements.

STRETCH during the game. No Devil letter

by Lucy Derkman

Avon Park Sun

The Avon Park Sun, Dec. 15, 1977 18

Devils Take Opener From Sebring

JUST ABOVE A Sebring defender, Avon Park's Horace Moore gets ready to release a two handed jumper late in the first quarter of the Avon Park-Sebring

cage game in Sebring last Friday night. Final score: Avon Park 67, Sebring 56. Sunphoto by Tom Fleming.

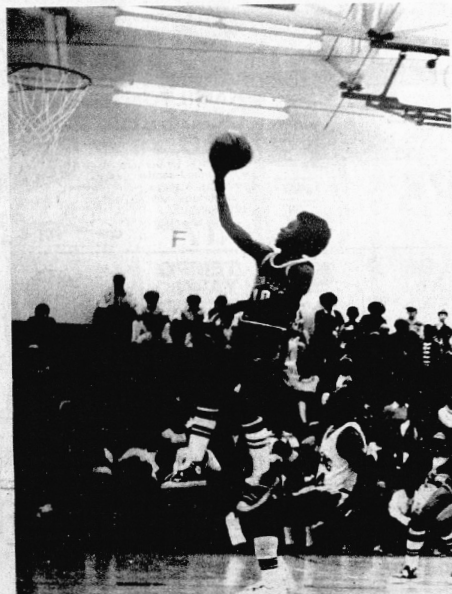

Sophomore guard Jeff Adams came off the bench midway in the third quarter to spark the Avon Park varsity Red Devil cage team to a 67-56 win over the Sebring Blue Streaks down in Sebring last Friday night in the season opener for Avon Park. Adams scored 9 points after entering the game and the Red Devils scored 11 unanswered points as Adams fired up the Avon Park full court press to shake up the Streak offense.

Last Tuesday night, the Red Devils were to take on the Desoto High Bulldogs in a Heartland Conference game in Arcadia. The Devil boys varsity will close out the 1977 portion of the schedule in Sarasota next Saturday

night, Dec. 17, against Sarasota Booker. They will be at home for the first home game of the season on Tuesday, Jan. 3 against Mulberry.

Avon Park center Larry Pugh led the Avon Park scoring with 16 points followed by brother Charlie Pugh and David Williams with 10 points each. Charlie Pugh led in rebounds with 14 and Larry Pugh was close behind with 13 pull-downs. Also scoring for Avon Park were Freddie Williams with 8 points, Mike Coleman also with 8 counters, Jeff Adams with 9, and Horace Moore with 6 points.

Avon Park hit 7 of 15 free shots while Sebring made 8 of 16 at the line. . . . Sebring led at halftime with a 29-25 score.

SOPHOMORE JEFF ADAMS goes high with a lay-up after stealing the ball from a Sebring player during the varsity game in Sebring last Friday night. Adams came off the bench in the third quarter to

spark the Red Devils to 11 unanswered points and then fired up to the full court press for Avon Park to go on to the 67-56 victory. Sunphoto by Tom Fleming.

FIGHTING FOR A REBOUND, Red Devil Horace Moore (20) and a Sebring cager go high at the Devil backboard during the Avon Park-Sebring game in

Sebring last Friday night. Avon Park won its opener by a score of 67-56. Sunphoto by Tom Fleming.

Girls Outstanding In Second Game Win

The Avon Park girls' basketball team racked up its second straight win last Friday night with a 45-22 victory over the Hardee High girls were at the Avon Park gym. The Devilettes played an outstanding game as they continued to be tough on defense and improved on offense.

Last Monday night the Devilettes were to have closed out the pre-Christmas season in Sebring with a game against the Blue Streak ladies who own a 2-1 record.

It was the rebounding and shooting of senior center Meg Schuler that paced the second Devilette victory. Meg hit six field goals and 2 of 3 free shots to lead Avon Park with 14 points.

Thelma Wessels added five field goals

for 10 more points. Linda Rowe contributed three field goals and a free shot for 7 points, and Laurie Welch pumped in three outside shots for 6 points. Tammy Ostling hit for 4 points, and Ellen Macklin and Kathy Wiggins both scored 2 points each for the Red Devil ladies.

Avon Park jumped off to 10-5 lead after one quarter of play. At halftime the score was 18-10. A thirteen point third quarter effort by Avon Park set the score at 31-18. The Devilettes scored 14 points in the final period to take the 45-22 win.

Avon Park hit only 5 of 12 free shots, a little below the percentage hit in the first game. The Devilettes had 18 fouls called against them while the Hardee girls were called for 13 fouls.

Devilettes Lose Shoot-Out On Sebring Court

In the shoot-out between two Highlands County girls basketball teams last Monday night, the Sebring Blue Streaks edged out the Avon Park Devilettes by a score of 51-50 at the Sebring gym. The Avon Park defense which had held two teams to under 25 points in earlier games was unable to stop the Sebring fast break, and the two teams both scored highs for the season.

It was the last game before Christmas for Avon Park. The Devilettes will resume play on Tuesday, Jan. 3, in Lake Wales starting at 7:30 p.m. The loss last Monday night was a Heartland Conference defeat and set the Devilettes record at 2-1 for the pre-holiday season. Sebring is now 3-1 for the year.

Thelma Wessels led the Avon Park scoring hitting seven from the floor and

four free shots for 18 points. Meg Schuler pumped in 11 points before she fouled out midway in the fourth period. Ellen Macklin hit for 7 points, Linda Rowe had 6, Laurie Welch scored 4, Kathy Wiggins hit one field goal for 2 points and Debra Cox and Annette Blake had a free shot each.

The score by quarters had Sebring leading 12-7 after one, Avon Park ahead 28-18 at halftime, Sebring taking over 43-36, and then winning 51-50. The Devilettes hit 12 of 23 free shots while Sebring made 7 of 18 from the foul line.

"We just never settled down," stated Coach Sherri Lee after the game. "We never got going. Maybe it was because it was the girls first game out of town. The Sebring girls played well, but we should have been able to hold them on defense."

Ford And Wright Win Womens Golf Tournament

Mildred Ford of the Pinecrest Country Club won the Highlands County Womens Golf Association 36 hole tournament with a low gross score of 186, while Lena Wright also from Pinecrest, had a low net score of 145.

The 36 hole metal play tourney was held at the Highlands Hammock Country Club on Thursday, Dec. 8 and at Pinecrest Country Club on Friday, Dec. 9. A field of 40 women participated in the two day event, however most of the game was played in the rain on Friday.

Other winners by flights were: A flight, low gross: Neil Redd, Birdie Dorman and Arline Hunter. Low net: Helen Griffith, Emma Mae Foster and Al Linville.

B flight, low gross: Myrtice Durrance, Helen Eppolito and Mike Welch. Low net: Marie Eeles, Gerry Young and Myrtice Johnson.

C flight, low gross: Emily Aud, Marie McNamara and Peg Michael. Low net: Dot Long, Margo Wood and Dickie Macomber.

D flight, low gross: Betty Marlow, Bea McCleary and Ann DeYoung. Low net: Ethel Hough, and Edith Godwin.

In the closest to the pin contests, Helen Eppolito scored on No. 8 with Lena Wright taking the award on No. 17.

Arlene Hunter shot the longest drive on the No. 1 hole and Bea McCleary took the honors on the No. 3 hole.

A short business meeting was held after the awards were presented and it was decided to continue on with the tournaments through January, February and March.

The location and time of next month's tournament will be announced later. The Lake Placid Lakes Country Club will be in charge of the tournaments during the 1978 season.

Jayvees Take 58-30 Win From Sebring

Gerald Jones with 18 points, Pernel Gibbs with 11, and charlon Weathers with 10 points led the Red Devil junior varsity to its season opener victory over Sebring last Friday night on the streaks home court by a score of 58-30. Weathers and Gibbs turned in a fine job of rebounding for the Devil "Bees" to help pace the win.

Last Tuesday night, the Red Devil Jayvees were to have traveled to Arcadia to play the Desoto High junior varsity in Sarasota against the junior varsity from Booker High on Saturday, Dec. 17. The first home game of the Avon Park boys junior varsity will be on Jan. 3 against Mulberry.

Down in Sebring last Friday night, the Devil Jayvees took a 16-10 lead at the

end of one quarter of play and then outscored the Jayvee Streaks 18-4 in the second quarter for a 26-14 halftime advantage. A big 24 point third quarter by Avon Park assured the Devil "Bees" of the victory as they started the final period with a 50-31 lead. Rookie coach Don Sismore used his entire bench in the fourth quarter costing to the 58-30 victory.

Alvin Conner scored 7 points for Avon Park. Kevin Caldwell had 6 points, Thomas McAfee scored 4 counters and Chris Collins added 2 points, to the total score. Also seeing action were DeWayne Council, Jeff Caldwell, and Ricky Johnson. David Sismore was out of action with an injury and three other members of the team are awaiting eligibility.

Anthony Conner Draws Praise From Coach

Anthony Conner, former Red Devil cage star, drew strong praise from Manatee Junior College basketball coach Harry Kinnan after the Lancers' first home game last week. The Manatee team defeated Broward North Community College 116-99.

"It was the play of 6-7 freshman center Anthony Conner that brought the biggest smile to Kinnan's face," stated the Bradenton Herald after the game. Conner scored 18 points, blocked five shots, and pulled down 11 rebounds in his best performance of the young

season. "He's looking better and better every game," Kinnan was quoted as saying in the Bradenton Herald. The young center had three slam dunks during the game.

Nicknamed "Chief" here at Avon Park High School, the name has been picked up by Lancer teammates, and outlined under two pictures of Conner high on the boards stated, "Anthony 'Chief' Conner went on the war path Monday night during the Lancers' home opener."

Flag Football Underway At School Playground

The boy's flag-football league, sponsored by the Avon Park Recreation Department, got underway last week with the Red "Raiders" going up against last year's champs, the Gold "Gutters". The game was played at the field behind the high school last Thursday at 4:15 p.m.

The red team upset the gold in a tie-breaker. Both teams had 6 points, but the red team ran up five first downs throughout the game, to only three for the gold team. It was a well played game for both teams, for being so early in the

season. Bobby Barners climaxed the Red's drive in the second half, with a 7 yard run up the middle, in which several defensive

players had chances to grab his flags, but failed to do so. His six points tied the score and the red squad ran the clock out to take their first victory.

All games are played at the field directly behind the high school field each Tuesday and Thursday. Spectators are welcome to come watch the action.

STRETCHING HIGH FOR a rebound during the Avon Park-Hardee girls cage game here last Friday night are Devilettes Tammy Ostling (24) and Meg

Schuler (45). Schuler scored 14 points to lead Avon Park to a 45-22 victory. Sunphoto by Lew Miller.

INDIVIDUAL FOOTBALL AWARDS were presented to these Avon Park Red Devil players at the annual football banquet held last Monday night. From left: Keith Porter, best defensive player; Rufus Wilson, Most valuable player and team captain; and John Barben, most improved player. Absent: Mike Parker, best offensive player. Sunphoto by Mitch Banks. (Other pictures next week).

1977 Football Season Awards Presented At Banquet Monday

Rufus Wilson, Avon Park Red Devil fullback and linebacker, won the coveted "most valuable" trophy for the 1977 varsity football season and was presented the award at a steak supper honoring the two Avon Park teams and the cheerleaders at the Florida Power Clubhouse last Monday night. Rufus also was elected team captain by his teammates and was presented a trophy for that honor. The senior athlete had already been picked for the Heartland Conference All-Star squad and was presented a medal for that honor.

Also singled out for individual awards at the supper, which drew a large crowd of players, parents and fans, were Keith Porter as the "best defensive" player, Mike Parker as the "best offensive player", and John Barben as the "most improved player" for the 1977 season. Porter is a junior. Parker and Barben are both seniors.

Junior varsity coach Hoppy Rewis introduced the members of the 1977 Jayvee squad which posted a 7-1 record

for the season. He presented the one trophy awarded to junior varsity to Carl Wingate as the "most valuable player" for the season. Wingate was the leading scorer and ground gainer with almost 1,000 yards from his tailback position in eight games.

The steak supper was tri-sponsored by Avon Citrus Bank, Highlands County Bank of Avon Park, and the Avon Park Boosters Association. Varsity and junior varsity cheerleaders were introduced by sponsor Jean Lund. Mrs. Lund complimented the girls and commented on the work involved with being a cheerleader at A.P.H.S.

Rufus Wilson gained over 1300 yards of rushing in ten games this season although the Red Devils posted a losing 4-6 record. The 5'9 1/2", 190 pound Red Devil was praised by Coach John Hunter for his attitude, his leadership, and his hard work during the two years he played under him.

"Rufus is one of the finest young men it has been my pleasure to ever coach,"

stated Coach Hunter before he presented the "most valuable" trophy to the outstanding athlete.

Several colleges are interested in Rufus for his football abilities. Hopefully he will sign a grant-in-aid scholarship at one of the colleges for next season.

Weight Equipment

The Avon Park Recreation Department would like to have all donations of weight equipment and exercise equipment to be delivered to the Recreation Center or arrangements can be made for pick up. The weight and exercise room is nearly completed and the equipment should be ready for set-up soon.

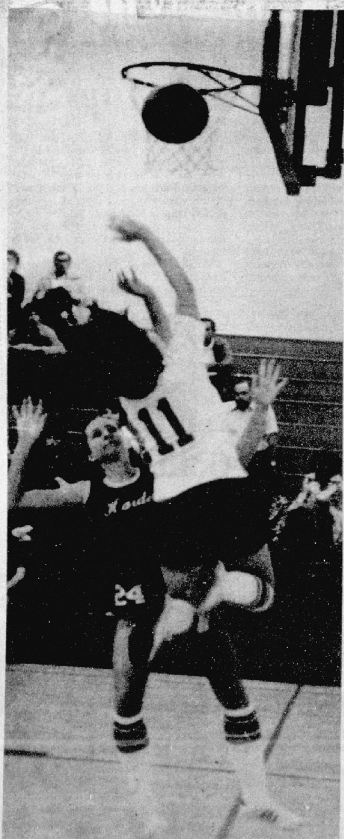

The department is in need of any type of exercise equipment or especially loose weights. All equipment will be used in organized health-related programs for all Avon Park residents. If you have any equipment to donate please call the Center at 453-6881.

Men's Pro-AM Golf Tourney

In the Men's Pro-Am Golf play last Thursday at River Greens Golf Course the first place team winners had a total of nine plus points, team members were: A. P. Yanai, H. Penney, B. Foster and K. Ourant.

The second place team winners accumulated a total of five plus points. Team members were: C. Ream, J. Timberlake, L. Fluker and E. Polk. In high individual honors there was a tie for first place in A flight at 3 1/2 points between L. Schmitt and T. Nason.

Other winners were: B flight; B. Hooyterp with plus eight points. C flight; B. Foster and H. Bierbet tied with three 1 plus points each. D flight winner was K. Ourant with 5 1/2 plus points.

ELLEN MACKLIN LEAP-FROGS into the air for a lay-up shot during the Red Devil/Wildcat girls game played here last Friday night. The Avon Park girls won their second straight game by a score of 45-22. Sunphoto by Low Miller.

BILL MURPHY HOLDS the racks of 8 and 11 point bucks he bagged early Tuesday morning while hunting with Mike Owens on a ranch near Sebring. His brother Bobby Murphy probably wishes he had been along. Sunphoto by Lew Miller.

Murphy Bags Two Deers, 8 And 11 Points

Using a lever action 308 Winchester, Bill Murphy, bagged the two deer he saw on a ranch near Sebring at about 7 a.m. last Tuesday morning. A third buck, behind some palmetto, raced into cover before he could get a shot at it.

The first shot at about 100 yards brought down an 8-point buck while it took two shots for the second deer, an 11-point buck. According to Bill the two deer field-dressed at about 150 pounds each.

In the meantime Bill's hunting partner, Mike Owens, was about 150 yards off to one side when he spotted a fourth buck, but this deer raced away, between him and Bill. For safety reasons, Mike did not risk a shot at the fleeing buck.

Wells Bags Five- Pointer

Home on four or five days leave from Ft. Stewart, Savannah, Ga., Dale Wells bagged a five point buck while hunting on the Bombing Range about noon Saturday of the Thanksgiving weekend.

In the hunting party with Dale were: Bob Smith, Kenneth Smith, Wendell Smith and Randy Smith.

Taken with a 12 gauge shotgun, the buck weighed about 135 pounds field dressed.

DONALD KNOWLES, holding deer head, (had his last name inadvertently spelled wrong in a previous paper), has decided to have the head of his first deer mounted. He bagged the 5-pointer while hunting with the Waldron family on the Bombing Range.

Shuffleboard Tourny Attracts 88

On Monday, Dec. 5, the first inter-club shuffleboard tournament was held with 88 members participating on 22 courts. This tournament was referred to as the Cats and Dogs tournament.

Bombing Range Open For Hunting Dec. 17

The Avon Park Bombing Range will be open for hunting on the weekend of Dec. 17 and 18 to hunters possessing State Wildlife Management Area Permits.

The Florida Game and Fresh Water Fish Commission will have personnel on duty at the Main Gate and Postproof Gate Check Stations between 5 a.m. and 9 p.m. Saturday, Dec. 17.

The Check Stations will be open between 5 a.m. and 8 p.m. Sunday, Dec. 18. All hunters are to be off the range by 8 p.m. Sunday.

Confirmation of the above dates and times can be obtained by calling 813-452-4223.

Everyone had a lot of fun as the dogs won by only two points. Don Mason, was in charge as tournament director.

Wednesday Dec. 7 there were 11 courts of A players competing. In the Main Division play Helm Gault and Alton Wetmore were the winners, while Alva Derr and Ivan Goddard were second. In the consolation play Howard Long and Richard Meyers were first with Raymond Downing and Earle Dunavent placed second.

In the B Division play there were 124 courts with Hazel Brevoort and Lorene

Weber as winners of the Main division play. Dudley Bacon and Foster Joffit were second place winners. In the Consolation play the winners were Henry Berlew and Jack Smith with second place going to John Smolen and Earl Cori.

On Saturday Dec. 10 the A Division had 124 courts with Helen Stanley and Henry Berlew coming in first and Helen Brady and Dudley Bacon, second. In the Consolation play Theresa Jank and Frank Fread were first place winners while Al Wilson and Jack Smith captured the second place honors.

Harden Wins Bombing Range Racquetball Tournament

by Henry Wood

After a month and four days the Air Force Bombing Range Racquetball Tournament is over. I would like to thank everyone who participated, because without their help it would not have been a success.

In the Singles division, Curt Harden took first place by defeating Henry Wood, 215 and 21-20. Henry came in second place with John Best taking

third. In the Doubles competition, the team of Curt Harden and Frank Goodwin took first place. The team of Henry Wood and Rodolfo Marquez took second, and the team of Scott Stovin and Donald Griffing came in third. Congratulations to all and we hope to see you back again in the next tournament.

Runners To Participate In Tangerine Bowl Race

The newly named Central Florida Striders Runners Club will take part in the Orlando Tangerine Bowl Road Race '77 this Saturday at 9 a.m. The 13.1 mile mini-marathon classic is sponsored by the Orlando Recreation Department. Over 700 runners will take part in the first running of the race in connection with the 1977 Tangerine Bowl football contest.

The Central Florida Striders (formerly the Highlands Runners Club) was organized in 1973 by local distance runner Chet Brojek. Brojek, track and cross country coach at Avon Park High School, said that the name change came

about because of the club's expanded running slate which often takes members out of the state.

Just recently, Pep Hutchinson of the local runners club, ran in the Rice festival Marathon in New Orleans. Brojek and Joe Baker of Avon Middle School, ran the Melbourne Marathon in Melbourne, Fl. Hutchinson and Brojek ran the Boston Marathon last April. Brojek has already qualified for the 1978 Boston race with his 2 hours, 57 minutes and 37 second time at the Melbourne race last month. Several club members plan to run in the Atlanta Track Classic in events ranging from the mile to the six

mile run. Besides the three club members mentioned, Mike Harnage of Sebring; Bill Porter, Dexter Ostling, and Alan Portis plan to run in the Tangerine Bowl Road Race. Harnage runs for Sebring High School. Porter and Portis are members of the Avon Park High School Cross Country team and Ostling runs for Gainesville P.K. Yonge High School.

The Central Florida Striders Runners Club is open to any male or female interested in running. Brojek stressed that those just getting started in running could benefit from the program of instruction, coaching, and racing provided by the local club. Those desiring more information may contact Brojek at home after 5 p.m., at 385-4738. The first race of 1978 sponsored by the Central Florida Striders will be a 5.2 mile race Jan. 7 or 8. There will also be a one mile "run for fun" for those just starting in the sport. Why not get started on the road to good health by beginning a jogging program with the Central Florida Striders?

IT CAN BE just as difficult to line up a flock of ducks in the camera sight as over a gun sight. Sunphoto by Lew Miller.

Meeting Set For Students

Interested In Academies

All Central and South Florida high school juniors interested in competing for appointment to one of the nation's service academies are urged to be in Lake Wales Dec. 26, U. S. Rep. L. A. "Skip" Bafalis said.

Representatives of the U. S. Military Academy, U. S. Naval Academy, U. S. Air Force Academy and U. S. Coast Guard Academy will be on hand at Lake Wales Senior High School that day to outline the procedures involved in competing for an appointment to one of the academies.

The program will begin at 2 p.m., with a short presentation by each of the four academies, followed by group discussions headed by representatives from each of the service schools.

In addition, cadets and midshipmen will be on hand to discuss life at the academies, the problems and rewards and the career possibilities.

"If you are at all interested in competing for appointment to one of the academies, this afternoon-long session

should be most helpful indeed," Bafalis said.

Lake Wales Senior High School is located just off U. S. 27 A north of Lake Wales.

Ladies Pro-Am At River Greens

The regular ladies Pro-Am was held at River Greens Golf Course on Mon., Dec. 12. The winning team, with a plus 15½ points, was composed of Doris Yanal, Mary Osborne, Kay Brown and Edith Morgan. The flight winners were as follows: A Flight, Doris Yanal with a plus 6½ points; B Flight,

Marg Osborne with a plus 4 points; C Flight, Margie Wells with a plus 4 points; and D Flight, Edith Morgan, with a plus 5½ points.

Any lady who would like to play in this tournament, is invited to participate. Deadline for entering is 12 noon on Monday of every week.

Winter Guest Club News

Bingo.
On Thursday, Dec. 8, the second Bingo party was held. There were about one hundred members present with everyone having a very enjoyable evening. Fred Frye, Raymond Downing and Lorene were in charge. It is planned to have Bingo once a month on the first Thursday evening of each month at 7:30 p.m.

Pinchle
On Mon. Dec. 5 there were 13 tables of Pinchle with Mary Neale first with 795 and Howard Smith second with 789. On Fri. Dec. 9 there were 13 tables again with Cleon Wells coming in first with 842 and George Burdick second with 756.

Crafts
On Thurs. Dec. 8 fifty five members were in attendance and were kept busy working on several projects. Macramé items are still being made. Other Macramé articles will be introduced in a few weeks. Some beautiful flowers are being made at the Pine Needles table. At another table members were making bows for Christmas parcels while others were making garlands and other decoration for the Christmas season.

Mr. and Mrs. Lloyd Waters are back from the snowy north with a large assortment of Duncan Pearl Ceramic

Acrylics. He has many new numbers of new beautiful figures ready to be painted. Also he has paint in almost any color that one would desire. This was very popular last year and should carry on this year even better. All Christmas projects will be carried on for the next two weeks.

The Pot Luck Supper was held at the usual time on Sat. Dec. 10 with 58 present. Visitors were Mrs. Helen Nichols of Strathroy, Ont. Canada, and Mrs. Irene Pought of Ligonier, Ind., George and Clara Davis and Leslie and Helen Stanley were host and hostesses.

The Christmas party will be Thurs. Dec. 15 at 7:30 p.m. Members are asked to bring canned food for Christmas Cheer. The Mayor will be present to accept the gifts. The program will include music by the Shufflers, a vocal solo, reading and a visit from Santa.

The Christmas dinner will be Sat. Dec. 24, at 5:30 p.m. Members are requested to sign up at the Club house indicating how many plan to attend. Deadline for reservations is Dec. 17.

Membership to-date is 409. For the Winter Guest Club Shuffleboard report, check the sports page of this newspaper.

Harry Lee's Trailer Village

By Mabel Stocker
Mr. John Grunden of Vicksburg, Ohio and Mr. U. T. Ellenberger of Beaverdam, Ohio accompanied by Ruth Parnell and friend have arrived in the village.

Mr. and Mrs. Merlin Derringer returned to their home in Lima, Ohio after spending a week in their home here.

The Audu-Vin Social Club held a spaghetti dinner on Friday. The spaghetti was cooked by Ghula Ayers and the sauce and meat balls were furnished by Sally Gilbert and the remainder of salads and desserts were furnished by the other members. Later cards were enjoyed by many. There were 38 present.

Mr. Cleat Abraham, who was a patient in an Orlando hospital is now home. We wish him

continued improvement.
Mr. and Mrs. Robert McClintock of Stuart, were Sunday evening guests of Mr. and Mrs. Russell Corn.

Mr. and Mrs. Lowell Dunaway of Sebring, visited Sunday evening with Mr. and Mrs. Merlin Derringer and Mr. and Mrs. Ed. Stocker.

SPECIAL SESSION
The French-American crisis caused President Adams May 15, 1797, to convene the first special session of Congress.

FLOOD CONTROL
The Flood Control Act was adopted May 15, 1928, providing for a 10-year levee improvement program in the Mississippi Valley.

Southland Court News

By FRANK WHITE
This court has not got all the regulars in yet, but every few days more arrive. My newcomer neighbors Paul and Cecil Stone arrived the last day of November. Neighbors on the other side of White's, the Rowsomes, will be here soon. An hour ago we saw Bob and Florence Cornell unloading their car.

The past Sunday afternoons Vi Wallace has tickled the ivories on the Recreation Hall piano, which attracted a few of the wanted to vocalize. If health problems don't interfere we will probably hear Vi somewhat more often from now on, as she has promised to be accompanied for some of our local harmonizers.

December 4, was Bea White's birthday, so your scribe had to make the big decision on our eating out: whether to take her to the local hamburger type place or to a pizza emporium. Decisions, decisions.

Mildred Hindesley and Goldia Daun, two seniors who really get around, attended a dinner theater in Orlando Dec. 6 to see "Annie Get Your Gun". Mildred Hindesley's son, Buddie and daughter-in-law, Carol visited here a few days ago then took Goldia Daun with them and all four visited Mildred's sister-in-law Rena Brown in Ormond Beach. They enjoyed a picnic on the beach and also a party in honor of Mildred and Carol.

Ladies shuffle on Dec. 1 was enjoyed by eight, Clara Davis and Claire Ross being the three game winners.

Men's shuffle next day got out the same number, with George Davis and Marvin Tebo three games winners.

Thirteen members attended craft class, at which Mrs. Madeline Clark instructed in making of wallpaper beads. One more class will probably finish this project producing strings of beads for the annual craft show and sale

in March.
Bingo Friday Dec 2 had twenty-two in attendance with the overall prize being divided between Millie Joseph, Harriet Caselle and Goldia Daun. A good time was had by all.

Game night ran into some very uncooperative weather. At game time it was raining so hard few ventured out, so little was done. But remember, this is a regular part of our season program, so we'll see you next game night, and everyone thereafter.

Mrs. Mary Sheffield, of Elmire, N. Y., and her daughter, Mary Jane Harden, R. N. of Pahokee, Fla. were recent visitors at the home of Marvin and Hannah Tebo.

Twenty-four attended morning coffee hour, Dec. 6 even though it was raining at the time. Attendance should be higher. Don't let a little rain keep you away.

Russ and Laura Pooley were finally able to break away from the "wonderful" weather in Michigan, and arrived Monday.

Arent Flint is reported to be a patient in an Orlando Hospital. Mrs. Flint has not returned here after seeing him into the hospital, so we are unable to give the name of the hospital, but all wish for his early return to Southland.

Since reporting above on the disappointing game night, another was held. Thirteen attended and spent an enjoyable two hours playing cribbage, euchre, and aggravation.

More about that dinner theater trip mentioned earlier. Mildred and Goldia report that the show was very enjoyable, the food was good, and of nice variety.

This was a bus tour, so many of the passengers sang a lot of the old songs, as the bus rolled home.

All for this week, health and happiness to all.

1. Card of Thanks.

THANKS to neighbors, friends, and American Legion for kindness during my recent bereavement. Peggy Hinnan SLP

MY THANKS and appreciation to the voters of Avon Park for your confidence in re-electing me as mayor. Sincerely, Marshall Davis

ENJOY CHRISTMAS

JUST LISTED: This extra special, extra large, two bedroom (split location), two bath, CBS home with enclosed Florida room, two car garage, cement tile roof and located across the street from Sebring Municipal Golf Course. This jewel is priced to sell and will not be on the market long.

In the comfort of one of these fine homes.

This lovely four bedroom, three bath, home with large screened patio and pool, formal and informal living areas, two car garage, one acre plus of land and more extras than you can afford to list. Owner says, "get me a valid offer".

Two furnished apartments. One on ground floor and one on eighth floor. Each with two bedrooms and two baths. These apartments must sell before Christmas.

New, three bedroom, two bath, two car garage, CBS home on extra large lot in lovely GOLFVIEW ESTATES.

WE ARE MEMBERS OF THE SEBRING AREA MULTIPLE LISTING SERVICE AND HAVE LISTINGS ON MOST ALL OF THE GOOD HOME BUYS IN THIS AREA.

A KINGSBERRY HOME AT GOLF HAMMOCK IS MUCH MORE THAN A ROOF OVER YOUR HEAD

IT'S A NEW AND EXCITING ENERGY SAVING EXPERIENCE.

We are not fully dressed yet, but we are decent. Contact your broker or call us and see the energy saving features: R13 insulation in wall; R19 insulation in ceilings; double insulated Thermo-Pane windows & glass doors; High efficiency heating & cooling and many more features. All in a private 1 acre, wooded lot in country club setting at Golf Hammock.

ANNOUNCING
ALEXANDERS AND ASSOCIATES, INC.

is now affiliated with **THE GALLERY OF HOMES, a National and International Real Estate Organization.**

This means better service to you by reaching buyers from other sections of Florida and around the Nation and Canada. We can also render valuable assistance to those relocating elsewhere through the many reputable and knowledgeable Realtors associated with **THE GALLERY OF HOMES.**

Our new office in Avon Park on Highway 27 is scheduled to open early in 1978.

Our office to be located on Hwy. 27 in Lake Placid will also open early in 1978.

We are increasing our sales staff. Call 385-0147 to obtain an appointment for an interview. Special training is provided by the professionals at **THE GALLERY OF HOMES.** Extra earnings available through this program in addition to the usual sales commission agreement.

Special Purchase

Model WT5921PW

Quasar 19" COLOR TV

• Brilliant Picture

Our Suprator System™ produces a remarkable 19" diagonal picture. Incredibly sharp, with deep reds, vibrant blues, natural flesh tones — right from the carton.

• Outstanding Reliability

The 100% Solid State "Service Master"™ Chassis with Super Module contains fewer physical parts. Fewer interconnections. Less wiring. So there's less to go wrong, more to go right.

• Low Energy Use

This Quasar Color TV uses slightly more energy than two 50 watt light bulbs (typical)... to help you conserve on electricity.

• Two-Stage Stabilized Power Supply System • In-Line Matrix Picture Tube • Sharpness Control • Automatic Fine Tuning • Provision for Cable TV Antenna

\$375

Our Bombing Range Ladies

KACKI SHOWS US the first picture she made making handicraft items for sale.

Mrs. Kathryn Marie Williams, better known as Kacki, has been sewing for many years. She made all of her daughters clothing and she said that it was such a thrill to buy the material and then see the finished product, and her girls all dressed up.

Kacki became actively involved in making items for sale almost five years ago, and is doing very well. She makes stuff toys, music boxes, latch-hook rugs, needlepoint, crochet's and decorates soaps. As you can tell, she is a versatile woman with many talents.

Her stuff toys, heads, feet and hands are connected with pipe cleaners, and a small amount of fiber filling is used for the body. The patch pig is something that Kacki has recently completed.

Her music boxes and pin cushions are her own design and did not want to reveal the instructions on how to make them. They must be seen in order to be able to appreciate the art work involved.

She makes things that some of us ladies just don't seem to find the time to do anymore, and sells them at a reasonable cost. Kacki also makes cross stitch aprons, napkins, and tablecloths in any holiday design that you want.

During the Christmas season she is busy making items that will sell well although she can make items for all occasions. Some of her items that sell

handbags, she also decorates the soaps in Christmas designs.

"I take small designs and enlarge them for my latch hook rugs, which is the most enjoyable and challenging," said Mrs. Williams.

Kacki and her husband have lived in the Avon Park area for over 20 years. She said that they were fortunate that their girls, Cindy, Amy, and Wanda went only to Avon Park schools, as Mr. Williams was in the service for 20 years. He had two overseas tours but Kacki and the girls stayed here. He is now employed as a nurseryman at the Avon Park Correctional Institute (A. P. C. I.).

Kacki retired in Sept., 1977 from Social Services. She worked eight years at A. P. C. I., and seven as a social worker.

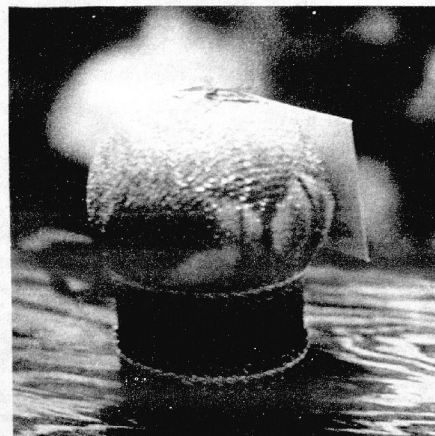

Kacki's trademark is a green frog with the name Kacki Mo, she came by this name because as a small girl when someone would ask her what her name was she replied with Kacki, her middle name is Marie, and her husband sometimes calls her Kacki Mo, and that is now her trademark. "The frog was obtained just by accident," said Kacki.

If you have a design or there is a particular item that you have seen and would like for her to make it for you, she said that it would help to let her know in advance so she would be able to obtain the necessary materials.

PICTURED ABOVE IS her music boxes are a pin cushion that she designed in a similar fashion.

Consumers

Ms. Kathy Lefew, Consumer Services Coordinator, Department of Agriculture and Consumer Services, Division of Consumer Services, Mayo Building, Tallahassee, Florida 32304.

QUESTION: I understand the Division of Consumer Services publishes a free monthly newsletter on topics of interest to Florida consumers. How can I receive it?

ANSWER: "What's Cooking of Consumer Interest" is the free monthly newsletter published by the Division of Consumer Services, Florida Department of Agriculture and Consumer Services.

It is a four-page newsletter containing explanations of federal consumer laws, information articles and news stories of interest to Florida consumers.

To receive the free publication send a post card with your name and mailing address to the Division of Consumer Services, 110 Mayo Building, Tallahassee, Florida 32304, or call the toll-free hot line 1-800-342-2176 and ask to be added to the mailing list.

QUESTION: Recently a door-to-door salesman talked me into buying an expensive magazine subscription package with a total cost of \$142. I've decided I don't want to spend the money now. Is there anything I can do?

ANSWER: It may be too late for you to do anything about your magazine subscription purchase now. Because of the frequent use of high pressure sales tactics in home solicitation, Florida law allows the purchaser a "cooling off period." The "cooling off period" is three business days and does not include Sundays and certain holidays. If you signed the contract more than three business days ago, you may not be able to cancel it.

The law protects consumers from high pressure sales tactics on large purchases. With certain exceptions, a contract not solicited by the buyer and signed at any place other than the seller's fixed business location may be cancelled within three business days. You must write your intentions to the company named in the contract and it is

recommended you use certified mail, return receipt requested.

If you cancel the seller is entitled to keep all or part of any cash downpayment so long as it does not exceed five percent or \$50. Whichever is smaller.

The salesman must show you identification including his name, description and his company's name, address and phone number. This must be in the form of a business card or receipt.

Telephone home solicitations are also included in the right of cancellation.

The exceptions to the right of cancellation are insurance sales, farm equipment sales and contracts valued at less than \$25.

To avoid problems with door-to-door sales contracts, ask the salesman to return at a later date. Use this time to decide if you really want the product. A firm "no, thank you" is the best to save yourself problems with voiding contracts.

Senior Consumer

Some 3,900 requests for the soon-to-be-published "Senior Consumer" newspaper have arrived in the Division of Consumer Services office, according to Agriculture Commissioner Doyle Corner.

"The response to the recent announcement of publication of 'The Senior Consumer' has been overwhelming and most gratifying," Corner says. "The only problem we see at this point is the limitation of 25,000 copies per issue placed on us by the conditions of the federal grant funding this project."

The eight-page tabloid-size newspaper is to be exclusively for Florida's senior citizens and will deal with a variety of consumer subjects.

"The \$50,000 grant funded under the U. S. Older Americans Act through the state Department of HRS will finance the program through June, 1978 for the purpose of informing Florida's senior residents of rip-offs, frauds and con games aimed specifically at them."

Requests to receive the newspaper are still being accepted but Ms. Wilson cautions interested residents that only 25,000 names can be included in the mailing list.

Names and addresses of those wanting to receive "The Senior Consumer" should be sent to Suzi Wilson, Division of Consumer Services, Florida Department of Agriculture and Consumer Services, Mayo Building, Tallahassee, FL 32304.

Sharon completes another macrame hanging planter.

A Christmas present for her mother.

Sharon Moody is the wife of Sgt. Conrad Moody and the mother of three children, Dana, Quinn, and Stacey. They have lived on the Bombing Range for over a year now. Dana and Quinn are presently enrolled at Avon Park Middle School and Stacey is 4 years old.

Sharon is formerly of Freeport, Texas and a graduate of Brazosport, High School. Being in the service the Moody's have moved around quite a lot, living in Texas, Oklahoma, Kansas, and Arizona, and when Conrad was sent to Vietnam, Sharon with Dana and Quinn stayed with her family in Texas. Stacey joined the Moody family while they were stationed in Phoenix, Arizona.

The Moody's home is filled with macrame hanging planters, that she has made herself, and some are her own design, as she has changed a few of the knots and bead designs. She likes to be creative in her work. Sharon became interested in this handicraft while they

were stationed at Phoenix, Arizona.

Classes were offered on the base, and she wanted to learn. "Macrame was a big thing in Arizona," she said. "Everywhere you looked there was macrame." Mrs. Moody makes her hanging planters not only for her own home but for gifts as well. She is in the process of making a planter as a Christmas present for her mother. Her talents are appreciated, as some of the ladies on the Bombing Range ask for help in making their macrama planters, and wall decorations.

Sharon is also actively involved with her church, as she helps with Ateens, which is a group of young girls studying about missionaries and the missionary program. Among her other hobbies are ceramics, chenille designed crafts, gardening, racquetball, and softball. Last year she played second base, on Scotty's Furniture Barn ladies softball team.

Cooking Corner

Annie Lee Spires shares Style Cornbread Dressing. her recipe for Southern

1-8 inch pan of cornbread
1 1/2 teaspoon poultry seasoning
1 teaspoon salt
3/4 teaspoon pepper
1/2 teaspoon sage
1 1/2 cup celery diced
2 cups onions diced
1 1/4 cups pecan chopped
2-3 eggs
1/2 cup melted butter
1 cup broth (chicken or turkey)

Crumble the bread in large bowl, add onion, celery and seasoning, add enough hot broth to make a soft mixture. Mix well, add eggs, butter, and pecans, mixture should be very soft, to allow for loss of moisture during baking. Add more broth if necessary, pour into greased pan and bake at 350 degrees for one hour.

Bread for dressing should be at least one day old.

This recipe is from the kitchen of Annie Lee Spires. She is also a cook at the bombing and gunnery range cafeteria. She has worked there for 9 years, three as a food service worker and 6 as a cook.

Annie Lee is the wife of Milton Spires and they have three daughters, Betty Ann Tomlinson, Barbara Baucom and Margerie Cannon. Her hobbies are fishing, bowling and coin collecting.
