

## Local Deputies Arrested Hunting Deer Illegally

Two sheriff's deputies are to appear in Highlands County Court Nov. 23, following their arrests Saturday for hunting deer with a gun and light, and possession of a freshly killed male deer during closed season.

Sheriff Joe Sheppard terminated the appointments of Deputy Clark Dennis Jackson, 25, of Avon Park and Deputy

Bruce Bennett, 28, of Avon Park at 2 a.m. Saturday, following their arrests by Sgt. Gary Phelps and Game and Fresh Water Fish Commission Officer Frank Valentik in Breezy Hill Development off Route 64 at 1:30 a.m.

Deputy Jackson was on duty when arrested and the two were using Jackson's patrol car. The commission

confiscated the privately-owned rifle and spotlight allegedly used.

"I had no choice but to make the decision I did," Sheppard told The Sun. "I absolutely cannot tolerate this kind of conduct. I expect all of our employees to abide by the oath they sign," he added. Department employees sign an oath promising to uphold all the laws of the state.

Although state laws protect police officers from firings without warning, Sheppard said the state Supreme Court has ruled that sheriff's deputies are not public employees but the employees of the sheriff. As such, they are not covered by state laws regulating police officers and other public employees in law enforcement.

The sheriff can terminate the appointment of his deputies without warning, the court has ruled, Sheppard said.

According to Maj. Richard McLeod, Jackson and Bennett were three-year department veterans.

Jackson had submitted a resignation for personal reasons that was to become effective at the end of October. The resignation was tendered before the incident, McLeod said.

Bennett had recently been appointed as investigator in agricultural law enforcement.

The former deputies were not required to post bond but instead were issued the summons by Sgt. Phelps as a professional courtesy, the sheriff said. He complimented Sgt. Phelps and Officer Valentik on their work.

Sheppard said the deputies' conduct in the case bordered on malfeasance and misfeasance. "It was a tragic mistake on their part."

## Conmen Operating In County

Recently in the Highlands County area there have been a number of attempts to deceive citizens in regards to checking and savings accounts at local banks. Conmen have been reported calling bank customers from Barnett Bank of Sebring, First Federal Bank of Sebring, and Avon Citrus Bank in Avon Park.

Although there haven't been any successful swindles made, the police and bank officials are very concerned over the filmdom artists working this area. The con is usually aimed towards Senior Citizens. The money taken from the victim is usually money saved throughout the victim's lifetime, or proceeds from an insurance policy.

According to Pat Smith at the Avon Citrus Bank, these conmen start their game each year about the same time. The reported incidents usually start occurring in Sebring first, and then spread to Avon Park and Lake Placid. There have been several reports of attempted cons in Sebring, already, and two reports in Avon Park.

In a letter to area banks, the federal Bureau of Investigation has provided this crime resistance tip: "If you are contacted by anyone identifying himself as a bank examiner, bank official, or law enforcement officer requesting you withdraw money from your account to assist him in catching a suspected dishonest employee at the bank, more than likely this is just a ruse to steal your money."

"Under these circumstances, do not make any withdrawals before you discuss this with an officer of your bank in PERSON AT YOUR BANK."

In one incident in Sebring, a bank customer was requested over the phone to withdraw \$8000. Luckily, the victim refused. In another case, that happened in Avon Park, a bank customer received a phone call from a Mark Miller, who claimed to be the Avon Citrus Bank vice-president. The filmdom man asked to know what the customer's checking account balance was, as of his last bank statement. To justify his question, the conman told his victim that the bank's computer was broken and that the bank had to find out what the customer had in his account.

If anyone asks any suspicious questions about your account you should not answer any questions over the phone. You should not call the bank over the phone, either, because there is a possibility that such a call, through manipulation of the phone could be intercepted by the filmdom man. According to the F. B. I., such manipulation is very easily done by the conman and is very common. You should go directly to your bank and ask any of the bank officials inside what to do. They will be glad to assist you.

## Deputy H. C. Godwin Honored At Meeting

At the Tuesday noon Kiwanis Club meeting, Oct. 25, Howard C. Godwin was honored with a "Certificate of Appreciation" by the club. It was presented by Highlands County Sheriff Joe Sheppard.

Deputy Sheriff, Howard C. Godwin has been employed by the Highlands County Sheriff's Department for approximately two and one half years.

He has furthered his law enforcement education beyond the National Police Standards. He was awarded an Associate

in Science Degree from South Florida Junior College. He also received his Bachelor of Arts Degree from the University of South Florida.

On one occasion in 1976, he was recognized for his diligent work in aiding and assisting during a fire at the Sebring Boarding Home. He helped save the lives of boarders, while risking his own.

Deputy Godwin is a dedicated young officer, putting in many hours of overtime.

## Death Sentence Of 16 Year Old Draws World Reaction

A worldwide shock wave rippled outward from the death sentence imposed on 16-year-old Frank Ross. Only three reporters attended the quiet court session Oct. 25, when Judge Clifton M. Kelly announced his decision to abide by a jury recommendation that the Dade County youth die for the death of Helen Dixon.

In the days since the sentencing newspapers from England, France, Denmark, Argentina have made direct contacts here and many calls have been received from foreign press representatives based in the United States.

Judge Kelly said about half the calls he has received have been directed to questions about the penalty, the other half to queries about and comments on his plea for crime prevention education.

The veteran criminal judge concluded the Ross sentencing with a strong appeal for a "massive long-range effort to reduce crime." The key portion of this proposal is for the public schools to place basic teaching about law and citizen responsibility on the same plane as "any other subject in school such as reading, writing and arithmetic."

This week Judge Kelly said the public response to this portion of his Ross sentence statement has been "unusually good. I have found no one who didn't

think it a good idea," the judge said. In Polk County the school board formally endorsed the Kelly suggestion and a number of newspapers editorially called on the Florida Legislature to pass, at its 1978 session, a law providing for school involvement in teaching students to respect "other people and their property."

John R. Harrison of The New York Times Florida group and author of a prize-winning criminal law booklet for children, has endorsed the proposals Judge Kelly attached to the Ross sentencing statement.

In floor debate at an international church gathering — the General Assembly of the Christian Church — a Texas layman referred to the Ross sentencing and urged support for Judge

Kelly's plea for education as the route to prevention of violent crime.

Ross and a friend, James Wells, were arrested Nov. 20, 1976 and charged with the murder of Mrs. Dixon. The 64-year-old Avon Park widow had died at her home on Nov. 15. Wells, who was a prosecution witness at Ross' trial in February of this year, said he and Ross were negotiating to buy Mrs. Dixon's car. Both he and Ross testified, "I don't know," when asked why Ross had stomped Mrs. Dixon to death.

Wells, who is 17, pleaded guilty to second degree murder and was sentenced to life in prison.

Ross, who is to observe his 17th birthday Nov. 30, has been moved from Highlands County jail to the state prison processing center at Lake Butler.

## Man Gets 10 Years In Beer Can Robbery

The man who used a beer can in staging the first bank robbery in Avon Park's history, has been sentenced to 10 years in state prison.

Michael Franklin Langdon, 23, was captured July 22 only minutes after he had fled the Avon Park office of First

Home Federal Savings and Loan Association. Avon Park City Police, who had been alerted by silent alarm, arrived on the scene as Langdon was leaving and gave chase on foot.

A short distance from the savings and loan office police

recovered a bag containing \$3,700 in cash. Police did not find a weapon but Langdon was charged with armed robbery. Langdon claimed he had draped a coat about an empty beer can to create the illusion of a weapon. In circuit court Sept. 26 he pleaded guilty to unarmed robbery. In court Oct. 31 Judge Clifton M. Kelly sentenced Langdon.

The bank robber said he had lived in Texas and Kentucky before coming to Florida. He said he was hitchhiking through the state and a driver who gave him a ride to Avon Park suggested a bank holdup. Witnesses did not implicate a second person in the robbery and only one arrest was made.

## Christmas Parade Set For Monday, Dec. 5

All signs indicate that this year's Christmas Parade will be the best ever, stated Anna Belle Wordon, executive director of the Avon Park Chamber of Commerce. Bands, floats, beauties and booths have been registering at the chamber offices since the first of October, for the 7 p.m. Dec. 5 parade, she added.

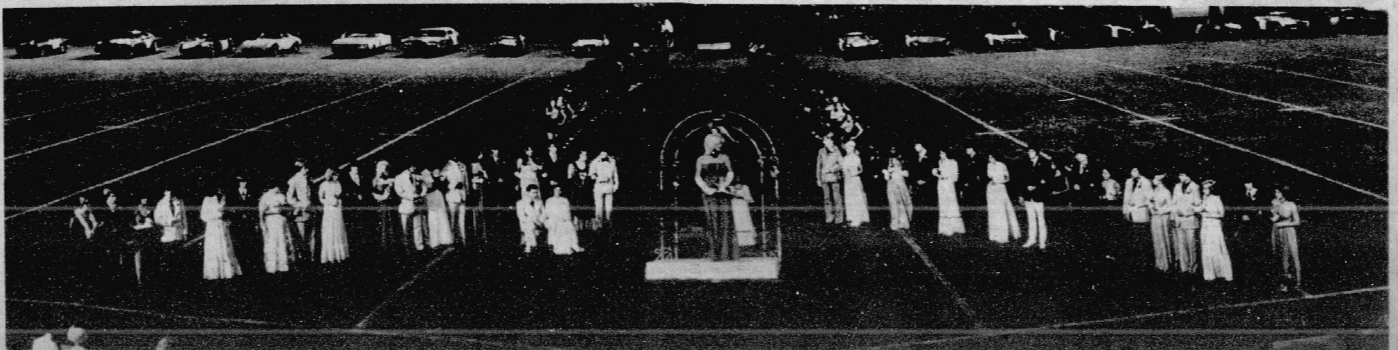

The theme for this year's parade will be "Reflections of Christmas" which will cover both the old and new ideas for the holiday season.

Rules have also been added to make the parade a bit safer along the parade route. No live Santas. No candy can be thrown from floats. No riders on the

floats, to and from the parade line-up. All cars must be decorated and a special plea "No-Rain, Please."

The Chamber of Commerce has float design pictures and material catalogues and invites any business, civic or church organization to browse through this material if they need helpful ideas.

The Chamber of Commerce will charge a fee of \$5 for each booth set up along the parade route this year. WHY? Simply because a number of organizations with food booths last year failed to pay the chamber 10 percent of their sales to help meet the expenses of (Please turn to page three)

### Your Ideas Needed

When will the Seaboard Coastline Railroad Station become the Avon Park Museum?

At the Old Settlers Historical Society meeting last Thursday night it was revealed by Mayor Marshall Davis that unofficially Avon Park would receive the deed for the 1928 built station.

Late Mayor Davis told of talks with railroad officials about restrictions necessary to protect the railroad right of way, which included clearing of the concrete between the building and the tracks and the overhanging roof of the station to give a clear area of 15 feet from the center of the tracks. The city would also put up a fence between the tracks and the building to prevent children from wandering or playing on the tracks in the vicinity of the building. Also it was asked that the doors on the west side of the station, not be used, again as a safety factor.

Superintendent of the Florida Division of the railroad, J. Arnold, Jacksonville suggested that the company lawyer and the city attorney meet in the near future to draw up the necessary papers for the transfer of the station to the city and that an appraisal of the property be made for tax purposes, to which the Mayor Davis, said he agreed. But a date had not been set for the meeting.

When asked if the city could use a part

of the building for other purposes than the museum, the reply was that the city could do anything they wanted to with the building after they received the deed.

The general opinion at the Old Settlers meeting was that the city council should name a working committee to start preparing to take over the task of establishing a museum and planning to make the necessary repairs and the securing of equipment for such a museum.

To that end a meeting of the Old Settlers Historical Society board of directors has been called for 9:30 a.m. Friday Nov. 4 in the mayor's office at city hall, for the purpose of discussing names to be submitted to the city council in appointing a museum or planning committee, with a chairman being named.

The public is invited to attend the meeting as it is felt that with the input of ideas from more people, the better the results will be in having a fine museum.

Hopefully with the appointment of a working museum committee, the railroad company will see fit to implement the conversation with the presenting of the property deed to the City of Avon Park for the establishing of a museum in a building that is already a landmark of history.

YOU SEE THE SIGN, PILGRIM, MOVE ALONG!!!!

### Our Readers' Opinions

#### Congratulations To Our Editor

Dear Editor:

I am so happy to congratulate Mr. Lewis Miller of "The Avon Park Sun" for being elevated to the editorship of this fine weekly paper.

I also wish to congratulate "The Avon Park Sun" for selecting such a fine, able, steadfast, hard working, well experienced, a lovable and faithful Christian gentleman to the main staff of the paper.

We hope and believe that under the good leadership of honorable, intelligent and able publisher, Mr. Edward Carter and the new editor, with the co-operation of good and talented secretaries, helers and other employees that "The Avon Park Sun" will have an excellent record of progress, service and usefulness for years and years to come.

"The Avon Park Sun" never fear of telling the truth, the only truth. Never, never, sun unfurling the banner of freedom—mainly religious freedom—of the freedom of worship, freedom of religion, which is the foundation of all freedoms. Gods richest blessings be upon you all.

#### City Should Spray For Mosquitos

Dear Editor:

In answer to that article in the Avon Park Sun of October 27, if the City of Avon Park has a mosquito spraying machine, and if a citizen through a mosquito bite gets a case of encephalitis, I think the city would have a lawsuit on its hands, because of being lax in the use of it.

#### Keep Your Apartment Painted

Dear Editor:

In answer to Concerned Citizen: I have lived in Delaney Heights nearly eight years. Ever since the apartments have been occupied. My apartment does not need painting because I keep it clean. My heater works perfectly. Anything I have reported a leaky faucet or other item, repairs have been made immediately.

I have lived many years in apartments and never have had better service than I have had at Delaney Heights. I think Mr. Peavy is an excellent manager.

ATTENTION

CITIZENS OF AVON PARK SCHOOL DISTRICT  
YOUR COUNTY SCHOOL BOARD IS GOING TO BE ASKED TO MAKE A DECISION ON THE FOLLOWING PROPOSAL:

PROPOSAL TO: HIGHLANDS COUNTY SCHOOL BOARD (BOARD)  
FROM: AVON PARK HIGH SCHOOL ATHLETIC ASSOCIATION (ASSOCIATION)  
RE: AVON PARK HIGH SCHOOL ATHLETIC FIELD (FIELD)  
LADIES AND GENTLEMEN:

We, the Board of Directors of the Avon Park High School Athletic Association submit the following proposal for your consideration:

POINT I-CONSTRUCTION-IMPROVEMENT PLAN

Approval of a 5 year construction-improvement plan for the Avon Park High School football stadium.

This plan is based upon the diagram attached hereto as EXHIBIT "A". The diagram represents a rough sketch of the proposed construction and/or improvements and professional drafted plans will be submitted to the BOARD prior to commencing construction on any phase of the plan.

POINT-ADDITIONAL CONSTRUCTION OR IMPROVEMENTS

The ASSOCIATION will obtain prior BOARD approval for any significant construction and/or improvements at the FIELD not included in the 5 year construction-improvement plan.

POINT-III-SEATING

The ASSOCIATION shall have sole responsibility and sole management of the collecting and disbursement of gate receipts, parking receipts and receipts from its concession stand.

POINT-IV-CONCESSIONS

The ASSOCIATION shall have sole discretion to determine the concessions and/or vendors allowed to sell products at the FIELD.

The ASSOCIATION shall also have sole discretion to determine the location of

said concessionaires and/or vendors.

This point shall not apply to existing concessionaires and/or vendors at their present locations at the FIELD.

POINT V-MAINTENANCE  
The ASSOCIATION shall be responsible for the payment of all maintenance expenses and the funding for all construction and improvements at the FIELD.

POINT VI-AGREEMENT  
The attorney for the BOARD and the ASSOCIATION shall draft an agreement and submit same to both bodies for their ratification and adoption.

Respectfully submitted  
(s) Lewis Mund, President  
Avon Park High School  
Athletic Association

POINT I The school board must approve the entire proposal by just looking at a rough diagram that doesn't show any elevation sketch.

POINT II This stadium is owned by the Highlands County School District and not by any special interest group. Any and all construction must be approved by the board.

POINT III and IV If this proposal passes, you the taxpayer and your County School Board will relinquish all control over the stadium. Sole authority and discretion will be given to one special interest group.

POINT V Improvements in your stadium will be paid for from public funds, bonds etc. Are you going to invest your money in a venture as one sided as this one.

WAKE UP PEOPLE OF AVON PARK:

1. Form a committee consisting of Students, Parents, Alumni, and all Special Interest Groups.

2. Present a proposal of what is fair and proper for all concerned to the School Board.

3. Obtain necessary information on the public funding for stadium improvements.

4. Your elected representatives are:

### Things Out My Way

BY ALICE SMITH

Blessed are they who never sit on the horns of dilemma but walk firmly in the path of certain conviction.

For sad indeed is the plight of those who stand in the middle and waste time thinking it over. They are cursed with double vision and slow reflexes. They see both right and left and it takes them forever to reach a decision. Never do they catch up with the earth's movers and doers. With proper shame, I admit to membership in the second group. At this moment, there are a number of matters on my agenda for consideration.

Take the case of capital punishment, for instance. I can agree without qualm that cold-blooded murder deserves the death sentence. But suppose a mistake is made? What adequate atonement does one make to a corpse?

Then there's the matter of the Bakke case now being considered by the Supreme Court. Allan Bakke has brought suit claiming "reverse discrimination" because he was denied admittance to medical school even though his marks were higher than the grades of minority groups admitted. I abhor discrimination based on color, whatever the shade. Why can't we enlarge and improve medical schools — let anyone who qualifies have a shot at it?

A "closer to home" question is the ordination of women to the priesthood. I sympathize with those who cannot tolerate such a break with tradition. I also sympathize with the women who truly desire, not power in the temporal church, but the privilege of administering the sacraments.

A word on the Panama Canal. Instinct says "Hang on to what we have" and the mind says, "How would you like it if a foreign power maintained a base in Florida?"

If you scratched the surface of any member of this caught-in-the-middle group, you'd find a common denominator. They all received early incunabula of the Golden Rule. Mothers said "You mustn't clout Johnny because you wouldn't like Johnny to clout you." This began during the toddler stage and went on. All along the way, "Do unto others as you could have them do unto you" was drummed into us.

So we wrap up with a terrible built-in desire to be fair to everybody. By the time we figure out an equitable solution the problem has been handed by the single minded activists.

All of this comes to mind because of constant exposure to television's "60 Minutes" on Sunday evenings. I am mesmerized by the belling right and left wingers, Kilpatrick and Alexander. I am green with envy and overwhelmed by such resolute stands.

However, I've decided against them as dinner guests. Jim Kilpatrick's bulldog, stubborn stance could grow tiresome and Shana Alexander tends to become shrill.

To enhance the food and aid digestion, take two middle-of-the-roads. You are quarantined hours of gentle discussion leading absolutely nowhere.

### Heights Maintained Well

Dear Sir:

I feel that I must write you in regards to an unsigned letter in the October 27, issue of the Sun.

Delaney Heights is a well maintained apartment complex that is a haven for qualified elderly people. The apartments are in excellent condition because of the concern of both the tenants and the housing authority. When an apartment is vacated, if needed it is painted before being made available to a new tenant. As to the heaters, defective ones have been replaced when needed.

The TV antenna systems are not the best possible design and were not really installed properly. This is not the fault of Dick Peavy but the former executive directors, the housing authority itself or the architects. I'm sure Peavy couldn't allow the installation of just any type of TV antenna set-up on any particular

apartment. From my own knowledge and experience I'm sure something needs to be done but does the housing authority have the money for this?

I am not writing this letter because Dick Peavy needs someone to defend him. He does not need a defense against untrue statements and letters from someone who will not allow his signature to be used.

As a letter carrier in the Avon Park Post Office, I am in Delaney Heights almost every working day, so I see and know what the condition of the apartments are.

Yours truly,  
Lawrence P. "Gator" Pate

### If You Are Dissatisfied - Move

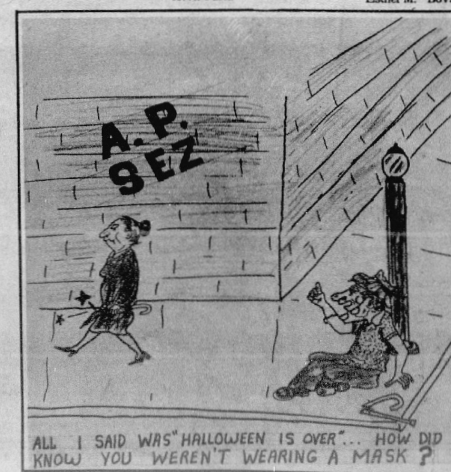

Dear Editor,

We too, are concerned citizens who live in Delaney Heights, concerned about the remarks made about the manager-housing gross!

We are also very concerned about the vandalism in our area, mostly to cars—no person had no less than seven tires ruined, paint sprayed on their cars, eggs thrown on their cars, etc. This is something to be concerned about.

True, the apartments aren't perfect, perhaps those who are so dissatisfied can find apartments more to their liking, if they can afford them.

### One Case Of Encephalitis

According to Nursing Supervisor, Joan Endcott, Highlands County has one "presumptive" case of encephalitis. After series of tests, Mrs. Willie Cloud, Sebring, has been classified by doctors and county health officials as one of the state's 17 "presumptive" cases. A "presumptive" case is considered as those who have registered positive in preliminary blood tests but require further testing for confirmation, according to Connie Ruggles of the Department of Health and Rehabilitative Services in Tallahassee.

There have been nine confirmed cases of encephalitis, statewide. The disease is considered very serious and usually has a mortality rate of about ten percent, according to Dr. John McGarry, Director of the Orange County Health Department. Mosquitoes transmit the disease by biting infected birds and then biting humans. It is not contagious.

among humans.

The cool weather and drought should improve the conditions somewhat says Dr. McGarry, but the big solution would be spraying. In a letter to the editor of this newspaper a week ago, a concerned Avon Park Citizen wanted to know why

the city hasn't been using the spraying trucks to deter the mosquito population. Although the city does have the proper equipment to control the mosquito problem, they have stopped spraying because they have had too many complaints about the noise the machinery makes and the smell of the repellent.

In Sebring, spraying has been going on for some time now, but it looks like the citizens of Avon Park would rather live with the problem of mosquitoes and their infectious diseases, than the smell and noise of the solution, spraying.

### Lighty Fund

A group of concerned people have taken the lead in establishing the Lighty Fund to aid the family of Paul David Lighty in paying the many bills accumulated during the illness and death of the 14 month old youngster, as there was no insurance to cover the medical and surgical expenses.

Spearheading the fund collection, Robert "Bob" Lehart, vice-president of the Avon Citrus Bank and Richard "Dick" Peavy of the Avon Park Housing Authority, said that the bills have

accumulated with considerable expense because of several difficult operations, before young Paul Lighty's death, including that of the cleft palate and the test ducts.

Lehart stated that all of the tellers at the Avon Citrus Bank will have contribution slips at their windows or contributions may be sent directly to the Lighty Fund at the bank. All funds contributed will be used to pay bills, mostly at the Shave Teaching Hospital, Gainesville, Fla.

### Income Gap Is \$10,000

The gap between income for households headed by men and women was nearly \$10,000 in 1976, according to figures from the Census Bureau survey. Income of households headed by males

averaged \$17,282, while households headed by females had an average income of only \$7,749 in 1976. Three quarters of all households were headed by men in 1976.

Income of all households averaged \$14,922 during 1976. The average for nonfarm households was \$14,970 and the average for farm households was \$13,389, according to a report in the November 1977 issue of FINANCE FACTS, a monthly newsletter on consumer financial behavior published by finance companies.

Education continues to be one of the most important determinants of household income. The mean income of households in which the head had completed four or more years of college was \$6.6 per cent above the national average. In contrast, the mean income in households where the head had completed less than eight years of school was 45.3 per cent below the national average. About 17 per cent of all households fall into the former category and about 11 per cent into the latter.

## Whitaker Realty Office Rebuilt On Main Street

Whitaker Realty's Avon Park branch office began remodeling on Saturday, Oct. 22. A temporary mobile office is now being used in place of the old frame house.

According to Bud Worden, Avon Park office manager, the old house will be rebuilt outside with a new roof and new outer walls. The house will

be lowered to the ground for aesthetic purposes. Many of the room additions built on to the house have been removed in order to renovate the building. The new office will consist of only two office rooms and a bathroom.

The inside will be completely replaced with new wood paneling, carpeting, and

furniture. Central heat and air will be installed and the real estate office will have a paved parking lot. Construction on the project is expected to take anywhere from two to four weeks.

The remodeling is being done by Whitaker Realty's own crew as a beautification project.

### Man Shoots Self In Foot

Dale Bury, 21, of Route 1 Box 29-B Lake June Road, Lake Placid, was wounded in his left foot when cleaning guns in his home.

Highlands County sheriff's deputies report a 16 gauge shot gun fell from the gun rack and discharged near Bury's foot. Deputies said he was treated at Highlands General Hospital.

Tammy Robinson

## Tammy Robinson Miss Highlands Shrine Club

Tammy Robinson, a South Florida Junior College student, won the title of Miss Highlands Shrine Club Saturday night. She will represent the local Shue Club at the Coronation Ball in Tampa on Dec. 10.

Tammy will be competing with other Shrine Club queens for title of Egypt Temple Queen. The ball is always a gala event held by Egypt Temple to recognize the work of the Shrine Club members in their work for the crippled children's hospitals and the burn hospitals owned and operated by Shriners.

The Highlands Shrine Club held the queen contest as a prelude and kick off to the annual Shrine paper sale to raise funds for the crippled children's and burn hospital. Blond Tammy, a Sebring High School graduate, is the daughter of Mrs. Chris Haage of Sebring and Richard Robinson of Avon Park.

Each year, Shriners take to the streets to sell newspapers and accept contributions to the hospitals. The Highlands Shrine Club, although not one of the larger clubs in Egypt Temple, has consistently been a leader in the collection of funds for the hospitals.

The Shriners operate 22 hospitals including three burn centers for children. The only requirement for admittance and treatment is that a child must need the treatment and

parents can't afford the cost. During the past year, an Avon Park girl made several trips to the burn hospital in Cincinnati for operations and treatment. The 12-year-old was accompanied by her mother with the Highlands Shriners paying the cost of transportation.

A Sebring two-year-old has been in and out of the crippled children's hospital for the past year. She is now home with braces and is walking. Her operations to correct deformed legs was successful and within a few weeks the braces will be off and she will be running and playing.

Transportation has all been paid by the local shriners and the treatment has not cost the parents of these two Highlands County youngsters a dime.

C. Wesley Ward, a member of Egypt Temple's Hospital Committee, has handled arrangements for the Shriners hospitals here in Highlands County. He reports that several others have been seen by Shriners doctors and will possibly be admitted later. He asks that anyone knowing of a burned or crippled child contact him in Sebring.

This Friday and Saturday Shriners will be on the streets of Highlands County with their newspapers, telling the story of the Shrine hospitals and their work.

## Highlands Shrine Club Fezzettes Install Officers

The Fezzettes of The Highlands Shrine Club held its installation of officers at a covered dish dinner held in the Shrine Building on Oct. 26.

Installing officer and retiring president was Mrs. Lowell Allen. Each member being installed was given a vase of daisies, the club flower, by Mrs. Allen. Over 140 persons

attended.

Installed were the following: President, Mrs. C. L. VanWagon; First Vice President, Mrs. Herbert Cowell; Second Vice President, Mrs. Bill R. Hall; secretary, Mrs. Syd Hunter; treasurer, Mrs. J. R. Travers and

chaplain, Mrs. William (Merley) Ewing.

After the installation, a courtesy for the outgoing President was given by outgoing officers, and a gift was presented to Mrs. Allen. The new president announced hostesses for the November meeting.

## Aggravated Battery Charges On Barrington

Godfrey Graham Barrington of Avon Park was arrested and charged with aggravated battery by Highlands County sheriff's deputies Saturday, in connection with a beating of a woman in an alley off Highway Park's Main St.

Deputies said Barrington, who is a former Avon Park Correctional Institute inmate and lists his address at the institute, pushed officers away when they tried to stop him from throwing the woman against a taxi.

The woman refused to give any information to deputies and was treated at Highlands County Hospital, deputies said.

## Garden Club To Meet

The Avon Park Founders Circle Garden Club will meet November 10, at the home of Mrs. Robert King, Lake Lotela, at 2 p.m. The co-chairman will be Mrs. D. G. Peary.

The program will be "gardens in poetry" given by Mrs. Elmer J. Gregg. All members are urged to come as we will discuss and plan the annual Christmas Tea, which is to be held at the home of Dr. and Mrs. Burton Ostling.

## Local Grange Plan To Meet November 8

The Avon Park Grange met on Tuesday, Oct. 25, at the Women's Club. We had sorrowful news when it was necessary to drap the charter because of the death of our Brother Edwin Swanson. But we also had some joyous news, two of our good members, Clarence Higgs and Cecile Bisson were married on Friday, Oct. 14. A wedding cake was baked by one of the members, so all could help them celebrate.

Election of officers was held with Lloyd Wyant being elected as Master for the year 1978. Plans were made for the installation of the new officers to be held on Nov. 22, at 8 p.m. with an open meeting. This is a lovely service and the Grangers would be happy to have any come who would like to see and hear it.

Flowers were planted at the Hillcrest Nursing Home and a note of thanks read for them. Our next meeting will be held on Tuesday, Nov. 8, at the Avon Park Women's Club.

## Needhams' Celebrate 50th Wedding Anniversary

Mr. and Mrs. Lewis Needham of 252 Don Carlos Ave., Avon Park, celebrated their golden wedding anniversary on Wed., Oct. 26, with open house for neighbors and friends. The reception was given by Mr. Needham's sister, Mrs. Earl White, and a friend, Mrs. Charles Lancaster.

For this occasion, Mrs. Needham wore a floor length blue polyester gown with a empire waist and a sheer cape which was attached at the neckline. Her corsage was white carnations with gold and silver leaves accented with gold ribbon. Mr. Needham wore a carnation boutonniere. Their buffet tables were accented by bouquets of yellow, orange, and brown daisies with pompons. Mr. Needham's sister made and presented them with a tree, which she had made using 50 crisp \$1 bills pleated and tied to small branches.

The anniversary cake had pale yellow icing trimmed with sprays of golden yellow roses, and a centered, raised gold 50 emblem with two small gold birds entwined, was below the words "Happy Anniversary Lucy and Lewis". Mr. and Mrs. Needham, formerly of Schenectady, N. Y., were married on Oct. 26, 1927, by the Rev. Thompson of the Methodist Church in Hudson Falls, N. Y. Their attendants were Evelyn Harrington and Walter Harrington, cousins of the groom.

Mr. Needham retired from General Electric Co. of Schenectady, N. Y. The Needhams have six grandchildren. Mrs. Needham is the former Lucy Benson.

They have two children, a daughter, Mrs. Tony (June) Campese of Scotia, N. Y. and a son, Charles Needham of Schenectady, N. Y. The Needhams have six grandchildren. Mrs. Needham is the former Lucy Benson.

## Bombing Range Wives Bake Sale

Sat. Nov. 5

The Bombing Range Wives Club will hold their Bazaar and Bake Sale on Saturday, Nov. 5, at the NCO Parking lot, from 10 a.m. until 5 p.m.

We are in desperate need of handcraft and flea market items, said Pat Chaney, President of the Club. All baked goods will also be greatly appreciated.

All proceeds of this sale will go towards the children's Christmas Party. Without your help and contributions, this party will not be possible. The Children look forward to this event each year, so if you have any items you would like to donate, please call Cindy Bowen, at 453-2736 or Pat Willison at 453-4906.

## Hibiscus Circle To Meet Nov. 10

The Hibiscus Circle Garden club will meet on Nov. 10, at 2:30 p.m. at the home of Mrs. W. H. Haynie. Co-hostesses for this meeting will be Mrs. Marshall Davis and Mrs. S. D. Carlton. Mrs. P. C. Boney will supervise the plant drawing.

Mr. Paul Pyphers of Lake Wales, will lecture on his trip to Venezuela and on the culture and care of Gerber Daisies. All members are encouraged to attend.

## Cooking School Nov. 10

"One fun room in any house is the kitchen," says vivacious Carol McArthur, who will be in Sebring Nov. 10 demonstrating fun in the kitchen, in the free Progressive Farmer's Southern Kitchen Cooking School (Southern Living Cooking School), sponsored by The Sebring News.

Guests can see Carol cooking on stage at the middle school with special recipes and clever ideas; she has to zip right along with each demonstration. But to her, "That's part of the fun of cooking."

Informality is the keynote of Carol's presentation and the audience loves her. Carol says she's delighted to see more and more people coming to the cooking school each year. "It's high time we shared the fun of kitchen creativity with our men."

Her own husband is a

MISTY BURRESCIA from Michigan found the excitement and warm weather just too much.

CAROL MCARTHUR

graduate of Samford University School of Pharmacy and is now a pharmacist. Mrs. McArthur does not say whether she coaches him in the kitchen or not, but it's a safe bet that she

enjoys some wonderful meals when Carol is home from her busy schedule around the Southland.

Carol loves to entertain. She tells us the secret of an enjoyable party is to have your guests relax and feel good. "If they feel good, you feel good." As new residents of Monroeville, Ala., her reputation has preceded her — and that's something of a problem because some of the neighbors seem concerned about entertaining such as hostess. But, "It's the spirit that counts most and showing that they care. We just love to meet new friends and be with them."

Carol's stage presentation like her personality is lighthearted and fun-filled. Yet she never takes her culinary job lightly and is very sensible about practical matters.

## Substitute Search Is On At Schools

A "Substitute Search" is under way in Highlands County Schools. "Substitutes are very difficult to find," said Dr. Dan Davis, superintendent of Highlands County Schools. "Great emphasis is being put on having qualified and experienced teachers functioning in their specific fields of training. We are hoping to expand our substitute list with the same objective in mind," said Davis. "When absence of a regular teacher necessitates calling a substitute, it would be beneficial to be able to call a substitute whose background and training coincides with that class and subject." Substitutes are invaluable to the public schools. It is believed that there are teachers and former teachers in the county whose talents and experiences are not being used.

Substitutes are called from a list approved and published by the school board. Their qualifications are known and are contacted for daily or part-time assignments as the need arises, preferably in their individual field. The school system is presently trying to broaden this list. Persons willing to substitute teach may contact Supt. Dan Davis at 362-1121. The superintendent's staff will handle the submission of the individual's credentials to the board for approval and inclusion on the substitute list.

"It is hoped that many who are qualified will come forward and help us enhance the system with their expertise. We need them and so do the students," said Davis.

## New Vehicle License Fees In Effect

A new schedule of fees for motor vehicle tags became effective on Tuesday, Nov. 1. The fees for average size automobiles is up a little and for the larger passenger cars down.

The biggest change is for the cars 3,500 to 4,499 pounds which formerly carried a W tag. The new tags for these go from \$29 to \$32. The cars formerly covered by a WW tag — above 4,500 pounds — are now lumped with the old W class so they too pay \$32 or \$4 less than the old fees.

In its 1977 session the Florida Legislature reduced the number of classifications for auto tags, set up a new fee schedule and provided that there will be no transfer fee for autos and smaller trucks.

The tags for autos 20 years old — classified as antiques — remains unchanged, \$9.

The tag agent is granted a \$1 service fee for each tag sold. With that fee added in, the new schedule is as follows.

Autos under 2,500 pounds, \$14.  
Autos weighing between 2,501 and through 3,499 pounds, \$22.  
Autos weighing 3,500 pounds, \$14.  
Trucks weighing less than 2,000 pounds, \$22.  
Trucks weighing 2,000 through 3,000 pounds, \$22.  
Trucks weighing between 3,001 and 5,000 pounds, \$32.

postage, long distance calls, float decorations, out of town band expense, etc. However, the chamber suggests that booths be set up earlier as spectators start gathering along the parade route as early as 5 p.m.

The credit for last year's beautiful Chamber of Commerce float goes to designer Harry Penny, AIA Architect, for the long hours he worked. And the putting it together which meant more labor for Clarence Ford and her able assistants Ophelia Rühner, Mary Lee King, Mill Head and Ruby Denko. Anna Belle said she was appointed as the errand boy after she proved to be the brain

Trust Team that she could not operate a hammer, scissors or a stapler. While it took weeks to build the silver and white float, the rain undid it in a few minutes.

As of Tuesday, the chamber of Commerce reported 14 floats, 4 bands, 3 booths and 3 beauty queens have registered for the Christmas Parade.

## Complaint Against Academy

The Florida Department of Health and Rehabilitative Services (HRS) has filed a complaint in Circuit Court against Sebring Academy, for its failure to permit health department inspections and report required vaccination information on its students.

HRS filed the complaint Friday seeking to permanently restrain school officials from failing or refusing to comply with requirements of the law. It specifically asks school officials to allow health inspections and file reports on students' vaccinations with HRS.

Defendants named in the complaint are Dr. Kye Harris, headmaster, and Dan C. Frodge, school administrator.

Although Highlands County Health Department officials were allowed to inspect the school on Sept. 8 they were not permitted in the building for a reinspection on Oct. 18.

During the September inspection, 23 health code violations, ranging from unsafe water supplies to minor problems such as peeling paint, were found by officials. Subsequent inspection of the building by the county building inspector and state deputy fire marshal revealed other problems.

When health inspectors returned Oct. 18 for a reinspection, they were not permitted in the school, which is located in the former Pinecrest Country Club and Hotel near Avon Park.

Sebring Academy is designed to provide Christian education, Frodge told The News Oct. 20. School officials said that the expense of making the needed repairs would have forced closing the school and so represented a case of state interference with religion.

In addition to the code violations, the county said he expects the case could come to court for a hearing within two weeks.

school failed to provide the health

department with information on the vaccinations students are required to have. Such reports should have been filed by Oct. 1.

Charles Carlton, HRS attorney in Lakeland, said the school has 20 days to answer the complaint.

County Attorney Robert Dunty Jr.

told Highlands County Commissioners Tuesday he has received a letter from the owners of the school, Pinecrest Properties, indicating they are anxious for the building to meet health standards.

The complaint filed by HRS asks the court to force school officials to permit inspections and supply the required vaccination information.

EVA TOWNSEL AND Judy Coultette, mothers from Mrs. Tanners room, Hopewell, dressed in Halloween costumes and helped the children celebrate last Friday during their Halloween party.

## Organ Dedication At First Presbyterian Church

"I'm glad you changed your mind," a lady told Mrs. Ted Ward as she was leaving the First Presbyterian Church last Sunday afternoon, following the organ dedication and recital, to which Mrs. Ward replied, "I didn't change my mind, the Lord changed it for me."

Following a litany of dedication, Jack G. Rains, an organ recitalist from the Tampa Bay area played a

program that included: Bach's Toccata and Fugue in D minor; Langlais, "A SONG OF PEACE"; "Duo and Basse de Cromorne" from Clerambault's First Organ Book; Dandrieux's three Noels, "Tous les bourgeois de Chaires"; "Chantons je vous prie"; and "A must, but un reveal." Purcell's Voluntary in C; Dupre's Variations on "Adeste Fideles" and Widor's

"Adagio" and "Toccata" from the Fifth Symphony. The organ, a gift of Mr. and Mrs. Ted Ward was originally planned, in their will, as a gift to the church. However, many listeners on leaving the church expressed the same thought of appreciation to be able to hear the organ, now, when they could convey their appreciation to Mr. and Mrs. Ward in person.

The audience included seven organists from various churches in Avon Park. Notable by their absence, were members of the rock and roll generation. It was their loss to miss the whisper soft musical passages and the mighty crescendos produced by the completely transistorized Allen Organ under the masterful and precision handling of organist Rains at the keyboard.

The organ replacing the original Allen organ, was installed at the church on April 28, 1977. It is capable of producing voice tones identical to the pipes from which the computer derived their tones. Each instrument is capable of being voiced to the specific environment. The console has two five-octave manuals, a 32-note concave radiating AGO pedalboard, two 100-watt amplifiers and transposer.

## Annual Lions Club Auction November 12th

Our Auction Chairman, Ronnie Sachsenmaier, is working hard to make the Annual Lions Club Auction a bigger and better affair than ever this year.

Quite a lot of new used merchandise has already been turned in, but we still need much more to make it a good auction. So please, good neighbors and friends of the Avon Park Lions Club, look

around in your garages, utility rooms, attics and other places where you may have some tools, furniture appliances, dishes, etc., that you no longer need and that some one else may have good use for will be glad to purchase it at the auction.

Items that you wish to donate may be left at Altrition's Barber Shop, or if you want some one to pick them up, call Larry or Milton at the Barber Shop No. 453-4228, or Fred Hughes, No. 453-3811 or Ronnie Sachsenmaier, 453-6414. Any one of them will be glad to make arrangements to have some one pick them up.

The Auction will be held at the rear of the Hillands Theatre and Dollar Store parking lot, just across the street from the Post Office. Col. Al Thomson will conduct the Auction and don't forget the date, November 12th, promptly at 1 o'clock.

All proceeds from the Auction will go for sight conservation or the Florida Eye Bank and local charities.

November 12th at 1 p.m. is the date.

## Episcopal

## Women Meet To Plan Christmas

## Bonanza

The Episcopal Church Women of Avon Park, will meet for their regular monthly meeting on Wednesday, Nov. 9, in the Parish House of the Church of the Redeemer, after midweek Communion. After a short "coffee break" the business meeting will start at 10:25 a.m.

Saturday, Nov. 12, is a very important day, for this is the day of the event of the year; the "Christmas Bonanza." It will start at 10 a.m. and will continue until 4 p.m. Here will be all sorts of treasures waiting for eager buyers.

Members have been busy all summer working on craft needlework and Christmas decorations. At the Attic Treasure booth, many useful and ornamental articles will be featured. A Bake Goods booth will offer homemade goodies.

The Luncheon Bar will be open at 10 a.m. ready to serve soup, homemade sandwiches, desserts and hot coffee, serving will continue until closing time. The Pantry is stocked to overflowing with delicious homemade food.

Here's hoping to meet you all at the Parish House, on November 12.

## WMU Meeting Set

The Florida Avenue Baptist Church WMU will hold their monthly meeting on Nov. 7, at 7:30 p.m. All ladies are invited to attend.

## Joseph Completes

## Machinists

## Course

Navy Machinist's Mate Fireman Recruit Matthew M. Joseph, son of Paul S. Joseph of Avon Park, Fla., has completed the Basic Machinist's Mate Course.

During the course at the Naval Training Center, Great Lakes, students received instruction on the use of hand tools and machine shop equipment. In addition, they studied the basic operation, maintenance and repair of ship's propulsion equipment, evaporators and generators.

The students were also introduced to the types of duty watches that Machinist's Mates stand aboard ships.

He joined the Navy in May 1977.

## HOPE Entertain

## Volunteer

## Workers

HOPE of Highlands County entertained their volunteer workers with a luncheon on Wednesday, October 26, in Wesley Hall at the First United Methodist Church. Forty-six workers were present at the covered-dish meal. Invocation was given by Rev. V. J. Ragsdale, Minister of the church.

These volunteer workers deliver over forty meals each day, Monday through Friday, to shut-ins. They also take their people shopping, to the doctor and hospital, and give much of their time, substance and love in caring for other people.

Mrs. Joyce Olivieri, Avon Park Manager of HOPE, spoke to the group after the luncheon expressing appreciation for everything that the workers had done and outlined plans for the future. Mrs. June Smith was introduced to the group. Mrs. Smith will be the HOPE coordinated nurse for Highlands County giving medical attention to those who need it. Mrs. Olivieri also recognized Mrs. Marge Clifford, who has been a worker with the HOPE program since it was started. Marge is moving from Avon Park the first of November.

The "get-together" closed with group singing with Mrs. Ellen Hunt at the piano.

Project HOPE is sponsored by Services-Over-Sixty, a non-profit agency, helping those over sixty. Anyone who needs this assistance should phone 452-2718. Also, if you would like to be a HOPE volunteer worker, please call 452-2718. Your assistance would be greatly appreciated.

## FAITH FINDS NATIONS BEST GOVERNED BY LAWS

The system of liberty and justice enjoyed by the free nations of the world today is largely the result of a lesson painstakingly learned throughout history: that mankind is best governed not by men but by a set of laws designed for his own protection from the excesses of the governing bodies elected to administer and enforce them. Moreover, the very procedure for changing or abolishing these laws is built right into the provisions. All of this is based on the principles set forth in the Bible, which is emphatic about the preservation of man's freedom. Your Church will teach you the laws of God, and thereby help you to understand and obey the laws of your land, which were enacted for the well-being of all.

### Pearl Spink Dies At Age 101

Pearl Spink, 101, died Sunday, Oct. 30, in Fort Myers, Fla. She was born on June 28, 1876, in Reed City, Mich. She was a member of the Woman's Club in Avon Park and the last charter member of the Eleanor Seaverns Rebekah Lodge.

The following is a life history of Pearl Spink, written by Mrs. Bessie Decker. It was presented in her honor at the Rebekah Lodge.

"Tonight we are honoring our last charter member, Pearl Spink. In Friendship, Love and Truth, with Pearl's permission, we will turn back the pages of time with fond recollections.

"Our Pearl," as we think of her, was born on June 28, 1876 to James and Henrietta Adams, in Reed City, Mich. Pearl was one of four girls. Her father died when she was four years old.

Money was scarce and her mother had a difficult time keeping the home. Thus when Pearl was five, she was adopted by Mr. and Mrs. Turner.

But tragedy struck again. Her foster father passed away when she was 11 years old. She and her foster mother went to live with her mother's father.

Leaving her foster parents home when she was 16, Pearl went to Benton Harbor, Mich. to live with an uncle. There Pearl heard about a handsome Spink boy, who was in the Navy. One day her aunt called her to the window, saying,

"Look quick, there's Lou." There he came up the street with his duffle bag over his shoulder. Pearl and Lou were married in 1893.

Lou's father was in the real estate business and was interested in Florida land. The Dillys (Lou's sister's family) had made the trip to Florida in 1910. Lou's parents and brother Glenn also came to Florida. Lou's father returned to Michigan and persuaded Lou to come with him to Wauchula; but by the time Pearl had a good job as a policy writer with the Fidelity Insurance Company and decided not to come to Florida with Lou.

Lou loved Florida, but Pearl didn't want to give up her good job. When Lou wanted to come home at Christmas, Pearl had trouble getting money to send to him. The insurance company gave \$5 gold pieces at Christmas time to their employees and Pearl used that to help Lou to get home.

Pearl finally quit her job to come by train to Florida. The Atlantic Coast Line train with one passenger car, caboose and engine landed Pearl and Lou in a big sand pile, in Avon Park, on Nov. 28, 1912.

For a while they lived with Lou's folks. Later Col. Davidson, who owned Holly Hurst, asked them to live and work for them.

When Pearl lived at the Dillys it was her job to clean and fill seven lamps every day. At night they would light the lantern and walk down to the post office, on what is now the Mall.

Once in a while a silent movie came to town. The building had a sawdust floor, a few seats and usually one would break. The admission was ten cents.

Pearl told that a Mr. Marsh, a railroad section man, invited a few people to go on a picnic one night away down by the Sebring Woods, with the moonlight shining on his motor car.

Lou and I were at Holly Hurst and we had to row across

Wayne D. Gordon

Wayne D. Gordon age 30, of Olivia Drive Avon Park, died early Friday morning, Oct. 28, from injuries suffered in an auto accident near Orlando, Fla. on Interstate 4. He was a native of Christian County, Kentucky and has been a resident of Avon Park since 1971 coming here from Clarksville, Tenn. He was a veteran of the Vietnam War and a trucker for Ploof Truck Lines of Tampa.

Survivors include his wife, Joyce H. Gordon and a daughter Betty Jean Gordon. His mother Mrs. Iez Gordon of Hopkinsville, Ky. Four brothers, Wallace of Wisc., Homer of Avon Park, Larry of Calif. and Gerald Gordon of

Four sisters, Mrs. Frances Bollen of Washington, Mrs. Barbara Edwards of Ky., Mrs. Caroline Moore of Ky. and Mrs. Patsy Bingham of Calif.

Funeral services were held at 1 p.m. Monday Oct. 30, Stephenson - Nelson - Smith Chapel with the Rev. R. L. O'Quinn officiating. Interment followed in the Bougainvillea Cemetery. Friends called at the Stephenson-Nelson-Smith Funeral Home Sunday afternoon and evening. Stephenson - Nelson - Smith Funeral Home in charge of the arrangements.

The big lake to meet them. It was fun to go flying down the railroad track in the moonlight for a picnic supper.

It was getting late when we boarded the motor car, but Mr. Marsh could not get the car started. Lou turned off its push, as he did, the car started and Mr. Marsh did not dare to stop for Lou to get on.

Lou was left standing on the track, all alone in those Sebring Woods, with wilderness all around. Pearl said, I wanted to jump off and go back to him. When Mr. Marsh unloaded the crowd at the depot, I went back with him to get Lou.

Pearl became acquainted with Alice Tatum who worked at West's store and in 1914 Pearl went to work at the store when Alice left to be married.

Fran Reeves (Glenn's wife) asked her to work in the post office. When the new post office was built, where the Chamber of Commerce is now, they worked all night moving and settling.

Soon after that a man from Blue Mountain Lake in New York State offered Pearl and Lou a summertime job in 1922 to work three months at a summer resort. Lou bought a Model T for \$800 and they drove north. Pearl and Lou had a lovely room and lived in the big house with the owner.

When they returned to Avon Park, Lucy Sykes' folks, the Holts, owned a five and ten cent store. Pearl worked for them later buying the store and changing the name to Spink's Variety Store.

In 1923, the Eleanor Seaverns Rebekah Lodge was organized.

In 1926, a tumor was discovered in Lou's lungs and they went to a specialist in New York. From there on Lou became worse.

The Dillys, Pearl and Lou went back to Michigan for a couple of months. Lou felt better for a while and was able to drive back to Avon Park in a new Chevrolet they purchased for \$1019.

Later that year, on Halloween, 1932, Lou passed away and Pearl couldn't bring herself to stay in their home. Thus she stayed with the Dillys for nine years.

Pearl went to visit her sister, Bertha in Kalamazoo, Mich. where in 1941 she met Mr. Workman. He promised to look up her property and see what was happening.

When Workman inquired about the property he was told the little old lady who owned it went north and died. Workman finally persuaded Pearl to return to Avon Park.

Pearl is survived by one niece, Francis Boyd; one nephew, Ray Richardson and three great nephews.

Visitation hours will be from 7 to 9 p.m. Wednesday evening at the Stephenson-Nelson-Smith Funeral Home. Rebekah services will be held at 8 p.m. Wednesday evening with funeral services at 2 p.m. Thursday, both in the chapel of the funeral home. Burial will be in the Bougainvillea Cemetery.

Doris Lewis Hadnott

Doris Lewis Hadnott, age 50, of 913 W. Campbell St. died Sunday, Oct. 30, at her residence. She was born in Colquitt County Georgia, and had been a resident of Avon Park for the past 6 years.

She is survived by two daughters, Sharon Hadnott of Avon Park, and Karen Barnes of St. Petersburg, two sons, Charles Hadnott of Cleveland, Tenn. and Lester Hadnott of Ft. Lewis Washington. She also leaves two grandchildren and three brothers.

Four sisters: Annie May Scroggins, Mary Lou Crawford, Joyce Butler, and Grace Ponder, all of Cairo, Ga.

Funeral Service will be held Wednesday, Nov. 2 at 10:30 in the Stephenson-Nelson-Smith Chapel with Rev. Herman Collins officiating. Burial will be in the Bougainvillea Cemetery.

Stephenson - Nelson - Smith Funeral Home in charge.

Claude Stanley Wells

Claude Stanley Wells, age 81, of Bonnie Brue Mobile Home Estates, died Friday October 28, 1977 at the Walker Memorial Hospital. Born in Alabama, Mr. Wells had been a resident of this area for the past month coming from Jacksonville.

Mr. Wells was retired with the Gordon-Thompson Chevrolet of Jacksonville. He was a veteran of W. W. I. serving with the navy. He was a member of the Mayfair Baptist Church of Jacksonville.

Funeral services will be conducted in Jacksonville with the Howell & Son Funeral Home in charge of arrangements.

Stephenson-Nelson-Smith Funeral Home in charge of local arrangements.

## Mayor Davis Opposes Hatch Act

Avon Park's Mayor J. Marshall Davis has announced his support of the Mayor's Committee to Save the Hatch Act in Washington, D. C. The Mayor's Committee has taken action toward fighting the current amendment to the Hatch Act.

Basically, the Hatch Act is a law which prohibits federal employees from soliciting campaign funds from fellow workers, using their offices for political purposes, or taking an active part in partisan political campaigns.

The proposed revision has been drawn up by a number of political groups which

feel that it limits the political rights of federal employees. Another group would like to keep it as it is because it protects federal employees from being coerced into partisan activity in order to get job advantages and pay increases.

Mayor Davis feels that the Hatch Act should remain in its present state. As a former Assistant Postmaster, Mayor Davis sees the possibility of adverse conditions arising if the revisions are accepted. If a mail courier was politically influenced, he could under the proposed amendment, deliver campaign paraphernalia for his particular favorite candidate along his mail route. This

would create an unfair advantage for the postman's candidate.

A general public census has been conducted by Common Cause of Washington, D. C. It shows that 26 percent of the American population is in favor of amending the current Hatch Act; 74 percent want to retain the old Hatch Act.

The co-chairmen of the Mayor's Committee to Save the Hatch Act are Mayors Pete Wilson of San Diego, Calif. and Charles Wheeler of Kansas City, Missouri. Representatives of Common Cause are Chairman John W. Gardner and President David Cohen.

## City Officials Attend 51st Florida League Of Cities Convention

The 51st Annual Convention of the Florida League Of Cities held its meetings at the Hyatt House Hotel in Orlando, on Oct. 27 through 29. Avon Park officials present at the meeting were David Barefield, Mr. and Mrs. Robert Britt, Mr. and Mrs. Marshall Davis, Mr. and Mrs. J. H. Hancock, and Mr. and Mrs. Malcolm Crews.

The convention started for the Avon Park representatives Thursday evening, with the Early Bird reception. The session was attended by City Clerk Crews and Councilmen Britt and Barefield. The next morning, Crews attended the City Attorney's Workshop session.

After a refreshment break sponsored by Craven Thompson and Associates,

Inc., of Orlando, the Avon Park officials split up and went to separate workshops. Councilman Britt and Mayor Davis attended a fund planning workshop. Then Mayor Davis and Councilman Barefield attended a taxes and rehabilitations meeting.

On Saturday, the Avon Park representatives attended the Ridge League of Municipalities Breakfast and the first general session. The session opened with the pledge of allegiance and an invocation. An address of welcome was given by J. C. Clemons, Mayor of the host city, Kissimmee. A response was given by the Nicville Mayor, Randall Wise.

Next the president's report was given

by Virginia Young, who is also the Vice Mayor of Fort Lauderdale. Ray Stitt gave the Executive Director's annual report. Then to close the first general session, Mayor John Rousakis, of Savannah, Ga., gave a Keynote Address to the audience. A luncheon in honor of past presidents was given immediately after the session.

The second general session started at 1:30 p.m. and was attended by Councilman Britt and City Clerk Crews. The convention was considered an outstanding success. The previous record attendance was a 900 membership attendance. This year's paid registration included over 1300 members. A new record!

THE AVON PARK Area Board of Realtors had a noon luncheon meeting at Pinecrest Wednesday, Oct. 26, and state and district officers were guest. Shown above are Michael Prillman, District 10

Vice President, Florida Association of Realtors Pres. and Mrs. Lawrence R. Condit of Orlando, and Avon Park Board Pres. and Mrs. John Morris. Sunphoto by Betty Amburn.

## FAA To Construct Radio Communication Station

The Federal Aviation Administration has begun work on their new air-ground communications remote relay station at the Avon Park Municipal Airport. The towers will be filling in a blind spot in radio communications between the Miami Center and the Jacksonville Center.

The station will have three 70 ft. towers with antennas. One tower will be aimed to receive Miami communications, and one will be directed toward the Jacksonville Center. The last tower's signals will be sent to the FAA center in Sarasota. The station will be monitored through the Sarasota airport.

Although any breakdown in the electrical devices inside the building would be known immediately by the monitors at Sarasota, an FAA maintenance crew will check the unmanned station's equipment once every week. The construction is scheduled to be completed by mid-November, while the electrical equipment won't be delivered until sometime next year.

It is believed that the construction of the Avon Park station is a result of the

crash of an aircraft last year at the Avon Park Bombing Range. Although the new relay station is primarily designed for military aircraft communication, private pilots will benefit from its facilities.

The construction of the building and the three towers has been estimated to

cost around \$60,000, while the electrical equipment will come to about three or four times that, according to FAA engineer John O'Carroll. The company doing the construction is Foss Builders, of Lovespark, Ill. The superintendent of the station will be Dale Harvard.

### Darwin Ford Lands Big Redfish

An 11 1/2 redfish (sea bass) gave Darwin Ford a tussle last week at Boca Grande, before he landed the fish.

Using a rod and reel, Darwin was fishing with his father and several friends when the strong redfish took the live shrimp bait. It was several minutes before Darwin could bring the fish close enough to land.

### CowBelles Participate In Farm City Week

Basic economic education in all strata of American Society is needed if economic progress is to continue. That is why the Highlands County CowBelles are participating in Farm-City Week, Nov. 18-24.

According to Sarah Childs, CowBelle Farm-City Week chairman, the Highlands County CowBelles will join in the national event with women of the National CowBelles, the auxiliary of the National Cattlemen's Association. Coordinating organization for the annual observance, which began 23 years ago, is Kiwanis International.

"This year's theme for Farm-City Week is 'Partners in Economic Progress,'" Childs said. "The theme was developed after a survey by the U.S. Chamber of Commerce revealed an urgent need for basic economic understanding in America. The survey found, for example, that value conflicts among young people show hatred of 'money grubbing' on the one hand and a desire for good salaries on the other. It appears from this survey and other indicators that understanding of the economic system is fragmentary, at best."

One of the concepts most misunderstood about the agricultural sector of our economy is that farming and ranching are not a business where margins are added to costs of materials, like conventional manufacturing and merchandising businesses.

"The prices we receive for our cattle," said Childs, "are determined strictly by supply and demand at the time of sale. That's why live cattle prices have fluctuated so much over the past years."

"We are currently nearing the end of a cyclical over-supply situation, in which the numbers of basic producing cows have been too large for demand to hold prices at profitable levels. It has taken us several years to reverse the build-up in cow numbers. Because of the nature of our product and the large number of cattlemen, each making independent decisions, we are not able to stop production one day, place our product on the shelf and resane production when the price improves," added Childs.

Community "spirit" was really apparent in Avon Park on Saturday, Oct. 29, for the Halloween festivities. The P. T. O. has not received all the profits yet, but so far approximately \$1400 has been turned in and all monies will go towards the Hopewell Media Center (Library).

There were 17 P. T. O. booths with 19 events, also balloon carrying clowns and the pick-pocket clown. There were 10 club booths with the High School having seven.

"It was the largest crowd we'd ever seen," said Mrs. Cathy Jordan, P.T.O. co-chairman. The P.T.O. wants to express thanks for all the parents who supported the Halloween carnival activities, and help make it a huge success.

Clever and unusual costumes were seen at the judging of the children's outfits. The winners were: blue ribbon for costume most like Halloween; Red ribbon for costume most original; white ribbon for costume most beautiful; Green ribbon for scariest costume; Gold ribbon for the funniest costume; and orange ribbon for the cutest costume.

## Devil Jayvees Roll Over Frostproof 46-6 For 5th Win

A devastating offensive game by the Avon Park Red Devil Jayvees swamped the Frostproof "B" squad last Thursday night here at Memorial Field as the Devil "Bees" rolled to a 46-6 victory for their fifth win against one loss this season. The Devil Jayvees rushed for 305 yards and passed for 124 yards for a total 429 net yards while holding the junior varsity Bulldogs to a net 21 total yards.

Tonight (Thursday) the Avon Park "Bees" will travel to Sebring to take on the Blue Streaks who handed them their only loss of the season. The Streak

intercepted a Bulldog pass and scooted back to the thirty-eight. Wingate, David Hardy and Gerald Jones needed just six plays to move to the Frostproof six yard line. A fifteen yarder backed the Devils back to the twenty.

A Weathers to Wingate pass was good for twelve yards. Wingate ran to the five, and then drove in for his second TD of the game on the next play. This time the two point conversion was scored on a pass from Weathers to split end Johnny Barnes setting the score 16-0 late in the first quarter.

Early in the second quarter Avon

before the whistle sounded.

A forty-six yard pass play from Weathers to Hardy climaxed the early third quarter score for Avon Park. The drive was a 68-yard move with Wingate carrying five times for thirty-seven yards. A penalty moved the Devils back fifteen yards before the scoring pass from Weathers to Hardy. The try for the extra points was no good but Avon Park led 30-0.

Sophomore running back Greg Whidden came in for Wingate and put on a scoring show late in the third period. From the Avon Park 43-yard line, Whidden carried three times for thirty-one yards overcoming a fifteen yard penalty in between. Then from the Bulldog thirty-five, Whidden followed some excellent blocking and raced into the end zone for fifth Avon Park TD. Whidden also ran in the two point conversion.

Frostproof scored as the fourth quarter opened. Against the reserve Devil defense, the Bulldogs marched forty-one yards for their only score. A one yard run gave them the TD but the run for the extra points was stopped short by Ricky Johnson.

The final Avon Park score came near the end of the game. With Alvin Conner quarterbacking, the Devil reserve offense marched from their own thirty-five yard line for a TD. There were four penalties against the Devils on the first seven plays, but then the move went unhindered.

A twenty-three yard pass from Conner to Dwayne Council moved the ball into the enemy territory. From there Greg Whidden carried, and David Hardy took turns and drove it in with seven carries. David Hardy took the ball in for the score from two yards out for his third touchdown of the game and Dwayne Council ran in the two point conversion to set the final score at 46-6.

Wingate with 126 yards and Whidden with 105 yards rushing from the tailback position, and David Hardy with 32 yards led the Devil Jayvee rushing attack. Weathers completed five of five passes including the extra point conversion pass, and Conner hit three of three to give Avon Park a perfect night passing.

With the score 24-0, Coach Rewis went in his second string for the remainder of the quarter. The Devil reserves threatened down to the Bulldog ten but got thrown back and lost the ball on downs. As the first half ended, the Devil reserve defense drove Frostproof from their own thirty to the Bulldog eight end.

The reserve offensive line had Steven Godfrey at center, Allan Liskey and Tim Minard at guards, Terry Kelley and Kenny Cribb at tackles, Steve Cooper at tight end, and Lawin Ellis and Todd Bennett at wide out.

## Rotary Meet This Thursday

The Sixth Annual Avon Park Rotary Invitational Cross Country Meet will be held on the high school course starting at 4 p.m. today, Thursday, Nov. 3. The contest is one of the top class AA meets in the state each year and features the talented defending meet and State Champion Clearwater Central Catholic harriers.

Local Coach Chet Brojek expects at least eight other teams to square off against his youthful, but rapidly improving, Red Devil thin-clads and Clearwater. Other teams expected to take part are Melbourne, Central, St. Cloud, Clearwater, Fort Meade, Frostproof, Santa Fe, Evangelical Christian, and Ft. Pierce. Brojek, as of Monday, had not heard from district foe Sarasota Cardinal Mayno, but he left the door open for their entry into the top flight field.

Awards sponsored by the local Avon Park Rotary Club included trophies to the winning and runner-up teams plus ribbons to the top twenty varsity runners and the top fifteen finishers in the Jayvee contest.

The varsity race is set for 4:30 p.m. with the Jayvee race starting out at 4 p.m. The Red Devils will field teams in both contests.

Top individuals in the 3.0 mile contest include: Scott Sheffer of Clearwater, who holds the course record here at 10:10, and Mark Scavelli of Clearwater, who is the defending state individual champion. Devil Alan Fortis is rated an outside threat coming off a fine 16:54 effort last week in Heartland Conference meet.

Award ceremonies will follow the varsity contest at 5:15 p.m. Rotary President Art Turner or Rotarian Stanley Wells will present awards to the winning teams and individuals. All Avon Park sports fans are encouraged to come out and watch all the action at the high school starting at 4 p.m. today (Thursday).

Field that this was "Devil Country" and the Devil Jayvees clobbered the Bulldogs

## Devils Held To 72 Yards In 35-0 Loss To Ft. Meade Miners

Fort Meade's big 290 pound fullback, Jerry Baker, rushed for 140 yards and scored three touchdowns to lead the Miners to a 35-0 win over the Avon Park Red Devils at their homecoming here at Memorial Field last Friday night. The Miner defense held Avon Park to a season low net yardage of 72 yards and kept Rufus Wilson from reaching the 100 yards of rushing for the first time in seven games. Wilson managed 77 yards against the tough Miner defense.

This week the Red Devils will be at home for the last time this season when they host the Hardee High Wildcats from Wauchula. The Hardee team has had problems also this season and will come into the Heartland Conference game with a 2-5 record. The Wildcats defeated Okeechobee 12-0 in the season opener back in September and then knocked off Lake Placid by a score of 46-0 before losing their last three outings. They had an open late Friday night so should be healthy and ready for the Red Devils this week.

After the 1977 pre-game homecoming queen crowning ceremonies last Friday night, the Red Devils won the toss of the coin and elected to receive the ball from the Miners. Evidences of homecoming nerves were noticed when the Devils jumped off-sides twice in the first four plays of the game and were forced to punt from their own fifteen.

However, penalties also plagued the Miners on their first offensive drive and Avon Park held and got a short 17-yard punt from Fort Meade. This time the Devils moved the ball well and seemed to be driving for a score when they lost the ball with a fumble at the Miner 35-yard line.

The Miners couldn't move and punted, but a Devil back made an illegal fair catch signal and Avon Park was penalized fifteen yards giving the Miners a first down and new life. From the Devil forty-seven, the Miners drove quickly from a touchdown highlighted by the running of Baker, who scored the touchdown from four yards out. Anthony Office kicked the first of five perfect extra points to put the Miners ahead 7-0 late in the first quarter.

The second Fort Meade score came early in the second period on the 70 yard drive with Baker again going in for the TD. This time the big back lumbered 22 yards for the score.

Late in the first half, the Miners were threatening again as quarterback Mike Harrell hit split end Timmy King with a pass from the fifty. King took in the pass and was headed for the goal line when he fumbled the ball into the end zone. Avon Park's Keith Alwood fell on the ball for a touchdown to stop the scoring threat. The two teams went into the dressing rooms at halftime with Fort

Meade holding a 14-0 lead.

After taking the second half kick-off and returning it to the thirty-eight, the Miners marched to the Devil 37-yard line with just four running plays. Then Mike Harrell dropped back and hit Timmy King with a pass and the speedy split end raced in for the score.

Lance Biggers scored the fourth Miner TD midway in the third quarter. The sophomore tailback scampered 43 yards through a porous Devil defense to score the TD. The Kick was good again and the Miners went into the fourth quarter with a 29-0 advantage.

Baker scored the final touchdown from the two yard line after a couple of long runs from the Devil 26-yard marker when Avon Park turned the ball over on downs. The final half of the last quarter was played in Avon Park territory without the Devils making a threat.

Defensive lineman Keith Porter was picked as the Red Devil player of the week by the Avon Park statisticians for his efforts against the Miner offense. Porter joins lineman Terry Massey and linebacker Mike Parker for the defensive honor.

Devil backs chosen this year for the player of the week award have been Rufus Wilson, David Slemore, and Jeff Adams. There was no player chosen after the first game of the season.

## Merchants Sponsor Frog Racing

The Avon Park Recreation Department ran the "Frog Leaping Contest" again this year at the PTO Halloween Carnival. Even though there was a shortage of frogs, the races were held on schedule.

There were 18 merchants that donated toward sponsoring this event. The 18 kids that participated were assigned a merchant sponsor for each frog raced. There were ribbons awarded for the top three finishers in each of the five races. The winners and their sponsors are as follows:

**First Place Winners:**  
Nicki Payton-Avon Park Insurance, Olympia Hinson-Jordan and Son Jewelers, Kay McKown-L. H. Ford, Troy Knight-Border's 76, Troy Selph-B&J Restaurant.

**Second place winners:**  
Jeanna Wells-The Pewter Place, Ricky Angelo- Metcalfe Hardware, Tommy Angelo-Rich's Hardware, Ronald Matthews-Park Pharmacy, Dede Guenther-Wells Motor Company.

**Third place winners:**  
Randy Farless-The Print Shop, Michele Travers-Wearer's Print Store, L. D. Smith-Avon Auto Parts, Kevin Collinsworth-Albright's Barber Shop, Sherman Hinson-McCann & Son Ford dealer.

The sponsors who had no winners were: Sides Auto Supply, Avon Citrus Bank and Highlands Bank of Avon Park. There was only one casualty this year, as one of the contestants stepped on his racing frog by accident and ended his racing days.

## Range Closed This Weekend

The Avon Park Bombing Range Recreational Area will be closed the weekend of November 3 and 4 due to the utilization by the 1ST BN 116 Field Artillery, Florida National Guard of Sarasota, FL.

TWO DEVIL JAYVEES put the squeeze on a Frostproof ball carrier during the game played here last Thursday night. The Avon Park "Bees" held Frostproof's Jayvees slipped by Avon Park 14-12 here last time the two teams met. Kick-off time is set for 7:30 p.m. at Fireman's Field tonight.

The Red Devil Jayvees opened the game last Thursday night here against Frostproof with a bang. Carl Wingate, Red Devil deep back, gathered in the opening Kick-off at his own fifteen yard line and raced through the Bulldog team 85 yards to score a touchdown. Good blocking by the Devil lineman opened holes for the speedy back to break through and score the shocker. Wingate also ran the three yards for the points after setting Avon Park ahead 3-0 before the game got going strong.

With the aid of twenty five yards of penalties against the Devil Jayvees, Frostproof moved to the Avon Park 27-yard line before Charlton Weathers

JAYVEE SPLIT-END Alvin Conner catches a pass from Charlton Weathers as a Frostproof defender arrives too late, but the play was called back by a holding penalty against the Devil "Bees" after

Conner had scored an apparent TD. Avon Park won its fifth game with a 46-6 victory over the Bulldog Jayvees last Thursday night. Sunphoto by Tom Fleming ng.

## Middle Schoolers Wind Up With 3-2-1 Record

The Avon Park Middle School football team finished the 1977 season with a 3-2-1 record losing to Wauchula 46-4 in the final game of the year on the Wildcat Middle School's home field. The Devil Middle Schoolers went against Hardee without regular quarterback Joe May, halfback Warren Moreland, and guard Walton Touchant. Coach Cecil Walley, coaching the Devil Middle School squad for the first time this year, praised the boys for their fine showing this season. Walley was assisted by Ben Nielsen.

Walley is concerned about the possibility of the Highlands School system phasing out Middle School sports between other schools. He commented that the 13 boys who finished the season on the Avon Park Middle School team all gained much more than football skills during the season. Walley urges Middle School parents to contact school board

members if they wish to see the Middle School sports program between other schools continued.

Members of the 1977 team finishing the season were: Chester Daniel, Joe May, Leroy Starling, David Bennett, Bobby Smith, Calvin Wingate, Tony Moore, Gerald Bristow, Terry Fortis, Courtney Weathers, Warren Moreland, Ronnie Barnes, and Robby Kopp.

Also finishing the season were Robbie Kendrick, Mike Bent, Desmond Albright, Andy Spires, Walton Touchant, James Henry, Lorenzo Walker, Charles Dunn, Ben Casey, Tony Thompson, John Hood, Steve Smithson, Roosevelt Wyche, Jeff Brock, Dwayne Durance, Noel Jahua, Joe Evans, Brian Oliver, Wayne Whitaker, and Sam Smith.

Managers for the team were Doug Boseman, David Hodge, and Larry Collins.

## Hendrickson Shoots Hole In-One

Brian Hendrickson joined the elite "hole-in-one" club last Sunday afternoon when he popped one in the number four hole from the tee at Sebring Sun's Lakes

Hendrickson used a number 7 iron to shoot his first hole-in-one. He then went on to shoot a 32 on the par 36 first nine at Sun's Lakes. The back nine gave the sharp shooter a little more trouble as the pressure of his hole-in-one grew, but Brian finished with a scratch 74 for the par 72 course for a fine afternoon.

FORT MEADE FULLBACK Jerry Baker, a 290 pound senior, powers through the Devil defense and races toward the goal line during the Avon Park Homecoming game last Friday

night. Big Baker scored three TD's and rushed for 140 yards with 18 carries to lead the Miners to a 35-0 victory over the Red Devils. Sunphoto by Tom Fleming.

## Red Devil Runners Second In Conference Meet

Despite record setting individual performances from the top five Avon Park runners, the Red Devils relinquished their two year reign as Heartland Conference Cross Country champions last Thursday afternoon on the Hardee High course.

Acadia, behind the pace-setting individual winner Ed Gruber, captured team honors with 37 points. The Red Devils were second with 48 points, Sebring third with 73, Hardee fourth with 88, and Fort Meade last with 91 points.

The Red Devils had nothing but optimism on their minds last Thursday as Alan Fortis (15:34), Jerry McKenzie (16:13), Mark Myers (16:34), Tim Cribb (17:34), and Tim Salter (18:14) all posted personal best efforts in the meet. The superb effort by the youth (two juniors and three sophomores) Red Devils simply fell short of the effort needed to upset a fine Acadia team.

"We have nothing to be ashamed of with our effort today," commented Coach Brojek. "The kids did their very best, and I could not have asked for more from them. It was just a case of one great team effort outdoing another fine

effort. You get some indication of the Red Devil's fine performance when you realize that our 25 point margin over Sebring was the largest of the season. My kids did one heck of a fine job in the excellent meet."

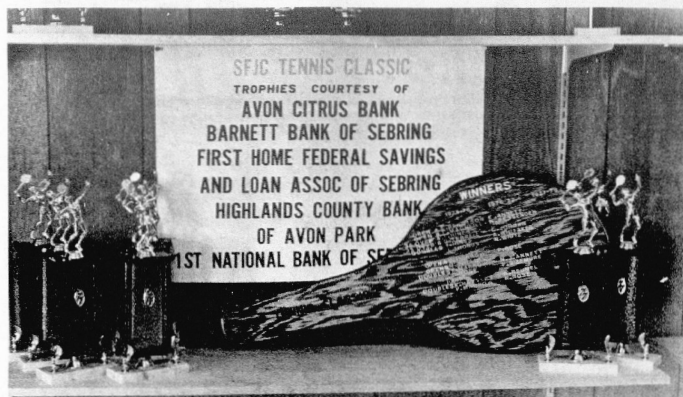

Three Red Devils made the Heartland Conference team because of their efforts. Named to the top flight squad were: Alan Fortis, Jerry McKenzie, and Mark Myers. They joined Gruber, Cassels and Johnson of Acadia; Harnage and Kershner of Sebring; Conners of Hardee; and Burnsed of Ft. Meade on the All-Conference team.

## Classes Open

There is still room in all the instructional classes of Racquetball and Tennis, offered by the Avon Park Recreation Department.

Please call 453-8881 for more information on these group lessons. Beginning and intermediate tennis and racquetball. If you have some spare time from 5:30-6:30 p.m., spend it wisely and learn to play one of these great sports!

## Middle School Girls Take Fifth Straight Win

With a 12-8 win over Sebring last Thursday afternoon, the Avon Park Middle School girls' sloppish softball team chalked up its fifth straight victory with just one game remaining on the schedule.

Today (Thursday) the Devil Middle School girls will close out the 1977 season with a game against the Lake Placid Middle School girls here at the Little League Field starting at 4:15 p.m. Avon Park beat Lake Placid 23-12 earlier in the season down in Lake Placid.

A win today would give the Avon Park girls a perfect 6-0 record, but Coach John Russ and Coach Norma Hawk's team is assured a first place finish whether they win or lose today. The other three teams have all lost at least two games each.

Last Thursday afternoon, the Sebring girls led 8-7 going into the bottom of the fourth inning. But the Avon Park girls scored four runs in that frame to take an 11-4 lead and then added a run in the sixth inning to finish out the scoring at 12-8.

Linda Johnson got three singles and scored three runs for Avon Park and Sandra Warren hit a double and a single and also scored three runs for the local team. Tracy Brown and Vickie English hit two singles each, and Pat Starks, Ruth Howe, Linda Knight, and Charlotte Hart all had a single each. Michelle Braswell had a double for Avon Park.

## Runners Club To Enter Lakeland Meet

The Highlands Runners Club will send several members to the third annual Lakeland Civic Center Run this Saturday in a meet set to start at 9 a.m. The Civic Center run will feature a 5.5 mile run, a 5 mile run, and a 5 mile race walk.

Trophies will go to the top three finishers in each class or age group. Entry is \$1. per race and interested runners may contact Coach Chet Brojek for additional information.

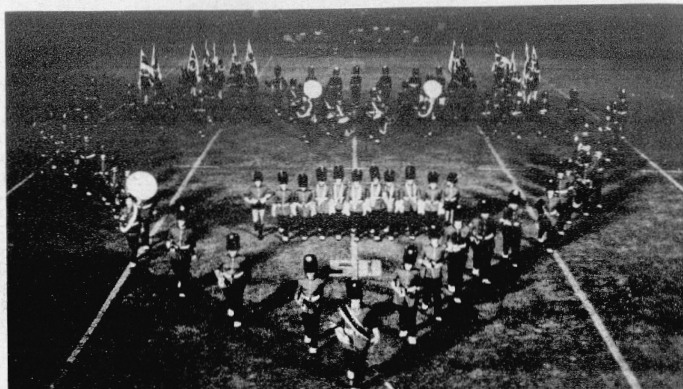

Brojek plans to run in both the 2½ and 5 mile contests. Runners Club members Joe Baker, Alan Fortis, Raleigh Turnbull, Jack Collins, Tim Salter, Mark Myers and Jerry McKenzie will run in one of the two distance contests.

## Fisher And Melear Semi-Final Winners

Ginny Fisher and Henretta Melear were the winners of the semi-final matches of the Ladies Handicap (match play) Club Championship Tournament that was played last week at the Pinecrest Country Club.

Ginny Fisher defeated Markine Ostling and Henretta Melear defeated Lena Wright, in the week's play. The final match will be played this weekend.

The daily play was individual Pro-Am points in each flight with the winners being Helen Griffith, first flight; Ginny Hughes, second flight and Edith Godwin, third flight.

## Two Men In Shooting Wounded Accidents

Two area men were wounded in separate shooting accidents in Highlands County Sunday.

Highlands County sheriff's deputies report Richard Wilkins, 29, of Triple G Dairy, Sebring, sustained a chest wound when his .22 calibre rifle discharged as he carried it out the door of his residence to go hog hunting.

Wilkins was taken to Highlands General Hospital by deputies and was treated and released.

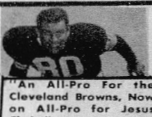

William Darryl Scott, 17, of 86 E. Bell St., Avon Park, was injured when his .22 magnum hand gun went off in his holster. Scott had been shooting in clay pits near Fox Lake Sunday afternoon when the accident occurred.

Scott was treated at Walker Memorial Hospital.

"WHAT DO WE do next, Coach?" Red Devil quarterback David Sisemore seems to be asking Coach John Hunter during a time out last Friday night when the Fort Meade Miners stomped the Avon Park Devils by a score of 35-0. It was the first shut-out for Avon Park this season. Sunphoto by Low Miller.

TRIPPED UP FOR short yardage by a Miner is Red Devil fullback Rufus Wilson (32) during the Fort Meade-Avon Park game last week. Wilson was held at 77 yards rushing, missing the 100 yard mark for the first time in seven games. The hard-running senior lacks only 33 yards of rushing for 1,000 this season. He has carried the ball 179 times for 967 yards for a 5.4 yard average per carry. Sunphoto by Tom Flemming.

# Southside Park Community News

## Hi Friends,

Welcome to Southside Park Community News. There were many Southsiders who turned out to the Homecoming and Halloween Parade. The annual Trick or Treat was observed Saturday night and many youths participated.

Saint Mark Baptist Church journeyed to Arcadia on Sunday October 30 to participate in the 9th Sunday Congress.

Please don't forget to purchase your tickets to the N. A. A. C. P. Banquet to be held Friday November 11, 1977 at the Hopewell School Cafeteria. Many Civil rights leaders are coming, from out of town to be with us and if they can come from afar then surely local concerned citizens would not want to miss what they have come to say.

Tickets are available by contacting Mrs. Martha Mitchell at 453-5897 or George Gholston Jr. at 453-5320.

There will be a meeting of the Avon Park Branch at the N. A. A. C. P. Tuesday November 8, 1977 at the Mt. Olive M. E. Church Annex on the corner of Green and Delaney beginning at 7:30 p.m.

Please plan to attend and bring a friend!

Welcome Home:

**E.O. Douglas Class of 1967**  
The E. O. Douglas Class of 1967 will hold its reunion in December. Those who started out with this class but did not finish are also invited to participate. The date and place will be announced later. Graduates not shown on this picture are Alvina Moore, Josephine Marion and Geraldine Hawthorne.

## Stop Smoking Clinic Scheduled At Hospital

The American Cancer Society is just beginning what they call "A Huge Assault" on smoking. They claim that cigarette smoke kills 70,000 people annually, and that cigarette smoke is responsible for more deaths from cancer than any other single agent. This year 85,000 Americans will die of lung cancer; 90 percent of these deaths will be due to smoking. Cigarette smoke is a causal agent also in diseases of the lung other than cancer; and diseases of the circulatory system including heart disease and high blood pressure.

In addition, remember that heavy cigarette smoking cost us around \$4 billion annually for medical care to treat the illnesses it causes, and another \$13 billion annual loss is sustained as a result of accidents, theft, absenteeism, lost of out-put, etc. True, 50 million Americans are currently smoking, but 30 million have stopped, since anti-smoking campaigns began. Very few doctors now smoke. In 1964, 42 percent of adult Americans smoked, today the figure is around 33 percent.

More importantly, there is a definite sign that public attitudes toward smoking, and the public image of smoking are significantly changing from positive to negative. Twenty years ago the popular question was "Aren't you smoking?" Today it is "Are you still smoking?" During this coming November, you will see and hear plenty in the media regarding quitting smoking.

The November meeting of the Highlands Gem and Mineral Club will be held Nov. 8 at 7:30 p.m. Meeting place is the Sebring Rock & Hobby Shop, 1422 Prospect Avenue, Sebring.

The Highlands Gem and Mineral Club welcomes all interested persons. Additional information may be obtained by calling 385-0065.

The Avon Park Library is the temporary home of the Club's Gem and Mineral Display. This is an exhibition of semi-precious rock specimens donated by club members.

Origins of the specimens range from Florida and other areas of the United States to Africa and Brazil. These are truly beautiful pieces and it is well worth one's time to view the exhibit. In the near future new specimens will be added so those who have not already made a visit to the Avon Park Library, should do so without delay.

## Reynolds is Paying 17 Cents For Aluminum

During November, Highlands County ecology-minded citizens will receive 17 cents a pound from Reynolds Aluminum Recycling Company for their clean, household aluminum.

Every Friday, (except Nov. 25, due to the holiday) from 11 a.m. to 2 p.m., the company will be at the Sebring Lions' Club, 1200 Fairmont.

Reynolds pays 17 cents a pound for aluminum beverage cans and other clean household aluminum items such as pie plates, foil, frozen food and dinner trays, and dip, pudding and meat containers.

Certain other items, including aluminum siding, gutters, storm door and window frames, and lawn furniture tubing are also worth 17 cents a pound if properly prepared. This aluminum must be free of all foreign materials, cut to lengths not exceeding three feet and should not be mixed with cans.

Dave Vardell, Reynolds District Manager, for aluminum recycling said, "The Holiday Season is almost here, and extra money received from collecting aluminum for recycling will be useful for upcoming shopping and entertaining throughout the holidays."

Question: You are the bus driver. You stop the bus at Fifth Street and picked up three new passengers and dropped off four passengers. Next stop is Tenth Street. You picked up six people this time and dropped off one. Next stop is Fifteenth Street. You picked up two new passengers and dropped off four people. Last stop is Twentieth Street. You picked up one passenger and dropped off three. How old is the bus driver?

Answer: How old are you?

# Old Settlers Work For Museum

A group of people who were to become the Avon Park Old Settlers Association, held their first meeting in 1944, with the object of preserving for future generations the origin and history of Avon Park. With the same objective, today's Old Settlers, with a name change, are on the verge of successfully acquiring for Avon Park, the Seaboard Coastline Railroad Station for a museum to preserve some of the city and area's historical monuments.

The Articles of Incorporation were signed in 1945, with Article III stating, "The object of this club shall be to preserve to future generations, the origin and history, as interesting events occur from year to year, and to provide an annual meeting, the place for 'Old Settlers' to gather and exchange reminiscences."

The name was changed in 1975, to the Old Settlers Historical Society. Along with the name change came a change in membership requirements. Originally anyone who had lived in Avon Park for 20

years was eligible for membership and entitled to be called "Old Settler". This was changed to, "anyone interested in the history of Avon Park, was eligible for membership and entitled to be called 'Old Settler'."

When the Bandstand was renovated in 1971, it was suggested that it be made into a mini-museum on the ground floor. However, when it was heard that Lake Wales people were trying to secure the Lake Wales railroad station for a museum, the Old Settlers began working to obtain the Seaboard Coastline Railroad Station.

At the 32nd annual meeting of the Old Settlers, last Thursday night at the Congregational Church Fellowship Hall, Rev. H. D. Graetz told the group how Fred Jahna made the initial contact with railroad officials when Mr. Glover of the Lakeland office was in Avon Park.

Mayor Marshall Davis, stated that when word was received that the city might be given the railroad depot the city council had voted to accept the building

for a museum. On Aug. 12 the Mayor had received a letter about the station from J. T. Arnold, the Seaboard's attorney. Recently Mayor Davis had talked with Mr. Gentry, Jacksonville and was told that the railroad was just about ready to deed the station building to the city.

When it was learned that the Avon Park depot was to be closed to the public as a railroad station, Rev. Graetz told of Ben Hill Griffin's going to see W. Thomas Rice, president of the railroad, in Virginia to inquire about the possibility of the station being given to the city for a museum.

"It is a dream, to many of us, about to come true," stated Rev. Graetz. "Once we get the station, we can discover what it takes to make it into a museum," he continued.

"It is easy to go the way and to do the things, if someone has charted the way," Rev. Graetz said in his introduction of Mrs. Mimi Hardman, director of the Lake Wales museum on

Alt. U. S. 27 in Lake Wales.

From Kentucky, with a degree in Biochemistry, Mimi Hardman told the Old Settlers about some of her problems in securing the railroad station for Lake Wales, which was dedicated as a museum on July 3, 1976. At present they are trying to get the building listed in the Archives of Natural History Registry, which means it can never be torn down.

Money for repairs and equipment, came from local contributions, federal and state grants, with the city cleaning up around the building.

To the questions, who keeps the doors open, who pays the light bill, water bills, etc. Mimi said the city can get federal grants to run the museum, such as CETA workers and Seniors at Work people. The Lake Wales city commission established a Depot Commission of nine people to oversee the operation of the museum, which included an attorney, architect, landscaper, librarian, school teacher, doctor, mayor, city commissioner and a business man (antique shop owner).

The main thrust of reworking the building into a museum was to make things interesting and functional, for rental of unused museum space to other organizations.

As Curator of the Lake Wales Museum, Katie Hucabee, Lakeland, told the Old Settlers, that the project will have problems, but the rewards are great. The possibilities are endless, but ideas have to have action to make things happen and the ideas have to be put to work.

Katie told of 320 school children visiting the museum last November, later many of them returned with their parents. The museum can offer real educational service to the public and it will be a real challenge to the Old Settlers to make it work.

Katie told of the coming events at the museum such as Pioneer Day, honoring three generations of Lake Wales families. The quartet was invited to sing that evening (Nov. 12); art festival, music festival, Christmas and antique

dolls and the Lake Wales Art Show.

As a final word Mimi told the group, "If you have five people willing to work they can make the museum go."

In their business meeting the Old Settlers found that the oldest couple present were Mr. and Mrs. Bob Adams, Avon Park, who were also the oldest married couple present; oldest person, P. C. "Pete" Boney, Avon Park; and Cliff Thomas had lived the longest in Avon Park, having been born 14 miles from the city. For five generations his family has lived here, including his grandparents, parents, himself, children and grandchildren.

Of the persons who had signed the Articles of Incorporation in 1945, and are still living, H. T. Priety, came to Avon Park in 1918, is living in Sebring; Lillian Hood (1905) attended the meeting; Mildred Waddell (1914) at meeting; Mary Johnson Reed (1917) was secretary; Mrs. L. D. McGibboney, (1906) and Ellis Wray (1905) now living in Alabama.

MEMBERS OF THE Old Settlers Association took time out from their annual meeting in 1957 for a group photograph at the Winter Guest Club.

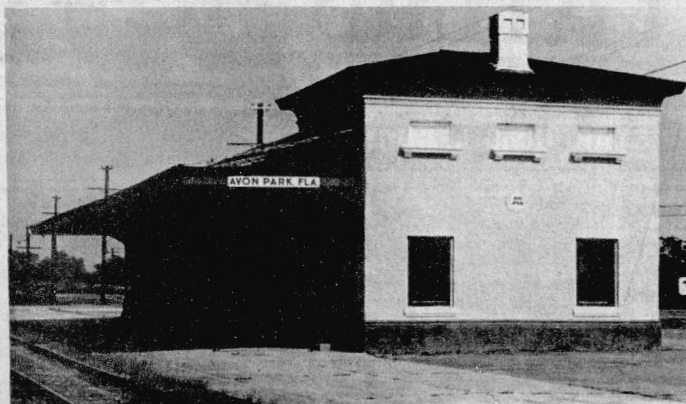

*"It's a dream, to many of us, about to come true, once we get the station, we can discover what it takes to make it into a museum," said Rev. H. D. Graetz*

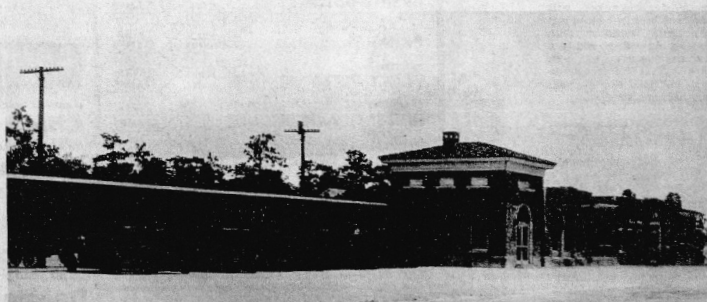

MAY WALDEN ONE of the founders of the Avon Park Settlers Association wrote the by laws for the Articles of Incorporation. Mrs. Walden was 91 when the photo was taken at the 1956 annual meeting.

UNOFFICIALLY WORD HAS BEEN been received That the Avon Park Seaboard Coastline Railroad station will be deeded to the city, however, no official notification has been received by the city.

WHAT WOULDN'T AN antique car buff give for one of the cars parked at the Seaboard Airline Railroad Station in Avon Park, in the heyday of railroading, just as a passenger train pulls into the station.

DIRECTOR OF THE Lake Wales Museum, Mrs. Mimi Hardman, told the Old Settlers how their city obtained the railroad station for a city museum.

MORE THAN 40 Old Settlers Historical Society members met at the Congregational Church Fellowship Hall

to hear of the progress in acquiring the Seaboard Coastline Railroad Station for an Avon Park museum.

HISTORIAN MILDRED WADDELL totals up the number of people attending the Old Settlers meeting Thursday night. Mildred's family came to Avon Park in 1903 and Mildred was historian when the Articles of Incorporation were signed on Oct. 9, 1945.

**Pinochle**  
On Monday, Oct. 24, there

were five tables with George Tisot high scorer with a 617 and John Mark and Evelyn Masuch tied for low at 597. October 28, Friday, out of six tables Grace Staley was high scorer with 588 and Mack Frederick was low with 497.5.

### Crafts

Hallie Wittmore, chairman, announces that craft classes

will begin on Thursday, Nov. 3, at 9 a.m., to 11:30 a.m. and that several new projects will be offered. Among the first will be owl mobiles, suitable for Christmas gifts. Members are asked to bring any kind of stamps and good boxes to decorate. Also, it is hoped that many members will take advantage of this opportunity

to meet and enjoy working together with projects which will be both useful and ornamental.

### Marriage Licenses

Jenita Serrano, 26, Sebring, and Diane Diaz, 23, Sebring, Samuel Antonio Castro, 27, Sebring, and Louella Carroll Vickery, 28, Sebring.

## Highlands County 4-H Club To Hear Assistant

The Highlands County 4-H Livestock Club will hear a program by the new assistant extension agent, Miguel Rubio, at Saturday's 9 a.m. meeting in the Agri-Civic Center on U.S. 27 S.

Rubio will review the various procedures for feeding,

grooming and preparing beef steers for the February, 1978 Highlands County Fair Junior Livestock Show and Sale.

Livestock Club members will see pictures of steers entered and discuss tagging procedures.

### A Yankee's

### Guide To Central Florida

It is nearing the time when the first snow flurries start to fly.

Not here, of course, but further north, the snowbirds are beginning to mill in preparation for their southerly migration to a temporary nest in warmer climates.

A Snowbird, by the way, is colloquial for tourist, or, "them Yankees what comes down here every winter."

In order to prepare the average "Yankee" for things to come, we have put together this colloquial guide to bridge the language barrier.

Generally, the first contact with a local and their colorful expressions will be in a restaurant, or cafe. Now, be aware that most cafe personnel, are managers retired from northern firms such as Acme Parakee Tennis Shoe, Inc., and, are simply running this joint for a hobby.

Closer inspection indicates his hobby is survival.

The waitress is a young thing from Cleveland, who is having a difficult time adjusting. She, taking a breakfast order, from a local, may experience a conversation that goes something like this:

She: May I help you sir?

He: Shore can.

(Long pause as she waits for the order)

She: Well?

He: Well What?

She: What would you like for breakfast?

He: Aligs (eggs), braid (toast), grits (grits), "N kawfee (and coffee).

She: Yes sir, and how do you like your eggs?

He: Ah'm crazy about them.

She: How do you like them cooked?

He: Ah'm laks em even better that way.

And as she pulls her hair out, the average Yankee will prepare to breach the food gap by ordering breakfast. With any luck, his waitress will be a local, and she grows him with "High-Dry". (This translates liberally to "Hello, How are you, may help you sir?"

Not wishing to cause a scene, you order the breakfast Special.

She will nod and smilingly ask, "Taters or Grits?"

Now you have been placed in a position and to make an error will leave a permanent mental scar.

Resist asking "What are Taters and Grits?" Above all, don't say something like "Grits, never had any, I'll try one". This will cause everyone in the cafe to come unglued.

Force yourself to choose Taters or Grits and hope for the best.

A strong sense of adventure will be an asset in situations like this. Eventually you will be served a most nourishing and delicious breakfast that will include either potatoes or a strange white substance that strongly resembles liquid cement, which you will, after a few weeks, lovingly call "Georgia Ice Cream."

This should be sufficient material for your first day, in the Sunshine State and we hope this column has helped familiarize you with some local expressions and how to deal with them, as for now, Bye Y'all, Come Back New, Ya Hear!

# Highlands Art Festival To Be Held November 12

The Avon Park Sun, Nov. 3, 1977 3C

Highlands Art League, Inc. announces a total of \$1500 in awards for its 11th Annual Sidewalk Art Festival. The festival will be held in downtown Sebring on Saturday, Nov. 12. Cash awards and ribbons will be granted to winners in seven categories of art in paintings,

sculpture, creative crafts and photography. In addition to the \$700 cash awards for excellence in art work, there will be \$800 for purchase awards.

Exhibitors are to be on display from 10 a.m. to 5 p.m. There will be three judges: one for paintings, one for creative

crafts and one for photography. Approximately 190 exhibitors will be competing for awards and hopefully selling art works. Art works done by Highlands County students and adult amateurs will be exhibited and judged separately. Ribbon awards will be given.

In addition to the visual arts exhibited, the performing arts will be represented by various groups and types of entertainment. Sebring Middle School Band, under the direction of Albert Pulkon, will present a concert in The Circle from 10:30-11:30 a.m. There are 100 seventh and

eight graders in the band. A group of square dancers from Sebring, called the Rainbow Squares, will perform sometime in late morning or early afternoon. Tom Dean from Lake Placid will be their caller. Sebring High School Stage Band, under the direction of

Paul Gustaf, will present their concert of "The Big Band Sound" in The Circle between the hours of 12:30 and 2 p.m. A ventriloquist, Lester Tolar from Avon Park and his dummy Charlie, will present a program in the Circle and visit with spectators and exhibitors as they stroll about town.

About mid-afternoon, a puppet show will be presented by The Children's Church of Sebring. Aunt Frances and Uncle Edward Bateman, as well as others, are the puppeteers. Some of their skits will be based on TV Shows such as Gunsmoke and Bonanza.

A short parade and Pet Show will be included in the day's festivities. The Pet Show will be located in Home Savings & Loan Parking lot.

Highlanders civic, religious, and fraternal groups from the county will have booths decorated in keeping with the Festival Theme: "Country Western Jamboree". They, too, will compete for awards for the most appropriately costumed attendants and decorated booths. Many items the members have made will be for sale. This is a big fundraising project for these organizations.

In addition to the food counter in the Circle, sponsored by The Highlands Art League, other groups located in various areas of downtown Sebring will serve food.

Art Festival chairpersons, Mr. and Mrs. Jim Janovick, Highlands Art League president, Juanita Raulerson and many other members of the Art League have worked hard and long to produce the Annual Sidewalk Art Festival.

City Council, Police and Fire Departments, and ambulance services have all been involved in and cooperating with the Highlands Art League in preparing for the needs of thousands of people who will come to the Art Festival.

Exhibitors will be asked to unload their vehicles and then move them to parking areas. Local residents are asked to form car pools, and to find out of the way places to park; places that out-of-towners won't know about.

Signs will be posted along the highways to direct exhibitors and visitors to the festival in downtown Sebring. Ridgewood Drive is a state highway, therefore it cannot be closed for long periods of time.

During and immediately after this Annual Sidewalk Art Festival, Highlands Art League will start planning for the 12th Annual Art Festival. Highlands Countians are urged to help with the planning, to make suggestions for next year's festival theme, to volunteer to work on the Festival Crew, to offer money for Purchase Prizes, to donate funds for expenses involved in the production of this event which brings so much pleasure to so many people.

Those who have suggestions for next year's theme, or want to become involved in any way, even to express appreciation for the work that was done, may write to The Highlands Art League, 122 N. Commerce St., Sebring.

# Bonnie Brae Mobile Park News

BY MARGIE WELLS

Thelma Miller arrived home last week after a wonderful two-week vacation in Hawaii. She arrived at Hilo, on the Big Island of Hawaii, where she visited the orchid nursery and then drove to Kilanea Crater where she had dinner at the Volcani House which is on the edge of crater. She also visited Kona on the west side and attended a real hula at King Kamehameha Hotel. Then on the Maui where she saw Iao Needle and drove to Lahaina to Whaling City. Next was Kauai where she spent one day at Waimea Canyon, which is a National Park, and where she also took a river trip to Fern Grotto where the Hawaiian Wedding Song was sung in native tongue. She stayed at the Royal Hawaiian in Honolulu and also visited Pearl Harbor, the Polynesian Cultural Center and on the last day took a city tour. Thelma had the opportunity to swim at four different places and once at Waikiki. O. K., Thelma, time to come down out of the clouds now and it's good to have you back!

Several of our residents arrived in Bonnie Brae this week to spend the winter. The names we have to date are: Margaret and Gene Brown from Michigan, Barbara and Jack Kinchela from New York, Desale and Ray Jones from Ohio, Grace and Lee McFrederick from Ohio, Lucille and Art Smalley from Michigan, Ruth Smith from Michigan, and Betty and Lou

Vedder from Michigan. If your name was omitted, please let this reporter know and it will be included with those we know will be arriving this week. It's wonderful to have our park coming alive again and we hope to see all of you at the coffee hour. We understand hogs and shuffle board will be starting real soon.

Helen Dyce came home this week after a visit with her daughter in Knoxville,

Tennessee, which she enjoyed very much. — son-in-law, Ella Drake and Thelma Miller spent Thursday in Lake Wales where they did some shopping.

We are sorry to report that Mr. Wells, who was just moving into our park, suffered a heart attack and died last Thursday night. We extend our sympathy to his relatives in Avon Park.

Rev. and Mrs. C. D. Harsh of Winter Haven were Tuesday

visitors in the home of their daughter, son-in-law, Margie and P. D. Wells. They all had lunch at the Jacaranda Hotel.

There was a lot of excitement in the park on Saturday evening when the hot-air balloon came low over Bonnie Brae and landed back of the orange grove on the edge of the park.

Don't forget coffee hour at 9:30 a.m., on Wednesday!

IN THE CIRCUIT COURT FOR HIGHLANDS COUNTY, FLORIDA IN RE: ESTATE OF WALTON G. THOMPSON, PROBATE DIVISION Deceased File Number 75-146

NOTICE OF ADMINISTRATION

TO ALL PERSONS HAVING CLAIMS OR DEMANDS AGAINST THE ABOVE ESTATE AND ALL OTHER PERSONS INTERESTED IN THE ESTATE:

YOU ARE HEREBY NOTIFIED that the administration of the estate of WALTON G. THOMPSON, deceased, File Number 75-146, is pending in the Circuit Court for Highlands County, Florida, Probate Division, the address of which is P. O. Box 1827, Sebring, Florida 33870. The personal representative of the estate is Glory Thompson, whose address is 305 North Lake Avenue, Avon Park, Florida 33825. The name and address of the personal representative's attorney are set forth below.

All persons having claims or demands against the estate are required, WITHIN THREE MONTHS FROM THE DATE OF THE FIRST PUBLICATION OF THIS NOTICE, to file with the clerk of above court a written statement of any claim or demand they may have. Each claim must be in writing and must indicate the basis for the claim, the name and address of the creditor or his agent or attorney, and the amount claimed. If the claim is not yet due, the date when it will become due shall be stated. If the claim is contingent or unliquidated, the nature of the uncertainty shall be stated. If the claim is secured, the security shall be described. The claimant shall deliver sufficient copies of the claim to the clerk to enable the clerk to mail one copy to each personal representative.

All persons interested in the estate to whom a copy of this Notice of Administration has been mailed are required, WITHIN THREE MONTHS FROM THE DATE OF THE FIRST PUBLICATION OF THIS NOTICE, to file any objections they may have that challenges the validity of the decedent's will, the qualifications of the personal representative, or the venue or jurisdiction of the court.

ALL CLAIMS, DEMANDS, AND OBJECTIONS NOT SO FILED WILL BE FOREVER BARRED.

Date of the first publication of this Notice of Administration: Oct. 27th, 1977.

## GIVE Volunteers To Get First Training Session

Volunteers for the Highlands County Schools involved in the new GIVE volunteer program, are being offered their first orientation-training sessions. These special sessions are designed to inform and prepare volunteers as they engage in the programs at the schools. Some have already reported for work, others are ready and awaiting orientation.

The sessions will also incorporate an introductory period for new applicants to GIVE who are also anxious and willing to devote their talents and efforts to Highlands County schools and students. The purpose and origin of GIVE will be presented for applicants and any of the public interested in knowing more about the program.

Designed for convenience to community citizens, GIVE orientations are scheduled: Sebring — Wednesday, Nov. 9, 1:30-3 p.m. in the GIVE office, 196 N. Orange.

Lake Placid — Tuesday, Nov. 8, 1:30-3 p.m. in the library of the middle school.

Avon Park — Thursday, Nov. 10, 1:30-3 p.m. in the elementary school cafeteria.

HIGHLANDS LITTLE THEATRE MEETING

The monthly meeting of Highlands Little Theatre will be held at 7:30 p.m. on Wednesday, Nov. 2, (instead of the regular Thursday) at the Parish Hall of St. Agnes Episcopal Church, 600 NW Lakeview Drive in Sebring.

The upcoming play, "Harvey", will be discussed, and the program will be viewing the rehearsal of "Harvey", which is under the direction of Delores (Mrs. Harold) Masonick. All HLT members are urged to attend.

The HLT board will meet at 7 p.m. on Nov. 2 in the Parish Hall of St. Agnes.
