American Legion To Hold Roadblock

Ralph Caraway, Commander of American Legion Post 69, Avon Park, announced today that a full complement of Legionnaires had volunteered for the annual Roadblock for the Retarded to be held Saturday, Feb. 12 in downtown Avon Park. This marks the 23rd consecutive year of the project by the Post. Roadblocks will be manned at all four corners of Lake Ave. and Main St. in the downtown business district. In addition Legionnaires will be stationed at the Pantry Pride and Avon Square shopping centers to accept contributions from area citizens. The roadblock will commence at 9 a.m., and last until 4 p.m. Checks as well as cash contributions will be accepted. Checks should be made out to Ridge Area Association for Retarded Citizens.

Lions To Man "Miracle Worker" At County Fair

The Avon Park Lions Club will be manning a "Miracle Worker" booth at the Highlands County Fair from Tuesday, Feb. 15 through its final day. Fair visitors will be told how each can qualify as a bona fide "Miracle Worker" through the Lions gift of sight, Eye Bank, program.
 The Florida Lions Eye Bank makes the gift of sight a reality by collecting, preserving and making eye tissue available to those whose sight may be successfully restored by corneal transplant. Its supply of corneal tissue is totally dependent upon the people of Florida and their willingness to donate their eyes through formal eye wills filed with the

Eye Bank.
 The Avon Park Lions are committed to actively supporting the role of the Eye Bank, both financially and in the solicitation of eye wills. Its members are prepared to answer any questions the fairgoers may have as the how the Eye Bank is organized, its major purposes and how it works.
 The Lions will urge each fairgoer to stop and talk a bit about the Eye Bank. But, more importantly, they will urge them also to become a true "Miracle Worker" and give the gift of sight by signing an eye will form at the booth.

Rev. Senneker...

To Speak At First Presbyterian

"Themes of the Bible" will be the general topic of a series of messages, February 13-17, at the First Presbyterian Church of Avon Park. The Reverend Jan Senneker, pastor of the Community Chapel by the Sea, Melbourne Beach, will lead the "Special Services." The "Special Services" will emphasize the proclamation of the Word of God. John Wright will lead the music. Doris Albrecht is the church organist and Clara Roon, the church pianist.

Rev. Senneker

At the Sunday morning worship service on February 13, at 11 o'clock, Pastor Senneker will speak on the theme, "God's Masterpiece" (He Creates Man). There will follow five nights of service at 7:30 p.m. The nights and topics are as follows: Sunday, "Disaster Strikes" (Fall of Man); Monday, "God's Way Out" (Redemption); Tuesday, "God's Love and Care" (We are His People); Wednesday, "Our Only Comfort" (God's Peace, Now); Thursday, "Our Only Hope" (The Second Coming of Christ).

Pastor Jan Senneker was born in the Netherlands in 1937 and received his primary education in that country. In 1960 his family moved to

Canada and he entered the Reformed Bible College in Grand Rapids, Michigan, graduating in 1960. His first pastorate was in Beaver Dam, Wisconsin. In 1961 he was sent to Australia, where he served a number of small churches in rural areas. During 1964 and 1965, as president of the

pastorate was in Beaver Dam, Wisconsin. In 1961 he was sent to Australia, where he served a number of small churches in rural areas. During 1964 and 1965, as president of the

church's Youth Federation, he covered much of Australia, speaking and teaching. In 1965, he returned to the United States and entered Covenant Theological Seminary in St. Louis, Missouri, graduating in 1972. He served the Associate Reformed Presbyterian Church in Elsberry, Missouri for three years. He also served a pastorate in Baltimore, Maryland where there was an extremely active program for young and old, and a radio ministry. In January of 1978 he became pastor of Community Chapel by the Sea of Melbourne Beach, Florida.

Pastor Senneker and his wife, Ruth, have two daughters, Linda 5, and Valerie 2. They had two other children; Daniel 15, and Judy, 14 who were struck and killed by an automobile shortly after their practice—Wednesday.

Twelve "House Meetings" in the homes of the congregation of the First Presbyterian Church have been held preparing for the "Special Services", February 13-17. A cordial invitation is extended to all to attend the services.

The First Baptist Youth Choir To Attend PraisFest '77

The First Baptist Church of Avon Park is among 14 Florida churches that have pre-registered to send its youth choir to PraisFest '77. The event will be held at Stetson University on March 26 and is sponsored by the Florida Baptist Convention.

Paul Bobbitt will direct the event. "Program plans are nearly complete and advance registration is moving as expected," toward the attendance goal of 5,000 youth and youth leaders," Bobbitt explained. Bobbitt claimed that never before have so many Baptist youth been assembled at one time in Florida.

The program will begin at 8:30 a.m. and end at 4:00 p.m.

Episcopal Women Have Pancake Day

It's time for just one more reminder of that famous day, Shrove Tuesday, Pancake Day. It is sponsored by the Episcopal Church Women of Avon Park. This event is being held on Tuesday, Feb. 22, in the Parish House of the Church of the Redeemer, on the corner of N. Verona and E. Pleasant Streets, Avon Park.

Serving will start at 9 A.M. and will continue to 2 P.M. Grapes, fruit, pancakes, sausage, and coffee complete the menu. These most delicious cakes are made from scratch

and once they've been tasted they are never forgotten. An added attraction will be a baked goods sale with all home made goodies. Come early, they go so fast.

Fisher Presents Concert

Wed. Feb. 2, Mr. Nevin W. Fisher, a Professor of Music at South Florida Jr. College, presented a very fine concert of Macdowell compositions much to the enjoyment of the Women of the Union Congregational Church and their guests.

Before the concert a lovely and delicious luncheon was served by Mrs. Helen Dickinson and her committee to about 65 members and their guests. This was a birthday

party honoring all who have birthdays during the year. Tables were beautifully decorated by individual hostesses, one for each table. The cost of the luncheon was a bath towel and washcloth. These will be sent to Uplands in appreciation to the Nazareth Children's Home in North Carolina, two of the Missions of the United Church of Christ.

The next meeting will be March 2 with a luncheon at 12:30.

World Day Of Prayer March 4

World Day of Prayer is celebrated on the first Friday in March by Christian women all over the world. Avon Park is glad to have a part in this significant celebration. Services will be held at 7:30 p.m., March 4, at the Union Congregational Church, United Church of Christ, on Forest Ave.

Men, women and children from all churches will participate and are urged to attend this service of prayer and praise. Mark your calendar and watch for further announcements. Invite your friends, bring your neighbor.

Home Visitation Has High Regard At Middle School

The Home Visitation Program is held in the high regard by a staff member of the Avon Park Middle School, who has gone on record to recommend the program proposed and put into operation this year by Dr. Dan Davis, Superintendent of Highlands County Schools.

The teacher, David Baty, claims that the program is helping to change attitudes

toward the schools and their programs in positive ways by establishing new lines of communication with the parents and the schools. Baty, who is making an effort to visit many parents, feels that he has new insight into the area of communication between the home and the school which will benefit the student.

"Parents are doing their very best in helping the child at home and are genuinely interested in how they can help the schools in working with their child," Baty says.

"I have been received warmly in the homes of children I visited and enjoyed the opportunity to reach a student's parents in order to help a child," Baty continued.

Baty feels that the program is a new look into solving the problem of how to bring concerned parents and teachers together in an effort to strengthen programs in the school.

OUR GREATEST LEADERS HAVE BEEN GUIDED BY FAITH

The leaders and founding fathers of free nations who are remembered and honored throughout their country's history have all had several things in common, despite their differences in personality and temperament. Without exception, they have been men of strong character, with an unselfish devotion to duty, a determination to overcome every obstacle and a complete subordination of all personal glory to the best interests of their country. They were men with a kind of principle that is hard to find today, and this was largely a result of their faith, upon which they depended for guidance during the dark hours of adversity. Attend the Church of your choice and learn some of this faith with which our revered leaders gave us our priceless heritage of freedom.

One language held his heart and lip,
Straight onward to his goal he trod,
And proved the highest statesmanship
Obedience to the voice of God.
—John Greenleaf Whittier

The Ridge Area Day School...

photos, text, by Vi Marrow

for developmentally slow learners

A very special school is located in Highlands County—Avon Park to be exact. Perhaps you've heard of the Ridge Area Day School but were mystified as to what it represented. Actually it is a school for children, ages two through six, who are considered to be developmentally slow learners, and also those who have mental handicaps.

Presently the Day School has nine enrolled, one-half of which are considered retarded. The others are handicapped by developmental problems.

Developmentally slow learners are not grouped into one category. For example, a child could be developmentally slow in speech. His speech may be unintelligible or he may not be speaking at all. Possibly a child is physically handicapped and this would qualify him for training at the Day School. He would be considered physically developmentally slow, and physical therapy would be administered. If a child is deaf and doesn't receive training he will become developmentally behind. He would not be considered retarded but, rather, deaf. At the school he will receive "total communication training," which will encompass lip reading and sign language. A deaf child presently enrolled has been learning reading and writing since age four. Visually blind children can also find assistance at this school.

A significant problem arises when parents are not able to see that something is wrong with their child. It is not unusual for parents to discover handicaps until their child is between two and four years old.

Another problem in reaching needy children lies in the recruitment process. Too many times the only way parents discover the Day School is through those who have had personal contact with it. Newspaper coverage has

helped, but when one considers that over 2 per cent of a given population has some type of handicap, it is clear that many more children in the area are in need of help.

If a parent discovers their child has a problem it is important to contact a doctor, and then call the Ridge Area Association for the Retarded Citizens for help. The requirements for admission into the Day School are that the child be in the age range, and have a developmental or retarded handicap.

The Day School really serves as a clearing house. Not all children who have attended may go straight to public schools. For instance, a deaf child may have to go to a school for the deaf. A profoundly retarded child may go to an institution or receive shelter care. The majority of the children go to a public school program. In public school, classes for the retarded or those with other disabilities are made available. Mainstreaming into the public classroom may, however, create a few problems. The Day School attempts to make the transition as smooth as possible.

School hours are from 9 a.m. through 2:30 p.m. Monday through Friday. Transportation is provided for the children and soon the bus will also pick up a child in Frostproof. Presently one aide, Penny Milton, assists the teacher, Marilyn Burchell. As the school expands, more aids will be hired.

Marilyn Burchell has created an "Open Door Policy," for the program. She hopes to reach the residents and other professional people in the area. They should see this program in action for themselves. "It is important because a lot of people are afraid of the name, 'Association for Retarded Citizens,' and they're not sure what is behind the door. . . . A lot of people have never had the experience of being with these delightful children."

Nailin' The 'What To Do Blues'

photos, text, by Vi Marrow

When the "what to do blues" struck retired Frank Hillmeyer a year ago, he found an effective combatant. He looked at a picture of a doll house and chuckled, "Ha, I can do that too."

Now, the amazing fact is that Frank had never built a thing. But with a determined heart and hands he struck the first nail and cut the first piece of wood that eventually resulted in a lovely two story Dutch doll dwelling. Then to complete the house, he constructed the furniture while his wife, Mary sewed the curtains.

The doll house was a real charmer, and it deserved to be given to one of the Hillmeyers appreciative grandchildren. Frank began making doll houses in different styles. They were all equally

outstanding. A couple of these went to other granddaughters as the Hillmeyers have no children of their own.

Altogether he has made seven completely furnished models within one year. The largest one measured 5 feet long, 18 inches deep, and 27 inches high. The Dutch one displayed two sets of sliding glass doors. Some of the others have had lighted fixtures.

Mary is proud of her husband's accomplishments. She reflects, "It keeps him happy . . . as time was hanging heavy on his hands."

Why with Frank's enthusiasm and Mary's support who knows what lies ahead. Builders may really have something to worry about.

Bonnie Brae Mobile Park News

By Margie Wells
There were 64 at our coffee hour last week and everyone had a good time. A humorous article was read by Ford Griffin and Ron Boyer told a "fishing story." It was good to have the Boyers and Rachel Sturman back with us.

At the Friday evening

showing of slides in the rec. hall, Emily and Frank Webster began a series of their trips around the border of the United States. Starting with Florida they showed a number of scenic campgrounds where they had stayed, sleeping in their station wagon and cooking outdoors. Included

were slides of a 3-day visit to the Chalo Nitka (Big Bass) festival which is held annually in early March at Moore Haven and bird watching slides along the southwest coast.

In Englewood, they camped at a trailer park on the Gulf and its many activities prompted them to stay a while

(actually for 20 years) before having to leave because of the effects of the Red Tide on people with respiratory difficulties. They then showed slides of Dade Battlefield, the Singing Tower and other points of interest with the final slides of Florida showing the white sands of

Panhandle. The next showing will be of places along the Gulf Coast and in the Southwest.

Mrs. Kenneth Hamlin of Lake Mohawk, Malvern, Ohio, has been the guest of Sallie and Steve Bohachyk this week. Ruth Smith and Verda Miller were dinner guests of Ellen Hunt on Thursday Evening. We hear Ellen is a good cook!

John and Esther Krafjack of Janesville, Wisconsin, and Mrs. Mollie North of Edgerton, Wisconsin, arrived unexpectedly on last Tuesday. Mollie is the daughter of Myrtle and Earl Montgomery (former residents of Bonnie Brae) and John and Esther are visiting her father, Roy Podewels, for their winter vacation. With all our cold, they are raving about the lovely warm weather!

The respiratory infection that has affected so many residents of Avon Park hit four of our residents this past week. Dessie Jones, Thelma Miller,

Ethel Putman and this reporter were all laid low but we are all recuperating and glad to be out again.

Dorothy and Karl Hart showed slides of their northern home last week with Stella and John Berry of Avon Park, Leona and Bill Clever of Sebring, and Mrs. Olive Bectel of Bonnie Brae as their guests. Incidentally, Dorothy and Karl, not to be out-done, after they lost their marigolds due to the cold weather, planted a garden and now have lettuce and radishes starting to come up!

Don't forget to sign up for our Valentine's dinner at 1 p.m., next Monday (the 14th, of course!) in the rec hall. It is to be a lazy dinner with all the trimmings right down to cherry pie for dessert and promises to be a lot of fun. So, you'd better get your name in the pot real quickly.

Heart Attack Signal Sometimes May Be Mistaken For Indigestion

Are you having a stomachache or having a heart attack?

Wondering whether a pain in the upper abdomen is the beginning of a heart attack or just acute indigestion can cause a fatal delay, says the Florida Affiliate of the American Heart Association.

Reducing the deadly delay of decision time is one aim of the Heart Association.

"The heart pain in the abdomen, according to Dr.

Jack Greenberg, president of the Florida Affiliate, "may be accompanied by nausea or vomiting, making it easy to confuse a heart attack with indigestion. The upper abdominal pain of heart attack usually is felt where the lower ribs meet the breast bone."

Heart pain also can be in the center of the chest, arms, jaws, neck or back, according to the Heart Association. It can be accompanied in all, or any, of these areas by nausea,

vomiting, sweating or shortness of breath.

The impact of this educational campaign by the Heart Association was shown in one case when a woman, 50, arrived at a hospital emergency room at 3 a.m. She had pain in the upper abdomen and behind the breast bone, extending into the back.

She explained the pain as

being "exactly like the newspaper described one kind of heart attack pain last evening."

Sure enough, her half-hour episode of pain, with sweating, nausea and vomiting did turn out to be a signal of heart attack.

More importantly, she escaped without having the full development of a heart attack.

Central Florida Loans Available

The Farmers Home Administration is now making emergency loans in thirty-five (35) counties in Central and South Florida. FmHA State Director Claude L. Greene, Jr. said today. These counties have been designated by President Carter as a result of severe winter weather.

Farmers (and ranchers) in Highlands County, Florida, who sustained production or physical losses as a result of the severe winter weather which struck during January 1977 may be eligible to receive an emergency loan from the Farmers Home Administration (FmHA).

Those who have not received an emergency loan to assist them in recovering from their loss may apply for such a loan at the Farmers Home Administration county office at 303 N.W. 2nd St. Okeechobee, before close of business April 1, 1977, for physical losses and October 31, 1977, for production losses.

Individual examination will be made of each application to determine type of emergency loan benefits for which the applicant is eligible.

Farm emergency loans may include funds to repair or restore damaged farm property as well as reimburse applicants for expenses already incurred for such purposes. Loans based on qualifying production losses may include funds to reimburse applicants for production expenses which went into damaged or destroyed crop and livestock enterprises, and to produce new crops. Payment terms depend on the purposes for which the loan is used and the applicant's payment ability.

Film To Be Shown In Lake Wales

"Sky Island: Arizona's Chiricahua Mountain Range", the subject of a film to be shown by Robert E. Fultz, is one of the Audubon Wildlife Film Series sponsored by the Ridge Audubon Society, and will be shown February 18 at 8 p.m. at the Lake Wales High School Auditorium on Burns Avenue.

"Sky Island" weaves through the Chiricahua and the abundant variety of its wildlife-the coast-mound and javeline, Coppery-tailed Trogons and jeweled humming-birds. This mountain range in southwestern Arizona holds more varied wildlife, vegetation and climate than any other area of comparable size on the North American continent. Dry desert surrounds the mountain range, but within it are many tumbling streams, cascades and quiet pools.

Survey Claims One In Ten Is Jobless

According to a recent state survey, approximately one out of every ten Highlands County residents in the labor force is unemployed.

A study published by the Florida Department of Commerce reveals that while the county has a civilian labor force of 11,920 persons, 1,103 people are on the unemployment rolls.

The listed unemployment rate for Highlands is 9.3 per cent, which is not one of the highest in Florida, but is over the state average of 8.9 per cent.

Of the surrounding counties, only Okeechobee, with a 14.6 per cent unemployment rate the highest in the state, is higher than Highlands. Okeechobee supports a labor force of 4,906, with 717 on the unemployed list.

Polk is the only area county with more people working than Highlands, but its unemployed are almost as numerous as the entire Highlands work force. Polk has 9,384 unemployed, with a labor force of 116,185, for an 8.1 per cent rate.

Hardee has the highest unemployment of only 5.4 per cent, one of the lowest rates in the state, with 335 of its 6,225 force out of work.

DeSoto has 338 unemployed of its 5,289 workers, for a 6.6 percentage, and Glades has a 7.1 per cent unemployment, with 171 of its 2,361 looking for work.

The easiest place to find a job in Florida is apparently Union County, which has the lowest unemployment rate in the state with a 2.2 per cent. While supporting a labor force of 4,822, only 101 persons are out of work.

Statewide, there are 303,882 unemployed

News Notes From Lake Bonnet Village

By Marion Gregory
The craft show sale and flea market will be held in the Rec. hall on Thursday, February 24 from 10 a.m. to 5 p.m.

The public is invited to attend. Lake Bonnet Village is located about half way between Avon Park and Sebring.

Cliden Cori who has been a surgical patient at Highlands County Hospital, returned to the park on Wednesday and is

making satisfactory recovery.
The Rev. Jesse Ray, retired minister from Avon Park filled the pulpit at church services Sunday morning.
Many new people have arrived at the park recently among them are the following from Illinois:

Mr. and Mrs. Loyd Collins, Mr. and Mrs. R. W. Haller, Mr. and Mrs. N. Wetterland, and Mr. and Mrs. William Carnes.
From Ohio: Mr. and Mrs. Balmer Scott, Mr. and Mrs. James Holster, and Mr. and Mrs. Clarence Wilson, and Mr. and Mrs. Paul Martinson.
From Pennsylvania: Mr. R.

S. Reese, Mr. and Mrs. W. A. Holkman, and Mr. and Mrs. Wade Eutsey.
From New York: Mr. and Mrs. James Babcock and Mr. and Mrs. John Galley.
From Oklahoma: Mr. and Mrs. E. A. Englebert and Mr. and Mrs. Evans.
From Delaware: Mr. and

Mrs. Garrett Grier.
From Indiana: Mr. and Mrs. Earl Kuhn.
From Vermont: Mr. and Mrs. Warren Fox.
Mr. and Mrs. Max Mason from Iowa, Michigan visited the first part of the week with Arizona to visit a son and daughter before returning to their home in Indiana.

meeting of the Lake Bonnet Fun Club will be held Friday at the Club house at 7 p.m. All residents of the village are invited to attend.
Mr. and Mrs. Handy left the park on Monday enroute to Arizona to visit a son and daughter before returning to their home in Indiana.

Dependent Child Cases Heard

Six of the 10 hearings held in juvenile court last week involved dependencies rather than delinquencies.
In three cases the children were removed from dependency classification. In one of these Children and Youth Services (CYS) was relieved of supervision responsibilities. In another of these the children were returned to custody of the parents, but CYS will supervise.

Two change of custody hearings were held. In one of these CYS was given custody of the children.

One of the dependency hearings was continued because the family is currently involved in divorce proceedings.

A juvenile charged with aggravated battery pleaded guilty. Disposition of this case was delayed pending completion of a report from CYS. A juvenile accused of assault was adjudicated delinquent and continued on probation.

A youth who had been charged with violation of probation was continued on probation.

A juvenile who had been arrested for disorderly intoxication and resisting arrest with violence pleaded guilty to both counts. Jurisdiction was transferred to Dade County.

Avon Park's Key Club Takes Part In Olympiad

Local chapters of Key Club International from all over central Florida were the guests at Bartow Civic Center, Saturday, January 29, and participated in the first annual Key Club Olympiad.

Our own Key Club was well represented by a nine member team consisting of John McKunas, Bill Tharpe, Eddie Garner, Mark Myers, John DuPriest, Parker Sutherland, Arnold Wilson, Mike Ryan, and Charles Oliver.

Although first place was not captured in any event, the following statistics show the team's determination.

In individual sports, John DuPriest brought in a fourth place victory by bench pressing 195 lbs., Mike Ryan, varsity cross country member at APHS, jogged his way to second place in a mile run, only being outdone by the top runner on the fifth ranked cross country team in the state of Florida, Bill Tharpe and John DuPriest each tied for third place in chipping, a golf event where the ball is hit into a metal tub 40 yds. away, while Eddie Garner finished third in a single's tennis event.

In group sports, AP was defeated by the score of 6 to 1 in softball, and only 5 to 0 at football.

Steve Day
If you've got work around the house, and just don't feel like doing it, you're in luck.

The Avon Park Key Club will hold a Save Day on Saturday, February 19, with all proceeds from this activity going to the APHS Track Team for a badly needed pole vault pit at Memorial Field.

If you do have some type of work available, please contact any Key Club member, or call John McKunas at 433-7937, or Jim Lanier at 433-3296 as soon as possible.

Set Swiper Sentenced

An Avon Park man has been ordered to state prison for two years for stealing a television set. Sonny Owens was adjudged guilty of burglary and grand larceny.

Judge Clifton M. Kelly has imposed sentence on the latter charge and ordered probation, to follow the prison sentence, on the burglary charge.
