

Made up as Clowns, with decorated paper collars and hats, the students of Loretta Ellis' homeroom surprised the children who came to the Kindergarten Open House at Hopewell Elementary School last Friday afternoon. From the left: Joan O'Quinn, Glenda Hartsfield, Amy Goodman and Traci Hilson. Sunphote by Lew Miller.

Stories Retold At School

Last week Loretta Ellis' first graders finished reading a book on the circus. Usually when they finish reading a book they reenact some of the material in the book. The book on circuses was no exception, but in addition they went to see Circus World.

Back at the school last Friday, Mrs. Ellis applied clown make-up to the children's faces. They decorated clown hats and wide paper collars as part of their customs.

In their clown make-up, paper hats and collars, the students toured the Hopewell Elementary School campus at the time next year's kindergarten students were attending the Kindergarten Open House.

Bachner Convicted After 3 Day Trial

The jury just didn't buy Frank Edward Bachner's drug informant story, so the 34-year-old Palm Beach Countian is in Highlands County jail.

Bachner, charged with possession of controlled substance, was convicted at the conclusion of a three-day trial held here May 23-25.

He had been arrested in Palm Beach County on Sept. 28, 1976, charged in connection with the crash landing of a planeload of marijuana near Placid Lakes airstrip.

The plane loaded with approximately a half-ton of the illegal grass went down the night of Sept. 15. United States Customs agents had tracked the plane into the United States and lost it over the Everglades. The afternoon of Sept. 16 the plane was discovered in a pasture southwest of Bair's Den. No one was near the aircraft but sacks of marijuana, valued at $350,000 were.

Bachner, who spent more than four hours on the witness stand in the final day of the trial, said he had been working as an informant for the federal Drug Enforcement Agency (DEA).

The jury received the case late Wednesday, spent less than an hour reaching its guilty verdict.

A few hours after his arrest Sept. 28 Bachner had been bonded out by a West Palm Beach bail bondsman who posted the $100,000 bond. Nine hours later Bachner was returned to jail by the bail bondsman who returned on Oct. 1 and posted a $50,000 bond.

Following his conviction Bachner was jailed, pending the completion of a background investigation. Court sources admit that there is a rumor Bachner wishes to waive the investigation and be sentenced immediately.

In addition to charges here he is facing a violation of parole count in federal court. He has served half of a 10-year prison sentence for smuggling and was free on parole when arrested on the marijuana charge.

Last Sunday the Church of the Nazarene, Avon Park, held its 52nd Anniversary. The church elected (by ballot) a King and Queen to reign over the festivities. From the left are the royal couple and their court: Front row: Crystal Hicks and Melody Schortinghouse. Second Pauline Jackson, Sunny Schortinghouse, Queen Mabel Corwin, King Jim Davidson, Donnie Coffman and John Lighty. Back row is Rev. Byron Schortinghouse.

Church Celebrates 52nd Anniversary

The members and friends of the Avon Park Nazarene church celebrated their 52nd Anniversary of the church Sunday, May, 22nd with services all day.

Morris Spurlock, Elsie Scott and Earl Spurlock gave interesting accounts, summing up the history of the church for these years.

Charles Coffman, the superintendent of the Sunday School, displayed a large graph of the ups and downs of the Sunday School attendance for the 52 years. We were happy to take notice that this graph shows that we are on the up swing. The pastor Rev. Byron Schortinghouse urged that all continue the present up trend.

A message on the "Jubilee,," taken from Leviticus 25:1-10 was delivered by the pastor for the morning worship.

This 50 year Jubilee was part of the law given by God to Moses for the Children of Israel that they might have life and have it more abunddantly. Christians should study and become aware of their heritage.

The Jubilee represents a new beginning and brings to mind the poem.. about opportunity—

"He does me wrong who says I
come no more,
When once I knock and fail to
find you in.

Each day I stand beside your
chamber door and
Knock and bid you rise to fight
and win.

Weep not for precious
moments past away,
Wail not for golden ages on the
wain.
Each night I burn the records
of the day,
Each sunrise every soul is born
again."

Following the morning service a bountiful dinner was enjoyed by everyone.

To add to all of this an old fashioned sing of chorouses and old hymns was conducted by Rev. Earl Spurlock a former pastor.

Solo, "I Ask the Lord", by Nancy Scott.

Trio, "Happiness Is," by Charlotte Scott, Melody Schortinghouse, and Lisa Hicks.

"Take it to the Lord in Prayer" by the men's group: — Wayne Noaker, Jack Purcell, Charles Coffman, Byron Schortinghouse, John Lighty, Earl Spurlock, Jim Davidson, Russell Scott and Marvin Gerstenberger.

Quartet, "I'm so Glad I'm a part of the Family of God" by John Lighty, Sunny Schortinghouse, Nancy Scott and Byron Schortinghouse.

Presiding over all of the days festivities was the Royal Family, "King David" — Jim Davidson; "Queen Mabel" Mabel Corwin, and their attendants which made up the Kings Court.

An Old Fashioned Country Church Service at night with candles, oil lamps and the windows open brought this wonderful yearly celebration to a close with the following message by the pastor, Isaiah 27:6, "He shall cause them that come of Jacob to take root."

Special Worker Builds Up Bus Attendance At Church

The pastor is happy to announce that the Church of God at 105 North Florida Avenue has 3 wonderful teams of workers who visit each Saturday to build up the bus attendance.

They gather early Sunday a.m. also to mount their stations as Drivers, Captains, Stewards or Stewardesses and invoke God's blessings on this Special Ministry.

The workers were born out of the ALTAR services and live a life of self-denial and share in the manifold blessings and out pourings of the Spirit of God.

Children's Church

The Staff of the Children's church are being blessed of God as they see the results of their labors.

They are very proud of the "little jewels" who are being polished and shined in anticipation of our LORD's soon return!

They have an able and anointed staff of dedicated workers who minister each Sunday at 10:45 during the morning worship service.

They are training the children how to conduct services, sing, give generously to God and use puppeteers, blackboard sketches, flannelgraph stories, live skits, etc.

They serve refreshments and sometimes have an incentive to award those who bring the most visitors with a special recognition or reward.

The children's chapel is air conditioned and has an ample PA system. Plans are on the "drawing boaard" to expand the Church and her many outreaches.

S.A.F.E. NEWS - The Senior Adult Fellowship Endeavor members meet at the Hillcrest Nursing Home every other Sunday to minister the word, songs and prayer for the needy elderly shut-ins.

They are looking forward to purchasing a new S.A.F.E. bus to accommodate the elderly with special-low-built-steps and a bar for easy access on and off the vehicle.

Some of the members are already active in the church visitation and bus ministry programs.

The Rev. Don Staten, retired and former pastor of this local congregation, is the Chaplain of this outreach.

Vurnis Selph, good-will ambassador for this organization, also ministers as well as visits the shut-ins, hospitals and homes in the area.

Annie Merle Gilliard and Ruth Harvey have also ministered to those precious souls confined there . . . as well as other guest speakers as the need arises.

Pastor Searcy is a regular speaker at various intervals as he is available. They have special songs and a part of the choir accompany them to bless the hearts of the listeners.

Ruby Scott Landress is the Director of this group. Addie Barefield Bryant is assistant and Viola Staten is Secretary.

Pray for this outreach and their need of a new bus for this work.

Ladies Auxiliary — The Ladies Auxiliary of the Church of God on Fla. Ave. is sponsoring many worthwhile projects and have several workers who are selling practical and useful items for use in the home etc.

They meet every second Tues. at 7:30 p.m. in the Fellowship Hall unless another event pre-empts their activities

Men's Fellowship — The M.F. sponsor a Tape Ministry and other outreaches.

Vurnis Selph, Secy is in charge of this endeavor. Services and choir music and specials are taped to share Christ with shut-ins, or anyone who wishes to purchase them at $3 each.

Sunday School — Superintendent Roy Smith welcomes all to attend a going and growing church.

If you do not have a regular church home, why don't you give this CHARAISMATIC church a try?

Are you acquainted with the work of the Holy Spirit? He is a welcomed teacher, guide, comforter, reprover, and testifier as He Exealts Jesus Christ.

We have an able and anointed staff of teachers and officers who minister each week.

We have full nursery facilities for all services and mothers who take care of your little ones (up to 3 years old) so that you can more fully enjoy the services.

P.F.C.'s — The Pioneers for Christ have special services each Saturday at 7:30 p.m. in the church. The P.F.C.'s are a group of young people who come from various areas in the nearby communities and share what they have expefienced.

THE CHURCH CAN BE A BRIDGE AS WELL AS A BUILDING

Is there a generation gap at your house? Have the lines of communication and understanding between parent and child fallen into a deep chasm of selfishness, intolerance and mutual mistrust? Take your family to Church and let them all listen to the word of God, who sent His only Son to preach the gospel of faith and love to young and old alike, so that both may better understand the meaning and purpose of life. When family needs replace individual desires, your faith will provide answers that will benefit all. Let your Church span the gap of discord with a bridge of love.

"And, ye fathers, provoke not your children to wrath, but bring them up in the nurture and admonition of the Lord."
- Ephesians 6:4

The family that prays together stays together.

Effective July 1

Centers Need Permit

Effective July 1 all day care centers operating in Florida must be licensed. The local staff of Health and Rehabilitative Services (HRS) is beginning now to plan for the licensing inspections which will need to be made at each facility which provides care, for even part of a day, to five or more children outside the operator's family.

The Highlands staff of HRS does not know yet how big the licensing job in this county may be but believes at least a dozen centers may be in operation, "and it may be double that number," Mrs. Virginia Fisher, supervisor with HRS's social and economic services program office, said.

Frances Clay, day care consultant for HRS District Eight which includes Highlands County, has emphasized that the new licensing procedures are aimed at protection the child receiving care, the parents and center operators.

"To the child away from home , a licensed center insures certain minimum standards necessary for continued growth and development.

"A licensed center saves the parent time and effort by identifying centers which have met minimum standards. With the assurance that a licensed center provides services essential to the child's growth the parent may avoid error in placing the child," Mrs. Clay said.

The state law governing licensing provides that provisional licenses may be issued to applicants unable to meet all the necessary requirements but making efforts to correct any deficiencies. Suchn a license will be valid no longer than one year and shall not be renewed.

Child care facilities affiliated with church or parochial schools and meeting the standards of health and safety required by the institution may be exempt from the licensing requirement. However, such facilities must meet the minimum standards of health, sanitation, safety as required by other bodies such as the health department and local fire departments.

These exempted facilities may,m if they wish, be included in the HRS licensing. Those who elect to seek a state license must continue to be licensed.

Mrs. Fisher urged any persons who have questions about the day care licensing and those whose day care programs may be covered by the state law to contact her at the HRS office at 534 S. Commerce St., Sebring, 385-6194.

Post Office Seeks Help During Improvement Week

"Mailbox Improvement Week", a traditional spring observance, which contributes to improve security and appearance of the nation's nearly 24 million mailboxes, will be held this week, Postmaster Robert D. Young said .

Held annually, this event has served as the starting signal for community efforts to repair, repaint, and make other improvements to the nation's approximately 24 million rural, curbline, and star route mailboxes, approximately 5,400 of which are served by the Avon Park Post Office.

Postmasters in many communities around the country have led civic groups, the press and municipal government in the Spring campaign to "spruce up" the mail receptacles often damaged by severe winter weather.

"Because more Americans received mail today on rural routes than ever before, Mailbox Improvement Week is more important than when first observed generations ago in rural areas in small communities," Young said.

Postal Service rural carriers service approximately 13.5 million families along some 32,480 rural routes.

Rural mail service began in 1896. In those days, many makeshift receptacles were used as mailboxes. One favorite was a tin can nailed to a tree. Today, manufacturers provide a variety of modern mailbox designs for use with decorative posts in co-operation with the Postal Service.

"Customers who prefer other designs than the traditional mailbox may check with me for a list of manfacturers making approved optional designs," Young said. "I'm also authorized to approve custom-made mailboxes when they comply with postal regulations".

New Lions Tell What Club Means To Them

The main topic of discussion at the Lions Club meeting last Tuesday evening was making preparations and arrangements for the 25th Anniversary Celebration of the Avon Park Lions Club to be held at the Avon Park Elementary School, on West Winthrop Street, Saturday evening, May 28.

The Rev. Ben Williamston gave a short talk on Lions activities from all parts of the world.

Also three of our newest members, Bill Phillips, Tom Watkins and Keith Albritton told about what Lionism has meant to them since they became members. They expressed much interest in the widespread services the Lions rendered for people in distress.

The main purpose of the Lions is sight conservation, but they do not hesitate to give help and relief to many other worthwhile causes.

The members of the Lions Club would like to encourage all young men, and also men who are not so young any more, to check with them about joining this international organization.

Or better yet, visit our Club on West Bell Street on meeting nights. We meet on the first and third Tuesday evenings every month at 7 o'clock. Visitors are always welcome.

Indians Spare Tin Cans

The average person in India uses only 10 cans a year.

That compares with 411 cans for each American in the same period, says the Continental Can Co.

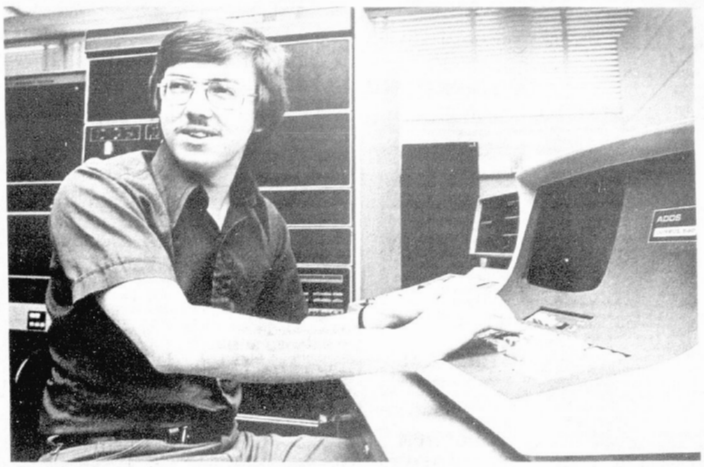

Women's Defense Seminar

A Self-defense seminar for women is to be held at the Sebring Civic Center beginning July 21 at 7:30 p.m. The classes will be 1½ hours long for four consecutive Thursday nights.

The class will be taught by Sgt. Joe Canoy, crime prevention officer, and Patrolman Bob Byers of the Sebring Police Department. The techniques used will be a combination of karate, judo and jiu-ji-tsu. The seminar is open to anyone interested, however, young ladies under age 18 must be accompanied by their mothers or guardians.

The seminar is free of charge and is co-sponsored by the Sebring Junior Woman's Club and the Sebring Police Department, Craig Graybill, chief.

Persons interested in attending may telephone or stop by the Sebring Police Department for registration forms.

DAN DAVIS, WHO graduates in June from the University of Florida, says he owes a lot to his high school science teacher who encouraged him to study. Davis, son of Dr. Dan Davis, Highlands County Superintendent of Schools, has won a National Science Foundation fellowship for graduate study.

Local Student Is Hailed As A Computer "Whiz Kid"

Five years ago when Dan Davis was a student at Avon Park High School his science teacher would open the classroom at 6:30 a.m., so the youngster could use the school's computer.

Now Davis is graduating from the University of Florida at age 20, an honors student and recipient of a prestigious National Science Foundation fellowship, and says teacher Frank Burns is a major reason for his success.

"Mr. Burns used to come in early every day and let me use the computer," Davis says, "and he encouraged everything I did. Whenever I wanted to get into some new area he always tried to help me along. I owe him a lot."

Burns, 68, now retired and living in Sebring, remembers the early morning sessions and still keeps in touch with his former student.

"Dan came over to see me soon after he was awarded the fellowship," Burns explains, "and I wasn't surprised to learn he was going on to get a Ph. D. In 36 years of teaching he was one of the top students I had. The real satisfaction of teaching is seeing your students go on like Dan has."

Davis is the son of Highlands County school Supt. Dan T. Davis of 1104 Lakeview Drive, Avon Park.

While a student at the UF, Davis worked with engineering professor Richard Leavenworth on a research project for the General Electric Corp. developing a computer simulation system for quality control in manufacturing. Davis, an engineering major, intends to combine the skills of an industrial engineer with business techniques to improve industrial efficiency and productivity. He will enter Stanford University in California next fall to continue his studies in both areas.

"It's a relatively new field combining both business and engineering to give workers the best conditions on the job and improve their productivity," he said.

Davis also is involved with other students in a project to develop a computer controlled warehouse system and hopes to have much of the preliminary work completed before he graduates on June 11.

Honors

Navy Tradesman First Class Roy G. Futch, son of Mr. and Mrs. William R. Futch of P. O. Box 301, Avon Park, has been selected as the Enlisted Member of the Quarter for the Naval Technicial Training Center, Corry Station, Pensacola, Fla.

Futch was chosen from among all the enlisted personnel assigned to the command, and was cited for his outstanding performance of duty, proficiency, leadership, initiative and military bearing during the first quarter of 1977.

He joined the Navy in July 1958.

Penny Company Boosts Economy

Stanley J. Putman, regional vice president of J. C. Penney Company, Inc., announced this week that the company contributed more than $166.6 million to Florida's economy in 1976.

Purchases from state manufacturers accounted for $62.1 million in merchandise which was distributed nationally throughout the company's 1,989 JC Penney, The Treasury, and Thrift Drug stores, plus the JC Penney Catalog, he said.

Combined payrolls in Florida amounted to more than $51 million, going approximately 16,300 full- and part-time associates during the year. The company employed 183,000 nationally and overseas at year-end.

Putman said the company paid about $3.1 million in various state taxes to Florida during the year. "Additionally, our retail stores collected many millions of dollars in sales taxes for state and local governments," he said.

"Florida has been very important to our company throughout the years. While JCPenney celebrates its 75th Anniversary in 1977, our oldest existing store in the state opened in 1928 at Lake City, and we have always tried to operate in a manner benefiting our Florida customers," he added.

At year-end, JCPenney operated 73 stores and support units in the state. Included are 43 JCPenney department stores, 4 The Treasury family stores, 4 Treasury Drug Centers, 4 supermarkets, and 18 other facilities and offices.

Putman said 3,200 Florida residents are stockholders in the company. One of the largest general retailers in the nation, JCPenney achieved $8.3 billion in sales last year.

Candy Apples Are A Treat

Mrs. Mervin (Katie) Rehrer, 219 E. Camphor St., is going to share her recipe for candied apples with our readers.

Mrs. Rehrer has lived in Avon Park 21 years and is a homemaker.

Her hobbies include sewing, playing golf and swimming.

Candied Apples

2 Tbs. light Karo Syrup
4 cup water
½ cup sugar
Pinch of cream of tattar
Food coloring

Tips: Use clean utensils, make sure apples are room temperature, if you wash the apples make sure you do it the day before (so they are not wet), grease the tray where you will sit apples. If it is a rainy day do not make them (the candy does not stick).

Put sticks in apples before you start the candy. Put water and syrup in a big pot and bring to a boil. Add sugar, tartar and coloring, stir and bring to a boil. Do not stir after it comes to a boil. Put in candy thermometer and cook on medium high heat until 300 degrees and remove from heat.

While cooking brush around the side of pot with a wet brush. Dip apples and put on tray, let sit until cool. Then wrap in plastic wrap (this comes off easy). Do not let sides of the apples touch on the tray.

These Sticky Goodies Are Not As Hard To Make As You May Imagine. Mrs. Rehrer Tells You How.

Tasty Desserts Easily Made With Rich Condensed Milk

Golden good times in the kitchen are ahead when you try these recipes using one of the earliest convenience foods, condensed milk, introduced to the public way back in 1853. You may choose from no-bake cheesecake, miniature peachy cheesecakes and crunchy apricot bars.

NO-BAKE CHEESECAKE

½ cup butter or margarine
1½ cups graham cracker crumbs
One-third cup sugar
1 (30-oz.) can apricot halves, drained (reserve syrup)
1 envelope unflavored gelatine
2 (8-oz.) packages cream cheese, softened
1 (14-oz.) can sweetened condensed milk
2 tbsps. lemon juice
1 (4½-oz.) container frozen non-dairy whipped topping, thawed
2 tsps. cornstarch

In small saucepan, melt butter; stir in crumbs and sugar. Reserving two tablespoons for garnish, press crumbs in bottom of nine-inch springform pan or 13x9-inch baking pan. Chill.

In small saucepan, combine ½ cup reserved syrup and gelatine; stir over low heat until gelatine dissolves. Slice four or five apricot halves for garnish; reserve. Blend remaining apricots in blender until smooth; combine with gelatine mixture and set aside.

In large bowl, beat cream cheese until fluffy; gradually beat in sweetened condensed milk and lemon juice; stir in apricot mixture. Fold in whipped topping; turn into prepared pan.

Garnish with apricot slices. To make glaze, cook and stir cornstarch with ¾ cup reserved syrup until thick and clear. Cool.

Spoon evenly over top of cake. Garnish with reserved crumbs. Chill three hours. Refrigerate leftovers.

MINI PEACHY CHEESECAKES

24 vanilla wafers
2 (8-oz.) packages cream cheese, softened
1 (14-oz.) can sweetened condensed milk
3 eggs, separated
¼ cup lemon juice
¼ tsp. salt
1½ cups peach preserves

Preheat oven to 275 degrees. Place paper liners in muffin tins; place one whole vanilla wafer in each section and set aside. In large mixer bowl, beat cream cheese until fluffy; add sweetened condensed milk and egg yolks, beating until smooth.

Stir in lemon juice; set aside. Beat egg whites with salt to soft peaks; fold into sweetened condensed milk mixture and turn into prepared muffin tins, filling each to about ¼-inch from top of paper liner.

Bake 20 to 25 minutes or until cheesecakes spring back when lightly touched. Cool in muffin tins. Remove; chill. Top each cake with two teaspoons preserves before serving.

Garnish with mint leaves, if desired. Refrigerate leftovers. Makes 24.

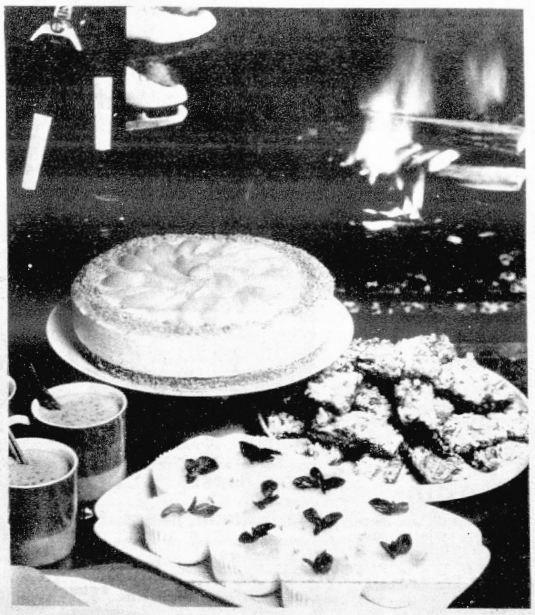

Tip: If desired, paper liners may be removed before topping with preserves.

CRUNCHY APRICOT BARS

½ cup butter or margarine
1½ cups graham cracker crumbs
1 (6-oz.) package dried apricot, chopped (1¼ cups)
1 (14-oz.) can sweetened condensed milk
1 (3½-oz.) can flaked coconut
½ cup coarsely chopped walnuts

Preheat oven to 350 degrees. In 13x9-inch baking pan, melt butter; sprinkle crumbs and apricots evenly over butter. Pour sweetened condensed milk evenly over crumbs. Top with coconut and nuts; press down gently.

Bake 25 to 30 minutes or until lightly browned. Cool thoroughly before cutting. Loosely cover any leftovers. Makes 24 bars.

TEMPTING TREATS SUCH as these enticing goodies are made with condensed milk, forerunner of today's convenience foods. No-bake cheesecake, mini peachy cheesecakes and crunchy apricot bars can be made ahead and refrigerated.

Purchaser May Be Prospective Burglar

The American consumer is becoming more "home security" minded — particularly when selling or buying a residence.

The increased concern is justified in view of statistics that show an ominous rise in the frequency of home burglaries. And many of those "rip-off happenings" occur when the property is on the market, when a steady flow of prospective buyers (or prospective burglars) inspect every nook and corner.

Special precautions are now being taken by owners and brokers to prevent such happenings. For example, prospective buyers are being qualified and screened more carefully before given an on-site inspection of the property.

Some consumers have expressed particular concern about the security of their home when listed through a community Multiple Listing Service (MLS) as reported in a recent column. Our follow-up investigation revealed that some alert MLS groups are meeting that problem head-on, with positive action.

"Sure, some of our MLS members sometimes forget to secure a lock-box on a listed home, but we're taking steps to correct that situation," said Norman E. La Selle, executive vice president of the Denver Board of Realtors.

The Denver Board has launched a "member education" program to help reduce home burglaries within their inventory of MLS listings.

The San Fernando Valley (Calif.) MLS, the nation's largest, has gone a step farther. They have set up a "Security Sub-committee" of MLS members who work directly with local law enforcement officials in implementing strategic projects to deter home burglaries.

"This is a very active and effective sub-committee, and their objective of cutting down home burglaries is being achieved," said James Link, MLS coordinator for the San Fernando Valley Board of Realtors.

Home owners who still feel that listing their home through their local MLS might pose too great a security risk now have another option, in many communities. They may list their home with a selected MLS-member realtor and sign a "waiver form" that permits the property to by-pass MLS processing.

The intense security-consciousness of today's consumer is also evident when he seeks out a new family home. If a home offers a high "security rating" by virtue of its location, proximity to neighbors, illumination or security alarm system, its salability is greatly enhanced.

Decore Score

Platform Bed An Offbeat Sleeping Area

Q. We have moved into a condominium which we'll use for a vacation house in warm weather and keep a small city apartment for when we're in town.

I'd like something casual and contemporary in our bedroom and yet very practical so I need not have too much upkeep. I was thinking about something dramatic like a bed platform.

What would you suggest? — T. P. L.

A. You might like an architectural design by Ari Bahat which features a carpeted sleeping platform. Wall-to-wall carpet of ribbed texture in a mahogany hue sweeps dramatically across the floor, steps and wall of a two-level bedroom.

Space is maximized with a mirrored wall visually expanding the view.

White beams and vertical shades framing a dark brown painted ceiling call attention to the drama of the room.

Below a built-in chest of drawers provides easy access to wardrobe without wasting an inch of space. Tufted Anso-X nylon carpeting designed for commercial use by Hollytex imparts comfort underfoot while acting as an acoustical insulator on the bedroom wall.

Egyptian-inspired sheets and pillow cases in rusty orange and blue add color to the room.

Q. I have an older home and am redoing the master bedroom. I have a king-size bed and a chaise. I need to buy a bedspread and recover the chaise as well as curtain the windows.

I'd like a bold decorating scheme but I am a little timid about where to start. The floor is medium-toned wood and the walls need painting. What should I use at the windows?

I would like an unusual color scheme. — S. P.

A. I recently saw a marvelous sheet, comforter and fabric combination in red, green and blue modified stripes in bold hues on a white background. It was superdramatic. Why not try something like this for your sheets and buy a comforter rather than a bedspread for a change? Buy extra fabric and concoct a fabric canopy if you like. Use the fabric, too, for curtains.

I'd consider painting three walls white and one red (probably the bed wall).

For the floor why not straw rugs that look lacey on a wood floor?

Use sheeting or comforters to upholster the chaise in the matching fabric pattern. A section of sheet or yardage if available can skirt a table, too.

UNCONVENTIONAL SLEEPING IS what's provided in this contemporary, two-level master bedroom. Mahogany brown nylon carpeting designed for commercial use streaches across both levels and stairs and surrounds built-in storage. Mirrored wall on right reflects the mattress.

Apartment Modes

Bedroom To Den

How do you turn a spare bedroom into a den that can double as a guest room when visitors come calling?

Apartment families find this to be a puzzling problem because they rarely have the luxury of a lot of room. But that doesn't mean the second bedroom has to be plain and practical. You can have a lot of fun giving it a special personality you and your guests will enjoy.

While the most obvious solution to the sleeping-sitting problem is a hide-a-bed couch, the budget-minded might try a normal single bed "upholstered" with an interesting geometric pattern.

Upholstered is in quotes because it's really a slipcover that touches the floor and turns that bed into a soft, comfy sofa.

Using that same material, you can make an interesting headboard treatment by gluing the fabric ceiling-high up the wall behind the sofa. The fabric should be as wide as the bed is long to give it a regal, dramatic effect. Using that fabric and other complementary patterns and colors (mix yellow with brown, greys with reds) make yourself throw pillows to take the place of a cushion or bolster.

Finally, use the same basic fabric — it's on the wall and on the bed as a slipcover — for curtains and a window valance and sash. This gives you the coordinated, custom look you see in the pages of House Beautiful and Better Homes and Gardens.

All of the fabrics are comparatively inexpensive.

Next, every sofa needs a coffee table. But you need a conversation piece. Why not try an old drum, laid on its side? They're easy to find at secondhand stores, garage sales hosted by musicians or in the crowded back rooms of music stores. Remember, a drum damaged on one side can still serve your purposes and you should be able to pick it up for a song.

For light, you can make an inexpensive hanging lamp that looks just like those fancy, fashionable fixtures so popular in New York, Chicago and Los Angeles "in" restaurants.

It's nothing more than a light socket and a long cord. Run it up the wall, across the ceiling and drop it down five feet from the floor. Then put a green metal shade over it and you've got a speakeasy or saloon light that's perfect for reading in bed or just brightening up the room.

Keep your nostalgia theme going, not with costly antiques, but with cover pages of old sheet music framed and hung in clusters of four on either side of the fabric headboard.

Putterin' Pete

MAKE A SPECIAL BOX TO WASH GARDEN VEGETABLES BEFORE TAKING THEM INTO THE HOUSE. NAIL SOME BOARDS TOGETHER TO FORM SIDES OF A SHALLOW, RECTANGULAR BOX. ADD HEAVY HARDWARE CLOTH TO THE BOTTOM AND SUPPORT THE BOX ON LOW LEGS. TO WASH THE VEGETABLES, RUN WATER OVER THEM.

Nursing Home For Highlands

A thumbs up for a new nursing home and a thumbs down for a home health care service are the recommendations facing the executive committee of South Central Florida Health Systems Council Inc.

These recommendations are being placed before the regional planning agency by the health systems' project review committee and are based on findings which included two public hearings on May 9.

At a hearing in Arcadia testimony was received on a proposal for establishing a home health care agency to serve Medicare patients in Highlands, Hardee, DeSoto, Hendry and Glades counties. The agency to be based in Arcadia proposed to offer services to Medicare patients only.

The parent company, South Central Florida Home Care Service Inc.,is linked to an Indiana company.

When the project review committee met May 11 it recommended that this company's application for a statement of need be denied. The statement of need is a step toward a home health service being approved to receive Medicare money.

The project review committee voted to recommend that health systems executive committee pass on with approval an application for a new nursing home, Sebring Care Center.

This project, which involves construction of new facilities, must go on to state level for its final approval. The new nursing home would be a joint venture between Cather Industries of Altemonte Springs and Witt and Jackette Construction Co. of West Des Moines, Iowa.

The proposal is for building a 100-bed facility with 70 per cent of its beds designated for intermediate care (persons who cannot manage without some daily helps but not ill enough for hospital care.) The intermediate care is further divided into 20 beds for relatively small amounts of individual care and 50 beds for a higher degree of care. Thirty beds would be for those persons in need for skilled nursing.

Testimony on this proposal was received at a public hearing at the Highlands County Agri-Civic Center.

If the health systems executive committee does recommend a certificate of need for Sebring Care Center then the office of Community Medical Facilities of Florida Department of Health and Rehabilitative Services (HRS) will make the final decision on construction.

Procedures require that construction be commenced with a year. The site proposed for the nursing home would be on Kenilworth Blvd. at the foot of Persimmon Street (just east of the K-Mart site).

Bonnie Brae Mobile Home Park Notes

By Margie Wells

Bonnie Brae was deeply saddened on Friday evening by the sudden death of one of its most loved residents, Harold Burke. Harold had been in the hospital but his death was unexpected. Harold's wife, Kathryn, died just 12 days ago after a long illness. Harold always had a kind word for everyone and all the people in Bonnie Brae had only good things to say about him. We will all miss his friendly chats and seeing him as he rode on his bicycle around the park every evening.

Ellen Hunt returned on Wednesday after visiting with Mr. and Mrs. D. Ritchey near Port Charlotte and with Mr. and Mrs. Frank Duquenne in Fort Myers.

Word has been received that Jerry Brophy, former manager of Bonnie Brae, suffered a heart attack on April 23rd and has had several more since then. He is hospitalized at Bay Pines Veterans Hospital in St. Petersburg.

Ann Lockwood and Thelma Miller played their last game of pinochle for the season at the Weirmans on Friday evening. Mary and Cedric left on Monday for New York for a visit.

We all wish Paddy Lizotte a very happy birthday. Paddy will be celebrating his 82nd birthday on Thursday.

Mr. and Mrs. Yount from Louisville, Ky., are visiting here and are staying in their travel trailer on the strip. They may be staying with us next winter and it will be nice to have some more "fellow Kentuckians."

The "Mermaids of Bonnie Brae" are performing every afternoon and are having a lot of fun. Anyone wishing to join them be ready to leave at 1 p.m. any day of the week.

This week marks the end of our coffee hour for the season. These get-togethers have been so much fun and we will all be glad when they can be resumed. However we understand there are to be some coffee hours held on the porches of some of our residents during the summer.

We hope everyone will have a nice Memorial Day holiday and if you plan to be on the highway, please drive safely!

Brownies Are Advanced During Fly-Up

Tuesday evening, May 17, many Girl Scouts, their parents and friends attended the annual Fly-up ceremony held at the Elementary School cafeteria.

The invocation was given by the Rev. Thomas H. Holmes.

The Flag ceremony followed, led by scouts of Junior Troop 249.

Carol Chaney was "Scout in Charge", the Color Bearer was Tisa Carper, and Color Guards were Vivian Fish, Tracy Swanton, Althea Howard, and Jessica Lewis. Brownies present sang the "Brownie Smile Song", led by Mrs. Margaret Goeringer, Field Director.

Mrs. Dee Fish, Fly-up Chairman, read the names of Brownie Scouts flying up to Junior level.

As each name was read the Brownie was presented wings and then crossed the little wooden bridge and was welcomed with the "Girl Scout Handshake" by a Junior Scout who then placed the Scout Pin on the uniform of the new Junior member. Scouts doing the welcoming were from Junior Troops 49 and 249.

Brownie leaders presenting the wings were Mrs. Barbara Smith and Mrs. Rebecca Johnson. Flying up from Brownie Troop 140 was Alice Woodard; from Brownie Troop 143 were Michelle Brooks, Kim Collins, Artarasha Collins, Sheira Ishmael, Tanya Hipps, Anna Rich, Betty Shields, Carla Starling, Gentra Taylor, Elizabeth Touchton, Tammy Warner and Connie Williams; from Brownie Troop 362 were Alexis Croft, Melody Schortinghouse, Angela Smith, and Christine Wlodyga; from Brownie Troop 372 were Angela Carter, Chari Currin, and Anita Hicks.

Juniors flying up to Cadette level were: from Troop 49 Stephanie Henly and Sheryl Parries; from Troop 249 were Yolanda Ashe, Carol Chaney, Althea Howard, Jessica Lewis, Falicia Roth, and Alicia Thomas.

As there were no Cadettes present, Mrs. Goeringer welcomed these girls and presented each with a cockade.

Mrs. Goeringer then showed slides of Camp Wildwood and told of the summer camps being held there and how to register for them.

Then forms for registering for scouting in the 1977-78 year were passed out and most parents filled them out and turned them in.

Parents were asked to register at this time so those in charge will be better able to plan for this coming year. Call 453-6265 for information.

Mrs. Bob Barker and Miss Pat Meneely, leaders of Junior Troop 49, were in charge of the refreshments which were served at the end of the ceremony.
