AVON PARK CORRECTIONAL INSTITUTION employees have completed special training at Raiford Prison. This is the 12th group to finish the course this year.

APCI Employees Finish Training

The Depart of Offender Rehabilitation has announced that Avon Park Correctional Institution employees, J. R. Byrd, R. A. Serra and T. R. Tippens, recently participated in the Correctional Training Institute at Raiford, Florida.

This is the 12th group to enroll in the minimum standards curriculum, which is required by law. The Training Institute program is taught in conjunction with Lake City Community College, and the graduates earn nine semester credits for successfully completing the full time, 180 hour course.

The program includes instruction in the Criminal Justice System, Legal Aspects of Corrections, Operational Procedures, Principles of Supervision, Human Relations and Technical Training Skills which include Firearms, First Aid and Fire Fighting Techniques.

The Correctional Training Institute was certified by the Florida Correctional

Standards Council (CSC) in May, 1976, as a training center for correctional personnel. The Council was empowered by the Legislature in 1974 to establish minimum standards for the certification of correctional officers and training centers. The curriculum of training is designed to intensify the exposure of the officer and to develop him professionally. It is anticipated that the training program will help materialize the promise of a modern correctional system.

The participants will continue their training with an additional 160 hours taught by regional instructors on an in-service basis, at the various correctional facilities located throughout Florida.

Pictured are (l to r) T.R. Tippens, R.A. Serra and J.R. Byrd.

Medical Plan Available

The 1977 Florida Plan for Hospital and Medical Facilities is now available for public review and comment. A copy of the plan is at the Highlands County Health Department office in the courthouse annex.

Dr. Glenn Hough, director of the health department, said only one copy of the plan has been made available here. Persons who wish to study it are welcome during regular office hours throughout the month of June. Those hours

are 8 a.m. to noon and 1 to 5 p.m., Monday through Friday. The Public Health Service Act requires the state Department of Health and Rehabilitative Services (HRS) to make this comprehensive plan available for study and HRS is to accumulate the written comments from the interested citizens.

The comments are to be directed to Ray Chambliss of the office of Community Medical Facilities, 1323 Winewood Blvd., Tallahassee.

Baffling Batty At Library

Greg Batty will appear as "Baffling Batty," the amazing magician, for the Avon Park's Library's Children program this summer.

Baffling Batty's performance last summer was a dazzling success and he is looking forward to entertaining a large group of children at the library on June 30th.

His success with children's programs has put him in demand for shows and he will be traveling to make appearances this summer.

Greg credits his grandfather for helping him to get started in magic when he was in the third grade and says he enjoys the idea of entertaining people with his performances. His largest audience was at the Avon Park High School Keyettes talent show last month.

WOMAN INJURED

A Wauchula woman was injured and her car received \$3500 damages in an accident near Avon Park June 9. According to the Florida Highway Patrol, Kimberly A. Durance was eastbound on Seville Drive. As she entered the intersection at Torrington Road, she failed to yield right of way to Eugene C. Cottrell of Avon Park, who was northbound on Torrington, and the two vehicles collided.

The Durance vehicle was knocked 36 feet by the impact, turned over on its left side, and slid 36 feet. The car then rolled on its top and traveled another 45 feet, and came to rest on its wheels.

Trooper Curtis Hart made no charges and estimated damage to the Cottrell vehicle at \$600.

LEAVING SCENE CHARGED
An Avon Park juvenile escaped injury, but was charged with leaving the scene of an accident following an accident June 8.

The Florida Highway Patrol said the girl was backing east on the south edge of Tower Road when she backed into a ditch and struck a culvert with the undercarriage of her car.

After attempts to free the vehicle failed, she left the scene, failing to report the accident. She was later located at her residence.

Trooper C. J. Hart charged the juvenile with improper backing and leaving the scene of an accident involving property damage only in the 2:10 a.m. incident.

Ernsberger Is Still Flying High At Age 84

photos and text by Barbara Cornell

Have you ever thought about what you would be doing on your eighty-fourth birthday?

On April 15 of this year, Park Ernsberger, of Southad Court Mobile Home Park, celebrated his 84th birthday by flying.

Not as a passenger, but as the pilot. "I had to take my dog, Bullet, with me, because my wife, Ellen, was in the hospital with a broken hip," said Ernsberger.

He became interested in flying in 1946. He owned a farm in Norwalk, Ohio and one day when he had finished planting corn, a Cub airplane buzzed him.

"That's when I got the fever. I knew I had to fly. So I went to Sandusky (Ohio) to take lessons," Ernsberger said.

After receiving his private pilots license he opened "Parks Air Park".

An airport where private pilots and friends could fly in and dine. The park was located in the country outside of Norwalk and one pilot came from Texas to see and dine in the restaurant.

Kate Smith even mentioned the airport on her radio program.

Ernsberger converted a two story house into a restaurant with a seating capacity of 60.

"...I was in such good shape

and the insurance company made me so mad..."

In 1961 he decided to quit flying.

Ernsberger could be classified as a pioneer, in every field he went into.

He sold tractors in 1915, before anyone knew very much about them; sold cars in 1922, when you had to teach the people (who bought the cars) to drive; sold airplanes in 1946-47; and then started selling mobile homes in 1947, when people did not think anyone could live in them.

He has been wintering in Florida for the past 30 years. In 1969 he moved to Avon Park from the coast.

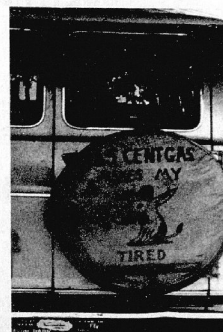

"Living so close to this airport (Avon Park Flying Service) the fever hit me again," Ernsberger said.

Then when his insurance company informed him in 1970, he would have to take a physical before they would reinsure his car, he was furious.

"...I was in such good shape and the insurance company made me so mad. I decided to take a fyers examination for the FAA," said Ernsberger.

He came out classified 2nd class,

which means he has to take a physical every two years.

Park Ernsberger protests the price of gas.

Park Ernsberger celebrated his 84th birthday, April 15, by flying a Cessna 150 at Avon Park Flying Service. He took his

After his physical he proceeded to the airport, where Don Gossick (owner and manager of Avon Park Flying Service), instructed him in a 30 minute lesson on how to fly a Cessna 150.

Then it was off into the wild blue yonder.

"...I flew with Sandy Pierce one time. When we came back down, I could not eat for the rest of the day. She does so many stunts up there and she is a great pilot," Ernsberger said chuckling.

Ernsberger likes to fly at Avon Park Flying Service because the airport is laid out so well and the Gossicks, in his words are "great people."

His motto, "If you take the danger out of something, then it is no fun."

"I'm proud of the fact that I can do things like this at my age. So many people can't," said Ernsberger.

He says he will still be flying ten years from now and invited this reporter to fly with him on his 84th birthday. But I'm afraid I'll have to take a rain check. I like to keep my feet on the ground.

Parks Air Park, owned and operated by Park Ernsberger, was located outside of Norwalk, Ohio. It was an airport where

private pilots could fly in and dine. Ernsberger converted a two story house into a restaurant with a seating capacity

of 60. This picture was taken in 1946, when there were 90 airplanes there at one time.

On The Consumer's Side

If you as a consumer have been misled, deceived, or have questions you need clarified, call the toll free telephone number of the Florida Department of Agriculture, Consumer Services, Tallahassee: 1-800-342-2176.

Question: What is the difference between warranties and guarantees, and the differences between written and implied warranties? I've heard these terms a lot lately and have become curious.

There is no difference-in the case of product warranties.

"Warranty" and "guarantee" mean the same thing, a promise by a manufacturer or a seller to stand behind its product.

But there is a big difference in the kinds of promises you can get, according to the "Magnuson Moss Warranty Act," starting January 1, 1977, warranties on consumer products costing more than \$15 must be available for you to look at before you buy-so you can "compare shop" and get the best warranty.

And the Warranty Act helps after you buy, by making it easier for you to force companies to keep their warranty promises.

There is, however, a big difference between written and implied warranties.

Written Warranties. There are two types of written warranties: Full and Limited. These words have been given special meanings by the Warranty Act. Full Warranty: The label "Full" on a

warranty means all this:

A defective product will be fixed (or replaced) free, including removal and reinstallation if necessary.

It will be fixed (or replaced) free, including removal and reinstallation if necessary.

It will be fixed within a reasonable time after you complain.

You will not have to do anything unreasonable to get warranty service. (Such as ship a piano to the factory.)

The warranty is good for anyone who owns the product during the warranty period.

If the product can't be fixed (or hasn't been after a reasonable number of tries), you get your choice of a new one or your money back.

Limited Warranty: A warranty is "limited" if it gives you anything less than what a full warranty gives. "Limited" means "be careful - something's missing."

For example, a Limited warranty may:

Cover only parts, not labor.

Allow only a pro-rata refund or credit. (You get a smaller refund or credit the longer you had the product.)

Require you to return a heavy product to the store for service.

Cover only the first purchaser.

Charge for handling.

A product can carry more than one written warranty. For example, it can have a Full warranty on part of the

product and a limited warranty on the rest.

Implied Warranties. "Implied warranties" are rights created by state law, not by the company. All states have them.

The most common implied warranty is the "warranty of merchantability."

This means that the seller promises that the product you buy is fit for the ordinary uses of the product. For example, a reclining chair must recline; a toaster must toast. If it doesn't, you have a legal right to get your money back.

Another implied warranty is the "warranty of fitness for a particular purpose."

If you buy a product relying on the seller's advice that it can be used for a special purpose, then this advice may create a warranty.

For example, a seller who suggests a certain sleeping bag for zero degree weather warrants that the sleeping bag will be suitable for zero degrees.

Implied warranties come automatically with every sale, even though they are not written out.

If a seller says nothing about warranties, you get the implied warranties. A seller can usually get out of these warranties by stating-in writing-that it gives no warranty at all ("as is"). But a seller can't give a written warranty and get out of the implied warranties.

Cooking Corner

Mrs. Ray (Jane) Wells, of Highland Lakes, is sharing her recipe of Carmel Corn.

Mrs. Wells has lived in Avon Park most of her life. Her hobbies include macramé, china painting, swimming and the one she loves most, her grandchildren.

Carmel Corn

1 pound box light brown sugar
2 sticks margarine
1/4 cup white Karo
1/4 cup water
1/4 teaspoon salt
1 teaspoon vanilla

Combine all above ingredients and stir over heat till it boils. Then boil 5 minutes. Pop two poppers full of corn-1/4 cup corn each popper. Put popped corn in large baking pan-pour carmel and bake for 45 minutes at 250 degrees. Stir every 15 minutes.

Fix carmel corn to eat while watching your favorite Television program.

Swiss Torte Is Very Special

At holiday time, or for any special day, bake this elegant European-type cake. It may be baked the day before serving.

Swiss Broyage Torte

1 (9-inch) sponge or yellow cake layer
1/4 cup cognac
3 egg whites
1 teaspoon vanilla
1/4 teaspoon cream of tartar
Dash salt
1/4 cup sugar

Sprinkle cake with cognac. Let stand while preparing Broyage layers. Grease and flour 2 cookie sheets. Press rim of 9-inch layer cake pan lightly into flour to make a guide circle on each. Mix together egg whites, vanilla, cream of tartar and salt in large bowl. Beat until soft peaks form when beater is raised. Gradually add 1/4 cup sugar, beating until stiff peaks form. Mix remaining 1/4 cup sugar, cream of tartar and salt. Fold into egg white mixture. Place half in each circle on cookie sheets and spread evenly to within 1/2 inch of circle edges. Bake in a 325° F oven 25 minutes or until sandy colored and dry. Remove from sheet carefully. Cool on rack. To assemble Torte, place 1 Broyage layer on plate. Spread with apricot jam. Top with second Broyage layer. Spread sides of torte with frosting, saving some for rosettes. Press chopped almonds on sides. Decorate top with frosting rosettes. Dust with confectioners sugar. Makes 12 servings.

Alphonso Williams Outstanding Athlete

Avon Park High School distance running star, Alphonso Williams, was chosen the outstanding senior athlete for 1977 by the Red Devil varsity coaches. The slender speedster also was awarded a plaque for outstanding cross country runner and won the 1977 most outstanding track member plaque for his career—record 373 points earned during his years with the Red Devil track team. Williams was the 1977 Class AA mile and 880-yard state champion.

The annual Avon Park athletic all-sports banquet was held at the Avon Park High School cafeteria and auditorium last Friday night, June 3. Awards for the most improved and the best all round athletes in each sport were presented by coaches of the different activities. Parents and friends of the athletes were on hand for the banquet and the awards program.

Athletic director Joe Franzia gave a review of the total Red Devil 1977 sports program after Lew Mundt, Avon Park Athletic Association President, had welcomed the group to the auditorium. Franzia told the Red Devils and their guests that the 1977 Red Devil teams had

participated in 191 contests and had won 129 losing 62 during the current year. The baseball, basketball, and track teams won their respective Class AA district championships and the track squad also won the regional meet. The boys golf team was district runner-up in a non-class district tournament.

Coch John Hunter presented four awards to players from the 1977 football team that set a 6-4 record. Most improved player was Steve Arnold. Best offensive player was Quarterback Mort Jackson. Best defensive player was noseman Melvin Collins. The best all round player was fullback-linebacker Rufus Wilson. Terry Massey was picked as the best all round varsity football player and was presented his award by jayvee head coach Hoppy Rewis. The jayvee were 6-2 this season.

Mrs. Jean Lund, Red Devil cheerleader sponsor, made three awards. Margaret Turnbull was voted the most outstanding varsity cheerleader. Traci Hill won the junior varsity most outstanding award, and Paula Sheffield captured the cheerleader "spirit award" for 1977.

Coach Tom Lund presented the two varsity basketball awards. Dale Sisemore won the most improved player plaque and Anthony Conner was selected to receive the most valuable player award for the season that finished with an 18-11 record and a district championship for the Red Devil cagers. The junior varsity basketball team set a 14-7 record under Coach Allan Dahm who presented Jeff Adams with the best all round award for the year.

Coch Cherri Lee made the two awards for the first year girls basketball team. Debra Cox was selected for the most improved player plaque and Ellen Macklin received the most valuable player award. The girls team set a 2-11 record this year.

Catcher Mort Jackson won the most valuable player trophy for varsity baseball and shortstop Charlie Pough captured the most improved player plaque. Coach Ronnie Jackson's varsity baseball squad set a 21-6 record and won the district title. The Avon Park team had a 14-1 record against Class AA competition with the only loss coming from St. Cloud, the state AA champion.

The Devils defeated Palmetto, the state AA runner-up.

Coch Rewis's junior varsity baseball team set a 16-3 record. Bubba Starling was voted the most valuable player by his teammates. Coach Rewis announced that Tim Cribb had set the best batting average for the jayvees and that David Sisemore and Bubba Starling had been picked as the best offensive players for the 1977 season.

Coch Chet Brojek honored three seniors for their accomplishments in

cross country at A. P. H. S. James Hamilton, Jack Collins and Alphonso Williams were all outstanding on the fall distance running squad. The most valuable runner plaque went to Alphonso Williams for his cross-country running efforts.

Alphonso Williams also won the most valuable track member award and Charles Anderson picked up the most improved track member plaque. Also praised by Brojek for their accomplishments in track were Ken

Burley, who scored a career total of 330 points; David Johns, a junior sprinter; Edward Dorsey, a senior field and track man who scored 208 points during his track career; and senior Reggie Baker, long jump and sprint star. The track team defeated 42 opponents and lost to only 3 this season for the best record in Avon Park history. The three losses all came from Class AAA opponents.

Tennis awards were presented by Coaches Jeannie Cox and Bruce Wyse. Maureen Murphy was selected as the most improved girl player and Delories Cox was chosen as the best all round member of the girls' squad. The girls team set a 9-5 record. Coach Bruce Wyse's boys tennis team finished with an outstanding 10-2 mark. David Epstein won the most improved award and Mike Behal captured the best all round plaque.

Coch Fred Sandlin closed out the award presentation with plaques to two members of his 1977 district runner-up Red Devil golf team. The Devils set a 15-5 record against tough competition and came in a close second in the non-class district tournament played at the Sun 'n Lakes Course this spring. Mark Palmer was the most improved player on the team and Pete DuPriest won the most valuable player award by setting the low average for the season and coming in second in the district meet.

CHEERLEADER AWARDS were earned by (from left): Traci Hill, junior varsity; best all-around; Paula Sheffield, "Spirit" award and Margaret Turnbull, varsity best all-around.

LOADED DOWN WITH awards, Alphonso Williams received the most outstanding senior athlete trophy, cross-country, and track, best all-around.
