

Bonnie Brae Mobile Park News

By Margie Wells
Ruth Smith, Olive Bechtel, Verda Miller and Ellen Hunt returned Tuesday evening from a most enjoyable trip to Charleston, South Carolina, and they reported they "had a ball."

The weather was beautiful except for the last half day and they were able to see most of the attractions, including tours of old antebellum homes, shops, churches, and gardens. All kinds of flowers were in full bloom and the tourists were

quite numerous. They recommend that for anyone planning a trip to Charleston, a horse-drawn tour is especially interesting. This takes one through many streets in Old Charleston which a bus tour could not include,

and they said the guide which they had really fantastic with all the information he related during the one-hour ride. Coffee hour was a lot of fun last Wednesday and there was a good attendance. Joe Asher

thought his golf joke couldn't be topped until Ron Boyer told his golf joke. Luckily, Joe had already left to play a round of golf!

Merle and Esther Bishop, who lived in Bonnie Brae for quite a few years, and are now wintering in Largo called on friends in the park on Wednesday. Several will remember their slides showing covered bridges which they had seen in their travels to many places in the United States and Canada.

Newlyweds as of March 20, Jim and Leslie Miller, stopped for a short visit with Jim's grandmother, Ellen Hunt, on Wednesday. They are from Evanston, Ill. Jim is a landscape architect and will be entering law school in the near future while Leslie is a social worker.

Betty and Leonard Harsh of Fort Myers were Sunday guests of his sister and brother-in-law, Margie and P. D. Wells.

Jean Bohland of Oak Forest, Ill., is visiting with her parents, Dan and Trudy Bohland. Jean celebrated her birthday on Sunday but didn't say which birthday it was!

Mr. Bolan and Mrs. Riley from Miami were guests of Pauline Colborne last weekend. They left for home on Monday. The West coast last week, Ella visited with cousins in Largo and Emily visited with Massachusetts friends who are staying at Clearwater Beach. They said they had their first swims of the season, good eats,

and lots of "chit-chats." Mr. and Mrs. Harold Cooley of Cedarville, Ohio, visited for a few days with Mrs. Charles Stormont.

Mr. and Mrs. Dal Irelan of Centerville, Ohio, and Mr. and Mrs. Marion Palmer of Dayton, Ohio, were dinner guests of the Ron Boyers this week at the Sun 'n Lakes Country Club.

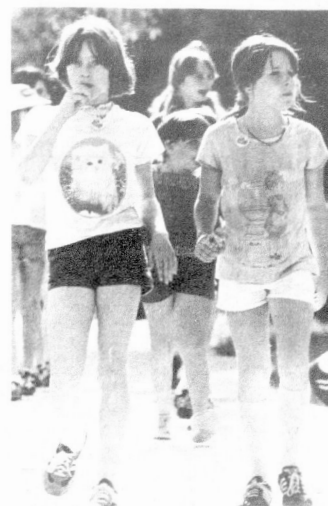

Mark Manthei, grandson of Roy Podewels, and his friend, Norm Timm, both of Janesville, Wisc., visited with Roy on Thursday afternoon. They were enroute to Fort Myers for a visit.

If you want to see something real interesting, stop by and see Thelma Miller's egg tree. She has her own "real life" Easter egg!

DAR Changes Meeting Place

The Patriots Chapter Daughters of the American Revolution will hold their April meeting in the Parish Hall of the St. Agnes Episcopal Church, Sebring on April 4 at 2 p.m.

The theme of this meeting is American Heritage and Mrs. Frank Jolley will present a paper entitled "The National Archives." Mr. Andrew G. Daizle, recently announced the following to serve as hostesses: Mrs. I. M. Bailey, Mrs. D. J. DeMunck, Mrs. R. D. Johnson and Mrs. William N. Rath all of Lake Placid and Miss Isabelle Gladney of Sebring.

IT WAS A nice day for a stroll Saturday and over 500 area residents took advantage of the sunny weather to help raise money for the March of Dimes. These two hikers brought along a little quick energy in the form of candy to sustain them over the 15 mile Walk-A-Thon route. (Sunphoto by Russ Dennis)

CYCLE STOLEN

Jessie Skinner, of Avon motorcycle was stolen from Park, reported to sheriff's office. Loss was deputies that some time set at \$100. Saturday night, her son's 1966

Everyone at Bonnie Brae Mobile Home Park enjoyed their St. Patrick's Day dinner last Thursday, March 17. The dinner was held in

the recreation center at the park. Sunphoto by Barbara Cornell.

Winter Guest Club News

By ALLENE HOWARD

Tournament placing second in Consolation were Allan Brady and Fred Frye.

Pinchle On March 21 there were 9 tables. First, Walter Masuch, score 815; second, Winnie Kinch, score 722.

Pinchle on March 25, 10 tables. First Jerry Rosak, score 83; second, Allen Howard, score 785.

Contract bridge on March 22, 6 tables. High score \$140 by Ruth Shortt, second Sheila

Wurster with a score of 5010. Duplicate bridge on March 24, north and south winners.

First, Mr. and Mrs. J. H. Nickerson; second Ruth Shortt and John Schoen. East and West winners, Jean Ludington and Maurice Brewster; second Mr. and Mrs. Robert Ellis.

Crafts March 23, Although quite a few members have left the sunny south for the icy north there were still 45 members present.

One group finishing their pine needle work. Bargello still kept one table busy and hostess flowers held the attention of a good group.

The most members were working on the OYU pendants. These are really beautiful when finished and the members will be proud to wear them and tell they were handmade by the wearer.

At the request of members Halie Wetmore will hold one more class on Thursday, March 31. She is asking for volunteers who will take one project at least and teach it for a month.

She needs about 8 or 10 members who will take one project each and see it through to the end. Otherwise we may be without a craft class.

Mr. Waters asked that members order the ceramics they want for next year. He says he brings them a long way and he wants to bring what they want.

One more attractive project will be presented at the fall classes. Galtling will be the subject. So any member wishing to take this up, please bring Galtling shuttles when you return to Florida and thread to fill the shuttles.

Entertainment Night Ed Edward showed beautiful slides last Thursday evening at the club.

Next Thursday, March 31, the final of our programs for the year will be heard.

A singing good time is promised with The Tallahassee Lassie and the latest in Harmony by the AWFU Four from parts unknown.

Saturday Night Supper There were 65 present and 6 visitors.

Hosts and hostesses were Mr. and Mrs. William Cleland and Mr. and Mrs. Rolfe Hendricks.

Program consisted of a welcome by William Cleland, Pledge to the flag, Blessing by Rev. Ivan Miller.

There were 14 present from New York State.

Two poems were read of Helen Steiner Rice by Mr. Cleland, the Joneses and Farm family assisted by the group.

If God should go on strike by Mr. Cleland. The male quartette sang two numbers, with Mrs. Gunning at the piano. Closed with God Bless America.

News Mr. and Mrs. Edwin Swanson arrived safely in LaPorte, Ind. Mr. Swanson is at home now following surgery.

Hospital Report

Still in Walker Memorial Hospital are Hubert Smith, Bruce Kline, Frank Jann and Connie Keboe. Still in Highlands General at Sebring are Merrill Wilmont.

Community Park News

The Southside Park branch of Highlands Tri-City League first completed a survey of persons who were eligible to register to vote prior to its actual drive and registration on Wednesday March 30. Those who are not registered by this date are urged to register. City Hall weekdays until 5 p.m. Remember voting is a privilege as well as a responsibility.

Well next week is time for spring vacation. Teacher, pupils and administrators will welcome this time which includes Easter Sunday. Here's hoping that all of them will have a joyous holiday and return ready to go for eight more weeks and graduation. Church News

Mr. David Wyche
Chairman of Men's Day at Mt. Olive

Theme: "Let's Make our church move forward."

The day began with Sunday School 9:30 a.m. A visiting Sunday School staff (Gifford) assisted and joined in some also came early from Arcadia. I am sure everyone learned something.

Morning worship: Begun New Bethel's A.M.E. choir Gifford, Fl. marching in singing our theme song: "What a fellowship."

The other songs and prayers were just as spiritual our scripture was interesting with the Decalogue illustrated. Introduction of speaker, Rev. H. M. Salmon presiding.

Afternoon worship: 3 p.m. the Rev. J. D. Stinson and Congregation Mt. Zion A.M.E. Arcadia, Fla. more soul stirring prayers and glorious songs went forth. Introduction of speaker the Rev. W. J. Jones.

Sermon: the Rev. J. D. Stinson Subject: "Saying yes and meaning no. He explained it and preached it well. We know how we fail to do what we promised as far as our church and Christian duty."

The pastor: To the members and friends of Mt. Olive A.M.E. church, I am thankful to the Almighty God, for his grace, mercy, and blessings toward us on our Annual Men's Day. Each of you have made

sacrifices and supported our day, we thank you.

If your faith is low, par. road Paul, if you are getting lazy, watch James. If you are losing sight of the future, climb up the stairs of Revelation and get a glimpse of the promised land.

The chairman: We cannot thank you enough for all your support, physical, spiritual and financial support, we thank you.

Bro. David Wyche, chairman.
Bro. Moses McKee, co-chairman.
Rev. Willie J. Jones, pastor.

The Apostolic Church of Jesus had Sunday School beginning 10:30 Deacon Adolph Williams presiding.

Morning worship began 11:30, Missionary department in charge, Sister Earnestine Dudley on devotion. Sister Diane Watson was called to the front and had Missionary and Missionary Sullivan to bring the message giving them ten minutes each. The messages was taught with power and was enjoyed.

Had a program at 3 p.m. using Sister Virginia McKee and Sister Wanda Wilson for Mistress of Ceremony. We had solos, trios, quartets and group singing. Sister Watson gave a wonderful short talk. The program was enjoyed by all. Had Derrick, Troy and James to do an instrumental selection and Sister Catherine Moore was our guest soloist. This ended the services for Sunday.

Elder T. J. Brown, Pastor

Rev. Walter Lyons

Beulah Baptist Church Sunday School at 9:30 a.m. with Sis. A. L. Williams acting superintendent.

Morning worship began at 11 a.m. with the devotion followed by congregational singing.

The morning message was delivered by the Rev. Walter Lyons. Subject: Lord, what wilt thou have me to do? Scripture reference Acts 9:1-16 verses.

The Rev. Lyons was at his best and the spirit of the Lord was truly with us.

Shirley McCauley, Reporter

Happy Birthday to You

Sister Maggie Sims is shown as she celebrates her ninth (90th) birthday on Friday, March 25 at the home of one of her daughters, Mrs. Wilma Howard. Among those present were her children, grandchildren, great-grandchildren, other relatives and friends. Sister Maggie was the recipient of lovely birthday card from the Mayor and council.

Hospitalized at Press Time: Herman Adams.

Golfers Register For Society Tourney

Highlands County golfers have begun registering for the Saturday tournament sponsored by the American Cancer Society, officials at Sun's Lake Country Club of Lake Placid reported. The all-day tournament will benefit the 1977 Cancer Fund.

Golfers wishing to enter are asked to make up their own foursomes and then call the pro shop at 465-2233 for starting times.

Up to noon Monday seven foursomes had been entered, and the pro shop reported that quite a few more would be entering within the next day or two. Entries will be received up to Saturday, the day of the tournament.

ARC Patients Thank Ladies For Returning Purse

Two patients and a staff member of the Florida Alcoholism Treatment Center along with the Avon Park Police Department wish to express their thanks and appreciation to two anonymous ladies for finding and bringing a purse into the Avon Park Police Department last week. The ARC staff members came into Avon Park on the regular ARC bus and cashed a \$10 money order for one patient and purchased cigarettes for a second patient. While waiting for the bus to make the return trip to ARC the staff member left her purse. Money, cigarettes and other items on a park bench at Butler Ave. and Main St.

The two ladies came along shortly thereafter and took the purse to the Police Station, where officers were able to identify the owner from the contents of the purse.

Southland Mobile Court News

By LOUISE CARSON

Seems that the time has come once again to say goodbye to all our friends and neighbors in Southland Court until next fall. Those heading North we wish a safe trip and a healthy and happy enjoyable summer, till we meet once again.

Monday evening, March 21, euchre was played at the rec hall for the last game of the season. Dot Lavery and Bill Mott winners. This reporter would like to make a correction. Last week I reported Alvia Trompkins won the boogie prize. Sorry Alvia, but would you believe this week Alvia did win the boogie prize!!!!

Tuesday morning March 22 our last coffee hour of the season, twenty-five attended. Claire Ross our treasurer reported how our financial status stands. Dot Lavery our chairman reported that the pictures taken at our St. Patrick party will be on display at the rec hall. If you would like to have a copy of one, put number of any shot down on the paper at the front of the book on display.

Tuesday afternoon, the ladies met at the rec hall for Arts and Crafts.

Wednesday afternoon, 16 ladies enjoyed a Cameo paint party at the rec hall making their own bookmarks under the supervision of Pauline Herring from Bowling Green.

Thursday afternoon, March 24 the ladies shuffle team of Marion Jones and Louise Carson won three games. Marjorie Flint out for the first time. Hope to see her a regular team member next year.

Friday afternoon March 25, the men's shuffle team of Leon Bresler and George Davis,

Coming Circus Sponsored By Kiwanis Club

Hagan-Wallace and Sells-Gray Combined Circus, a big 3-ring under-canvas show, is coming to Avon Park under the sponsorship of The Kiwanis Club of Avon Park on Monday, April 11.

There will be performances at 4:30 and 8 p.m. The tents will be located at the Airport, Highway 64 W.

An advance sale of circus tickets, at reduced prices, is now in progress throughout the area by Kiwanis Club members. The funds raised by the circus project will be devoted to the civic and charitable activities of the organization.

For many years the Hagan & Wallace circus and the Sells & Gray Circus toured America as separate shows. Now they have been combined into one larger circus with the many features of the two organizations plus many new attractions. Arena stars from around the world have been recruited for this inaugural tour of the new big circus.

Tennis Coach Wins HCTA Singles

Avon Park High school boys tennis coach Bruce Wyse captured the men's open singles trophy at the Harder Hall Highlands County Tennis Association tournament last week-end and Marcia Handley won the Women's open singles championship. Avon Park's Debra Cox and Charles Jordan won the consolation bracket titles, and Carolyn McLeod of Avon Park and Rick Thorndall of Lake Placid captured the novice championship trophies.

Wyse defeated Kris Delaney 6-4, 3-6, 6-2 in the finals of the men's open at the Harder Hall Courts last Sunday afternoon to win a membership at the Harder Hall Tennis Club. Marcia Handley of Sebring defeated Vi Marrow in a three-set match to walk off with top honors in the women's open singles division of the tournament. All division winners were presented memberships to the Harder Hall Tennis Club.

In the consolation bracket Charles Jordan won over Read McLean and Debra Cox, member of the Avon Park High School tennis team, won the women's open consolation prize with a victory over a Wauchula entry.

There were seventeen men and nine women in the four division singles tournament which was sponsored jointly by the H. C. T. A. and Harder Hall. Play started on Saturday and the finals were played Sunday afternoon.

Rotary Club Holds Ladies Night

The Avon Park Rotary Club held their spring Ladies Night, outdoor style, Saturday night with a beef-pork barbecue supper at Horse Hammock end of the Bombing Range Road.

Coming early to get the barbecue started were Wendell "Winkie" Williams, Jimmy Renfro, Jimmy Brooks and Norris Brooks, club president. To complete the meal each of the Rotary-Anna prepared and brought a covered dish.

After the informal meet country and western music was played by Buddy Rogers and his son, Laron, a student at Avon Park High School; Jim Robertson, assistant principal at the high school; Don Farrans of South Florida Junior College and from Ft. Meade James and Jimmy Rogers. James picked his way to the state banjo championship two years ago.

Rotary Wives To Meet

For their second meeting since their organization last month as the "Inner Wheels" the wives of the Avon Park Rotary Club members will gather for a salad luncheon.

Following a short business meeting, Alice Morris, assisted by several other members will present a short program on the "Millinery of the 40's and 50's" with hats worn during that era.

Holiday Ranch News

By Barbara Ebmeyer

Karl and Ida Walter have been busy with guests this past week. Their daughter, Mrs. James Longenecker, her husband and small sons, Toledo, Ohio, came to visit. Others were Mr. and Mrs. John Ely and mother, Mrs. Clemas Hecker of Waldron, Michigan.

Later visitors were Karl's sister, Mrs. Don Wheeler, and her husband of Addison, Mich. On Monday the group went to Highlands Hammock and then to Winter Haven to visit at Duff's. Thursday the Walters and Longeneckers spent the day at Busch Gardens.

Monday Mr. and Mrs. Clair Reno and Mr. and Mrs. Ray Robertson, all Tiger fans, attended the game between Detroit and the Montreal Expos with the Tigers winning in extra innings. They had dinner at Ponderosa.

Tuesday Mr. and Mrs. Richard Bailey and Mrs. William Phillip of Bradenton called on the Reno's and Friday the Reno's had a birthday dinner for Karl Walter. Others attending were Mrs. Walter, the Robertsons and the Bob Savages.

Max and Dora Crosssett had a busy week. On Monday they and Mrs. Earl Borman visited Disney World then on Friday the three of them went to Bush Gardens at Tampa.

Saturday Mr. Borman joined them to visit the Bok

Singing Towers and the Citrus plant at Lake Wales and the fruit packers on the main road. Mr. and Mrs. William Lee and daughter Tonya of St. Paris, Ohio spent Wednesday with his parents the Ted Lees. Mr. Walter Maste, also of St. Paris accompanied them.

Later visitors were Mr. and Mrs. John Deer of Urbana, Ohio, Mr. and Mrs. Ivan Goldard of Avon Park, the Clayton Mitchells of Bonnie Brae, and the Sylvan Bakers of Urbana. The Lees visited Herbert Smith at Walker Memorial Hospital, Friday.

Charles and Mabel Travis visited the Jack Trivis at Sebring Gardens Sunday. The Trivis were former Holiday Ranch residents. John and Barb Ebmeyer had as weekend guests their nephew Bob Phelps and his wife Joy of St. Petersburg. Saturday Evening they dined at the Black Forest. Sunday after dinner at the Holiday Inn in Sebring, they toured Highlands Hammock. Clarence Wayt of Sebring and his daughter from Orlando called on the Ebmeyers, Thursday.

Ted and Nora Nelson left Friday for their home in Shelby, Mich.

Gordon and Lucille Willnow entertained Mr. and Mrs. Roy Remmill of Winter Haven Friday.

RAARC Volunteers Hold Get-Acquainted Party

Volunteer workers at the Ridge Area Association rescheduled the Thrift Shop on Main St. met last Saturday afternoon for a lawn party at the home of Mrs. Davis on E. Canfield and Lake Verona Blvd.

In the absence of Peg Fells,

who was hospitalized last week, Mary Ellen Ward told the volunteer workers that the purpose of the meeting was to get together to know each other better and to know and work out the problems they encounter at the Thrift Shop,

particularly the problems of scheduling time at the resale store, work space, pilfering problems and the moving of old items.

The Ridge Area Association for Retarded Citizens has 12 to 15 individuals in the pre-school

program, Mary Ellen told the group of volunteers, who 44 individuals being helped to become self-supporting in the sheltered workshop.

Mary Ellen complimented each of the volunteers very highly by saying, "It is very

special that each of you is willing to give of your time in working at the store."

A call was made for recruits for the day school and for volunteers and substitute volunteers for the resale shop as some of the volunteer workers have returned to their homes in the north. At present there are 27 volunteers with six substitutes. Each volunteer works four hours or a half-day at the Thrift Shop.

During the past two weeks the Thrift Store has been closed for repairs, remodeling and painting of the interior. The

store opened this past Monday with a new fresh look for any customer who might choose to shop at the store.

INVITATION TO BID

The City of Avon Park will accept bids for certain drainage improvement work at Lake Tulane. Plans and specifications available upon request from the City Clerk, City Hall. Work consists of asphalt and concrete work as well as drainage pipe and ramps. All work will be financed by funds from the Community Development Block Grant program of HUD and all Federal requirements must be met. Bidders must be registered with the City of Avon Park. Building Department as qualified for contracting this type of work. Bids will be received until 7:30 p.m., Monday, April 11, 1977. The City reserves the right to accept or reject any or all bids.

March 31, 1977

NOTICE OF PUBLIC HEARING

Notice is hereby given that the City Council of the City of Avon Park intends to pass Ordinance No. 608.

ORDINANCE NO. 608

AN ORDINANCE SETTING 15 MILES PER HOUR SPEED LIMIT FOR MOTOR VEHICLES AT NEAR PUBLIC PARKS IN THE CITY OF AVON PARK

WHEREAS, the City Council has ascertained that it is necessary for the safety of persons using the facilities of public parks in the City of Avon Park that a low speed limit be set;

NOW, THEREFORE, be it ordained by the City Council of the City of Avon Park, Florida:

Section One. The speed limit for any motor vehicle traveling in the City of Avon Park shall be 15 miles per hour on any street or other public way within 500 feet of the outer perimeter of any public park or playground situated within the City of Avon Park.

Section Two. The 15 mile per hour speed limit established above shall be enforced during daylight hours for all said public park and playground areas, and in addition shall be enforced until 11:00 P.M. for all public parks and playgrounds where lighting facilities are such that the park or playground is used by the public during nighttime hours.

Section Three. The above speed regulations shall be included under Section 20.5 of the Code of Ordinances of the City of Avon Park.

PASSED, ADOPTED AND APPROVED in regular session after all prerequisite reading and formalities this 28th day of March, 1977.

(s) Robert L. Britt, President

ATTEST:
(s) Malcolm K. Crews, City Clerk

APPROVED as to form and content:
(s) Jonathan H. Hancock, City Attorney

Devils Win Two For 8-3 Record

The Red Devil varsity baseball team defeated Ft. Meade and Haines City but lost to Lake Wales last week to set an 8-3 record. The Devils took a 7-2 win from conference and district for Ft. Meade on the Miner's home field, dropped an 8-6 game to Lake Wales on the Highlander's diamond and then shut-out the Haines City Hornets 10-0 in a six inning game here at Head Field last Friday night.

Last Tuesday afternoon, the Red Devil varsity was to have played the Brahmanas in a conference game in Okeechobee. To tomorrow night (Friday) Avon Park will host the Hardee High Wildcats here at home and will also be at home next Tuesday night to DeSoto High of Arcadia. Both Hardee and DeSoto handed Avon Park earlier defeats and both are Heartland Conference opponents.

Avon Park 10-Haines City 0
For four innings Coach Eddie Lewis's Haines City Hornets stayed close to the Red Devils who led 1-0, but in the fifth frame the Avon Park batters took advantage of six walks to scored five runs and put the game out of reach for the Hornets. Avon Park went on to win the game 10-0 by scoring four more runs in the bottom of the sixth for the abbreviated shut-out victory.

Jimmy Massey, in his first mound start for the Devils, tossed a four-hit game at the Hornets walking only two

batters during his six innings of hurling. Massey had pitch four and a third innings of relief against DeSoto and one inning against the Alamo team without allowing a run to score. The Haines City batters rapped out three singles and a double off Massey as he struck out six and got good support from his

teammates.

The Devils jumped on three Haines City pitchers for seven hits. Charlie Pough and John McKunas both connected for two singles each. Mort Jackson, Steve Arnold and Victor Roberts added a single each for the Avon Park total of seven. However, the twelve

walks issued by the three Hornet hurlers proved the deciding factor in the one-sided game.

Lake Wales 8-Avon Park 6
The Red Devil varsity rapped out 13 hits off Lake Wales hurler Jim Pearson last week but lost to the Highlanders by a score of 8-6 as Avon Park left seven men on base and had two runners thrown out at home.

Steve Arnold, who took the mound loss for the Devils, went four innings giving up a homerun, a double and three singles and allowing six runs to score. Arnold was relieved in the fifth by Larry Jackson who gave up two more runs and two scattered singles to the Highlander batters. The two Avon Park pitchers issued a total of 7 walks and one batter was hit by a pitched ball.

Charlie Pough and John McKunas led the Devils at bat with Charlie getting a homer over the rightfield fence and two singles and John slashing out a double and two singles. Steve Arnold hit a double and a single. Mort Jackson and Freddie Moore hit two singles each and Jim Johnson singled for Avon Park's thirteen hit barrage.

Avon Park 7-Ft. Meade 2
In an important conference and district game played in Ft. Meade last week, Avon Park came up with a 7-2 win over the Miners to remain undefeated in Class AA play. The Red Devil batters out-hit the Miners 11-7 as Billy Cary went the distance and took the mound loss but Avon Park used Billy Young and Larry Jackson both on the mound.

Young started pitching for Avon Park and got the mound win as he went three innings before he was relieved by Jackson because of a sore arm. Billy allowed only one run but gave up five singles to the hard-hitting Miners. Jackson started the bottom of the fourth and gave up two singles to the first two batters he faced before he settled down and held the Miners hitless and scoreless as he fanned six batters in his four innings of pitching.

Mort Jackson and Steve Arnold connected for a double and a single apiece for Avon Park. Charlie Pough and Victor Roberts rapped out two singles each. Jim Johnson lined a double to right field, and John McKunas and Eric Longshore added a single each to bat Avon Park to the big win.

Charlie Pough

Charlie Pough, playing his second year at shortstop for the Avon Park Red Devil baseball team, is currently leading the team at the plate with a sizzling .517 batting average after twelve games. The 6'0", 145 pound junior is the steadiest infielder on the Devil squad having made only two errors during his eleven games. He missed the first game of the season because he was still playing basketball.

Charlie lettered last season as shortstop on the Red Devil team and has played two summers on Coach Ronnie Jackson's Big League team. Last summer the slender athlete was used on the mound and Coach Jackson has indicated that next season Charlie will take a regular spot on the pitching staff.

As lead-off batter for the Devils, Charlie uses his speed and quickness on the bases to good advantage. He has scored twelve runs and stolen eight bases. Three of his stolen bases were from second to third. As a shortstop, he has the speed and arm to cover the position exceptionally well. He has made several run saving plays with his fast release of the ball to first base.

Women Bowlers Hold 15th Tournament

In their weekend tournament the Highlands Women's City bowlers of Avon Park, Frostproof, Lake Placid and Sebring met for their 15th annual tournament.

In the team event with 32 teams bowling, Publix Market rolled 3047 pins; Braxton Trices, 3011 and Florida Home City, 2979. With 28 doubles teams entered, Alice Keen and Mary Thibert, scored 1232; Sally Smith and Marian "Sam" Smith, 1237 and Wanda Jackson and Gail Perla, 1226.

With 40 bowlers taking part in the singles event, the top three winners were: Sam Smith, with a score of 694; Liz Carroll, 683 and Connie Bodary, 667. In the all events competition, Dottie Freeman was top bowler with a score of 1896; Connie Bodary, 1861 and Bev Davis was 1850.

Carol Ransom took the all events scratch with a 1566 score. In the high scratch series, Sam Smith rolled 506, while Frances Allmon rolled a high scratch of 233. The high handicapped series was taken by Liz Carroll rolling 683 and the high handicap game was rolled by Rose Wert with a 256. The all events scratch with a 1566 score.

Tennis Team Defeats Bartow Last Friday

Coach Bruce Wye's Red Devil boys tennis team chalked up a big 4-3 win over the Bartow Yellow Jackets last Thursday afternoon in Bartow but lost to Heartland Conference champions Lake Placid in a home meet last Friday afternoon to set a 7-2 record with three meets left on the regular season schedule.

Last Tuesday afternoon the Red Devil netters were to host the Mulberry Panthers here at the City Courts in a 3:30 p.m. start. Today (Thursday) they will travel to Okeechobee for a conference tilt with the Brahmanas and tomorrow (Friday) they will close out the 1977 season with a meet in Frostproof against the Bulldogs. April 14, 15 and 16 the Avon Park boys team will compete in the Class AA district tournament to be held in Lakeland.

In Bartow last Thursday afternoon Ronnie Brock, Joel Wright and Eddie Garner posted wins in singles matches and Brock and Wright won a three-set

John (Buddy) Hunter

Buddy Hunter is a 5'8", 155 pound senior transfer from Vanguard High School in Ocala who has taken over the starting thirdbase job with the Red Devil varsity this season. Buddy played javay baseball at Vanguard his freshman and sophomore years and lettered with the varsity there his junior year as a thirdbaseman and catcher, moving into the catcher slot midway in the season when the regular was injured.

This season the competitive senior leads the Red Devils in walks and has a .444 on-base average after twelve games of play. Buddy is a good baserunner who has scored 10 runs and stolen nine bases.

Bowling Group Holds Tourney

The Highlands and Hardee County Ridge Bowling Association held a seasonal Tournament on the weekend of March 19 and 20 with the following winners in single and team events.

Team event: Bowl of Fun, 3081; Lake Placid Tire Center, 2952 and A. P. C. I., 2950. Singles, Wayne Wilson, 701; Royce Tyson, 683 and Jim Dunne, 680. Doubles: Walt Jackson Jr. and Nelson Mays, 1215; Arnold Grogins and James Bo Smith, 1280 and Earl Cockett and David Ridley, 1268.

In the team scratch event, Bowl of Fun topped 2829 pins; Wayne Wilson took the singles scratch event with 617 pins and in the doubles scratch event, Walt Jackson Jr. with a 658 and Nelson Mays with 576 had a team total of 1234 pins.

In the all events scratch, Walt Jackson Jr. came out on top with 1732 pins and in the all events it was a close race between Wayne Wilson, 1945; John Dunne, 1945 and Royce Tyson with 1943.

Range Closed Military Activity

The Avon Park Bombing Range Recreational area will be closed this weekend, April 2nd and 3rd, due to scheduled activities by the Florida National Guard and the 11th Special Forces in Tampa.

The 1st Battalion, 116 Field Artillery Unit, will be conducting ground training exercises and the Special Forces personnel will be conducting M-16 firing exercises.

For further information contact 452-4196.

Track Team To Compete In Tough Bartow Meet

The Red Devil track team will compete in the always tough Bartow Invitational today (Thursday) beginning at 4 p.m. with the pre-liminary action and the finals starting at 7 p.m. Most of the schools entered in the Invitational are Class AAA and AAAA squads. The Red Devils will be the only Class AA school taking part as they seek top competition in order to get ready for conference and district contests next month.

Last Tuesday, March 29, the Devils were host to Ft. Meade, Arcadia, and Moore Haven. Prior to that contest, the 10-1 Red Devil track team had broken four school records in one of their best early season meets.

The Avon Park team had dominated a home meet on Tuesday, March 22, by defeating Okeechobee and Moore Haven. The Devils scored 132 points, Okeechobee scored 36 points and Moore Haven totaled 19 points.

Charles Anderson got the Avon Park team off to a fine start in the Tuesday meet in the first running event against the Brahmanas and the Moore Haven squad by blasting to a new school record in the 120-yard high hurdles with a time of 15.3 seconds. This set the tone for a fine performance by the Devil thin-clads. Anderson also won the 220-yard dash, ran on the winning 880-yard relay team with Todd Packer, David Jahna and Reggie Baker, and placed second in the long jump event.

Reggie Baker and Alphonso Williams

last Tuesday (March 22) at Memorial Field track, won by Avon Park. (Sunphoto by Lew Miller).

continued their battle for top point honors with fine performances as well. Baker won the 100-yard dash, the long jump, ran on the 880-yard relay team and placed in the 220-yard dash behind Anderson. Williams took top mile honors with a 4:38 minute timing, won the 880-yard run in an easy fashion and anchored the Red Devil mile relay team to victory besides placing in the long jump.

Kenneth Burley did well winning the high jump, placing in the long jump and stepping the high hurdles just behind Anderson's record setting performance. Robert there the shot put 46' 11" in a fine personal best effort. Edward Dorsey tossed the discus 136' 8" as a follow-up to his second place effort in the shot put event. Rufus Wilson, who has a pulled hamstring, and Anthony Corner, both won places in the shot put throw. Corner also gained points in the discus and high jump and as a member of the second place sprint/mile relay team.

Harace Moore jumped 3' 10" for his best effort ever in the high jump as the junior jumper continues to improve each outing. Kenneth Caldwell also placed in the high jump as the Avon Park team dominated the field events. Mike Ryan, Terry Massey, and Pete Hentnik all placed in the pole vault.

The Red Devil distance crew had an

outstanding day as Jack Collins and Ricky Stevenson turned in top efforts for the Devils in the 440-yard run. David Jahna placed in the mile and ran a superb 220-yard leg on the sprint/mile relay and the 880-yard relay. Arnold Wilson got a fine second place finish in the 330-yard intermediate hurdles. Abe McMillan, McKenzie, David Williams and Alphonso Williams teamed to win the mile relay to "wrap up a fine team effort against the two schools from the south."

"We could not have been happier with the team performance today," said Coach Brock after the meet. "The Devils continue to work hard and I'm sure we are not far away from some more record setting efforts. Even though the competition at Bartow will be somewhat out of our league, we feel that only by running the best can we bring out

RED DEVIL POLE VAULTER Mike Ryan clears the 9-foot bar with room to spare during a 3-way meet with Okeechobee and Moore Haven last week. (Sunphoto by Lew Miller.)

the top performances our kids are capable of reaching."

"I can't say enough good about the work and attitude of my young men and especially this week's top Devil performer, Charles Anderson," continued Brock. "This young man always gives us 100 per cent and runs with total concentration and effort. One of the great joys of coaching is watching a young man like Charles develop into a school record holder. It is just proof once again that hard work and determination pay off."

REGGIE BAKER BREAKS THE pole in the 880 yard relay with a team time of 1:23.4. The first leg of the relay was run by Todd Packer. (Sunphoto by Lew Miller).

SFJC Defeats Valencia And Manatee J C

Last Friday afternoon SFJC traveled to Orlando and defeated Valencia C.C. for the second time this season in a slugfest, 11-9. SFJC rapped off 14 hits to up their team batting average to .342, still tops in the state.

Rick Harrison was the starting pitcher for SFJC and had a rocky first and seventh inning, in which Valencia got all but one of their hits. The other five innings Harrison shut the door on the Matadors with just one hit. Kirk Scheerhorn picked up the win in relief to run his season's record to three wins and two losses, but needed help from Andy Riley in the eighth inning. Riley has been outstanding in relief for the Panthers recently and appears to be the stopper out of the bullpen that Coach Hill has been looking for this year.

The victory moved SFJC's record to 16 wins against only 6 losses, with all losses by one run. The Panthers' regular centerfielder, Tommy Davis, returned to action against Valencia after missing the last 11 games due to a fractured knee cap. Davis responded to his first game back by singling his first at bat, reaching base twice and scoring two runs. While Davis was injured, Phil Mattair filled the centerfield spot and performed superbly on defense and collected eight hits in 27 at bats for a .296 average. With Davis back, Mattair is free to go back to the bullpen where he was tabbed as the No. 1 reliever on the Panther staff. With Mattair in relief and the emergence of Riley as a stopper, the Panther pitching staff is now intact. For the first time this season the Panthers are healthy and are ready for the second half of the division schedule and the important stretch drive toward a state tournament berth.

Randy Schlosser had three hits, three runs, two rbi's and two stolen bases at Valencia. Blane McDonald added three hits and three rbi's, while Dana Walstad, Mike Vermillion and Larry Hatfield each collected the hits. McDonald had a triple and Hatfield a double for the extra base hits.

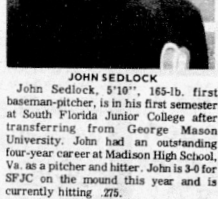

McDonald leads the club with a .437 batting average (.387) and 31 rbi's. Larry Glass is at .405 (.327). Randy Schlosser is hitting .394 (.359) with 34 runs scored and 31 stolen bases. Dana Walstad is .374 (.318), Charlie Paulson is hitting .350 (.319) with 31 rbi's, Bill McManamin is .324 (.248), leftfielder Jimmy Hudon is hitting .279 (.229), Tommy Davis is at .277 (.147), while Phil Mattair .296, Mike Vermillion .294.

and Larry Hatfield. 333 round out the Panther sluggers.

Rick Harrison heads the pitching staff with a 5-2 record, followed by John Sedlock and Andy Riley at 2-0 each. Mike Vermillion and Kirk Scheerhorn are both 3-3 on the year.

South Florida Junior College banged out 16 hits off Manatee J.C. pitching last Wednesday to defeat the Lamors 5-2, at the Panthers' campus field. Randy Schlosser led the hitting attack with four hits, a stolen base and three runs scored. Blane McDonald and Larry Glass each had three hits, while McDonald also collected three rbi's. Dana Walstad and Phil Mattair added a pair of hits for the afternoon.

John Sedlock pitched the first 5-3 innings for the Panthers and picked up his second win against no losses on the season. John allowed five hits, struck out two and walked only one before Andy Riley came on in relief with two out and two Manatee runners on base to retire the side in the third inning. Riley blanked Manatee the final three innings to preserve the victory and kept SFJC in sole possession of second place with a 7-3 division record.

JOHN SEDLOCK
John Sedlock, 5'10", 165-lb. first baseman-pitcher, is in his first semester at South Florida Junior College after transferring from George Mason University. John had an outstanding four-year career at Madison High School. As a pitcher and hitter, John is 3-0 for SFJC on the mound this year and is currently hitting .275.

IT WAS A tense moment for Lake Brantley golf coach Guy Garrett (right) as he and long-time friend Les Burch watched the prep players finish the round at the River Greens Golf Course last week, won by Avon Park 165 to 172. (Sunphoto by Lew Miller).

Golf Team Rolls Over Three Opponents

Coach Fred Sandlin's Red Devil golf team rolled over three opponents last week to set an 11-4 record for the season. The Devil foursome knocked off Lake Brantley and Haines City in home matches at River Greens on Tuesday and Wednesday of last week and then slipped by Okeechobee in a one hole tie-breaker play-off down on the Brahman's home course last Friday afternoon.

Last Monday afternoon the Red Devils were to host Lake Wales at River Greens and last Tuesday afternoon they were scheduled to travel to Lake Placid to take on the Green Dragons at the Placid Lakes Country Club. Early next week Avon Park's team will go to Daytona to play the Falmes Lopez foursome in the only match of the week.

Avon Park 165-Lake Brantley 172
The Avon Park team by a score of 165-172 on Tuesday last week to hand Coach Guy Garrett's team its third loss of the year against 18 wins. Lake Brantley had won over Avon Park five strokes in an earlier match this year. John DuPriest led Avon Park with a 38, Pete DuPriest shot a 39, Mark Palmer finished with a 41 and Bret Hoyer and Billy King both carded in with a 47 for the fourth score.

Avon Park 167-Okeechobee 167
The Avon Park golf team won its eleventh match of the season last Friday down in Okeechobee when the DuPriest brothers both shot par 7's in a one-hole, two-player per team shoot-off after the Brahman and the Red Devils finished nine holes tied at 167 each. The two Brahman tie-breaker players shot a 5 and a 6 to allow Avon Park the one stroke victory.

In regulation play Pete DuPriest led Avon Park with a 40 on the 36-par nine holes. Bill Tharp and Billy King both shot 42's and John DuPriest had a 43 for the Devil team effort. Okeechobee's Cantanzaro also shot a 40 on the nine but took six shots in the shoot-off.

Miracle Memorial Patio so diners may view the progress of the project and enjoy local food. Door prizes will also be awarded during the evening in the cafeteria.

Tickets must be purchased in advance. There will be no tickets sold after Monday, April 11, and no plates sold the evening of the supper without an advance ticket.

Tickets are being sold by members of the high school clubs, individuals students of Avon Park Middle School and Avon Elementary School. Tickets may also be bought at the high school office. A trophy will be awarded the student at each of the three schools selling the most tickets to the supper.

Jayvees To Play Lake Wales Here

Tonight (Thursday) the Avon Park Red Devil junior varsity baseball team will put its 5-3 record on the line against Lake Wales here at Head Field starting at 7:30 p.m. The Lake Wales Jayvee squad embarrassed the Red Devil "Bees" two weeks ago with a 12-1 defeat on the Junior Highlanders home field. Tonight will be the second of three home games the Avon Park junior varsity will play at Head Field.

Last week the Avon Park squad lost a 3-2 game in Wauchula to the Hardee Jayvee and shut-out the Lake Placid Green Dragons 6-0 at home. Last Monday night Coach Rewis's team knocked off Sebring for the second time this year with a score of 6-3 in a night game at Head Field.

Tomorrow (Friday) afternoon the Devil team will travel to Okeechobee to play the Brahman Jayvees at 4 p.m. and next Tuesday afternoon they will go to Arcadia for a game with the DeSoto High "B" team also scheduled for a 4 p.m. start.

Avon Park 4-Sebring 3

In their first night game of the season, the Avon Park junior varsity defeated Sebring 6-3 in a seven inning game at Head Field. David Sismore went the distance on the mound for Avon Park giving up a homerun a double and five singles but posting the pitching victory as the Devils outscored the Blue Streak "Bees".

Avon Park connected for five hits off two Sebring hurlers. Decaris Jones hit two singles, Bubba Stirling drove in two runs with a double in the sixth frame and Andy Lanzing and Tim Salter both added a single each for the winners.

Sebring's Tim Andrews, the catcher, blasted a homerun over the left field wall in the top of the seventh with one runner on base for the Blue Streaks' biggest threat of the game. Six errors by the Sebring defense and six walks issued by the Sebring pitchers aided Avon Park's win.

Avon Park 6-Lake Placid 0

Last Thursday afternoon the Avon Park Jayvee nine shut-out Lake Placid 6-0 in a game played at Head Field. David Sismore pitched the entire seven innings for the Red Devil "Bees" as his teammates rapped off six hits off the Dragon pitcher.

Mark Steedley with two singles and three runs-batted in paced the Red Devil "Bees" at the plate. Decaris Jones had a single in the third inning, Bubba Stirling and Tim Cribb singled in the fourth frame and Dennis Barefield rapped off a single in the fifth inning.

Hardee 3-Avon Park 2

The Hardee High junior varsity pushed across a run in the last of the seventh inning last week in Wauchula to take a 3-2 win from Avon Park. The Wildcat "Bees" scored one run in the first frame. Then the Red Devils scored two in the fourth to take the lead. Hardee added a run in the bottom of the sixth to tie the game up and then scored in the seventh to take the win.

Andy Lanzing, Wayne Lewis and David Sismore shared round duties for the losing Red Devils giving up a total of seven hits to the Wildcat batters. Avon Park batters connected for six hits in the close game. David Sismore got two singles and Tim Cribb, Mark Steedley, Tim Salter and Mark Bachman added a single each in the losing effort. Bachman drove in both of Avon Park's runs.

DURING AN AFTERNOON Jayvee game at Head Field last week with the Lake Placid Green Dragon juniors, Red Devil second baseman, Bubba Stirling, came in for a fast groundout at Avon Park, winning, 6-0. (Sunphoto by Lew Miller).

Highlands Building Team Wins Three League Games

There were sixteen games played last week in Avon Park Minor League action. The only team to survive till first week of play without a loss was the Highlands Building Supply team which won three games.

Avon Auto Parts and Borden Dairy Products finished the week with 1-1 records. Wells Motor Company had a 2-1 record and Youngs Gulf Service and A. P. C. I. Jayvees were both 2-2 after the first week of play.

Winning one game and losing two each week in the league, Highlands Building Supply, Kopta and Bennett Builders, and Barnett Bank at Sebring, Borden's Service Station and First Federal of Highlands County had both lost three games and won none but both had three more games on the schedule for this week.

Scores:
Avon Auto 14-First Federal 10
APCI Jayvees 16-Pia-Luigi's 2

Chickens 3
APCI Jayvees 15-Avon Auto 8

Wells Motor 11-First Federal 10
Avon Auto 8-Pia-Luigi's 5
Wells Motor 11-APCI Jayvees 8
Highlands Building Supply 13-Borden 3
Borden 9-Young's Gulf 7

Team Breaks School Record By 12 Seconds

The record-setting Red Devil track team continued to do its thing last Friday, March 25, at the Florida Relays in Gainesville. The two-mile relay team, of James Hamilton, Jerry McKenzie, David Williams and Alphonso Williams set a new school record with a time of 8:32.7 minutes. This new mark broke the old school mark by some twelve seconds.

The 880-yard relay team of Todd Packer, David Jahna, Charles Anderson and Reggie Baker sped to a fine 1:31.8 minute clocking which was only slightly off their school record performance of last week.

Devil distance dandy Alphonso Williams blasted to a season best mile performance with a time of 4:28 which was good for second place. Reggie Baker also placed in the mile relay with a 20 7/8 effort. Kenneth Burley and Anthony Comer both had off days in the high jump but did clear 5'10".

Charles Anderson qualified for the 1200-yard hurdles in 15.5 only to have the misfortune of hitting a hurdle in the finals which knocked him out of placing. Kenneth Burley ran a fine 15.8 effort in the same event, but was in the fastest pre-lim heat and did not move on to the finals.

Coach Chet Brejek placed fifth in the 30-39 year age group master mile and earned a Gator tie pin for his 4:38 minute effort. "I was happy with my performance," stated Brejek. "I ran 74, 75, 75 and 72 second quarters. I've been doing 10 miles of slow distance a day getting ready for the Boston Marathon on April 18 and I was not sure I had enough speed to break five minutes in the mile."

Tennis Ladies Win One -Lose Two Last Week

Coach Jeanne Cox's Red Devil tennis ladies posted a 7-4 win over Lake Placid but lost 1-6 to Arcadia and 3-4 to Bartow in three meets played last week. The win and the two losses set the record at 7-4 with three meets left on the schedule before the District Tourney.

Last Tuesday afternoon the Avon Park girls were to have played in Mulberry against the Panther netters. This afternoon (Thursday) they are scheduled to go to Okeechobee for a return match with the Okeechobee girls and tomorrow, April 1, they will be at home in the final meet of the regular season, hosting the Frostproof team. The district meet is to be played in Lakeland April 14, 15, and 16.

Down in Lake Placid last Friday afternoon, the Avon Park girls won all seven matches to shut-out the Lake Placid Green Dragons for their seventh victory of the season. Debra Cox defeated Holly Brumley 6-4, Delores Cox won over Karne Seignious 8-2, Maureen Murphy defeated Diane Campbell 8-4, Barb Noaker defeated Susan Prescott 8-4, and Rhonda Landress won over Darin Rury 8-2.

In the two doubles matches, Cox and

Cox defeated Brumley and Seignious 8-2 and Noaker and Murphy won over Cameron and Stecher 8-1.

The Avon Park girls made a good showing in Bartow last week against a good Yellow Jacket team. The Red Devil ladies lost the meet 3-4 but Coach Cox felt they played well against the Class AAA team.

Debra Cox lost the number one singles match by a score of 2-6, 5-7 to Sue Grimes. Delores Cox won the number two singles match in a three set affair over Colleen Bolkson 2-6, 7-6, 6-4.

Maureen Murphy lost to Anne Huff 4-6, 3-4 in the number three singles match. Barb Noaker defeated Susan Tull 6-0, 6-3 in the number four singles match and Rhonda Landress lost to Karen Gillett 0-6, 3-4 in the fifth singles match. Cox and Cox bounced back to win the number one doubles match 6-4 over Grimes and Bolkson but Noaker and Murphy lost to Tull and Gillett 4-6, 2-6 in the number two doubles match.

In Arcadia last week the Building tennis girls again proved to be too much for the Devil ladies as they posted a 1-6, victory. Rhonda Landress won Avon Park's lone match with a 6-1, 6-0 win over Stephanie Gillenberg in the number five singles encounter.

Debra Cox lost 4-6, 2-6 to Jan Dalry. Delores Cox lost 0-6, 1-6 to Tammy Treadwell. Maureen Murphy lost 1-6, 4-6 to Jill Morris and Barb Noaker was defeated by Alisa Dewey 2-6, 3-4. Cox and Cox lost 1-6 and Murphy and Noaker lost 5-8 in the two doubles matches.

Spring Field Day

The Annual Spring Field Day, sponsored by the Avon Park Recreation Department, will be held on Wednesday, April 13 from 4-6 p.m. There will be lots of games, relay races, and fun for all Avon Park kids.

If you are between the ages of 6-18 years old, plan to join in the afternoons activities. Events such as the egg toss, balloon relay, three-legged race, and tug-of-war will be featured. There will be prizes and refreshments for all participants.

Try to Attend.

THE HEART of Highlands chapter of Sweet Adelines will give a musical program Saturday night, April 2 at the Sebring Middle School with "Magic of Manatee" and "ET Ceta" as guest artists. From the left, front row: Miriam

Filippa, Theresa Greene, Shirley Gossick, Evelyn Deik, Arden Sutherland, Kathleen Whitcomb, Maurine Welch and Evelyn Jones. Director, Second row: Chris Brojek, Doris Brown, Winifred Merritt, Mabel Benson, Mary Foley,

Imogene Kelsey, Doris Harris and Sarah Talbert. Third row: Peggy Baker, Andre Albritton, Daisy Weisner, Bobby Kuber, Pat Rhoades, Pat Simmonds, Lucy McDonald and Nancy Nunnallee. Sunphoto by Lew Miller.

Adelines To Present Program At Sebring

The Heart of Highlands chapter of the Sweet Adelines will present a musical program at the Sebring Middle School at 7:30 p.m., Saturday April 2.

After several years of singing together and meeting many other requirements the Sweet Adelines received their charter from the International Adelines last September. During the Saturday night program the Heart of Highlands Chapter will have their charter formally presented by an officer of the Southeastern

Region of the Sweet Adelines. Special guests of the Sweet Adelines will be "Magic of Manatee" the Sweet Adelina chapter from Bradenton, who were winners in the southeastern region singing competition and the "ET Ceta" quartet from Orlando who were second place winners in the southeastern region singing contests. To help defray expenses of the visiting guest singers the Sweet Adelines will be accepting donations of \$3. from adults while children under 12 will be admitted free.

Highlanders Groups Entertained Sunday

Teaming up The Young Highlanders and The Junior Highlanders put on a double-barreled performance at the Avon Park Middle School auditorium last Sunday afternoon for an appreciative audience.

The Junior Highlanders opened the show with a mod opera, "Mirror Mirror" a take-off on "Snow White and the Seven Dwarfs". The first act is in the royal palace where the queen is confronted by the fact that Snow White has grown up and is more beautiful than she is.

When the queen's scheming fails to get rid of Snow White she decides to do the job herself.

The change of scenery between the acts in reminiscence of Shakespearean plays where there were no curtains and the scenery was changed in full view of the

audience. Such is the condition of the dilapidated and torn stage curtains at the middle school.

In the second act Snow White is befriended in the forest by a rock group, the Seven Dwarfs, "Little Band with the Biggest Beat." All ends well when the queen tries to poison Snow White with a banana and is given a big red Boy Scout apple for her trouble.

The Young Highlanders in their "Musical Showcase," presented a wide variety of old and familiar songs that at times had the audience keeping the beat.

Directing the two musical groups was Evelyn Jones assisted by Connie Talbot, choreographer and pianist, Don Meiser and Evelyn Deik. Assistants for the Junior Highlanders were Barbara Cribb and Loretta Ellis.

Firemen Practice Dousing Fire

damage from excessive heat.

With all water lines in readiness, Capt. Allan Ball, the Fire Department training officer, saturated the interior of the old building, plus old mattresses with diesel fuel. The torch was applied and the training session started with the four paid firemen of the department and 11 volunteers taking turns at dousing the flaming building.

A few spectators came by to watch but apparently found the repeated flare-ups and dousings to be rather tame and they soon left.

Later in the evening when the word was given by Fire Chief J. Mack Flowers to let the building burn, the glow of the fire was visible from some distance away. It was during this burning down

period that the water curtains proved their effectiveness in preventing damage to the houses on each side of the burning structure.

As for Morris Overstreet, what plans for rebuilding did he have? He related that on Saturday, or even late Friday he would be there starting to clean up the debris of the roofing, concrete pillars and unburned wood.

He plans to start building his house (himself) in late April but hasn't decided whether to build it from concrete block or wood from the sawmill where he works. To him it depended on which will be the least expensive and the quickest. But he does prefer to have a house with wooden floors. Living in Frostproof at present he may move to Avon Park while building

the house with the help of carpenter friends.

When Morris told his wife, Gladys, that he was going to burn down the old house instead of remodeling it, she was quite surprised and, according to Morris asked "Where are you going to get the money?"

This question apparently hadn't bothered Morris either, because he said he would build what he could with what money he had and borrow enough money to finish the house. And as a church-going man he had "included God in his plans."

When finished the new house on, what is thought to be the 123 E. Fifth St., will be home for Morris, his wife Gladys and their three children, 'Lil' Morris, age 21; Willie Jean, 16 and Rupert L. who is 13.

Probe Launched Into Animal Shelter

Dunty said that the committee will decide when to hold the hearings, and announce its plans in the future.

McCollum said he wished to ensure that the hearing would be open to the public. "So that people from throughout the county can come and tell their stories."

Present at the meeting, Richards made no comment throughout the proceedings.

Interviewed at the animal control shelter after the meeting, Richards denied the major allegations against him, but declined to go into specifics.

"Off the top of my head, I can't remember dates and so forth," said Richards. "So I'm not going to say something happening on one day, then find out it happened on another."

He continued, "I have been around here a long time. I don't want to lie about anything and I don't aim to."

Richards referred all questions about specific incidents to his supervisor, Charles Cullen.

"I think this hearing was called for a reason," said Richards. "All I can do is just wait to see what's going to come out of all this."

The assistant state attorney's office

said that while there have been complaints made about Richards in the past, there are no charges pending against him.

A staff member who signed a complaint against animal control officer Hollis Richards was relieved of his job, hours after his affidavit was read at county commission meeting.

Samuel "Tony" Castro notified The News that Richards returned to the animal shelter about noon on Tuesday and ordered him off the premises.

Castro was told to report to the county road and bridge department.

Castro was told, he said, to leave immediately, to "get out." He said he reported to the road and bridge department but that department did not have an assignment for him so he "sat around the rest of the day." Beginning Wednesday morning he was to be part of a "pick and shovel" crew working on the roads.

The 28-year-old Castro is married and has two children.

Castro said that when he began work in the CETA program in 1976, he specifically asked to be placed at the animal shelter. At first he was placed in the road and bridge department, but later received an appointment to the pound.

"This is my job," said Castro, "I've worked with animals all my life and I wanted that job. Now, for doing something right and reporting the truth

about what happens out there, I'm being punished. It doesn't make sense."

Although Castro maintains that he has found "Richards a pleasant man to work with," his affidavit calls for Richards' resignation as animal control officer asking the board to replace him with "someone who has more compassion towards animals."

Castro's affidavit charges that earlier in the month, Richards removed a dog from the pound without logging the removal in the records. When the commission asked what had happened to the animal, it was returned.

Castro also charges that Richards overcrowded the control truck, gave away animals before they are entered in pound records and at times cruelly mistreated the animals.

After his transfer from the pound, Castro said he was told that it would be for the duration of the current investigation into the pound.

"But nobody is willing to say how long this thing is supposed to go on," said Castro. "They might as well say I've lost my job indefinitely."

Disease Prevention

Scabbies, or "itch-mite," as the disease is commonly called, is caused by a tiny mite that burrows under the skin, causing an itching rash. Hough said that the mites are usually picked up by younger children while they are laying or sitting on the ground.

Although Hough termed a serious disorder, Hough indicated that a secondary infection of the skin could result if the disease is not treated promptly. "That makes it a little more difficult to treat," he explained.

He stressed that the best way to prevent scabbies is for parents to make sure that children are properly clothed and shod when playing outside. "It's wonderful for children to play outside," he explained. "However, parents should respect the ground for what it harbors." He added that if parents would make sure that their children wore shoes and proper clothing when youngsters played outside, they could eliminate "90 percent" of all infectious skin problems. Scabbies is not an easily transferred disease, Hough continued, and it is difficult for one child to transfer the problem to another. "Most of the infections come from playing or sitting on the ground, not other children," he said.

Scabbies usually appear on the buttocks, feet, legs or arms, as these areas are most likely to come into

prolonged contact with the ground, where the scabbies producing mite lives. He added that a good personal hygiene program is also an effective way to prevent the disease. "A good, hot bath with soap each day would probably eliminate 99 percent of the problem," he said.

Local school officials, alarmed over outbreaks of scabbies in other areas of the country, have recently sent home a

special warning to parents, outlining the steps that should be taken to insure that their children can't contract the disease. Rosenman said that any child suspected of having the infection is examined by a registered school nurse, who then sends word to the child's parents.

Scabbies is primarily a child's disease, Hough said, because their skin is thinner than an adult's and easier for the tiny mite to burrow into.

PAM WILLIAMS of Avon Park chats with U.S. Representative L.A. Bafalis in Washington, Miss Williams was one of 14 high school students selected to take part in Bafalis' annual Congressional Intern Program.

Pam Williams Observes Government At Works

Pam Williams, daughter of Mr. and Mrs. Wendell Williams, 1110 N. Florida Ave., has had a rare opportunity to observe the workings of our federal government from a first hand view.

Miss Williams was among 14 area high school students taking part in the federal 1977 Congressional Intern

program. The program is part of 10th District Congressman L.A. Bafalis' effort to educate high school students on the workings of our government.

Miss Williams, along with 13 other interns, spent the week of March 19 in the nation's capital, talking with Congressmen and Senators, learning how the federal government functions. She was selected for the honor by her classmates at Avon Park High School. Another group of 14, representing the high schools in the western half of the district, will make the trip in April.

Major sponsors for the program, which Bafalis initiated shortly after taking office in 1973 are the Rotary Club of Fort Pierce, Gulf & Western Food Products Division, U.S. Sugar Corp., Radio-TV Centre of Edinfield, Gilliam and Wiltshire of Fort Myers, Collier Development Corp. of Naples, the Fort Myers Chamber of Commerce and Fort Myers Coca Cola Bottling Co. In addition, the city of Avon Park also contributed to the program.

when found, however, he was pronounced dead on arrival at Walker Memorial Hospital. Investigators said that Lawrence apparently bled to death as a result of a single stab wound to the neck area.

Sgt. Walt Bellinger and Lt. Donnie Singletary, who investigated the case, indicated that the stabbing apparently was the climax to a lengthy argument between Lawrence and Love. An argument that started in the Lawrence home and continued outside and across the street, where the stabbing took place. Love is being held without bond, pending her next court appearance.

Avon Park Woman Held For Murder

An Avon Park woman is being held in the Highlands County Jail this week on charges of first degree murder, after she allegedly stabbed her common law husband to death Sunday.

Ruby Lee Love, 50, of 911 S. Delaney St. was charged with the murder of her common law husband, James Lawrence, 56, after she allegedly confessed to the killing while being questioned by police. Lawrence was discovered by Avon Park Patrolman Clifford Godfrey laying in the street across from the victim's home at 6:18 p.m. Sunday. Godfrey was reportedly on routine patrol when he spotted Lawrence laying in the gutter. Police said that the man was still alive

Sheriff Explains Race Charges

Approximately 200 persons worked in law enforcement at Sebring '77, but local officers did not have passes to attend the Race in a non-professional capacity. I

In response to questions raised in a letter to The Sun, Sheriff Joe Sheppard said he does not have an exact count of the number of lawmen who worked, since some were volunteers.

Sheppard said that prior to the Race he and race promoter John Greenwood worked out the pass requirements and allotments. He said officers and auxiliarymen were issued credentials to

get into the race grounds to work. The sheriff's department kept track of these credentials. He said no one was issued a pass to go in as a spectator.

Some private cars were pressed into service in order to keep a few official vehicles available for other department work outside the Race.

Both Sheppard and Race spectators were warm in their praise of auxiliarymen. Sheppard said the auxiliarymen are paid for their services, however, many members do not accept the money individually but turn their

earnings into the auxiliary treasury.

The Hialeah police use the same procedure. They are paid, but the money all goes into a special departmental fund to supply some extra "goodies" for the whole unit — parties, gifts, etc., Sheppard said.

The auxiliarymen are paid at a slightly lower rate than police — about \$4 per hour, the sheriff said.

The Florida Highway Patrol supplies men and cars for the special work generated by the Race. Sheppard said

this is a service from the state, to help local law enforcement.

Whether it is local auxiliary, out-of-town auxiliary, Highway Patrol, police from other areas, paid or unpaid, the one expense which is carried by the Highlands County sheriff's department is food.

The special fund provided by Greenwood includes a budget for food. "We feed 'em all," Sheppard said. He said many of the men individually realized no gain — unless it was weight!

Ceremonies Sunday

Groundbreaking For Auditorium

Groundbreaking ceremonies will be at 2:30 p.m. Sunday, for the new \$1.3 million community auditorium and fine arts center at South Florida Junior College, Avon Park.

Dr. William A. Stallard, president of the college, has invited the general public to the groundbreaking. He said all campus buildings will be open during the afternoon so that visitors may tour the various facilities.

The 1500-seat auditorium and center was designed by Watson and Co., a architects-engineers of Tampa and Orlando. General contractor is Ellis Construction Co. of Tampa. Construction is scheduled to be complete by July 1978.

During the past year an extensive community fund-raising program has taken place. The auditorium and fine arts complex is a pilot project under which the state government pays two-thirds of the cost, with the local community supplying one-third.

The auditorium will have the largest seating capacity of any building in the South Florida junior college district. Because of the flexibility of design, many kinds of musical and dramatic

productions will be accommodated.

The fine arts center will be wrapped around the stage portion of the auditorium, to promote maximum use

and efficiency. The center will house departments of music, drafting, engineering, little theatre and art (drawing, painting, ceramics and sculpture).

The complex will be situated on the highest point of the campus, just south of Avon Park on U.S. 27.

GROUND BREAKING CEREMONIES for the 1500 seat Community Auditorium and Fine Arts Center on the South Florida Junior College Campus will take place at the building site at 2:30 p.m. Sunday, April 3.

Competition Should Not Be Mandatory

Competition in the telecommunications industry should be allowed where feasible, but should not be forced where it leads to inefficient use of resources, Chairman Paul H. Henson of United Telecommunications, Inc. today told a U.S. Senate subcommittee.

United Telecommunications, Inc. owns and operates the United Telephone System — the nation's third largest — which includes United Telephone of Florida and the Florida Telephone Corporation (Ocala).

Henson offered his views in testimony before the U.S. Senate subcommittee on telecommunications policy. "Policy alternatives have too often been posed as a choice between competition and monopoly," Henson stated. "Such a statement of the issues is far too simplistic, and has served more to obscure than to enlighten the debate over a national telecommunications policy."

Henson said the failure to distinguish between the provision of telecommunications services and the provision of telecommunications facilities is at the heart of the polarization of views over the appropriate role of competition in the telecommunications industry.

"Those who look at the enormous economies of scale in the provision of telecommunications services are therefore a natural monopoly. Those who look at the many opportunities for competition in the provision of telecommunications services conclude that competition in the provision of facilities is desirable. Either viewpoint, if translated into national telecommunications policy would, in my opinion, be contrary to the public interest," Henson said.

Henson said the Federal Communications Commission is now committed to policies that, in the long run, result in severe social and economic dislocations for many consumers of telecommunications services and will greatly inhibit the future availability of new telecommunications services to the general public. He called on Congress to develop a national telecommunications policy that will protect and promote the interests of all consumers and proposed four objectives for such a policy.

First, he urged Congress to reaffirm the objectives of providing reliable, high-quality telecommunications services available to all citizens at reasonable rates contained in the Communications Act of 1934. He stated that this objective has been embodied in the ratemaking principles of the telephone industry.

The cost of abandoning these principles, said Henson, will ultimately

be borne by those consumers who can least afford to do so — residential and small business customers, especially those living in rural areas and small urban communities.

Second, he urged that national telecommunications policy be based on the economic realities of the telecommunications industry. Such a policy would foster and encourage competition in the provision of telecommunications services and prohibit the wasteful and uneconomic competition in the provision of telecommunications facilities.

Third, Henson said that in markets where competition is deemed desirable there should be no artificial constraints placed on the telephone industry. He said such constraints are not only contrary to

the principle of full and fair competition, but also results in effectively denying services to those areas of the country that only the telephone industry is willing to serve.

Fourth, Henson said he would support, with one exception, the policy of open competition in the provision of terminal equipment. The exception is that each customer have one telephone set provided and maintained by the telephone industry. He said this policy would ensure the continuity of service to every customer so as to protect life and property, and provide a means to isolate service problems. It would also promote technological change while offering the customer a degree of protection against technical obsolescence.

MEMBERS OF THE Avon Park Junior Women's Club once again manned their first aid trailer during Saturday's March of Dimes Walk-A-Thon. Pictured are (l to r) Judy Mundt, Lynette Sheppard and Betty Hart. (Sunphoto by Russ Dennis)

Walkers Pledge \$15,105 In Trek

Highlands County March of Dimes officials are busily tabulating the results from Saturday's annual Walk-A-Thon, which attracted a total of 580 walkers this year. That figure is slightly below last year's turnout.

Volunteers turned in pledges amounting to \$15,105. Walk spokesmen said that of the 580 persons starting out on the 25 kilometer trek, 461 actually finished.

An Avon Park resident, Pep Hutchinson, 29, was the first of the volunteers to cross the finish line, running the slightly more than 15 miles in 1 hour and 50 minutes. Second to finish was a Sebring High School track member, Mike Harnage.

Walkers have been instructed to turn in collected pledge money to any Highlands County bank, where March of Dimes personnel will collect it.

Broken down by communities, 312 walkers were from Sebring, with 246 of their number finishing the march. A total

of 170 persons took part from Avon Park, with 135 completing the walk. Although Lake Placid sent only 98 volunteers, 80 of that number finished.

Money pledged per community is as follows: Sebring—\$7,941, Avon Park—\$4,700 and Lake \$3,362.

Walk officials said they wished to extend thanks to the many private citizens who opened their homes along the walk route, providing marchers with water and restroom facilities. In addition, special thanks went to members of the Highlands County CB H.E.L.P. Club, Burger Queen, L.L. Col Donald Griffing, WJCM Radio, The Highlands County National Guard Unit, The Avon Park Jr. Women's Club and the Sebring Jr. Women's Club.

Volunteer marchers, aside from raising money to help fight birth defects, also proved a point—an army does travel on its stomach. Over 1,000 hotdogs were consumed by those taking part in the trek.

Water Management District Opens Office

The Southwest Florida Water Management District, which includes the Sebring and Avon Park areas of Highlands County, has opened a public assistance office in Bartow.

This office and district service representative Ralph Rickels will be available to help persons who need help in applying for a consumptive use permit. The rules for permits in northwest Highlands County have not been completed but are now being formulated. Once these rules are formally adopted existing users will have two years in which to apply for a use permit. New users or existing users seeking to expand their use will be required to obtain a permit before beginning to pump.

The Bartow office is located at 2020

State Route 60 East and is open Monday through Friday from 8 a.m. to 5 p.m. The telephone number is 333-0591.

Chamber Dinner Postponed

The Avon Park Chamber of Commerce members dinner originally scheduled for Thursday April 7 has been postponed because of the many activities centered around the Easter season, stated Betty Jordan, chairman of the annual event.

As yet no date has been set for the chamber's yearly membership dinner and get-together. However, the new time and date for the dinner is expected to be announced in the near future stated Betty Jordan.

Program On Palm Sunday At Presbyterian Church

Palm Sunday at the First Presbyterian Church of Avon Park will be marked by special music by the Adult Choir, the Church Organist, the Children of the Church, and the conclusion of a series of six Sunday morning and Sunday evening Lenten sermons.

At the eleven a.m. Morning Worship, the children of the church carrying Palms, will have the Processional and Recessional. The choir will sing "Halleluiah." They will also sing "Hosanna" Marie Frost, and "How the Children Welcomed Jesus" Dorothy Peterson. The Adult Choir will sing "The Palms" (Les Rameaux) J. Faure.

During the observance of the Lord's Supper the Adult Choir will sing "In Remembrance of Me" Bury Rd. and "There's Room at the Cross for You." The congregation will sing "All Glory, Laud, and Honor," "Ride On! Ride On! In Majesty!" "Alas and Did My Saviour's Blood," and "O Thou My Soul, Bless God the Lord."

The Church Organist, Mrs. Doris Albrecht, will play special Palm Sunday music: Postlude: "Christ Weens Over

Jerusalem", Offertory, "King of Kings" O'Hara, and Postlude "Ride On in Majesty" Arr. by Perry.

John Wright is the Church Choir Director, Clara Rion is the Church Pianist, and the music by the Children of the Church is under the direction of the teachers in the Sunday School.

The sermon at Morning Worship will be the final sermon in the Lenten Sunday Morning series by the pastor: "Getting the Best Out of Life."

The series has been based on the Beatitudes of Christ taken from the Sermon on the Mount. There will be the regular quarterly observance of the Lord's Supper.

At the Sunday Night service at 7:30 o'clock, there will be the last in a series of six Lenten sermons, "The Significance of the Cross." The Rev. Harold Probes will be the concluding speaker in the series which has brought to this special Lenten Series six out of town ministers.

The topic of Pastor Probe's sermon will be: "The Cross: It's Ugliness."

Probes is the pastor of the

Trinity Associate Reformed Presbyterian Church in Tampa. He is a member of the Florida Bar and practiced law in Boca Raton before entering the ministry.

He is a native of Schenectady, N.Y. He has an A.B. degree from the University of Miami, a J. D. degree from Tulane University an M.D. from Reformed Theological Seminary, and a THM from Princeton Theological Seminary.

He was ordained to the Gospel ministry in September, 1965 by the Florida Presbytery. He is married to the former Christine McCall of Montgomery, Ala. The Probes have one son Brett.

At the service, the Adult Choir will sing "At the Cross."

A cordial invitation is extended to all to attend the Palm Sunday services.

Revival At Church Of God

Young female Evangelist Darlene Hull will conduct a two (2) weeks Revival at the Church of God, 106 N. Florida Ave., Avon Park.

The opening service will be Sunday morning 11 a.m. April 3 and continue through Sunday night April 17. Service time is 7:30 week-nights and 7 p.m., Sundays.

Evangelist Hull is 17 years old and has been preaching since age 15, when she said she called on a God to go and preach the Gospel.

Miss Hull is musically talented also. She states that God has given her 29 songs. Darlene accompanies herself with the guitar.

Pastor Searcy highly recommends this young lady Evangelist as a dedicated handmaiden of the Lord and anticipates an outstanding fruitful spiritual harvest.

The local choir will be ministering nightly in addition to other local musicians.

Evangelist Hull said, "Come Expecting A Miracle!"

Arrangements by Shore's Funeral Home Frostproof, Fla.

Mrs. Hazel Overstreet Guerdner

Funeral services for Mrs. Hazel Overstreet Guerdner, 68, who died early Saturday morning at Florida Hospital South, Orlando, Fla. were held Monday, March 28, at 11 a.m. in the First Baptist Church, Avon Park, with the Rev. A. D. Childress officiating.

Interment was in Bougainvillea Cemetery.

Mrs. Guerdner was born at Lake Butler, Fla. and came to Avon Park from Ft. Meade with her parents about 45 years ago. She taught school in the Berea community for many years.

She was an active member of the First Baptist Church, past president of the Women's Missionary Society, taught in the Intermediate and young peoples department of the Sunday School.

She leaves her husband, Harold F. Guerdner Sr. of Avon Park; one daughter Mrs. John (Cheryl) Durning of Orlando; one son, Fred Guerdner Jr., Avon Park; three grandchildren; one sister, Mrs. Webb (Irma) Hazen, Avon Park.

Funeral services were held Monday, March 28, at 3 p.m. in the Church of the Nazarene, Avon Park with Rev. Byron Schortinghouse and Rev. Joe Benson officiating. Interment was in Bougainvillea Cemetery.

Stephenson-Nelson-Smith Funeral Home in charge of arrangements.

Quida Durance Peoples

Funeral services for Quida Durance Peoples, 80, who died Tuesday, March 22, at Walker Memorial Hospital will be held Thursday, March 24, 11 a.m. in the Stephenson-Nelson-Smith Chapel with Rev. B. A. Williamson officiating.

Interment in Bowling Green Cemetery, Hardee County, Florida.

Mrs. Peoples was born in Polk County and came to Avon Park in 1936 from Bowling Green. She has managed the Avon Park Hotel for 28 years and was a member of the First United Methodist Church of Avon Park.

She leaves one daughter, Mrs. Lillian Gilson of Hawthorne, Fla.; five grandchildren; seven great grandchildren; two sisters, Mrs. Adele Caudy, Avon Park and Mrs. Susan Strickland, Lake Wales.

Stephenson-Nelson-Smith Funeral Home of Avon Park in charge of arrangements.

William R. Arnold, 22, son of Mr. and Mrs. Willie B. Arnold, 114 W. Pleasant St., Avon Park recently was promoted to Army sergeant while serving as an assistant squad leader in Company B, 20th Engineer Battalion at Ft. Campbell, Ky. He entered the Army in November 1974.

His wife, Joyce, lives in Oak Grove, Ky.

He is risen

Rejoice, for Christ has conquered the powers of darkness and despair! His resurrection brings us new life, new hope. Let us share our joy with friends and family and glorify the Savior in prayer.

Hunters
Beware!

THE UNIQUE SCENERY of the Everglades includes glimpses of animals, such as the Osprey, an eagle-like bird, who can live either close to man or in the Wilds.

Hawks Protected

By Harve K.

Anyone out with a gun who takes a shot at any of the hawk family of birds, or worse who kills or wounds one of them, can be fined as much as \$5,000 as well as spending time in the slammer.

It is now recognized that these birds, as well as most others, do mankind much good. Modern Civilization just can't get along without birds. Of all the birds I know, I believe there is only one species, that maybe called a cowbird, that could be the pest. That could be the pest. It is the species that only lays one or two eggs at a time, but it lays them in another bird's nest, when the parent bird is off the nest. The young cowbird is hatched from its egg in only 12 days. As the

robin or other bird sets on their own eggs, these eggs come to life in about 19 or more days. The young cowbird has quite a head start, has grown very fast, and when the newly hatched good birds, need food, the young cowbird or cowbirds, hog much of it, and the good, legitimate ones starve, or get pushed out of the nest.

Maybe the cowbird isn't all bad and someday we'll find out it has a useful purpose. Hunting is fun and meat on the table, but a hunter these days has got to know what his legal game is. Just be extra sure you don't take a shot at an eagle, osprey, which belongs to the eagle family, a hawk or owl. With both State and U.S. wardens on the watch, a bad shot could be double trouble.

Camping Is An Ideal Vacation Experience

We here in Florida and particularly in the more or less Avon Park wide open places, are very close to an outdoorsman's heaven. With the many lakes, streams, forests and just back woods countryside, most of us are only minutes away from the big sky and blue waters of Mother Nature.

To pack a picnic lunch and take an hour or two off and get away from the roaring noise of traffic, to be able to look upwards at night and see the stars without having neon signs glare back and blot out their twinkles and the pattern of the dark purple clouds; to have just a little campfire, maybe roasting a few marshmallows and a hotdog or two, makes for an outing that is a little akin to the life style of so many of our great grandparents as they took to the wilderness in the trek to start a new life.

Enlarge on the few hour picnic and you become a camper. Now, if for just overnight you can rent, buy or borrow a tent (if you do not already have one). Have a family pow-wow on choosing a place to (not very far away), and be off on a two day stay, instead of the 2 hour evening picnic. You're in the camping spot.

Choose a campground that has swimming or boating facilities. Those sports will give a little more variety to add to hiking, bird watching and other in-camp fun and yodeling. A good camper always has a spic and span area around his camp site. Another most important camp rule is to always be mindful of

your camping neighbors. The Golden Rule always is most important, no blaring radios, no campfire smoke blowing their way, etc.

From the overnight or weekend camper, we seek out a vacation that is enjoyed for a week. If you are extra fortunate, 2 weeks. With more time, further distances from home become a reality. History and geography are added to the other camping fun, but we here, close to our Highlands homes, have much to see and do. From any state park, such as Highlands Hammock, folders and booklets may be had suggesting other campgrounds to visit. For instance, Myakka State Park, only about 75 miles west of us. Everglades National Park, 2 or 3 hours drive south of us. Go north 80 or 90 miles and you have Withalacoochee and Ocala Parks and campgrounds.

If you have never camped out overnight, stay close to home at first. As you become more adapted to camping and its fun, then aim your trips to longer jaunts. I know one outdoors oriented family who started their camping right in their own backyard. This way, they found out what camp items were needed, which things were unnecessary and could not be spared trunk or trailer room. Each camper should have their own bag for tooth brush and extra pair of socks.

If your family started out with a tent-and it's a wonderful start, sooner or later you'll graduate to a fold-out trailer, a camping trailer or a truck camper. Maybe even a motor home, 5th wheel or something in that category. Don't forget, in the near future gasoline prices may well go up to a buck and a half a gallon. A large house trailer or 5th wheel, which may use up to a gallon of gasoline every 4 or 5 miles, could well be expensive for most of us to camp in.

I have a travel trailer and I love it, but a year ago I bought a foldout trailer and that is really my favorite now, even pulling it with my Pinto (remember I'm the guy who drives no more than 50 MPH) I can average 18 MPG with it. It takes me about 1/2 hour to set it up and be ready for a meal and or a good night's sleep.

Many old time campers would much rather stay in private campgrounds. Facilities most of the time are a bit more modern-some even have baby sitters and then too, reservations can be made in

Baits And Lures Used For Fishing

By Harve K.

Last week, in these columns, we wound up the 3 part story of fishing poles and rods. Generally the 3 basic ones are the bamboo pole, the spincaster, the spinner, the bait casting-level wind and the fly casting rod and reel.

For good measure — and honesty, the short stubby ice fishing rod with the single action reel should be included, though even with our chilly past few months, with a bit of ice on a water pool, early in the morning, I just can't picture Florida lakes ever ice covered enough to hold up a man. For accuracy, I believe it takes an inch and a half of clear frozen ice to support an average man. An ice fisherman either stands or sits at his 12 inch diameter drilled or chopped out hole. If angling with a minnow, the rod is usually held still. If an artificial jig is being used, it is raised and lowered just enough to give it a resemblance of being alive, not more than an inch or so. Minnows are usually hooked in the back — just under skin.

advance. Many state or national camps do not have this arrangement. A phone call to the private camp will set you up, and you can learn their rates and other information, in seconds.

One of the musts of camping is the purchase of a camp ground directory. Woodalls, is the most complete and lists grounds, what the sites offer, how to get to them, and much more info for new and accomplished campers.

as many other campers, started out with a tent. I still have that 30-year old tent. On many occasions I still take the tent and use it. It makes a fine storage room for fishing rods,

lawn chairs and other camp gear-and when folded down takes very little space. My kids would rather sleep in it. I guess it brings out the Apache or Seminole, in them. For Canoe camping it's the only thing!

On most of the longer stays, we also take our bikes. A rack holds them very well, above the trunk.

All of the above is just a start. Camping knowledge could well cover books and more books.

Don't look down your nose at the 'Old' regular tent, most of the regular campers started off that way and still brag about the 'Good old days' when we either camped under a tent flap or just under the stars.

Wilbur Johns (left) and Bill Bond of Avon Park caught these 75 shell crackers and one catfish (weighing 3 pounds) at the Kissimmee River. Not pictured but they helped catch the fish were Christine Johns and Joe Prescott. Sunphoto by Barbara Cornell.

Recreation Vehicle Court Ruling Hailed

BY HARVE K.

The Supreme Court of the United States has refused to review the so-called "Euclid" case, which had earlier been appealed from the Ohio Supreme Court.

Officials of the Recreation Vehicle Industry Association, which provided funds to support the plaintiff's action in the case, called it a major victory for RV owners and the industry as a whole.

The decision on which the high court ruled stipulates that it is unconstitutional for a municipality to regulate the parking of RV's only, and not regulate the parking of similar vehicles.

"We are most gratified by the Supreme Court action," David Humphreys of Paulsen and Humphreys, RVIA general counsel and assistant secretary of the association, stated when the decision was announced.

"With the findings, a precedent has been established which should benefit recreation vehicle owners throughout the United States." The case, which has been heard and reviewed in four

different courts, originally involved several Euclid, Ohio residents who are camper owners.

A Euclid ordinance, passed several years ago, placed severe restriction on the home owner's right to store a recreational vehicle on his property, and made it a misdemeanor crime to do so.

The home and Rec. owners lost in their first court battle, then succeeded in getting the decision reversed in an appellate court, with their cause aided by the Recreation Vehicle Dealers Association and others in the RV industry.

The city appealed that decision to the Ohio Supreme court some time ago, then to the nation's highest tribunal.

The RVIA has provided all funds to pay counsel fees for the plaintiff in the case, Mr. James Fitzthum of Euclid, in the final two appeals.

So this cleared the air about parking a rec. vehicle around your home, of course one could not blame your Lake Placid or Avon Park, etc. nabor, from objecting, if you parked an old "junkie" close to their front

door, or obstructed their lake view with it.

Nature Is At Your Door

AMONG THE RICH and varied wildlife that abounds in our area is the alligator. A living fossil, this fellow makes his home in the Highlands Hammock wilderness area. (Sunphoto by Russ Dennis)

THIS NOCTURNAL SPIDER with a fuzzy brown body with a white pattern on its back, puts up its web at night, across a 7 1/2 foot span between a building and a tower post and takes the web down in the morning. (Sunphoto by Lew Miller.)

Harve Kollman's Best Fishing Hours

Water temperatures in the Highlands area, are about a degree when fish catenings should be good. The worst part of the deal is that water temperatures are about

perfect for the bass — and the croppies to be on the spawning beds, too. I think, and many of my good sportsman friends coincide with the tho't, that bass, especially, should be 100 per cent protected from we fishermen at spawning time.

Thursday, March 31, 8:45 a.m.; Friday, April 1, 9:30 a.m.; Saturday, April 2, 11 a.m.; Sunday, April 3, 12:15 p.m.; Monday, April 4, 1 p.m.; Tuesday, April 5, 1:45 p.m.; Wednesday, April 6, 2:30 p.m.

Continued From Page 7-B

Fishing Lures

Grubs out of cattails and goldenrod are also used. For the most part, panfish and walleyes are the most often caught fish. More important than the right kind of fishing rods and reels is the choosing of the correct winter clothing. Warm insulated boots and pants and jackets are a must. Very seldom does anyone fish through the ice when the temperature is above freezing.

If you have never ice fished, by all means give it a try, when you do go North. To get back to lures — they can be divided into two main categories. That being live and artificial. The live ones are the worms, minnows, grasshoppers, etc. The artificials, are the plugs, the spoons, spinners, flies and worms.

The artificials can again be divided, the floaters and sinkers. Colors could be another division. Generally speaking, when the water is calm, the surface lures are the most productive. When the water is rough, sinking baits are the best. That means the spinners, spoons, diving plugs, and plastic worms and eels. Of course floating lures can be made into divers by sinkers, put ahead of the cast out lure.

The cast out a fly or popper on a rod other than a fly rod, a plastic "cubicle" out up the line, a foot or 2, makes a fly rod out of most any spin or spincasting outfit.

As a rule, for nite fishing, the more successful colors are the blacks or dark browns. For bright sunshine use the lighter, shiner lures. Be very sure that after you have been fishing in salt or brackish water that each evening, you immerse your whole rod and reel in fresh water. A little detergent added to the water, will help dissolve away brine that may be adhering to any surface. A bath tub is a good place to freshen up your rods and reels, even if you have to take the rods apart at the joints. Also be sure you wash all tackle and hooks that were used.

One last tip — on unloading your boat after a days fishing, and especially after dark, do not lay any rods or reels on the shore. Many are broken by being stepped on. Many get sand in them and become half ruined. Many are lost, when forgotten. If possible stand them against something, to one way or another save them.

One tackle box tip, keep it closed when fishing. Not telling when, as you land a big fish in a boat or on a pier, that big fish in his thrashing about, will scatter your tackle like cow chips before a Florida hurricane!

Sea Food Cooking

"Florida Seafood-Preparing One and Two Servings" is the topic of a seafood demonstration by Debra Sims, Seafood Merchandising Specialist with the Department of Natural Resources.

The demonstration will be from 2-4 p.m., Thursday, March 31st, Room 101, Lecture Building at the South Florida Junior College.

A COMMON SIGHT along Florida highway's is the nine-banded armadillo. This fine specimen was apparently looking for his afternoon meal. (Sunphoto by Russ Dennis)

THE FLORIDA BLACK snake is a useful reptile, one that helps to keep the land free of rodents and other pests. This fellow measured just 4 feet. (Sunphoto by Russ Dennis)

You be the judge

...when price is the difference.

Compare these three quality, brand name 8 HP lawn tractors. Wheel Horse, John Deere, and International Harvester. Each is known for its performance and dependability.

Now compare prices. An independent shopping survey taken in January, 1977, among dealers in over 25 major U.S. cities specifically showed, the average of the actual quoted prices for the John Deere 100 was \$1364; the International Harvester Model 81 was \$1286; and Wheel Horse A-90

was \$1068. In some instances, I.H. and J.D.'s average actual quoted prices were comparable or lower than Wheel Horse.

Prices do not include local taxes. Some prices were higher, some lower. Check your local Wheel Horse Sales Inc. dealer for his prices. Consistently, Wheel Horse delivers price, performance and dependability that are hard to beat.

Why pay more when you can own a

Wheel Horse!

As he sat the Sebring Homes Inc., in his eighty days when he set-up the Christian Avon Park

During Union Sem contacted by he would co teach for two private

He Taught One Of China's Great Leaders

photo and text by Barbara Cornell

As he sat in his small apartment at the Sebring Manor (Florida Brethren Homes Inc.), Dr. William N. Tuttle, now in his eighty's, reminisced his younger days when he taught in China and helped set-up the Florida Congregational Christian Conference on Lake Byrd, Avon Park.

During Dr. Tuttle's senior year at Union Seminary College he was contacted by the Y.M.C.A. and asked if he would consider going to China to teach for two years (1915-1916), in a private school.

He quit college in the middle of his senior year and left the United States for Tein Sien, on the coast of China where he would teach at the Nan Kai school.

During his senior year at seminary college he quit to teach in China for two years.

Nan Kai was originally started by Chang Po Ling, a wealthy man, for his sons and his friend's sons to attend. The first classes were held in Chang's ancestral temple until they grew too large.

While teaching at the school, one of Dr. Tuttle's students was a 17-year-old slim youth named Chou-En-Lai, who was later to become one of China's greatest statesmen. He served as premier and foreign minister of China under the leadership of now deceased Mao Tse-Tung.

Concerning Chou's abilities as a student, Dr. Tuttle said, "I really don't remember too much about him. He was just one young student out of 50 in that class."

"The Chinese teachers could teach the students to read and speak English but they could not teach them the correct pronunciation of some of our words. That was to be part of my job, plus teaching medieval history, philosophy, and advanced English," Dr. Tuttle said.

He continued, "China's schools were not as modern as the one here in the United States. Their standards were not as high either. If they decided China needed more engineers, they would start an engineering school. Or maybe they thought the students needed to know more about fishing, so they would start a school about it."

In China they did not have educational schools at any level.

"Another teacher and I gave a party for our college class. We drummed up quite a few girls, but we did not get as many as we had boys. They hardly knew how to act around each other. But I think they liked the party pretty well," said Dr. Tuttle.

He added, "Marriages over there did not result through a boy dating a girl. The fathers of the couple would get together and decide it would be nice if their children were married and that was it. I guess they learned to love each other after they were married."

One of the things he enjoyed very much during his stay in China was visiting a Chinese family for one summer. They had son's about the same age as Dr. Tuttle and they would play tennis in the morning and go swimming in the ocean every afternoon.

One of the things that amazed Dr. Tuttle was everyone purchased a great deal of their food from people on the streets and much of the food was already prepared.

Dr. Tuttle chuckled as he recalled his return to America. In 1917 he was married, graduated from Union Seminary and ordained to the ministry all in one week.

After he was ordained as a Congregational minister Dr. Tuttle served the pulpit in several locations before moving to Florida.

During 1944, Dr. Tuttle was appointed the first superintendent of the Florida Congregational Christian Conference at Lake Byrd Lodge on Lake Byrd, Avon Park.

When Dr. Tuttle first came to Avon Park to organize the conference only 30 or 40 churches were in it. Upon his retirement the organization had grown to twice that size and had about 40,000 members.

"Marriages over there did not result through a boy dating a girl."

Dr. Tuttle saw a China during his two year stay that many white men have never seen and will never be seen again. It was a time of modernization when they were just getting lights and telephones so they could communicate with other parts of China.

The empire was run by a war lord, Shih Kai, who through a revolution put himself on the throne of China.

Dr. William N. Tuttle

New Officers installed on March 24th for the Founders Circle Garden Club were: Mrs. Lou Grose, President; Mrs. Michael

Demko, Vice President; Mrs. Alice Shader, Corresponding Secretary; Mrs. K. H. Oelschlaeger, Treasurer; and Mrs.

J. R. Heiring, Not pictured, Mrs. Robert Rulison, Recording Secretary and Mrs. Ethel Donaldson, Chaplain. (Sunphoto Barbara Cornell).

Historian, Missing from the picture, Mrs. L. R. Fillmore, Correspondent (Sunphoto by Barbara Cornell).

At Florida Power Building Garden Club Officers Installed March 24th

The Avon Park Federated Garden Club met at the Florida Power Lounge, Florida Power building last Thursday morning March 24 for their annual installation of officers.

Guest speaker for the occasion was Raymond Austin who explained to the club about aquatic plant control and fresh water aquatic life. He urged all interested in the environment to write letters to our representatives or Senators to delegate the authority to our responsible group, as it now is, too much money is lost in overlapping authority. Mrs. C. W. Neubaer read the minutes of the last meeting and the Secretary's report. Mrs. O. F. Laye gave the treasurers report.

New officers were installed with Mrs. Raymond Glenn reviewing the purpose of the Garden Clubs. She also served as

installation officer. Officer installed for the Federated Garden Club were: President, Mrs. C. J. Delk; Vice President, Mrs. M. K. Sawyer; Recording Secretary, Mrs. G. W. Neubaer; Corresponding Secretary, Mrs. L. R. Fillmore; Treasurer, Mrs. Guy Decker; Chaplain, Mrs. H. Bussard; Historian, Mrs. J. R. Heiring.

New officers of the Founders Circle Garden Club are President, Mrs. Lou Grose; Vice President, Mrs. Michael Demko; Recording Secretary, Mrs. Robert Rulison; Corresponding Secretary, Mrs. Alice Shader; Treasurer, Mrs. K. H. Oelschlaeger; Chaplain, Mrs. Ethel Donaldson; Historian, Mrs. J. R. Heiring.

New officers for the Hibiscus Circle are: President, Mrs. M. K. Sawyer; Vice President, Mrs. Fuschia Anderson;

Recording Secretary, Miss Mildred Myers; Corresponding Secretary, Mrs. G. L. Smith; Treasurer, Mrs. G. W. Neubaer; Chaplain, Mrs. G. Kelsey; Historian, Mrs. G. W. Haynie.

Each of the Federation officers received a lovely orchid corsage provided by the Avon Park Correctional Institution Nursery.

Mrs. C. J. Delk was voted to represent the Garden Club members at the convention this year in Tampa, Fla.

At the conclusion of the meeting everyone enjoyed the pot luck luncheon, served at tables beautifully decorated with spring baskets of colorful gerber daisies arranged by Mrs. O. F. Laye.

Easter decorations were also used to add to the festive occasion.

On The Consumer's Side

If you as a consumer have been misled, deceived, or have questions you need clarified, call the toll free telephone number of the Florida Department of Agriculture, Consumer Services, Tallahassee: 1-800-342-2178.

Question: Does your office recommend brand names to buy when consumer purchase appliances? The Division of Consumer Services cannot recommend one brand over another in any product line. Some facts about appliances that might be helpful, though, are found in a statement by the Major Appliance Consumer Action

Panel (MACAP). MACAP is a group that accepts complaints and receives comments on appliances from consumers. They assist consumers when the problem cannot be resolved by the dealer or manufacturer. Here are some comments they offer about purchasing appliances.

The most important consideration for wise buying is focusing on individual needs and preferences, which will determine the style, features, size, energy requirements and fuel possibilities that should be investigated. A decision at point of purchase should

be the culmination of an intensive study of material available about a product—manufacturers' brochures and specification sheets, magazine and newspaper editorials and articles, trade associations, state extension and Federal government bulletins are examples.

In addition, there can be no substitute for comparison shopping of like models, a process in which the consumer visits various appliance dealers to see features demonstrated, learn what salespeople have to say about different brands and, of course, compare appliance costs at

various retail and discount sources. It is also important for the consumer to establish with the dealer who will be responsible for post-sale obligation such as delivery, installation and service.

MACAP's experience with complaints shows that appliances selected as a result of such investigation will provide greater satisfaction, because the financial investment in a major appliance is significant, and the product becomes an integral part of household operation for many years, the time spent in research buys dividends. If

you are considering the purchase of a large appliance, ask yourself the following questions.

Have you: Budgeted for the Appliance? Checked the space available for installation, including extra space sometimes necessary for proper appliance operation?

Decide on the size appliance needed for your family's lifestyle? Checked for safety and certification seals?

Determined which features will really be used? Considered Quality of construction? Selected color and style that adapt to existing decor?

Established the cost of delivery and installation? Investigated the cost of fuel to operate the appliance? Chosen a reputable dealer? Asked if the dealer services appliances he sells and if not, who does? Comparison shopped? Asked to see the use and care manual and warranty before purchased?

Beautiful Looking and Cooking

Save 40% on Heavy Gauge
Porcelainware from Publix.

Brighten your kitchen and enjoy better cooking with
"Mushroom" designer ware from General Housewares Corp.

This is the porcelain-on-steel cookware scientifically engineered for superior cooking performance. For more flavorful, more nutritious meals — easy, carefree clean-ups — and years of beautiful service. With its charming tangerine and gold mushroom motif set against soft beige and brown, it will enhance your kitchen decor. And because it's designed to distribute heat evenly, foods require less cooking time and use lower heat settings — so you save on expensive fuel bills.

But, the best savings of all is the money you'll save collecting "Mushroom" cookware at Publix. Each week, we'll feature a different piece that can be yours at extra special savings with a minimum \$5 grocery purchase. So pick up the featured pot or pan when you do your weekly shopping. And, before you know it, you'll have collected a complete set at remarkable savings.

Specially fit covers lock in flavors and enable you to cook with minimum water.

Non-porous porcelain interiors resist staining and sticking — wash clean in a jiffy. Dishwasher-safe and detergent proof. Stainless steel rims protect porcelain from chipping or scratching.

Stay-cool phenolic handles and knobs.

Flame-guards prevent handles from being scorched.

Space-saving stackability.

Colorful "mushroom" design is permanently fused — won't chip or fade.

Grange Holds Mortgage Burning Ceremony

A mortgage burning ceremony was held at the meeting of Avon Park Grange March 22.

This was part of an observance held at the National Grange building in Washington, D. C. and in Grange halls across the nation in celebration of the debt retirement.

Constructed and dedicated in 1960 the National Grange headquarters building is located a block and a half from the White House and is the only piece of privately owned property in Executive Square.

Lloyd Wyant, in his remarks on the significance of the occasion, said: "It is an eleven story building with the National Grange staff occupying the two top floors. They maintain a conference room on the first floor and printing and mailing in the basement. The remaining floors are rented to tenants."

The building stands as a fitting tribute to leaders who contributed to the growth and strength of the only family fraternity which has continued service for one hundred ten years.

Included in the ceremony were plane solos by Lillian Seegar, "Bless This House" and "The Lord's Prayer." The benediction was given by the Chaplain, Bessie Trade.

New APCI Facilities Inspected

President Grace Boney sponsored 17 garden club members and their guests, for a tour of the newly developed section of Avon Park Correctional Institution (A.P.C.I.) on March 17th.

The appointed meeting place was at the home of Mrs. M. K. Sawyer, who is incoming president of Hibiscus Circle Garden Club, and also incoming vice president of the Garden Federation.

At the entrance of the tour, club members were met by M.K. Sawyer, assistant superintendent of A.P.C.I., who graciously welcomed the group, and presented Lieutenant Pitkin, who efficiently conducted the tour.

The first division attended, was the central control building containing a visiting area, offices of the chief correctional officer, duty officer and visiting investigator.

This building is well equipped for screening and investigating. All inmates are screened in one of three divisions—either, medium, close or minimum.

The second station visited was the multi treatment complex building, with offices for dentists, doctors, classification officers, and counselors.

The third building on the tour, was the dormitory where the inmates will be housed.

The cost of the new complex buildings is four and one half million dollars.

Opening date for occupancy will be in April 4th, which will bring in about 700 additional inmates, making a total of approximately 1400 men.

A.P.C.I. is now the largest such institution in the state of Florida.

All citizens of Florida should be proud of these stately strong new buildings, with adequate space and facilities, which will help to rehabilitate the inmates, hopefully, to a new and better way of life.

Student Is Honored

Debbie Flowers, daughter of Mr. and Mrs. H. M. Flowers, a junior at Florida Technological University in Orlando, was named to the deans list for the winter quarter.

In order to make the deans list a student must have at least a 3.4 grade point average and be attending school full time.

For this past quarter Debbie had a 4.0 grade point average. She received her Associates of Arts degree at South Florida Junior College, Avon Park, in May 1976 and is now majoring in Secondary English Education at F.T.U.

The Lecturer presented a skit, "A Scene in a Doctor's Office," by Donald Mason, Oliver Colson and Lloyd Slocum; a relay race and a thought for the day—A small town is the place where a fellow with a black eye doesn't have to explain. They already know.

Following a pot luck supper the business meeting was opened with Lloyd Wyant presiding, State Deputy Alfred Churchill and Junior Deputy Mrs. Churchill from Peace River Grange were honored guests.

They were making their official visit to Avon Park Grange. Other guests were: Mr. and Mrs. Paul Taplin of Barre, Vermont; Mr. and Mrs. George Dunn of Mt. Vernon, Ohio and Mrs. Lucile Doug of Utica, Ohio.

Resolutions adopted were: 1. to have the American Marigold proclaimed the National floral emblem; 2. that all beverages be sold in recyclable containers requiring a deposit; 3. urging Congress to abolish the electoral college.

A work day was to be set for trimming shrubs and doing spring cleaning around the Woman's Club hall.

March 27 was announced as Grange Sunday when members would attend morning service at Union Congregational Church.

A card from Minnie Swanson in Indiana, said that Ed was in the hospital recovering nicely from surgery.

Money received from the sale of aluminum would be sent for the State and National Grange youth programs. Five pairs of eye glasses would go to the Lions Club for their project.

The next meeting of Avon Park Grange will be April 12 with a pot luck supper at 6:30.

The CWA committee will feature an Easter parade and would like everyone to wear an Easter costume. The sewing contest garments will be modeled that evening also.
