Mrs. Dressel Is President Of Cancer Unit

Mrs. Dressel

Mrs. Gary Dressel, of Avon Park, has been elected to her first full term as president of Highlands County Unit, American Cancer Society. She assumed the presidency of the local unit in February upon the resignation of Dr. Michael Wesson.

Other officers elevated at a meeting of the board of directors at Highlands General Hospital and Rev. Eugene Fernsler, first vice president; W. Ralph Dilling, second vice president; John Marshall, treasurer; Ida Dorman, secretary, and Dr. H. Frederick Keiber, medical advisor.

Chairmen appointed by the board include: Professional education, Mrs. Barbara Kurtz; public education, Rev. Fernsler; public information, Dilling; Crusade, Mrs. H. W. Keyes; Crusade - Lake Placid, Mrs. Malcolm Watters, Jr.; Crusade Advisory, Mrs. Marvin Kahn; business and finance, Marshall; Legacy, Att. Marshall Simons, and memorials, Mrs. Michael Wesson.

Service chairmen for the three major areas of the county are Mrs. Dressel, Avon Park, Mrs. Watters, Lake Placid, and Mrs. S. C. Spencer, Sebring.

Honorary life members are Mrs. Lillian Bannerman, Mrs. Kahn and Cosimo Martinetto. Other members of the board are Chaplain Harry J. Bennett, Mrs. Helen Reed, Mrs. Alice Belcher and Mrs. Dawn Dasigneau.

A preliminary report was given on the 1977 Cancer Crusade, listing a total of $9,315 received to date. Of that total, Sebring residential accounts for $3,625, and Lake Placid residential, $2,524.08. A complete report will not be available until mid-August.

Handicapped Programs Increase Here

Large increases in programs for the handicapped highlighted reports presented at the annual meeting of Ridge Area Association for Retarded Citizens.

Enrollment in the Developmental Training Program (DTP) for very young handicapped persons has soared 300 per cent in the past year and wages paid to workshop workers have risen almost that sharply, according to a report presented by John Carlin, program coordinator for Ridge Association (RAARC).

Carlin and the association executive director John Murren said retarded adults in the workshop have improved their productivity and the obtaining of new contracts for work have enabled the association to boost wages from $2 or $3 per week to $25 to $35.

The DTP enrollment jumped to 18 students, some as young as 18 months.

A pre-vocational program has been launched for the retarded adults who are not yet able to participate in a work program. At this time seven adults, ranging in age from 19 to 37, are enrolled. A similar program has been started, under Ridge Area and Hardee County commission sponsorship, at Wauchula. That program has 10 participants ranging from 21 to 60 years.

The workshop, which includes both Highlands and Hardee participants, has 28 workers.

The Ridge Association has expanded its retardation prevention activities with a committee headed by Mary Ellen (Mrs. G. Franklyn) Ward as its chairman.

Happy Times Club, the recreational group for retarded adults, has voted to sponsor organization of an educational group for their parents.

The Ridge Area annual meeting included election of officers and directors. The nominating committee report was presented by Ann (Mrs. Charles) Reynolds.

Don Waldron of Sebring was elected president of the association. He succeeds Lynn MacNeill of Avon Park.

Other officers are Ann (Mrs. William) Murphy of Sebring, first vice president; Dr. Ronald Sevigny of Avon Park, second vice president; Mrs. Helen Bogus of Lake Placid, secretary; Pat V. Chambliss of Sebring, treasurer.

Directors elected for three-year terms are Corrine Liggins of Sebring, Lorraine Howard of Fort Meade, Eileen Martin of Avon Park, Nancy Thomas of Sebring, Dawn Schommer of Lake Placid, Suzanne Dalton of Sebring, and Melvin Barlaug of Lake Placid.

Directors chosen to fill vacancies are Mike Metz of Sebring, Mary Ellen Ward of Avon Park and Steve Jones of Sebring.

Juvenile Court News

During the last week of May Highlands County Juvenile Court held two court sessions, handling in all, charges against 12 youths and half that number of dependency cases.

In one case the juvenile was found to be ungovernable. Custody was given to the state and the parents ordered to pay $60 a month toward care of the child.

Larceny cases cropped up most frequently among the criminal charges in the two court sessions. One grand larceny charge was dismissed.

One violation of probation and petit larceny defendant was again placed on probation, ordered to pay restitution, and supervision was transferred to Hardee County.

In one burglary and petit larceny case the disposition was deferred pending completion of a report by Children and Youth Services (CYS).

A juvenile charged with burglary and petit larceny, was released to custody of a designated adult pending disposition of the case. The juvenile has pleaded guilty on both criminal counts. One violation of probation and petit larceny case was continued and one burglary case was nolle prosequed by the state attorney.

Two cases of a minor possessing alcohol were nolle prosequed. In one of these the youth pleaded nolo contendere to possession of controlled substance and was adjudged delinquent. He was ordered to study a criminal law booklet. Final disposition of this case will be in Palm Beach County. In the other case, adjudication was withheld, the youth placed on probation, ordered to study the criminal law booklet.

A youth who had pleaded not guilty to attempted burglary was found guilty of trespass. Disposition was deferred pending completion of a report from CYS.

One youth charged on three counts — driving without a license, driving without a license plate and fleeing to elude an officer — pleaded guilty to all counts. Adjudication was withheld; the youth placed on probation, ordered to work five hours on a civil project, to study a criminal law booklet and to attend defensive driving school.

One juvenile booked for violation of probation was adjudged delinquent and committed to CYS for placement in a state institution.

A youth charged with violation of probation nd driving while intoxicated waived his right as a juvenile and asked to be tried in adult court. The violation of probation count was withdrawn.

In the dependency hearings the court ordered the child to be placed for adoption. In another case the mother said she had no objection to the state having custody of the child.

In another dependency hearing custody of the children was given to the state, and in one the children were found dependent and custody given to a designated adult. One case ended with the child found no longer dependent and custody returned to the mother. One dependency hearing was continued.

Charged In Crash

David Authur Wilcox of Sebring faces three charges following a hit and run traffic accident May 30.

The Florida Highway Patrol said Wilcox was backing up in the Ridge Home Improvement Center parking lot in Avon Park in a reckless manner. His right front door, which was opened, was torn off when it hit an improperly parked car owned by James E. Lee of Avon Park.

After the collision, Wilcox reportedly fled the scene, and crossing the northbound lanes of U.S. 27, driving through the median to the southbound lanes, then proceeding south at an excessive speed.

An hour later, at 10:38 p.m. Sgt. Doug Tuck of the Highlands County Sheriff's Department located Wilcox at his residence. His car, which was parked in the garage, had the front door temporarily replaced. Tuck then took Wilcox to the county jail, where FHP investigator Trooper C. J. Hart was called in to make charges.

Hart charged Wilcox with willful and wanton reckless driving, leaving the scene of an accident involving property damage, and driving while license revoked.

Adcock Resigns Post

Joe Adcock, alcoholism specialist with Tri-County Mental Health program, has resigned his work here to return to school. Adcock will be working for a Ph. D. in public health administration, studying at University of Mississippi. He took his undergraduate work at Anderson (Ind.) College and earned his Master's at University of South Florida.

Patricia Furnival, director of the Tri-County Mental Health program, said advertising has commenced to find a replacement for Adcock. The board is seeking a person who has a Master's degree in one of the behavioral science fields. The work includes, she said, work in group therapy and family counseling.

The Tri-County staff has been expanded to include a full-time person working with evaluations. Lois (Mrs. Jim) Robertson, who has been working on this part-time, was named to the full-time post.

Local Knights Of Columbus Earn Honors

Pope John XXIII Council No 5441 Knights of Columbus, representing men from Our Lady of Grace, Avon Park, St. Catherine's Sebring, and St. James, Lake Placid was named as Council of the Year at the State Convention held May 20-22 at the Innisbrook Country Club, near Tarpon Springs. Sir Knight Fred O. Weinbrandt, KC-4, Grand Knight of the Council, is Knight of the Year. Awards presented included a trophy to the Council, a plaque to the Council honoring the knight of the Year, and a personal desk set with clock and pen to Sir Knight Weinbrandt.

During the past year a First Degree team has held two initation ceremonies which have brought the total membership to 101. The members have participated in Second and Third Debree ceremonies held in various parts of the state.

The Tootsie Roll drive in March netted $1,030 which has been turned over to the Ridge Area Assn. for Retarded Citizens. A second check representing sales by the Holy Name Society at Avon Park Correctional Institute will be presented later. The Knights also gave a Christmas party for the Retarded Citizens.

Other activities included sponsorship of basketball free throw competition in cooperation with Sebring and Avon Park Middle Schools; participation in St. Catherine's, Sebring, Building Fund drive; a Bicentennial program which received community-wide recognition. Fourth degree members have joined their brothers from Lake Wales in forming the Lt. Joseph T. O'Challahan Assembly.

Grand Knight Weinbrandt transferred here from the Hialeah Council in 1975. He served a term as financial secretary, and was recently re-elected as grand knight. His wife Peggy is president of the Columbiettes.

Officers elected with Grand Knight Weinbrandt were Deputy Grand Knight Charles Deegan; Chancellor Robert Moynihan; Recorder Frank Kole; Treasurer Emil Pulick; Advocate Benjamin Dankosky; Warden Walter Krainik; Inside Guard Walter Kozielski; Outside Guard Anthony Micheals; Lecturer Thomas Hughes; Financial Secretary Joseph Arace; Trustees, Albert Keen (1 year), Lorenzo Bianci (2 years), and Paul Forest (3 years); Chaplain Father George Frazer.

Residents Generous To Library

Friends of the Library Board wishes to thank every one who so generously contributed to the annual membership drive. The latest contributors include Lois Smith's Fourth Grade Class at the Avon Elementary School. The children saved pennies, nickles and dimes, for a total of $13.28. Others making donations to date are Mrs. Louese Kent, Mr. and Mrs. William M. Lenna, W. A. and Virginia H. Larsen and Julie N. Johnson.

A number of memorial gifts have been received for Mrs. Mable J. Paine, who passed away last week. Mrs. Paine was a Charter Member of Friends of the Library.

The Board decided that it was impossible to set a date for an annual meeting this year. Anyone who is interested, may contact the President, Paul Gentry, for an annual report on the friends activities to date.

The latest purchases include materials for the children's summer reading program, and chairs for the new library addition, The Dawson Room.

It was reported that the library has received a number of truck tires from a local service station, but cloth or fabric covers are needed to convert these to fun seats for the children to use during the summer programs.

The According to Librarian, Carolyn Moore, so many children have indicated they will take part in the summer program that the library will not only need additional funds for refreshments but also need additional help during and after the programs. Potted plants are also needed for the interior of the library, particulaiary the new Dawson Room.

Beef Producers To Vote On Research

Farmers and ranchers should be reminded that the county ASCS office is registering beef producers through June 17, to vote on a beef research and information order.

Beef producers who fail to register cannot vote in the July referendum.

If over half the registered producers vote and two-thirds of the voters approve the order, the Secretary of Agriculture would appoint a beef board. The board would collect assessments on sales of cattle and use the funds for beef research and information programs, said Otis E. Everett, executive director of the Highlands ASCS office.
