Southland Court News

by Louise Carson

Coffee hour on Jan 11, 9A.M. had twenty-nine out for coffee and buns. Among those were our newfolks: Horton and Grace Rowsome, Mae and Carl Phillips, Ester Nickerson. We wecomed them and invited them to join us in all activities.

Tuesday afternoon, Jan. 11, the ladies met for Arts and Crafts.

Tuesday evening, Jan. 11, aggravation was played and everyone had a good time. Ten came to be aggravated.

Thursday afternoon, Jan 13, the ladies shuffled on both courts. Bea White and Louise Carson won three games. Two game winners were Clara Davis, Florence Stephens, Alvia Trompics, and Martha Long.

Friday afternoon, Jan. 14, the men shuffled under cloudy skies, but the rain held off. Leo Briester, Nick Trompics won three games.

Friday evening, Jan. 14, there was a good turnout for bingo. Bea White won the coverall with 30 in attendance.

Friends and neighbors of the Longbons wish to extend their sympathy to Mae. Her brother Floren True died Jan. 13 in Ky. He worked for the State of Ky. in the Ecology Dept.

Hannah Tebo, Mildred Hindsley, Stella Mott, Edith Oelchlager, Goldia Daun enjoyed a shopping spree and lunch at Winter Haven. The girls came home with their arms full of bundles. They went to call on the Carlsons in their new home at Del Lake Village but found no one at home. They will try again sometime soon.

It is a pleasure to have Arnet and Marjorie Flint as our new neighbors in Southland Court. We hope they will attend all our activities.

Our first pot luck dinner of the New Year will be on Jan. 20, Thursday, 5 P.M. We hope to have a good turn out.

Park and Ellen Ernsberger had a visit on Monday, Frenchie and Albert Bourgea from West Palm beach.

On Friday, Park and Ellen Ernsberger and Bullet took Runar and Clara Engard to the Lion Safari in West Palm Beach. On the way home they stopped in Sebring for a snack.

All for now. Bless you all with health and happiness.

Obituaries

Oscar Bryan Farmer

Funeral services for Oscar Bryan Farmer, age 78, who died early Wed., January 12, at Walker Memorial Hospital, were held Friday, January 14, in Ranier Chapel, at 11 a.m. with the Rev. Nichols officiating. Interment was in New Providence Cemetery, Coffee Co., Opp Ala.

Mr. Farmer was born in Crenshaw Co., Ala. on March 7, 1898, to Sarah Frances Smith and John Burress Farmer. He was a Primative Baptist and had worked for the Tennessee Valley Authority before coming to Avon Park. He was working for Wards Nursery at the time of his retirement. He came here about 20 years ago from Harriman, Tenn.

Survivors are: 4 sons-Jimmy of Knoxville, Tenn.; Jerry of Avon Park; Johnny and Jackie both of Harriman, Tenn.; 5 Grandchildren; 2 brothers- the Rev. A. G. Farmer of Columbus, Ga.; and Thomas E. Farmer of Mulberry, Fla.; 5 sisters - Mrs. Mary F. Garrett, Mrs. Betty Graham both of Avon Park; Mrs. Maudie Bedsole, Winter Park, Fla.; Mrs. Nettie Foley, Florala, Ala.; and Mrs. Ester Foley, Sebring.

Stephenson - Nelson - Smith Funeral Home of Avon Park in charge of local arrangements.

Susie F. Smith

Susie F. Smith, age 81, died Thursday, January 13, at Walker Memorial Hospital. She was born in Central Alabama, November 2, 1895, and at the time of death resided at 150 E. Camphor St., Avon Park. She is survived by three daughters, Mrs. Unice Waites, Equality, Ala.; Mrs. Susie Slate, Avon Park, and Mrs. Ruth Flowers, Nahunta, Georgia. She is also survived by one son, Mr. Ira Lance Smith, Marianna, Fla.; and two sisters, Mrs. Louise Edwards, Wetumpka, Ala.; and Mrs. Florence Cone, Montgomery, Ala. She leaves 13 grandchildren and 8 great-grandchildren.

Funeral services were held Saturday at 10 a.m. at the Stephenson - Nelson - Smith Funeral Home with the Rev. Gene McLean officiating.

Burial will be in the Central Cemetery Central, Ala.

Delaney Heights News

by Mrs. Chas F. Marshall

The monthly birthday luncheon was held on Jan. 12. Eleven residents were present. There were two guests, Mr. and Mrs. Joseph Olivieri. "Happy Birthday" was sung for Mrs. Nora Yarborough.

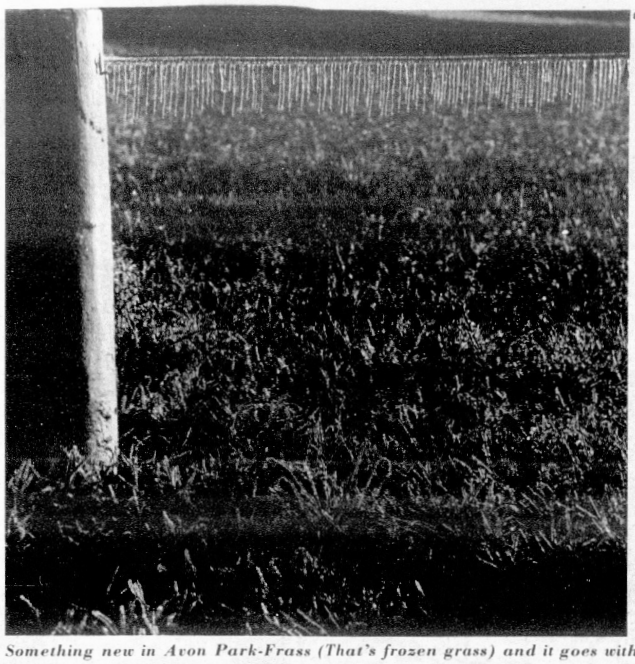
Mrs. Bessie Trude had as guests over the holidaus, Mr. and Mrs Nick Yondell, daughter, Pam, and son, Mark from Baroda, Mich. Mrs. Dempsy Norris, a former resident of Avon Park has been visiting. Mrs. Esther Bovard. Mrs. Norris now lives in Aiken, S. C.

During the holidays, Mr. and Mrs. Henry Deirkart and daughter, Sharon from Tarentum, Pa., visited Mrs. Esther Bovard. They went from here to Port Charlotte, Fla. to visit before returning home.

CAR BURGLARIZED

Thieves made off with a CB radio, a tape player, three speakers, and a box of tapes when they broke into the car of Willard Allan Decker, of Sebring, when it was parked outside Clyton's Lounge Saturday night.

The burglars apparently unlocked the door with a coat hangar, removed the items, and then relocked the car. Loss was set at $245.



Something new in Avon Park-Frass (That's frozen grass) and it goes with the current cold weather.

Harry Lee's Trailer Village

By Mabel Stocker

Mr. and Mrs. George Walker and son of Coldwater Michigan have arrived to spend the remainder of the winter in their home and Mr. and Mrs. Lee Cook and Nancy Heingardt of Kalamazoo Michigan have arrived.

Mr. and Mrs. Chester Reefer or Pittsburgh Pennsylvania have returned to their home after a visit with his cousin Alice Maxwell.

Gladys Whaley and Mary Clifton, former residents of the village and now of Wyandotte Michigan, visited a few days last week with friends here.

Mr. and Mrs. Herman Carter of Union City Tenneessee are visiting his cousin Hazel Davis.

Mr. and Mrs. Odd Whiteside of Manton Michigan were guests this past week of Mr. and Mrs. Charles Campbell.

On Friday evening 53 members and guests of the Auda-Vin Social club held a weiner roast and dish supper at the shelter.

Later Shuffleboard and cards were played.

Mr. and Mrs. Delbert Binkley and Mr. and Mrs. Dwight Hawk of Lafayette Ohio have arrived to spend part of the winter here.

Mr. and Mrs. Fred Patterson of Arlington Ohio are spending a few days with Mr. and Mrs. Ed Stocker.

AFFRAY PROFANITY CHARGED

An Avon Park bar fight resulted in the arrest of two Avon Park residents Thursday night.

Willie Oliver Benjamin and Antwine Robert Collins were both charged with affray (fighting in public) after sheriff's deputies broke up the row outside the Beachfront Bar. In addition, Benjamin was charged with open profanity.

Judges Selected For Florida Citrus Pageant

A panel of judges has been selected for the 1977 Florida Citrus Queen Pageant, to be held January 21 at eight p.m. at the Florida Citrus Showcase building in winter Haven.

Sonya Surrency of Brandon, 1975 Florida Citrus Queen and Toni Jennings of Orlando, state representative and member of the house Agriculture Committee, represent the distaff side on the judges group.

Others are John J. Nagy of Union Fruit Auction, Pittsburgh. Nagy's firm has often engaged the Citrus Queen for promotions and appearances; Arlen Jumper of Ocala, a member of the Florida Citrus Commission, which sponsors the Citrus Queen's appearances; and Dalton Yancey of Umatilla, representing Citrus Central, Inc., one of the state's largest representatives of growers and cooperatives.

Candidates for the coveted title will be arriving in Winter Haven on the afternoon of Jan. 19, with an early-morning appearance at Cypress Gardens during which there will be an orange juice "Squeeze-Off", the next morning. Judging will begin officially that afternoon and will continue through the next evening, in personal interviews and social occasions.

Jerry Clement of Lakeland, Queen Pageant coordinator, is in charge of arrangements for the event.

Criminal Justice Forum To Meet

The Highlands County Criminal Justice Forum will hold its quarterly meeting at 10 a.m. Friday, Jan. 21, at the courthouse. This is the first meeting since the new schedule of meetings was announced last fall.

LET A SPECIALIST DO IT

Call or write WAVERLY CORPORATION for an appointment for a FREE ESTIMATE.

** Over 95% of our business is sewer hookups, and WE KNOW OUR BUSINESS.

** Nick Quackenbush, our president, is a MASTER PLUMBER, holds a current registration, no. 178, in the City of Avon Park, and carries all required insurance.

** While the plumbing code allows cheaper materials, we use nothing but the best schedule 40 PVC pipe and fittings for a HIGH QUALITY, TROUBLE FREE installation.

** All but the most inaccessible areas are done with a machine that cuts a neat 6" wide trench with a MINIMUM OF GRASS DAMAGE. Most sod grows back in a few months.

** Other than the permit and connection fees which are payable to the City, you pay nothing until the work is installed, inspected, and the grounds put back TO YOUR SATISFACTION.

Making Something From Nothing

"You can take a piece of wood that is nothing and with a few nails and screws and grooves, you can build something out of it." These are the words Ken Maxwell used to describe his love for a life-long involvement in carpentry. Ken is instructor at South Fla. Jr. College and teaches the Building Construction Course.

The course is equivalent to approxiamtely three years apprenticeship training but at the same time only encompasses a ten to eleven and a-half month duration. It is also superior to on-the-job training because it combines classroom technology with actual working experience. Students learn blue print reading and electrical wiring along with every phase of building construction.

The course is taught from September through June and presents either 1800 hours or 1260 hours training. Each student who graduated last year has now been placed in a job.

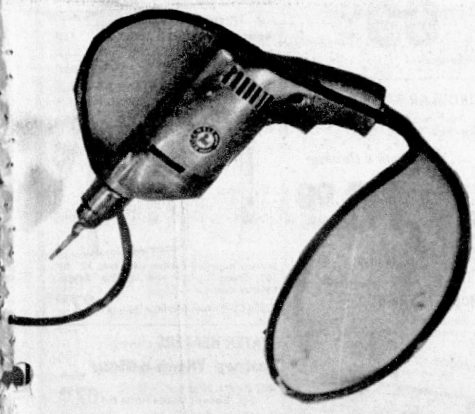
This year Ken Maxwell has a total of 23 students. Among them is his first woman student. At first Ken's attitude was one of reluctance and hesitation. Now he admits he's impressed by her performance and wouldn't mind having others like her. She knows her physical limitations and compensates handsomely by using her head.

As mentioned, the students also gain practical experience. Among their projects have been the SFJC Tennis Court bleachers, most of the new furniture on campus, pouring sidewalks, setting locks, and hanging doors. They are presently engaged in constructing two sixty foot dugouts for the new college baseball diamond, and building all the kitchen cabinets for the First Christian Church of Sebring. They will tackle any job whatsoever.

A new course being offered at night, beginning January 24, will consist of estimating plans, and should give the person with practicial experience the technological background necessary to become a professional in the field.

Although only one woman has been enrolled so far, Ken Maxwell hopes to have future additions.

Job performance



Building the baseball dugouts for the Junior College was one of many projects.

Fifty-five years ago the Highlands County Pilot reported the following in its Jan. 20, 1922 edition:

Headlines: "More Names Suggested For the New Park"; ... we received a letter from Byrum Shockley, suggesting names for the new park as follows: Verolane(a combination of Verona and Tulane), Nova (Avon spelled backwards), Avonia, Avonian, Metropolitan, Bermuda(If that type grass is used), Magnolia...Gamaliel...Boyd...

Advertisement: One of the Best Eye Men of Florida Will Be Here Saturday, January 28, to Examine Eyes And Fit Glasses - Sure relief given headaches caused by errors of refraction. Do not neglect your children's eyes...Dr. W. F. Humphries.

Local and Personal: Monday morning When Miss Sadie Myers, teacher of the fourth grade in the Avon Park school, stepped into her room she was startled to see her room beautifully decorated with moss and other catchy articles. . . the children had been prompted to give her a surprise party . . .

Miscellaneous: A KKK letter to the Highlands County Pilot read like this: "Yore paper is a disgrace to yore community and to the state yore editorial policy is offensev to common descency and obnoxus...You are therefore Kommanded to be and appare for trial before the Mystic Kourt of the Klan at the Tampa Bay Kasino, Tampa, at 7:30pm, Febr. 8 next to explane yore direppitable conduck... Herein fale not under penuity of a Rough Ride in a Sticky Suit."

Consumer Talk

The Rising Cost Of Dying

If you as a consumer have been misled, deceived, or have questions you need clarified, call the Toll Free telephone number of the Florida Dept. of Agriculture, Consumer Services, Tallahassee: 1-800-342176.

Death is just as real and normal as birth and we need to face the possibility of death. For adults, this means making a will providing for the disposal of one's wealth or property, and giving directions on a variety of other subjects associated with departure from this life.

No matter how unprepared an individual may be for the fact of a particular death, the group must have some plan of action in the event of death.

The pricing of a funeral service represents a combination of cost, customs, and psychology. This includes cost of a casket,' cemetery lot or crematory, grave marker or urn, burial clothing, transportation, flowers, music and other incidentals.

The casket is the key to the pricing of a funeral. The price range is from about $200 to $21,500 or higher.

The price of a casket actually includes the cost of the casket and the cost of "standard services." The same standard services usually are provided for a $500 funeral as for a $21,000 funeral. The main difference is that the casket is more expensive for the $21,000 funeral.

There have been cases when funeral bills have been out of proportion to the survivor's ability to pay. The fault has been with the family rather than the funeral director. The temptation to purchase an over-elaborate funeral out of love and respect for the deceased may be great but the practical side should rule.

Find out from the funeral director in your community what "standard services" are included in his fee. Find out which charges are considered to be optional or additional charges. Standard services usually include: the removal of the body to the funeral home; preparation by embalming and cosmetology for burial or cremation; completion and filing of the death certificate; also in making arrangements with relatives for the various phases of the services; arranging for music for the services; notification of pallbearers, if any; arrangements for the handling of flowers; notification to the newspaper and fraternal or veteran's organization.

Services and costs not usually included in standard services are: clergyman's honorarium(locally $5 to $10); crematien service charges (starts at $150); marker or monument; crypt (individual rooms up to $21,500); cemetery charges for opening and closing grave; flowers; burial clothes musicians or soloists; long distance telephone calls or telegrams; cemetery lot; cemetery perpetual care charges.

If a military service is desired it is conducted at the graveside with the cooperation of the minister. The Office of the Quartermaster General will furnish a headstone or marker upon proper application. Men and women who have served in the armed forces of the U.S. are entitled to $250 for funeral service. They may be buried in the National Cemetery without any charge.

Those covered by social security receive a lumpsum death benefit of $255 for funeral services.

When considering the selection of a cemetery plot it is wise to purchase in advance whenever possible.

Select a lot in a cemetery which is manged by a reputable person or group.

Inquire whether or not the management has membership in either the American Cemetery Association, the National Cemetery Association, or the Florida Cemetery Association.

Monuments are permitted in some cemeteries and others allow only certain types of markers. Individuals who have preference should first check the rules before purchasing cemetery property. If the selection has not been made in advance, it is well to wait until the first shock of death eases before selection.

The simplest way to pre-arrange a funeral is to leave written instructions for those who will make the arrangements.

This information was extracted from the Fla. Cooperative Extension Service Institute of Food and Agricultural Sciences pamphlet entitled, "The Rising Cost of Dying."

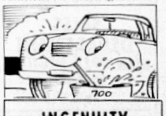
Energy Saving Tips

The average American car consumes well over 700 gallons of gasoline a year. Yours can save some of that if you keep your engine air filter clean. Insufficient air wastes gasoline.



INGENUITY In Mobile Defense

Little Known Facts RELIABLE ROTORS

RELIABILITY IN THE AIR—New helicopters are designed to be less likely to break down.

American soldiers are men you can trust—and to defend the people of this country they need equipment they can trust.

That's why an improvement in the reliability and maintenance of the helicopters they fly is important. Both these key areas have been improved by about 50 percent in the Sikorsky Utility Tactical Transport Aircraft System (UTTAS) which uses advanced concepts for vibration reduction and employs solid state devices containing no moving parts. Because of engineering expertise in the YUH-60A, Sikorsky's new squad carrying helicopter can perform instrument approaches and landings in minimally prepared landing sites—no matter what the weather or terrain.

The improved rotor blade has a titanium spar and fiberglass skin. Since titanium is twice as strong as aluminum, the durable life of the blades is considerably improved. The blade is also completely noncorrosive and is easily repairable in the field.

An aircraft that is less likely to break down is also less likely to break up the army's system of defense.

Delaney Heights News

By Margie Wells

It was really a busy time around Bonnie Brae this week. At long last, we were connected into the city water system and our new section of the park is beginning to take shape. One double wide moved in this week along with our model home and we can visualize what it is going to look like in the near future. Also, the new J.C. Penney store opened and it looked like mass exodus on Monday night as everyone visited the grand pre-opening show (and some of us got our pictures taken too!). Everyone in our park would like to say "Welcome" to the Penney's store.

Mr. and Mrs. Tom Griglack stopped to visit at Bonnie Brae this week. They are acquaintances of Lula and Louie Potter and Dorothy Carrol from Corry, Pennsylvania. It was a nice surprise for the Potters and Dorothy.

Thelma Miller returned on Sunday after an extended visit with Charles Mayotte of Hollywood. While there, they had dinner at the Reef Restaurant and also dinners at the homes of several friends. They played pinochle nearly every night. However, it looked like Thelma played "button, who's got the button?"

The Rev. and Mrs. C. D. Harsh of Winter Haven were Friday visitors of their daughter and son-in-law, Margie and P. D. Wells, on Friday, and enjoyed shopping at the new Penney's store.

Congratulations to a nice couple, Fay and Leland Darling, on their 58th wedding anniversary on January 16th. Margie and P. D. Wells celebrated their 31st anniversary on the following day, January 17th. We should have had a big party!

Spending the holidays recently with Mr. and Mrs. Lorne Johnston were their children, and grandchildren, Mr. and Mrs. Roger Cartwright and family, of Blenheim, Ontario; Mr. and Mrs. Fred Norris and family of Oakville, Ontario; and Mr. and Mrs. Robert Podzemsey of Sedan, New Mexico. Mr. and Mrs. Harold Henderson of Blenheim, Ontario, also visited the Johnstons last week.

Anne Griffin would like to thank all who sent greetings on (shall we say?) her 39th birthday? We wish you many more, Anne.

Mr. and Mrs. Cecil Messinger of Corry, Penna. are visiting with Dorothy Carroll this week and, if they can find a place to rent, plan to stay in Avon Park for a couple of months. They are nice people and we wish them success in finding a place.

Rene and Joe Asher, Ellen Hunt and Geneva and Geraldine Lewis were in Lakeland on Thursday night to hear the Bill Gaither trio at the Civic Center. They went by way of Winter Haven and enjoyed a wonderful dinner at Duff's Smorgasbord. It seems several from the park have been to Duff's to eat and all report it is most enjoyable.

We offer our sincere sympathy to Dan Bohland on the loss of his sister on Saturday. Gertrude and Dan left Saturday evening by plane to attend the funeral.

Ralph and Sherman Riffe made a surprise visit on Margie and P. D. Wells on Sunday and spent the night with them. The Riffes plan to remain in Avon Park for a couple of months. They like our part of the country and hope to play a lot of golf and do some fishing while here.

Don't forget our special meeting which will be held on Friday, Jan. 21, at 10 a.m. in the rec hall to discuss the future activities of the park. We hope there will be a good attendance.

FIREMEN SPRAY WATER on smouldering hot spots as only this wall remained of the storage building on Anoka Ave. and Walnut St. last Tuesday afternoon.. (Sunphoto by Lew Miller)

Local Firemen Battle Three Separate Blazes

The Avon Park Fire Department was kept on the move Tuesday, Jan. 26 with fires at 2 a.m., noon and about 4:45 p.m.

An overheated heat pump caused a fire at 2 a.m. Tuesday morning in a house owned and occupied by Mrs. T. C. Capell on the corner of Lake Ave. and Margerite Drive.

The end of the building was damaged along with smoke damage to the building and contents. Cost of the damage has not been determined.

The 12:15 p.m. fire at 220 E. First St. was in a house owned by Lucy Sargent and occupied by W. M. Martin. It was caused by an overheated kerosene heater. Approximately $200-$300 damage. There were no injuries.

The 4:45 p.m. fire in a storage warehouse at the corner of Anoka St. and Walnut St. was believed to have set by kids playing in the area. It was reported to have been set afire a week earlier but was put out before damage was done to the structure.

The building owned by Clyde Starling served as a storage building for duplex apartments on the property. After the fire was put out the building was declared a total loss as fire had destroyed all but one wall and part of the roof before the fire department was called. The loss was partially covered by insurance.

The kids reported to have set the fire had left the area by the time the Fire Department vehicle arrived.

Suspect Is Released As Witnesses Cop Out

Avon Park police saw weeks of intensive investigation into the murder of Eddie Lee Jones, 90 Pineland Ave., go up in smoke Tuesday, as witnesses refused to identify one of the suspects allegedly involved in the incident.

According to Chief Robert Brooks, a 27-year old Orlando area man was released from the Highlands County Jail Wednesday, after witnesses were reluctant to become involved in the case.

"These same people," Brooks said, "had picked the suspect's picture out of a mug file before we took the man into custody. Now, they say they don't want to get involved."

Sgt. Walt Bellinger, who spearheaded the investigation into the murder, said that the witnesses to the shotgun slaying at Lois' Restrurant, 935 S. Delaney St. Jan. 7, told him they were worried that the man might seek revenge if they identified him.

It is discouraging, Bellinger explained, but he added that he would continue with the investigation.

Jones was gunned down during a robbery at the tavern, apparently when he tried to halt the gunmen.

"Sgt. Bellinger and sheriff's deputies worked around the clock on this case," Brooks said, "and it is a shame that the witnesses are now refusing to cooperate." The suspect, charged with suspicion of murder in the first degree, is presently on parole from Raiford Prison and was picked up in Orlando last Thursday after witnesses to the shooting picked his picture out of police mug files, positively identifying him as one of the three men involved in the murder. He was released from the county jail on

"We are not going to let the matter rest," Brooks said. "We will continue with our investigation until we make an arrest that will stick."

Booze Is Said To Be Costing General Public

Inability of state agencies to revise the fee schedule for alcoholism treatment is costing Florida taxpayers "substantial amounts of money", Florida's auditor general believes.

The most recent audit of the Bureau of Alcoholic Rehabilitation and the Florida Alcoholism Treatment and Research Center (at Avon Park) sharply criticizes the state for using a 10-year-old schedule which pegs fees at $19 per day for in-patient care at the Avon Park center.

Joseph Ziesenheim, superintendent of the Avon Park center, and George Clarke, administrator for the alcoholism, program, told The Sun they agree with the auditor's criticisms.

The auditor drew a contrast between the $19 per day fee and the average cost per patient day of $57. Ziesenheim says the per patient day cost is down to $56 but the fee fixed in 1967 is definitely too low.

The schedule does provide for each in-patient to pay a $100 admission fee which covers the first three days at the Avon Park center. The charges have been criticized in every audit made within the 1970's. In June 1973 the alcoholism center submitted a revised patient fee policy to the Division of Mental Health.

Four years later, when the Division of Mental Health became caught up in the parent Department of Health and Rehabilitative services (HRS) reorganization, the fee schedule was still pending.

Be-Wigged Thieves Are Sought By Local Police

Avon Park police are searching for a thief with a well groomed look this week, as they investigate a breaking and entering at Jackie's Beauty Salon.

According to Chief Robert Brooks, between $4,000 and $5,000 worth of merchandise was taken sometime Saturday night when thieves jimmied open the rear door of the beauty shop.

Among the items taken were wigs, beautician chairs and driers and a stereo system.

At press time, police had not reported any arrests in connection with the incident.

Happiness is a warm puppy and a soft kitten, as evidenced by the expressions on these youngster's faces. Bilbo Dennis, 6, of 5-B Jackson St. and his playmate, Tracey McCoy, 6, of 7-A Jackson St., took advantage of the warming temperatures this week to have some fun with their pets. Demands For Traffic Signal Get City Action

The Avon Park City Council Tuesday evening voted to support a traffic signal on S. U.S. 27, adjacent to the Avon Square Shopping Center. In addition, the council also agreed to seek a reduction in the speed limit in that area from 55 to 45 m.p.h.

In agreeing to support the signal device, the council obligated itself to paying 40 percent of the cost of the signal, all electricity and maintenence costs. City Clerk Malcom Crews indicated that in the past, the Highlands County Commission had agreed to fund traffic lights in Avon Park out of a secondary road fund, adding that he thought that the same procedure would hold true this time.

State department of transportation officials have reportedly informed the city that they will instigate a second traffic study to determine if the signal and reduced speed limit are needed.

In other action, the council was informed, via letter from the Federal Aviation Agency that the city did not have the right to grant the Avon Park Municipal Airport franchise holder exclusive rights to sell aviation services.

In the FAA letter, Milford Reisert, Chief of Programs and Inspections for the FFA agency informed the city that the granting of exclusive service rights to the airport operator was prohibited by "assurances contained in your grants for federal assistance for airport development and the provisions of your (Avon Park's) quitclaim deed transferring property from the United states Government...". The letter further stated that "...the opportunity to engage in an aeronautical activity not provided by an airport owner must be made available to any person, firm or corporation meeting standards established by the owner which are relevent to the proposed activity, reasonable and in the public interest."

Reisert stipulated, however, that the federal ruling "... does not prevent you (Avon Park) from safeguarding the public interest or preserving the stability of existing enterprises by establishing reasonable qualifications and standards, thus allowing you to fully exploit the potential market."

The council took no further action on the matter, but they did instruct City Attorney Johnathan Hancock to fully investigate the laws and regulations pertaining to this matter and report to the city's airport committee.

In a related matter, the council voted to approve the execution of an agreement with the FAA for a lease on airport property to install a special radio beacon for the airport.

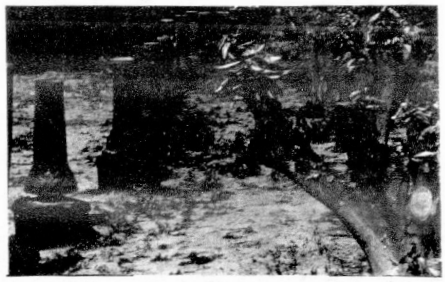
The question of whether Highland County Schools should participate in the cost of installing new lights at Head Field was discussed again at the meeting.

The facility, which is used by the Avon High School baseball team for night games is in need of several thousand dollars worth of new lighting equipment. Crews stated that a previous request for funds had brought a refusal from the school board, however Dr. Dan Davis, Superintendent of Schools, has now advised the city that "something can be worked out." Hancock indicated that state statutes may prevent the school board from funding the lighting project, but he added that they may be able to provide the necessary maintenance for the field.

City fathers voted to grant the Avon Park Kiwanis Club the necessary permission for the organization to hold its annual circus on airport property. The event is scheduled for April 11.

David Johnson and Betty Johnston were appointed to the city's recreation council. Special 15 m.p.h. speed limit signs will also be posted near any of the city's playgrounds. That motion was approved by the council upon request from Jim McWilliams, city Recreation Director.

In final action, the council voted to hire another policeman, with the funds necessary to pay the position's salary coming from federal anti-recession monies.



BEING A LITTLE closer to a heater, during the freezing weather of last week, apparently didn't prevent this bud sprout on a buckhorned limb, from getting frostbitten. All or most of these bud sprouts may be lost becuase of the freezing temperatures. (Sunphoto by Lew Miller.)

Citrus Loss

Said To Be High

The Highlands County Disaster Committee met last Friday to prepare a freeze damage report for the Department of Agriculture to be incorporated into a report for the U. S. Department of Agriculture.

It was the concensus of the committee that 85 per cent of the Citrus crop was damaged, with the damage ranging from a total loss to slight damage. It was anticipated that 35 per cent of the crop would be total loss.

Tree damage was reported as light to heavy. Light damage referred mostly to a loss of leaves Heavy damage included the possible loss of branches and main limbs. However, it is still too early to assess the exact degree of damage suffered by many citrus trees as tree limbs may continue to die back into the summer months.

While the buds for the spring citrus bloom are initiated in the fall, the committee felt that this past week's freezing temperatures would not have much effect on next year's crop as they were anticipating a heavy June bloom.

There are approximately 400 acres of vegetables in Highlands County, mostly in the Wild Island area near Lake Istakpoga. The committee considered these melons, cukes and radishes a total loss.

Pastures were considered as 100 per cent damaged as the grass was frosted to the ground and cattlemen were expecting to start feeding supplemental protein to their cows.

Since about half of the county's caladium crop is still in the ground the extent of damage to these caladiums is hard to determine as in some area the soil was frozen. Growers will have to dig caladiums to know the extent of the freeze damage.

Locally Crabtree's Nursey reported almost 100 per cent loss of the tops of many varieties of succulent plants and will have to wait until regrowth starts to obtain an accurate estimate of the loss of plants.

At Washington's Nursery, consisting mostly of woody type plants, damage ranged from heavy to slight depending on variety. Many of the plant cans were laid on the sides and sprinklers were kept running during the night time low temperatures. The most damage was suffered on Friday and Saturday nights as a pump broke down during the Thursday night sprinkling.

One year old grove replanted trees and two to three year old navel orange trees were completely defoliated. The surprise development came in an older block of pineapple oranges where the leaves started to uncurl following irrigation of the grove. Temple trees in this grove were undamaged although the fruit appeared water soaked after thawing.

It was reported that several days of hot weather would cause the damaged fruit to drop off the early and mid-season varieties.

Landfill Fees Go Into Effect Soon

The collection of fees at county landfills goes into effect next week, and Highlands County Commissioners are already pondering amendments to their adopted policies.

Under the new guidelines, cars will be charged 50 cents to dump up to five bags of household garbage, half-ton pick-ups will be assessed $1, and all others will be charged $4 a ton.

Tuesday morning, "Buddy" Wise said that "at least a dozen" people had asked him if they would be charged 50 cents just for dumping one bag. "These people fill up one bag a day to take to the dump, and they don't want to let them lie around for a week because of drawing insects and dogs."

Wise suggested that the county charge 10 cents per bag, so it would not impose a hardship on the daily dumpers.

Carl Arant Jr. said it would be too much trouble to charge per bag. "Then we'd have to see how many bags are brought in, and set the size of the bag. There are small bags, and bags big enough to hold five garbage cans."

Wise also suggested that some regular haulers be allowed to buy a book of tickets in advance, so every transaction would not have to be made in cash.

Other commissioners agreed it was a good idea, but decided they would wait until the system had been in operation for a period before making any changes.

Editor's Viewpoint

By RUSS DENNIS

After months of uproar one of the hardest fought presidential campaigns in this country's history came to a close last Wednesday, as Democrat James Earl Carter became the 39th President of the United States of America.

So what can this mean to the residents of Avon Park? To me, it means a fresh breath of change from the established way of doing things.

It means excitement...excitement over the prospect of having a man in the oval office that truly seems to care about the common man. That's what it is all about. Perhaps for the first time in 13 years, this country can feel enthusiasm for the person of the President-something that I feel has been sadly lacking for too long.

I don't think we should expect miracles from any mortal man, however, we should expect a feeling of confidence . . . of expectancy, from the man who is plotting the destiny of this land.

In Avon Park, as in small towns and cities across the country, the biggest change will hopefully be a renewed faith in a government that has been sorely tested in the past few years. I suppose there can never be a true Camelot...a perfect society, what with human nature being what it is, but that is a dream we can strive for. It isn't too much to hope that the old American spirit of participation and confidence in her government will again be awakened.

Many people have likened America's short history with that of the Roman empire — a bright and shining start, followed by a decline into decadence and eventual collapse. If Jimmy Carter can dispel this feeling of impending gloom and re-instill an optimistic attitude on the part of the American people, then he will have done as much or more for this country than any president.

For some reason, Carter's confidence and exuberance — his down-home-folks attitude towards life, reminds me of the famous Norman Rockewll paintings of American life in the mid-Fifties and early Sixties. That was a time when we all felt that we had the world by the tail and it was reflected in those memorable Saturday. Evening Post covers. We can never turn back the clock and return to the past; such a feeling is not healthy for such a vital country as America, but we can re-instill the dynamic and positive feeling of growth and confidence.

God grant Carter the strength and wisdom to bring about such an awe inspiring transformation...let us wait and see, but let us wait with confidence.

Here's a Post Script from last week's column. It seems that the mysterious victim who was trapped in the city's band shell is named Sam Dasher. Sam stopped by the office Friday and identified himself. Seems that he effected his escape from "The prison on the mall" with a screwdriver and had to hurry off to catch a ride. Thanx Sam. I'll bet you won't forget that little incident for a long time.

Police Need A Reason To Try

It is a sad case, indeed, when supposedly honest citizens will refuse to aid police in their efforts to stem the ever mounting tide of violent crime in this country. Sad, but true.

Avon Park police have just been put to the ultimate test-they have been slapped in the face by the very people they are trying to protect and now they must convince themselves that the whole thing is worth it.

After countless manhours, local investagators ran to earth a man they felt was responsible for the brutal shotgun slaying of a well liked resident-Eddie Lee Jones.

It was like a text book case-good investigation, co-operation of witnesses who initially identified a suspect and a little luck. Then it all went sour. Witnesses who at first were positive, suddenly refused to offer further aid.

Why? Because of fear. Investigators indicated that the now reluctant witnesses had said that the suspect would probably be back on the streets in a short length of time, even if he did go to jail and they were worried about possible revenge on his part.

It is a sad commentary on the current state of affairs in this country, when a criminal gets the breaks and the victim gets the suffering. When the man on the street feels that there is no justice where do we turn?

Never mind the pain and anguish that Eddie Jones' family is suffering, just look out for yourself.

These same people-the ones who are witholding their aid-will undoubtedly be the same people who always scream, "Where are the cops when you need them." Where, indeed.

A recently released crime study states that 43 per cent of the violent crime in Highlands County occurs in Avon Park or the Avon Park area. Small wonder, with such fine help from certain segments of our population. These selfsame people profess grief over the slaying. They shed tears for the victim's family,m lamenting the terrible deed, but when it gets to the "nitty'gritty", the tears quickly dry up and the crys of anguish change to whispers of, "Don't get involved."

What can you tell the victim's family? How can a policeman dig up the dedication to continue with his low-paying and dangerous job after such a slap in the face?

You hear about such incidents in New York, Detroit or San Francisco, but not in Avon Park. If this terrible indifference has spread to the heartland of our nation, nothing can stem the violent wave which threatens to engulf us.

Let us hope that this "indifference" doesn't spread to the men sworn to protect us and uphold the law, for if it does we are all lost.

Freeze Briefings

Florida Citrus Mutual Executive Vice President Tom Osborne and Florida Commissioner of Agriculture Doyle Conner today briefed congressional leaders and federal officials on the priliminary assessment of damage to agriculture as a result of last week's weather.

Briefings in Washington were held in separate meetings with Florida's congressional delegation and with U. S. Secretary of Agriculture Robert Bergland.

Both groups pledged support in meeting problems to be faced by all facets of agriculture.

Osborne said he emphasized that losses to the 1976-77 citrus crop were only preliminary assessments and that more accurate figures will be developed on a week to week basis for all those concerned.

Conner briefed the Washington groups on damages to crops other than citrus, concerntrating mainly on vegetables.

Interviewpoint

Interviewpoint focused this week on city government and elected and appointed officials should be heartened to learn that residents have given them a vote of confidence.

This week's question: Do you think we are getting good, representative city government?

Mrs. Ada Hallam, 26 E. Thomas Ct. 1

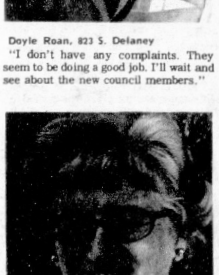
"I'm not absolutely sure yet. We have new council members and I want to wait and see, but for the most part, I think they are doing a good job."

Doyle Roan, 823 S. Delaney

"I don't have any complaints. They seem to be doing a good job. I'll wait and see about the new council members."

Roger Holbrook, Lotela Apts.

"I don't like to admit it, but I don't have an opinion. City government just doesn't effect me. When I'm not on the job, I am working on my car. I'm just not very involved.



Mrs. George Kelsey, 307 E. Canfield

"They seem to be trying to do a good job. I give them a vote of confidence. I wish, however, that they would do something about all the litter in Avon Park. Perhaps they could ask every property owner to clean up his area."

Avon Park Band Will Be In Showcase Parade

On Saturday, Feb. 12, the Avon Park High School Grenadier Marching Band will take part in the Florida Citrus Showcase Parade at Winter Haven, which is scheduled to start at 10 a.m., This annual Citrus parade is sponsored by the Winter Haven Jaycee's.

At 7 p.m., Saturday evening the Grenadier Band will take part in the Florida Citrus Band Marching Contest at the Auburndale High School football stadium.

Vehicle Tag Sales

The sale of motor vehicle tags in Highlands County, has for the past four years, raised just under $1 million per year for state government.

In an audit just released by the state auditor g eneral, the motor vehicle tag recipts for March 1, 1972 to April 30, 1976 totaled $3,424,497. An additional $137,301 was raised by tags, titles and liens and $553,026 by sales tax.

Highlands County Board of County Commissioners received $65,445 from the motor vehicle tag office.

The audit report, which contained only two criticisms, covers the time during which the tag agent-supervisor of elections office switched from a calendar to a fiscal year and the conversion of being a fee office to being a budget office. Throughout the audit period the office was headed by Jimmy Whitehouse.

The auditor complained that internal control of funds was weakened by allowing too many persons within the office to handle too many jobs. The audit recommends separating the duties of collecting, depositing, recording and remitting of funds in the tag office.

Whitehouse said the office was understaffed, however, he was in the process of training new personnel so duties could be separated.

The other criticism had to do with a $423 item within the tag agency trust funds. This "unidentified liabilities" item was, Whitehouse wrote, in the process of being identified and disposed of.

The combination of tag agent and supervisor of elections is a unique Highlands County arrangement. In 1947 the Florida Legislature approved moving the tag agent duties from the tax collector and placing the responsibility with the supervisor of elections. In recent years there had been some discussion about moving the tag sales back to the tax office, but no action has been initiated.

New Agent Takes Post

A new county agent was hired Tuesday afternoon when Highlands County Commissioners wasted no time in approving the application of Tim Hurner, without opposition and without debate.

The Highlands has been without an official county agent for two years since Burt Harris retired from the position. At that time the commissioners tried to hire Hurner, who was Harris' assistant, but were unable to do so because he did not meet state standards calling for a Master's Degree in agriculture.

Hurner has since fulfilled the requirements for the job, receiving his degree in December.

Dr. Earl Kelly of the University of Florida Agricultural Extension Service appeared before the commission to recommend Hurner for the job.

"We received numerous applications for the job," Kelly said, "But Mr. Hurner is the most qualified. We look ahead to an outstanding extension program."

"This county has been going through a 'dry spell' as far as county agents go for two years," he said.

The commissioners praised Hurner for his work during the time he was acting county agent.

Business Briefs

Heartland Federal Savings and Loan Assoc. has announced a total of $2,538,543 worth of loans to local residents. Officials indicated that the majority of the loans were for building. Avon Park residents serving on the association's Board of Directors include Malcom Crews and C.L. DeLaney.

The president of the Federal Reserve Bank of Atlanta has said that the nation's economy is "in farily good shape" and there is no need for economic stimulus by the Carter administration"With the current economic momentum, even a moderate dose of stimulus does not appear necessary," Monroe Kimbrel told a recent gathering of Rotarians. Kimbrel said he was optimistic "1977 should be a reasonably good year," noting that inflation slowed in the past year, interest rates are at their lowest point in four years, retail buying has strengthened and home-building has picked up in many areas. Kimbrel cautioned, however, that the economy's current economic pace still remains unimpressive and a quick reduction in the unemployment rate seems unlikely.

U.S. exports are expected to rise 12 per cent this year to $128 billion, but imports will rise by 13 per cent to $139 billion, the National Forigen Trade Council said this week. That will sun business leave the nation with a trade of deficit of about $11 billion for 1977. However, the Council estimated that the trade deficit will be completely offset by other foreign revenues and the nation's current accounts will be in balance on contrast with the estimated deficit of $500 million for 1976.

Gadabout Alice

BY ALICE SMITH

We are off tomorrow on a Caribbean Cruise.

While packing my new white sneakers and striped T-shirt. I am reminded of a similar jaunt two years ago, with stops at Nassau and Freeport. My fellow travelers swarmed through the Straw Market and the Freeport Shops and came home laden with accumulated loot and wearing huge woven hats.

So what did I buy?

One paper-back book, off a drug store rack, which I still cherish. The cover features a headless, legless female in a violet bikini. Stamped across her bare mid-section are the words "The Culture of the Abdomen, by F. A. Hornibrook. The World-famous Guide to Lasting Health and Fitness."

F. A. Hornibrook discourses at length on civilized man's eating habits, principally the lack of bulk in his diet and the overuse of sugar. But the greatest cause of our deterioration, says he, is poor posture. The sagging abdomen, the belly gone to pot, these are the outward signs of our degeneration. However, this can be reversed. We put back bulk in our diets, do our exercises, and the flat tummy, tucked-in posterior and well-being of youth will be ours again.

The first two pages of Hornibrook's stilted prose sent me looking for copyright information. Where I found that my little gem was w ritten and published in England in 1924, issued again in 1957 and 1974.

Recently I , I heard Dr. David Rubin plugging his latest book and expounding his theory and plan for salvaging modern man's health. You will recall Dr. David Rubin as the widely-known (and by now, well-heeled) author of "Everything You Always Wanted To Know About Sex and Were Afraid To Ask".

To my astonishment. Dr. Rubin was extolling the same ideas that F. A. Hornibrook tossed off back in 1924, well over forty years ago.

My mother once told me not to discard with such a prodigal hand. "Fashion goes round in circles", she said, "It'll be 'in' again". She was right — and that goes for ideas, too.

Plans Needed In Case Classes Are Cancelled

Parents were urged to make emergency plans of action with their children, in the event that school classes have to be cancelled or schools closed early. Children should know whom to contact if a parent cannot be reached, and this information also should be updated and on file at each school office. Parents also need to notify school officials of any change in address, phone number or place of employment.

These needs to make definite plans of action to cover school emergencies were brought up at the Jan. 24 Area School Council meeting, which featured newly-elected superintendent Dr. Dan Davis as speaker.

Davis addressed his remarks to the three concerns of emergency school closings, academic standards, and explanation of Title IX mandated regulations.

In speaking of the closing of schools in Avon Park last week, Davis said the decisions were made because of lack of power and heat in the classrooms.

School Make-Up Days

The superintendent is currently seeking input from administrators, teachers and parents on how the lost time will be made up. Possible plans include students attending classes on April 29 (a teacher's planning day) and on June 6-7, and teachers making up their lost time on June 9-10.

The other option is to have two days eliminated from spring vacation.

Academic Standards

In speaking of upgrading academic standards in Highlands County, Davis said, "We're going back to the basics — we're going to have to."

What this means specifically is that beginning in October, 1977, all students in grades 3, 5, 8 and 11 will be tested for competency in reading, writing and math. The state-mandated program calls for the school system to provide remedial programs for students falling below certain academic-standards.

By 1978 potential graduates must have mastered academic skills in order to receive a diploma. Those falling below standards, after having opportunity to be enrolled in remedial programs, will instead receive certificates of attendance.

In Highlands County, an 18-member committee consisting of curriculum assistants, faculty members, parents and students, are in the process of reviewing academic standards that will be set by the state by October 1977. Davis added, "I would hope that we in Highlands County will set our standards a notch higher than the minimum ones mandated by the state." The final say on this rests with the school board.

The superintendent mentioned that a home visitation program currently in effect, with parents visited by their child's classroom teacher or another faculty member, has as its goal helping to remedy problems with attendance, behavior, or academic progress of students. Davis urged any parent wishing a home visit by a teacher to contact school principals.

Animal Control Officer Warned Of Scrutiny

The county animal control officer has been warned that his department will be under close scrutiny from the county commissioners, in the wake of the recent "Tommy" incident.

Earlier this month, a cat named Tommy, owned by Ray Bowles of Sebring, was taken to the pound after biting Bowles. While under quarantine, the cat was given away, and the names of the adopters were not taken.

A week-long search for the animal ended successfully the day before Bowles was to begin a series of rabies shots, since it was unknown if the cat had rabies or not.

Had Bowles been forced to take the shots, the county may have left itself open for a liability suit. The Bowles family also were irate because they wanted their cat back.

It was later determined that the animal pound had neglected to perform several routine duties in the case, which lead to the county-wide search.

In addition, Bowles notified Cullens that when he went to the pound to retrieve Tommy, he reportedly witnessed Hollis Richards, the animal control officer, forcibly kick a stray cat in the head.

Cullens said he investigated the latter incident and reported, "I talked to three pound employes, and they all said Richards just pushed the animal. However, I talked to several people who were with Mr. Bowles, and they agreed the cat had been forcibly kicked. We have half saying one thing, and half saying another."

Cullens said he told Richards the pound would be under "extra supervision" in the future, and that "We have had numerous complaints to the board about the pound, and they have to stop."

Richards was also instructed to improve his record-keeping procedures, said Cullens.

The commission then approved Cullens' recommendation to construct additional holding facilities at the pound to accommodate future bite cases and alleviate some of the present crowded conditions.

A one-room concrete block building will also be put up at the pound to replace the trailer that currently serves as the pound office. Total cost of the construction was set at approximately $8,200.

City Awards Contract For Library Addition

The Avon Park City Council Tuesday night awarded a contract for the construction of an addition to the town's library to L.F. Martin Co. of Lake Wales. The firm was the winner over several other construction companies, after turning in the low bid of $17,676 for the project.

According to City Clerk Malcolm Crews, the firm is expected to start work on the project in about 30 days, with completion scheduled for April 1.

The majority of the funds needed to build the 40X28 foot structure will come from a $10,000 bequest left to the library by the late Mrs. Lucindska Dawson, an active library supporter. The remaining $7,676 will be donated by the city.

According to Crews, the Friends of The Library will be asked to sponsor a limited fund raising drive to purchase the furniture needed for the addition.

The existing library building itself was constructed approximately 20 years ago by the Avon Parek Women's Club. The facility was operated and maintained by that organization until 1972, when it was turned over to the city. The city is expected to use federal revenue sharing funds to complete payment on the structure.

Winter Concert Set For Sunday

The second Winter Concert by the Avon Park High School Concert Band will be given at 3:30 p.m., Sunday afternoon, Jan. 30 in Donaldson Park. It was suggested that listeners bring their own lawn chairs to relax and enjoy the program of light music that will include marches, Broadway show music, pop music and "Tara's Theme" from "Gone With The Wind."

This concert will be highlighted by the appearance of student conductors, Lewis Lee and John MicKunas. Band Director Vic MicKunas stated that in case of bad weather concert go'ers can enjoy the musical program at the Middle School Auditorium.

The first band concert was held before Christmas featuring Christmas music and carols. The third and fourth concerts will be held the Sunday afternoons of Feb. 27 and Mar. 13.

These concerts are one of the band's annual community projects. The band wants to take this opportunity to invite everyone to come and enjoy the outstanding band performances.

Charity Ball Will Benefit Highlands Heart Fund

In a special called meeting the full committee of the Highlands County Chapter of The American Heart Association worked on the final plans for the Highlands County Heart Fund Charity Ball on Saturday, Feb. 19 from 9 p.m., to 1 a.m. at the Ag-Center on U. S. 27 south of Sebring.

Music for the Charity Dance will be played by the popular entertainers, the "South Wind Band" from Orlando. The Valentine theme will be used to associate the dance with the Heart Association.

Tickets for the Ball are $5.00 per person and can be secured from any member of the county committee. Proceeds of the dance will go to the local association for continuing research and education for the control of heart diseases.

Prolonged Cold Weather

Causes Power Trouble

With the coldest prolonged cold weather since 1962 users and producers of electricity pushed their equipment to its maximum capability as frigid air blasts swept from the frozen northern states across sunny Florida's wintertime vacation land.

The lights flickered and came back on and wavered again followed by complete darkness as the TV went black and the red glow of the protable electric heater faded to blackness in the darken room.

Outside a cold northerly wind shuffled noisely through the stiffened shrubbery and around the house. Some of the cold wind filtered through the cracks between the loose fitting jalousy windows and left a cold sensation on bare hands as it passed through the dark or candle-lighted room and out of the gaps around the door, taking with it a little of the room's precious warm air.

Such was the blackout last Wednesday night in some areas of Avon Park as house and street lights blinked out together.

Part of the trouble in the overload and blackout stemmed from what customers originally installed in their homes in the way of electrical equipment. Thus when a 2500 kilowatthour (KWH) transformer is placed it may be more than Adequate for a group of homes but over time people add electrical equipment such as extra TV sets, portable heaters, etc. and the original transformer can safely handle 4000 kwh, but over that it may burn out and several did and had to be replaced during the cold spell.

Another problem customers have is with their heat pumps. A local air conditioning and heating contractor reported that on 50 per cent of his calls he couldn't help the people because the equipment was not designed for this prolonged cold weather as there is very little heat in air at 28 degrees and it is difficult to bring the inside temperature up over 68 degrees.

Heat strips can be added to the heat pump unit but this costs up to $100 and is seldom needed for our usual type weather.

According to Billy Howell of the Florida Power Lake Wales office the rated generating capacity of the Florida power system is 3712 megawatts (million watts) which included plants at Avon Park, St. Pete, Swannee River, Crystal River and other plants around the state. However the demand was 3895 megawatts, thus they were buying power from other generating systems. If the atomic power generating plant had benn on line with it's 800 megawatt capacity there would have been no problem.

The first trouble in the system came when seaweeds, apparently frozen at low tide and broken off, plugged intake ports of the cooling system at the Crystal River plant and its capacity was cut from 400 megawatts to 100 megawatts. A leaking valve at another plant cost another 100 megawatts and when a coal fired unit was lost another 50 megawatts went off the system. When Florida Power and Light lost their 400 megawatt plant in Jacksonville, it didn't help matters any.

Other little things plagued the system, such as several jumpers between dead end wires burning off, or the cold weather snapping of wires.

Since the cold weather covered almost all of the eastern half of the United States there were power shortages in other states as well and the normal grid supplies were not always available, thus heavy users were dumped from the system, in this case the dropping of the phosphate mines saved up to 300 megawatts for other users.

In the electrical grid system a company is continuely receiving and sending electrical engery and the controllers watches the flow of electricity

Power Shortage

CRIBB, senior operator in the control room at the Florida Power Corporation generating plant, with an eye on the line panel dials checking incoming voltages with running voltages is ready to use the syncoscope to keep the two voltages from getting too far out of step. (Sunphoto by Lew Miller.

He is aided by underfrequency relays that spot feeder lines with big loads thus if there is danger of losing the system and jeopardizing the grid and blacking out the whole state the controller can release or drop these overloaded lines for the time being.

At the Avon Park generating plant, John Porter, superintendent, stated that the steam generating plant was rated at 48-49 megawatts and the peaking units were rated at 75 megawatts capacity but had been generating at 9 to 10 per cent over capacity. During the last seven days the plant had been without natural gas and was burning bunker "c" fuel oil and jet fuel in the peaking units.

Porter stated there was plenty of oil in Tampa but the problem was finding tank trucks to bring it to the plant as they were trying to rebuild their oil reserve in case of another hard cold spell.

Customers can help too, by closing off unused rooms setting the thermostat at 65 degrees and by sealing off those cracks around doors and windows.

Lynn MacNeill

A teaching position at South Florida Junior College brought Lynn MacNeill, his wife, Edie, and son, Darren, to Avon Park.

He grew up on a farm in South Dakota and studied at Northern State College, S.D., and Illinois State University. Prior to coming here he had worked for the Peace Corps in India. It was there that he met and married his wife.

Illness brought him home to the U.S. prematurely. He arrived in Avon Park almost five years ago. Because he has always been interested in people, he became active in the Ridge Area Association for the Retarded. Serving this organization by giving of himself and his time, he soon accepted a position on the Board of Directors, and eventually the presidency when Franklin Ward resigned.

As president his aim is to continue to expanding existing facilities and programs while at the same time,through the help of the staff, expand into new areas. His praise for the workers of Ridge Area is unlimited.

Among his other activities, Lynn MacNeill works with little leaguers in the Spring, and spends 400 hours per year as an auxiliary policeman.

Altwater Is Guest Speaker At Sorority

The Gamma Epsilon Chapter of Alpha Delta Kappa, honorary international sorority for women educators, held an Educational Recognition Tea, Tuesday, Jan. 18, 7:30 P.M. at the Fla. Power Lounge, Avon Park.

Honored guests were Retired teachers of Highlands County, the National Honor Society members, from Avon Park High School, Sebring High School, and Lake Placid High School. Special guest was Dr. Dan Davis, newly installed superintendent of Highlands County Schools.

President Loretta Ellis greeted the group and introduced Mr. Leon Garner who led the meeting in an inspiring prayer.

Guest speaker, Mr. Allen Altvater of Sebring was presented to the group by vice president, Doris Gentry. Mr. Altvater is associated with the historical society of Highlands County. He spoke on the heritage of the Highlands County Area and led a very informative discussion concerning the early history of our section of Florida.

Avon Park hostesses in charge for this occasion were: Mrs. Fuschia Anderson, Mrs. Emily Biggs, Mes. Dixie Brooker, Mrs. Doris Carey, Mrs. Olivia Hood, and Mrs. Selda Murphy.

Mrs. Ward Speaks On Retardation

Mrs. Franklin Ward spoke to members of Home Economics Classes last Wednesday on prevention of Mental Retardation. Mrs. Ward is former president of the State Association for Retarded Citizens and has been a leader in this field for the past 20 years. She stressed the measures to be taken for preventing Mental Retardation in future generations.

At a previous meeting of the FHA-HERO Chapter, Mrs. Ward spoke on the retarded child and how his needs may be met by the family in the home.

These programs were set up by Paula Sheffield, candidate for state vice-president of Achievements. The project she has chosen is "Communicate Parenthood Education."; These programs have been interesting as well as educational.

He was chairman of the Dept. of Music in Elizabethtown College, Pa. for 15 years before coming to Fla. Presently he is the piano instructor at South Fla. Jr. College, Avon Park.

Professor Fisher's all-MacDowell recital will consist of selections from "Woodland Sketches," "SeaPieces," and "Virtuoso Studies," and will include the well-known, "To a Waterlily," "Scottish Tone Picture," and "The Eagle.".

MacDowell, who lived into the twentieth century is considered by many to have been America's greatest composer for the piano. Mr. Fisher has become a specialist in the performance of his compositions. Friends are invited to attend this recital.

PARENTS WITHOUT PARTNERS ACTIVITIES

Upcoming activities for Parents Without Partners include the following.

A family outing will be held on Thursday, Jan. 27, and PWP members will go to the Lakeland Civic Center to see Charlie Pride. The group also will dine out.

A family trip to Lake Wales is planned for Sunday, Jan. 30. The group will visit the Doll House Museum and USA of Yesterday.

Amigo night for prospective members, a coffee and chit chat time, has been set for Jan. 31 at the home of Connie McQuistion. Anyone wishing further information, may call Mrs. McQuistion at 385-2958.

Heirlooms Appraised At Antique Convention

An Antique Dealers' Convention will be sponsored by the Sebring Band Parents, Jan. 28 and 29, from 11 a.m. through 9 p.m. and Jan. 30, from 12 noon through 6 p.m.

Eighteen dealers from seven states will bring antiques for exhibit and purchase.

The public is invited to bring their heirlooms for appraisal at a booth especially prepared for them. Admission donation is $1.25, and all proceeds will be used for the Sebring High School band uniforms.

Enter Items In Lake Placid Arts And Cafts Fair Now

Preparations are being made for the 11th annual Lake Placid Arts and Crafts Association Country Fair. The 1977 fair will be Saturday, Feb. 5, from 10 a.m. to 4 p.m. Co-chairmen of the event are Mrs. Allen M. Waggener and Mrs. Charles L. Reynolds Jr.

Individuals or organizations wishing to have a booth in the fajr must contact Mrs. Waggener by calling 465-5341. There is no fee for items being exhibited or judged. A fee of 10 per cent of gross sales will be charged, with money going to the Lake Placid Arts and Crafts Association to cover the cost of future fairs.

Booths that are judged most attractive, most interesting, and instructive will be awarded prizes.

Everything should be set up by 9:45 a.m., Saturday and, to avoid detracting from the all-over effect, nothing should be removed before 4 p.m. Each participant must be responsible for his own work.

There will be easels for the use of artists on a first-come, first-serve basis. Items entered for judging in arts and crafts should not be over two years old or have been judged here before. China and ceramics should not be over one year old.

Registration will be from 2-5 p.m. at the Woman's Club building, Feb. 4, and also from 8:30 a.m. to 9 a.m., Feb. 5.

We hope more people will enter in foodstuffs, photography, sculpture and in student divisions.

Please decide which Divisions and Classes you will enter before you come in to register. It will be less coinfusing and less time consuming.

Public Offered Trees By Foresters

The Division of Forestry will hold its annual potted tree seedling sale Monday, Jan. 31 between 10 a.m. and 1 p.m. at the Highlands County Agri-Civic Center on U.S. 27 in Sebring.

Shade and ornamental trees are particularly valuable to homeowners in Florida. Trees can personalize homes, produce energy-saving shade, provide a home for squirrels and birds, make outdoor living more enjoyable, and even improve property values.

The Division of Forestry will be offering bottlebrush, parkinsonia, red cedar and silk oak. All of the trees to be offered have good frost tolerance.

The potted trees will be selling for 50 cents each and buyers can pick up a bargain.

Flower Show Is Cancelled By Club

The Avon Park Federated Garden Club held its Jan. meeting last Thursday at the Congregational Church hall. Hostesses for the meeting were the officers of the Founders Circle.

Coffee and light refreshments were served prior to the meeting.

Mrs. Philip James, president, presided over the business session. The invocation was given by Mrs. G. Kelsey. Roll call by Mrs. G.W. Neubauer, who also read the minutes of the previous meeting. Treasurer's report was given by Mrs. O. F. Laye.

The Flower Show for 1977 has been cancelled due to the inclement weather.

Mrs. R. J. Rutherford gave the report on Arbor day. The planting to has been delayed due to the freeze.

Last but not least was a program delivered by Paul Ebersbach on the "Management Program on the Bombing Range."

The next meeting will be on Feb. 17.

A REHEARSAL DINNER was held on 21 Jan., 6:30 P.M. in the First Baptist Church Social Hall, in preparation for Beverley Wicker's and Richard Peavy's marriage on Jan. 22. Mr. and Mrs. Jerry Hughes (left), parents of the prospective groom, and Mr. and Mrs. Gerald Wicker (right), parents of Beverley Wicker, stand behind the bethrothed couple. Sunphoto by Lew Miller.

Poole Is CB Person Of Year

The Sebring CB HELP Club held its first potluck dinner of the year for Club members and their families on Sunday, January 23rd, at Highlands Hammock State Park. Approxinately 45 attended this event.

Following the noon barbecue-potluck meal, a trophy was presented to Danny Poole (Rembrandt) at C. B. Person of the Year. Also on display was a plaque which will be given to Arthur "Buck" McIntyre (Ricochet) in appreciation of outstanding service to the Sebring C. B. HELP Club.

A three-legged race was won by Buddy and Jay Smith (Greasy Rider and Apache). Prizes for this event were a gutter mount antenna and a theft foiler which were donated by area merchants. A children's race was won by Tammy Poole; prize was a C. B. mount.

Two drawings were held. A trunk mount antenna went to George Gray (Sand Dune) and a V-mount went to Shirley Fulton (Frosty).

Stanley Durrance (Heavy Duty) "won" a piece of cake to do with whatever he wanted to, but through a twist of fate and contrivance of other members of the Club, he wore it home.

Glamorous Dessert For The Cholesterol-Conscious

Glamorous desserts are the highlight of any dinner party. An elegant pudding, torte or luscious pie is guaranteed to elicit oohs and ahs and leave guests with lingering memories of a delightful meal.

Don't let the dietary restrictions of family or friends limit your creation of festive party desserts. By following a few simple rules you can make lavish desserts that can be enjoyed by all your cholesterol-conscious guests.

To prepare rich tasting, modified-fat desserts, simply substitute skim milk for whole, corn oil margarine for butter and Egg Beaters Cholesterol-free Egg Substitute for whole eggs. By following these guidelines, we have created the beautiful Banana Cream Pie shown here. The pastry is flaky, the filling rich and creamy, but both are low in saturated fat and cholesterol.

Crowning this superb pie is a decorative pattern of sliced bananas and a sparkling apricot preserve glaze. It's as pretty to look at as it is good to eat.

BANANA CREAM PIE

1 cup unsifted flour
3/4 teaspoon salt
1/2 cup (1 stick) Fleischmann's 100% Corn Oil Margarine
3 tablespoons ice water
2/3 cup sugar
1/3 cup cornstarch
2 cups skim milk
1/2 cup Egg Beaters Cholesterol-free Egg Substitute*
1 tablespoon Fleischmann's 100% Corn Oil Margarine
1 teaspoon vanilla extract
1 cup diced bananas
3/4 cup apricot preserves
1 banana, sliced

Combine flour and ½ teaspoon salt in a bowl. Cut in ½ cup margarine with pastry blender or two knives until mixture resembles coarse meal. Stir in ice water; mix well.

On floured board, roll out dough to fit a 9-inch pie plate. Transfer to plate and trim off edges leaving ½-inch overhanging. Fold edge under and flute. Bake at 425°F. 10 to 12 minutes or until golden brown. Remove from oven and cool on wire rack.

Combine sugar, cornstarch and remaining ¼ teaspoon salt in a heavy saucepan. Gradually blend in skim milk and Egg Beaters. Add 1 tablespoon margarine. Cook over low heat, stirring constantly, until thick and mixture begins to boil. Remove from heat; beat until smooth. Stir in vanilla extract and diced banana. Pour into prepared pie shell. Chill at least one hour.

Just before serving, heat and strain apricot preserves. Arrange sliced banana on pie, then top with strained preserves. Makes 8 servings.

13 Yr. Old Finalist In Contest

Brenda Shipman, age 13, daughter of Mrs. Hattie French, will be a state finalist in the 1977 Miss Florida National Teen-Ager Pageant to be held at the Winter Park High School, Winter Park, Florida, January 28, 29 and 30, 1977.

Brenda Shipman

Contestants are judged on scholastic achievement-leadership, poise-personality and beauty. There is no swim suit or talent competition. Each condestant will also be judged on the content and delivery of her 100 word essay "What's Right About America."

Brenda is a student in the "Gifted" class at Avon Park Middle School. Sponsors are Well's Motor Company, Avon Citrus Bank, Metcalf's Hardware and Mrs. Everett, Avon Park Middle School counselor.

Mrs. Everett is contacting the Guiness Book of World Records to see if Brenda qualifies as the youngest state finalist to be entered in this type pageant. Brenda and her mother attended an Orientation Coke Party for the state finalist in Orlando on Brenda's thirteenth birthday, December 4, 1976.

GETTING THE MOTHERS March of Dimes under way for 1977 are Donna Guenther, Avon Park chairman, and Nell Roberts (left), county chairman. The Avon Park campaign will attempt to reach the $2000 projected goal by the March's deadline date, Feb. 8. Help is still needed. Those interested in helping may contact Mrs. Guenther, 453-5221, or Mrs. Roberts, 453-3108. Sunphoto by Vi.

Baby Decor Highlight of Baby Shower

Gwen and John Hafford are expecting their first baby, and the event called for a party for Gwen and the baby-to-be. It was held at the home of Mary and Fred Ferguson on Wed., Jan. 12.

As each guest arrived, a corsage fashioned from net and candy resembling a baby pacifier was pinned on each guest. A dainty corsage of pastel baby socks and lace forming a flower was pinned on Gwen.

Refreshments consisting of dip, crackers, sausage balls, nuts and mints were served along with iced drinks and cake. The cake,made by Mrs. Gene Thomas, was the focal point of the serving table. It resembled a bassinet in pastel shades with a miniature baby underneath the raised hood.

The hostesses were: Mrs. Tony Todd, Mrs. Fred Ferguson, Mrs. Gregory Mundell and Mrs. Joseph Weeks, Jr. Their gift was a musical "Winnie-the-Pooh" balloon lamp for the baby's future nursery.

Residents Enjoy Concert

Residents of Avon Park Mobile Home Park were treated to a special program entitled, "Stephen Foster Concert," on Jan. 22, at the Park's recreation hall.

Florence Young was in charge of production, while Helen Bason directed. There were numerous Stephen Foster selections performed by a numerous cast, and readings by Elizabeth Stromberg.

Heart Attack: Bursitis Or Heart Attack?

Bursitis or heart attack?

Pain in one arm or both arms occurs frequently in combination with chest pain as a signal of heart attack, according to the American Heart Association-Florida Affiliate. But heart attack pain can also occur in the arm without being in the chest at all.

It can be mistaken for bursitis, arthritis or muscle strain, says the Heart Association.

In the absence of an obvious reason for a pain or discomfort in either or both arms that lasts for two minutes or more, the advice is to call the Emergency Medical Service. If you can get to a hospital faster by car, have someone drive you. Before you have symptoms, find out which hospitals in your area offer 24-hour emergency cardiac care.

Select in advance the facility nearest your home and office and tell your family and friends so that they will know what to do.

Dr. Greenberg, President of the American Heart Association of Florida, points out that pain in the center and front of the chest is the most frequent heart attack signal — because that's where the heart is located. Second to this discomfort "under the necktie", is arm pain. Most often it is on the "little finger side" of the left arm, but may also occur in the right arm.

This may be a sensation of pressure, fullness, squeezing or aching, (usually dull, aching discomfort) and can also occur in the neck, jaws, back or upper abdomen or in a combination of those areas. There may also be shortness of breath, sweating, nausea or vomiting.

Often related to the arm pain, another heart attack signal is the feeling of faintness.

Physician advisors say that a patient who does not feel faint is more comfortable sitting up. The most common mistake made by well-meaning friends or relatives is to make someone who is experiencing heart attack signals lie down when this position is uncomfortable. The physician's stress however, that the patient must not drive himself.

The American Heart Association urges that you don't gamble on the cause of unexplained pain in your arm. Call the Emergency Medical Service.

Recipe of the Week

Over the Holidays Margie Wells brought a batch of delicious cookies to the office. We all raved about her "Lemon Bars," and she was nice enough to offer us the recipe when we asked for it. Try some.

Easy Cheesy Lemon Bars

1pkg. Pillsbury Plus Lemon cake mix
½ cup butter or margerine, melted
1 egg
1 pkg. Pillsbury Rich 'n Easy Lemon frosting.
Mix:
1 pkg (8 oz.) cream cheese (softened).
2 eggs

Preheat oven to 35 degrees. Grease bottom only of a 13x9 inch pan. Combine cake mix, butter and one egg. Stir until moist. Put into pan. Blend frosting mix into softened cream cheese. Reserve ½ cup for frosting baked bars. Add 2 eggs to remaining frosting mixture.

Beat 3 to 5 minutes at high speed. Spread over base. Bake at 350 degrees for 30 to 40 minutes. Cool, then frost. Cut into bars. Refrigerate leftovers. Makes about 36 bars.

Sidewalk Cyclists May Be Fined

The Avon Park police department and City Council have put forth a warning to bicyclers who have been traveling on the sidewalks in the city's downtown business area. That warning is to stay off.

Councilman Larry Albritton reported that several persons have been knocked down lately by cyclists and that it was a dangerous situation. He then reminded residents that local police had the authority to impose a $5 fine on any person caught riding a bicycle on the sidewalks in the central business district.

The Sherwood Singers Will Present A Concert At The First Presbyterian Church Jan. 31 At 7:30 P.M.

Sherwood Singers

To Present Concert At First PresbyterianChurch

The Sherwood Singers, a group of Christian singers, will present a concert, Monday night, Jan. 31 at 7:30 o'clock at the First Presbyterian Church in Avon Park. The Sherwood Singers work in connection with World Vision International, an interdenominational Christian organization, especially concerned with Christian compassion for the hungry of the world.

The Sherwood Singers have recorded several long-playing albums, they have their own television program, and are traveling on a full time basis presenting the claims of Jesus Christ wherever they appear. They are from Wyoming, Michigan.

Although their ministry is Gospel Music, one of the young men in the group spent time in Viet Nam and became deeply interested in the thousands of need, children he saw there.

The Singers are working closely with World Vision Child Care Ministry. Through it, Christian people are presented a means by which they may sponsor a needy child overseas, thereby meeting the social needs of the child, as well as exposing the child to the Gospel of Jesus Christ.

There is no admission charge.

Episcopal Women To Sponsor Rummage Sale

The Episcopal Church Women of Avon Park will sponsor a three day rummage sale in the Parish House of the Church of the Redeemer, corner of N. Verona and E. Pleasant Streets.

The sale will begin at noon on Thursday, Feb. 3, and last until 5 p.m., Friday, Feb. 4, the sale will begin at 9 a.m., through 5 p.m., and begin on Sat., Feb. 5, at 9 a.m., and conclude at noon.

Mrs. Sherman Francisco has a large assortment of materials, all in good condition waiting for lucky pruchasers. Clothing, china, books and some furniture will be on sale, First come, first served. Members having last minute donations, are asked to bring them to the Parish House by Mon., Jan. 31.

This is the first event of the year. Let's make it an outstanding success.

The next important event is the Annual Pancake Day, Feb. 22. This is a day to which residents and winter guests look forward to every year. The pancakes are made from scratch from an old family recipe, and are famous throughout the district. Serving begins at 9 a.m. and continues till until 2 p.m., Home grown grapefruit, sausage, and coffee will complete the menu. Tickets are $1.75 for adults, and children under 12, $1.

An added attraction will be a bake sale with delicious home made goodies made by some of the best cooks in Avon Park.

Soup Saturday

The United Methodist Women will hold a soup sale, Saturday, February 5th, in Wesley Hall.

A variety of soup will be served beginning at 11 a.m., with beverage and dessert. Soup to take out will also be available.

So come out and enjoy the good fellowship and homemade soup.

Group To Meet

The Zura Martin prayer group of the Fla. Ave. Baptist Church W.M.U. met at the Church on Tuesday evening, Jan. 4, for the purpose of reorganizing the group and planning for the coming year. The following officers were selected: leader, Wavy Jones; secretary, treasurer, Mattie Fowler; mission chairman, Grace Pickett; enlistment chairman, Irene Silas; publicity chairman, Lillian Stevens; social chairman, Thelma Elder.

It was also decided to hold future meetings in the afternoon.

House Meetings

"House Meetings" will continue in the homes of the members of the First Presbyterian Church on Wednesday night, February 2 at 7 p.m. The "House Meetings" are in preparation for the "Special Services", February 13-17, which will be led by the Reverend Jan Senneker, pastor of the Community Chapel by the Sea, Melbourne Beach.

The congregation is divided into six districts. The "House Meeting" to be held in District 1, will be at the home of Mr. and Mrs. Reynolds Steinbach on Lake Chilton, Avon Park Lakes. The District officers are: Ted J. Ward, Elder; and Bruce Simpson, Deacon.

The "House Meeting" in District 2 will be in the home of Katie Wyckoff, 17 North Prospect St. The District officers are; Elder, Joe Shafer; Deacon, Walter Raczkowski.

The home of Mr. and Mrs. Thomas Hallam, 26 East Thomas, will be the meeting place for the "House Meeting" of District 3.

The home of Mr. and Mrs. Thomas Hallam, 26 East Thomas, will be the meeting place for the "House Meeting" of District 3. The District officers are: Elder, Leslie Burch; Deacon, Robrrt Clawson.

Arrangements for the "House Meeting" of District 4 are incomplete, but it is expected to have the arrangements announced in the Church bulletin on Sunday.

The home of Mr. and Mrs. Nelson Crews, Jr., 1 Forest Hills Court, will be the meeting place for District 5. The church officers are : Elder, W. C. Warner; Deacon, W. Nelson Crews, Jr.

The House Meeting of District 6 of the congregation will be held in the home of Mrs. Clara Teppert, 407 Lake Lotela Drive. The District officers are: Elder, Paul Bennett; Deacon, John Taylor.

A cordial invitation is extended to all friends in the community as well as members of the congregation to join in this time of inspiration, prayer, and fellowship at one of the "House Meetings."

"House Meetings" were held Wednesday night, January 26, at the homes of Mr. and Mrs. Ellis Rice, Mr. and Mrs. Ross Canright, Mr. and Mrs. David McDaniel, Mr. and Mrs. James Pace, Mr. and Mrs. W. C. Warner, and Mr. and Mrs. Joseph Shafer.

Bible Study Set

The First Baptist Church of Avon Park, will conduct a Children's Bible Study beginning Jan. 29, at Lake Denton. All boys and girls ranging from ages 1-6 are invited to come.

GOD'S WISDOM WILL EMERGE FROM THE DEPTHS OF SORROW

At some time in our lives there comes a moment of tragedy that compels us even in the midst of our grief to ask the eternal question, "Why?" Yet what seems so cruel and senseless to us nevertheless happens for a reason that we are unable to comprehend. Somewhere, hidden from our eyes and our understanding, there is a divine purpose in everything. It is all part of the preordained pattern of our lives, the building of our character and the preparation for an ultimate destiny as yet unrevealed to us until the dawn of some bright tomorrow. At the Church of your choice, you will receive the comfort and strength you need, as well as the wisdom to trust God; because He has a master plan for the universe and you are a part of it.

"Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love him."
—I Corinthians 2:9

God's ways seem dark, but, soon or late,
They touch the shining hills of day.
— John Greenleaf Whittier

Bonnie Brae Mobile Court

By Margie Wells

Approximately 80 residents of Bonnie Brae attended a called meeting on Friday, January 21, in the interest of coordinating the recreation program at the park. A committee was chosen from those who shuffle, play bingo, attend the coffee hour, and those who do not attend any of these functions, to formulate and present plans for these activities. The Committee elected was Max Putman, Steve Bohaychyck Argus Sheridan, Rozzie Parkhurst, and Catherine Curry. The members of the committee will elect a chairman and they will be in charge of planning the recreation programs.

Dan Bohland, our manager, spoke to the group meeting on January 21st about new procedures pertaining to the park since being incorporated into the City of Avon Park and other matters concerning the residents of the park.

Ella and Ed Drake recently made a two-day trip to Cocoa Beach to visit with Ella's brother and his wife. While there, they toured Cape Kennedy.

Mr. and Mrs. Gus Tankovich, who have been spending the past month in the Art Smalley travel tgrailer, are returning to their home in Michigan on Wednesday. While here, they have enjoyed many trips to nearby cities where they have had many good meals at the many fine restaurants in the area. Even through the weather was not what Florida should show our northern visitors, they had a good time in spite of it.

Mary and Cedric Weirman, Ethel and Max Putman, and Thelma Miller were guests of Anne Lockwood on Friday evening for dinner followed by pinochle during the evening. Anne served her "Annie's Goop" for the main dish, which is always so delicious. On Saturday evening, Helen Dyce, Thelma Miller, and Ethel and Max Putman played pinochle at the home of Mary and Cedric Weirman.

Mr. anbd Mrs. Robert Beal of Cedarville, Ohio, were Wednesday guests of Mr. and Mrs. Howard Mallinger. On Sunday, the Mallingers visited other Ohio friends at Lakeside Park near Haines City.

Helen and Norton Worster had a most welcome visitor in their home this past week. Helen's nephew, Sgt. Dale Wick, was here for several days. Sgt. Wick is a photographer with the Armed Forces and is stationed in Germany. While here, they all visited Highlands Hammock and Cypress Gardens. Sgt. Wick left to go to Washington to take pictures of the inauguration of President Carter.

Lucille and Art Smalley returned from Miami on January 16 where they had spent three days. Lucille had a thorough eye examination at the Palmer Eye Institute at the suggestion of her doctor in Michigan. There was thought to be a possibility of surgery but, after the examination, it was found that the veins were too far damaged to have the surgery. Lucille and Art said that, after being in the big city, it was mighty nice to get back to our wonderful town of Avon Park.

Close neighbors of Mabel Nelson were entertained in the home of Ellen Hunt on Friday afternoon to wish Mabel much happiness as the Nelsons prepare to leave us. They will soon be going to live in Fort Worth, Texas, near their son, Dr. Stewart Nelson, and his family. Dr. Nelson is head of the emergency department in a new large hospital in Fort Worth after just transferring from a similar position in Washington, D.C. Those attending the "going away" party were Helen Dyce, Minnie Schneider, Lorene Campbell, Evelyn Chockley, Elva Ball, Lilly Kinney, Sallie Bohaychyk, Ruth Smith, Mildred Goodes, and Rozzie Parkhurst.

Sallie Bohaychyk received news on Saturday of the death of her sister, Mrs. William (Isabel) Bowers, who lived near Dayton, Ohio. Sallie and Steve, along with Sallie's sister and brother-in-law, Carrie and Earl Stuhldreher, and her brother, Archie Mohler, all of Lake Placid, left from Tampa airport on Sunday afternoon to attend the funeral to be held at the Arnold Funeral Home in Hartsville, Ohio, on Tuesday. We all extend our sincere sympathy to Sallie and Steve.

It has been a pleasure to see some of the area ministers in the park calling on "winter people" who have visited their churches while here. The Rev. Gordon Webner from the First United Methodist Church and the Rev. William Ragsdale from the Presbyterian Church have been most frequently seen, and we know they have felt a warm welcome in the homes in which they have called.

Ruth Smith and Mildred Goodes have been busy people during the time Mildred has been visiting here. Some of their activities included dinner at the Holiday cafeteria in Sebring with Mr. and Mrs. Edward Dyce of Lake Placid; a call on the Raymond Downings one evening; entertaining Bill and Elizabeth Spohr one evening; entertaining the Lawrence Reichenbaughs from Tipton, Michigan, over one night; dinner at the Black Forest one night, with Helen Dyce in the party; and dinner with the William Spohrs one evening in Golden Age Villas. Ruth also entertained Circle 7 of the Methodist Church one afternoon with 15 in attendance. Mildred flew back to her home in Adrian, Michigan, on Monday. It was nice having her here and we hope she will plan to come again soon.

We are sorry to hear that Cecil Pixley has been a patient at Walker Memorial Hospital for several days and hope he will be back with us soon.

Ellen Hunt attended a District Workshop of the United Methodist Women in Lake Wales on Wednesday.

Sy Fabiny is gradually recuperating from a back injury she sustained soon after arriving here. It's good to see her out again. No more lifting tables, Sy!

Margaret Young had a letter from Doris and Charles Palmer, who purchased Blanche Hance's home last January, saying they will be arriving soon. It will be nice to see a light on in their home again.

Jerry Rosak showed his slides of the Vatican and Rome on Friday evening. However, because of the cold weather, there was not a very good turnout. You'll have to show these slides again, Jerry.

Helen and Pete Costanzo of Chicago, Illinois, have been visiting with Gertie and Dan Bohland this past week. While here, they have had dinner in Sarasota and at the Black Forest Restaurant.

We would like to give a big welcome to Jane and Charlie Paris who have moved into their new, double-wide in our new section. Jane and Charlie are the "Pioneers of the Back Section!" We all hope this is just the start of a bigger and better Bonnie Brae.

Landfill

Continued From Page One

Although the Avon Park center is the only facility of its kind in the state (inpatient treatment for alcoholics) development of its new fees has been tied to a new policy of fees charged by other institutions operated by HRS. Charles Kelly, who is accounting services supervisor for HRS, told The Sun that the new policy has been developed and now is on the desk of William Page, HRS secretary.

In general, Kelly said, emphasis is on cost of maintenance of a patient and the patient's ability to pay. He said the plan calls for each institution to have a fee schedule wherein the maximum charge would be closely tied to the costs for that particular institution and "no one would ever be charged more than the costs in the institution where he is receiving care."

The Avon Park center's costs of $56 per patient day are considered low for inpatient care. However, Ziesenheim and Clarke point out, the disease retreated at the Avon Park center tends to produce patients who cannot pay for treatment. Yet, the growing acceptance of alcoholism as a treatable disease is beginning to produce some income from "third party" sources — insurance companies and private industries which pay for alcoholism treatment for key employes.

A state policy for paying toward educational benefits for employes is hit in another portion of the Avon Park alcoholism center audit.

The auditor pointed out that educational leave for two employes at the Avon Park center had cost the state more than $25,000. At both state and local level officers in the alcoholism treatment program defended the educational leave granted to the center's family services director. During a year's leave the director earned a Master of Health Science degree.

Ziesenheim said he supported the request for leave "wholeheartedly" and believes that the additional training has "paid off for the state . . . money back 10-fold."

Opinion is divided on the value of a grant which enabled the center's religious coordinator to earn a law degree. Ziesenheim says he told the state "it would be hard to defend" the request.

Clarke points out that the religious coordinator held a degree from the law school at University of London so the clergyman needed only one year to earn his American degree, that the minister's legal talents had been used extensively in preparing materials which deal with involuntary commitment of alcoholics for treatment. Although the clergyman-lawyer has now left state employment, he still serves as a consultant for the alcoholism program.

Booze Is Costing General Public

The board also heard that the old Avon Park clay pit, suggested as a site to dump debris from construction, had been okayed by the Department of Environmental Regulation, but only for construction wastes.

"They went along with the idea of dumping wood, asphalt and concrete blocks," said Charles Cullens, county administrative aide , "and said it would not require a permit. But they wanted all yard trash taken to the regular landfill, since it would have to be covered over once a week anyway."

County Engineer Gordon Hays Jr. said that only having one construction dump might cause some problems. "I don't know how the other builders in the south end of the county will feel, but we just don't have any holes down there for them to dump in."

Holiday Ranch

By Barbara Ebmeyer

Returning to the Ranch this week were Gordon and Lucille Willnow of Hudson, Mi., and Ed. and Ernestine Davis of Dayton, O.

John and Gail Moore and son, Scott of Balson Spo, N.Y., came Sunday for a two week surprise visit with her parents, the Alton Petteys.

Jerry and Gussie McCauley,and Udell and Avis Holdeman shopped in Winter Haven, Wed., and had dinner at the Black Forest. The Holdeman's left for their home in Brooklyn, Iowa, Sunday.

Higher Prices For Vegetables Predicted

The poor consumer, meaning all of us who eat to live, get it in the neck, ah-er, pocketbook again. And no thanks to old man winter, who couldn't seem to stay up narwth and even brought a snow fall along, much to the surprise, delight and enjoyment of many who had never seen the cold icy white stuff.

Seriously-The destruction of approximately 95 per cent of Florida's fresh winter vegetables has already been reflected in higher prices for many fresh vegetables in the three Avon Park supermarkets and as one manager stated, "There will be no cheap produce." His last Saturday and Tuesday's invoices showed price increase for many fresh vegetable items, not just one or two.

All three managers stated that they were still receiving Florida produced vegetables out of cold storage, but were also receiving some out of state vegetables, like cucumbers from the Bahamas and cabbage from Georgia.

Pricewise they would not venture an estimate as to how high fresh vegetable prices would go. As an example one quoted pole beans going from 40 to 79 cents per lb. and tomatoes from 59 to 99 cents per lb., while head lettuce went up 10 cents per head in several stores over the weekend.

One manager said that if Texas, Arizona and California and perhaps Mexico had abundant supplies of fresh vegetables the price might not go so high. Maybe we'll have to trim out the lettuce leaf we use to throw away.

Mildred Dunn Charged In Auto Accident

Mildred Barbara Dunn, Sebring, was charged by Sgt. Charles Watson with improper change of lane after a twocar mishap on Lemon St. Jan. 19.

The Dunn car pulled from a parked position into the path of a car driven by Elijah Weatherspoon, Avon Park.

Damage to the Weatherspoon vehicle was placed at $250 and to the Dunn auto at $75.

Damage totaled $375 when two cars collided at the intersection of Tangerine Ave. and Highlands Ave. Jan. 19.

Cars driven by Leona Campbell Sanders, Avon Park, and Bernard Magee, Sebring, were stopped at the intersection. The Sanders car then started into the intersection and stopped for traffic. The Magee auto also moved forward, striking the Sanders car in the rear.

Sgt. Mike Carr investigated and placed damage to the Magee car at $300 and to the Sanders auto at $75. No charges were filed.

Southside Community Park News

If you live in the Southside Community Park area, please turn your news in to Alfonzo Williams or Calvin Gibbs by Sunday afternoon to be assured that it is included in that week's edition of the Avon Park Sun.

By Alphonso Williams

Greetings:

Welcome to Southside Park Community News. Now that the snow has melted and the schools have reopened after a four day weekend, everything is about back to normal. There is still a lot of talk about the unusual weather, the inauguration and the film Roots. The second nine week grading period has just ended. That means two down and two to go. Here's hoping that all of us passed and perhaps will more than just pass during the second half.

Again Citizens of Southside Park I find myself still seeking news which you could very well get to me, and the earlier the better that I may be able to submit this column to the press by Monday noon each week.

Thank you.

Alphonso Williams

Church of God by Faith

We the pastor, deacons and members of The Church of God by Faith wish to share our services with you. Sunday January 23 was Women's Day and did we have a time. Sunday School was held as usual. Varsity Take Four In Row

GLIDING ALONG THE baseline under the basket, guard Freddie Williams (11) lays the ball back over his head (second photo) for one of several spectacular shots to take top scoring honors for the Avon Park Red Devils (72) at Frostproof (45) last Friday night. (Sunphoto by Lew Miller).

The Red Devil varsity cagers put things together last week and racked up four straight wins to move to a 7-6 record over-all and 4-3 Heartland Conference mark. Avon Park is now 3-1 in district play.

Starting tonight Thursday the Red Devils will take part in the Heartland Conference tournament being held in Sebring. They will meet Hardee High at 6:30 p.m. in the opening round. Next Tuesday, Feb. 1, the Avon Park squad will host conference and district opponent Fort Meade in a triple-header at the high school gym. Game time will be about 8:30 p.m.

Next Thursday afternoon at 1:30 p.m. the Devil varsity will host the Hardee High Wildcats in a game that the Avon Park student body will be invited to attend. Next Friday night, Feb. 4, the Devils will be at home to the Frostproof Bulldogs.

Last week starting with Okeechobee in a home game, the Devil varsity defeated the Brahmans 93-52 on Tuesday, Jan. 18 and then went on the road for three more victories. Last Thursday night the Avon Park team outscored the Miners for a 52-46 win in the Fort Meade gym. Last Friday night the Devils knocked off the Bulldogs 72-45 in a Frostproof gym and then last Monday night they went down to Sebring and brought home a 79-73 win.

Avon Park 93 Okeechobee 52

Freddie Williams pumped in 18 points to lead a balanced Red Devil attack as the Avon Park cagers defeated Okeechobee 93-52 Tuesday night, Jan. 18, here at the high school gym.

Coach Tom Lund cleared his bench early as the starting five rolled up a 30-10 first quarter advantage. At halftime the score stood 47-19 in favor of the Red Devils. The Brahmans gained a little in the third quarter making 21 points to the Devils' 25 to set the score at 72-55 as the final period started. Avon Park pumped in 21 more points and the Brahmans hit for only 12 in the fourth quarter to give the Devils the 93-52 victory.

All ten Red Devils contributed to the scoring high of the season. Dale Sisemore hit for 12 points behind Freddie Williams' 18. Melvin collins, Freddie Moore and Kenneth Burley all scored 10 points each. Anthony Conner added 9 counters to the score, Larry Pough hit for 8 points, David Williams scored 8, Charlie Pough contributed 6 points and Reggie Baker put two points through the nets.

Avon Park 52 Fort Meade 46

Avon Park came back from a two-point halftime deficit to register a 52-46 win last Thursday night over the Miner varsity in the small Fort Meade gym. Leading the way for Avon Park was Melvin Collins with 13 points and 17 rebounds. Anthony Conner pulled down 18 rebounds as the Red Devils dominated the boards on both offense and defense.

Dale Sisemore swished through 12 points from his guard position, Freddie Williams contributed 8 points, Larry Pough hit for 7 and Conner and Kenneth Burley had 4 points each. Also scoring for the Devils were Freddie Moore and David Williams with 2 points each.

The Miners drew a total of 18 fouls in the hard-fought game while the Devils got by with only 12 fouls called against them. Avon Park hit 10 of 23 free shots and Fort Meade made only 2 of 6 gift shots.

Avon Park 72 Frostproof 45

The Red Devils jumped off to a 14-5 first quarter lead and never looked back last Friday night as they went on to register a 72-45 District win over Frostproof on the Bulldogs home court. It was the third straight victory for the Avon Park five in one week.

Freddie Williams came off the bench early in the first period and pumped in 20 points as he hit some fantastic shots to lead the Devil scoring. Dale Sisemore was hot with his outside shots and hit for 17 points which included 7 of 8 shots from the free throw line. Freddie Moore swished the nets for 14 points and Larry Pough added 10 points to balance the attack.

Melvin Collins led the rebounding with 12 pull-downs and scored 8 points. Pough (Larry) accounted for 11 rebounds as he turned in a good performance against the Bulldogs. Also contributing to the Avon Park total was Kenneth Burley with 3 points.

Avon Park 79 Sebring 73

Down by eleven points at one time during the first half, the Red Devil cagers came back to defeat the Blue Streaks by a score of 79-73 in Sebring last Monday night. Larry Pough and David Williams came off the Avon Park bench midway in the first half ot the closely-called game to spark the comeback and join with Melvin Collins, Freddie Moore, Anthony Conner and Kenneth Burley to outscore the Streaks in the second half of the big conference win.

At the end of the first quarter, Sebring held a 25-15 lead with ten of the Streaks points coming at the free throw line. With guard Dale Sisemore and forward Kenneth Burley in early foul trouble, Coach Lund's bench came through to save the victory. By halftime, the Red Devils had moved to within two points of the Streaks as the score stood 39-37 going into the third quarter. Avon Park went ahead in the third period and finally moved out to the 79-73 win although the Streaks stayed close throughout the game.

Melvin (Rootman) Collins pulled down 17 rebounds and scored 18 points for Avon Park but was closely followed by Anthony Conner and Larry Pough who both put 17 points through the hoop. Freddie Moore hit 6 field goals to contribute 12 points to the winning Red Devil effort. David Williams, up from the junior varsity several weeks ago, accounted for 8 points, Kenneth Burley had 6 counters and Dale Sisemore scored 1 point for Avon Park.

GOING UP AND over a Brahman player, Red Devil forward Kenneth Burley (30) two hands the ball into the basket for two counters as Avon Park hit a season high score, defeating Okeechobee, 93-52. (Sunphoto by Lew Miller).

Devil Girls Drop Game To Okeechobee Brahmans

The Okeechobee girl's basketball team handed Avon Park it's fifth defeat of the season Tuesday night a week ago here at the local high school gym. The Brahman ladies outscored the Red Devil cagers by a score of 33-19 although the Avon Park girls held their own in all but the second quarter.

Last Thursday night a game with Wauchula was postponed because of the cold weather and will be rescheduled later in the season. Last Tuesday night the Avon Park girl cagers were scheduled to host the high scoring Lake Placid team. Next Tuesday, Feb. 1, the Red Devil lady cagers will be at home to the Ft. Meade squad. The game with the Miner girls will start around 6:30 p.m. since it is the middle game of a triple-header.

Against Okeechobee last week, the Red Devils improved on the scoring margin over a previous game with the Brahman girls played in Okeechobee the Friday before the Christmas Holidays. Okeechobee won that game by a score of 43-13.

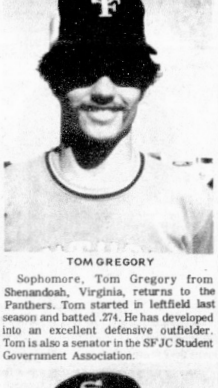
After one quarter of play, the Avon Park girls had a 4-3 lead but the Brahman ladies scored 16 points and held the Devil cagers to just 3 in the second quarter to take a 19-7 halftime lead. Both teams managed only 4 points each in the third period and the Okeechobee girls outscored Avon Park 108 in the final period for the 33-19 final score.

Tammy Welch, freshman guard, came off the bench and hit 3 field goals and 2 free shots for an 8 point total that was high for Avon Park. However, Patty Turner hit 15 for Okeechobee and her teammate, Beth Turberville, scored 9 points for the winning Brahman girls.

Also scoring for Avon Park was Margie Taylor with 5 points, Tammy Ostling and Debra Cox with 2 points each, and Sally Braithwaite and Delories Cox with 1 point apiece. Avon Park hit only 5 of 19 free shots while Okeechobee made 5 of 9 from the free throw line. The Devil ladies drew 8 fouls and the Brahman girls had 19 fouls called against them.

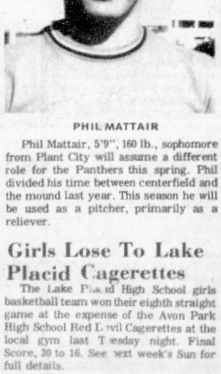
FRESHMAN GUARD TAMMY Welch drives straight for the basket for a two point layup during the Okeechobee game last week. Tammy came up as high scorer for Avon Park, but Okeechobee won the game, 33-19. (Sunphoto by Lew Miller)

Panther Players



TOM GREGORY

Sophomore, Tom Gregory from Shenandoah, Virginia, returns to the Panthers. Tom started in leftfield last season and batted .274. He has developed into an excellent defensive outfielder. Tom is also a senator in the SFJC Student Government Association.



PHIL MATTAIR

Phil Mattair, 5'9", 160 lb., sophomore from Plant City will assume a different role for the Panthers this spring. Phil divided his time between centerfield and the mound last year. This season he will be used as a pitcher, primarily as a reliever.

Girls Lose To Lake Placid Cagerettes

The Lake Placid High School girls basketball team won their eighth straight game at the expense of the Avon Park High School Red Devil Cagerettes at the local gym last Tuesday night. Final Score, 39 to 16. See next week's Sun for full details.

Red Devil Varsity In Conference Tourney

Coach Tom Lund's Red Devil varsity basketball team, red hot as they come off a four game winning streak, will enter the Heartland Conference tournament in Sebring tonight (Thursday, Jan. 27) seeded fifth but thinking championship trophy. The Devils will meet the Hardee High Wildcats in the opening round tonight Thursday at 6:30 p.m.

Lake Placid and Okeechobee will open the three-day tourney tonight starting at 5 p.m. After the Avon Park vs Hardee game, Fort Meade will take on the Arcadia Bulldogs in an 8 p.m. start. Sebring drew a bye for the first round by virtue of being the host school.

Semi-final action will take place Friday night, Jan. 28, with the winners of the first two games meeting at 6:30 p.m. and the winner of the Fort Meade-Arcadia game going against Sebring in the 8 o'clock nightcap. The finals will be played Saturday night at 8 o'clock following a consolation game between the two semi-final losers which will begin at 6:30 p.m.

The Avon Park Red Devils had a slow start this season but have just put together a four game winning streak knocking off three conference opponents and Frostproof in one week of play. Three of those games were on the road. The Avon Park team takes only a 7-6 record into the loop tourney.

The tournament will not determine the Heartland Conference championship according to Coach Lund. However, trophies will be awarded and the wins and losses will count in the season records of the participating teams.

HCTA Tourney Final Matches On Saturday

Finals of the Sun'n Lakes of Sebring doubles tennis tournament for men and women will be held starting at 1:30 Saturday, Jan. 29, according to H. C. T. A. tourney chairman Bruce Wyse. Preliminary rounds were played last Saturday and Sunday at the two Sun 'n Lakes courts with Charlie .Polk and Leon Thonus hosting the two-weekend event.

The womens finals will pit Peggy Sisemore and Norma Jean Annett against Marsha Handley and Mary Hill and the Mens finals will be Bruce Wyse and Tom Hines against Eugene Bengston and Rodney Hollinger. The finals will be played at 3 p.m., following the two consolation matches.

Playing in the women's consolation finals will be Cherri Lee and Jeannie Cox against Smith and Fittro. Victor Fernandez and Peter Adler will meet the winner of the Reed McLean and Jay Heflin vs. Ronnie Brock and Charlie Jordan match in the men's consolation finals starting at 1:30 this Saturday afternoon.

Following the tournament all participants will have dinner at the Black Forest Restuarant at Sun'n Lakes starting at 6:30 p.m. Spectators may join players for the evening meal for $4.00 per plate. Fans are invited out to watch the finals in this area doubles tournament.

Eight men's teams and five women's teams entered this first-of-the-year tennis tournament sponsored by Sun 'n Lakes of Sebring in conjunction with the Highlands County Tennis Association. Newcomers to the area are urged to contact Read McLean of Sebring to join the H. C. T. A. and get in on the tennis action in Highlands County.

Outboard Racing On Lake Clinch Frostproof

On Saturday and Sunday, Jan. 29 and 30, the Peace River Outboard Racing Association will hold their annual Frostproof Citrus Regatta on Lake Clinch, weather permitting.

This first race of the grapefruit circuit will have 14 classes and includes Stock outboards, alkeys, hydros and runabouts. On Saturday the races will start at 11 a.m. while on Sunday the first race will get underway at 12:30 p.m. Trophies will be awarded to the race winners.

Local drivers expected to take part in the racing are: Hoz Compton, Lake Placid; Tommy Hooten, Wauchula and newcomers to the area, Chuck and Pat Bentz, Sebring in either the A stock hydro or 25 SS hydro classes.

National champions who will put their crafts in the water are: Bunky Bowerman, Winter Haven, in C Stock hydro. Bunky was recently voted into the Outboard Racing Hall of Fame. Jeff Hutchins, Miami, is also expected to run in the A stock hydro.

The race committee is hoping for good weather. In case of bad weather the race may be postponed for two weeks as another race is scheduled for Lakeland on Feb. 5-6.

Junior Varsity Sets 9-3 Record For Season

Coach Allan Duhm's Red Devil junior varsity won three games and lost one in the last week's play to set a 9-3 record for the season. The Devil "Bee's" fell victim to the Okeechobee Brahman jayvees in a home game Tuesday, Jan. 18, but then won over Fort Meade 60-47, Frostproof 60-49, and Sebring 46-42 in the last three games on the road. The Devil junior varsity has won six of its last seven games.

The Avon Park junior varsity will be idle this weekend while the varsity takes part in the Heartland Conference tournament in Sebring. Then next Tuesday, Feb. 1, they will jump back into action as they meet Fort Meade in the first game of a triple header here at the high school gym. Game time is set for 5:15 p.m. with a girl's game following. Next Thursday, Feb. 3, the Devil "Bees" will be at home to the Hardee High junior varsity in an afternoon game set to begin at 3 p.m. following the varsity game.

Okeechobee 62 Avon Park 54

The Brahmans from Okeechobee proved too hot for the Devil jayvees to handle last Tuesday night a week ago as they were unable to stave off the second half attack and lost by a score of 62-54. At halftime the score was tied at 25 all but the Brahmans put on a scoring spurt in the third and fourth quarters to take the win.

Avon Park's Horace Moore led the Devil rebounding pulling down 15 and scored 13 points. Otis Ford was high scorer for Avon Park with 18 counters followed by Moore, Jeff Adams with 8, George Loyd with 6, David Sisemore with 4 and Eric Wilson with 2. Pernell Gibbs hit for 3 points in the losing effort by the Devils.

Avon Park 60 Fort Meade 47

In Fort Meade last Thursday night the Devil "Bees" jinped off to an early lead and held on for a 60-47 win over the Miner jayvees.

Horace Moore pumped in 19 points in the first half and had 23 for the night to lead the Devil scoring attack. Moore also led with 12 rebounds.

Otis Ford hit for 12 points and pulled down 10 rebounds. Jeff Adams had 8 points, Eric Wilson scored 7, Decaris Jones made 4, and Casey Stukes and David Sisemore added 2 points each for the 60 point Avon Park total. The Devils hit 18 of 31 free shots and the Miners mad 13 of 21.

Avon Park 60 Frostproof 49

Last Friday night Avon Park's jayvees posted their eighth win of the season with a 60-49 victory over the Frostproof "B" team on the Bulldog's home court.

Avon Park made only 8 points in the first quarter in what Coach Duhm called the worst quarter the Devil "Bees" have played this year. In the second quarter the Devils went to a full court press and regained enough composure to go on to the 60-49 victory.

Eric Wilson and Otis Ford scored 24 points each and Horace Moore had 17 counters to pace the Avon Park win. Moore also pulled down 14 rebounds. Decaris Jones played well in both the Frostproof and Fort Meade games as he saw his first real action of the year. He had to fill in for Jeff Adams in the Bulldog game when Adams was ejected from the game on a disputed call in the first quarter. Jones and David Sisemore contributed 6 points, Casey Stukes had 2 and Pernell Gibbs scored 1 point for Avon Park.

Avon Park 46 Sebring 42

In Sebring last Monday night Avon Park started slow but came on strong in the second quarter to take a 46-42 win from the Blue Streaks. Jeff Adams swished 14 points through the nets, Horace Moore had 10 points and Otis Ford accounted for 7 points for the Devils.

Eric Wilson pulled down 14 rebounds and scored 5 points, David Sisemore hit for 6 points, and Decaris Jones and Pernell Gibbs added 2 points each to the total.

Final Round Of Tourney Thursday

For the first time in their tournament play the ladies of the Pinecrest Women's Golf Association postponed a golf tournament because of cold inclement weather stated Helen Griffith, assistant tournament director.

Sponsored by the Barnett Bank of Sebring, the third and final round of play was postponed to this Thursday morning, Jan. 27.

The final matches of the tournament will be played on Saturday morning at the Pinecrest course according to Miss Griffith.

Drivers Have Accidents

Charges are pending following a one-car accident on SE Lakeview Drive near SR 17 Jan 20 which sent the driver, George F. Trempe, of West Hill, Ontario, Canada, to Highlands General Hospital for treatment of injuries received in the crash.

The Trempe auto left the road, hit a palm tree and then continued along the shoulder, striking a directional sign and utility pole.

Patrolman Ron Nelson investigated and placed damage to the car at $700, to the sign at $50 and to the utility pole at $500.

Ruby Brock Sanders, Sebring, was charged by Corporal Bob Baker with failure to use due care after a two-car accident on SR 17 near Theon Ave. Jan. 24.

A car driven by Timothy Clyde Trescott, Avon Park, was stopped for a turning vehicle when the Trescott auto was struck in the rear by the Sanders car.

Damage to the Sanders auto was placed at $450 and to the Trescott car at $500.

LOOKING LIKE WINNERS — The Gold team of the Flag Football league sponsored by the city Recreation Department romped off with the first place honors by winning all of their games. From the left, kneeling: Fred Lewis, Eldrick Pressley, Quintin Williams, Willie Charles and Henry Williams. Standing: Coach Sam Dasher, Ricky Walker, Larry Collins, Tommy Taylor, Jerome Woody and Gerald Bristow. (Sunphoto by Lew Miller.)

Gold Team Unbeaten In League

The Boy's Flag-Football League finished its regular season play last week, with Gold ending the season without a single loss. For finishing in first place, the team will receive a team trophy, with all the boys names on it, plus each member will receive an individual trophy to keep. Sam Dasher and all the boys on the team did a fine job.

The second place team was to be decided on Tuesday, with Red and Blue playing their make-up game. Blue came into the game with a 2-3 record and Red had a 1-4 tally. If red won, then a playoff game will be played on Thursday, but if Blue won, then a playoff game will be played on Thursday, but if Blue won, they would capture the second place honors and receive the trophy with the boys na es on it.

All the teams this season displayed good talent and fine sportsmanship. The league's purpose was to give these young boys, that have not participated in local football programs before, a chance to learn the basic skills of running, catching, throwing and punting, so they may contribute to a team effort in tackle football programs later on. The by-product of learning to cooperate in a small group to achieve a set goal, was certainly displayed by every team.

Hopefully, next year the league will grow and more boys will get involved. Also, local sponsors maybe willing to lend a hand to help this program, by furnishing flags and shirts for the teams. This year the Avon Park Recreation Department had 2 sets of flags and 2 sets of shirts for all the teams to use.

Middle School Cagers

Unblemished Record

The varsity and junior varsity Middle School Red Devil cage squads kept their record unblemished last week as they racked up their fourth straight victories with wins over Hardee Middle School in Wauchula last Thursday afternoon. The varsity scored a 49-32 victory and the jayvees won with a 25-12 score. The varsity game was played before a very vocal Hardee Middle School student body.

Games with the Lake Placid Middle School teams were called off last Monday afternoon due to a mix-up in use of the lone Lake Placid gym. Coach Don Sisemore's Avon Park teams will go back to Wauchula tomorrow (Friday, Jan. 28) for return games with the two Middle School squads.

On Wednesday, Feb. 2, the Avon Park varsity and junior varsity will play Wauchula for the fourth time hosting them here at the Middle School gym starting with the jayvee game at 4 p.m.

All twelve varsity players saw action in the game last Thursday afternoon in Wauchula. Alvin Conner and Charlton Weathers, Avon Park varsity guards, scored 17 and 15 points respectively to pace the 49-32 win over the Hardee eighth graders.

The Middle Devils outscored Hardee in every quarter but the last one when Coach Sisemore cleared his bench to give the reserves plenty of action. Gerald Jones had 7 points, Jeff Caldwell scored 3 points, Chris Collins hit for 4 points Ricky Derkman added 2 points and Ricky Oates contributed 1 point as the team racked up its fourth straight win. Hardee's Archie Hines scored 14 of his teams total.

Avon Park's jayvees also won their fourth straight game in the second game of the Thursday afternoon double-header outscoring Hardee's jayvee 25-12. Warren Moreland led the Devil Middle "Bees" with 9 points and Thomas McAfee hit for 6 points. Scoring two points each for the Avon Park team were Terry Kelley, Ricky Johnson, Doug Cook and Andrew Giles. All sixteen memberrs of the Avon Park squad got into the game.

Devil Golfers In Warmup

Avon Park's Red Devil golf team came in fifth in a pre-season warm-up jamboree played at the Placid Lakes Country Club last Friday, Jan. 21. Eight teams played the cold, windy course that was in poor shape due to the excessive cold weather last week.

Two 4A teams came in first and second. Winter Haven's team turned in a 331 total for the eithteen holes to walk off with first place honors. Lakeland Senior High came in second with a total score of 334. Lake Placid finished third with a 343 score and John Carroll of Ft. Pierce was fourth with a 344 total. Both of those schools are 2A and John Carroll looks like a possible state champion team according to Coach Fred Sandlin.

The Red Devils shot a 349 total to take fifth place ahead of Kathleen, Okeechobee and Haines City. Pete DuPriest led the Avon Park team with an 84 for the eighteen with his brother John coming in second with an 85. Mark Palmer finished with an 89 and Bill Tharp closed out the four-player scoring with a 91. Craig Skipper shot a 102 and Bret Hoyer finished with 104 for Avon Park.

There were 47 players in the meet and Winter Haven's Tom Ginther was medalist with an 80. Pete DuPriest finished sixth in individual play with his 84 and John DuPriest was ninth with his 85.

Coach Fred Sandlin explained, "This was strickly a warm-up meet for the eight teams. The record won't even go into the season record totals. I thought our boys did well considering the weather. The strong winds were a big factor in the high scores. We'll be ready for Kathleen, Feb. 3. We outshot them by seven strokes down at Placid Lakes last Friday."

Get A Bargain-Buy A Tree

The Division of Forestry will hold its annual potted tree seedling sale on Monday, Jan. 31 between 10 a.m., and 1 p.m., at the Highlands County Agricultural Center on U. S. 27 South of Sebring.

Shade and ornamental trees are particularly valuable to homeowners in Florida. Trees can personalize your home, produce energy-saving shade, provide a home for squirrels and birds, make outdoor living more enjoyable, and even improve property values.

The Division of Forestry will be offering bottlebrush, parkinsonia, red cedar, and silk oak. All of the trees to be offered have good frost tolerance.

The potted trees will be selling for .50 each. Pick up a bargain. Buy a tree!

Annual Band Candy Sale

The Avon Park High School Band and the Avon Park Middle School Band will make house to house calls Thursday through Saturday, Jan. 24-26 on their annual candy sale to take orders for fresh made "Goo-Goo" candy clusters.

These candy clusters made to the band order by a Nashville, Tenn. candy company are made from pure milk chocolate, jumbo peanuts and pure caramel.

The fresh candy at $2.00 per box of six clusters will be delivered to the customer in approximately two weeks stated Band Director Vic MicKunas. Funds raised during the candy sale will be used for special band music, instruments and other band projects.

Toastmasters Meet At Howard Johnson's

Ben Eastman will be the toastmaster of the evening Jan. 27 when the Charles S. Swan Memorial Toastmasters of Highlands County meet in Howard Johnson's banquet room in Sebring.

Dinner and fellowship will begin at 6:15 p.m. with the meeting starting at 7 p.m.

Scheduled speakers include Ruth Kaye, Elizabeth Walker, Craig Alldredge and Larry Saucier.

Tabletopics master will be Edith Cunningham, with Ralph Walden serving as general evaluator of the meeting. Guests and prospective members are welcome to all meetings.

Toastmasters International, an educational organization for more than 50 years, is dedicated to the principle that in order to communicate with one another, it is necessary to first learn to communicate effectively. Toastmastering improves the speaking and listening skills that are used daily.

Liz McComb was chosen best speaker of the evening at the January 20 meeting with her speech entitled E.S.P. Craig Alldredge was the best evaluator, and Jim Hendrie was awarded the trophy for the best tabletopics response.

Charles Swan Memorial Toastmasters meet each Thursday night in the banquet room at Howard Johnsons Restaurant. All meetings are open to the public.

Woman's Club Sponsors Six Day Caribbean Tour

Thirty nine happy tourists, local residents and others, left at noon Sunday on Eric Annett's chartered bus, enroute to board ship at Miami.

They were members of a Caribbean Tour sponsored by the Woman's Club of Avon Park as a part of their club activities.

The group sailed on the Romanza, of Greek Registry and will have scheduled stops at Haiti and the Dominican Republic. The cruise will last six days, with the travelers returning to Avon Park by bus on Friday.

Arrangesments for the cruise were handled by Mr. and Mrs Edgar Smoot.

Men To Serve Spaghetti Supper

It was announced by the men of the First United Methodist Church in Avon Park that they will serve a spaghetti supper from 5 to 7:30 p.m., Saturday evening, Jan. 29 at Wesley Hall, located behind the church at 200 S. Lake Ave.

Tickets for the spaghetti supper are available at the church office, from Methodist men and at the door.

Nonpartisan Board Elections Discussed

Nonpartisan election of county school board members will be one of the top priority items presented to the Highlands legislative delegation by the local school [illegible]

In preparation for the delegation's Feb. 21 meeting at the Ag-Center, the school board held a workshop session Tuesday afternoon to discuss what topics would be of primary importance to Highlands County's situation.

Chairman Ruth Davis forwarded the idea, saying the latest election showed how costly it had become to run for the school board.

"Besides," she said, "belonging to a party should not have anything to do with a board member's responsibilities."

Steve Robert agreed, saying, "We're dealing with children, and political parties should not enter into it. From what I understand, those in counties with non-partisan elections have found no fault with the system."

Ruth Davis added, "I'm sure the possibility of being in two primaries and the general election may deter a lot of qualified people who don't have the time or money to campaign, from running."

Superintendent Dr. Dan Davis said, "In a county with 13,000 Democrats and 5,000 Republicans, a qualified Republican does not have much encouragement to run."

Assistant Superintendent Ferrel Smith told the board approximately one-third of Florida's counties, including most of the major ones, have adopted non-partisan elections through state legislation.

Other proposals of local importance discussed by the board included removal of the requirement for the board to meet in the county seat, and urging the legislators to adopt a system whereby one elected official would represent the entire county in state legislature.

Ken Grady said he did not see much sense in pushing for the single representative system because, "They're not going to do anything about it until after the 1980 census, so I think it would be better to start pushing for things that have a chance of getting through."

Roberts disagreed, saying, "Sooner or later, somebody's got to get the ball rolling."

It was pointed out that of the six state legislators representing Highlands, not one is from the county.

Ruth Davis said she would like to see the county school district have its immunity from liability prosecution returned. "The state has required us to have insurance for liability, but very few insurance companies are willing to write a policy for it. As a result, it costs the county $15,000 a year just for that one policy, and I'd rather see the money spent someplace else."

The board also favored increasing the amount of funds alloted to the board for spending, as opposed to those controlled by the state, and went on record opposing any further state controls over ad vlorem taxes.

The board will also recommend that state funds given to the county be based on the previous year's enrollment, as opposed to the present year's.

Smith said that system would give the county more room to plan a solid budget, and would also give the county the advantage of using the ad valorem tax increase caused by county growth.

Only Selected Trappers

Allowed To Hunt Alligators

As soon as the weather gets warmer and the alligators start to move, a limited controlled harvest of nuisance alligators in Florida will begin.

The word comes from Tommy Hines of the Game and Fresh Water Fish Commission who is coordinating the alligator management plan for the wildlife agency.

"We have already interviewed prospective trappers and tentatively selected six who will be working in a six-county test area in northeast Florida," the biologist said.

The trappers will be working in Alachua, St. Johns, Bradford, Duval, Clay and Putnam counties. Under the program, they will trap nuisance Alligators, skin them and store the hides at the Commission's Gainesville research office for future sale.

The feasibility of handling complaint alligators this way will be compared to a test area of Marion, Citrus, Sumter and Lake counties where Commission personnel will handle all complaint alligators.

Hines said the rest of the state will continue to handle complaint alligators as they have been in the past.

The status of the alligator was changed from endangered to threatened on January 10 by the U. S. Fish and Wildlife Service which allows for the management plans the Commission is implementing.

Residents Anywhere In City Can Hook To Sewer Line

Avon Park City Clerk Malcom Crews has reported that the city will allow sewer hook-ups in any portion of the city, starting this week.

Addressing the city council Tuesday evening, Crews explained that people from all over the city have been asking for permission to hook into the new system. "We started by sending hook-up notices to seperate sections of the city to give our local plumbers time to complete the work." Crews explained, "but no one seems to be paying any attention. I guess we will continue to send the notices, but allow anyone to hook-up."

Residents have 90 days from the receipt of such notices to hook into the sewer. After that time, the city will begin to charge for sewer services, regardless of whether the customer is using the new sewer or not.

The sewer rate will be $5.50 per month, minimum. This will bring the minimum water and sewer bill in the city to $11.70 per month.

Crews also gained permission from the council to have city employees shut off water service to any customer who is two months behind in bill payment. "Water will be shut off on the first day of the third month a bill is in arrears," Crews said. In addition, it will now cost a customer $5 to have his water turned back on after it has been shut off. The $5 payment will only apply to service performed during normal city working hours. The charge to turn water back on after working hours will amount to the customer's entire water security deposit. The City Clerk also announced that security deposits for new customers will be boosted to $25 per month for a single family residence.

Bike-Hike Saturday

The Avon Park Recreation Department announced that it still has plenty of room for more kids to ride in the "Bike Hike" next Saturday, Jan. 29.

There is no charge for the event, which will start at 10 a.m., and end around 2 p.m., All kids ages 9-16 are welcome to join in the fun.

The Hike, which will be to promote recreational bicycling for fun and exercise, will leave the parking lot of the Recreation Center at 10 a.m., proceed down Highland's Avenue, South, to Valerie Road, then cut over to Sun-N-Lakes where we have been granted permission to have a picnic and play some games.

All participants are asked to bring his or her own sack lunch and the Rec. Dept. will furnish the drinks and all the equipment for the games.

The group will then return, by the same route to the Recreation Center, arriving around 2 p.m.

The Bike-Hike group will be supervised by Dennis Guenther and several other adults, riding along. Also, the bicyclists will have a car, with a sign attached, following them to warn oncoming cars of the group. The Sheriff Department will assist the cyclists to and from Sun-N-Lakes, across U. S. 27.

Everyone interested in participating in this event, please sign-up at the Recreation Center before Friday, Jan. 28, so that permission slips may be signed and returned by Saturday.

Away from Holland...

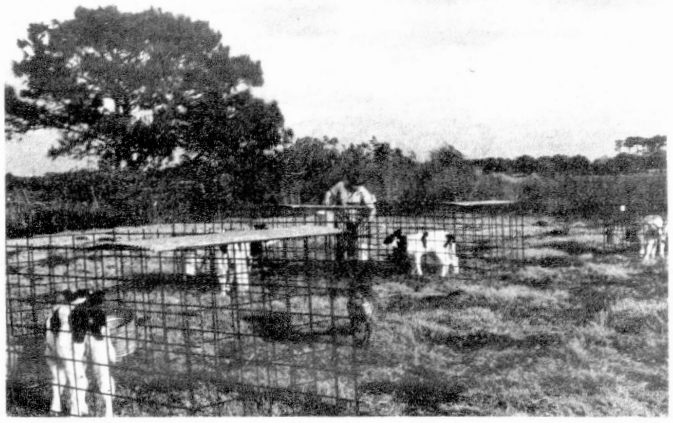
She Interns At Dressel's Dairy

What are the odds that a young attractive Dutch girl, whose family is not in the dairy business, would travel from Holland to Indiana to study dairy farming and then decide to come to Avon Park because the weather was too cold? The odds would probably be next to nothing until one had met Tjeske Koninj.

As one would soon discover through Tjeske's friendliness and fluency in English, she is part of a program at her Agricultural College in Holland that requires her to study abroad. As part of her training experience she's worked on a French dairy farm, which she loved, and an Indiana dairy farm. In Indiana she participated in all phases of the business, enjoying the responsibilities thoroughly.

Unintimidated by new ways and strange people, she packed her bags and came to Avon Park. Here she inquired at Dressel's Dairy if they could use her services and was immediately given the responsibility of caring for the calves from early morn 'till night.

When she leaves for Holland in March and reports to her college, she'll be able to write of the large American dairy farms compared to the average 20-30 acre ones at home. In her report she will include that unlike Holland, where families run farms, workers are hired here to assume the additional load that added acreage and cows impose. As for miscellaneous details she will tell of the inevitable journey to Disney World, and wasn't plagued by pangs of homesickness.



Home, home on the range...

Consumer Talk — Cutting Costs To Live Within Income

Some families instinctively seem to know how to manage even on a limited income. But many others need help in organizing their finance

Planned Spending

Each family and each individual needs to make plans and set goals for earning saving and spending money. "Planned spending" is the first step for solving family money problems. There is no other way to live on a fixed limited income.

First, estimate your monthly income (after deductions). Second, on the basis of your previous experience, write down uour estimate of your basic expenses for food, housing, clothing, utilities, transportation, medical care, personal care and miscellaneous.

There is no such thing as a fixed expense. Almost every expense can be reduced if you want to use that money for other goals.

Third, test your spending plan. A simple spending record is the control center of your spending plan. It shows where the money actually goes. It also tests whether the plan is actually realistic. A spending record has another big value. It locates money leaks, spending you never really intended.

Saving Ways with a Fixed Income

Save on food by taking a carefully prepared list to the grocery store and stick closely to that list. Plan meals around seasonal plentifuls. Take full advantage of supermarket specials. Use day-old bread from thrift stores or supermarkets.

Save on clothes by making alterations. Before going shopping, examine last year's clothes and see what you can do to renovate or update slightly out of style items.

Save on transportation by owning a small car or using public transportation. Save on travel mileage by planning shopping in logical sequences.

Save on dry cleaning by spot cleaning on clothing, furniture and rugs or carpets as soon as possible after spillage or stain occurs. Learn to use the coin dry cleaning machines. They are much cheaper than sending clothes out for dry cleaning. Buy washable clothes.

Stay on a cash basis. If you owe debts you should accelerate repayment. There is little reason to retain savings that earn five per cent interest while you still owe installment debts and loans that carry true interest rates of 23 to 22 per cent.

Take all steps to conserve heat, cool air and hot water. Use weather stripping, caulking and insulating to reduce utilities bills. You can save 10 to 40 per cent on your utility bill, depending on how well your house is insulated.

Buy property insurance at reasonable cost. In general, you save by combining in one policy several coverages. A homeowner's polic ycost less than separate purchases of fire, theft, and liability insurance. Long-term policies, for three or five years, provide another means of saving.

Buy bulk size of cleaning supplies. The bulk size of detergents saves considerably.

Plugging the Spending Leaks

In food, families are most likely to overspend for meats and prepared foods. If your total spending for meat runs over 25 per cent of your food dollar, you may consider that a warning.

Your food expenditures may also be high because of using ready- cooked foods. Some prepared foods actually cost as much as 900 per cent higher than comparable fresh food. Not all prepared foods cost more. Frozen orange juice concentrate costs less than fresh oranges.

In buying insurance avoid buying on a weekly or other installment basis. This costs you much more.

By pre-shopping you can stop leaks. Decide what you want and why you want it before you go shopping. Make it a habit to compare prices and values, especially for expensive items. Buying a less expensive appliance model doesn't mean you're getting inferior quality.

"Waste Not"

Heating and cooling the house are expensive. If you are heating or cooling the house and the outdoors, too, it's even more so. Check around the doors and windows, where a snug fit can cut heat or cooling loss as much as 40 per cent. Close off rooms or the part of the house not being used, and draw the draperies at sundown. The air pocket behind them is a bit of free insulation. Replace worn-out draperies with the type which have the insulation on the back.

The water heater temperature mal need resetting. Set the dial to around 140 degrees F. or below. Preventing excessive wear can add several years to the life of a heater.

Don't waste electricity or the life of a furnace or air-conditioning motor by making the fan pull air through a dirty filter.

Don't Overspend

You can cut the cost of living by doing something drastic like getting rid of one car or not even having a car. You can move into a cheaper house or apartment. Perhaps the best way would be to start the old practice of thrift. It can make ends meet without noticeably reducing your level of living.

This information was provided by the Fla. Cooperative Extension Service pamphlet entitled, "Cutting Cost To Live Within Income."

Local Students To Take Part In Program

Evelyn Cullens, chairman of Congressman Skip Bafalis's Intern Program Highlands County, announces that her committee met Jan. 13 to select interns from each high school in Highlands County.

Four finalists from the Junior Class of each high school were chosen by students and faculty. They then were interviewed by the committee composed of William Knecht, James Taveniere, Malcolm Ross, "Lucky" Campbell and Mrs. Cullens.

Students selected from each school were; Sebring High-Cathie Tucker, Norman Glover, Tammy Doane and Tammy Johnson; Avon Park High-Pam Williams, Margaret Miracle, Babs Maness and Ruth Hentnik; Lake Placid High-Joe Donahay, Wayne Massaro, Greg Cornwell and Thomas Smalls.

Those chosen by the committee to represent their school and community as an intern to Congressman Bafalis are Norman Glover from Sebring, Joe Donahay from Lake Placid, and Pam Williams from Avon Park.

The three students will spend seven days in Washington in March or April, getting a first-hand look at the federal government in action.

The program for the week in Washington is carefully prepared to ensure maximum exposure to the daily operations of our government. It will include face to face meetings with key personnel in the executive, legislative and judicial branches. There will also be briefings by members of the Florida delegation, State Department representatives and members of prominent committees of both the House of Representatives and the Senate.

When possible, attendance at committee meetings and hearings of special interest scheduled during each seminar week will be included. The week's schedule will have sufficient free time to permit sight-seeing and visiting prominent landmarks and buildings by the interns and their chaperones.

Transportation, housing and meals will provided by a fund solely sustained by contributions from civic, professional and fraternal groups and private citizens.

We should be proud of the three students and Mrs. Cullens strongly urges support by local citizens and groups for this program.

Donations made payable to the Tenth Congressional Intern Program may be mailed to Mrs. Charles Cullens, Rt. 1, Box 432, Sebring, 33870.

Liesure School Is Touted

Education for use of leisure time might be a step toward solving some of the problems social workers in Highlands County are encountering. At least the agency representatives who attended Highlands County Interagency Council meeting on Jan. 19 think the step should be tried.

The suggestion emerged as Don Farrens, dean of South Florida Junior College's adult education division, presented a report on plans for expansion of SFJC offerings to adults.

Dean Farrens said the junior college has tentative plans for launching a series of courses which are aimed at meeting the needs of the older residents of Highlands County.

He said a class on nutrition is scheduled for February and one on health education may come very soon. He said a driver education course for adults, introduction to metric math, defensive driving, voter education, Florida gardening and introduction to transactional analysis are all in various stages of planning.

Most of these will be taught in daylight hours and will require little or no registration fees.

Dr. Victor Zilaitis, psychologist attached to the Avon Park alcoholism research center, said he believes that many elderly persons become problem drinkers because they do not know how to cope with retirement.

Mrs. Pat Furnival of the Tri-county Mental Health alcoholism treatment program, echoed Dr. Zilaitis' belief, but said the problem is not limited to the older residents of the county.

Social workers from other agencies reported they encounter younger residents, particularly those who move into this area from Urban centers, who complain "there's nothing to do."

Farrens said the Avon Park city recreation department is the only government unit in the county which addresses itself to the overall problem of creative use of leisure. He asked the Interagency Council members to draft a proposal to be presented to the junior college.

Dean Farrens said basic adult education classes are now being offered on the junior college campus between Sebring and Avon Park and at Sebring. He said attempts to organize a class at Lake Placid have not been successful in the past, but if the junior college has reason to believe that at least eight students would be enrolled, a class could be presented at the southern end of the county.

Basic adult education is, Dean Farrens explained, designed for those persons who did not have opportunity to go to school beyond elementary level. "These classes emphasize the basic skills of reading, writing, arithmetic and speaking of the English language," Farrens said.

In addition to these classes, the junior college makes available several sections of the classes aimed toward earning high school diplomas. These classes carry with them a registration fee, Farrens, said, and sometimes a social work agency will pay part or all of this fee as a means toward helping an adult to help himself.

Adult education opportunities at the junior college also include a series of vocational classes aimed toward helping adults learn a skill needed for employment in this particular county.

Care Of Damaged Plants

Immediately following a freeze or frost, many people observe damage to various plants and trees in their yards. The first reaction is usually to dig them up or prune them back to improve the appearance of the yard. This is the wrong thing to do, if you want to possibly salvage them.

There are several degrees of freeze or frost damage and each has its own symptoms. If only leaves are damaged they will wilt within a day or two after the cold temperatures are reached and fall to the ground when warm weather returns in a day or two.

If more severe damage has been done to twigs, or small branches, the leaves will wilt and remain hanging for several weeks. If the cold has damaged large limbs or the main trunk of the plant or tree, the leaves will remain attached, however, in a week or ten days gumming or oozing sap can be noticed near the trunk or base of the limb.

In either of the three cases nothing should be done to the plant or tree until after the danger of frost is past. The old fashioned idea that "sour sap" or "poison" forms in dead wood which will bleed back into the plant, killing it futher, is false. A plant will die back only as far as the present cold damage. The location of "live wood" cannot be determined however, until after warm weather begins.

The only care to give a plant, tree, or lawn grass immediately following a freeze is to water them according to your usual schedule. "The recommended schedule to follow is a good two-inch application of water to the area every week or ten days, said G. Tim Hurner Jr., County Extension Agent.

Pruning prior to the return of spring weather will shock a plant or tree causing it to start new growth and then will be more susceptable to cold damage. The presence of the deadwood and leaves at the time of a subsequent freeze will offer some protection for the un-injured portion of the plant.

When the danger of frost is past there are several cultural practices that will hasten recovery of plants and trees. Spring weather will return sometime after the first of March. Fertilization and cultivation around plants and trees should be done at this time Minor elements should be included in the fertilizer.

Watering should continue on the regular schedule. Pruning should be done at this time cutting back to live wood. If only a short stub of a limb remains, it should be cut all the way back flush with the preceeding limb or trunk. Cuts exceeding one inch in diameter should be treated with a pruning paint or wound compound. A subsequent application of fertilizer should be made six or eight weeks following the first application.

After the above proceedure in the spring and evidence of new growth is present, one can determine if the plant or tree is going to recover satisfactorily. If not, dig it up and then go to the expense of replacing it.

In summary, don't do anything except normal watering until after the danger of further cold or frost is past. In Highlands County will occur sometime between March 1 and 15.

For further information on pruning, fertilization and care of ornamental plants and trees, contact your County Extension Agent, G. Tim Hurner Jr., at the Ag Center, Rt. 3, Box 149-B.

Lake Bonnet Village News

by Marion Gregory

As of Jan. 21, there are 27 states and provinces represented in the winter population of Lake Bonnet Village. The leading state is Ind. with 33 trailers or motor homes, while Mich., is a close second with 30. The rest are divided as follows: O., 15; Ill., 10; Fla., 8; Pa., 6; N.Y., 6; Ontario, 4; Ma., 4; Vt., 3; Va., 3;Del., 3; R.I., 3; N.H., 3; Wisc., 2; Md., 2; Mo., 2; and one each from Ia., Mass., N.J., Ala., W. Va., Quebec, Ark., Minn., N.C., and Ga.

Mr. and Mrs. Harley Frantz recently returned after spending a few days with his brother and wife, Mr. and Mrs. Clarence Frantz at Orlando.

Mr. and Mrs. Everett Martindale of Beloit, Wisc., who have spent the past few seasons in the village have purchased a home on Red Beach Lake and moved there Sat.

Mr. and Mrs. Roy Simon and daughter left the first of the week to live in Calif. MR. and MRs. O. Marcelli who had been staying in the apts. purchased Mr. and Mrs. Simon's trailer.

Church services are held each Sunday morning at 8:30 in the club house. The Rev. Don Yeager, Ass. pastor of the First Baptist Church in Avon Park is the minister. On Jan. 22, a group of seven young ladies from that church favored us with two vocal selections. One hundred fifteen attended the services .. Sunday.

Mrs. Edith Smith has sold her trailer and returned to her home in Plymouth, Ind.

Mr. and Mrs. Gerald Proud from Buchanan, Mich., who spend their winters at Frostproof were last Sunday callers of Mr. and Mrs. Ray Travis, Mr. and Mrs. O. Morelli, and Mr. and MRs. Harley Frantz.

Mr. and Mrs. Earl Aldrich from Arcadia were last Sat., visitors of Mrs. Aldrich's uncle and aunt, Mr. and Mrs. Roscoe Jones.

Mr. and Mrs. Dick Yoder from Goshen, Ind., returned to their home on Tues., after visiting Mr. and Mrs. Joe Krers. Mrs. Yoder is a daughter of Mr. Krers.

The monthly pot luck dinner was held on Tues., Jan. 11, with the following committee in charge. Mr. and Mrs. George Augustine, Mr. and Mrs. Herb Schlarb and Mr. and MRs. O. Morelli. The next pot luck will be on Feb. 8, and all residents of the park are invited to attend.

Some of the scheduled events at the club house are as follows: Monday and Thurs., nights, Bingo, 7P.M.; Sat., dancing and a sing- along, 8 P.M.; Mon., and Fri., bridge, 1:30 P.M.; Tues, pinochle, 7 P.M.; Fri., 500, 7 P.M.; Wed., euchre, 7 P.M.; Wed., arts and crafts, 9:30 A.M.; Sat., ladies bingo, 1:30 P.M.; Wed., bible study, 1:30 P.M. All residents are invited to participate.

Mr. and Mrs. Burt Giles who were in the park last year returned Sat. Everyone enjoyed several evenings of pictures from all over the U.S., which they so generously shared with us. We understand they were unfortunate to have been in Colorado at the time of the Thompson River disaster and lost many valuable possessions.

The work done on Lake Bonnet Road recently is greatly appreciated by residents of the park.

Mr. and Mrs. George May from Niles, Mich., were recent visitors Mr. and Mrs. Harle' Frantz. Thel were enroute to Meadow Brook Park nearLaBelle.

Arkansas Robbery

An Avon Park resident, Ezell D. Coaty, has been taken into custody by sheriff's deputies acting on a warrant issued from Luxora, Ark.

The Arkansas officials were seeking Coaty on charges of robbery, and being a fugitive from justice.

Golf Greens Damaged

Officials of the Pinecrest Country Club told investigating sheriff's deputies that approximately $200 in damage was done to the No. 7 golf green on the club course Friday night.

The vandals spun a vehicle around on the green, tearing up the turf.

Woman Is Arrested

An Avon Park domestic dispute resulted in a woman's arrest Saturday night on aggravated assault charges.

Donnie Mosely Hall was taken into custody by sheriff's deputies after she allegedly attempted to strike her husband. Robert Hall, with a club in front of deputies.

According to the sheriff's department, Robert Hall and Sylvester Curry, Mrs. Hall's son, were found to be suffering from numerous lacerations and bruises, allegedly inflicted by Mrs. Hall, who was said to have attacked her relatives with a club and a four-inch knife.

Mrs. Hall was placed in the Highlands County Jail and had bond set at $5,012.

Finishes Basic

Marine Private Charles B. Luke Jr., son of Mr. and Mrs. Richard A. Robinson of 309 E. Canfield St., Avon Park, Fla., has completed recruit training at the Marine Corps Recruit Depot, Parris Island, S.C.

During the 11-week training cycle, he learned the basic of battlefield survival. He was introduced to the typical daily routine that he will experience during his enlistment and studied the personal and professional standards traditionally exhibited by Marines.

He participated in an active physical conditioning program and gained proficiency in a variety of military skills, including first aid, rifle marksmanship and close order drill. Teamwork and self-discipline were emphasized throughout the training cycle.

A 1976 graduate of Avon Park High School, he joined the Marine Corps in April 1976.

Bags Due In

Elementary school children participating in the Highlands County School Drive are reminded to return their Goodwill bags to school on Thursday, Jan. 27.

Local children are "brown bagging" for Goodwill in the annual school drive geared to assist the handicapped at the Goodwill Rehabilitation Center in Lakeland.

Goodwill is currently experiencing a shortage of clothing. If you miss the Goodwill pick-up, donations may be dropped in convenient deposit boxes in Avon Park, Sebring, and surrounding areas.

WINDOW SHATTERED

Mrs. James Schmitt, of Sebring, told sheriff's deputies that some time Friday night vandals threw an orange through a window in her home. Damage was set at $40.

BATTERIES STOLEN

Two 12-volt batteries and 24 gallons of gas were reported stolen from a pair of grove vehicles parked off SR 17 near the Avon Park fire tower over the weekend.

Robert Crews told deputies the loss was estimated at $134.
