

Hip From City Needed To Install Traffic Lights

What's going to be done about the U.S. 27 when people get in and out of the shopping square at Center is a question have

asked since the first stores opened last year. Recently Earl Jackson, manager of the J. C. Penney Co. store wrote to Governor Ruben Askew requesting that

"something be done" about the traffic situation on U.S. 27. Jackson received a reply from an assistant, Harvey Cotton Jr. stating that the DOT (Department of

Transportation) did a study on Jan. 21-22, 1976 at the height of the tourist season (Gran's not open) and the traffic count didn't justify a signal. Furthermore the city refused to participate in the cost of a signal and did not agree to maintain or furnish power for it.

The letter continued that the city must agree to pay 40 per cent of the installation cost of a signal, must agree to maintain the signal and must agree to furnish electric power before the DOT can initiate installation of a signal.

However, John Gust has the opinion that something must be done about U.S. 27 sooner or later, preferably before somebody gets killed at the shopping square entrances or exits on U.S. 27.

Gust speaks from the experience of four trips daily to the shopping center for the last three or four weeks as he takes

his wife to work and picks her up.

He told of the 55 mile per hour speed limit in front of the shopping center both north and south bound traffic and stated it could be slowed down.

Gust felt strongly enough

about the growing traffic problem that he and his sons, Scott and Gary in three hours last Friday afternoon, on a makeshift table at the store center, had over 500 people sign a petition that something be done about the traffic problem on U.S. 27.

On Wednesday, Gust plans to give the petition and signatures to Mayor Marshall Davis, who in turn will present the matter to the Avon Park City Council.

In the meantime more rubber is being left on U.S. 27 as motorists and truckers hit the brakes, hard, to slow down for someone in front of them — particularly in the northbound traffic lanes.

A MINOR traffic congestion with seven cars trying to leave the Avon Shopping Center. During rush hour on Friday and Saturday the traffic

congestion is much worse according to nearby service station workers. Sunphoto by Lew Miller.

GETTING HIS FIRST haircut, 20 months old Thomas Mason Crafty Jr. apparently is interested in what's going on or maybe coming off as Larry Albritton shortened and thinned his hair. Thomas' father is a Senior Airman in Air Traffic

Control at Altus Air Force Base in Oklahoma. His grandmother made his policeman's uniform from grandfather's (Capt. Frank Crafty) old shirt and trousers, complete with patches and badge.

Organizational Meeting

3 Councilmen Take Oath

Following the swearing in of Larry Albritton, David Barfield and Kelly Phillips as city councilmen at the 9 a.m. council meeting at 9 a.m., Monday, Jan. 3, the three new councilmen were told, "now that you have been sworn in you may later be 'sawed'."

In the organizational meeting of the new council, Robert Britt was unanimously elected president of the Avon Park City Council for a one year term and on taking the president's chair Britt stated, "I hope you can do as good a job as the two previous council presidents."

Second term councilman Larry Albritton was elected as council vice-president. Before the appointment of the city attorney, Jim Hancock (city attorney for eight years) told the council it was their job to make the city a better place to live and it been fine to share in this. After Hancock had left the council room he was appointed as the city attorney. Upon Hancock's return to the council room he was told to get the council ready and set the date for his

barbecue for the council had to be changed because of a wedding.

In a statement following the council meeting Robert Britt said "that for the

coming year he would like to see the following accomplished: The beautification of the Mall continued; more sidewalks built, especially where

children walk to school; continued applications for federal grants and trying to attract small industries to increase job opportunities in Avon Park."

AVON PARK CITY councilmen took the oath of office Monday morning as administered by City Clerk Malcolm

Crews. From the left, Larry Albritton, second term; Kelly Phillips and David Barfield (both first term) With

Councilman Milton Howard seated. Sunphoto by Lew Miller.

Avon Park Precinct One

Effected Most By Redistricting

The county is for some re-alignment of voting precinct lines, which will eventually mean redistricting of the entire county, ending the areas covered by individual commissioners.

Election Supervisor Jimmy Whitehouse told the county commissioners Tuesday morning that the Federal Census Bureau is wanting all counties to change re-voting precinct

lines, so that the boundaries run along sight lines visible from the ground.

As it stands, many of the precinct lines are formed by sectional lines marked on county maps.

With the lines as they are now, Whitehouse said, "When a man comes into the office and wants to know what precinct he's in, I can look at the aerial maps and tell him, even if he's out in the middle of nowhere."

He explained that the reason the census bureau wants the sight lines is that the census takers determine the county's population by counting the number of residents in each voting precinct.

Therefore, when the 1980 census is taken, the pollsters can tell by looking at visible boundaries such as waterways and roads, exactly what precinct they are in.

Said County Attorney Robert Dunty, "All the counties in the state were screaming about the last census. This will be a pain, but we will get a better census out of it."

Whitehouse said the state is giving the county until Feb. 1 to submit the revised precinct lines.

The redistricting of the commissioners' areas will follow the

Top Commission Problems In '76

Battle With Air Force - Trash

The Highlands County Commissioners spent 1976 waging war against the Air Force and a higher budget, which they apparently won, and on the mandatory trash pick-up program, which is still undecided.

The feud with the Air Force was part of a continuing saga which began in 1975, over who would pay to replace the rotting wooden bridge on SR 44 leading into the Avon Park Bombing Range.

However, the war mushroomed in 1976 as the availability of the range for recreational use by county citizens became an emotional issue.

At the first commission meeting in 1976, C. J. Buddy Wise told other commissioners that in the closing days of hunting season, officials at the range, "Claimed the hunters were setting fires and just ran everybody out of there."

The board agreed that the government-owned tract should be opened for recreation when not occupied by the military, and sent letters to the county's national legislators and the range commander, Lt. Col. Donald Griffing.

A month later, four Air Force colonels came to the commission meeting, explaining their side of the issue. Griffing outlined the various uses of the range, and told commissioners how funds for the bridge must be appropriated.

The commission in the meantime received several letters from the national representatives, indicating they were doing all they could to resolve the

matter. L. A. "Skip" Rafalis wrote that the government should be able to pay half the cost of the bridge replacement.

At the end of February commissioners toured the bombing range and discussed the problems with Griffing, who said the Air Force probably would be able to fund half the bridge replacement, and that the range would issue a bulletin as to when it would be open for hunting and camping.

In June, Rafalis wrote the board that the military should be able to pay for 75 per cent of the bridge replacement, and later in the summer, it was confirmed the county would only have to pay one-quarter of the \$129,000 cost.

Just when all appeared to go tranquil with the Air Force, another issue roused the commissioners' ire: the Air Force was requiring that all "hunting buddies" be licensed and inspected and operated by a licensed driver. Furthermore, they were to be confined to existing roads.

At year's end, the preliminary engineering work was being done for the bridge replacement and the Road and Bridge Department had completed stop-gap repairs designed to make the controversial bridge over Bonnet Creek hold together just a little while longer.

A Question of Garbage Early in January, the county's Landfill Committee, formed in 1975 to find a solution to the solid waste disposal problem, reluctantly concluded that the only way the central landfill concept

Persons Applying Pesticides Must Be Certified - Classes In Avon Park

The Federal Government has mandated that anyone who applies restricted pesticides must be certified to do so by Oct. 21, 1977 and Highlands County Agricultural Extension Director, Tim Hurn, pointed out that all agricultural products the county will need out-of-state training, especially to apply restricted pesticides as announced a fifteen training program for certification.

Certification is necessary for the owner of a private ownership, partnership, corporation, etc., who supervises the use of restricted pesticides in their area. Under the law, Florida

has three classifications of persons who will be certified to apply restricted pesticides. They are: Private applicator, commercial applicator and public applicator.

The private applicator means a certified applicator who uses or supervises the use of any pesticide which is classified for restricted use for purposes of producing any agricultural commodity on property owned, rented or controlled by him or his employer or if applied without compensation other than trading of personal services between producers of agricultural commodities on the property of another person, subject to the rules and

regulations adopted under authority granted by this law. Commercial applicator includes commercial spray companies, custom applicators, caretakers, etc., who uses or supervises the use of any pesticide for any purpose or on any property other than as provided by the definition of "private applicator."

The public applicator refers to any individual who applies pesticides as an employee of a state agency, municipal corporation, public utility or other governmental agency. The private applicator can obtain certification by home study. A home study manual, a set of questions and application for certification

can be obtained by contacting Doyle Conner, Florida Department of Agriculture, Mayo Bldg., Tallahassee, FL 32304. Or one can attend a training program conducted by the Highlands County Extension Service, who will certify that you have received the training and Commissioner of Agriculture Conner will issue your applicator permit. There is a \$3 registration fee for materials and supplies. There will be a county pesticide certification training for private applicators held for residents of the northern end of Highlands County held at the Avon Park Courthouse Annex Building on S. Lake Ave. in

Avon Park City Council Holds Last Meeting Of 1976 With Praise

The 1976 city council members closed their last meeting with praise and comments of good work and cooperation of their fellow councilmen and department workers. On the business side of the meeting, City Clerk Malcolm Crews reported that telephone bids were taken on the loading and hauling of shell from the Butler Ranch to the Ballpark complex. It was moved by the council to accept the bid of Jean Whitaker for loading at 25 cents per yard

and hauling at \$2 per yard. City Attorney reported that a new lease (airport) had been prepared and would be mailed to James Renfro today (Monday). Council president Ed Touchton told the council of problems with the building inspector C. W. Ellerbee, that earlier complaints had been received about him while others felt that Ellerbee was doing a good job. This matter had been worked out between the council and the competitor

Board. However additional problems had occurred. Councilman Milton Howard stated that since since Ellerbee was not here to defend himself he did not think the council should take any action and moved to table the matter, which was seconded by Wendell Williams. City Attorney Hancock reported that C. W. Ellerbee had retained Attorney Jim Kelly to represent him at the meeting. It was his opinion

(Hancock) that in order for the council to fire the building inspector they would need to give a specific list of charges and the opportunity to be heard. The motion to table the matter and second were withdrawn and the same councilmen Howard and Williams moved and seconded a motion to proceed according to the advice of the city attorney, to present charges for holding a hearing on the Building Official C. W. Ellerbee. The motion was passed unanimously. Attorney Jim Kelly requested a letter from the city council and a list of the charges. Hancock replied that the minutes of the meeting and a list of charges would be appropriate in the matter. After its organization, the new council moved to reaffirm the actions against the building official C. W. Ellerbee and hold a hearing on the matter. In the call for any other old business, Councilman Williams stated he felt this was a progressive, conservative council in which he took pride in serving, that they had made an honest effort with the intent to do what was right. He felt that good work on the sewer project had helped make it move along better than it could have. Council president Touchton stated he appreciated the work of the departments and everyone who worked for the city and for the 100 per cent participation of every department. He felt that the two new men, Barefield and Phillips were good men and urged the citizens to get out and vote and come to the council meetings. He then turned the gavel over to Mayor Marshall Davis to reorganize the new council.

THE 1977 CHAMBER OF Commerce officers get together for a quick look at the coming year's activities. With president James Cravey, seated. From the left: Betty Jordan, treasurer; Clarice Ford, assistant treasurer and secretary; James Crabtree, second vice-president and Dr. Ronald Sevigny, first vice-president. Sunphoto by Lew Miller.

'Fact'

By Alice Smith

There's an unwritten law in our society which decrees that families shall convene on Christmas Day. As often as not, the edict inflicts fatigue, quivering nerves, and indignation on those who follow it. Especially on aging grandparents, who will admit to none of these things and slavishly adhere to the Law. Occasionally, though, the day is saved, and quite by accident. We drove 200 miles to the north to spend Christmas with family, in the town of Keystone Heights and lot — two things made it a super holiday. A dart game and Christmas Eve at St. Anne's Church!

Inspired cousins sent the dart game (usually legal things, to be avoided) which consisted of a felt rectangle marked with target circles and bullseyes, and felt-covered ping-pong balls encircled by two bisecting lines of Velcro — that wonderful sticking material. Remember when it appeared ten or fifteen years ago and was hailed as a replacement for zippers? Velcro didn't replace Zippers but this is the greatest indoor game for Christmas day ever invented. All afternoon, while the turkey roasted, we tossed and three those balls. Grandparents, and kids. We had teams, tournament and play-offs; we argued the advantages of the underhand toss over the powerful overhead throw; in a fair and clean win, the nine-year old won the final championship.

No injuries, no breakage and great appetites.

St. Anne's in Keystone Heights is a modern church of simple, clean lines. The Recte, The Rev. Thomas O. Femster, is, literally, a giant of a man, who must be six feet, five inches tall, with an unbelievable breadth of shoulder. My daughter tells me he played pro-football one stage in his career. Between Intercessions and Offertory Sentences in the service, a wonderful thing happened. A monetary hill, then every person in the church turned to the people around and said, aloud, "Peace". Some said "Bless you" — some embraced — some clasped hands — it was completely spontaneous and natural and beautiful.

To my everlasting shame, I was taken by surprise and came out with an inane "Merry Christmas" to the charming, warm people about me.

I plan to return some day and say "Peace" quite fervently and put an arm around someone.

Wednesday — Lima beans and ham, steamed rice, tossed salad, corn bread, plums, milk.

Thursday — Country fried steak, field peas, mashed potatoes, tomato slices, rolls, pineapple upside-down cake, milk.

Friday — Spaghetti and meat sauce, green beans, tossed salad with tomatoes, French bread, fruited cake squares, milk.

HIGH SCHOOL SCHOOLS

Monday — Beef patties on roll, potato salad, peas, banana prune cake, milk.

Tuesday — Meat loaf with brown gravy, steamed rice, green peas, peach cobbler, corn bread, orange juice, milk.

Wednesday — Meat loaf with brown gravy, steamed rice, green peas, peach cobbler, corn bread, orange juice, milk.

Thursday — Pig-in-a-blanket, spaghetti, green peas, pickled beets, lemon pie, orange juice, milk.

Friday — Frank and trout or shredded beef on bun, corn, sole slaw, fruit cup, milk.

Mrs. William Gregory Hart

First Baptist Church Unites Newsome-Hart

Rhonda Gail Newsome became Mrs. William Gregory Hart at the First Baptist Church on Dec. 12, 1976, at 8 p.m.

The bride is the daughter of Mr. and Mrs. Delmas Newsome of Avon Park, while the groom is the son of Mr. and Mrs. Sanford Hart of Avon Park.

Rev. Aden D. Childers, presided over the double-ring ceremony that united the couple.

The sanctuary was decorated with an altar table covered with lace on which a memory candle was situated. A family candle was placed to each side of the memory candle. A basket of carnations and chrysanthemums stood on each side of the table. Candelabras, palms, and ferns adorned the background.

Jerrold Perkins played the wedding music. Vic McKunas was the vocalist.

The Bride

The bride's father, Delmas Newsome, gave his daughter in marriage. Her gown, a Milady design, was fashioned from imported candlelight silk organza. An empire bodice and sheer yoke featured designs of Bruce and Venice lace. Traditional Bishop sleeves displayed matching designs. Lily of the Valley appliques on the front and chapel train completed the gown.

A matching Venice lace headpiece with three-tier fingertip veil complimented her gown for a total look of elegance.

The bride carried a cascade of lilies and baby's breath on a white covered Bible. She carried two red roses which she presented to her mothers as she entered the sanctuary.

The Attendants

Belinda Esch of Avon Park served as matron of honor. Her gown was burgundy knit with a matching cape. Bridesmaids were: Gail Culbertson, Avon Park; Stephanie Pembach, Miami; and Pam Todd of Avon Park. They wore pink chiffon gowns with matching capes. The bride's attendants wore pink muffs accompanied by holly, miniature carnations, and green colored Christmas balls. They wore pink fur headpieces matching the muffs.

Best man for the ceremony was Ronnie Dick, Fayetteville, N.C. Serving as groomsmen were: Jarvis Gatt, Shawn Murphy, Steve Hart, Fred Hart, and Ralph Hart, all of Avon Park.

The bride's mother, Mrs. Delmas Newsome, wore a pink chiffon gown with matching cape. Her corsage consisted of pink sweethearts roses with pink and a touch of Christmas trim.

Mrs. Hart, mother of the groom, attended her son's wedding in a Christmas green gown with matching belt. Her corsage was of white roses with Christmas trim attached to her purse. Reception

Following the ceremony a reception was held at the home of the bride's parents. An arbor at the entrance was flanked with tropical plants, and bags of candles for lighting effects. A traditionally lit Christmas tree was used in the yard as an accent. The home was decorated with Christmas decorations. White lace doths and silver candelabras hiding garlands of verigated holly accentuated the cake and serving tables.

Cindy Williams and Janice Porter were placed in charge of the guest book. Assisting in receiving and serving were: Candis Jahn, Betty Stevens, Linda Hill, Renee Bentley, Mrs. Jean Gibbs, Mrs. C. E. Lanier, Mrs. Jean Morris, Mrs. Becky Mandis, and Mrs. Betty Coleman.

After the reception the couple departed for the Polynesian Resort at Walt Disney World for their honeymoon.

Mrs. Hart's travel attire was a grey and black wool suit accented by a red blouse. The couple will reside at Ft. Euclid, Va. Both are graduates of Avon Park High School and have completed one year at South Florida Junior College. The groom is presently attending the U.S. Army Transportation School at Ft. Euclid, and upon completion will be assigned to the 2nd Airborne Div., Ft. Bragg, N.C.

Growing Pains

by Edna Washington

Courtesy, Washington Nursery

Since it has really been raining and now the sun is shining beautifully, it struck my mind that I should tell you about the Goldenrain Tree. The Koeluteria formosensis. This tree is deciduous, but is truly beautiful while it is in leaf and especially in flower, and then if that isn't enough, the seed pods come out pink after the golden bloom. Quite a tree. This tree will attain the height of 40 feet. The large, heavy clusters of yellow flowers are open only a short time, followed by three-sided, bladder-like capsules (seed) which turn rosy red. During the early part of January, the leaf changes to nugget gold before shedding. All of this extends the color season. This tree appreciates full sun, needs little or no maintenance, and does not require any particular soil type. It is used as a dooryard and street tree throughout Florida.

Jim Crabtree of Crabtree Nursery has this further say about Phoenix rebeleiis tree Pigny date palm. "The pigny date palm is one of the most widely used small palms in this area. The palm grows at a rate of about 6 inches to a foot a year, and attains a height of 8 to 10 feet. The pigny date does equally well in partial shade or full sun, and with good light, it can even be used as an indoor plant. If this plant is used in a bed, ground cover should be placed around the base of the

Pigny Date Palm

Photo: Washington Nursery

palm. Dwarf oyster, asparagus springer, spider plant or juniper parrot all make good ground covers, depending on the light available. As the pigny date grows taller, the lower fronds will become yellow then brown. This is a natural occurrence and these can merely be pruned. Palms require more manganese, and this can be easily obtained in special fertilizers for palms."

Dr. Amada Sarnate

Dr. Sarnate Prepares For Jan. Wedding

Engineer Jose H. Tamayo and Dr. Amada M. Sarnate have made plans to be married on January 29, 1977 at Our Lady of Grace Catholic Church in Avon Park.

Dr. Sarnate was born in the Philippines and obtained her M.D. from the University of Santo Tomas, Manila, Philippines. Her residency training in Obstetrics and Gynecology was completed at the Baroness Erlanger Hospital in Chattanooga, Tenn. She is currently a practicing Obstetrician and Gynecologist in Avon Park, and an active member of the Highlands County Medical Society, The Florida Medical Association, and a Junior Fellow of the American College of Obstetrics and Gynecology. Dr. Sarnate is also a member of the Medical Staff at Walker Memorial Hospital, Avon Park, and Highlands General Hospital, Sebring.

Jose Tamayo is also a native of the Philippines and obtained his Bachelor of Science degree in Electrical Engineering from Feati University Manila, Philippines. He is currently associated with the Citizens Utilities of California as an outside plant engineer.

The couple plans to make their home in Avon Park, at 208 Lake Isis Avenue. Dr. Sarnate will continue her practice of Obstetrics and Gynecology in Avon Park, Fla.

Given Lingerie Shower

Miss Beverly Gail Wicker, bride-elect of Richard Thorpe Peavy, was given a Lingerie Shower at the home of Mr. and Mrs. Kenneth Long at 100 East Palmistown Street on November 22, 1976.

As Beverly opened her gifts, they were displayed in "showroom fashion" (on clothes lines), in the family room. The living room and dining room were decorated with various flower and candle arrangements of the brides chosen colors of oranges and apricots.

The main focal point of the decorations was the dining room table which featured an original designed cake depicting lingerie items.

As Beverly finished opening her gifts, she and her guests were entertained with a mock wedding ceremony acted out in song by Nelda and David Flowers. Then, an original wedding dress completed with veil and brides bouquet, was fashioned for her out

of the wrapping paper and ribbons by her mother, Mrs. Gerald Wicker, and her grandmothers, Mrs. L. W. Wicker and Mrs. Raleigh Lawton.

The guests were then served a variety of refreshments cake and apricot colored punch by their hostesses, Freda LaDawn and Kari Long.

Cathy, Rege And Friends Celebrate With Bar B-Q And Bonfire

Friends from Avon Park, Wauchula, Bowling Green, and Winter Haven gathered Tuesday evening, Dec. 28, for barbeque and a festive bonfire. The occasion was in celebration of Cathy Turner and Rege Anderson's upcoming marriage.

Mr. and Mrs. John Morris of Loetla Lake hosted the event that brought twenty-five couples together for the festivities.

The barbeque, which took place on the beach of the Morris' home, included deer, hog, and chicken.

KEYETTES' president, Pam Williams, presents a donation to HOPE representative, Joyce Oliveri (right).

The Keyettes earned over \$100 renting out their services on "Slave Day" for this project. Sunphoto VI.

Wed Saturday

Cathy Turner and Rege Anderson will be united in holy matrimony, Saturday, January 8. The ceremony will begin promptly at 1pm at the First Baptist Church of Avon Park.

Friends and relatives of the couple are invited to attend.

MAYOR MARSHALL DAVIS presented a check of \$1,500 from the city of Avon Park to Rev. Bently Williamson, president of Services Over Sixty, Inc. Services Over Sixty has developed and

expanded programs for the county's elderly in the past year with the help of the Highlands County Commissioners, City Governments of Avon Park and Lake Placid as well as service clubs and interested individuals. Sunphoto.

Bridesmaids Presented

With Hand-Painted Gifts At Dinner

Cathy Turner, bride-elect of Rege Anderson, was honored with a bridesmaid dinner at 7:30 p.m. at the home of Mrs. Wendel Smith, on Dec. 29.

Tables were decorated with candles and flowers. Beside each place setting was a pink silk rose tied with burgundy ribbon. The guests were served fruit cups, and corsage game hens with all the trimmings. Dessert consisted of individual cakes decorated with bridesmaids dolls.

Cathy presented each of her bridesmaids with two hand painted Christmas mugs. The mugs on the mugs had been painted by her mother.

Hostesses were: Wilma Smith, Kim Smith, Mrs. Betty Camp, and Lynn Camp.

Try Edna H. Washington's "Jello and Cucumber" salad for a refreshing treat.
Jello and Cucumber Salad
One six oz. lime Jello (or one 3 oz. lime and one 3 oz. lemon).

Combine hot water (as directed) with Jello and add horseradish, salt, pepper, and vinegar and or lemon juice to taste. I use both.

Add
Ice to cool, possibly equivalent to 1 1/2 cups of water, stirring to melt ice and at same time, cool mixture. Be sure to take out any unmelting ice.

Let stand in refrigerator until ready to set, add thinly sliced cucumbers, finely chopped cabbage, and a bit of scraped onion if desired.

Note: You can add small squares of red apple, if preferred, for a thoroughly delicious and attractive salad. Equally excellent with roast beef, roast pork or chicken.

Our Town

STONE MAKES DEAN'S LIST

George C. Stone of Avon Park has been named on the Dean's List of students at Georgia Tech.

In order for a student to be placed on the Dean's List, he must compile a 3.0 (B) grade point average during the Fall Quarter, 1976.

HOUSE FULL OF GUESTS

The Cecil Pattersons of Avon Park were visited during the holidays by their large family.

Visiting the Pattersons were: Mr. and Mrs. Marx Strickland and family, Russell, Pa.; Mr. and Mrs. Wilbur Walton, Youngsville, Pa.; Mr. and Mrs. Ed Pamlinovich and family, Hamburg, N.Y.; Mr. and Mrs. Vern Ballard, Lavina, Montana; Mr. and Mrs. Dino Marone, St. Petersburg, Fla.; Donald Strenth, Bassinger, Fla.

FIRST SET OF TWINS BORN IN THE NEW YEAR

The first twins of 1976 were born in Highlands County on Jan. 3, to Ernest and Lorraine Vysocay of Avon Park.

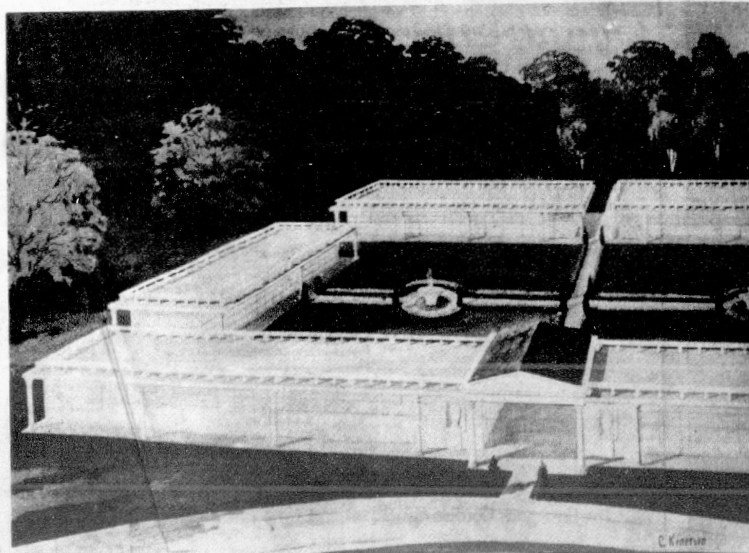

The twins, a boy, Thomas Paul, and a girl, Amanda Sue, were brought into the world by Dr. Amada Sarnate.

2nd Phase Pre Construction Sale

First Choice of Crypts Available at low pre-construction prices

Save hundreds of dollars

Lakeview Memorial Gardens Garden Mausoleum

Artist Conception

At one time the advantages of mausoleum entombment were available only to royalty, the wealthy and famous.

Now

You can have the same protection with the dignity of entombment. During our construction of the second phase, save hundreds of dollars by taking advantages of the low construction price.

ADVANTAGES OF MAUSOLEUM ENTOMBMENT:

- ★ Cost no greater than ground burial - often less.
- ★ Provides the most secure protection with perpetual care.
- ★ Crypts are clean, dry and ventilated.
- ★ There is no contact with the earth.
- ★ All crypts are permanent because the buildings are constructed of time-defying materials to endure through the ages.
- ★ Entombment eliminates future expense and responsibility.
- ★ Your family name will be perpetuated.
- ★ Entombment gives you and yours enduring peace of mind.

An amnigo night for prospective members will be held at 7:30 p.m. on Monday, Jan. 10, at the home of Connie McQuiston, 4322 Misnera St., Sebring. For further information, persons may call 435-2508.

A family covered dish dinner will be held at Connie McQuiston's home at 7 p.m. on Tuesday, Jan. 11.

32,000 Will Die In One Yr. From Heart Attack In Fla.

Because an estimated 32,000 people in Florida will die from heart attack this year, because approximately 50 per cent of heart attack deaths occur before the victims received medical attention and because many of these lives might be saved if victims had recognized the signals of impending heart attack and acted immediately, this newspaper, in cooperation with the Florida Affiliate of the American Heart Association, will publish a series of seven articles on the signals and actions for survival of heart attacks.

According to Dr. Jack J. Greenberg, president of the American Heart Association — Florida Affiliate, "Heart attacks seldom come without some prior warning. The more people we can make aware of these signals and what to do when these signals are experienced, the more lives will be saved."

In the series of articles the signals of heart attack will be described:

+ Uncomfortable pressure, squeezing, fullness or pain in the center

of the chest, behind the breastbone.
+ Pain may spread to the shoulder, arm, neck or jaw.

+ Pain or discomfort may be accompanied by sweating.
+ Nausea, vomiting or shortness of breath may also occur.
+ Pain may go away, then return.

If discomfort is experienced in any or all of these areas, for two (2) minutes or longer call the Emergency Medical Service. If you can get to a hospital faster by car, have someone drive you. Before any emergency, find out which hospitals in your area offer 24-hour emergency cardiac care. Select in advance the facility nearest your home and office and tell your family and friends so they will know what to do.

If these signals are experienced, "Don't wait — your life may depend on it," Dr. Greenberg added.
Likeliest victims:
The first of seven articles. Next:

'Up With People' Brings Young Talent To Area

An advance team of the "Up With People" program told an audience of Rotarians that the program was started in the 1960's to give people a positive side of the widespread student unrest of that time.

"Up With People" is a program that strives to develop the full potential of the young members of the cast. Its members are chosen after a two-hour interview and join the cast for one year. Most of the cast members have a year or more of college.

Cast members are on the road 10-11 months of the year traveling between their program towns by Greyhound buses. It costs between \$10,000 and \$12,000 per cast member to keep the show on the road. Cast members pay \$4,000 tuition for the year of talent developing experience in the group. The balance of the yearly expenses for the cast comes from admission charges, gifts, donations, grants, etc.

Last year with nine casts on the road the "Up With People" programs performed in over 800 cities in the United States and around the world. There are five casts on the road this year with members coming from all over the

world.
This year a cast touring the eastern part of the United States has several University of Arizona professors accompanying the group. The members of this cast can obtain program college credits for what has been called "experimental learning" about the country and its people during the road tour by the cast.
Advance team members Ruth Rhymer of the cast, from Cleveland, Ohio and Bob Butler, staff member from Dothan, Ala. stated they were in the area to arrange housing for cast members by working through church groups, women's clubs, civic organizations, schools and other groups, when the cast performs in Lake Wales on Jan. 15.

The "Up With People" cast will also perform in the Avon Park-Sebring area on Friday and Saturday, Jan. 21-22 at the Sebring Middle School Auditorium. Besides the evening performances the group during their rehearsal time, also appears before school groups, hospitals and convalescent groups, old folk centers, day care centers and other.

Cancer Society Meets Jan. 5

The Highlands County Unit of the American Cancer Society will meet at Highlands General Hospital at 7:30 p.m.

on Wednesday, Jan. 5. The meeting will be held in the EIGH board room.

CAPT. CHARLES HOWZE was sound asleep when the fire alarm sounded about 9:30 p.m. New Year's Eve but he got to the fire fast, at 125 W. Bell St. Someone forgot to turn the fire out under the coffee pot at the Ernest Pyne residence. Sunphoto by Lew Miller.

Coffee Pot Starts New Year's Eve Fire

At about 9:30 p.m. New Year's Eve (Friday, Dec. 31) the Avon Park Fire Department responded to an alarm of a fire in the house of Ernest Pyne at 125 W. Bell St. Finding no flames in the smoke filled house, caused the firemen to search for a possible fire in the walls or the attic of the one story frame house. When the smoke cleared from the house they found that

someone had forgotten to turn off the fire under a coffee pot. It's contents were charred black.

Firemen answering the call were Lt. Kelly Davidson, Fireman Terry Flecker and Capt. Charles Howze who reported there was no fire damage but some smoke damage. Several volunteer firemen also answered the alarm.

Avon Park Celebrates

New Year's Eve Quietly

It was a relatively quiet New Year's for the Avon Park Police Department according to Police Chief Robert Brooks. Christmas was a much busier time in comparison for the department.

On New Year's Eve Chief Brooks said the department either took home or had friends take home only five or six individuals who were not quite able to drive well enough to be sure they would reach their homes safely. Only one arrest was made for DWI of an individual who was

unable to drive his motorcycle safely but didn't want anyone else to drive it home for him. So he went to jail and his motorcycle was towed in by the wrecker.

Using extra Auxiliary Policemen, the Police Department beefed up patrols cruising the city but there were no calls to check wild parties. Police Chief Brooks attributes the quiet New Year's holiday to the excellent cooperation given by both citizens and CB radio operators.

Freedom Train Ends Tour Of United States

The Bicentennial Freedom Train has ended its tour of the United States in Miami, Fla. with the train being broken up. The cars are to be pulled to Washington, D.C. by a diesel locomotive.

However, the steam locomotive No. 4449, which pulled the Freedom Train will be returned to Seattle, Wash. It will pull an Amtrak passenger train from Miami, Fla. to Birmingham, Ala. A brief stop will be made at Sebring, at 11:30 a.m. Friday, Jan. 14. The train will pass through Avon Park shortly afterwards but will not stop.

Railroad buffs and others wishing to ride on one of the last steam locomotive pulled trains in the United States can board the train in Miami for the trip to Birmingham as there will not be any boarding or getting off the train in between the two cities. Tickets costing \$30 for the one-way trip can be obtained from Amtrak or by calling the toll free number 800-342-2539 for further information.

HOGS SHOT

A number of hogs belonging to James Smith, of Florida, were shot and killed Friday evening by two unidentified suspects. Roland Womack, a ranch employee, told sheriff's deputies that as he was going to feed the animals he heard shots, and as he neared the enclosure, he saw two subjects leaving the area. The hogs had been shot in the head at close range by a shotgun.

Girl Scouts View Freedom Train

Saturday, Dec. 18 eight girl scouts, the area chairman and her husband, and a troop leader, journeyed to Lakeland to view the Freedom Train.

The girls enjoying this adventure were Stephanie and Yolanda Ashe, Carol Chaney, Tina Connors, Vivian Fish, Jessica Lewis, Denise Pearson, (all of troop 249), and Kim Tietjen (of troop 249).

Area Chairman and her husband, Sgt. and Mrs. W. Tietjen, and the other three girls and troop leader of 249, Mrs. E. Hall, went by bus. In Lakeland the two groups joined together for lunch and for the viewing of the Freedom train.

Five of the girls rode with the

LEGAL NOTICE

NOTICE IS HEREBY GIVEN BY THE HIGHLANDS COUNTY SCHOOL BOARD OF A PUBLIC SALE OF USED AND SURPLUS PROPERTY ITEMS.

PLACE Fair Grounds Building next to the railroad Sebring, Florida

TIME Saturday January 8, 1977

Tourist Spending Reflected In Taxes

The winter residents returned to Highlands County in 1976, and the increase of taxable spending within county borders during November reflects their presence.

A total of \$8.14 million in taxable expenditures was logged by the state during the month, generating sales tax revenues of \$325,814. The spending was a 14.8 per cent increase over the same period in 1975, and a sizable jump over

October of 1976.

In October, residents spend \$7.12 million, and in November of 1975, they spent \$7.09 million on taxable items.

Of the counties surrounding Highlands, only Glades had a larger percentage jump. They noted a 24.4 per cent increase over November of last year, going from \$716,975 in expenditures to \$882,775 this year. The totals also showed an increase over October, when

\$616,450 was spent.

In Polk County, the only area county with higher spending than Highlands, a total of \$92.56 million was spent in November of this year, a 5.69 percentage point decline from spending in the same period last year, when \$96.17 million in taxable spending changed hands.

It was, however, a jump from October of 1976, when \$98.46 million was spent by residents.

In DeSoto County, last November saw a 13.13 per cent increase over 1975's monthly total, jumping from \$2.16 million to \$2.44 million.

Okeechobee's spending increased slightly, from \$2.96 million in 1975 to \$3.03 million in November of this year. It was also a minor increase from October, when residents spent \$3.02 million.

Overall, the state of Florida showed a 7.21 per cent increase

in taxable spending for November, collecting sales tax revenues of \$102.62 million from \$2.59 billion in spending. In the same period last year, Florida residents and visitors combined to spend \$2.41 billion.

Emergency Runs Total 39 In County

A total of 39 emergency runs were made by the county's five Emergency Medical Services ambulances during the past week.

The three Sebring-based units combined to make a total of 21 runs, and the Avon Park and Lake Placid units each made nine emergency trips.

In addition, the Sebring units made six in-county and six out-of-county transfers, Avon Park accounted for one out-of-county transfer, and Lake Placid logged two out-of-county transfers.

Audubon Society To Sponsor Classes Jan. 10

The Ridge Audubon Society will sponsor classes on Birds and Flowering Plants, to be taught by Dr. Fred Ranson, starting Monday, January 10 from 10 to 11:30 a.m. in the Lake Wales General Telephone Building Community Room.

Birds will be the subject of the first class, the identification of local species. The next Monday, January 17, Dr. Ranson will introduce Flowering Plants of the area and the classes will alternate between Birds and Plants in a series extending through April.

The cost for the series is \$3 for members of the Ridge Audubon Society, and \$4 for non-members. The fee for a single class for members is \$1 and for non-members is \$1.25.

For further information consult the chairman, Edward Wheeler, 676-2148.

Juanita Jackson Invited To Carter's Inauguration

"Why was she invited to attend the inauguration of President elect Jimmy Carter at 11:30 a.m., Thursday, Jan. 20," is a question that has Juanita Jackson puzzled. Especially since she did not work in his campaign during the recent election.

Receiving the letter last week, Juanita glanced at it and laid it aside, thinking it was from a stamp company. Later when she opened the letter Juanita said she wasn't impressed by it.

It was only when her daughter sent the invitation that she began to get excited about seeing the inauguration

and inaugural parade.

In talking about time off with Dr. DeWitt, manager of Neuner's, where Juanita has worked since the store opened in March 1962, she became more enthused about seeing the inauguration and made arrangements to stay with a niece while in Washington. Juanita also wondered if anyone else in Avon Park had received an invitation.

But Juanita, who collects campaign buttons doesn't believe that a request for a Carter campaign button would be the basis for her receiving an invitation to the President's inauguration.

Prophecy Crusade At First Assembly Of God

Evangelist B. R. Minton, known as "The Walking Bible," will be the featured speaker in a Prophecy Crusade at the First Assembly of God, 4409 Kenilworth Blvd., in Sebring, January 9-16, 1977.

Rev. Minton will be teaching from a large 33 ft. long Bible chart that is beautifully hand painted and shows scores of Biblical pictures and symbols covering the entire Bible. As he teaches, the Rev. Minton will quote from memory hundreds of Bible verses, the facet of his ministry that has earned him the title, "The Walking Bible."

According to Pastor Wilmont N. McCray, services will be held on Sundays at 11 a.m. and 7 p.m. and at 7:30 p.m. Monday through Friday. A cordial invitation is extended to everyone to attend these special services.

BATTERY CHARGED

An Avon Park man, Charley Mack Whitaker, was booked into Highlands County Jail Saturday night after he allegedly struck a man standing beside a deputy.

The deputy and the victim, Albert Johnson, of Lake Placid, had gone to Nelson's Bar in Avon Park to speak to the suspect about a domestic matter. Whitaker reportedly became agitated, and hit Johnson in the face. Whitaker was immediately arrested for battery.

Southside Community Park News

By Alphonso Williams Know Your Students:

Greetings:

How many new Year's resolutions did you make and how many have you broken already? Hopefully none if they were all good ones, but even if you have, don't be discouraged. Anytime is the right time to commence doing better, so, good resolutions are appropriate all of the time and there is no better time than now. I've made a few myself and it's my sincere hope that with prayer, will power, confidence in myself, as well as an innate determination to succeed, my goals will become facts and I will have come a little closer to reaching my greatest potential. However, I realize that as members of the human race, we may never reach perfection, but, I also believe that the harder we try, the closer we'll come to it.

Al Williams

Sharon Bethel

This student of the week is Sharon Bethel, a Junior at Avon Park High School. Sharon was born in Deland Fla. on November 15, 1960 and came to Avon Park when she was four years old. Here she has attended school every since. Sharon is a good student and is a member of the senior Devil's Tale, along with other organizations such as the FHA and Annual Staff.

Watch Night Services:

A traditional watch night services were held on New Year's Eve night at Mt. Zion C. M. E. Church. There was good singing, praying and preaching before everyone went down on their knees shortly before twelve 12:00 M. to thank God and pray the new year in.

Wedding Bells:

The former Gwendolyn Clait and Mr. Larry Tolbert were joined in Holy Matrimony on Saturday, January first at Saint Mark Baptist Church. (Picture coverage next week).

Delores and Linda are the former Casey sisters who were reared by Mrs. Maggie Lawrence at 313 Castle Street. Delores and Linda were both honor students in the local school system. Currently Delores is Mrs. Delores Calhoun mother of three children and lives in Queens, N. Y. Linda is Mrs. Linda Williams, mother of two and lives in Brooklyn, N.Y. They were both here visiting the mother, Mrs. Mary Lawrence, other relatives friends during the New Year Season.

HAVE YOU NOTICED THE NEW SIGN ABOVE THE AVON CITRUS BANK'S CLOCK?

BEFORE

"Pioneers Of The Future"

All banks offer checking accounts, interest on savings, various types of loans, drive-up windows and they're even open the same hours. The Avon Citrus Bank offers these, plus service most banks will not offer until sometime in the future. Such as single statement banking, instant deposits, instant cashing of your personal checks and a banking statement when ever you need one, not just at the end of the month. There are many more services that only the Avon Citrus Bank. Pioneers of the Future can offer you. Come in and let us show you!

Girl Cagers To Go For First Win

After a winless first three games, the Avon Park High School varsity girls' basketball team will resume action tonight, Thursday, Jan. 6, down at the Lake Placid gym against the Green Dragon Ladies. Lake Placid has won one game so far this season for a 1-4 record. Tip-off time is set for 7:30 p.m.

Red Devil coach Cheri Lee was disappointed in the play of the Avon Park girls against Okechobee the Friday night before the holidays. There had been marked improvement between the first two games played by the Avon Park girls but down in Okechobee the Devilettes played poorly. With Coach Lee away during the holidays, the Devil girls cagers were unable to practice but started preparing for the remaining nine games on the schedule last Monday evening.

Members of the Devil varsity girls' team: Margie Taylor, Ellen Macklin, Bridgette Randolph, Tammy Welch, Sally Brathwaite, Debra Cox, Thelma Wessels, Delores Cox, Tammy Ostling, Katrina Weathers, Sheila Carter, Corrine Jackson, and Patty Barben.

Next week the Red Devil girls cagers will play the Sebring girls in Sebring starting at 7:30 p.m. on Thursday, Jan. 13.

Man Jailed For Night Hunting With Light

A Bradenton man is spending 60 days in jail for violation of Florida game laws. Floyd J. Boyett pleaded guilty to the charge of possession of a gun and light at night. He was one of four men booked in a case arising from a November hunting trip on Orange Hammock Trail in the bombing range hunting area.

Florida Fresh Water Fish and Game officers booked all four—Boyett, Paul Roy Nash of Bradenton, Ronnie Green of Avon Park and Lowell DuBois of Avon Park—for possession of a gun and light at night. The lawmen said the hunters had killed a doe.

Each of the four posted a \$500 bond. Later Nash was fined \$250 and ordered to make \$50 restitution.

In addition to his jail sentence Boyett is to make \$100 restitution.

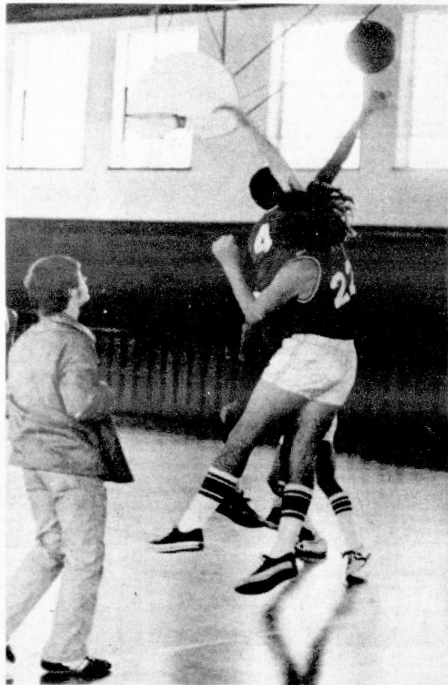

The two Avon Park men are scheduled for pre-trial conferences later this month.

The men are also subject to having their guns and the truck used on their hunting trip confiscated, the state attorney's staff pointed out.

Staff members said they were pleased about the jail sentence, that many hunters believe that if they are caught violating game laws they "will be fined and that's it; they don't count on jail time." Judge Mark Richardson Jr., who imposed the jail sentence, declined comment other than, "You get the message."

Middle School Cagers

To Open Season At Sebring

KARATE OR BASKETBALL? Middle School cage Coach Don Sisemore (left) watches as Terry Kelley (22) and Jeff Caldwell (4) battle it out for a jump ball at the free throw line during an intersquad game. Sunphoto by Lew Miller.

Coach Don Sisemore will take his two Avon Park middle school basketball teams to Sebring tomorrow afternoon, Friday, Jan. 7, to play a double-header at the Sebring Middle School gym against the Blue Streak Middle School varsity and junior varsity. The two Sebring teams are also coached by an Avon Park High School graduate, Lucky Dixon, who is a member of the Sebring Middle School faculty.

Sisemore's varsity players are almost all veterans of last year's undefeated seventh grade team. The thirteen eighth graders practice several times during the holidays and are expected to be ready for the opening game tomorrow afternoon. Members of the team are: Charlton Weathers, Alvin Conner, Jeff Caldwell, Ricky Derkman, Gerald Jones, Larry Jackson, Kevin Caldwell, Ricky Oates, Eddie Loyd, Henry Taylor, Chris Collins, Dwayne Council and Billy Bolden.

The Middle School junior varsity is made up of eighteen eighth and seventh graders. Eighth graders are Troy Brown, Gilbert Wagner, Terry Kelley, Thomas McAfee, Ricky Johnson, Steve Brown, Jeff Henley, and Jody Johnston. The seventh graders on the squad are: Warren Moreland, Curtis Taylor, Andrew Giles, Bart Murphy, Courtney Weathers, Chester Daniel, Gray Smith, Walton Touchton, Doug Cook, and Jeff Brock.

The second game for both of the Middle School teams is scheduled for Thursday, Jan. 13 at home against Lake Placid. Time to be announced later.

Jayvee Cagers To Host Mulberry Team

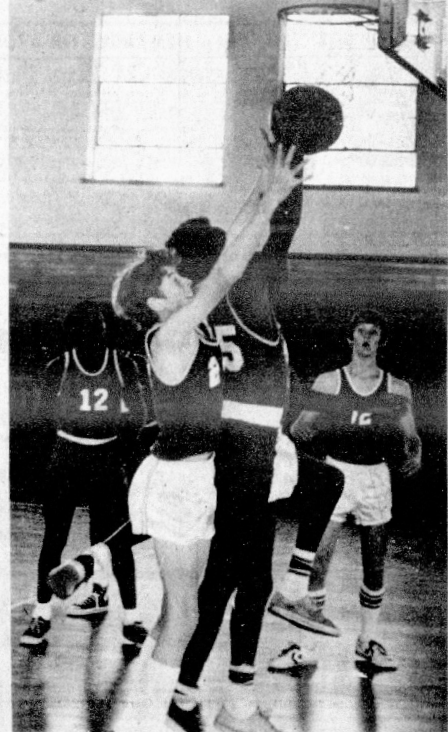

Coach Allan Dunn's Avon Park junior varsity boys basketball team will bring a 2-2 record into the 1977 cage season tomorrow night (Friday) when they host the Mulberry Panther jayvees starting at 6:30 p.m. The Devil "Bees" won over Sebring, St. Cloud and Arcadia but lost to Lakeland Senior High and Palmetto before the holidays.

Next Tuesday night Jan. 11, the Devil jayvees will host the Arcadia Bulldogs in a return match here at the High School gym with tip-off set for 6:30 p.m. On Friday, Jan. 14, the Red Devil junior varsity will travel to Lake Placid for a tough game with the Green Dragon "B" team. The Dragons were the only team to beat Avon Park's junior varsity last season and they won by only one point.

The eleven members of the junior varsity are Jeff Adams, Casey Stukes, David Williams, Eric Wilson, George Loyd, Bobby Rowe, Odis Ford, Pernell Gibbs, Decaris Jones, David Sisemore and Todd Packer.

Pough and Kenneth Burley have not come through with the needed points scored and Coach Lund has had trouble finding a guard to go with senior Dale Sisemore. Mike Coleman and Freddy Moore have played the position with Moore seeing more action in the latter games. Freddie Williams has looked good in some games but so far had not been consistent. Reggie Baker, Horace Moore and Charlie Pough have been unable to move into the starting lineup but some changes are expected this week from Coach Tom Lund as he tries to find the winning combination before the district game with Mulberry here at home Friday night.

Next Tuesday night, Jan. 11, the Arcadia Bulldogs will be here at the High School gym for a return game. The Bulldogs edged out Avon Park by a score of 73-70 in Arcadia before Christmas.

DURING A MIDDLE School practice game, jayvee forward Jody Johnston (white shorts) was out-positioned by varsity guard Charlton Weathers as both go up for a rebound. Gerald Jones (left) and Ricky Johnson (right) are outside of the action. Sunphoto by Lew Miller.

Men's Volleyball League To Organize At Center

There will be an organizational meeting of the Men's Volleyball League, sponsored by the Avon Park Recreation Department Tuesday, Jan. 18 at 8 p.m., at the Recreation Center.

All teams that participated in last year's league, any civic organizations, or private groups that are interested in joining the league, are urged to attend this very important meeting.

All games will be played at the First Baptist Church Volleyball Courts, starting around 7:30 p.m. each Tuesday and Thursday. The league will begin the last part of January, if enough interest is generated.

All groups that wish to enter a sixteen man team in the league, please have a team representative at this meeting.

AT THE NEW YEAR'S Orange Bowl game the Ohio State cheerleaders formed a pyramid as one of their gymnastic formations, during the

Saturday night game with the University of Colorado. Sunphoto by Lew Miller.

Center To Offer Handball Lessons

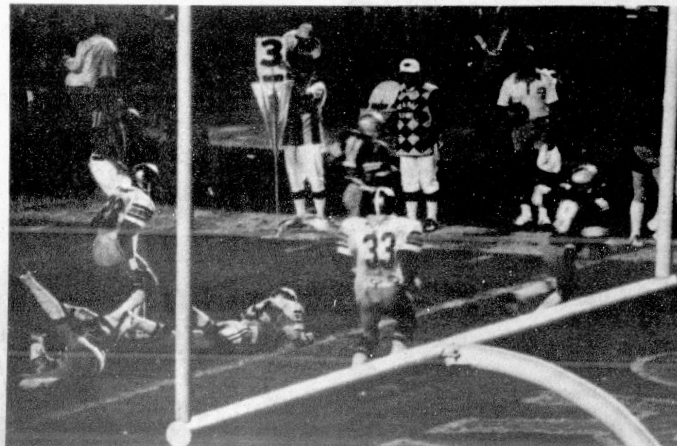

The Avon Park recreation Department will offer handball lessons, starting Jan. 17, with registration for the lessons beginning Jan. 16 and continuing thru the 17th.

All interested persons may sign-up at the Recreation Center anytime after

3 P.M. There will be a \$3.00 fee to pay for the handballs used during classes.

The classes will last three weeks and will be held each Monday and Wednesday from 5:30-6:30 p.m. All lessons will be taught at the new four-wall courts directly behind the Recreation Center.

The instructor, Dennis Guenther, asks that all participants please furnish their own gloves, and the Rec. Dept. will supply the handballs. Because of the limited court space, there will be a maximum of 12 people to take the lessons this session. Please sign-up now!

OHIO STATE QUARTERBACK Roderic Gerald (8) in the last quarter gets across

the goal line standing up to score, during the game with Colorado in the Orange

Bowl game on New Year's day. Final score: Ohio State, 7, Colorado, 16.

The 1977 Avon Park Middle School varsity basketball team will open its season tomorrow, Friday, Jan. 7, at the Sebring Middle School gym against the Blue Streak Eighth Grade team. The first game of the Middle School double-header

will start at 1:30 p.m. Front row (kneeling) left to right: Gerald Jones, Billy Bolden, Larry Jackson, Eddie Loyd, Dwayne Council, and Kevin Caldwell. Back row: Mgr. Kenny Cribb.

Chris Collins, Ricky Dorkman, Henry Taylor, Jeff Caldwell, Charlton Weathers, Alvin Conner and Coach Don Sisemore. Not pictured: Ricky Oates and Mgr. Erdley Bent.

The Avon Park Middle School junior varsity basketball team will open its season tomorrow, Friday, Jan. 7, at 1:30 p.m. against the Blue Streak Middle School jayvees at their gym. Front row

(kneeling) left to right: Doug Cook, Gilbert Wagner, Jeff Brock, Warren Moreland and Steve Brown. Middle row, left to right: Courtney Weathers, Curtis Taylor, Bart Murphy, Troy Brown, Chester Daniel and Andrew Giles. Back

row: Coach Don Sisemore, Jody Johnston, Ricky Johnson, Terry Kelley, Taylor, Jeff Henley, Thomas McAfee and Mgr. Kenny Cribb. Not pictured: Walton Touchton and Mgr. Erdley Bent.

Tackle Tactics

By John Gurney

"Pass The Ice, Please"

It's early in the morning and you sense the crispness of the air outside as you throw off the covers. It's ice fishing day and time to get ready.

You put on your long underwear, jeans and heavy shirt. Then comes either your heavy wool hunting pants and coat, or your insulated snowmobile suit. The decision is based on how "nice" a day it's supposed to be. You put on two pairs of wool socks, your hunting boots and rubber overshoes.

Next you go out to the garage and break apart a bunch of the seed pods you collected in the fall. They're full of grubs which you sort out. Carefully you put the grubs in a small box which goes in your pocket.

Back in the house you open a can of whole kernel corn, drain the juice off and place the kernels in a plastic bag which also goes into your coat pocket.

You check out your ice fishing sled on which you've built a large box. This sled holds and carries all of your gear and contains a heater which is supposed to keep you warm by radiating heat. You fill the heater with oil and take a quick inventory to insure you have everything. Tackle box, jigging sticks, tip-ups, ice spud, etc.

A thermos is filled with super hot coffee. Your real source of inner warmth, a flask of brandy, is placed in your back pocket.

Everything is loaded in the car and you come back inside for one last shot of heat. During this time you fill your hand warmers with lighter fluid. The struggle begins of lighting them and trying to get the wicks glowing all the way across. You finally succeed, re-assemble them, and place

The Avon Park Sun, Jan. 6, 1977 11A

them in the front pockets of your pants.

You're ready to go and, looking like a well-fed Eskimo, you head for your favorite lake.

Once there everything is unloaded and packed on the sled. You light the heater inside the sled's box and head out across the snow covered ice.

You pick a spot where you caught fish last summer and chop a hole through. This spot will be your base and where you'll spend most of your time.

You're allowed a maximum of three tip-ups, so in three directions from your base you chop additional holes. A few kernels of corn are dropped down the hole. You unfold a tip-up, put a grub on its hook, set it, and place it in the hole.

Tip-ups are aids which allow you to fish in four different spots at the same time. They consist of X-shaped bases which hold the whole unit over the hole. A simple reel holds a spring loaded flag down, as well as fishing line. Once the hook is lowered to the proper depth, the flag's spring is then set against the reel. When a fish takes the bait the reel moves, releasing the spring. Pop, a flag goes up signaling "fish on!"

You return to your base hole after setting the last tip-up. More corn is dropped in the hole and you get out your jigging sticks.

These are short, limber rods made for fishing straight down, no casting. They're used to jiggle whatever bait you're using, making it more alluring.

The corn is just a form of chumming that works well. It's hard, if not impossible, to find live bait in the winter time.

You sit down on the sled's box. You shiver as the cold wind evaporates the sweat you've built up chopping the holes. You take a look around and wonder what you're doing here. You must be crazy!

BASS ARE BEAUTIFUL, DON'T KILL YOUR CATCH!!!

Hunt Area Open Saturday And Sunday

The Avon Park Wildlife Management Area will be open for hunting Saturday and Sunday, January 8 and 9, 1977. Hunters will be admitted to the hunt area through both the Main Gate and the Frostproof check stations starting at 5 a.m. on Saturday, January 8, 1977. Hunters must check out not later than 8 p.m. on Sunday, January 9. Range opening times can be confirmed by calling 433-3527 or 432-4195.

Insert a collarander over a skinner when frying. It will catch spatters but let heat escape.

New County Commission Has Lively First Session

The recently-elected county commissioners had hardly been installed when they found themselves in the midst of their first controversy Tuesday.

First-timer Carl Arant Jr., re-elected Robert Skipper, and Cecil Skipper, back from a four-year hiatus, were sworn into their posts by Circuit Court Judge Clifton M. Kelly as the meeting's first order of business, and Norman "Jag" Heston and C. J. "Buddy" Wise were elected chairman and vice-chairman respectively.

The board then tackled a series of six zoning changes, two of which required a great deal of discussion before the final vote.

The biggest debate was over 4.49 acres on U.S. 27, near Lake Blue Estates in Lake Placid. The owners, E. and Frances Gissendanner, were seeking a change from unimproved acreage to B-2, general retail, a change hotly protested by residents of Lake Blue Estates.

The Zoning Board had approved the change by a 3-2 vote, after Gissendanner agreed to make certain concessions advantageous to area residents. Tuesday the commission learned that the residents still did not agree with the change.

A delegation from Lake Blue headed by O. J. Stevens, was present to hand commissioners a petition signed by 173 residents requesting rejection of the plan.

Stevens said Gissendanner was planning to sell the land to a firm that intended to put up a motel. "This would be an imposing structure," said Stevens, "and we think it would cause environmental damage."

Stevens also maintained that a large business would create much more traffic congestion near that section of U.S. 27, which the residents termed already "hazardous."

"We just don't think he should be able to come in and build on top of our land which we have been developing for

the past 14 years," said Stevens. "We do not think we can live with any type of B-2 construction."

Joyce Shriner also said she was concerned about the subdivision with a protest petition, "Every person I talked to was totally opposed to this project."

Mrs. Shriner also said she was concerned about the proximity of the school bus stop to the area of future traffic congestion. "We would much prefer residential zoning. Mr. Gissendanner doesn't even live in Lake Placid."

Several other Lake Blue residents came forward to agree with all that had been said.

James Livingston, an attorney representing the landowner, told commissioners, "basically, these people just don't want a business there. They want the area kept residential, but unfortunately, residential sections along the highway just do not go."

Livingston confirmed that the land was tentatively set as a motel site, but downplayed the traffic hazard. "Bus stops are not made to be permanent. It could be relocated very easily."

Livingston continued, "As a member of your own zoning board said, a man should be entitled to the best use of his own property. I believe he has already made substantial concessions to the residents."

Among concessions are that a 100 foot strip along Highlands Ave. is to remain unimproved acreage, and that a six-foot wooden fence will be erected inside a 10-foot planter zone on the north side, the side fronting the subdivision.

Livingston said that although Gissendanner is not a legal resident of Lake Placid, he has maintained a vacation home in the area for years, and has owned the disputed property for seven years.

Stevens said they felt they could live with B-1 zoning, which would permit several

small neighborhood shops. "But we'd like to see the plans first."

Carl Arant said that with the natural slope of the land, "I don't think very many Lake Blue residents could even see a three-story building there. Is a man to leave his property to just sit, or should he be allowed to put it to the best use?"

Marvin McPhate, of the Highlands County Builders' Association, said, "I know how all these people feel, but there is not a builder in his right mind who would put a house with 500 feet on U.S. 27, and then honestly expect to sell the house."

After Gissendanner agreed to install a separate entrance off 27 for the motel, Commissioner Robert Skipper moved to approve the change, saying, "When we zoned the area along 27 should be zoned commercial. With the concessions, I see no reason why we should deny it."

The board voted unanimously to approve the change, and afterward Wise asked Stevens, "With all these concessions, don't you feel less animosity towards this project?"

Answered Stevens, "No."

In another zoning debate, Bossie Watson and other property owners in the Watson Heights subdivision fought for a zoning change from single family residential to multiple family residential. The zoning board had denied the request 5-6.

Leading the battle against the change was Elijah Murphy, who was scared the house would turn into a drug camp if zoned for multiple family. "They moved in a rooming house, and under multiple family, they can put three men in a room. I've got a lot of money invested out there, and a wife and daughter to think about."

Watson said he wanted to build duplexes in the area to provide more housing for the

county's black population. Joe Masseline told commissioners the rooming house had been moved in without a permit, because he thought the mover was taking care of the legal arrangements. Masseline currently maintains the seven-bedroom structure as a single family house.

Arant said that when the change was brought before the zoning board, there was nobody present to argue for it. However, Murphy was there to argue against it, so the board had no choice but to deny the request.

Asked why they were not at the zoning board, Watson and Masseline said they had no knowledge of the meeting, and thought they only had to clear it through the commission.

Commissioners then voted to deny the change, telling Watson he could reapply in six months time.

In other zoning changes, seven acres west of the Bonnie Blue Mobile Home Park was changed from agricultural to mobile home park at the request of Daniel Bohlund; four tracts on U.S. 98 across from Spring Lake Villages was changed to general retail and wholesale at the request of Aubrey Bone; George and Martha Tapley received a change to industrial use on 1.3 acres of land on U.S. 27 near the Agri-Civic Center; and the Bur-Mar Corp. was spurred in its quest to change the lot north of the "Vaca-Dome" on U.S. 27 from general retail to general retail and wholesale.

All except the Bur-Mar request, had been previously approved by the zoning board.

Church Receives Gift For Building Debt

Bill Warner, Church Treasurer, received a check of \$9,500 from Fred Hughes, Building Debt Treasurer, during

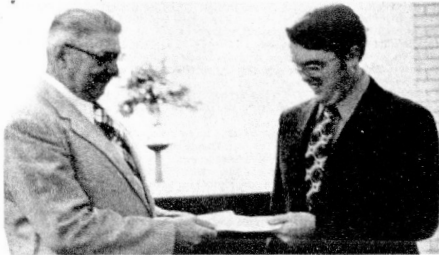

last Sunday morning worship at the First Presbyterian Church of Avon Park. The congregation stood and sang the

Doxology. Including this check, there was a Christmas offering of \$21,126 for the Building Debt of the Church. The debt as of January 1, 1976 stood at \$31,203.00. The church, which is one of the younger churches of Avon Park, is now completely free of debt.

The \$9,500.00 check received by the church treasurer was a challenge matching gift from a couple who prefer to remain anonymous. When this couple heard of the church's attempt to pay off the remaining debt of \$18,467.00 with the Christmas Offering, they offered to match dollar for dollar up to one half of the debt, \$9,233.00. The Christmas offering applicable to the debt raised by the congregation amounted to \$11,626.00. This was an excess of the congregational goal by approximately \$2,400.00.

The church has now completed payment of approximately \$85,000.00 in debt incurred in building the church and purchase of a Manse, \$85,000.00 of the debt has been paid since January 1, 1973.

At a meeting of the church officers on last Thursday night, it was announced that the anonymous donors of the matching gift had decided to round off the matching gift at \$9,500.00, instead of the \$9,233.00 promised. The church officers decided to take the excess of \$267.00 and make this the first gift in a Building Fund that was started at the same meeting Thursday night.

Varsity Golfers Have Tough Schedule

Red Devil varsity golf coach Fred Sandlin, announced a tough, nineteen match schedule this week as he began practice with his Avon Park high school golfers. The Devils will take on some big schools again this season meeting Lakeland Kathleen, Winter Haven, Lake Brantley, and Daytona Father Lope in addition to five Heartland Conference teams and Frostproof and Lake Wales.

Five lettermen will return to try and better last year's fine record of 17 wins, 5 losses and 1 tie and the Heartland Conference championship. Seniors John DuPriest and Bill Tharpe, juniors Mark Palmer and Craig Skipper and sophomore Pete DuPriest will be the returning lettermen and Coach Sandlin expects several more prospects to turn out this week as practice begins for the

tentative opening jamboree at Placid Lakes on Jan. 21 (Friday) at 9 a.m. Coach Sandlin announced that all home Red Devil matches will be at the River Greens Golf Course this season. The first regular scheduled match will be against Lakeland Kathleen on the Carpenters Course on Thursday, Feb. 3, at 3 p.m.

In spite of having five returning lettermen, Coach Sandlin expects to have trouble repeating as Heartland Conference champions because of a strong Lake Placid team. The DuPriest brothers will lead the Devil squad if last season's results are any indication of things to come. With some good shooting from two or three other members of the squad, the Red Devils could turn in another excellent record.

Bank Marching into their "script Ohio" formations, one on each side of the field during the New Year's Orange Bowl

game Saturday night. Sunphoto by Lew Miller.

Golf Team Leads In Flag Football

The Avon Park Recreation Department Boy's Flag Football League continued play during the holidays, with four games scheduled.

The Gold team, coached by Sam Daisher, hung on to its undefeated status, by downing the Green squad, on Dec. 21, 14-0, and beating the Blue, on Dec. 30, 14-0. Gold has only been scored on one time in its four games.

The Red and Blue teams are tied for second place honors with 1-1 records. On Dec. 26, the Red team won its first game, by a forfeit on the part of Green.

All four teams play once per week, either on Tuesday or Thursday afternoons at 4:00. The league will continue thru Jan. 20th, with the winning team receiving a trophy and individual medals.

TIRE TAKEN
Robin June Ramsey, of Wauchula, reported to sheriff's deputies that while her auto was parked in the South Florida Junior College lot Thursday night, thieves removed a tire and rim from it. Loss was set at \$75.

SFJC Team Practicing For Opening Game

Tim Hill, Baseball Coach of the South Florida Junior College Panthers, has opened

practice in preparation for the season's opener at Edison Community College in Fort

Myers Feb. 9.

The Panthers will be on their new campus field this spring and all but three home games will be played on campus. The Lions Club of Sebring will be sponsoring three home night games at Fireman's Field in Sebring. The long-awaited new campus field is nearly complete and the dugouts should be ready within two weeks. "We are all very excited about having our own field," commented Hill. "Not only is it convenient, but we will be able to accomplish more in practice and it will also be a big recruiting plus."

The Panthers had a three-month fall program in which 27 players participated. "We got a lot done this fall," said Hill. "We have the best talent since I've been here and I think we will have a good spring."

The Panthers have nine players returning from last year's team that was nosed out of the State Tournament by losing an extra inning game to Brevard on the last day of the season. All-State Catcher Blaine McDonald and All-Division Pitcher Rick Harrison head the returnees. Dana Walstad, Shortstop, who combined for 29 double plays last year, gives the Panthers experience and defensive strength up the middle. It appears that freshmen will be in the outfield and at first and third base in the infield. Sophomores Mike Vermillion, Phil Mattain and Mike Phillips return to the pitching staff, along with four freshmen.

The Panthers appear strong on defense, especially in the infield. There is speed in the outfield. Hitting will be more than adequate and, with the blend of experienced sophomores on the mound, sprinkled with a couple of good looking freshmen, the pitching staff should be competent. The early forecast for Panther Baseball seems on the bright side.

Bonnie Brae Mobile Park News

By Margie Wells
1977 was ushered in at Bonnie Brae in a quiet manner. There were a few bells rung at midnight with neighbors exchanging greetings and a few parties, but, for the most part, it was a quiet celebration. One of the nicest parties was at the home of Ethel and Max Putman, where they entertained, as usual, on New

Year's Eve. Pinocchio was enjoyed by Mary and Cedric Weirman, Miriam and Alton Petting, and Fay and Leland Darrell, while Helen Dye, Thelma Murrell, Roy Stewels, and Ethel and Max played 12 to 13. At midnight, delicious refreshments were served. Everyone agreed that Ethel must have been cooking all week with all the "goodies" she

served.
On New Year's Eve, Margie and P. D. Wells entertained Betty and Talmage Sparks as dinner guests. Betty and Talmage had just returned from a trip to Ashland, Kentucky (former home of Margie and P. D.) and they were glad to get back after the cold weather they encountered there.

Mr. O. E. Bechtel of Columbus, Ohio, spent the Christmas Holidays with Mrs. Elva Bechtel. Guests of Mrs. Bechtel on New Year's Day were Mr. and Mrs. Bryce Kinney and Jamie of Fredericktown, Ohio; Mr. and Mrs. Robert Pink of Lake Wales; Mrs. Roselle Morrison of Frostproof; and Mr. and Mrs. Forrest Kinney. Geneva and Geraldine Lewis have been enjoying some of the sights in this part of the state while visiting Ellen Hunt. On Tuesday they took a sack lunch to Highlands Hammock and enjoyed the nature tour around the park. On Wednesday, they

all went to Sea World, staying to hear Bob Hope in the evening. From Thursday to Saturday, the Lewises went to Donald Duck and to Busch Gardens, returning Saturday evening. On Sunday they all had dinner at the Tower Restaurant at Lake Placid. On Tuesday evening, friends of Rozzie and Lester Parkhurst met in their home to help them celebrate their 45th wedding anniversary. Those present were Gertrude and Dan Bohland, Norton and Helen Worster, Karl and Dorothy Hart and Margie and P. D. Wells. Rozzie served cake and coffee to everyone. On Thursday evening, Rozzie and Lester were guests for dinner at the Jacaranda Hotel with Dorothy and Karl Hart and Margie and P. D. Wells as hosts. It was a weeklong celebration for Rozzie and Lester and we wish them many more happy years together. Mr. and Mrs. Bryce Kinney, Bobbi and Jamie of Fredericktown, Ohio, came to

spend Christmas and the holidays with their parents, Mr. and Mrs. Forrest Kinney. We wish to express our sympathy to Bernice Sheridan and Margaret Young on the death of their brother and brother-in-law respectfully, Bernice and Argus met Margaret and Harry, in Cincinnati, where the Youngs were spending the holidays, and they attended the funeral together. The Youngs, who are back home now, report that the weather was terrible in Ohio. Madama and Albert Wade from St. Joe, Indiana, arrived this week and plan to spend a few months here in their travel trailer. They are friends, and distant relatives, of Dorothy and Karl Hart. Gertrude Bohland, Rozzie Parkhurst, and Karl and Dorothy Hart visited with Mrs. Kenneth Freeland one afternoon this week. Mrs. Freeland is in the hospital and we wish her a speedy recovery and hope she will be home soon.

Guests of Maude and Al Wilson this past week have been Maude's daughter, Patricia Curry from Toronto, Canada, and her two granddaughters, Mary Curry from Montreal and Heather Hobart from Montreal.

We would like to express our appreciation to Ellen Hunt for this reporter last week. Ellen was so well that we are urging her to take on the job permanently! Thank you so very much, Ellen.

Everyone in Bonnie Brae would like to thank all those who had a part in obtaining a sidewalk along Penny's store. This will be a great assistance to all of us and also will be much safer for us to visit the shopping center.

Public Notice

IN THE CIRCUIT COURT OF THE TENTH JUDICIAL CIRCUIT OF FLORIDA, IN AND FOR HIGHLAND COUNTY, FLORIDA
RE: THE MARRIAGE OF CHARLES C. GOINES, Husband and PATRICIA ANN HOLTYCLAW GOINES, Wife

Obituaries

Melville C. Bass

Melville Crumley Bass, 42, died Dec. 29, in Avon Park, where he was born and reared. He was a member of Athens Baptist Church of Berea, past Highlands County Commissioner; board of directors of Avon Park Cemetery Association since 1958; past member of Lions Club of Frostproof; 20 years with Jahn Concrete; member of Elk's Club of Sebring.

He is survived by his mother Mrs. Ruby C. Carlson, Avon Park, a daughter, Melanie Bass, Avon Park, and a son, Melville D. Bass of Winter Haven.

Funeral services were held Dec. 31 in Stephenson-Nelson-Smith Funeral Home with the Rev. W. O. Ragdale and the Rev. H. D. Graetz officiating. Interment was in Bougainville Cemetery, Stephenson-Nelson-Smith Funeral Home in charge.

Robert Goodson Landress, 68, died Thursday morning at Florida Hospital in Orlando. He was born at Collins, Georgia, coming to Avon Park in 1950.

Mr. Landress was born in Swannee Co., Fla. and came to Avon Park at an early age. He was the son of Joshua Thomas Landress and Katherine Wiggins. Landress, who preceded him, He is survived by his wife, Ruby Provau Landress, Avon Park, 4 daughters, Mrs. Ella Watson Sebring; Mrs. Richard Mason, Miami; Mrs. William Rutherford, Plant City; and Mrs. Elton Pennington, Atlanta, Ga.; 2 sons, Richard of Cocoa Beach; and Phil of Boone, N. Carolina; 13 grandchildren and 2 great grandchildren; 4 brothers, Tom of Linden; Scott, Merle, and J. T. Landress all of Avon Park; 2 sisters, Mrs. Garner Wingate, Lake Wales; and Mrs. H. H. Rutledge, Avon Park.

Mr. Landress was a retired Hardware clerk, having worked for the Metcalfe Hardware Store in Avon Park, for a number of years.

Mrs. Bama Savage, 90, died Dec. 31, at Lake Wales Hospital. She was a former 35 year resident of Avon Park. She is survived by 3 sons - Henry C. and John I. of Lakeland; Thomas C. of Polston, Montana; 3 daughters - Mrs. R. C. Hutchinson, and Mrs. John Scotty, Lake Wales; Miss John Giddens, Jr. Avon Park; 3 sisters - Mrs. John Culver, Atlanta; Mrs. G. C. Myers, Dothan, Ala.; Mrs. Fred Blount, Arcadia.

Funeral services were held Jan. 3 at Gentry Morrison Chapel, Lakeland, 2 p.m. Interment followed at Oak Hill Cemetery.

Mary Sue McGilvray, 34, died Thursday morning at Florida Hospital in Orlando. She was born at Collins, Georgia, coming to Avon Park in 1950.

She is survived by her husband Charles McGilvray, Avon Park; her parents, Mr. and Mrs. Ranford Lewis, Avon Park; one brother, Ranford Lewis Jr. of Ocala, Fla.; one sister, Miss Pamela D. Lewis, Avon Park.

Funeral services were held Friday, Dec. 31 at 4 p.m. in Stephenson-Nelson-Smith Funeral Home with the Reverend Edwin Tharp officiating. Interment in Bougainville Cemetery, Stephenson-Nelson-Smith Funeral Home in charge.

Live Manager Scene Portrayed

Youth from the First Christian Church reenacted the Nativity Scene on the front lawn of the church on Tuesday through Thursday evening from 7 to 9 p.m. prior to Christmas.

Under a crude stable could be seen Mary, Joseph, the baby and manger, and also the shepherds and wise men in adoration. Christmas carols played in the background and a cross of luminaries lighted the path into the church.

FAITH SEES PROMISE IN THE WHITE WORLD OF WINTER

When Winter's sun with slanting rays of light
Reveals a world arrayed in glistening white,
Where barren trees and snow-clad peaks beyond
Are mirrored in an ice-encrusted pond:
Some see it only as the year grown old:
The earth devoid of life, so dead and cold:
A dormant land where nothing seems to grow
And future hopes lie buried in the snow.
But those of faith see beauty in this scene:
Through Church they know that one day it will mean
A miracle that God will always bring.
The new rebirth of life that's known as Spring.

— Gloria Nowak

— Percy Bysshe Shelley

Southland Court News

By Louise Carson
The ladies' shuffle teams did not play on Dec. 23, Thursday, afternoons because of bad weather.

There was no Bingo Friday evening due to our Christmas party. We had a lovely time with lots of goodies to eat and drink. The folks were a bit late getting out to Carol because of the rain. Got some out of bed to greet us. It was great fun, and we truly felt the spirit of Christmas.

Our Christmas dinner at noon on Christmas day, was blessed by all saying the Lord's prayer. We had forty three attending. The ladies had made large candles for the tables, also sleighs filled with mints as favors. Clara Davis had fresh holly to decorate the tables. What wonderful fellowship and caring our Southland folks have for one another. Our ham and turkey and all the other dishes were just delicious.

Charles and Marion Learned fixed a plate for Rose Hall. Rose still isn't feeling well enough to attend our gatherings. We miss her beautiful smile. Hope she will soon be well enough to attend.

Rumar and Clara Engard had company over Christmas Holidays. Their daughter, Joan, husband, Mark and their three grandsons from Atlanta came to visit with them.

Byron and Bess Jeremy had their daughter and family during the holidays. It was a delight to have young people during the Holiday Season.

This week we welcomed Herman and Edith Oelschlaeger back. Welcome also to Bob and Florence Cornell, and Moses Chase, and Mazie Darnell. One by one our late arrivals are coming in.

Good to see Vi Wallace home from the hospital. She arrived in time to spend Christmas with her son and family who visited Vi and Charles during the holidays.

On Tuesday morning, Dec. 28, 27 attended coffee hour. Tuesday afternoon the ladies met at the rec. hall for Arts and Crafts.

We are sorry to see Carl and Sylvia Carlson moving to Dundee, Fla. We presented a gift to them at our New Year Eve's party. Friday a great time was enjoyed by all, singing the old year out and the new year in. The refreshments were delicious as usual. On Wed. evening Marvin and Hannah Tebo, Loyal and Ann

Harry Lee's Trailer Village

By MABEL STOCKER
Mr. and Mrs. Marvin McNeill and daughters Susan and Katie of Sarnia Ontario are spending their vacation in the village.

The following have arrived to spend the winter in their homes in the village: Charlie Goodwin of Elora; Mr. and Mrs. Fred Graper of London, accompanied by Beatrice Foster of Chesley; and Mr. and Mrs. Harry Edgworth of Elora; all from Ontario; all from Ontario.

Mr. and Mrs. Preston Baker of Lexington Missouri and Mr. and Mrs. Ed Galloway of Sarnia Ontario are spending a couple of months in the village. On New Year's Eve 53 members and guests of the Audio-Vin Social Club held a winter roast along with a covered dish supper at the shelter. Some cards were played with some parties being held in different homes.

Happy New Year!

Condit had dinner at the Black Forrest Inn to celebrate Loyals birthday.
The men's shuffle games were rained out this week. The shuffle had three teams who won two games each. There were no three game winners this week.

We are happy to welcome Carl and Mae Phillips back. We invite them to attend all park activities. A welcome is also extended to Bill and Stella Mott.
All for now, and God Bless you all with health and happiness.

January 10 Is Last Day To Register At SFJC

Registration for the spring term college credit classes will continue until 4 p.m., Monday, Jan. 10, at South Florida Junior College. Anyone planning to enroll, either as a full-time or part-time student, should do so as soon as possible. Any course that is offered at the college may be taken for college credit or for audit. Further information may be obtained from the admissions office or by calling 453-6661, extension 135, in Avon Park, in Avon Park.

Ellerbe Charges Dropped By Council

By Russ Dennis

The Avon Park City Council Monday evening unanimously voted to start the year on a positive note, as they dismissed a list of 18 charges filed against C. W. Ellerbe, City Building Inspector.

The motion to dismiss the charges was made by veteran councilman Milton Howard. "In my opinion, said Howard, 'Mr. Ellerbe might be guilty of some of these (charges) and he might not be... (guilty of others). I have great respect for these builders and contractors and they all seem to be in his (Ellerbe's) favor. I would like for all of the builders and the council to work together 100 per cent in 1977.'

Freshman Councilman Kelley Phillips voiced the apparent sentiments of the rest of the council, when he said that the Building Inspector's job was a very unpopular one-one that was always going to be controversial.

The charges filed against Ellerbe included accusations that he delayed building and remodeling work, couldn't work with the building department and public, used a city truck for private business, refused to inspect various projects and installed a private telephone without authorization of the council.

Apparently the decision to drop the charges was made when the council received letters from various builders and contractors in the area. City Clerk Malcolm Crews briefly read a letter an area contractor that praised Ellerbe.

Council President Robert Britt, in charge of Ellerbe's department, said that he was willing to go along with the council on the matter. "I have worked with Mr. Ellerbe," Britt stated, "and a couple times we have had misunderstandings when he has consulted me on different things, but otherwise we (Ellerbe) has done a very good job with his department and most of the builders around here will tell you that he has done a thorough job on his inspections and things like that."

Whether the feelings of the council, Ellerbe, who was present for the meeting, said that he knew it would be improbable and impossible for the council to know the controversy (sic) that is attached to the job. "My total purpose of my work and my decisions... is to be impartial and fair to each and every person that is entitled to services from my department. I discriminate against no one. I do not favor anyone... I make some mistakes... (but) I am above board and always open to criticism from anybody."

Ellerbe also invited the council to inspect his department at anytime.

DESPITE THE CHILLY weather, members of Avon Park's Winter Guest Club are still enjoying the organization's shuffleboard facilities. Getting ready for

some action are (l to r) Bill Olson of 1000 N. Lake Ave., Avon Park; Howard Breveort of Mayville, W.J.; and Dunavent of 402 Oak St., Avon Park and

Ernie Rouget of Adrian, Michigan. The club holds, among other events, shuffleboard tournaments each Wednesday and Saturday. (Sunphoto by Russ Dennis)

Boundaries Are Altered By Commission

Highlands County Commissioners officially adopted a new series of precinct boundaries Tuesday morning, after learning that the state had given the proposed changes its approval.

Last week Election Supervisor Jimmy Whitehouse told commissioners that the federal government was requiring counties to have voting precincts outlined by visible borders, such as streets, rivers and canals.

A number of Highlands borders were set by sectional lines, so 11 of the 19 precinct districts had to have some alterations.

The major changes approved Tuesday will move the entire city of Avon Park into county commission District 1, as Precinct 2 has been moved entirely into the district. The Avon Park mail is the dividing line between the precincts.

Whitehouse said they had considered moving Precinct 2 into any of the three commission districts bordering it, but a check of registered voter population revealed District 1 could use the people. Ideally, all five districts should have an equal population.

While District 1 will gain from that move, it will lose voters to District 14, when the precinct line separating Nos. 3 and 15 is moved north to SR 64.

In turn, District 5 will lose people to District 4, when the Persimmon Lake area is moved into the southern commission district.

The federal edict requiring visible boundaries was ordered so that census takers in 1980 can tell exactly what precinct they are in.

In other business Tuesday, the board granted a variance to James Altman, for a proposed commercial subdivision south of the Lake Placid underpass.

The board waived the requirement of a drainage plan for Altman, saying that the area in question is extremely sandy and soaks up water, and that Altman also owns all the land where excess water would flow.

County Engineer Gordon Hays Jr. told the commission he could not recommend the variance without having any knowledge of how much of the land in question was to be paved.

Commissioners gave Hays permission to seek bids on an airboat to be used in the county's aquatic weed control program.

The funds to be used came from \$25,000 supplied by the state for weed control, and the boat is expected to cost approximately \$10,000. The remainder of the money is to be used for helicopter spraying and chemicals.

"Buddy" Wise reported that the

Florida Flood Control District has given verbal approval for the county to use land owned by the district on the Kissimmee River for recreational purposes.

The county intends to put in a boat ramp on the 56-acre tract, and hopes to use the area for camping in the future. A ramp permit must first be obtained from the Department of Environmental Regulations before construction can begin.

The board also heard Wise complain that the county is being too easy on citizens who knowingly build structures without bothering to secure the proper county permit.

"I understand these types of people are laughing at us, and all we do is slap them with a \$25 or \$50 fine," said Wise. "I've had several people who obey the laws complain to me about it," he continued, "because they're doing the right thing and paying more because of it."

The board agreed to talk to the county judges about the matter to ensure that anyone brought to court on permit violations will receive an adequate fine.

Dennis Named Editor Of Avon Sun

Edward Carter, Publisher of the Avon Park Sun, has announced the hiring of a new editor for the newspaper this week.

According to Carter, Russ Dennis, a native of Adrian, Mich. has been added to the Sun's staff.

Russ Dennis

Dennis, who served as the Editor-Publisher of the Everglades Observer in Pahokee for two years prior to coming to Avon Park, brings with him a varied background that includes both newspaper and radio experience.

"We are looking forward to working with Dennis," said Carter, "and hope that his addition to our staff will make it possible to expand our news coverage of the Avon Park area."

The new Editor is 29 and married. He, his wife Linda and 6-year old son Bilbo, reside at 5-B Jackson St.

"We are excited about the prospect of living and working in Avon Park," said Dennis, "it is a nice community."

Dennis, a 1965 high school graduate, attended both Ferris State and Jackson Community Colleges in Michigan. He was honorably discharged from the U. S. Army in 1969, after serving in Vietnam and Thailand.

He has served as City Editor of the Leesville Tribune, a daily newspaper in Michigan, as well as News Director of both WABJ and WLEN, radio stations located in Adrian. In addition to his journalistic experience, Dennis has been employed as a professional photographer for various commercial photo studios and brings with him a dedication to enhance the already fine graphics quality of the Sun.

Dennis is an active Rotary member, serving as "Director B" of the Pahokee Chapter. He has also served the Palm Beach County March of Dimes in Pahokee, where his wife was director of the organization's Walk-A-Thon last year.

Tavern Customer Is Murdered

An Avon Park resident was gunned down Friday evening during a professional type robbery at the Lois Restaurant, 933 S. Delaney St., here.

Pronounced dead on arrival at Walker Memorial Hospital in Avon Park was Eddie Lee Jones of 940 Pineland Ave., who Avon Park Police Chief Robert Brooks said was a customer in the tavern when the hold-up occurred.

Sgt. Walter Belliger, on routine patrol near the establishment at the time of the shooting, was the first officer at the scene. Belliger, along with investigating officer Lt. Donnie

Singletary, told Brooks that Jones was killed with a blast from a sawed-off shotgun when he apparently tried to stop the gunmen.

"Jones was standing with another group of customers when a black male entered the bar with a sawed-off shotgun and ordered everyone to freeze," said Brooks. Investigators added that a second man, who had been seated at the bar, then produced a pistol and scooped approximately \$500 from the establishment's cash register. Brooks said that another customer was struck in the face with a gun butt when he tried

to stop the robbers.

The gunmen fled the tavern through a rear door and escaped in a white, late-model auto which was driven by a third suspect.

Brooks said that Bartow police arrested three men answering the gunman's description approximately one hour later on SR 60, however, tavern patrons could not positively identify the suspects as the same men who shot Jones. The suspects were later released. "We have a few leads," Brooks said, "and we will continue to follow them up in hopes of making an arrest soon."

Civil Service Board Votes For Reinstatement

Police Chief Brooks Is At Odds With His Lieutenant

By Lew Miller

Appointed as a Lieutenant in the Avon Park Police Department on Aug. 7, 1976, with the appointment becoming effective on Aug. 21, Frank Weems appears to have become the center of controversy between various factions of Avon Park's city government.

Weems was suspended on Nov. 1, 1976 for what was termed over-action in subduing a man who was trying to choke Weems with his own tie.

At a hearing before the Avon Park Civil Service Board, Frank Weems was completely cleared on all charges and reinstated with pay retroactive to Nov. 1.

Reporting for his shift on Friday morning, Nov. 19, Weems said he was told he was scheduled for the evening dispatches, at which time Weems said he asked Chief Robert Brooks for the Friday night off as he had a prior commitment, since he had been working elsewhere during his suspension. Weems stated he had been given the night off.

At 3 p.m. Nov. 19, a letter was received at city hall from Police Chief Robert Brooks stating Lt. Frank Weems was being demoted to Patrolman for the safety of the Police Department. Weems said he was told of his demotion and 3 p.m. Friday, Nov. 19.

Later in the afternoon a second letter was taken to city hall from Chief Robert Brooks stating that Lt. Frank Weems was being demoted for the safety of the Police Department and failure to report for work. Weems said he received a copy of the second letter on Nov. 20. At 8 p.m. Nov. 20, Weems said he received his schedule of work, effective on Nov. 21, 1976.

In a letter dated Dec. 8, 1976, to Mayor Marshall Davis, Police Chief Robert Brooks and members of the Civil Service

Chief Robert Brooks

Frank Weems

Board, Melvin Beane recalled of the Civil Service Board called a special closed meeting for 2 p.m. Dec. 14, 1976 for the purpose of investigating the dispute between Chief Brooks and Lt. Weems. The Police Chief stated he had not received a copy of the letter but attended the meeting because of oral communications.

At a hearing on Jan. 5, 1977 the Civil Service Board "disallowed charges of demotion due to the fact of discrepancies in two letters delivered to city hall by

Chief Robert Brooks and reinstated Lt. Weems to the position as Lieutenant and made his pay retroactive as Lieutenant from Nov. 19 through Jan. 5, 1977.

While off duty on Jan. 3, 1977, Lt. Frank Weems was given a letter stating he would be discharged from the Police Department on Jan. 6, 1977.

On reporting for duty on Jan. 4, Lt. Weems stated he was informed by Capt. Ron Smith that his discharge was effective on his receiving the notice, even

though the letter stated Jan. 6, 1977. Lt. Weems returned his brass collar decorations and badge to the Police Department.

Lt. Frank Weems stated he has asked for another hearing before the Civil Service Board on the charges for which he was dismissed. He said a hearing date will be set in the near future but would make no statement as he will be represented by attorney Marie Alice Crano of Lake Wales.

The new Editor is 29 and married. He, his wife Linda and 6-year old son Bilbo, reside at 5-B Jackson St.

"We are excited about the prospect of living and working in Avon Park," said Dennis, "it is a nice community."

Dennis, a 1965 high school graduate, attended both Ferris State and Jackson Community Colleges in Michigan. He was honorably discharged from the U. S. Army in 1969, after serving in Vietnam and Thailand.

He has served as City Editor of the Leesville Tribune, a daily newspaper in Michigan, as well as News Director of both WABJ and WLEN, radio stations located in Adrian. In addition to his journalistic experience, Dennis has been employed as a professional photographer for various commercial photo studios and brings with him a dedication to enhance the already fine graphics quality of the Sun.

Dennis is an active Rotary member, serving as "Director B" of the Pahokee Chapter. He has also served the Palm Beach County March of Dimes in Pahokee, where his wife was director of the organization's Walk-A-Thon last year.

Gang Member Escapes From Jail

A convicted ski-mask gang member who spent a great deal of time incarcerated in Highlands County jails, escaped late Tuesday night from the Tavares jail.

Larry Marshall, 37, is reported to be still at large following his break-out from the jail, where he was awaiting trial on grand larceny charges.

According to reports, Marshall and another prisoner, James David Bass, used a knife to overpower a guard in the Lake County institution. Escape was made through a second story window at approximately 10 p.m.

Bass, a 29-year-old white male from Georgia, had been arrested on armed robbery and auto theft charges.

In May Marshall was sentenced to 20 years after being convicted of charges stemming from an incident at a home near Avon Park. Daniel Thomas and Lee Martin were also convicted on charges of unarmed burglary and grand larceny.

In that case all three had originally been charged with sexual battery, burglary and robbery.

In July, Marshall was convicted of

breaking into the Whittington residence, about seven miles from Sebring, and sentenced to two concurrent 99-year sentences for breaking and entering and robbery.

Marshall had a long history of arrests as a juvenile, dating from 1972. His records show crimes ranging from profanity to six counts of breaking and entering, six counts of grand larceny, petit larceny, reckless display of a

Scott Brinson Found Guilty Of First Degree Murder

The jury deliberated only 30 minutes to reach a guilty verdict in the first degree murder trial of Scott Brinson. The 25-year-old Avon Park man, accused in the fatal stabbing of Bill Turner Brown, was tried here Jan. 10.

Brinson was arrested the evening of July 24, 1976, a short time and distance from the murder scene at Stephentown Fruit Co. at Avon Park.

Brinson's death came seven days after he was released from Highlands County jail where he had been serving time in connection with a possession of stolen goods charge.

Although Brown in his 37 years had been arrested 57 times, that possession of stolen goods charge was one of the most serious he ever faced. Almost half of the arrests — 24 out of the 57 — had been for intoxication or drunk-related incidents.

During his last jail sentence Brown reached the conclusion he was an alcoholic. He promised probation officers he would seek treatment for alcoholism, but a week later he was dead.

Brinson was sentenced to life in prison for that slaying. The sentence includes the provision that Brinson serve at least 25 years in prison before being released on parole.
