weather reports and when the ice goes away and the lake warms, it's off to Lake Linden, Michigan to spend the summer.

HAPPY BIRTHDAY!!!! To our good friend and neighbor Earl Ames of Princeton Avenue, Earl celebrated his 84th birthday Monday, April 11. **HAPPY BIRTHDAY WISHES** from all in Sun Ray, Earl, and may you have many more.

Robert and Jessie O'Boyle of Harvard Avenue have her sister Mrs. Adele Pate visiting with them from Pasadena, California. Before coming to Sun Ray, she spent a couple of weeks with her other sister, Mrs. Verna Chase of Sarasota, Fla.

Grandma Stella and Grandpa George Delano have their daughter Carl and son-in-law Mark Schwartz and their three sons from Winthrop, Massachusetts down from the

old country for a couple of weeks. Adam, who is the youngest grandson, is seventeen months. Cheryl and Thomas Ballard and their three children all came down over the weekend from Leesburg. Thomas is now on the Meadowdale Dairies in Leesburg and they moved up there a couple of weeks ago. Lynn came in from Sebring so there was a good 'ol fashioned family reunion.

OUR SICK LIST HAS GROWN, SO SORRY TO REPORT:

Mr. Anderson of Harvard Avenue is in Walker Memorial Hospital.

Mr. Carlisle of Princeton Avenue is in Walker Memorial Hospital.

Mrs. Nichols of Yale Avenue is in Walker Memorial Hospital.

Mr. Grady Durrance is in

Lake Wales Hospital.

Mrs. Elna Harrison is still in Lake Wales Hospital.

Mrs. Fred Cox (Elsie) is home from Walker Memorial Hospital.

Mrs. Eva Compton is now home and asked that I please thank each and everyone for her who sent so many lovely flowers, cards, and so many wonderful phone calls that made the many hours pass so much quicker. For the many prayers that were offered and the gracious people who gave blood on her behalf that was so badly needed for her recovery. God Bless all of you wonderful people.

Mr. Morris Anderson is now out of intensive care at Walker Memorial Hospital and is in room 206. If you should get to the hospital please stop in and say HELLO!!! to Morris.

Thursday, May 5th was the 46th wedding anniversary for the Andersons. I know both Verna and Morris would enjoy a card from their many friends

in Sun Ray for this real special occasion.

May 5th seemed to really be a special day for lots of folks here in Sun Ray. Mary Triplett celebrated her birthday on Thursday. Mary admits to thirty-nine but that's it!!! Only kidding Mary, but HAPPY BIRTHDAY honey.

Let's all get a card off to Don Robinson, Nertensia Road, Victor, New York 14564. Don is the son of Floyd and Dora Robinson our good neighbors and friends. Don had a bad heart attack just before Easter, so let's just show Don how much we all dearly love his Ma and Pa.

For those of you that are wondering, John says to tell you we are putting a new sign on the south end of the parking lot to match the sign on the north end of the lot. We plan to put flowers and plants around it just as we did the other. Later on, we will plant a tree on each end also. You all have a nice day and I'll be back next

week with more news about the going on in Sun Ray.

Mr. and Mrs. DeForest Morey of Thomas Avenue had as their guest Mrs. Hallie Mitchell of Forsyth, Georgia and Miss Lois Collier from New York City spending a few days with them. Both of the ladies are cousins of Nell's. All of the ladies spent May 1 in Lakeland with their cousin Mrs. Margaret Jones and her family. Mrs. Jones entertained all of them and prepared a delicious dinner for them Sunday evening. While in Lakeland they took in all the sights in town and some in the surrounding area before returning to Sun Ray. Mrs. Mitchell and Miss Collier left Wednesday and went back to Lakeland to spend a little more time with Mrs. Jones. They sure didn't let any grass grow under their feet while here. Nell and DeForest have kept them on the go all the time. Nell says the girls took in FROSTBITE, as they say you

can't call it FROSTBITE any more after this past winter.

This is the first visit to the area for the ladies but they gave Nell and DeForest their promise that both want to come back real soon and take in some of the things they missed this time due to the shortness of vacation time. Last week DeForest Sister Ruth and her husband Cliff came to visit for a few days from Schenectady, New York. Ruth is with the telephone company and Cliff is retired from the Navy. Nell is also expecting James Williams and his family also his Mother and Father Mr. and Mrs. Cullen Williams from Forsyth Georgia. Think Nell should just open a motel, seems like the beds don't have a chance to cool down between company. We are pleased to have them visit our nice community and of course our nice neighbors Nell and DeForest. Sure hope all of you folks enjoy your visit here and while

here, you get in some good fishing in our beautiful lakes all around us.

As you all can see, lots of our good neighbors are starting to leave for awhile and I understand from the Pinocchio players at the Sunshine Club, Mr. and Mrs. Ward Stratton have returned to their home in Endicott, New York. Ward was a real good Pinocchio player, so good that Earl Russell and Loyd Sluom both teamed up to try and beat him all season but Ward was too good for them. Want you all to understand this is a rumor that John said he got right from KILROY???

REMEMBER HIM??? Mrs. Janie Beach and Mrs. Gladys Anderson have returned to their respective homes in the New England States for the summer.

Mrs. Oscar Benson reports that her husband, who is in Arcadia Convalescent Home, is no longer able to get out of bed and is gradually losing his strength. For those of you that

know Oscar, how about sending him a card and let him know he's missed in the neighborhood and that our thoughts are with him. I'm sure he would love to hear from his old friends.

Mrs. Goss of Yale Avenue is home from the hospital and well on the road to recovery so you folks in the neighborhood stop in for a spell and visit with her.

Mr. and Mrs. Harry Nichols are spending sometime with their daughter in Hialeah. As you know, Mr. Nichols was recently released from Walker Memorial Hospital. We all wish you a speedy recovery and that you folks will be back in Sun Ray with us real soon.

Mr. Joseph Carlisle is home from Walker Memorial Hospital and showing great signs of improvement. Understand Joseph's Birthday was Thursday, May 5th. So a **GREAT BIG HAPPY BIRTHDAY TO YOU!!!** from all of us here in Sun Ray.

Southside Park Community News

By ALPHONSO WILLIAMS AND CALVIN GIBBS

Hi Friends,
Welcome to Southside Park Community News. Everything is going on about as usual.

Sunday, however, was very special at all of the churches in town. There were many people from other places here to pay tribute to their mothers. Red and white carnations were seen almost everywhere and especially at the various churches. When church adjourned last Sunday and the display of carnations worn by the throng attending became more pronounced than ever before, if one had not given prior thought to this special observance, he had to then.

My challenge to you is, to try and make every day like Mother's Day for those who have given so much of themselves for us and may God shelter those who have already gone.

(s) Calvin and Alphonso.

Bonnie Brae Mobile Park News

By Margie Wells

We were all saddened today (Sunday) on the death of Kathryn Burke. Kathryn had been ill for some time. We extend our most sincere sympathy to her husband, Harold. Funeral arrangements were incomplete at this writing.

There were 13 present at the Mother's Day dinner but everyone had a good time and the food was "super". Ellen Hunt and Rozzie Parkhurst were hostesses for the dinner. Ellen prepared beef roast for everyone who attended and Rozzie presented a gift to the youngest and oldest mother present. The youngest mother was Gertrude Bohland and the oldest was Lorraine Robertson.

Ann Lockwood and Thelma Miller had dinner at Duff's

Smorgasboard in Winter Haven on Sunday and had an interesting shopping afterwards. See Thelma for details!

Rozzie Parkhurst and Margie Wells were in Winter Haven on Tuesday to visit with Margie's parents, the Rev. and Mrs. C. D. Harsh. Mrs. Harsh had just been released from the hospital after an operation. Rozzie and Margie had lunch at the Black Forest Restaurant on the way to Winter Haven.

Helen Dyce left on Wednesday for a visit with her daughter, Caroline Bone of Greenback, Tennessee. Thelma Miller drove Helen to Orlando, where she caught a plane to Tennessee.

Margie and P. D. Wells entertained with a dinner party on Thursday evening. Those

attending were their granddaughter, Kimi Wells, from Columbus, Ohio; Mrs. Bobbi Wells from Orlando; and their son and his wife, Bob and Carol Wells, from Pompano Beach.

Ed Drake returned home from the hospital this week, but is still not able to be out and around. We understand that Frank Webster, who is still in the hospital, is about the same. We hope Ed and Frank will be better soon.

Correspondence from our "northern" resident: Ethel and Max Putman arrived safely at their home in New York but Max said he was "all stove in" after his first day of work. They also said that Margie had a good trip but was glad it was over. — Dorothy Carroll arrived safely at her home in Pennsylvania but stopped on the way to purchase a new car which she likes very much. Dorothy sounded a little envious because she said "while we're chasing the winter's accumulation of dirt out of our home, you are playing golf in the sunshine." That's why this reporter and her husband became year-around Florida residents!

We urge all of our friends and neighbors who have gone for the summer to write us so we can share it with all of those who are getting a copy of this paper — that includes most of them.

LET US HONOR THOSE WHO DIED FOR OUR FREEDOM

A large part of the history of any free nation has had to be written in the blood of its heroes who gave their lives on the field of battle in order to preserve that freedom. For every privilege that you enjoy today, you owe them a tremendous debt of gratitude; and the only possible way you can repay it is to live your own life in a manner worthy of their supreme sacrifice. Honor them the year 'round by attending the Church of your choice regularly — itself one of the freedoms you owe them — and by maintaining an ever-alert vigilance against any erosion of your liberties, presented under the guise of protection. The finest memorial you can give your nation's heroes is the assurance that they have not died in vain.

Under God, we are determined that wherever, whenever, or however we shall be called to make our exit, we will die free men.

Sun Ray Happenings

Continued From Page one

weather reports and when the ice goes away and the weather warms, it's off to Lake Linden, Michigan to spend the summer.

HAPPY BIRTHDAY!!!!!! To our good friend and neighbor Earl Ames of Princeton Avenue. Earl celebrated his 84th birthday Monday, April 25.

HAPPY BIRTHDAY WISHES from all in Sun Ray, and may you have many more.

Robert and Jessie O'Boyle of Harvard Avenue have her sister Mrs. Adele Pace visiting with them from Pasadena, California. Before coming to Sun Ray, she spent a couple of weeks with her other sister, Mrs. Verna Chase of Sarasota, Fla.

Grandma Stella and Grandpa George DeSalvo have their daughter Carl and son-in-law Mark Schwartz and their three sons from Winthrop, Massachusetts down from the

cold country for a couple of weeks. Adam, who is the youngest grandson, is seventeen months. Cheryl and Thomas Ballard and their three children all came down over the weekend from Leesburg. Thomas is now with the Meadowgild Dairies in Leesburg and they moved up there a couple of weeks ago. Lynn came in from Sebring so everyone was there for a good 'ol fashioned family reunion.

OUR SICK LIST HAS GROWN. SO SORRY TO REPORT: Mr. Anderson of Harvard Avenue is in Walker Memorial Hospital.

Mr. Carlisle of Princeton Avenue is in Walker Memorial Hospital.

Mrs. Nichols of Yale Avenue is in Walker Memorial Hospital.

Mr. Grady Durance is in

Lake Wales Hospital. Mrs. Erna Harrington is still in Lake Wales Hospital.

Mrs. Fred Cox (Elsie) is home from Walker Memorial Hospital.

Mrs. Eva Compton is now home and asked that I please thank each and everyone for her who sent so many lovely flowers, cards, and so many wonderful phone calls that made the many hours pass so much quicker.

For the many prayers that were offered and to the gracious people who gave blood on her behalf that was so badly needed for her recovery. God Bless all of you wonderful people.

Mr. Morris Anderson is now out of intensive care at Walker Memorial Hospital and is in room 205. If you should get to the hospital please stop in and say HELLO!!! to Morris.

Thursday, May 5th was the 45th wedding anniversary for the Andersons. I know both Verna and Morris would enjoy a card from their many friends

in Sun Ray for this real special occasion.

May 5th seemed to really be a special day for lots of folks here in Sun Ray. Mary Tripplett celebrated her birthday on Thursday.

Mary admitted to thirty-nine but that's it!!! Only kidding Mary, but HAPPY BIRTHDAY honey.

Let's all get a card off to Don Robinson, Nertensia Road, Victor, New York 14564. Don is the son of Floyd and Dora Robinson our good neighbors and friends. Don had a bad heart attack just before Easter, so let's just show Don how much we all dearly love his Ma and Pa.

For those of you that are wondering, John says to tell you we are putting a new sign on the south end of the parking lot to match the sign on the north end of the lot. We plan to put flowers and plants around it, just as we did the other.

Later on, we will plant a tree on each end also. You all have a nice day and I'll be back next week with more news about the going on in Sun Ray.

Mr. and Mrs. DeForest Morey of Thomas Avenue had as their guest Mrs. Hallie Mitchell of Forsyth, Georgia and Miss Lois Collier from New York City spending a few days with them. Both of the ladies are cousins of Nell's. All of the ladies spent May 1 in Lakeland with their cousin Mrs. Margaret Jones and her family. Mrs. Jones entertained all of them and prepared a delicious dinner for them Sunday evening. While in Lakeland they took in all the sights in town and some in the surrounding area before returning to Sun Ray. Mrs. Mitchell and Miss Collier left Wednesday and went back to Lakeland to spend a little more time with Mrs. Jones. They sure didn't let any grass grow under their feet while here.

Nell and DeForest have kept them on the go all the time. Nell says the girls took in FROSTBITE, as they say you

can't call it FROSTPROOF anymore after this past winter.

This is the first visit to the area for the ladies but they gave Nell and DeForest their promise that both want to come back real soon and take in some of the things they raised this time due to the shortness of vacation time. Last week DeForest Sister Ruth and her husband Cliff came to visit for a few days from Schenectady, New York. Ruth is with the telephone company and Cliff is retired from the Navy. Nell is also expecting James Williams and his family also his Mother and Father Mr. and Mrs. Cullen Williams from Forsyth, Georgia. Think Nell should just open a motel, seems like the beds don't have a chance to cool down between company. We sure are pleased to have them visit our nice community and of course our nice neighbors Nell and DeForest. Sure hope all of you folks enjoy your visit here and while

here, you get in some good fishing in our beautiful lakes all around us.

As you all can see, lots of our good neighbors are starting to leave for awhile and I understand from the Pinocchio players at the Sunshine Club, Mr. and Mrs. Ward Stratton have returned to their home in Endicott, New York. Ward was a real good Pinocchio player, so good that Enrol Russell and Loyd Slocum both teamed up to try and beat him all season but Ward was too good for them. Want you all to understand this is a rumor that John said he got right from KILROY???

REMEMBER HIM???

Mrs. Janie Beach and Mrs. Gladys Anderson have returned to their respective homes in the New England States for the summer.

Mrs. Oscar Benson reports that her husband, who is in Arcadia Convalescent Home, is no longer able to get out of bed and is gradually losing his strength. For those of you that

know Oscar, how about sending him a card and let him know he's missed in the neighborhood and that our thoughts are with him. I'm sure he would love to hear from his old friends.

Mrs. Goss of Yale Avenue is home from the hospital and well on the road to recovery so you folks in the neighborhood stop in for a spell and visit with her.

Mr. and Mrs. Harry Nichols are spending sometime with their daughter in Hialeah. As you know, Mr. Nichols was recently released from Walker Memorial Hospital. We all wish you a speedy recovery and that you folks will be back in Sun Ray with us real soon.

Mr. Joseph Carlisle is home from Walker Memorial Hospital and showing signs of improvement. Understand Joseph's Birthday was Thursday, May 5th. So a GREAT BIG HAPPY BIRTHDAY TO YOU!!! From all of us here in Sun Ray.

Southside Park Community News

By ALPHONSO WILLIAMS

Local Girl Makes Dean List

Hi Friends,

Welcome to Southside Park Community News. Everything is going on about us usually. Sunday, however, was very special at all of the churches in town. There were many people from other places here to pay tribute to their mothers at church and white carnations were seen almost everywhere and especially at the various churches. When church adjourned last Sunday and the display of carnations worn by the throng attending became more pronounced than ever before, if one had not given prior thought to this special observance, he had to then.

My challenge to you, is to try and make every day like Mother's Day for those who have given so much of themselves for us and may God shelter those who have already gone.

(s) Calvin and Alphons.

The Apostolic Church of Jesus had Sunday School beginning 10:30.

Morning service began at 11:30 conducted by the deacons.

At 3 p.m. had a special program honoring Mother Dasher, Mother Wagon and other mothers in the community. This program was very touching. Speaker of the hour was Sister Annie Golden gave a wonderful message. The program was enjoyed by everyone present.

Evening service began at 6:30 p.m. conducted also by Deacons. We had testimony service during this service. After 3 p.m. service refreshments were served.

Beginning May 16 General Assembly will convene and will close May 22. There will be a program Monday night. Preaching from preachers, from various places Tuesday thru Sunday. Come let us enjoy the Lord together.

Bonnie Brae MobilePark News

By Margie Wells
We were all saddened today (Sunday) on the death of Kathryn Burke. Kathryn had been ill for some time. We extend our most sincere sympathy to her husband, Harold. Funeral arrangements were incomplete at this writing.

There were only 18 present at the Mother's Day dinner but everyone had a good time and the food was "super". Ellen Hunt and Rozzie Parkhurst were hostesses for the dinner. Ellen prepared beef roast for everyone who attended and Rozzie presented a gift to the youngest and oldest mother present. The youngest mother was Gertrude Bolland and the oldest was Lorraine Robertson.

Ann Lockwood and Thelma Miller had dinner at Duff's

Smorgasbord in Winter Haven on Sunday and did some interesting shopping afterwards. See Thelma for details!

Rozzie Parkhurst and Margie Wells were in Winter Haven on Tuesday to visit with Margie's parents, the Rev. and Mrs. C. D. Harsh. Mrs. Harsh had just been released from the hospital after an operation. Rozzie and Margie had lunch at the Black Forest Restaurant on the way to Winter Haven.

Heleen Dyce left on Wednesday for a visit with her daughter, Caroline Bone of Greenback, Tennessee. Thelma Miller drove Helen to Orlando, where she caught a plane for Tennessee.

Margie and P. D. Wells entertained with a dinner party on Thursday evening. Those

attending were their granddaughter, Kim Wells, from Columbus, Ohio; Mrs. Bobbi Wells from Orlando; and their son and his wife, Bob and Carol Wells, from Pompano Beach.

Ed Drake returned home from the hospital this week, but is still not able to be out and around. We understand that Frank Webster, who is still in the hospital, is about the same. We hope Ed and Frank will be better soon.

Correspondence from our "northern" resident, Ethel and Max Putman arrived safely at their home in New York but Max said he was "all stove in" after his first day of work. They also said that Bimbo had a good trip but was glad it was over. — Dorothy Carroll arrived safely at our home in Pennsylvania but stopped on the way to purchase a new car which she likes very much. Dorothy sounded a little envious because she said "while we're chasing the winter's accumulation of dirt out of our home, you are playing golf in the sunshine."

That's why this reporter and her husband became year-around Florida residents!

We urge all of our friends and neighbors who have gone for the summer to write us so we can share it with all of those who are getting a copy of this paper—and that includes most of them.

LET US HONOR THOSE WHO DIED FOR OUR FREEDOM

A large part of the history of any free nation has had to be written in the blood of its heroes who gave their lives on the field of battle in order to preserve that freedom. For every privilege that you enjoy today, you owe them a tremendous debt of gratitude; and the only possible way you can repay it is to live your own life in a manner worthy of their supreme sacrifice. Honor them the year round by attending the Church of your choice regularly — itself one of the freedoms you owe them — and by maintaining an ever-alert vigilance against any erosion of your liberties, presented under the guise of protection. The finest memorial you can give your nation's heroes is the assurance that they have not died in vain.

Under God, we are determined that where, whenever, or how, we will die free men.

— John Quincy

weather reports and when the ice goes away and the weather warms, it's off to the land, Michigan to spend the summer.

HAPPY BIRTHDAY!!!! To our good friend and neighbor Earl Ames of Princeton Avenue, Earl celebrated his 64th birthday Monday, April 25.

HAPPY BIRTHDAY WISHES from all in Sun Ray Earl, and may you have many many more.

Robert and Jessie O'Boyle of Harvard Avenue have her sister Mrs. Adele Patis visiting with them from Pasadena, California. Before coming to Sun Ray, she spent a couple of weeks with her other sister, Mrs. Verna Chase of Sarasota, Fla.

Grandma Stella and Grandpa DeSalvo have their daughter Carl and son-in-law Mark Schwartz and their three sons from Winthrop, Massachusetts down from the

cold country for a couple of weeks. Adam, who is the youngest grandson, is seventeen months. Cheryl and Thomas Ballard and their three children all came down over the weekend from Leesburg. Thomas is now with the Meadows Dairies in Leesburg and they moved up there a couple of weeks ago. Lynn came in from Sebring so everyone was there for a good old fashioned family reunion.

OUR SICK LIST HAS GROWN. SO SORRY TO REPORT:

Mr. Anderson of Harvard Avenue is in Walker Memorial Hospital.

Mr. Carlisle of Princeton Avenue is in Walker Memorial Hospital.

Mrs. Nichols of Yale Avenue is in Walker Memorial Hospital.

Mr. Grady Durrance is in

Lake Wales Hospital. Mrs. Erna Harrington is still in Lake Wales Hospital. Mrs. Fred Cox (Eldie) is home from Walker Memorial Hospital.

Mrs. Eva Compton is now home and asked that I please thank each and everyone for her who sent so many lovely flowers, cards, and so many wonderful phone calls that made the many hours pass so much quicker. For the many prayers that were offered and to the gracious people who gave blood on her behalf that was so badly needed for her recovery. God Bless all of you wonderful people.

Mr. Morris Anderson is now out of intensive care at Walker Memorial Hospital and is in room 205. If you should get by the hospital please stop in and say HELLO !!! to Morris.

Thursday, May 12th was the 48th wedding anniversary for the Andersons. I know both Verna and Morris would enjoy a card from their many friends

in Sun Ray for this real special occasion.

May 5th seemed to really be a special day for lots of folks here in Sun Ray. Mary Tripplett celebrated her birthday on Thursday. Mary admits to thirty-nine but that's it !!! Only kidding Mary, but HAPPY BIRTHDAY honey.

Let's all get a card off to Don Robinson, Nertensia Road, Victor, New York 14564. Don is the son of Floyd and Doris Robinson our good neighbors and friends. Don had a bad heart attack just before Easter, so let's just show Don how much we all dearly love his Ma and Pa.

For those of you that are wondering, John says to tell you we are putting a new sign on the south end of the parking lot to match the sign on the north end of the lot. We plan to put flowers and plants around it just as we did the other.

Later on, we will plant a tree on each end also. You all have a nice day and I'll be back next

week with more news about the going on in Sun Ray.

Mr. and Mrs. DeForest Morey of Thomas Avenue have as their guest Mrs. Hallie Mitchell of Forsyth, Georgia and Miss Lois Collier from New York City spending a few days with them. Both of the ladies are cousins of Nell's. All of the ladies spent May 1 in Lakeland with their cousin Mrs. Margaret Jones and her family. Mrs. Jones entertained all of them and prepared a delicious dinner for them Sunday evening. While in Lakeland they took in all the sights in town and some in the surrounding area before returning to Sun Ray.

Mrs. Mitchell and Miss Collier left Wednesday and went back to Lakeland to spend a little more time with Mrs. Jones. They sure didn't let any grass grow under their feet while here.

Nell and DeForest have kept them on the go all the time. Nell says the girls took in FROSTBITE, as they say you

can't call it FROSTPROOF anymore after this past winter.

This is the first visit to the area for the ladies but they gave Nell and DeForest their promise that both want to come back real soon and take in some of the things they missed this time due to the shortness of vacation time. Last week DeForest Sister Ruth and her husband Cliff came to visit for a few days from Schenectady, New York. Ruth is with the telephone company and Cliff is retired from the Navy. Nell is also expecting James Williams and his family also his Mother and Father Mr. and Mrs. Cullen Williams from Forsyth, Georgia. Think Nell should just open a motel, seems like she can't have a chance to cool down between company.

We sure are pleased to have them visit our nice community and of course our nice neighbors Nell and DeForest. Sure hope all of you folks enjoy your visit here and while

you, get in some good fishing in our beautiful lakes all around us.

As you all can see, lots of our good neighbors are starting to leave for awhile and I understand from the Pinocchio players at the Sunshine Club, Mr. and Mrs. Ward Stratton have returned to their home in Endicott, New York. Ward was a real good Pinocchio player, so good that Earl Russell and Lloyd Sluom both teamed up to try and beat him all season but Ward was too good for them. Want you all to understand this is a rumor that John said he got right from KILROY ???

REMEMBER HIM ??? Mrs. Janie Beach and Mrs. Gladys Anderson have returned to their respective homes in the New England States for the summer.

Mrs. Oscar Benson reports that her husband, who is in Arcadia Convalescent Home, is no longer able to get out of bed and is gradually losing his strength. For those of you that

know Oscar, how about sending him a card and let him know he's missed in the neighborhood and that our thoughts are with him. I'm sure he would love to hear from his old friends.

Mrs. Goss of Yale Avenue is home from the hospital and well on the road to recovery so you folks in the neighborhood stop in for a spell and visit with her.

Mr. and Mrs. Harry Nichols are spending sometime with their daughter in Hialeah. As you know, Mr. Nichols was recently released from Walker Memorial Hospital. We all wish you a speedy recovery and that you folks will be back in Sun Ray with us real soon.

Mr. Joseph Carlisle is home from Walker Memorial Hospital and showing great signs of improvement. Understand Joseph's Birthday was Thursday, May 5th. So a GREAT BIG HAPPY BIRTHDAY TO YOU!!! from all of us here in Sun Ray.

Southside Park Community News

By ALPHONSO WILLIAMS AND CALVIN GIBBS

Hi Friends,

Welcome to Southside Park Community News. Everything is going on about as usual.

Sunday, however, was very special at all of the churches in town. There were many people from other places here to pay tribute to their mothers. Red and white carnations were seen almost everywhere and especially at the various churches. When church adjourned last Sunday and the display of carnations worn by the throng attending became more pronounced than ever before, if one had not given prior thought to this special observance, he had to then.

My challenge to you, is to try and make every day like Mother's Day for those who have given so much to themselves for us and may God shelter those who have already gone.

(s) Calvin and Alphonso.

Mildred Myers Collects Valuable Antiques

photos and text by Barbara Cornell

Miss Mildred Myers stands beside her 200 year old mirror. It has a gilded gold leaf

Born in Indiana, Miss Mildred Myers, moved to Avon Park with her family when she was ten years old.

She graduated from Avon Park High School and Florida Southern College in Lakeland.

She flew to Boulder, Colo., in 1953, to study speech therapy. Half of her teaching experience was in speech therapy and teaching children with reading problems.

Miss Myers taught in the Avon Park School system 48 years, before her retirement.

"What I enjoyed about teaching was the joy of seeing children progress and become independent learners. The joy and love they shared with me, with both their problems and happiness I will never forget," said Miss Myers. She continued, "I'm glad I chose the profession of teaching, it brought me more happiness than anything I have ever done in my life."

She taught in the Avon Park School System 48 years.

Miss Myers started collecting antiques in 1953.

"Our home burned when I was small and we lost all our antiques and furniture. So I started traveling to different states and towns here in Florida to pick up different pieces of furniture and china," said Miss Myers.

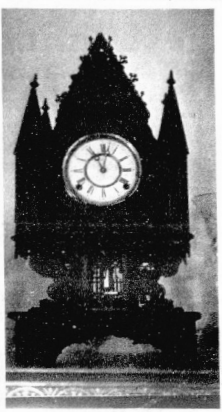

Her cathedral clock, which is over 150 years old, was acquired from one of her close friends here in Highlands County. When the clock chimes, it sounds like church bells ringing.

A German clock, at least 75 years old, hangs on one of her living room walls. The pendulum and weights are of solid brass.

Her cuckoo clock in the kitchen is at least 100 years old and came from the Black Forest in Germany. It is a hunters clock and has the head of the deer, hunting horn, gun and pouch.

Her living room furniture is Victorian

design. One of the unusual pieces is a pedicoochair or parlor chair, made of

THIS CATHEDRAL CLOCK is over 150 years old and when it chimes it sounds like church bells ringing.

rose wood. It is about 100 years old and received its name because the Belles use to wear hoop skirts.

When the ladies sat they needed a chair with low arms, so the hoops would hang over the chairarms. It came from England and the rose wood never loses its polish or never scratches. The natural oil of the wood keeps it shiny.

A 200 year old bust stand, sits in one corner of her dining room and holds a hand painted banquet lamp. The stand is made of black ebony wood and has brass garlands around the center.

Miss Myers has a needle point screen which has birds and flowers detailed on it, made in 1941. Its frame is made of hand carved walnut. She uses it to divide her kitchen from the dining room.

A large full-length mirror, over 200 years old hangs in an alcove at the entrance way of Miss Myers home. The frame is gilded gold leaf, with an emblem of an eagle at the top.

She had seen the mirror at an estate sale, but the antique dealer that was at the home, wanted the mirror and took it to his shop. Nine years later the dealer called Miss Myers and told her if she was still interested in the mirror to come get it.

She also has many types of china that is collectors items, such as Wavercrest, Satsuma and Nippon.

It took Miss Myers nine years to acquire a 200 year old gilded gold leaf, full-length mirror.

Her hat rack is over 200 years old, and holds a bust of Bacchus, son of Zeus, that was the god of wine in Greek and Roman religion, which is over 100 years old.

Also on the hat rack is a top hat, which a man here in Avon Park wore to his wedding. The hat is about 100 years old.

She also has wall hangings of solid brass from Africa and Ecuador.

Miss Myers has so many antiques it is impossible to list every piece. But she was happy to share a part of them with us.

When you walk into Miss Myers' house, it's like stepping into the past and a different era. Each piece of furniture has a character all its own and if furniture could talk, what a story these many quaint pieces could tell.

This hat rack is over 200 years old. In the middle on each side of a drawer (which is used to put gloves in), are two pieces of carved wood. You would hang crooked handle canes on the left and on the right umbrellas. The bust of Bacchus sits in the middle of the hat rack. It is over 100 years old and was the god of wine in Greek and Roman.

First Baptist Church Women Make Bandages

Women from First Baptist Church, Avon Park, heard a number of years ago about a need for bandages in a mission hospital in Africa through Miss Willa Long, R.N., a missionary at Ogbomoso Hospital, Nigeria, Africa.

Miss Long wrote a booklet called "White Cross", which gives instructions on what the hospital needs, how big it should be and how it should be sewed.

Bandages are not available at any price and used sheets and pillowcases could be torn in varied widths and rolled to be used at the hospital.

After bandages are rolled, they are sent to the missionary hospital, where they are sterilized and used over and over until completely worn.

The ladies not only make bandages, but also hospital gowns from men's

shirts; lap robes; doctor's surgical gowns; children's gowns and baby kimono; and pads to be used under patients.

This is an associational-wide project with most Baptist churches in Orange Blossom Association taking part.

The ladies meet the first Wednesday of each month at 9 a.m. to work on this project. Used sheets are greatly needed

to make these bandages and the women at the First Baptist Church are doing their best to fill it. But they cannot do it alone.

Anyone having sheets, old pillow cases or men shirts which they would like to contribute for this need, please contact First Baptist Church office.

These items are needed desperately, so please help.

Women from the First Baptist Church, Avon Park, roll bandages for a mission hospital in Nigeria, Africa. The bandages are to be rolled by hand, but Clitus Ream made wooden bandage rollers for the ladies, which made the process faster, easier and the bandages are rolled tighter. Ladies working last Wednesday at the church were from the side of the table, Mrs. Floyd Olham, Mrs. W. W. McFarland, chairman of Mission Action Committee, Mrs. Jesse Ray, Mrs. Carl McWilliams and Mrs. Ruth Ream. Sunphoto by Barbara Cornell.

This bed with the high headboard, was brought over from Germany by a young Sebring girl's grandmother. It was to be a wedding gift to the girl, but she did not

like the bedroom set and traded it all in on modern furniture. There are two more matching dressers that go with the bed.

On The Consumer's Side

If you as a consumer have been misled, deceived, or have questions you need clarified, call the toll free telephone number of the Florida Department of Agriculture, Consumer Services, Tallahassee: 1-800-242-2176.

Question: Can you tell me my rights under the "Fair Credit Reporting Act." I think I have been denied credit because of an inaccurate credit report and would like to know what recourse I have.

Answer: The Fair Credit Reporting Act became law on April 23, 1971. It was passed by Congress to protect consumers against the circulation of inaccurate or obsolete information, and to insure that consumer reporting agencies exercise their responsibilities in a manner that is fair and equitable to consumers.

Under this law you can now take steps to protect yourself if you have been denied credit, insurance, or employment

or if you believe you have had difficulties because of a consumer report on you.

Have You The Right:

1. To be told the name and address of the consumer reporting agency responsible for preparing a consumer report that was used to deny you credit, insurance, or employment or to increase the cost of credit or insurance.

2. To be told by a consumer reporting agency the nature, substance and sources (except investigative-type sources) of the information (except medical) collected about you.

3. To take anyone of your choice with you when you visit the consumer reporting agency to check on your file.

4. To obtain all information to which you are entitled, free of charge, when you have been denied credit, insurance, or employment within 30 days of your interview. Otherwise, the reporting agency is permitted to charge a

reasonable fee for giving you the information.

5. To be told who has received a consumer report on you within the preceding six months or within the preceding two years if the report was furnished for employment purposes.

6. To have incomplete or incorrect information re-investigated, unless the request is frivolous, and, if the information is found to be inaccurate or cannot be verified, to have such information removed from your file.

8. When a dispute between you and the reporting agency about information in your file cannot be resolved, you have the right to have your version of such dispute placed in the file and included in future consumer reports.

9. To request the reporting agency to send your version of the dispute to certain businesses for a reasonable fee.

10. To have a consumer report

withheld from anyone who under the law does not have a legitimate business need for the information.

11. To sue a reporting agency for damages if it willfully or negligently violates the law and, if you are successful, you can collect attorney's fees and court costs.

12. Not to have adverse information reported after seven years. One major exception is bankruptcy, which may be reported for 14 years.

14. To request from the business that ordered an investigative report, more information about the nature and scope of the investigation.

15. To discover the nature and substance (but not the sources) of the information that was collected for an "Investigative Consumer Report."

The Fair Credit Report Act Does Not:

1. Give you the right to request a report on yourself from the consumer

reporting agency.

2. Give you the right, when you visit the agency, to receive a copy of or to physically handle your file.

3. Compel anyone to do business with an individual consumer.

4. Apply when you request commercial (as distinguished from consumer) credit or business insurance.

5. Authorize any Federal Agency to intervene on behalf of an individual consumer.

Question: I will be needing an air conditioner for the summer and am considering one, a local business will rent one to me with an option to buy the unit at a later time. Can I come out straight on an agreement of this sort?

Answer: Tools and appliance rental is a booming new business, subject to abuse like any other new industry.

Contracts on rentals are of two types. The first, a simple rental agreement,

provides for you to rent a TV, for example, at the rate of \$6.50 per week, payable in advance.

For long-term rental this is economically unsound; you can borrow money (even at the highest rate allowed by law) and buy a TV set for less money.

More common is the rent-to-buy agreement which appears as an oral or written option to buy.

The terms are the same, but the renter tells you that if you pay on a stereo for 72 weeks at \$6.50 per week, the stereo will be yours.

These contracts are covered by the Truth-in-Lending Law, and the renter is obligated to tell you the dollar amount of interest, the annual percentage rate, and number of payments.

With this type of agreement, there may be a provision that the seller can cancel at any time for any reason.

Courts Are Allowed In Court

Admission of cameras to courtrooms will add a "new dimension in the administration of justice," the chief judge of the 10th Judicial Circuit believes. Judge Clifton

M. Kelly said rules for use of cameras will probably be issued in late June.

Judge Kelly, who has initiated several procedures to open the court procedures

more fully, said he does not plan to issue any local guidelines but is looking forward to implementing the rules which are forthcoming from Florida Supreme Court. Early in April the Florida Supreme Court directed that two Florida television stations

— WJXT in Jacksonville and WPLG in Miami — should submit proposed standards for picture coverage of civil and criminal trials. These standards are to be given to the court by May 15.

These had gone to court to

obtain permission to film trials.

The Florida Supreme Court plans to study these proposed standards and prior to July 1 the court will issue regulations. The court has said that a pilot program in photo

coverage of trials will commence July 1 and is expected to run for a year. The Florida Bar is on record as not opposing the experiment. Judge Kelly sees it as an opportunity for the people as a whole to know more about the operation of the courts.

Average County Arrest Age Is 28

Arrest of five men in the 40-and-over age bracket ran the average age for persons arrested by Highlands County Sheriff's Department deputies to a relatively high 28 years of age. The report covers 16 arrests made between April 29 and May 5.

The oldest persons arrested were a 49-year-old man charged with issuing a

worthless check and a 47-year-old man charged with assault. Both listed Highlands County addresses.

Only one woman was arrested in the late April-early May reporting period. A 19-year-old Highlands County woman was taken into custody for a charge simply listed as "other charge".

Two 16-year-old males were

arrested by deputies and turned over to juvenile authorities.

There was one arrest — a 23-year-old man — for sale or manufacture of marijuana; two arrests for disorderly intoxication; three for driving while intoxicated; two for worthless check.

The local Salvation Army has a \$50,000 goal for the annual maintenance drive,

the First National Bank in Sebring. From left are seated committee members Mary E. Keyes, James Crawford, and county chairman, Jean Hancock. Standing from left

Salvation Army Fund Drive Goal Set At \$50,000

With a 1977 goal of \$50,000, the annual maintenance drive of the Salvation Army got under way May 6 with a meeting of the campaign committee in the board room of the First National Bank in Sebring.

County chairman James Crawford, president of First National, stated that the amount of \$50,000 would only be slightly larger than the minimum needed to carry on the work of The Salvation Army for the coming year. District chairman named at the meeting included Jack Hancock, advance giving; Jean Hancock, both of Sebring; Dick Henderson and Monte Delaney of Lake Placid; and Corky

Pardee of Avon Park. James Livingston, chairman of the Salvation Army advisory board, said that further committee heads will be named at the next meeting of the entire board.

Florida Smoked Fish

Sea Smokies

Florida's waters produce an endless variety of fishery products to tempt the palates of its population.

Probably one of the most enjoyed fishery entree is Florida smoked fish. Excellent smoked fish can be produced at home on the charcoal grill. Very low temperatures, 150 degrees to 175 degrees are not absolutely essential in smoke fish cookery.

Good results may be accomplished by using higher temperatures up to 300 degrees F. Fish takes on a smoky flavor quickly, reducing cooking time.

Smoked Fish On Grill

To smoke the fish, use a charcoal fire in a barbecue grill with a cover or hood. Let charcoal fire burn down to wick, even heat. Cover with 1-3 of the wet chips. Wet chips provide smoke.

Place fish on a well-greased grill, skin side down, about 4 to 6 inches from the smoking coals.

Baste fish well, with oil, at beginning and frequently during cooking.

Cover and smoke for 1 1/2 hours or until fish flakes easily when tested with a fork. Add remaining chips as needed to keep the fire smoking.

NOTE: Soak 1 pound of hickory chips or sawdust in 2 quarts of water overnight.

Smoked Fish

6 dressed mullet (1 pound each) or other dressed fish, fresh or frozen
1 cup salt 1/4 cup cooking oil
1 gallon water

Thaw fish if frozen. Remove the head just below the collarbone. Cut along the backbone almost to the tail. The fish should lie flat in one piece. Clean and wash fish.

Add salt to water and stir until dissolved. Pour brine over fish and refrigerate for 30 minutes. Remove fish from brine and rinse in cold water and dry fish.

Smoked fish is delicious hot off the grill or it can be utilized in a number of recipes. Hearty Smoked Fish Salad is a favorite of restaurant goers in Detroit. Adapted for use with Florida smoked fish, it is sure to be a hit with your family.

Hearty Smoked Fish Salad
1 1/2 pound smoked Mullet or other smoked fish

8 cups coarsely torn crisp mixed salad greens-iceberg, Boston, Romaine, or Bibb

1 pint cherry tomatoes, halved
1 small sweet onion, thinly sliced
6 green onions with parts of tops, sliced

Salad Dressing
Skin, bone, and break fish in large chunks. Prepare salad in one of two ways.

Arrange vegetables attractively on individual salad plates. Place on equal amount of fish in center of each salad and serve with dressing.

If preferred, arrange greens in large salad bowl. Place fish in center. Circle with cherry tomato halves and sweet onion rings.

Sprinkle with sliced green onion. Pour salad dressing, as desired, over vegetables and toss carefully.

Any leftover dressing may be served and used on tossed salads. Makes 6 servings.

Salad Dressing
2-3 cup lemon juice
1-3 cup red wine vinegar
1/4 cup salad oil
2 teaspoon sugar
1 teaspoon prepared mustard
1/4 teaspoon salt
1/4 teaspoon garlic salt
1/4 teaspoon oregano
1/4 teaspoon basil
Combine ingredients; mix well. Chill until ready to use. Makes 1-1/4 cups dressing.

New Service Developed For Elderly

Services Over Sixty, Inc., a non-profit corporation servicing the elderly in Highlands County, announces the development of a new service to the elderly in Highlands County.

This service is called Congregate Meals and is expected to begin around June 1.

Funding for this program will be through Title VII of the Older Americans Act, in the amount of \$90,000.

This program will have three sites, at which clients will be served a noon meal, Monday through Friday. The main site, at which all the meals will be prepared, is the First Christian Church in Sebring.

The second site will be the Recreation Building, in Avon Park. A third site has yet to be determined. The program will provide transportation to clients to the meal sites. Recreation and education will also be included at the meal sites.

Clients will be invited to contribute toward the cost of meals, but will be served regardless of ability to pay. The need for services will determine priority.

Staff will include a project director, bookkeeper, secretary, three site managers, three site aides, cook, cook's helper, consultant nutritionist, and volunteers.

Community support of the Congregate Meals Program will be vital as \$10,000 must be raised locally to match the Federal Funds. In-kind contributions can account for 50 per cent of the local contribution.

For further information regarding this program, persons can contact the project director, Betty Upchurch, at 382-1315, or write her at Drawer C, Sebring.

Property Owners To Meet

The annual meeting and covered dish supper of the Highlands County Property Owners Association will be held at the Agri-Olive Center Saturday, May 21. The supper will be served at 7 p.m., and will be followed by election of officers and a short business meeting.

Speaker for the evening will be the Honorable D. Robert "Bob" Graham of Miami Lakes. Senator Graham has business and agricultural interests in Highlands County. A question and answer exchange will follow the talk. The annual meeting, besides being a social gathering, provides an opportunity for fellow members to meet and express ideas and viewpoints.

Plains Cooking

Many southern country recipes are cherished old formulas, handed down from generation to generation. Others may be adaptations of family favorites or something entirely new. But chances are that all of them carry a distinctive flavor, born of the bountiful Dixie fruits and vegetables and usually tinged with the sweet, smoky goodness of ham, the favorite meat.

With the nation's first family hailing from the deep south for the first time in a century, the time is right to appreciate the depth and richness of down home style country cookin'. Bluebird, Inc., world's largest producer of ham and ham products brings you new recipes developed to capture the flavor of this famous regional cuisine using a convenient new product, Agar Ham Patties or Hamdingers.

Wherever you live, take a tip from your cousins south of the Mason Dixon line and enjoy PLAINS COOKING:

Dixie: the place where the sun shines brighter, the breezes are gentler, birds sing sweeter, flowers are fairer and the aroma of fine food more fragrant than anywhere in the world. You can capture the essence of Southern flavor in a modern kitchen but using the time honored ingredients in today's convenient forms.

Ham 'N Corn stacks are a harmonious mixture of the old and new. The goodness of ham comes in a convenient can of eight Agar Ham Patties or Hamdingers. Add already shelled pecans to a package of corn bread stuffing mix and use handy canned pineapple slices.

Your job is assembling all the ingredients and popping them in the oven for ten minutes. A great idea when guests arrive unexpectedly—or when you get home just one jump ahead of your family. Simply southern—and simply delicious!

HAM 'N CORN STACKS

- 1 can (16 oz.) Agar Ham Patties or Hamdingers
- Shortening
- 4 pineapple slices
- 1/4 cup chopped onion
- 1/3 cup butter or margarine

- 1 cup chopped pecans
- 2 cups corn bread stuffing mix
- 1 tablespoon parsley flakes
- 3/4 cup water
- Pecan halves

Saute ham patties in shortening for about 3 to 5 minutes until lightly browned. Place a pineapple slice between two patties and arrange stacks on a baking sheet.

Saute onion in butter or margarine. Add pecans, corn bread stuffing mix, parsley flakes and water. Toss to mix. Add more water if necessary to bind. Mound or scoop stuffing onto patty stacks. Bake at 400 degrees for 10 minutes. Serves 4.

Consult The Stars And See What???

BY BARBARA CORNELL

According to the stars, my future looks bright! The stars that made that prediction are not Paul Newman or Robert Redford, but the signs of the Zodiac.

Last week, I was given an assignment that I was not sure I really wanted to do: visit an astrologist.

The person who I contacted calls herself Mrs. Ann and to make sure that I received the same reading as anyone else, I did not reveal that I worked for the Avon Park Sun until after my session was completed.

This was my first visit to an astrologist and I admit that I was nervous.

When I arrived at the small house that was Mrs. Ann's home as well as office, I discovered it was a little like visiting a doctor. I was informed that I should take a seat in a carpeted waiting room and that "Mrs. Ann would be with me soon."

There was a woman ahead of me, patiently waiting her turn for a reading and I asked her if this was her first visit to an astrologist. "Yes," she replied. "I

am here with two friends from Lake Placid."

After a 20 minute wait, a short, petite woman I would guess her age was in the early 20's came to the door and asked us to come in.

This was when I discovered that it was not only Mrs. Ann who gave the "readings", but her daughters as well. We were escorted through a porch into the kitchen and then into a small room. The only furnishings in the cubicle was a small table and two chairs.

At this point, my new found

companion was directed to another room (which also served as the family living room) and I was left on my own.

The young woman sat down and in a low, soft voice asked me my name and told me to write down my place of birth (Avon Park) and the date and time I was born.

The woman, identified only as "Mrs. Ann's daughter", asked me what I would like to know about myself. I asked what type of people are Cancers? (Which is my sign.)

She told me I was moody (which was

true) and that I was fast tempered (also true)! She added that I cool off just as fast as I get mad. (True again.)

She consulted the stars and then informed me that I was a mother and wife first and a businesswoman second.

(True again.) I was informed that I had the coloring, face, shape and the hips of a Cancer. (Sometimes called the sign of the Crab-Ed.) I was told that all Cancers have wide hips and that I would be battling that problem all of my life.

She stated that she could almost tell what sign a person was born under by just looking at them.

So far, the information given to me for my \$10 were things anyone could find in an astrology book.

I asked about business and what the future would bring.

A. Things look good right now and everything is running smoothly where you are. You did not go into the business field in which you studied. (This is true. I

School Board Makes Changes

Administrative Posts Filled

James Robertson, assistant principal of Avon Park Middle School is being replaced by Helen Britt, contingent upon her being fully certified by Sept.

Orbia Hill, currently assistant principal of Sebring Mid School, will be the new principal of Lake Placid Mid School. He replaces Lee Maness, whose continuance in that position was not recommended by the superintendent of schools, Dr. Dan Davis.

Max Dannels, presently serving as assistant principal of the same school and who also received a non-recommendation the first time around, fared better this time. Evidently changing his mind Tuesday night Dr. Davis advocated retaining Dannels in that position.

The superintendent's recommendations were not "leaped-at" by school board members. Margaret Turnbull asked board Atty. James McCollum to read the law on how a superintendent's recommendations can be received. McCollum explained that a board can reject a recommendation only "for good cause." Only if the superintendent's third nomination for a position is rejected is the board empowered to fill the position itself.

Asked what constitutes "good cause", McCollum replied that it is not defined in the statute, but it should be a good reason, not whimsical. He agreed with Dr. Davis that moral turpitude would be considered "good cause", along with the inability to handle the job. To feel that someone else might be better for the job would not be considered "good cause," he said.

"How can we determine good cause when we as board members are not allowed to seek out information, because we may have to sit as a jury on the matter?" asked Steve Roberts.

The attorney said that while a board member cannot pursue fact-finding concerning a specific allegation, when he might reach a conclusion before the case was presented, the board member is still charged with knowing what is going on in the school system.

"I agree it is a fine line," taking the school separately. Ken Grady moved that they accept Helen Britt at Avon Park, seconded by John Wirick and with unanimous approval. Vice Chairman Steve Roberts presided in the absence of Ruth Davis.

Roberts called for a motion on the two

Lake Placid nominees, to be faced by silence. When the silence lengthened McCollum warned that they would have to make an actual rejection, based on good cause. Before that motion was made Wirick moved that they accept the slate proposed by Dr. Davis.

"I feel that it is best for the children of Lake Placid. The present principal is a

fine person and will do a good job with the new job he is taking," Wirick said. Grady seconded and again the vote was unanimous.

Dr. Davis assured the board that Maness and Robertson are on continuing contract and their placement in other positions needs no board approval. He said he would notify the

board of their new positions at next month's meeting. Their salaries, he said, are based on their continuing contract.

In other business the board:In response to a plea from the Rev. Leroy McGhee of Lake Placid, agreed to look into the possibility of the Town of Lake Placid purchasing that

\$60,000 Expenditure For City Airport "T" Hanger

A new T-hanger for the Avon Park Municipal Airport has been approved by the city council.

The new, 10-space structure will cost taxpayers an estimated \$66,215, including paving.

The council, at their regular Monday meeting, also agreed that a raise in the amount of rent charged for both the new hanger and the existing 8-space facility would have to take place. City Clerk Malcolm Crews indicated that there had been no rent hike for airplane rental space at the airport in the last 5 years. Although councilmen did not approve any specific increase Monday, Crews said that the hike could increase the present rates of \$45 and \$50 per month to \$60 or \$65 per month.

The actual hanger building itself is estimated to cost \$58,500, not including electricity or plumbing. Paving an apron

for the structure will cost another estimated \$7,715.

The estimated figures are a jump from the \$34,900 that the city paid to build the existing hanger 5 years ago.

Crews explained that a rent increase would be necessary to pay off any bank loan that the city obtained to build the new structure.

Event Is This Weekend

Balloon Rally Is Set

"A 'Hare and Hounds' contest will be the main event of a Balloon Rally taking off from the Avon Park Airport hangar area on State Road 64, between 7 and 7:30 a.m. Sunday, May 14," stated Steve Roberts, chairman of the rally.

In the Hare and Hounds contest, Roberts will leave the airport area before the other balloonists. After a flight of approximately 15 minutes Roberts will land and the other balloonists will try to navigate to his location and land in the area.

This is the first time that awards will be made for a Hare and Hounds competitive balloon contest in Florida. Prize monies will be furnished by the following local banks and lending institutions: Avon Citrus Bank, Hixson Federal Savings and Loan Association and the Highlands County Bank of Avon Park.

"The direction of the balloon flight

will be determined by weather conditions Sunday morning," stated Roberts discussing the possible directions and distances that would be covered by the contestants. He also stated that spectators coming to watch the take-off would be able to follow the flight of the balloons and be able to make it back to town in time for Sunday school or Church.

Among the balloonists expected to be at the Sunday Rally, is Kingswood Spott, Lakeland balloonist, who has set several high altitude records. Thus far 8 to 10 balloonists from Florida have indicated that they will take part in the balloon rally, Sunday with several more expected.

After the contest ends, the balloonists may take-off for other destinations, again determined by weather conditions and wind directions.

Animal Shelter Will Be Closed On The Weekends

In an economy move designed to save \$25 per week in overtime pay, the county will close its animal control shelter weekends beginning May 14.

An analysis of records over a three-month period conducted by County Administrator Charles Cullen disclosed the fact that animals brought to the shelter during Saturdays and Sundays did not warrant keeping the facility open.

"An average of only two and a half dogs per day are received on weekends,"

Cullen told commissioners.

Commissioner Robert Skipper opined that even more money might be saved by closing the pound if that half dog referred to in Cullen's statistical analysis were the half that ate food provided by the county.

An employee will remain on duty at the shelter during weekends to care for animals that are in custody, Cullen said.

Regular hours for operation of the shelter will be 8:30 a.m. to 5:30 p.m. Monday through Friday.

Highlands Urged To Check Sewer And Water

County government should begin now to franchise and regulate those who provide drinking water and sanitary sewer services, Atty. Andrew B. Jackson told county commissioners Tuesday.

Jackson, representing Pugh's Septic Tank Service, Inc. of Lake Placid, informed commissioners that a draft ordinance prepared several years ago by County Attorney Robert Dunty Jr., could provide the mechanism under which providers of water and sewage services are regulated.

Jackson showed commissioners a map that marked the location of each of the 72 water systems and 49 sanitary sewer plants now operating in the county, or are planned.

Dunty referred to a study of the county's water and sewer problems that was presented to commissioners Nov. 6, 1973, by Russell & Axon, engineering consultants from Daytona Beach.

In this report, Russell & Axon expressed concern over proliferation of private water systems in the county. "No regulations except those established

at the state level are in effect and the developer of a system may construct the facilities he desires without regard to fire protection needs, residents needs, or future growth needs."

With respect to the small sewage disposal plants operating in the county, the consulting engineers expressed similar concerns about the absence of local regulation. "One of the major problems with these numerous plants is their operation," the study concludes. "In most cases there is not a qualified operator and, as a result, many of the operations are uncontrolled and/or inefficient."

Disagreements between the supplier and his customers over rates and services are a continuing problem, Jackson went on. "The courts are the only recourse available to the consumer and developer to settle differences."

The county can place the regulation of water and sewage treatment under the state's Public Service Commission, Dunty said. However, he observed, commissioners have, in the past,

resisted inviting the state's administrators into the county to deal with local problems.

Under Chapter 125, Florida Statutes, the county has all the authority it requires to grant exclusive franchises to operators of water and sewage systems, the county attorney stated. In fact, commissioners have already granted such franchises to the developers of Spring Lake and Sun 'n Lake of Sebring subdivisions.

County sanitarian Howard Short told commissioners that rates charged for water and sewage services appear to be a major cause of consumer complaints. Only about 12 to 15 firms, whose names appear on the list of water and sewage suppliers submitted by Jackson, actually are charging customers directly for the services they provide, Short said. With the exception of Sebring, Avon Park and Lake Placid, the remainder (primarily mobile home parks) include fees for providing water and sewage

100 Days Too Early To Tell

Franklin D. Roosevelt got so much legislation through Congress in the first hundred days of his administration in 1933 that it has been tempting ever since to judge a new president by what he accomplishes in his first three months or so in office. That's risky, and not always fair.

For sizing up Jimmy Carter, comparison with FDR's hundred days is especially unprofitable. Roosevelt called a special session of Congress to try to deal with the crisis of the Great Depression. He was committed to dramatic innovations. The country was eager for them.

But this is 1977. The language of crisis is being used mainly to describe energy problems that the public prefers to ignore. The energy program Mr. Carter handed to Congress could have an impact on American life as profound as the New Deal, but the President is in the position of having to persuade the people that they are so badly off, in terms of energy, that they need to embrace it.

The economic issue which led Mr. Carter to invoke the spirit of FDR in his campaign was beginning to evaporate by Inauguration Day. Although he has followed through with programs for direct stimulation of employment, his two-year \$31.2 billion economic stimulus package has shrunk by one-third. Evidence of solid economic growth and wariness about inflation pulled the props out from the \$50 tax rebate that would have given immediate visibility to Carter economics.

To pursue the rebate might have climaxed his hundred days with a major reversal in Congress, which had never warmed to the idea in the first place. Indeed, Mr. Carter's relations with Congress have been just the opposite of those enjoyed in 1933 by FDR, who had the lawmakers eating out of his hand. The Carter White House stepped on congressional toes at the beginning and is still trying to recover its balance.

This is a clue to a conclusion that can be drawn from Mr. Carter's first hundred days without prejudging his prospects for the next several hundred. His down-

home style, his willingness to speak with candor on sensitive subjects, is getting him off on the right foot with the public, but the techniques of statecraft are not coming easy.

His inaugural walk down Pennsylvania Avenue established his personal style, but his early encounters with the give and take of national and international politics and his entry into the maze of the federal government have not been in the style of a take-charge President.

His stand on human rights, for instance, is popular and morally sound, but it has injected a fuzziness into foreign policy and may sabotage his own goal of a quick agreement with the Russians on arms control. At home, a commitment to reduced federal deficits and a balanced budget continues to dominate his rhetoric while there is only the most sketchy blueprint of how he expects to get there from here.

Mr. Carter has brought a common touch to the presidency which we perceive as genuine. He comes through as a sincere, compassionate man searching and praying for the wisdom to do the right thing. This in itself might be considered an achievement for someone tasting the heady elixir of presidential power, but the record of tangible accomplishment on which Mr. Carter eventually must be judged is still rather skimpy.

The President receives most applause when he speaks of goals for America. The controversy arising over his energy plan shows how the applause can die when a goal is linked with the costs, political if not financial, of achieving it.

Mr. Carter needs to remember that the success of Franklin Roosevelt as a national leader was not based only on his charm in fireside chats. FDR was able to orchestrate and command the political forces that move the American people and their government in one direction or another. "I'm not much of a trader," Mr. Carter said recently of his troubles with Congress. He may have to learn to be one before too many more days slip by.

Amnesty For The FBI?

It was the first felony indictment against an agent of the Federal Bureau of Investigation in the 53-year history of the bureau.

Three hundred agents stood on the steps of the U.S. Courthouse at Foley Square in New York City recently, demonstrating on behalf of the accused agent, John J. Kearney.

The marble steps of the courthouse had seen many groups of protesters, but never a group like this.

Kearney, now retired and an official of an armored truck service company, was indicted by a federal grand jury April 8 on five felony counts of conspiracy, mail tampering and illegal wiretapping.

It is charged that these crimes were committed in 1972 by agents working under his direction on Squad 47 of the internal security division of the New York field office in a search for radical fugitives of the Weatherman group.

It has been reported that Kearney is the first of six past and present FBI officials whose prosecution has been recommended by a team of Justice Department lawyers for illegal "black bag" jobs.

The reported plan is to start at lower levels of rank and move up to the top of the ladder of respon-

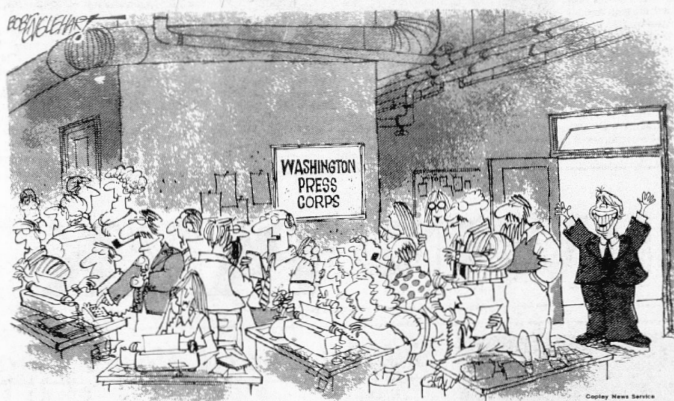

sibility and authority in order to obtain cooperation from lower-level officials in testimony against higher-ups.

The indictment has shocked the bureau. Its director, Clarence M. Kelley, said morale of the FBI has been seriously affected. He asked Atty. Gen. Griffin B. Bell to reconsider the indictment, citing the Justice Department decision under former Atty. Gen. Edward W. Levi not to prosecute Central Intelligence Agency officials on similar charges.

"The thrust of the department's resolution of that matter was based upon the principle that it is not possible to indict an era," Kelley said.

The Vietnam War era with its violent acts of protest created a public demand for effective government action against terrorist groups. Now the mood has changed and the government agents are being investigated.

There should be full disclosure of the record. Abuses should be fully acknowledged. Steps should be taken to make sure such abuses are not repeated in some future crisis of public pressure and hysteria. Present and former officials should cooperate thoroughly with the investigation on the assurance that if they do so, they will not be prosecuted.

"HEY I'M GONNA HAVE ANOTHER TELEVISED PRESS CONFERENCE IN TWENTY MINUTES..... YOU HOO! PRESS CONFERENCE! AHEM! PRESIDENTIAL PRESS CONFERENCE!"

Cuba Has Little To Offer

The lifting of restrictions on travel to Cuba by holders of U.S. passports has now led 52 Minnesota businessmen to go calling in Havana in search of customers and sources of goods. It's unusual, to say the least, for a U.S. trade delegation to visit a country currently under a U.S. trade embargo.

The prospect of an end to the embargo is what made the Minneapolis-Havana air fare look like a good investment, but this doesn't change the fact that the cart is creeping ahead of the horse in our relations with Cuba. Sens. George McGovern and James Abourezk have returned from their own trip to Havana to sponsor legislation that would permit a partial resumption of trade. They say President Carter does not object.

Mr. Carter declared soon after taking office that he wanted to move toward a normalization of relations with Fidel Castro's government. He probably attracted more cheers than jeers because he added qualifications much like those which have stood for years as the quid pro quo for detente between Washington and Havana.

The Castro government, Mr. Carter said on Feb. 16, should stop being an aggravating influence in Latin America, stop furnishing troops for guerrilla warfare in southern Africa and ease up on suppression of human rights in Cuba. This made it look as if normalization were still far down the line.

But Mr. Castro wants to play by different rules, and has decided to make the anti-hijacking agreement between the United States and Cuba — which just expired — a hostage of his effort

to crack the trade embargo. It could be renewed, he says, if the embargo were lifted. Since the agreement has relieved Mr. Castro from the burden of finding room for hijackers among the political prisoners already crowding his jails, this is hardly a concession.

The higher cards mentioned by Mr. Carter are the ones the United States should be playing. But the administration is being carried along by the idea that a little bit of recognition of Cuba and a little bit of trade can't hurt even if there is not much movement in Havana in return. The State Department is considering setting up a "U.S. Interests Office" in Havana, and the current talks on fishing and maritime issues may be expanded to include other issues.

While Midwestern farmers and a few U.S. firms could profit by relaxation of the trade embargo, such a step would not be of great economic significance to the nation as a whole. The Commerce Department estimates that Cuban trade might amount to \$300 million a year at best — in the total of \$100 billion of our foreign trade.

The significance for Fidel Castro is another matter. He needs U.S. markets for Cuban sugar. He needs U.S. grain at prices cheaper than he pays for shipments from more distant sources. He needs U.S. machinery and technology. He needs U.S. tourists in Havana. He needs to take the pressure off his sources of credit in the Communist bloc. And he wants the moral victory of gaining all these advantages while continuing to do as he pleases in Africa, Latin America and in his own

Stimulus Lacking

Energy Tax Misses The Point

Having declared that America must tackle the energy problems like waging a war, President Carter has now told Congress how he thinks the war can be won.

What the President outlined to Congress is basically a conservation strategy. His proposed new taxes on gasoline and domestic crude oil, his tax penalties and incentives pegged to the fuel efficiency of new cars, and his higher ceiling price on natural gas all are designed to m...

There should be no quarrel with a pocketbook principle. Americans are not going to change a life-style based on our historic abundance of oil and gas unless it costs them dearly to indulge their wasteful habits.

Half the battle will be won if Congress bows to that truth. It has refused to do so in the past, leaving oil and gas prices under government controls and expecting the public to awaken to an "energy crisis" that no one could see in the marketplace. Mr. Carter's projection that unchecked demand for oil and gas will begin to exceed the world's production capabilities by the mid-1980s should convince Congress that protecting the consumer from higher energy costs is a strategy leading only to defeat.

But the other half of the battle is the bigger problem. The failing of Mr. Carter's program is that it would penalize the consumer while keeping the production of oil and gas under the artificial damper of regulation and price controls. This neglects the essential need for a stimulus to production of those fuels and a competitive market for development of the alternate fuels that eventually must take their place.

By opting for taxes as the lever for conservation, the Carter program would involve the government in a complex scheme to redistribute the money it collects, including tax credits for home insulation and yet another "rebate" to low income families. It raises a question of fairness for farmers and for city-dwellers in Western states where commuting distances are great and the alternative of public transit is unavailable.

Some of the tax money would be diverted into energy research and development. The government would be the arbiter of where it is spent — not the industries which have to make new energy sources marketable and phase them into the economy. Indeed, both in gathering new tax money and distributing it the Carter program would give the federal government a powerful new role in influencing personal and business decisions.

The President has tried to create a sense of urgency with the unveiling of his program. We have nursed our illusions about energy too long. So have our representatives in Congress. It is now their responsibility to respond constructively to Mr. Carter's proposals.

There are two dangers looming. One is that Congress will water down the Carter program to make it easier on the consumer. That won't do, because we have learned that energy conservation can't be made the order of the day only with posters and slogans. The other danger is that armchair generals of energy policy will fail to recognize the powerful weapon that can win the production side of the energy war — the experience and enterprise of American industry responding to demand in a free market.

Dynamic Inactivity

A police psychologist who has been involved in more than 400 hostage situations recommends an approach he calls "dynamic inactivity."

The psychologist, Dr. Harvey Schlossberg of the New York City Police Department, says the typical hostage situation can almost always be defused, given enough time.

In other words, easy does it. We are reminded of the advice of Bert Lance, director of the federal budget office: "If it isn't broke, don't fix it."

Scouts Fly-Up Ceremony

A last reminder is being given to Girl Scouts, would-be scouts, parents, other relatives, and friends, that the Fly-up ceremony will take place Tuesday, May 17th, at 7:30 p.m., in the Elementary School cafeteria.

Everyone interested in Girl Scouts and scouting is urged to attend. Girl Scouts who are not flying up should be there to welcome the girls who are.

Registrations for next fall will also be taken that evening. Volunteer workers are also needed — Enough to insure that no little girl is disappointed this fall. These

volunteers may be active leaders, do the planning, keep records, assist in camping, teach crafts, or do some other needed work.

These may be high school seniors, senior citizens and all those in between, women or men. Each troop must have a leader and at least one assistant leader.

It is hoped that there will be a good turnout for this interesting evening, and many interested and eager volunteers. There are always many eager and interested girls.

Avon Park Junior Women Honor New Members

Mrs. Darrell Cloud

Lynn Camp And Darrell Cloud Wed In Candlelight

Miss Marjorie Lynn Camp, daughter of Mr. and Mrs. B. F. Camp, Jr., became the bride of Darrell Edmond Cloud, son of Mr. and Mrs. Hugh D. Cloud, in a candlelight ceremony at the First Baptist Church.

The Reverend Aden Childress performed the double-ring ceremony that united the couple as one in Christ. A program of pre-nuptial music was presented by Van Skipper, organist and Miss Arlene Graham, soloist.

The sanctuary was decorated with jade and leatherleaf greenery and Boston ferns. Large fan shaped candelabras intertwined with greenery and supporting arrangements of white gladioli, chrysanthemums, baby's breath and white and yellow iris pyramid to the pinnacle of the left, where a massive arrangement of white blossoms supported by a white column centered the ultimate fan of candles. Thirty eight white tapers laced with greenery and white iris lined the choir banisters.

The kneeling bench was accented with a cascade of white roses, chrysanthemums and greenery tied with white satin ribbons. The unity candle lighted by the couple was designed and made by the bride and bore the couple's invitation.

The bride, given in marriage by her father, wore a formal white satin organza empire gown with attached chapel train. Re-embroidered Alencon lace with Brussels embroidery created the trim with pearl, pleated yoke, and ruffled cuffs on the full bishop sleeves. A triple tier of silk illusion attached to a matching lace cap formed her mantilla and chapel length veil. She carried a white Bible, a gift from the Baptist Young Women, that supported a crescent of white silk iris with dainty white blossoms and silk greenery on a white lace fan.

Attendants: Mrs. Laura Denney, sister of the bride, served as matron of honor. She wore a maize polyester gown of empire design. The bodice was accented by soft folds and a draped that encircled the scooped back neckline of the dress and laid softly over the shoulder. The drape was caught by a gold monogrammed pin, the bride's gift to her attendants. She wore a halo of matching color and fabric as the dress.

Bridesmaids were: Mrs. Patricia Locke Knight and Miss Lissa Locke, cousins of the bride; Miss Elizabeth Baughman of Orlando, and Miss Gail Culbertson. Their dresses and hats were identical to the maid of honor's and each carried a crescent bouquet of yellow silk iris and greenery on white lace fans.

Victor Pollard served the groom as best man. Groomsmen were: John Denney, Gerald Wicker Jr., Gregory Gay, Frank Young and Ronnie Kelley, cousins of the groom.

The groom, and Edwin Miller. Mrs. Camp chose for her daughter's wedding a pink chiffon floor length gown. The bodice was overlaid with a cape of floor length turquoise and a floor length turquoise cape and pink gown for the occasion.

Both mothers wore white iris corsages. Mrs. J. L. Wells, maternal grandmother of the bride, chose a floor length turquoise gown and Mrs. B. F. Camp Sr. selected a formal aqua gown. Mrs. Bertha Lanier, grandmother of the groom, chose a pink gown for the occasion.

A buffet reception was held immediately following the ceremony at the church social hall. The tables were skirted with white organza over white cloths.

The buffet table was centered with a beautiful ice carving. Silver and crystal epergnes with white iris, tapers and greenery complimented the cake table.

The cake, a four tiered square creation with pale yellow blossoms was adorned with the traditional bride and groom that revolved on a music box that played the wedding march.

For traveling, the bride wore a beige suit with a soft rose blouse and an orchid corsage. Her jewelry was pearls, her wedding gift from the groom.

The couple will make their home in Avon Park where the bridegroom is employed by the State.

The rehearsal dinner was held at the Church Social Hall on the eve of the wedding. The bridesmaids' luncheon was given by Mrs. Marva Turner and Mrs. Angie Miller at the Turner home on Lake Lillian.

Business Women's Club The Business Women will hold their annual covered dish supper May 16 at 7 p.m., at the Woman's Club House, on the corner of Verona and Pine. Members are reminded to bring their own table service.

The May 3rd meeting of the Junior Women's Club met at the Clubhouse at 7:30 p.m. and honored its prospective new members.

Ellen Jordan, Membership Chairman, introduced herself and told a little bit about her background. Each member and prospective member repeated her own history and got to know a little bit about everyone present.

Guest and prospective members were Barbara Allen, Debbie Klein, Jan Hollman, Belinda Beaver, Betty Lou Doty, Sara Houpe, and Linda Dennis.

The Club then broke for "Potluck" refreshments with the Executive Board serving an assortment of goodies ranging from brownies to chips and dips.

Barbara Cornell, Pat Smith, Janet Bell, Mary Wells and Judy Angelo were called upon to stand and give their impressions of their first Florida Federation of Women's Club Convention.

Much was learned and the girls had a lot of fun, too! All came back with much enthusiasm for the coming year and can't wait to get started in helping our

community.

Ellen Jordan and Mary Wells represented District 9 in the Fashion Show with Ellen winning a blue ribbon in the creative sewing division.

Also representing Avon Park were members Sue Moseley and Judy Mundt.

To help defray mailing expenses, the F.F.W.C. is selling T-shirts to Club members with sayings such as "My Mom Is A Federated Lady." These seem to be going over very well and are a great way of advertising our club. President Sue Moseley reported that Fall Bazaar will

also be in Orlando this year and is looking for a good number of members to attend.

The Club very regretfully accepted the resignation of its Treasurer, Betty Hart. We will really miss a conscientious worker and member.

Starting with September 1977, the Club will be having a money-making project per month. Our girls are full of energy and enthusiasm and also full of ideas to follow up.

Folks are in the planning with Mary Wells and Janet Bell in charge.

All havac then broke loose as the White Elephant Sale got under way with Donna Guenther as auctioneer!

Suckers were all over the place paying money for such things as empty spoons of thread and empty toilet tissue holders!

The biggest White Elephant turned out to be a large blue elephant, which Sue Moseley bought.

"Goodie of the Month" was won by Barbara Allen.

Student Council Members Attend State Convention

Representatives from the Avon Park High School Student Council, Katrina Conner, Ellen Macklin, Arnold Wilson and Miss Holly Riddick, Co-sponsor travelled to Orlando last Thursday, May 5, to attend the FASC (Florida Association of Student Councils) Convention. During their stay of three days, they were busy voting as members of their district on amendments to the state constitution, and on resolutions to be sent to the Florida legislature. Every year the legislature considers these resolutions for adoption. The delegates also helped to elect the officers of FASC for next year, after hearing formal nomination speeches and open question forums.

In addition to taking part in the ordinary business of the

convention, which is run similarly to a political party convention, the students attended discussion groups which enabled them to bring back valuable information on fund raising, parliamentary procedure, state redistricting, and how to combat apathy. During the convention, the delegates gained a working knowledge of Robert's Rules of Order.

The convention was held at the Kahler Plaza in downtown Orlando. There were over seven hundred delegates and their sponsors in attendance. After the work during district and general assemblies, entertainment was provided for the delegates. Students attended a banquet and dance held on Friday night.

The Avon Park High School Student Council of 1977-78 should benefit from the experience and information that these three delegates will be able to provide, so that it

Junior College To Give G.E.D. Tests For Diploma

Gene Statler, director of Vocational & Adult Guidance at South Florida Junior College, has announced that the next series of tests for qualified adults to obtain a high school equivalency (G. E. D.) diploma will be given May 17-19 at 6:30 p.m. at the college.

The diploma constitutes the legal equivalent of a high school diploma and can be accepted by employers and training agencies.

The examination consists of five separate comprehensive tests covering the fields of English expression, natural science, general mathematics, social studies and literature. Each test takes approximately two hours and it usually requires three evenings to complete the five tests. The application forms must be completed and submitted to Statler

before Monday, May 16. The \$10 testing fee is payable on the first night.

Persons who are interested in applying for the fall Licensed Practical Nurse program must be high school graduates or have EG. E. D. diplomas before they are eligible to apply. Applications for the LPN Program must be in by June 1, and this is the last G. E. D. test to be given before then.

Applicants for the fall cosmetology class must have completed the 10th grade or its equivalent prior to applying. Persons who do not meet this requirement may take the G. E. D. test and, if they obtain a 10th grade equivalent score, they will be eligible to apply for the class.

Anyone desiring further information should see Statler at SFJC or call 453-6661, extension 119, in Avon Park.

Junior College All-Star Game Won By South

In the Florida Junior College All-Star Game played last Thursday in Lakeland, the South defeated the North, 4-3. The North All-Stars were coached by Tim Hill of South Florida JC and Bill Frazier, coach at Gulf Coast CC. The team consisted of players from South Florida, Manatee, Broward, Polk, Florida College and Gulf Coast. The South team was composed of players from Edison, Indian River, Broward, Palm Beach, Seminole, Central Florida, Miami North and Florida Junior College.

Blaine McDonald, Larry Glass, Dana Walstad and Rick Harrison represented South Florida Junior College. Rick Harrison pitched the third and fourth innings and retired all six batters he faced. This was Rick's second straight appearance in the JUCO All-Star Game. Last year he pitched three scoreless

innings as the starting pitcher. McDonald, who hit .405, was the starting All-Star catcher again for the second consecutive year. Blaine collected two hits in three trips to the plate, plus a walk. Larry Glass, who batted .363 on the season, started at third base before being switched to second base for the last four innings. Larry hit the ball extremely well, but right at someone. Dana Walstad, a .326 hitter on the season, played shortstop and, like Glass, hit the ball extremely well, but again right at someone.

All in all it was a good game for baseball, good for South Florida Junior College, good exposure for McDonald, Glass, Harrison, and Walstad and a good way to kick off the State Junior College Tournament that followed and which was won by Valencia.

Heart Work Successful Because Of Volunteers

Sixty members and their families attended the Kissimmee Cemetery Association meetings last Saturday and Sunday at Ft. Kissimmee, where meetings have been held since Nov. 23, 1950.

The association composed of families who owned land and lived in what is now the Avon Park Bombing and Gunner Range, have many members of their families buried in the Kissimmee River Cemetery.

They now return each year for a Saturday work day, to clean up the cemetery and grounds and on Mother's Day hold their annual church service, picnic and business meeting.

In 1955 the group asked the government if they could buy back the cemetery and some adjoining land. Subsequently they paid \$400 for the cemetery and enough land to make 3.74 acres. The original families included: Boyer, Thomas, Rhymes, Prescotts, McClelland, Tomlinsons, Hicks, Howell

and Hucklebee. The cemetery was placed in this area when two men, Sheffield and Shaw shot each other in a dispute, while working on a schoolhouse.

Following the Sunday noon picnic and during the business meeting the organization presented honorary lifetime membership cards to members 70 years of age or older and included: W. Cliff Thomas, Mr. and Mrs. Brad Thomas, Vera Rhymes, Dolly Thomas, Jimmy Tomlinson, Henry Prescott, George Hicks and Mrs. Delila "Ma" Drawdy.

Mrs. Drawdy was also honored as the oldest mother present, with a \$25.00 gift certificate. She was born Delila Waldron on May 18, 1892, at Arcadia. At the age of 15, Delila married Perry Drawdy. Of their six children, five are still alive and include Shirley Drawdy, Gladys Thomas, Christine Johns, Lois Lee and Jean Mann. Her husband Perry died in 1942.

Mrs. Drawdy's family is one of the oldest families in the Kissimmee Valley,

coming to the area from Georgia and settling in the Fish Eating Creek area in 1855. They started a school at Berea and her grandfather started a school at Venus.

The first school in the Kissimmee River area was built like a Chickee, of Cabbage Palm logs, with the seats and desks also constructed of Cabbage Palm logs. The first teacher walked from Orlando, taught for three months and walked back to Orlando.

Of Mrs. Drawdy's three sisters and six brothers, her brother Jesse Waldron lives at Fort Meade and her sisters, Bertha Lanier lives in Sebring; Mary Mott, in Avon Park and Olie Drawdy lives in Fort Meade.

Mrs. Drawdy lives with her son Shirley in Avon Park. She has 11 grandchildren, 15 great grandchildren and 9 great, great grandchildren.

Kissimmee Association Honors Older Members

"It has been a successful year," stated Buddy McKenzie, chairman of the Highlands County Chapter of the American Heart Association, last Saturday, as he and other volunteers prepared chickens for barbecuing at the Lions Club barbecue pit on West Bell St. Avon Park.

The chicken barbecue was described by Buddy, as their last fund raising activity of the year. The Highlands Chapter held a dance at the Agri-Civic Center and one previous barbecue.

Buddy continued that the Heart Association did not have a door to door solicitation project but relied on the volunteer contributions to interested

people and merchants, who mailed in and hand carried their contributions into volunteer workers in Avon Park, Lake Placid and Sebring.

"Success of the fund raising activities was largely due to the work of the area co-chairman," stated Buddy as he named: "Francis Dennis of Avon Park; Jim Brannen, Evelyn Cullens and Lucky Campbell of Sebring and Ida Dorman of Lake Placid. We had approximately 10 workers in the three cities who carried the bulk of the load," continued Buddy.

Funds raised by the Highlands Chapter of the association are disbursed through the American Heart Association for programs such as the CPR (Cardio-

Pulmonary Resuscitation) program to be given at South Florida Junior, cardio research and in securing of films for use in Highlands County and blood pressure and heart rhythm checks by the health department.

To-date with the voluntary contributions and with their fund raising activities the Highlands County Chapter has raised over \$2500 for work of the Heart Association. The next fund drive will start in July for the 1977-78 year.

Helping prepare the chicken for barbecuing last Saturday were Boba Street of the Sheriff's office; Bill Phillips of Phillips Grocery, Ricky Helms of the Clerk of Courts office and Jim Brown of Sheriff's office.

Theresa Corban Receives Scholarship

Theresa K. Corban of Avon Park has been awarded the Presidential Scholarship from the University of South Florida. One U. S. F. The award gives status and recognition to the academic achievement attained by the recipient.

After Terri was graduated from high school in 1973, she came to Avon Park to live with her grandparents, Mr. and Mrs. O. H. Corban, and attend South Florida Junior College.

At Buckeye High School in Adena, Ohio, she was a member of the National Honor Society, Drama Club, F. H. A., and was Captain of the Drill Team.

Terri is a member of Phi Theta Kappa, national honorary fraternity, at South Florida Junior college and will

Sight Saving

Drive For \$1500 Set

The Highlands County Advisory Council of the Florida Society for the Prevention of Blindness has announced a goal of \$1500 for the 1977 Sight Saving Drive, to be conducted during the Prevent Blindness Month in May.

Art Trammell and Ruth Hitt, co-chairmen said that local volunteers will call on individuals, businesses and other groups to contribute to the fight against unnecessary blindness from cataract, glaucoma and diabetic retinopathy, the three leading causes of blindness in this state and nation.

"The money we collect is an investment in Prevention of Blindness programs to benefit the citizens of Highlands County," Trammell said. "This includes educational campaigns such as this year's emphasis on cataracts, community programs such as Preschool Vision Screening, and research into the causes and cure of blinding eye diseases."

"Today in Florida six citizens will lose their sight," said Mrs. Hitt. "Three of them needlessly!" For this year 2,350 men, women and children will become blind in our state, and half of this blindness can be prevented.

"The Local Prevent Blindness Advisory Council is working to reduce the number of those who become needlessly blind. The Florida Society for the Prevention of Blindness has scored major achievements in sight conservation and prevention of blindness, but more help is needed."

The Prevent Blindness volunteer who calls on Highlands Highlands residents will be bringing up-to-date information which can save your sight.

Working Wives Blamed For Expensive Housing

By JAMES M. WOODARD

"I've finally figured out what's causing prices of homes to increase so rapidly. It's working housewives."

When a friend expressed this opinion the other day, my first reaction was disbelief. How could working housewives have any significant impact on the housing market?

After giving it some thought, I began to agree with him — at least women are having a much greater impact on housing. And that started me thinking about other "seldom recognized" factors that are pushing home prices up, which we'll touch on here.

In today's market, there are more working housewives than ever before. Two incomes have become a necessity in many households just to keep family finances above water in our current inflationary climate.

Also, because of new social pressures and legislation, women are generally making more money and holding down higher-level jobs than ever before.

More single women are also "cutting it on their own" financially. In fact, during the past year one of every 16 home mortgage loans were granted for single women — the highest proportion ever. With more "money power" and backed by the Equal Opportunities Credit Act that prohibits lenders from discriminating on the basis of sex or marital status, women are generating much of the current buyer demand

for homes. And, of course, the greater the demand, the higher the prices rise.

Another major contributor to rising prices is increasing "speculation" in the buying and selling of homes. When prices are increasing at the rate of 1 per cent per month (in some areas), it attracts speculators like flies to sugar.

In fact, those much-publicized lines of people waiting for hours to purchase a new home or condominium in Southern California are largely speculators. At least, many plan to reside in the property for a very short time, then sell for a substantial profit.

Brokers are sometimes the speculators in the case of resale (used) houses. There is nothing particularly wrong with this practice, as long as the seller knows he is dealing directly with a broker.

However, the practice of a few brokers to speculate on (purchase and resell) their own listed properties is considered a bit unethical by many consumers and brokers.

A broker is normally an agent for his seller. He has a responsibility to diligently serve the best interests of his client, as most brokers do.

When a broker proclaims "if we can't sell your home, we'll buy it" a conflict of interest situation may arise. He may be able to make far more profit by buying and reselling the property than he could by finding a buyer for his listing and earning a commission.

Therefore, it's reasonable to wonder just how much real effort the broker will expend in finding a buyer. This kind of dubious speculation is attempted most frequently in areas where special factors are boosting home prices at an accelerated rate — factors such as a major new or expanding firm in the community.

These are a couple of reasons for increasing prices of homes, beyond the tide of inflation pressures. Other factors, such as new government requirements, no-growth movements and new financing techniques, will be discussed in future columns.

Citrus Packing House Owner Given 30 Days To Secure It

A large, abandoned citrus packing house was the subject of city council debate this week, as the owner of the structure, Fred Jahna, was given 30 days to secure the building.

The structure is located at the corner of North Central and Pleasant Streets and has stood there for approximately 30 years. It has been empty for several years.

Councilman Larry Albritton expressed his concern for children playing in the area, saying that it was possible that someone could hurt themselves or possibly lose their life in the delapidated building.

City Building Inspector C.W. Ellerbe indicated that he had talked to Jahna about the problem and that the owner had agreed to clean up the facility and fence it in sometime soon.

The council, saying that they were doing Jahna a favor, voted to give the man 30 days to comply. Ellerbe indicated that the windows and doors of the building would have to be boarded up. He added that several loading platforms connected to the structure would have to be removed.

studied fashion merchandising in college. June will be a busy month. (This may be true, since there are usually lots of social activities happening then.) In July, there will be some changes made in your place of employment and also in September and October, but you will be with the business for a long time and these things will not effect me directly.

I asked about my husband marriage. Your mate is a Virgo and you are a Cancer. That is a very compatible combination and there should not be any problems.

"What about my father's health?" I asked.

Your father is a Pisces and they usually have problems with their feet and shoulders. (My father is always saying how much his feet hurt and he does have bursitis in one arm.)

"Each person is different," my astrologist told me, "and just because they are born under a certain astrological sign does not necessarily mean they will be true to that sign. It depends on where the planets were when a person is born. The only way a person can find out about themselves is to have a private reading."

In general, I was fascinated by the experience and I thought the young woman (still no name) showed a mastery of her craft. However, whether or not there is any truth to the predictions remains to be seen. The \$10 fee charged for the reading would be well worth it if the future has really been told. Only time will tell.

Editor's note: The Sun in no way wishes to cast aspersions on astrology. On the other hand, we do not advocate such a practise either. This story was done only as an attempt to provide our readers with a first hand account of what happens when you visit a "seer".

.....Awarded bids on classroom, janitorial and phys. ed. supplies and on paper products.

.....Agreed to seek bids on the removal of five probable classrooms from Lake Placid to Sebring. One will go to Sebring High School, two to Fred Wild and two to Woodlawn.

.....Approved use of the SHS gym three hours a week by the Sebring

.....Granted permission for the Woodlawn PTA to construct an outdoor physical education shelter.

.....Agreed to table approval of a lease with the City of Avon Park for Head Field. The lease is not ready. Dr. Davis told the board. He said Avon Park Council had appointed a committee to study it.

Mrs. Turnbull suggested that the board also point a committee to work with council and the city's athletic association. "They don't seem sure of what they want. The way it stands, we

would own the field, but we can't dig up the grass or hold graduation there."

Mrs. Turnbull volunteered for the committee, as did Roberts, who in turn appointed Grady.

Something new was added when Dr. Davis recommended that resignations of Gary Dully and Joe Quinn, both of the Avon Park Middle School, be rescinded. Asked the reasons, Davis said that the resignations had been "given in good faith and I think we should give them back in good faith." He said the two would not be returning to the school next year.

County Urged To Check Facilities

services in their monthly rental charges, he said.

Jackson admitted that his client, Pugh, was interested in being granted a franchise to protect his interest in water and sewer treatment plants he presently operates. But looking beyond the protection of Pugh's interests, Jackson contended that county commissioners should accept the responsibility for providing a regulatory mechanism now, before more water and sewage systems are introduced into the county and will elude control provisions of an ordinance being "grandfathered-in".

The County Health Department will not permit a resident to drill a well or install a septic tank to serve his family if a water or sewage system is available for his use, Dunty said. Therefore, the

consumer has little effective recourse but to pay the charges imposed on him by the service operators.

Questions asked of Jackson, Dunty and Short indicated that Commissioners are understandably hesitant about granting and regulating water and sewage franchises. An ordinance establishing the controls Jackson seeks would place commissioners squarely in the line of fire between businessmen out to make a profit and consumers, rate over rates charged and quality of services provided.

Nonetheless, commissioners agreed to study Jackson's proposal, review the 1973 study by Axon & Russell and reconsider Dunty's proposed regulatory ordinance. They expect to discuss the matter further during next Tuesday's meeting.

In other actions, commissioners:

— Granted a variance of county subdivision regulations to Lane Realty Co., thereby permitting the developer of a proposed subdivision, to be located south of Harder Hall golf course, to install streets in straight lines. Subdivision regulations discourage construction of straight streets that invite auto speeding.

— Delayed until next budget year consideration of a request submitted by Highlands General Hospital that per diem rates paid by the county for services provided to indigent patients be raised from \$38.12 to \$11.14.

— Approved making one-time repairs to a section of Perry Road, Avon Park Lakes subdivision.
